

retina layer formation

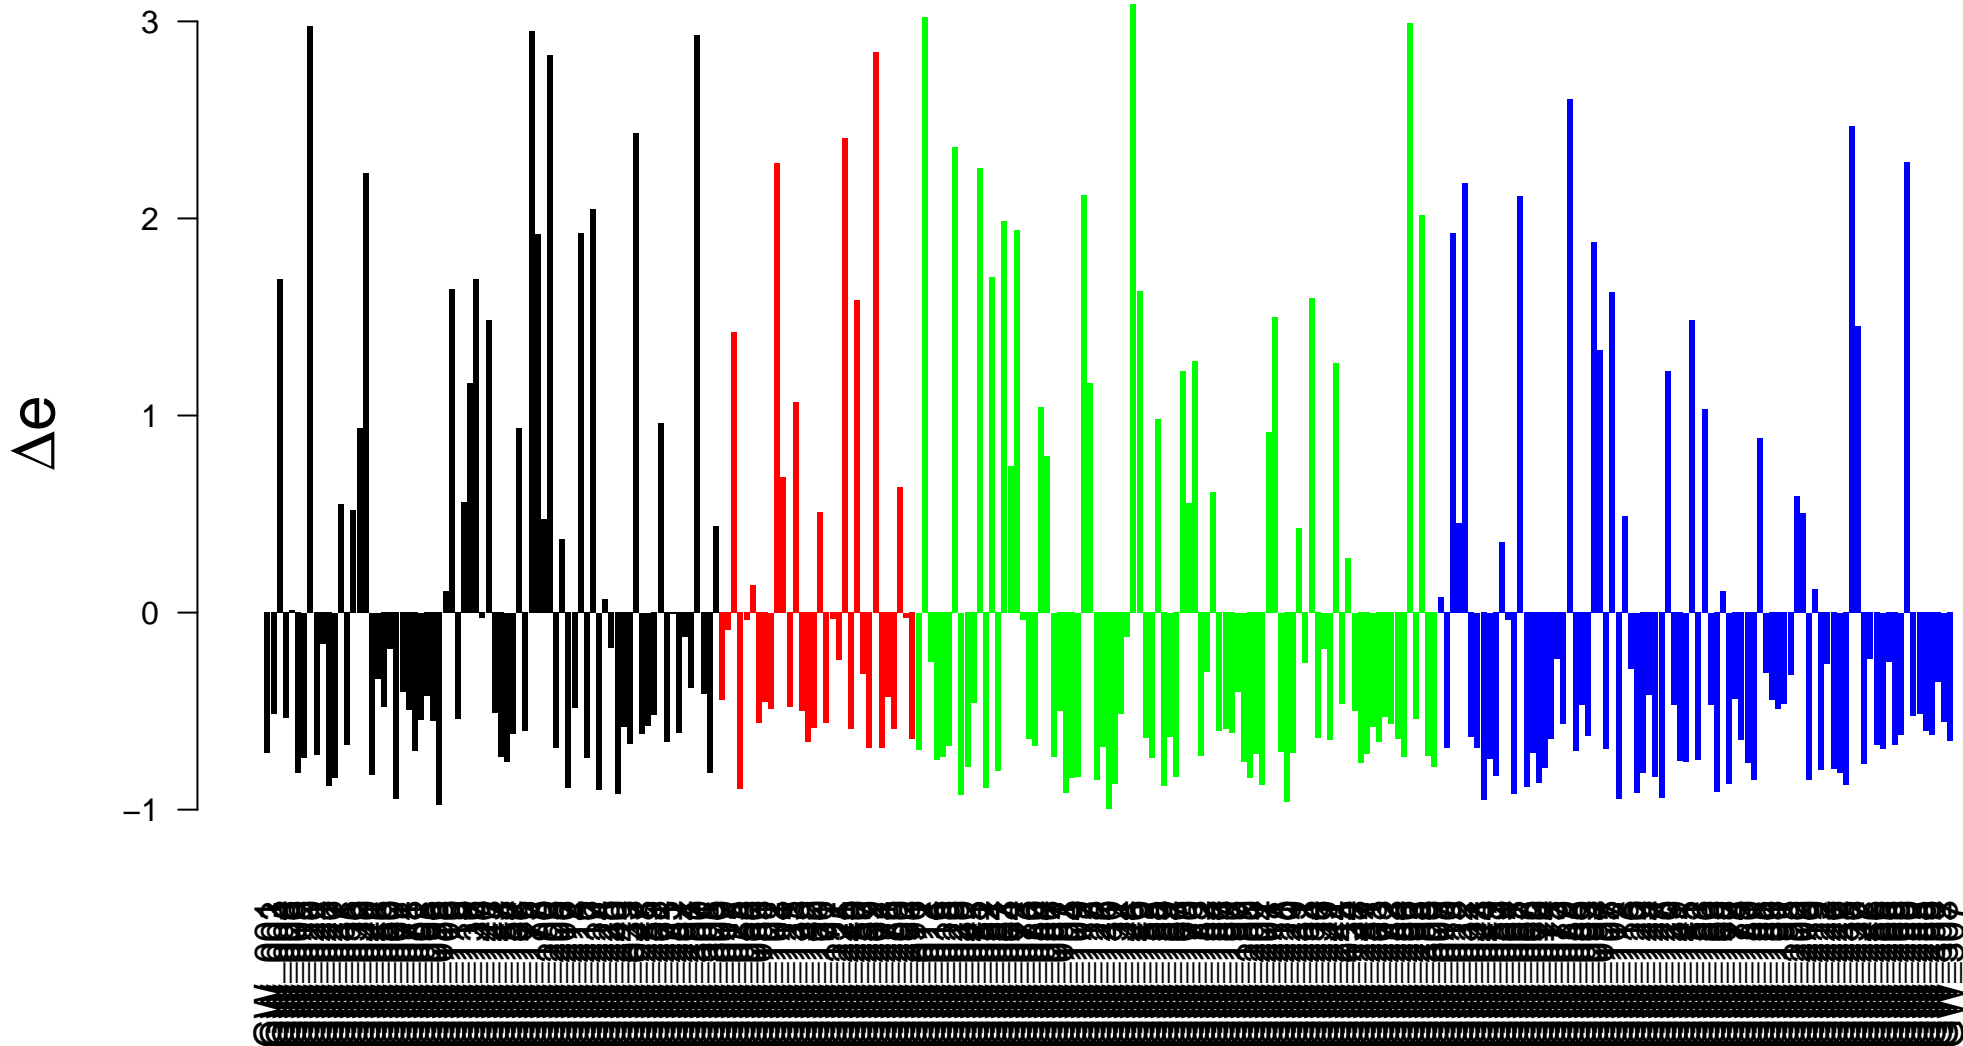

retina layer formation

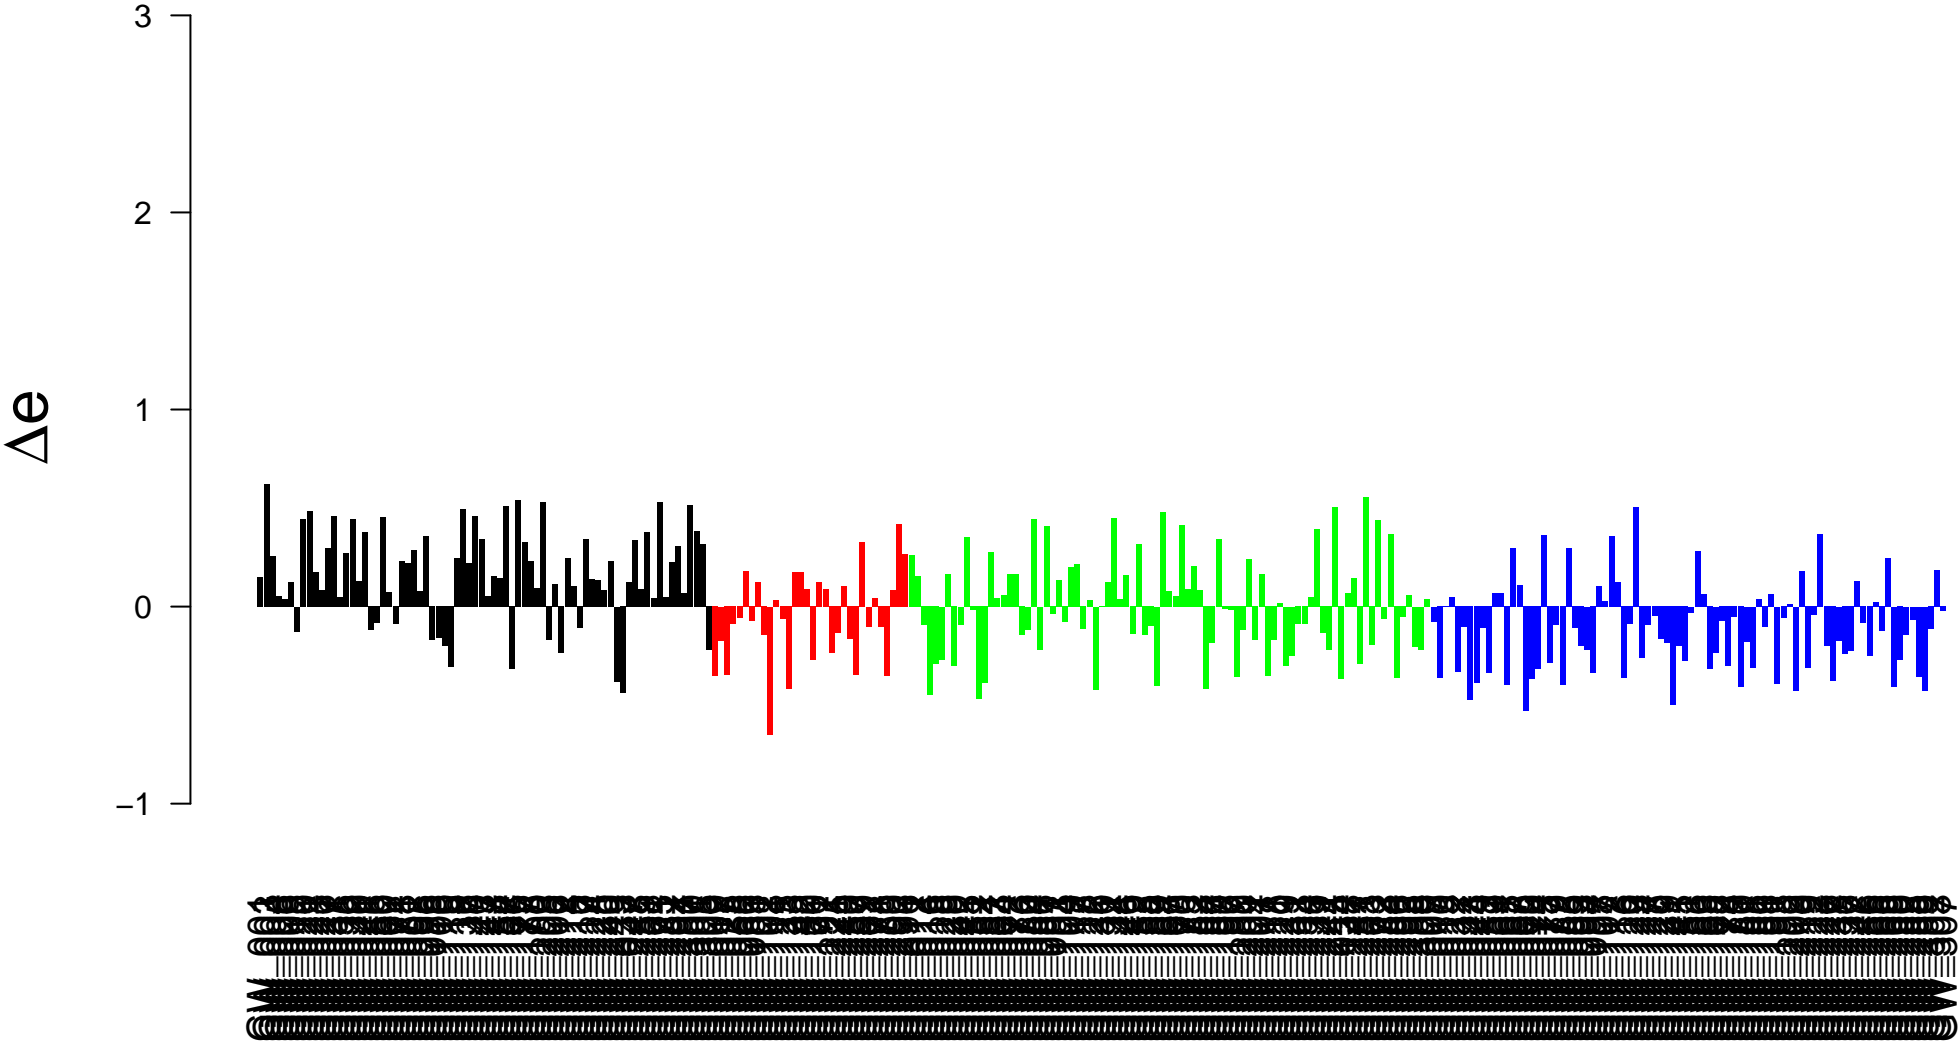

Enrichment in spots: retina layer formation

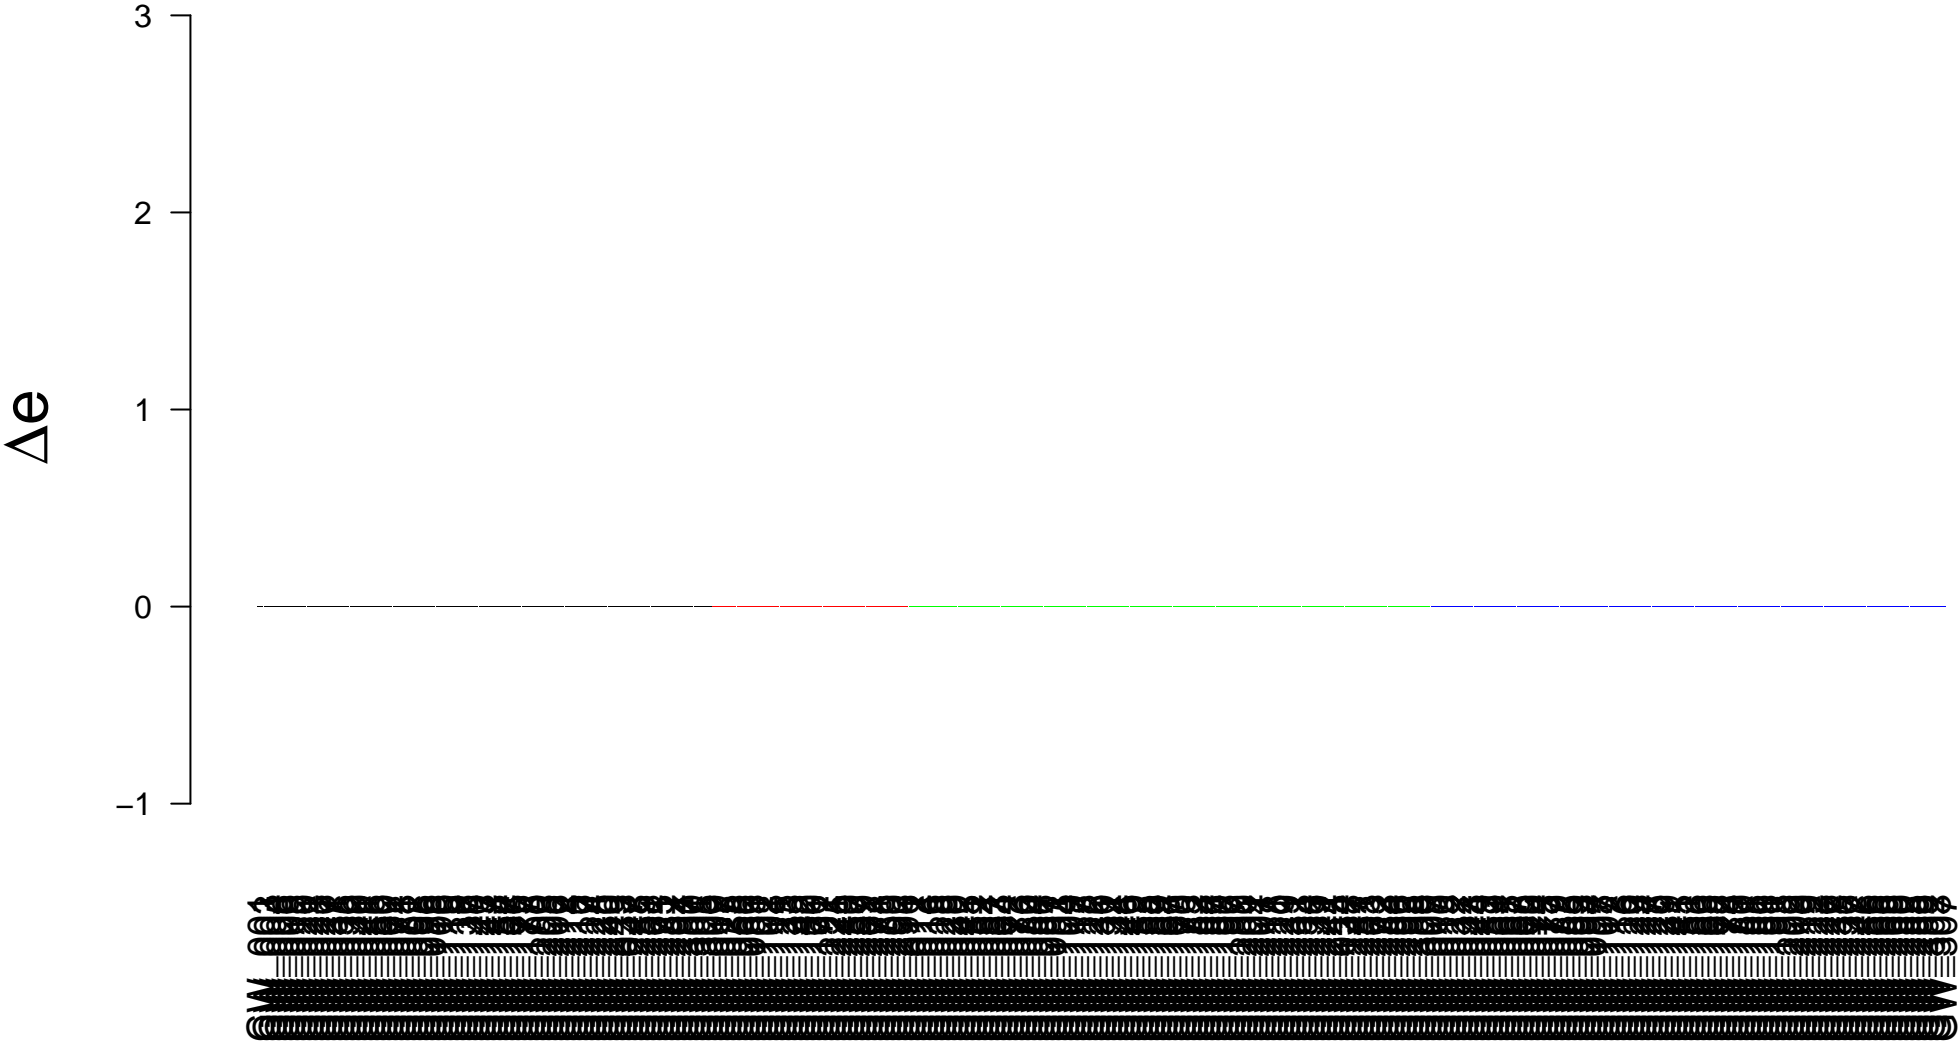

Expression of retina layer formation in Spot A

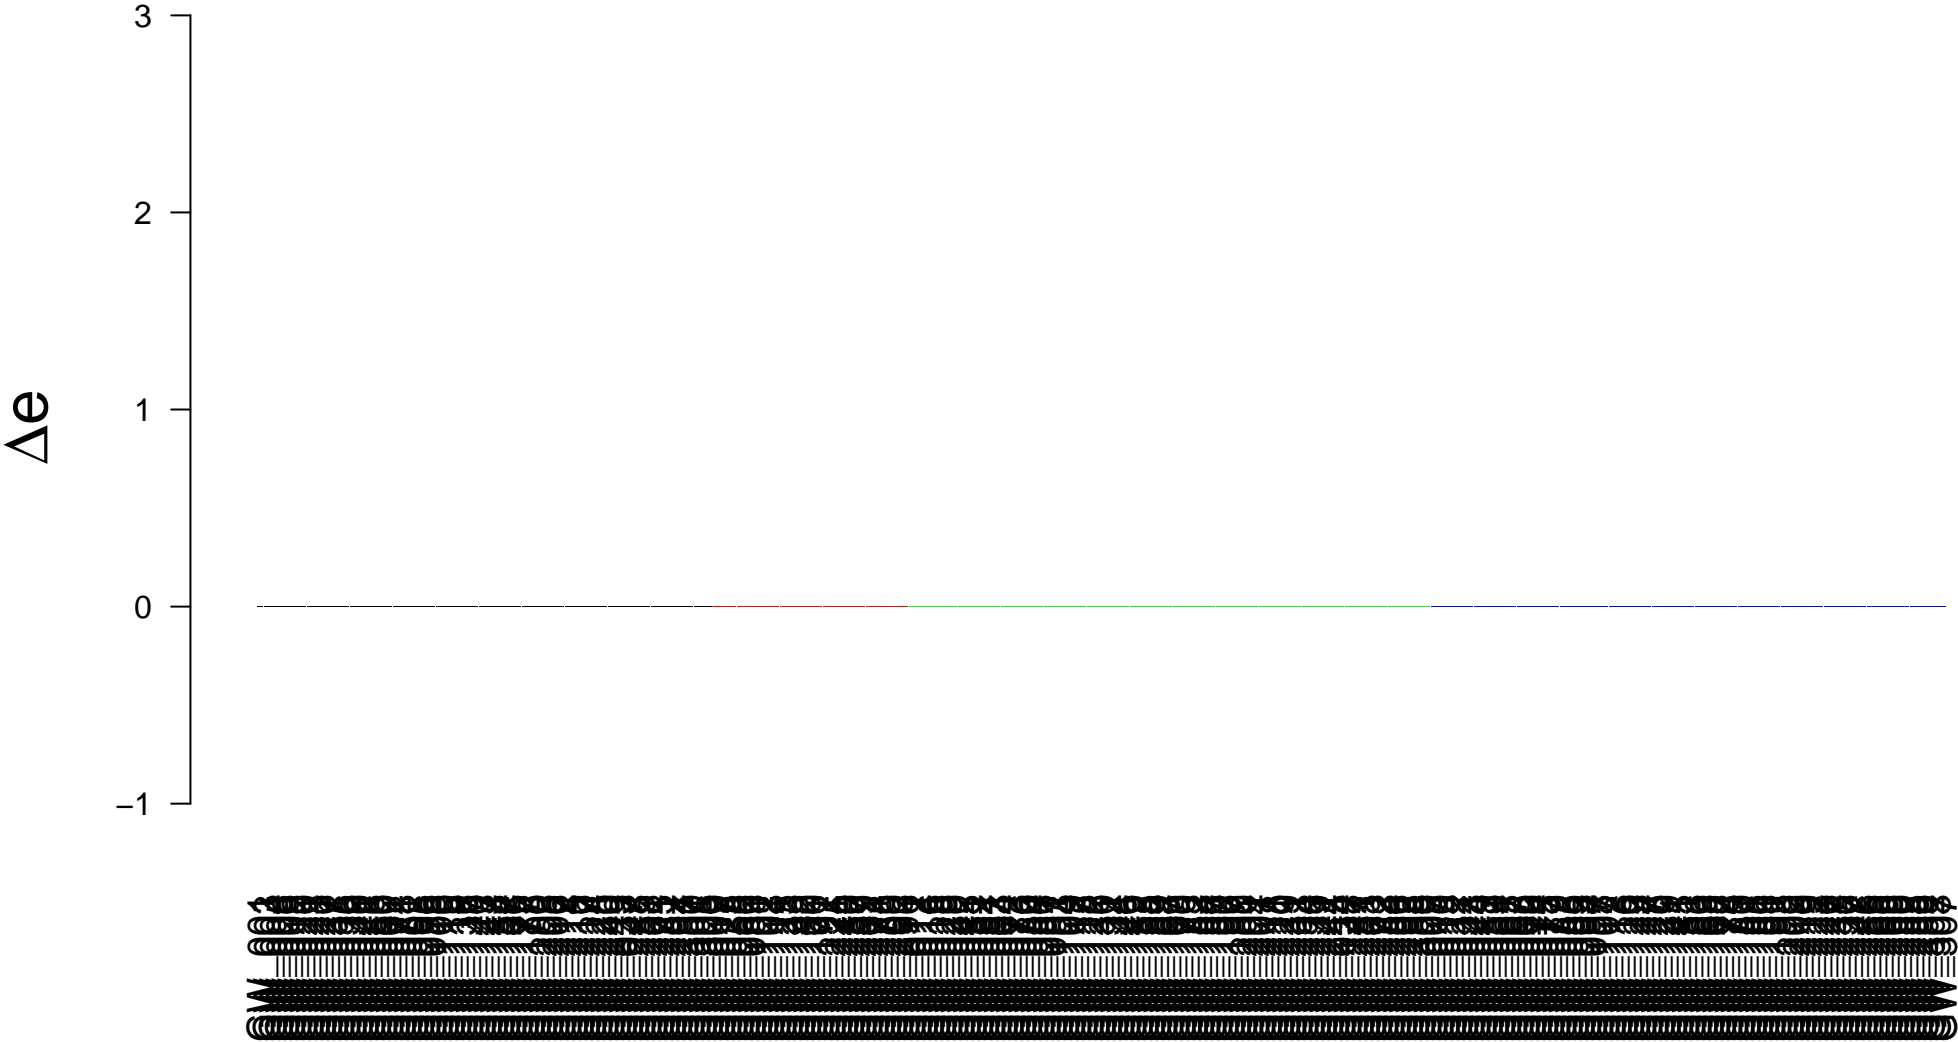

Expression of retina layer formation in Spot B

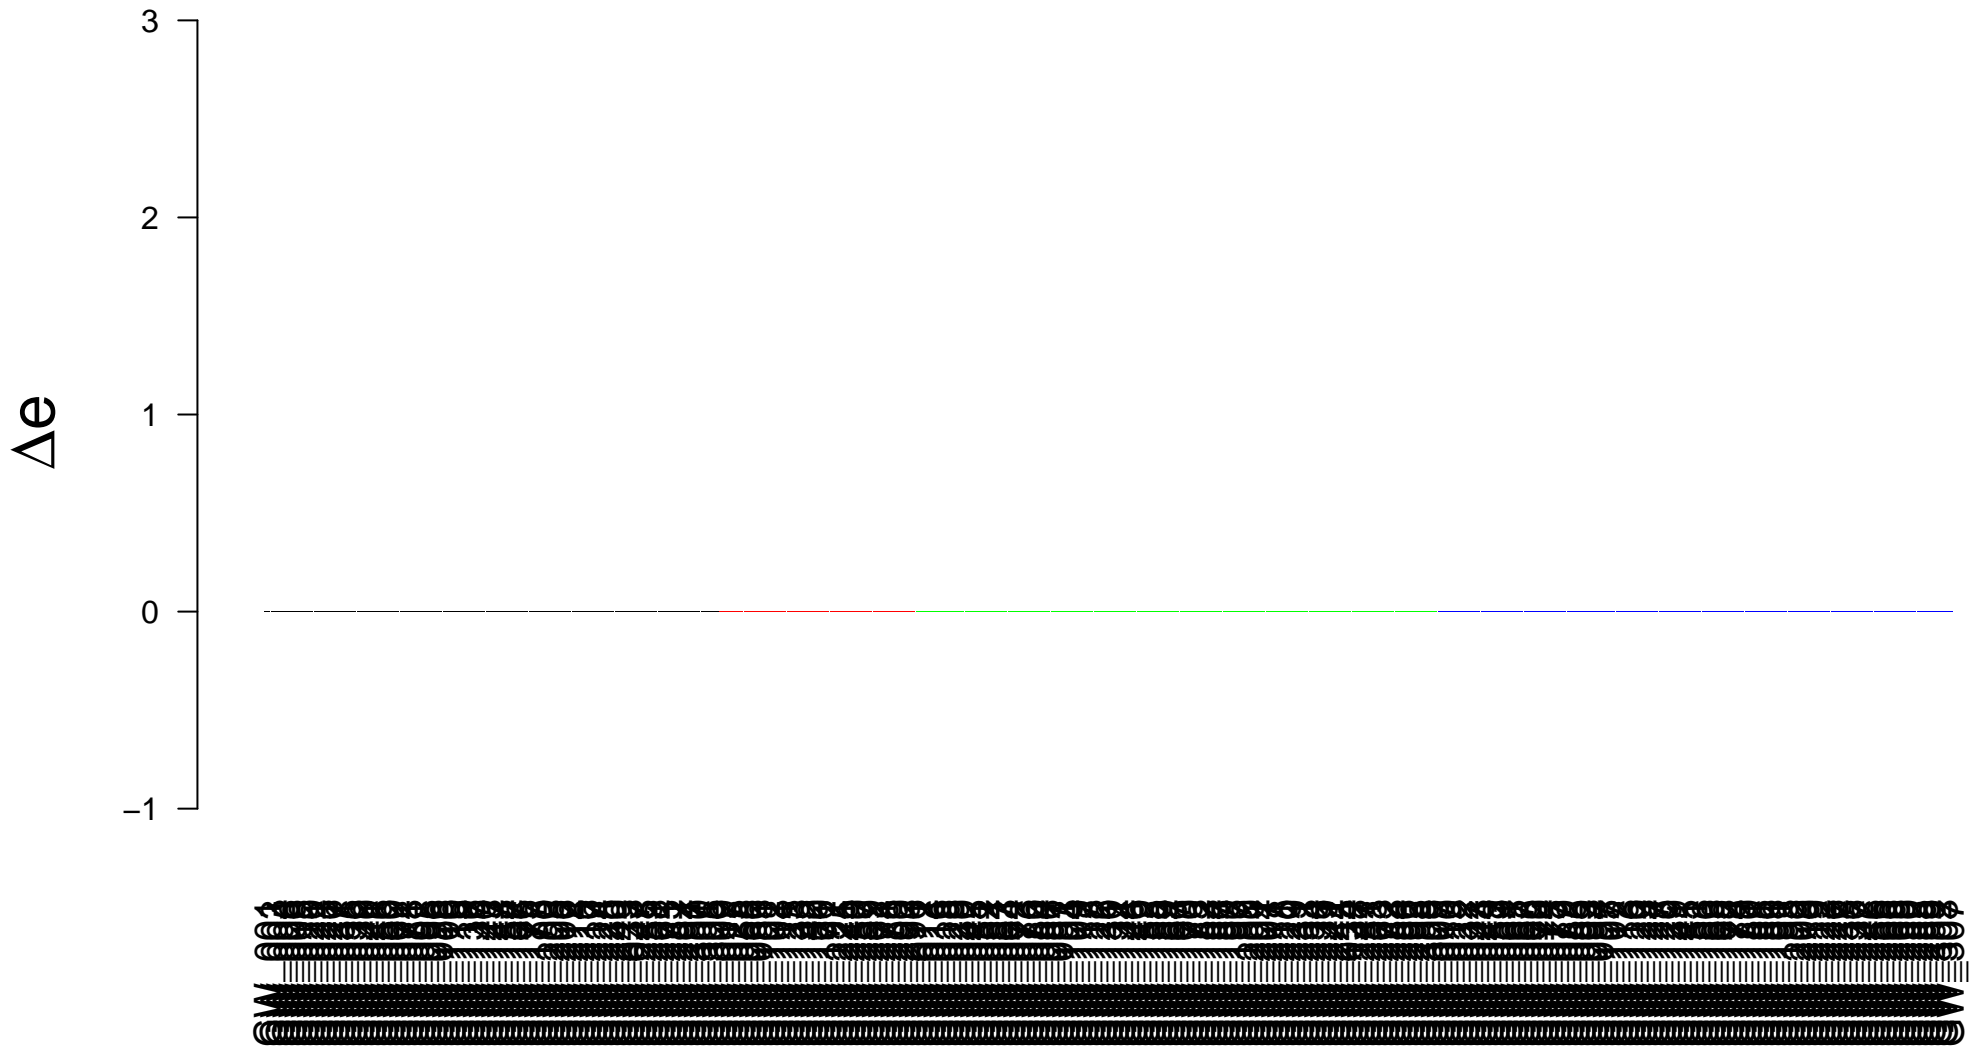

Expression of retina layer formation in Spot C

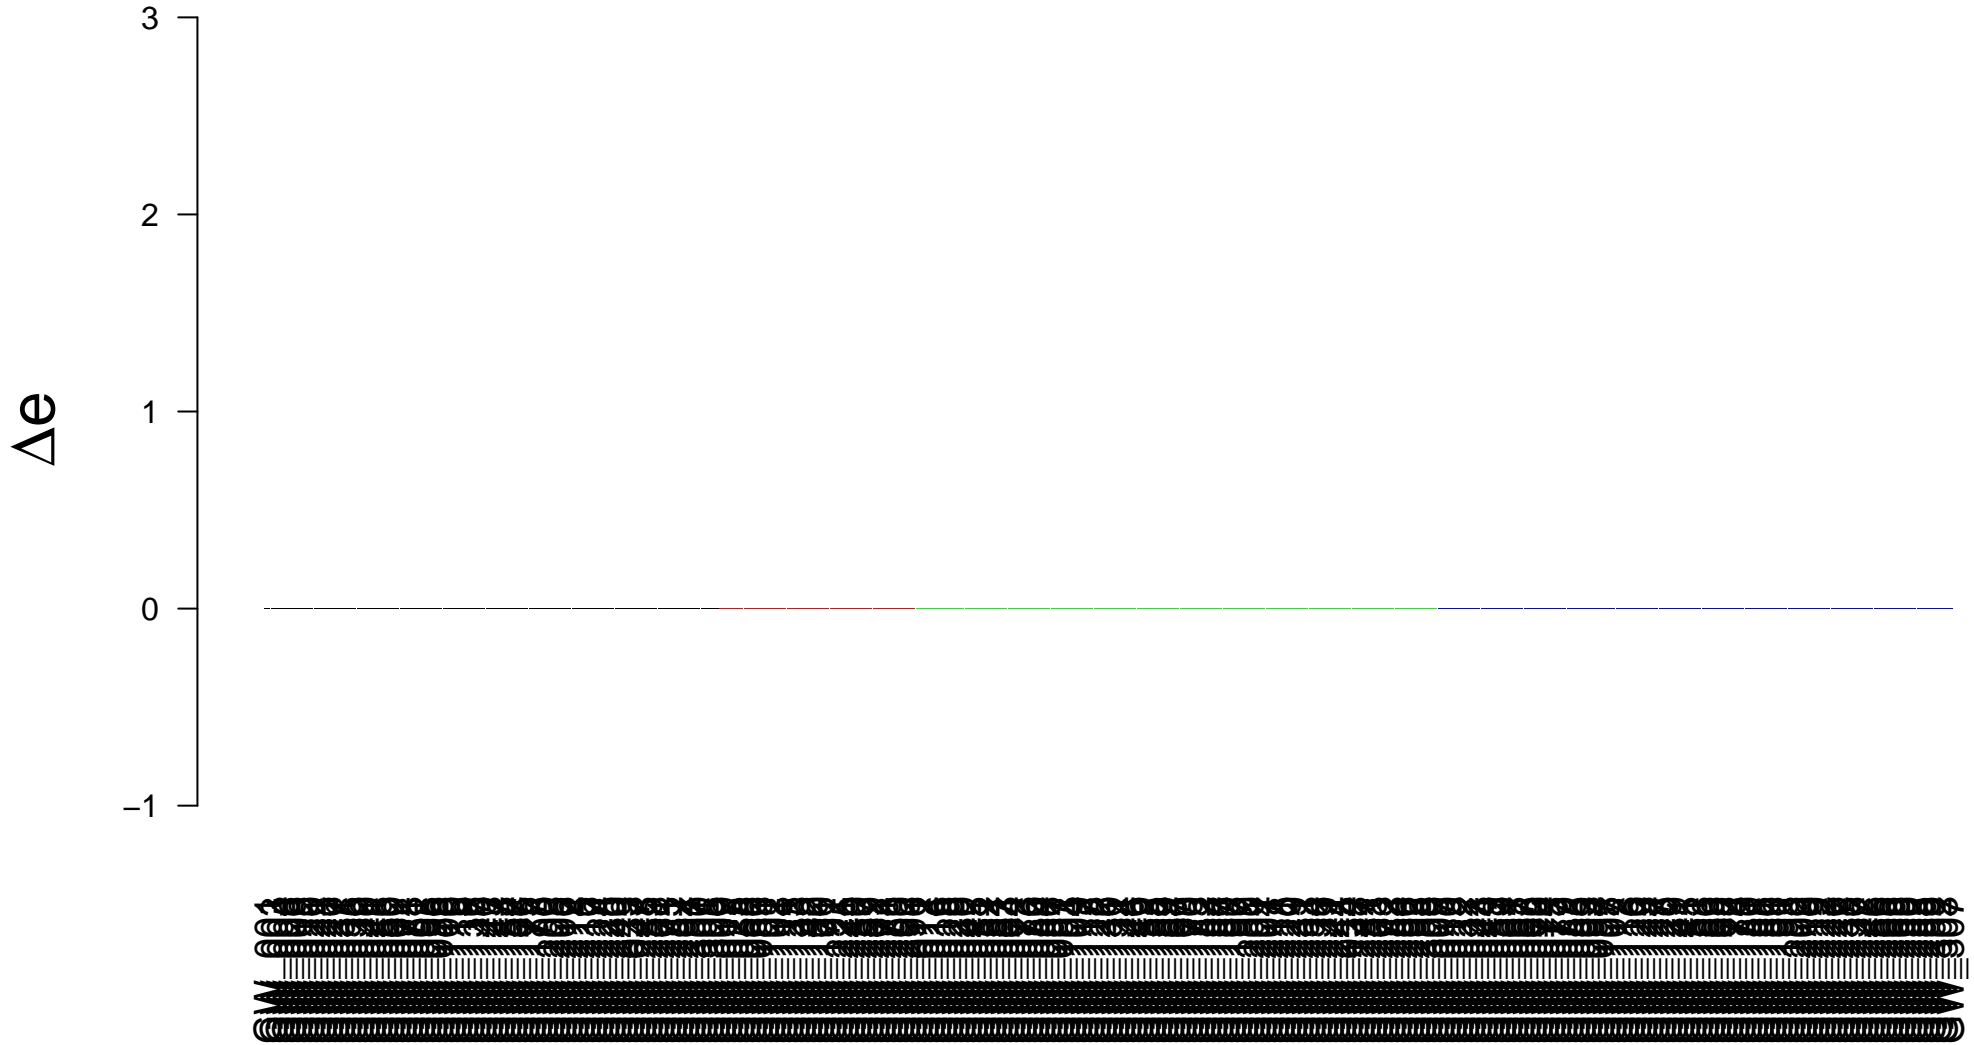

Expression of retina layer formation in Spot D

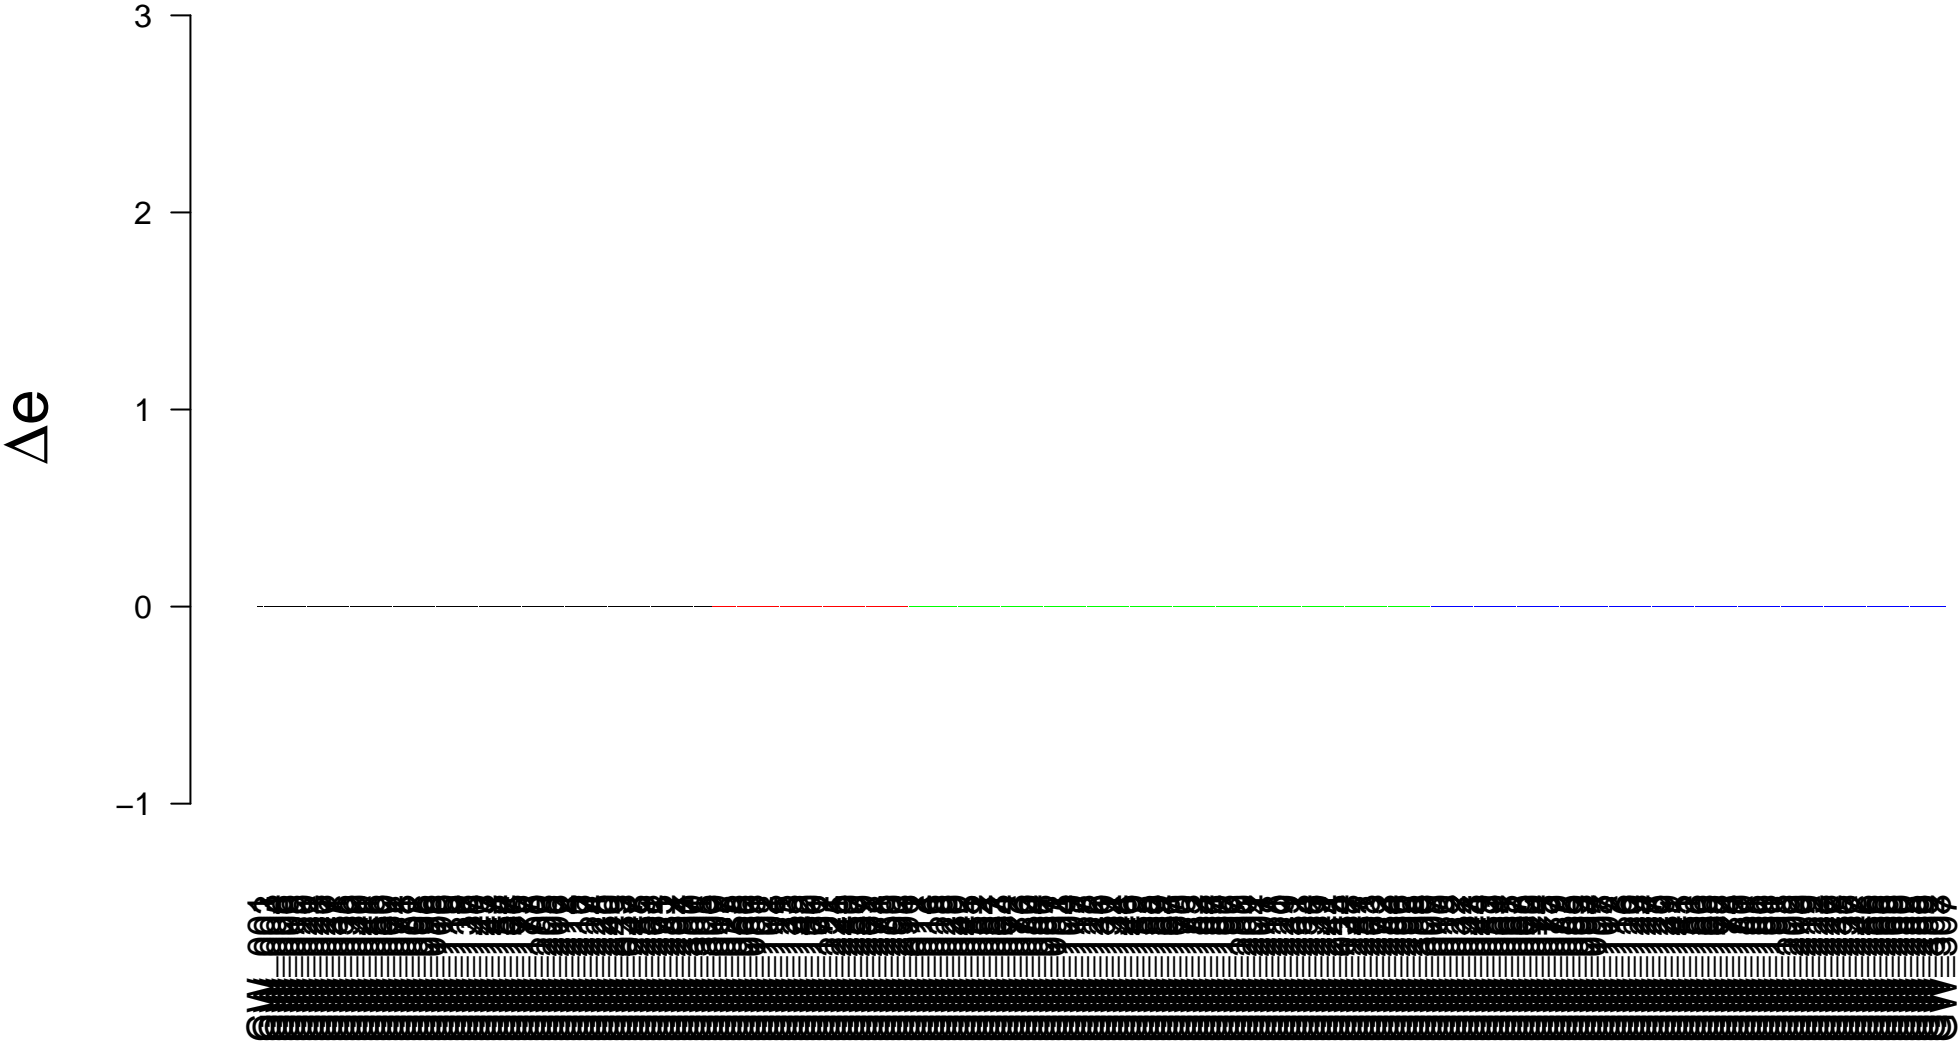

Expression of retina layer formation in Spot E

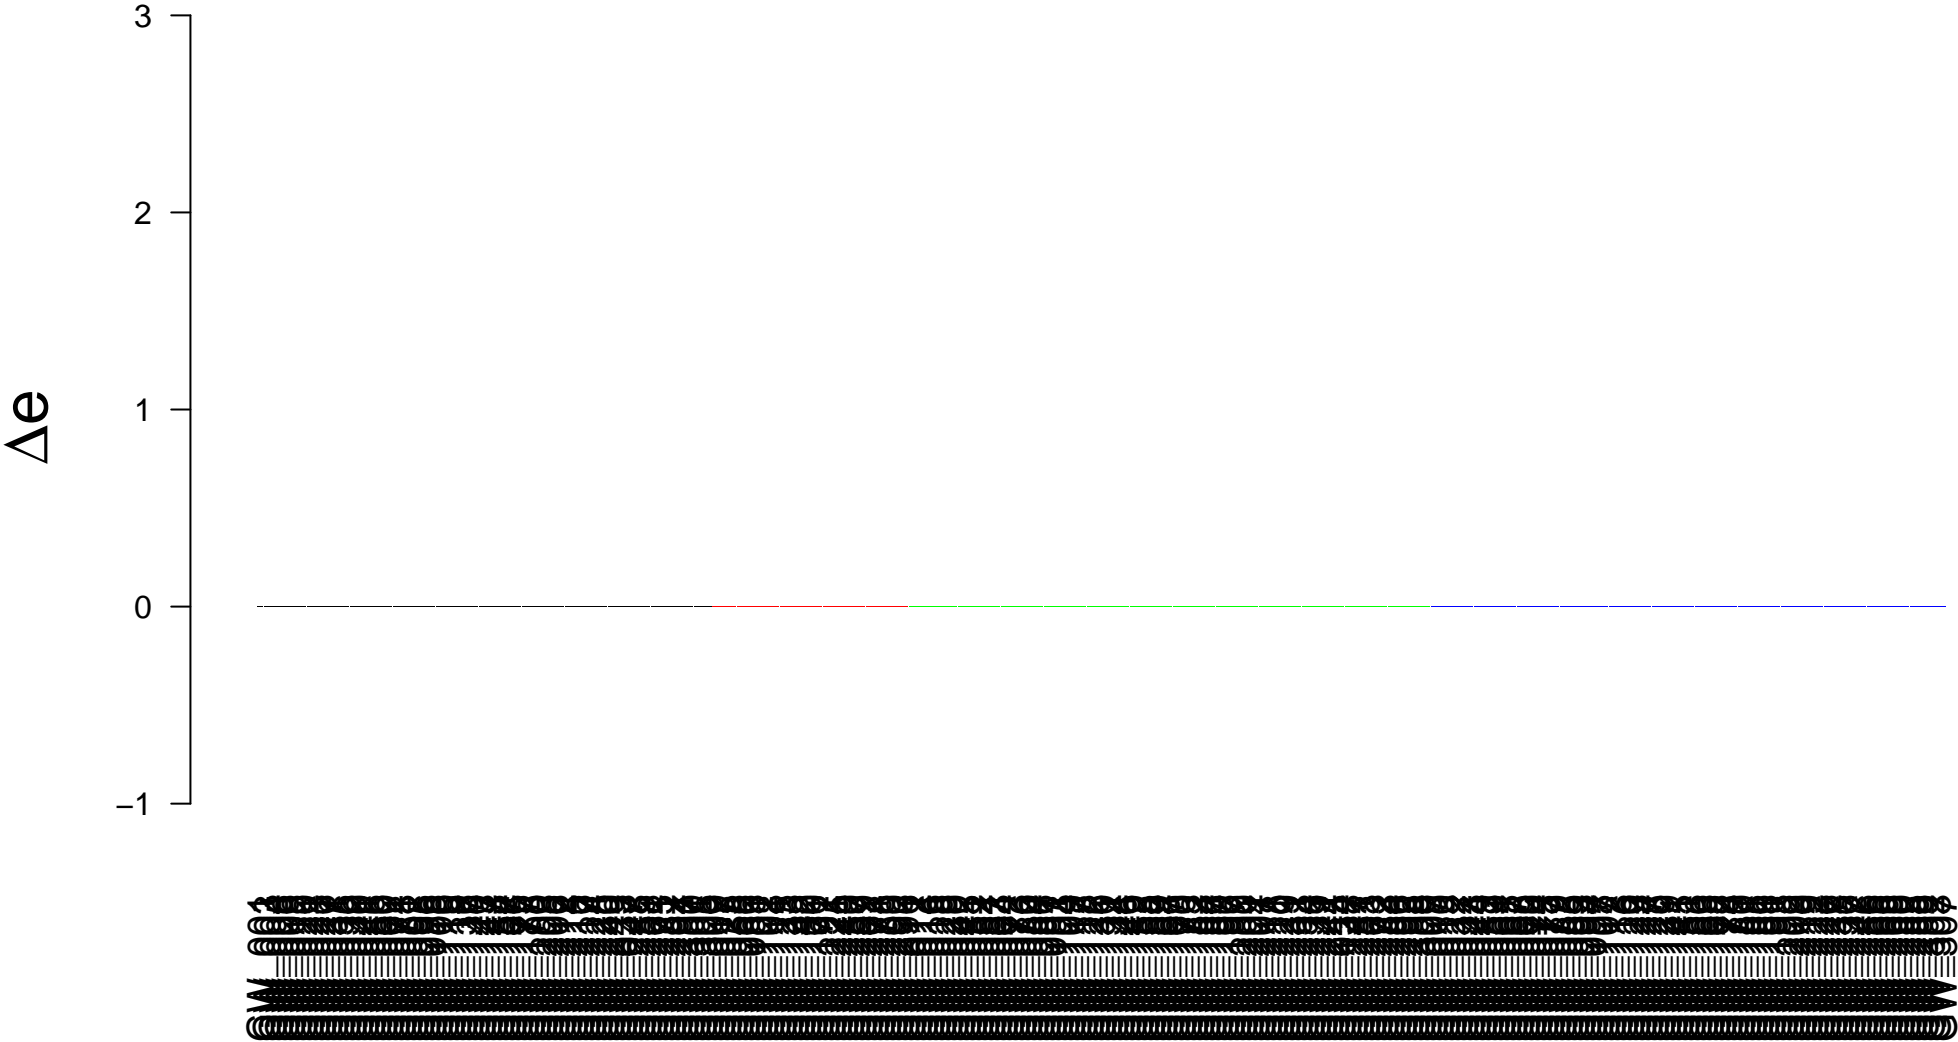

Expression of retina layer formation in Spot F

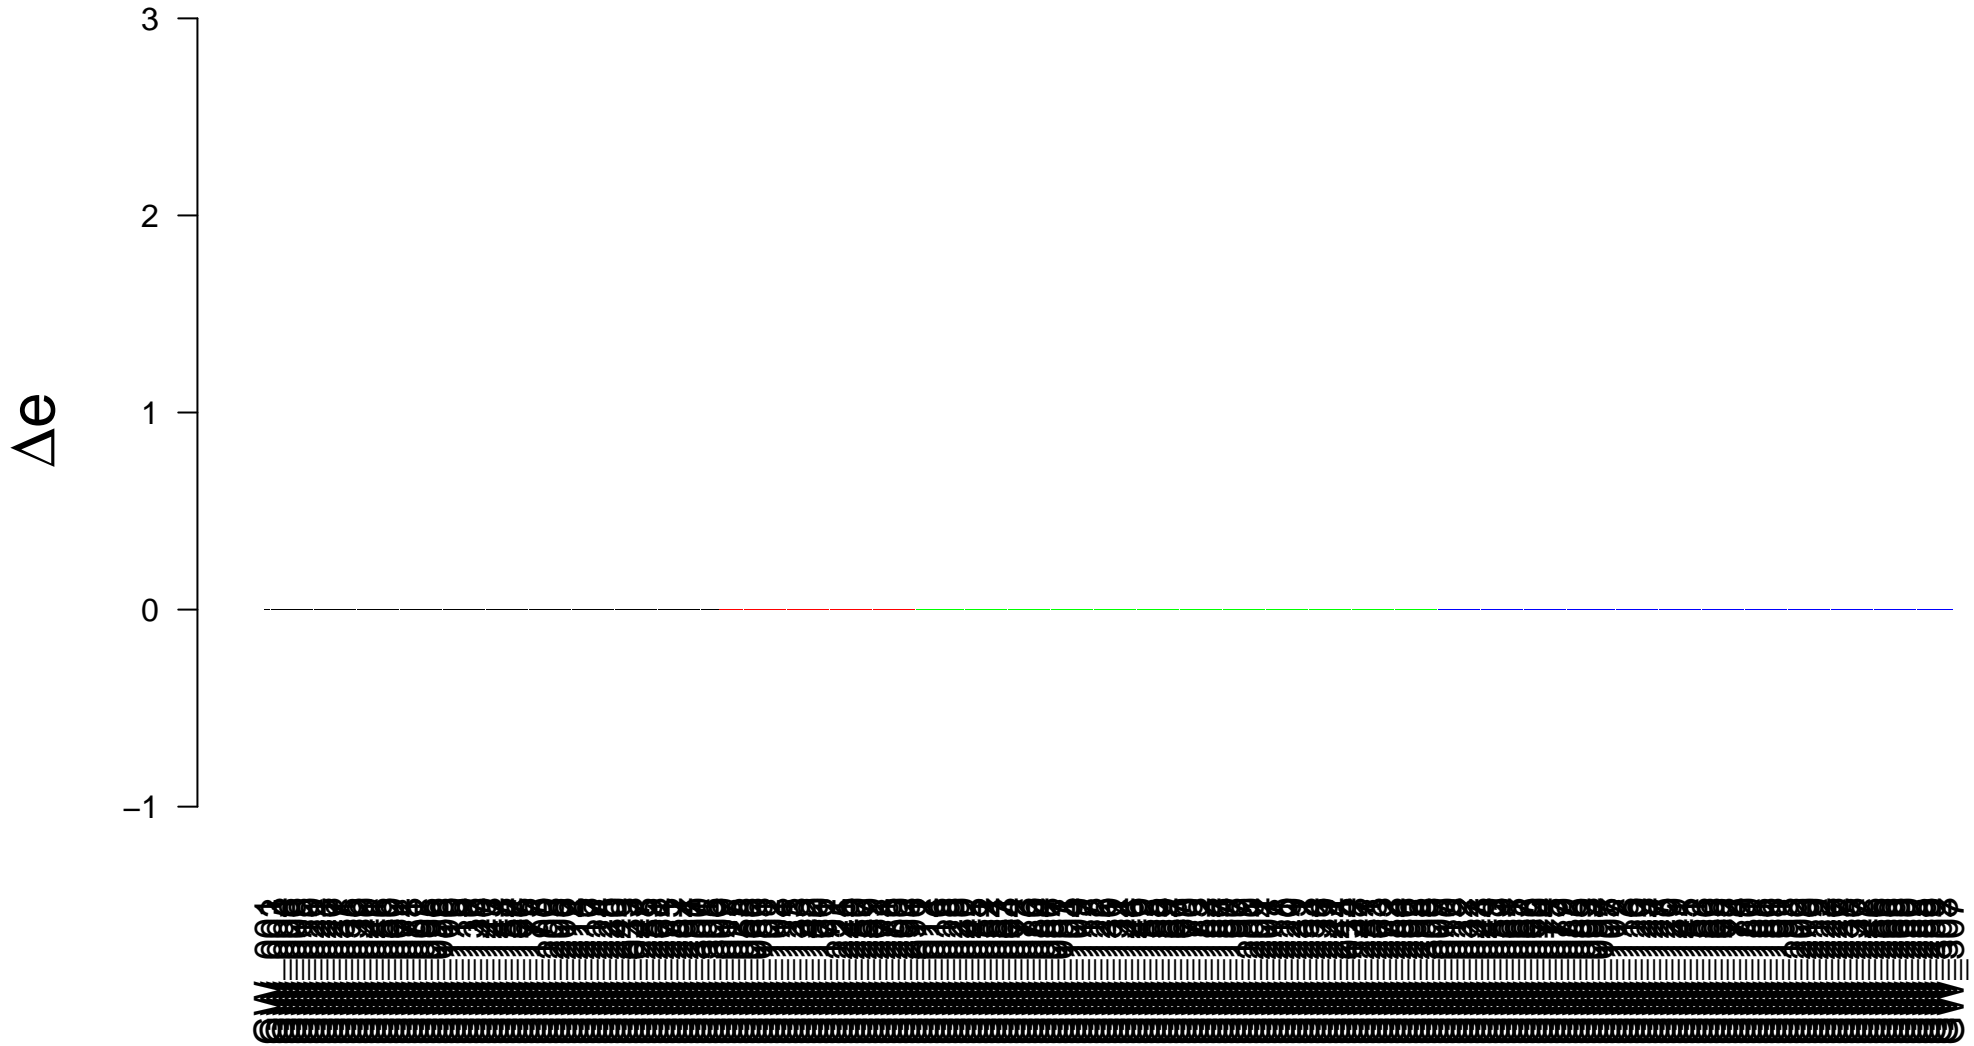

Expression of retina layer formation in Spot G

Expression of retina layer formation in Spot H

Expression of retina layer formation in Spot I

Expression of retina layer formation in Spot J
