

solute:hydrogen antiporter activity

solute:hydrogen antiporter activity

Enrichment in spots: solute:hydrogen antiporter activity

Expression of solute:hydrogen antiporter activity in Spot A

Expression of solute:hydrogen antiporter activity in Spot B

Expression of solute:hydrogen antiporter activity in Spot C

Expression of solute:hydrogen antiporter activity in Spot D

Expression of solute:hydrogen antiporter activity in Spot E

Expression of solute:hydrogen antiporter activity in Spot F

Expression of solute:hydrogen antiporter activity in Spot G

Expression of solute:hydrogen antiporter activity in Spot H

Expression of solute:hydrogen antiporter activity in Spot I

Expression of solute:hydrogen antiporter activity in Spot J

Expression of solute:hydrogen antiporter activity in Spot K
