

response to hormone

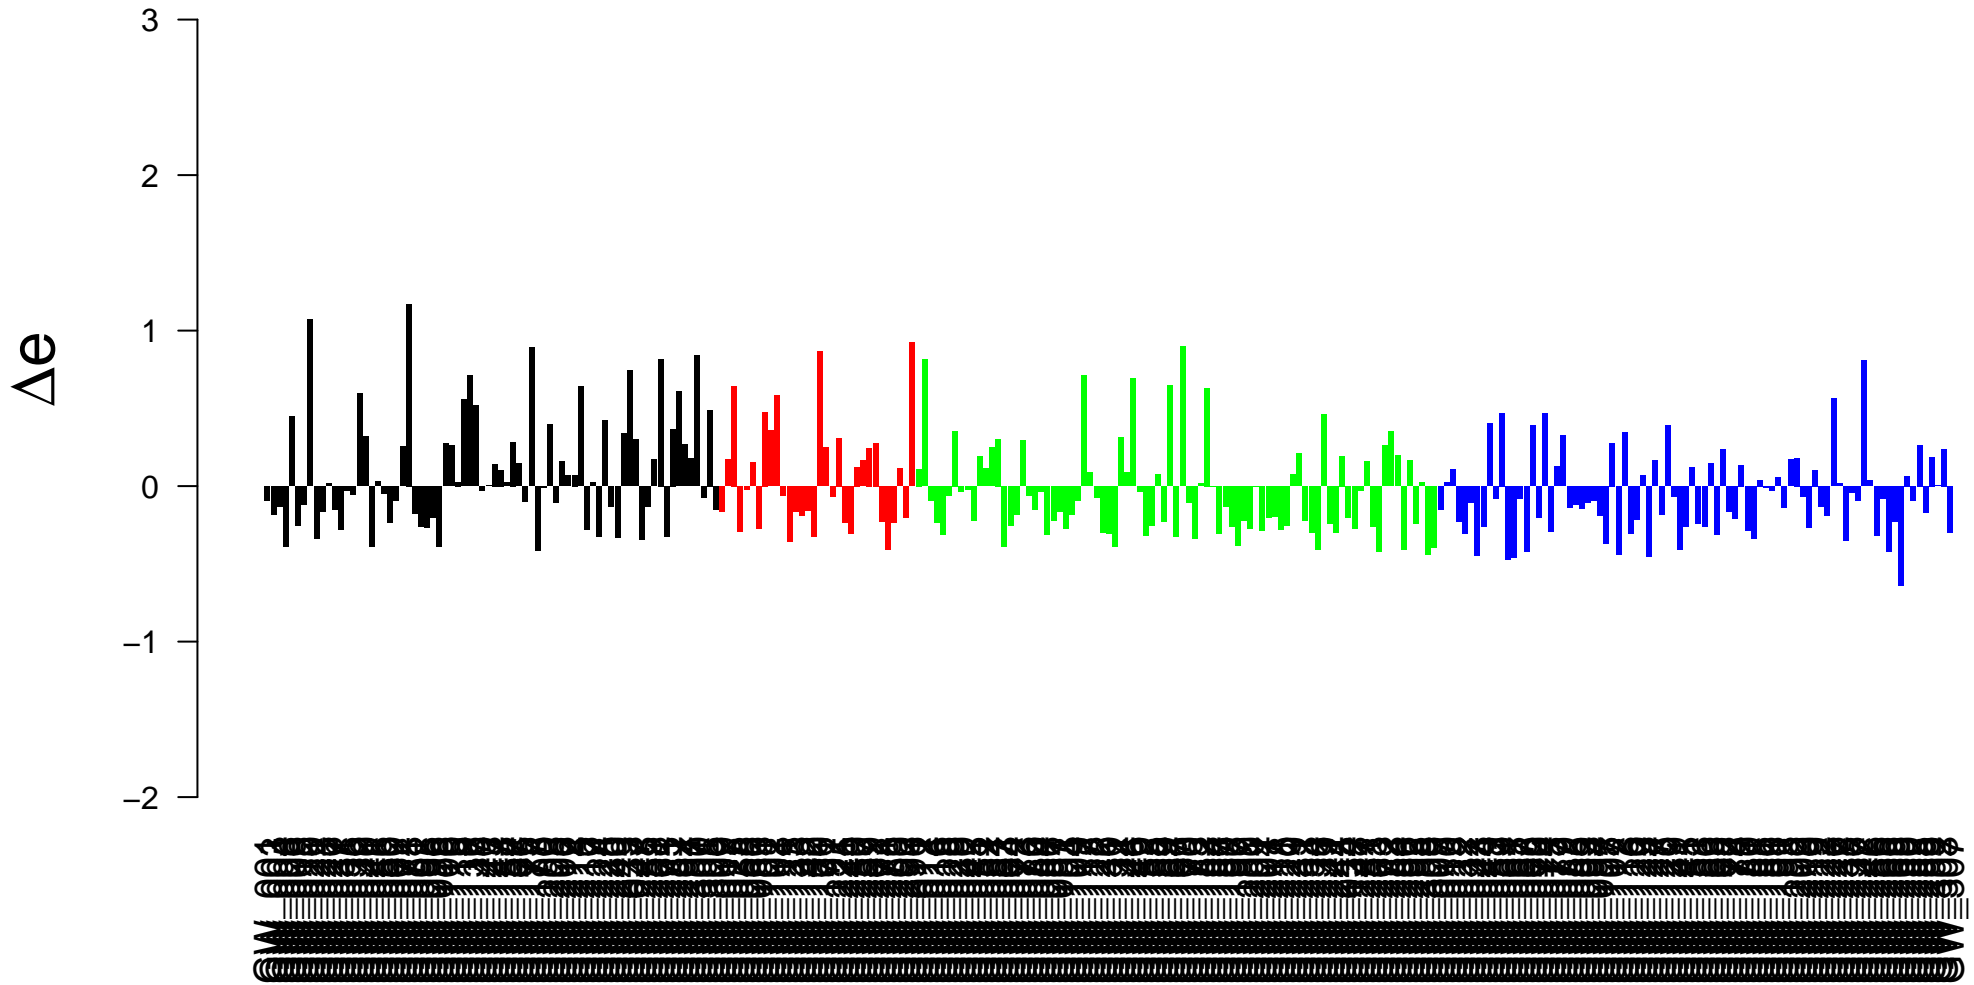

response to hormone

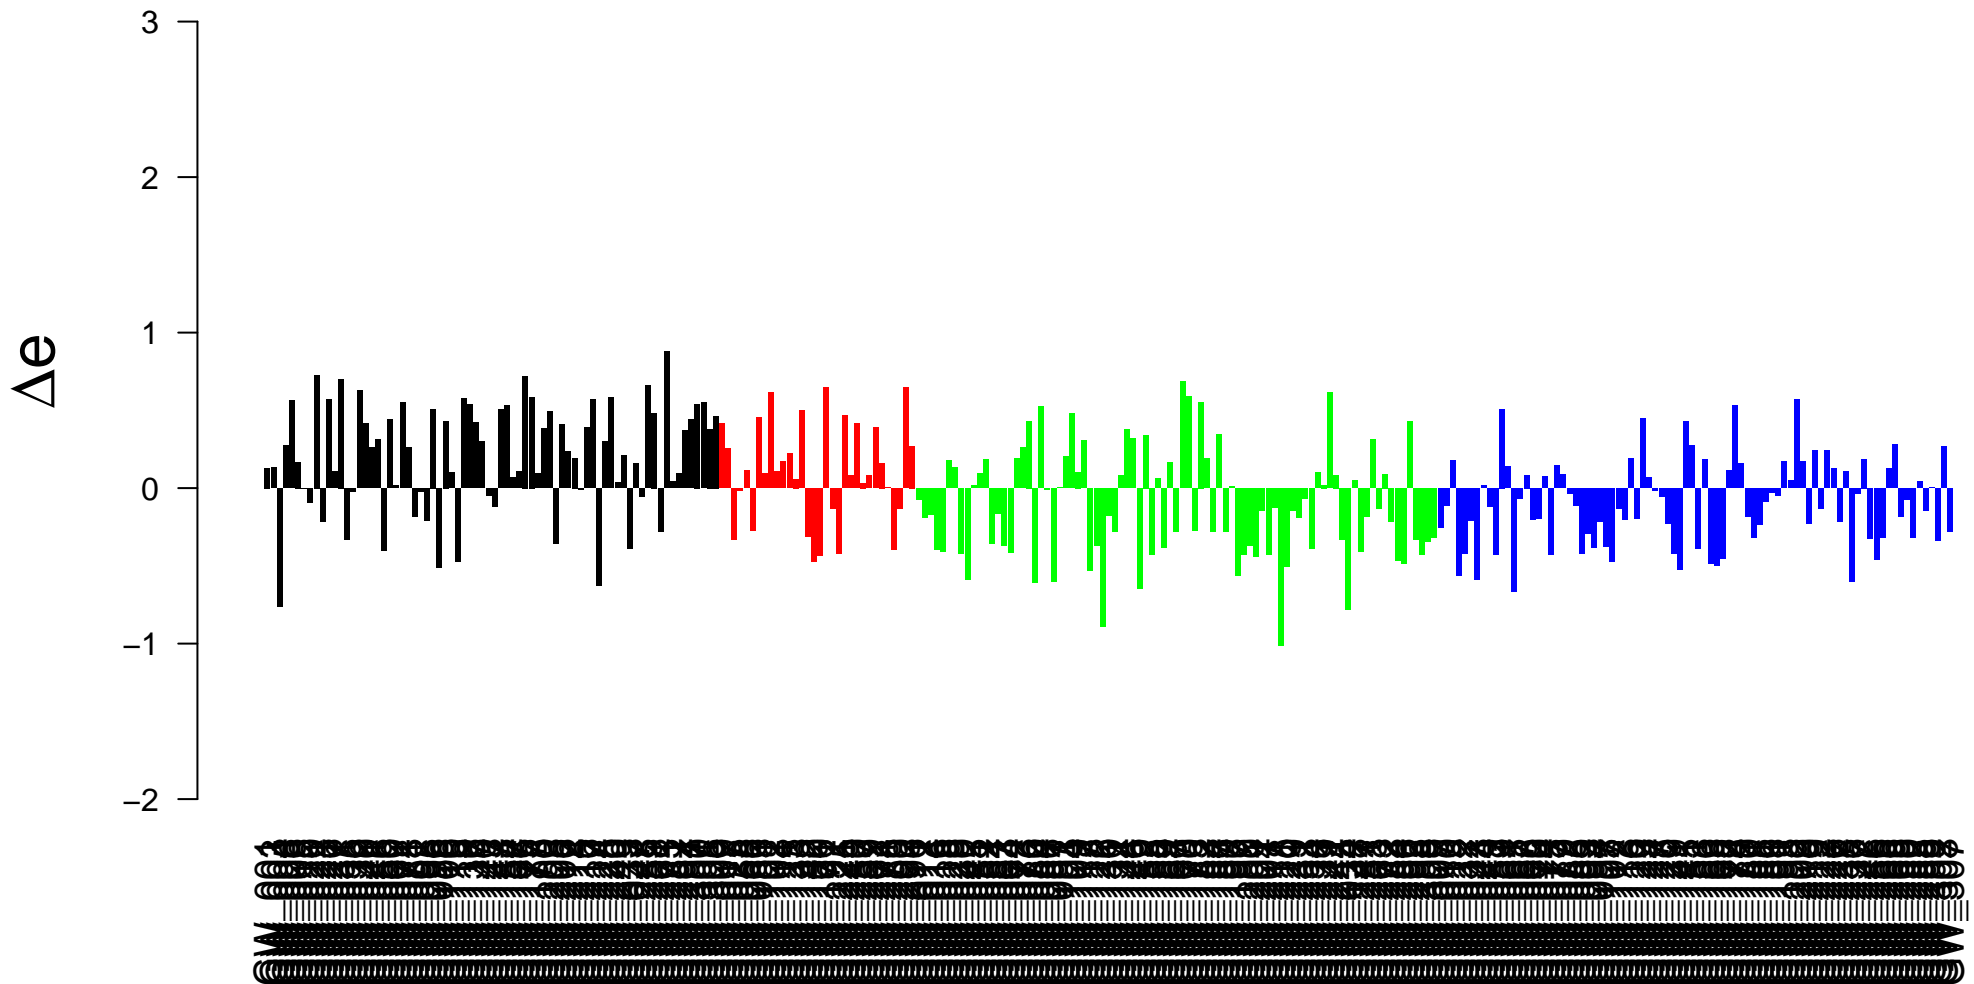

Enrichment in spots: response to hormone

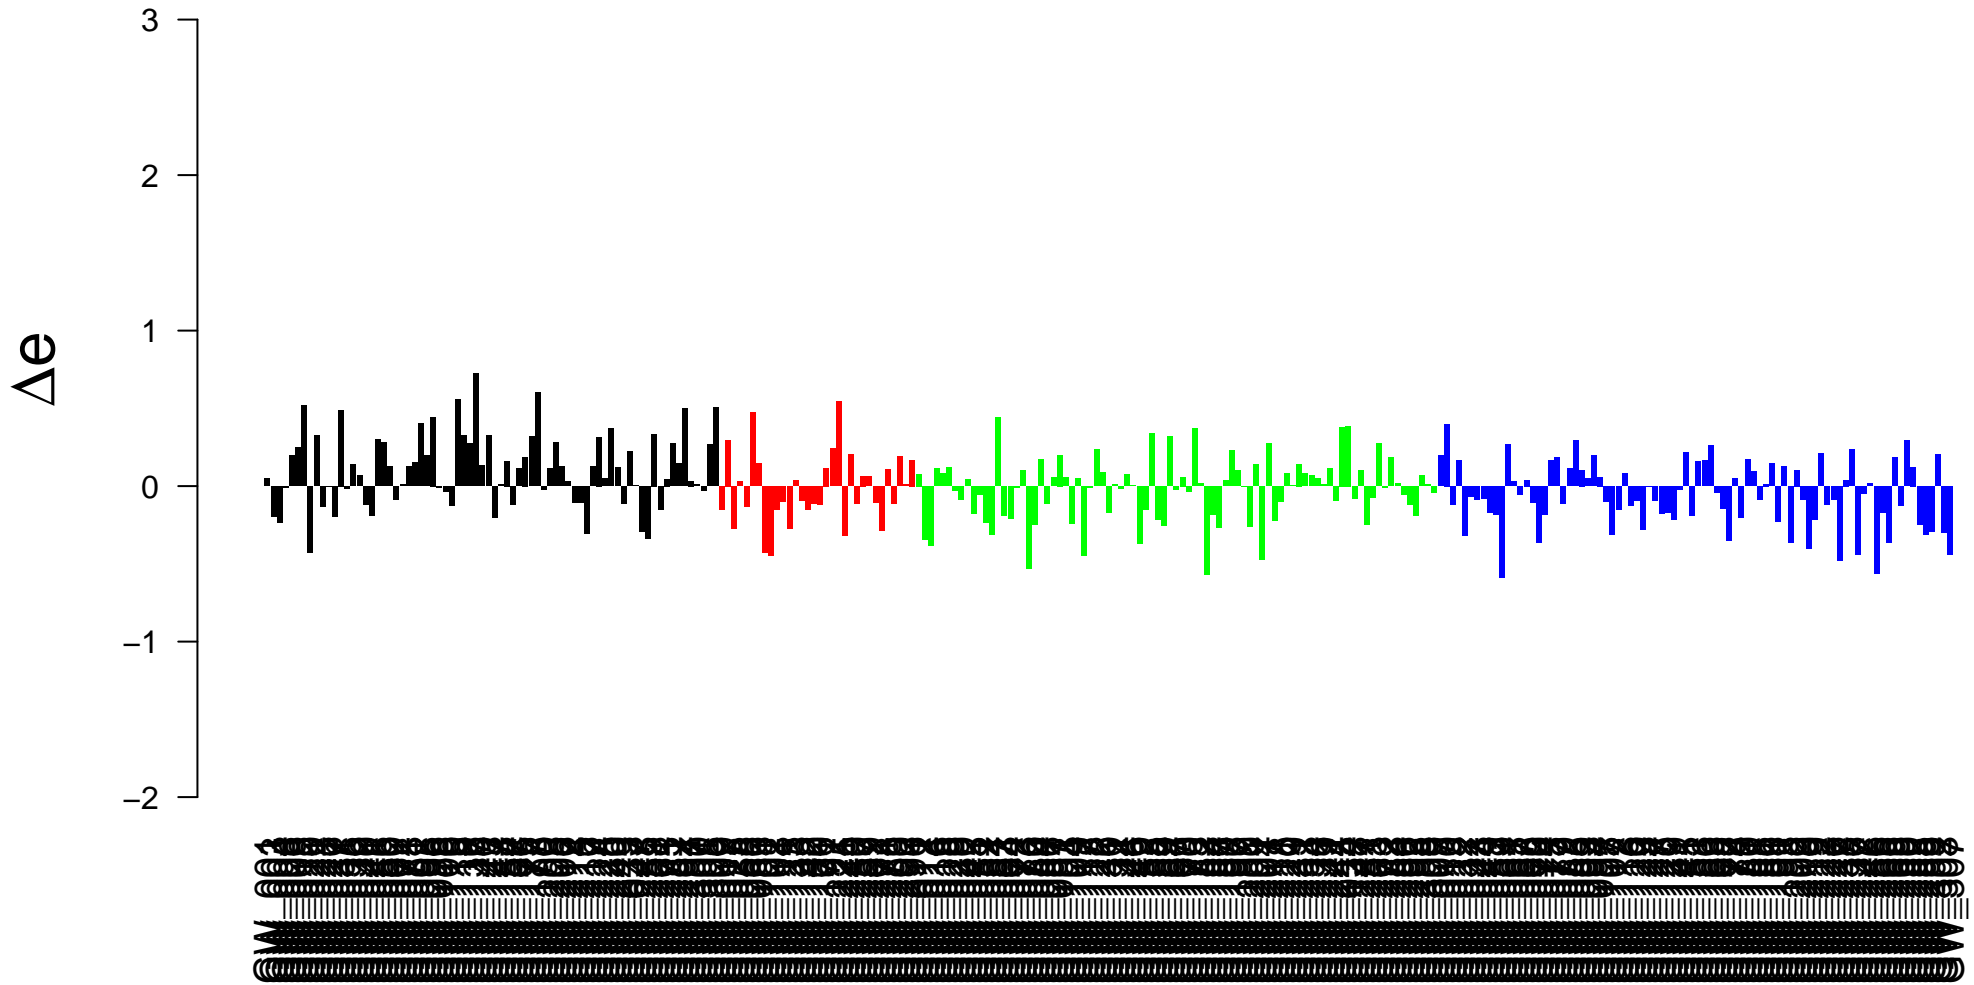

Expression of response to hormone in Spot A

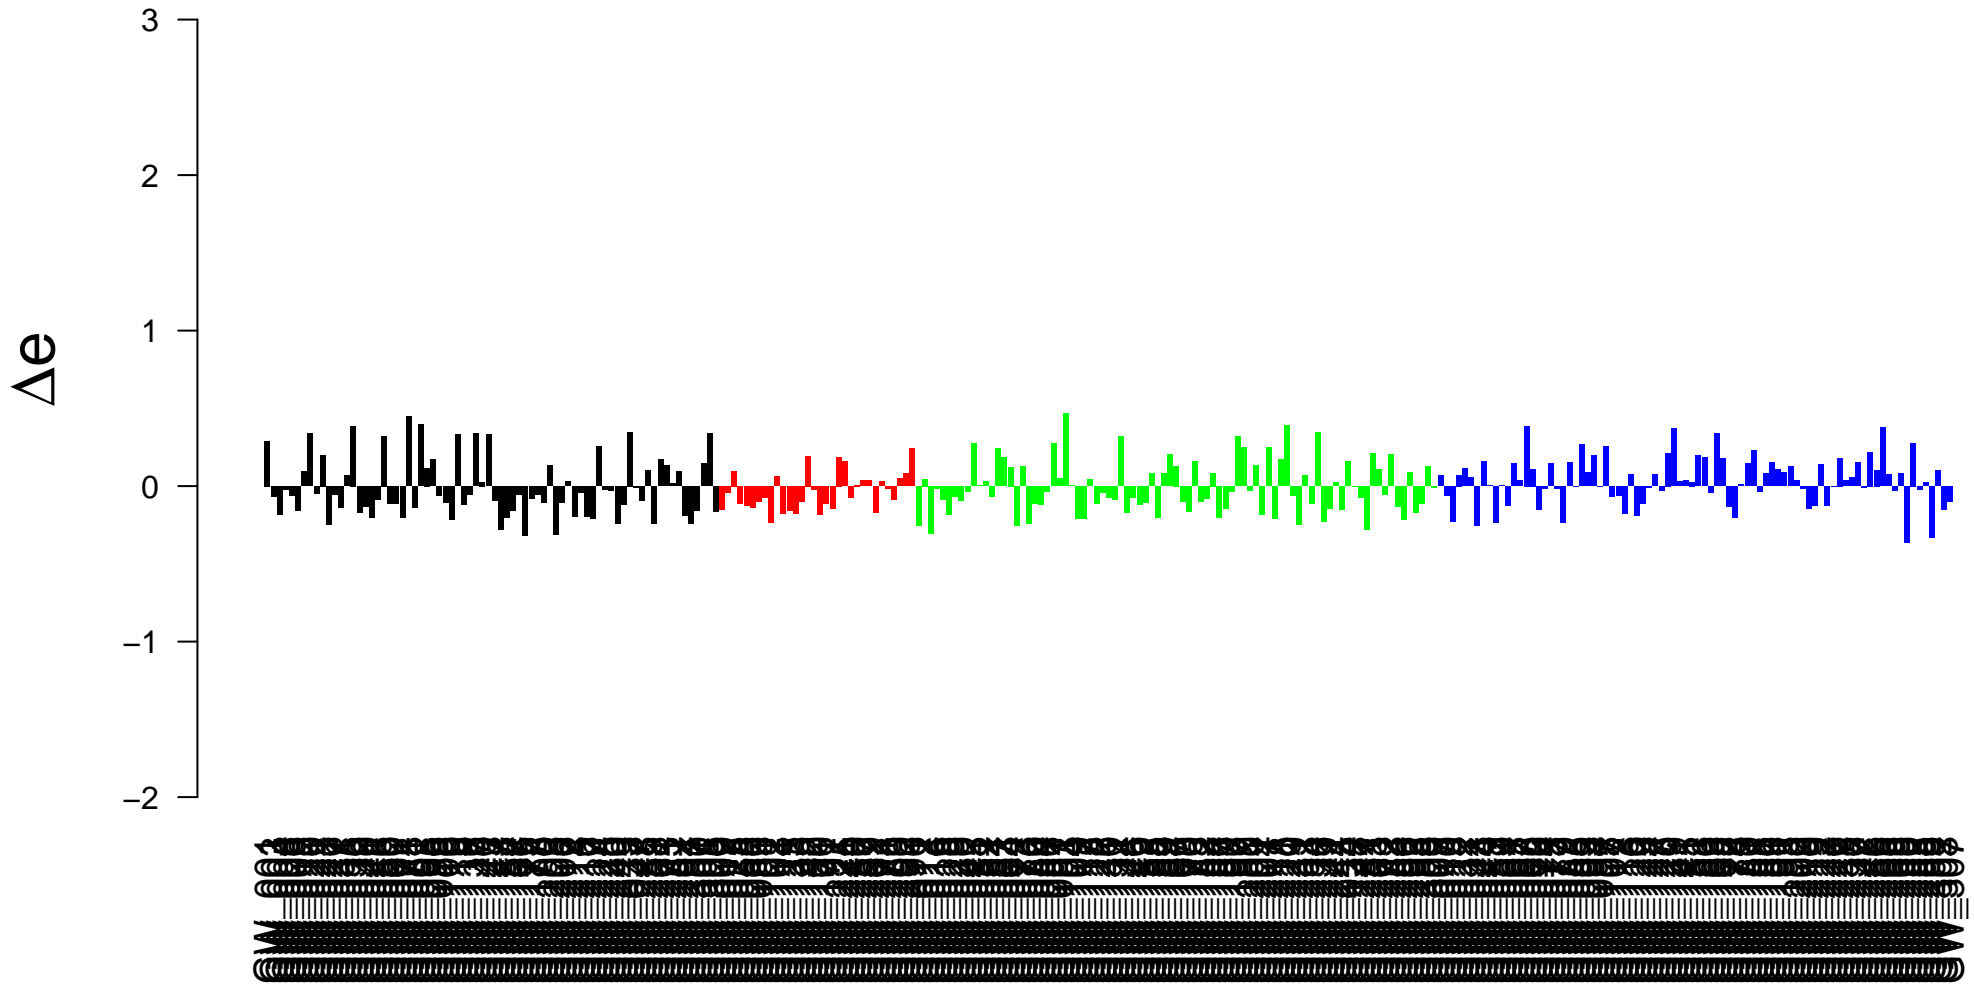

Expression of response to hormone in Spot B

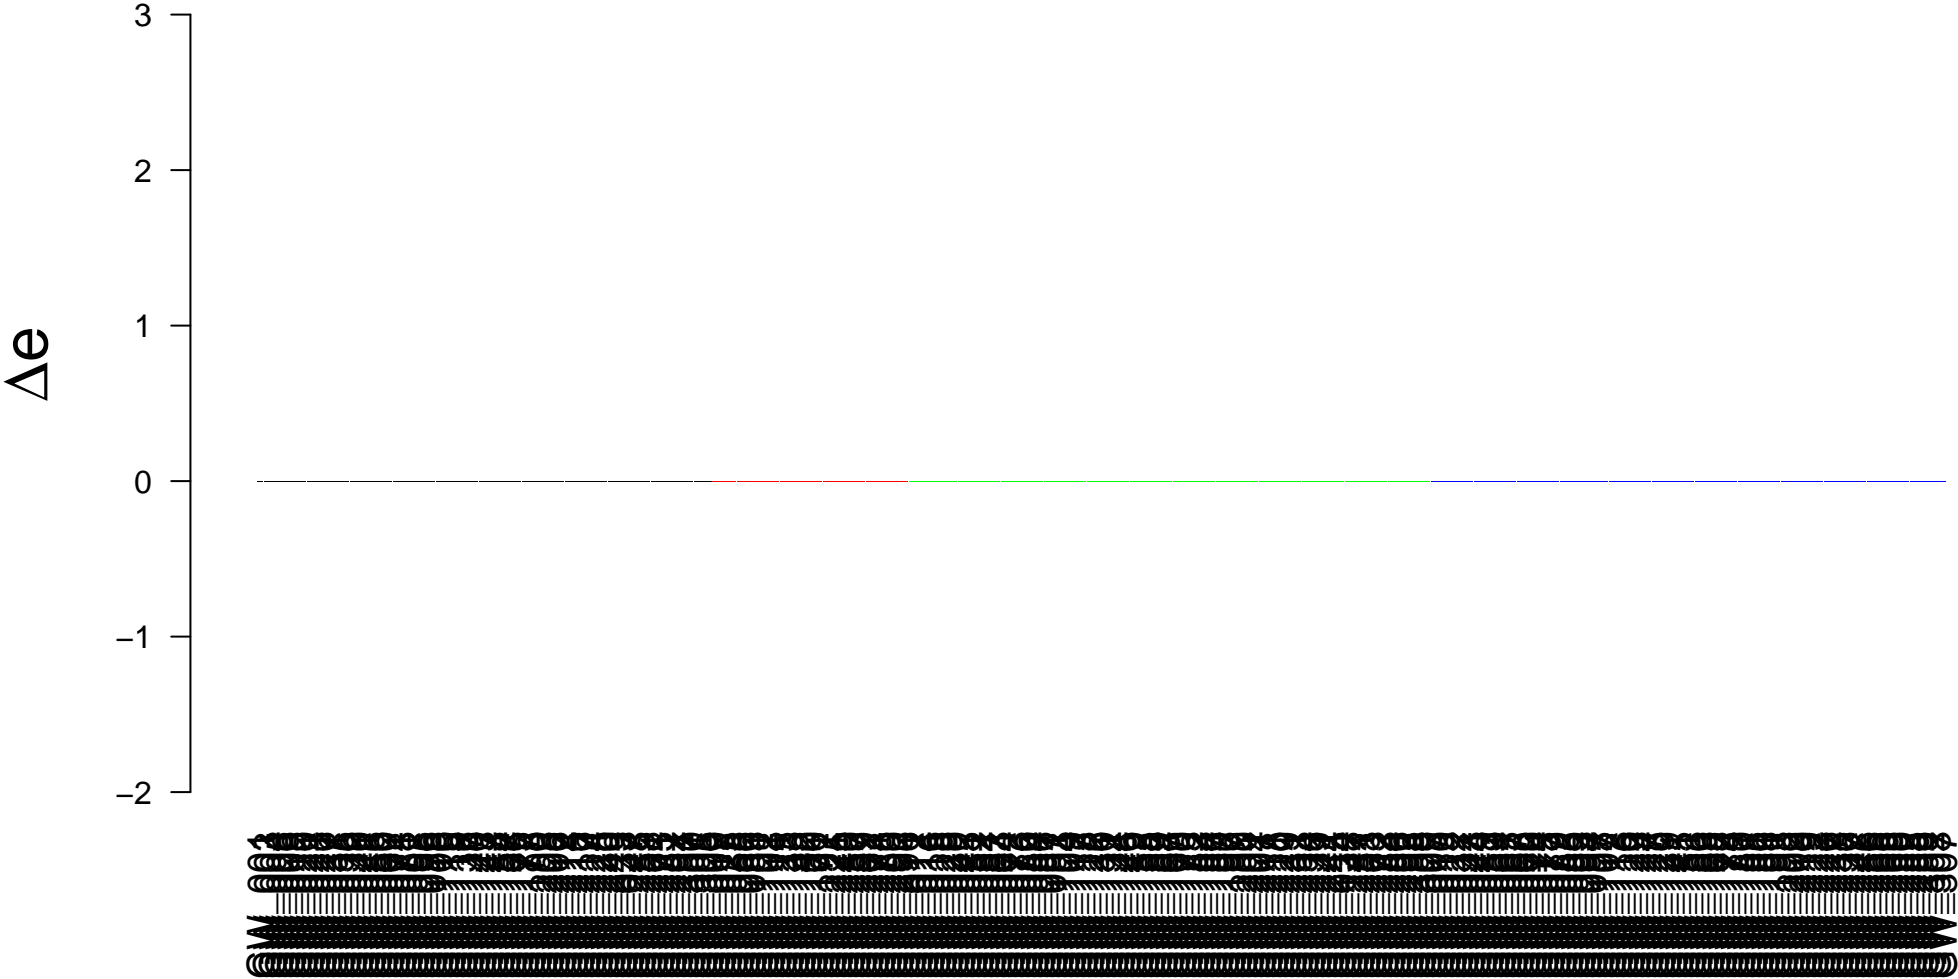

Expression of response to hormone in Spot C

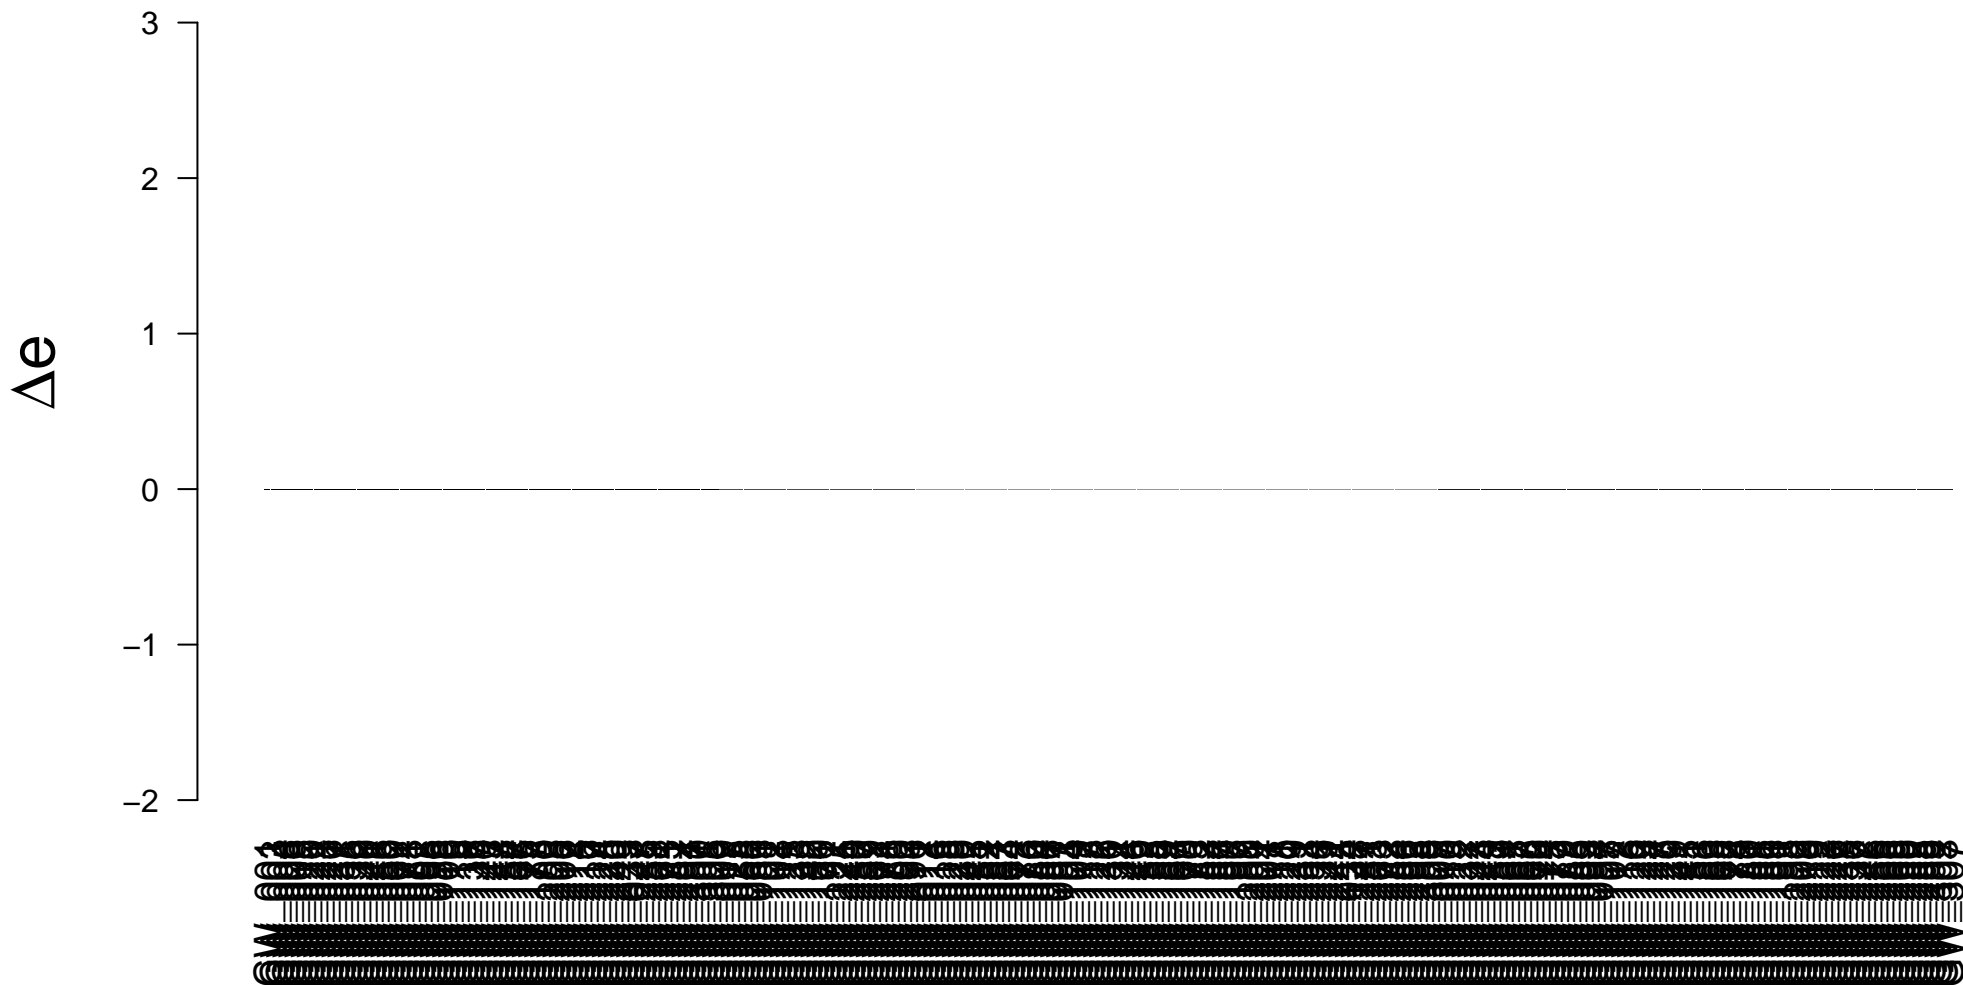

Expression of response to hormone in Spot D

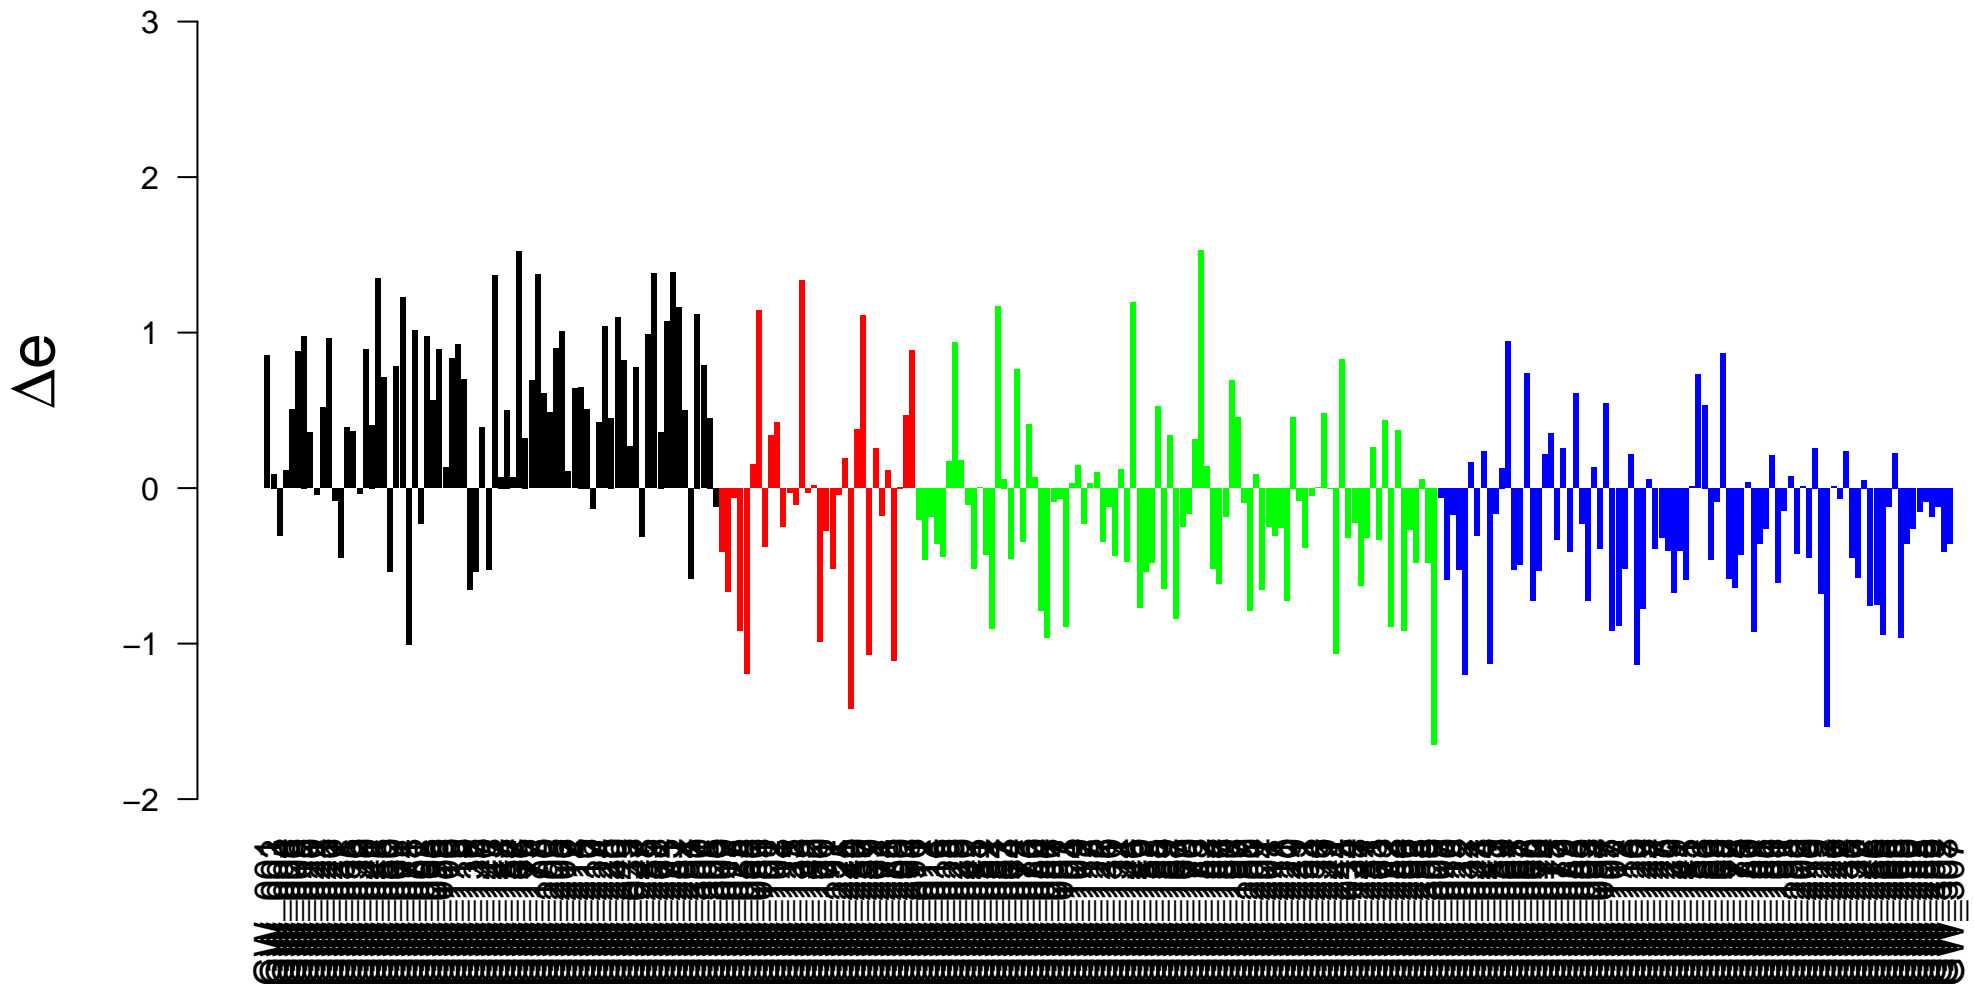

Expression of response to hormone in Spot E

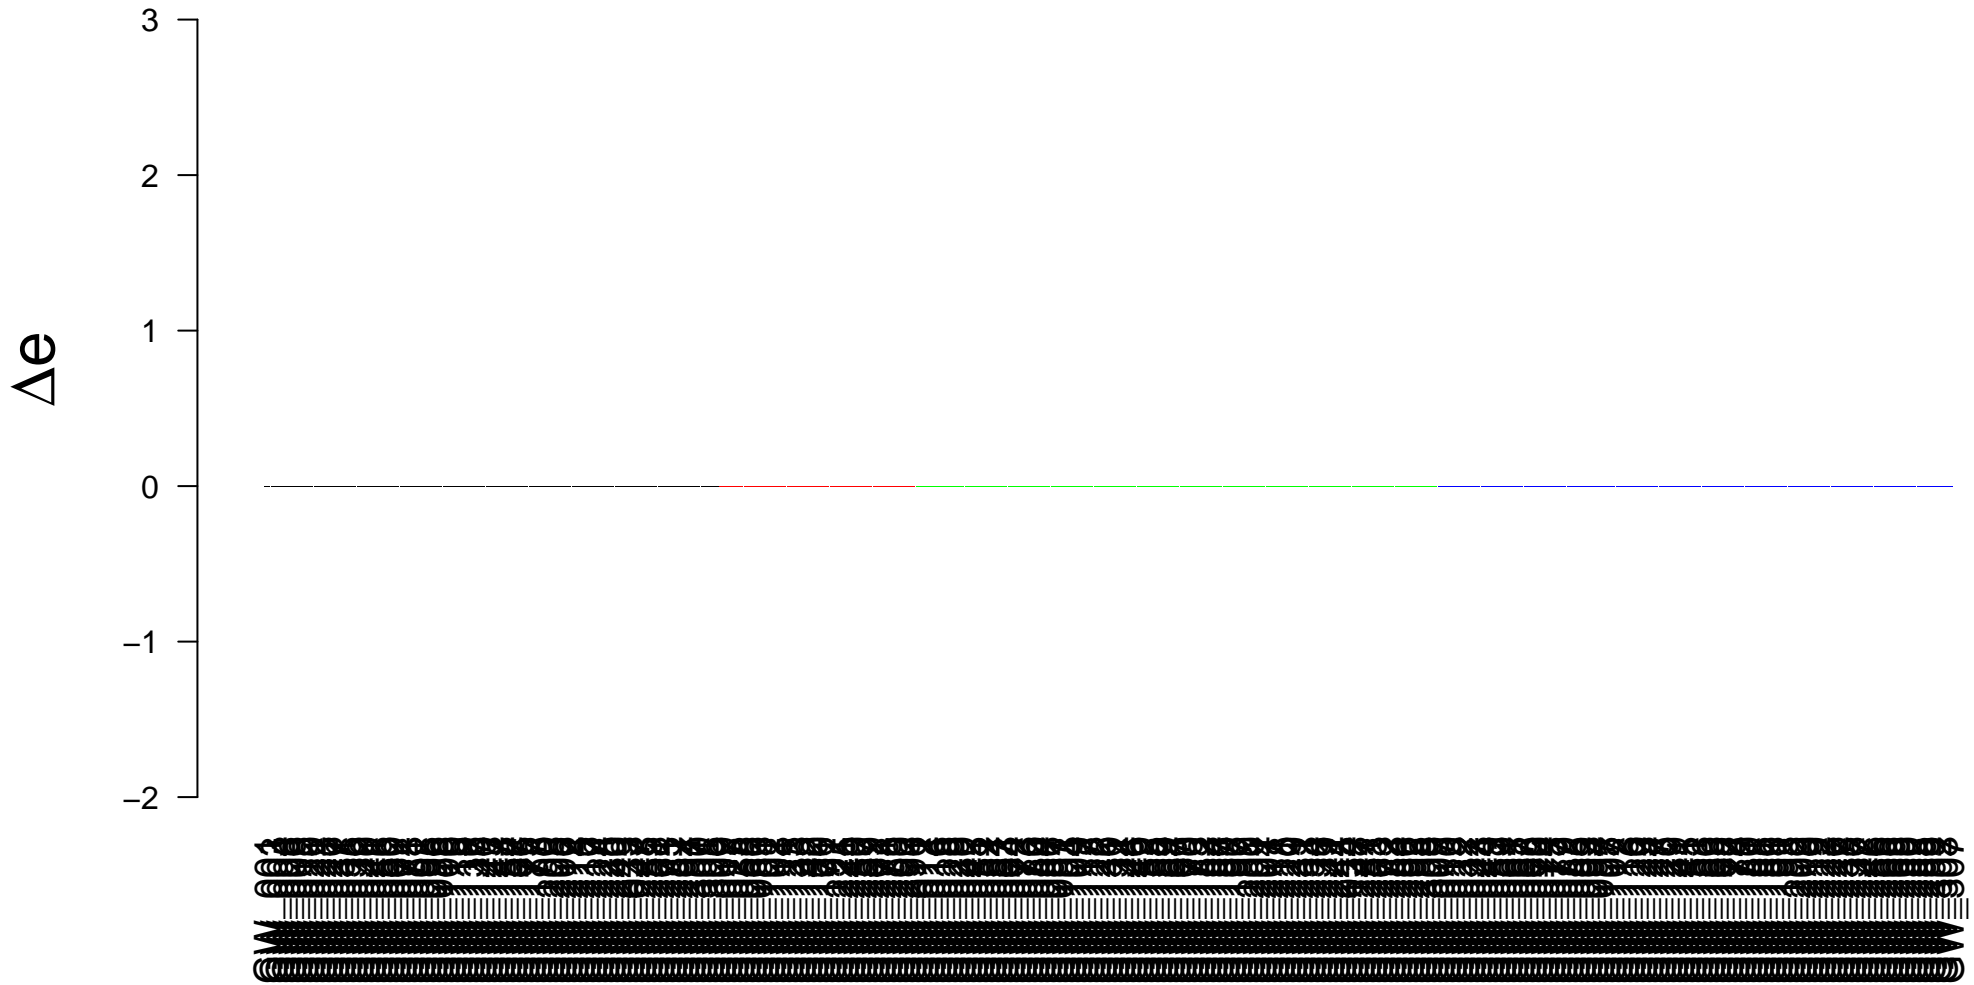

Expression of response to hormone in Spot F

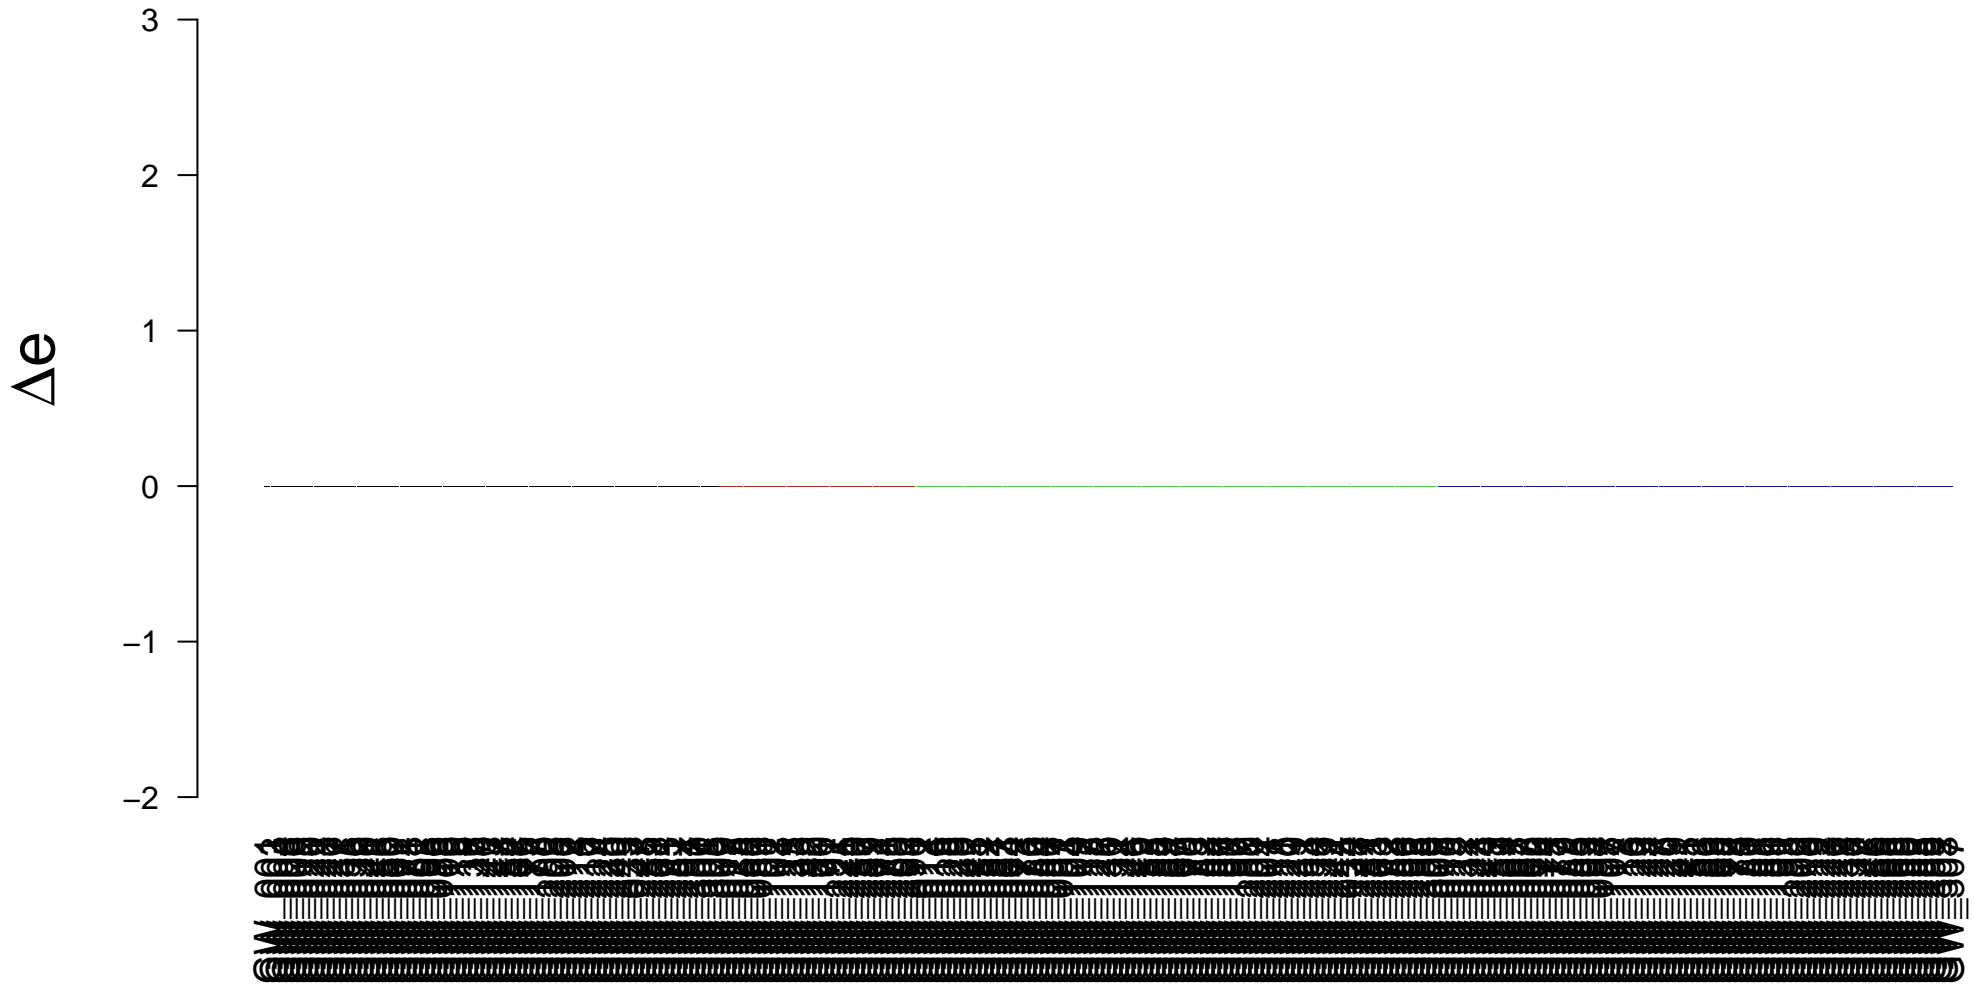

Expression of response to hormone in Spot G

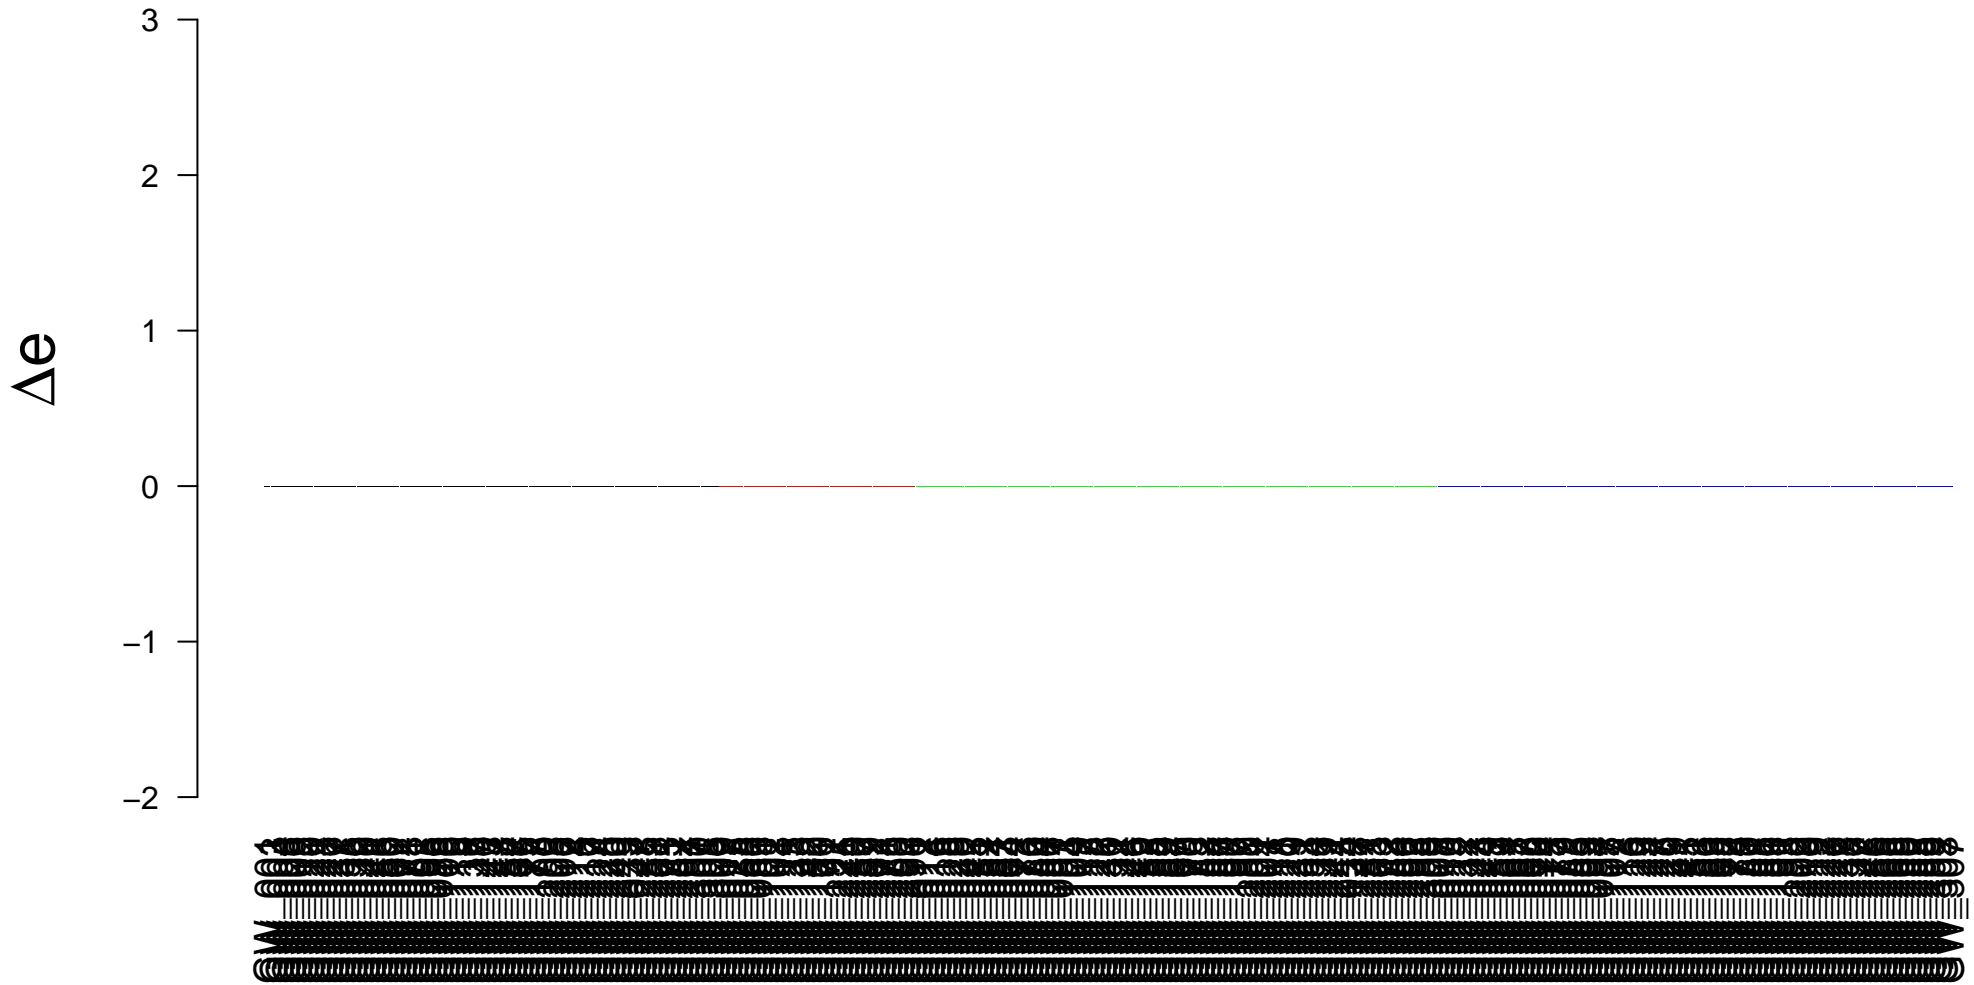

Expression of response to hormone in Spot H

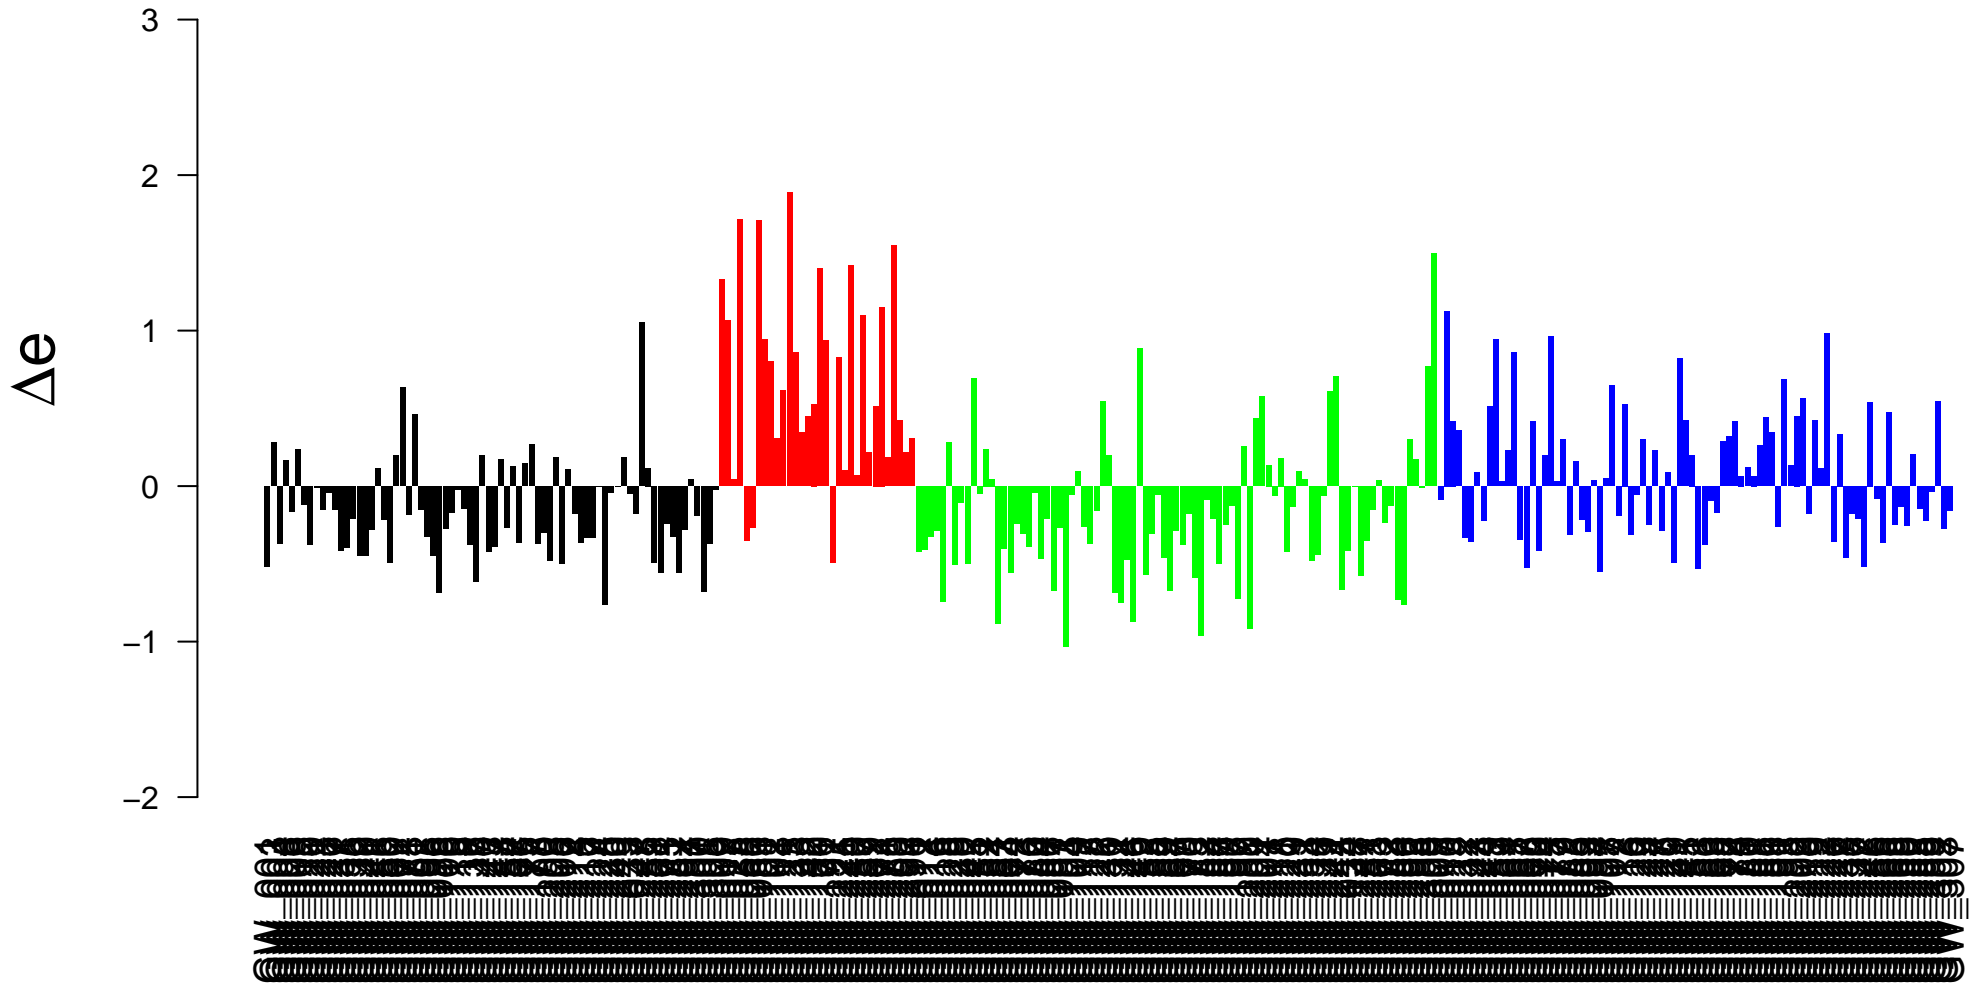

Expression of response to hormone in Spot I

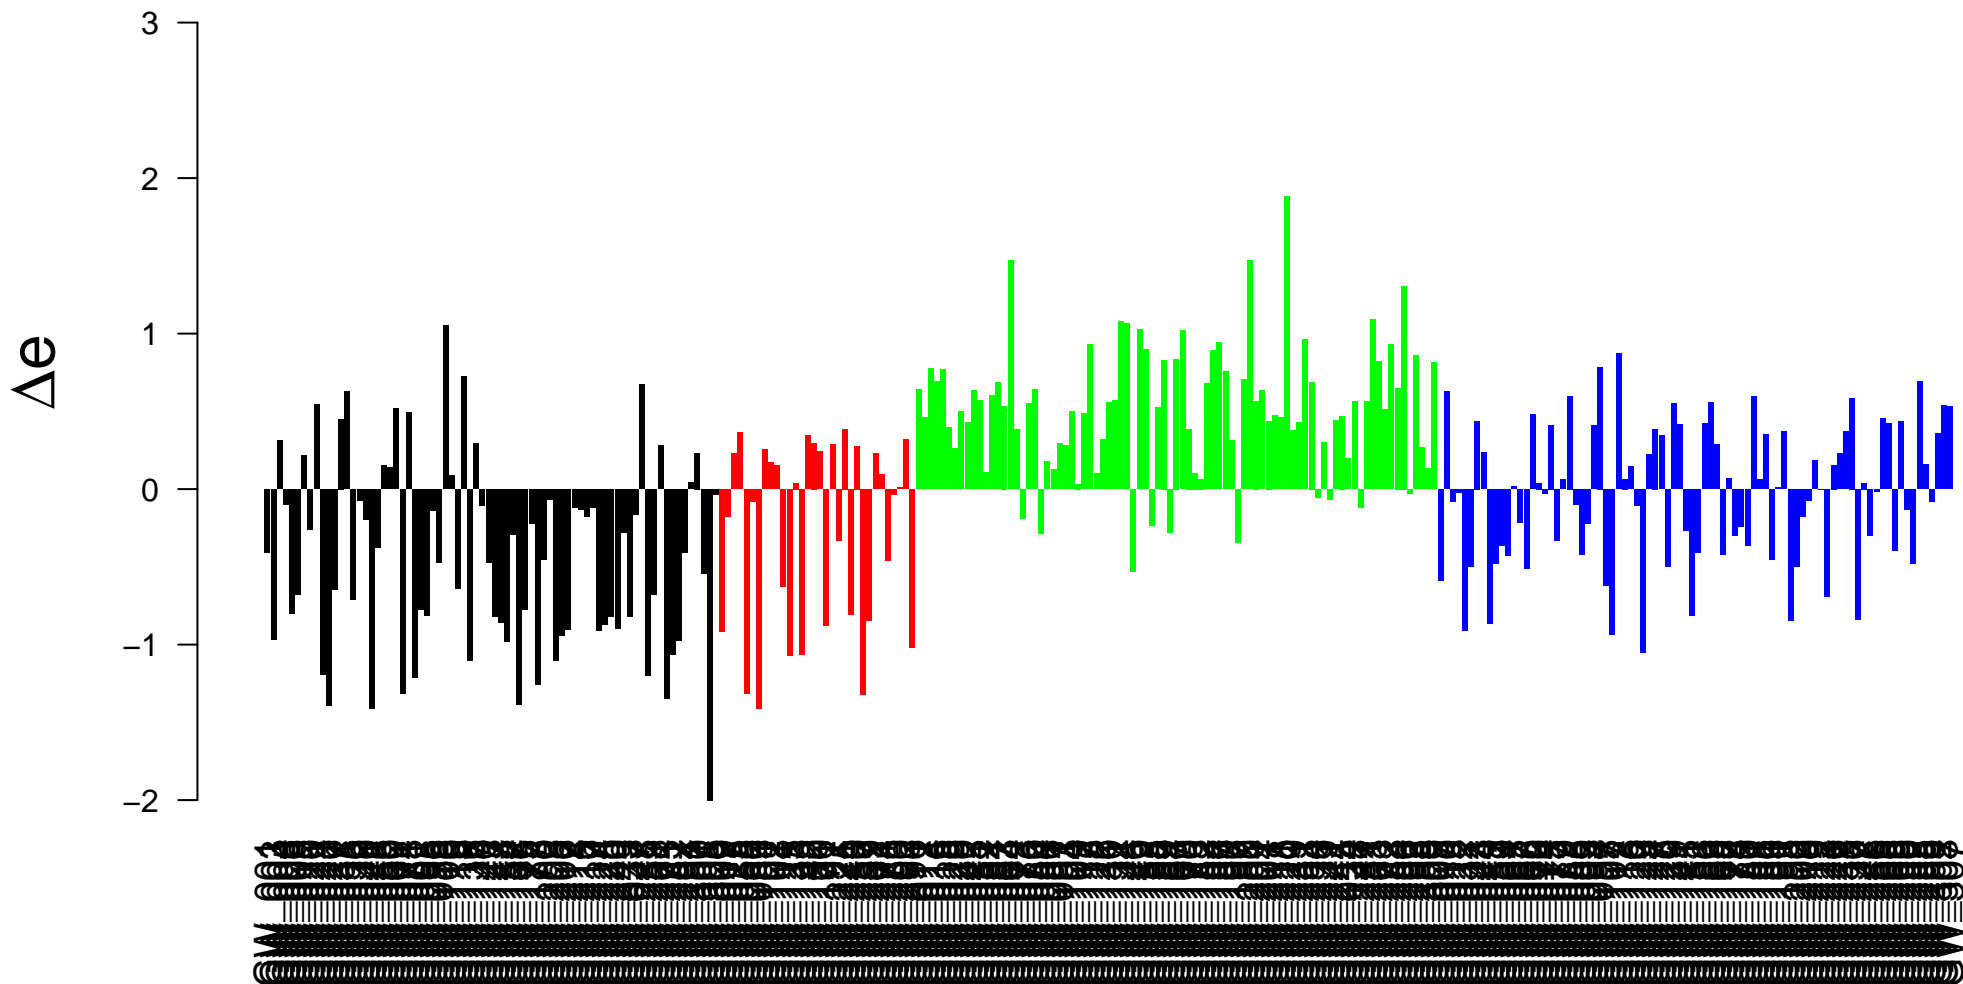

Expression of response to hormone in Spot J

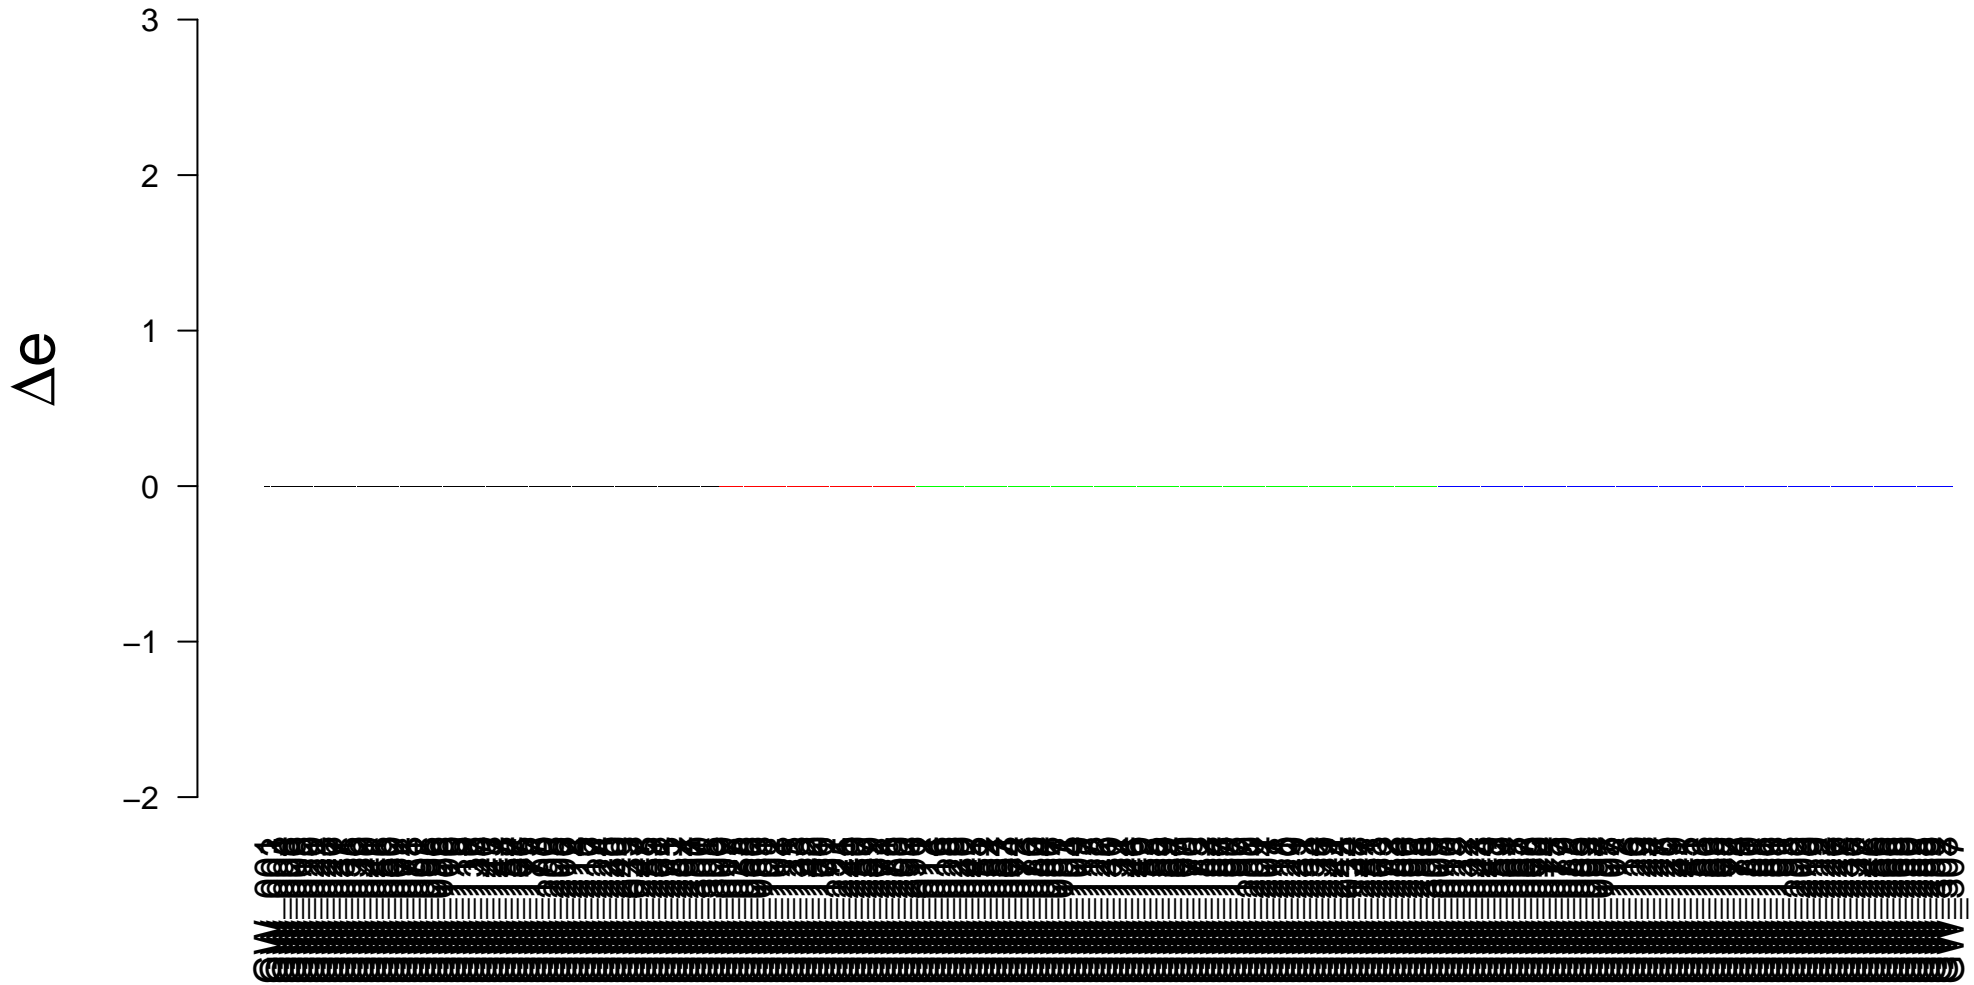

Expression of response to hormone in Spot K

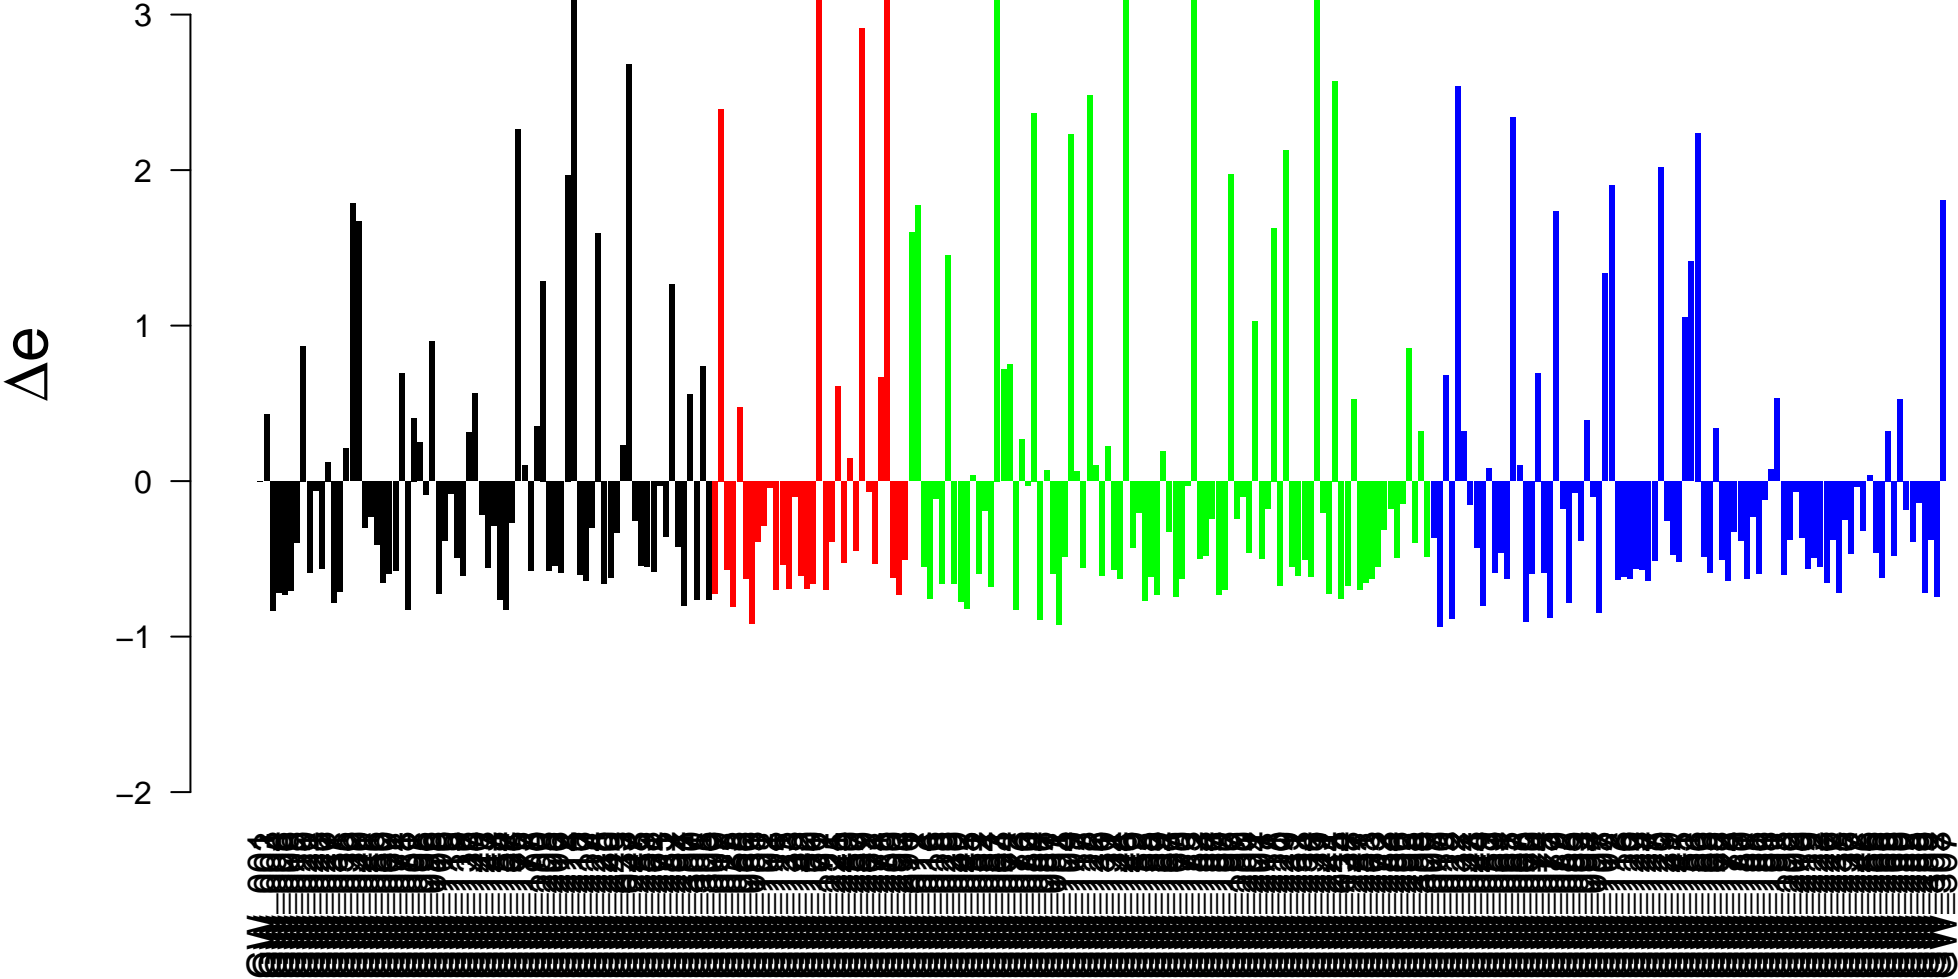

Expression of response to hormone in Spot L

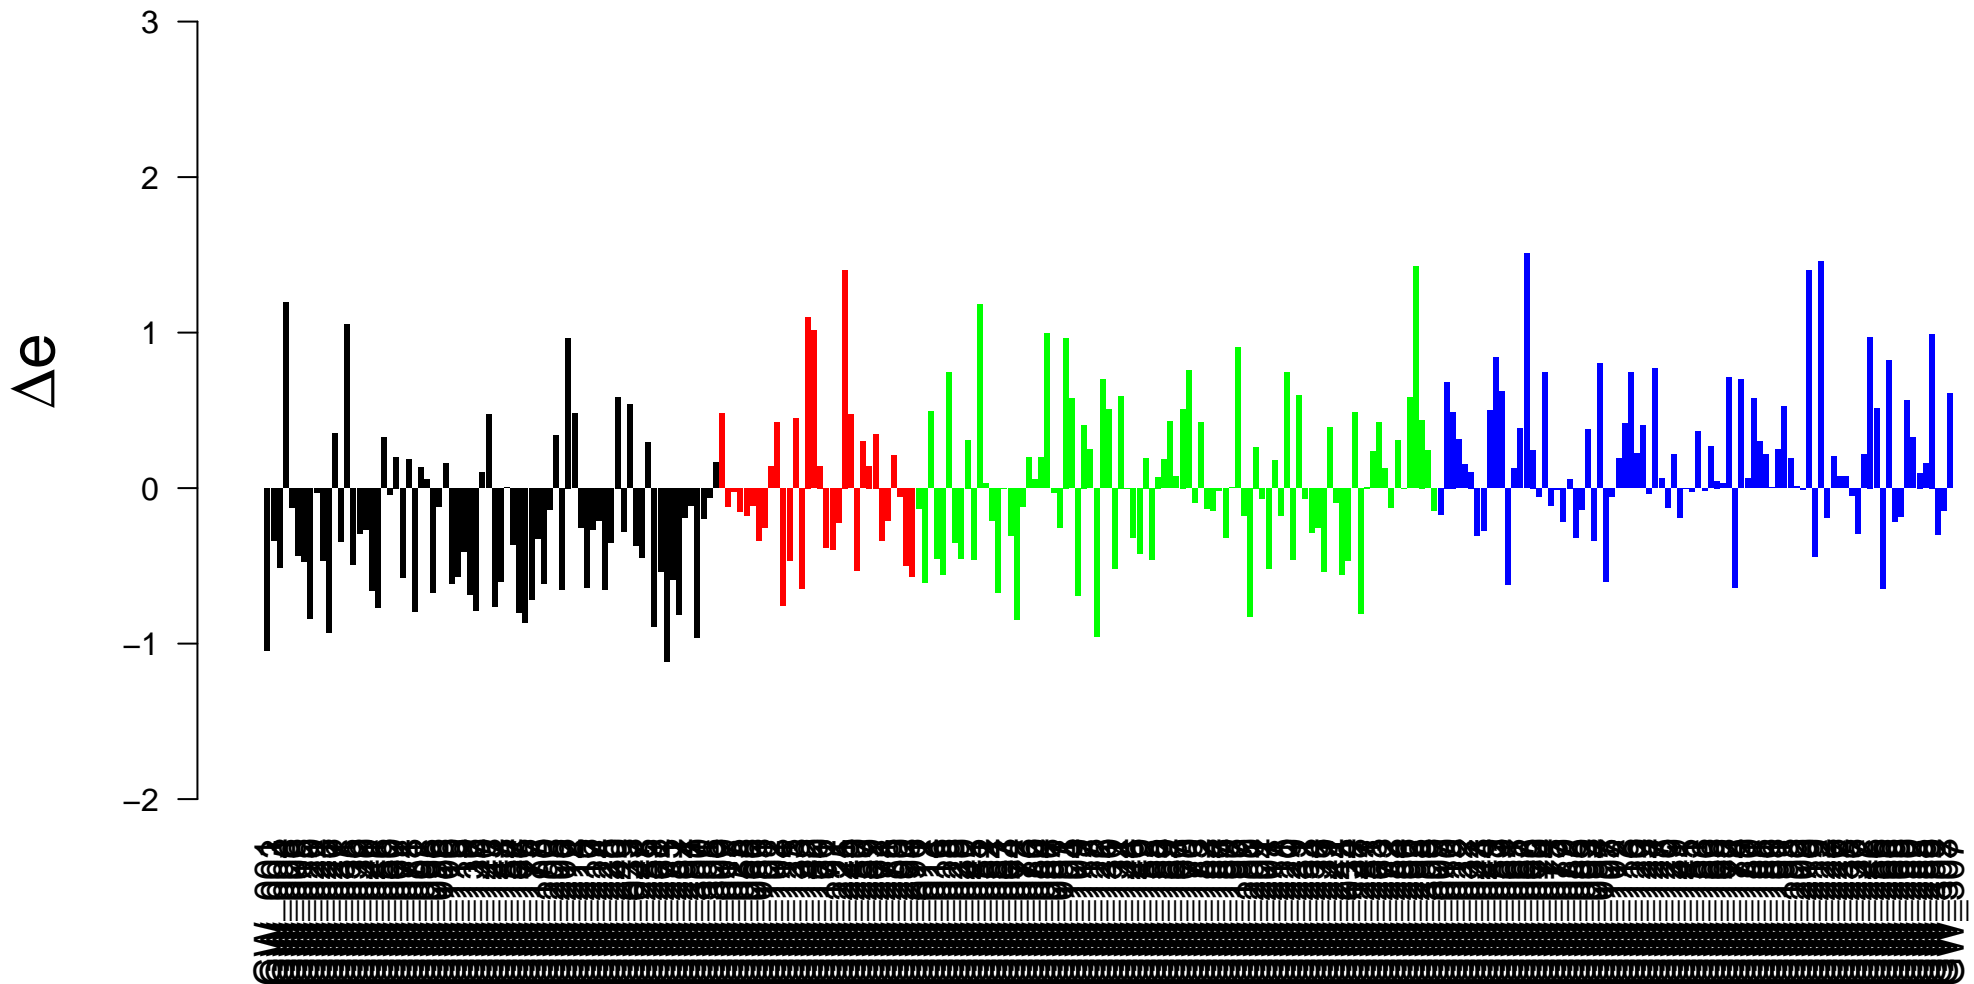

Expression of response to hormone in Spot M

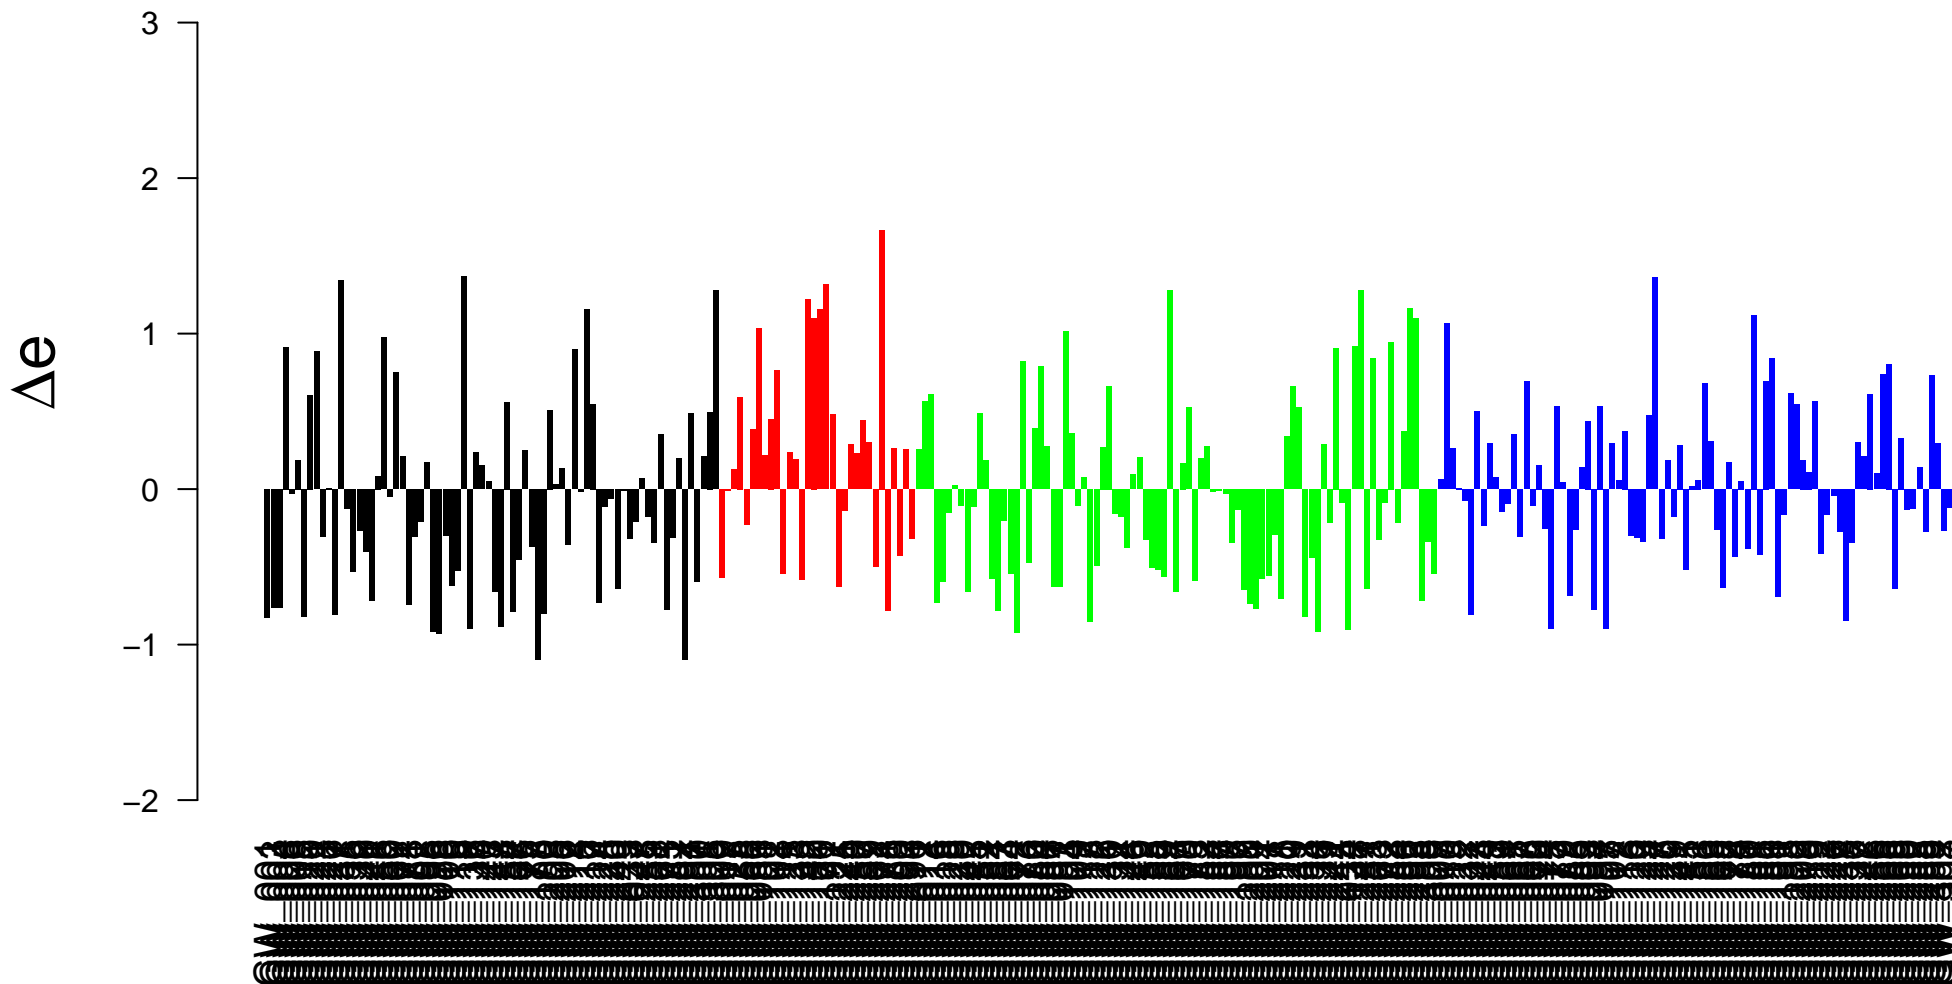

Expression of response to hormone in Spot N

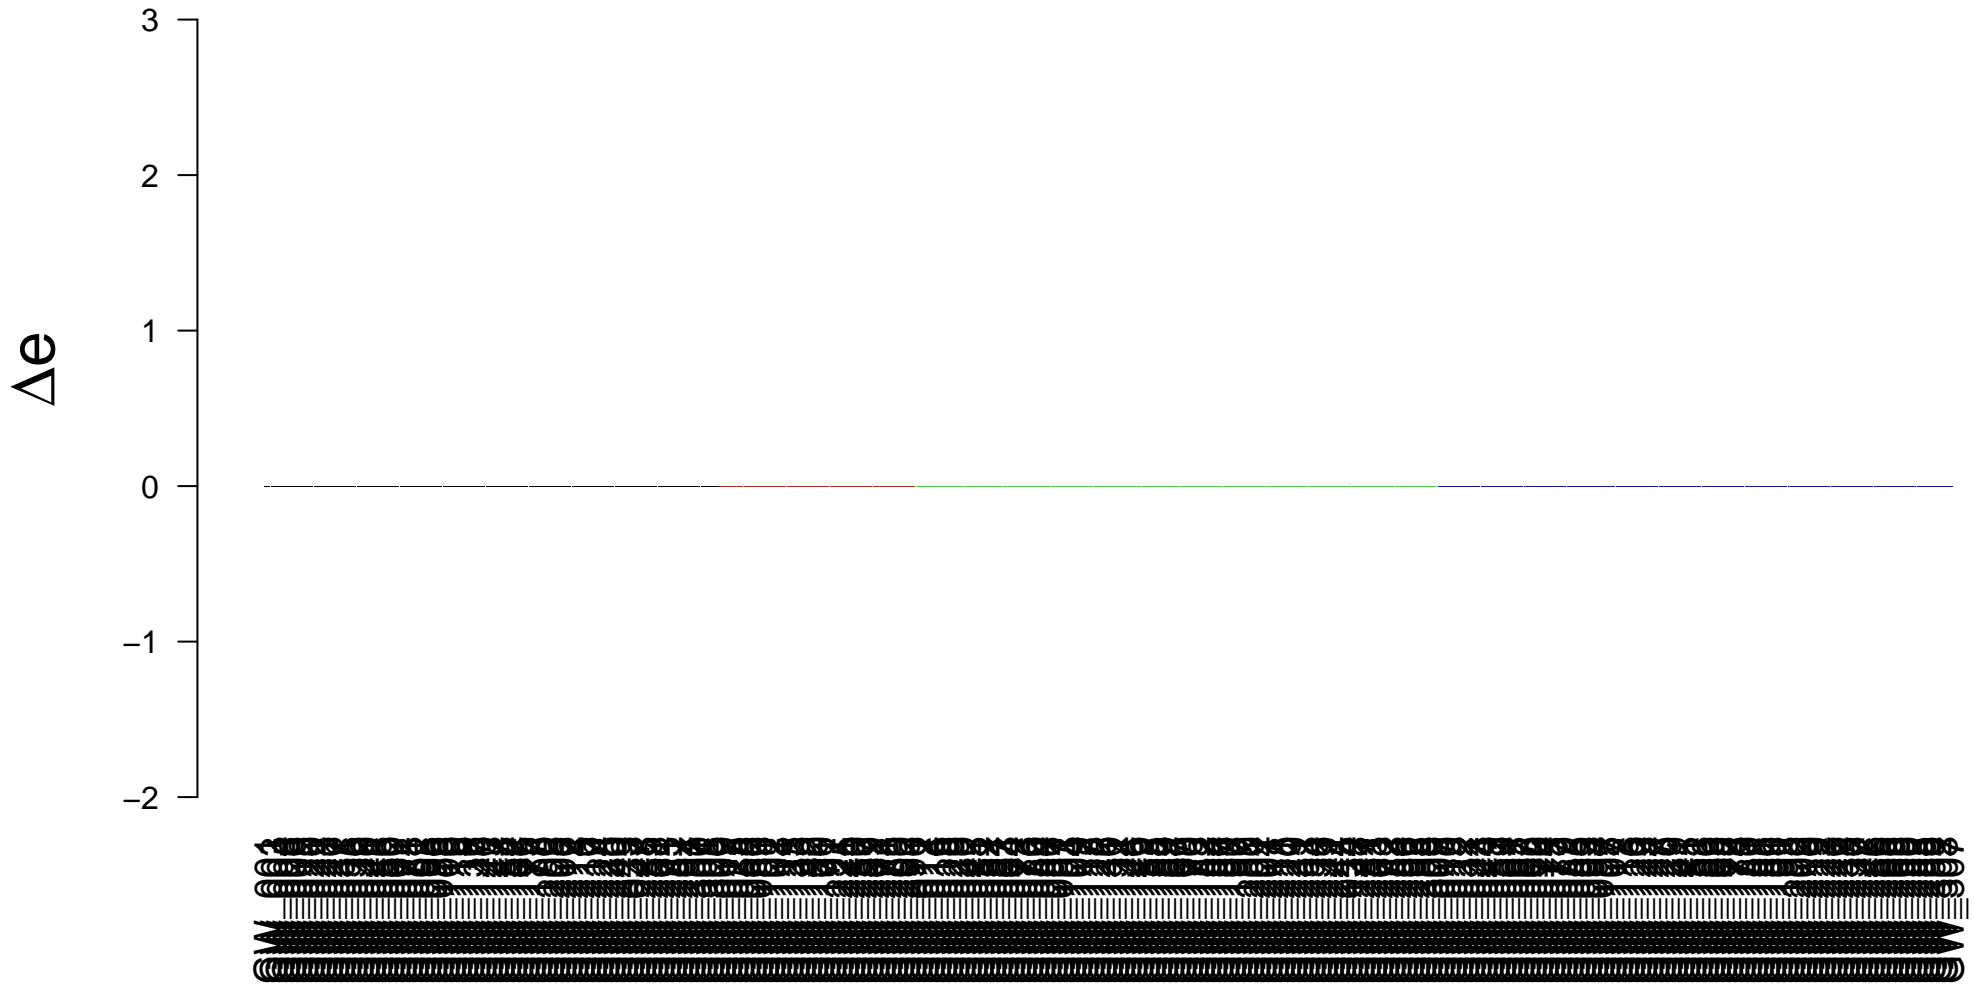

Expression of response to hormone in Spot O

Expression of response to hormone in Spot P

Expression of response to hormone in Spot Q

Expression of response to hormone in Spot R
