

spliceosomal complex assembly

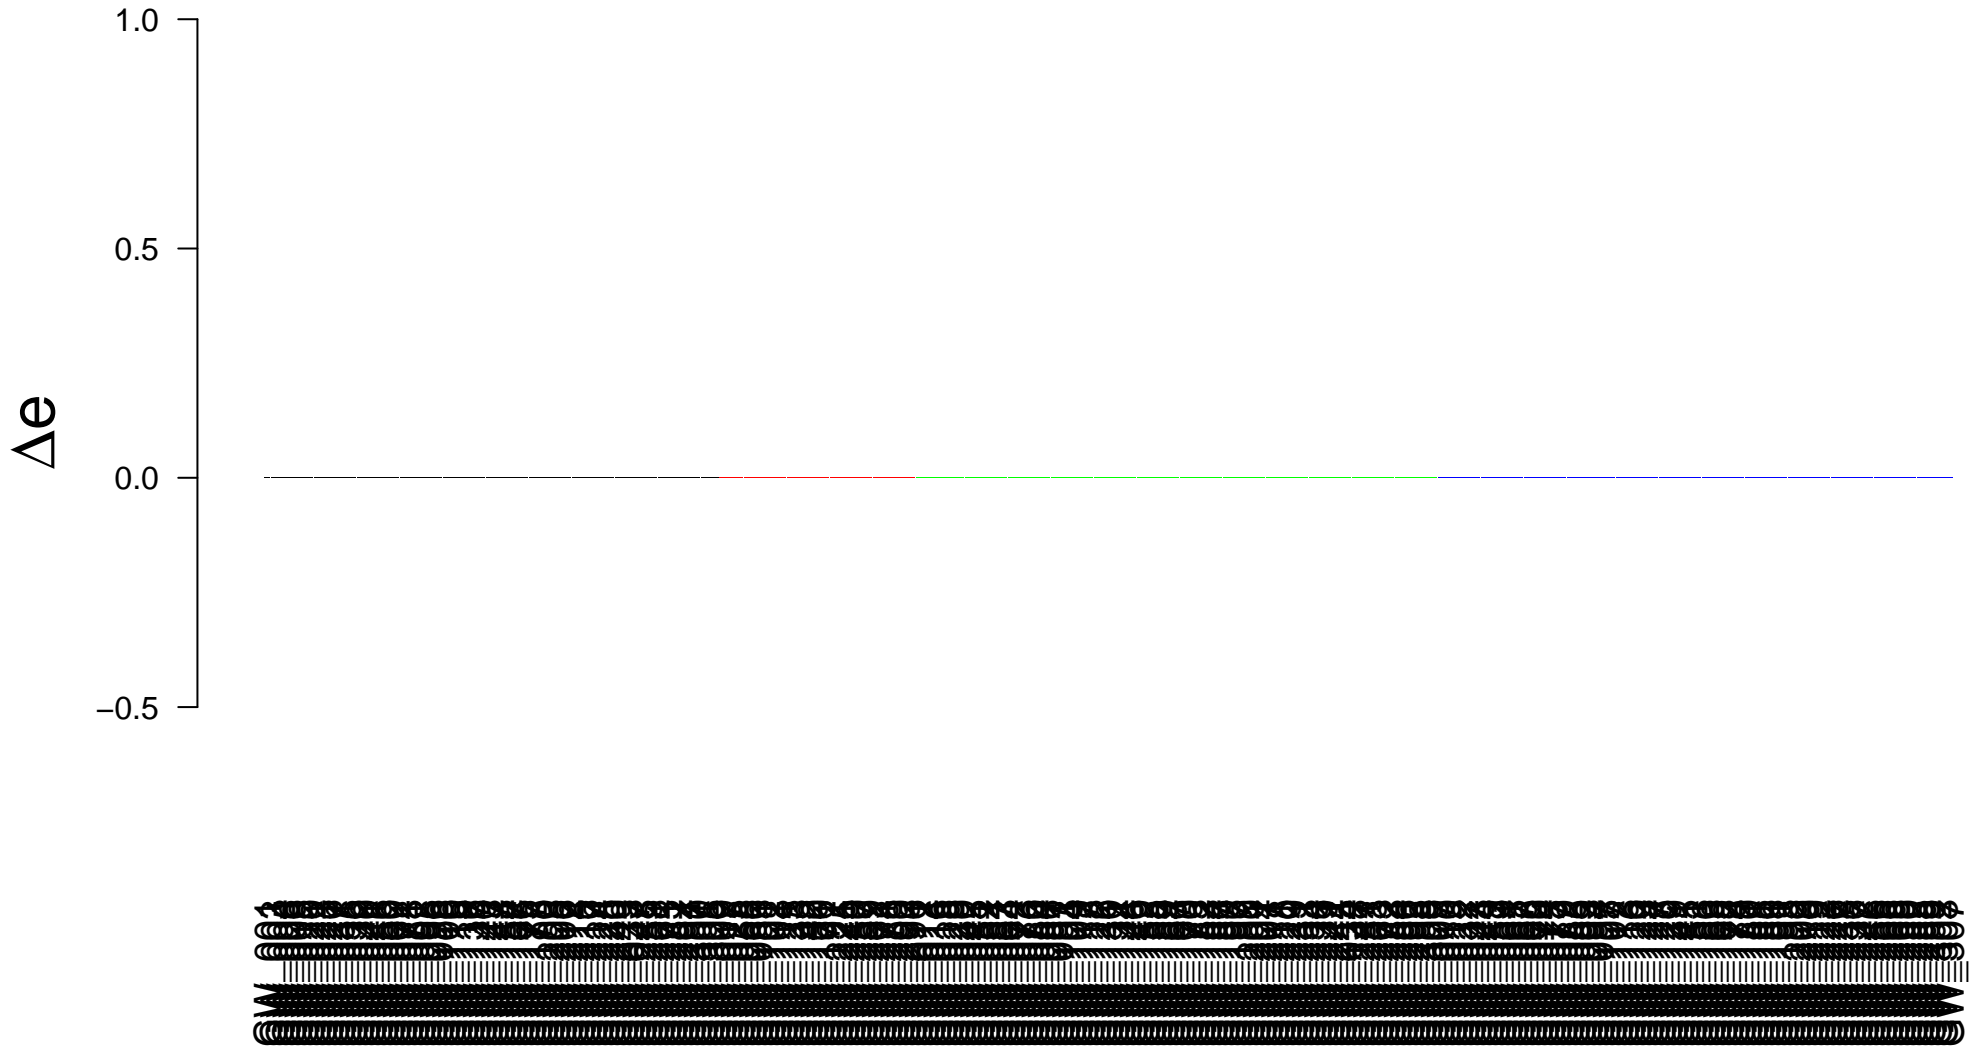

spliceosomal complex assembly

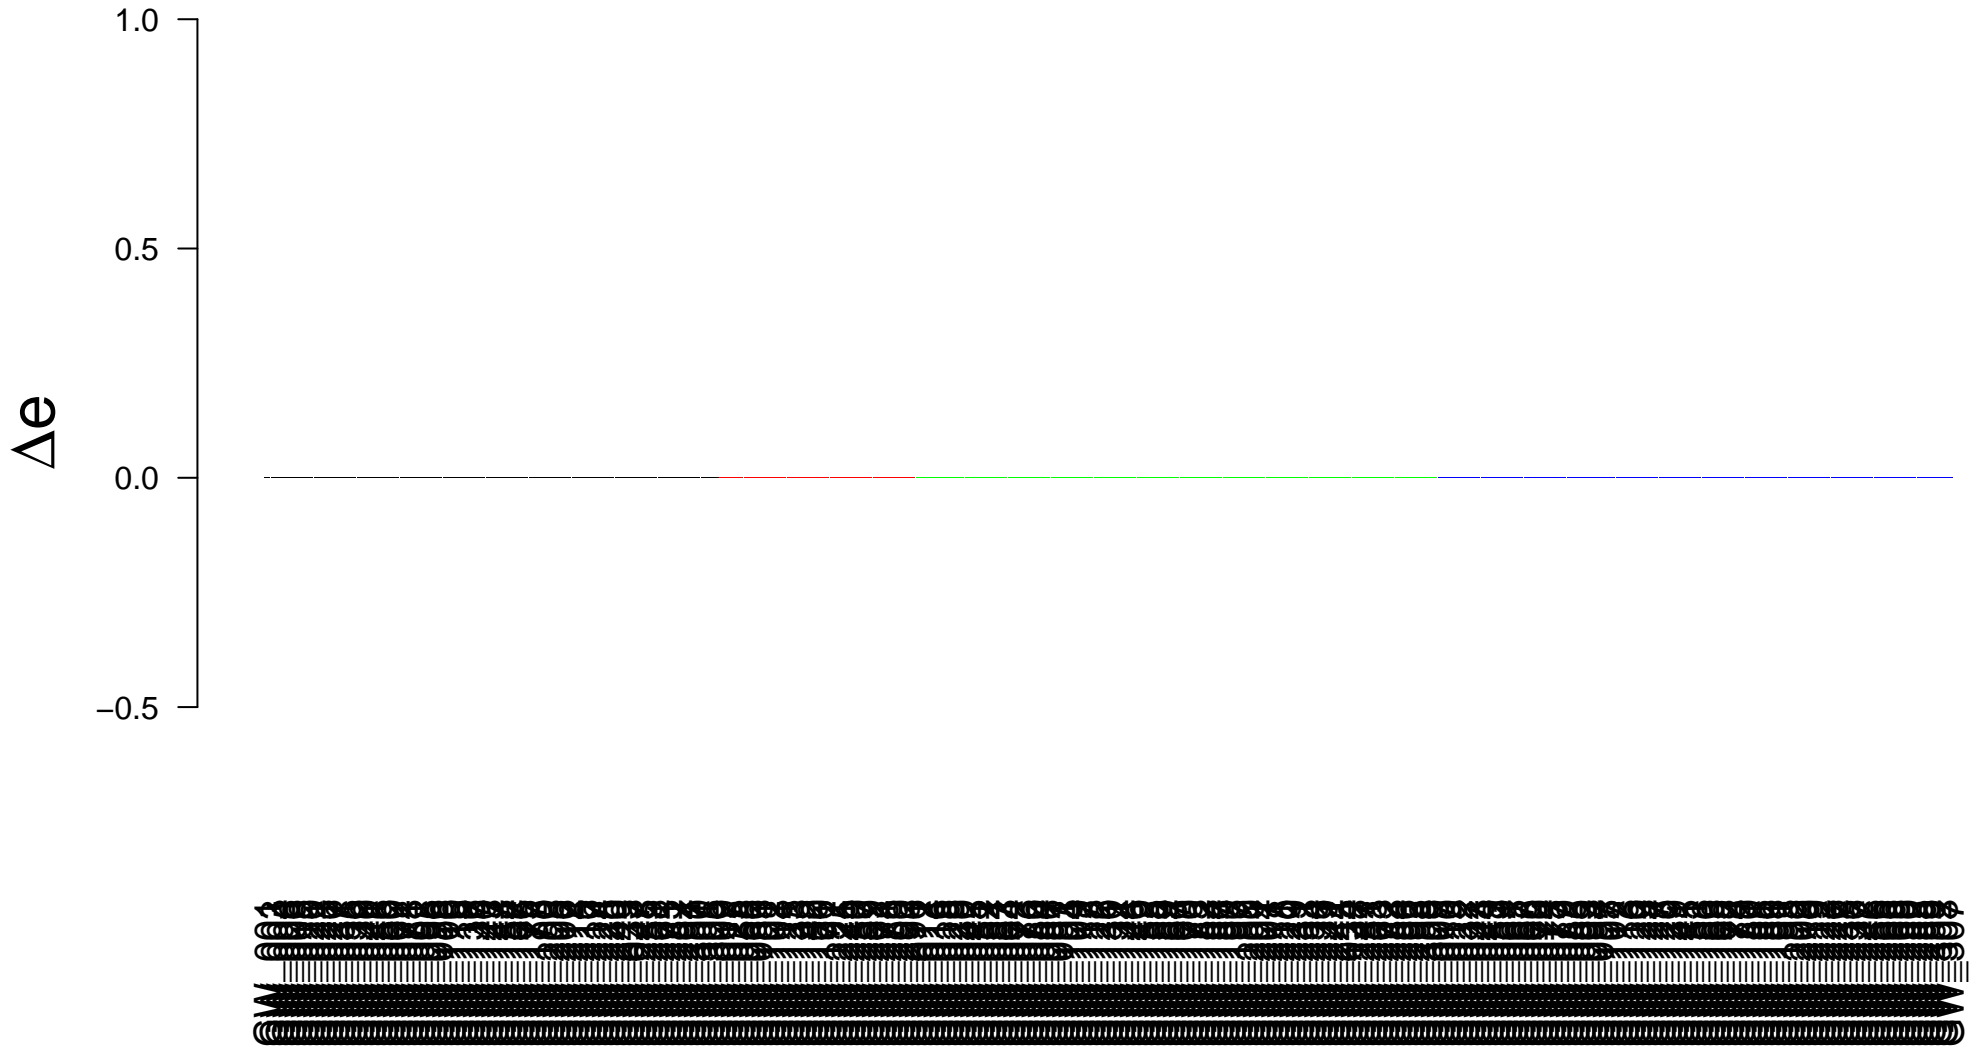

Enrichment in spots: spliceosomal complex assembly

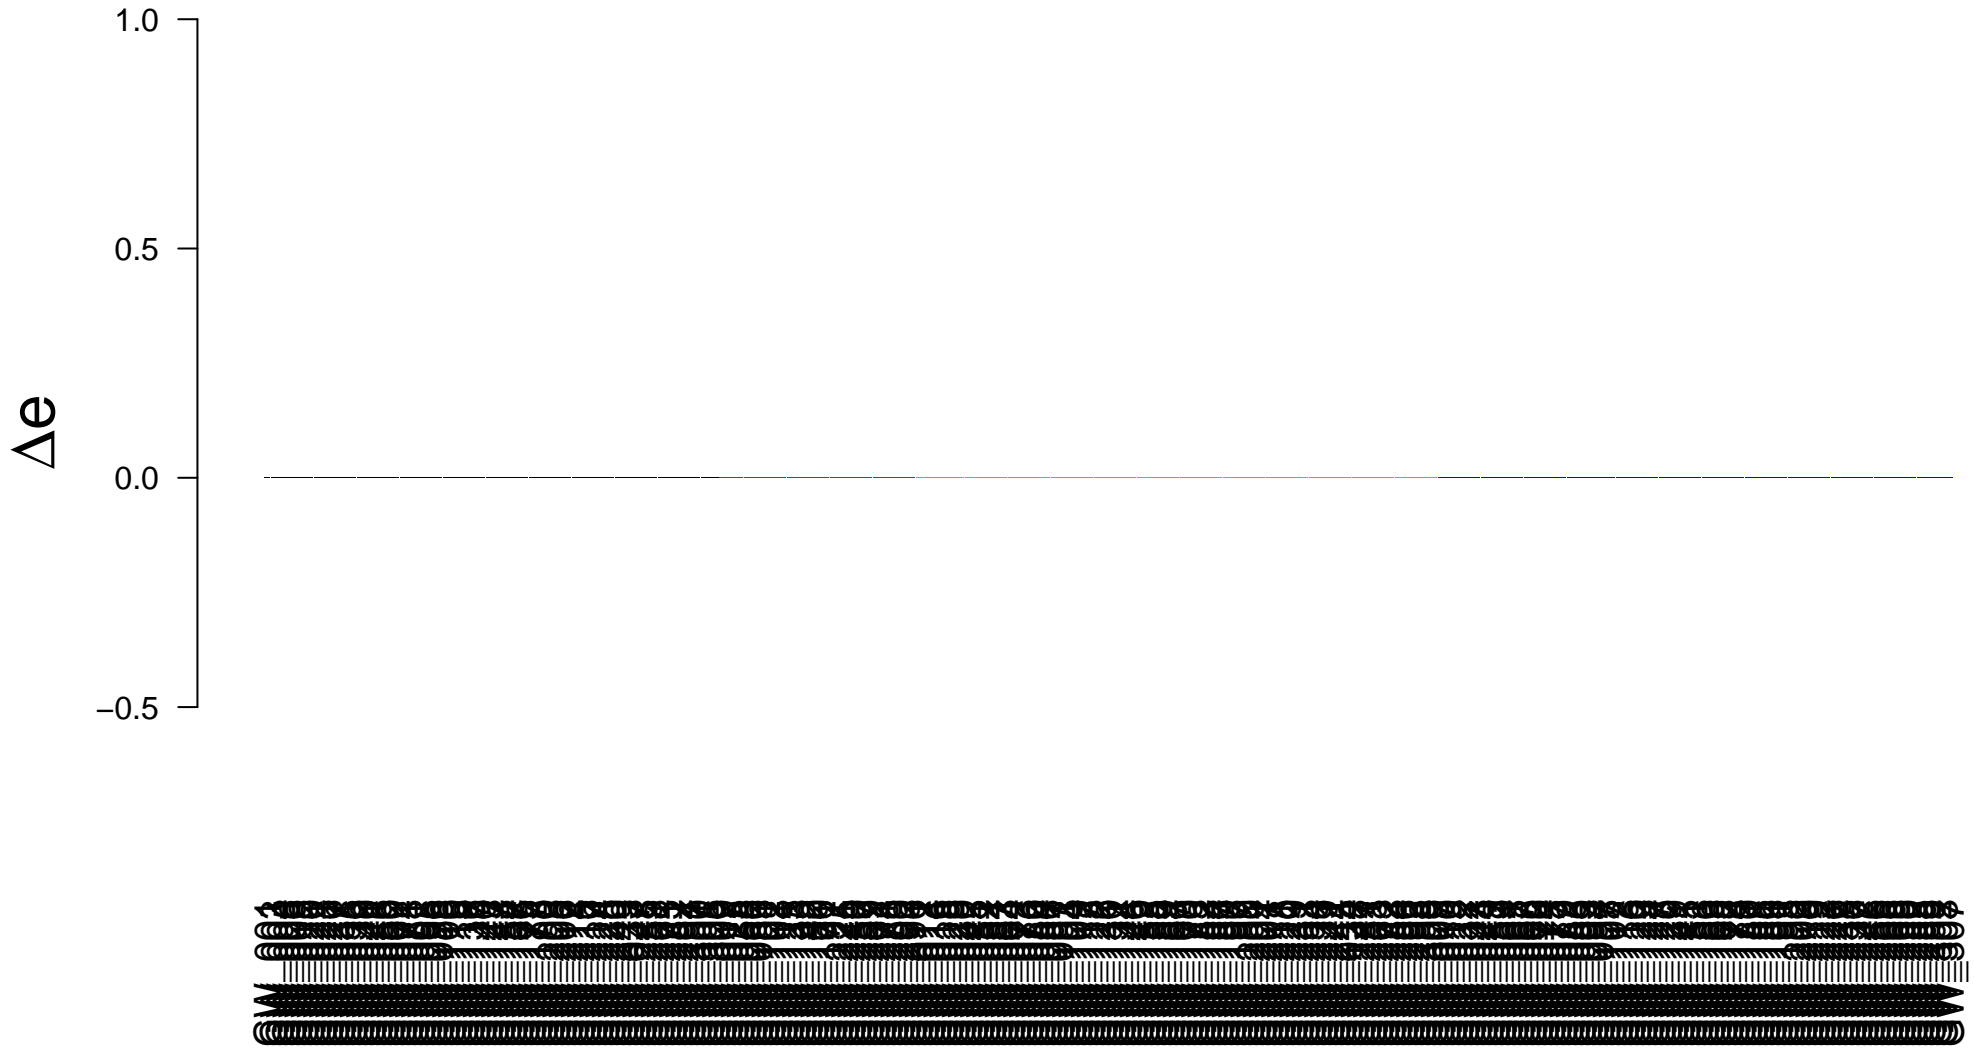

Expression of spliceosomal complex assembly in Spot A

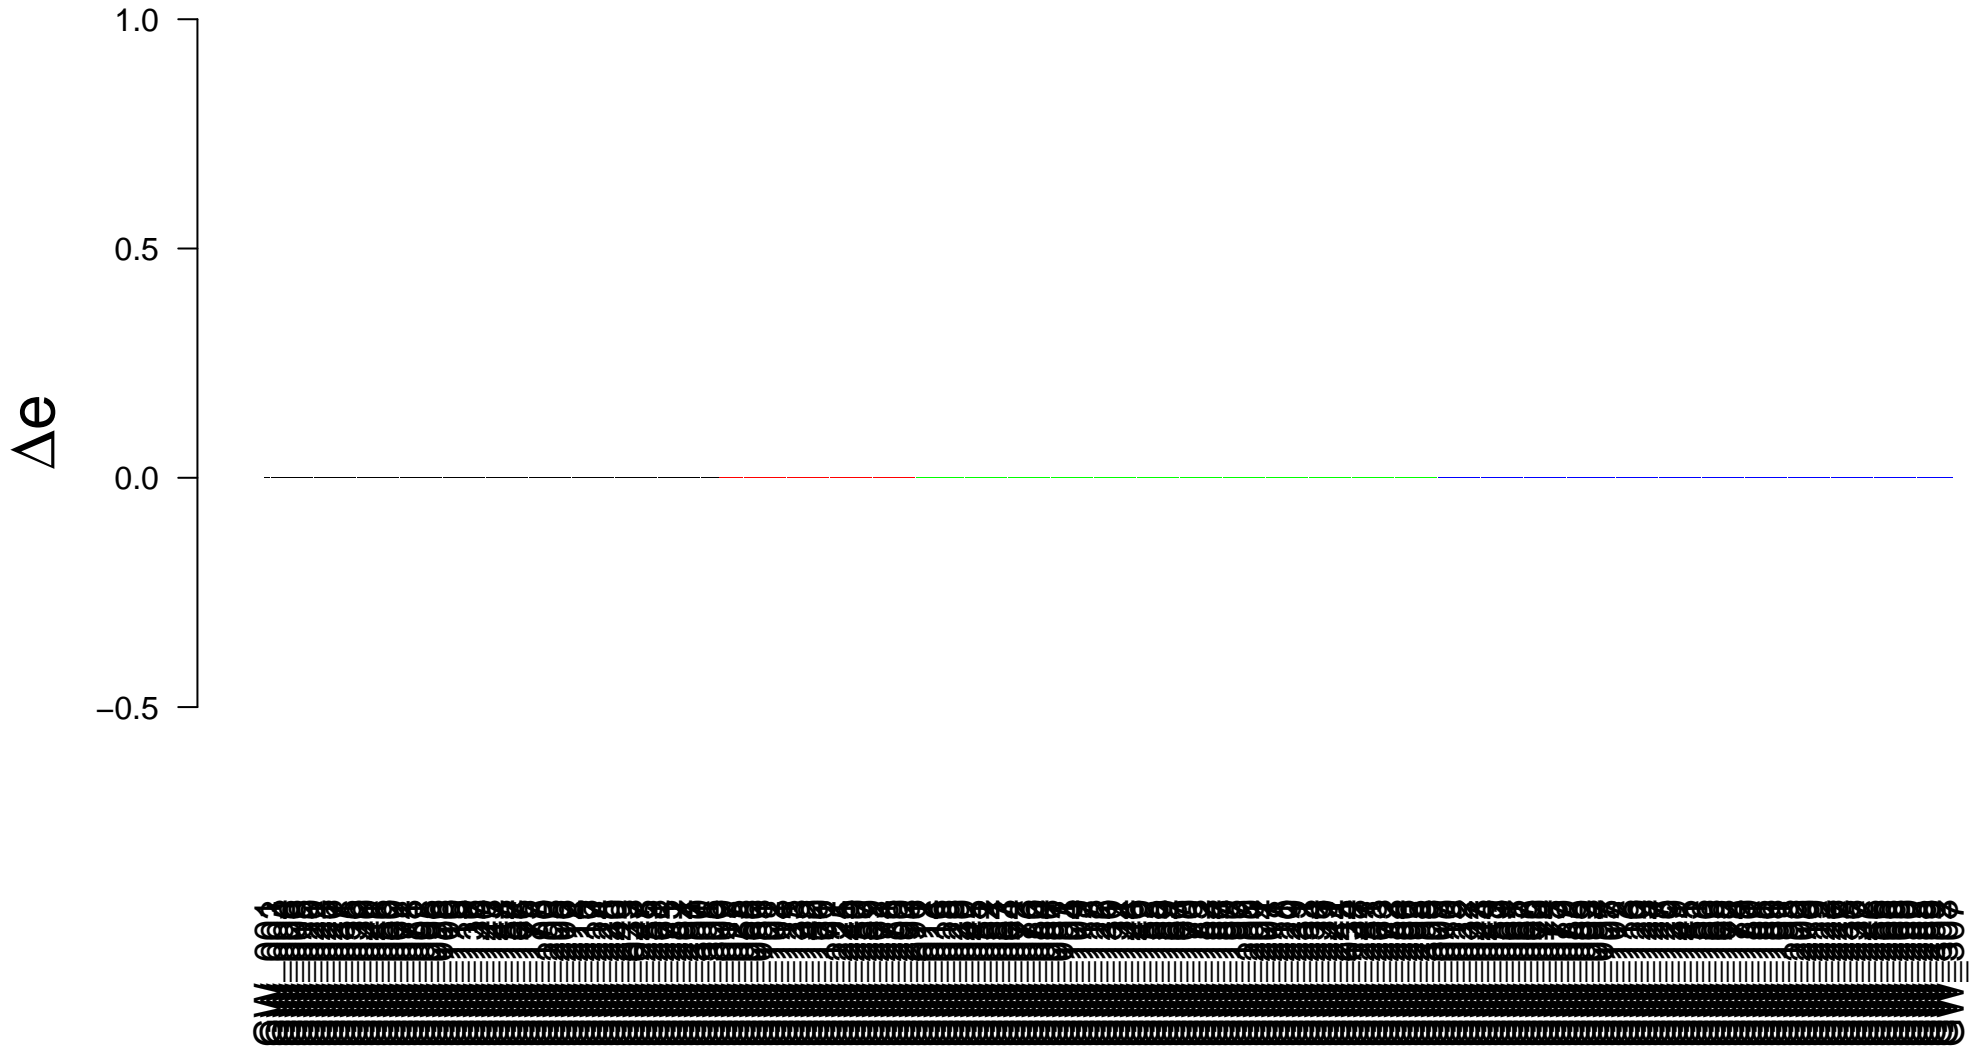

Expression of spliceosomal complex assembly in Spot B

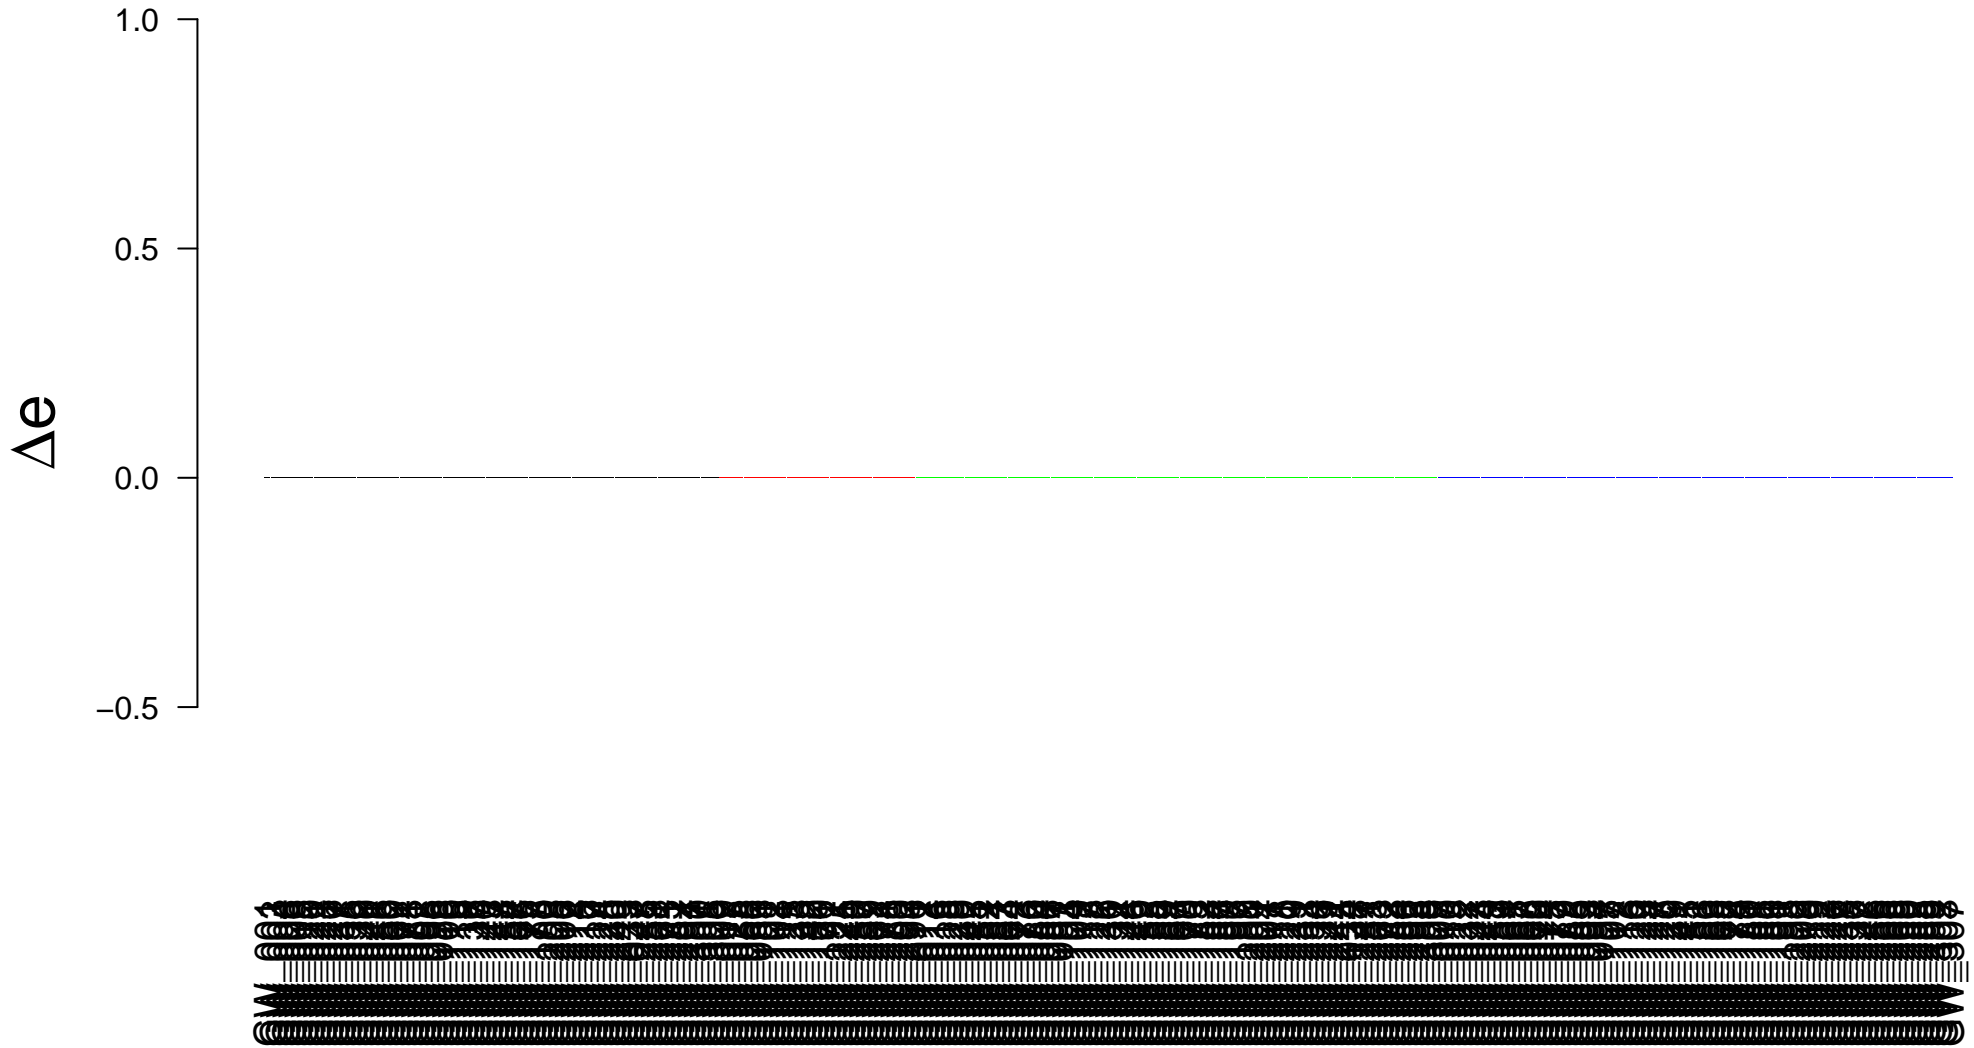

Expression of spliceosomal complex assembly in Spot C

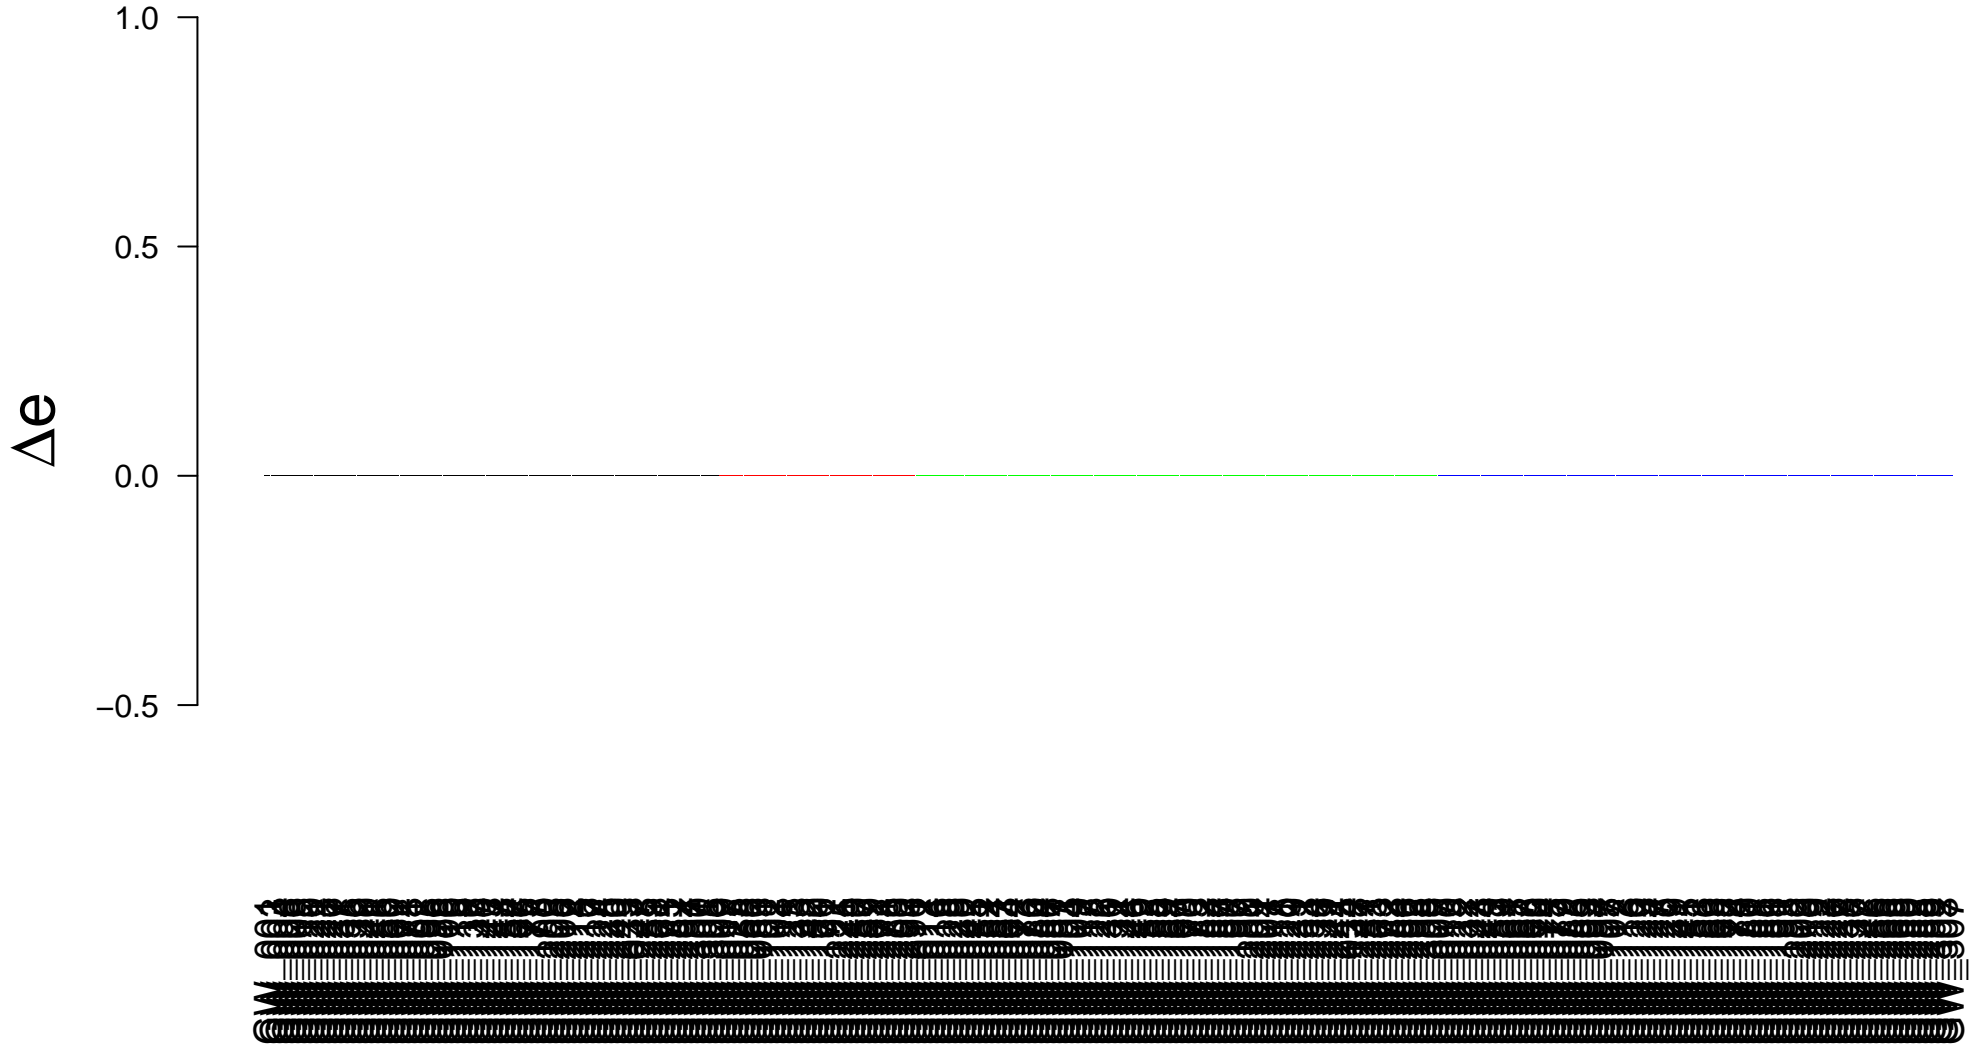

Expression of spliceosomal complex assembly in Spot D

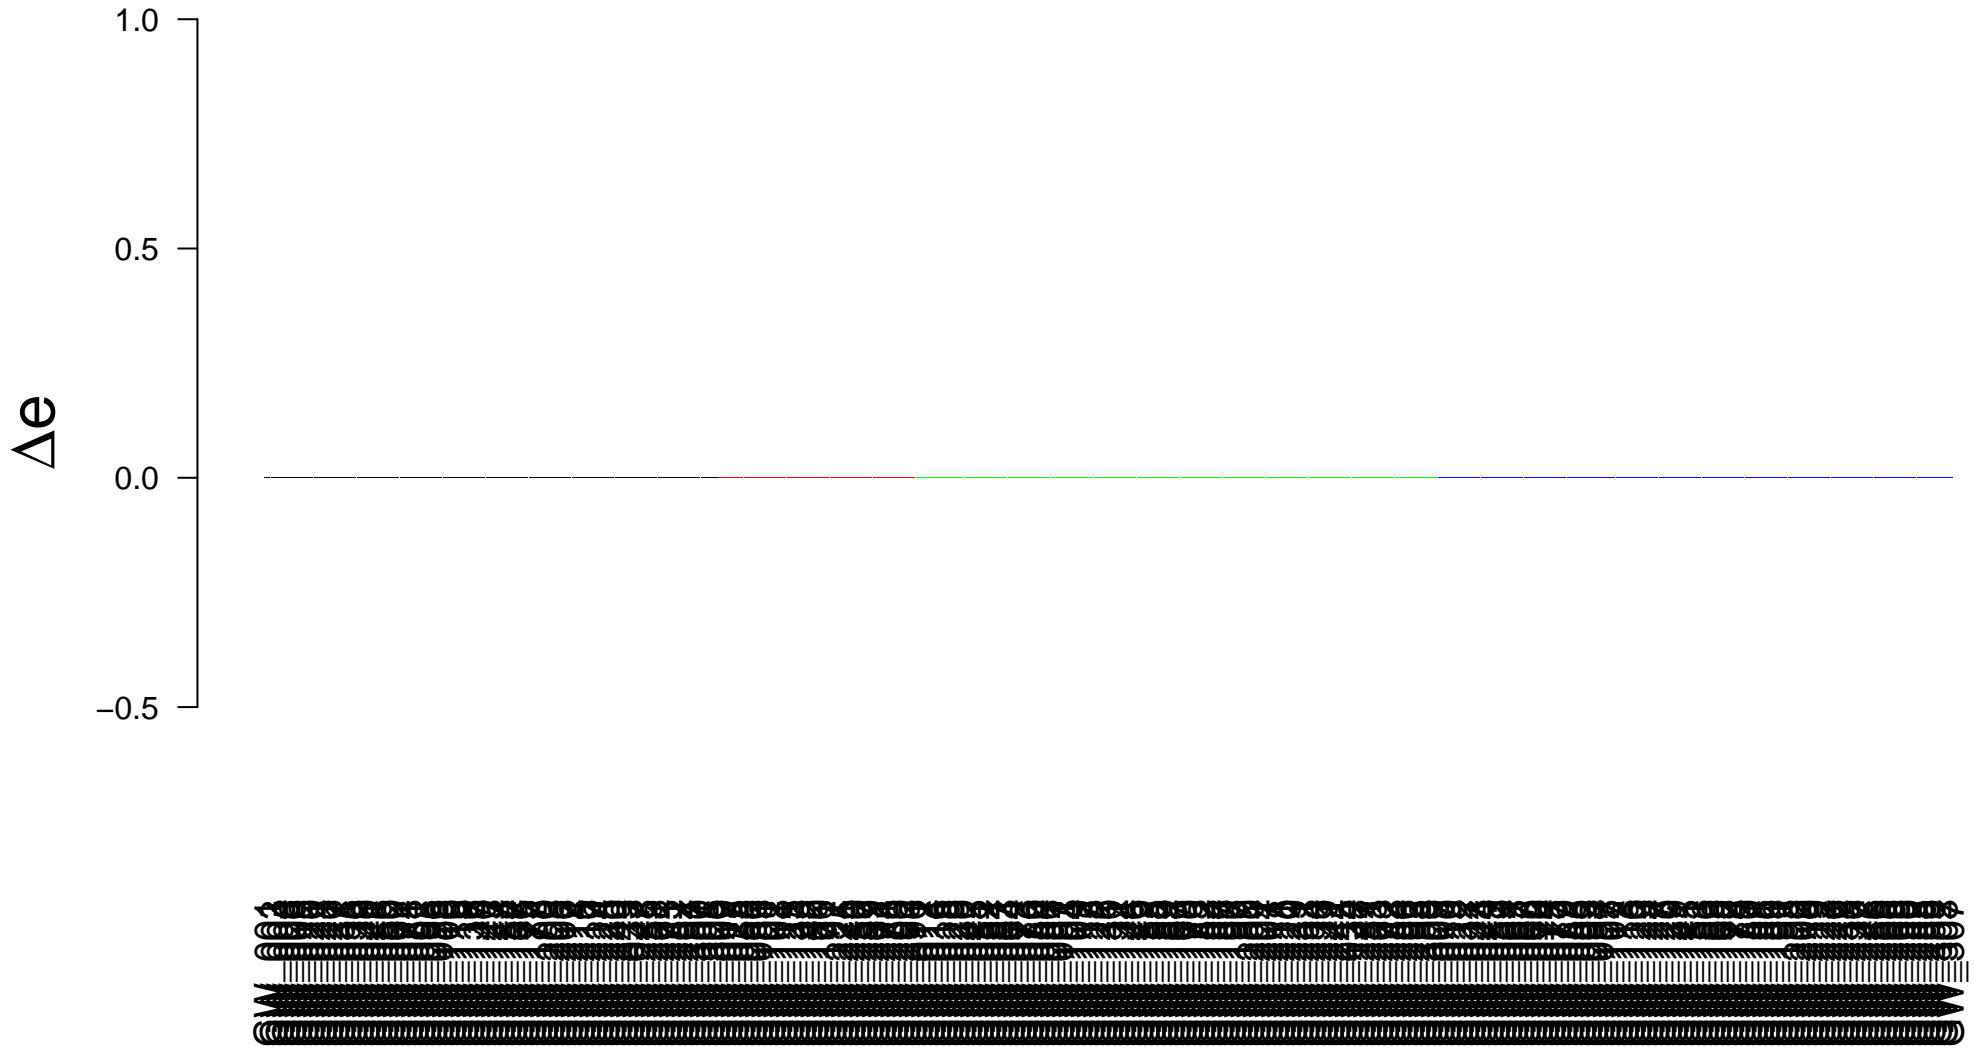

Expression of spliceosomal complex assembly in Spot E

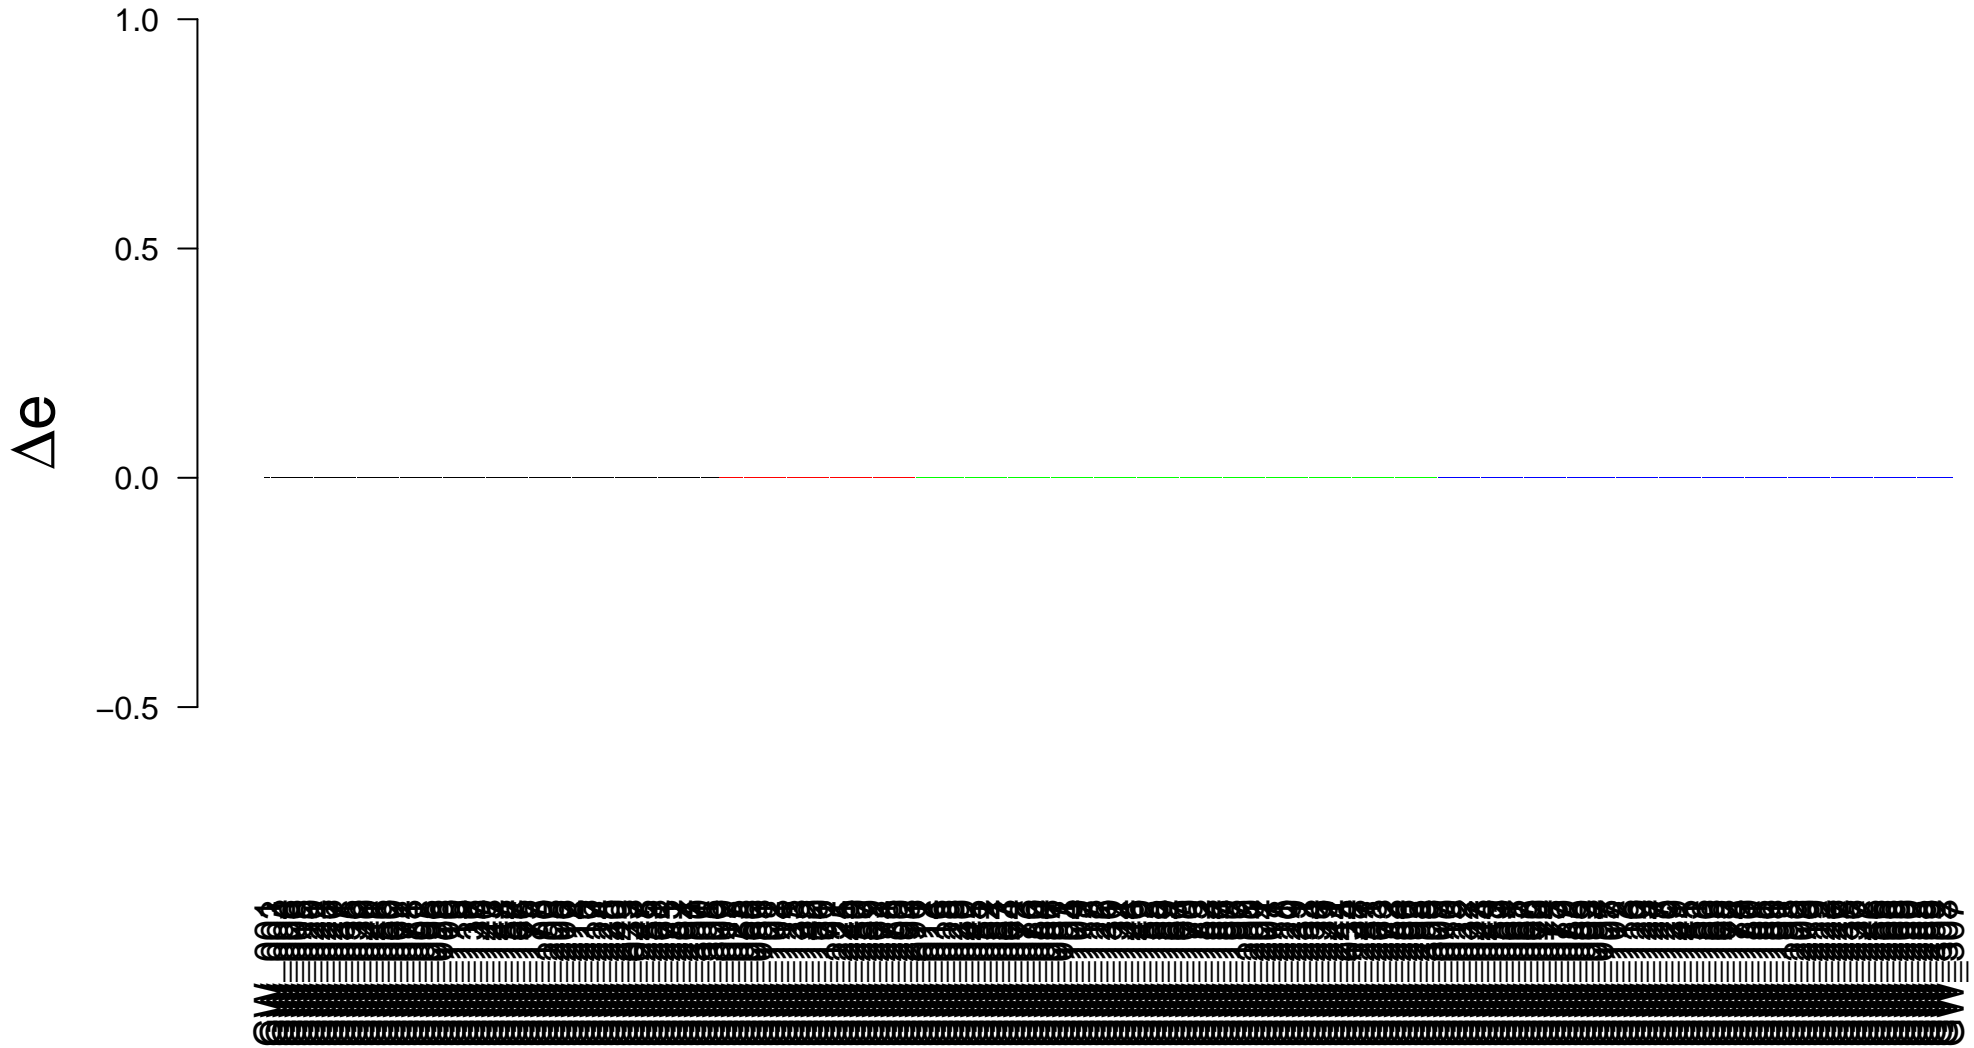

Expression of spliceosomal complex assembly in Spot F

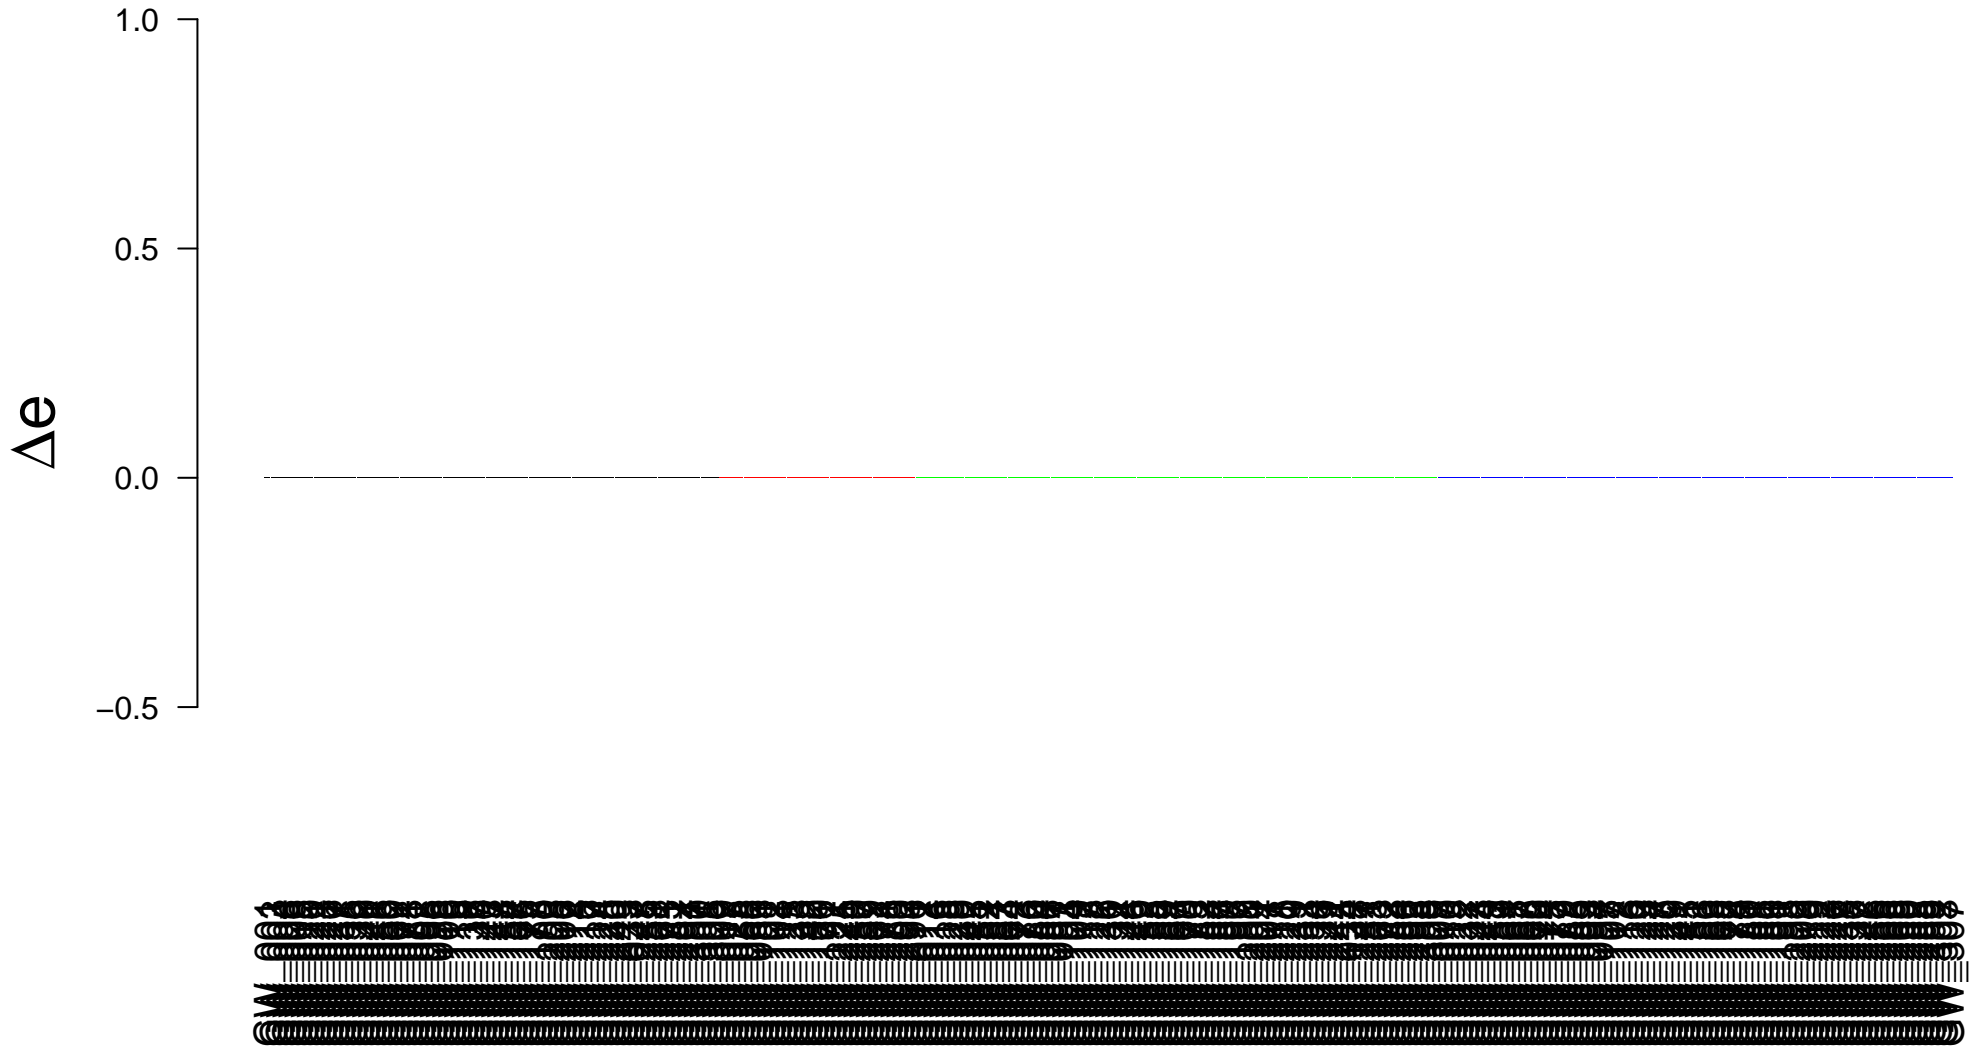

Expression of spliceosomal complex assembly in Spot G

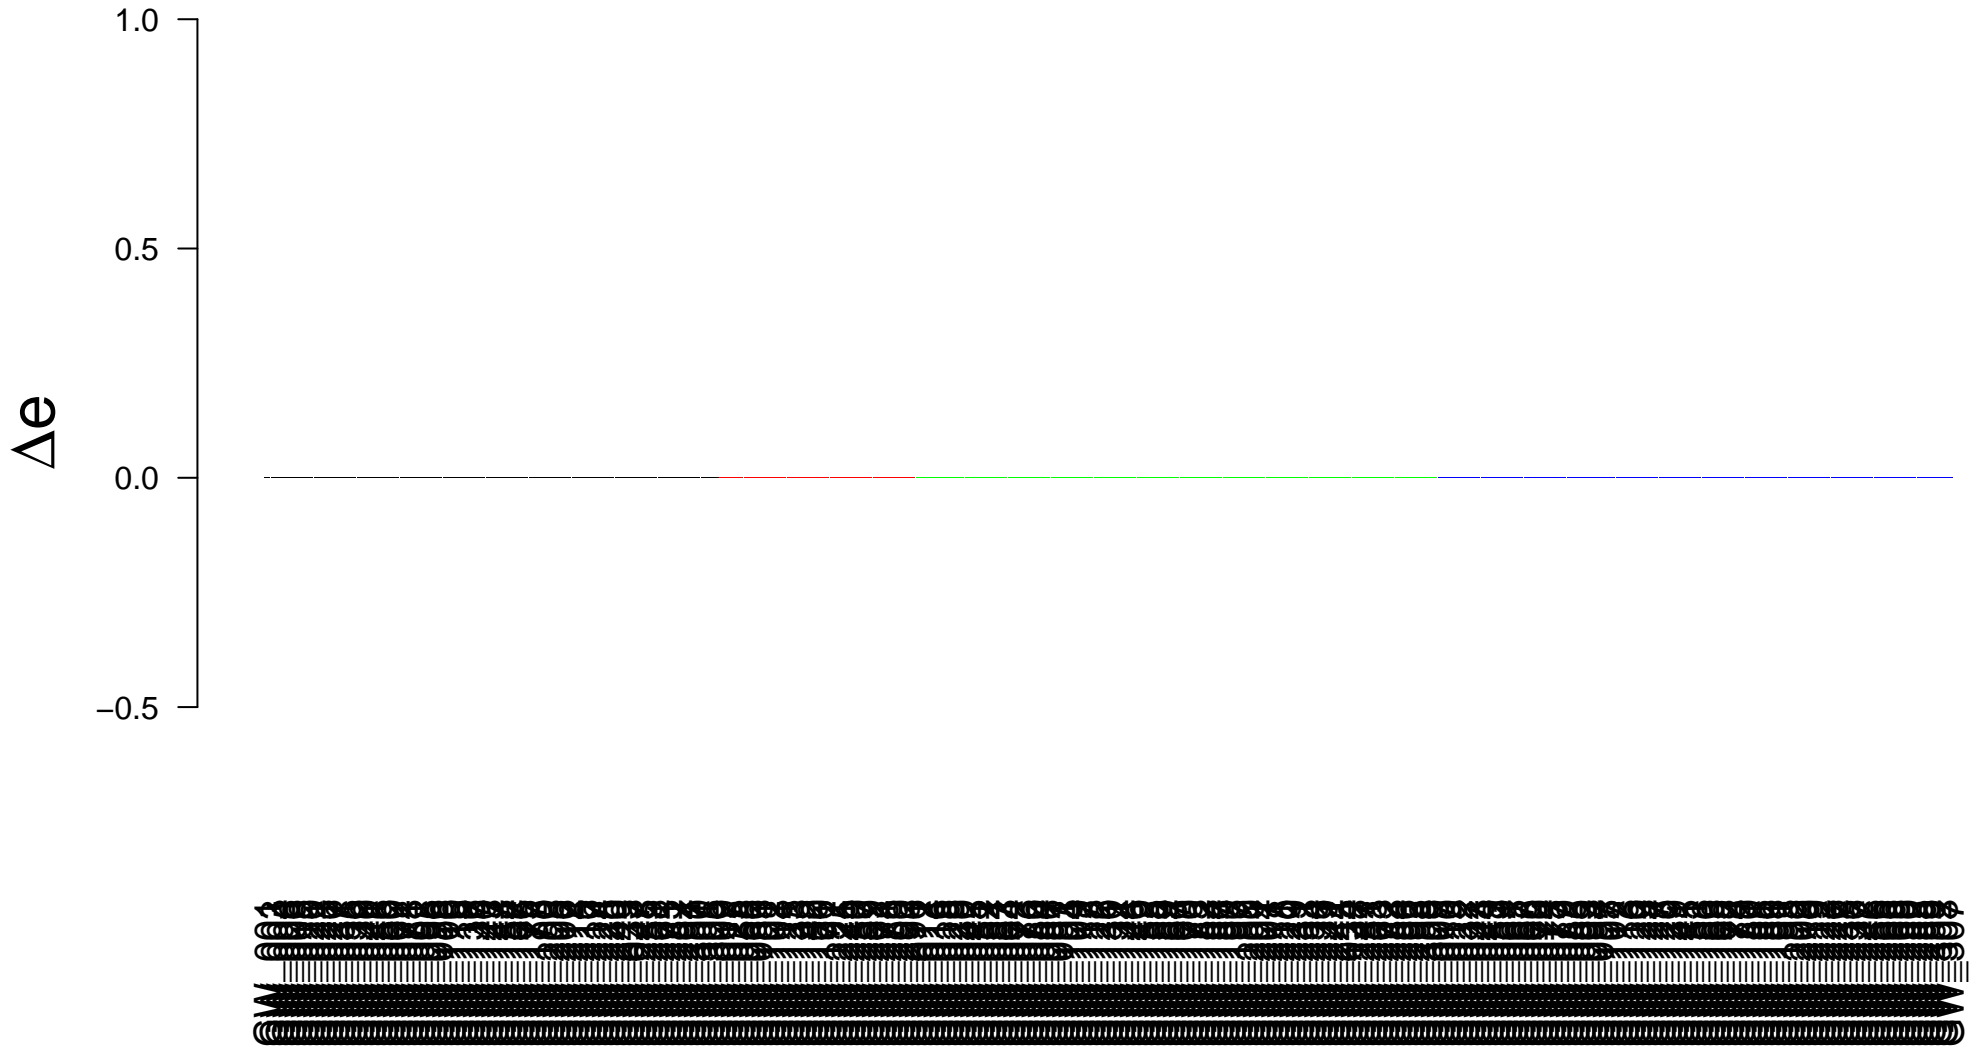

Expression of spliceosomal complex assembly in Spot H

Expression of spliceosomal complex assembly in Spot I

Expression of spliceosomal complex assembly in Spot J

Expression of spliceosomal complex assembly in Spot K
