

substrate-specific transmembrane transporter activity

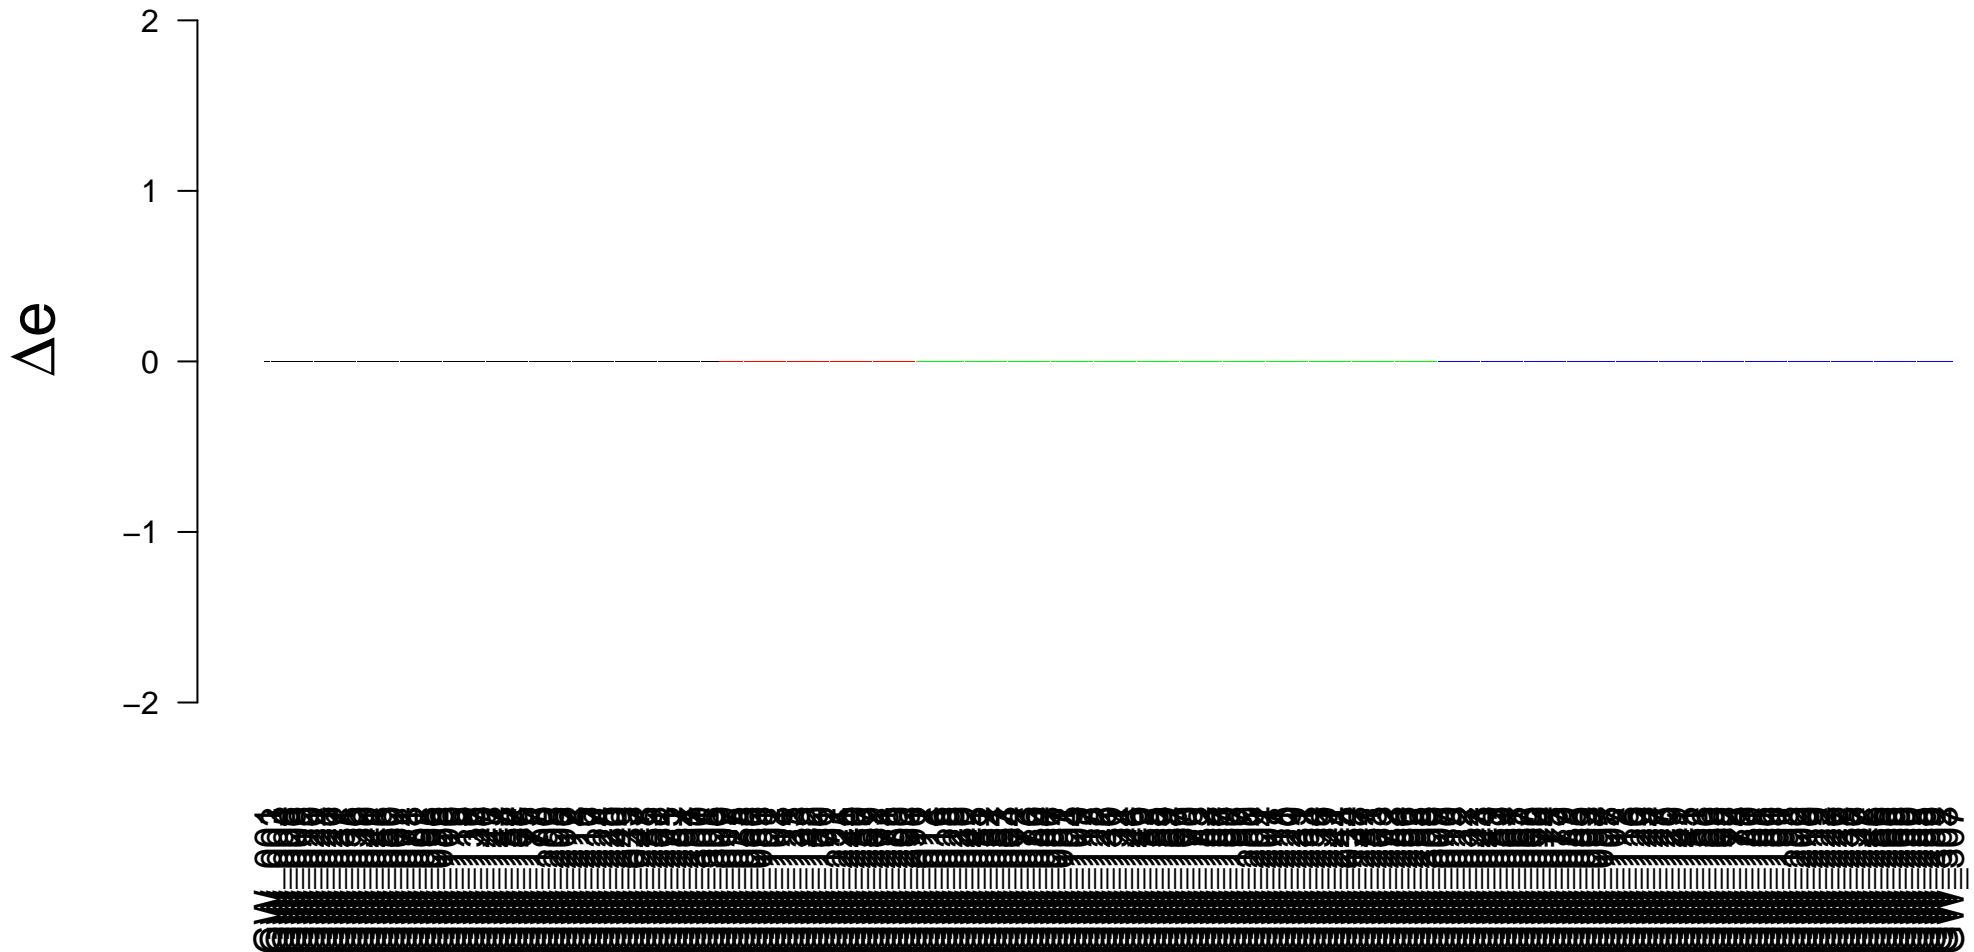

substrate-specific transmembrane transporter activity

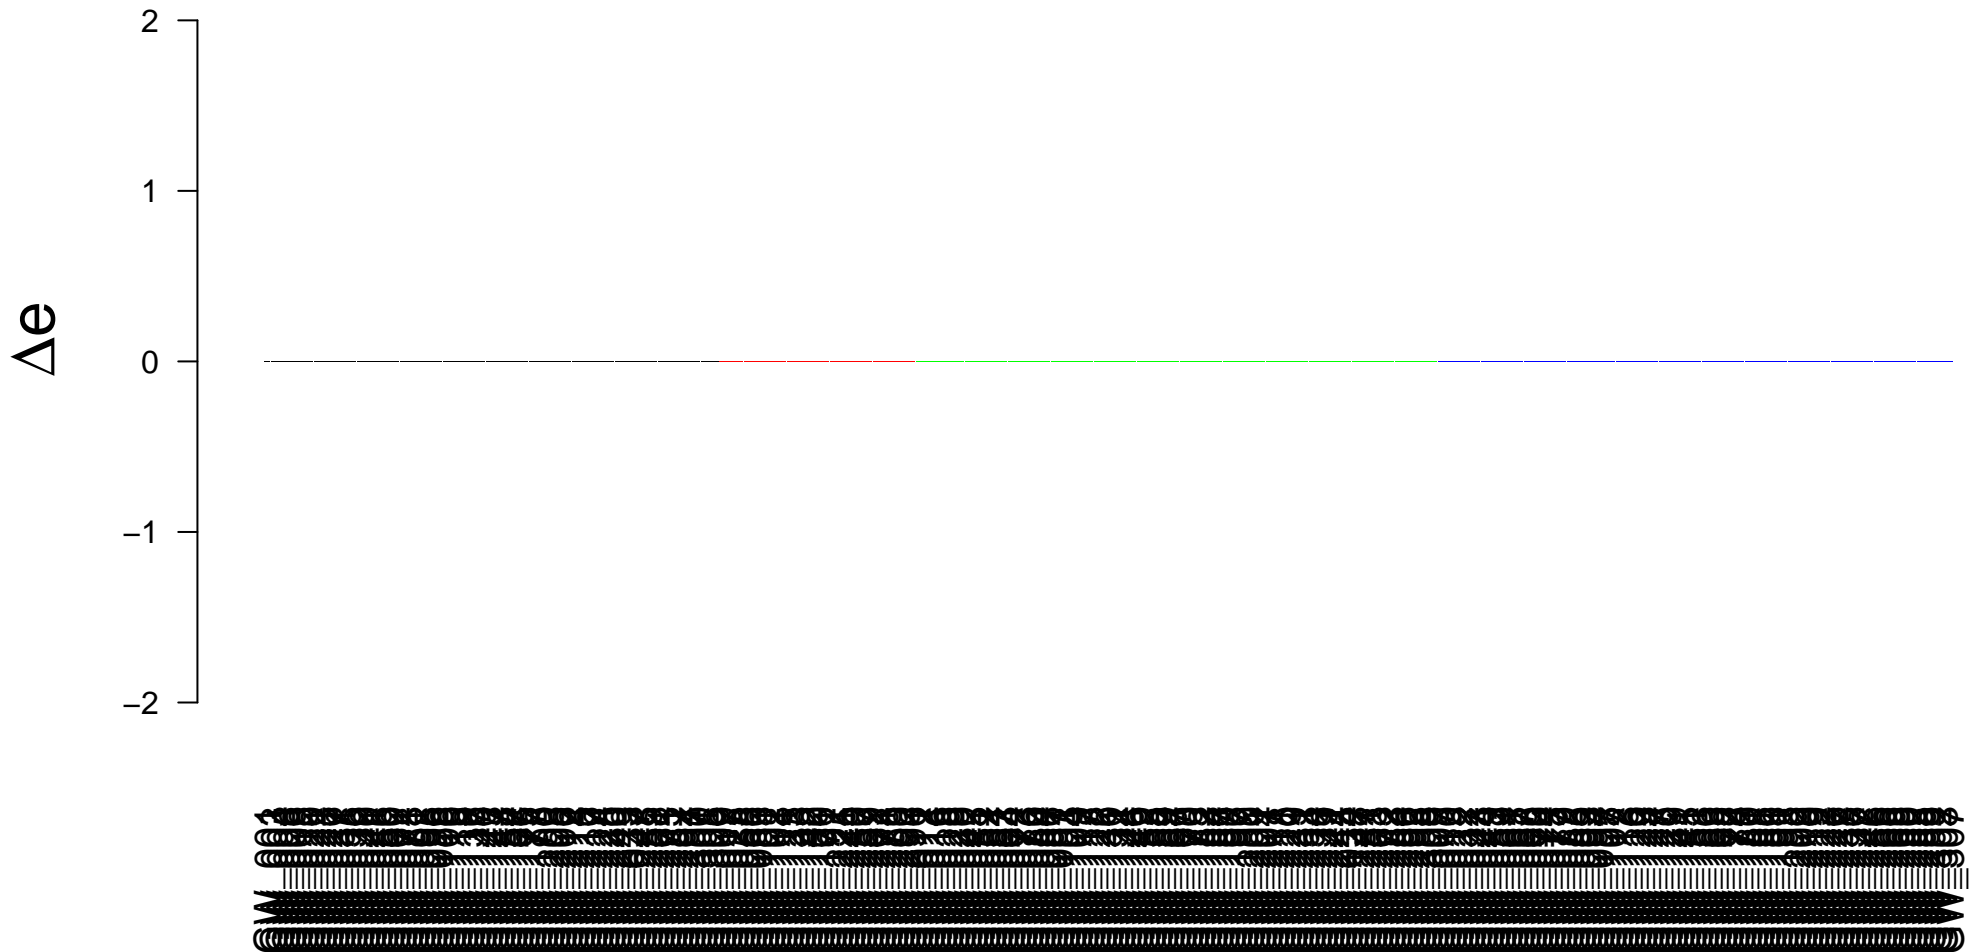

Enrichment in spots: substrate-specific transmembrane transporter activity

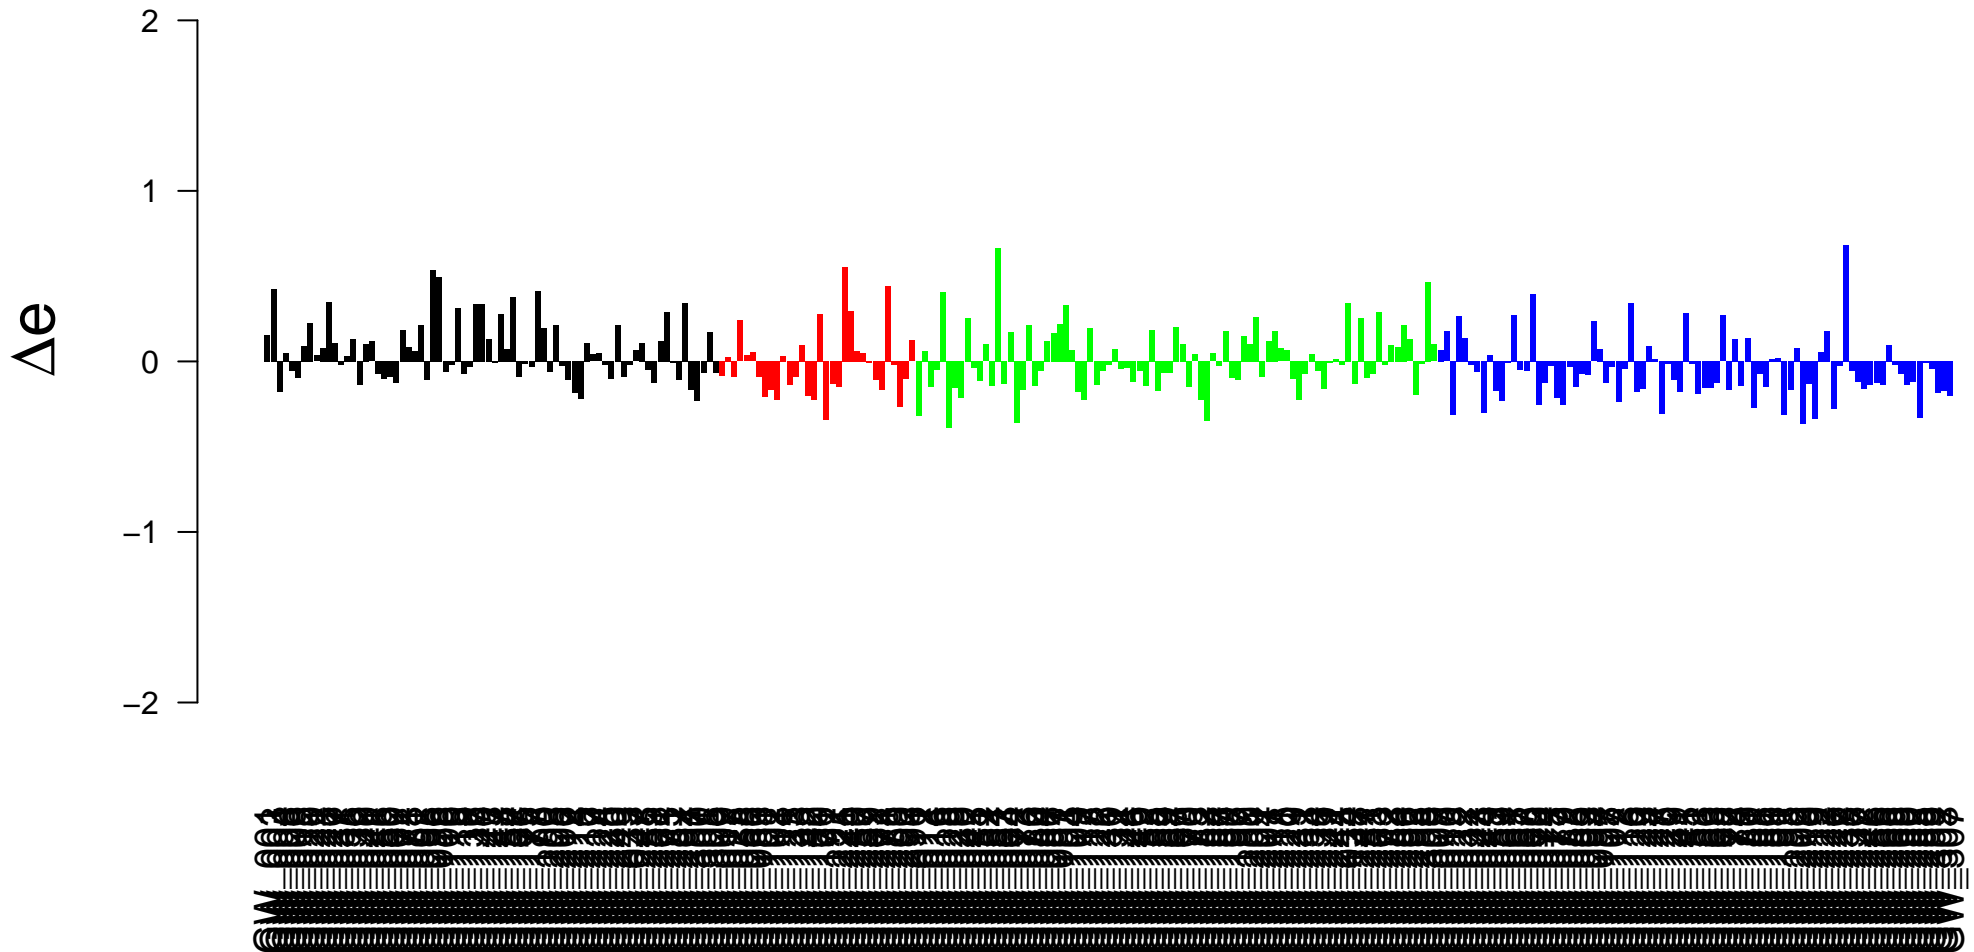

Expression of substrate-specific transmembrane transporter activity in Spot A

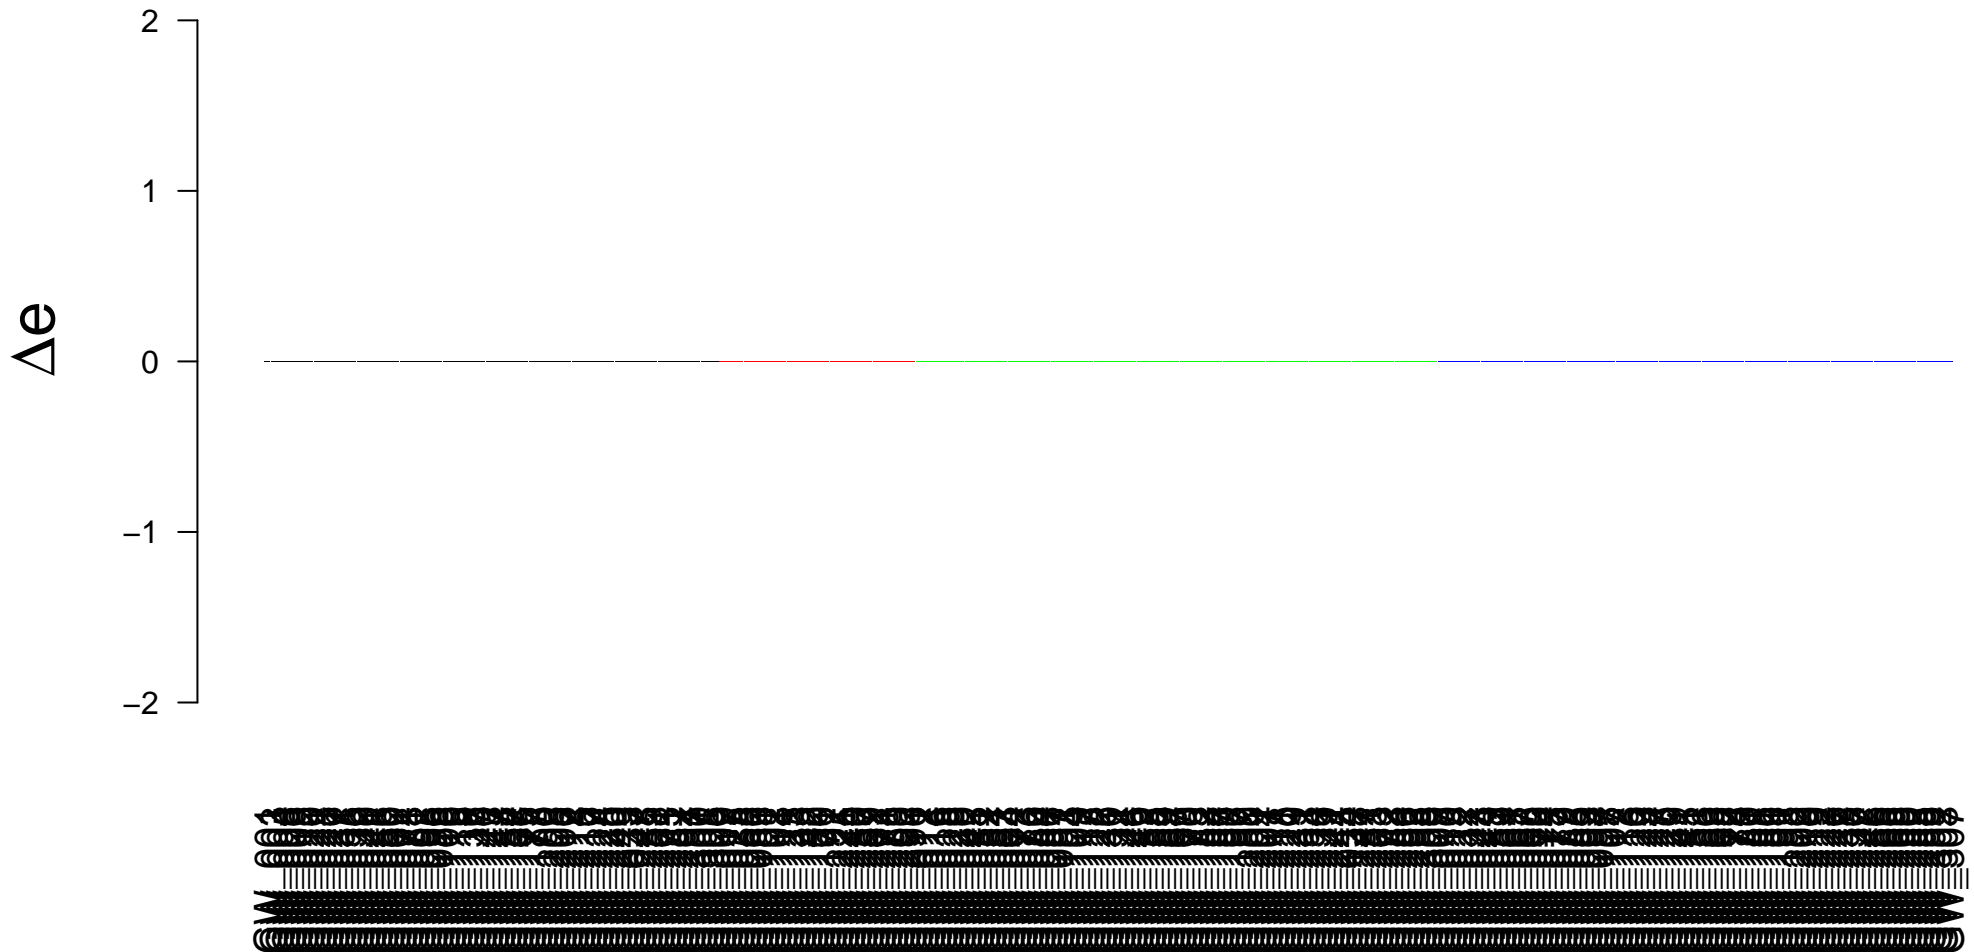

Expression of substrate-specific transmembrane transporter activity in Spot B

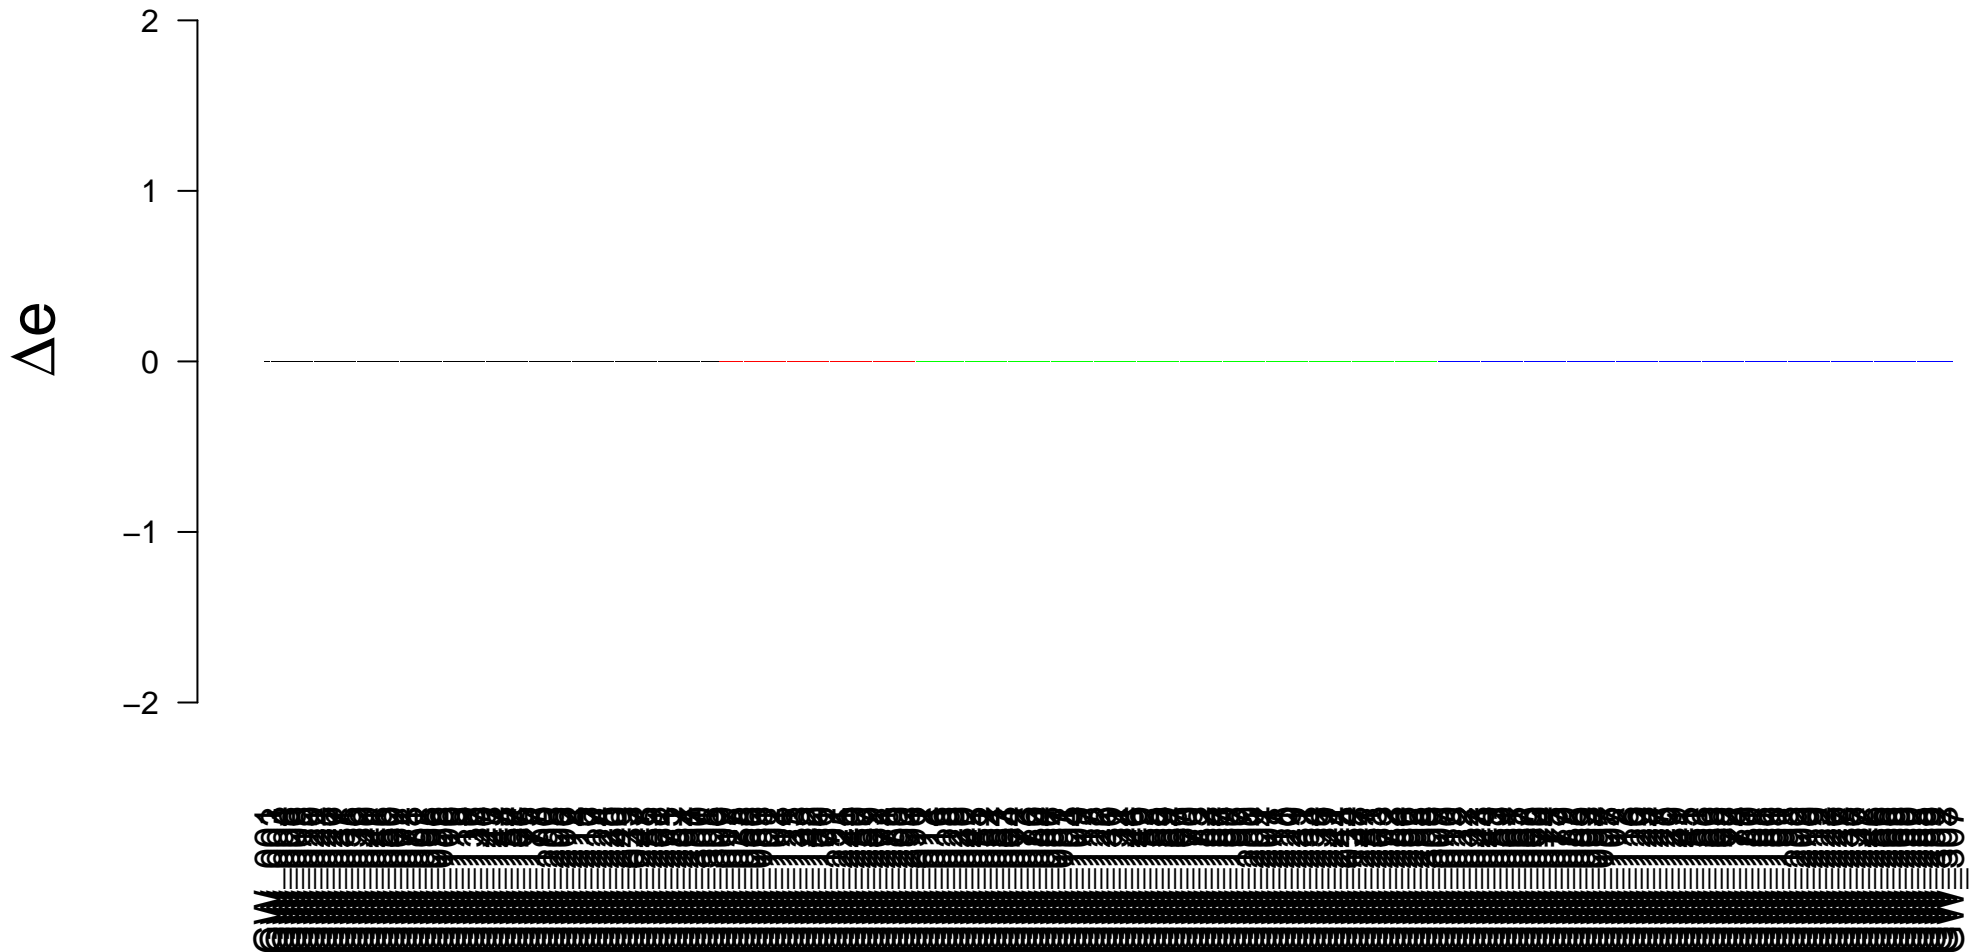

Expression of substrate-specific transmembrane transporter activity in Spot C

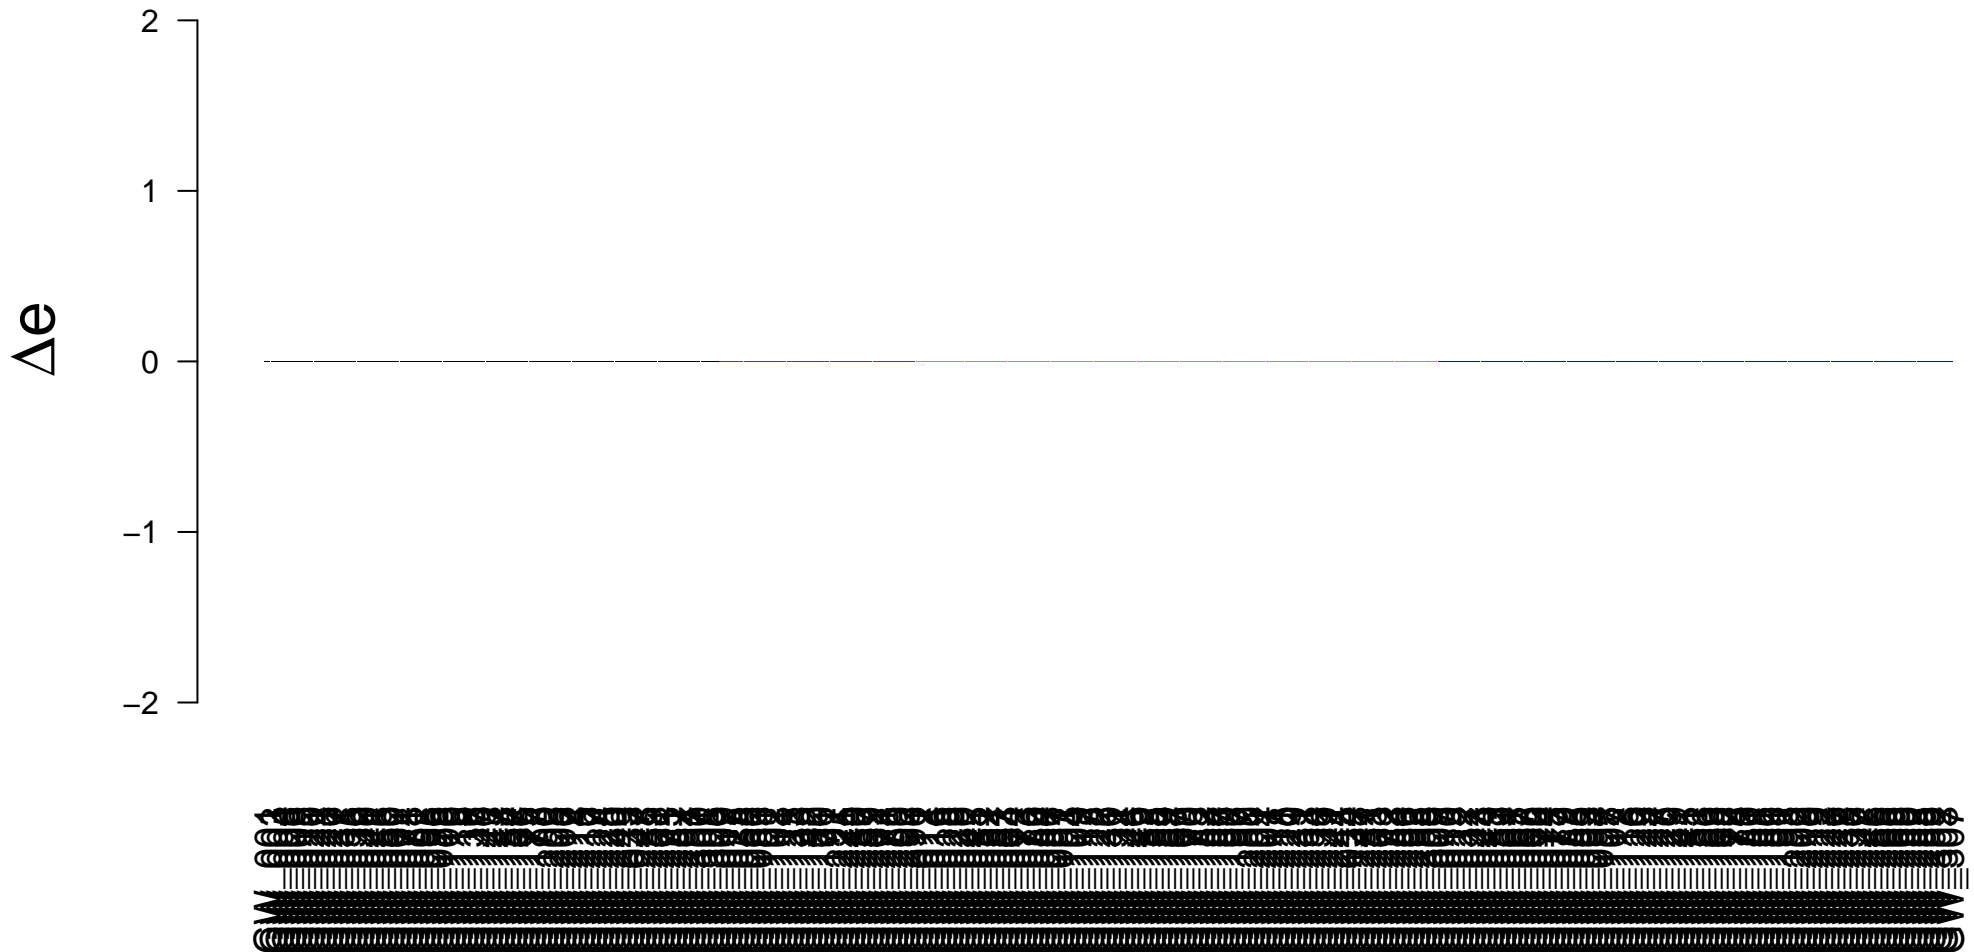

Expression of substrate-specific transmembrane transporter activity in Spot D

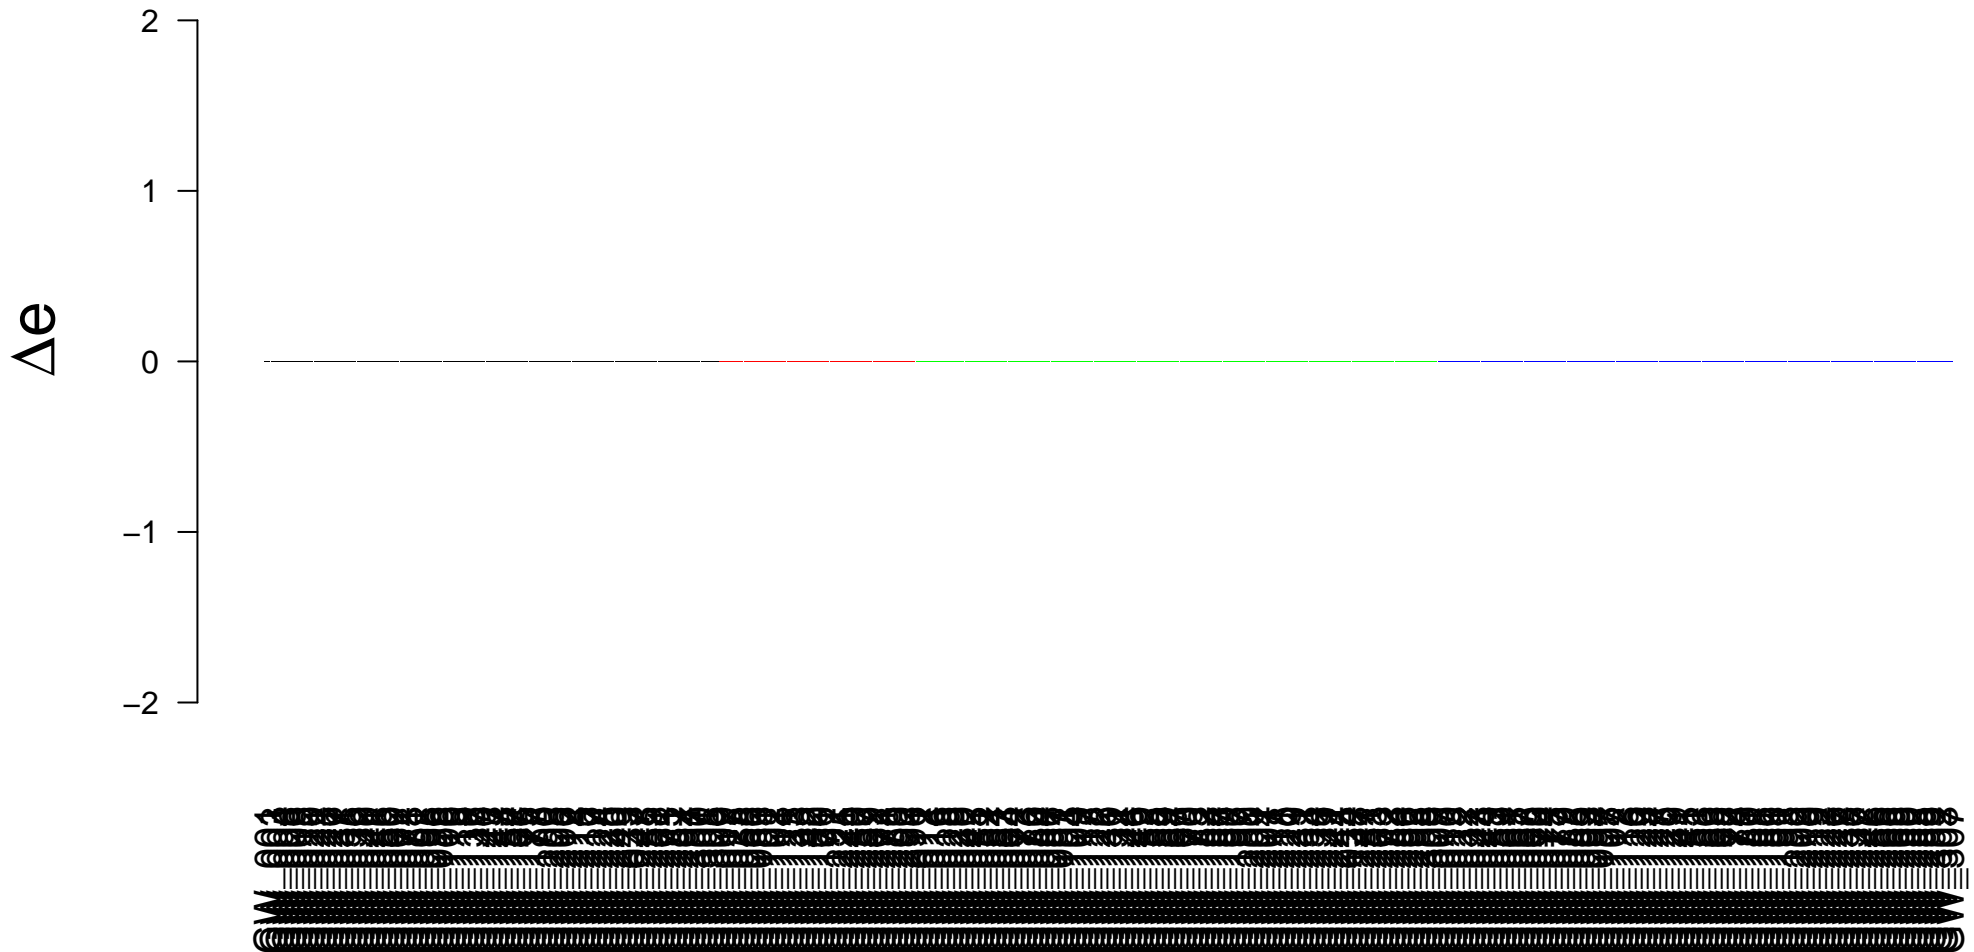

Expression of substrate-specific transmembrane transporter activity in Spot E

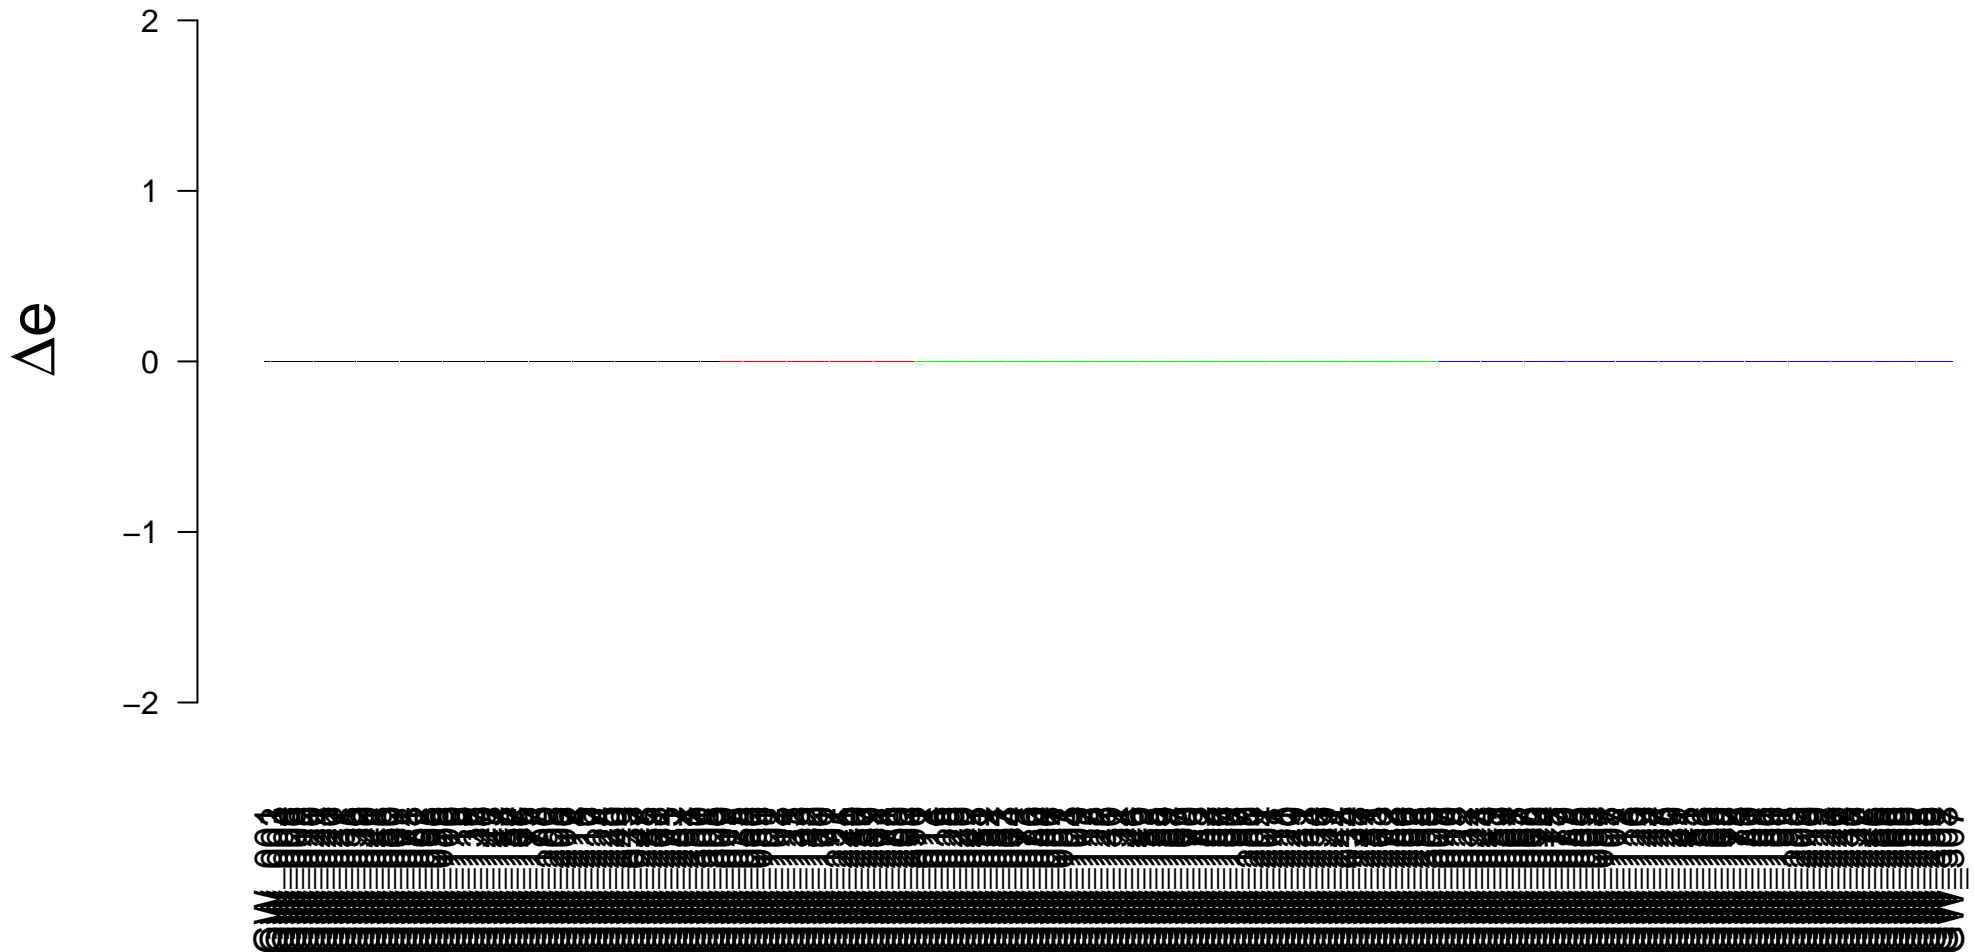

Expression of substrate-specific transmembrane transporter activity in Spot F

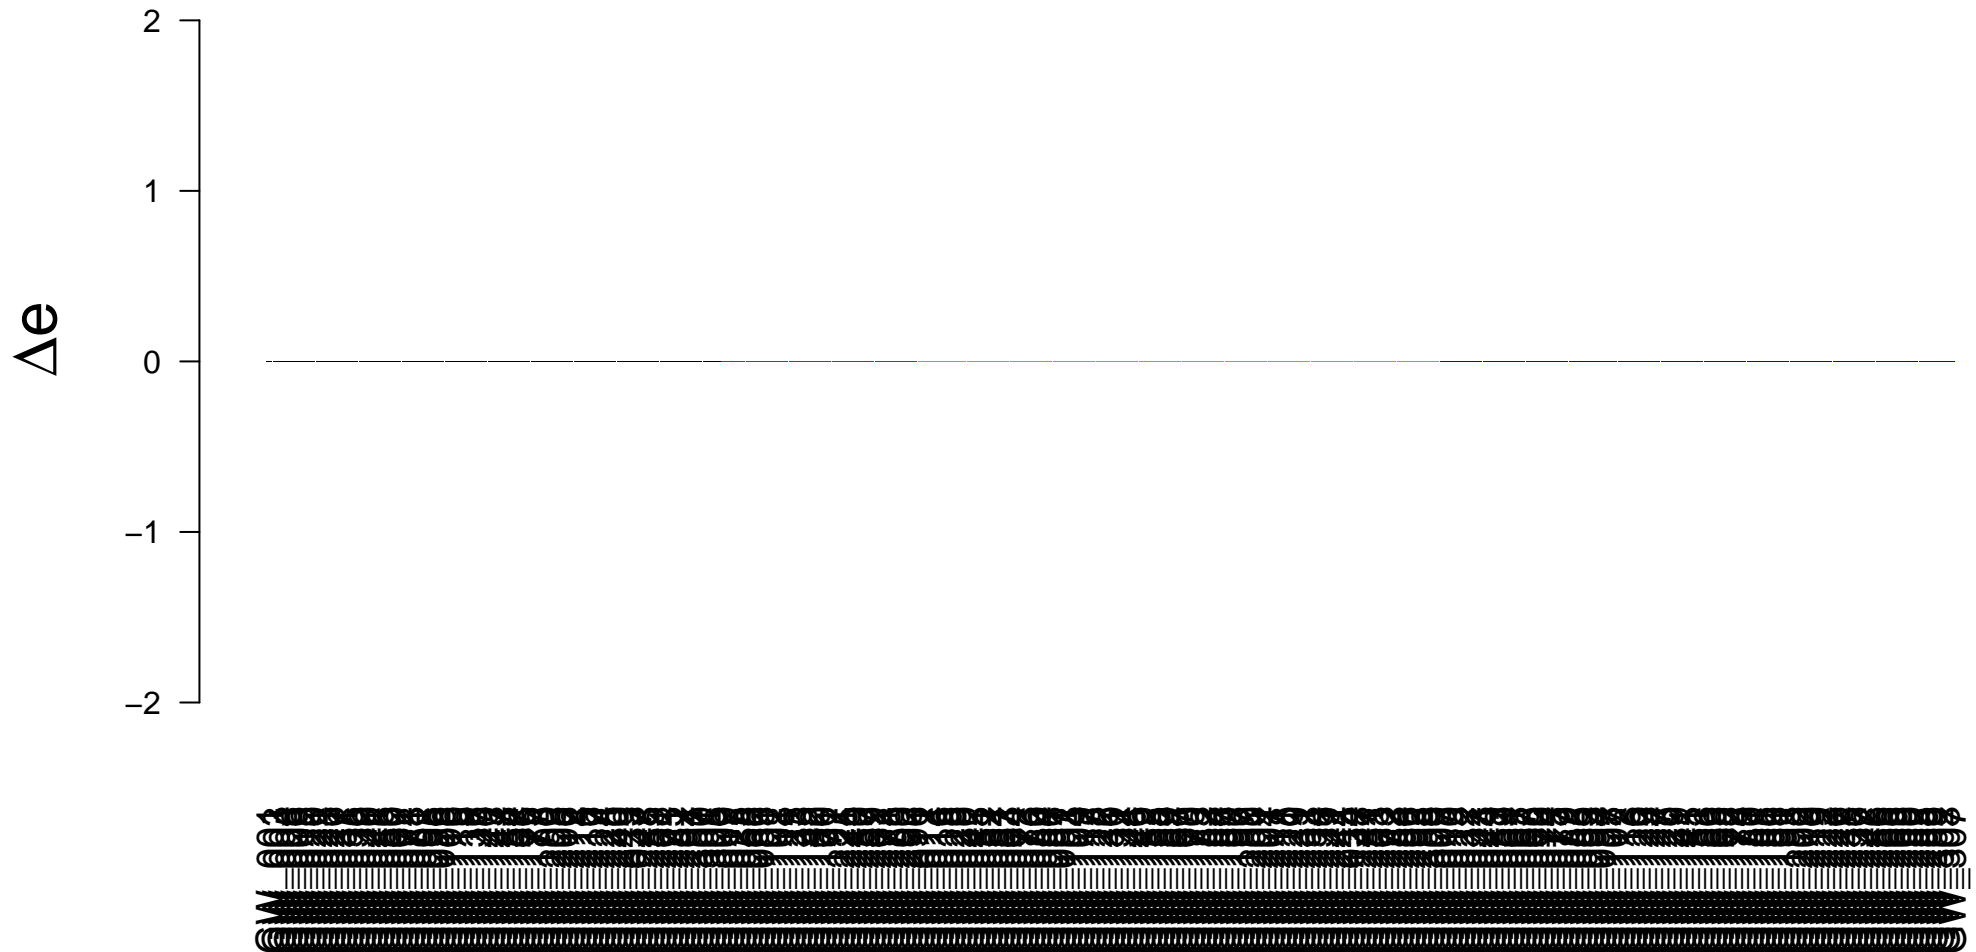

Expression of substrate-specific transmembrane transporter activity in Spot G

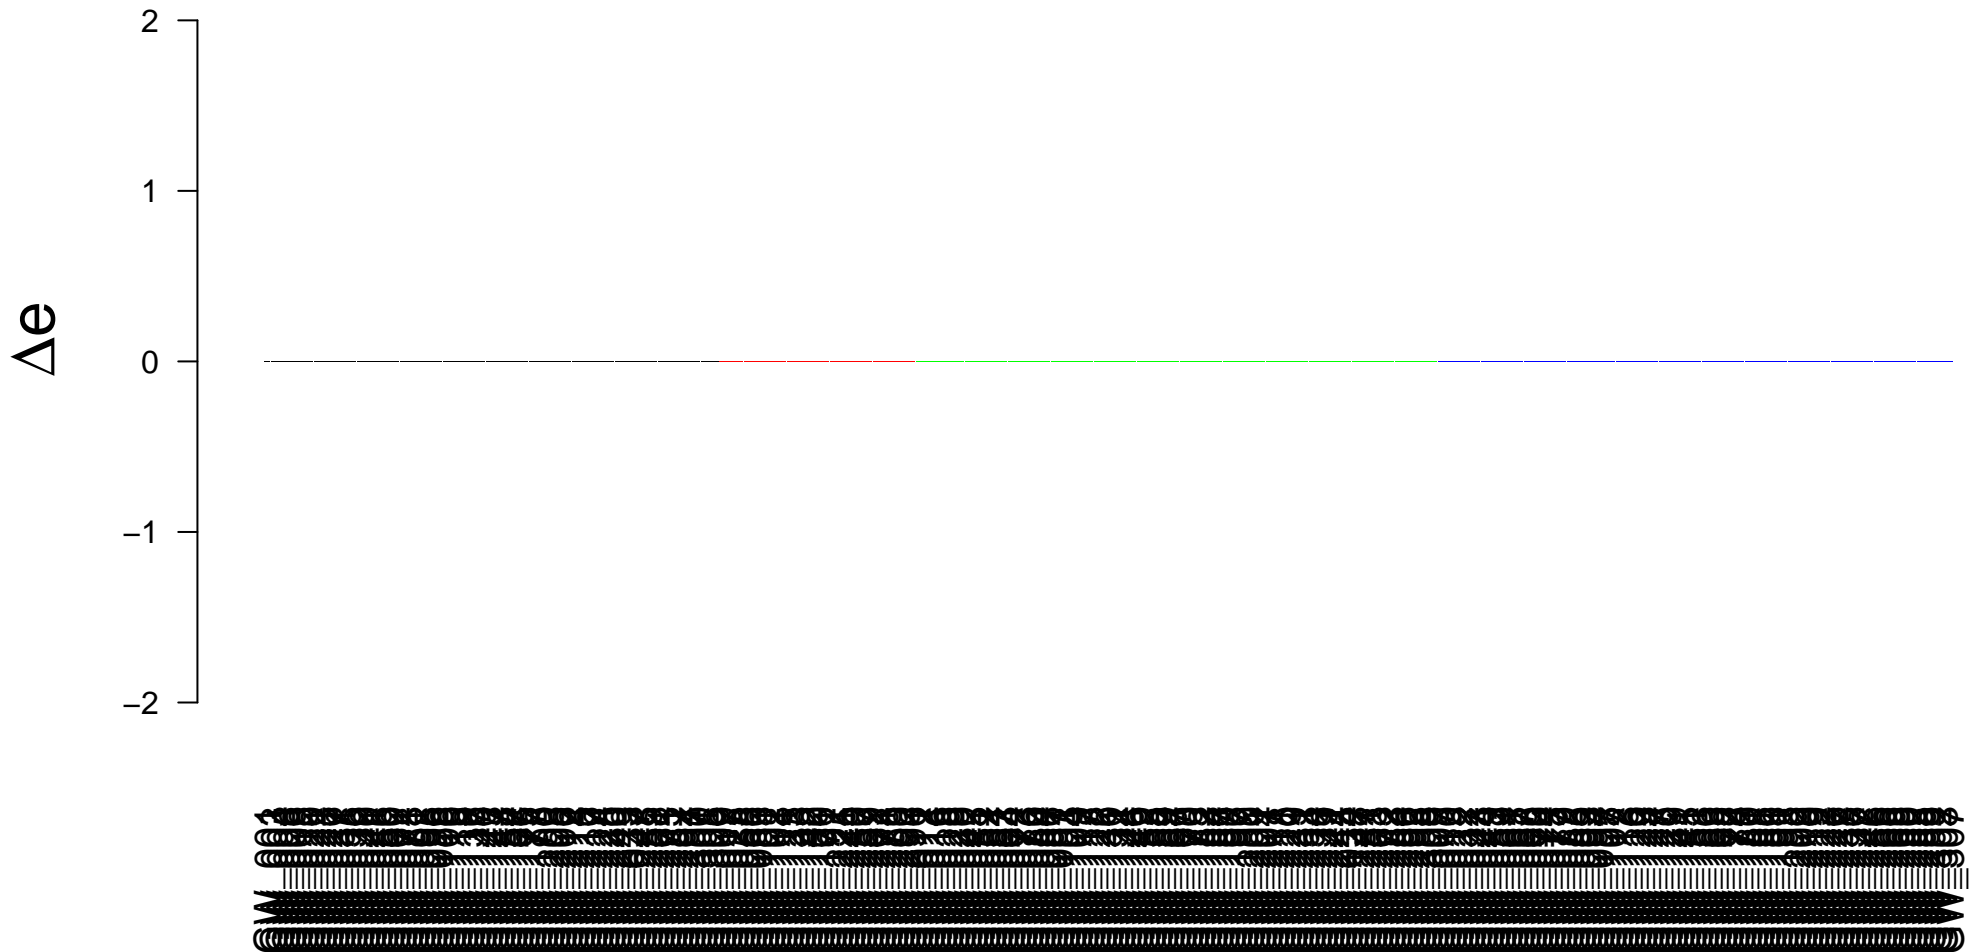

Expression of substrate-specific transmembrane transporter activity in Spot H

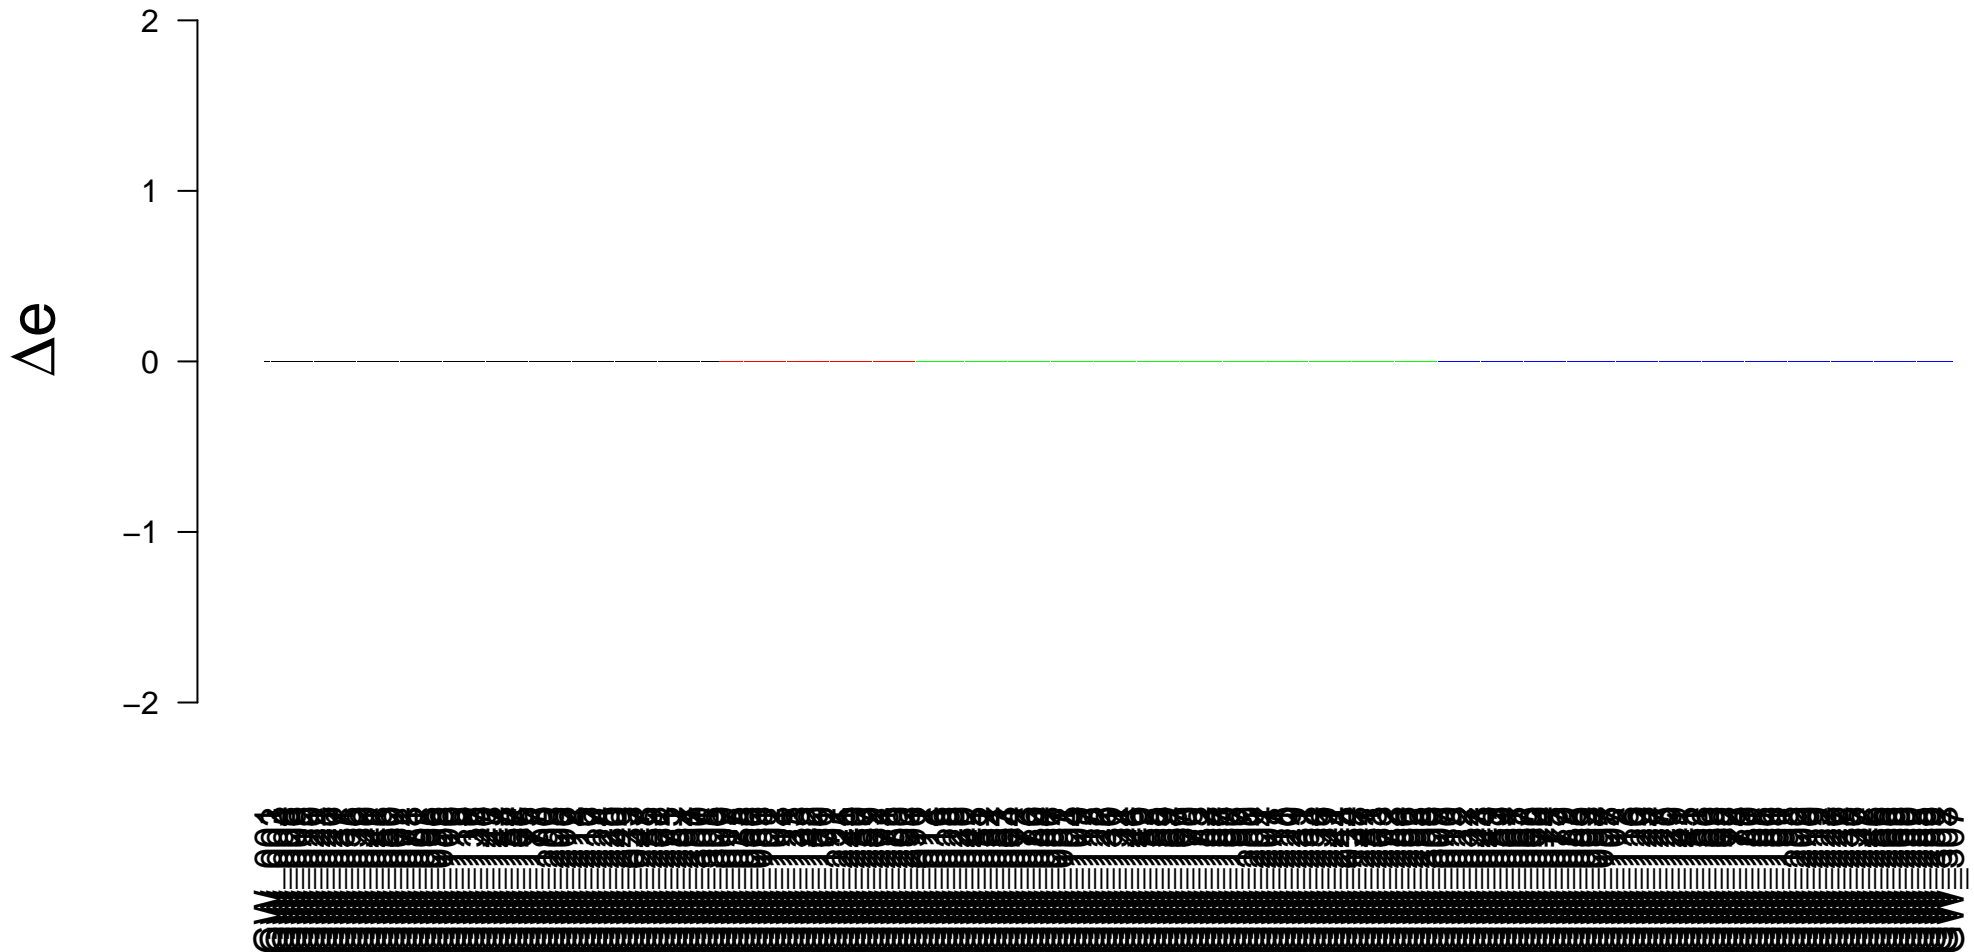

Expression of substrate-specific transmembrane transporter activity in Spot I

Expression of substrate-specific transmembrane transporter activity in Spot J

Expression of substrate-specific transmembrane transporter activity in Spot K

Expression of substrate-specific transmembrane transporter activity in Spot L

Expression of substrate-specific transmembrane transporter activity in Spot N

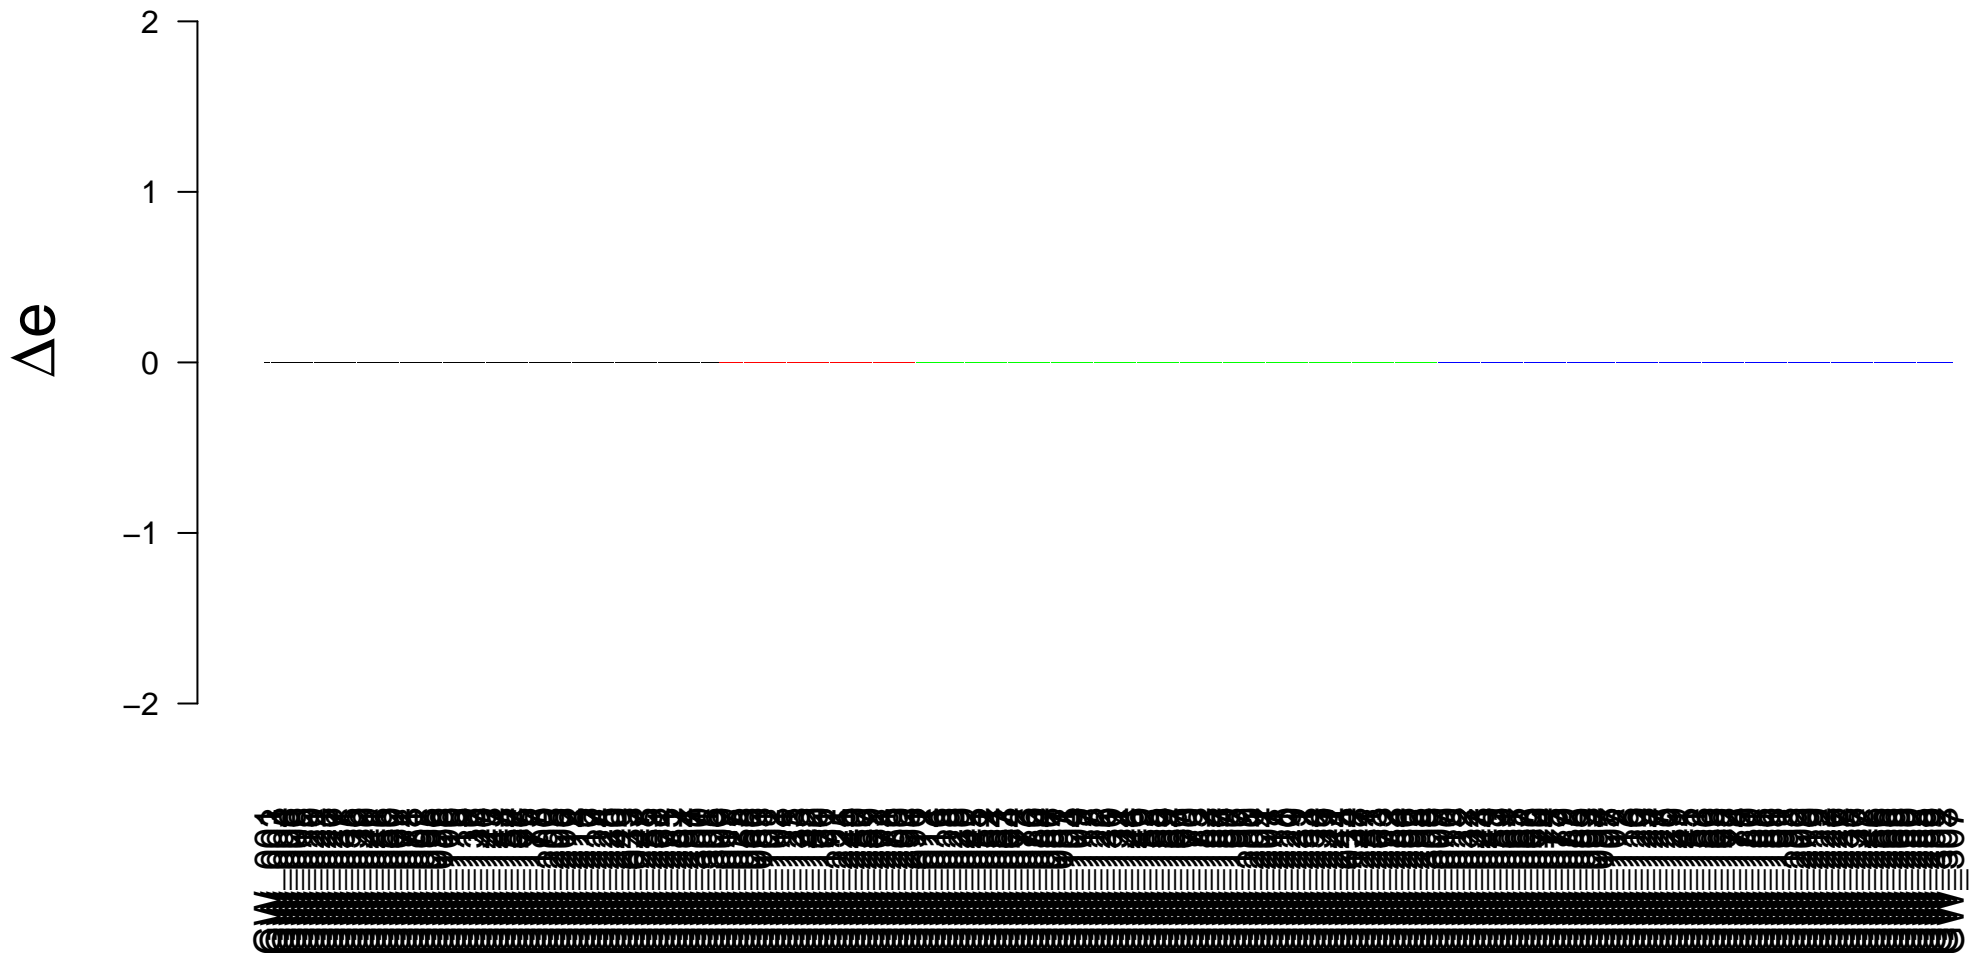

Expression of substrate-specific transmembrane transporter activity in Spot O

Expression of substrate-specific transmembrane transporter activity in Spot P

Expression of substrate-specific transmembrane transporter activity in Spot Q

Expression of substrate-specific transmembrane transporter activity in Spot R
