

response to morphine

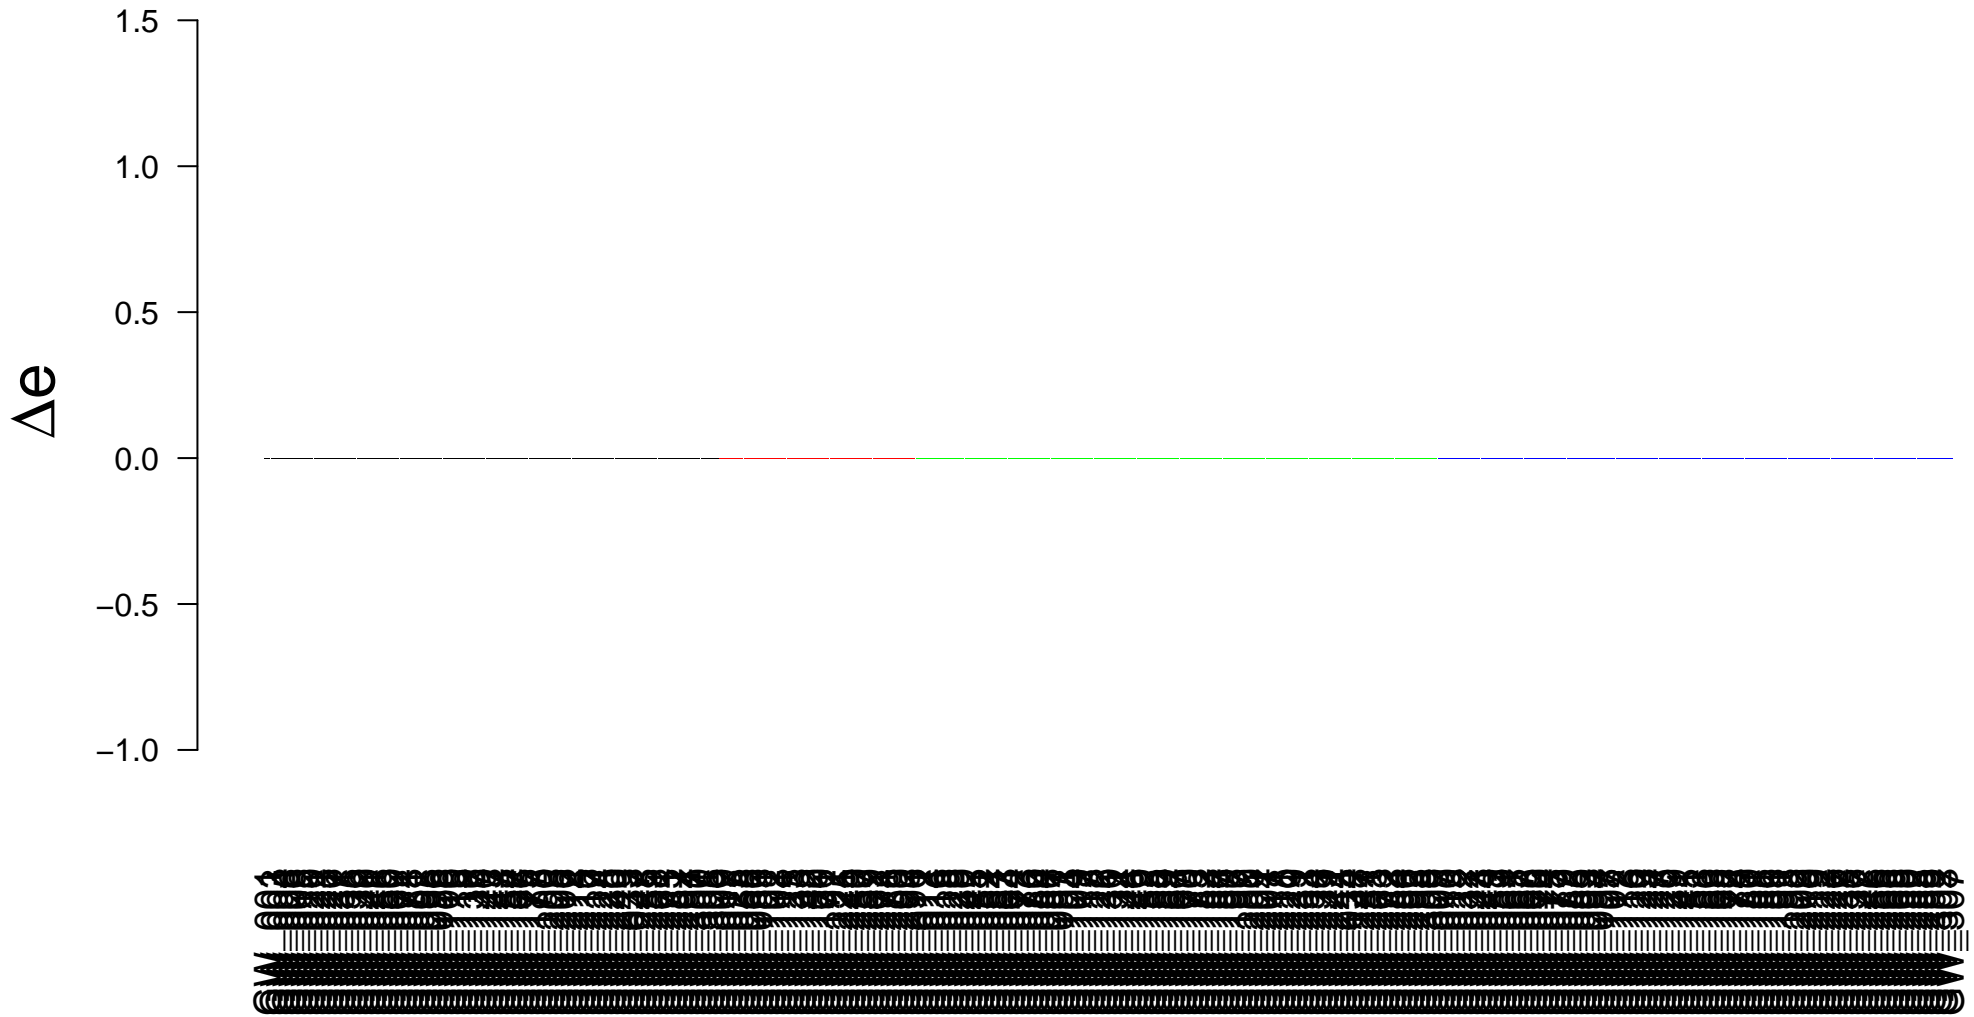

response to morphine

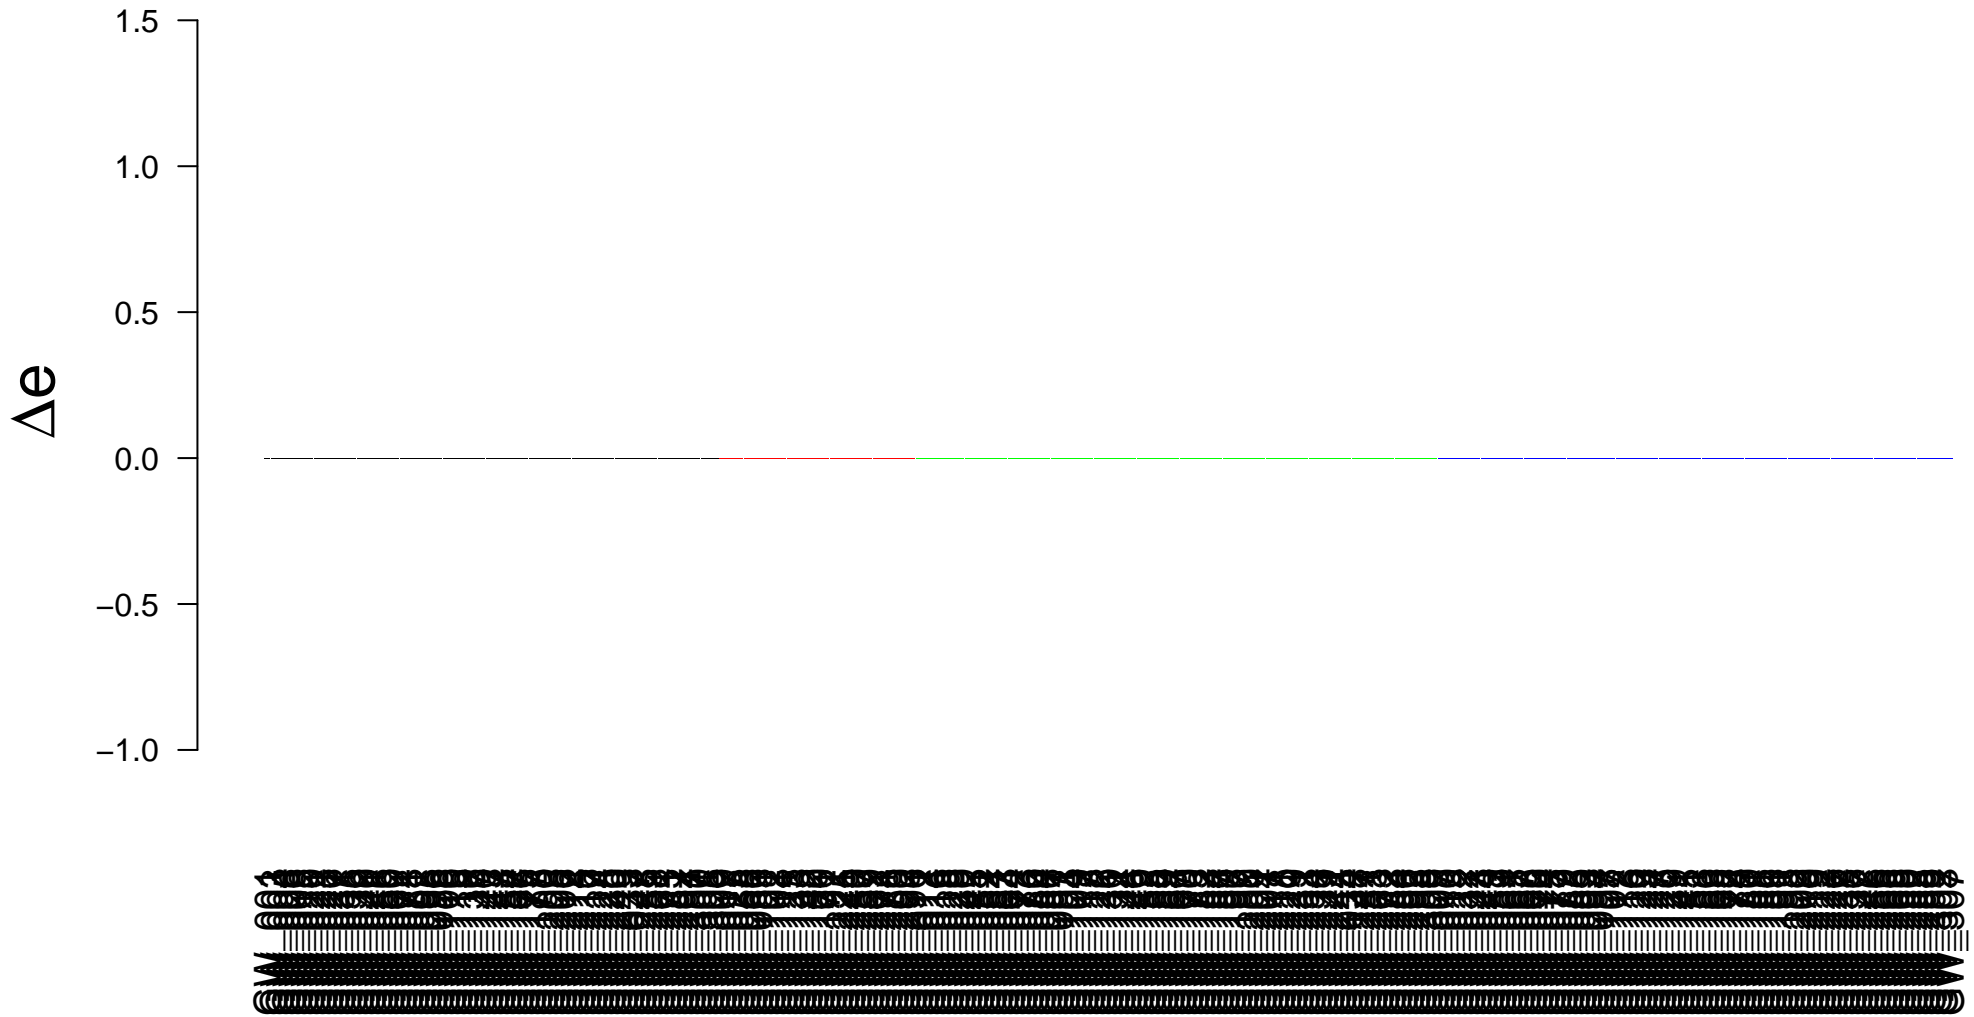

Enrichment in spots: response to morphine

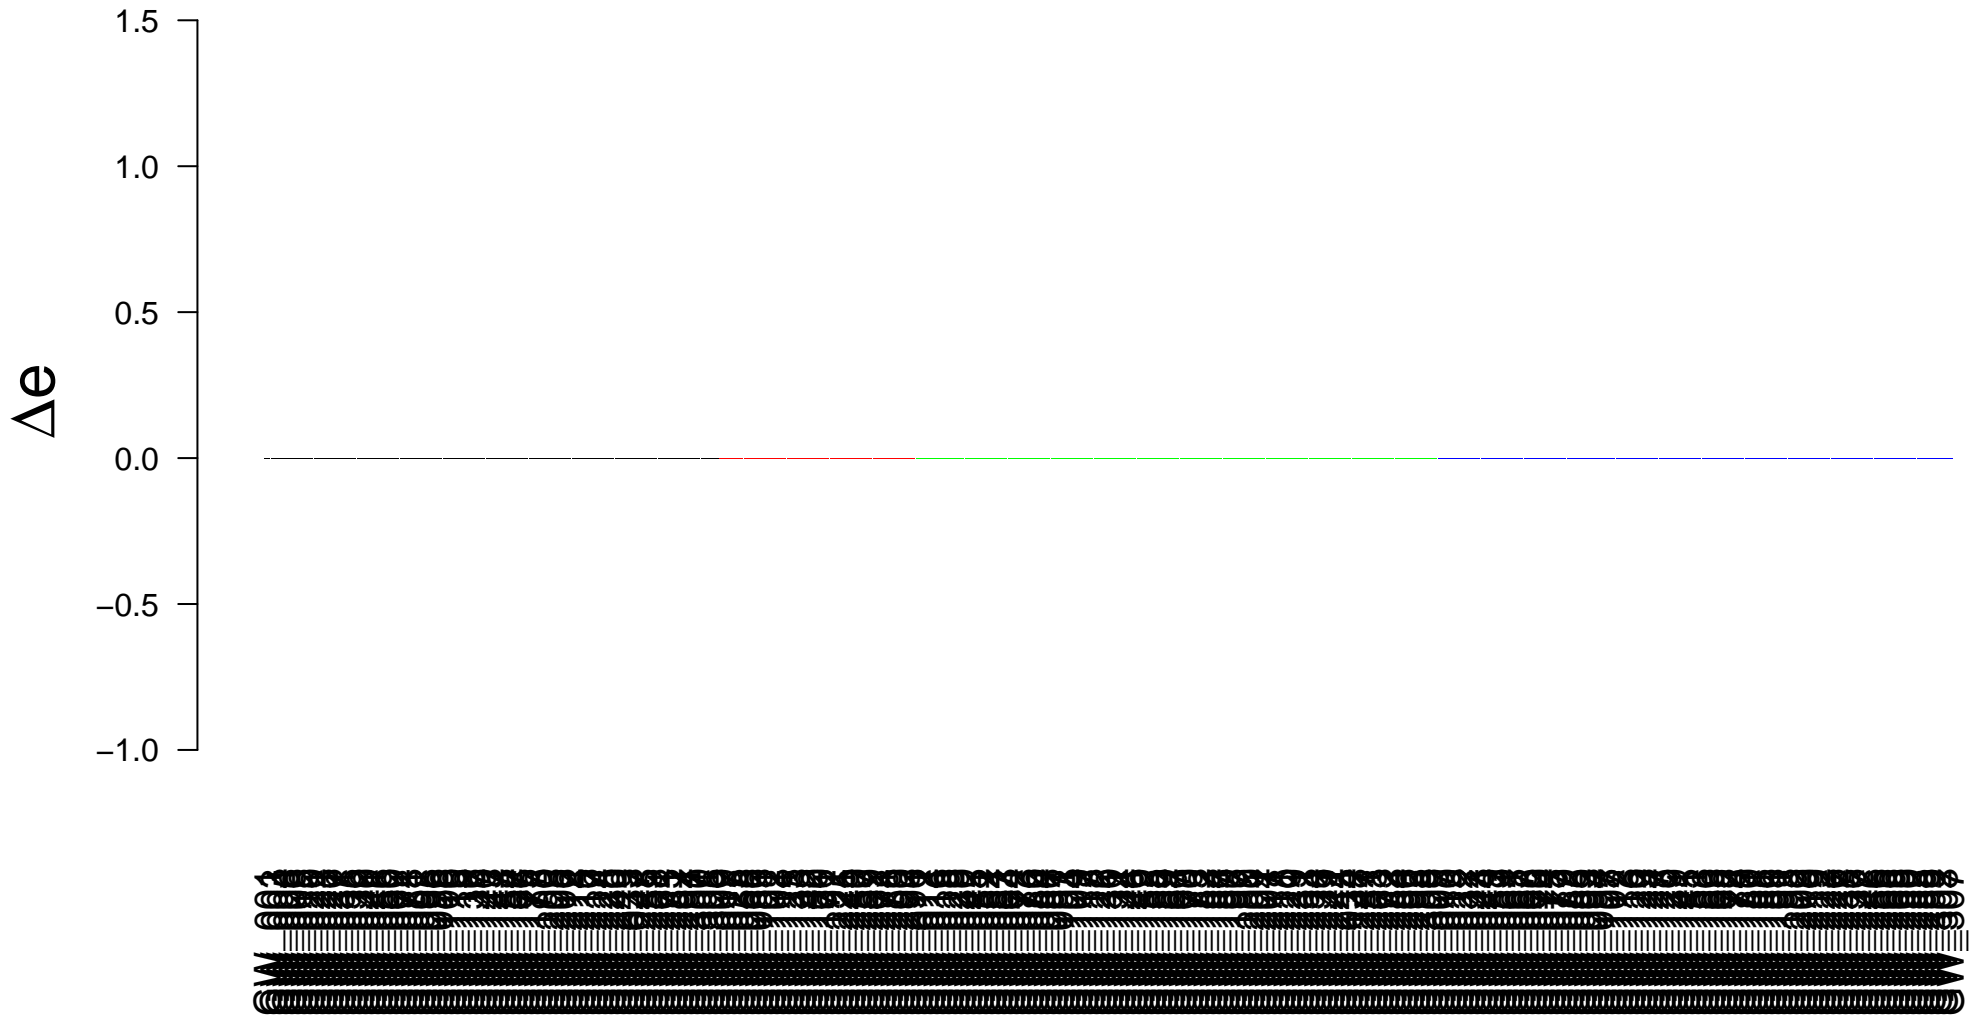

Expression of response to morphine in Spot A

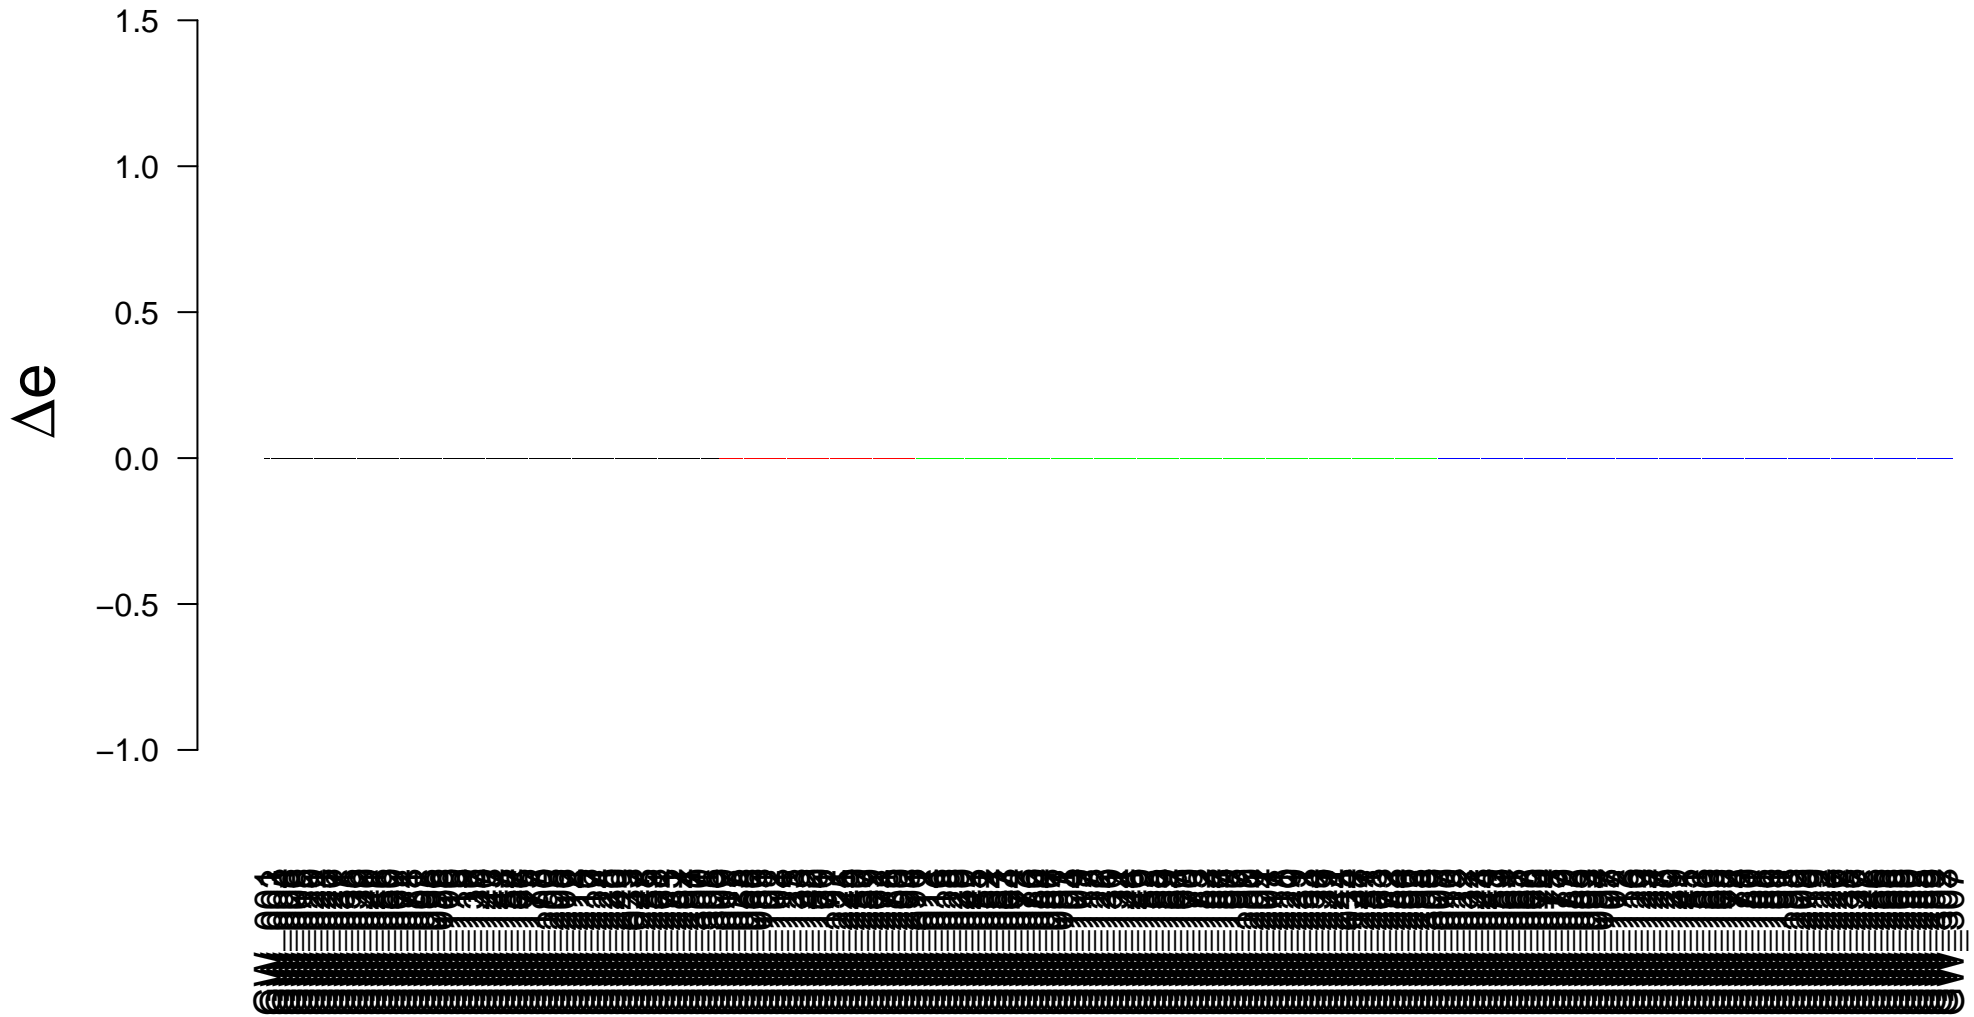

Expression of response to morphine in Spot B

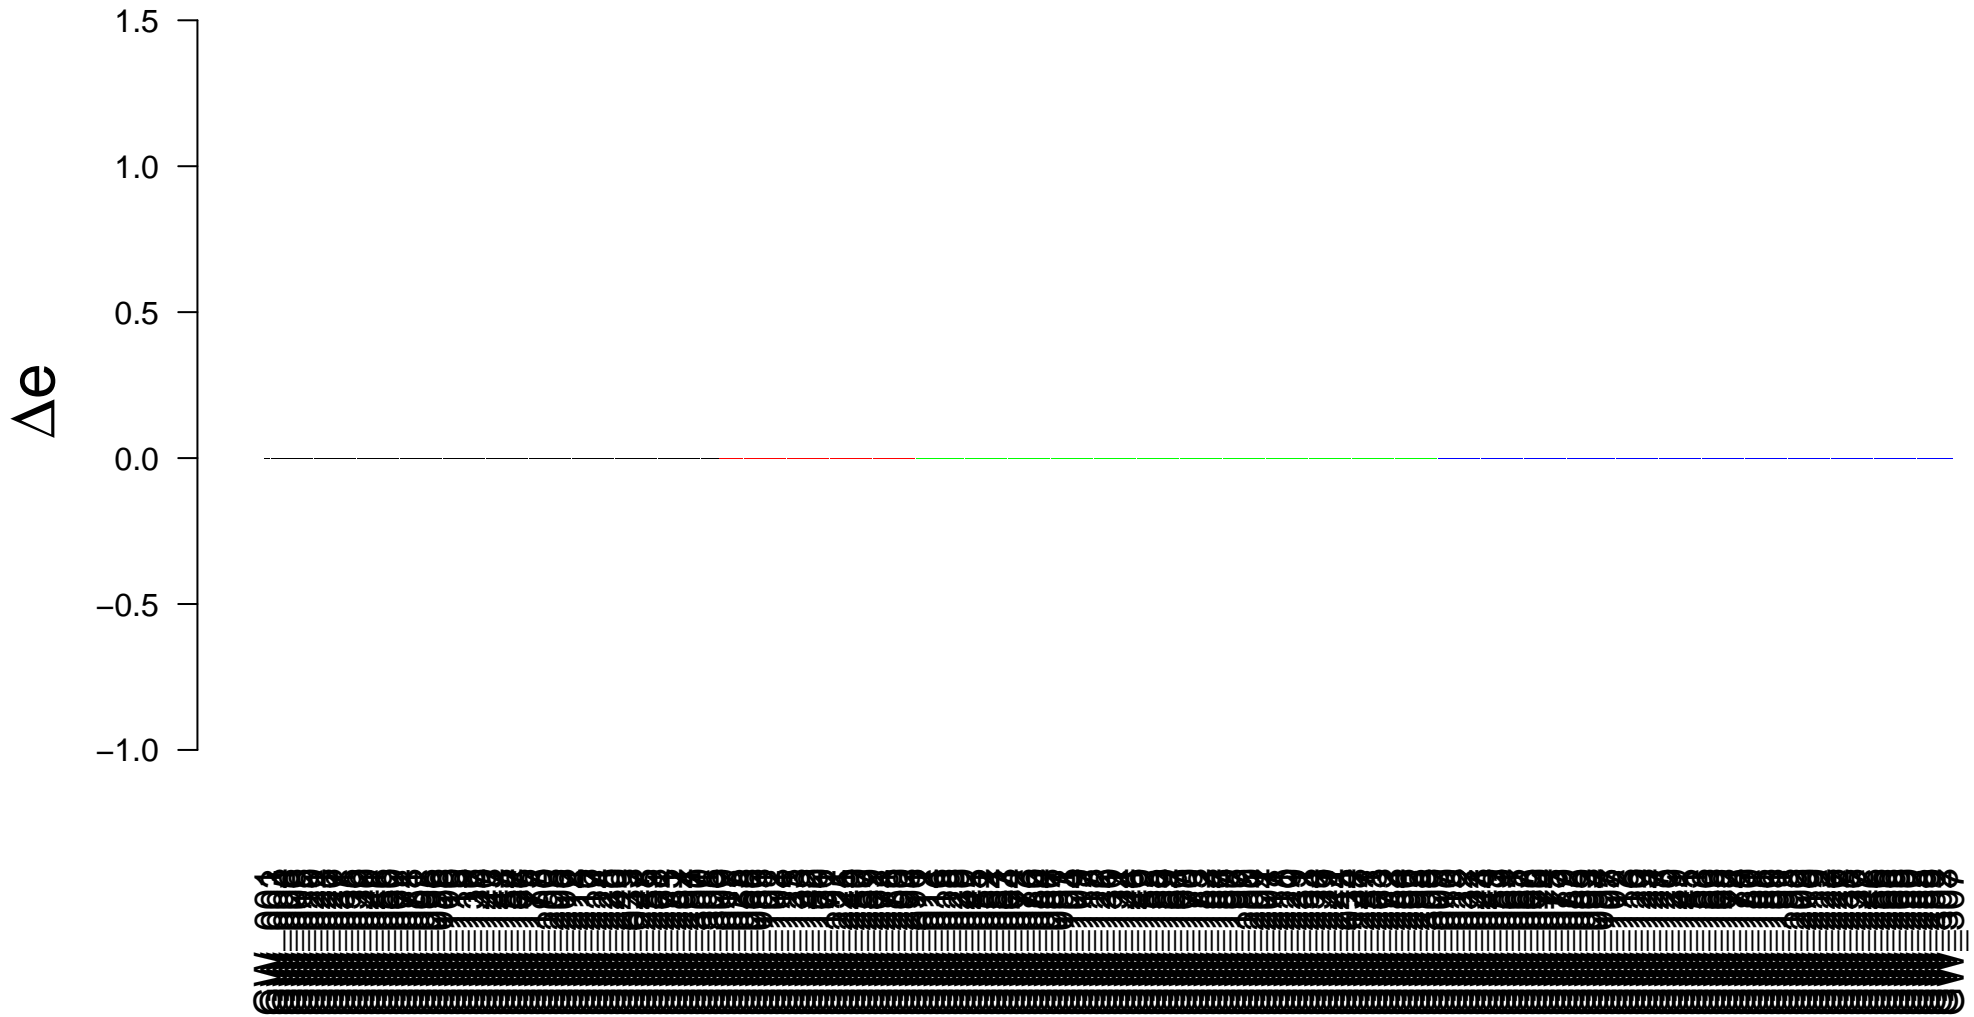

Expression of response to morphine in Spot C

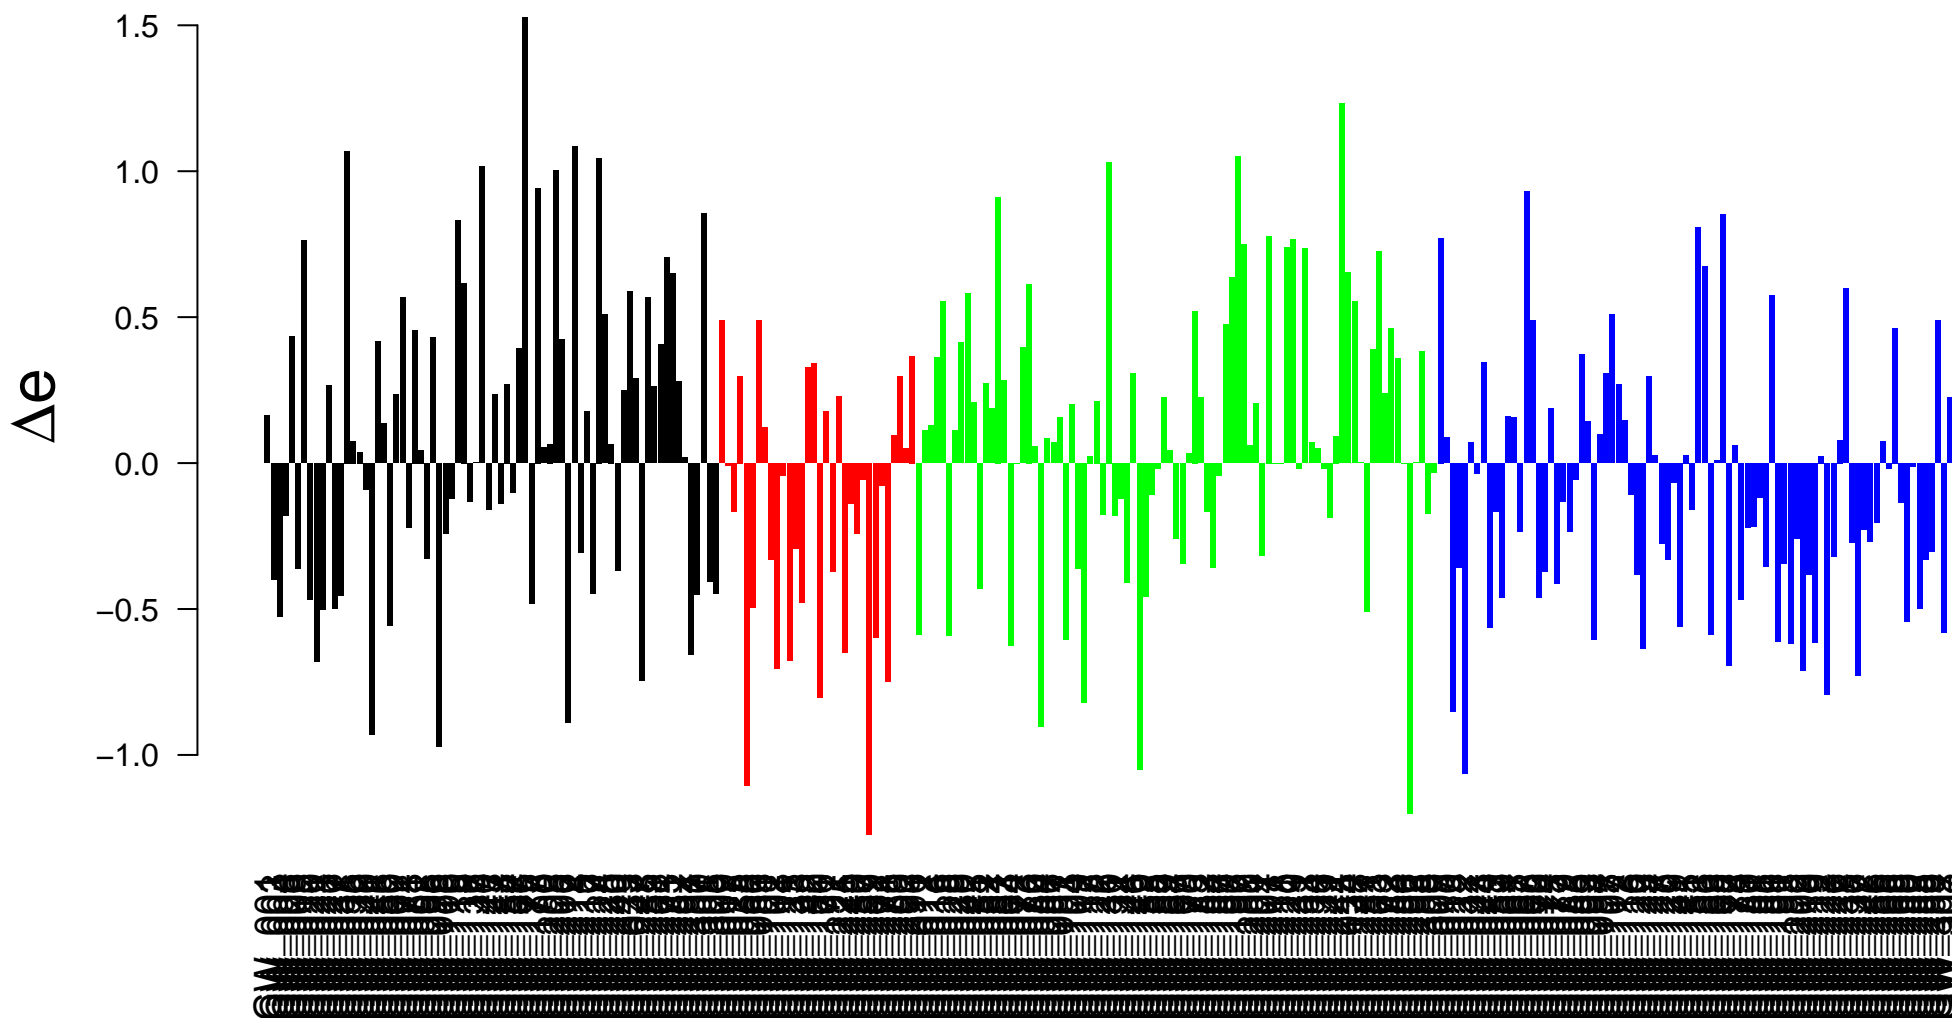

Expression of response to morphine in Spot D

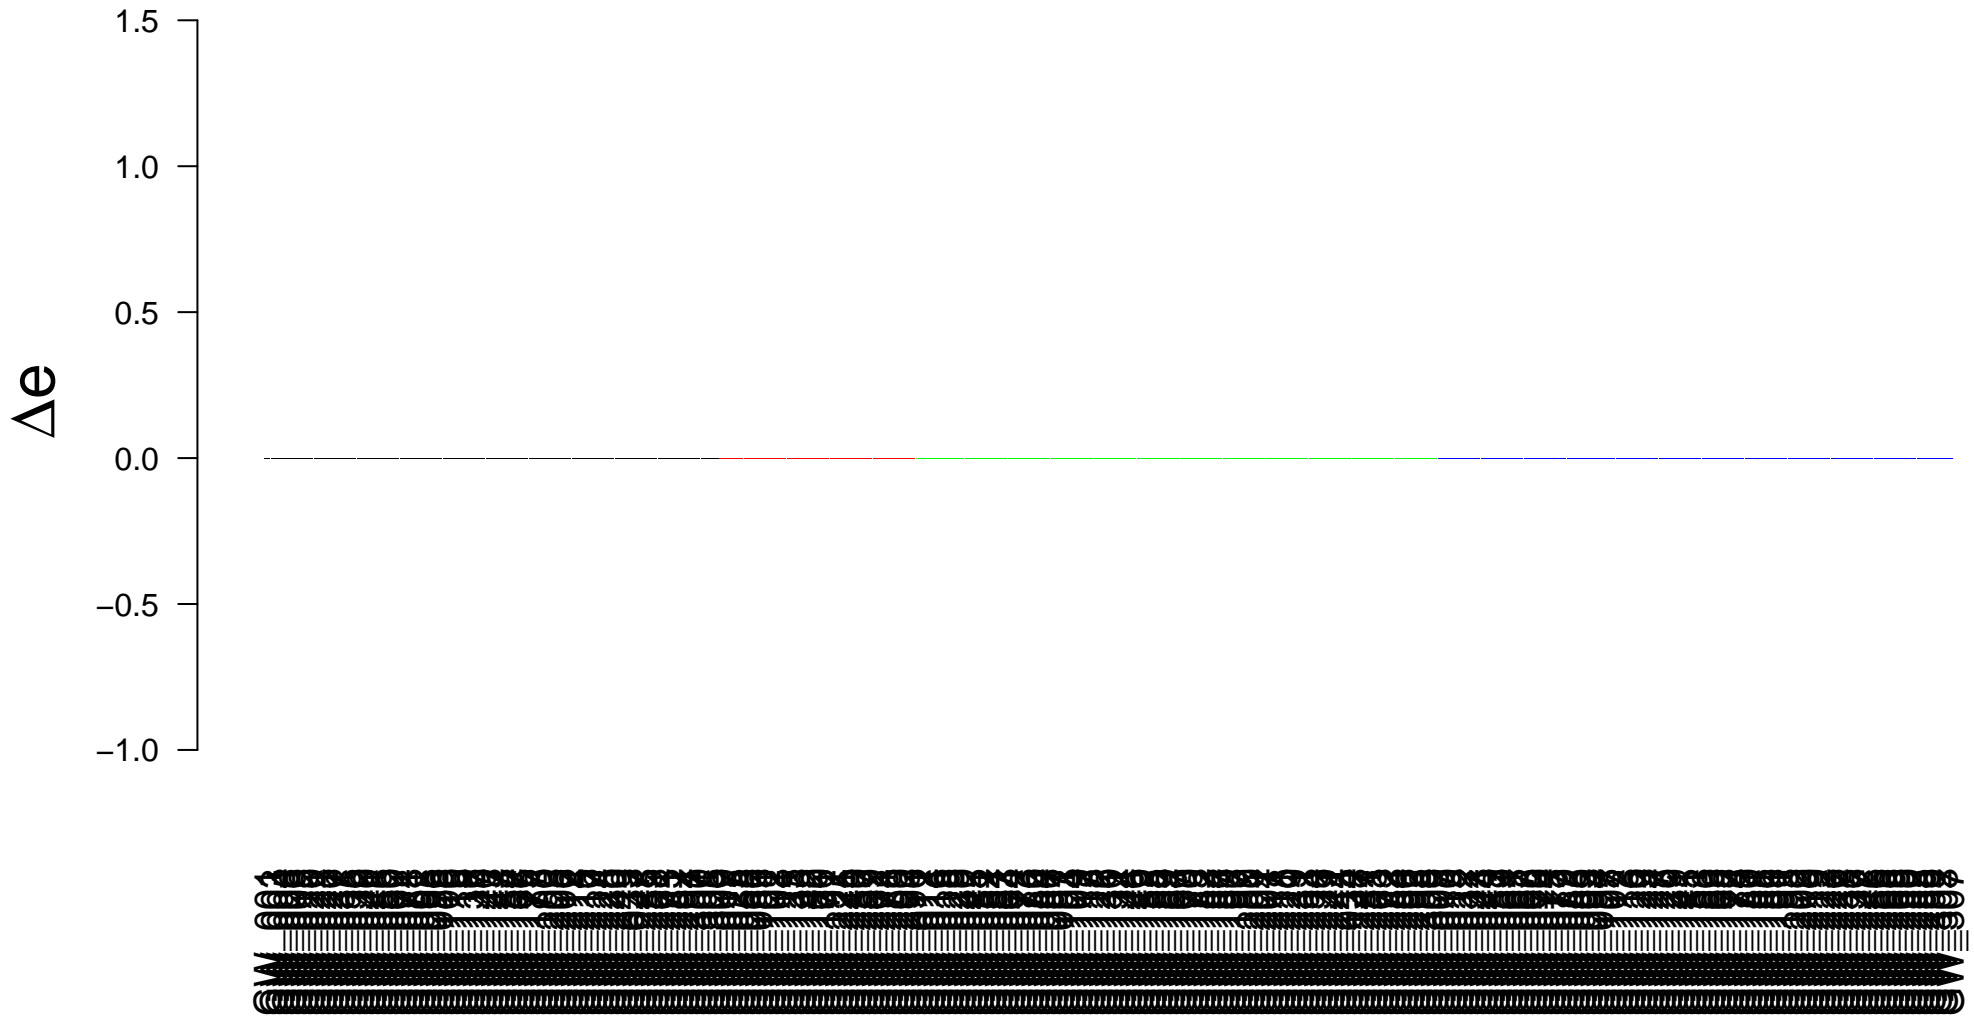

Expression of response to morphine in Spot E

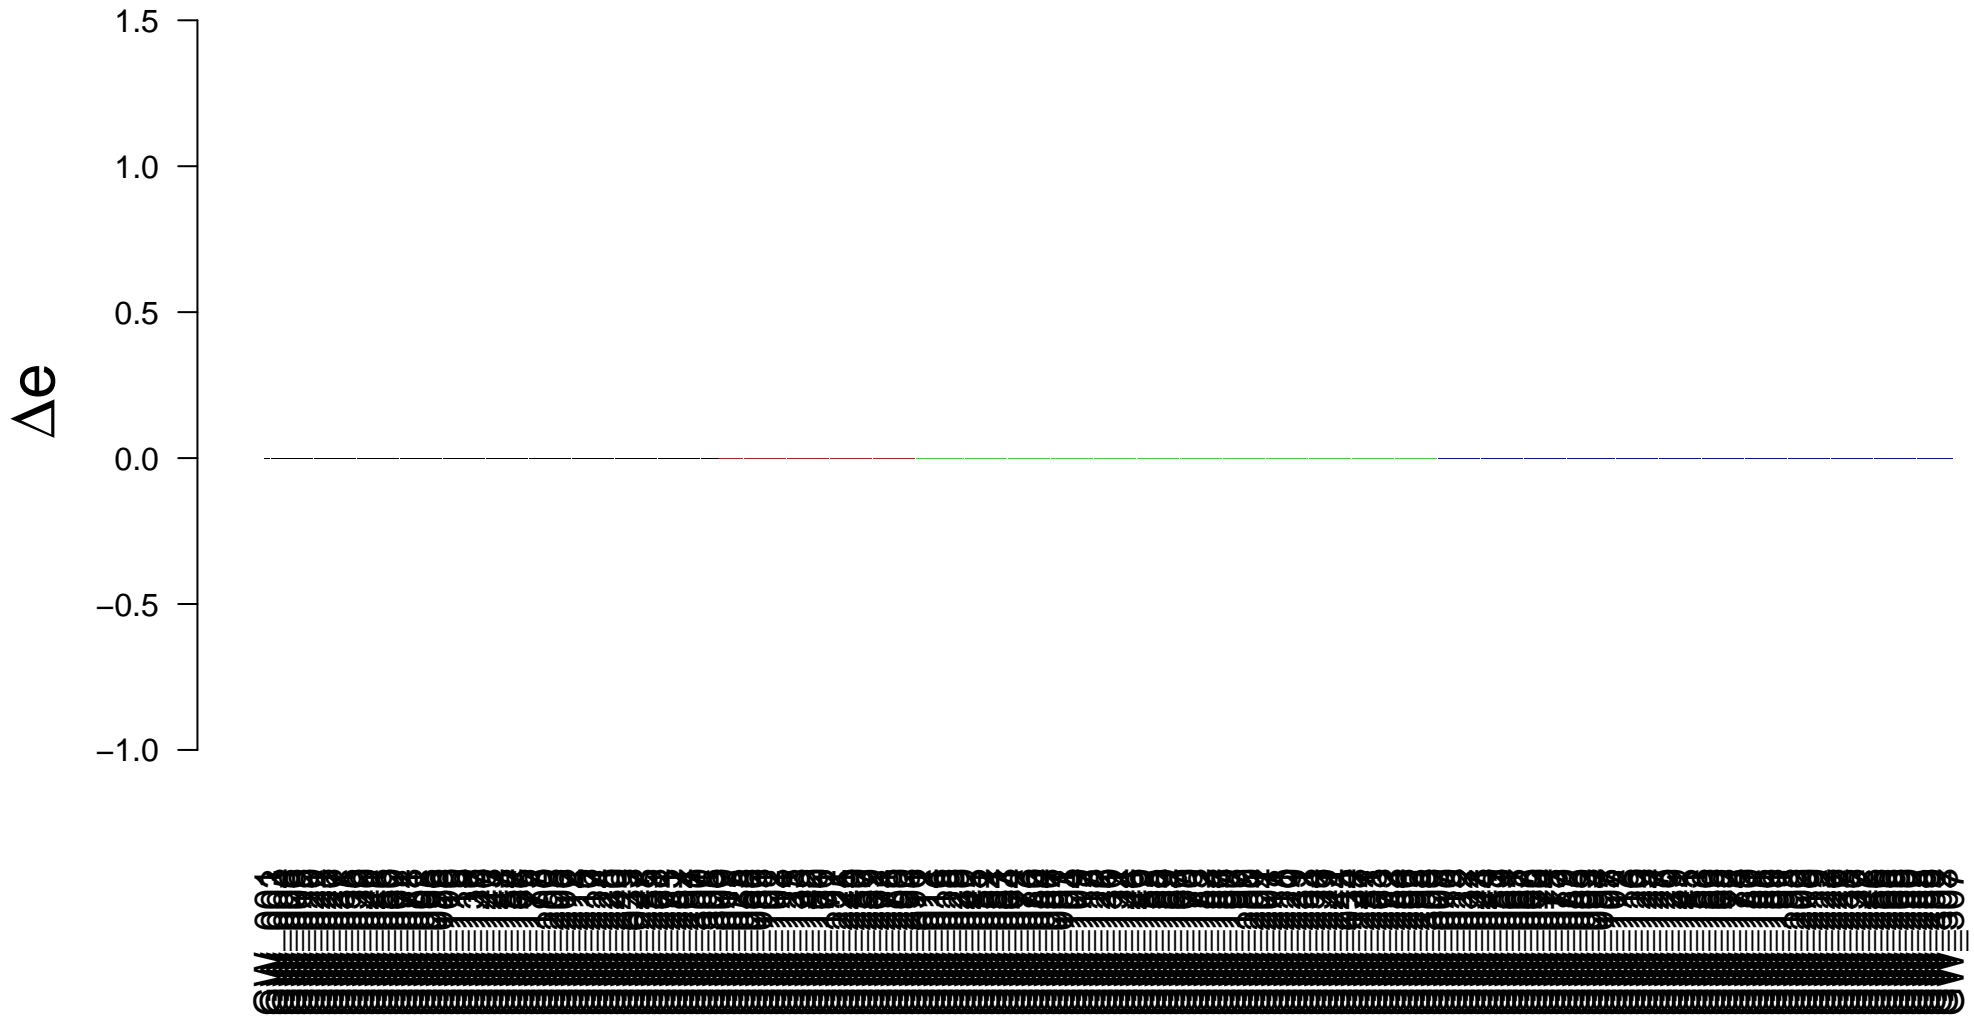

Expression of response to morphine in Spot F

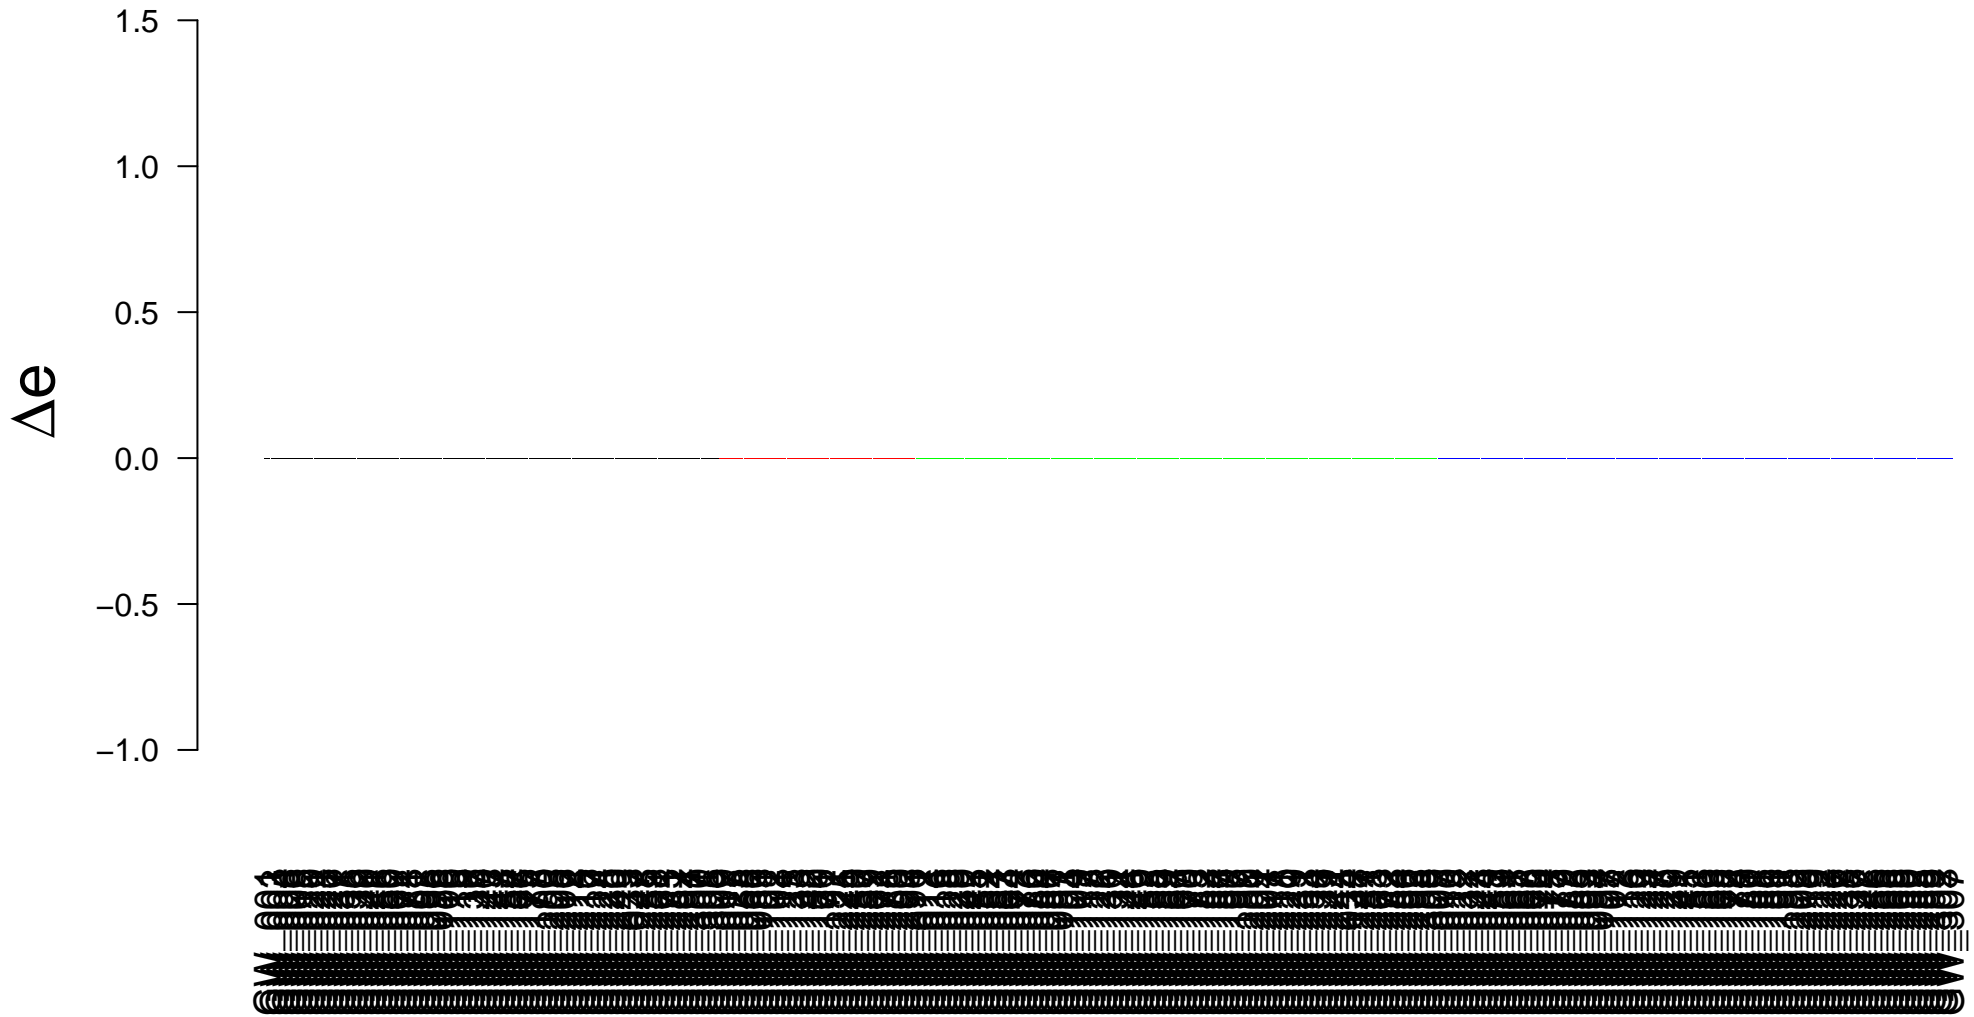

Expression of response to morphine in Spot G

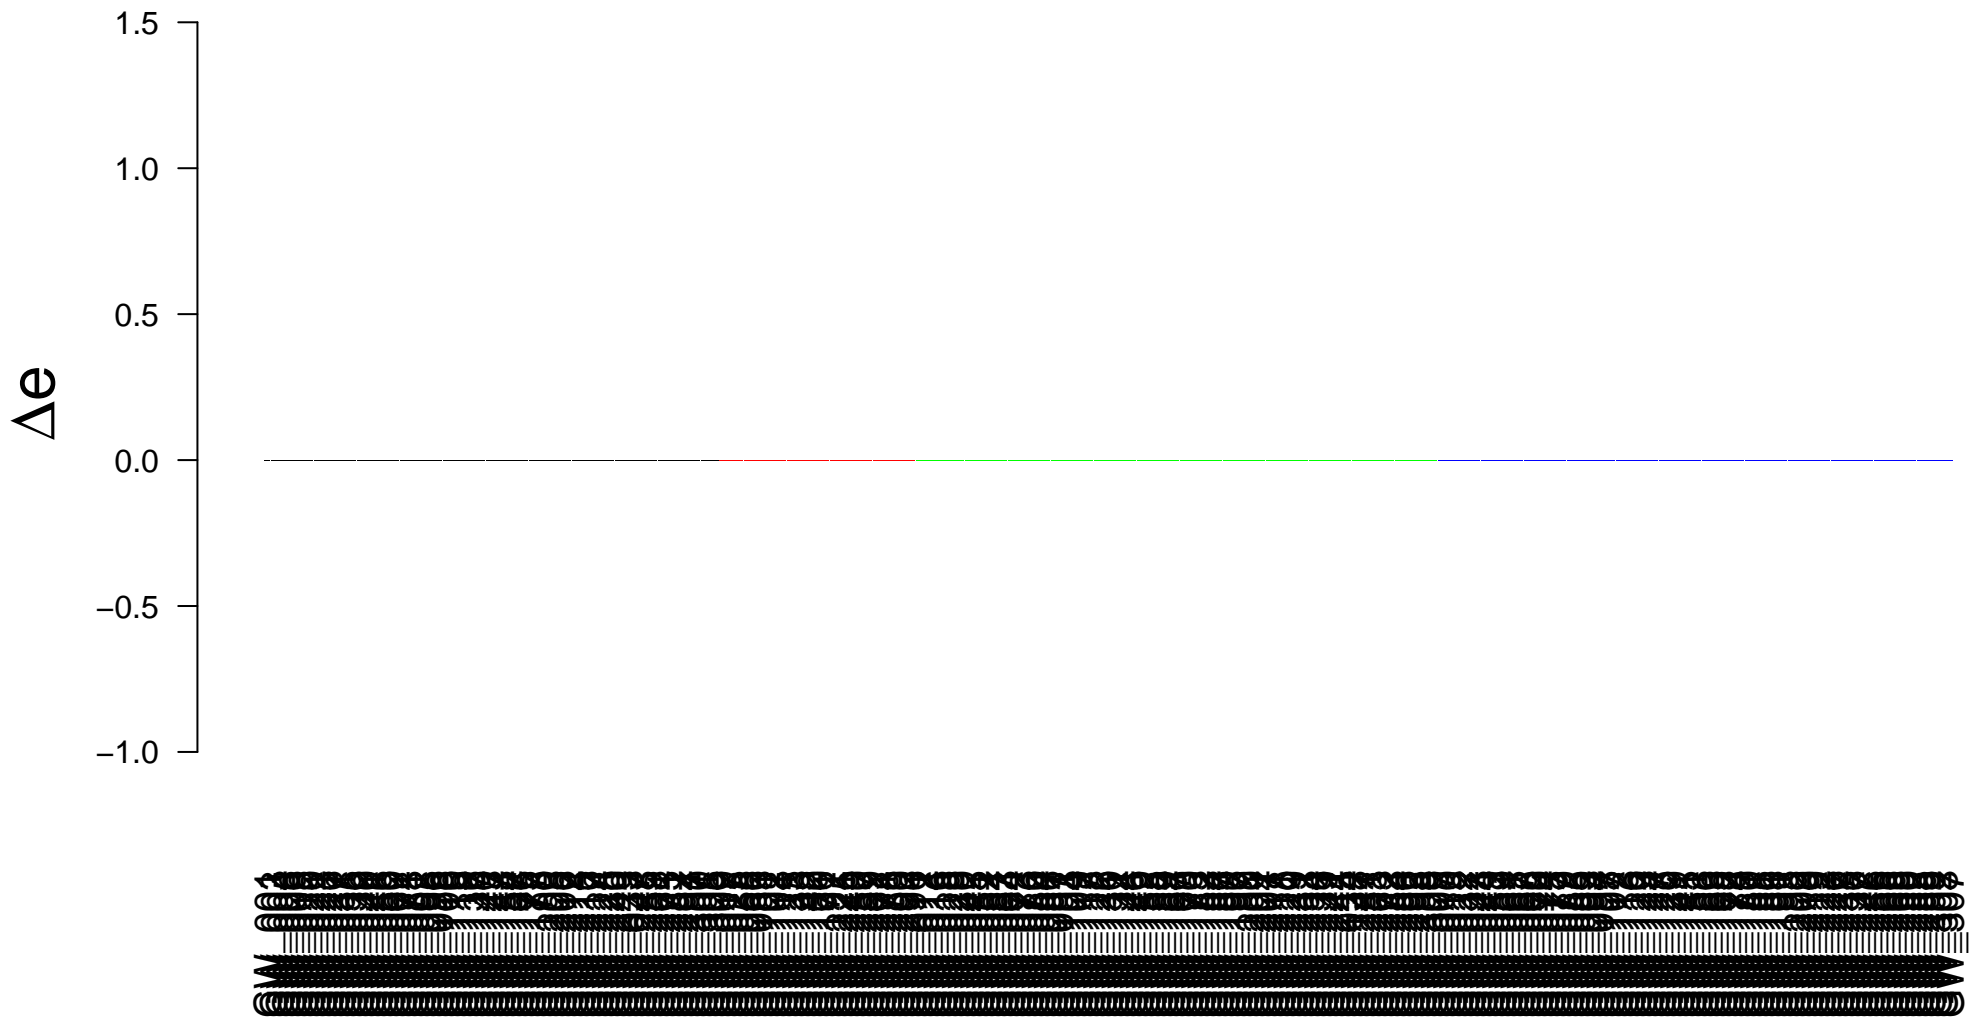

Expression of response to morphine in Spot H

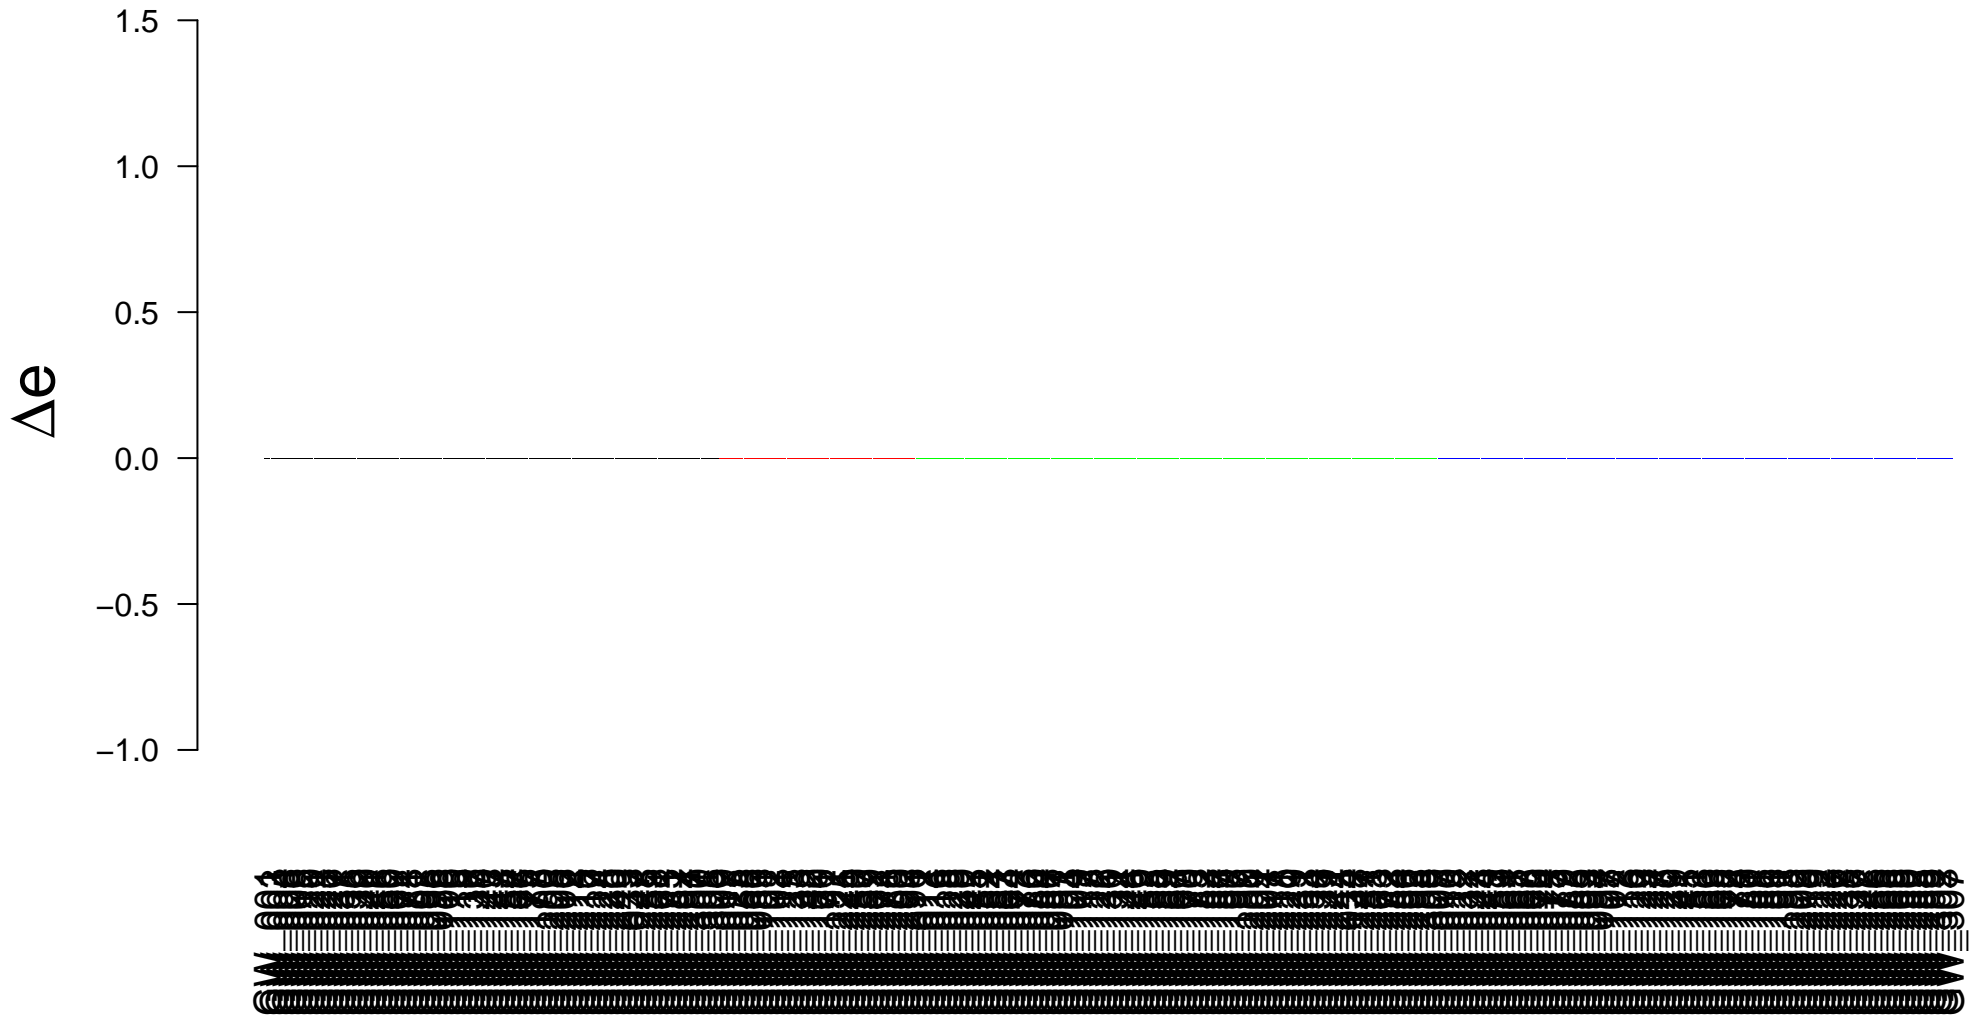

Expression of response to morphine in Spot I

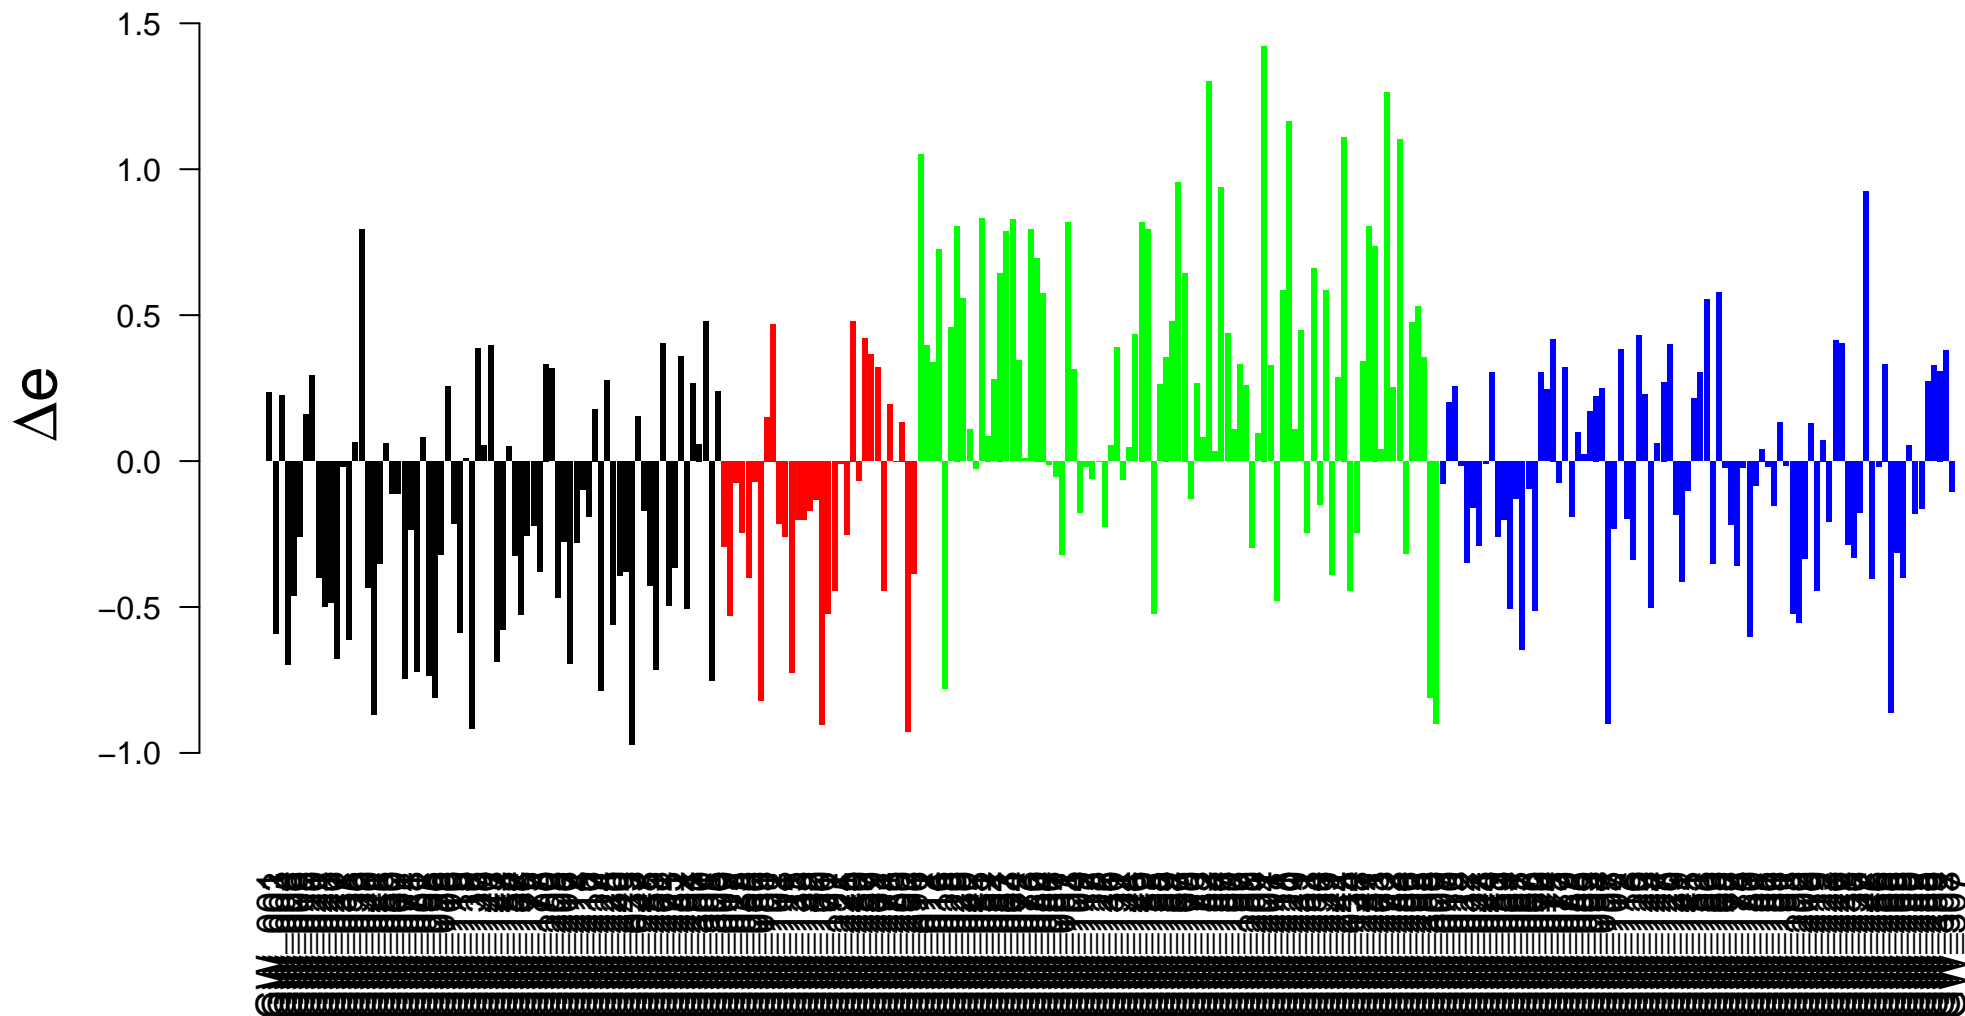

Expression of response to morphine in Spot J

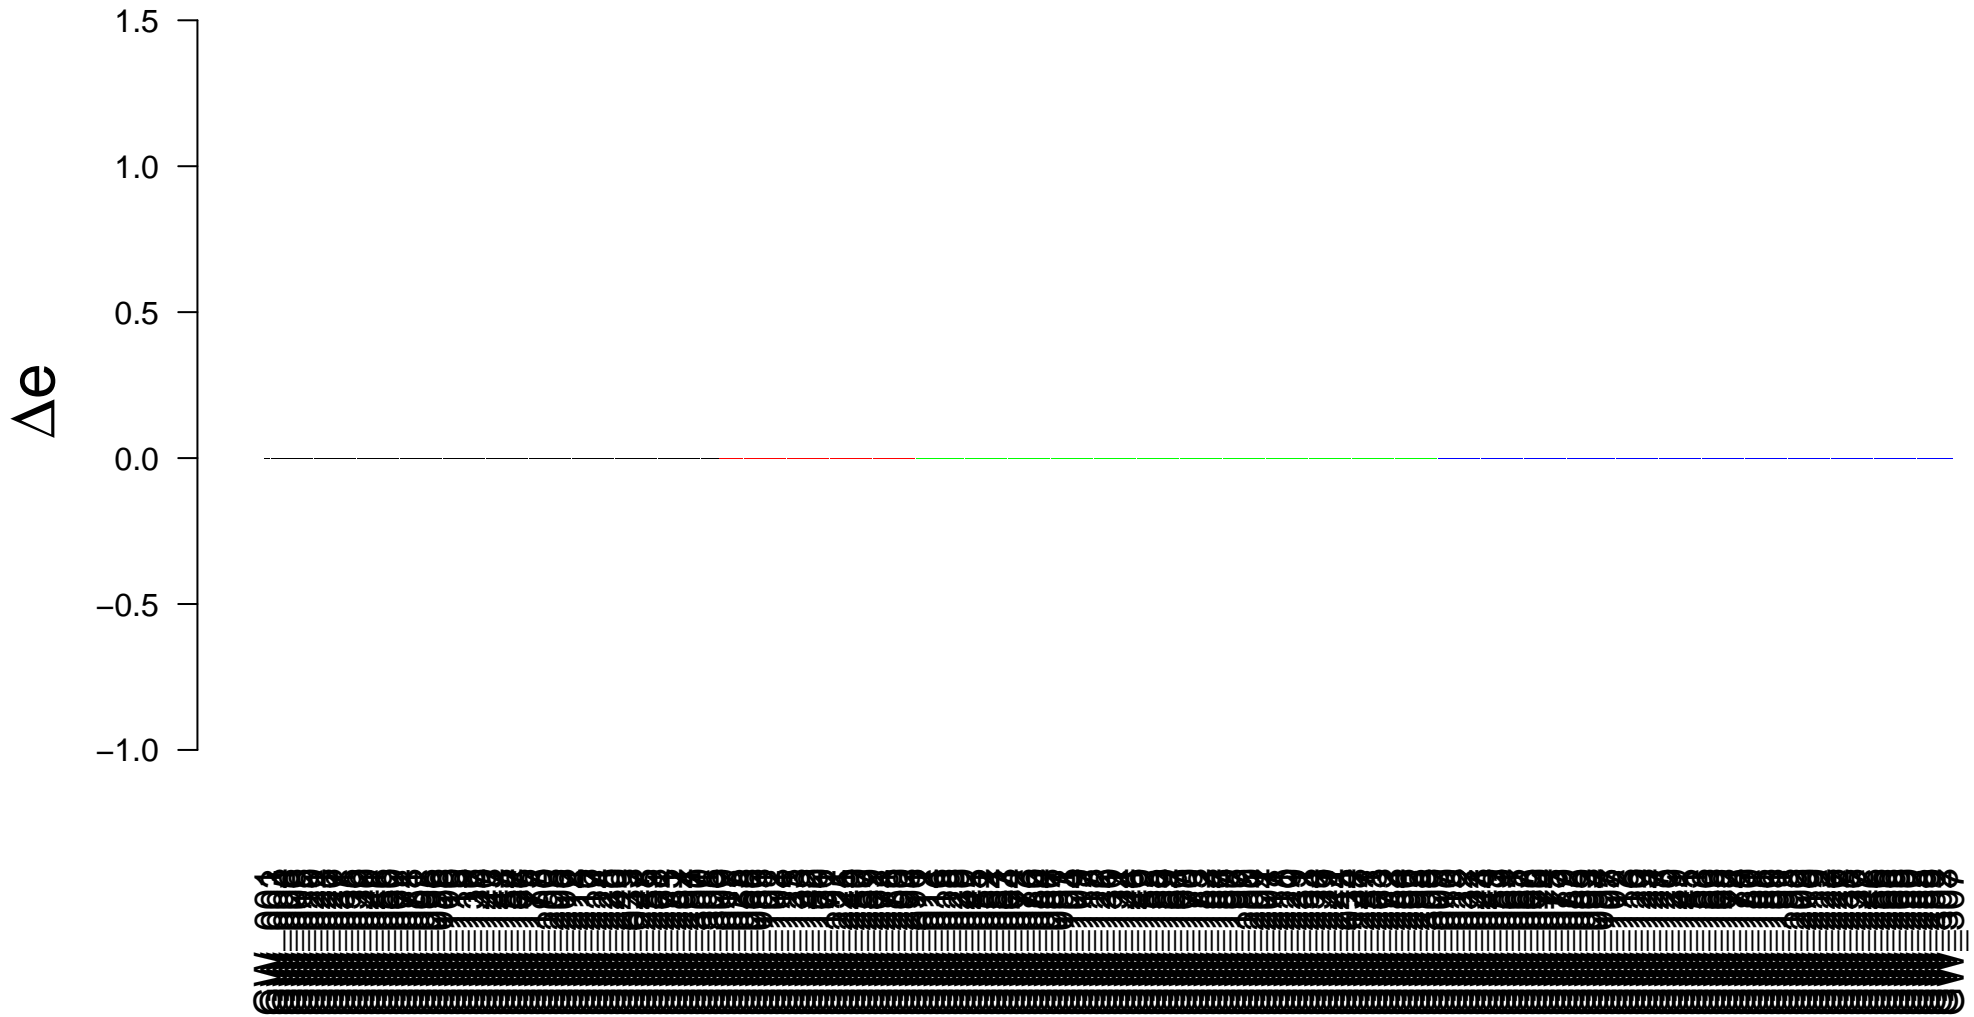

Expression of response to morphine in Spot K

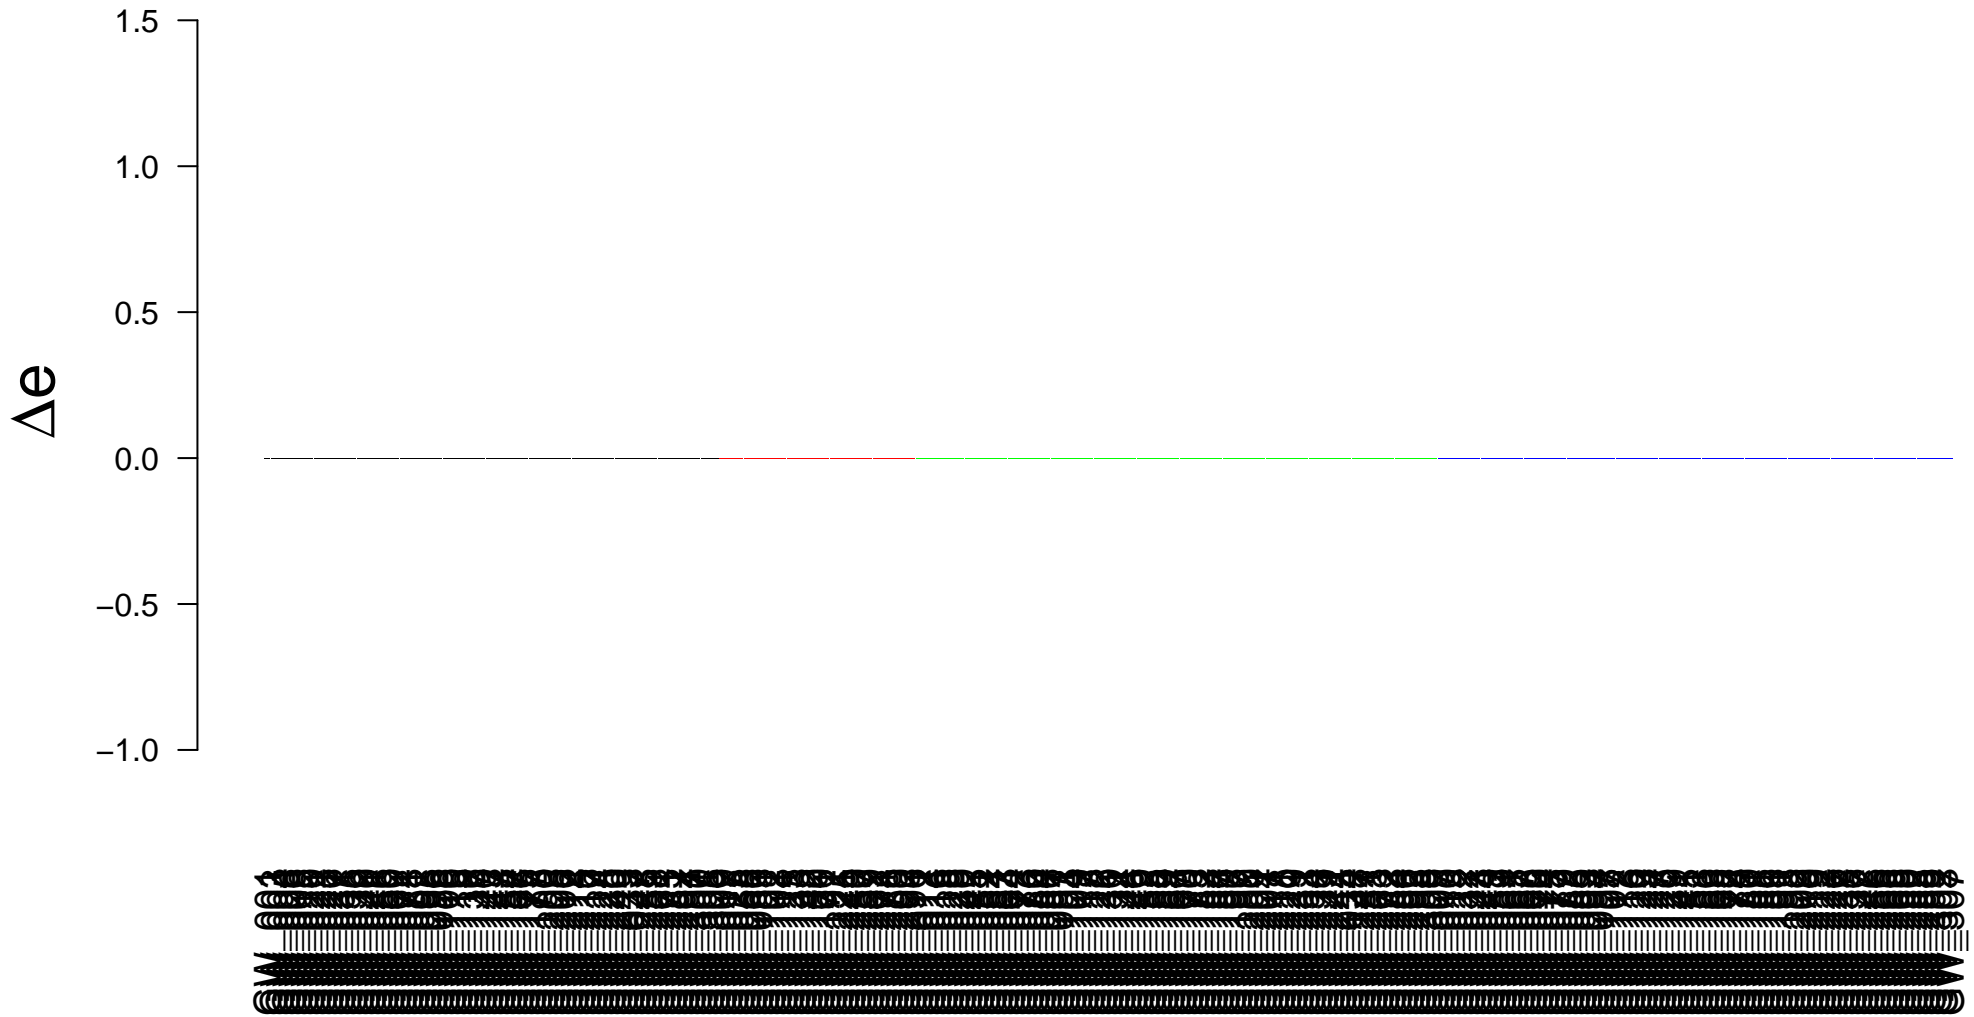

Expression of response to morphine in Spot L

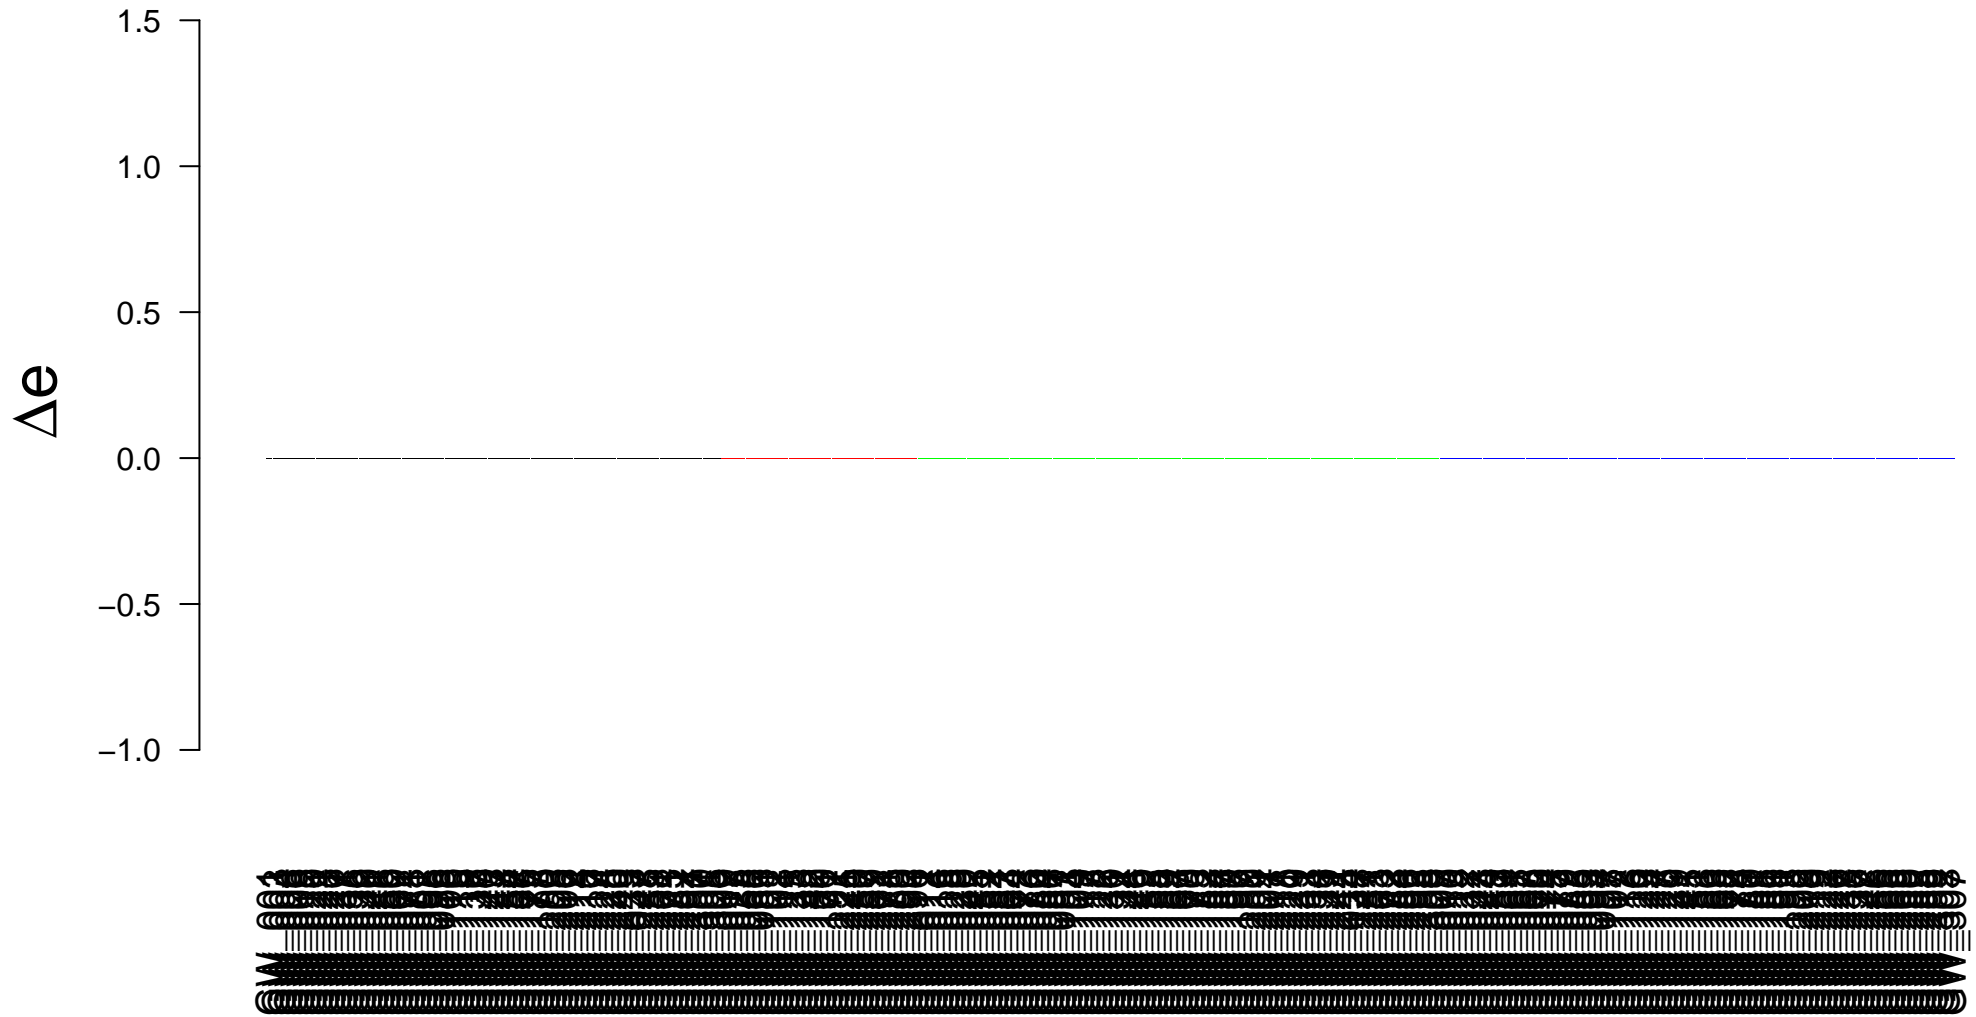

Expression of response to morphine in Spot M

Expression of response to morphine in Spot N

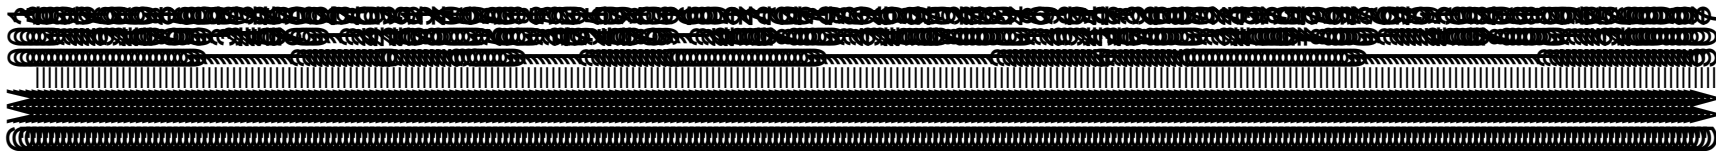

Expression of response to morphine in Spot O

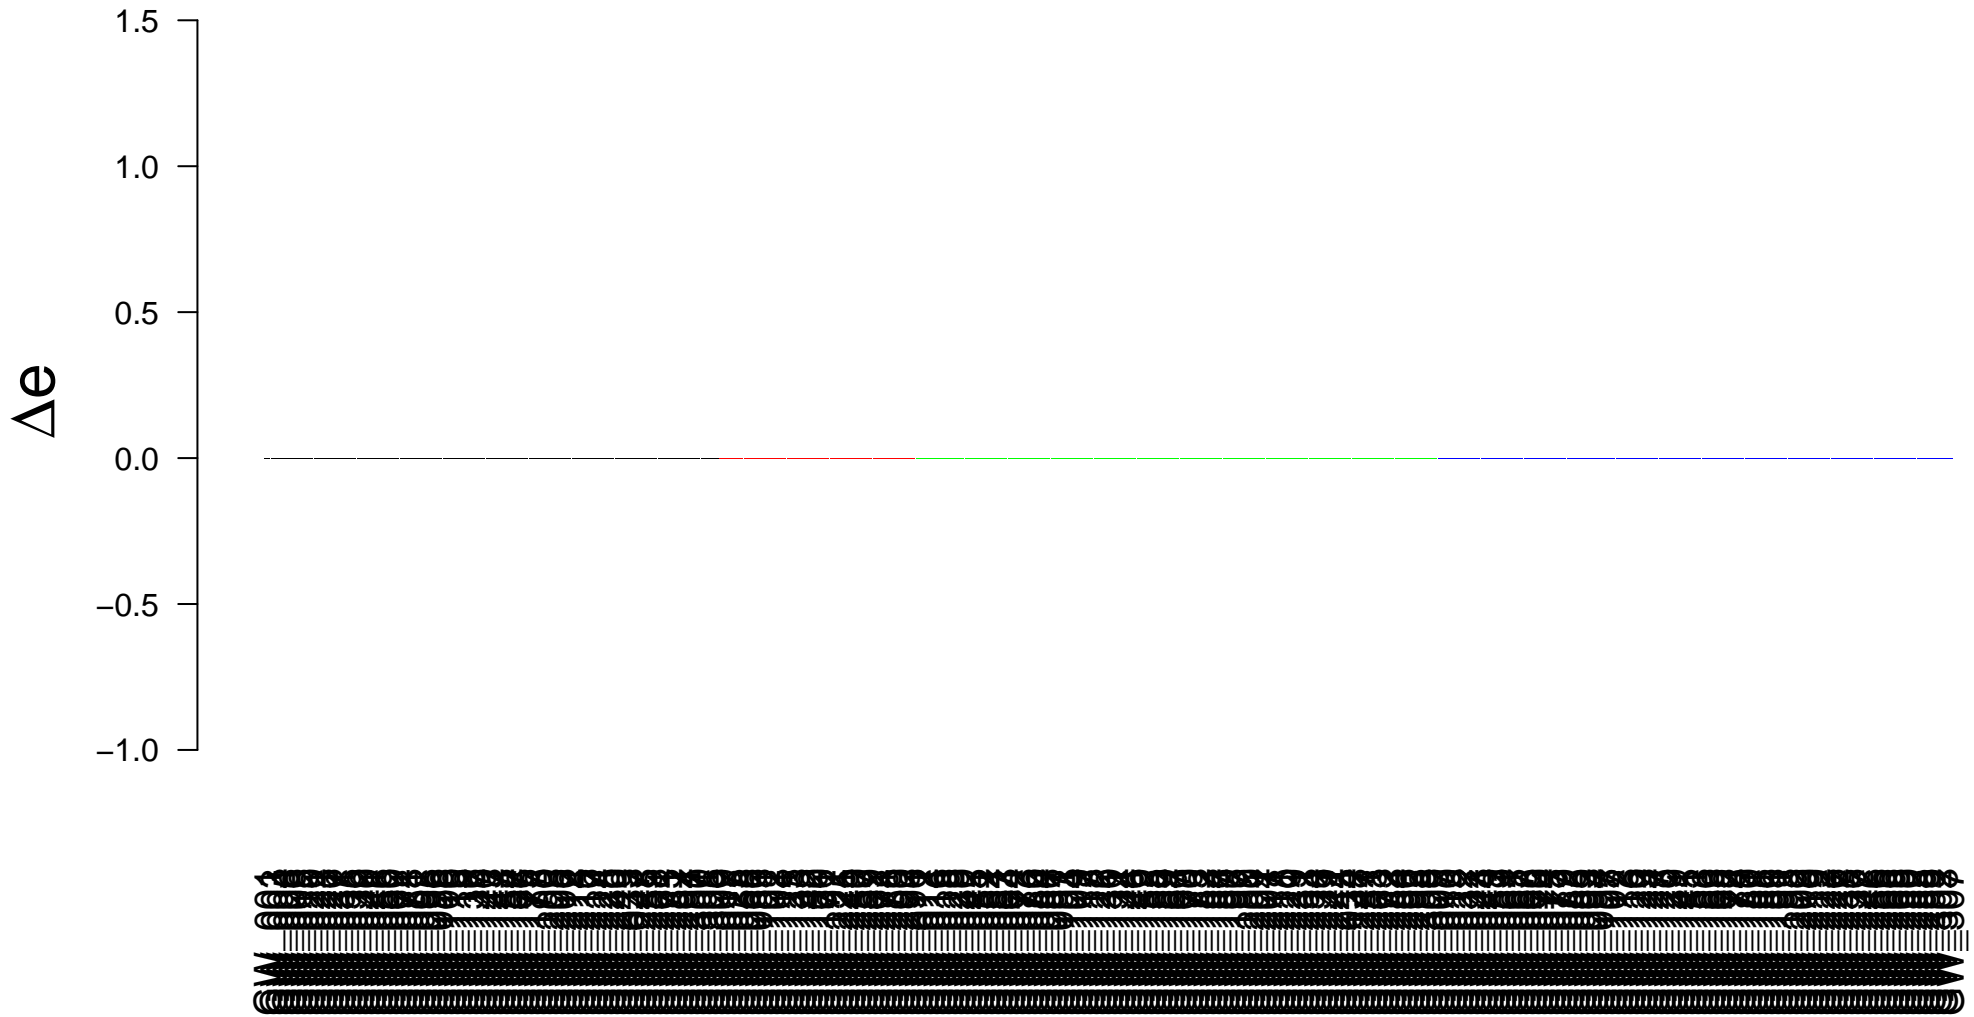

Expression of response to morphine in Spot P

Δe

Expression of response to morphine in Spot Q

Expression of response to morphine in Spot R
