

synaptic transmission, dopaminergic

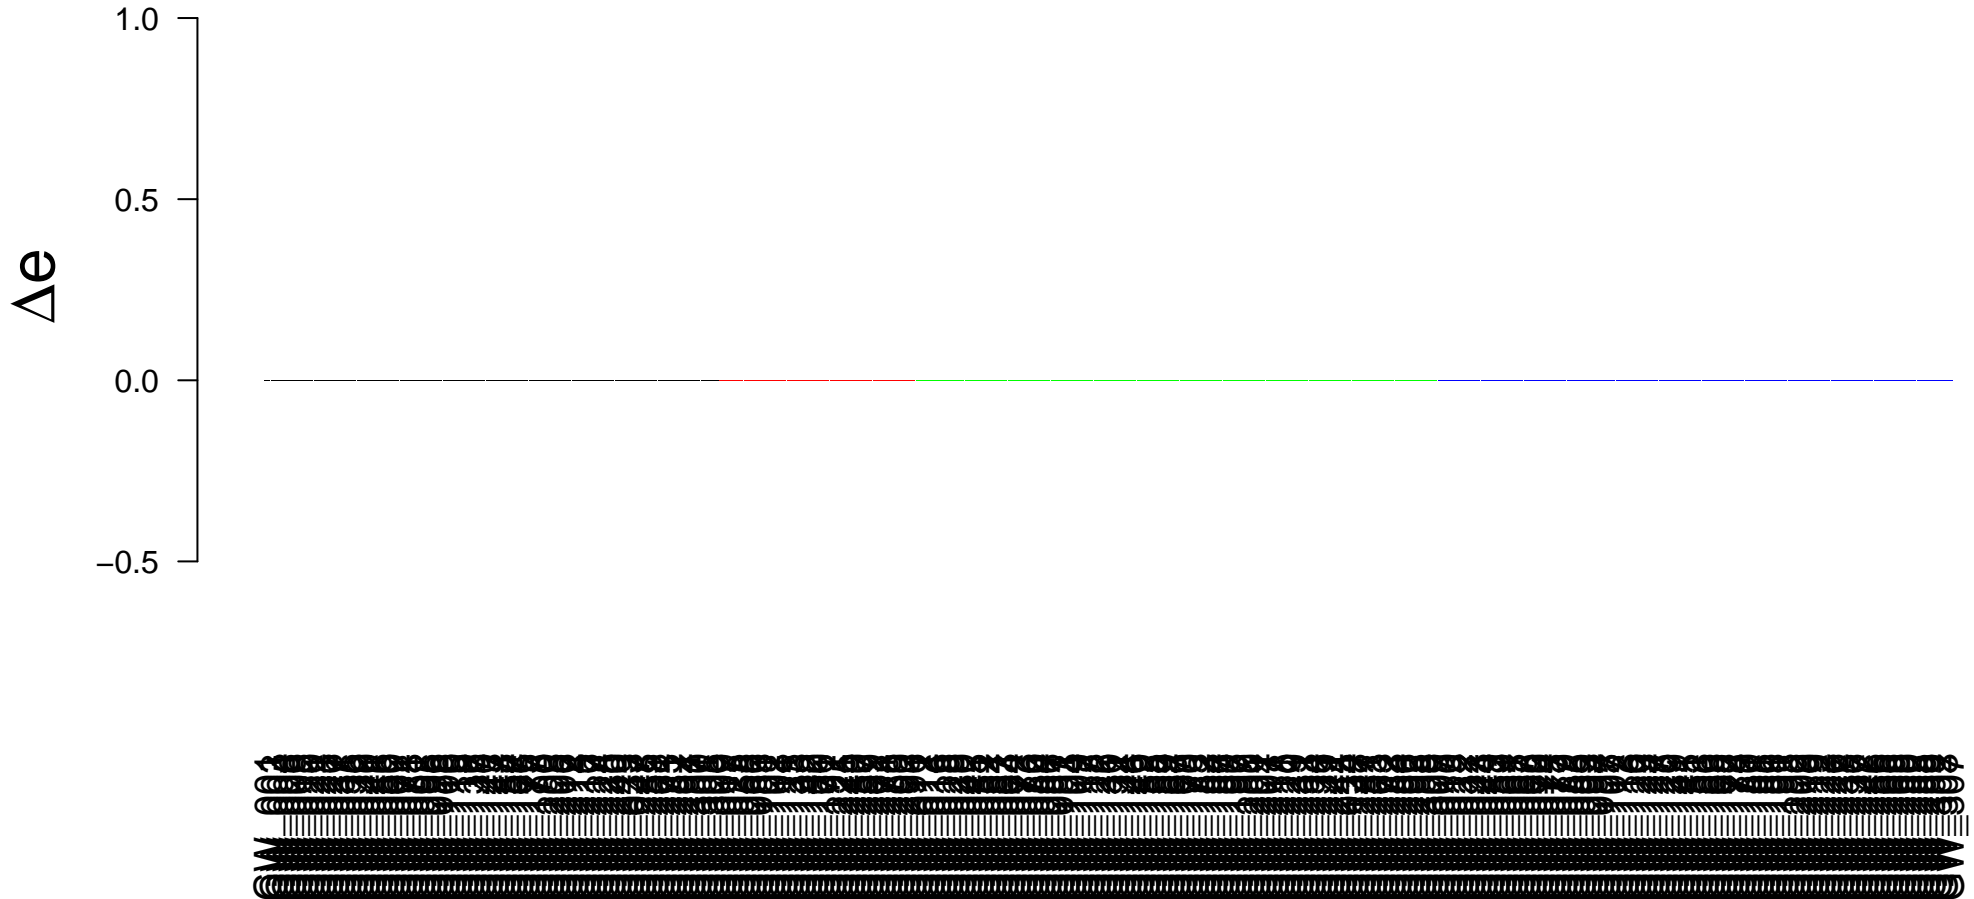

synaptic transmission, dopaminergic

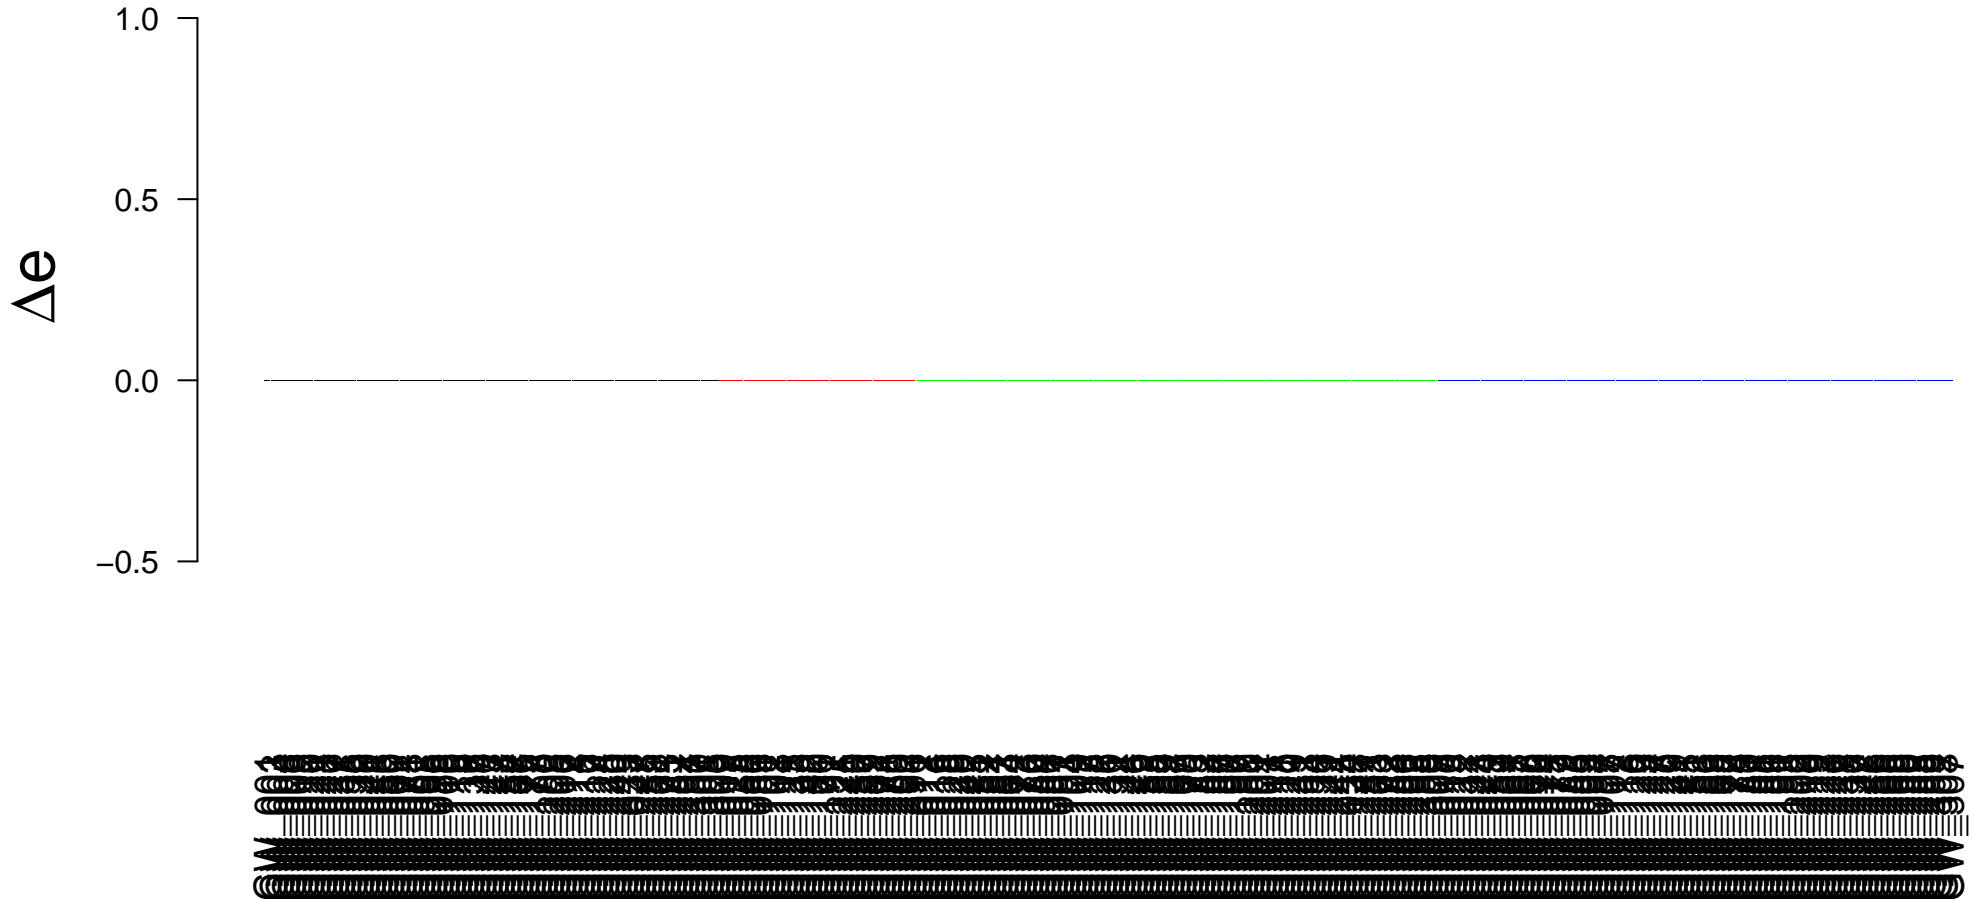

Enrichment in spots: synaptic transmission, dopaminergic

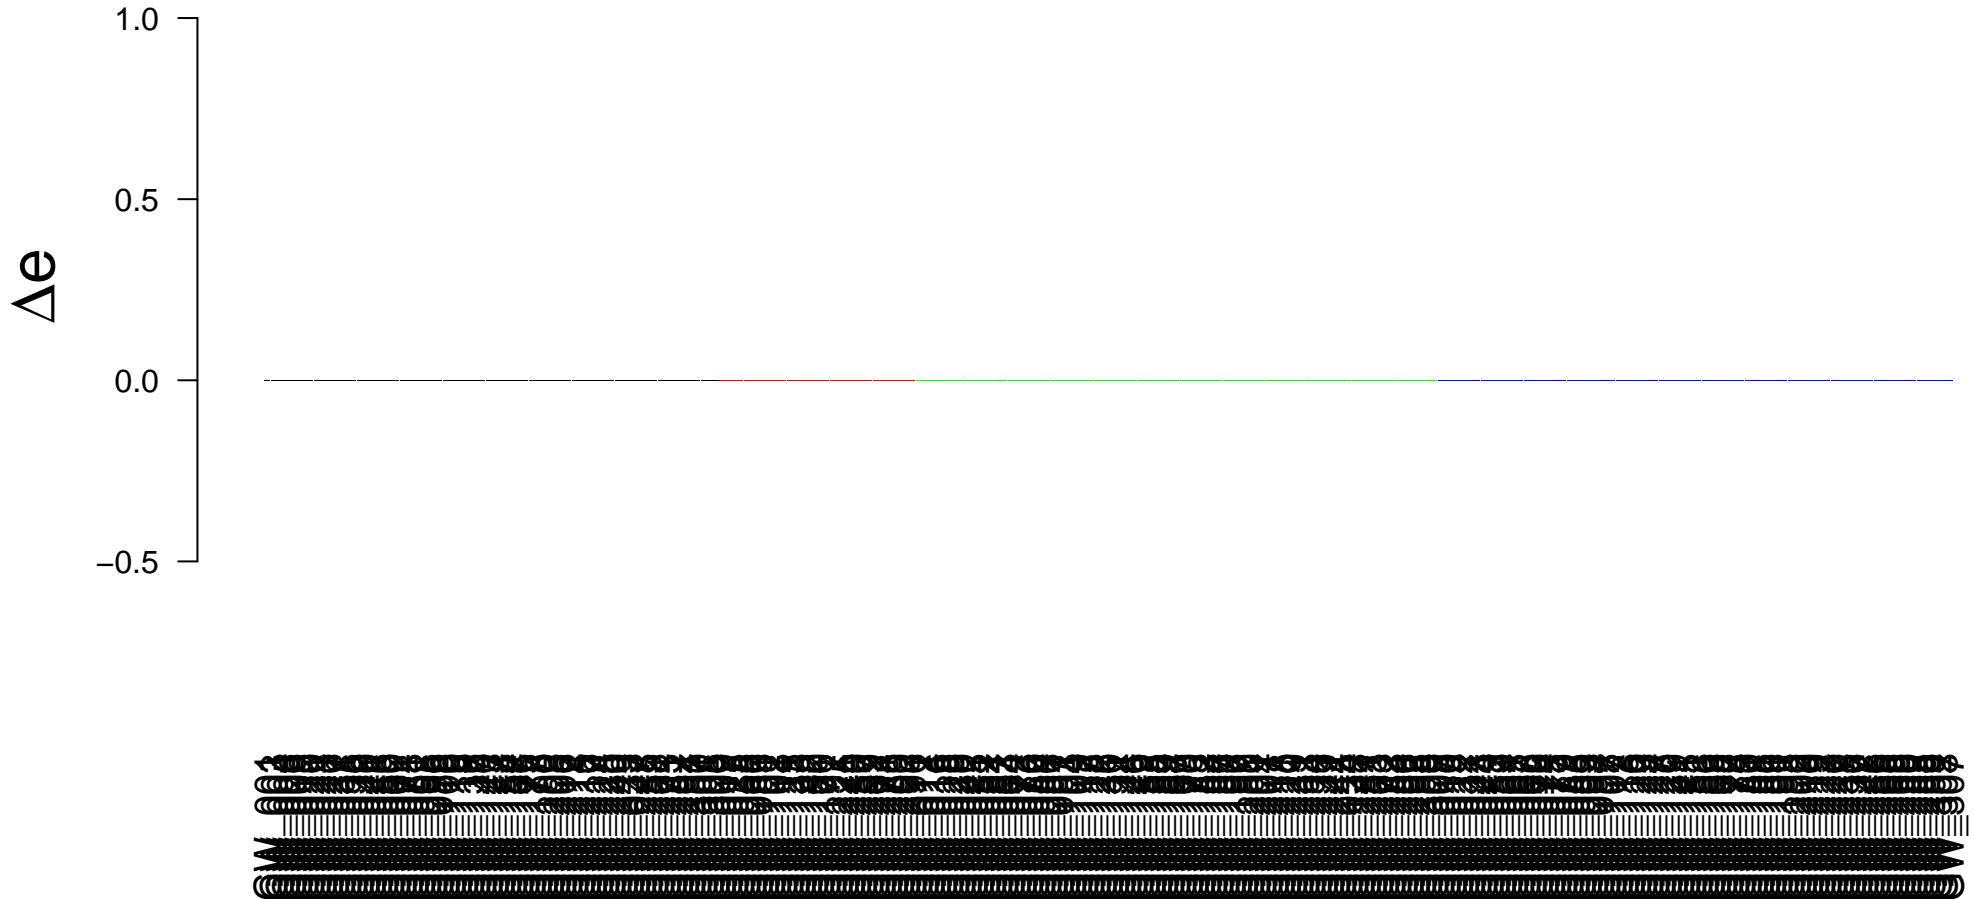

Expression of synaptic transmission, dopaminergic in Spot A

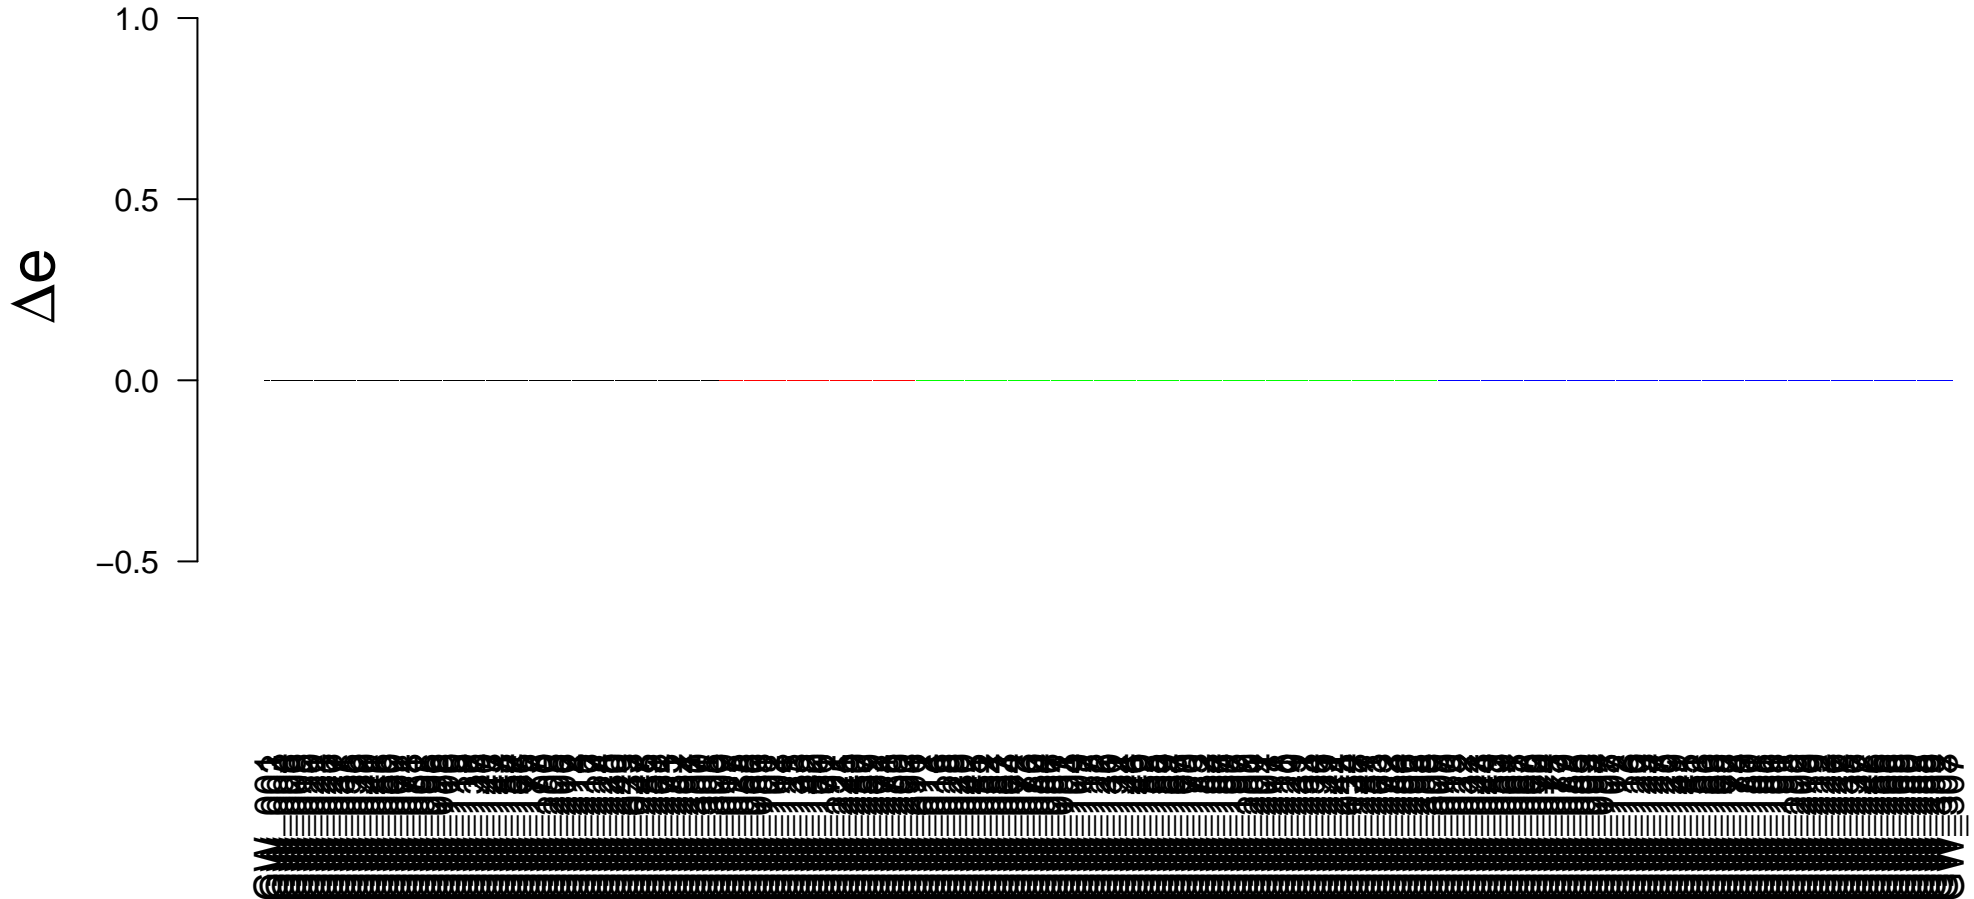

Expression of synaptic transmission, dopaminergic in Spot B

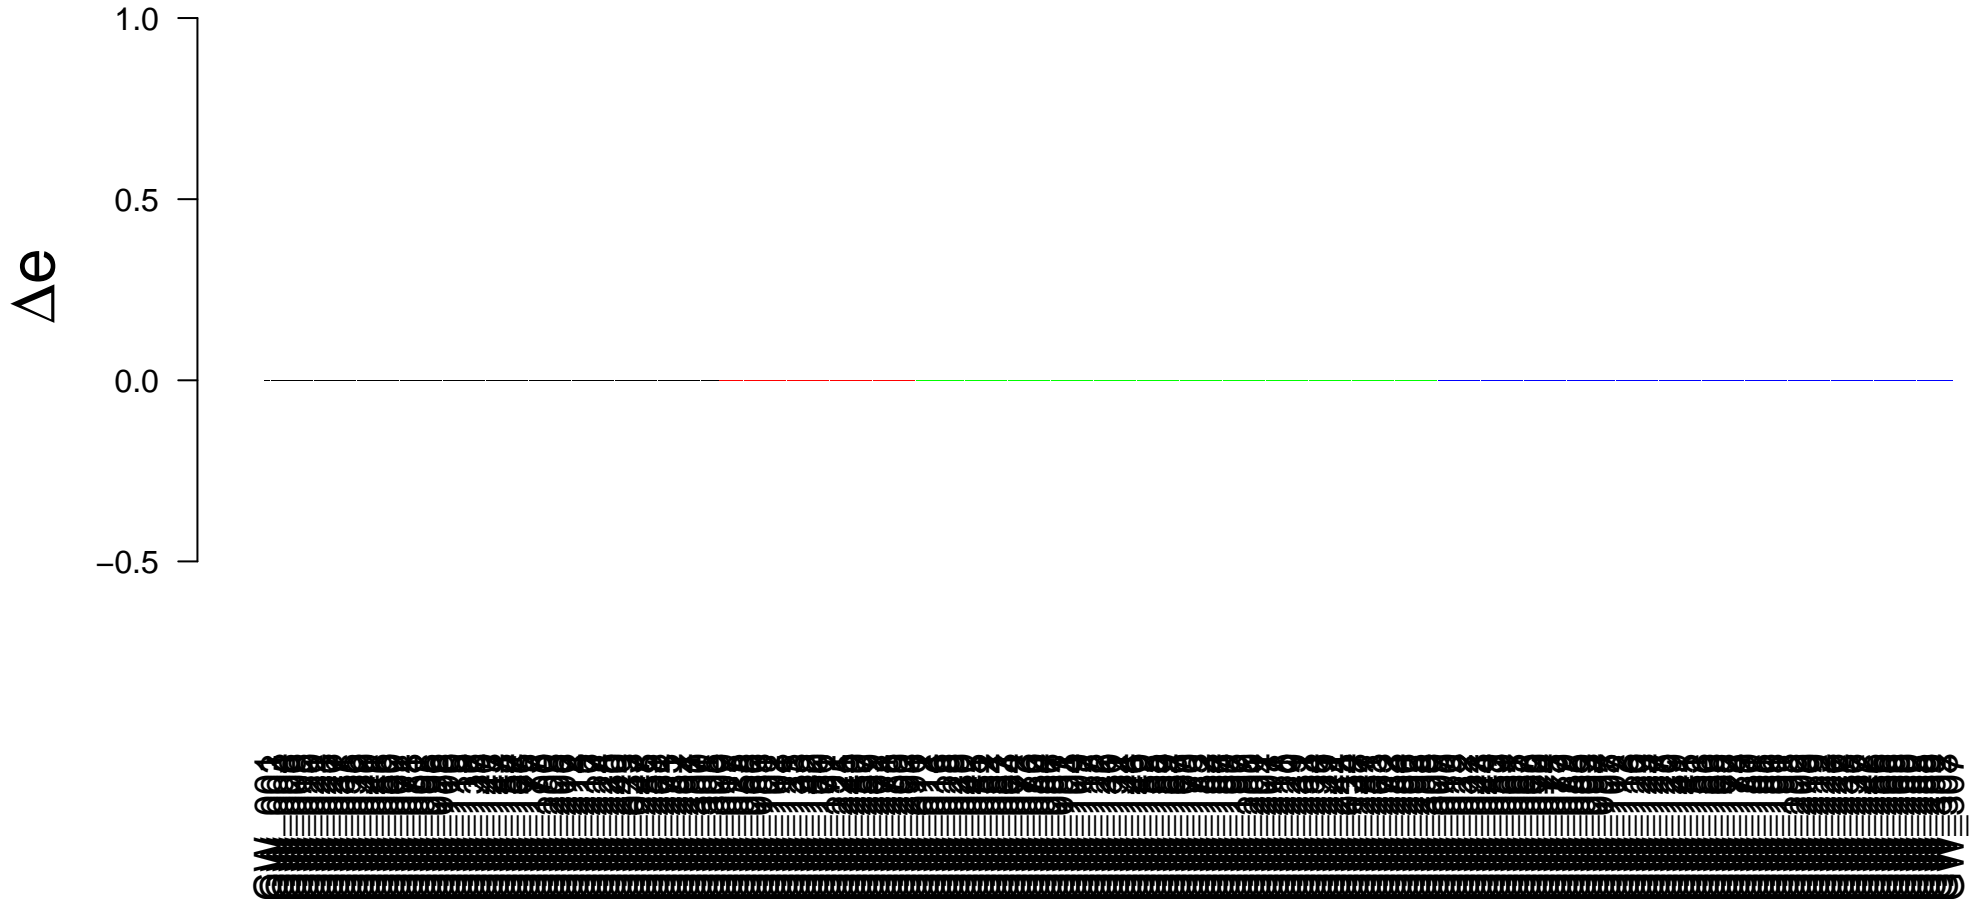

Expression of synaptic transmission, dopaminergic in Spot C

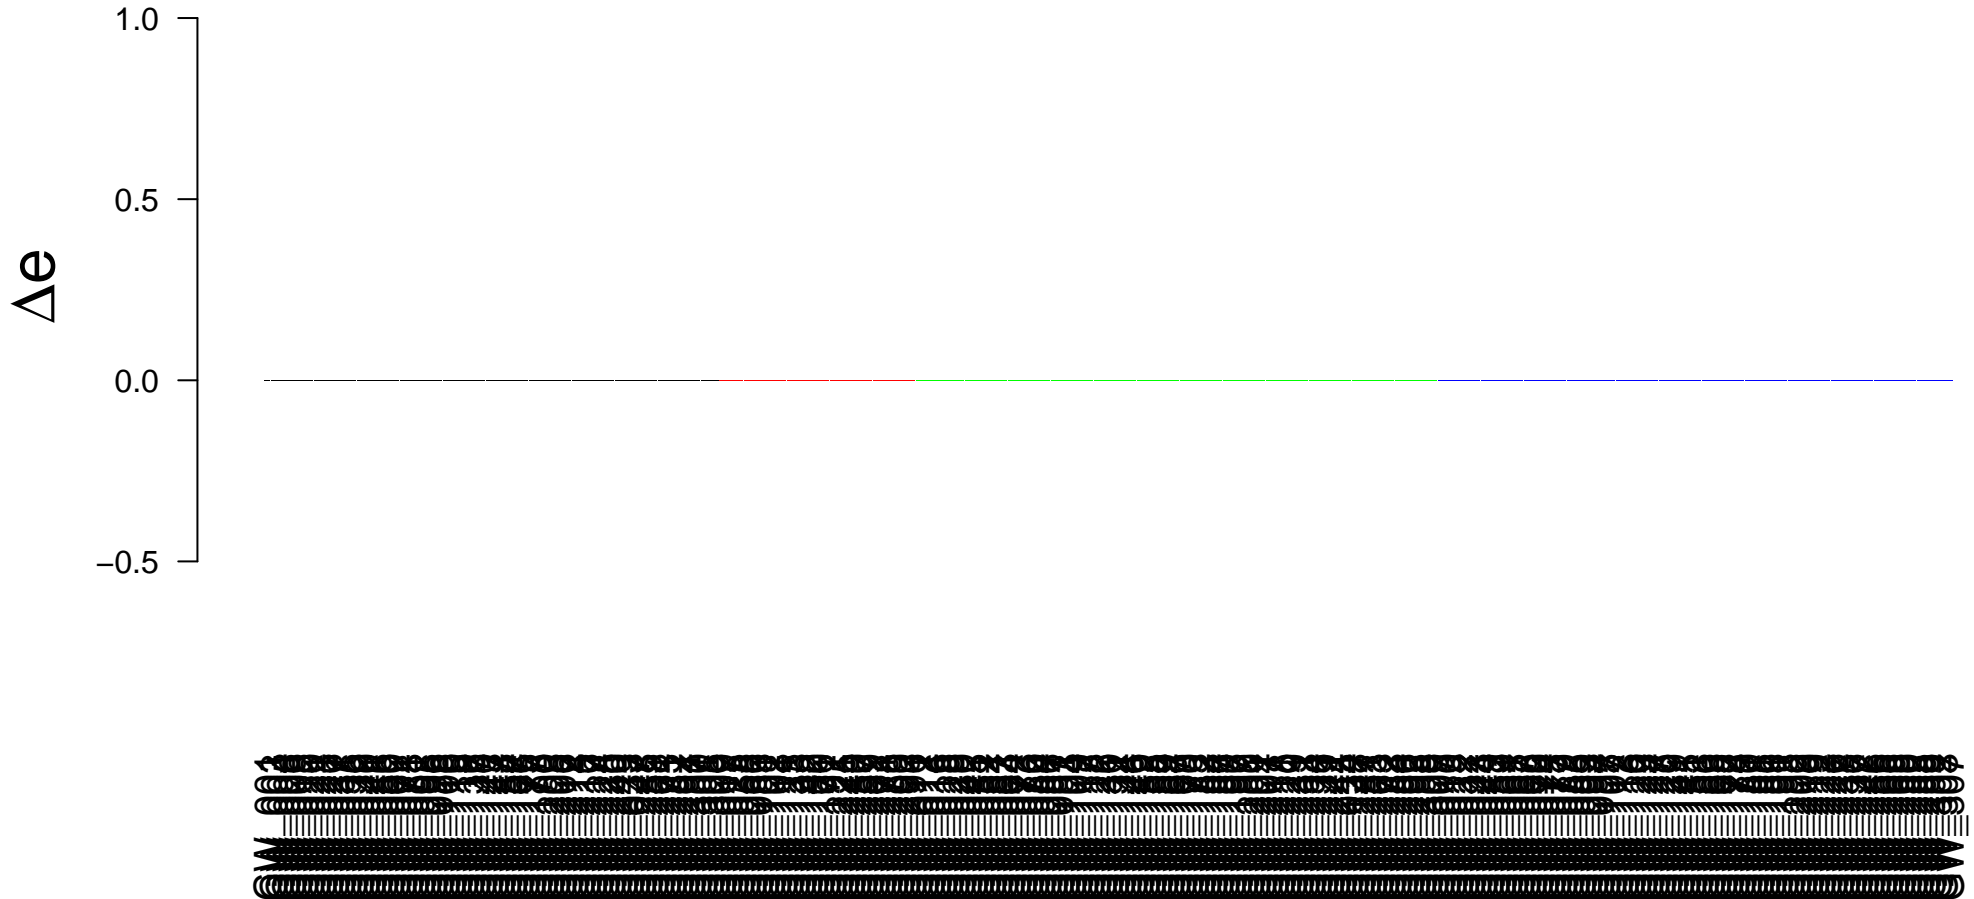

Expression of synaptic transmission, dopaminergic in Spot D

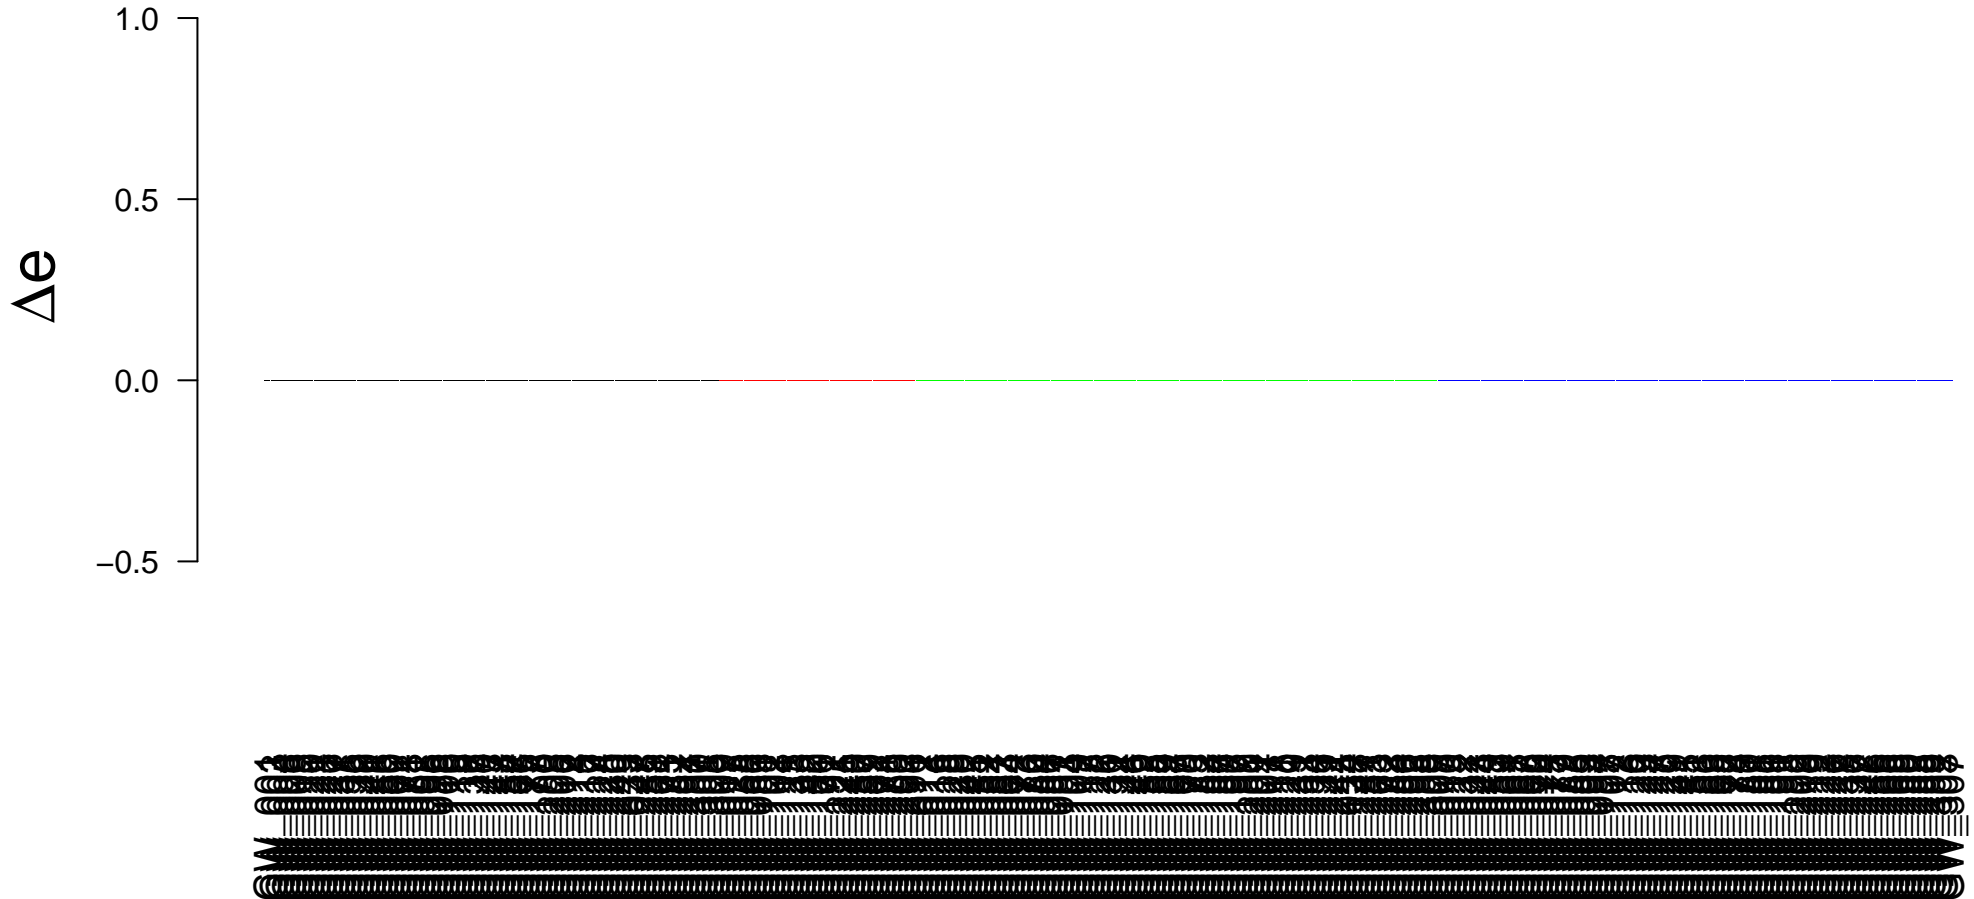

Expression of synaptic transmission, dopaminergic in Spot E

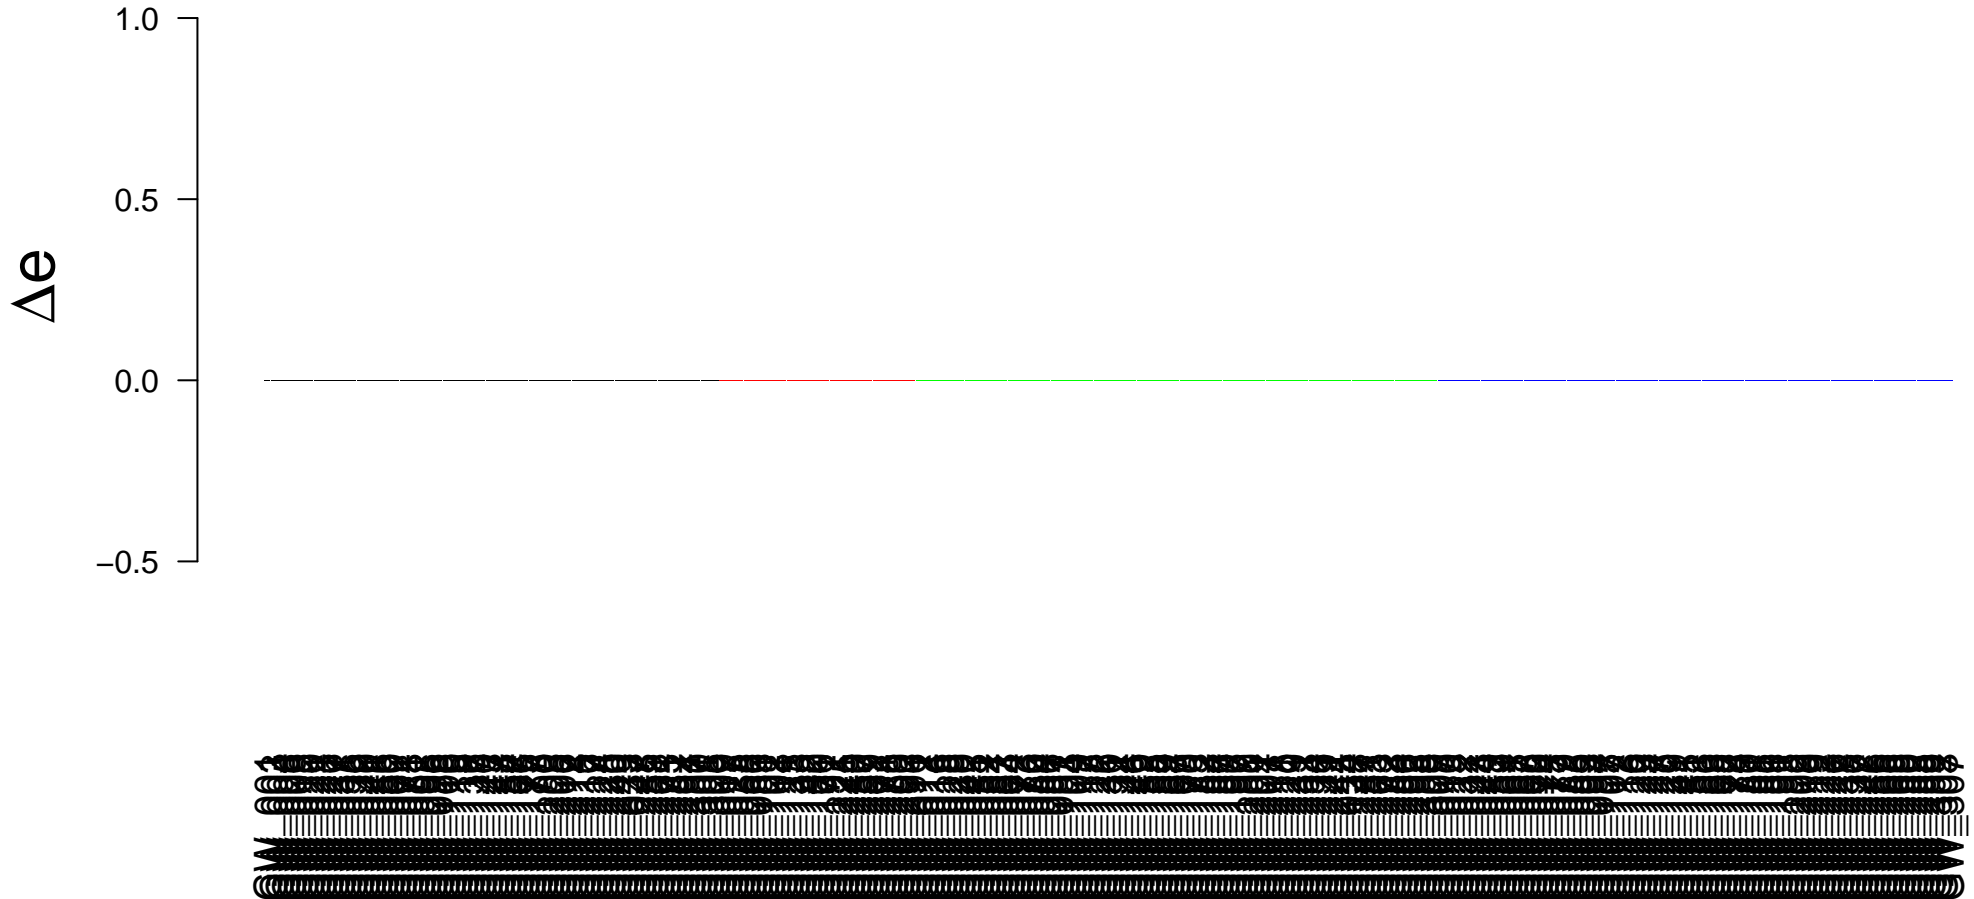

Expression of synaptic transmission, dopaminergic in Spot F

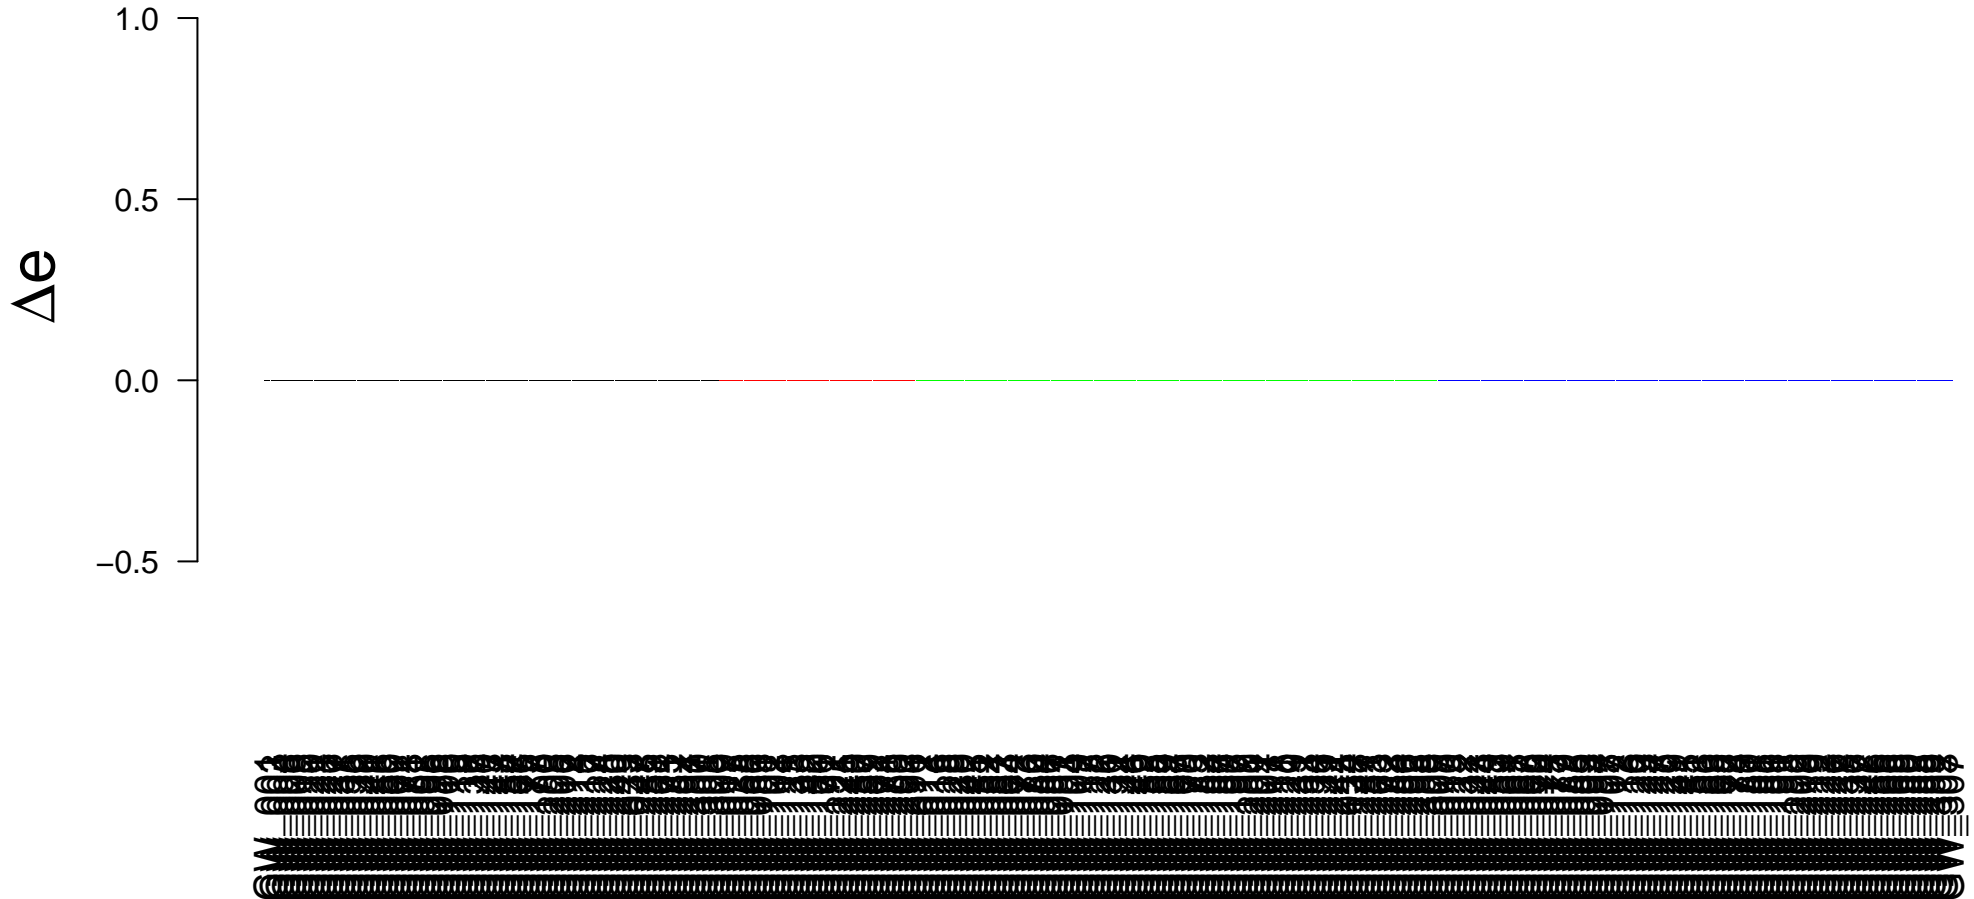

Expression of synaptic transmission, dopaminergic in Spot G

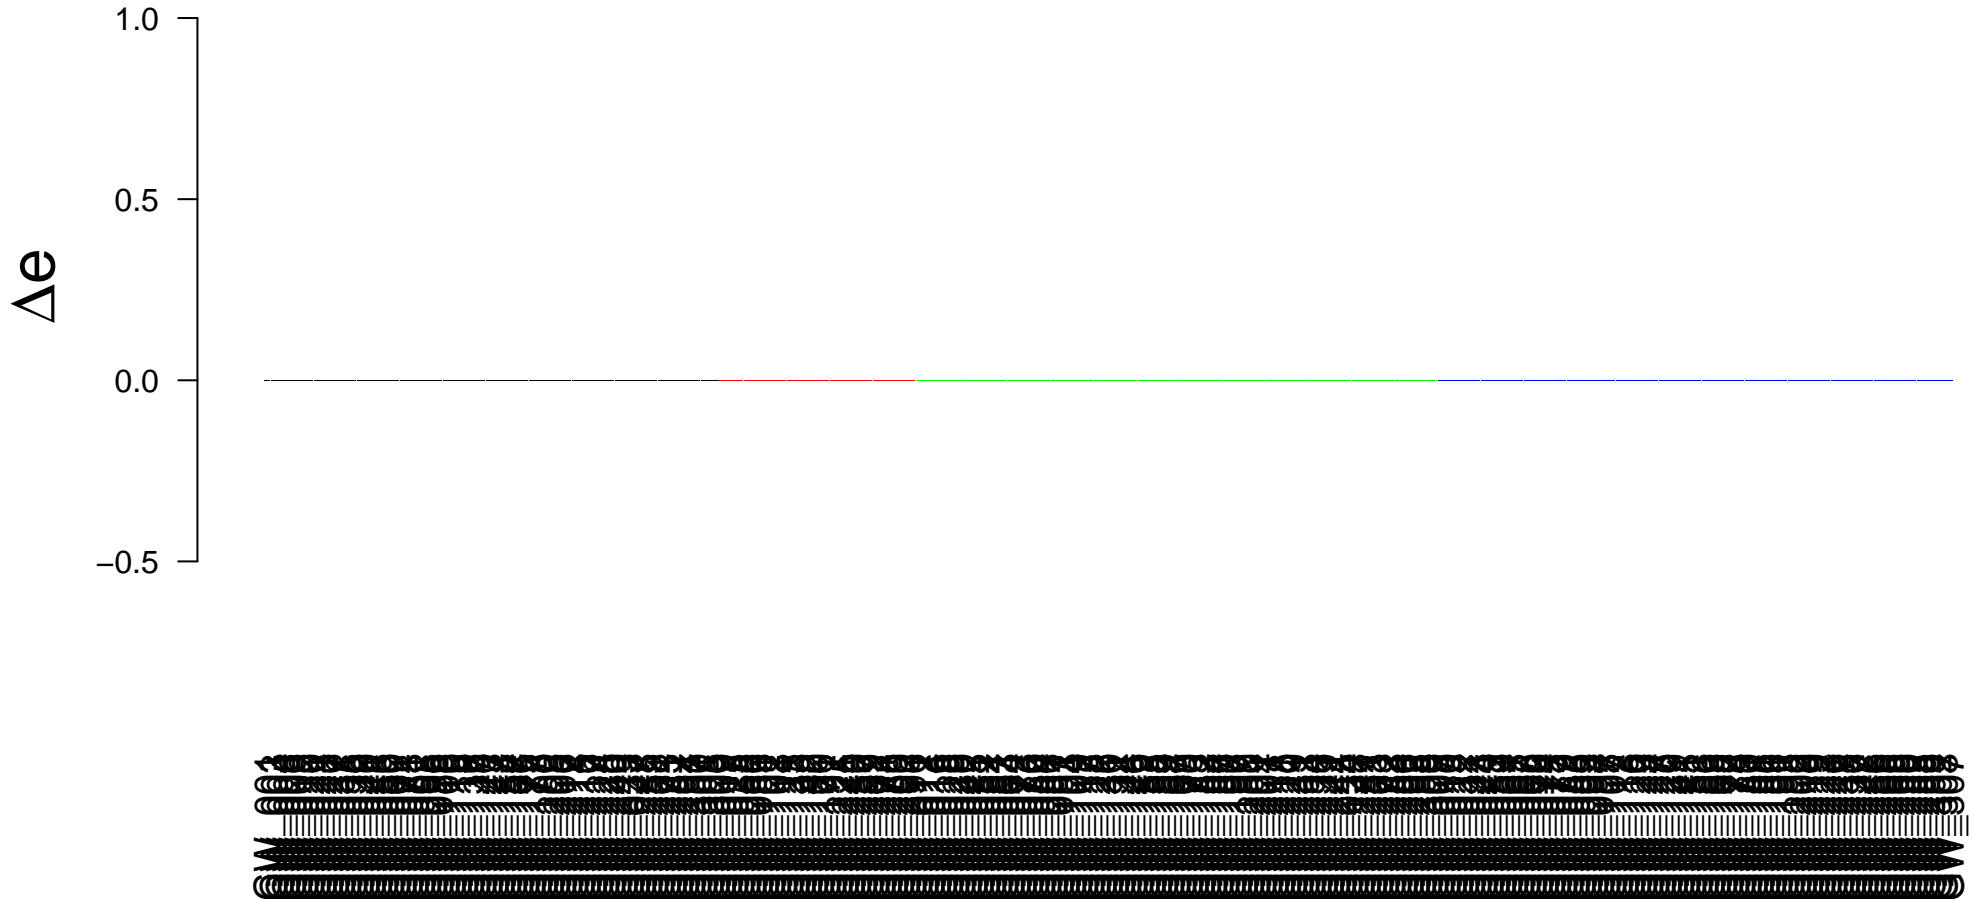

Expression of synaptic transmission, dopaminergic in Spot H

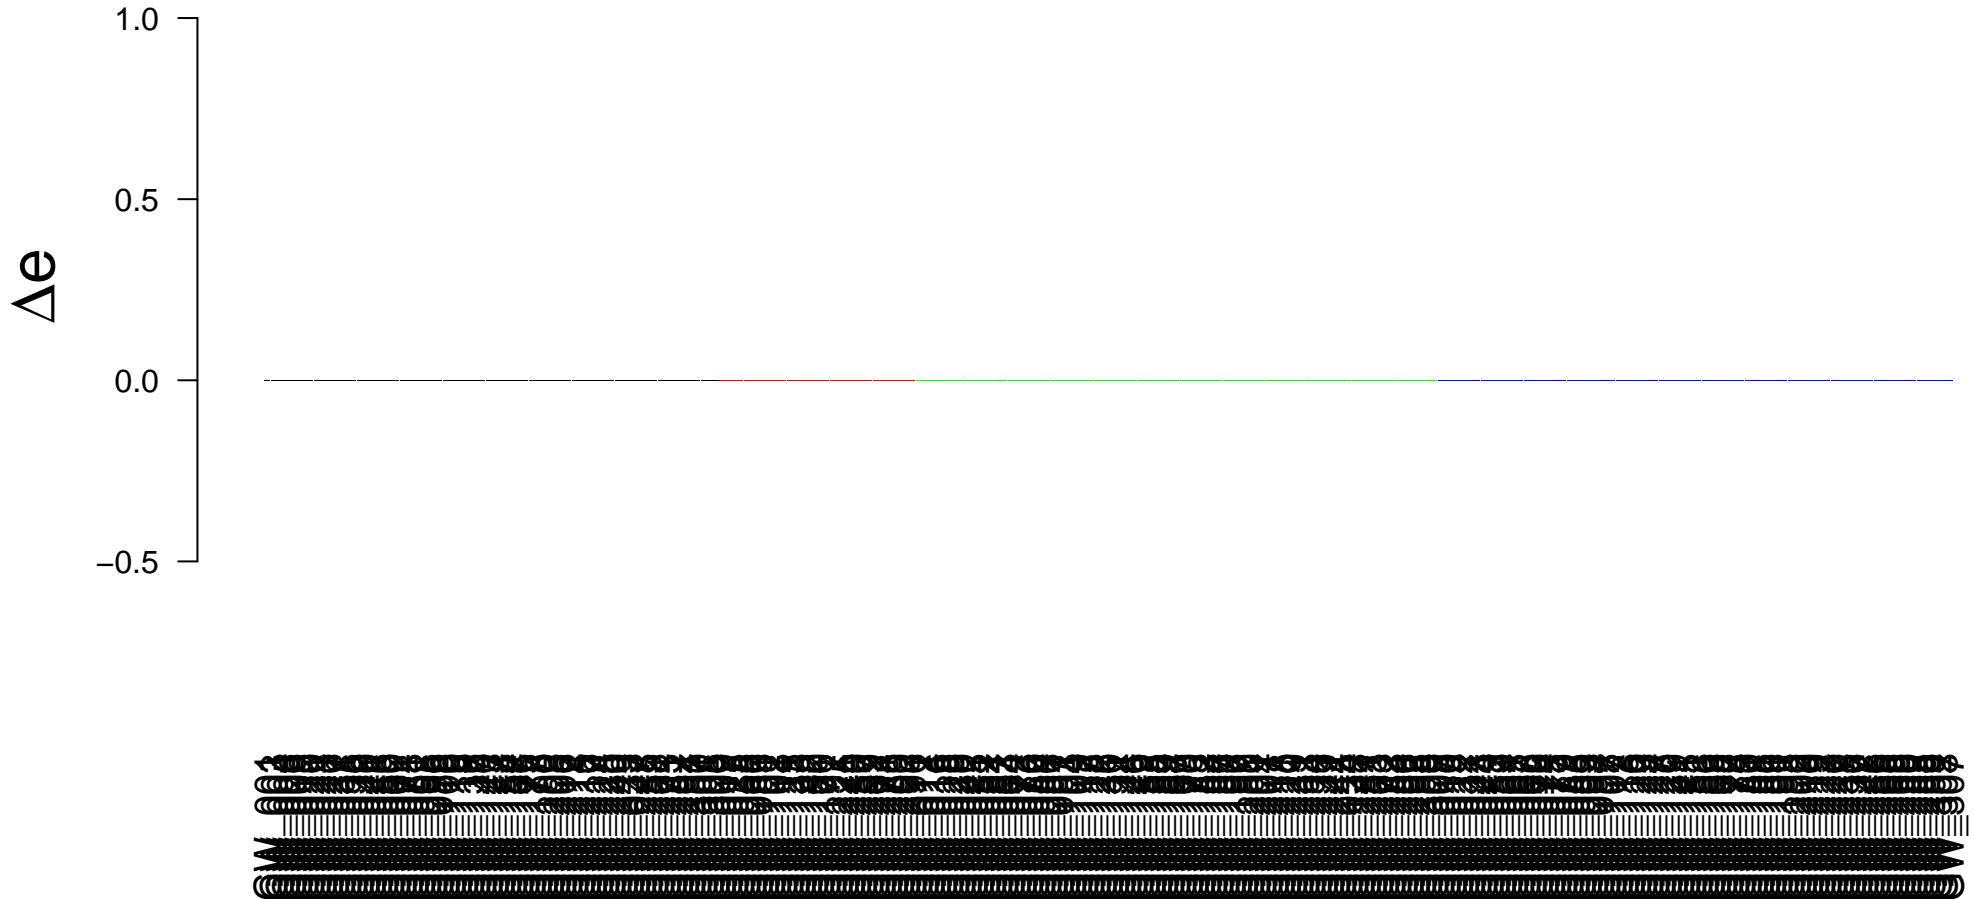

Expression of synaptic transmission, dopaminergic in Spot I

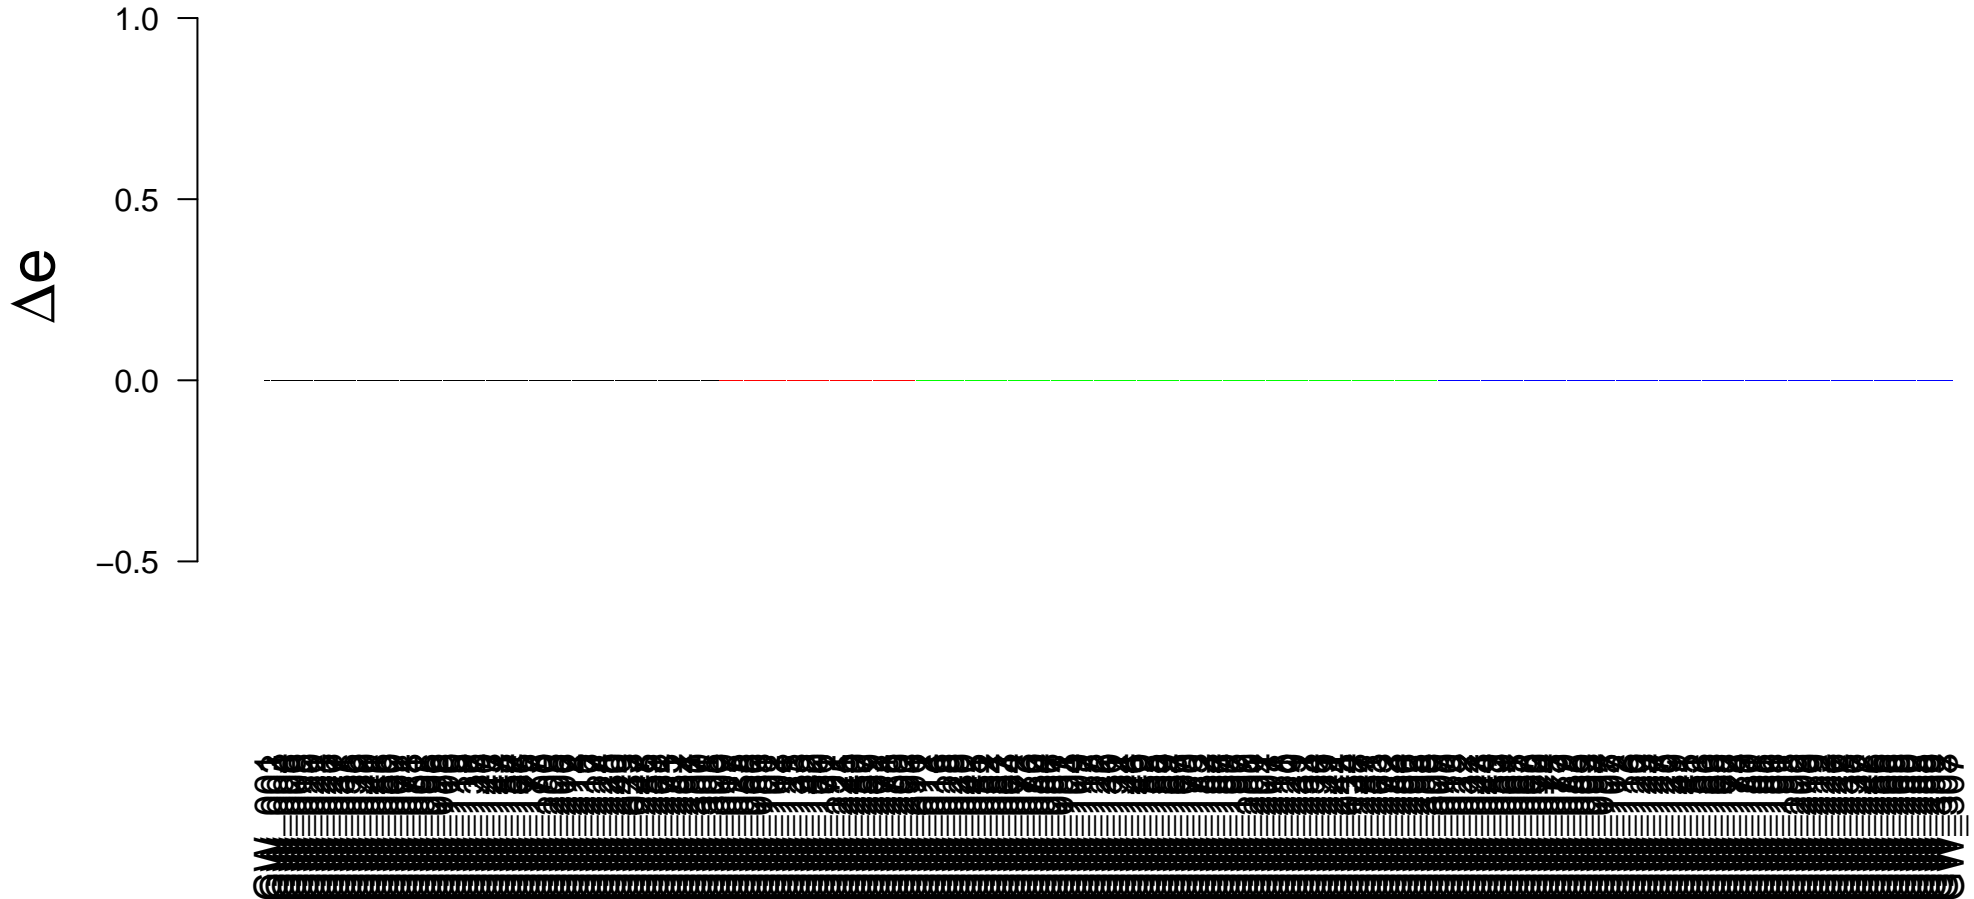

Expression of synaptic transmission, dopaminergic in Spot J

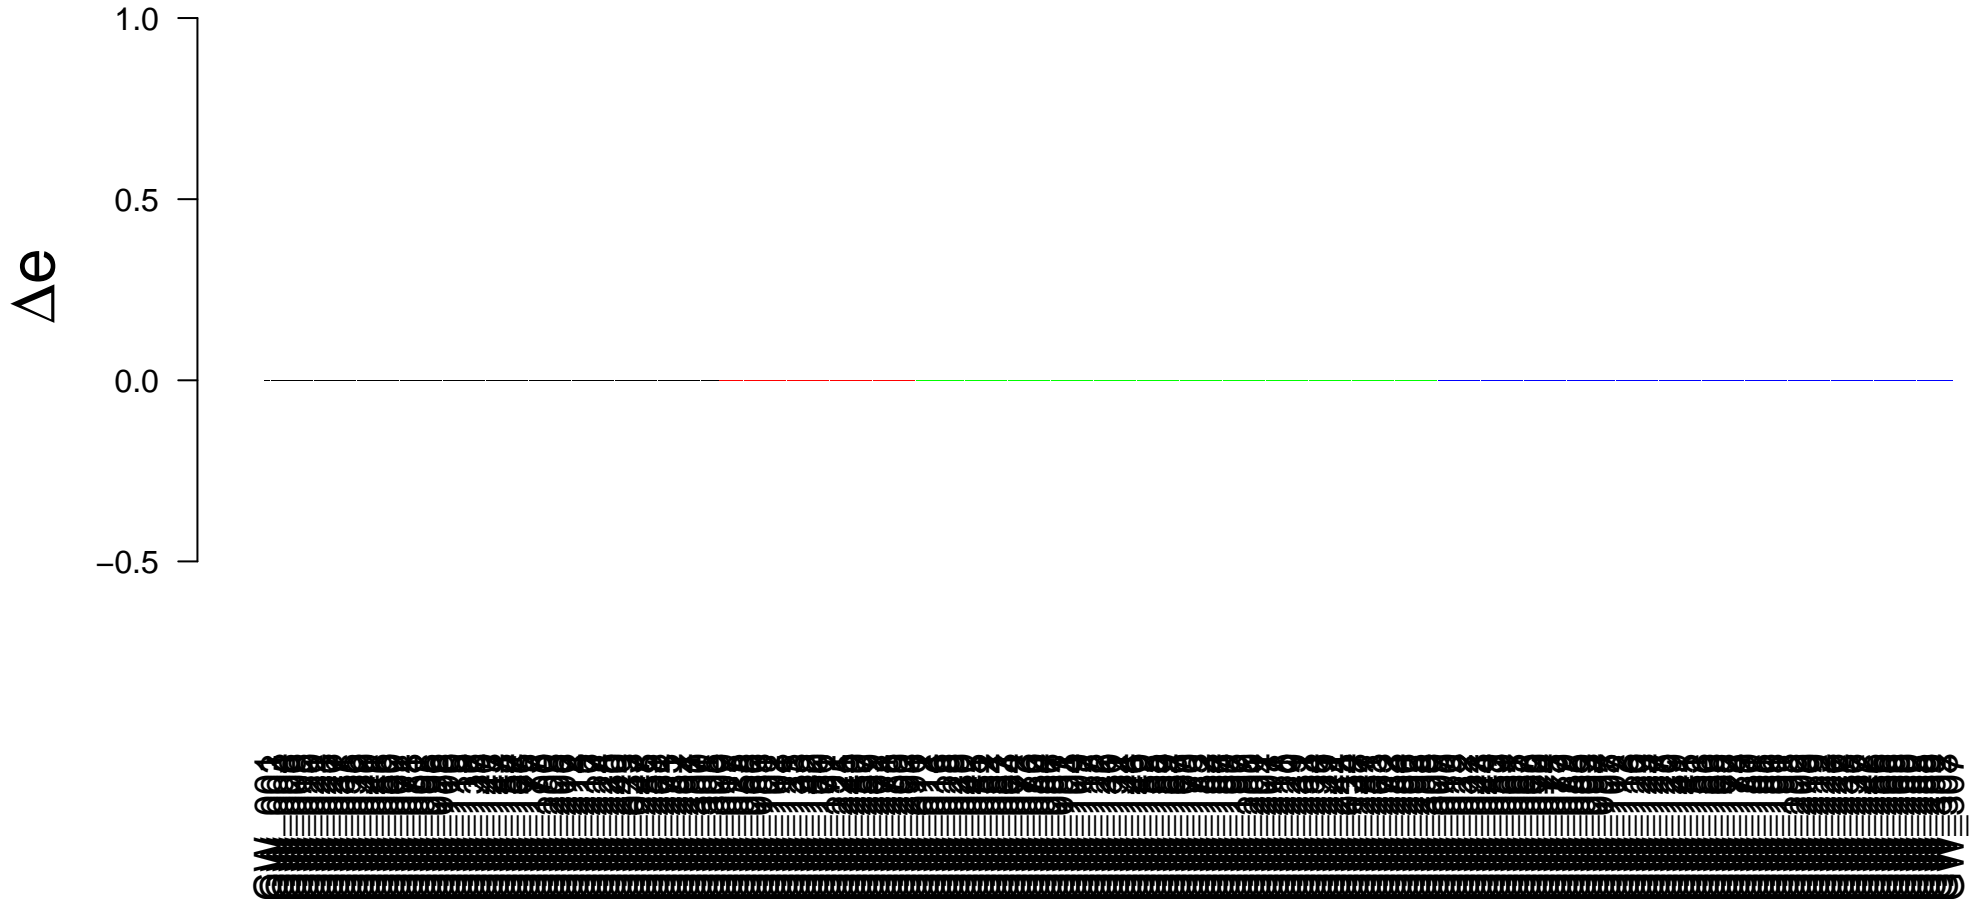

Expression of synaptic transmission, dopaminergic in Spot K

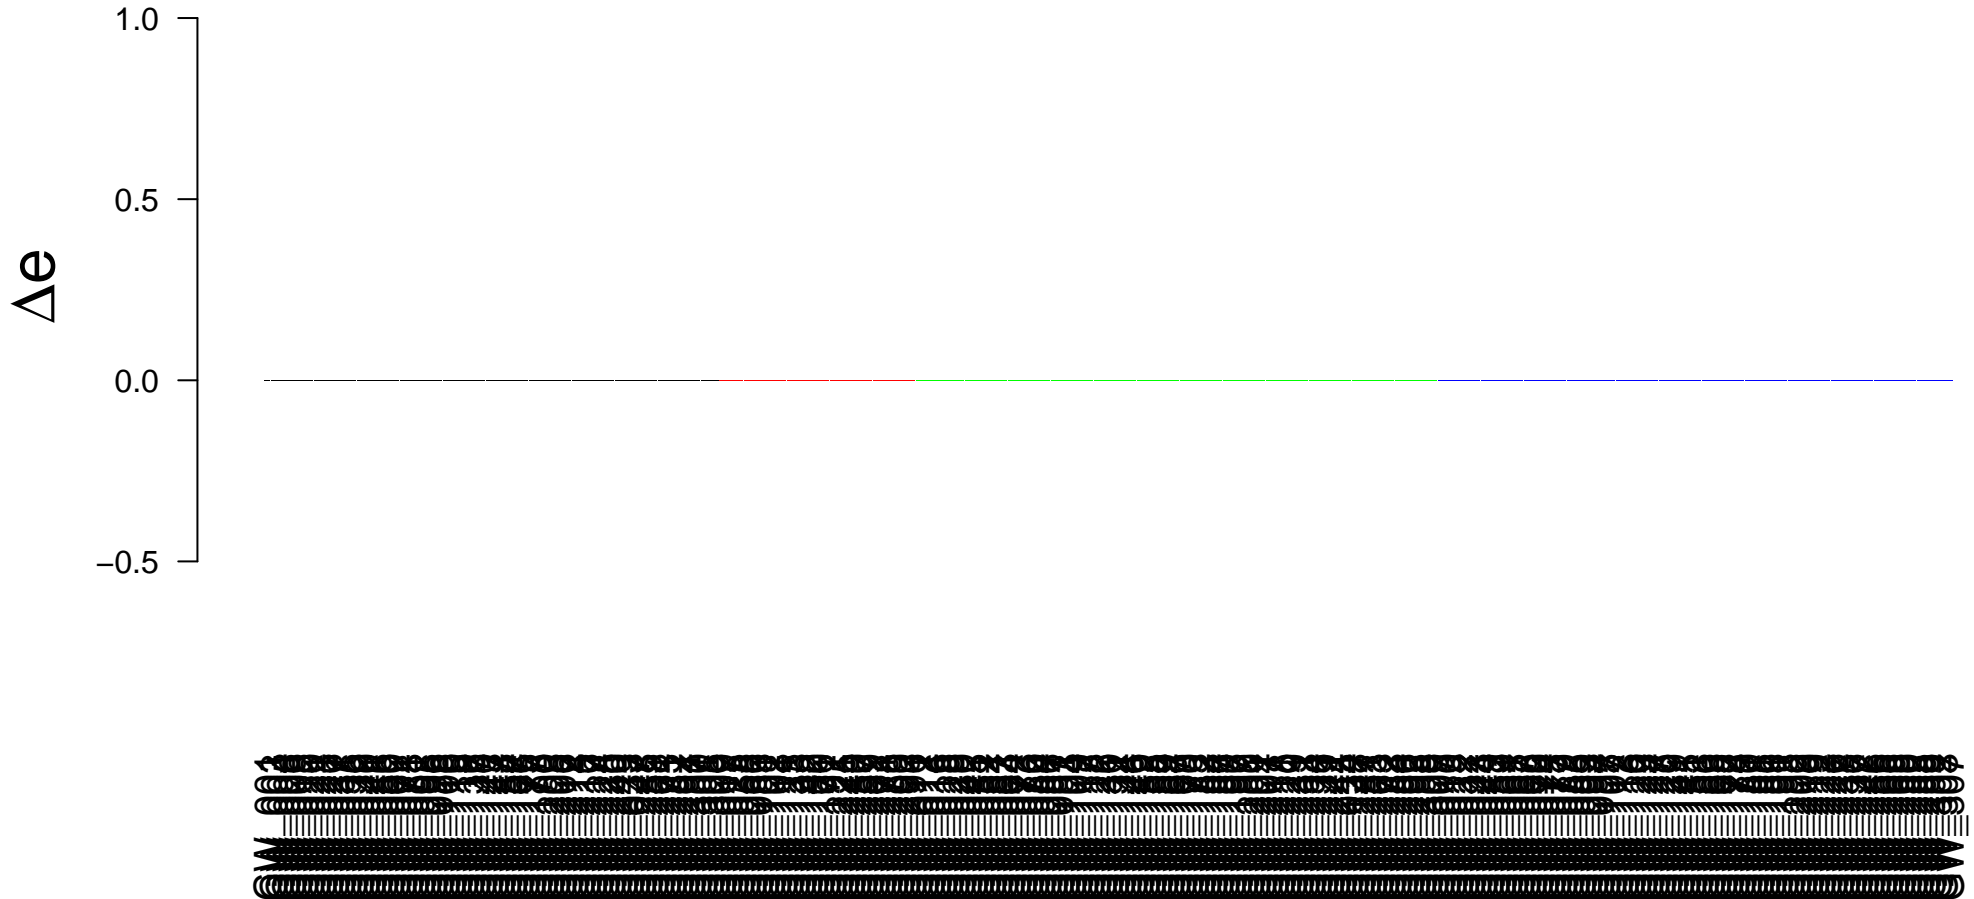

Expression of synaptic transmission, dopaminergic in Spot L

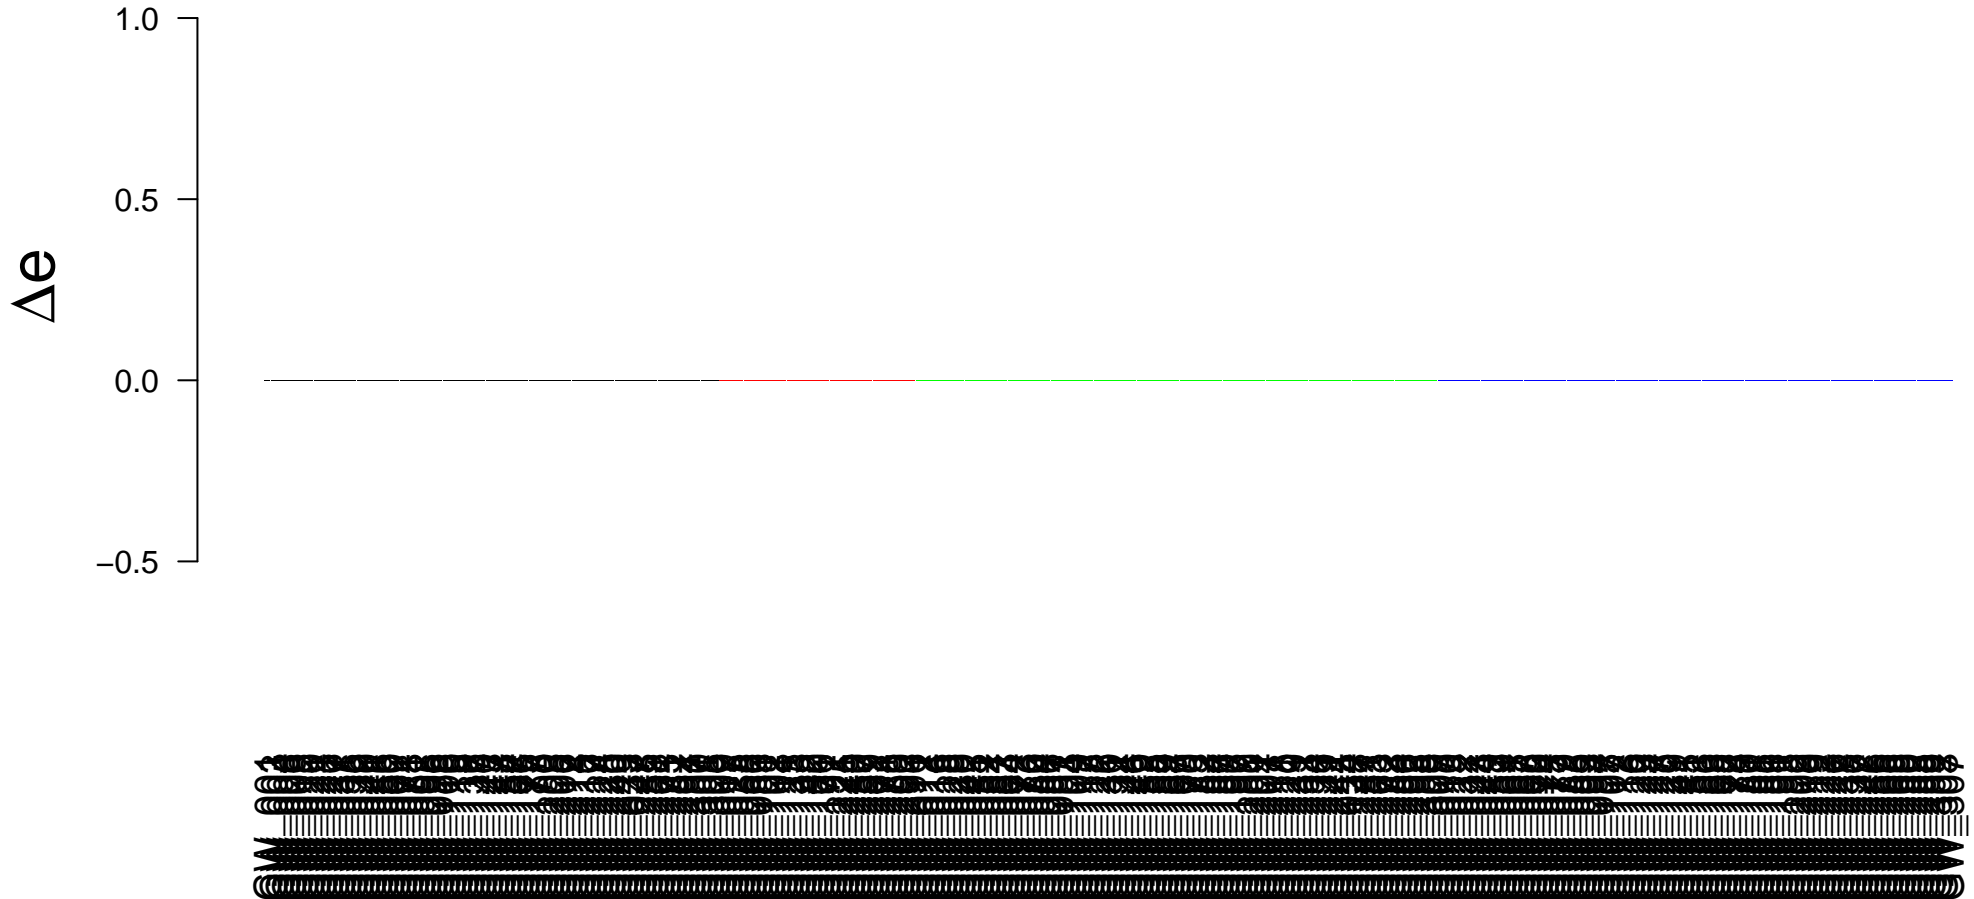

Expression of synaptic transmission, dopaminergic in Spot M

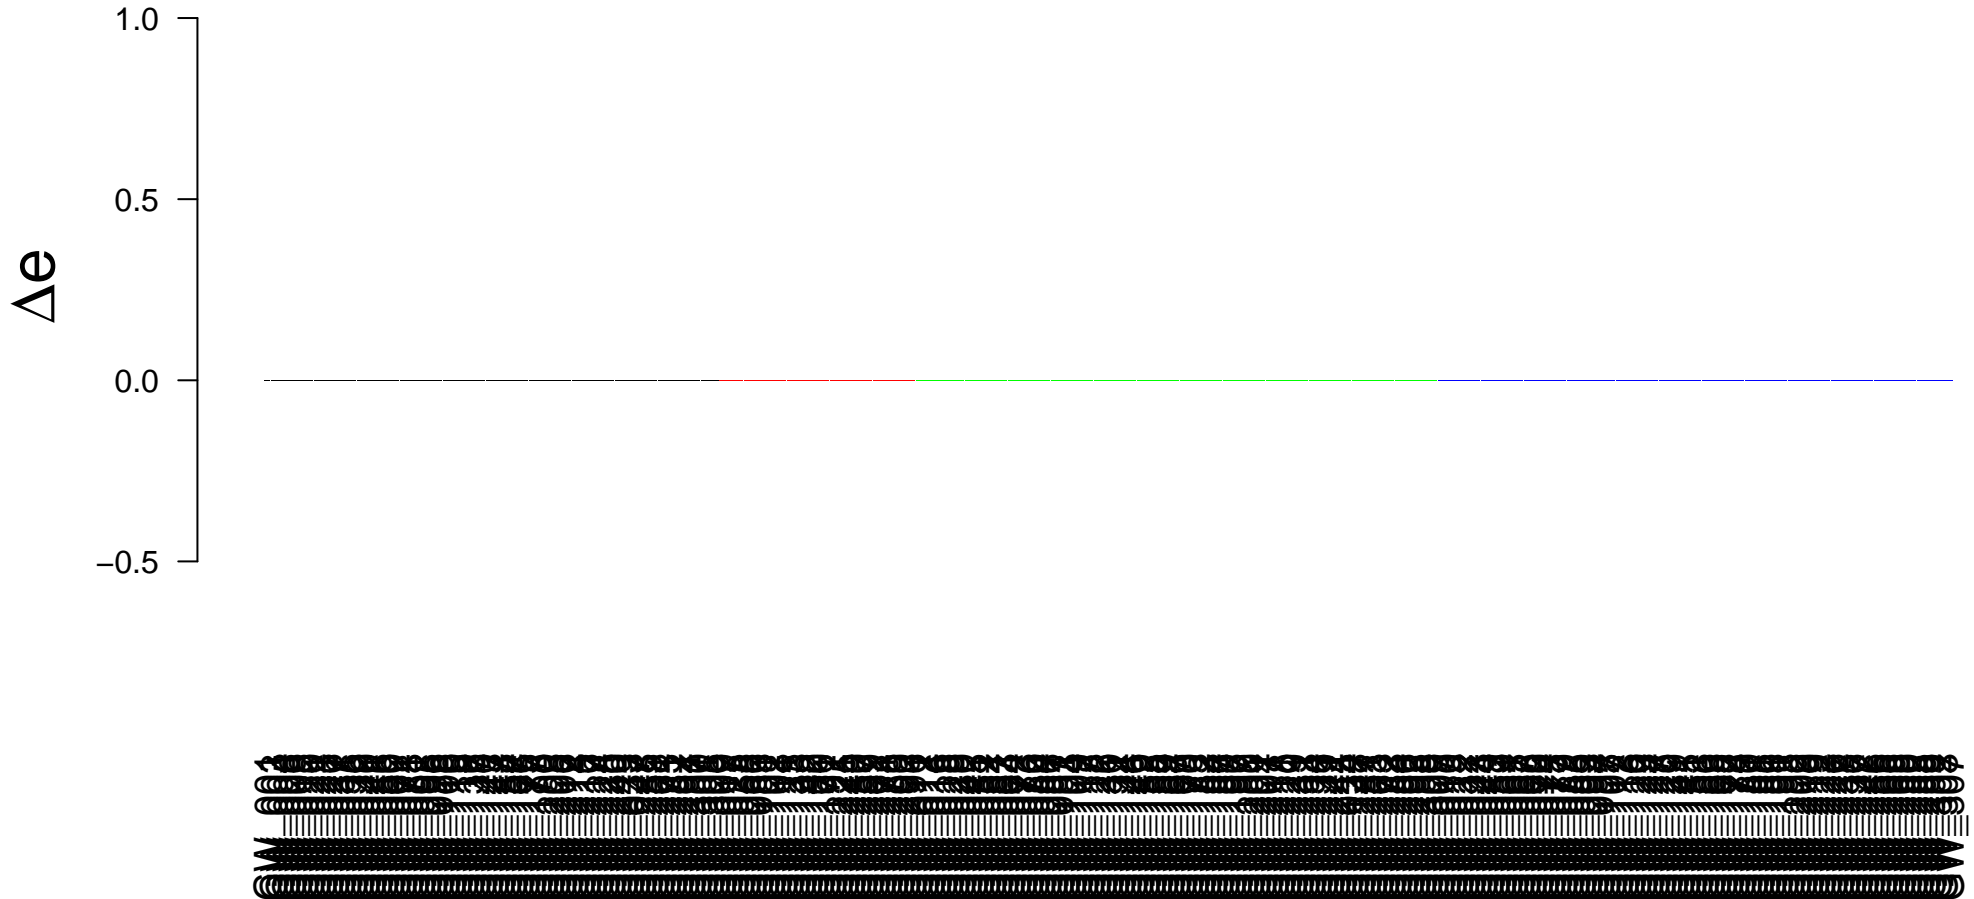

Expression of synaptic transmission, dopaminergic in Spot N

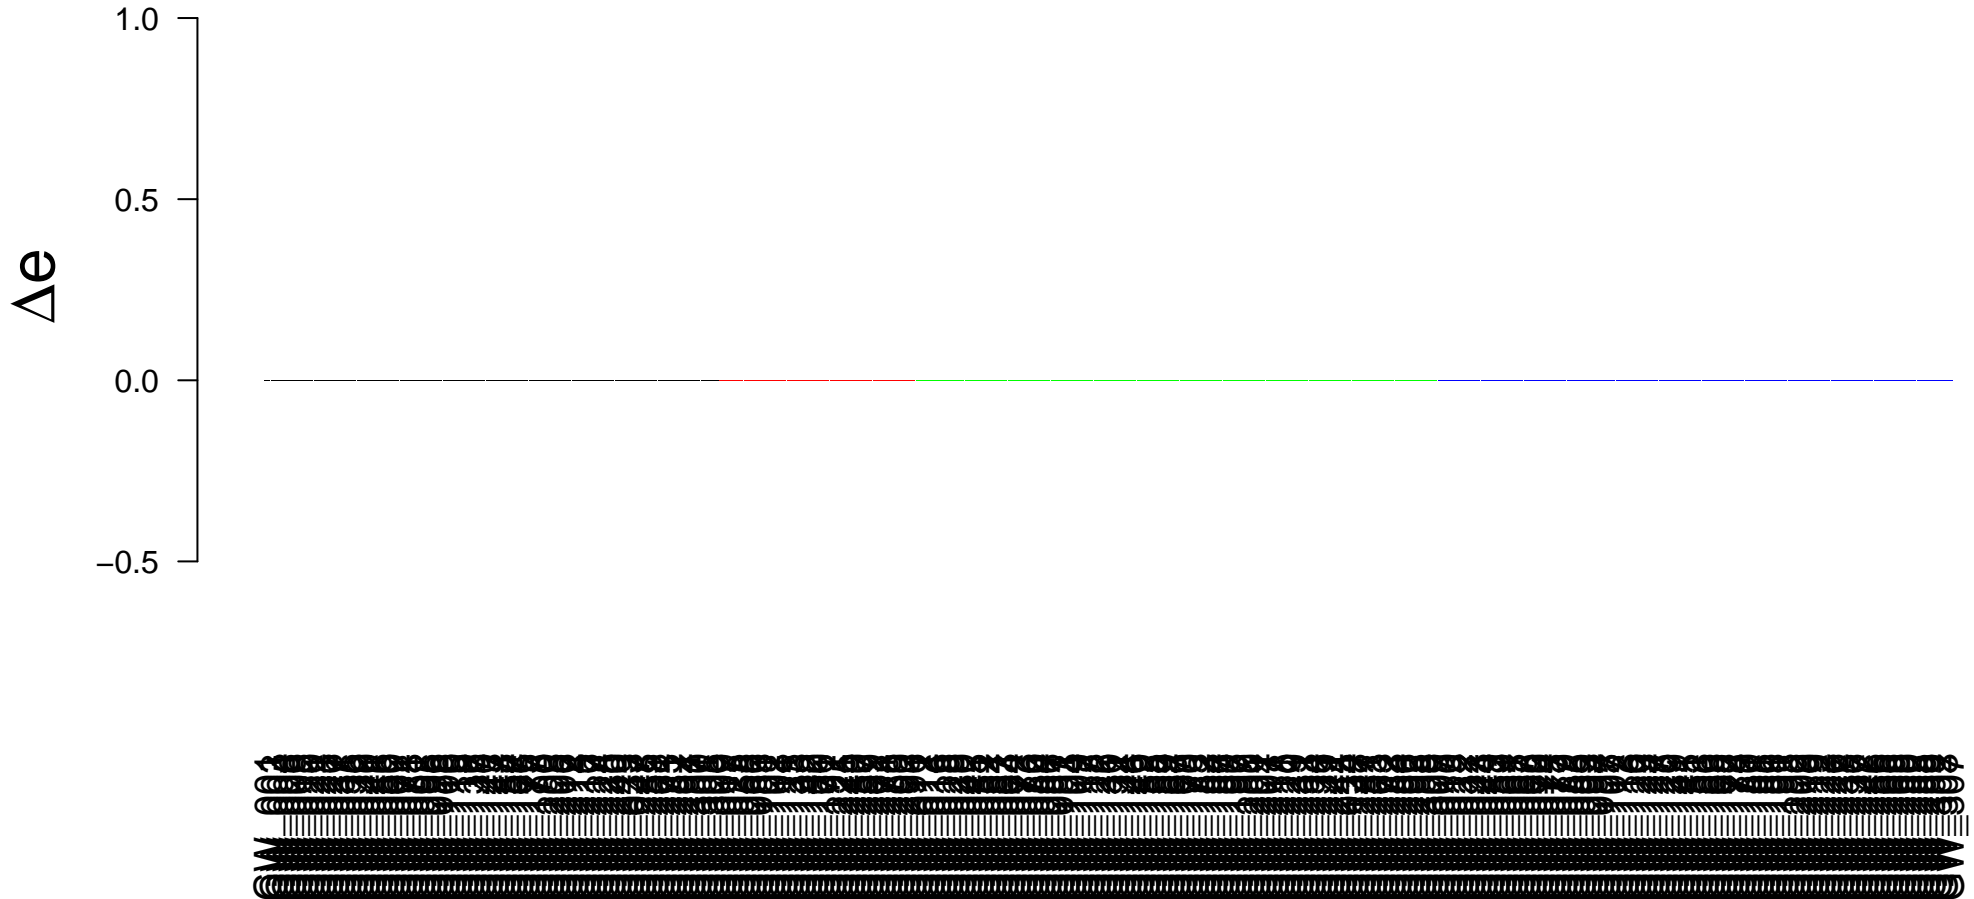

Expression of synaptic transmission, dopaminergic in Spot O

Expression of synaptic transmission, dopaminergic in Spot P

Expression of synaptic transmission, dopaminergic in Spot Q

Expression of synaptic transmission, dopaminergic in Spot R
