

response to heat

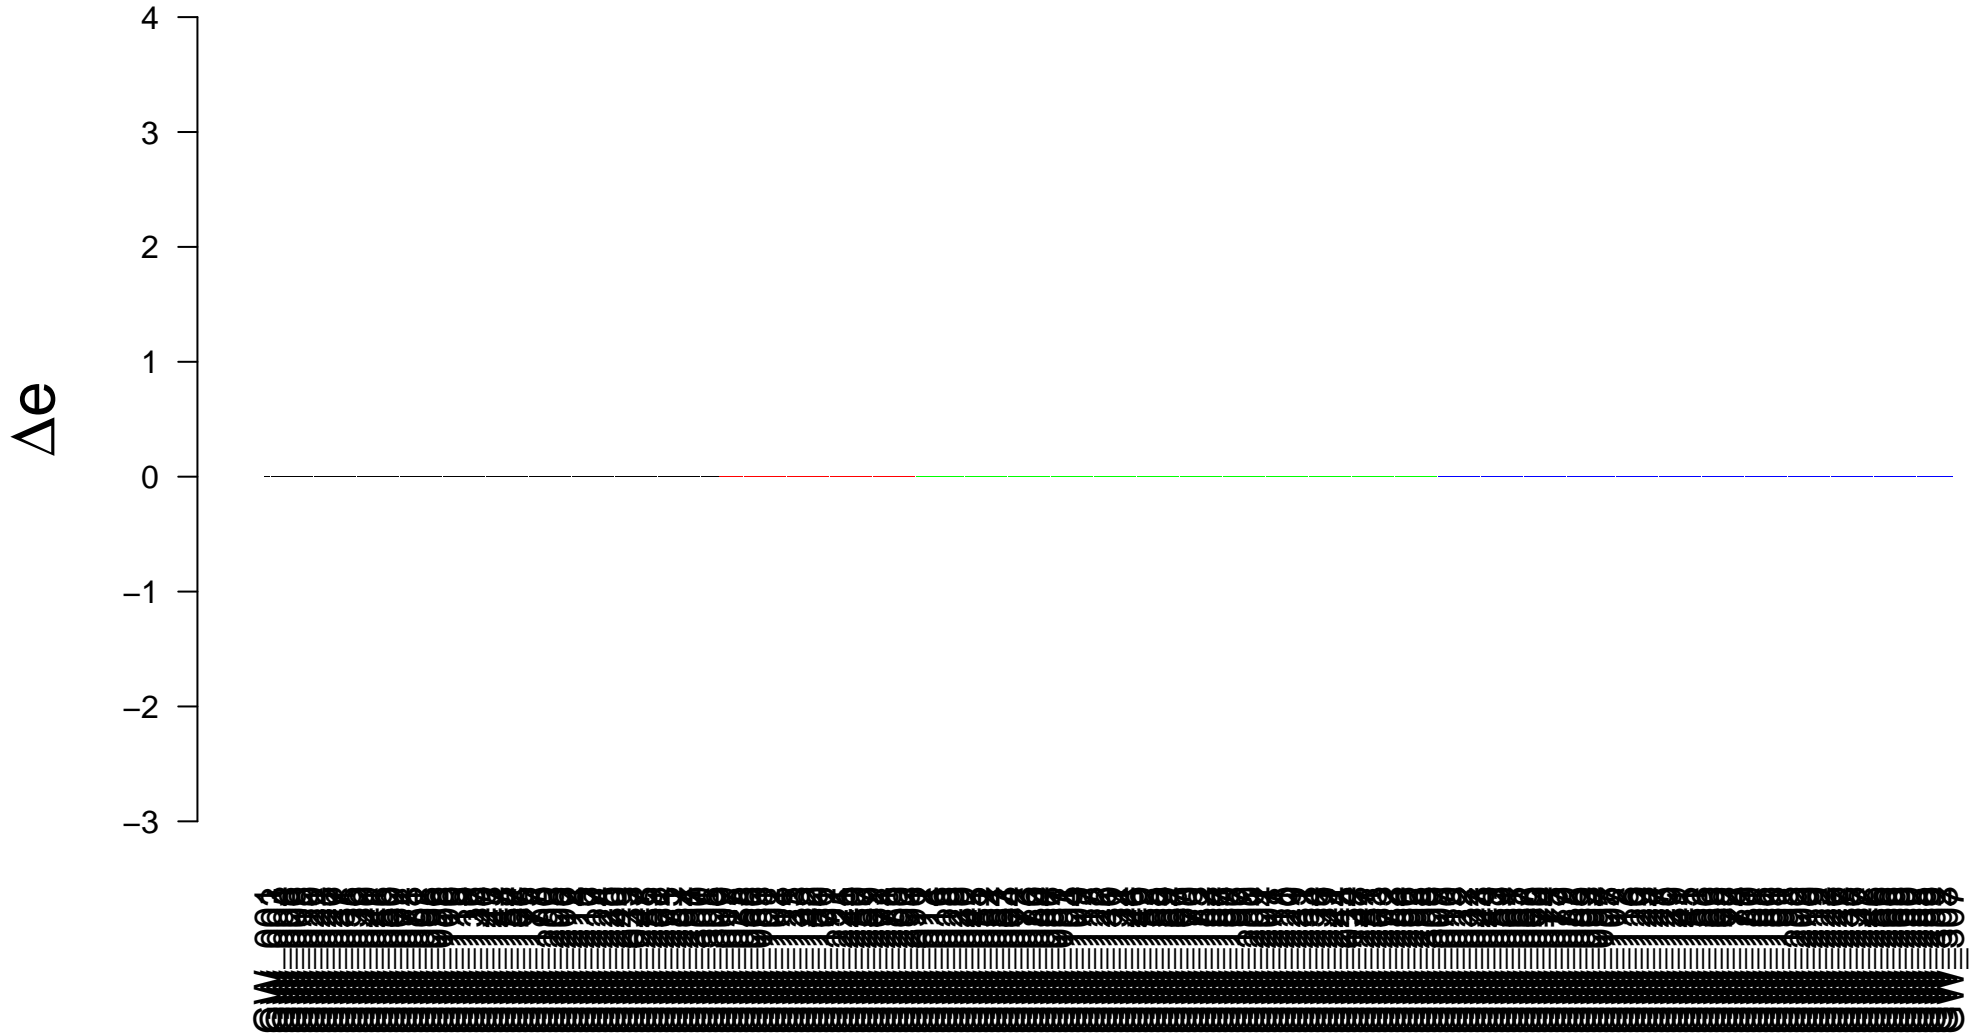

response to heat

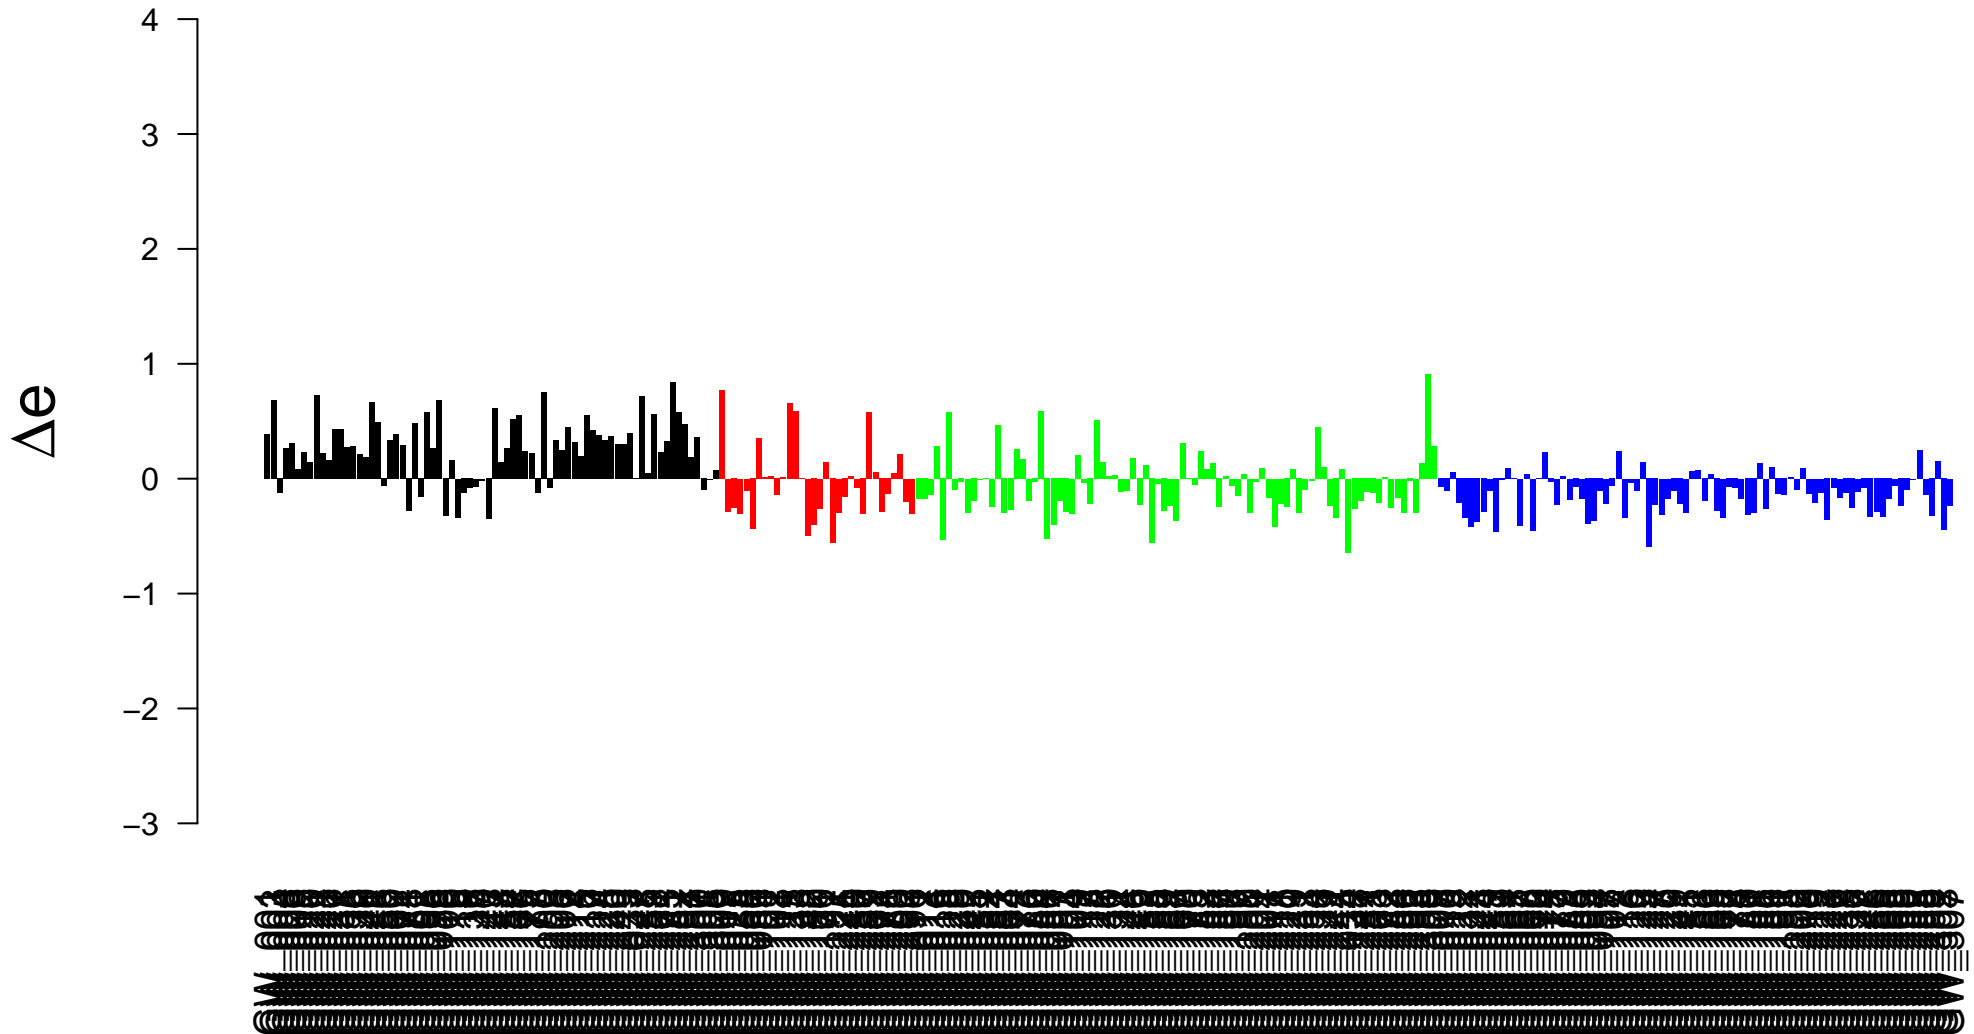

Enrichment in spots: response to heat

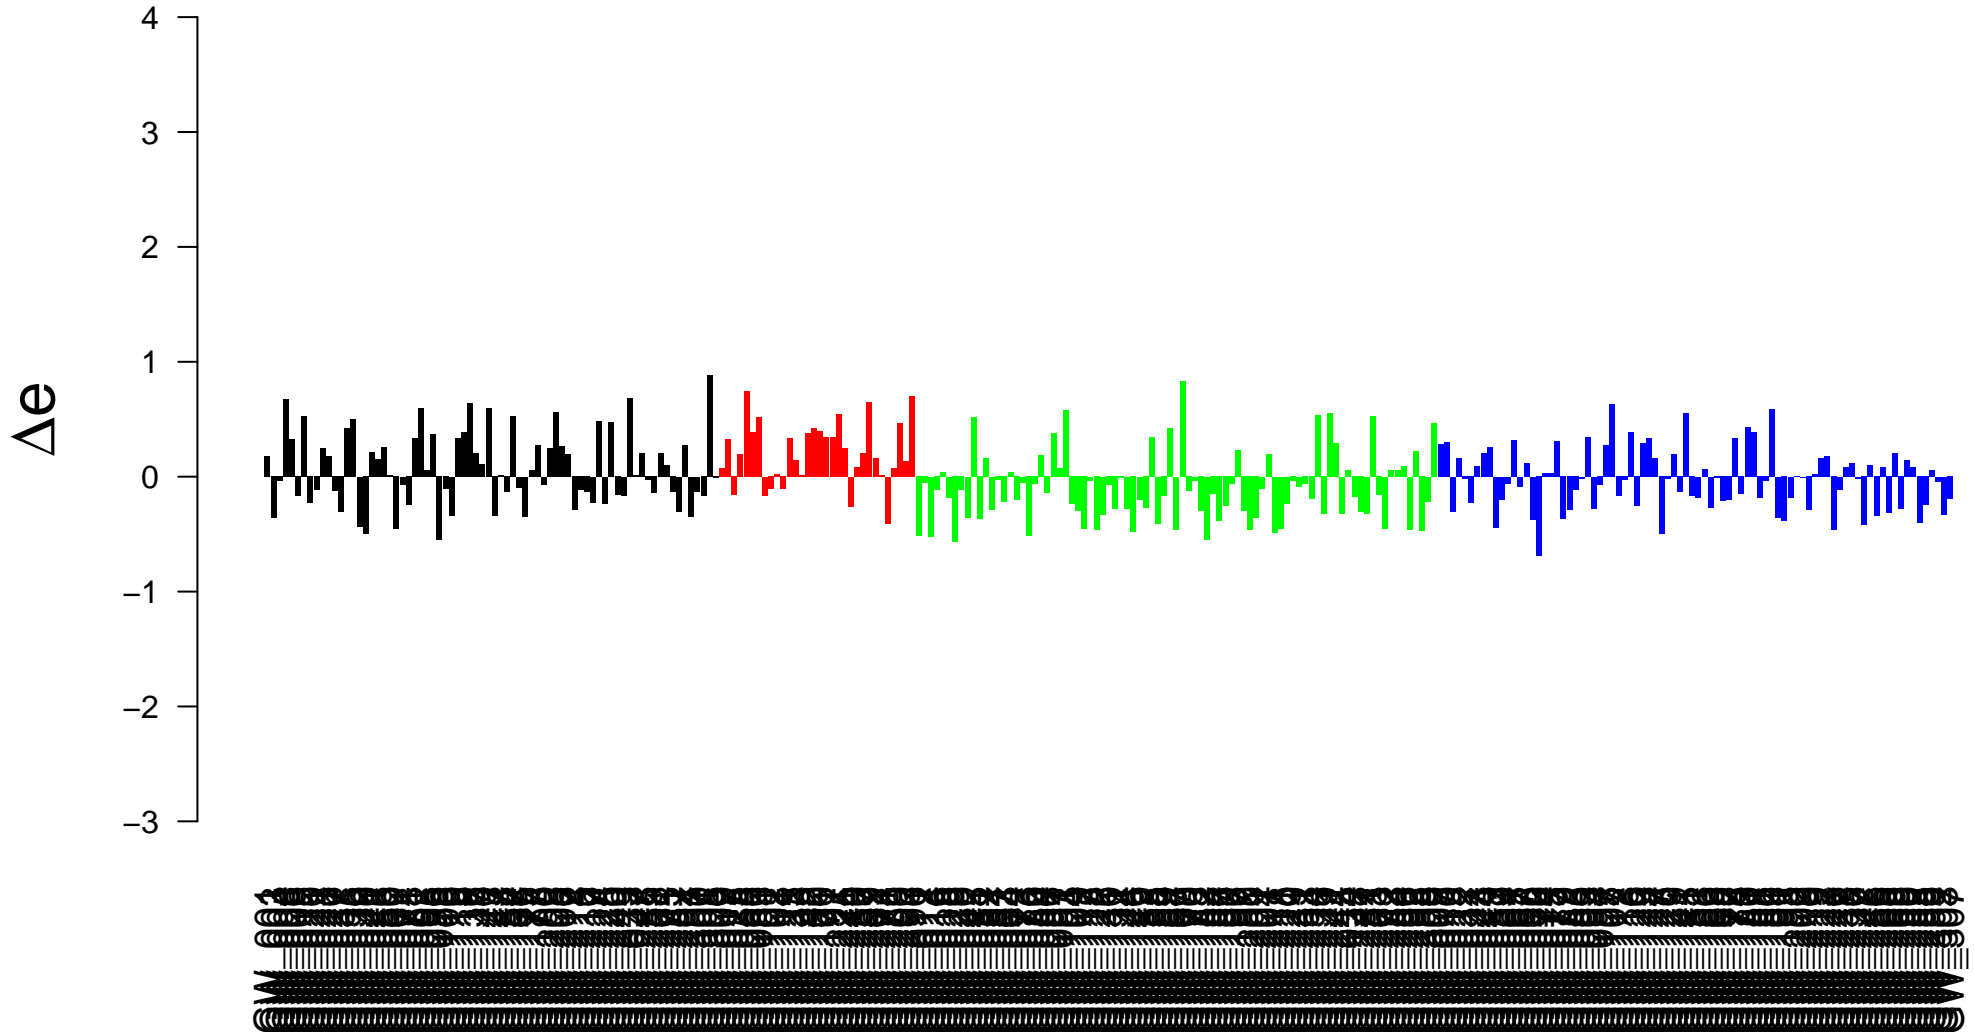

Expression of response to heat in Spot A

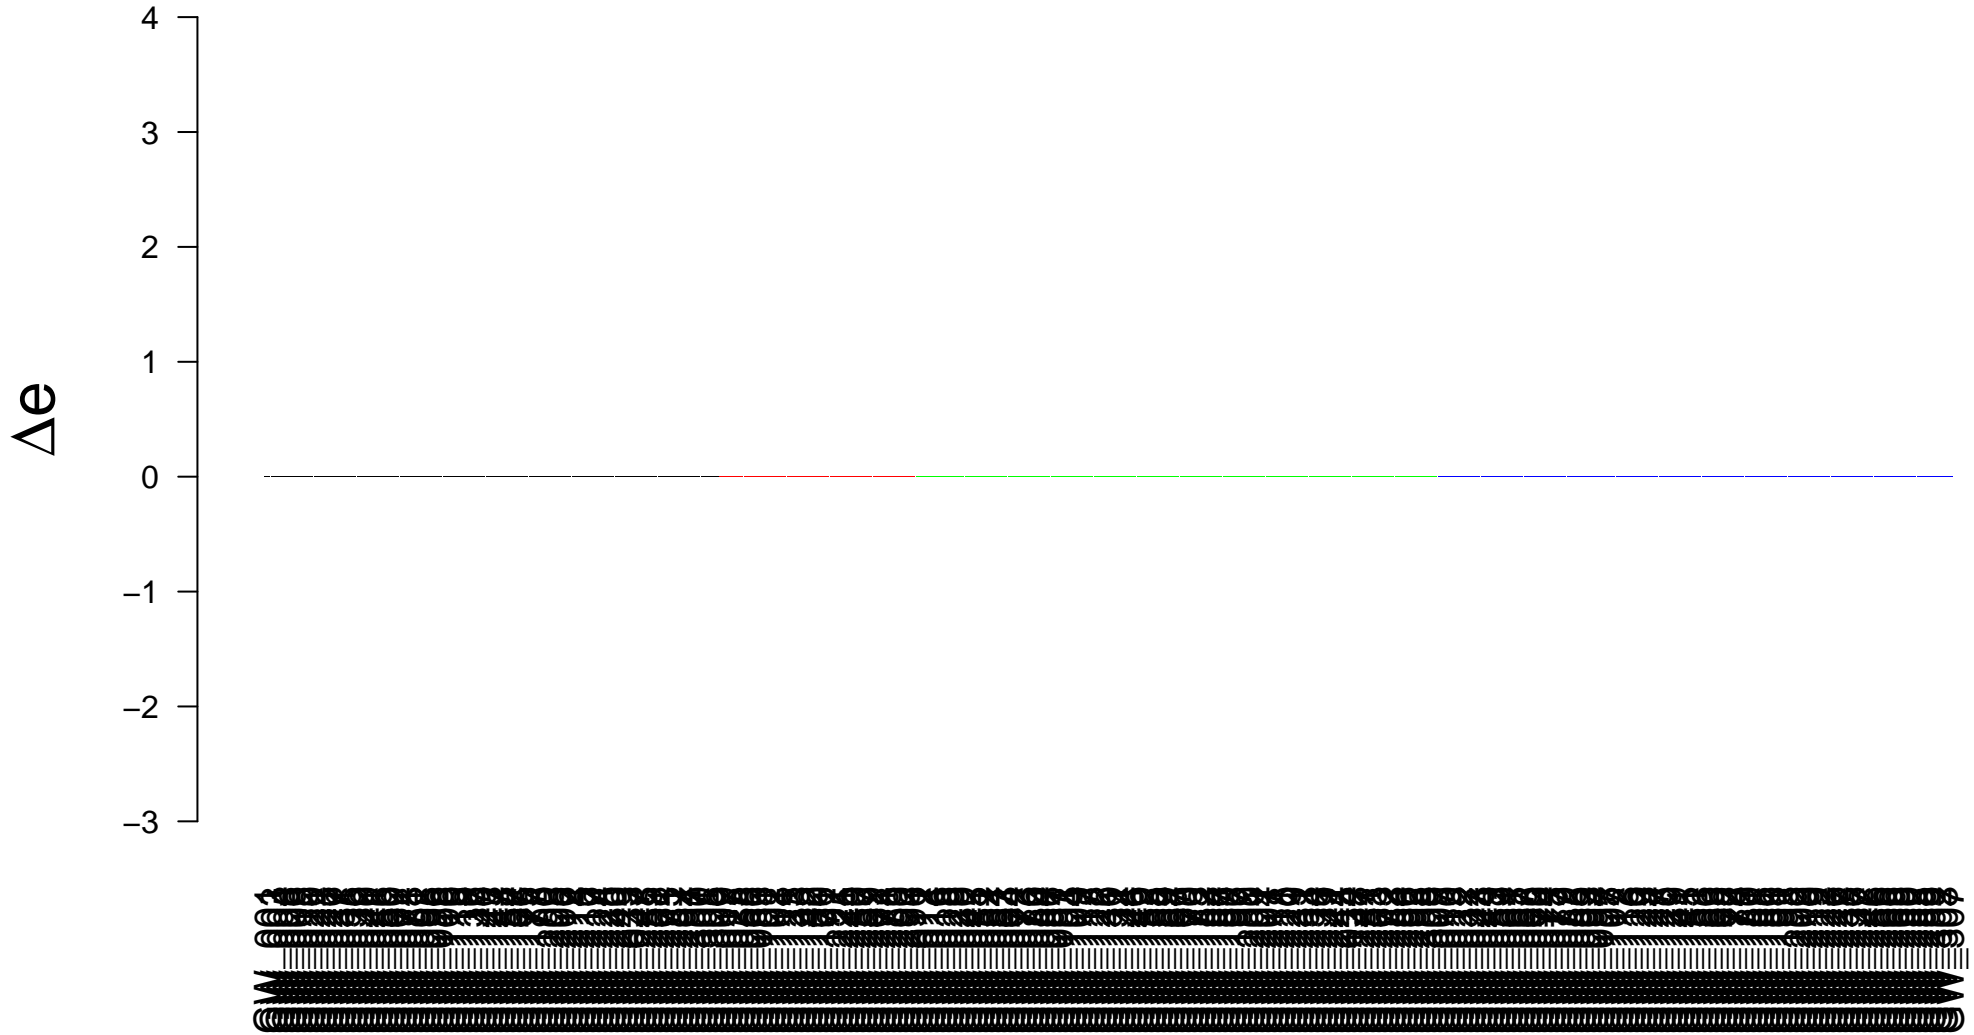

Expression of response to heat in Spot B

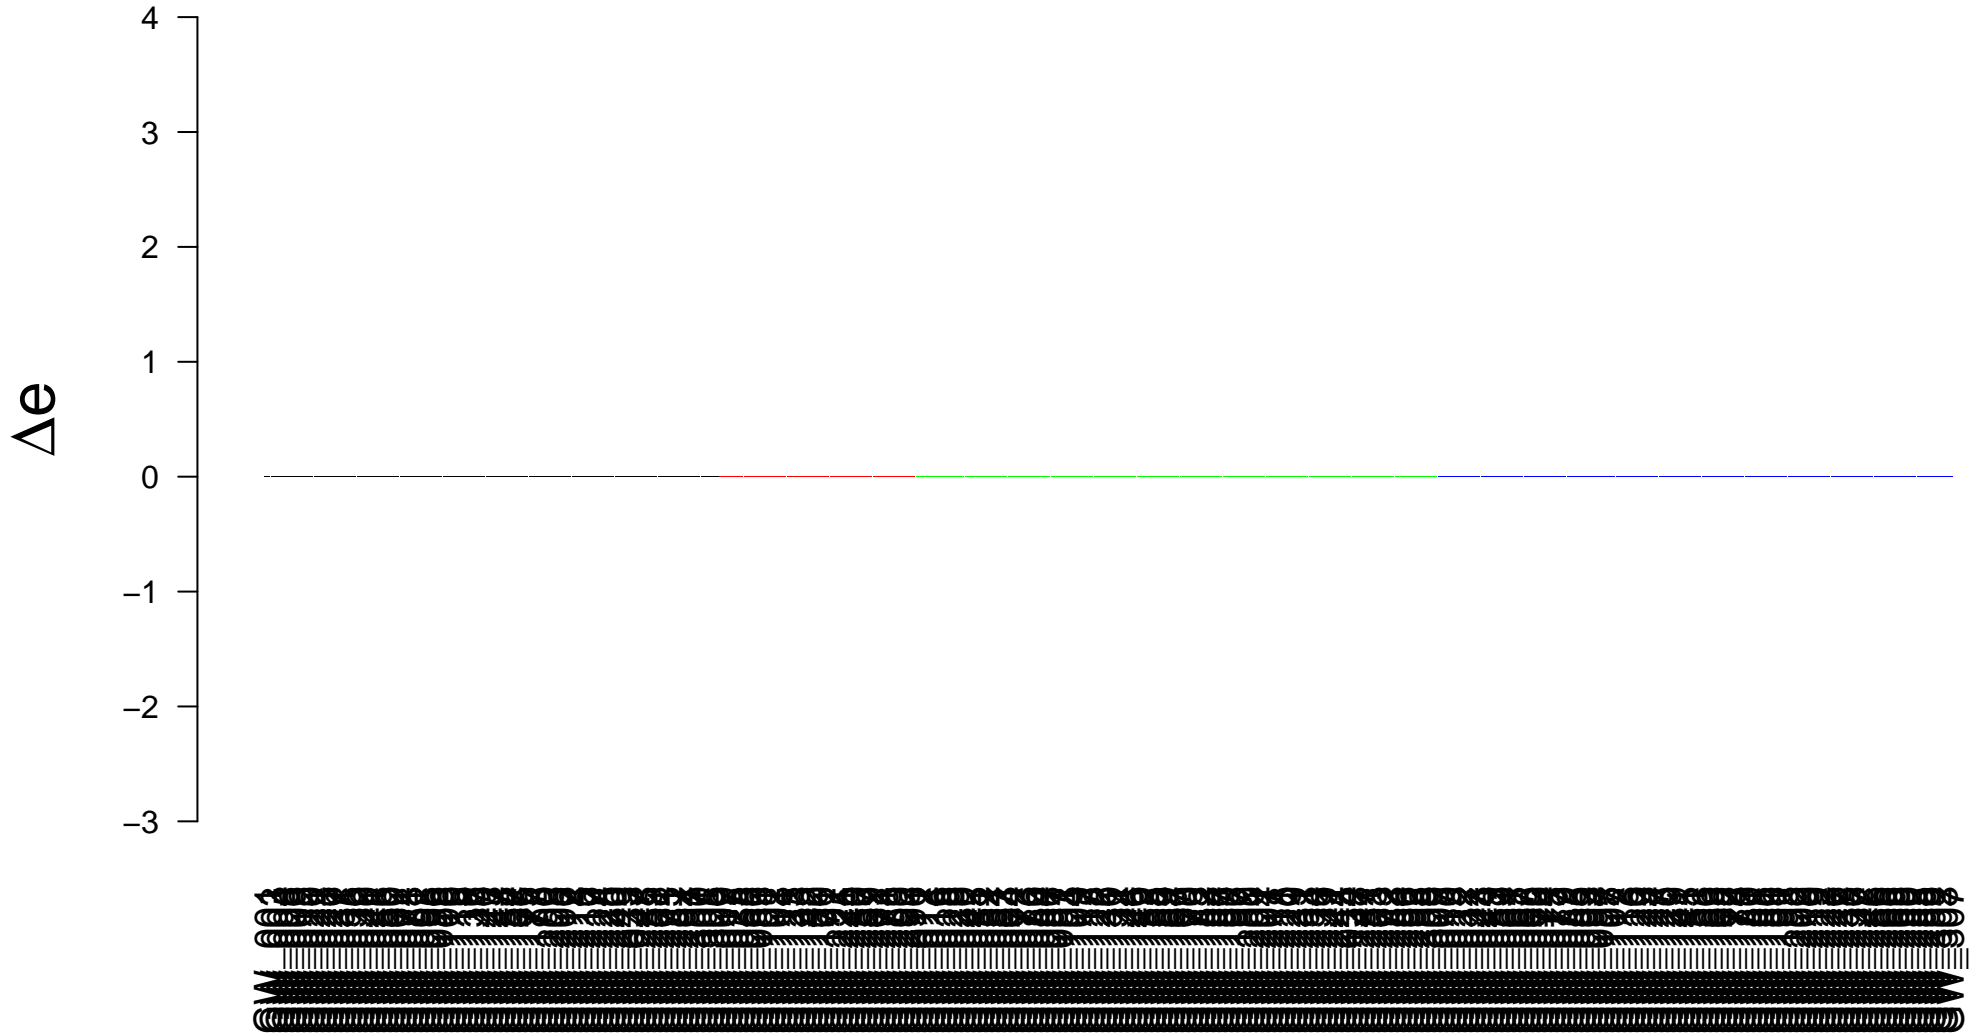

Expression of response to heat in Spot C

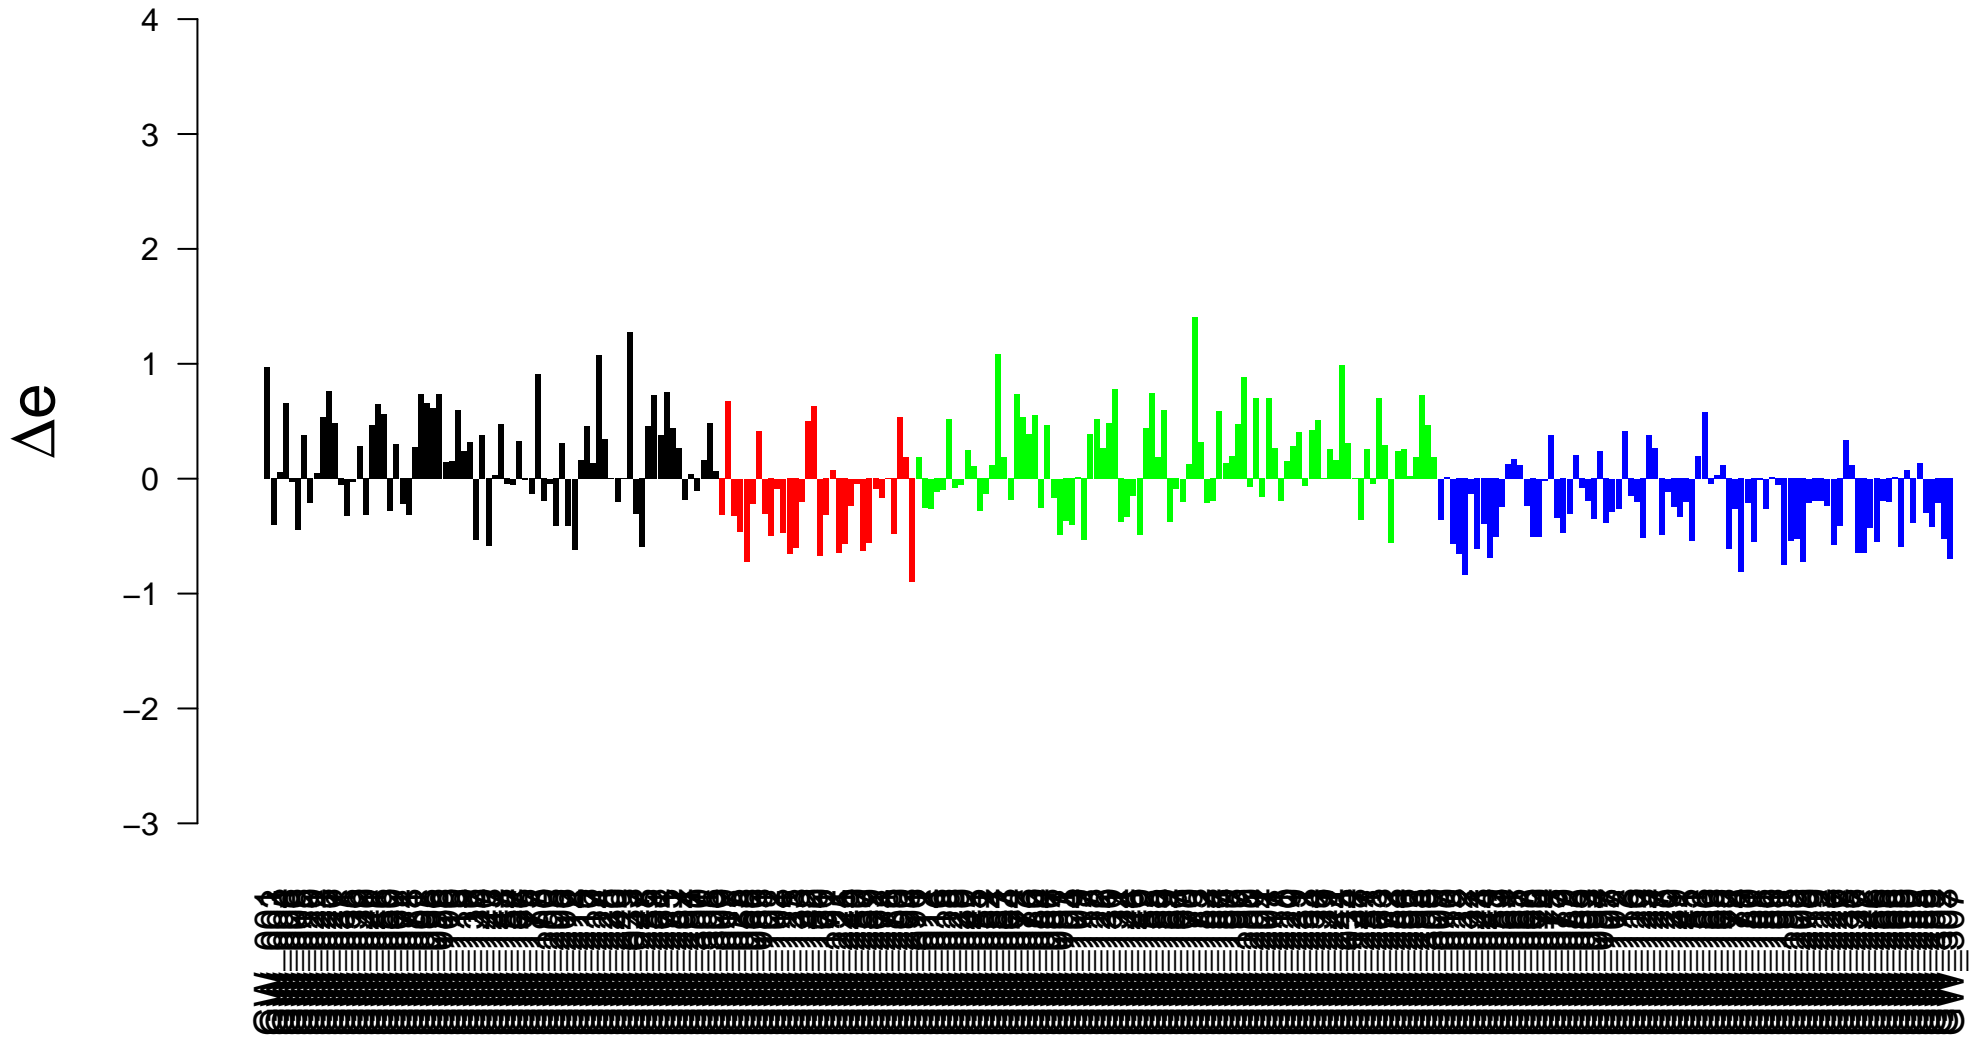

Expression of response to heat in Spot D

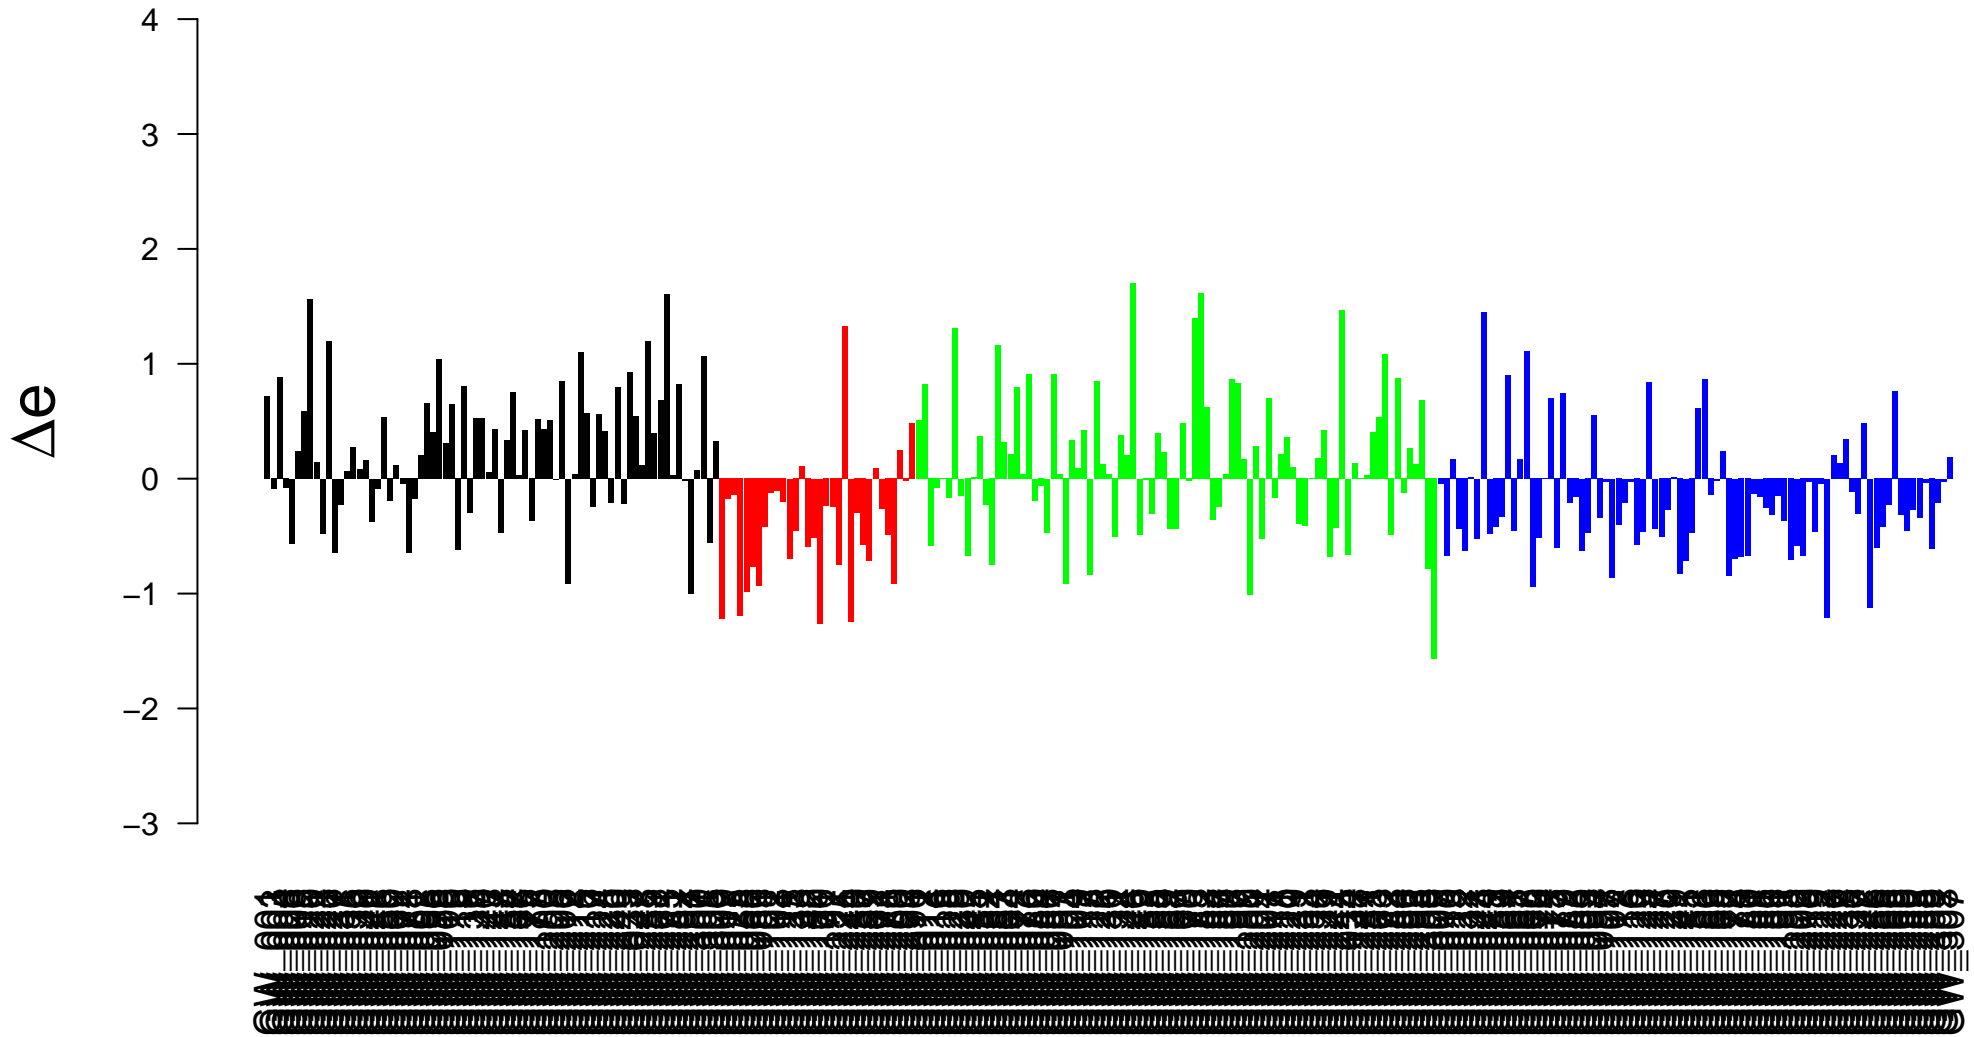

Expression of response to heat in Spot E

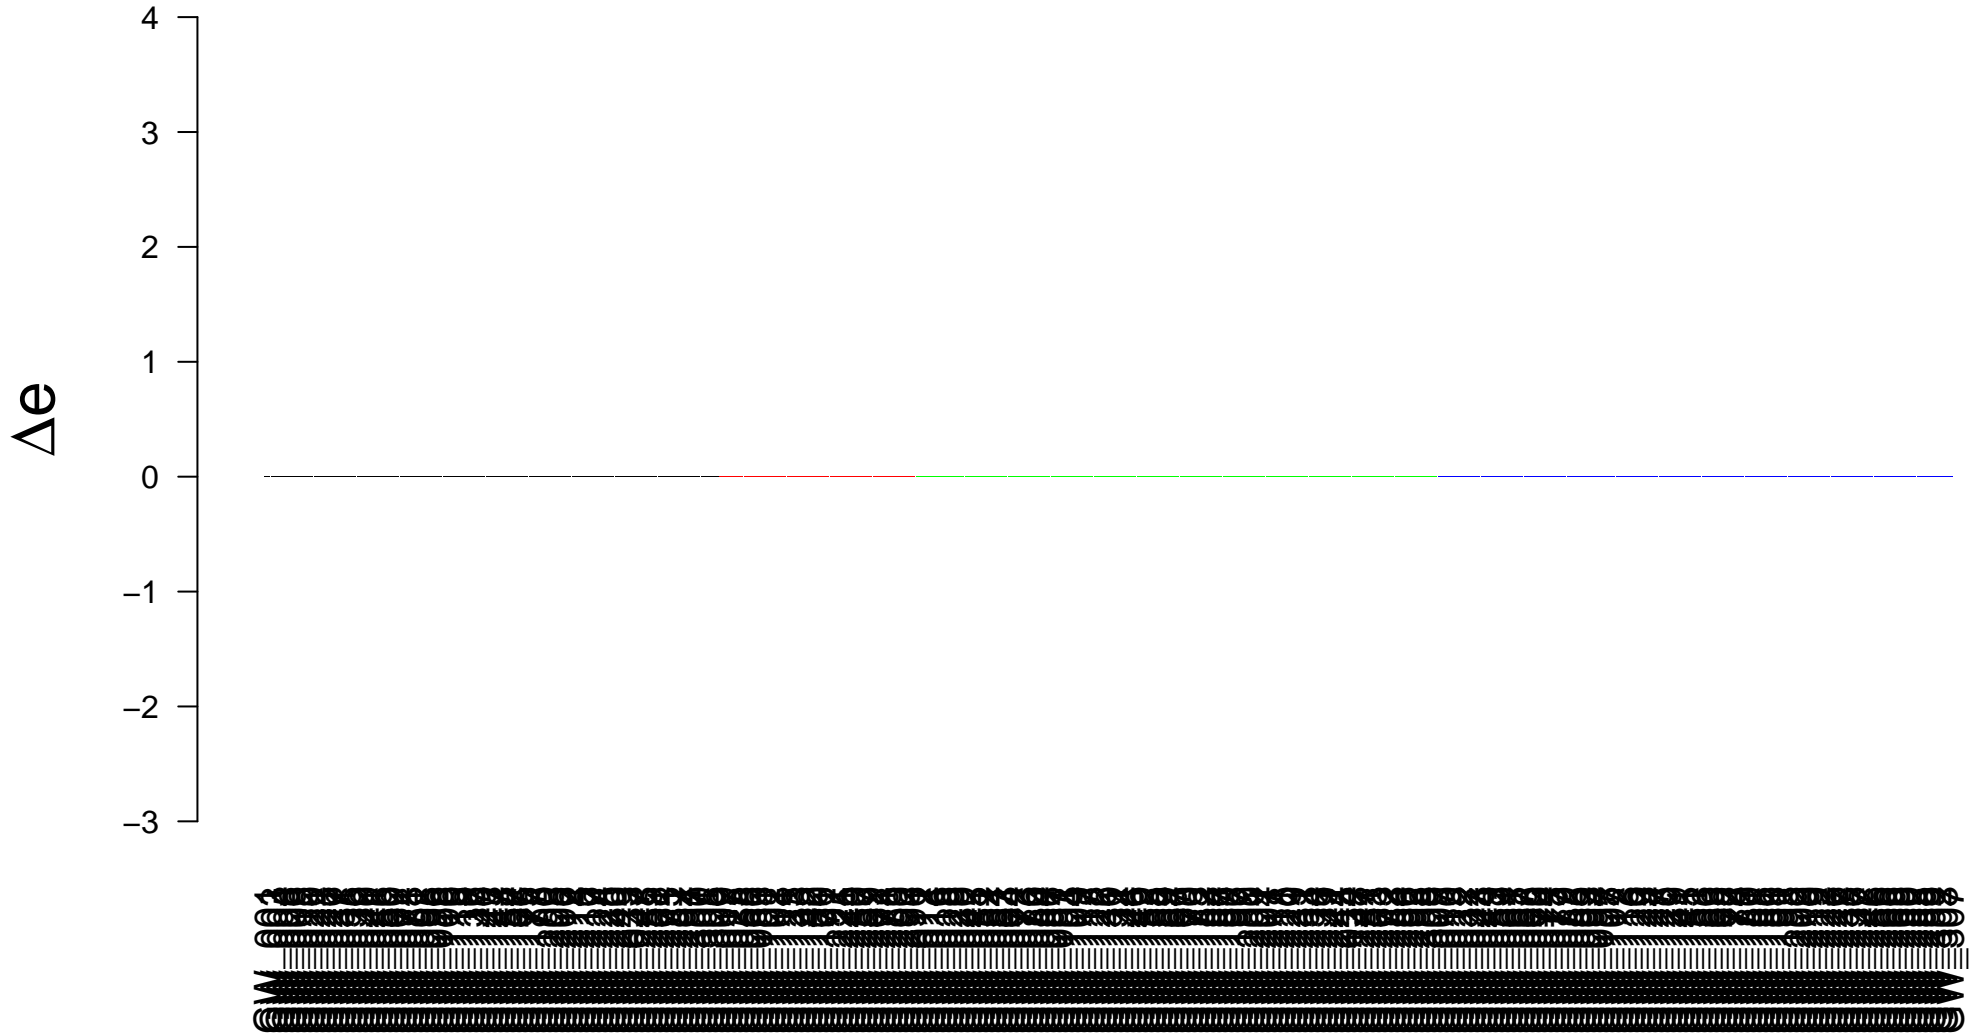

Expression of response to heat in Spot F

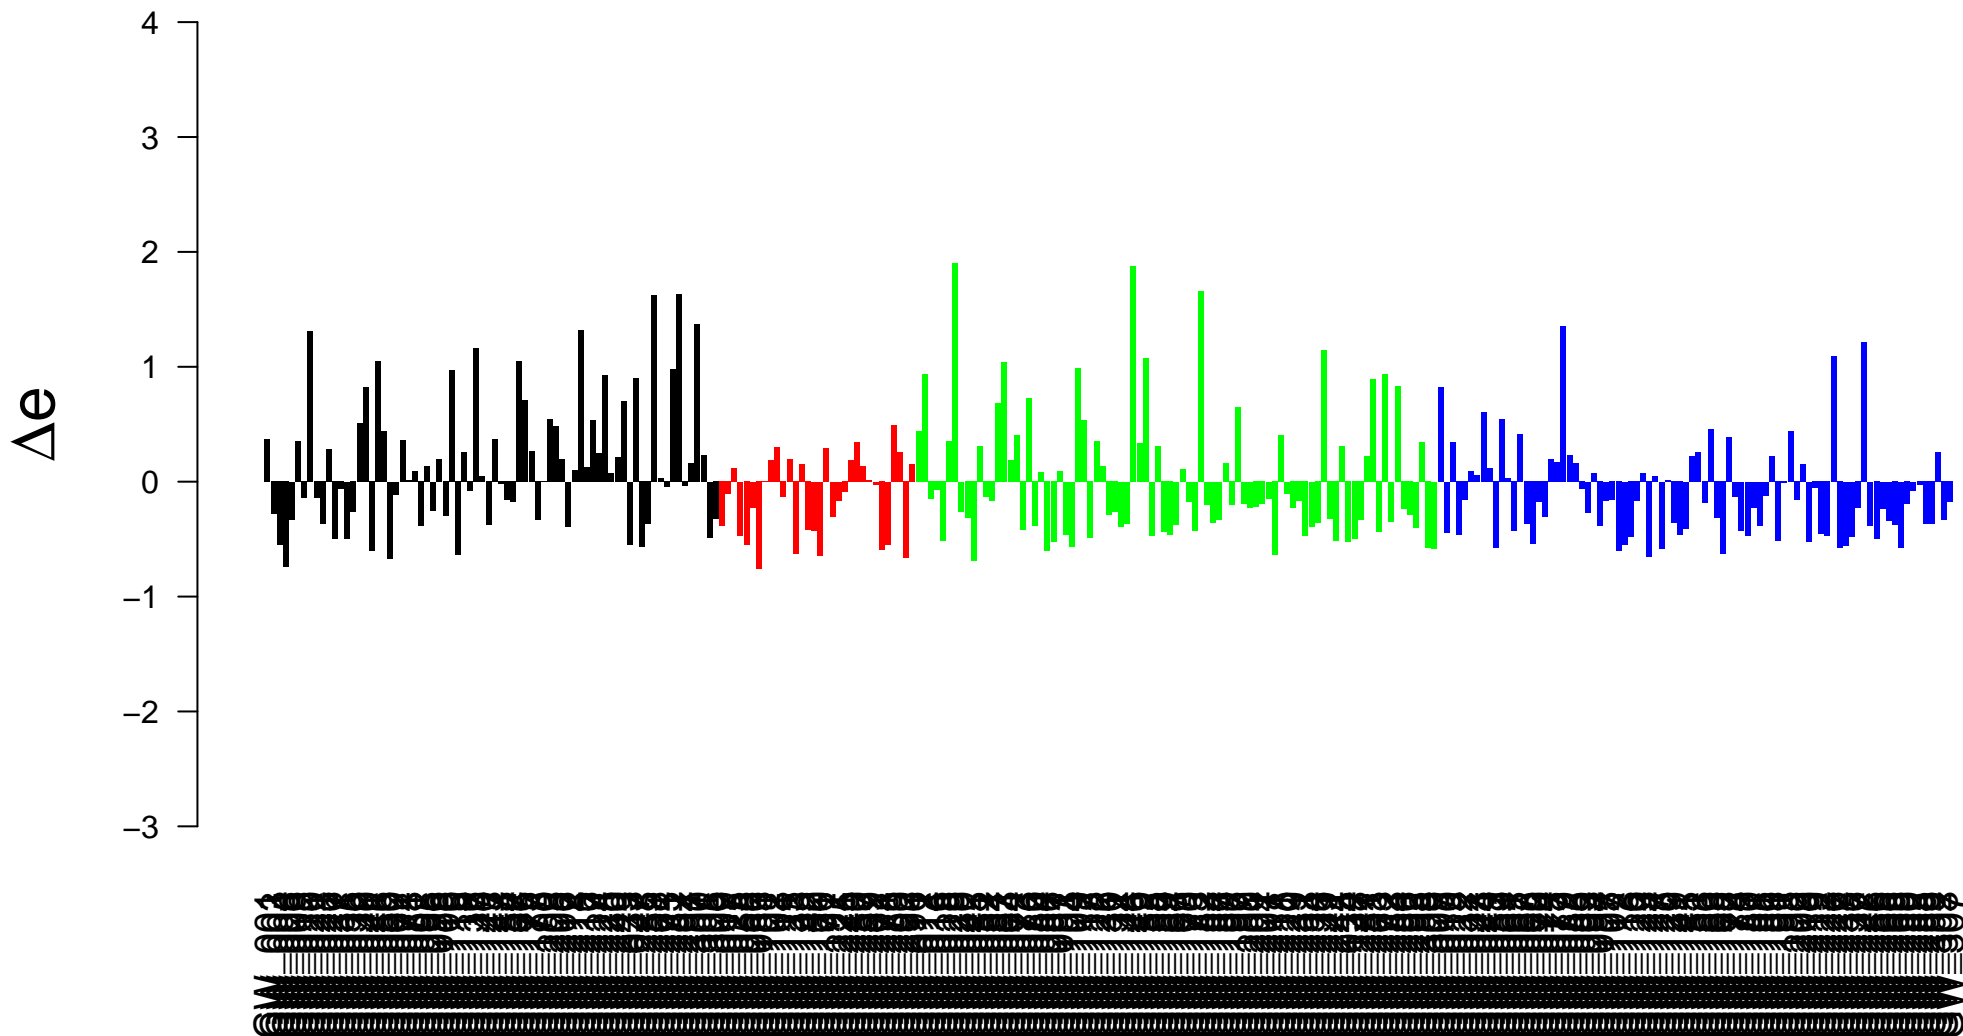

Expression of response to heat in Spot G

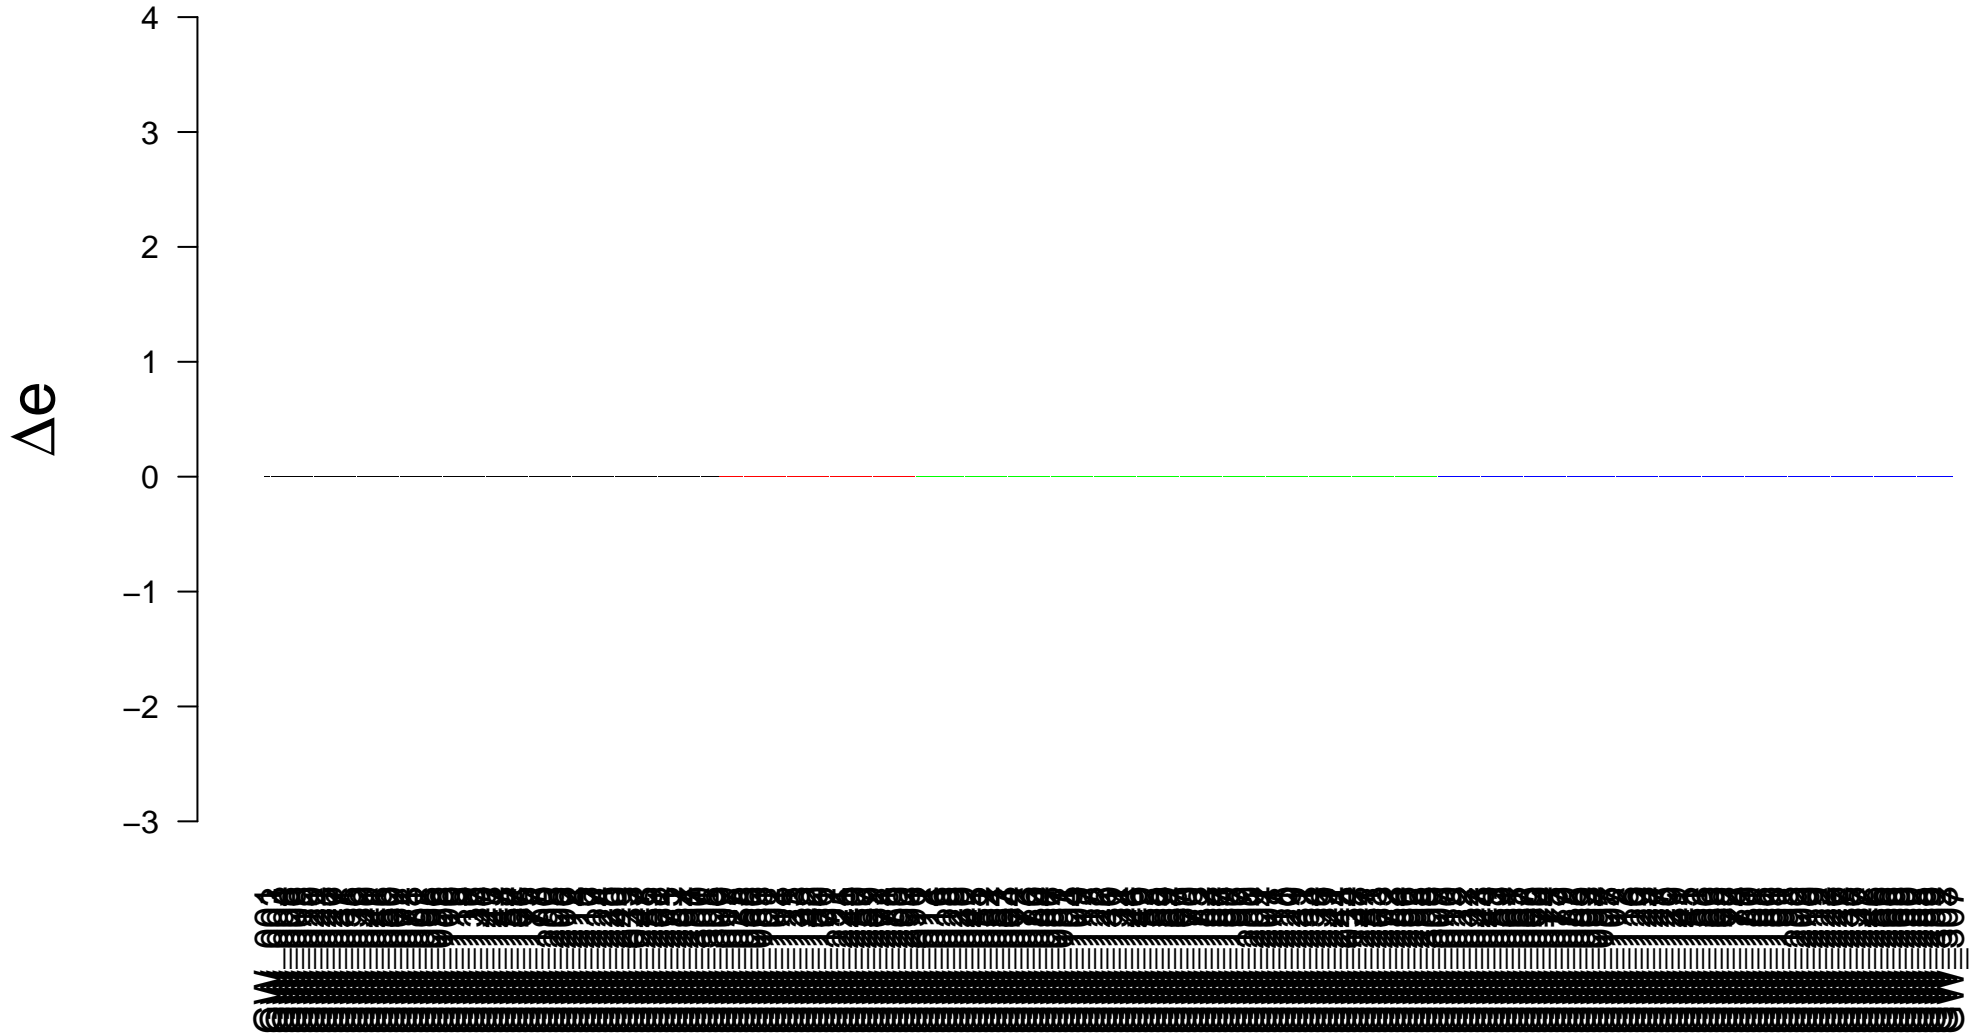

Expression of response to heat in Spot H

Expression of response to heat in Spot I

Expression of response to heat in Spot J

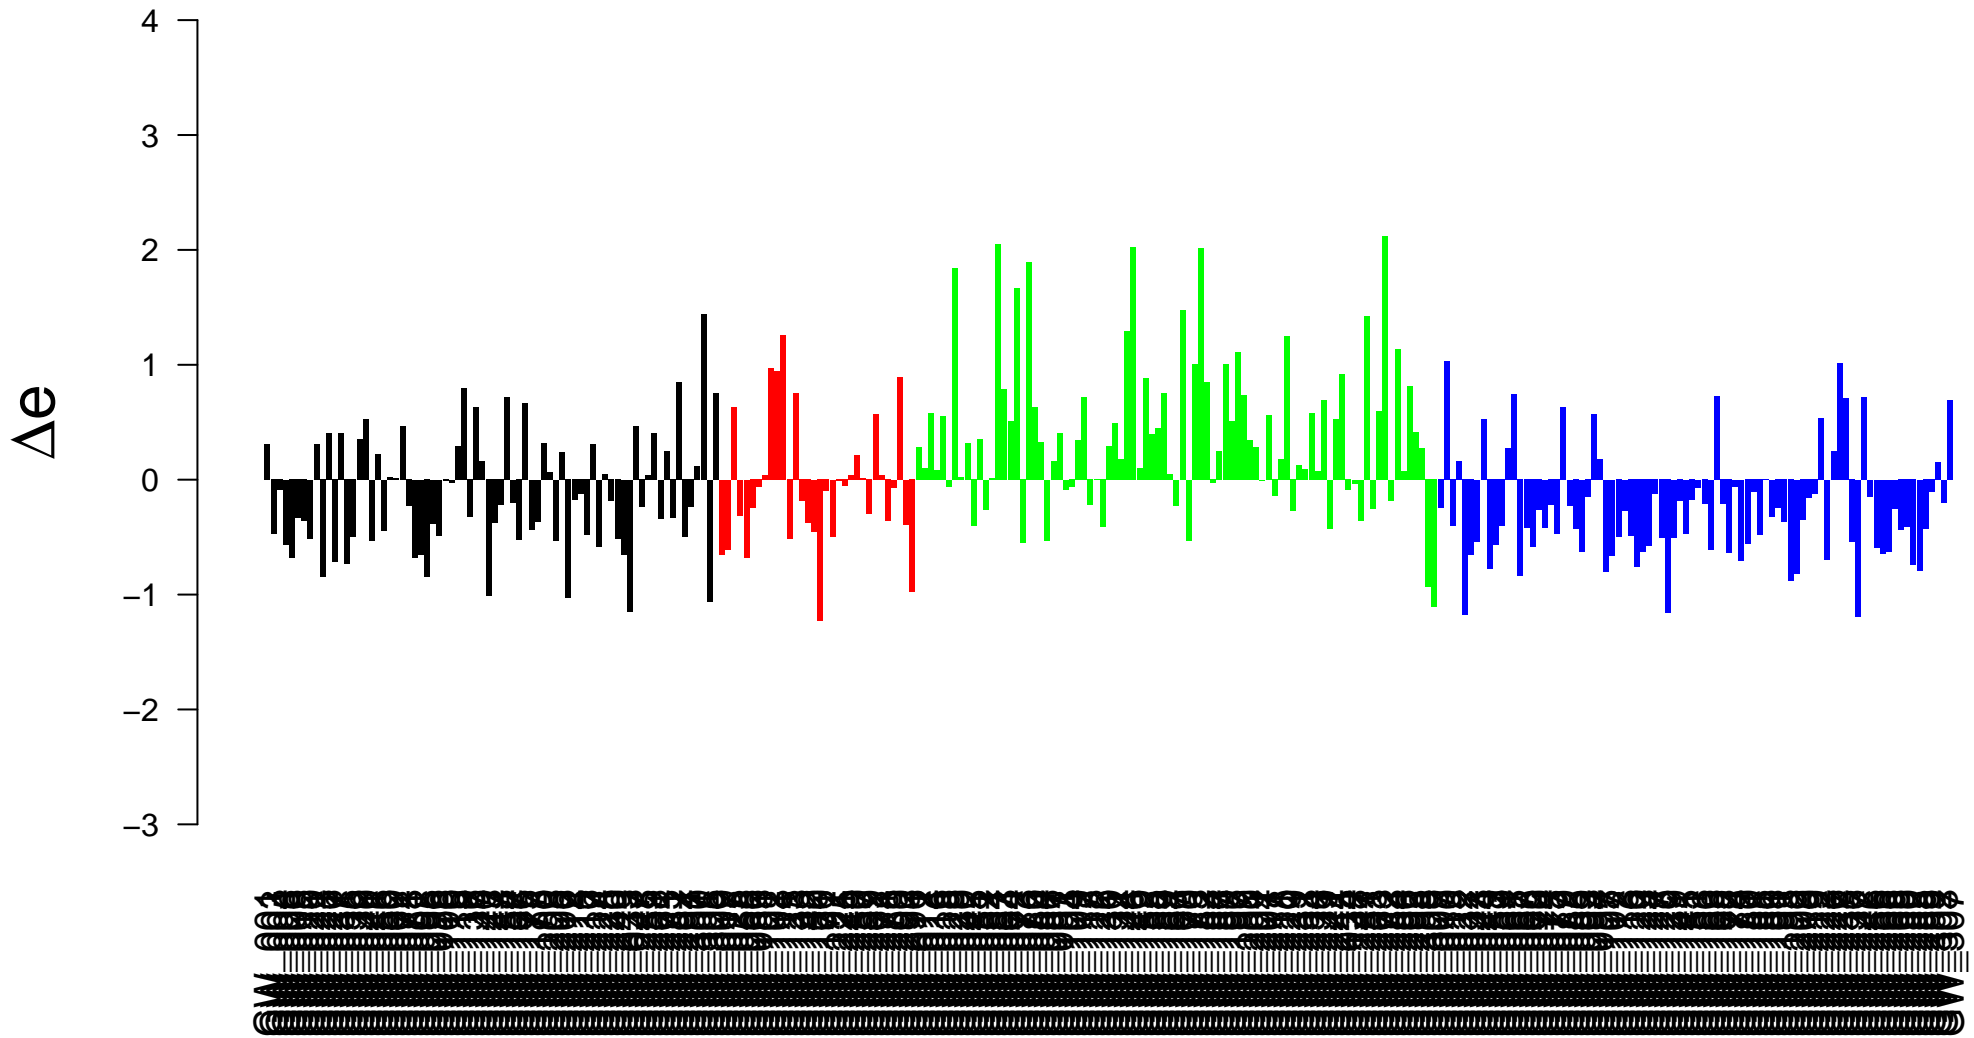

Expression of response to heat in Spot K
