

synaptic transmission, glutamatergic

synaptic transmission, glutamatergic

Enrichment in spots: synaptic transmission, glutamatergic

Expression of synaptic transmission, glutamatergic in Spot A

Expression of synaptic transmission, glutamatergic in Spot B

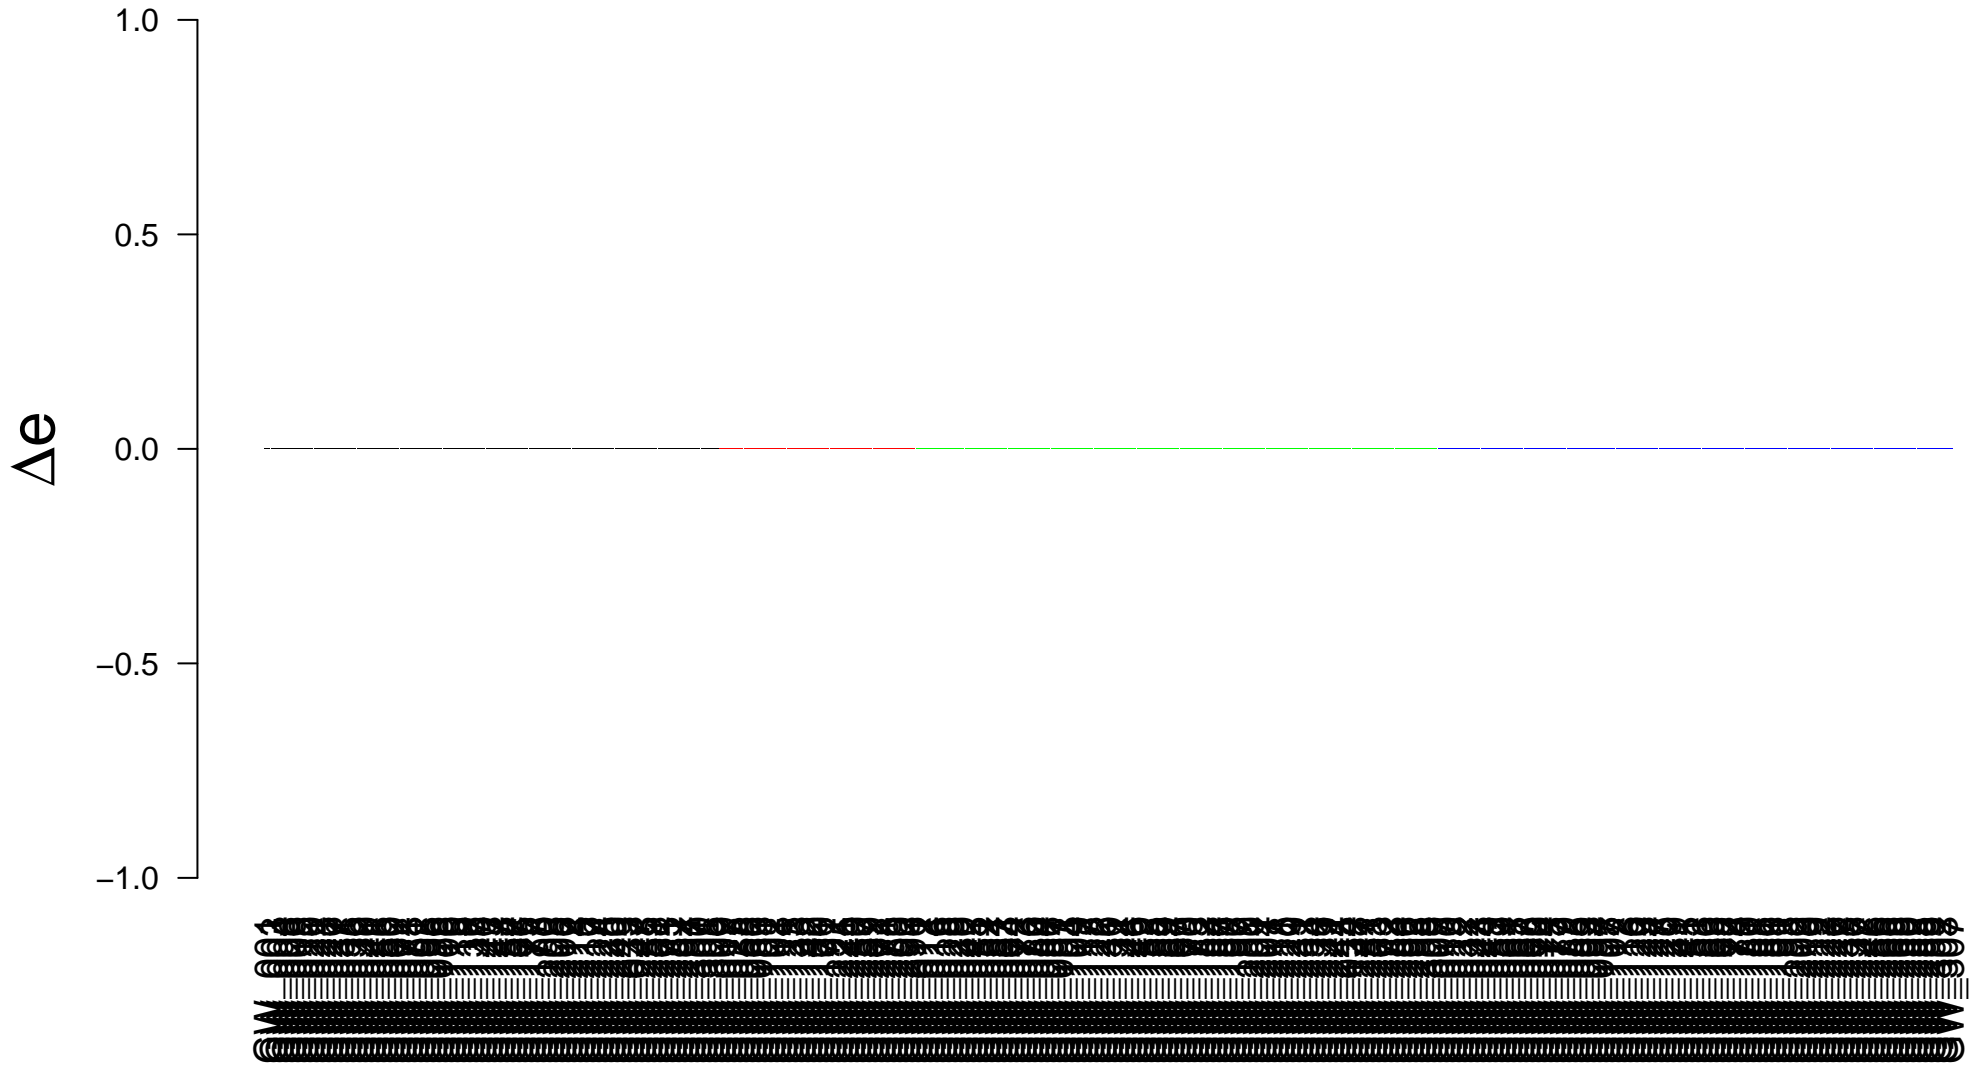

Expression of synaptic transmission, glutamatergic in Spot C

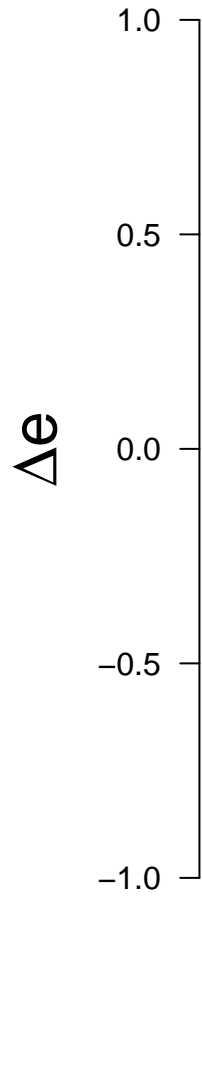

Expression of synaptic transmission, glutamatergic in Spot D

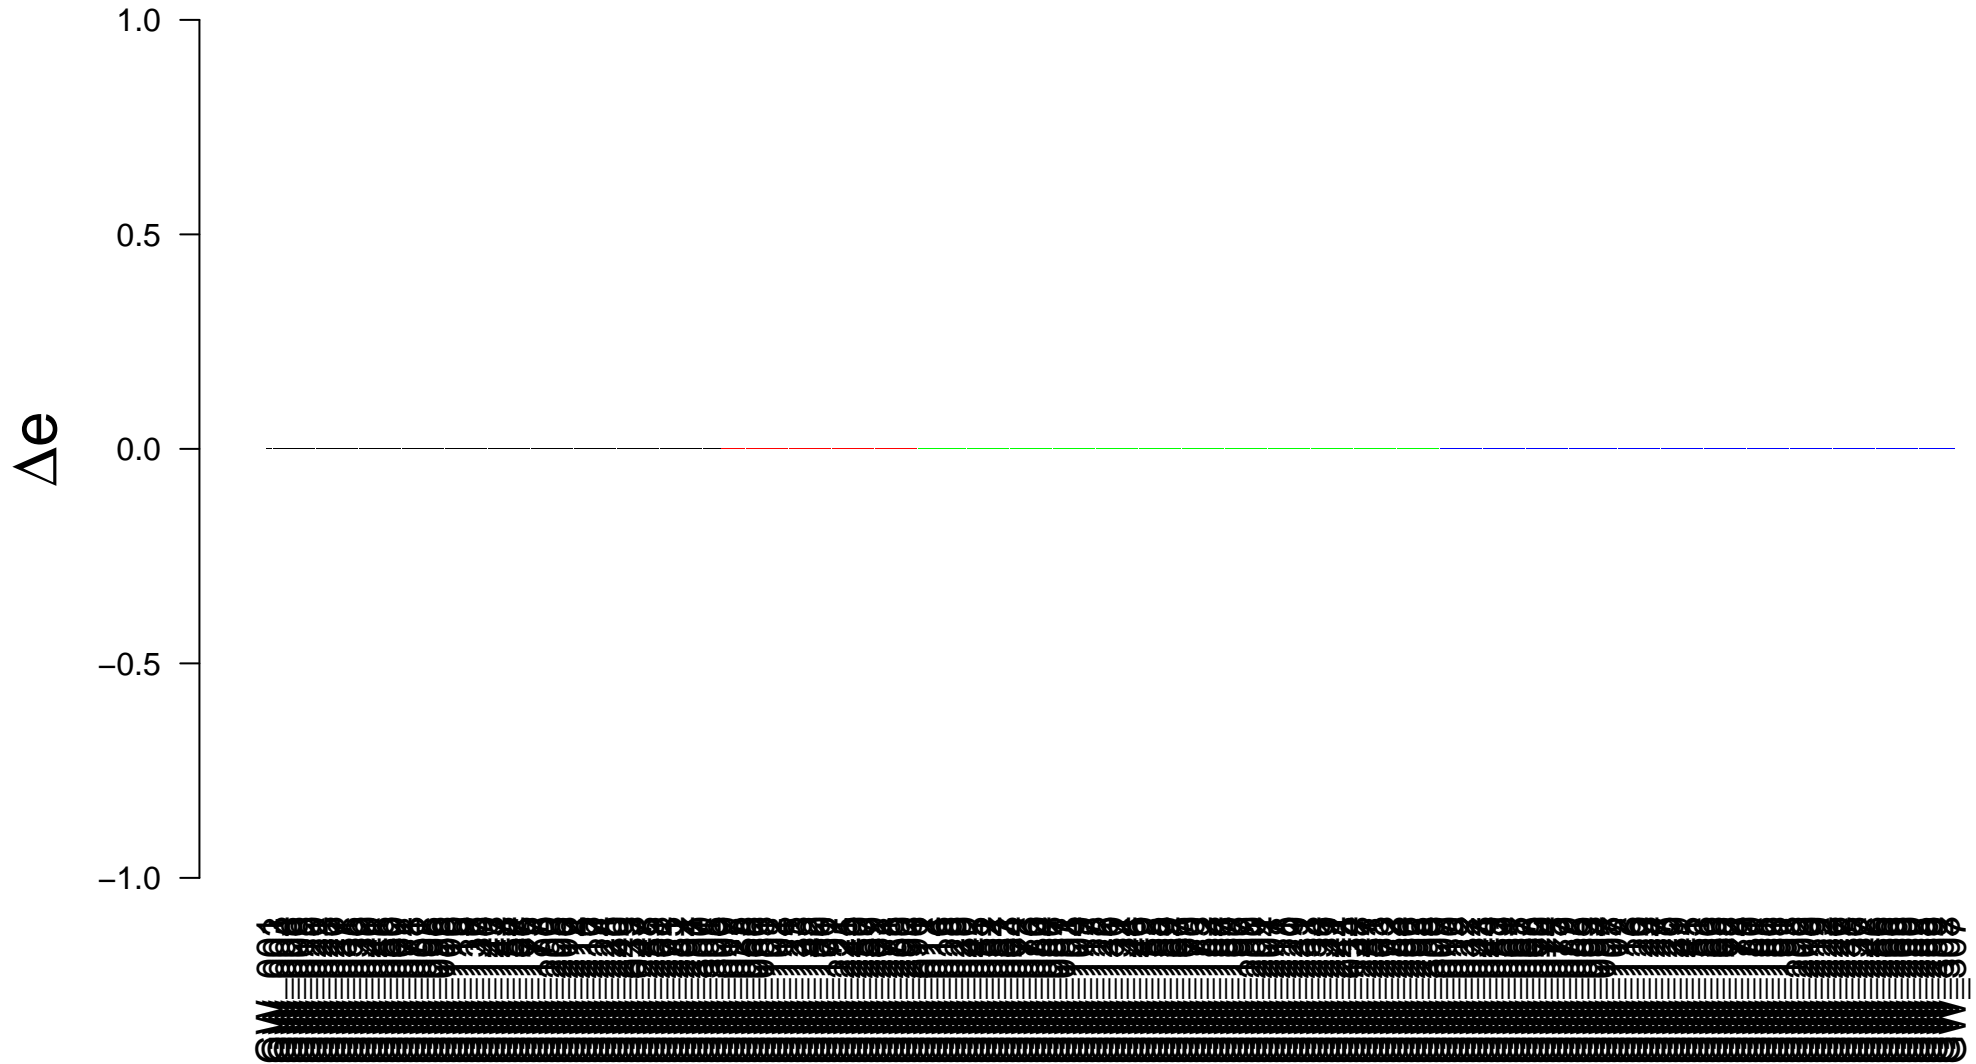

Expression of synaptic transmission, glutamatergic in Spot E

Expression of synaptic transmission, glutamatergic in Spot F

Expression of synaptic transmission, glutamatergic in Spot G

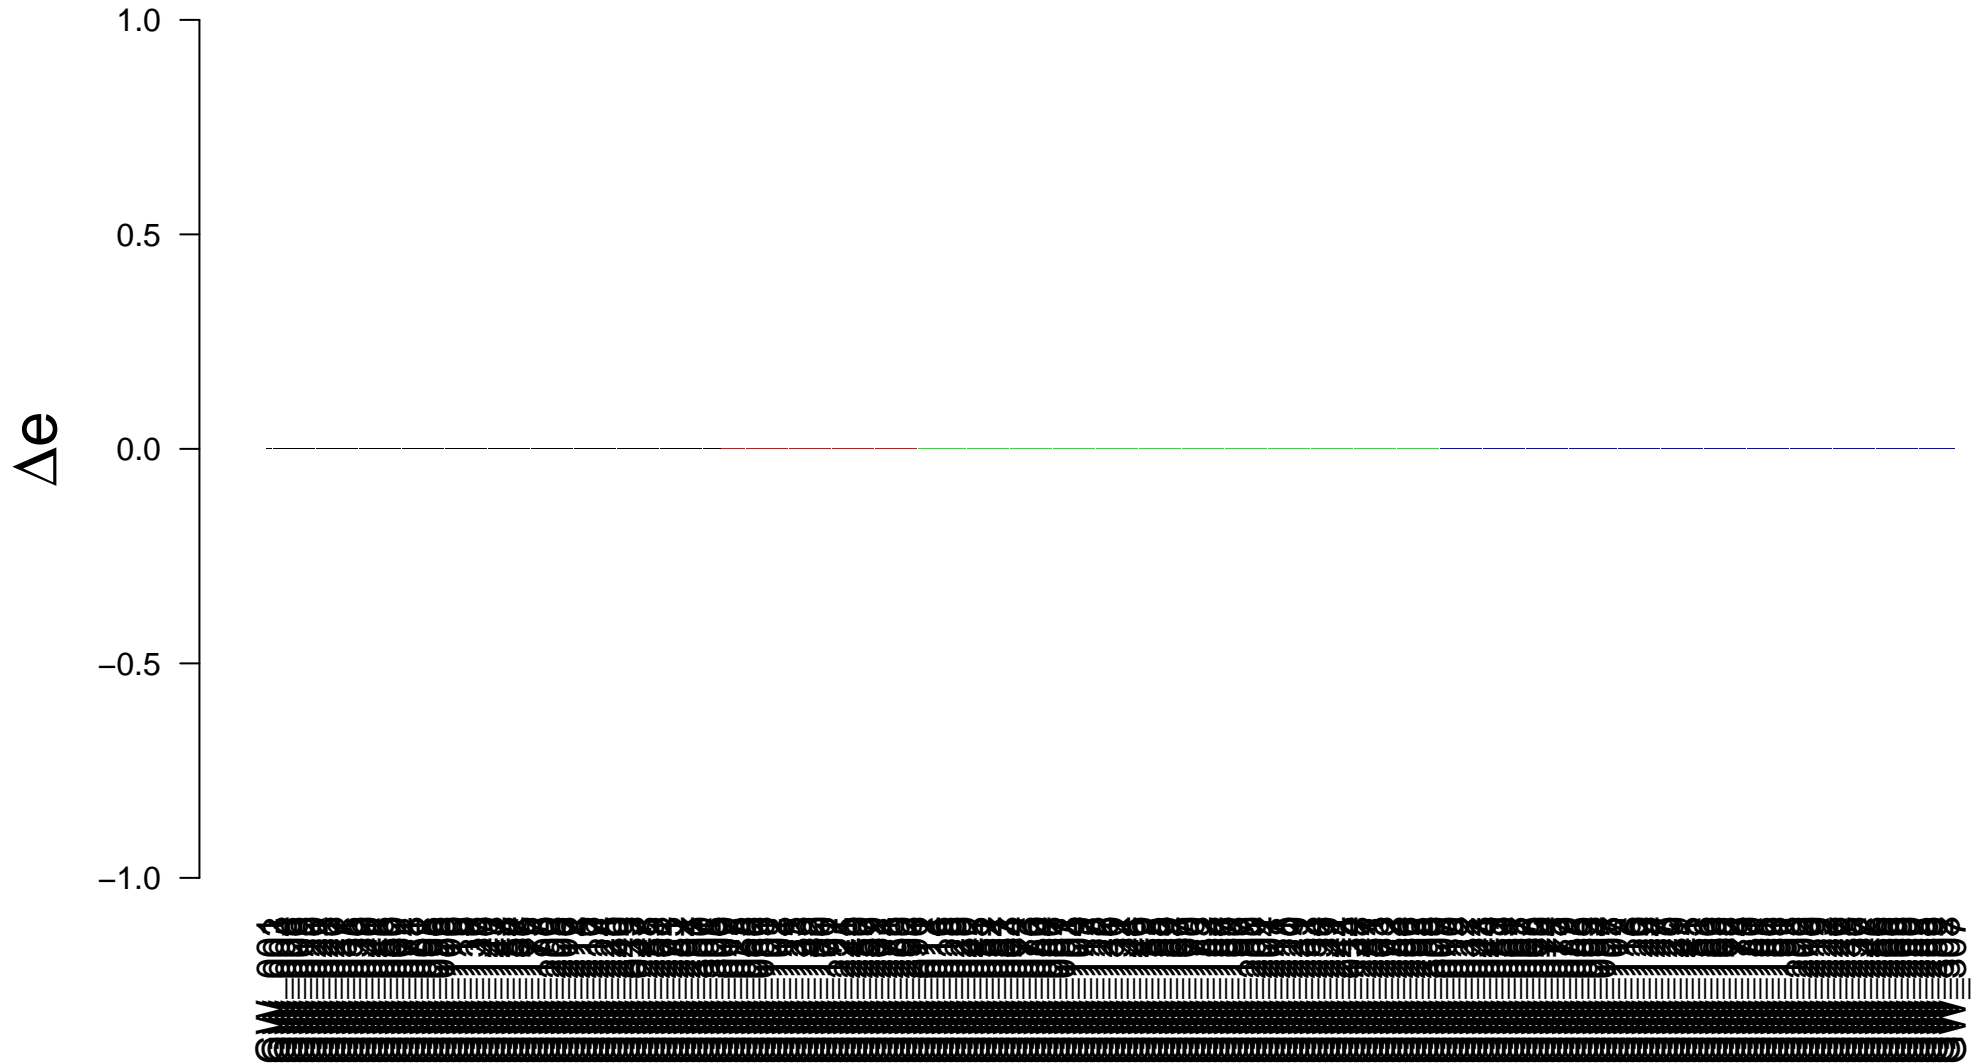

Expression of synaptic transmission, glutamatergic in Spot H

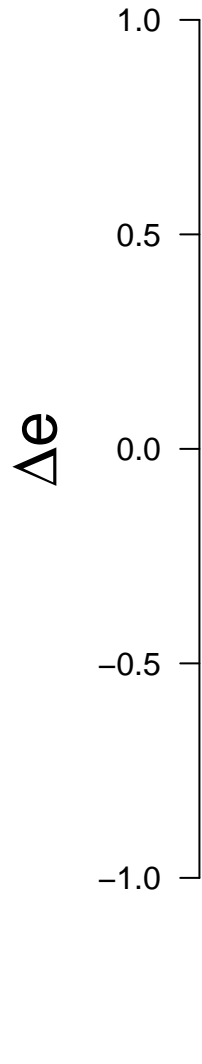

Expression of synaptic transmission, glutamatergic in Spot I

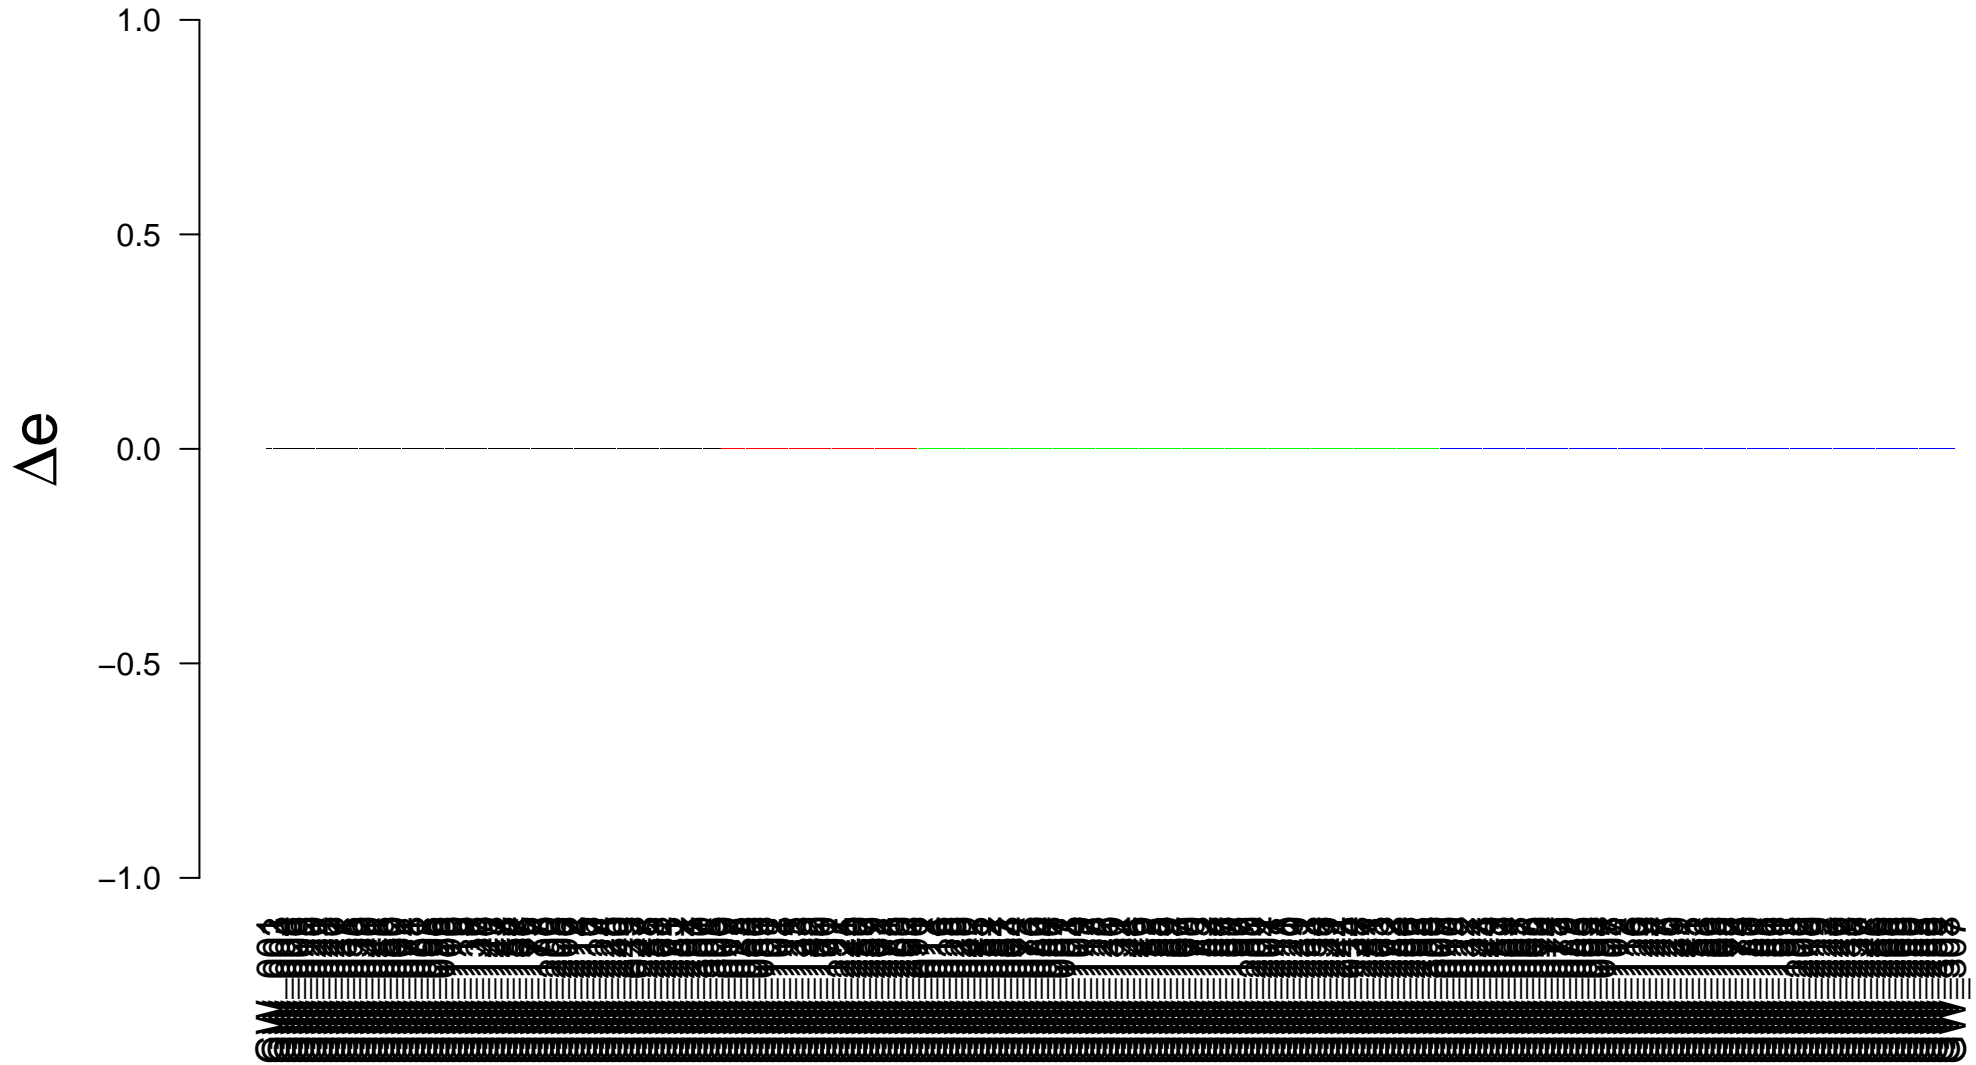

Expression of synaptic transmission, glutamatergic in Spot J

Expression of synaptic transmission, glutamatergic in Spot K

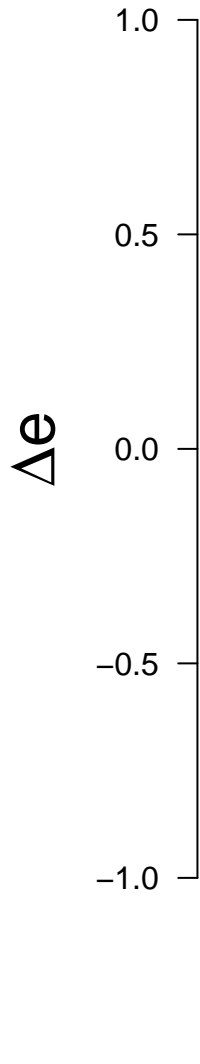

Expression of synaptic transmission, glutamatergic in Spot L

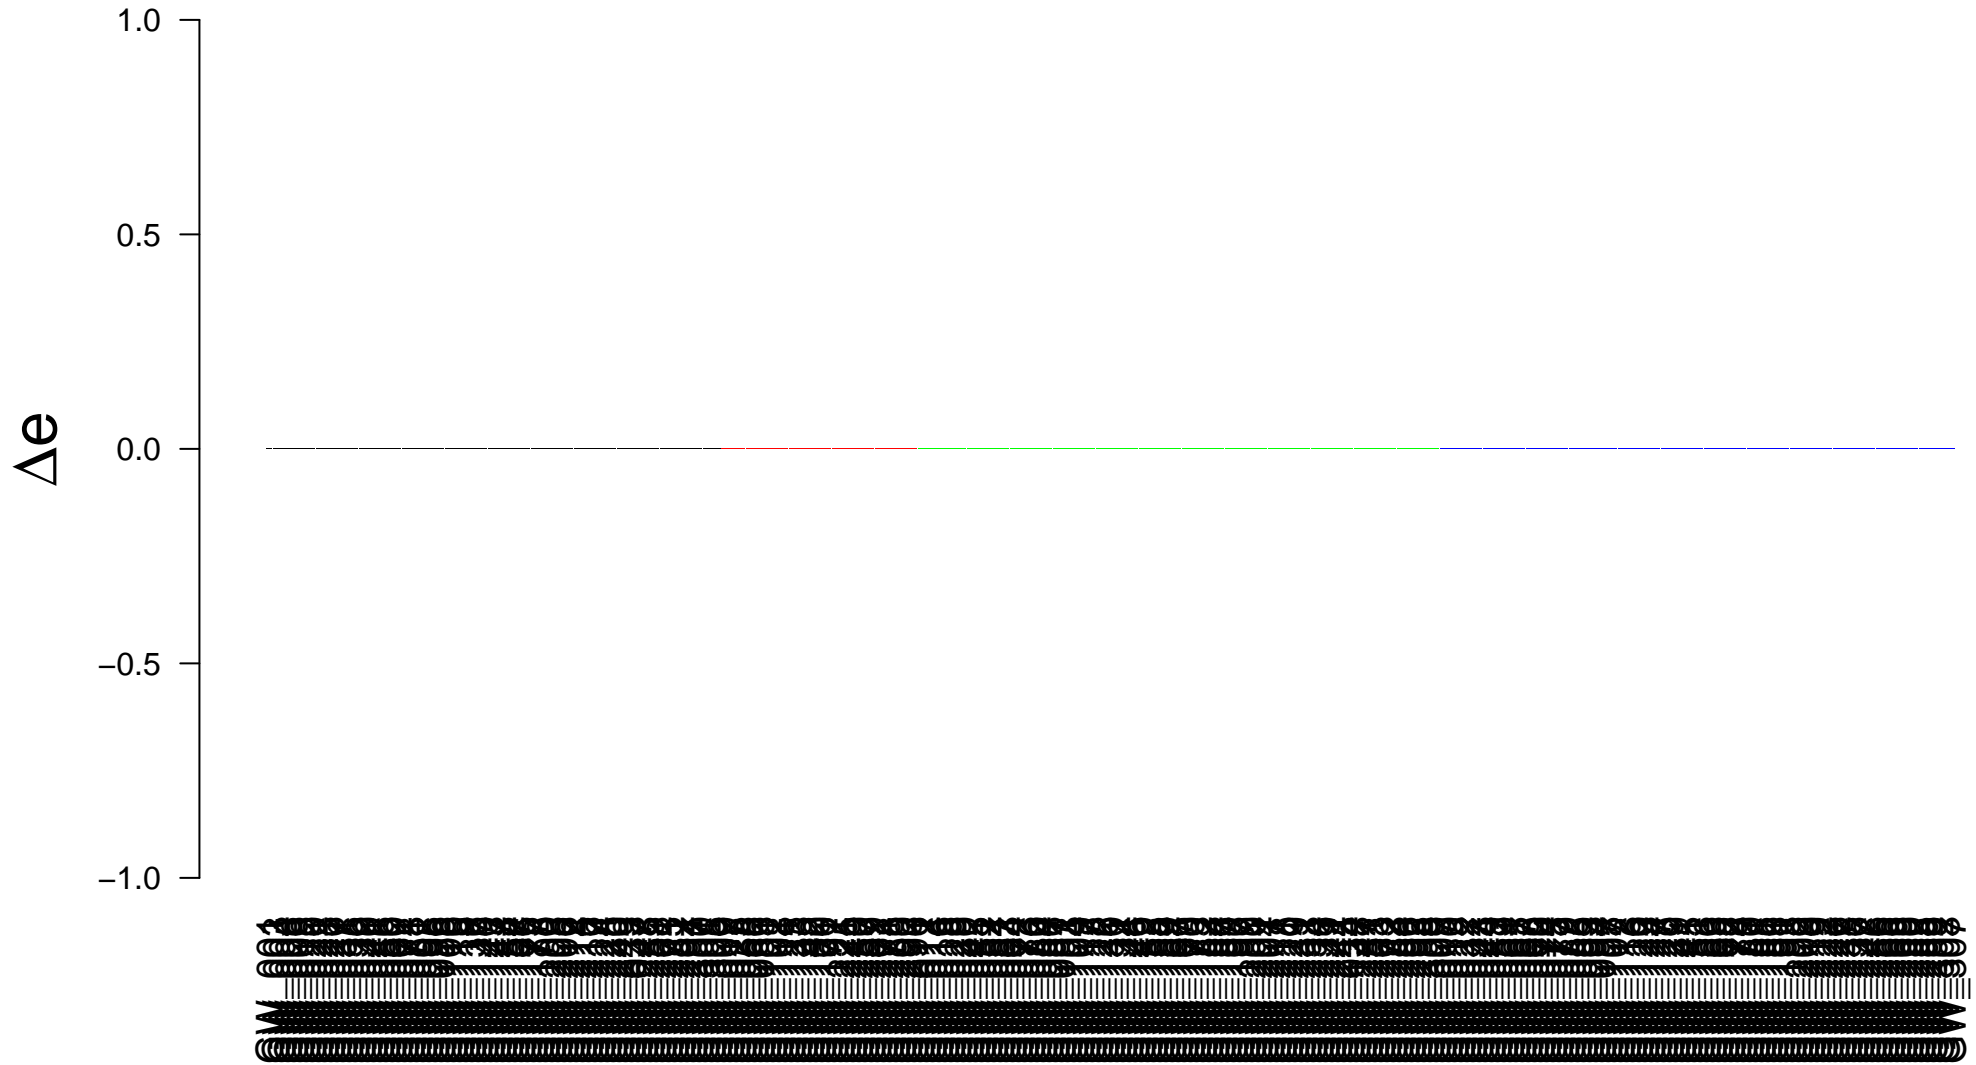

Expression of synaptic transmission, glutamatergic in Spot M

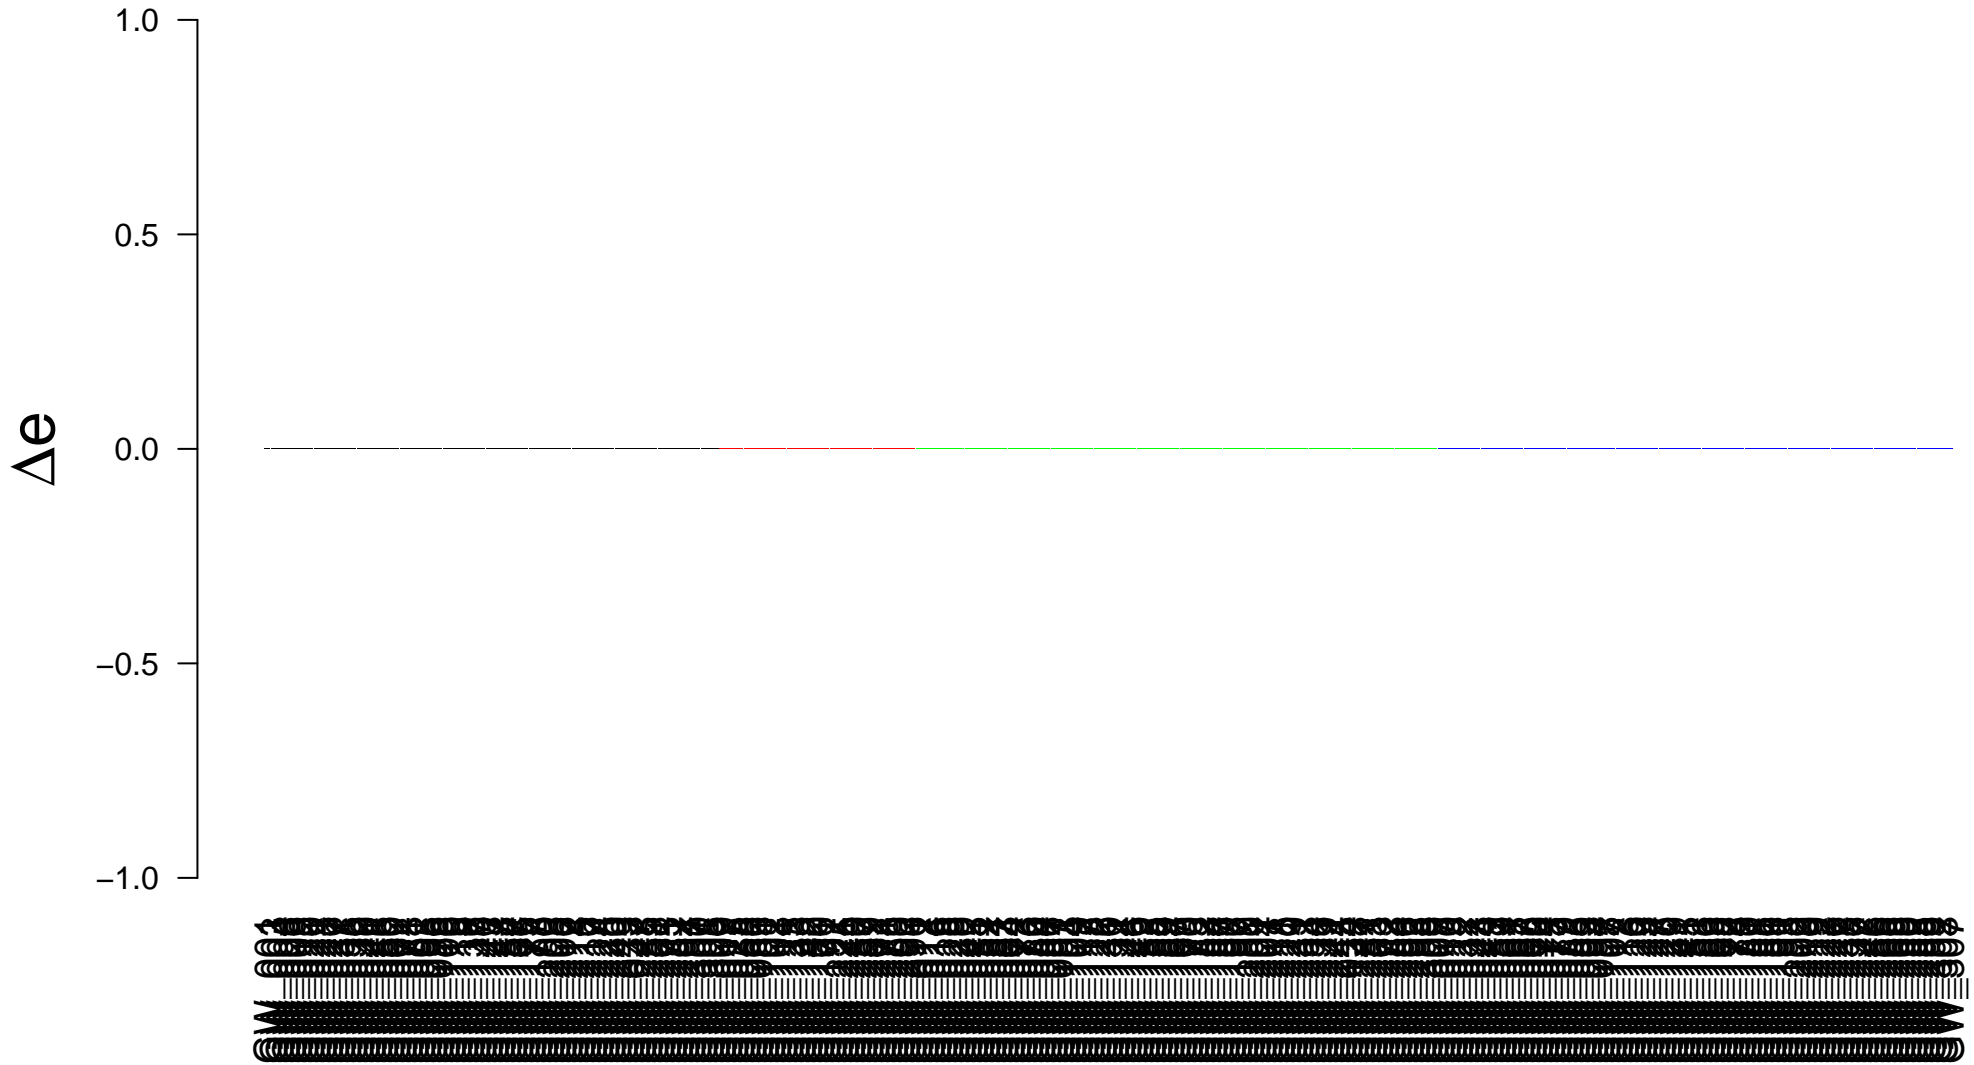

Expression of synaptic transmission, glutamatergic in Spot N

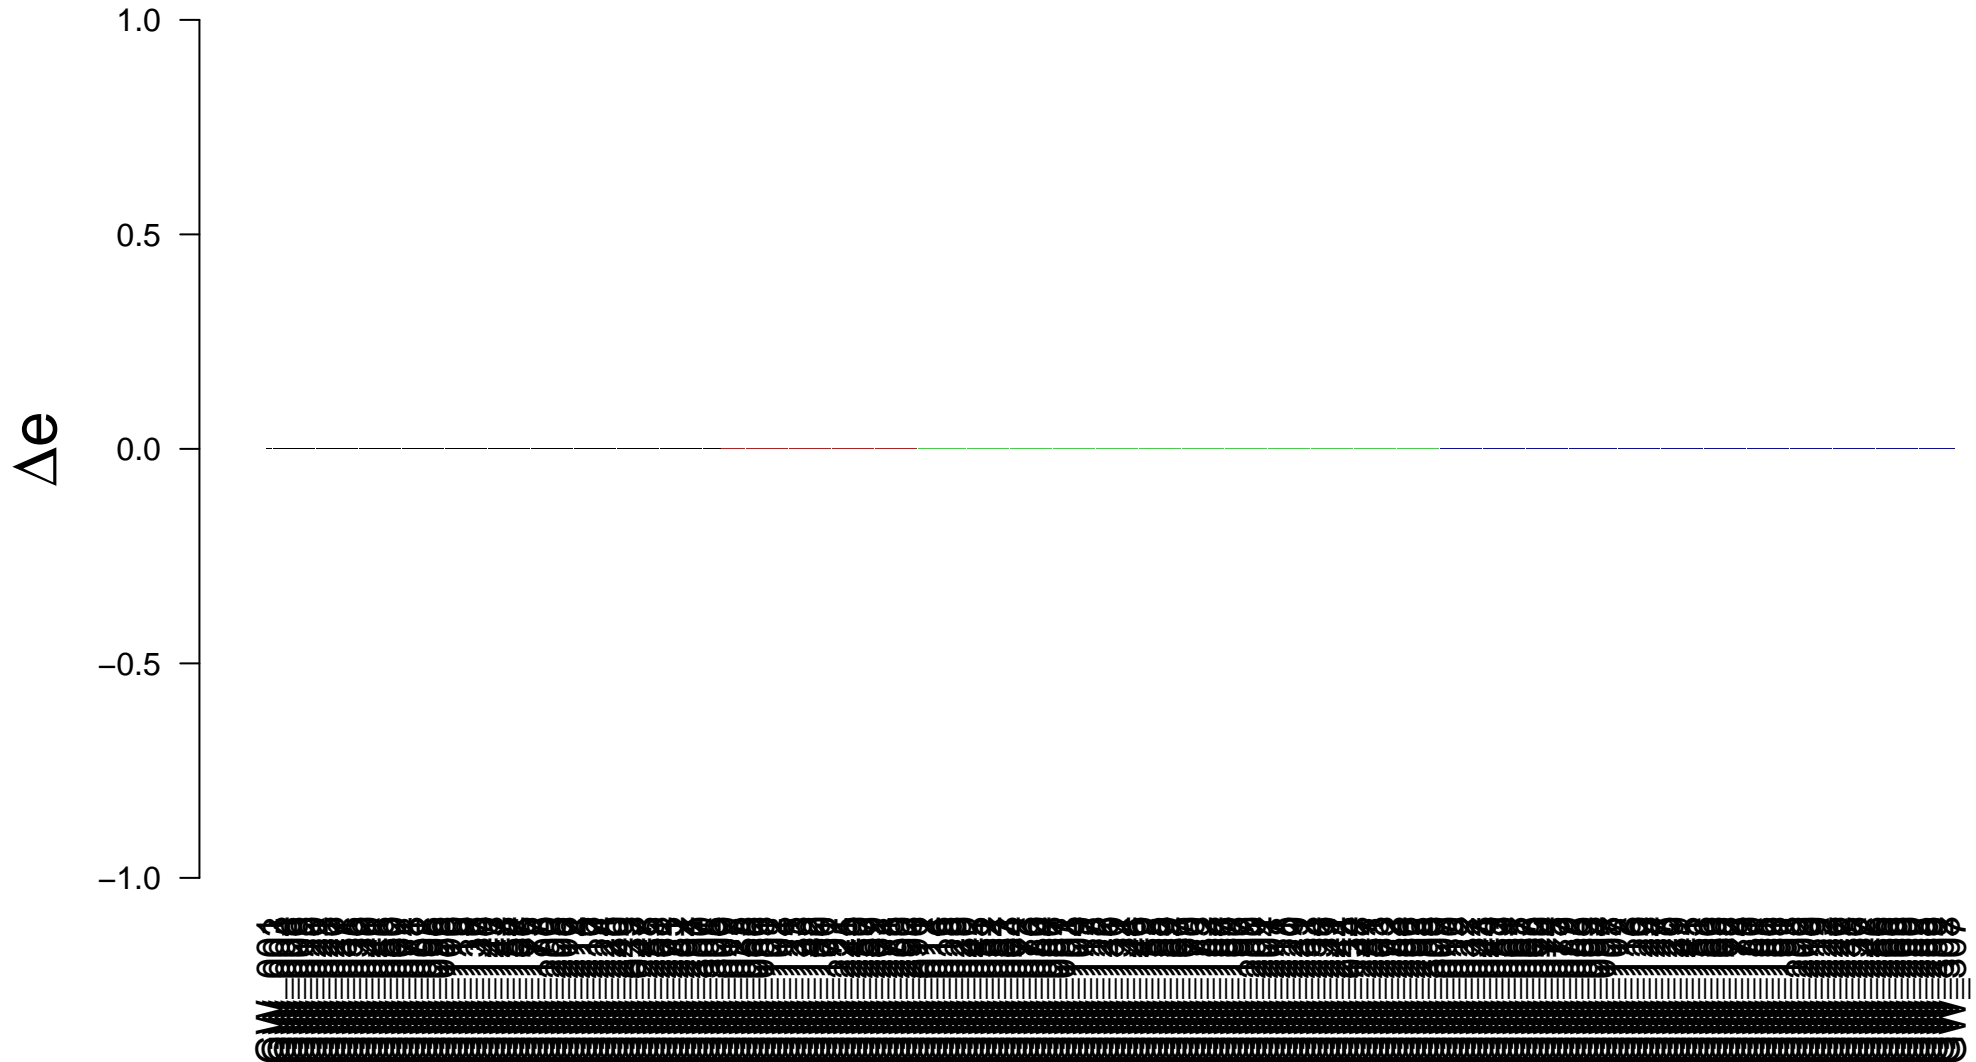

Expression of synaptic transmission, glutamatergic in Spot O

Expression of synaptic transmission, glutamatergic in Spot P

Expression of synaptic transmission, glutamatergic in Spot Q

Expression of synaptic transmission, glutamatergic in Spot R
