

response to corticosterone

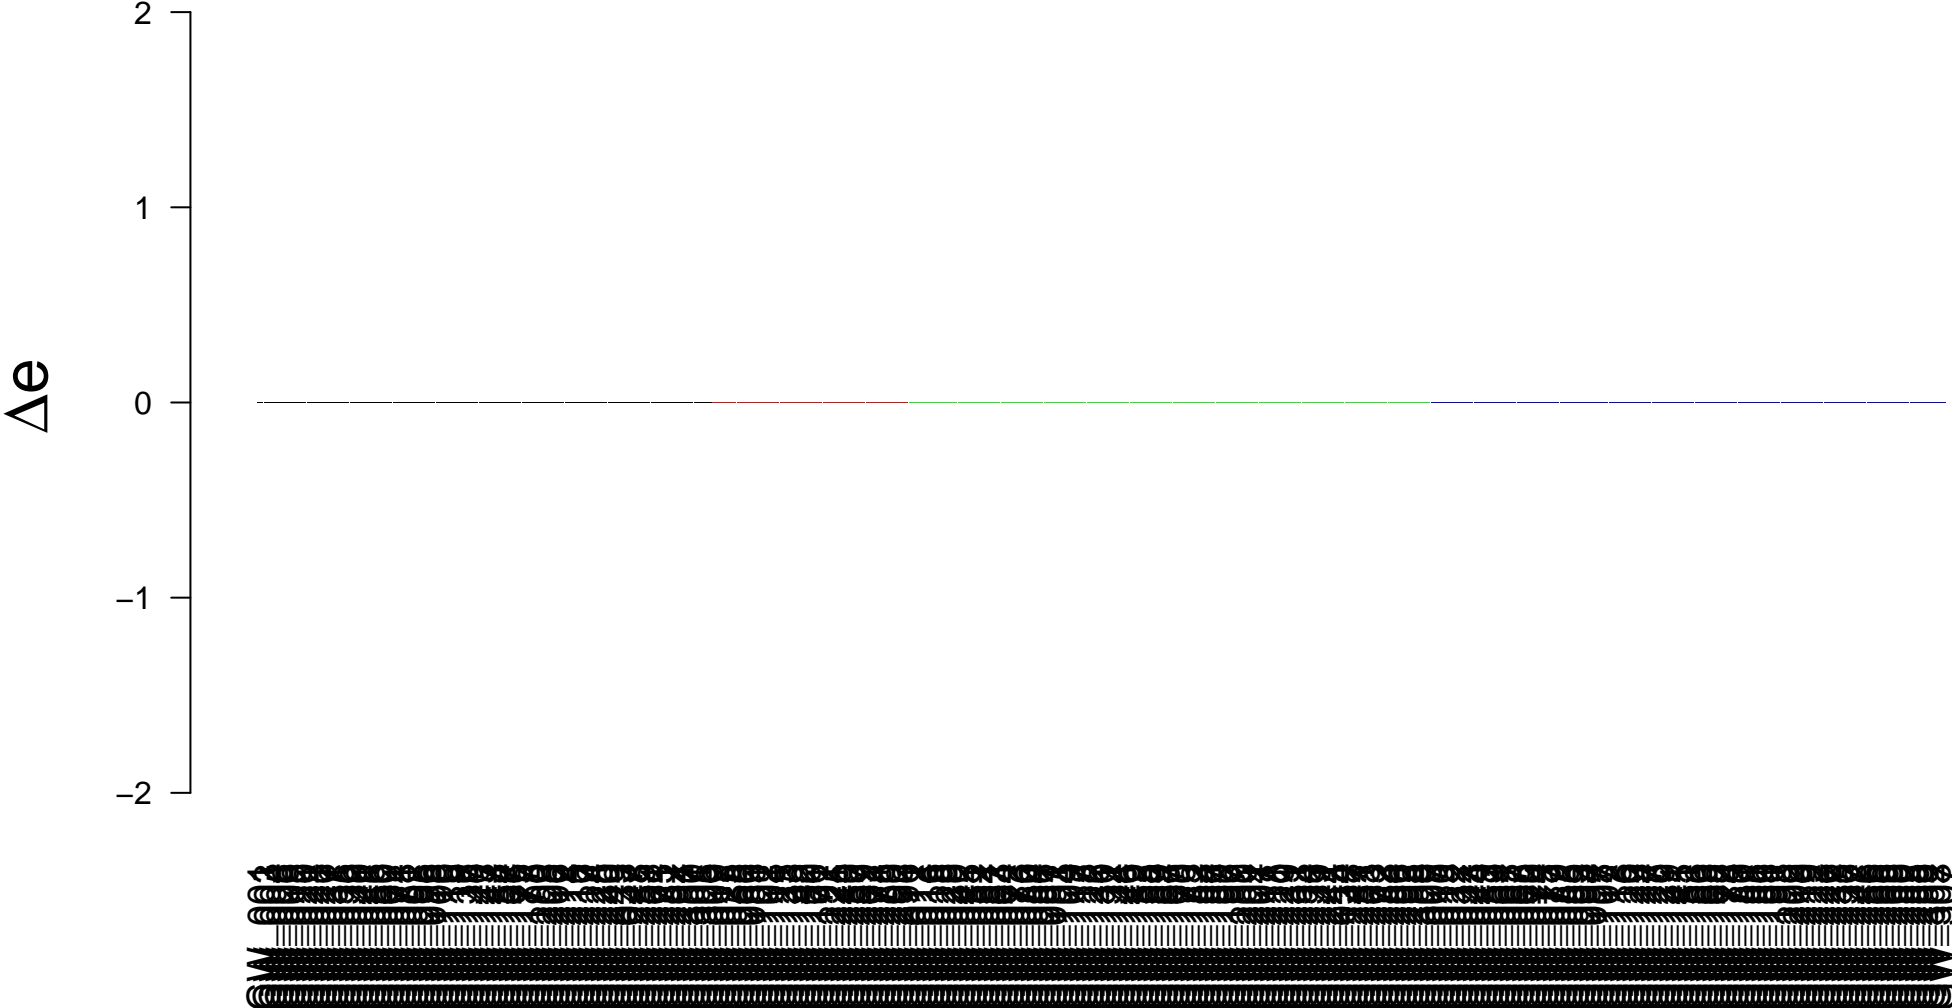

response to corticosterone

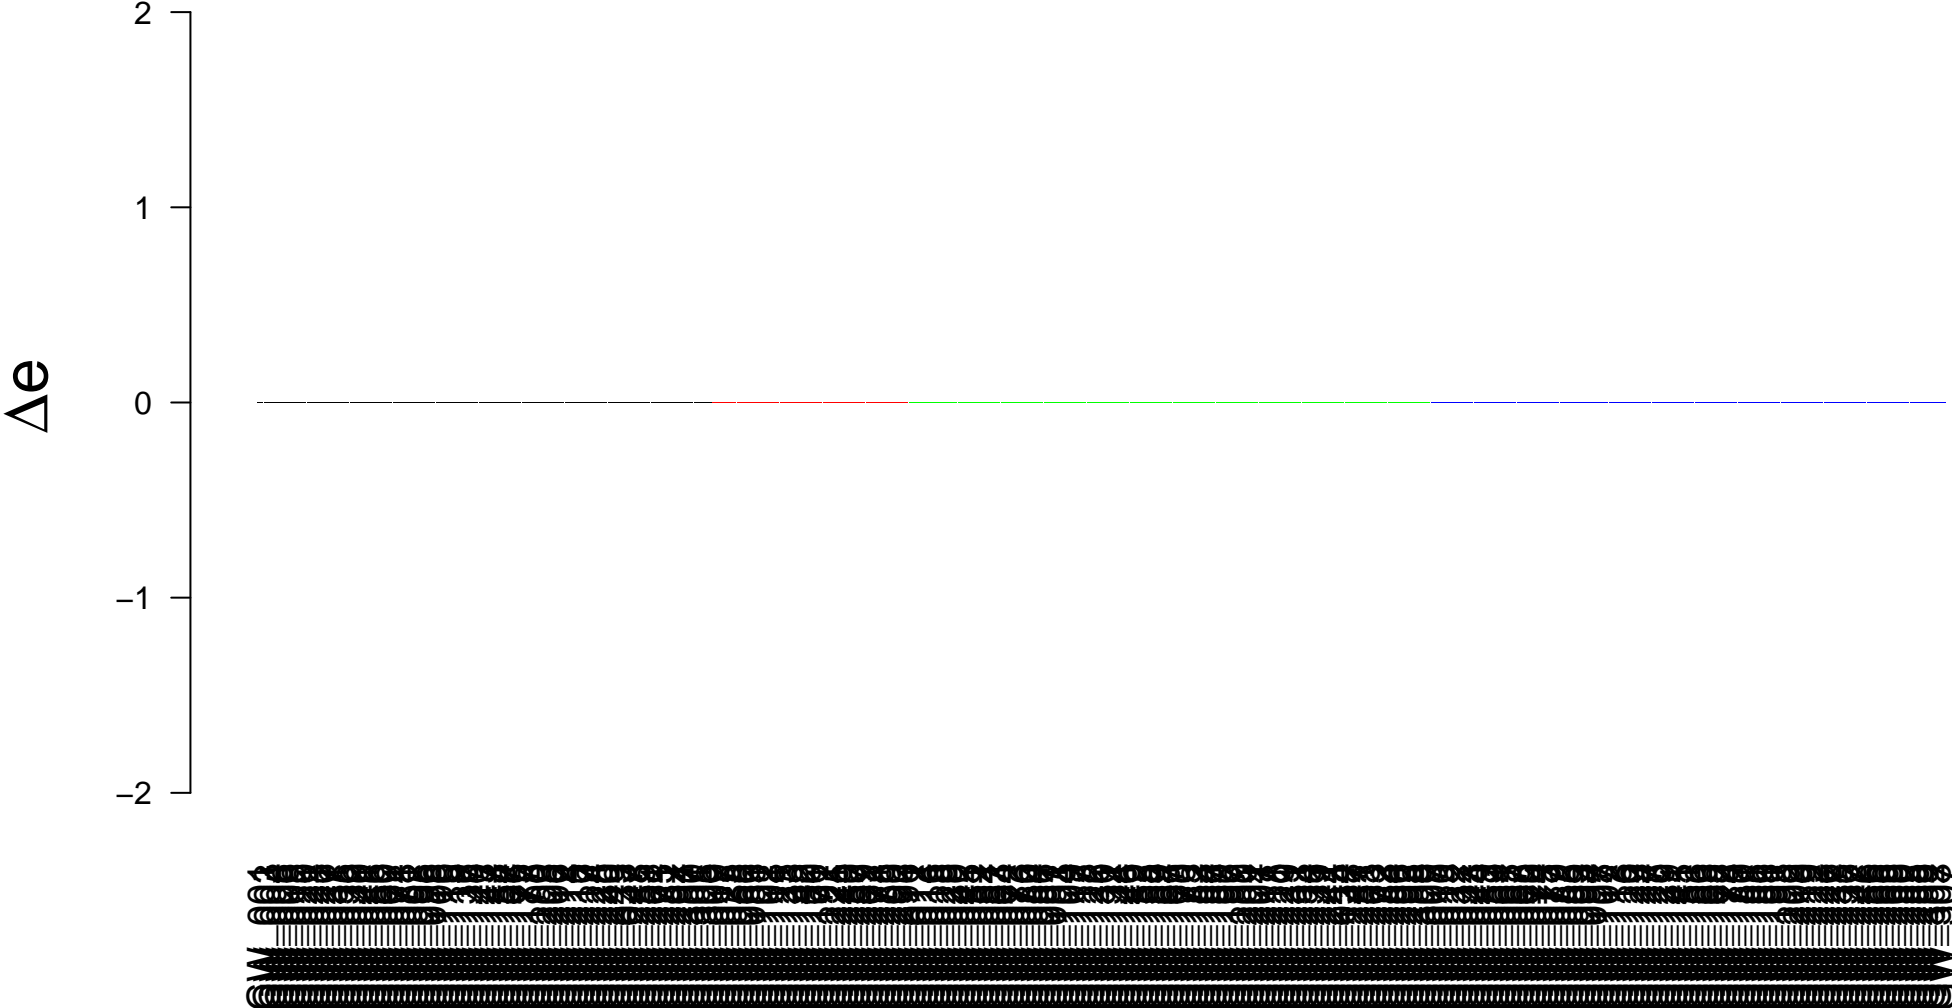

Enrichment in spots: response to corticosterone

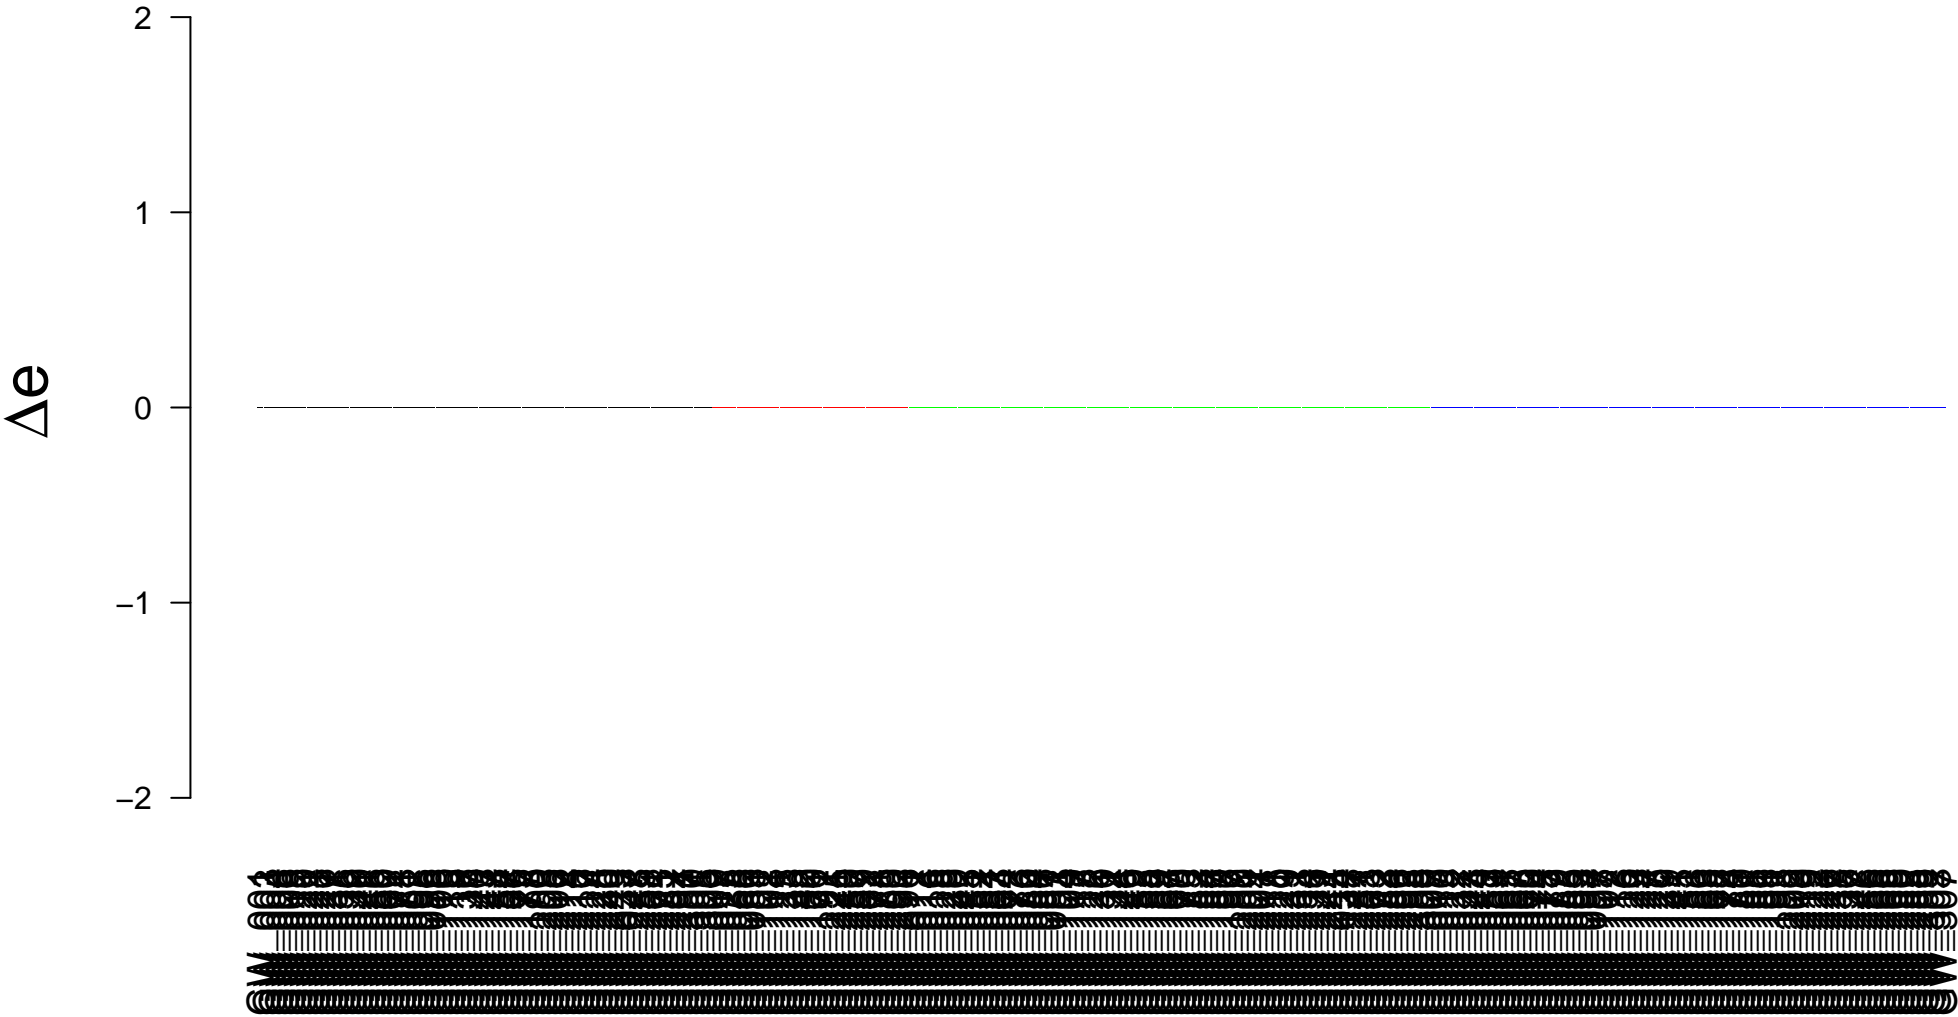

Expression of response to corticosterone in Spot A

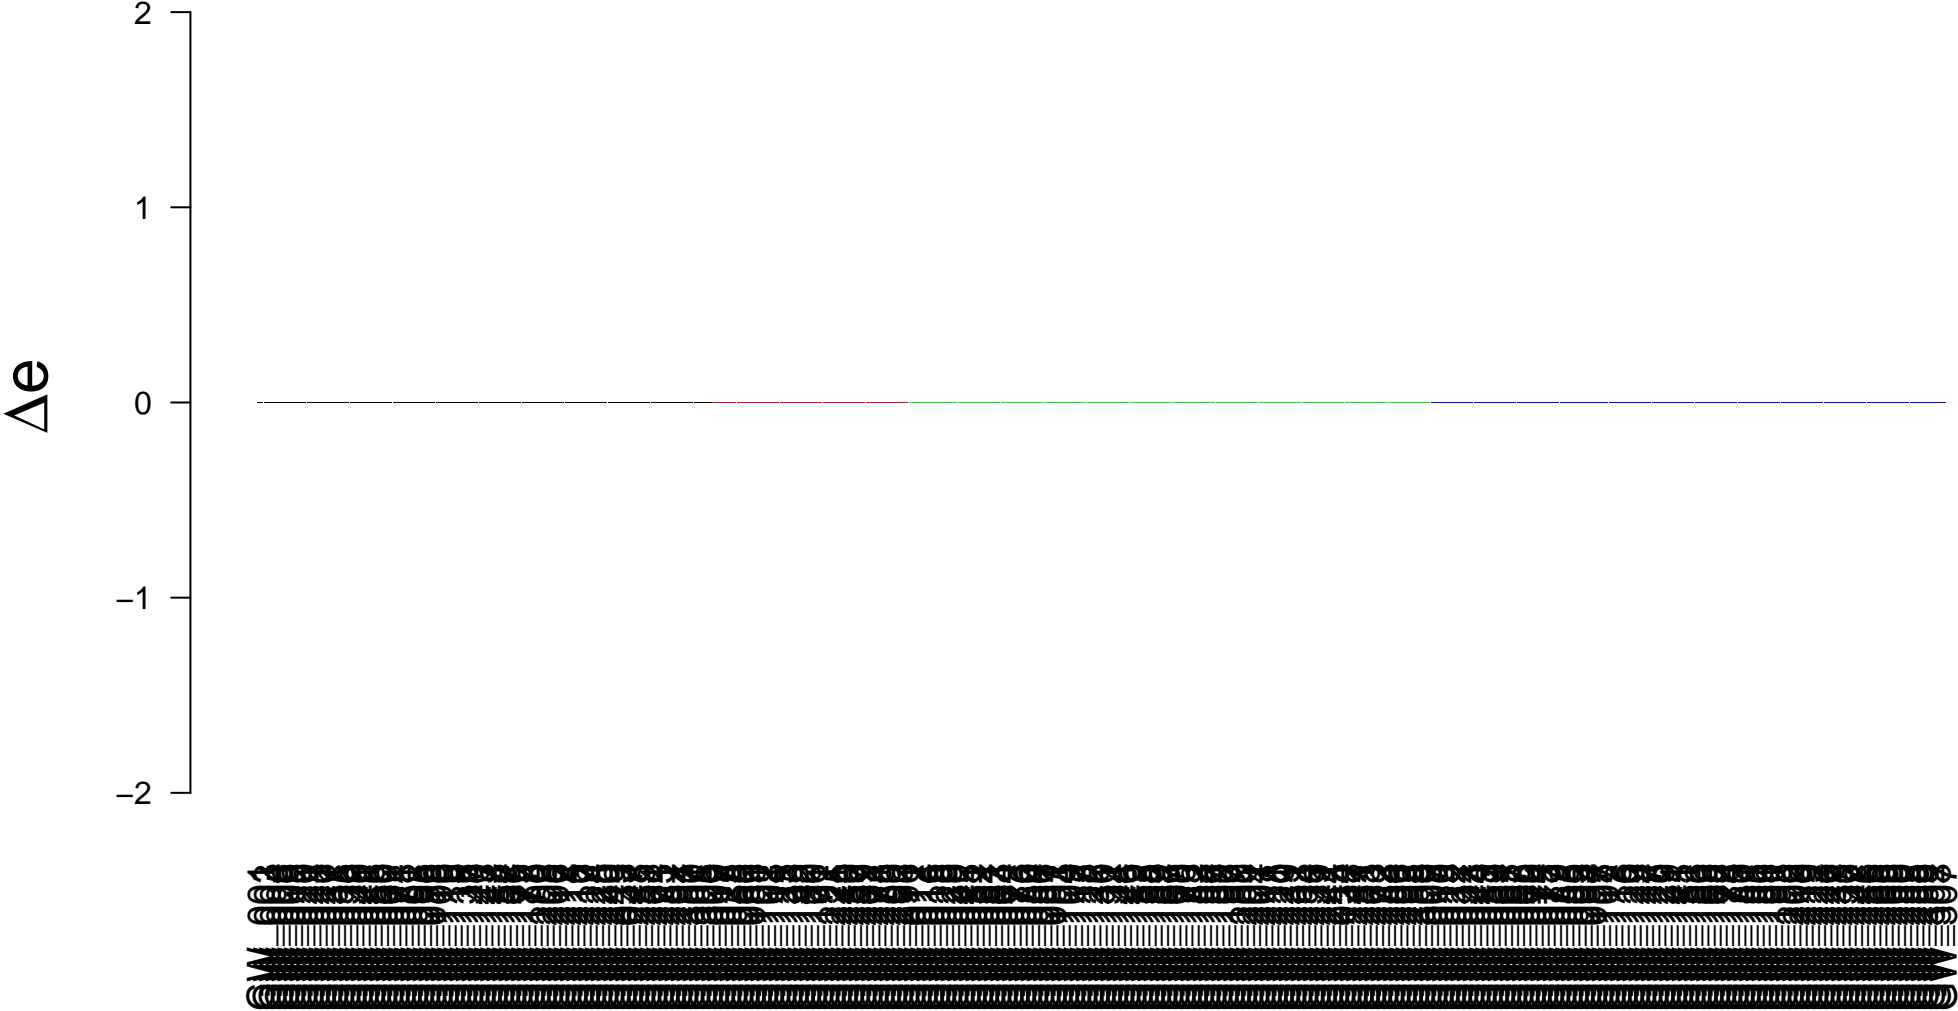

Expression of response to corticosterone in Spot B

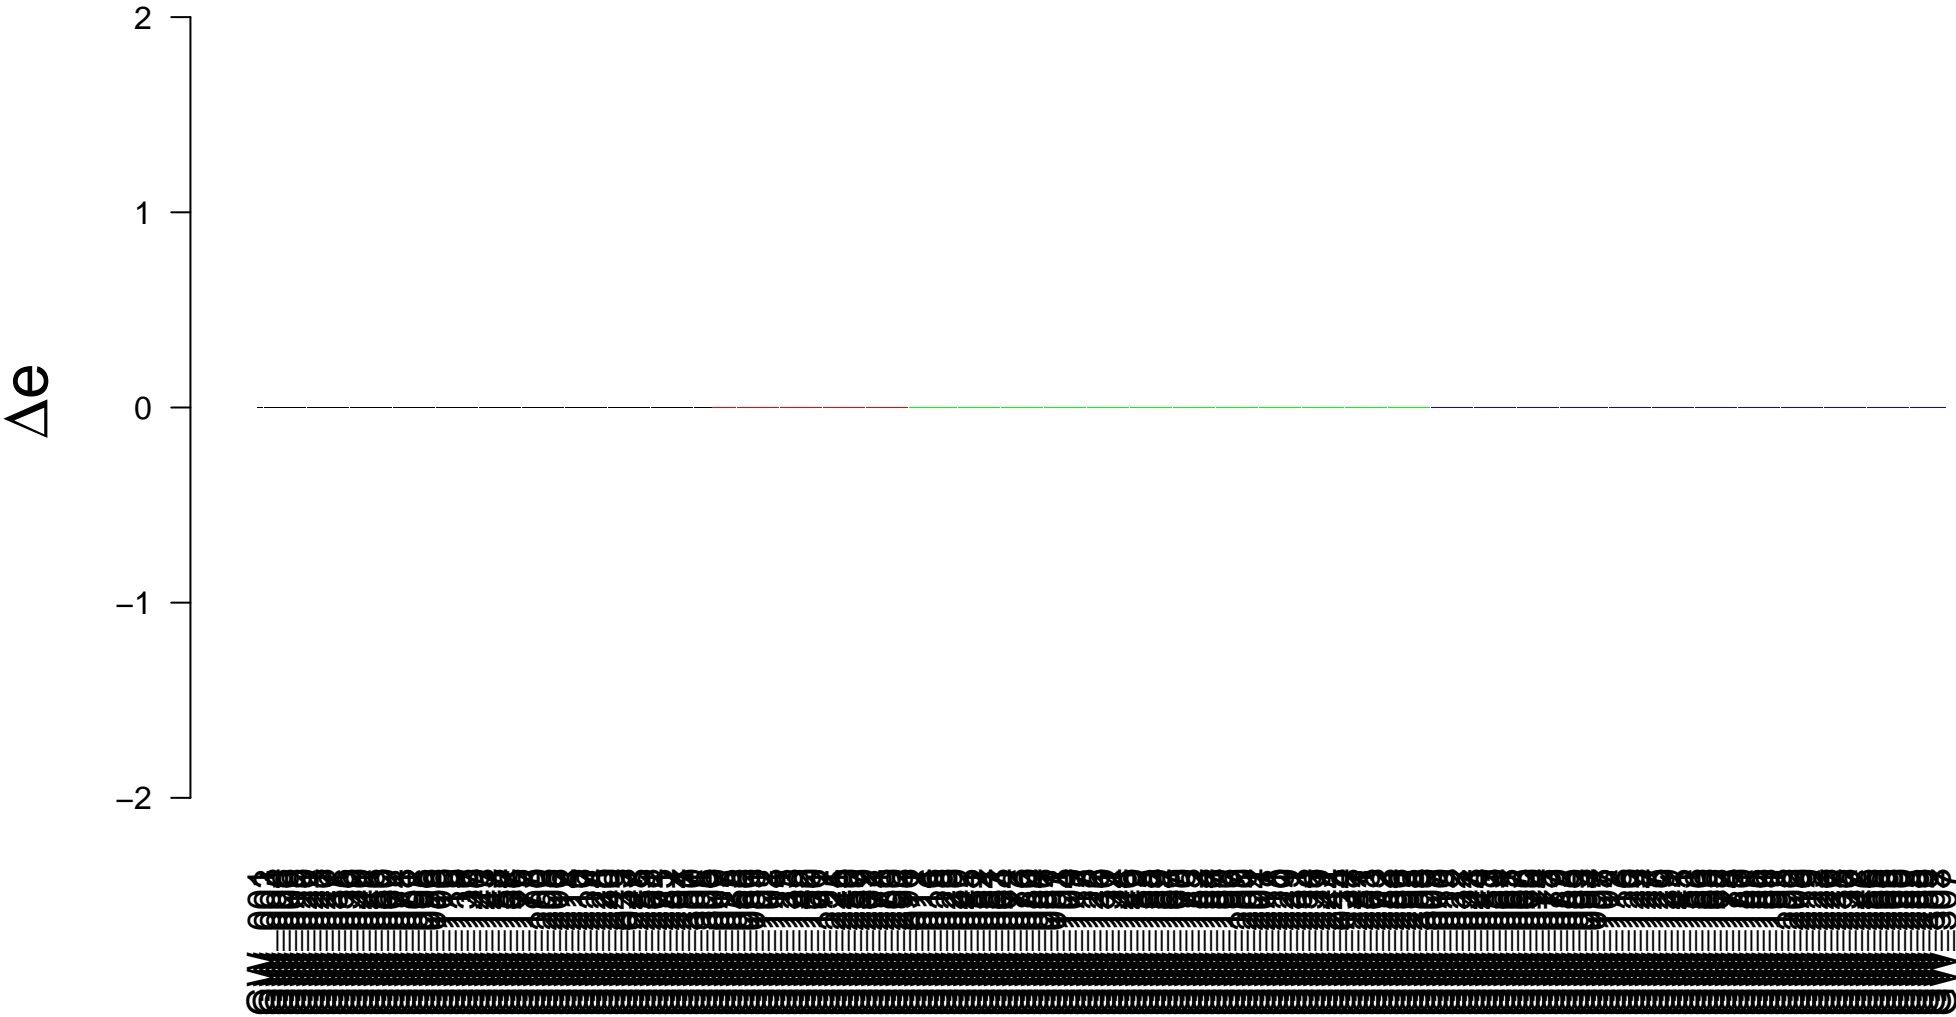

Expression of response to corticosterone in Spot C

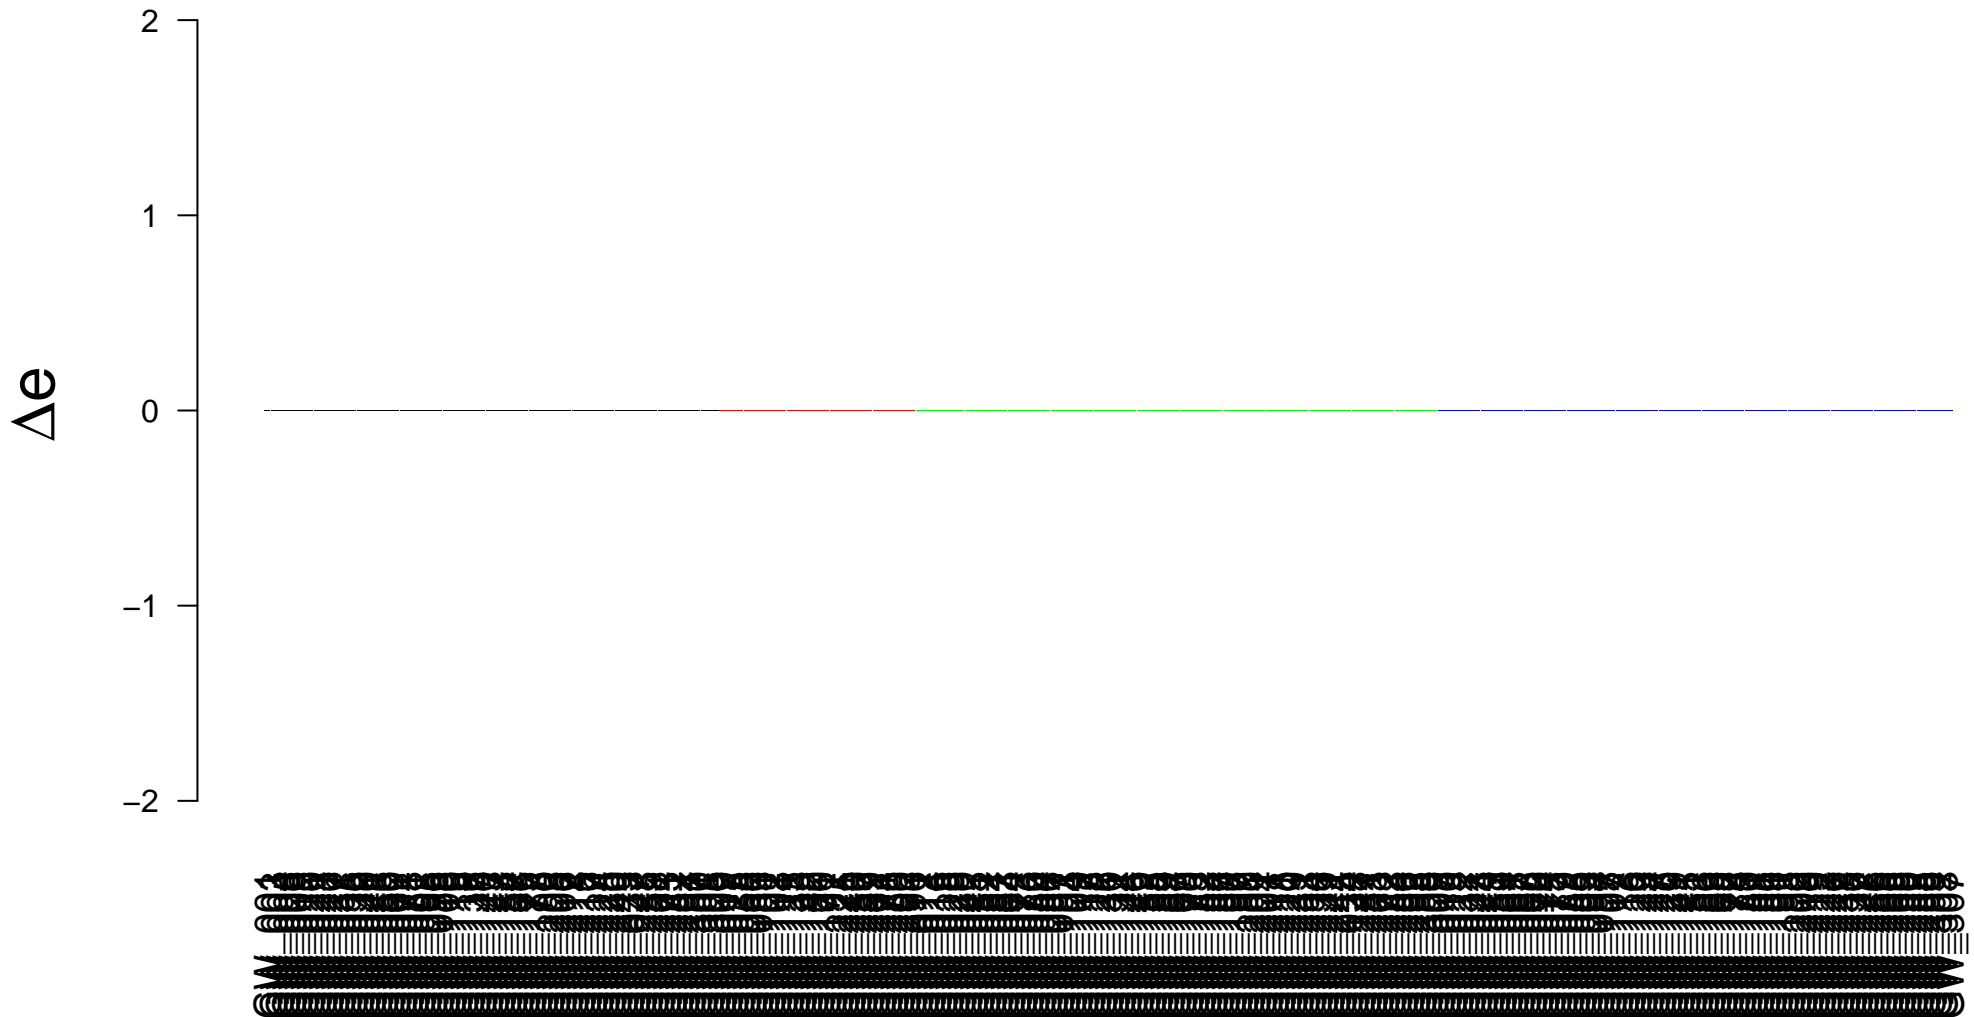

Expression of response to corticosterone in Spot D

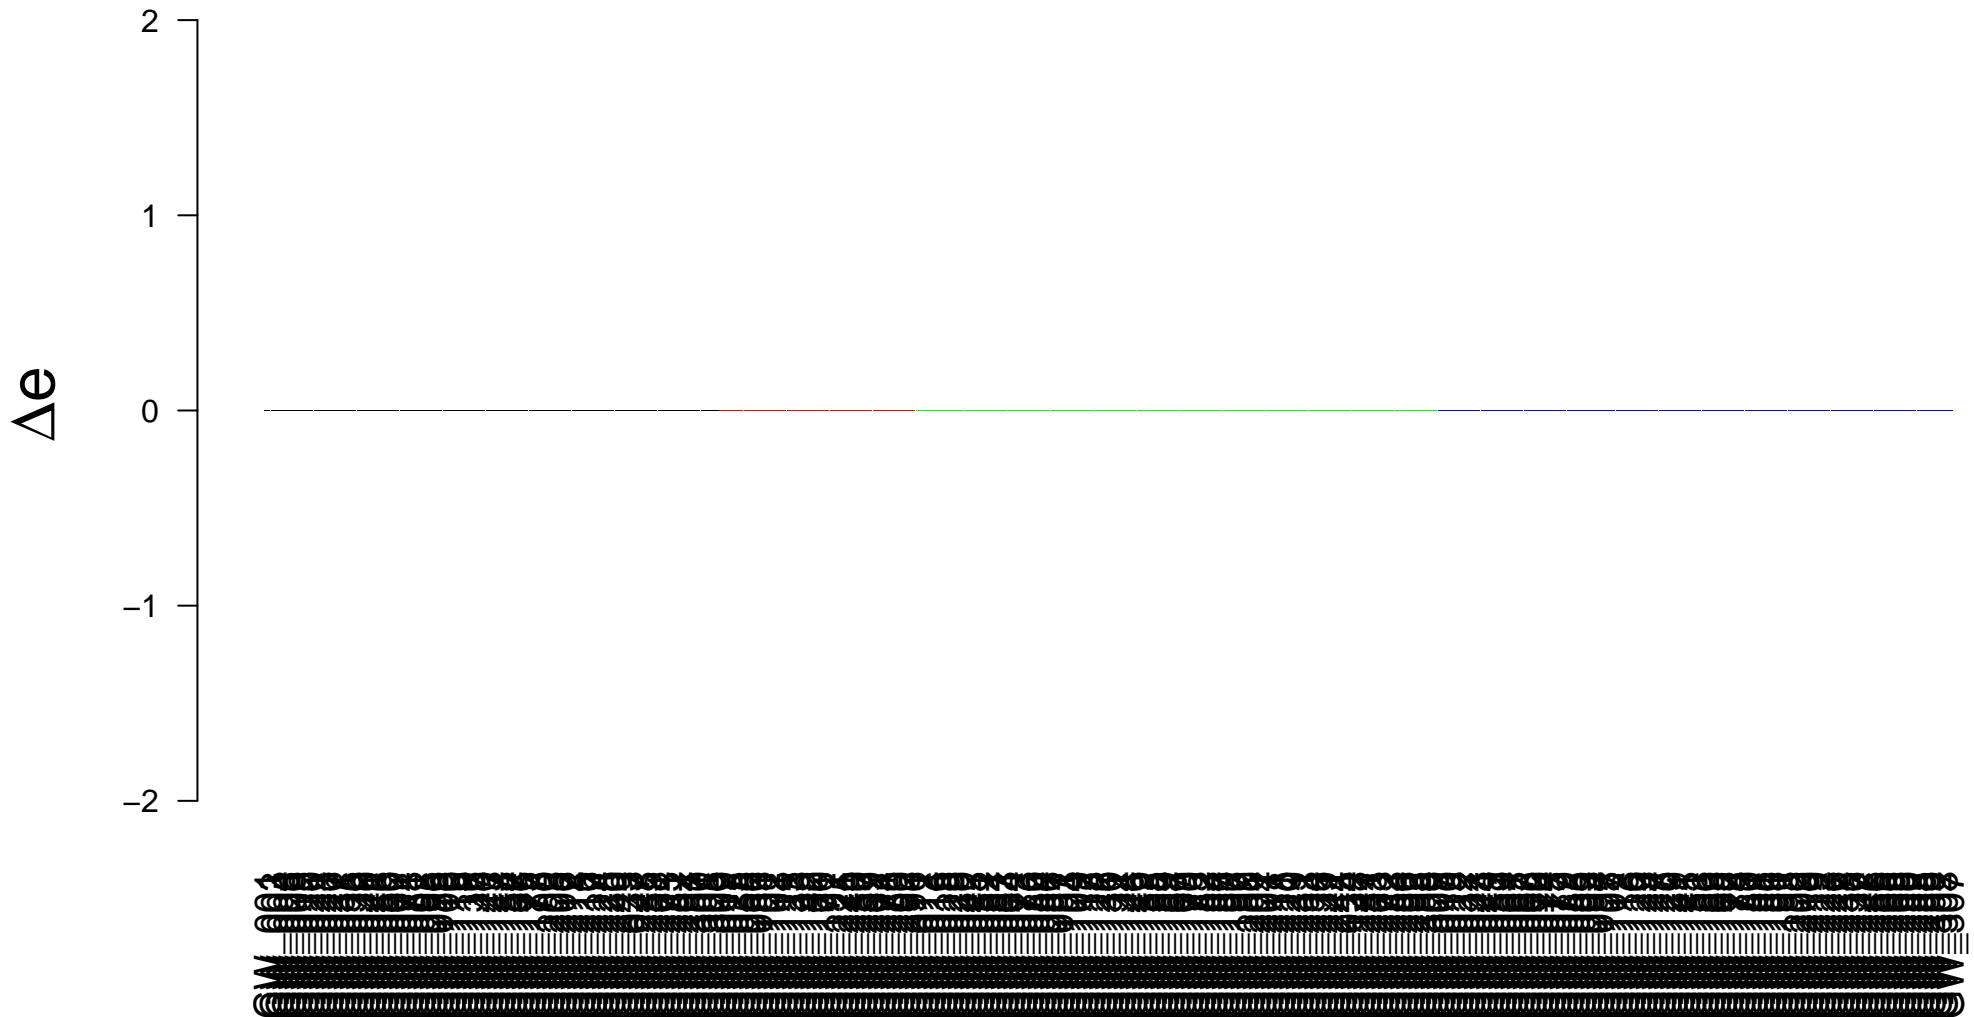

Expression of response to corticosterone in Spot E

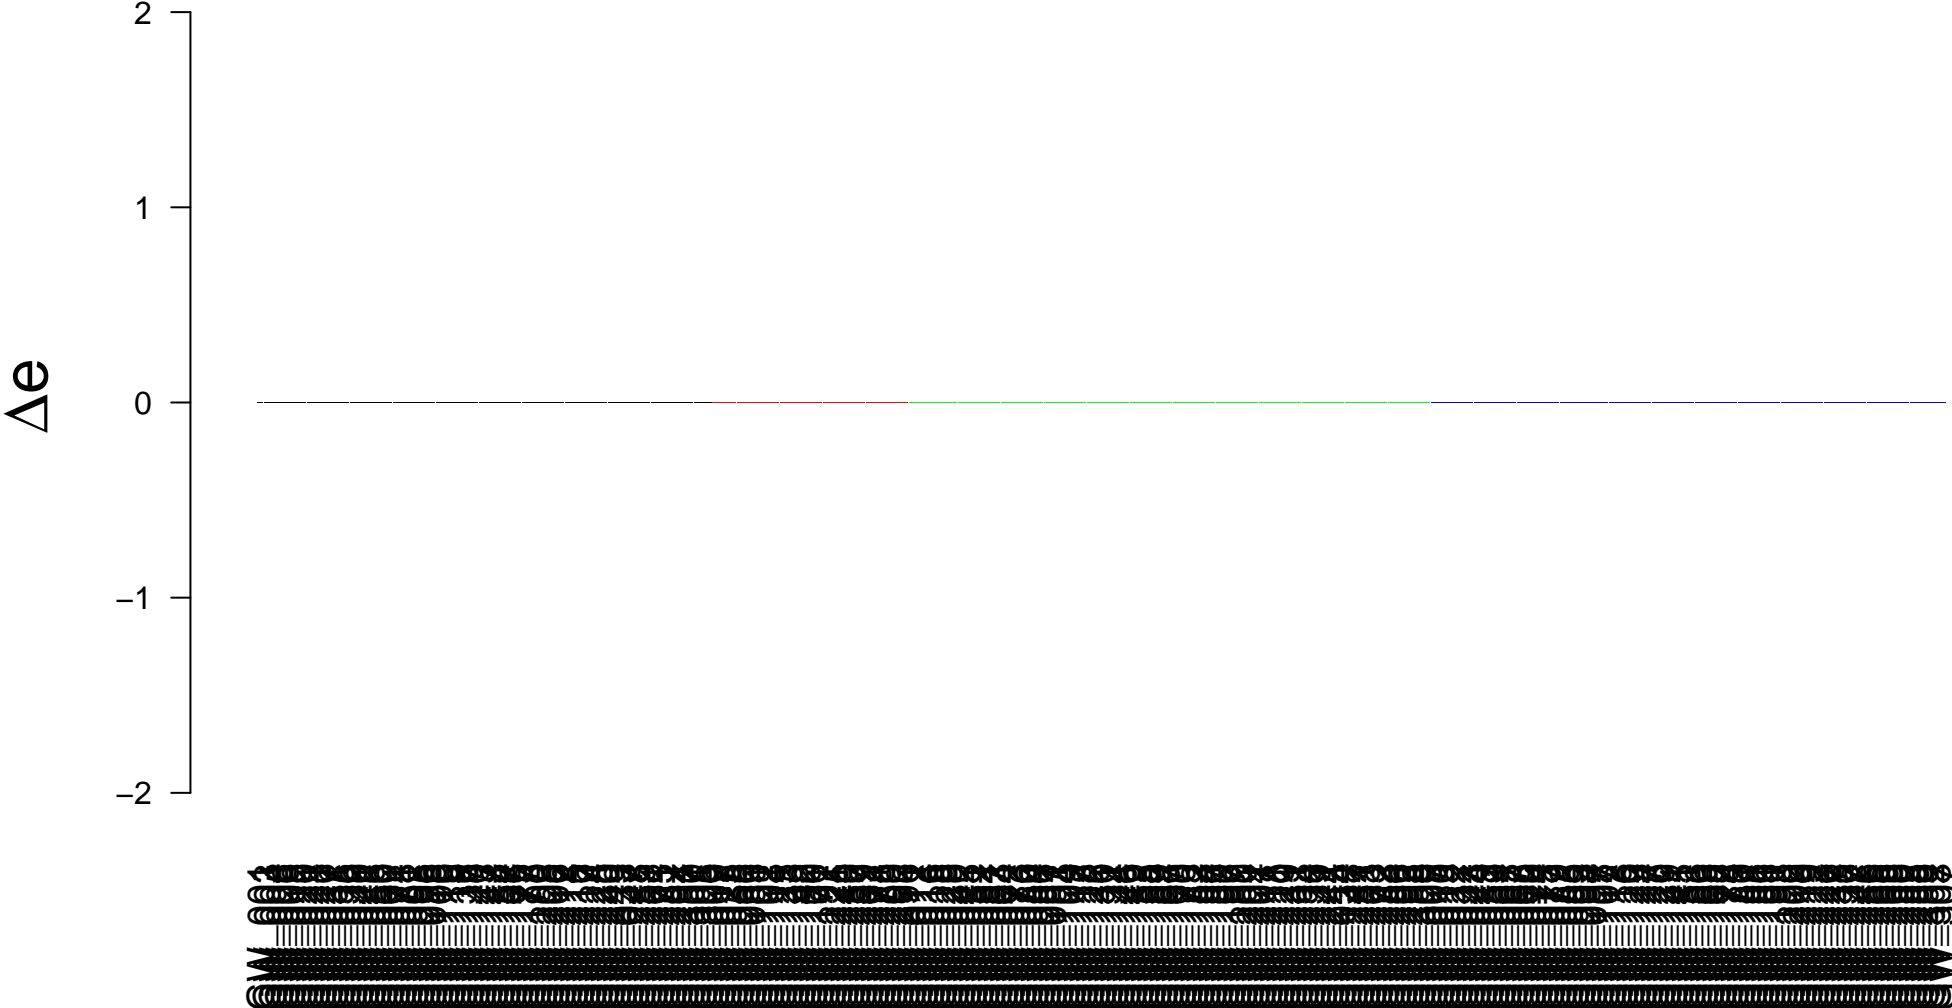

Expression of response to corticosterone in Spot F

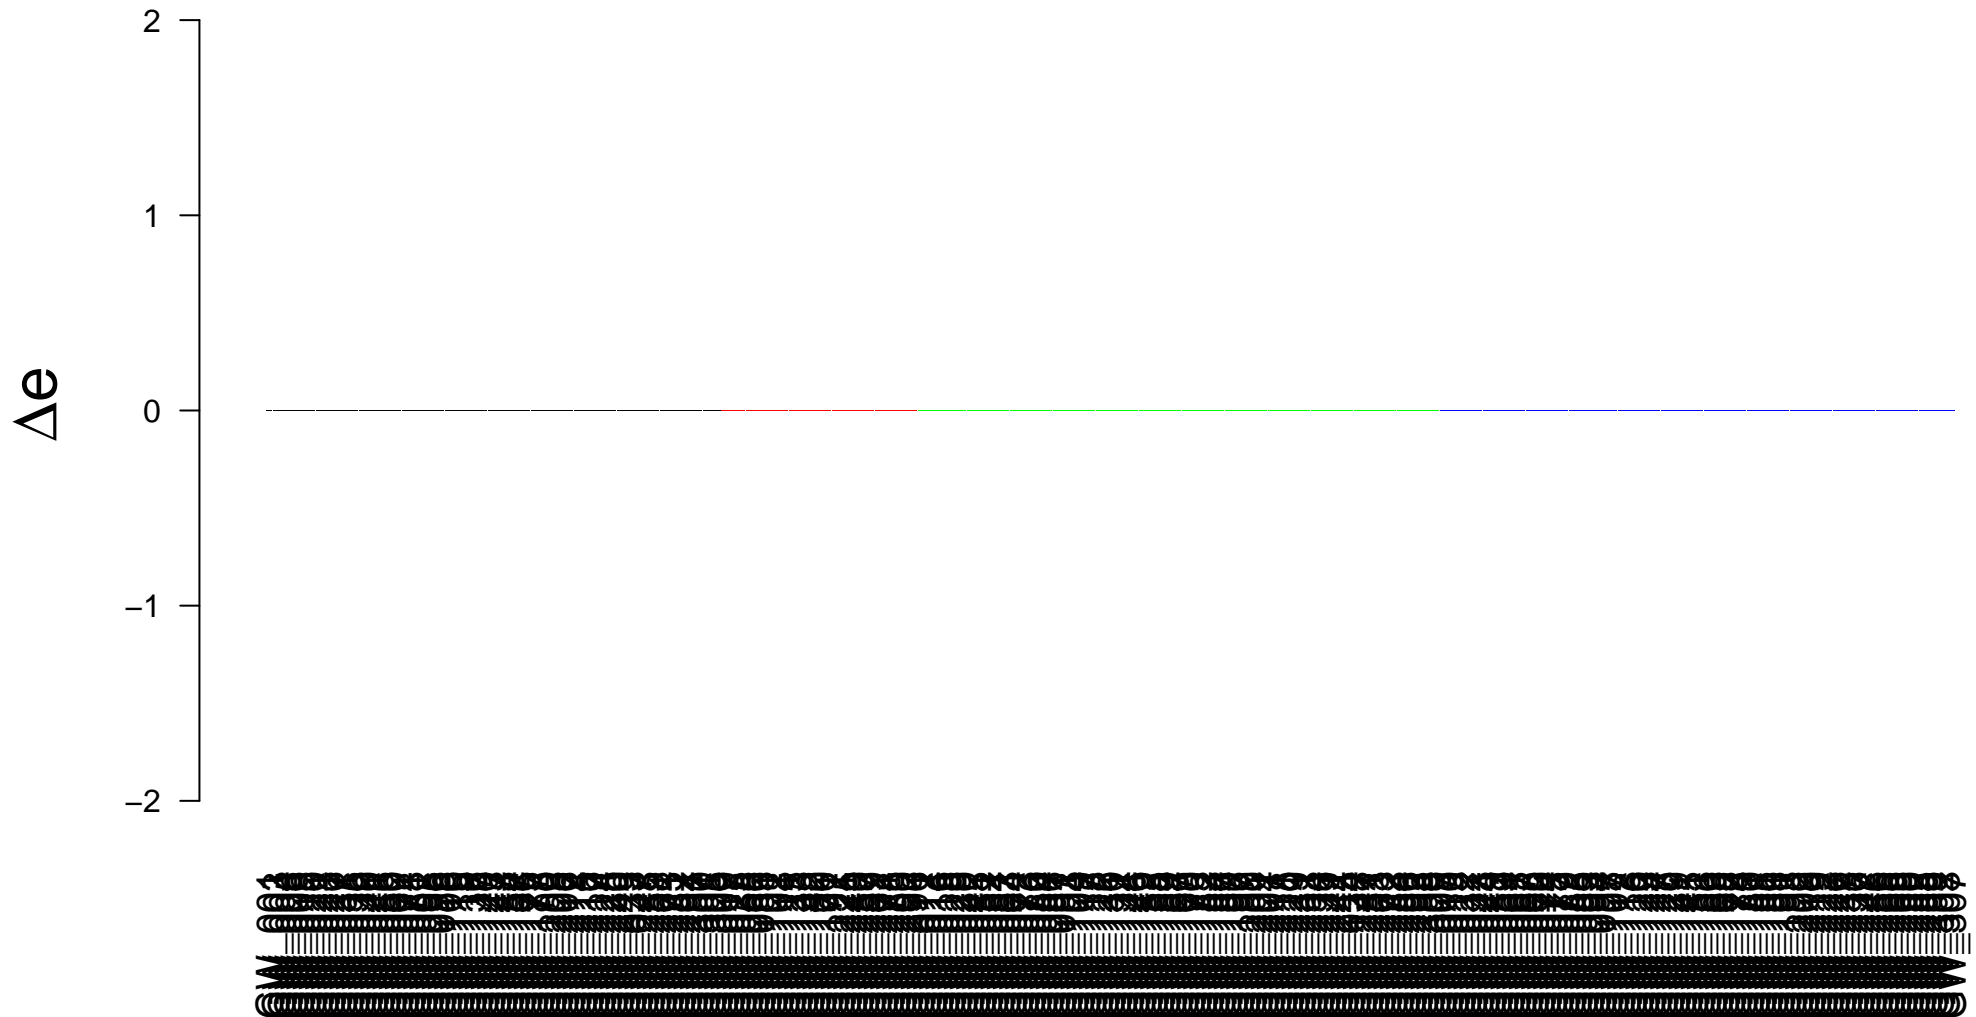

Expression of response to corticosterone in Spot G

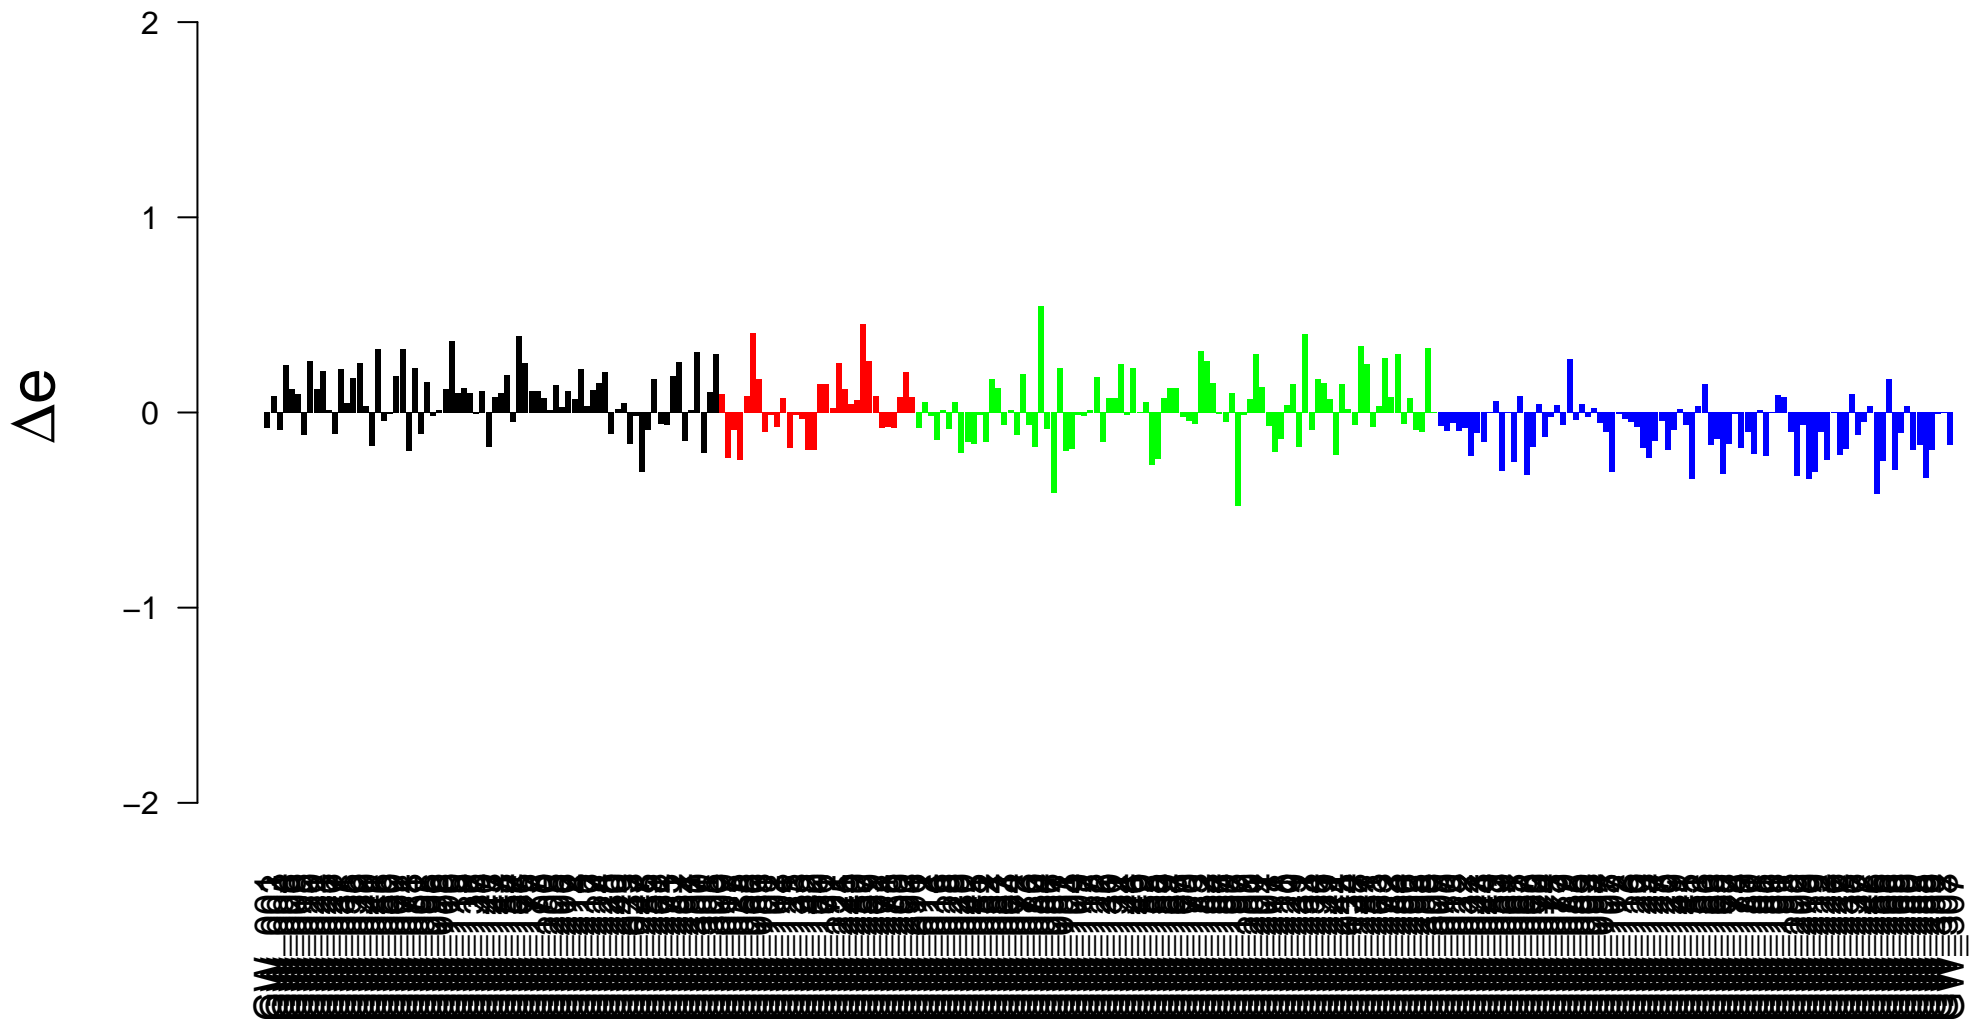

Expression of response to corticosterone in Spot H

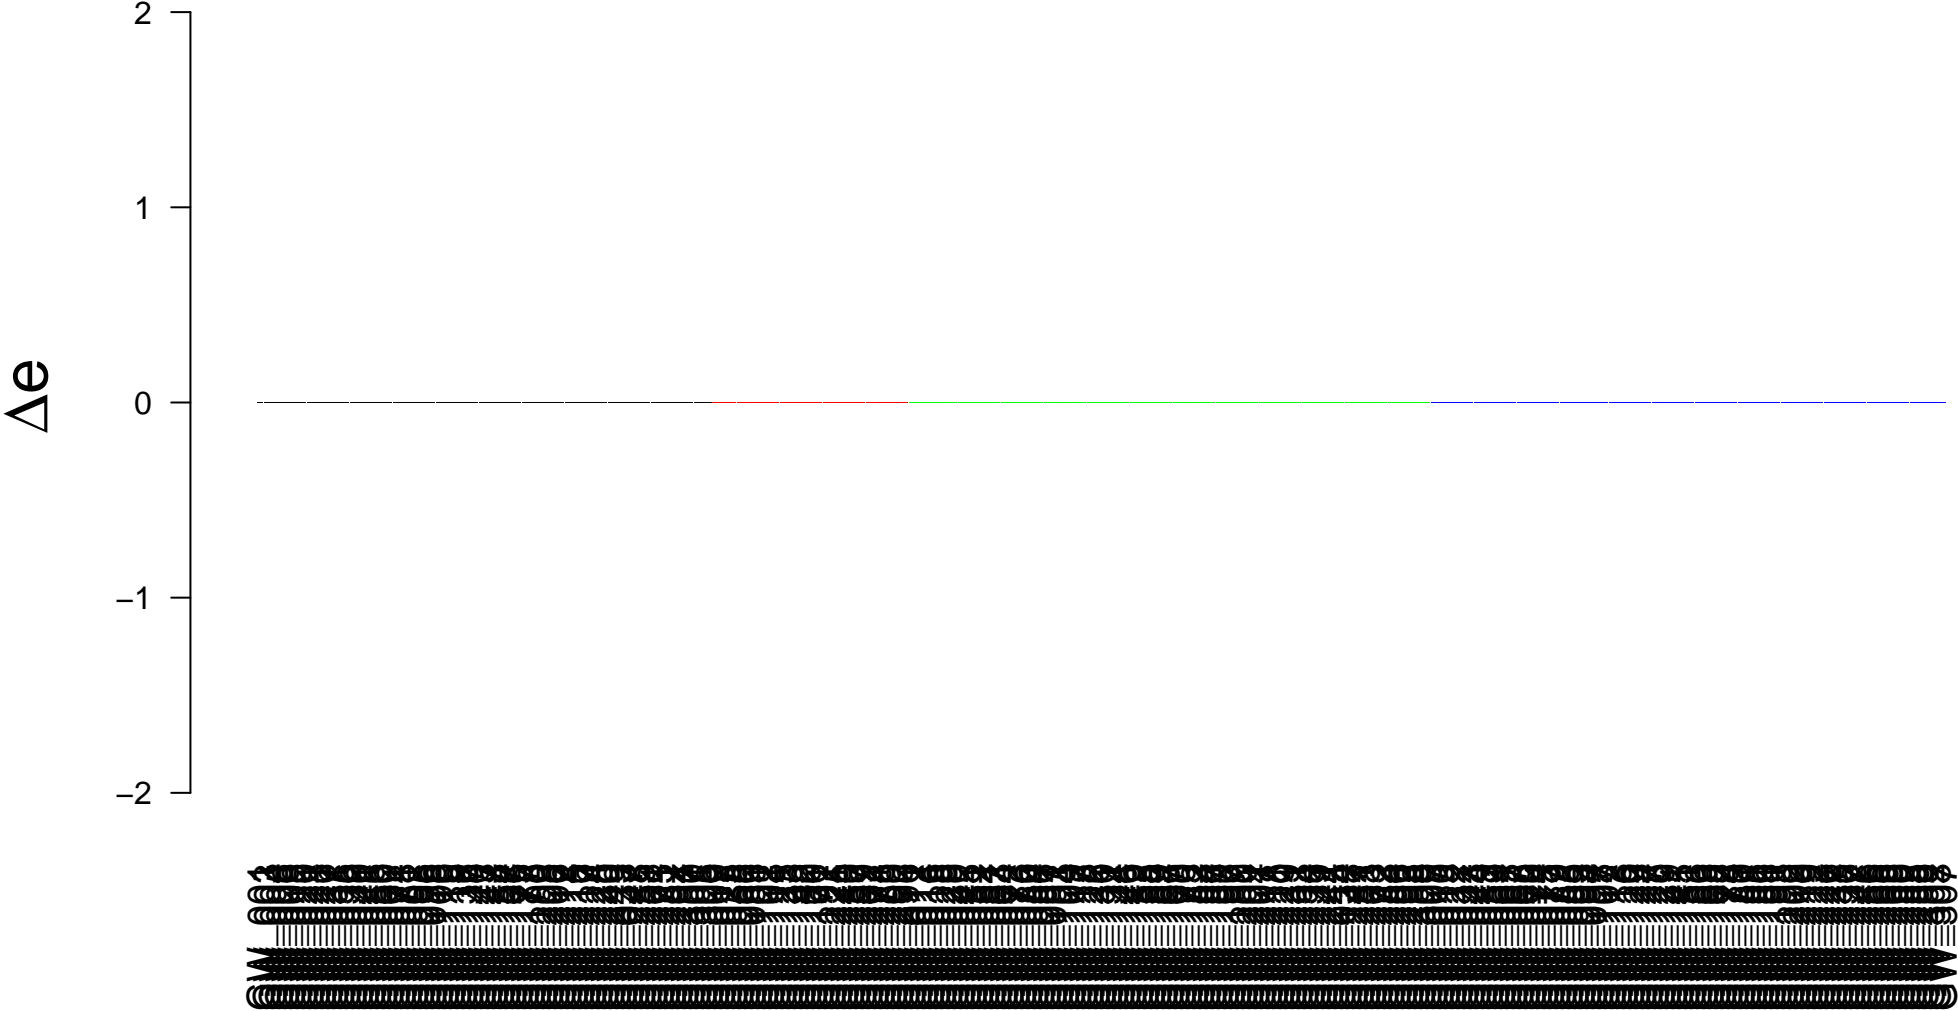

Expression of response to corticosterone in Spot I

Expression of response to corticosterone in Spot J

Expression of response to corticosterone in Spot K

Expression of response to corticosterone in Spot L
