

small molecule metabolic process

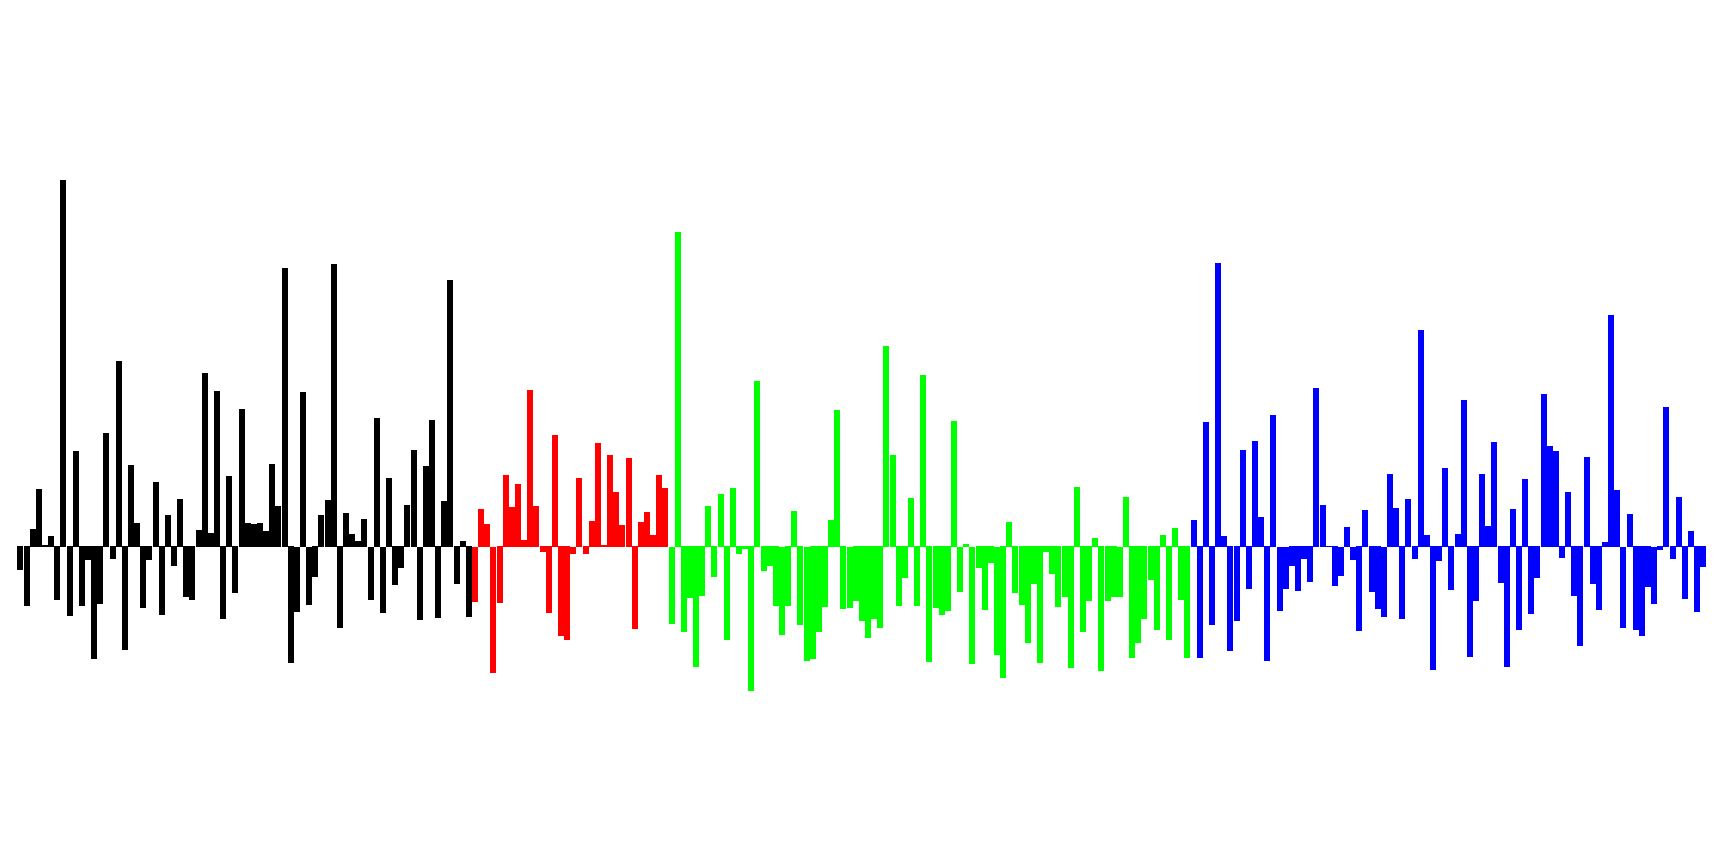

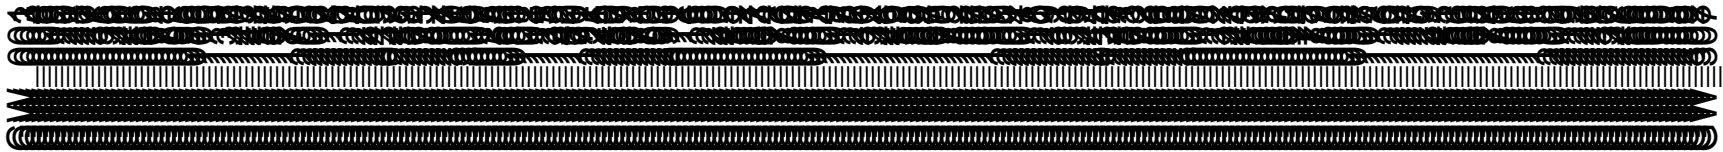

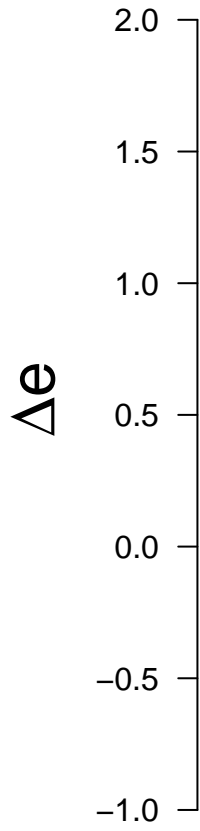

# small molecule metabolic process

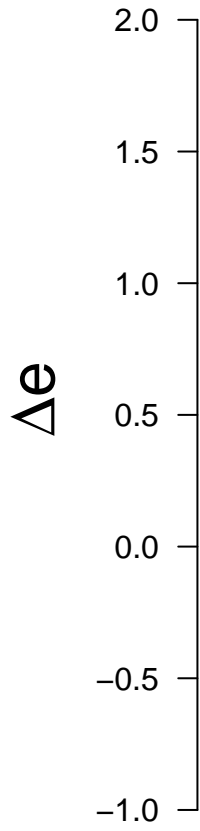

### Enrichment in spots: small molecule metabolic process

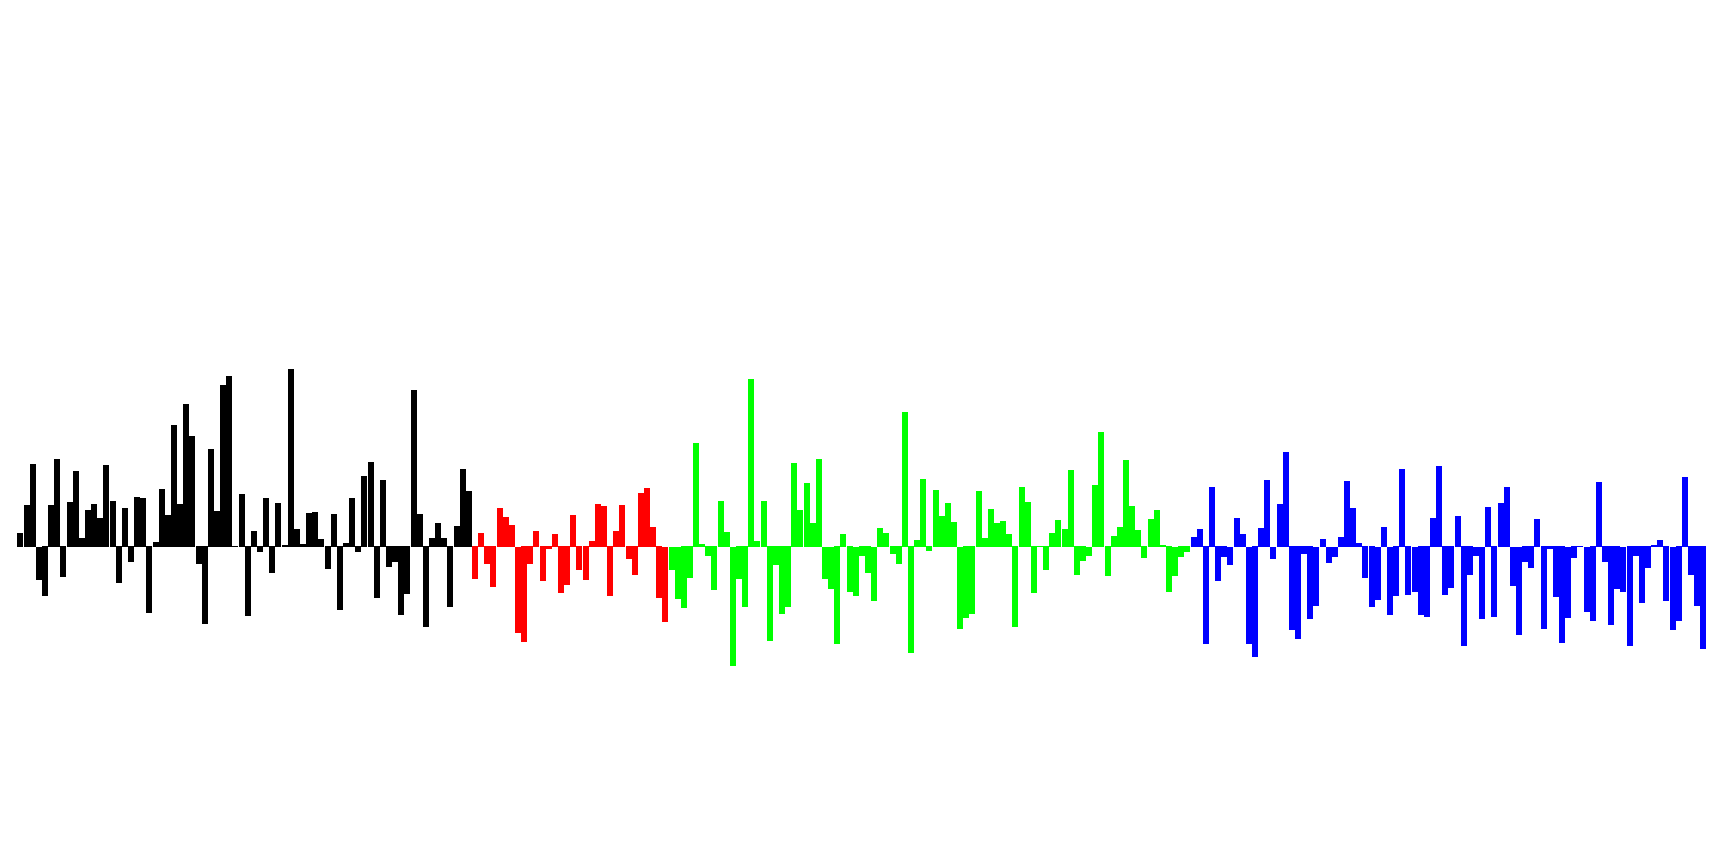

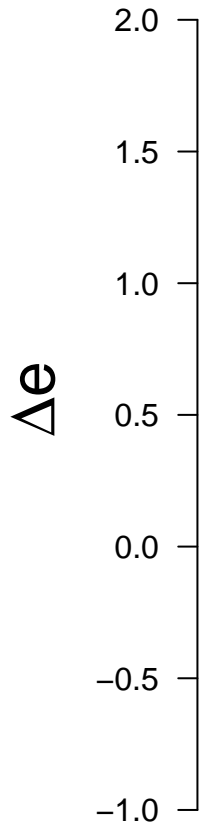

# Expression of small molecule metabolic process in Spot A

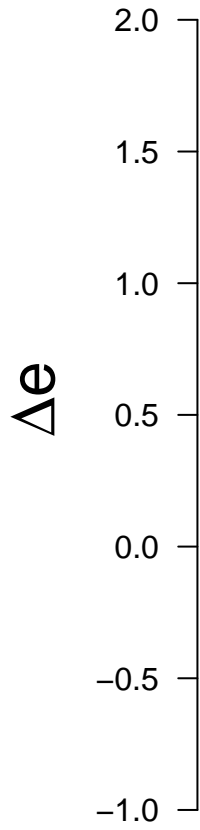

# Expression of small molecule metabolic process in Spot B

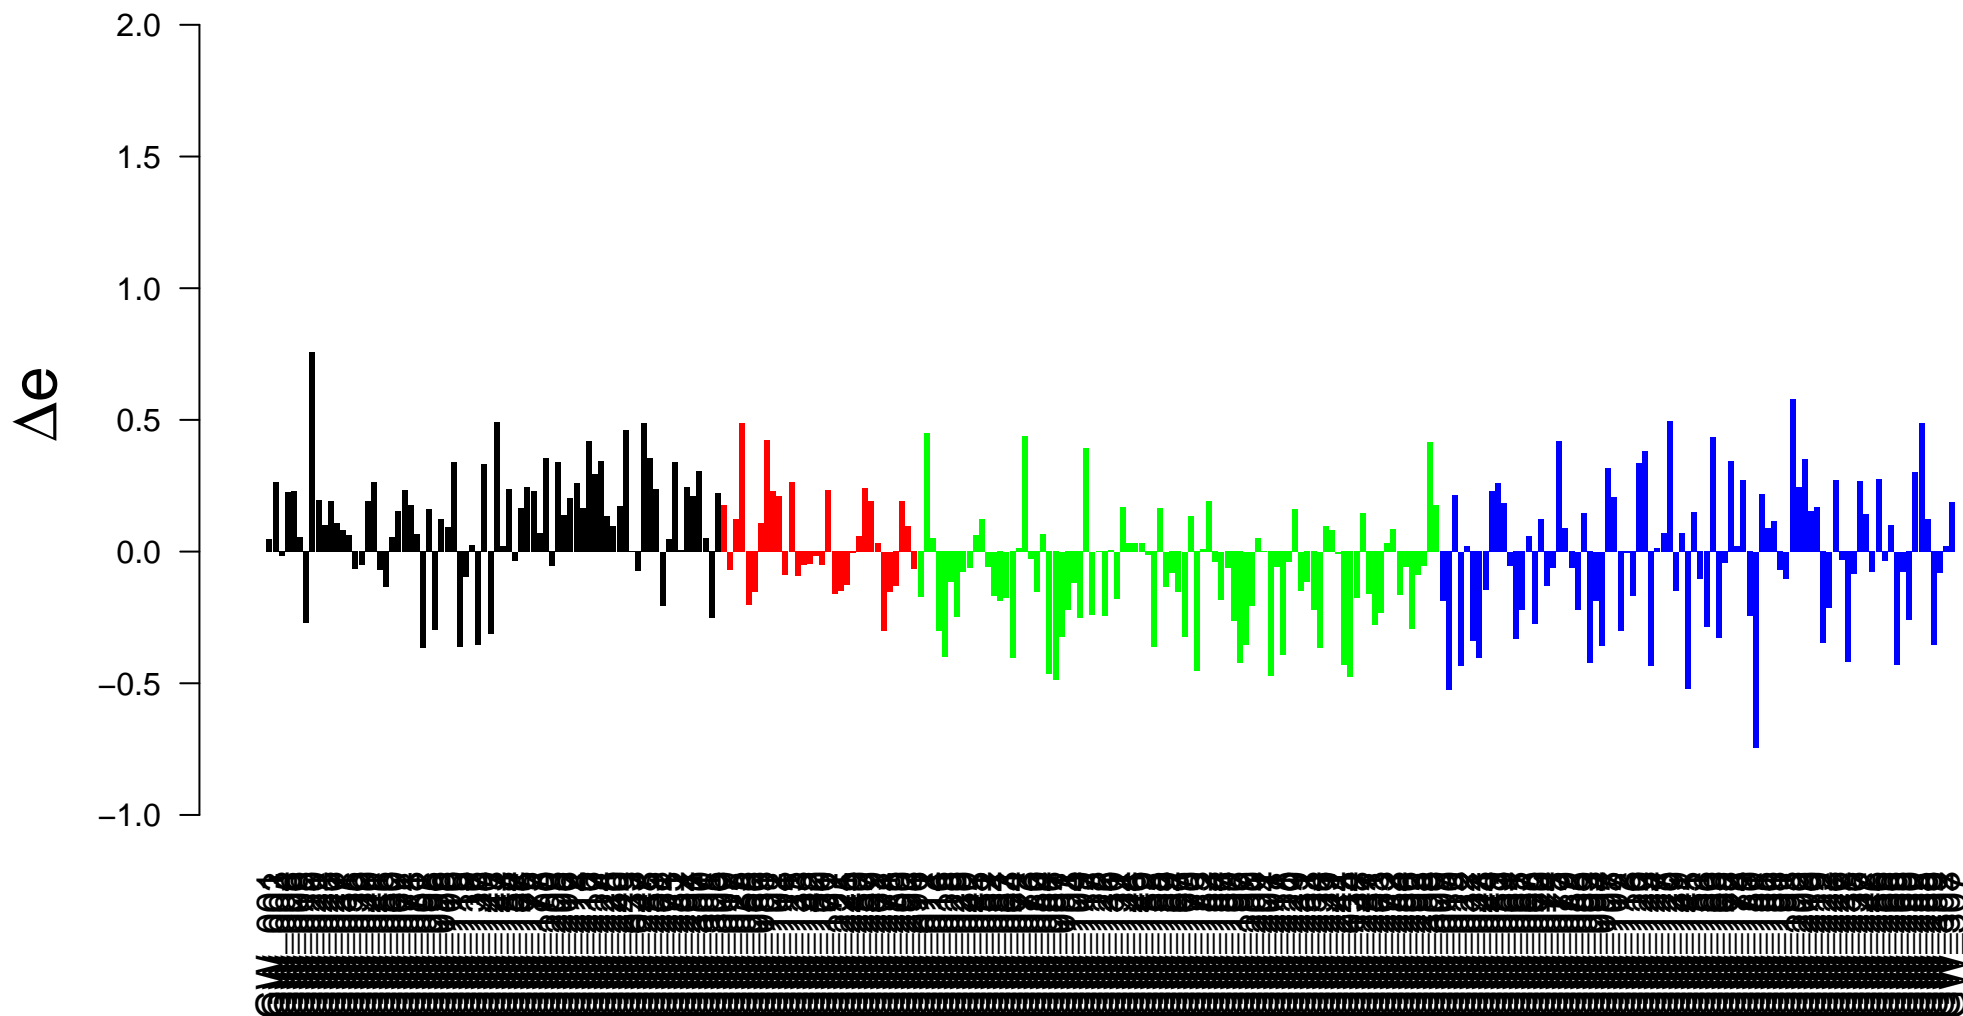

# Expression of small molecule metabolic process in Spot C

# Expression of small molecule metabolic process in Spot D

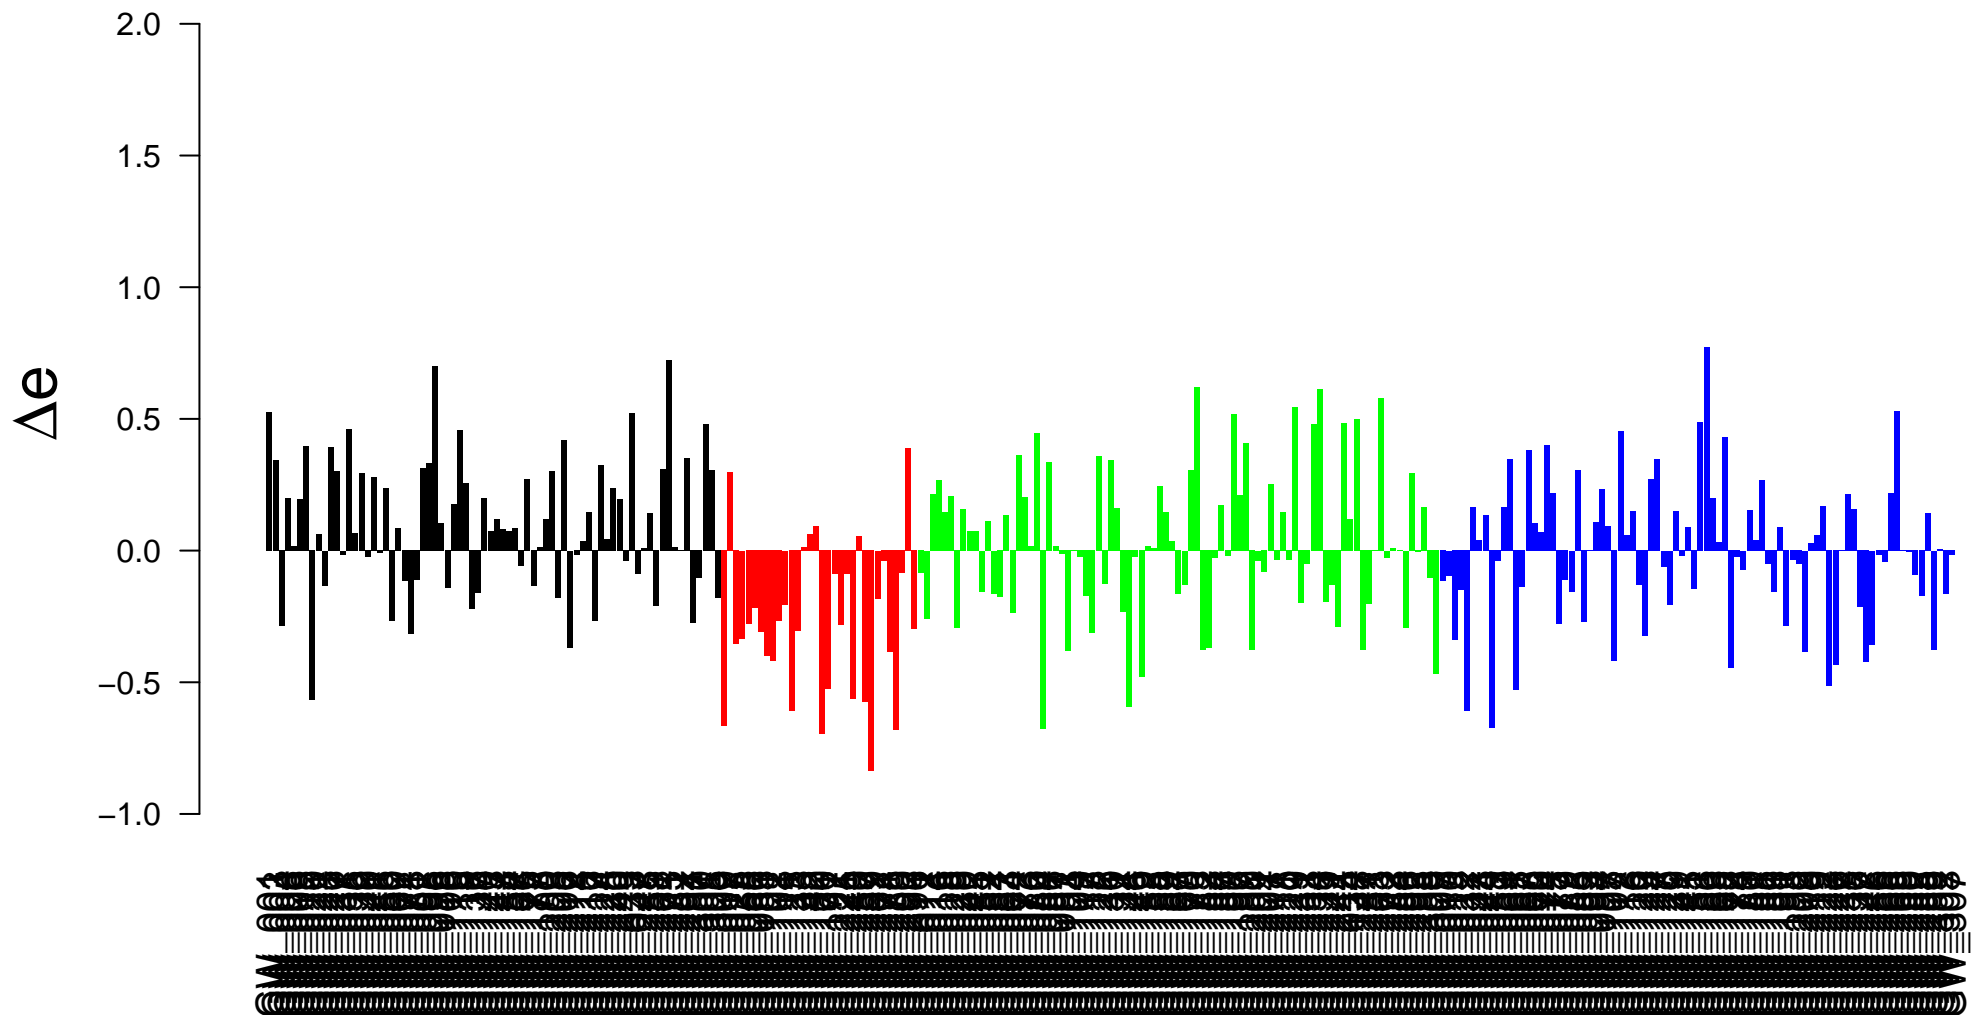

# Expression of small molecule metabolic process in Spot E

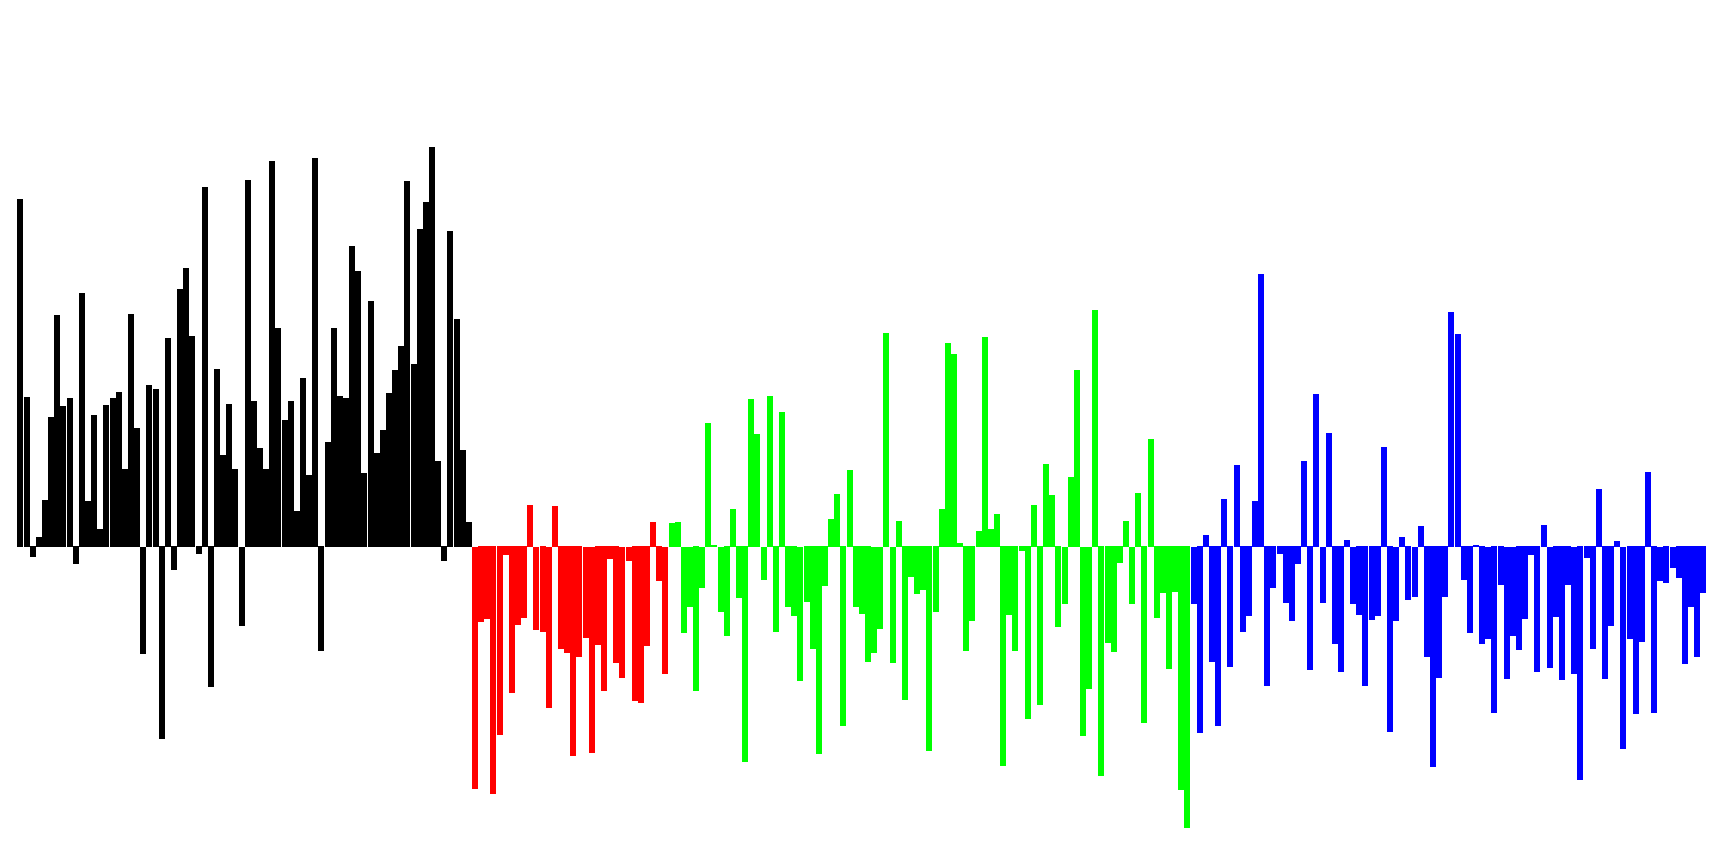

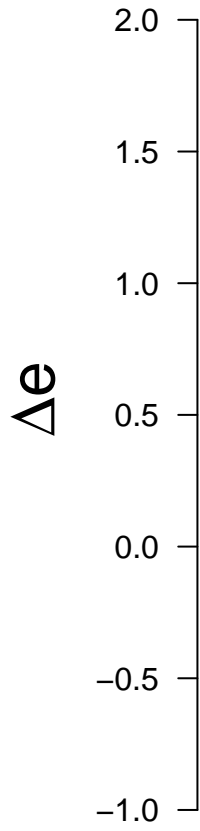

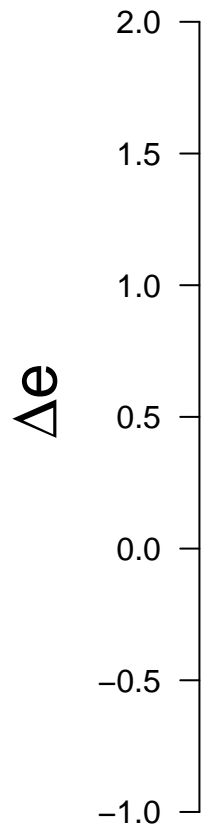

# Expression of small molecule metabolic process in Spot F

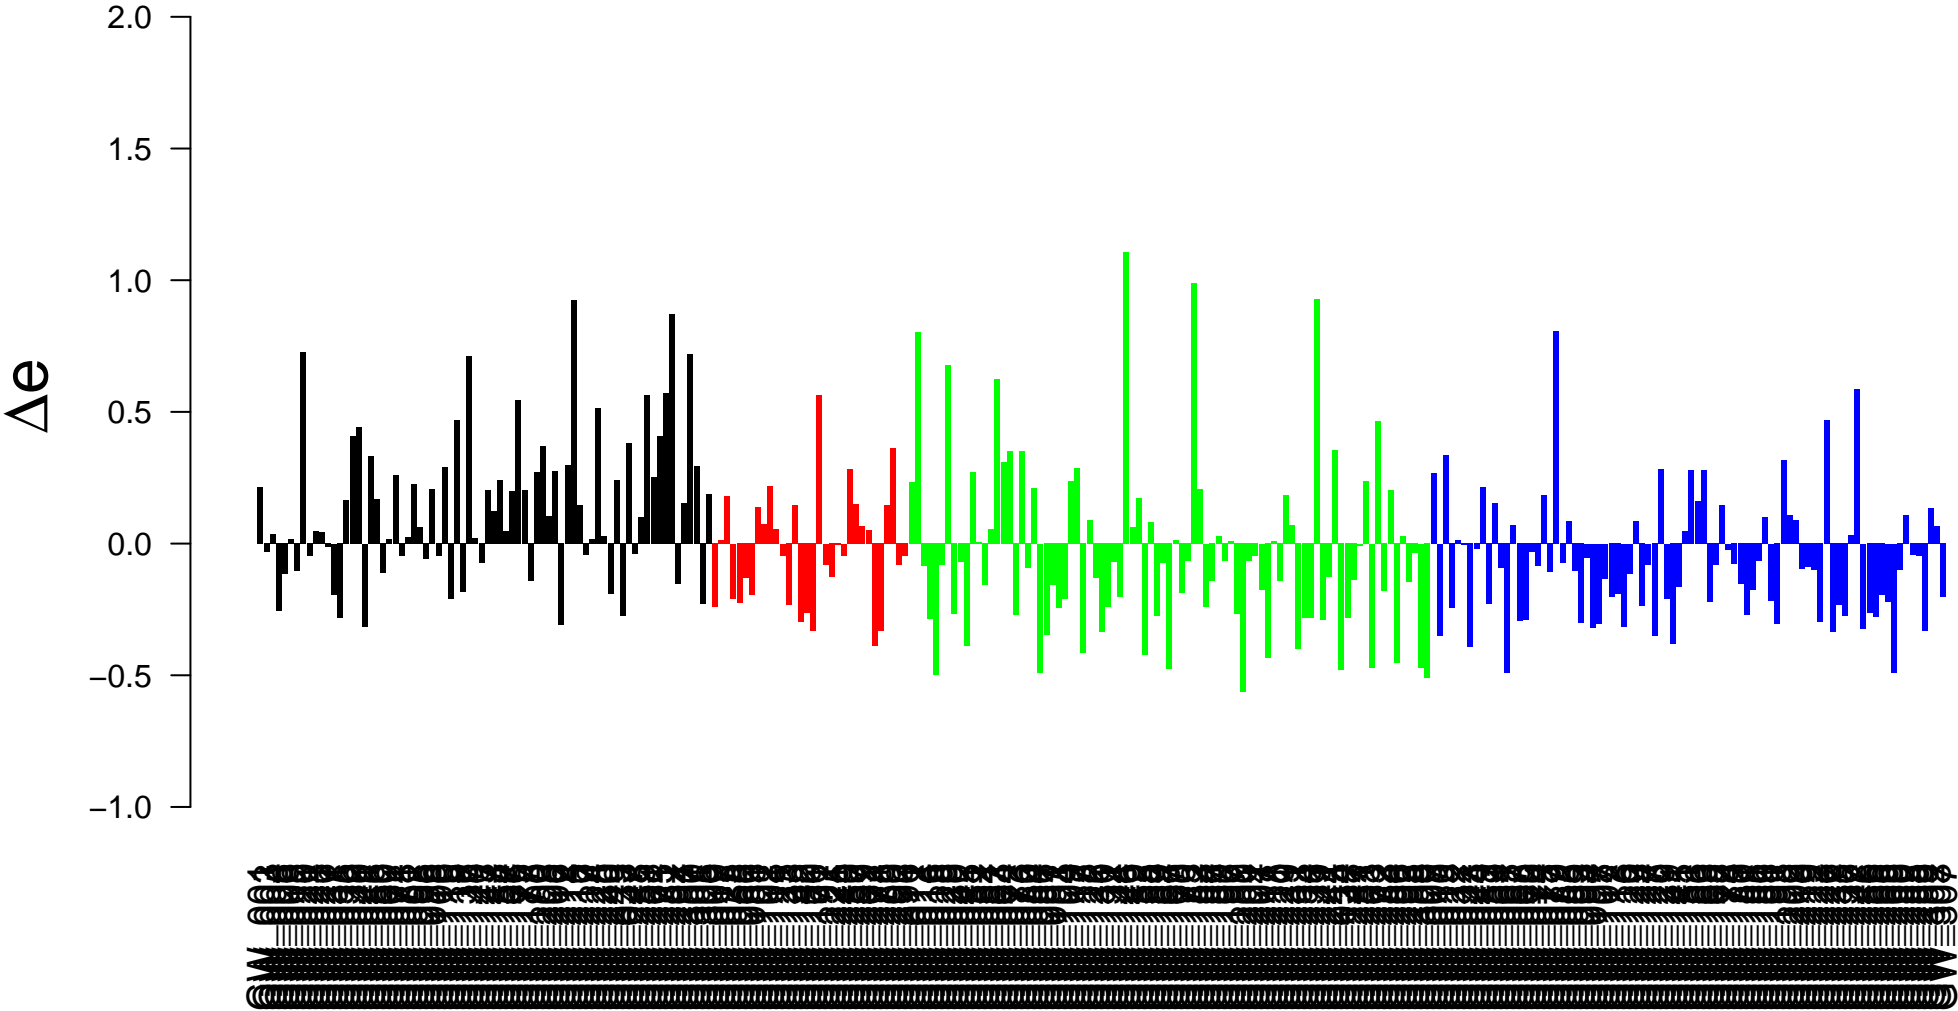

# Expression of small molecule metabolic process in Spot G

# Expression of small molecule metabolic process in Spot H

Expression of small molecule metabolic process in Spot I

# Expression of small molecule metabolic process in Spot J
