

stress-activated MAPK cascade

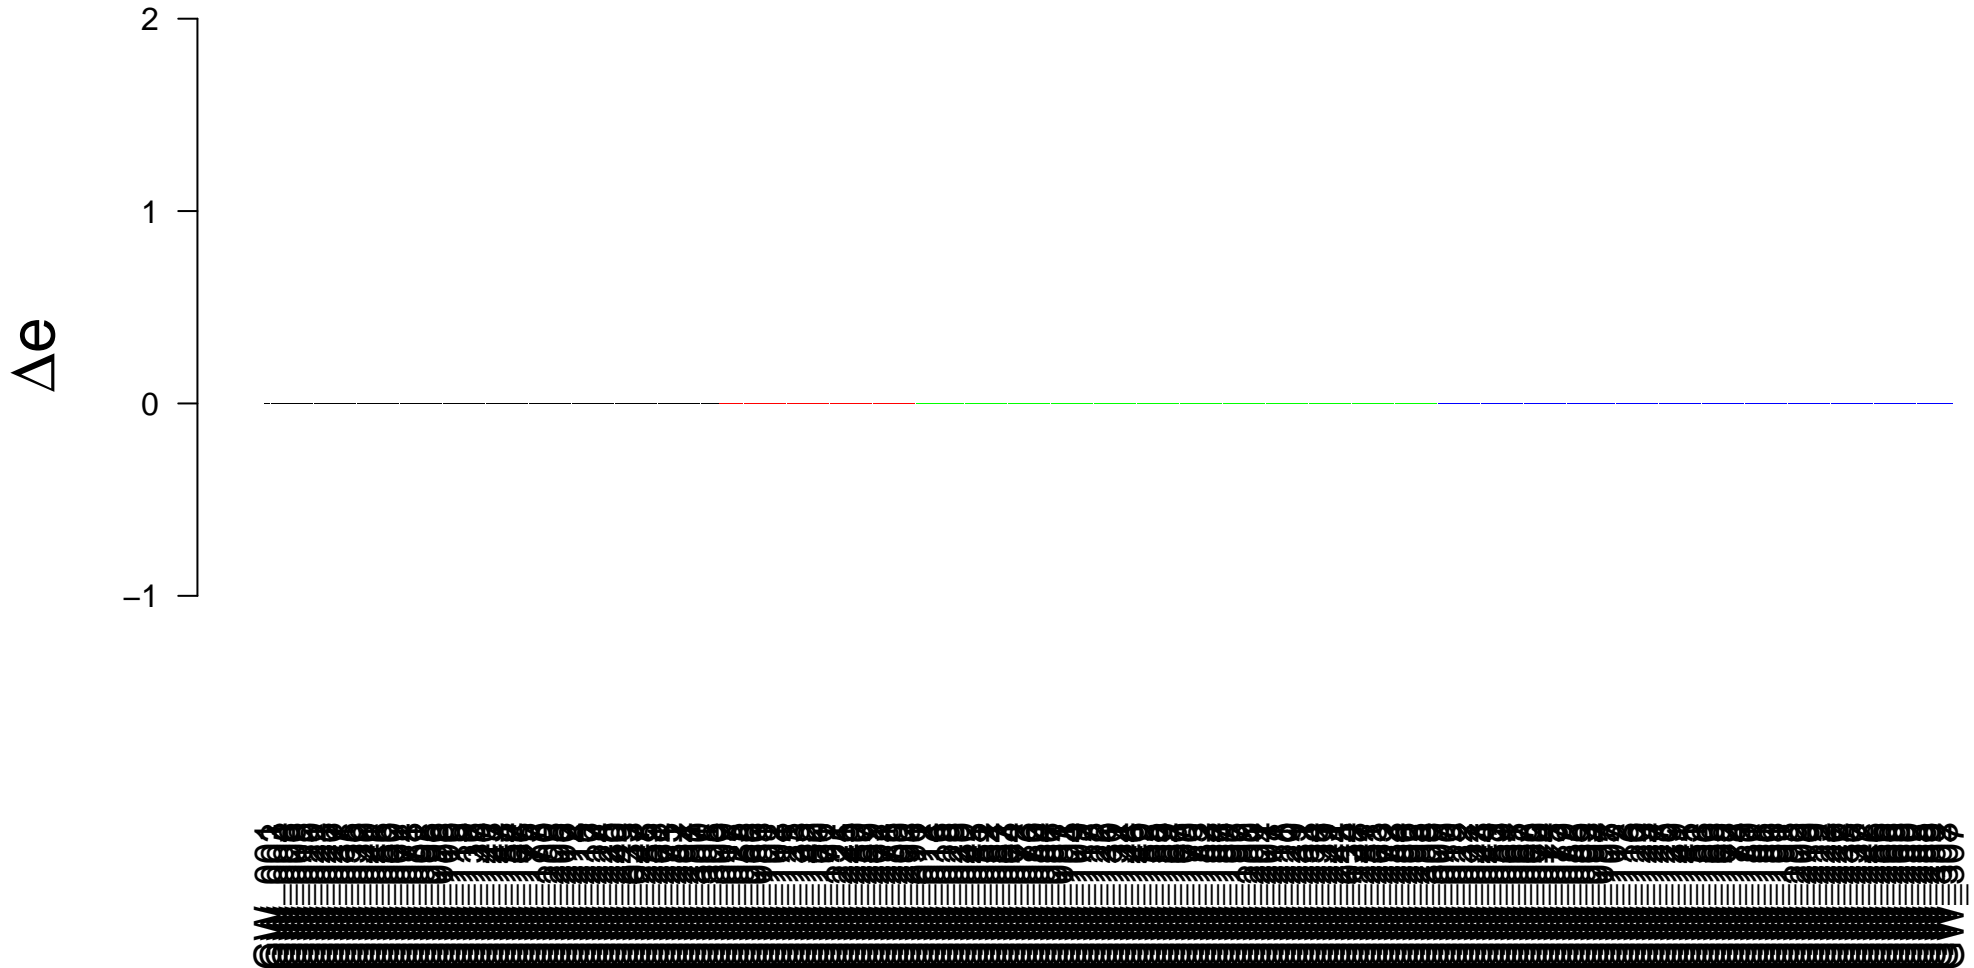

stress-activated MAPK cascade

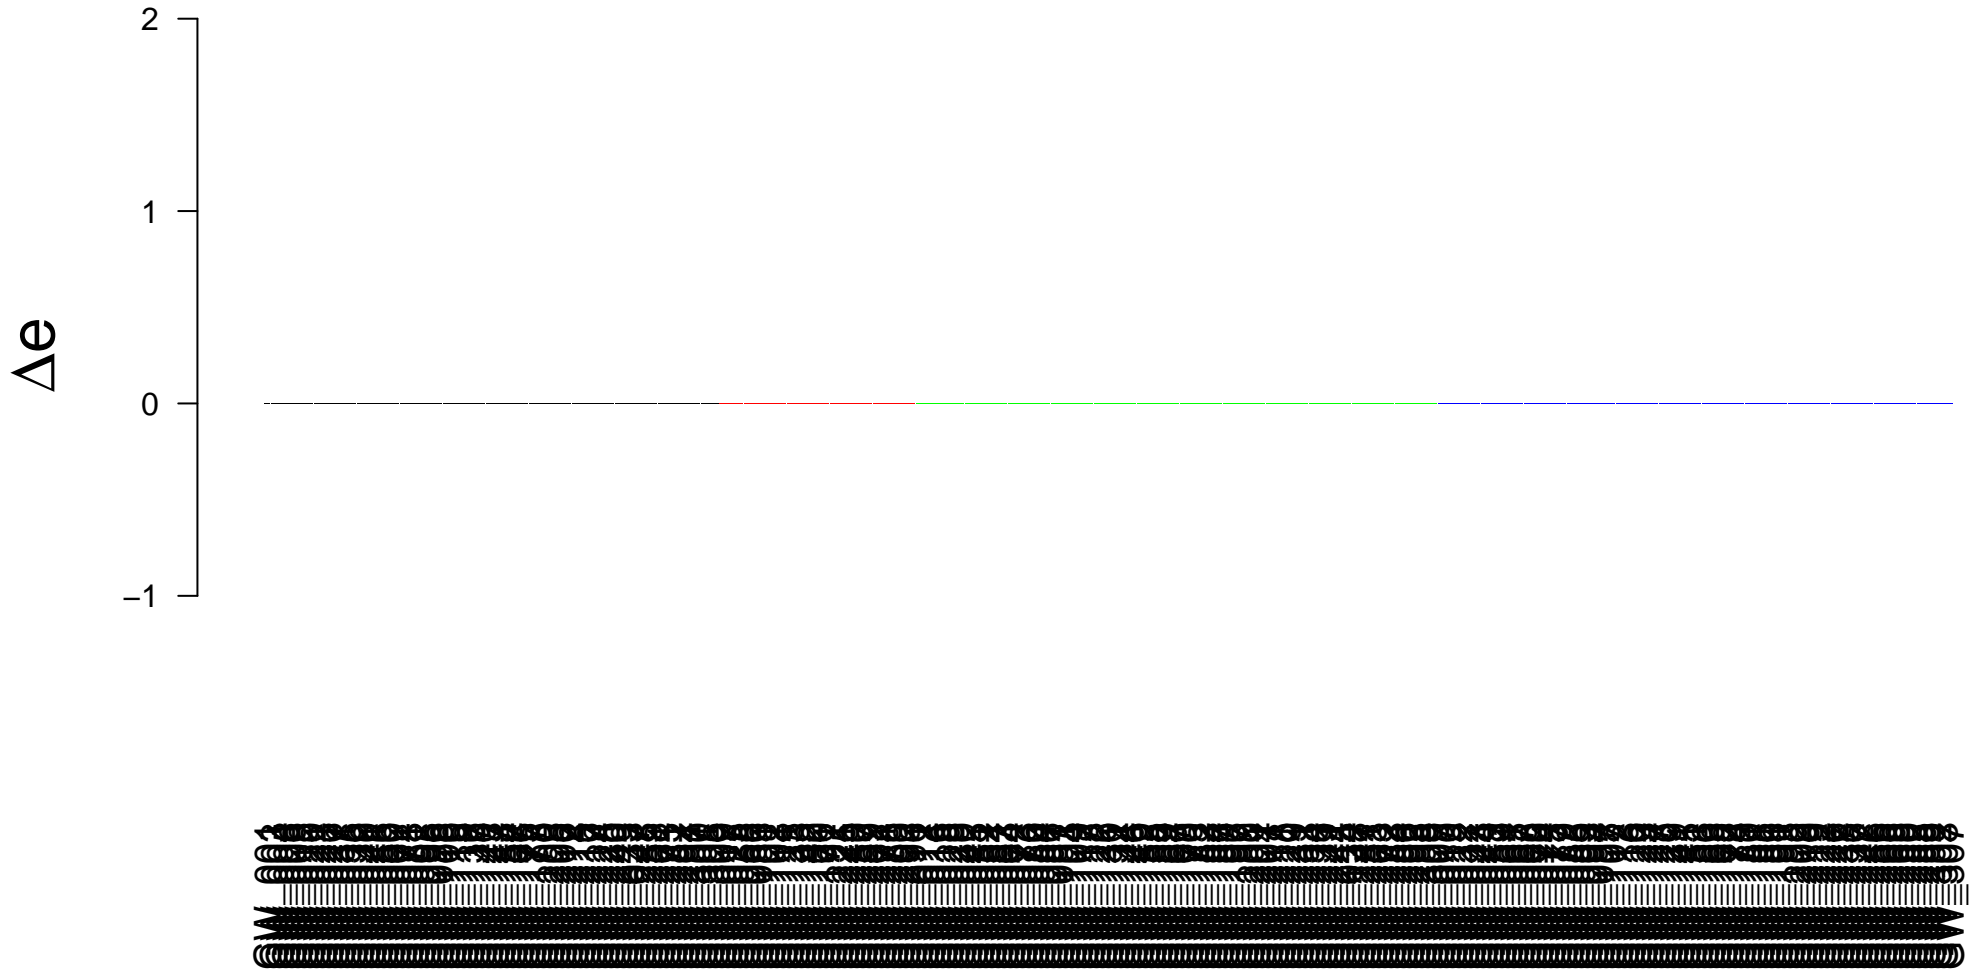

Enrichment in spots: stress-activated MAPK cascade

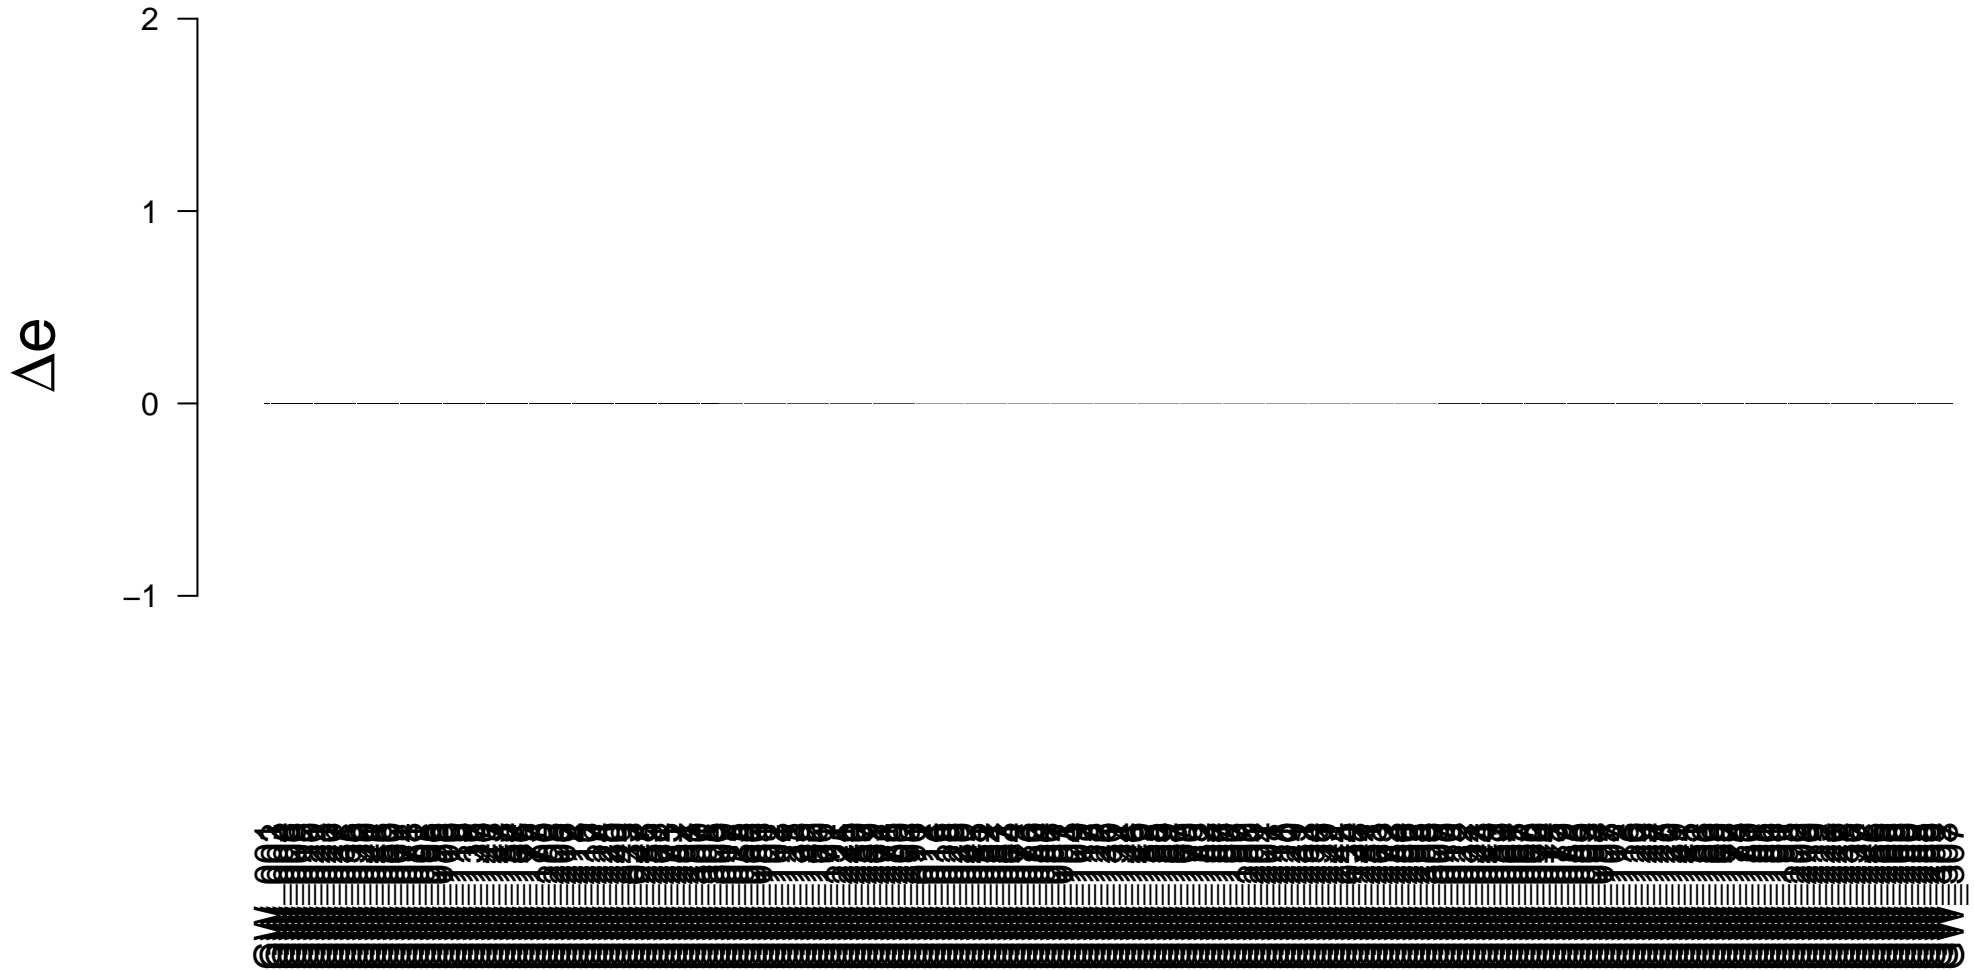

Expression of stress-activated MAPK cascade in Spot A

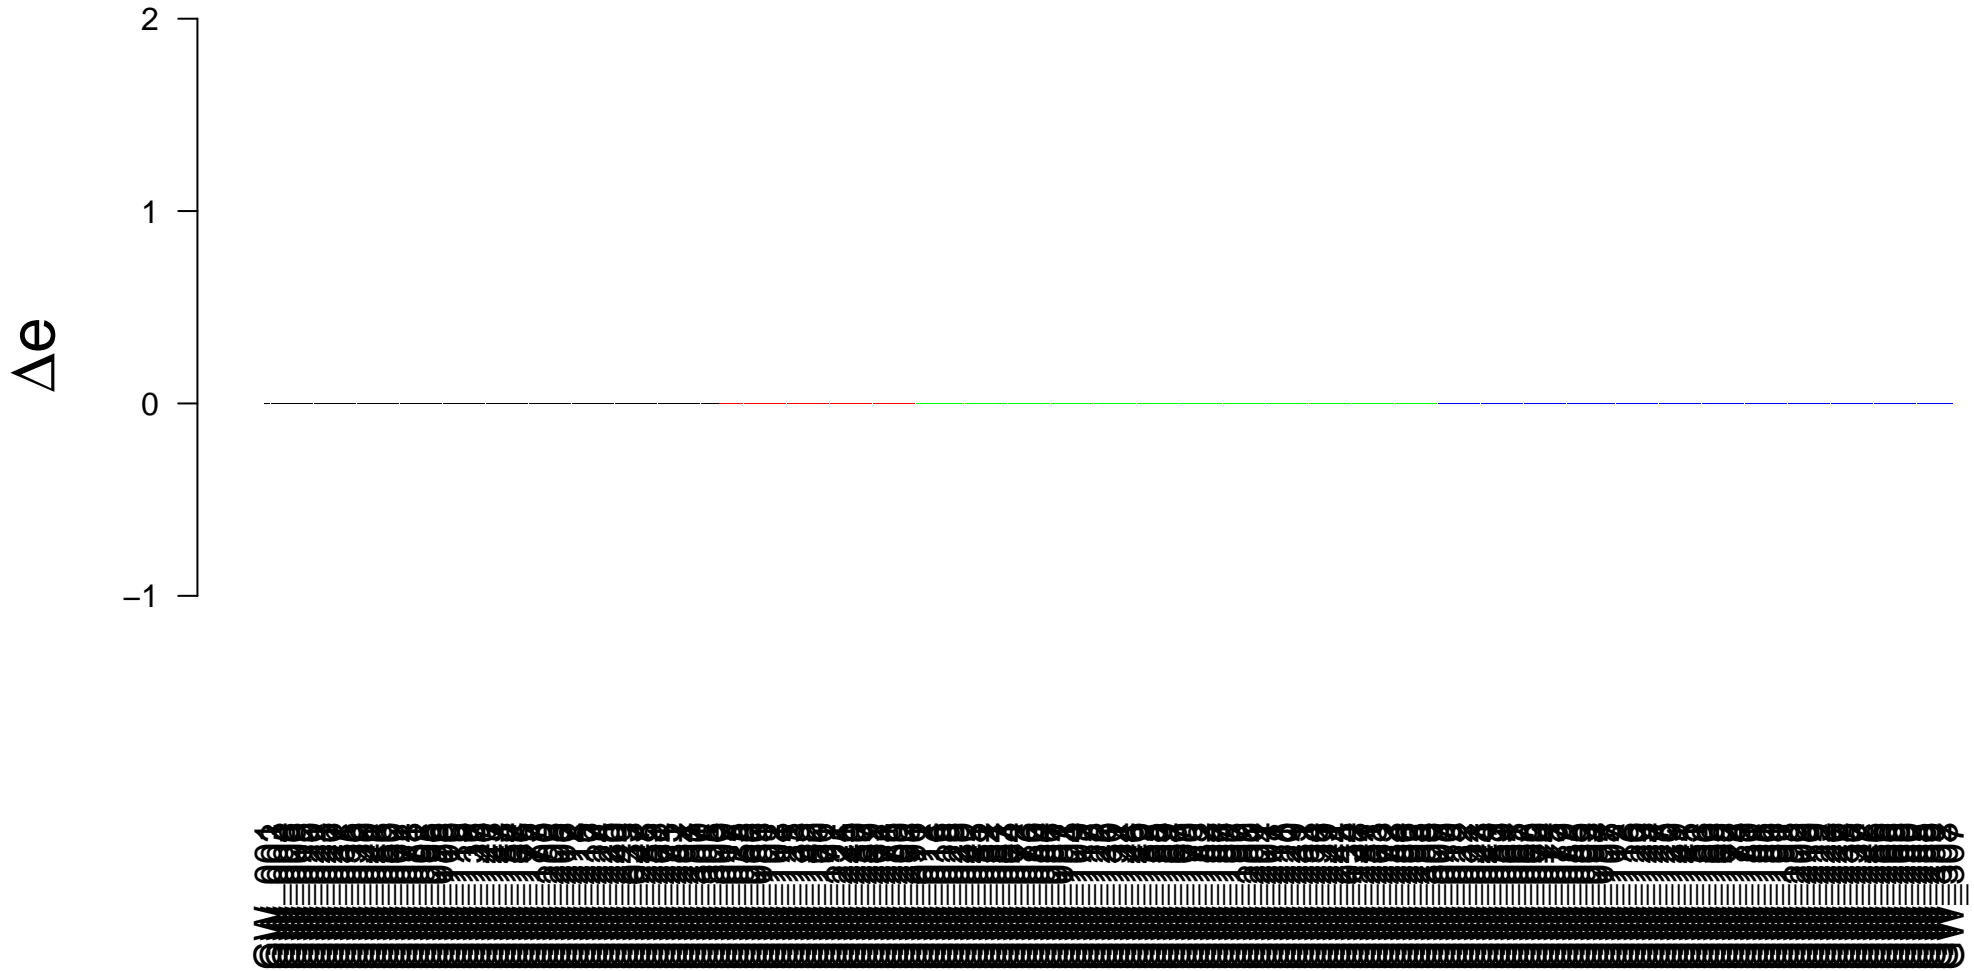

Expression of stress-activated MAPK cascade in Spot B

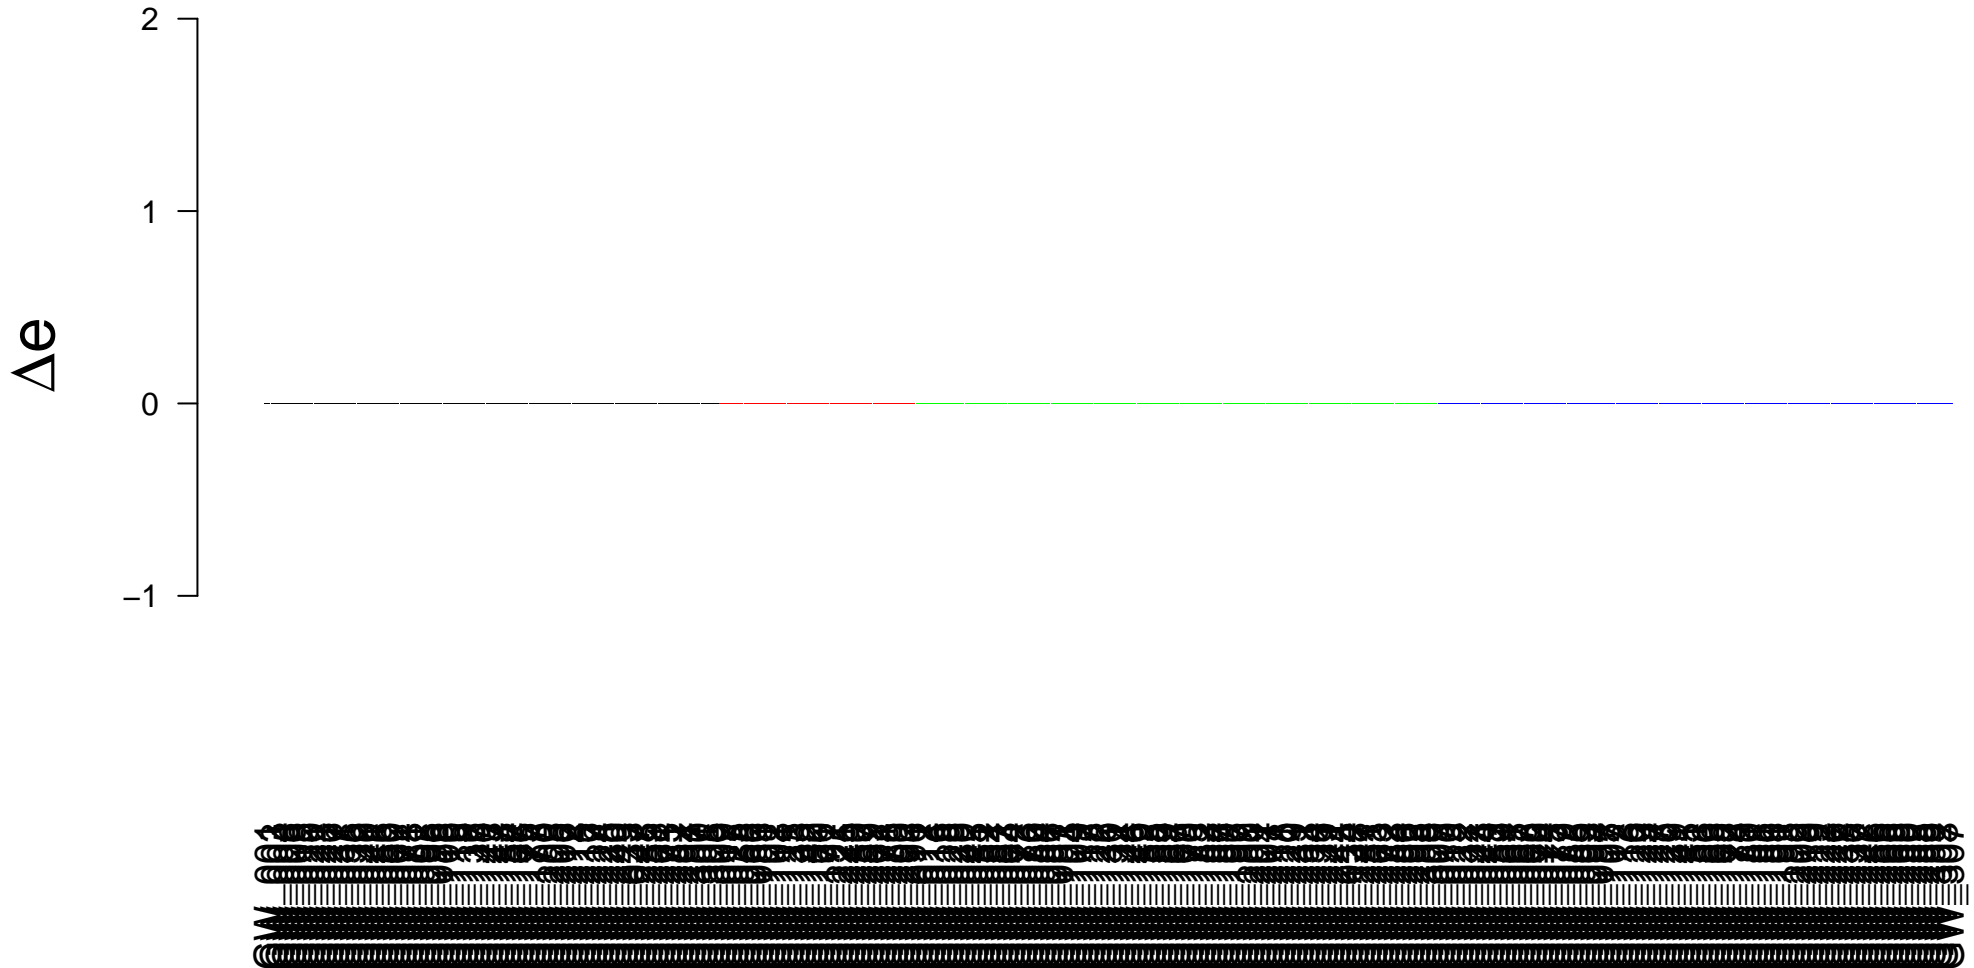

Expression of stress-activated MAPK cascade in Spot C

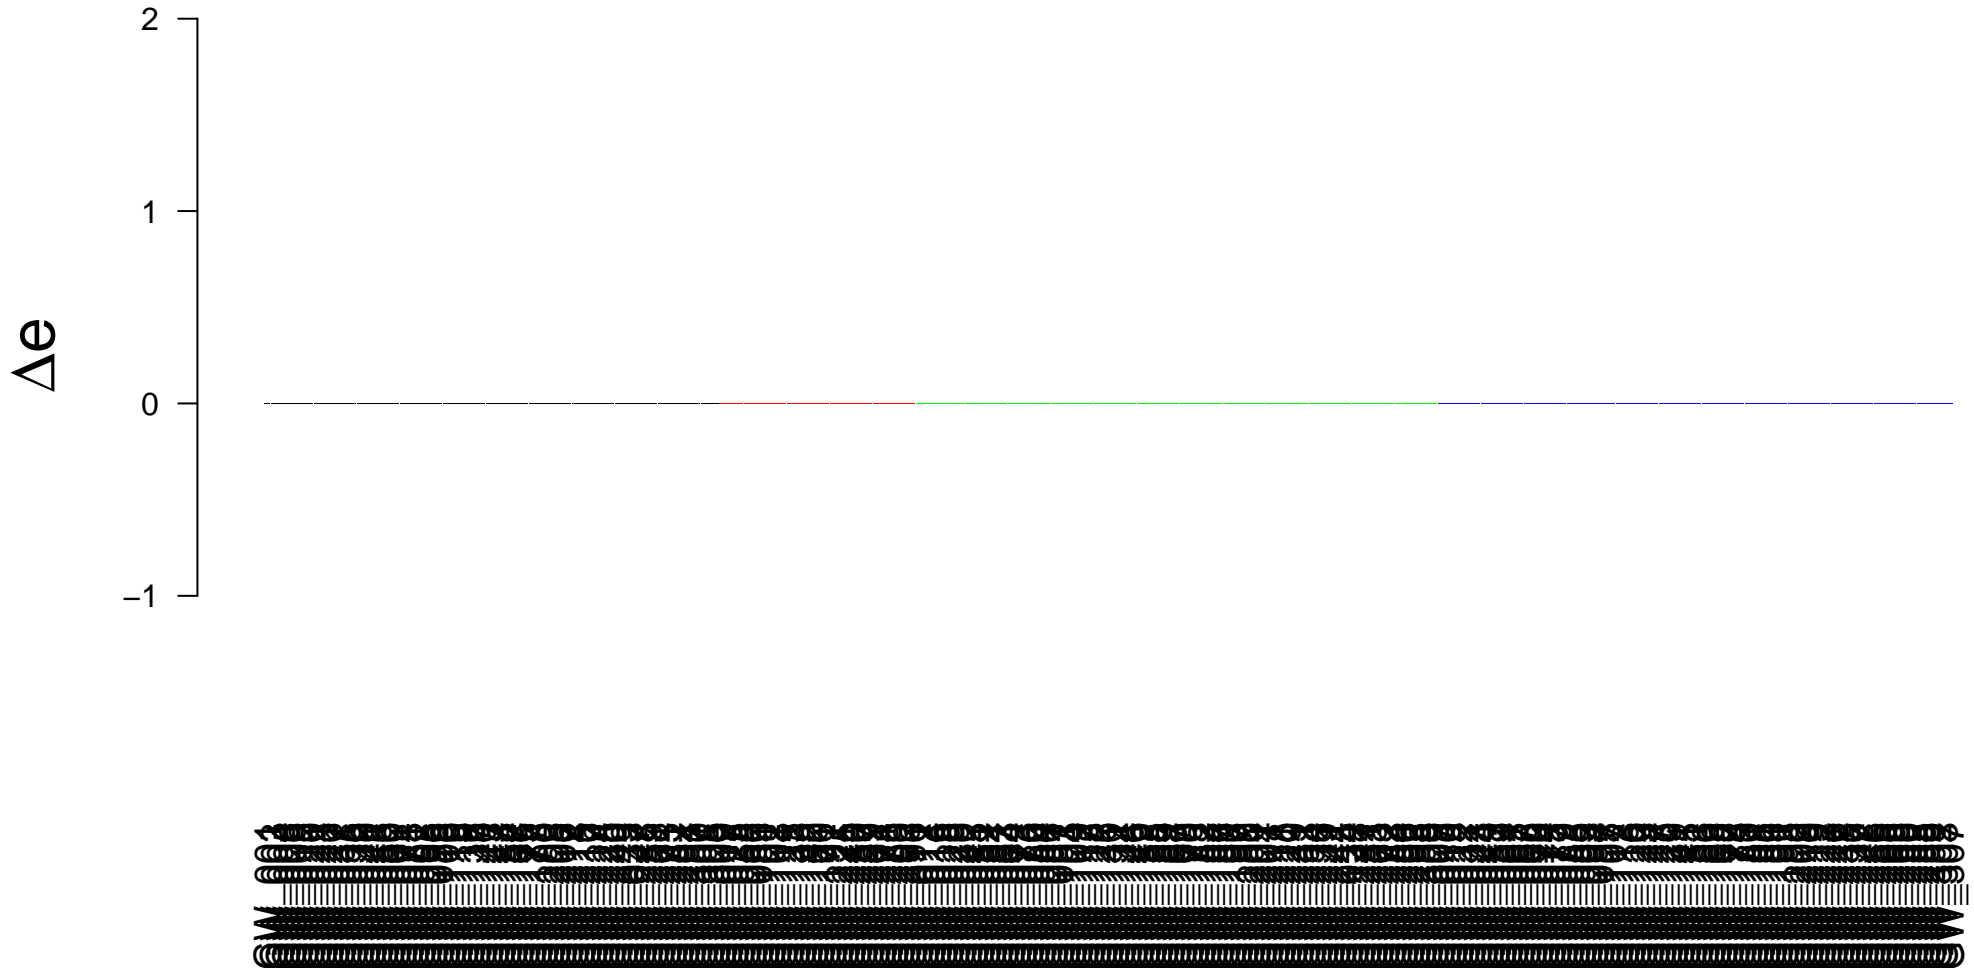

Expression of stress-activated MAPK cascade in Spot D

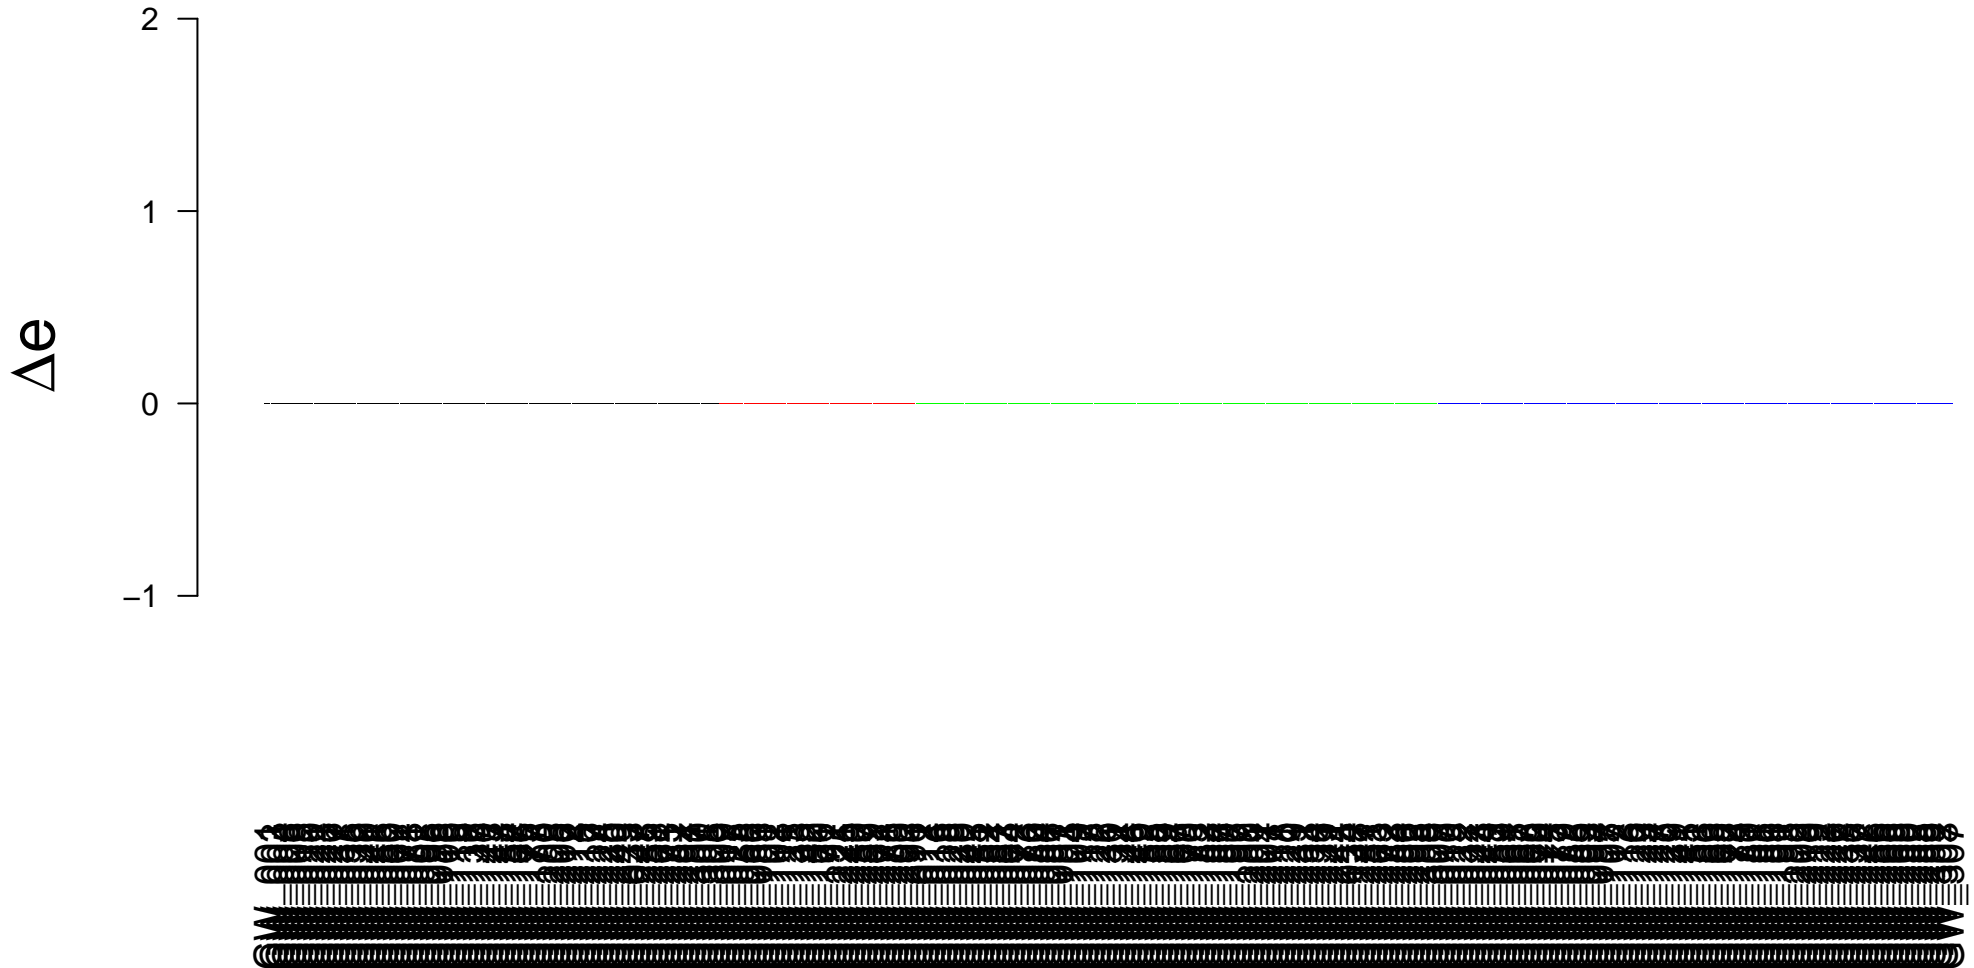

Expression of stress-activated MAPK cascade in Spot E

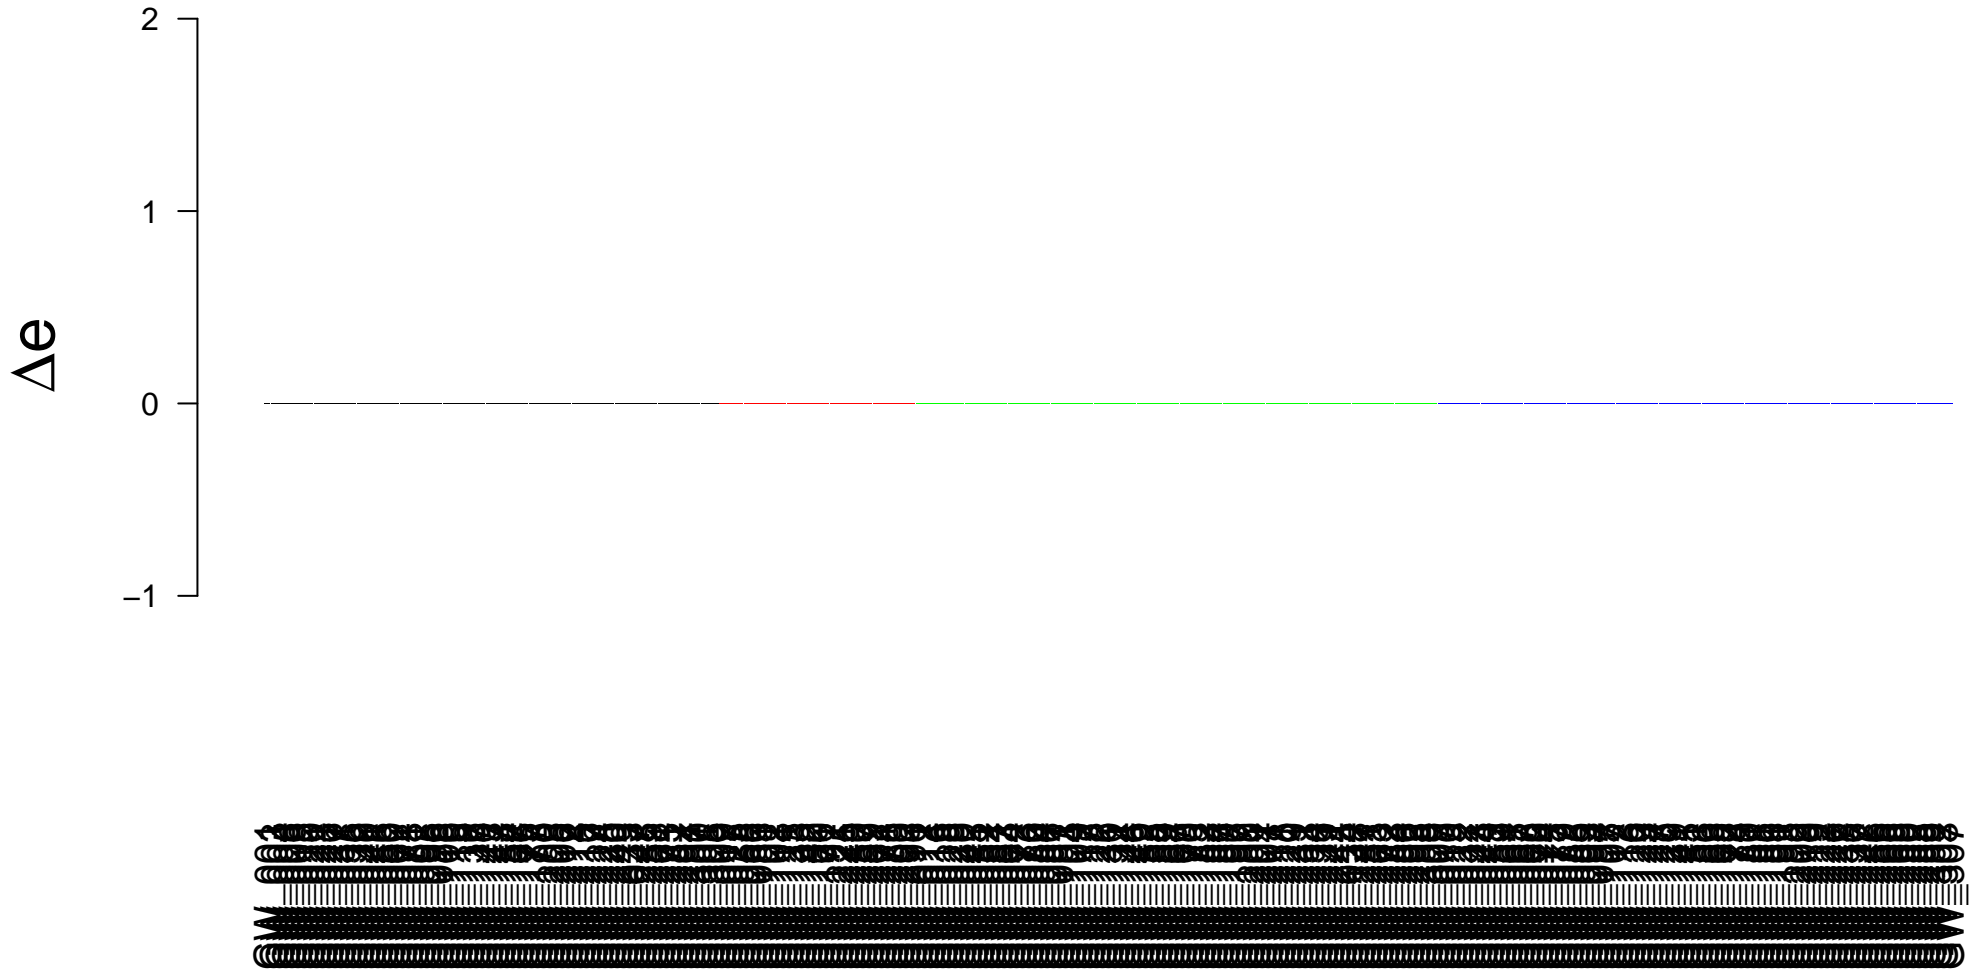

Expression of stress-activated MAPK cascade in Spot F

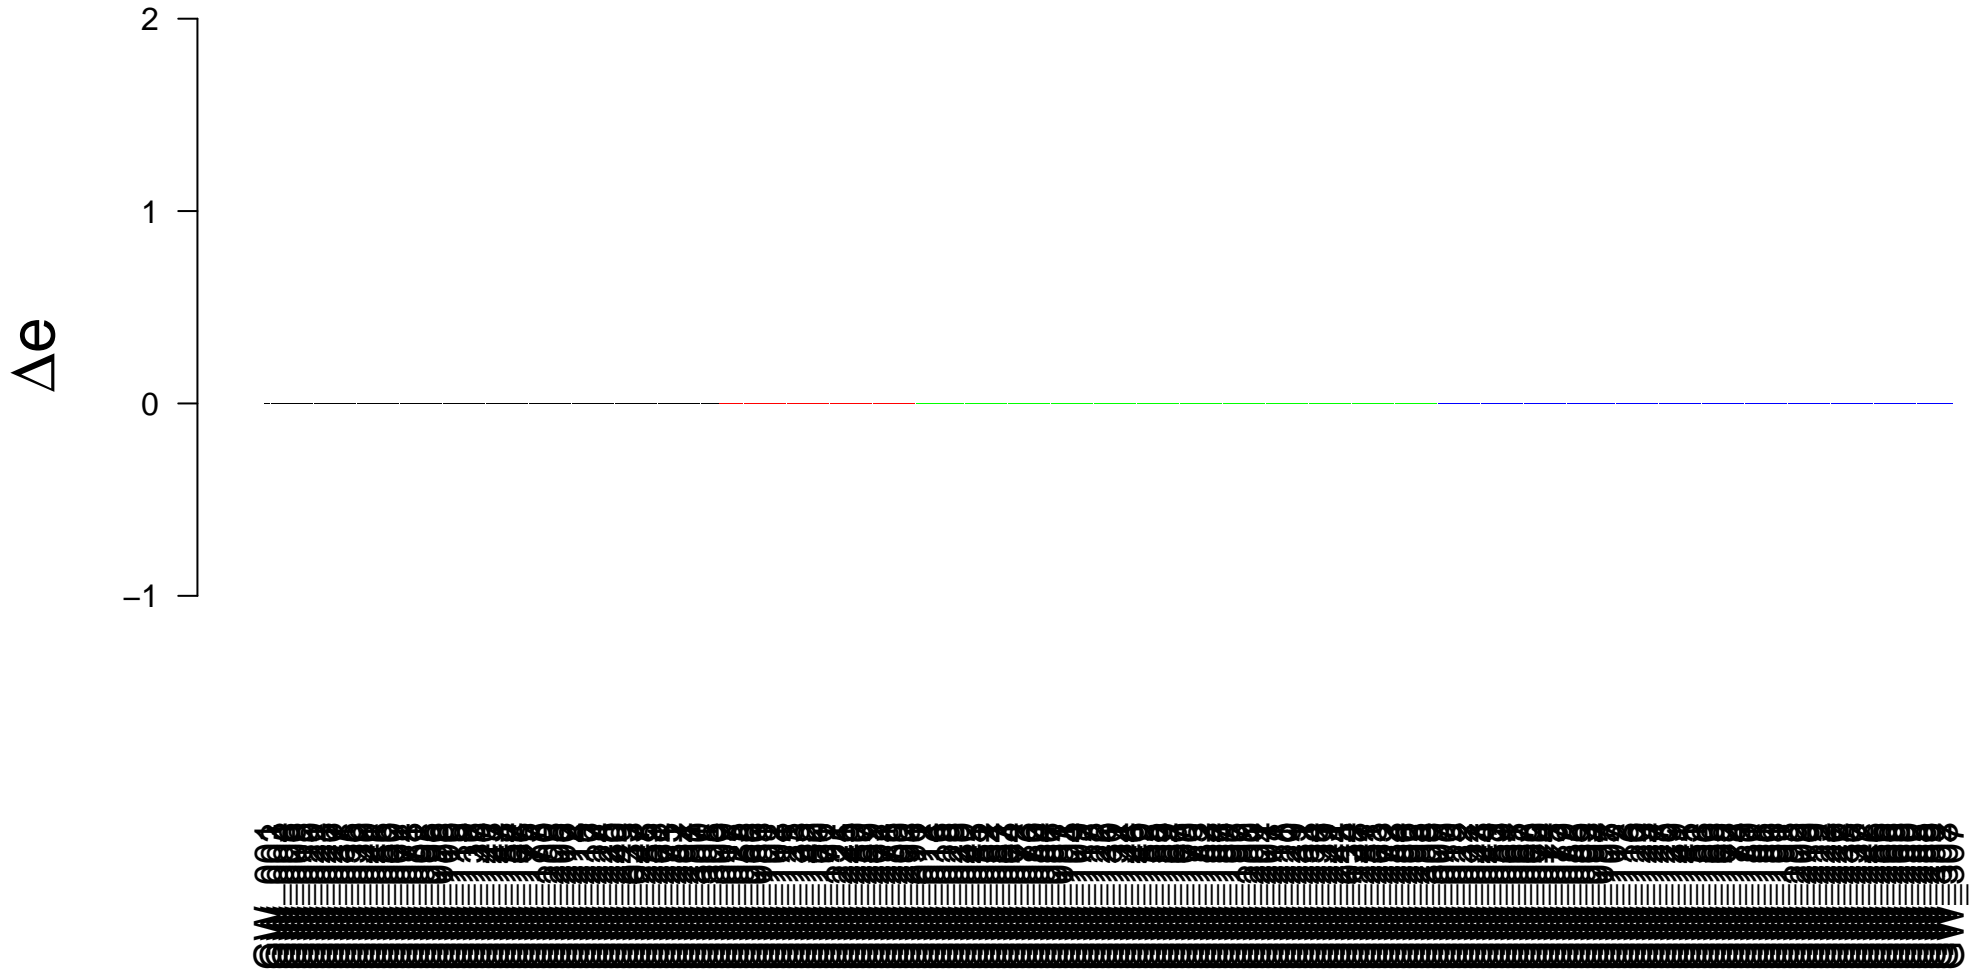

Expression of stress-activated MAPK cascade in Spot G

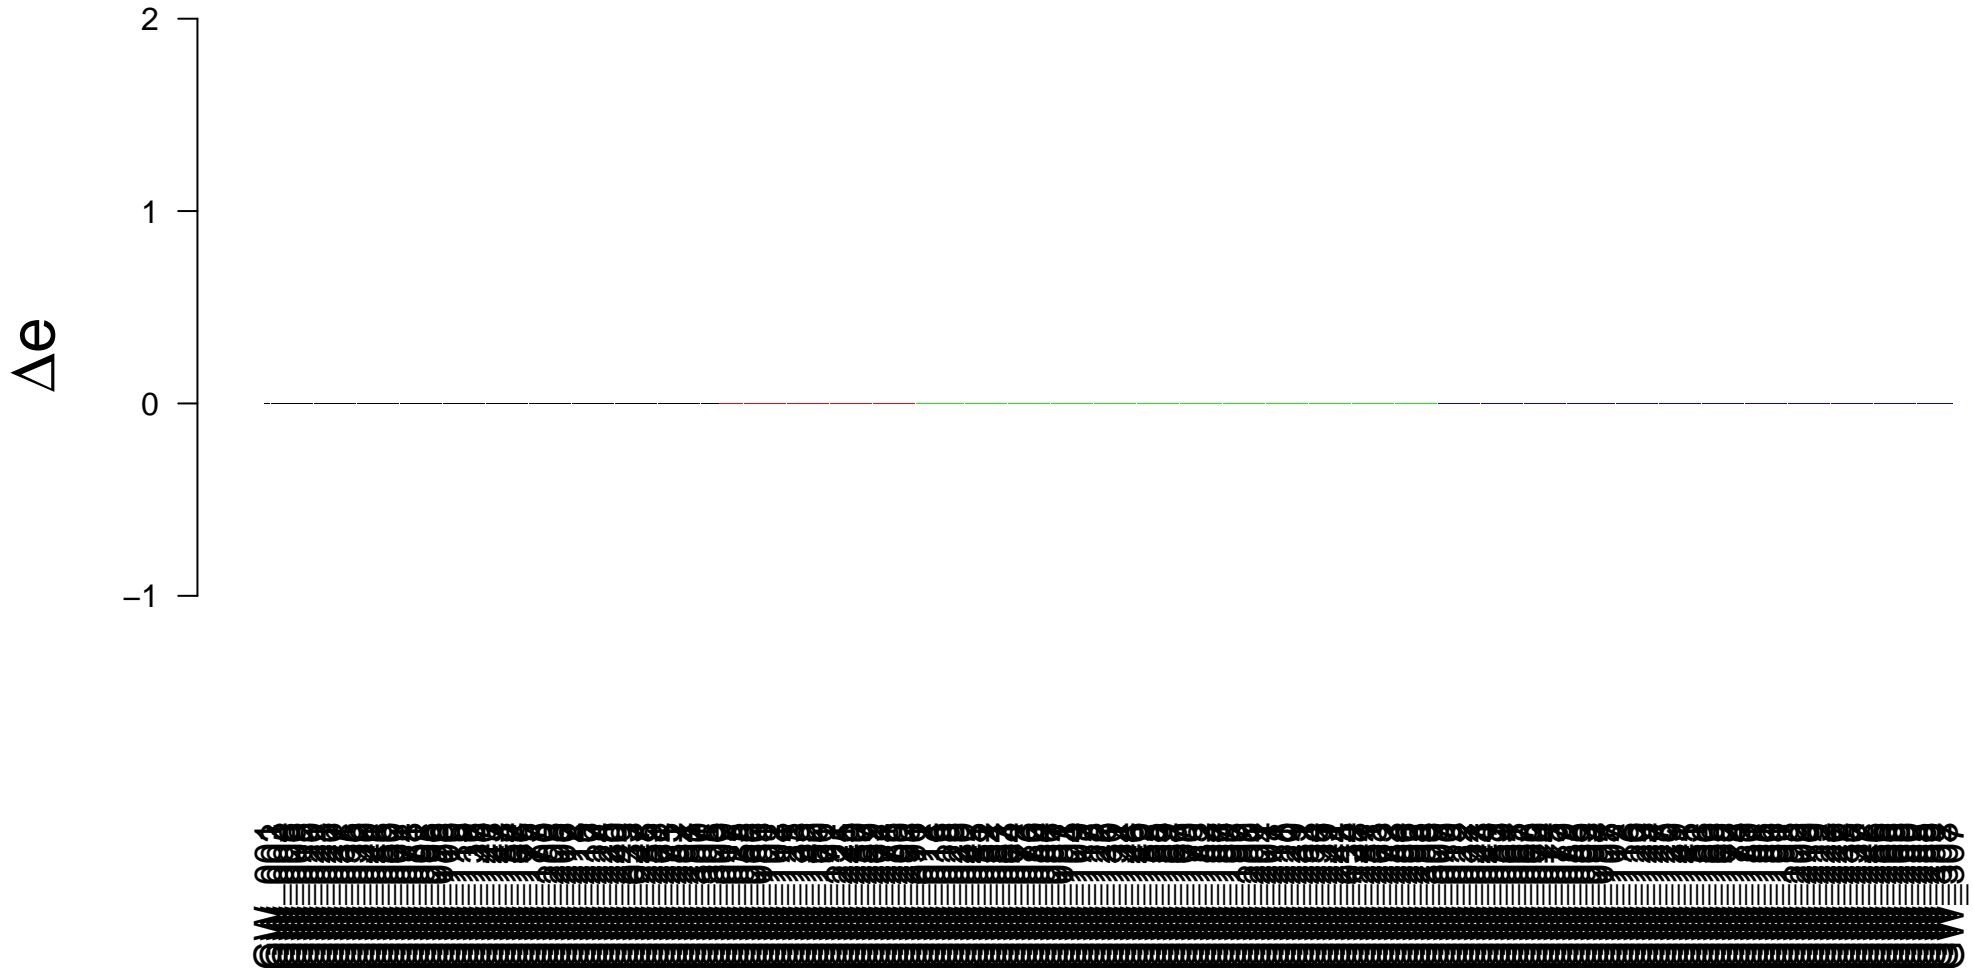

Expression of stress-activated MAPK cascade in Spot H

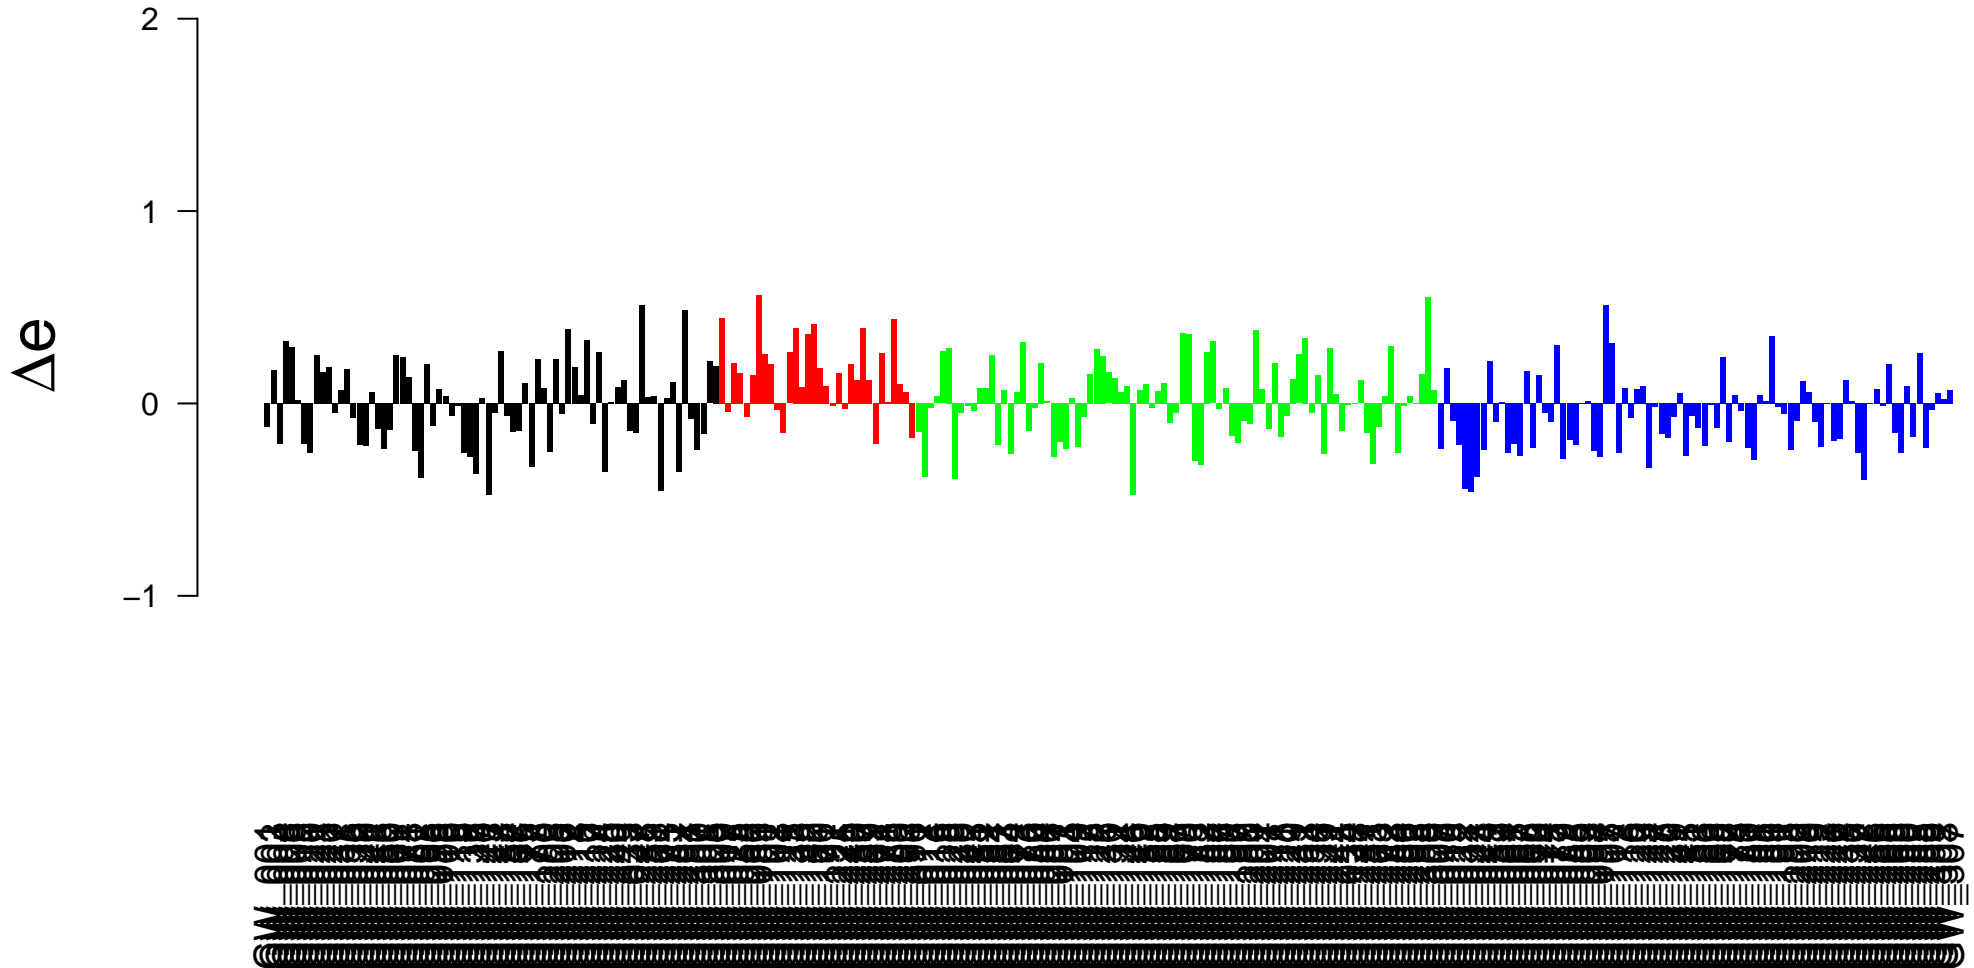

Expression of stress-activated MAPK cascade in Spot I

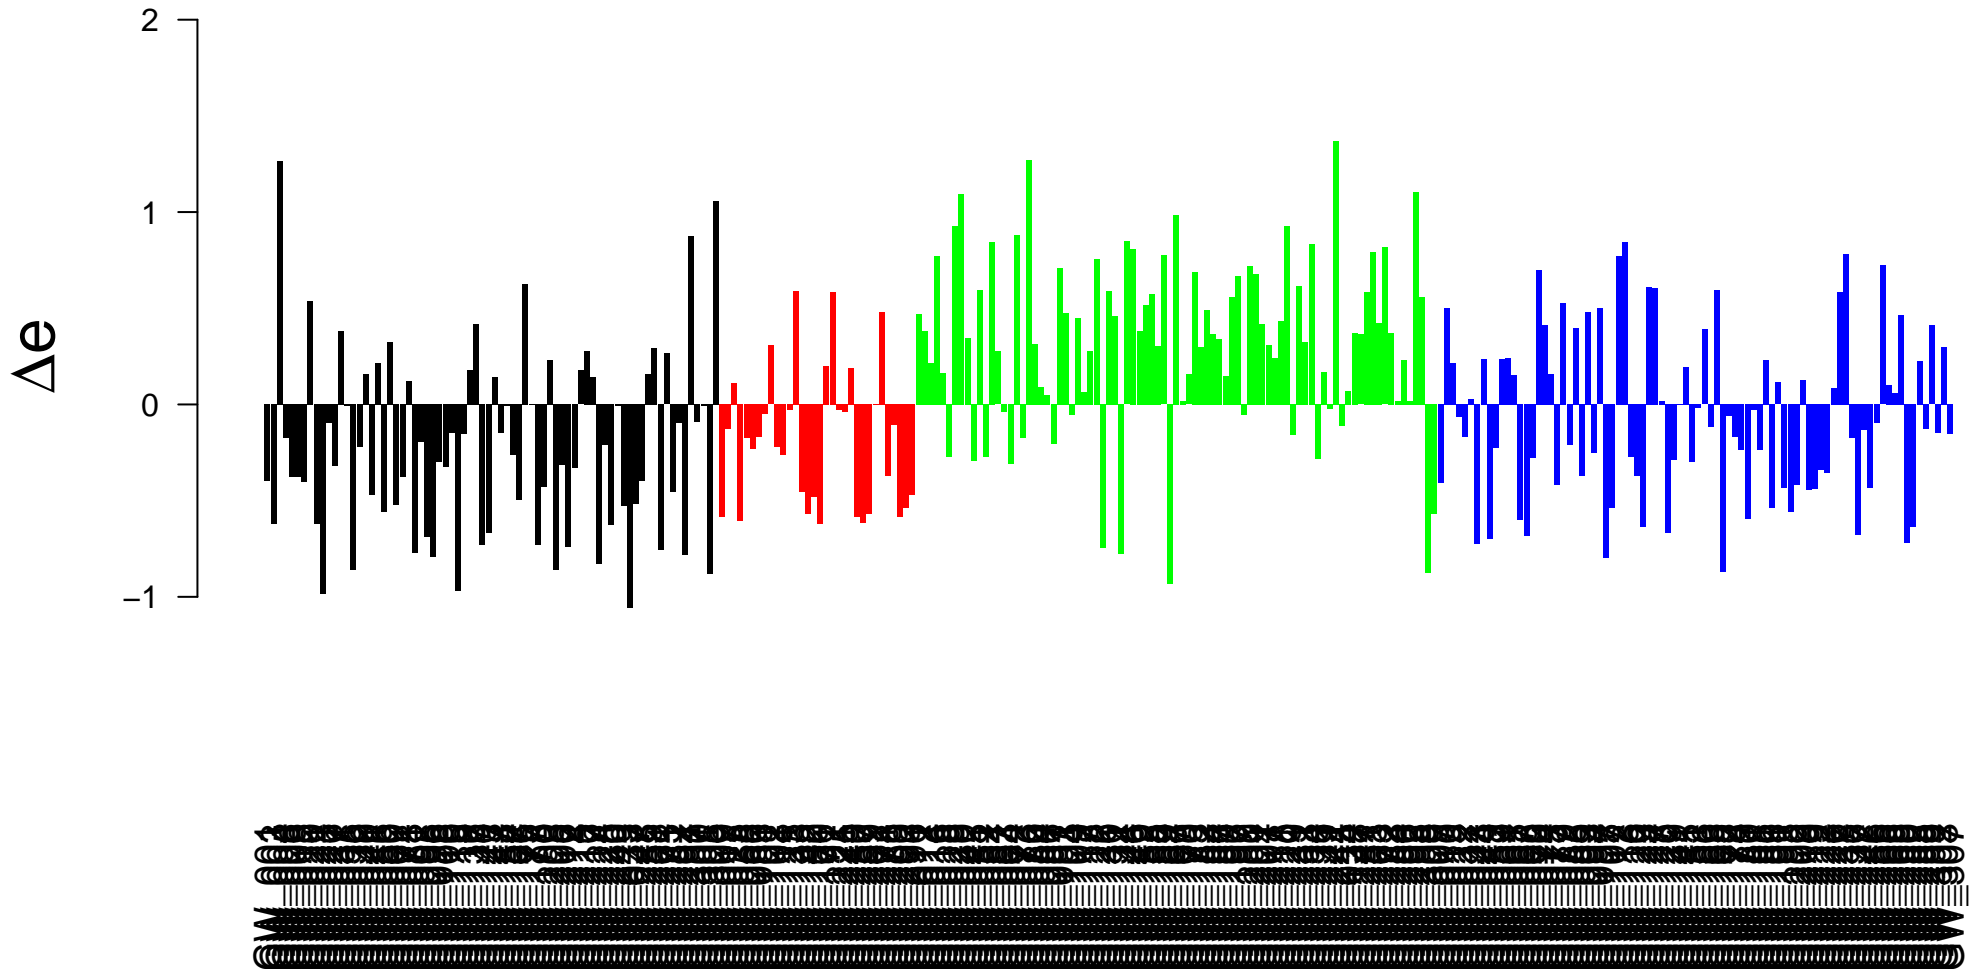

Expression of stress-activated MAPK cascade in Spot J

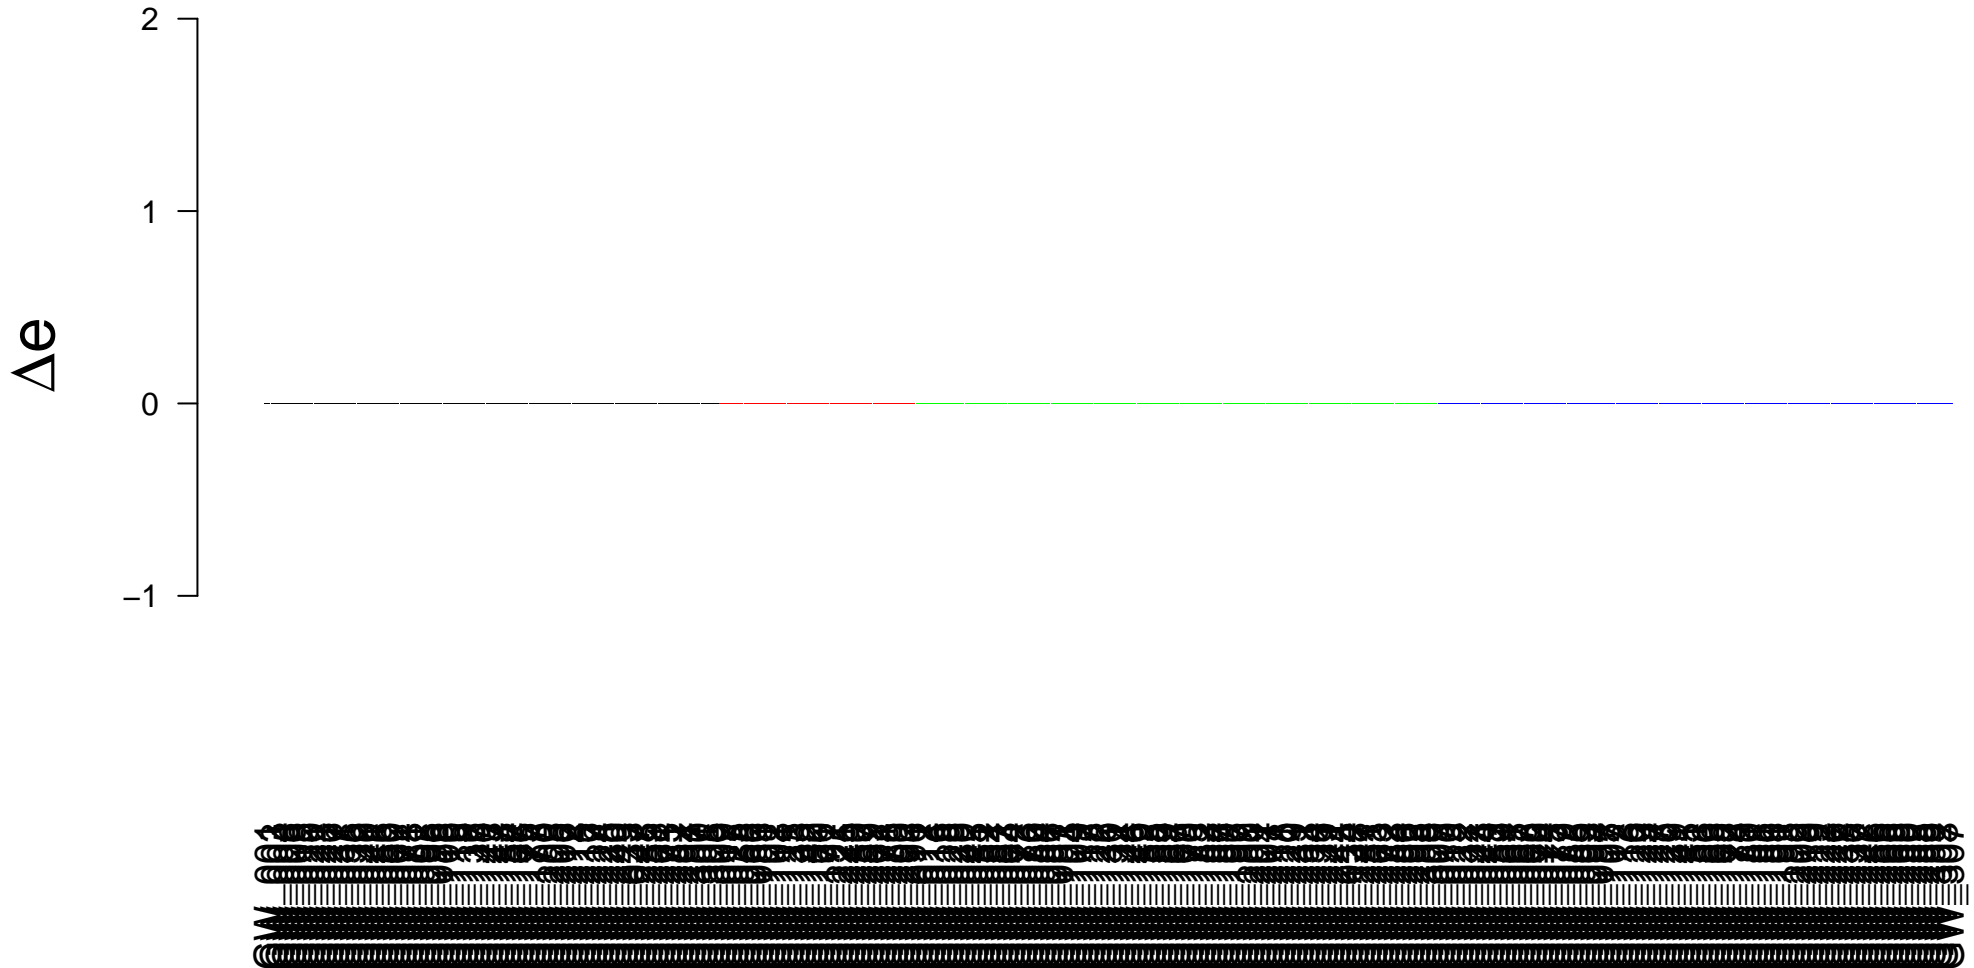

Expression of stress-activated MAPK cascade in Spot K

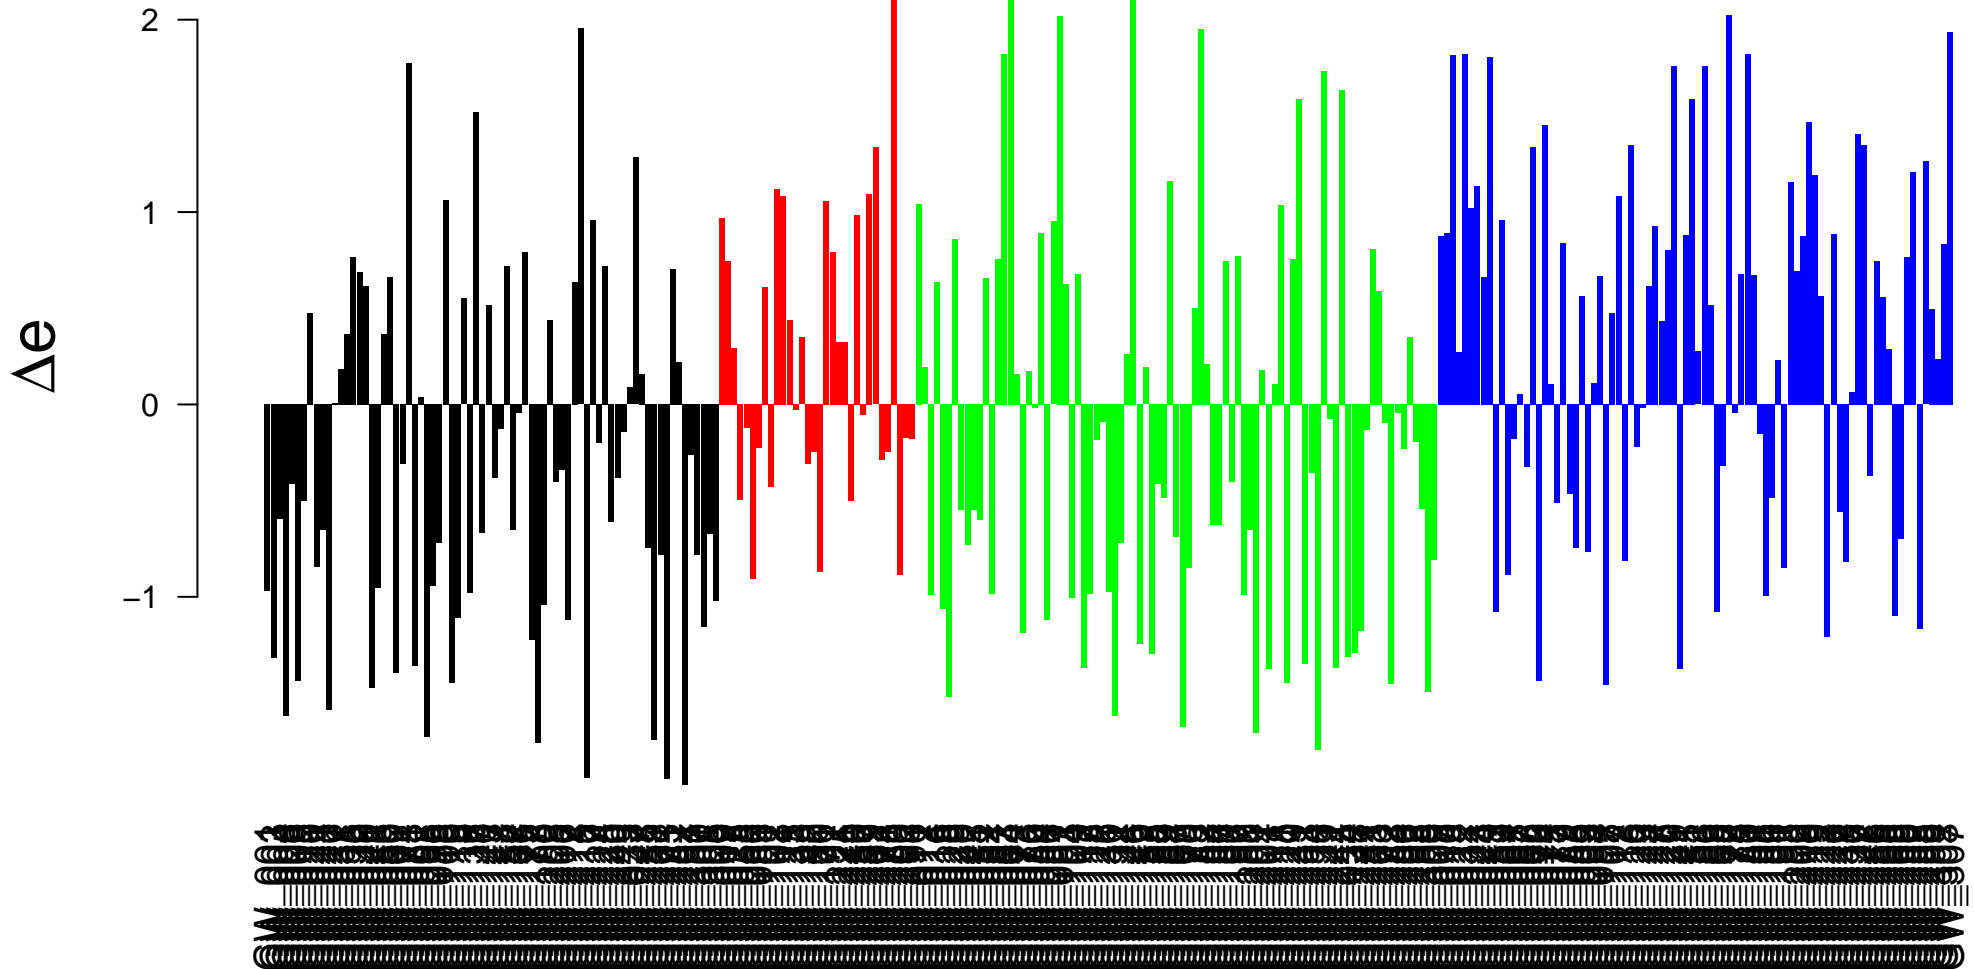

Expression of stress-activated MAPK cascade in Spot L

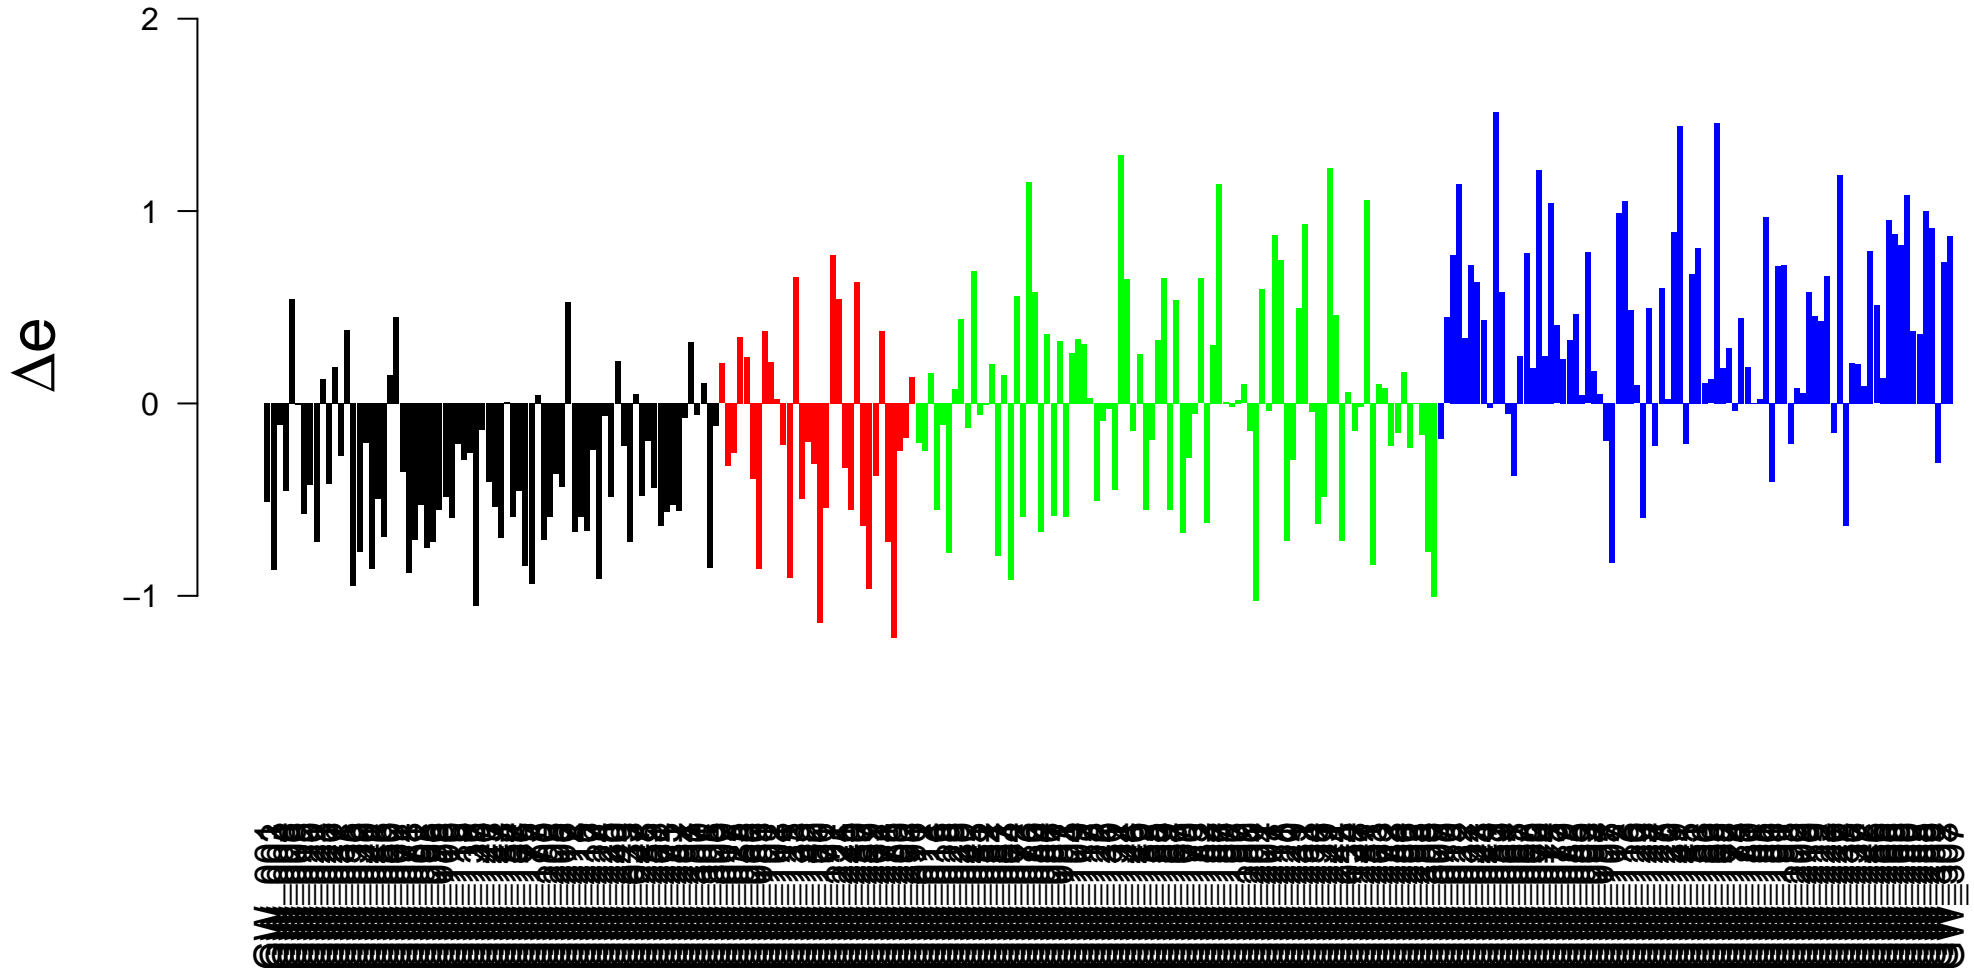

Expression of stress-activated MAPK cascade in Spot M

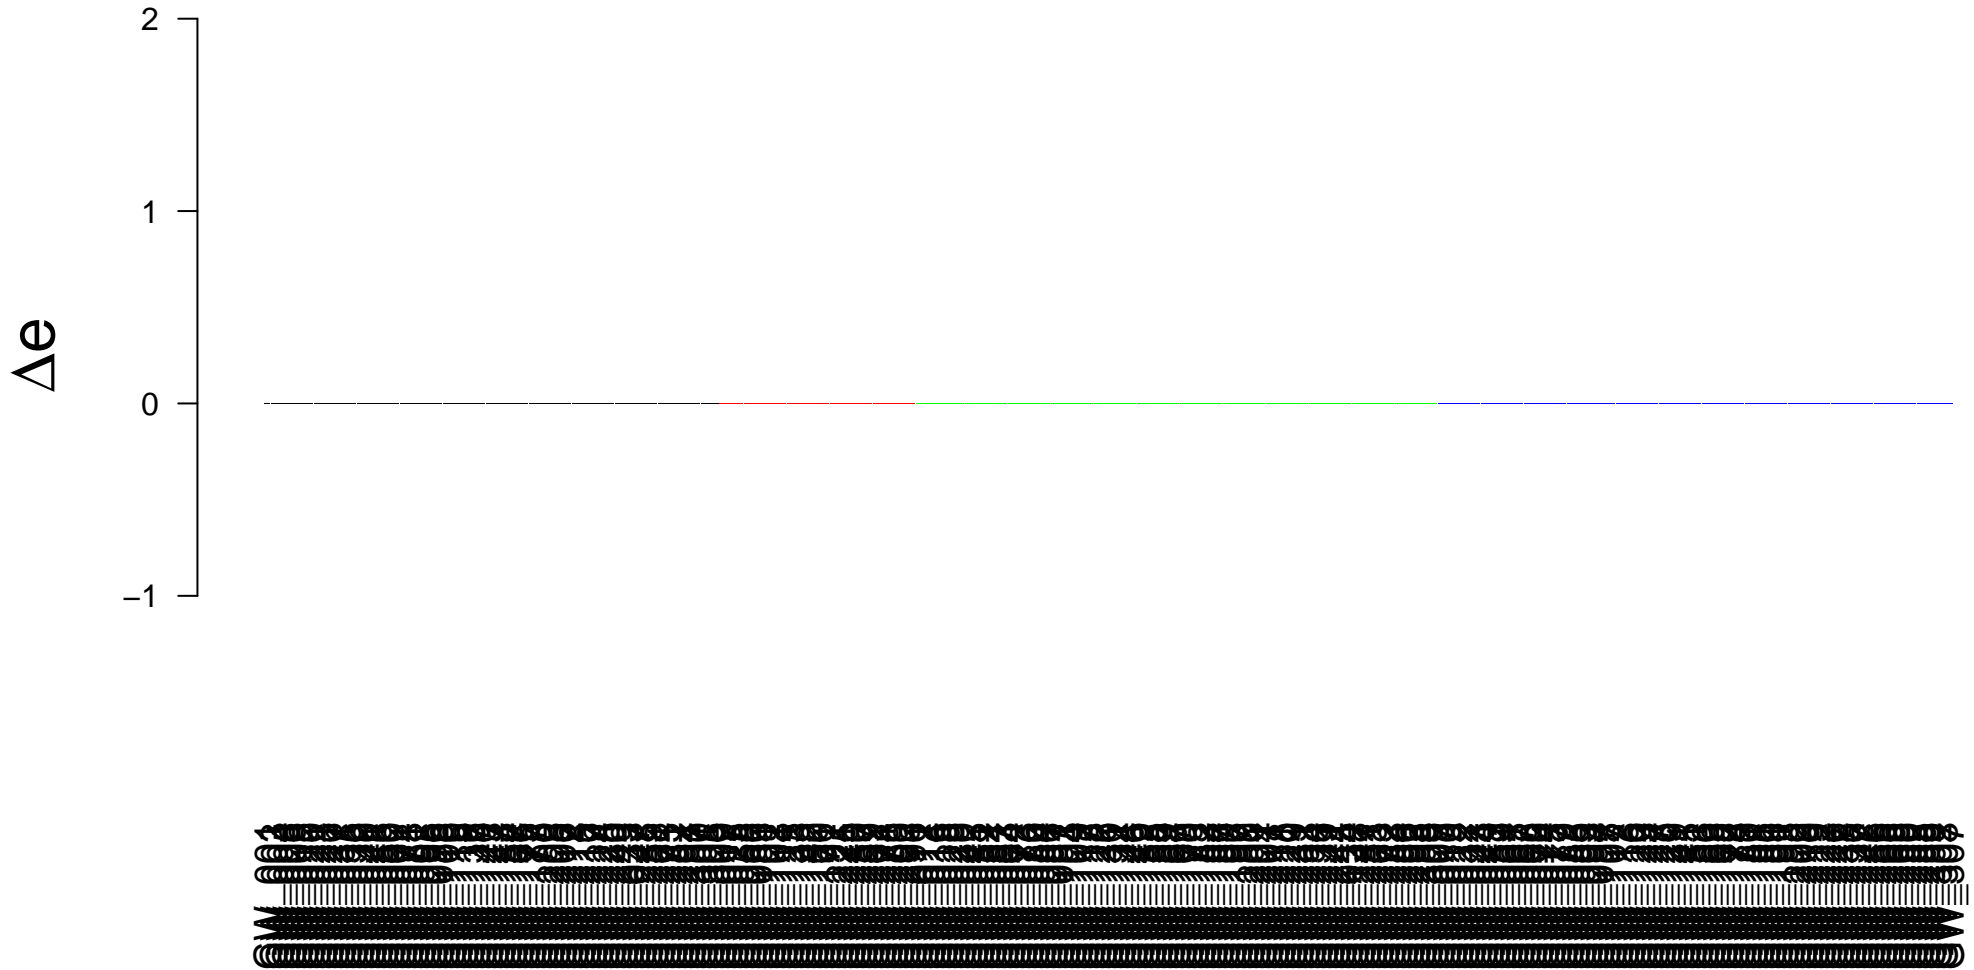

Expression of stress-activated MAPK cascade in Spot N

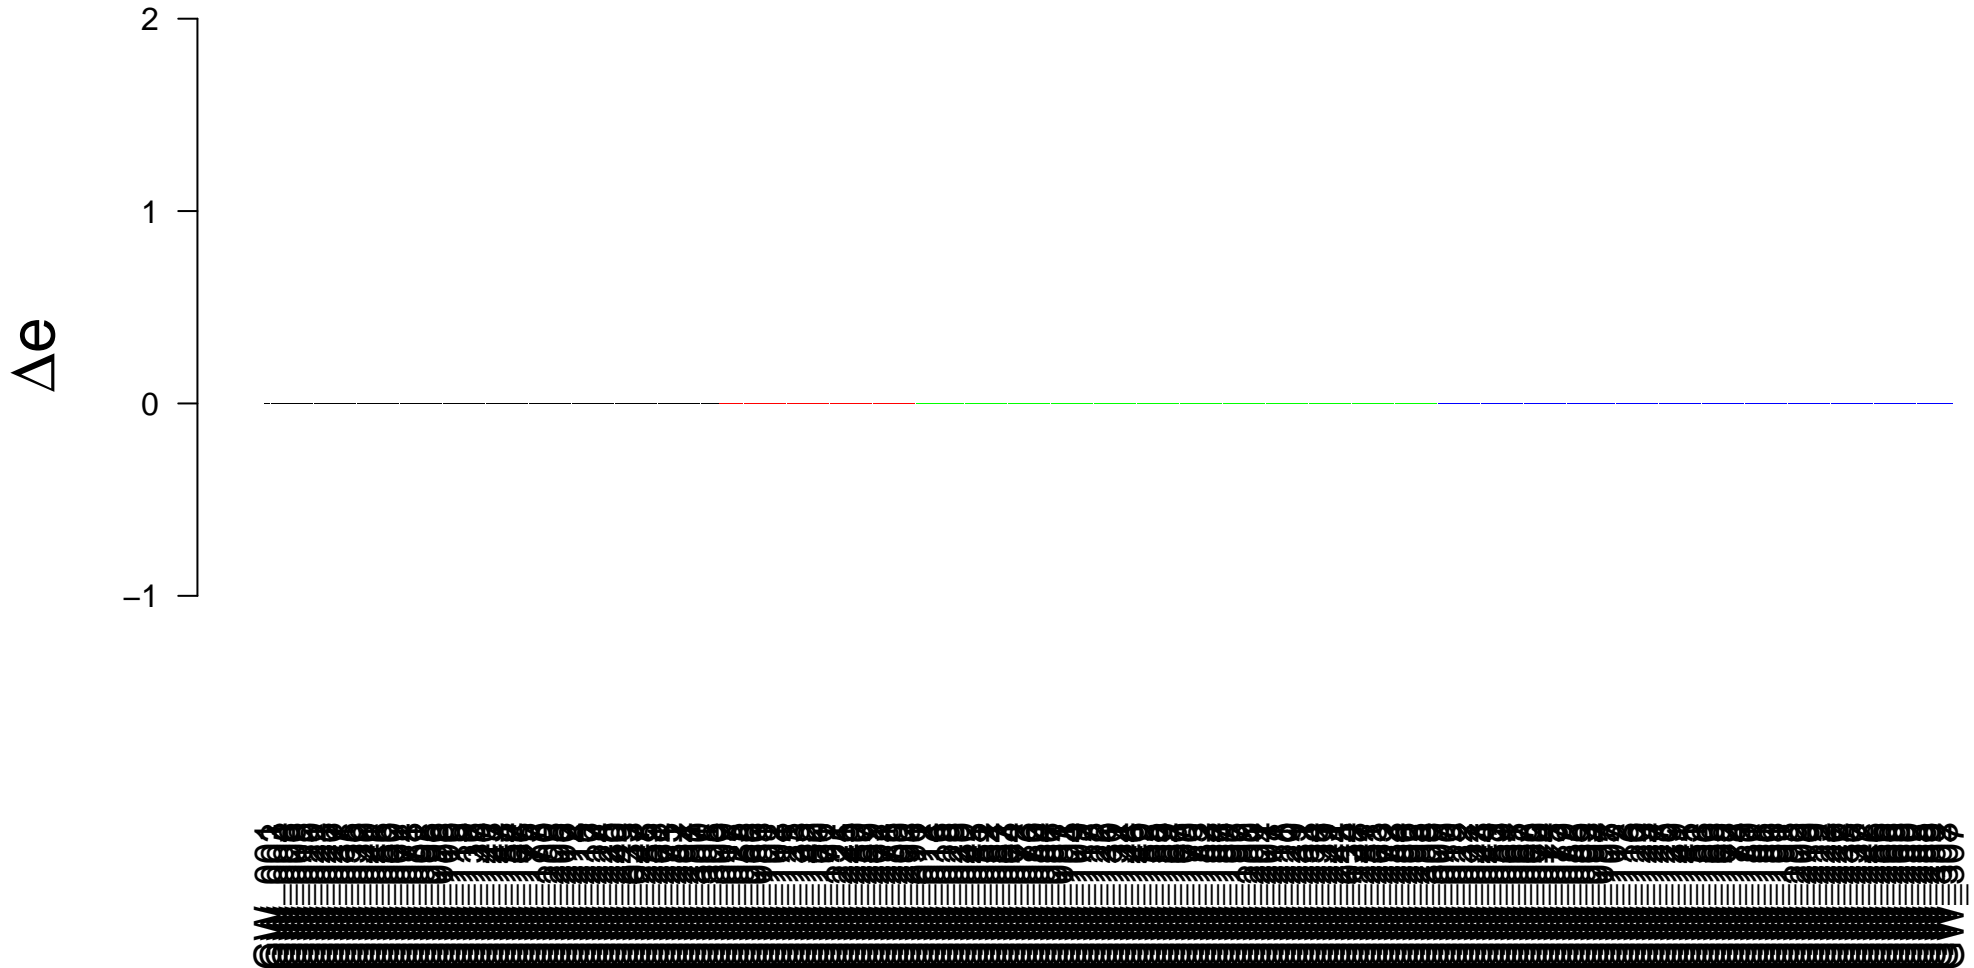

Expression of stress-activated MAPK cascade in Spot O

Expression of stress-activated MAPK cascade in Spot P

Expression of stress-activated MAPK cascade in Spot Q

Expression of stress-activated MAPK cascade in Spot R
