

response to food

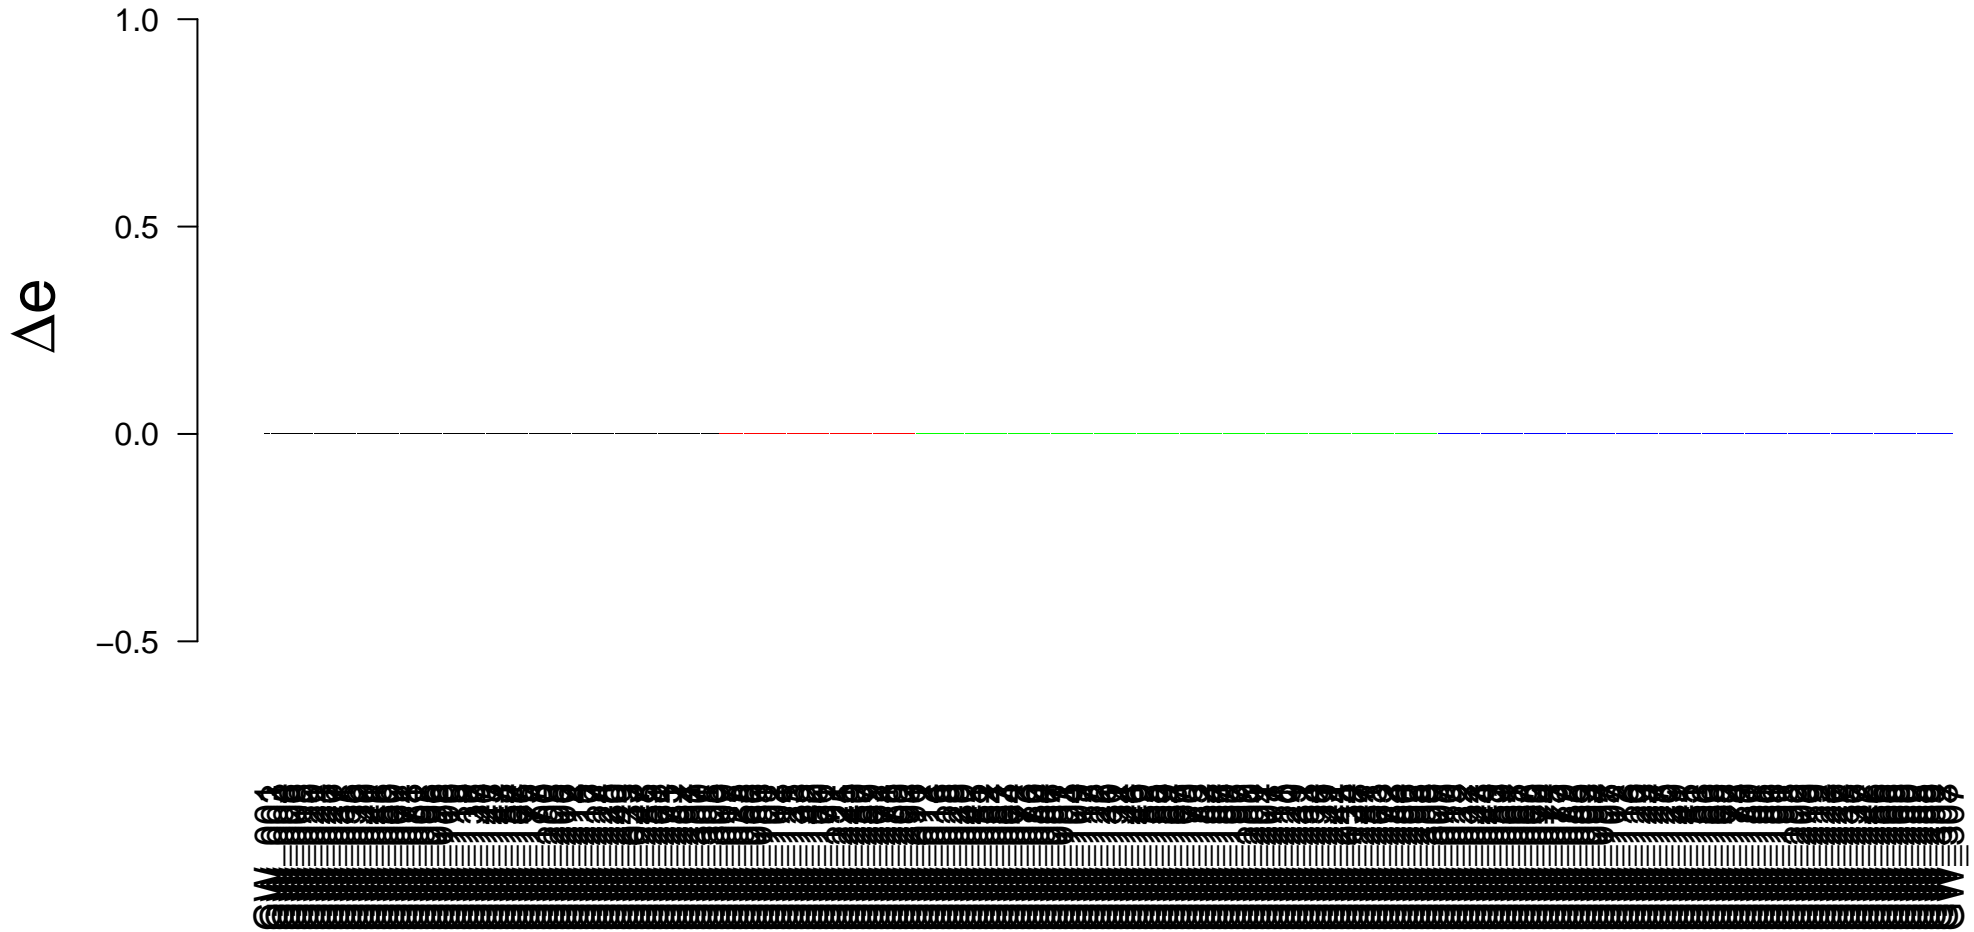

response to food

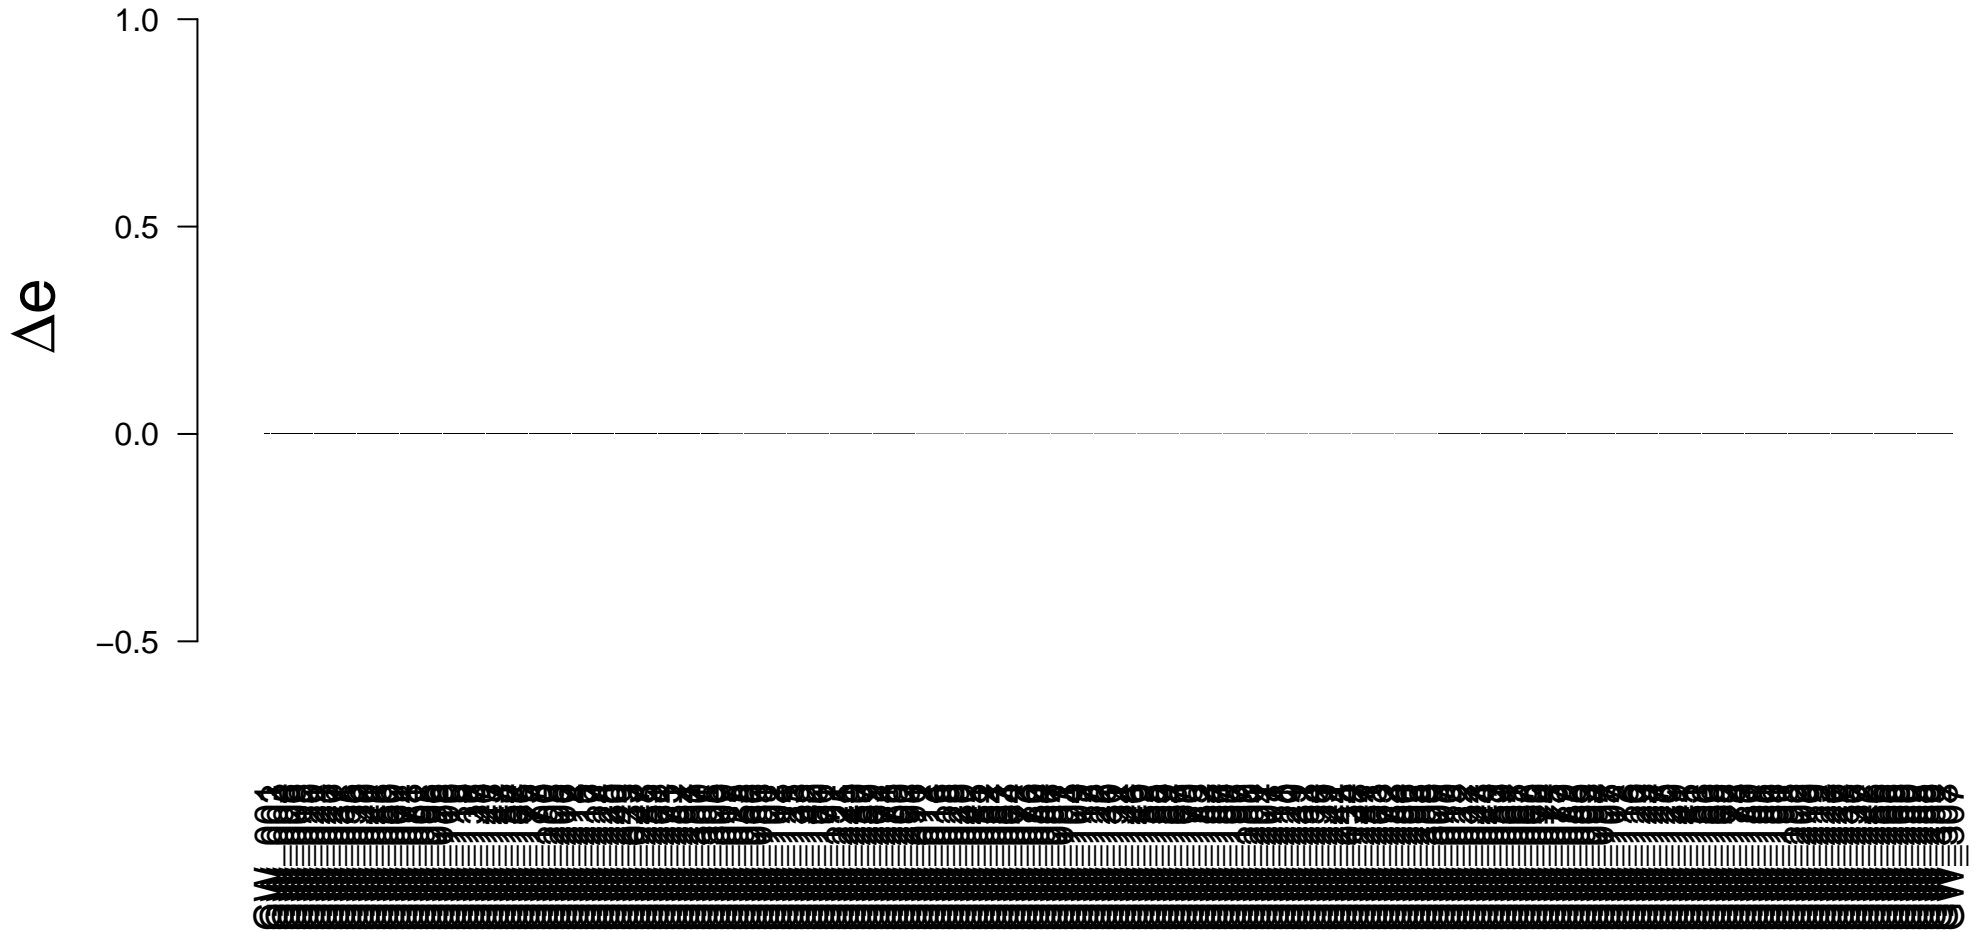

Enrichment in spots: response to food

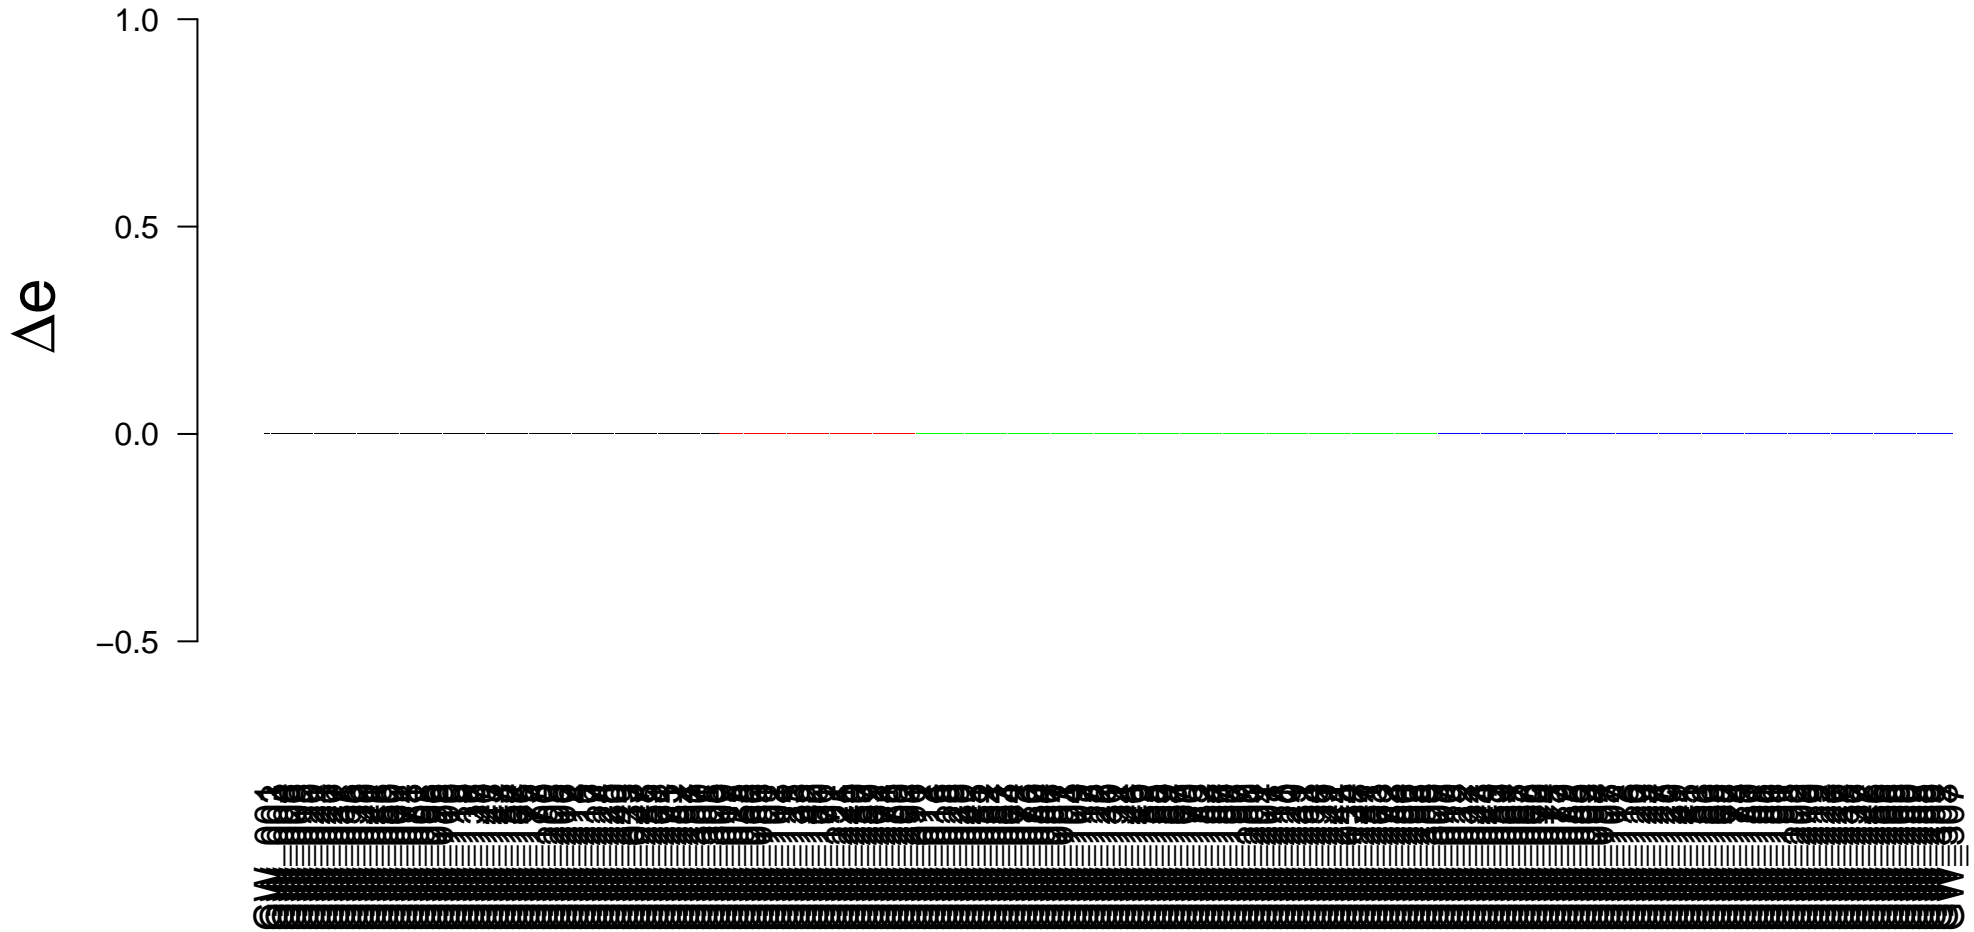

Expression of response to food in Spot A

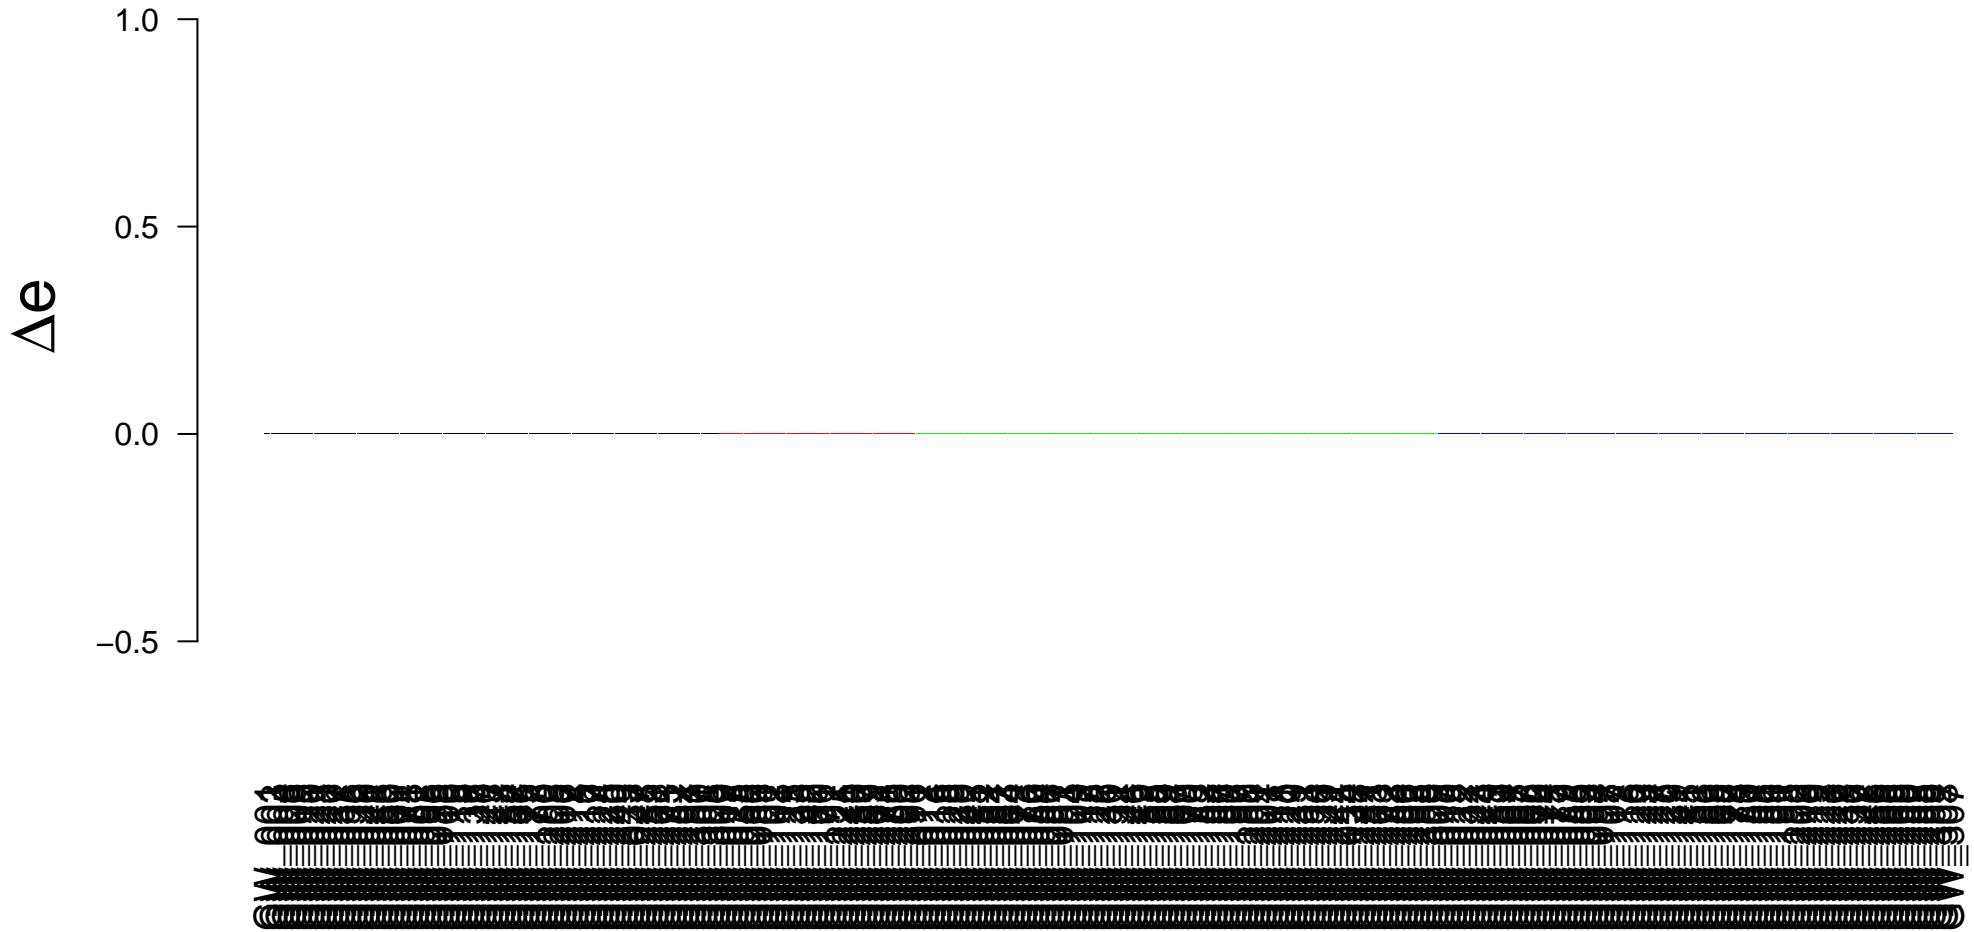

Expression of response to food in Spot B

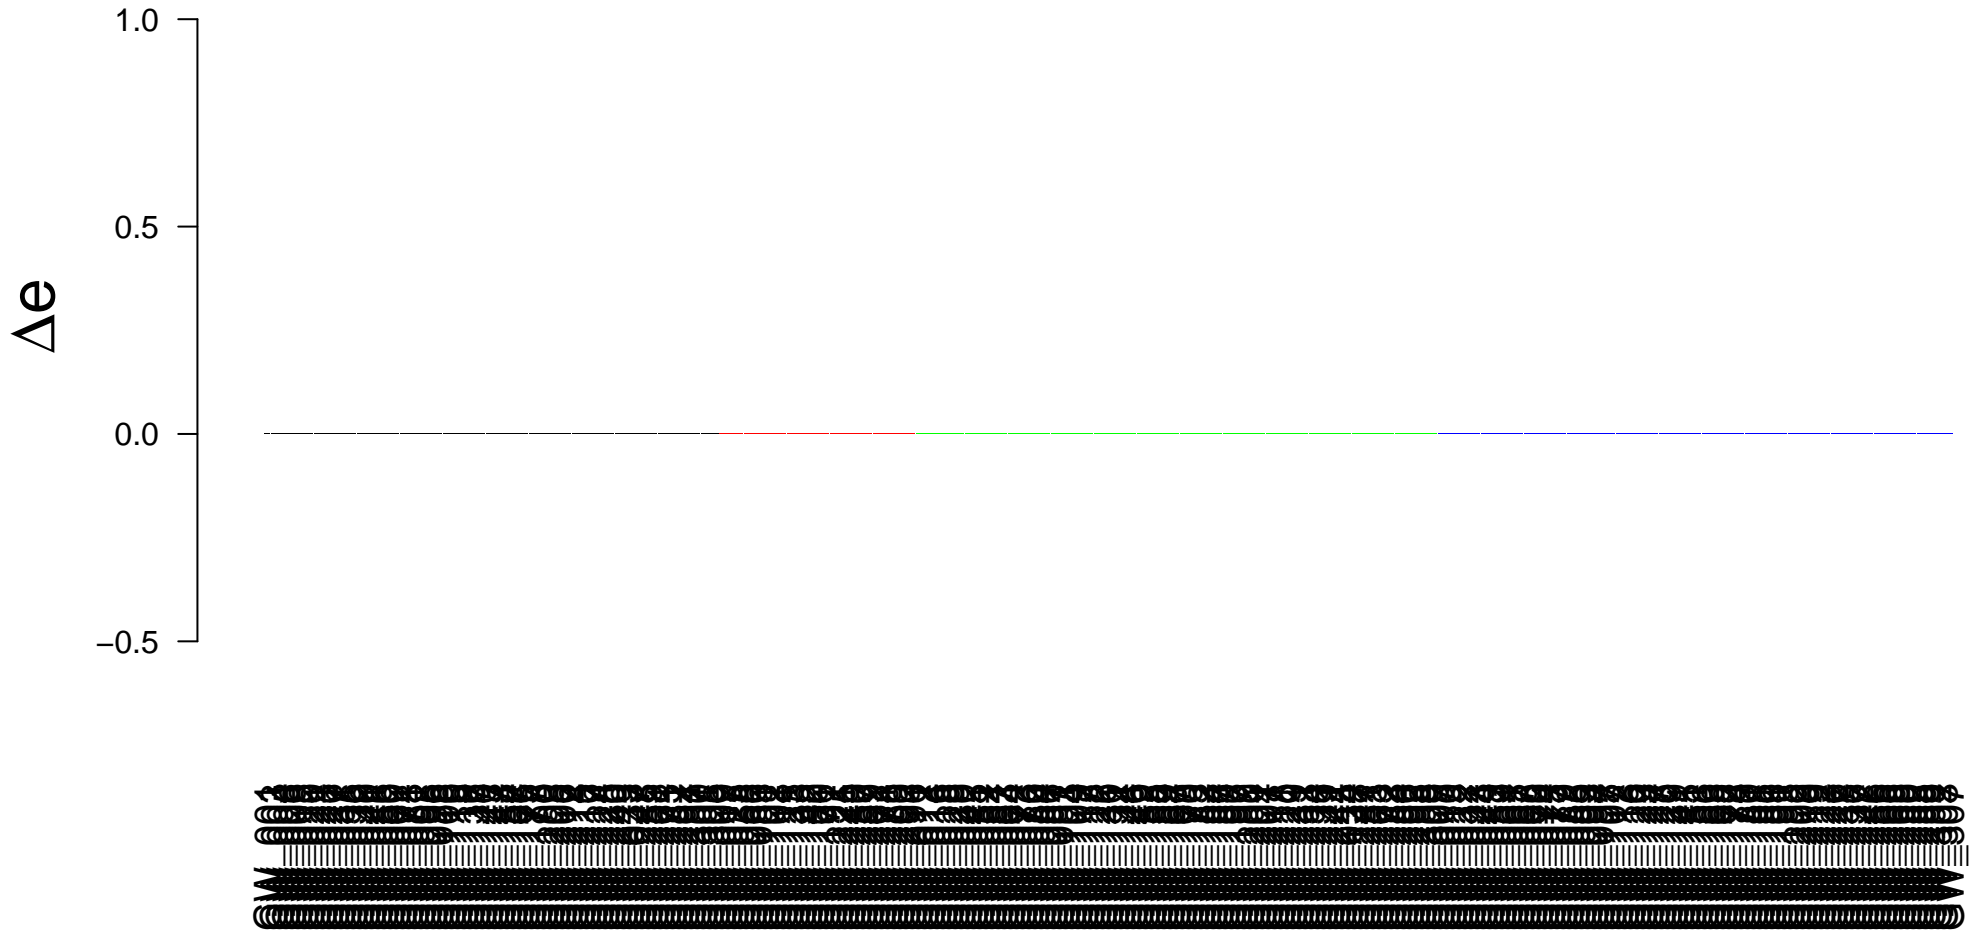

Expression of response to food in Spot C

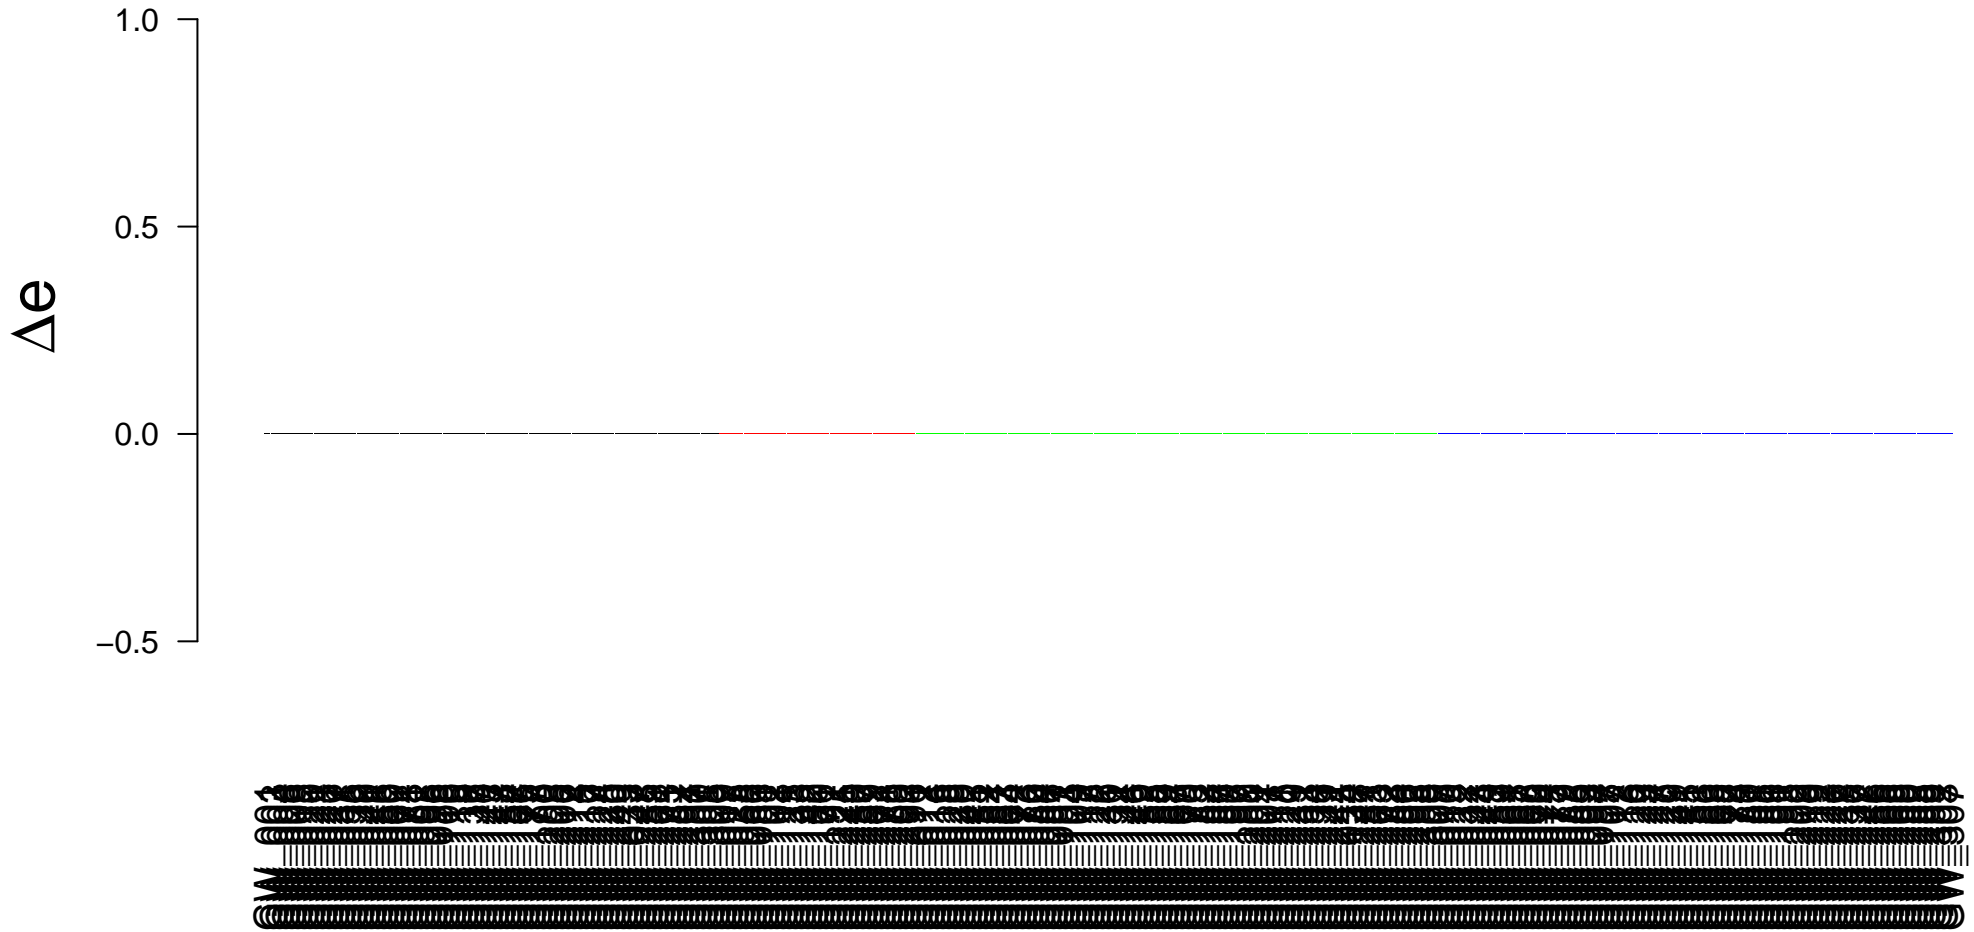

Expression of response to food in Spot D

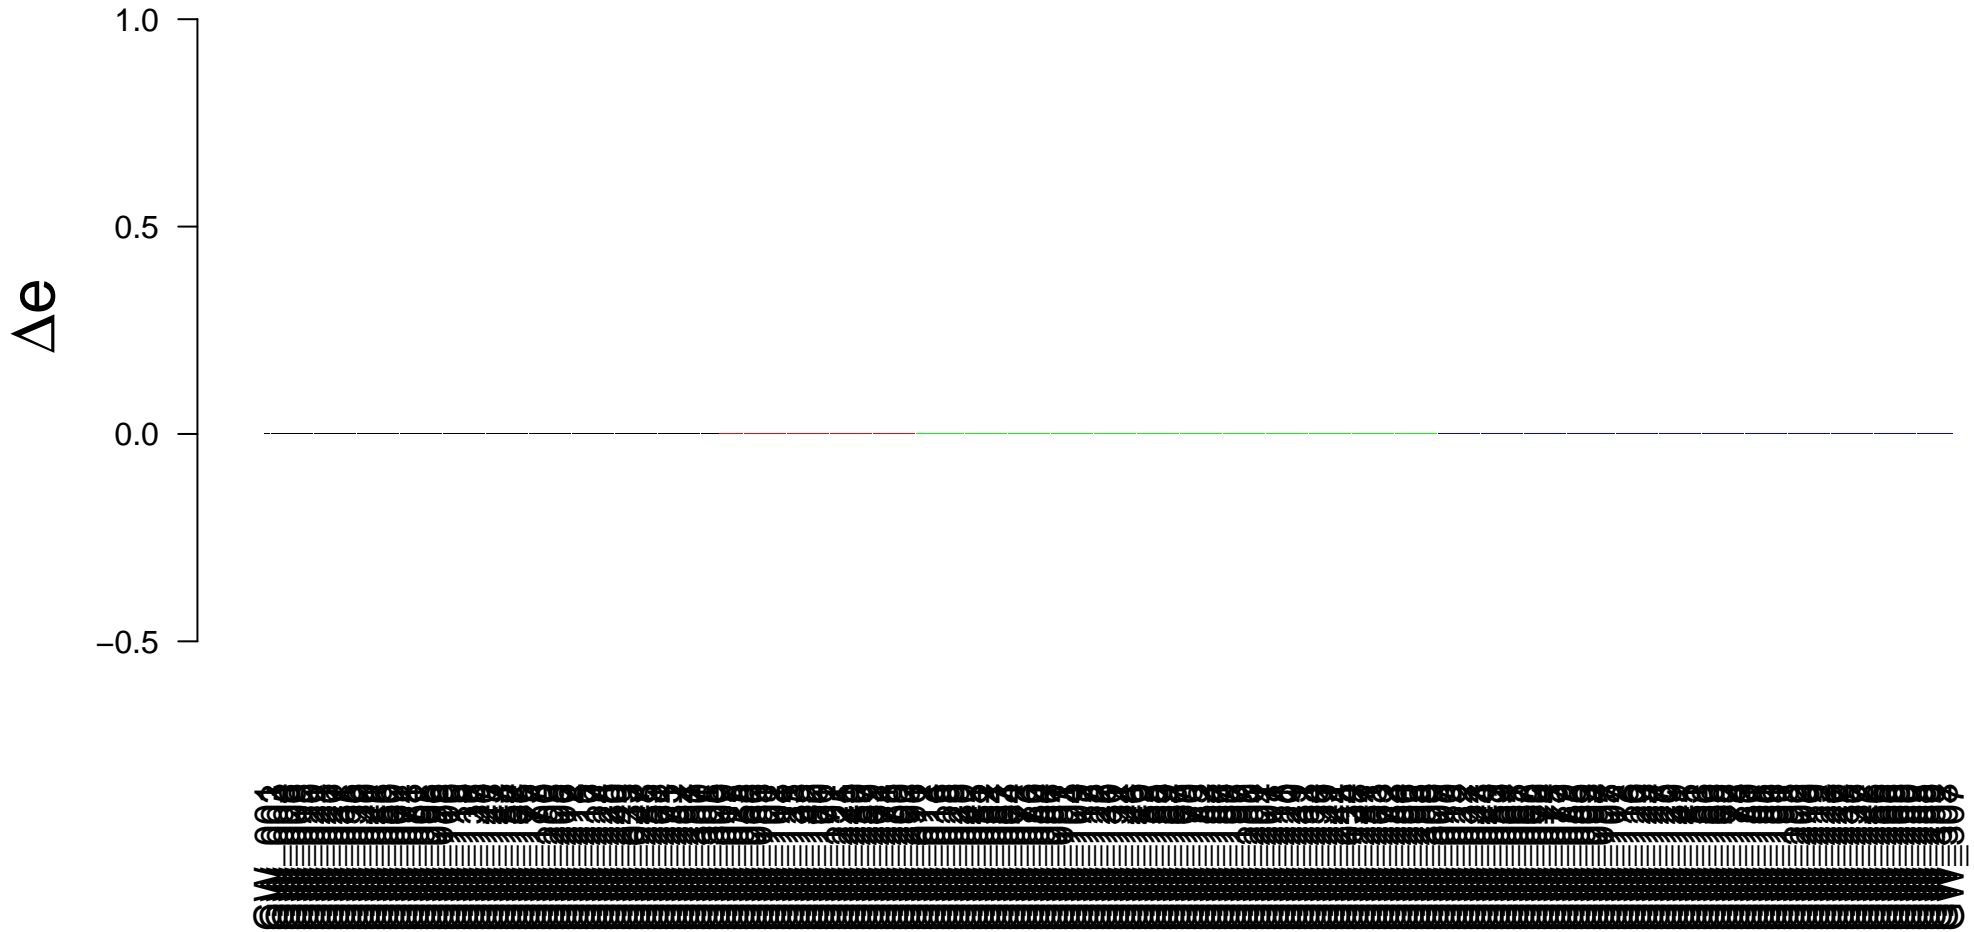

Expression of response to food in Spot E

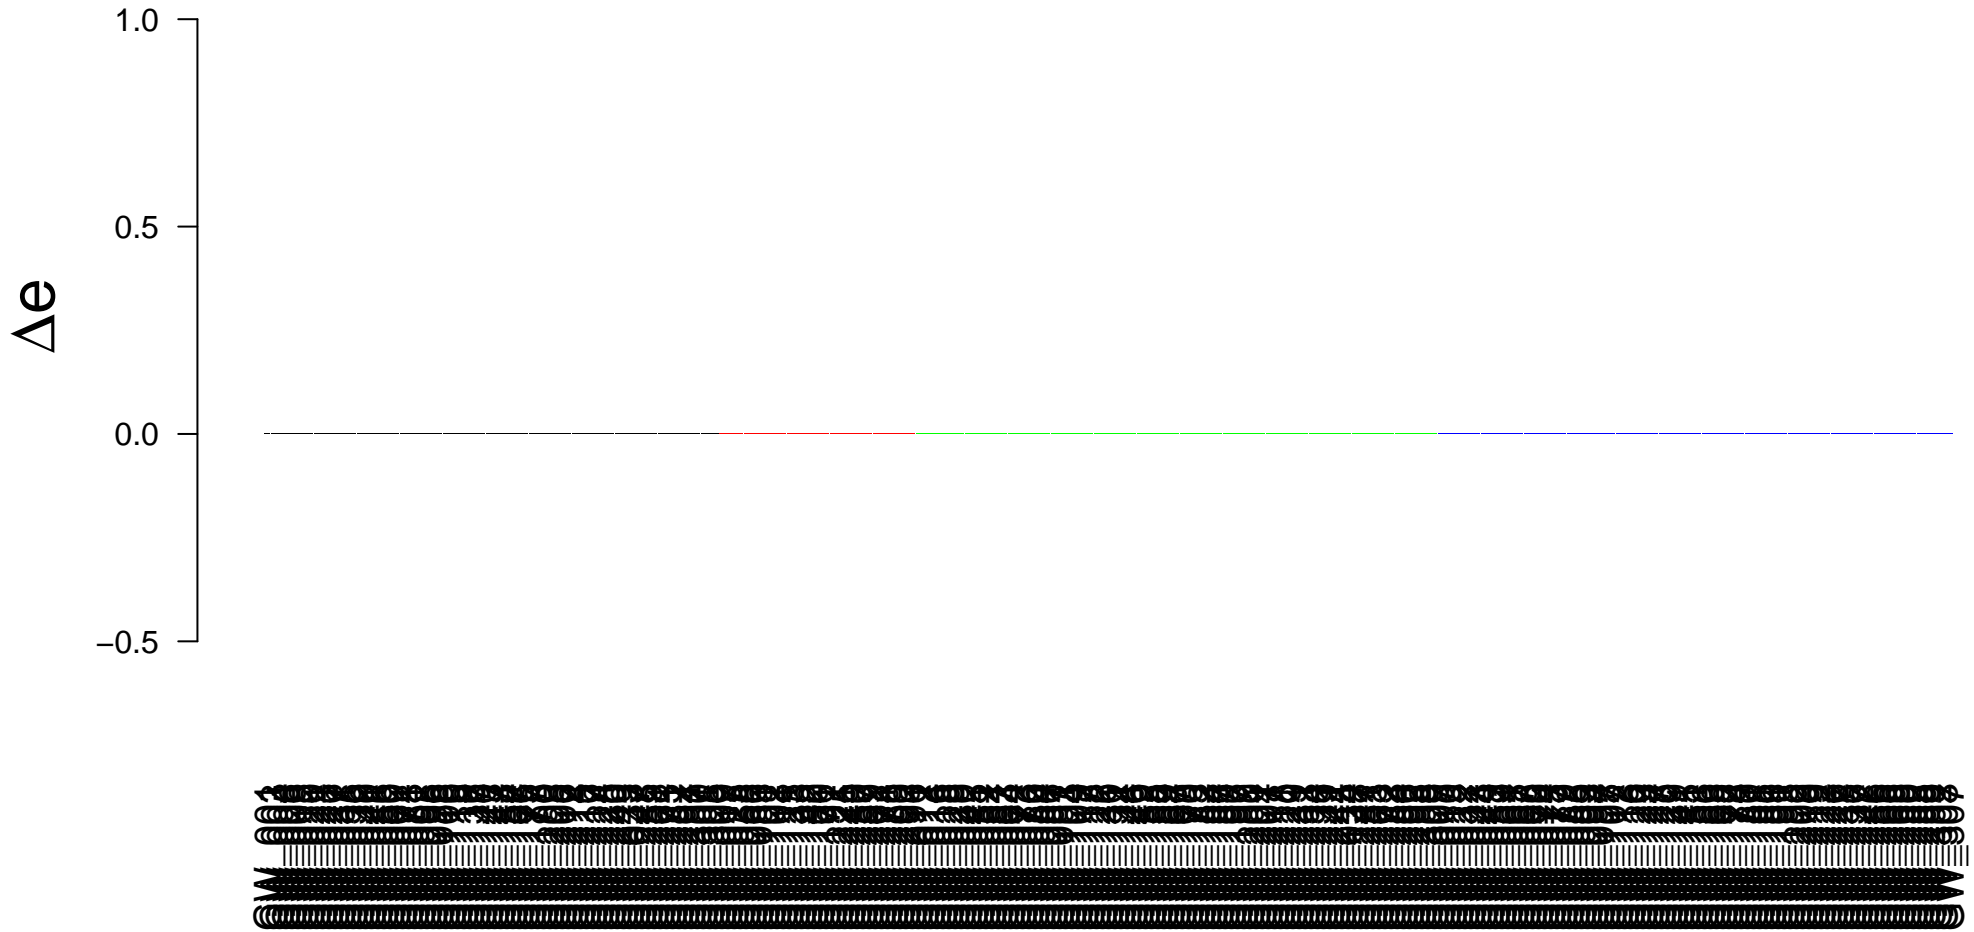

Expression of response to food in Spot F

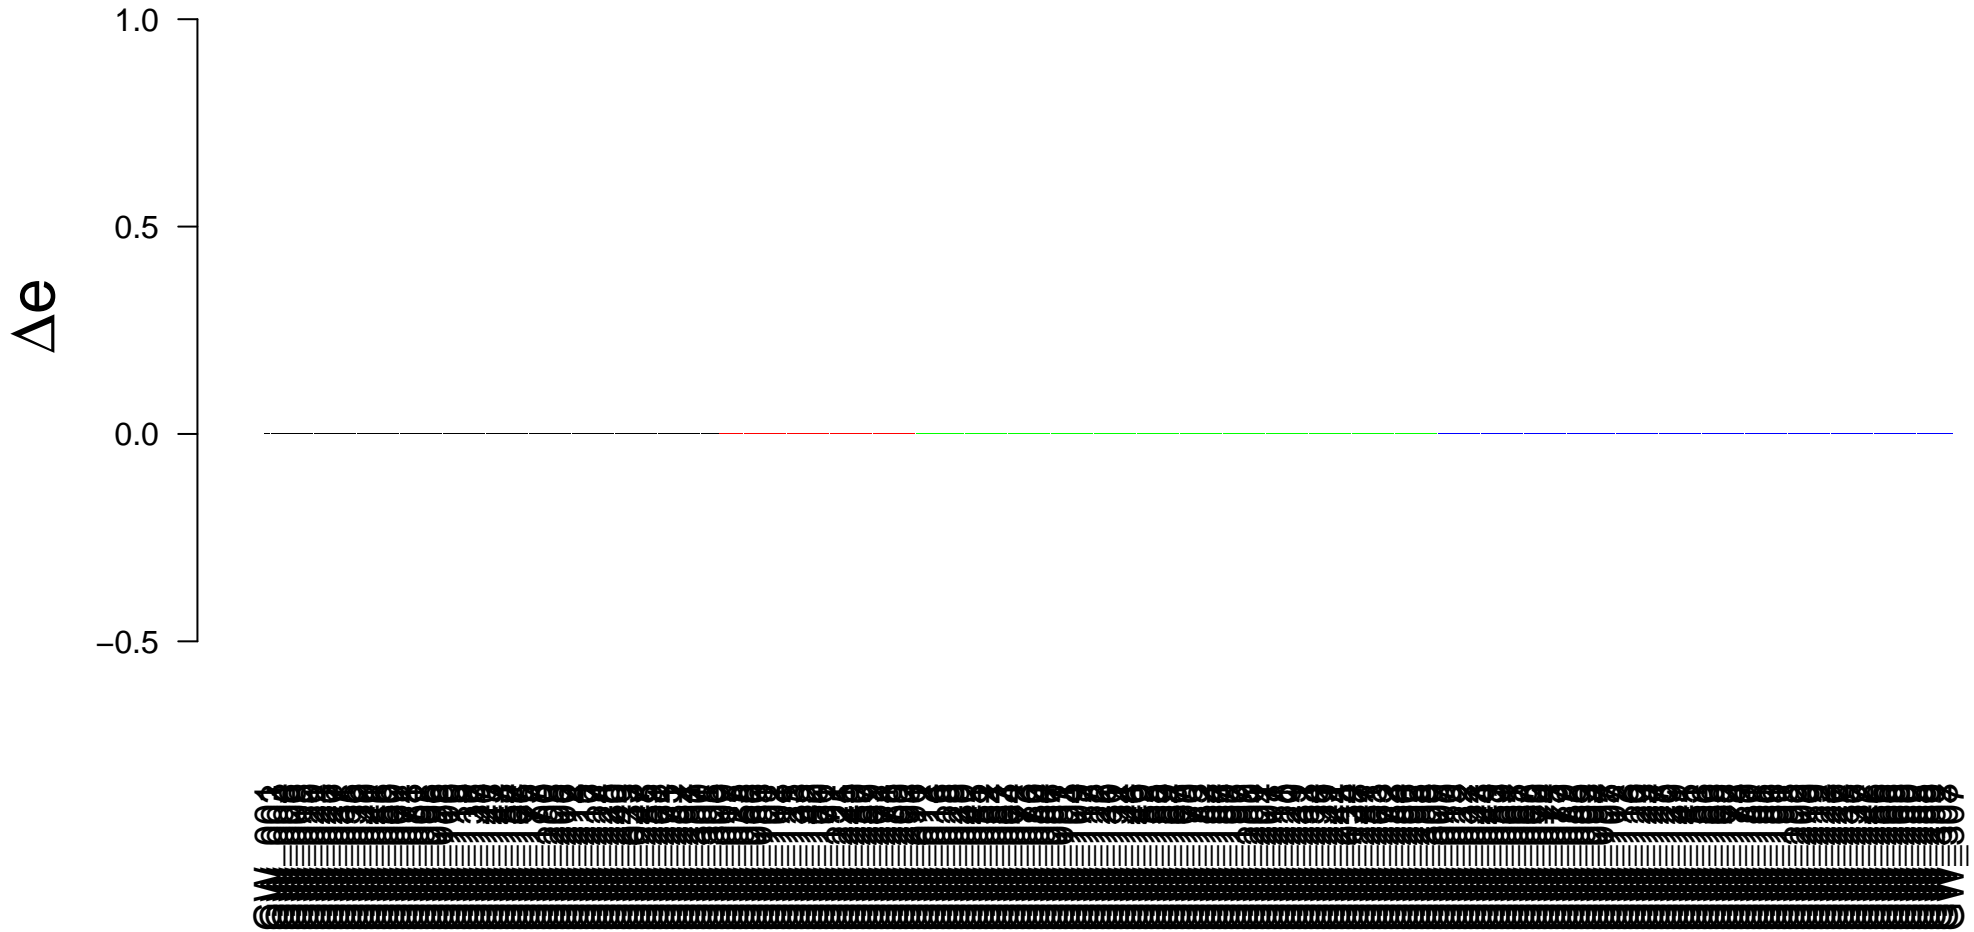

Expression of response to food in Spot G

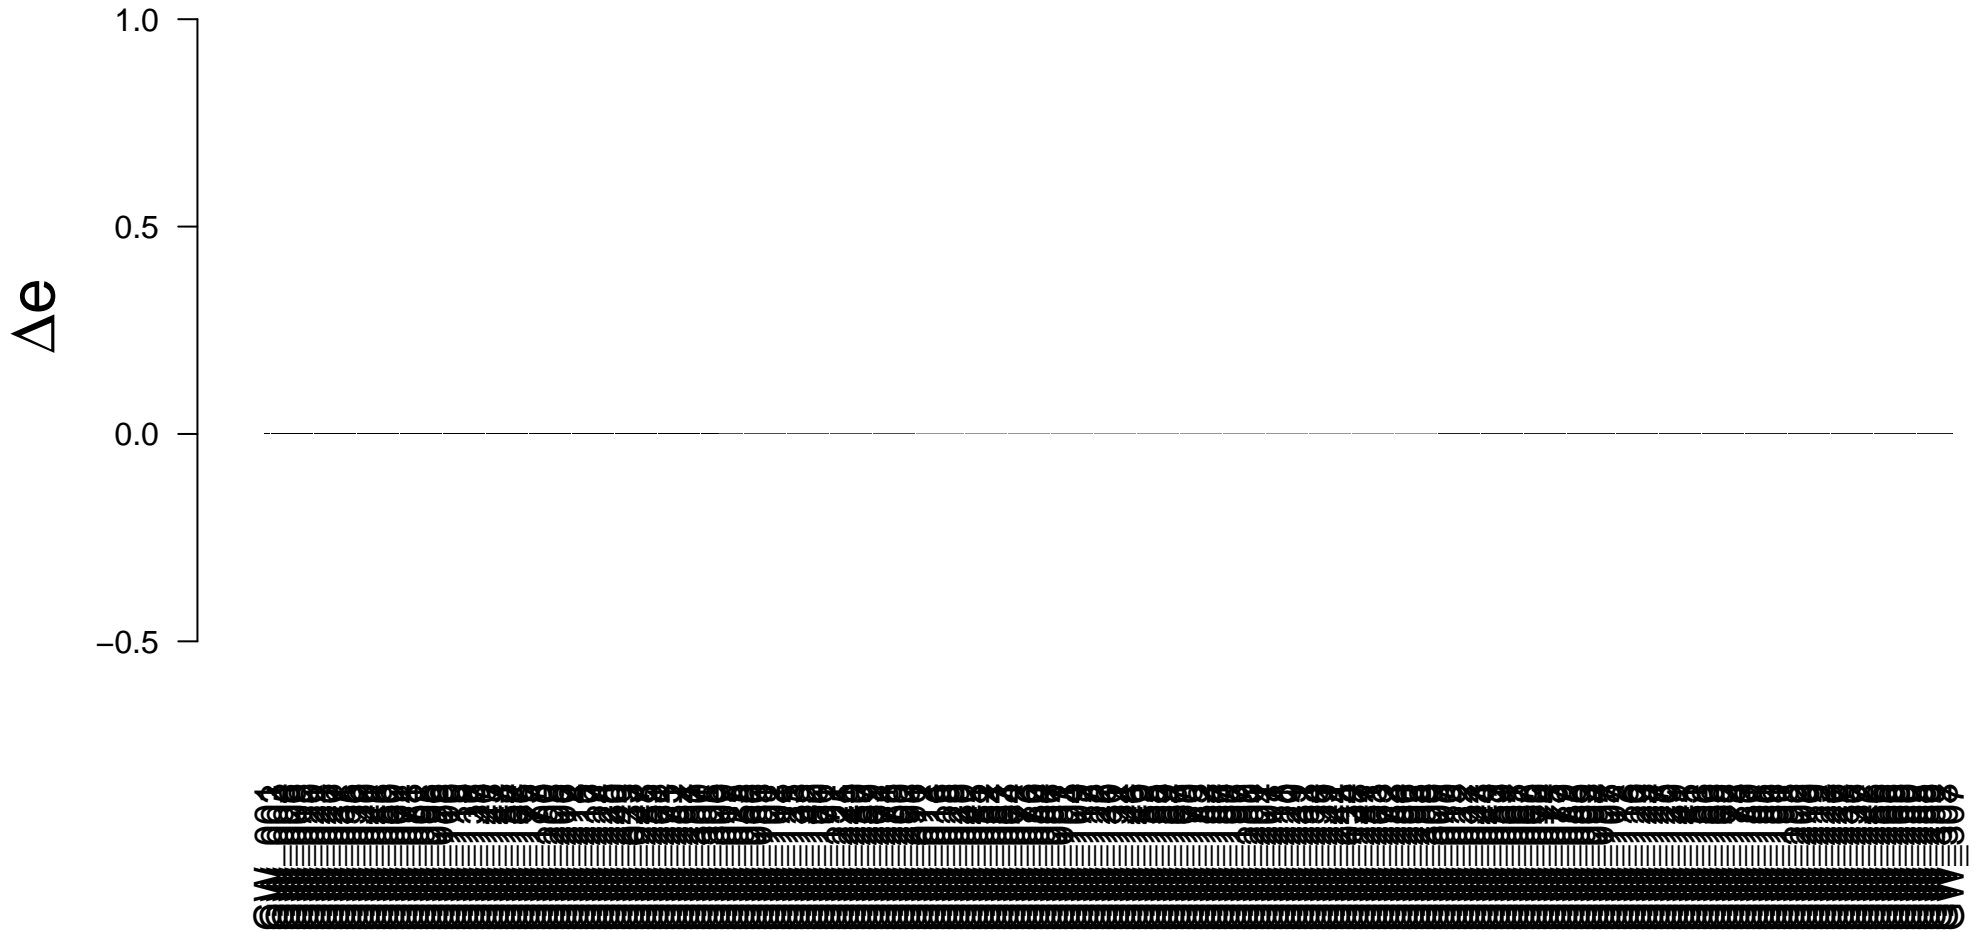

Expression of response to food in Spot H

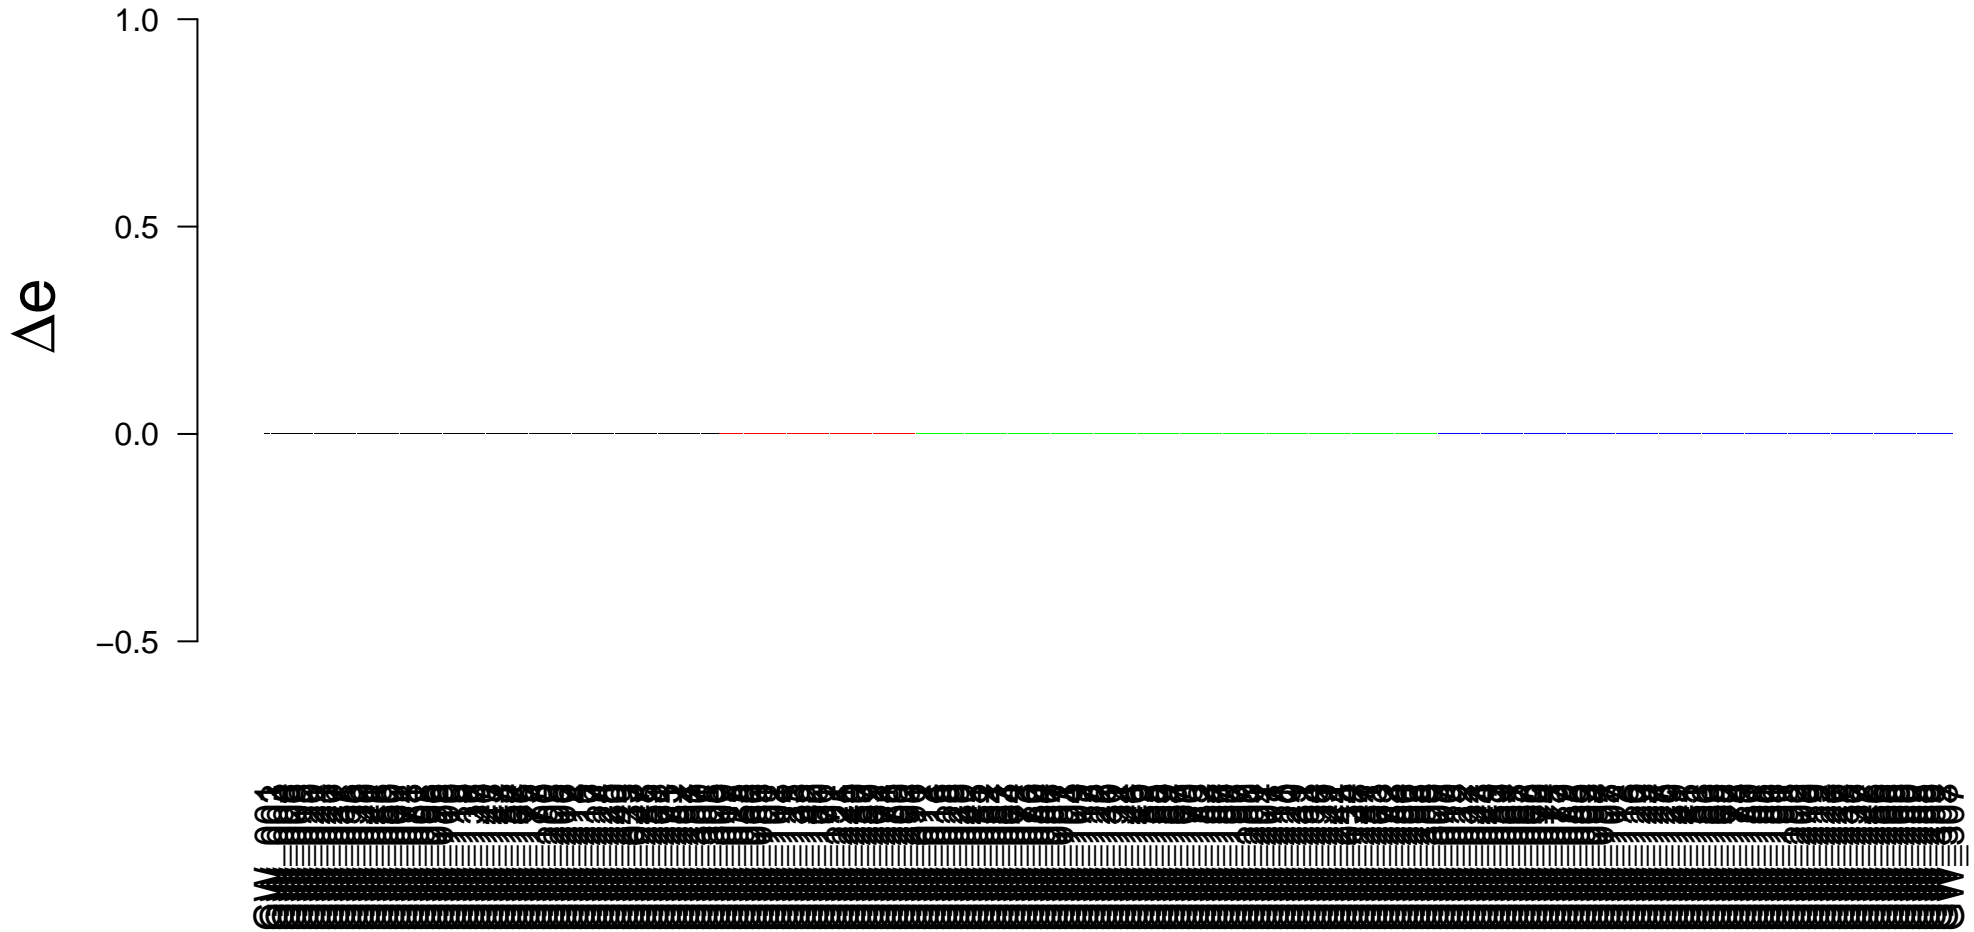

Expression of response to food in Spot I

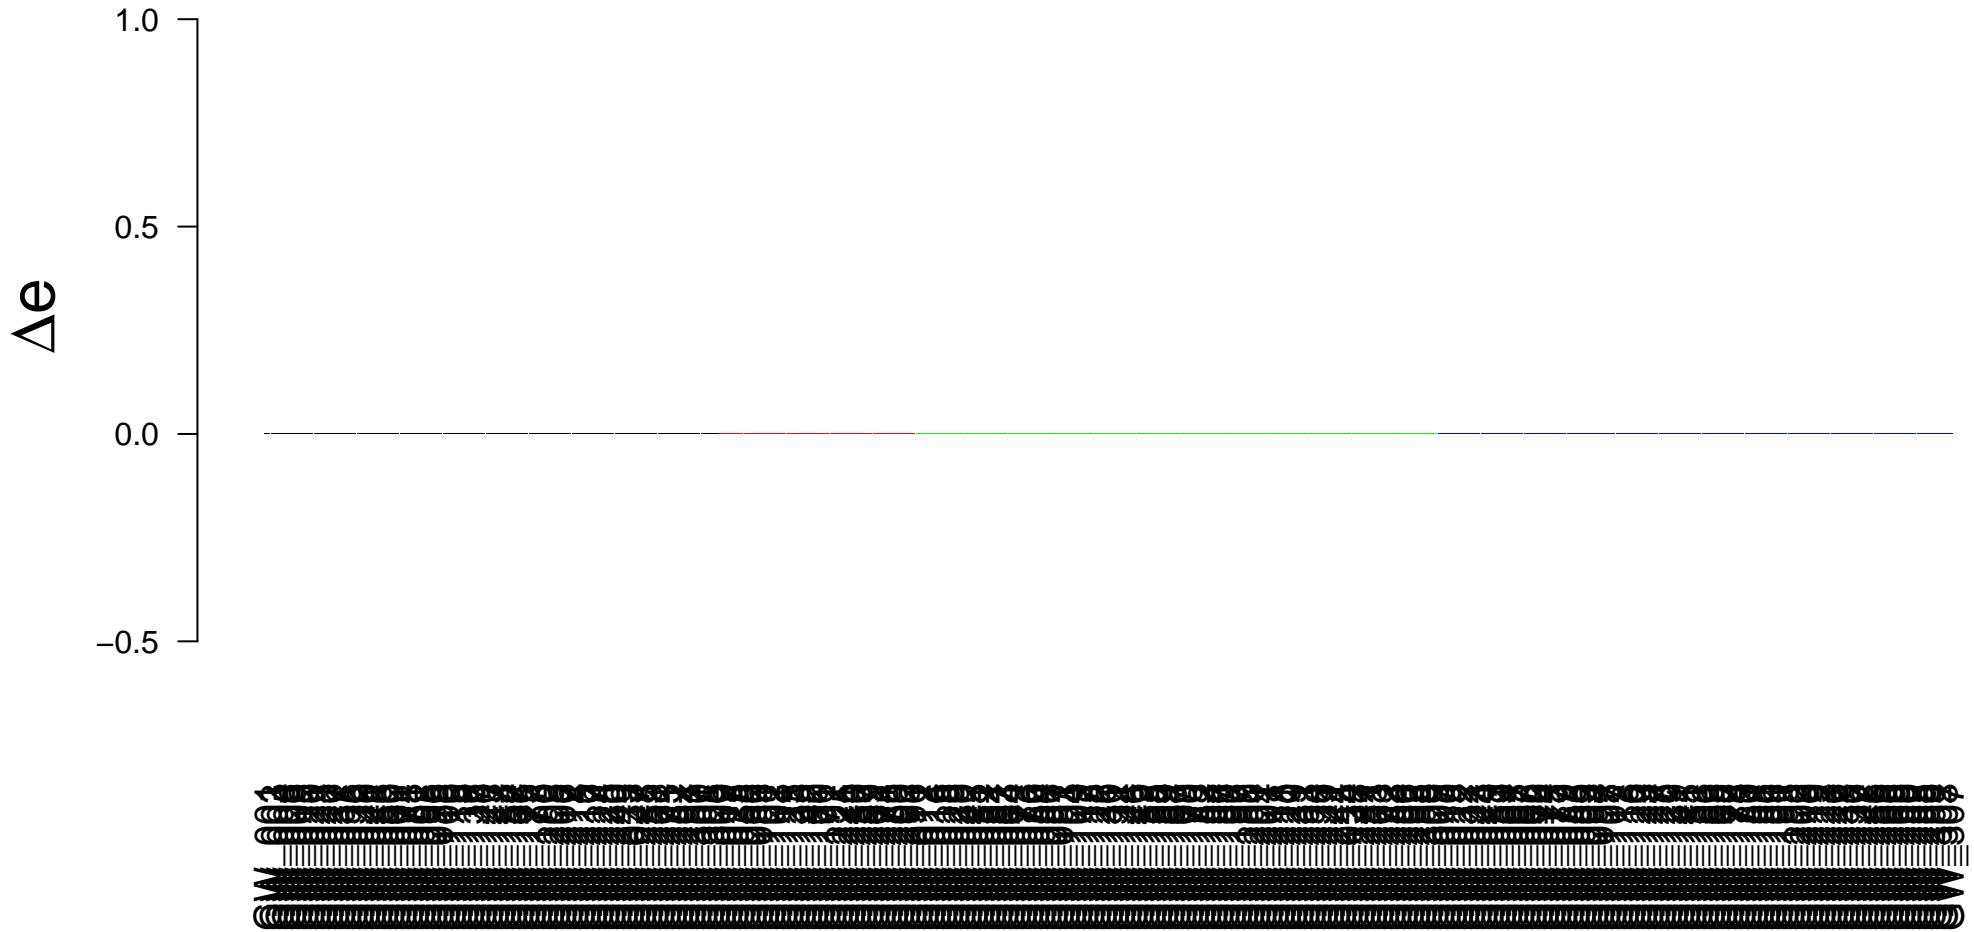

Expression of response to food in Spot J

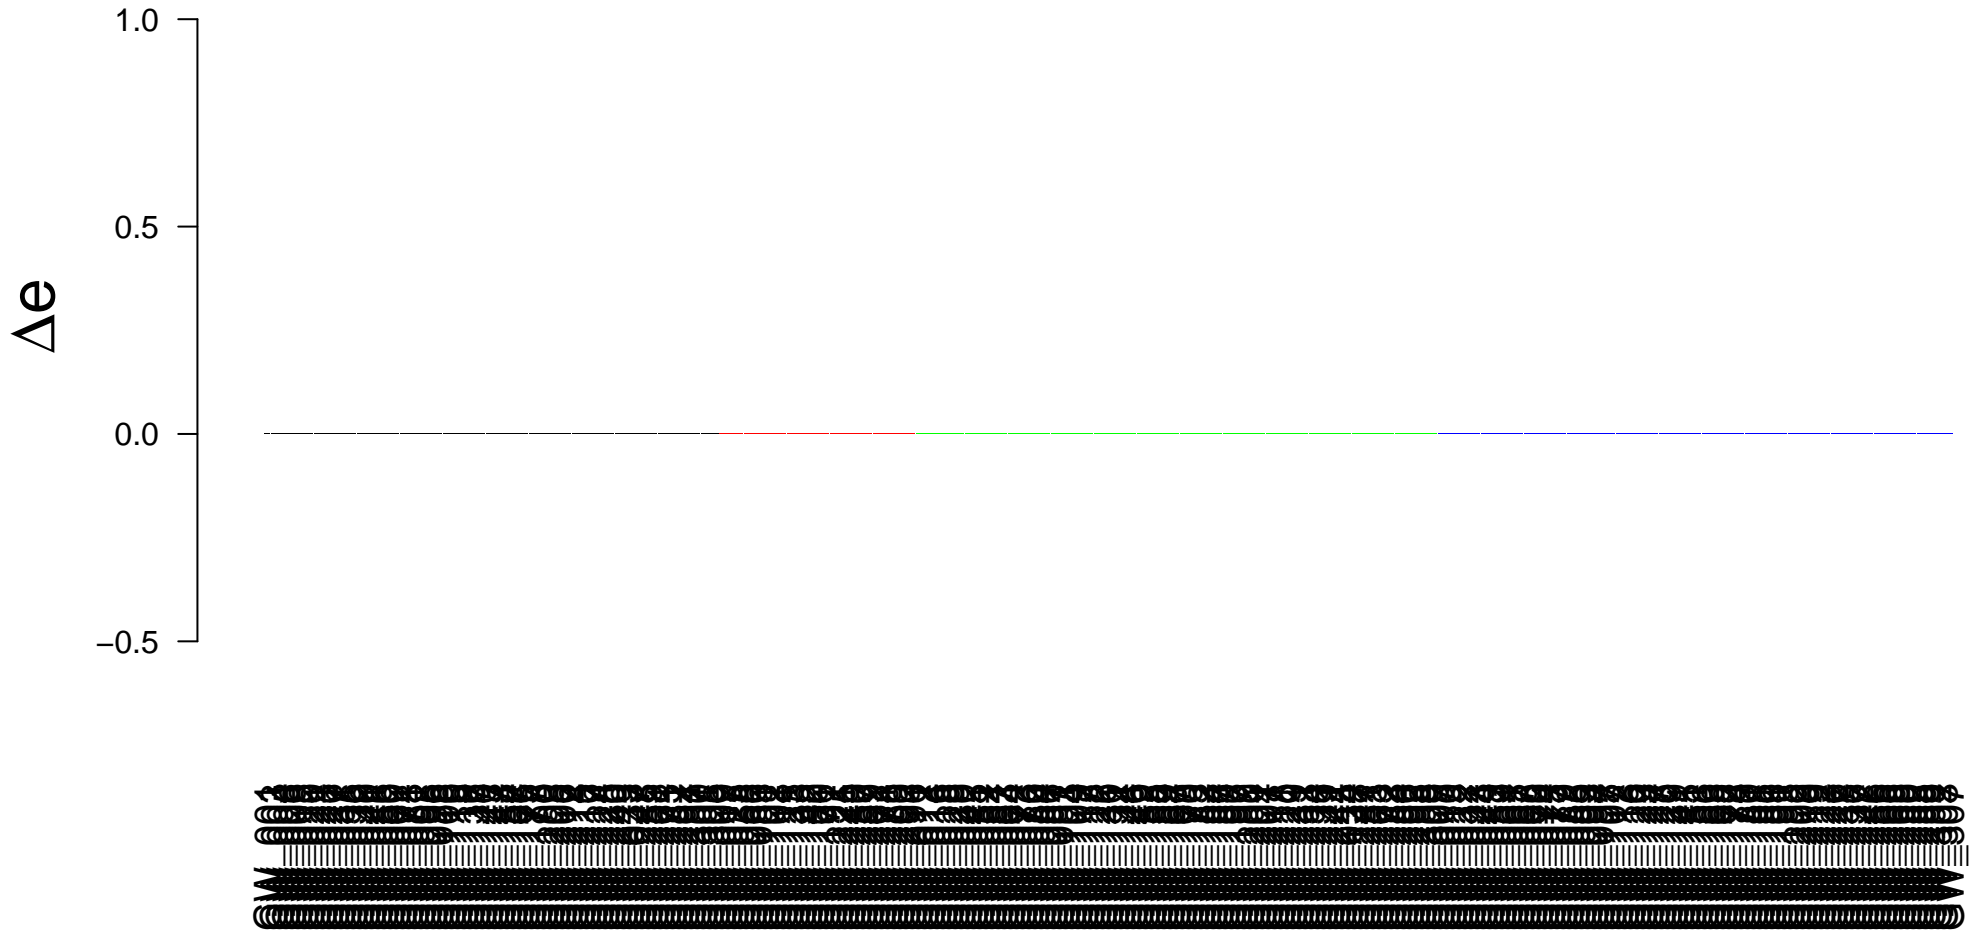

Expression of response to food in Spot K

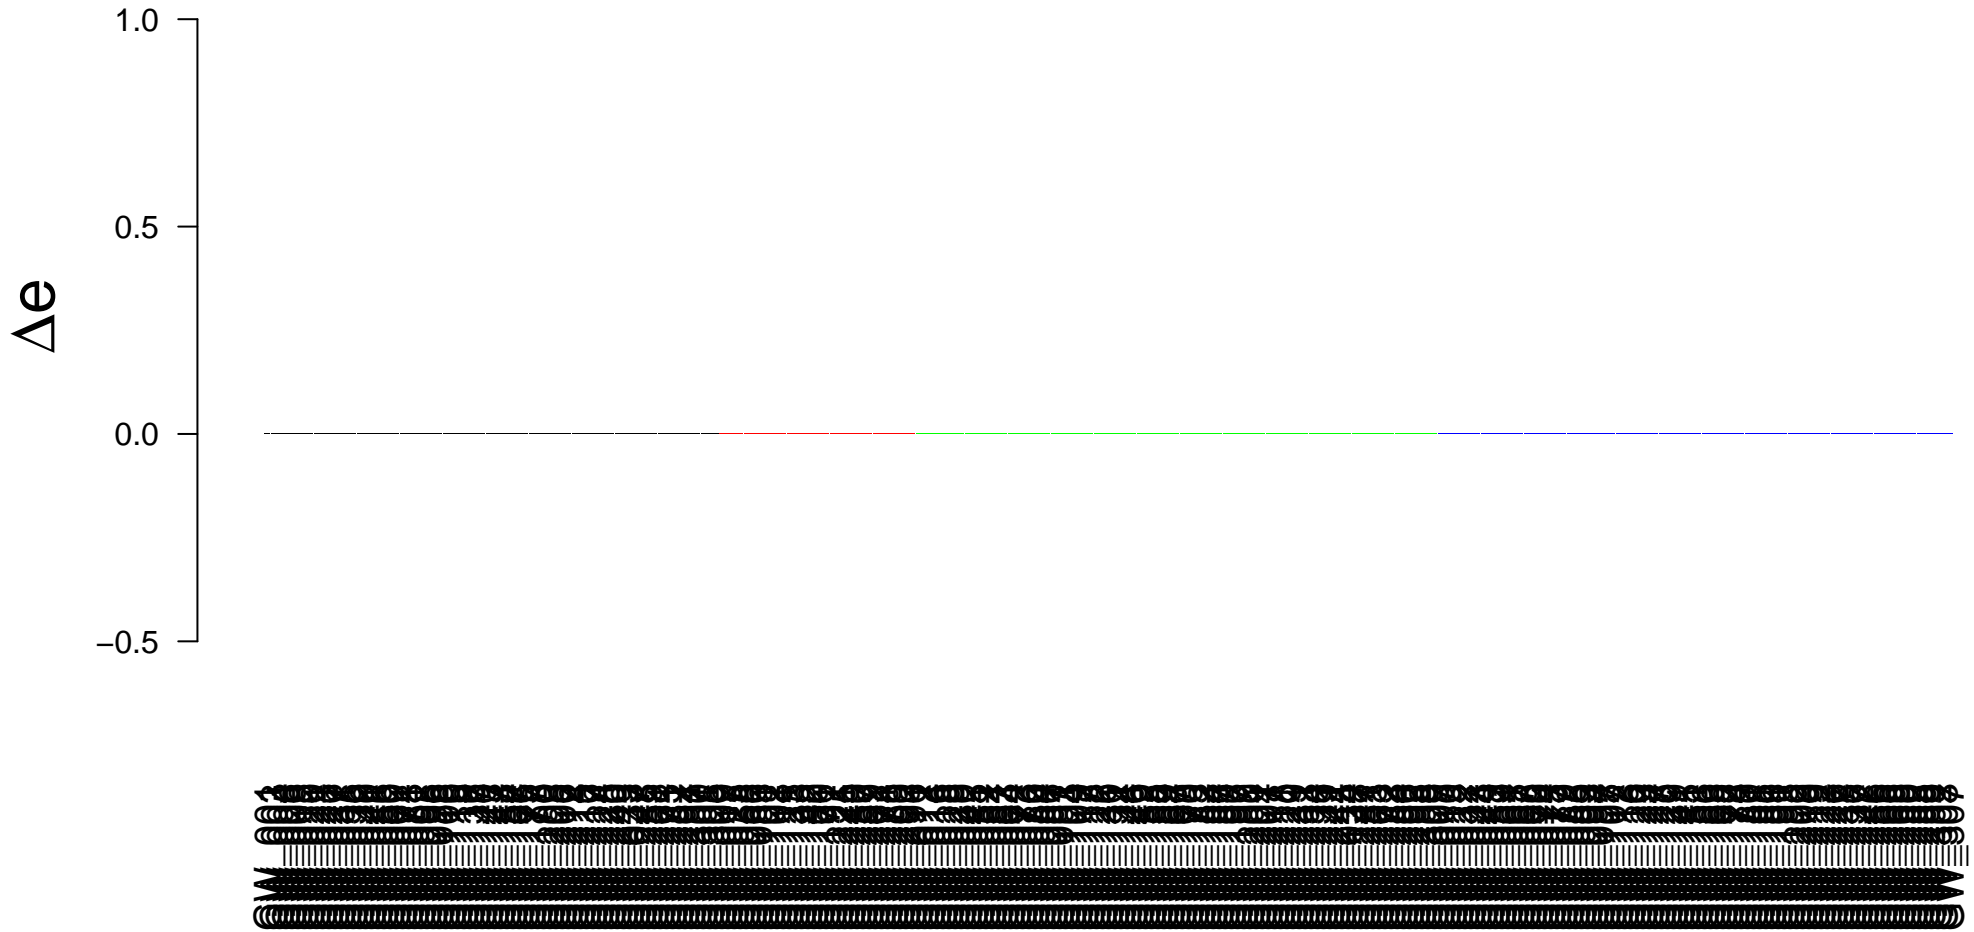

Expression of response to food in Spot L

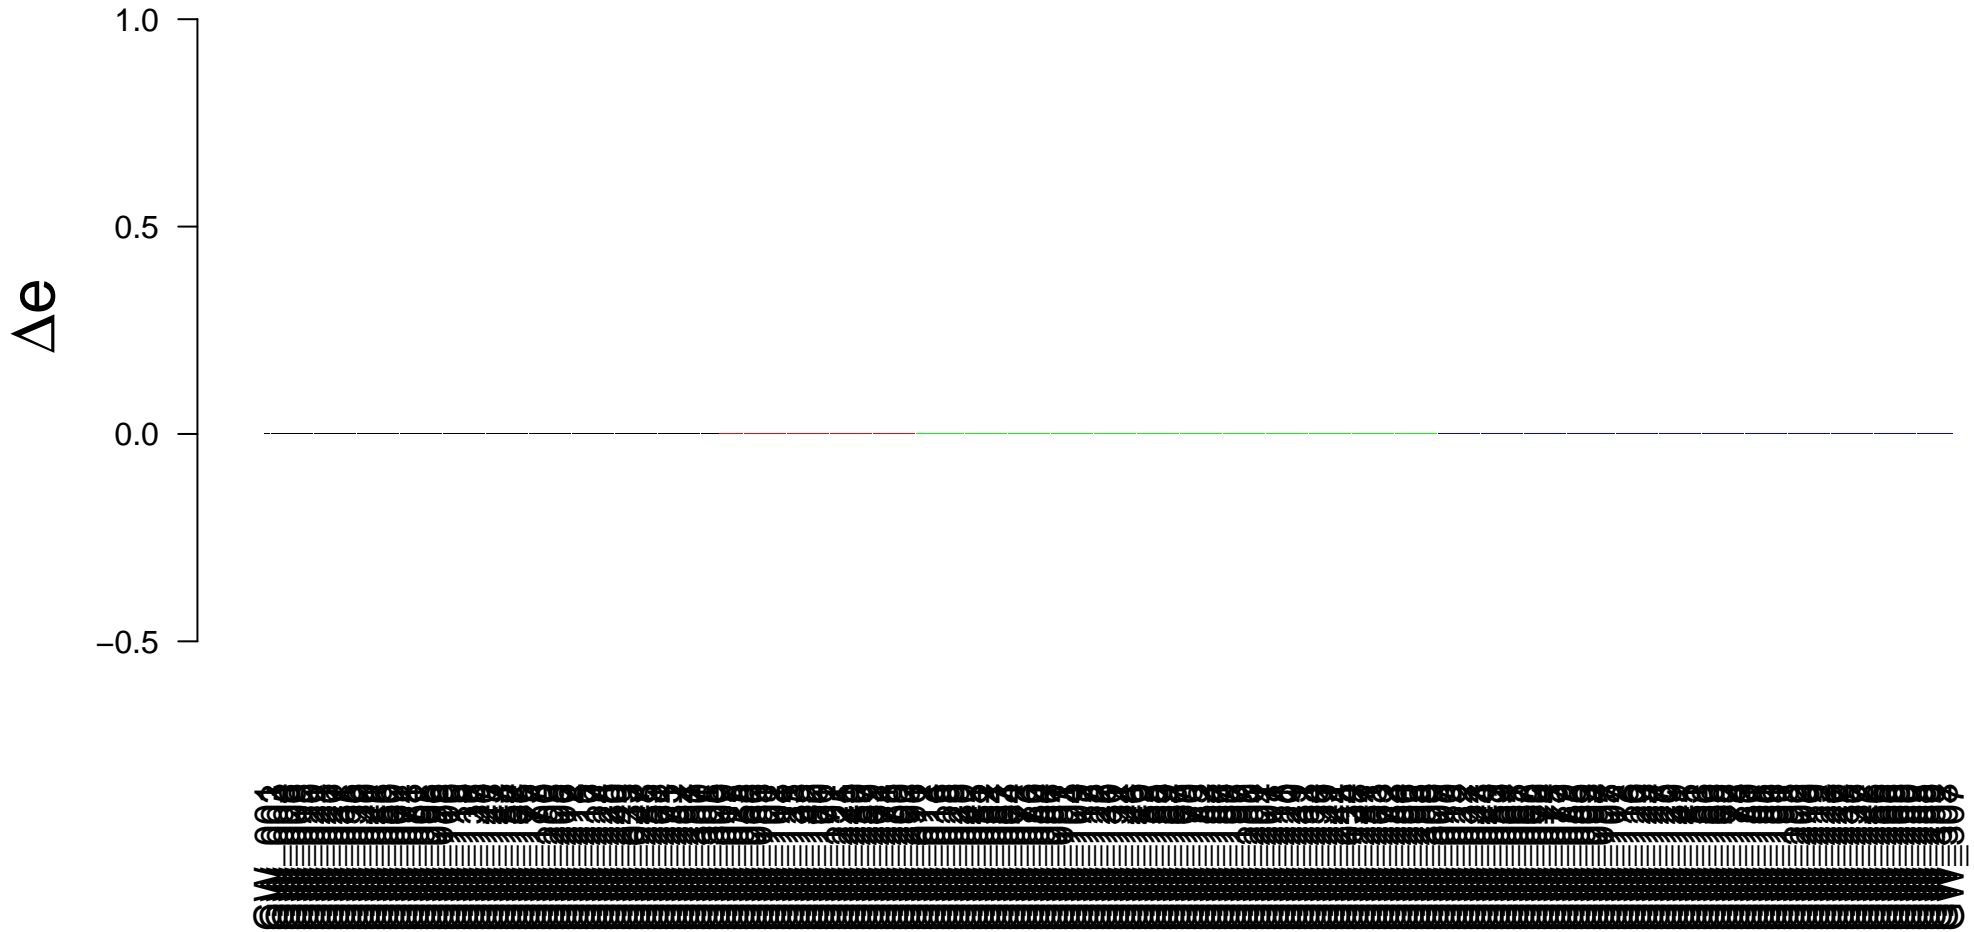

Expression of response to food in Spot M

Expression of response to food in Spot N

Expression of response to food in Spot O

Expression of response to food in Spot P
