

response to interferon-gamma

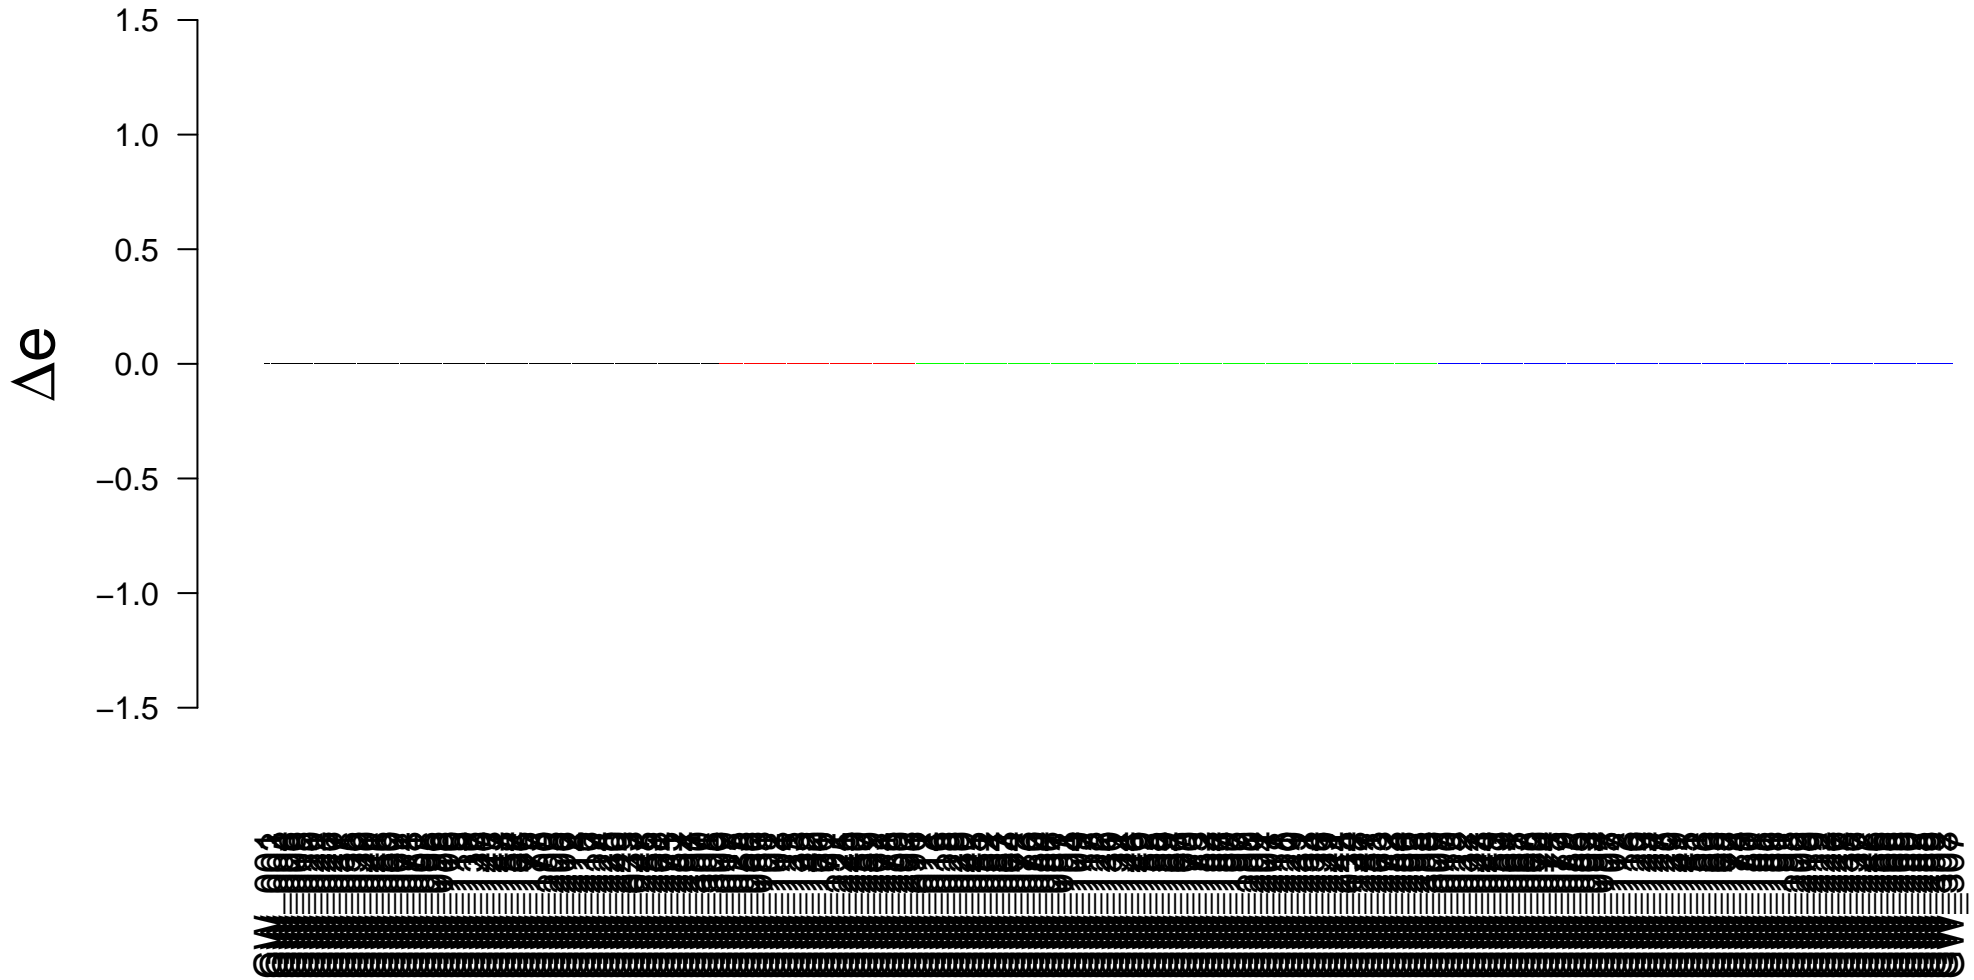

response to interferon-gamma

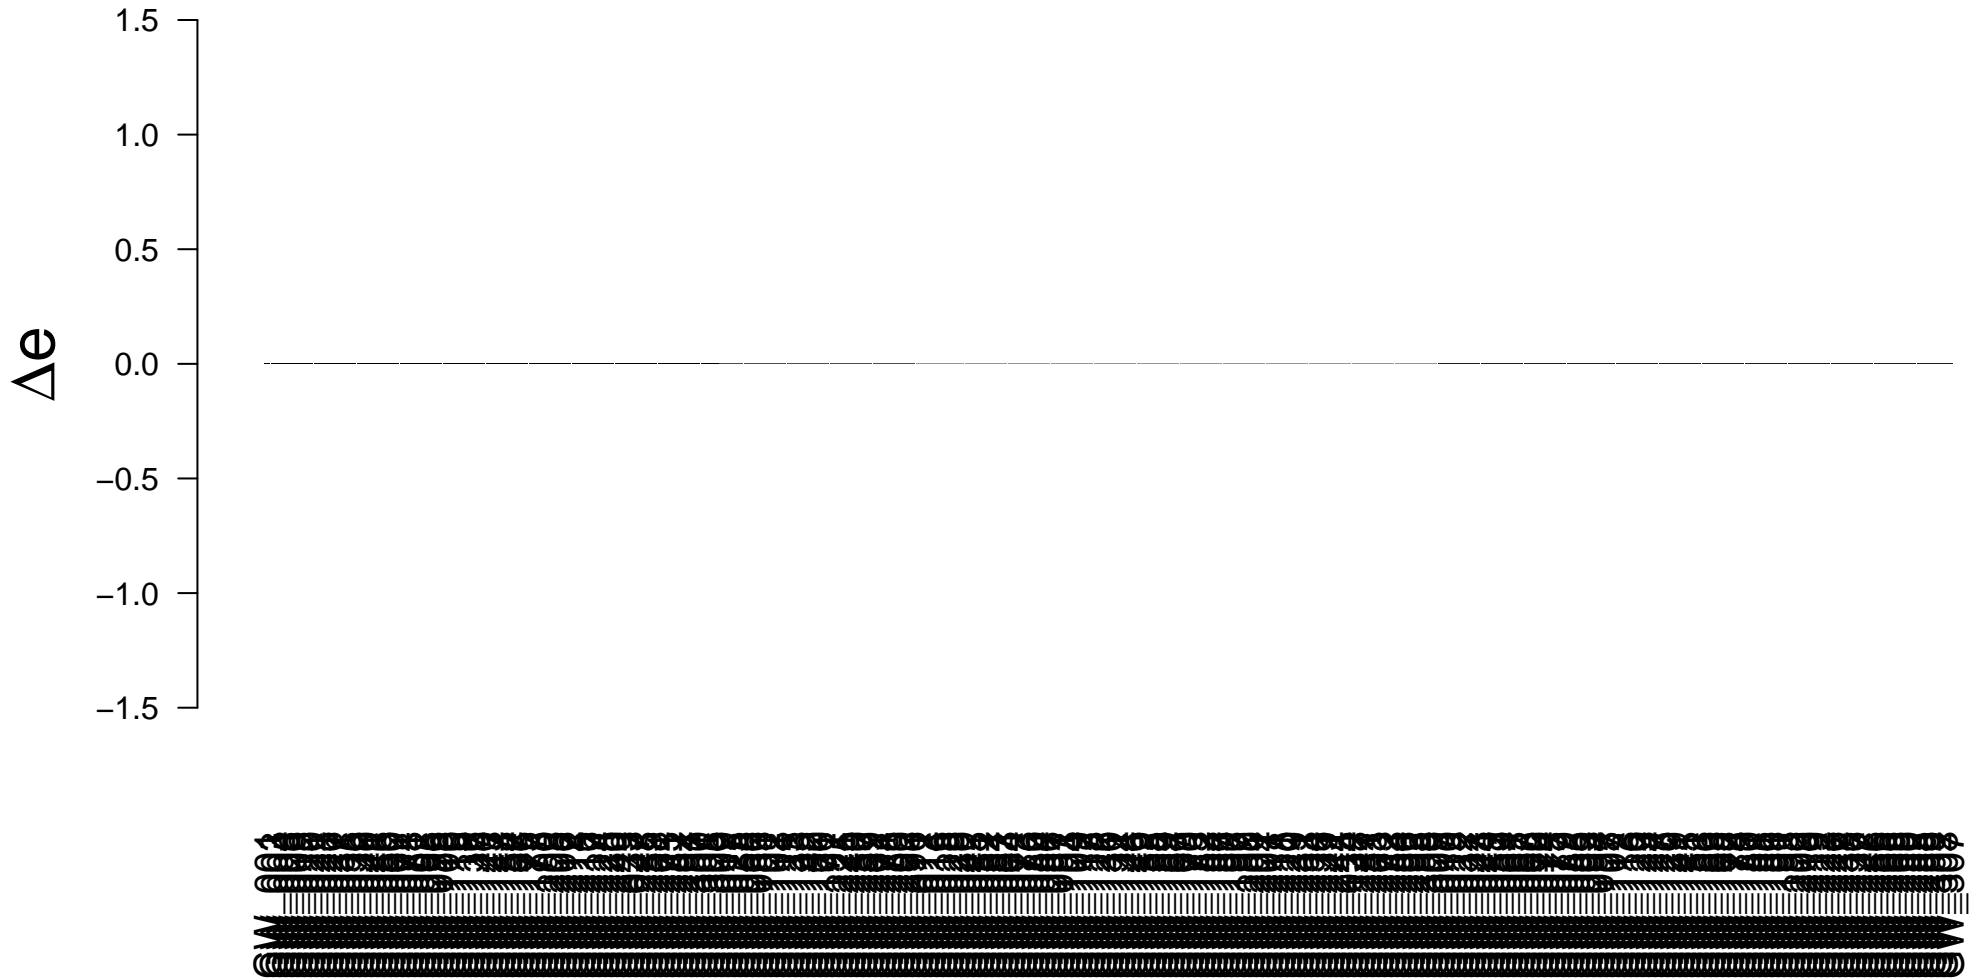

Enrichment in spots: response to interferon-gamma

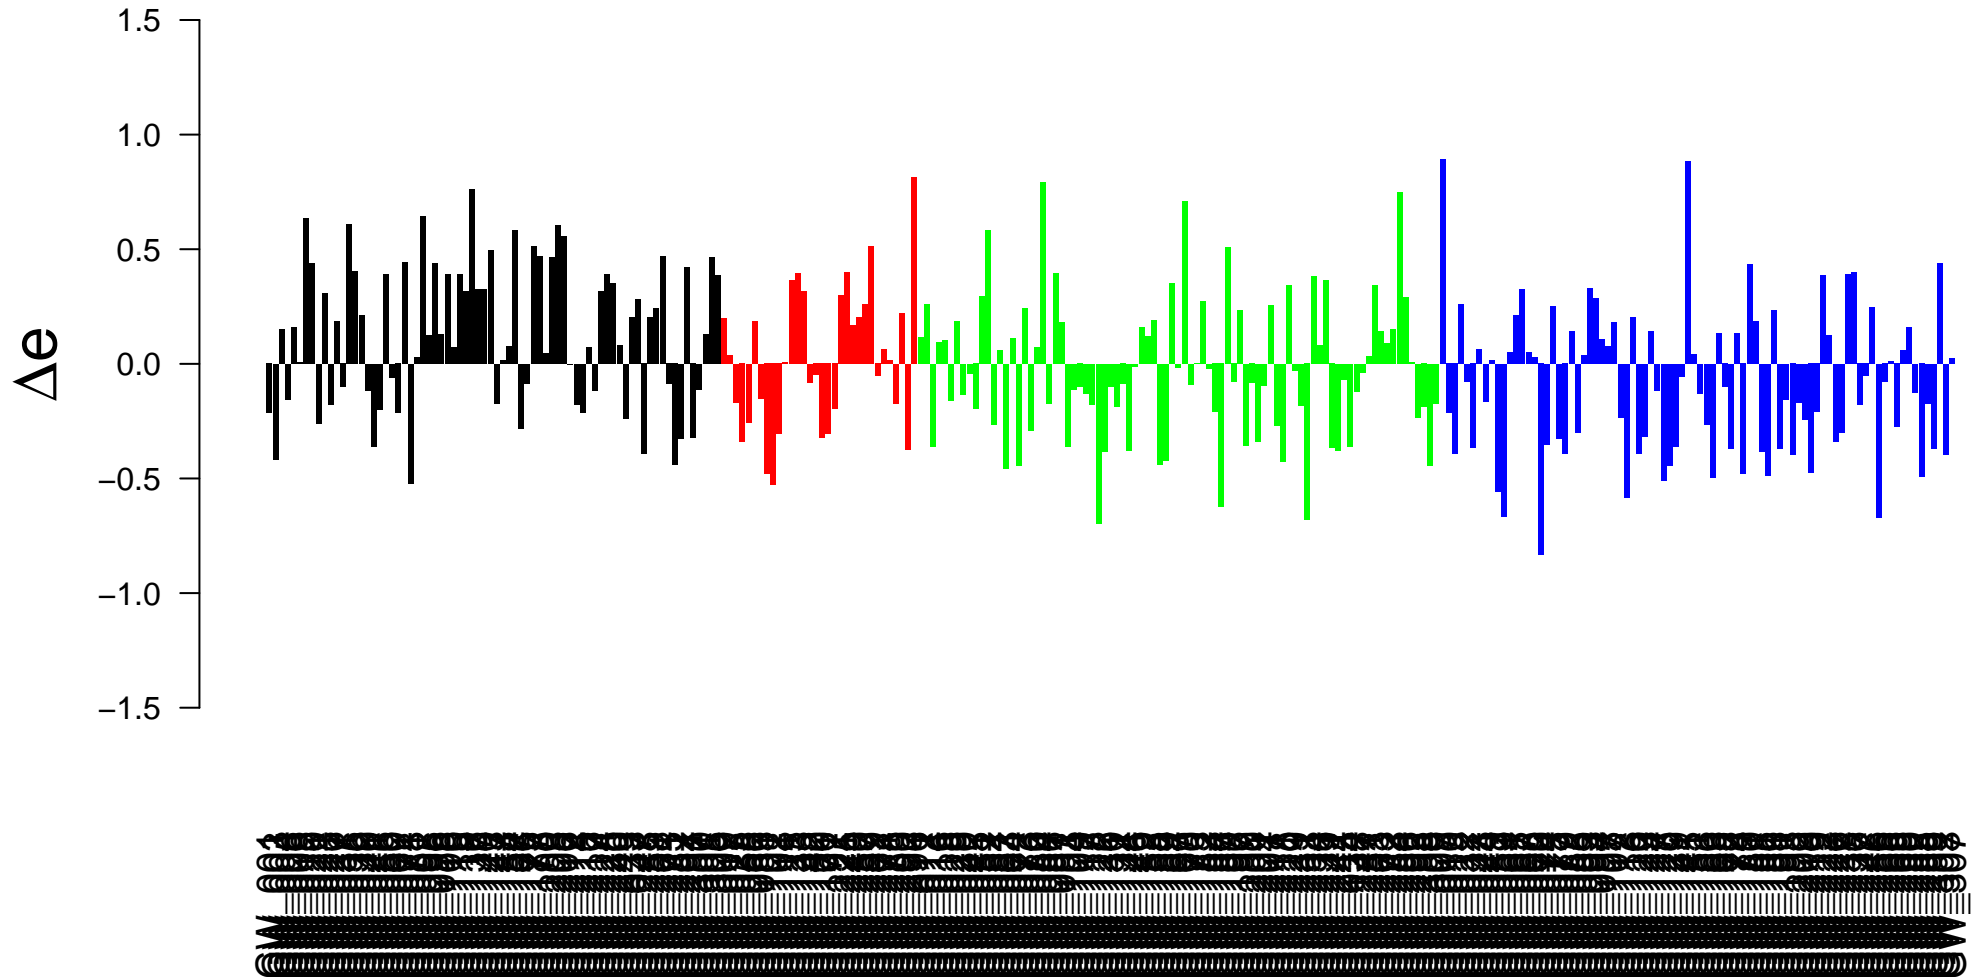

Expression of response to interferon-gamma in Spot A

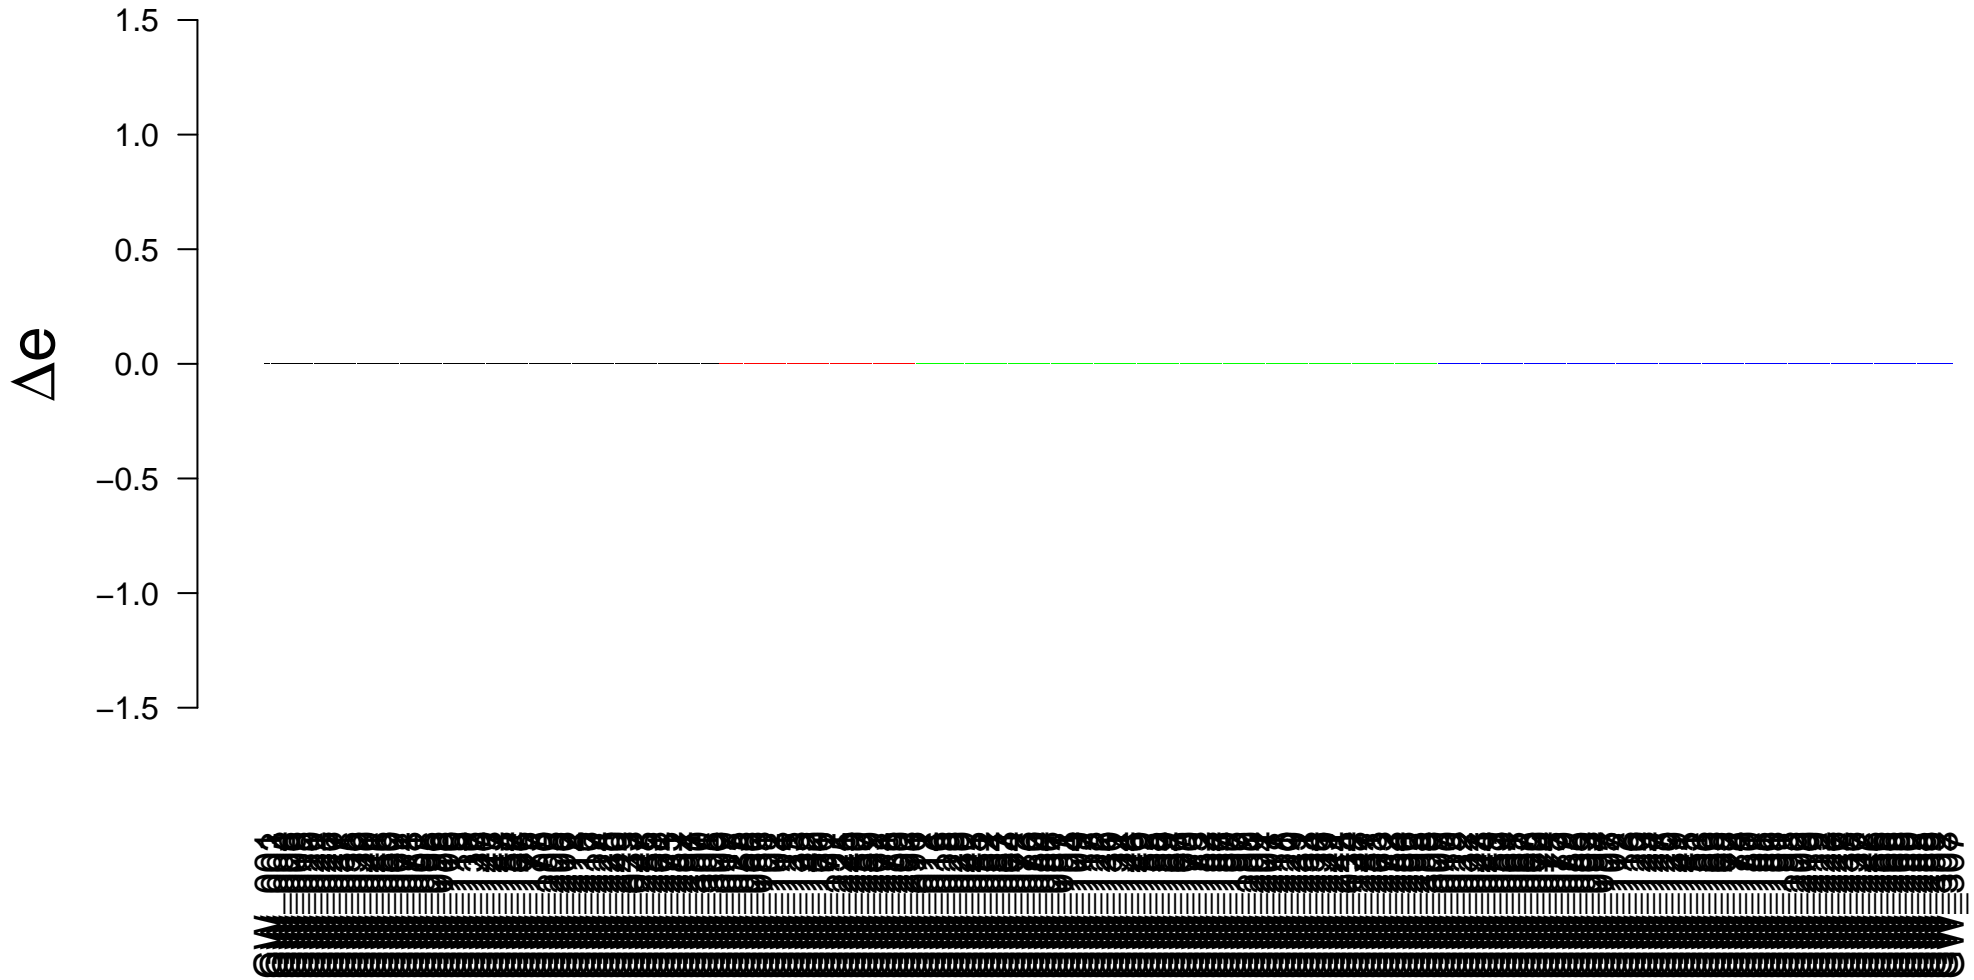

Expression of response to interferon-gamma in Spot B

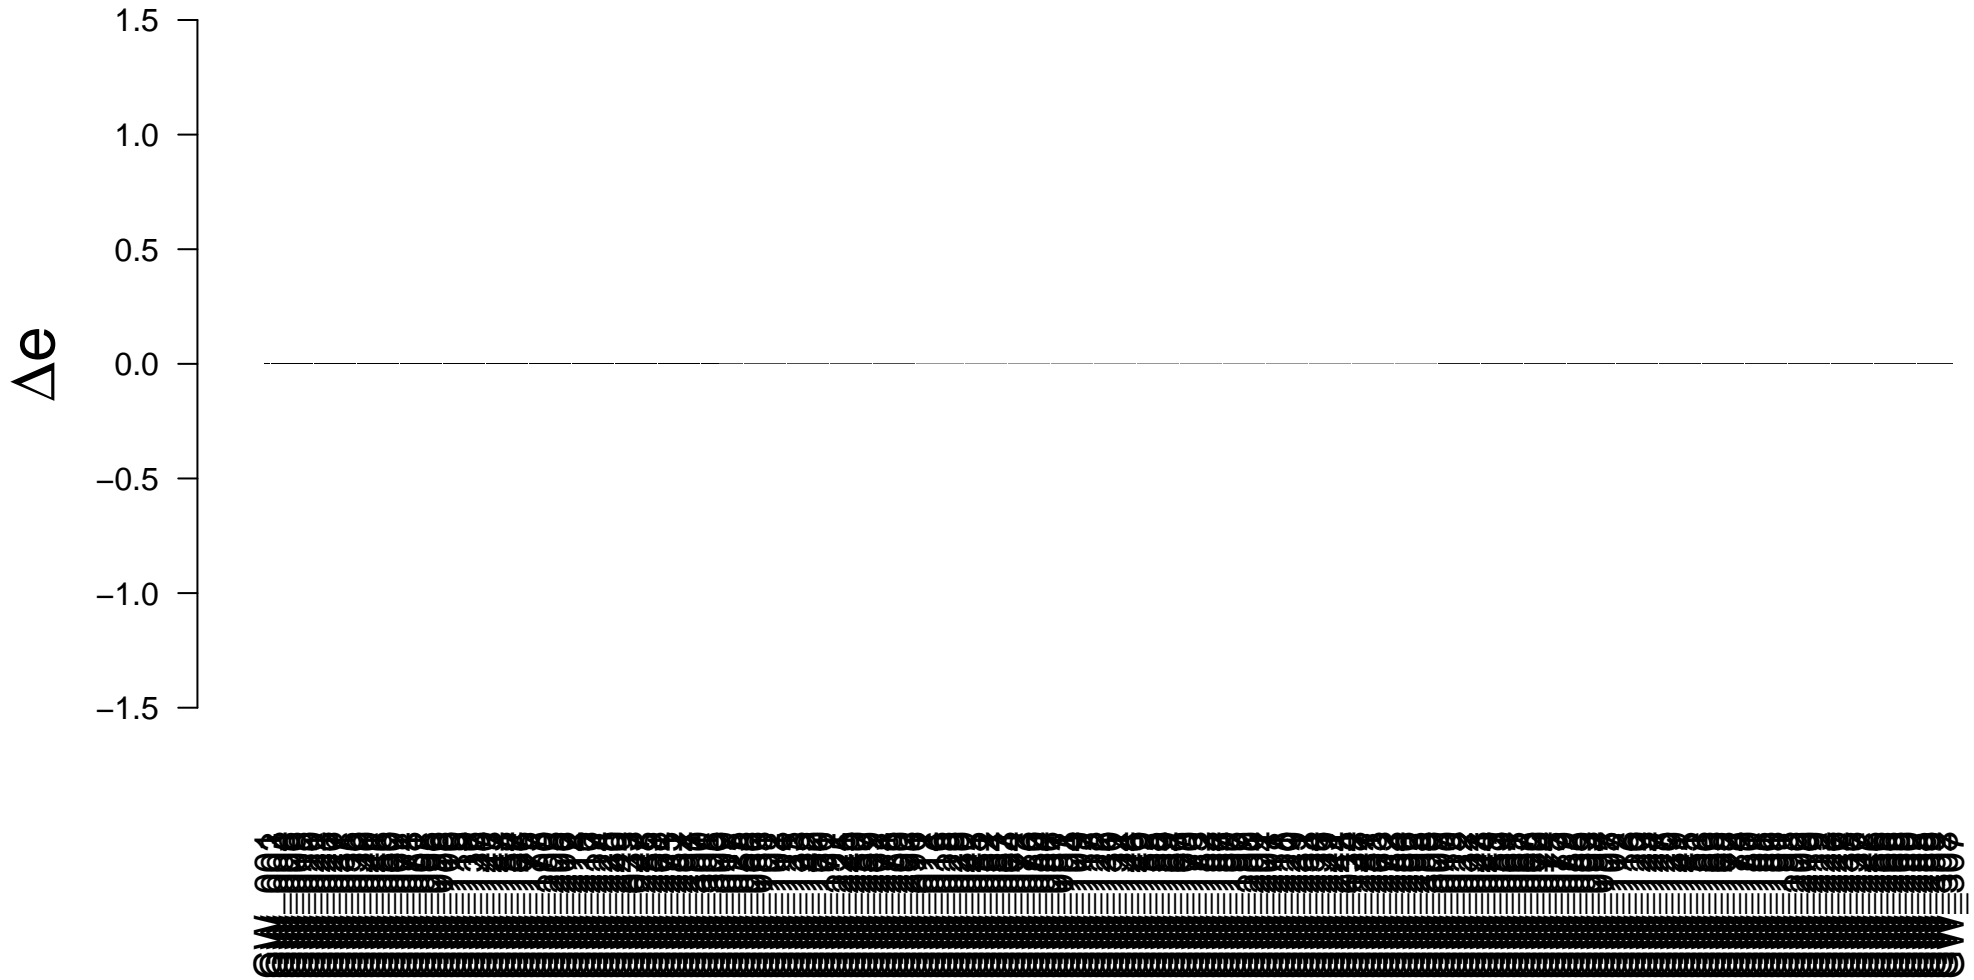

Expression of response to interferon-gamma in Spot C

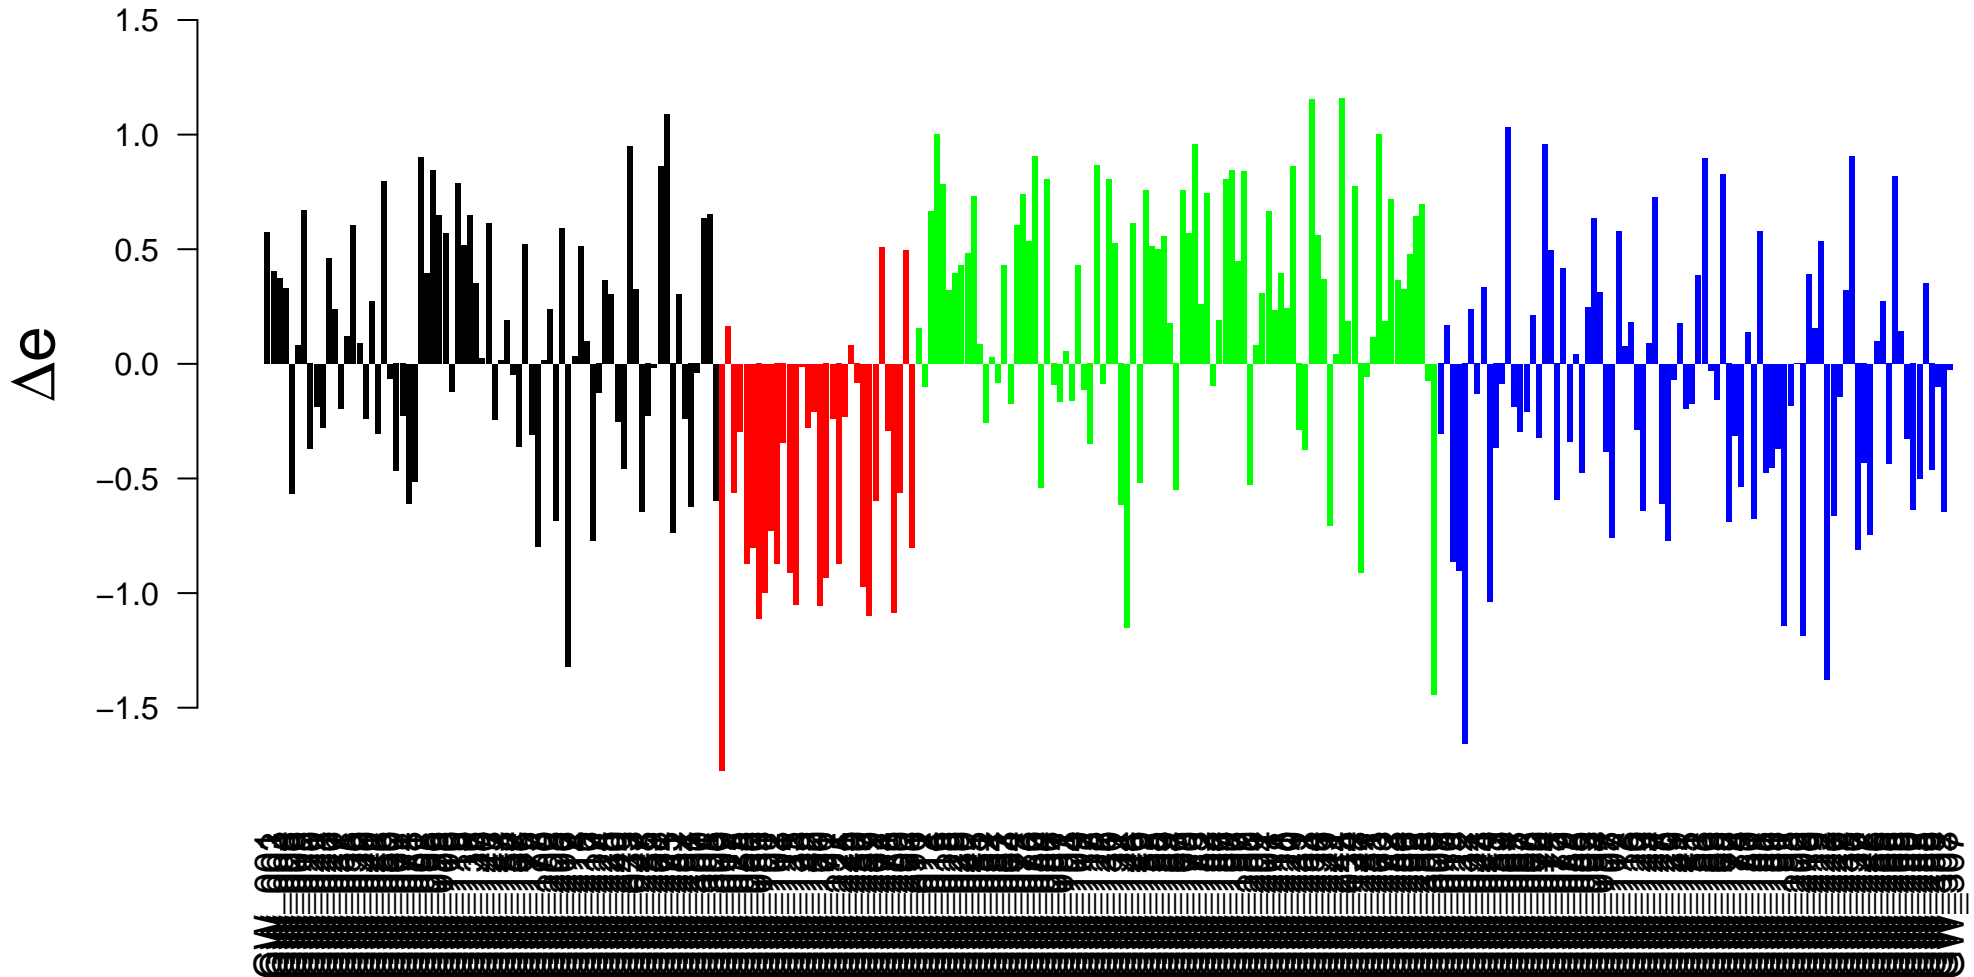

Expression of response to interferon-gamma in Spot D

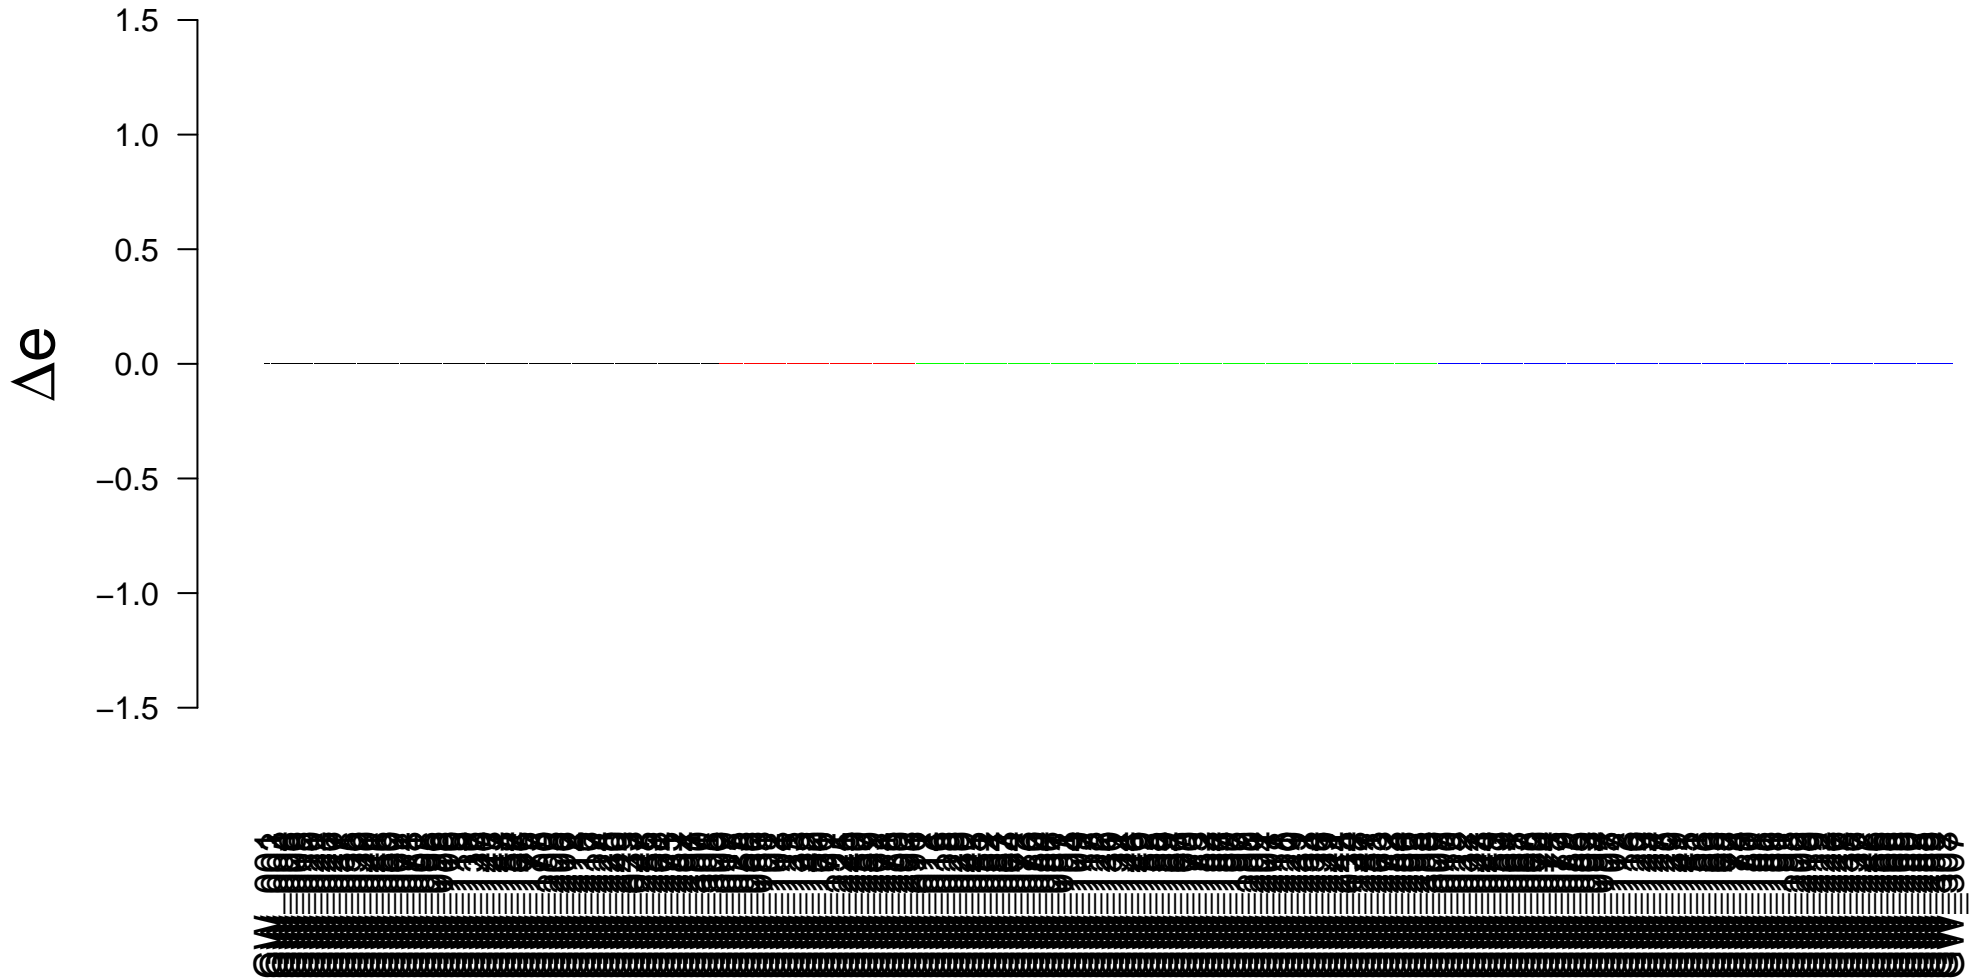

Expression of response to interferon-gamma in Spot E

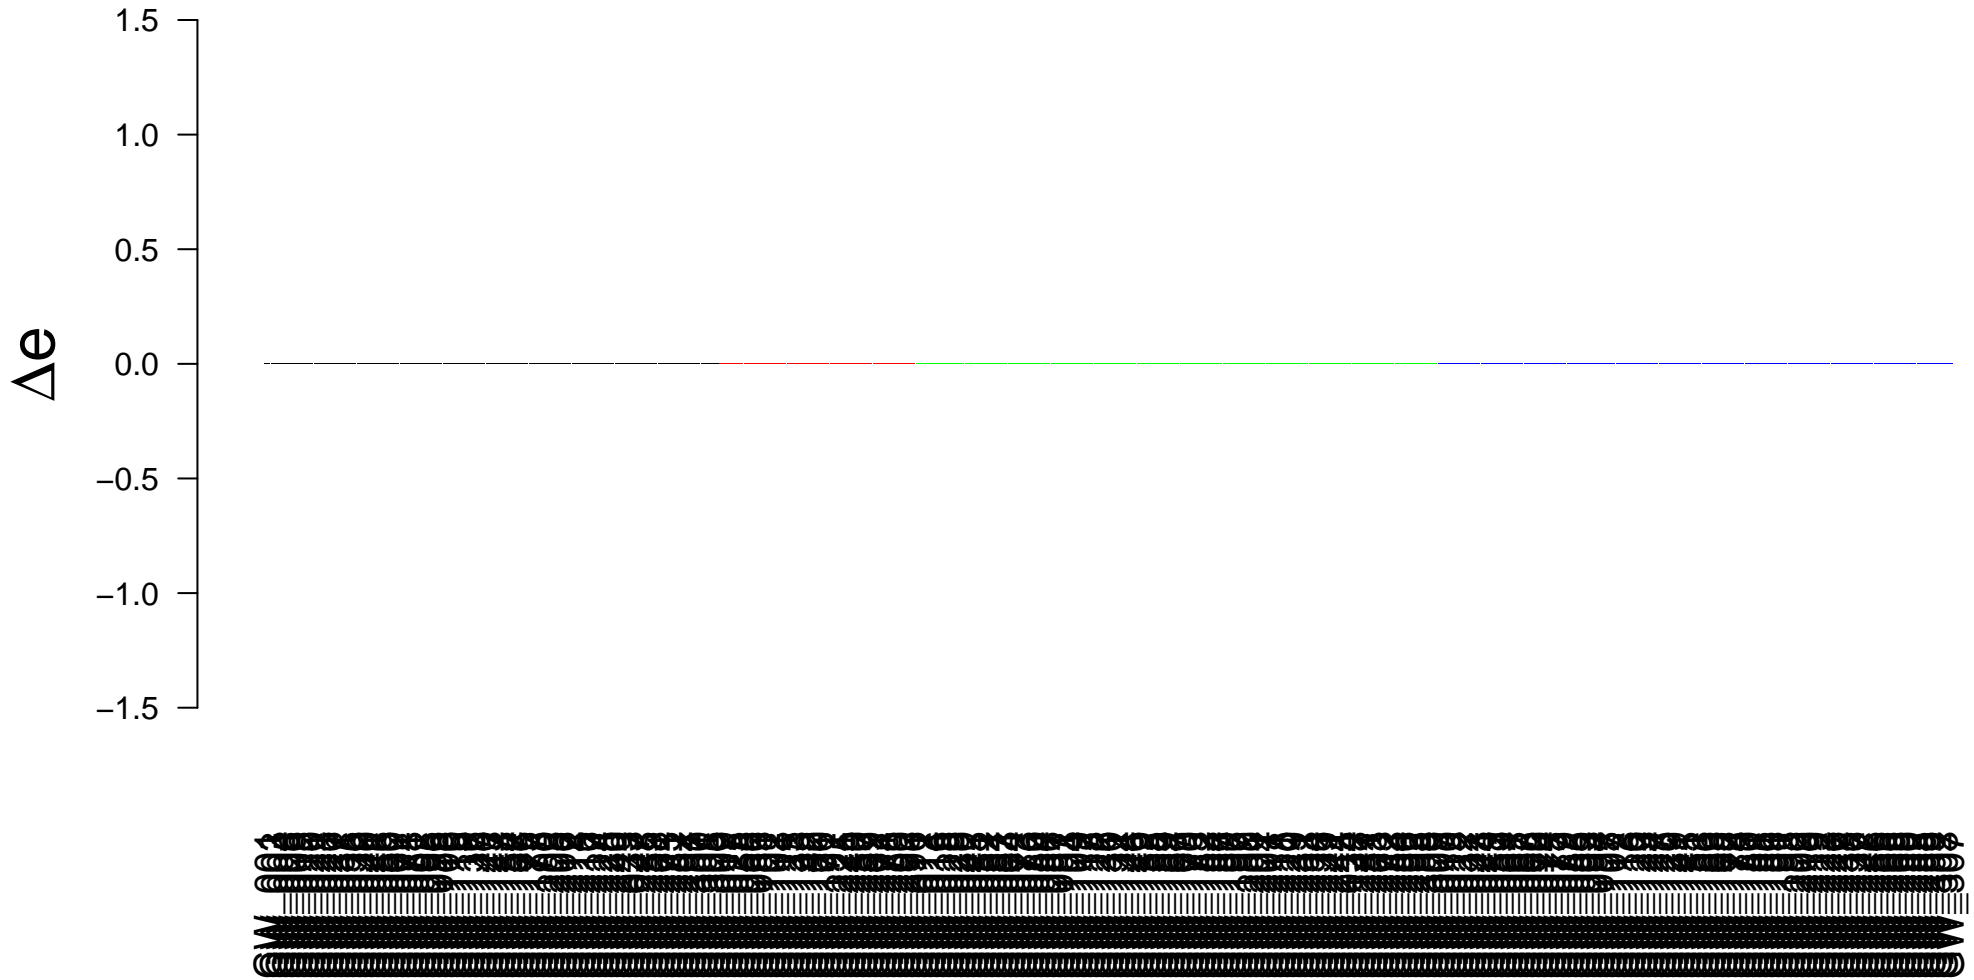

Expression of response to interferon-gamma in Spot F

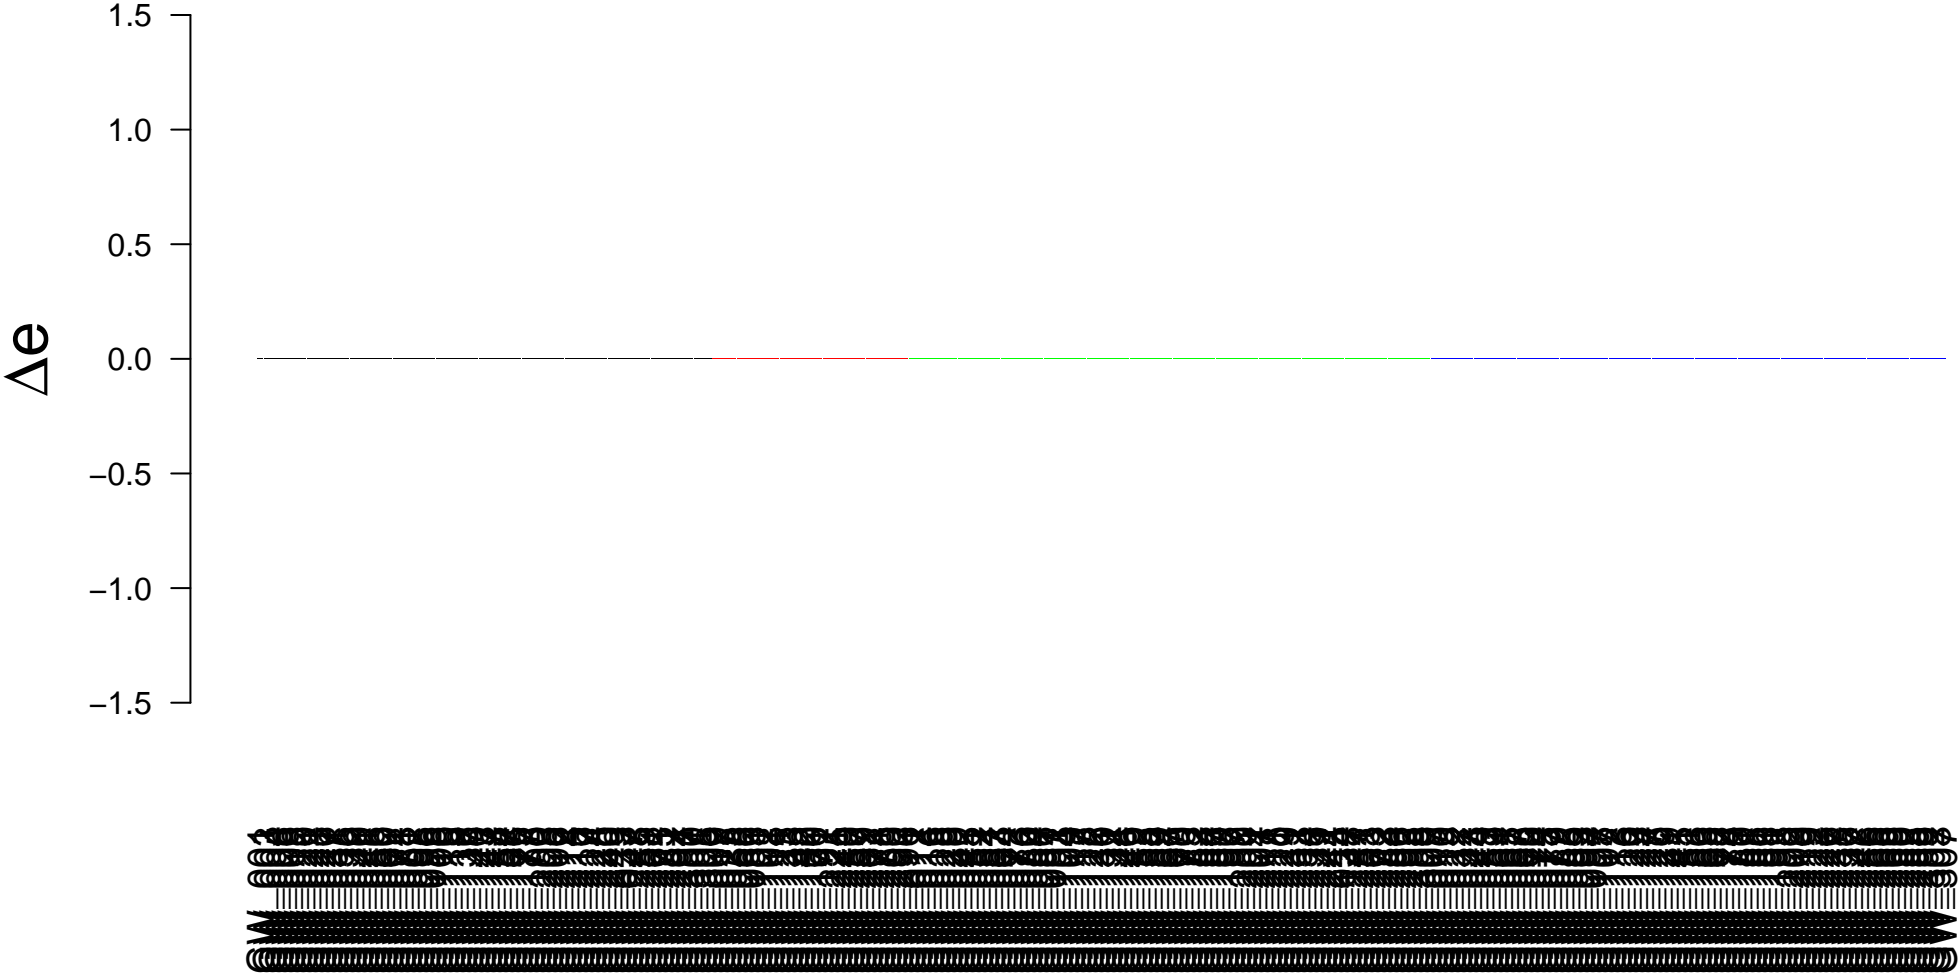

Expression of response to interferon-gamma in Spot G

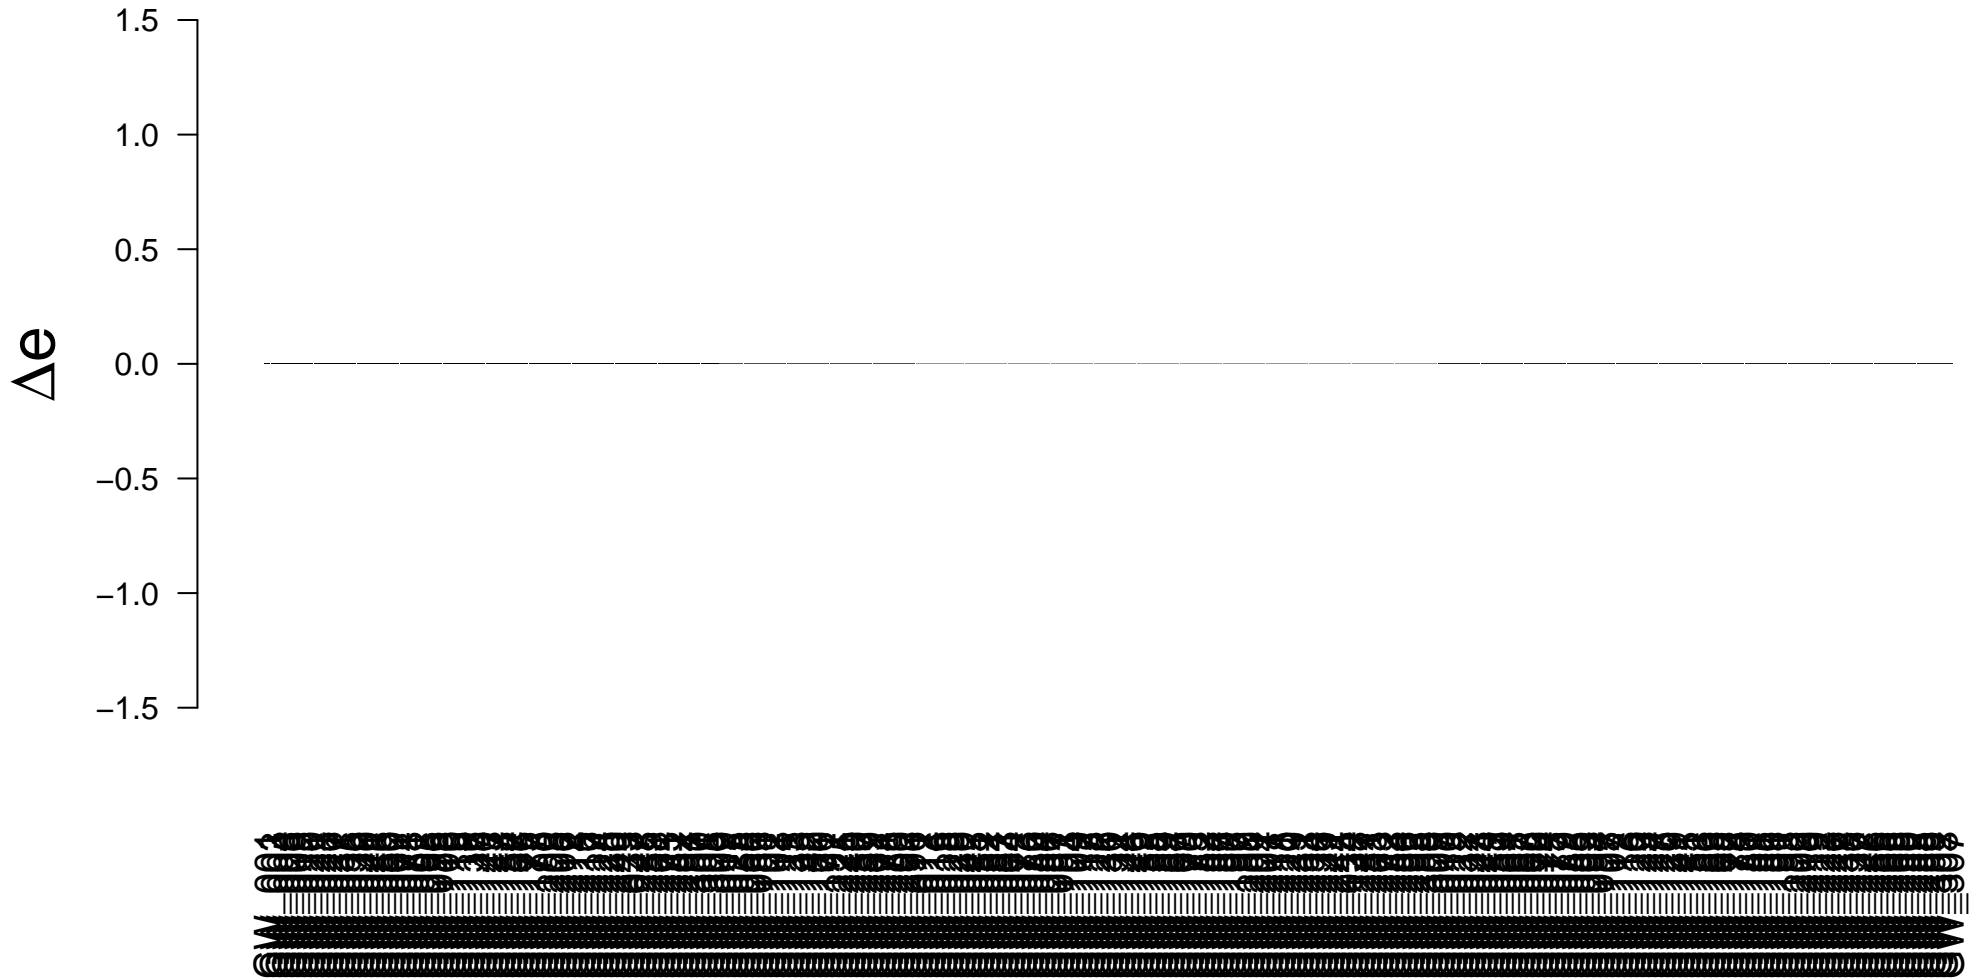

Expression of response to interferon-gamma in Spot H

Expression of response to interferon-gamma in Spot I

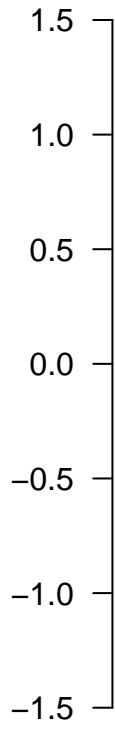

Expression of response to interferon-gamma in Spot J

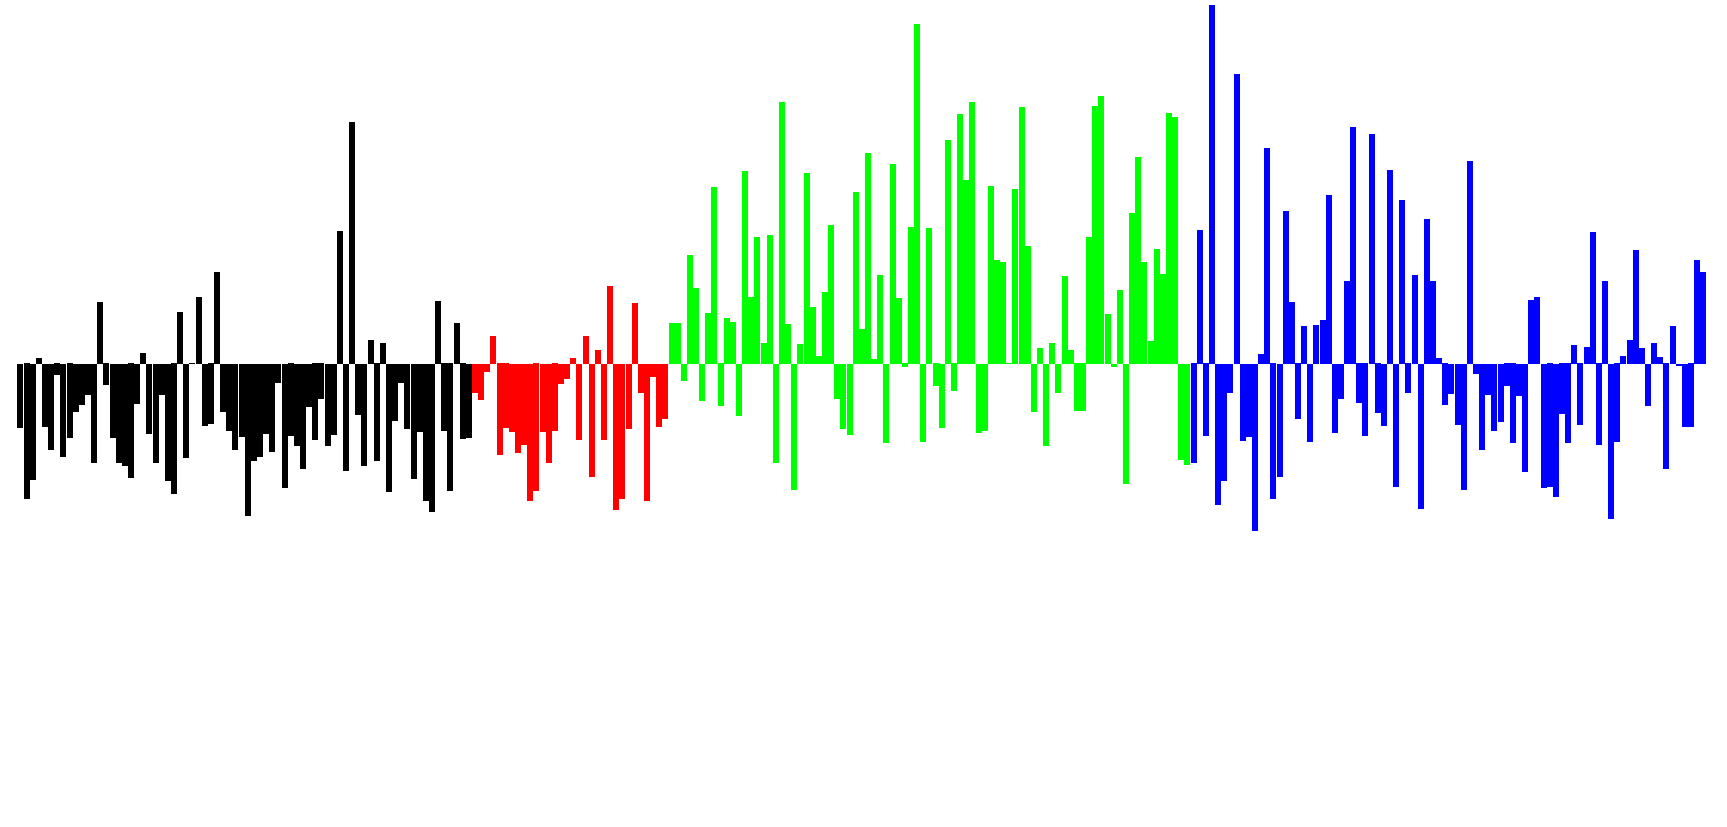

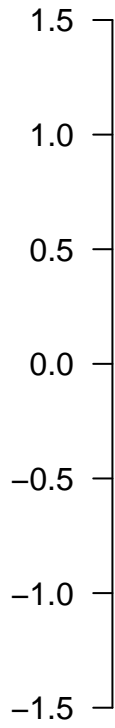

Expression of response to interferon-gamma in Spot K

Δe

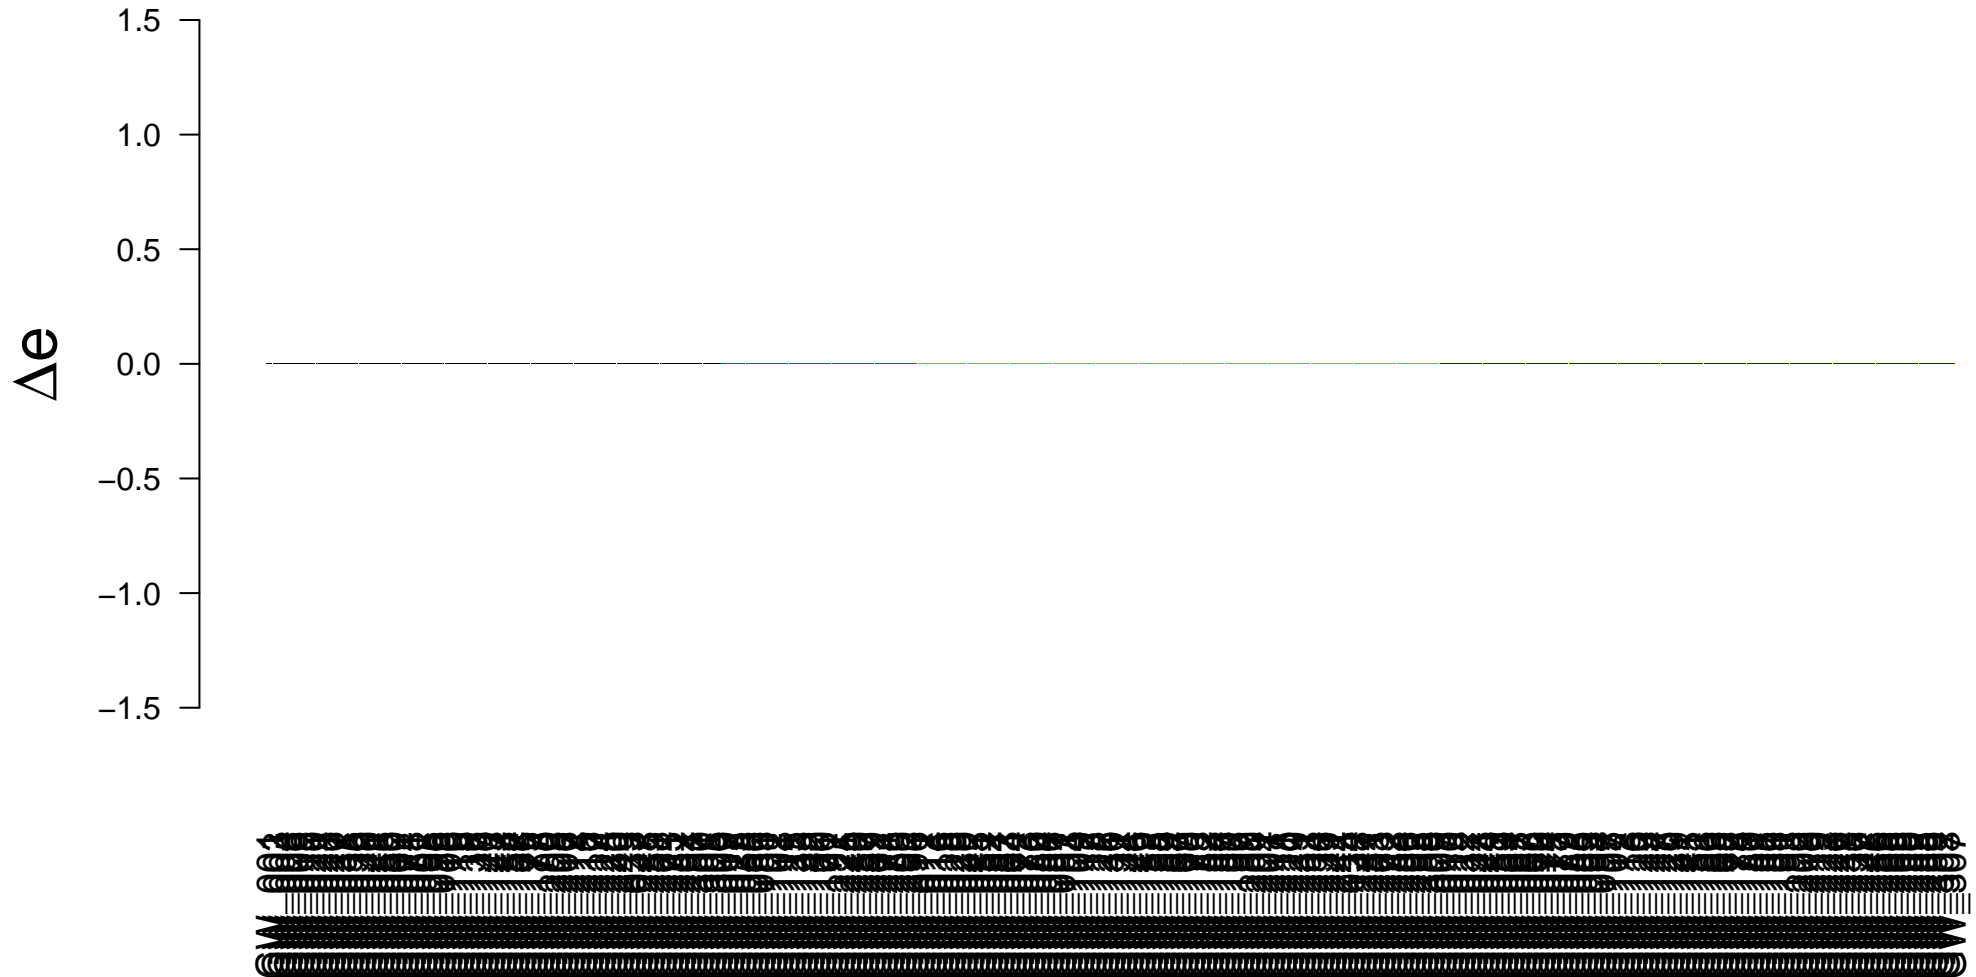

Expression of response to interferon-gamma in Spot L

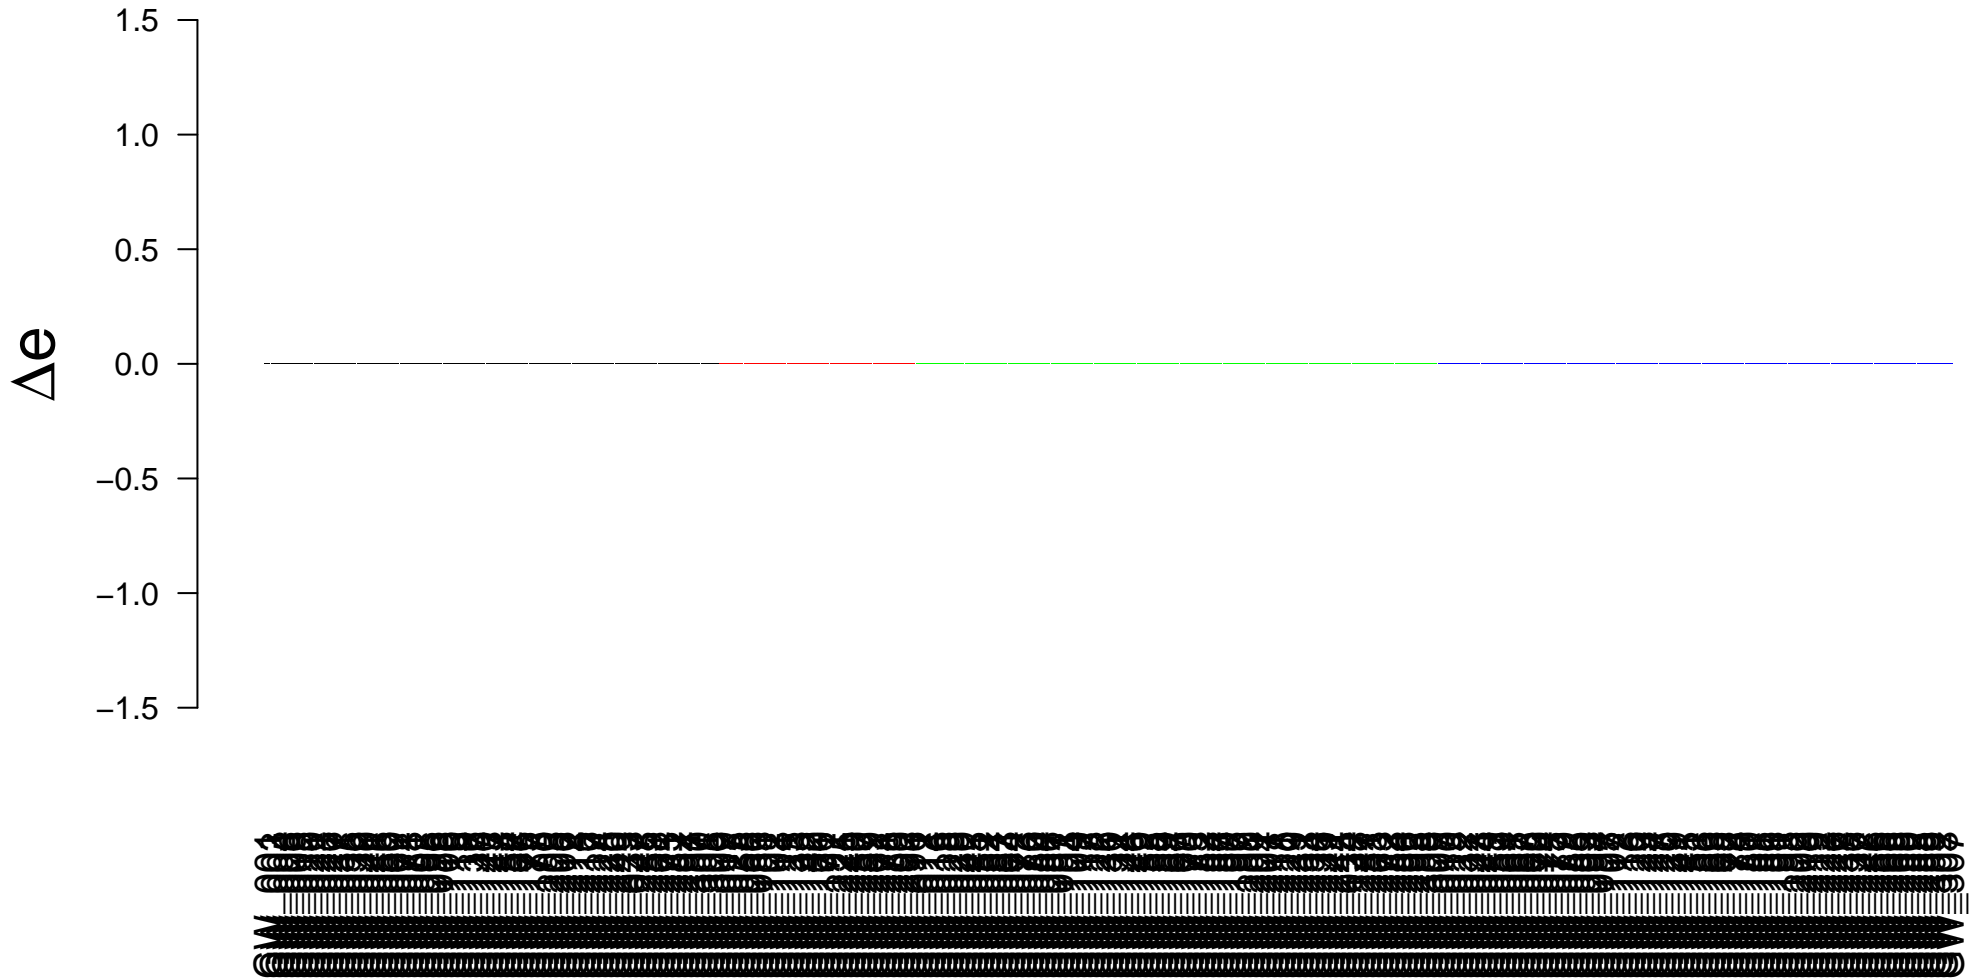

Δe

Expression of response to interferon-gamma in Spot M

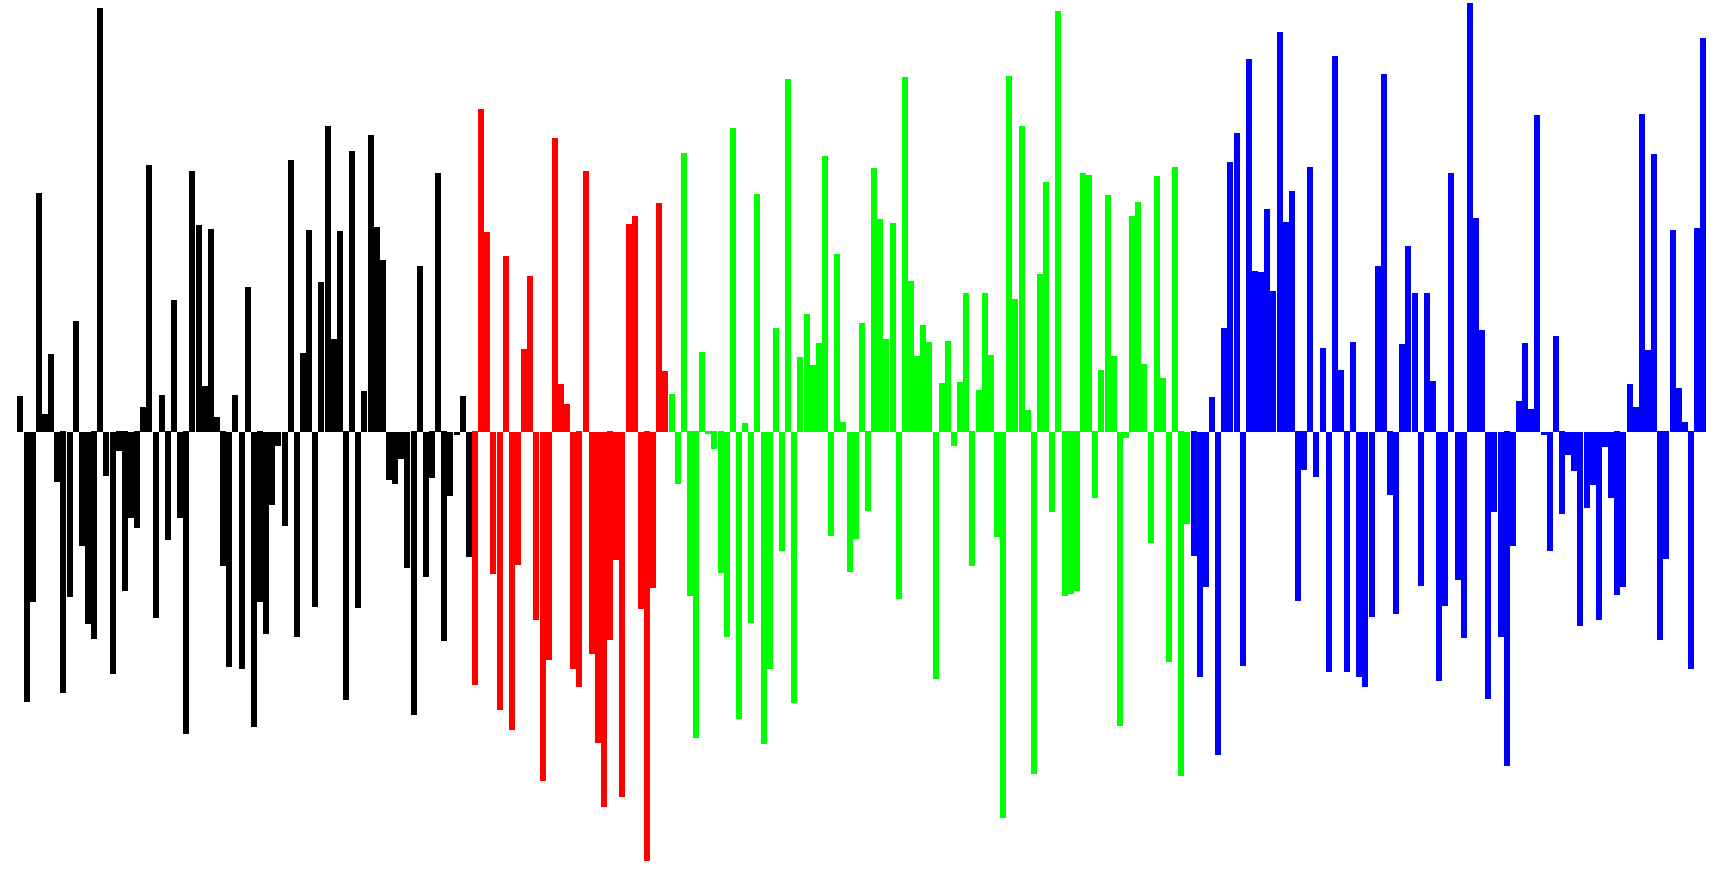

Expression of response to interferon-gamma in Spot N

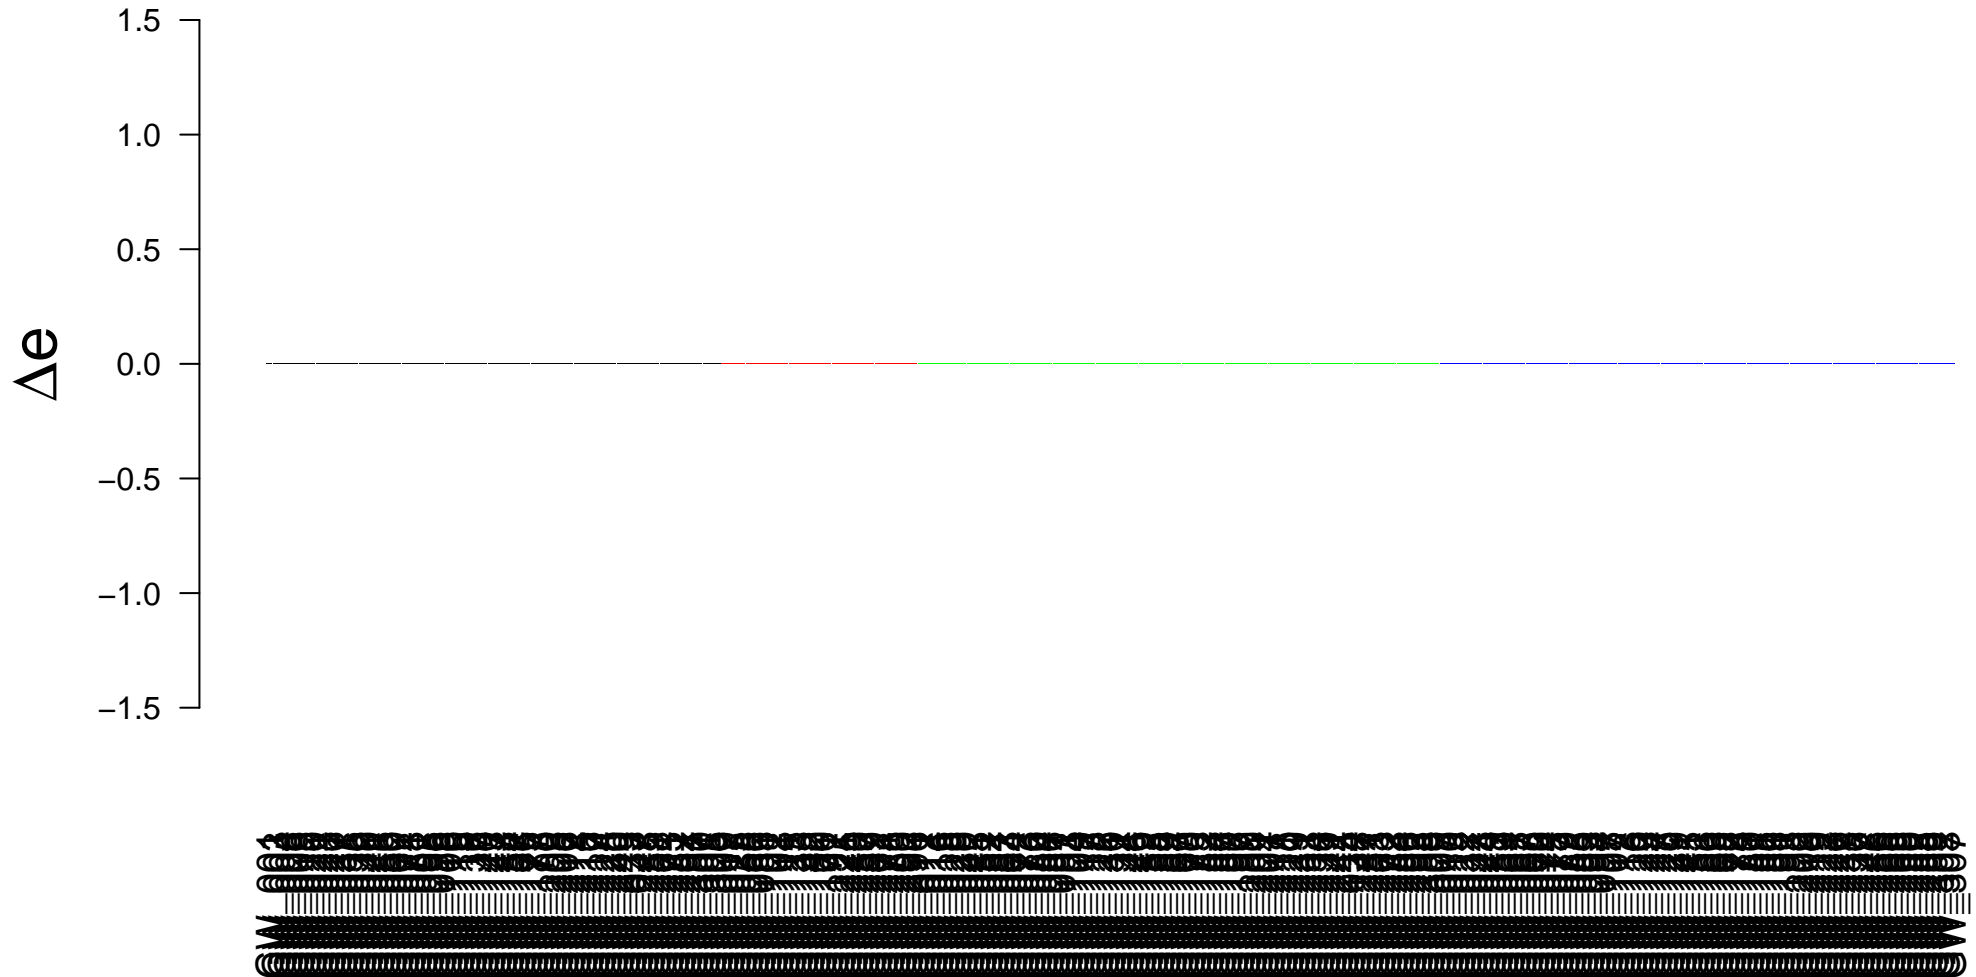

Expression of response to interferon-gamma in Spot O
