

response to fatty acid

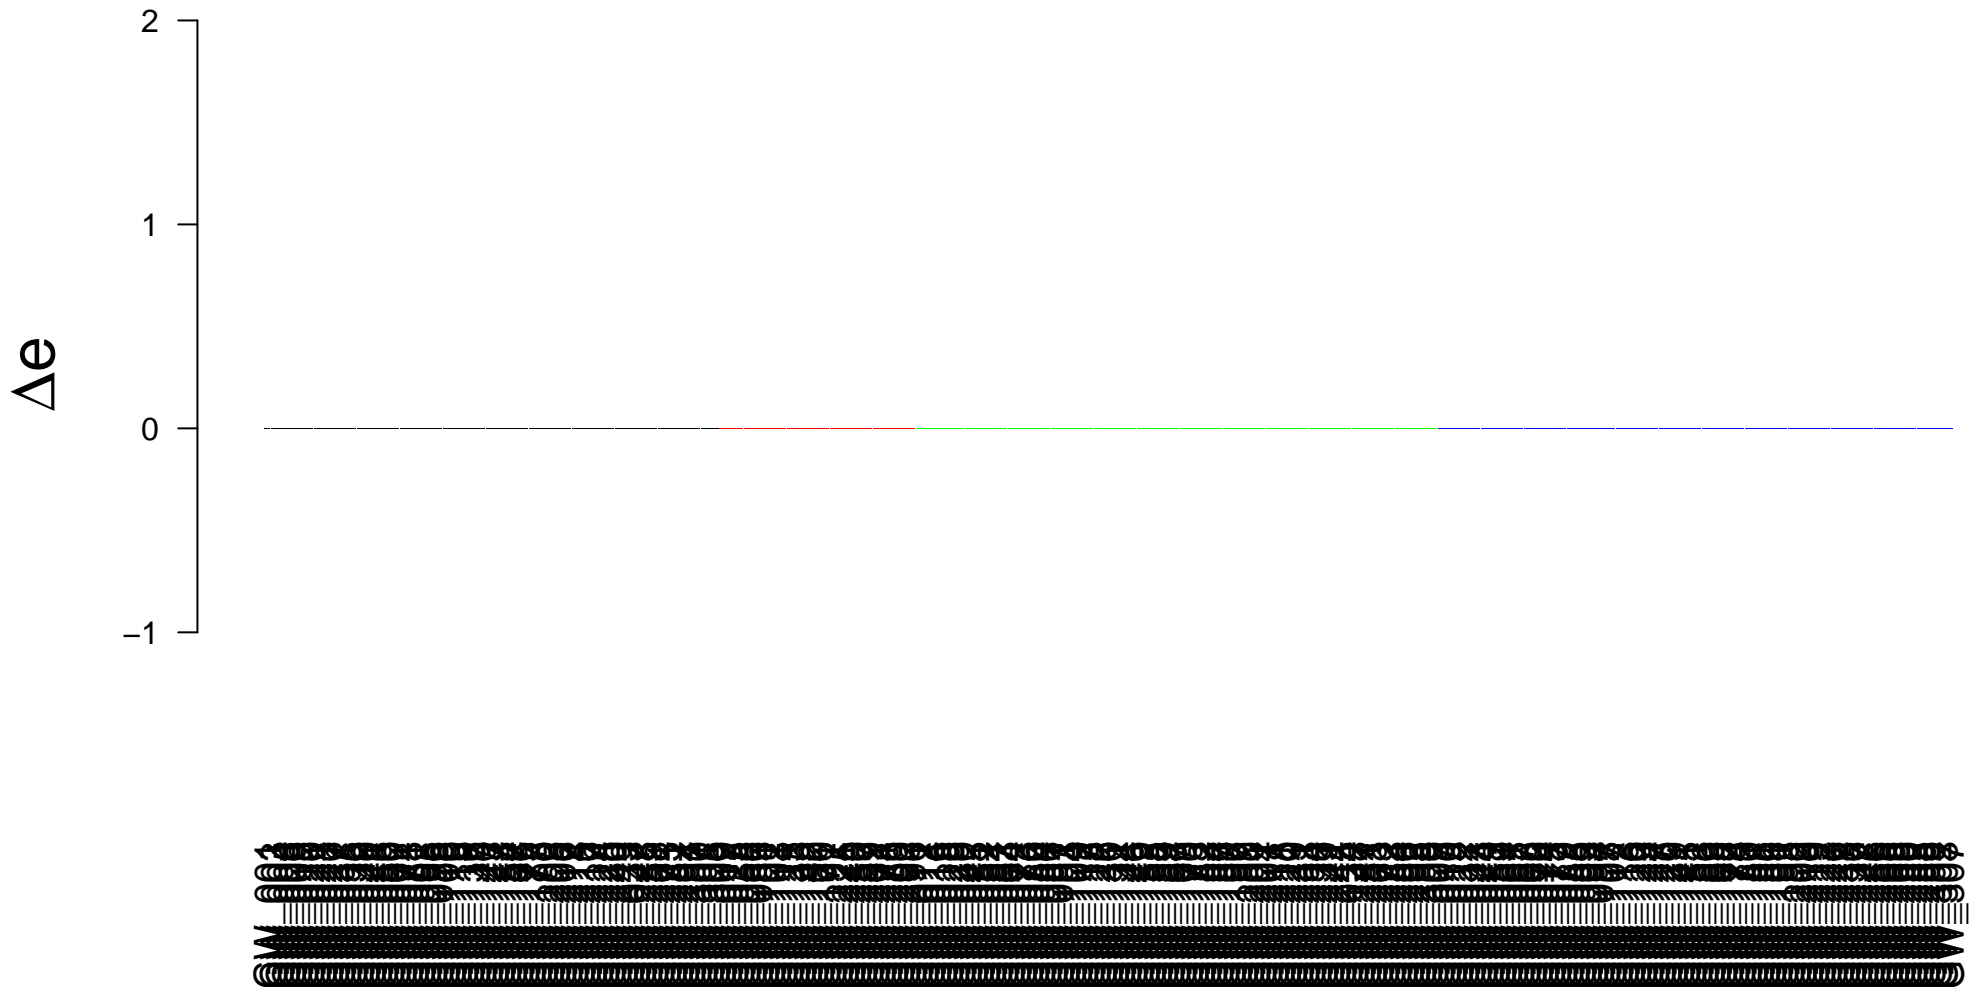

response to fatty acid

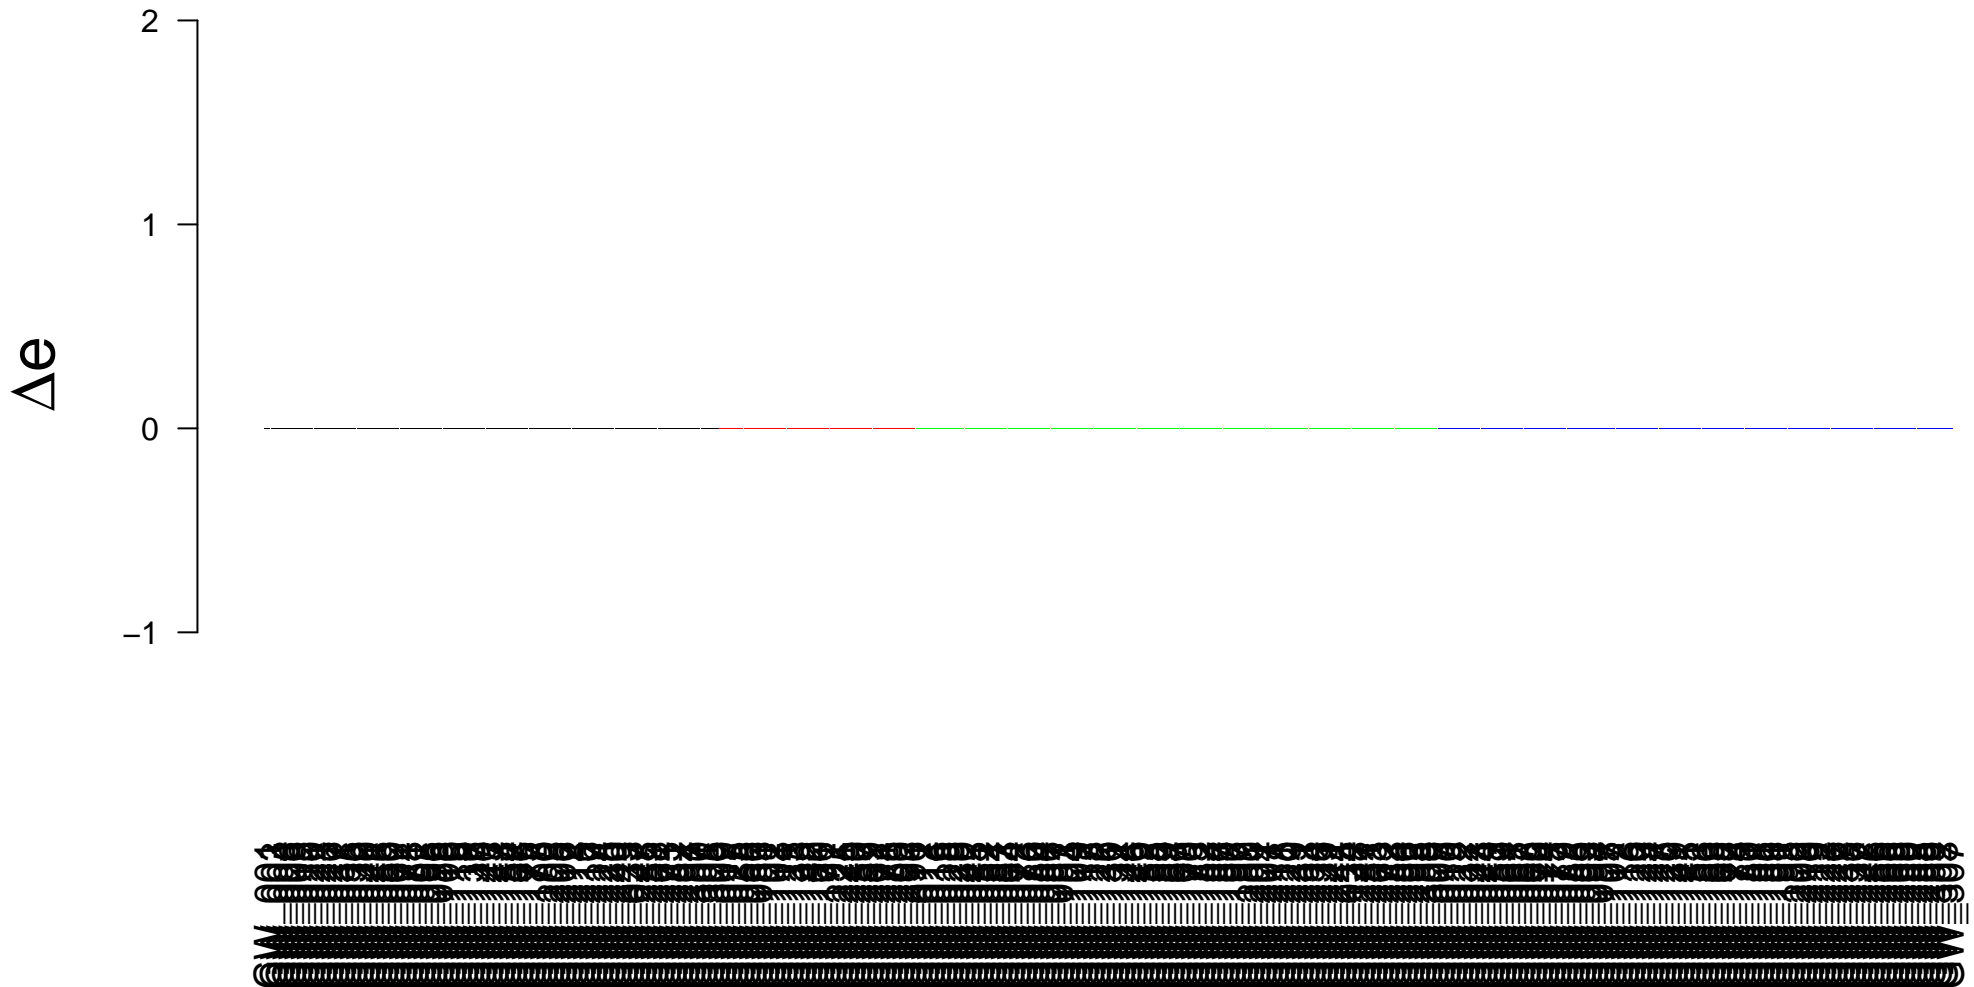

Enrichment in spots: response to fatty acid

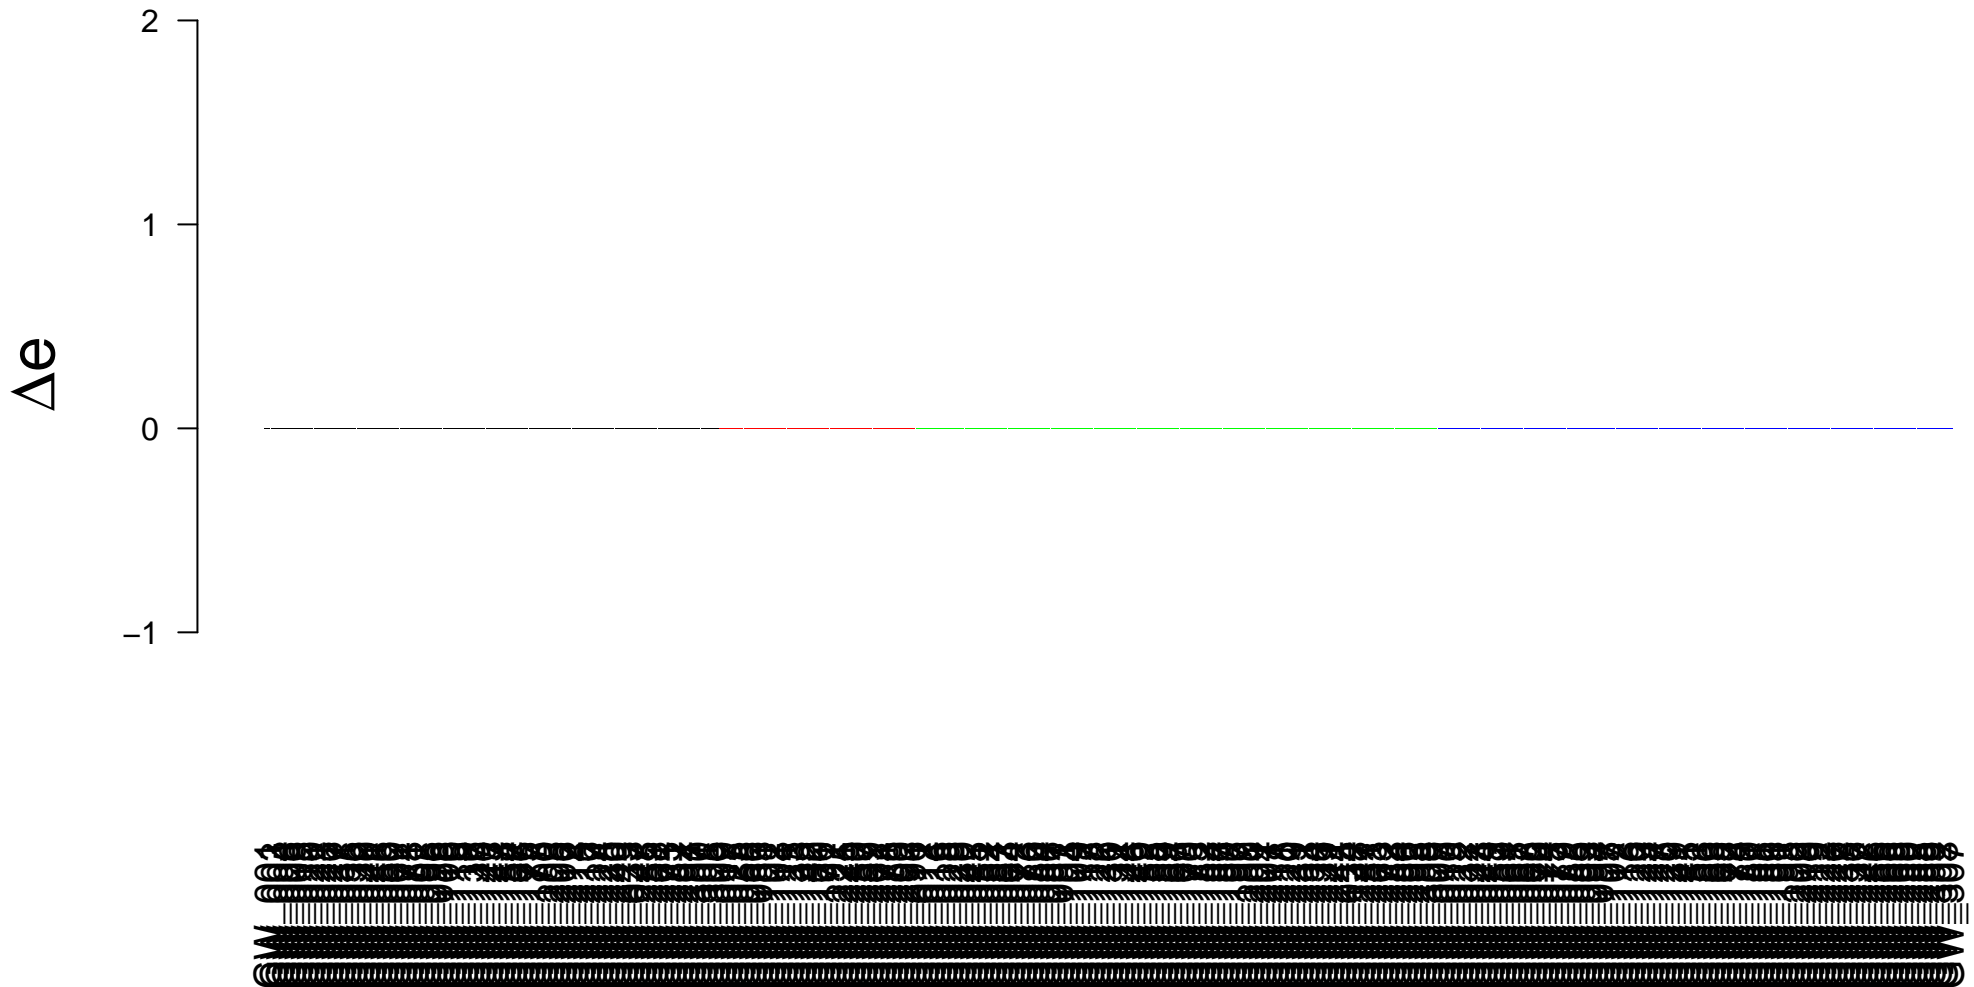

Expression of response to fatty acid in Spot A

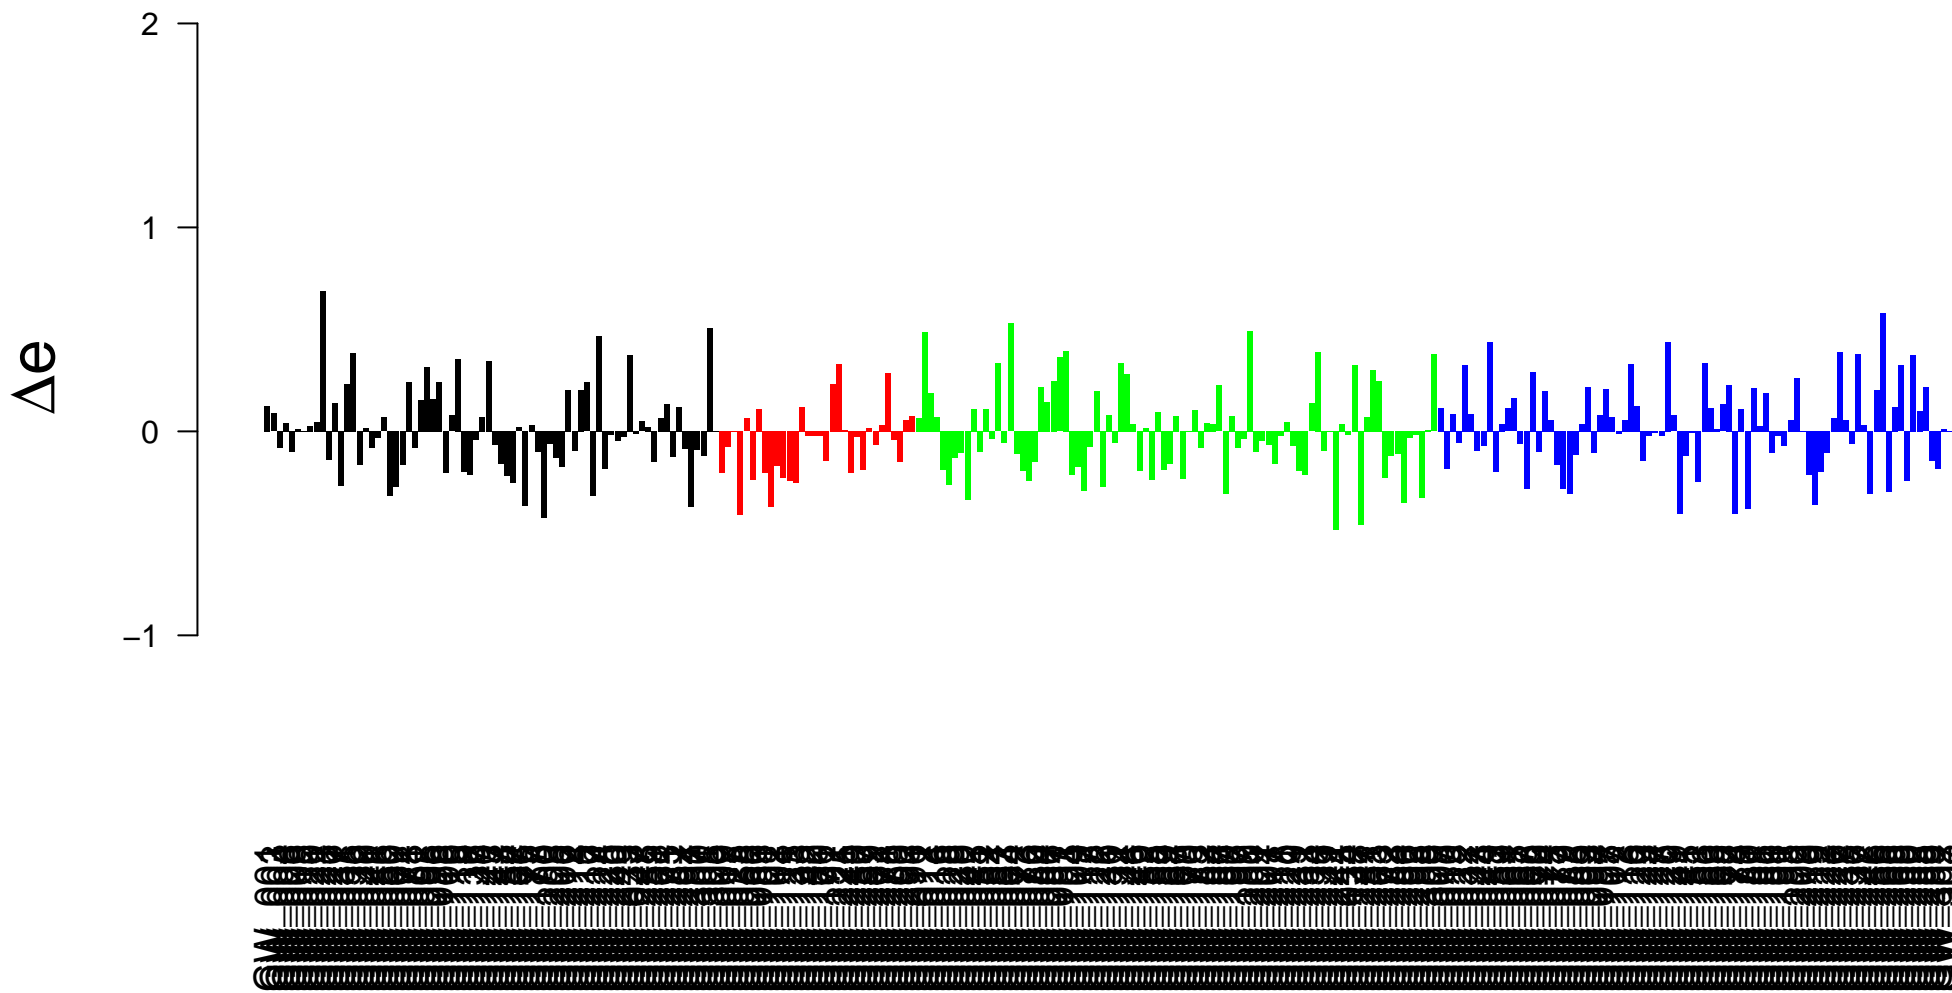

Expression of response to fatty acid in Spot B

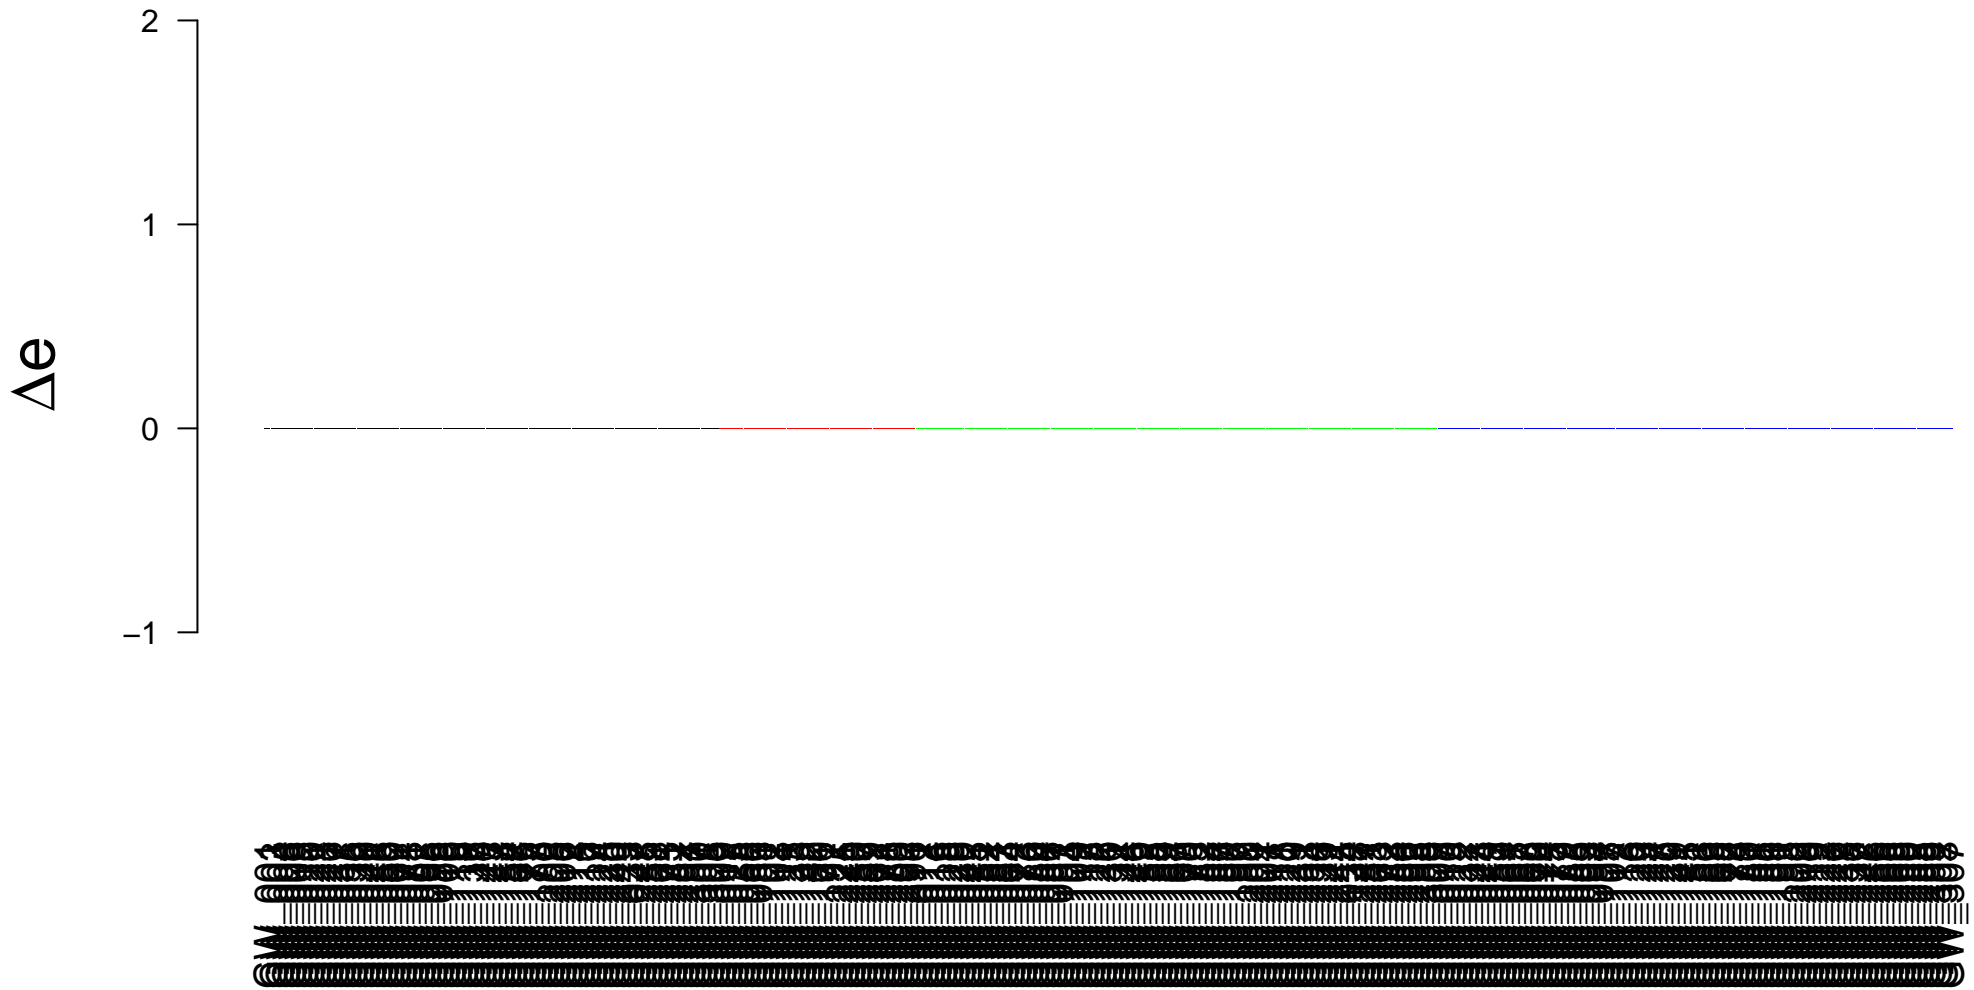

Expression of response to fatty acid in Spot C

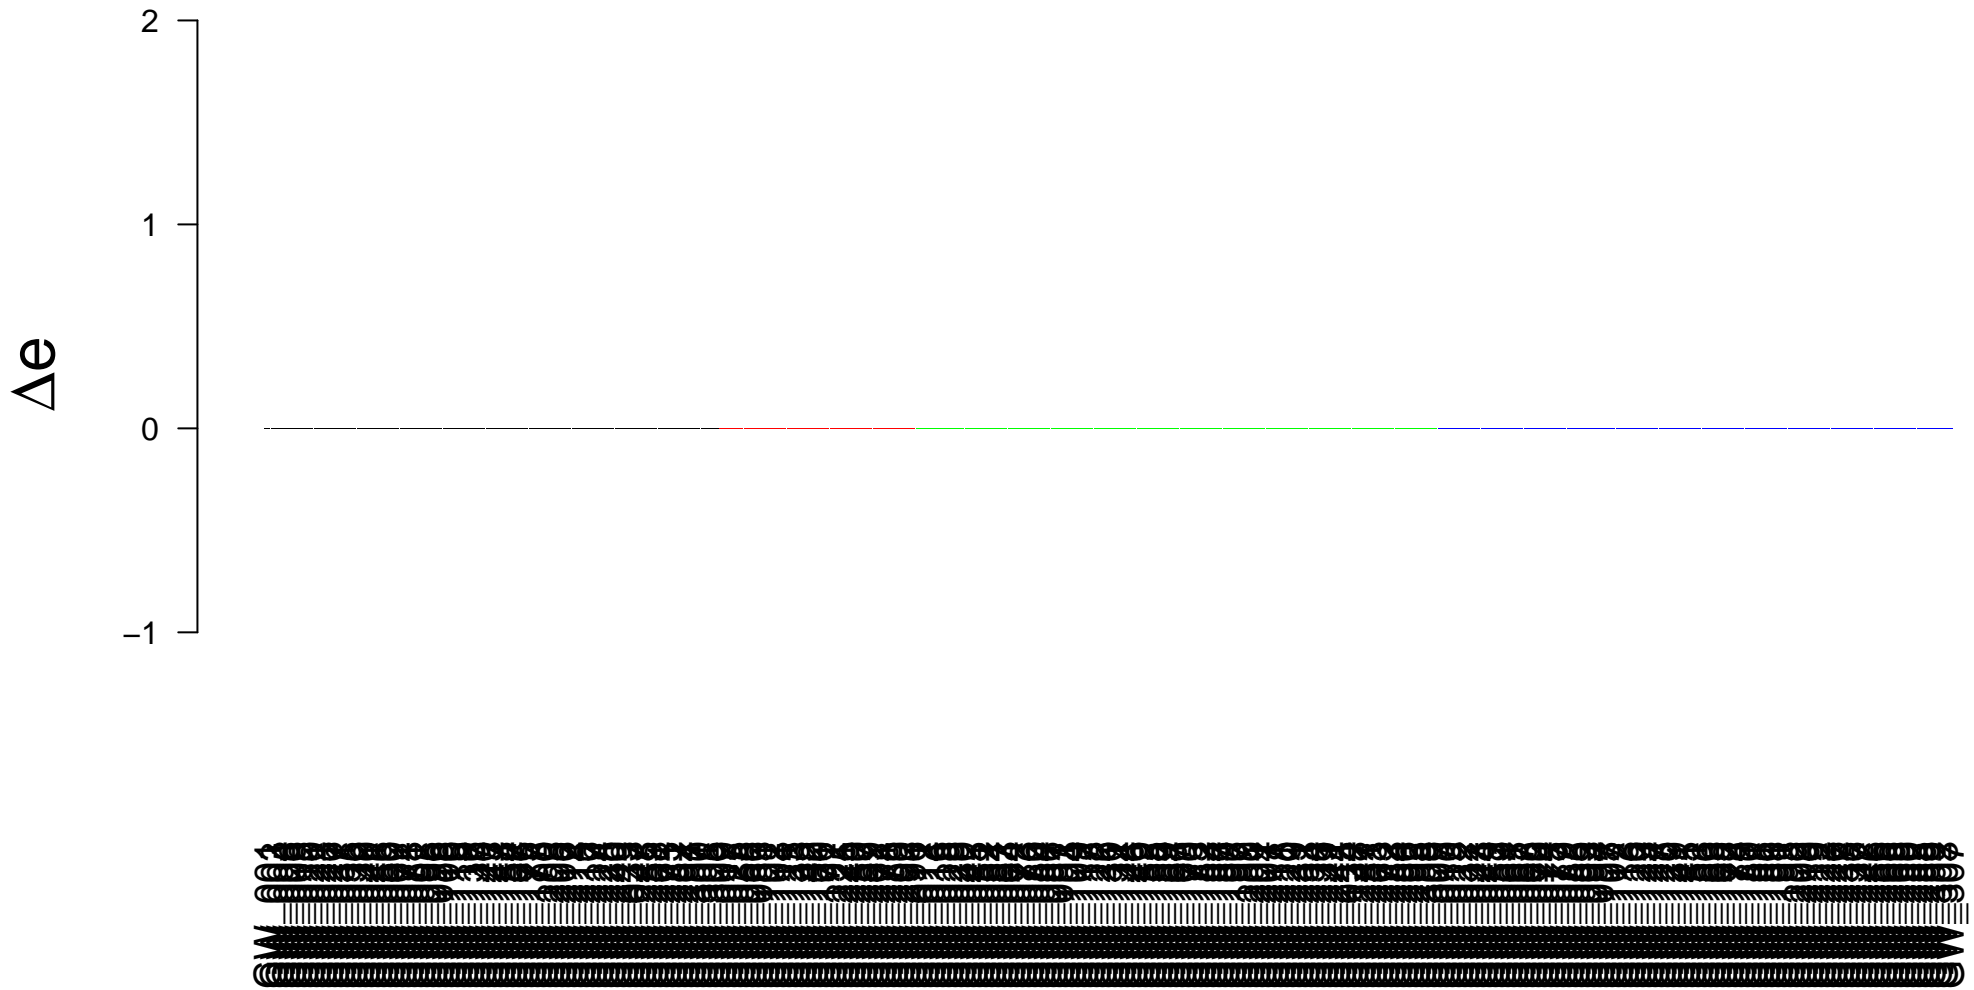

Expression of response to fatty acid in Spot D

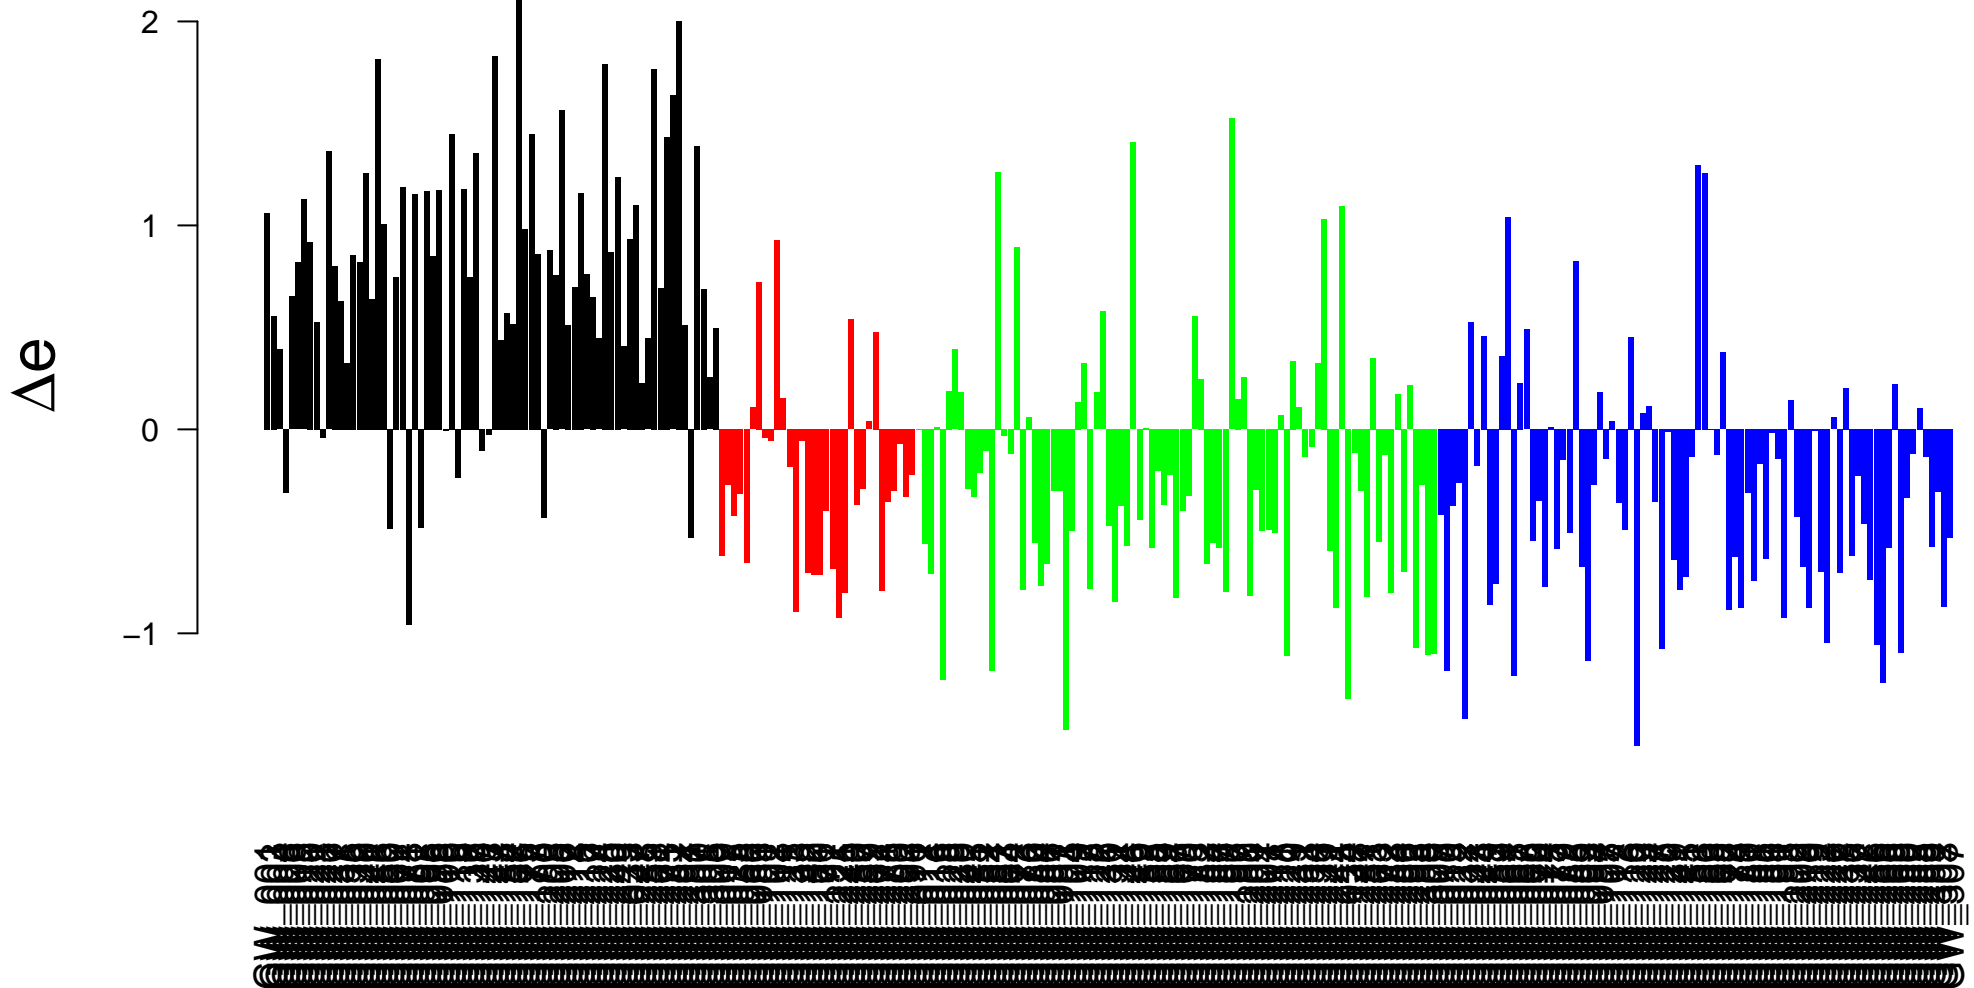

Expression of response to fatty acid in Spot E

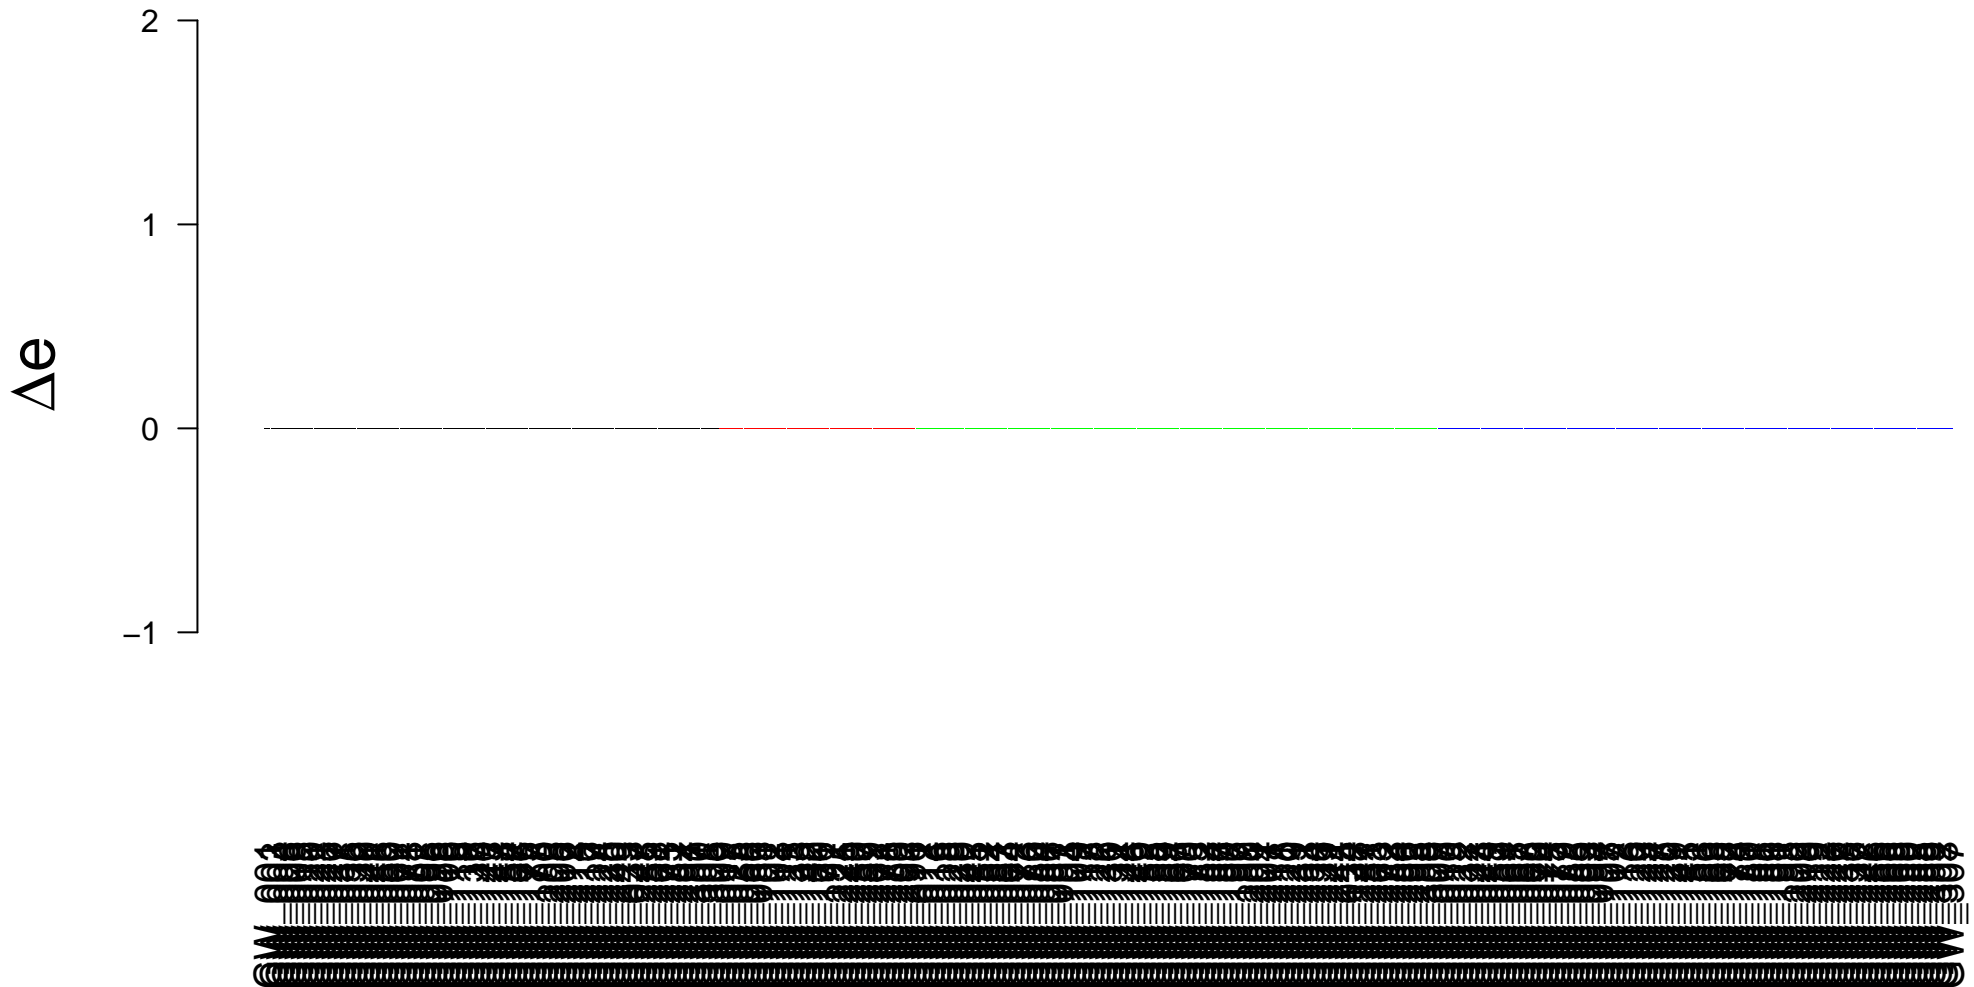

Expression of response to fatty acid in Spot F

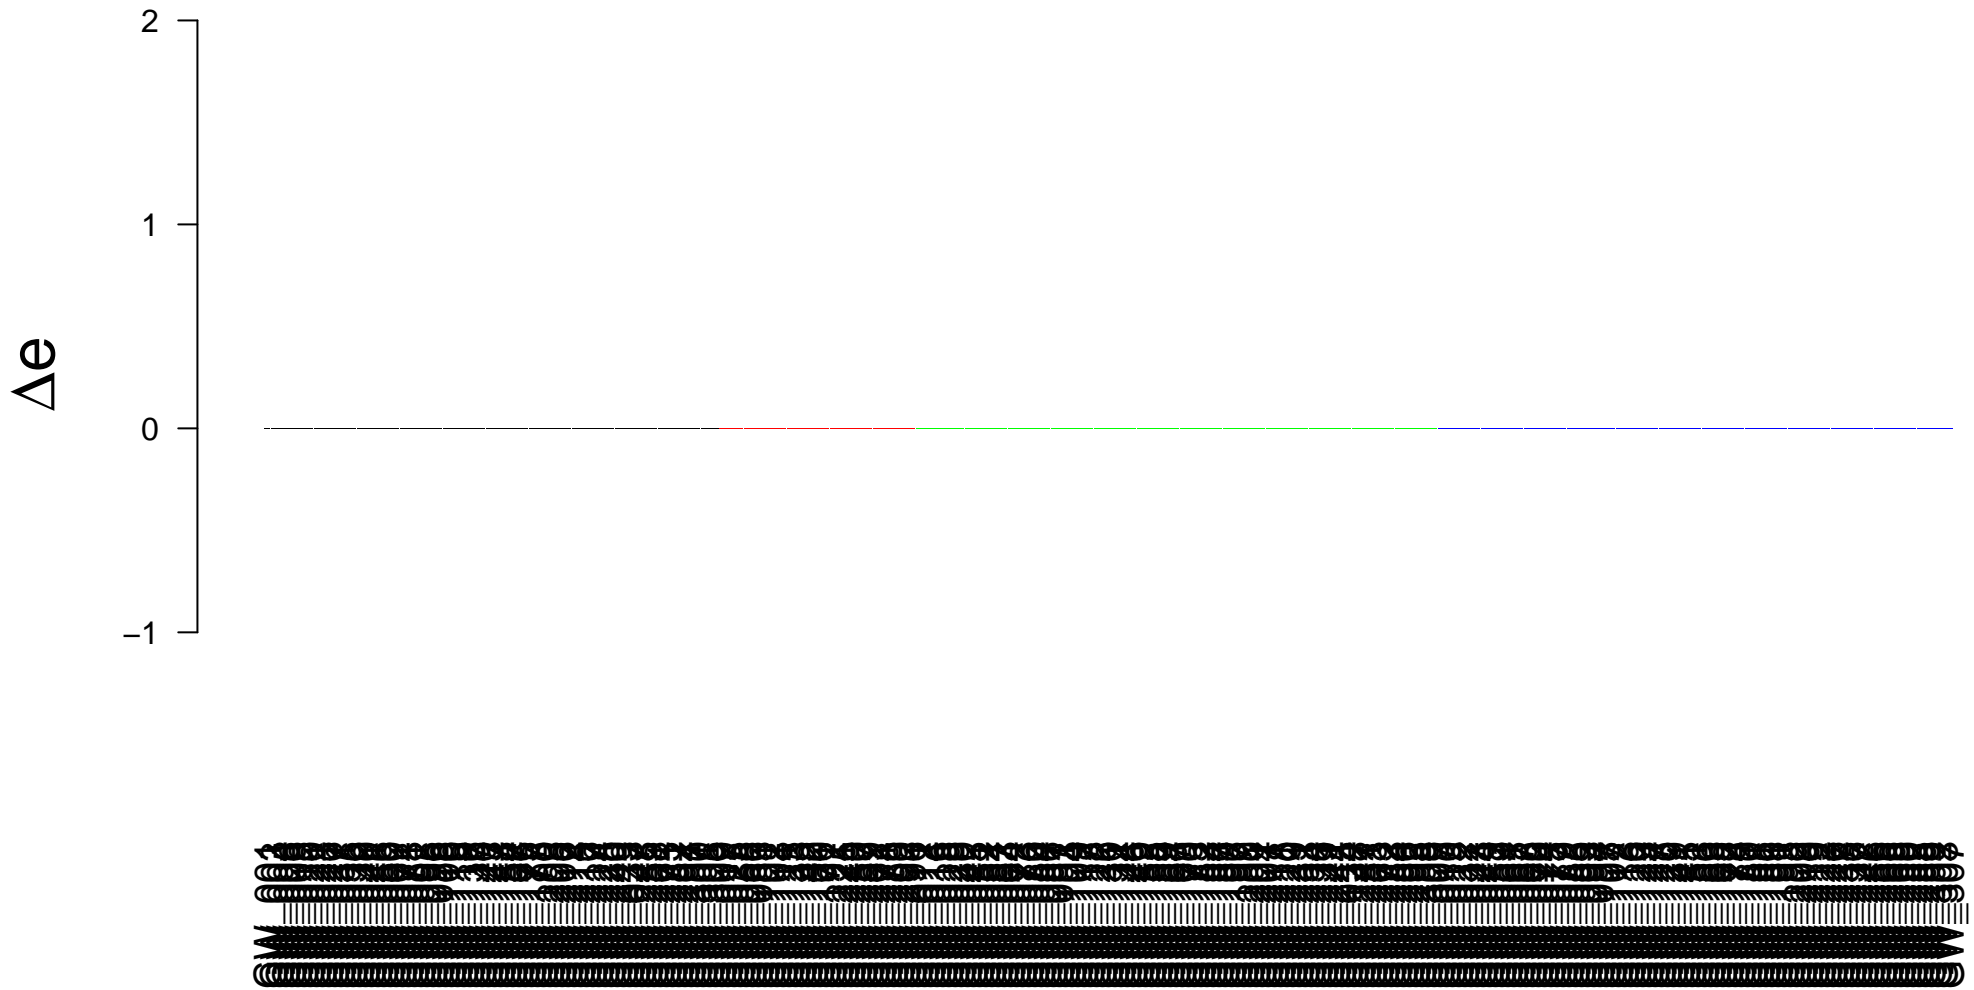

Expression of response to fatty acid in Spot G

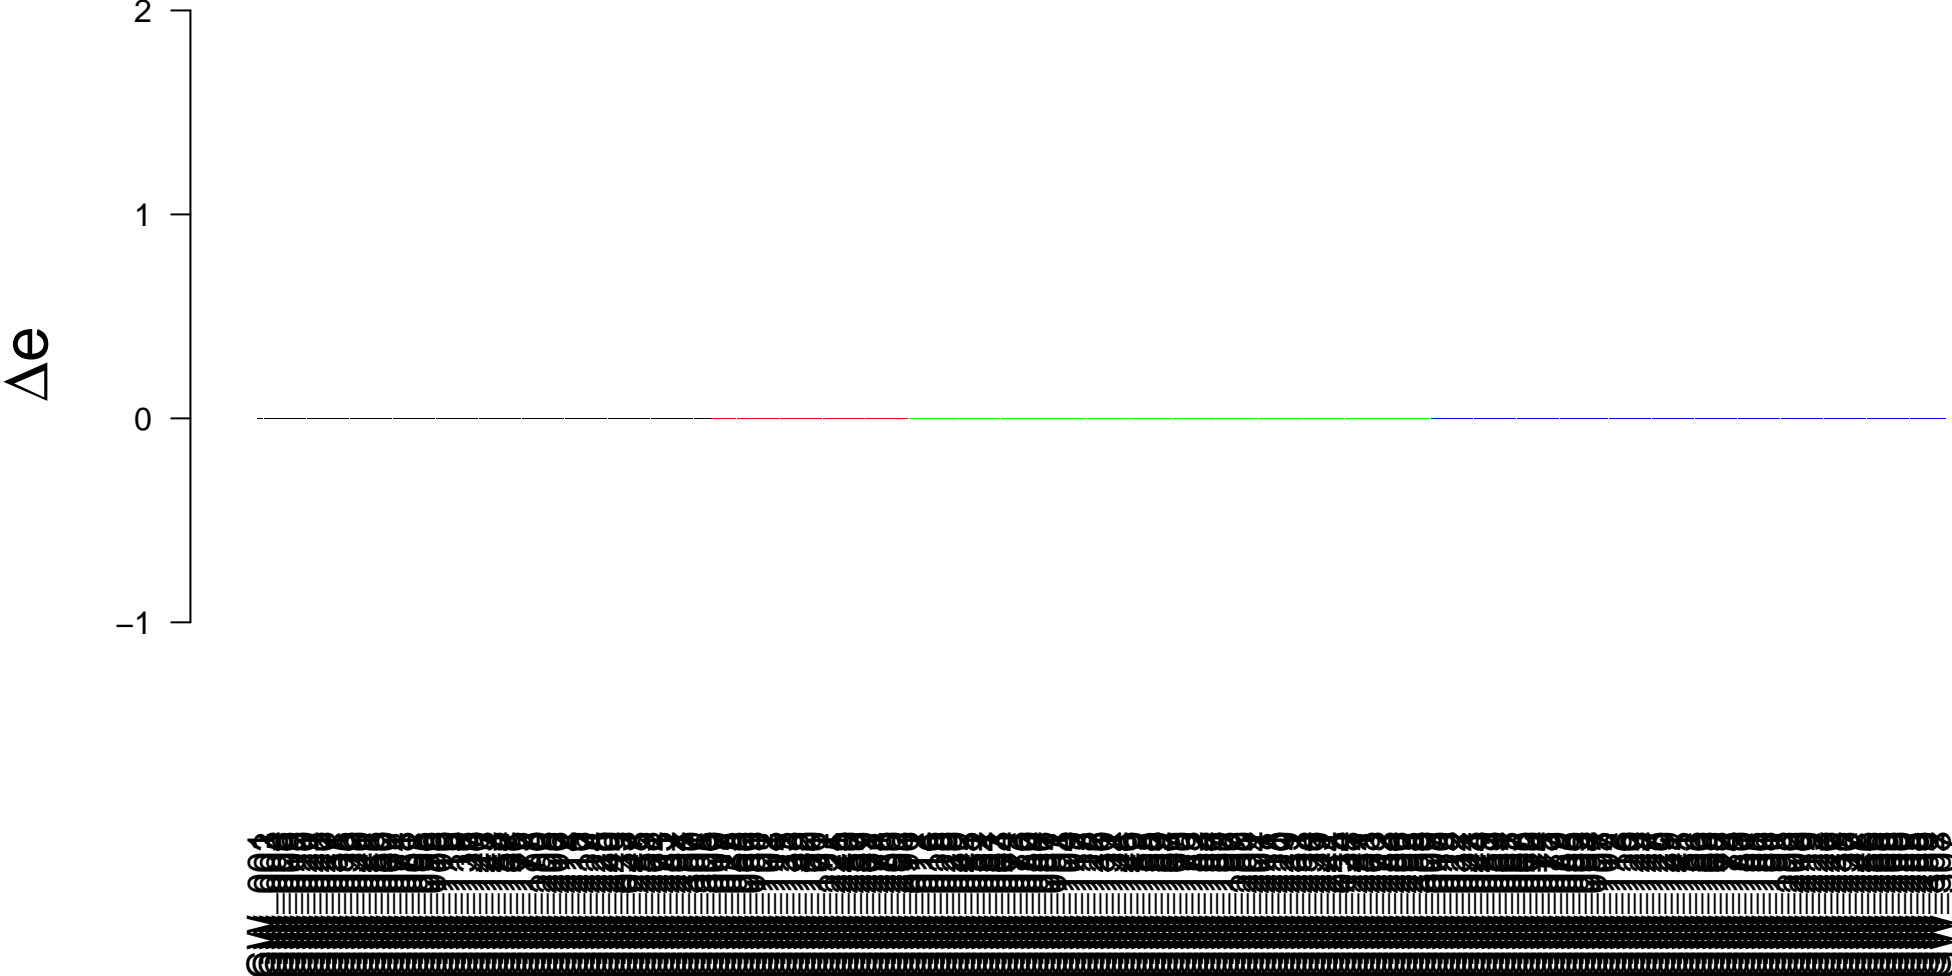

Expression of response to fatty acid in Spot H

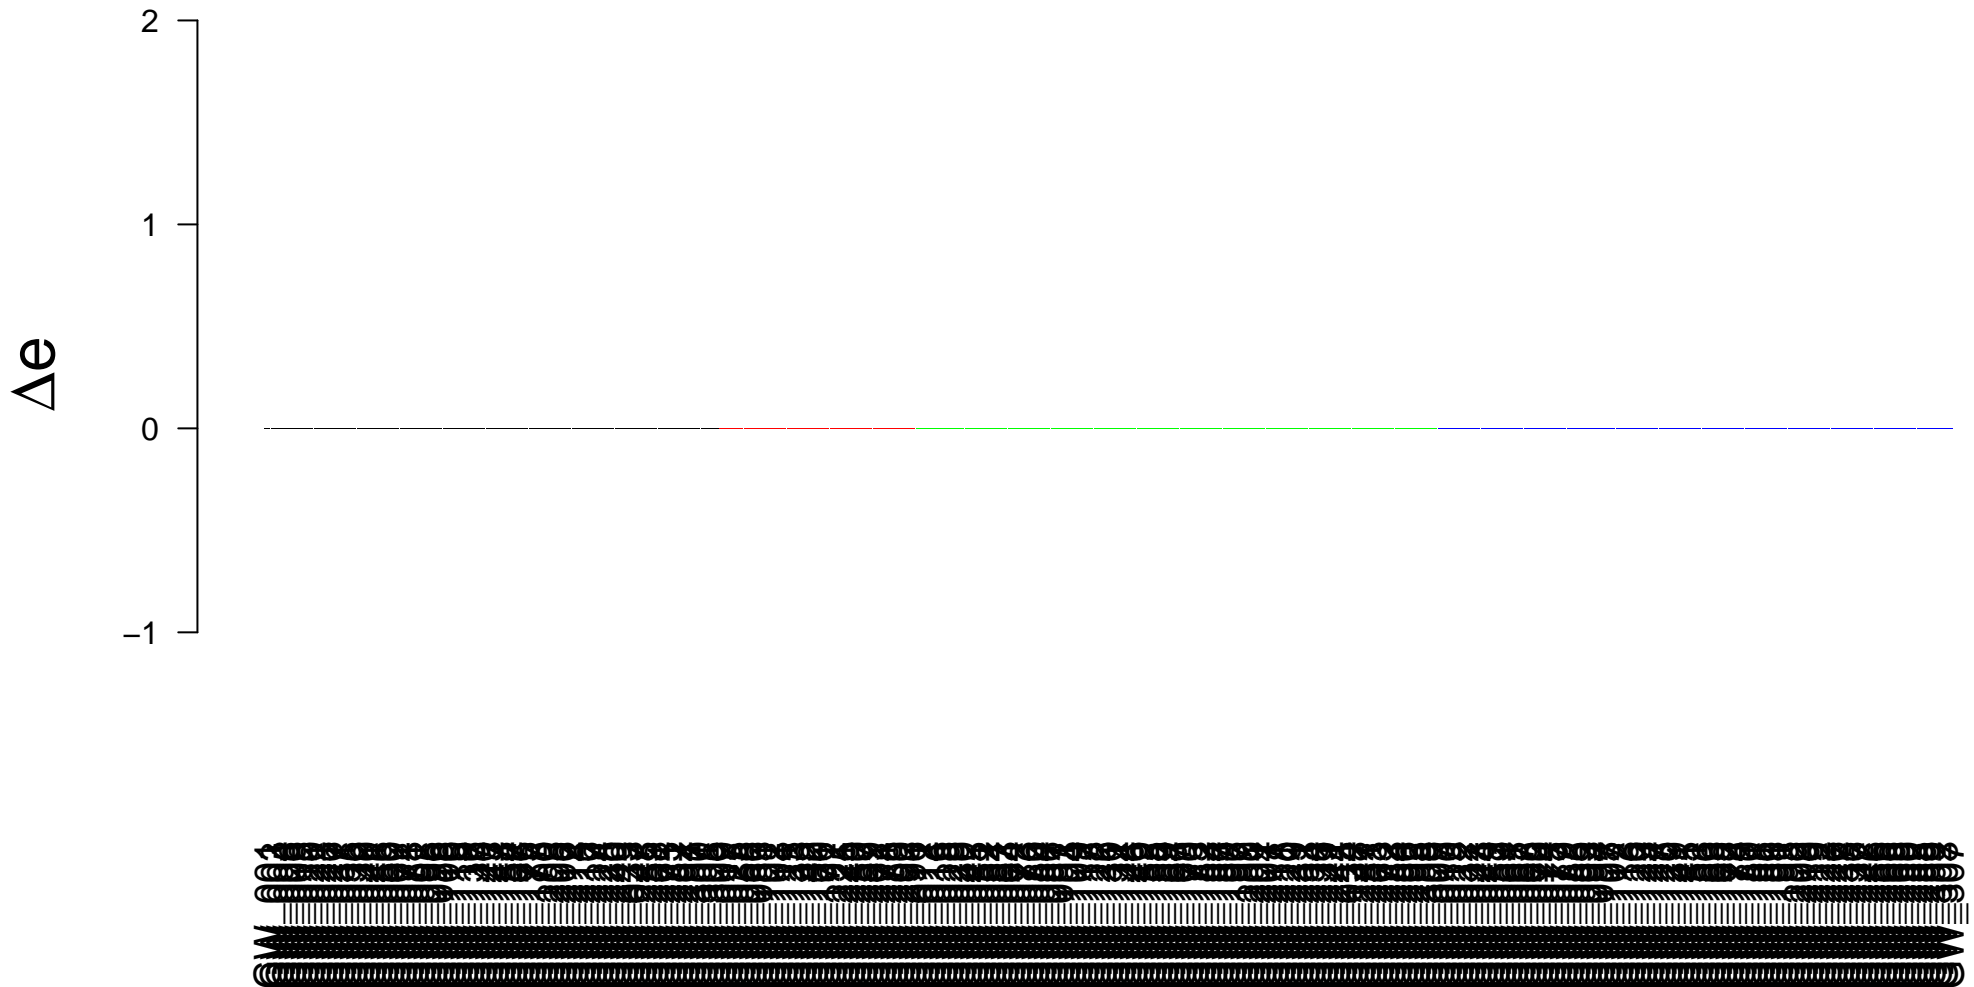

Expression of response to fatty acid in Spot I

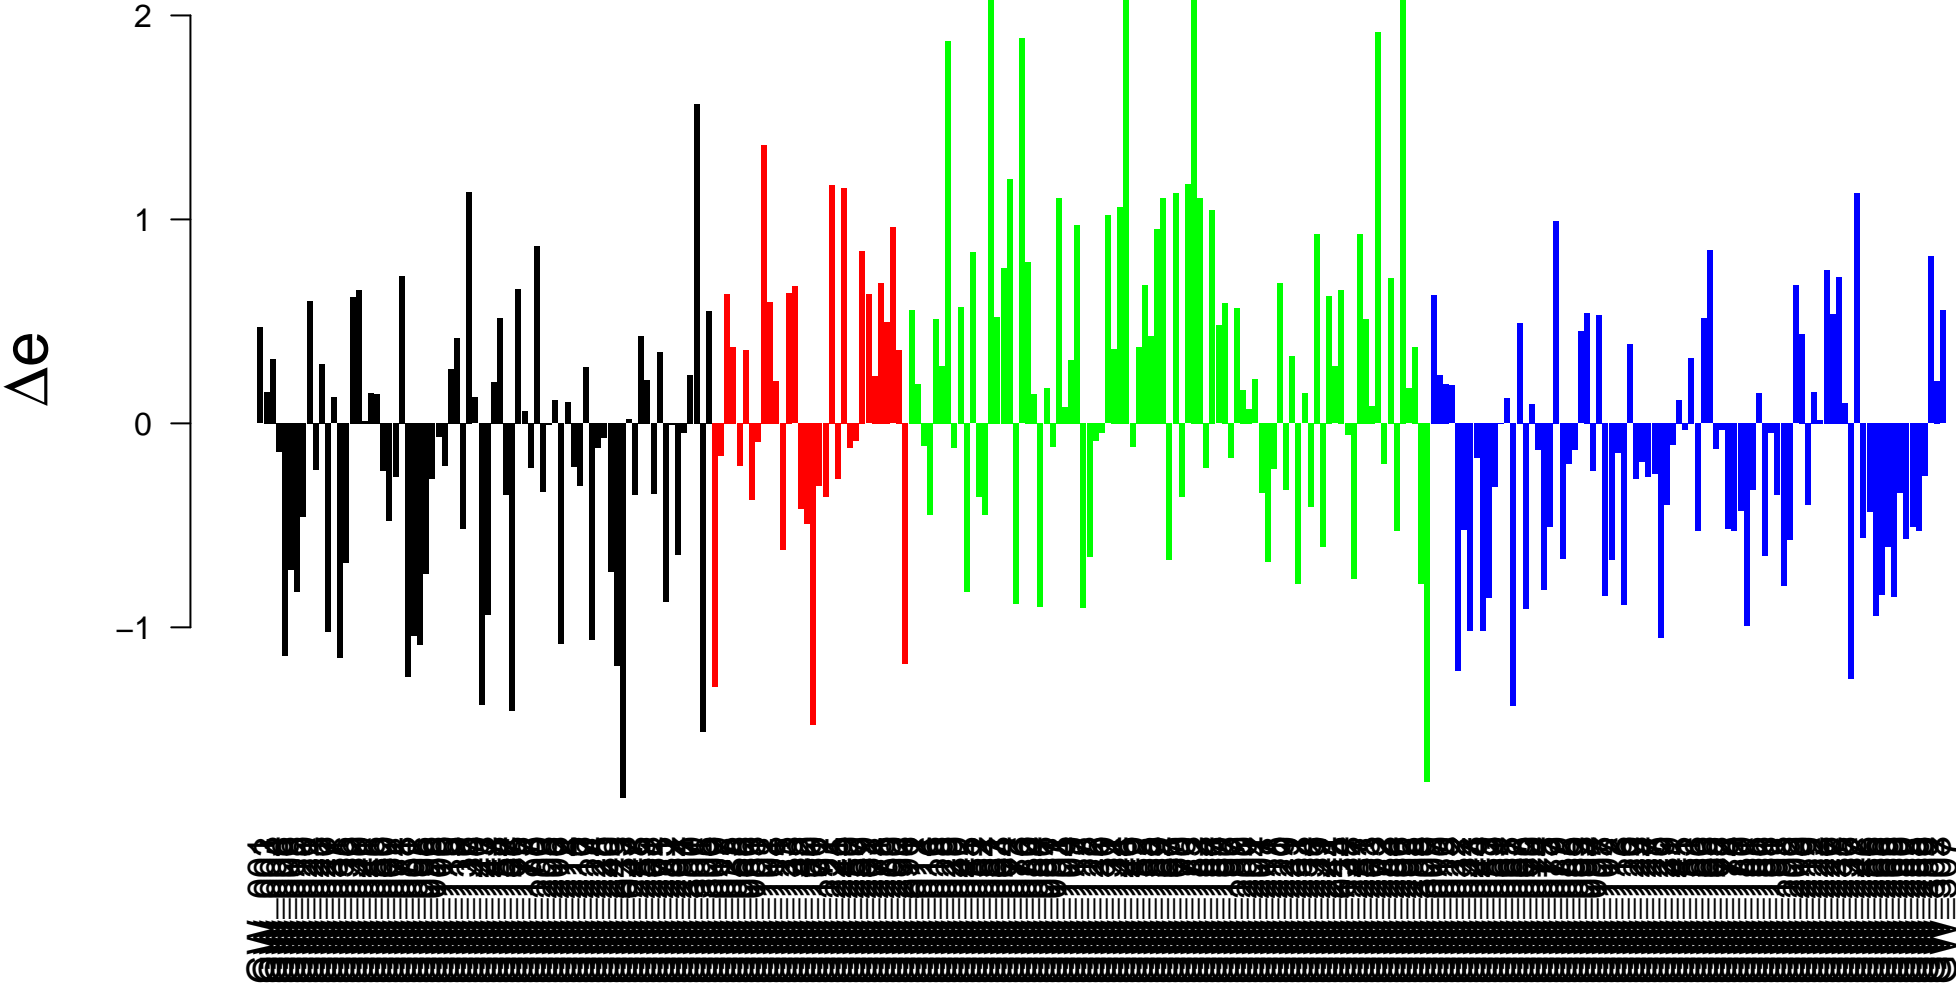

Expression of response to fatty acid in Spot J

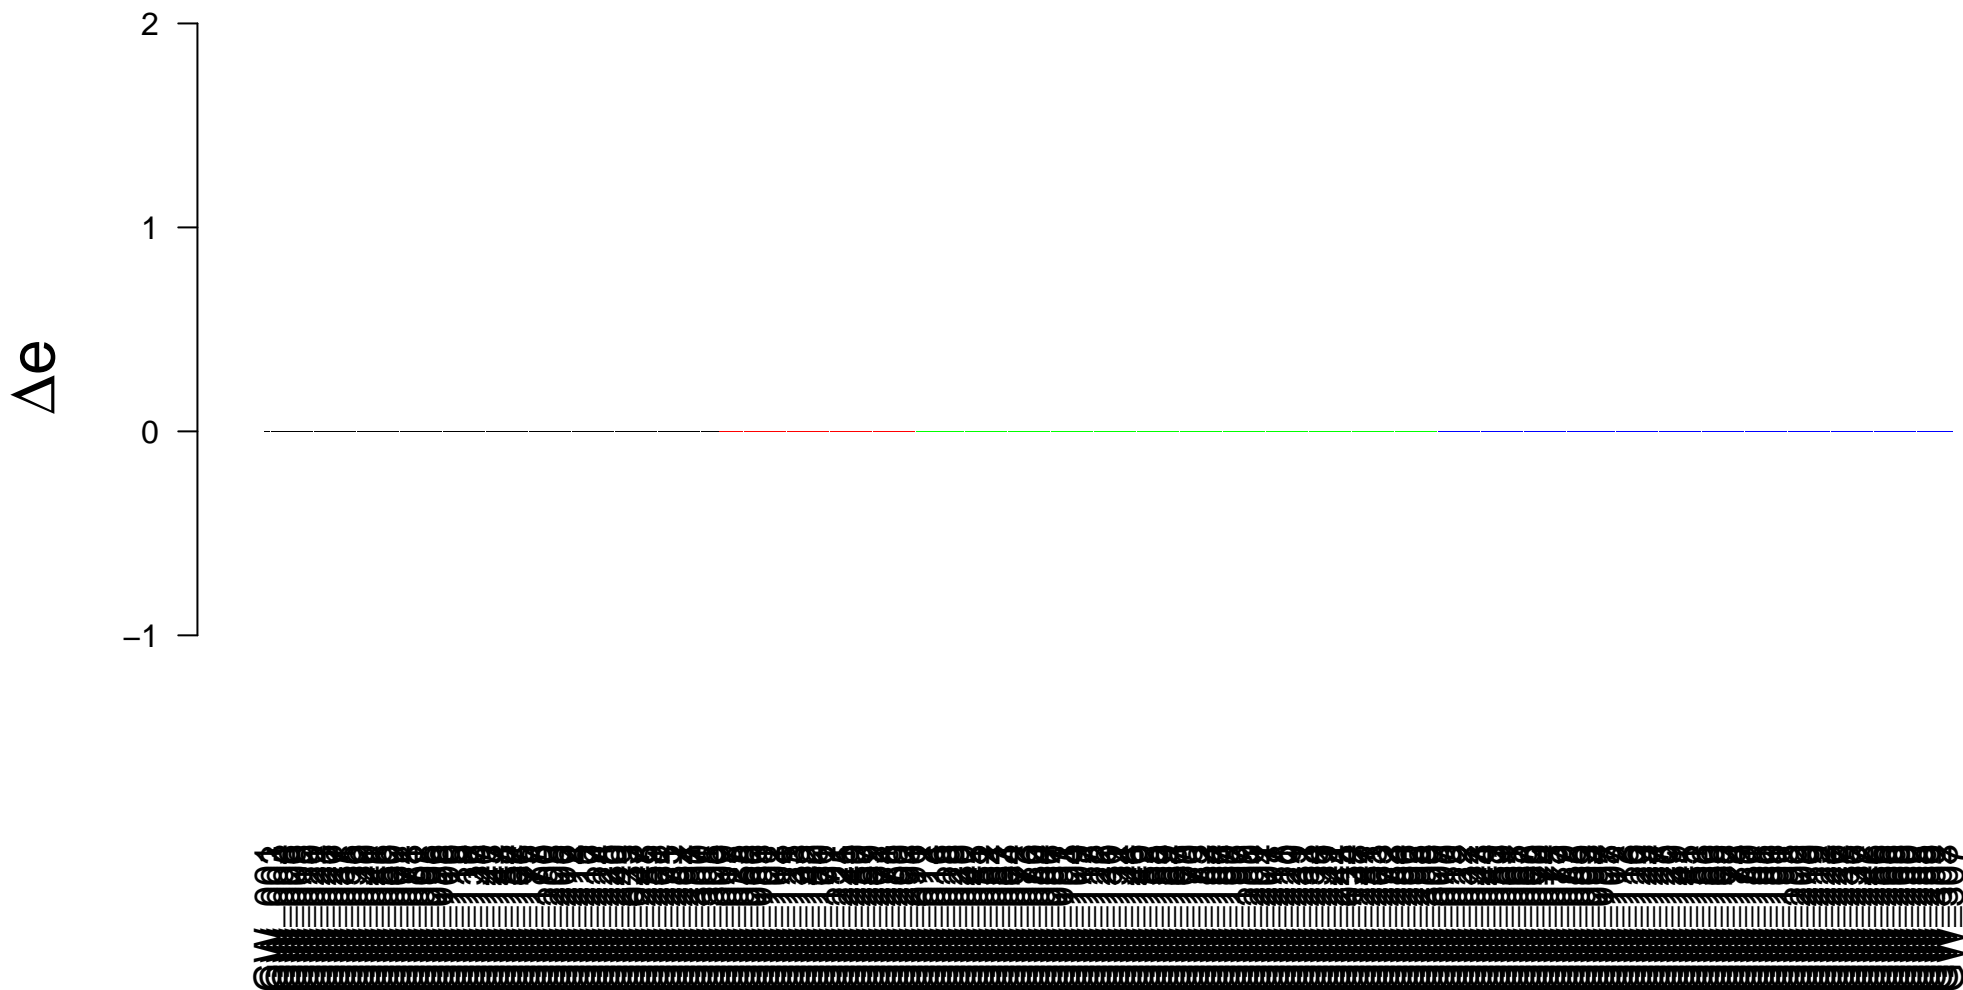

Expression of response to fatty acid in Spot K

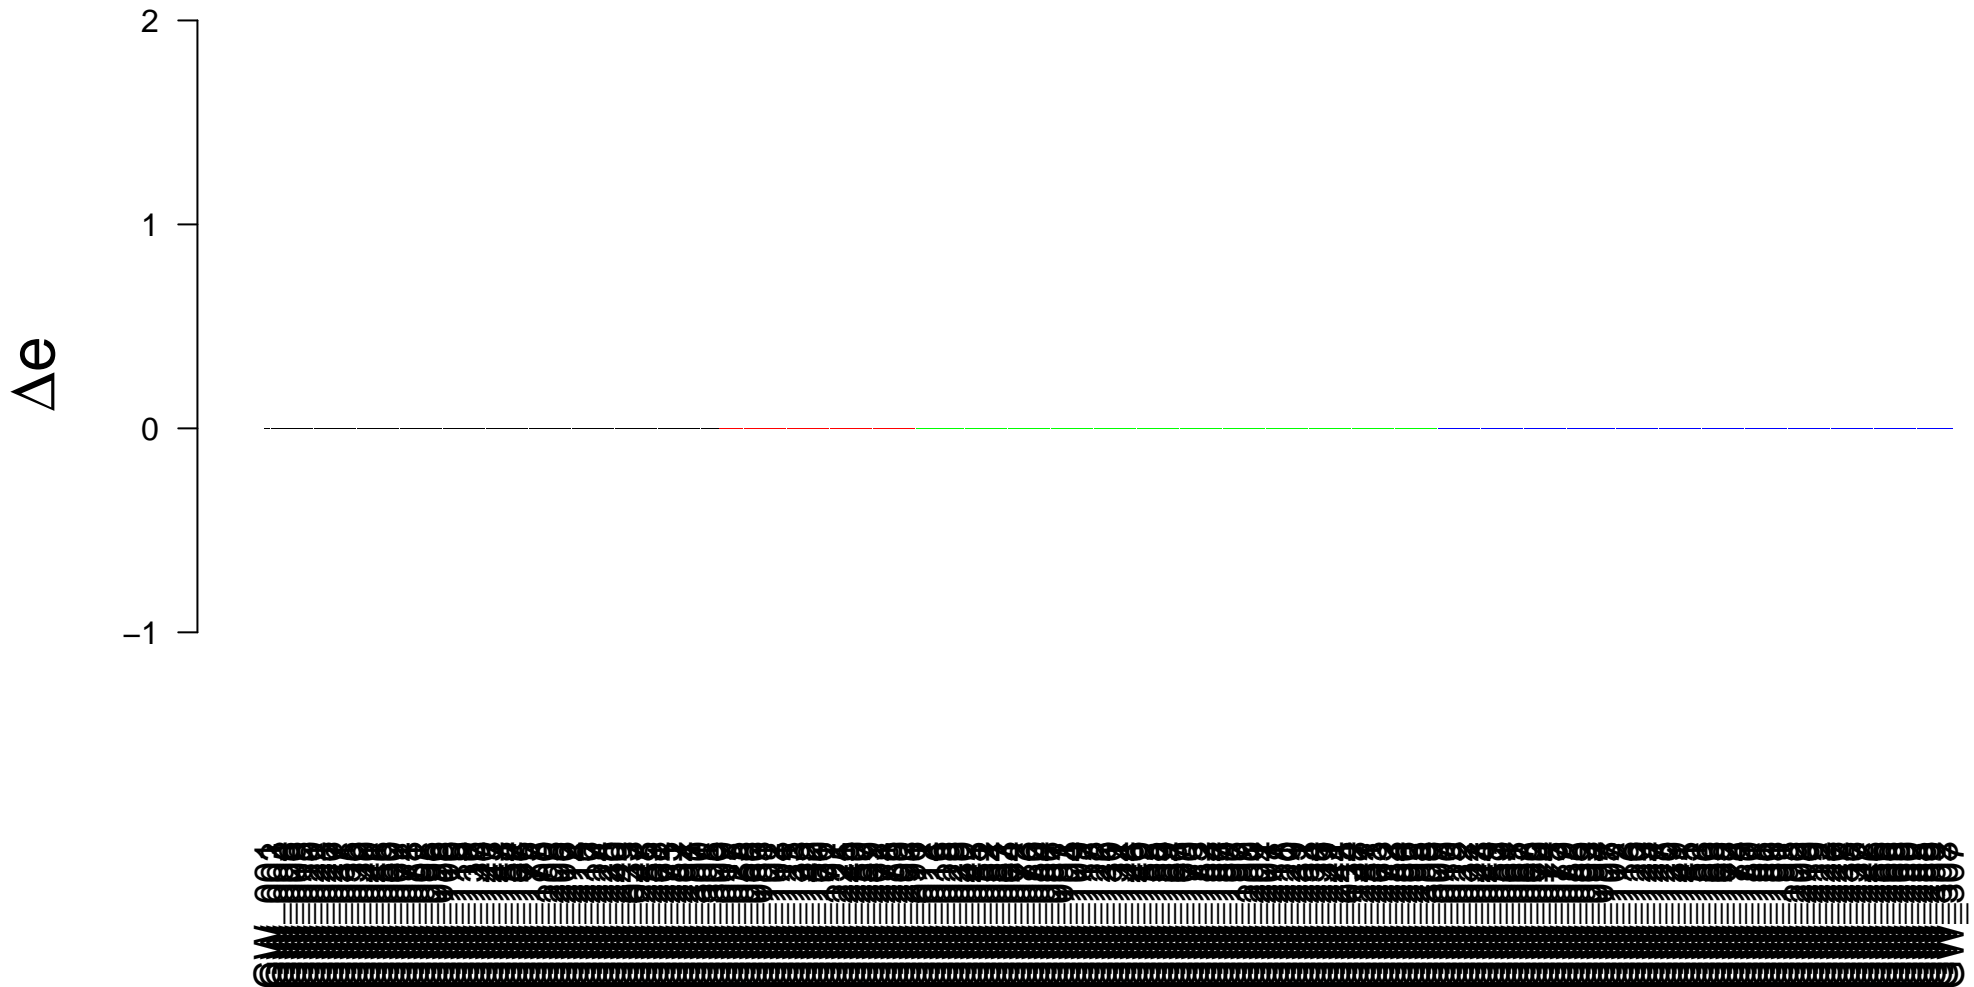

Expression of response to fatty acid in Spot L

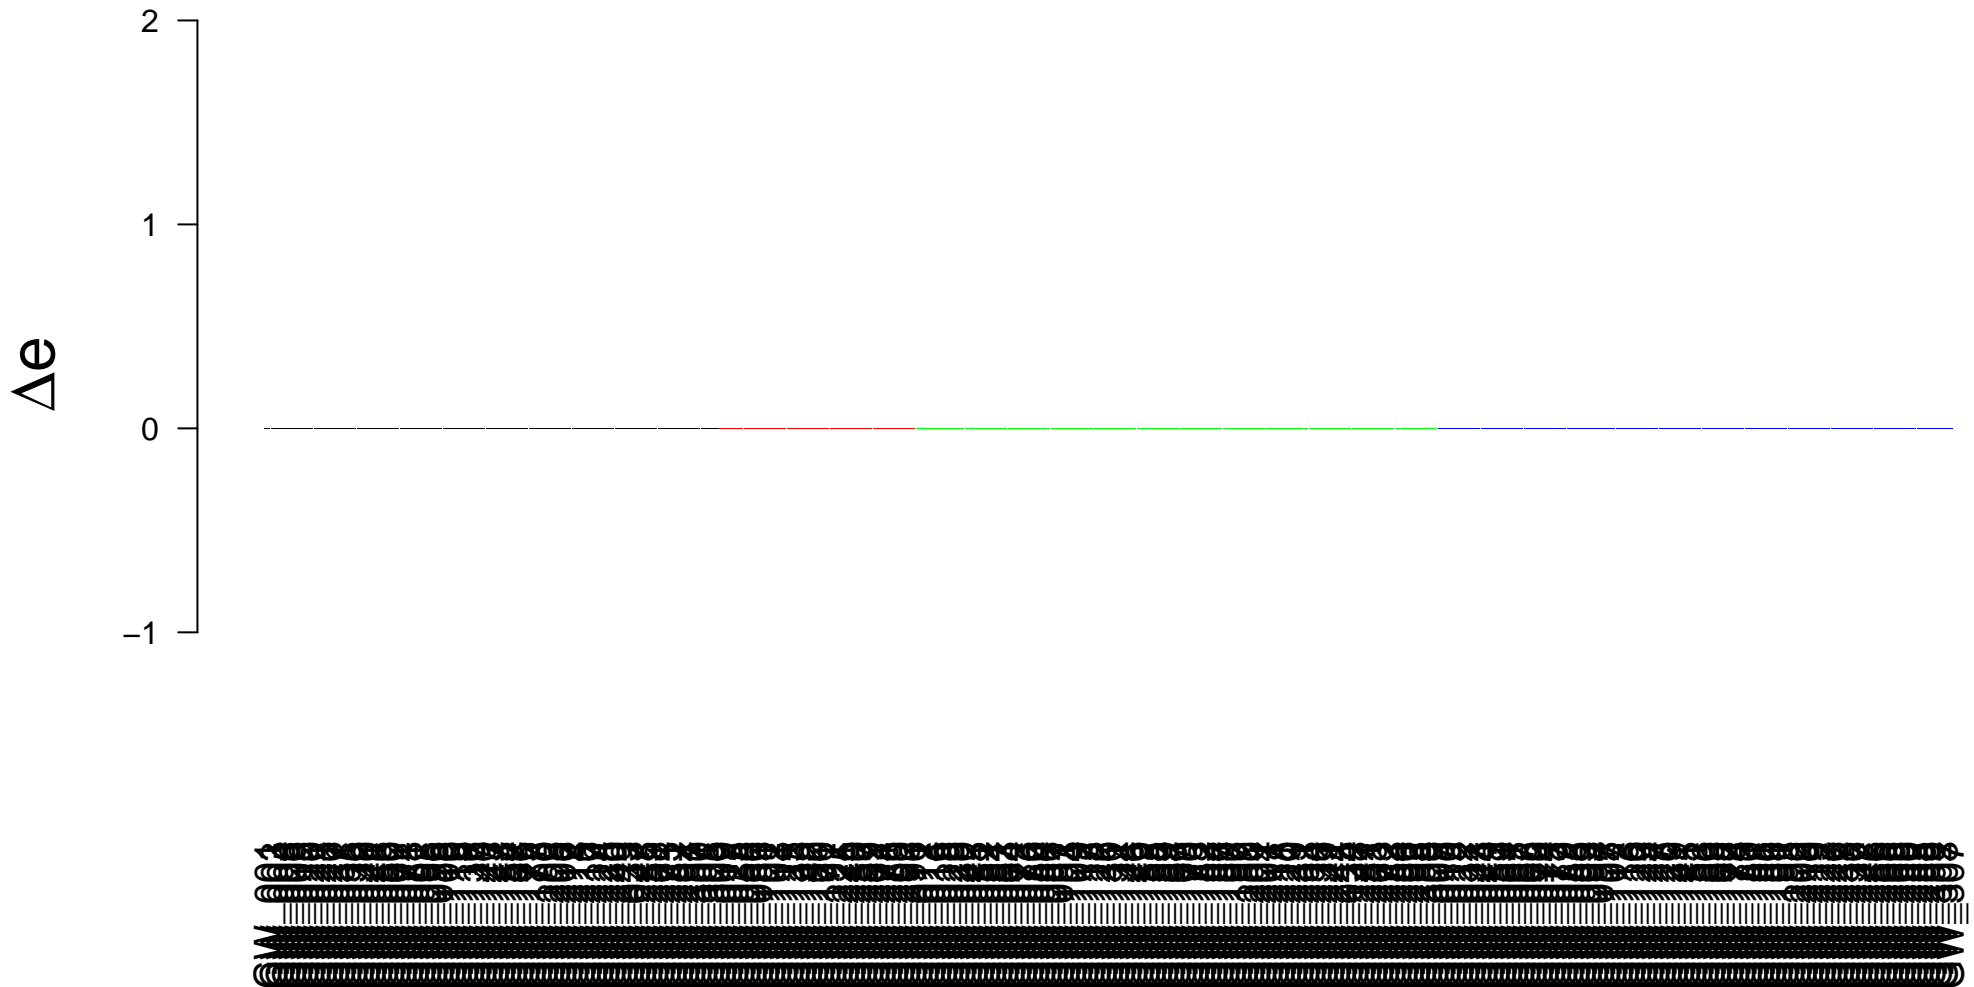

Expression of response to fatty acid in Spot M

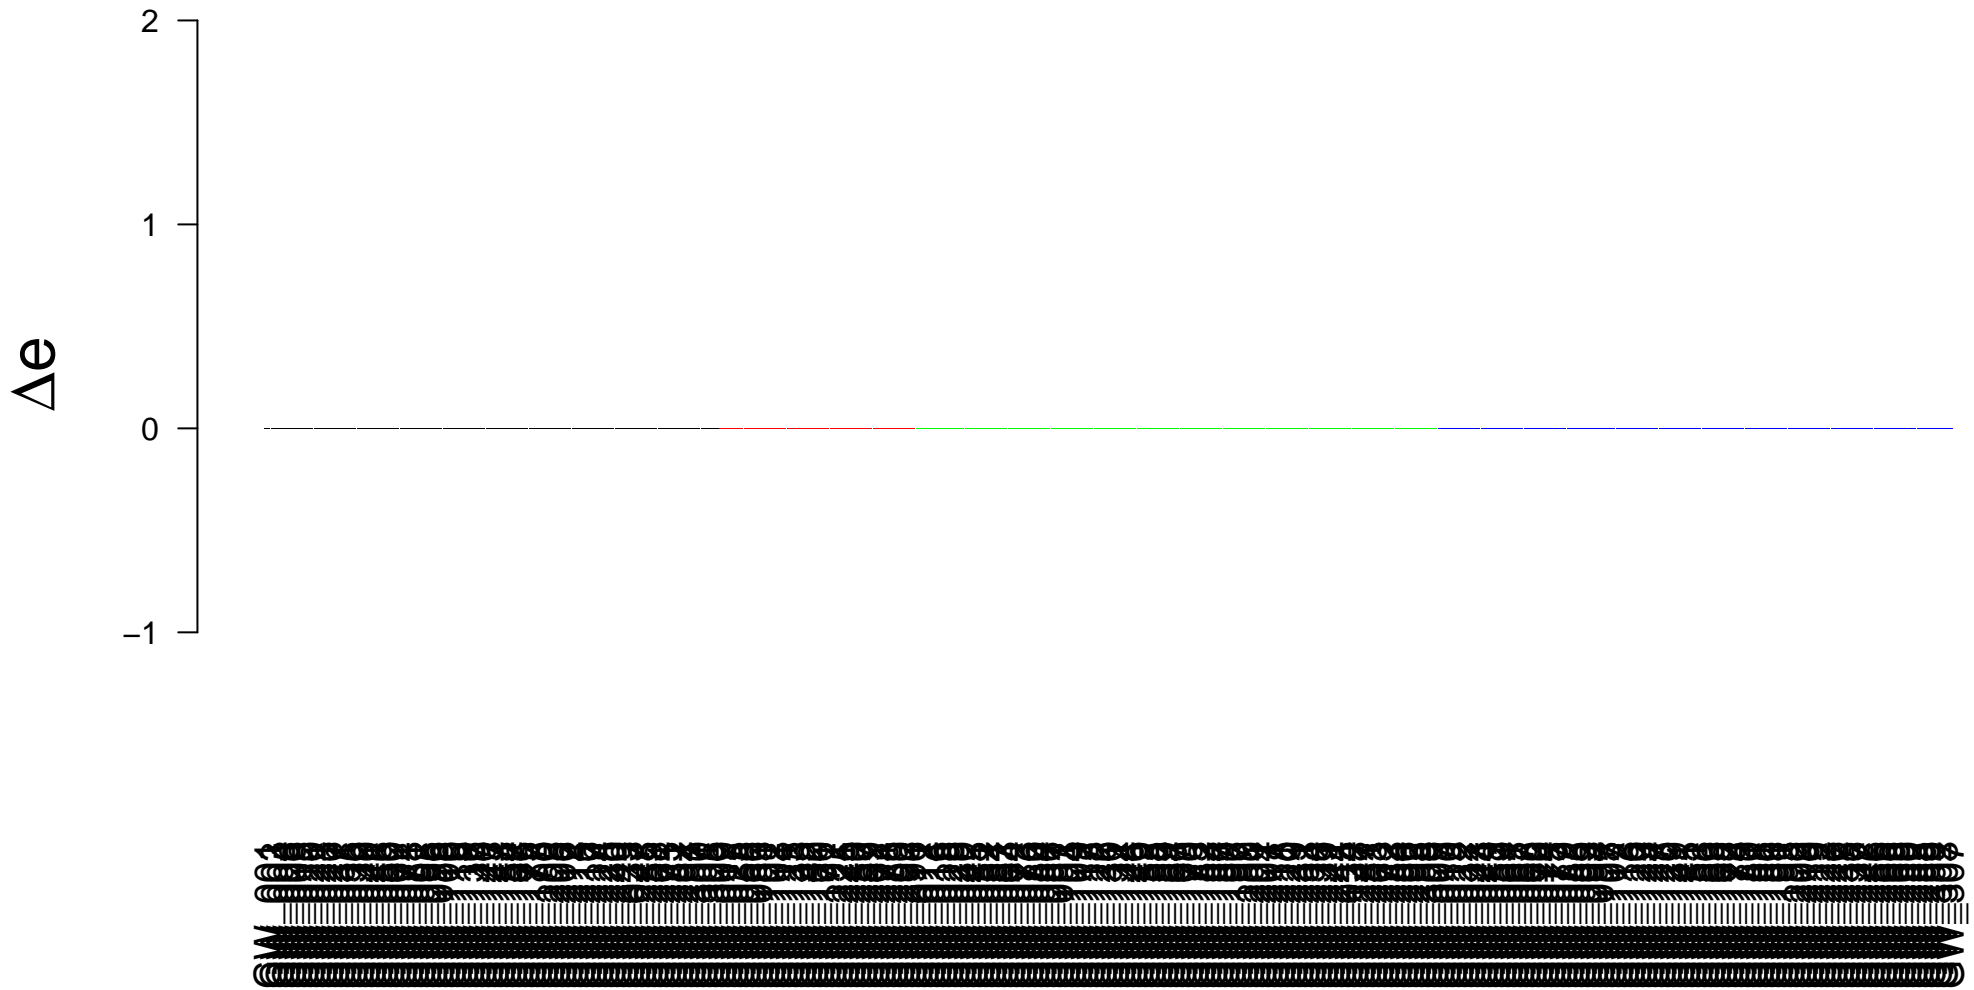

Expression of response to fatty acid in Spot N

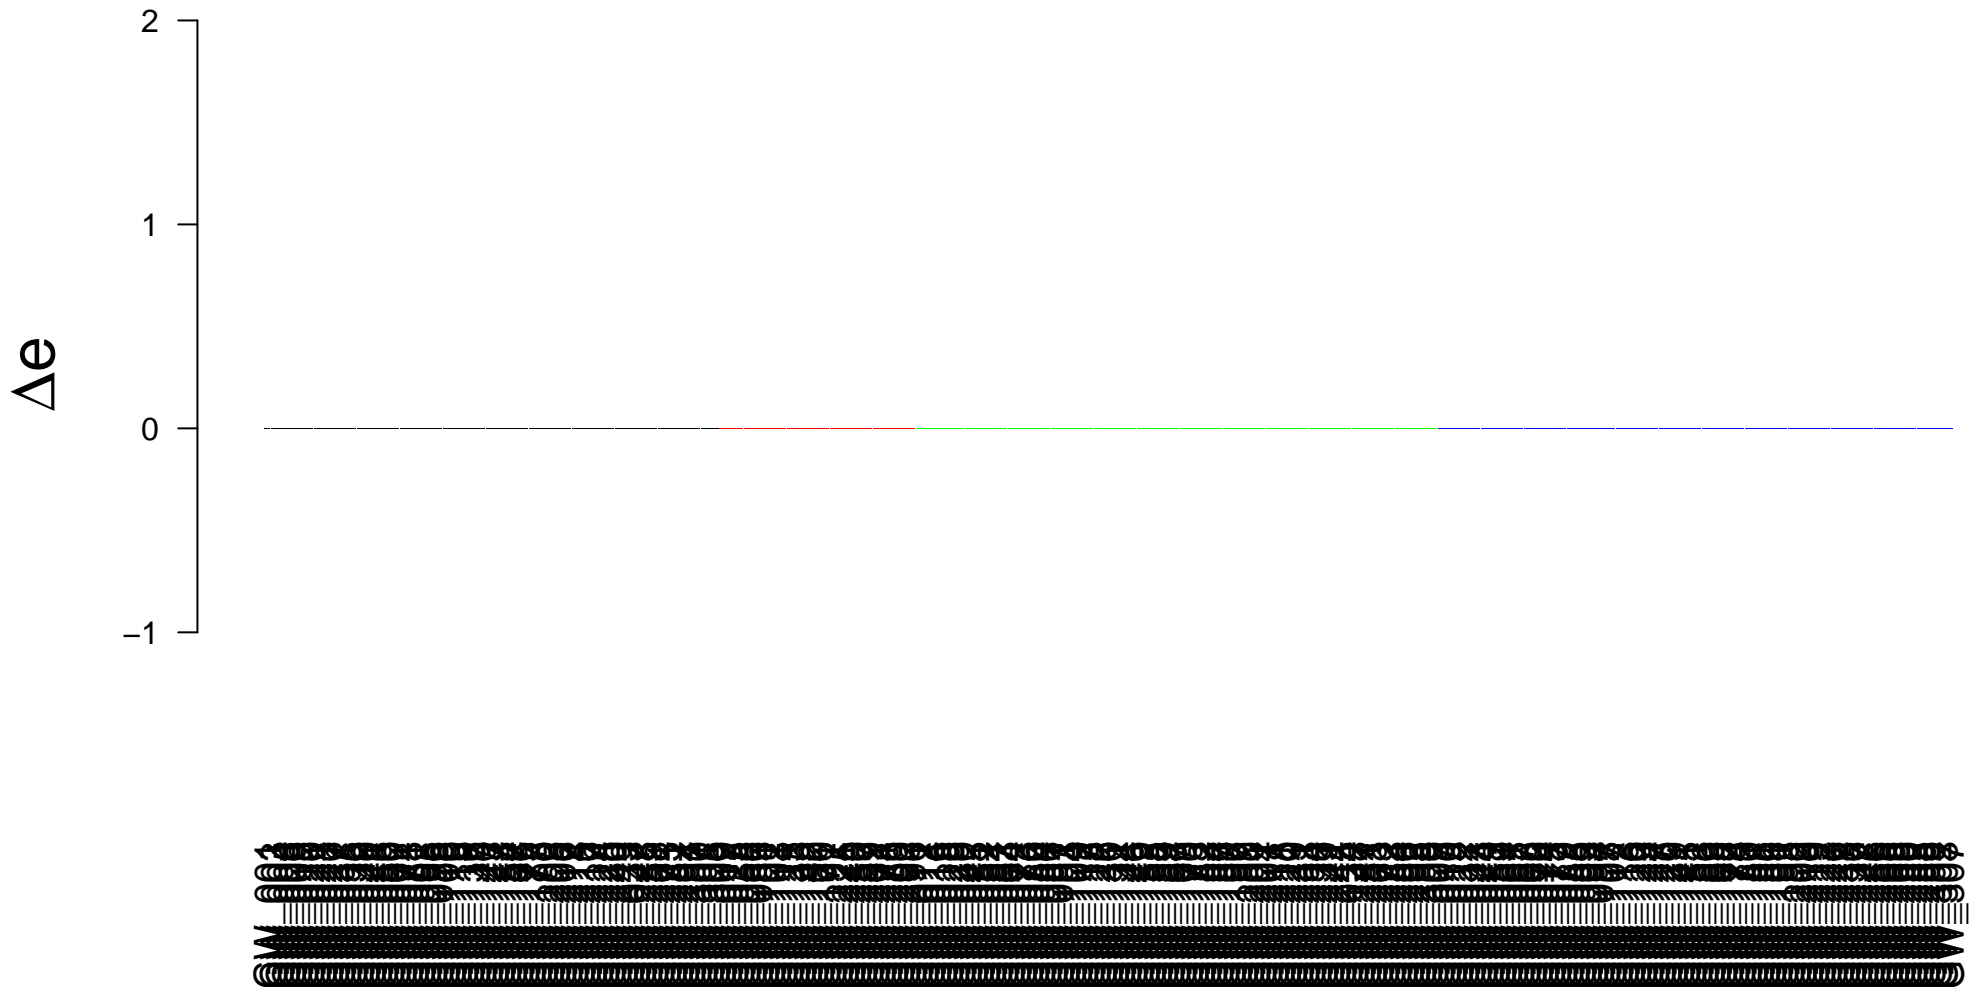

Expression of response to fatty acid in Spot O

Expression of response to fatty acid in Spot P

Expression of response to fatty acid in Spot Q

Expression of response to fatty acid in Spot R
