

somatic hypermutation of immunoglobulin genes

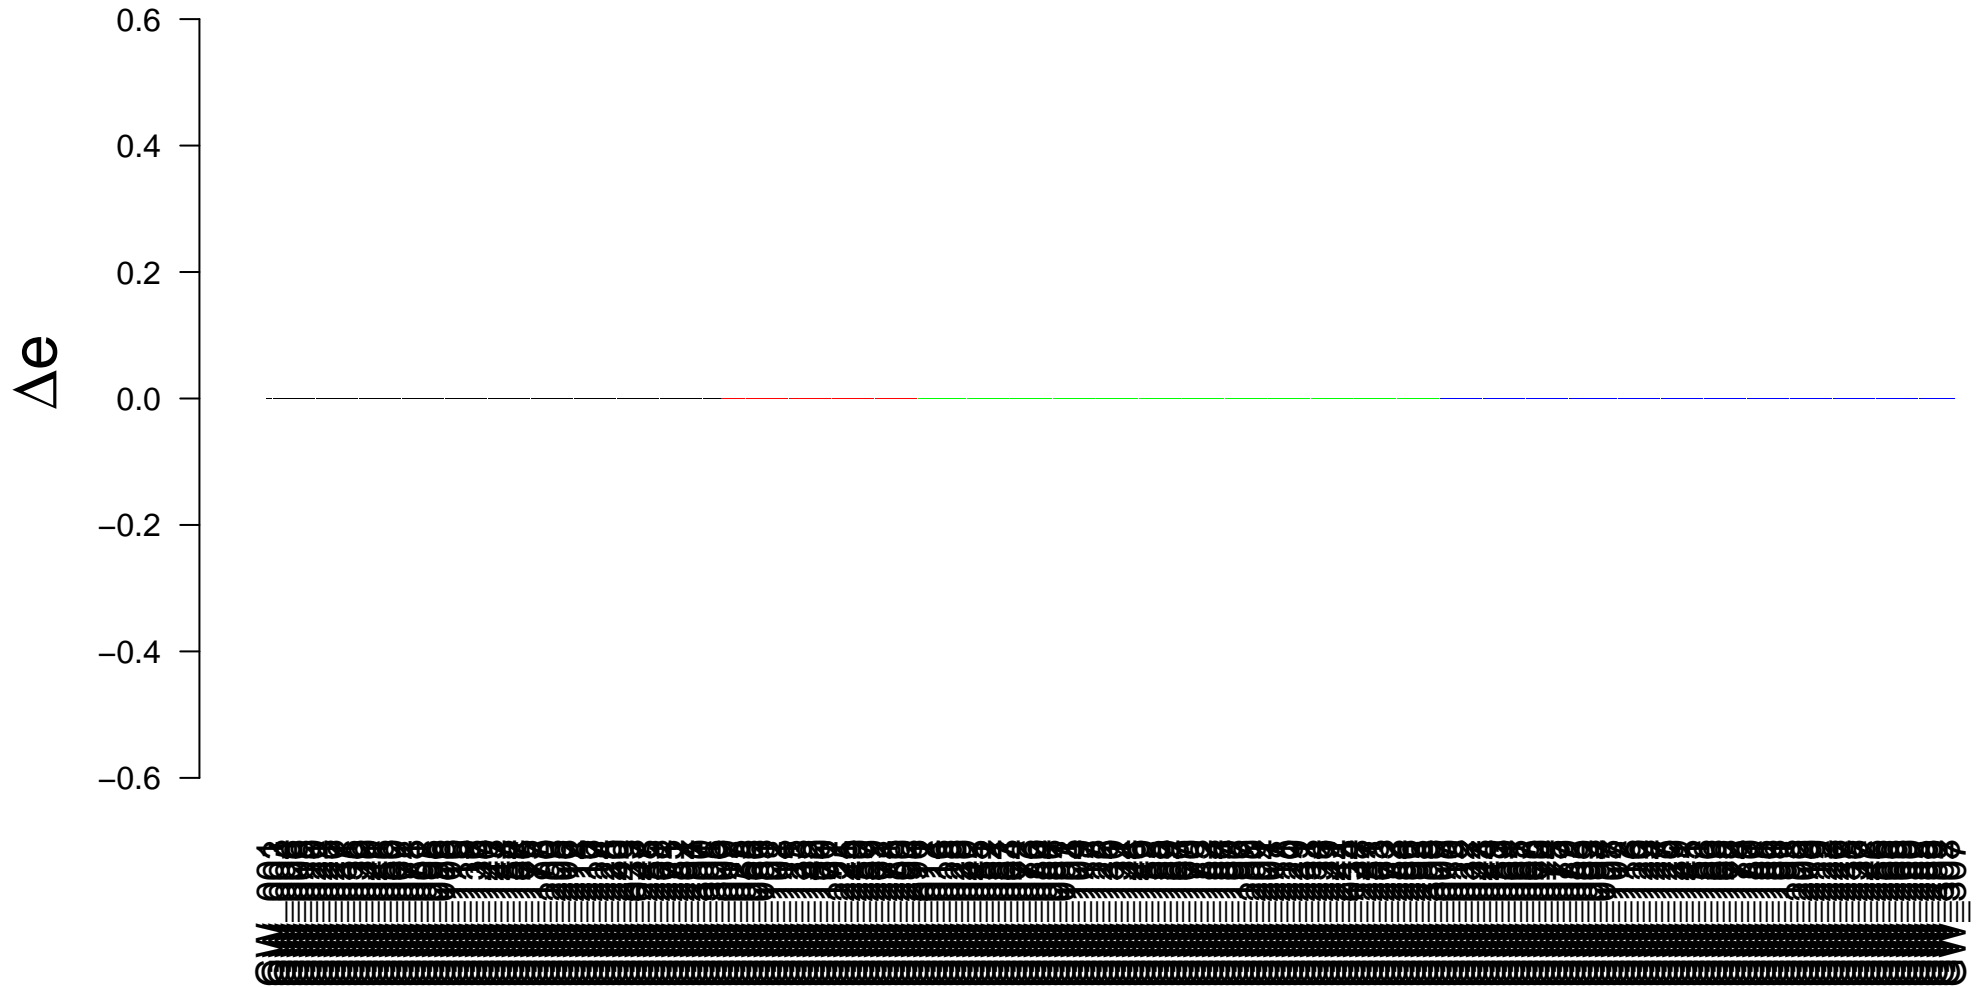

somatic hypermutation of immunoglobulin genes

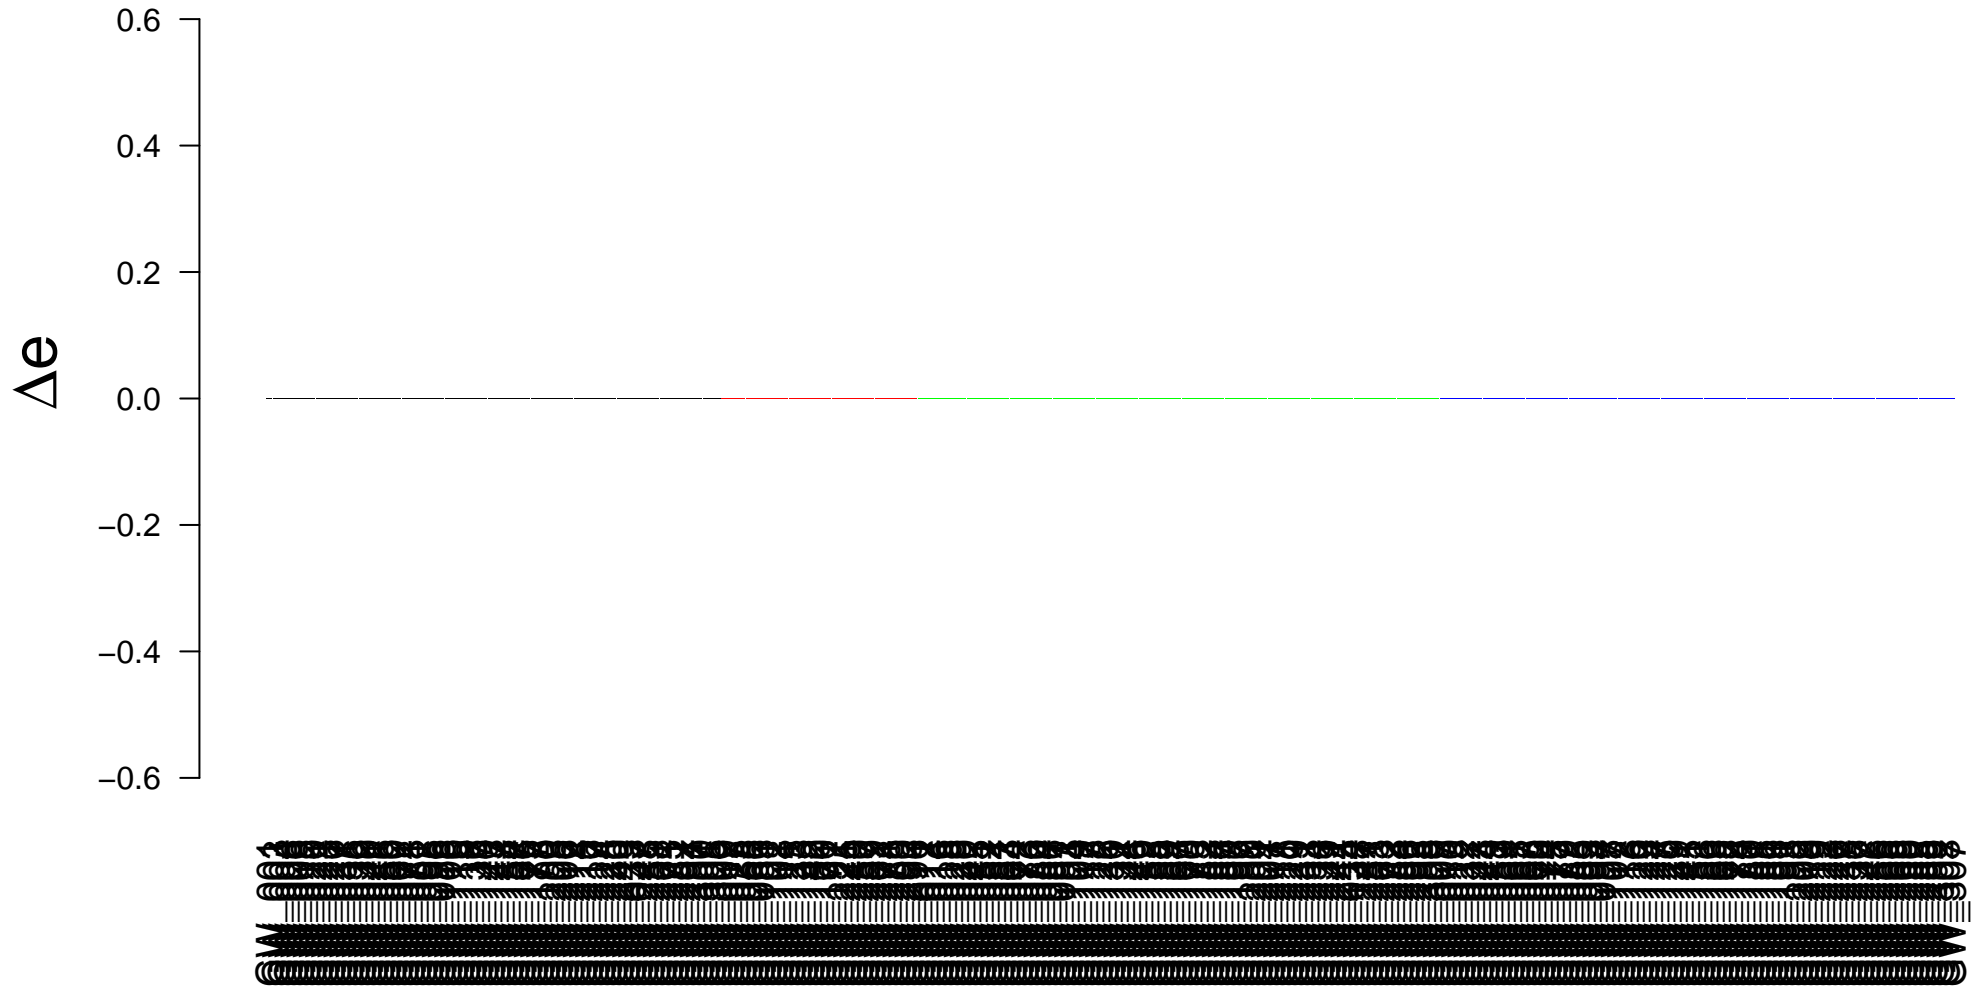

Enrichment in spots: somatic hypermutation of immunoglobulin genes

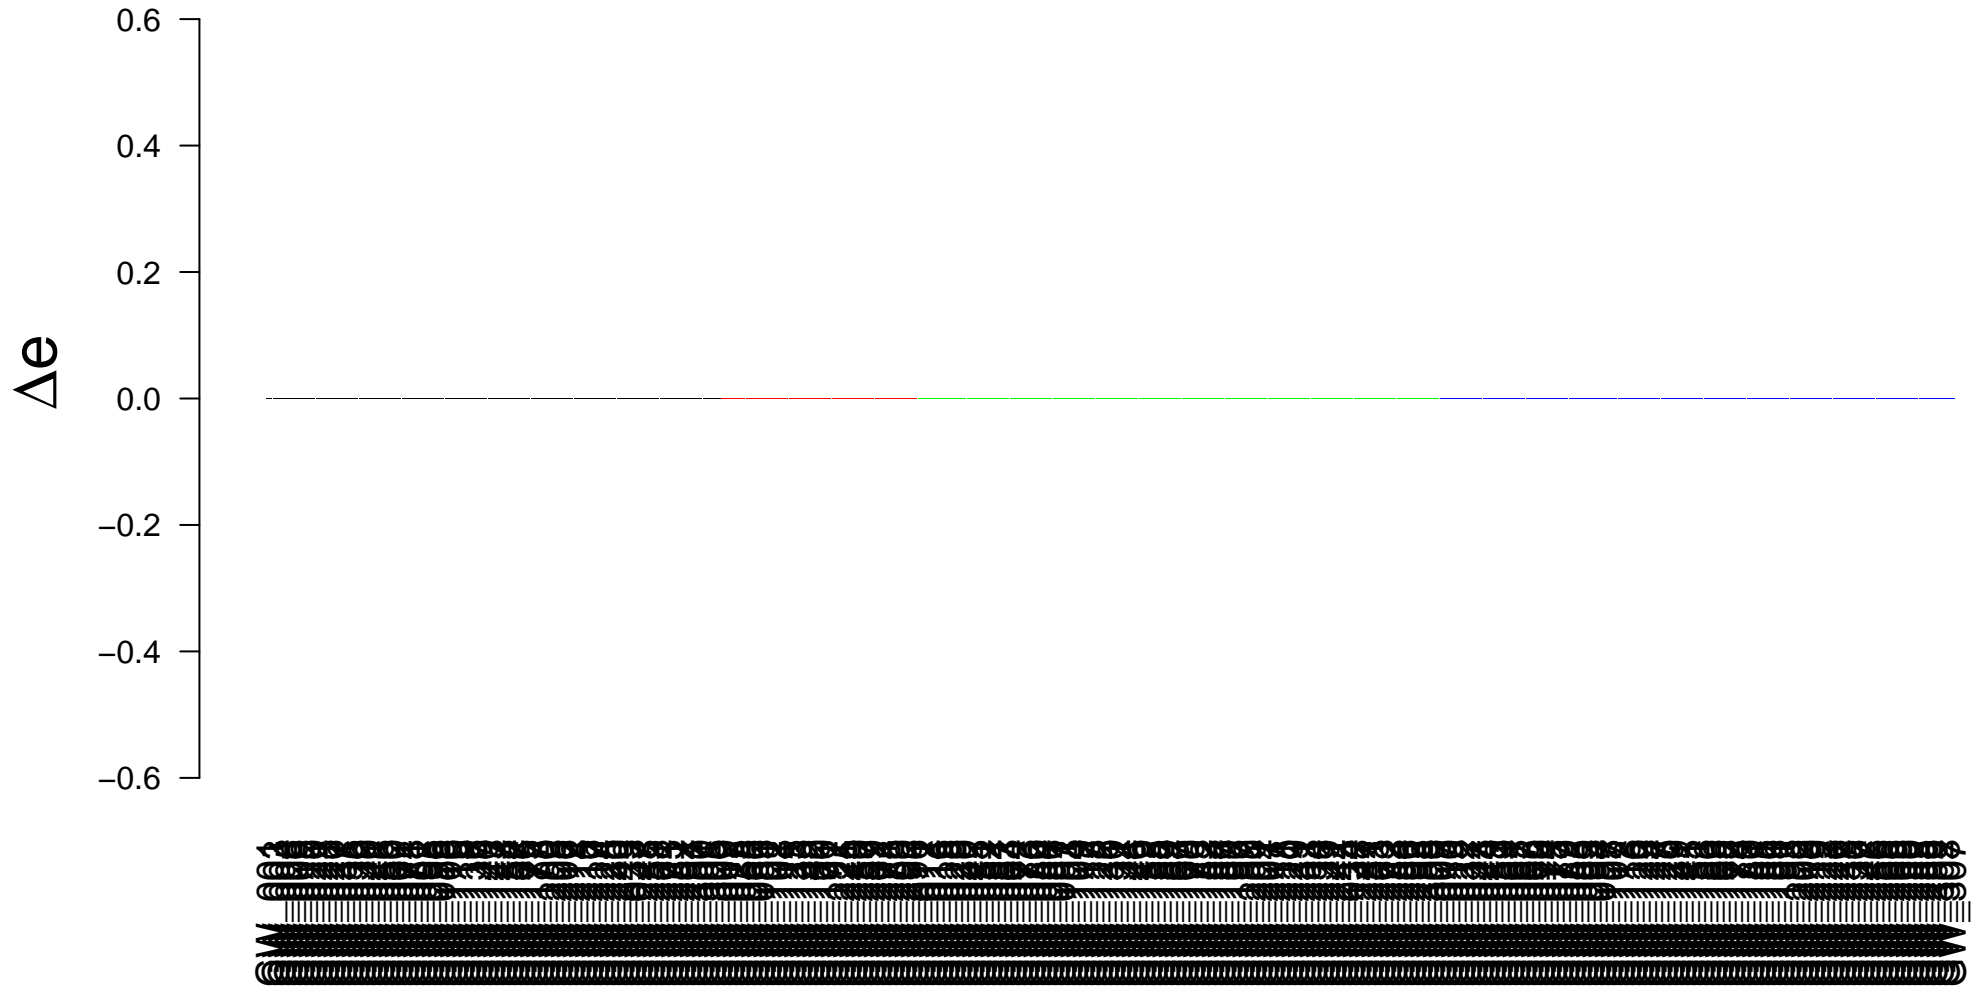

Expression of somatic hypermutation of immunoglobulin genes in Spot A

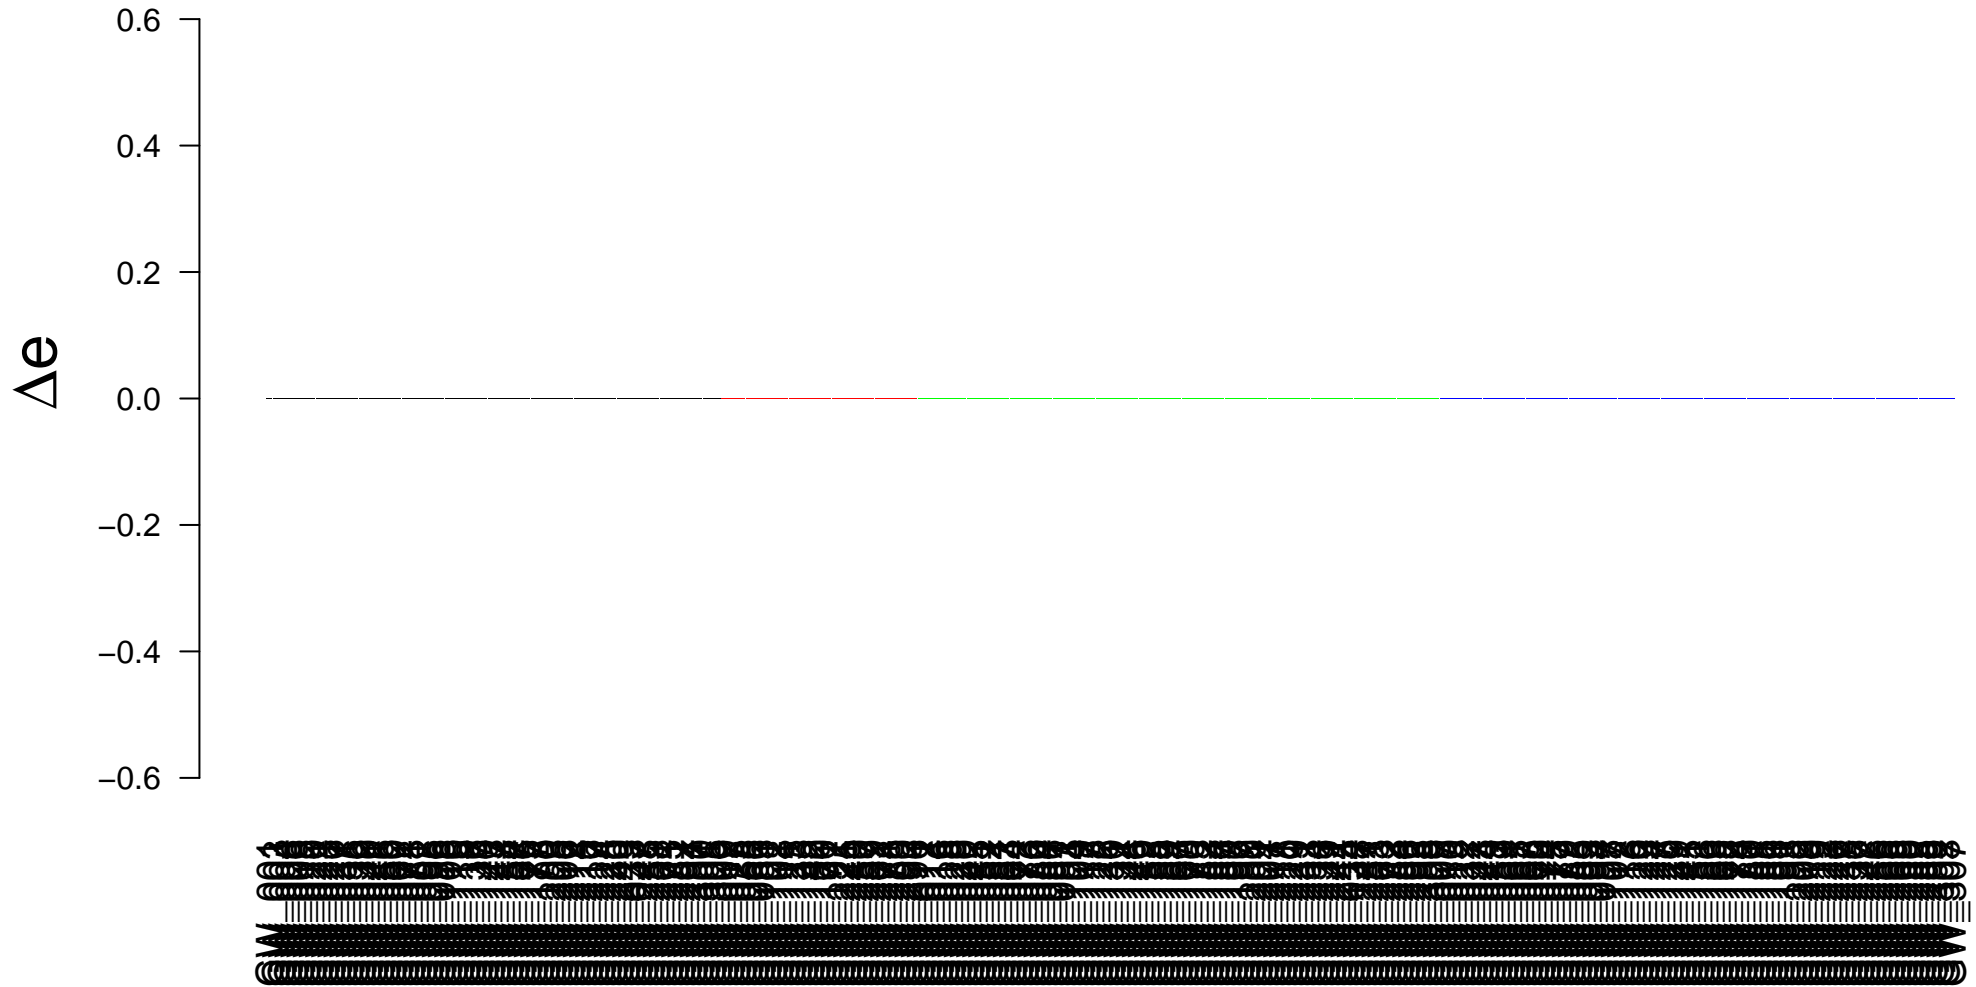

Expression of somatic hypermutation of immunoglobulin genes in Spot B

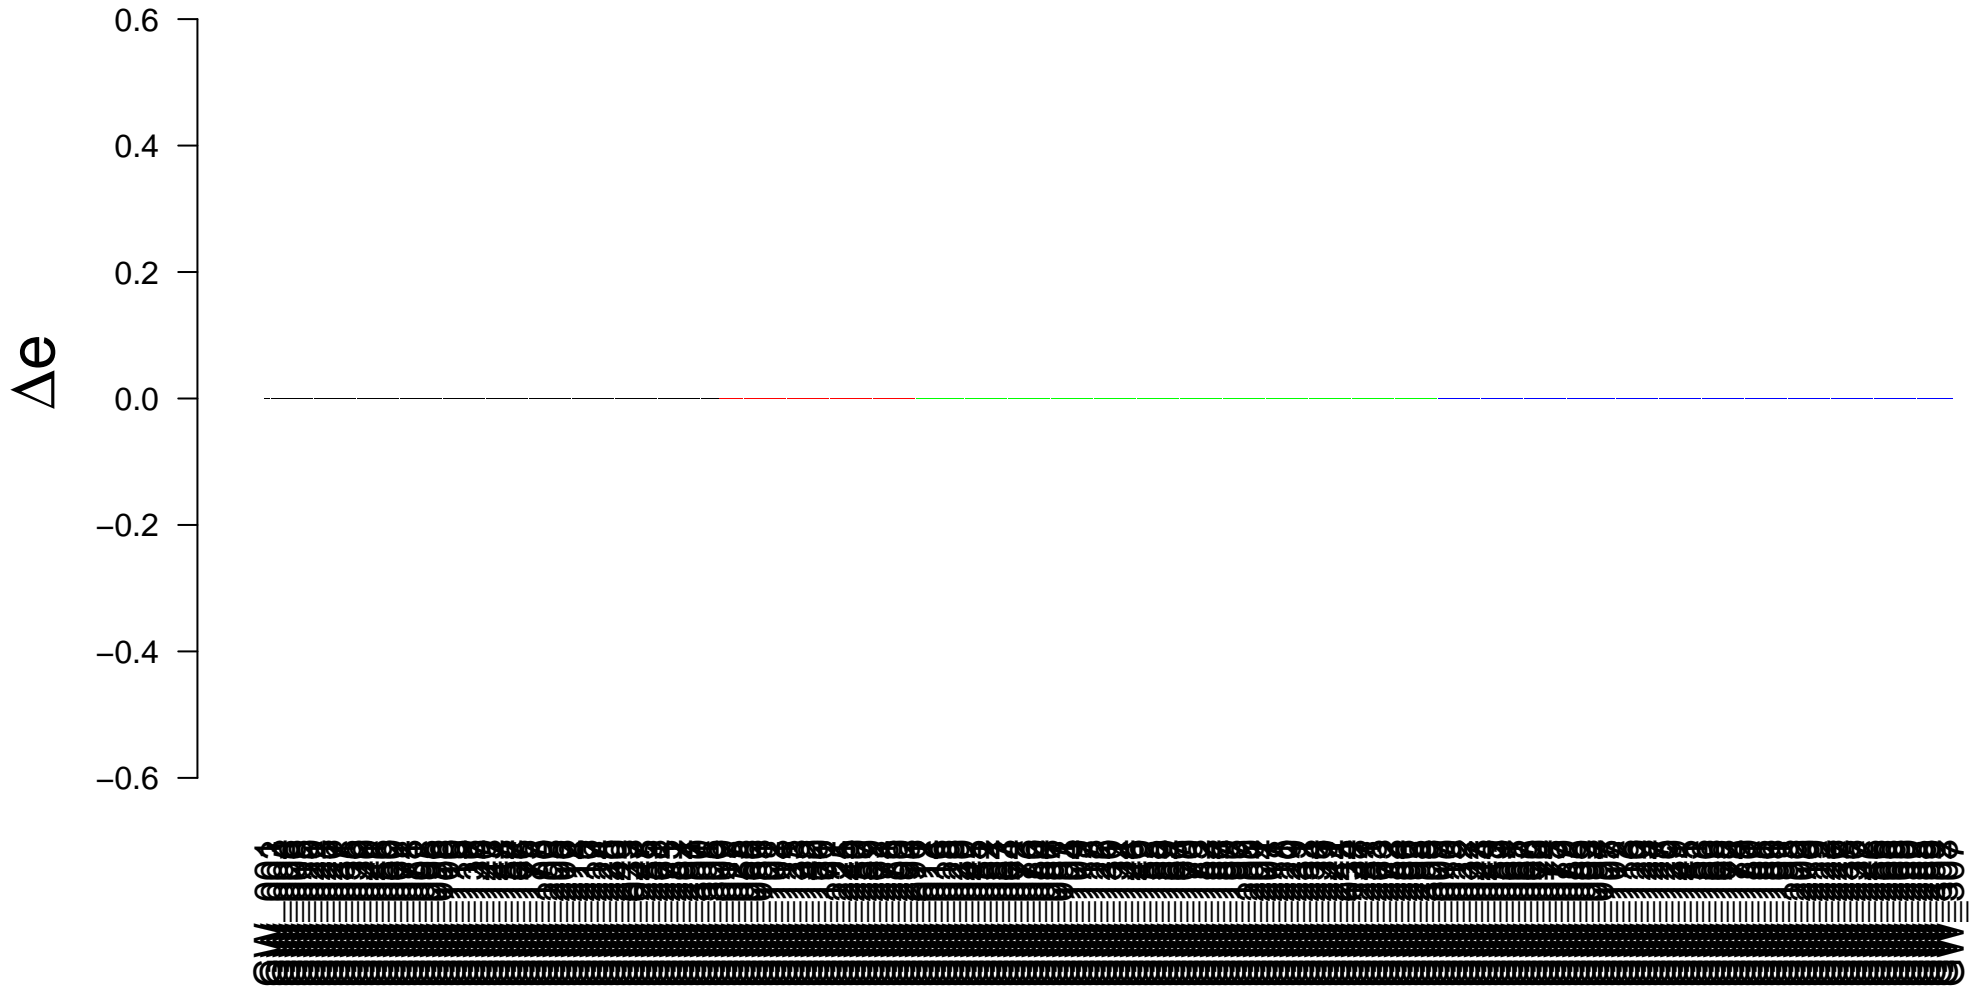

Expression of somatic hypermutation of immunoglobulin genes in Spot C

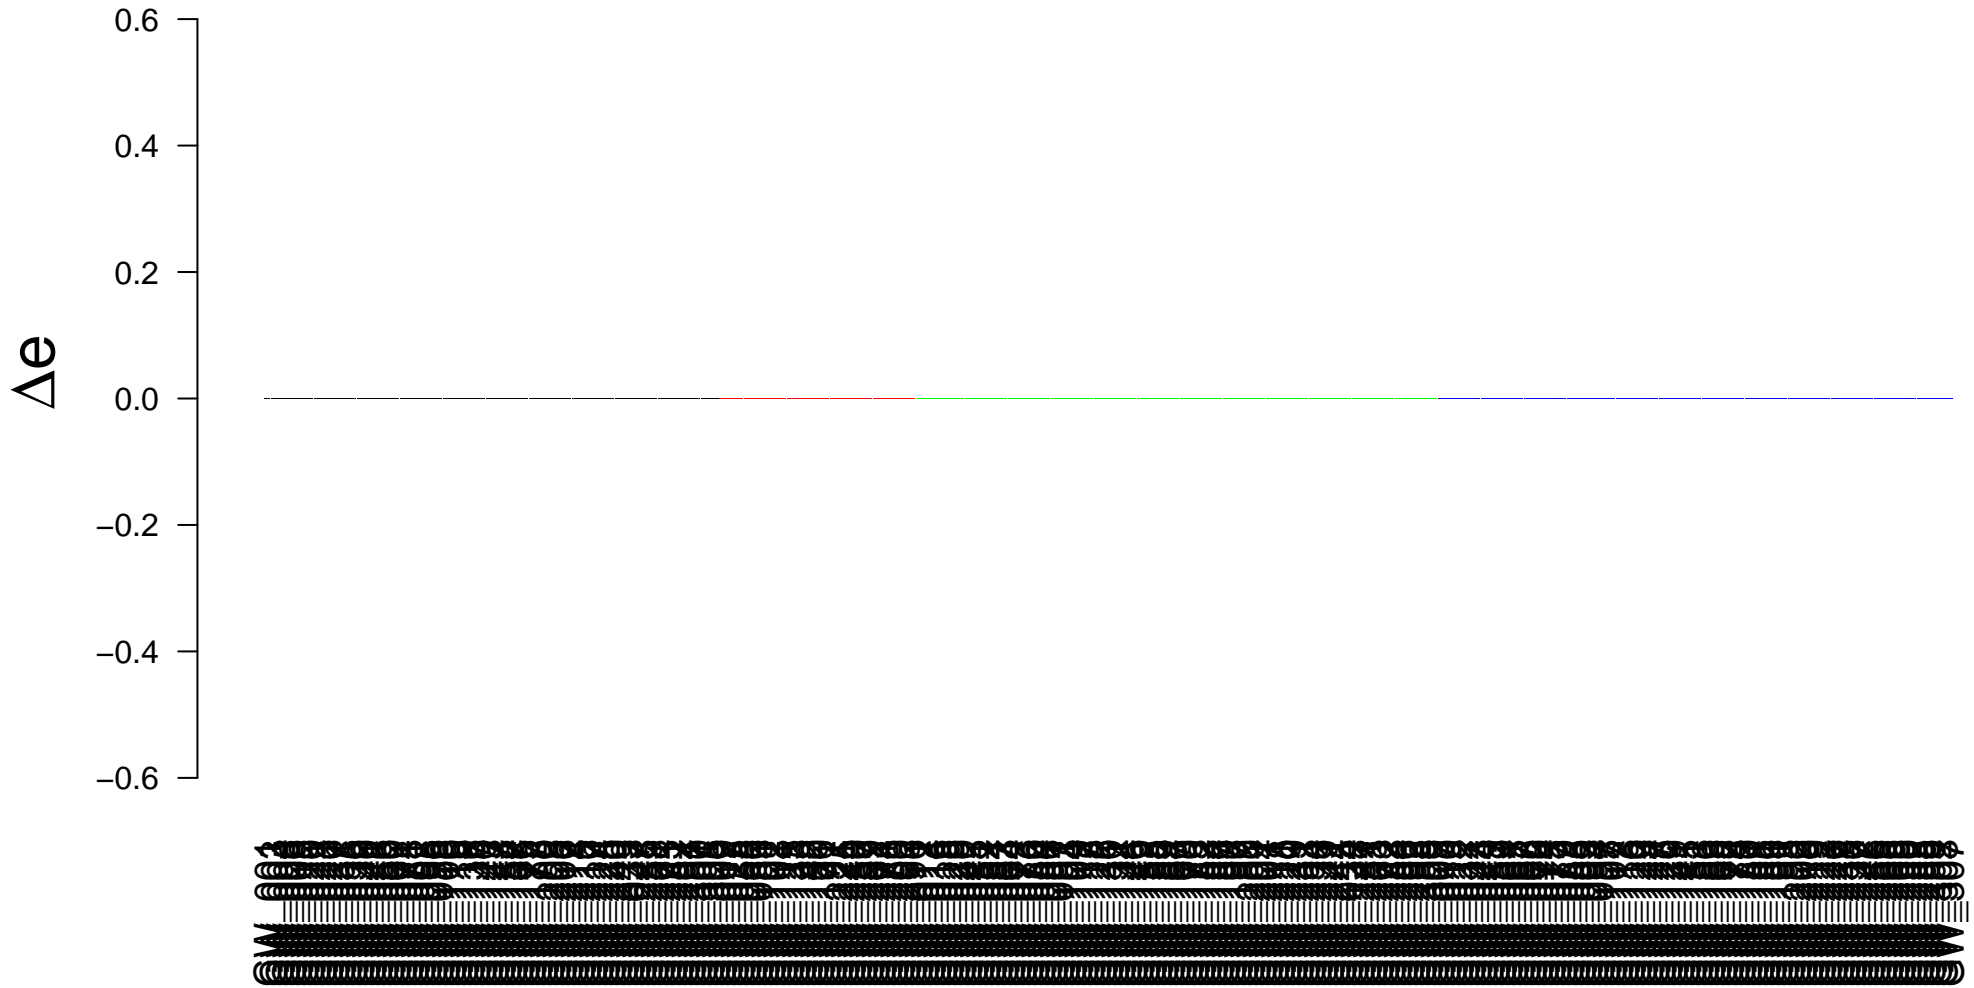

Expression of somatic hypermutation of immunoglobulin genes in Spot D

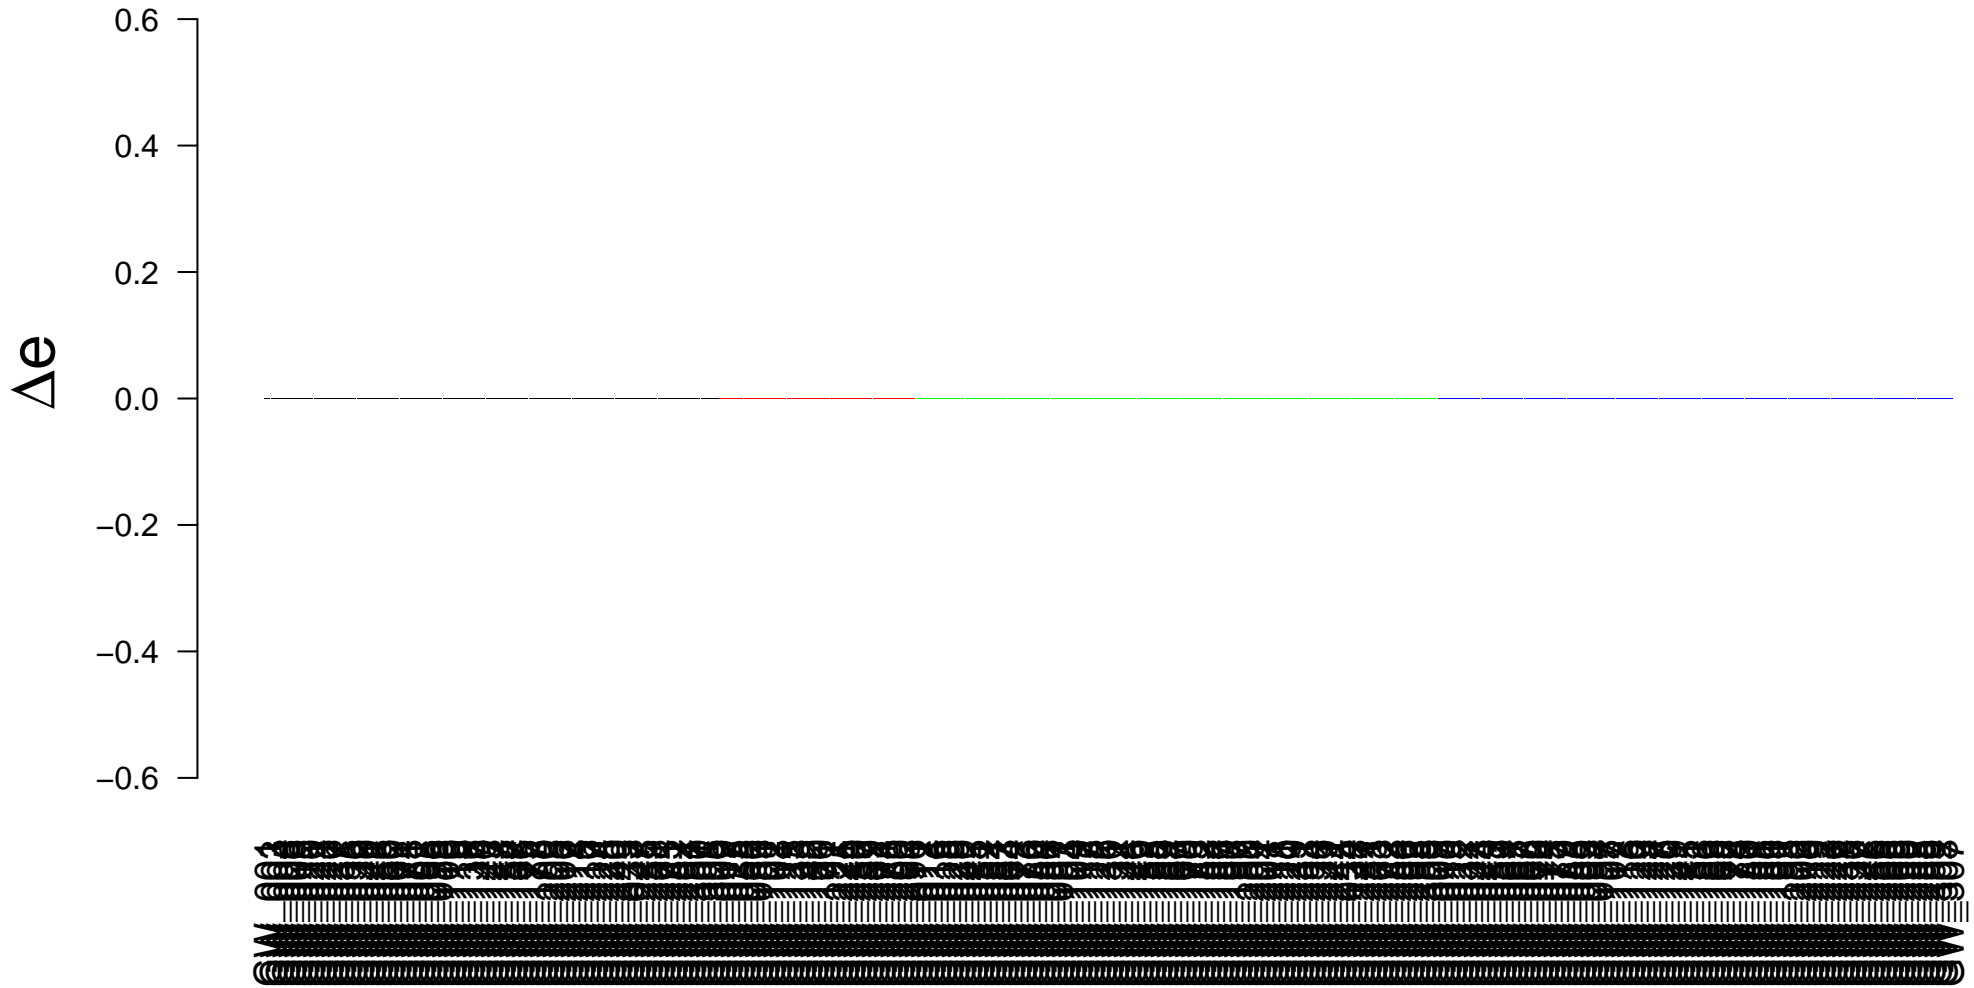

Expression of somatic hypermutation of immunoglobulin genes in Spot E

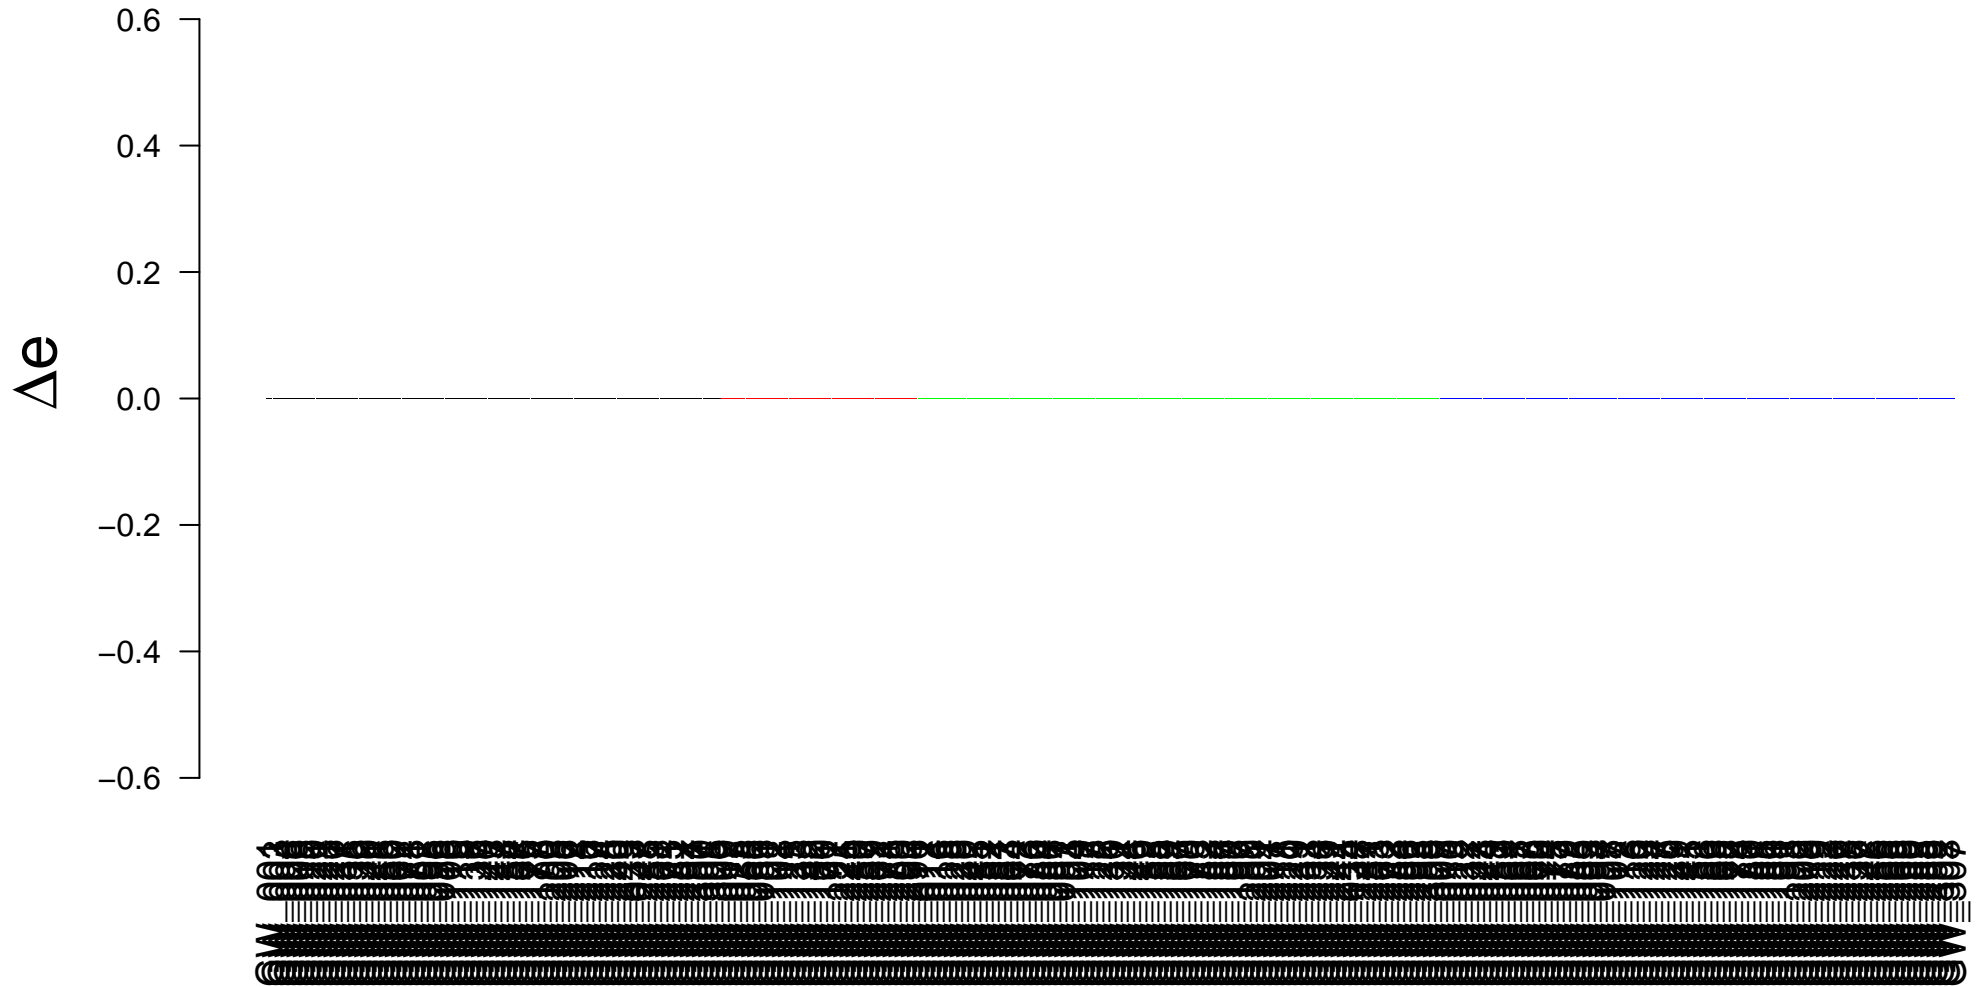

Expression of somatic hypermutation of immunoglobulin genes in Spot F

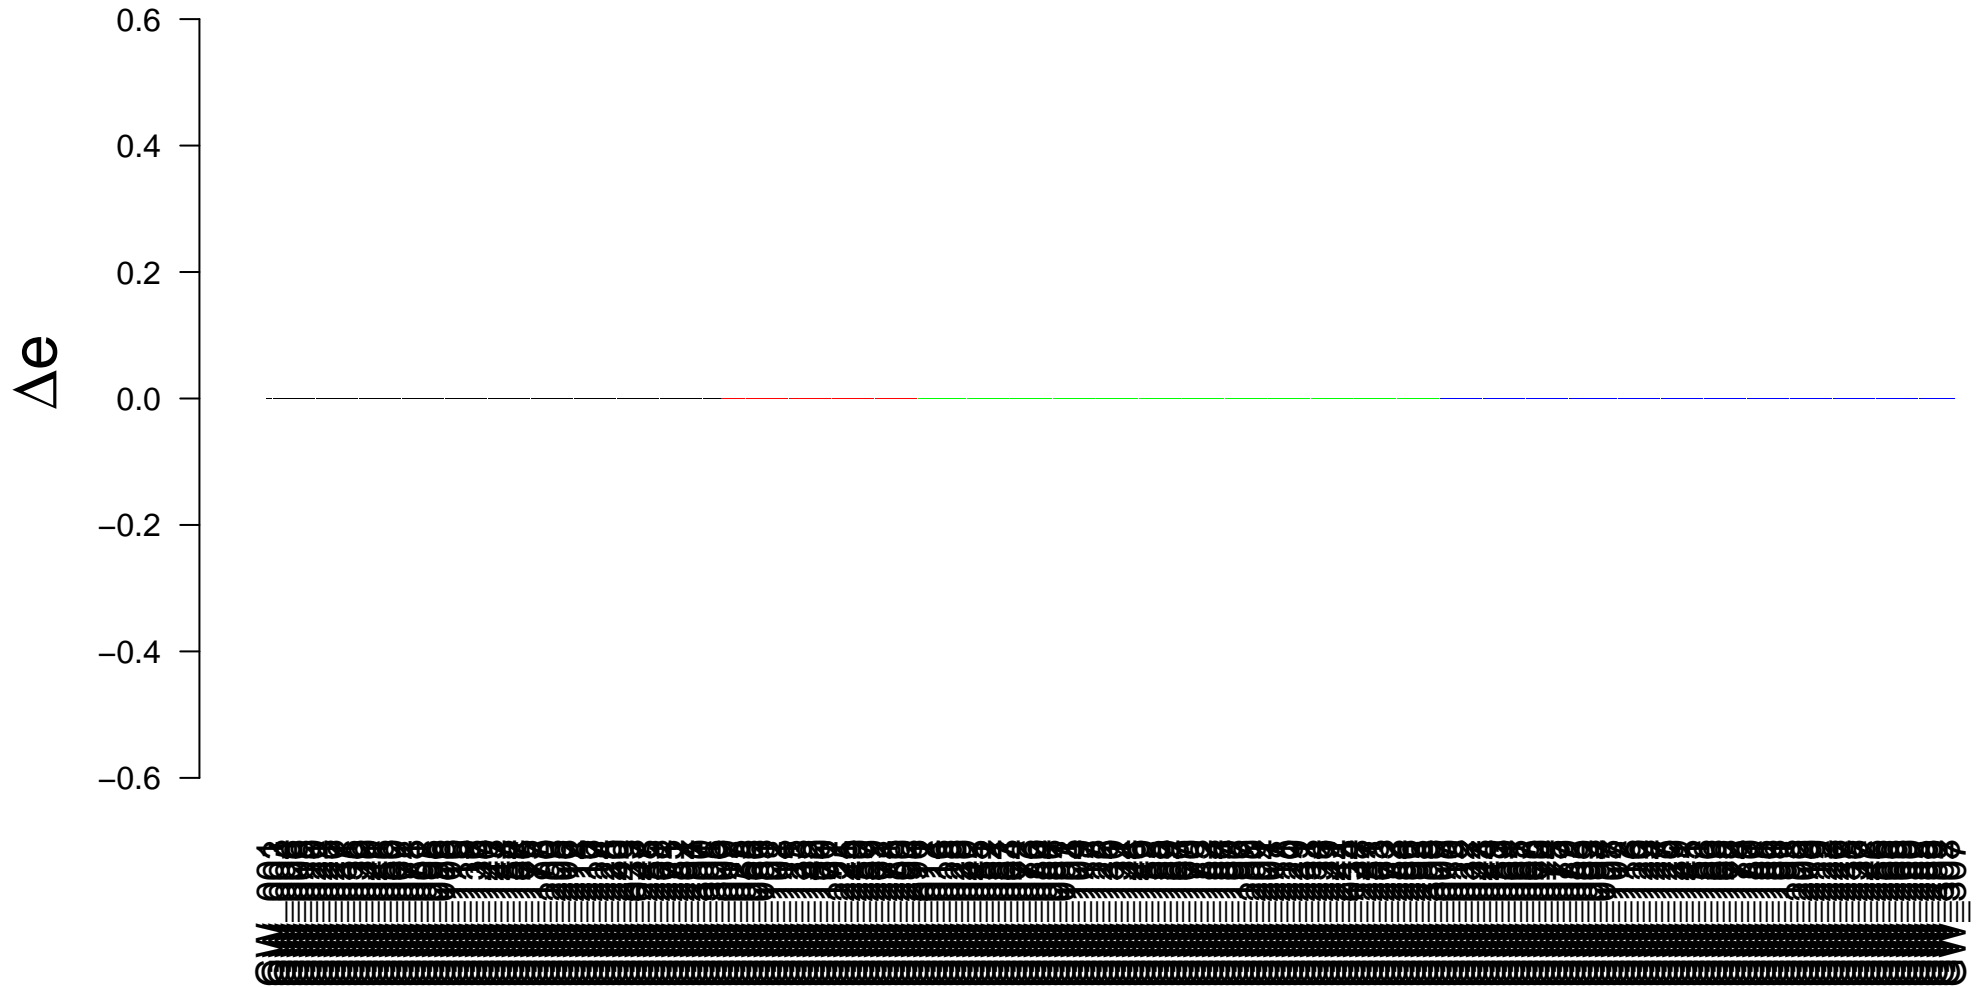

Expression of somatic hypermutation of immunoglobulin genes in Spot G

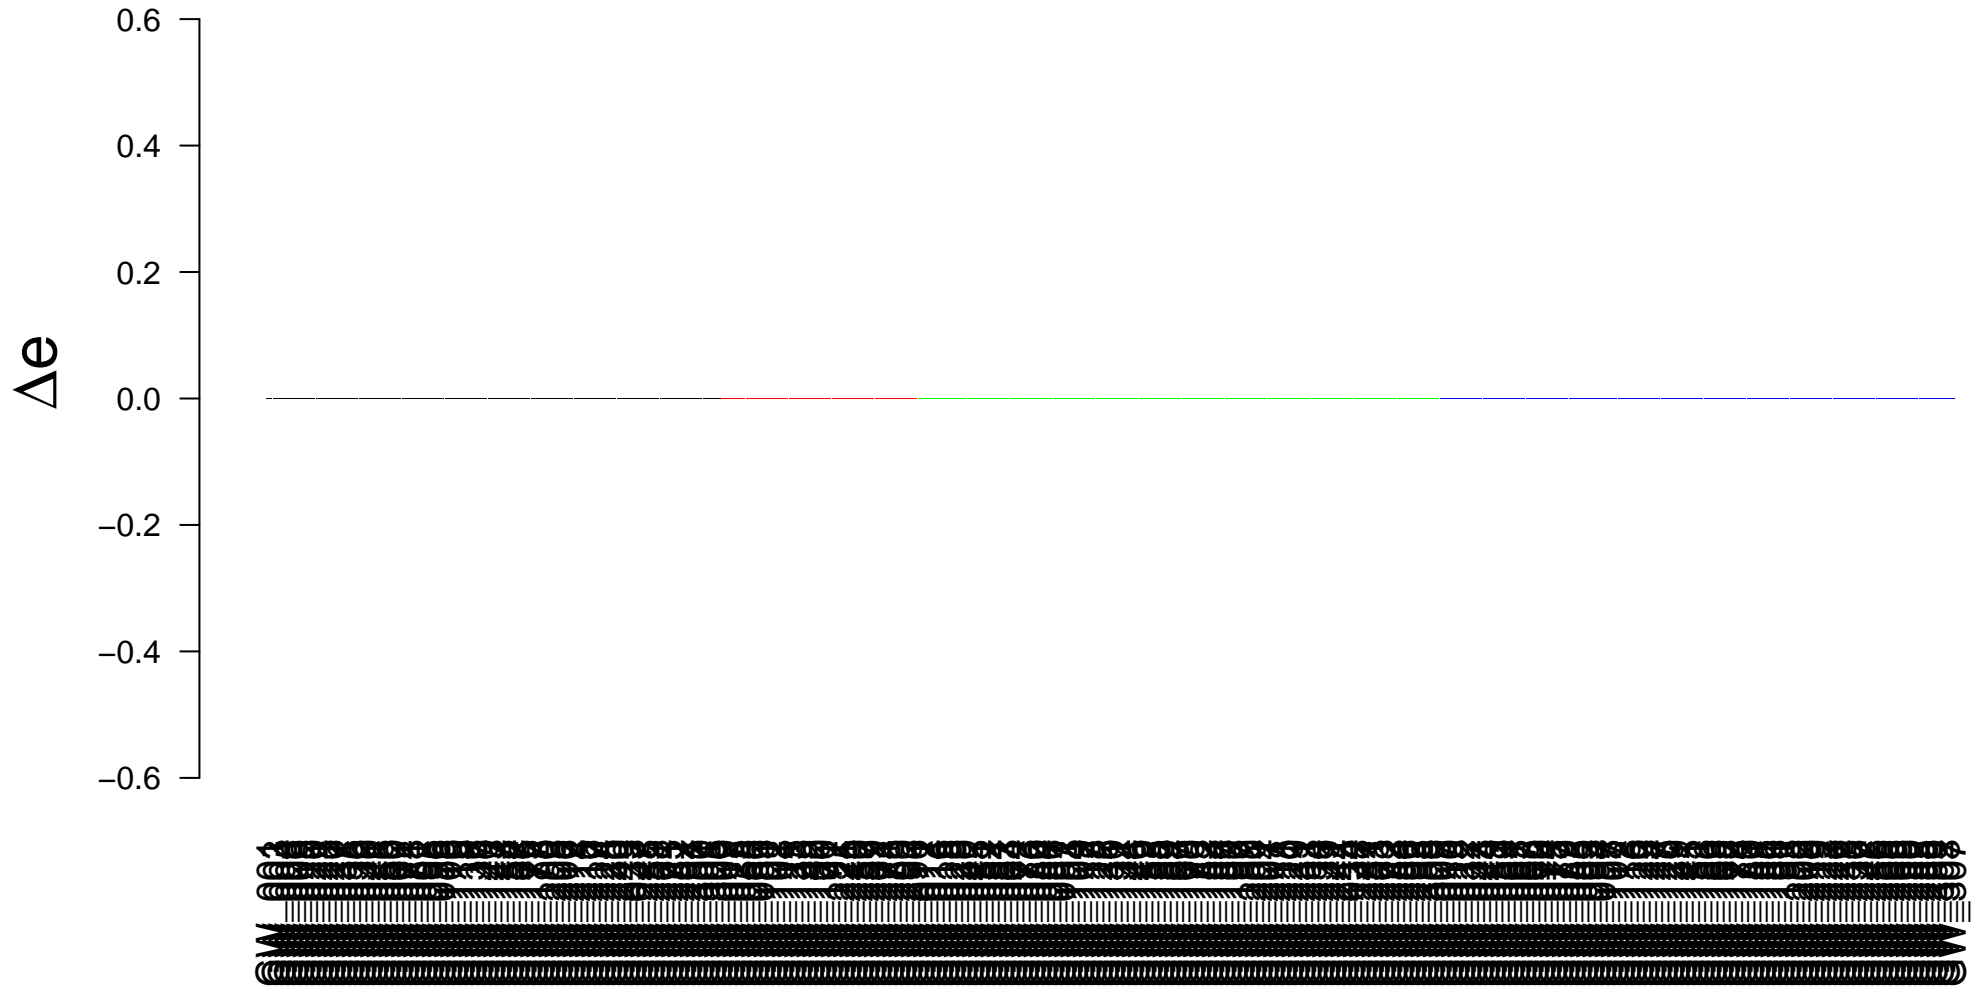

Expression of somatic hypermutation of immunoglobulin genes in Spot H

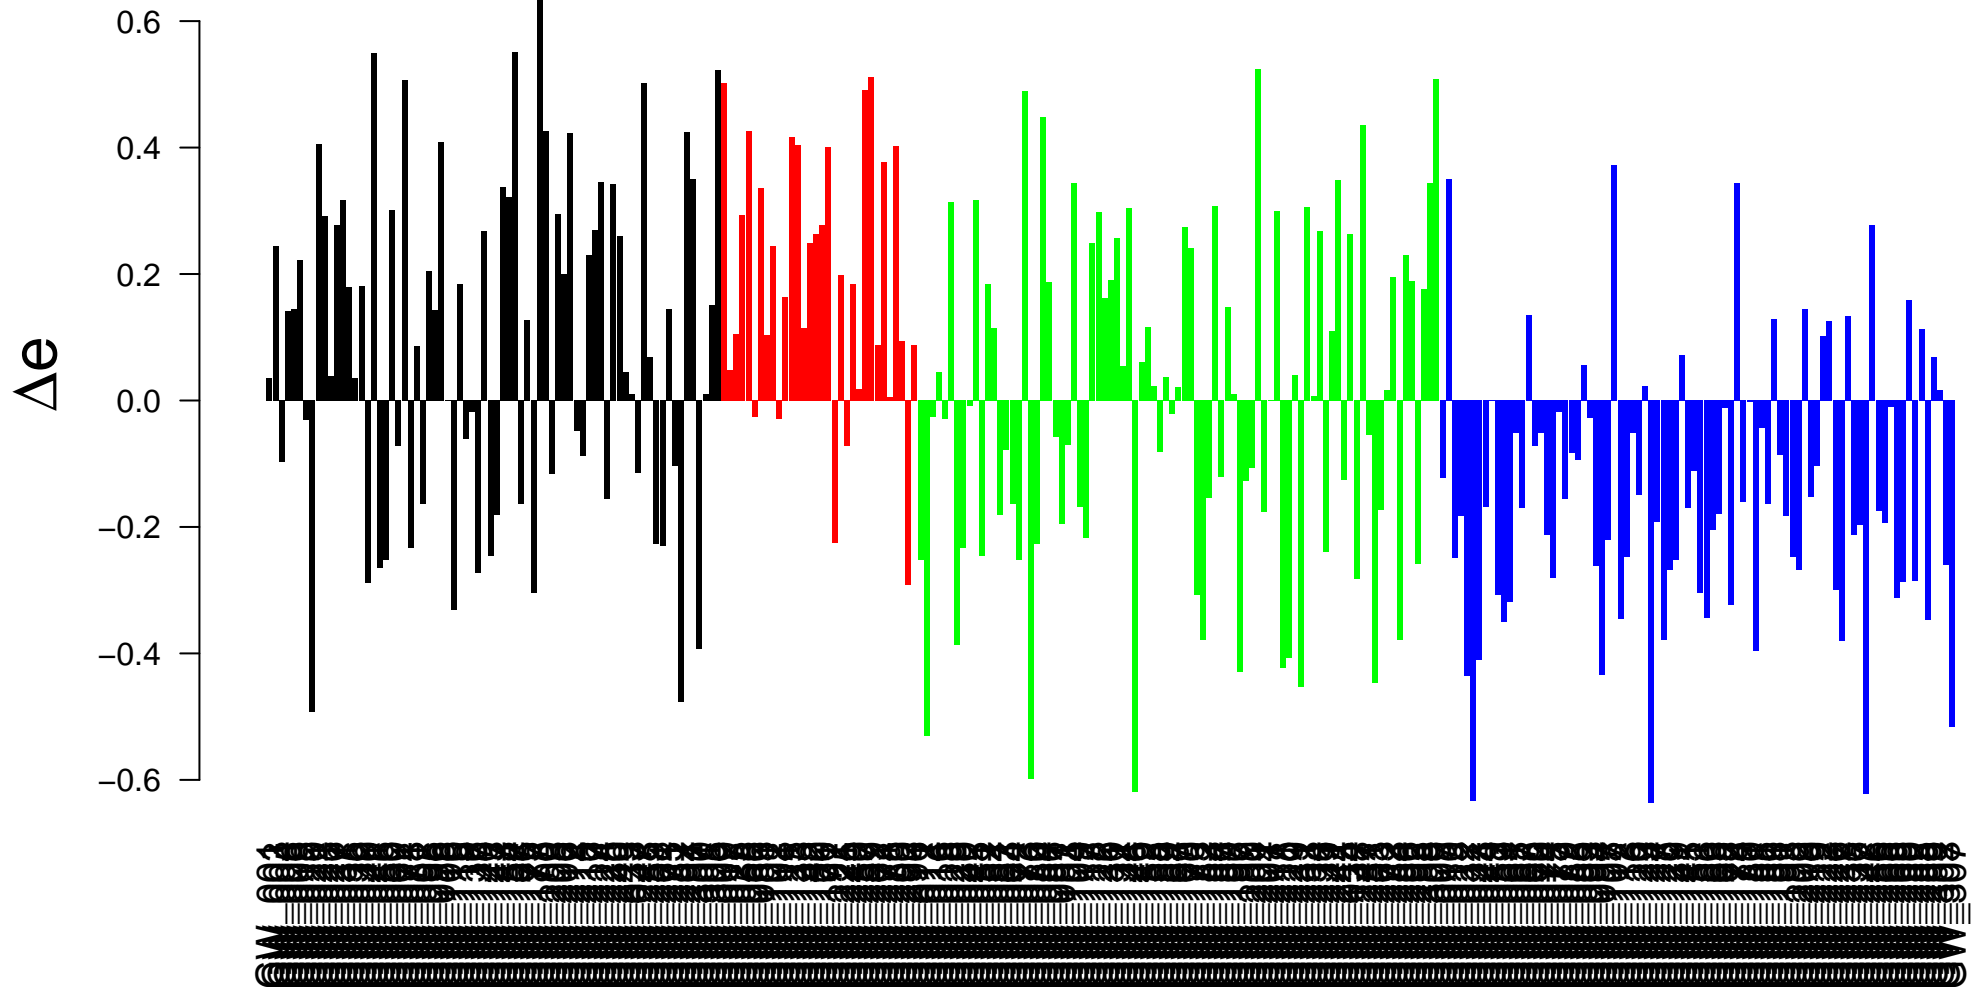

Expression of somatic hypermutation of immunoglobulin genes in Spot I

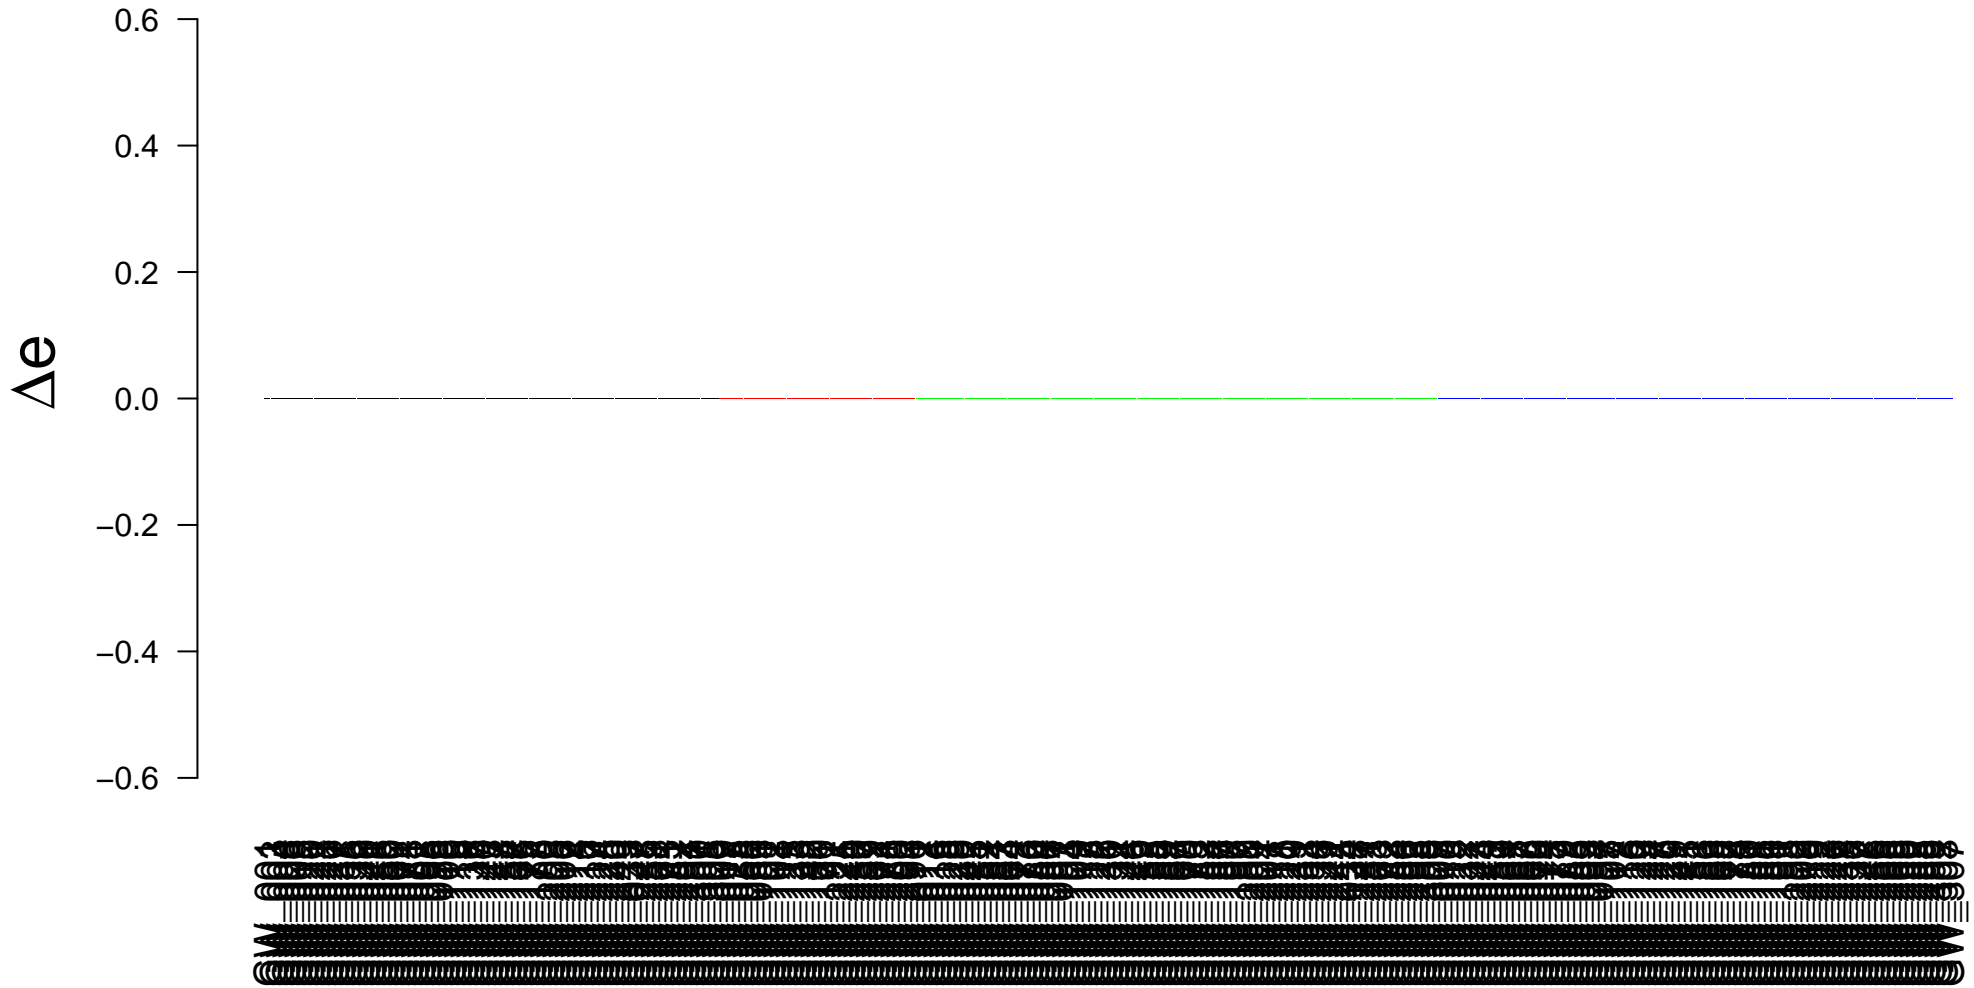

Expression of somatic hypermutation of immunoglobulin genes in Spot J

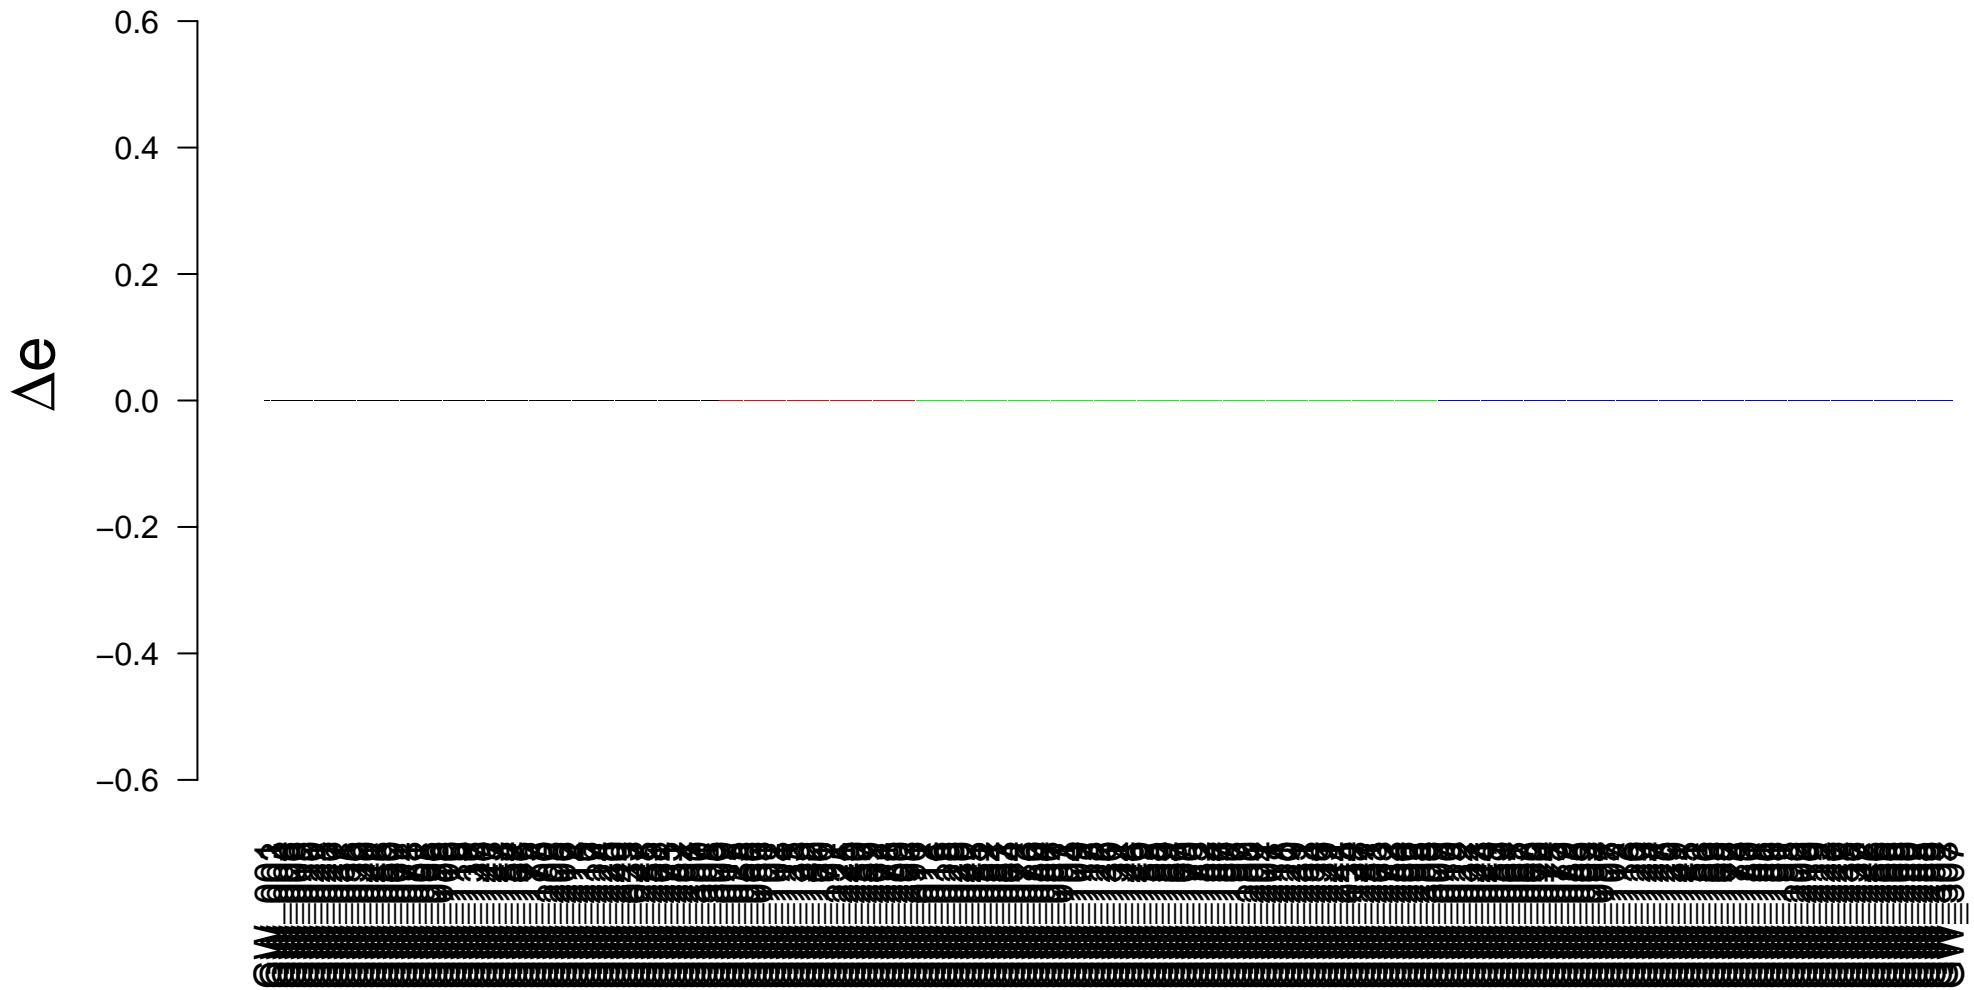

Expression of somatic hypermutation of immunoglobulin genes in Spot K

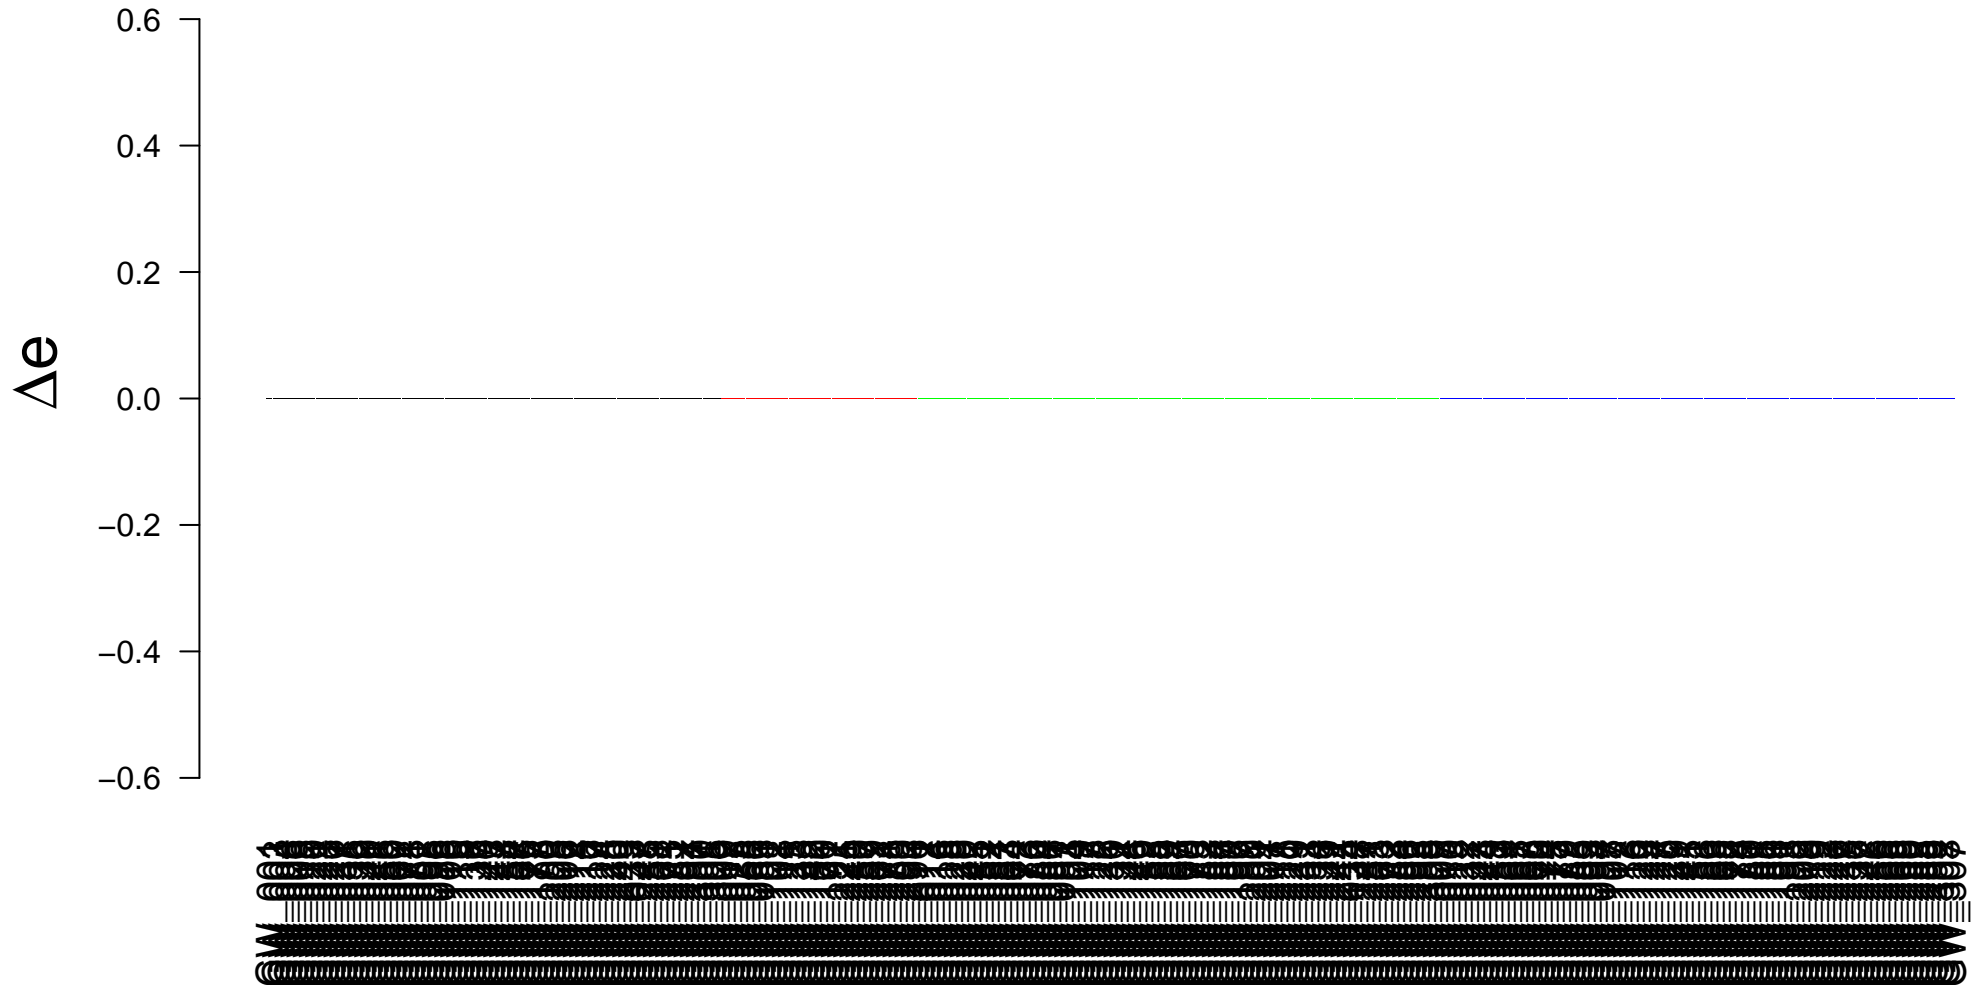

Expression of somatic hypermutation of immunoglobulin genes in Spot L

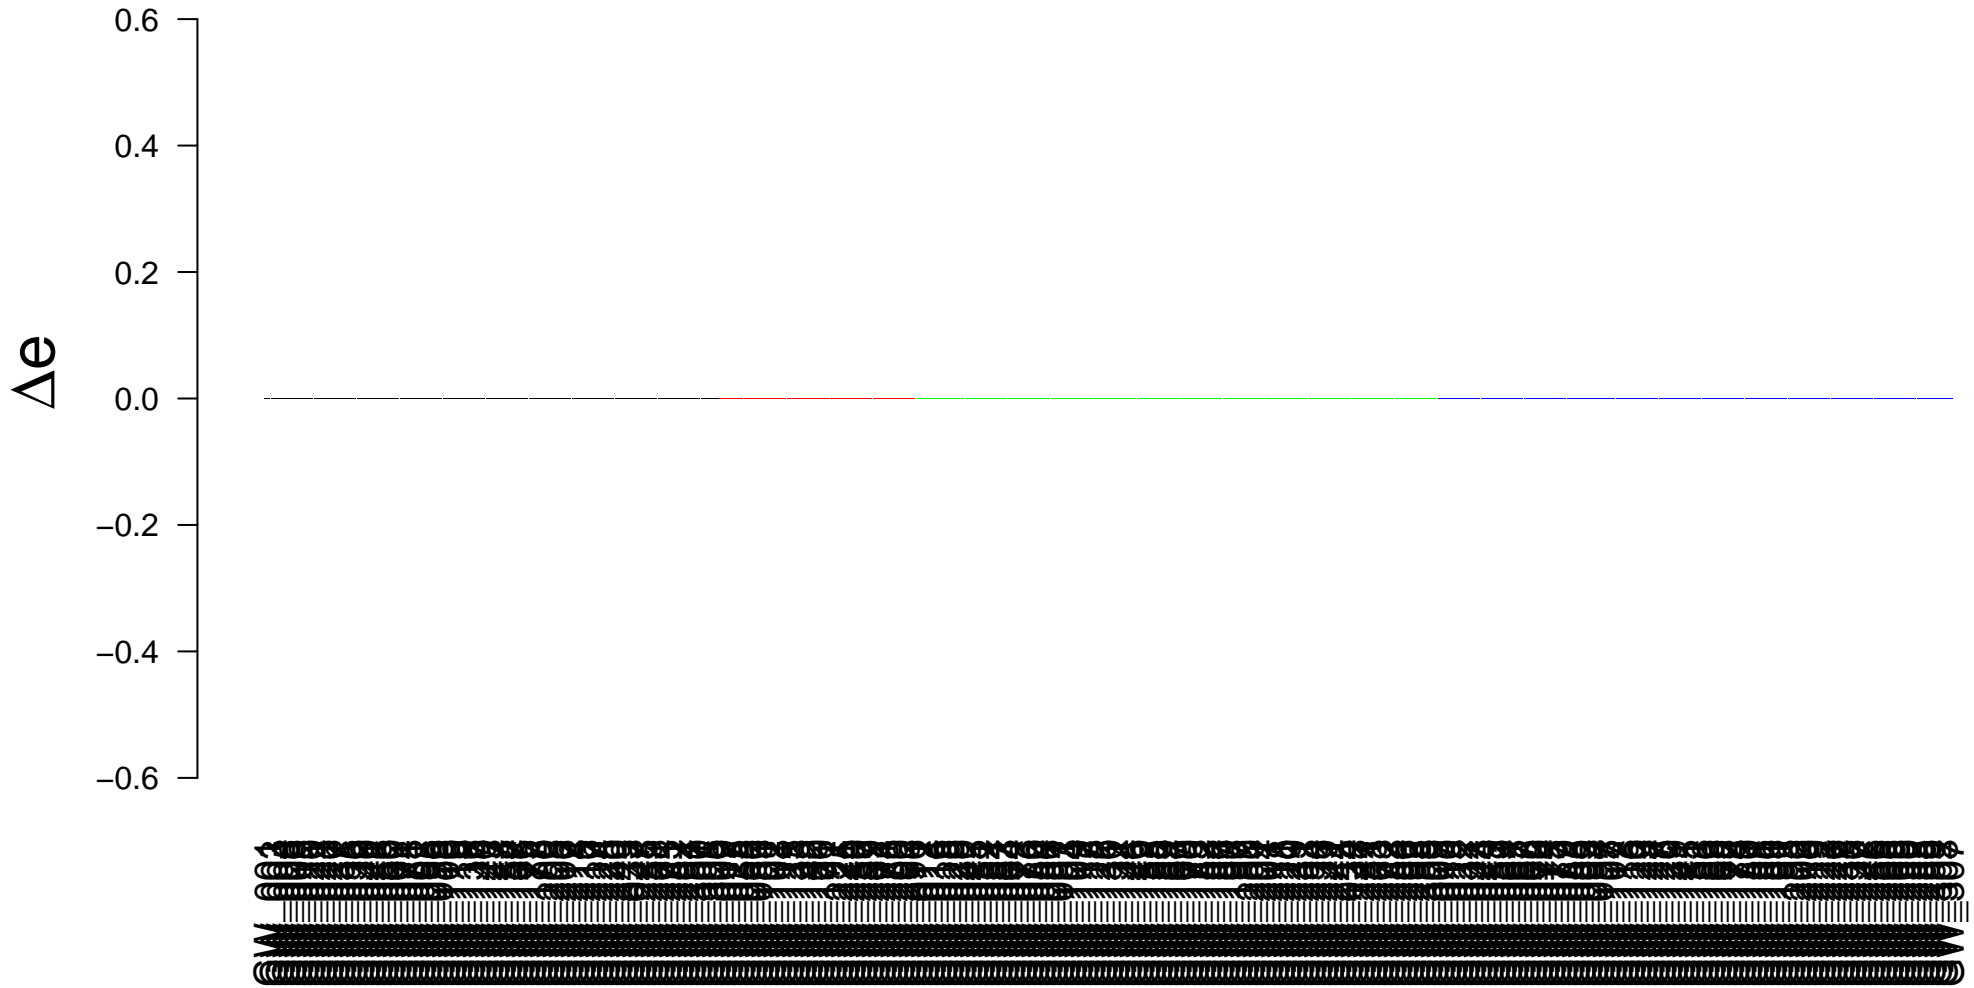

Expression of somatic hypermutation of immunoglobulin genes in Spot M

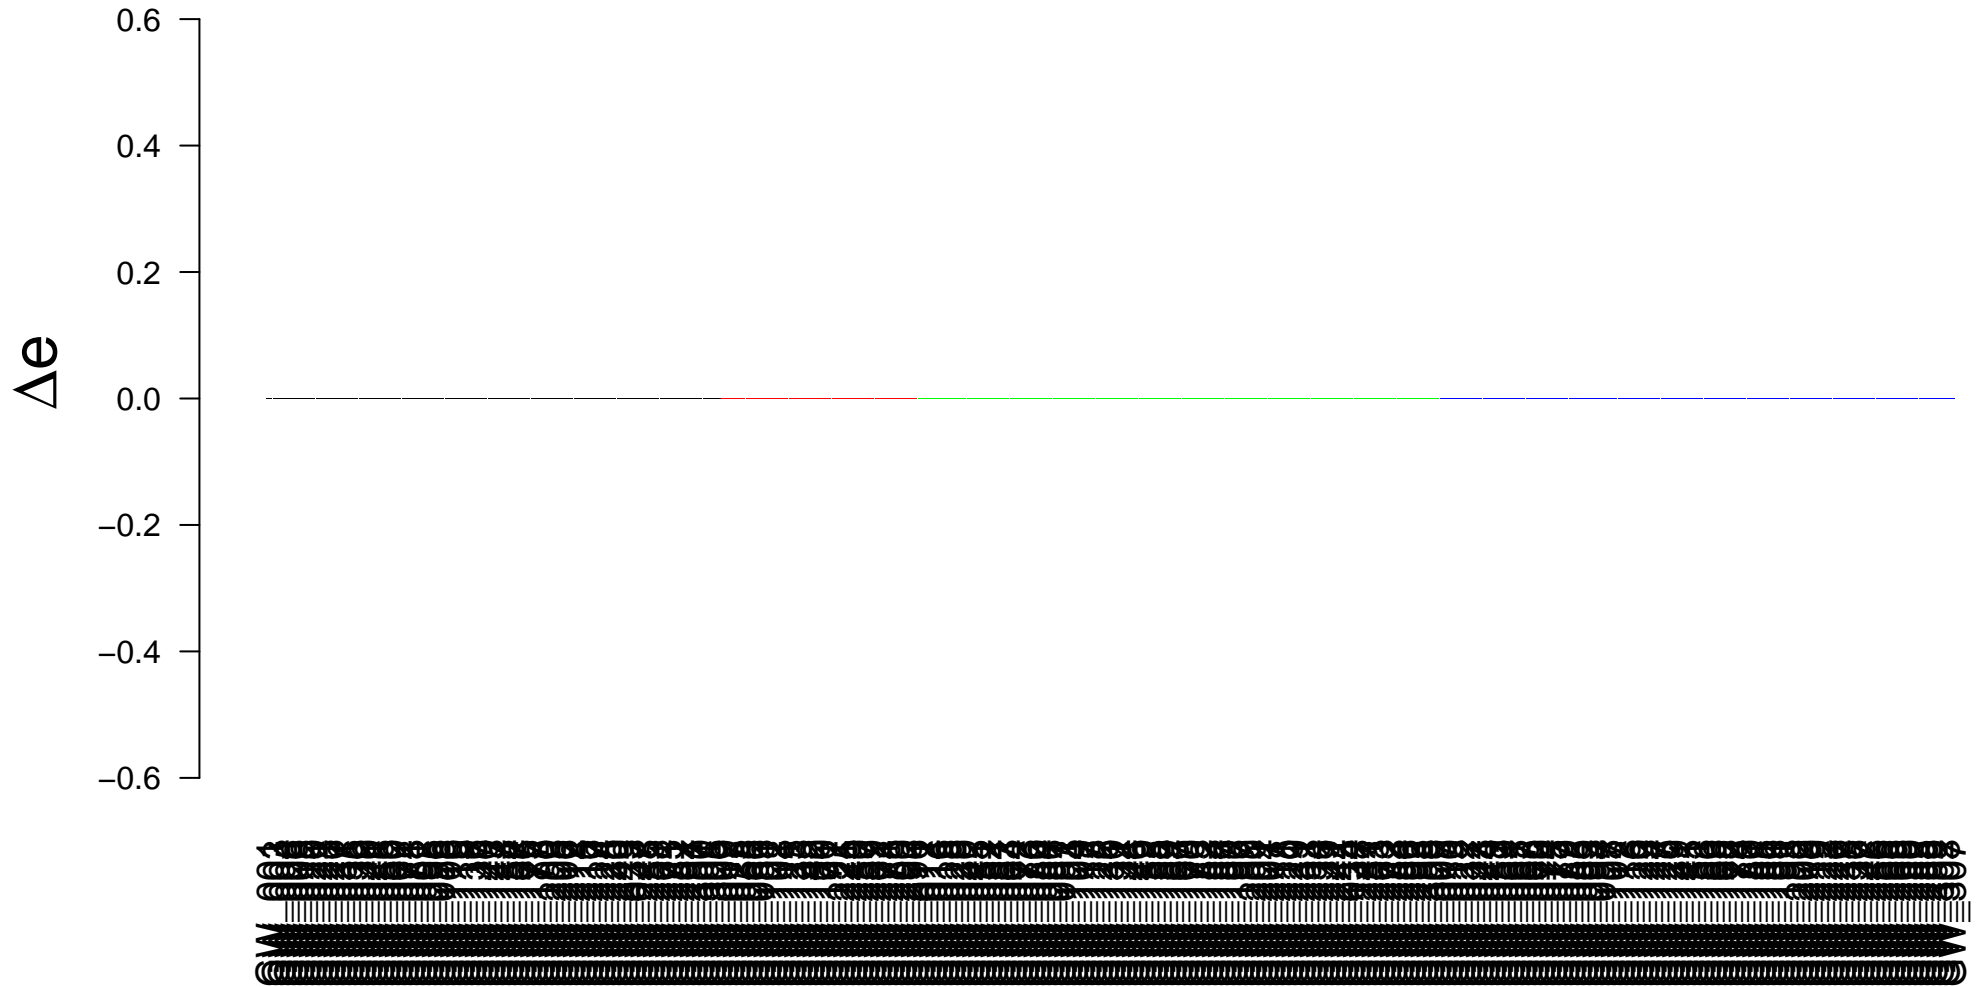

Expression of somatic hypermutation of immunoglobulin genes in Spot N

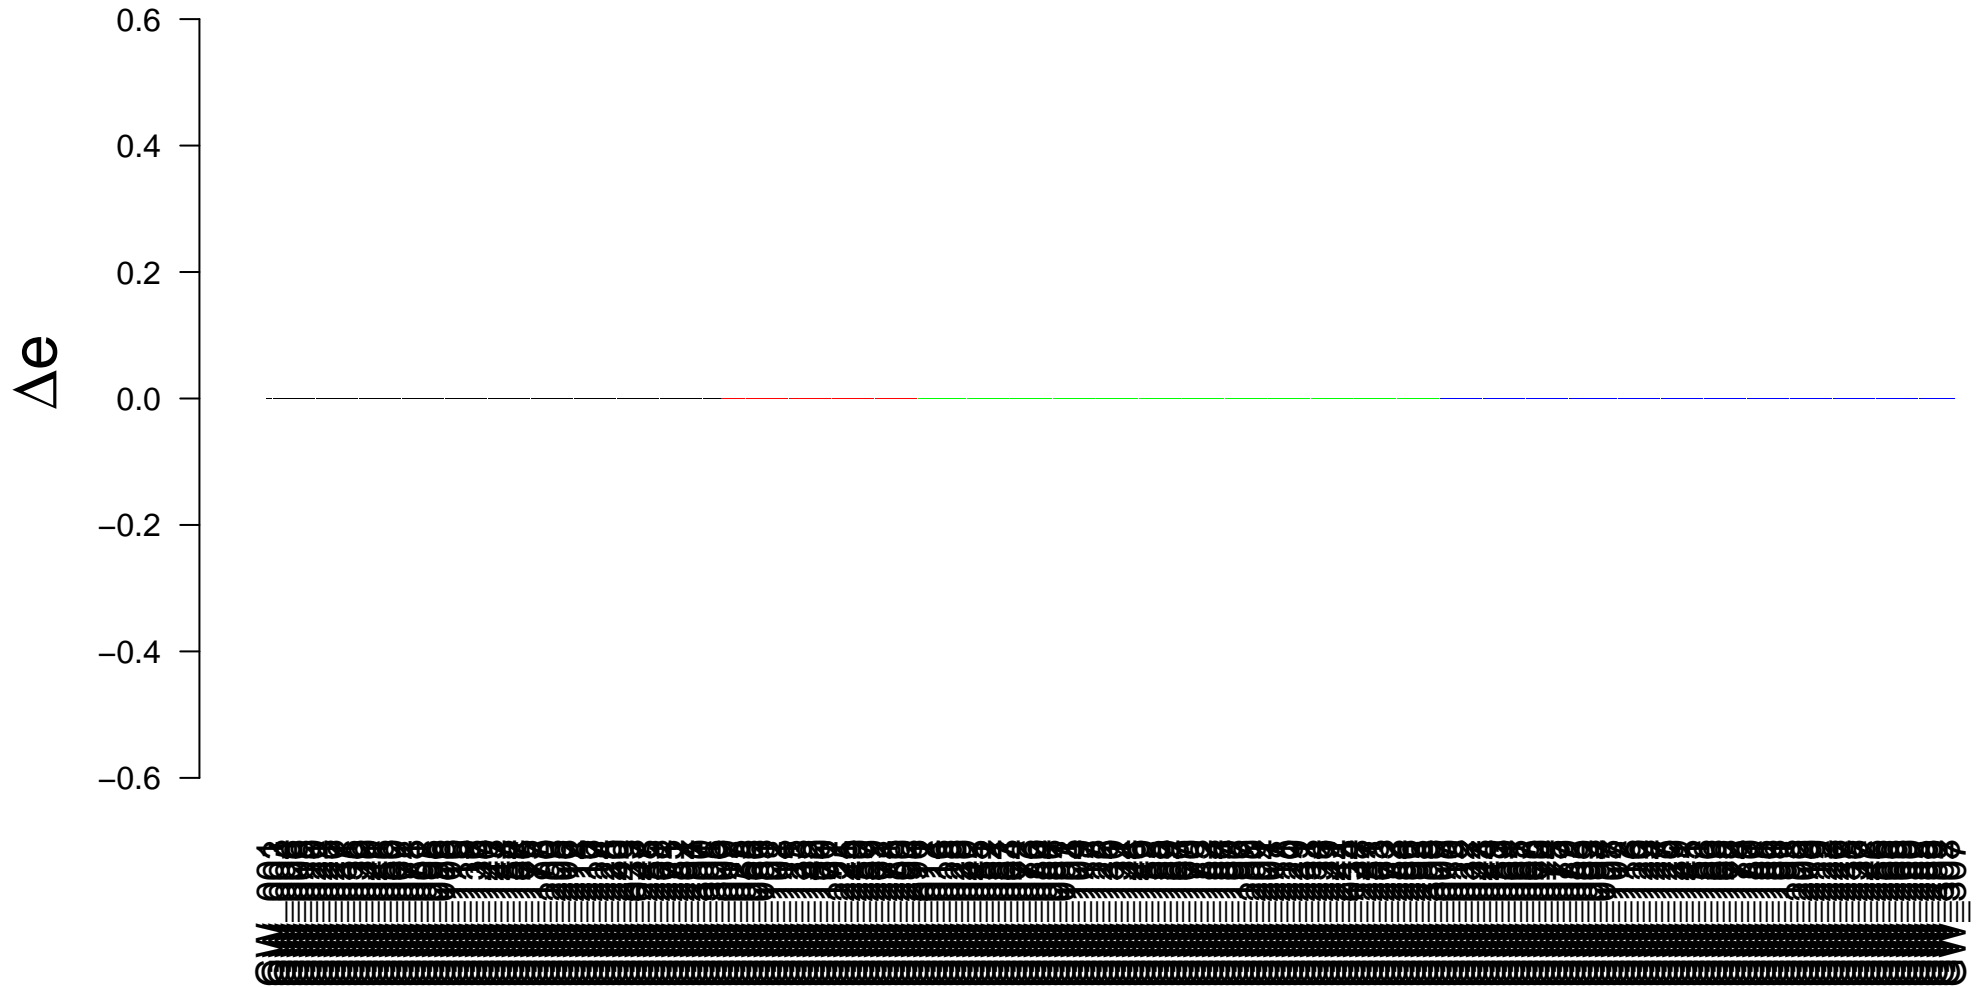

Expression of somatic hypermutation of immunoglobulin genes in Spot O

Expression of somatic hypermutation of immunoglobulin genes in Spot P

Expression of somatic hypermutation of immunoglobulin genes in Spot Q

Expression of somatic hypermutation of immunoglobulin genes in Spot R
