

striated muscle cell differentiation

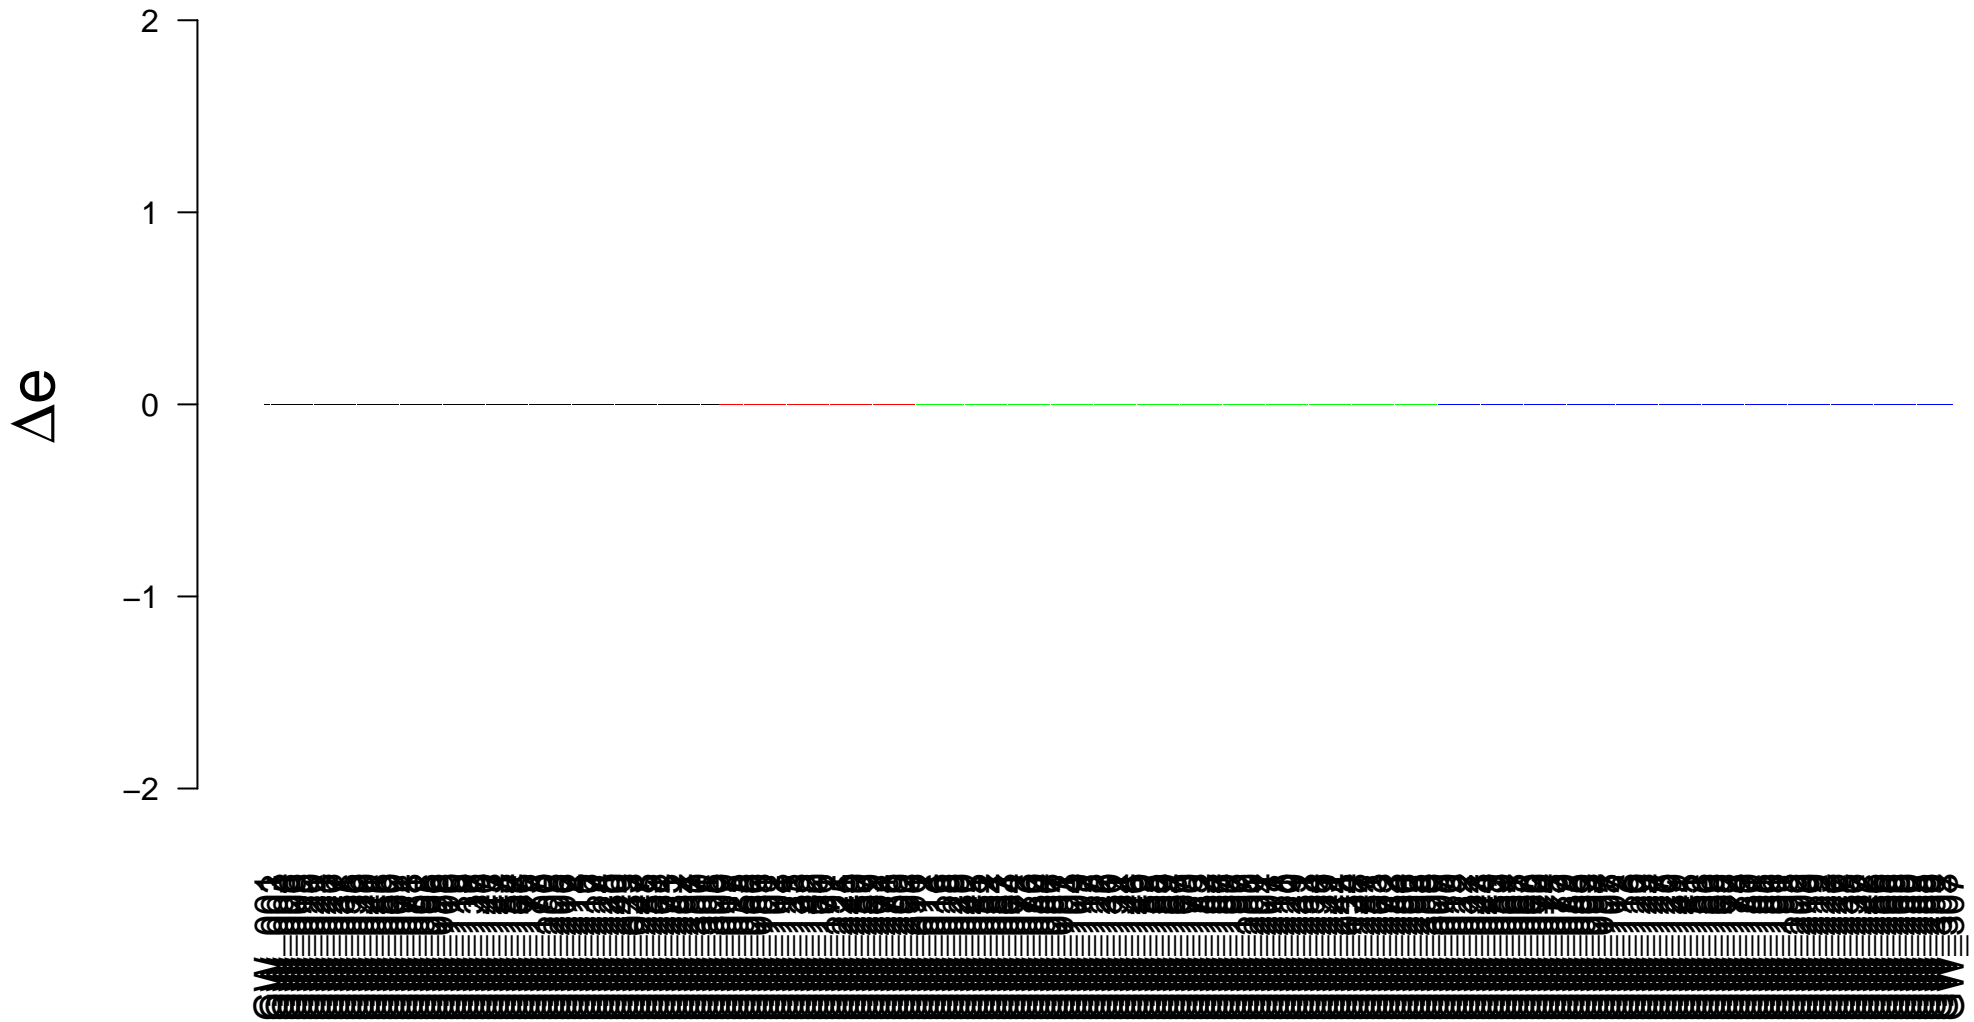

striated muscle cell differentiation

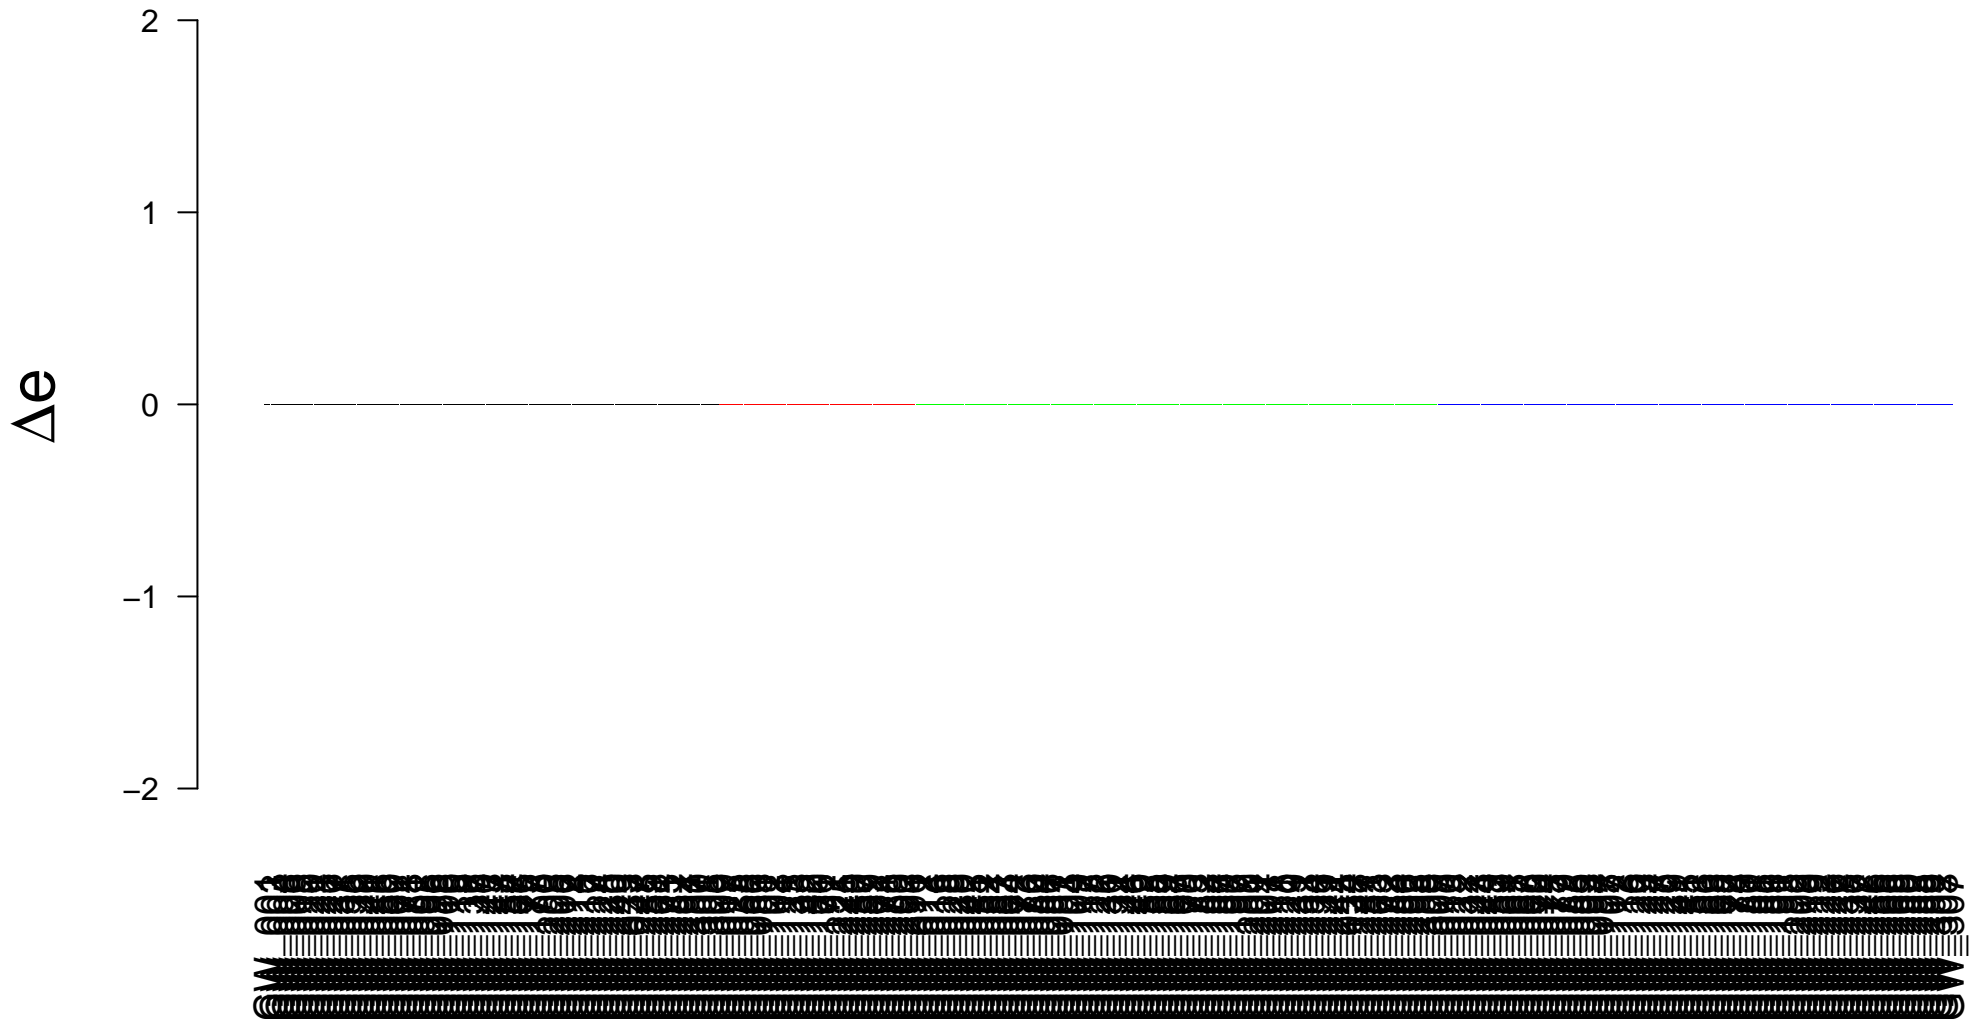

Enrichment in spots: striated muscle cell differentiation

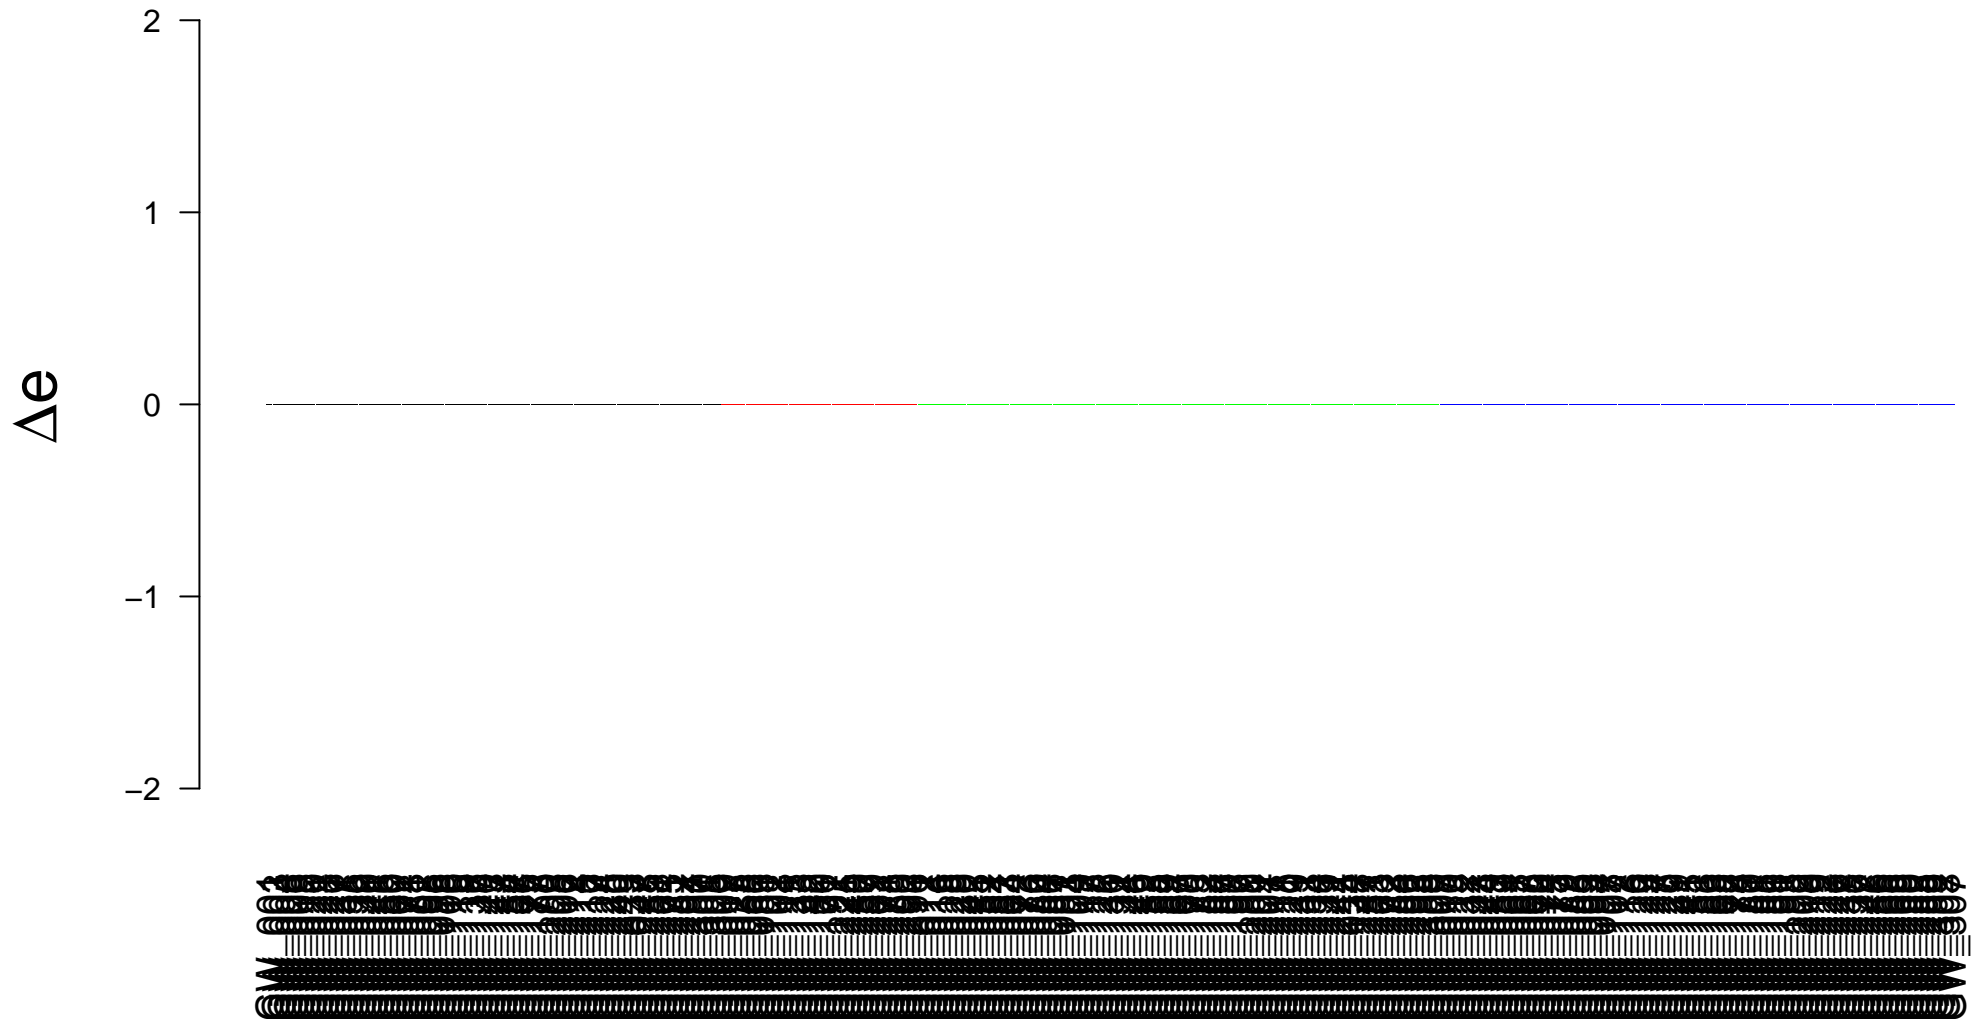

Expression of striated muscle cell differentiation in Spot A

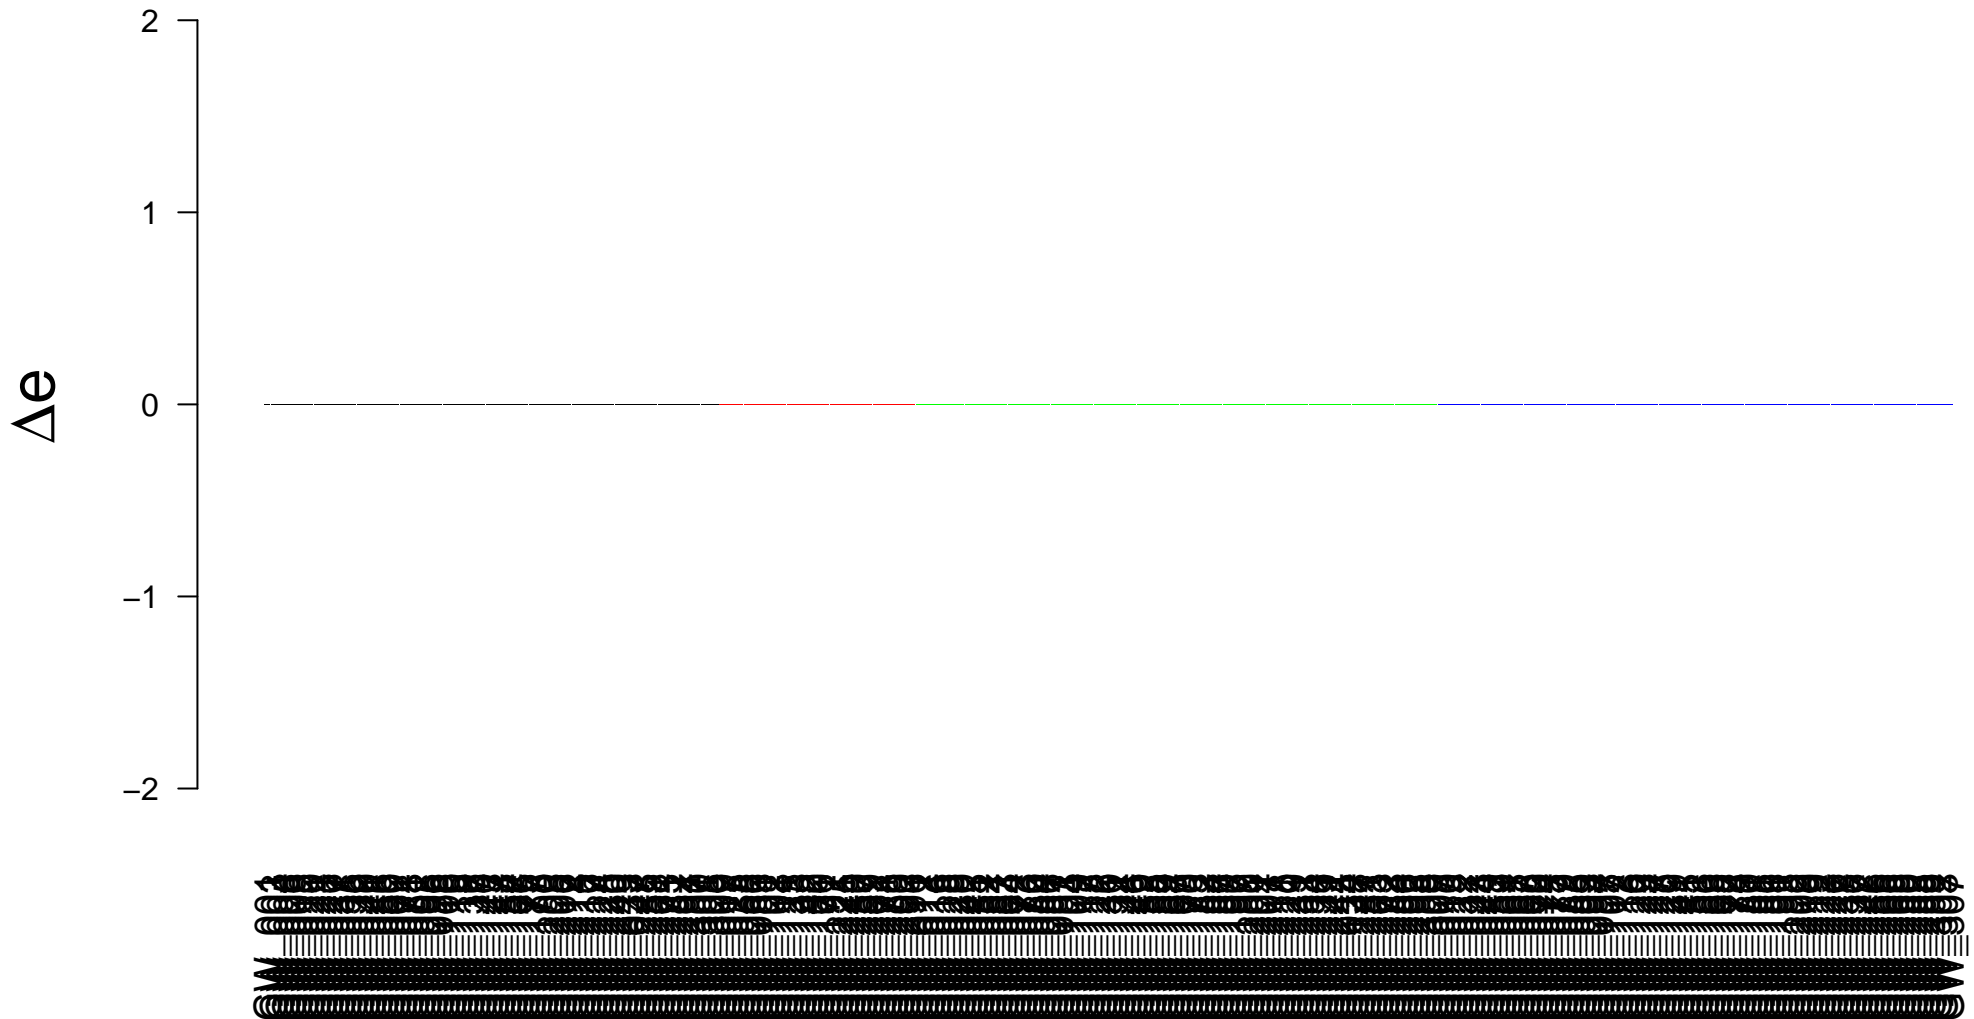

Expression of striated muscle cell differentiation in Spot B

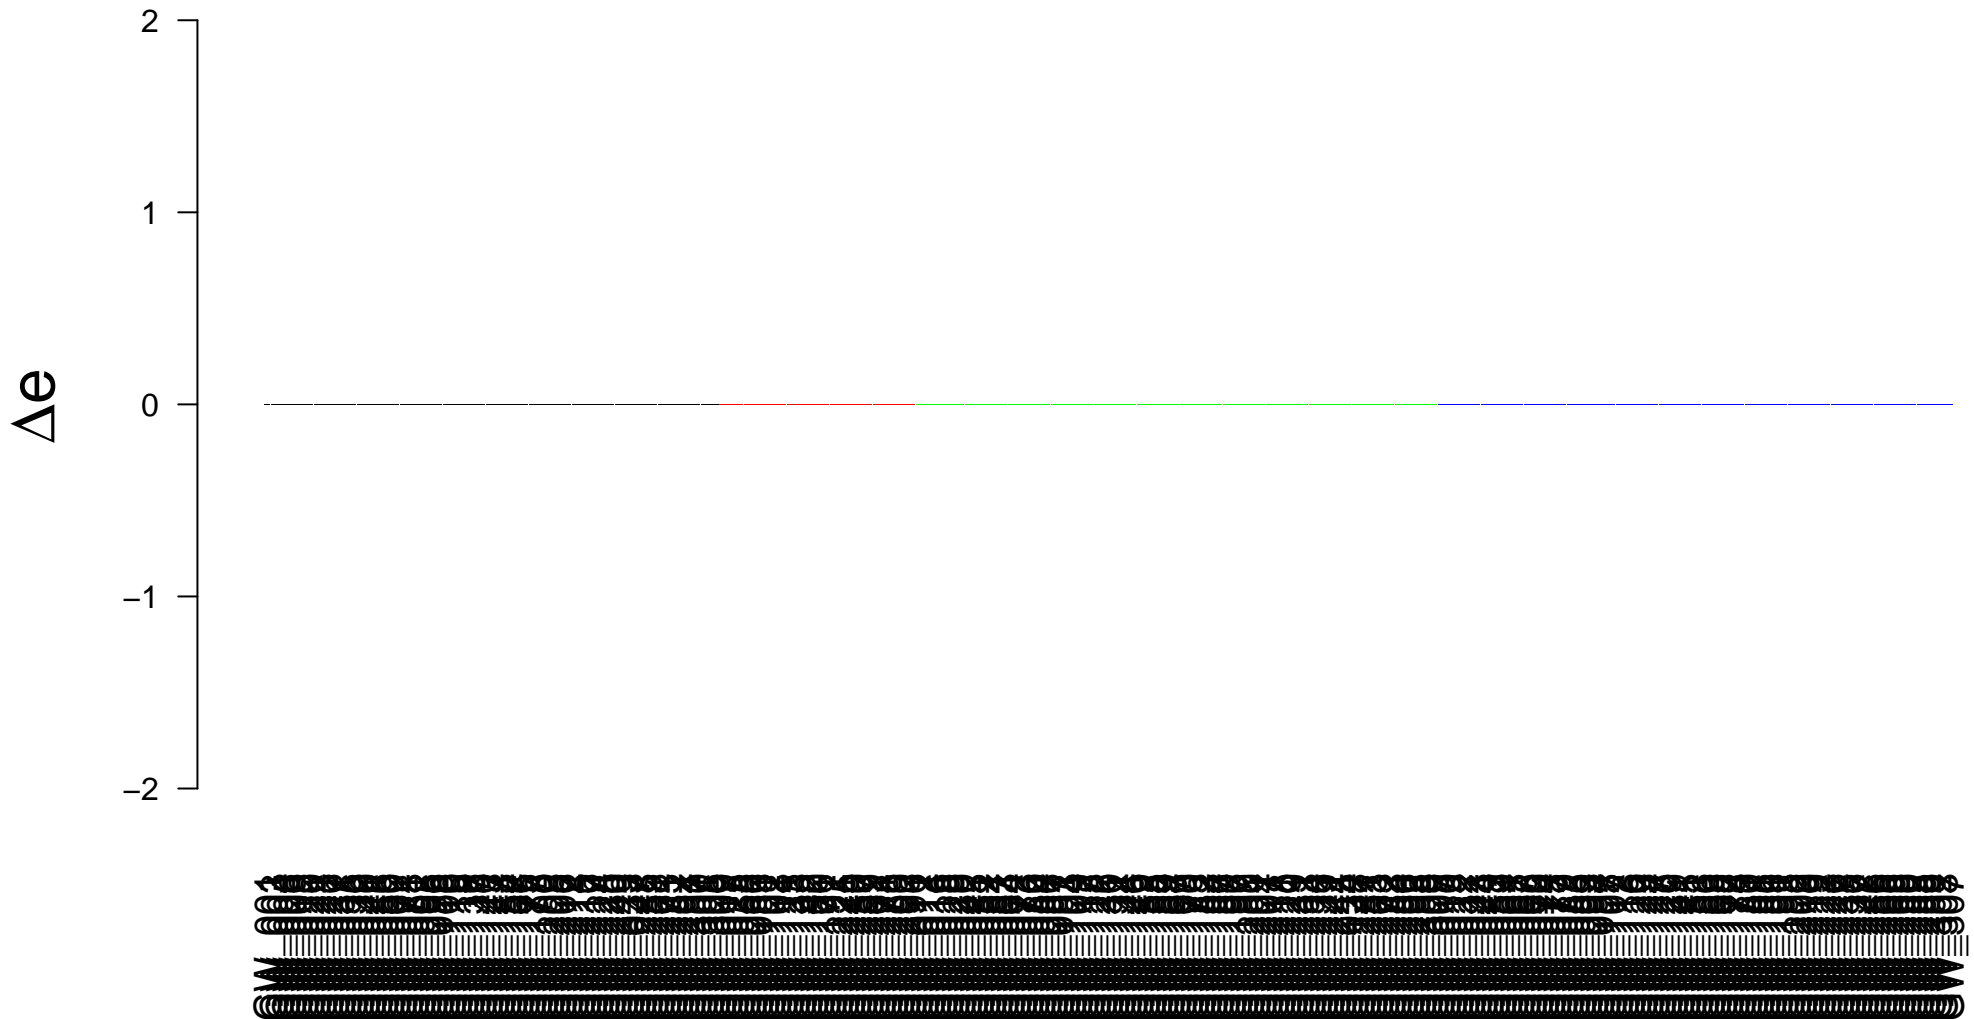

Expression of striated muscle cell differentiation in Spot C

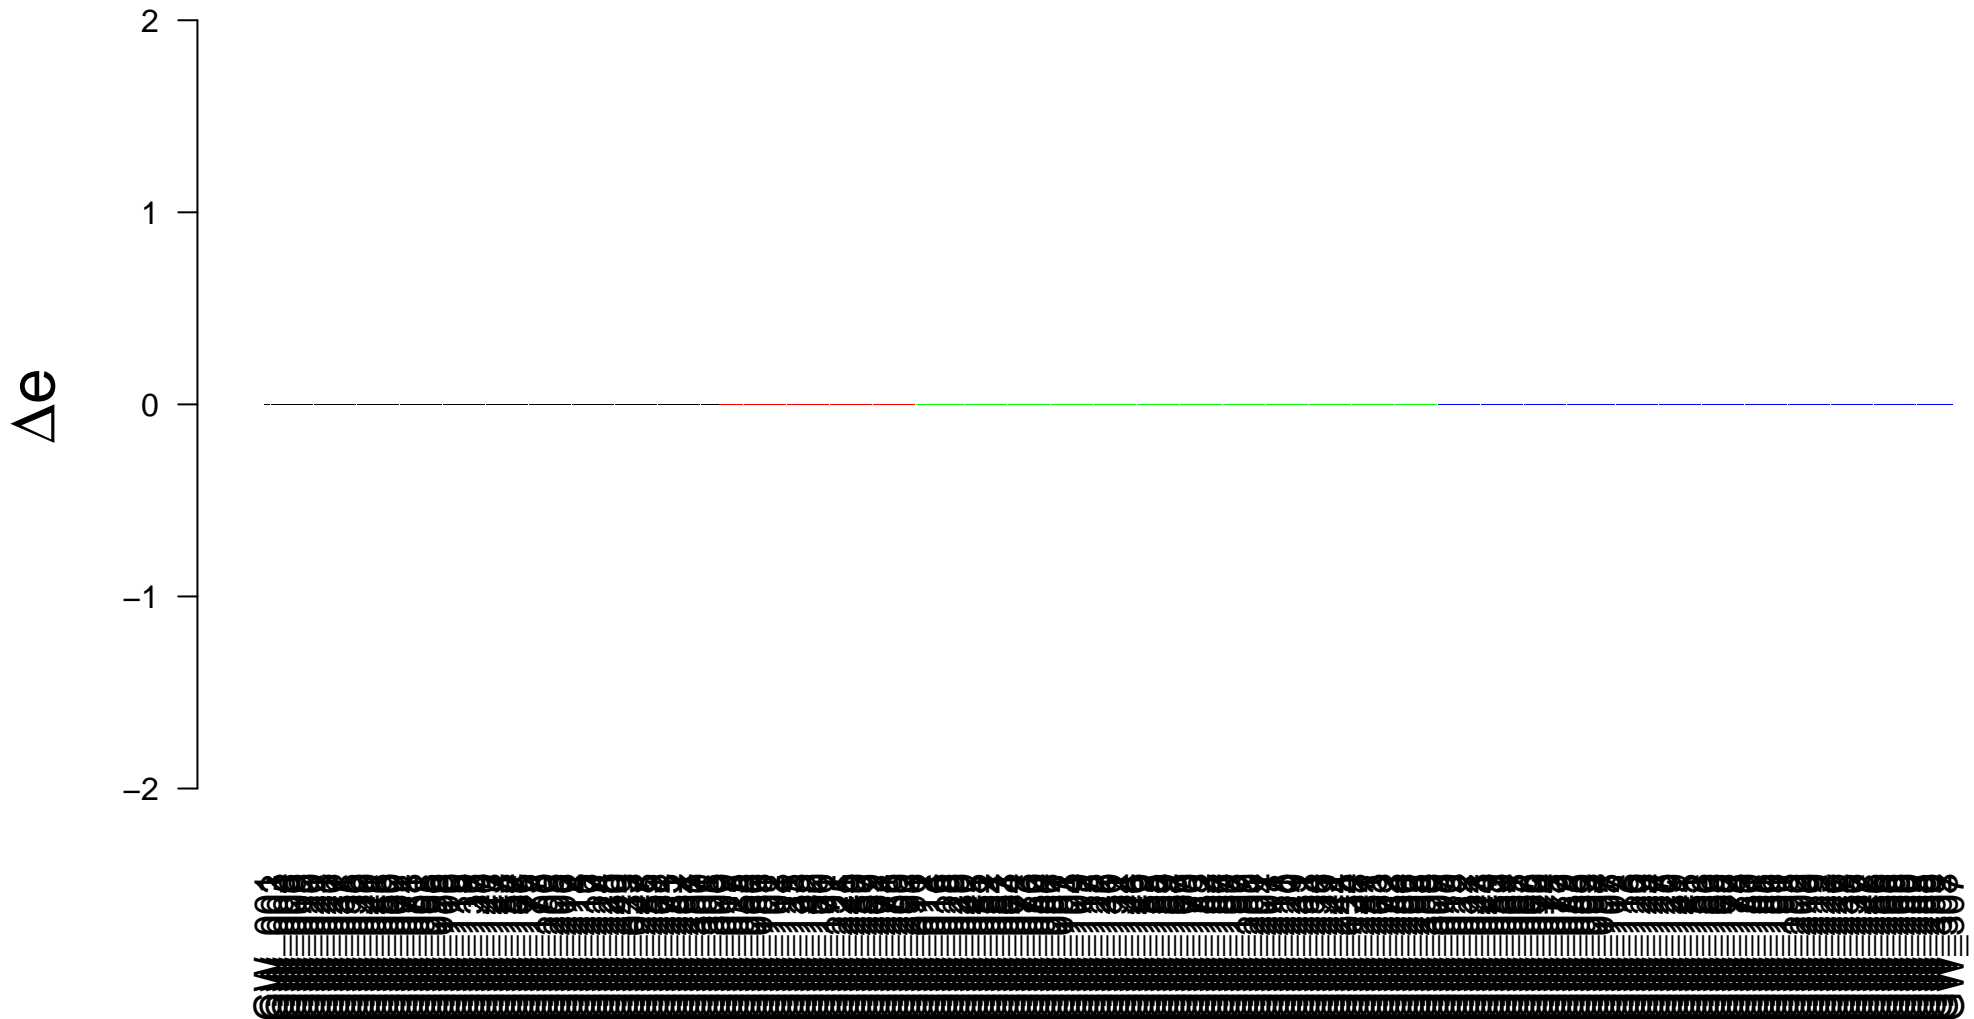

Expression of striated muscle cell differentiation in Spot D

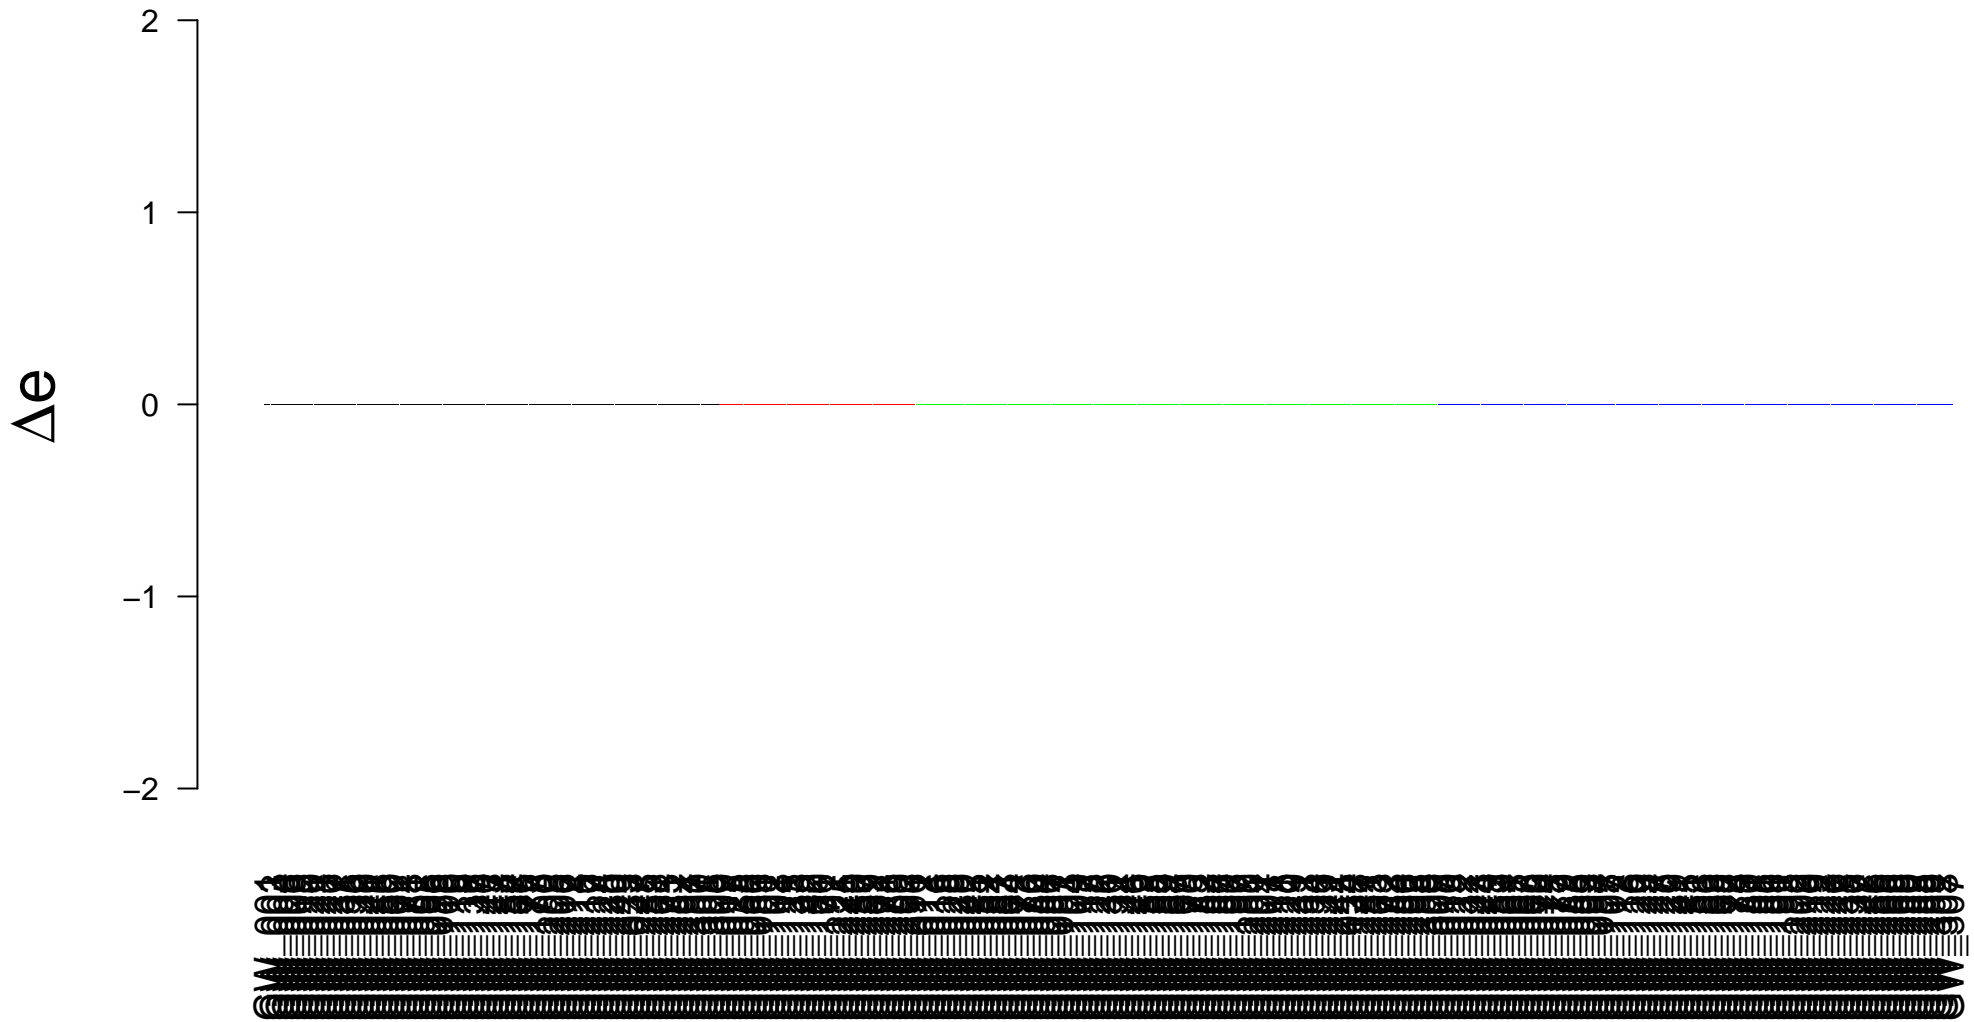

Expression of striated muscle cell differentiation in Spot E

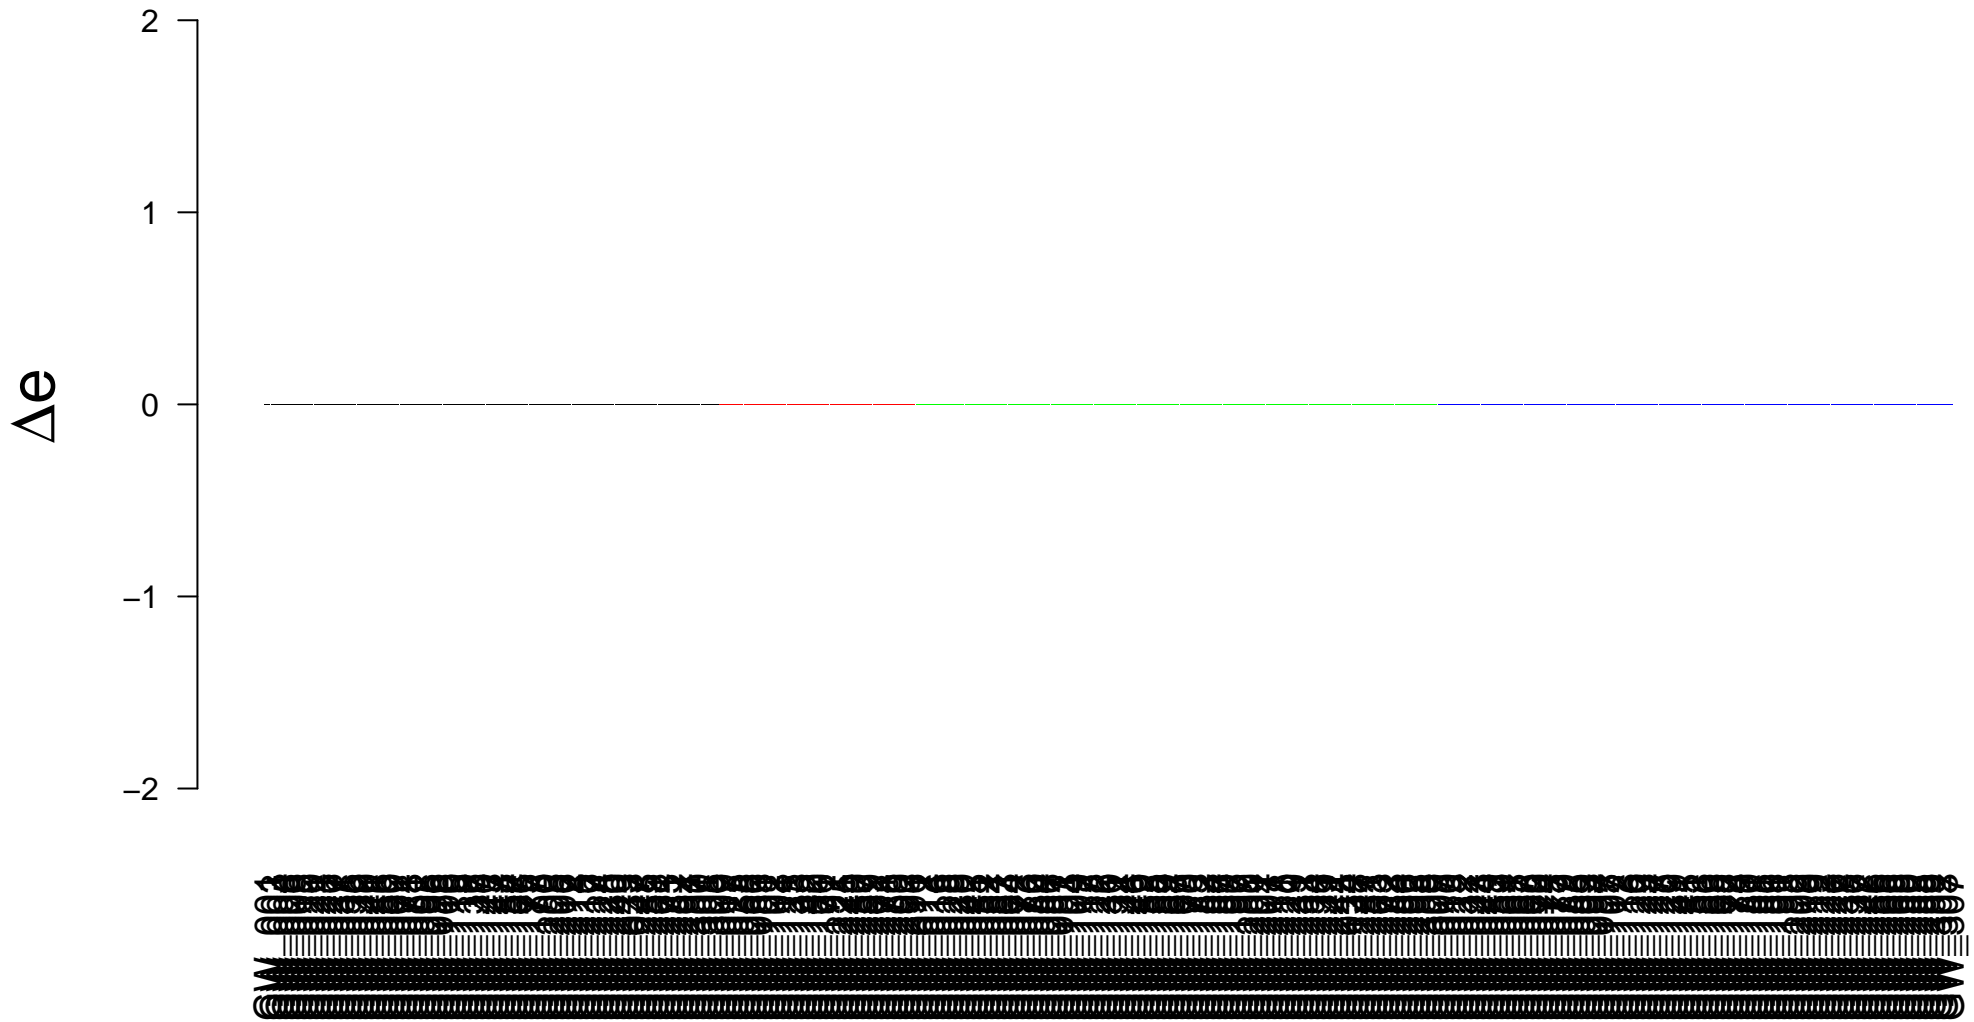

Expression of striated muscle cell differentiation in Spot F

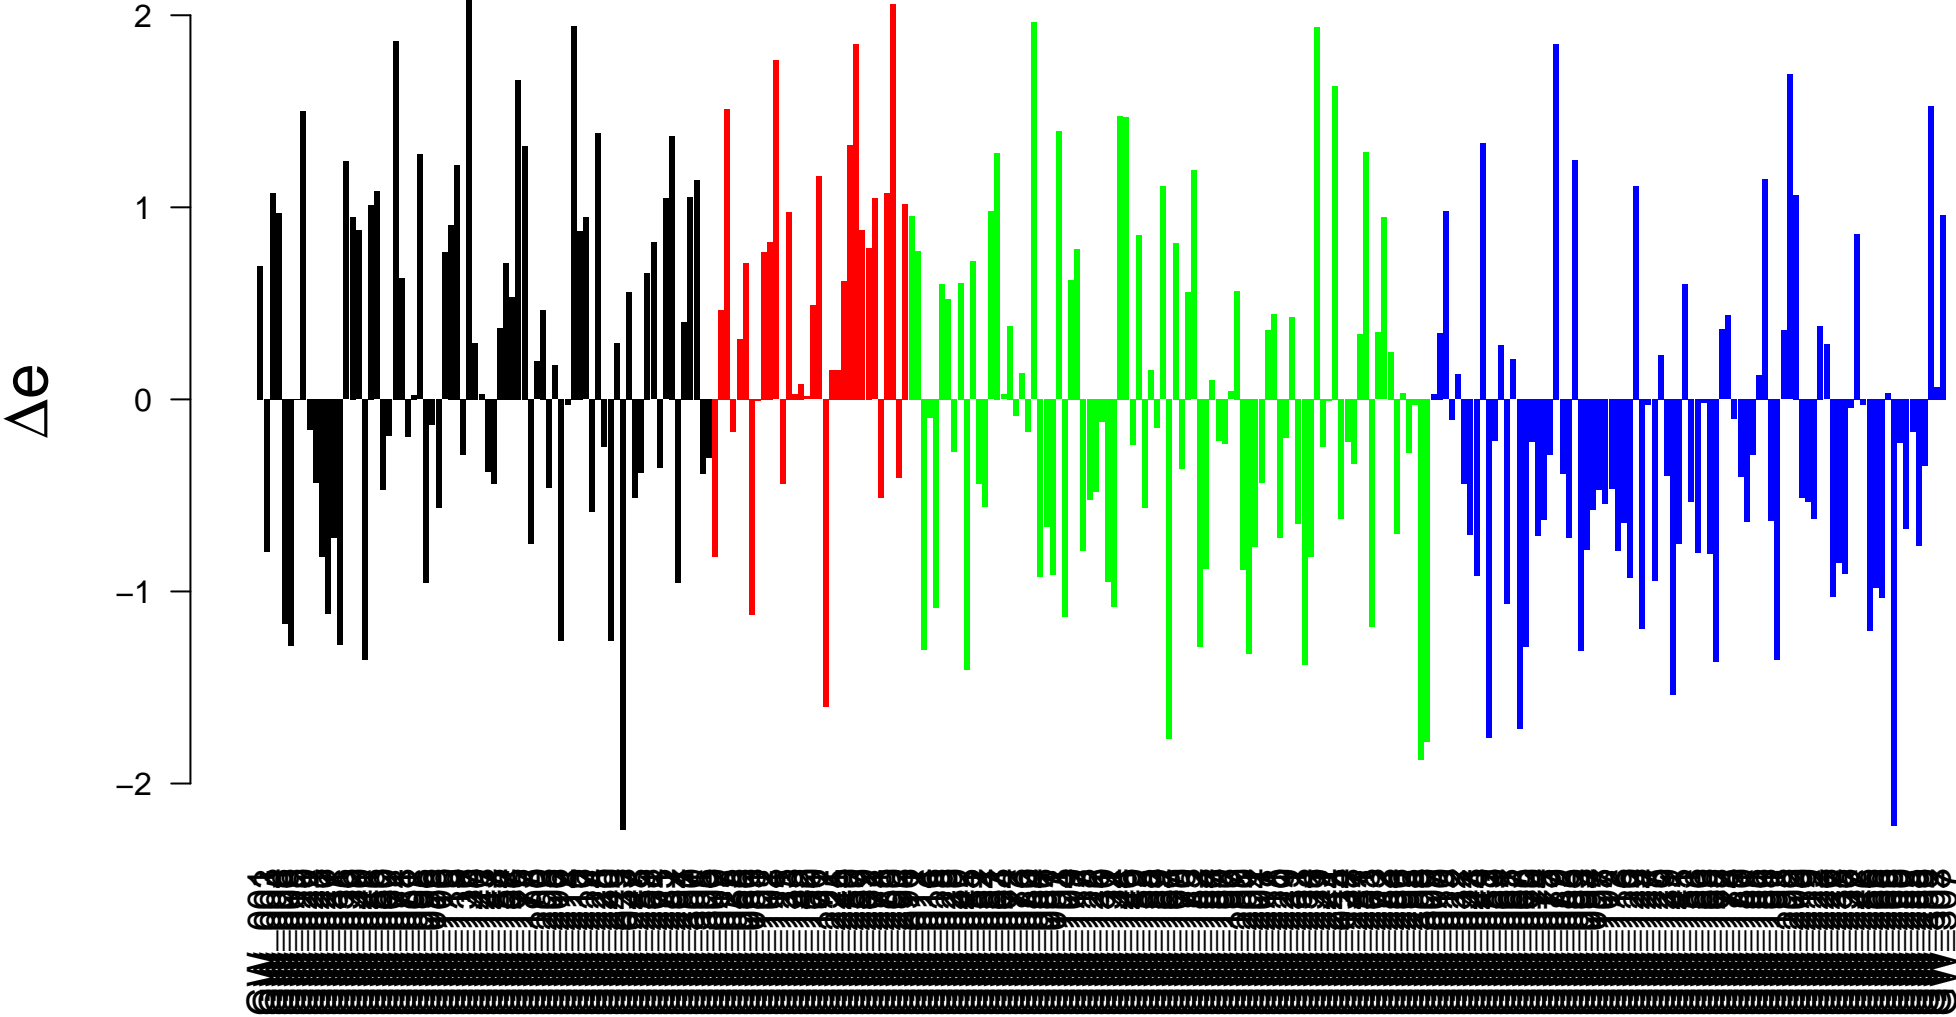

Expression of striated muscle cell differentiation in Spot G

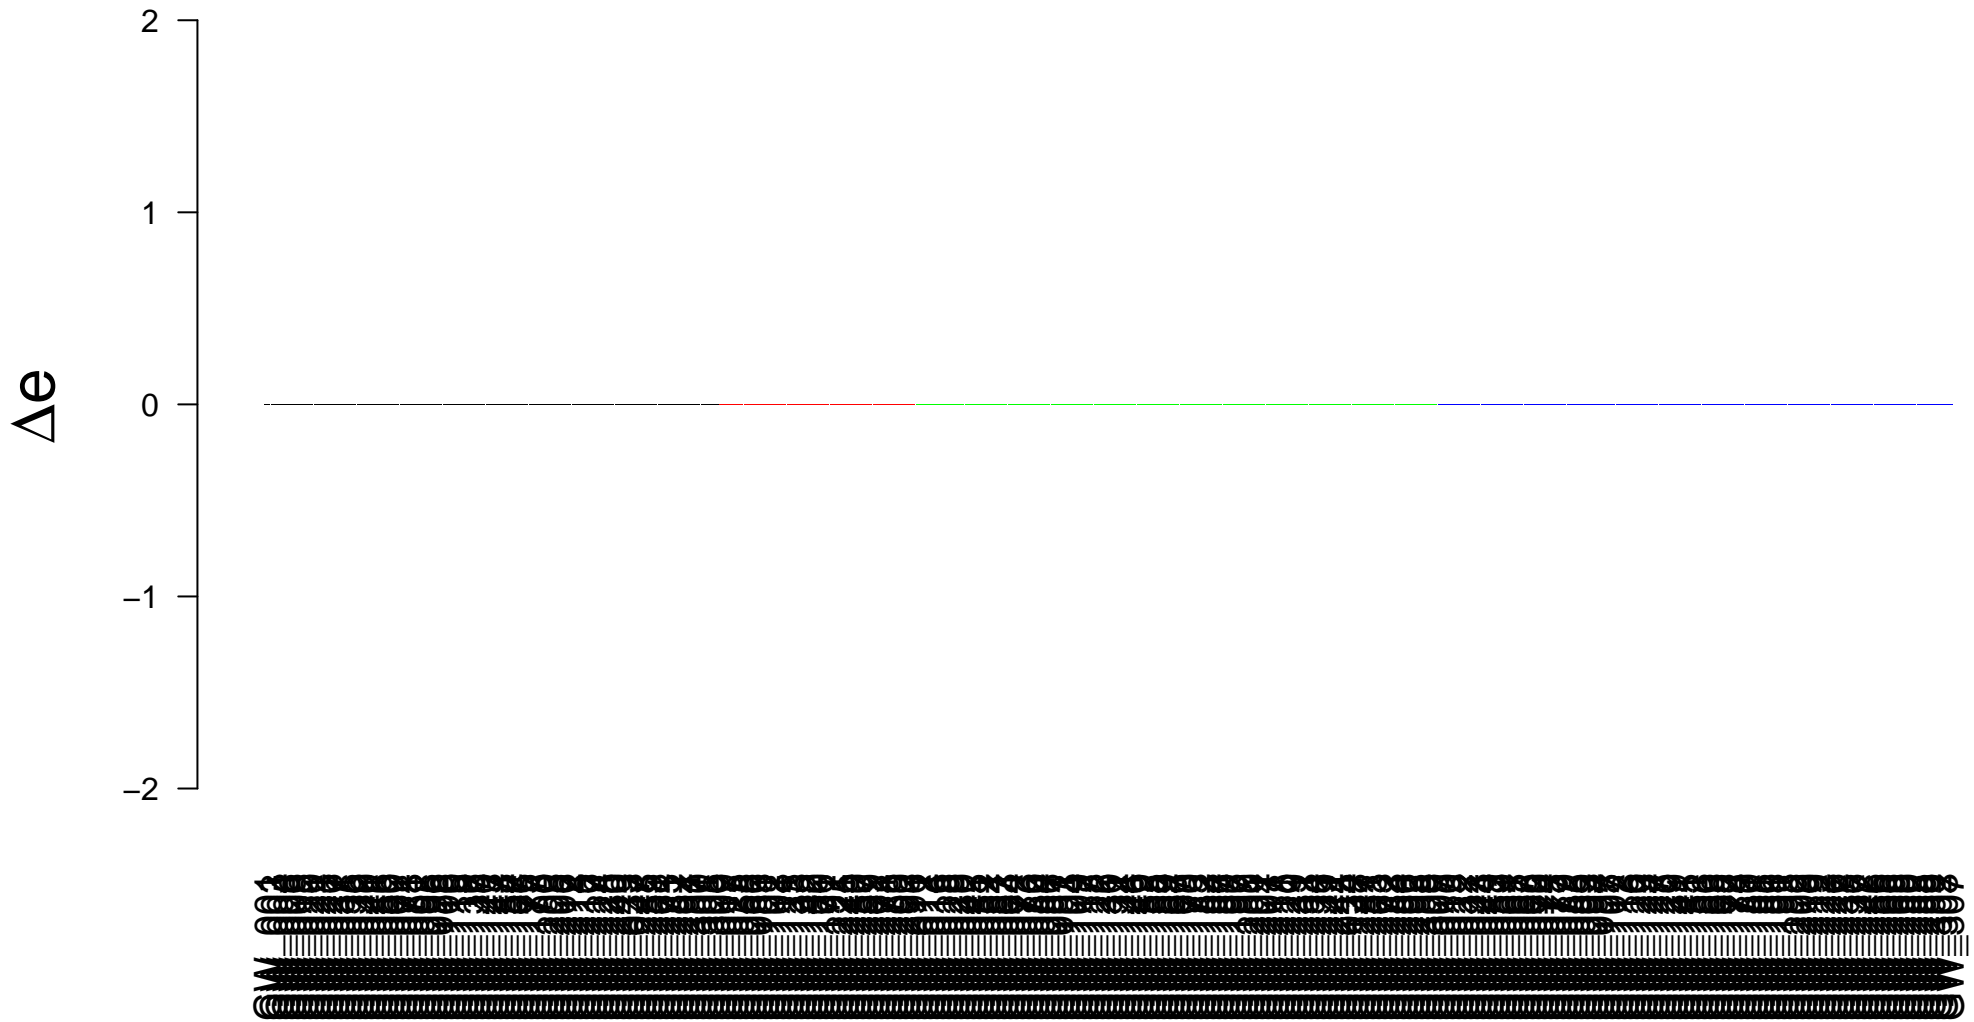

Expression of striated muscle cell differentiation in Spot H

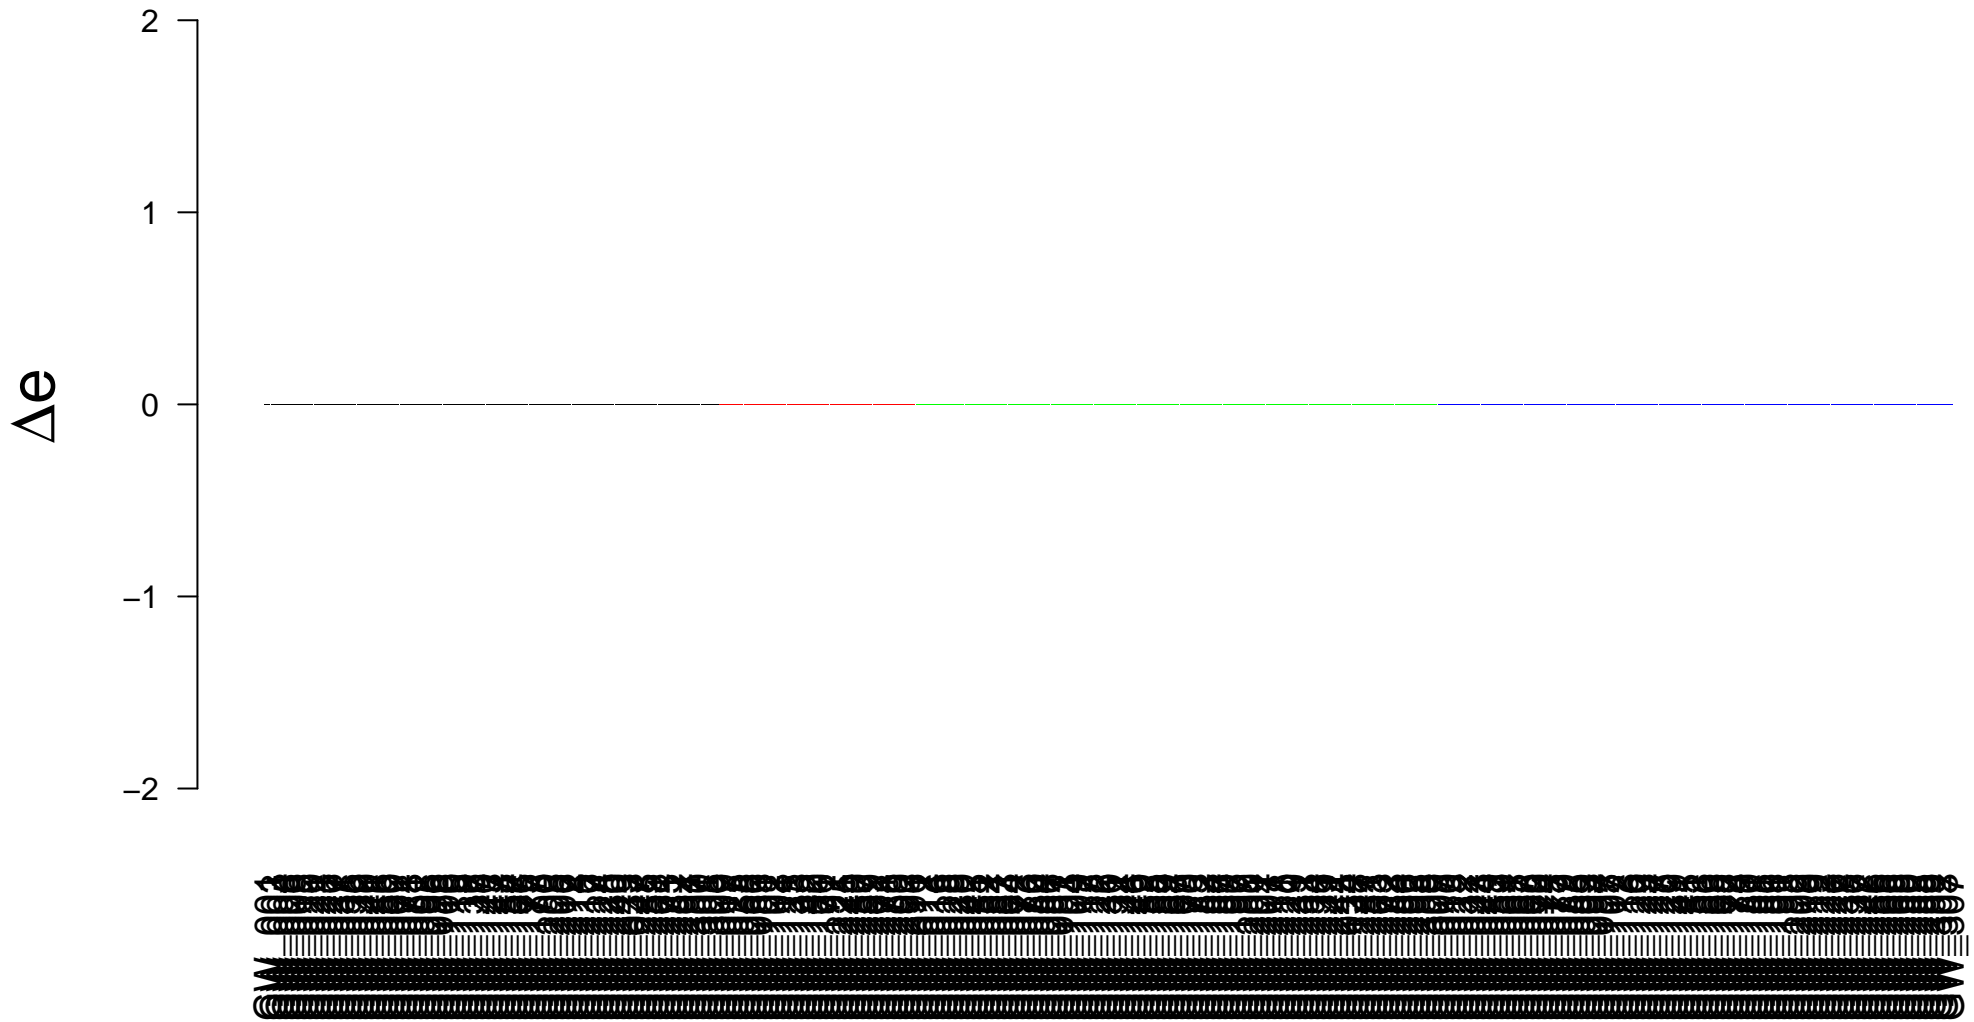

Expression of striated muscle cell differentiation in Spot I

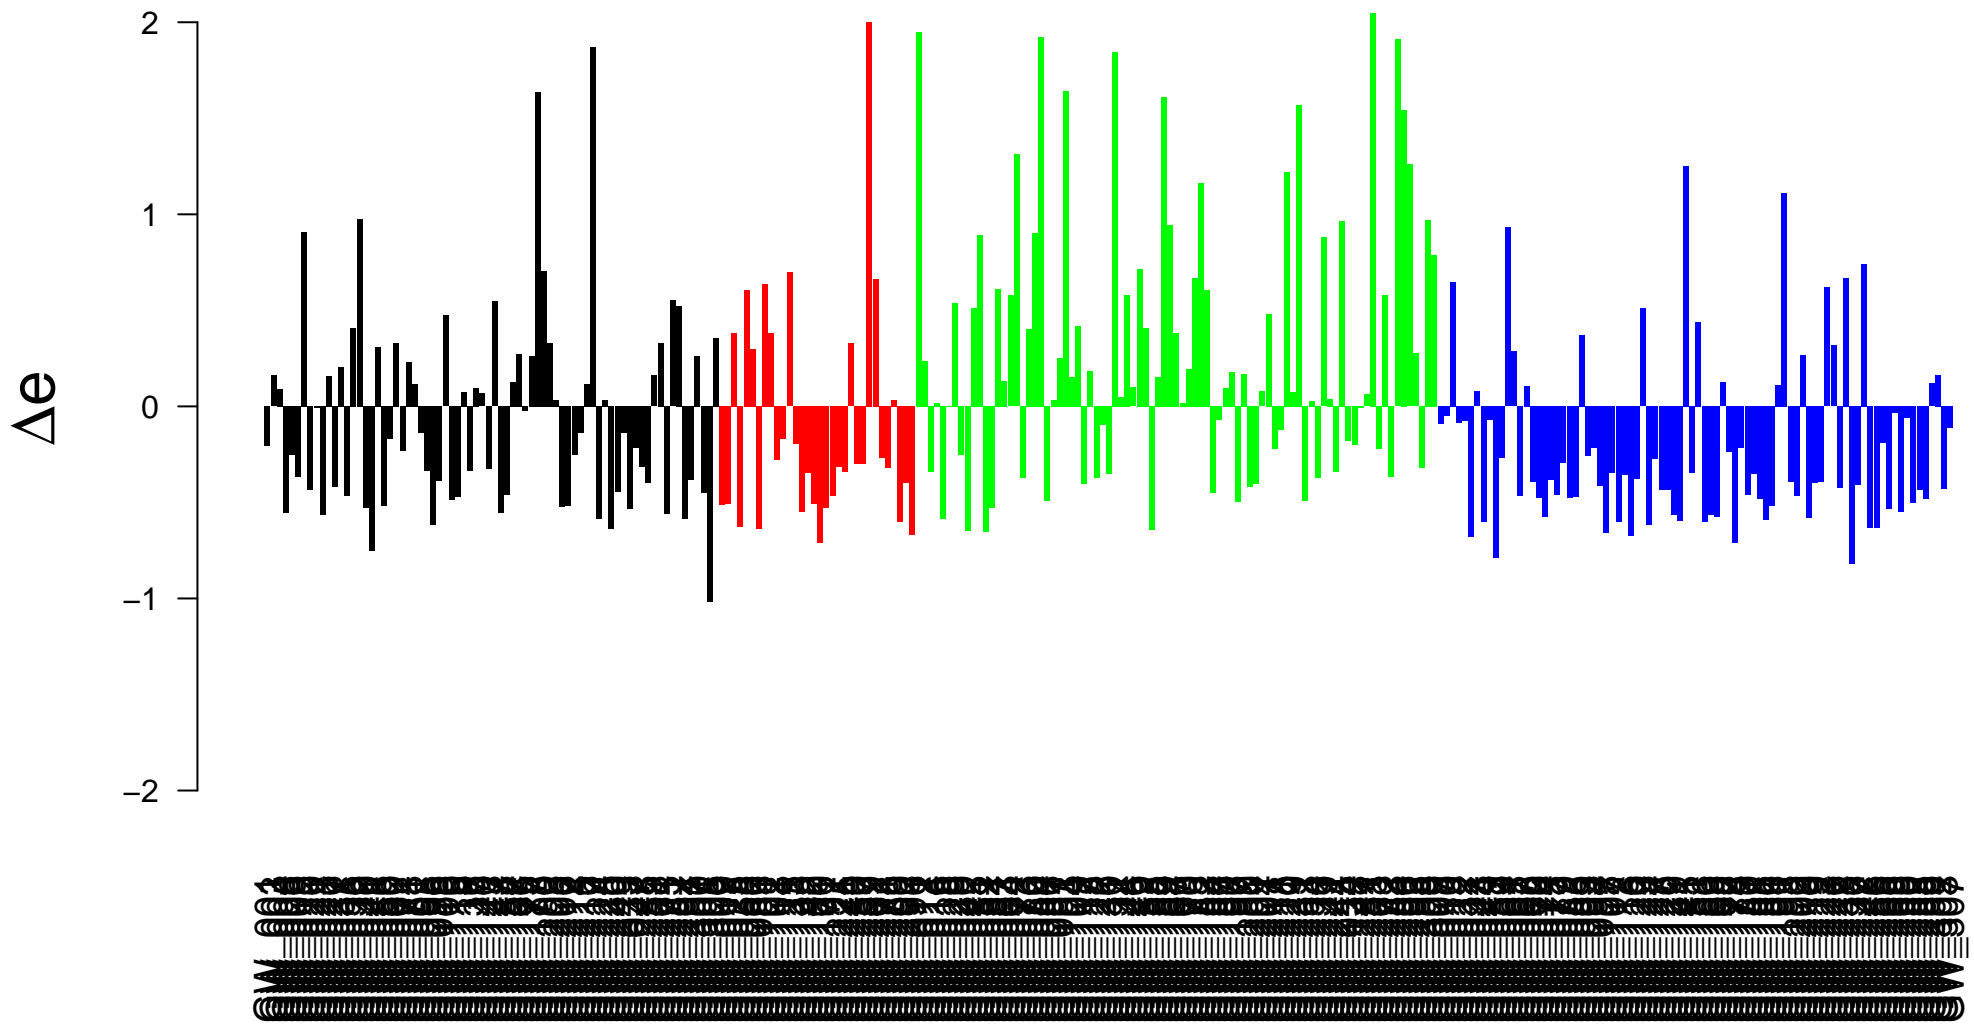

Expression of striated muscle cell differentiation in Spot J

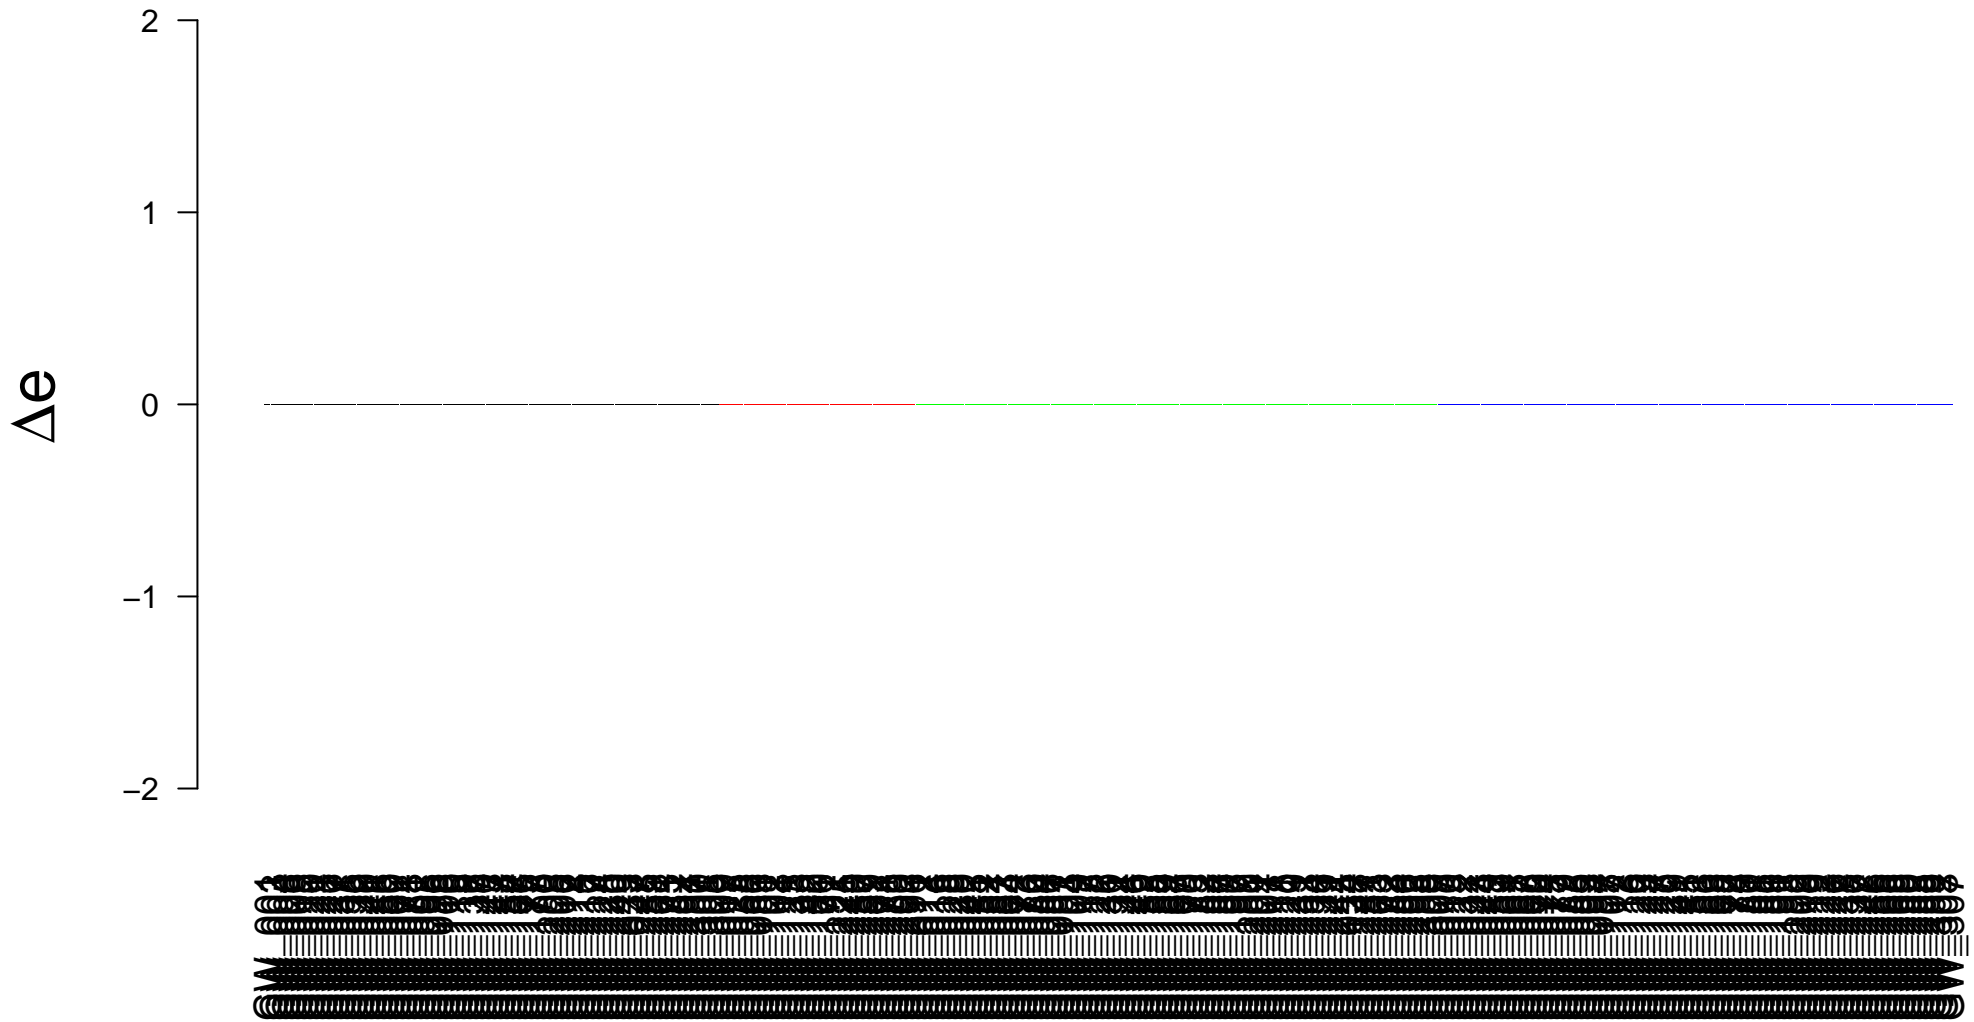

Expression of striated muscle cell differentiation in Spot K

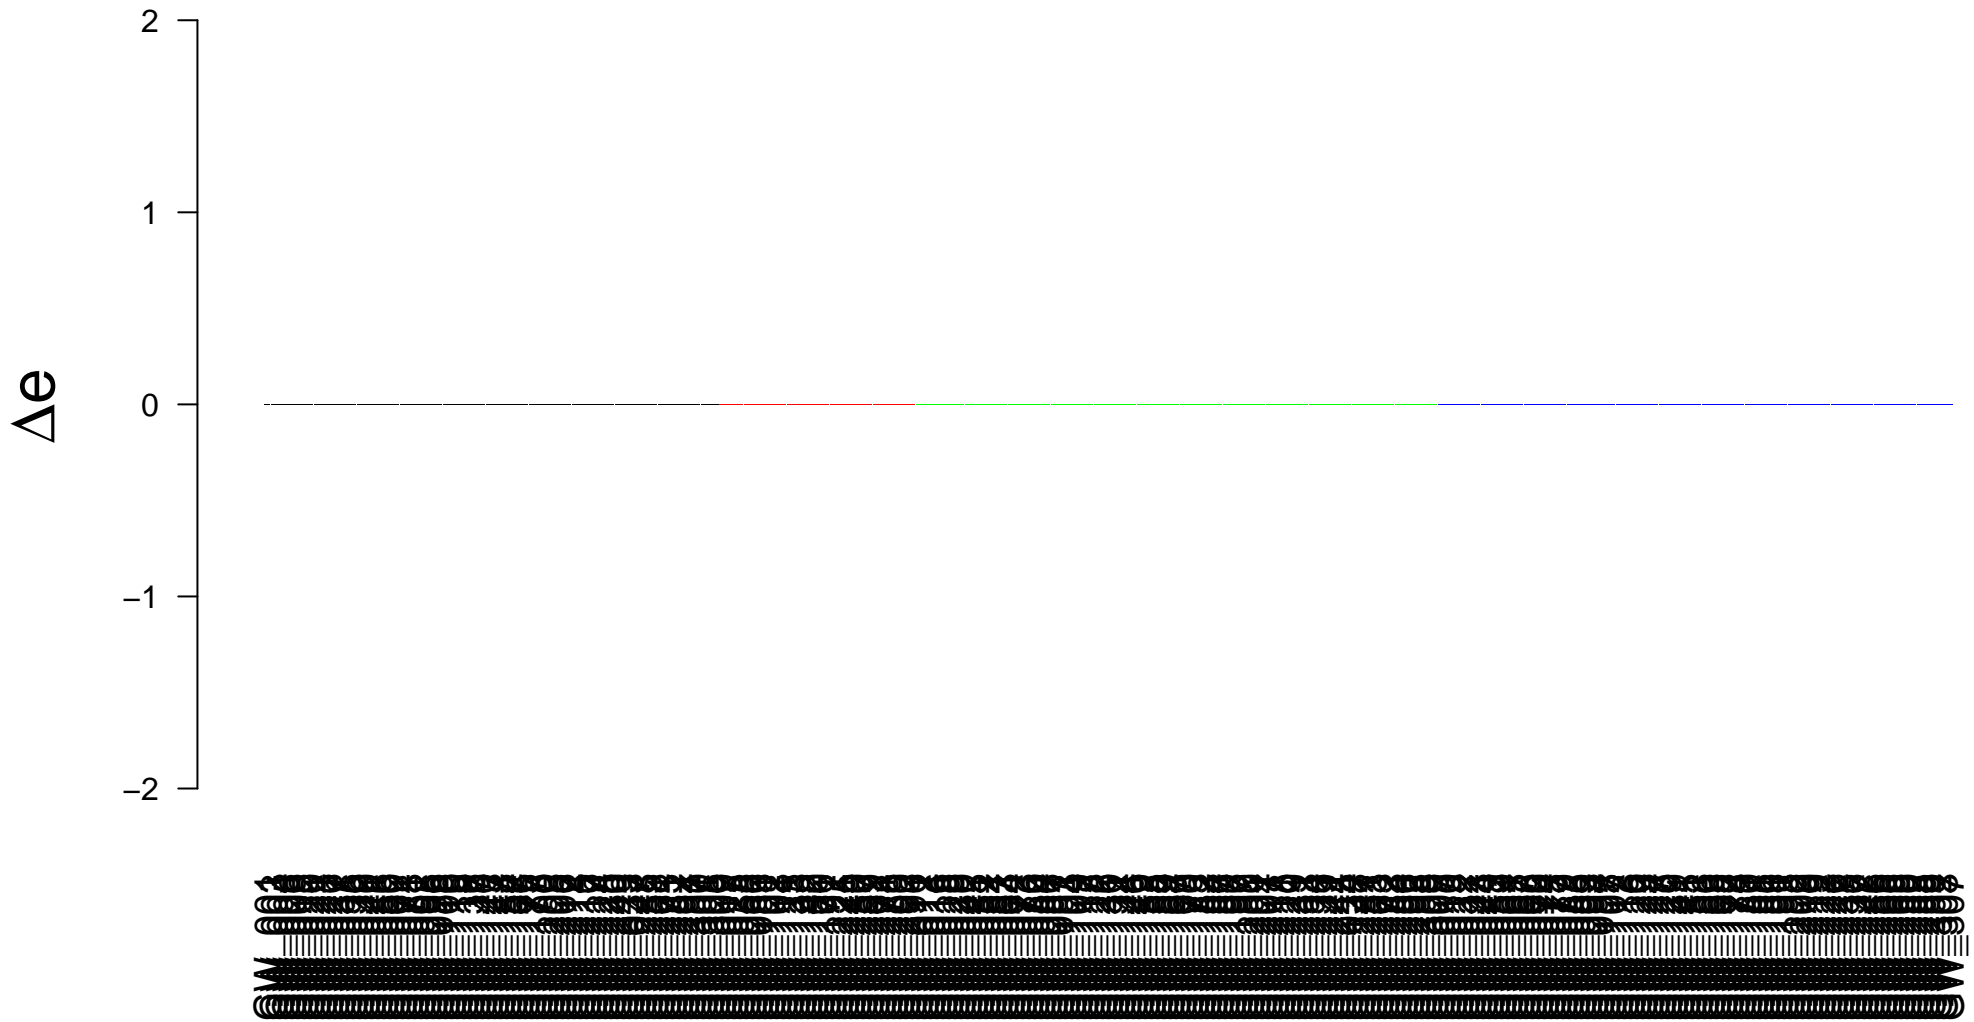

Expression of striated muscle cell differentiation in Spot L

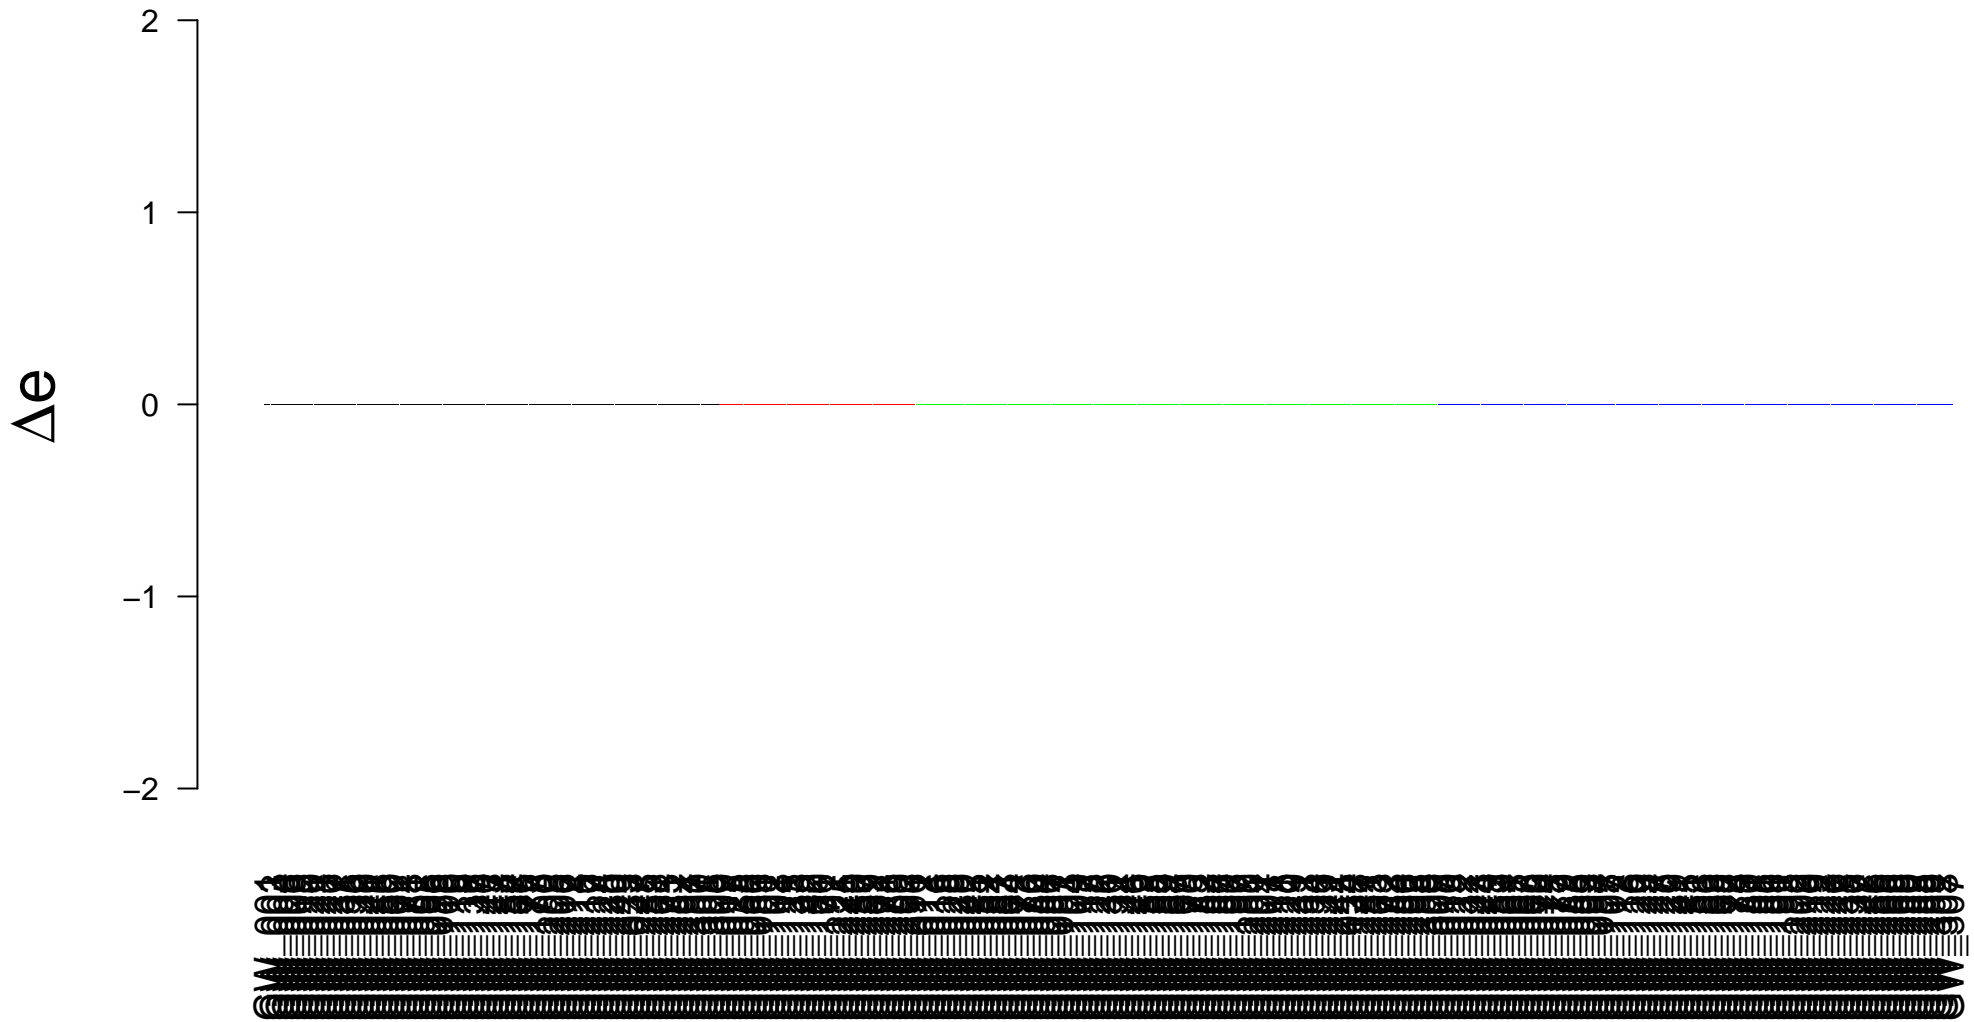

Expression of striated muscle cell differentiation in Spot M

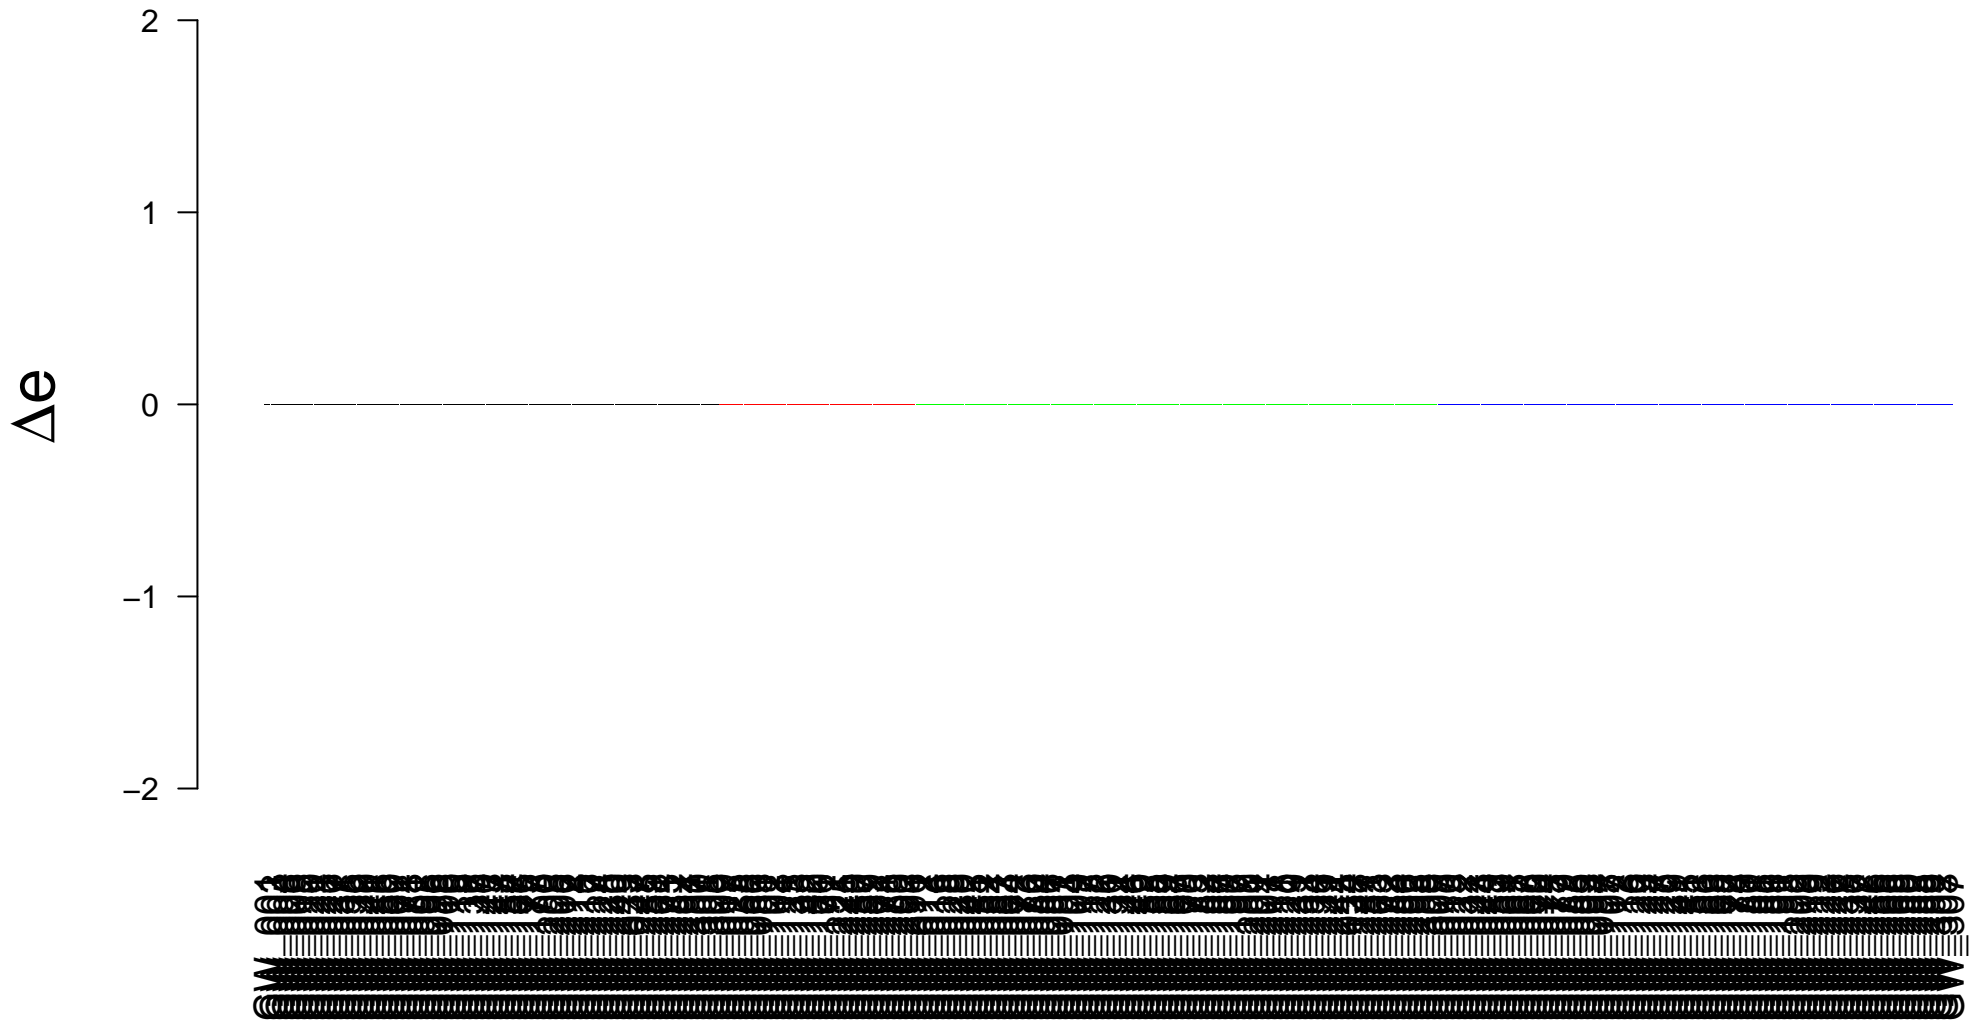

Expression of striated muscle cell differentiation in Spot N

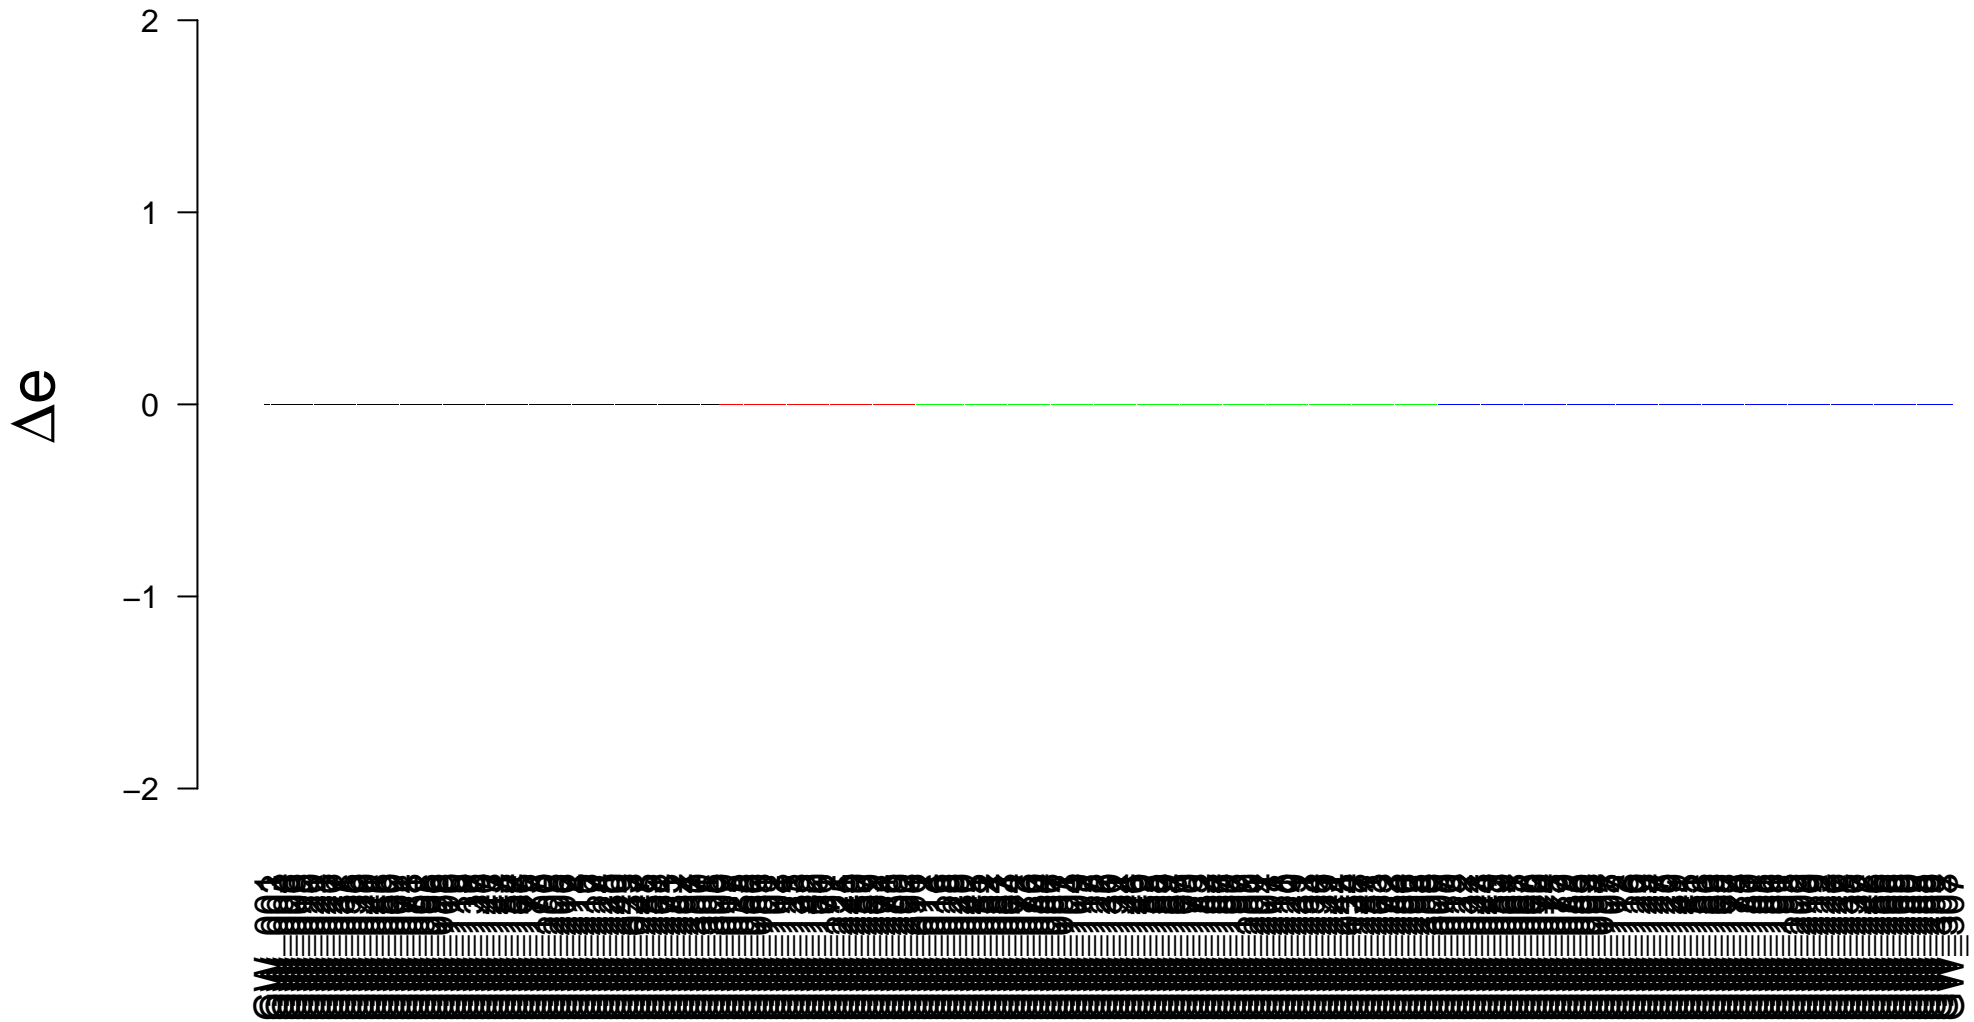

Expression of striated muscle cell differentiation in Spot O

Expression of striated muscle cell differentiation in Spot P

Expression of striated muscle cell differentiation in Spot Q

Expression of striated muscle cell differentiation in Spot R
