

response to growth factor

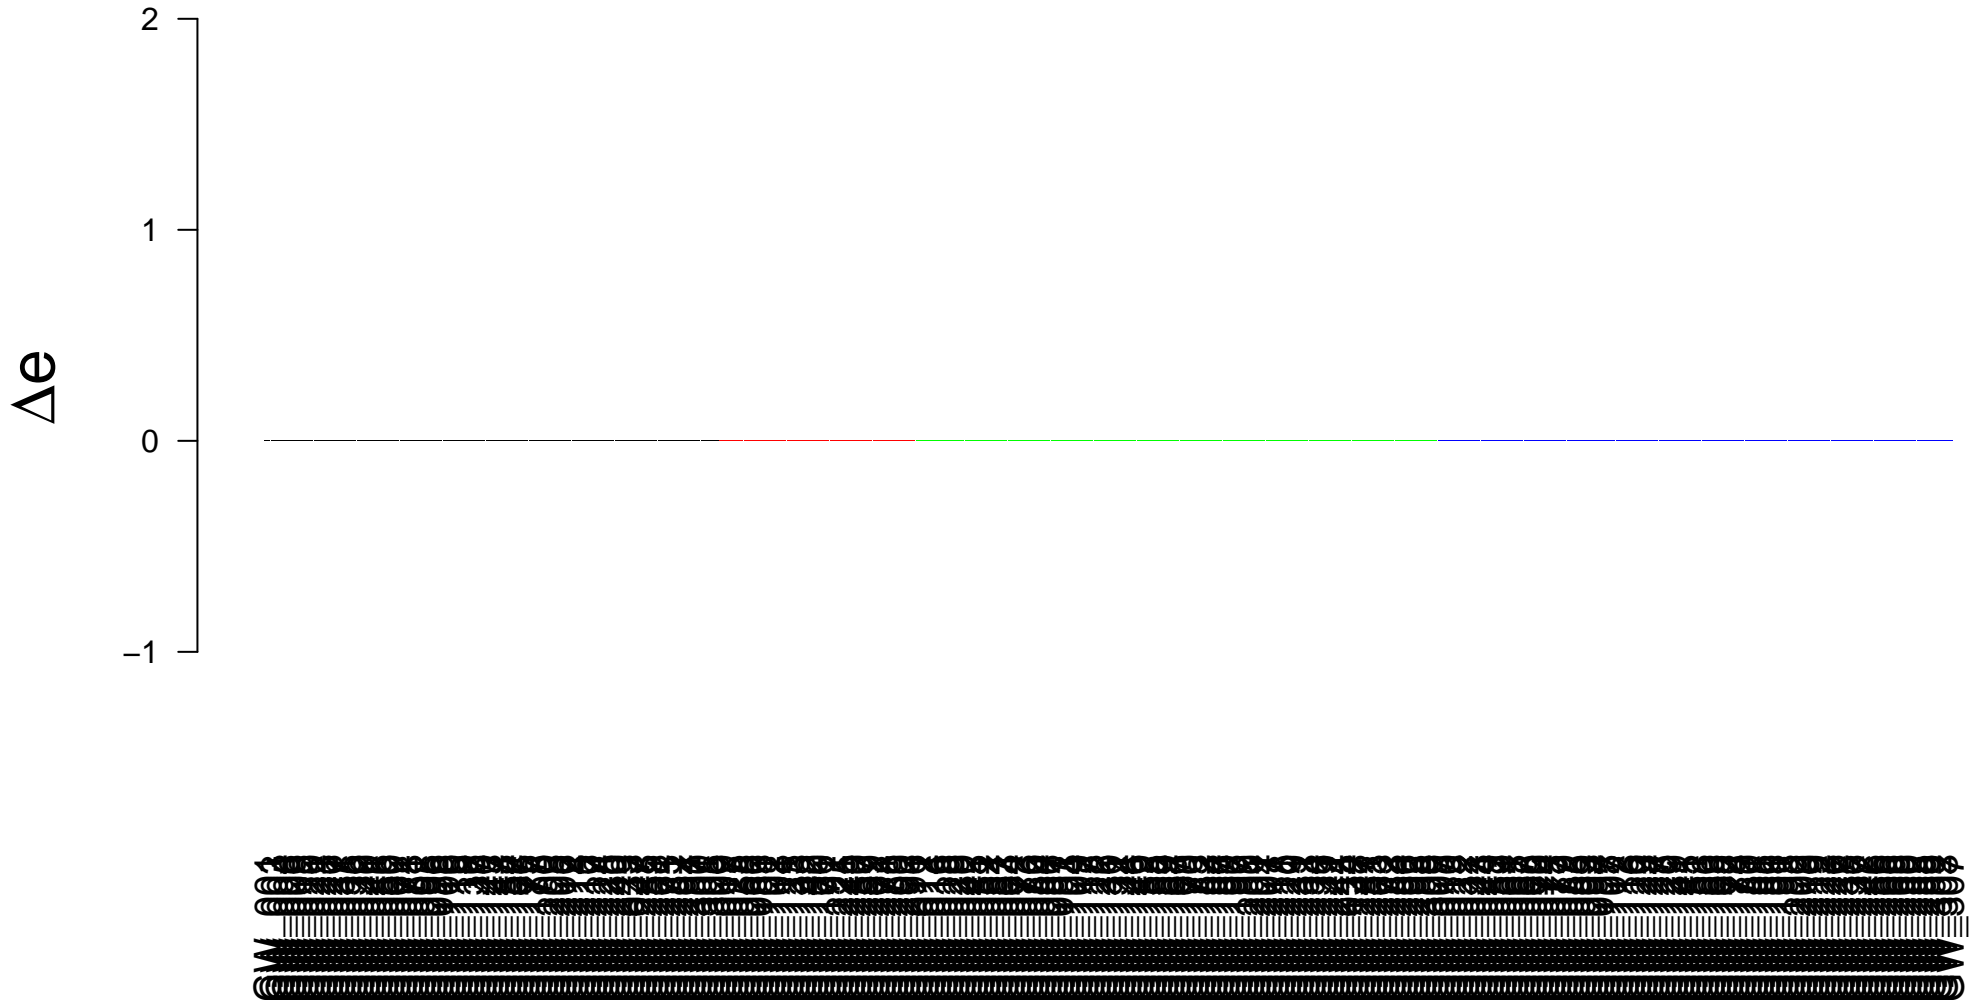

# response to growth factor

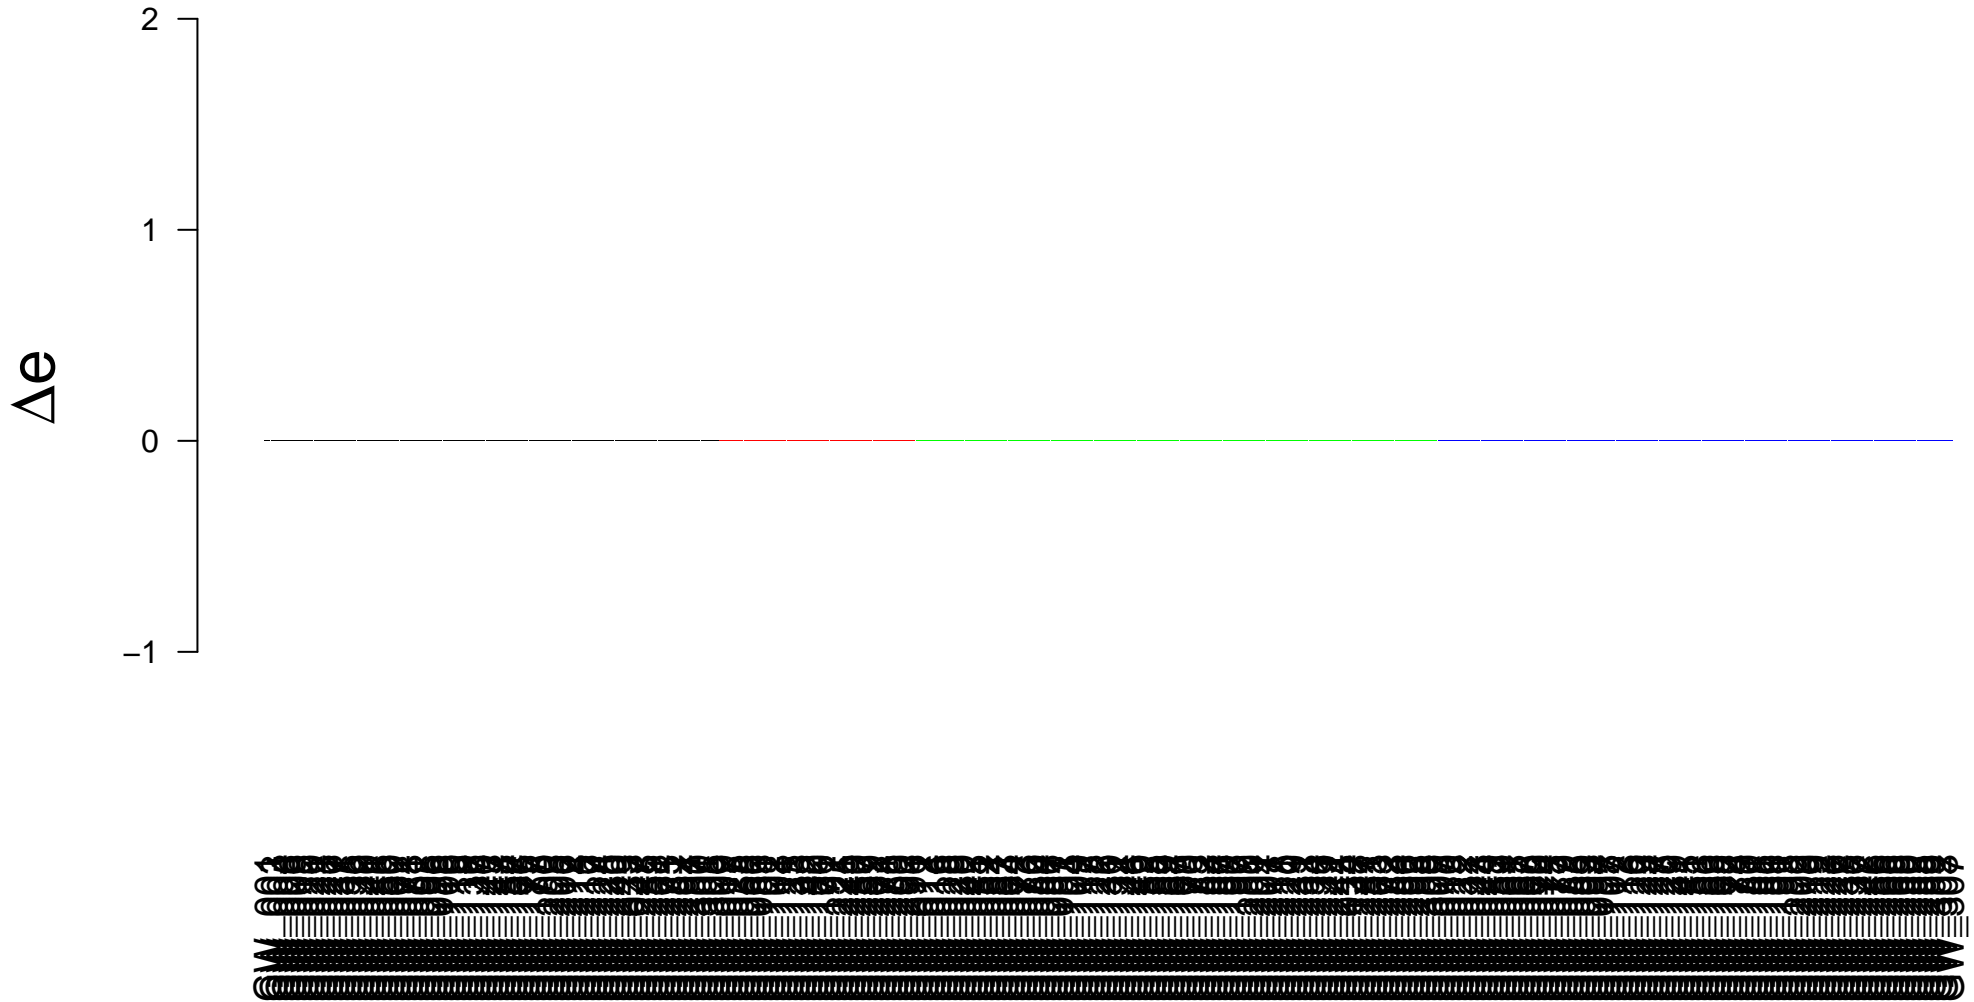

# Enrichment in spots: response to growth factor

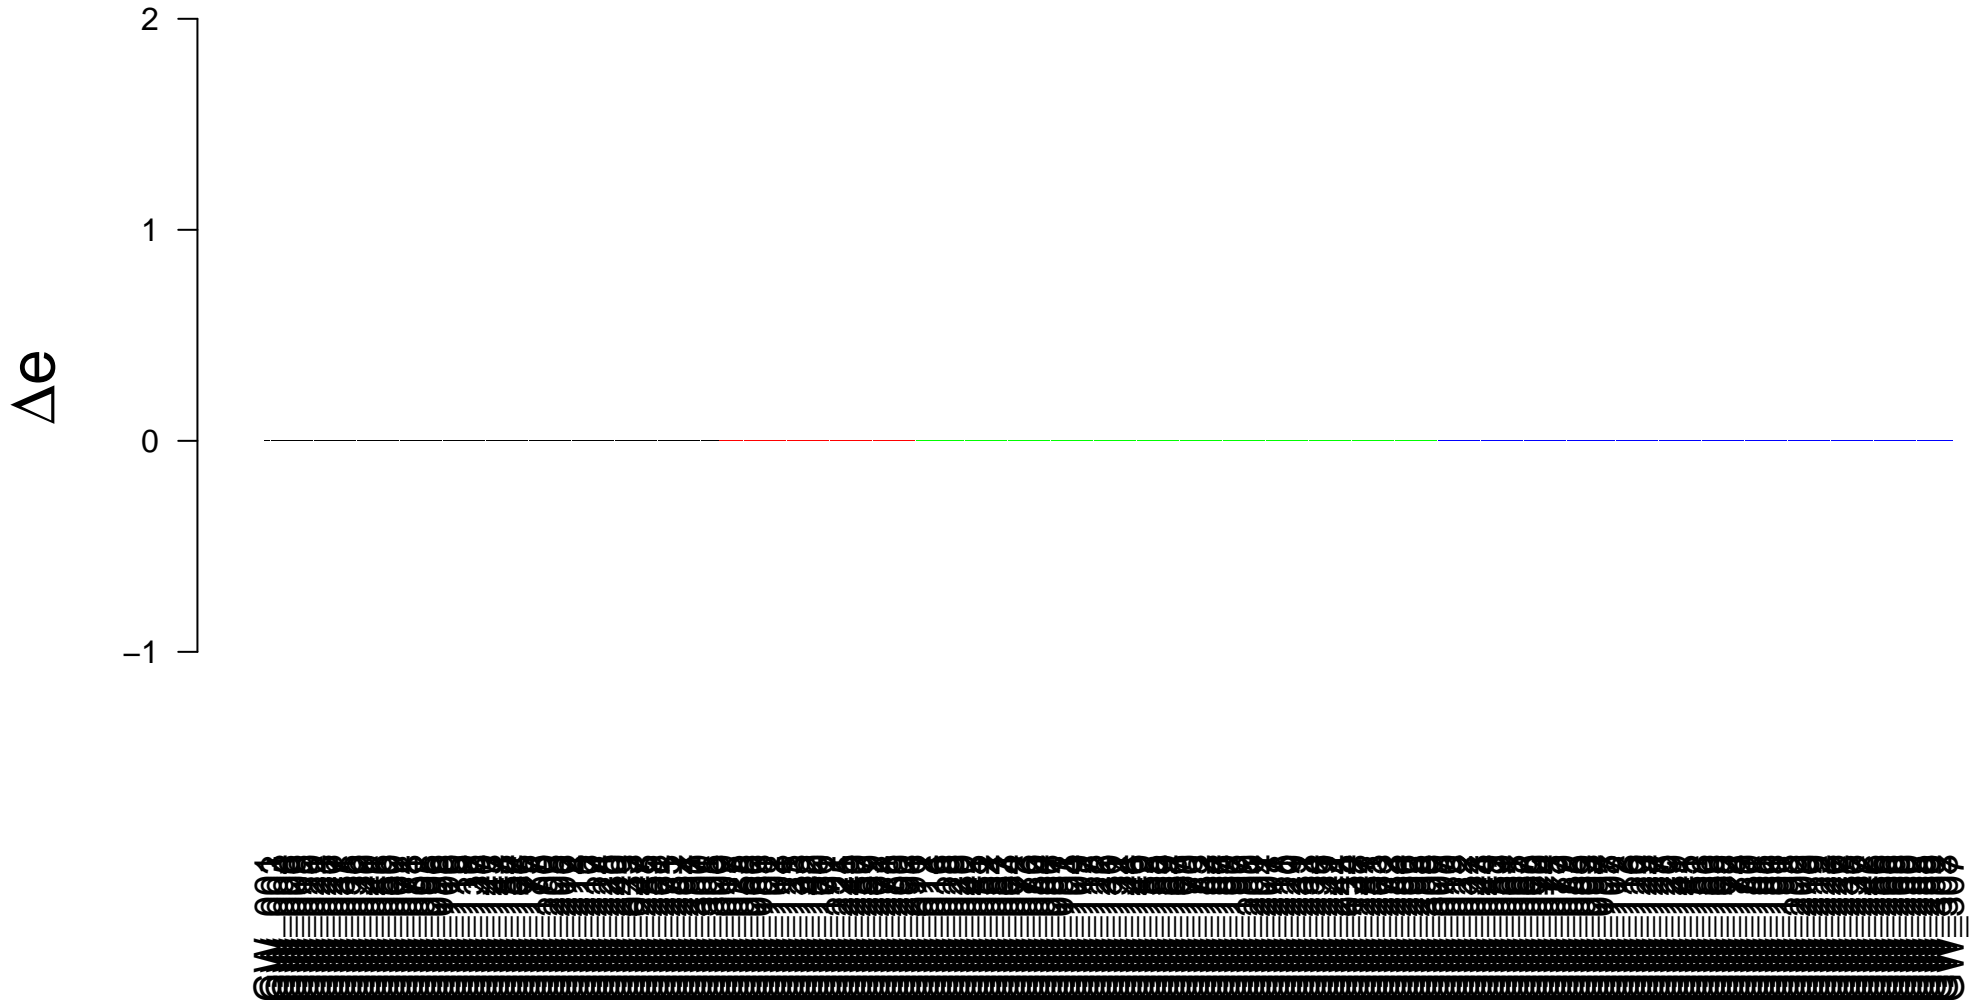

# Expression of response to growth factor in Spot A

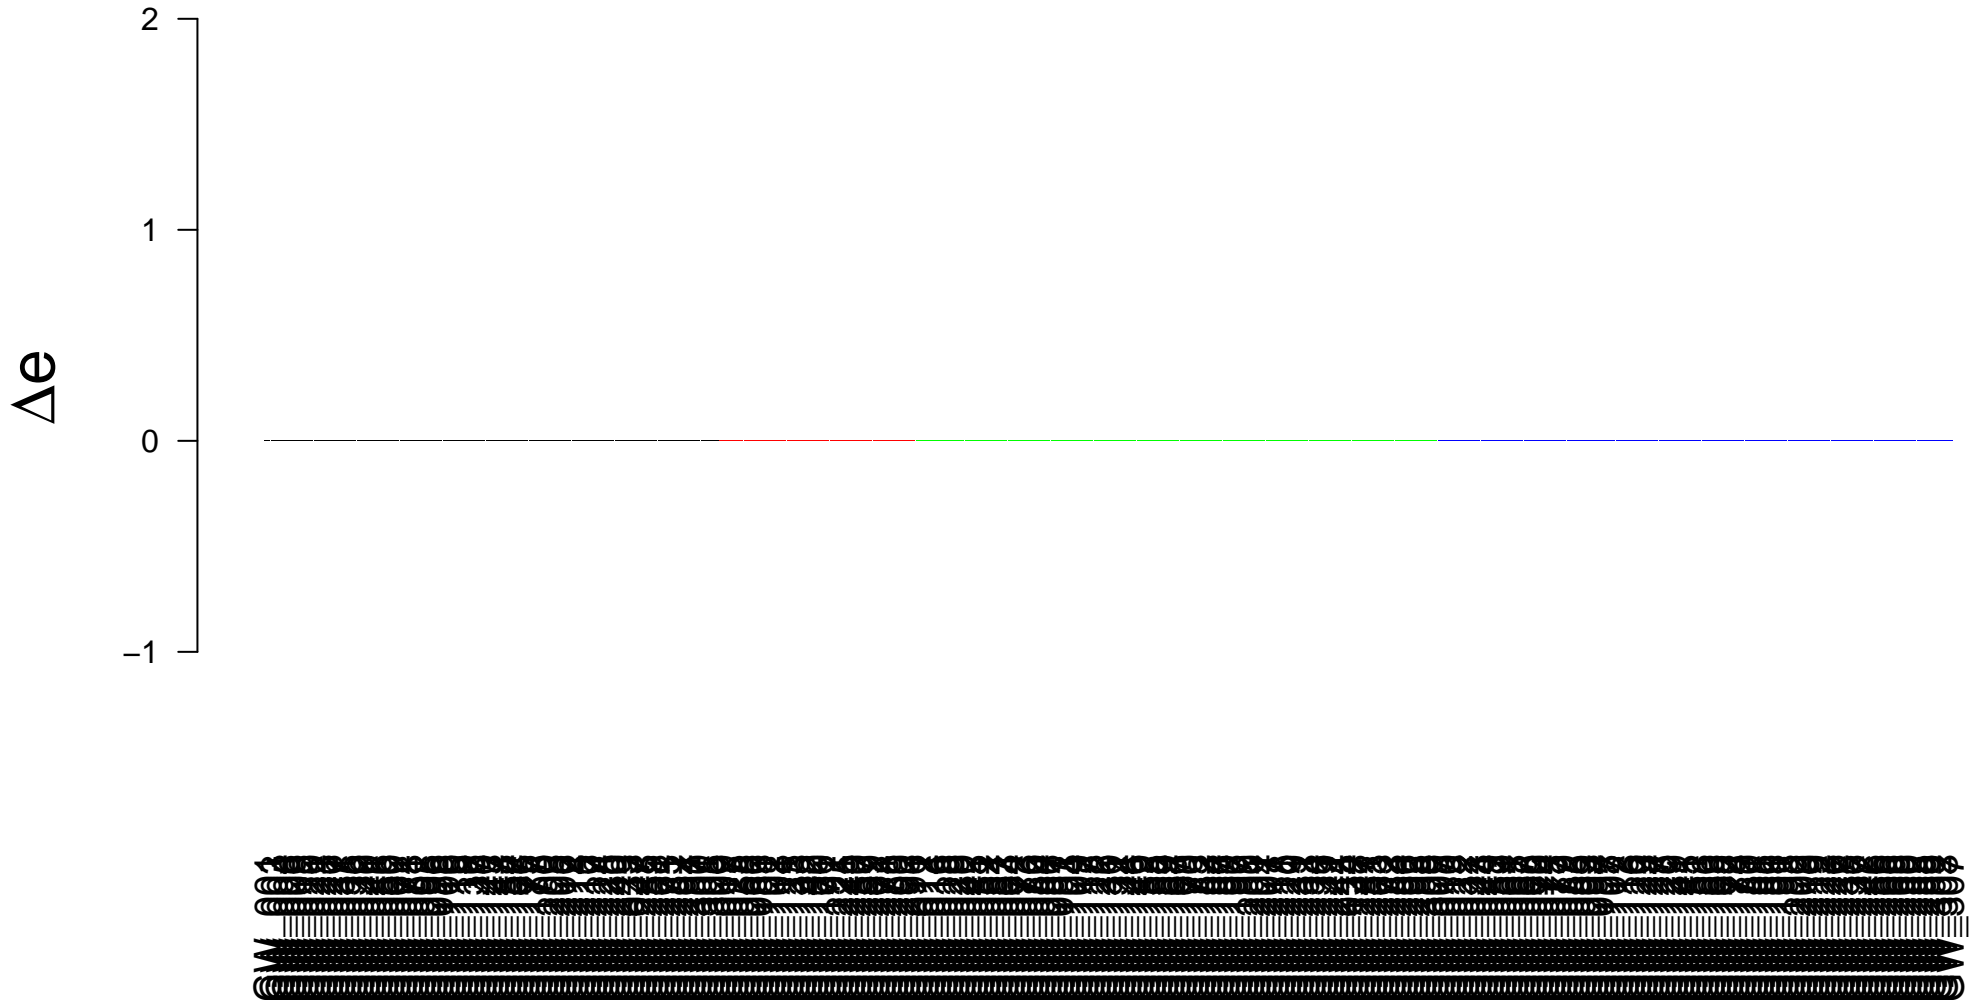

# Expression of response to growth factor in Spot B

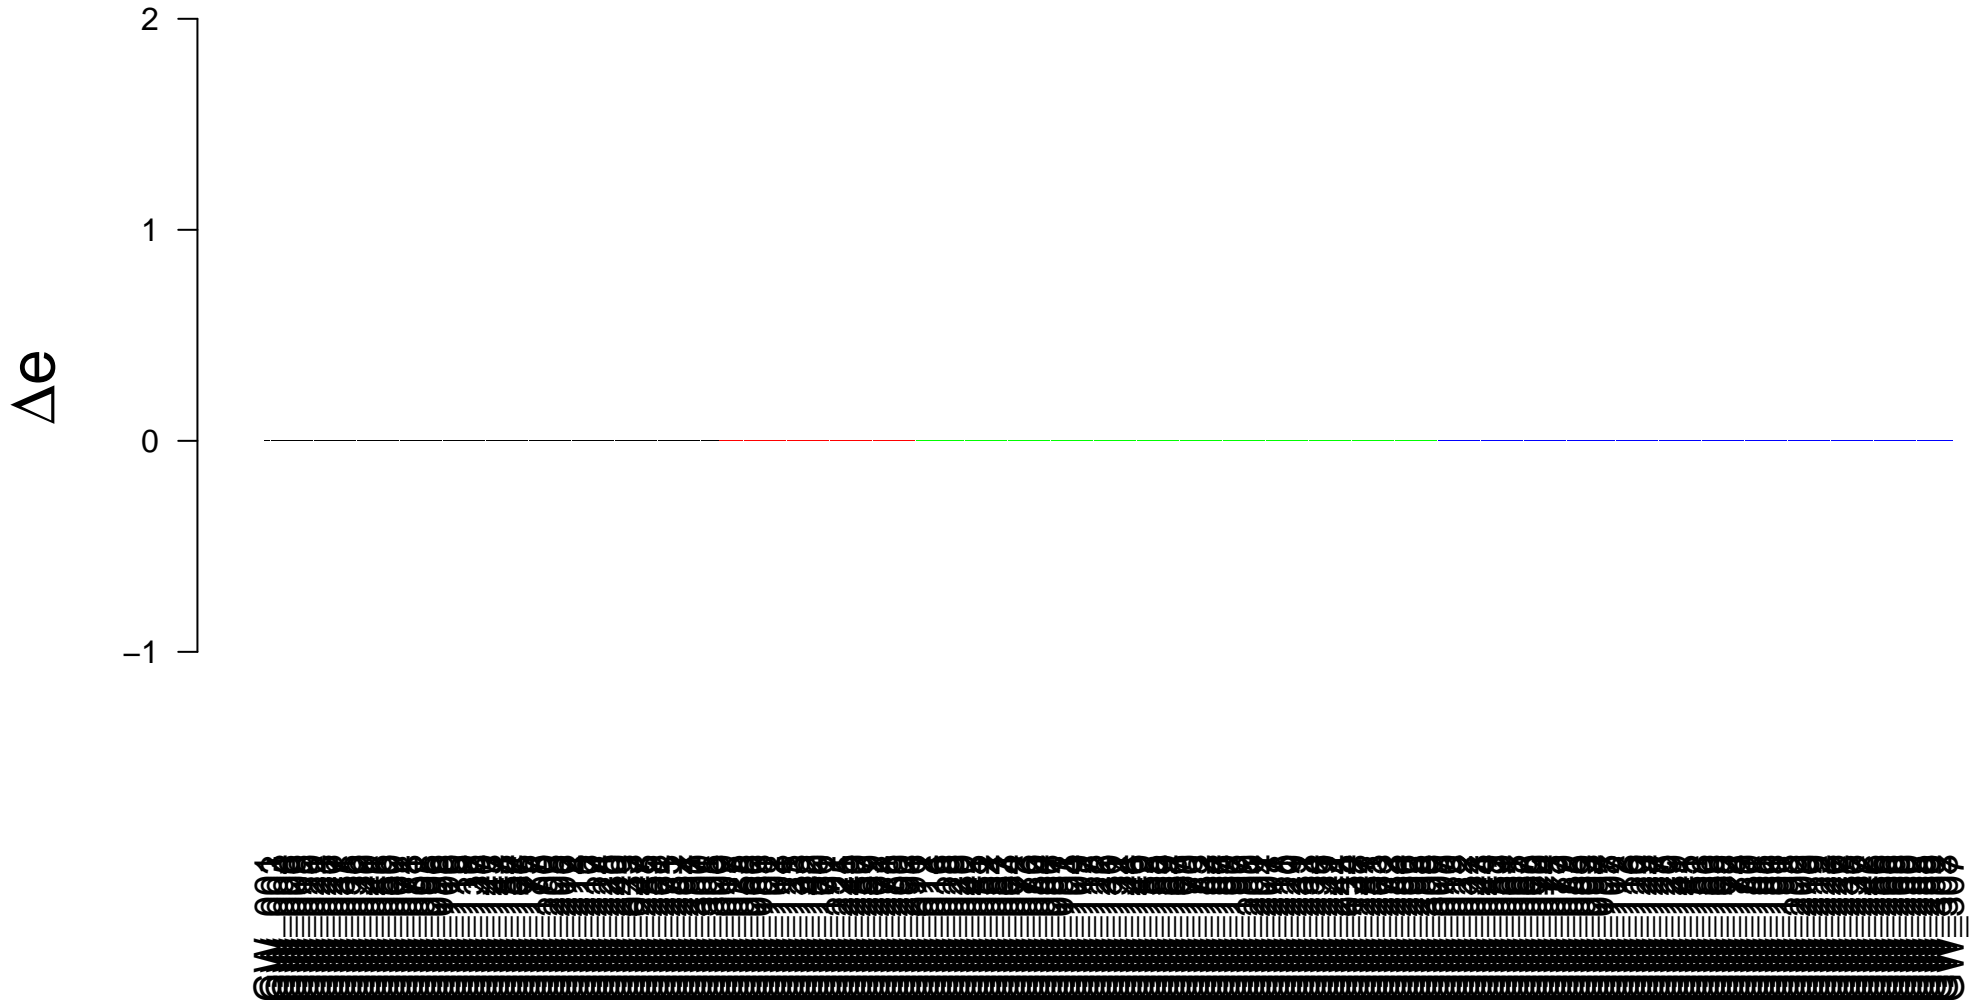

# Expression of response to growth factor in Spot C

# Expression of response to growth factor in Spot D

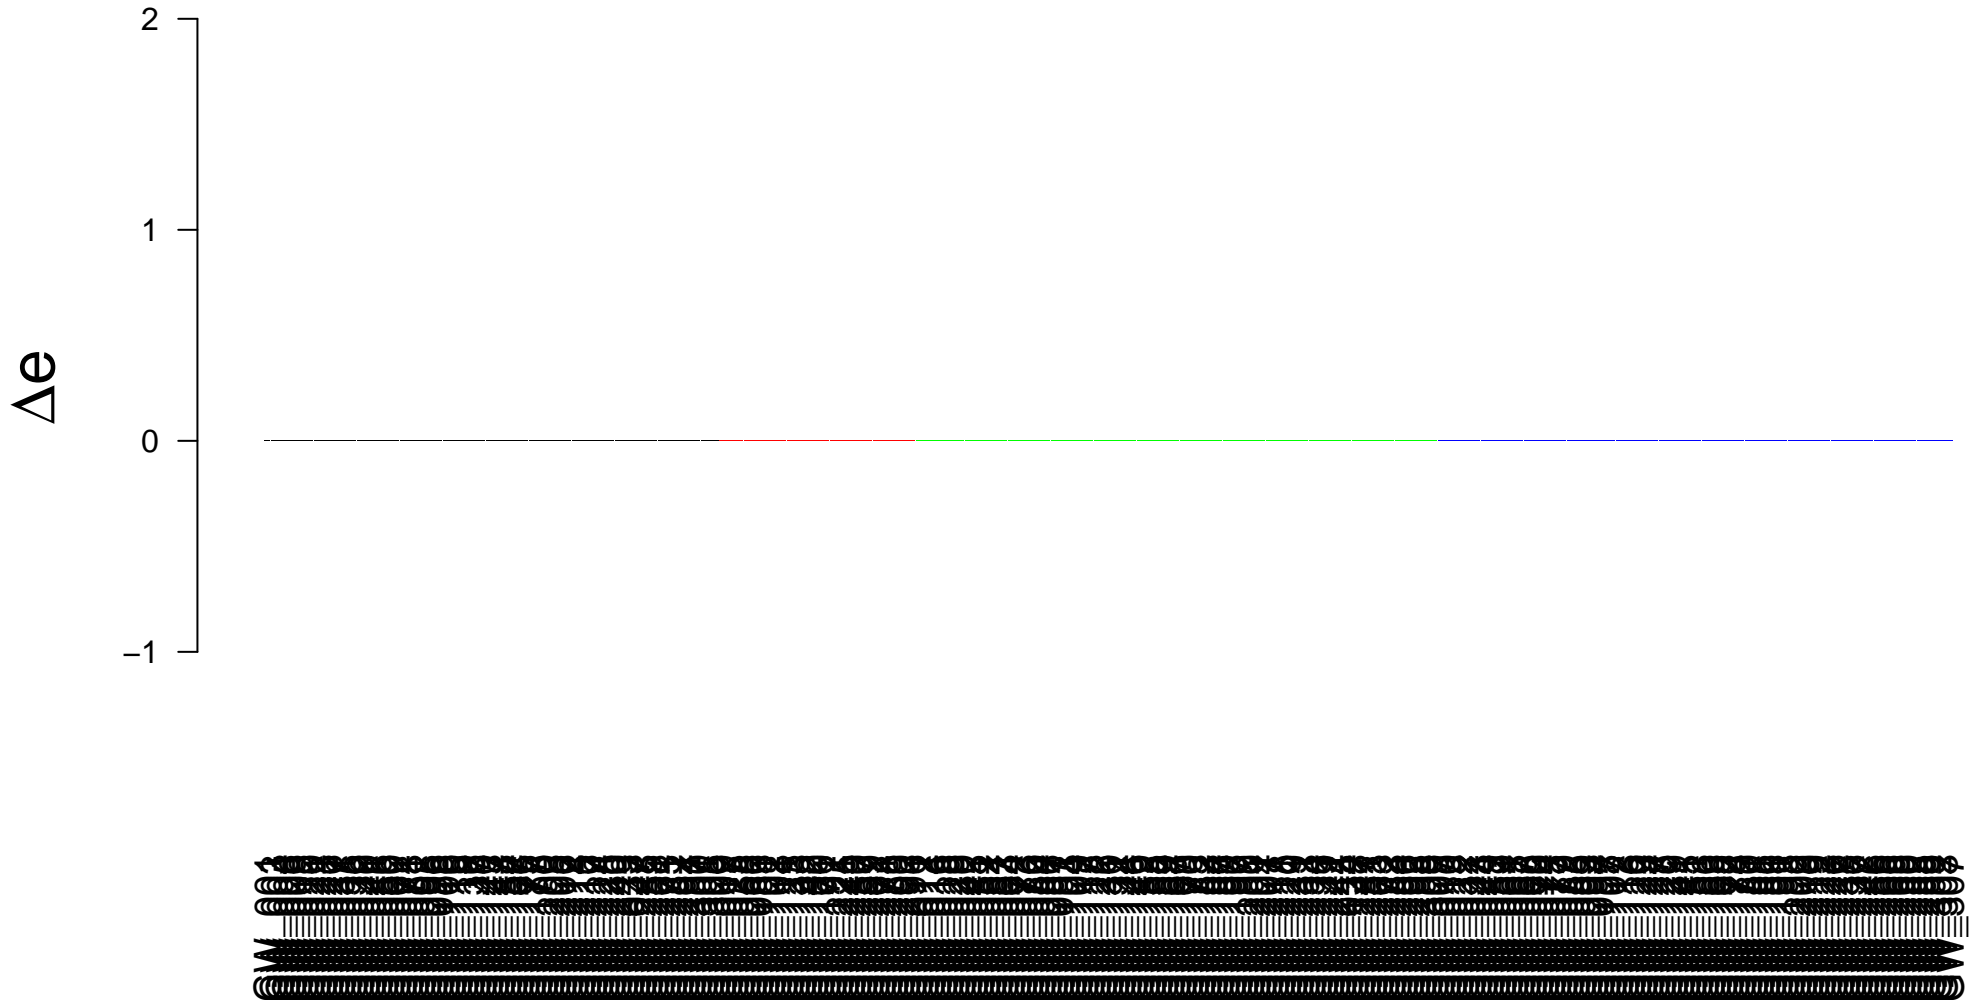

# Expression of response to growth factor in Spot E

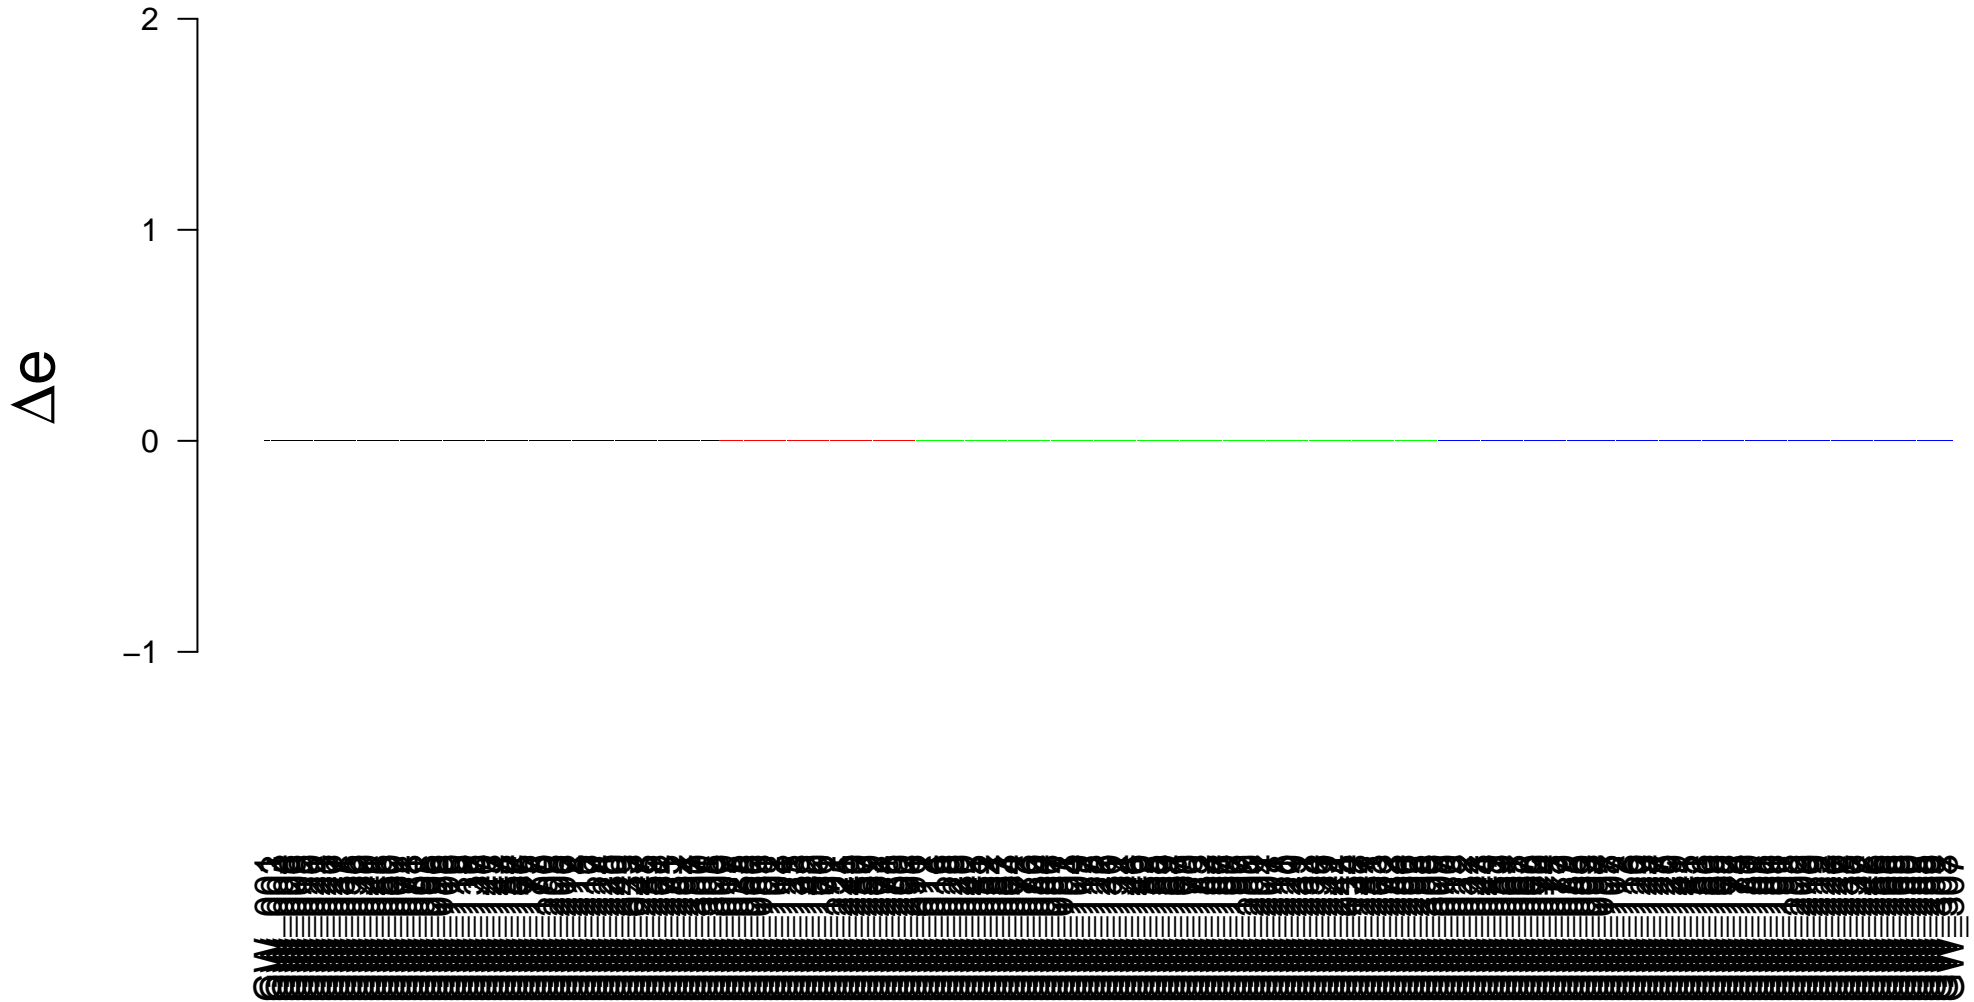

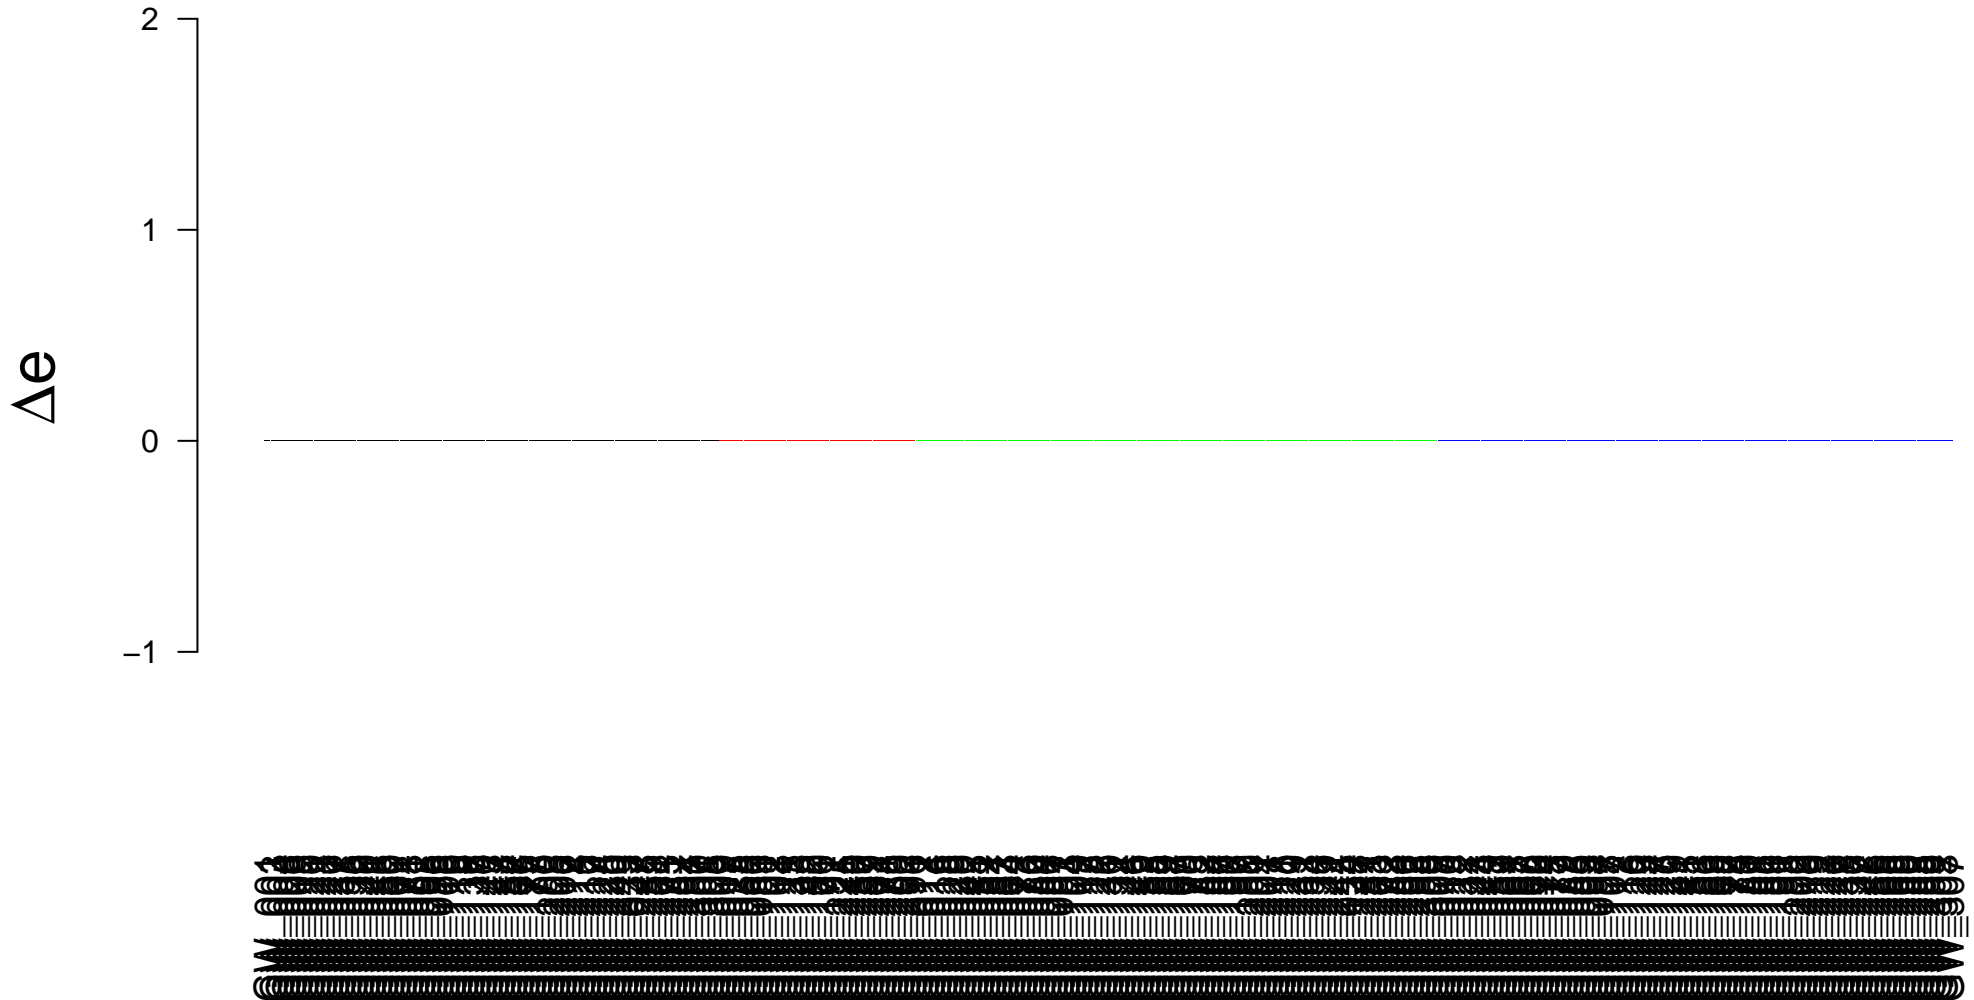

# Expression of response to growth factor in Spot F

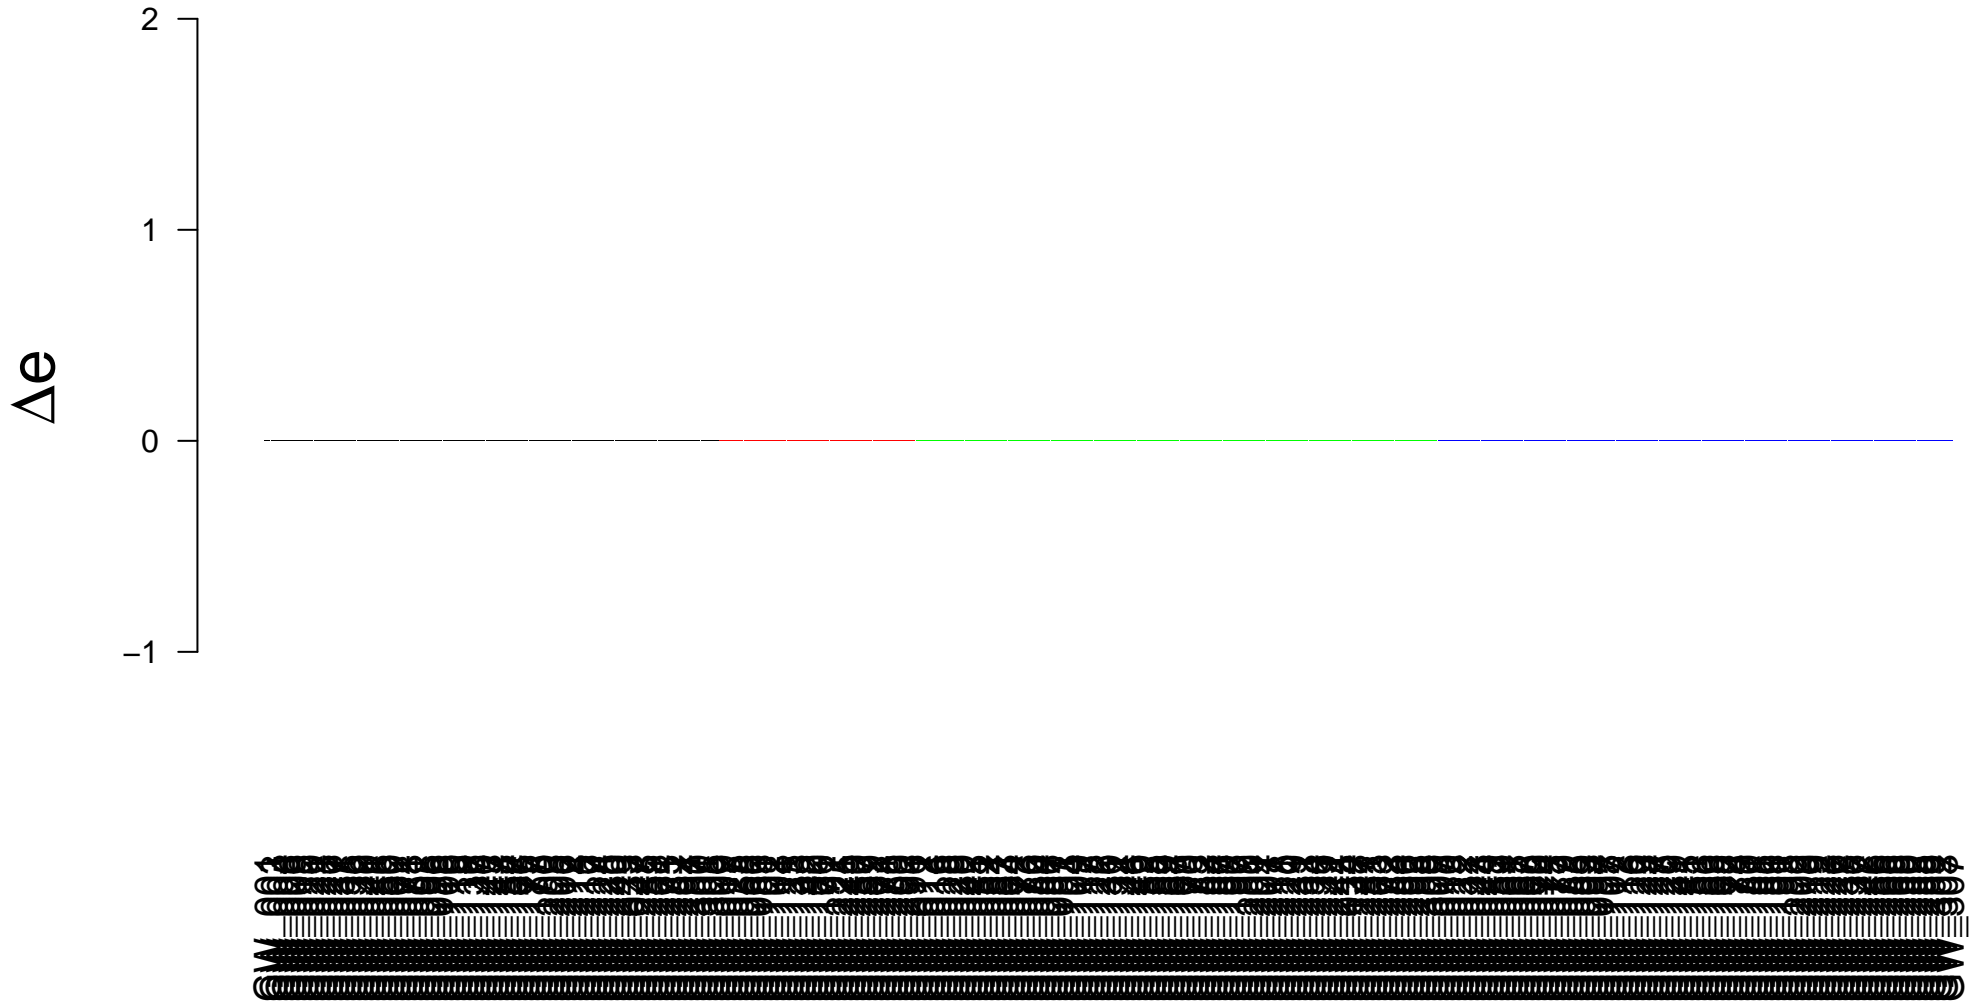

# Expression of response to growth factor in Spot G

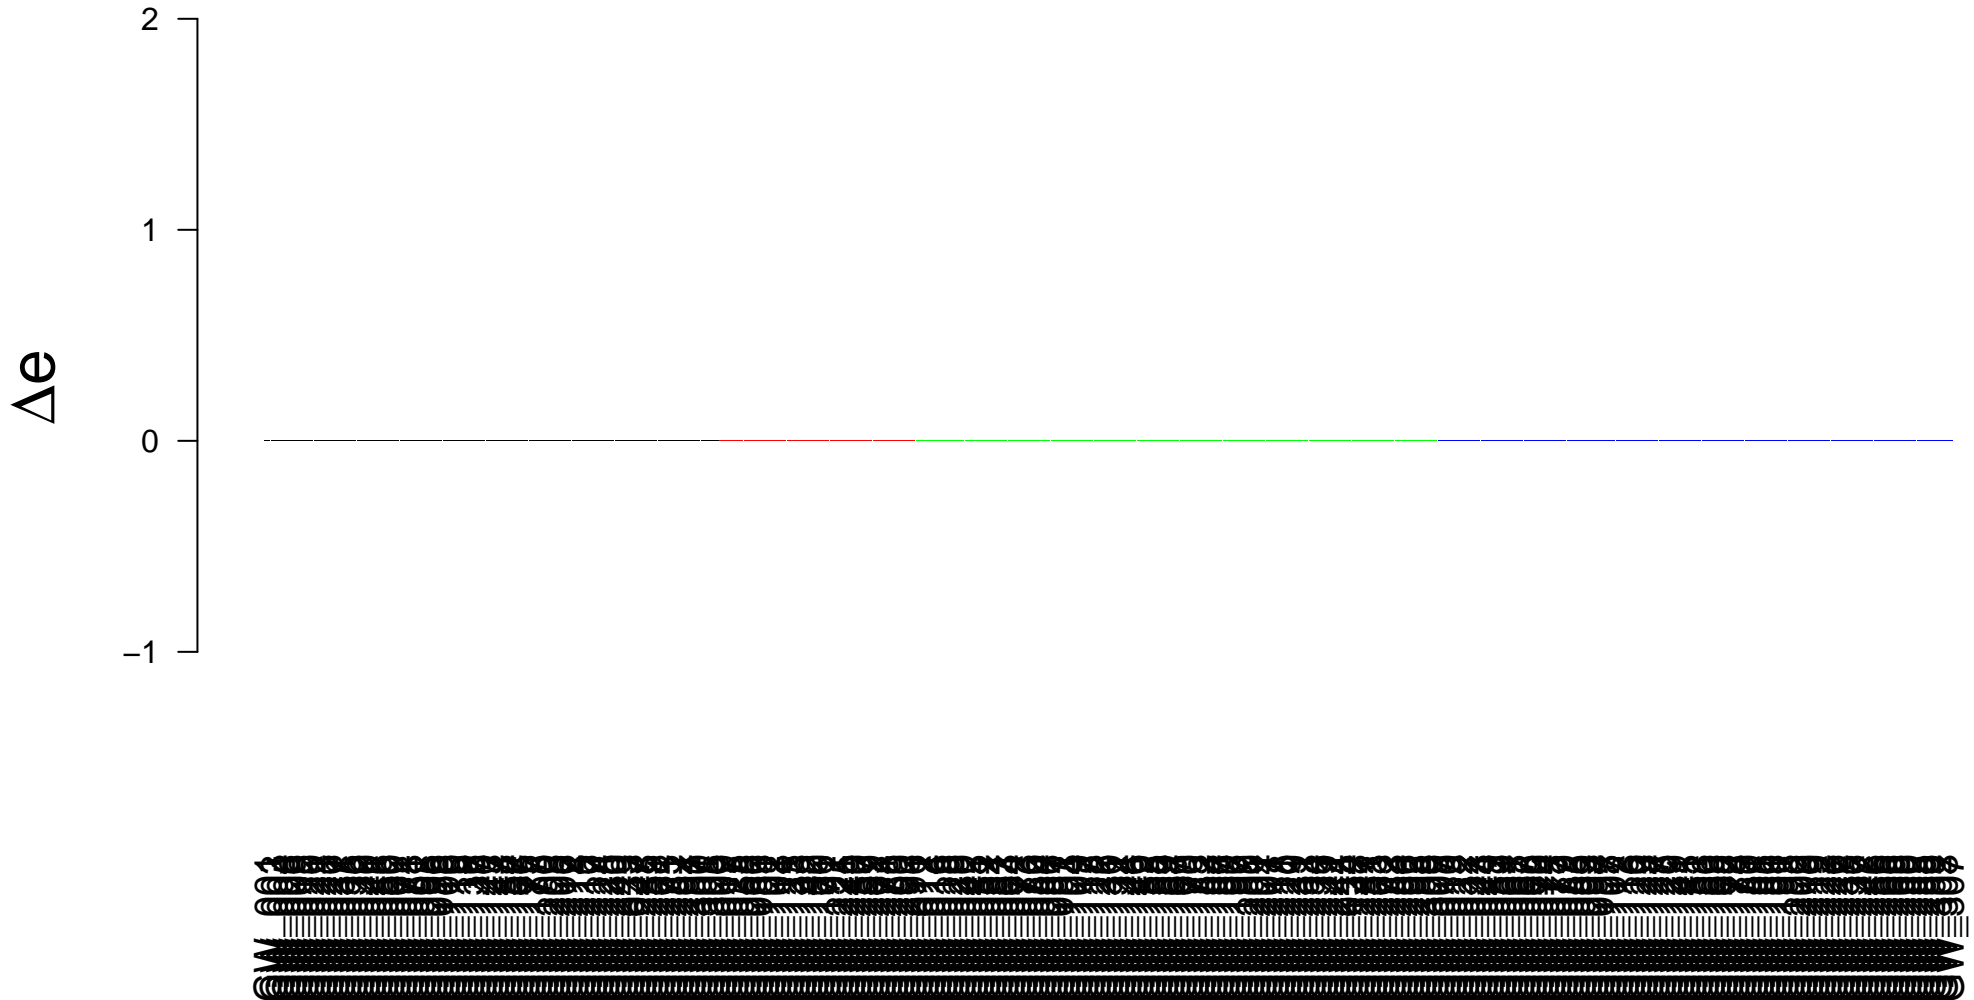

# Expression of response to growth factor in Spot H

# Expression of response to growth factor in Spot I

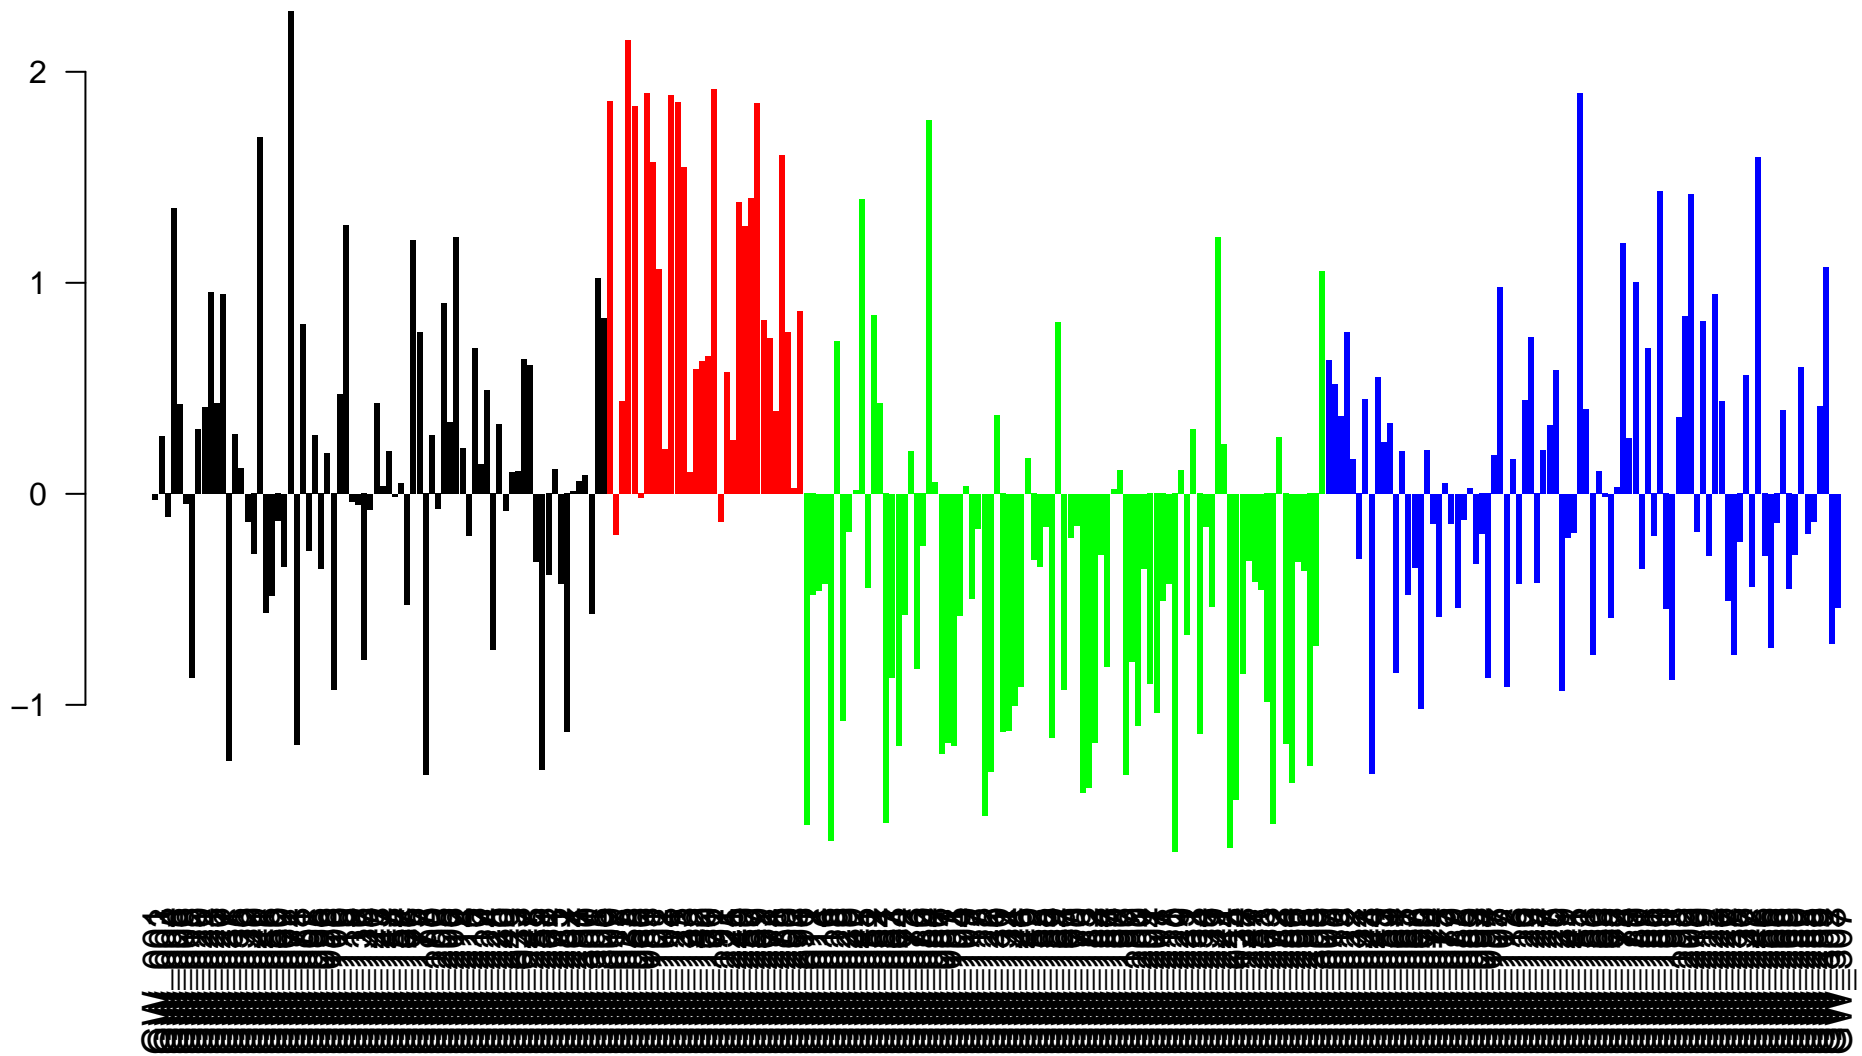

# Expression of response to growth factor in Spot J

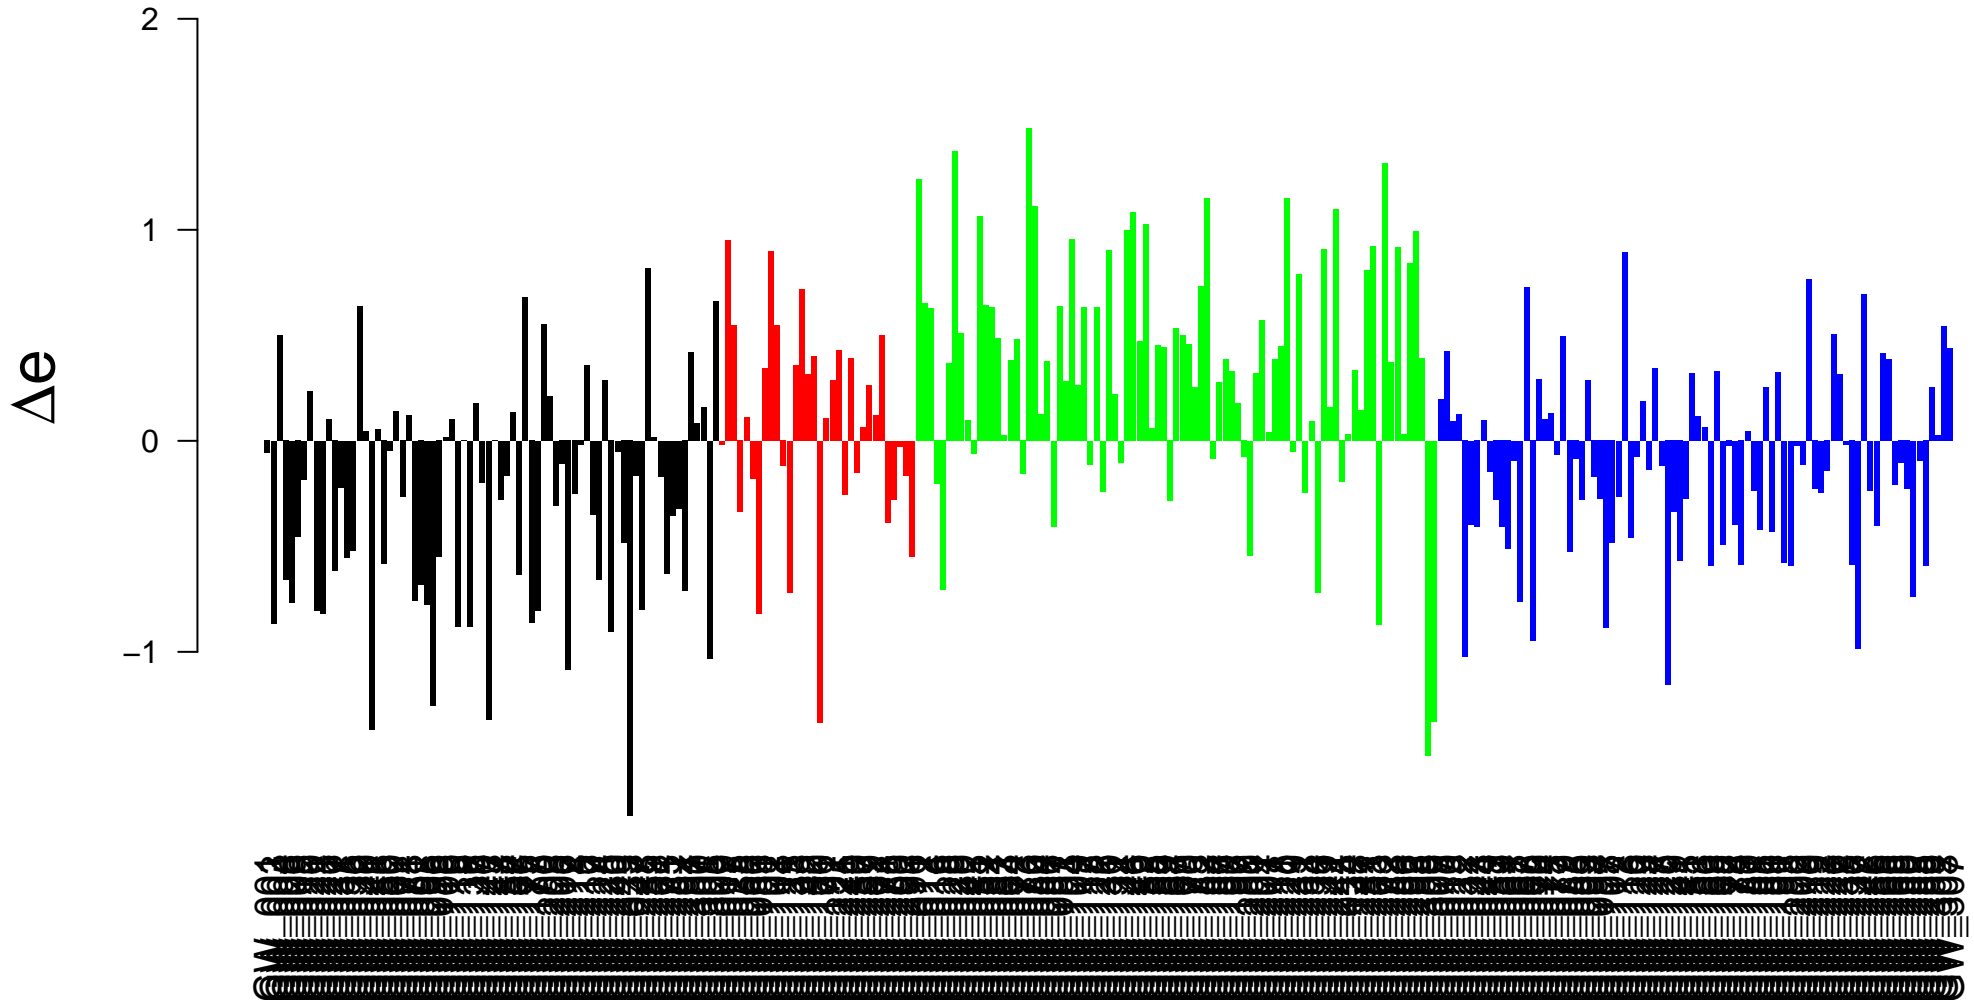

# Expression of response to growth factor in Spot K

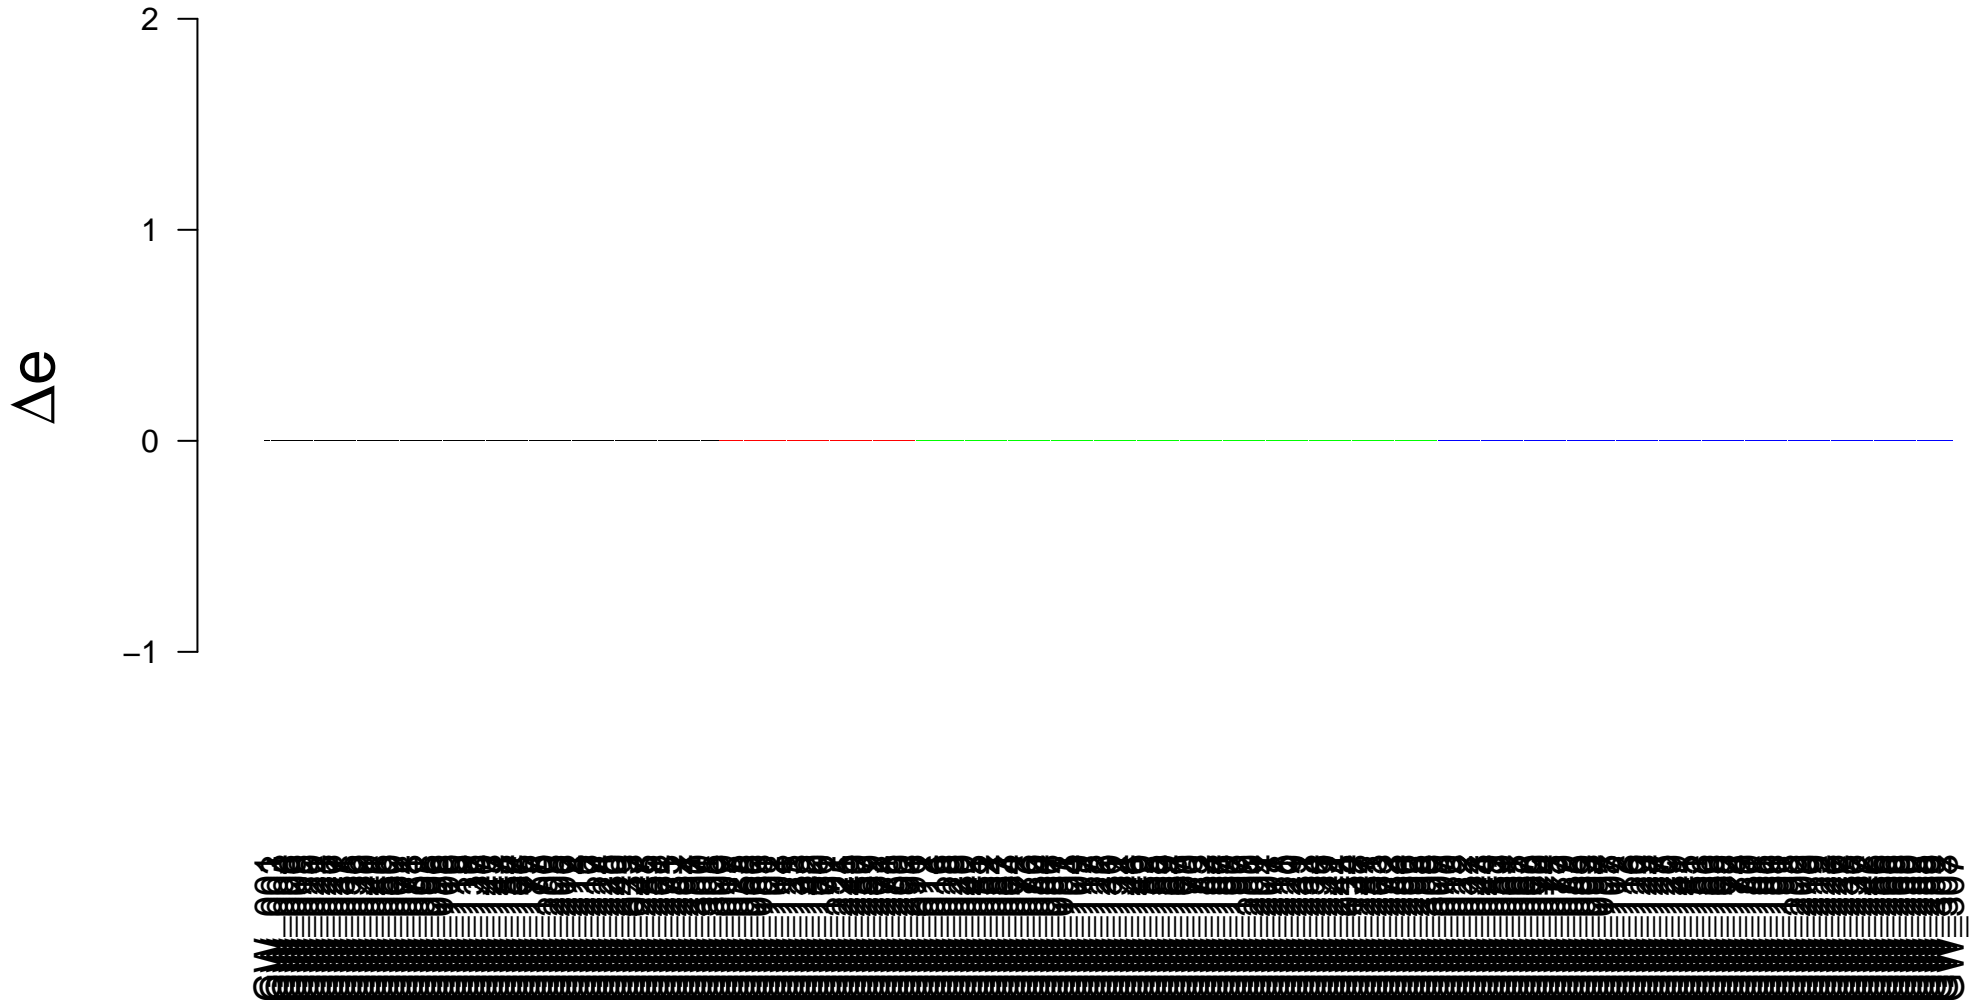

$\Delta e$

# Expression of response to growth factor in Spot L

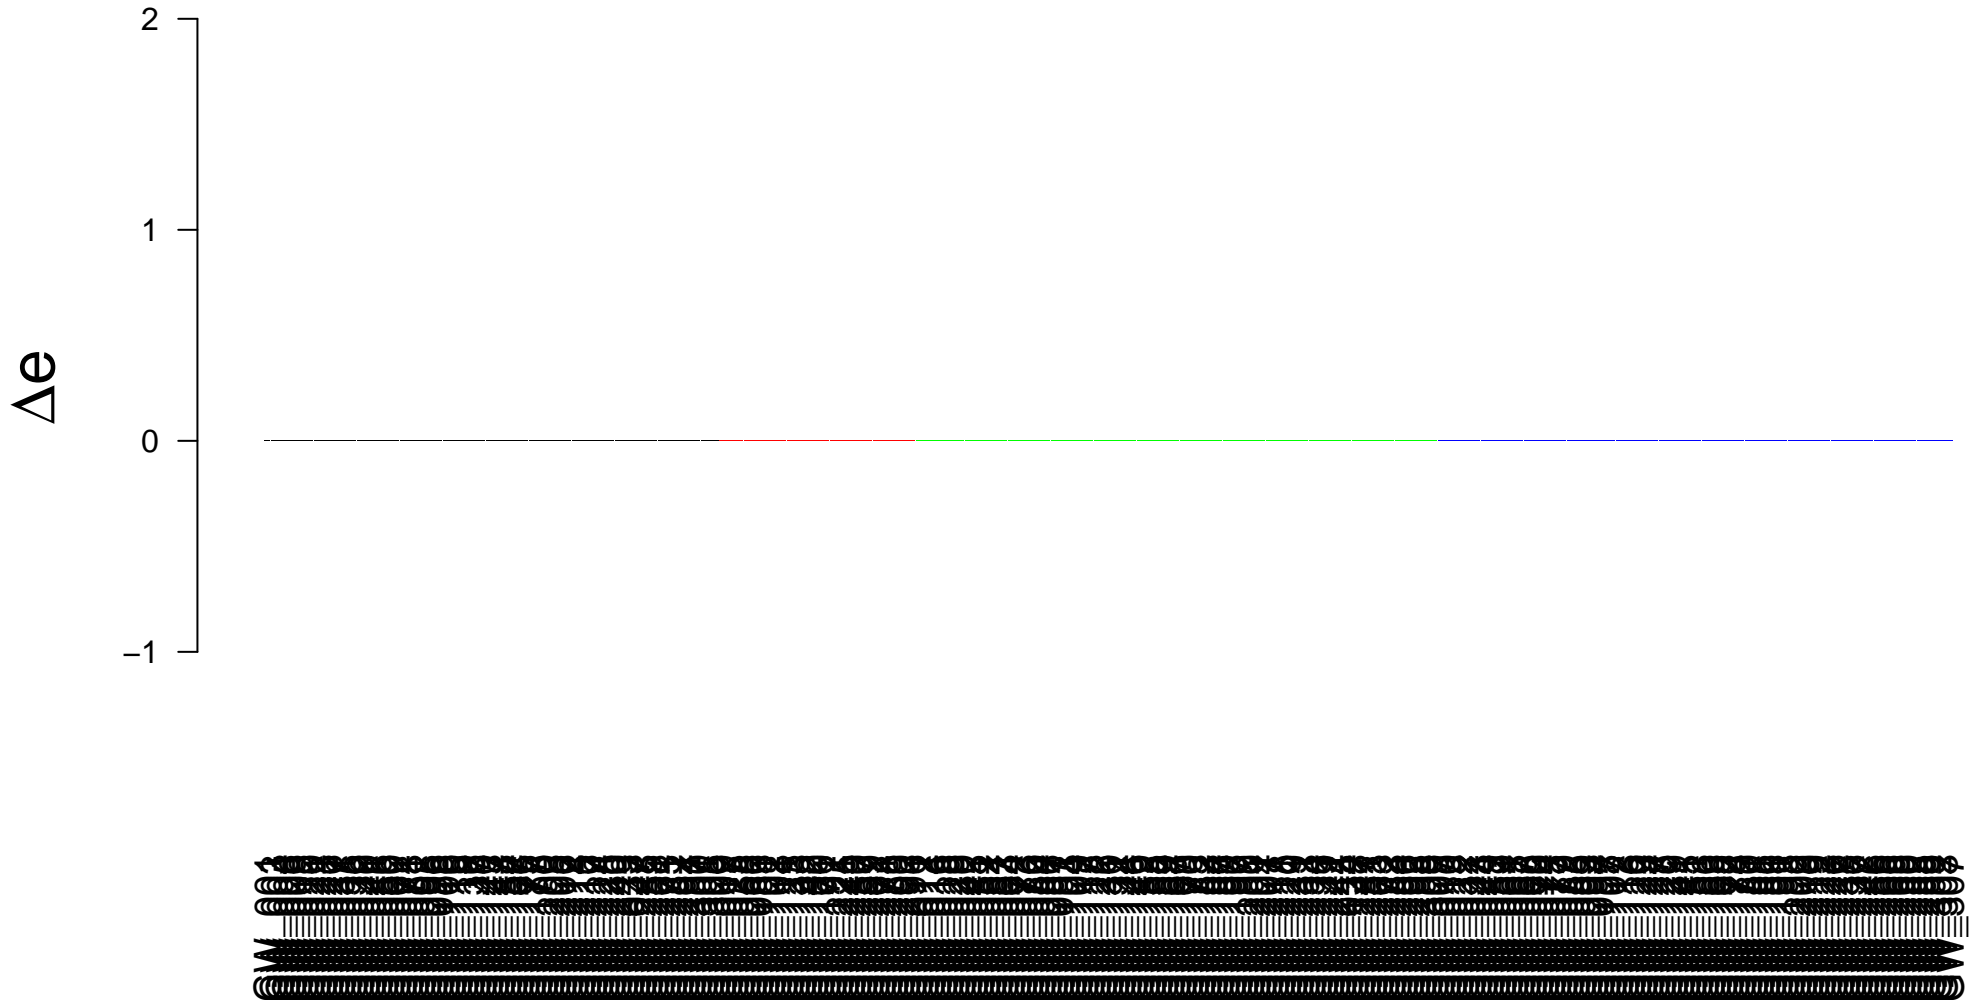

# Expression of response to growth factor in Spot M

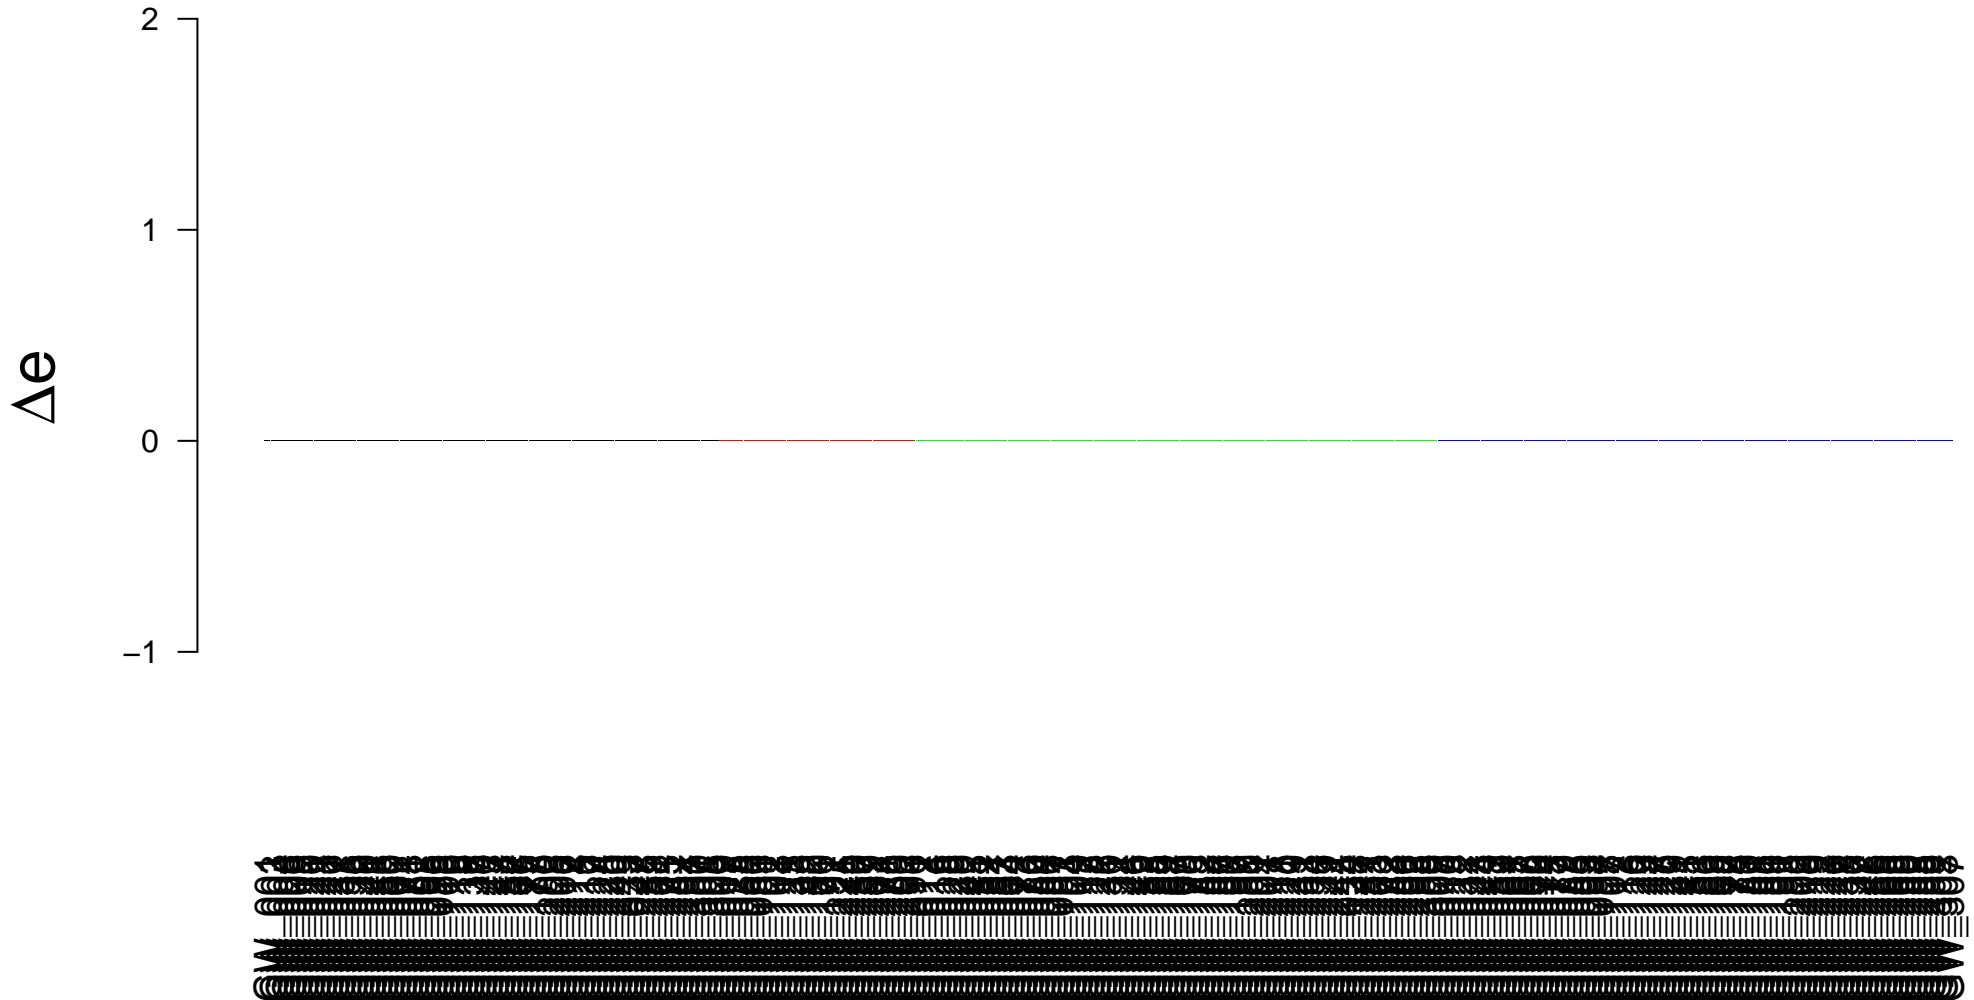

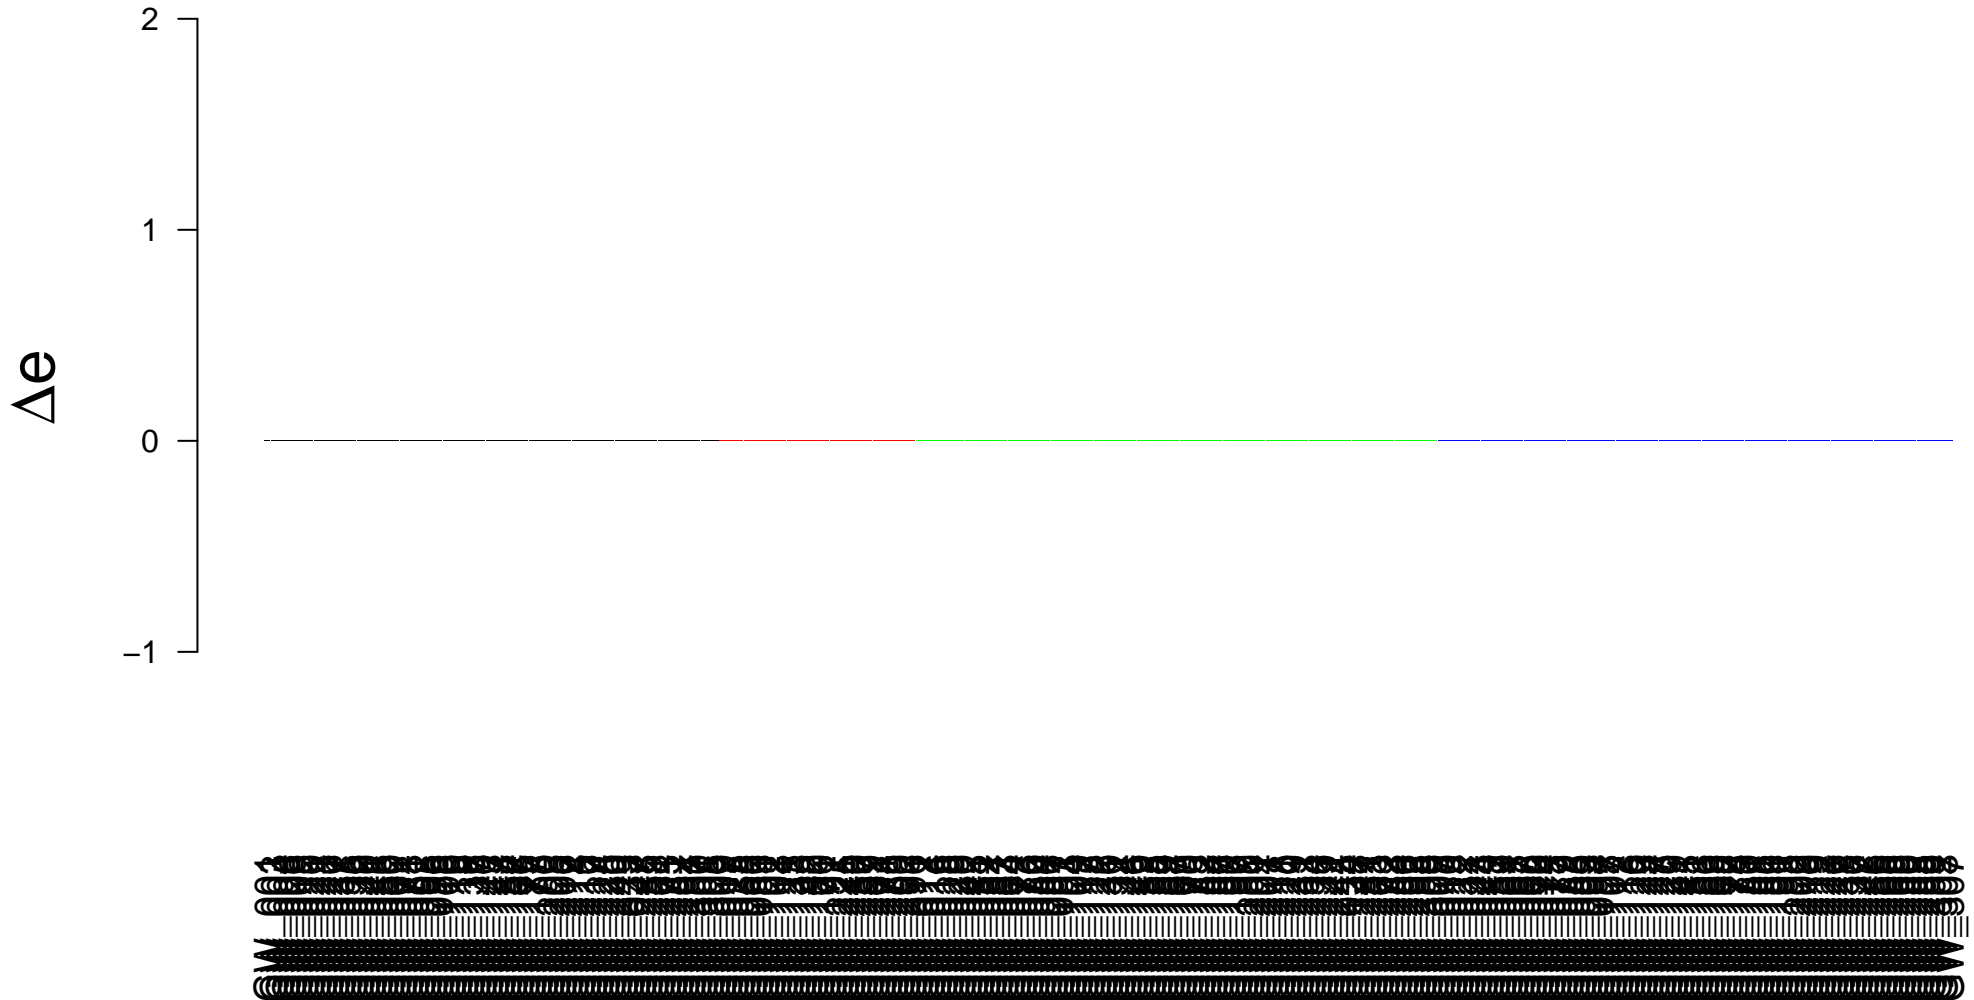

# Expression of response to growth factor in Spot N

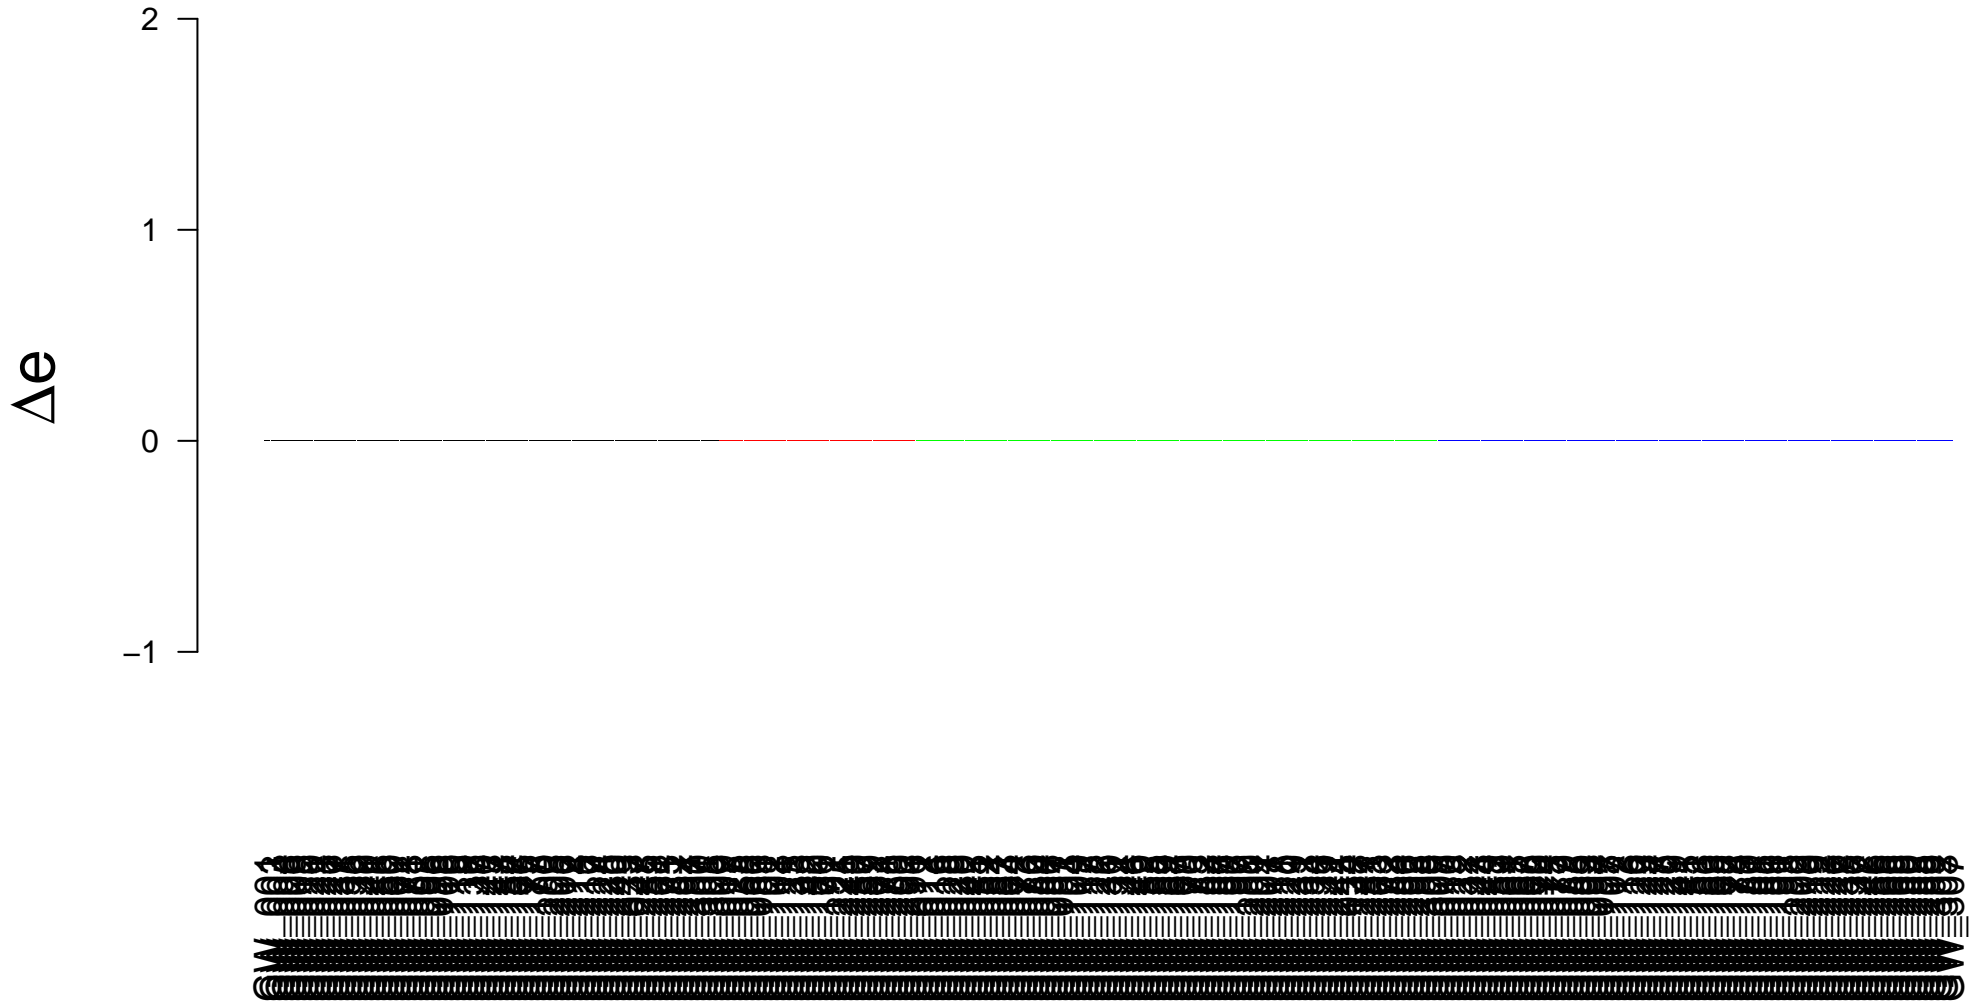

# Expression of response to growth factor in Spot O

# Expression of response to growth factor in Spot P

# Expression of response to growth factor in Spot Q

# Expression of response to growth factor in Spot R
