

ribonucleoprotein complex binding

ribonucleoprotein complex binding

Enrichment in spots: ribonucleoprotein complex binding

Expression of ribonucleoprotein complex binding in Spot A

Expression of ribonucleoprotein complex binding in Spot B

Expression of ribonucleoprotein complex binding in Spot C

Δe

Expression of ribonucleoprotein complex binding in Spot D

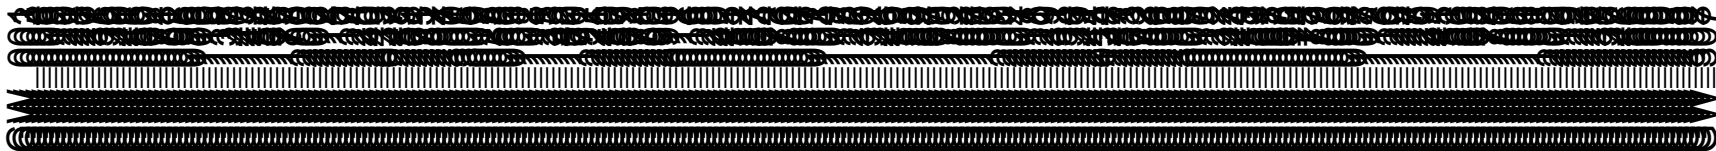

Expression of ribonucleoprotein complex binding in Spot E

Expression of ribonucleoprotein complex binding in Spot F

Δe

Expression of ribonucleoprotein complex binding in Spot G

Expression of ribonucleoprotein complex binding in Spot H

Expression of ribonucleoprotein complex binding in Spot I

Expression of ribonucleoprotein complex binding in Spot J

Expression of ribonucleoprotein complex binding in Spot K
