

retinoic acid binding

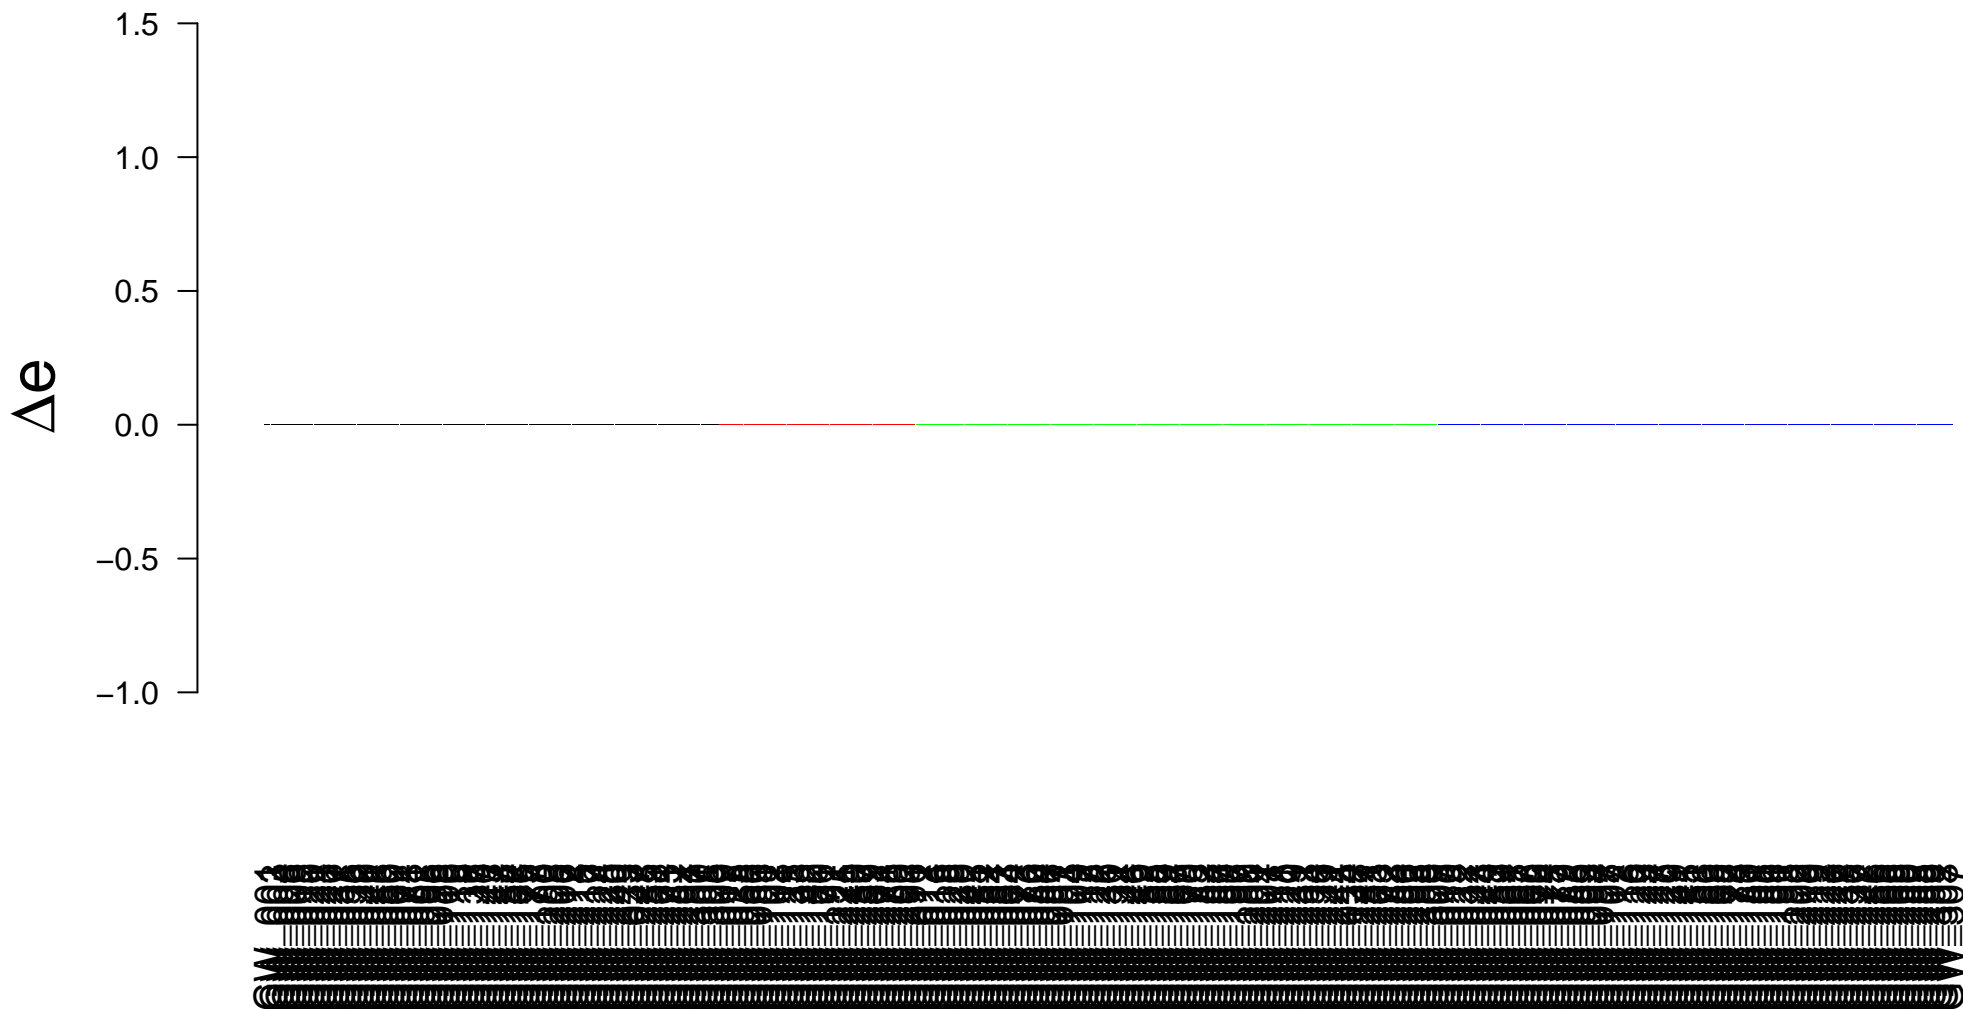

# retinoic acid binding

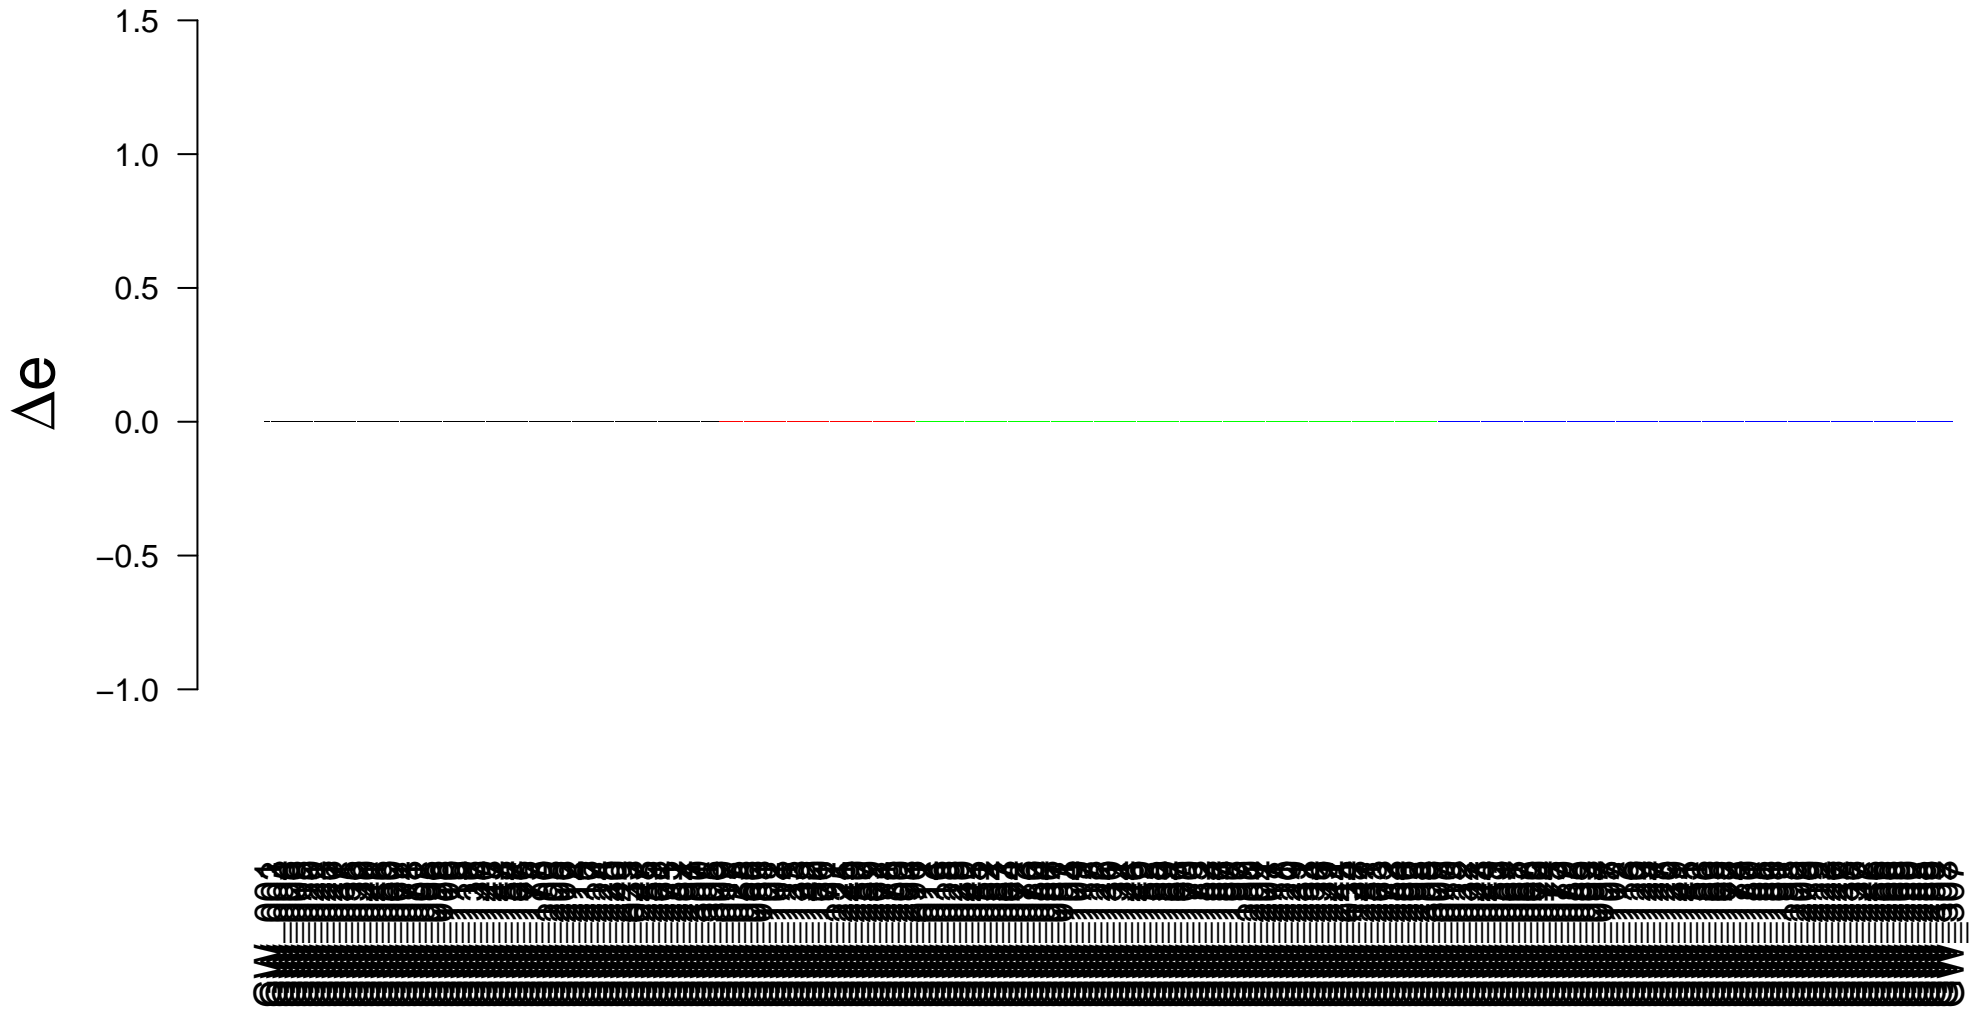

# Enrichment in spots: retinoic acid binding

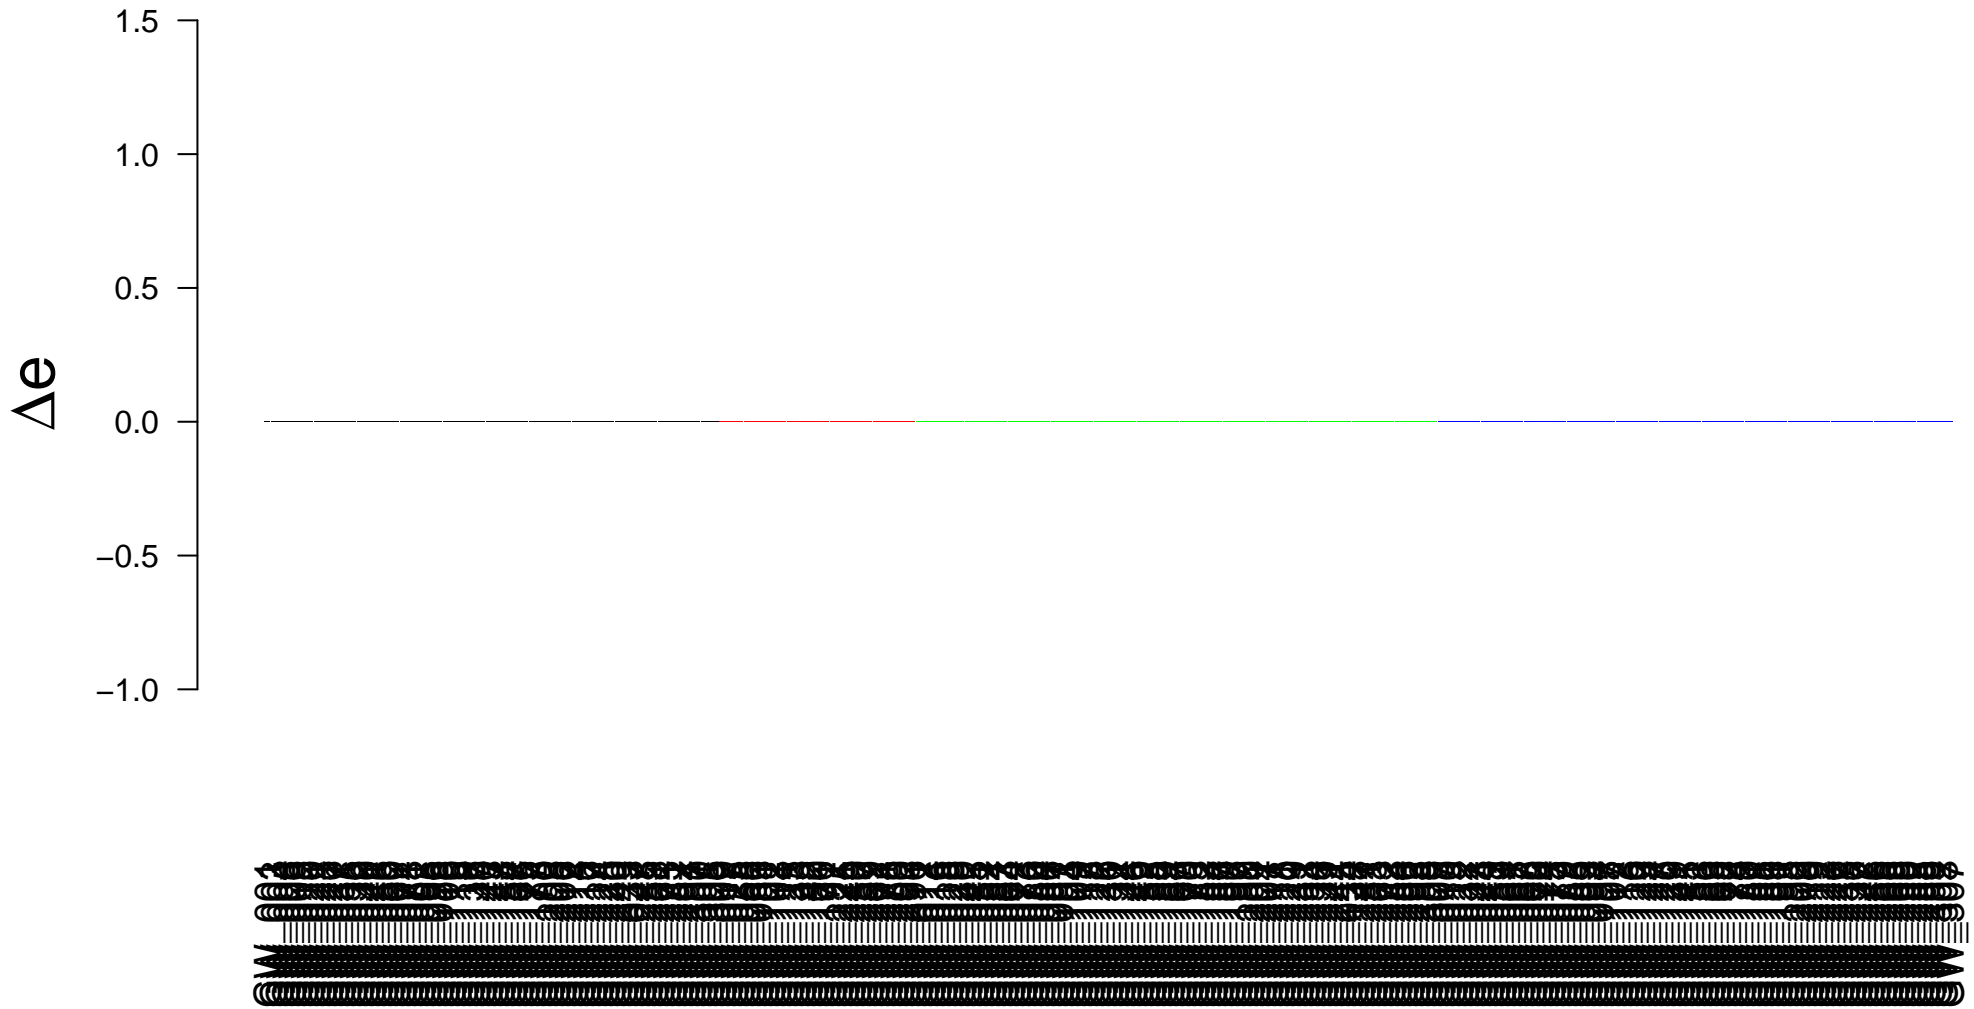

# Expression of retinoic acid binding in Spot A

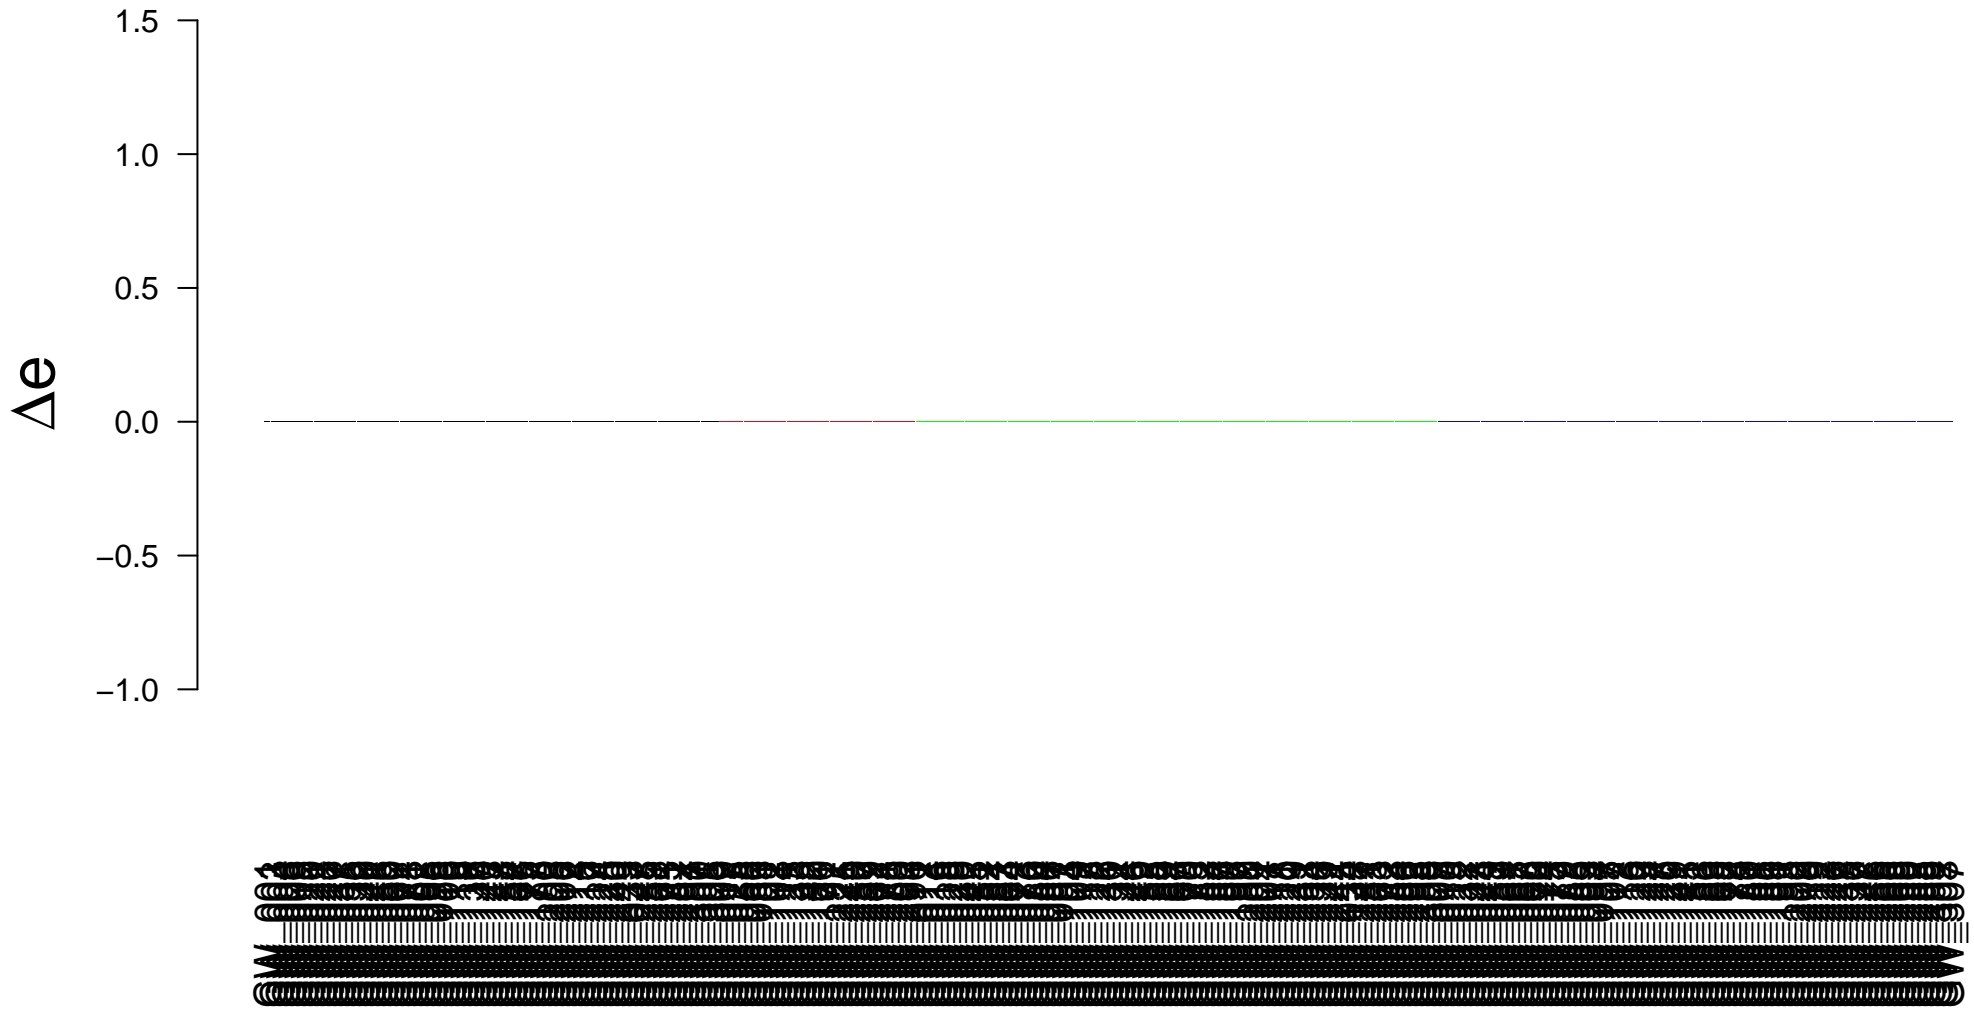

# Expression of retinoic acid binding in Spot B

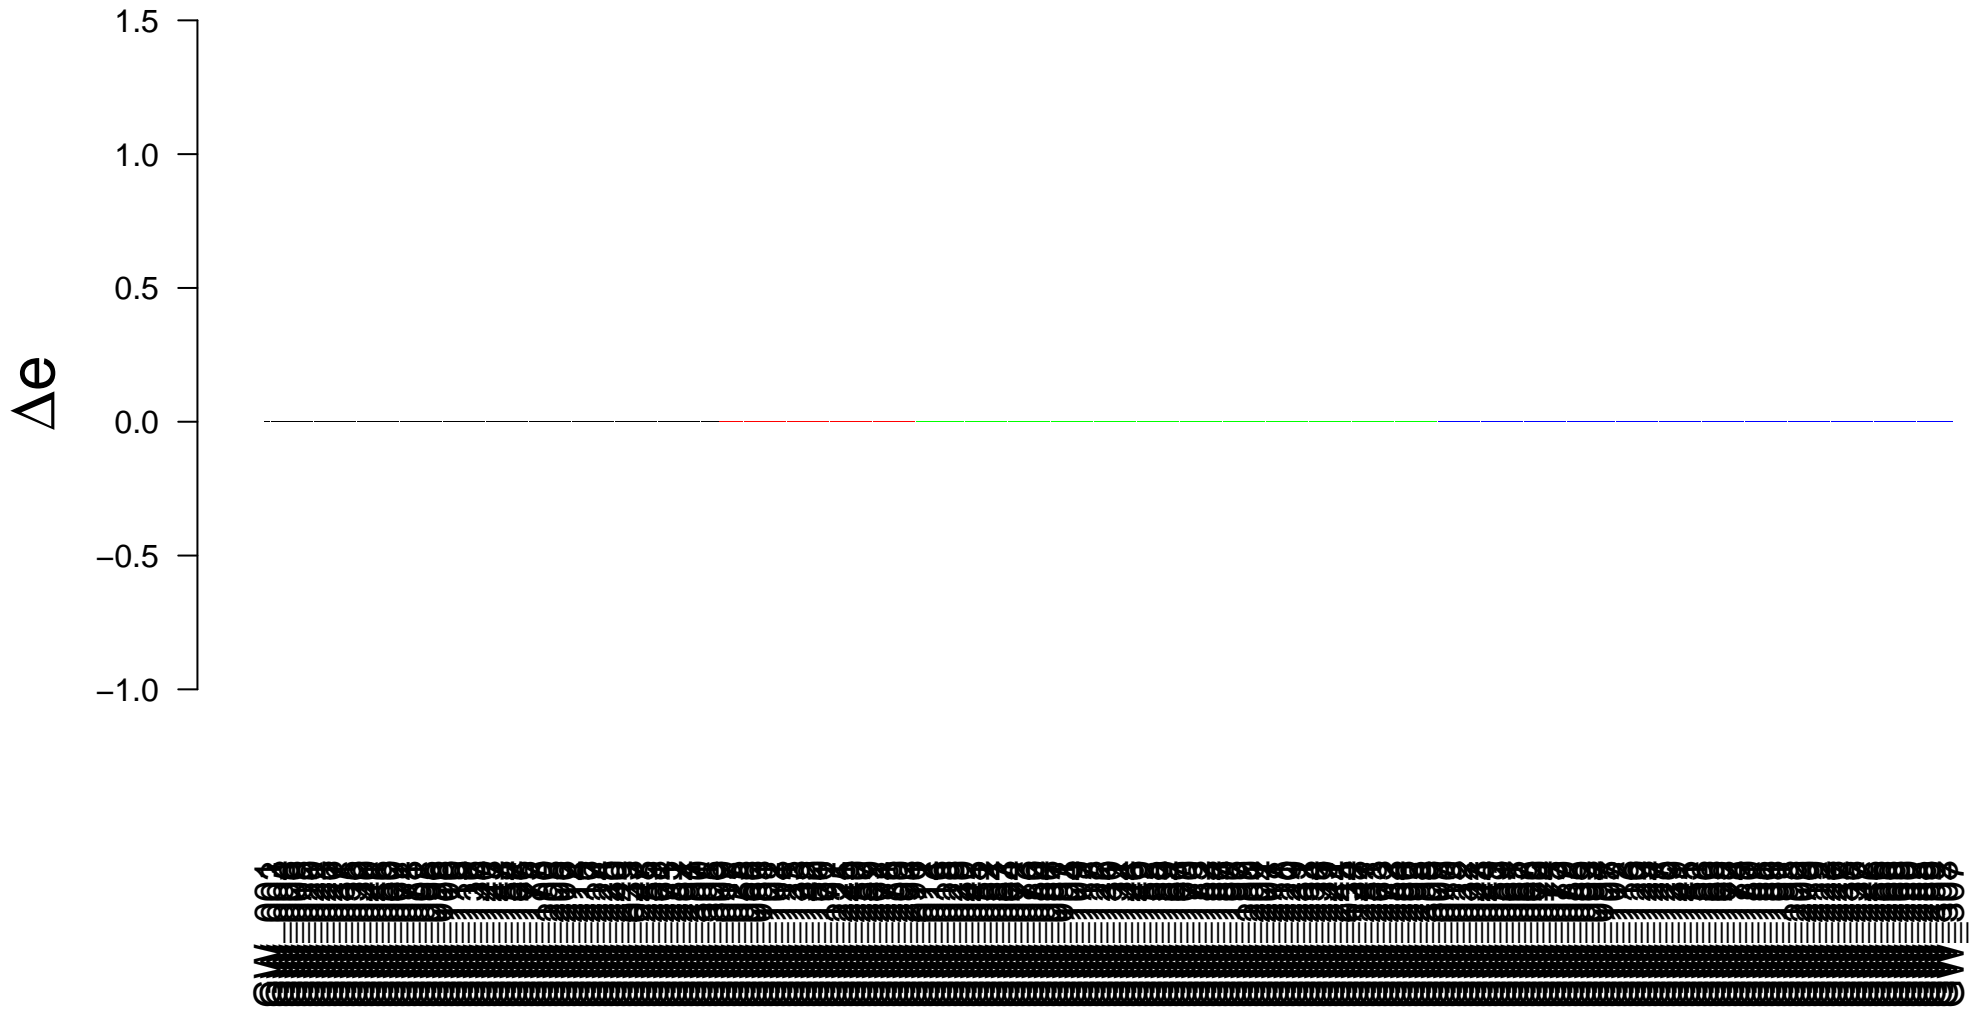

# Expression of retinoic acid binding in Spot C

# Expression of retinoic acid binding in Spot D

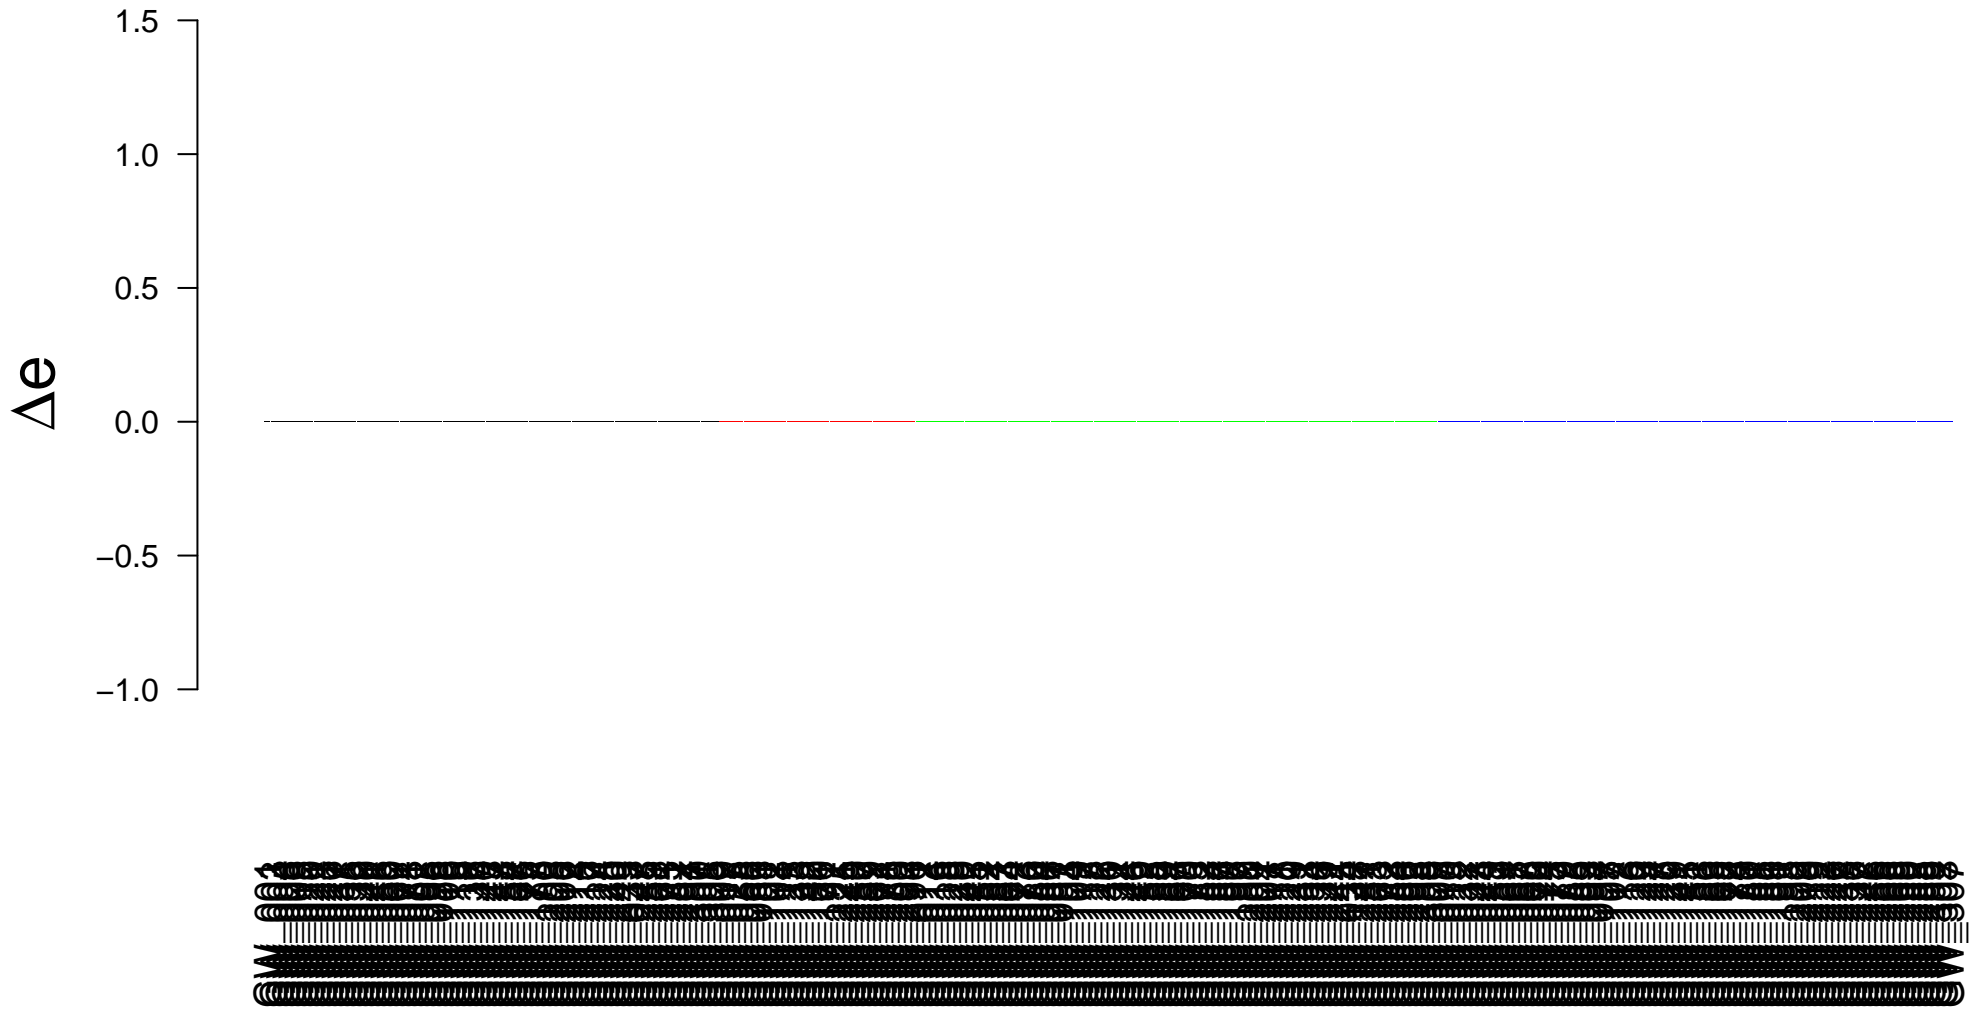

# Expression of retinoic acid binding in Spot E

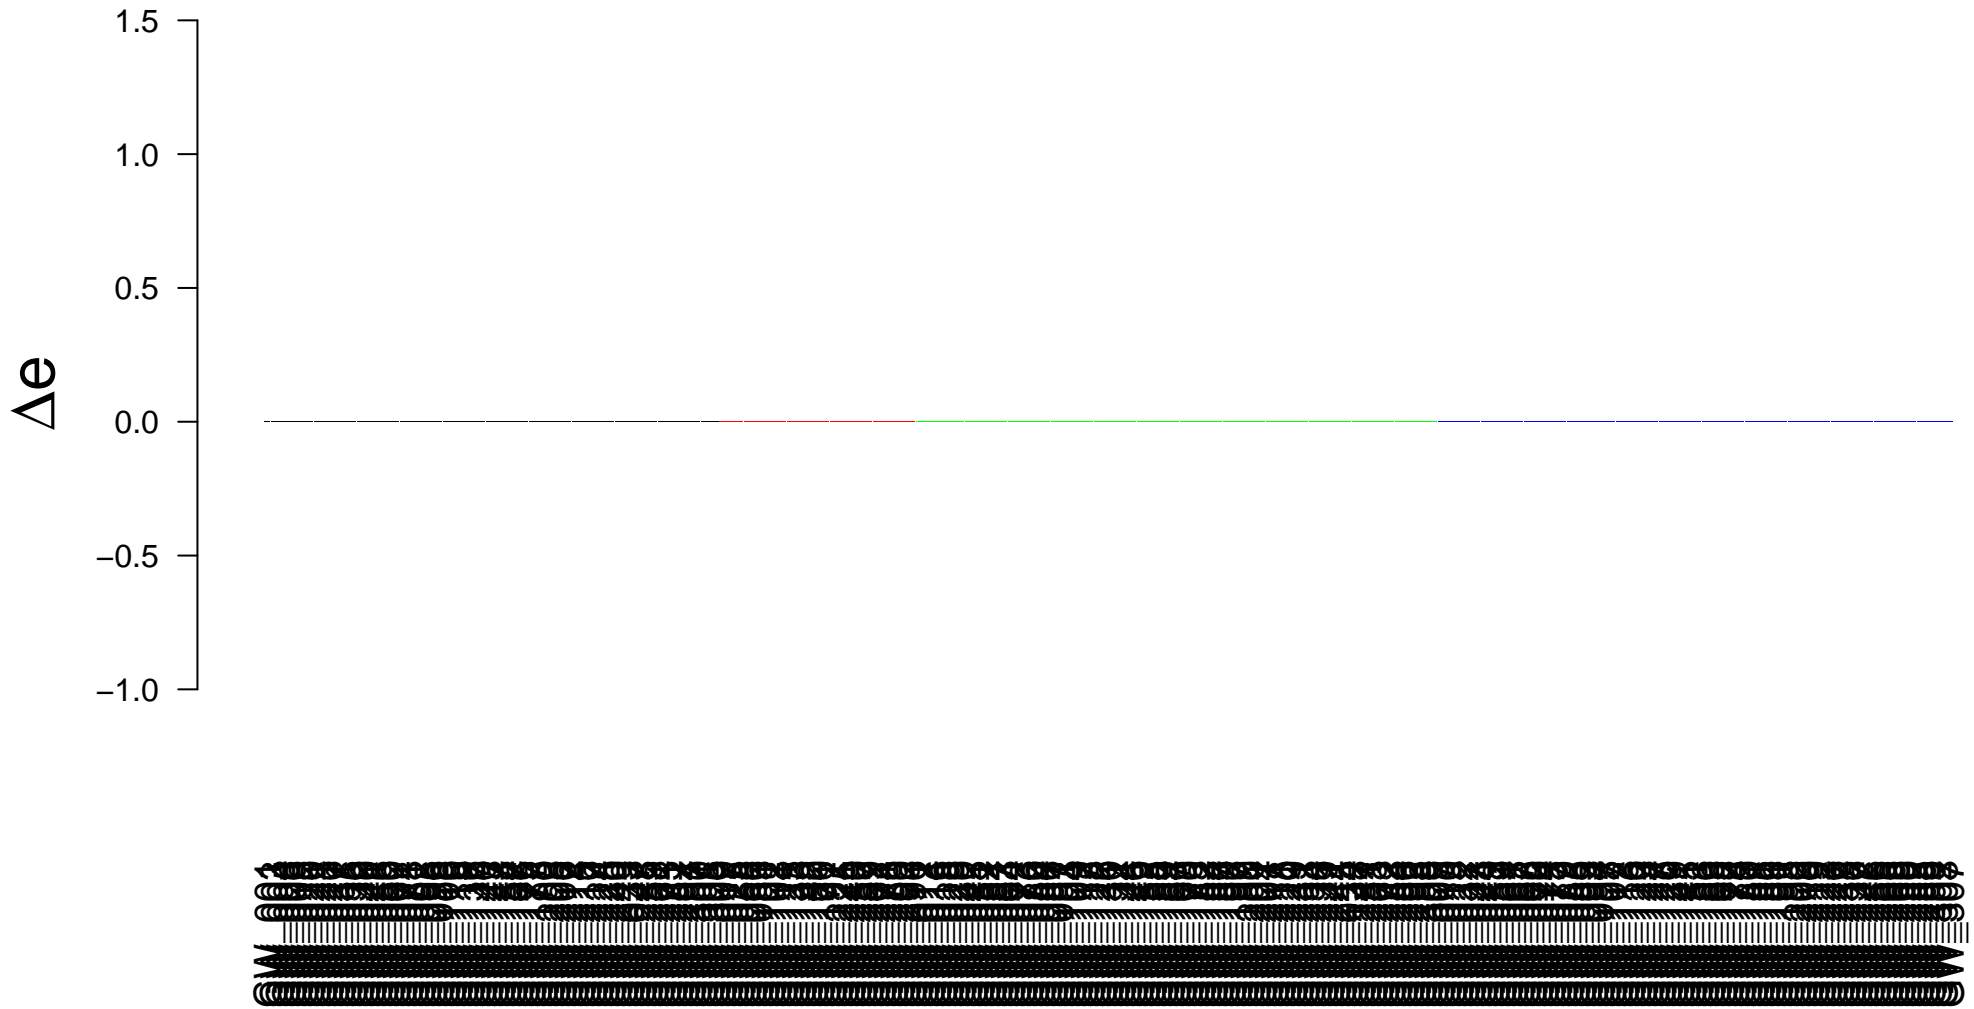

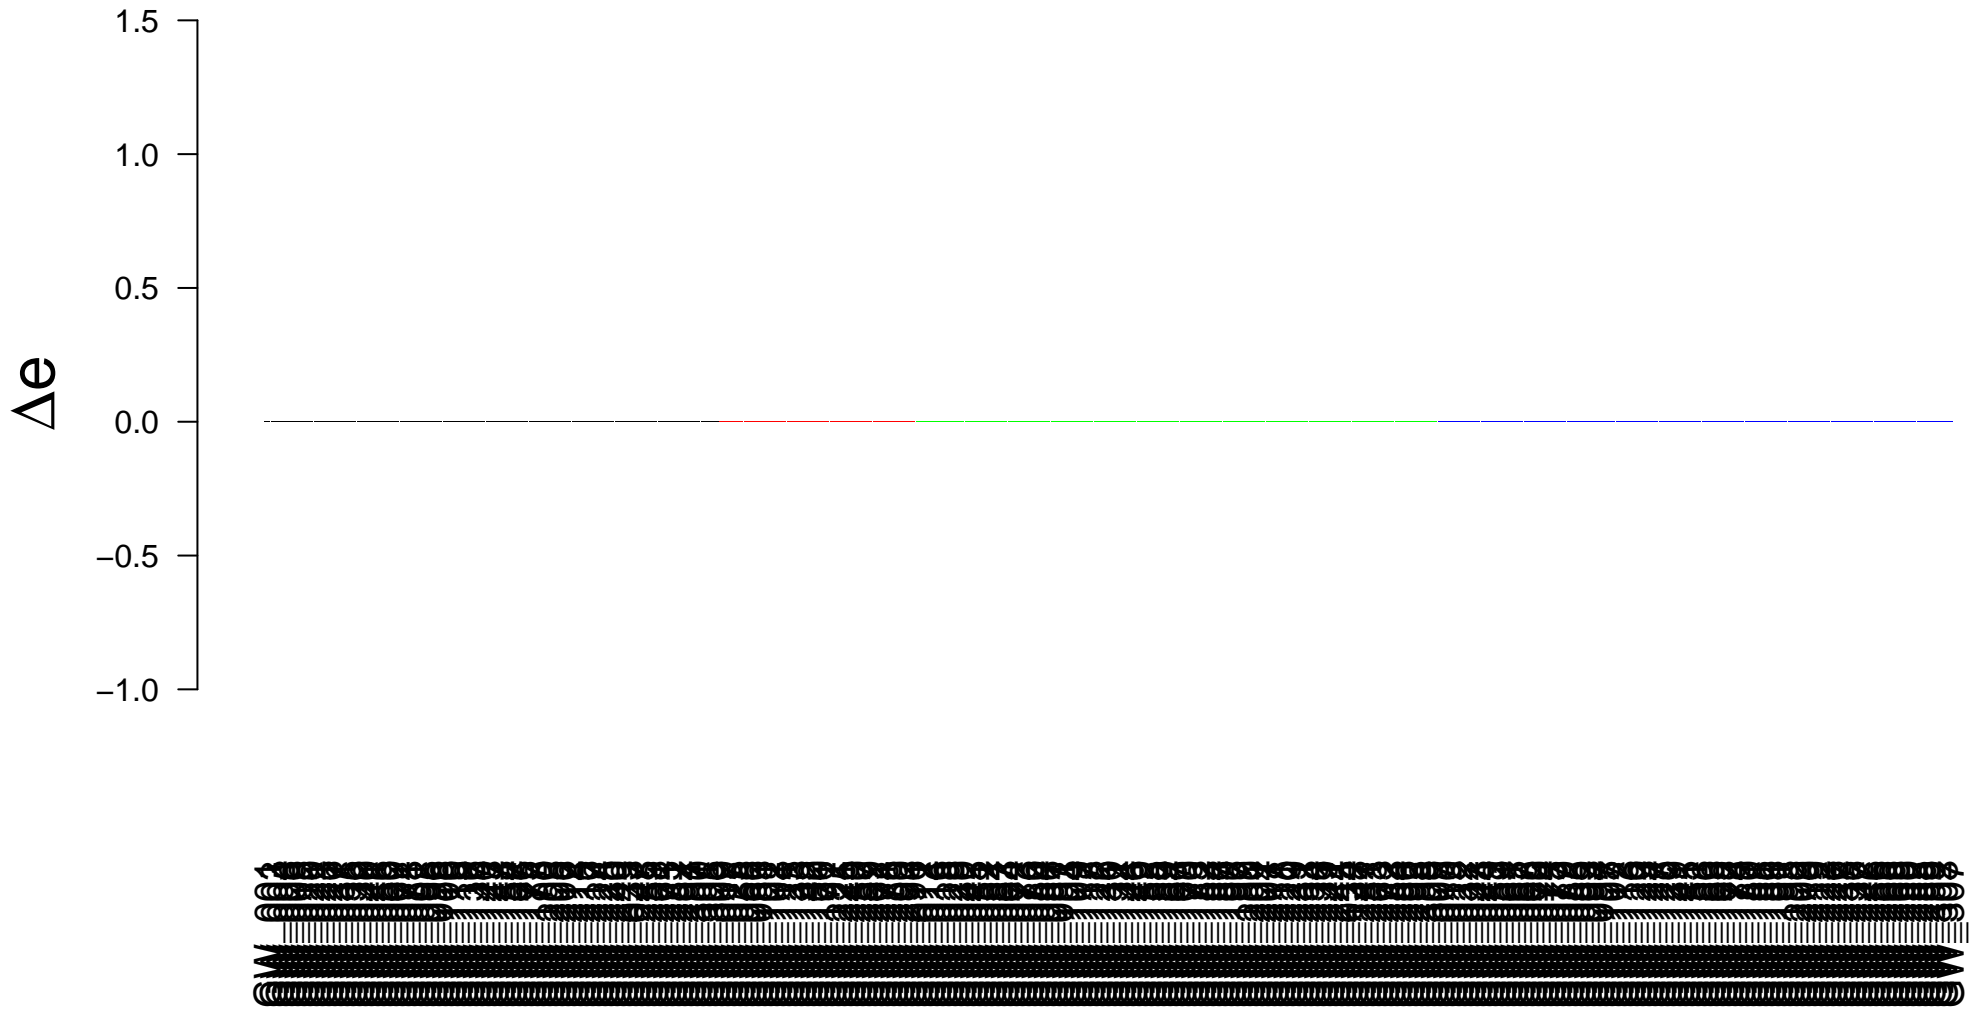

# Expression of retinoic acid binding in Spot F

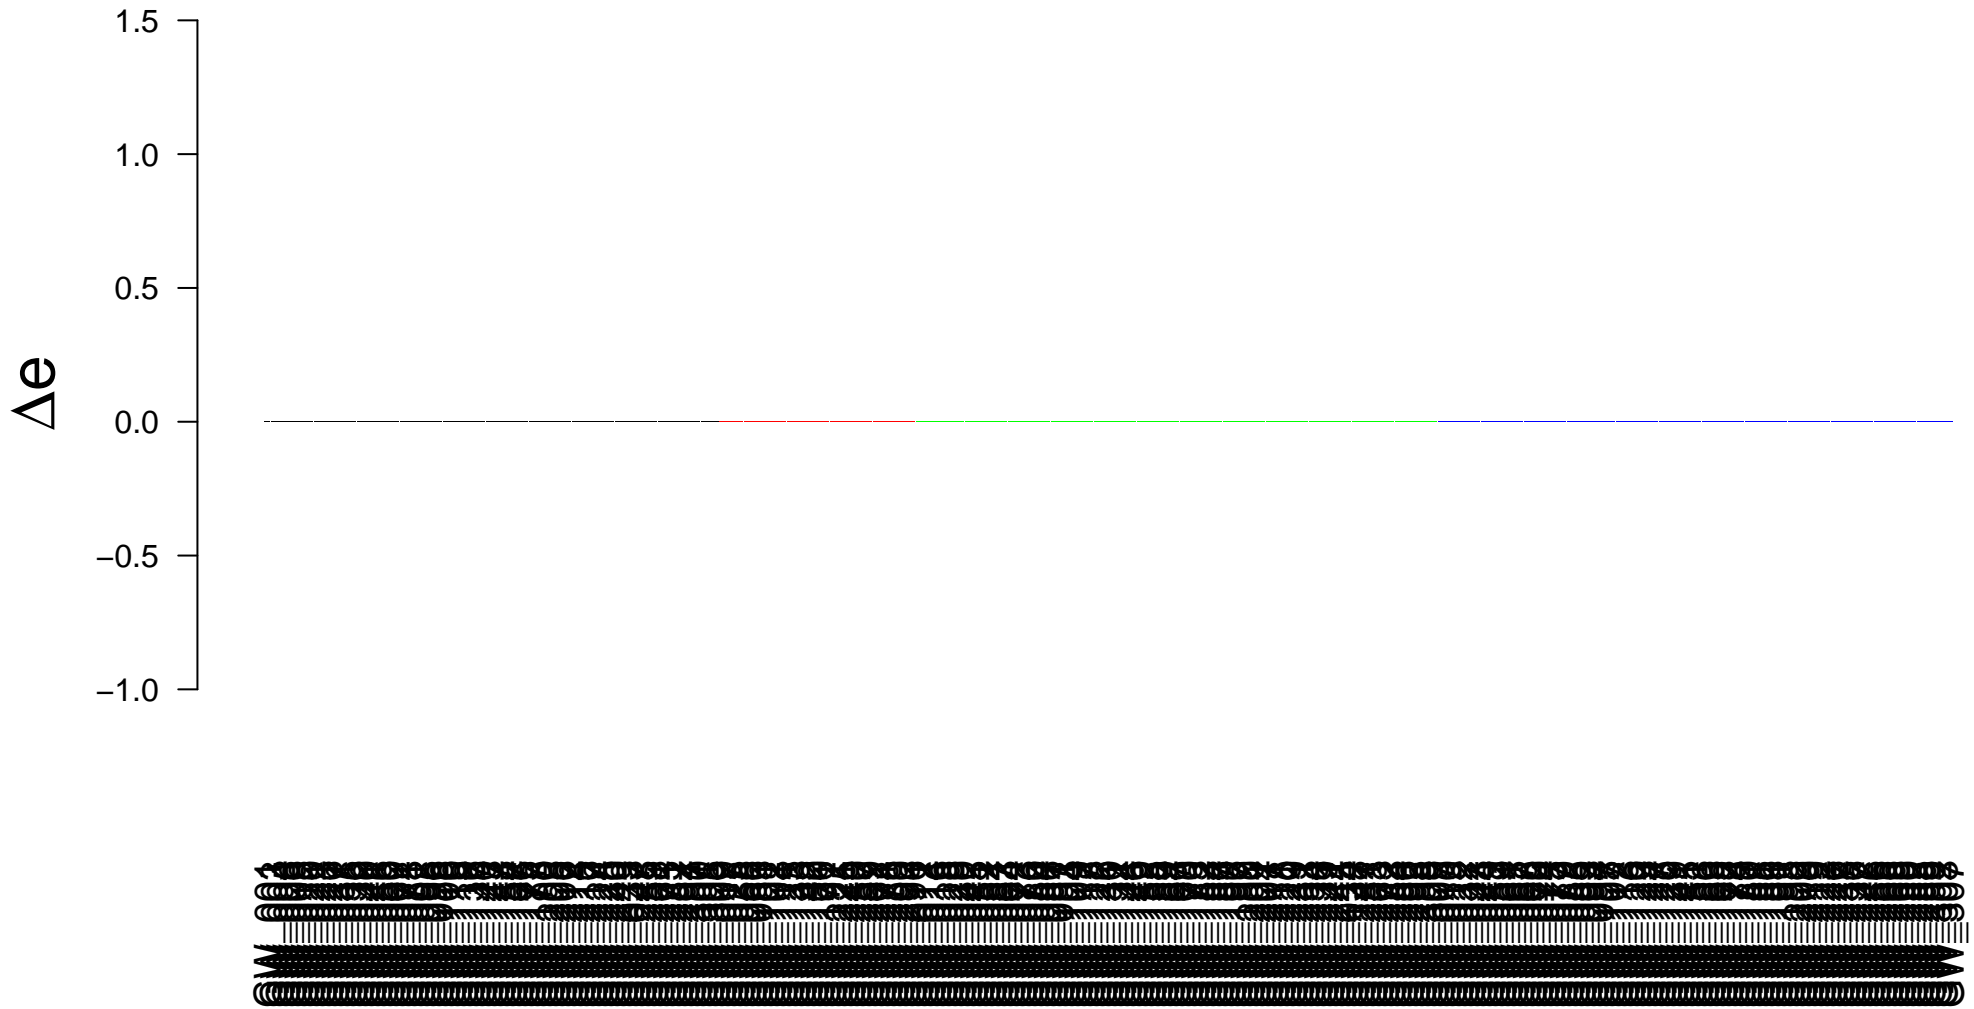

# Expression of retinoic acid binding in Spot G

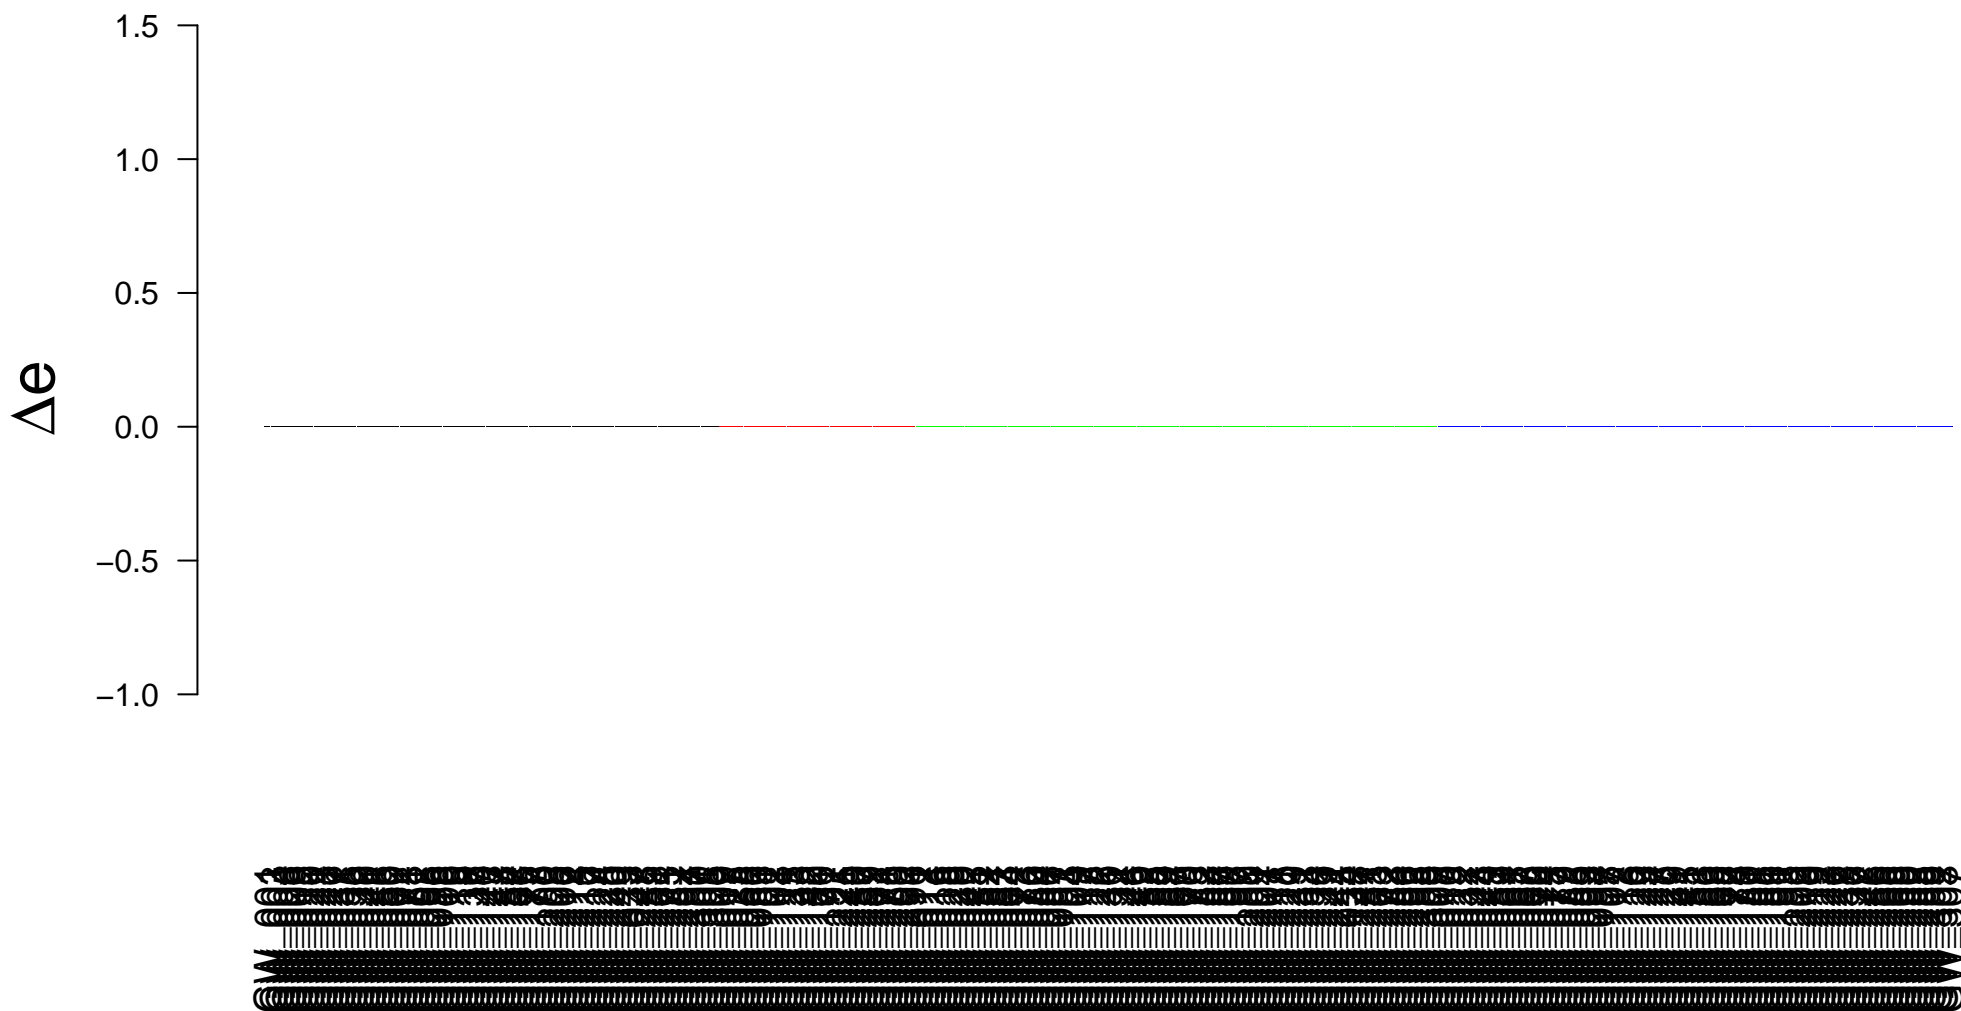

# Expression of retinoic acid binding in Spot H

# Expression of retinoic acid binding in Spot I

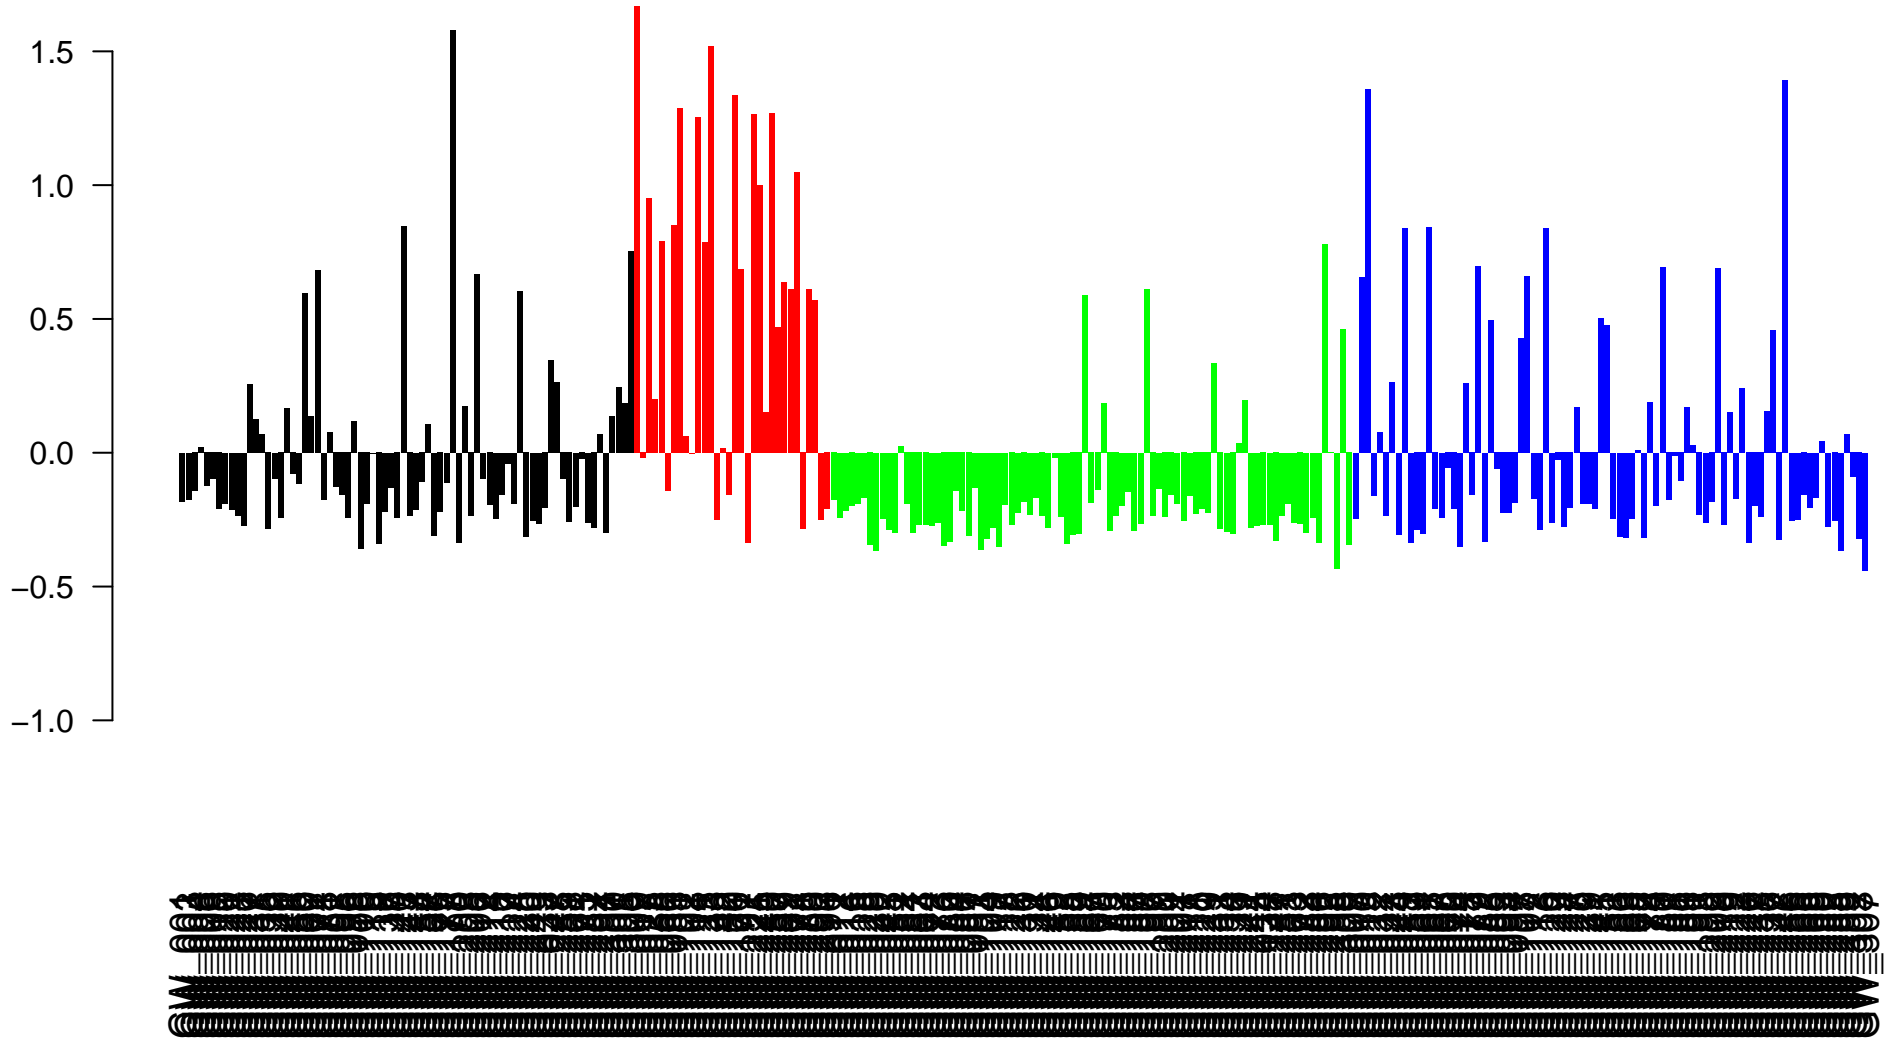

# Expression of retinoic acid binding in Spot J

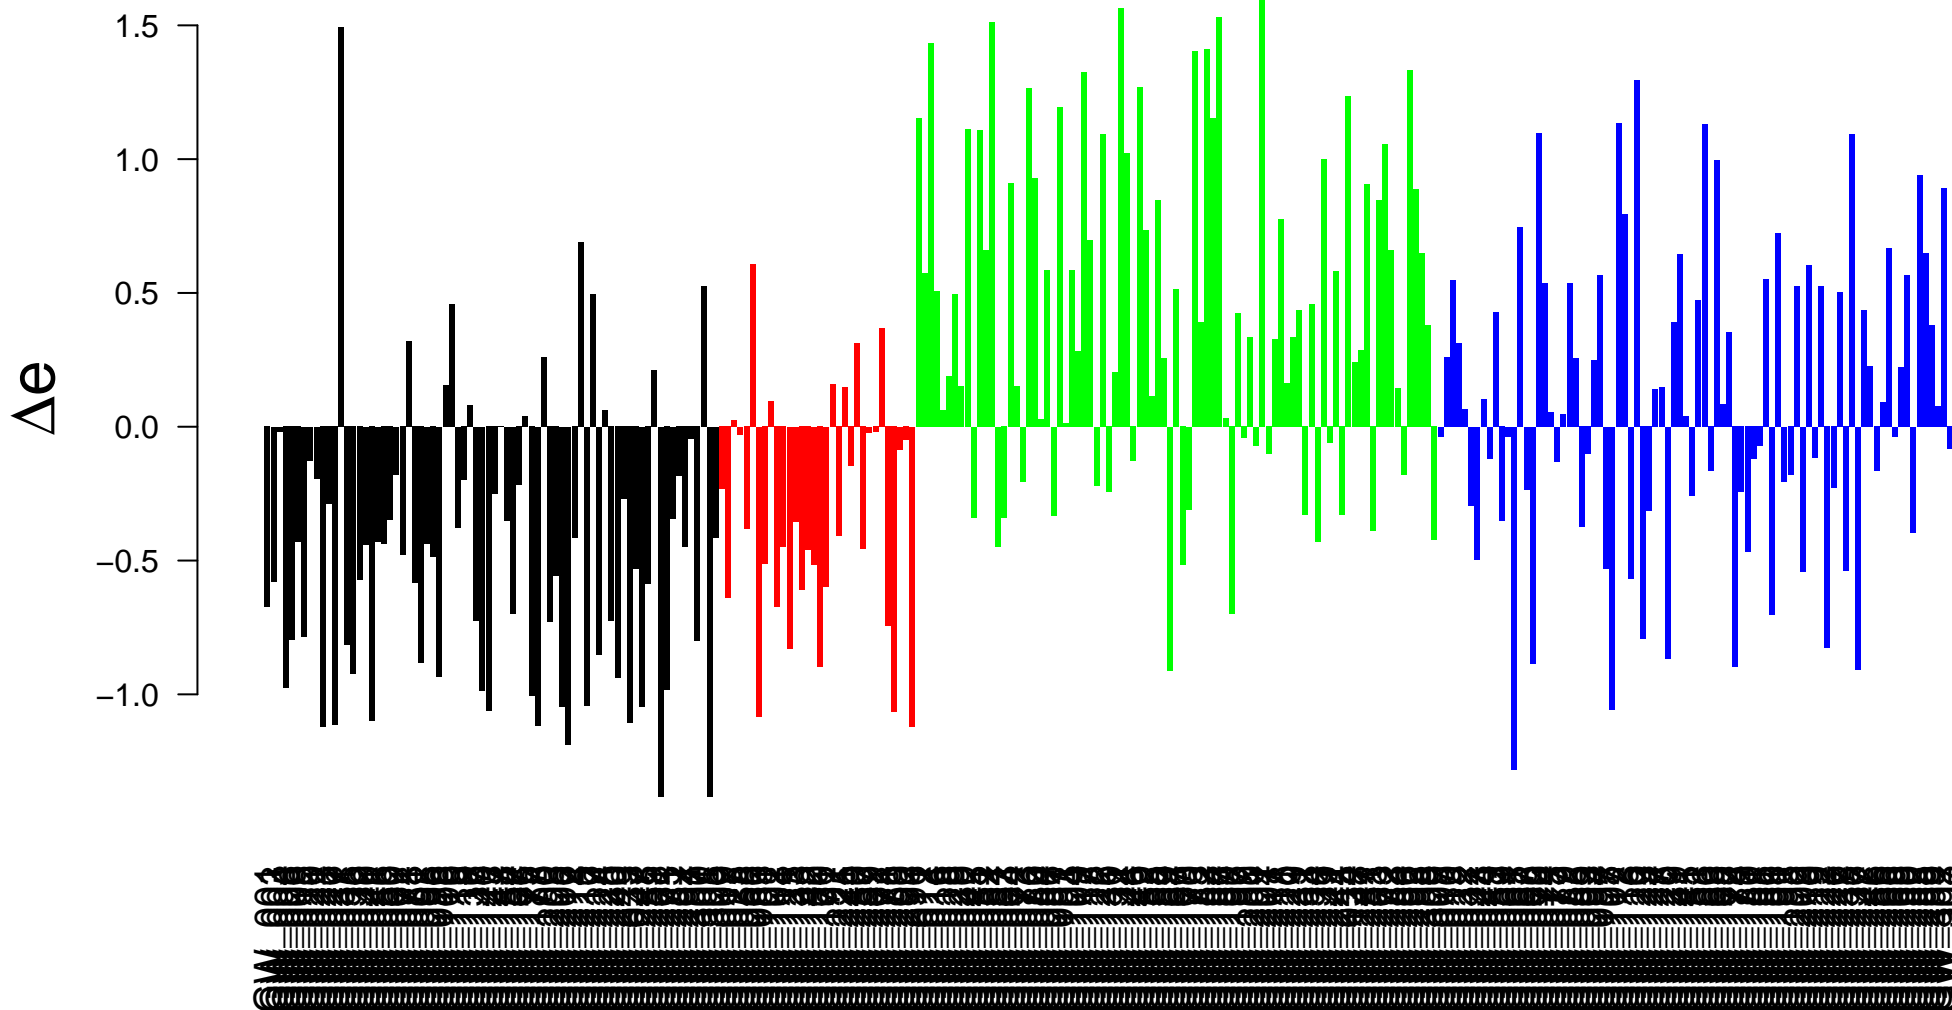

# Expression of retinoic acid binding in Spot K

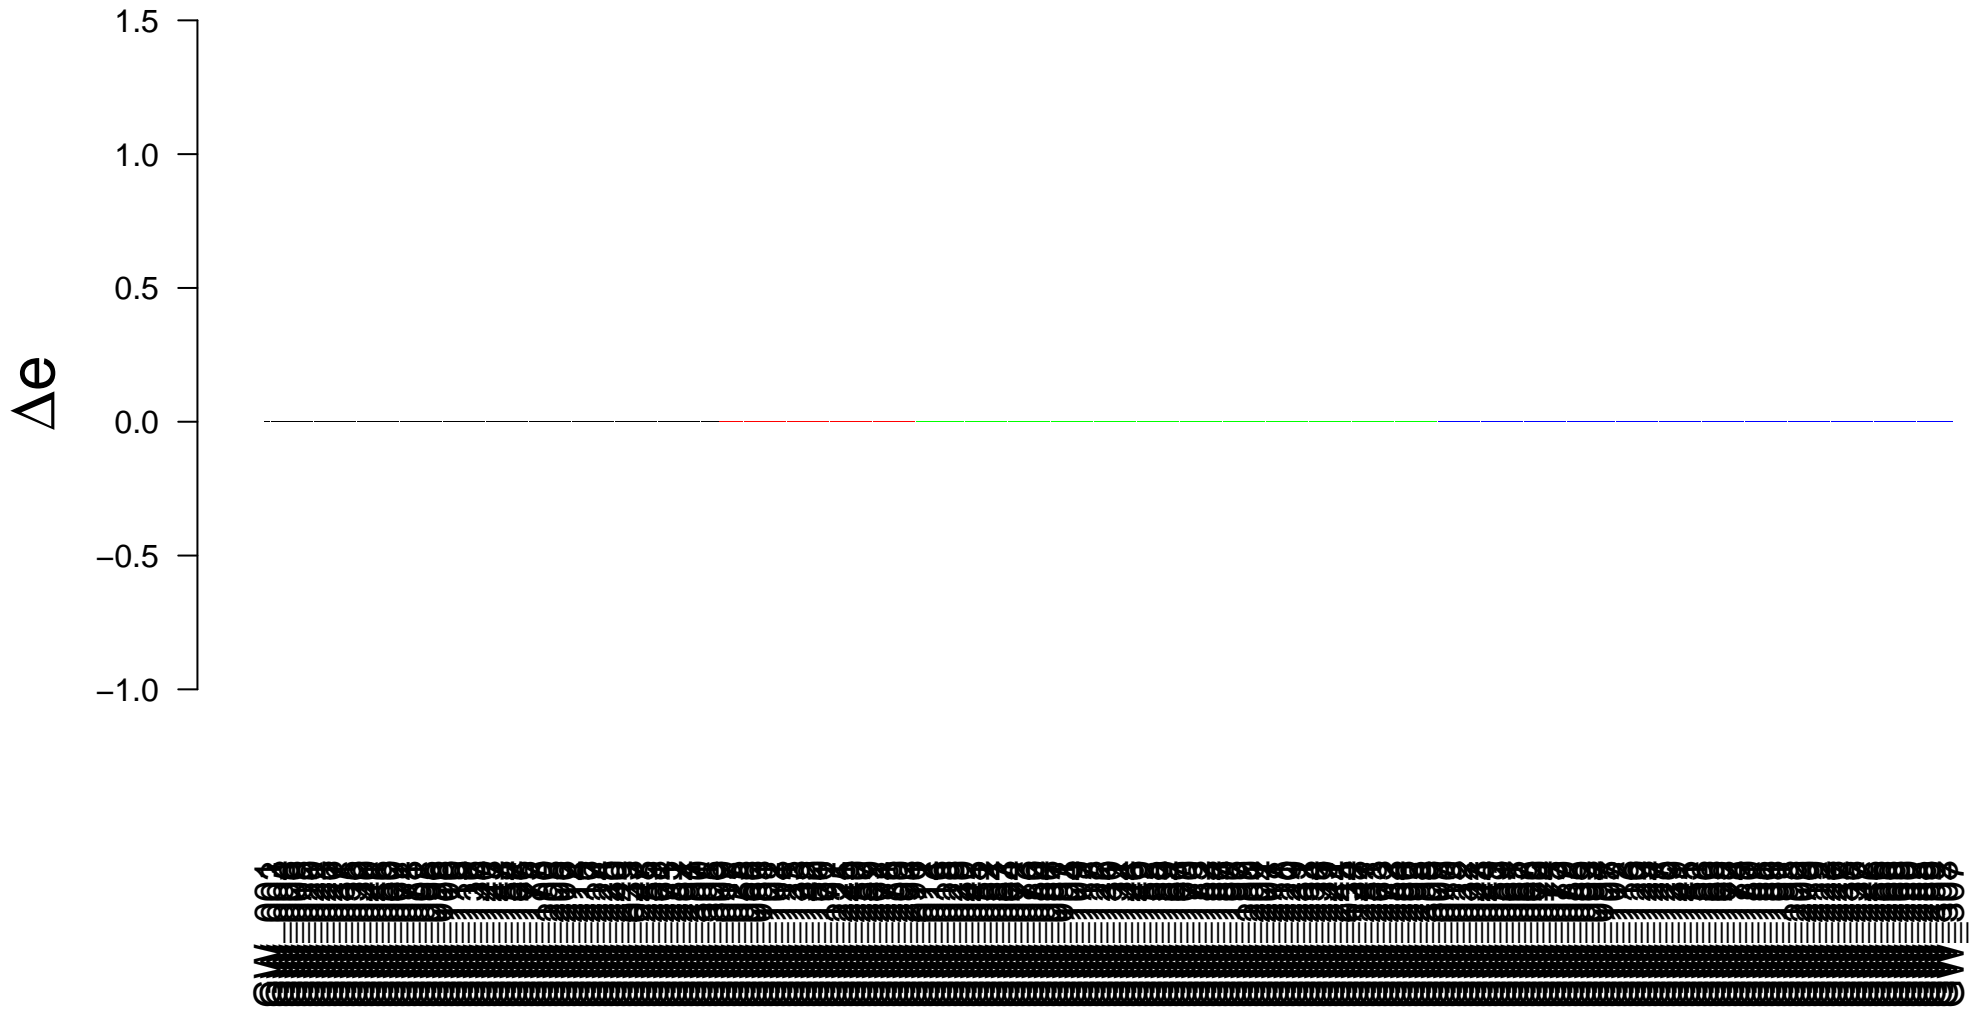

$\Delta e$

# Expression of retinoic acid binding in Spot L

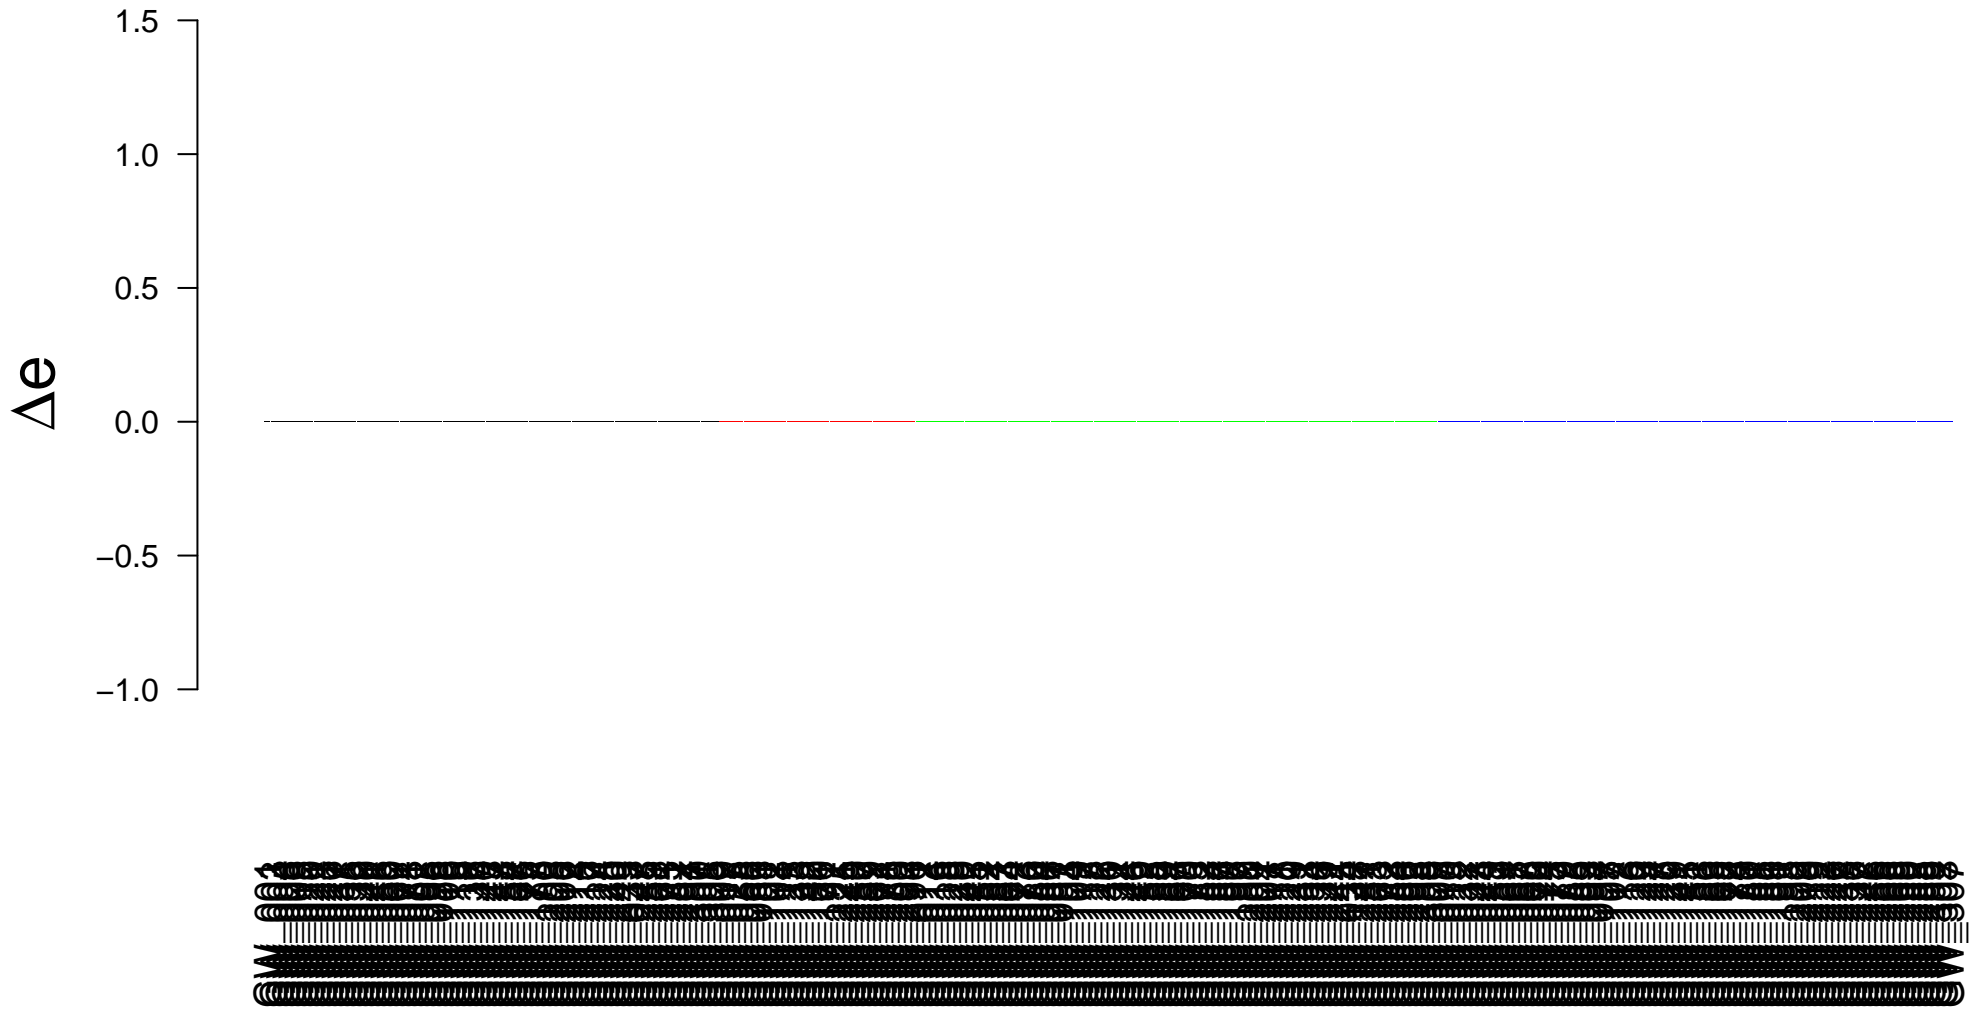

# Expression of retinoic acid binding in Spot M

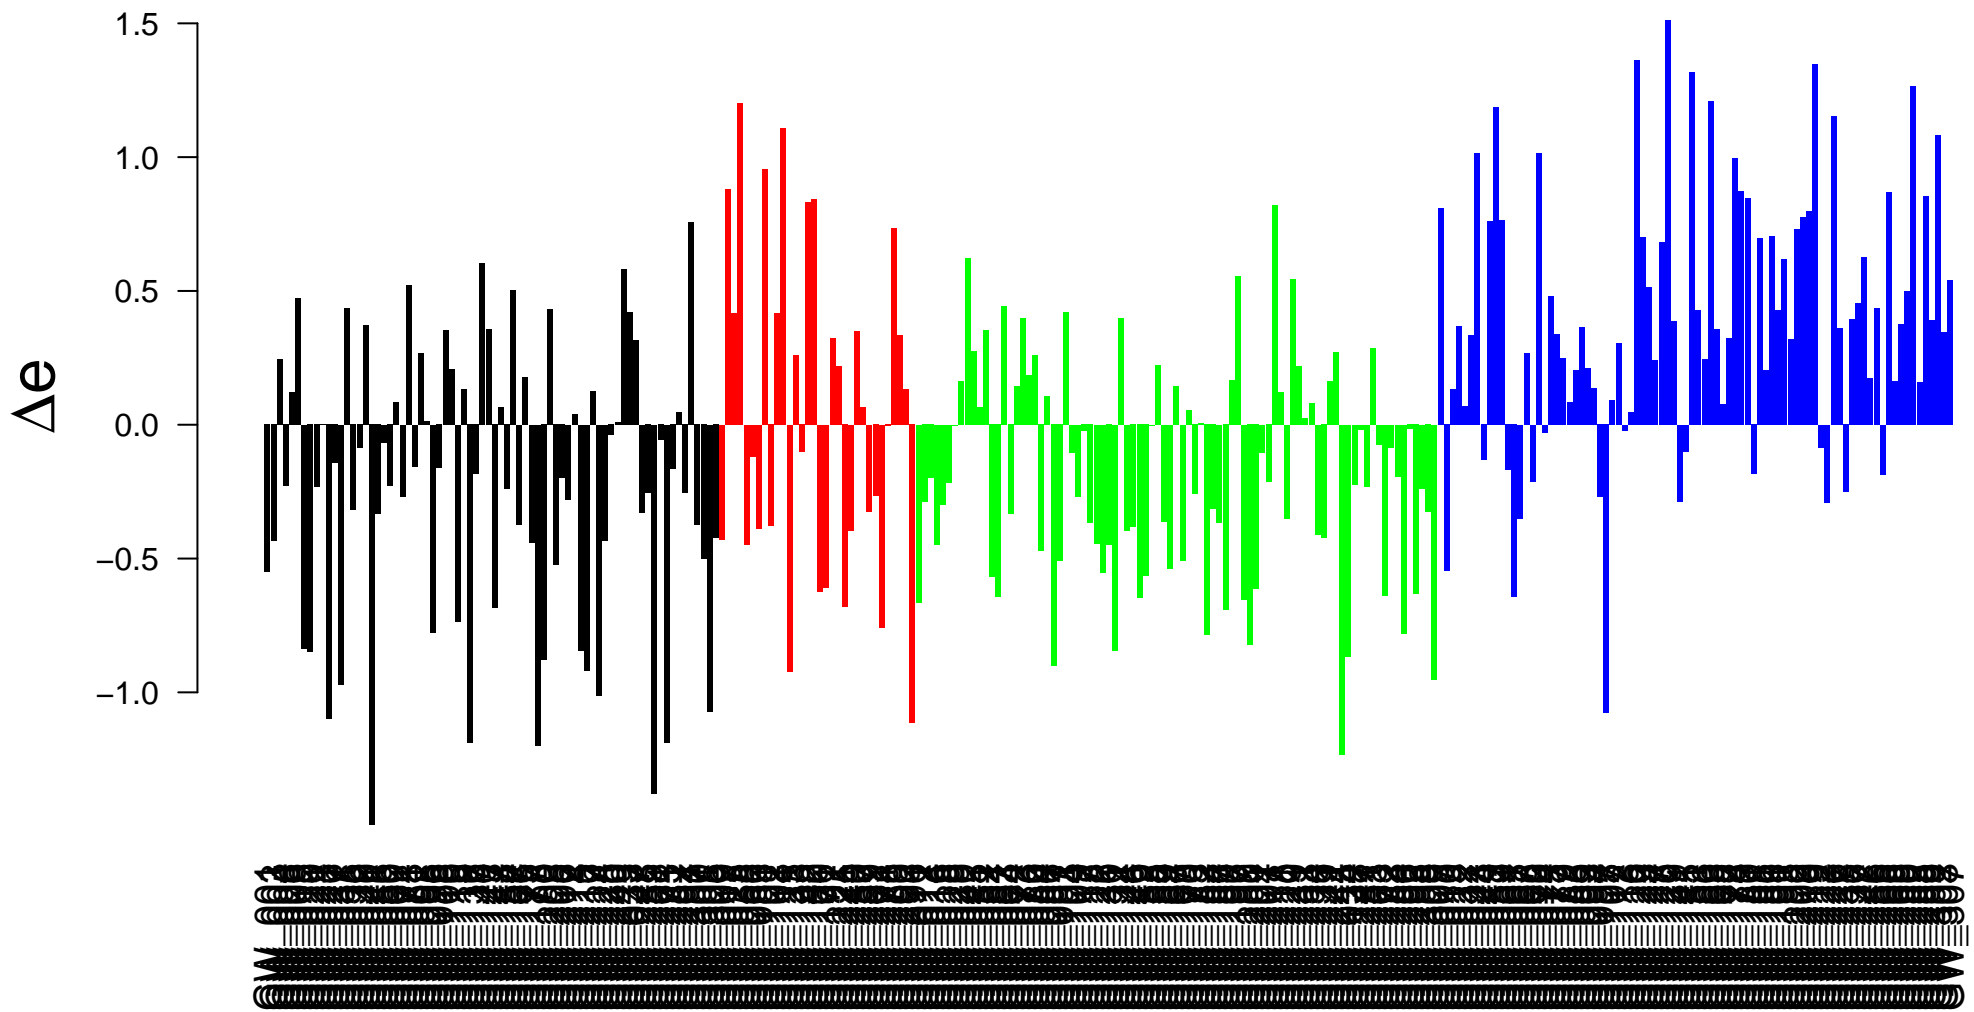

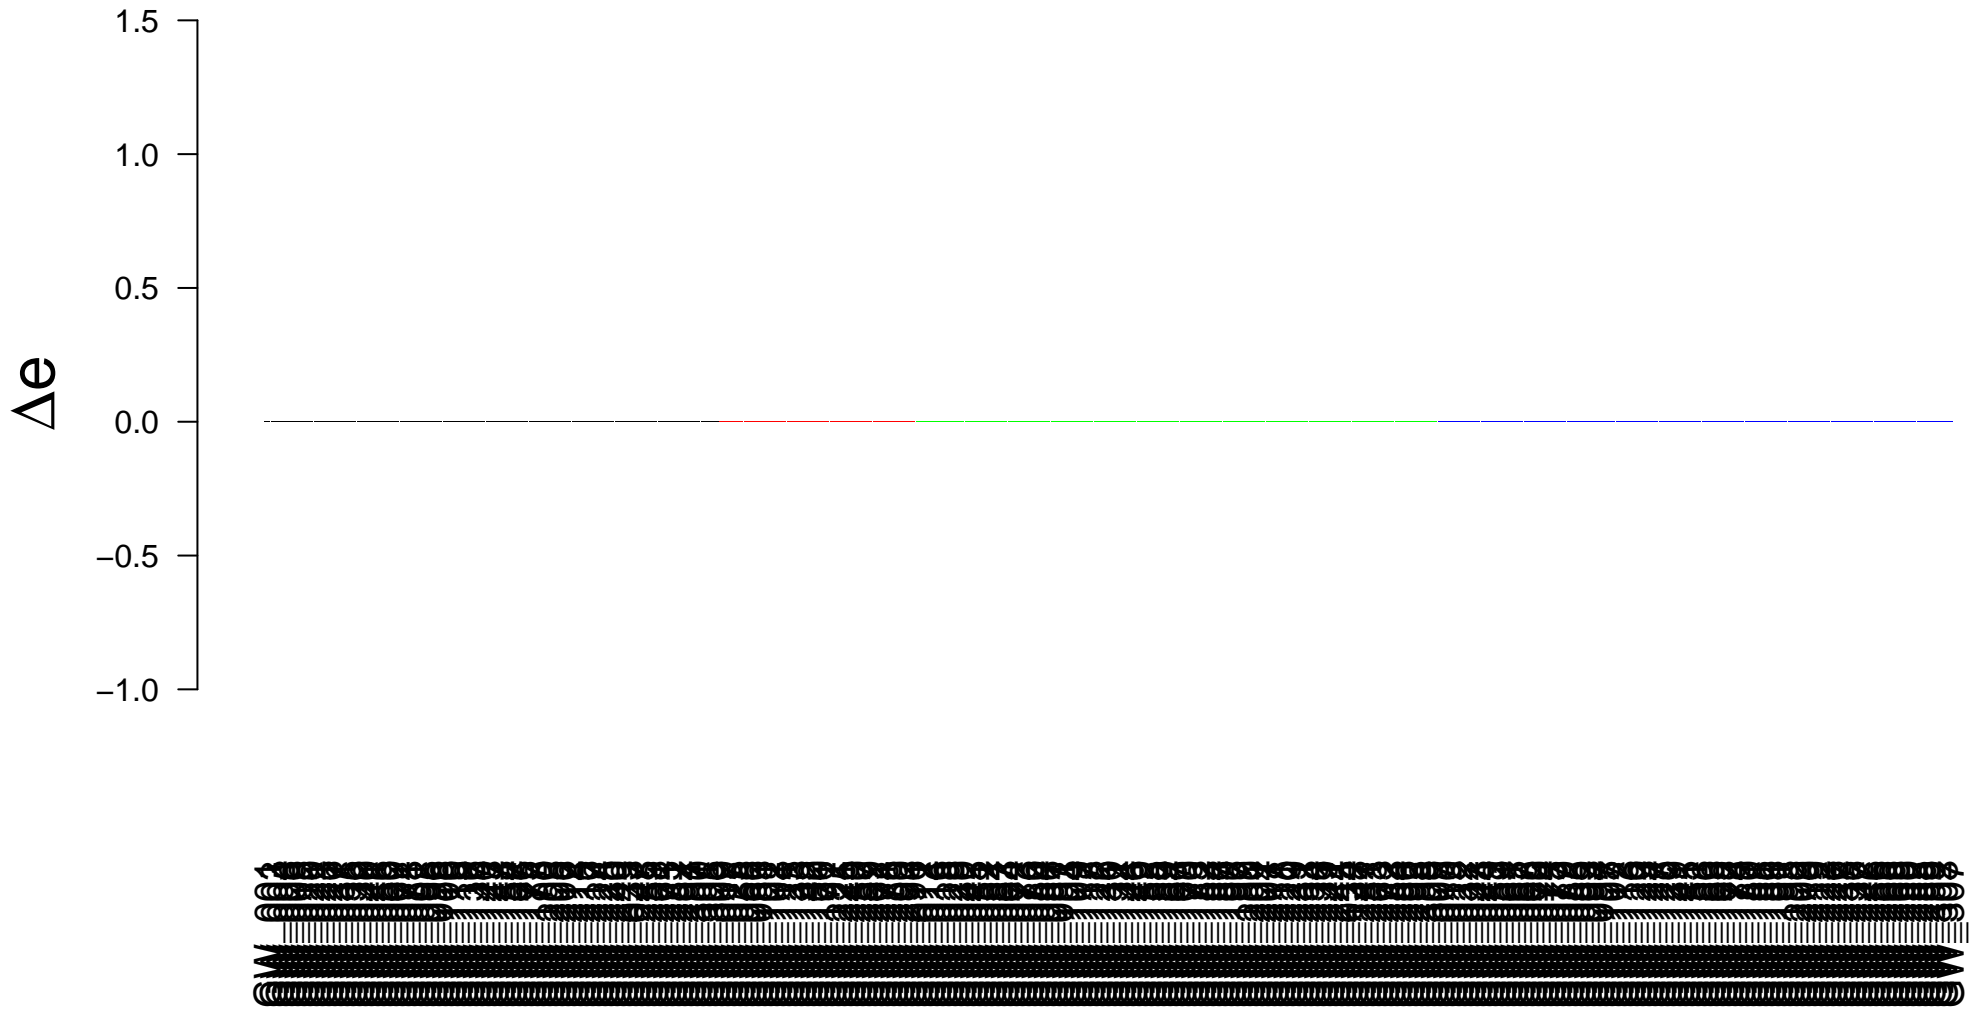

# Expression of retinoic acid binding in Spot N

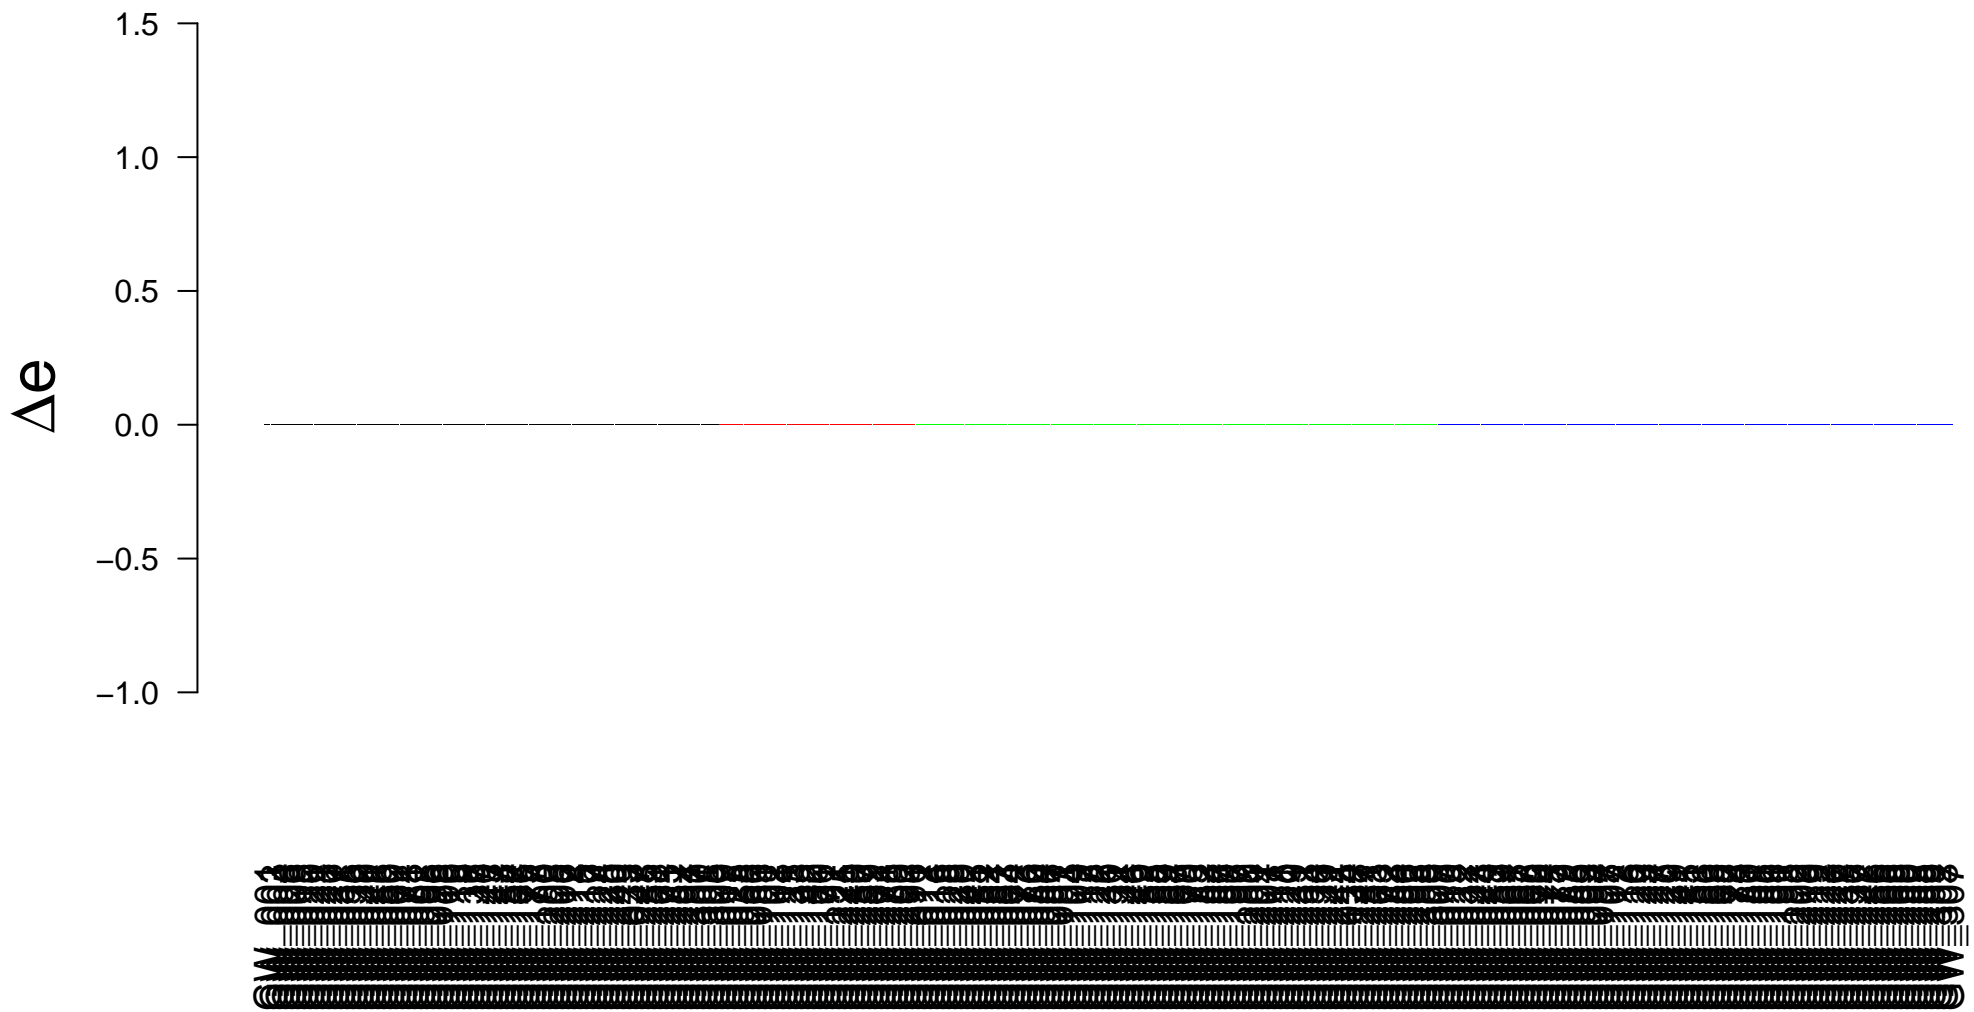

# Expression of retinoic acid binding in Spot O

# Expression of retinoic acid binding in Spot P

# Expression of retinoic acid binding in Spot Q

# Expression of retinoic acid binding in Spot R
