

secretory granule

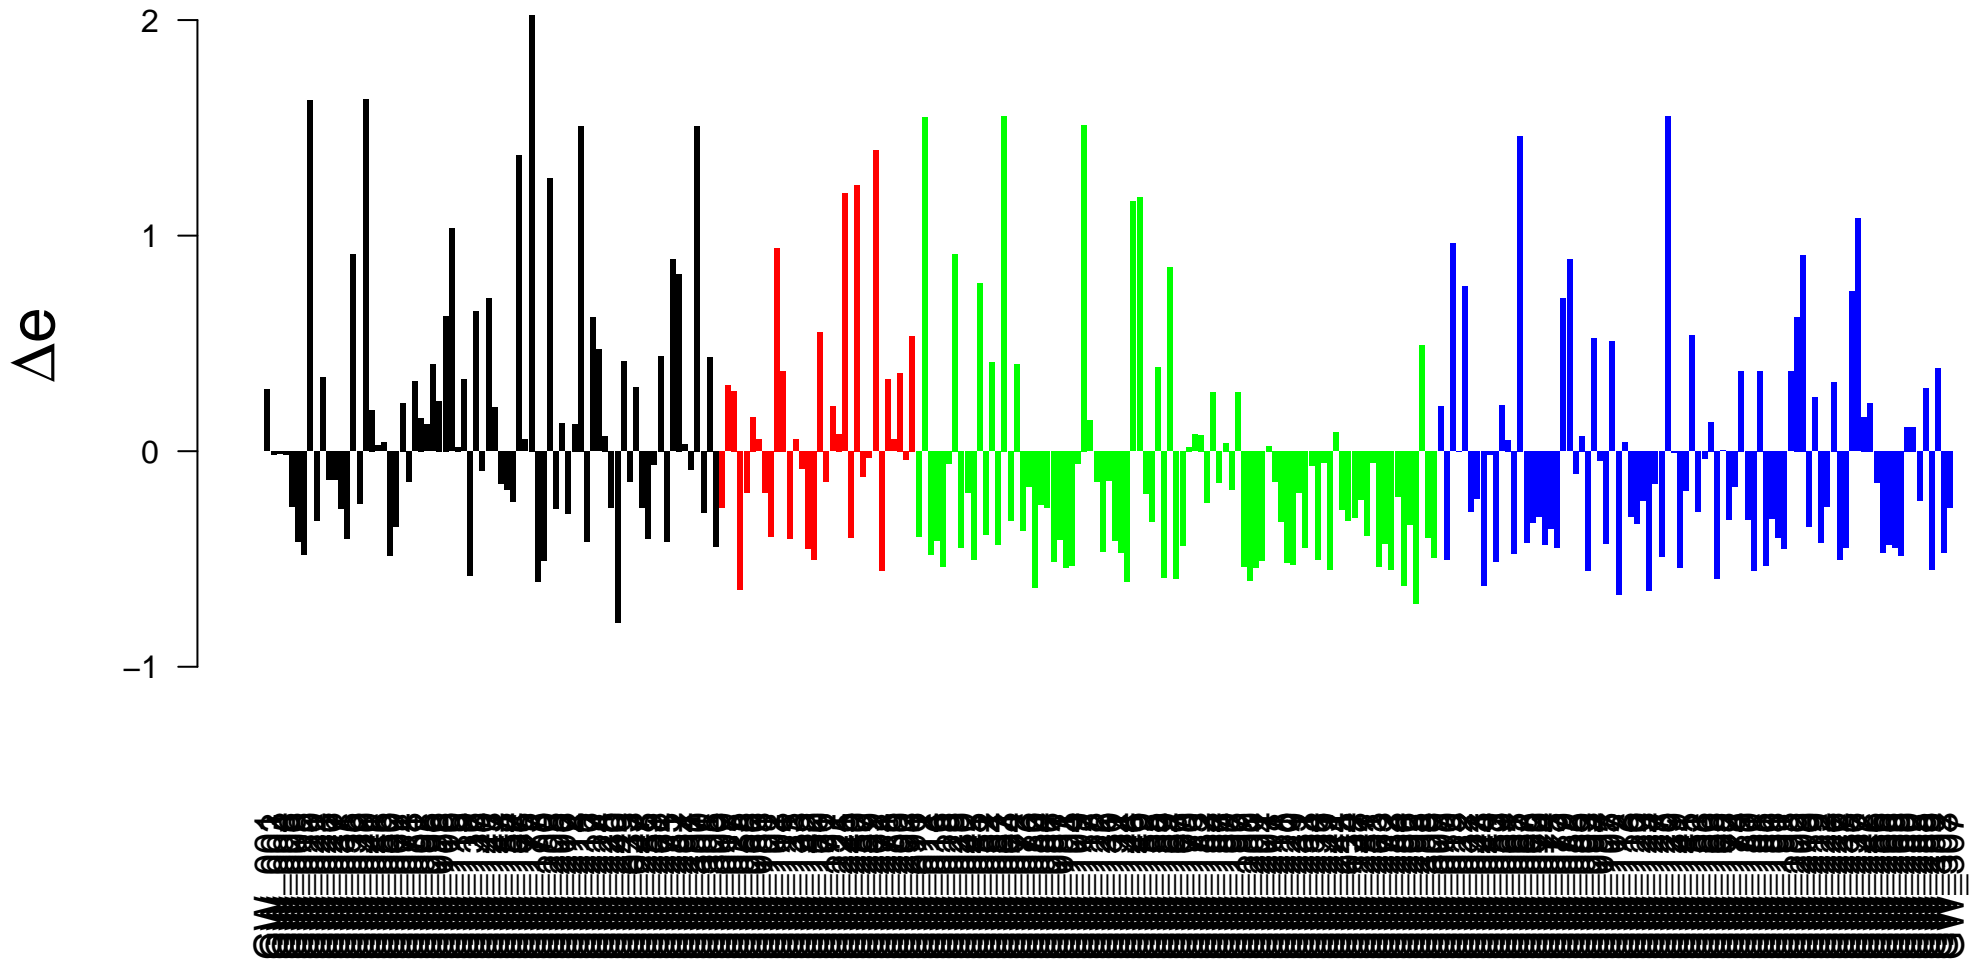

secretory granule

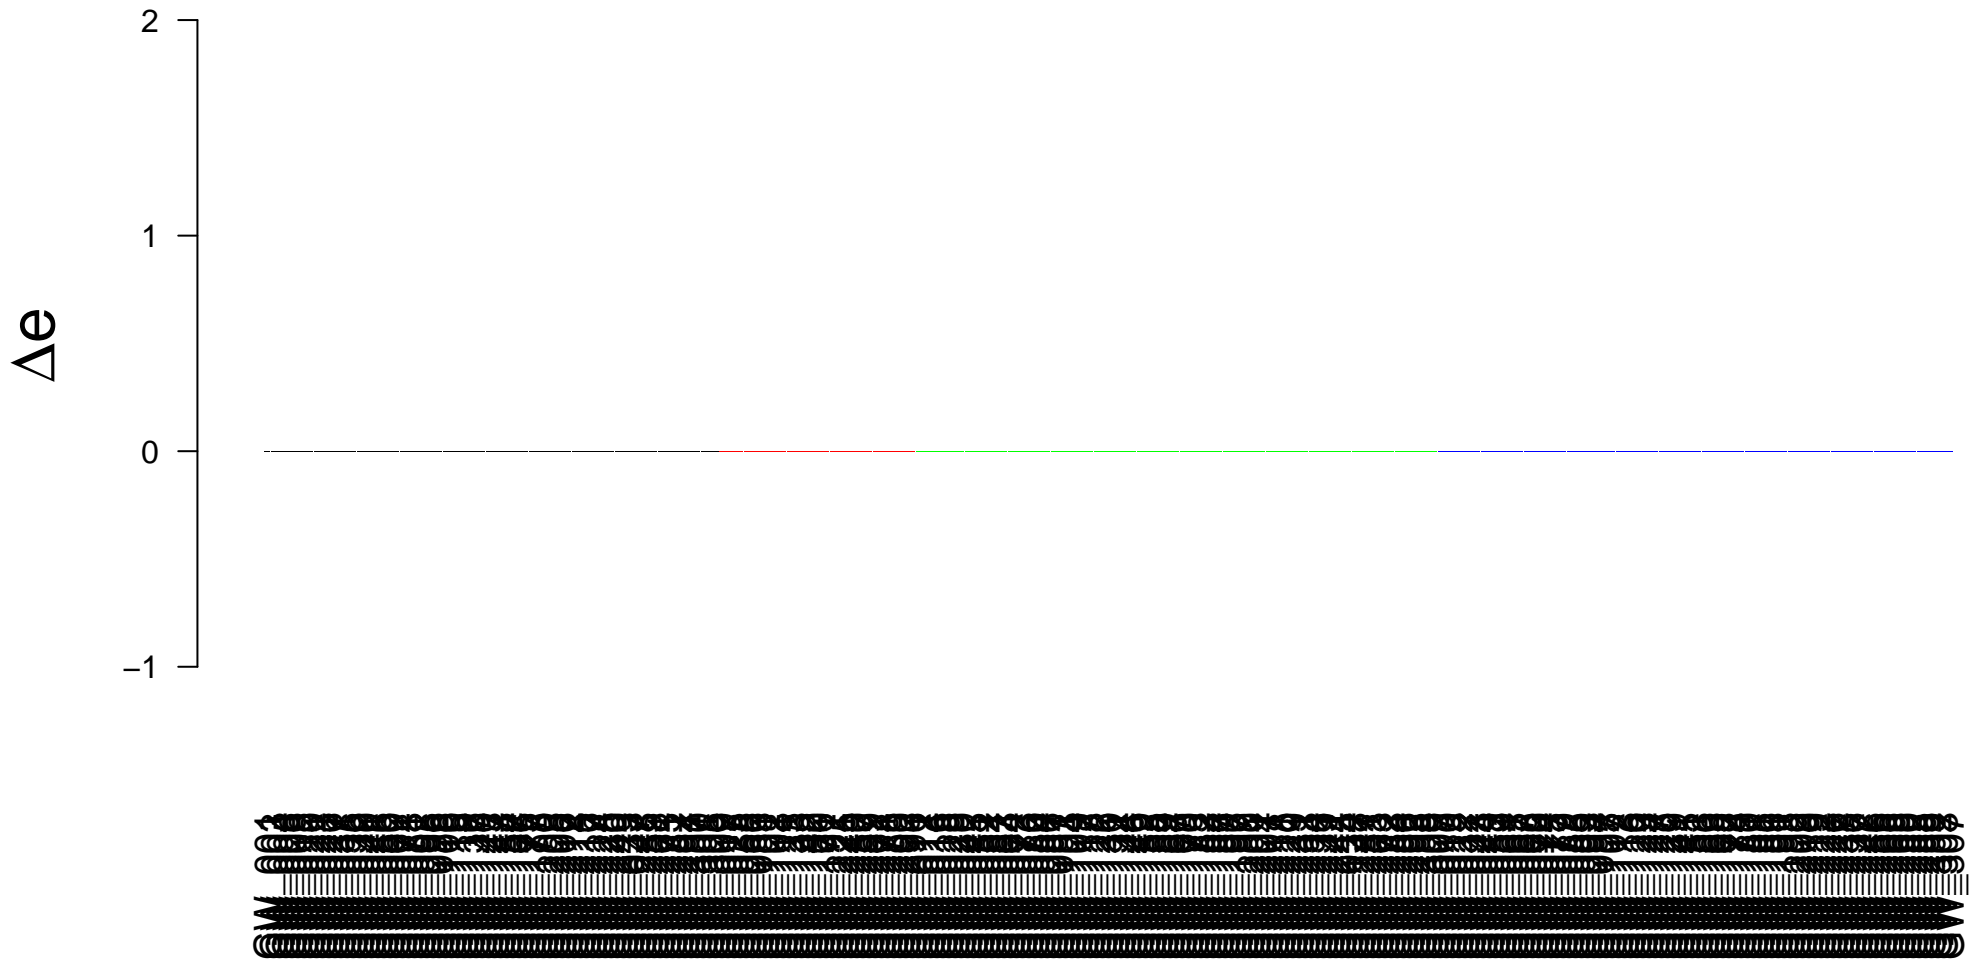

Enrichment in spots: secretory granule

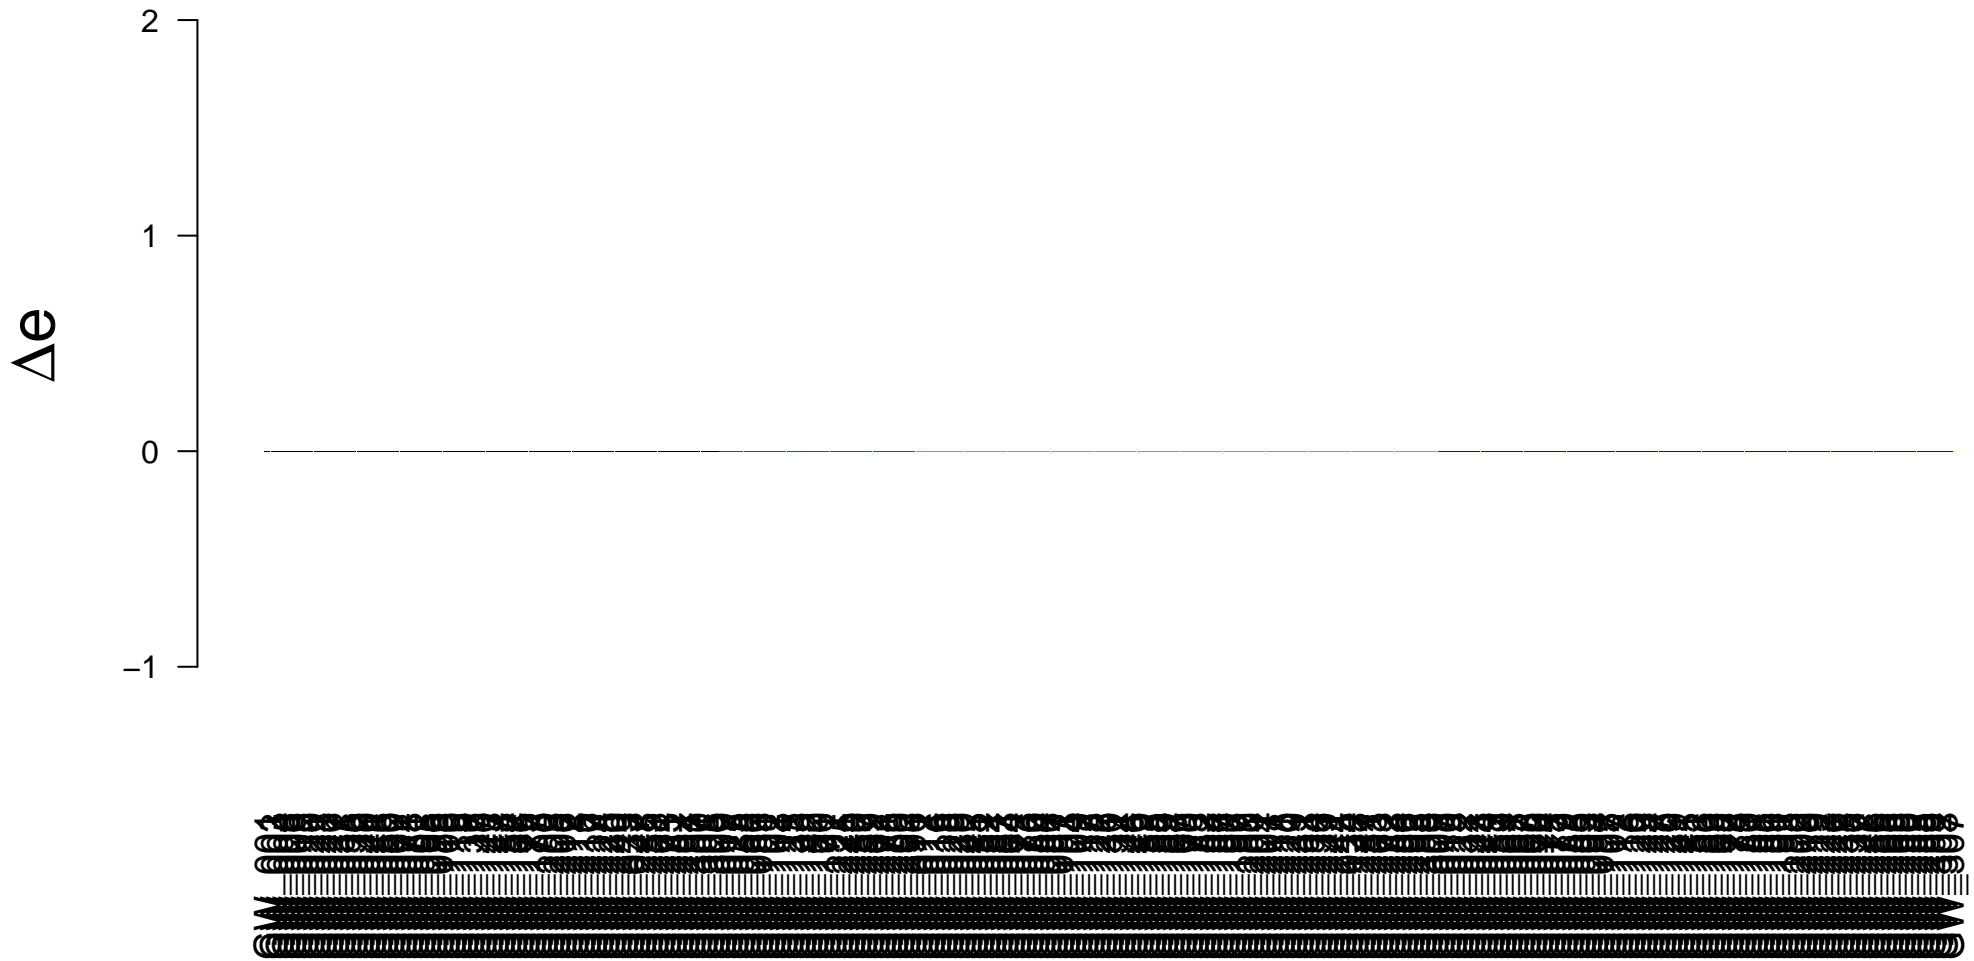

Expression of secretory granule in Spot A

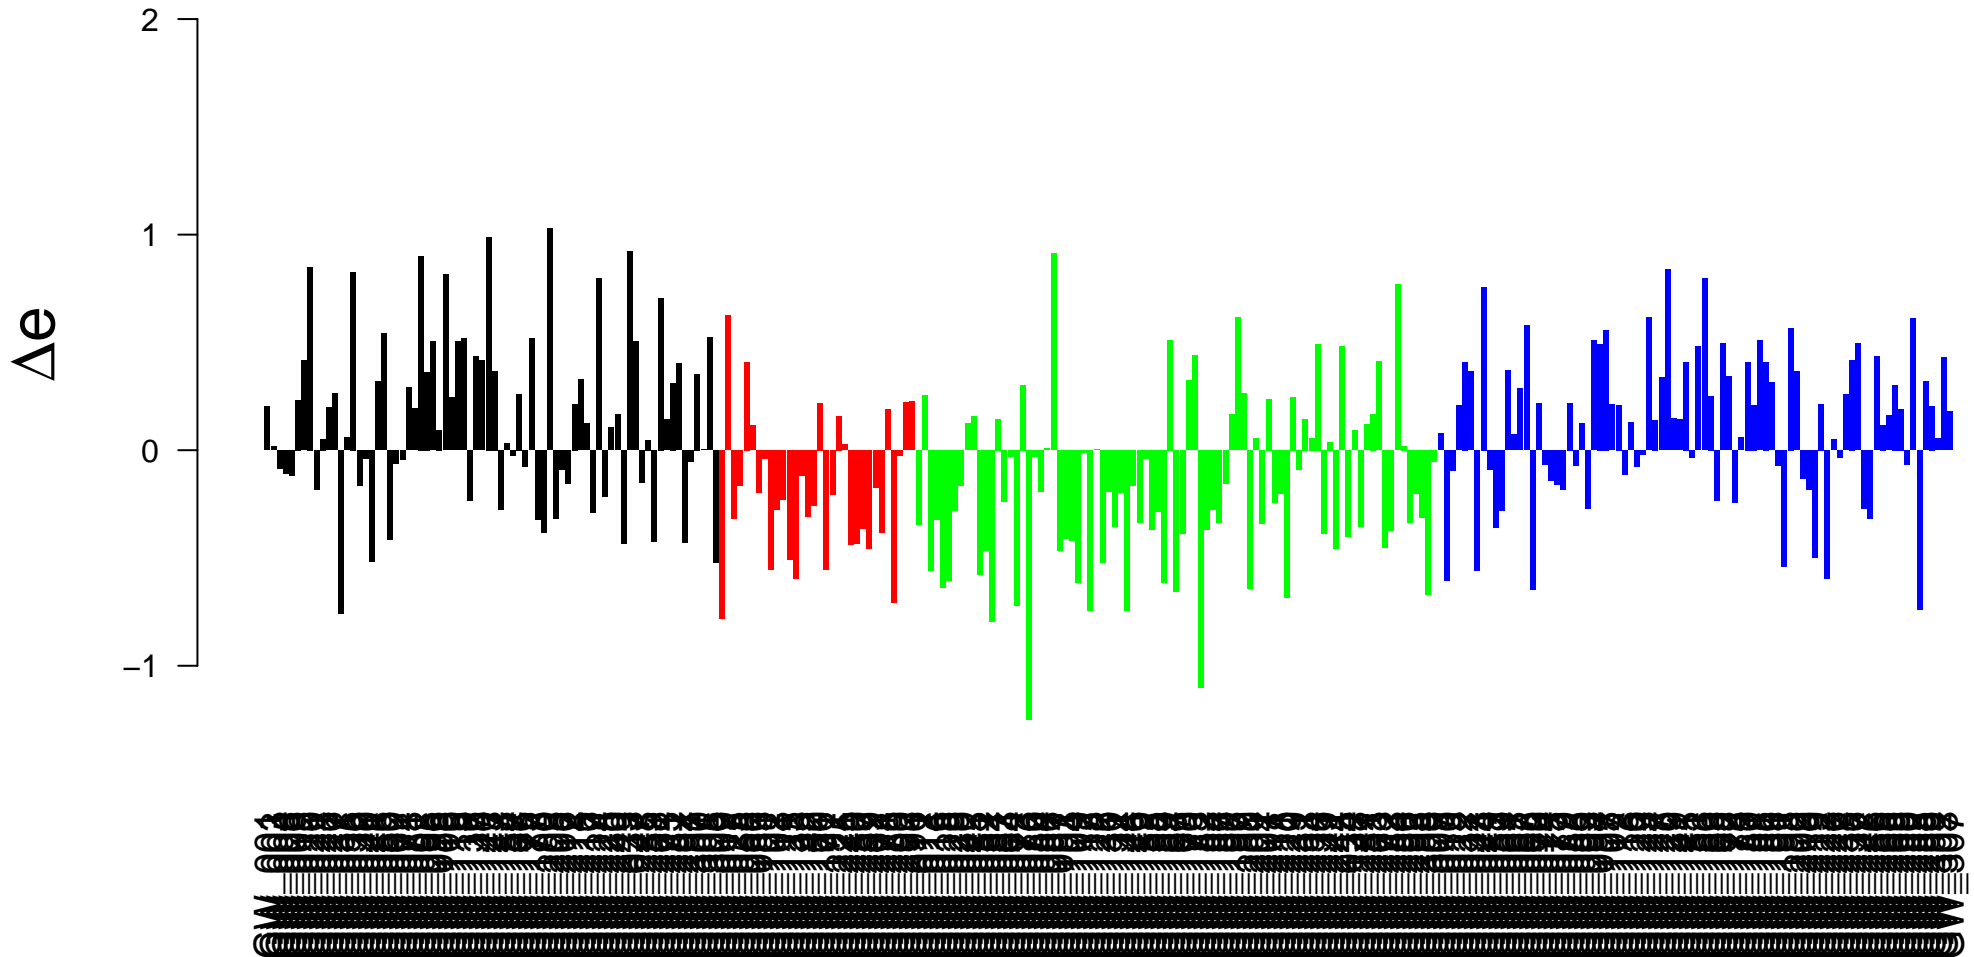

Expression of secretory granule in Spot B

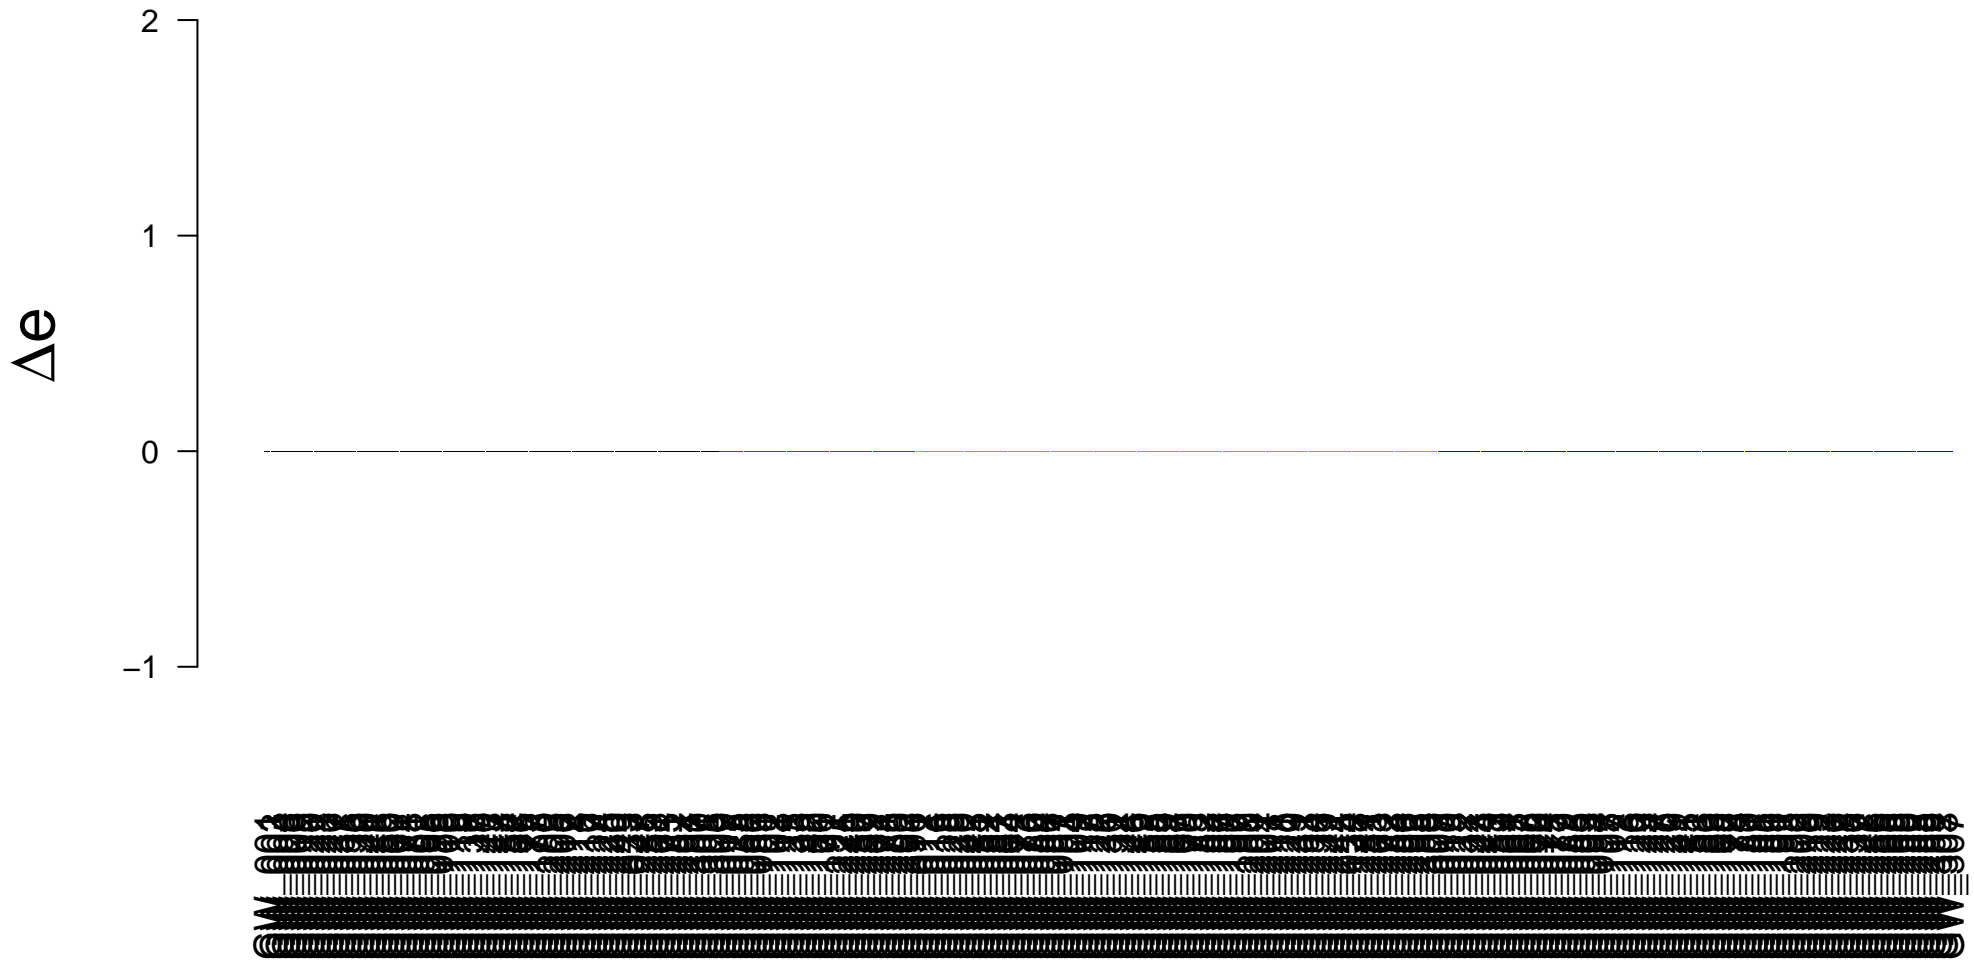

Expression of secretory granule in Spot C

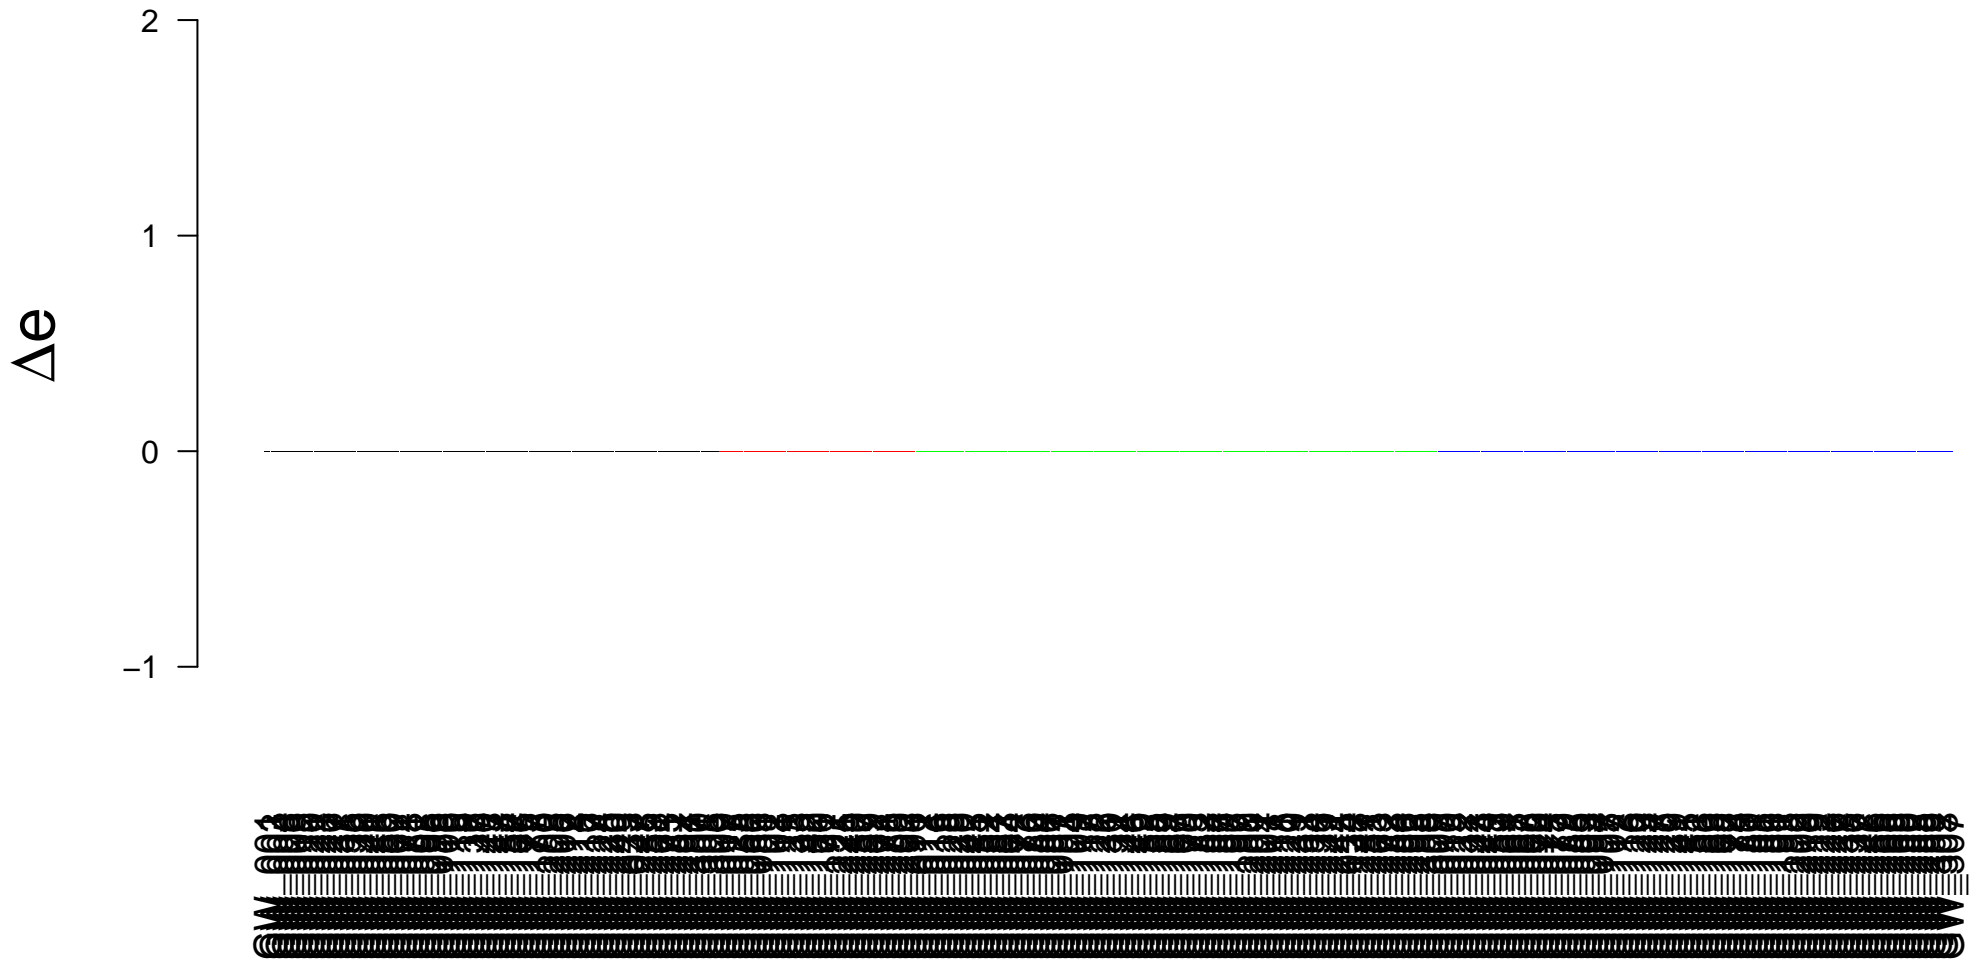

Expression of secretory granule in Spot D

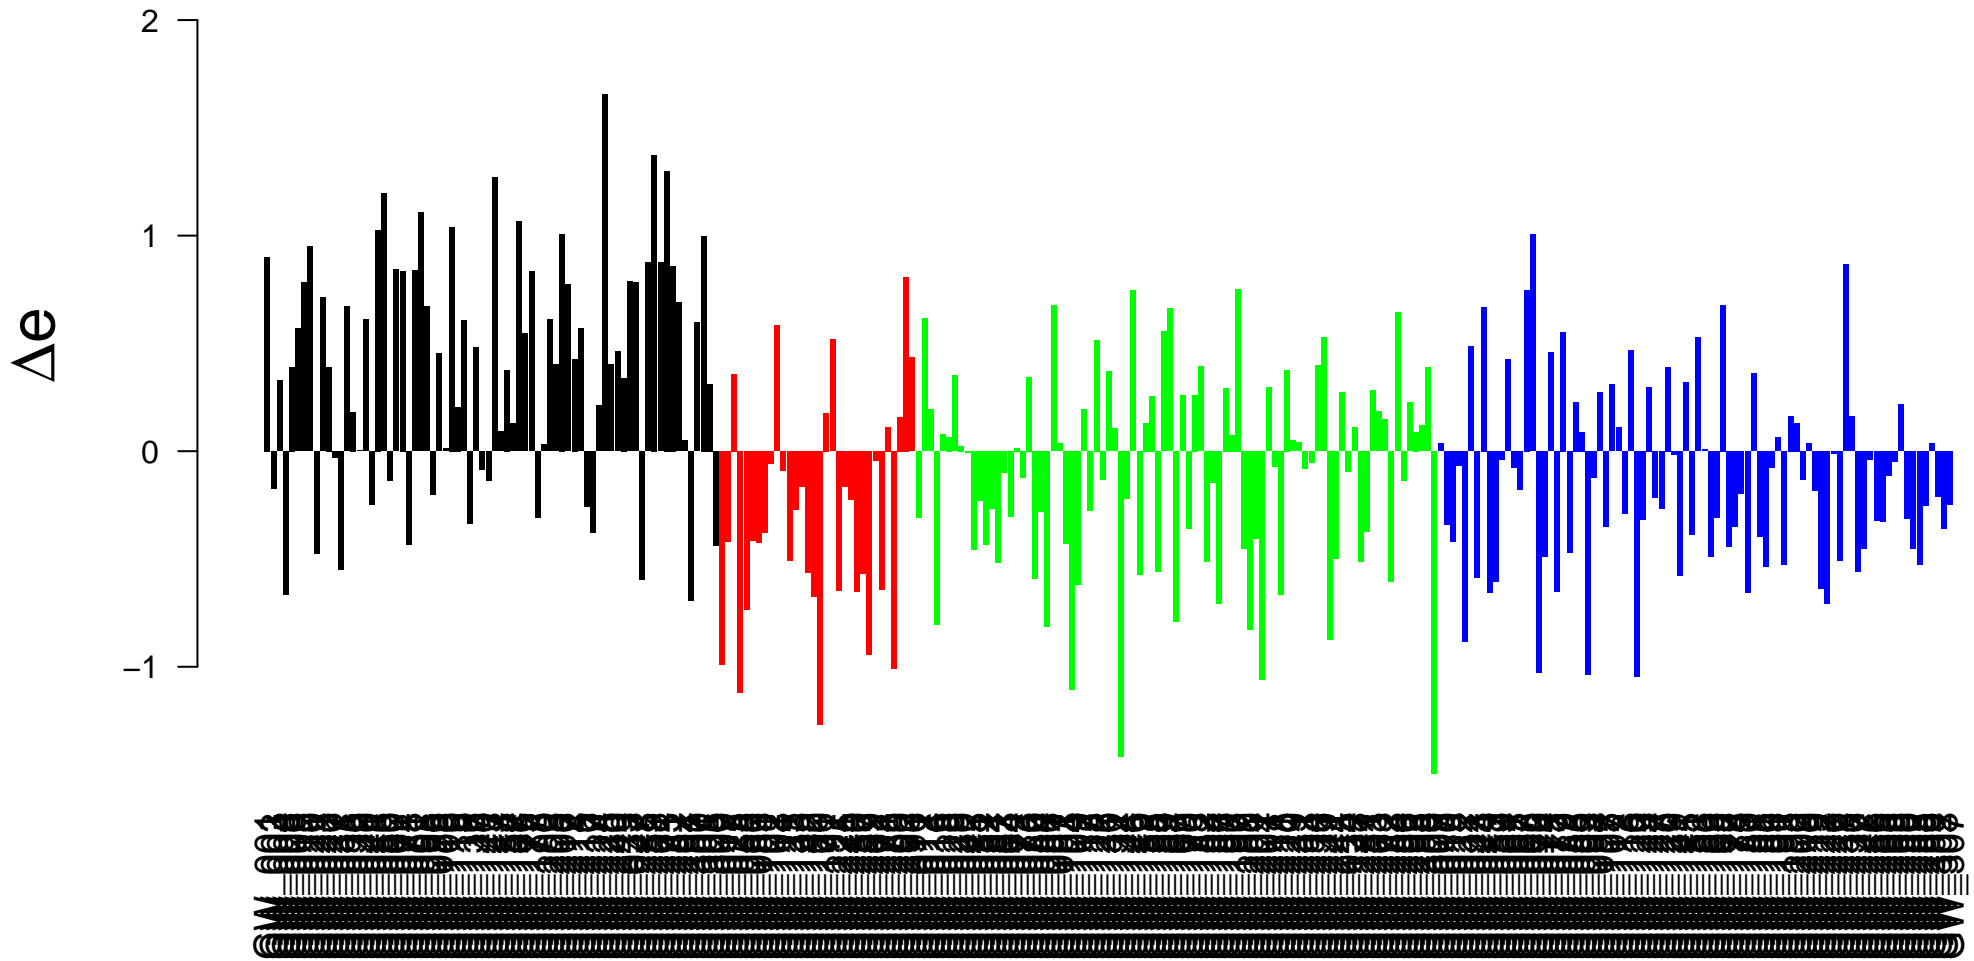

Expression of secretory granule in Spot E

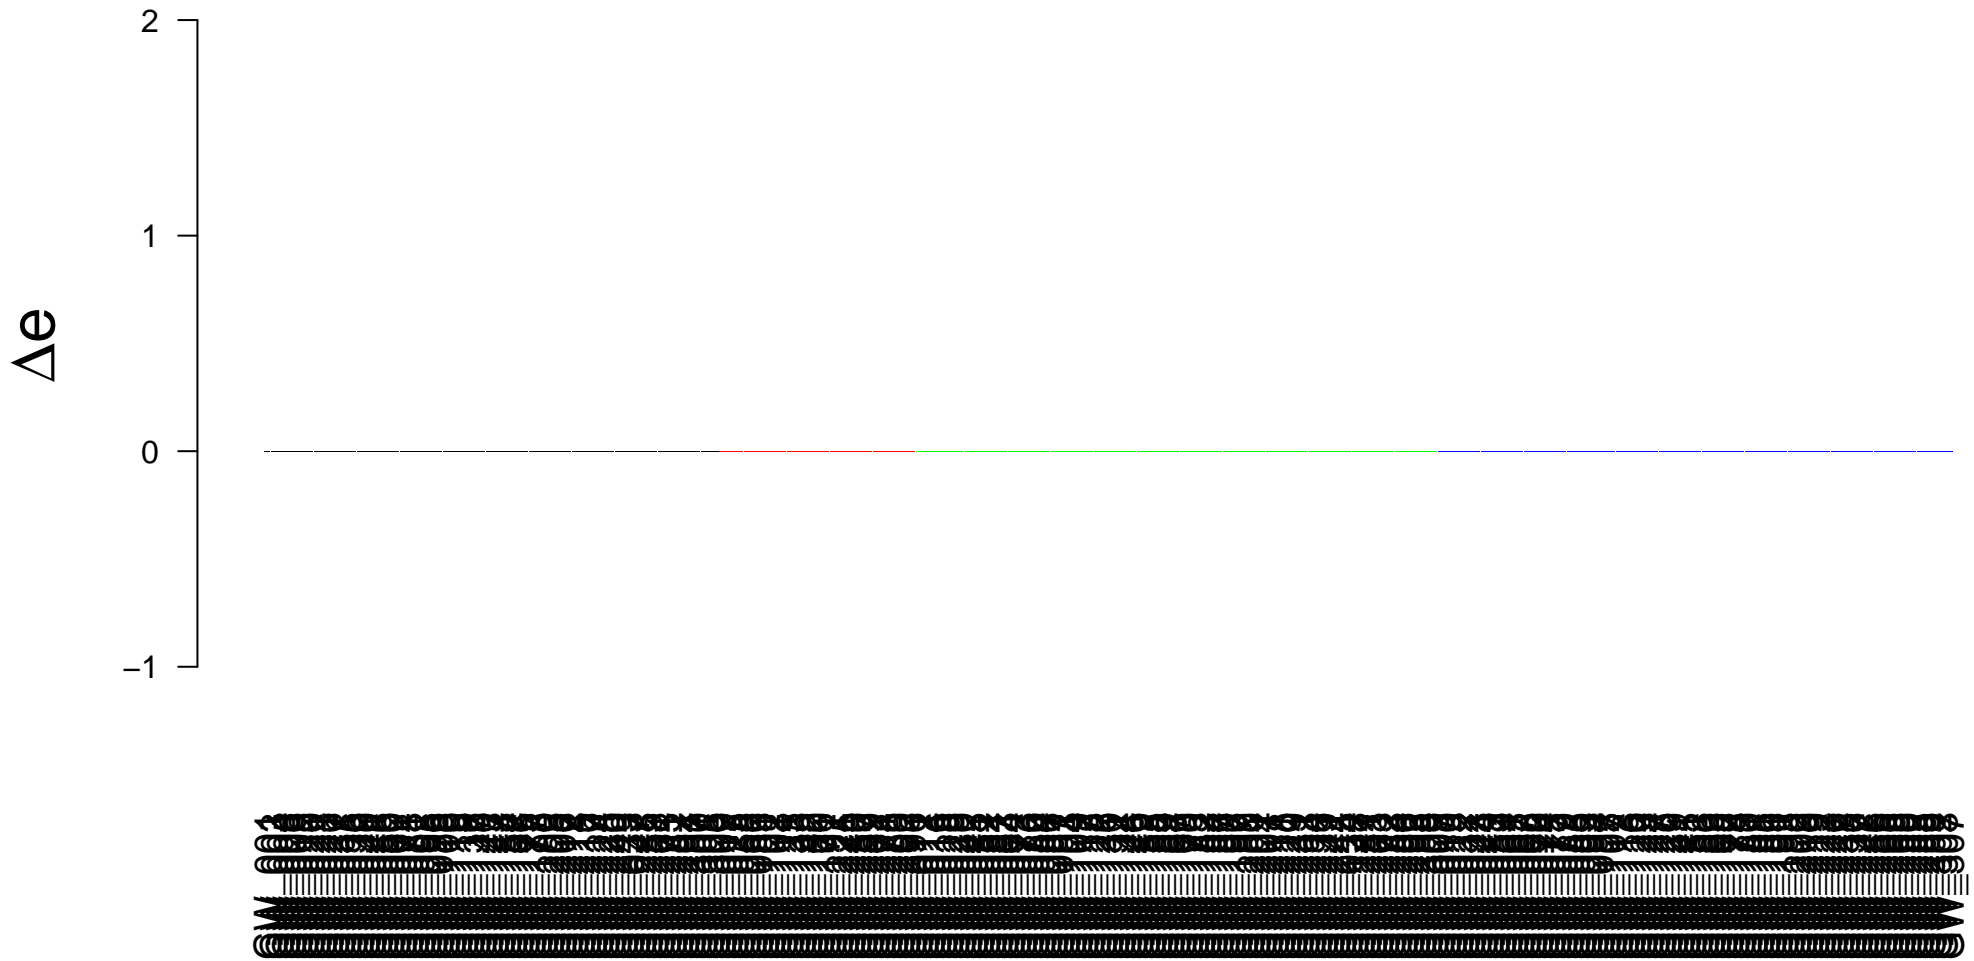

Expression of secretory granule in Spot F

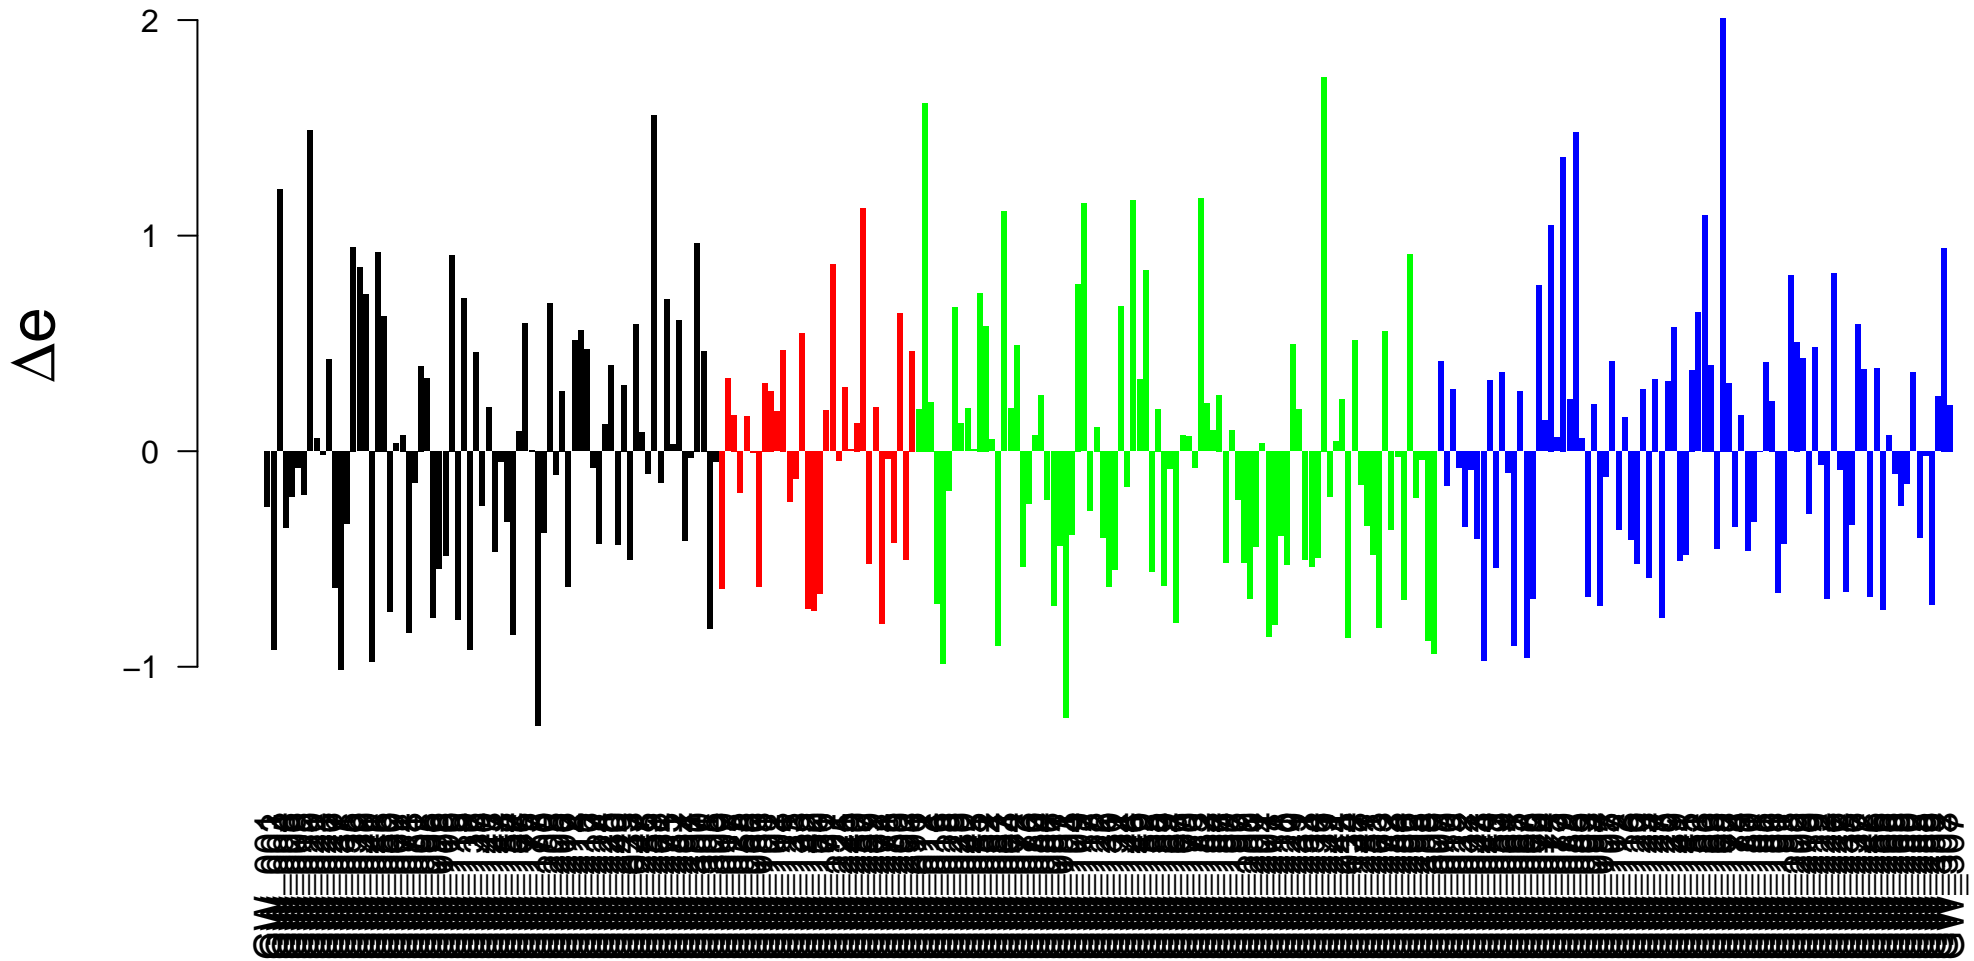

Expression of secretory granule in Spot G

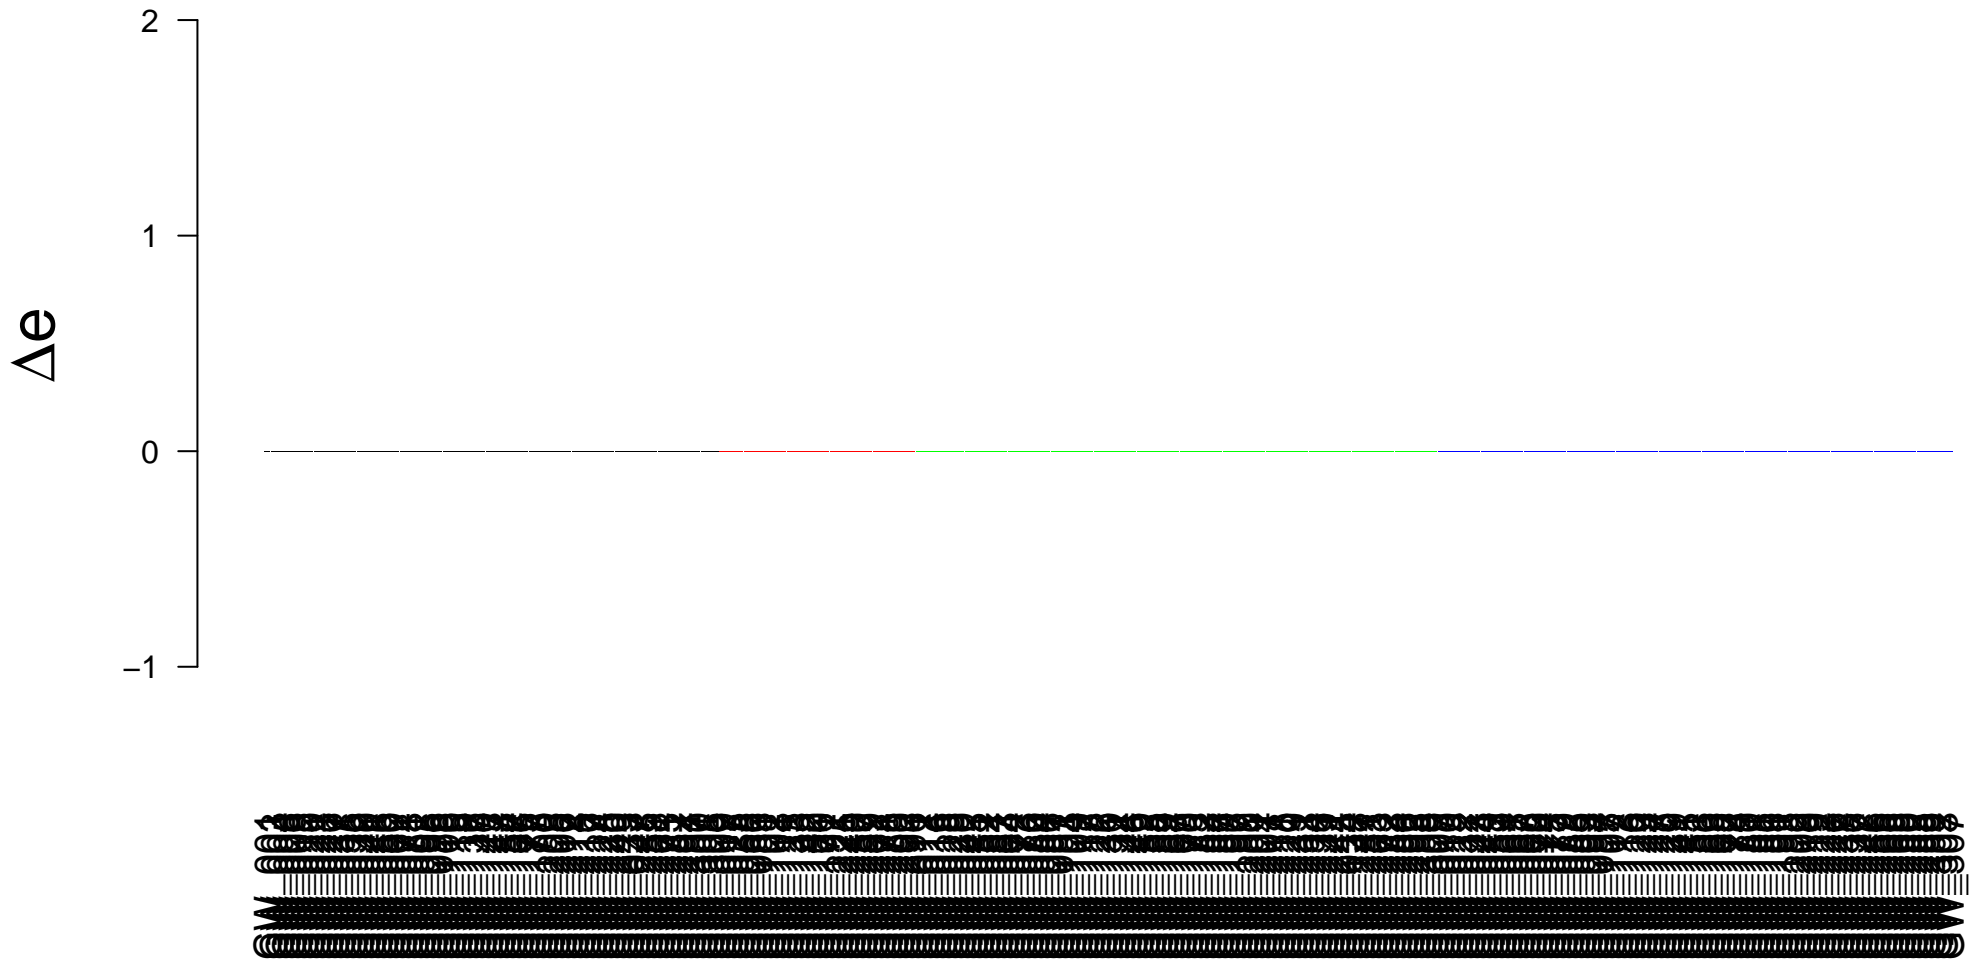

Expression of secretory granule in Spot H

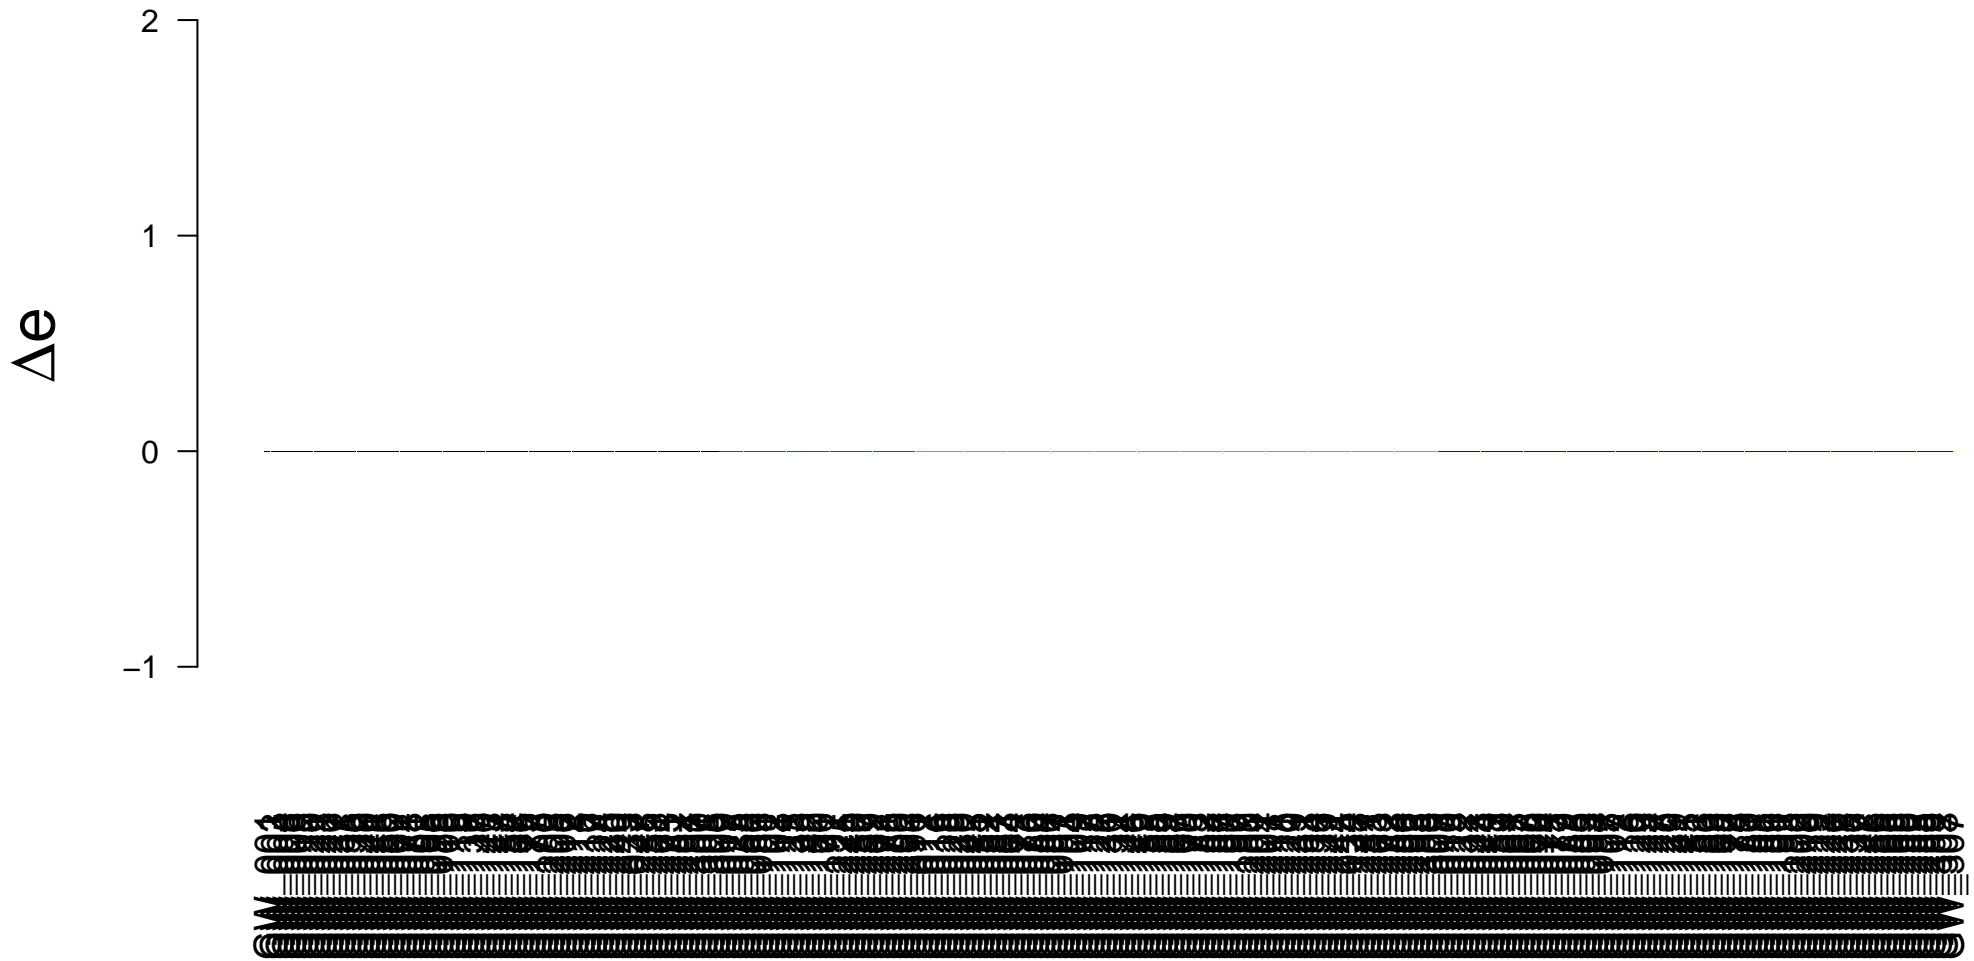

Expression of secretory granule in Spot I

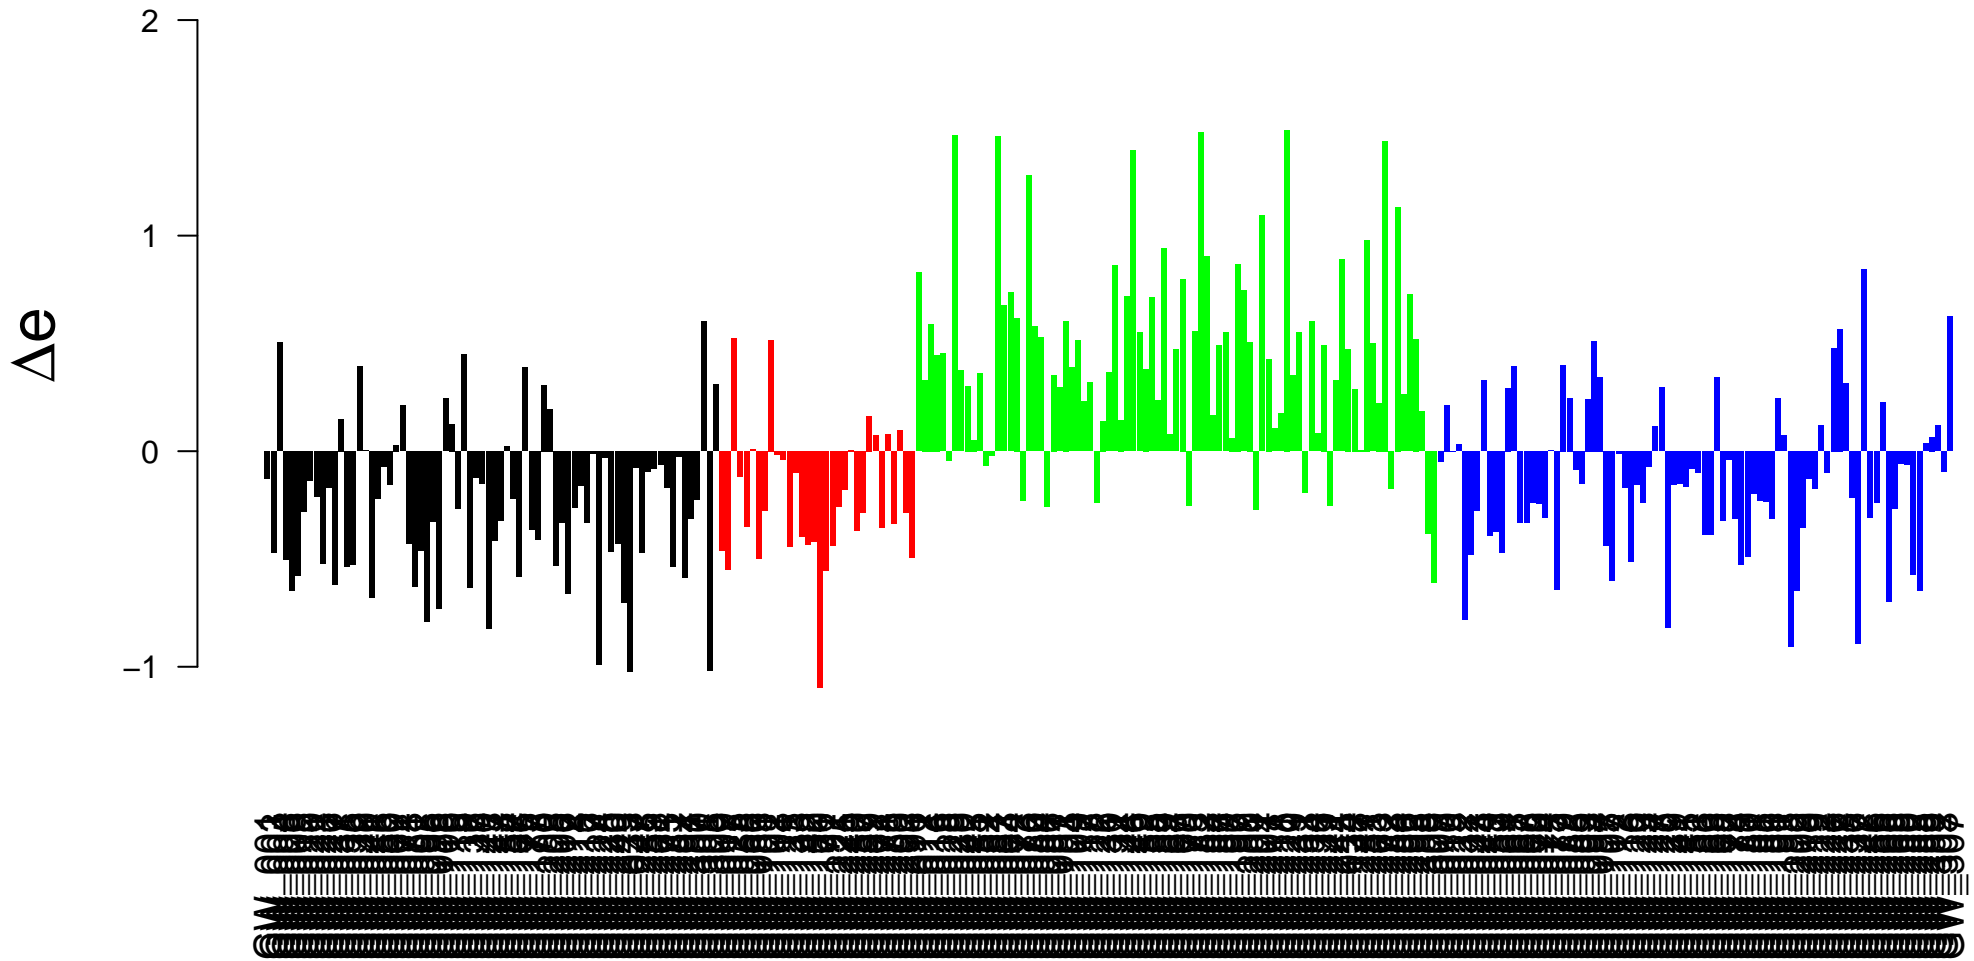

Expression of secretory granule in Spot J

Expression of secretory granule in Spot K

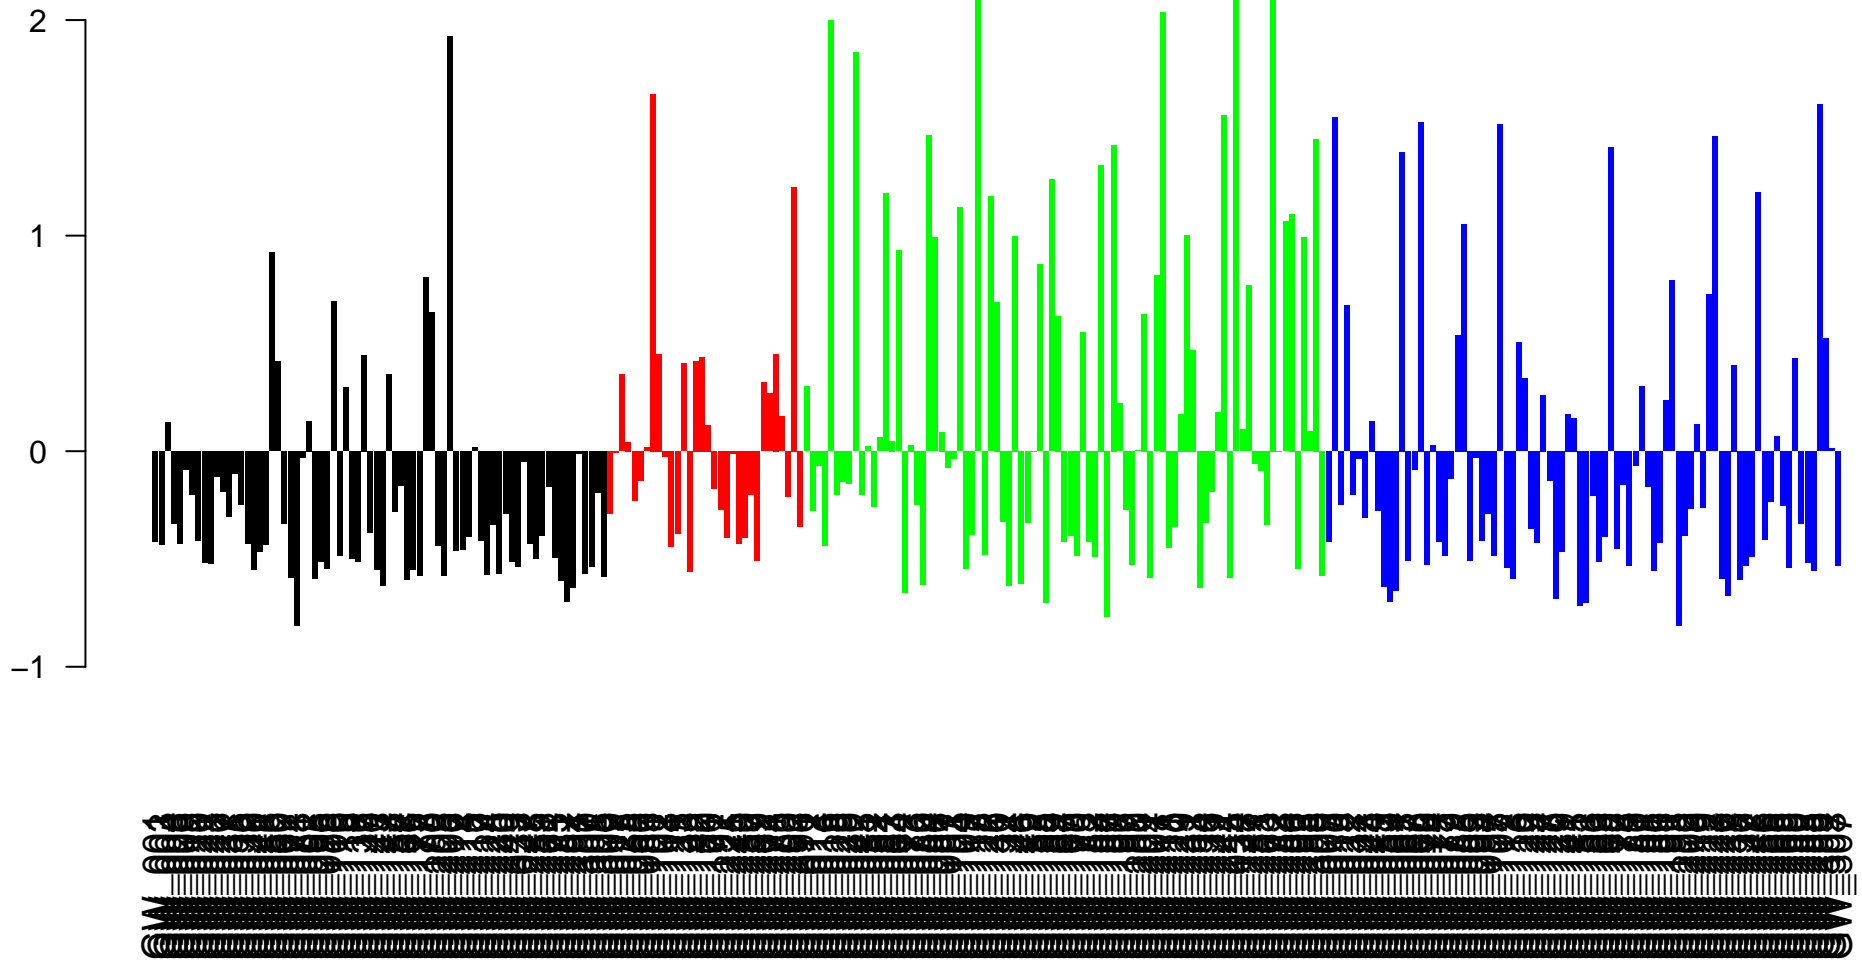

Expression of secretory granule in Spot L

Expression of secretory granule in Spot M

Δe

Expression of secretory granule in Spot N
