

sterol biosynthetic process

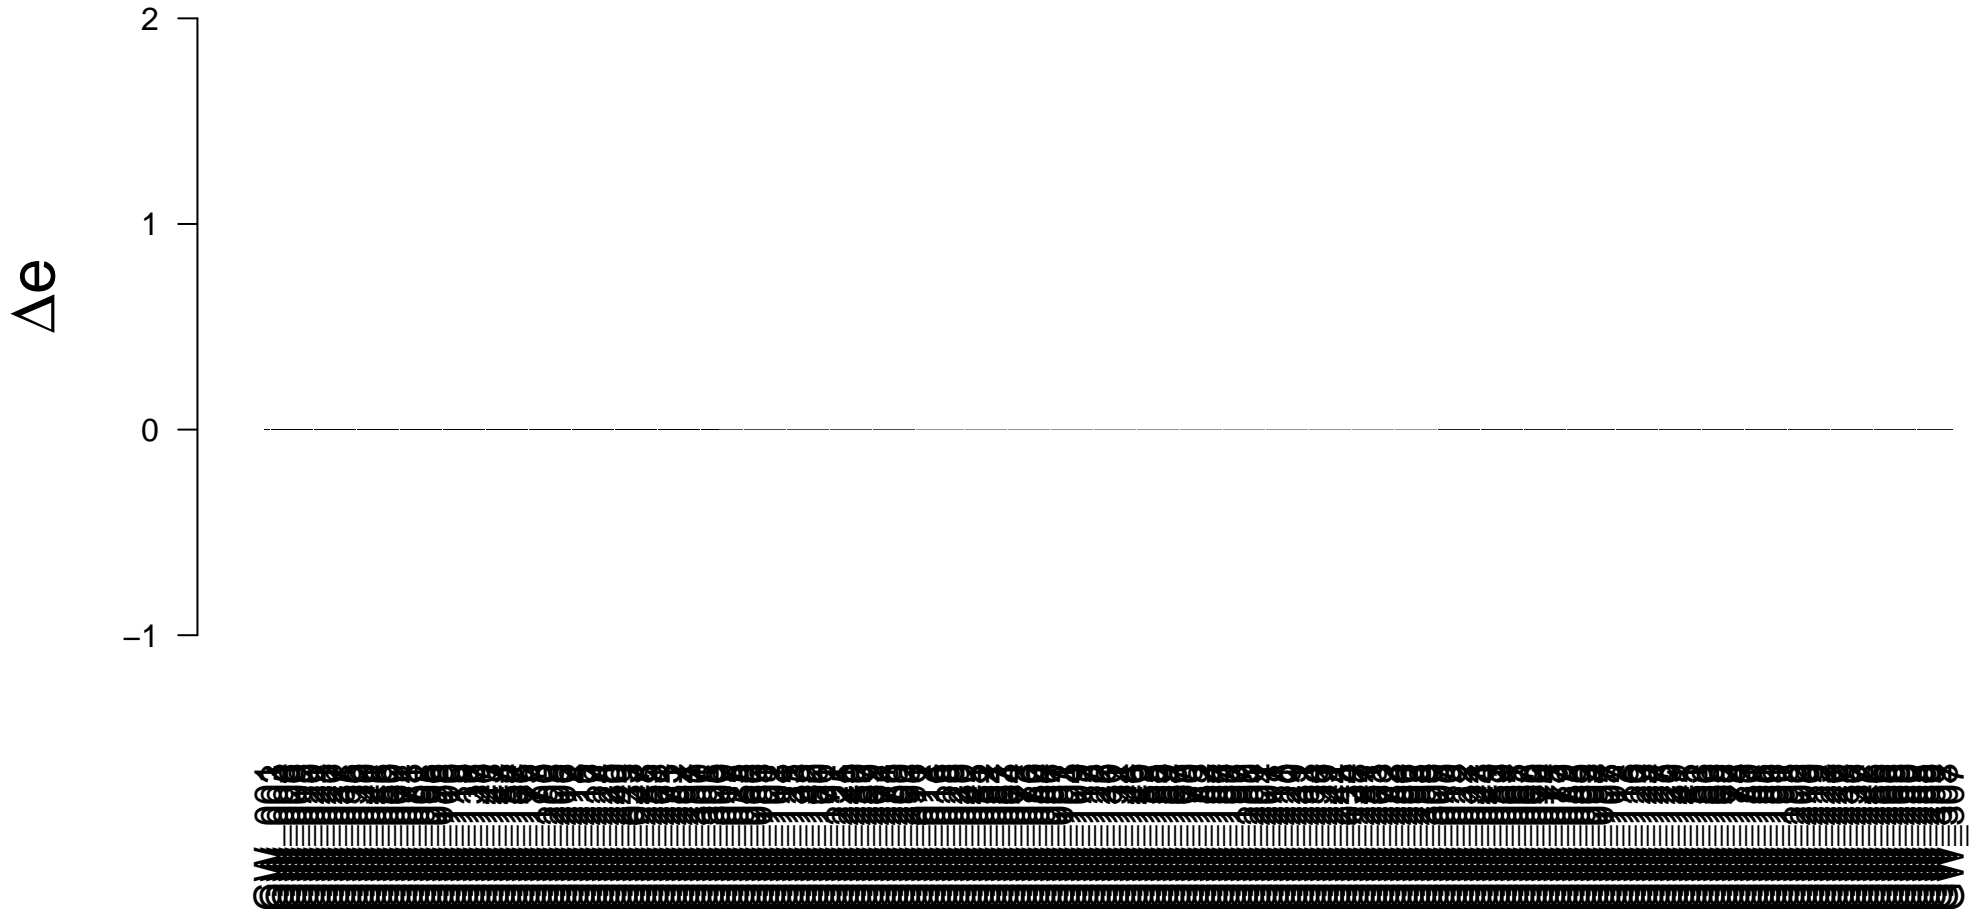

sterol biosynthetic process

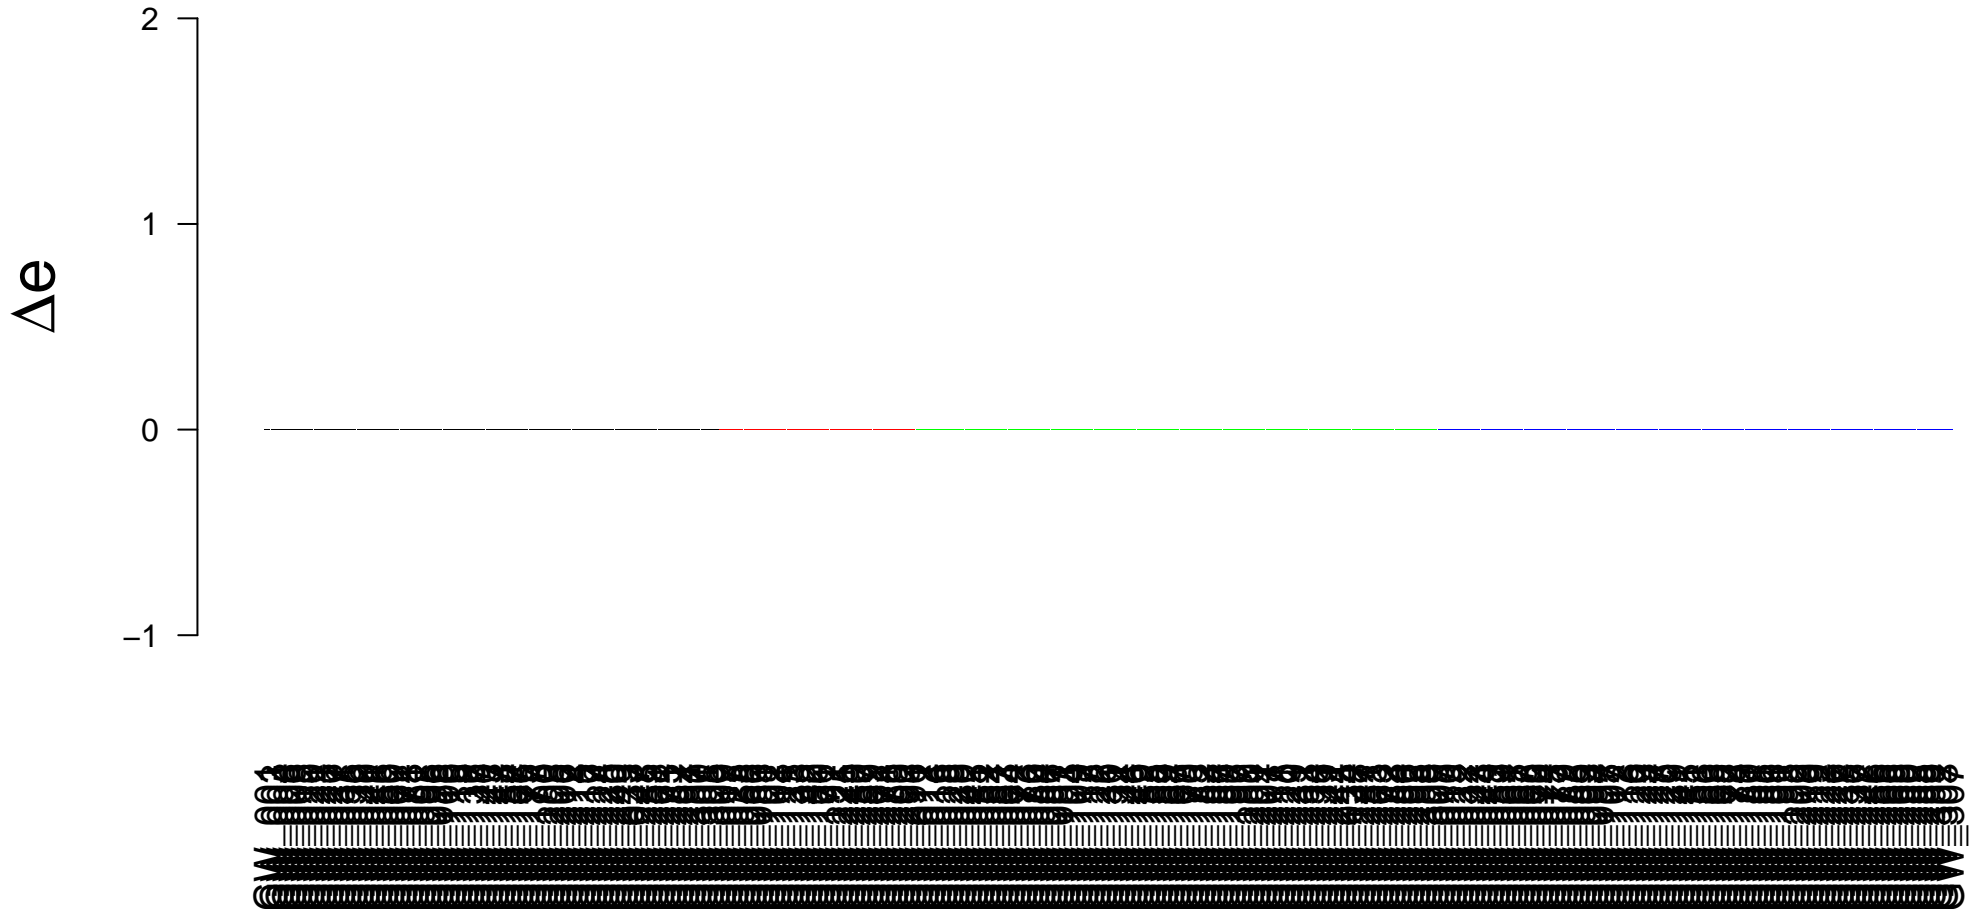

Enrichment in spots: sterol biosynthetic process

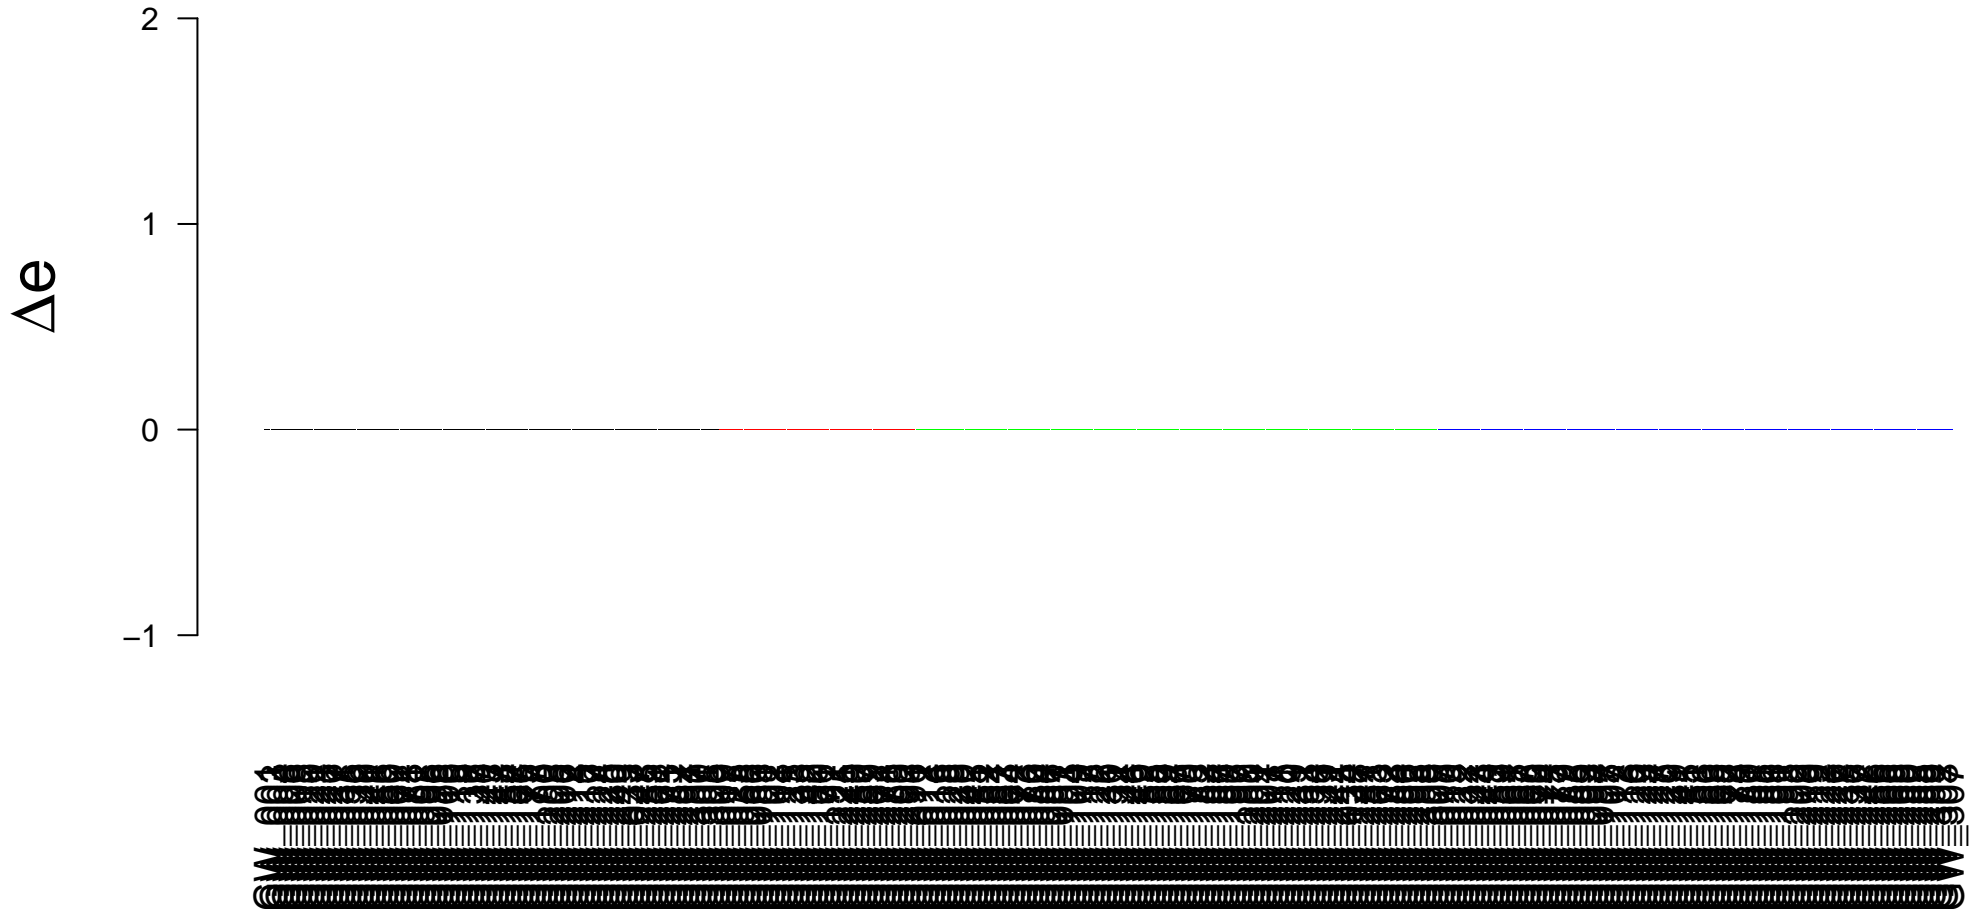

Expression of sterol biosynthetic process in Spot A

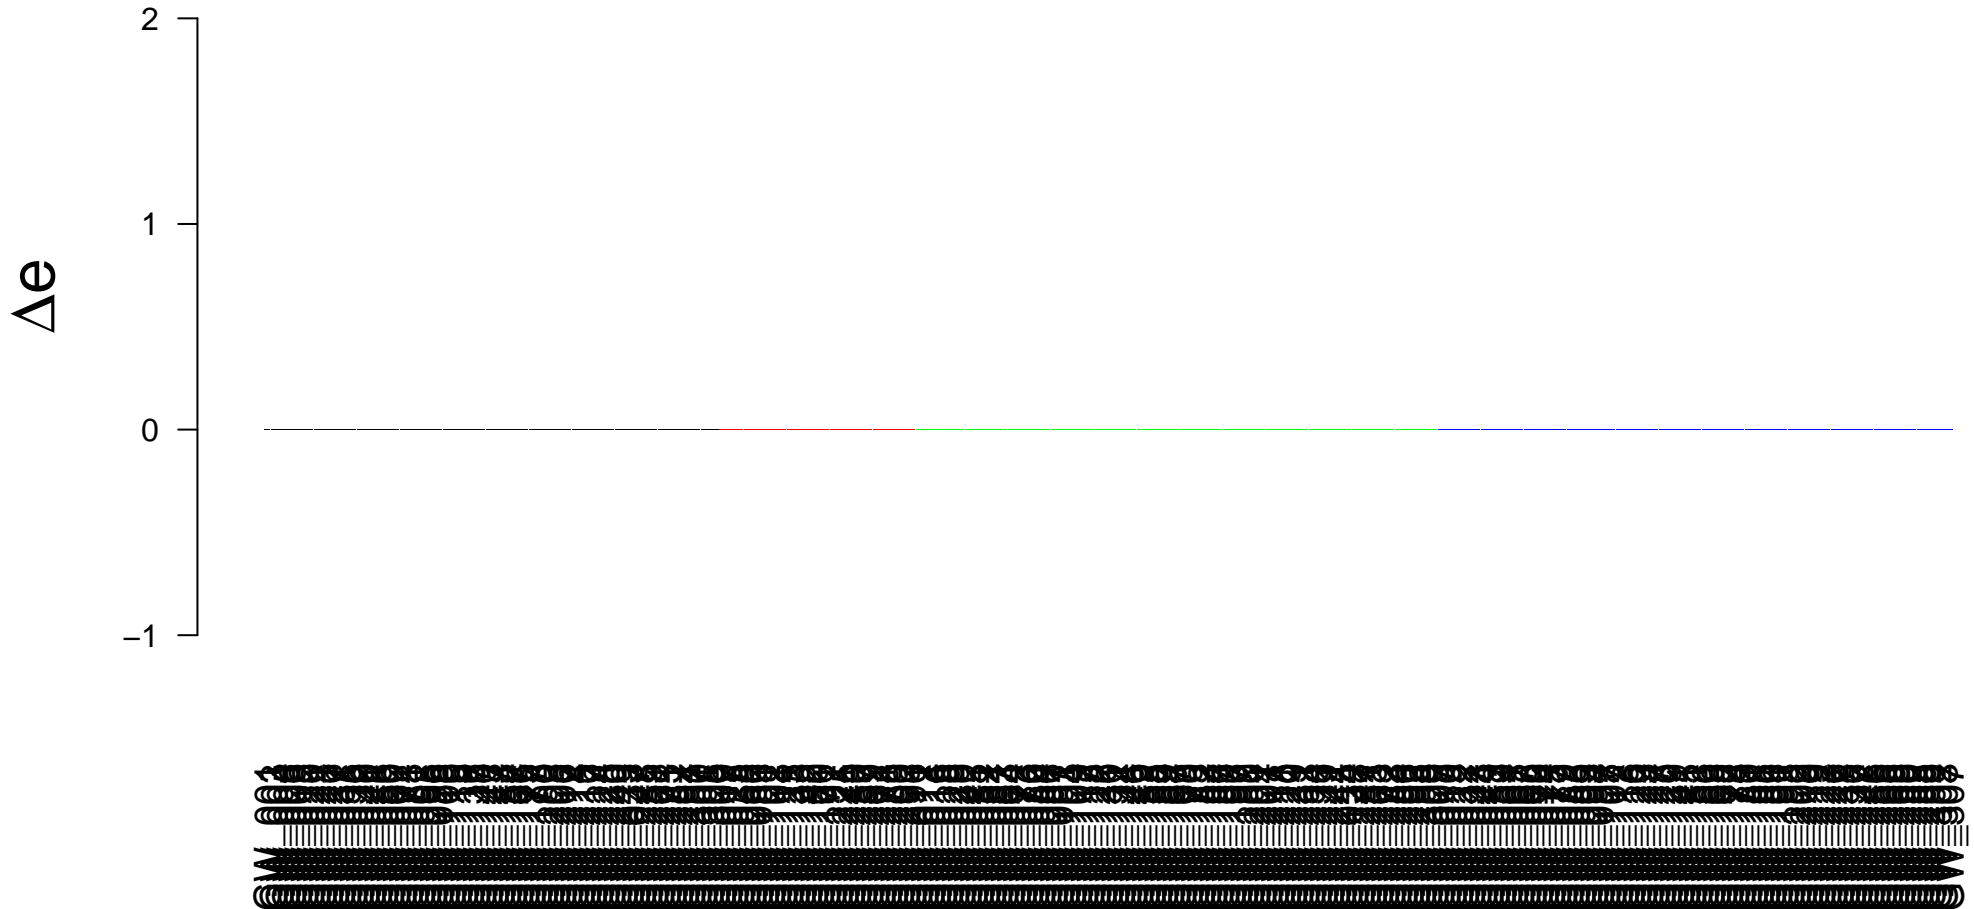

Expression of sterol biosynthetic process in Spot B

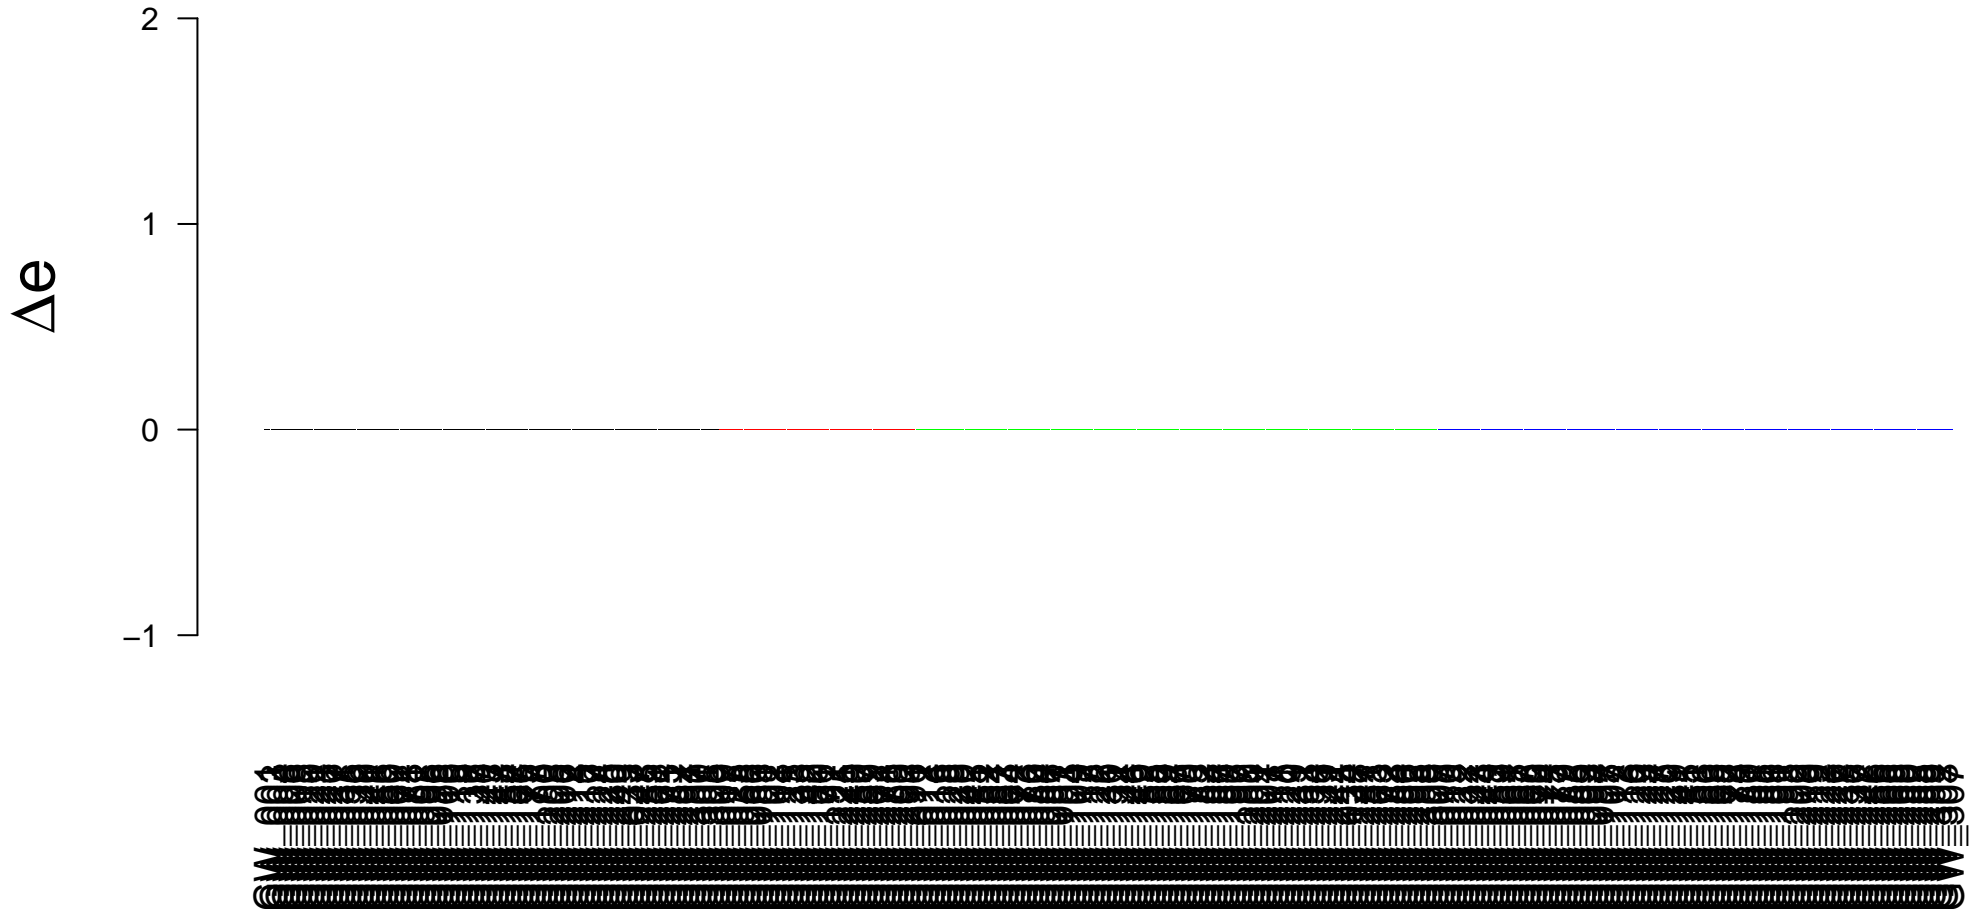

Expression of sterol biosynthetic process in Spot C

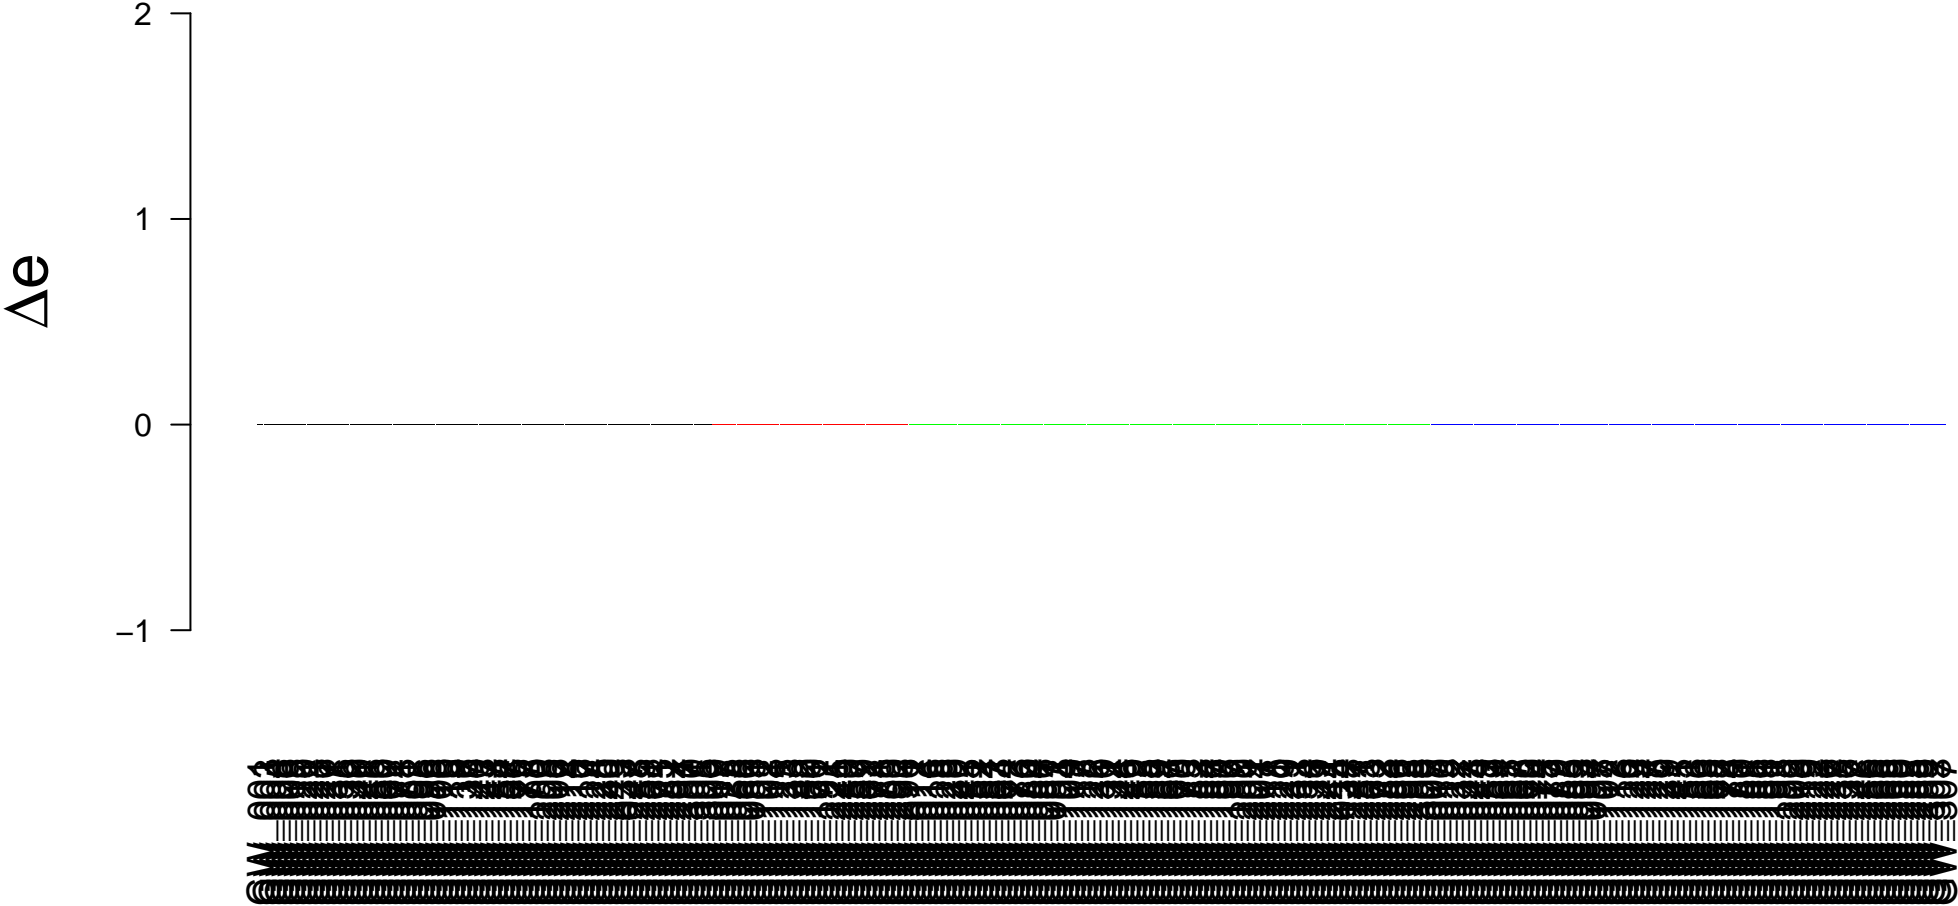

Expression of sterol biosynthetic process in Spot D

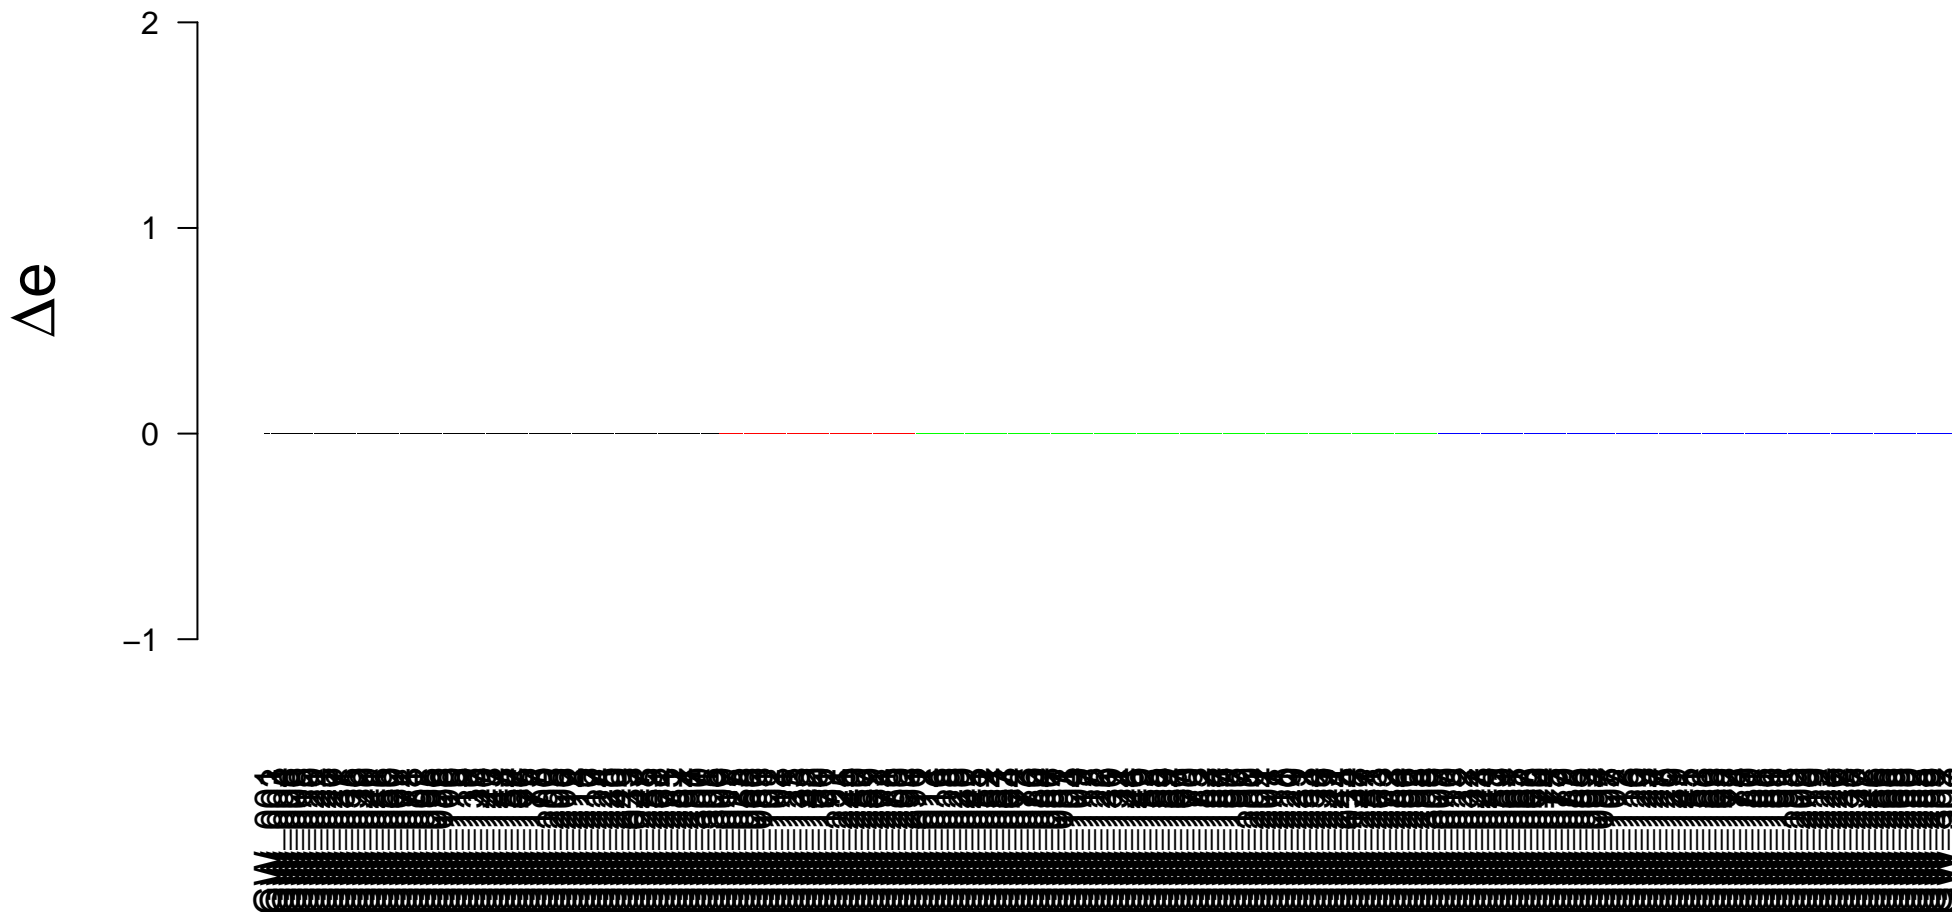

Expression of sterol biosynthetic process in Spot E

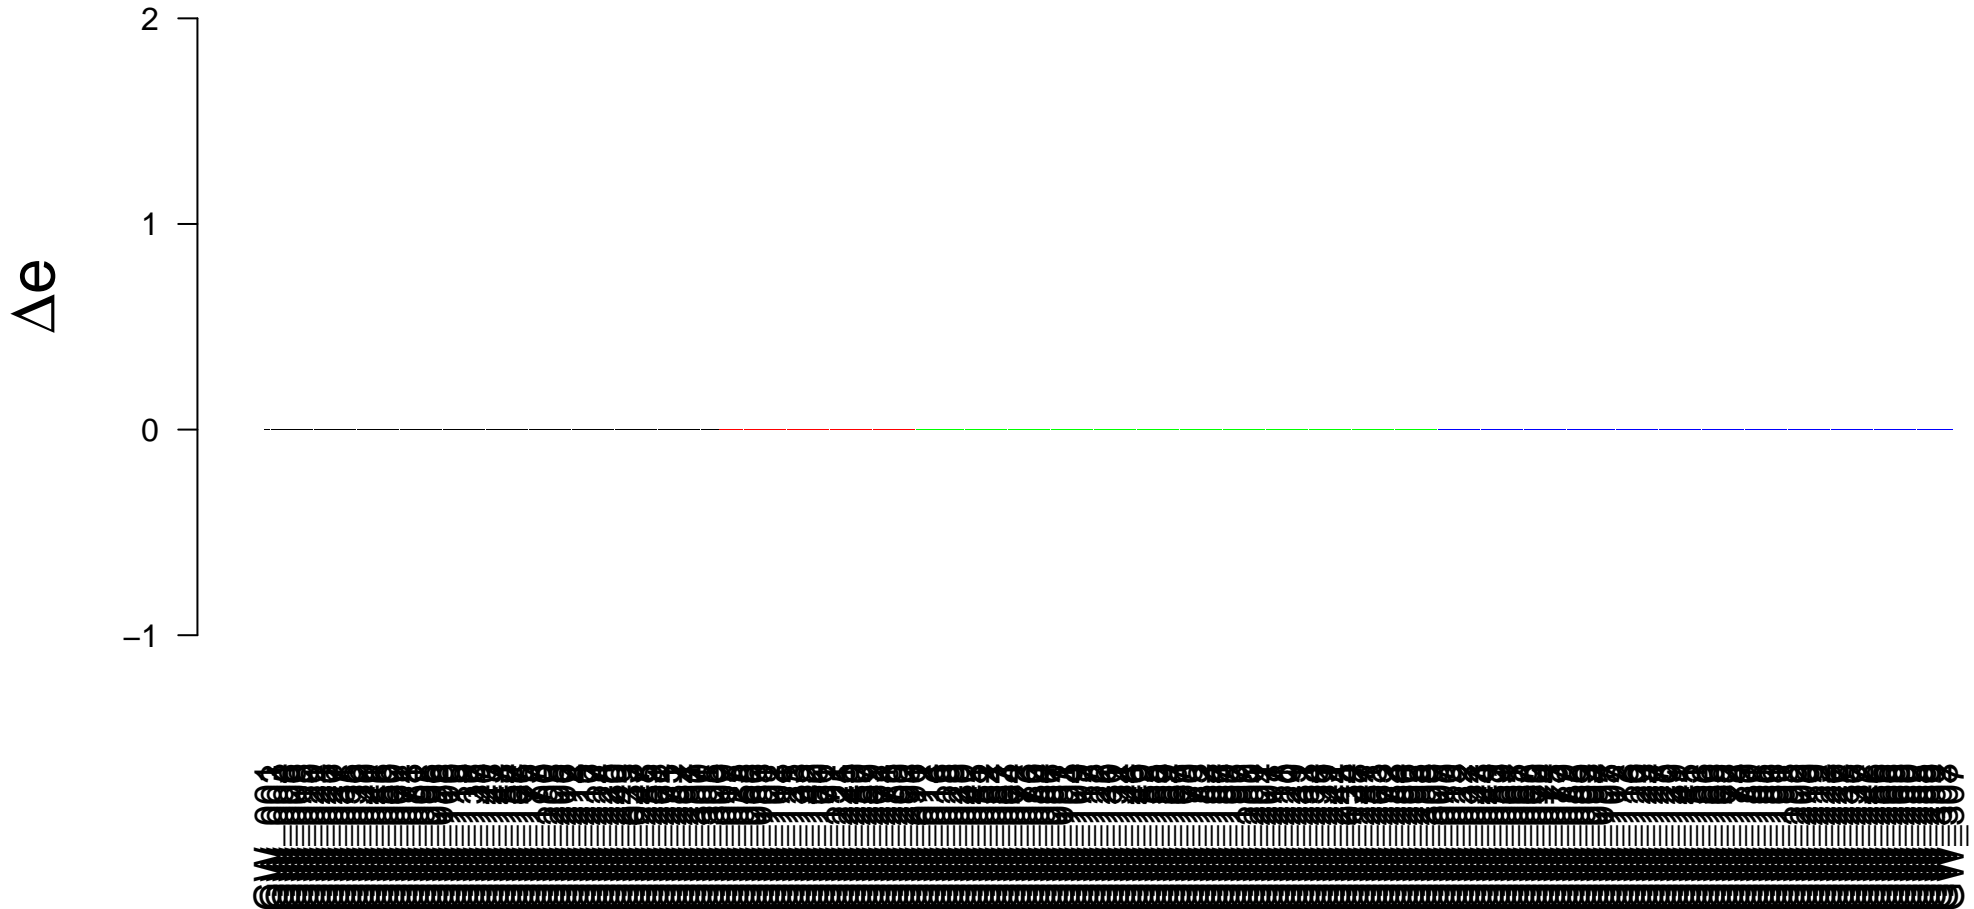

Expression of sterol biosynthetic process in Spot F

Expression of sterol biosynthetic process in Spot G

Expression of sterol biosynthetic process in Spot H

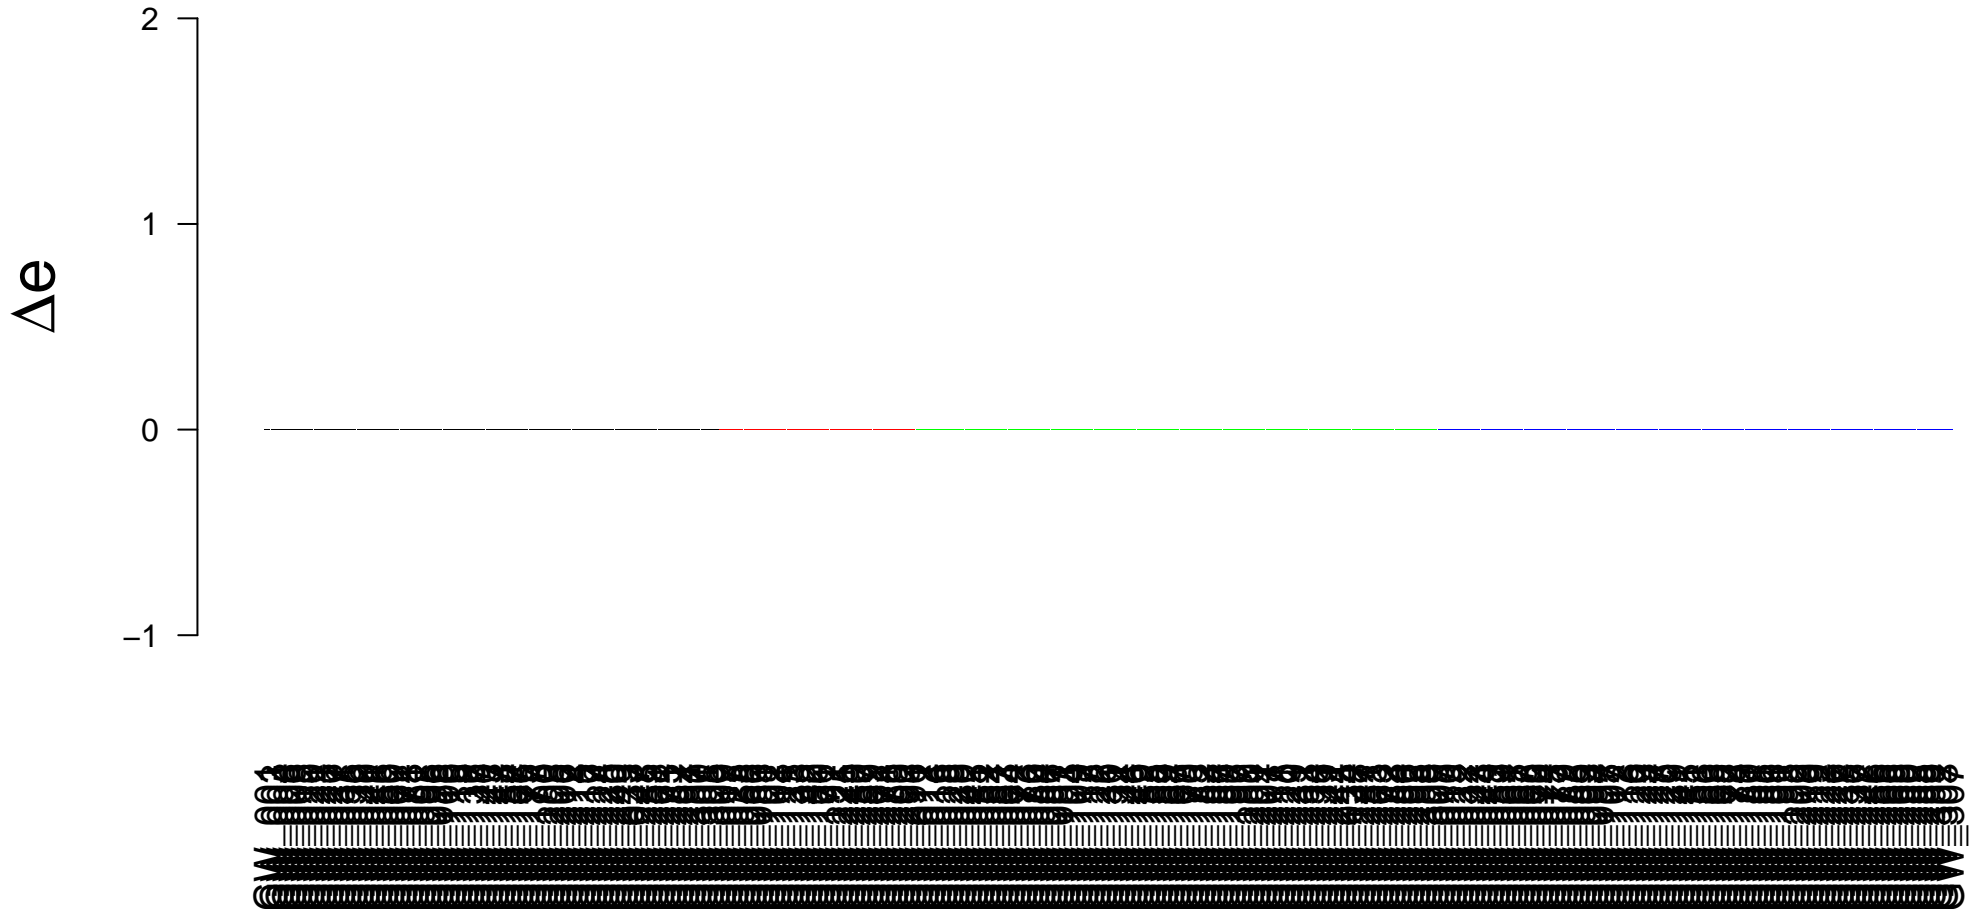

Expression of sterol biosynthetic process in Spot I

Expression of sterol biosynthetic process in Spot J

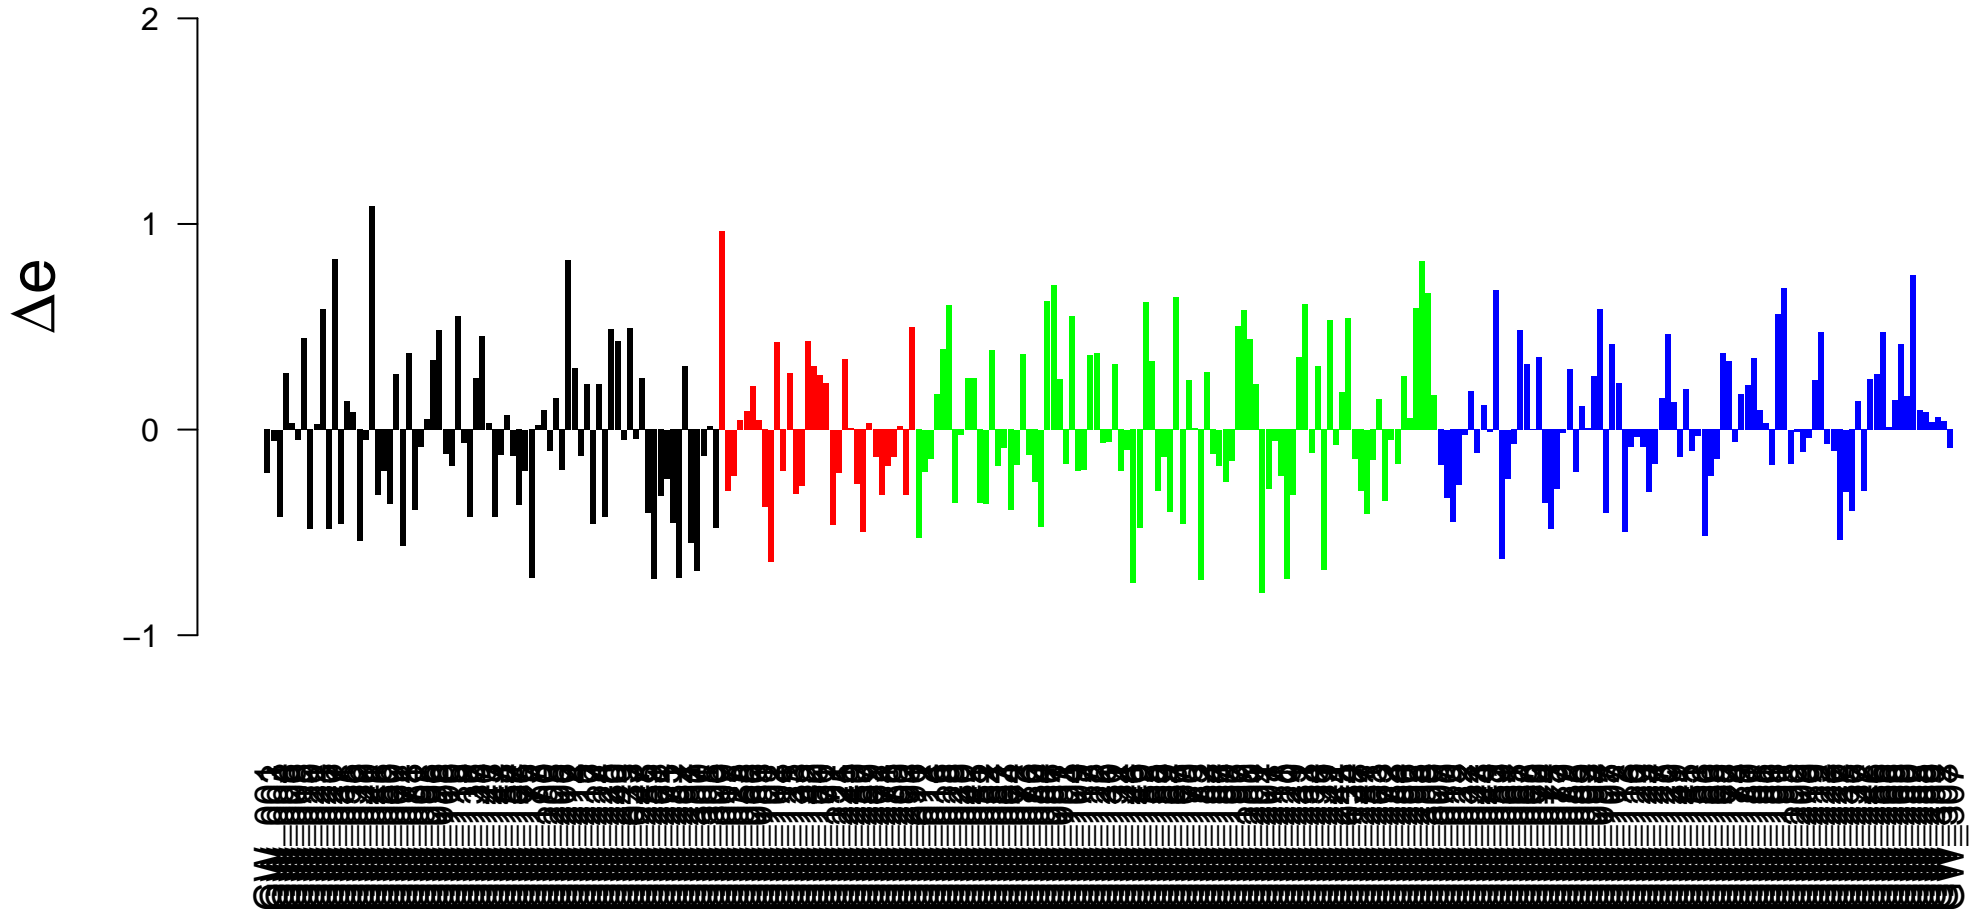

Expression of sterol biosynthetic process in Spot K

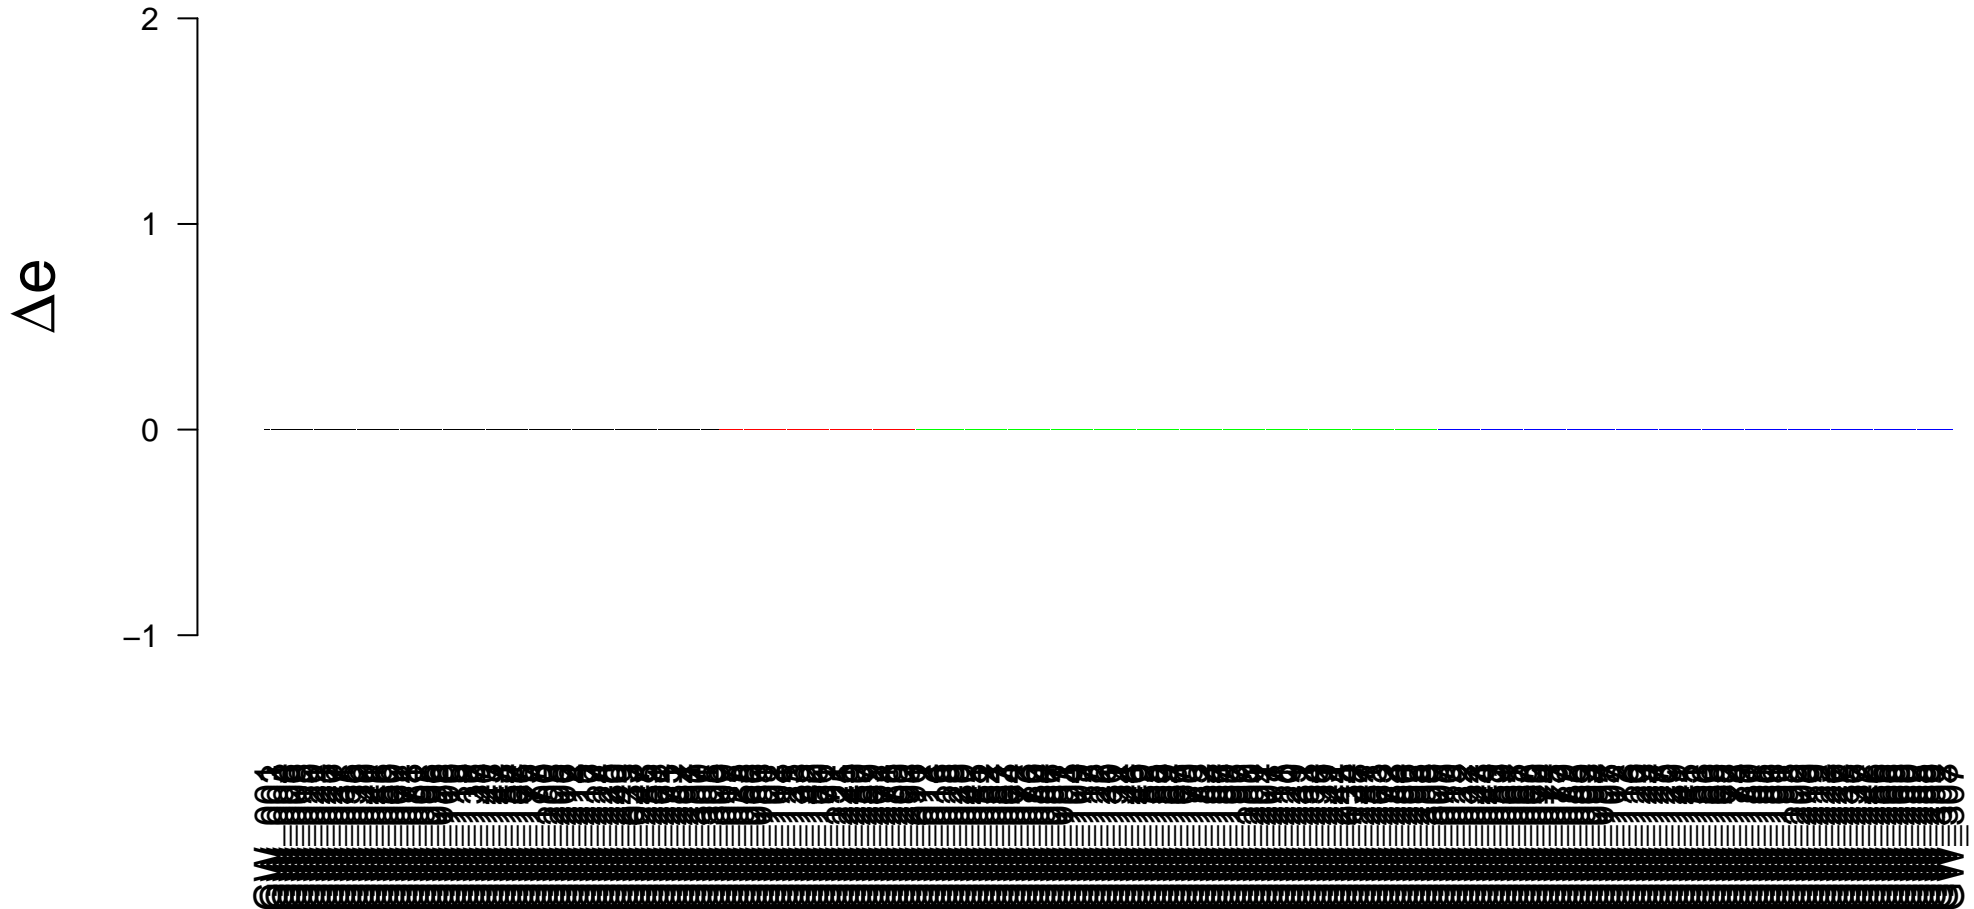

Expression of sterol biosynthetic process in Spot L

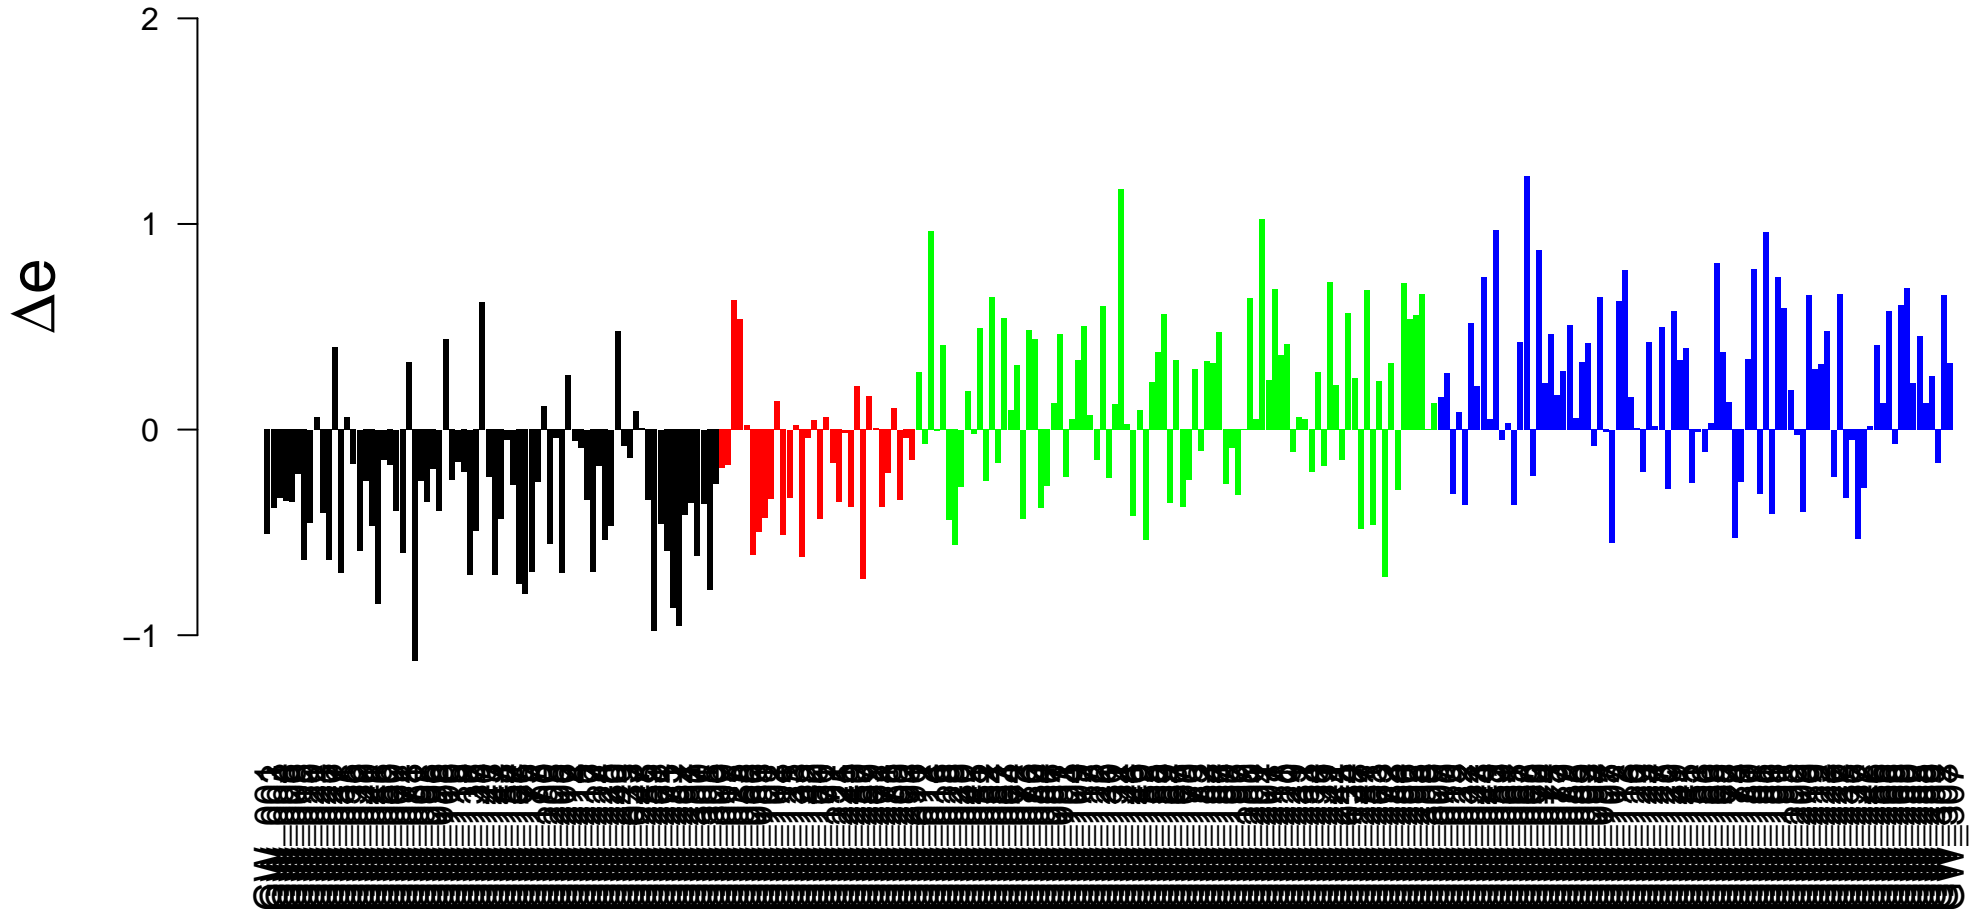

Expression of sterol biosynthetic process in Spot M

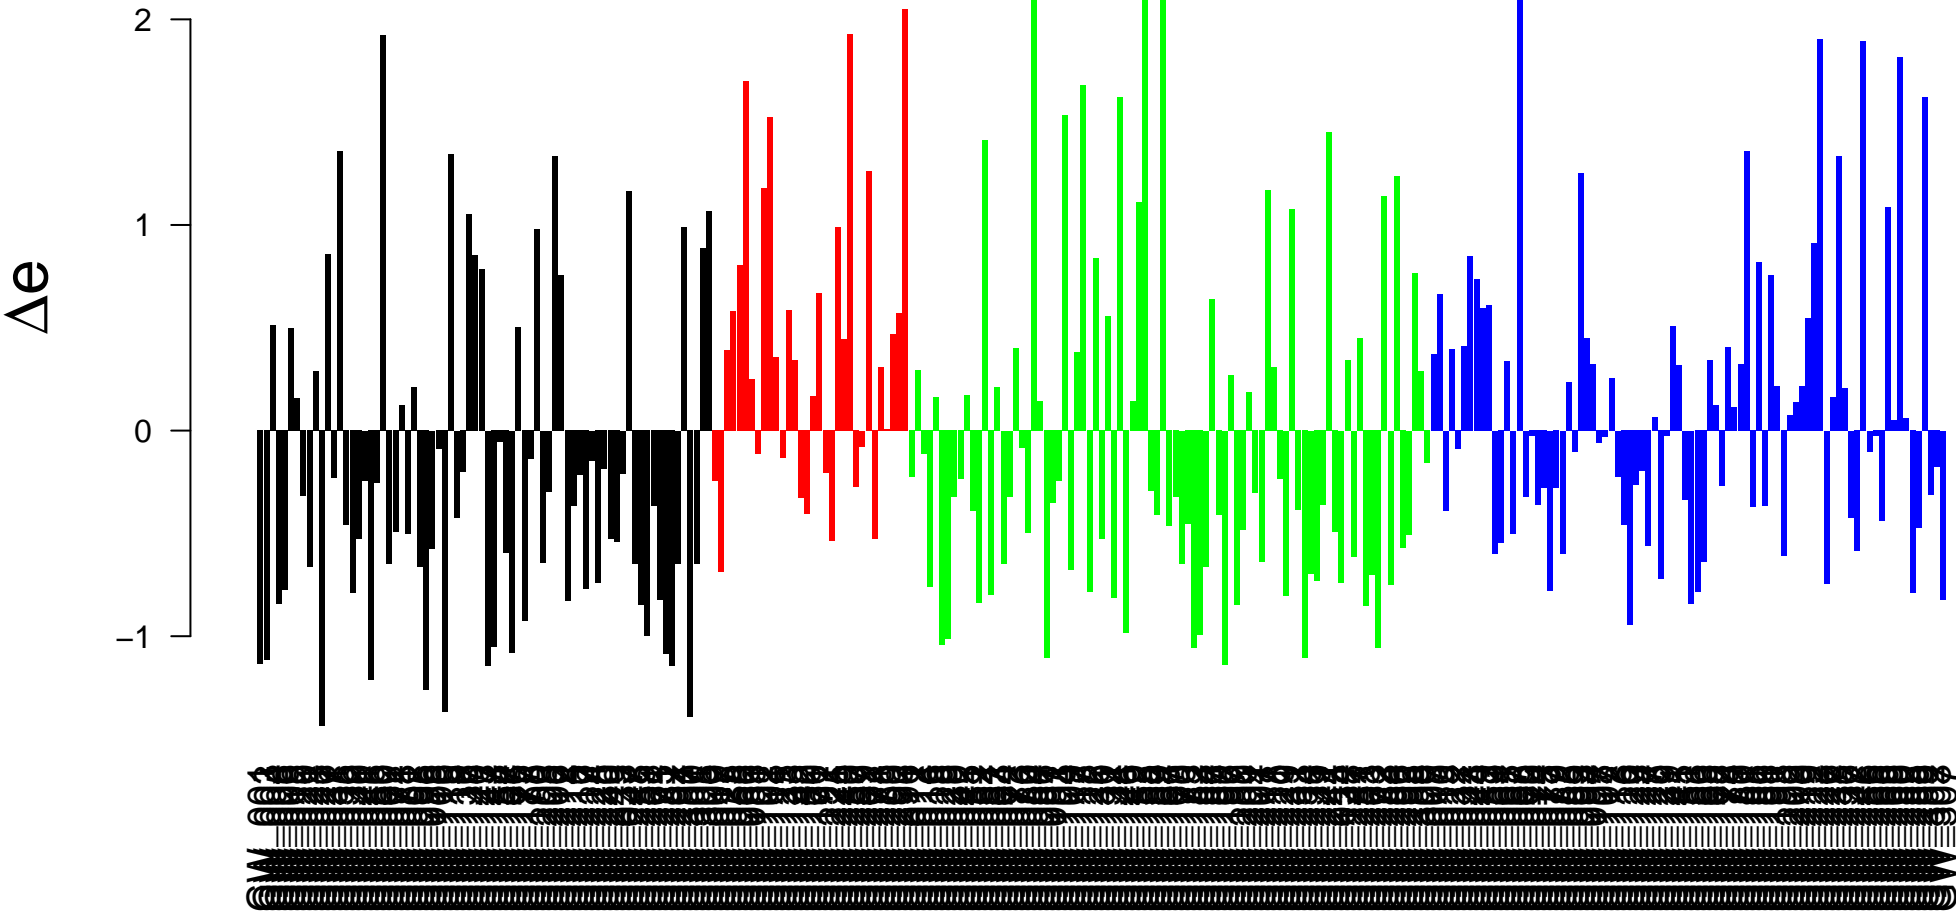

Expression of sterol biosynthetic process in Spot N

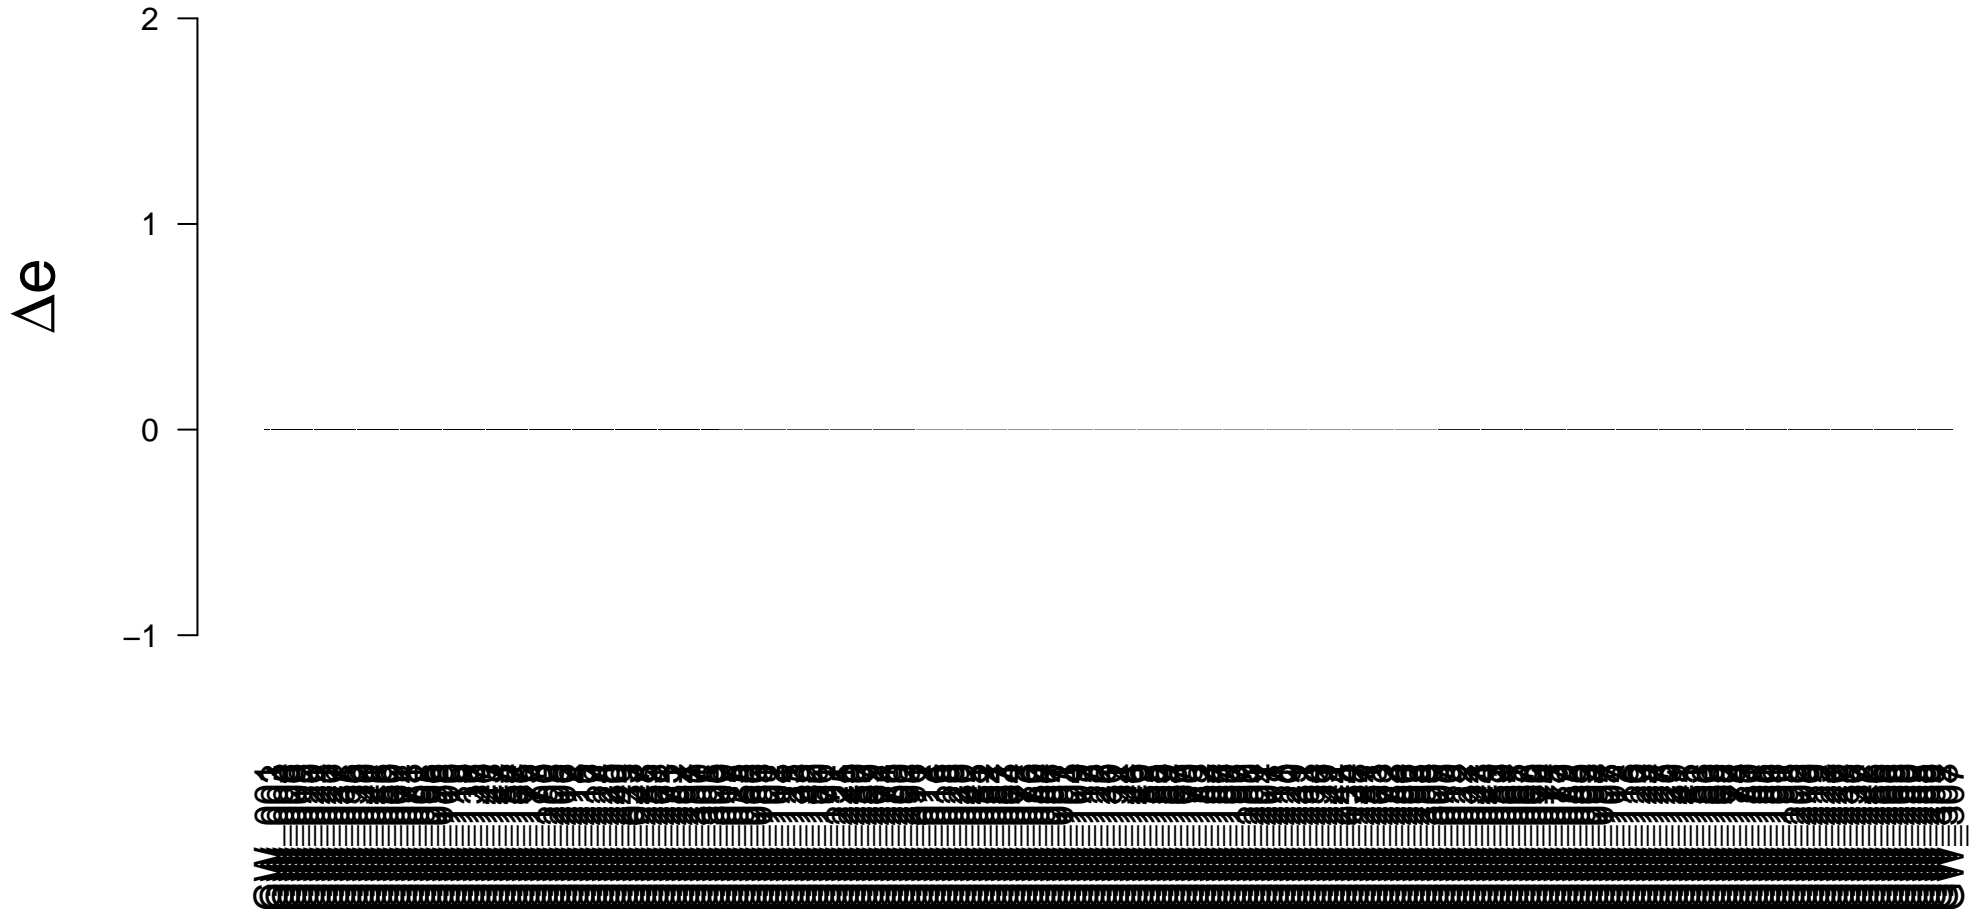

Expression of sterol biosynthetic process in Spot O

Expression of sterol biosynthetic process in Spot P

Expression of sterol biosynthetic process in Spot Q

Expression of sterol biosynthetic process in Spot R
