

skeletal muscle fiber development

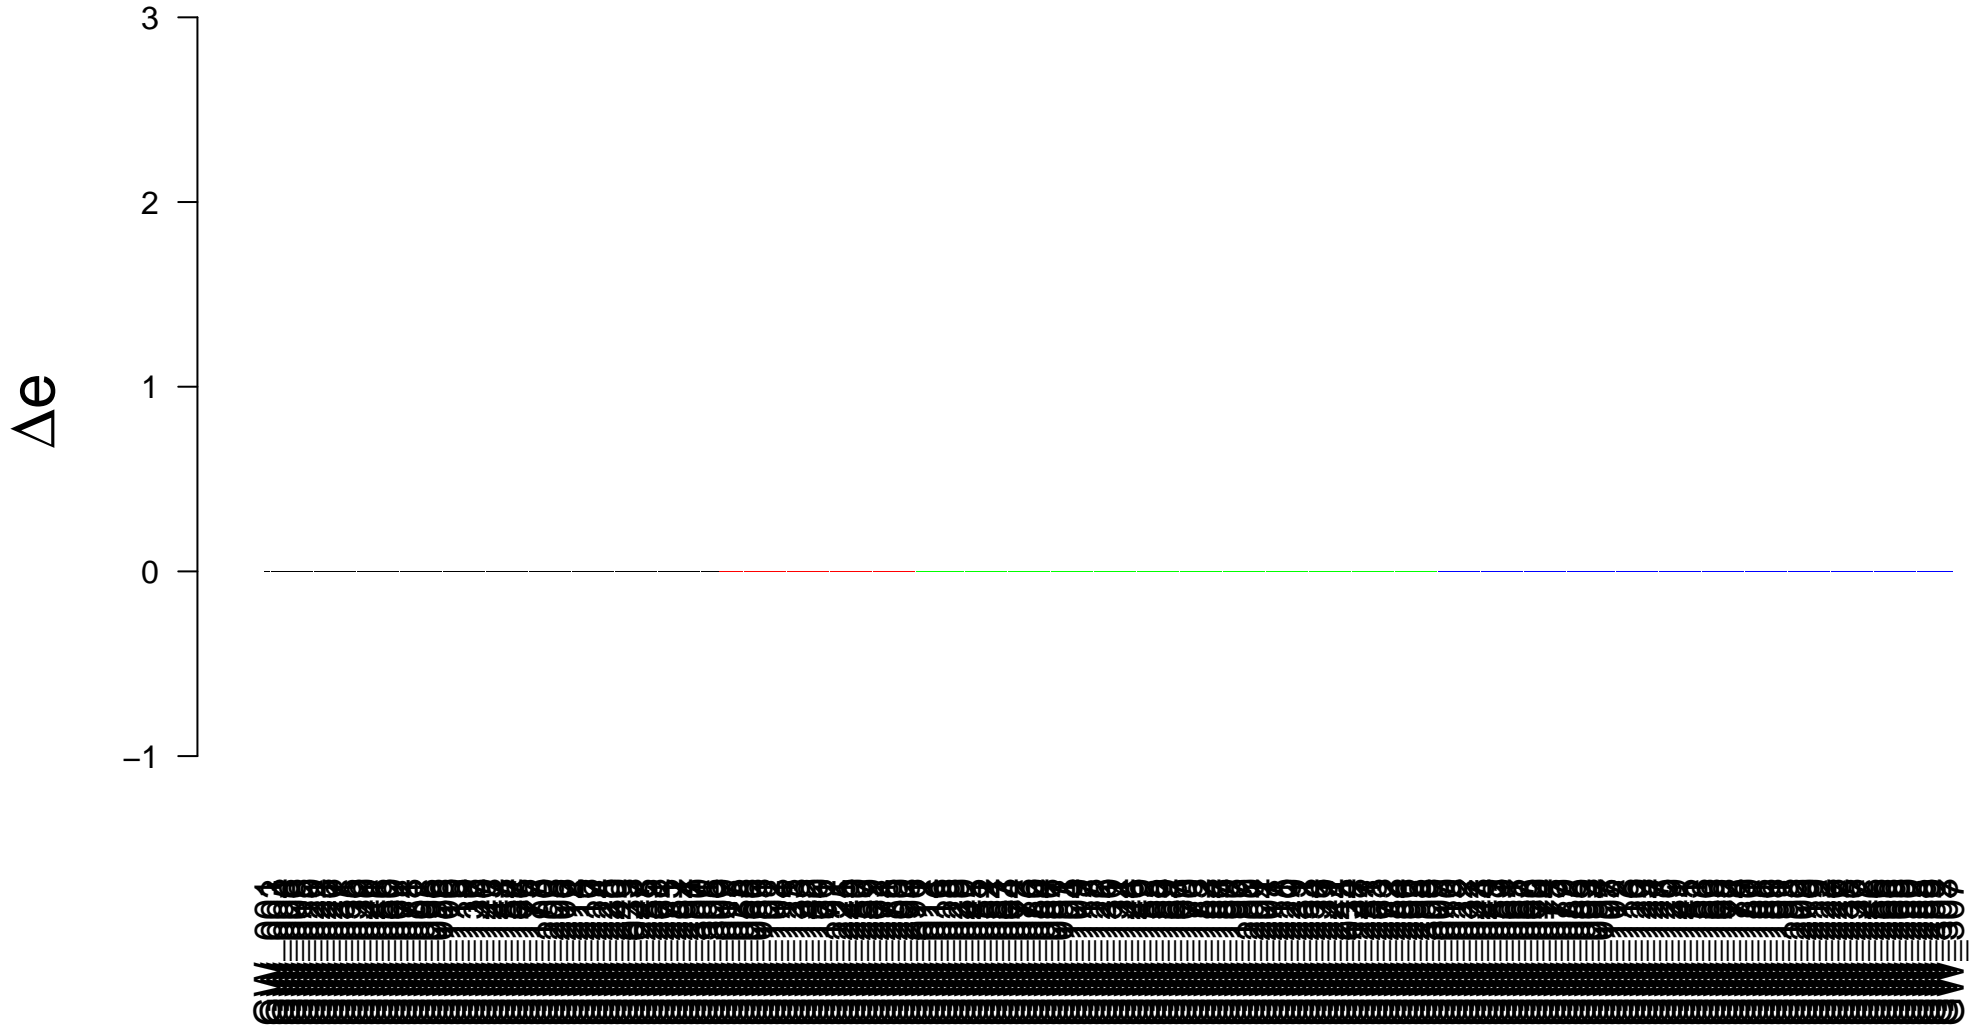

skeletal muscle fiber development

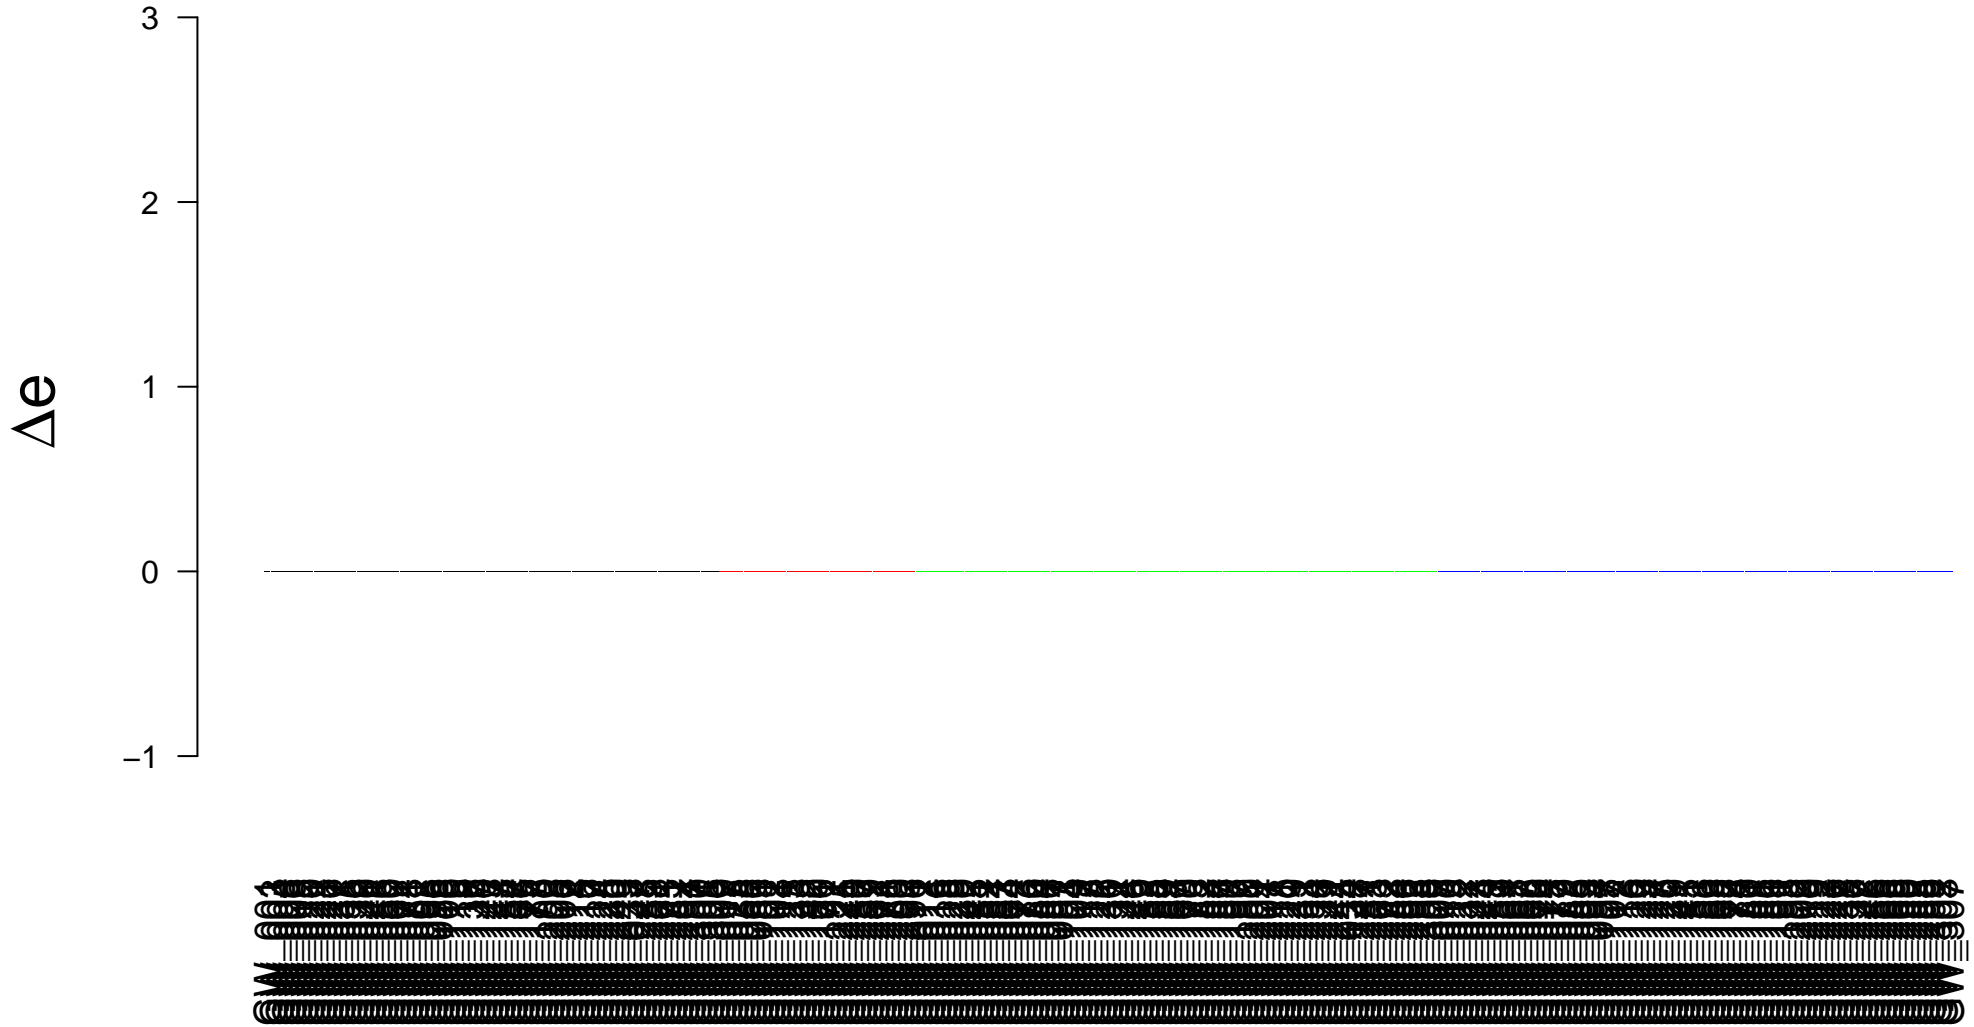

Enrichment in spots: skeletal muscle fiber development

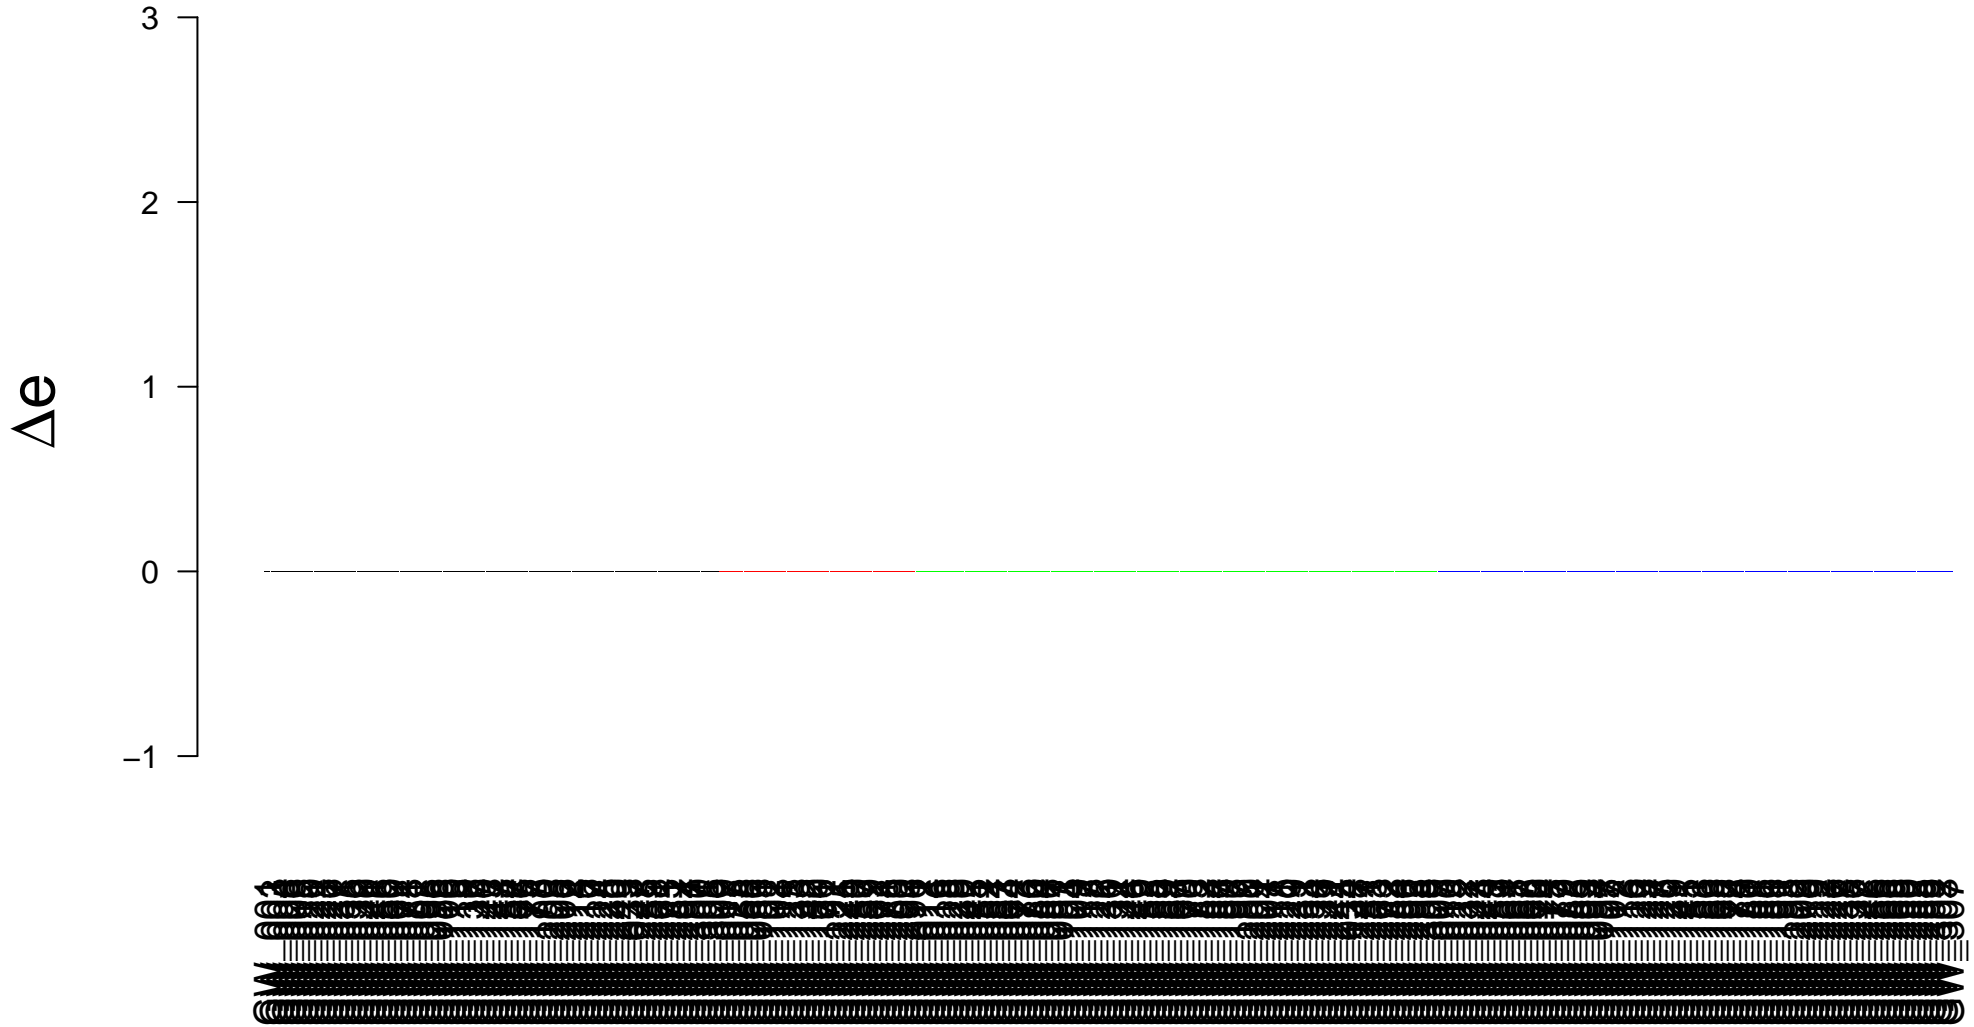

Expression of skeletal muscle fiber development in Spot A

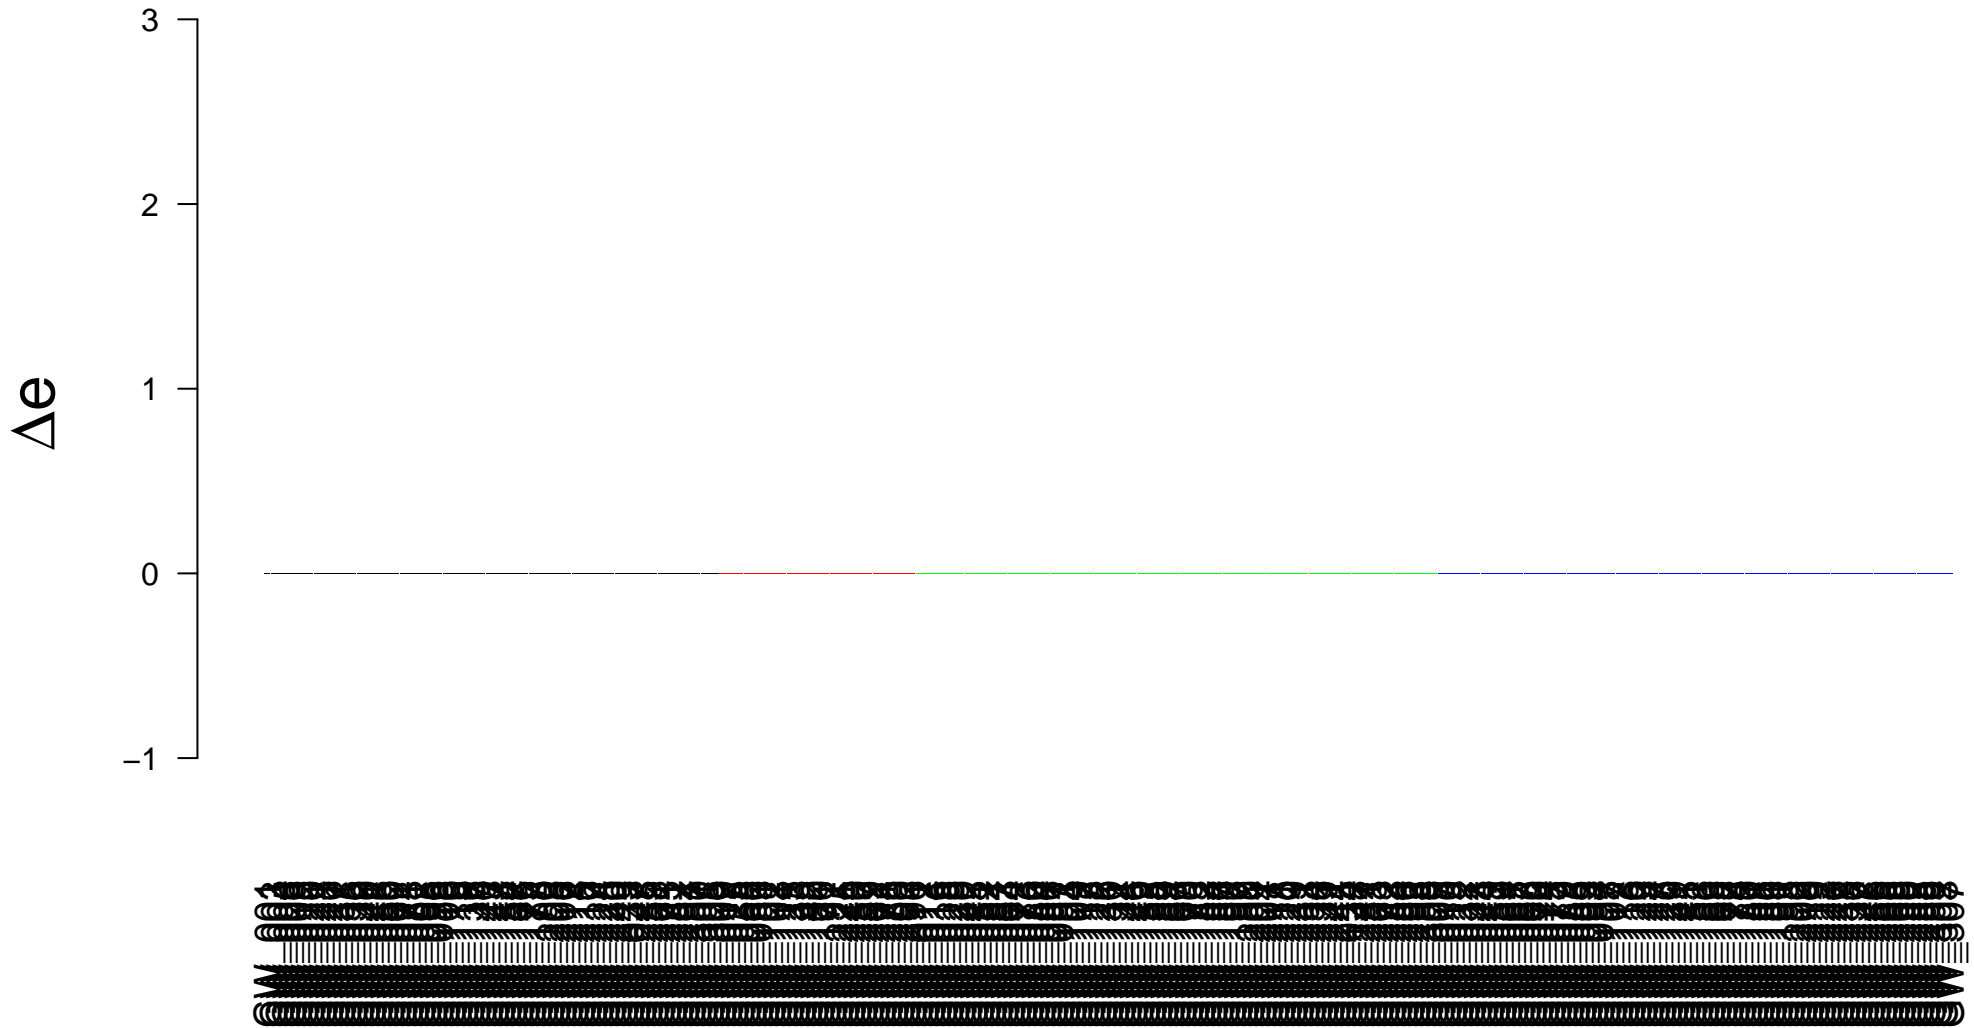

Expression of skeletal muscle fiber development in Spot B

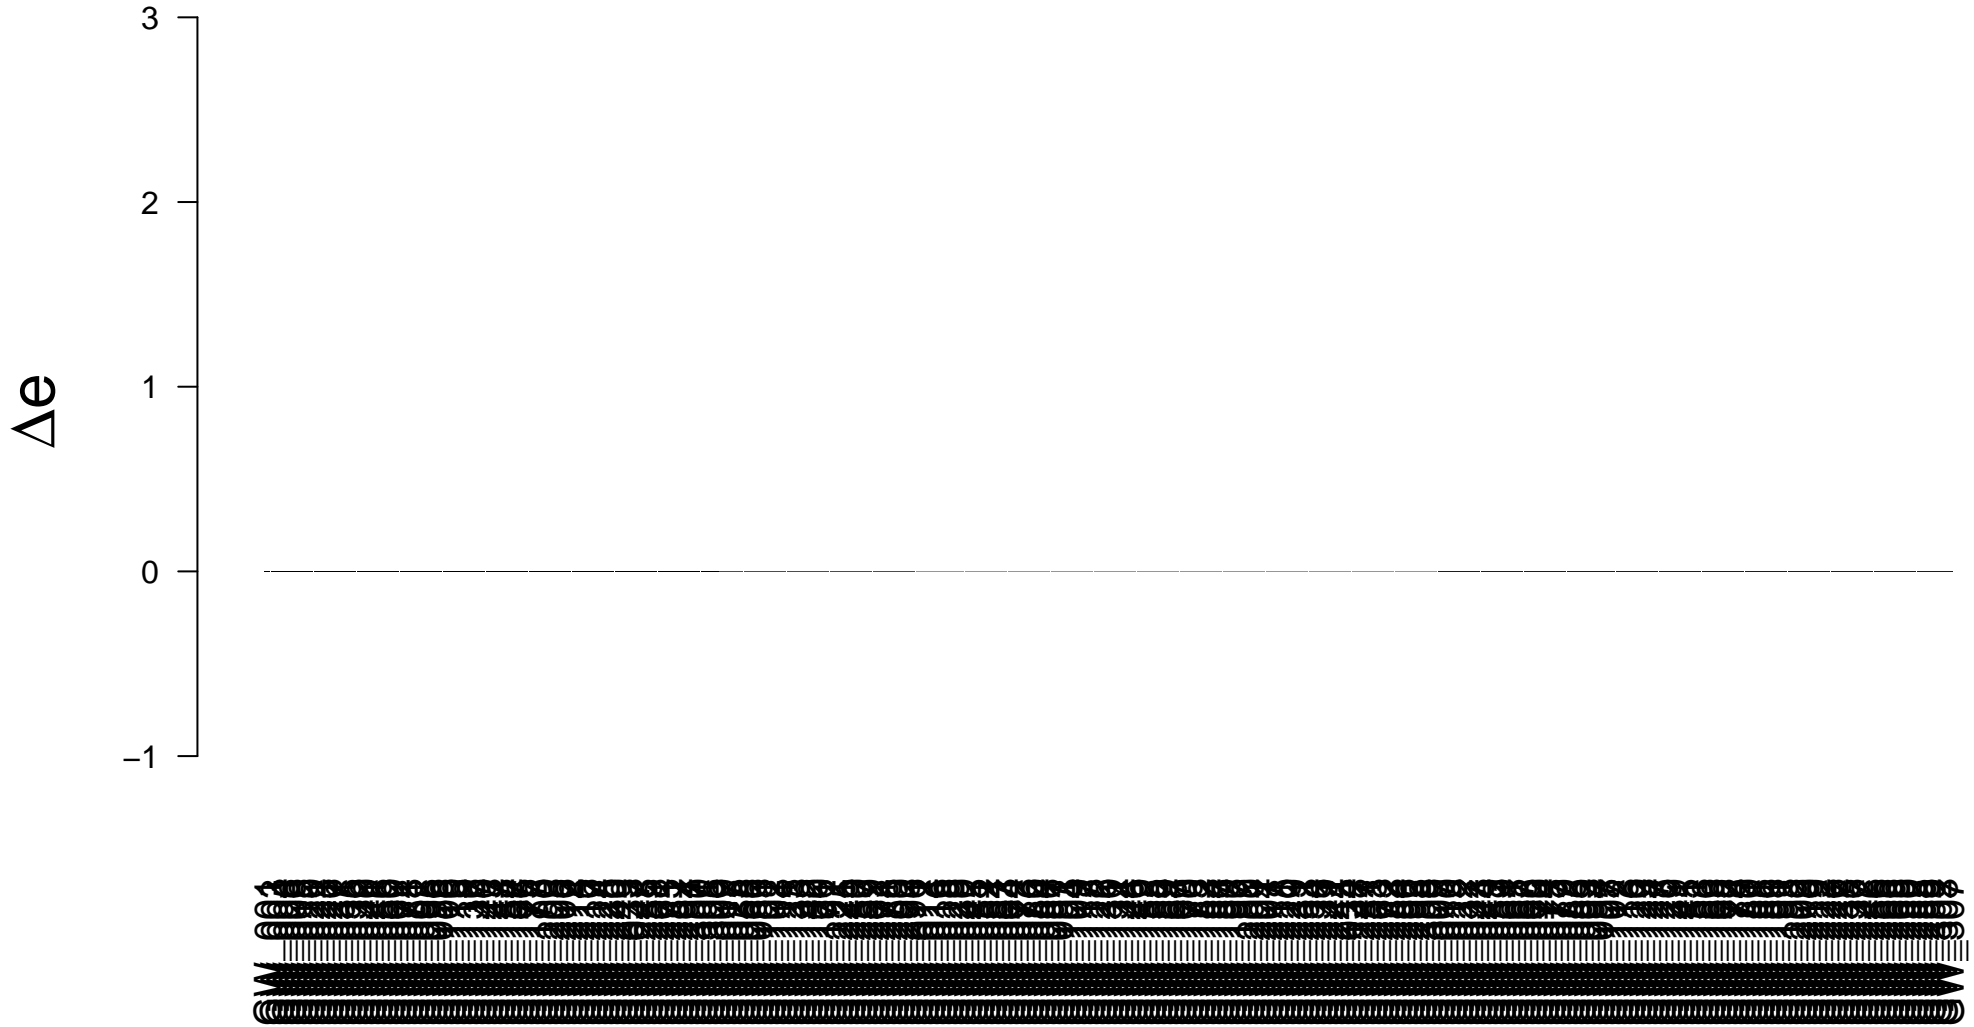

Expression of skeletal muscle fiber development in Spot C

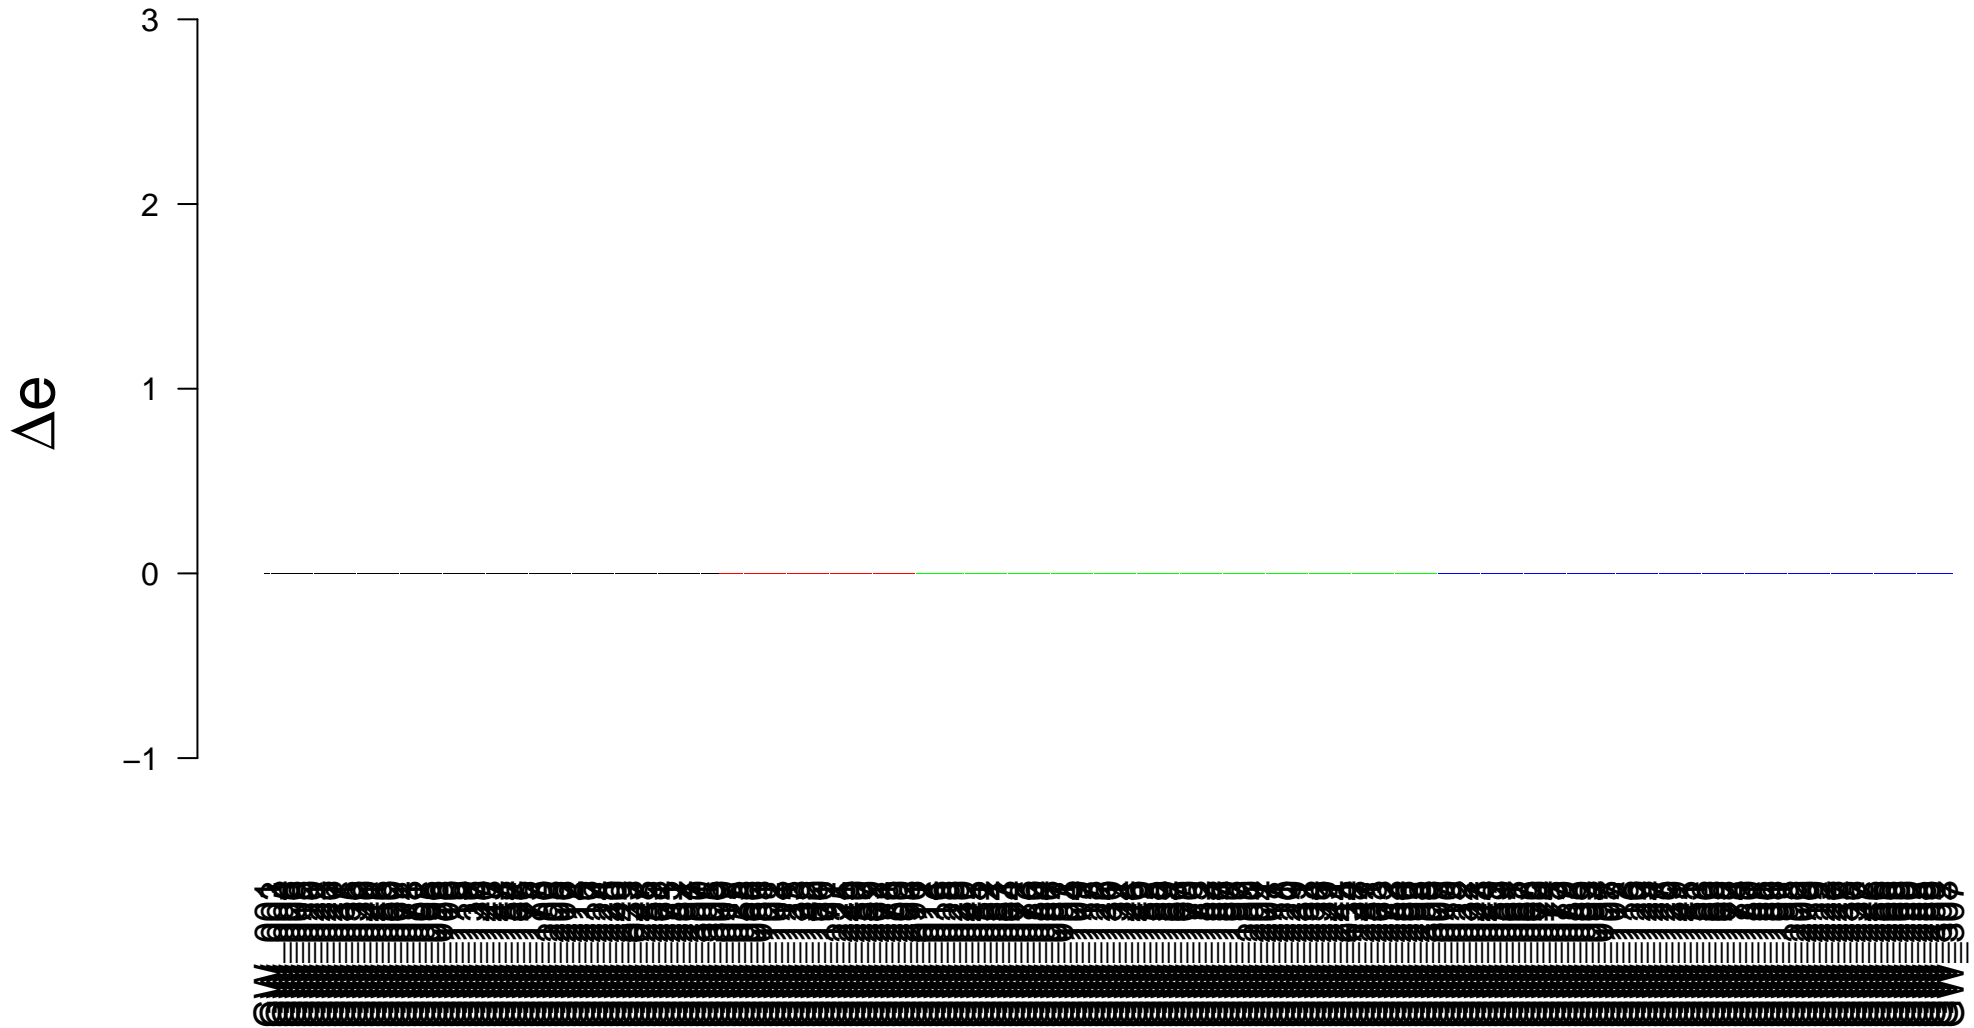

Expression of skeletal muscle fiber development in Spot D

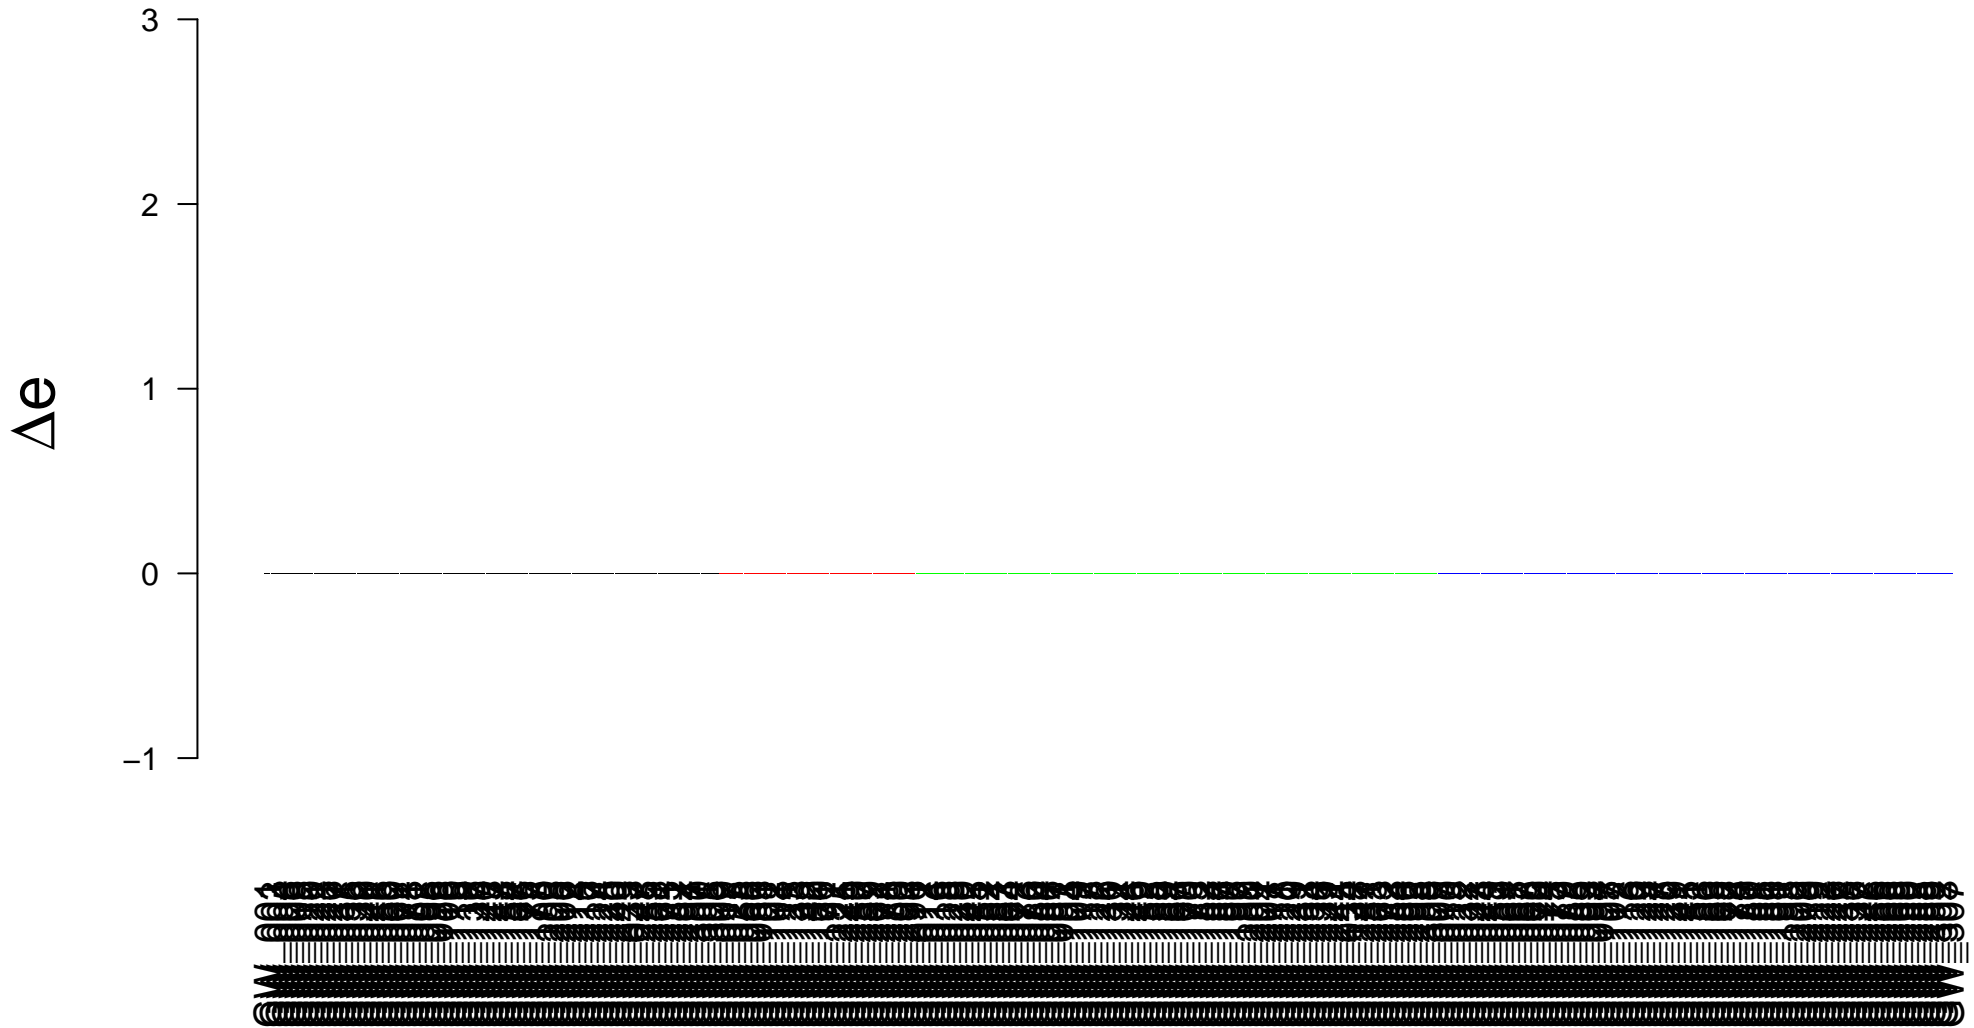

Expression of skeletal muscle fiber development in Spot E

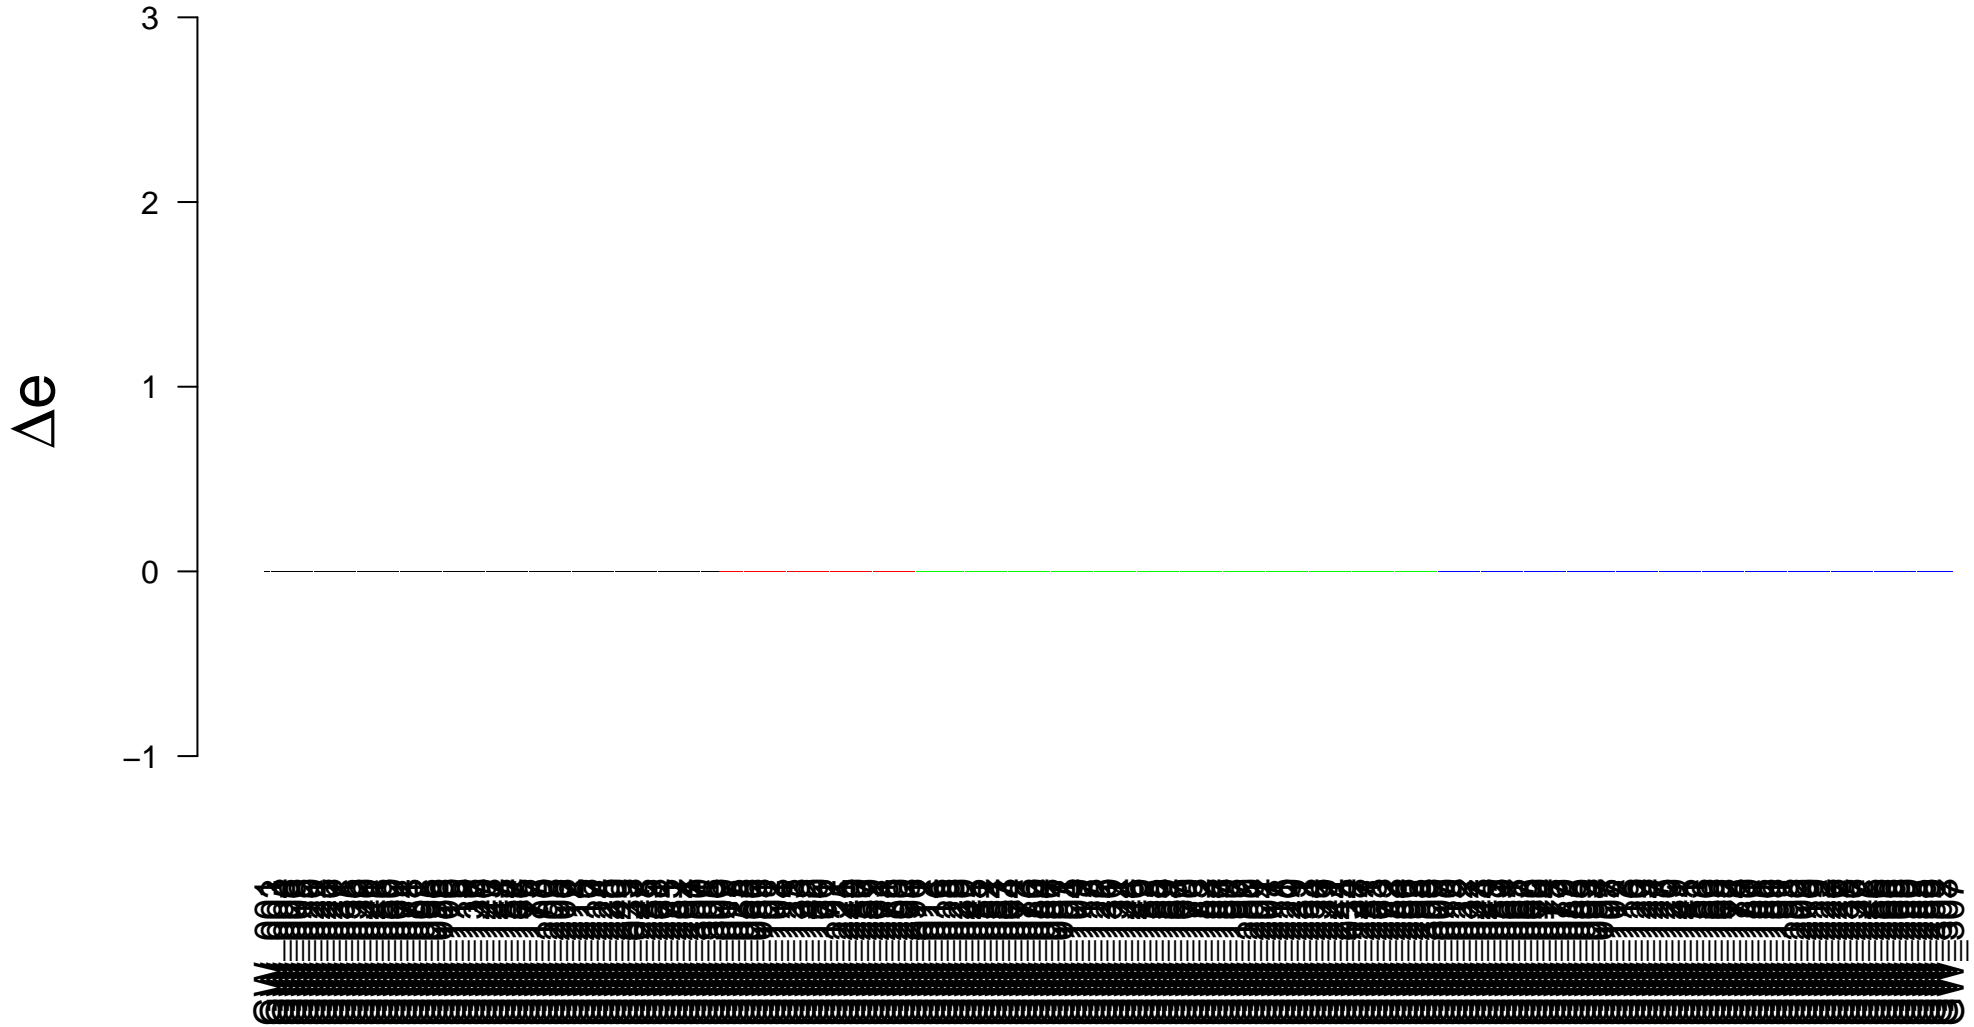

Expression of skeletal muscle fiber development in Spot F

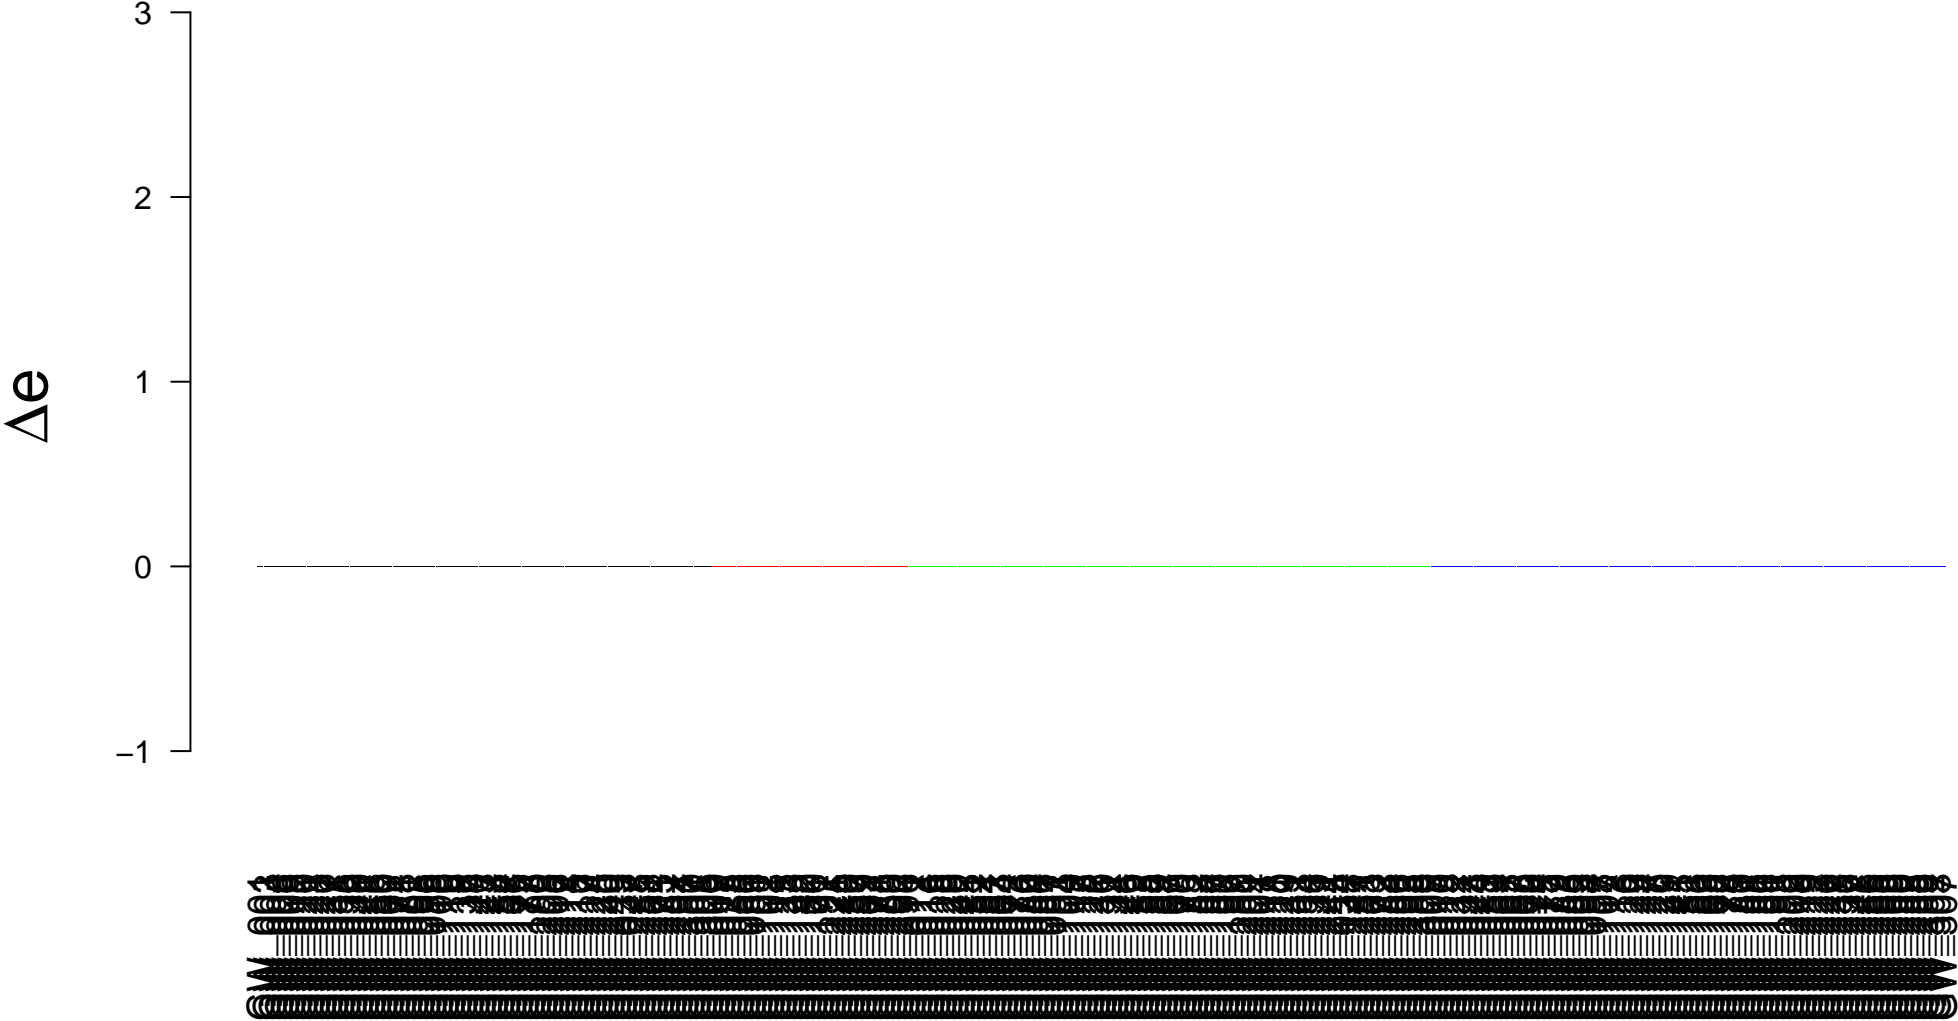

Expression of skeletal muscle fiber development in Spot G

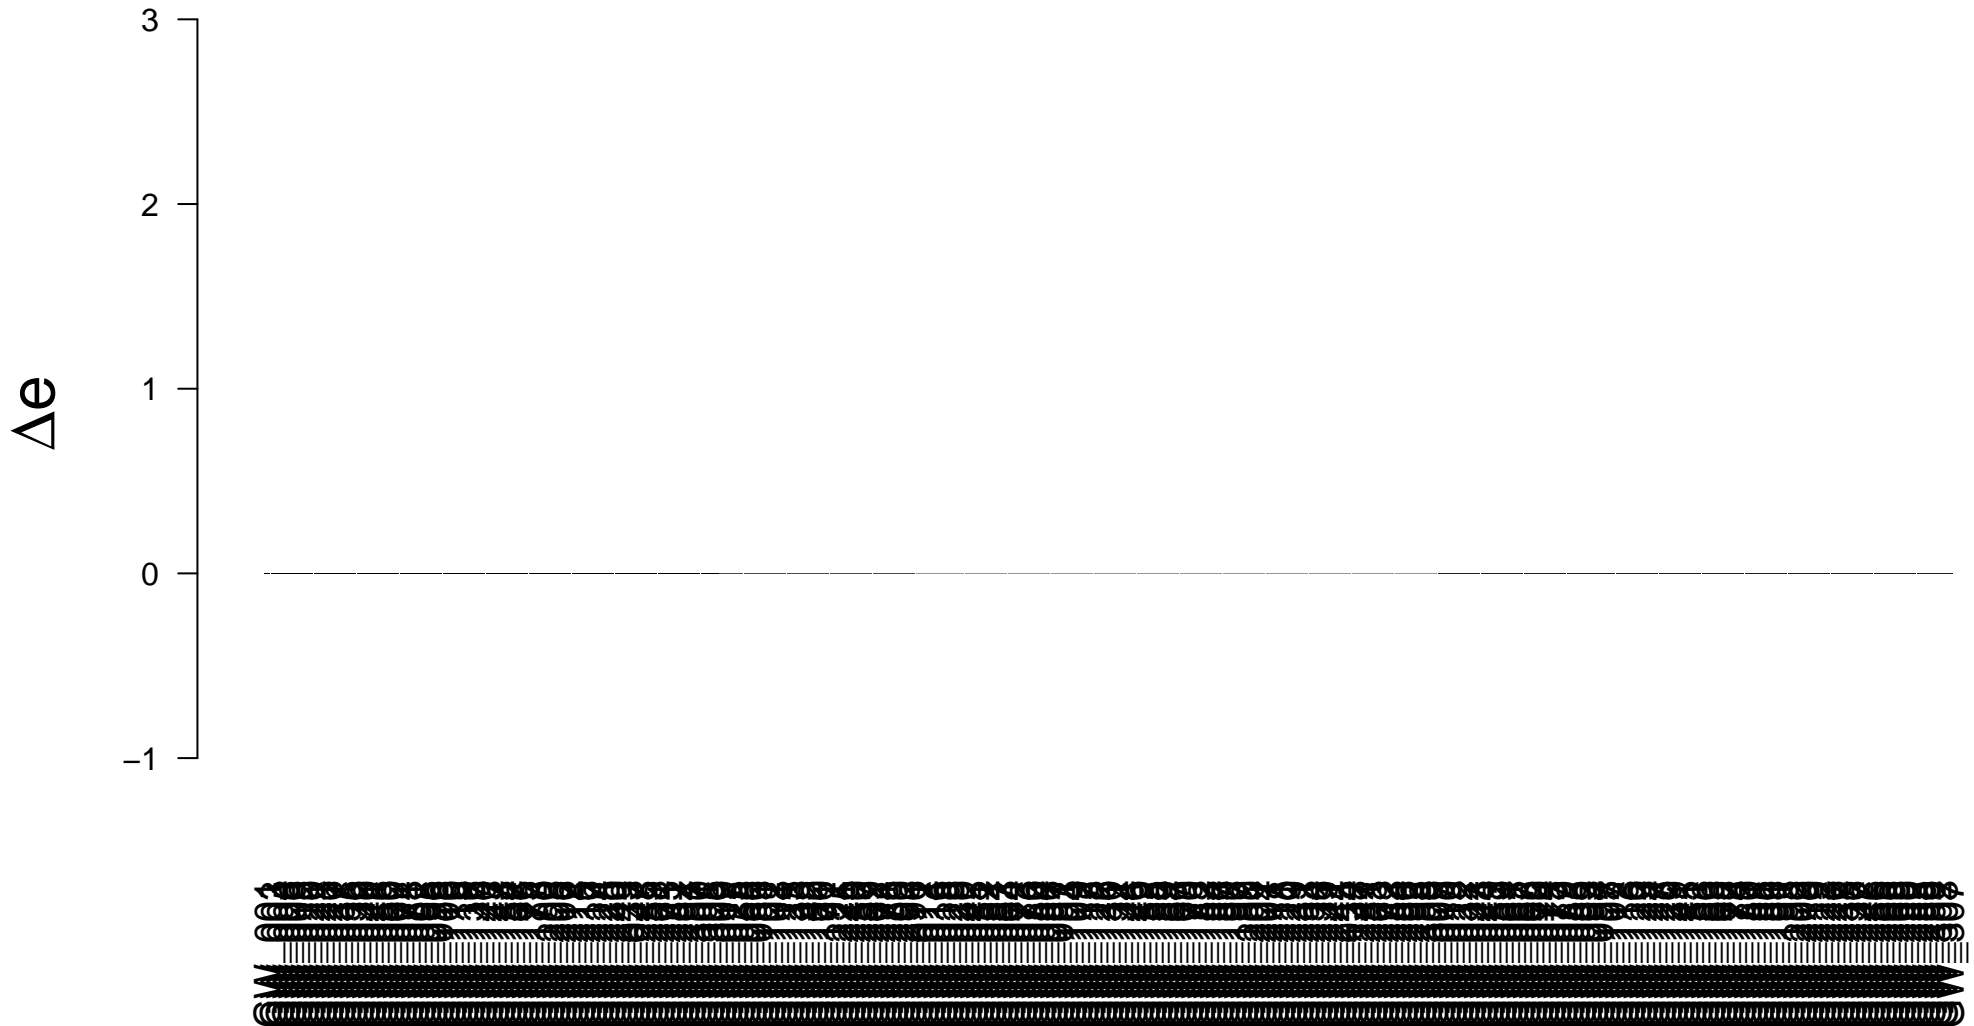

Expression of skeletal muscle fiber development in Spot H

Expression of skeletal muscle fiber development in Spot I

Expression of skeletal muscle fiber development in Spot J

Expression of skeletal muscle fiber development in Spot K
