

response to stress

response to stress

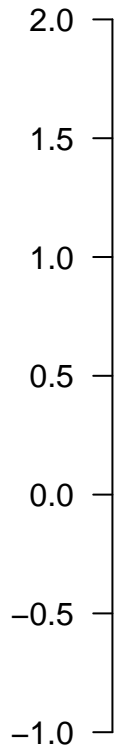

Enrichment in spots: response to stress

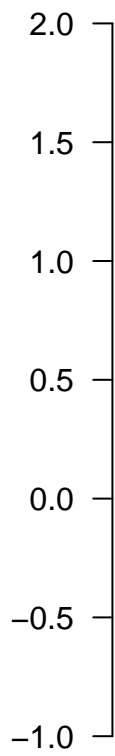

Expression of response to stress in Spot A

Δe

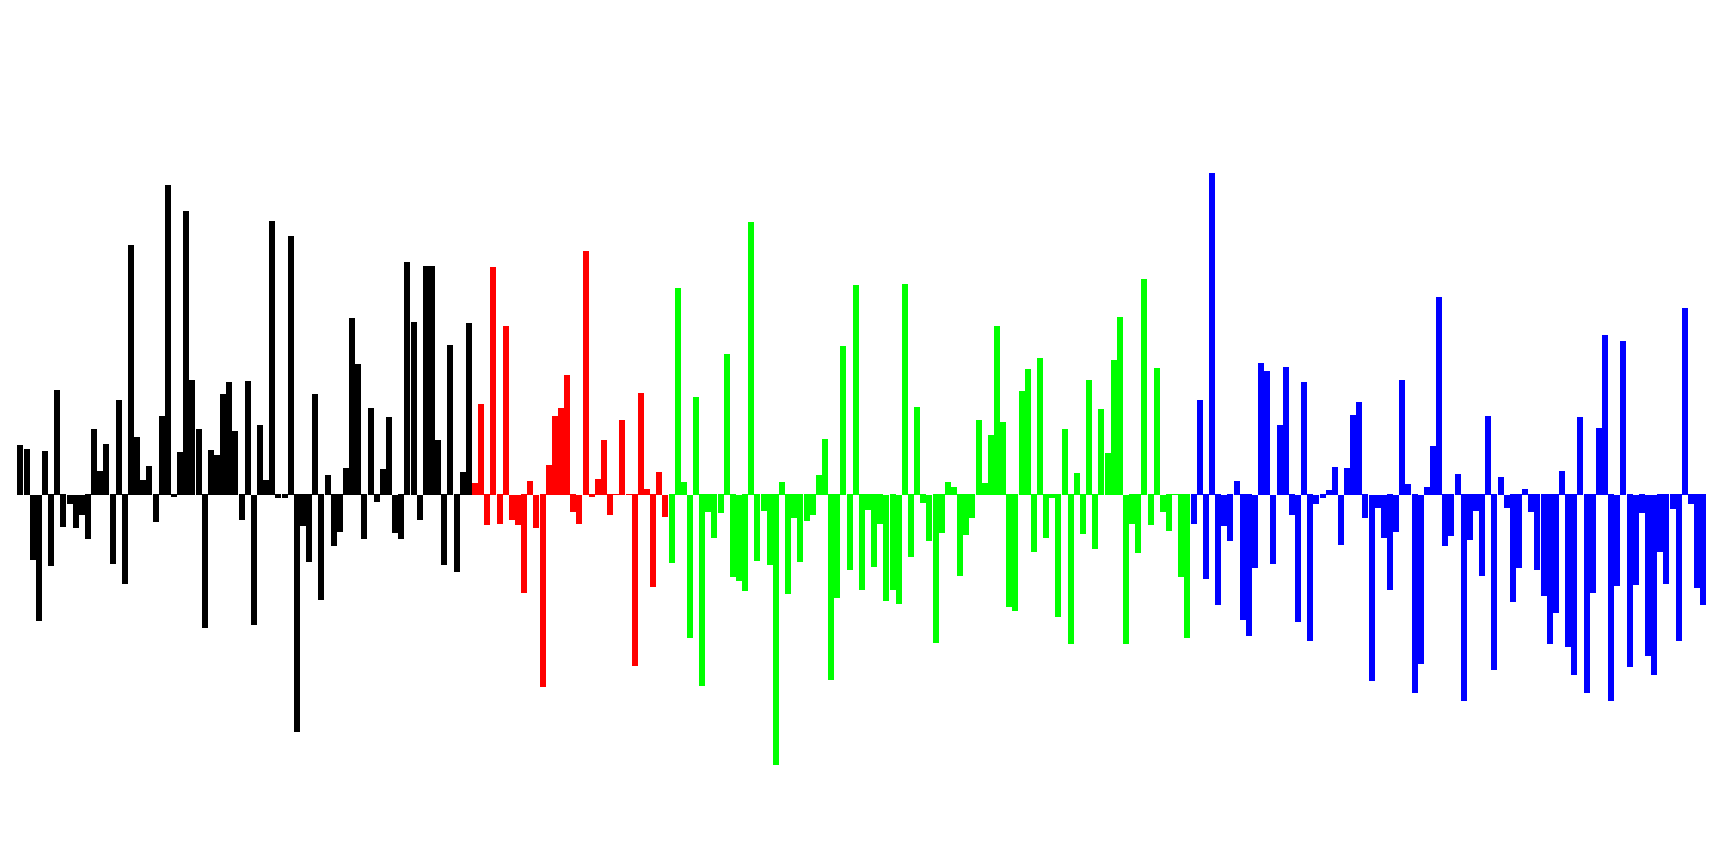

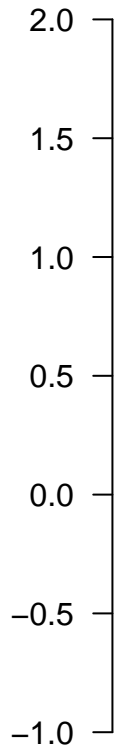

Expression of response to stress in Spot B

Δe

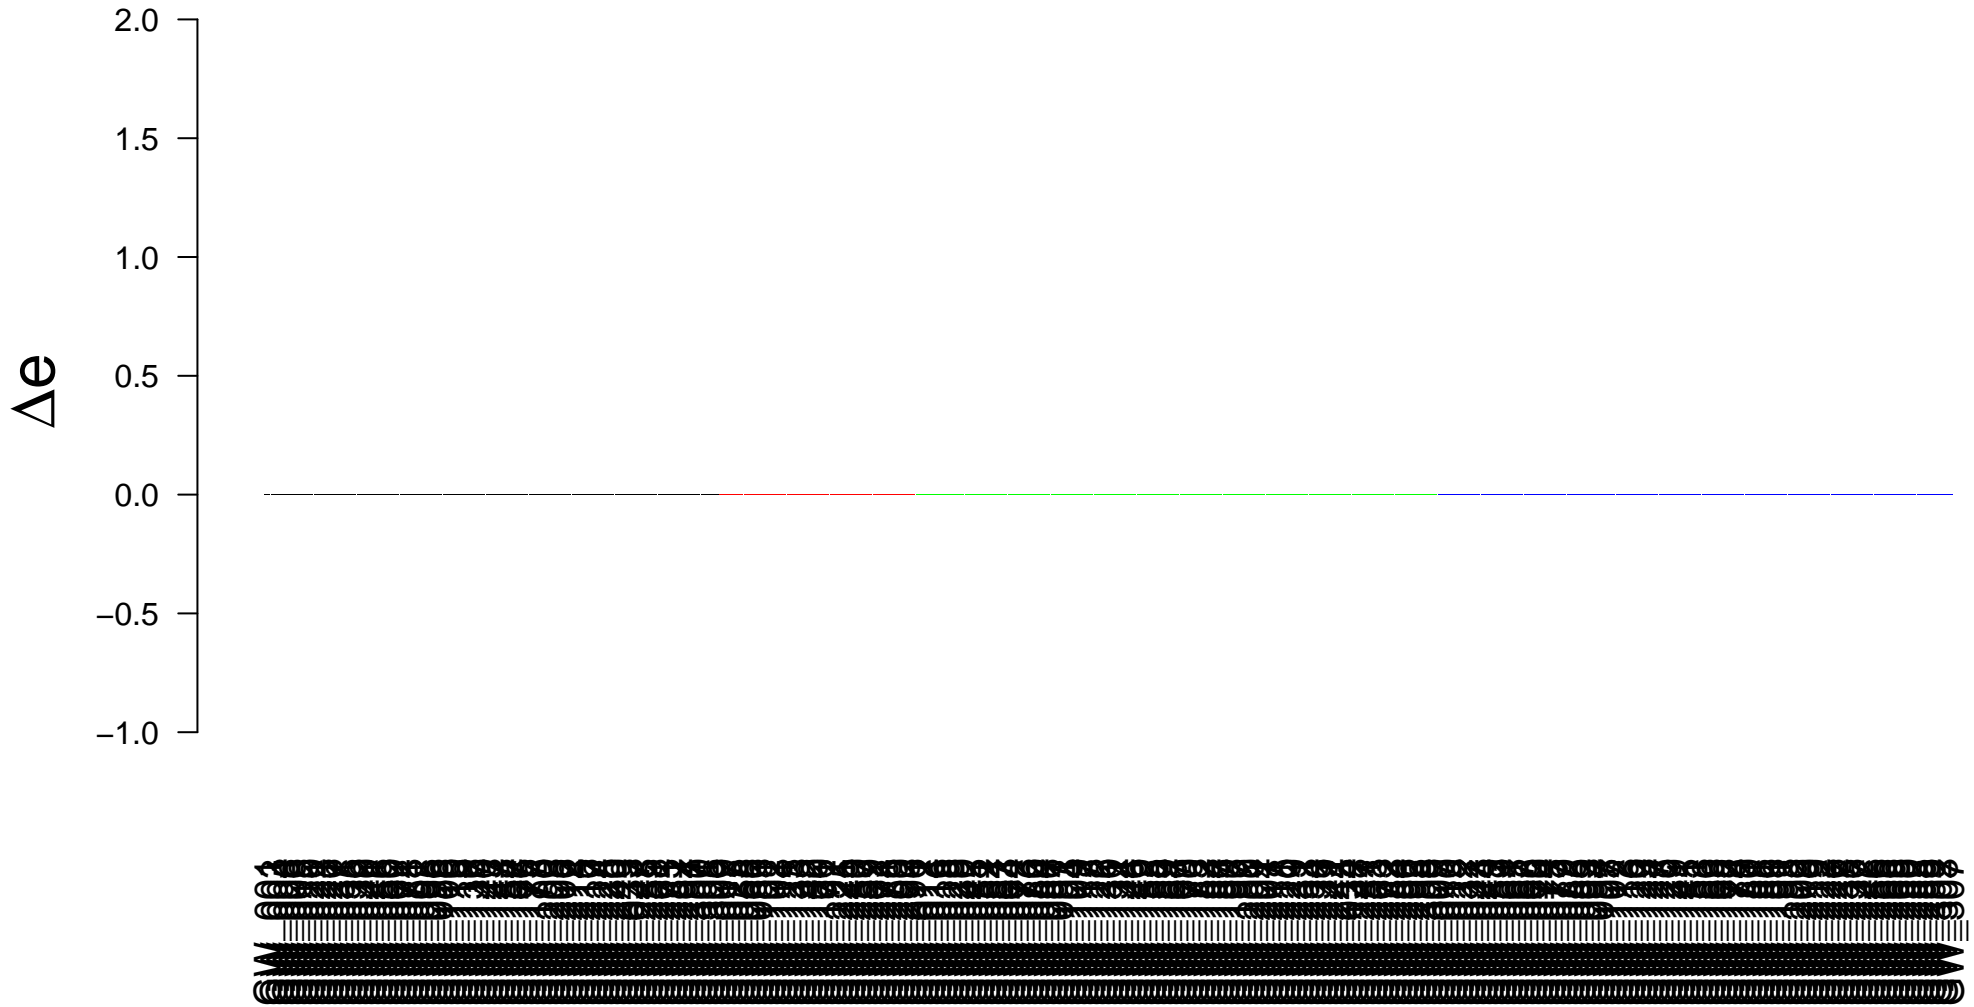

Expression of response to stress in Spot C

Δe

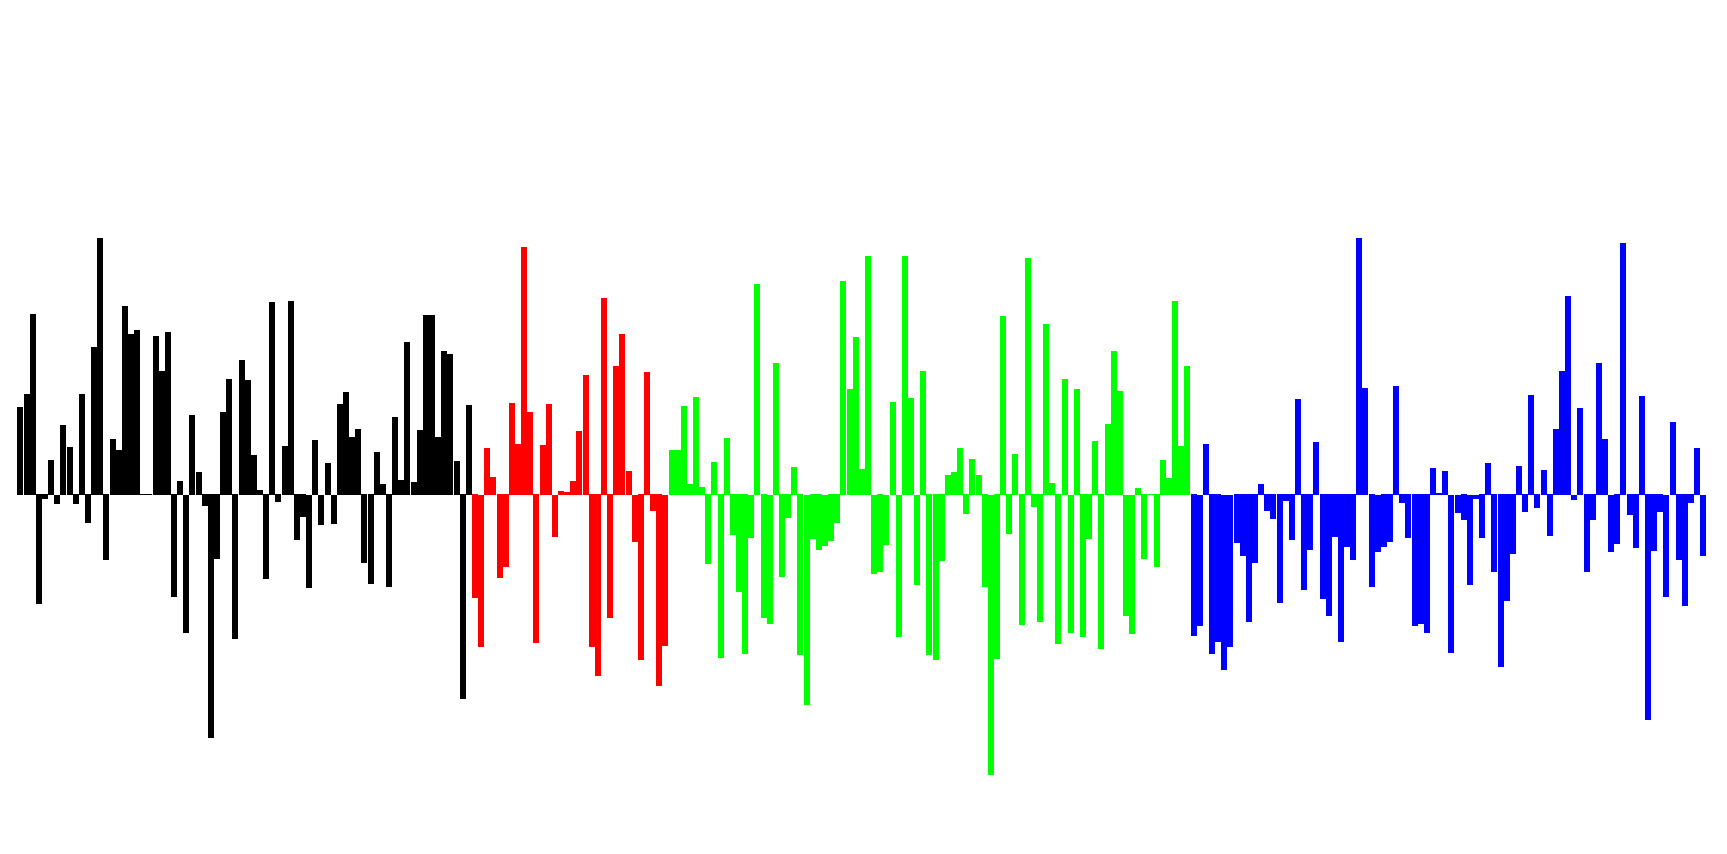

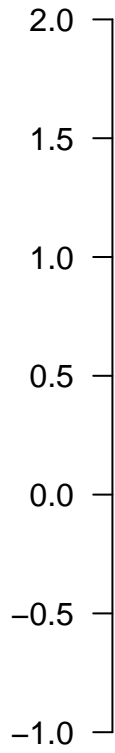

Expression of response to stress in Spot D

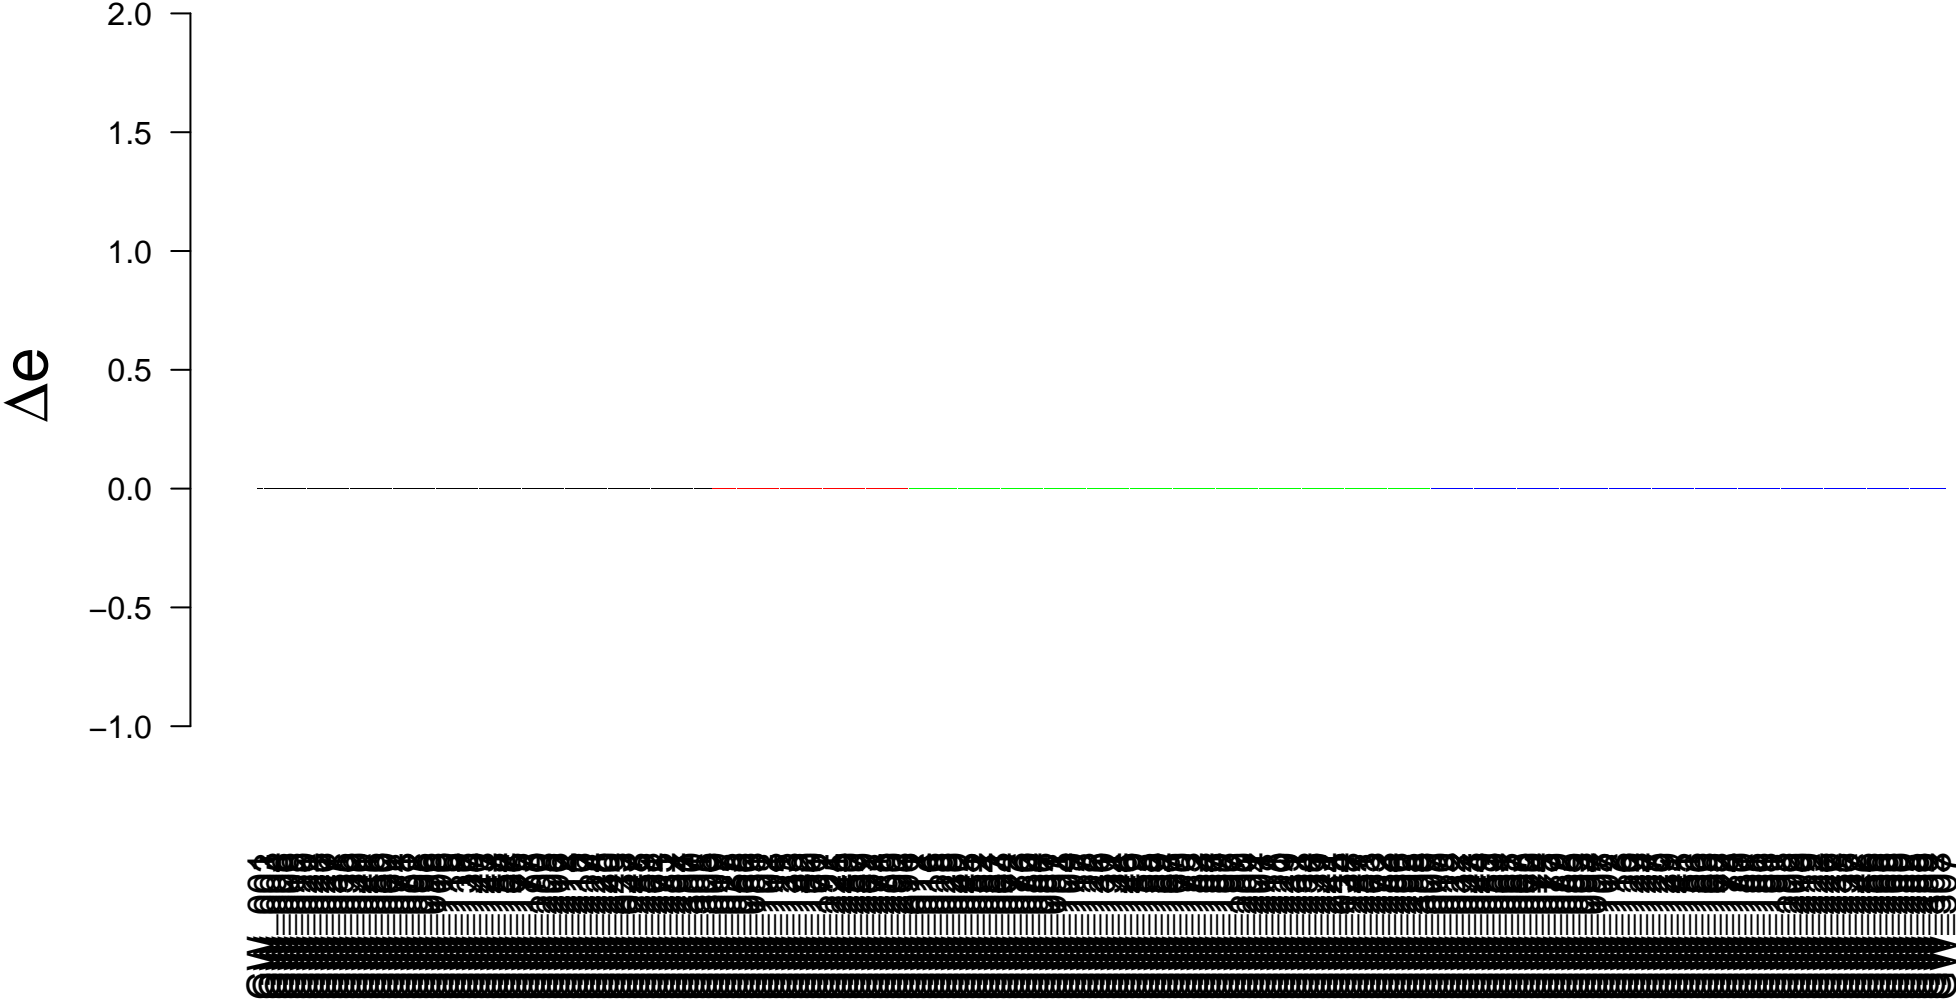

Expression of response to stress in Spot E

Δe

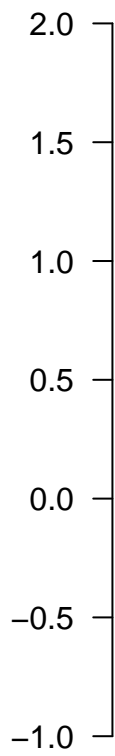

Expression of response to stress in Spot F

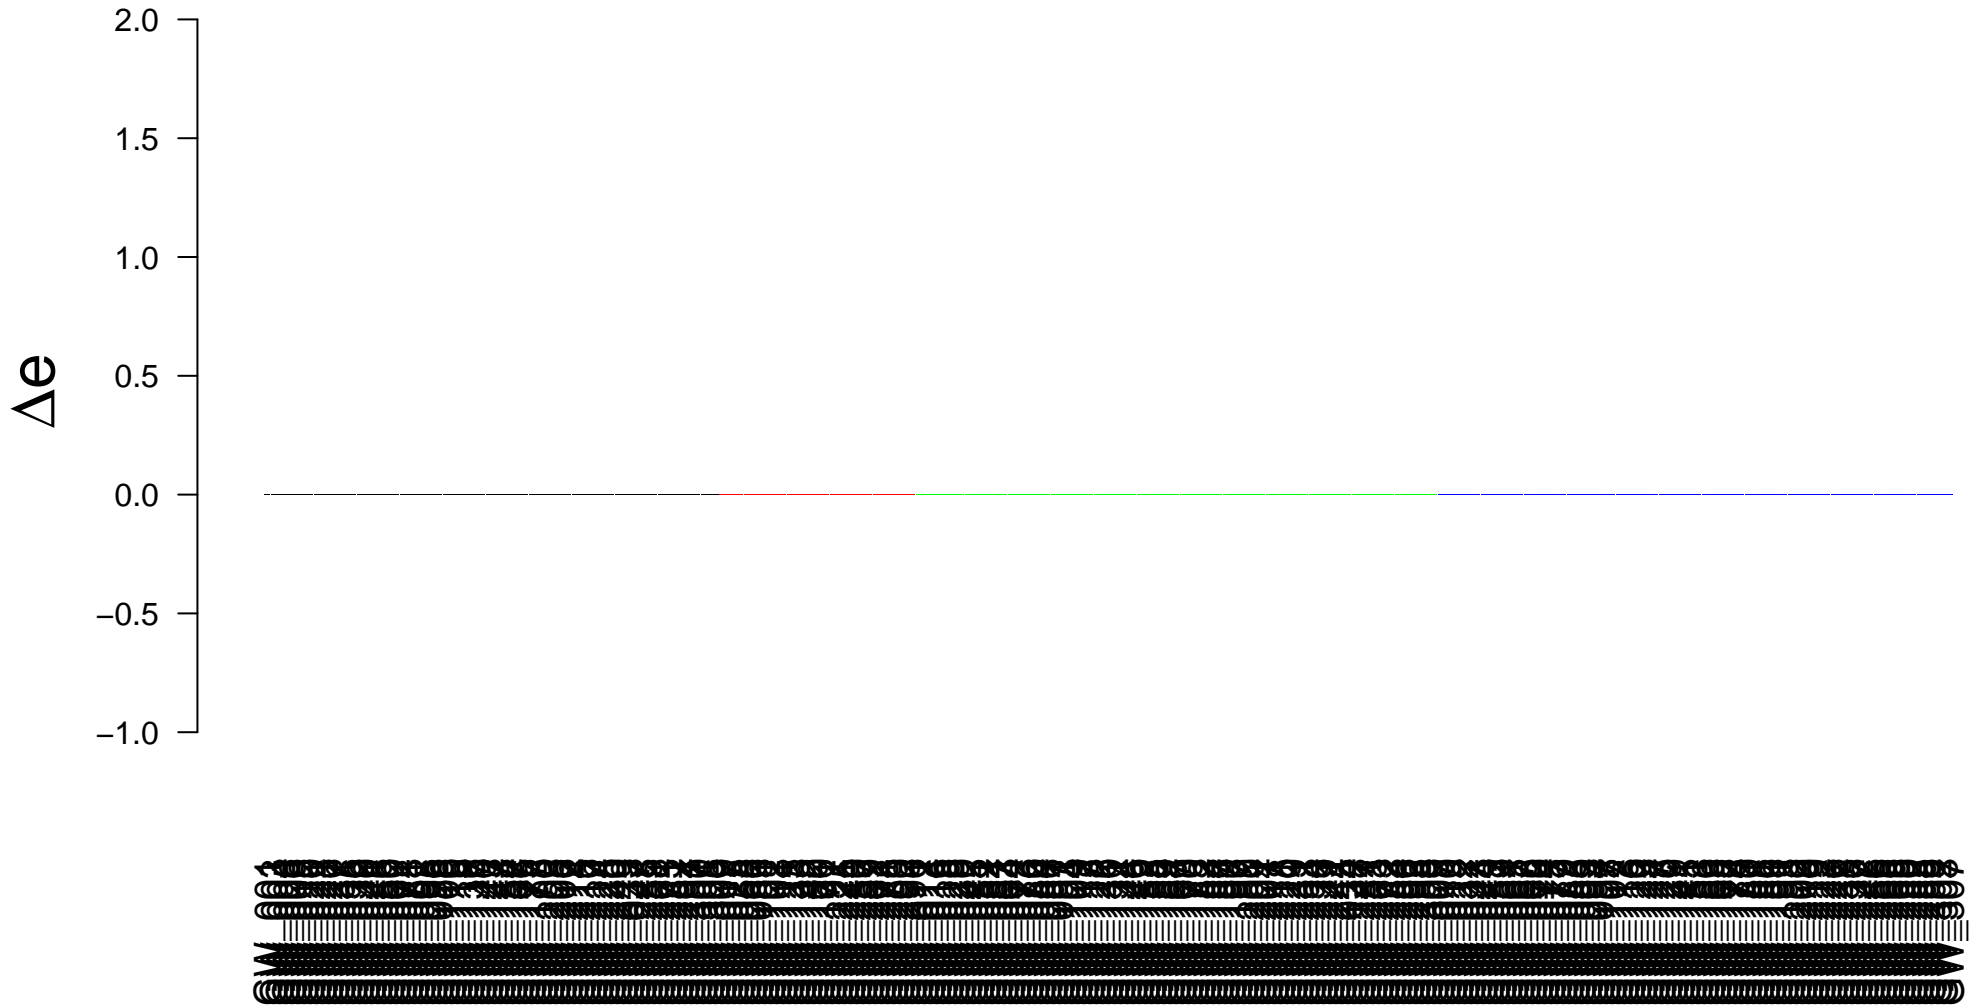

Expression of response to stress in Spot G

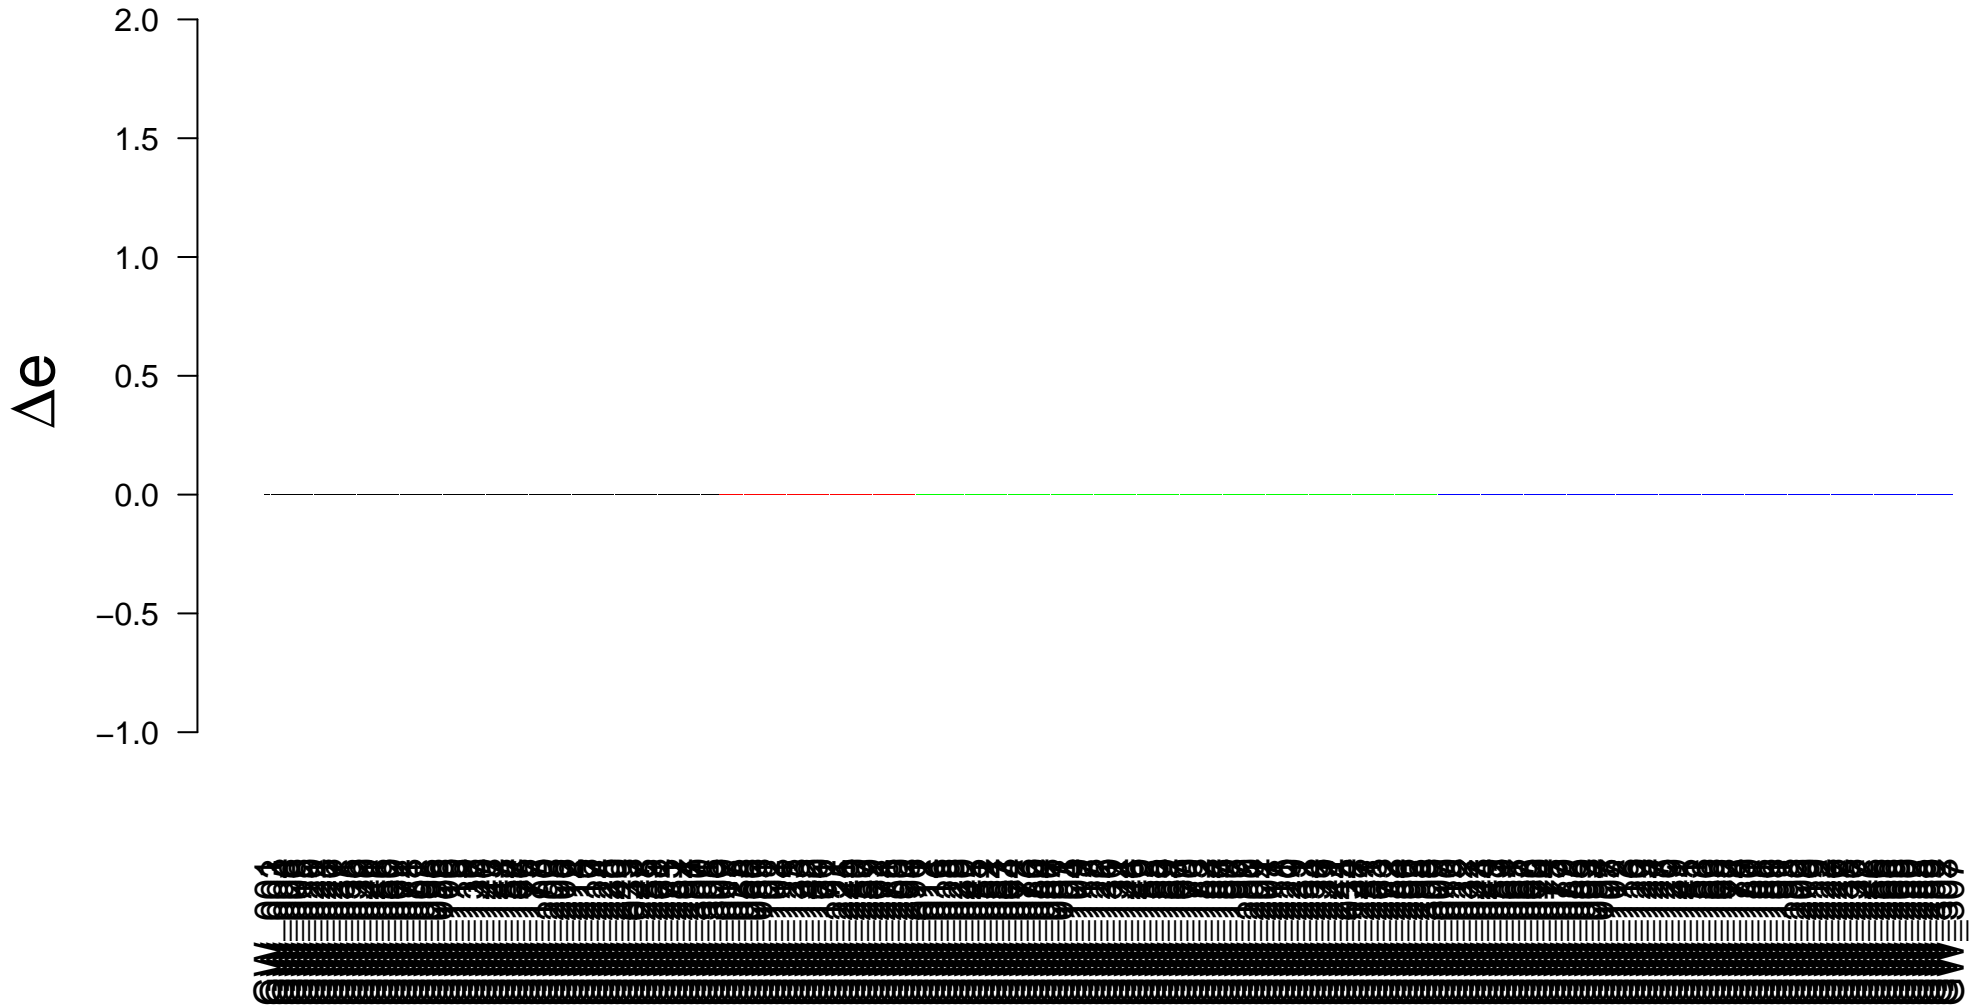

Δe

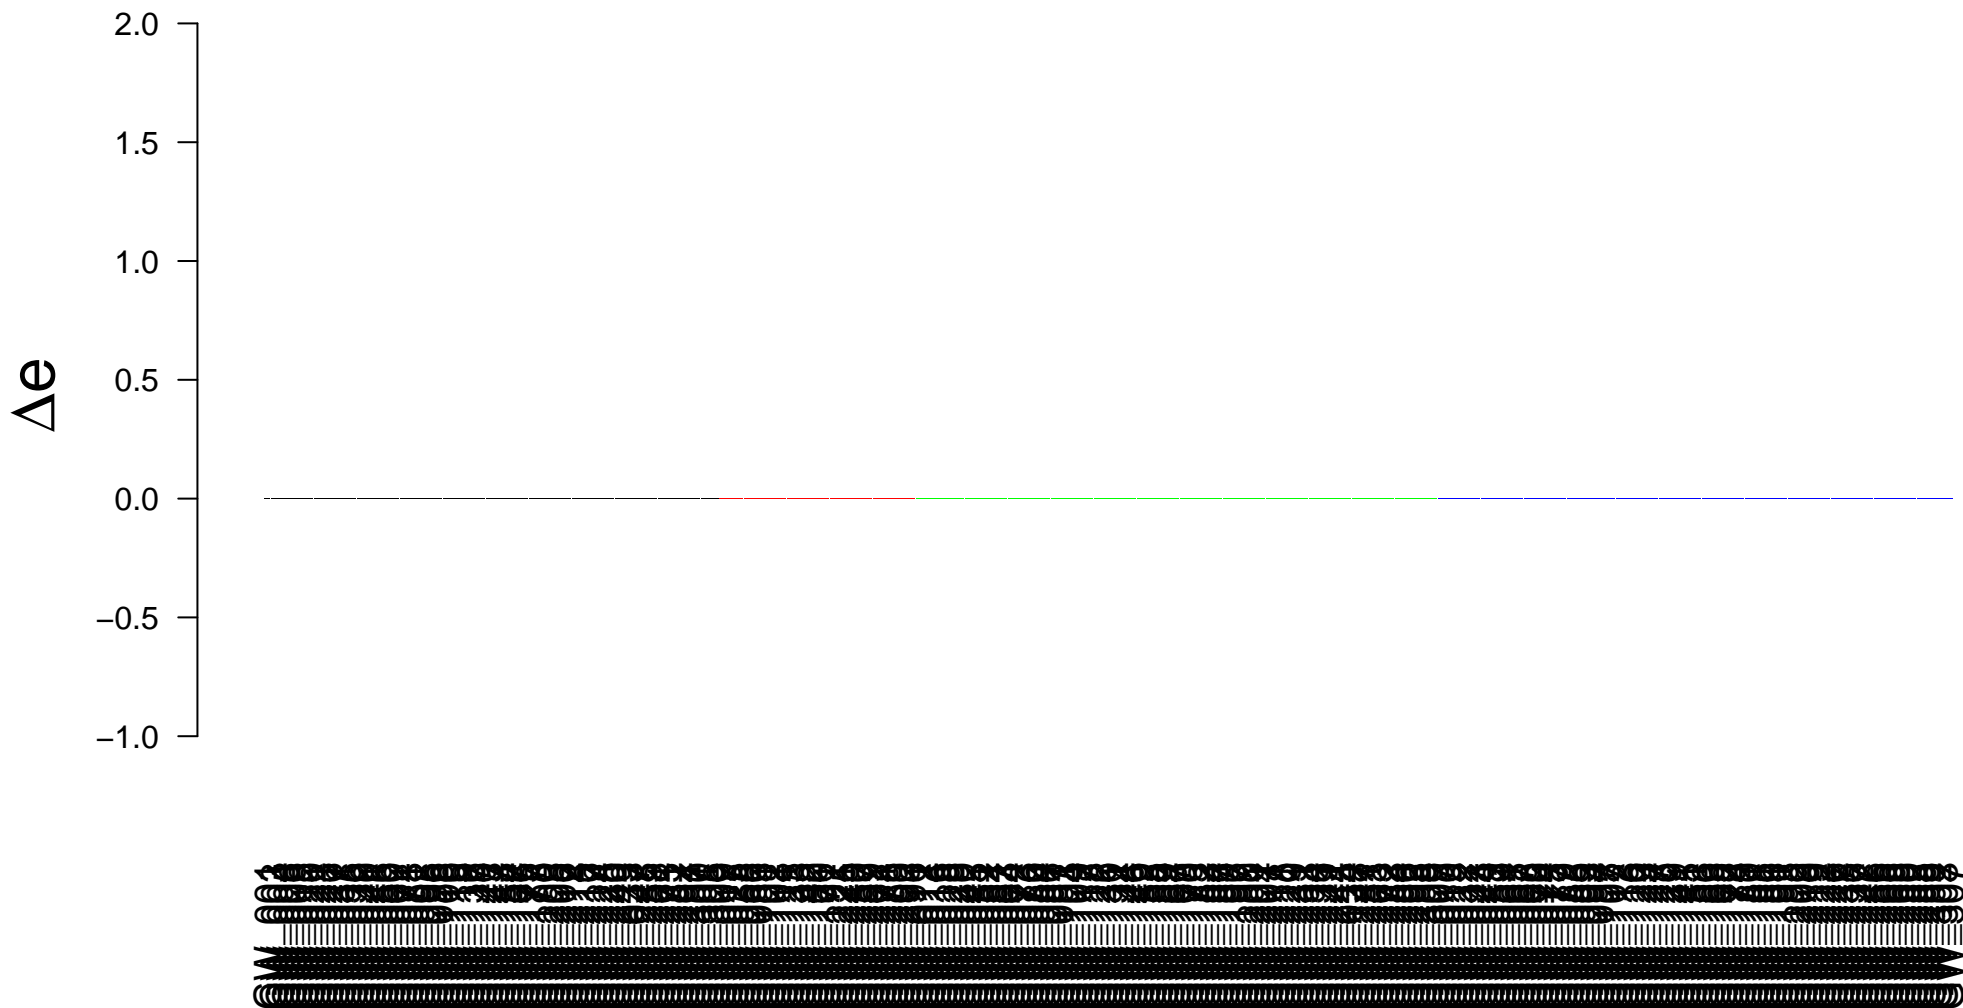

Expression of response to stress in Spot H

Expression of response to stress in Spot I

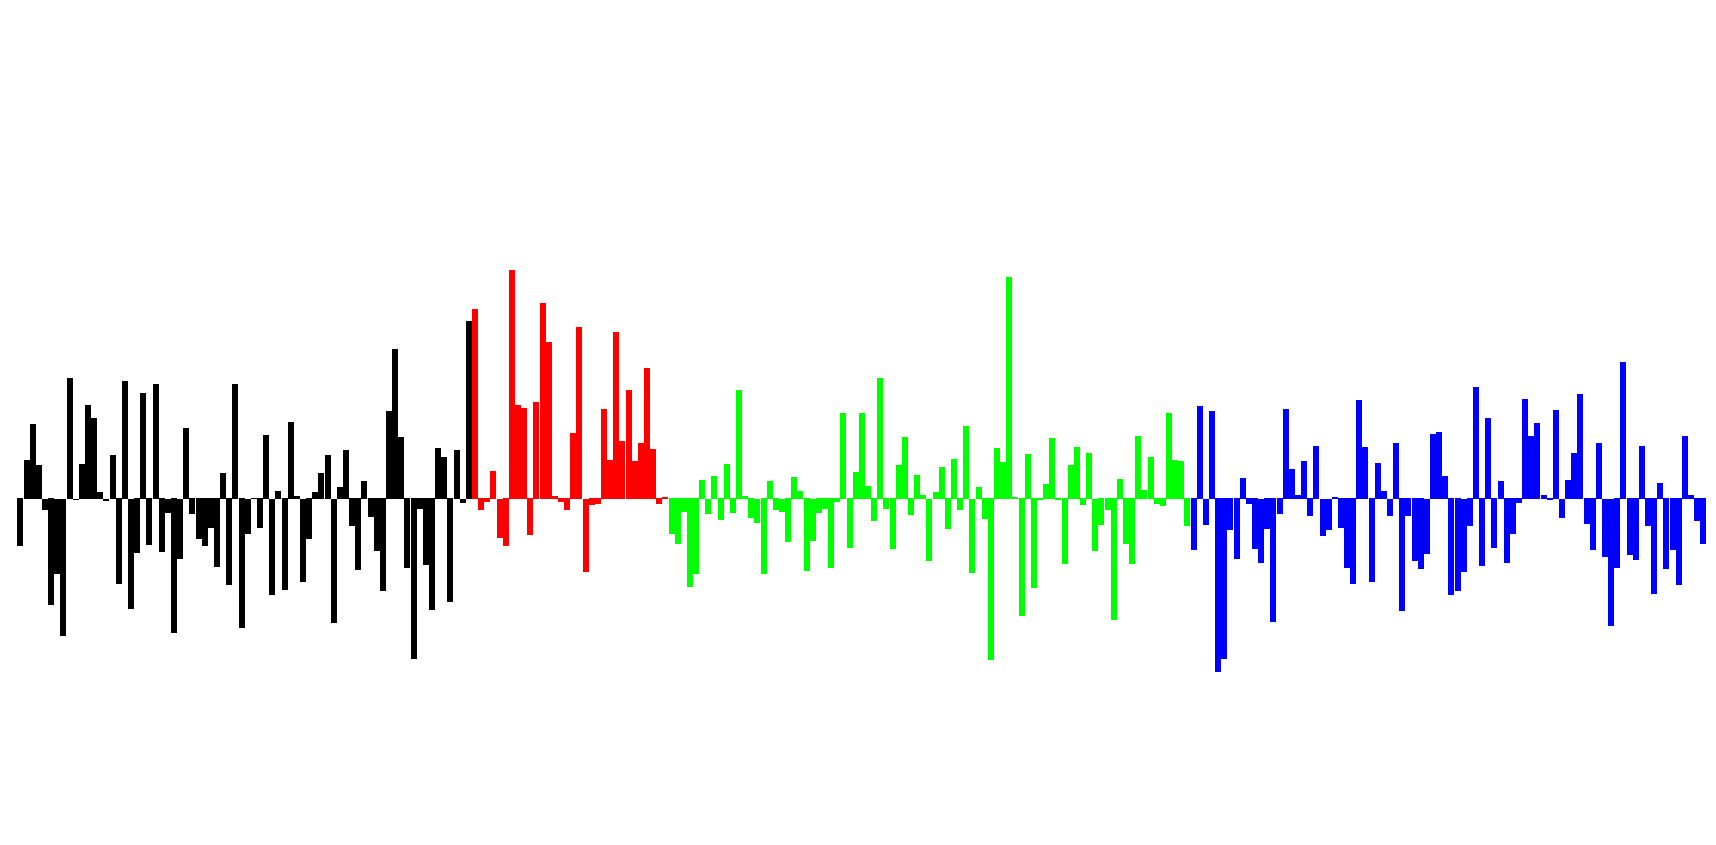

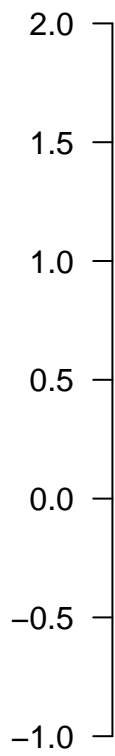

Expression of response to stress in Spot J

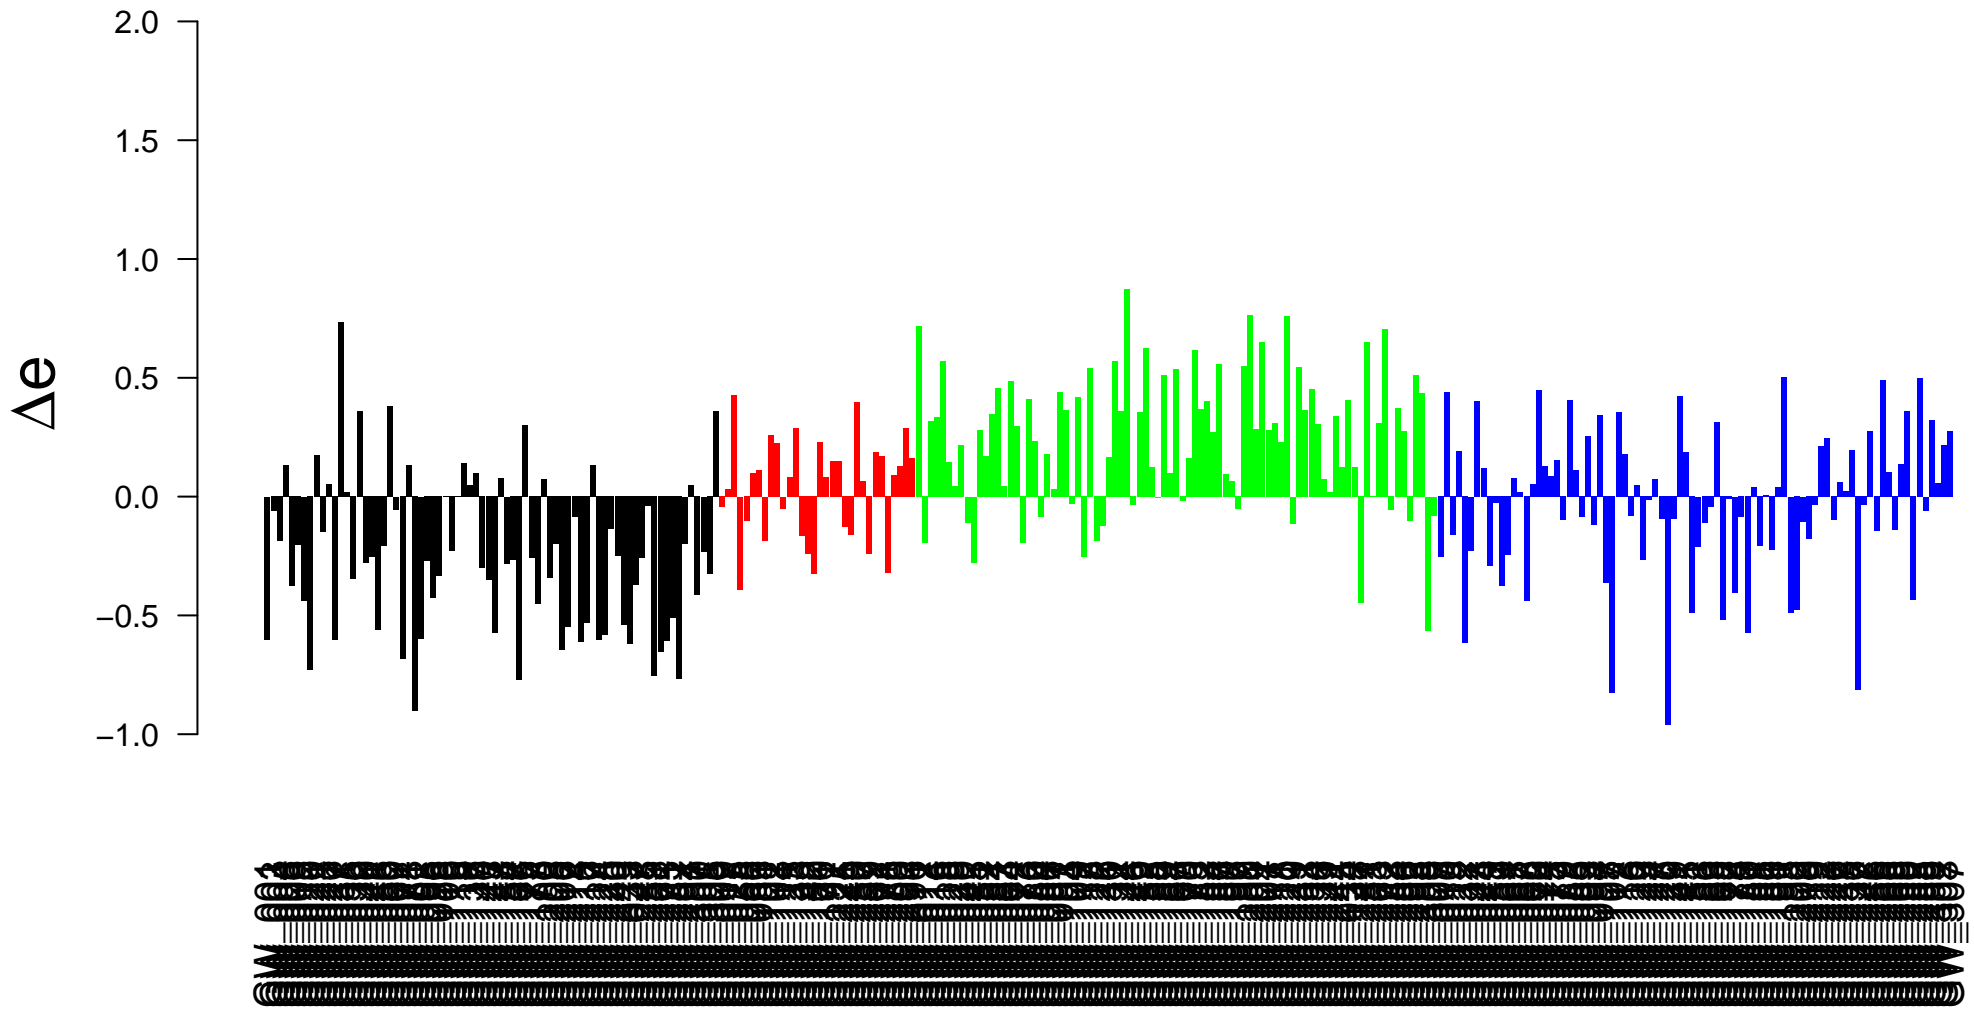

Expression of response to stress in Spot K

Δe

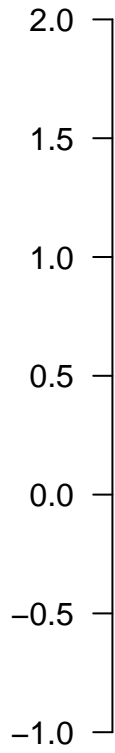

Expression of response to stress in Spot L

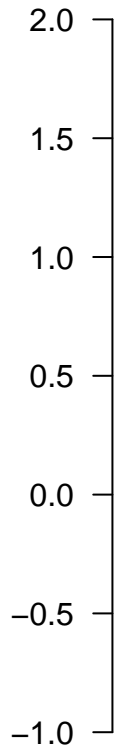

Expression of response to stress in Spot M

Δe

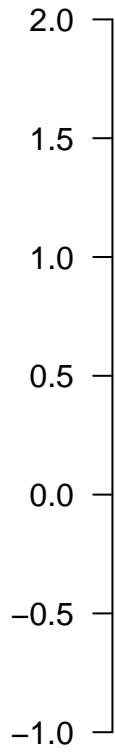

Expression of response to stress in Spot N

Δe

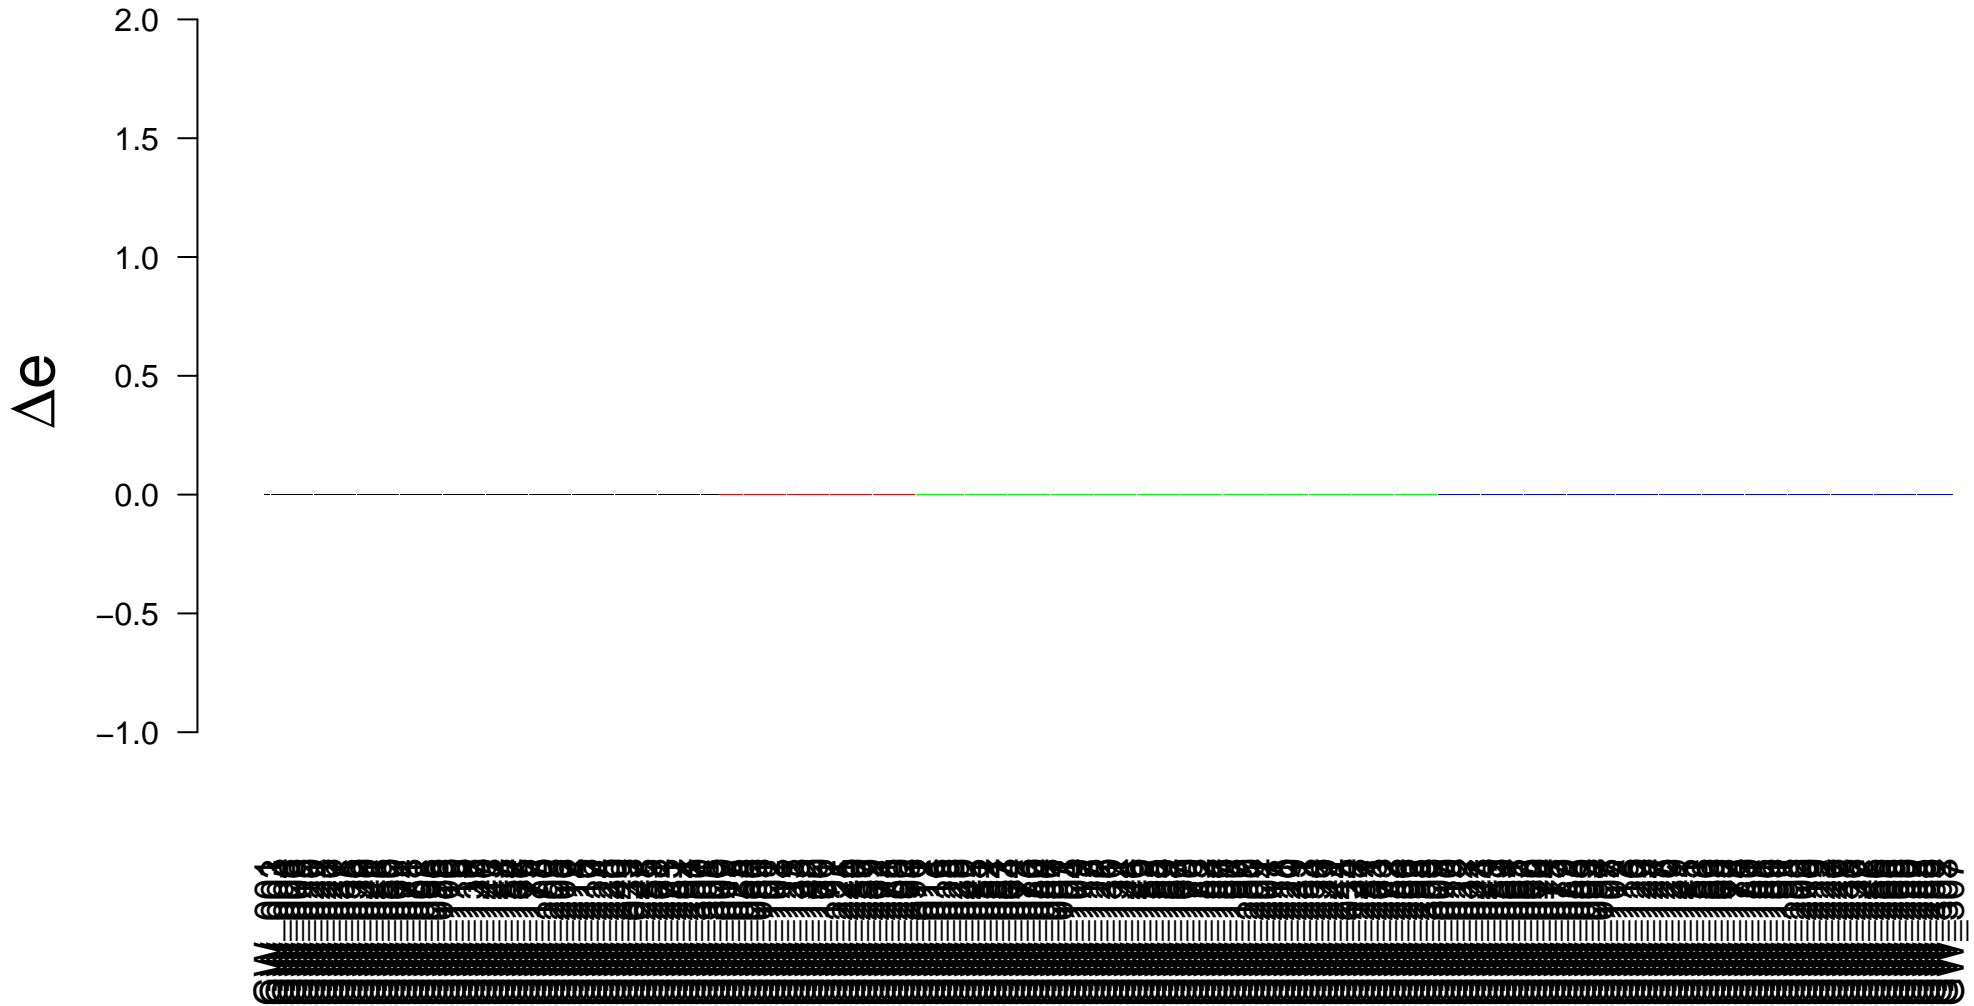

Expression of response to stress in Spot P

Δe

Expression of response to stress in Spot Q

Expression of response to stress in Spot R

Δe
