

scavenger receptor activity

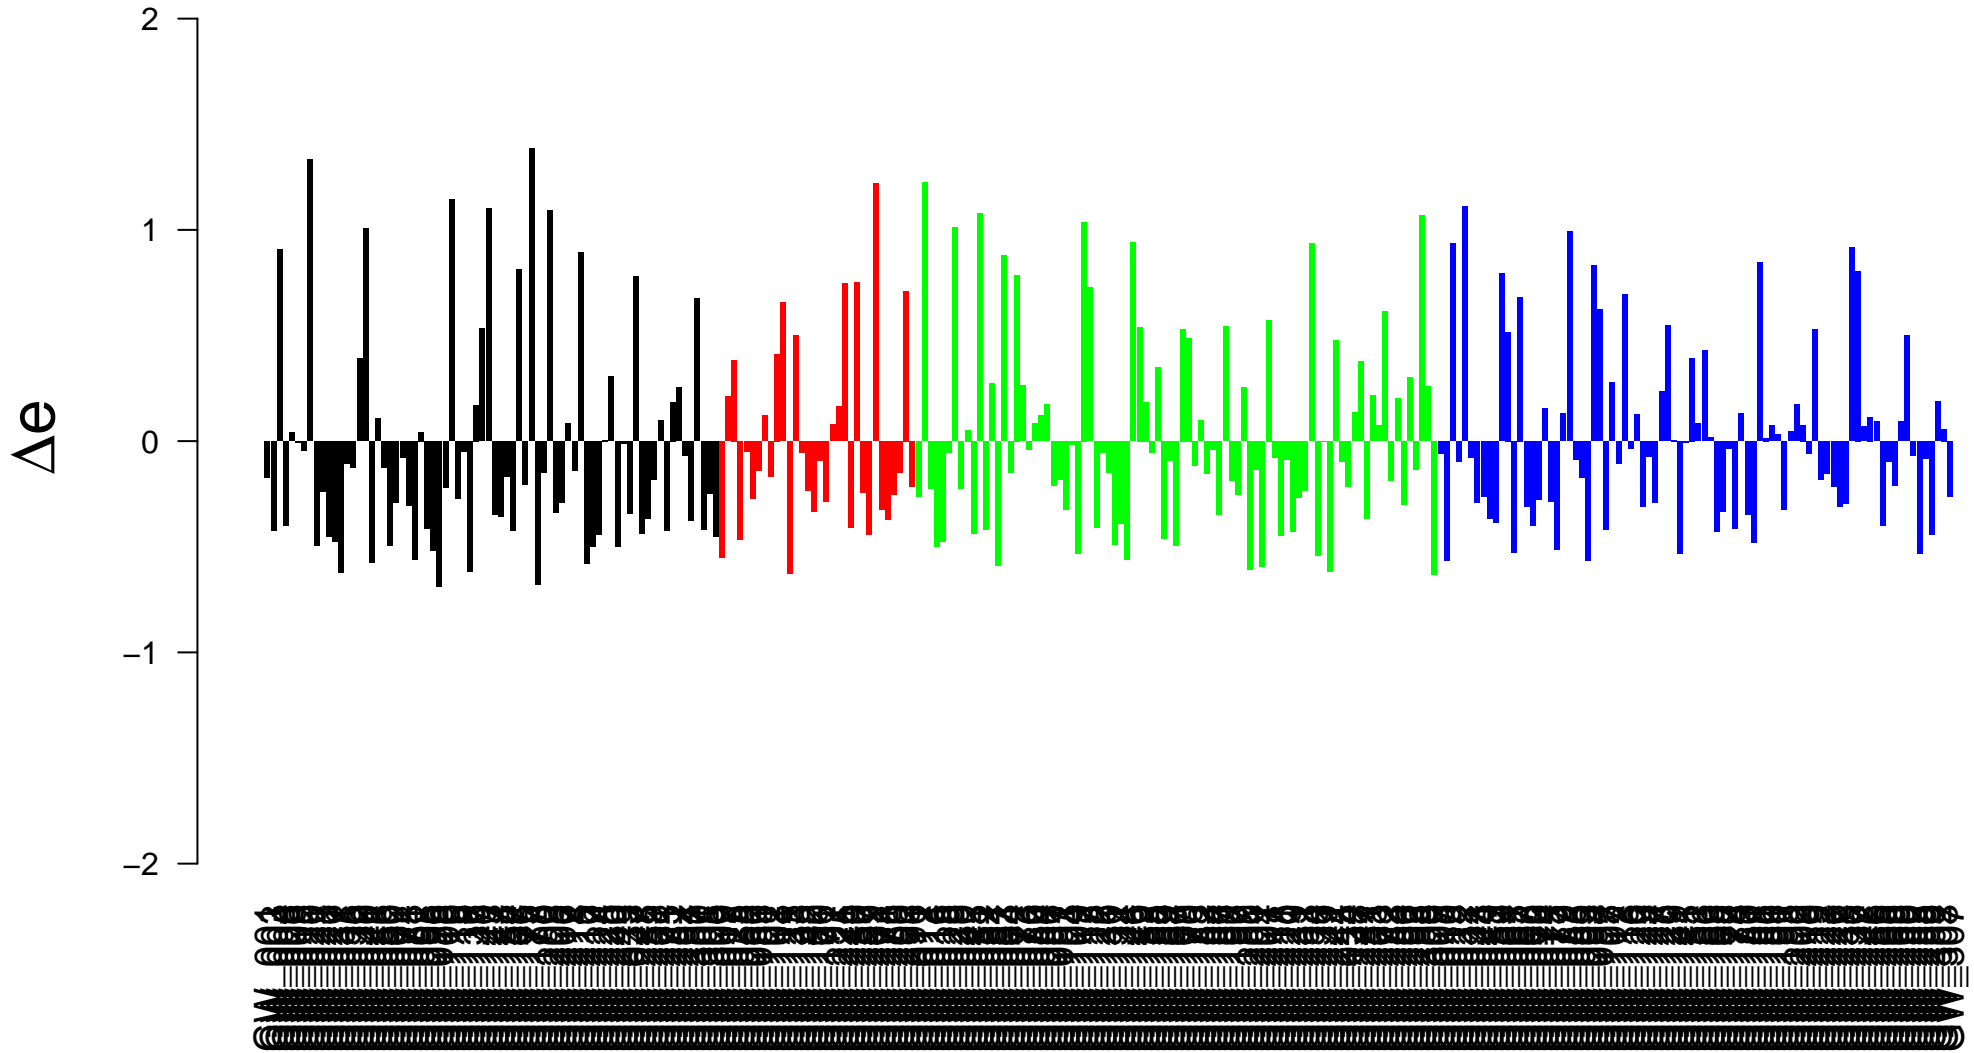

scavenger receptor activity

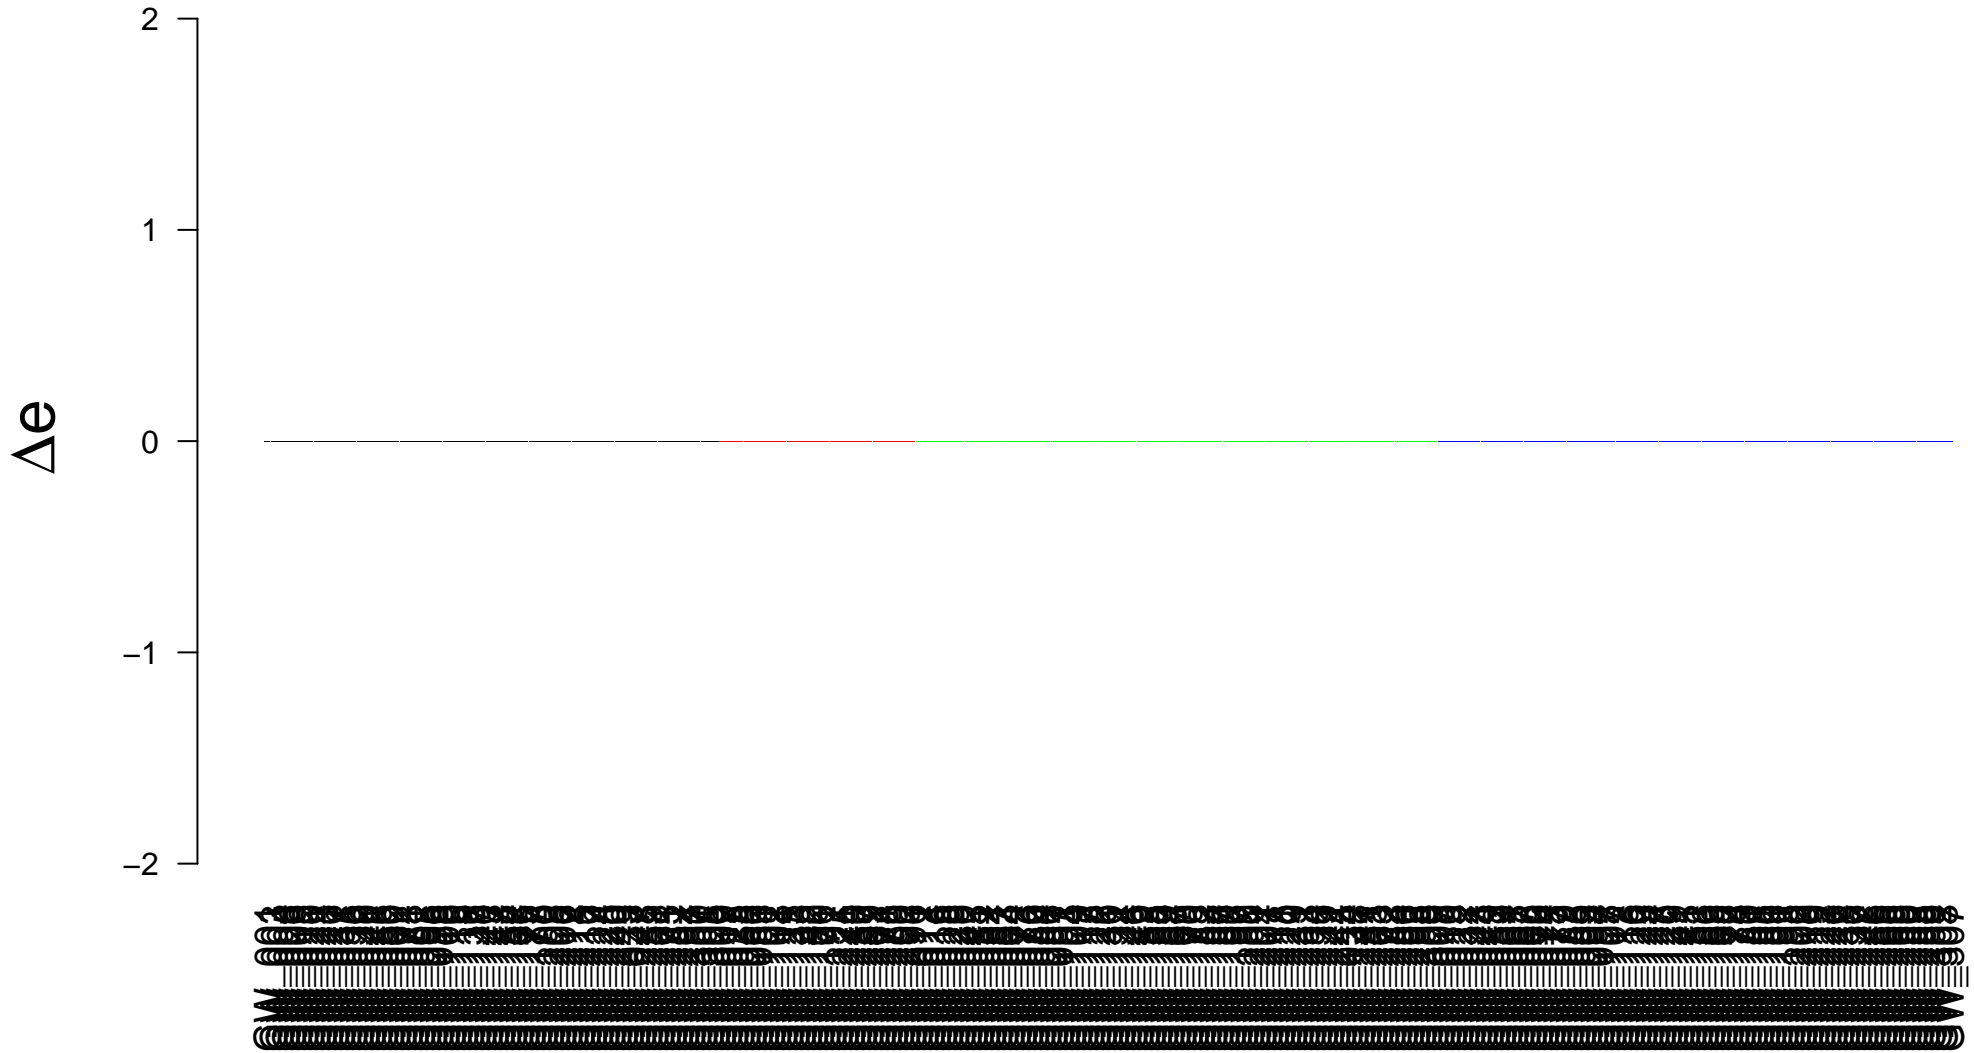

Enrichment in spots: scavenger receptor activity

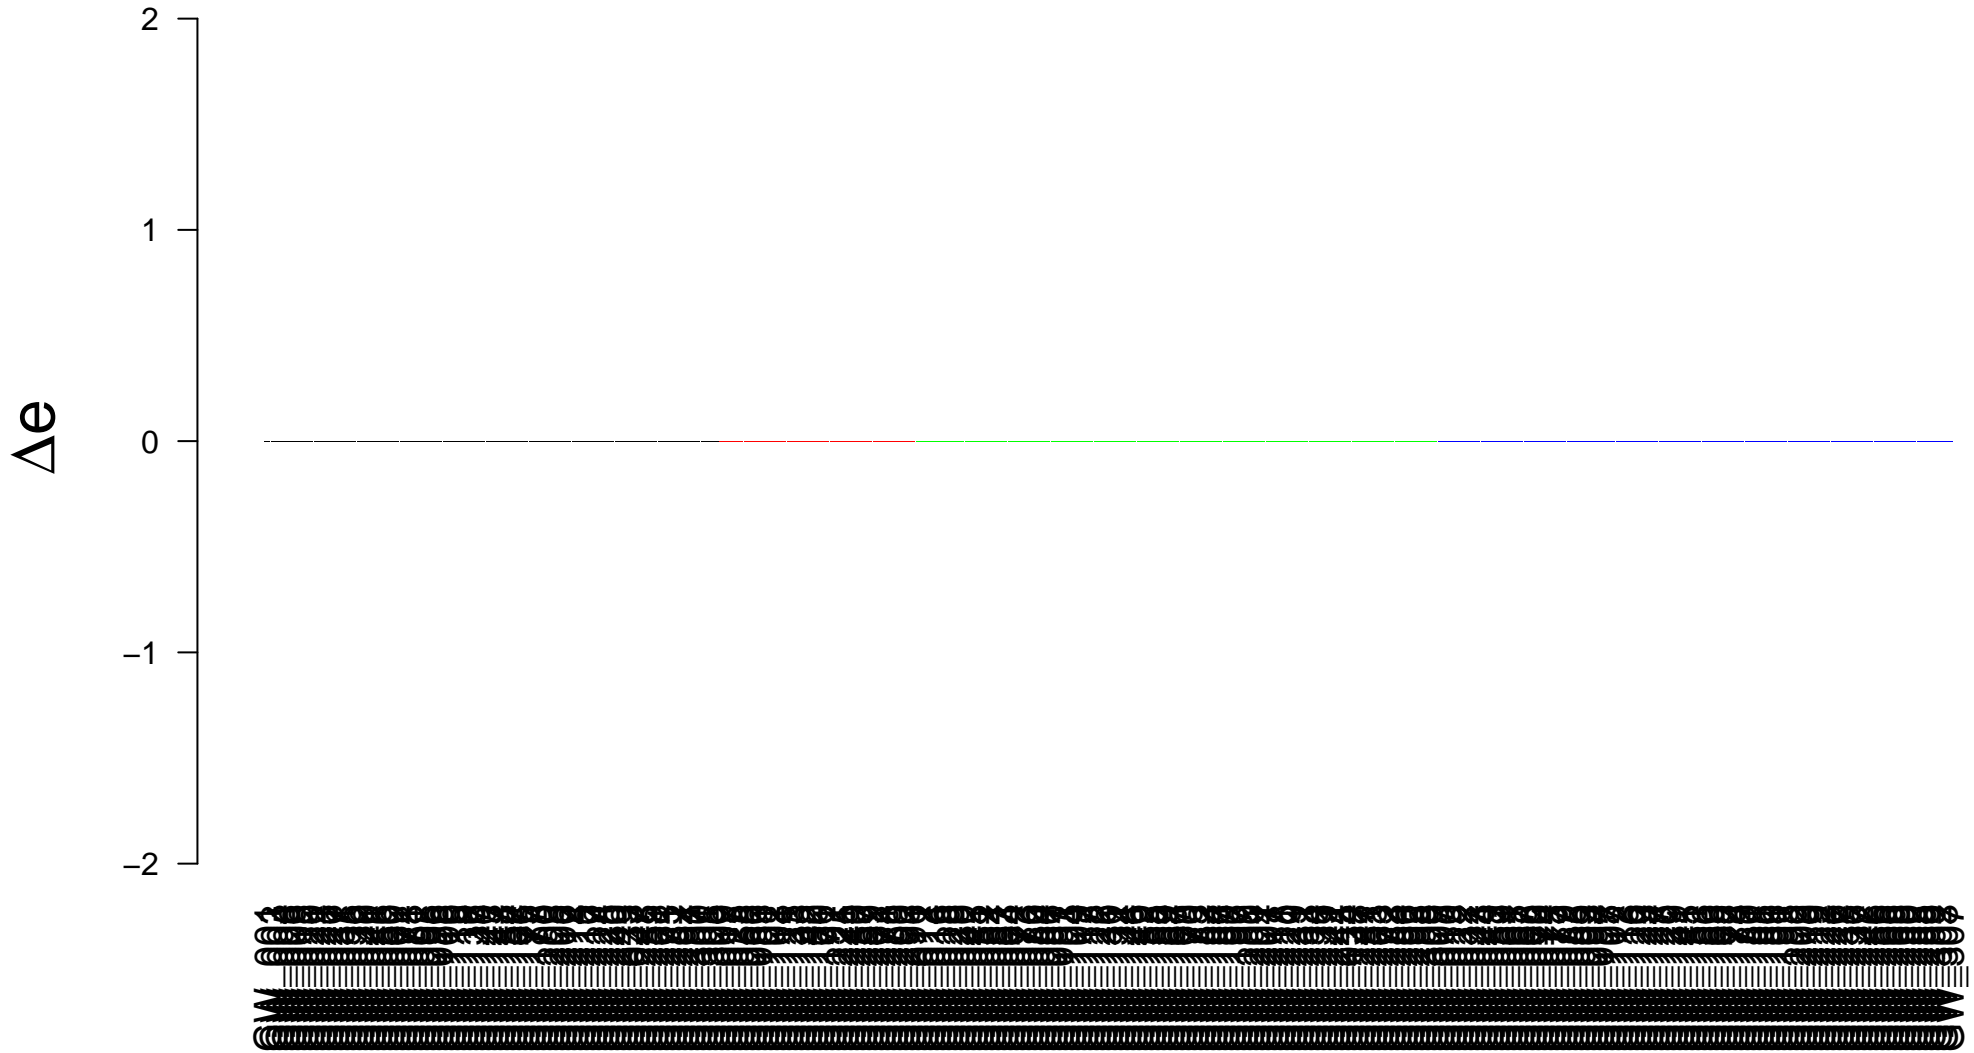

Expression of scavenger receptor activity in Spot A

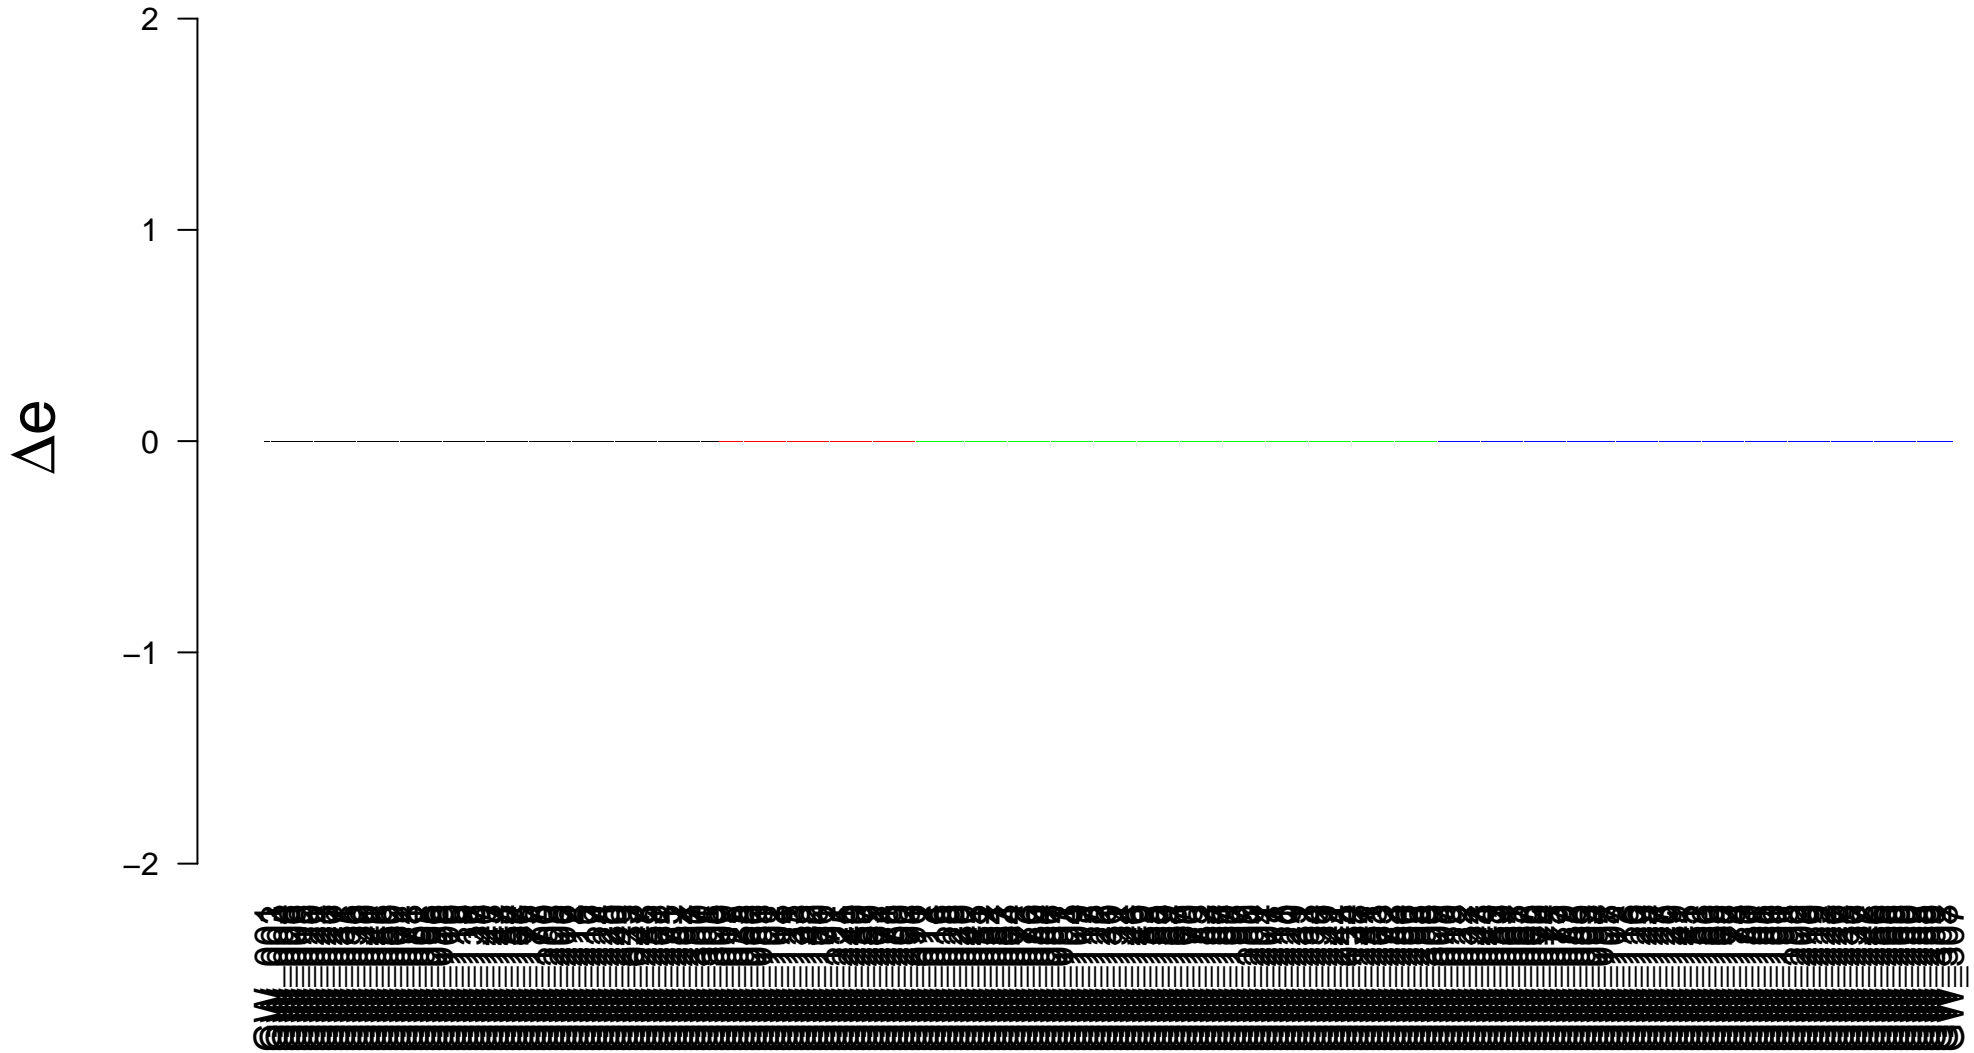

Expression of scavenger receptor activity in Spot B

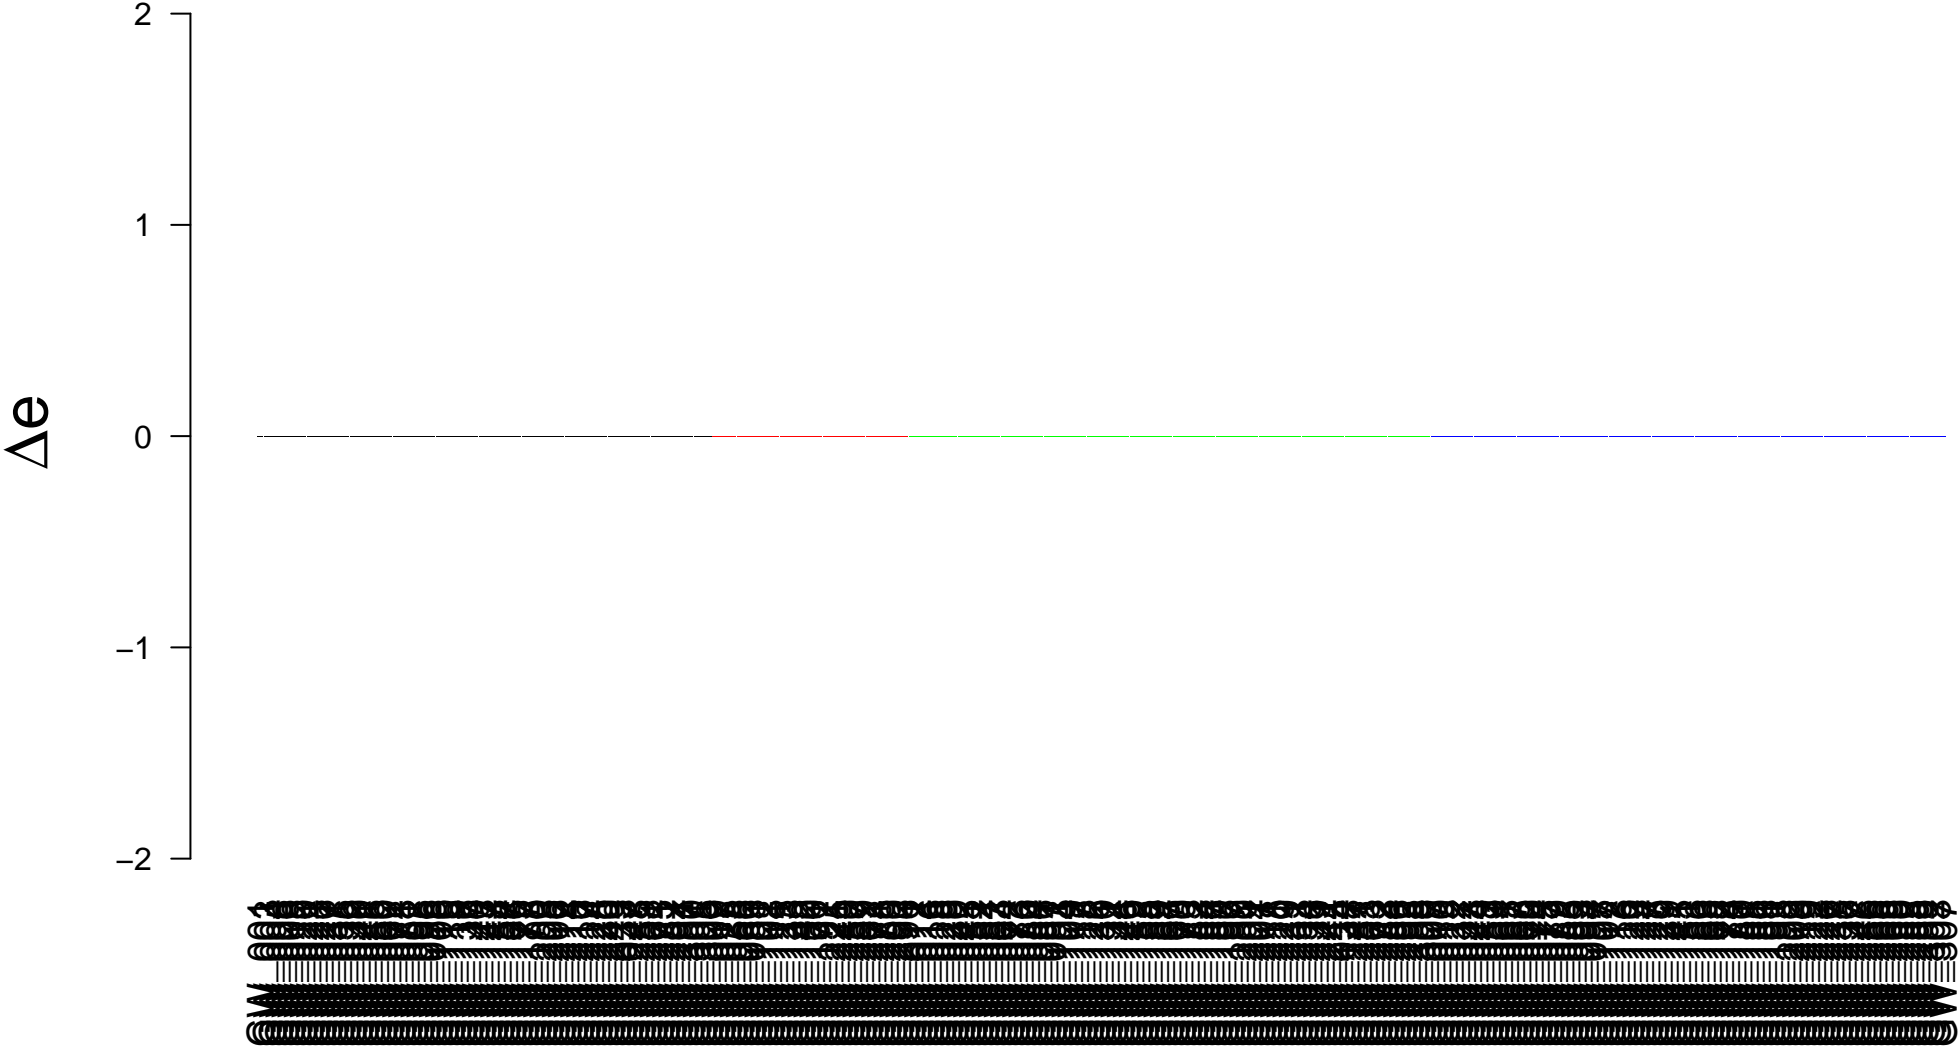

Expression of scavenger receptor activity in Spot C

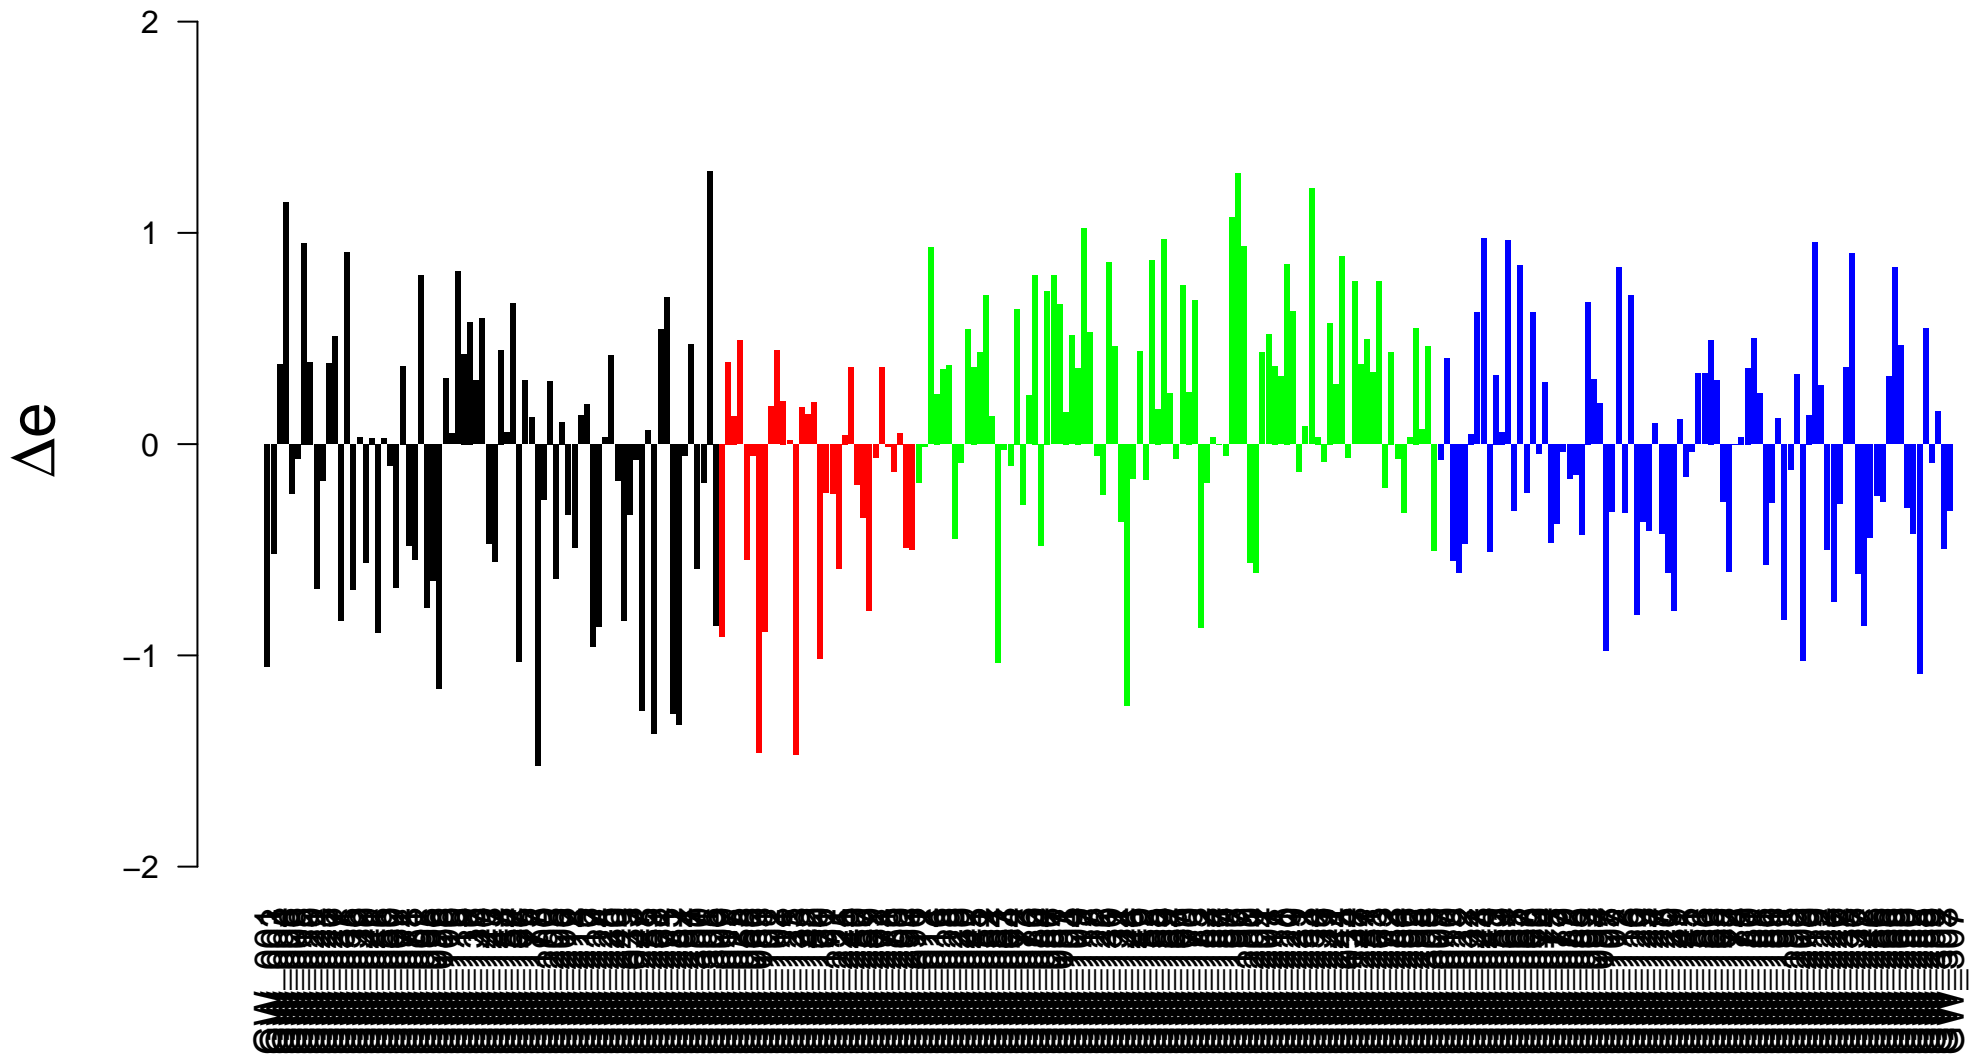

Expression of scavenger receptor activity in Spot D

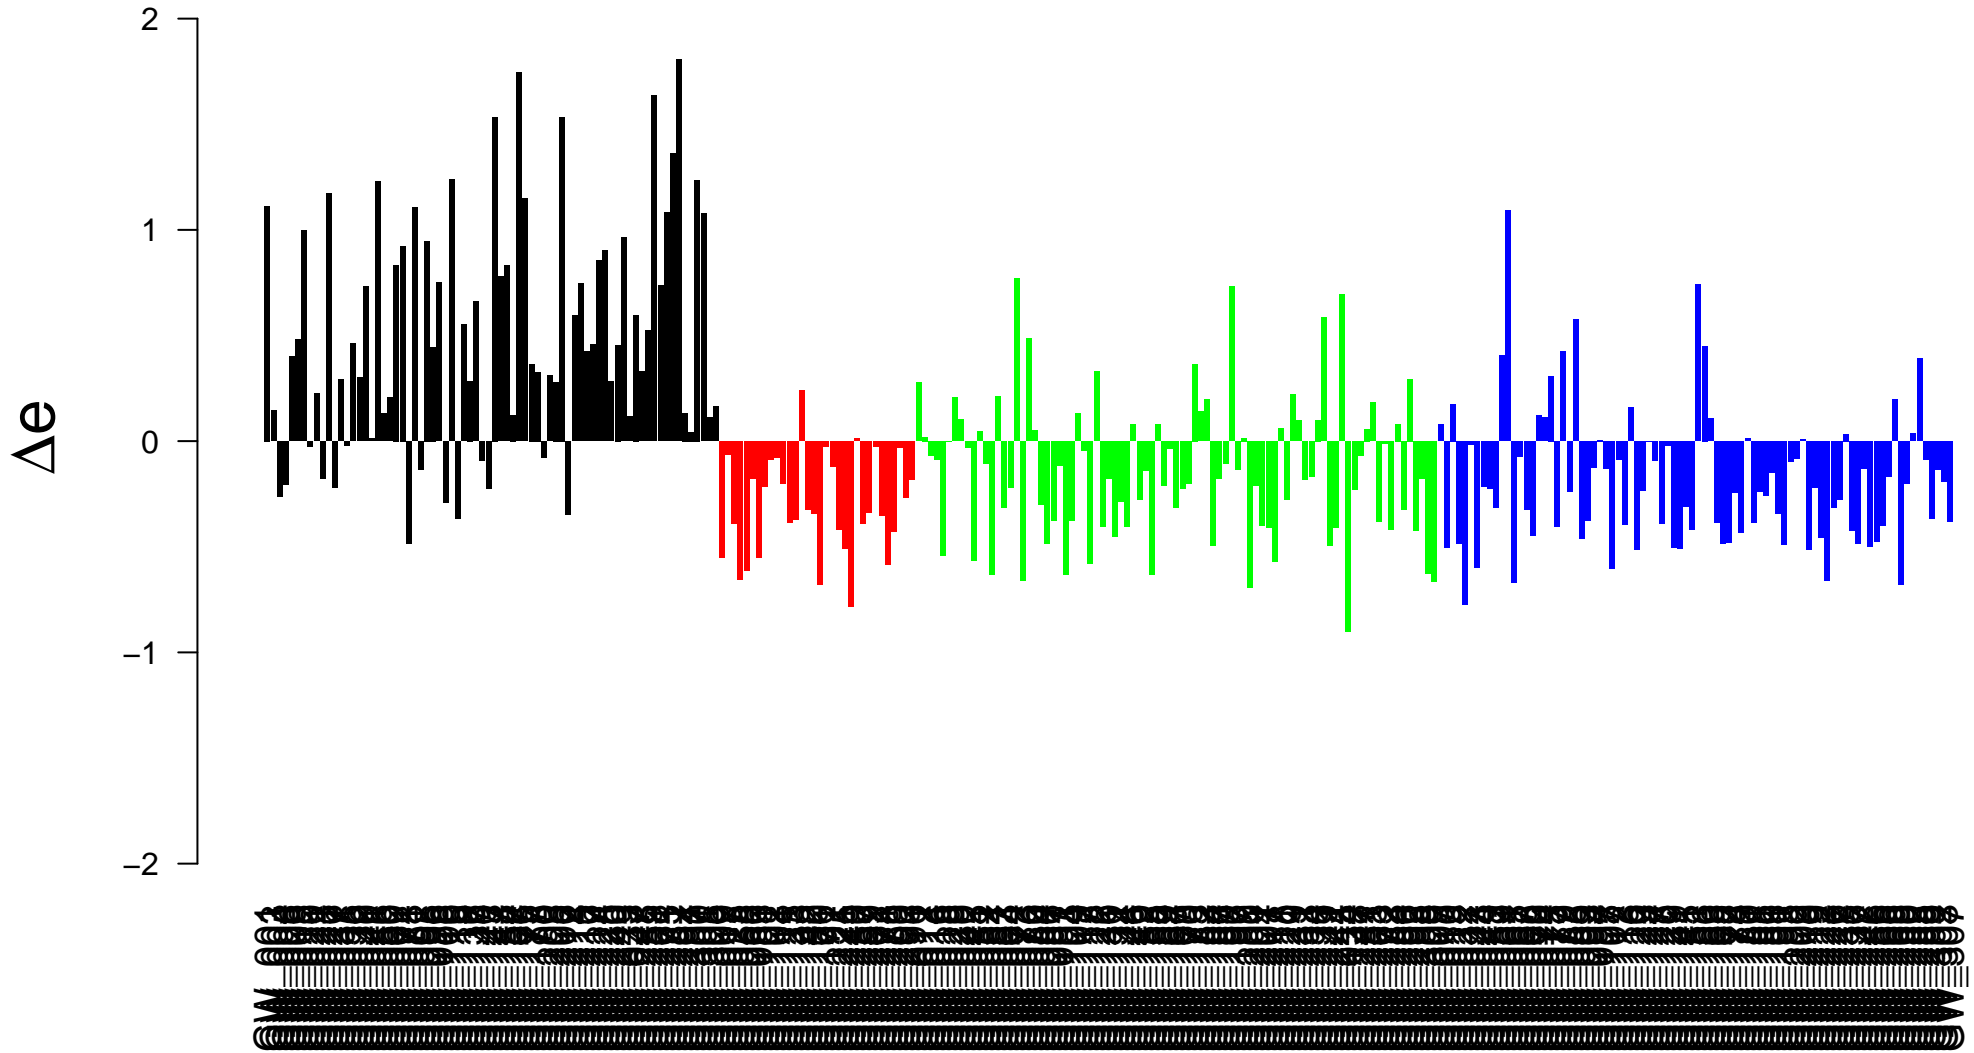

Expression of scavenger receptor activity in Spot E

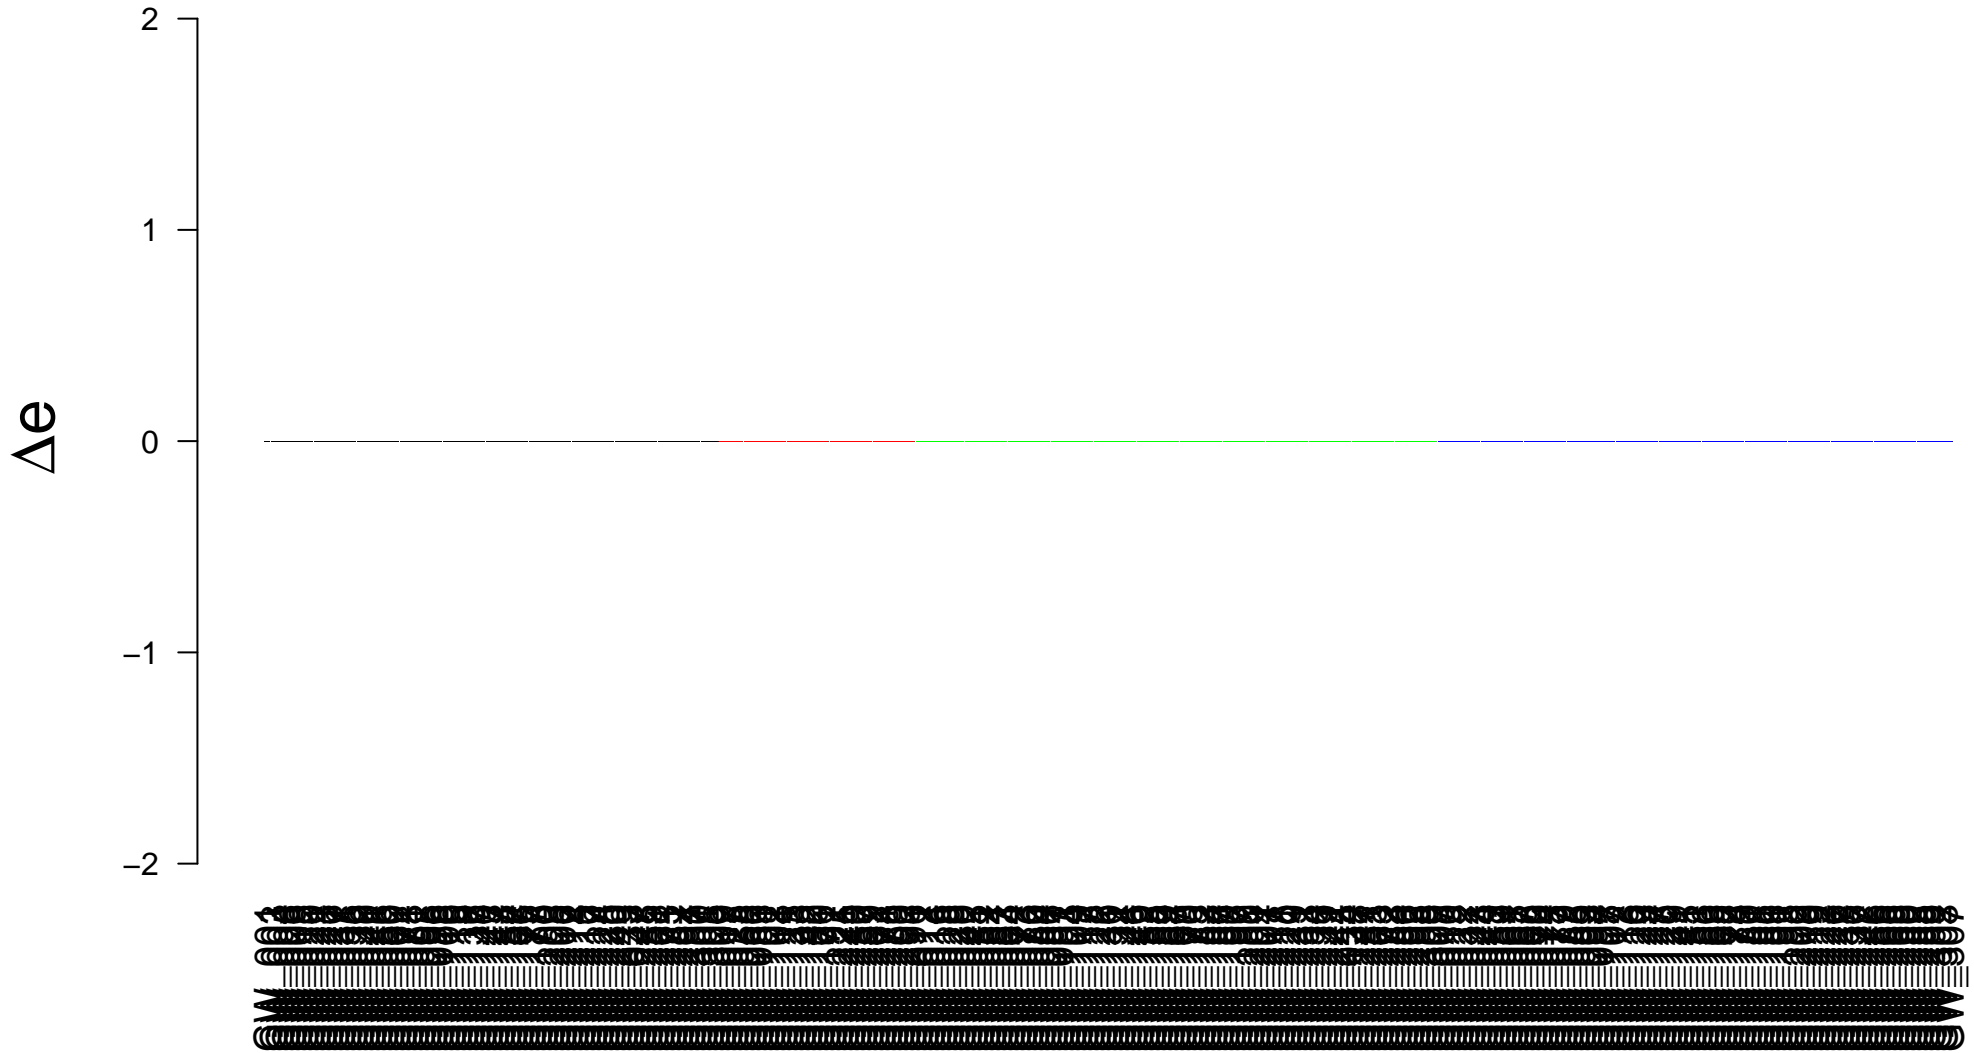

Expression of scavenger receptor activity in Spot F

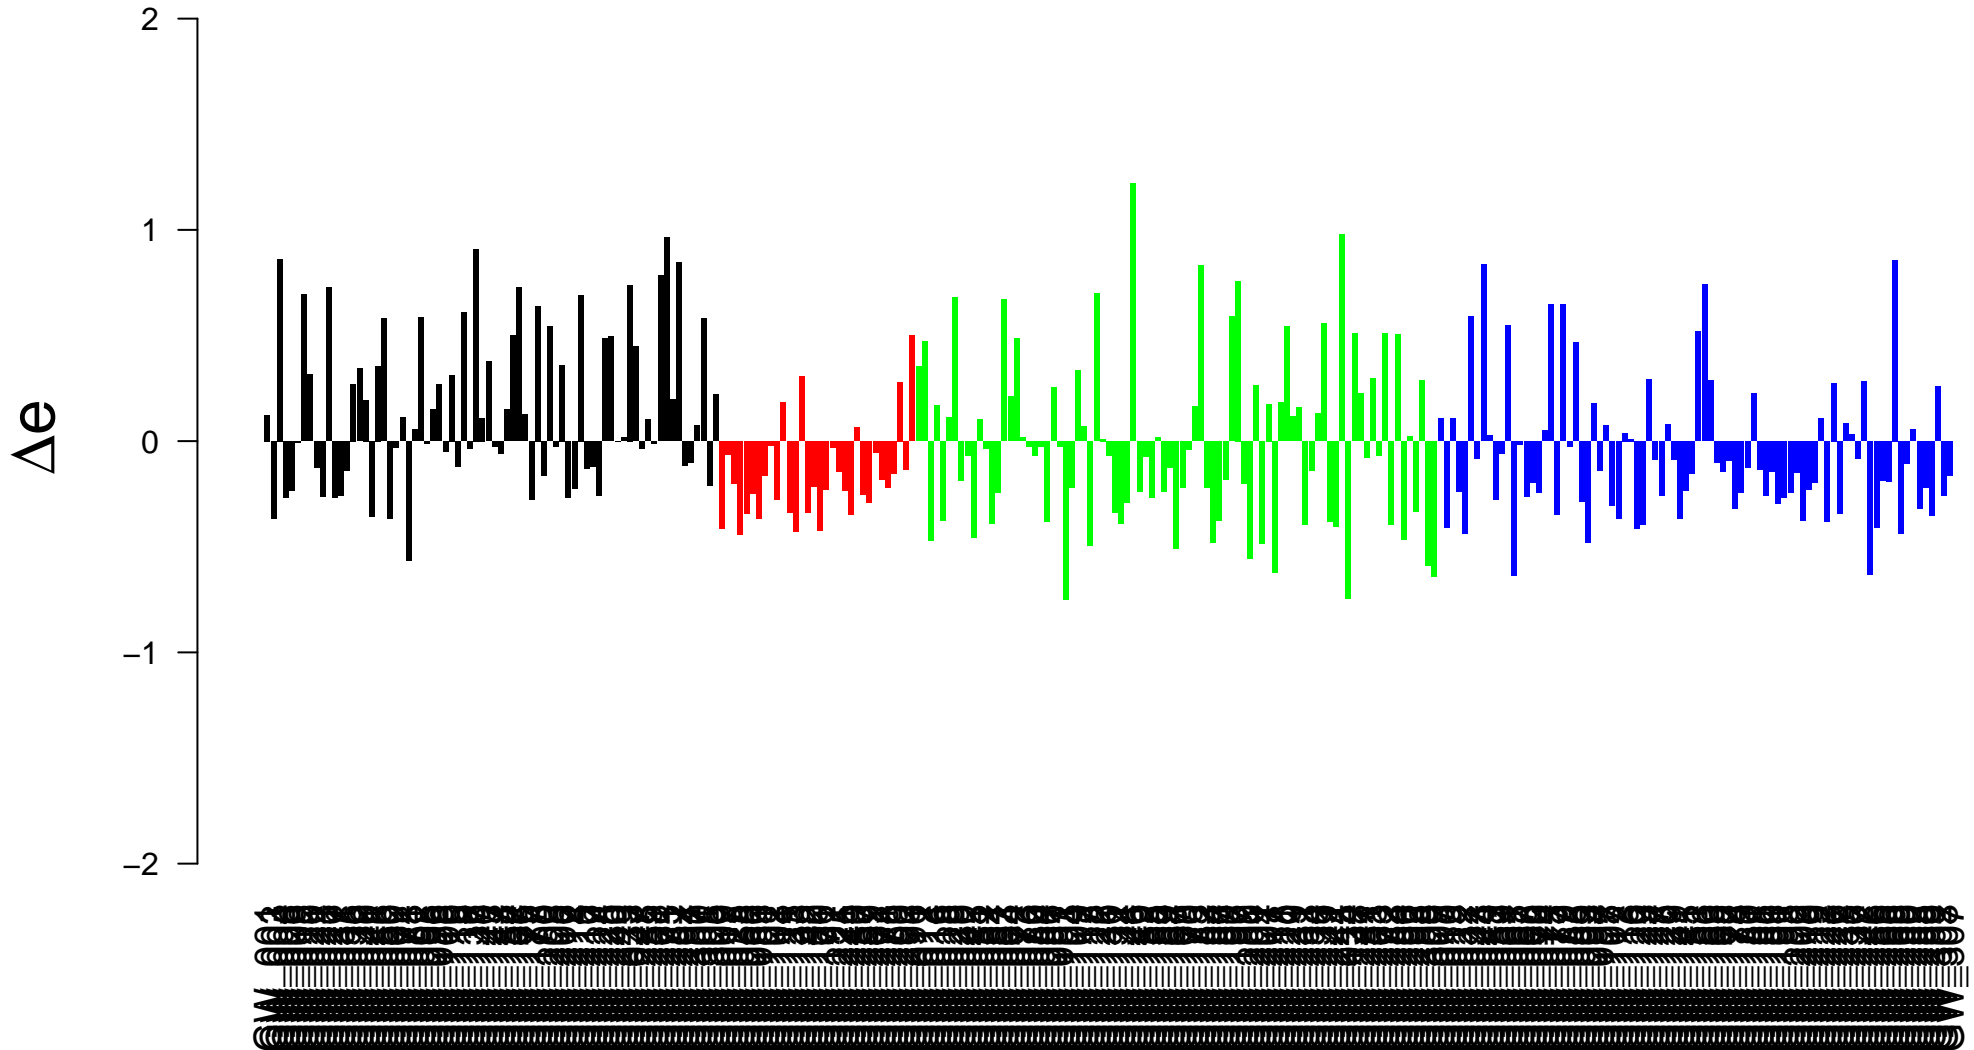

Expression of scavenger receptor activity in Spot G

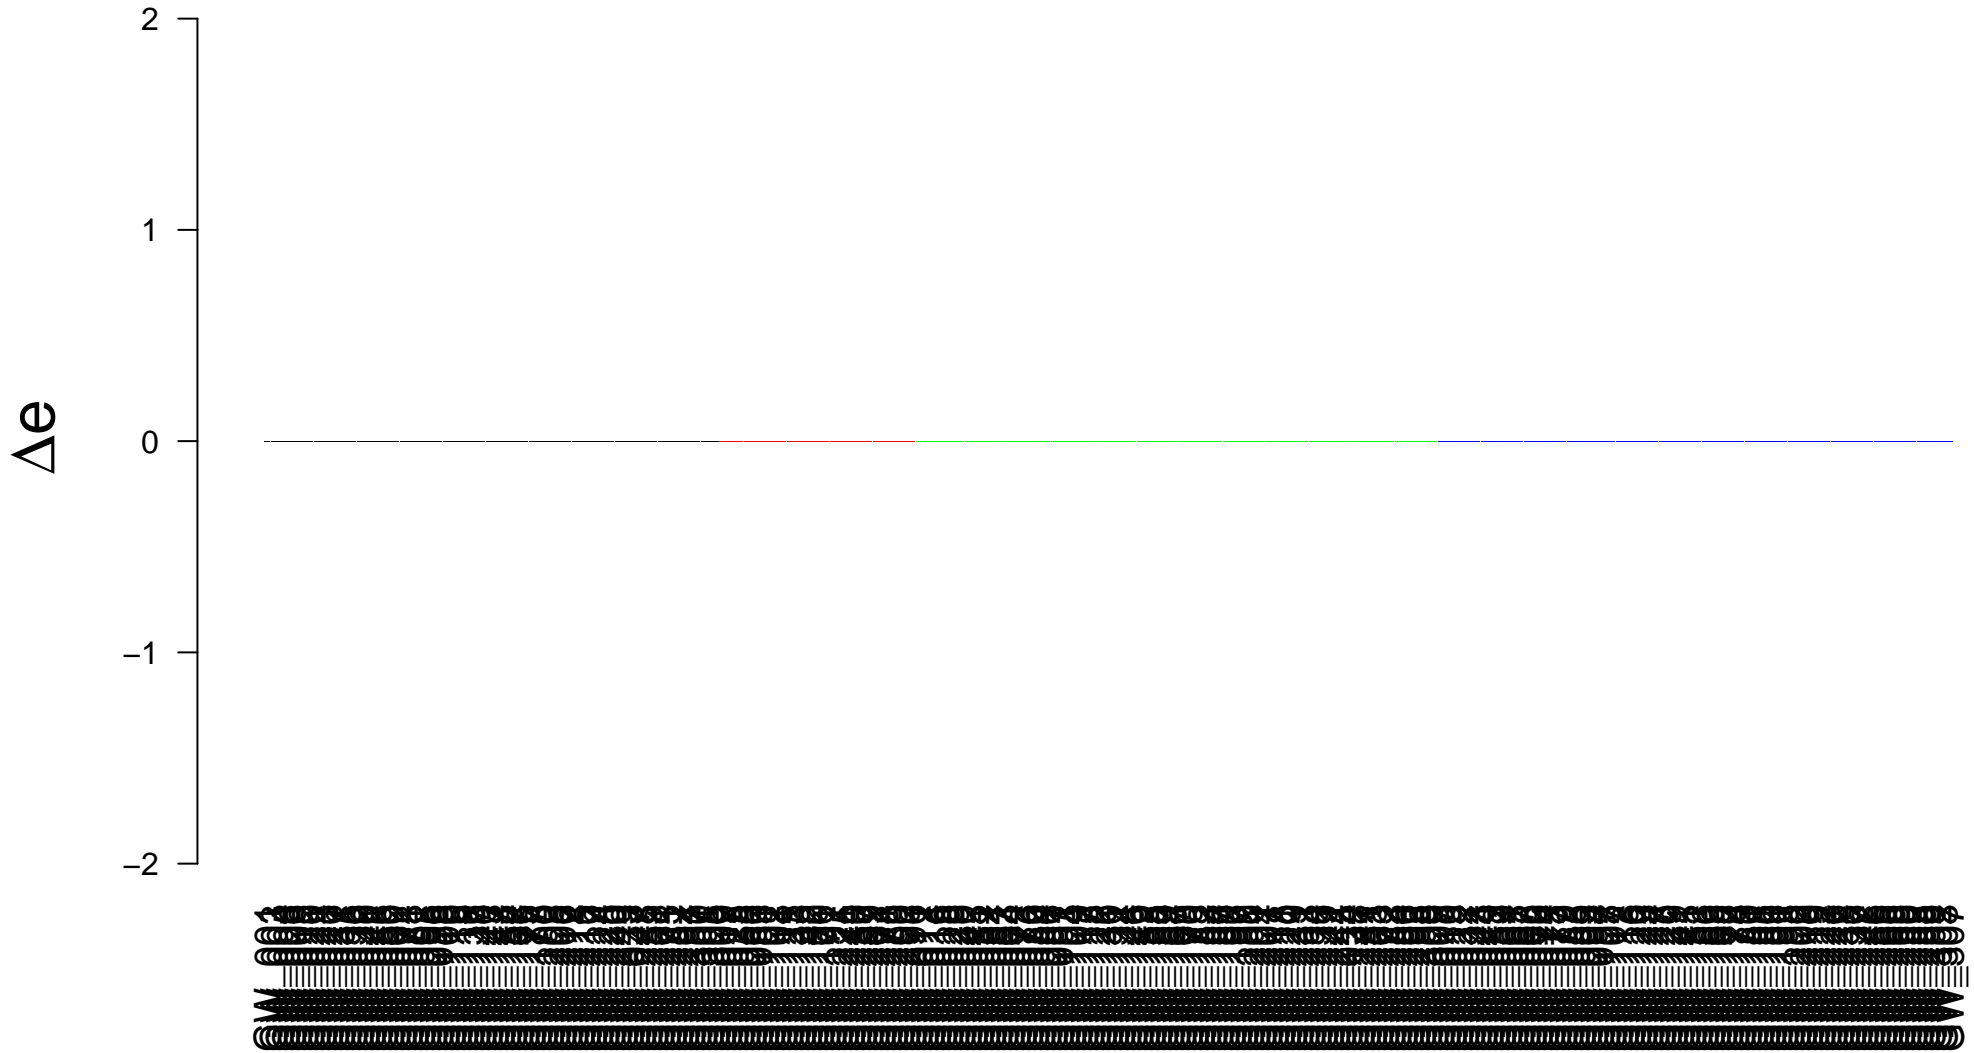

Expression of scavenger receptor activity in Spot H

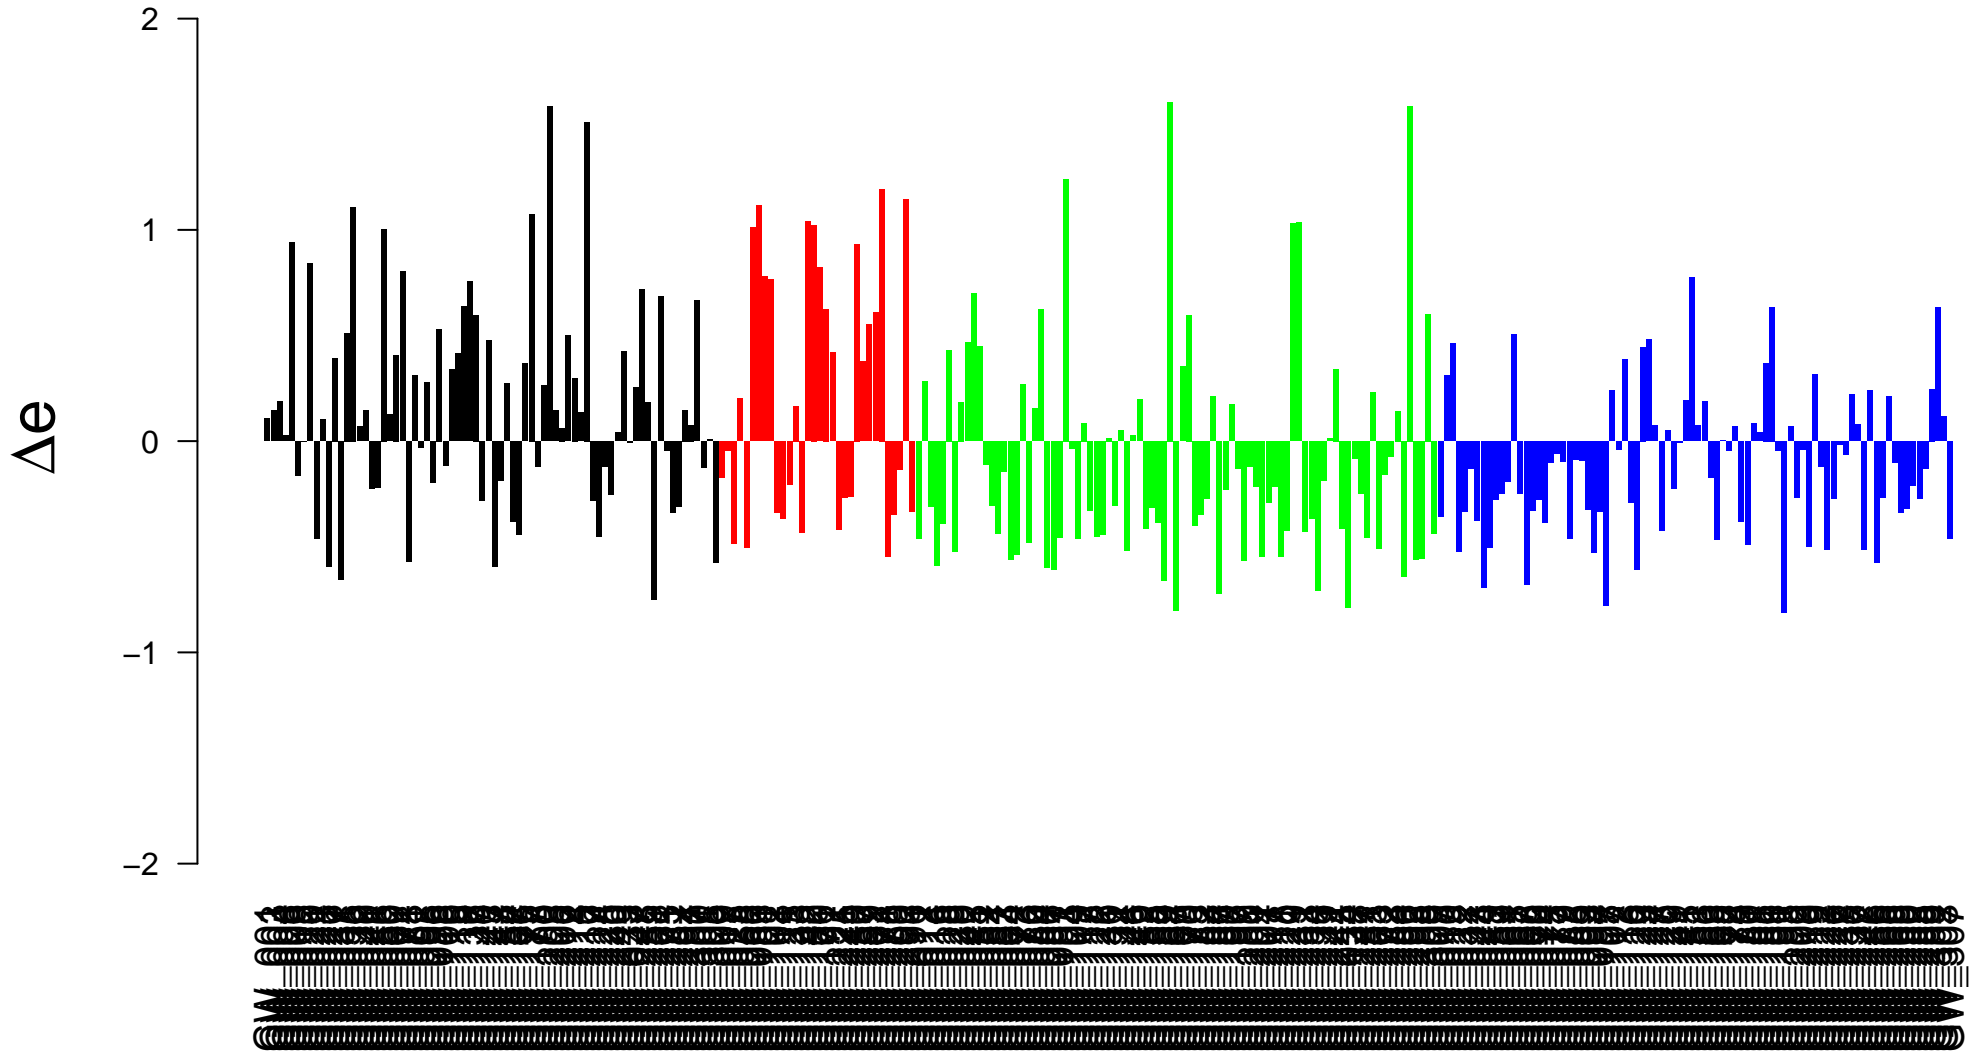

Expression of scavenger receptor activity in Spot I

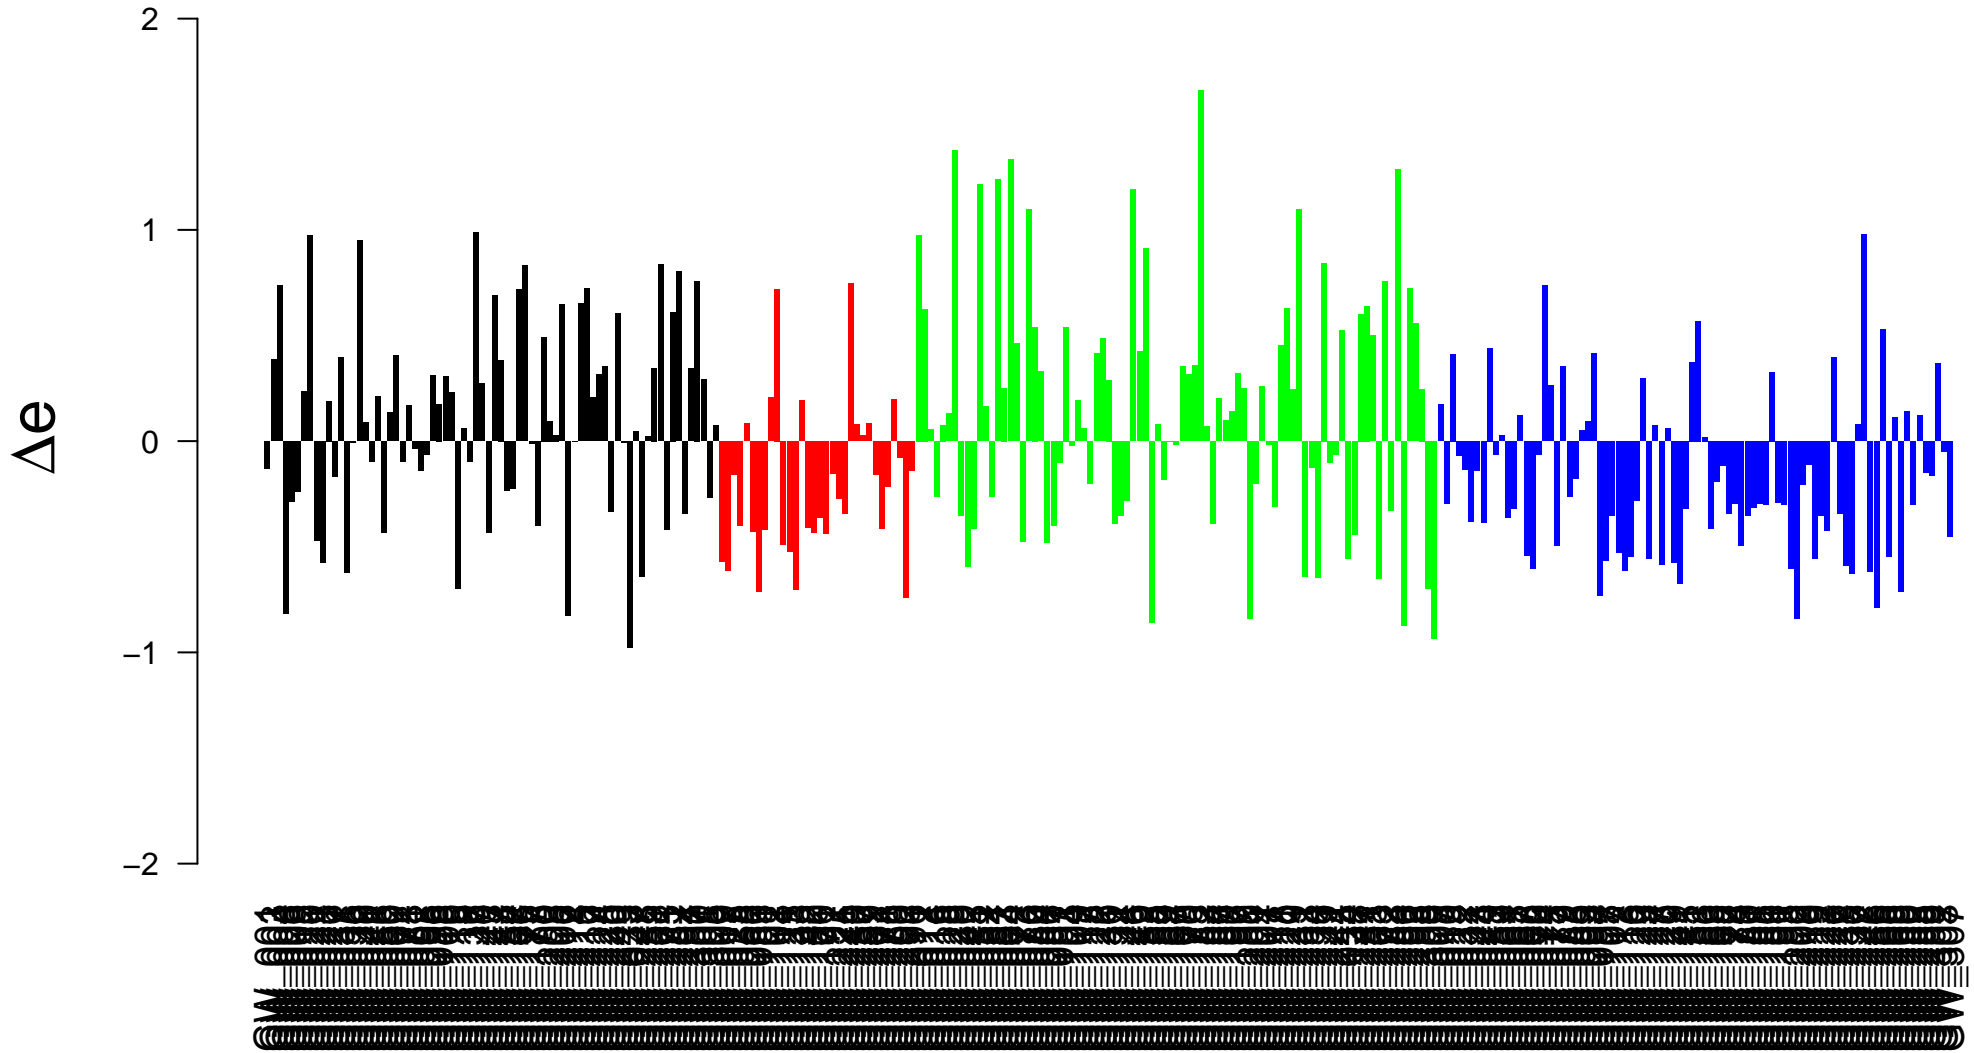

Expression of scavenger receptor activity in Spot J

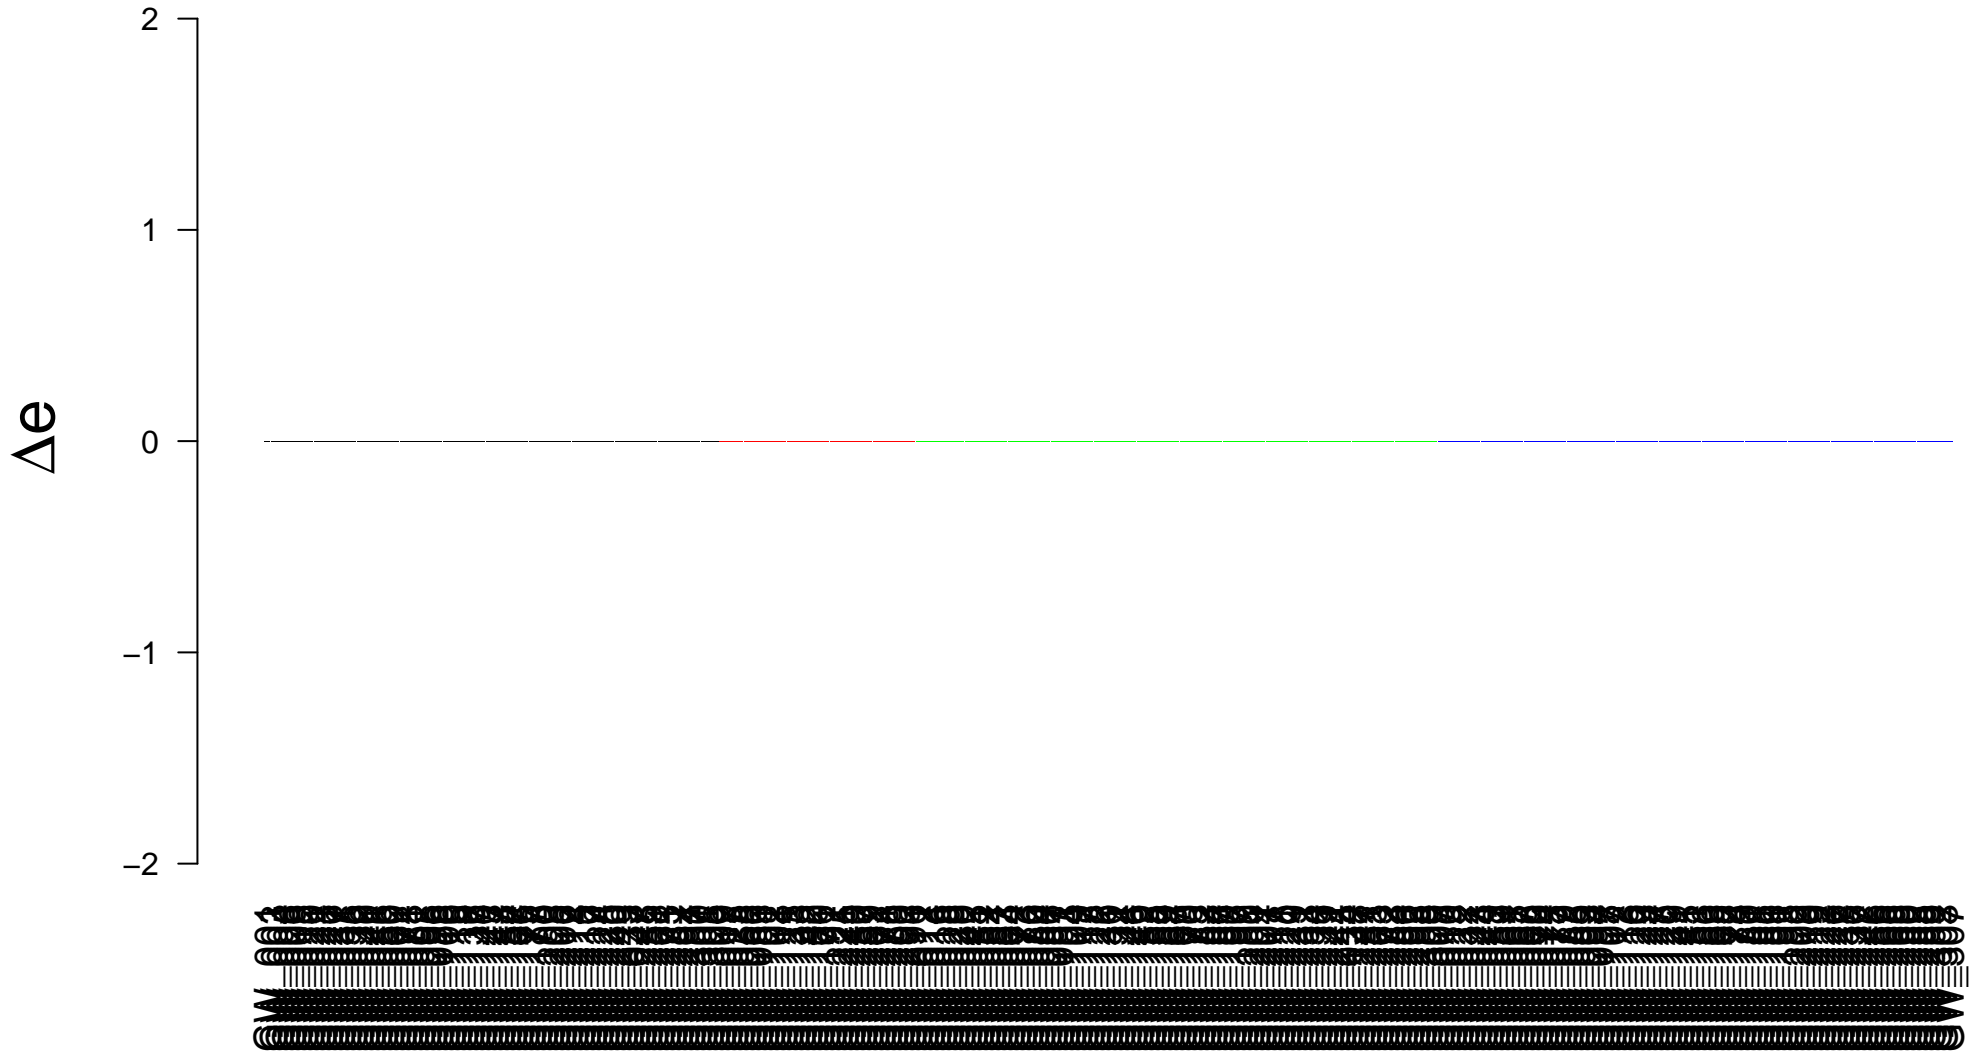

Expression of scavenger receptor activity in Spot K

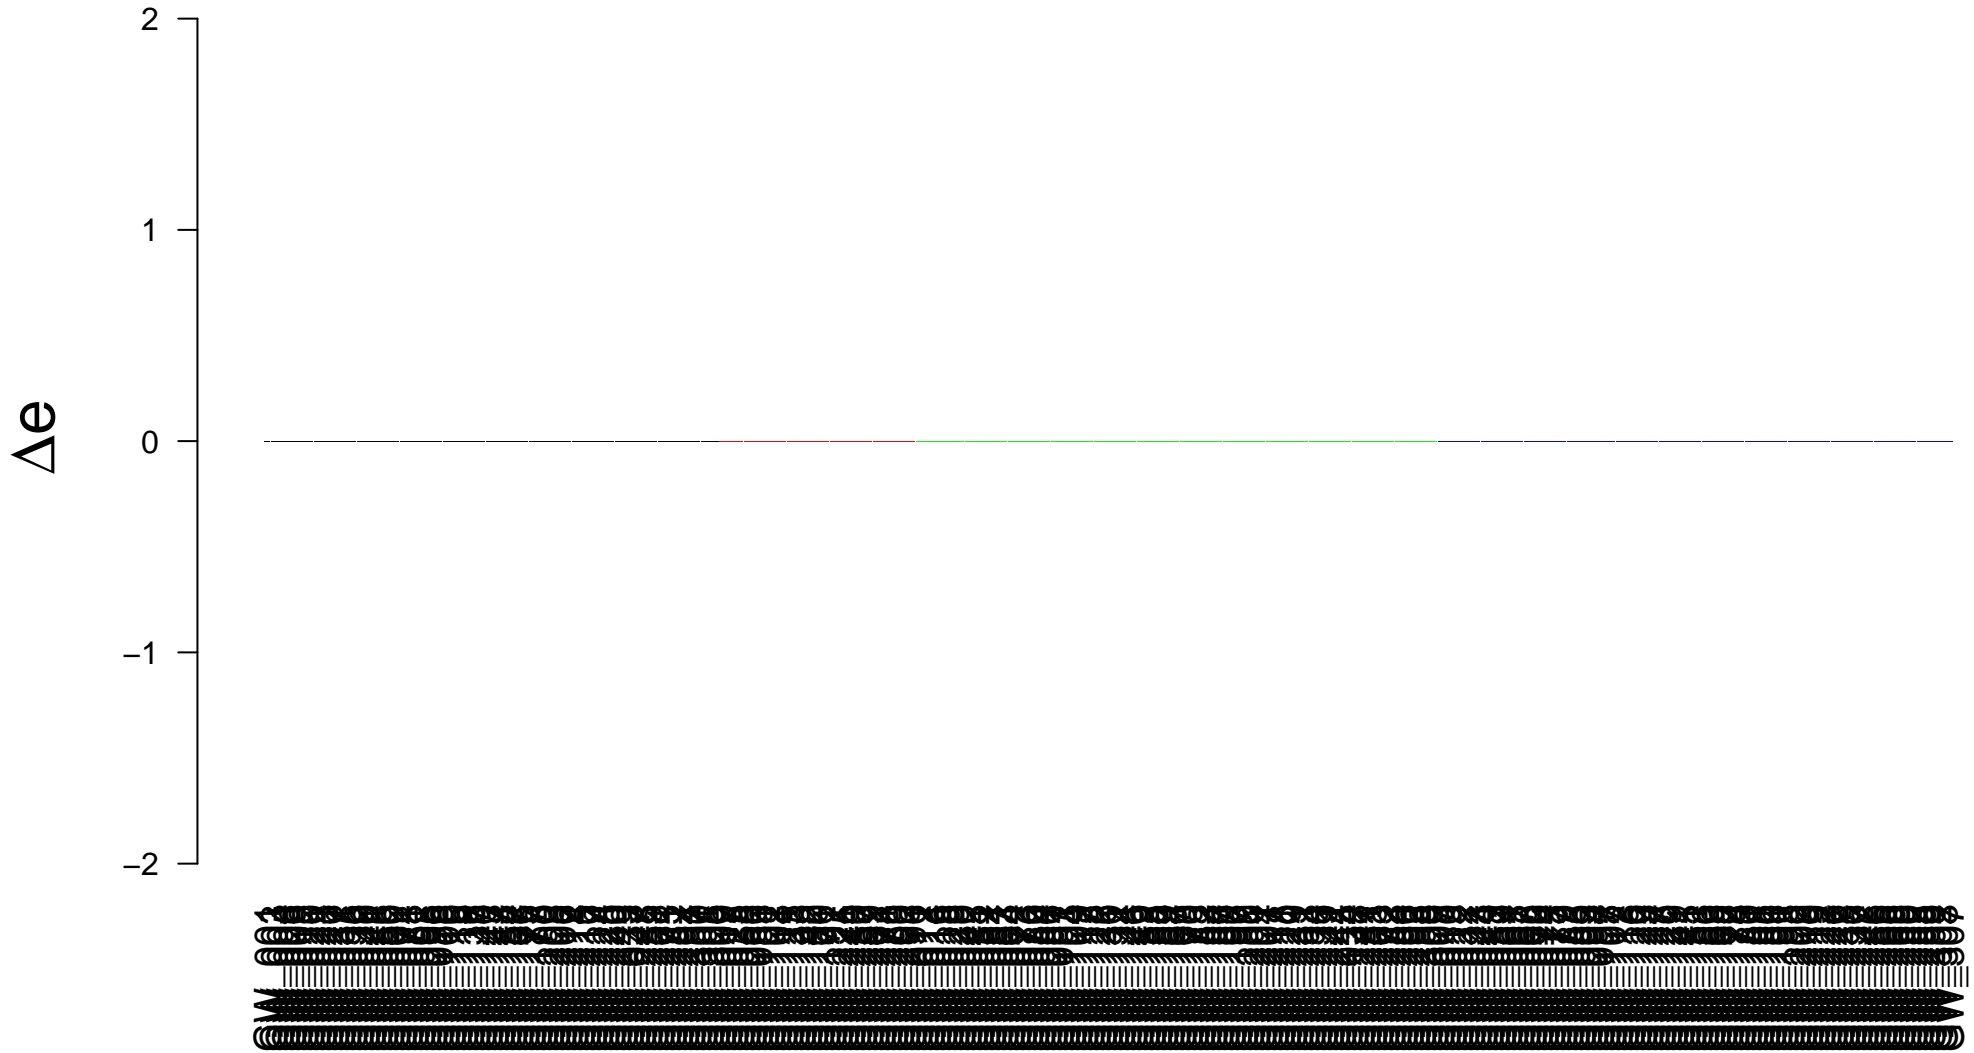

Expression of scavenger receptor activity in Spot L

Expression of scavenger receptor activity in Spot M

Expression of scavenger receptor activity in Spot N

Expression of scavenger receptor activity in Spot O
