

striated muscle contraction

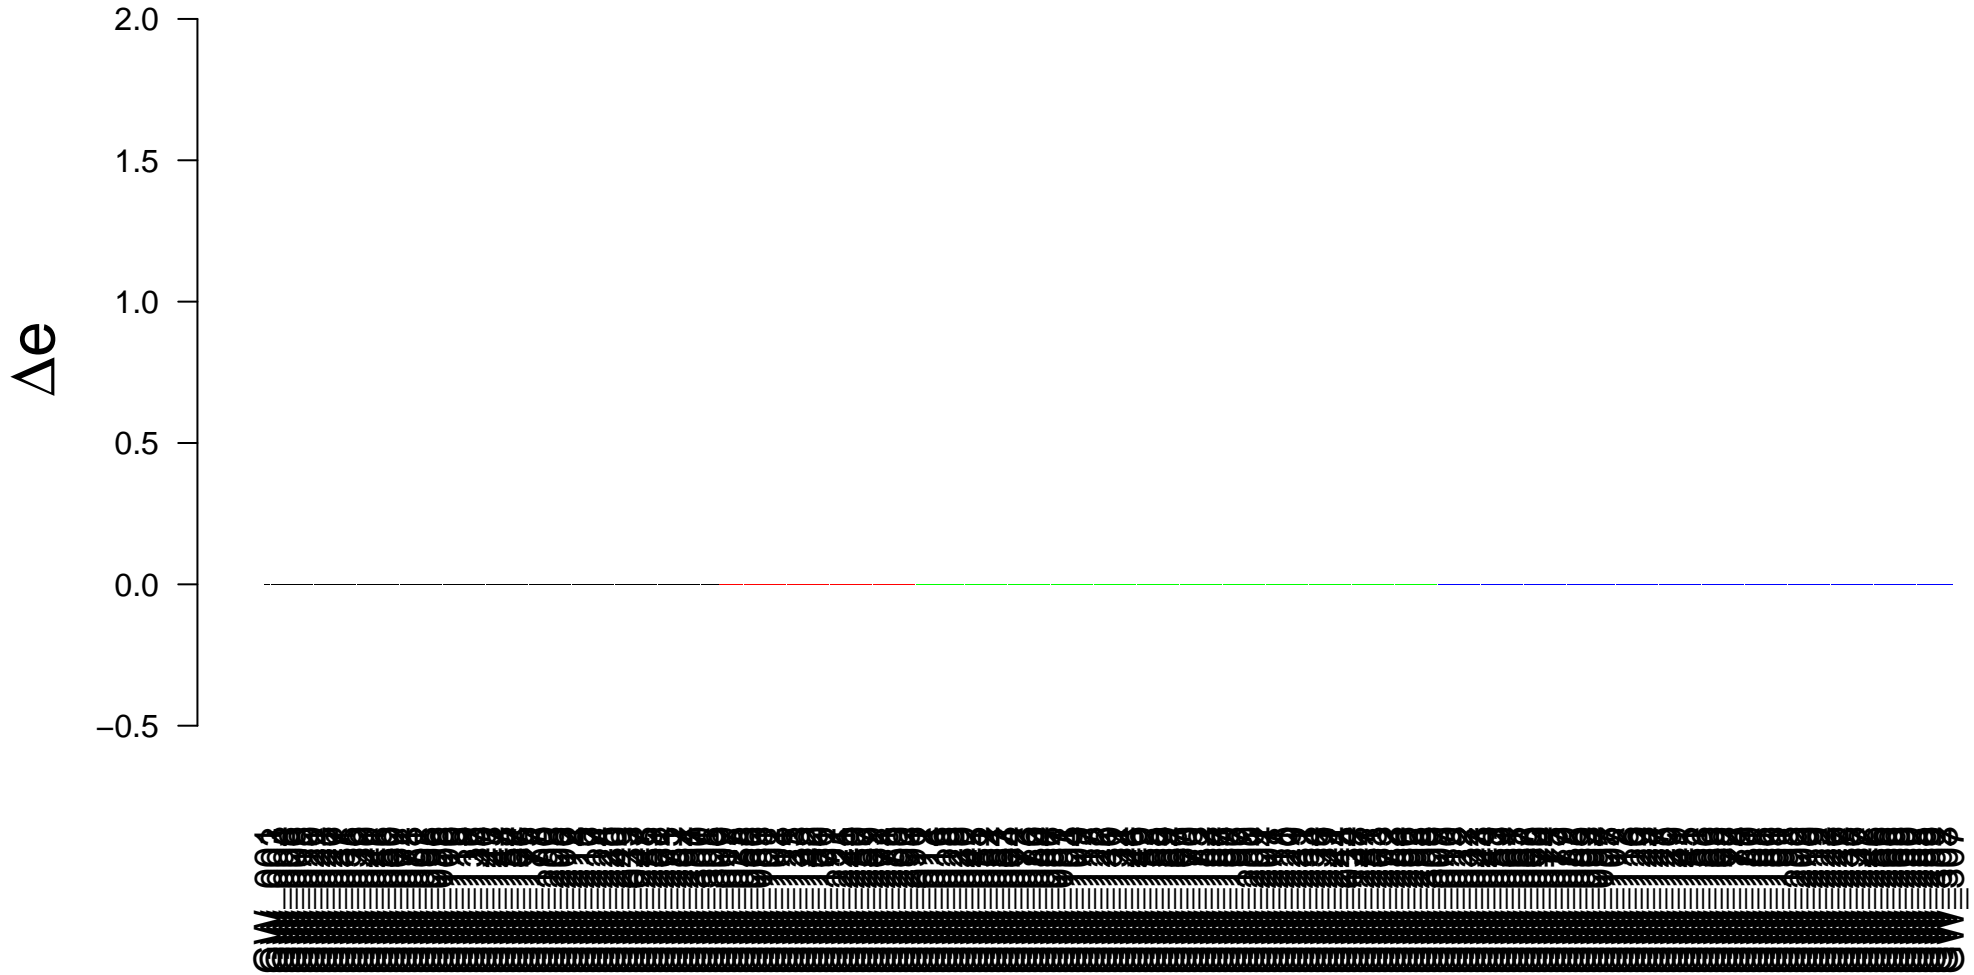

striated muscle contraction

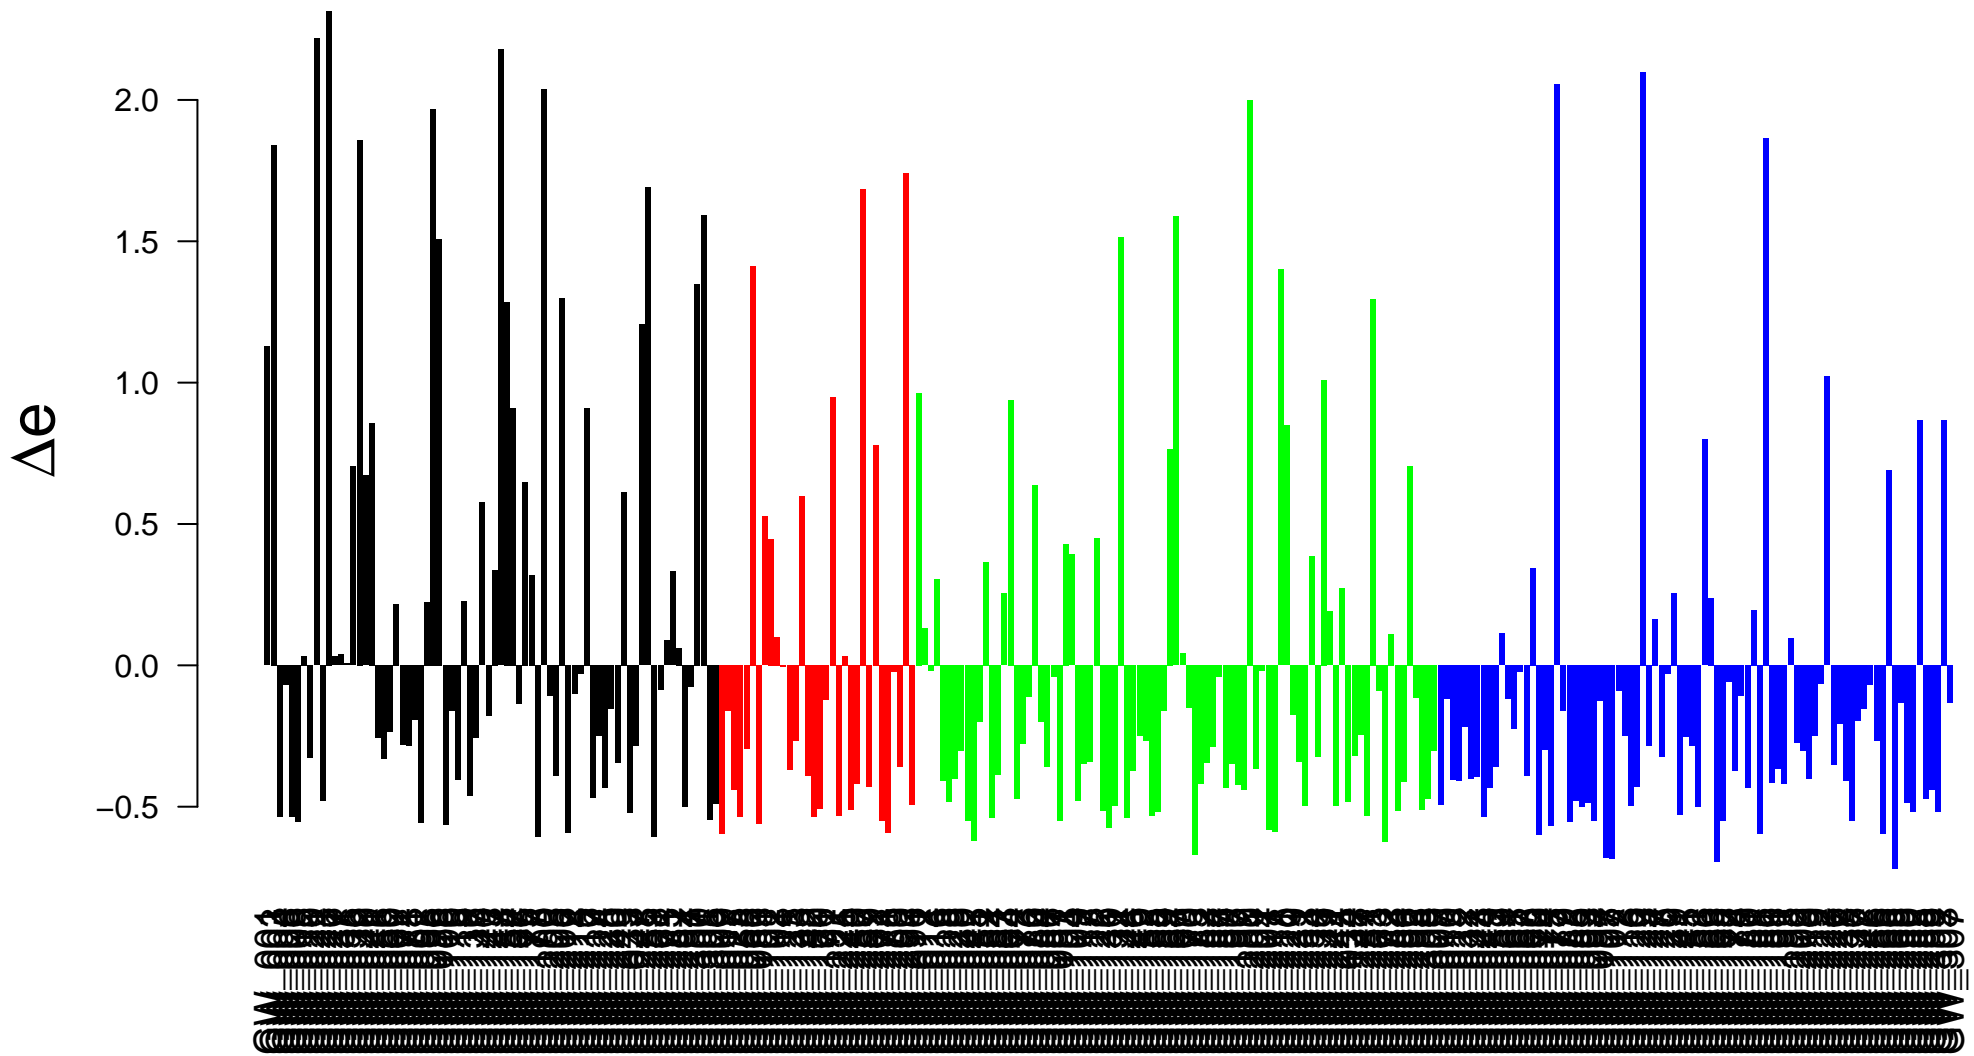

Enrichment in spots: striated muscle contraction

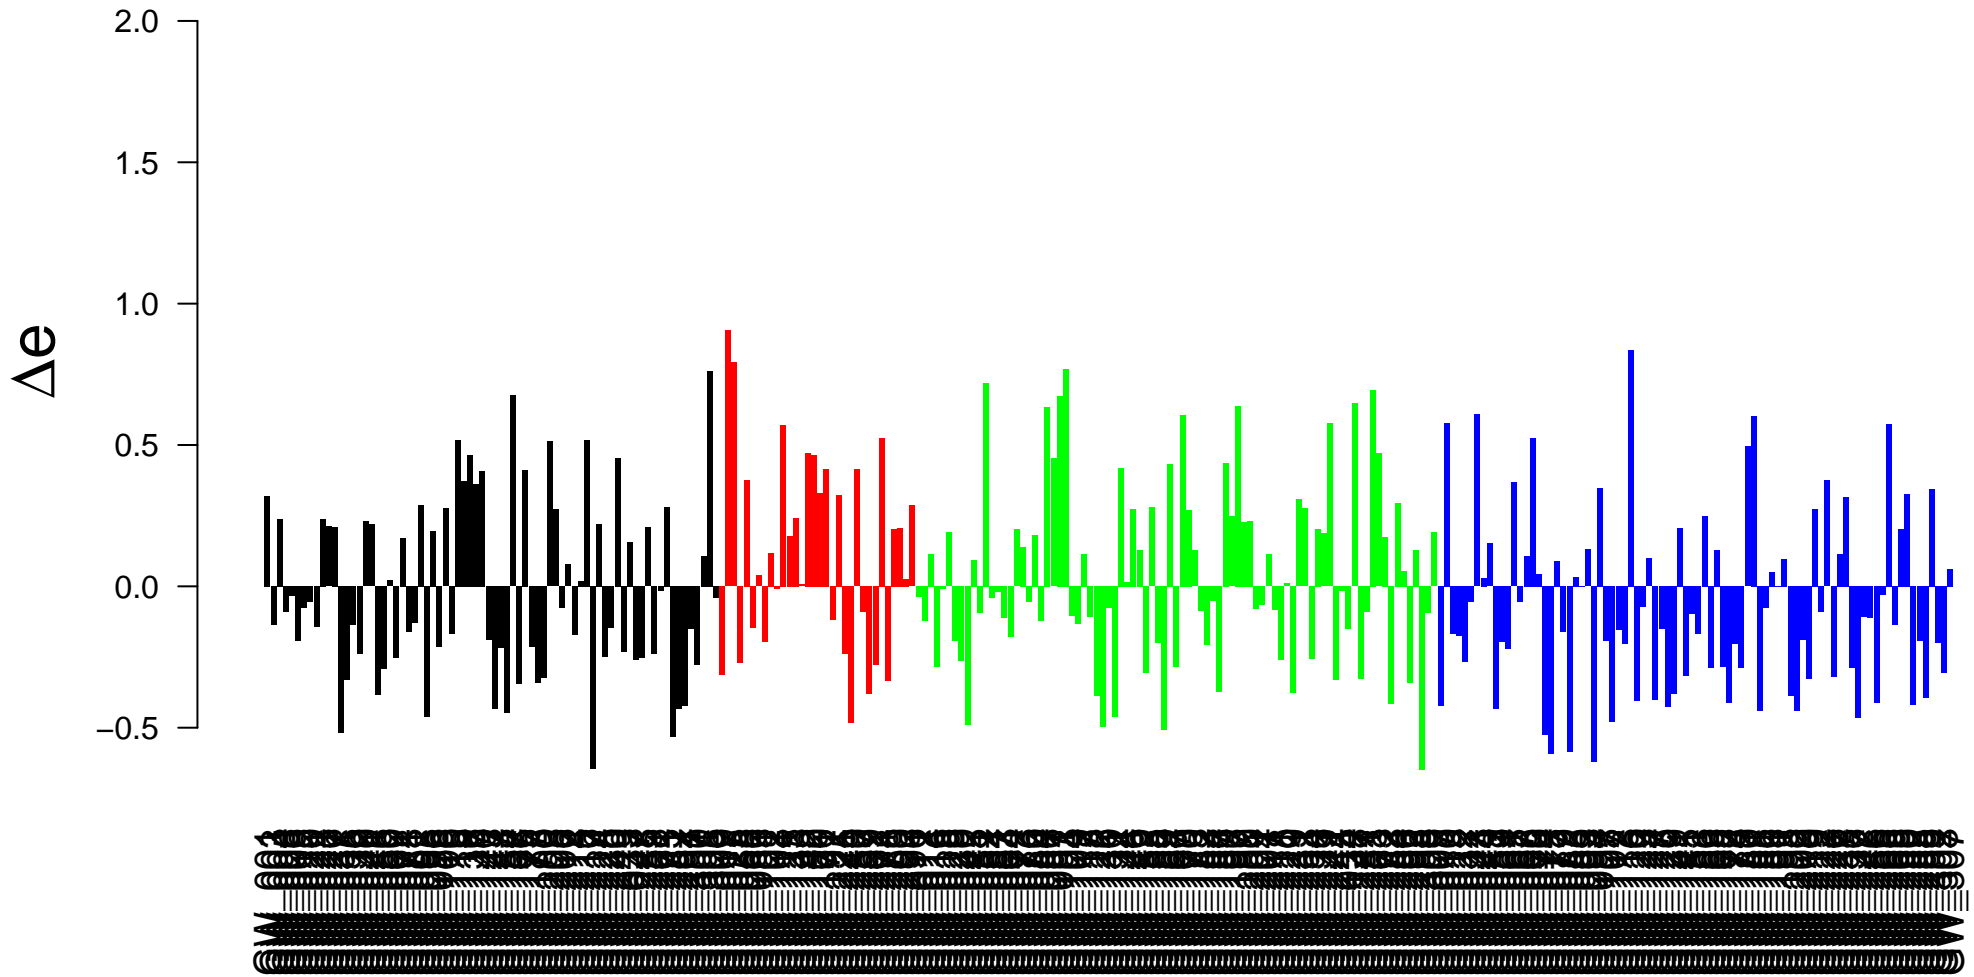

Expression of striated muscle contraction in Spot A

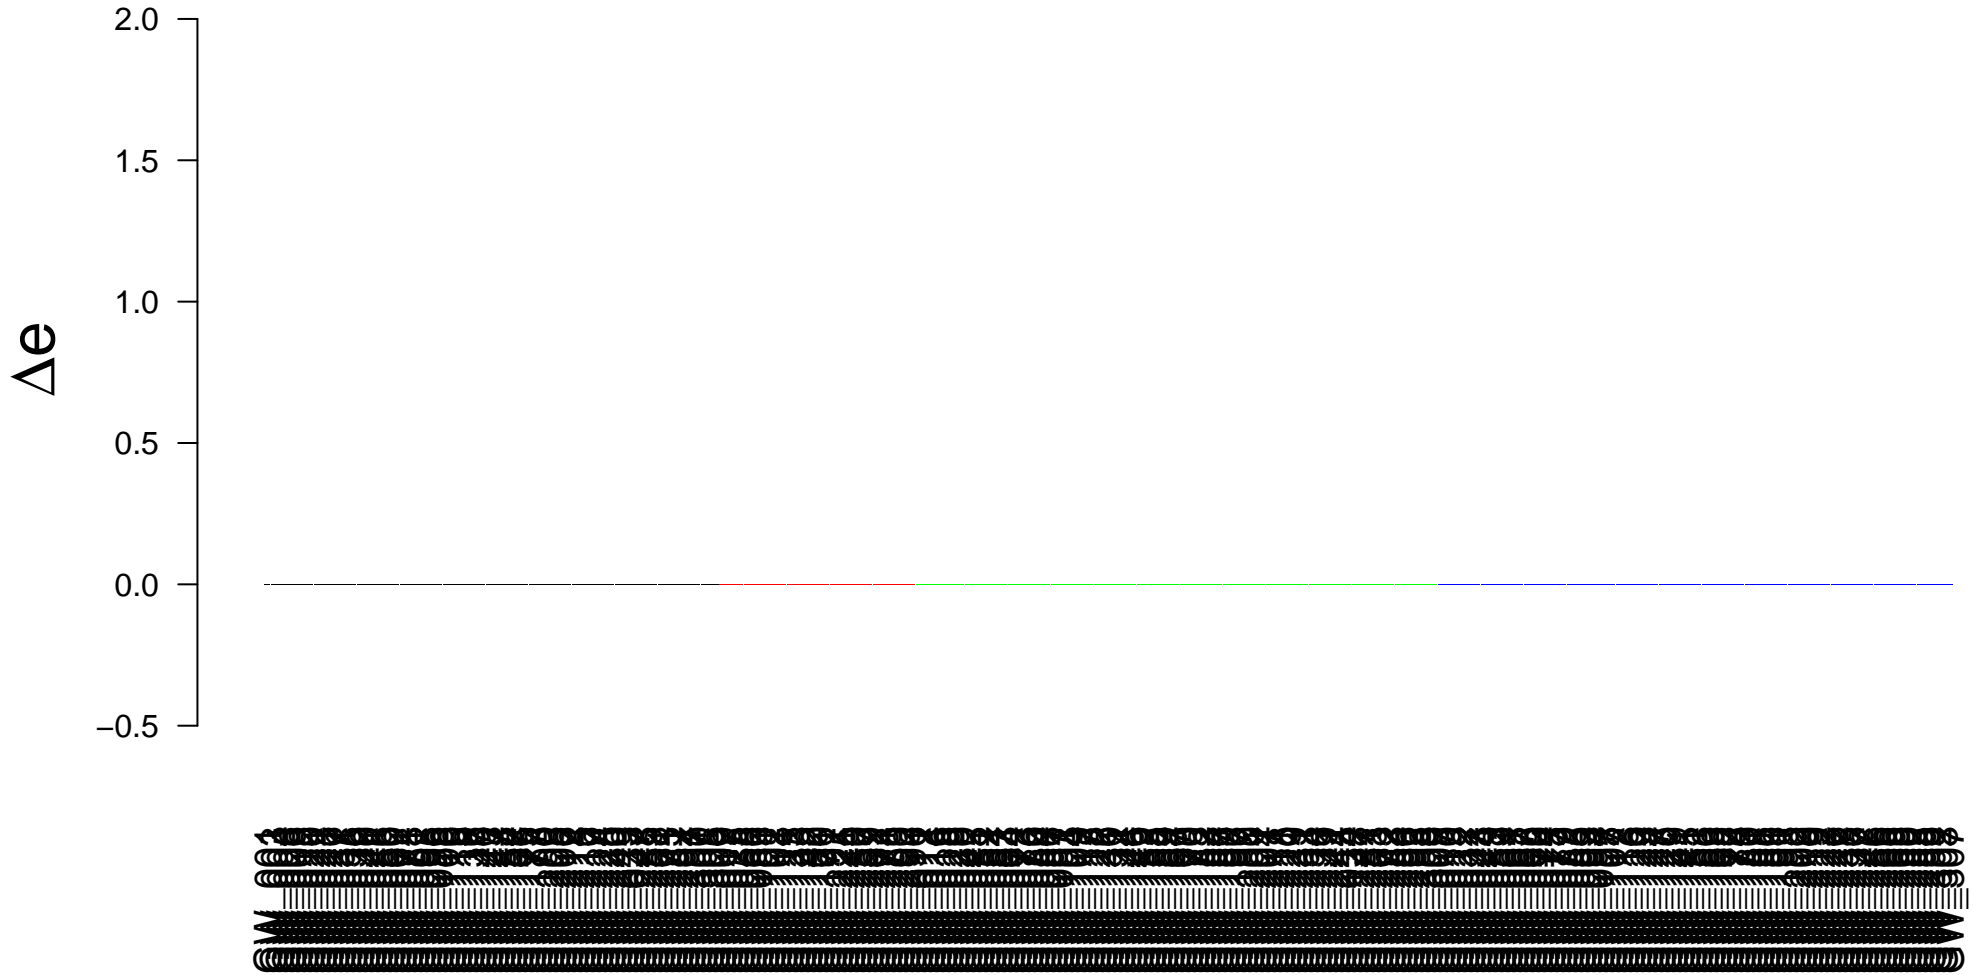

Expression of striated muscle contraction in Spot B

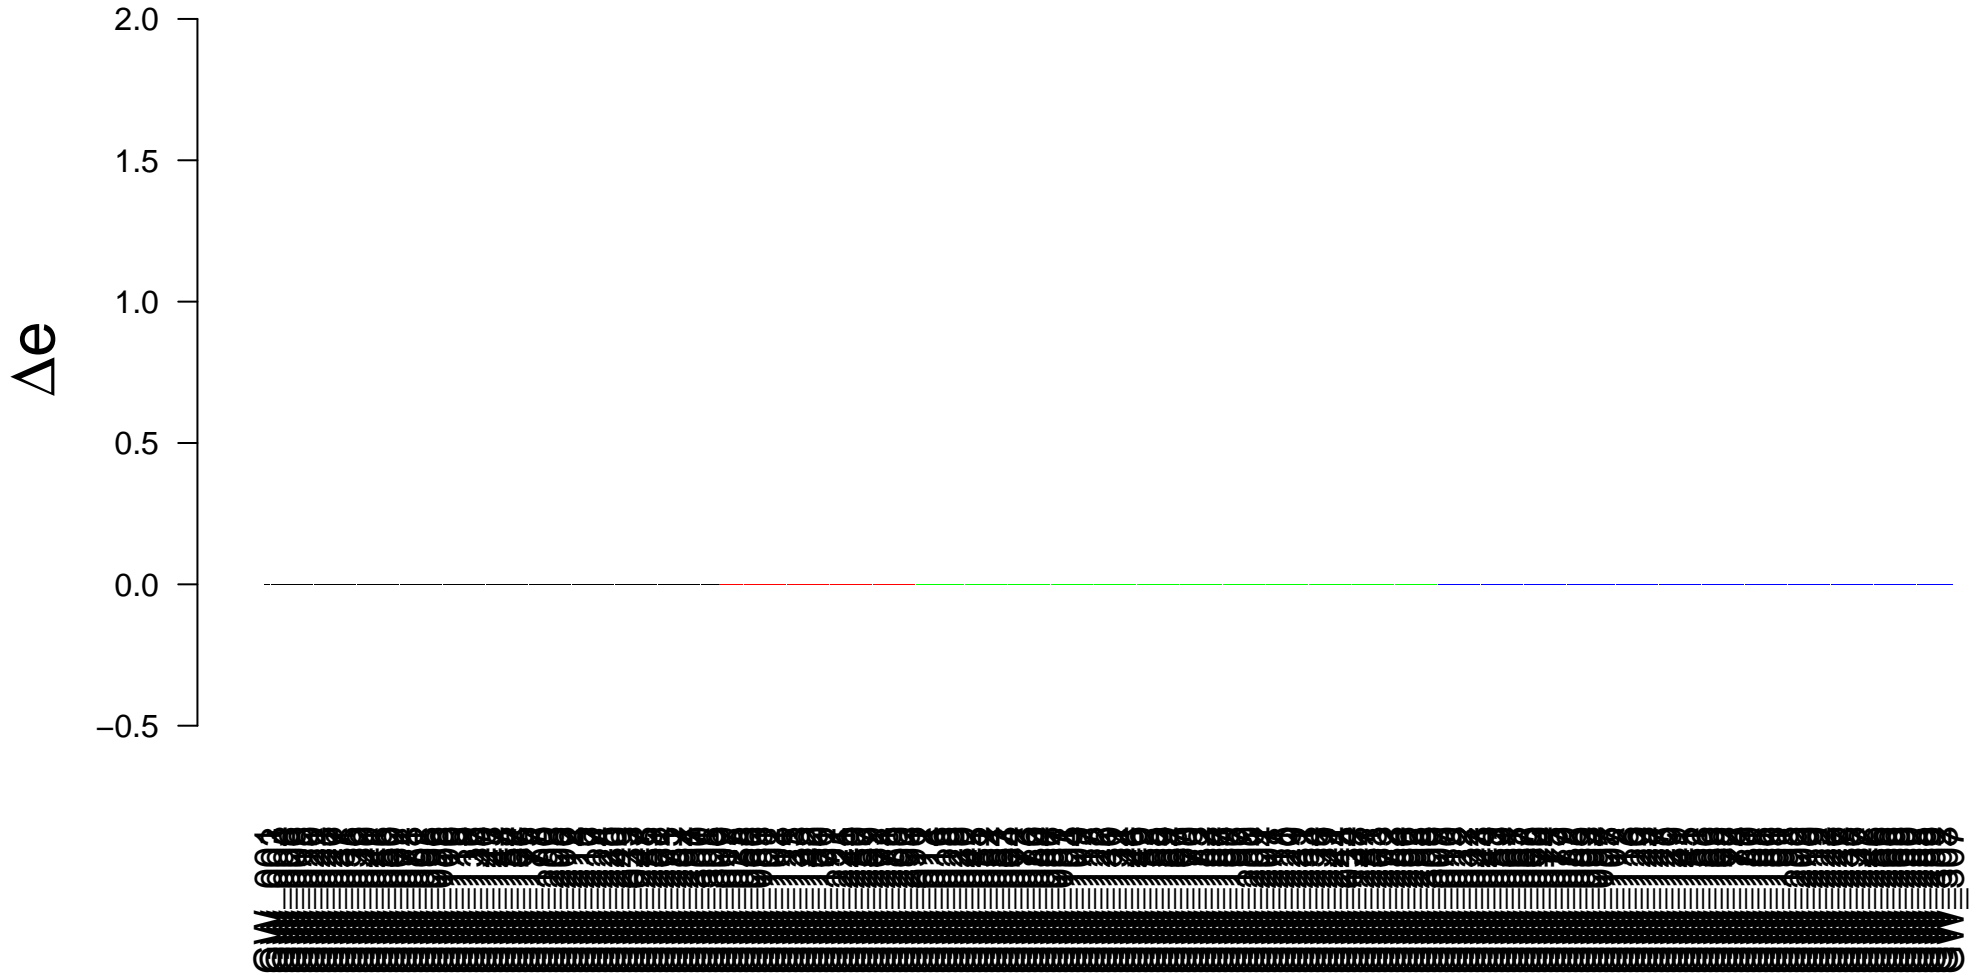

Expression of striated muscle contraction in Spot C

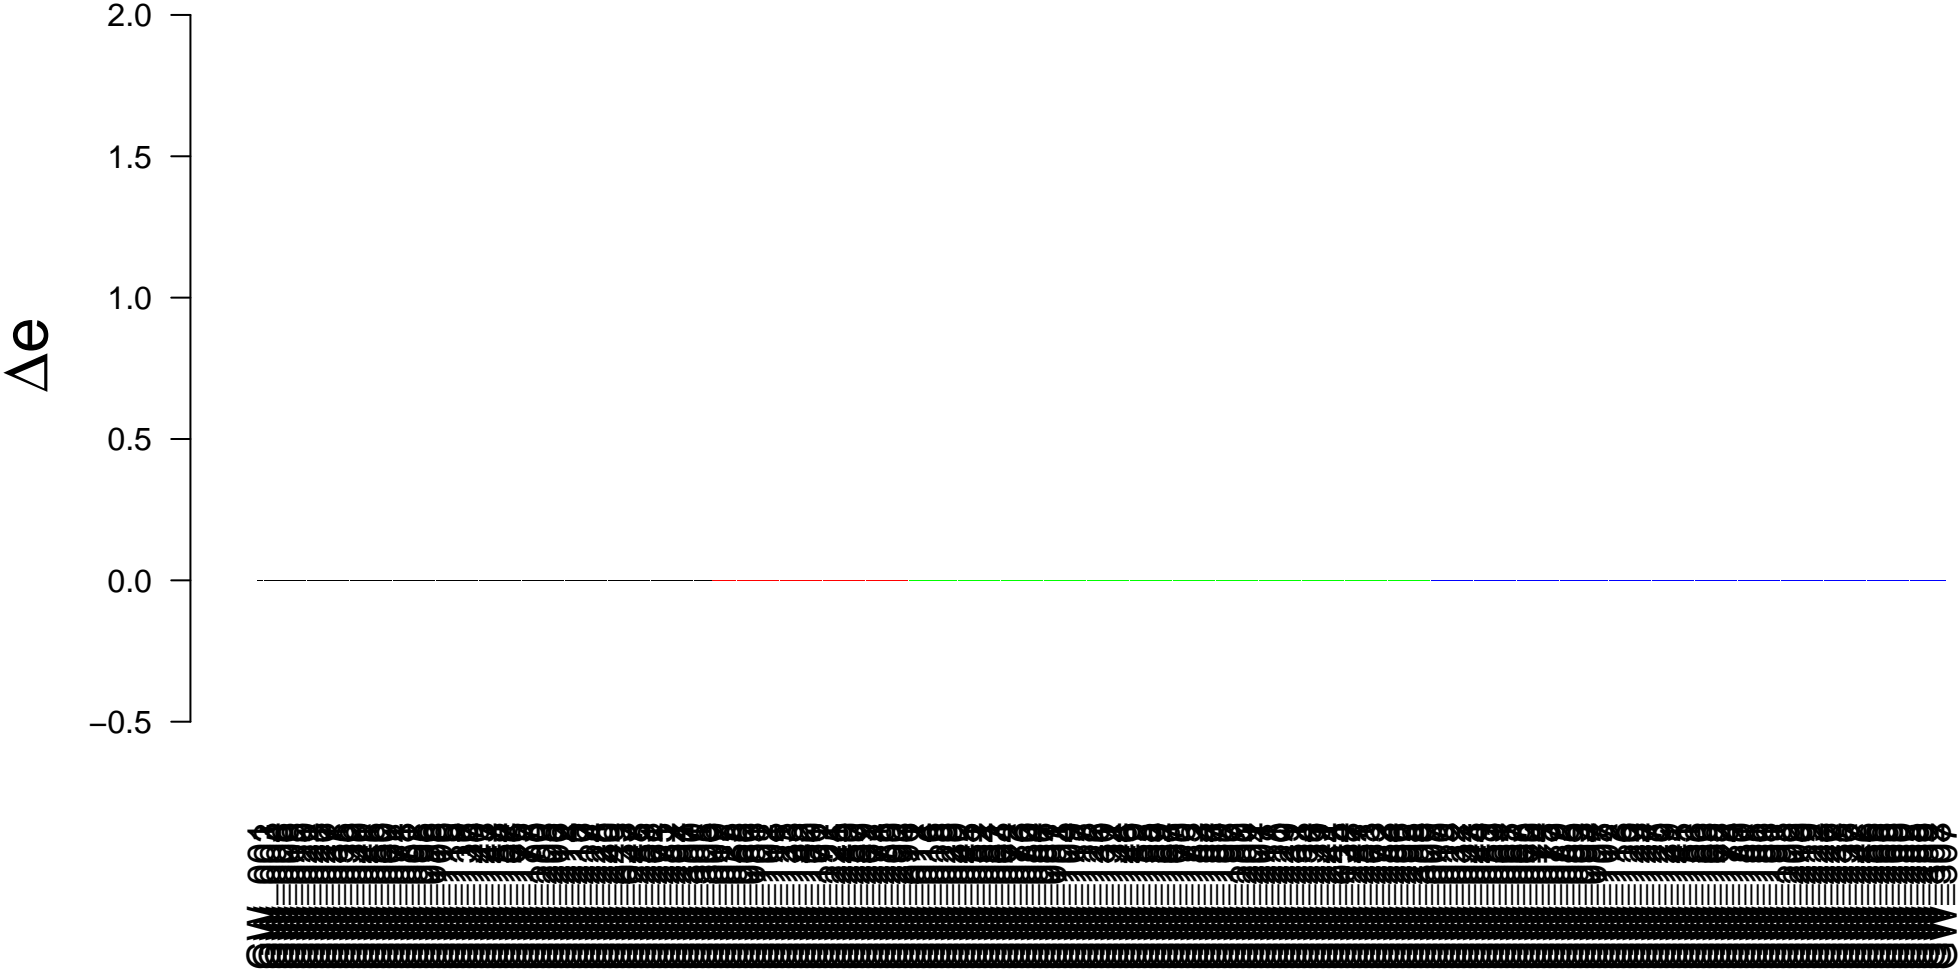

Expression of striated muscle contraction in Spot D

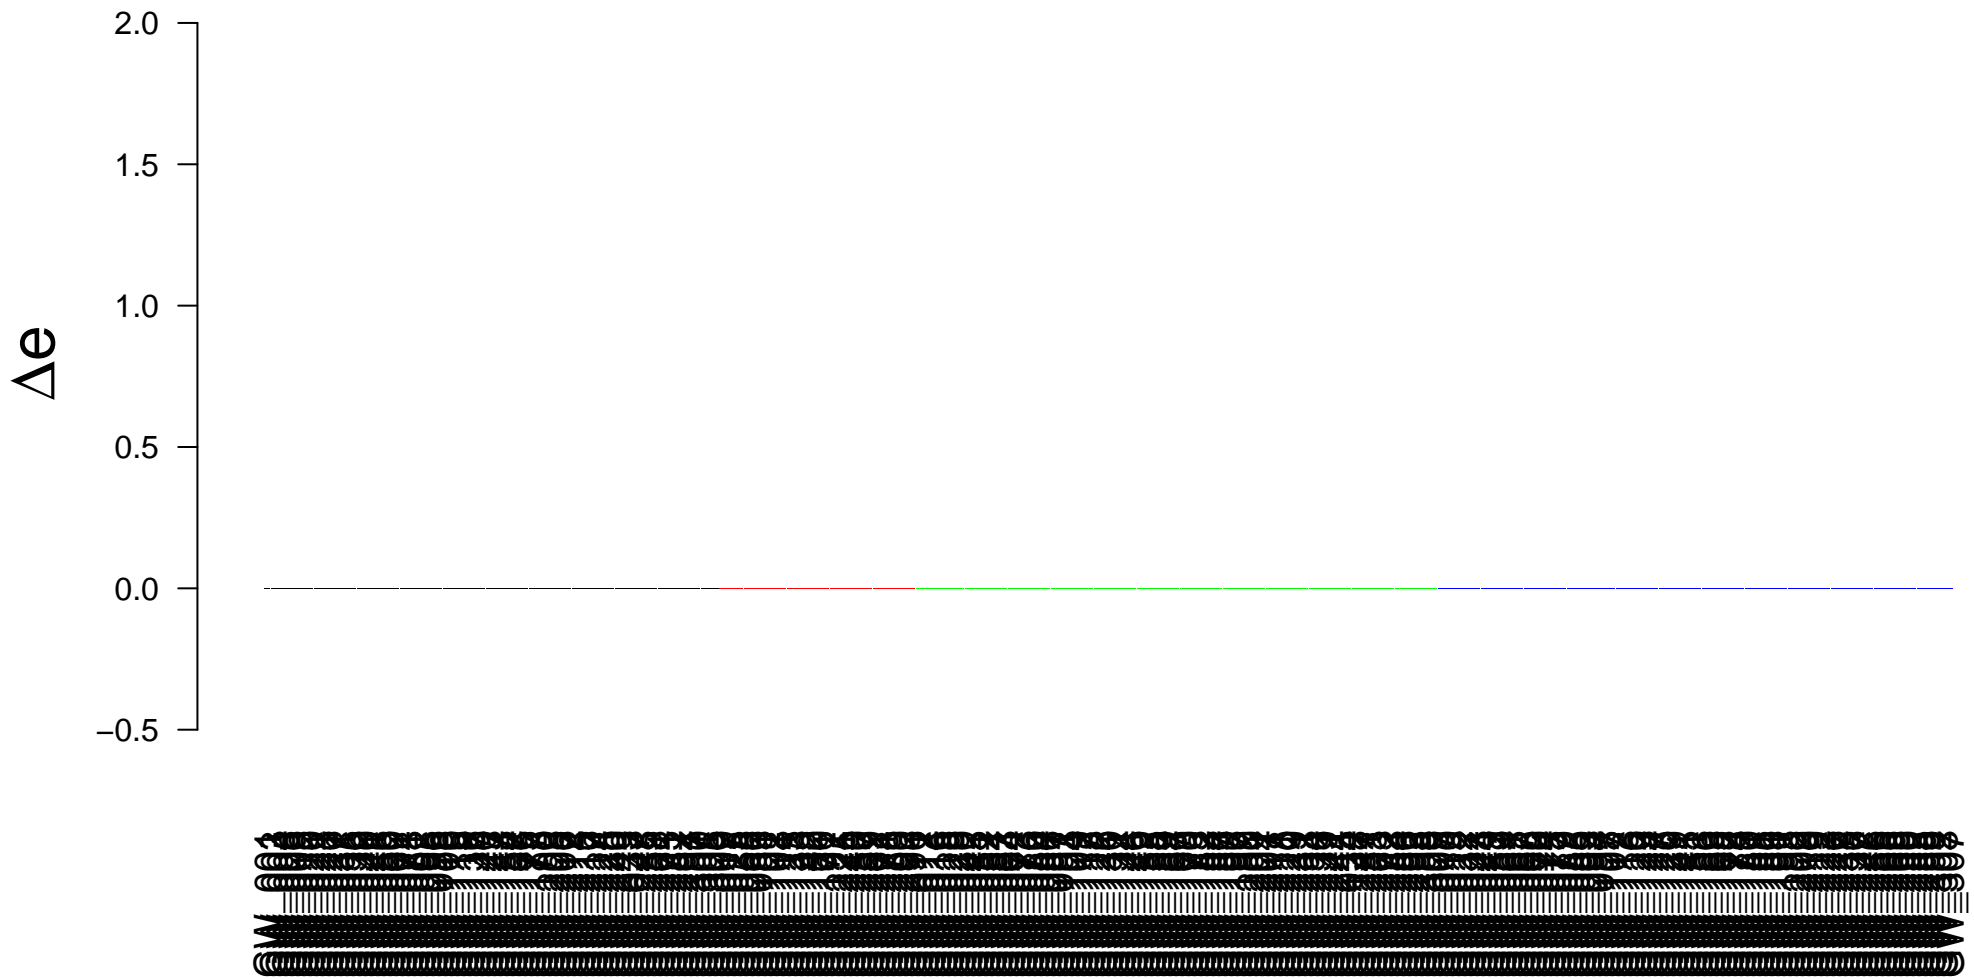

Expression of striated muscle contraction in Spot E

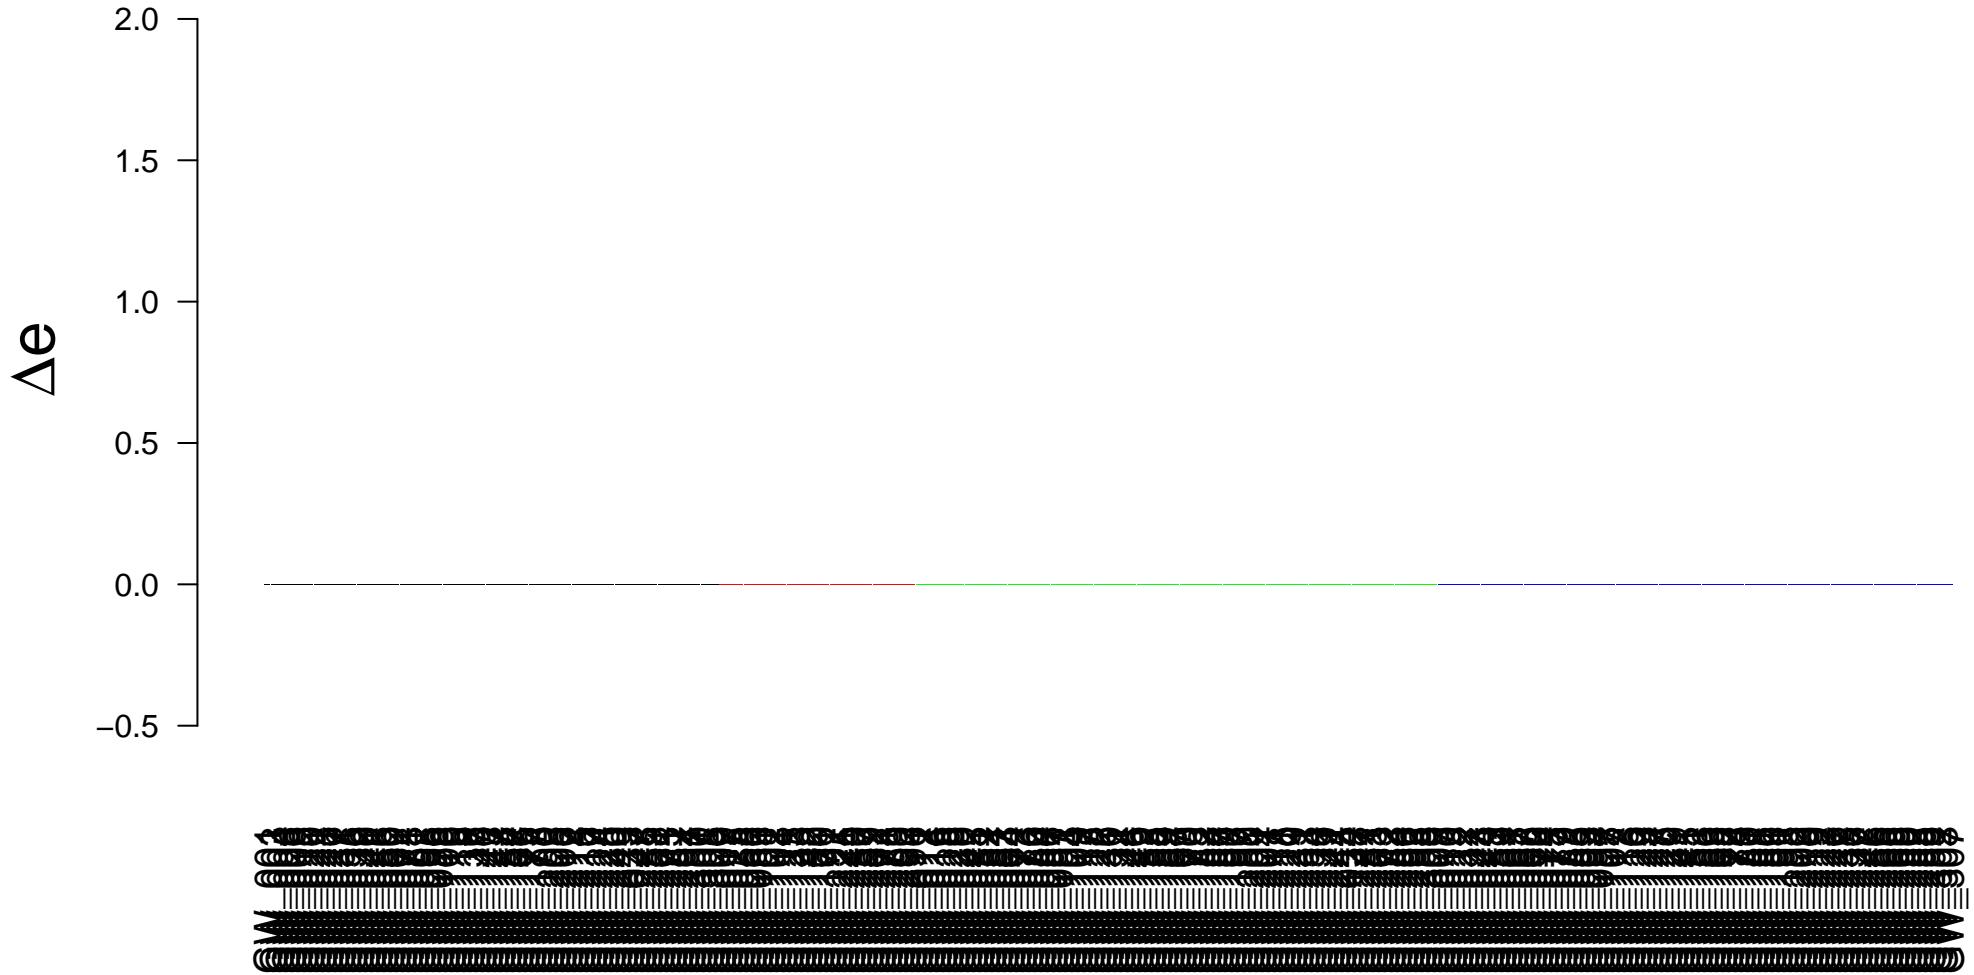

Expression of striated muscle contraction in Spot F

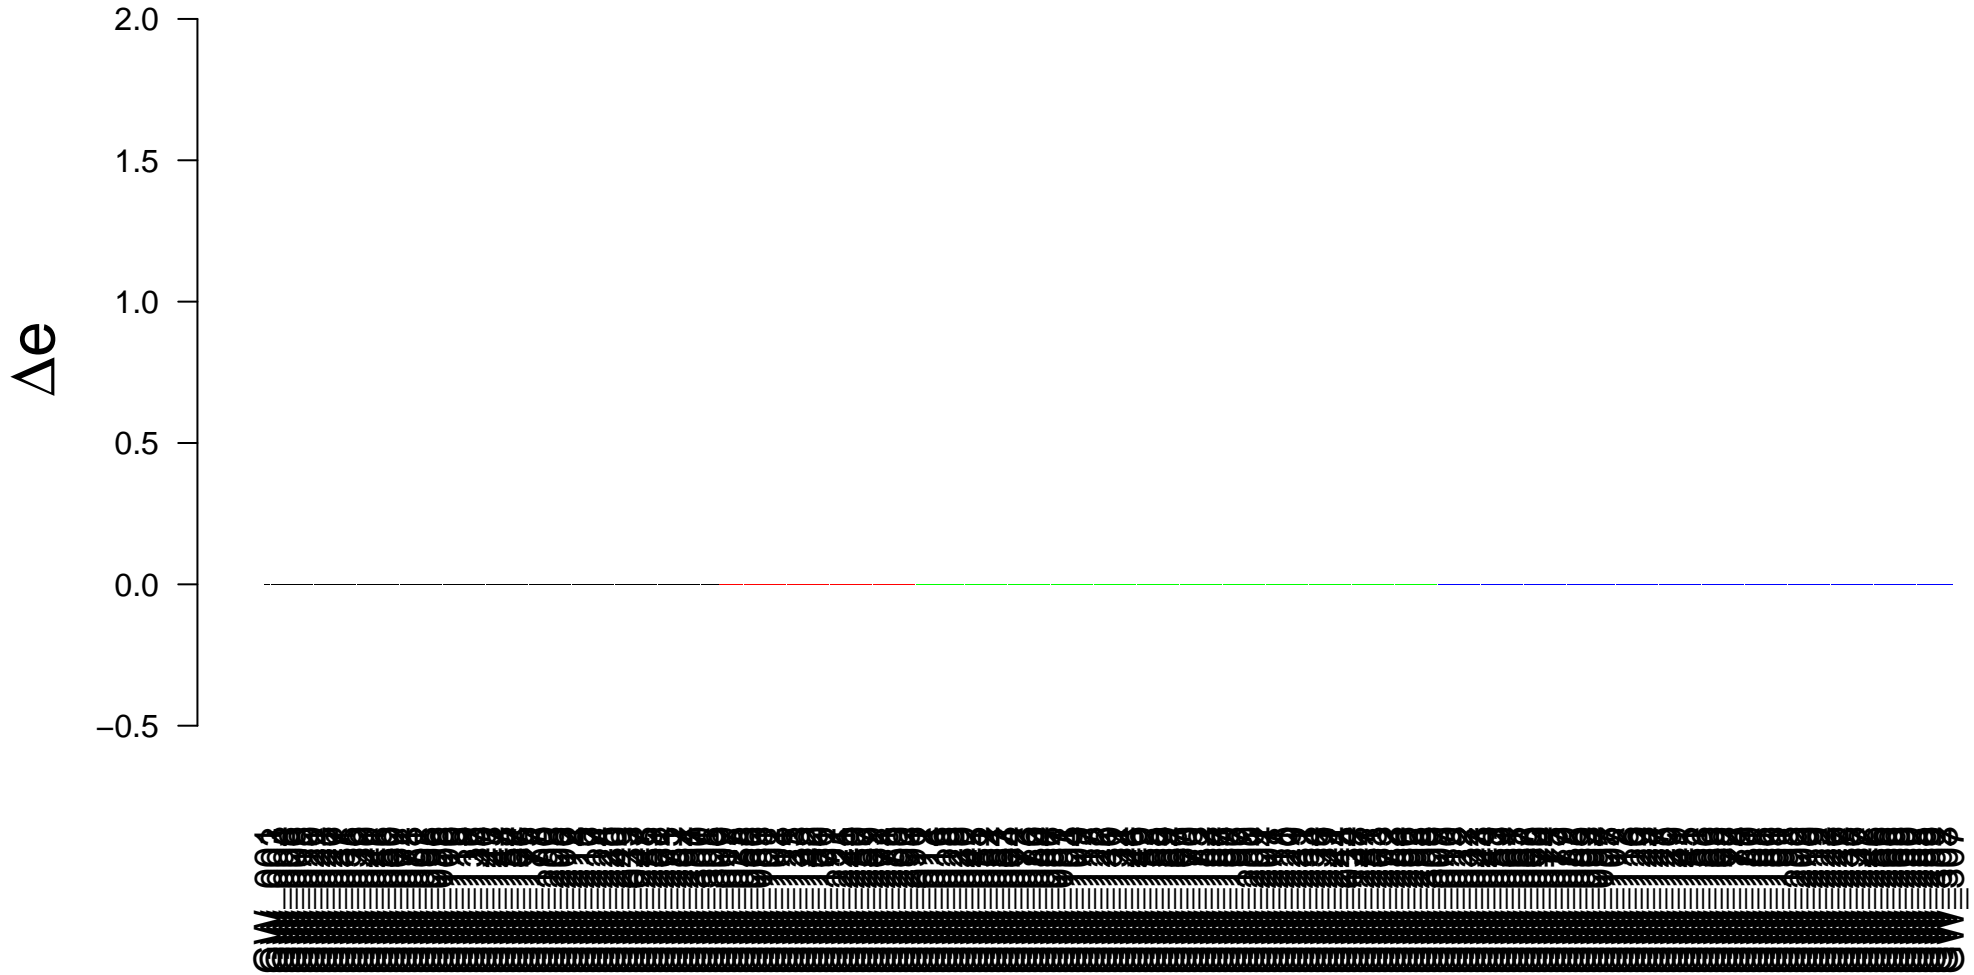

Expression of striated muscle contraction in Spot G

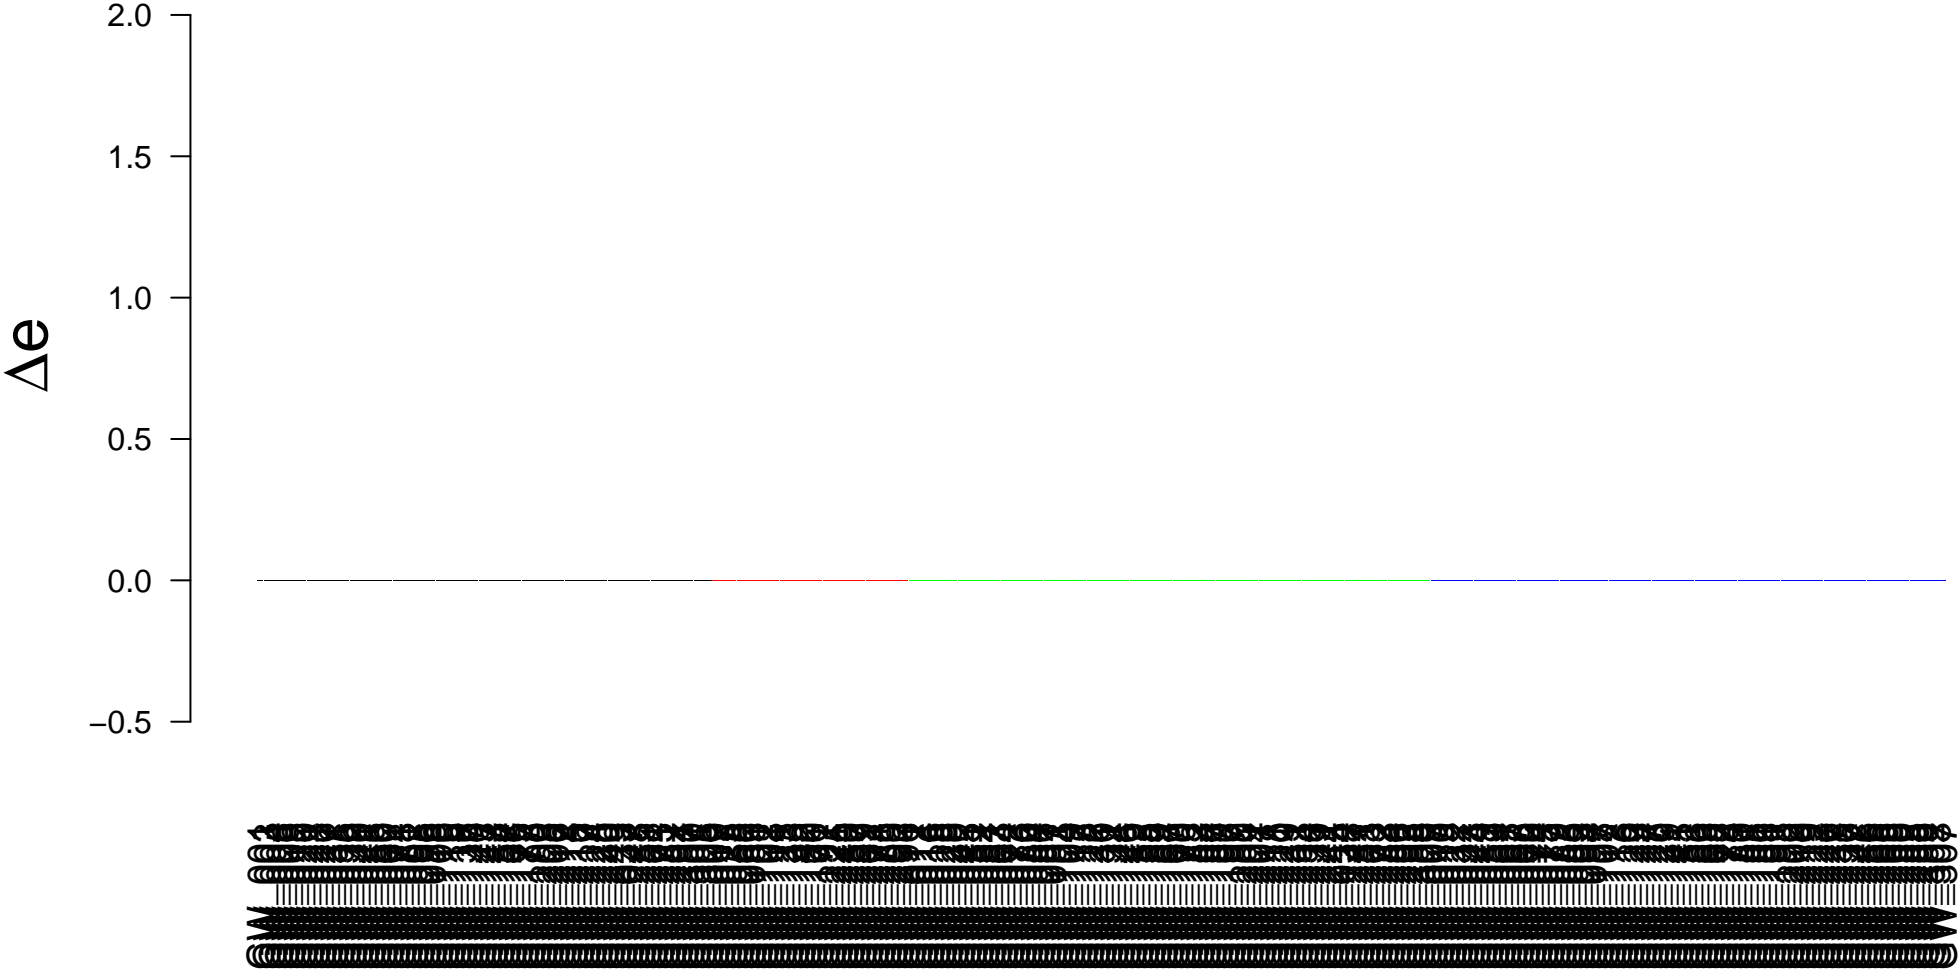

Expression of striated muscle contraction in Spot H

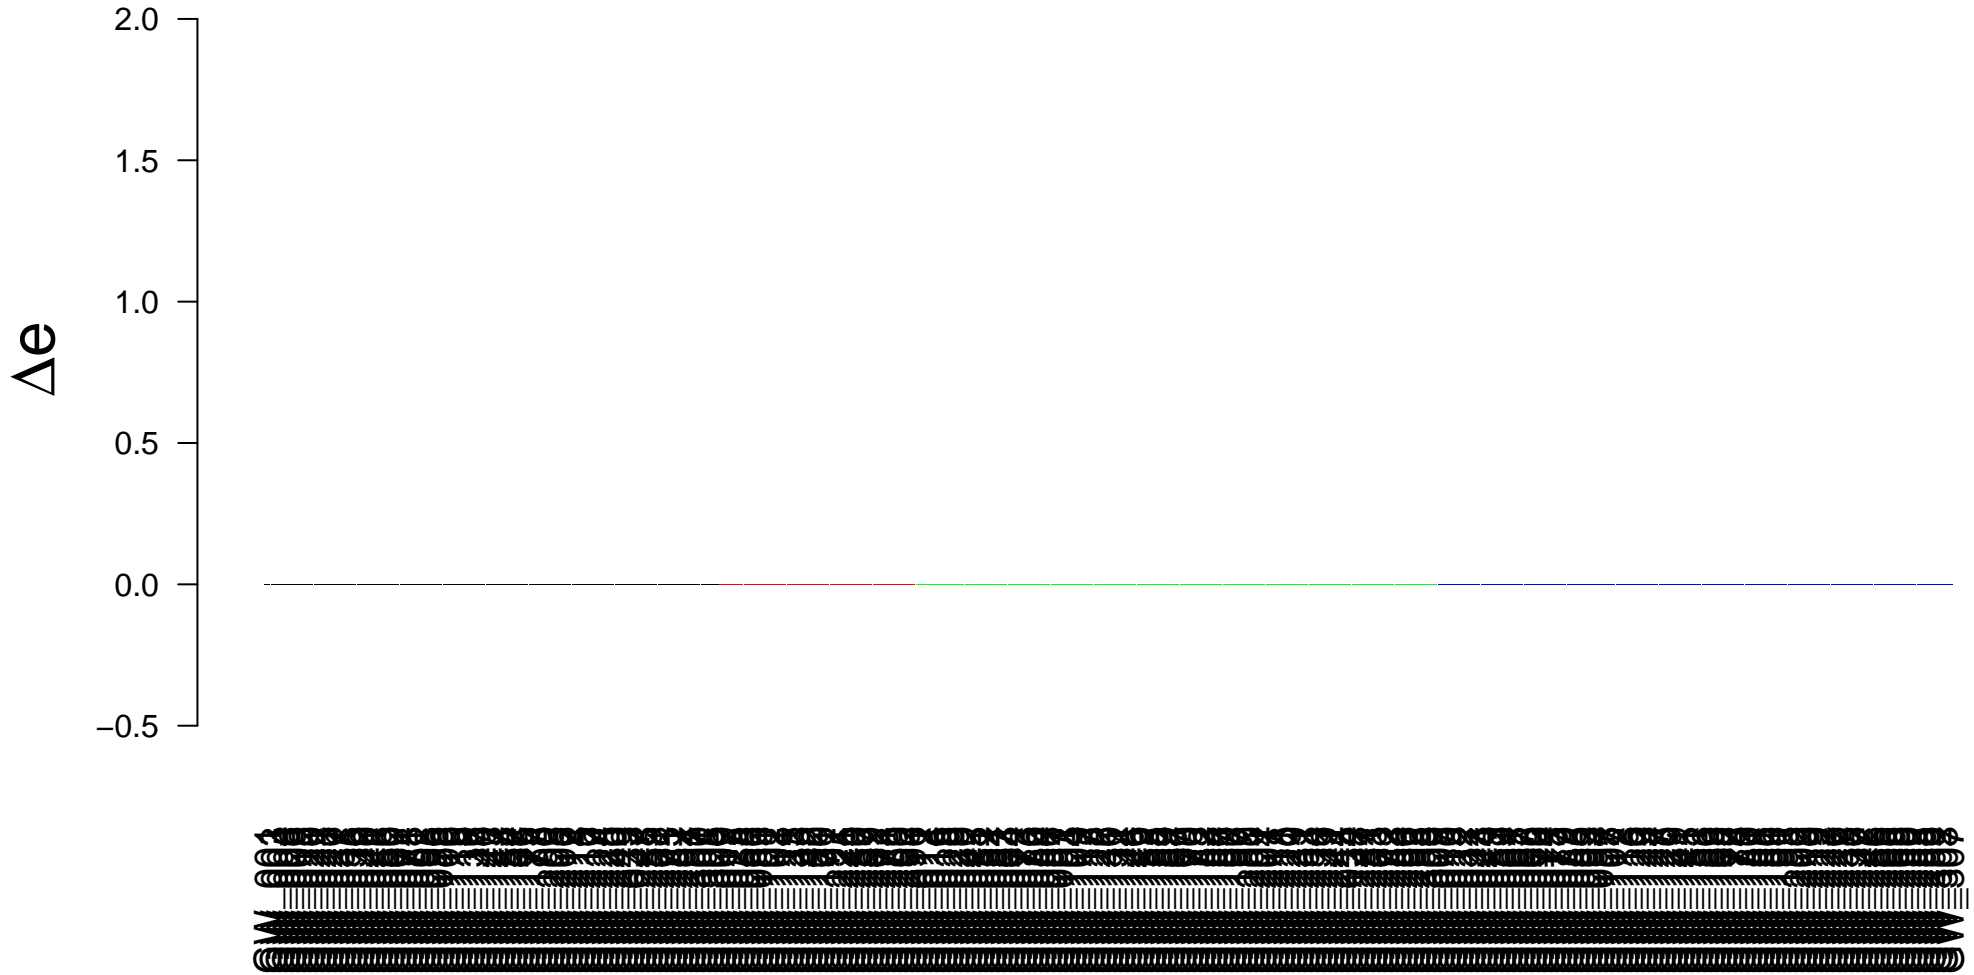

Expression of striated muscle contraction in Spot I

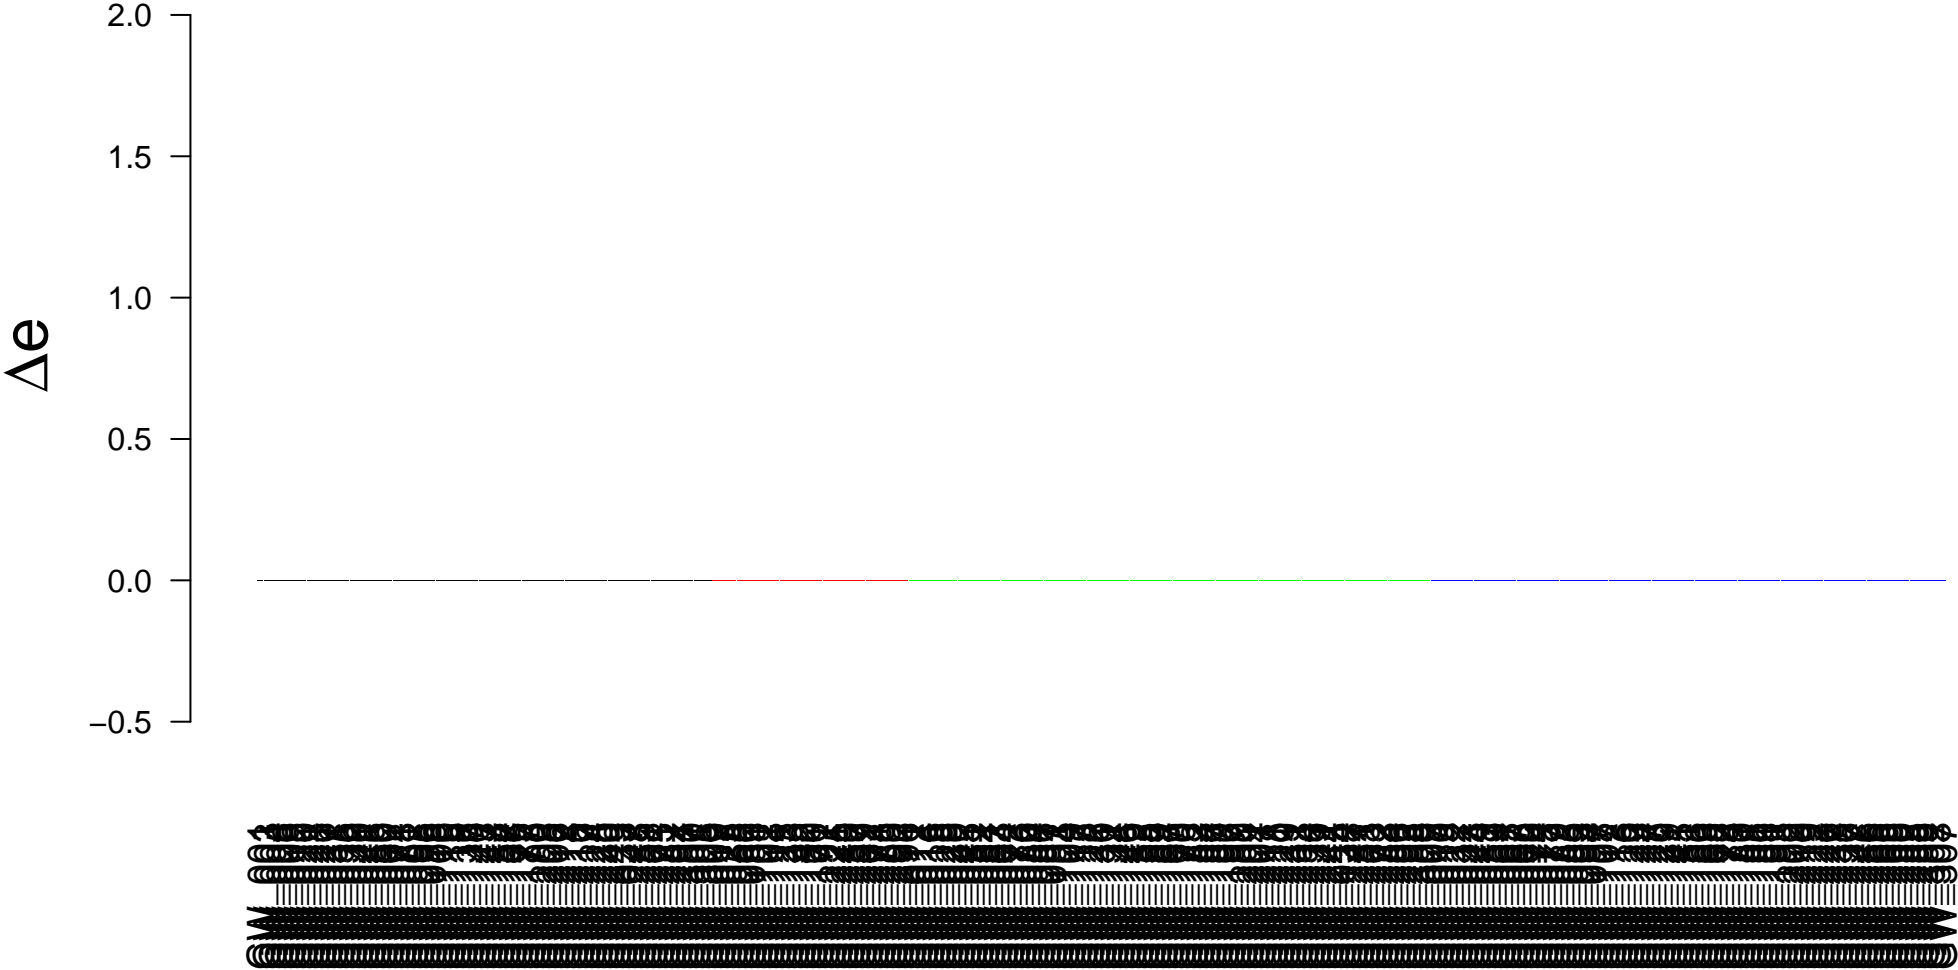

Expression of striated muscle contraction in Spot J

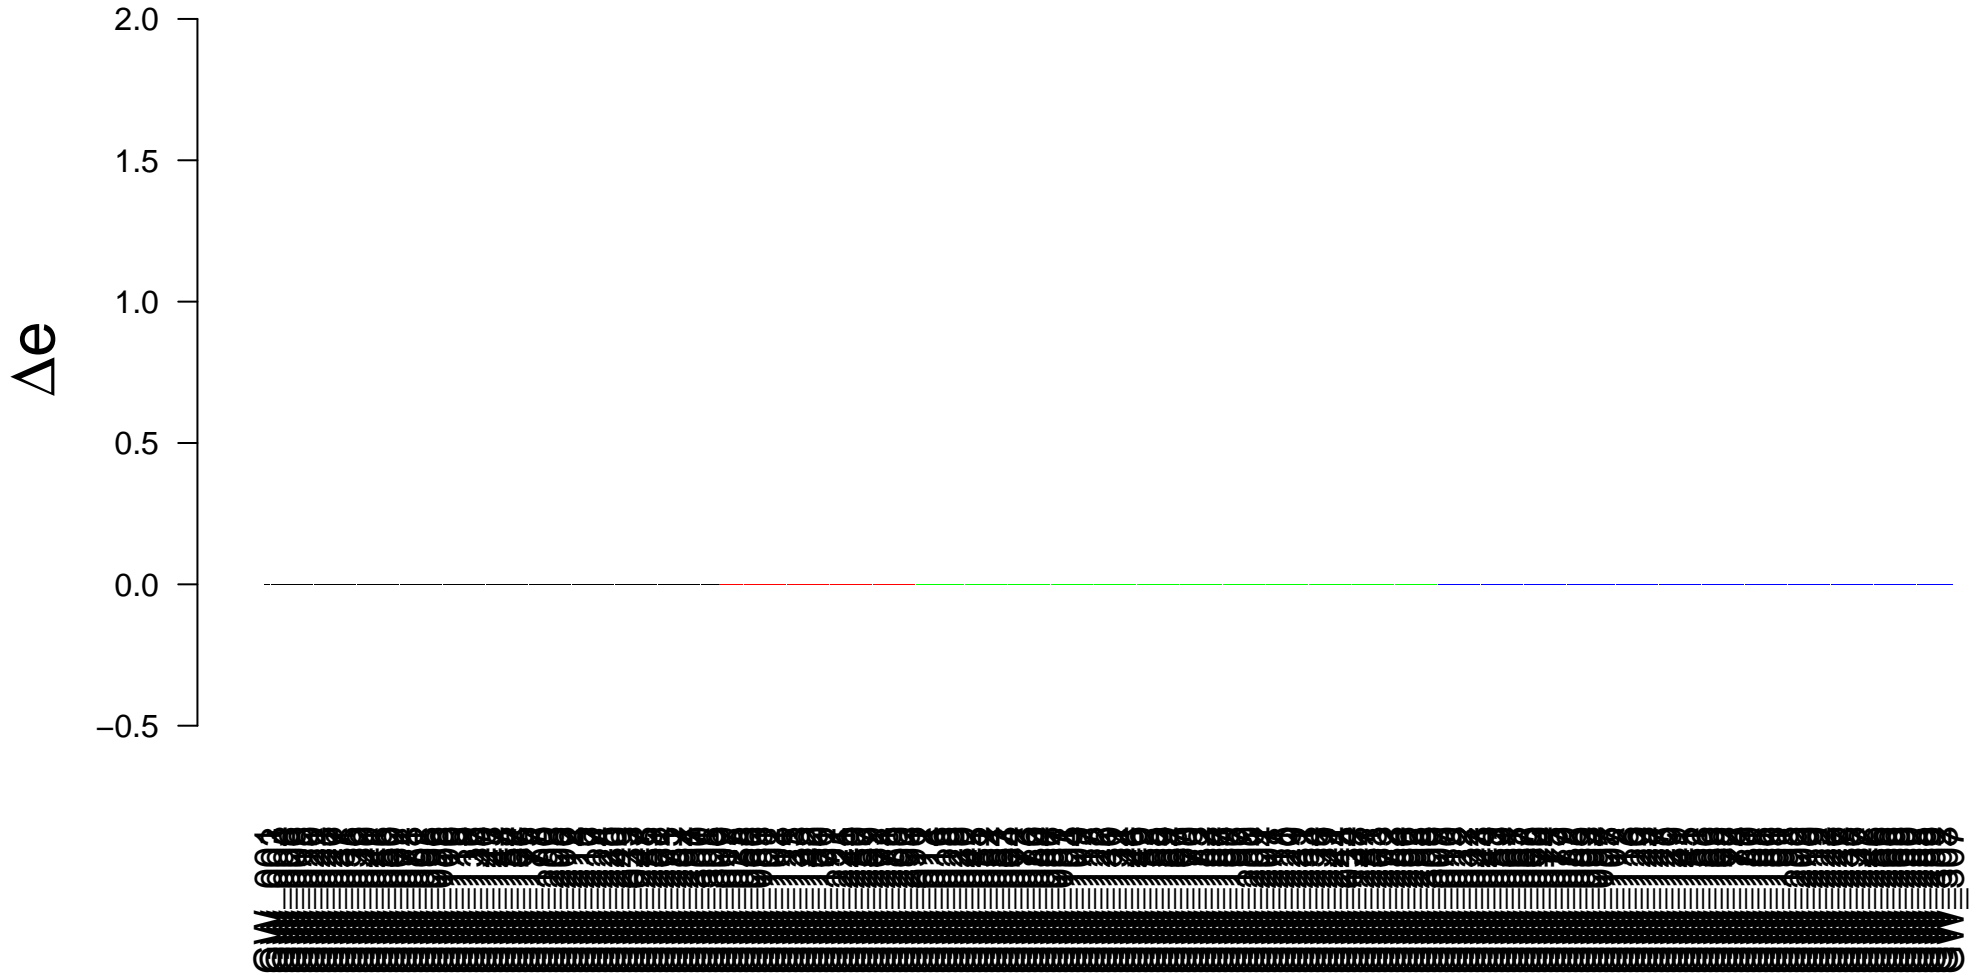

Expression of striated muscle contraction in Spot K

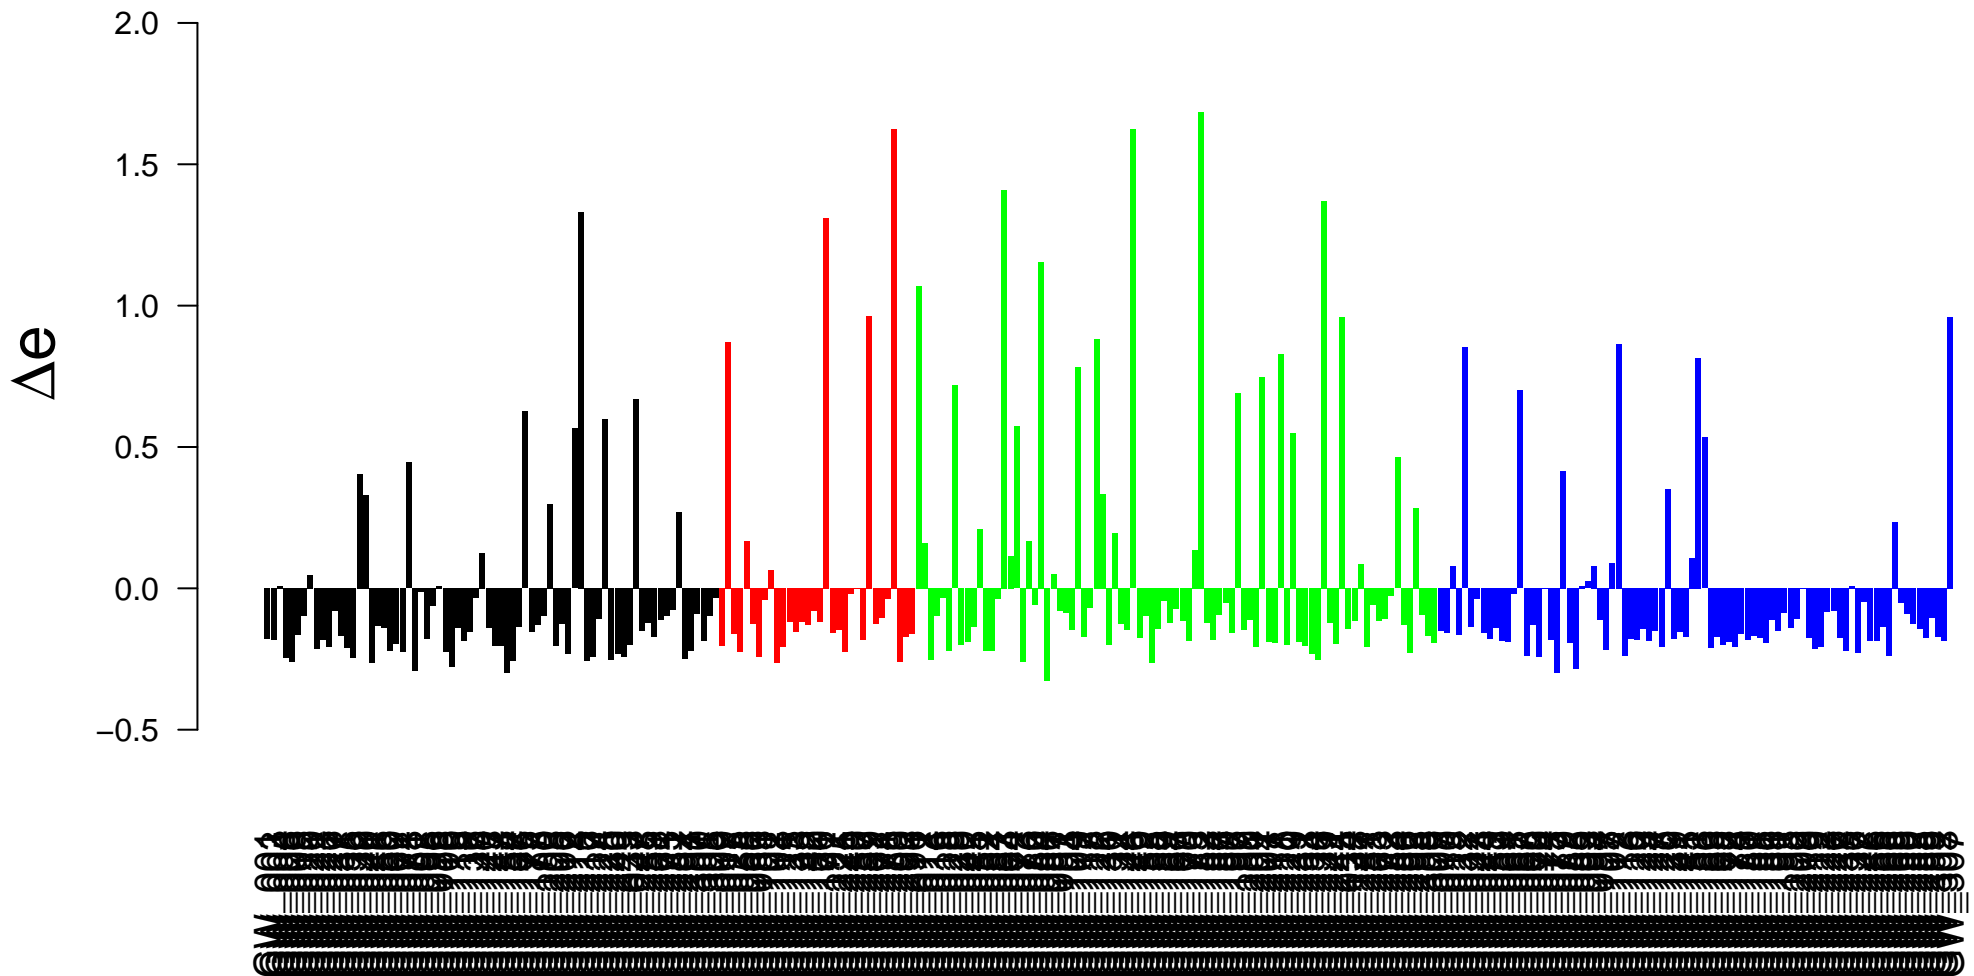

Expression of striated muscle contraction in Spot L

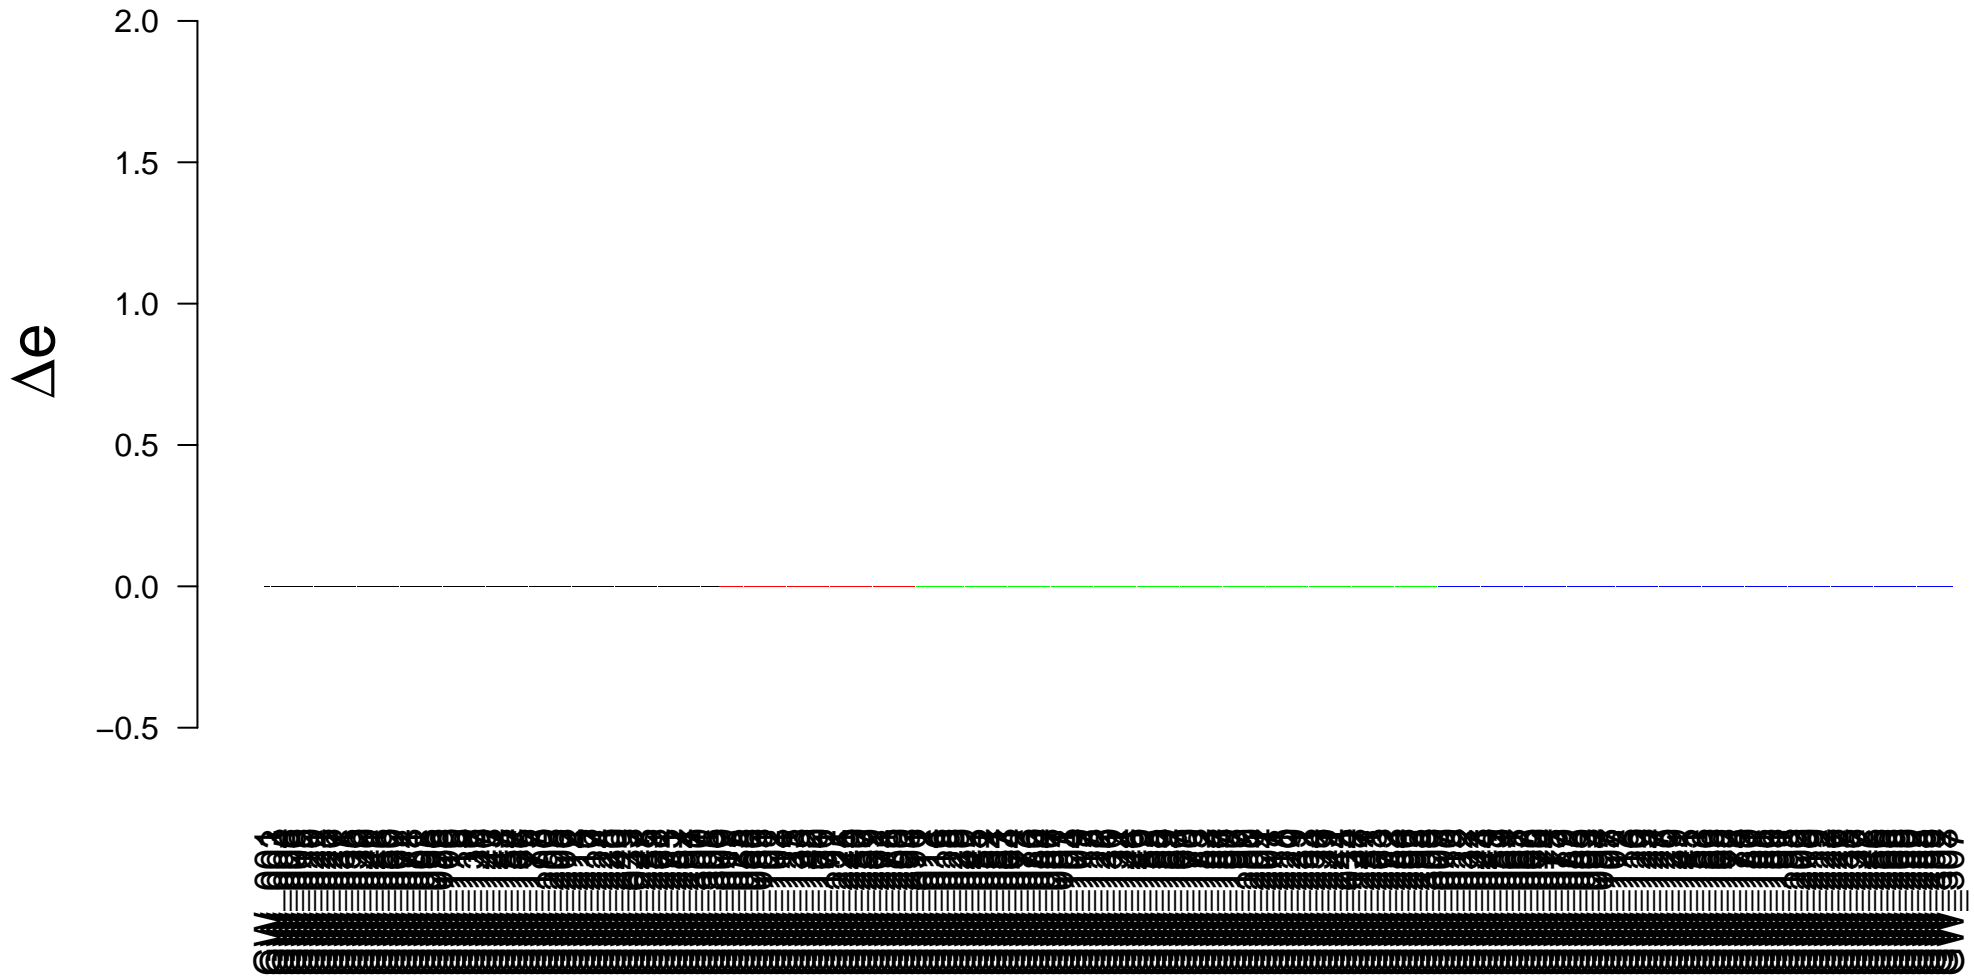

Expression of striated muscle contraction in Spot M

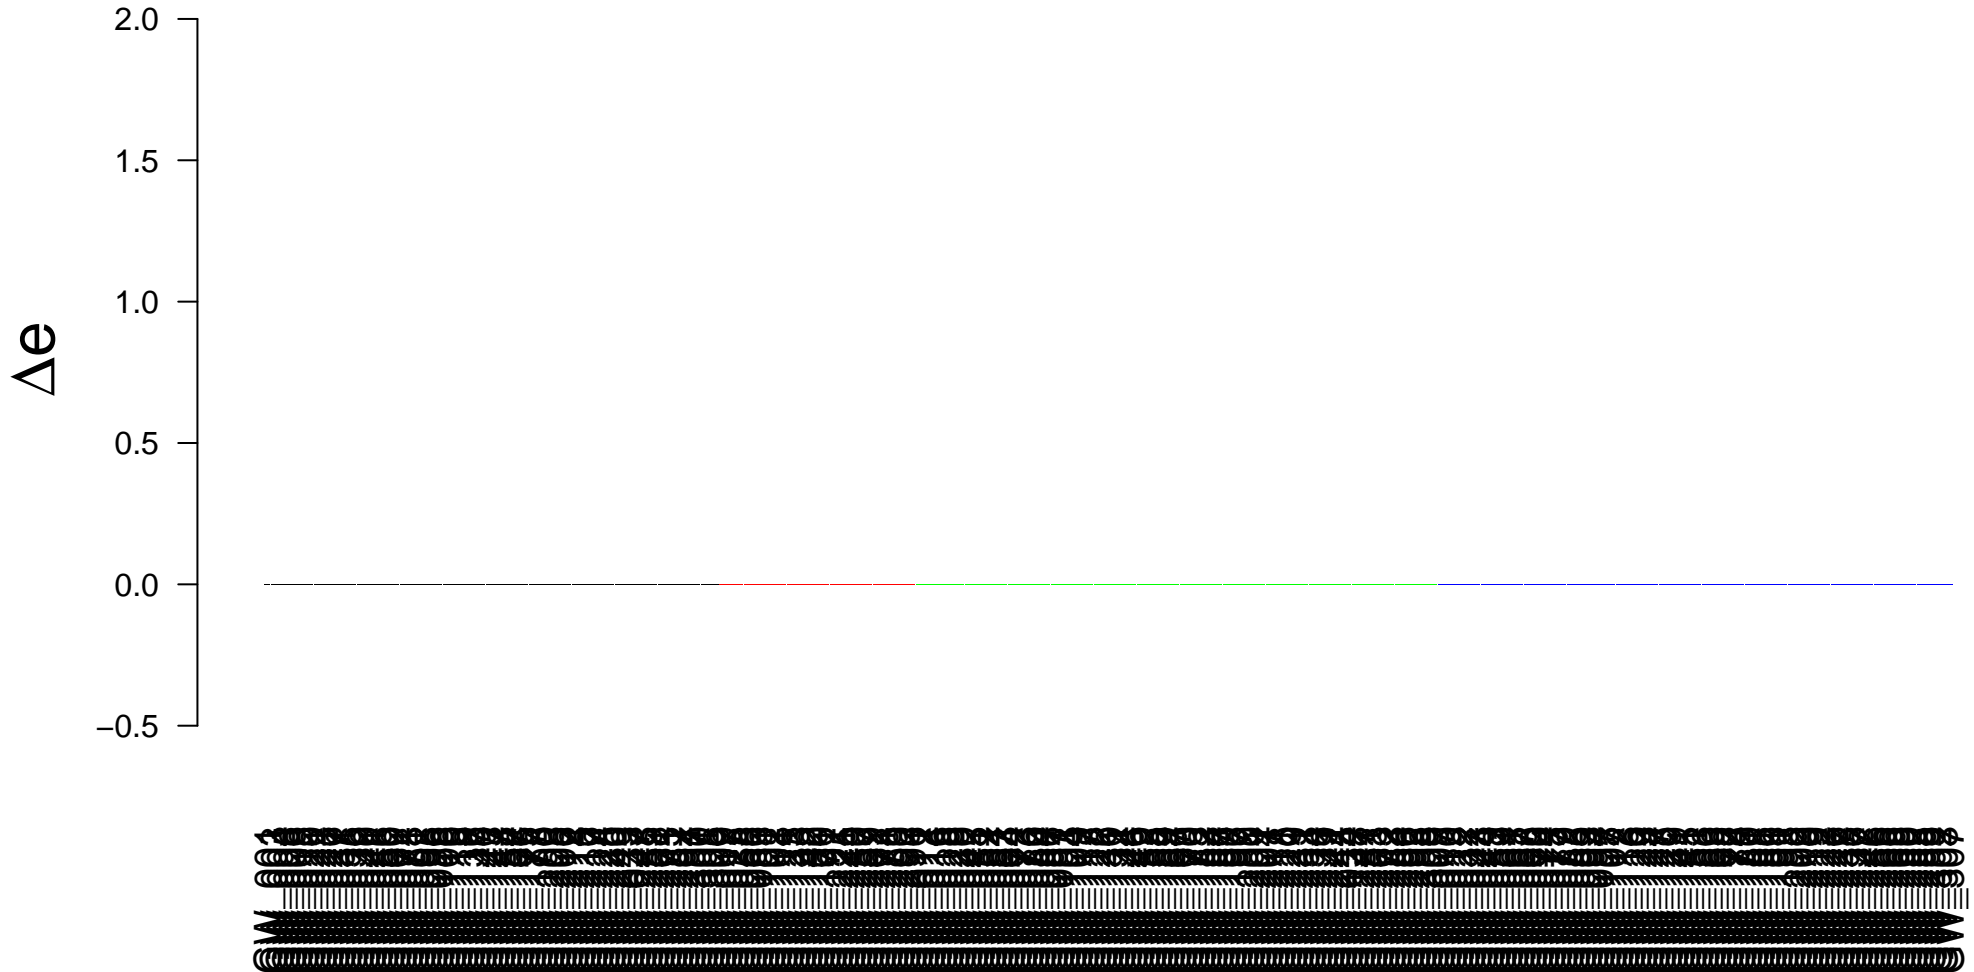

Expression of striated muscle contraction in Spot N

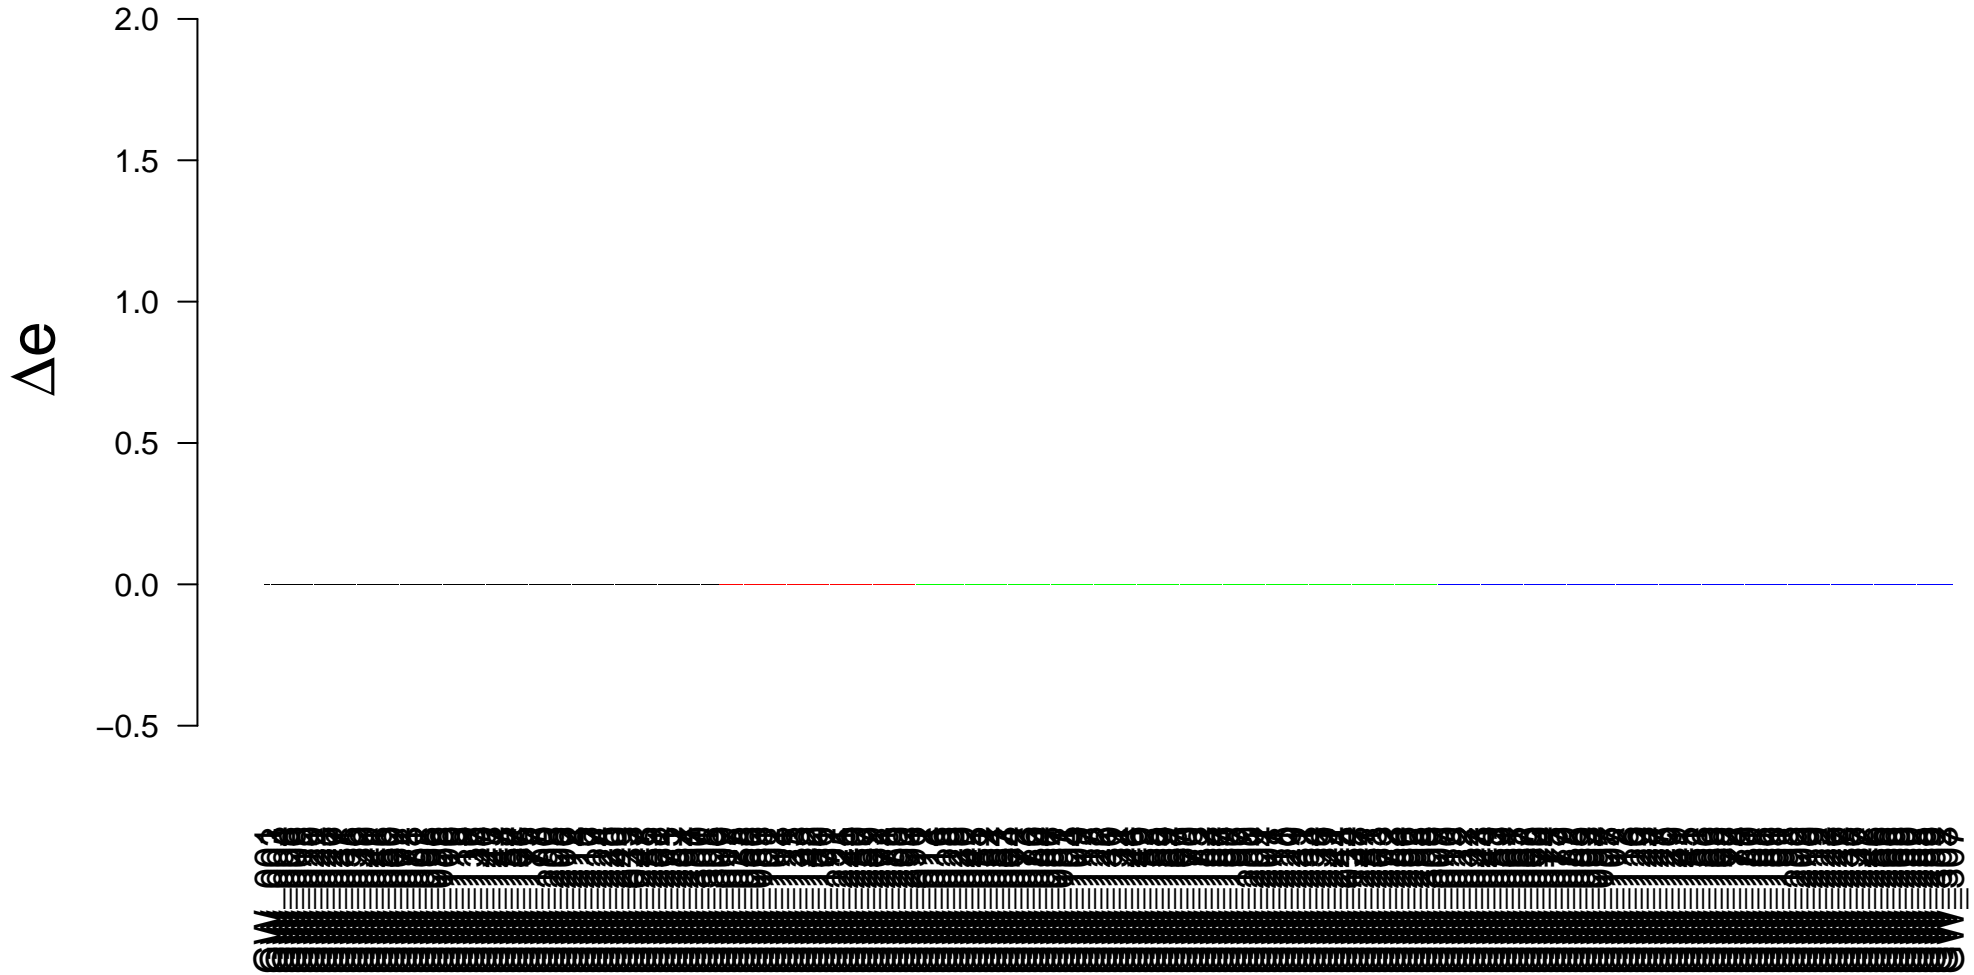

Expression of striated muscle contraction in Spot O

Expression of striated muscle contraction in Spot P

Expression of striated muscle contraction in Spot Q

Expression of striated muscle contraction in Spot R
