

spectrin binding

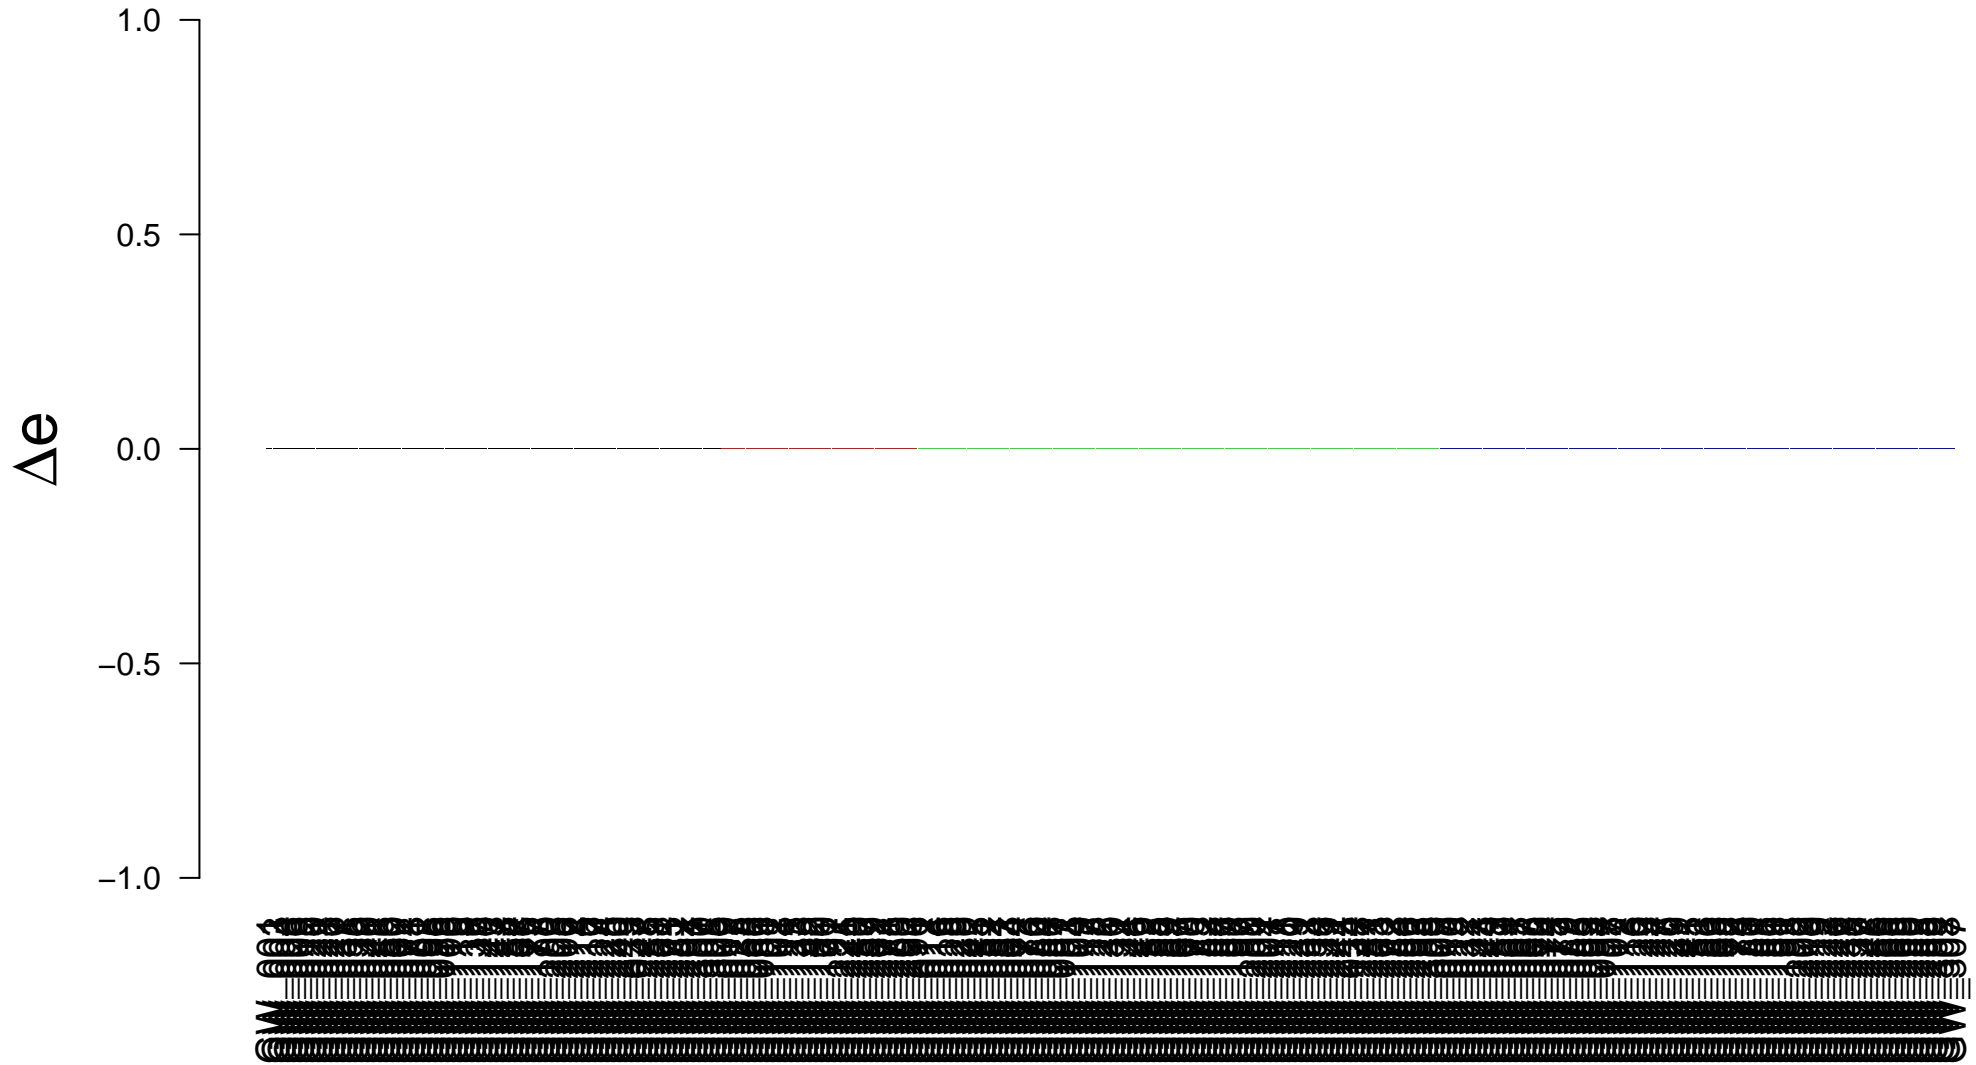

spectrin binding

Enrichment in spots: spectrin binding

Expression of spectrin binding in Spot A

Expression of spectrin binding in Spot B

Expression of spectrin binding in Spot C

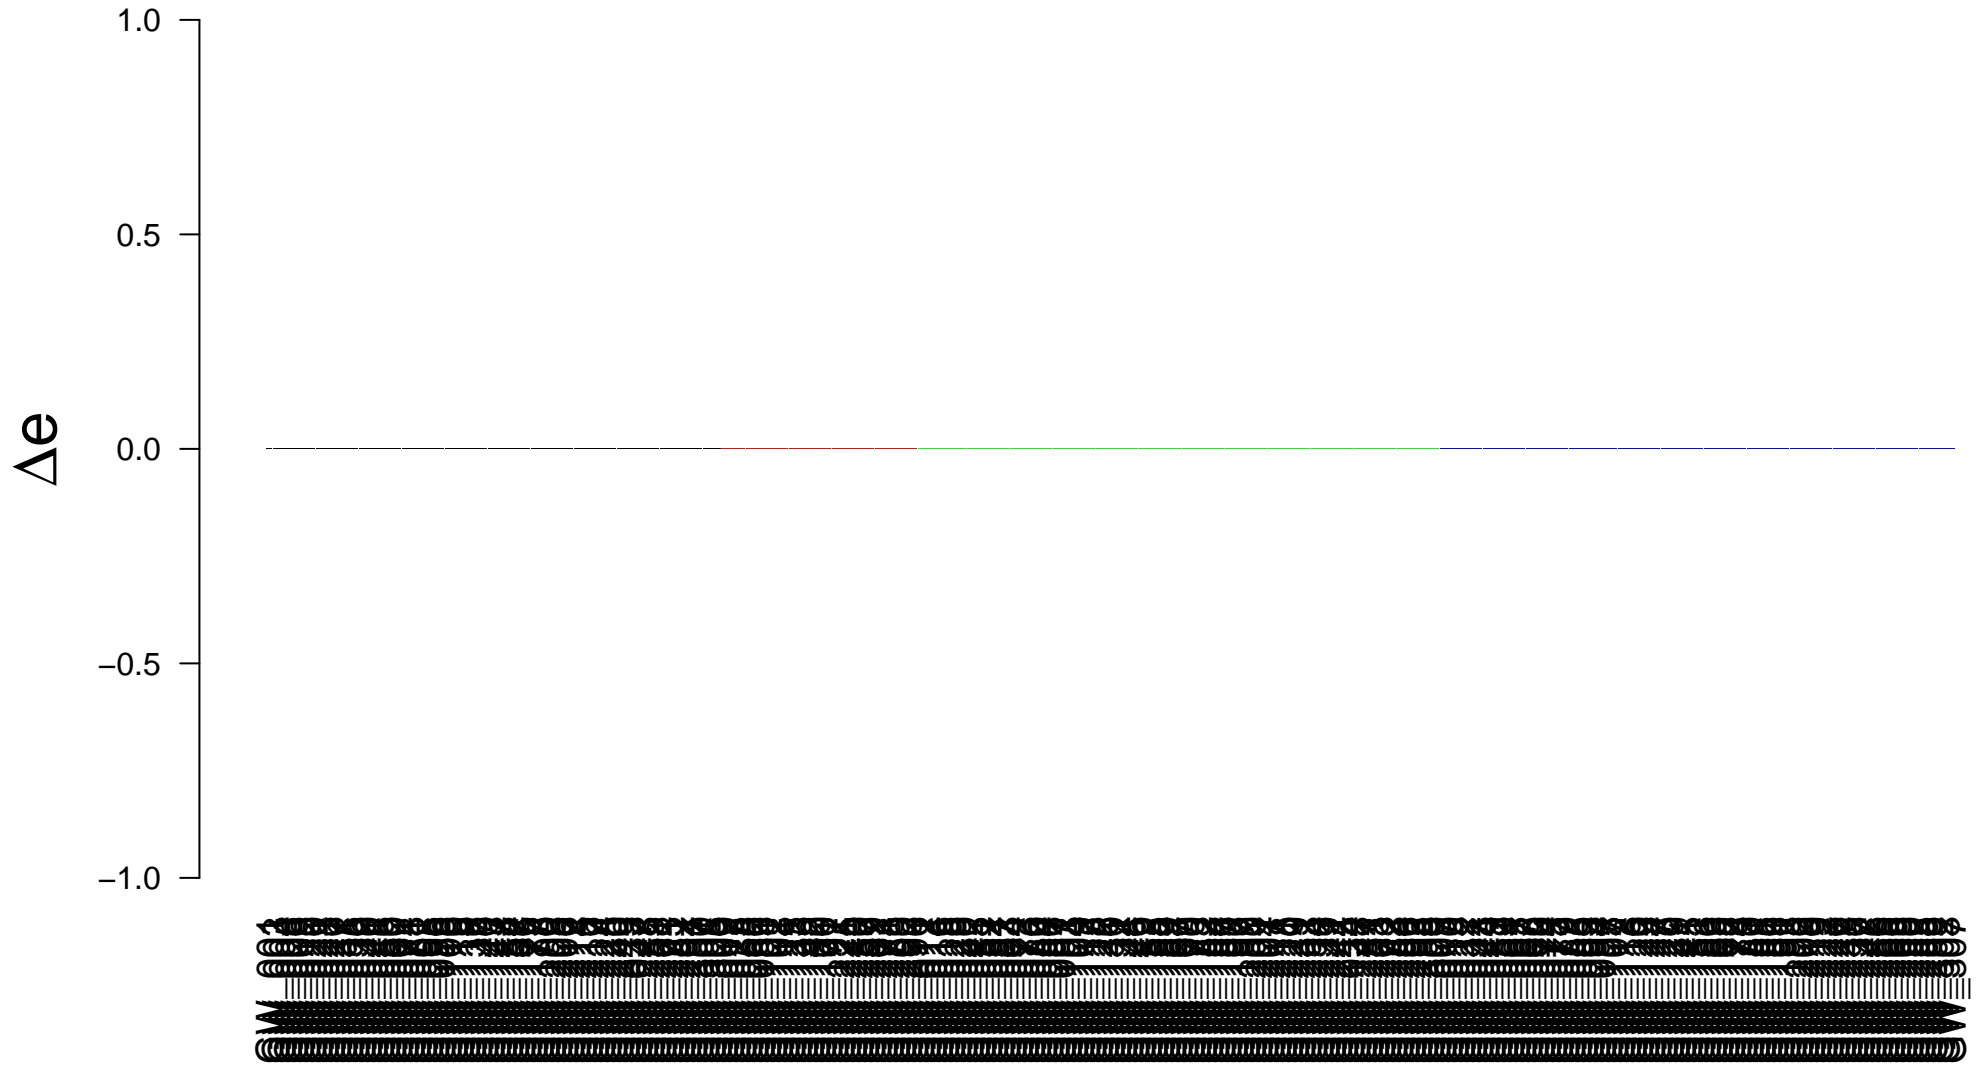

Expression of spectrin binding in Spot D

Expression of spectrin binding in Spot E

Expression of spectrin binding in Spot F

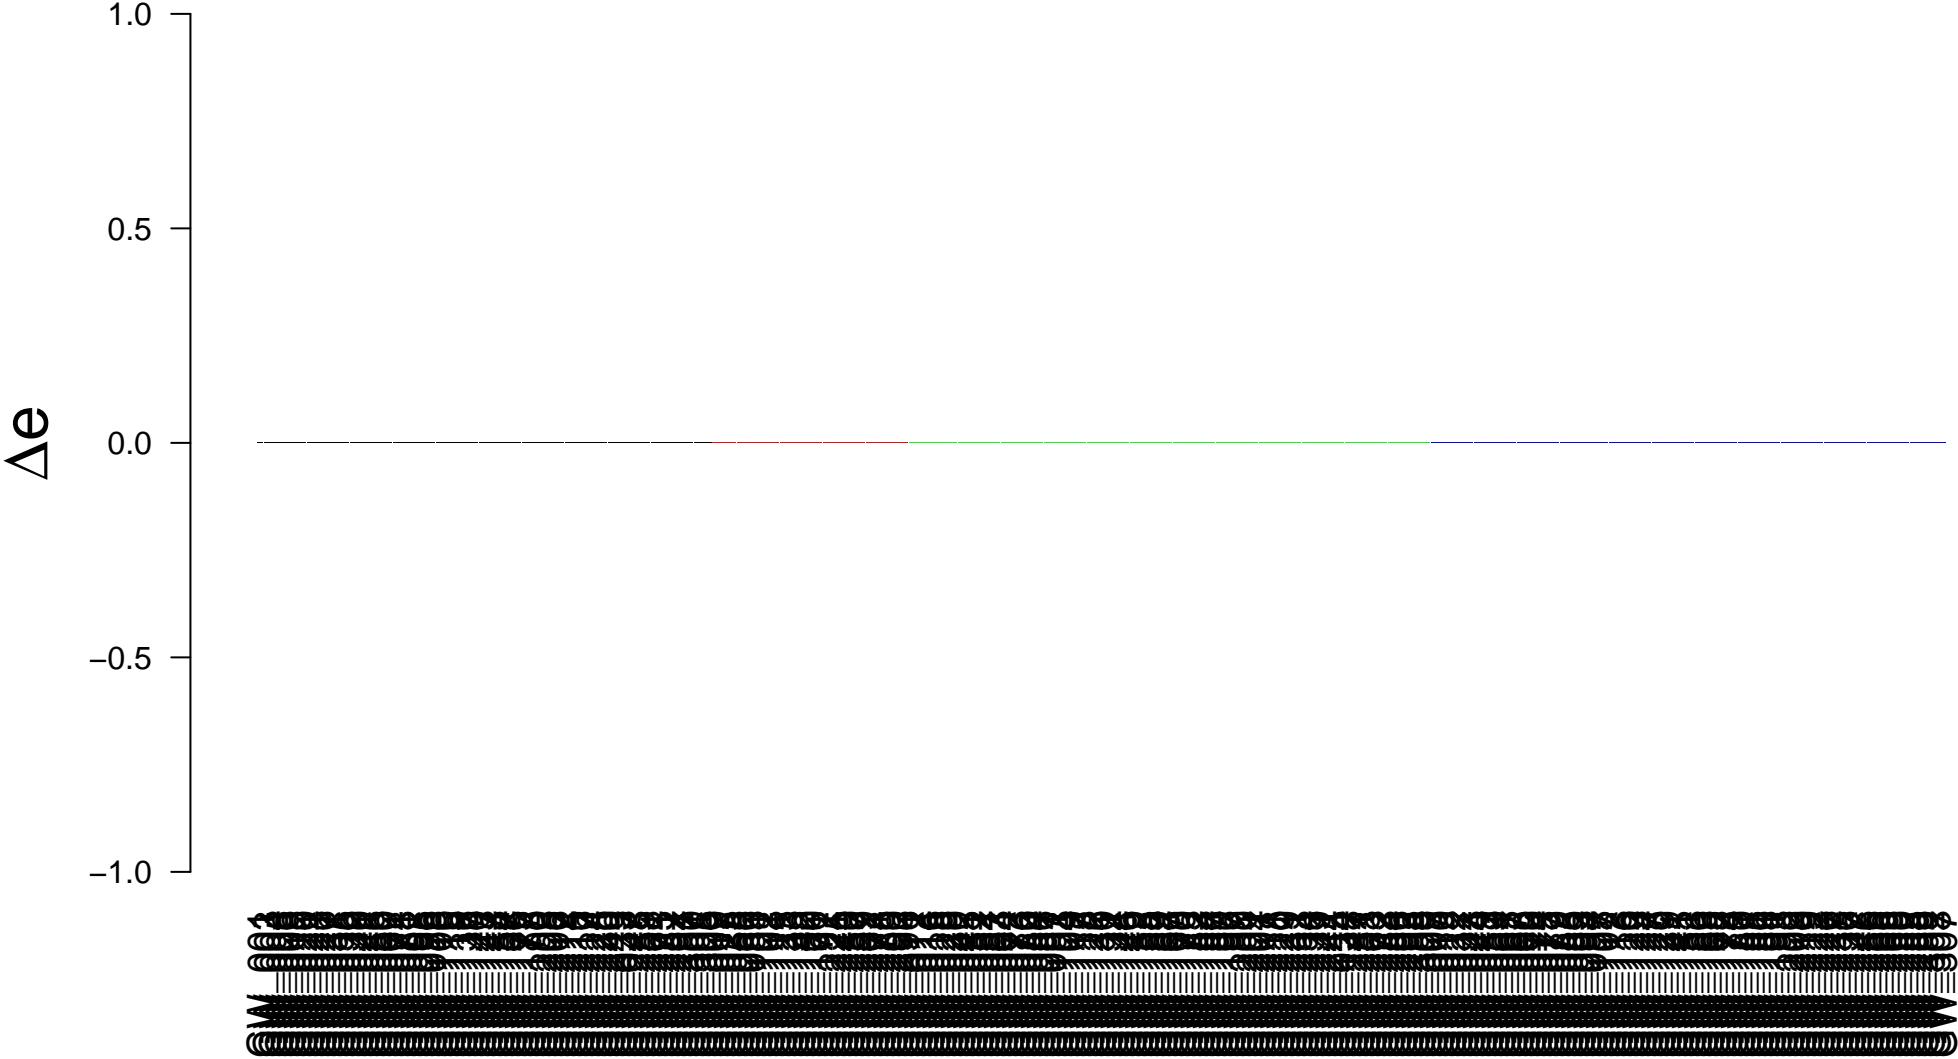

Expression of spectrin binding in Spot G

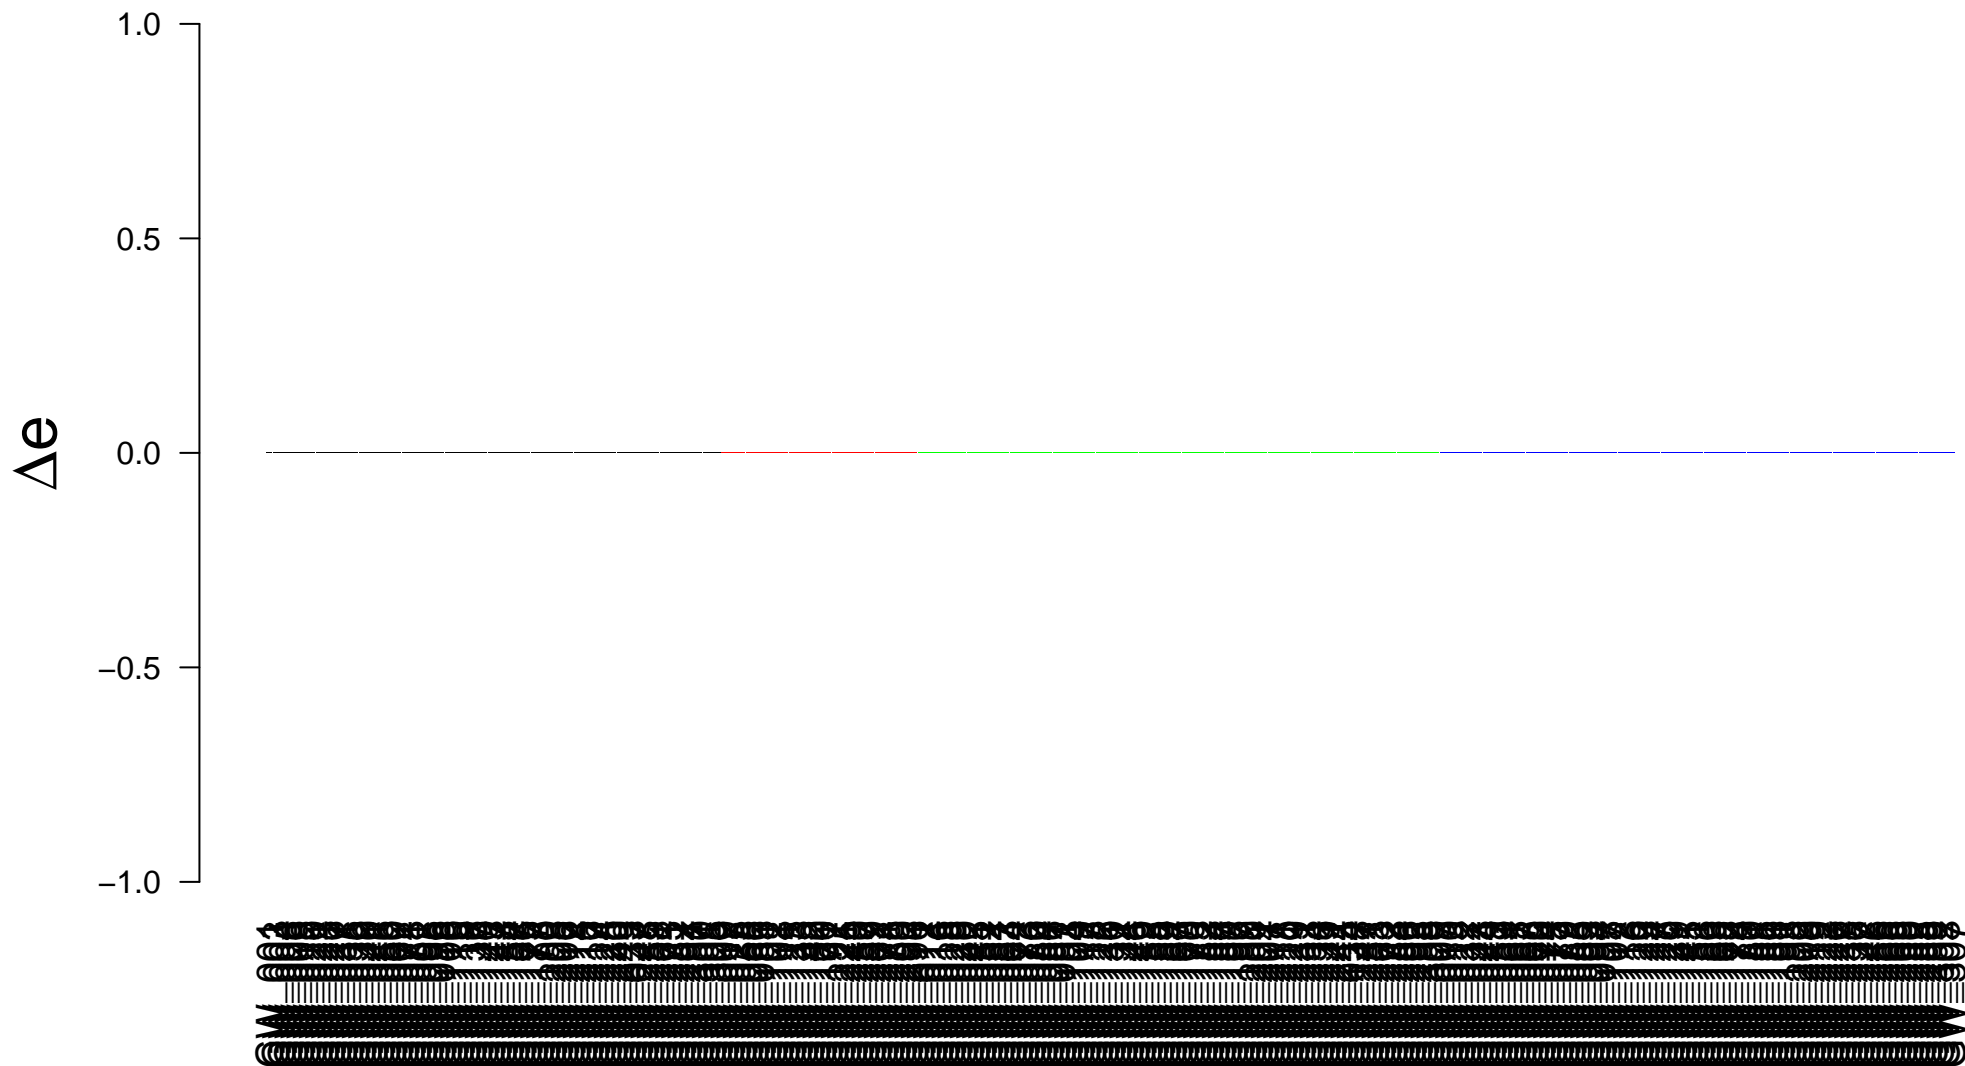

Expression of spectrin binding in Spot H

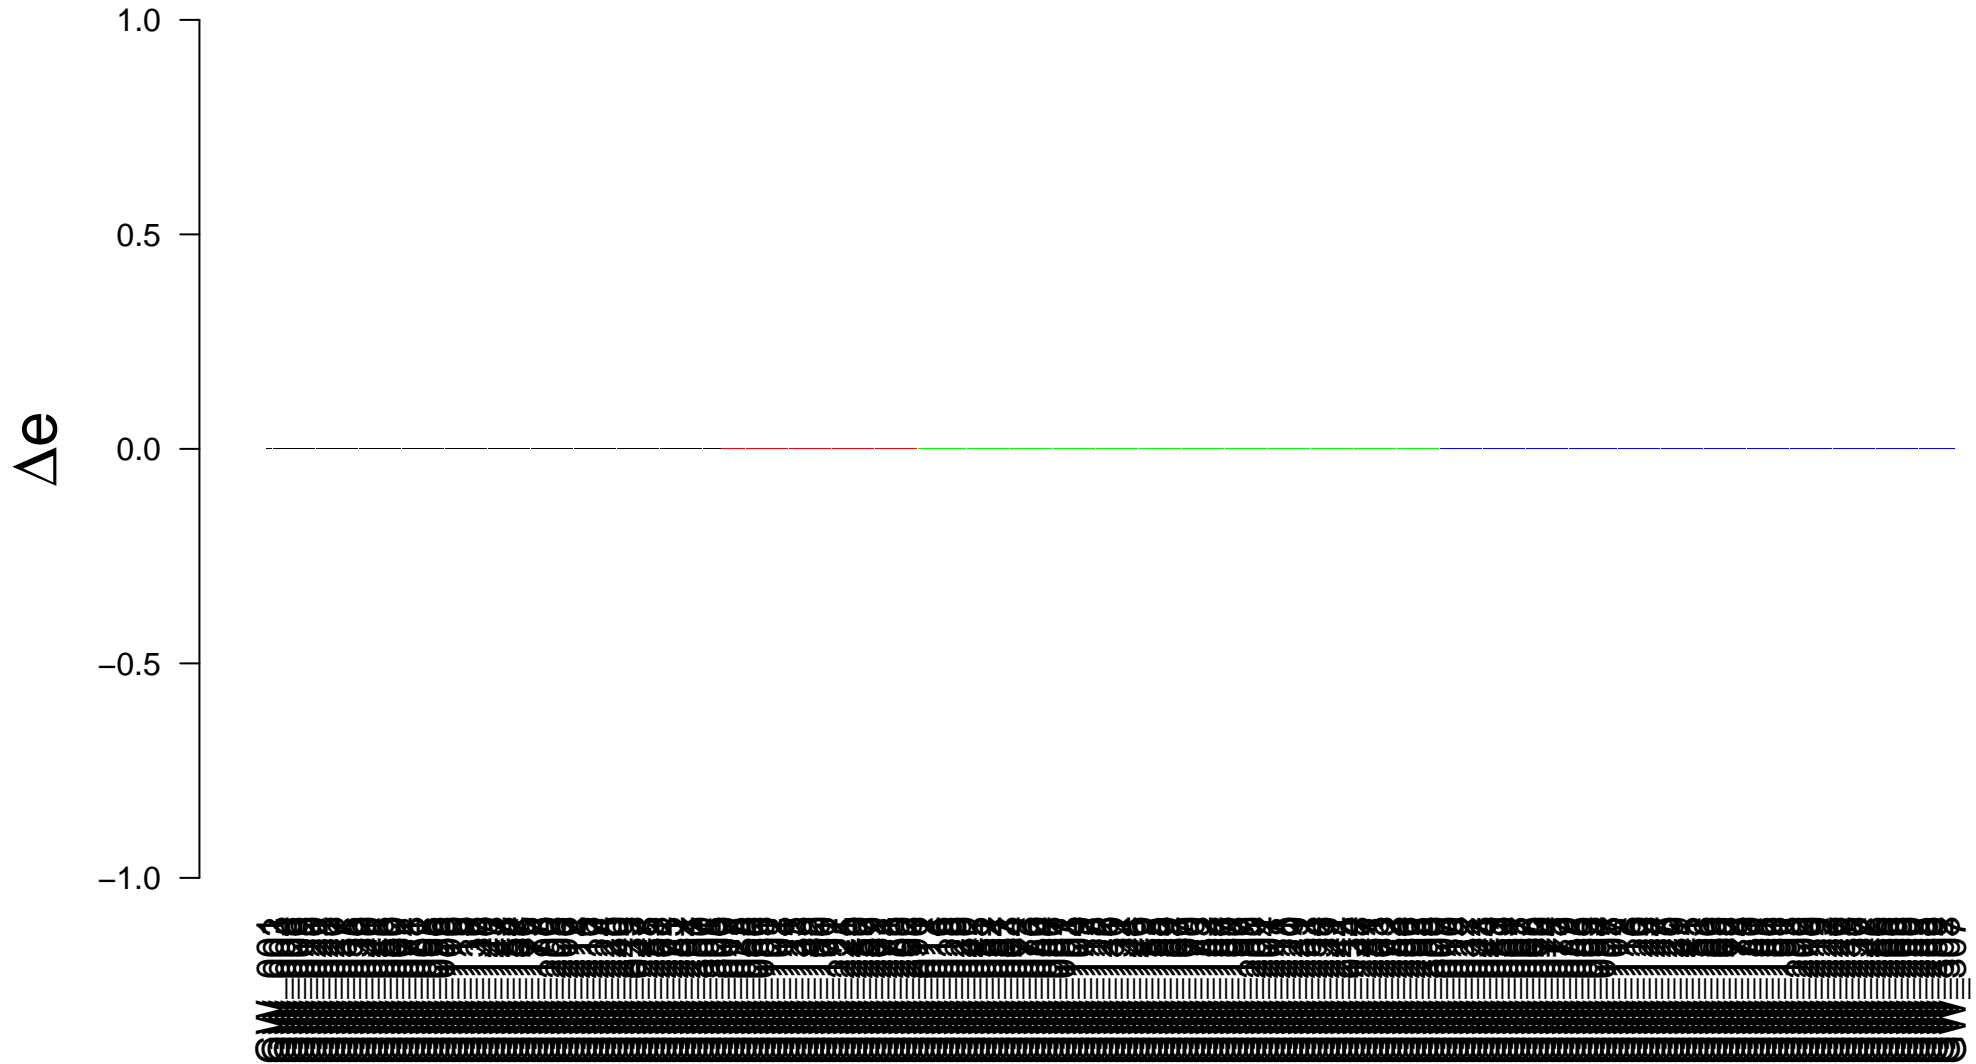

Expression of spectrin binding in Spot I

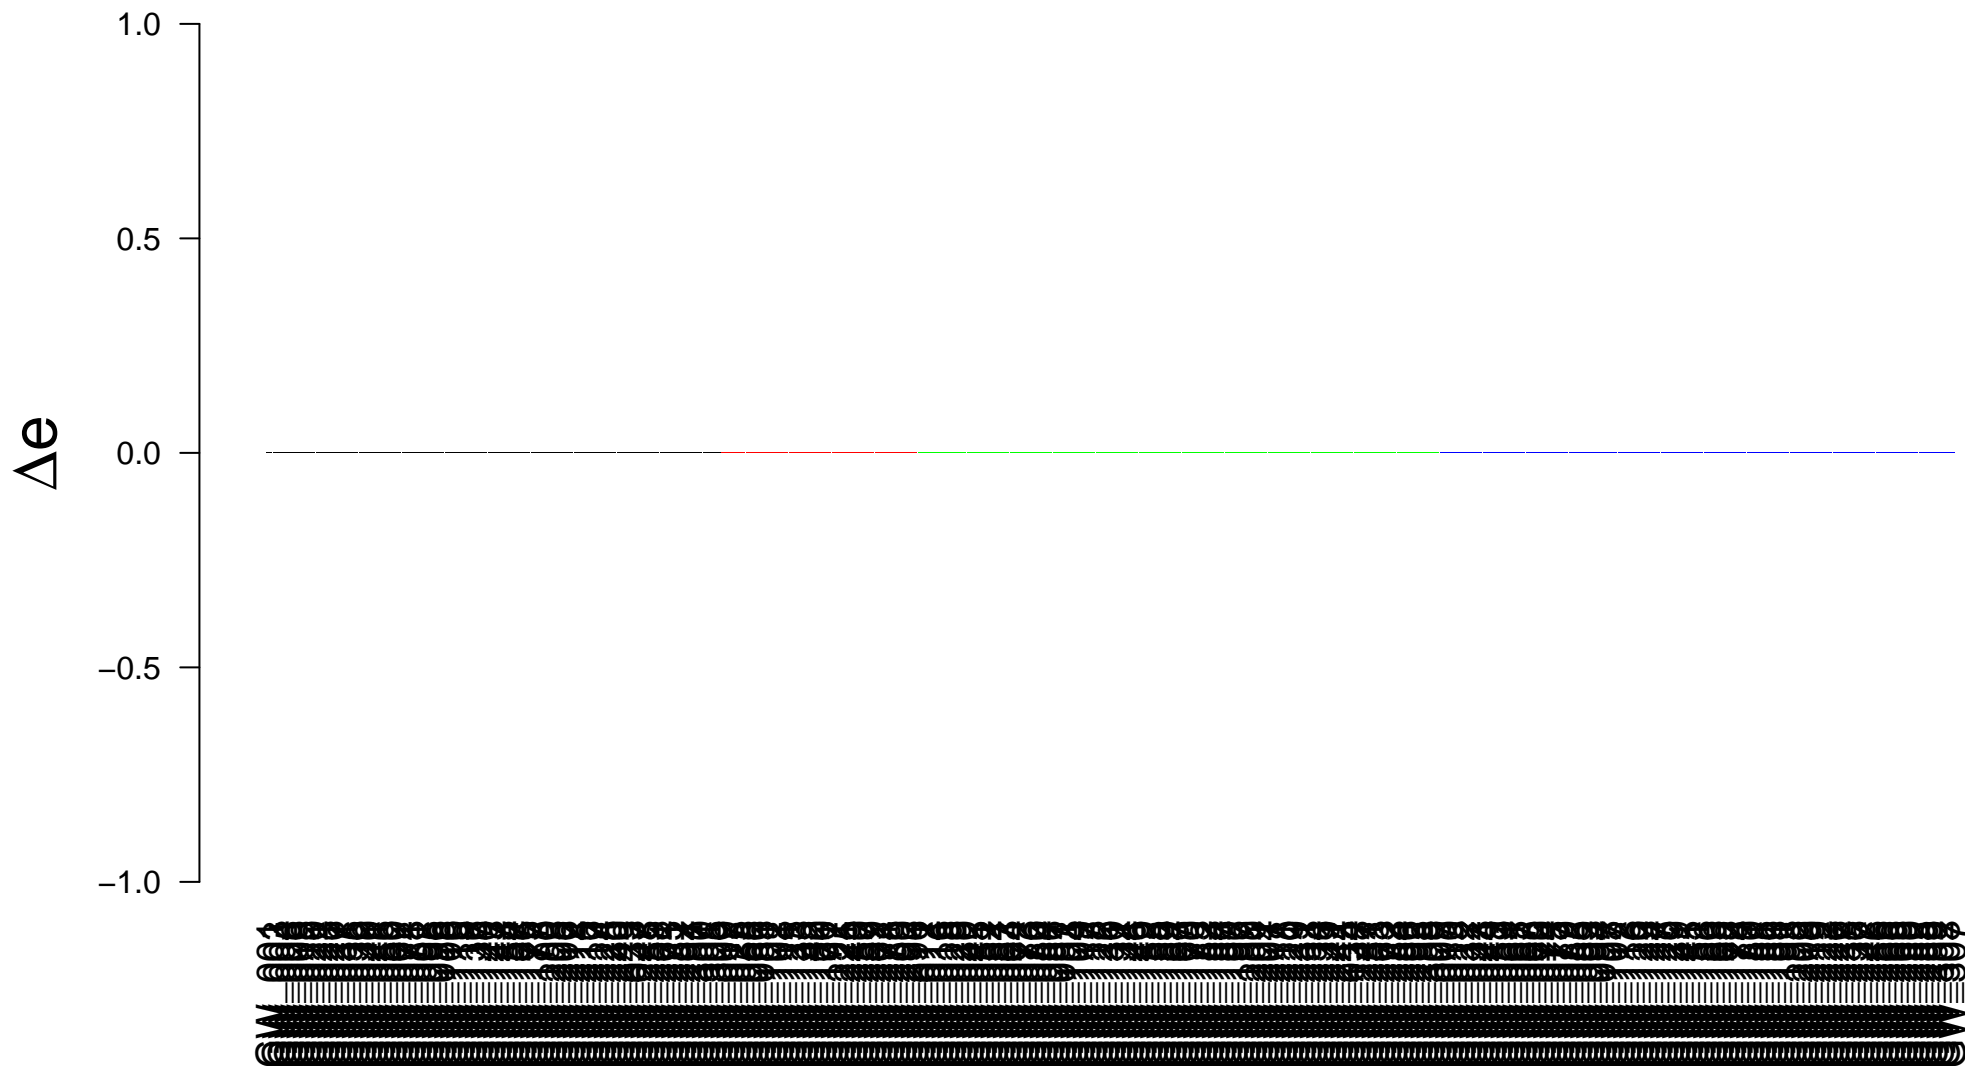

Expression of spectrin binding in Spot J

Expression of spectrin binding in Spot K

Expression of spectrin binding in Spot L

Expression of spectrin binding in Spot M

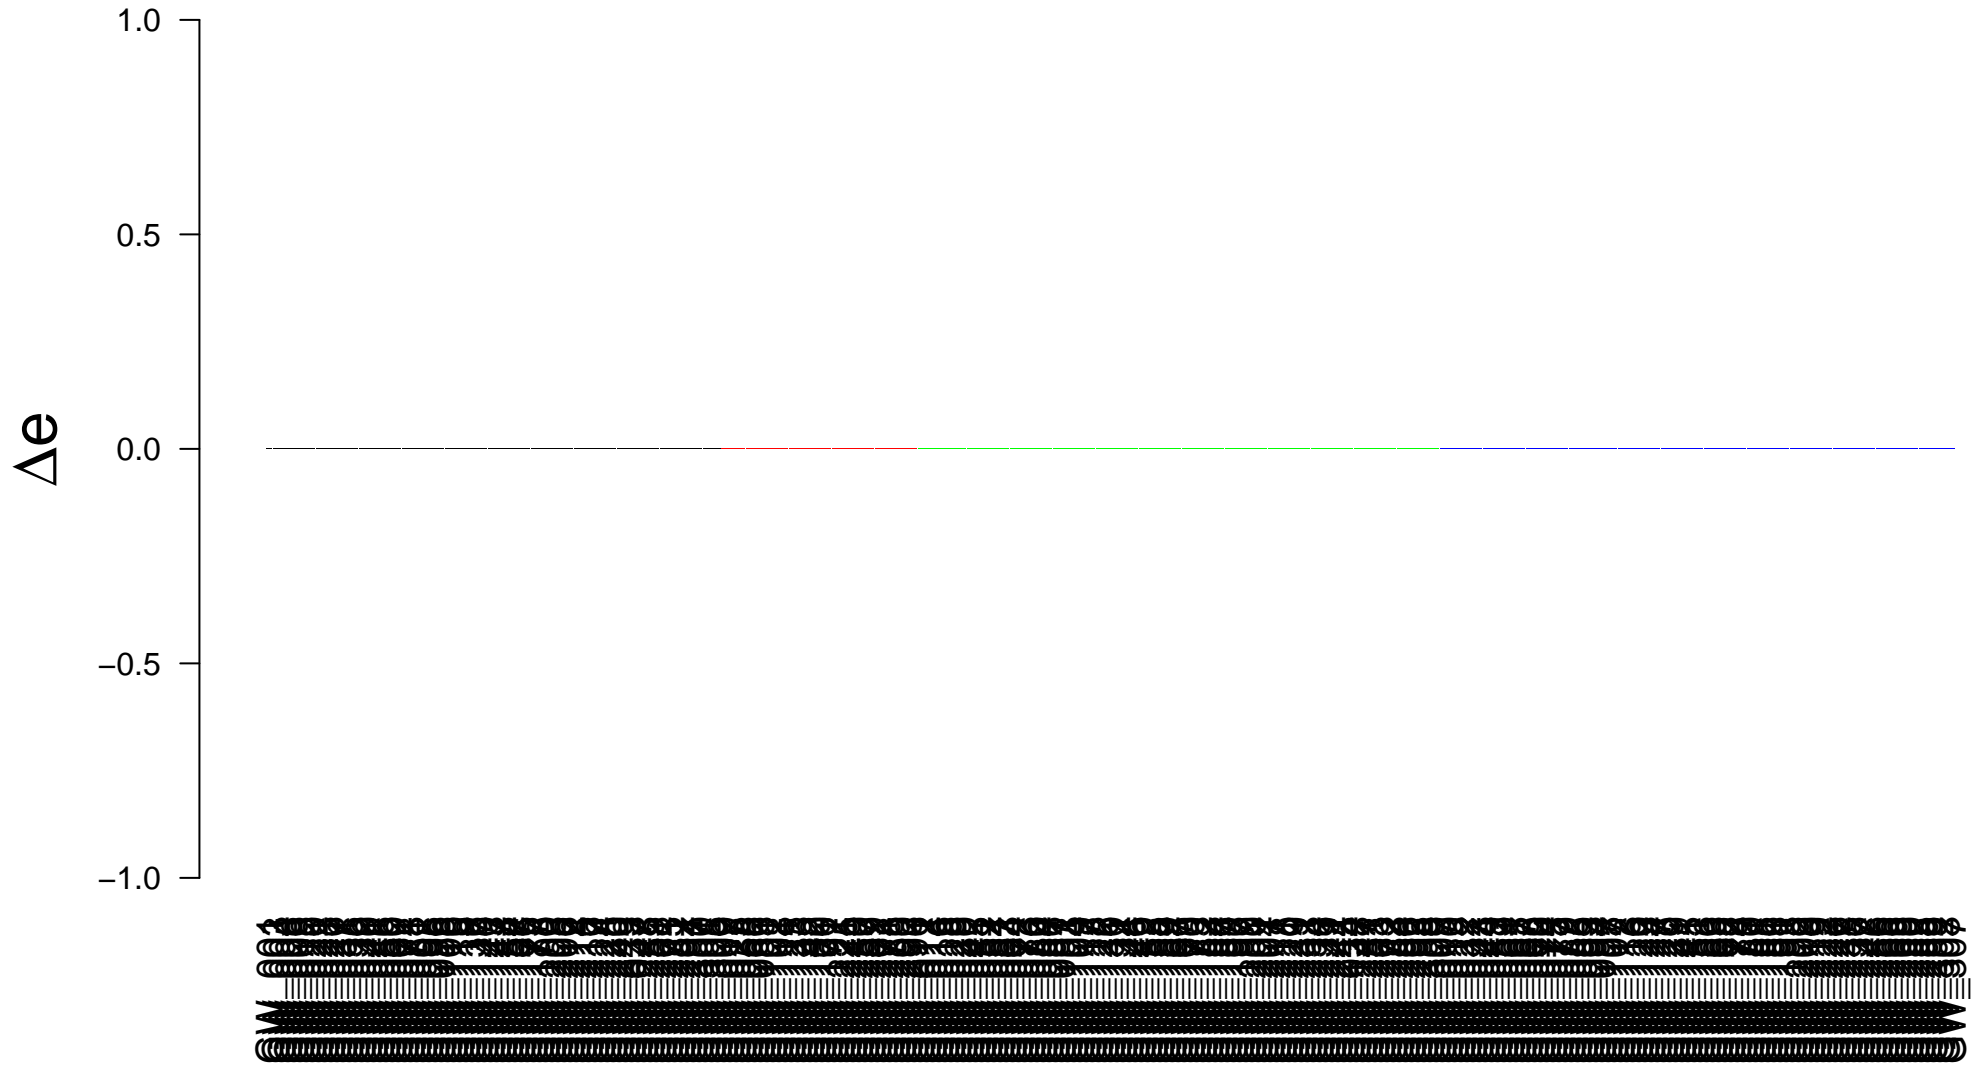

Expression of spectrin binding in Spot N

Expression of spectrin binding in Spot O

Expression of spectrin binding in Spot P

Expression of spectrin binding in Spot Q

Expression of spectrin binding in Spot R
