

small ribosomal subunit

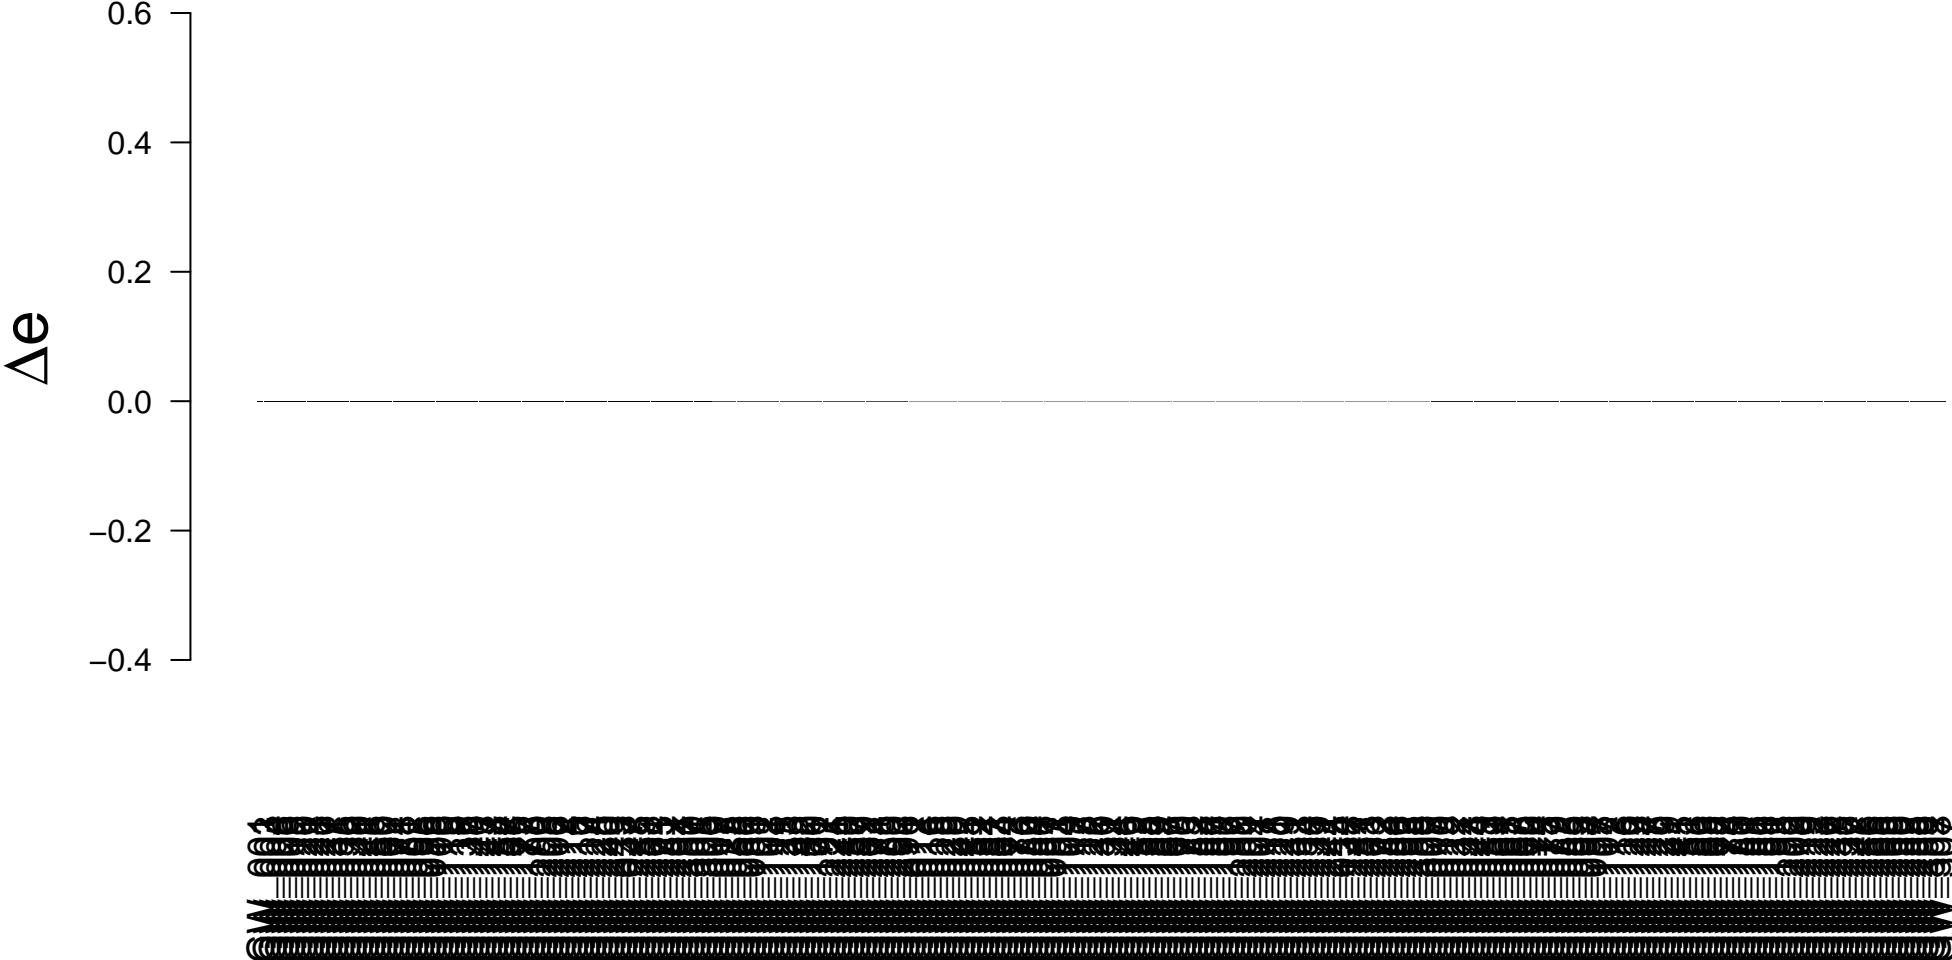

small ribosomal subunit

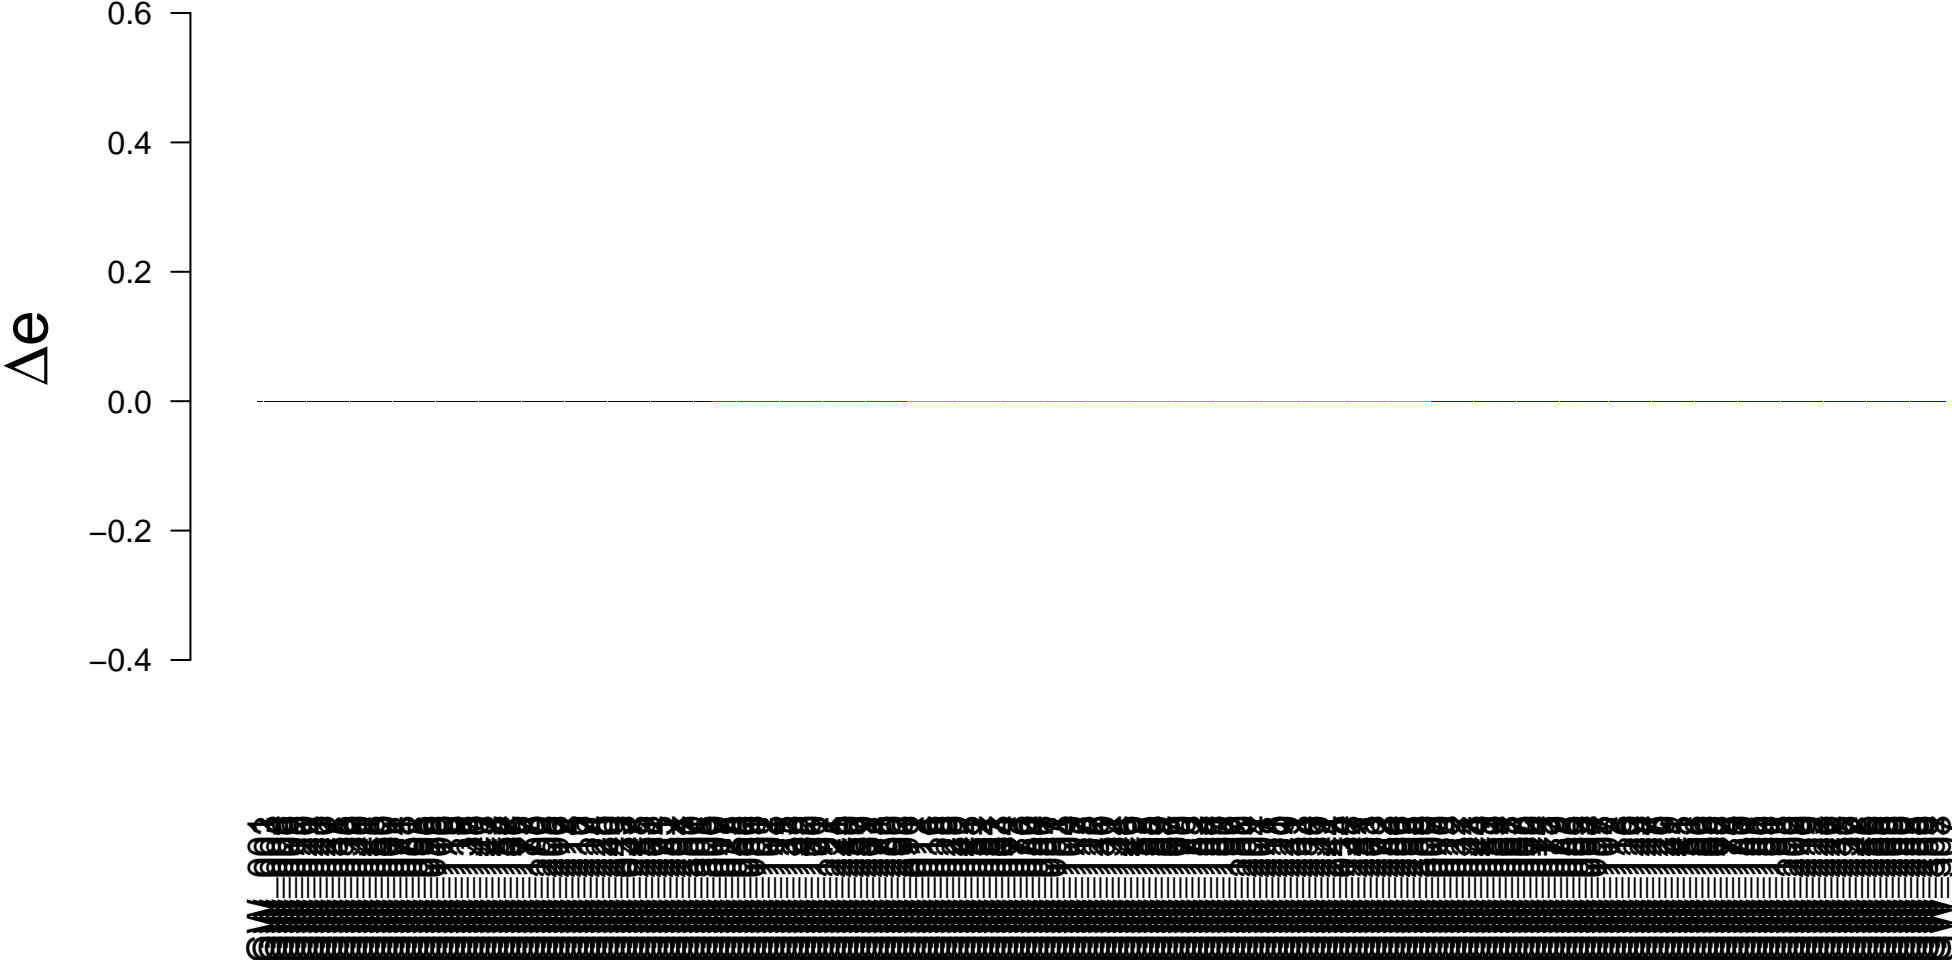

Enrichment in spots: small ribosomal subunit

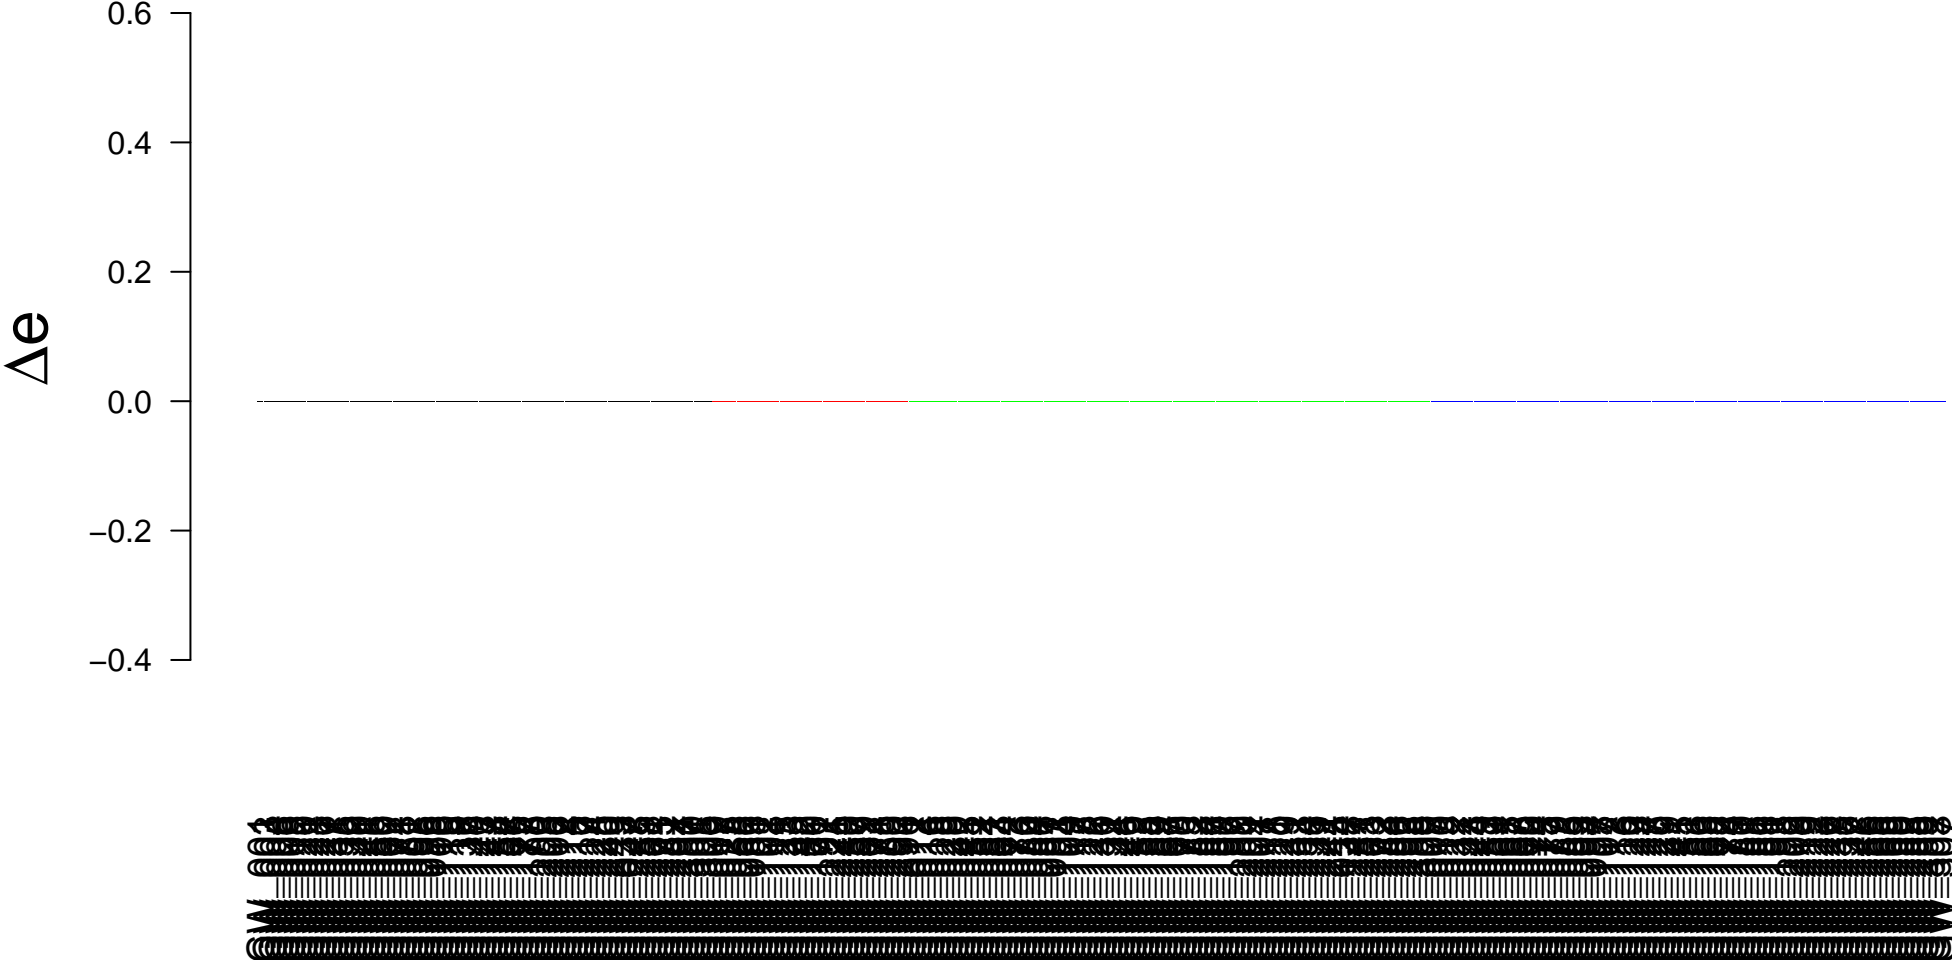

Expression of small ribosomal subunit in Spot A

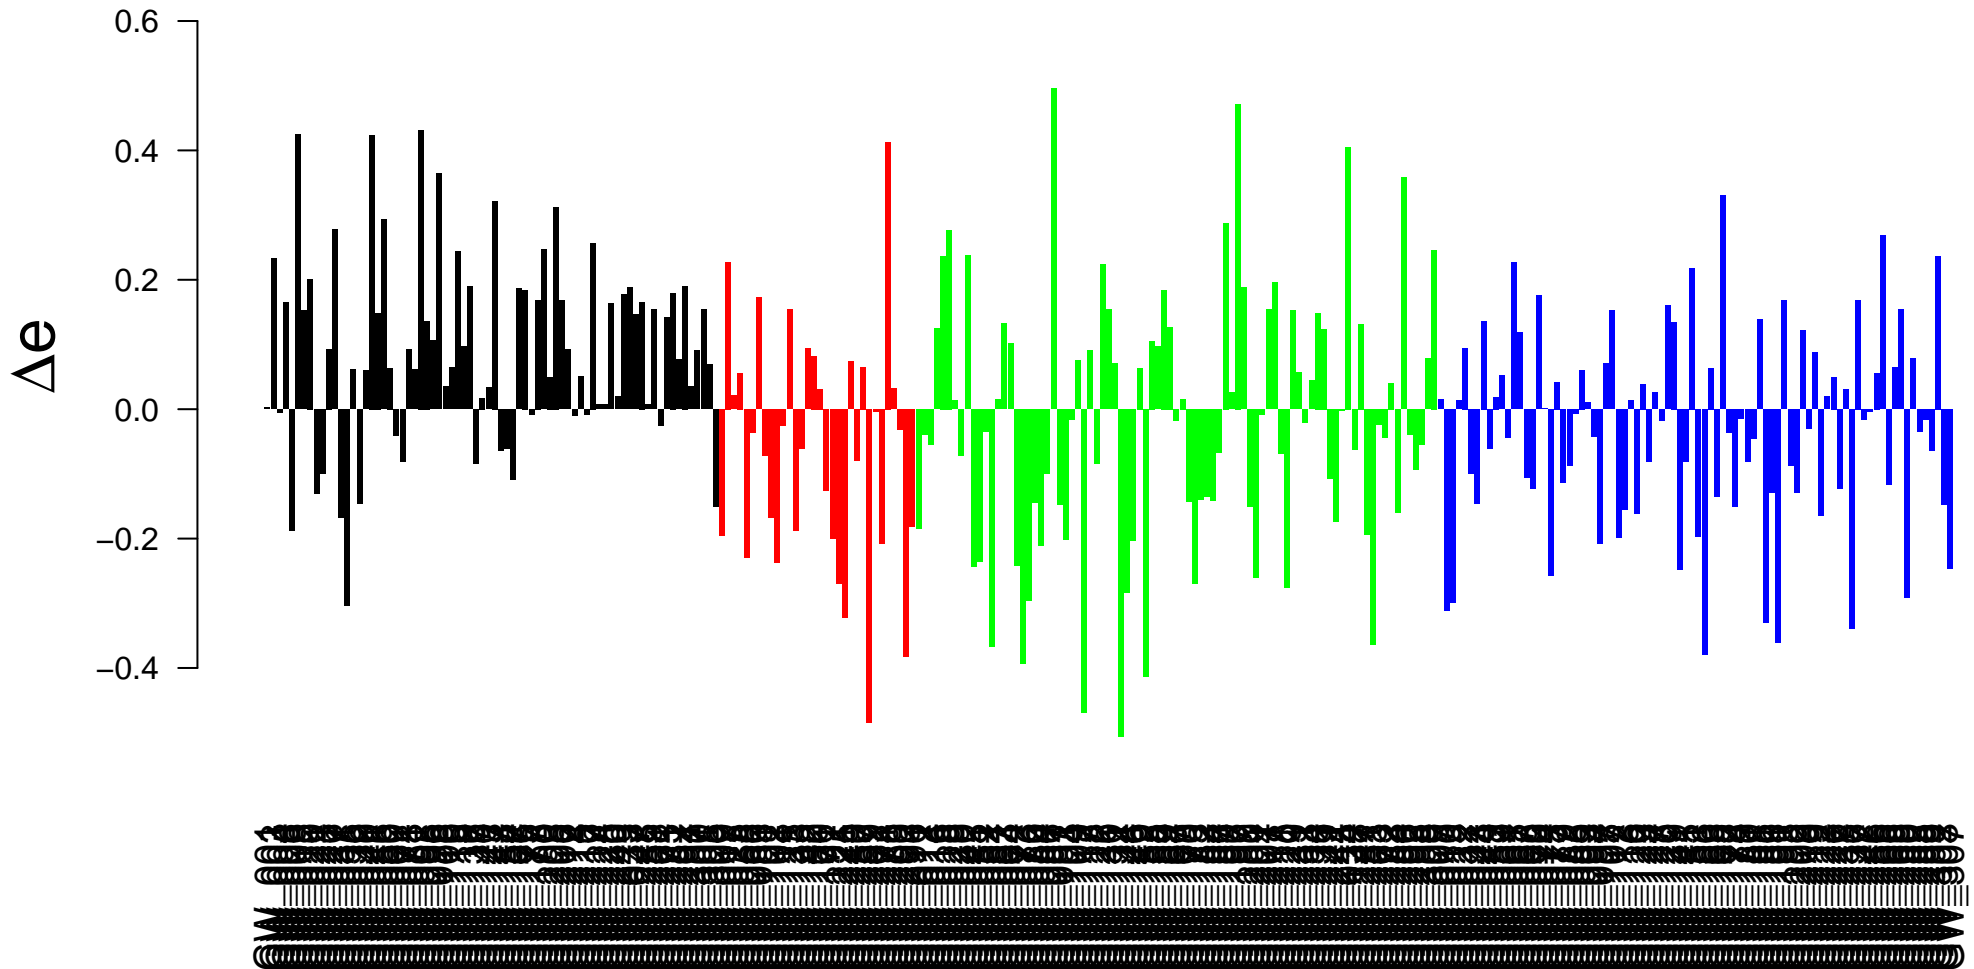

Expression of small ribosomal subunit in Spot B

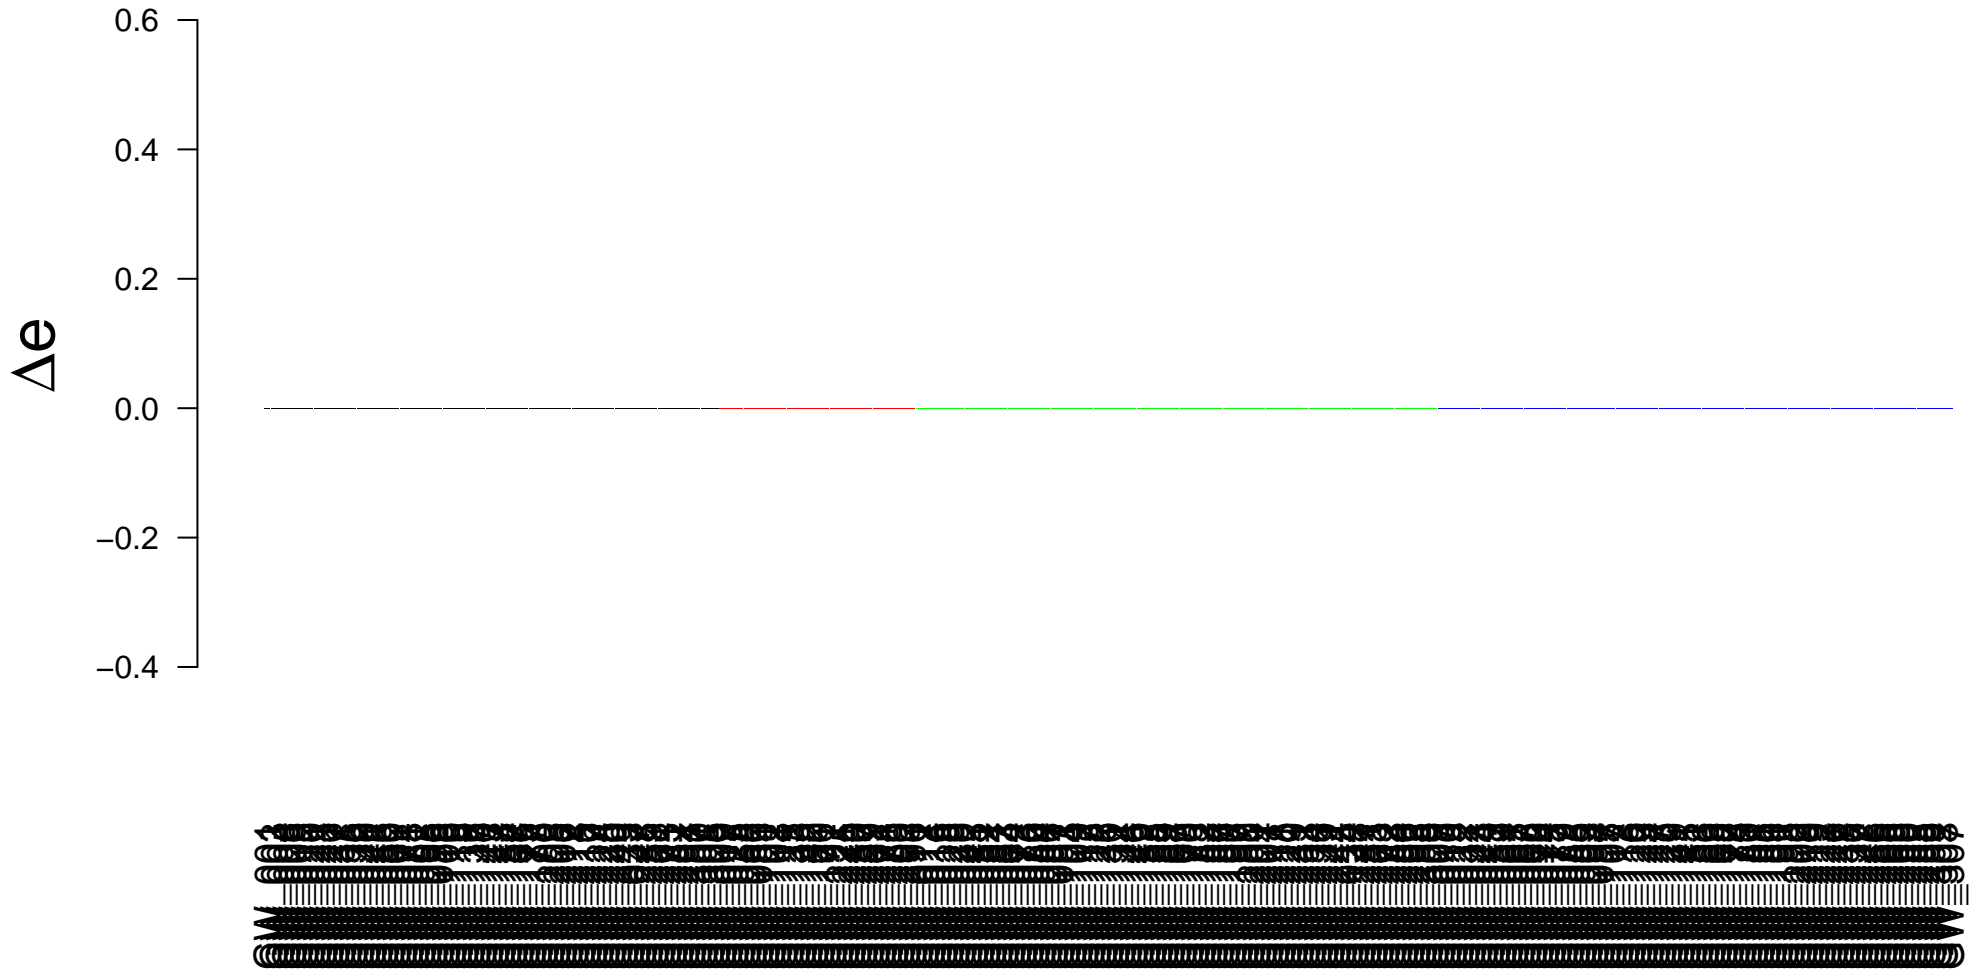

Expression of small ribosomal subunit in Spot C

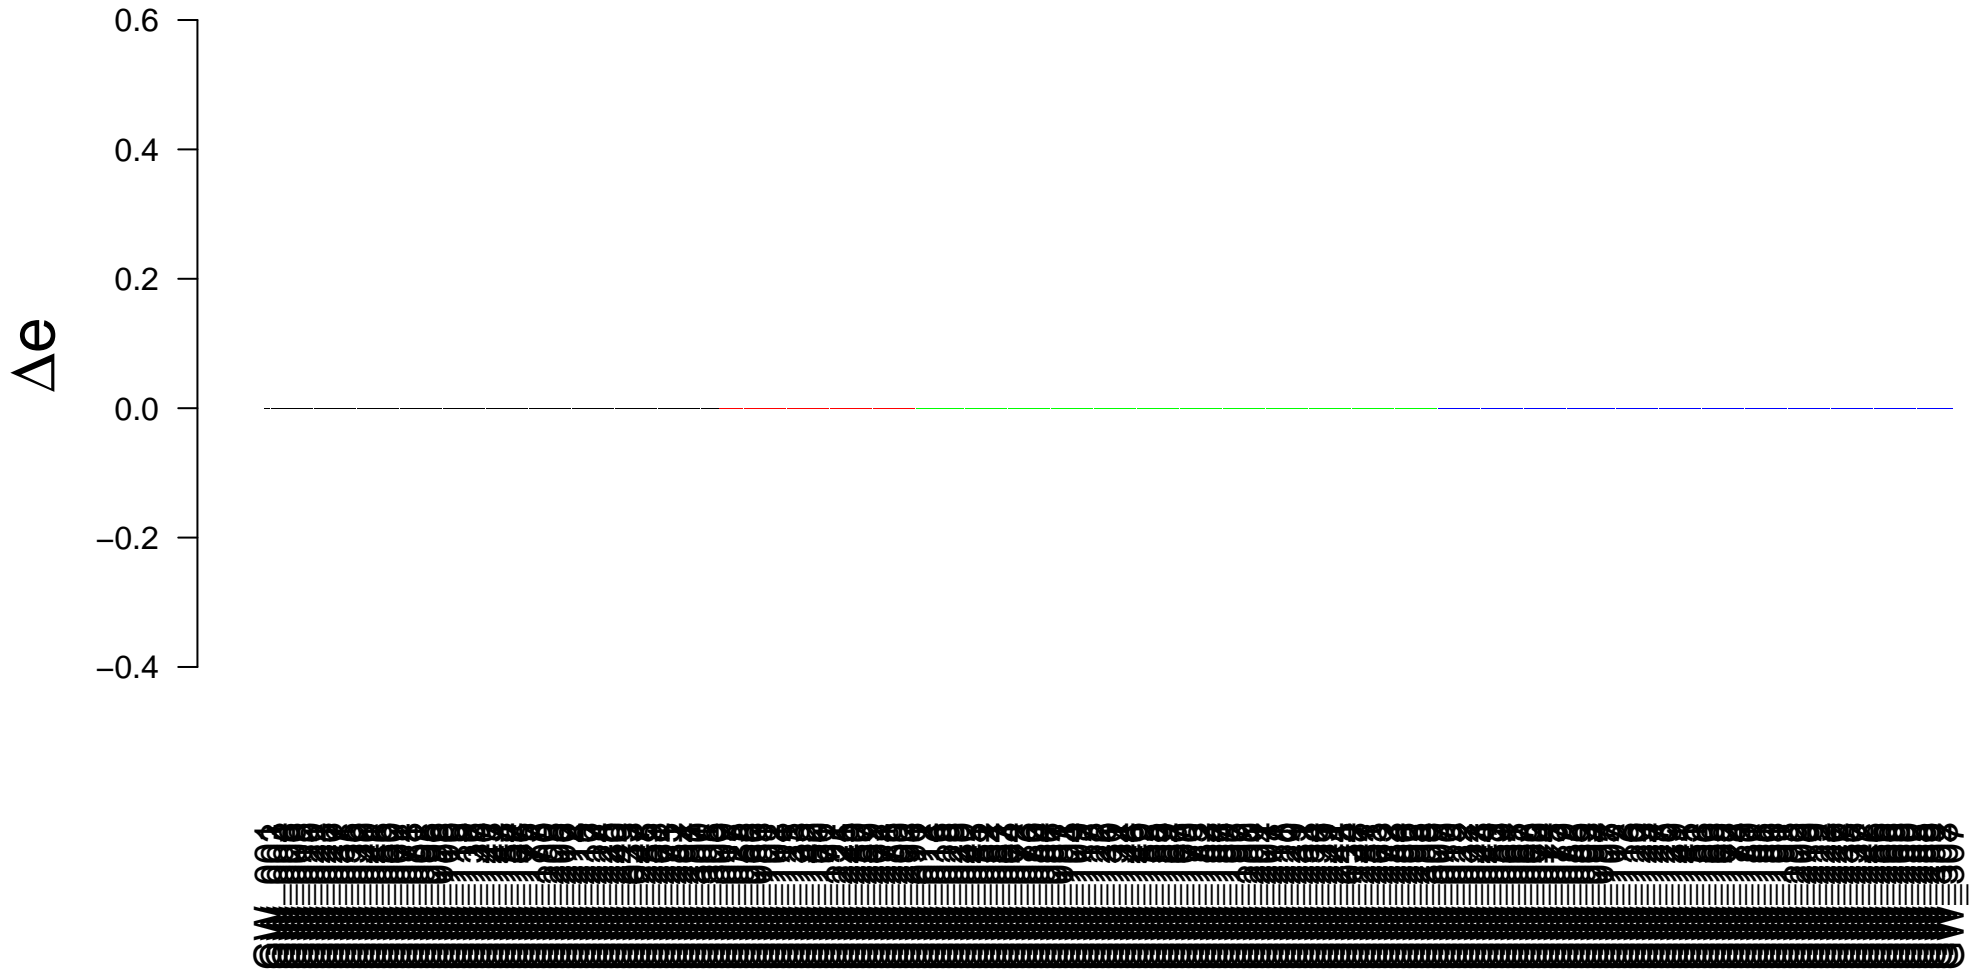

Expression of small ribosomal subunit in Spot D

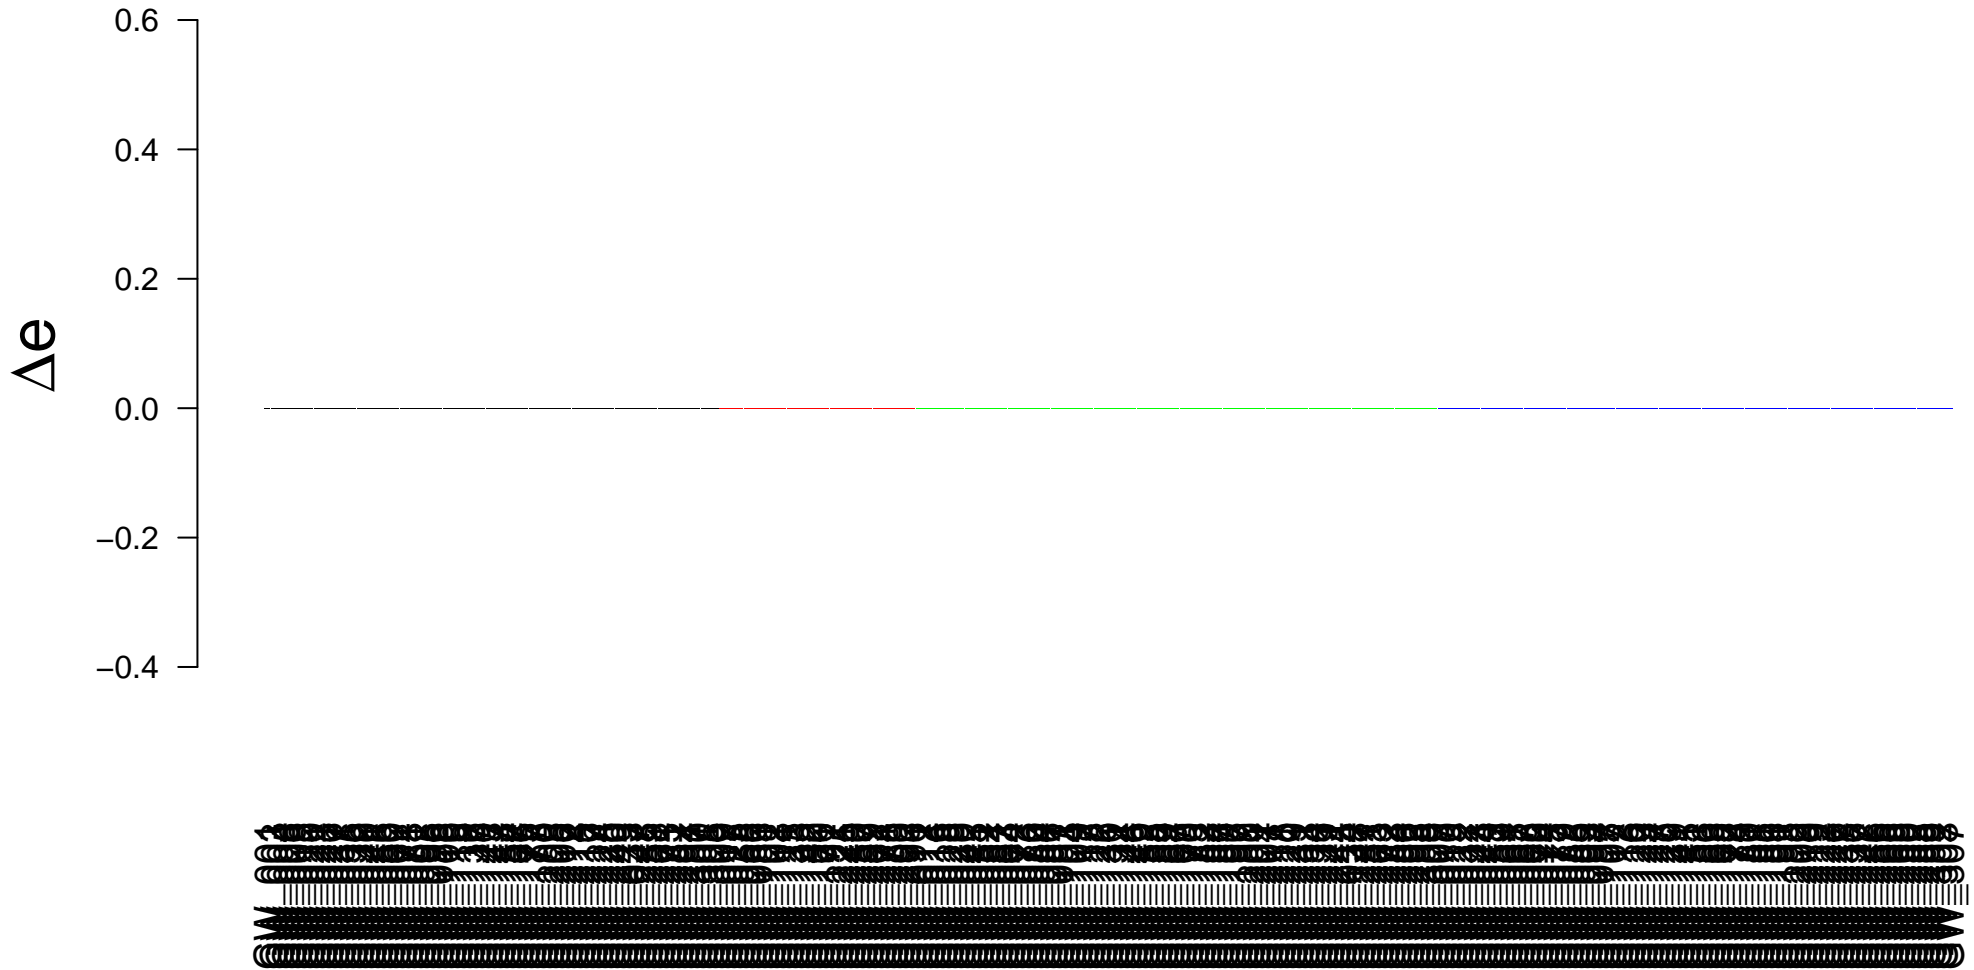

Expression of small ribosomal subunit in Spot E

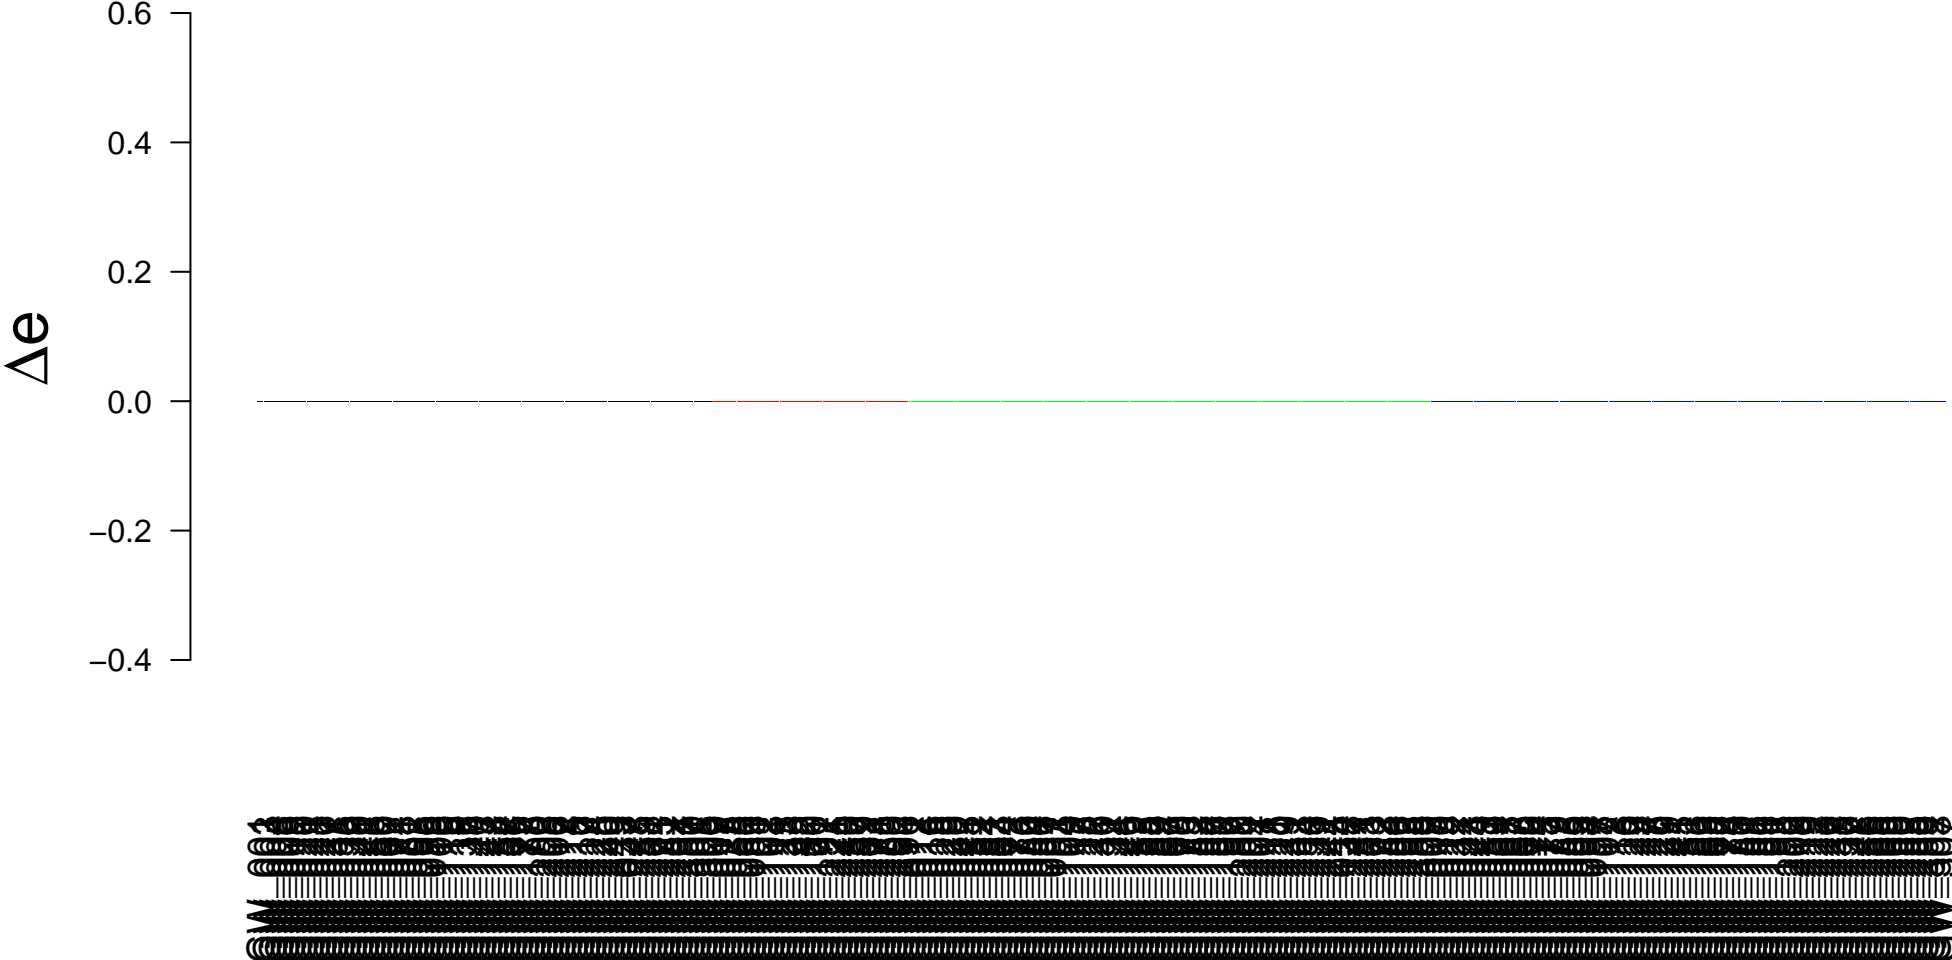

Expression of small ribosomal subunit in Spot F

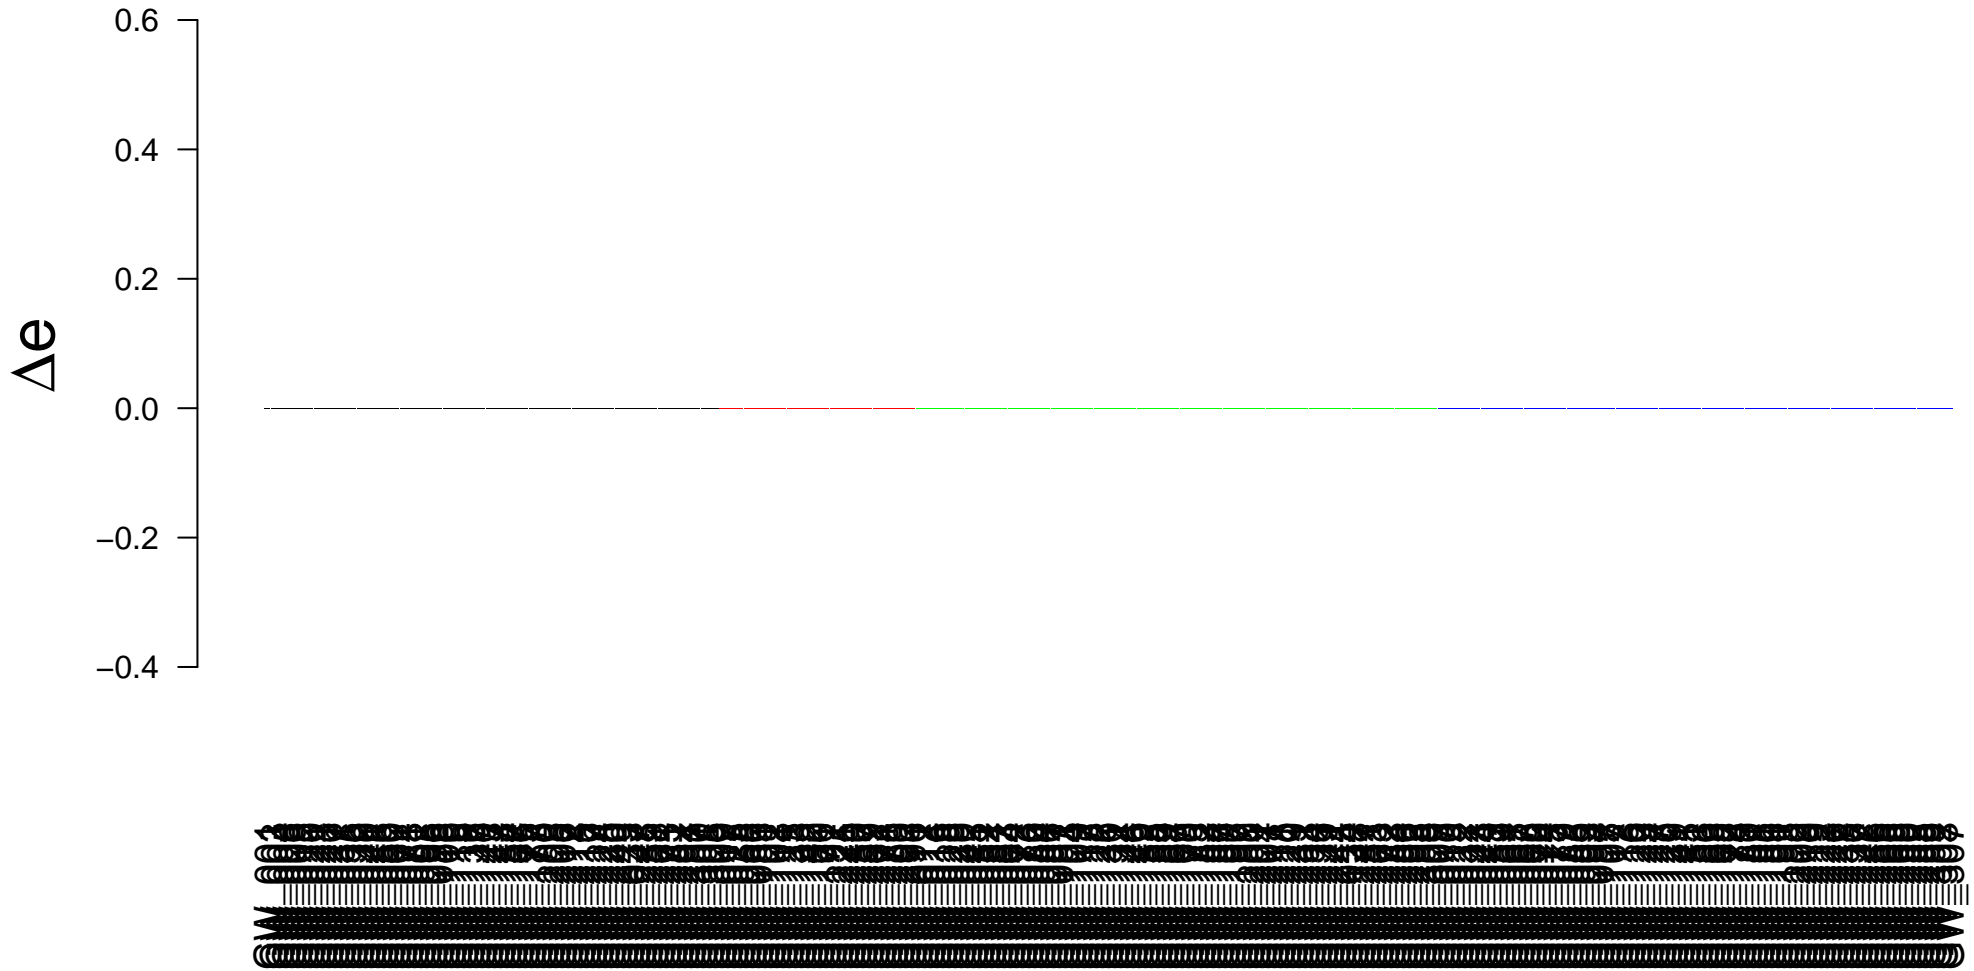

Expression of small ribosomal subunit in Spot G

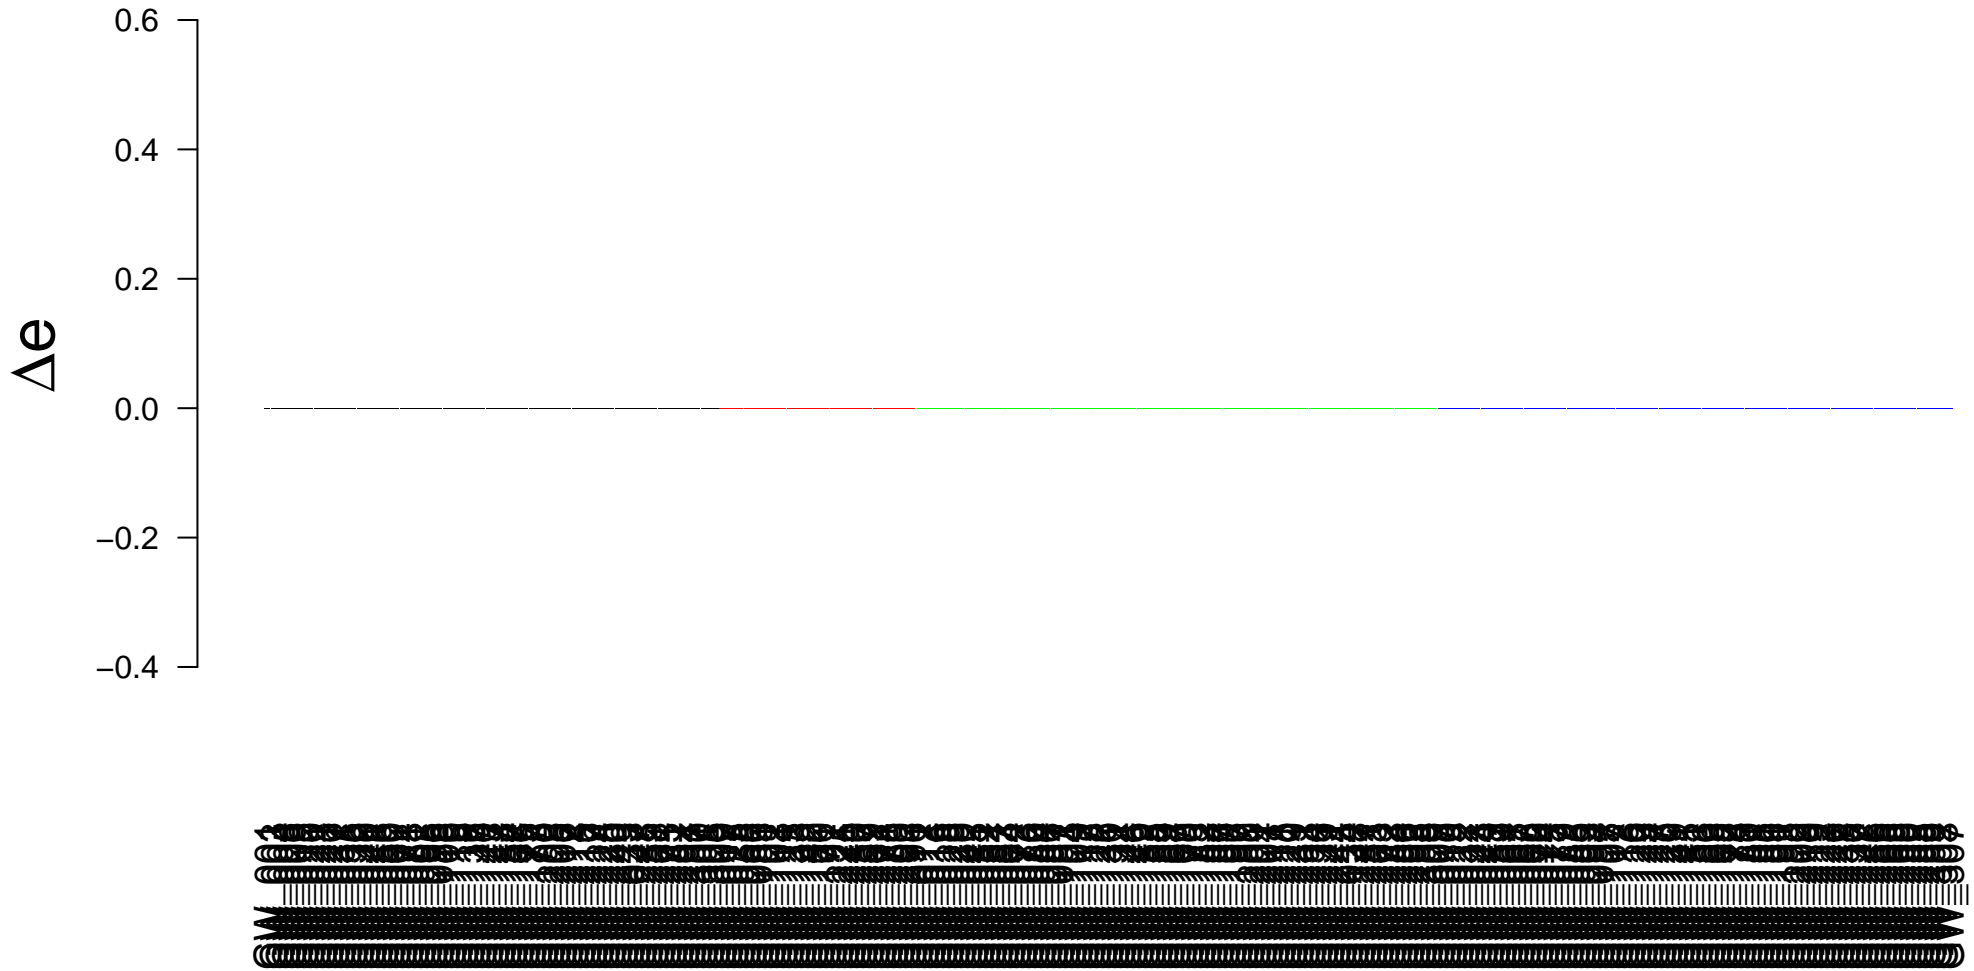

Expression of small ribosomal subunit in Spot H

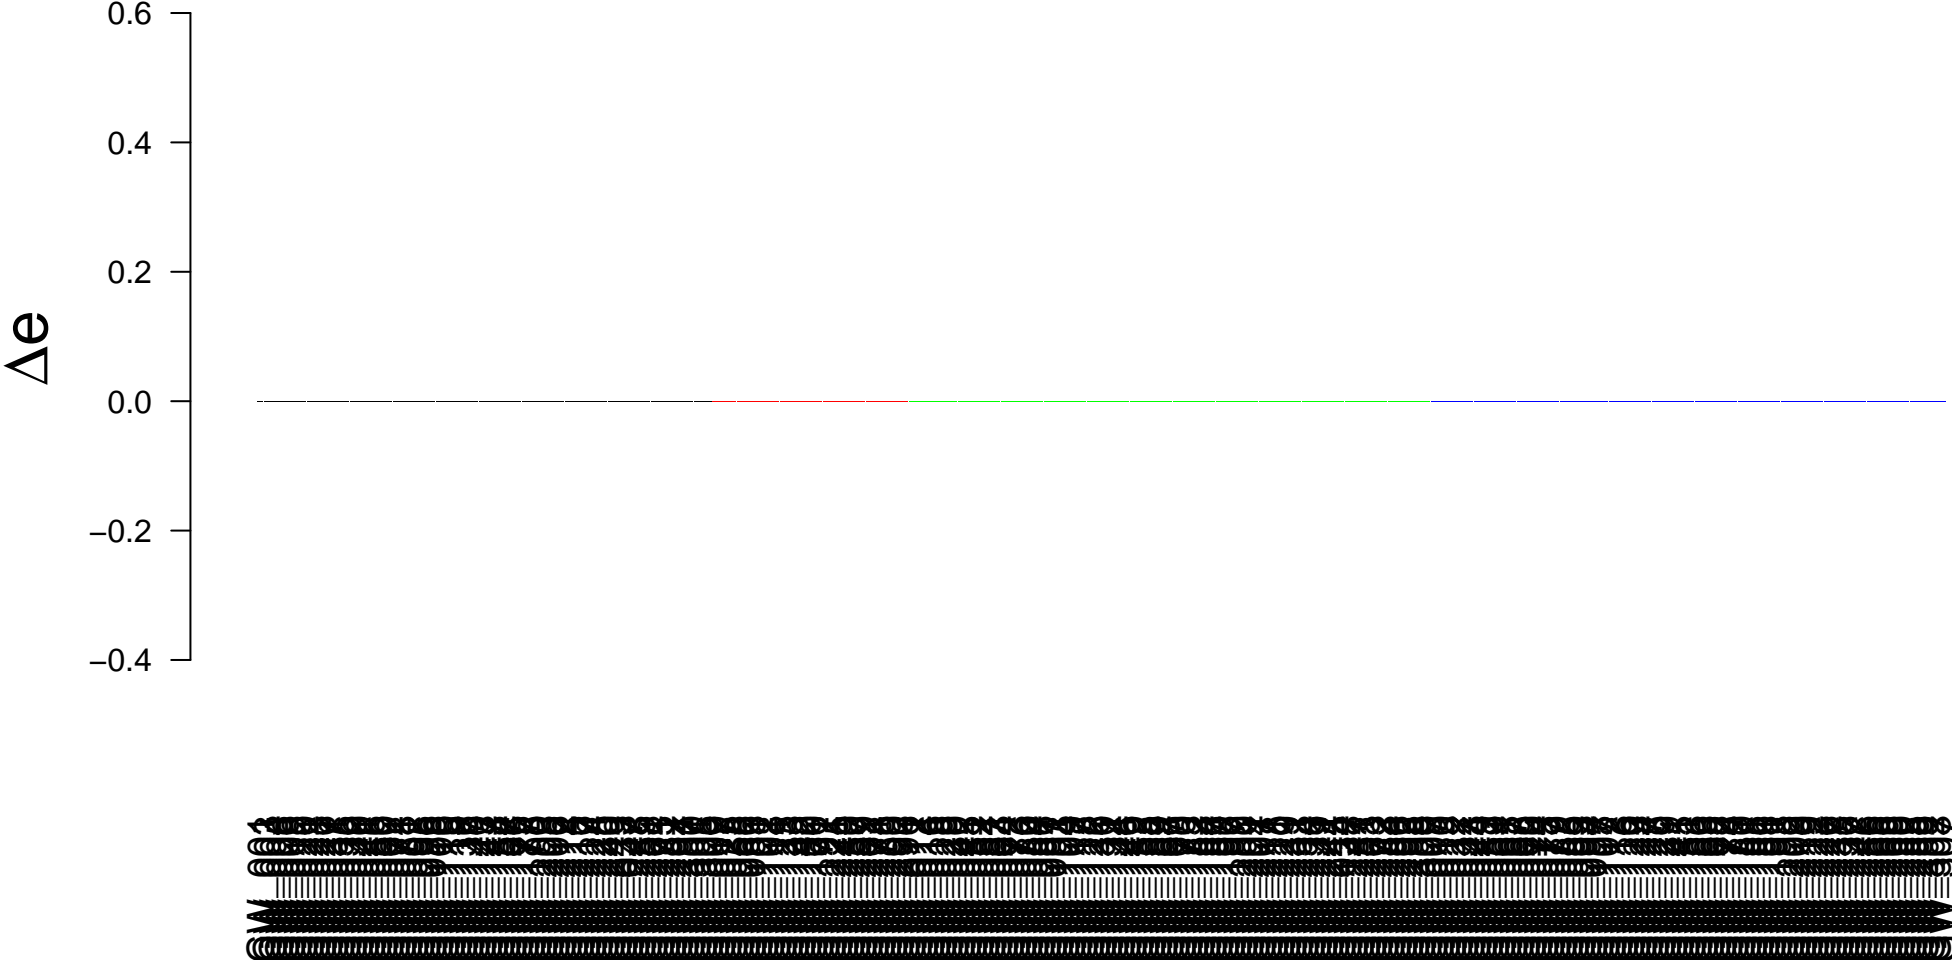

Expression of small ribosomal subunit in Spot I

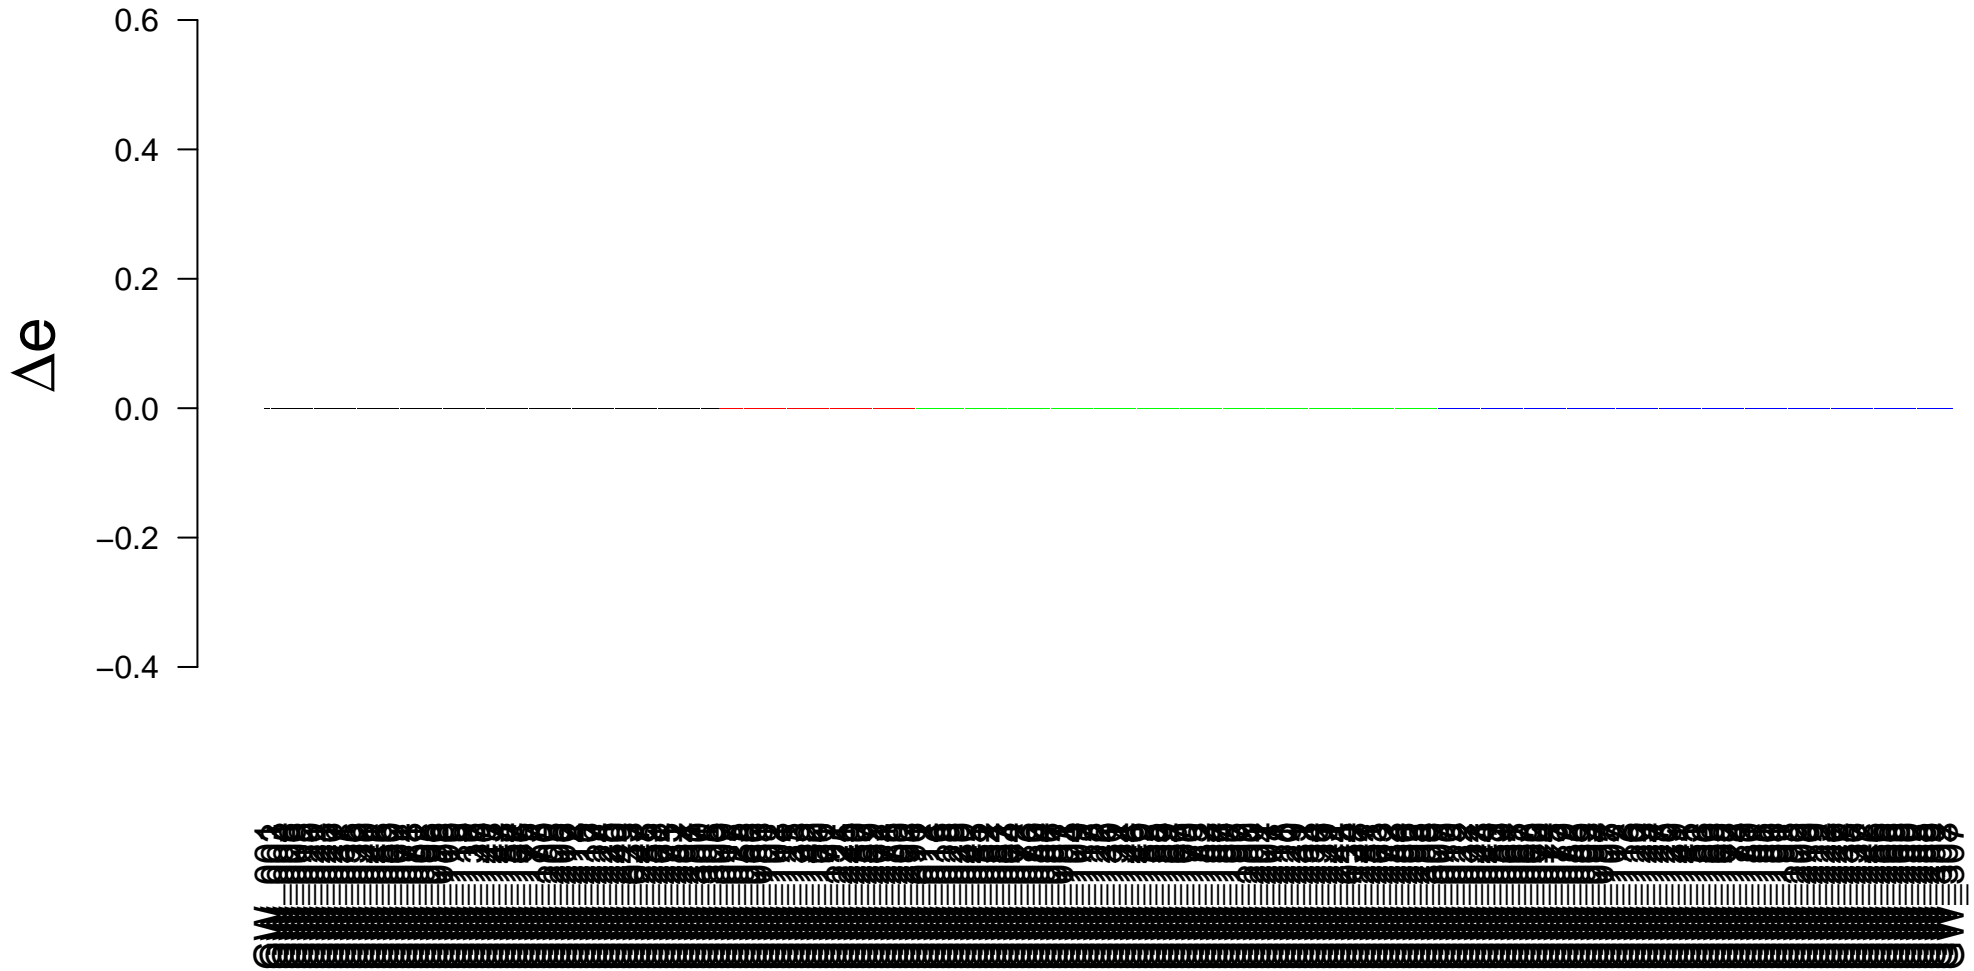

Expression of small ribosomal subunit in Spot J

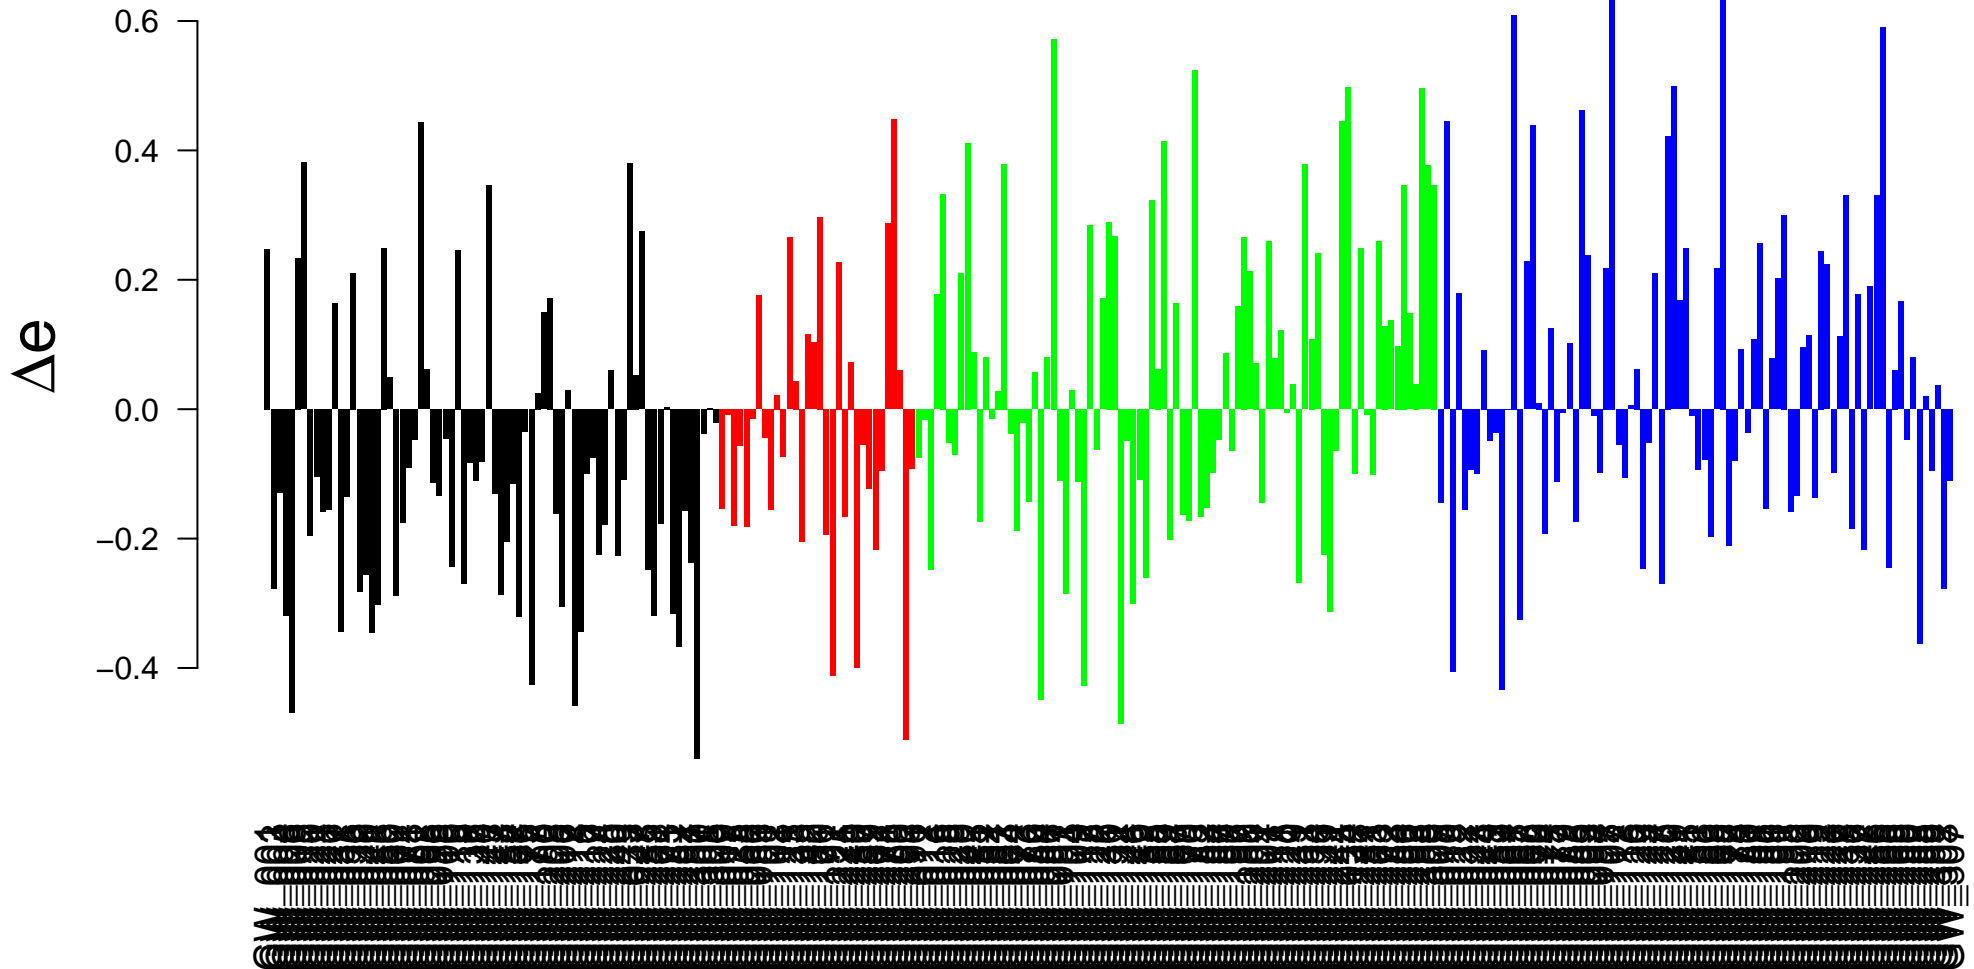

Expression of small ribosomal subunit in Spot K

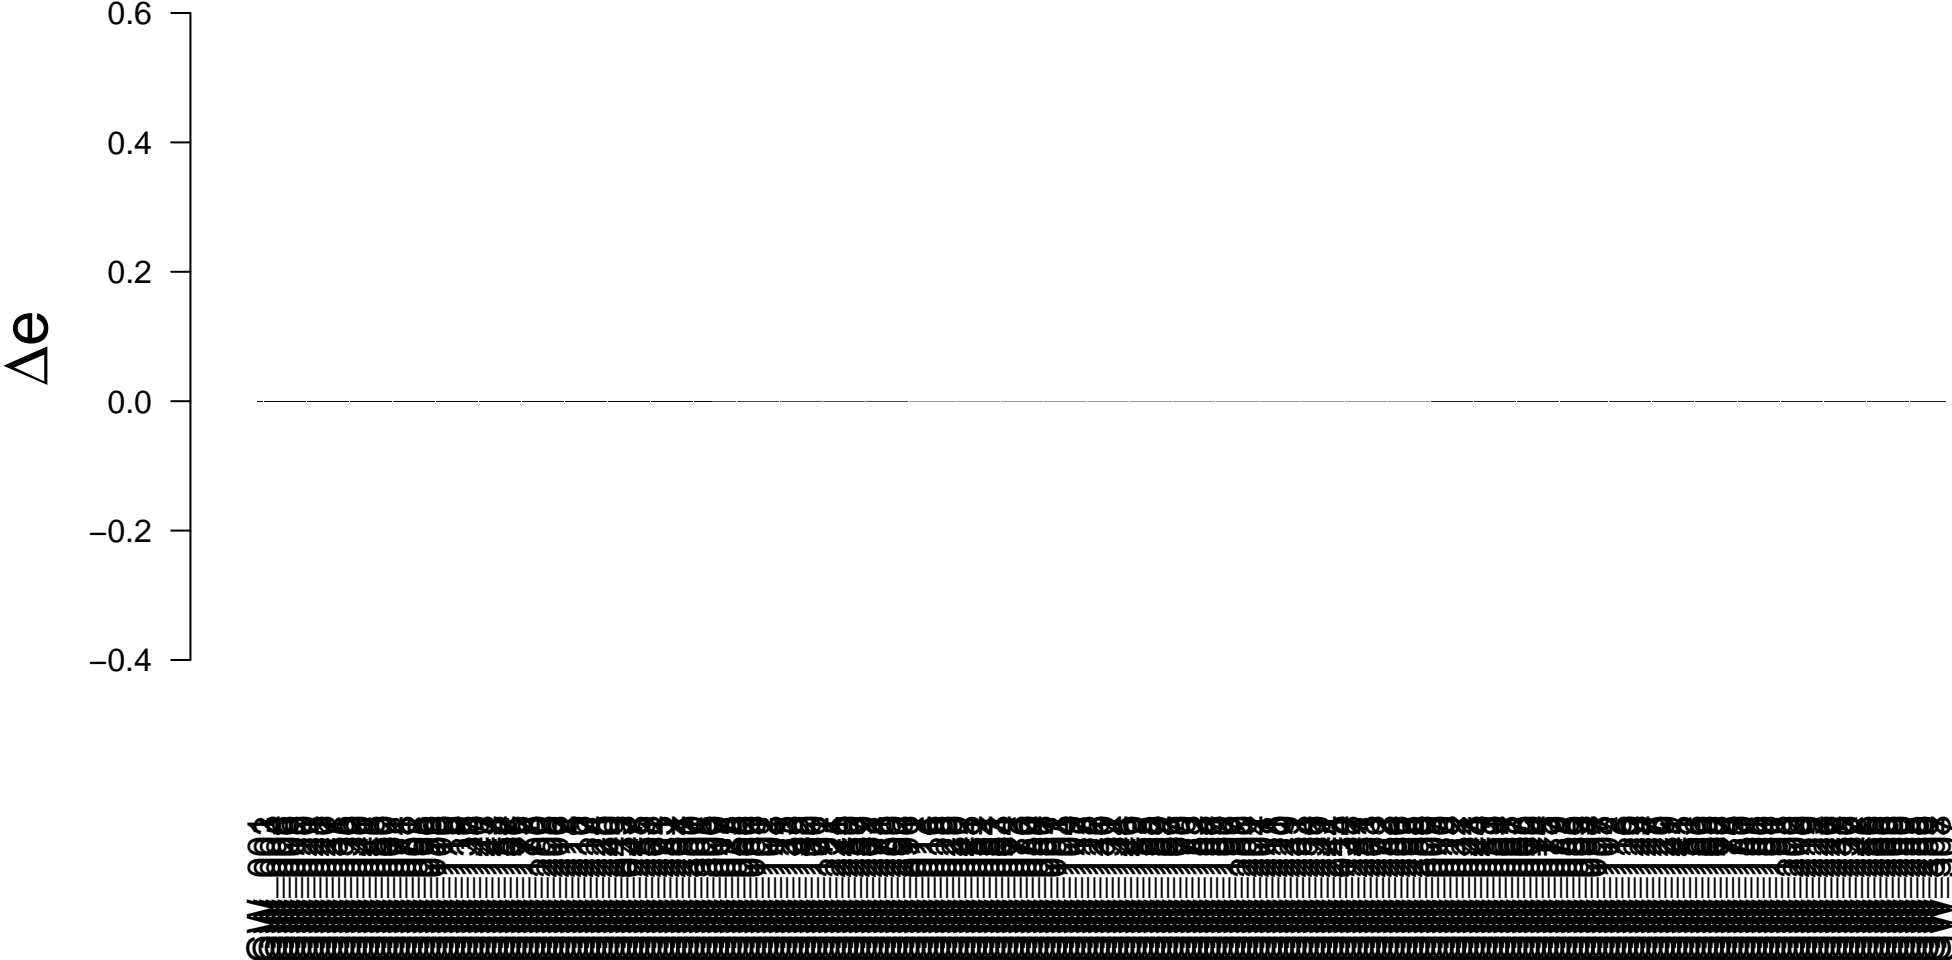

Expression of small ribosomal subunit in Spot L

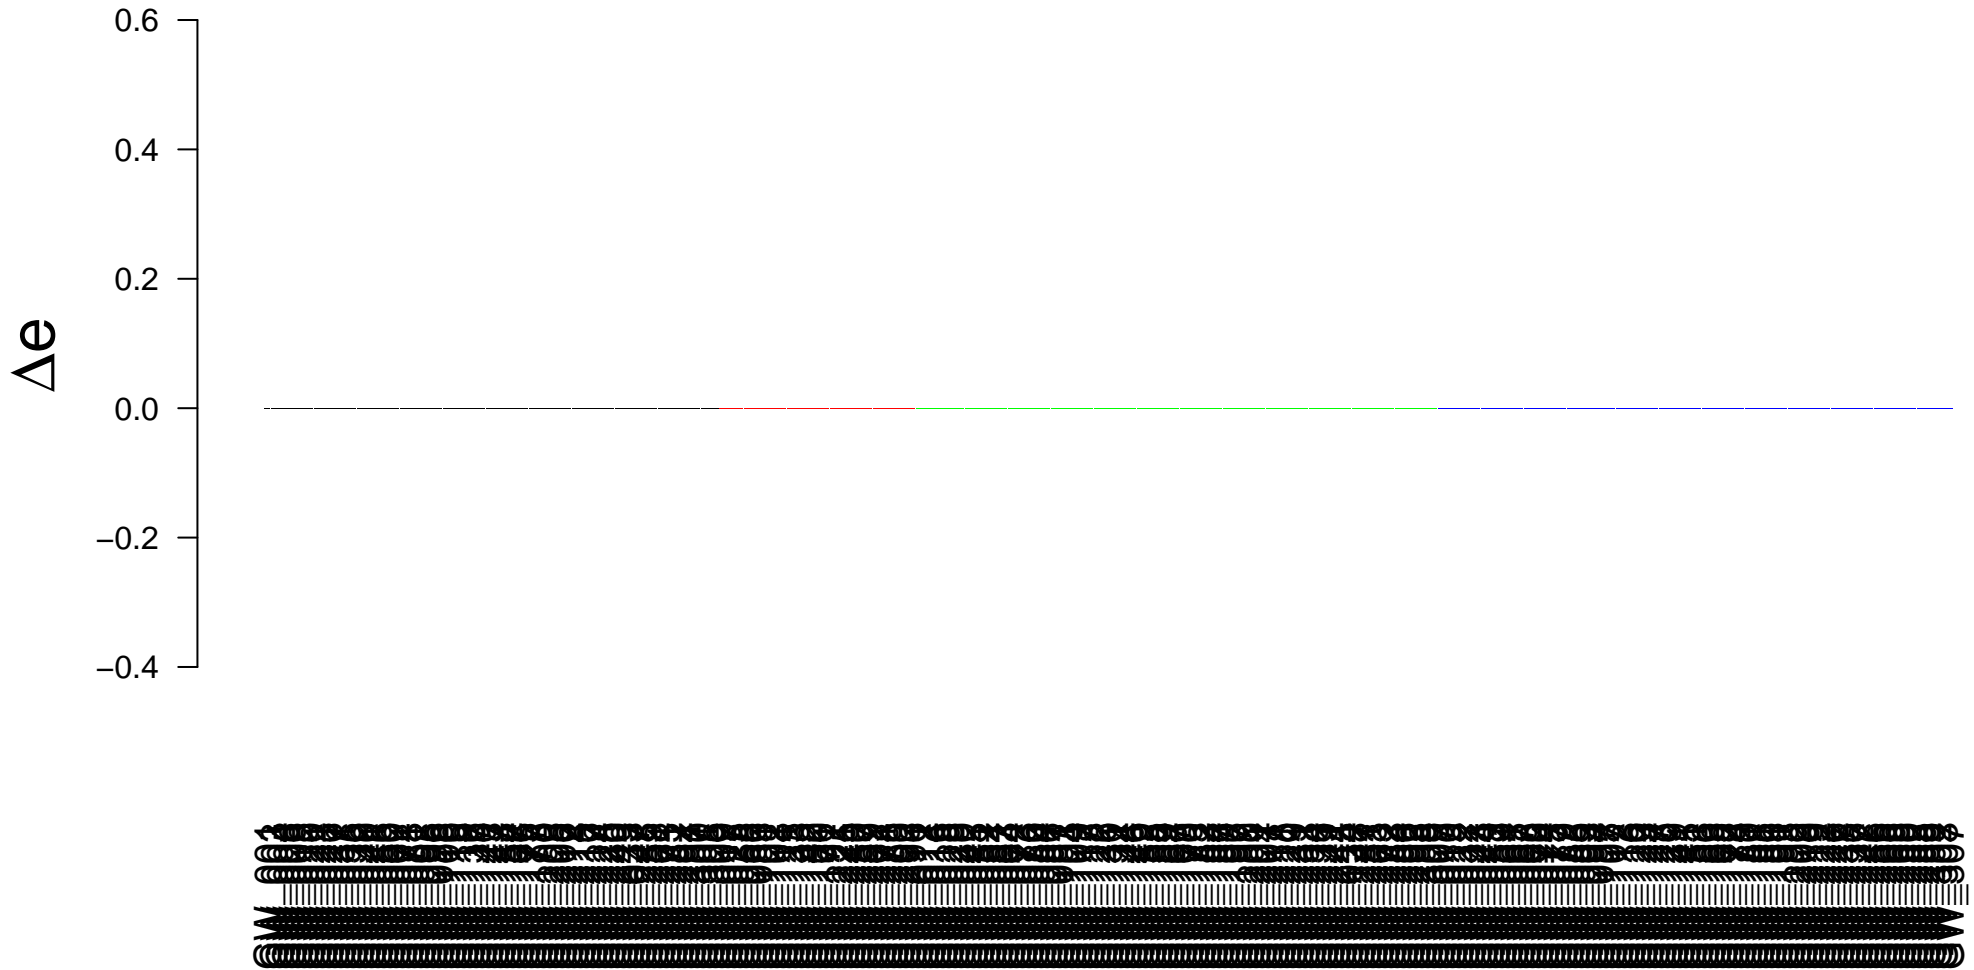

Expression of small ribosomal subunit in Spot M

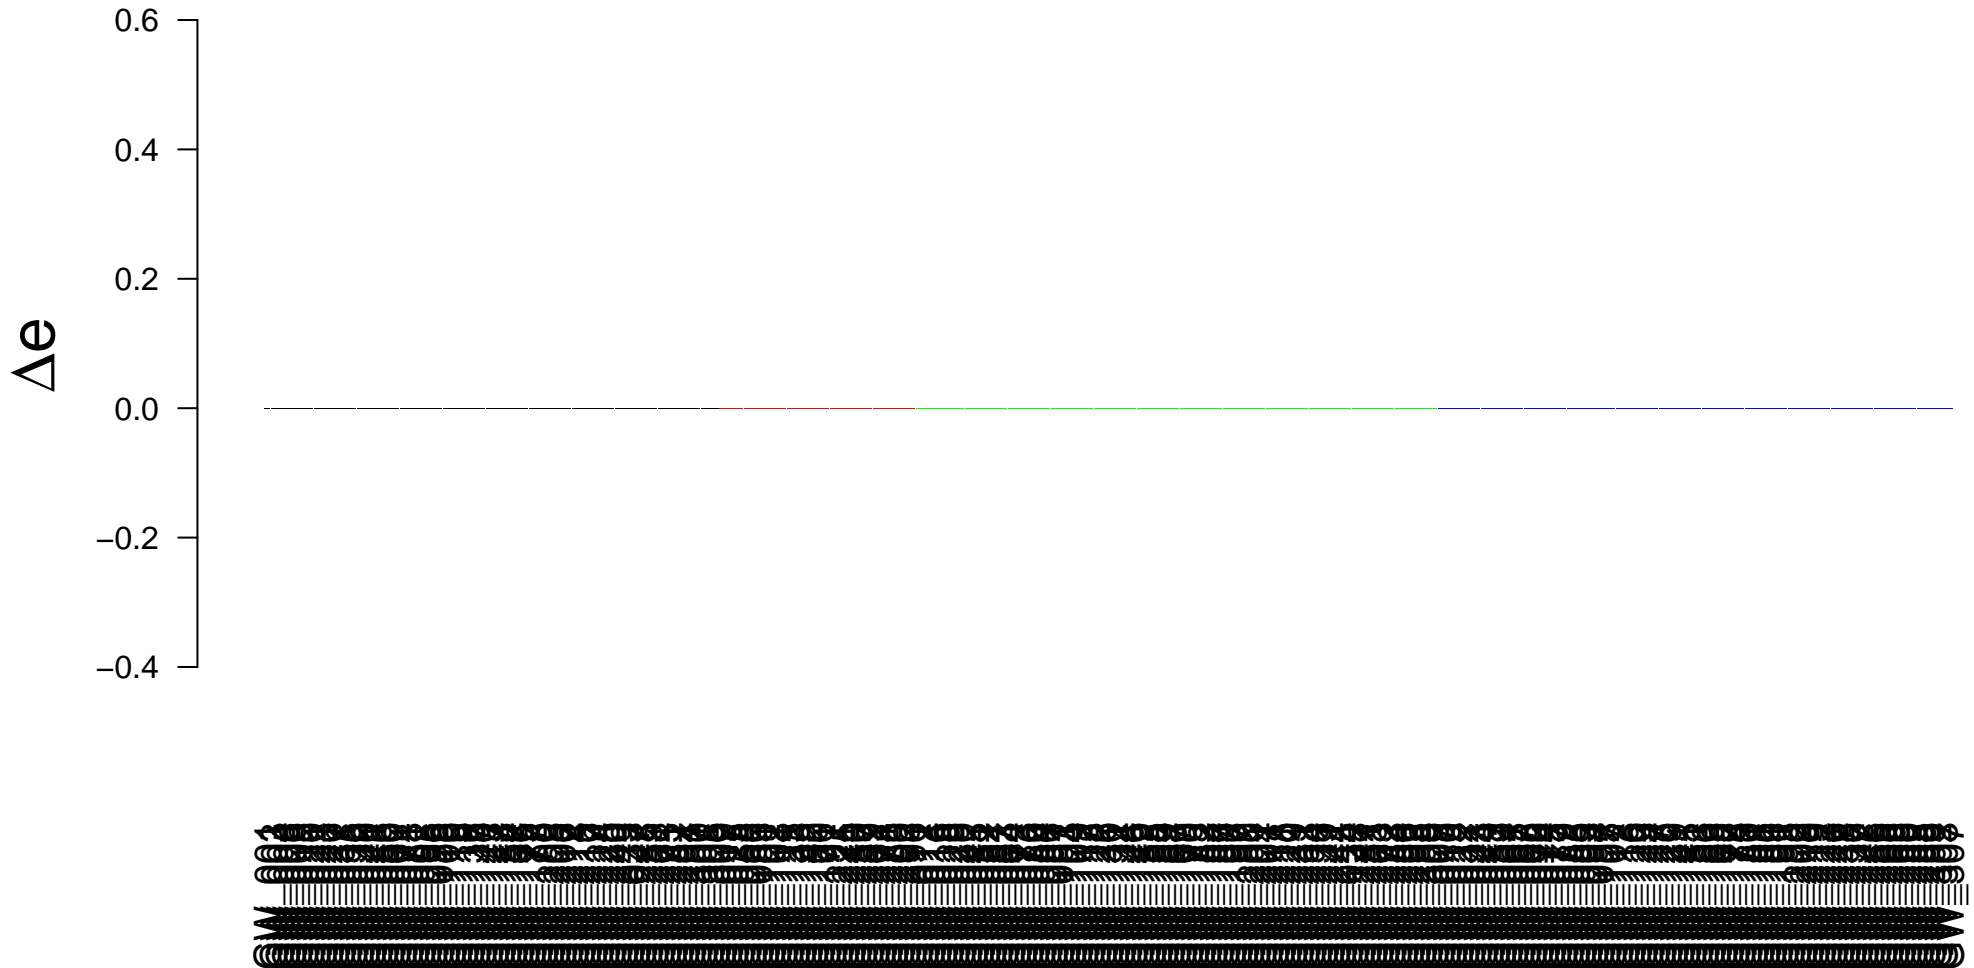

Expression of small ribosomal subunit in Spot N

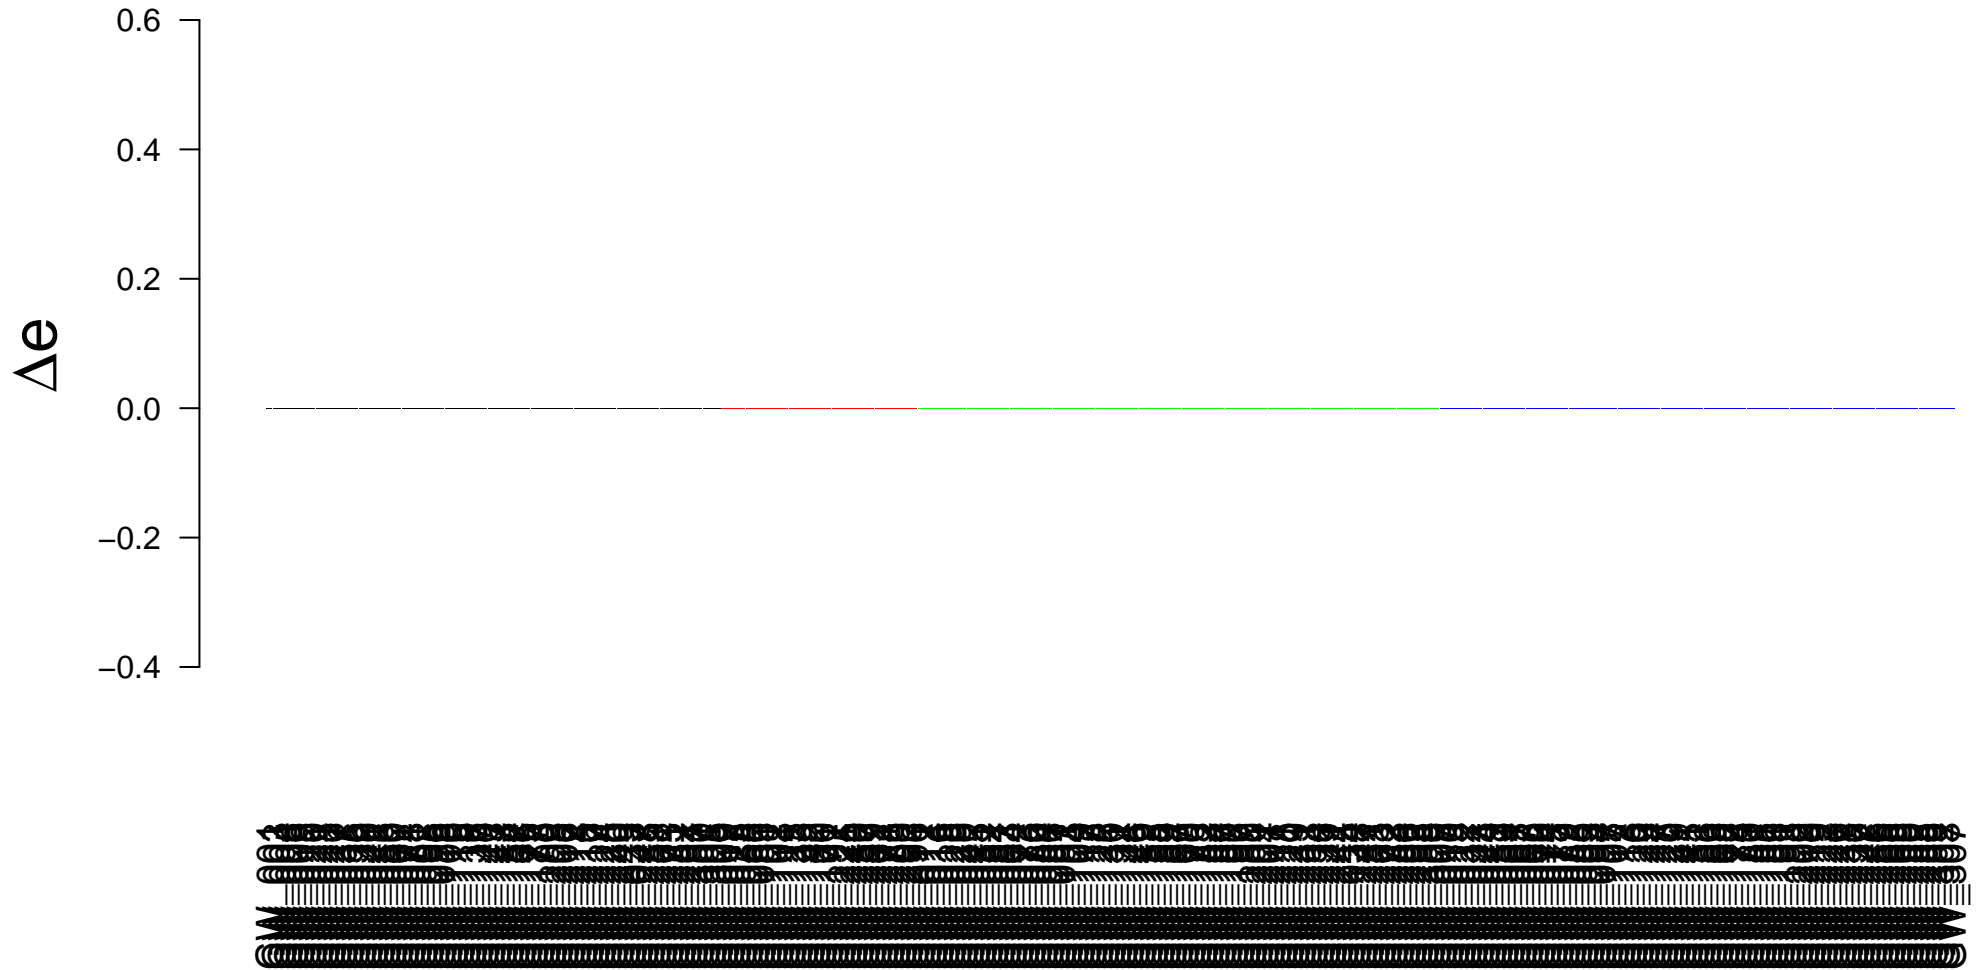

Expression of small ribosomal subunit in Spot O

Expression of small ribosomal subunit in Spot P

Expression of small ribosomal subunit in Spot Q

Expression of small ribosomal subunit in Spot R
