

response to retinoic acid

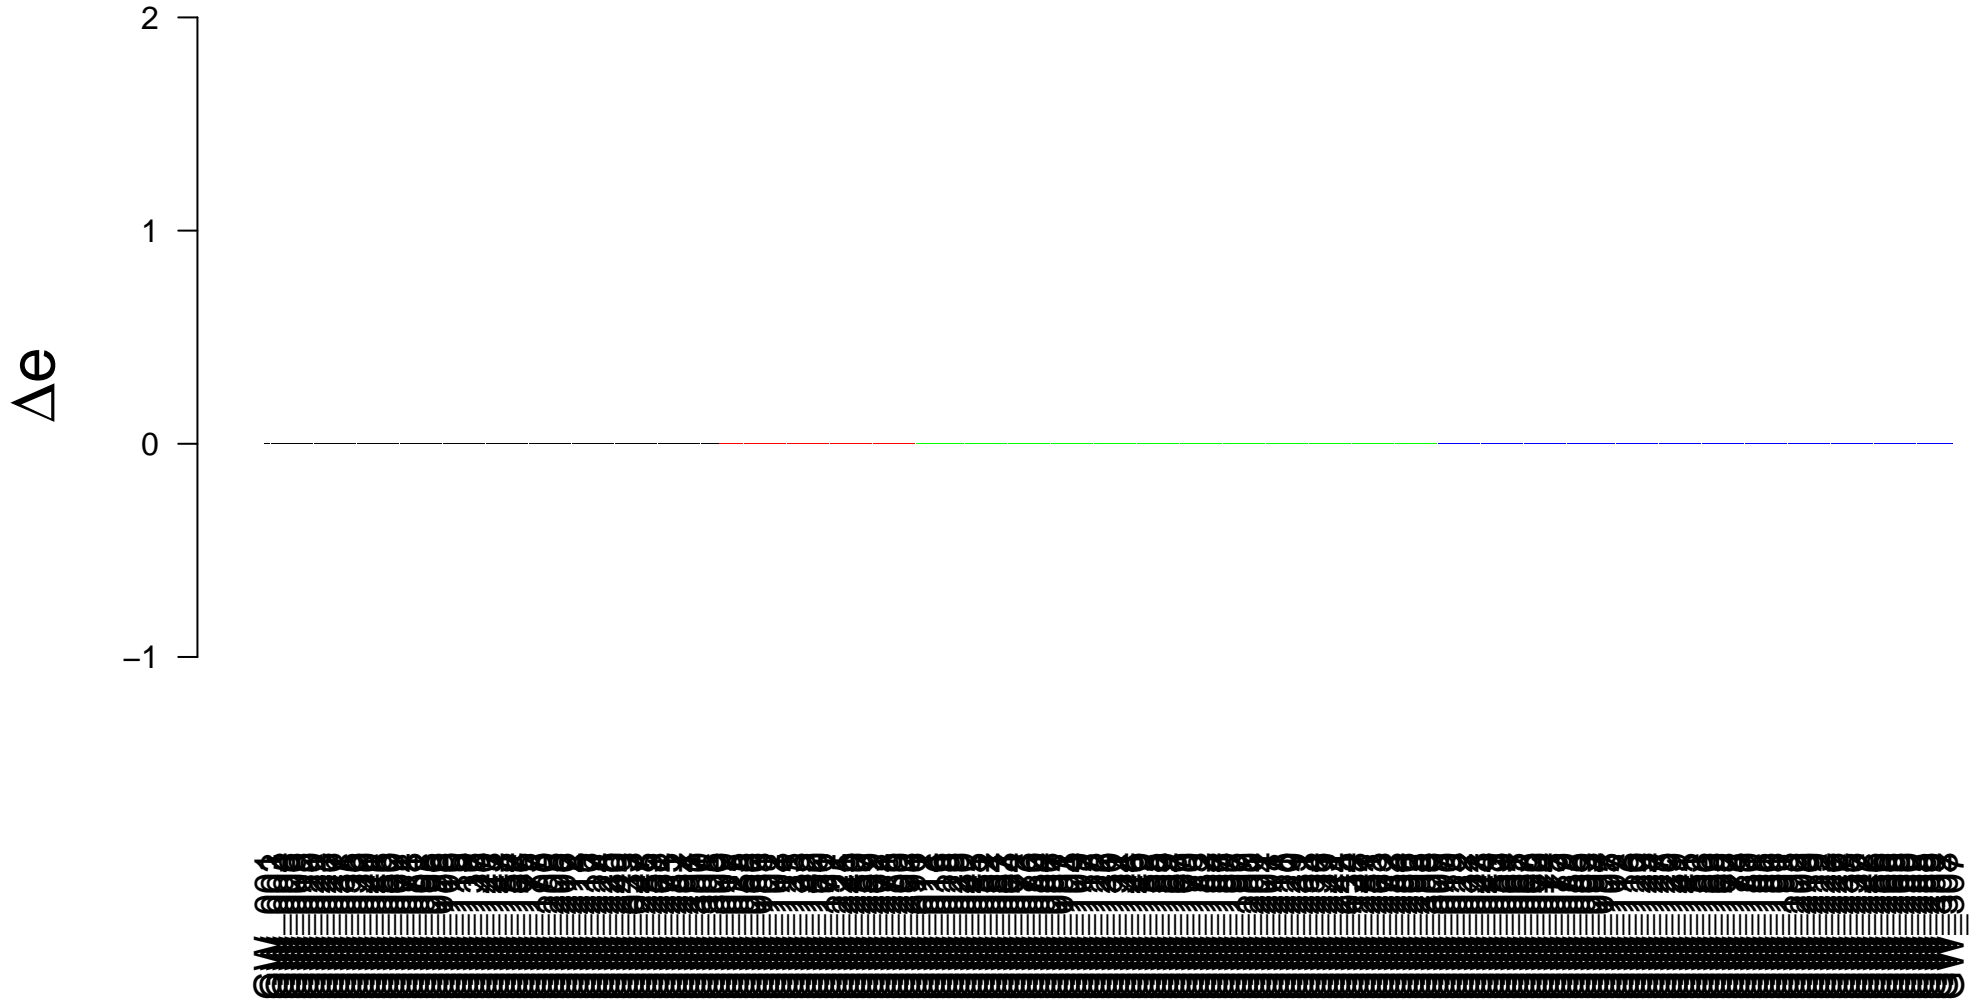

response to retinoic acid

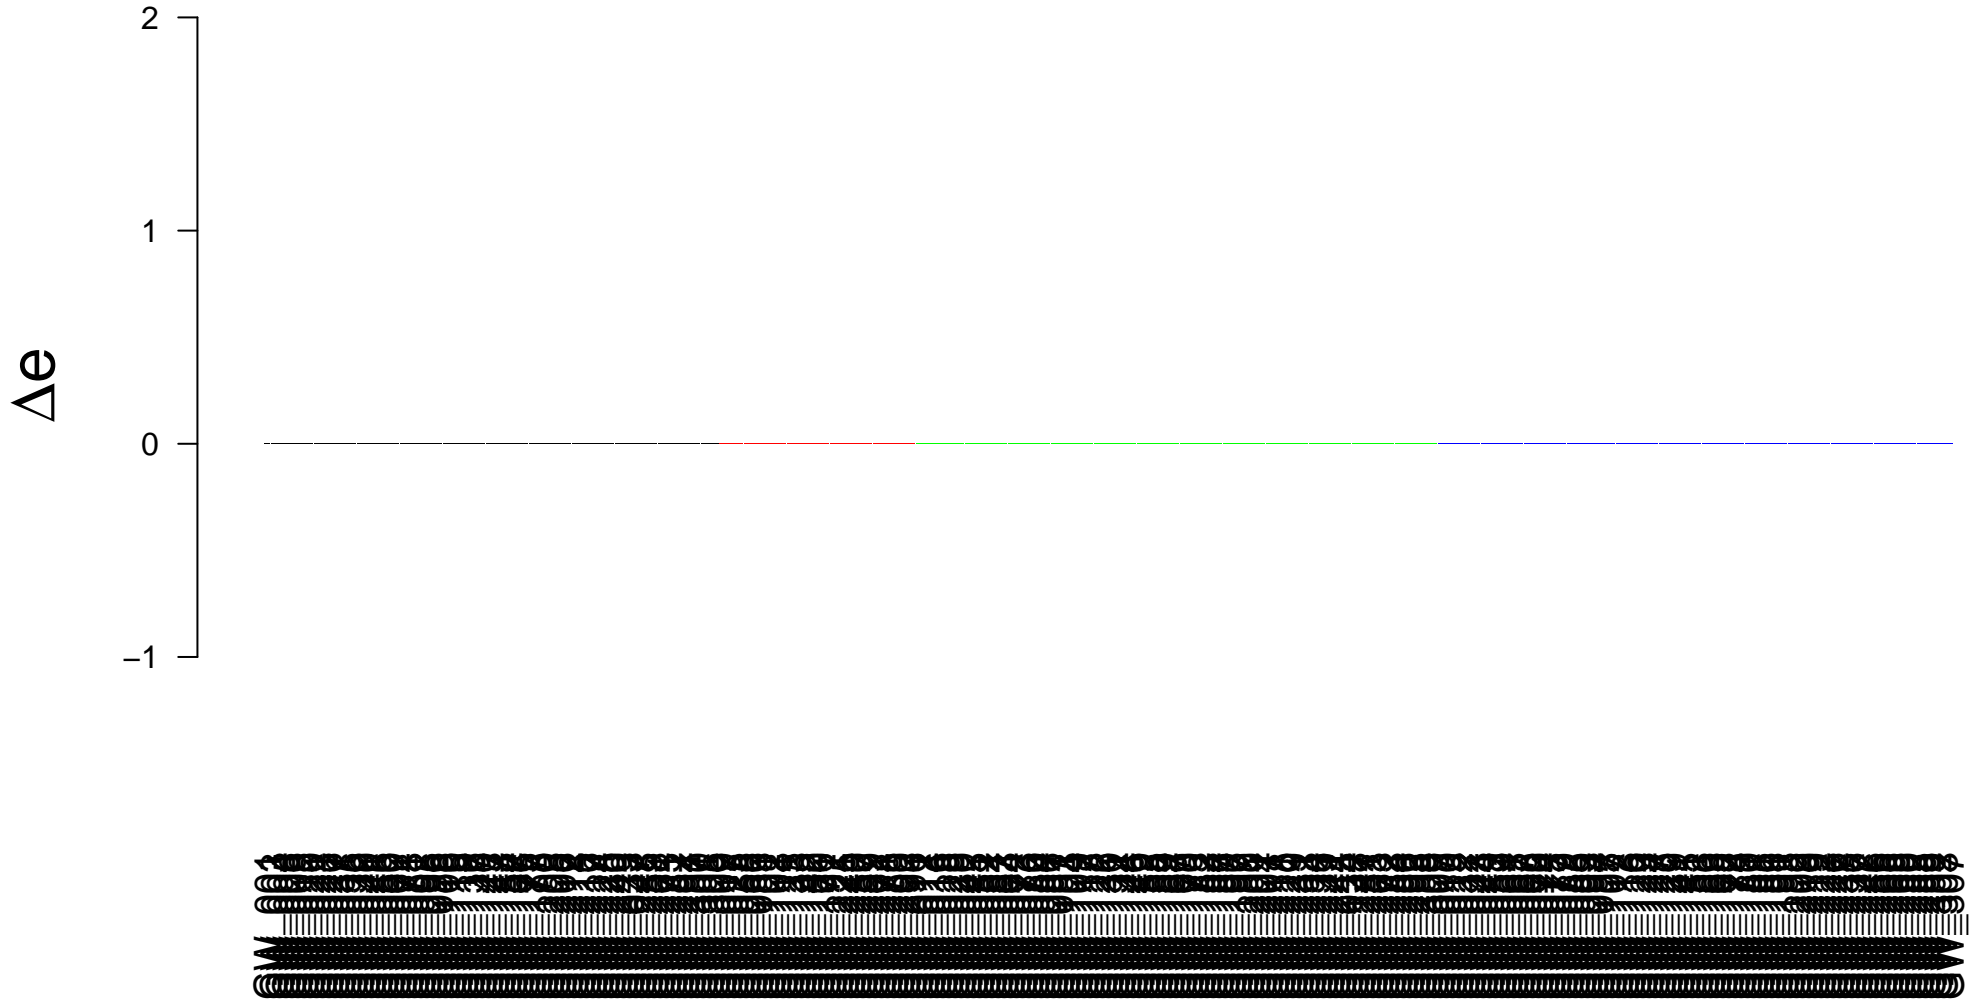

Enrichment in spots: response to retinoic acid

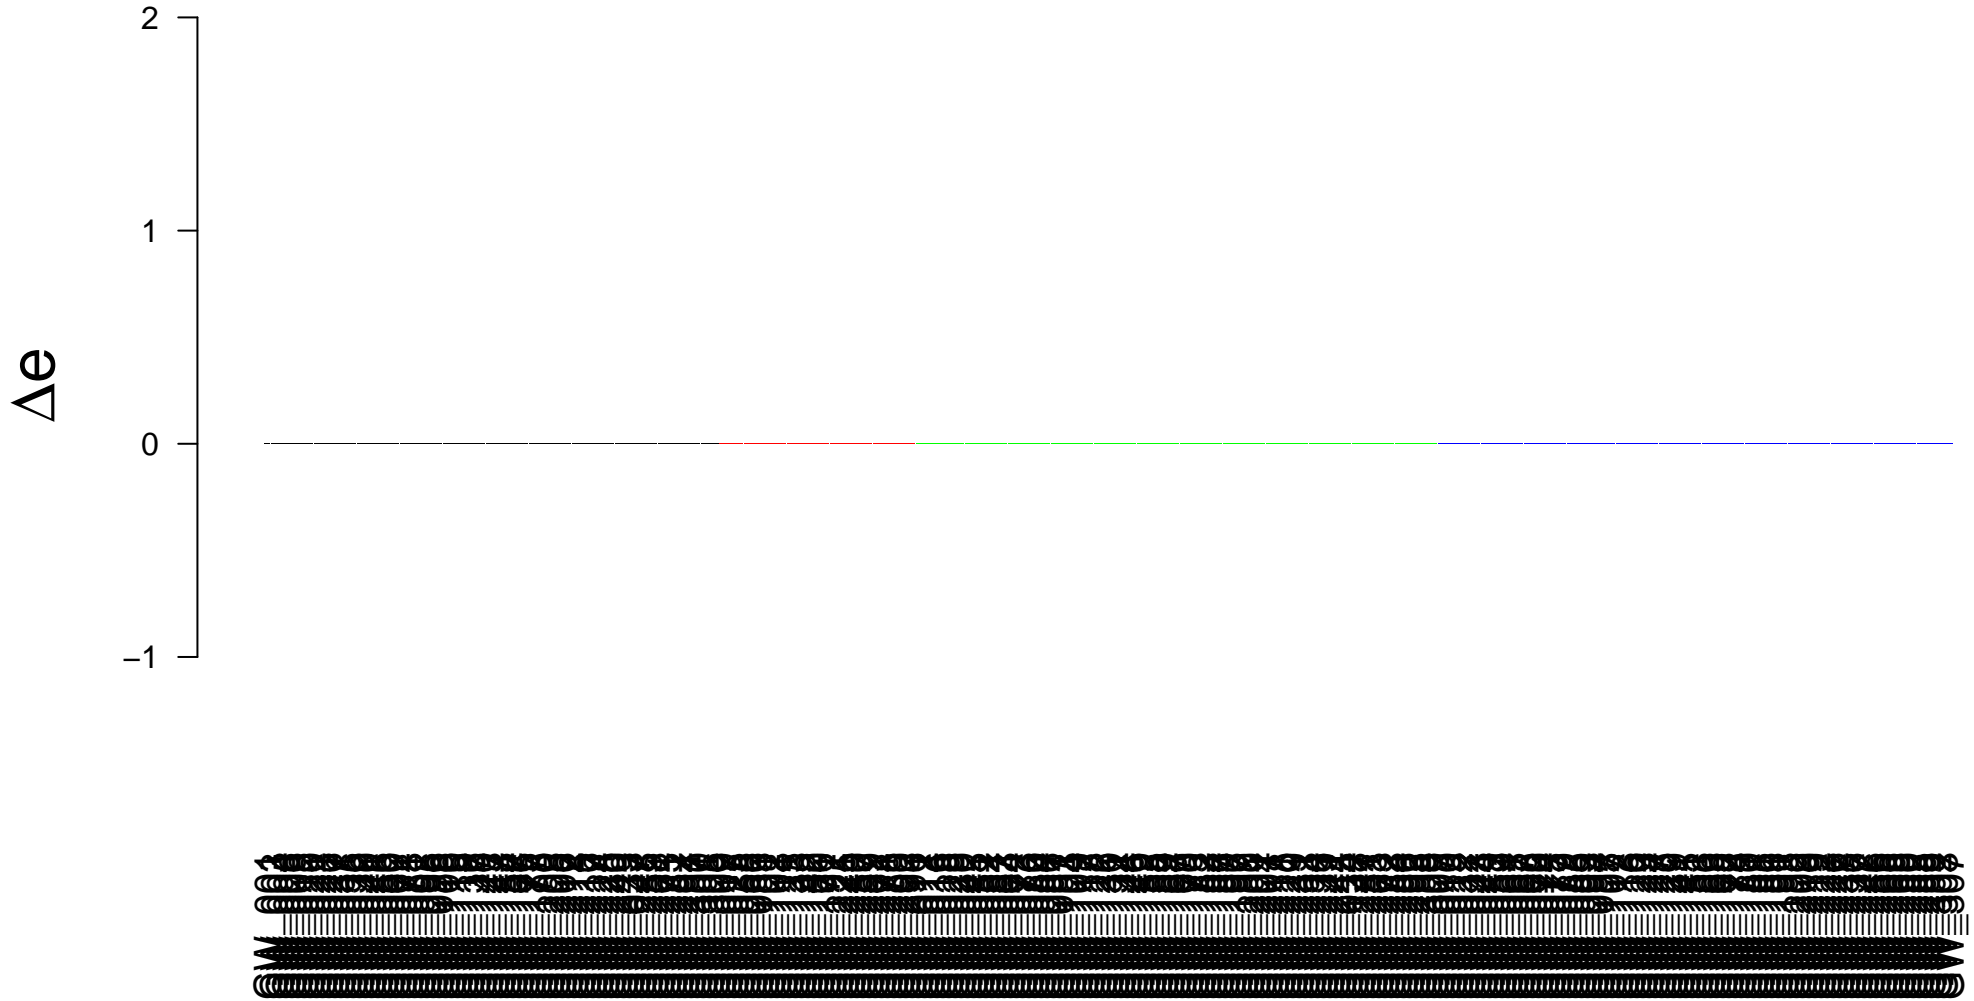

Expression of response to retinoic acid in Spot A

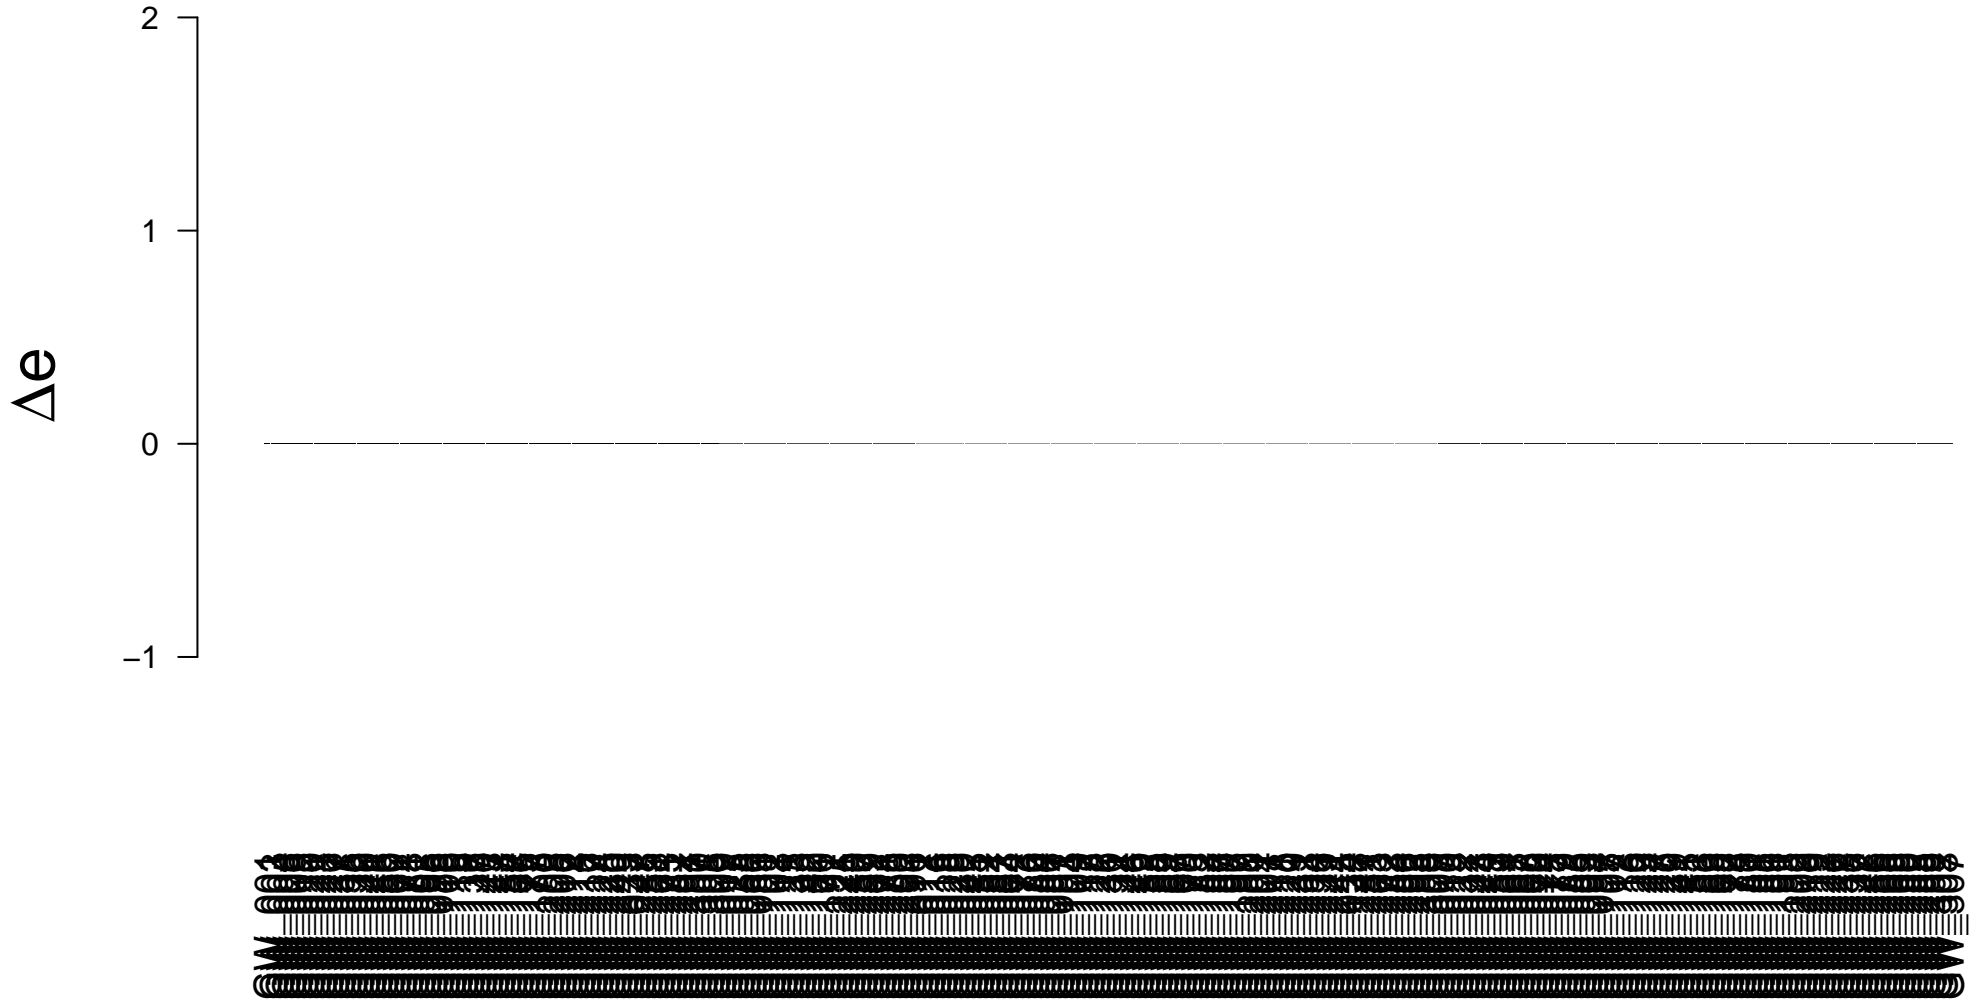

Expression of response to retinoic acid in Spot B

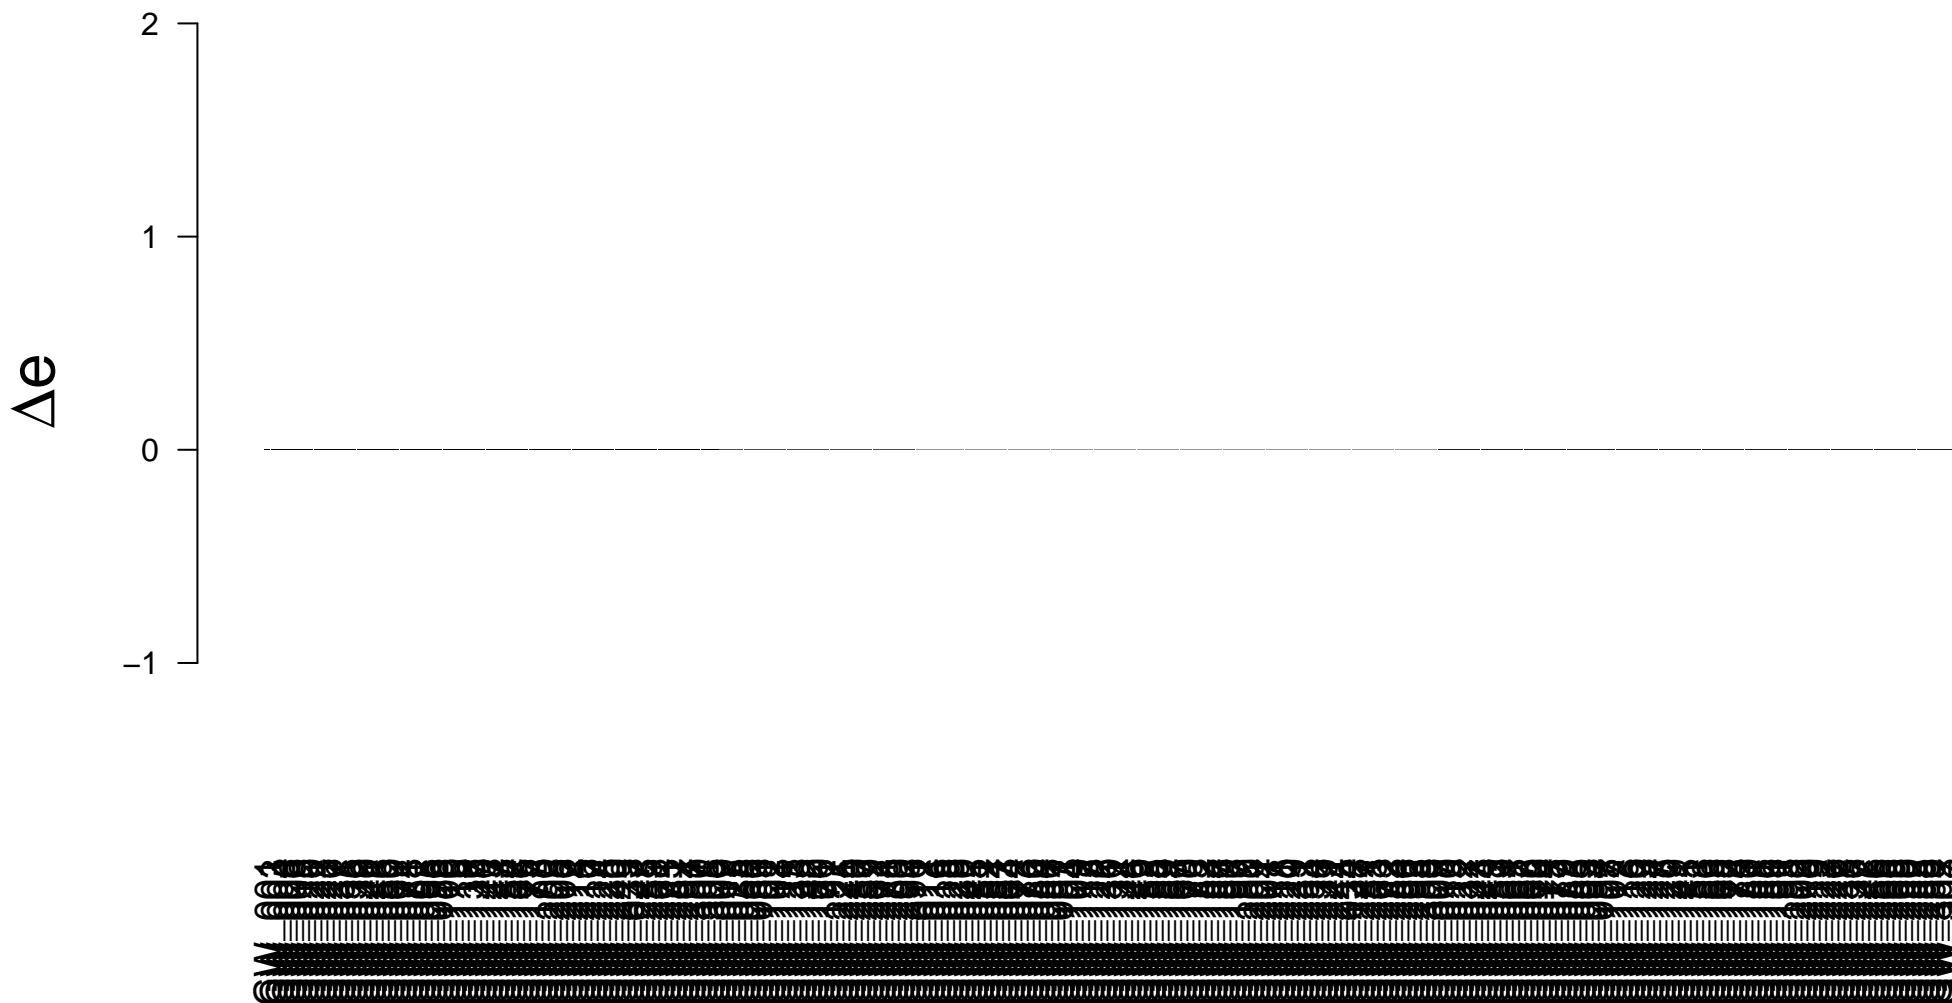

Expression of response to retinoic acid in Spot C

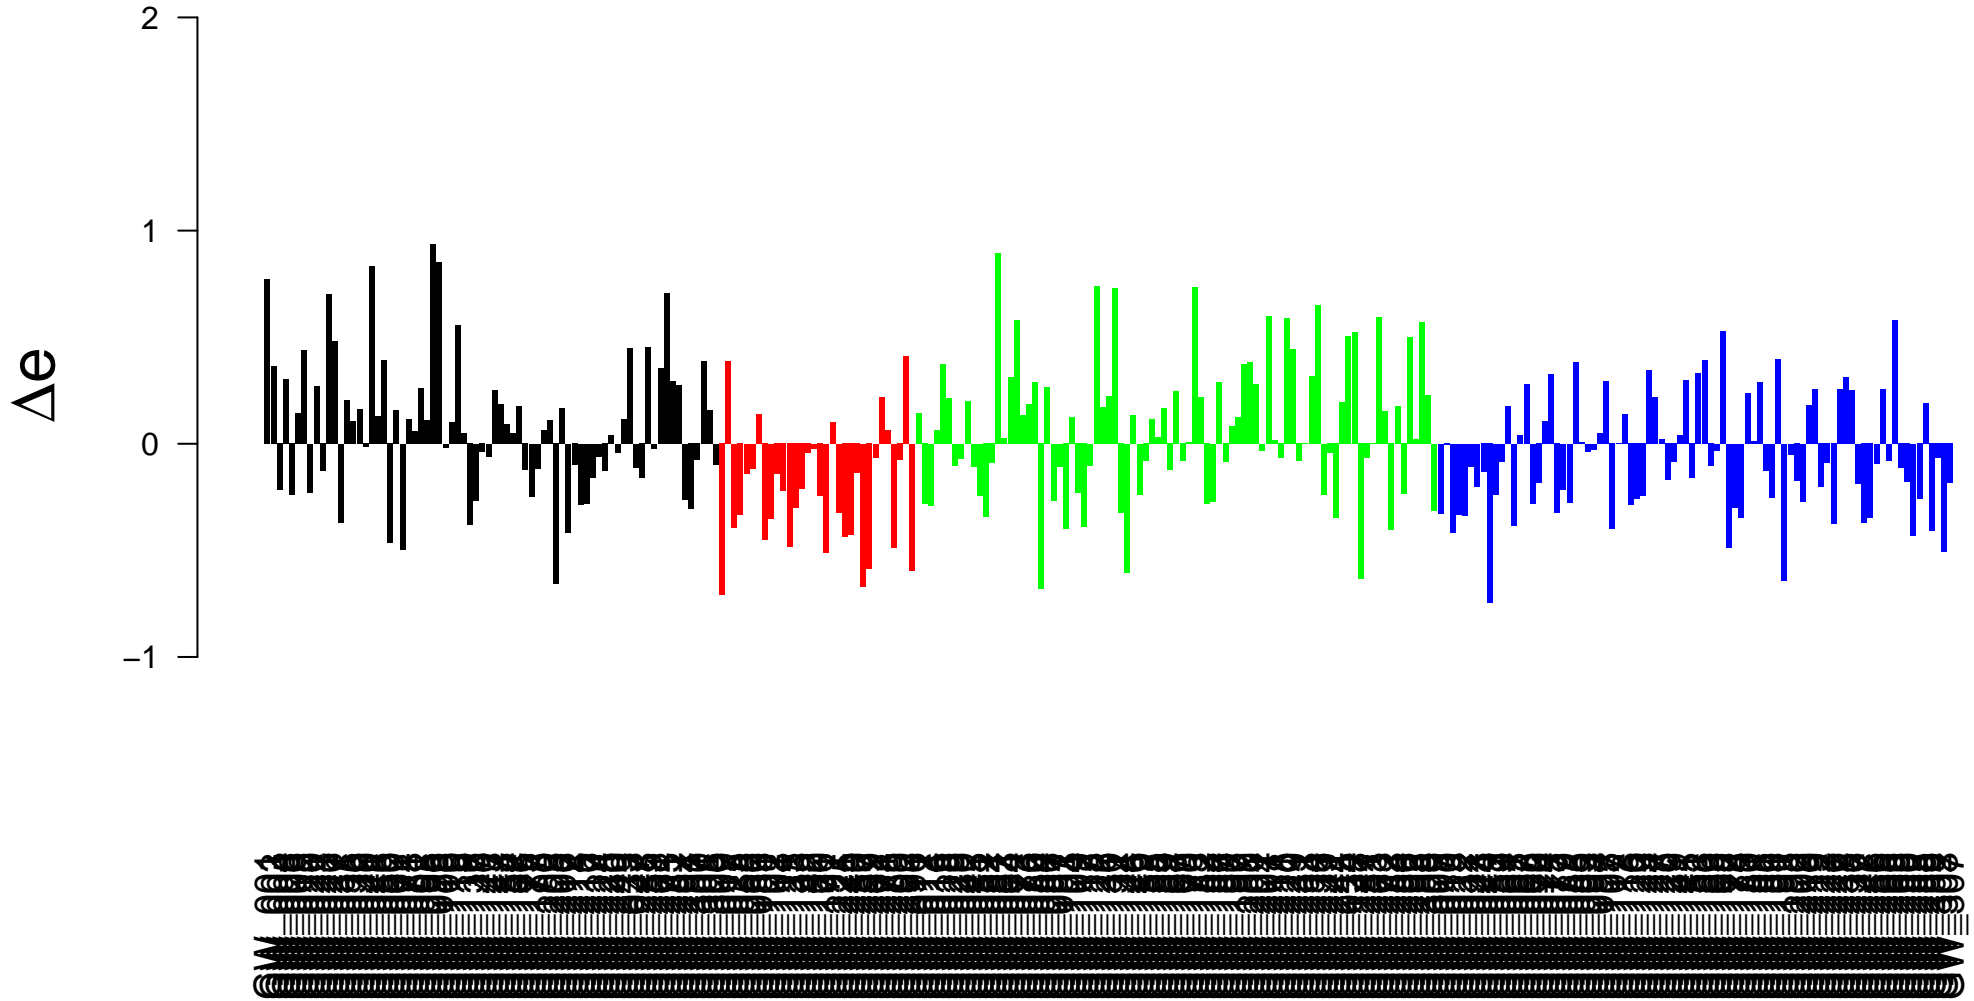

Expression of response to retinoic acid in Spot D

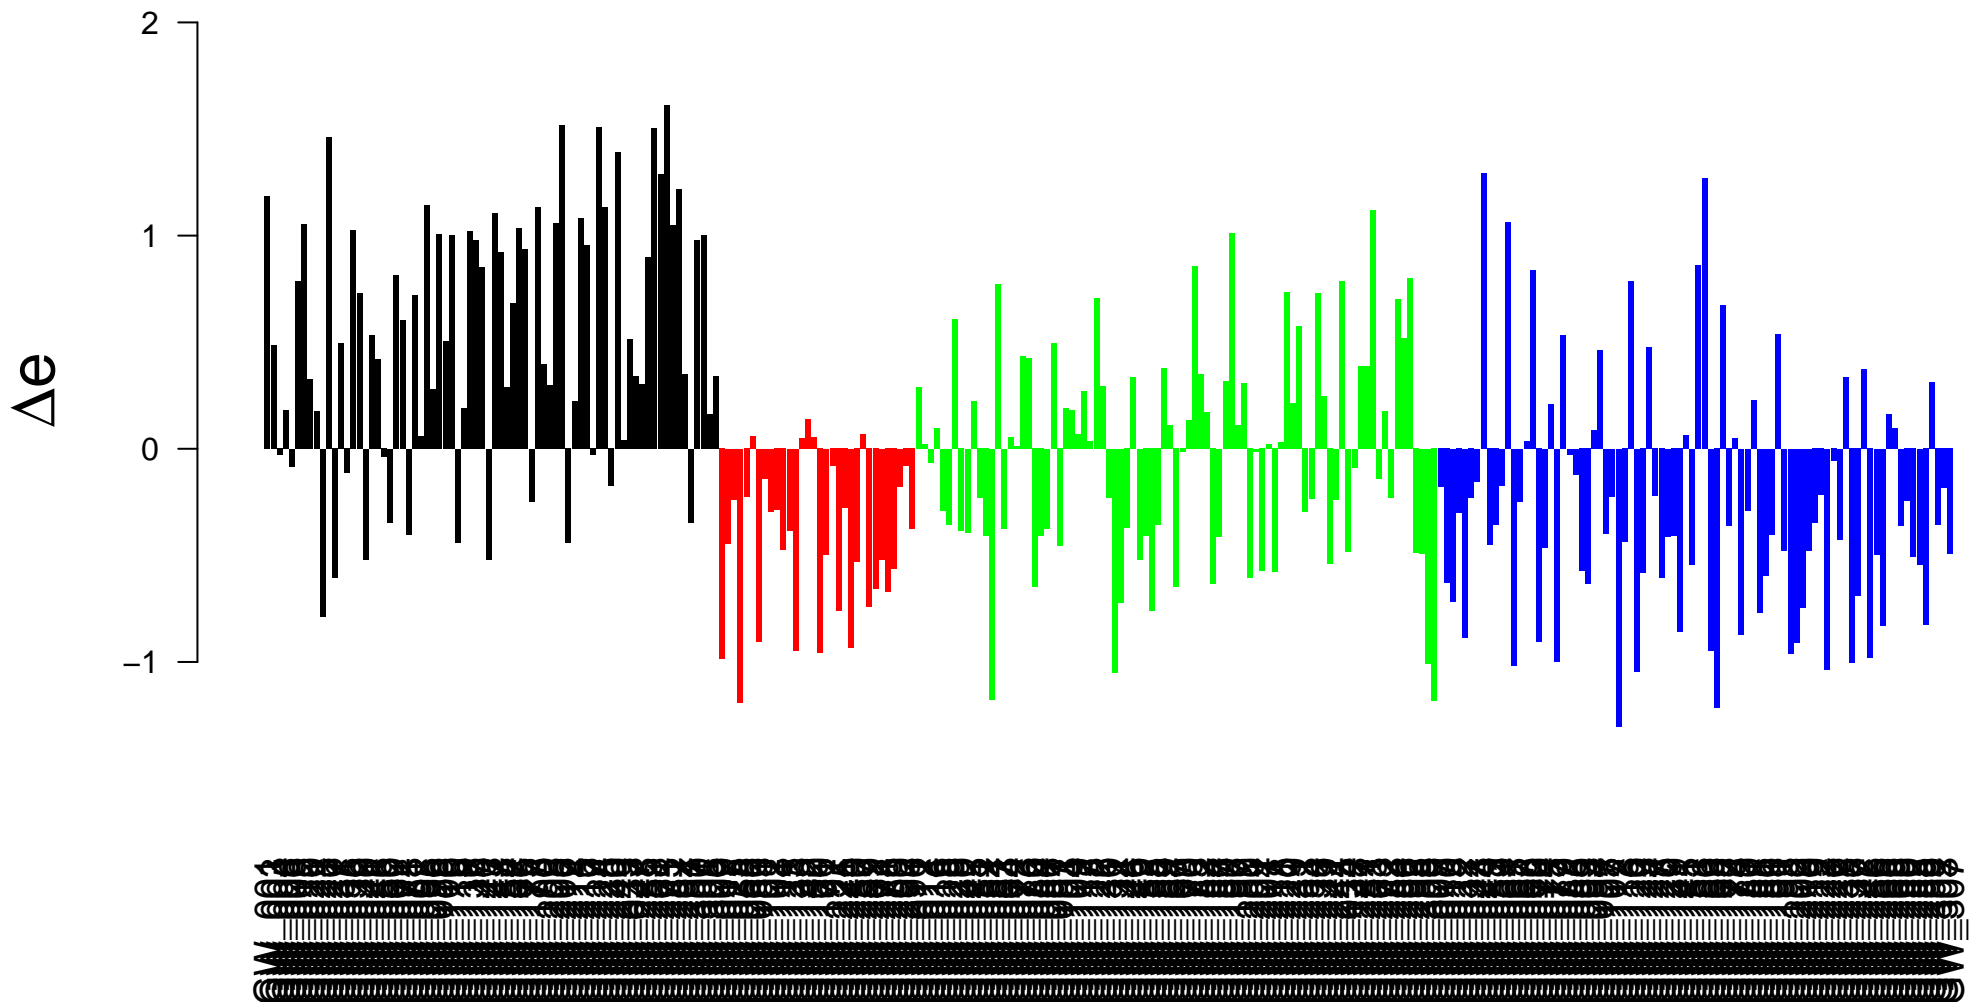

Expression of response to retinoic acid in Spot E

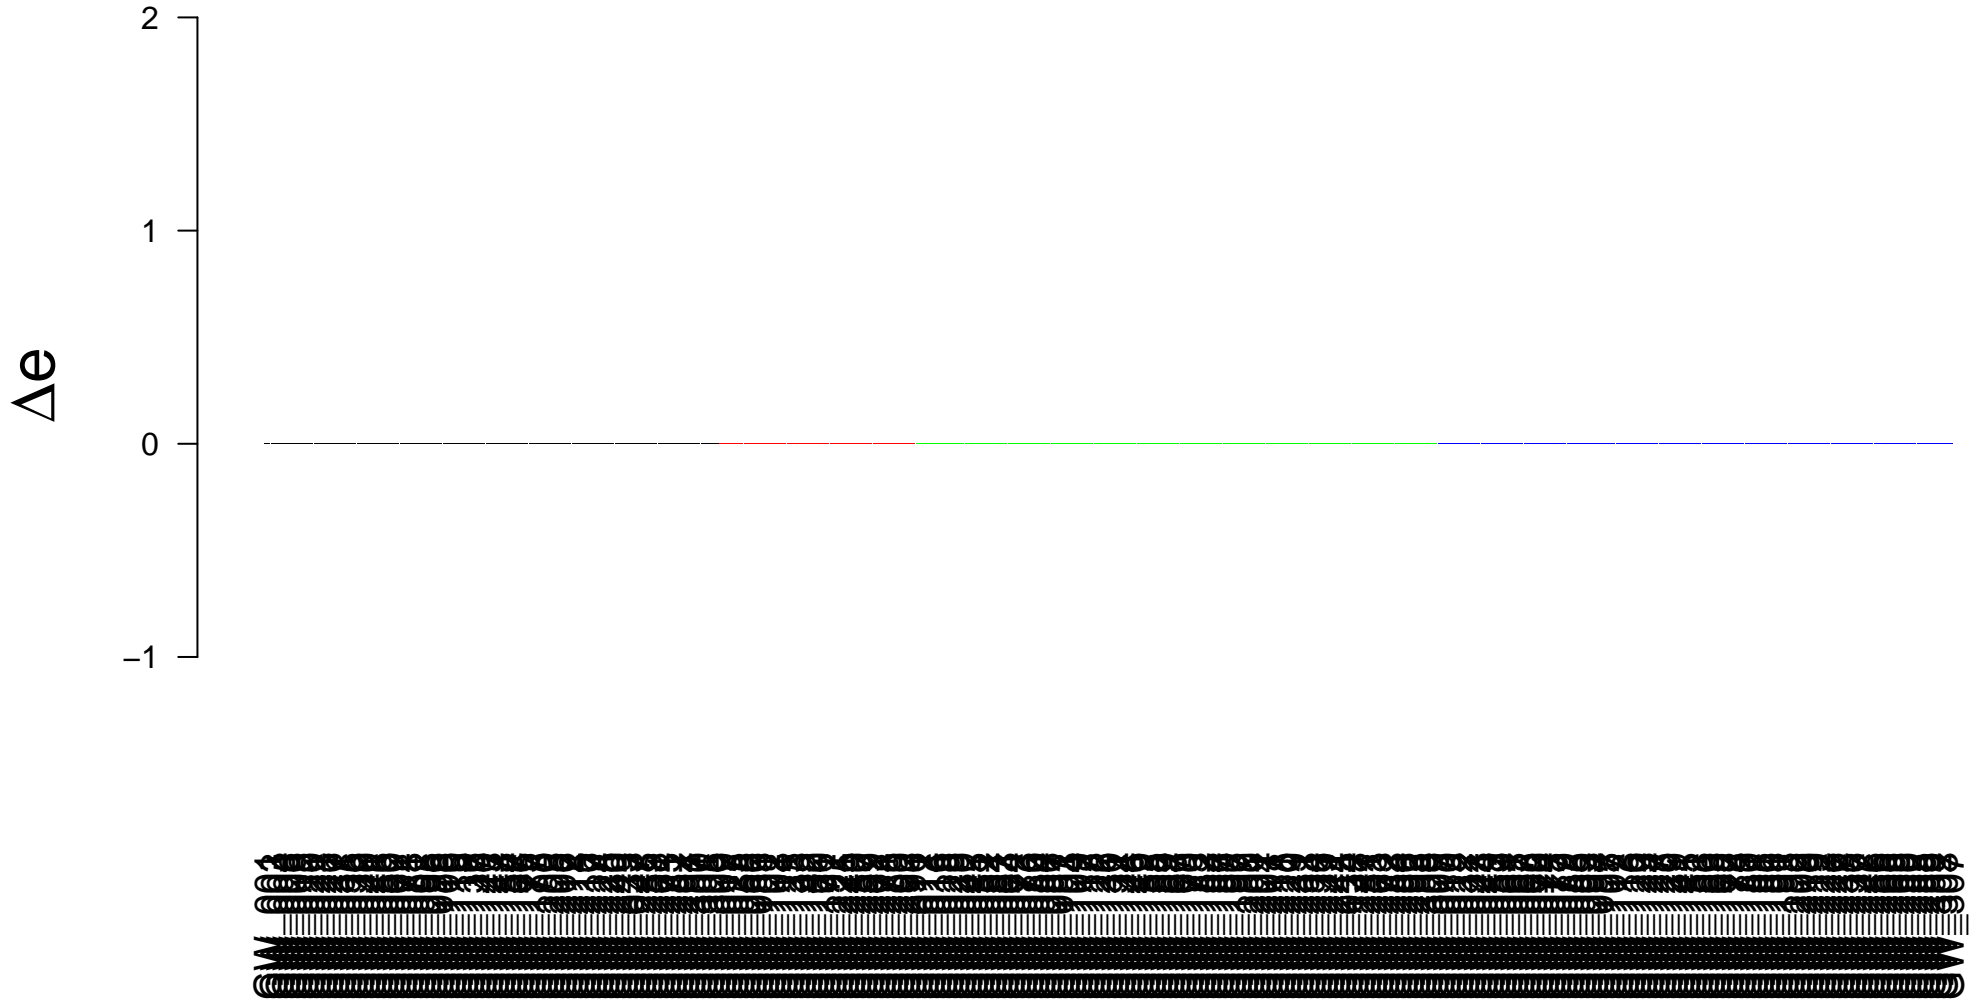

Expression of response to retinoic acid in Spot F

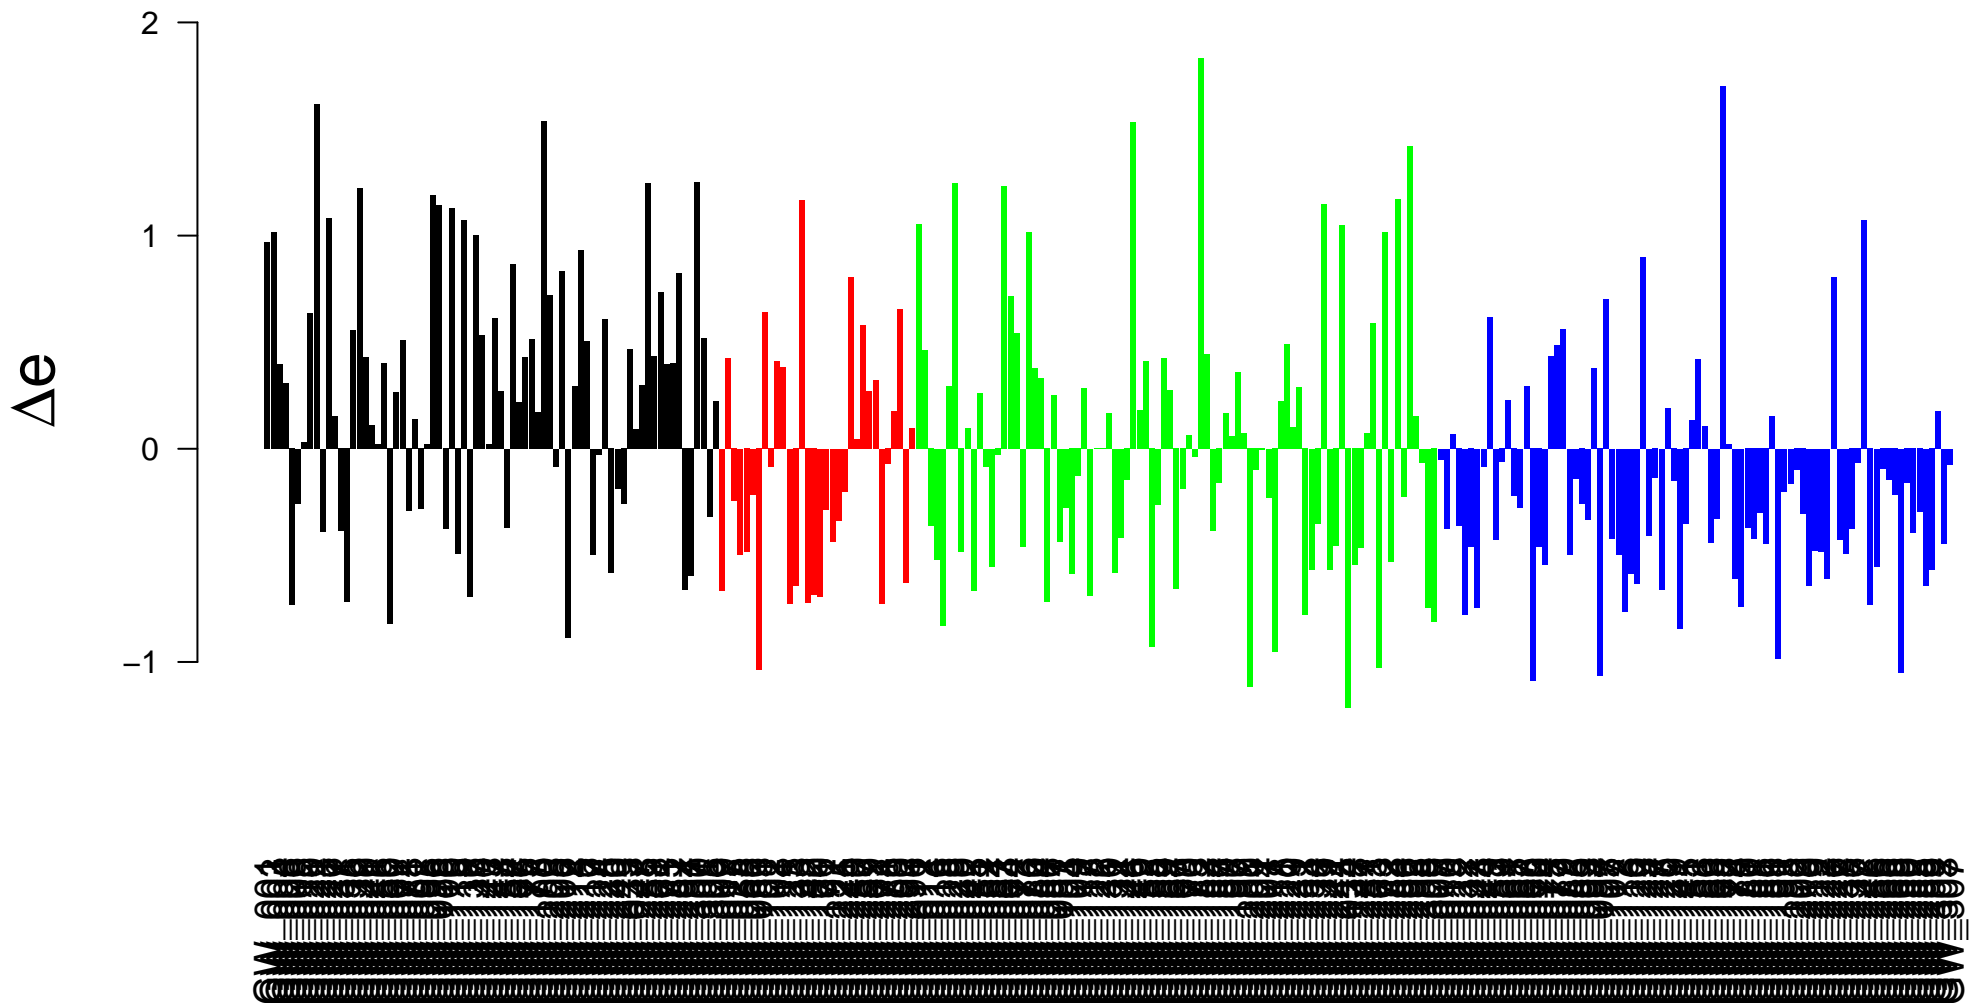

Expression of response to retinoic acid in Spot G

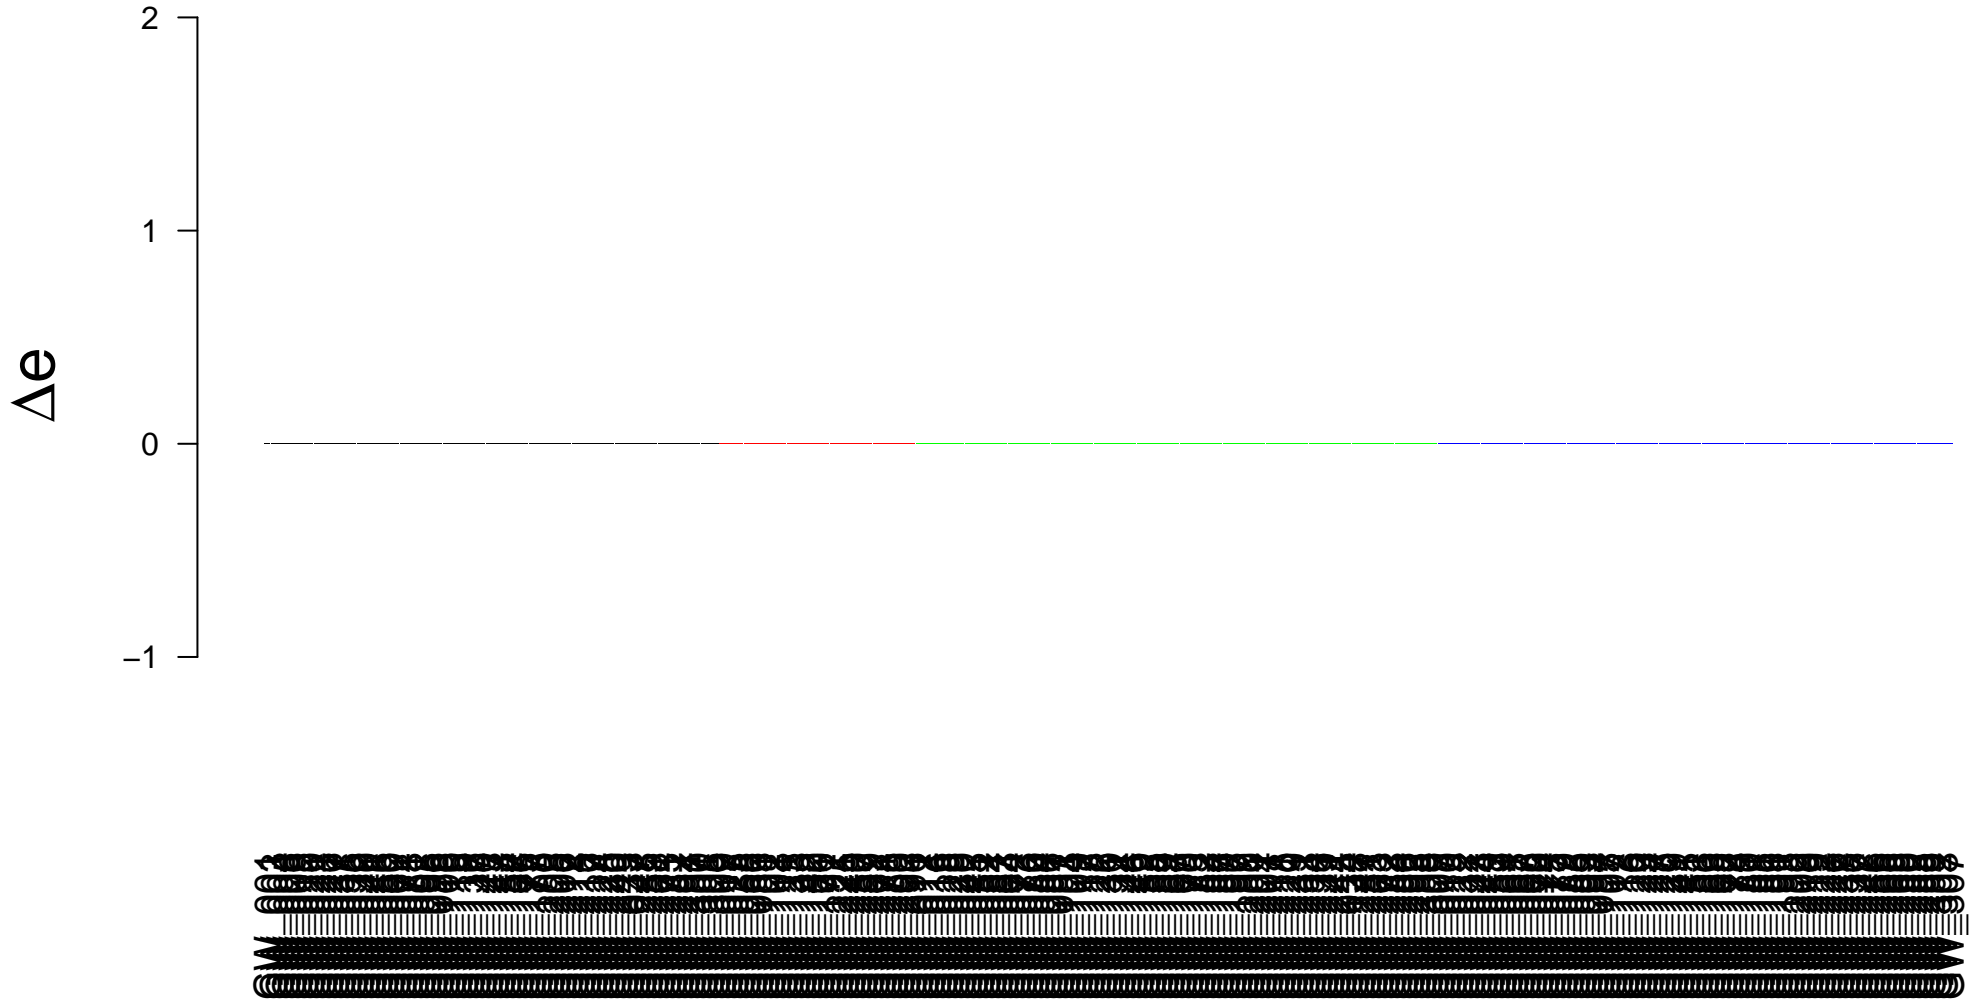

Expression of response to retinoic acid in Spot H

Expression of response to retinoic acid in Spot I

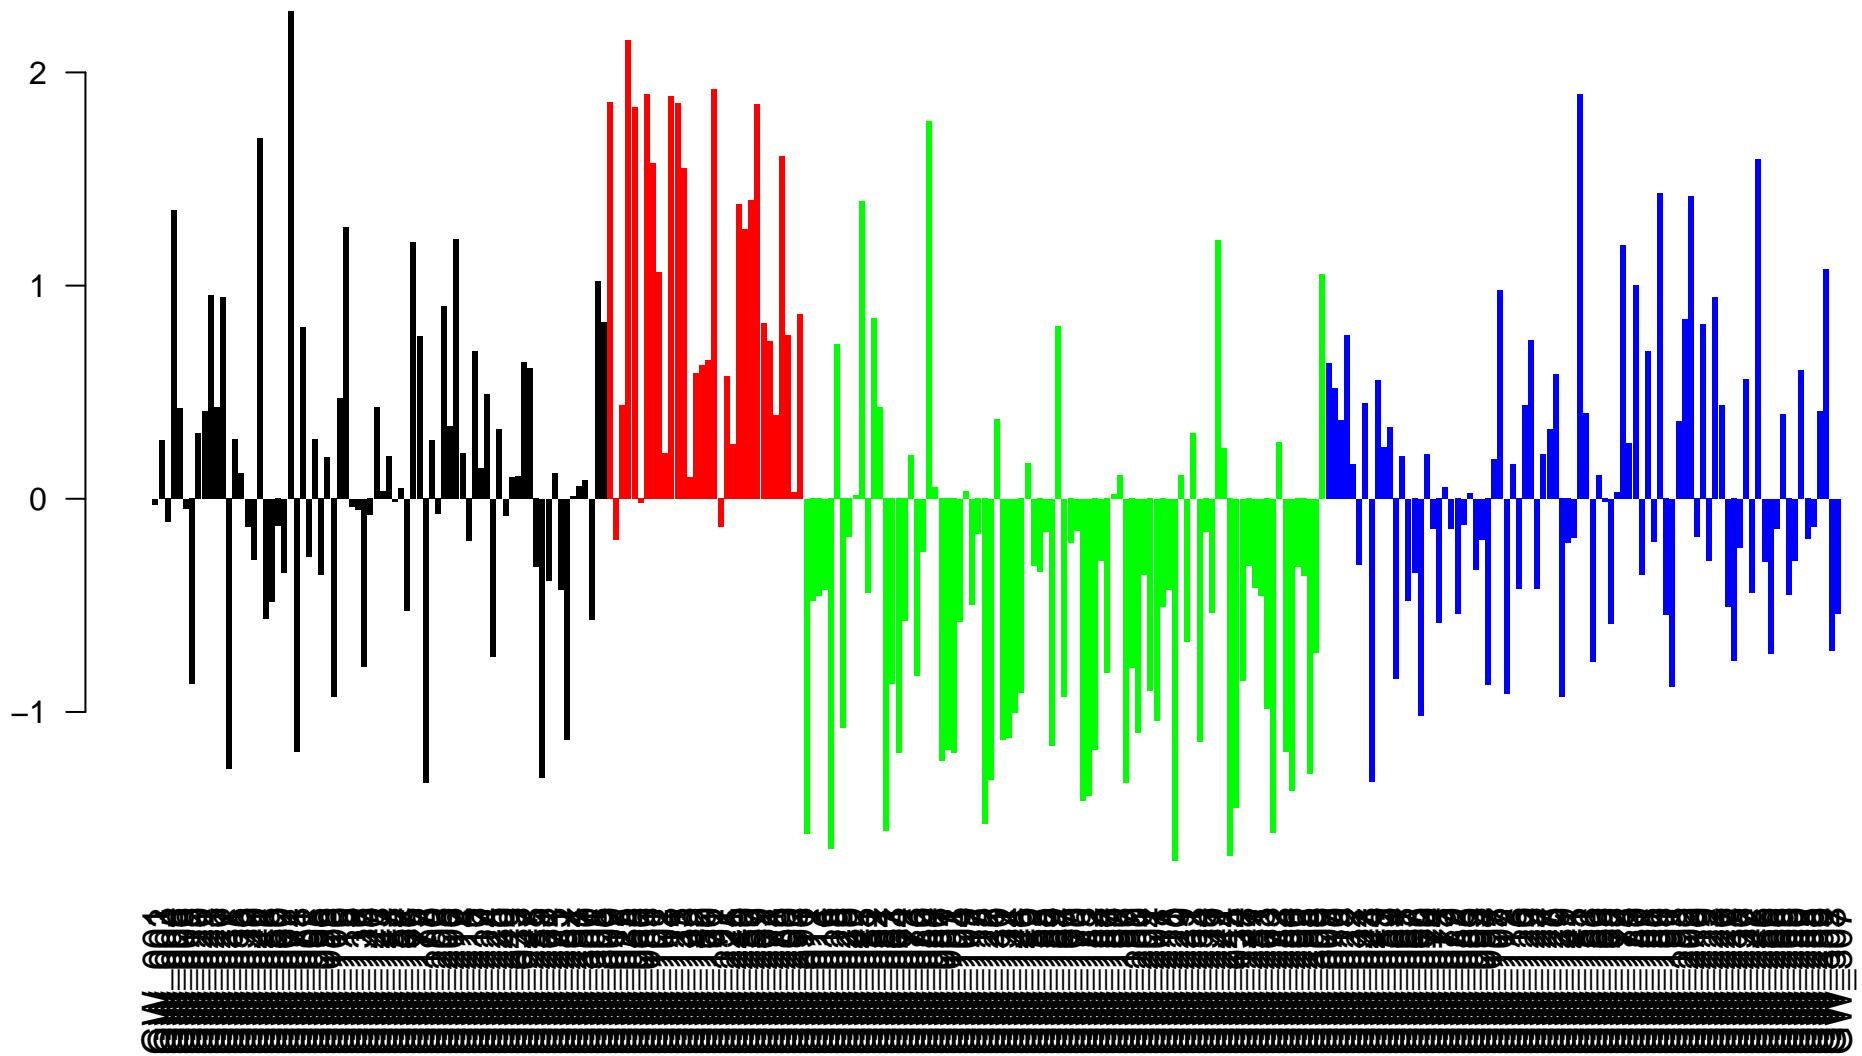

Expression of response to retinoic acid in Spot J

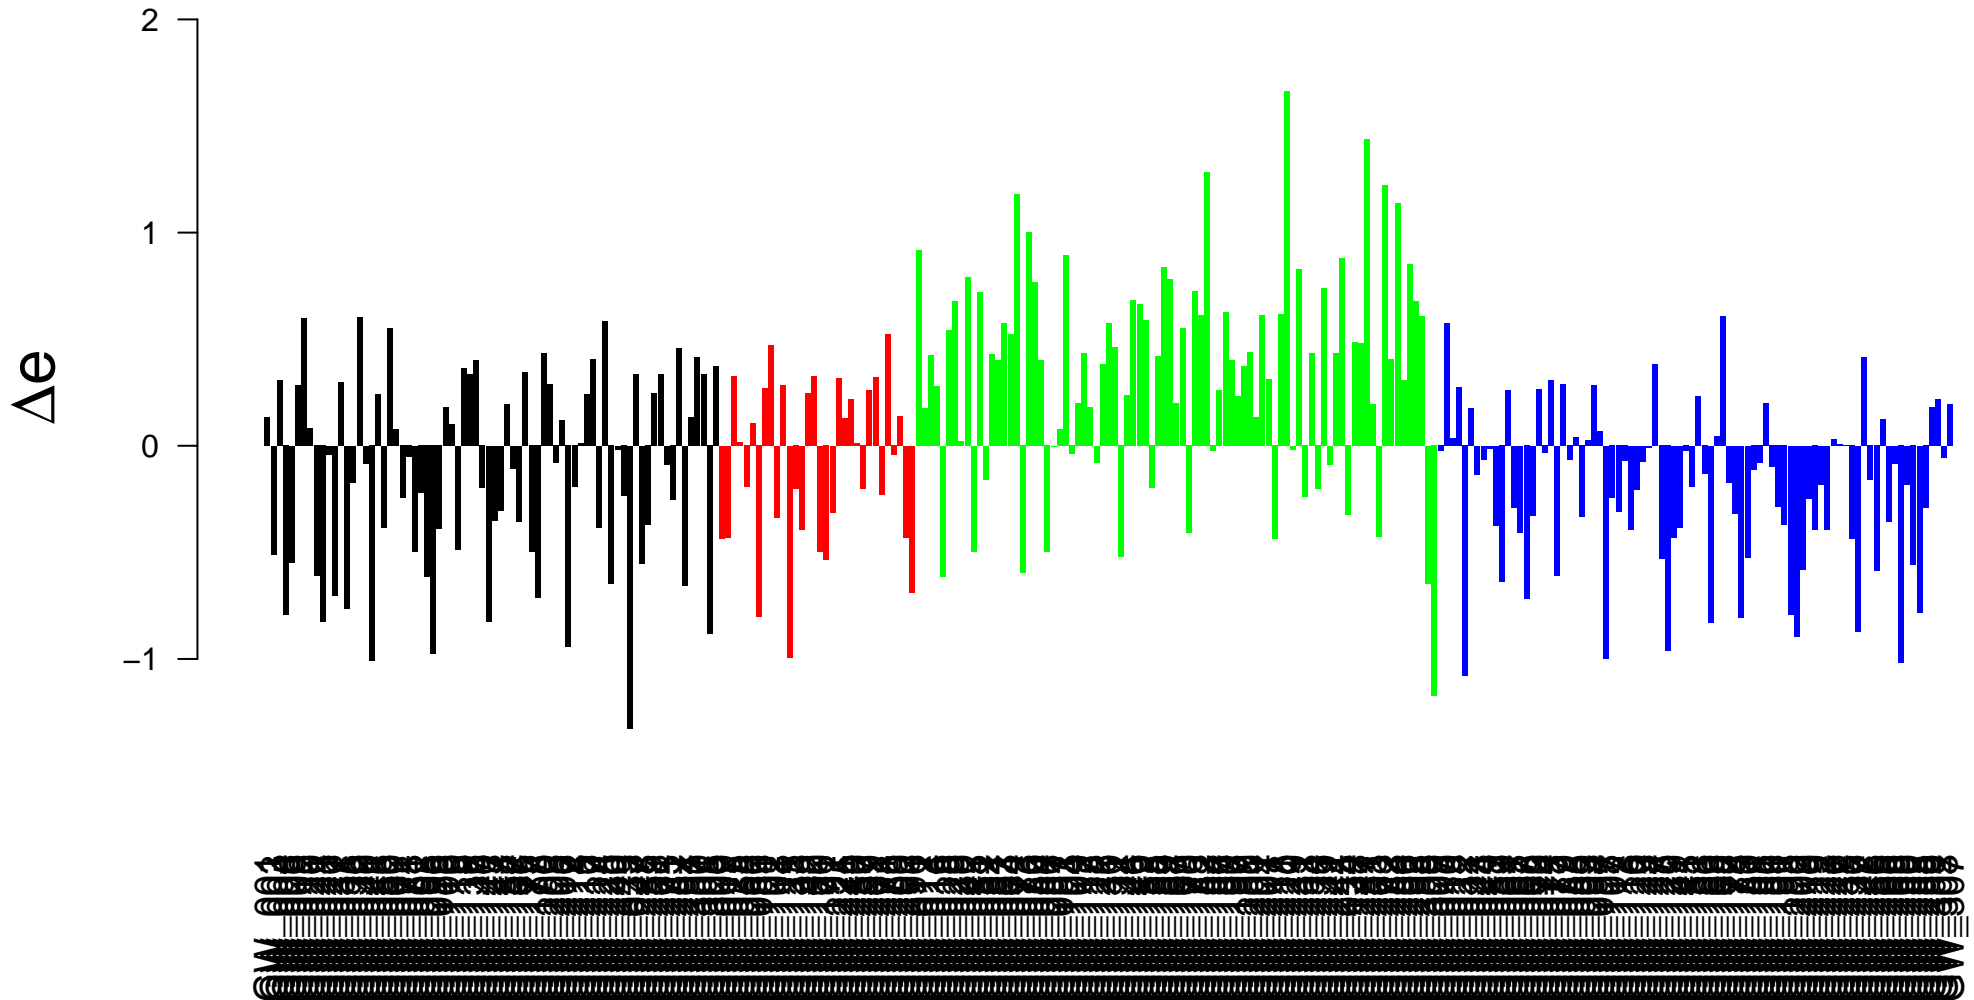

Expression of response to retinoic acid in Spot K

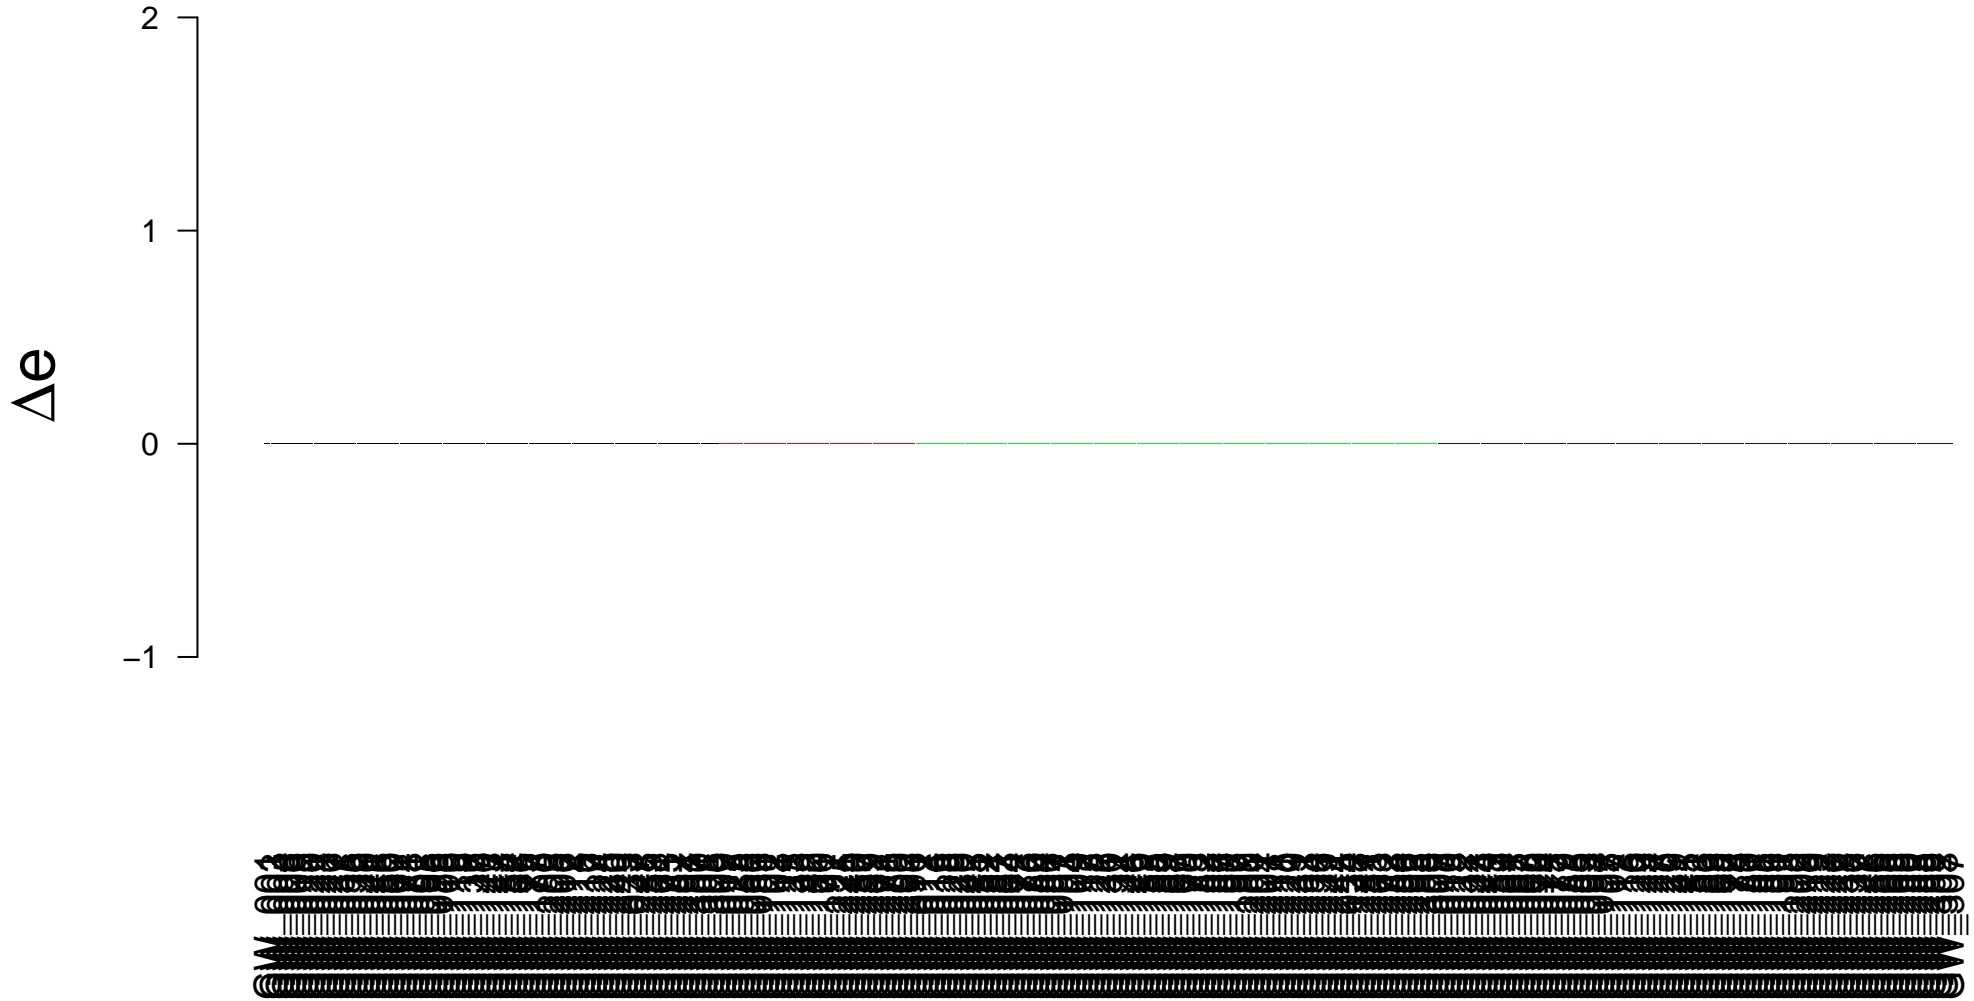

Δe

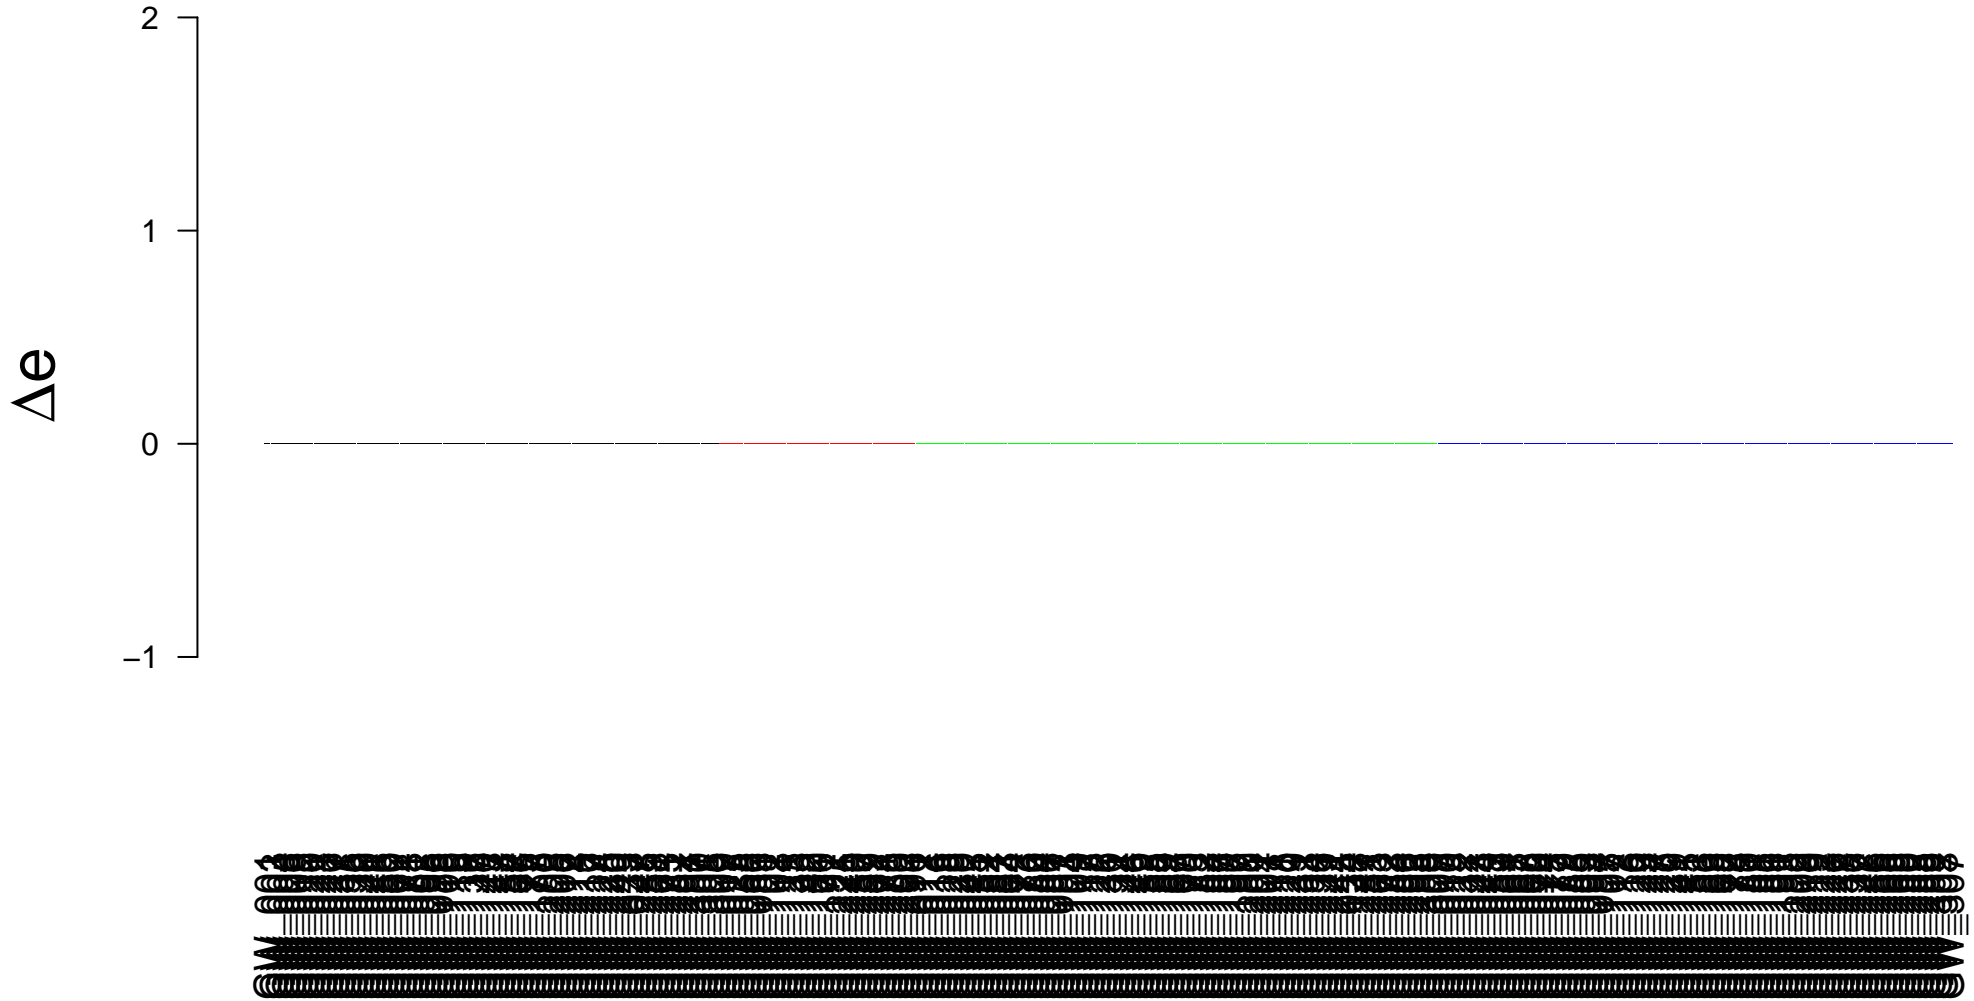

Expression of response to retinoic acid in Spot L

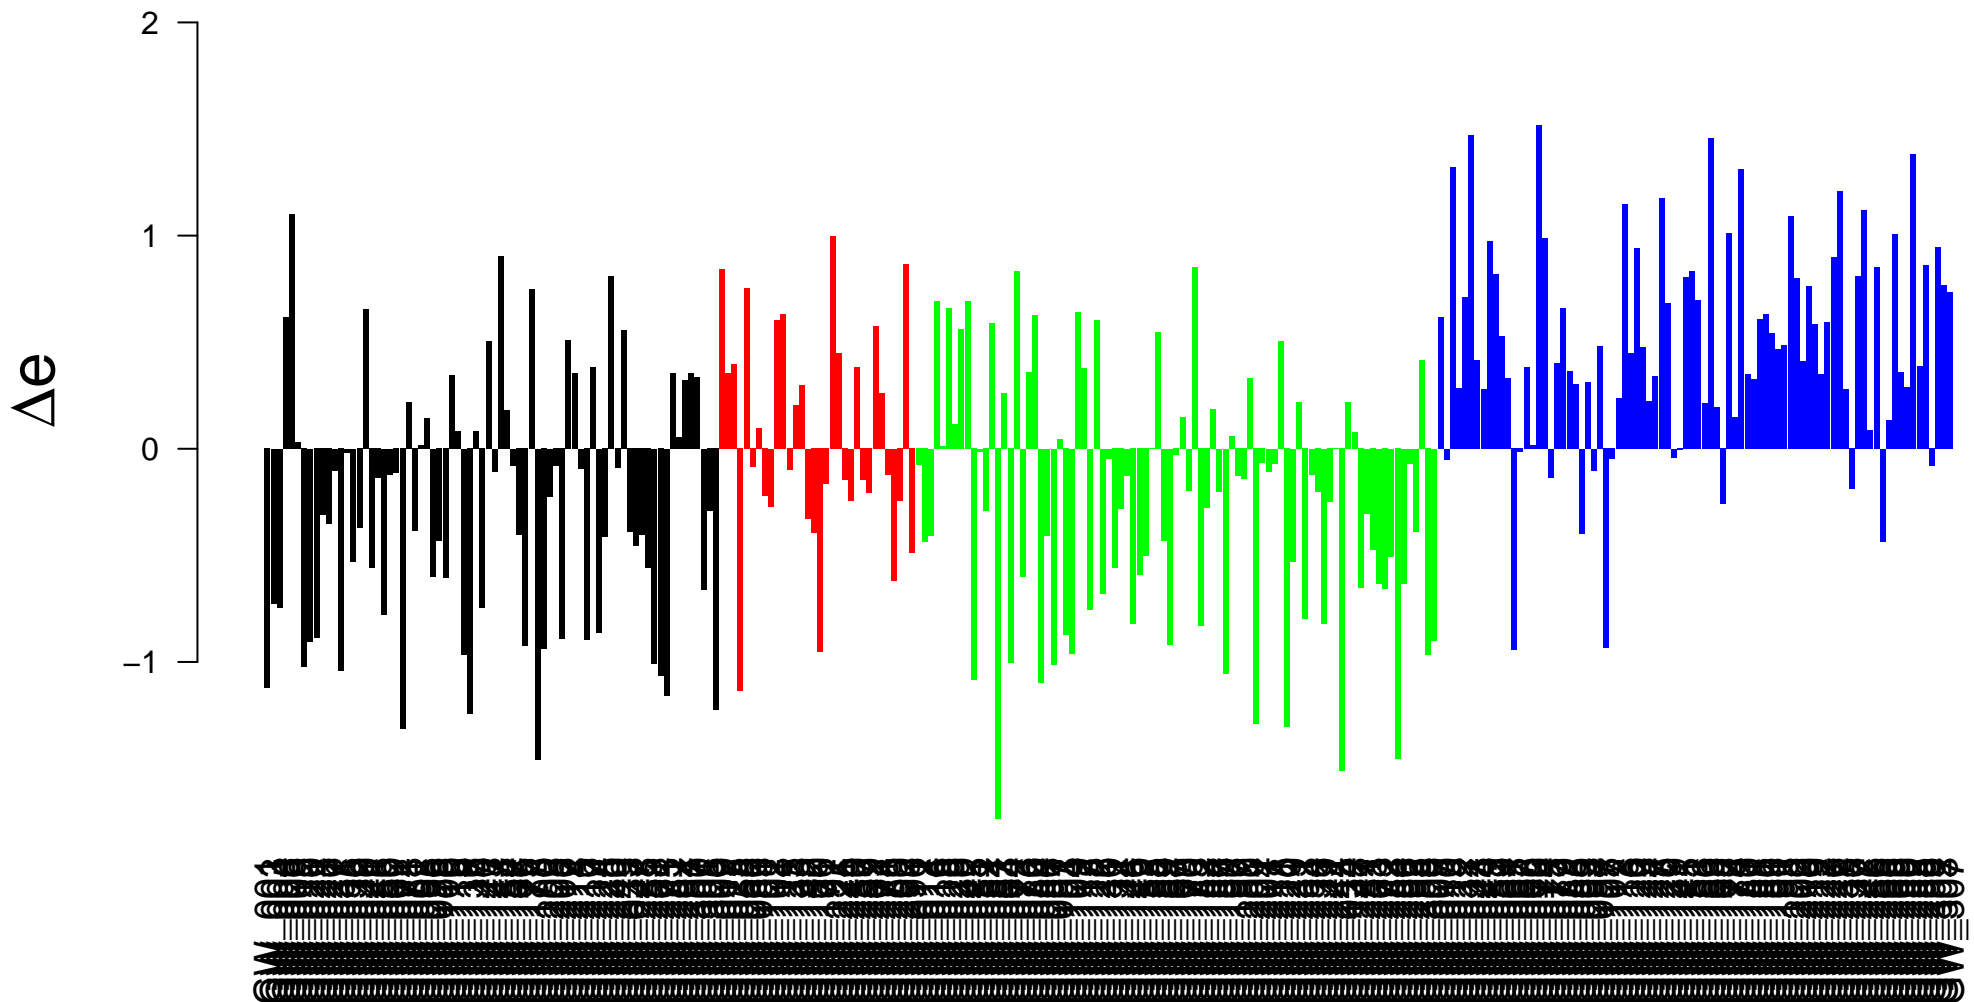

Expression of response to retinoic acid in Spot M

Expression of response to retinoic acid in Spot N

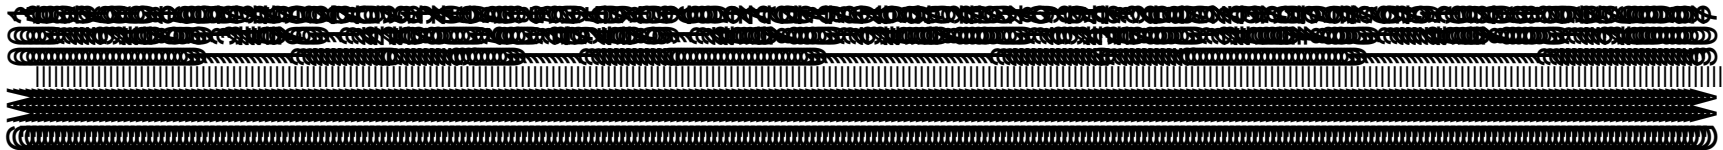

Expression of response to retinoic acid in Spot O

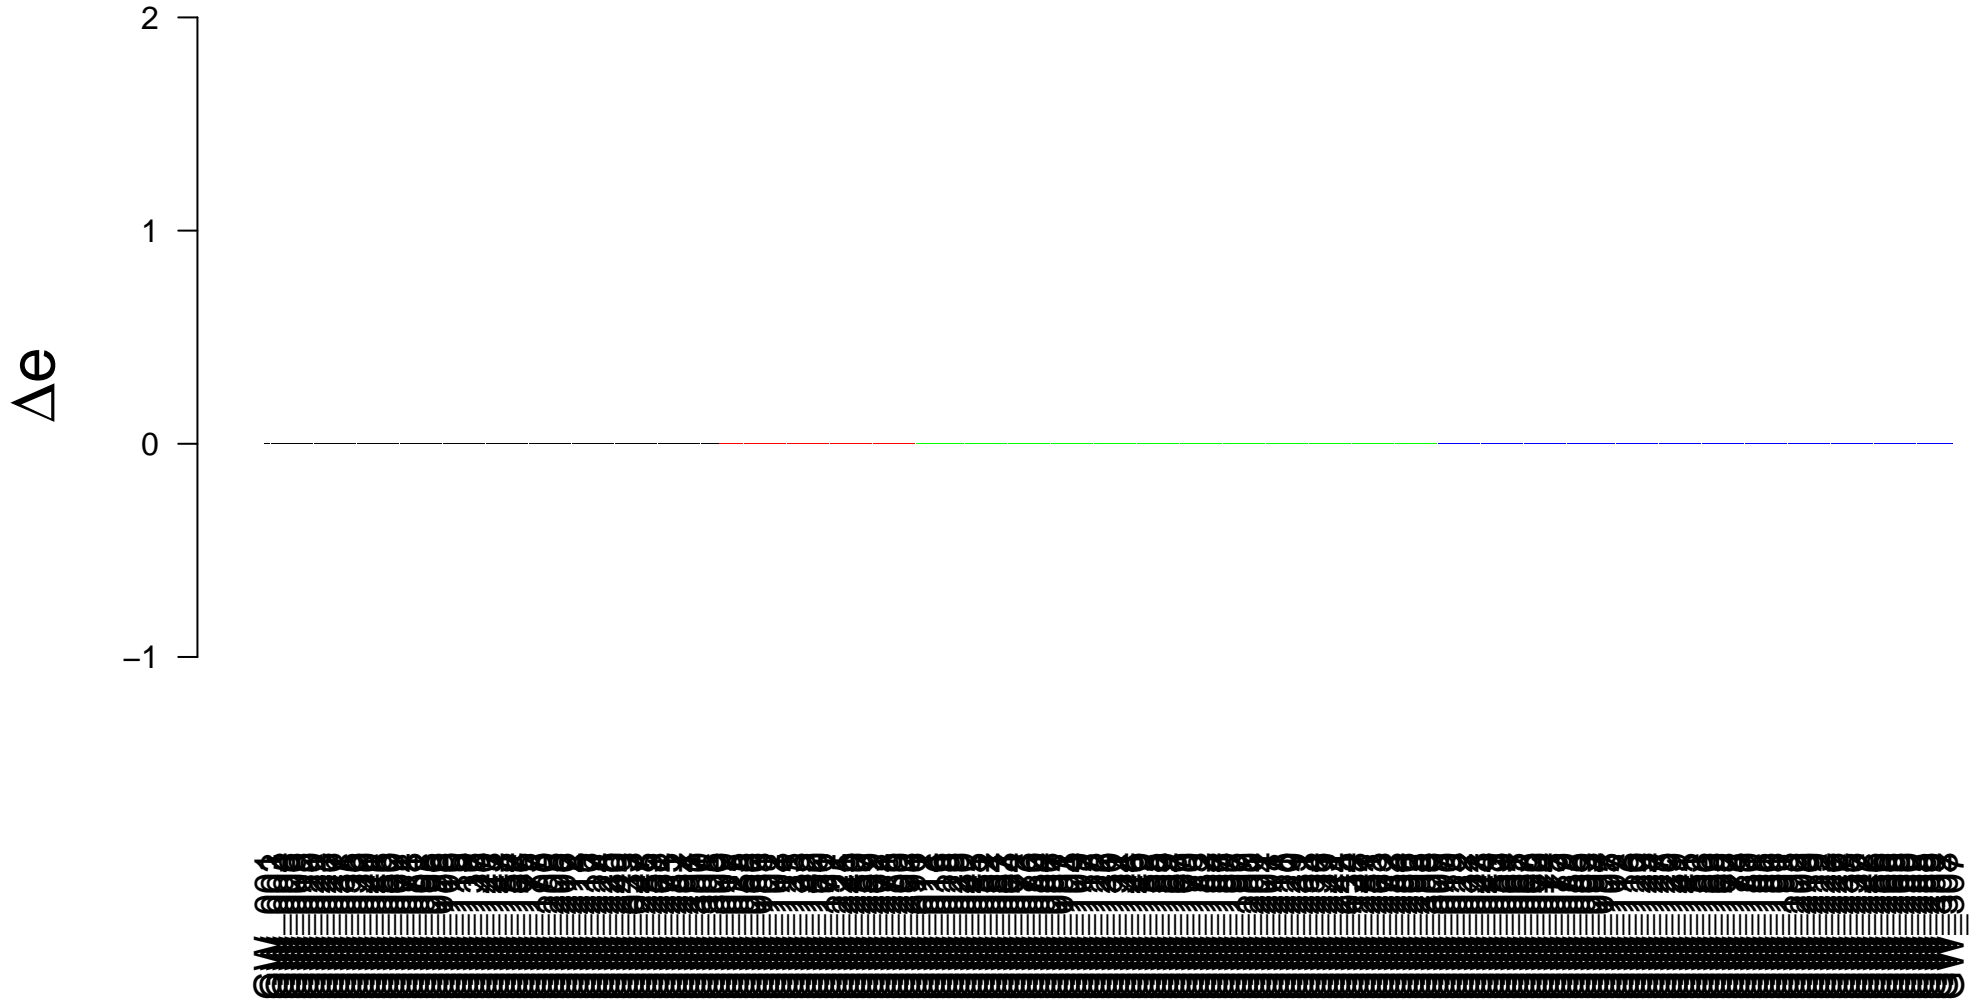

Expression of response to retinoic acid in Spot P
