smooth muscle cell differentiation

Enrichment in spots: smooth muscle cell differentiation

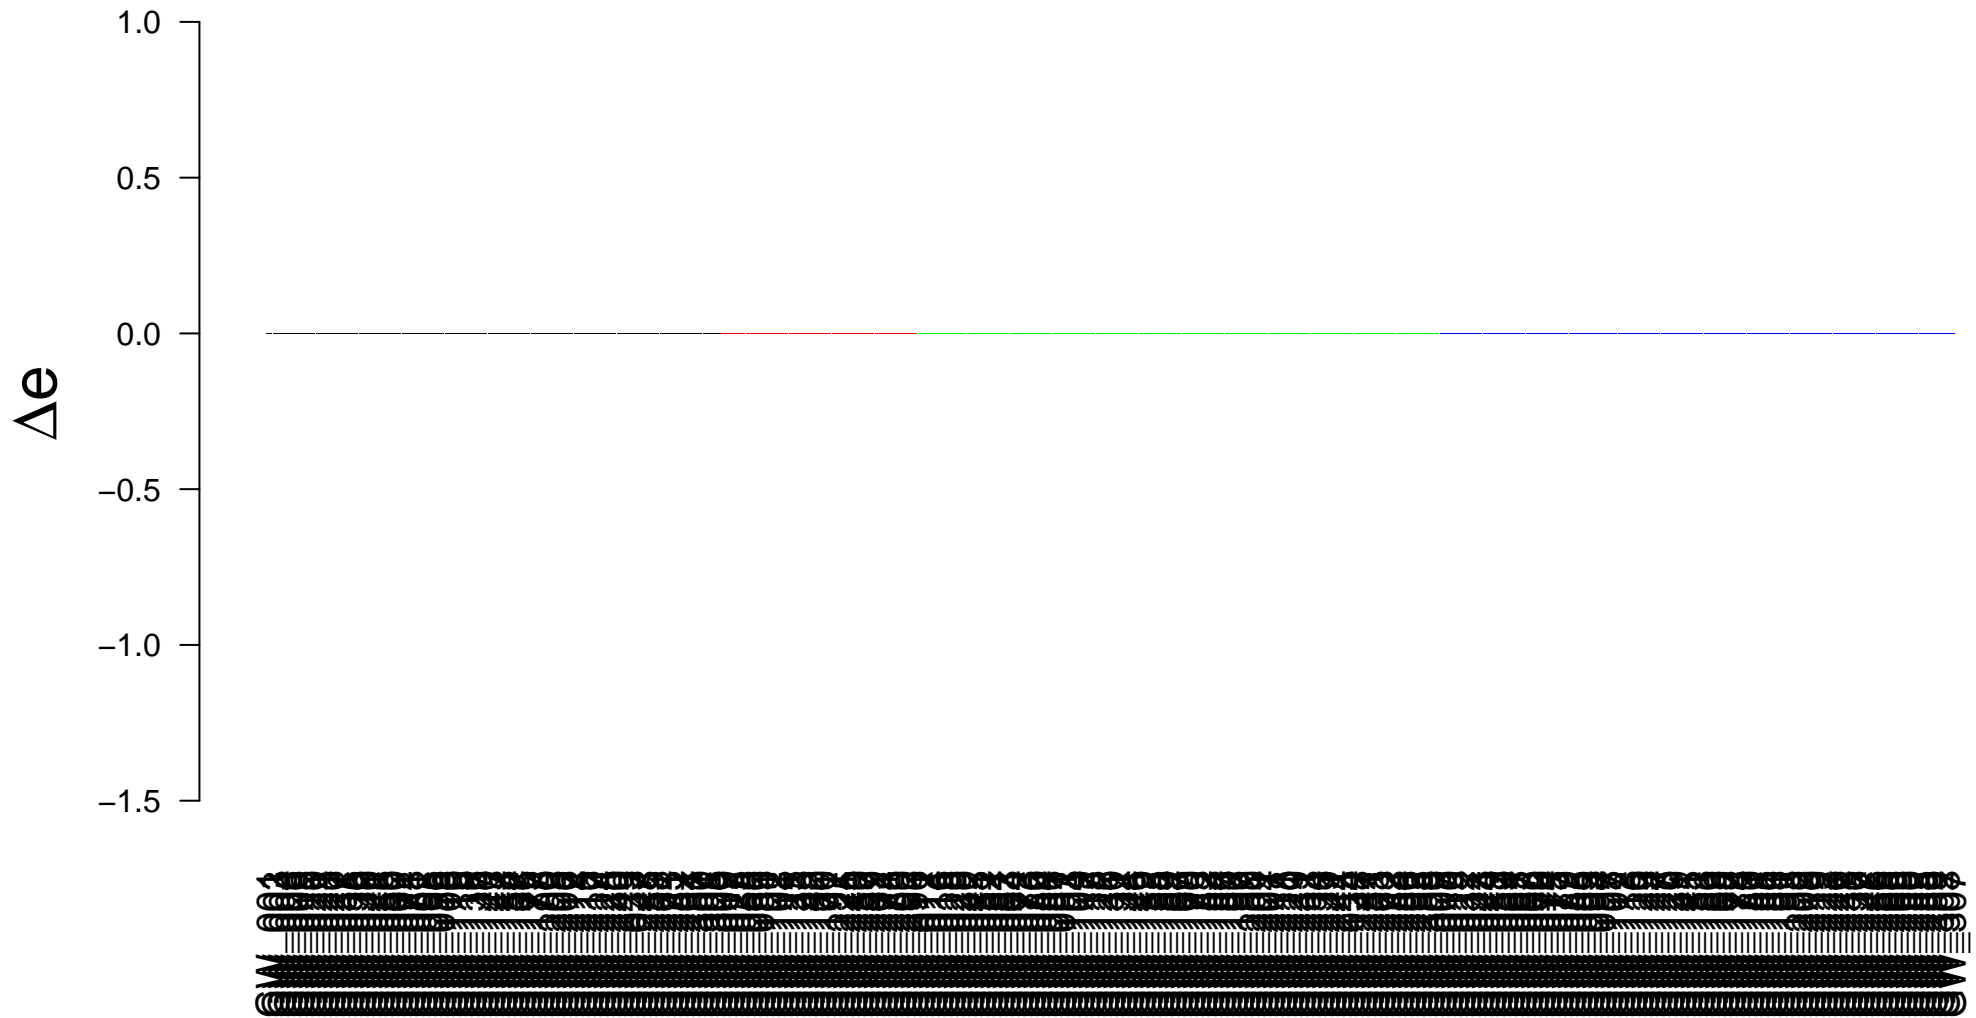

Expression of smooth muscle cell differentiation in Spot A

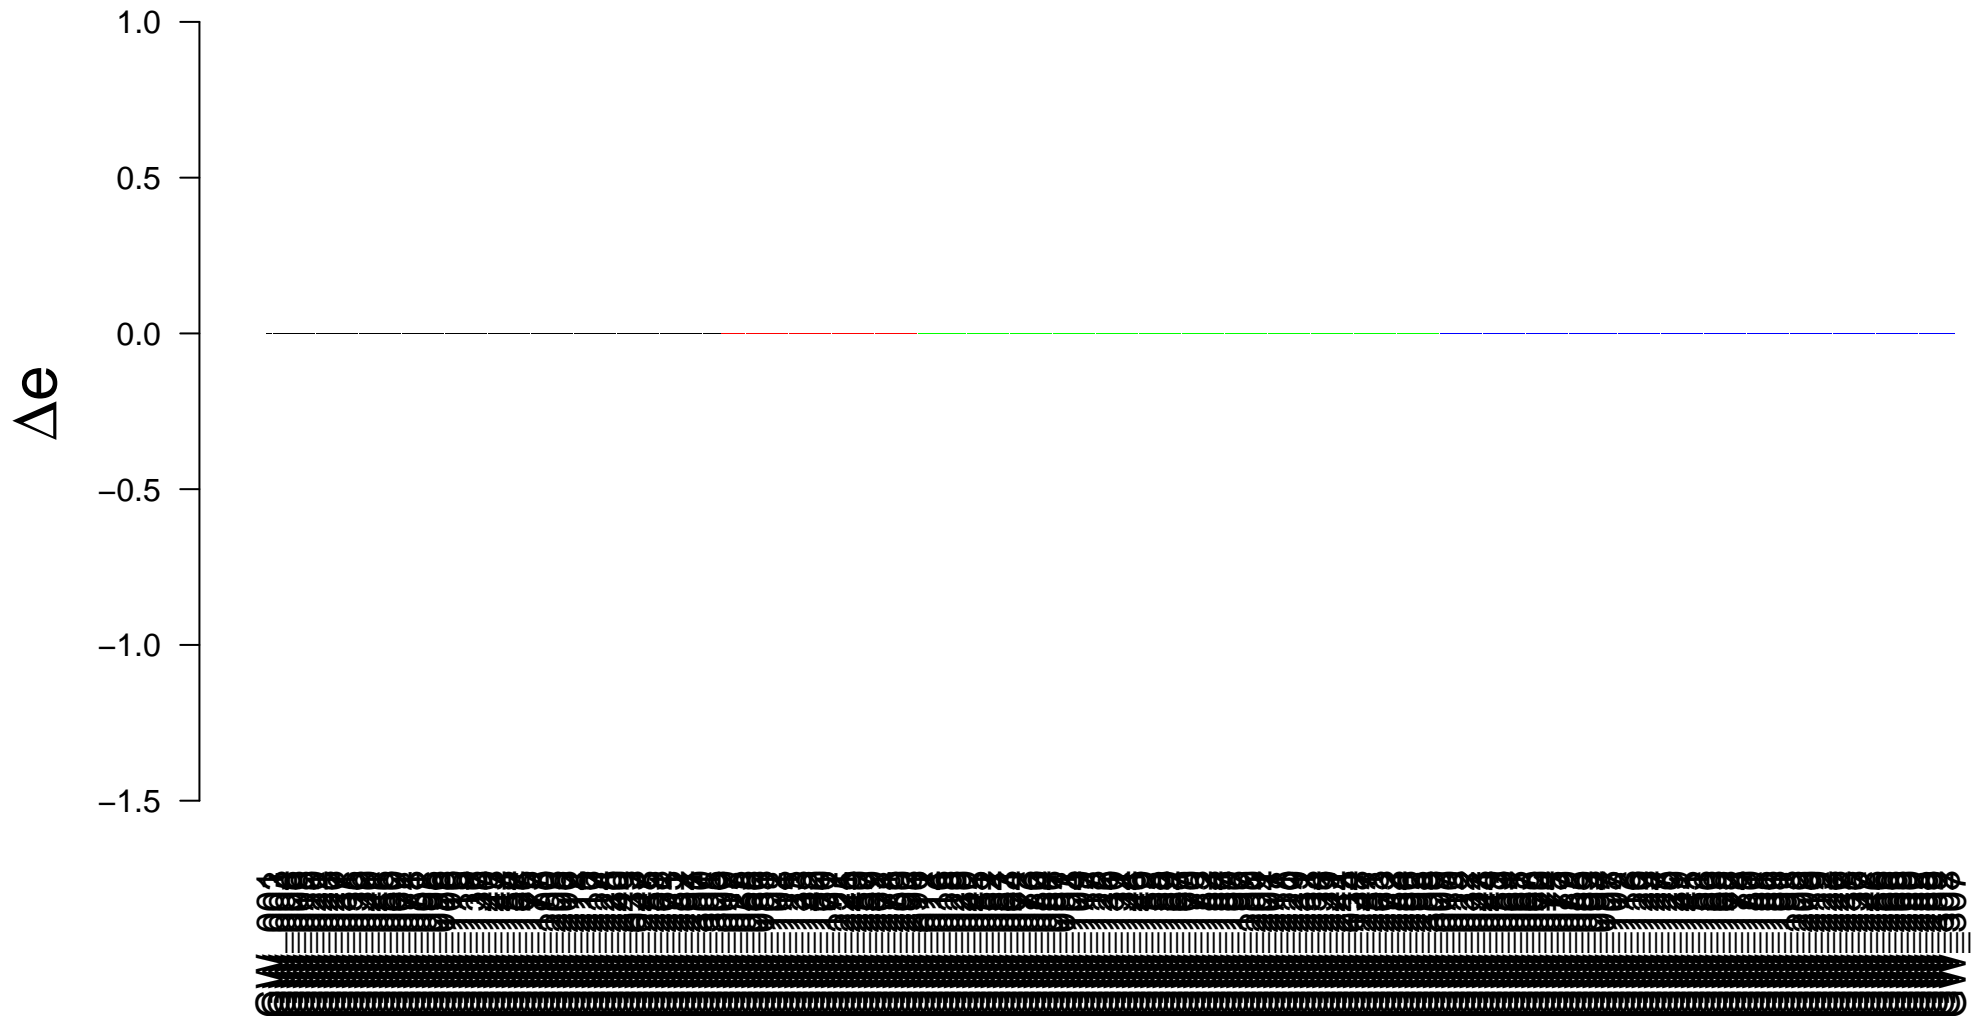

Expression of smooth muscle cell differentiation in Spot B

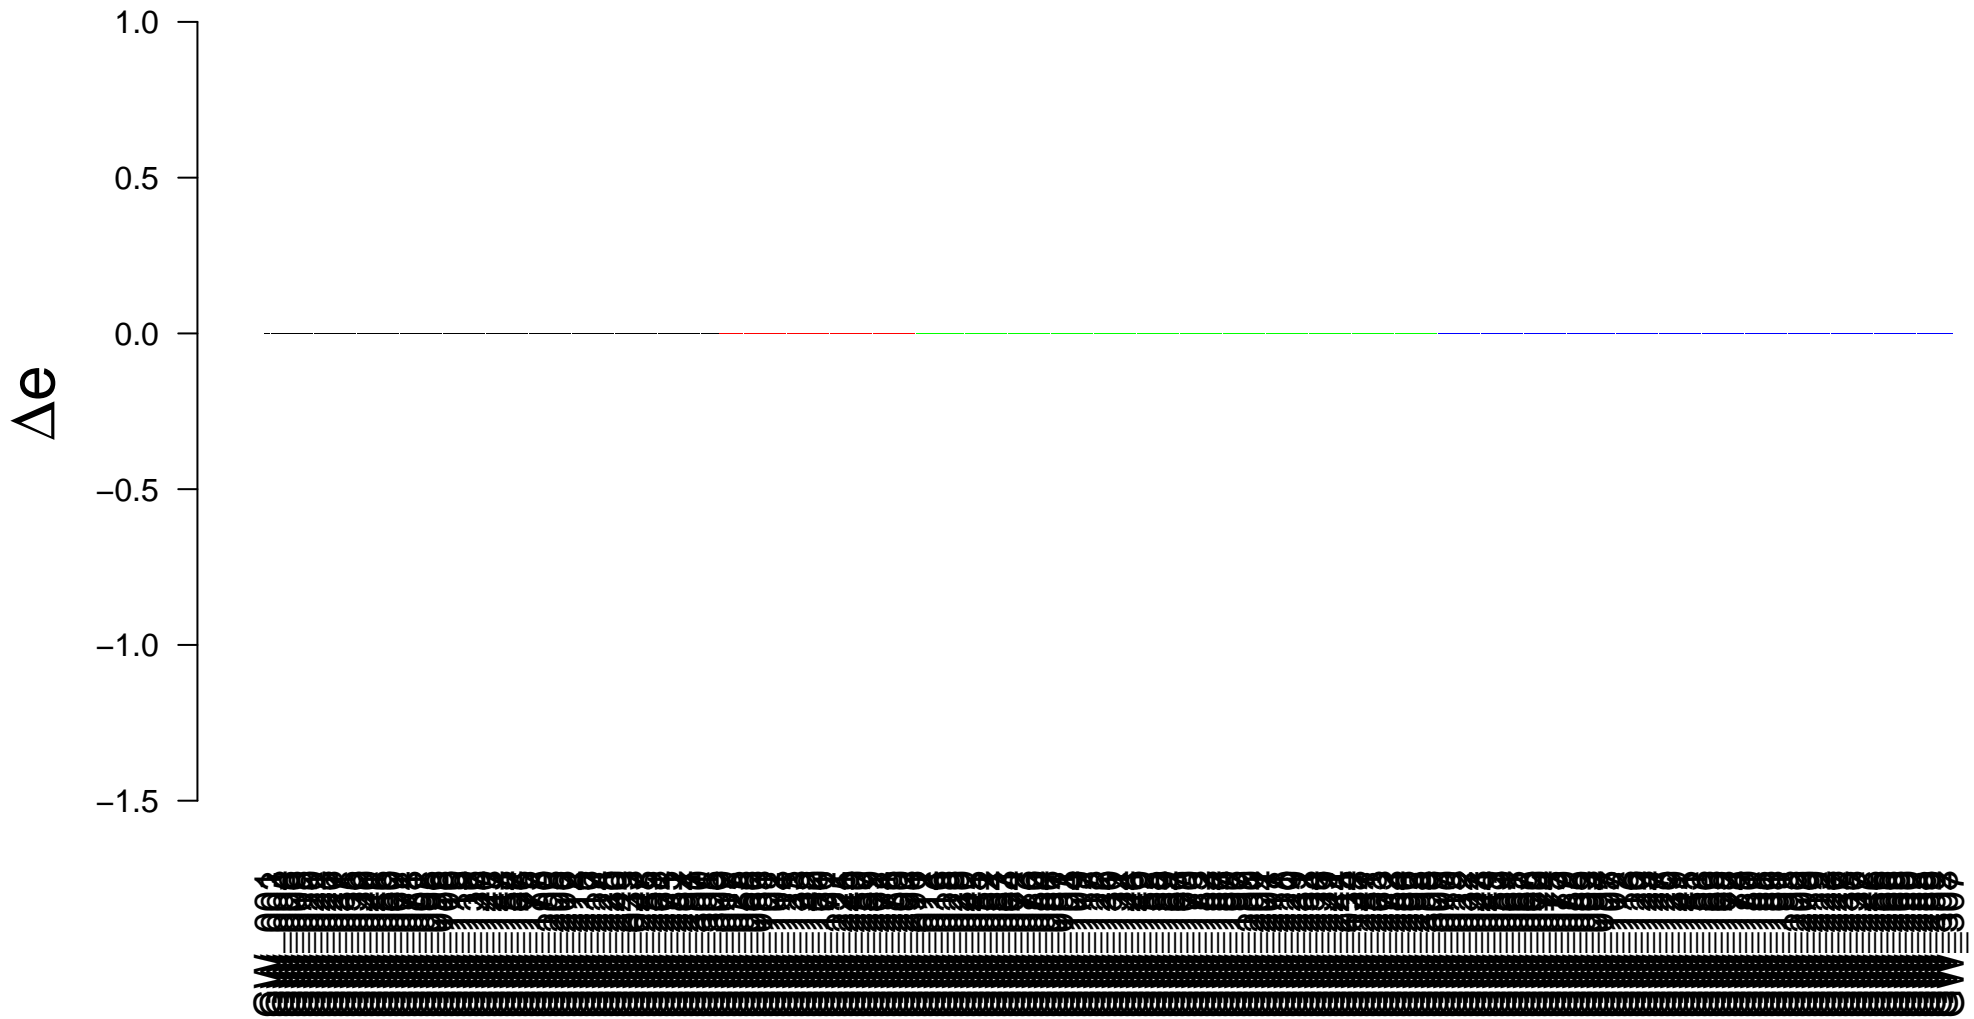

Expression of smooth muscle cell differentiation in Spot C

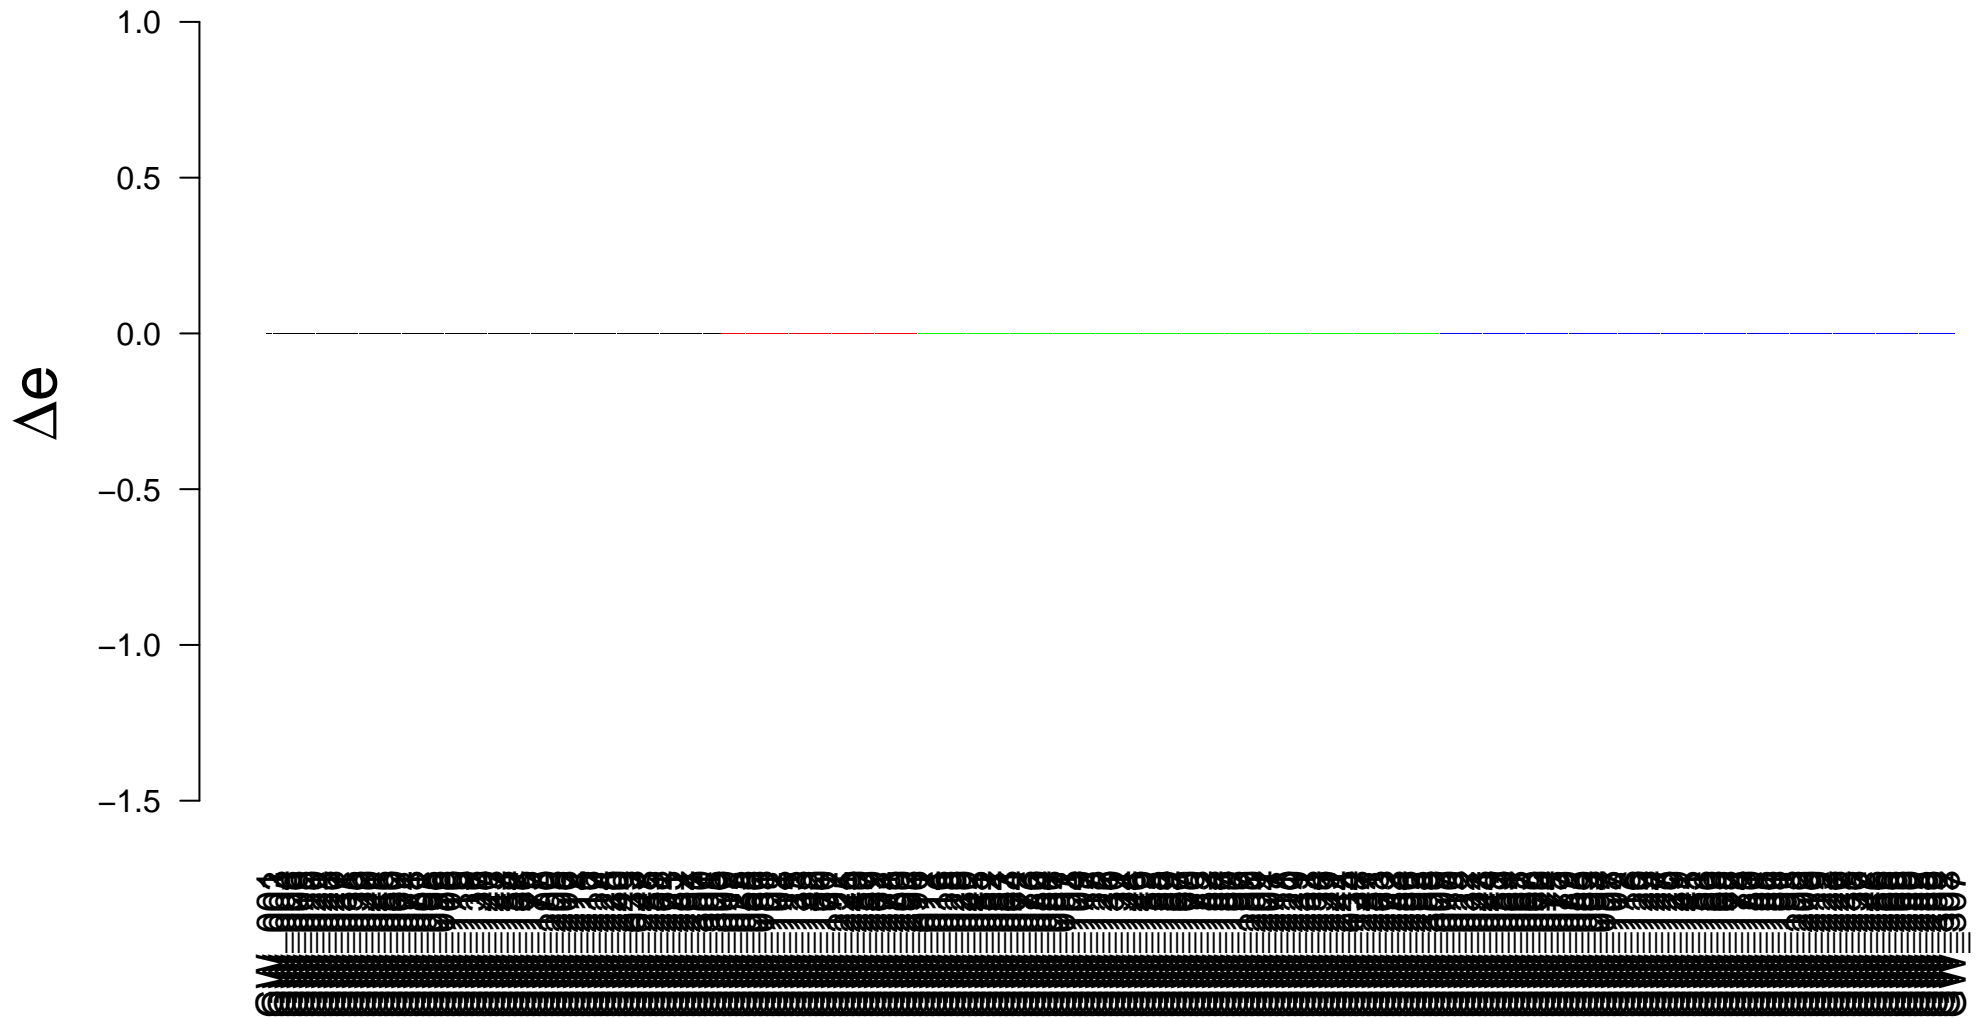

Expression of smooth muscle cell differentiation in Spot D

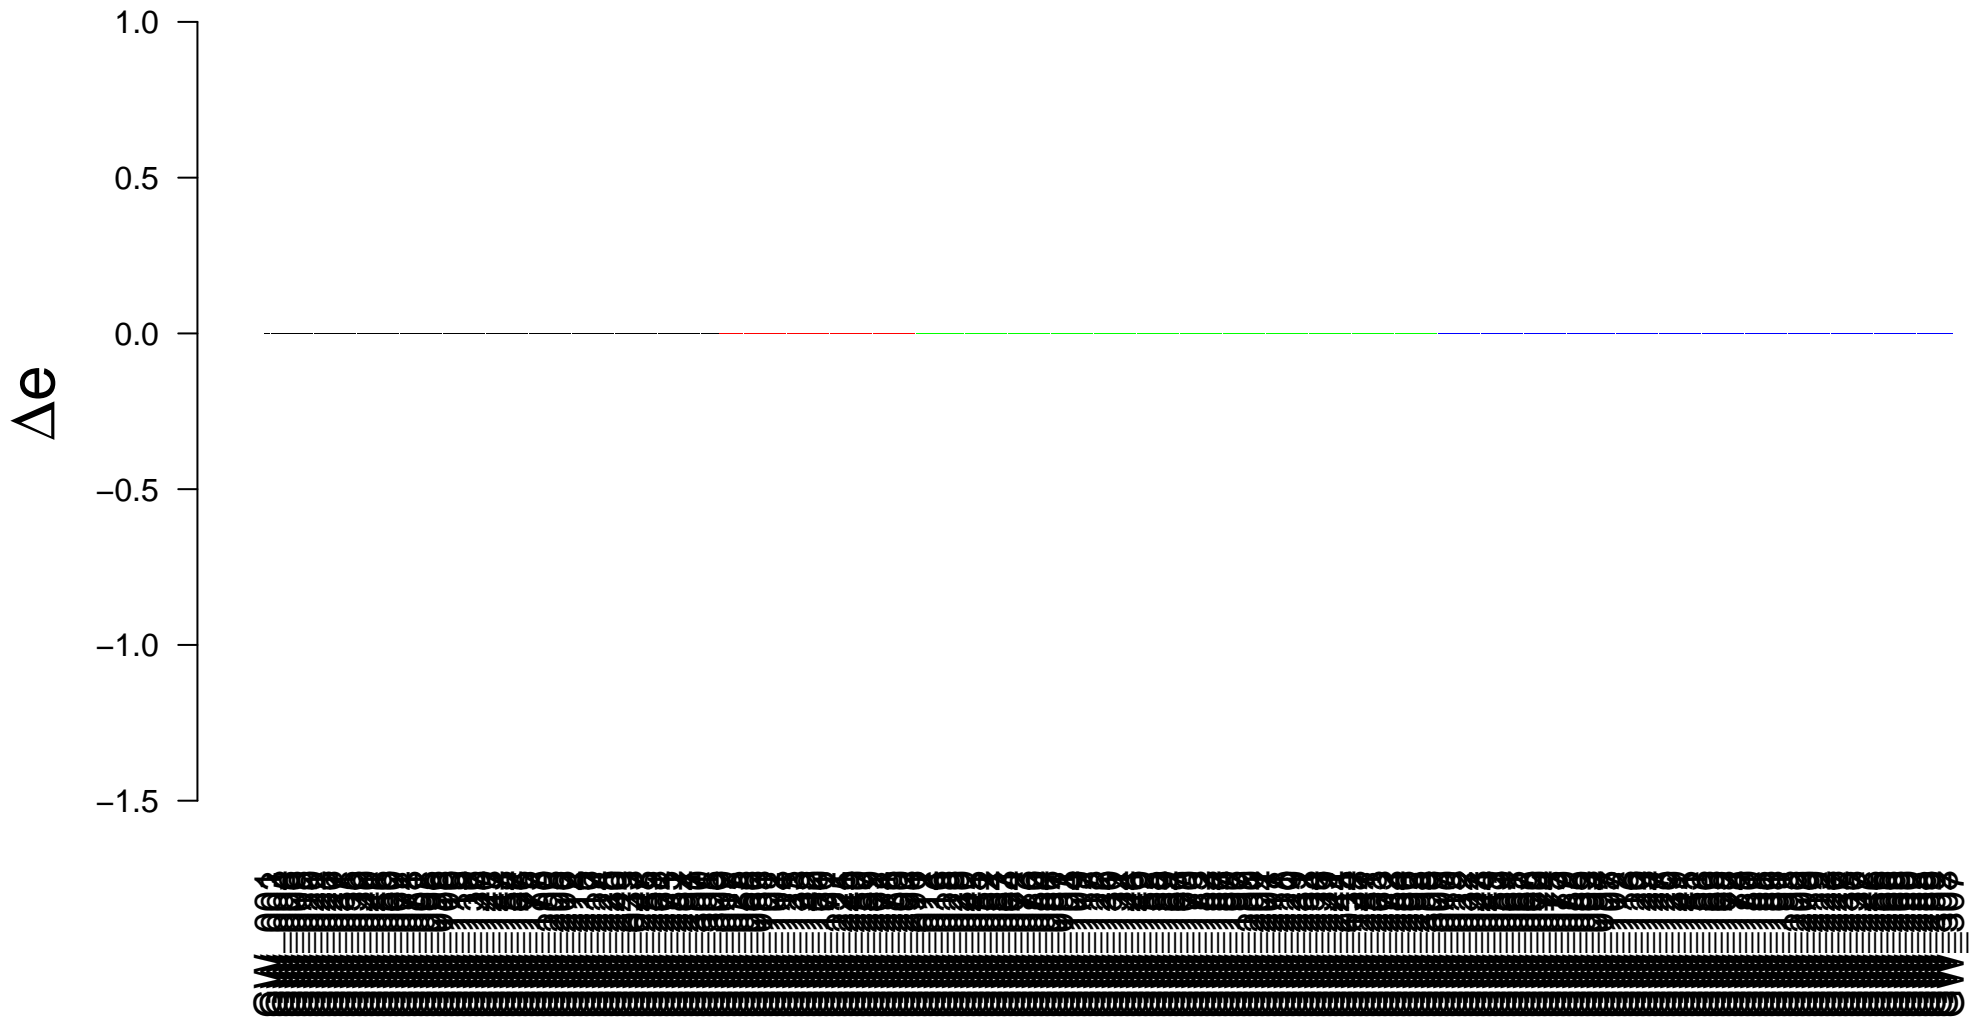

Expression of smooth muscle cell differentiation in Spot E

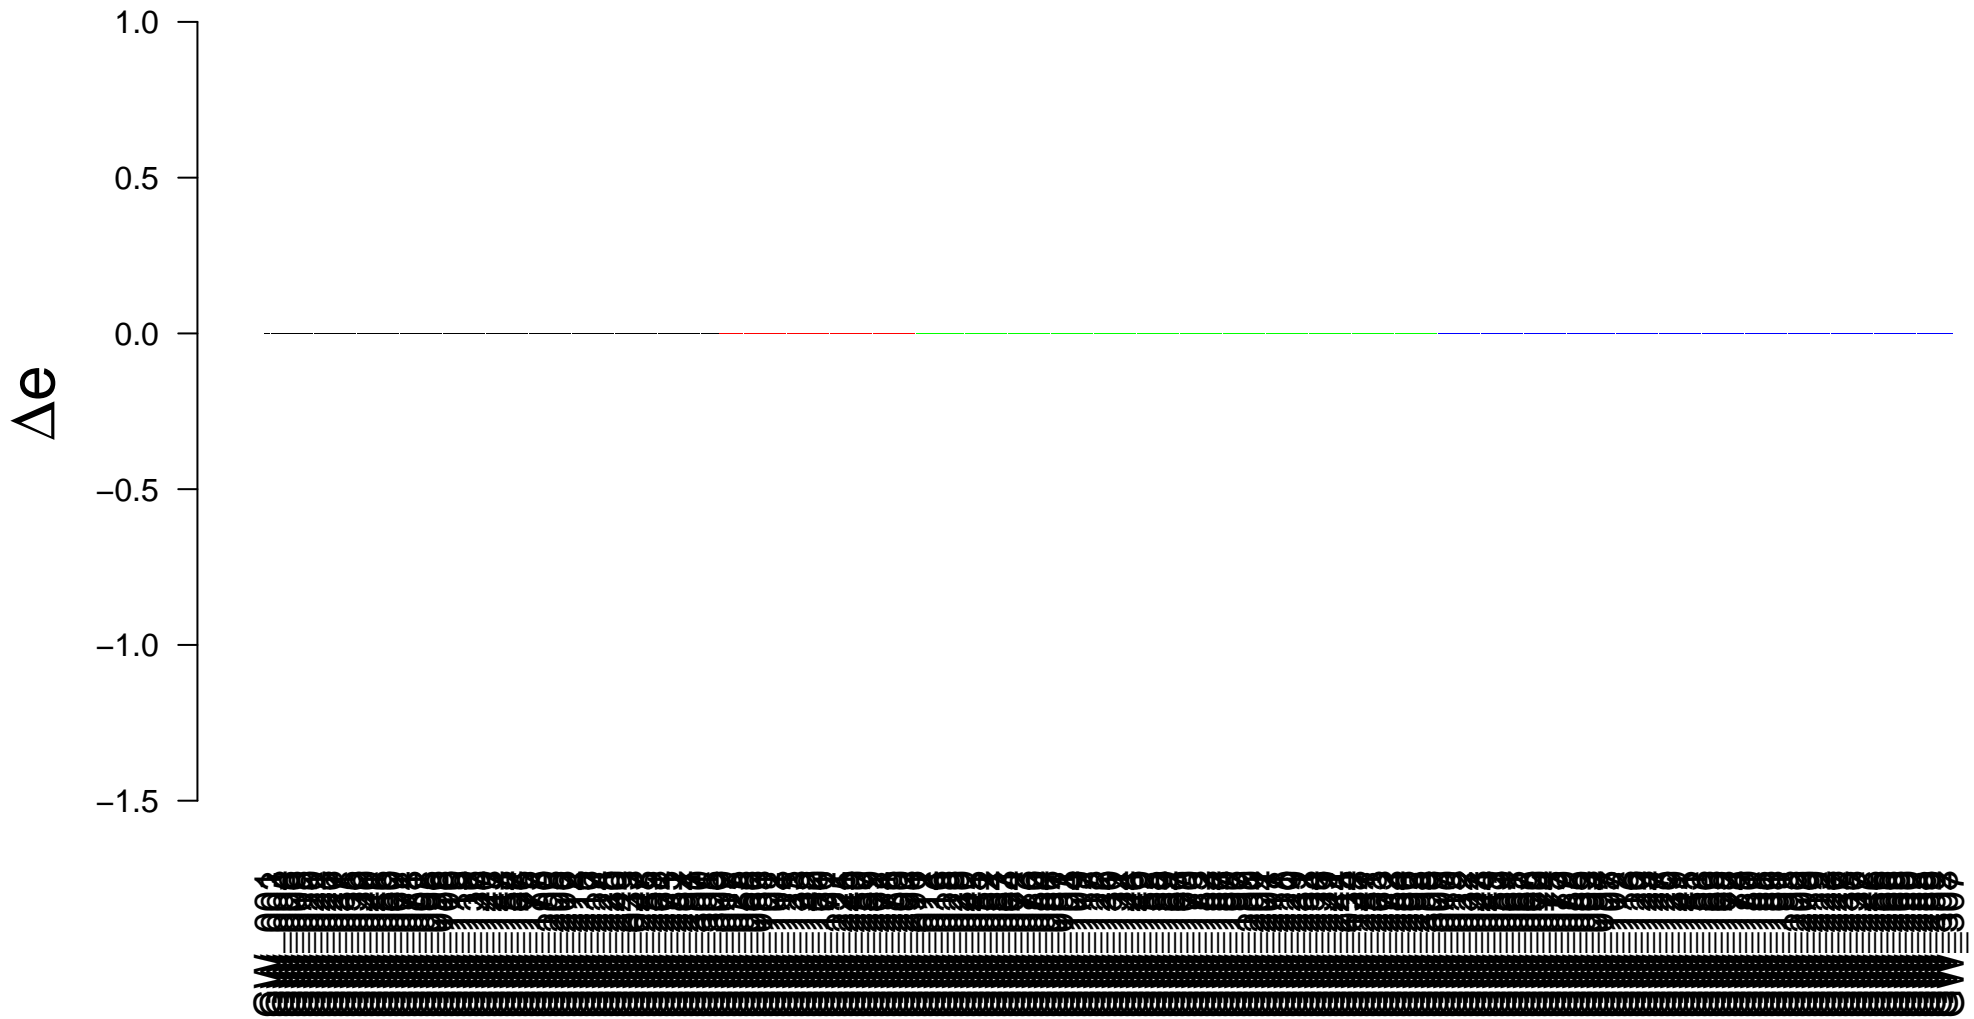

Expression of smooth muscle cell differentiation in Spot F

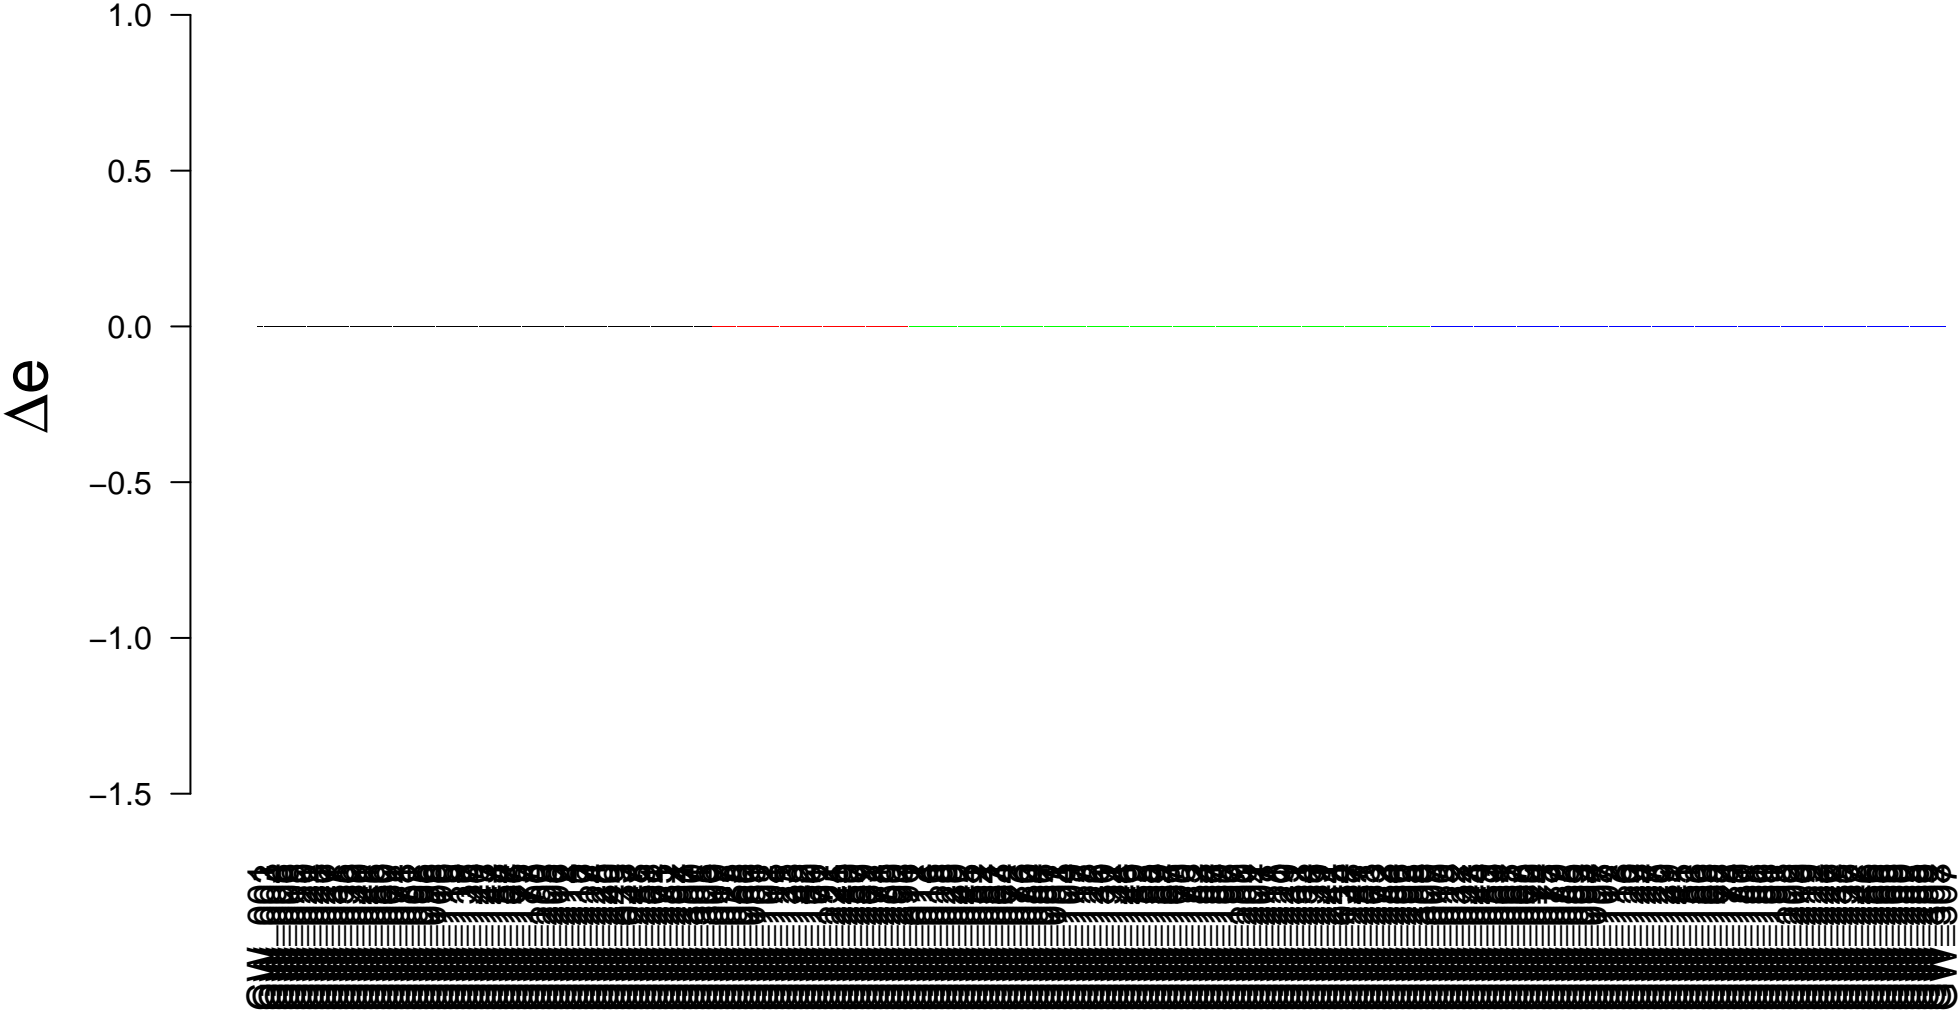

Expression of smooth muscle cell differentiation in Spot G

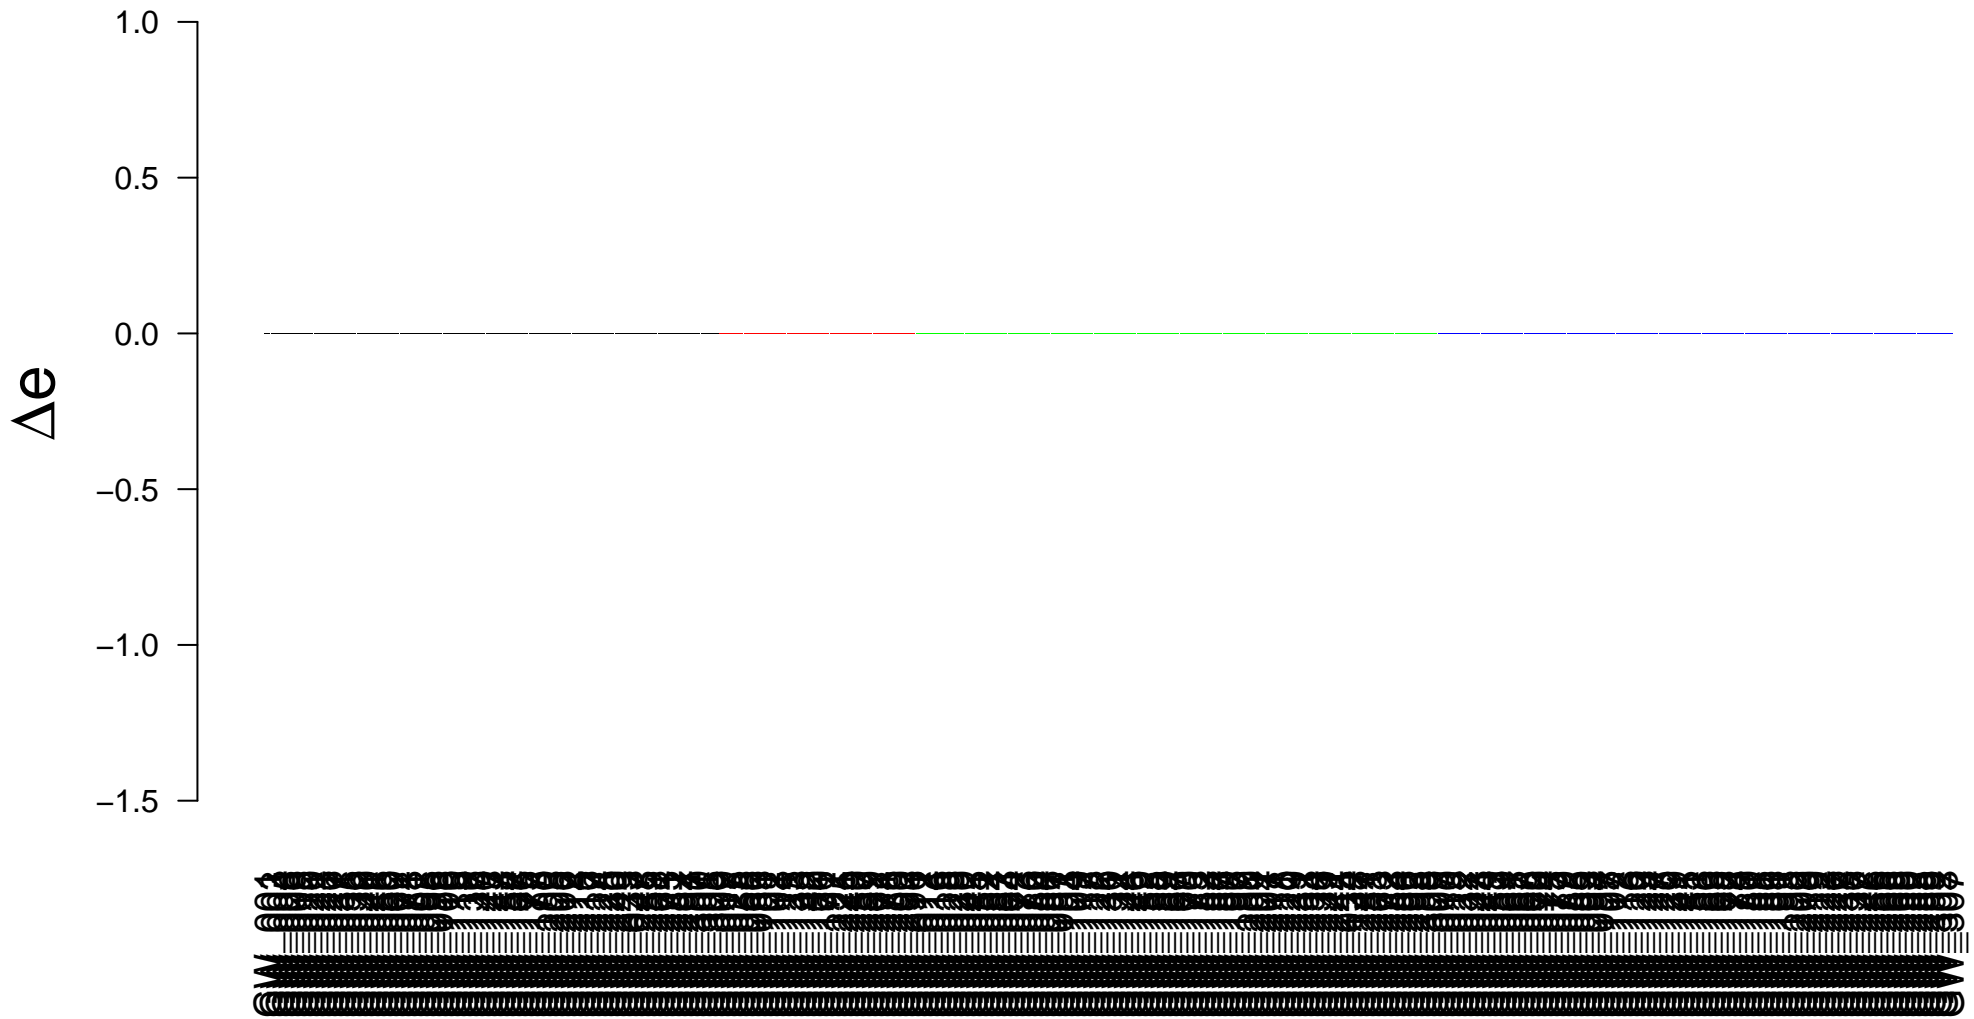

Expression of smooth muscle cell differentiation in Spot H

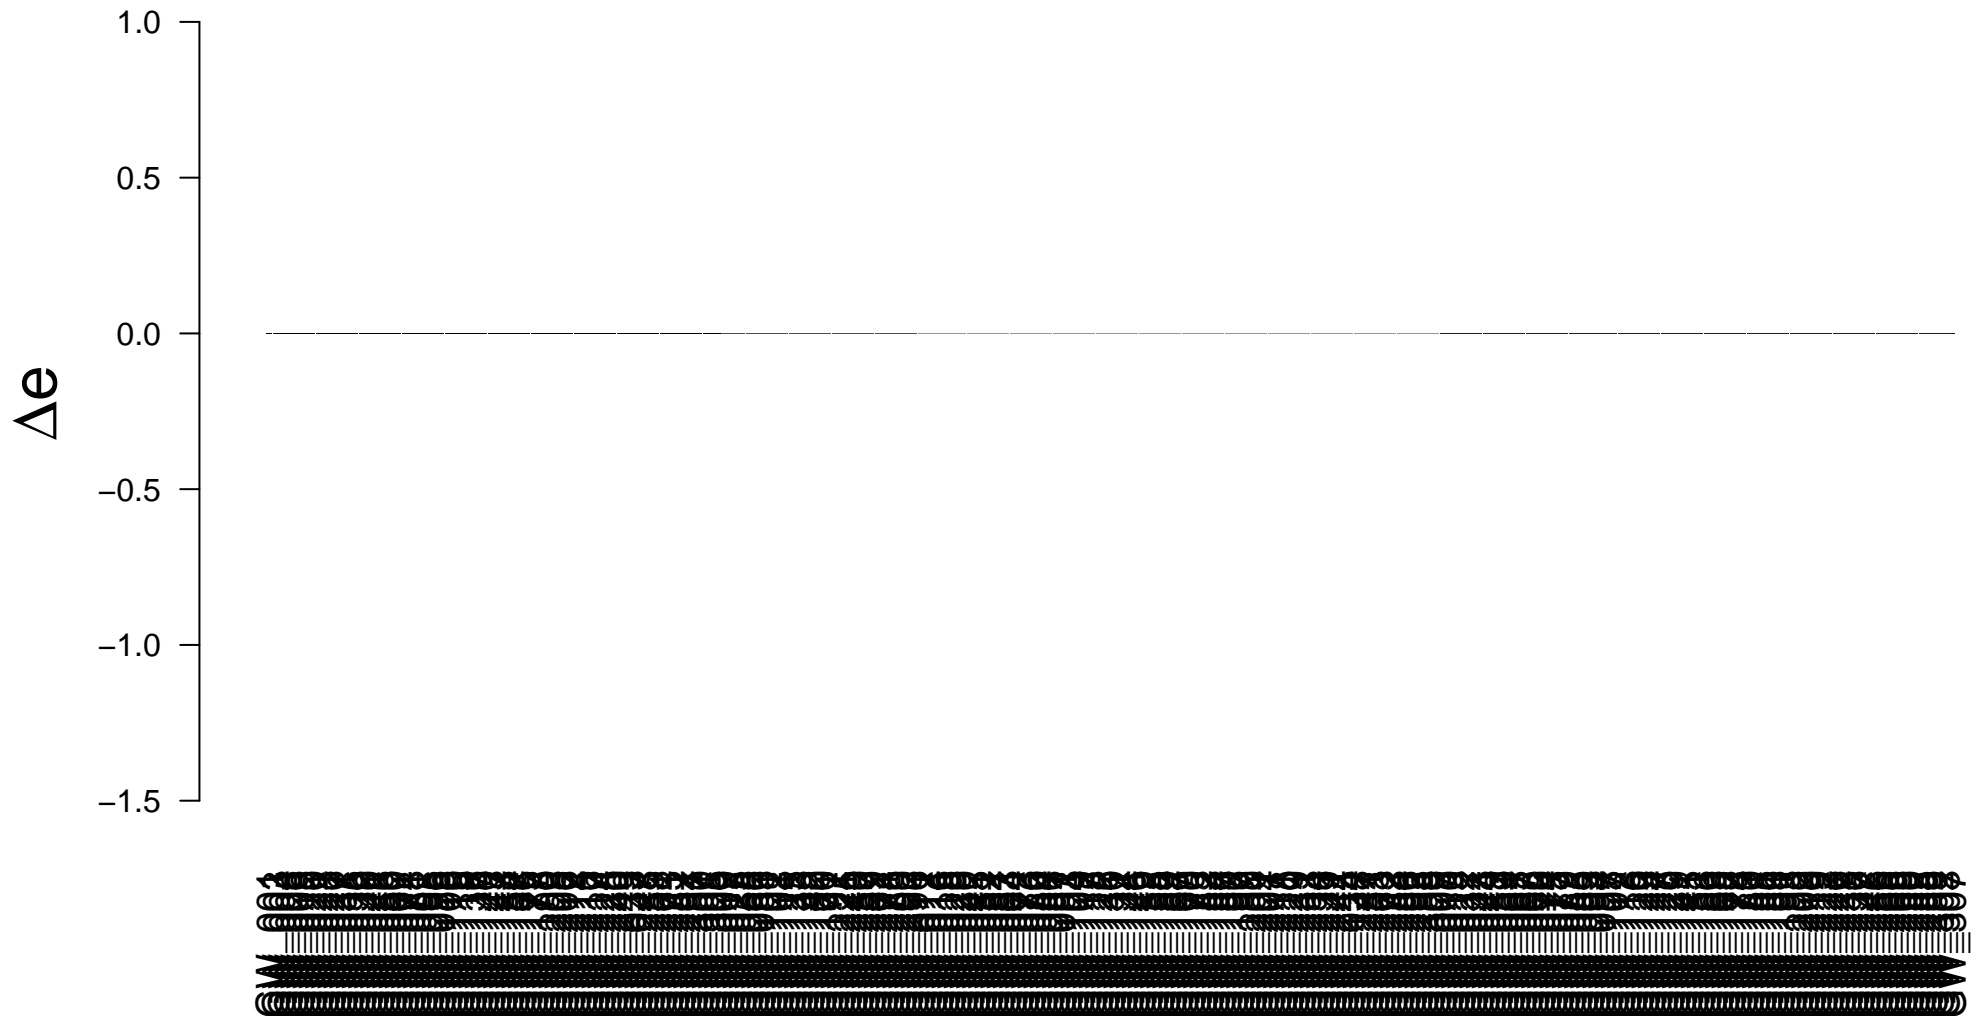

Expression of smooth muscle cell differentiation in Spot I

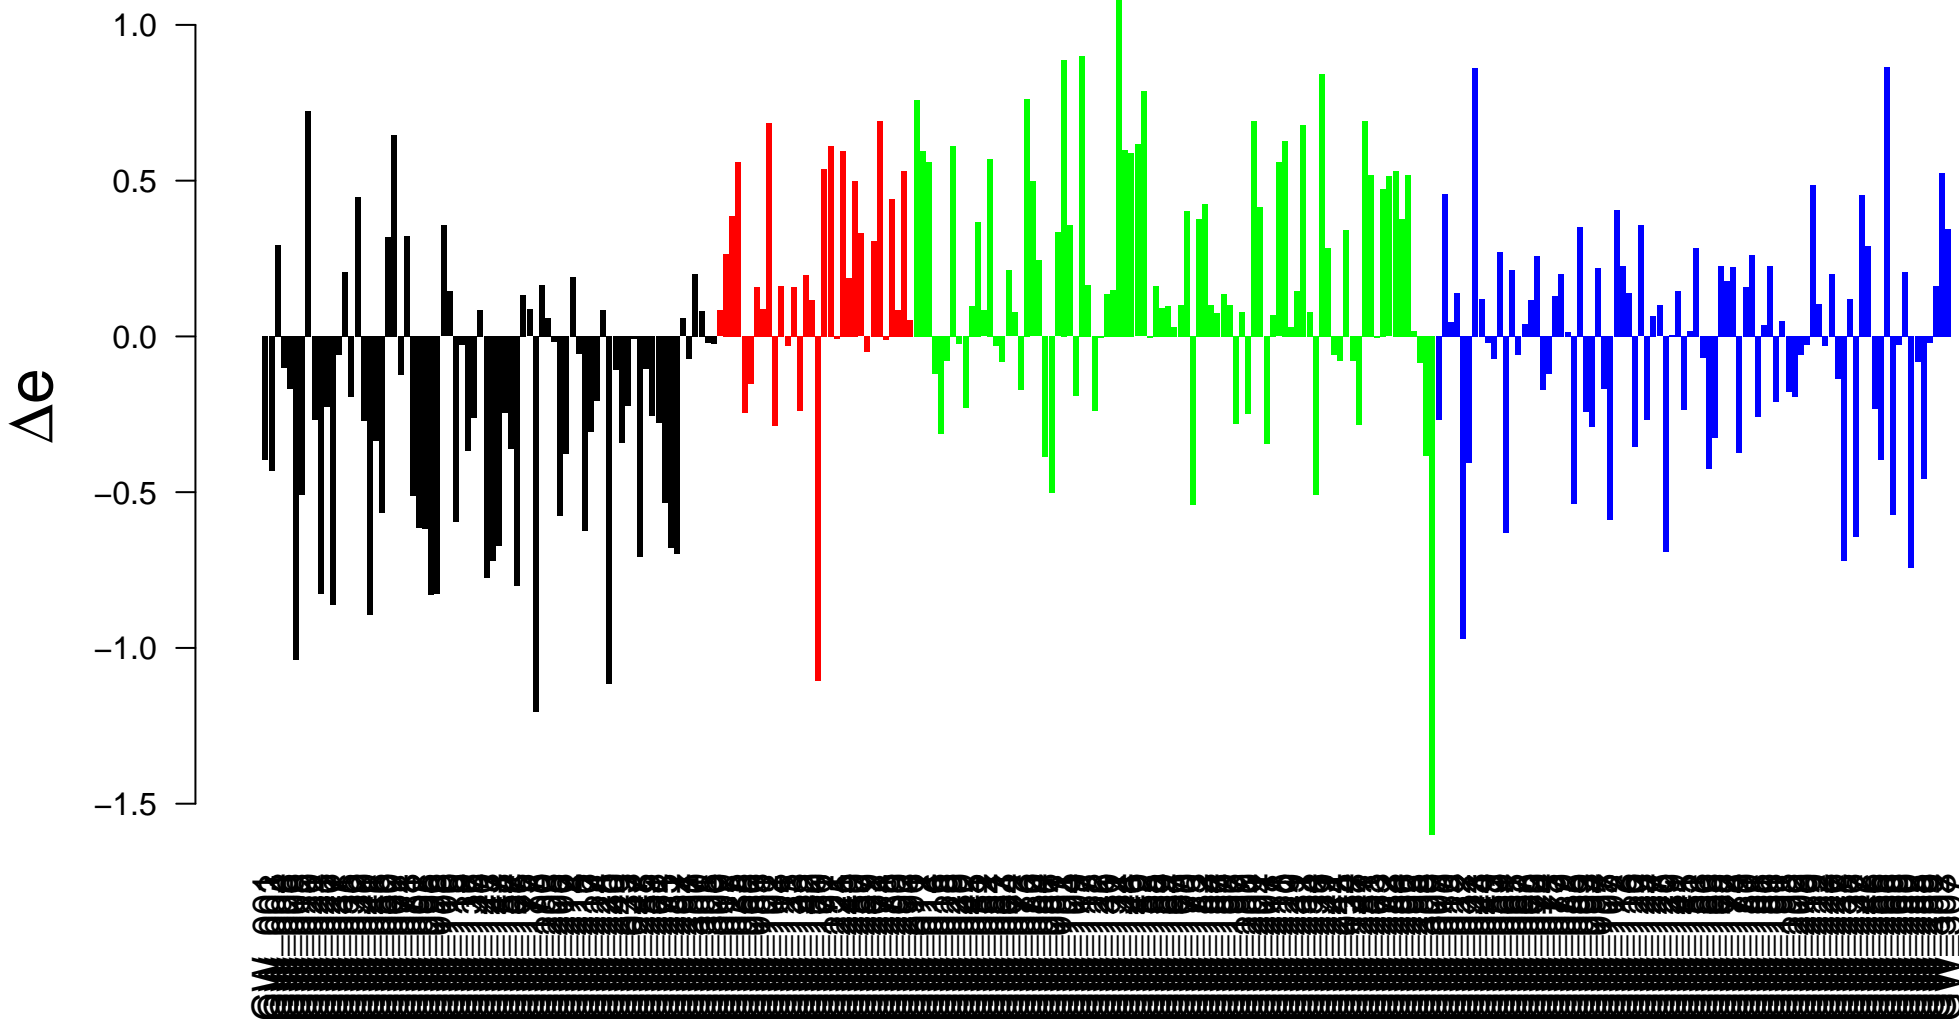

Expression of smooth muscle cell differentiation in Spot J

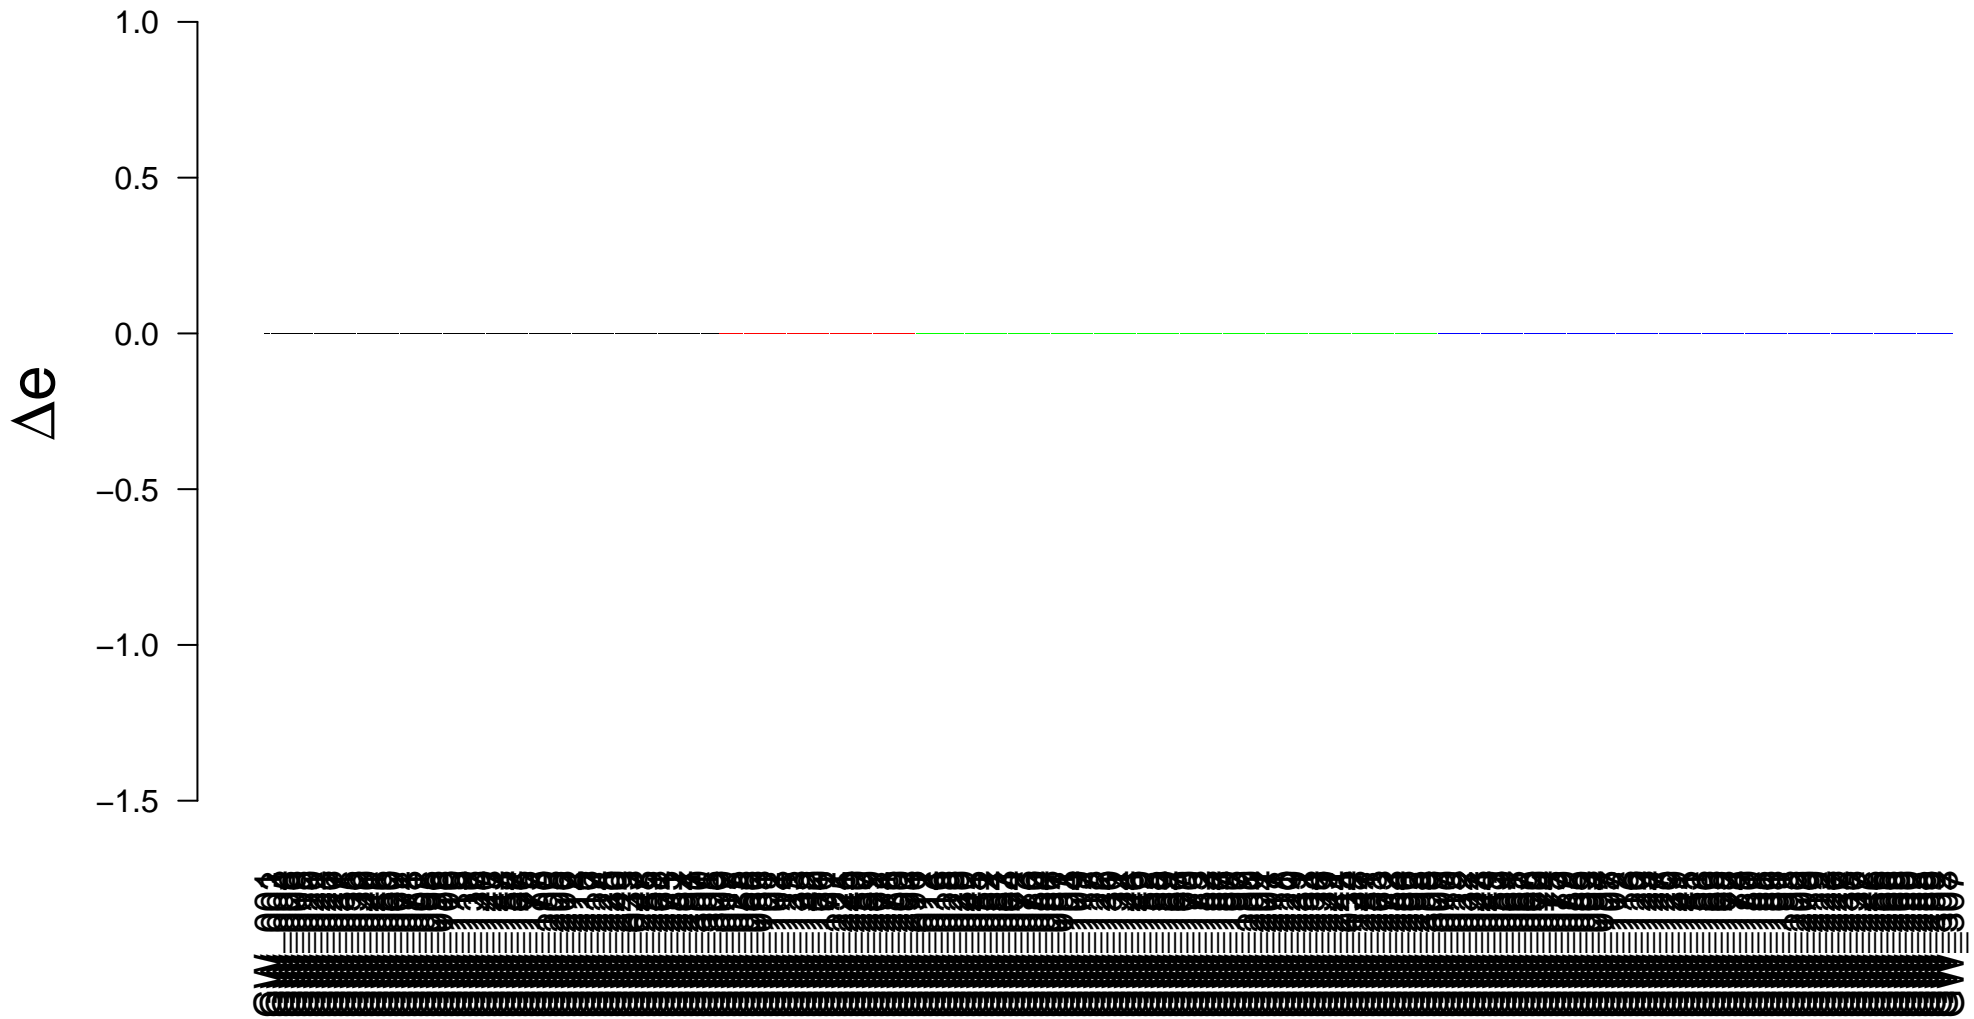

Expression of smooth muscle cell differentiation in Spot K

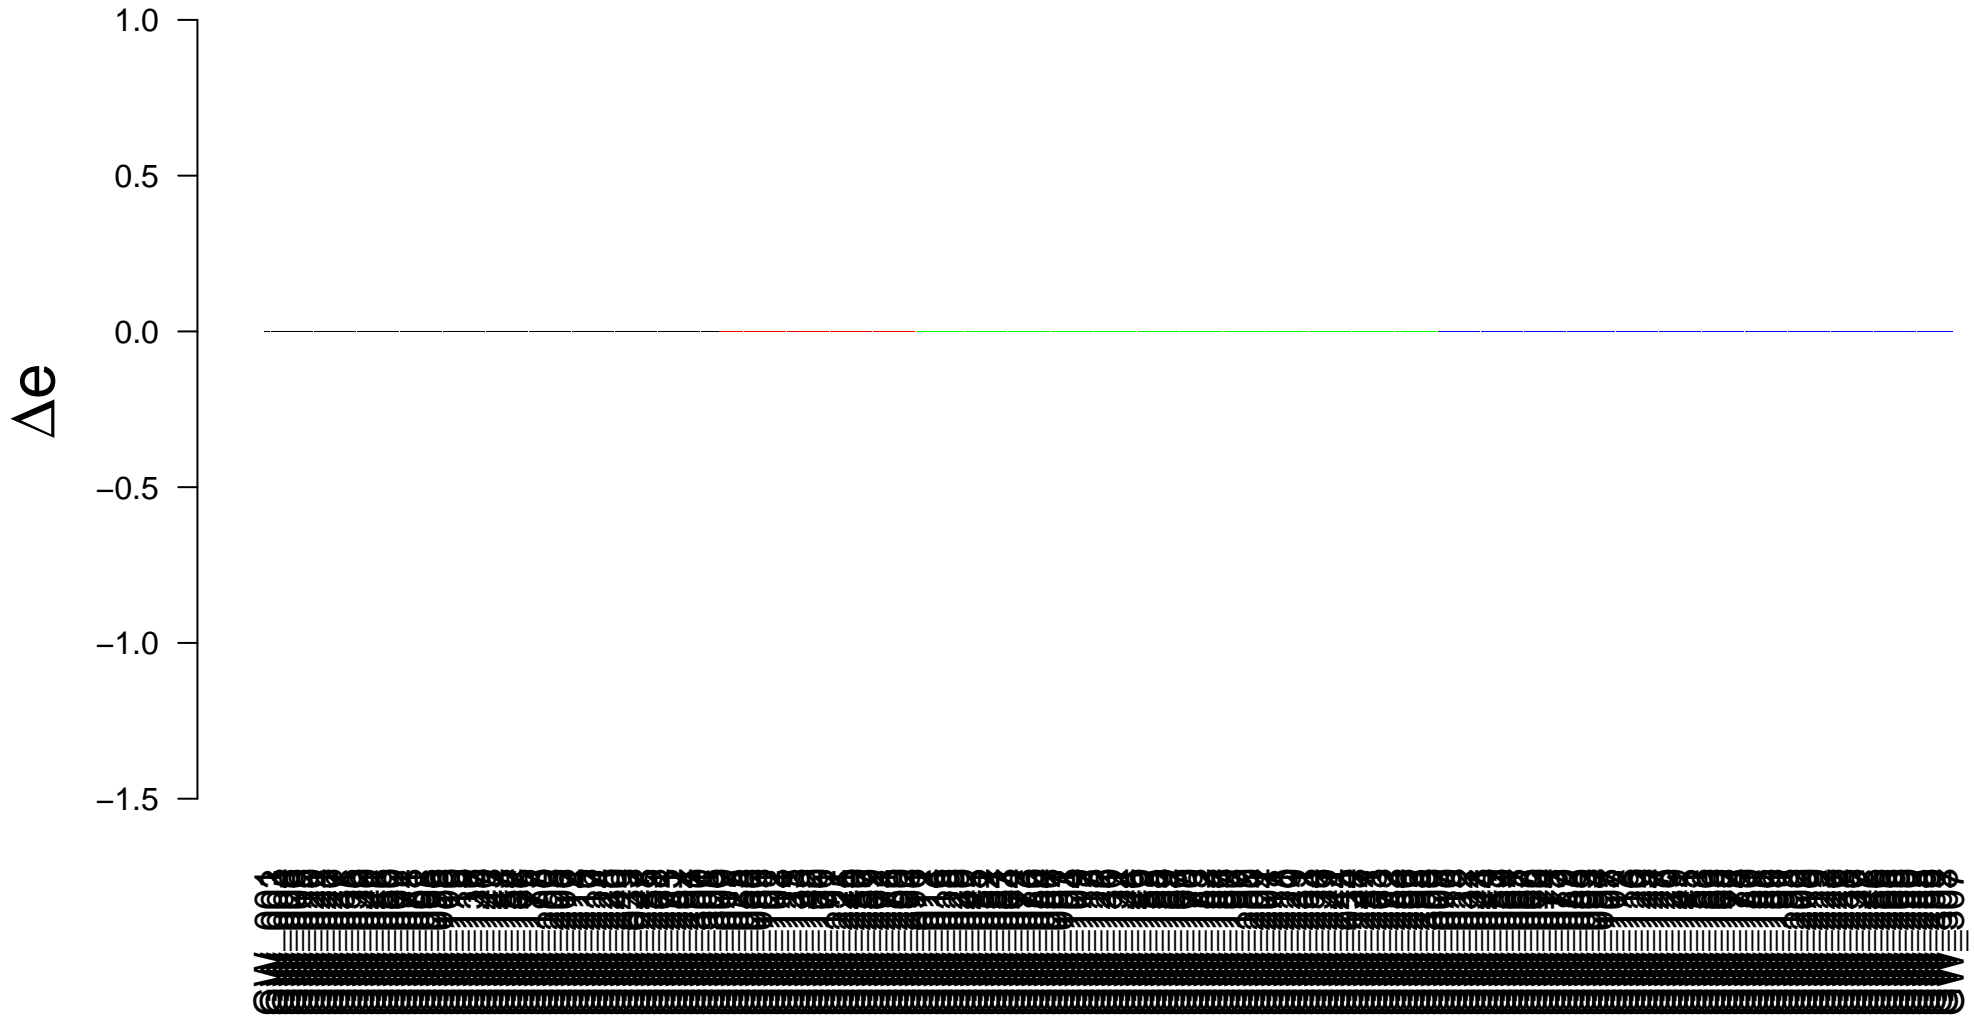

Expression of smooth muscle cell differentiation in Spot L

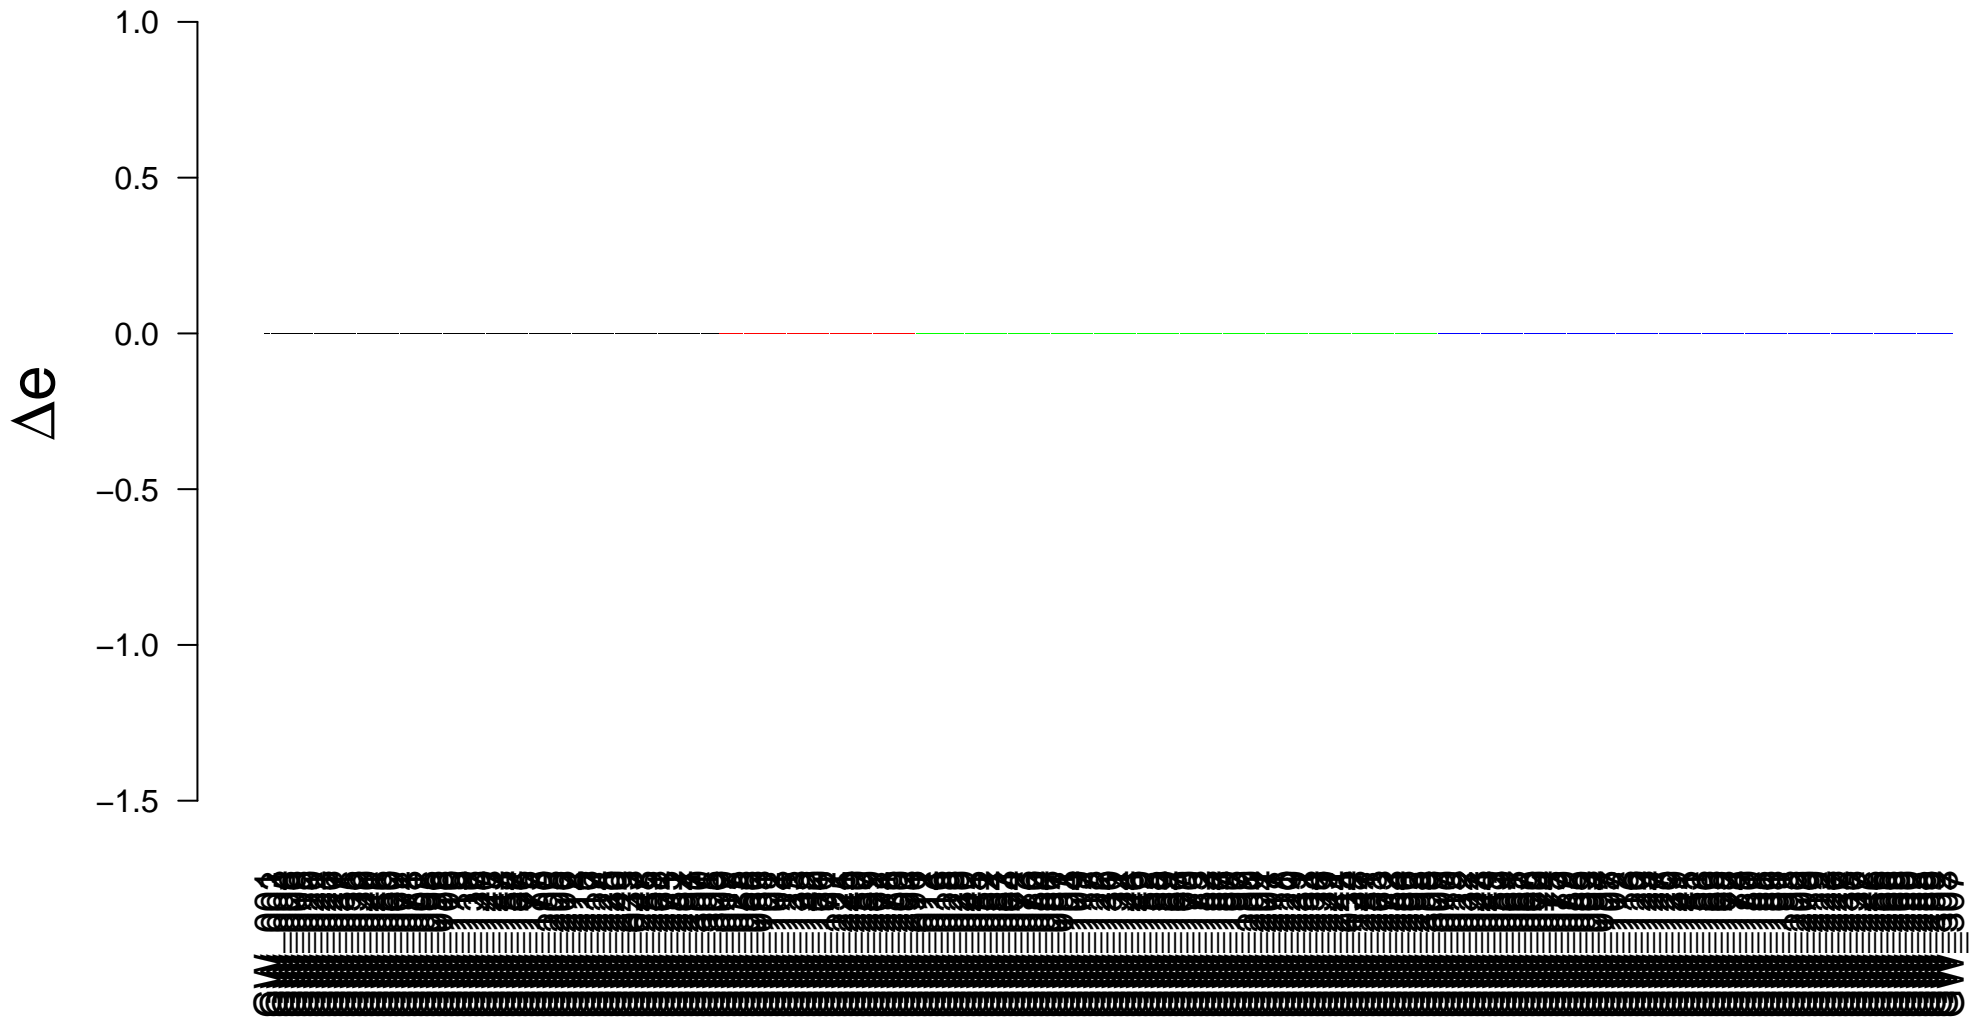

Expression of smooth muscle cell differentiation in Spot M

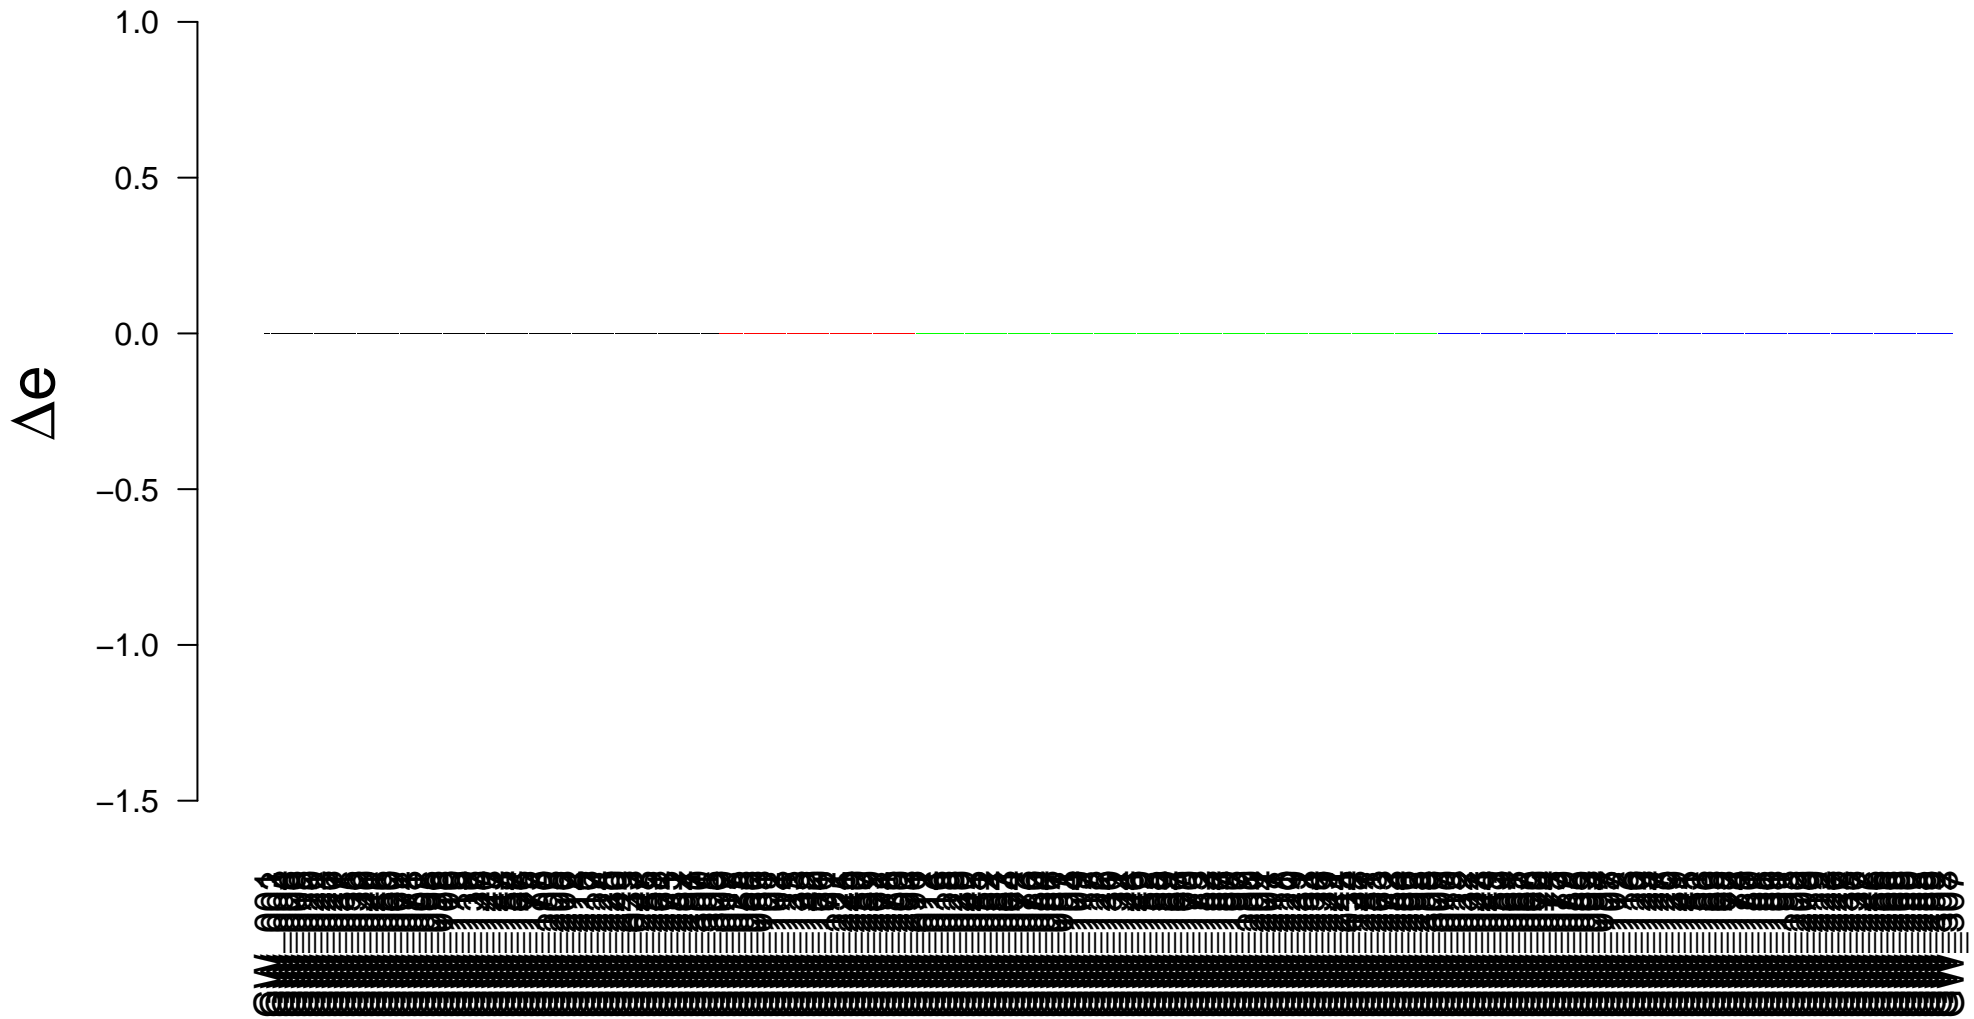

Expression of smooth muscle cell differentiation in Spot N

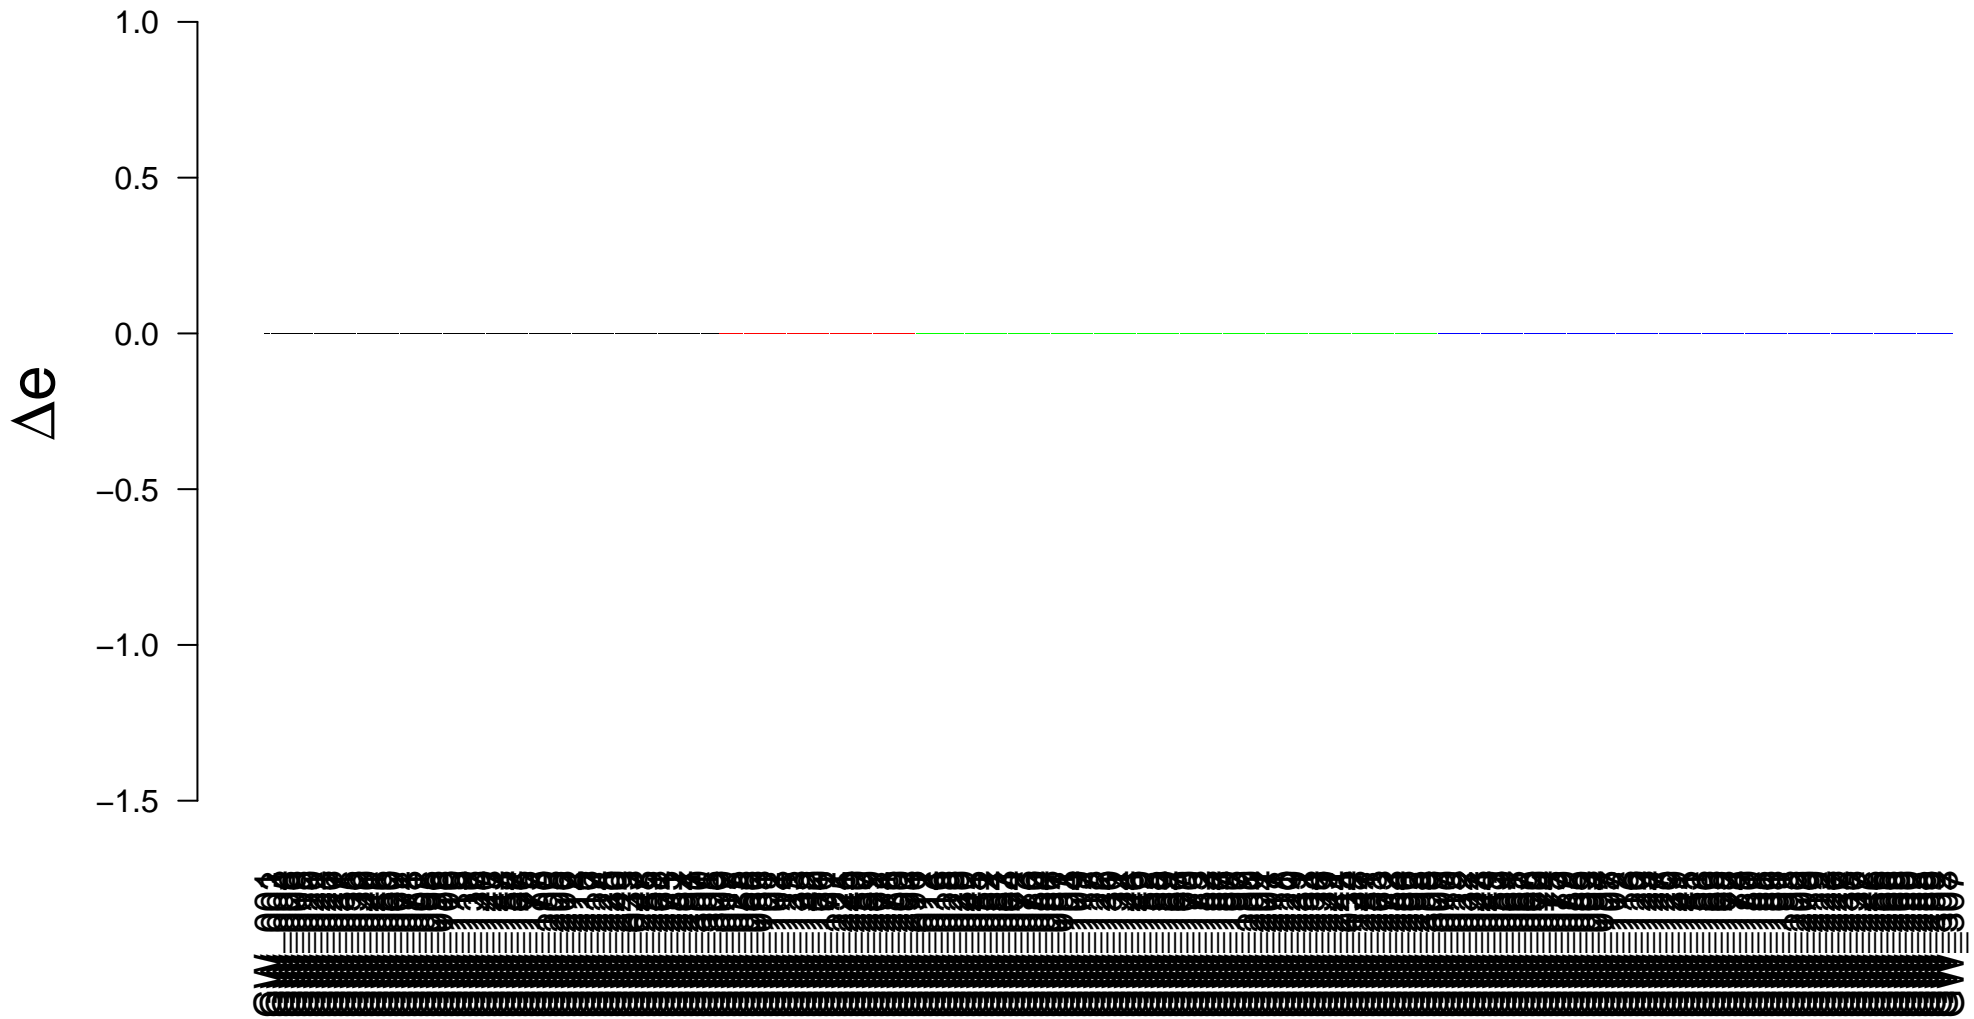

Expression of smooth muscle cell differentiation in Spot O

Expression of smooth muscle cell differentiation in Spot P

Expression of smooth muscle cell differentiation in Spot Q

Expression of smooth muscle cell differentiation in Spot R
