

# synaptic transmission, cholinergic

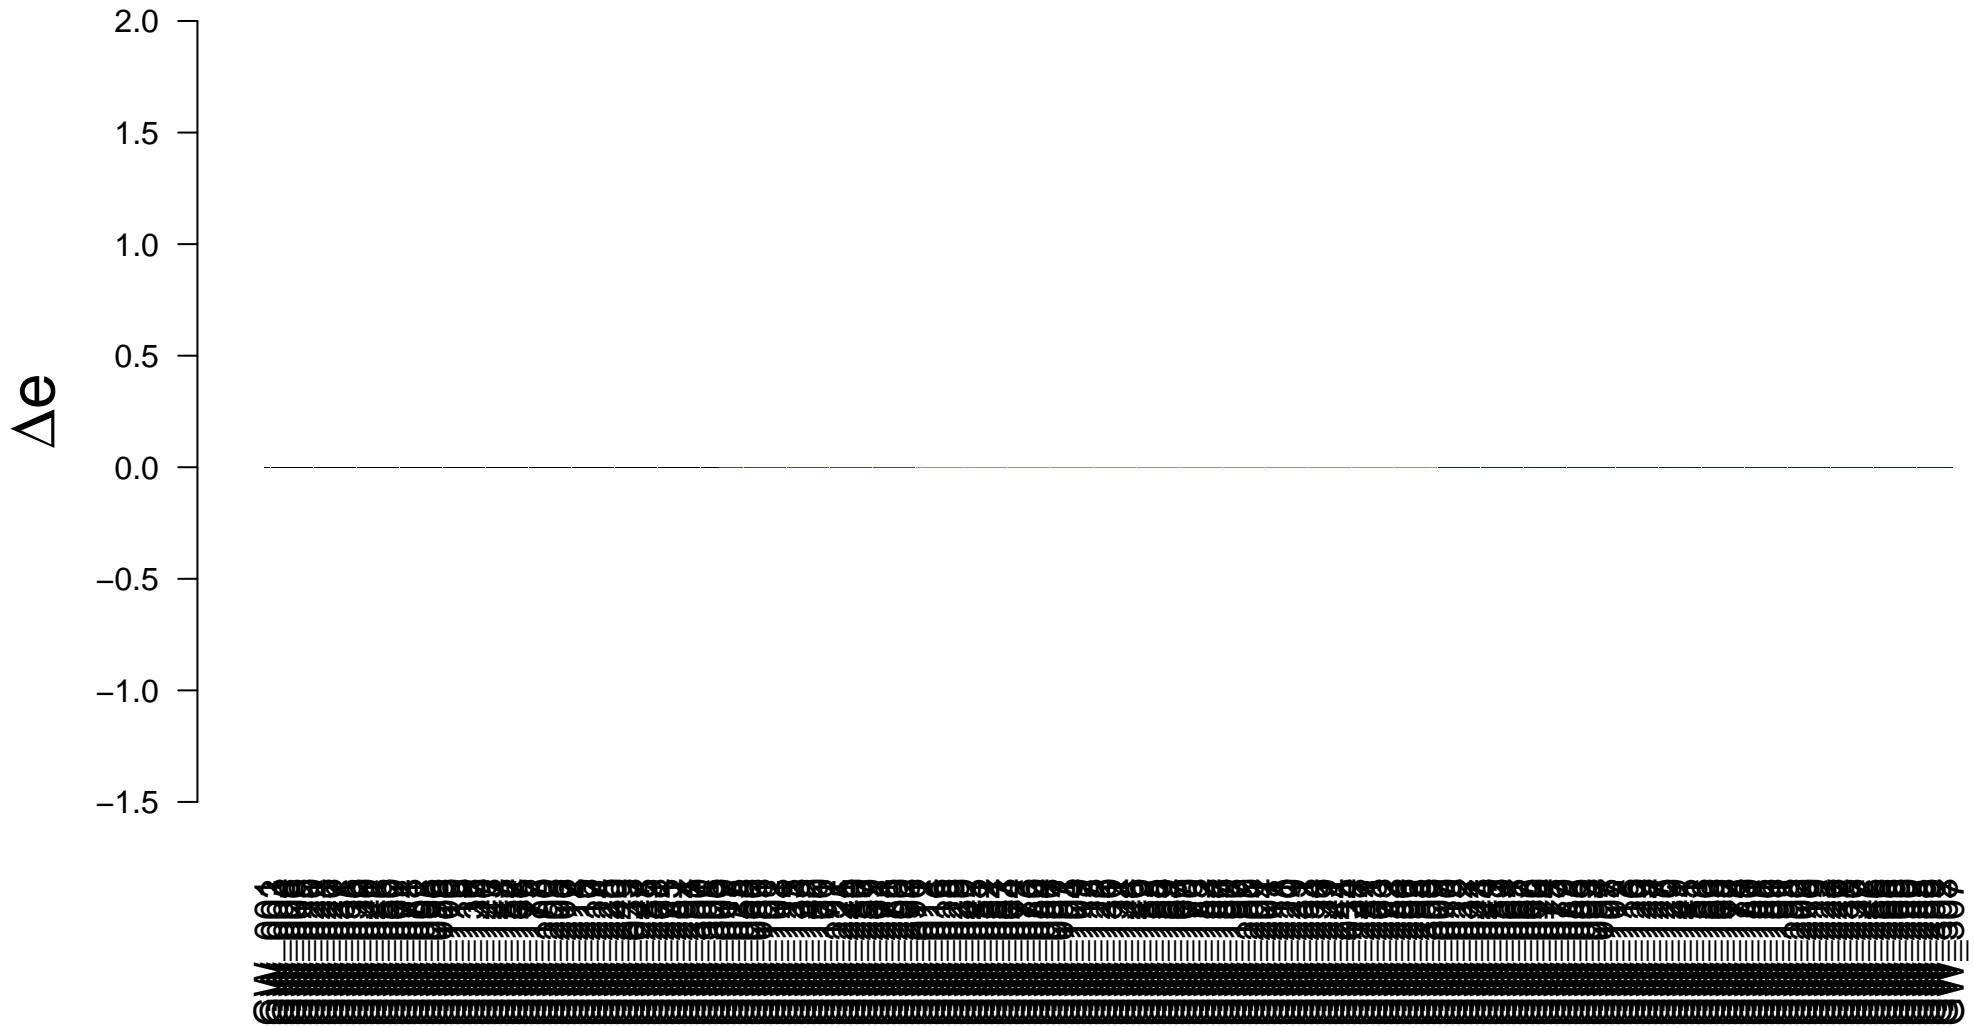

# synaptic transmission, cholinergic

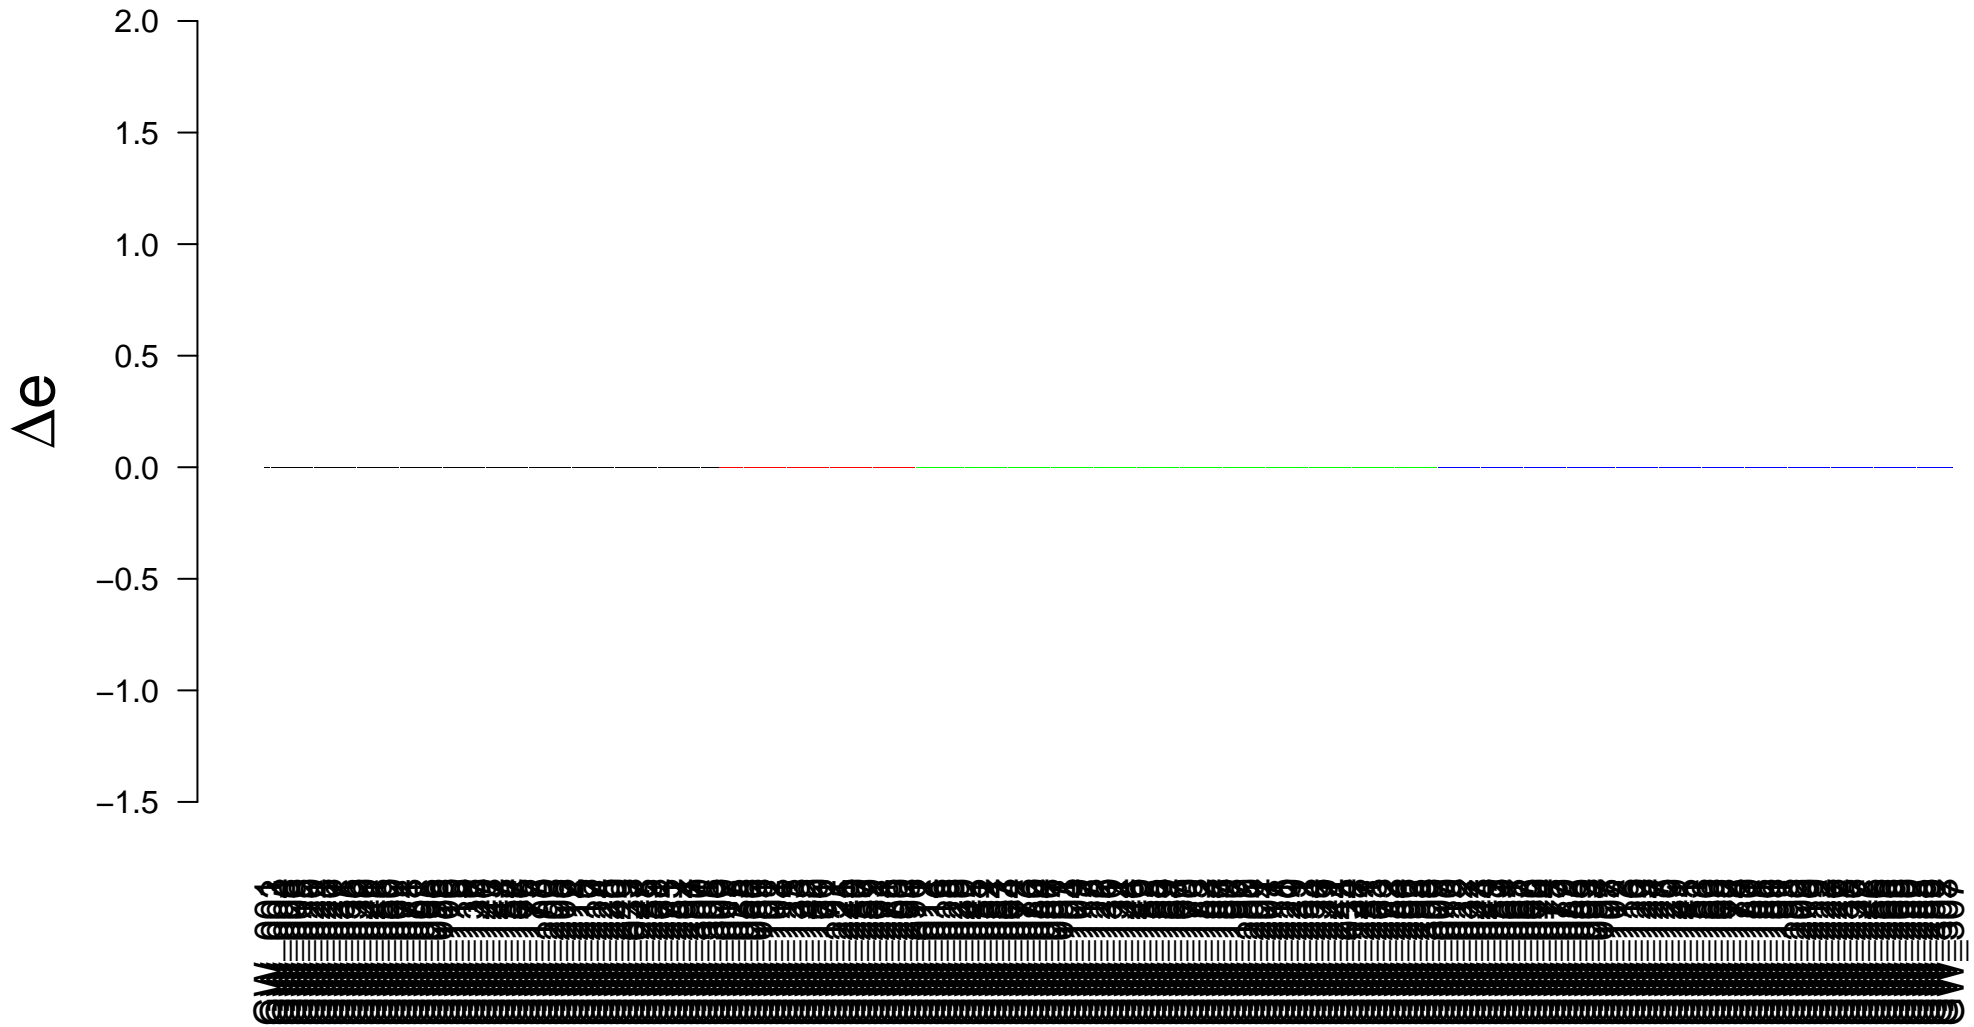

# Enrichment in spots: synaptic transmission, cholinergic

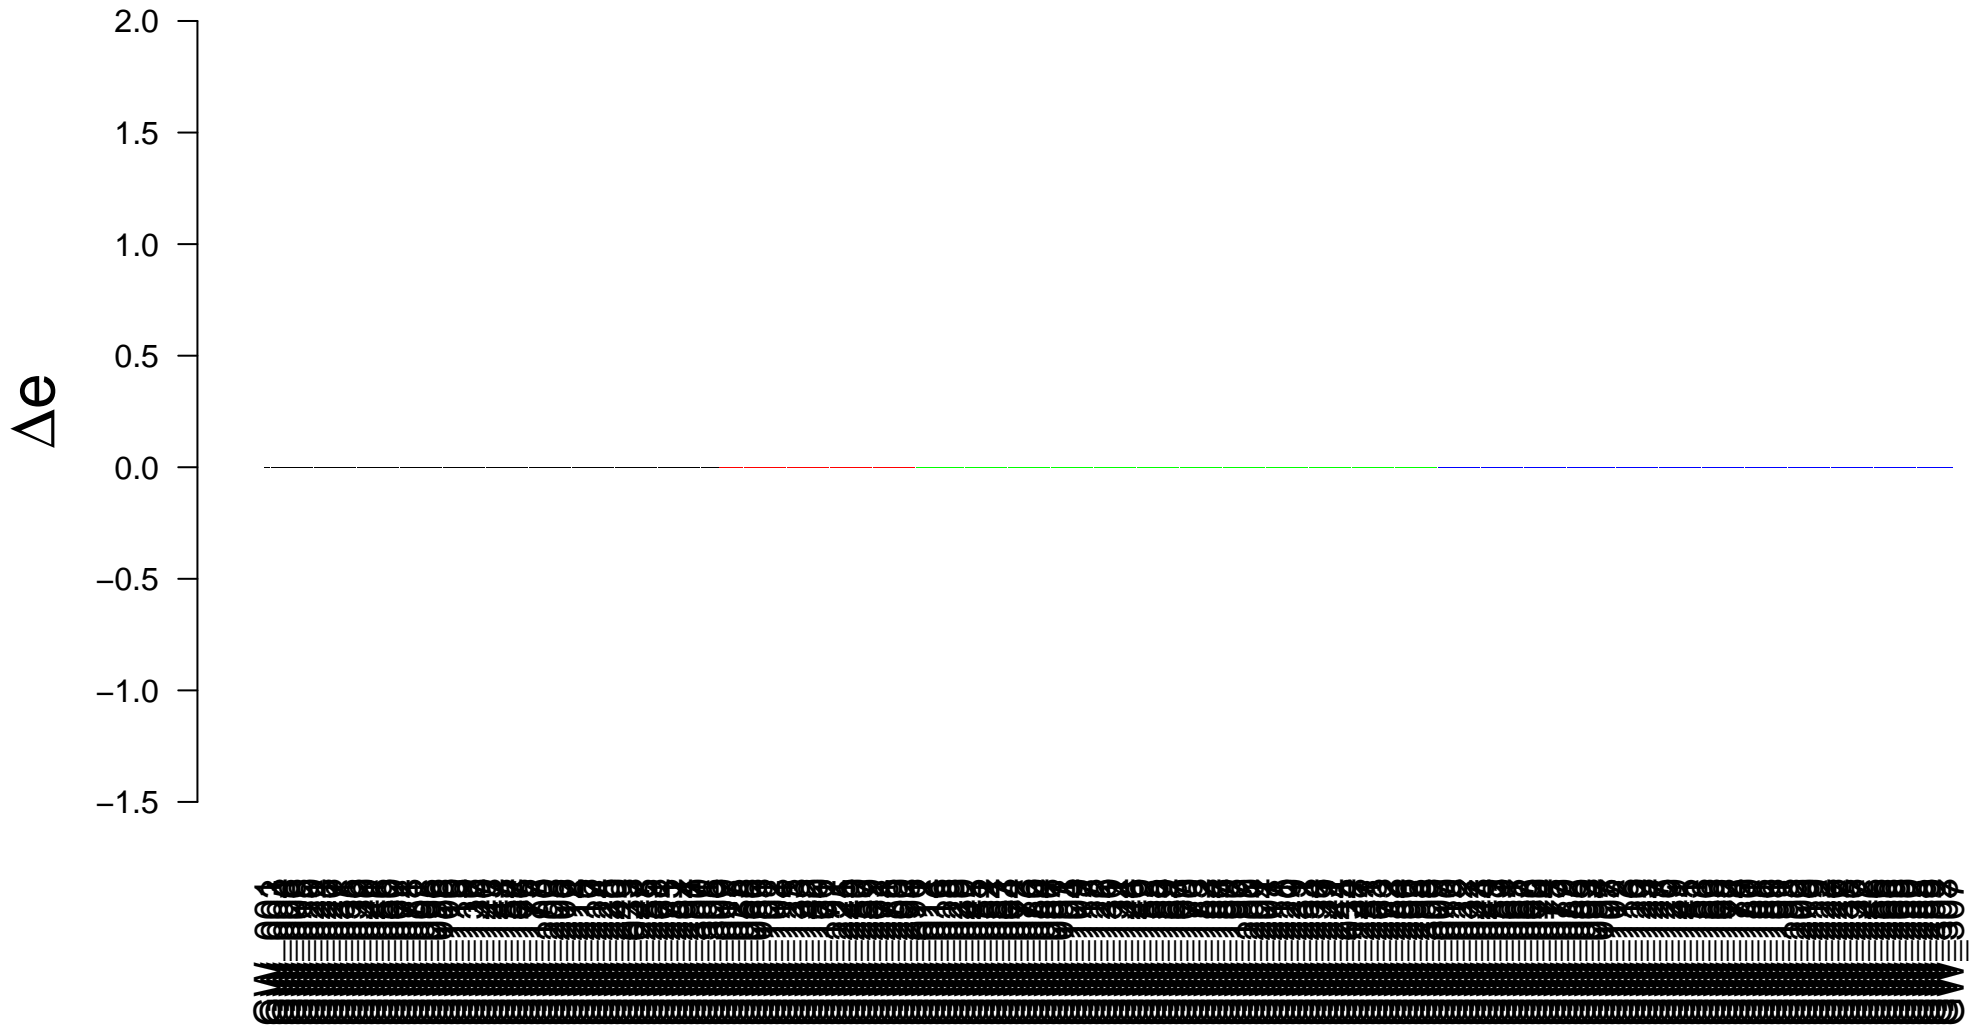

# Expression of synaptic transmission, cholinergic in Spot A

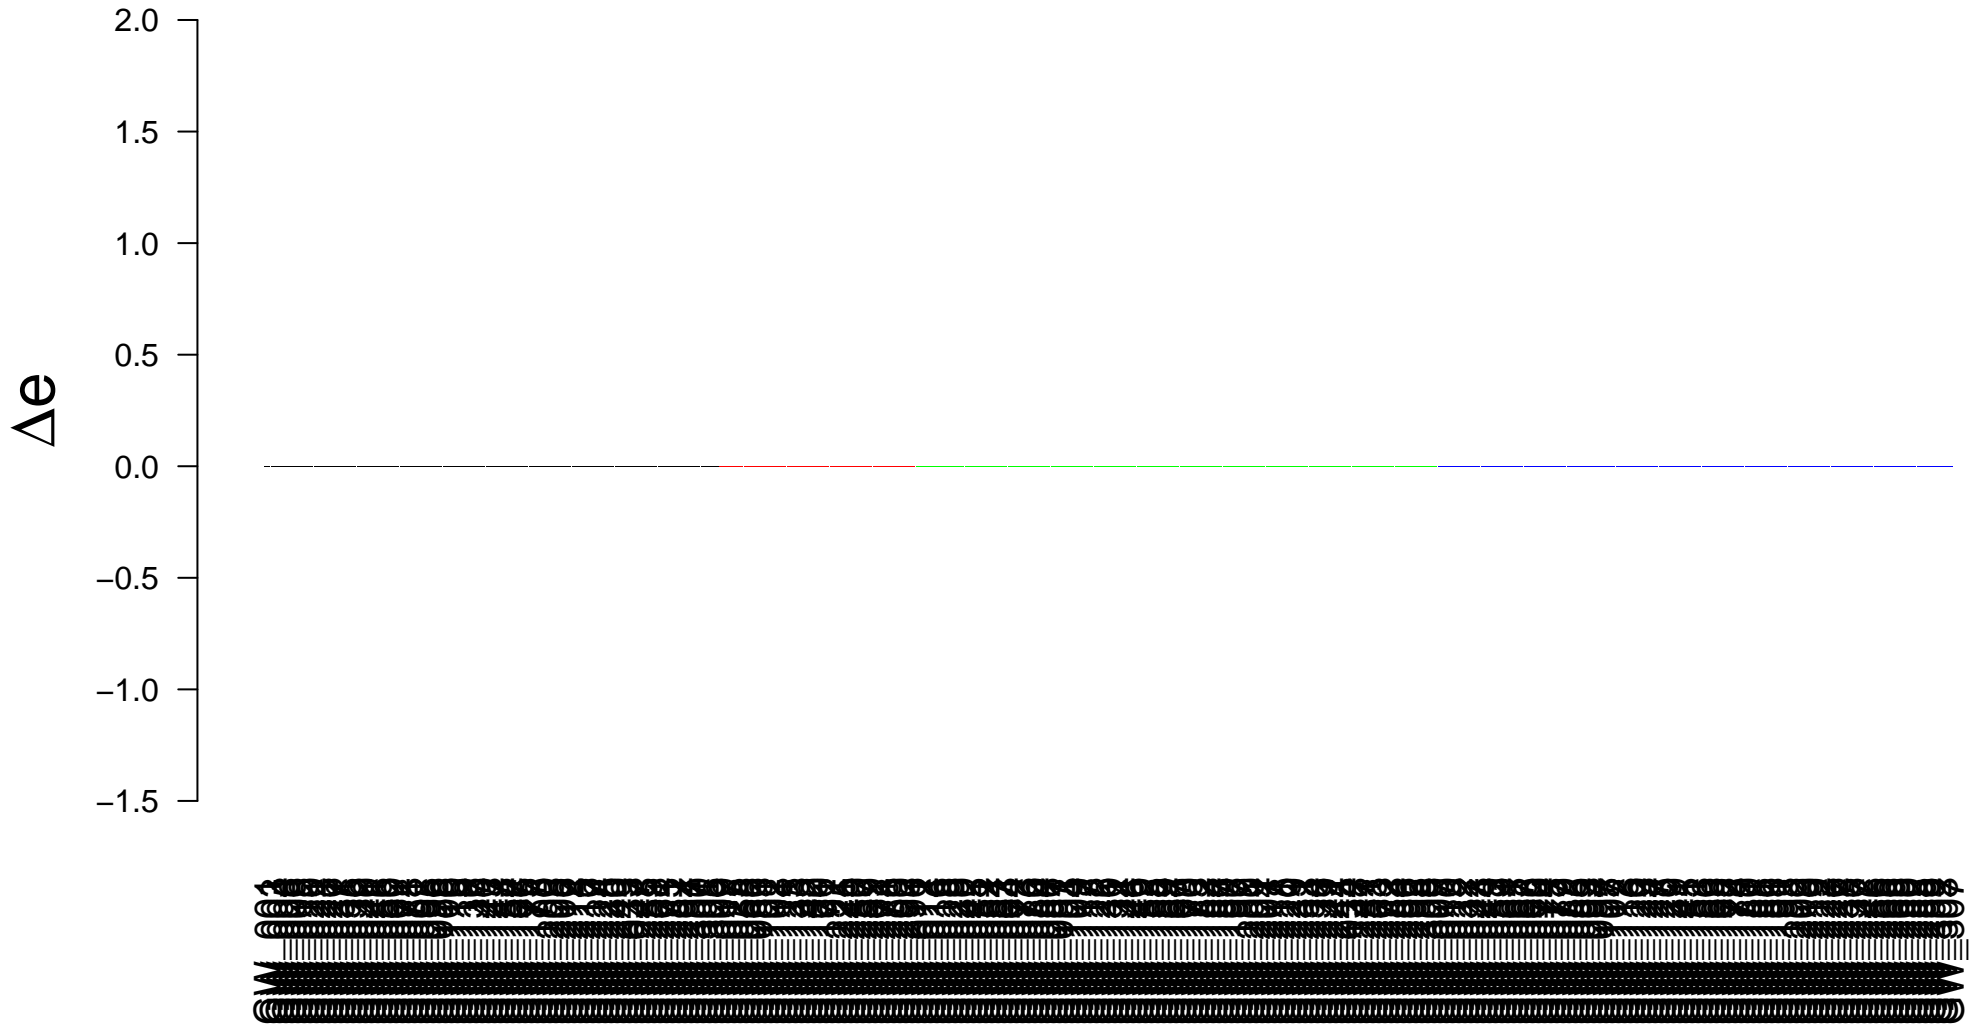

# Expression of synaptic transmission, cholinergic in Spot B

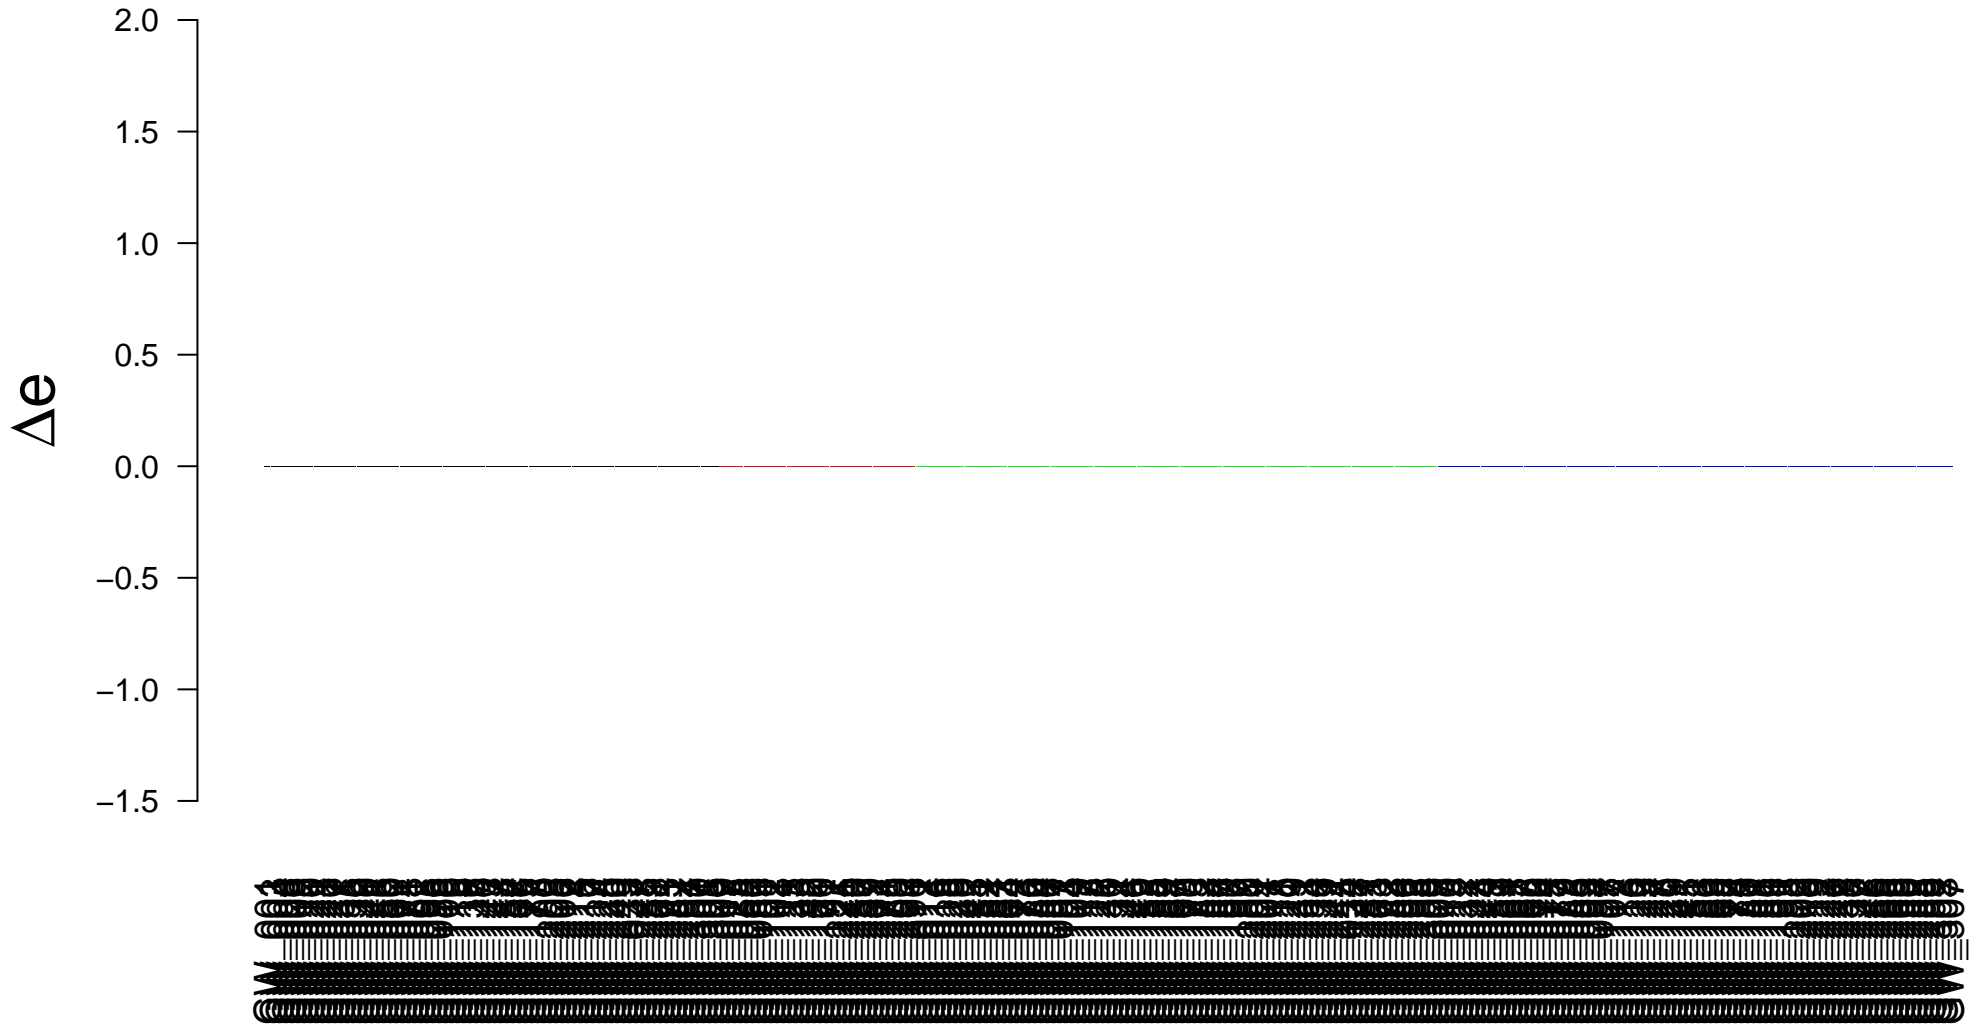

# Expression of synaptic transmission, cholinergic in Spot C

# Expression of synaptic transmission, cholinergic in Spot D

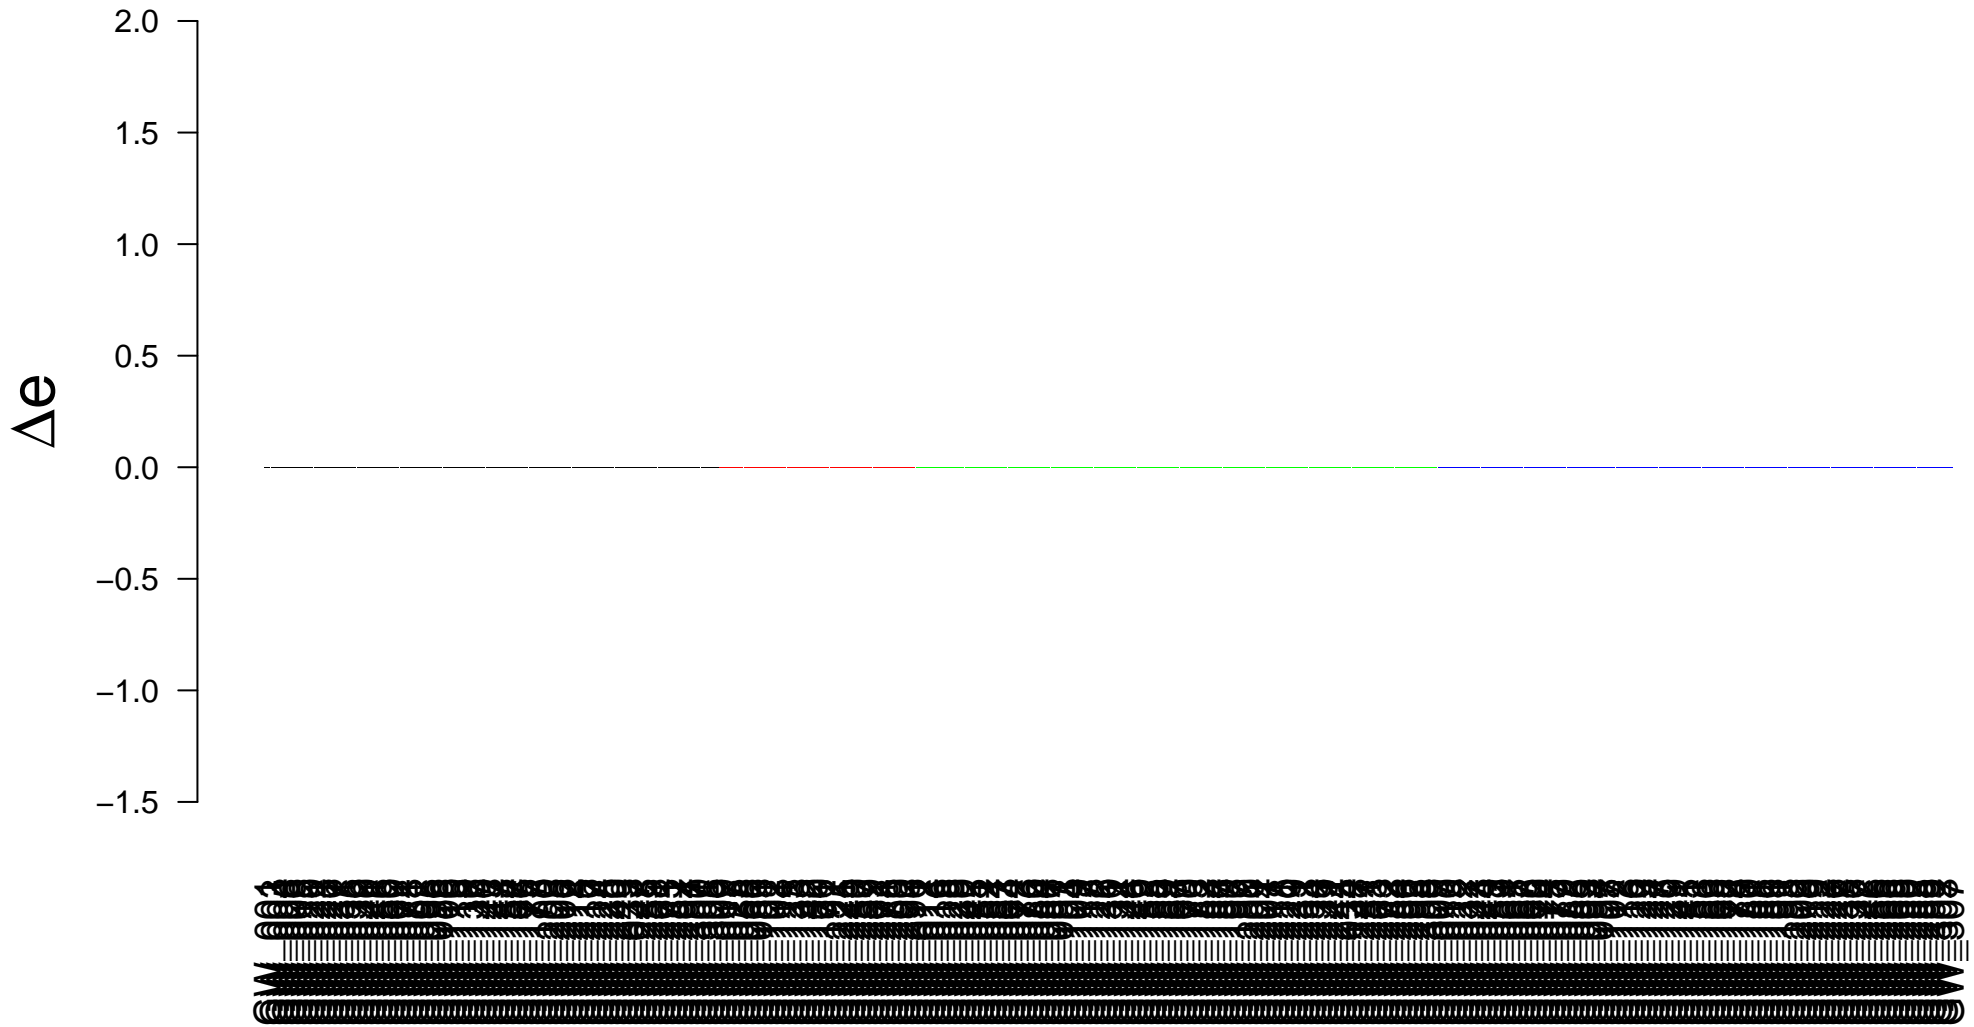

# Expression of synaptic transmission, cholinergic in Spot E

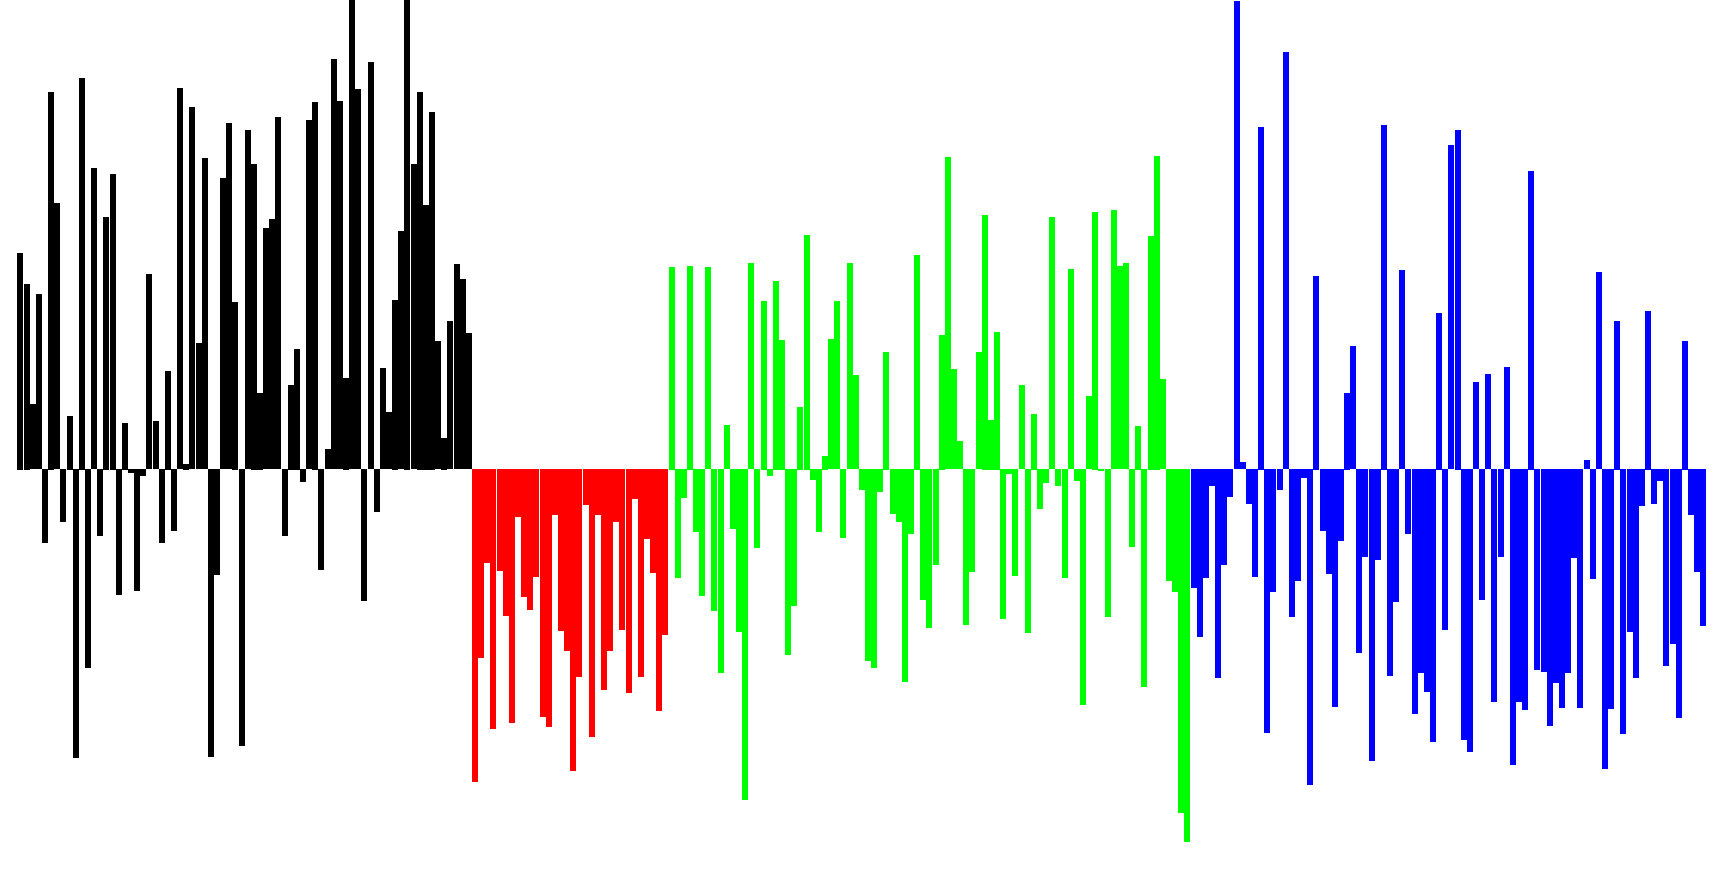

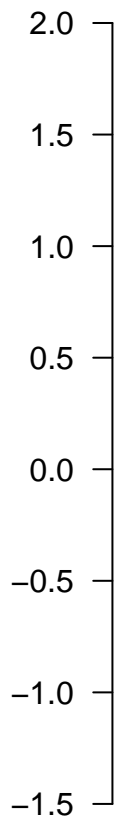

# Expression of synaptic transmission, cholinergic in Spot F

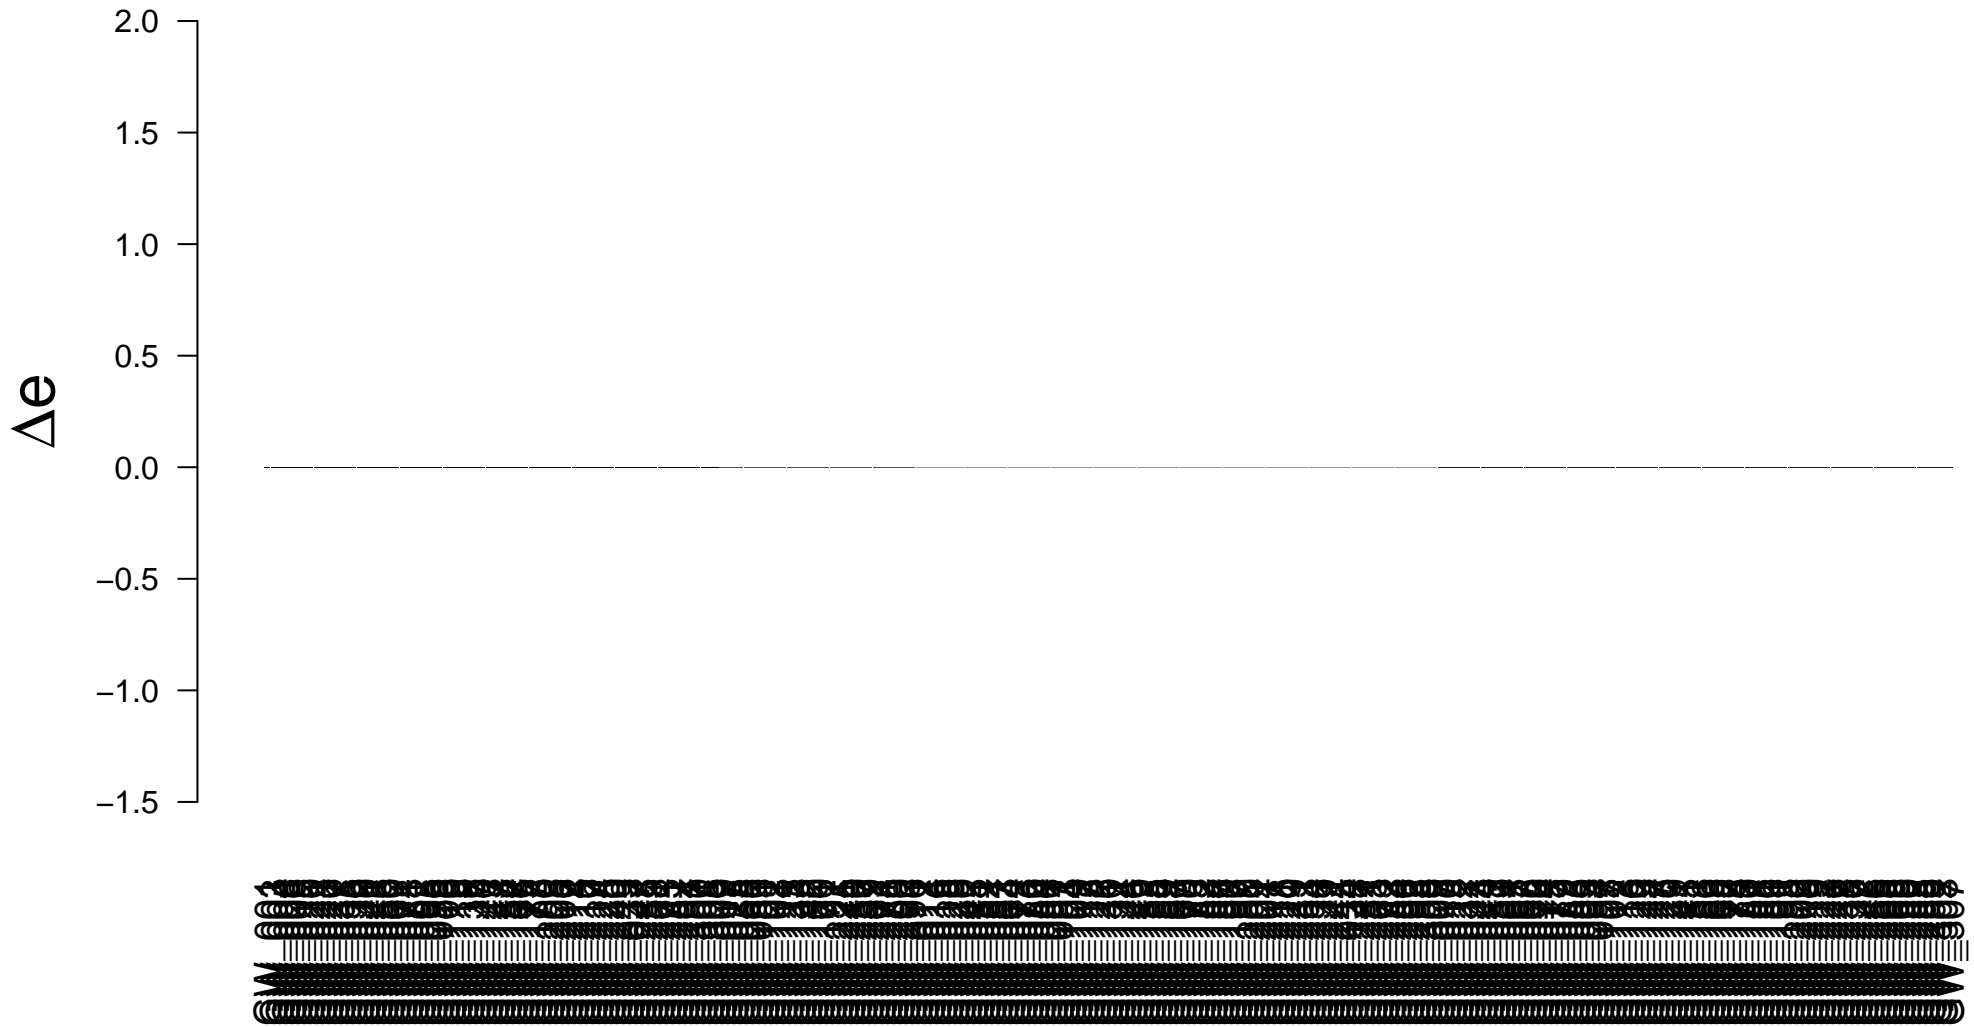

# Expression of synaptic transmission, cholinergic in Spot G

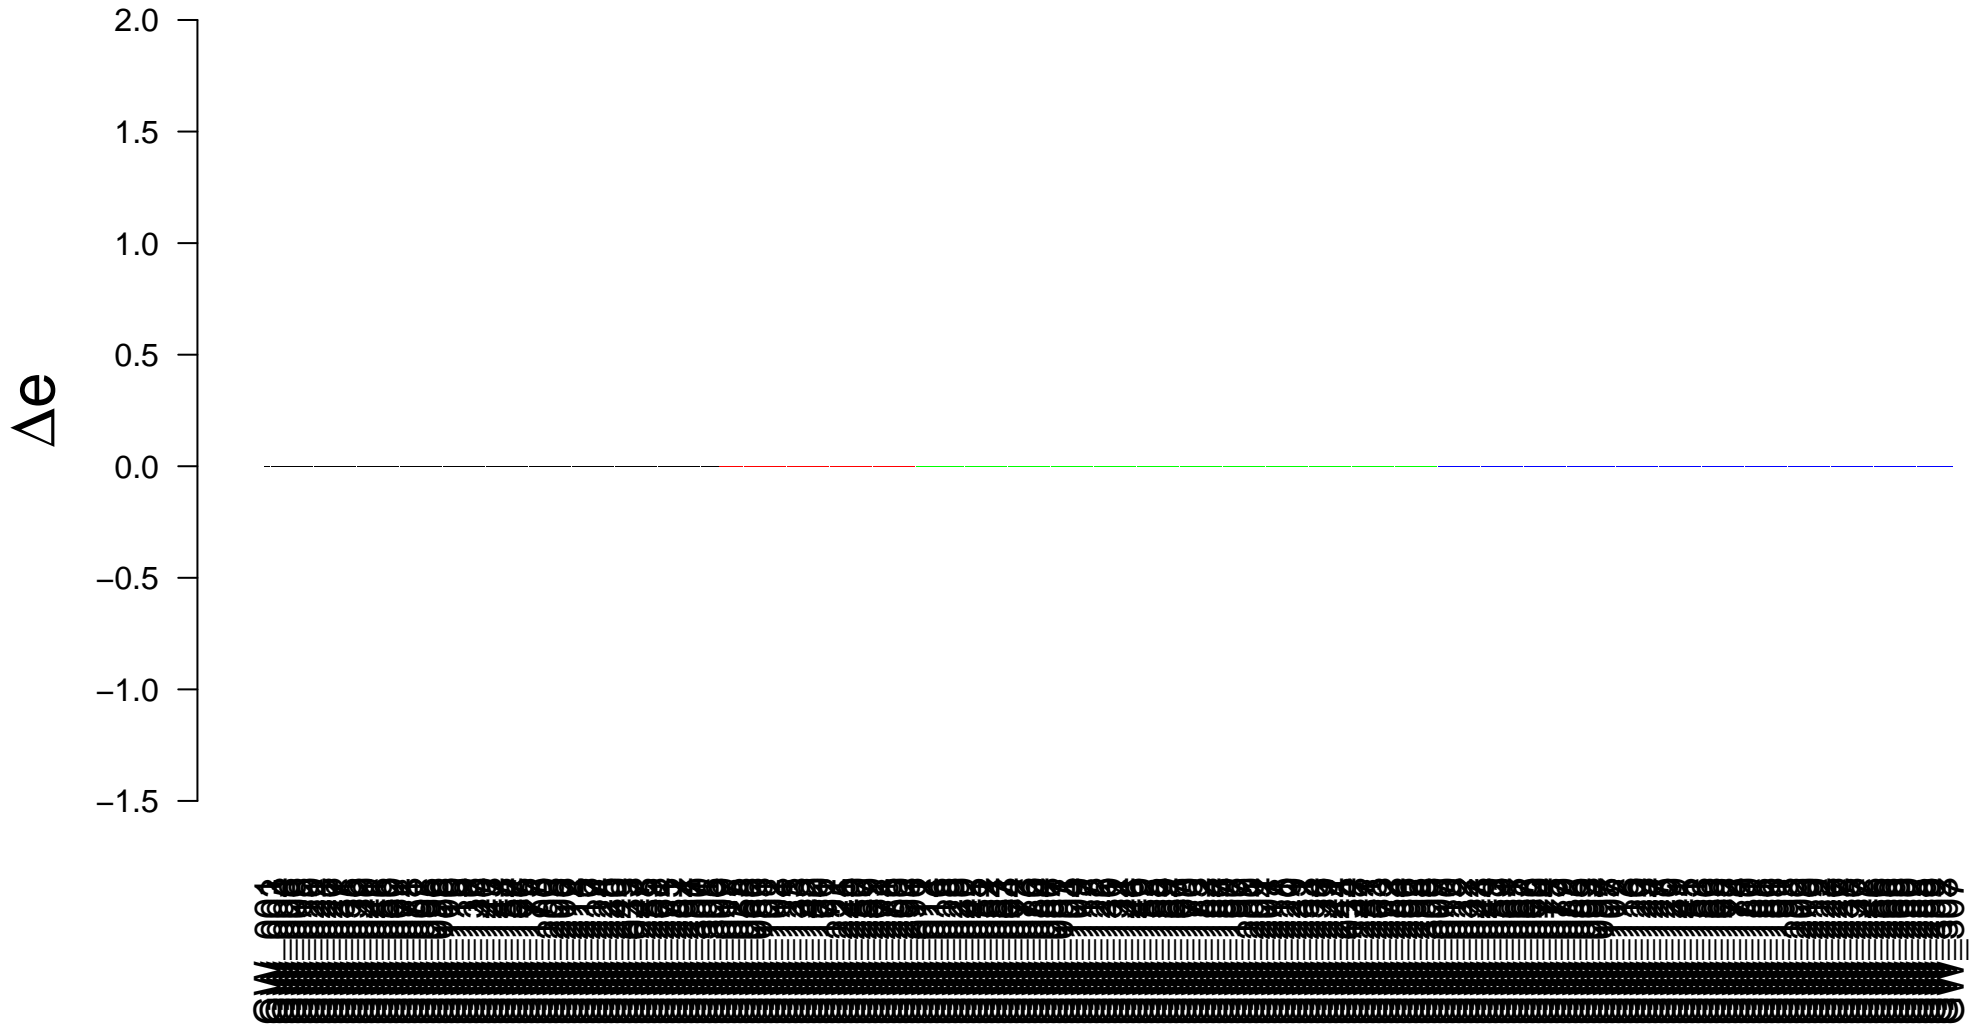

$\Delta e$

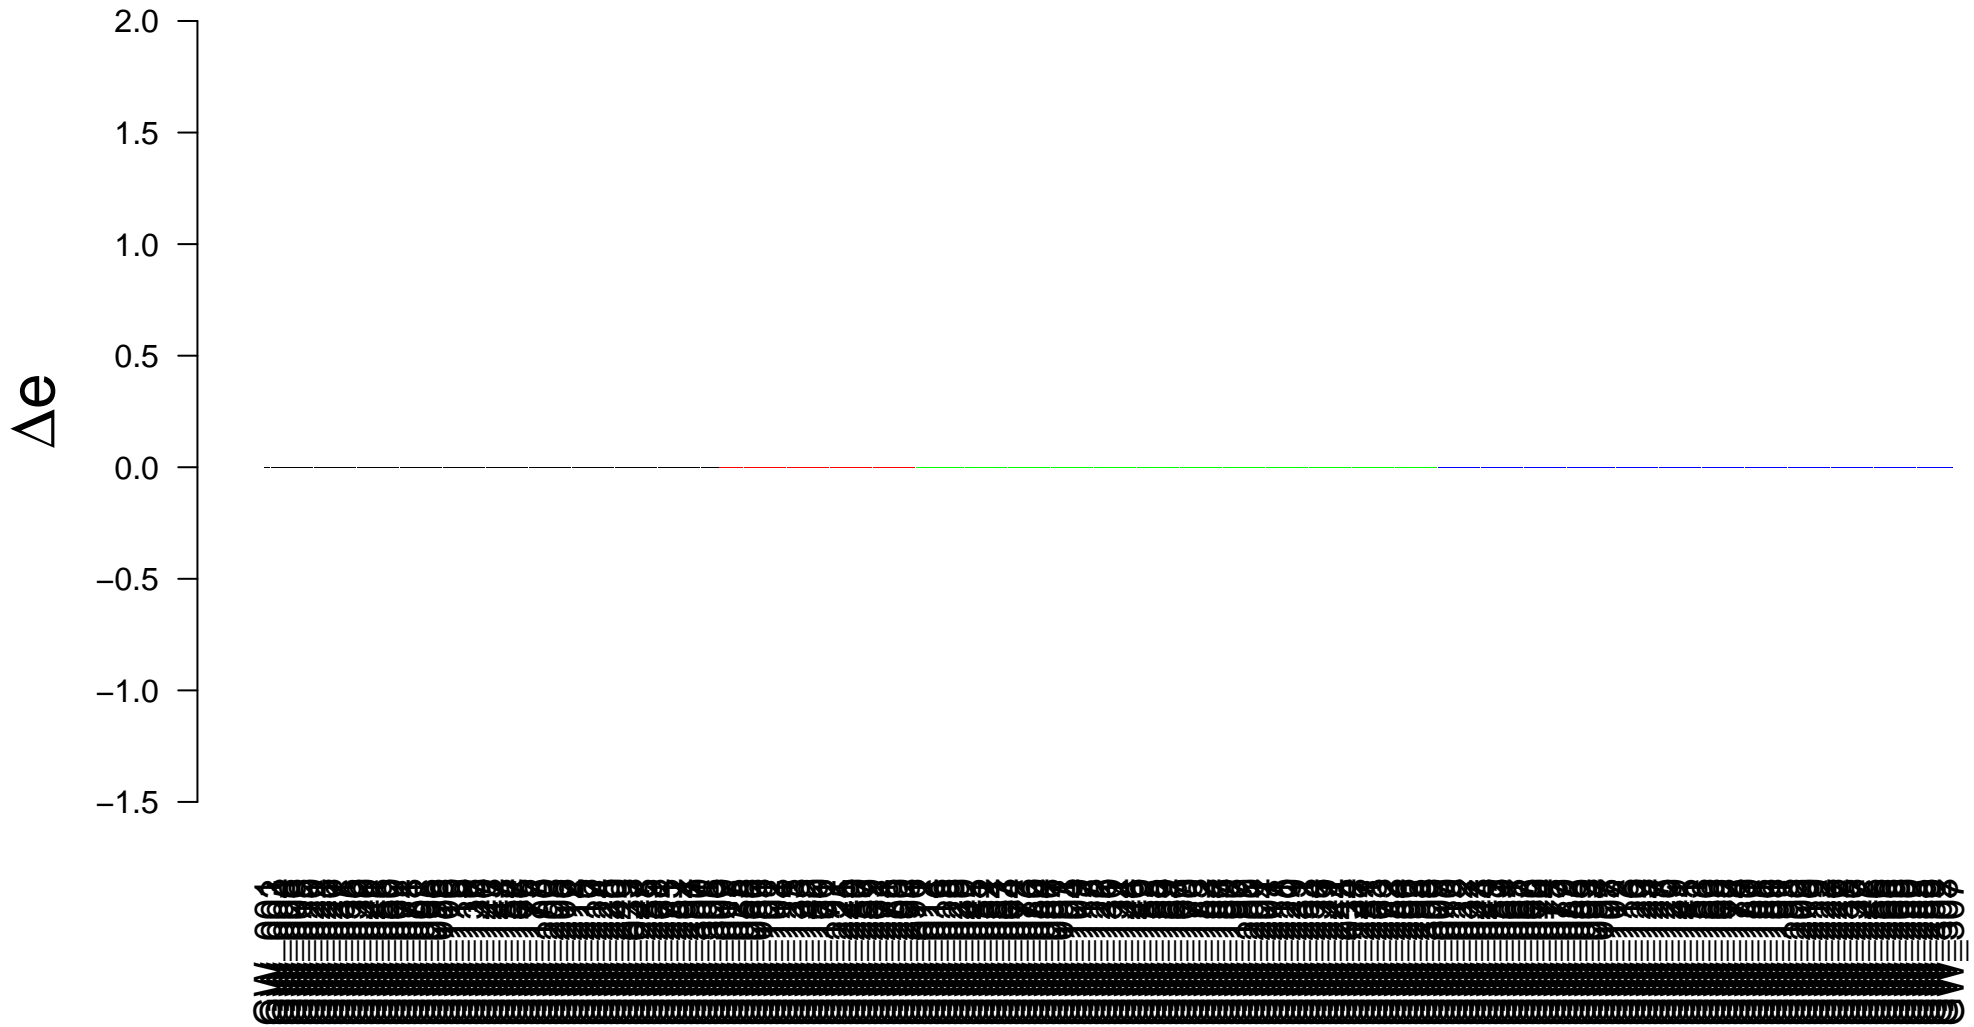

# Expression of synaptic transmission, cholinergic in Spot H

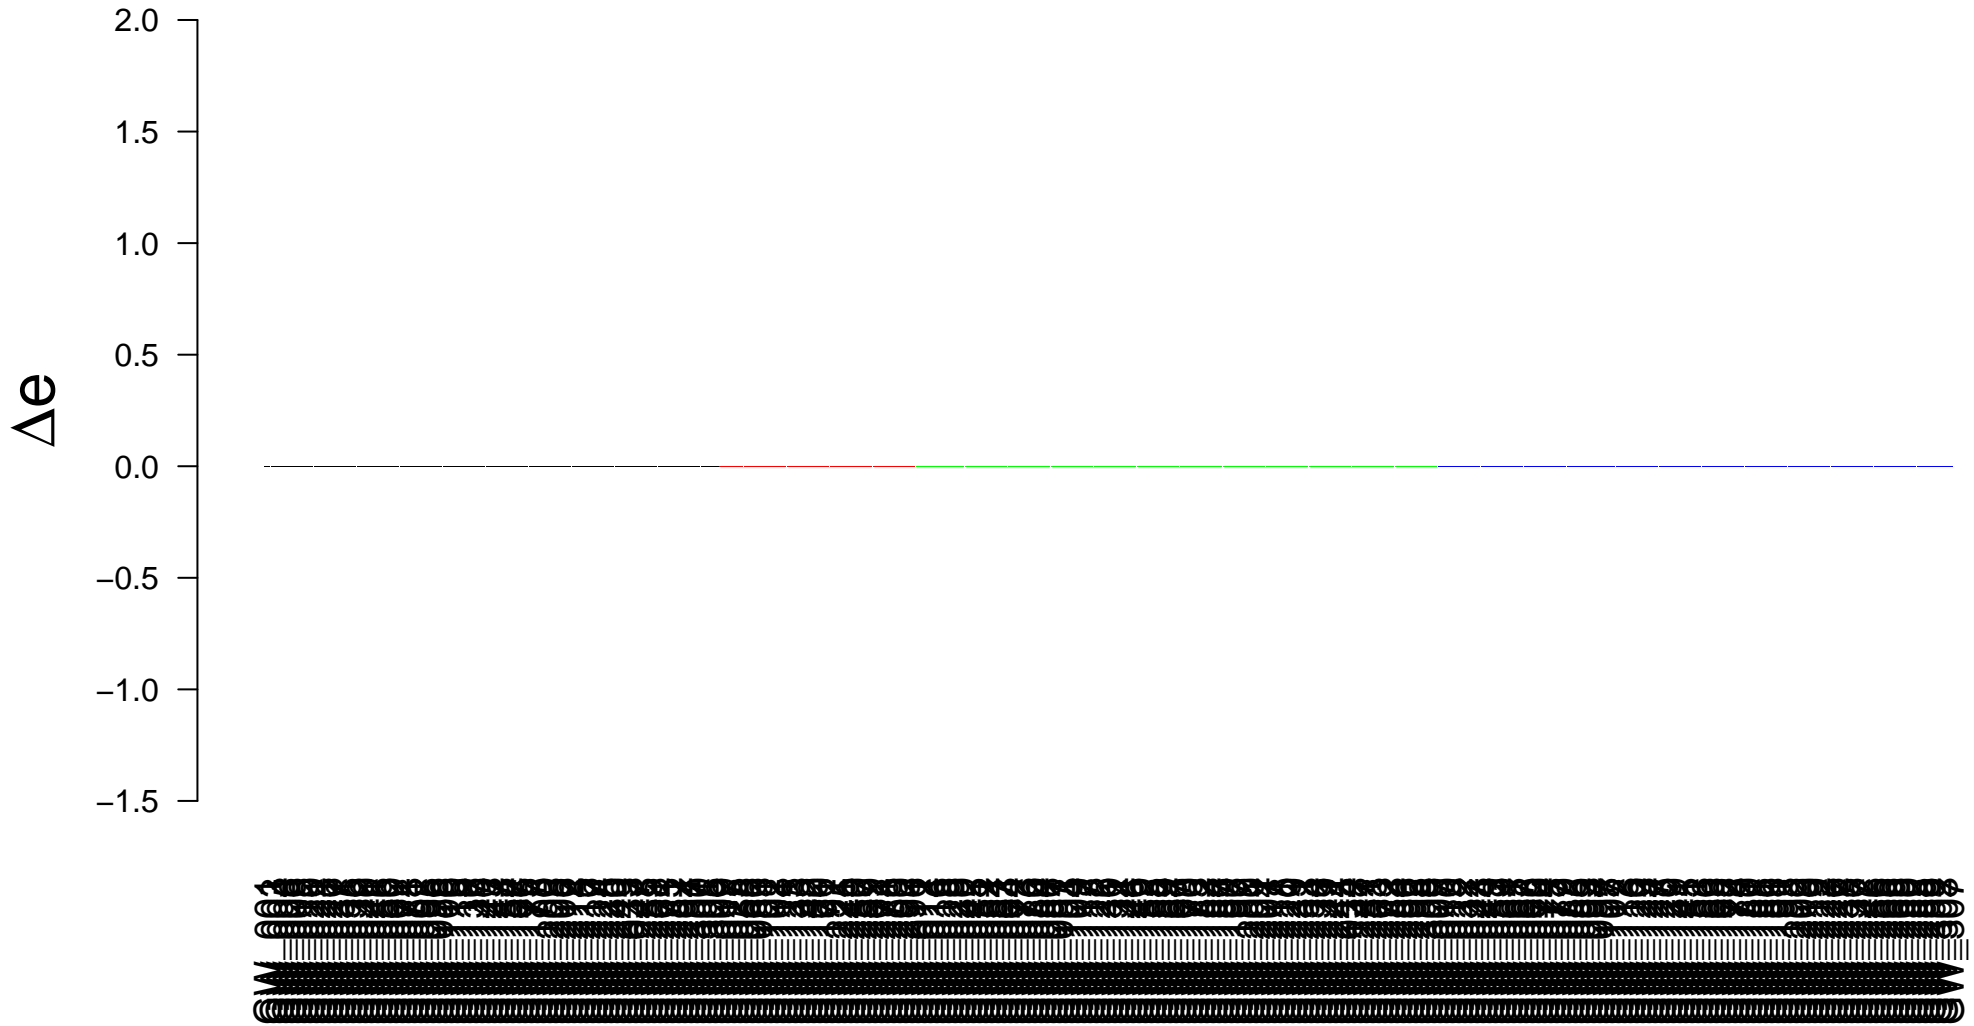

# Expression of synaptic transmission, cholinergic in Spot I

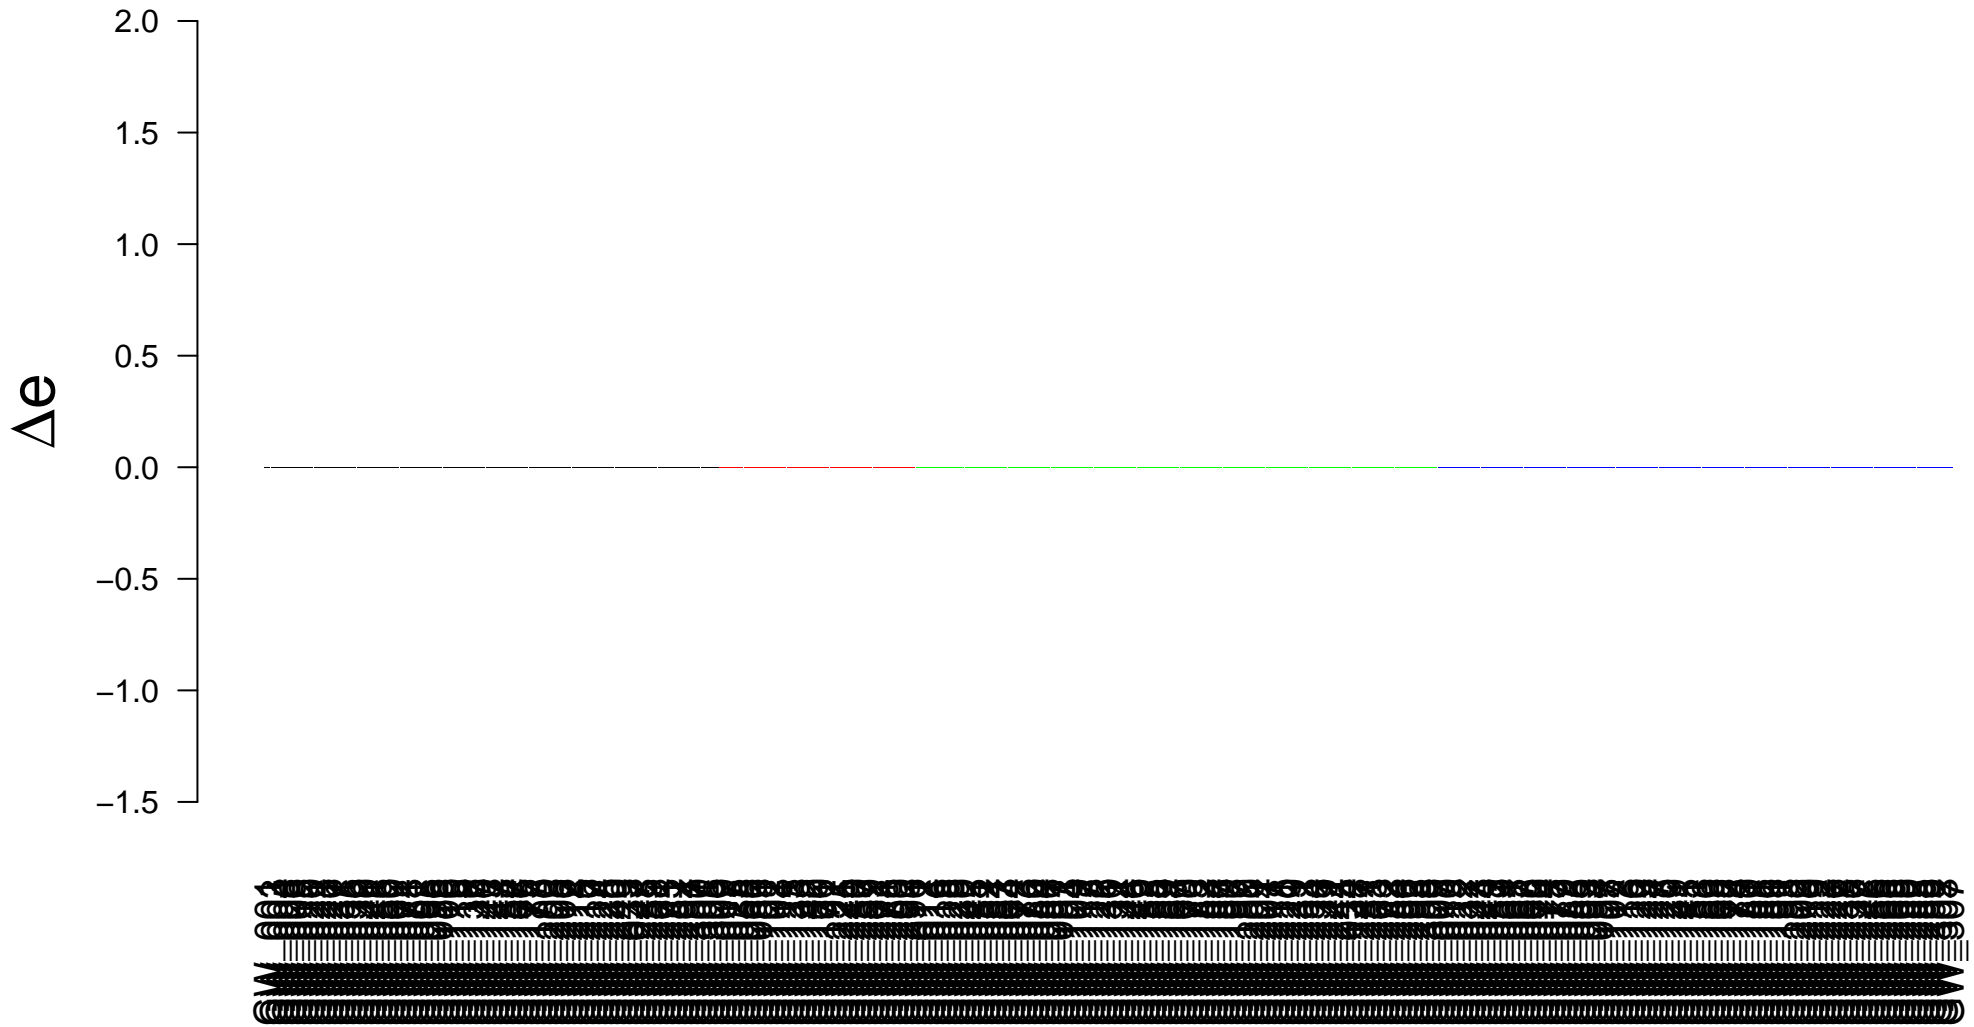

# Expression of synaptic transmission, cholinergic in Spot J

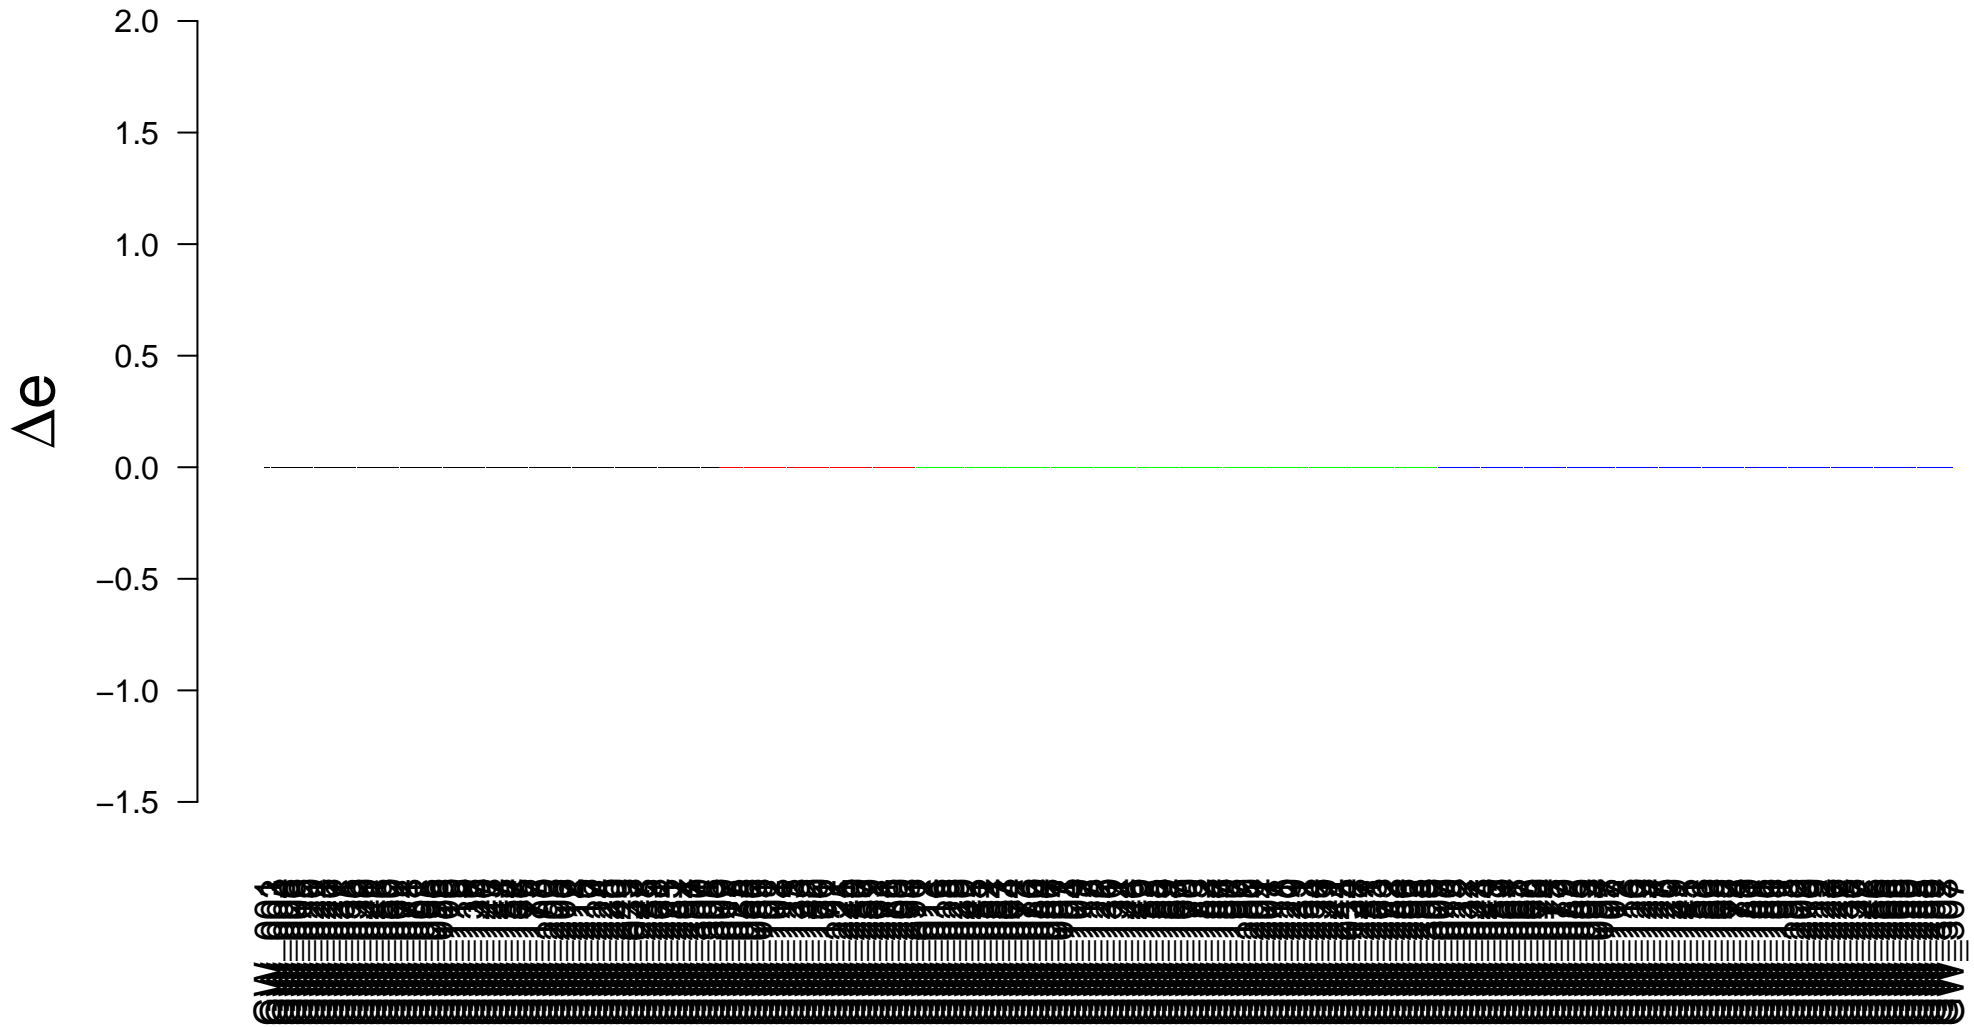

# Expression of synaptic transmission, cholinergic in Spot K

# Expression of synaptic transmission, cholinergic in Spot L

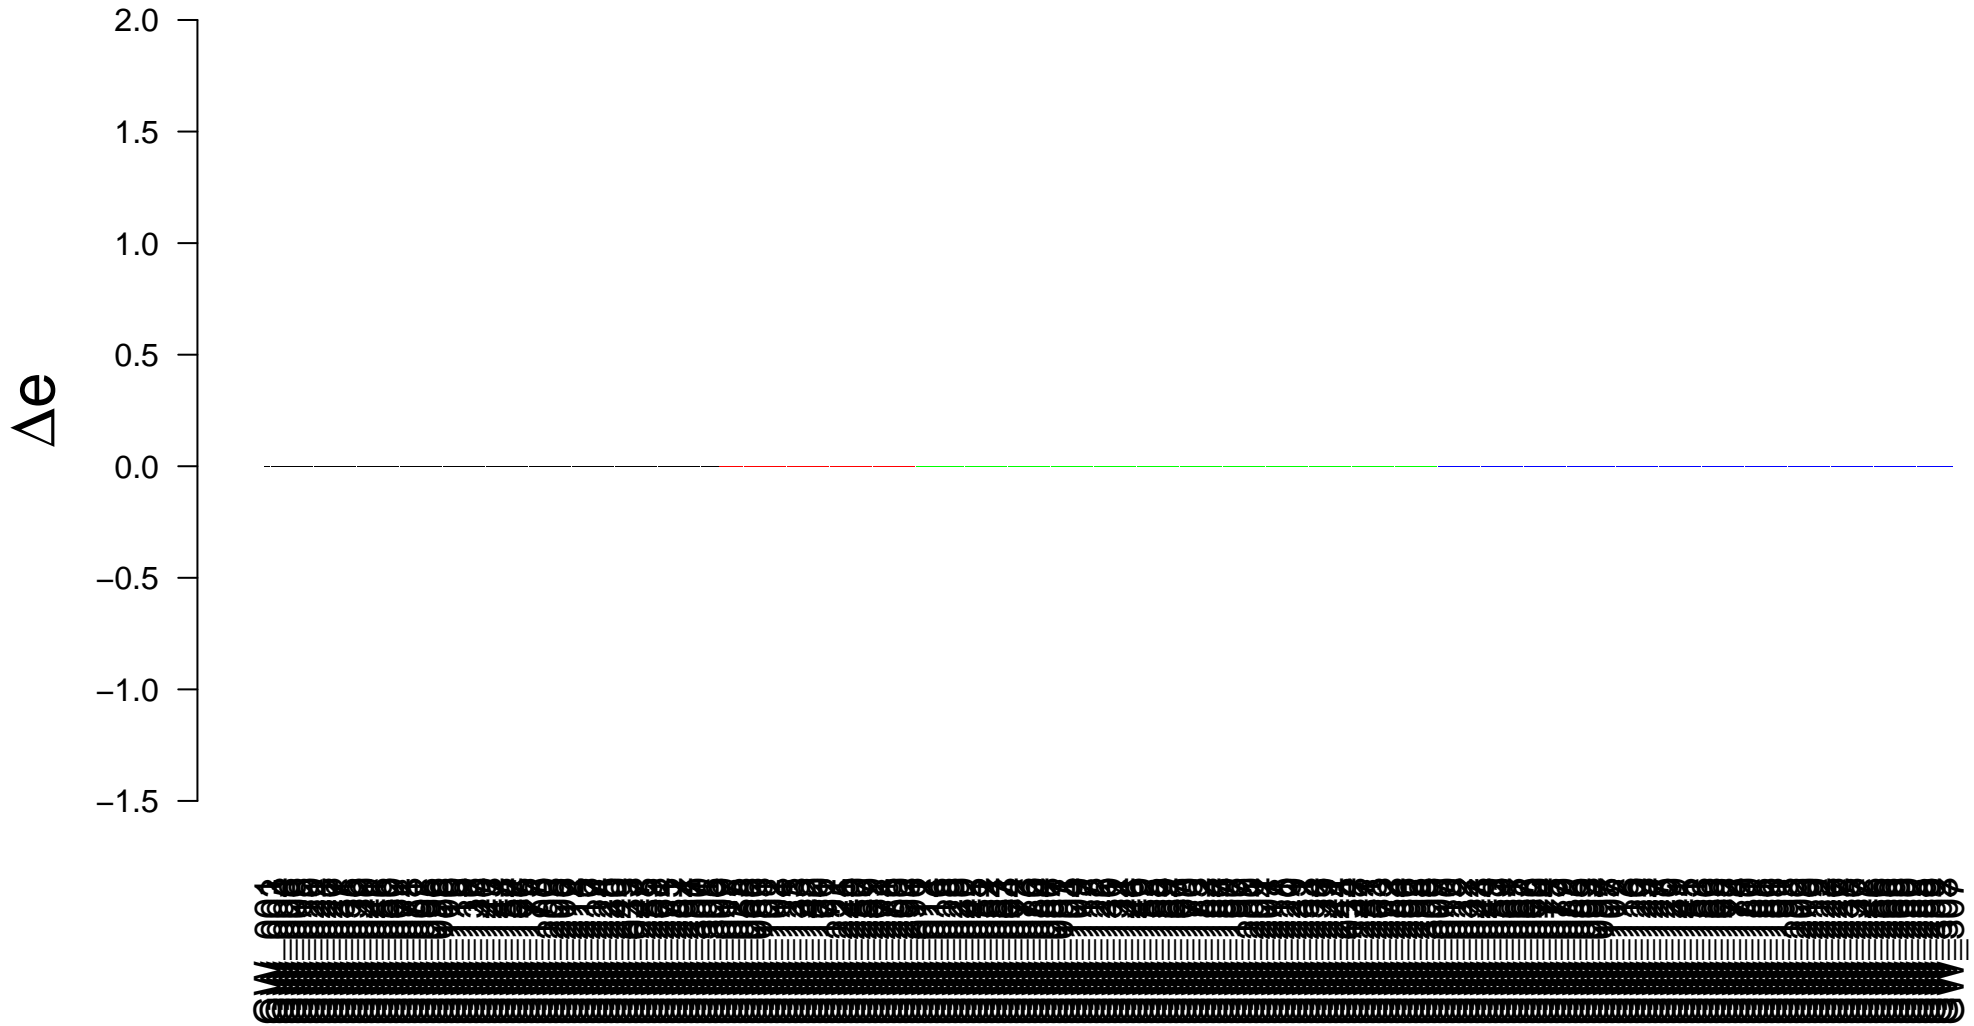

# Expression of synaptic transmission, cholinergic in Spot M

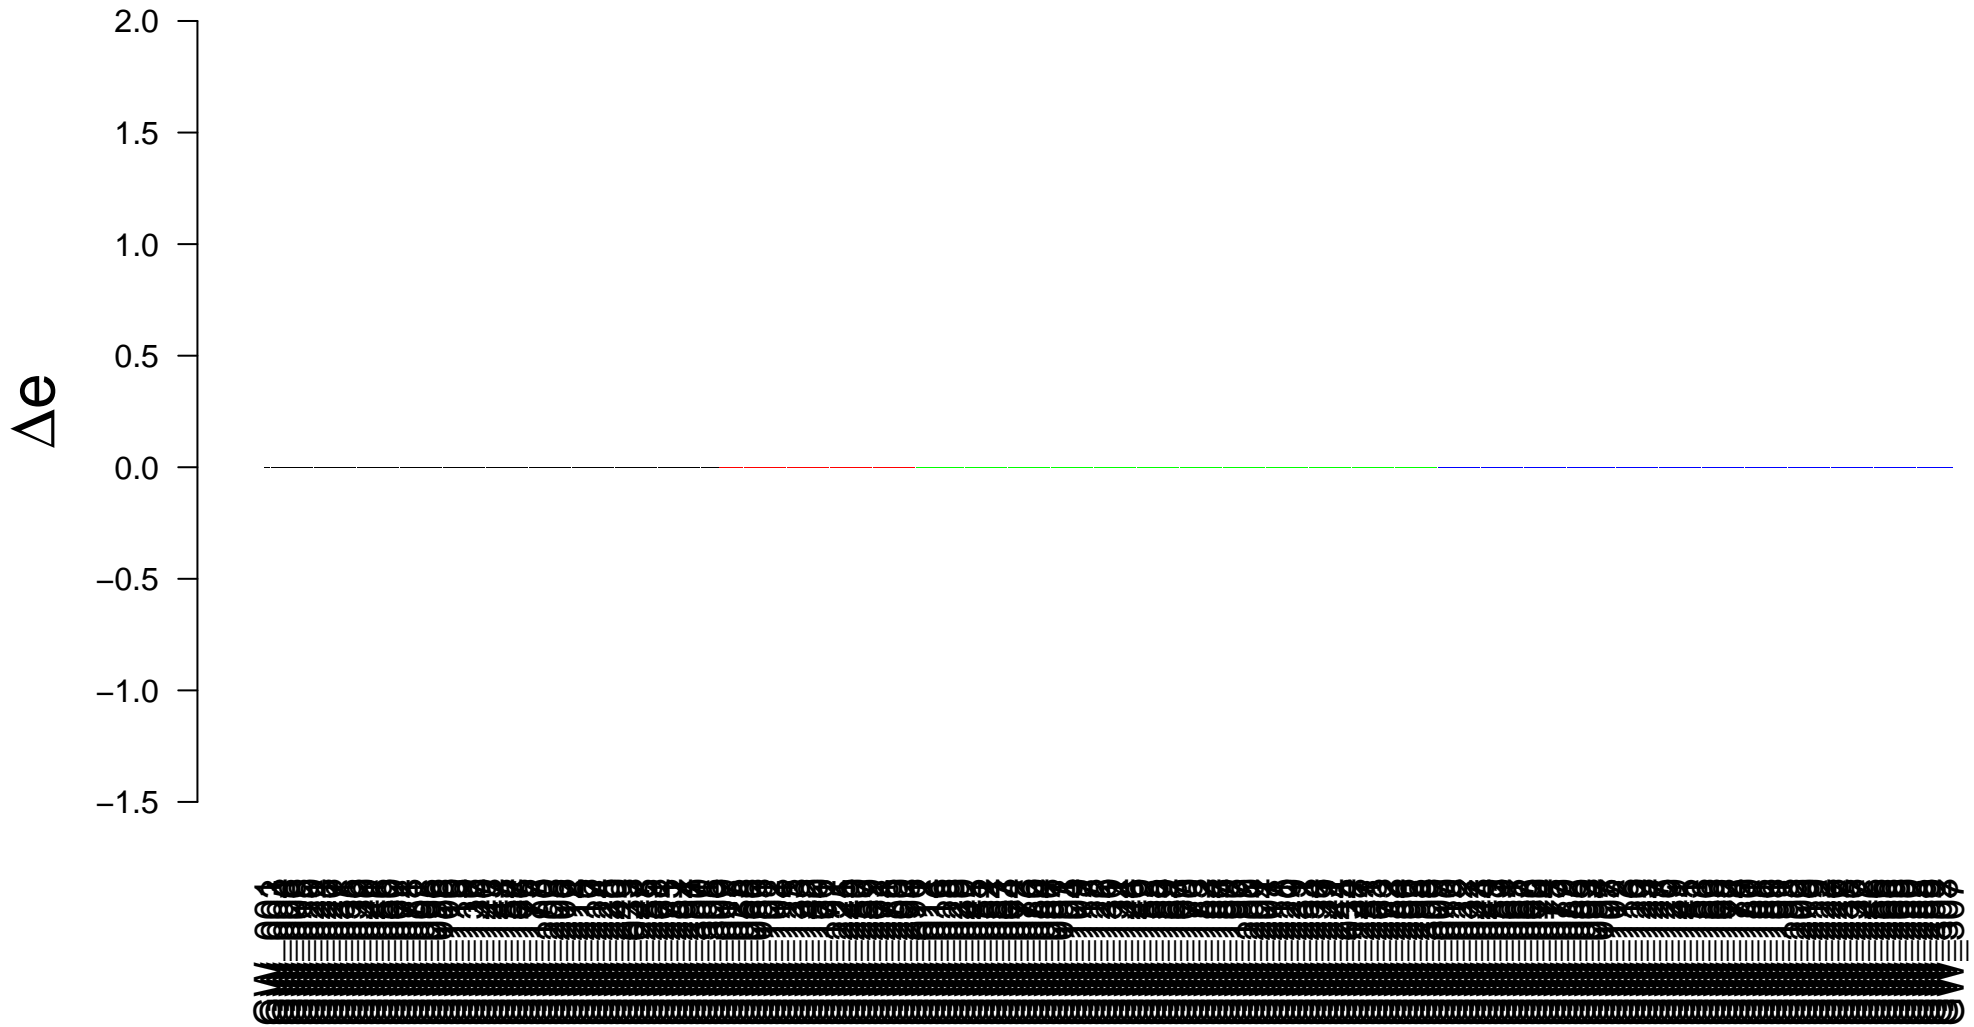

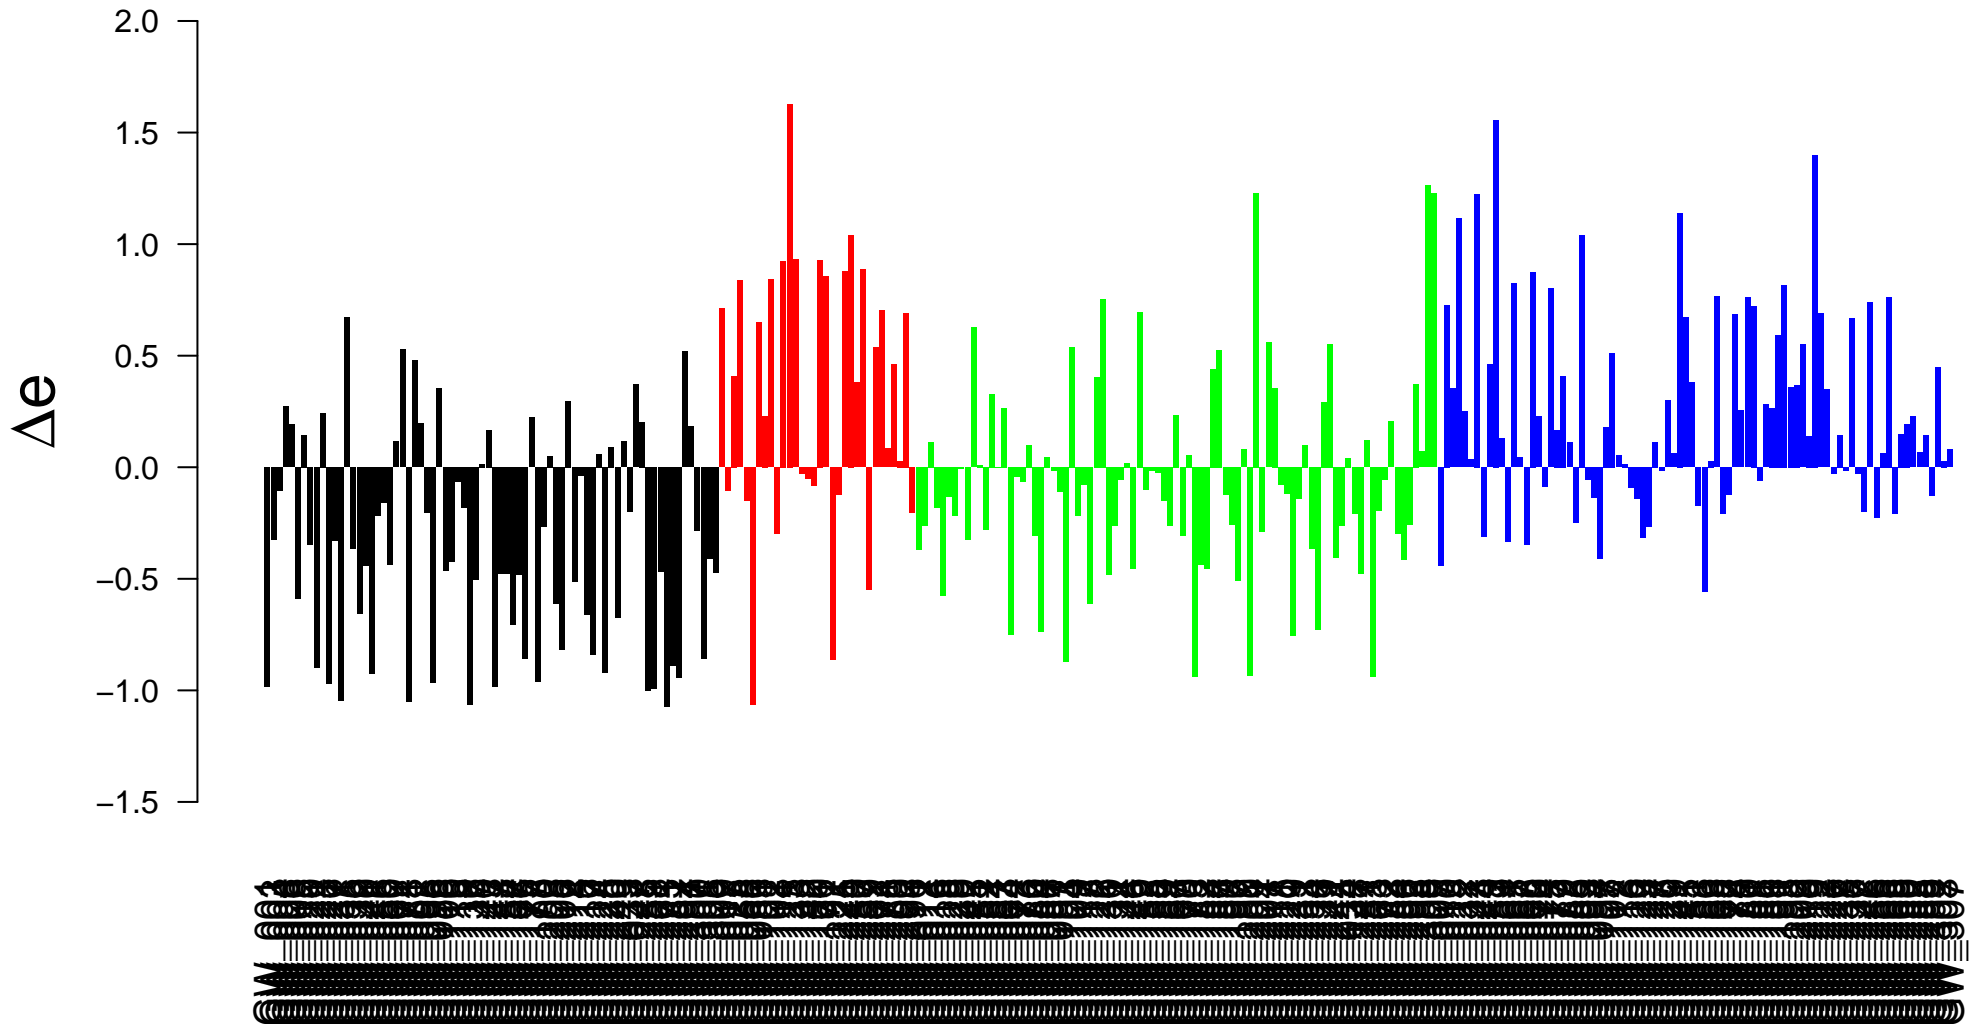

# Expression of synaptic transmission, cholinergic in Spot N

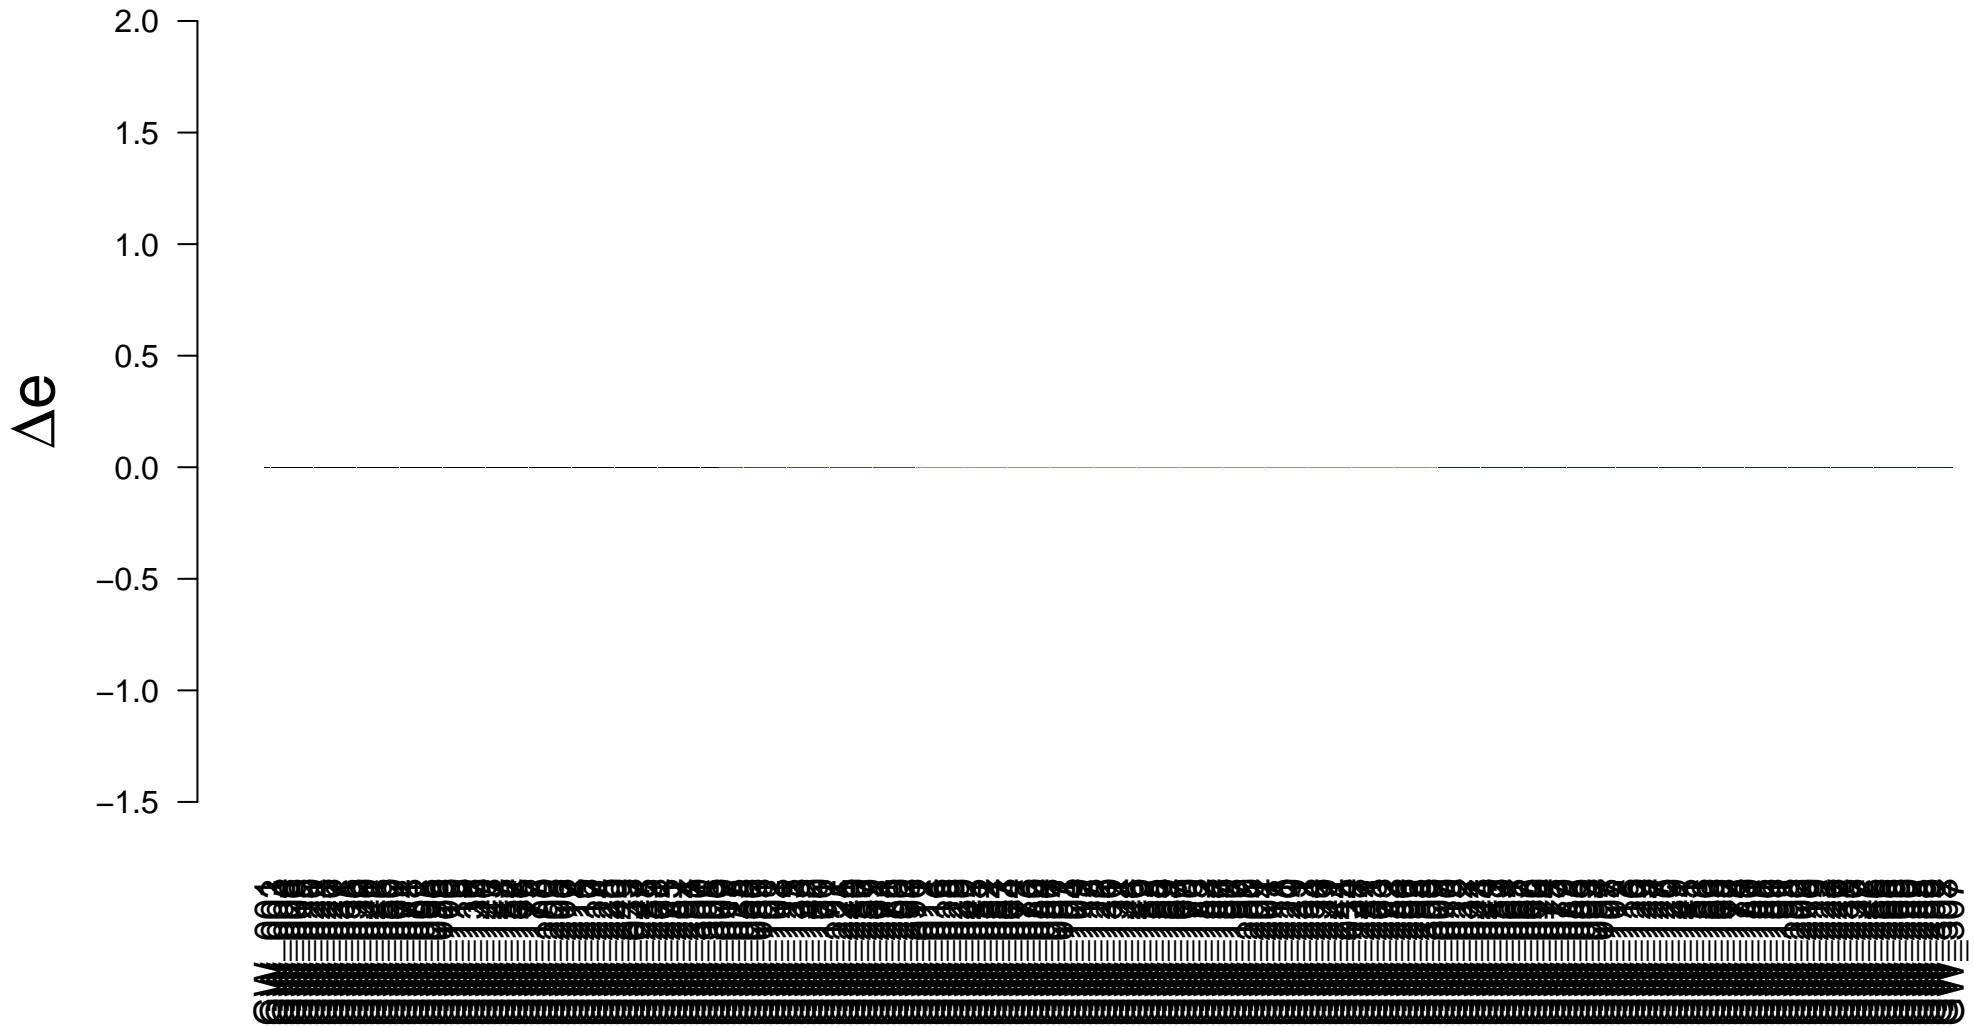

# Expression of synaptic transmission, cholinergic in Spot O

# Expression of synaptic transmission, cholinergic in Spot P

# Expression of synaptic transmission, cholinergic in Spot Q

# Expression of synaptic transmission, cholinergic in Spot R
