

scaffold protein binding

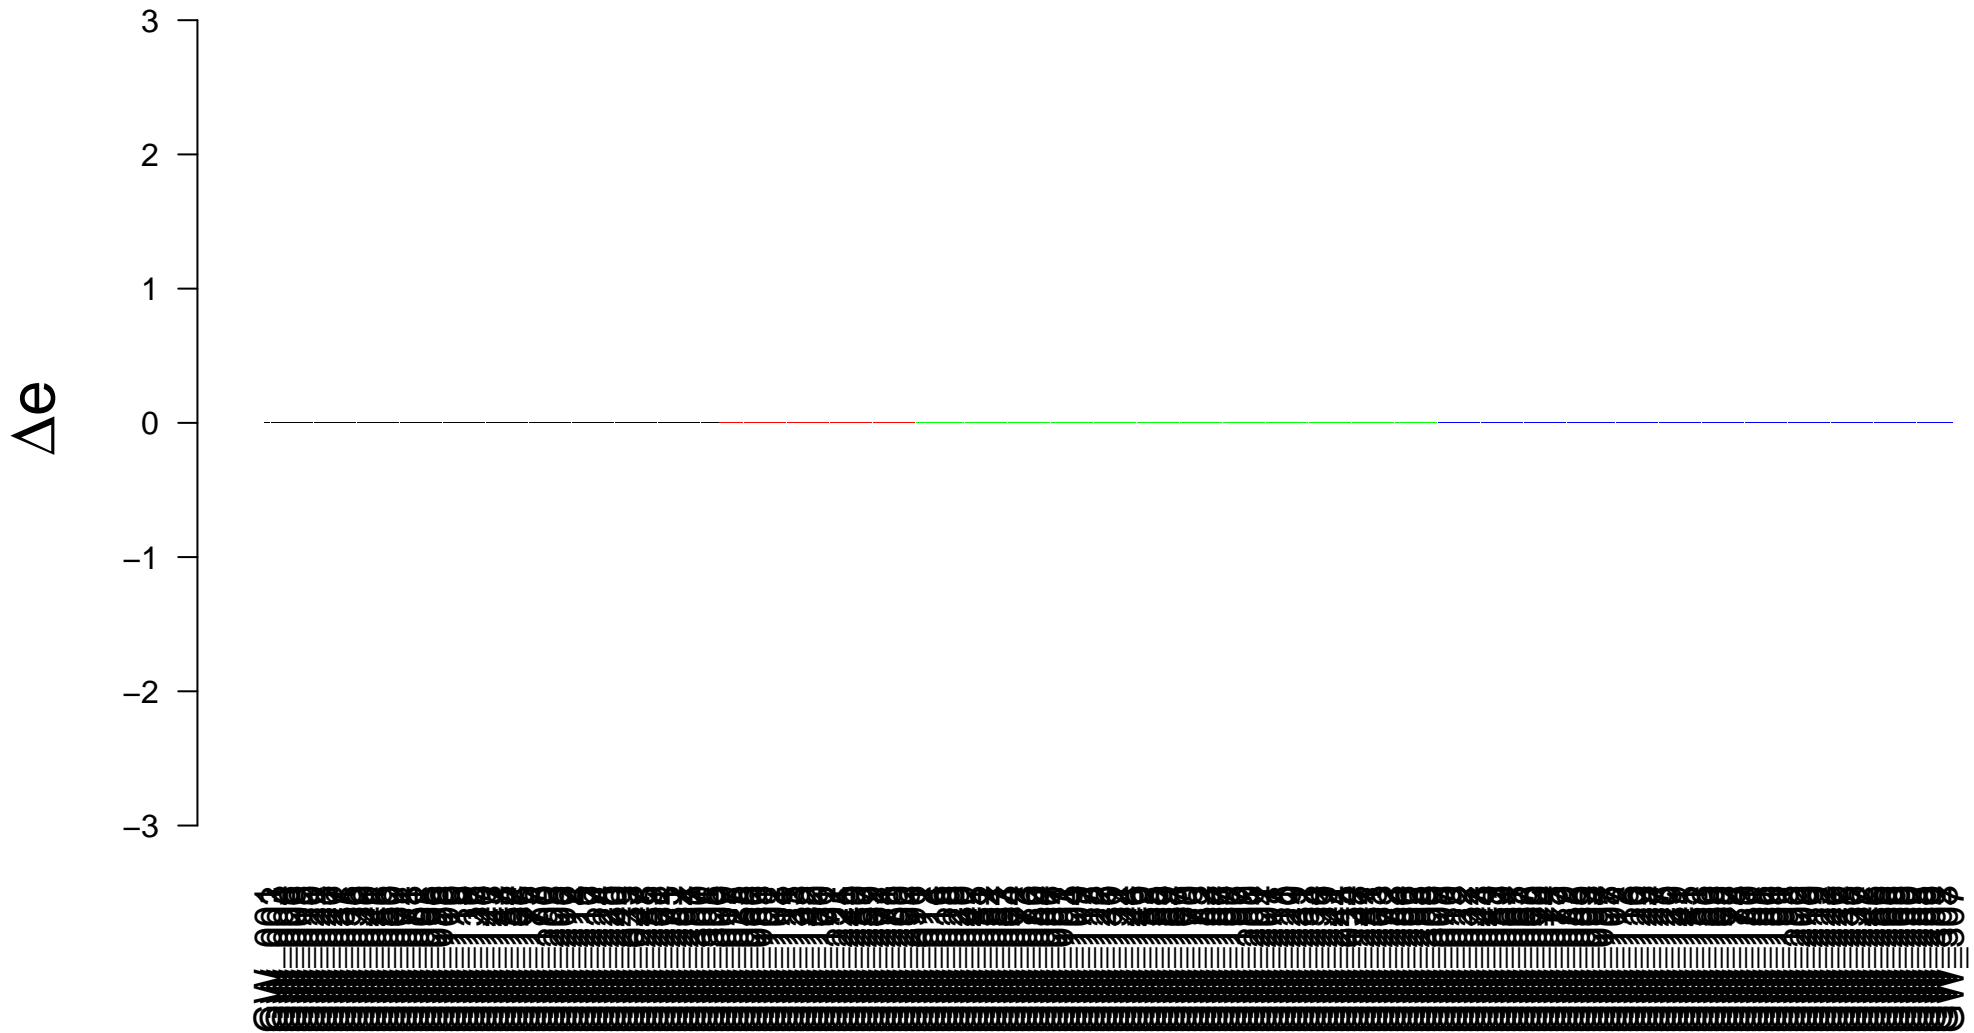

scaffold protein binding

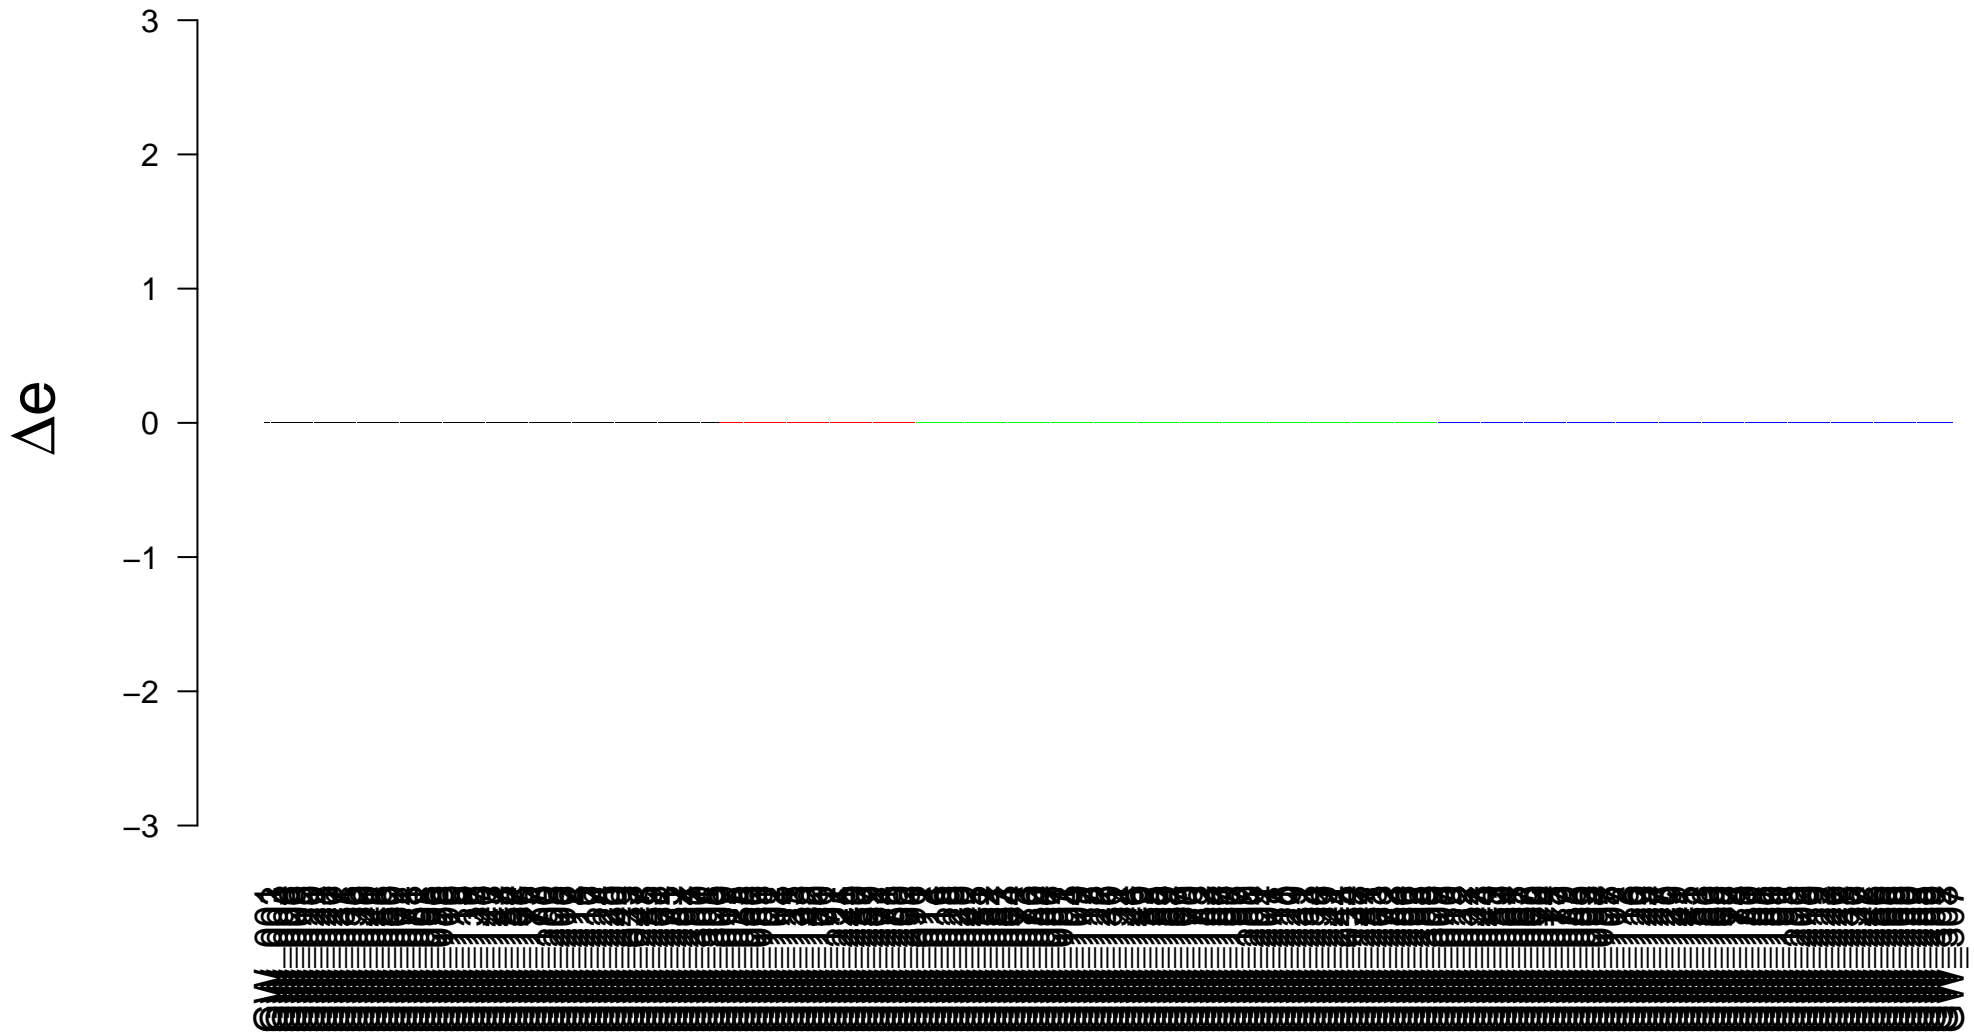

Enrichment in spots: scaffold protein binding

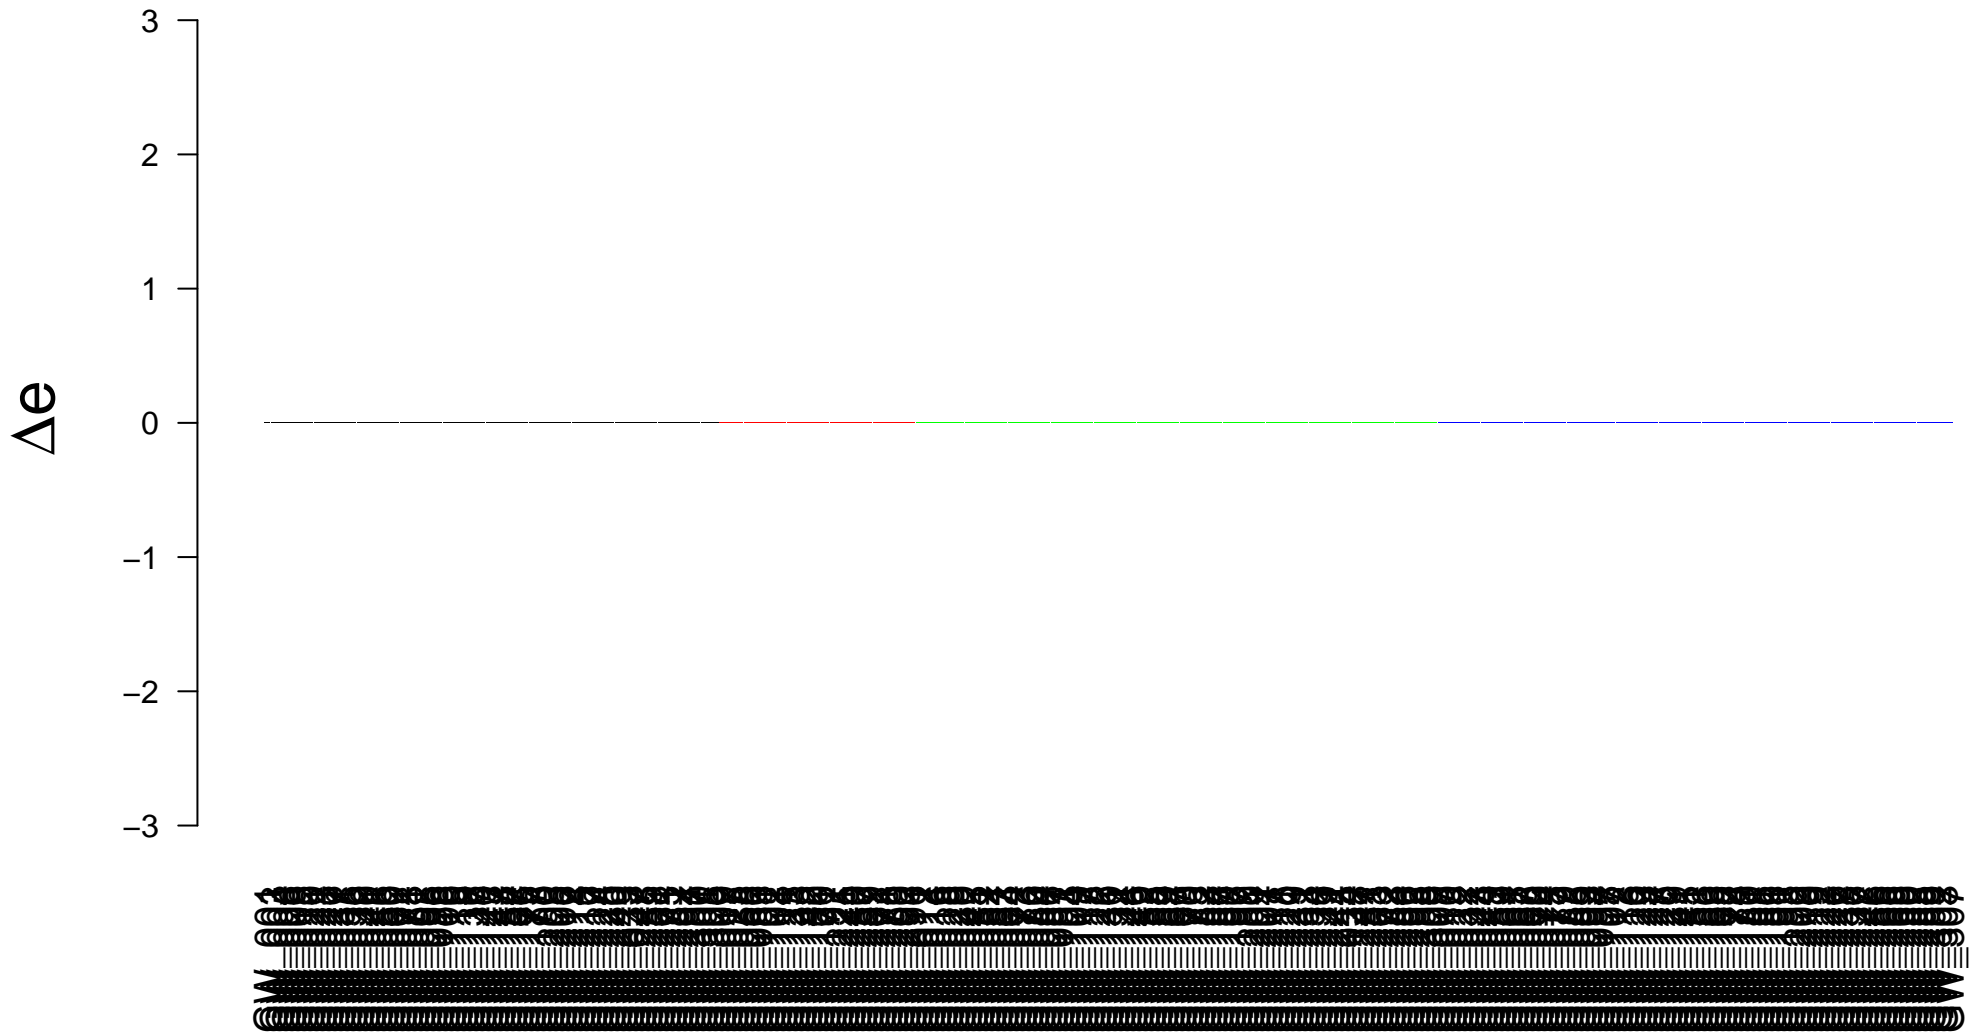

Expression of scaffold protein binding in Spot A

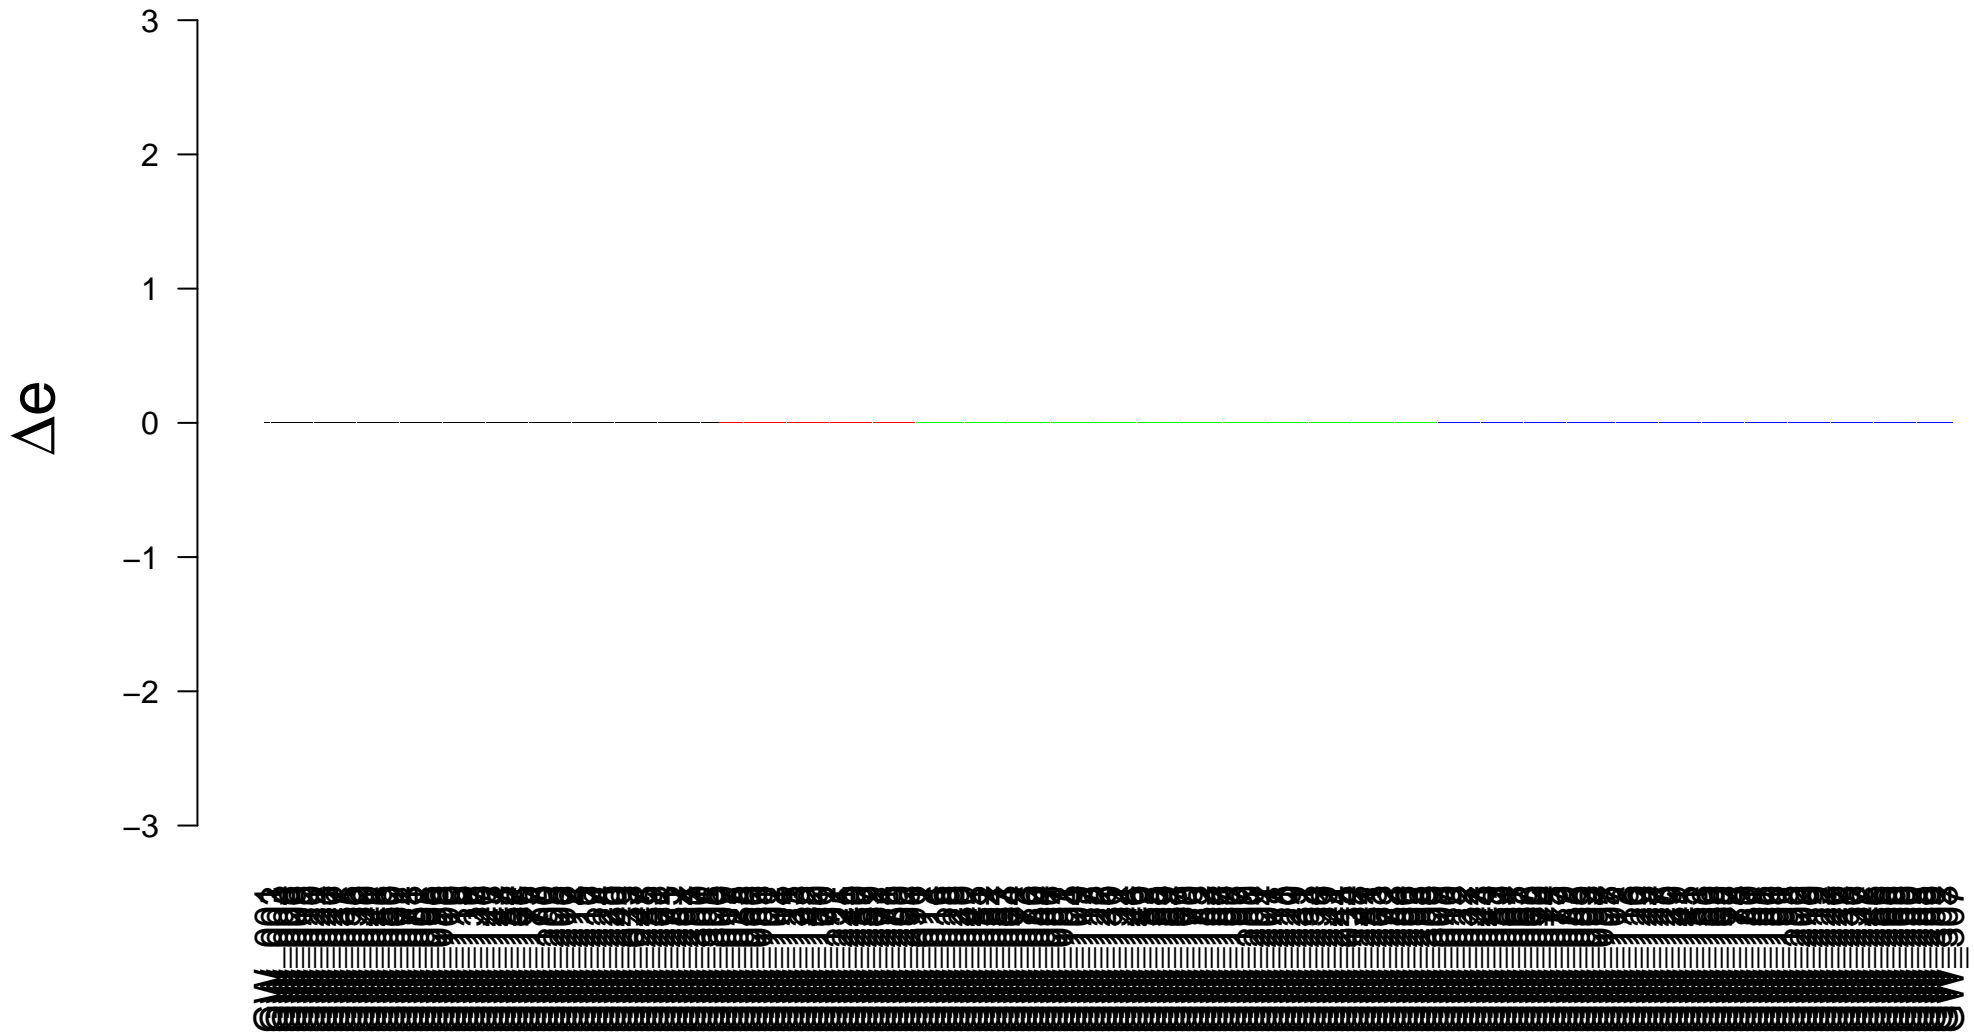

Expression of scaffold protein binding in Spot B

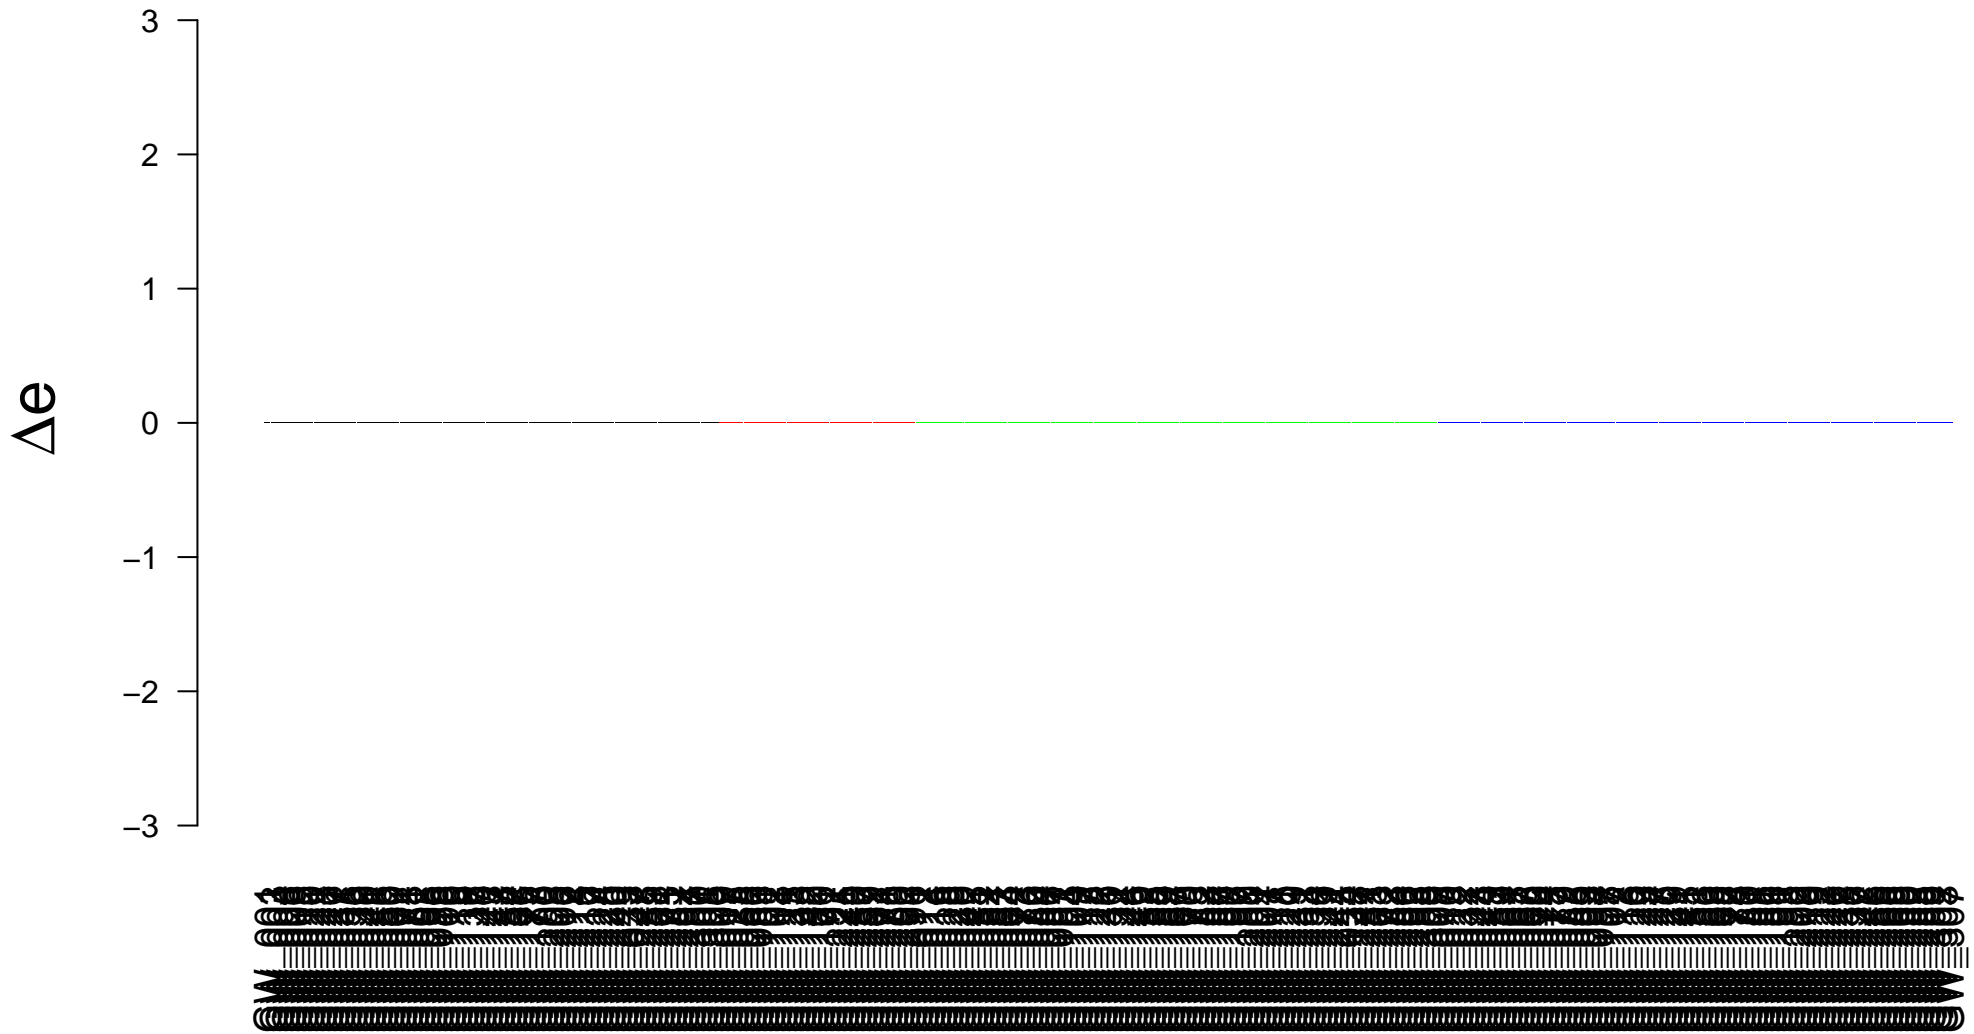

Expression of scaffold protein binding in Spot C

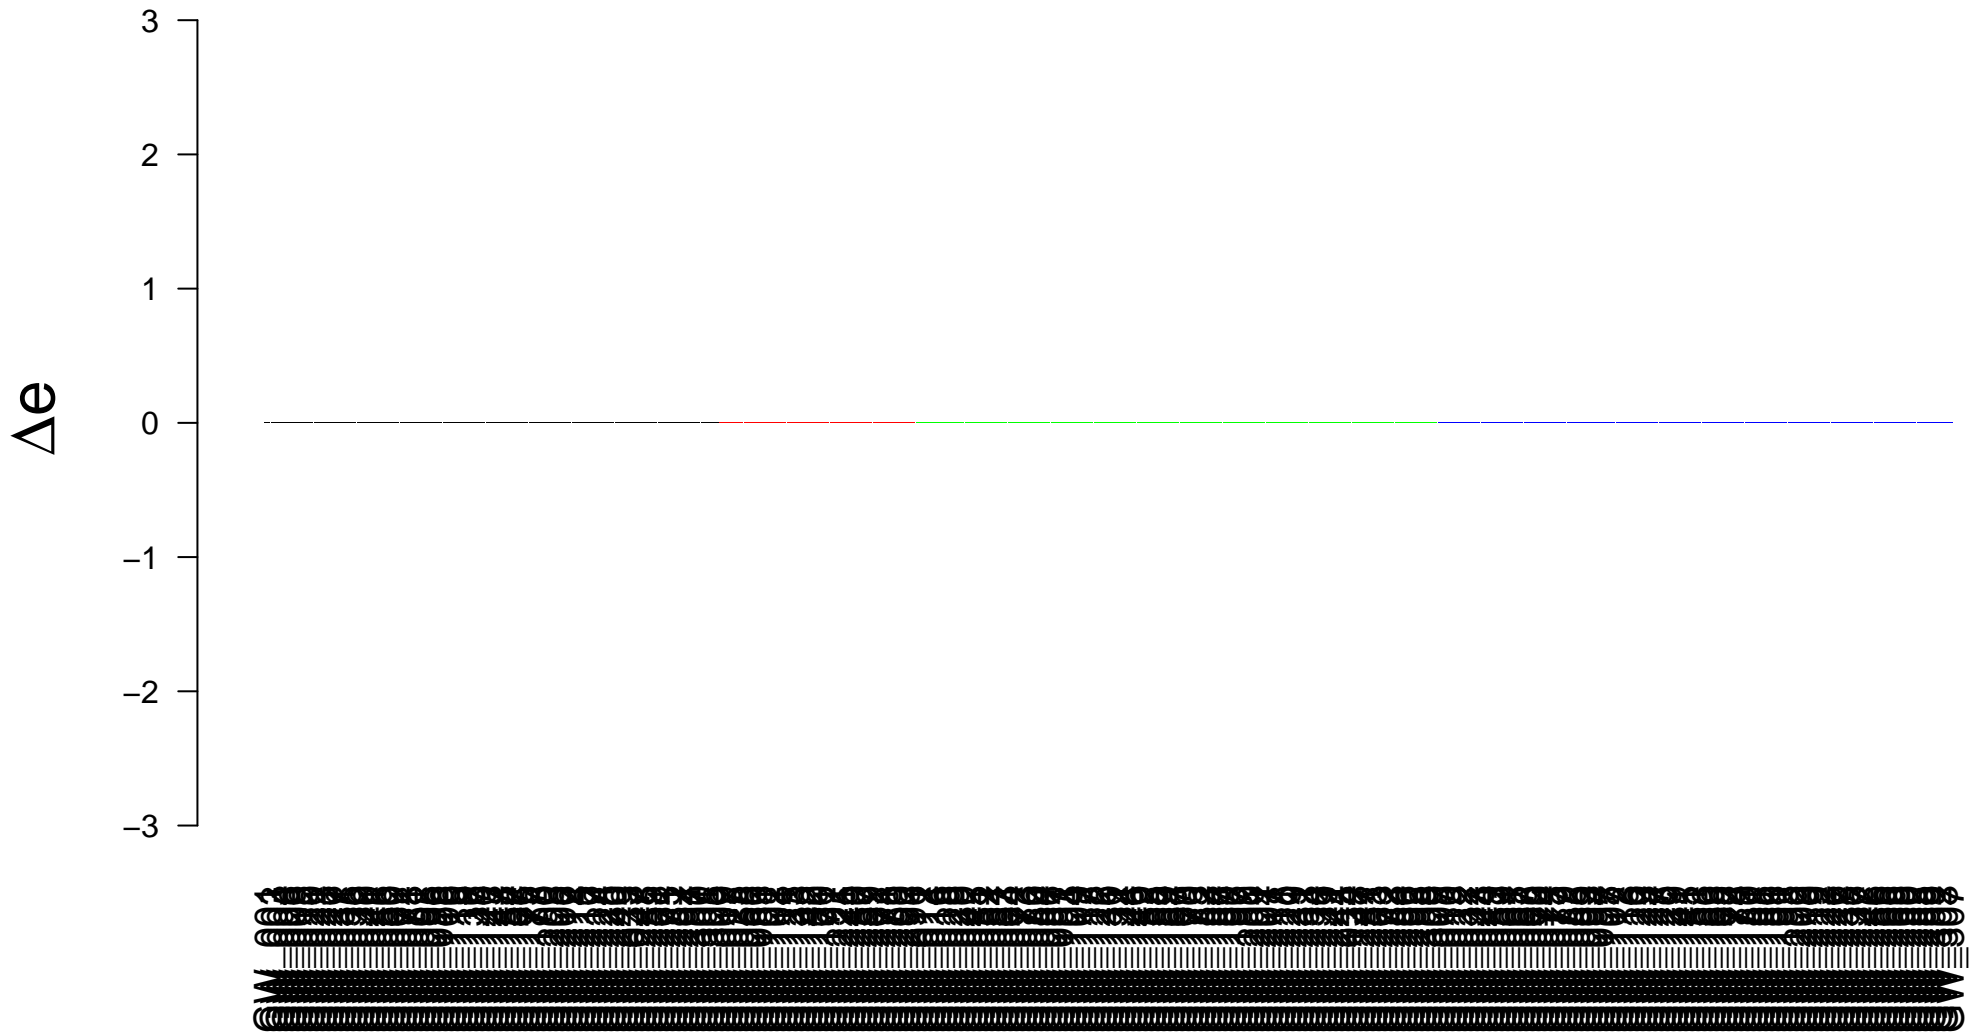

Expression of scaffold protein binding in Spot D

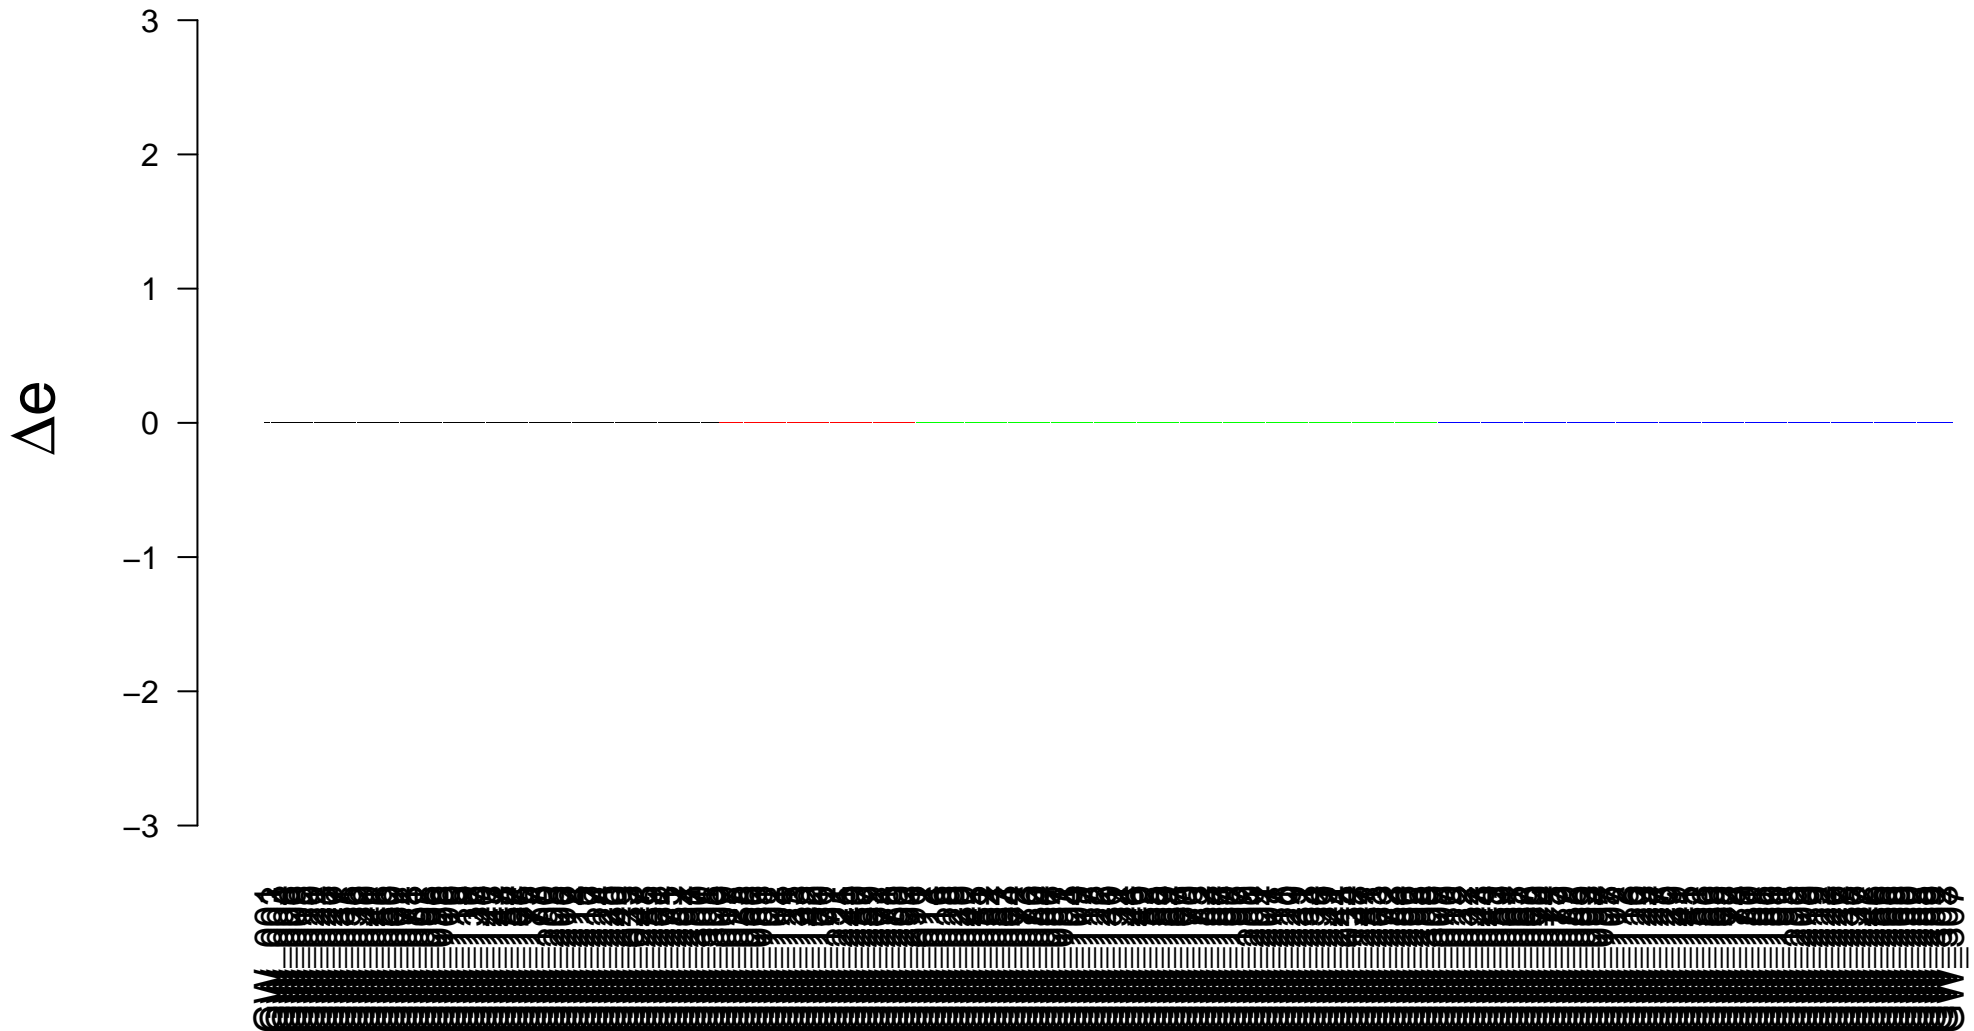

Expression of scaffold protein binding in Spot E

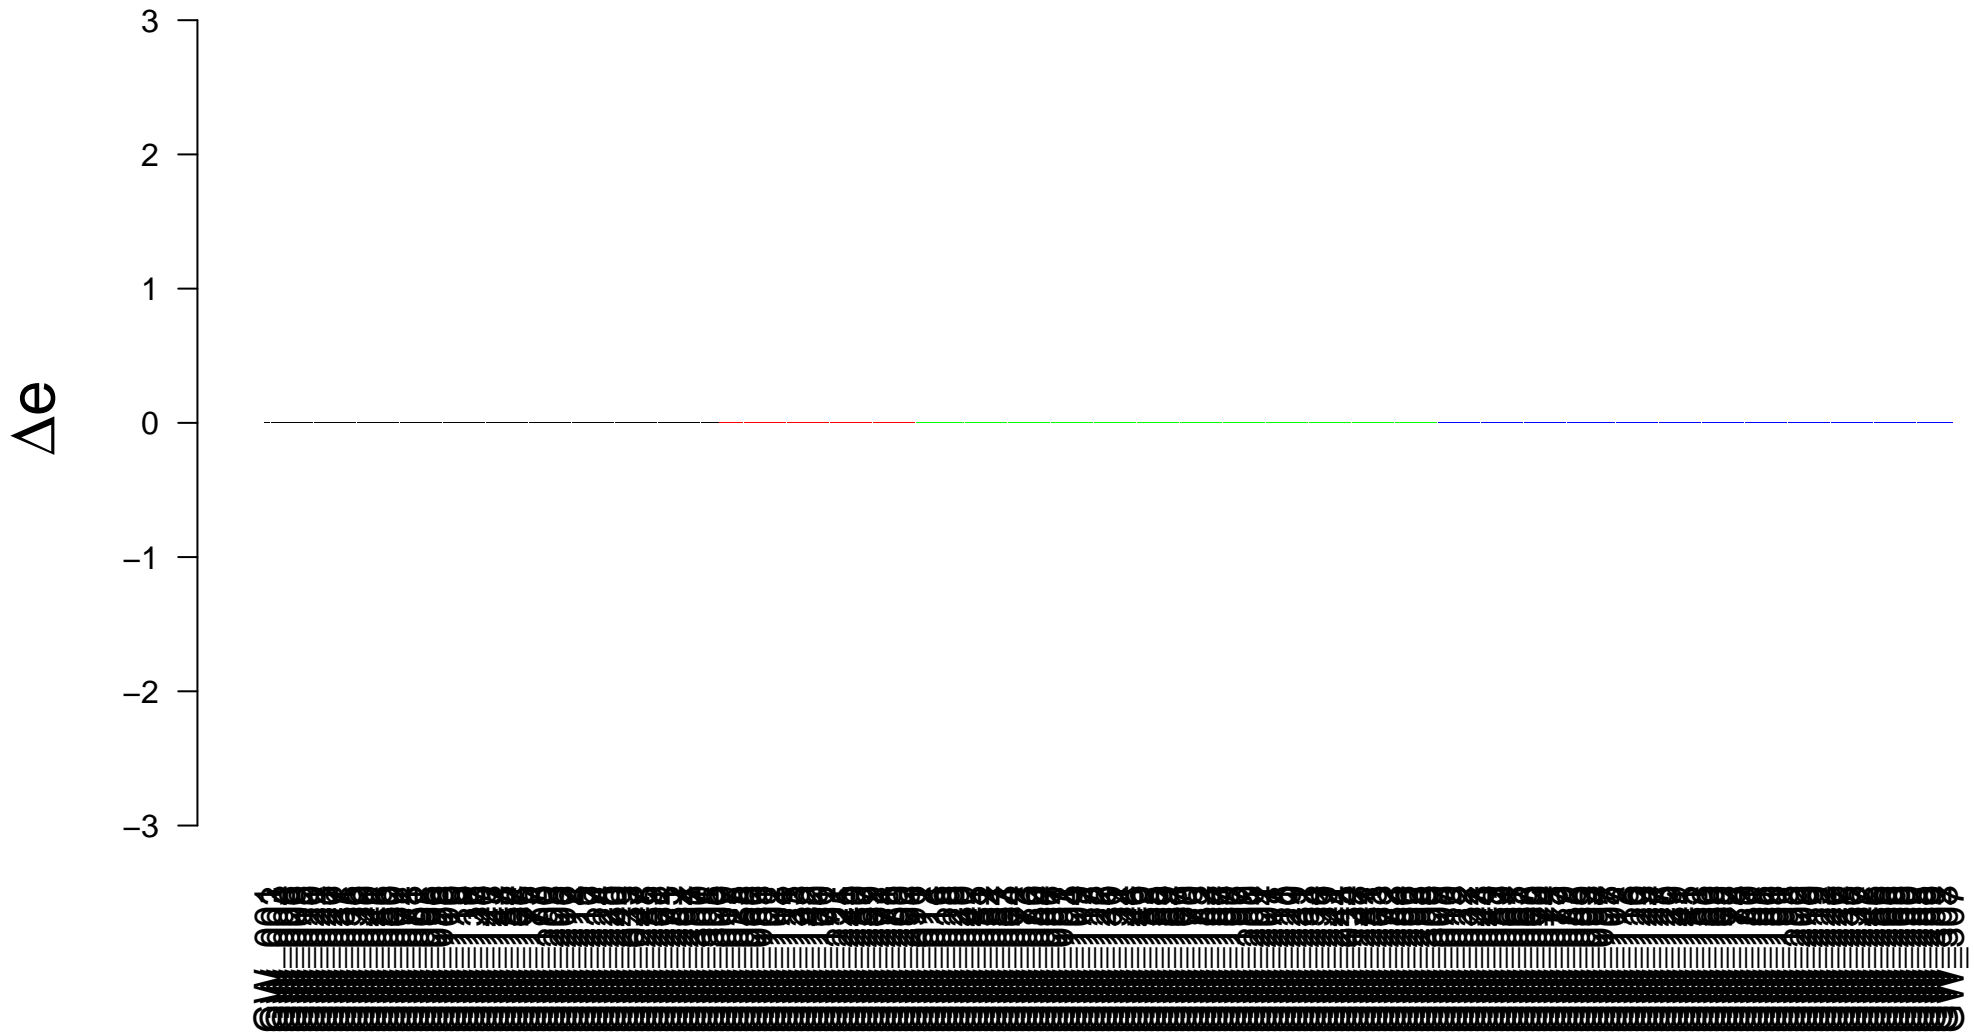

Expression of scaffold protein binding in Spot F

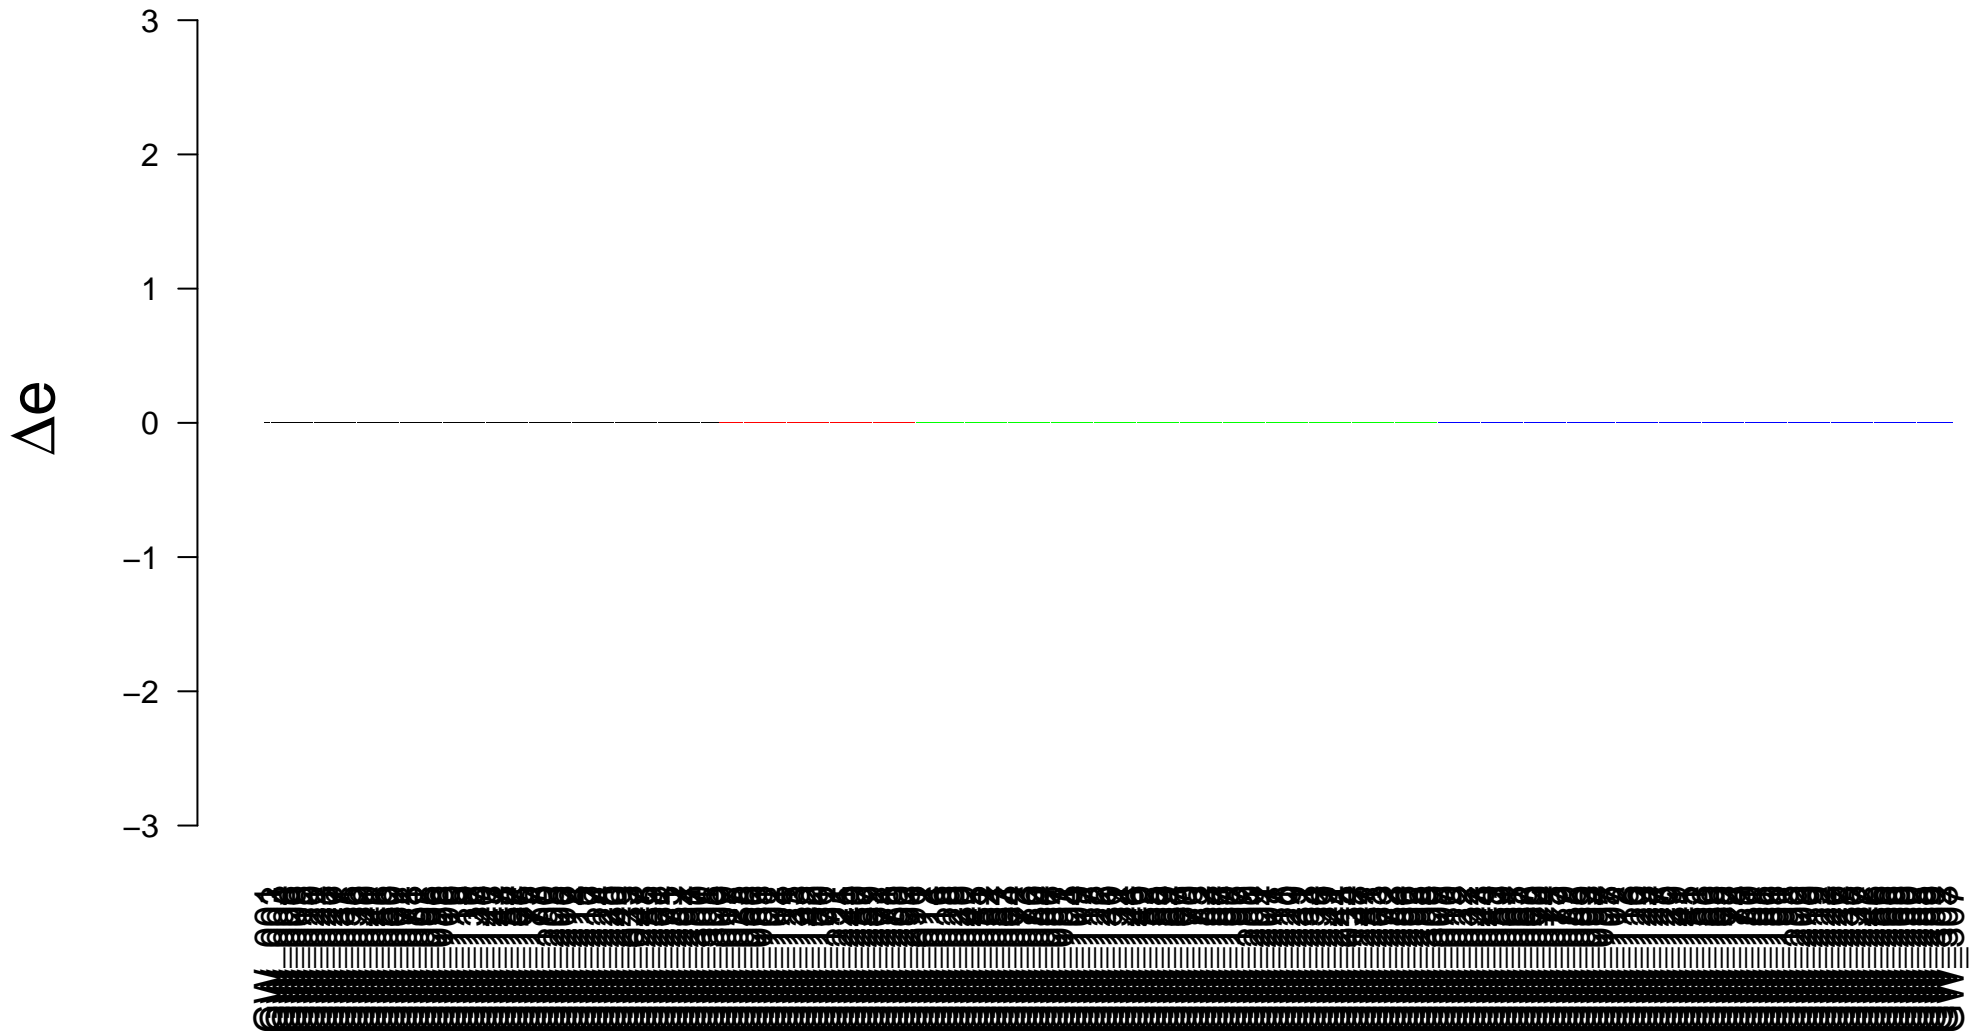

Expression of scaffold protein binding in Spot G

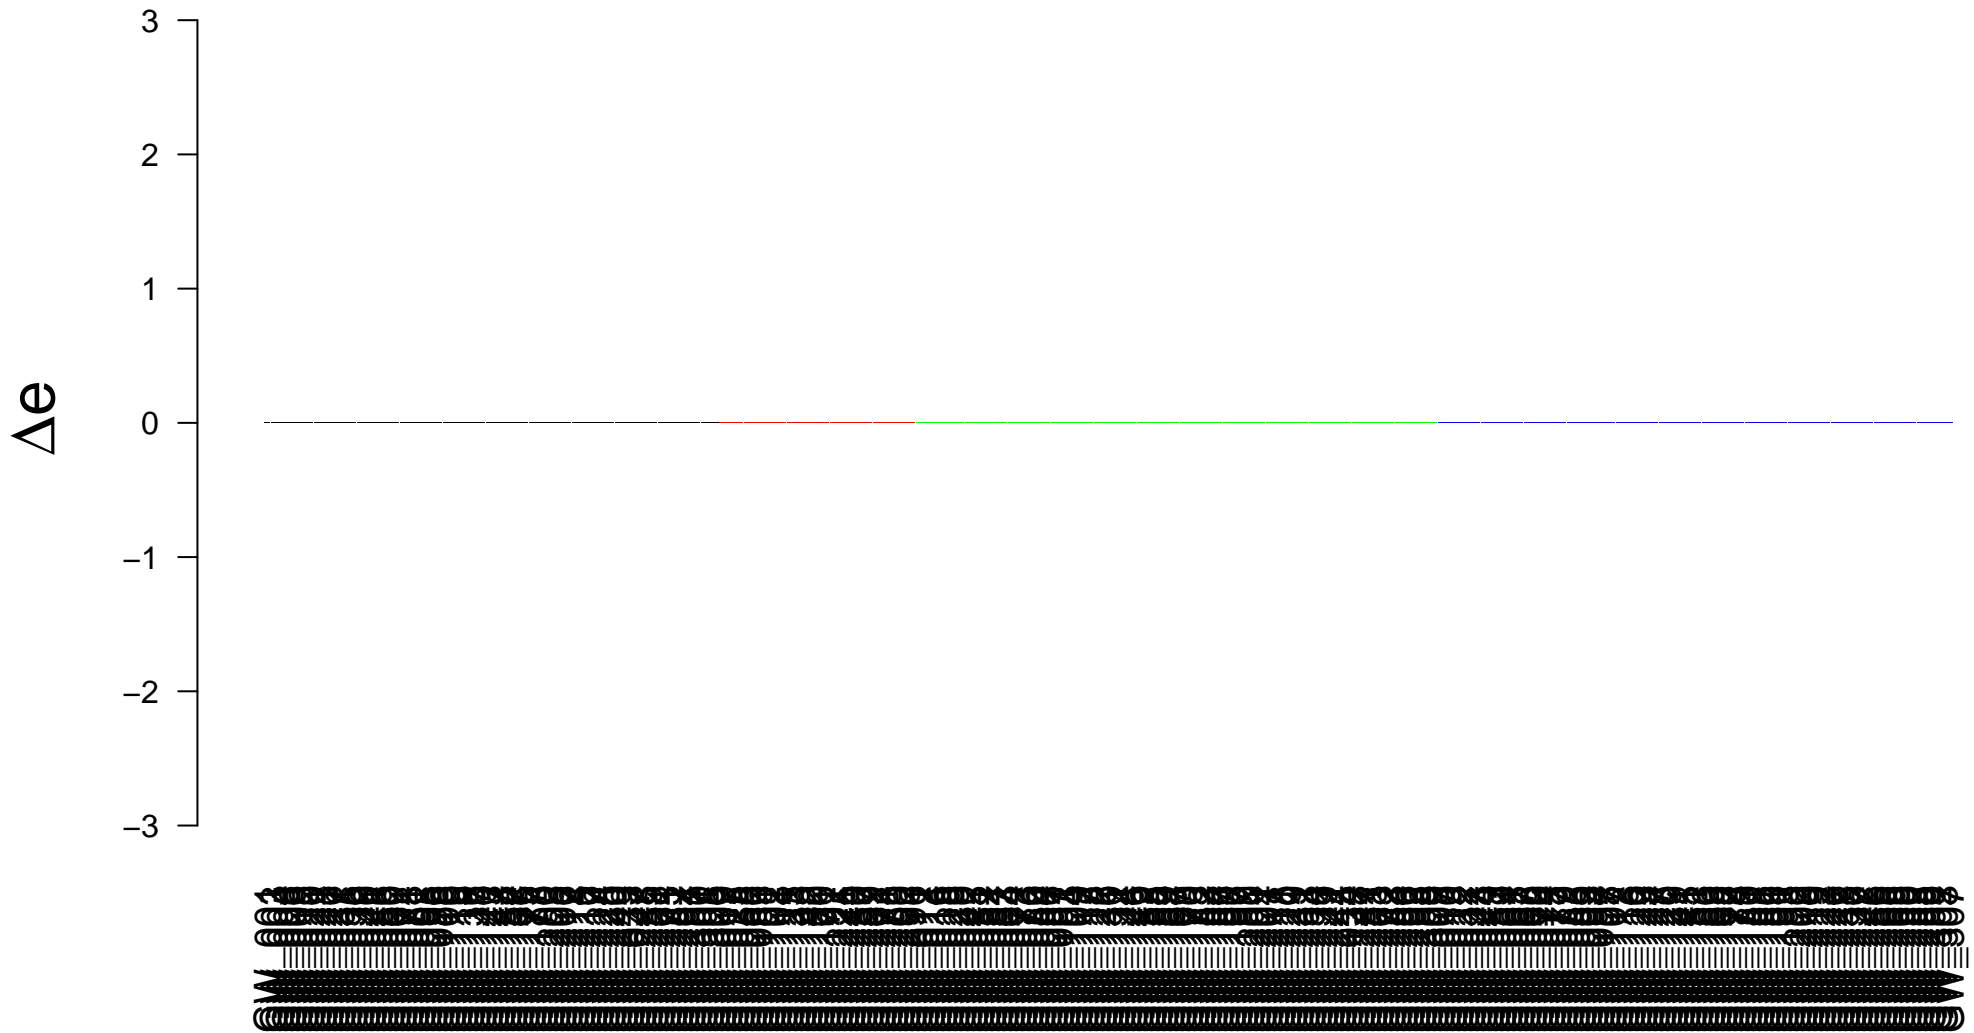

Expression of scaffold protein binding in Spot H

Expression of scaffold protein binding in Spot I

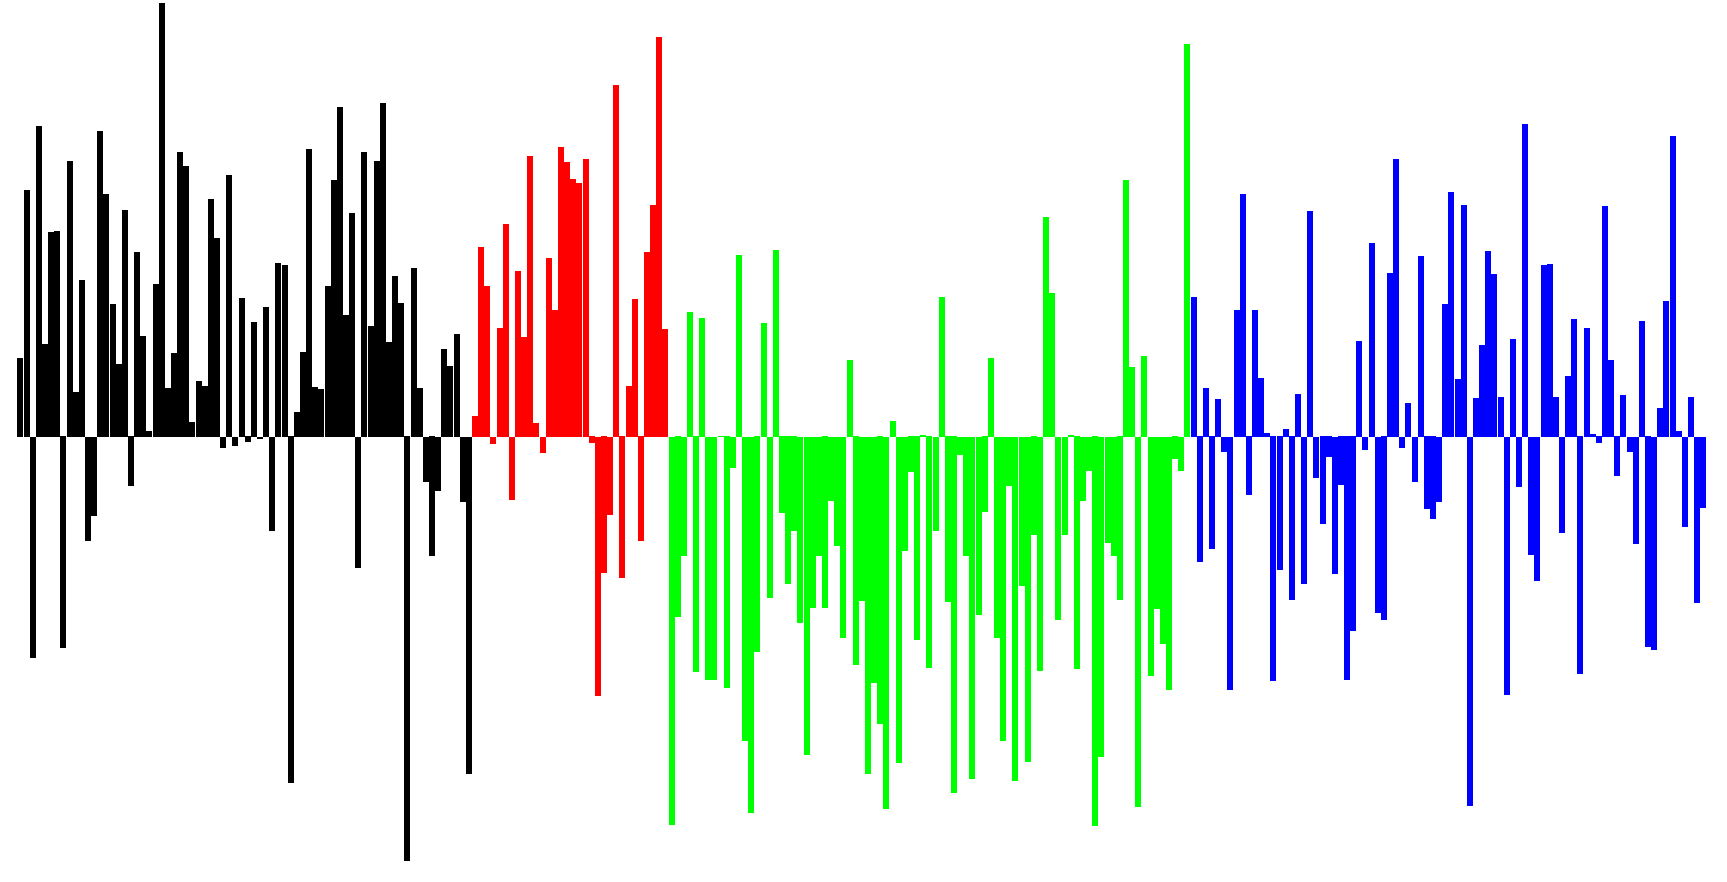

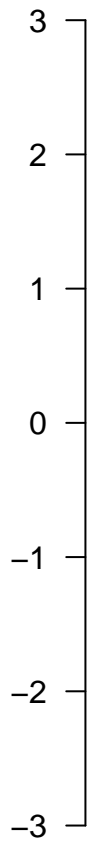

Expression of scaffold protein binding in Spot J

Expression of scaffold protein binding in Spot K

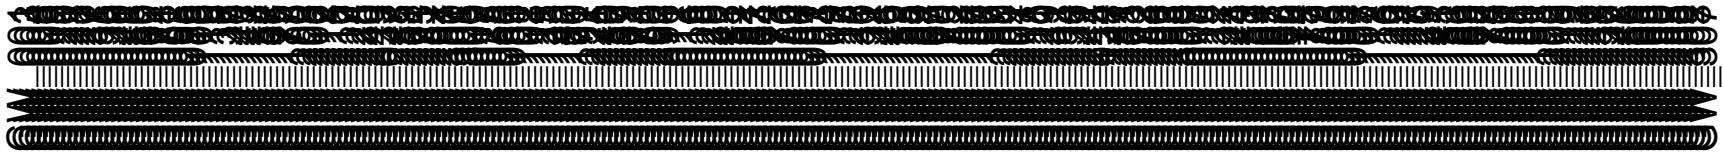

Δe

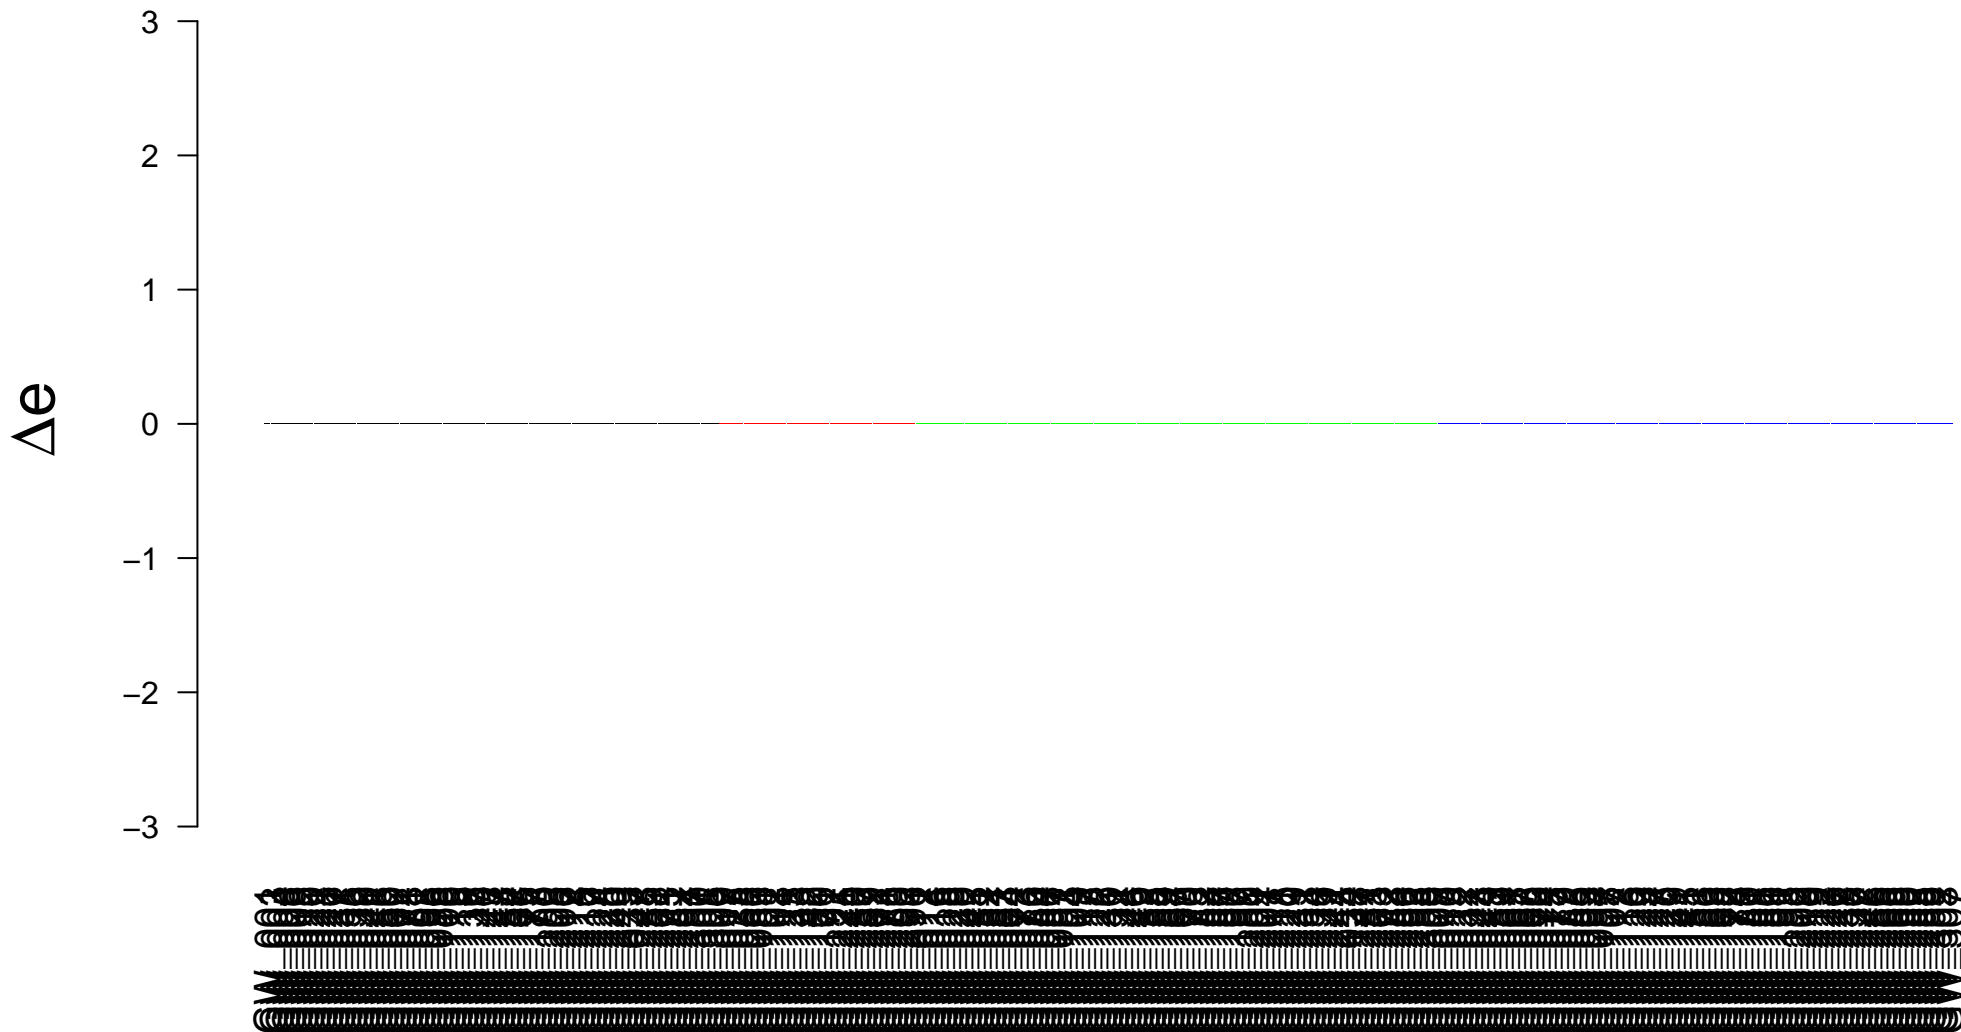

Expression of scaffold protein binding in Spot L
