

sulfuric ester hydrolase activity

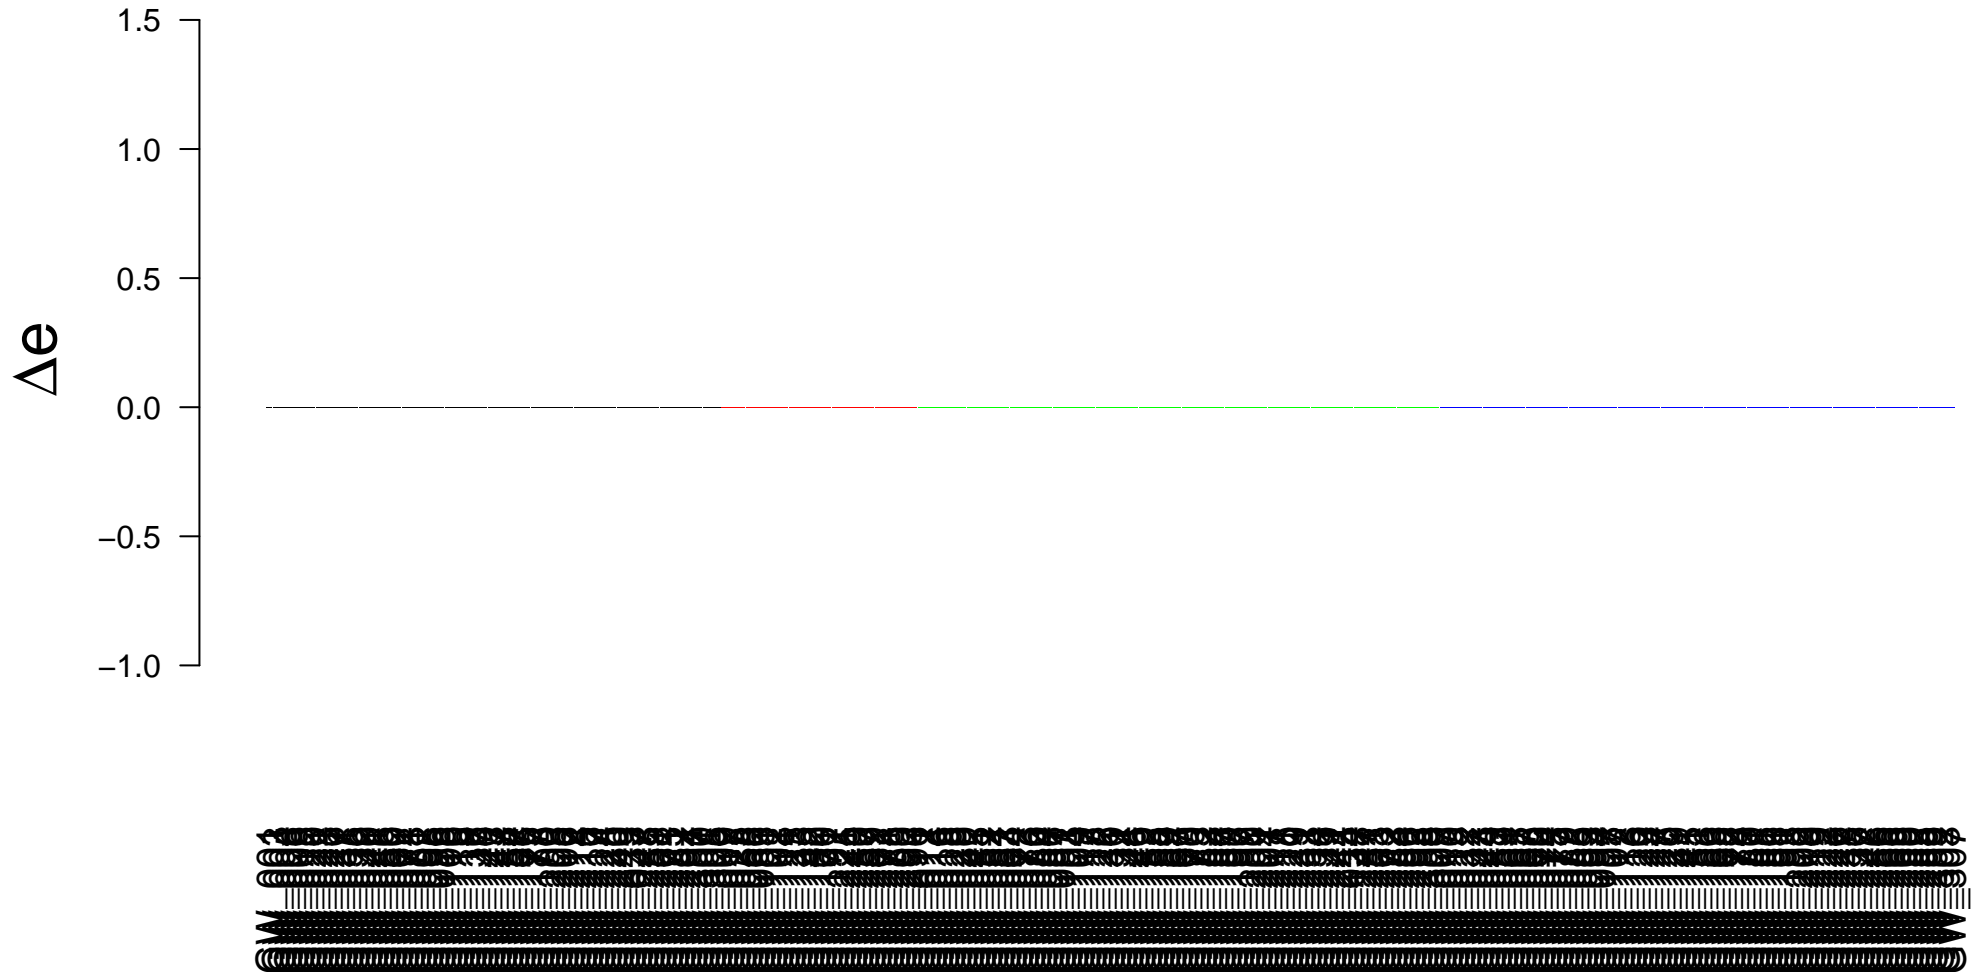

sulfuric ester hydrolase activity

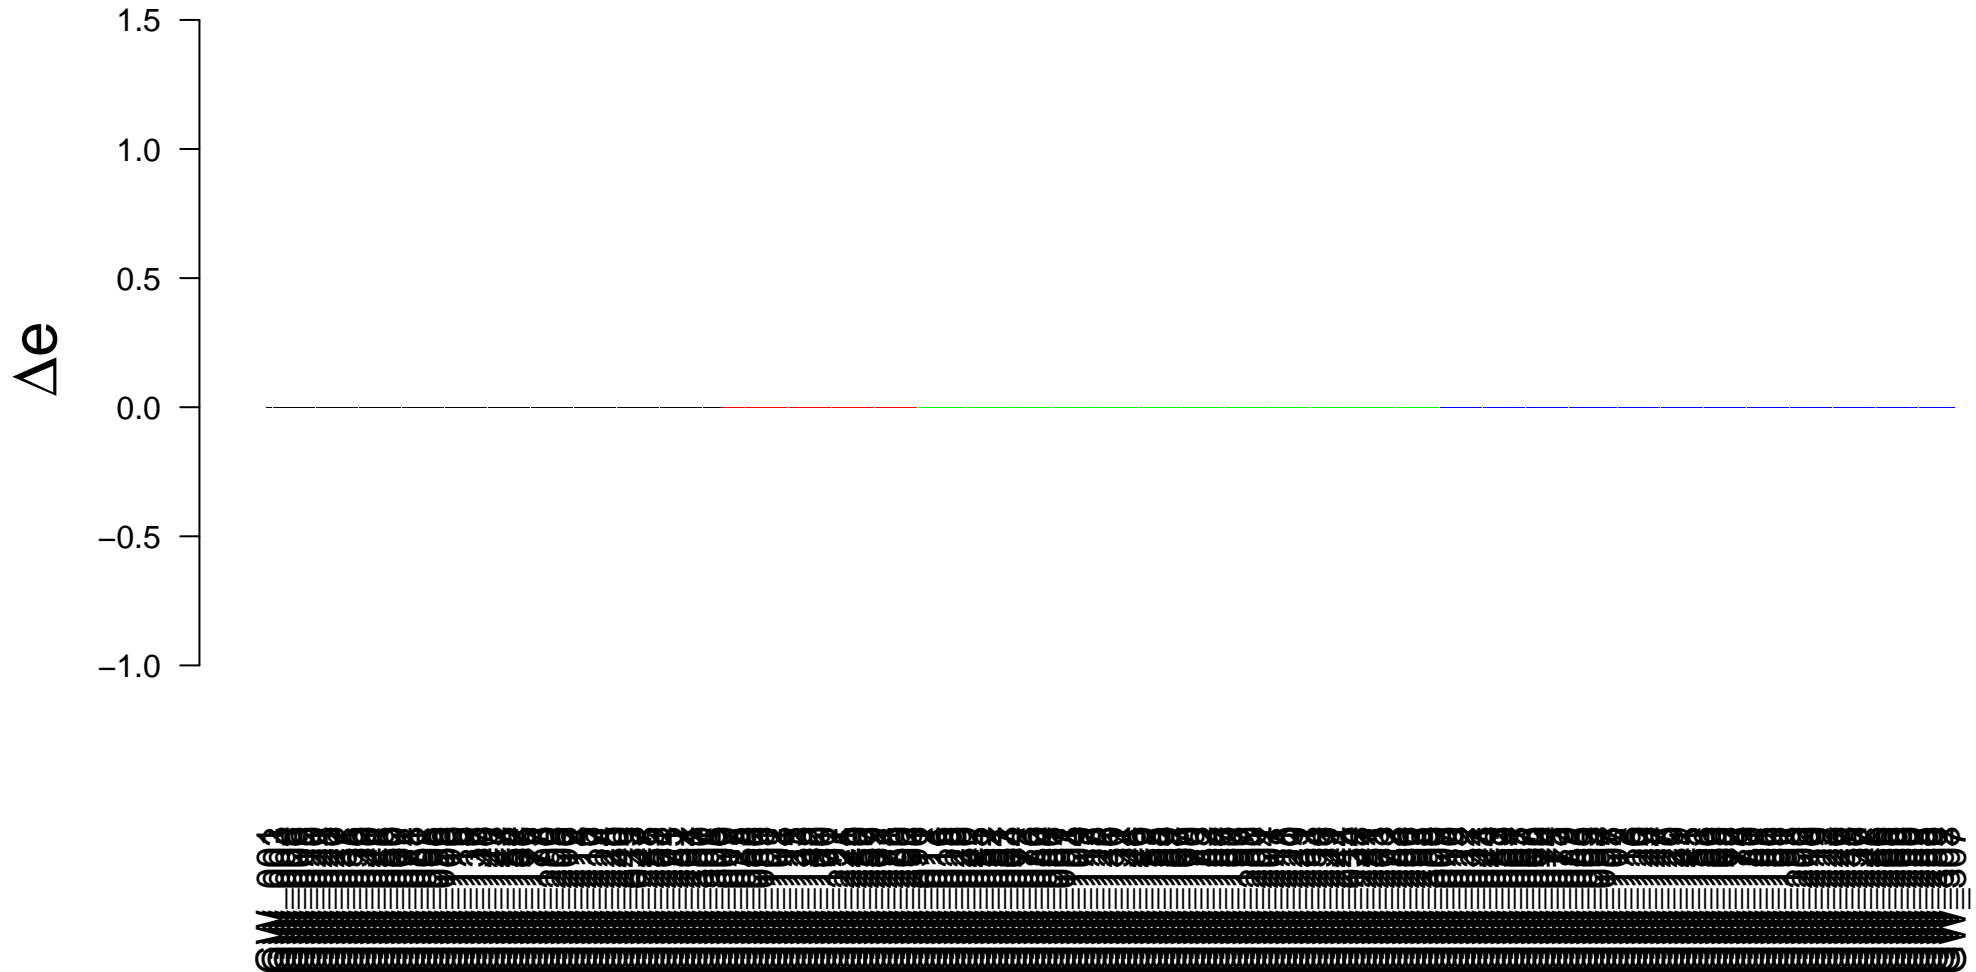

Enrichment in spots: sulfuric ester hydrolase activity

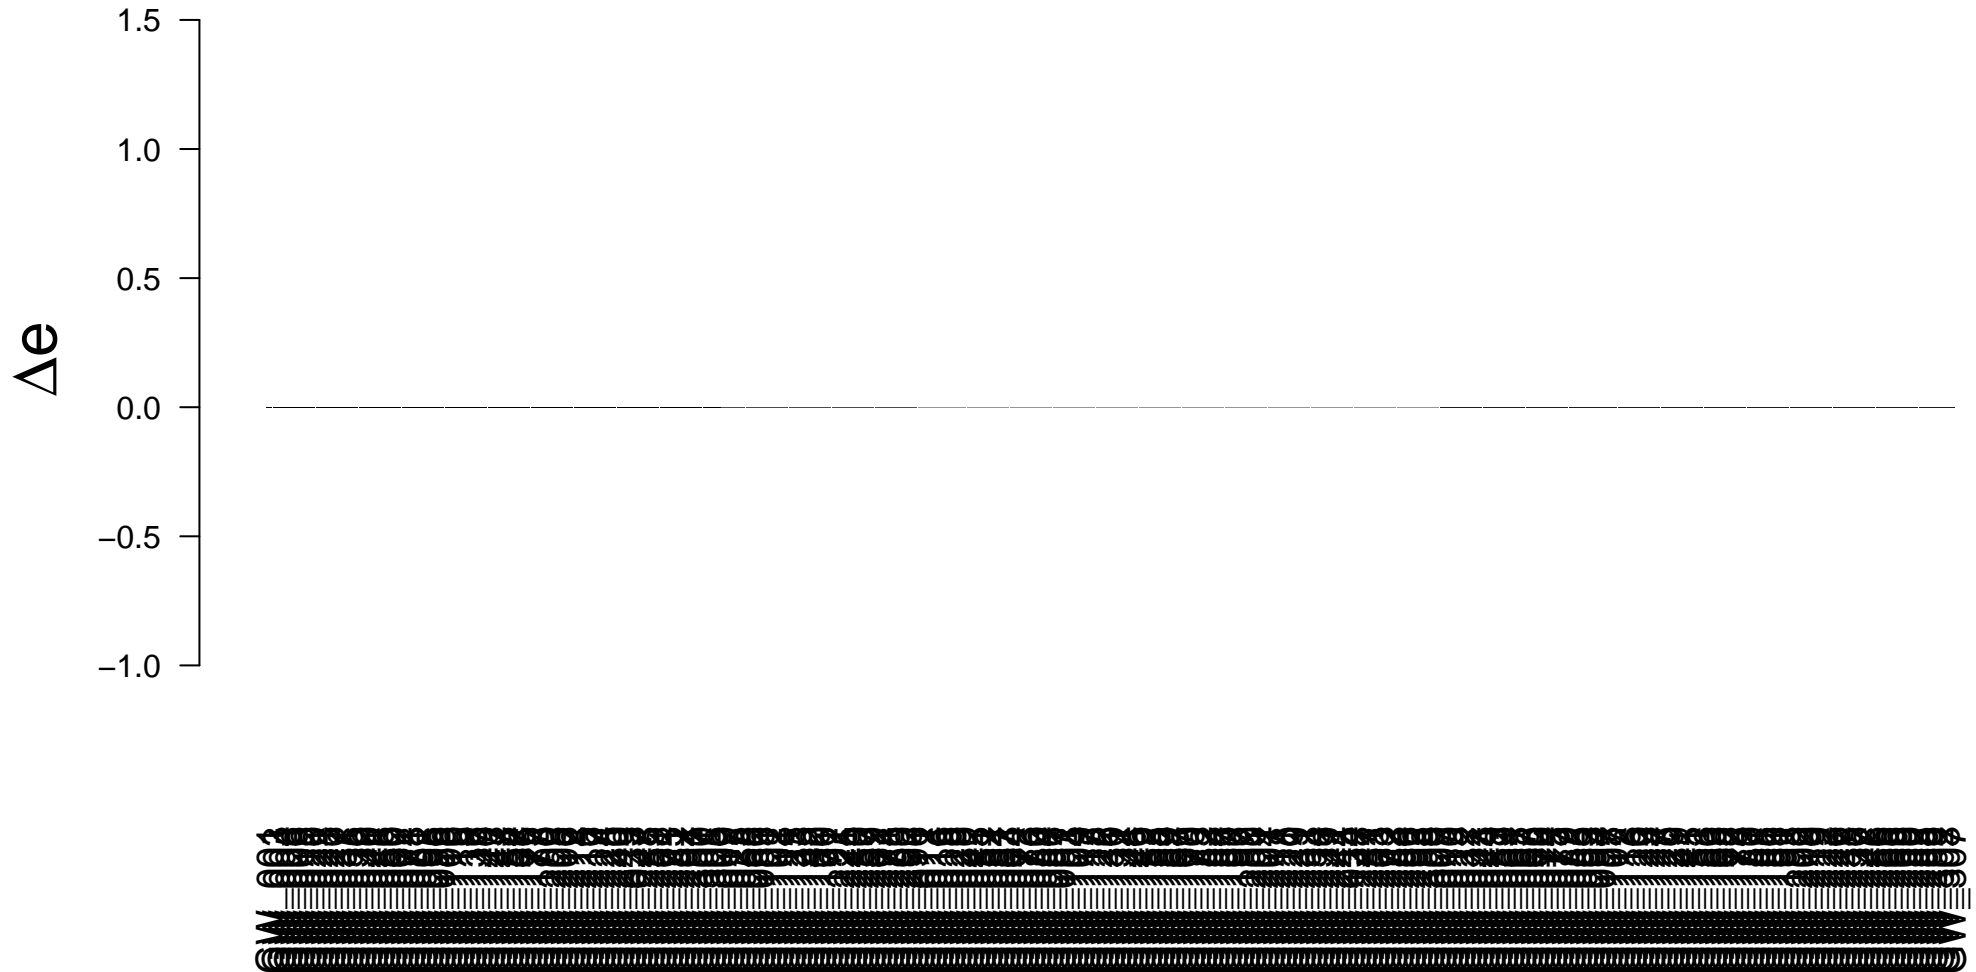

Expression of sulfuric ester hydrolase activity in Spot A

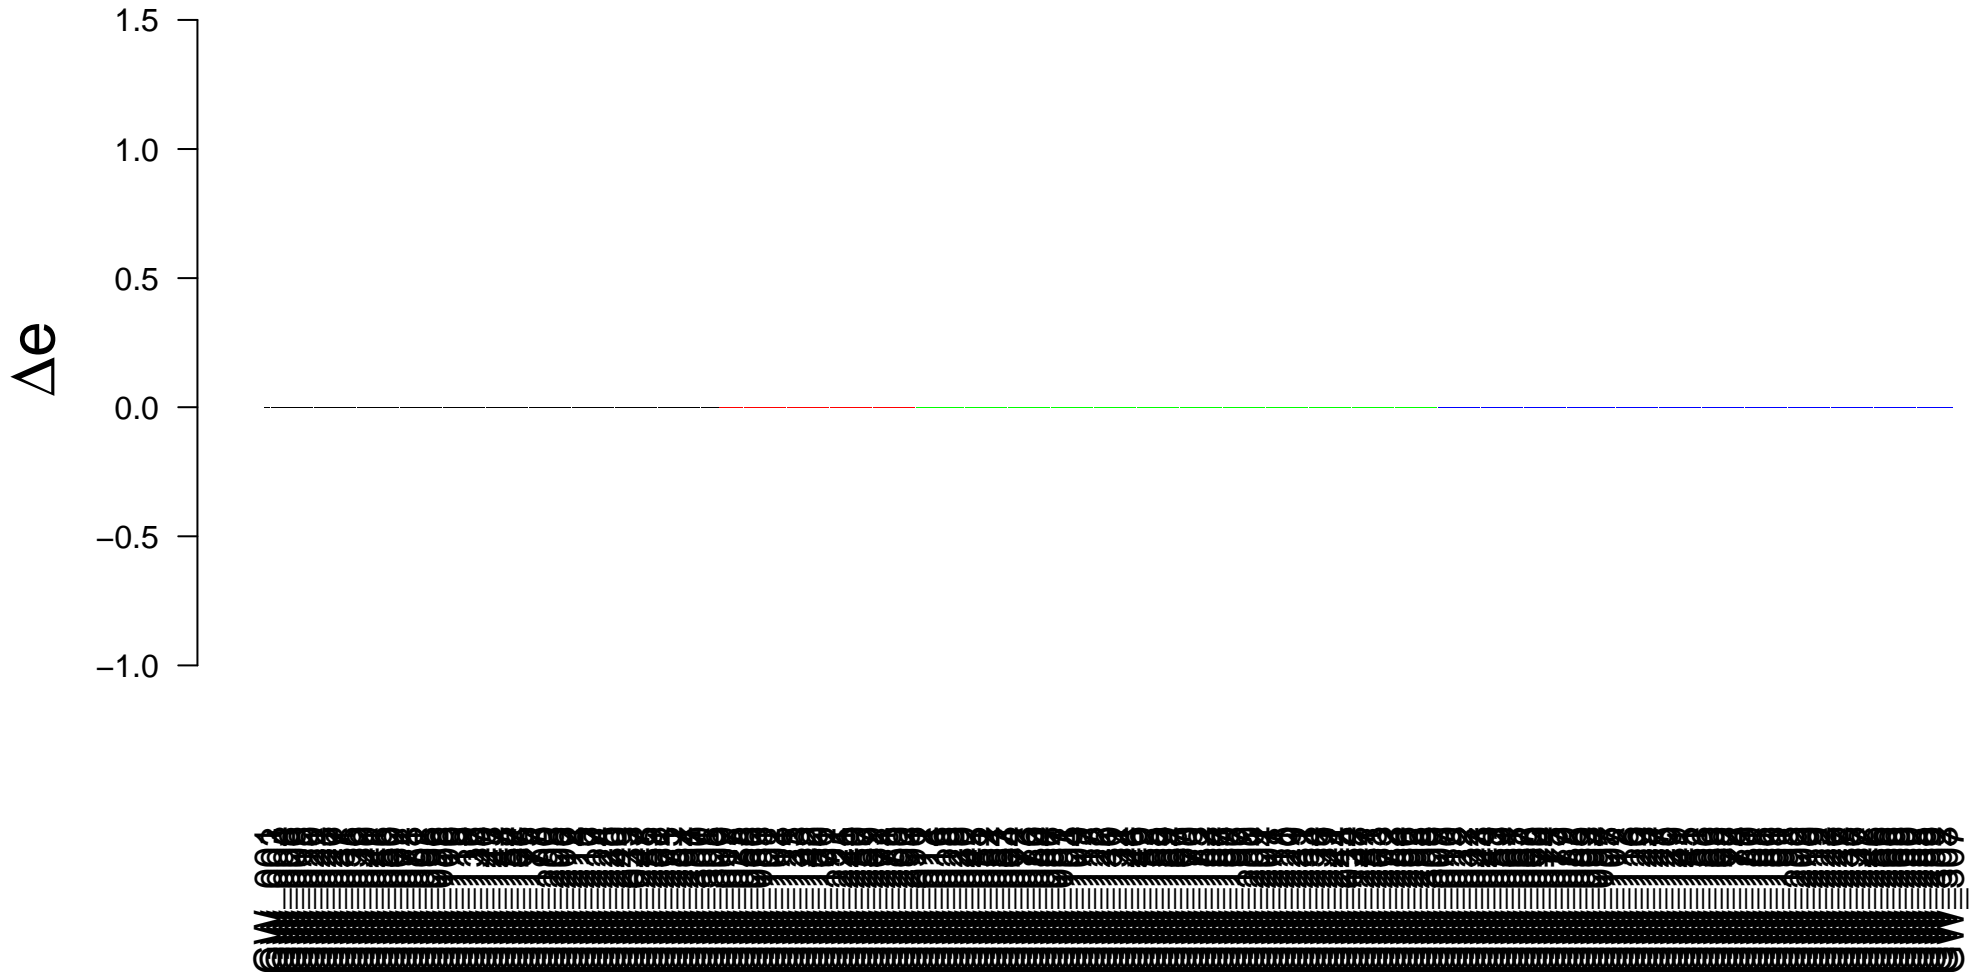

Expression of sulfuric ester hydrolase activity in Spot B

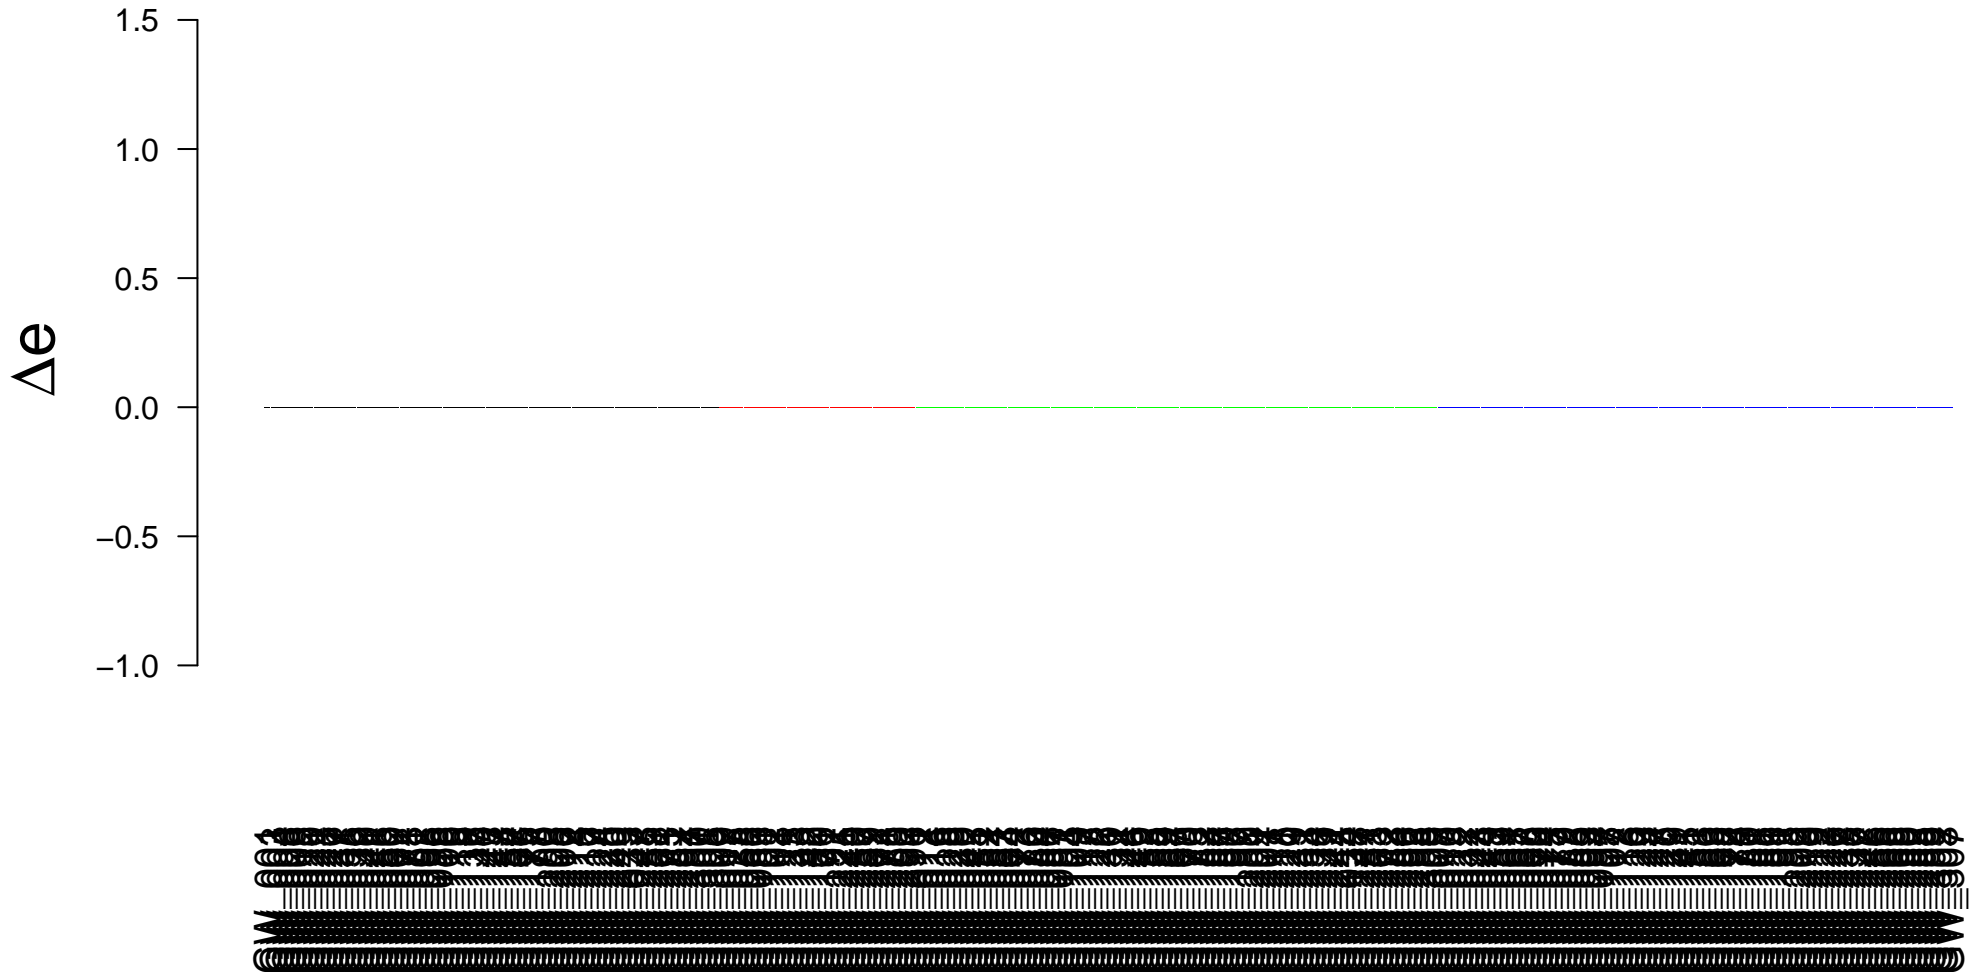

Expression of sulfuric ester hydrolase activity in Spot C

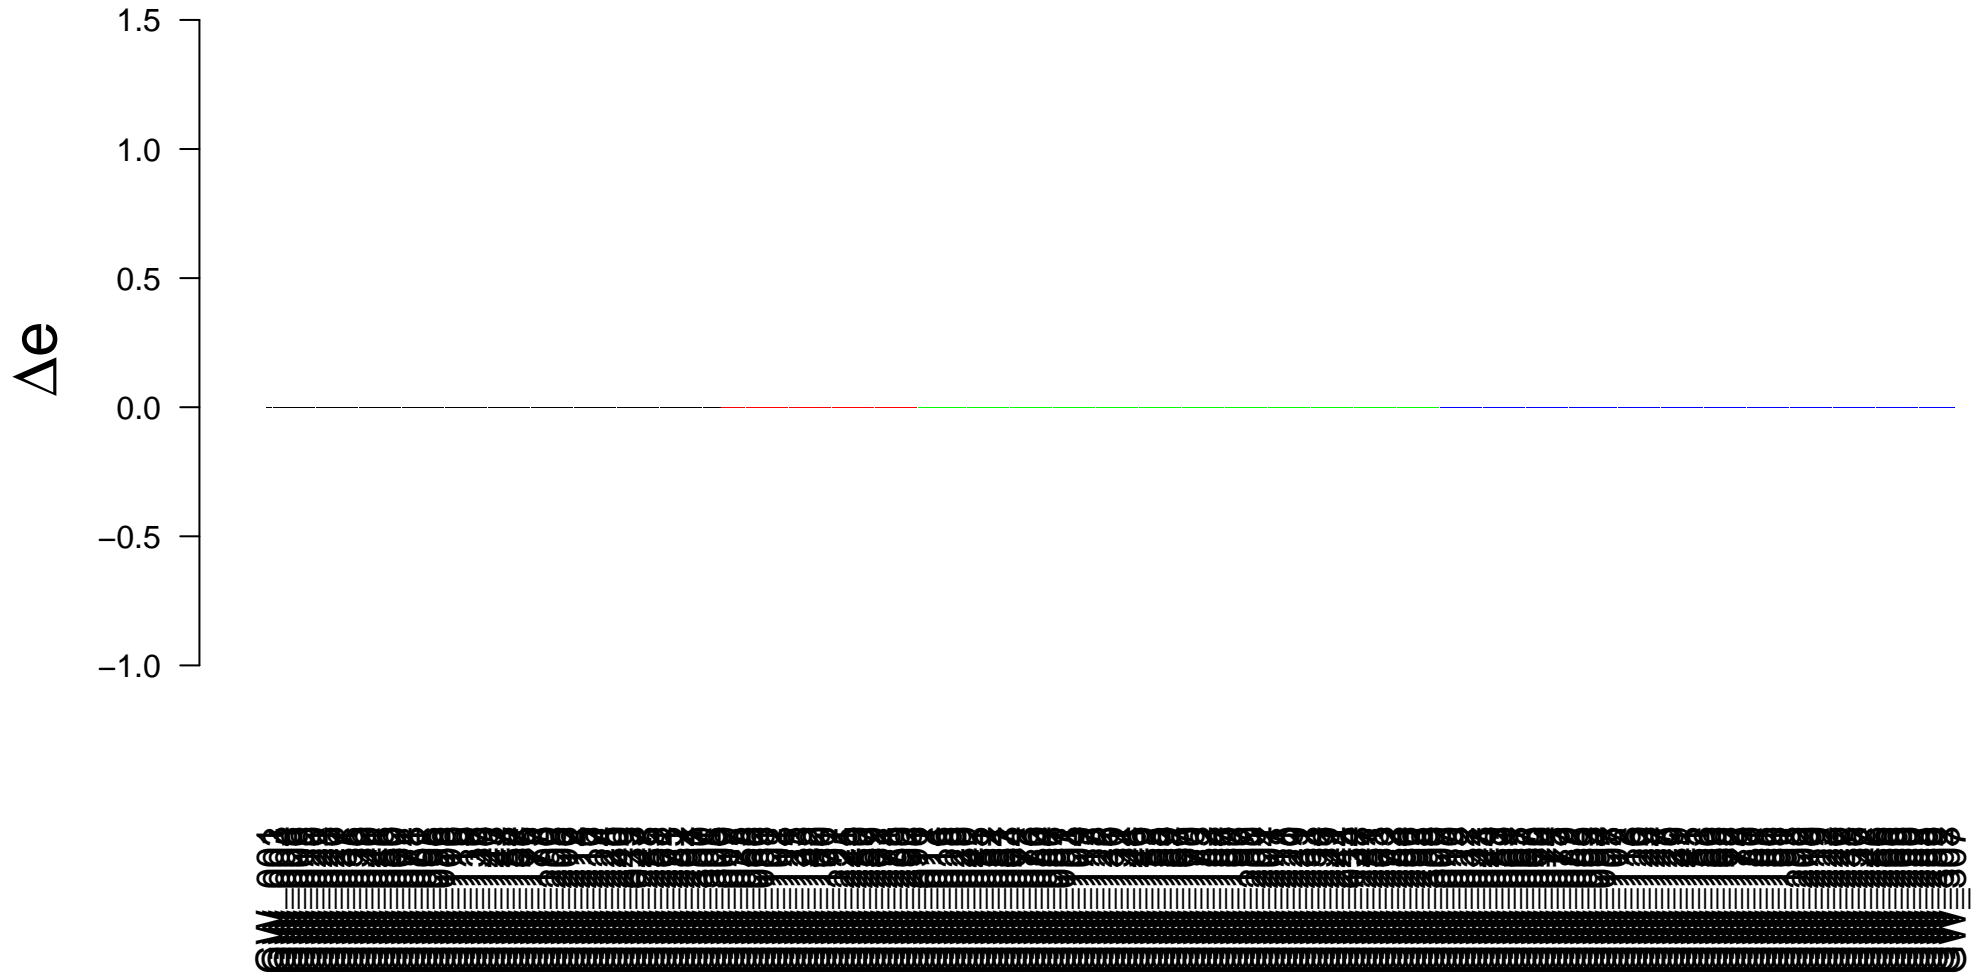

Expression of sulfuric ester hydrolase activity in Spot D

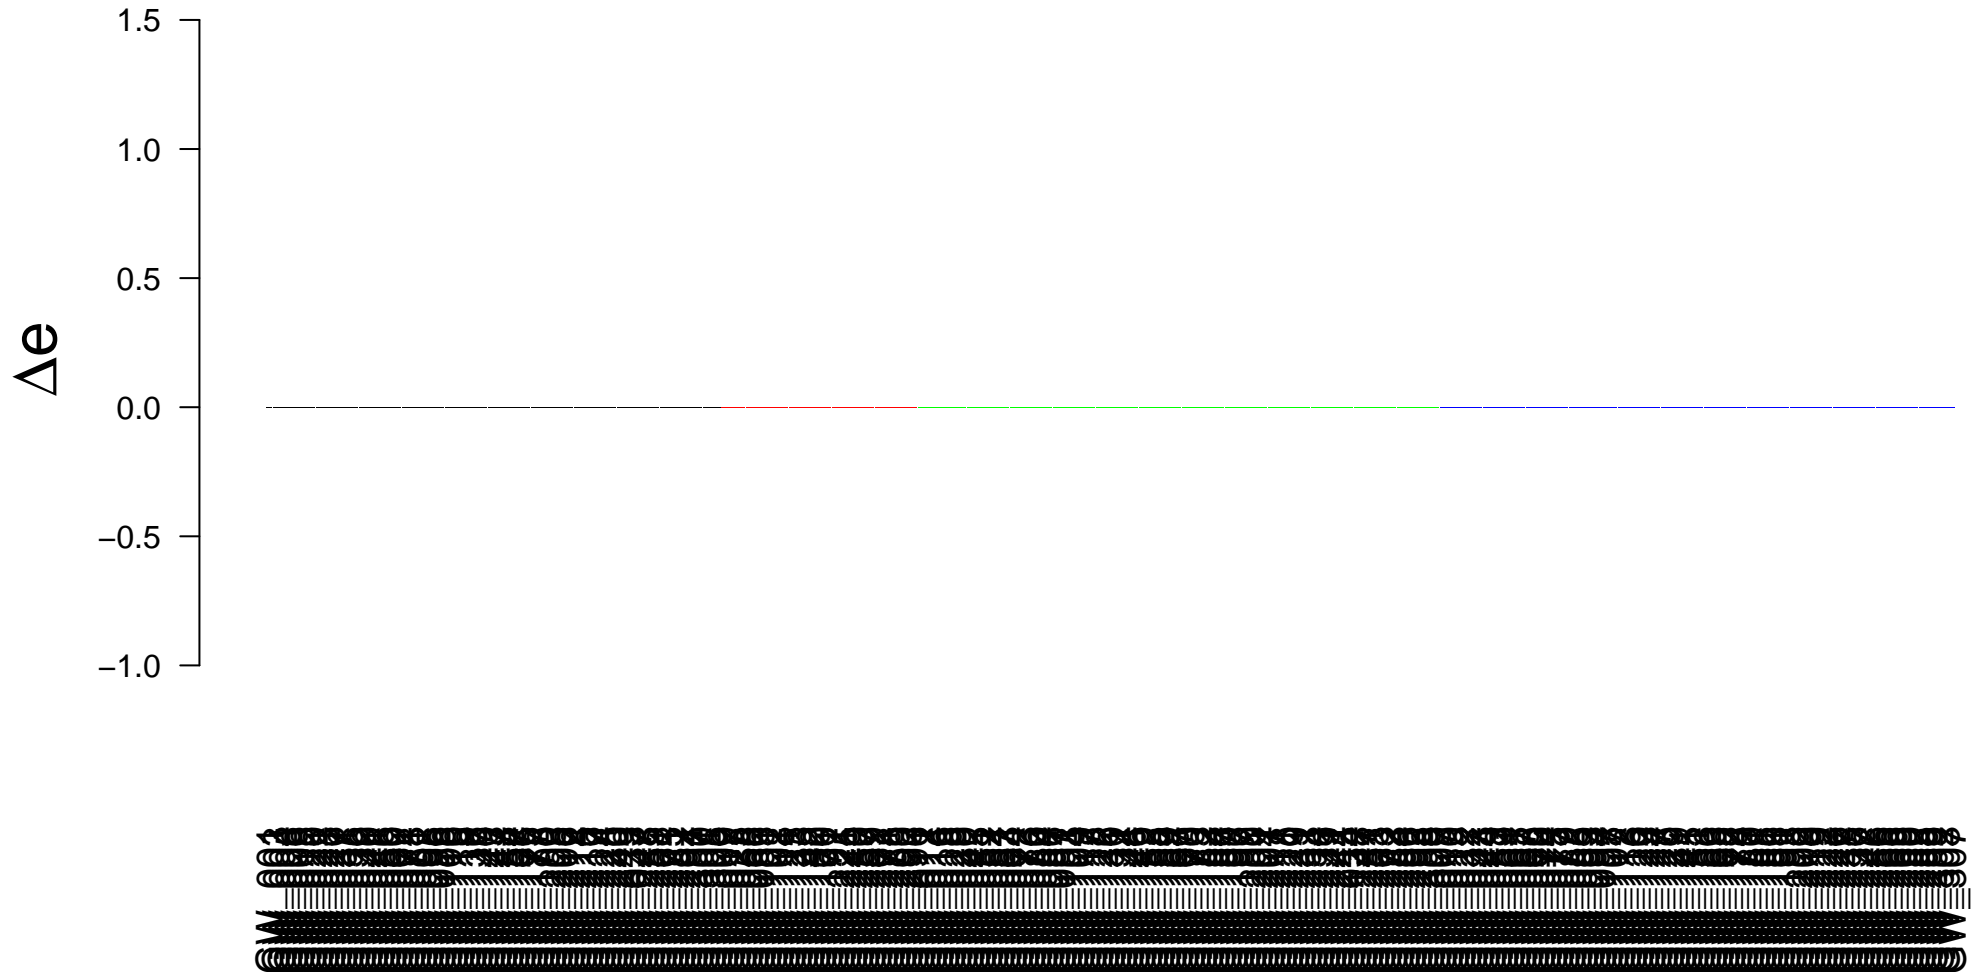

Expression of sulfuric ester hydrolase activity in Spot E

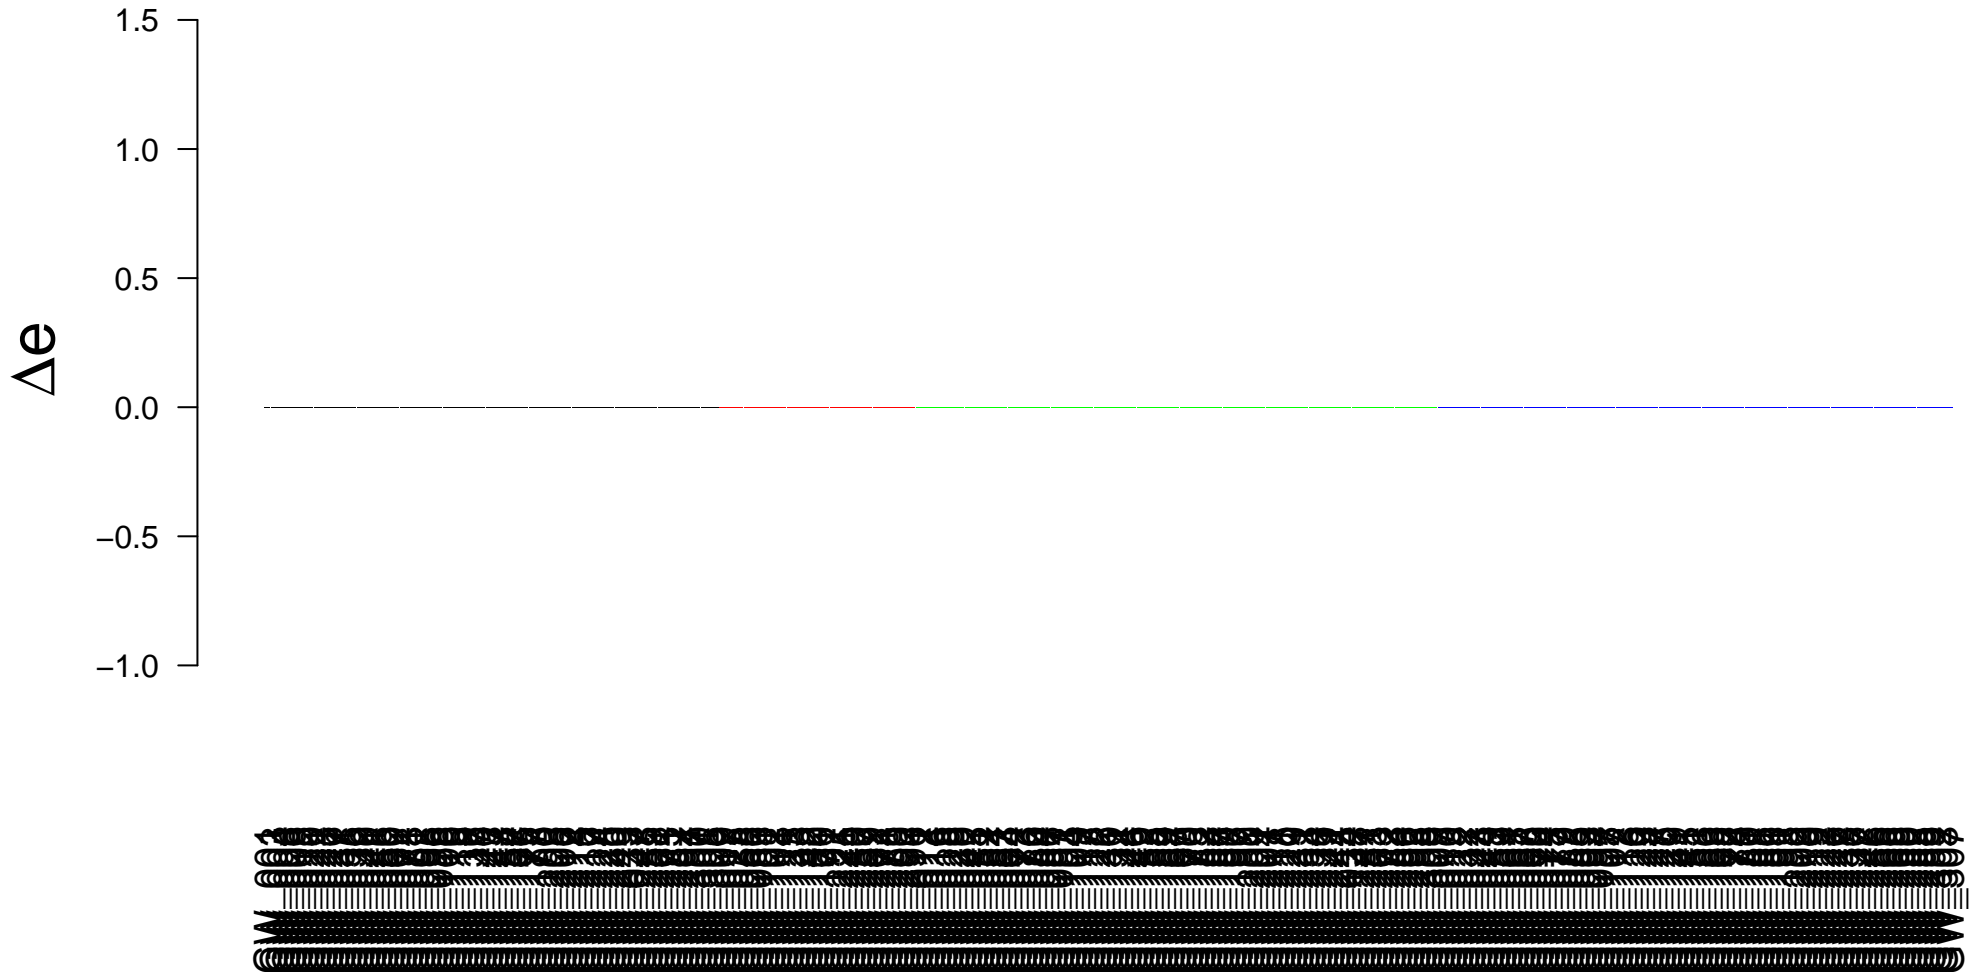

Expression of sulfuric ester hydrolase activity in Spot F

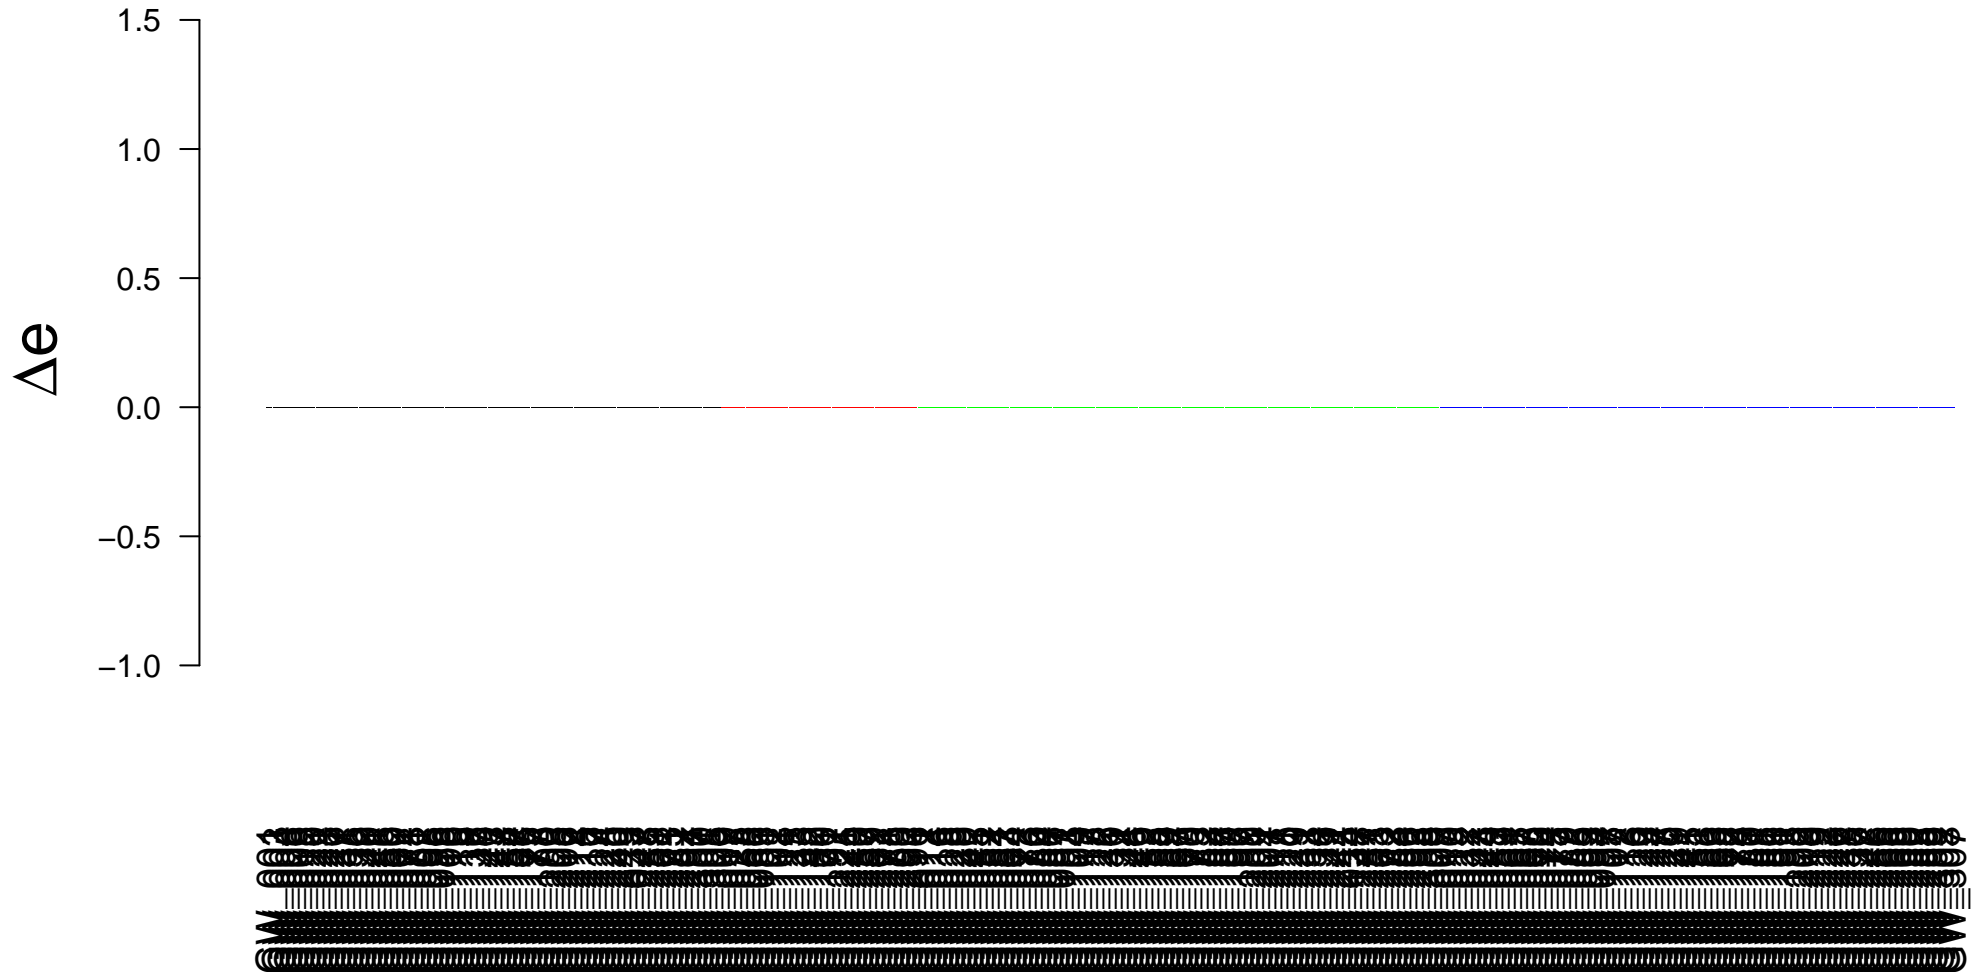

Expression of sulfuric ester hydrolase activity in Spot G

Expression of sulfuric ester hydrolase activity in Spot H

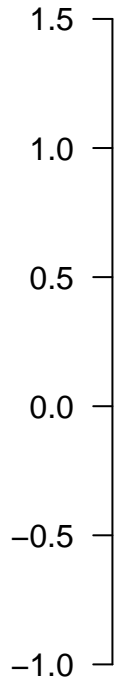

Expression of sulfuric ester hydrolase activity in Spot I

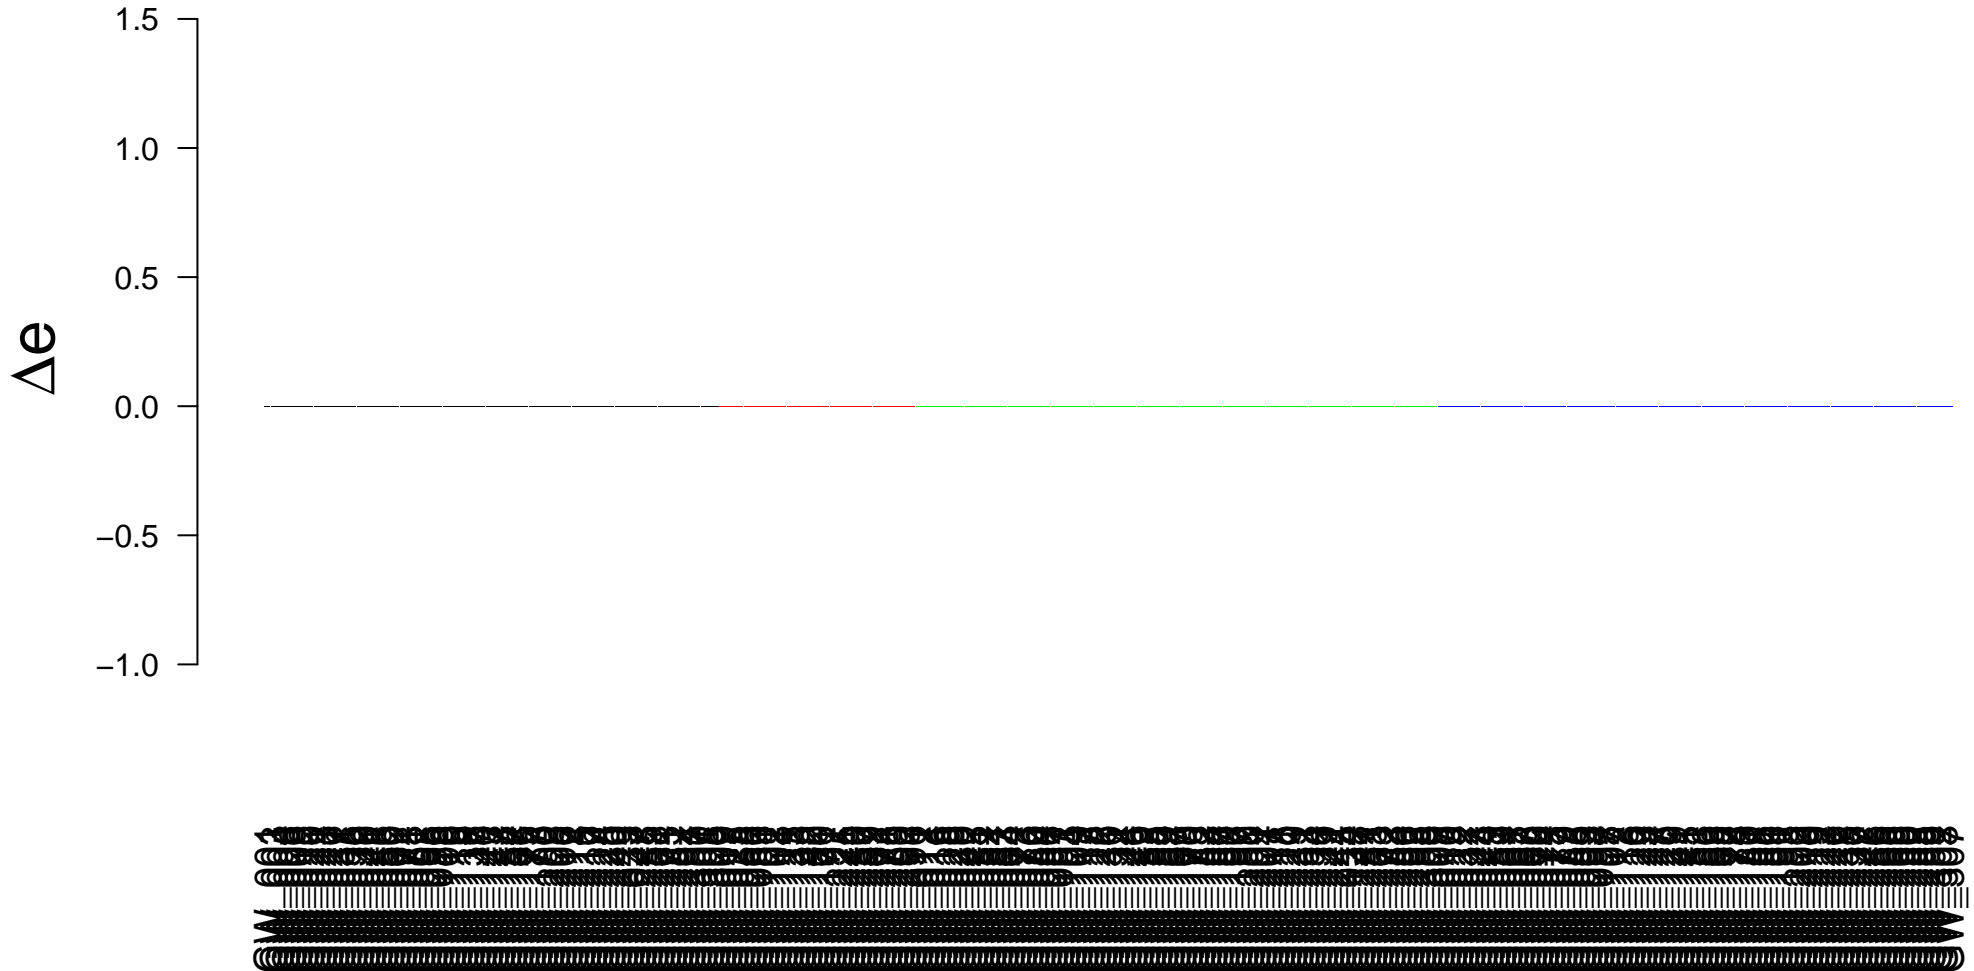

Expression of sulfuric ester hydrolase activity in Spot J
