

# stem cell differentiation

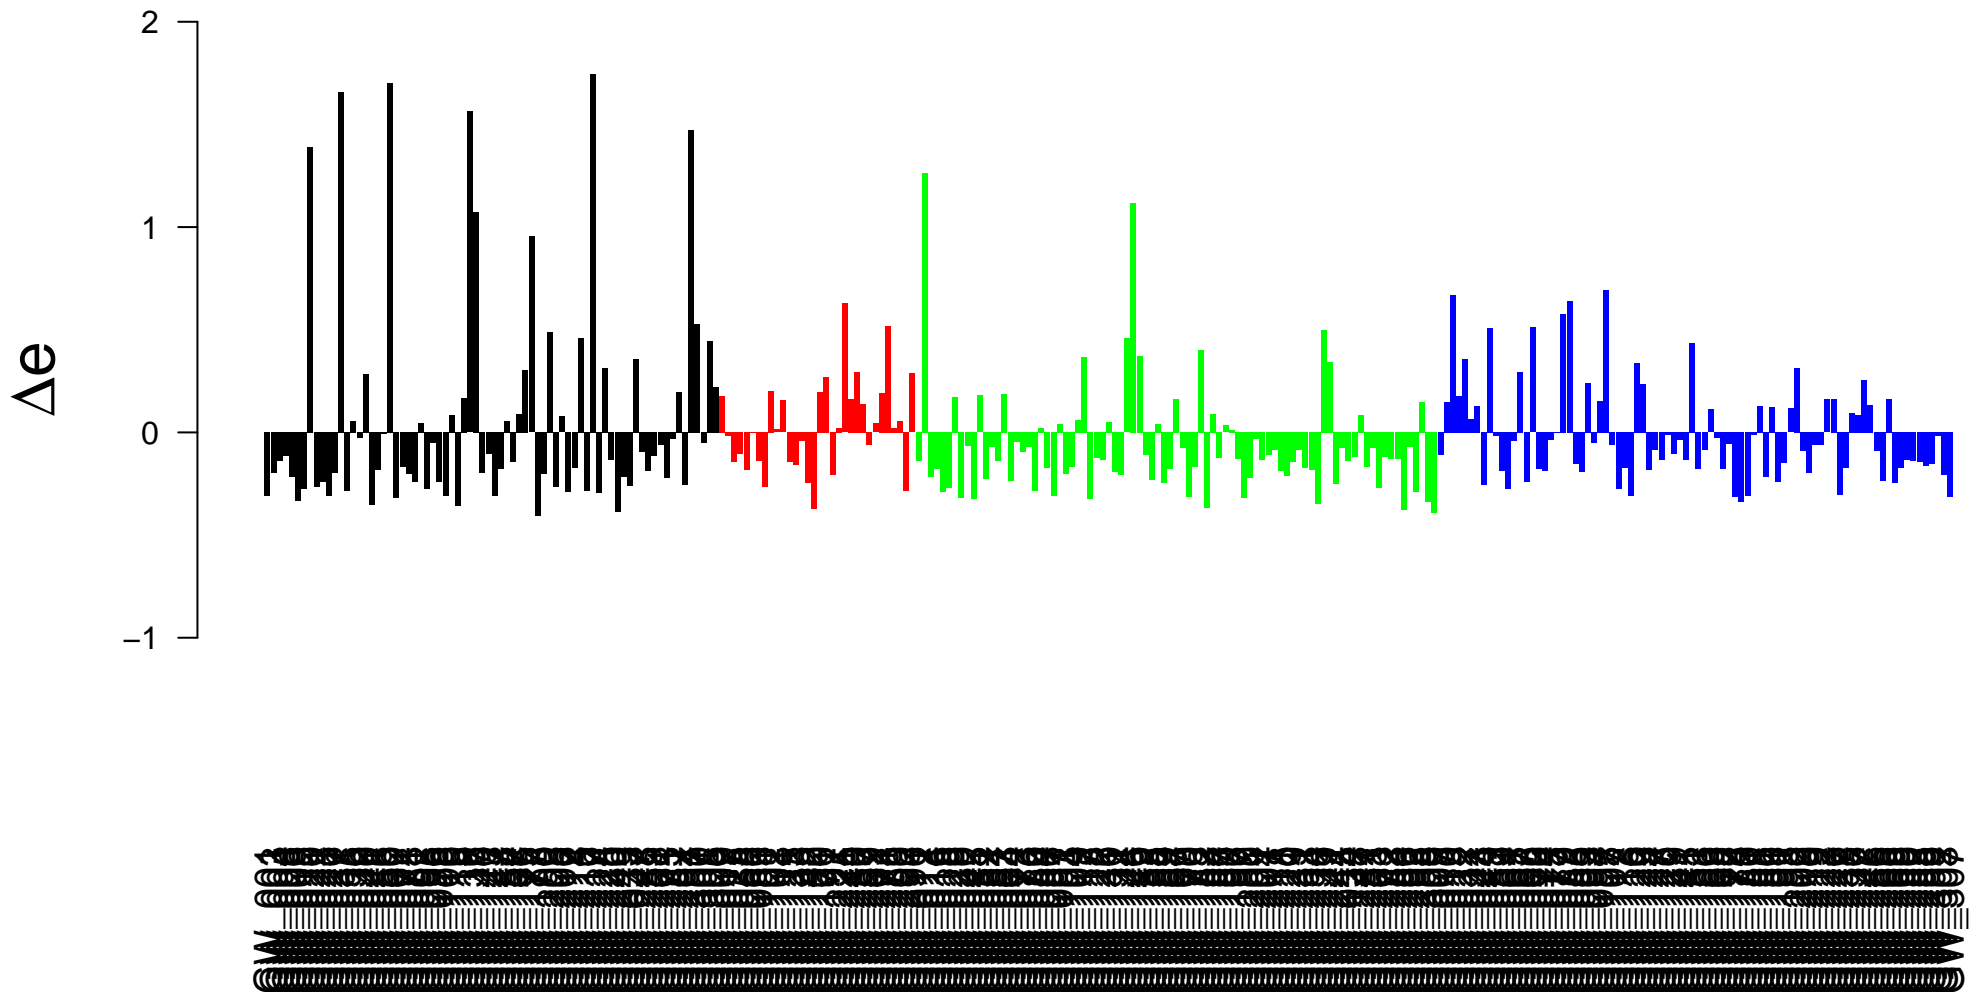

# stem cell differentiation

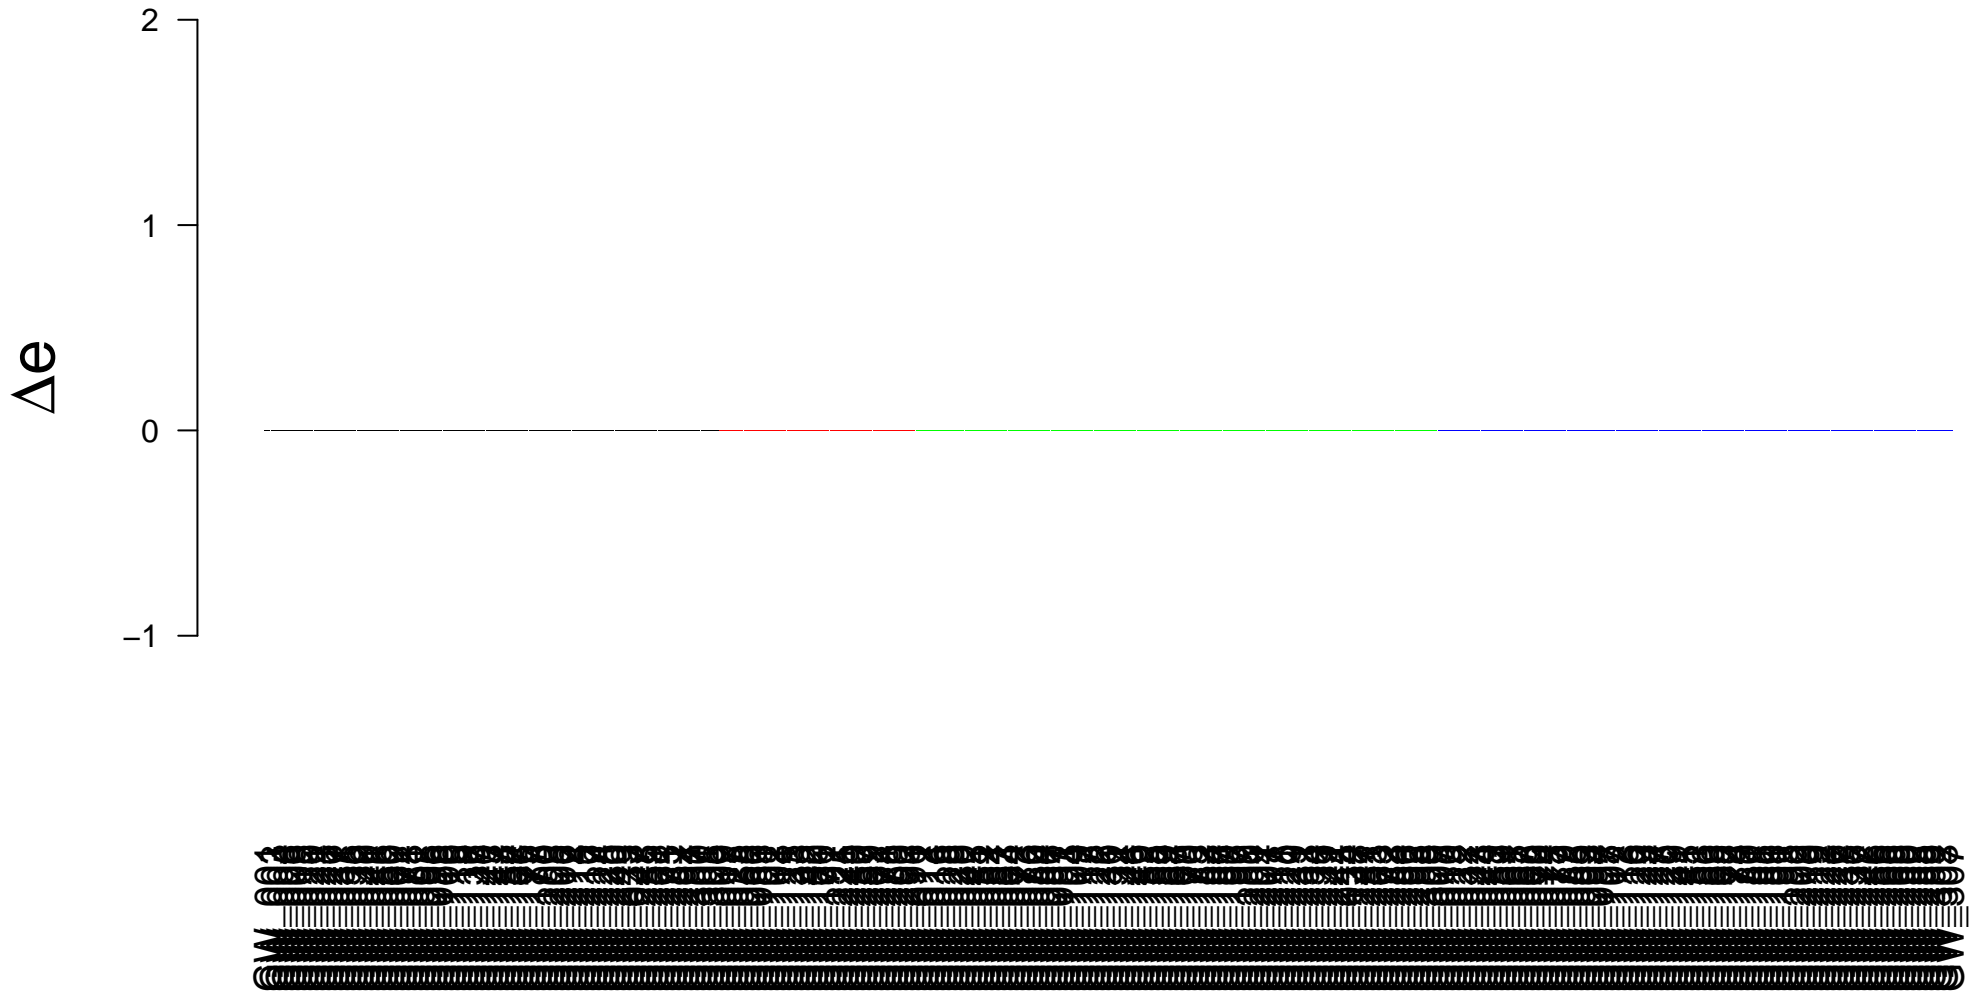

### Enrichment in spots: stem cell differentiation

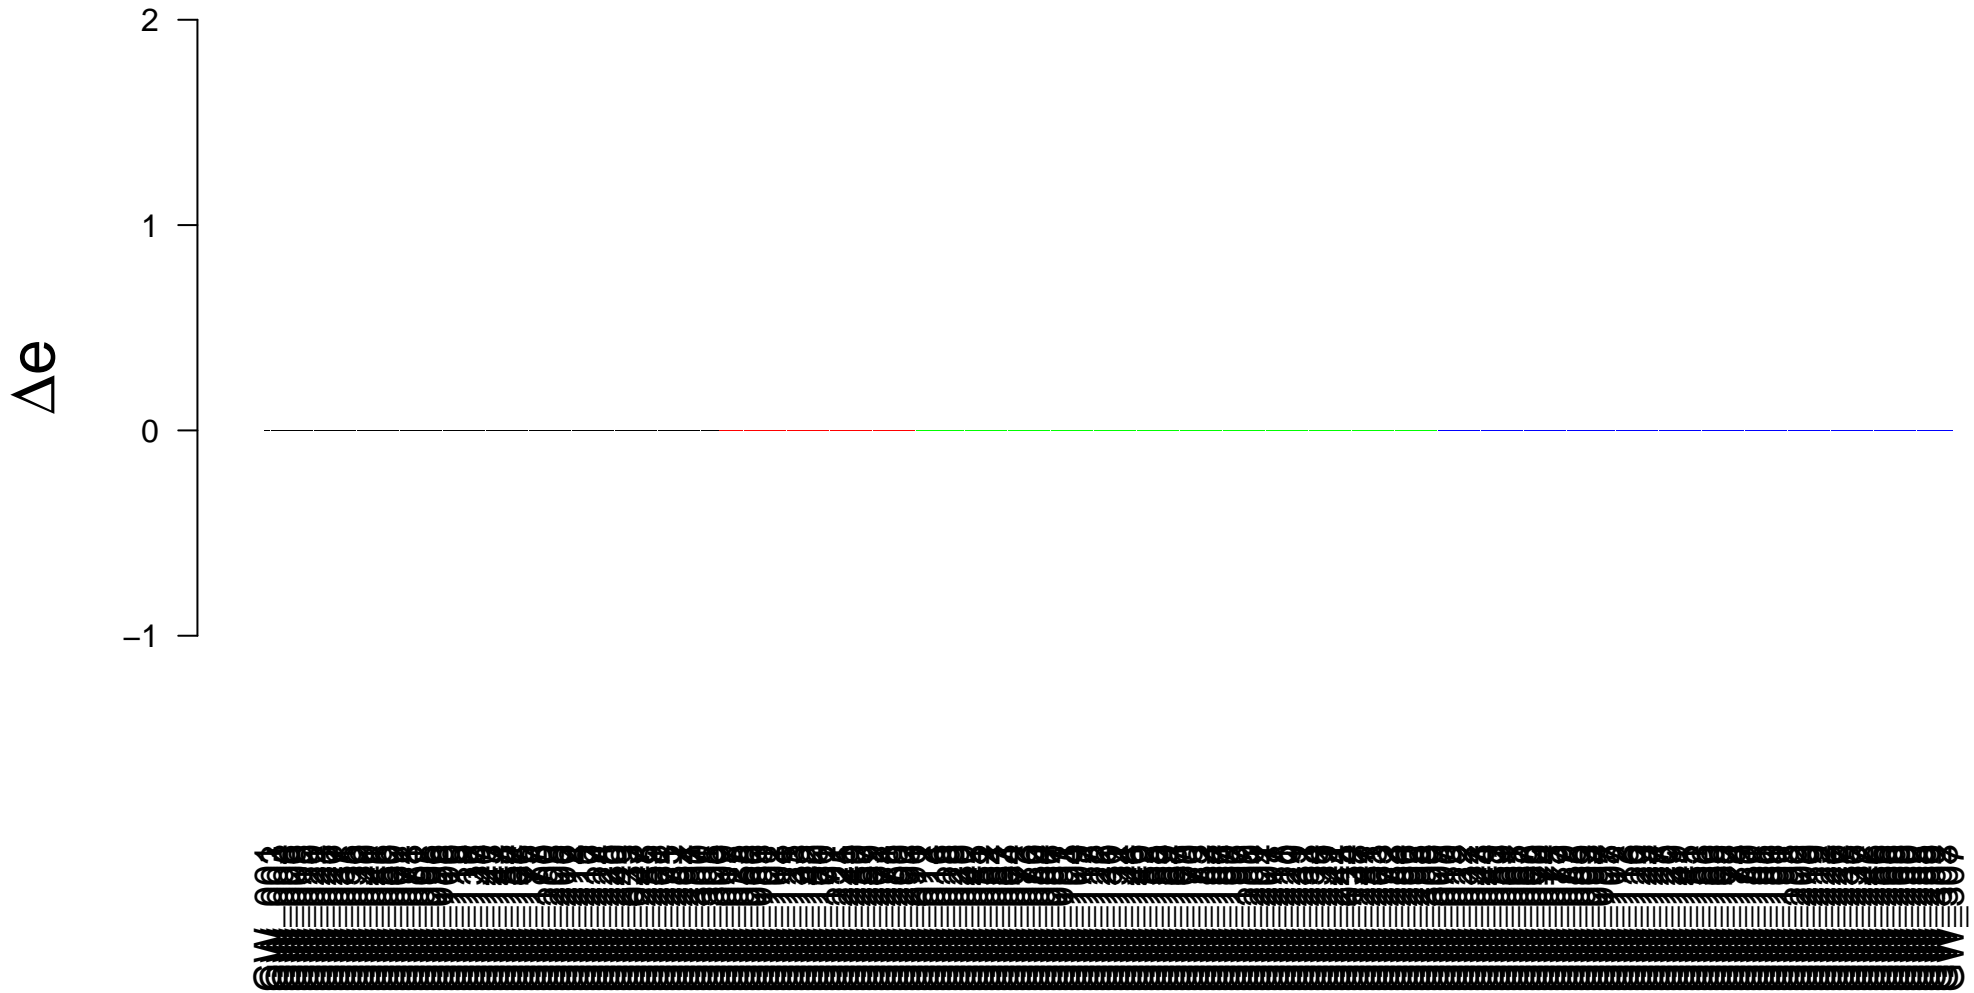

# Expression of stem cell differentiation in Spot A

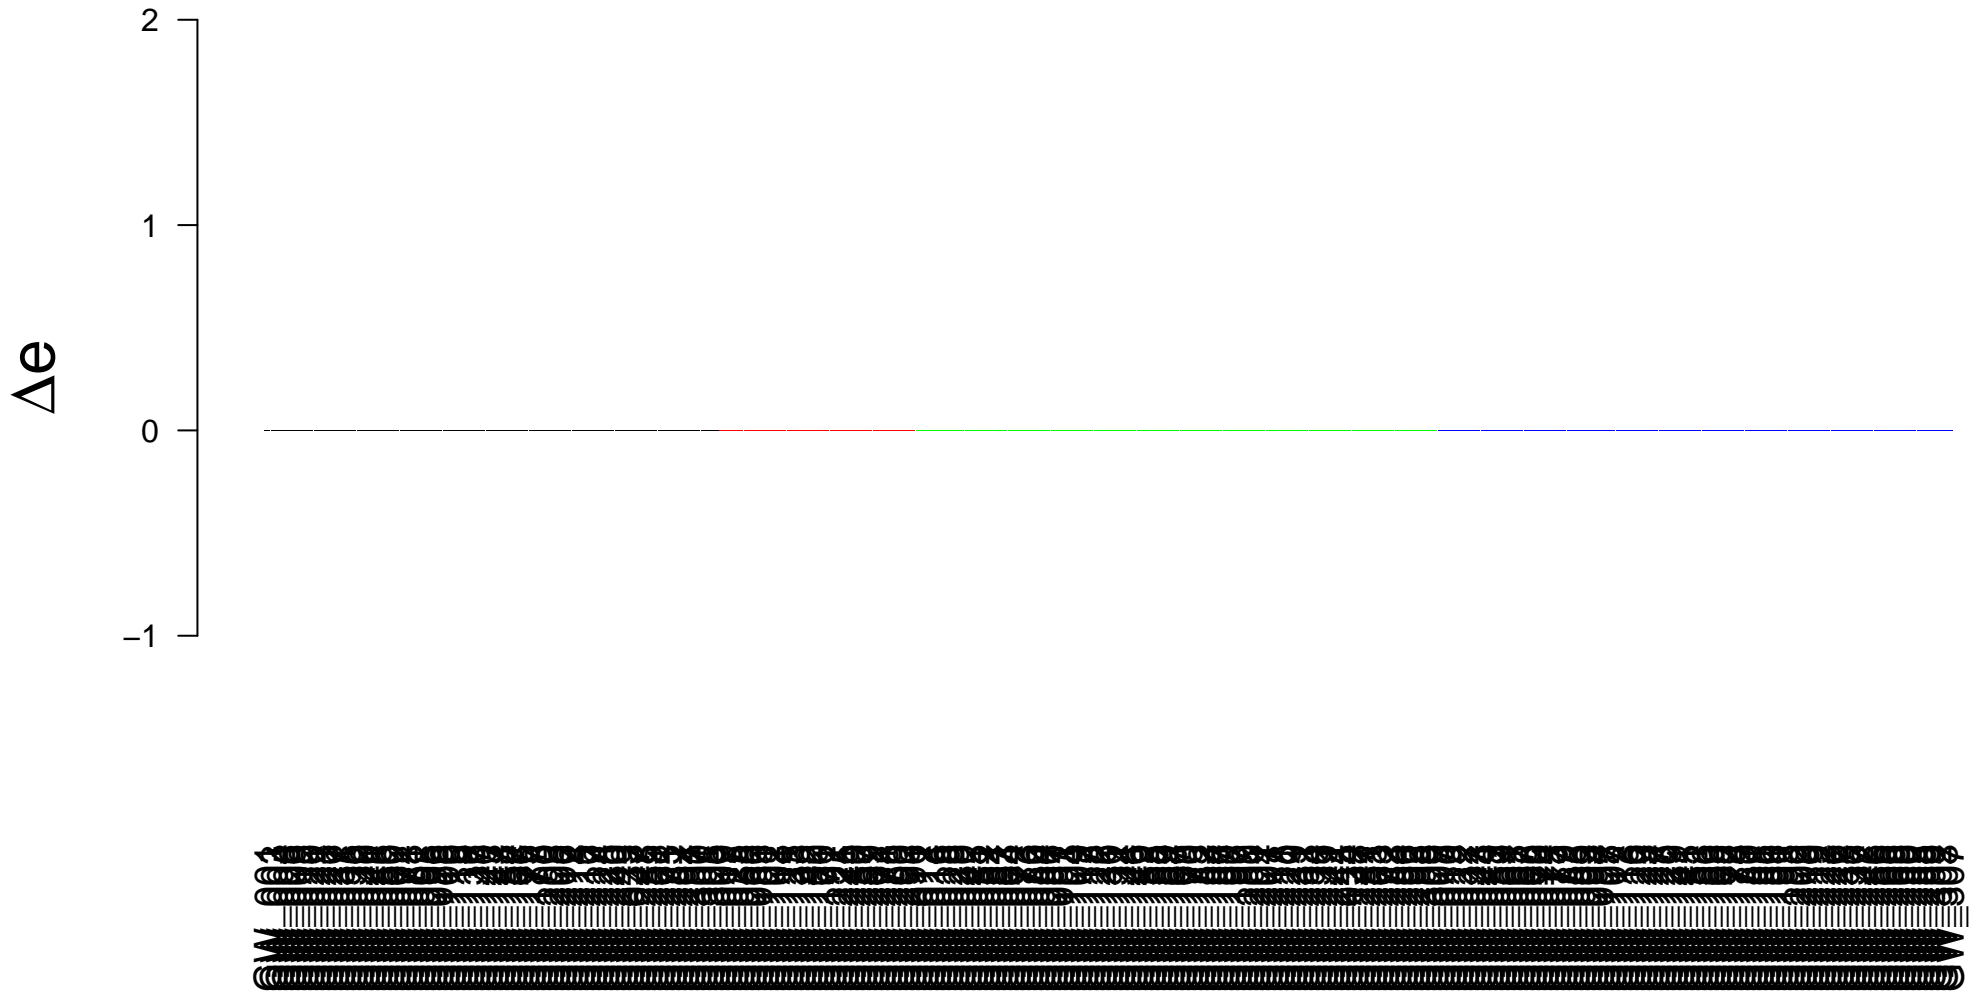

# Expression of stem cell differentiation in Spot B

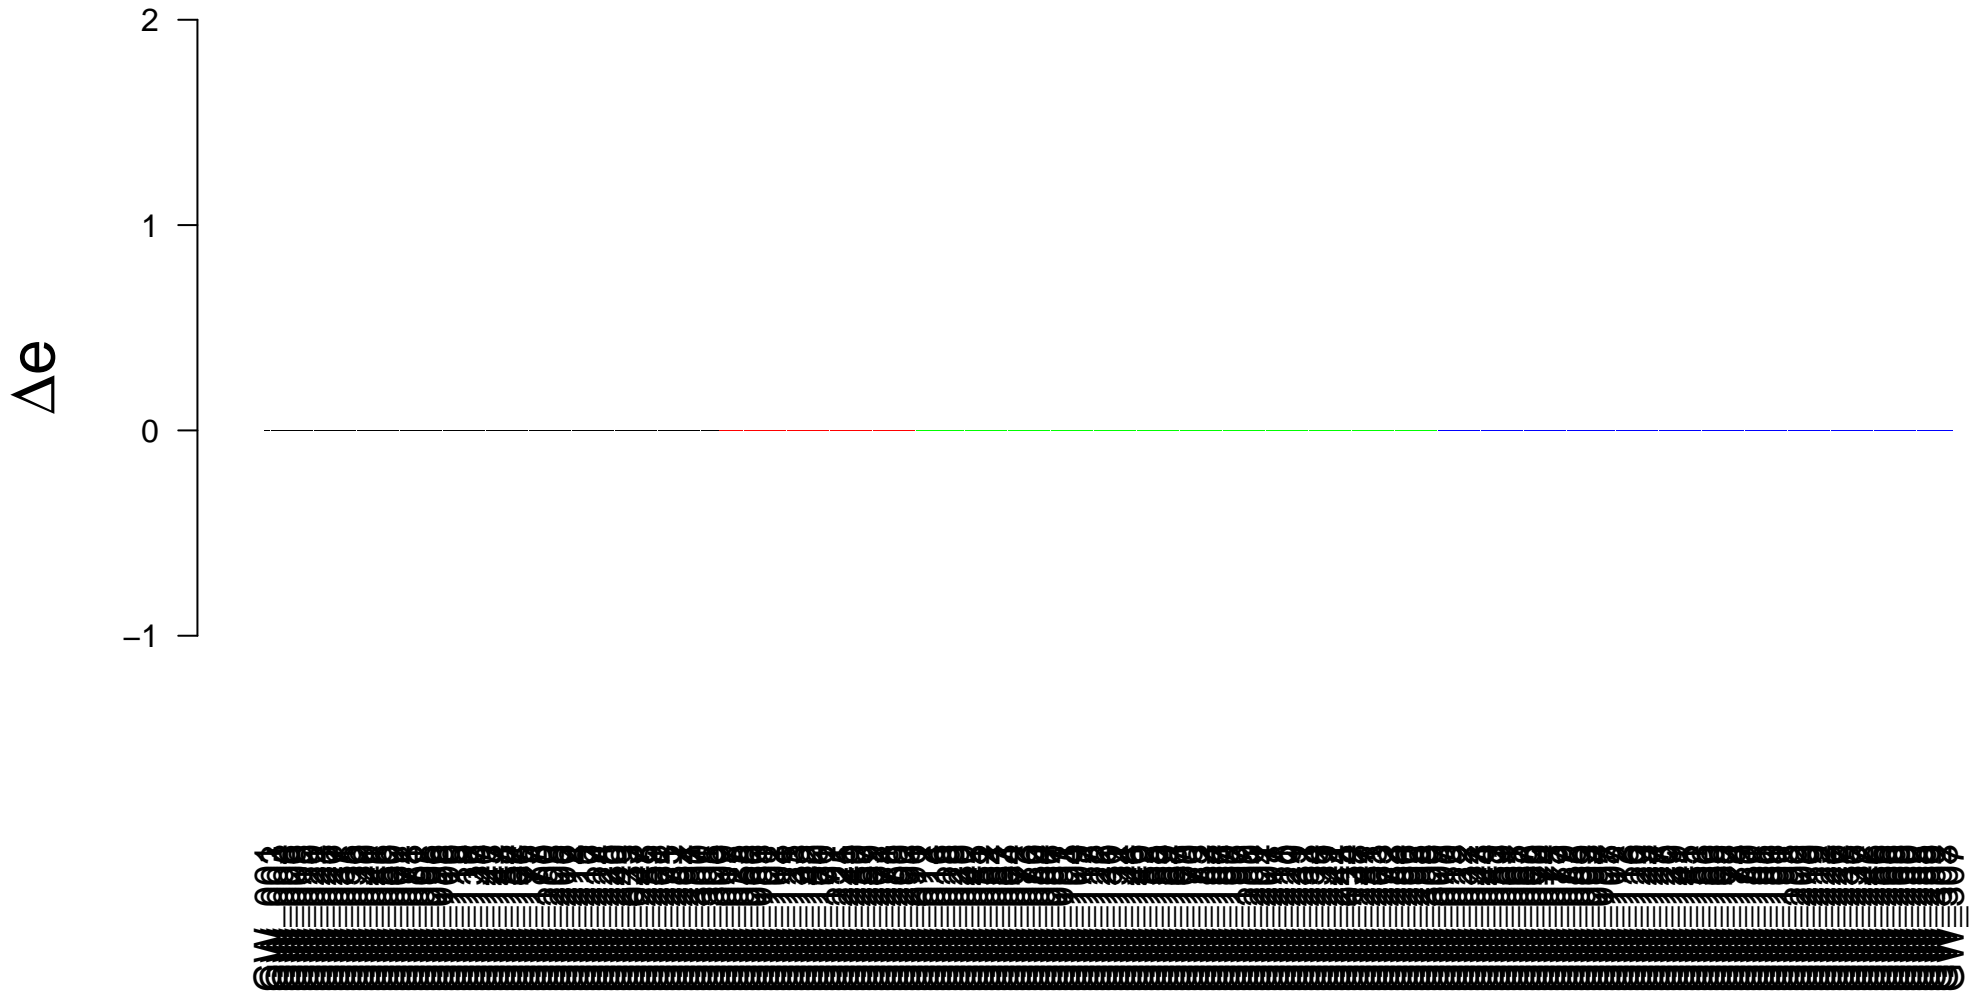

# Expression of stem cell differentiation in Spot C

# Expression of stem cell differentiation in Spot D

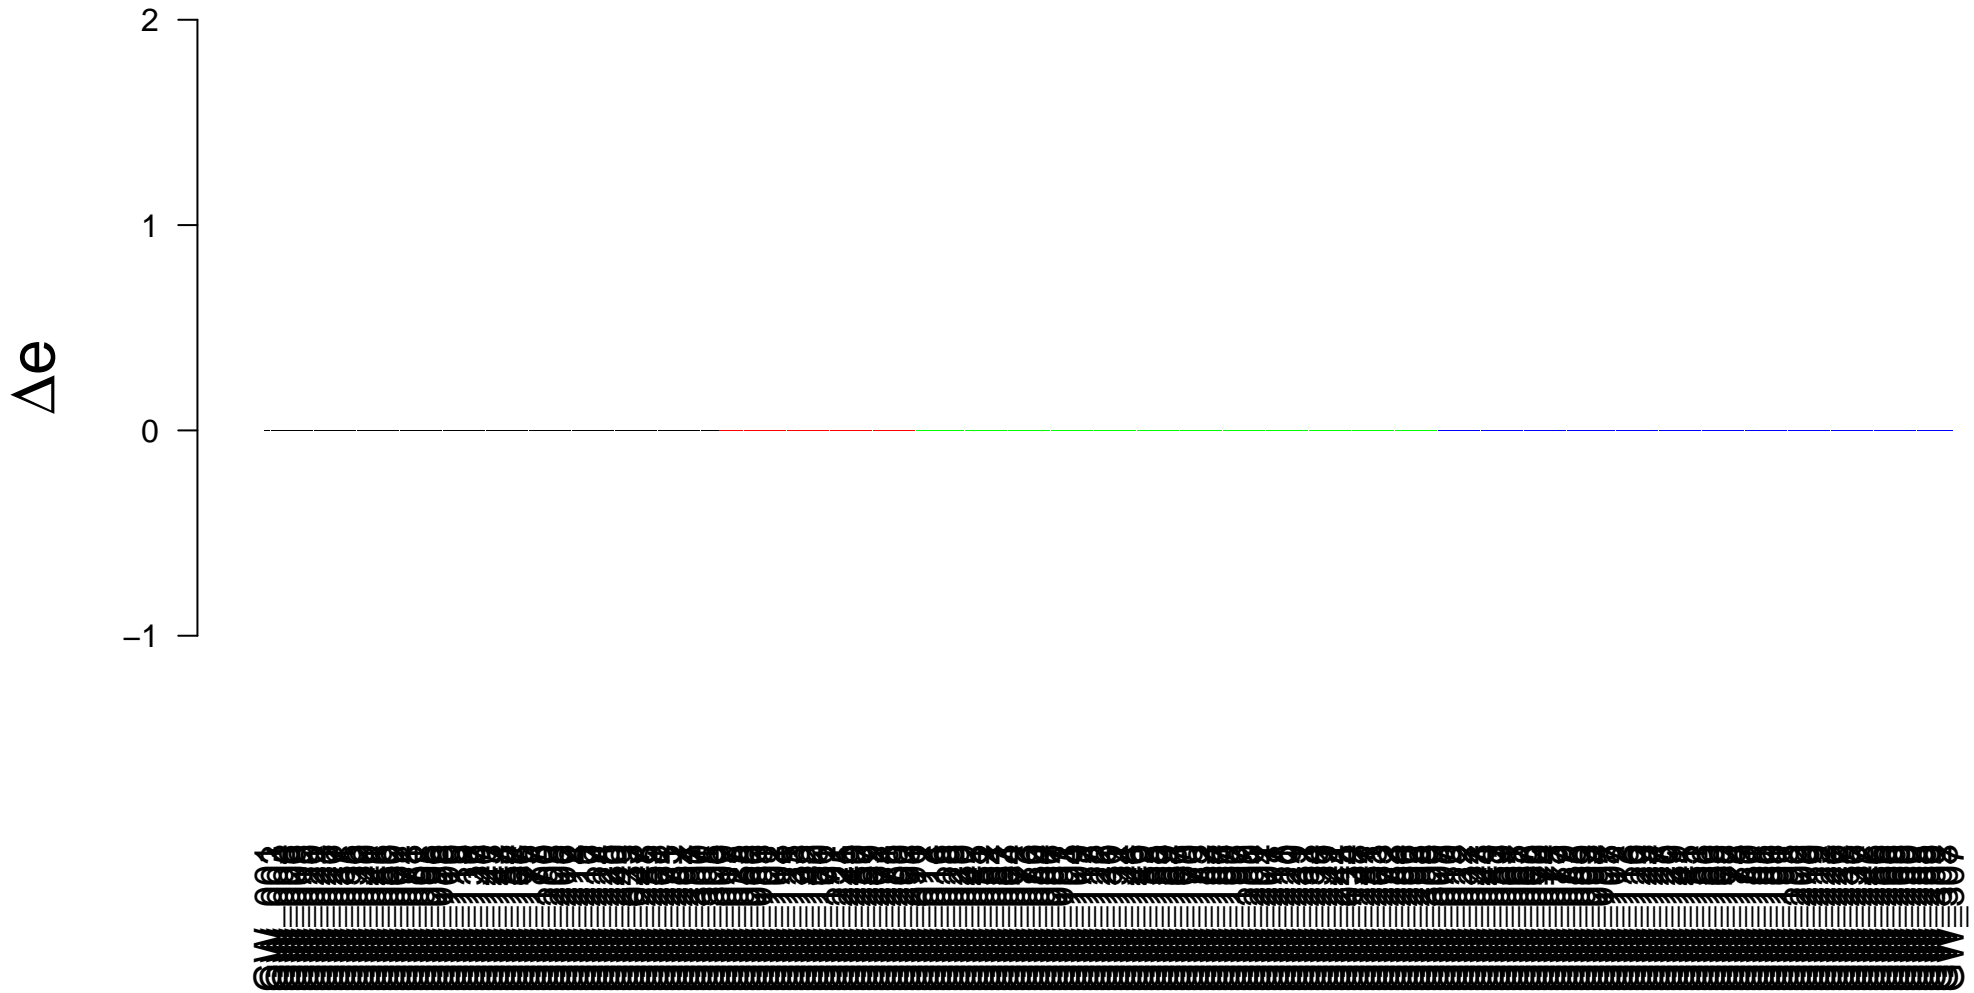

# Expression of stem cell differentiation in Spot E

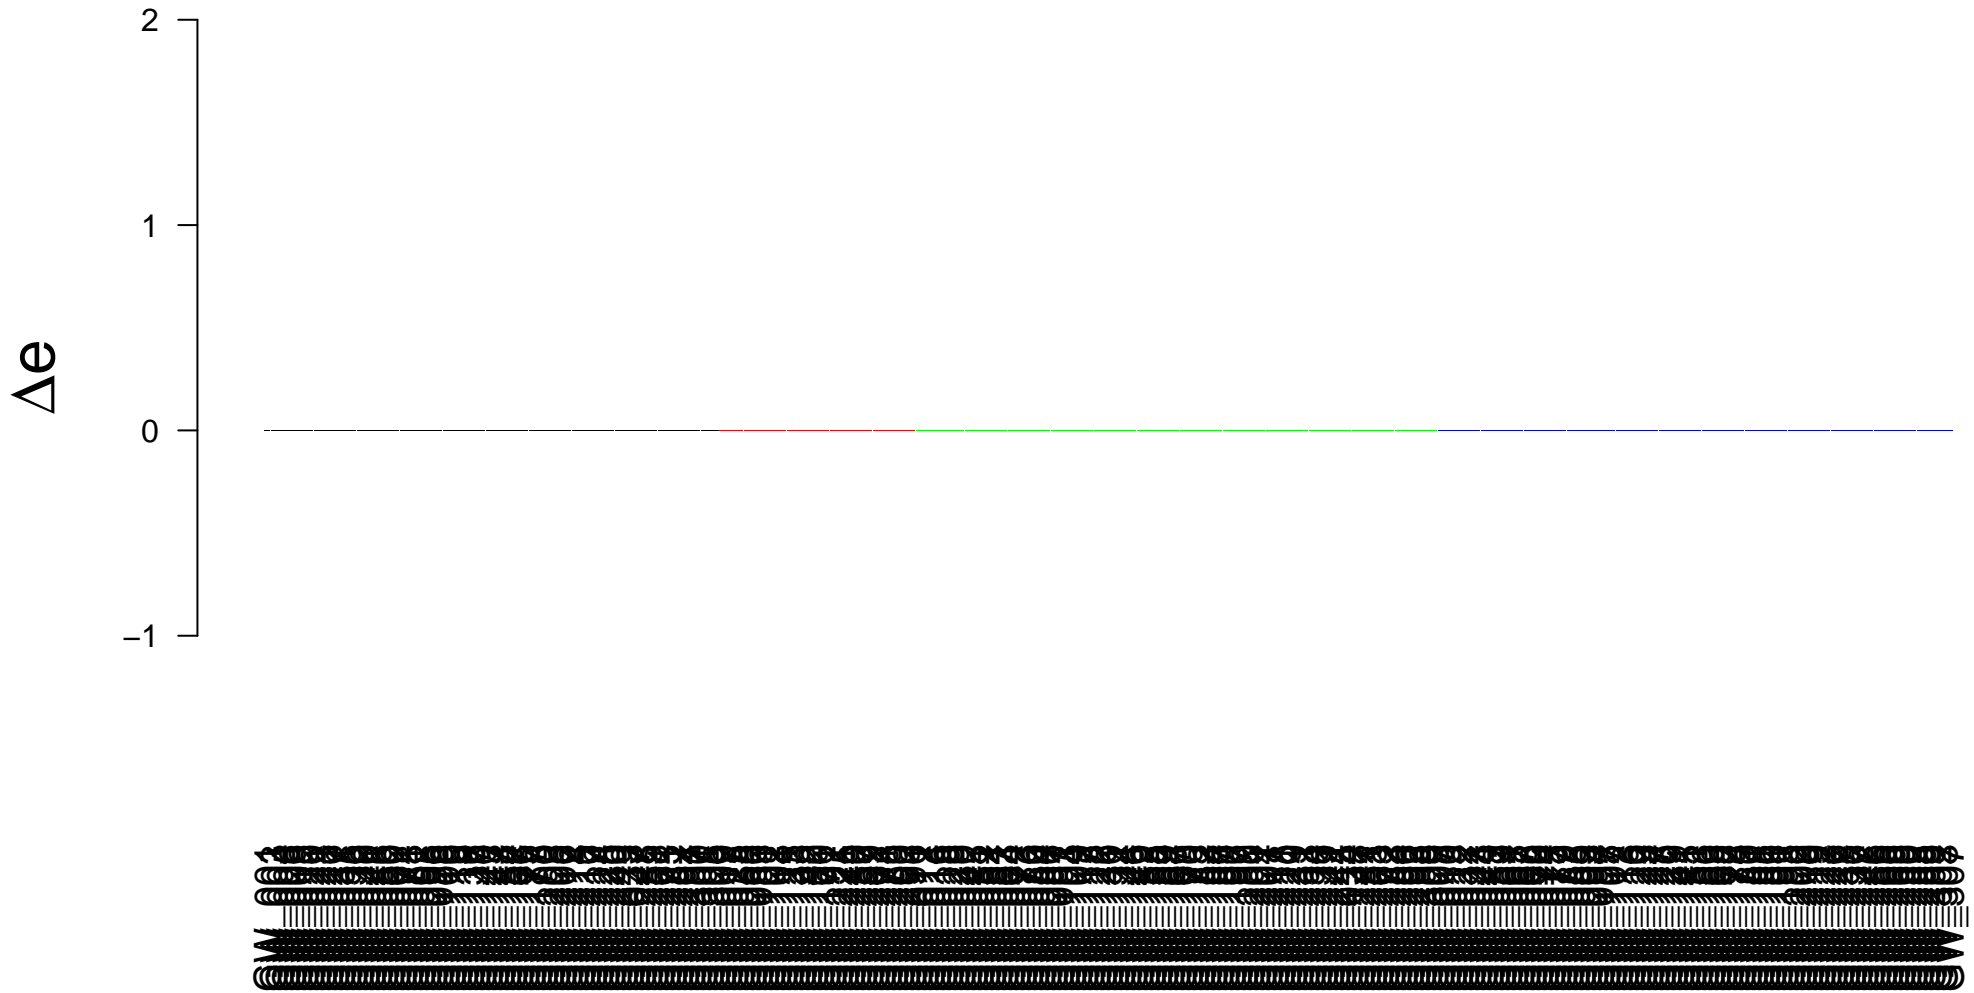

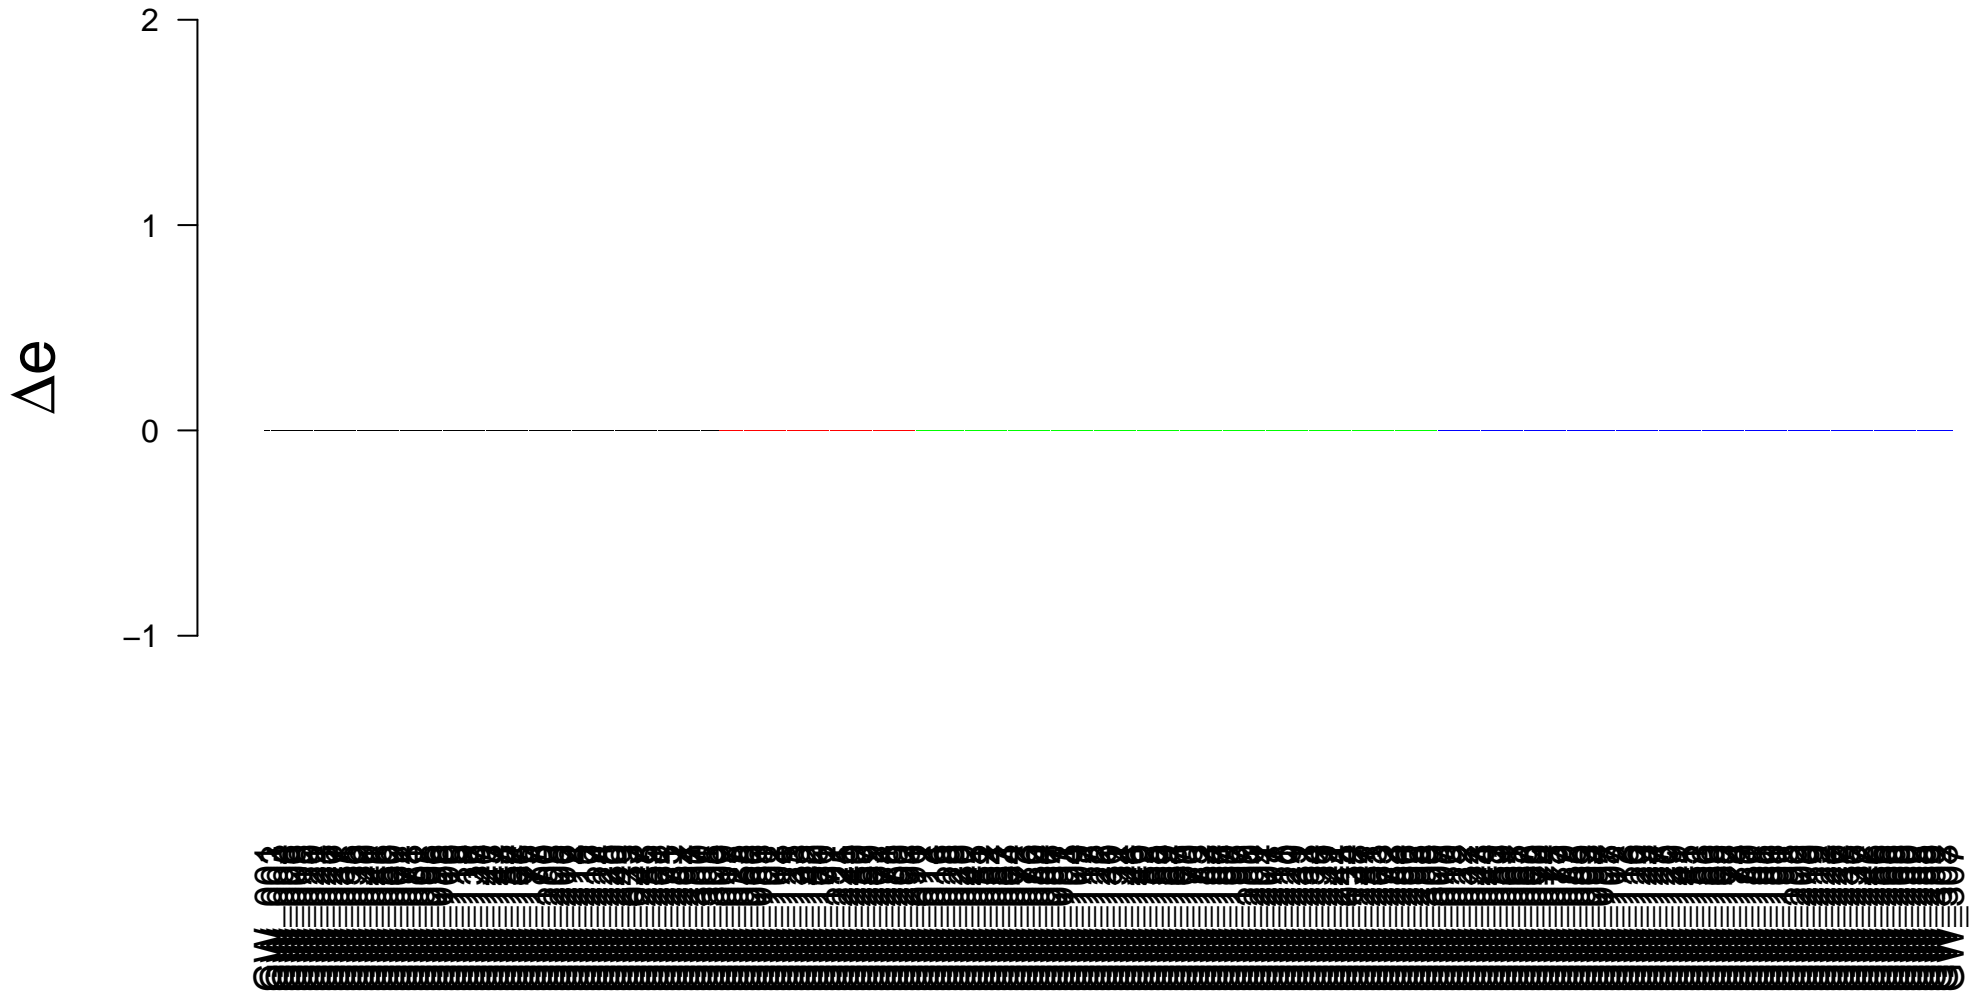

# Expression of stem cell differentiation in Spot F

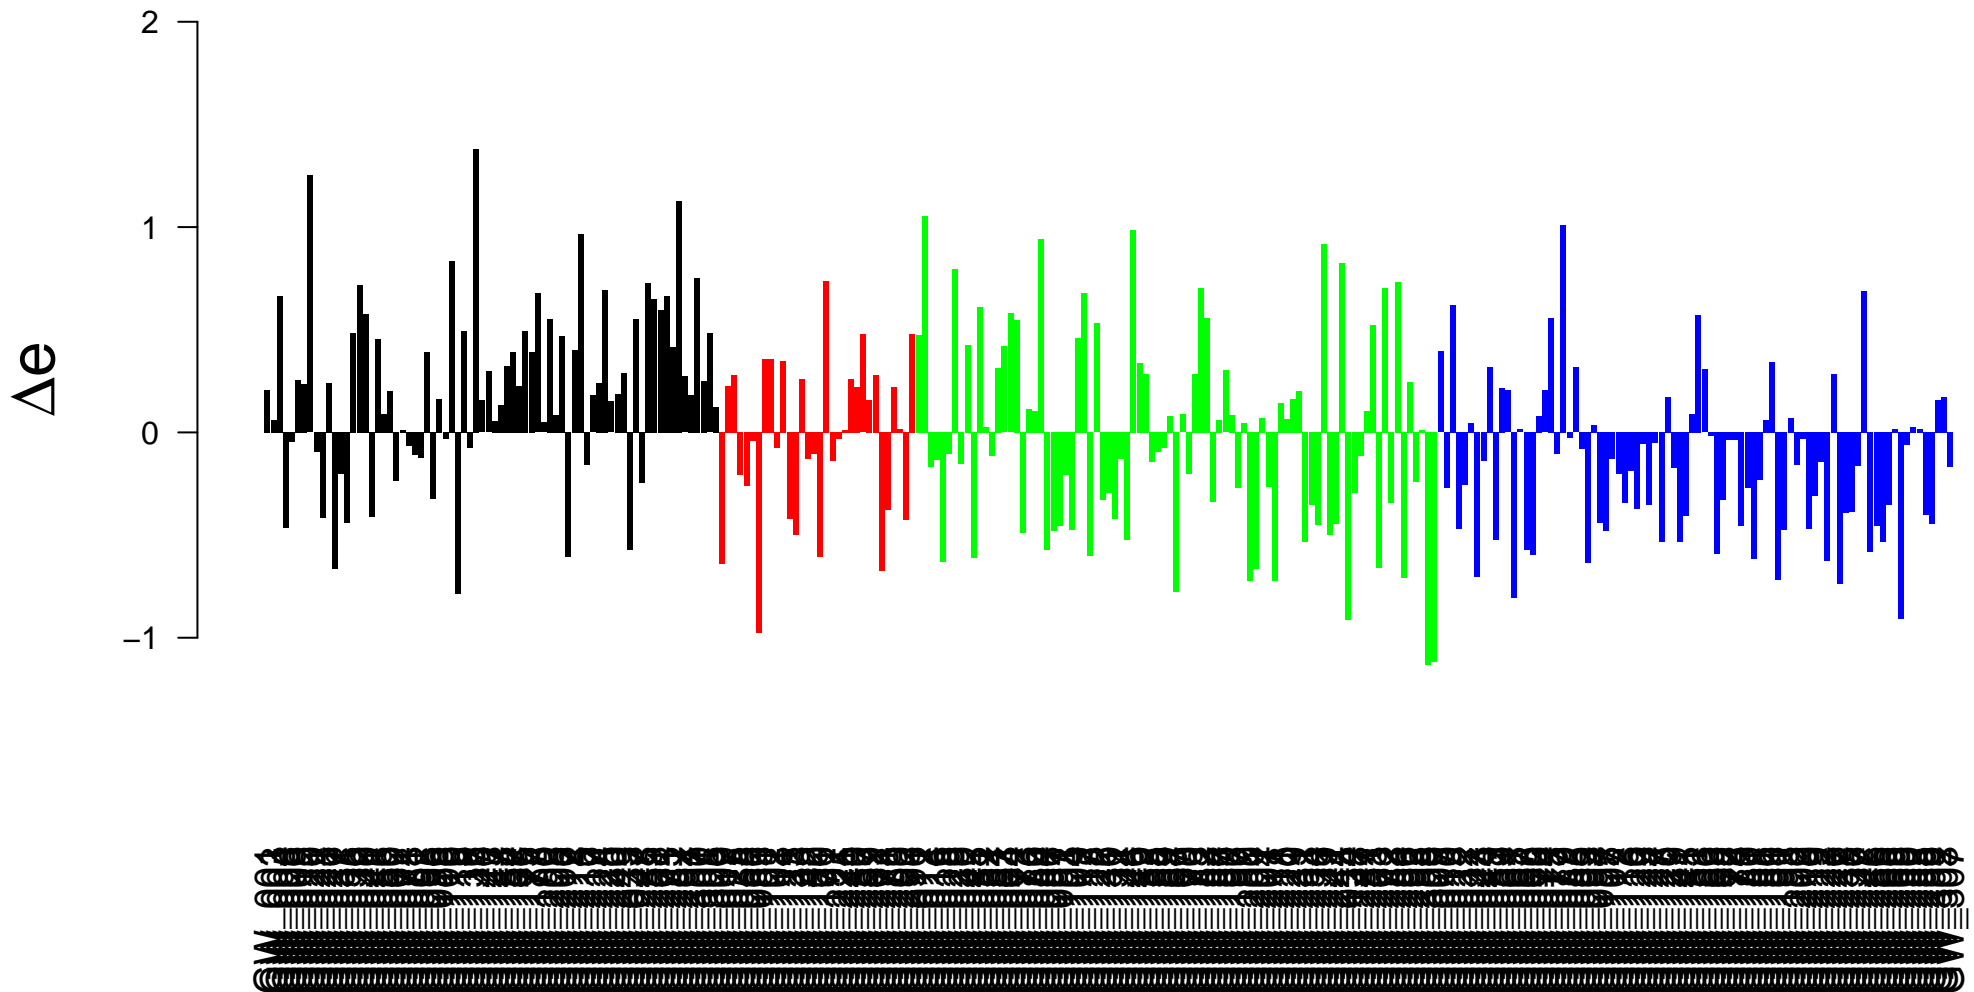

# Expression of stem cell differentiation in Spot G

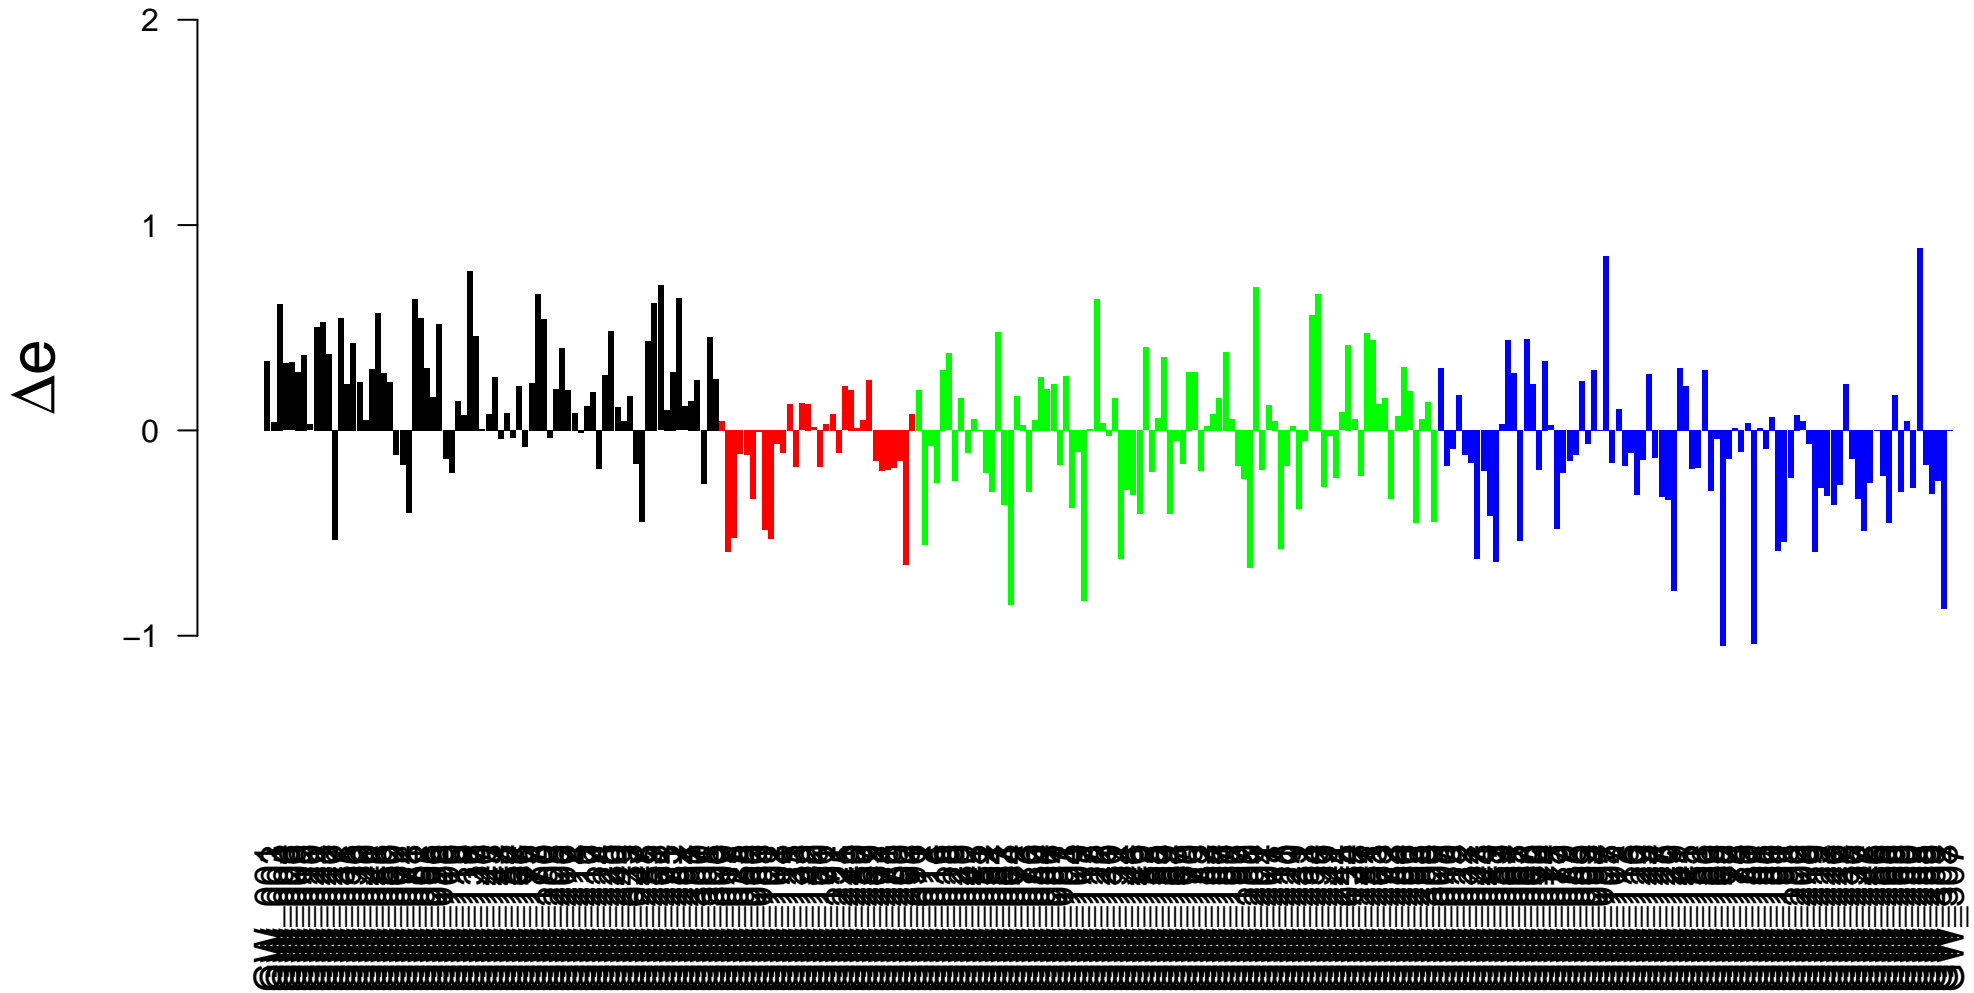

# Expression of stem cell differentiation in Spot H

# Expression of stem cell differentiation in Spot I

# Expression of stem cell differentiation in Spot J

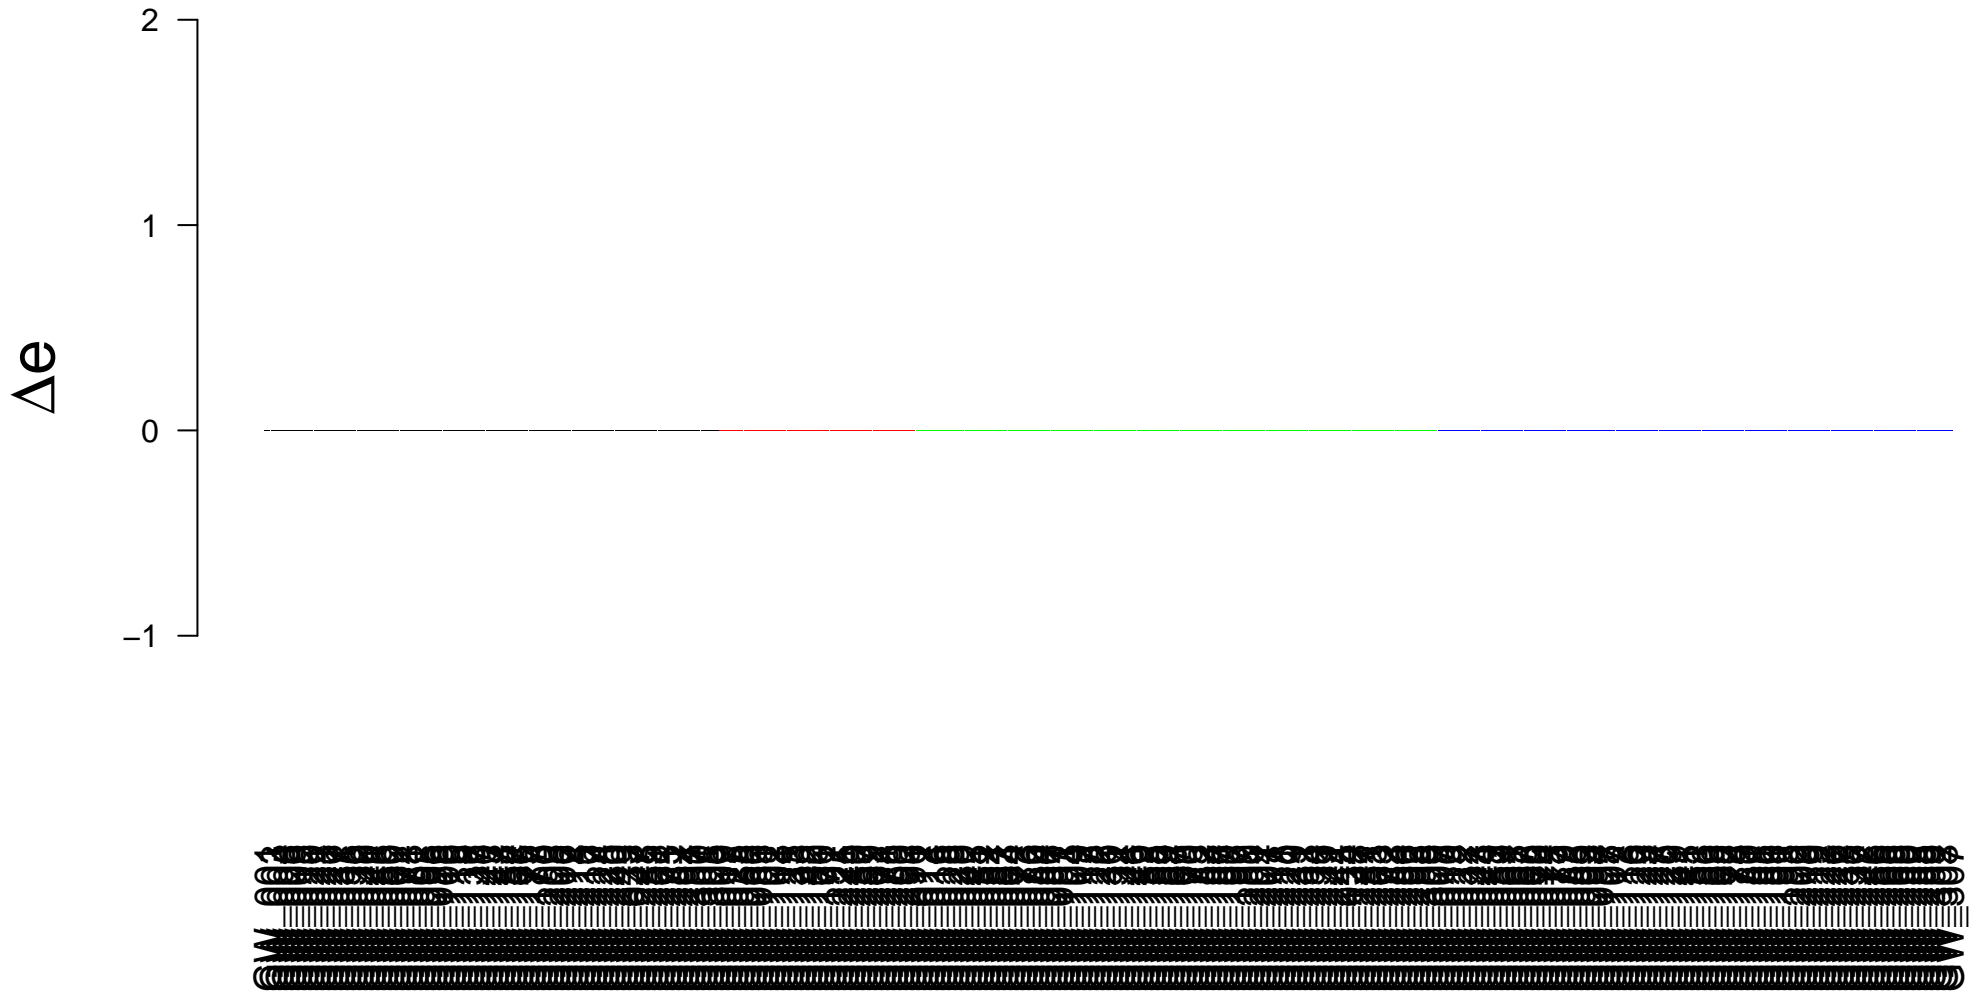

# Expression of stem cell differentiation in Spot K
