

serine-type peptidase activity

# serine-type peptidase activity

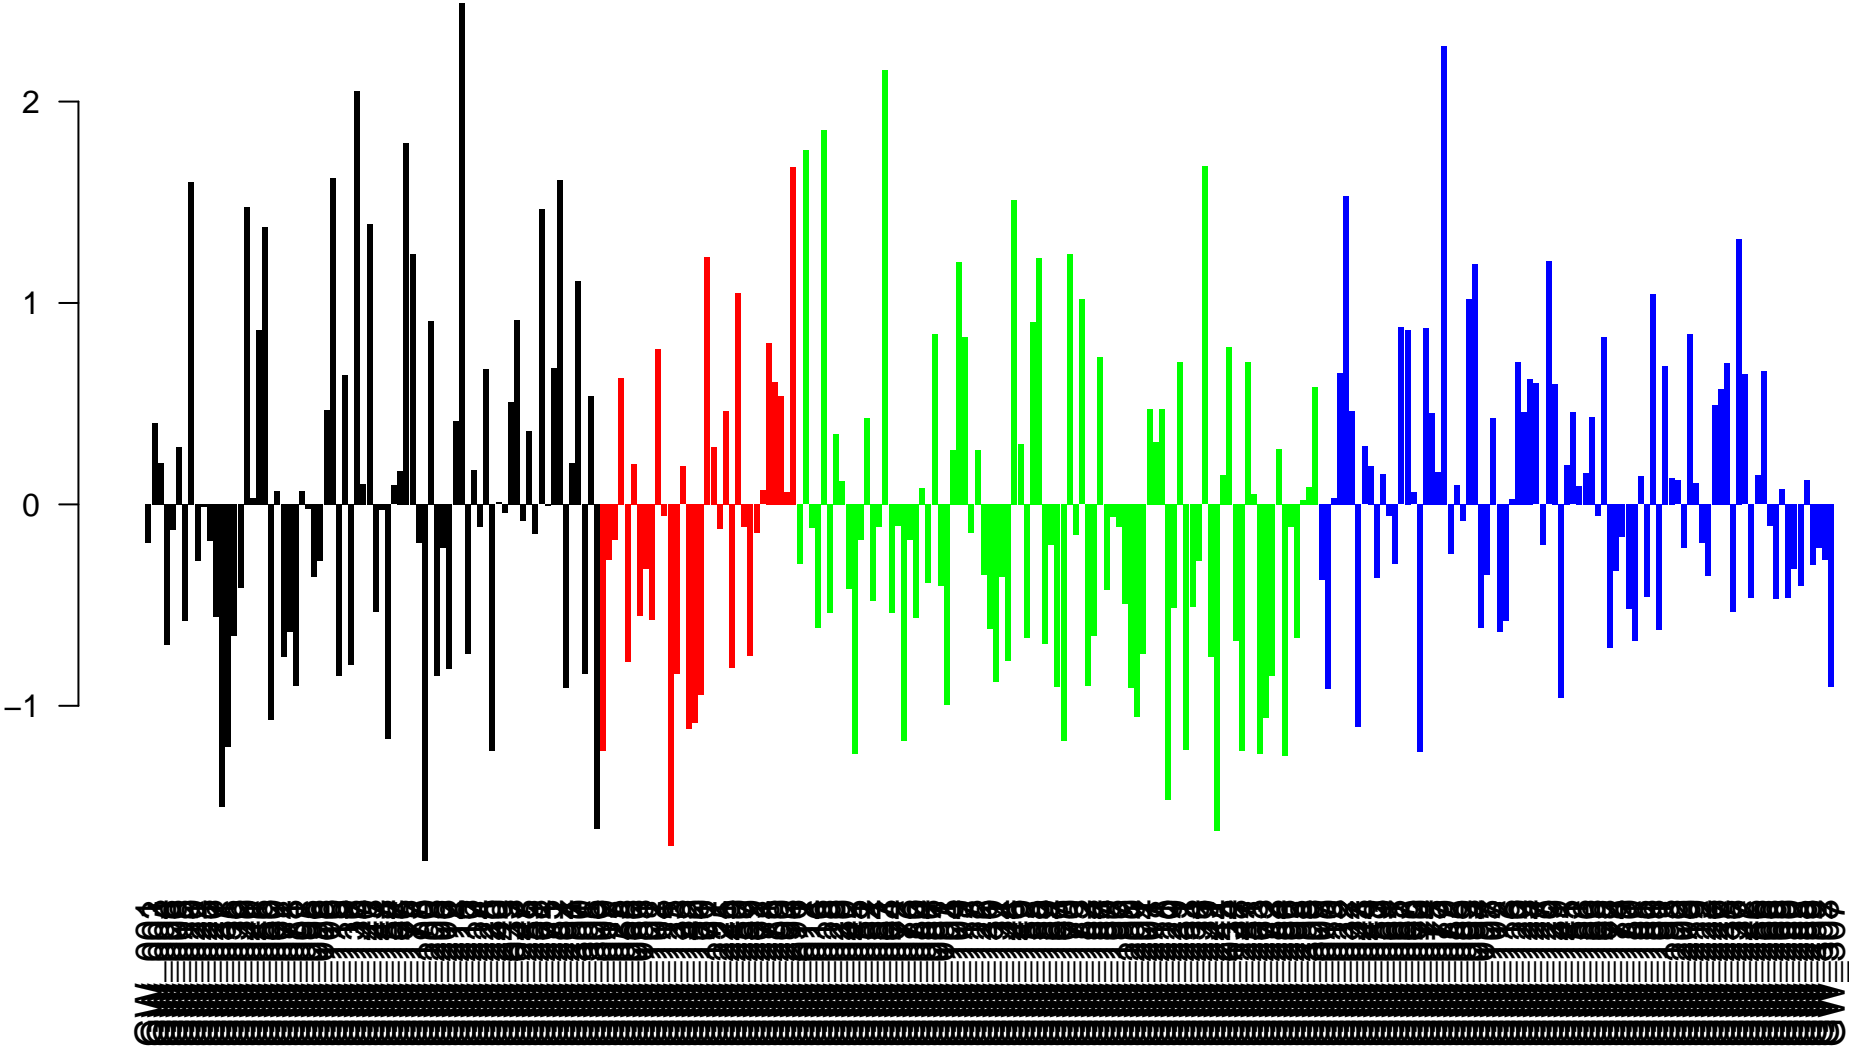

### Enrichment in spots: serine-type peptidase activity

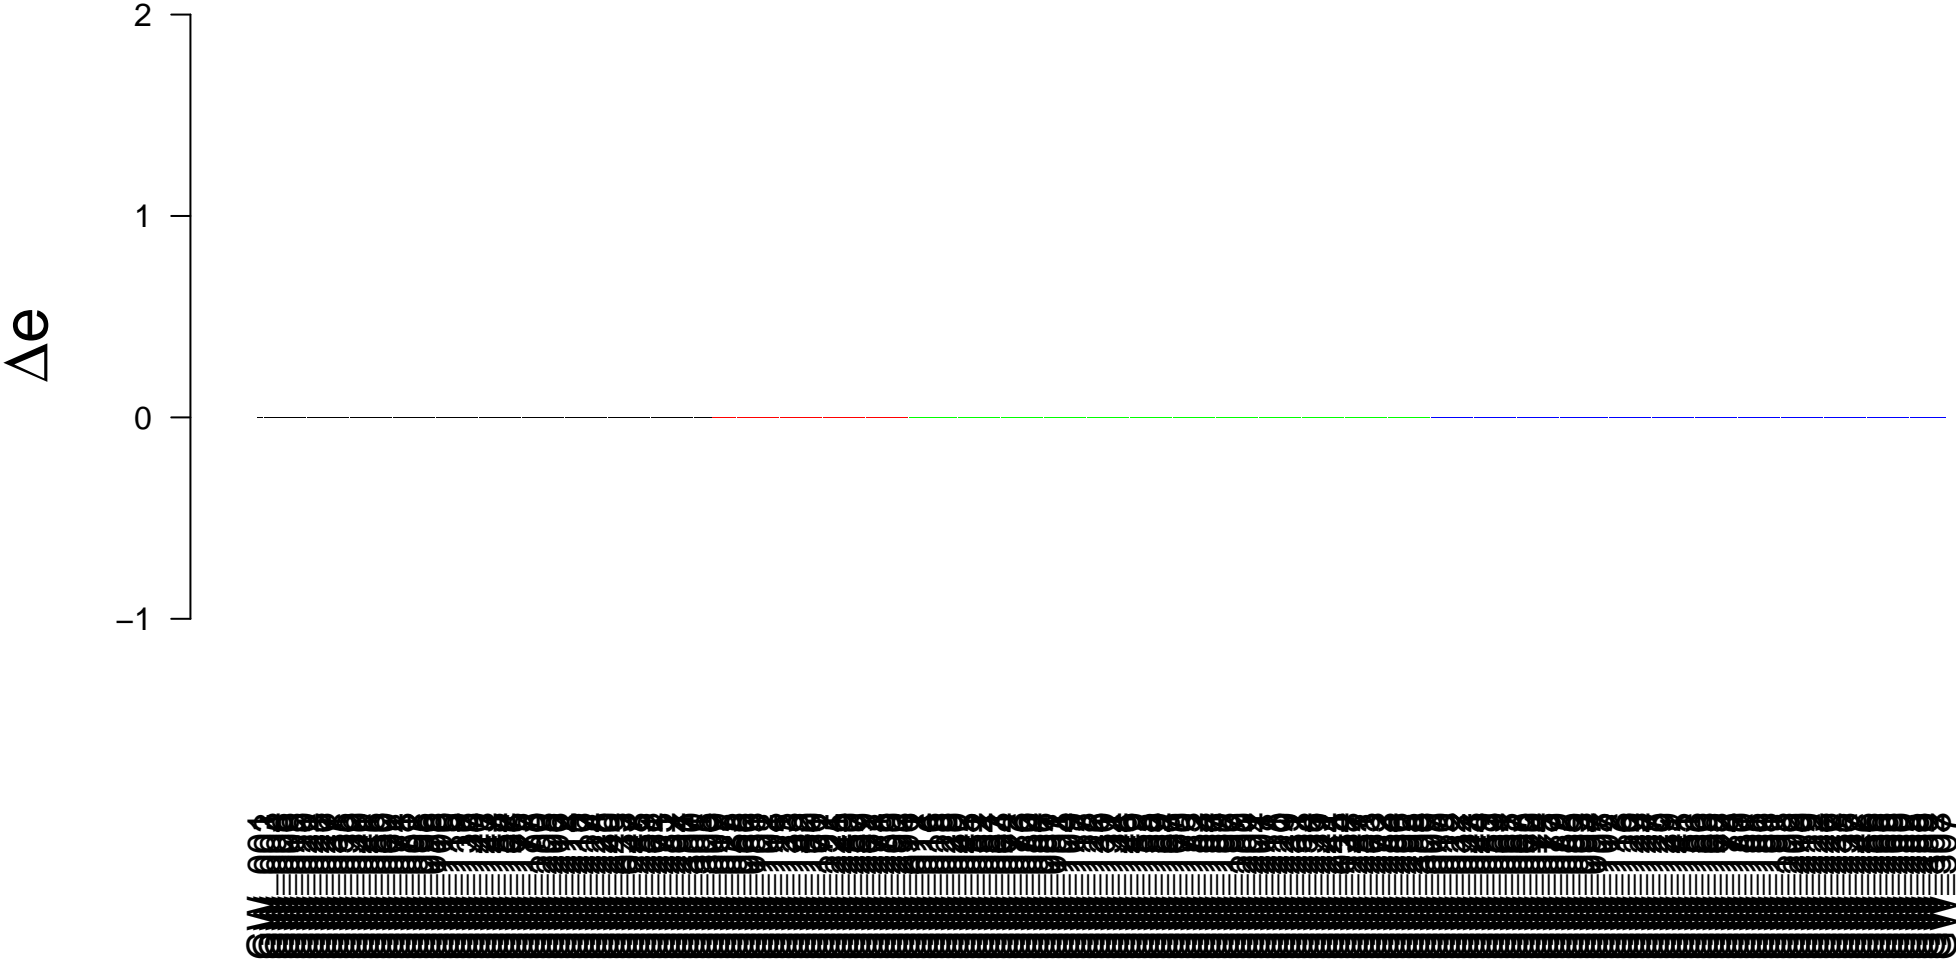

Expression of serine-type peptidase activity in Spot A

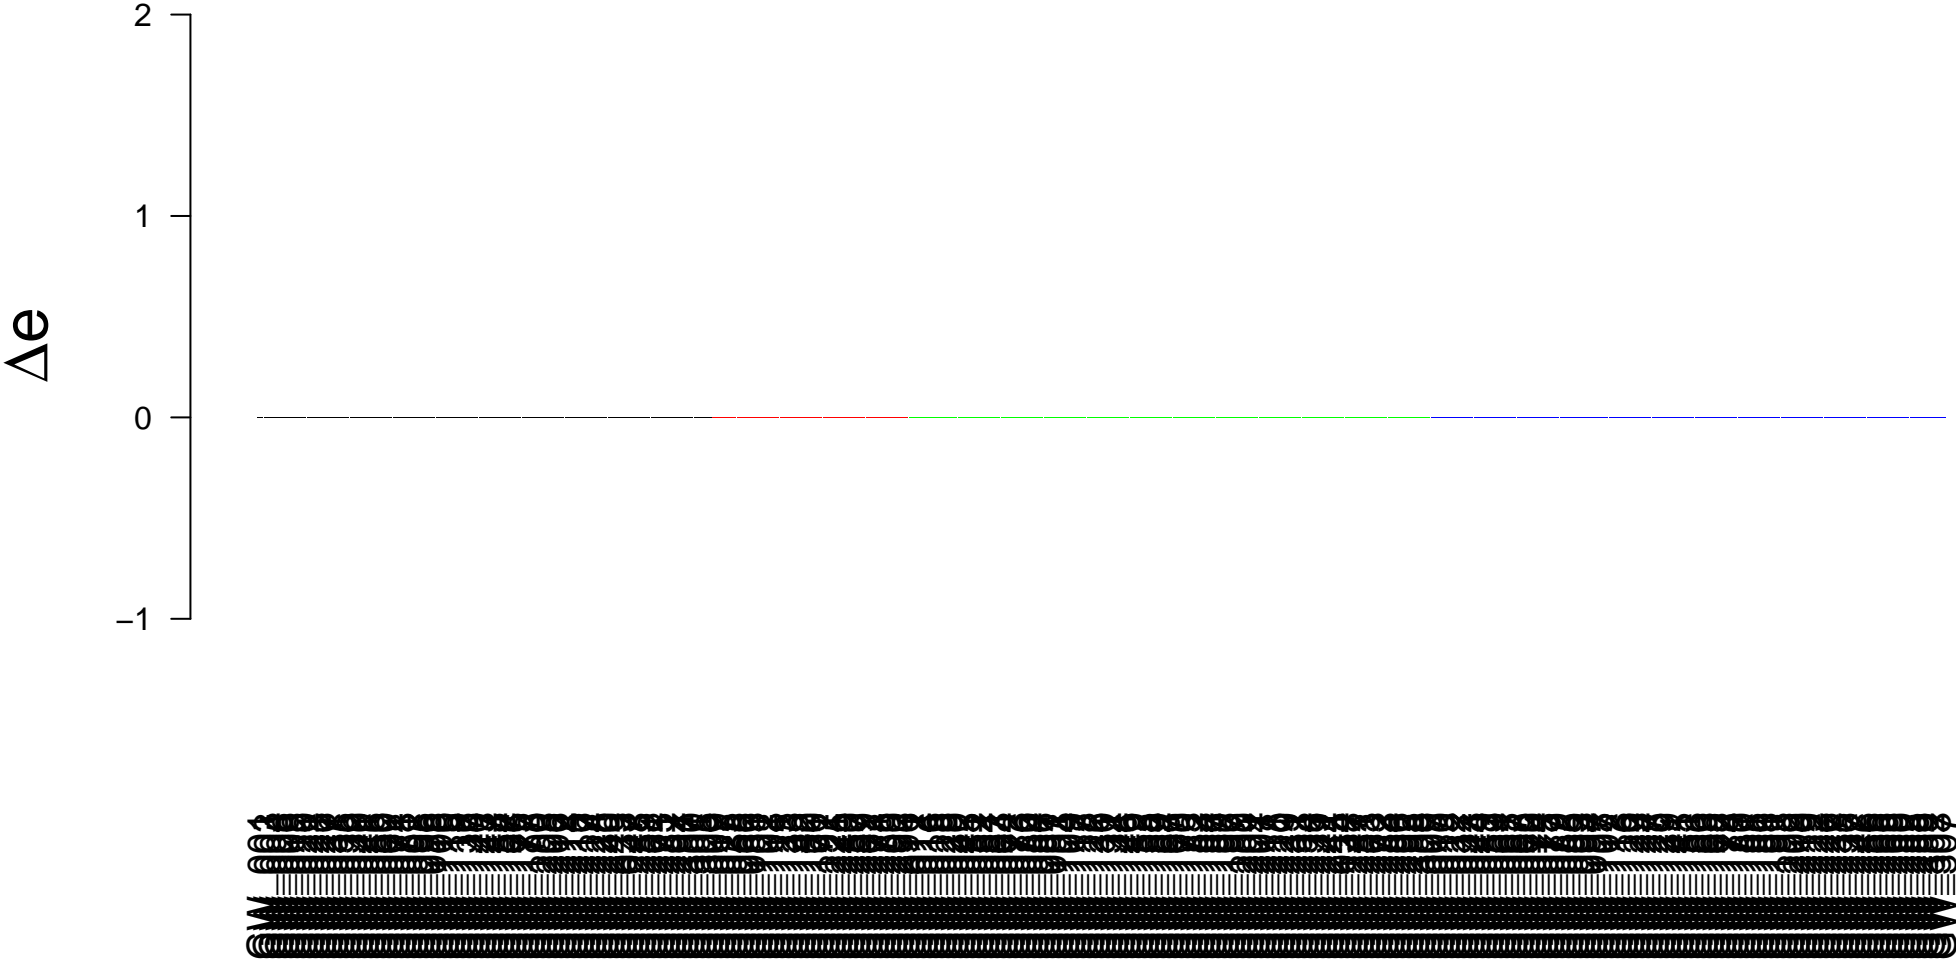

$\Delta e$

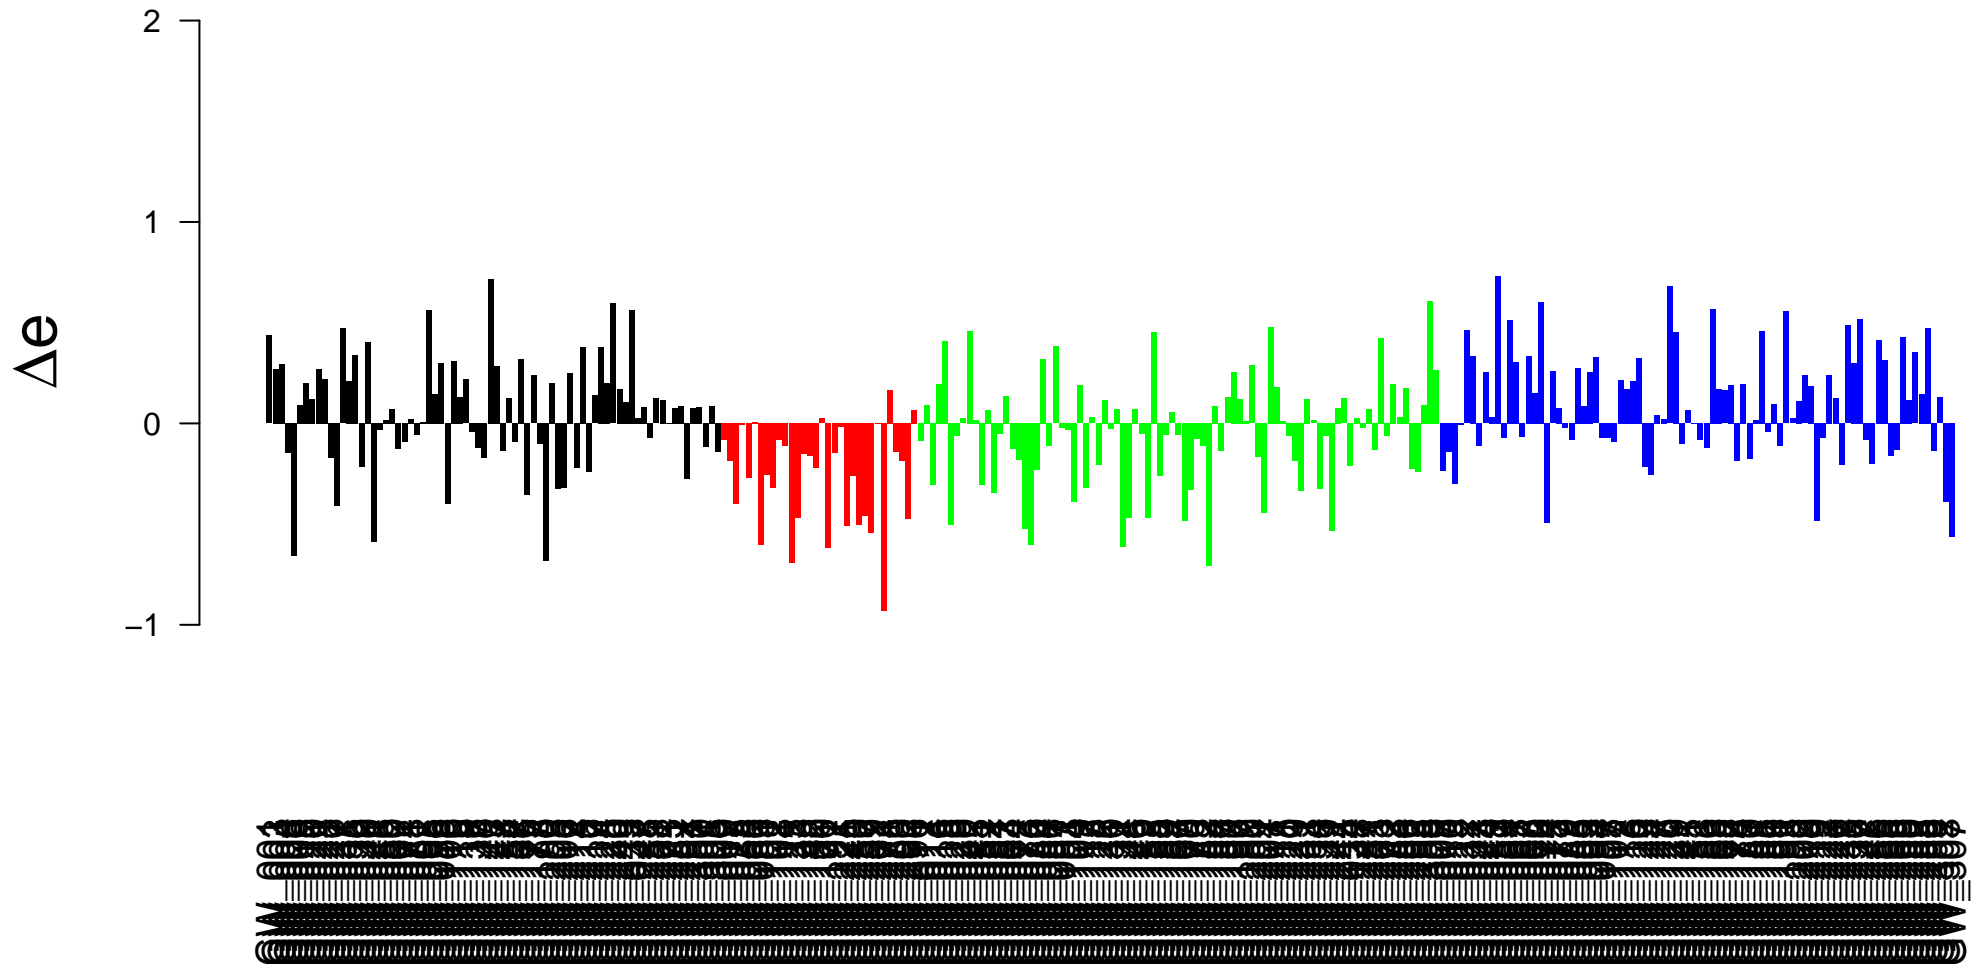

Expression of serine-type peptidase activity in Spot B

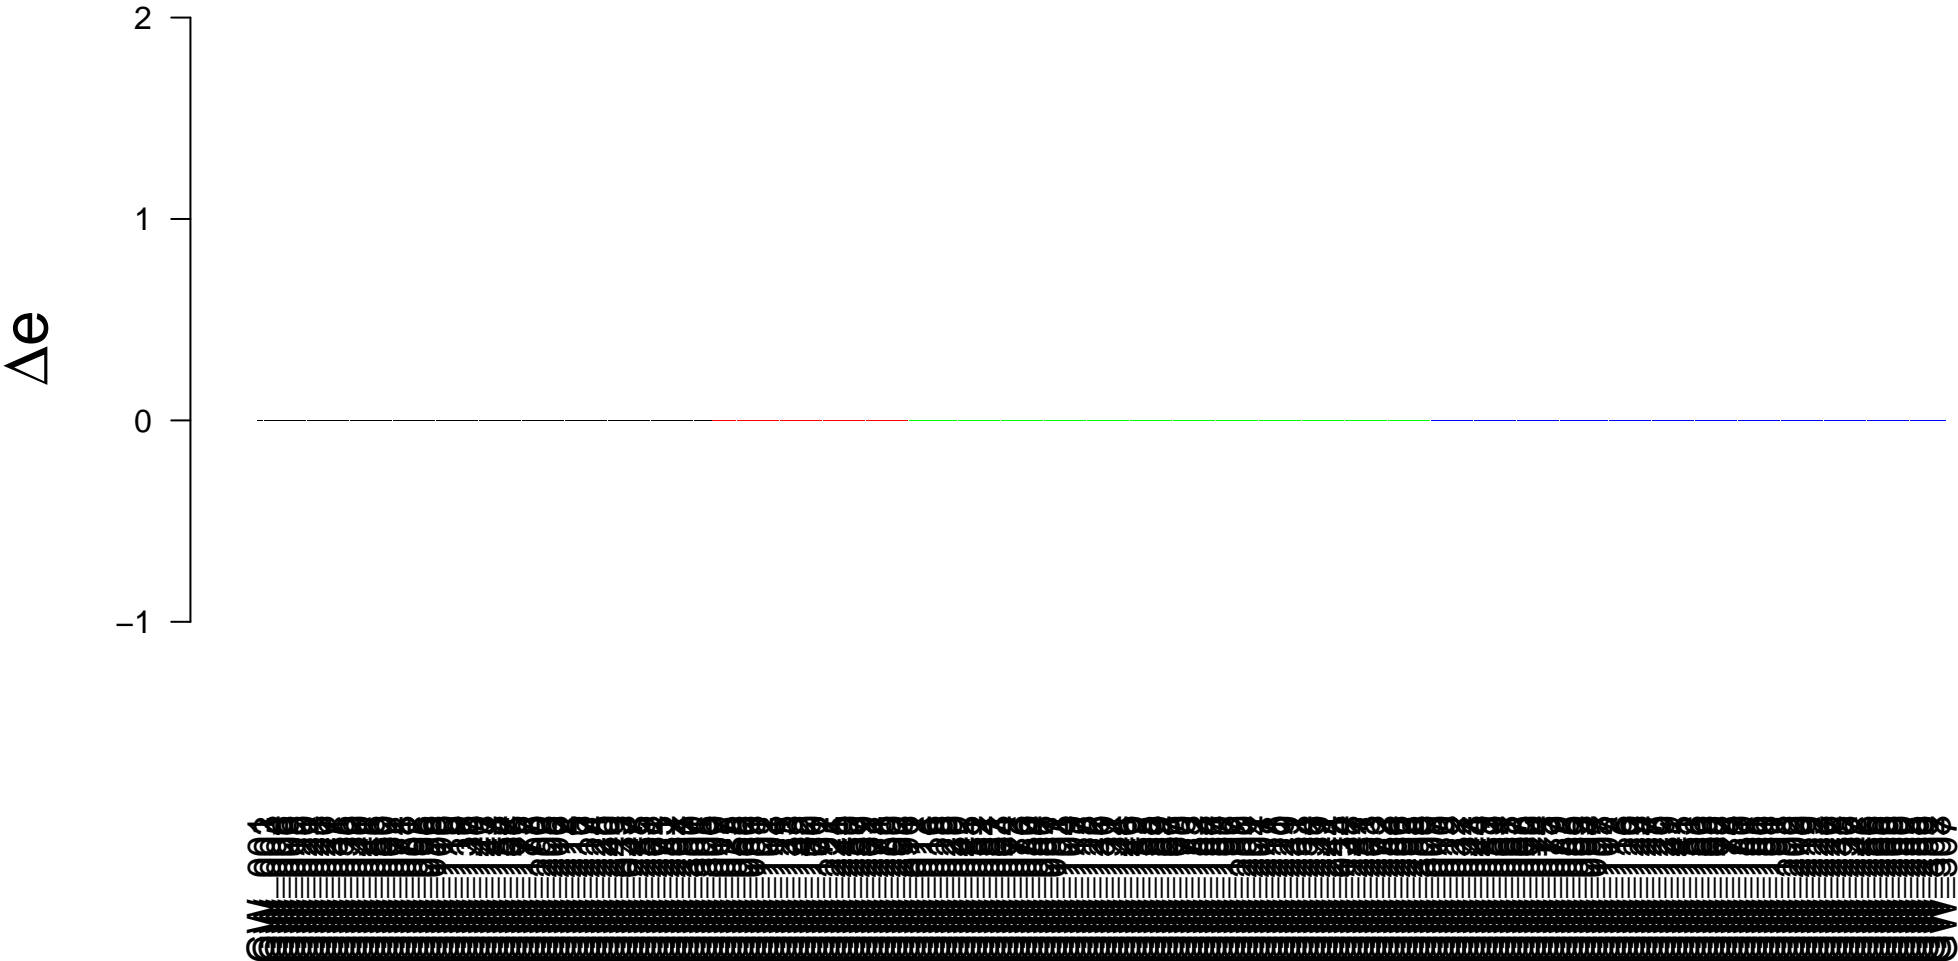

Expression of serine-type peptidase activity in Spot C

# Expression of serine-type peptidase activity in Spot D

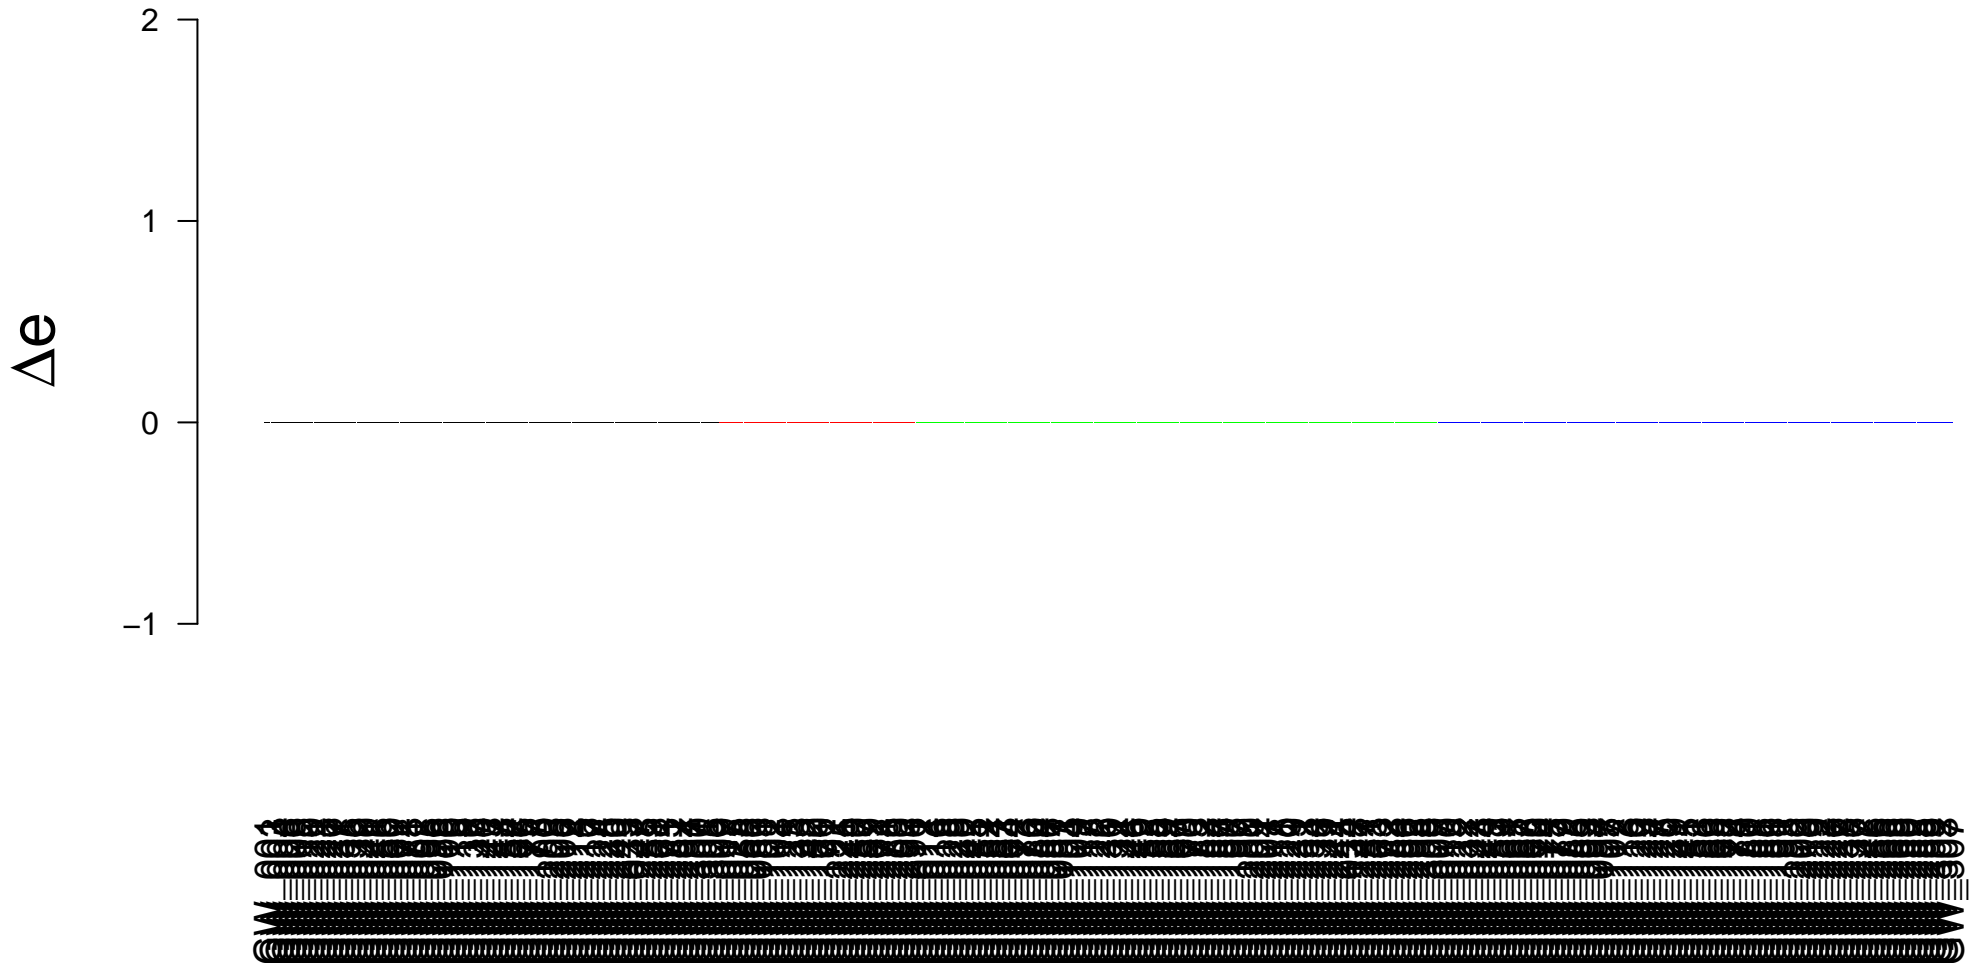

Expression of serine-type peptidase activity in Spot E

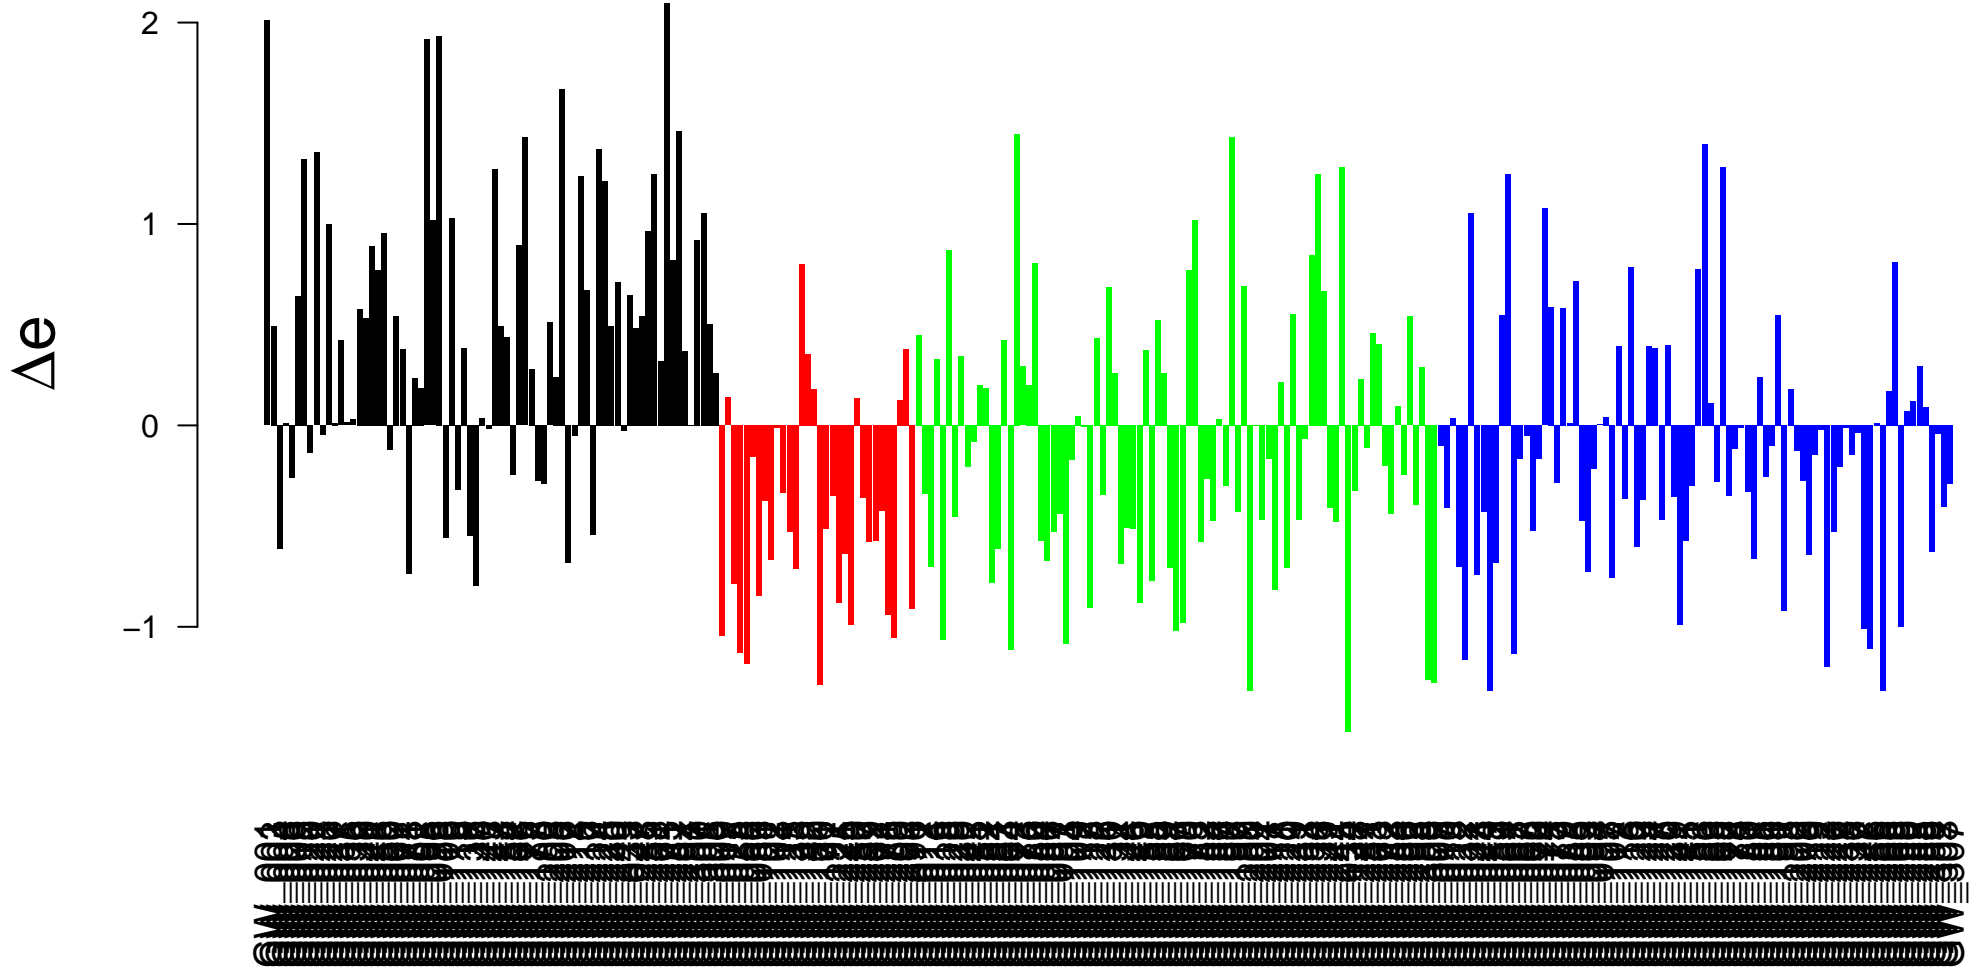

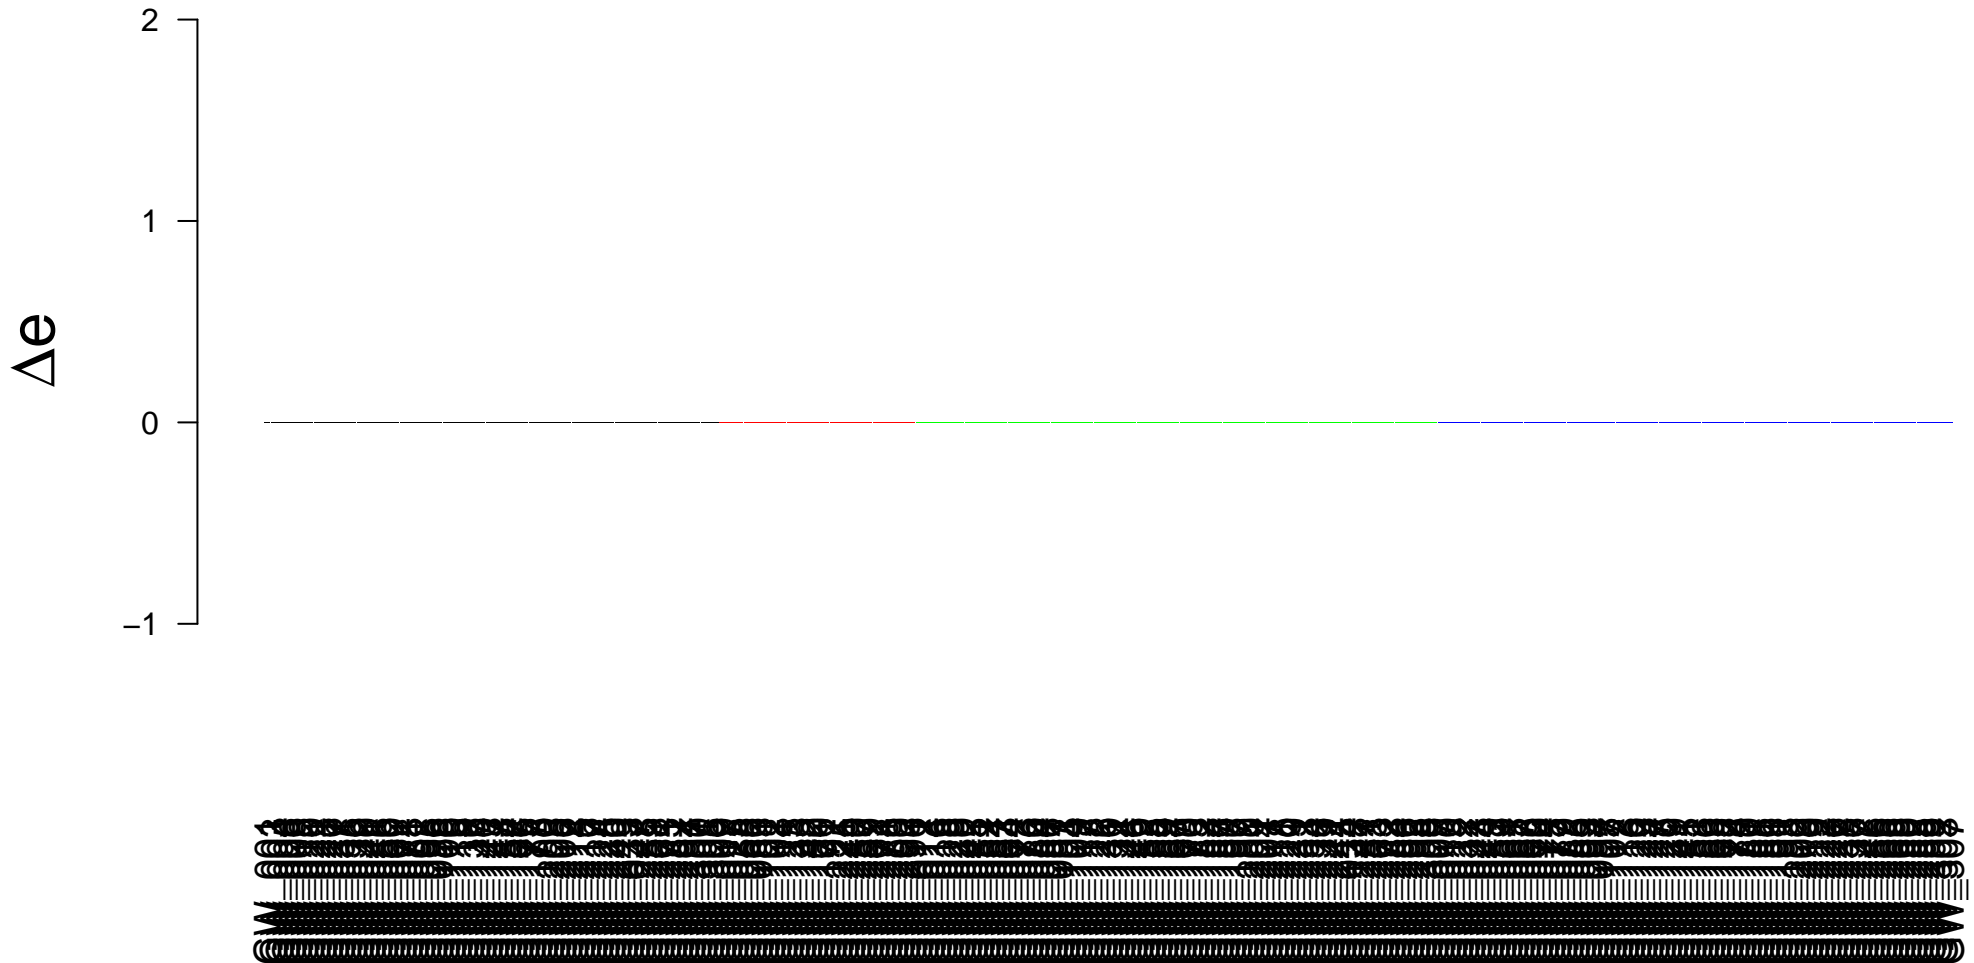

# Expression of serine-type peptidase activity in Spot F

# Expression of serine-type peptidase activity in Spot G

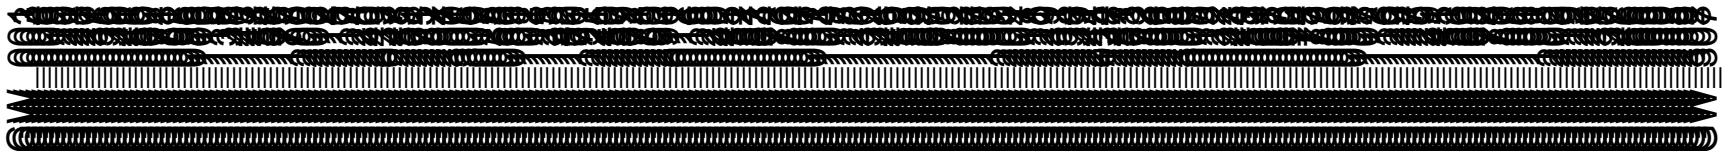

# Expression of serine-type peptidase activity in Spot H

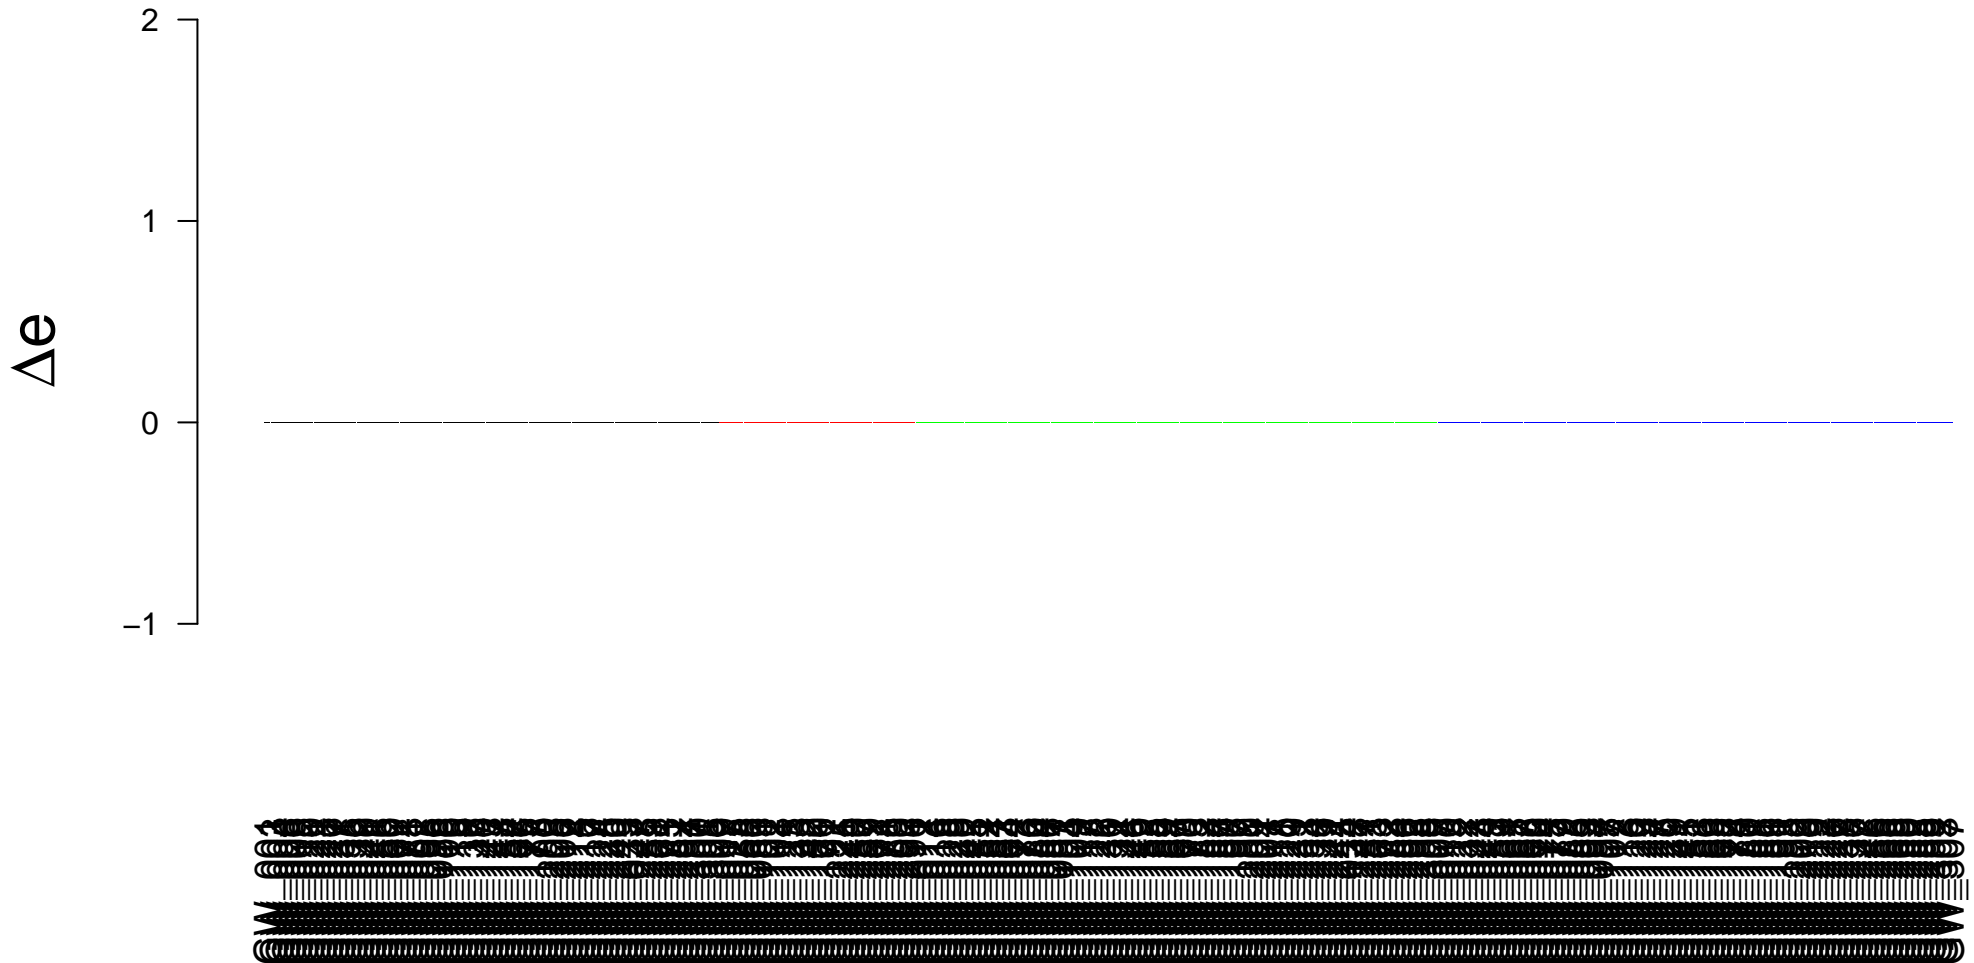

# Expression of serine-type peptidase activity in Spot I

$\Delta e$
