

specific granule

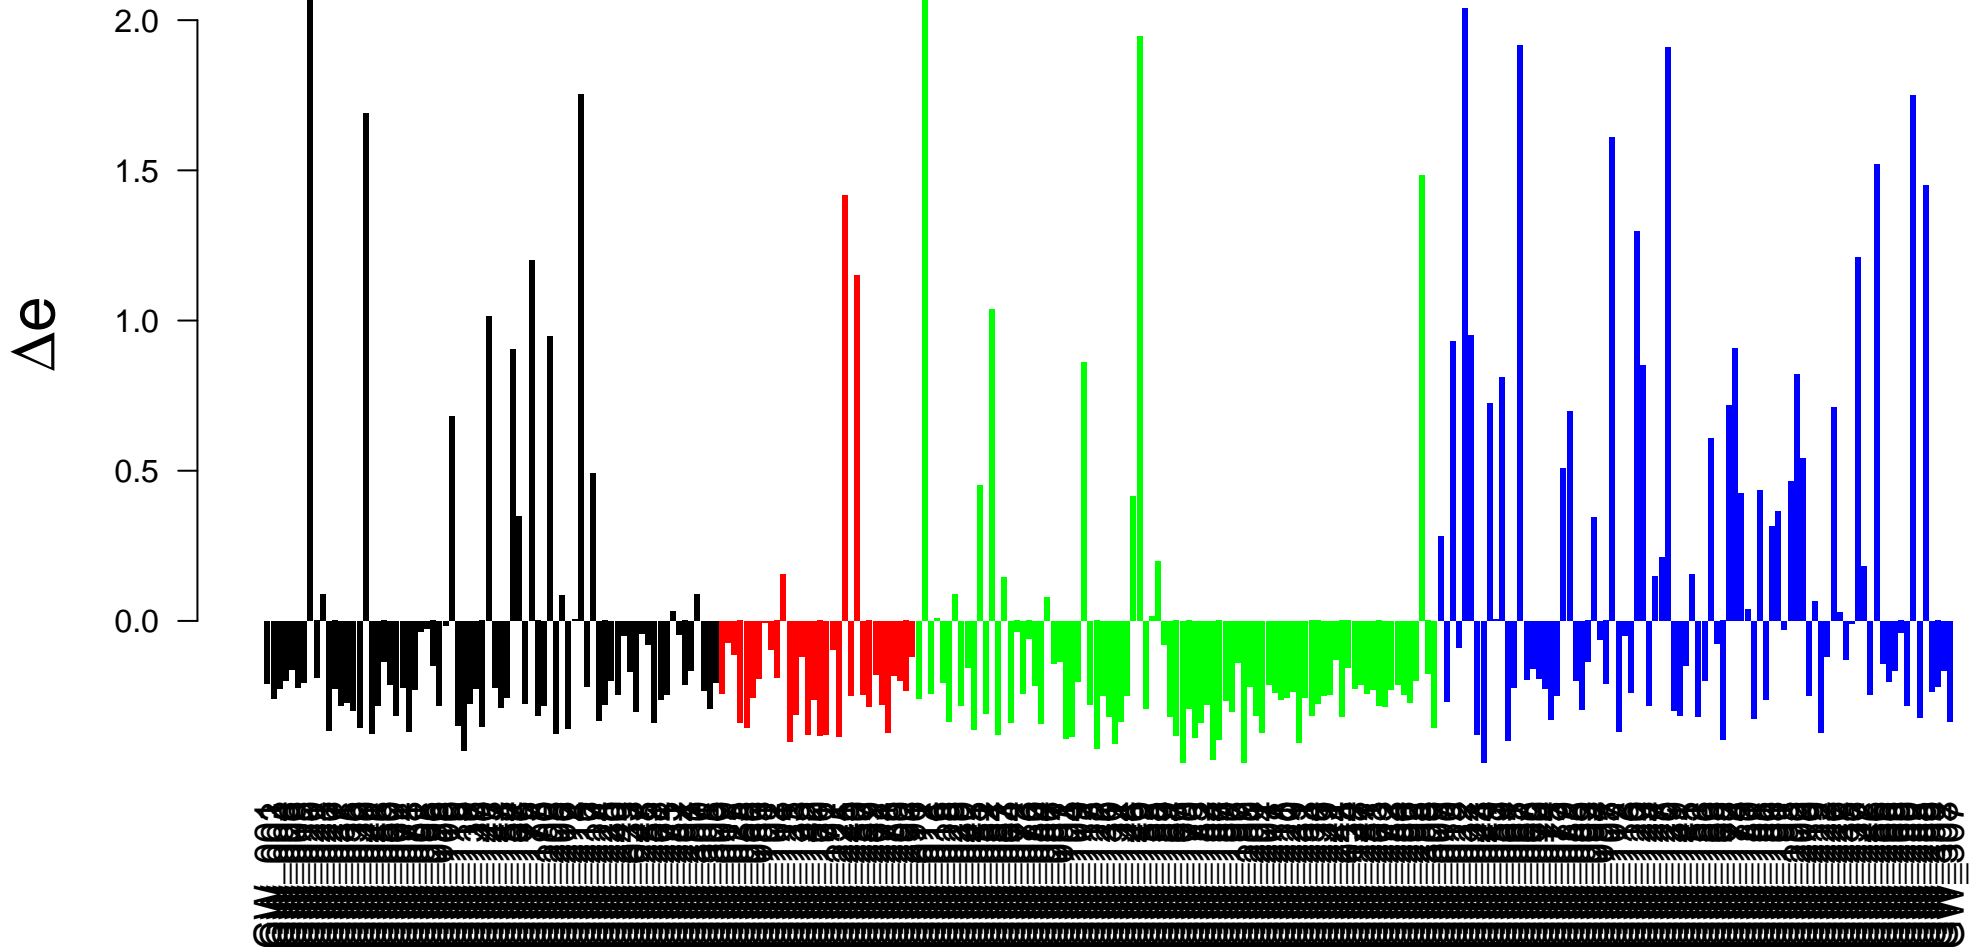

specific granule

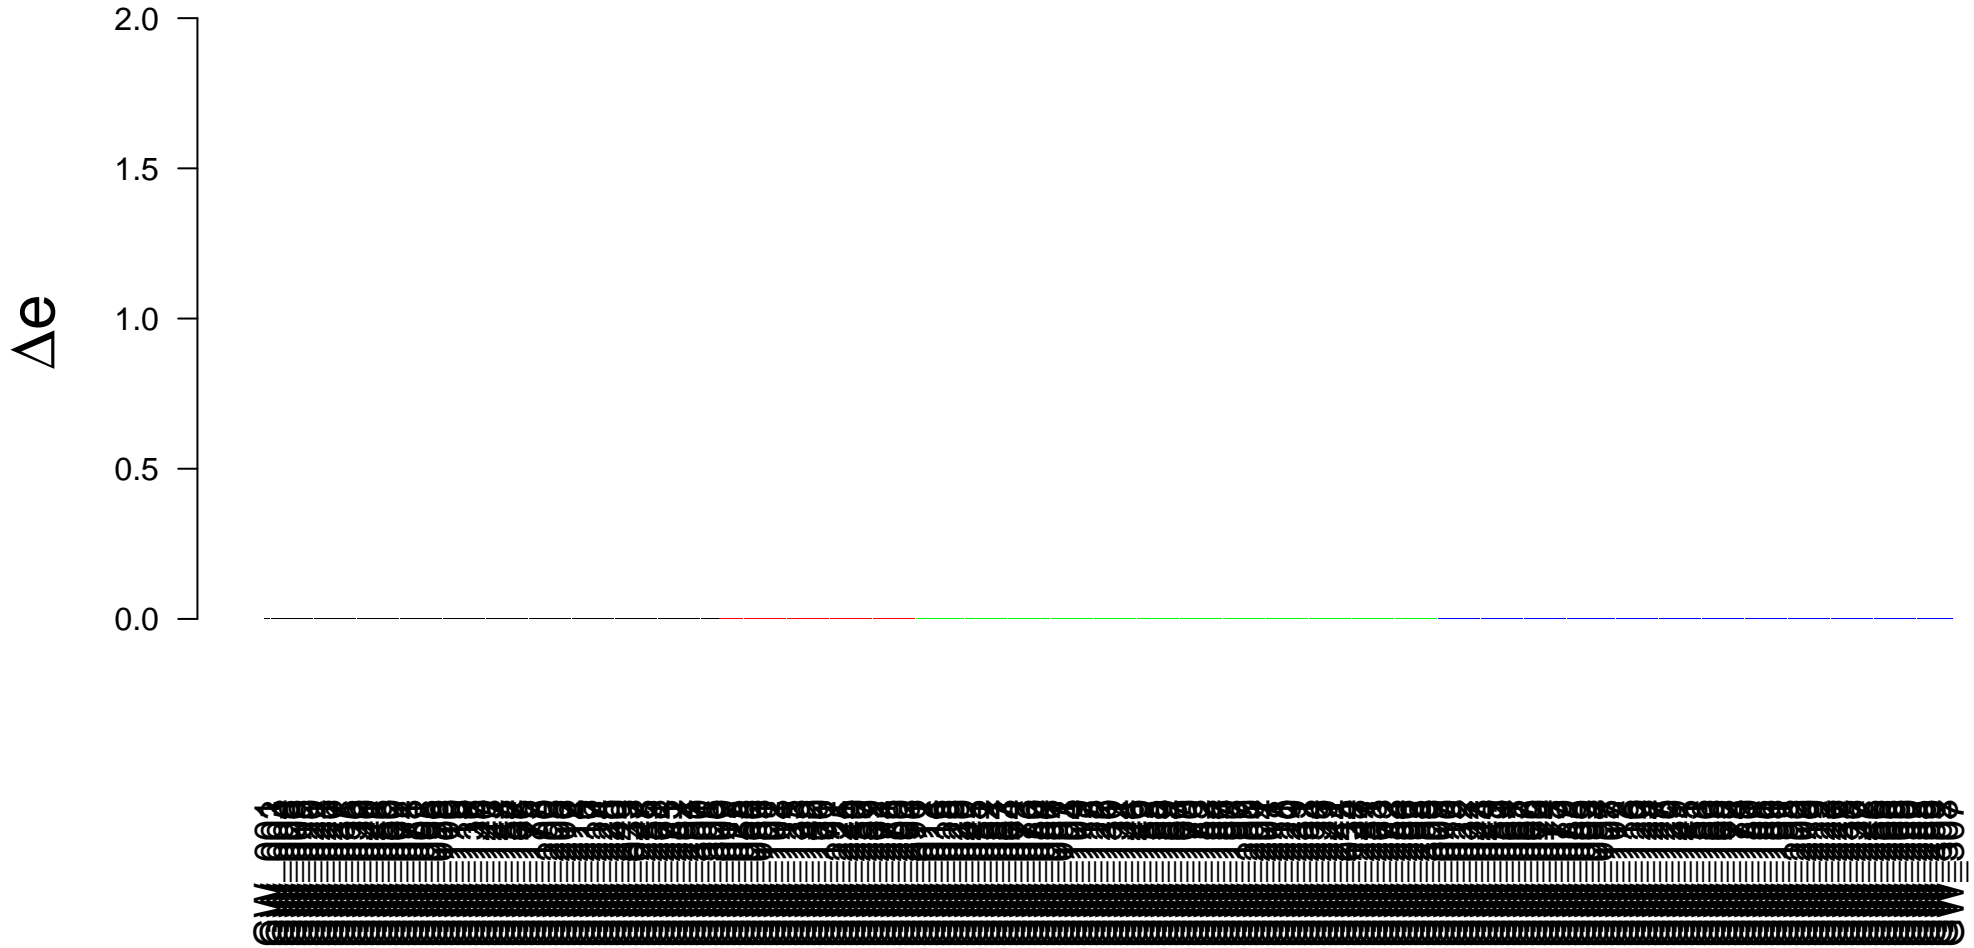

Enrichment in spots: specific granule

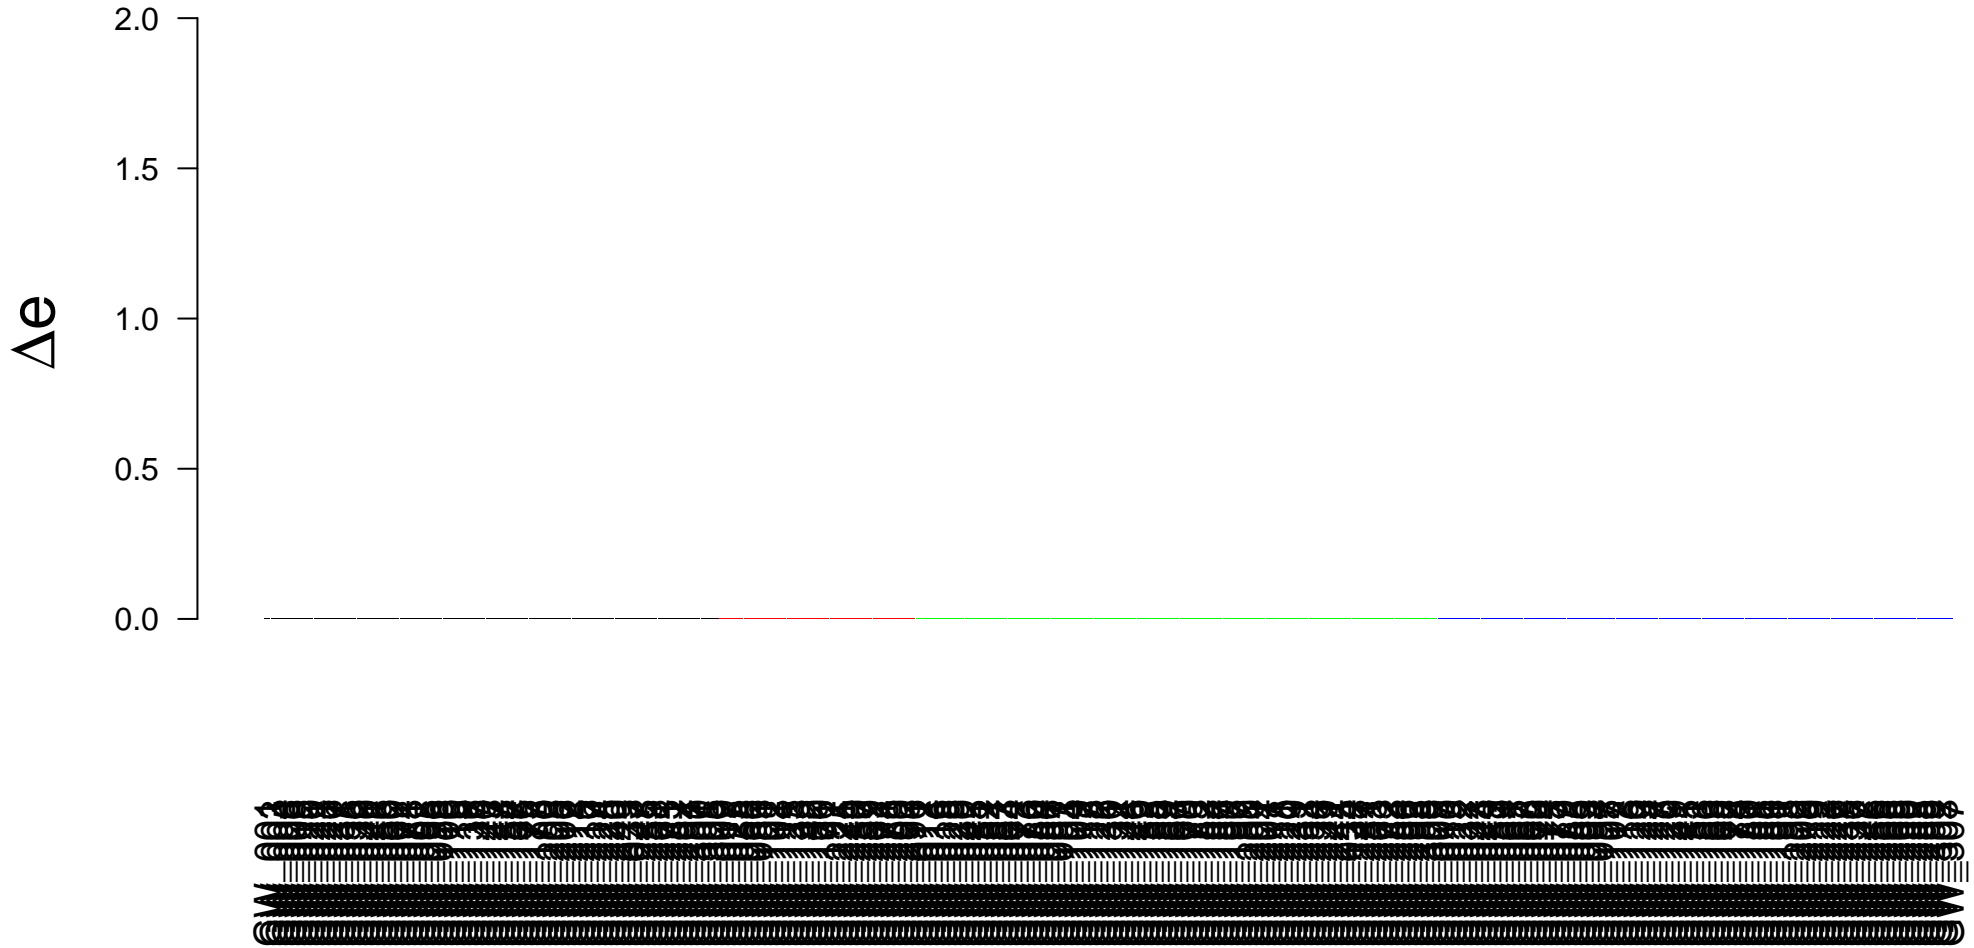

Expression of specific granule in Spot A

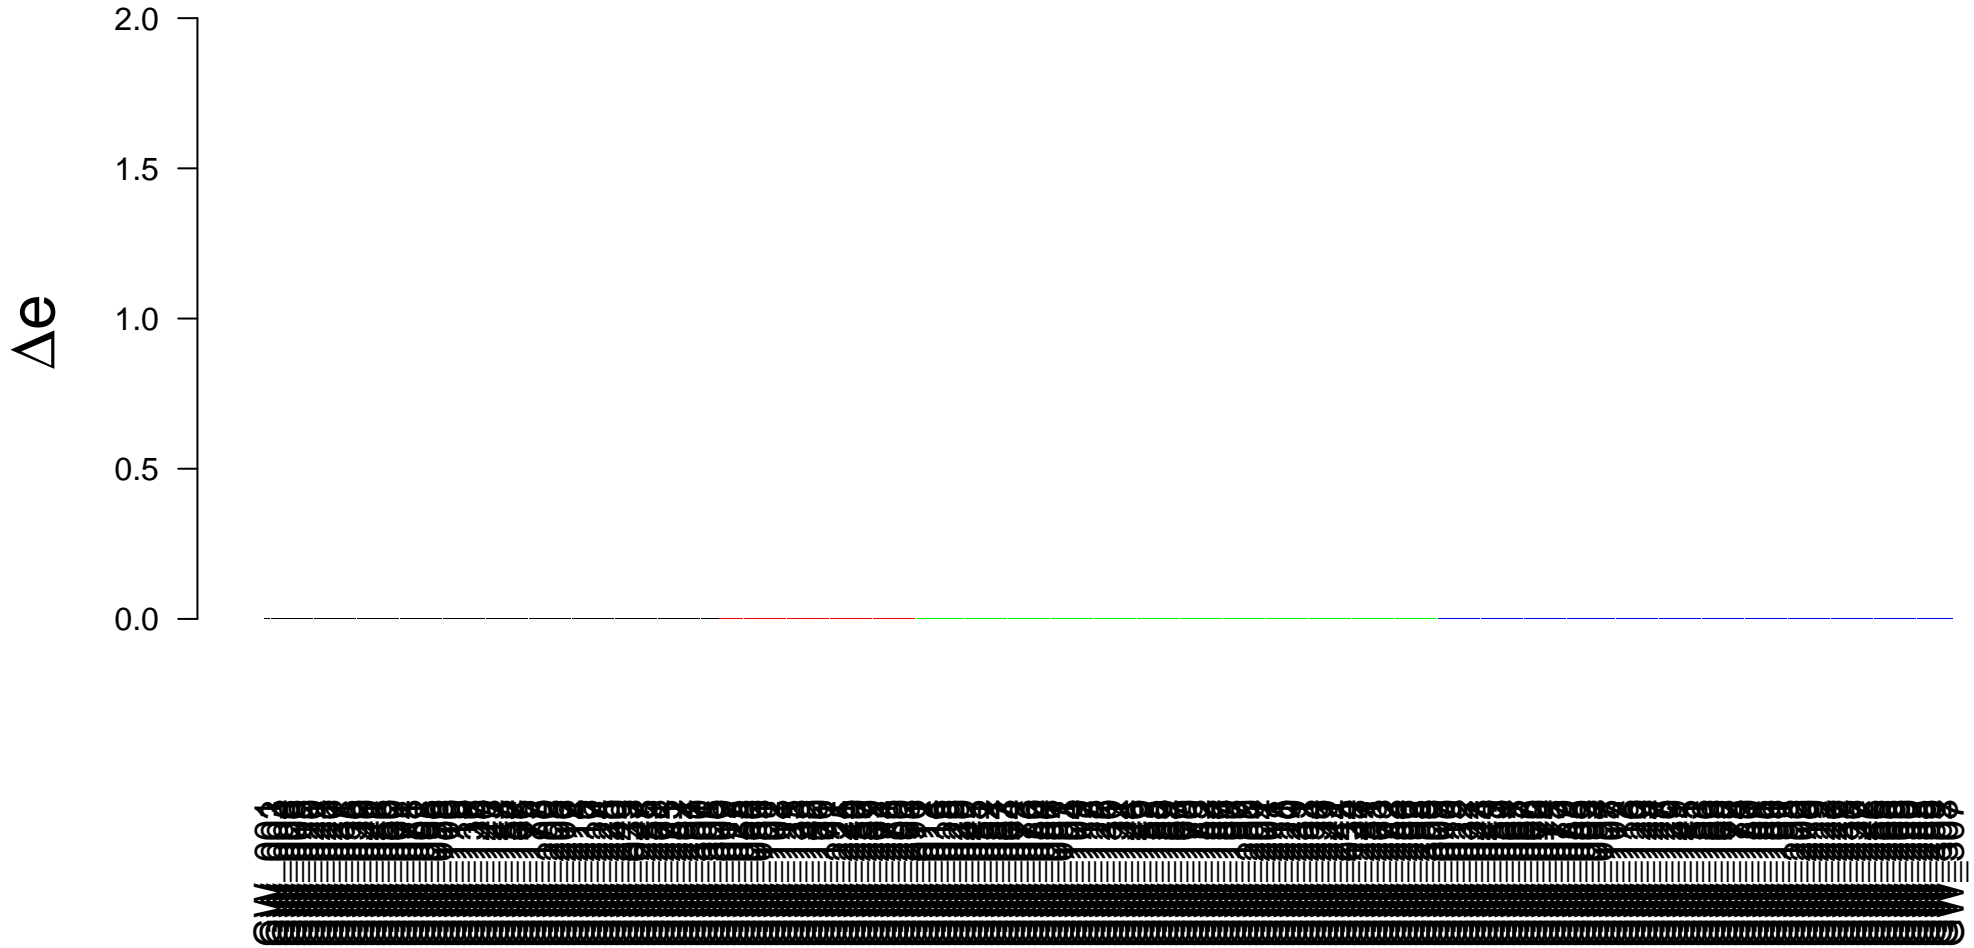

Expression of specific granule in Spot B

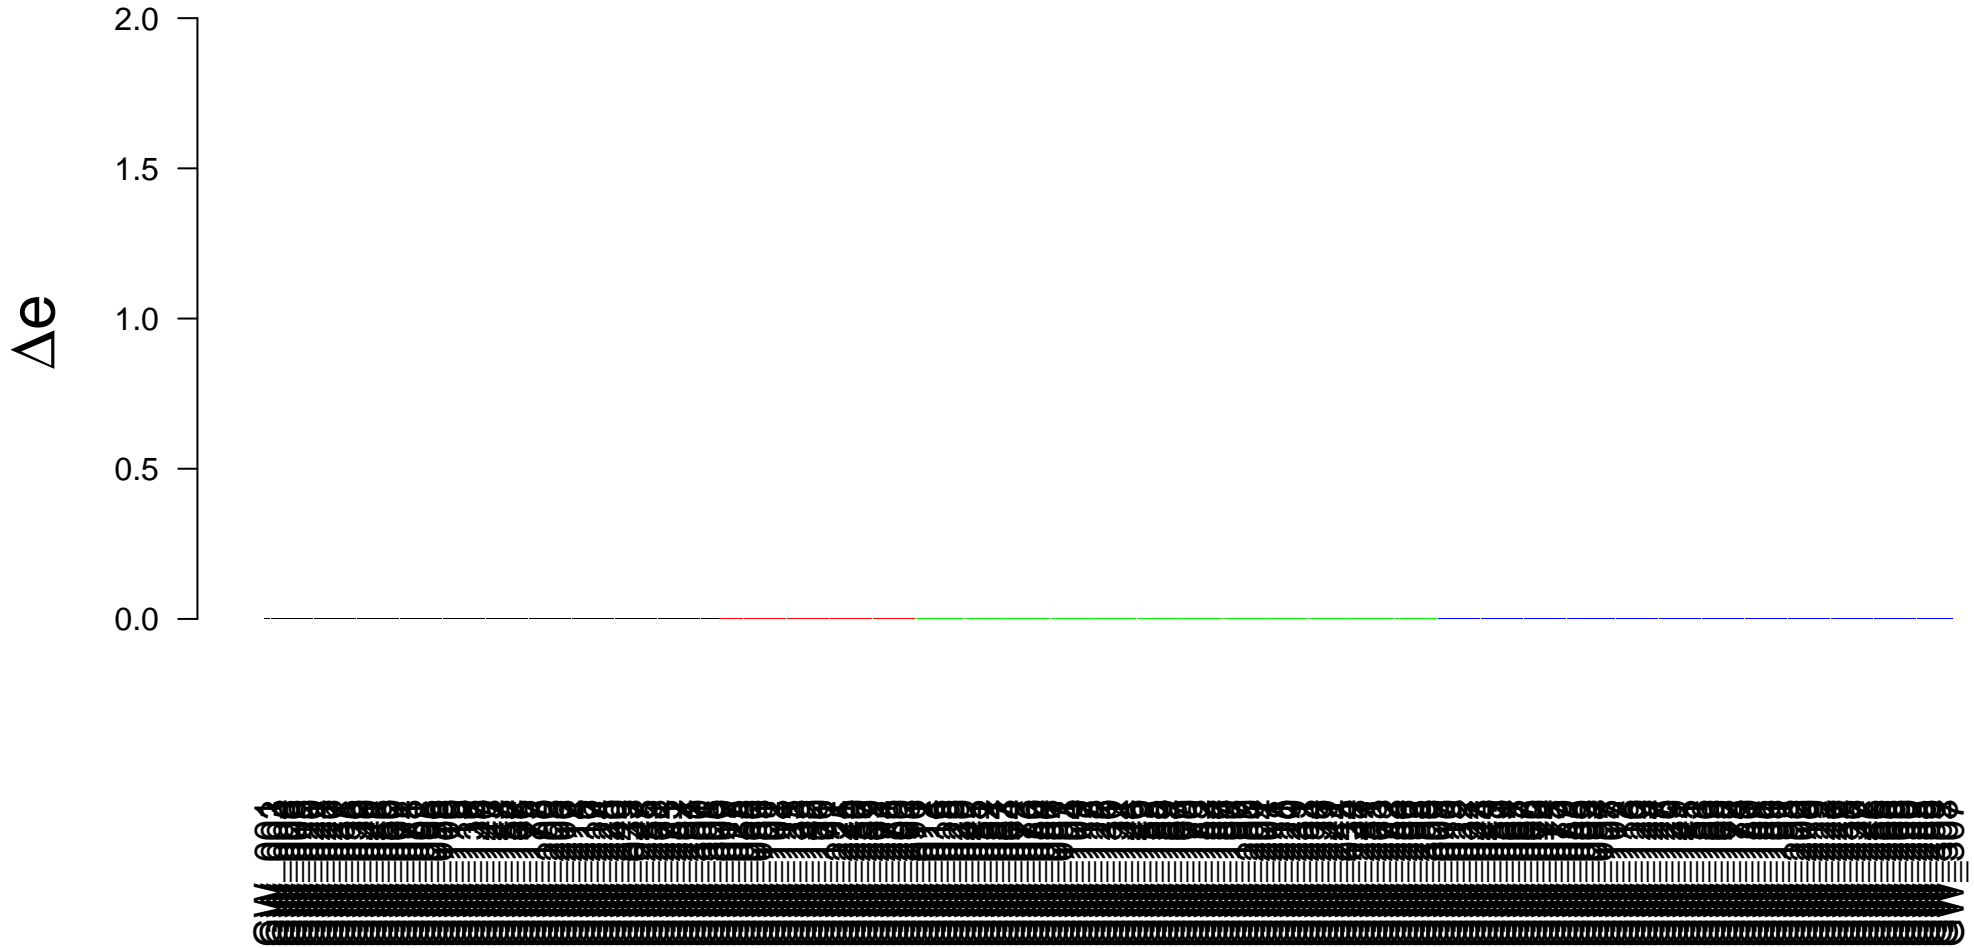

Expression of specific granule in Spot C

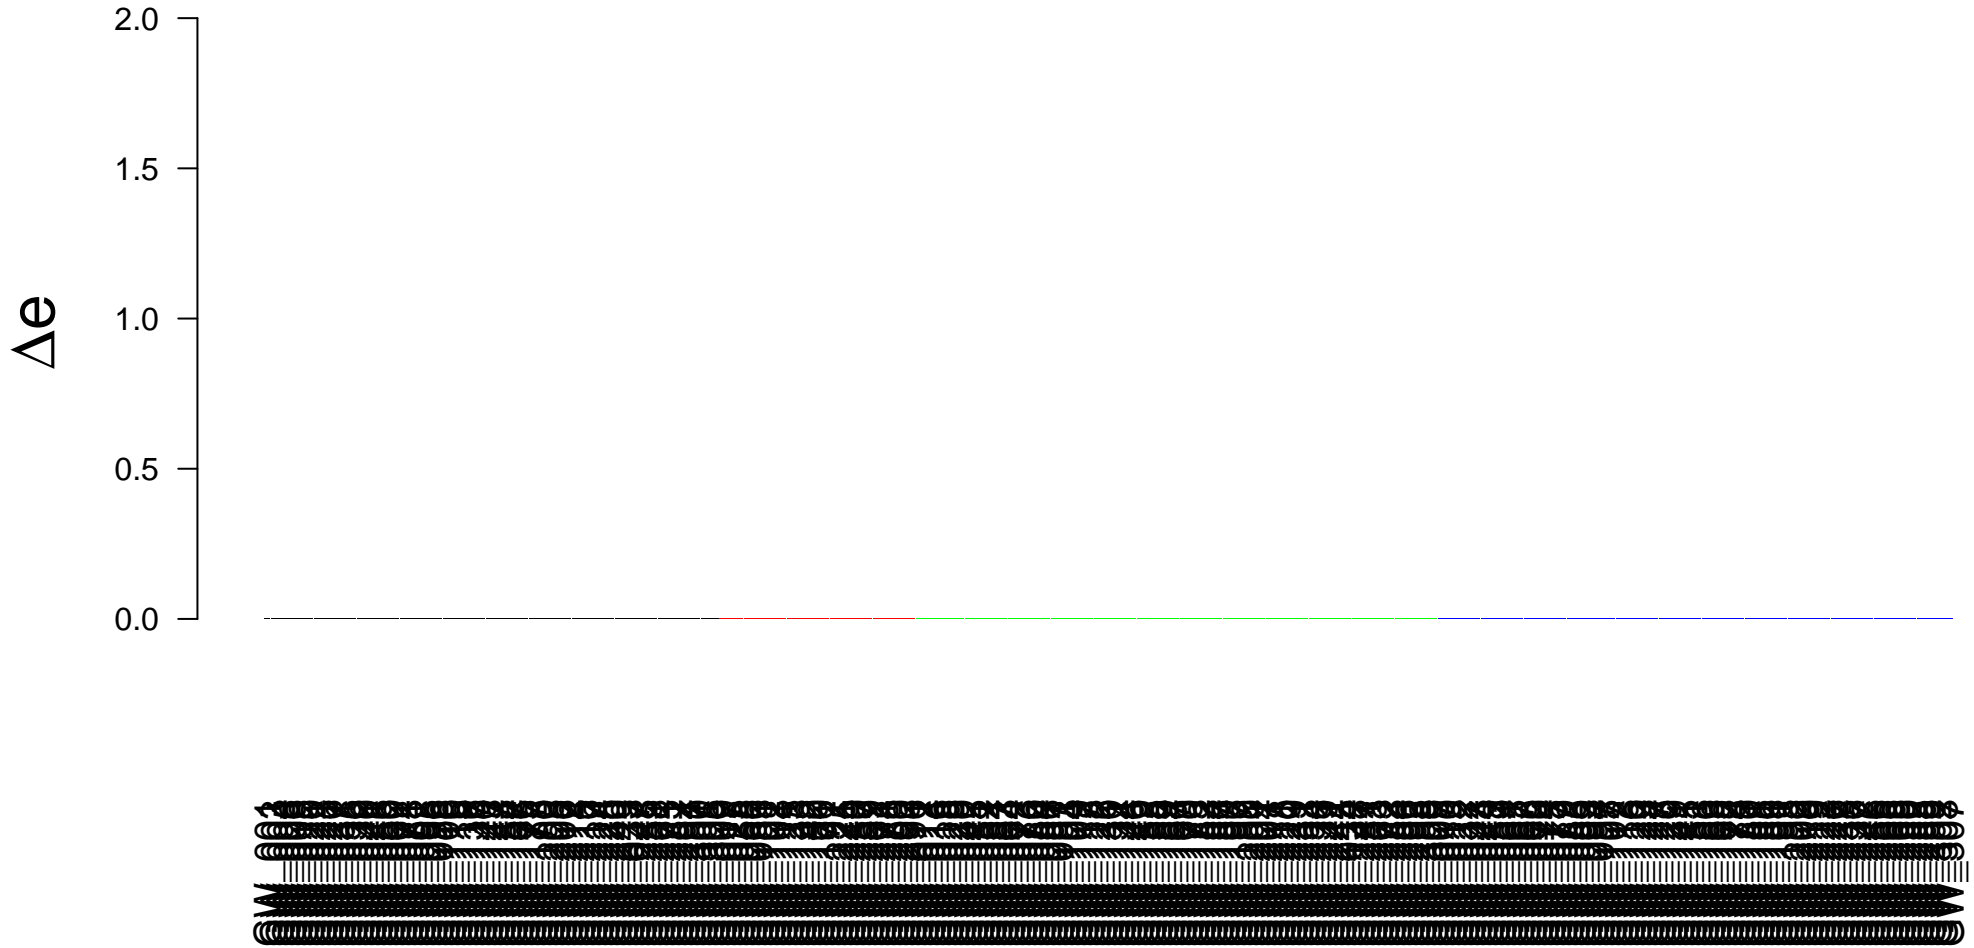

Expression of specific granule in Spot D

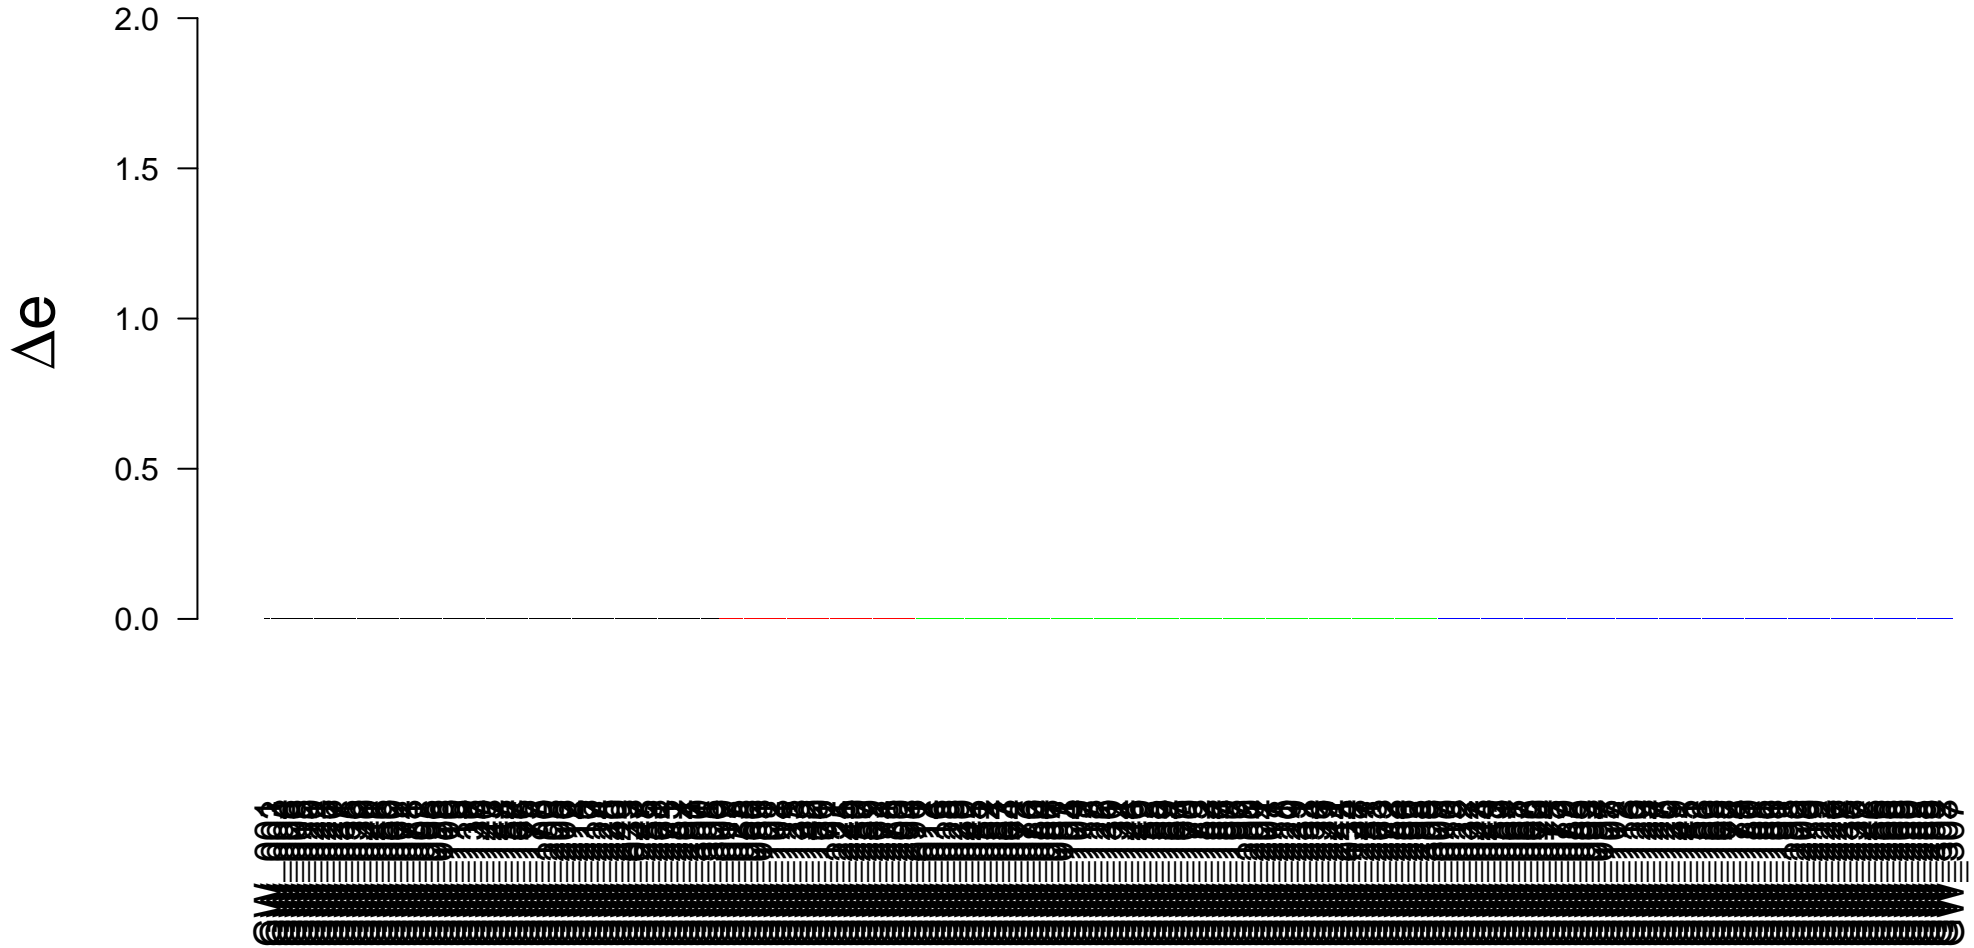

Expression of specific granule in Spot E

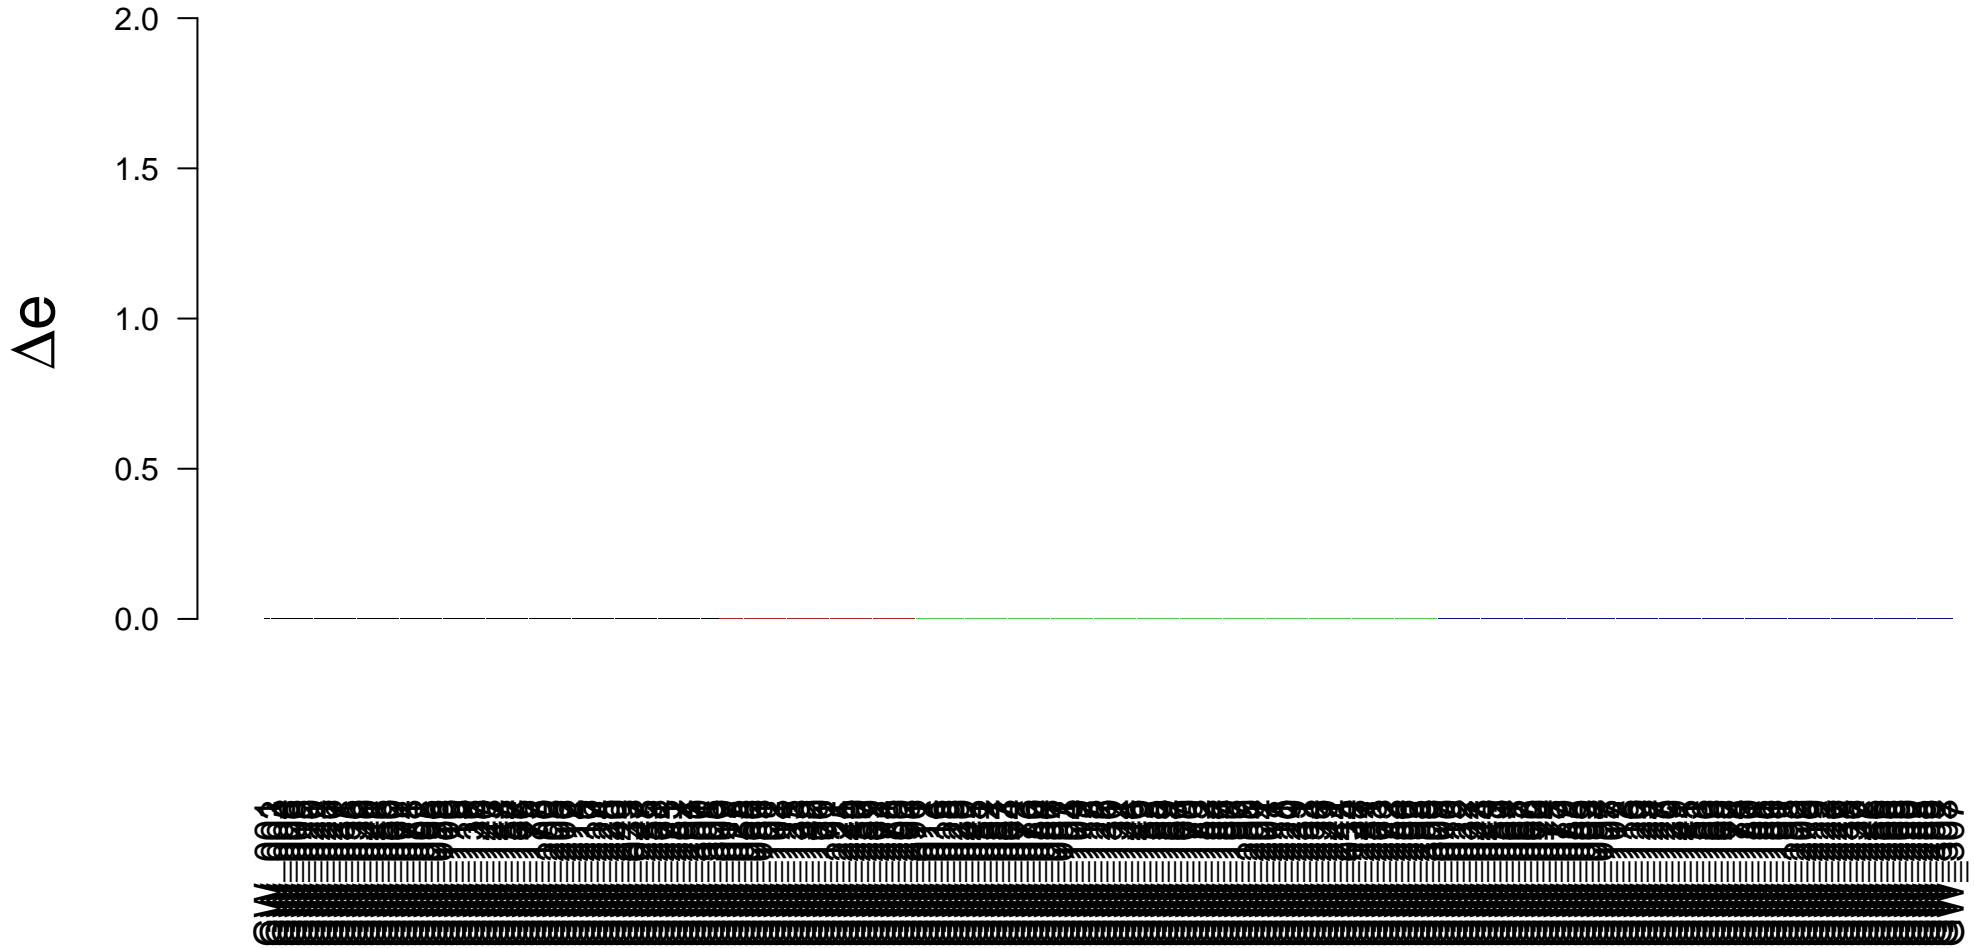

Expression of specific granule in Spot F

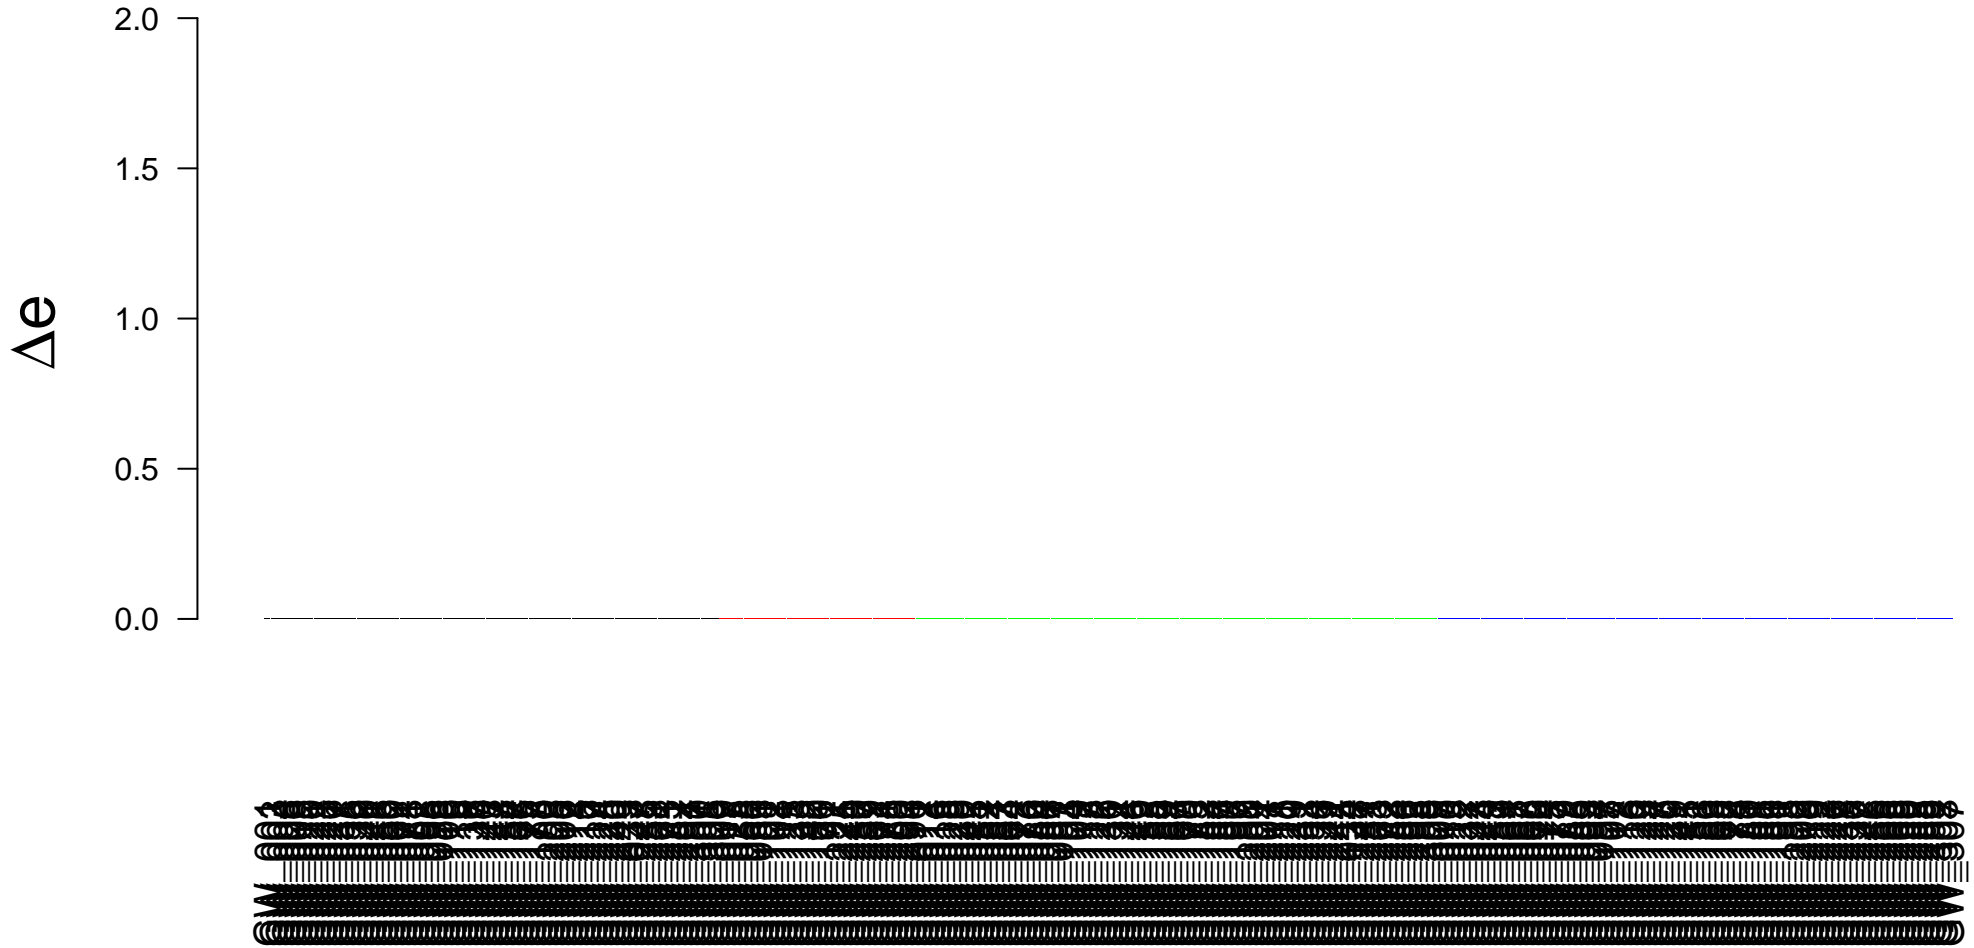

Expression of specific granule in Spot G

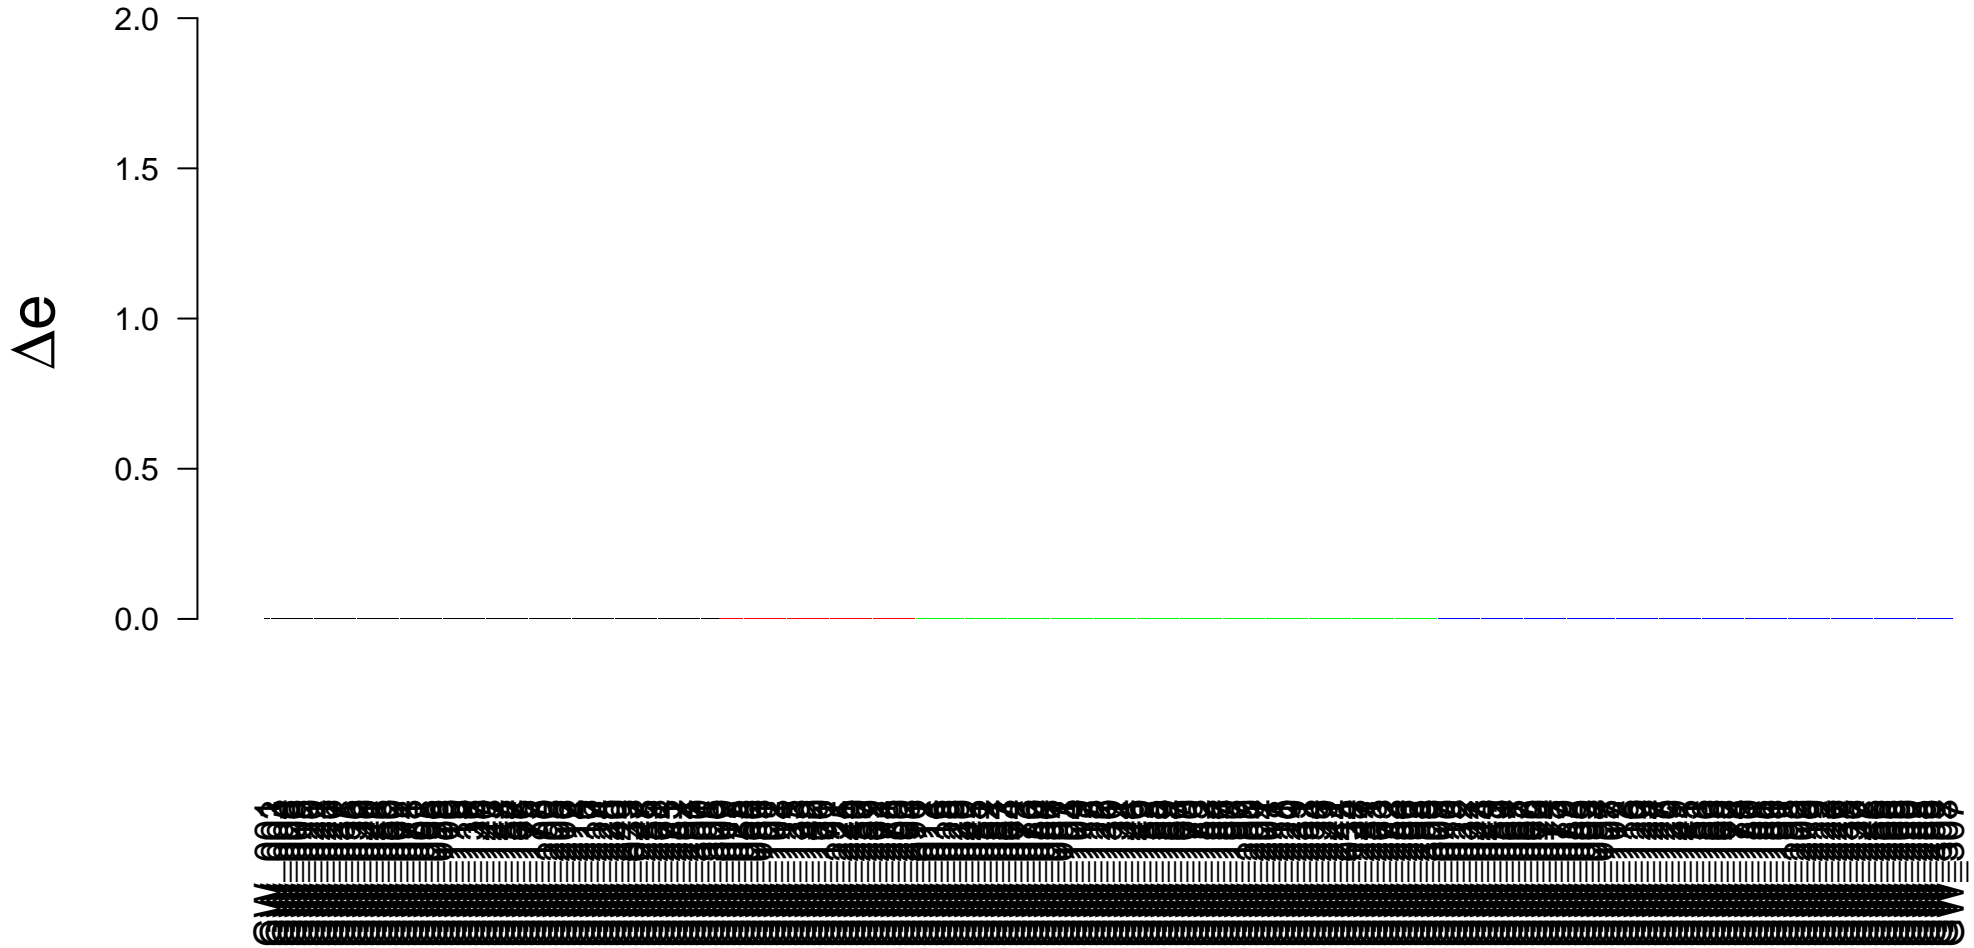

Expression of specific granule in Spot H

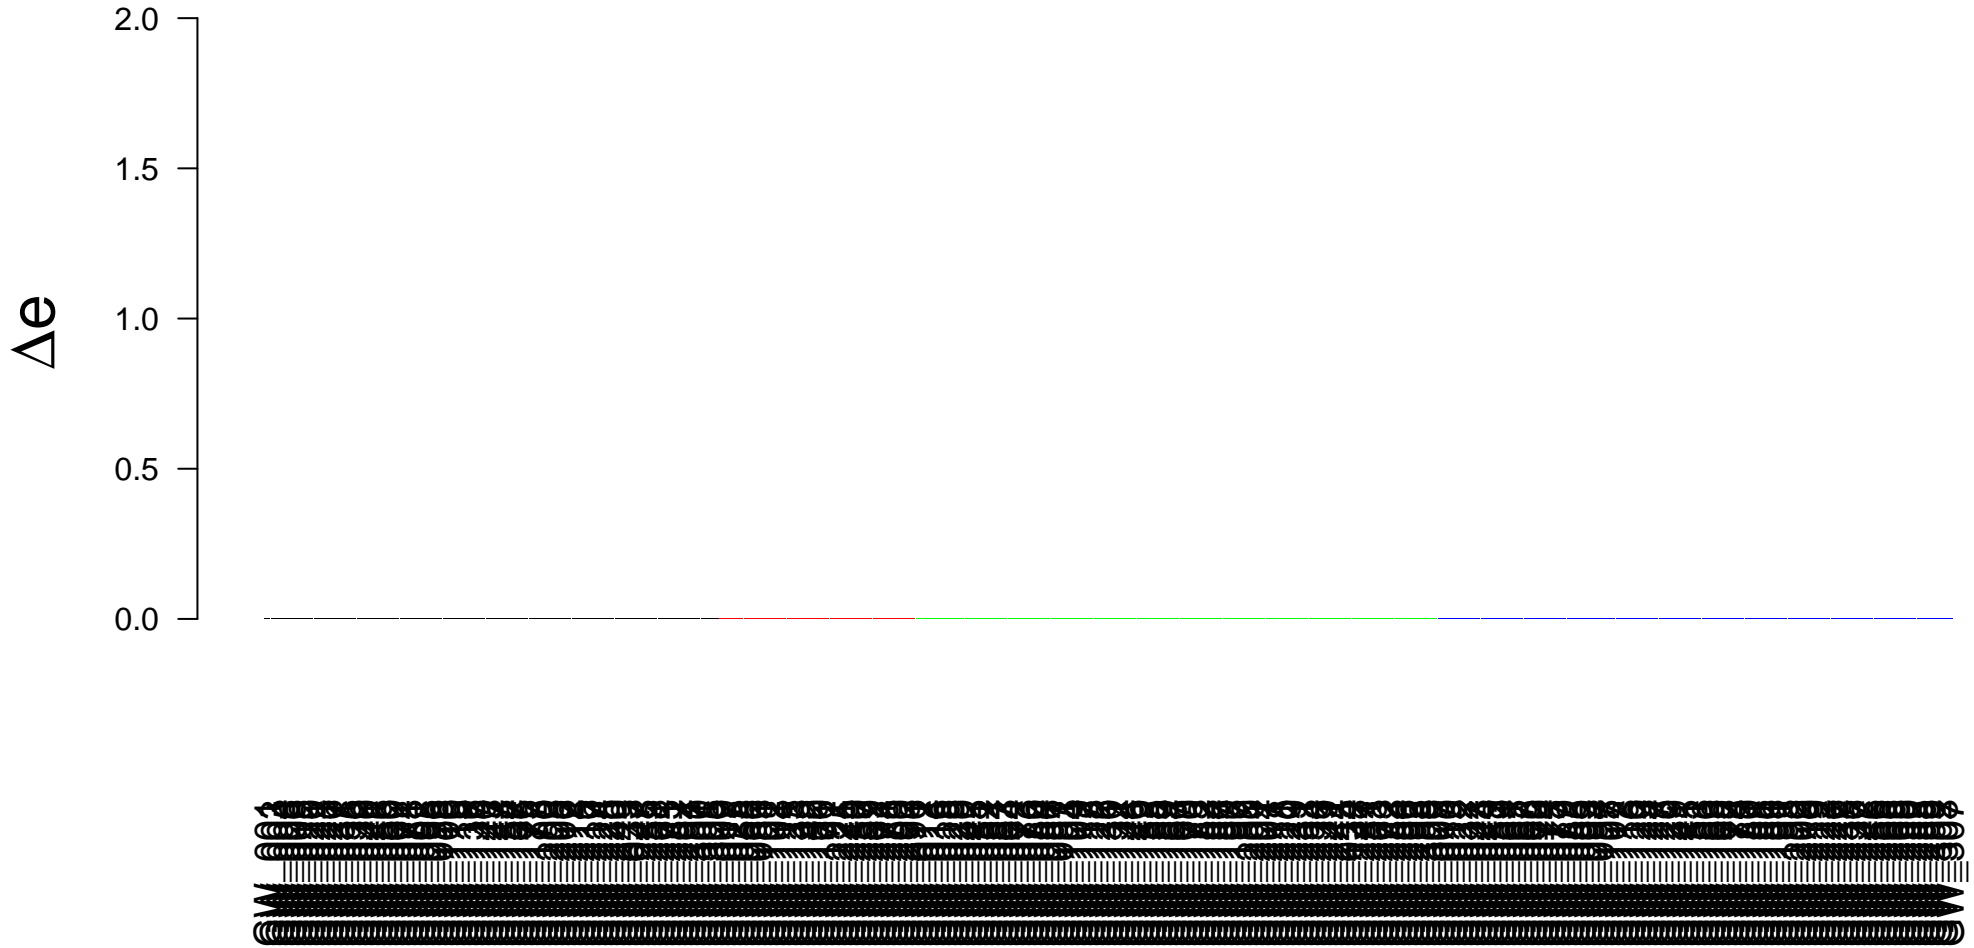

Expression of specific granule in Spot I

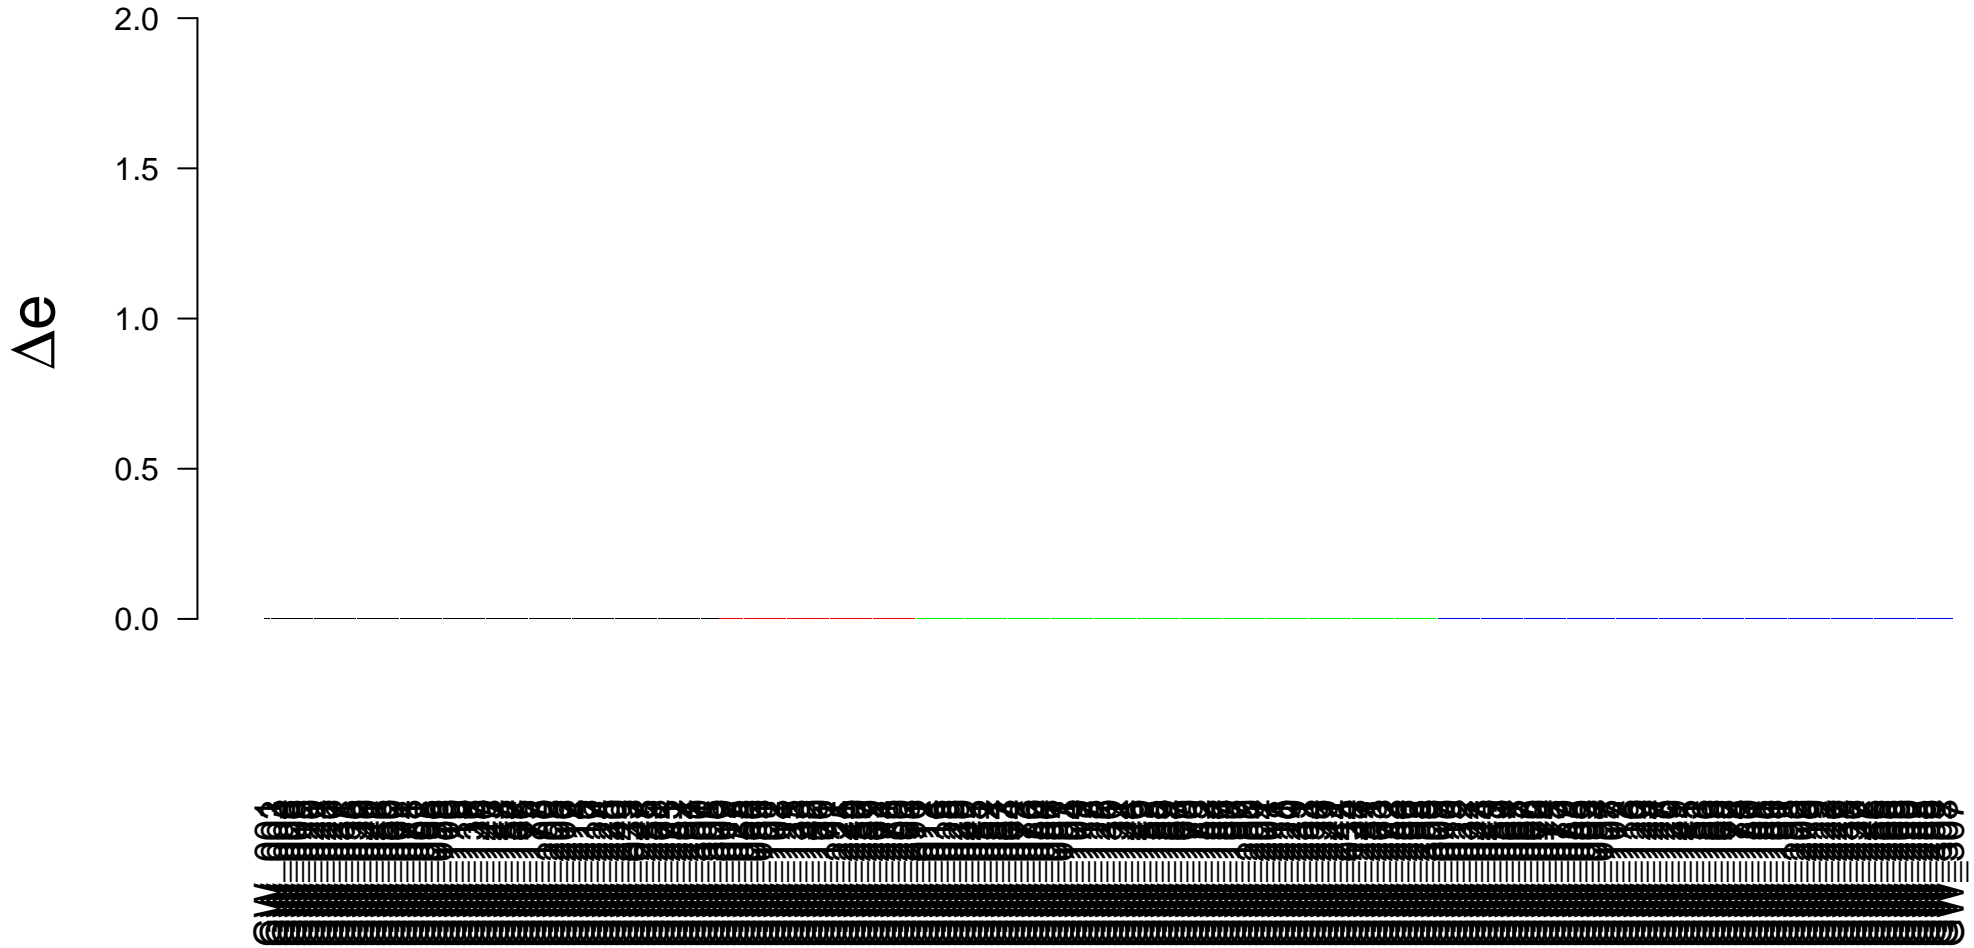

Expression of specific granule in Spot J

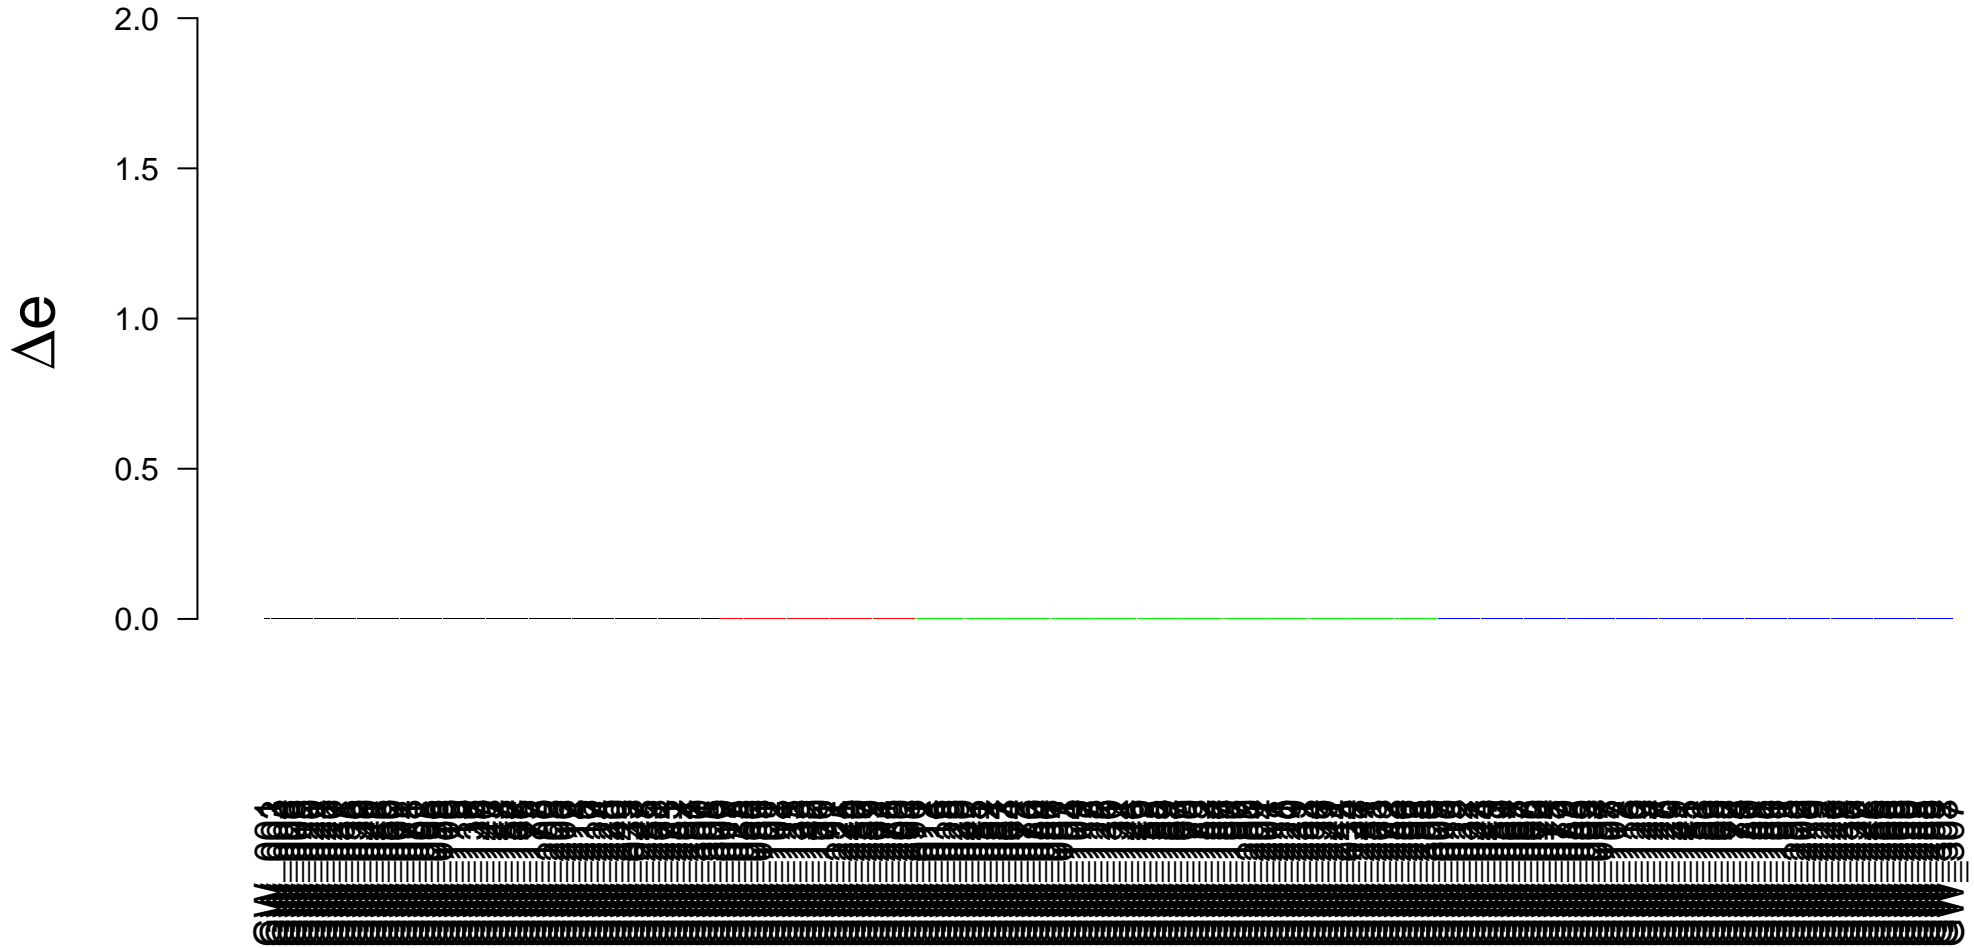

Expression of specific granule in Spot K

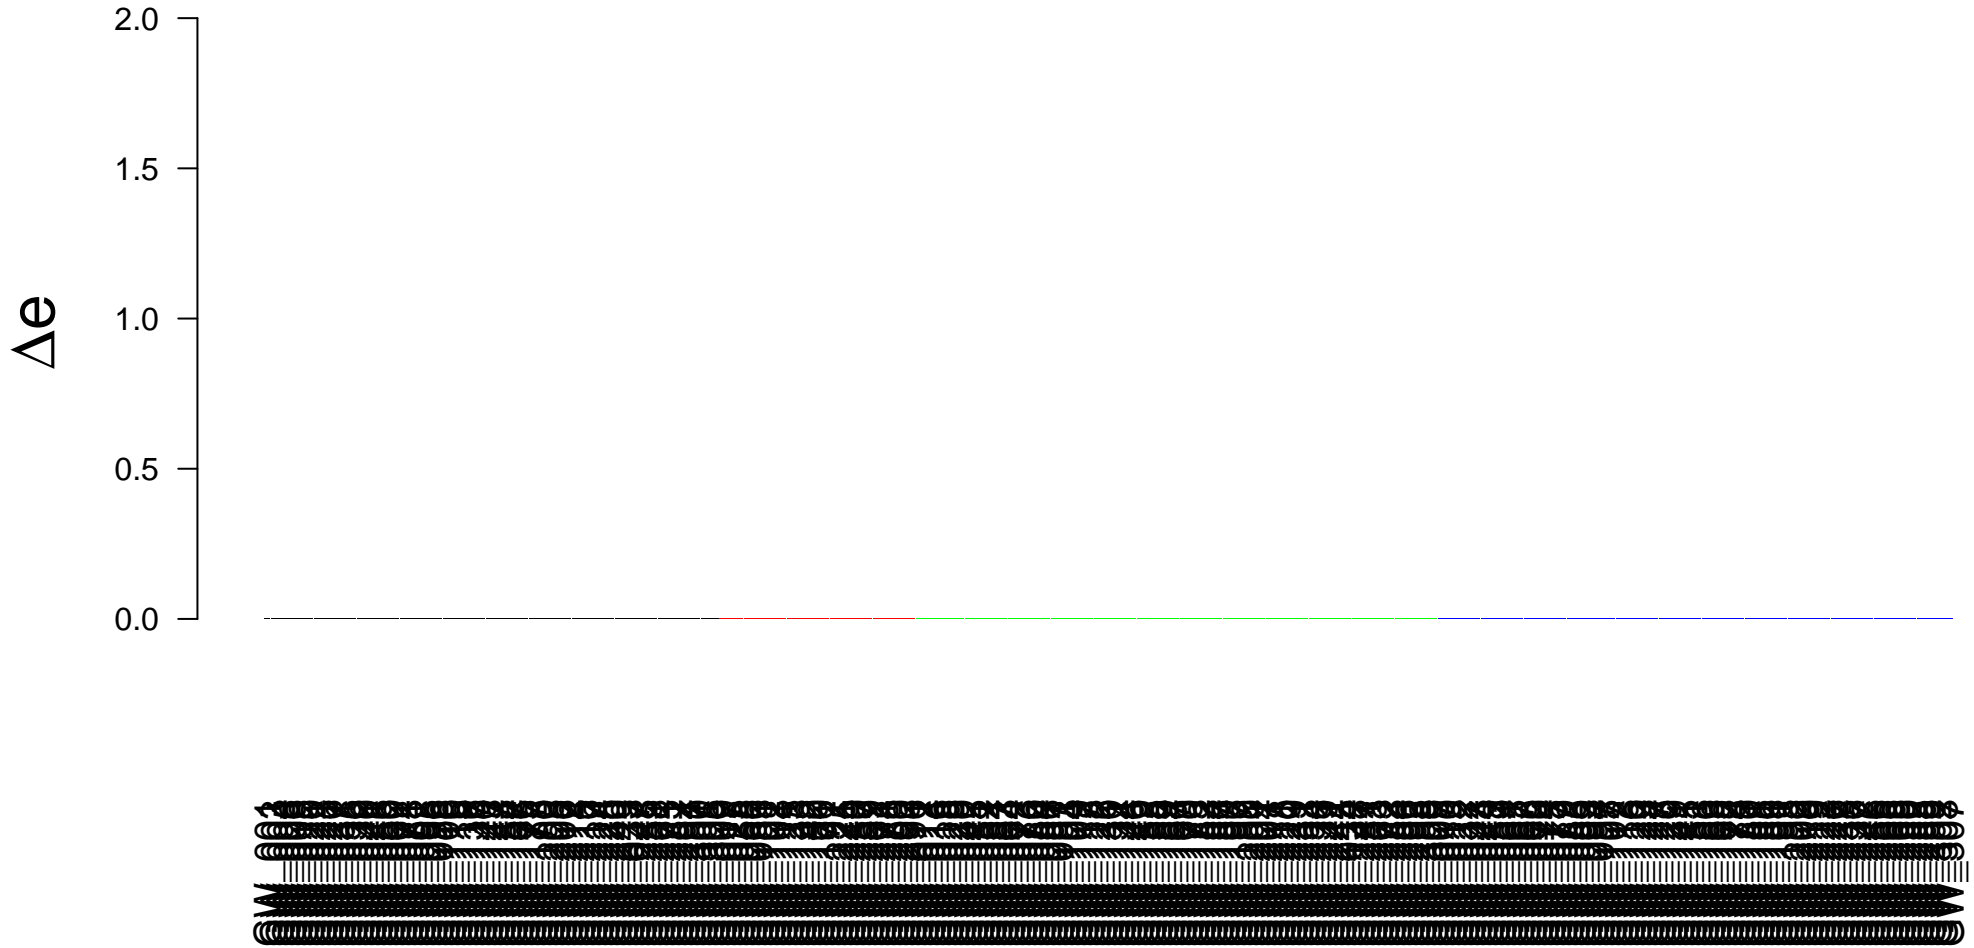

Expression of specific granule in Spot L

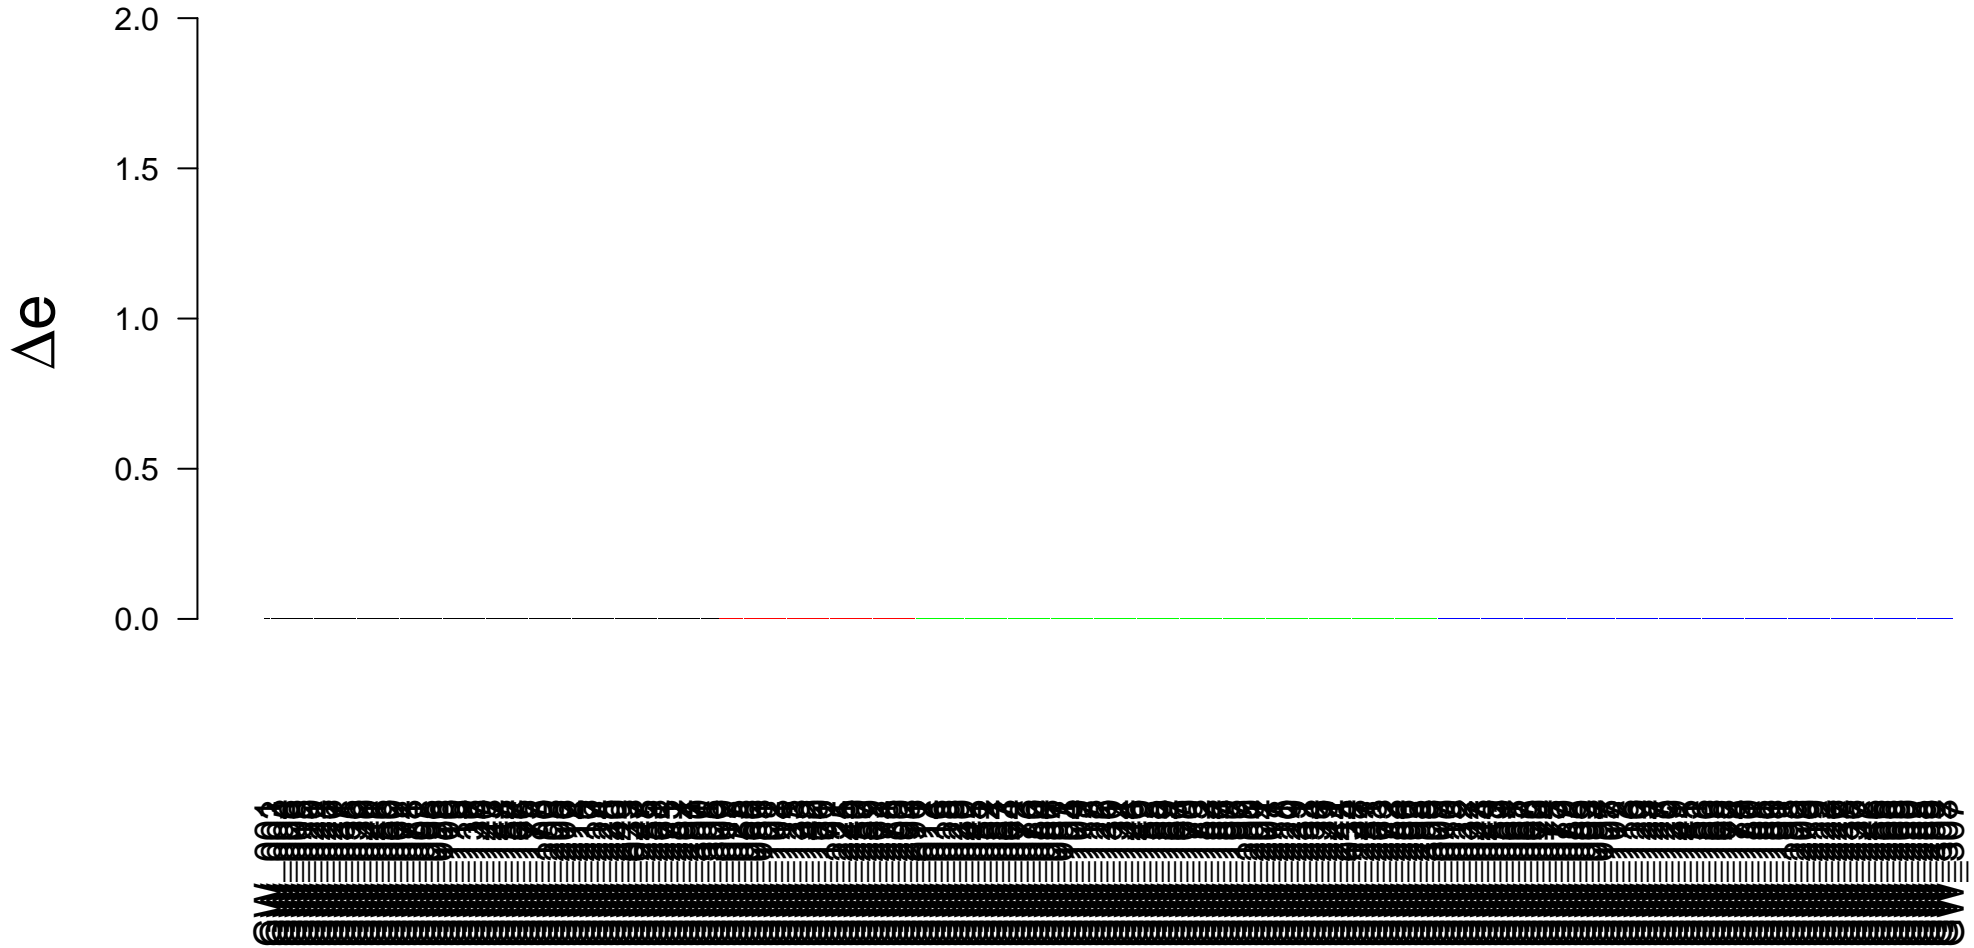

Expression of specific granule in Spot M

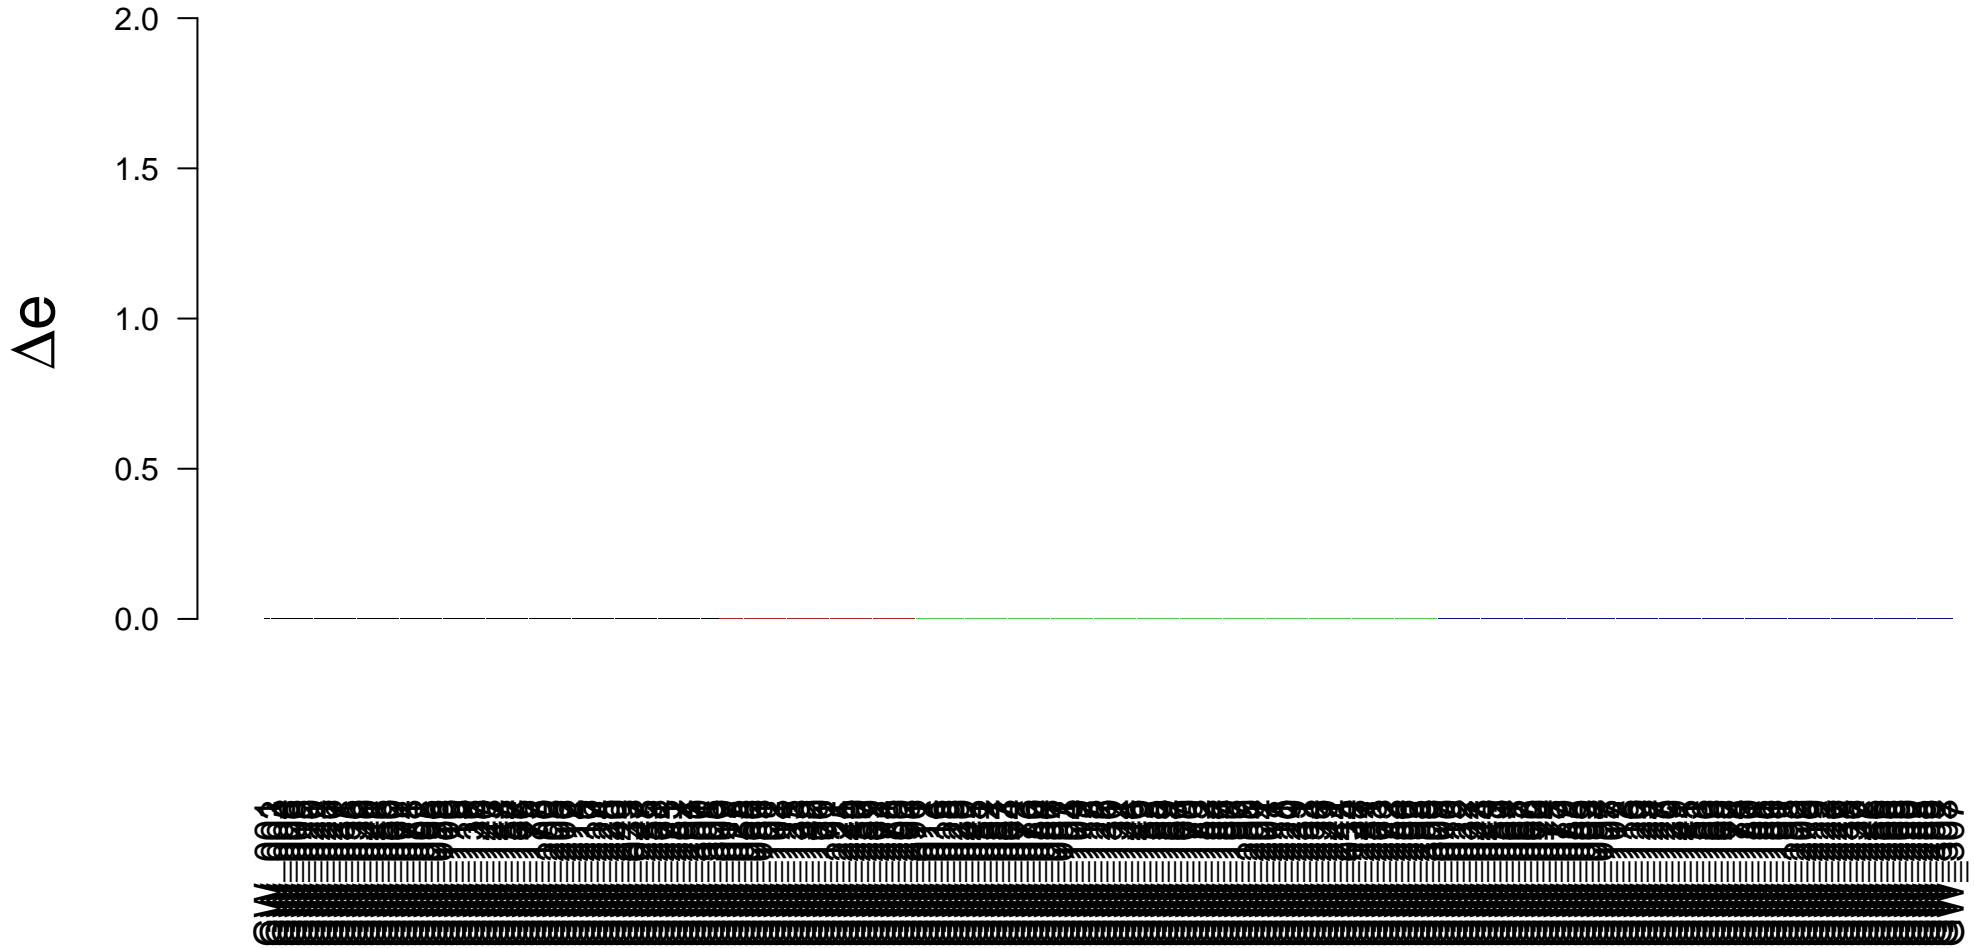

Expression of specific granule in Spot N

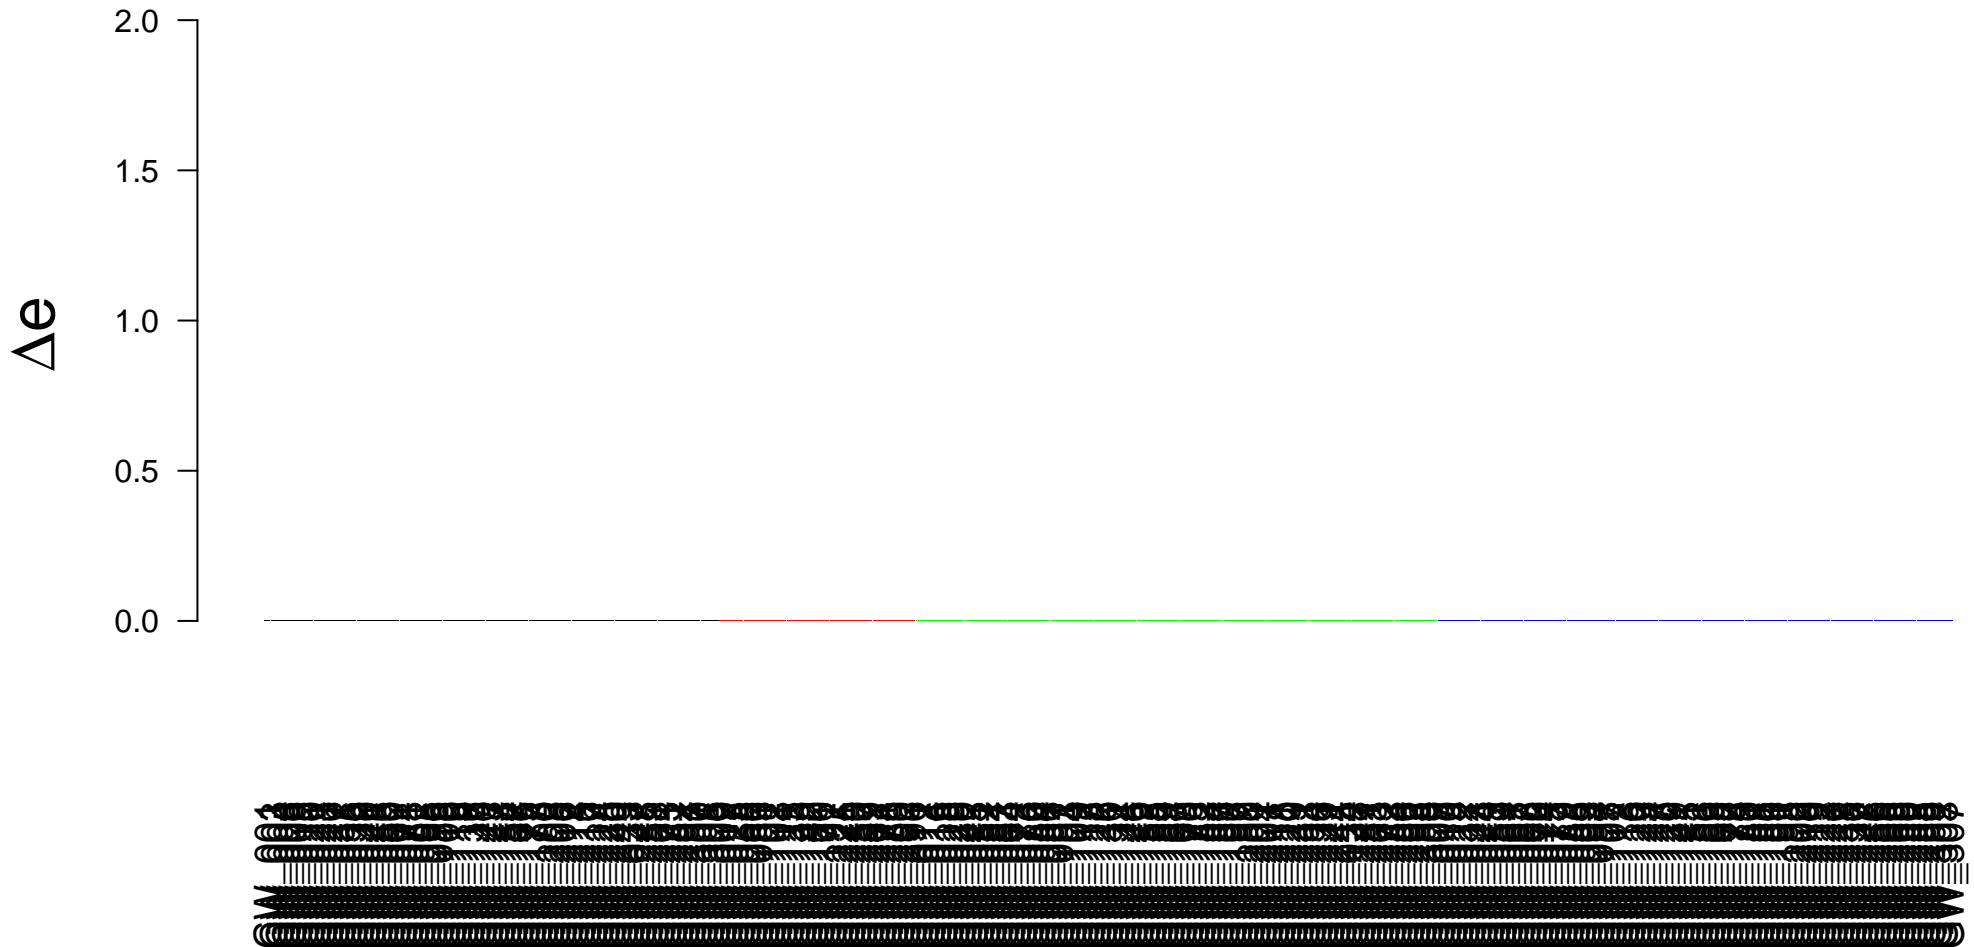

Expression of specific granule in Spot O

Expression of specific granule in Spot P

Expression of specific granule in Spot Q

Expression of specific granule in Spot R
