

tRNA modification

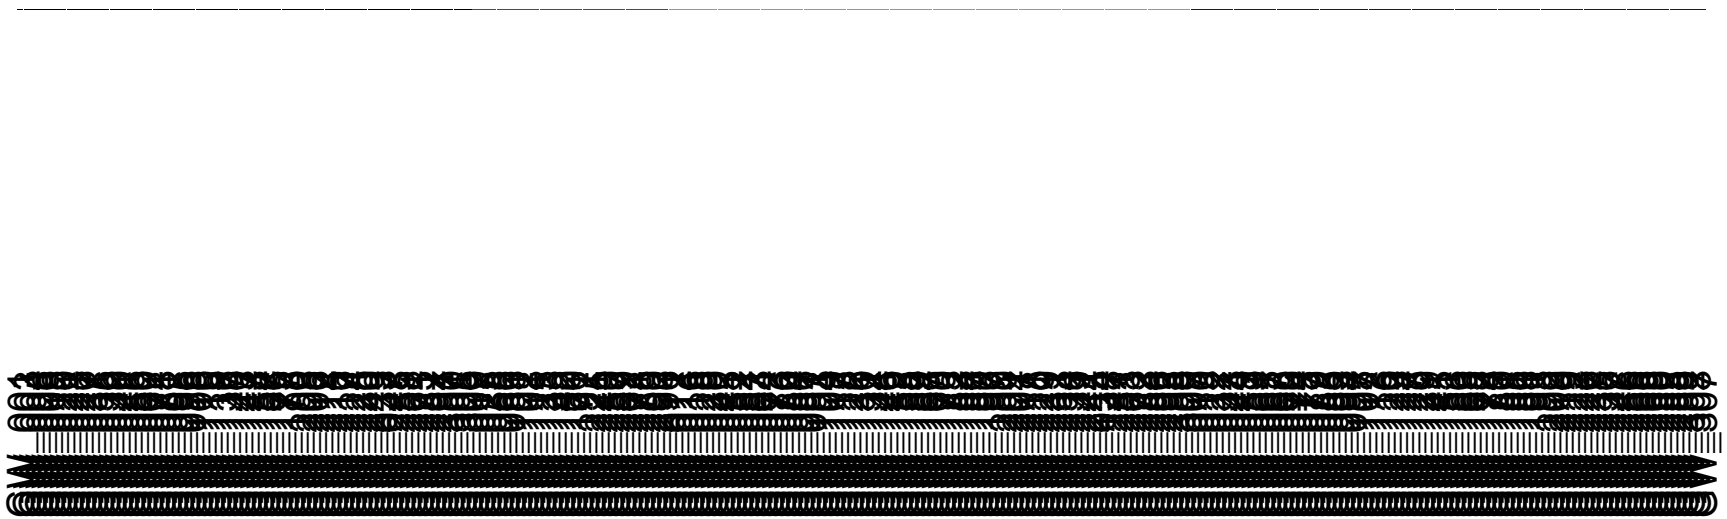

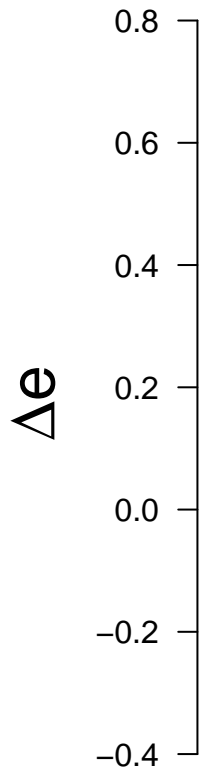

tRNA modification

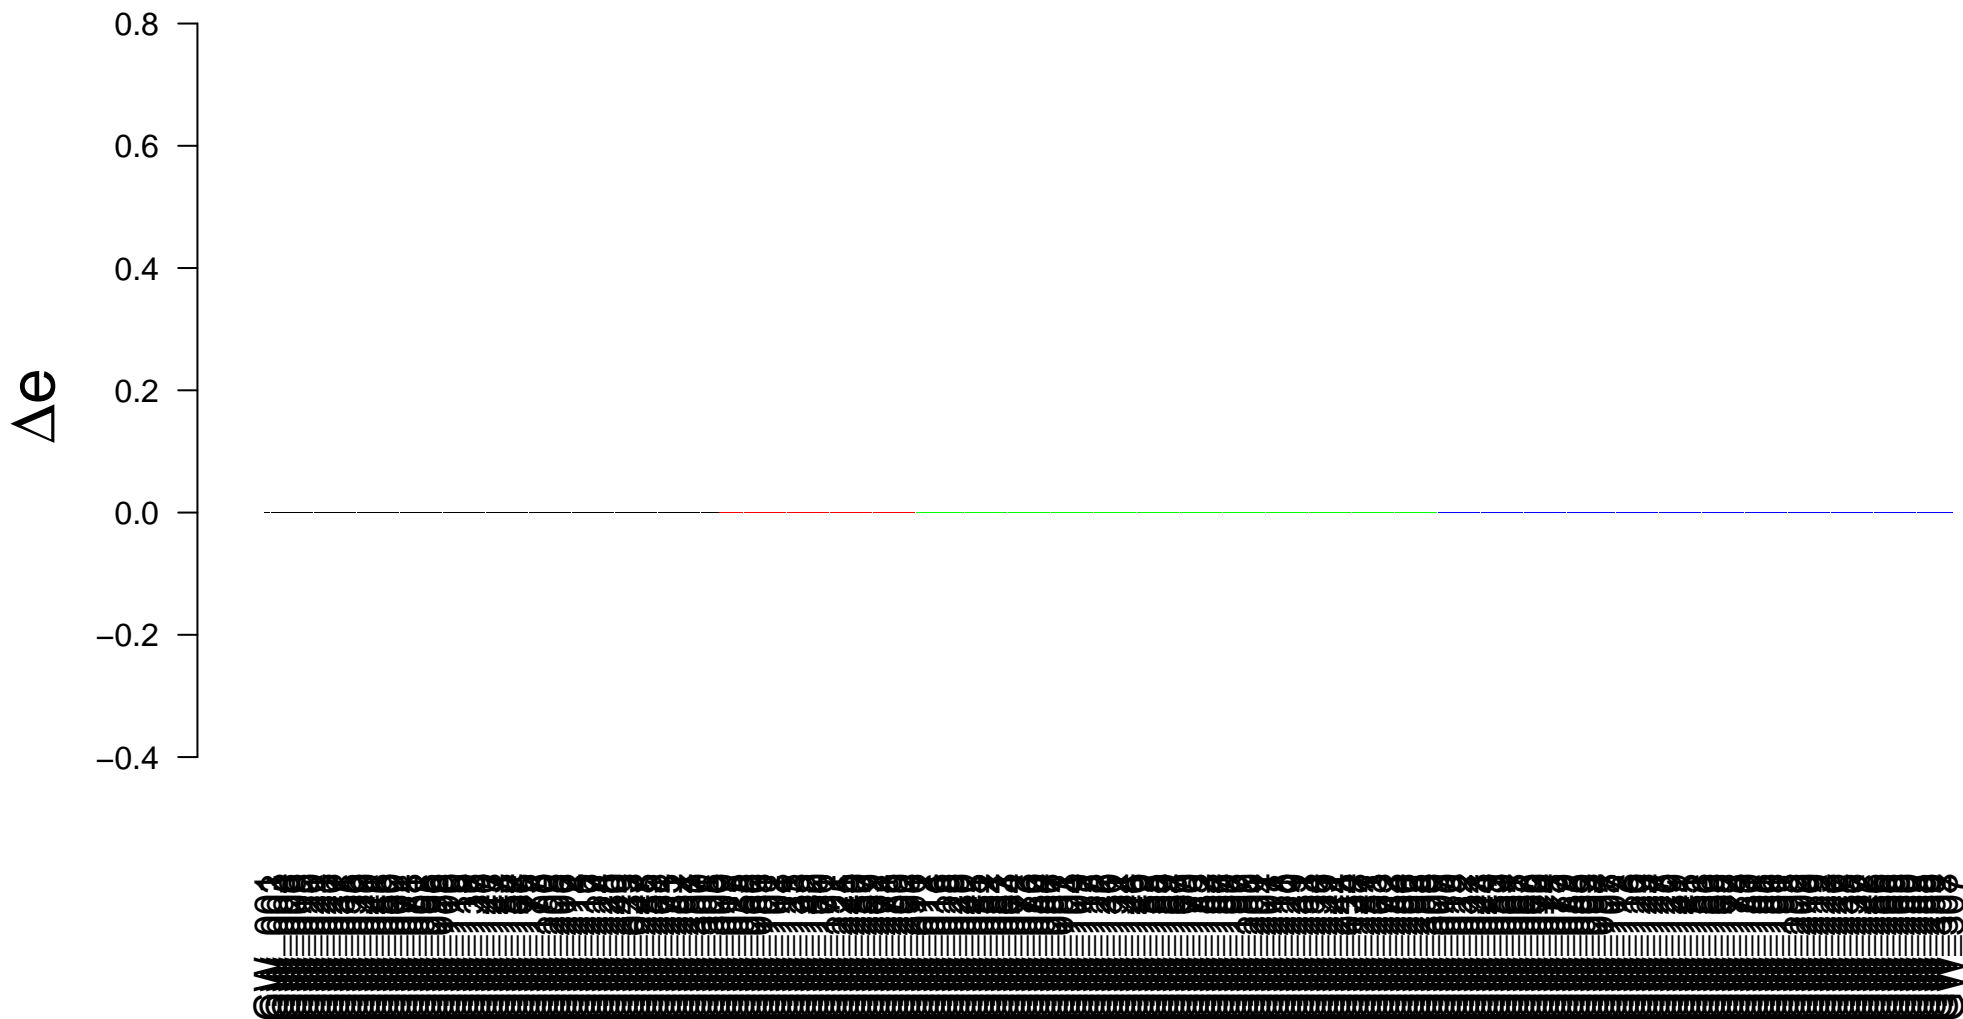

Enrichment in spots: tRNA modification

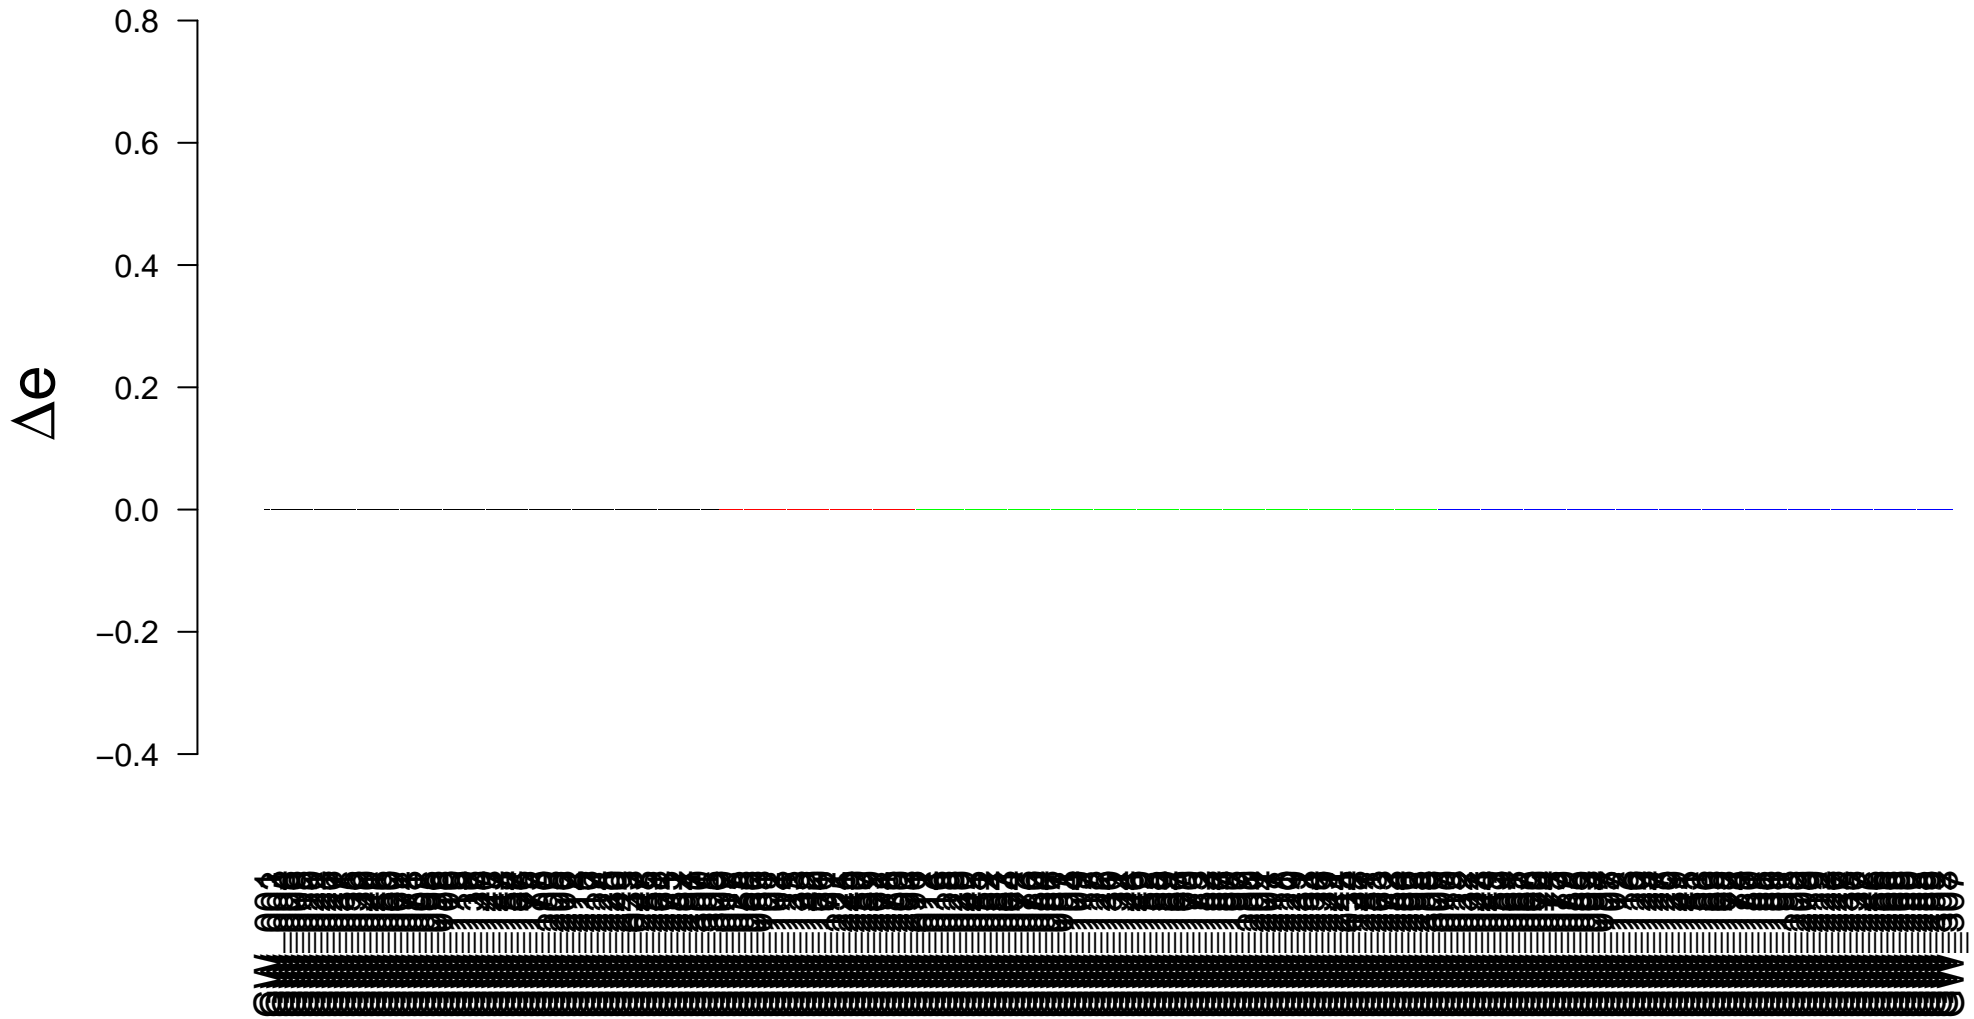

Expression of tRNA modification in Spot A

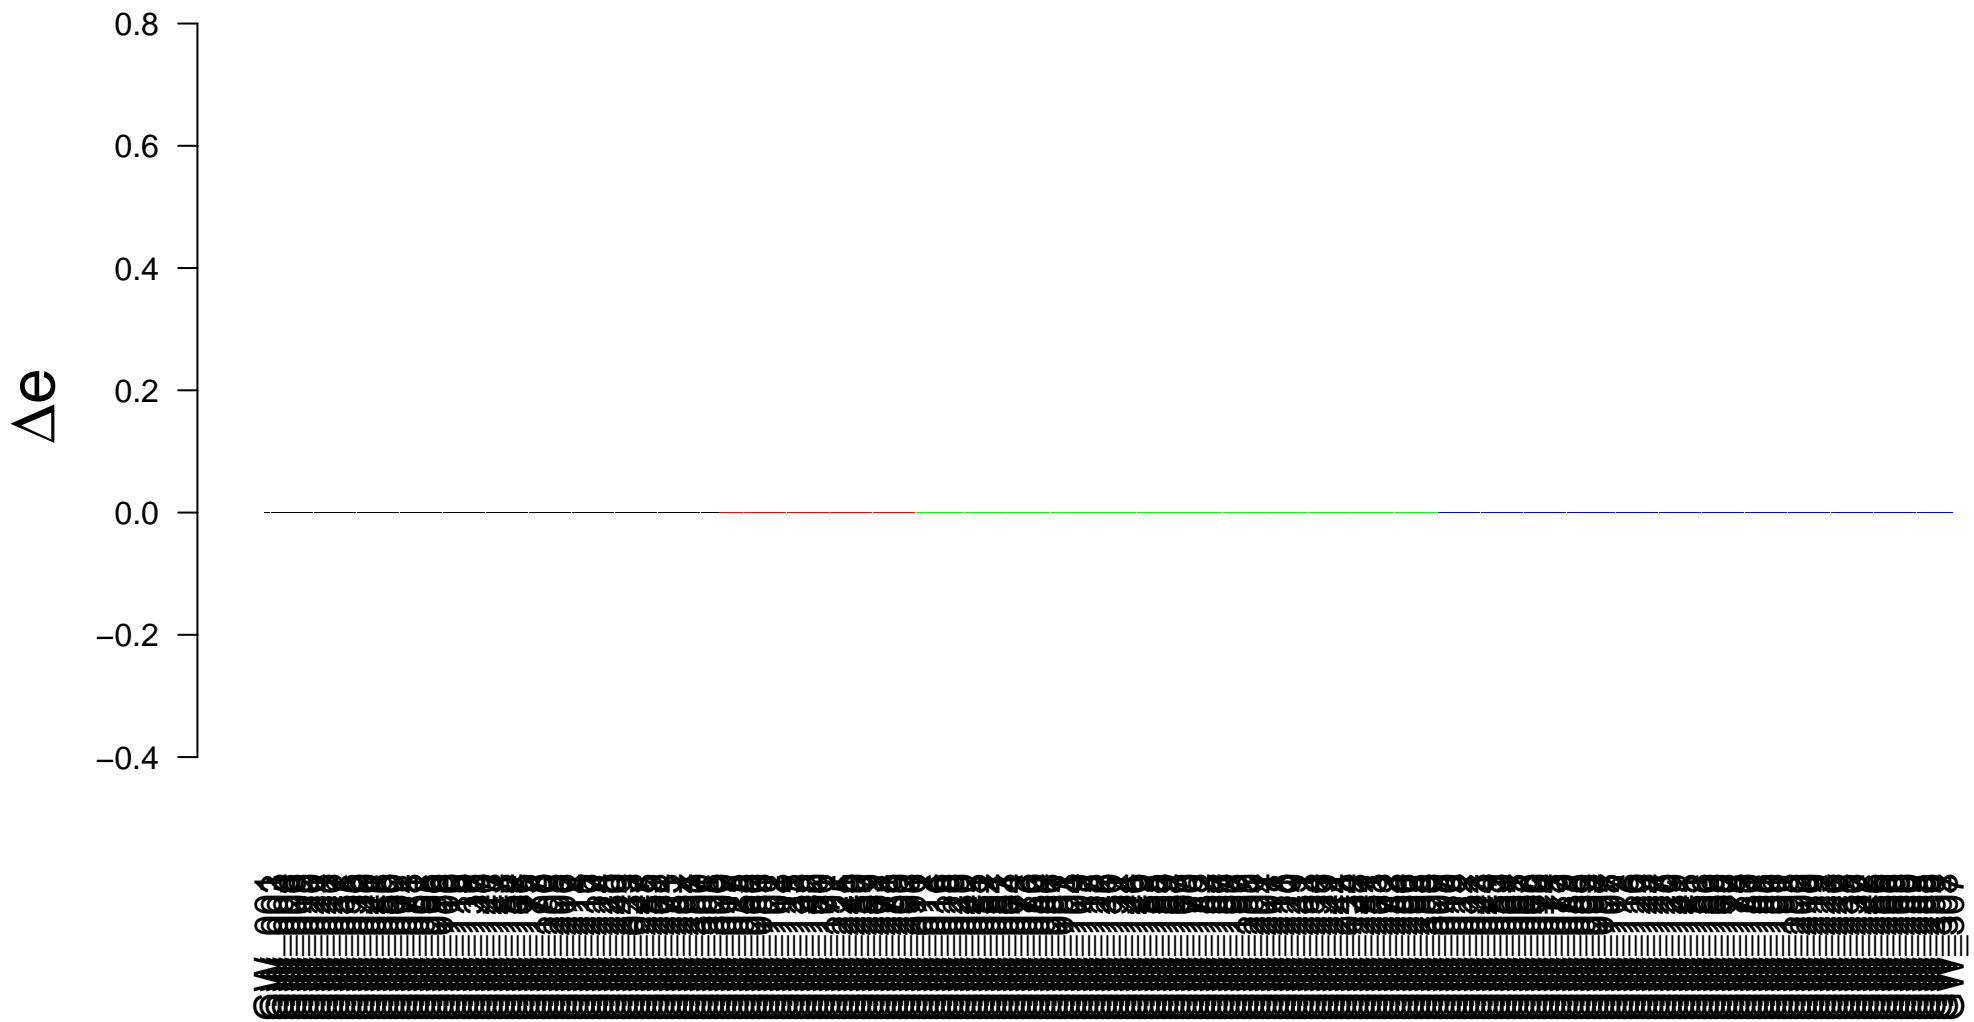

Expression of tRNA modification in Spot B

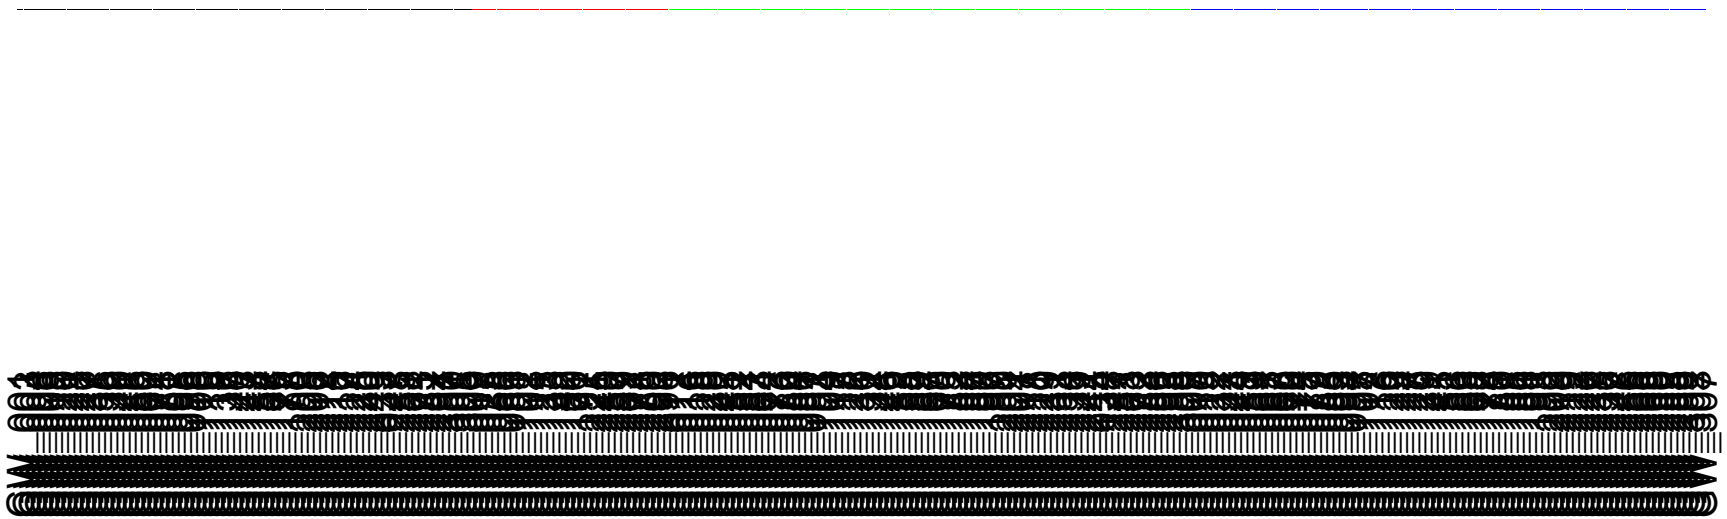

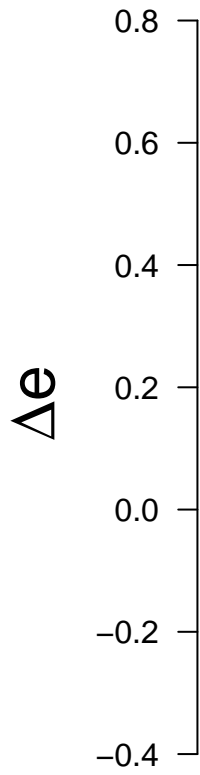

Expression of tRNA modification in Spot C

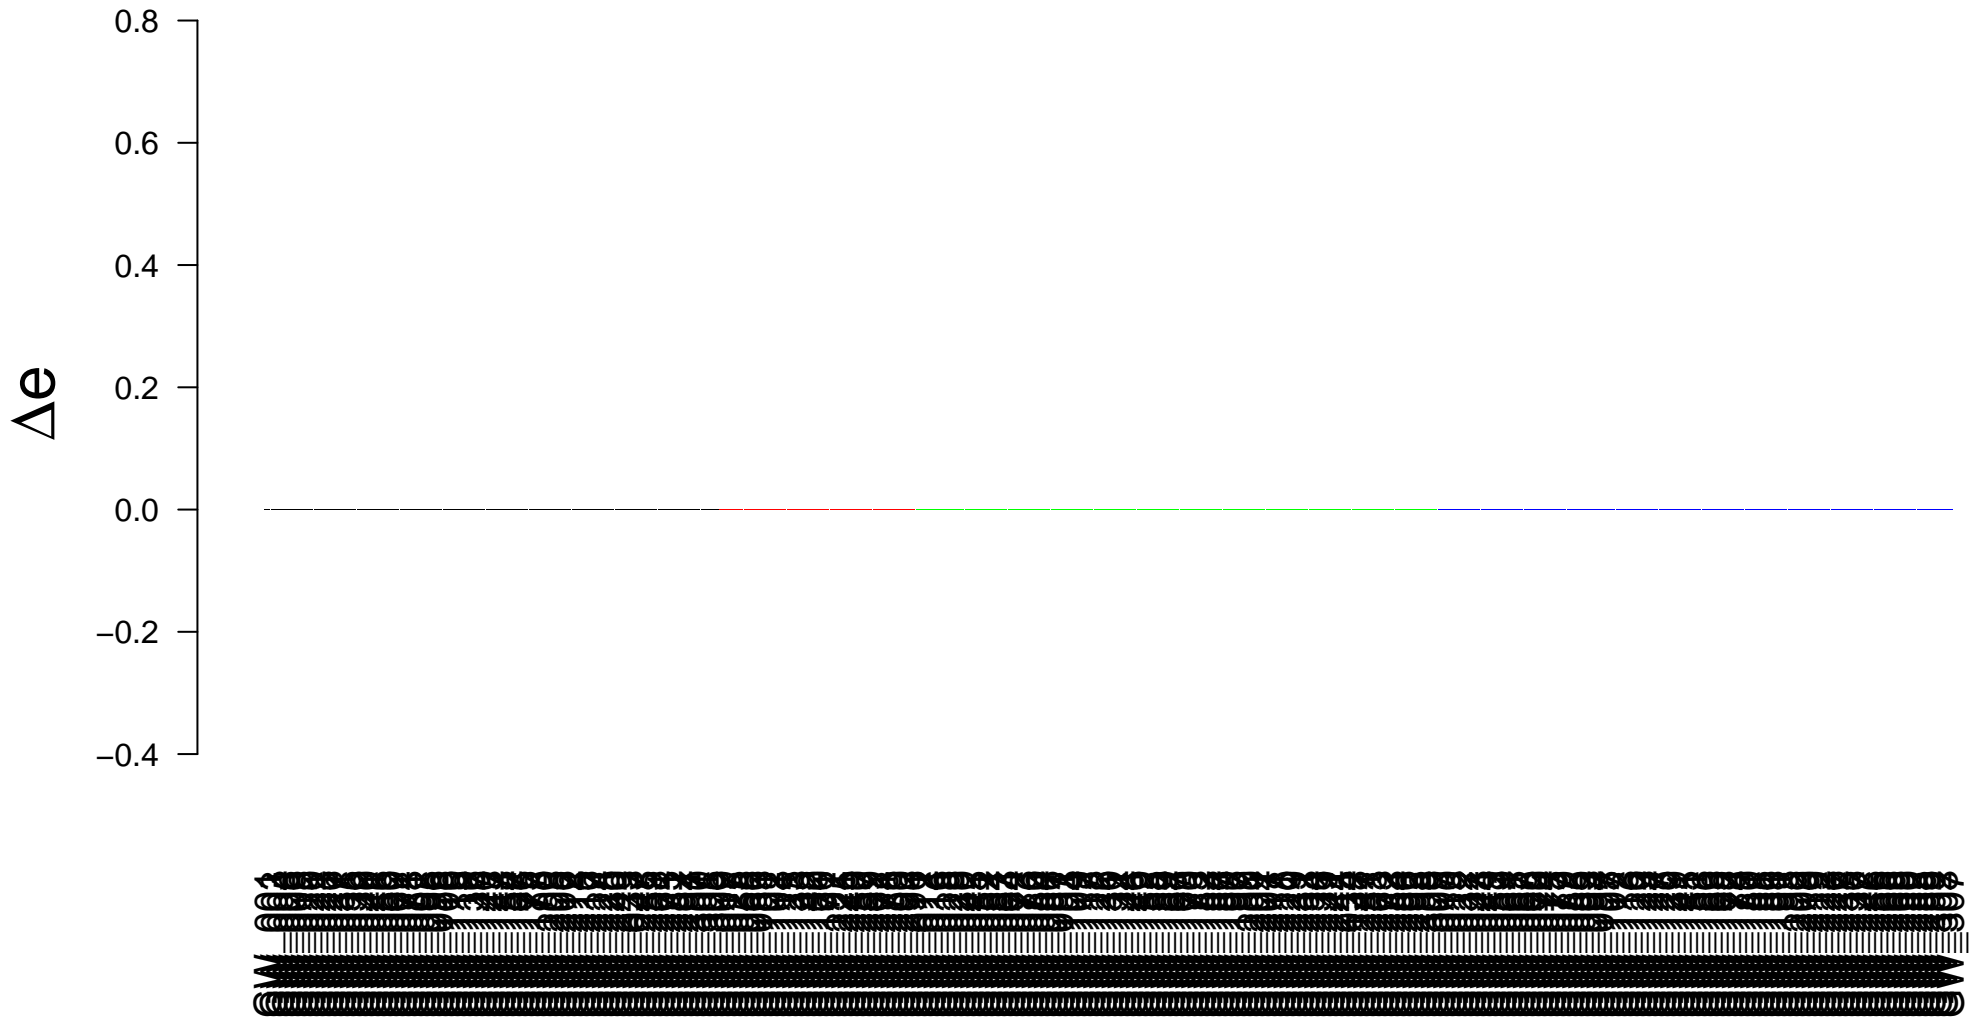

Expression of tRNA modification in Spot D

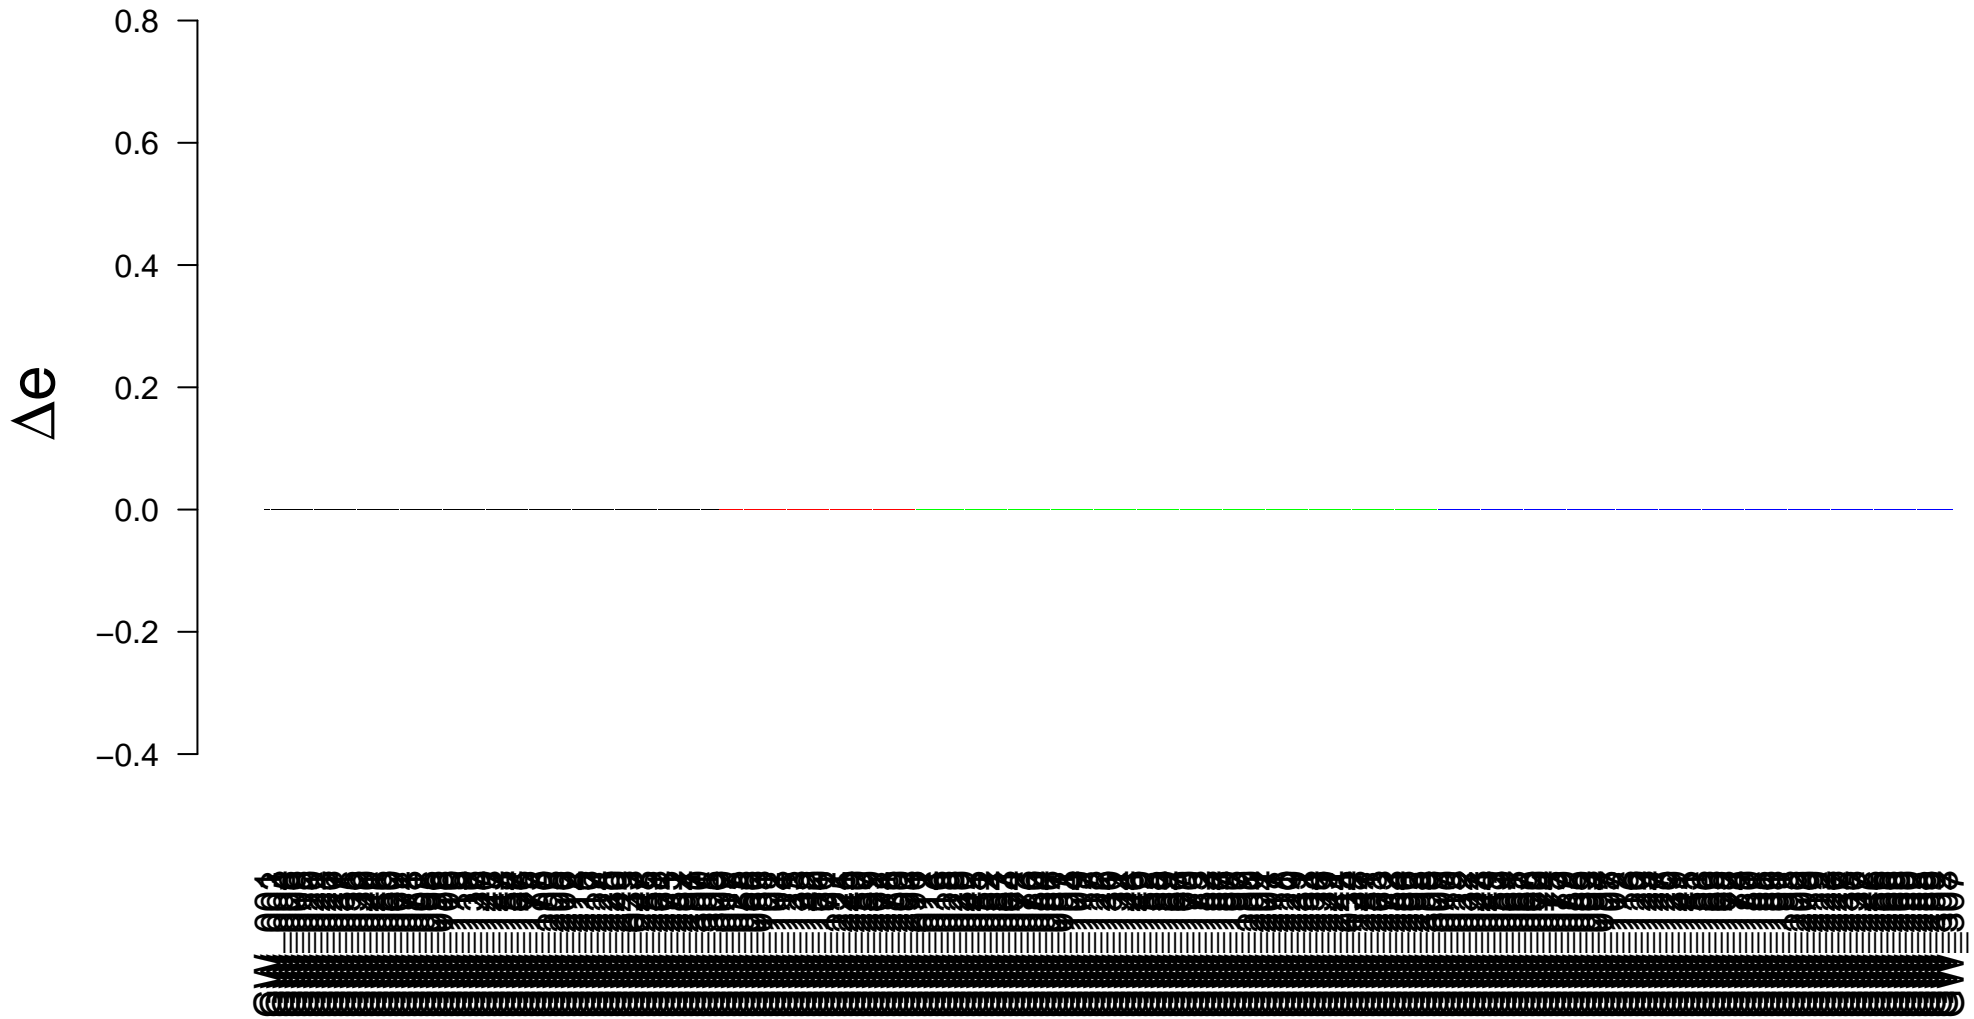

Expression of tRNA modification in Spot E

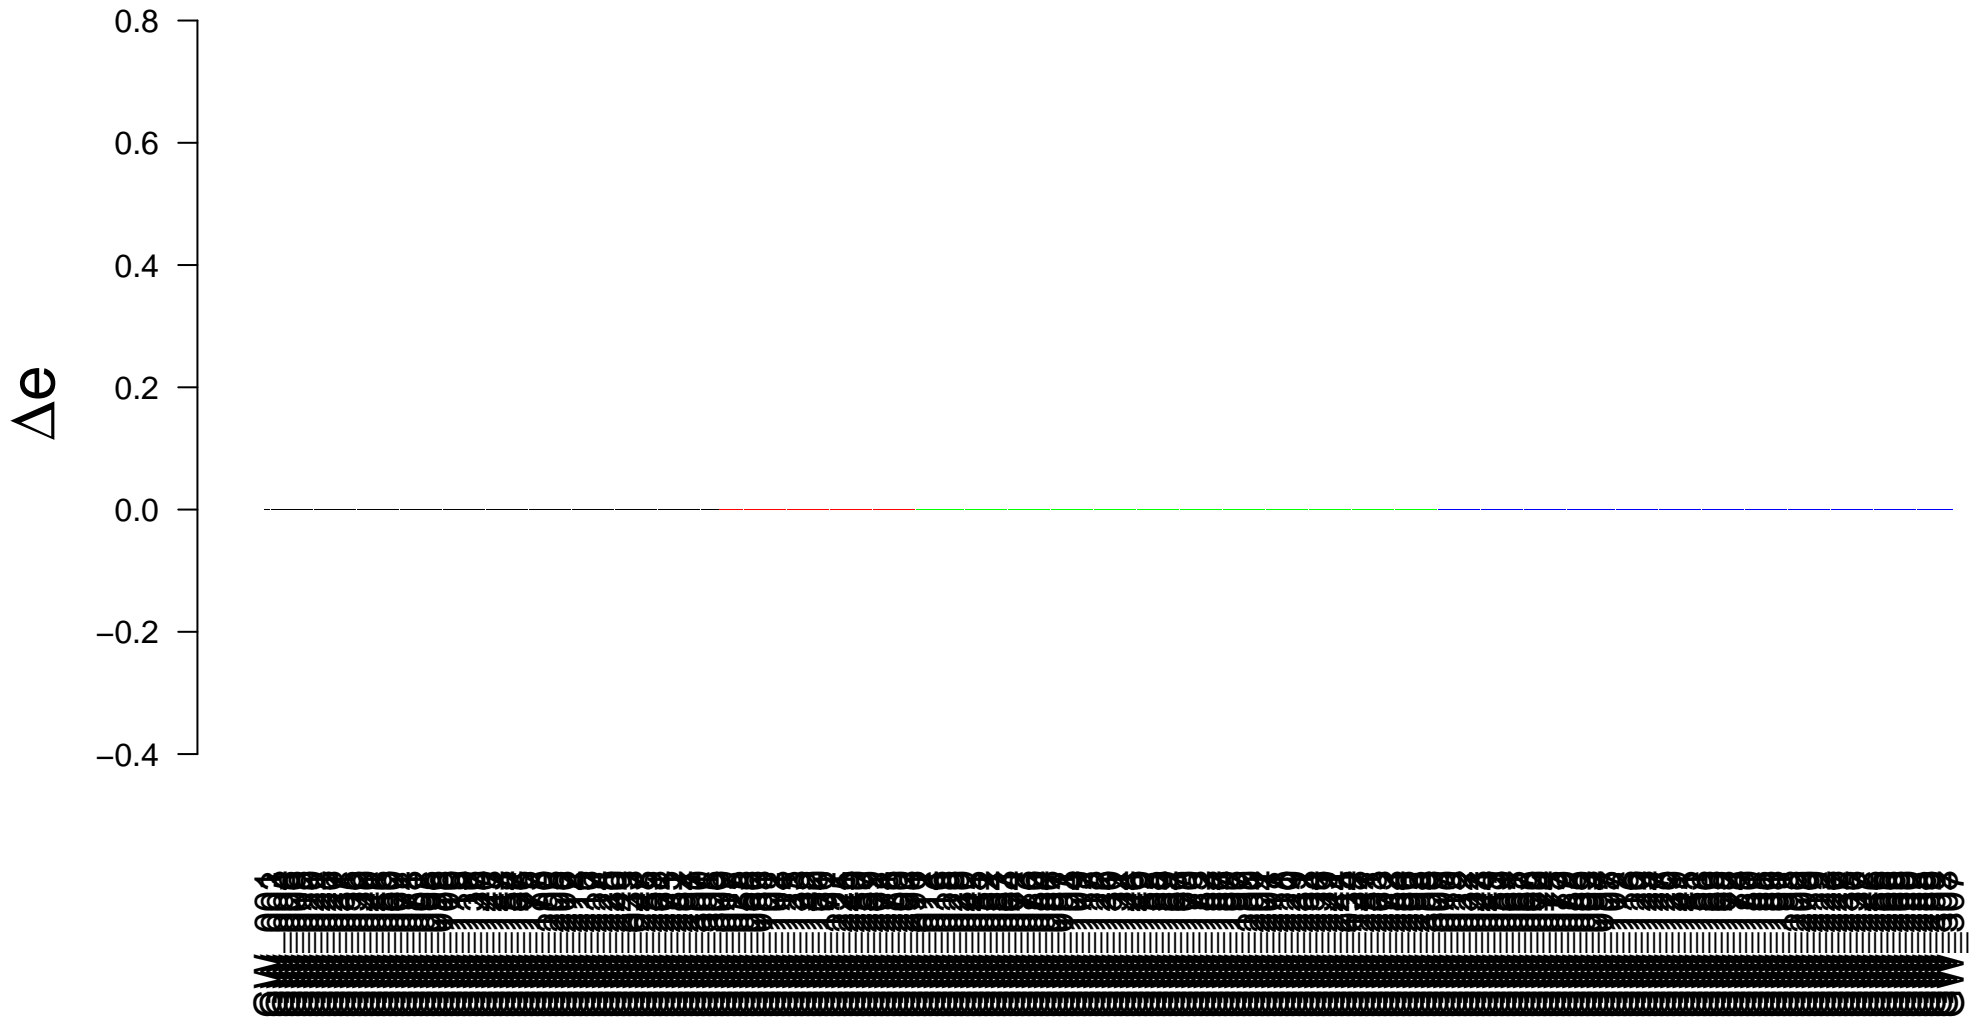

Expression of tRNA modification in Spot F

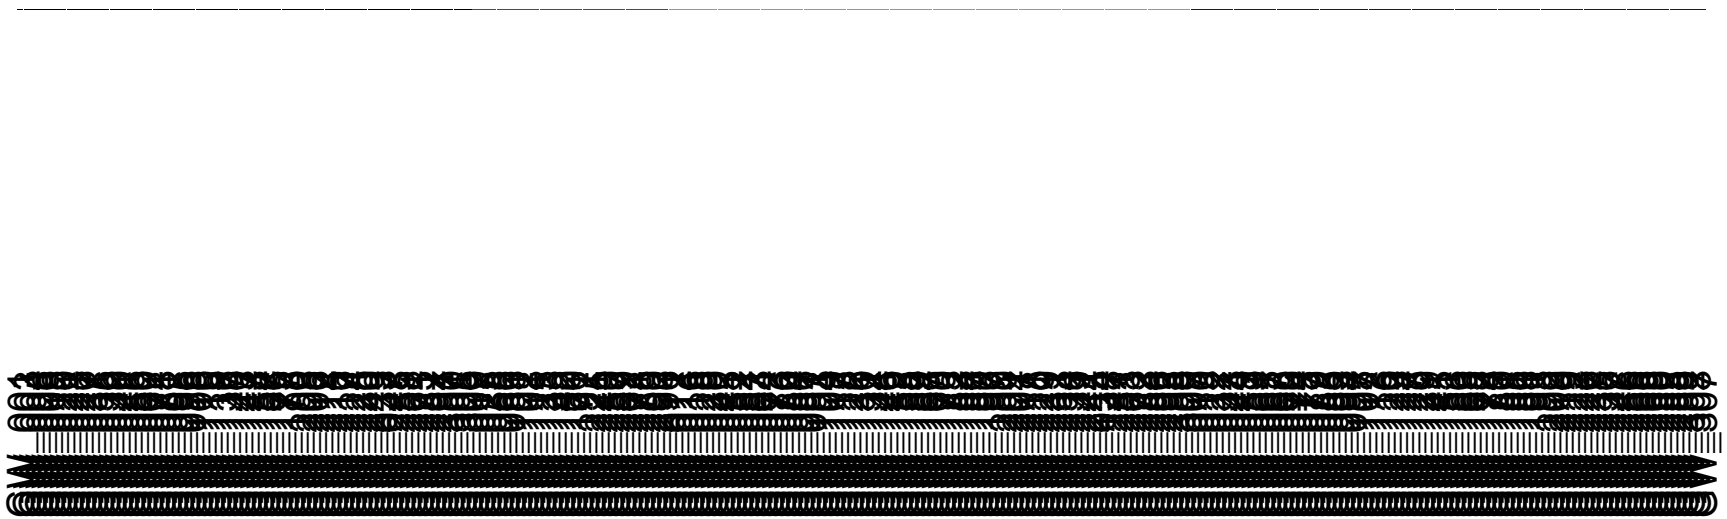

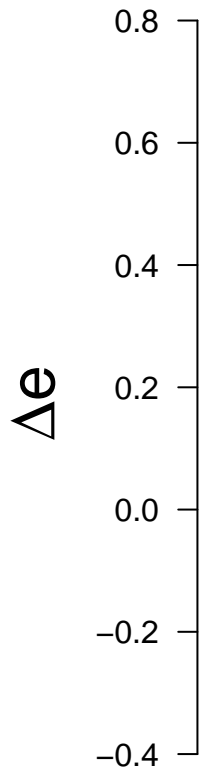

Expression of tRNA modification in Spot G

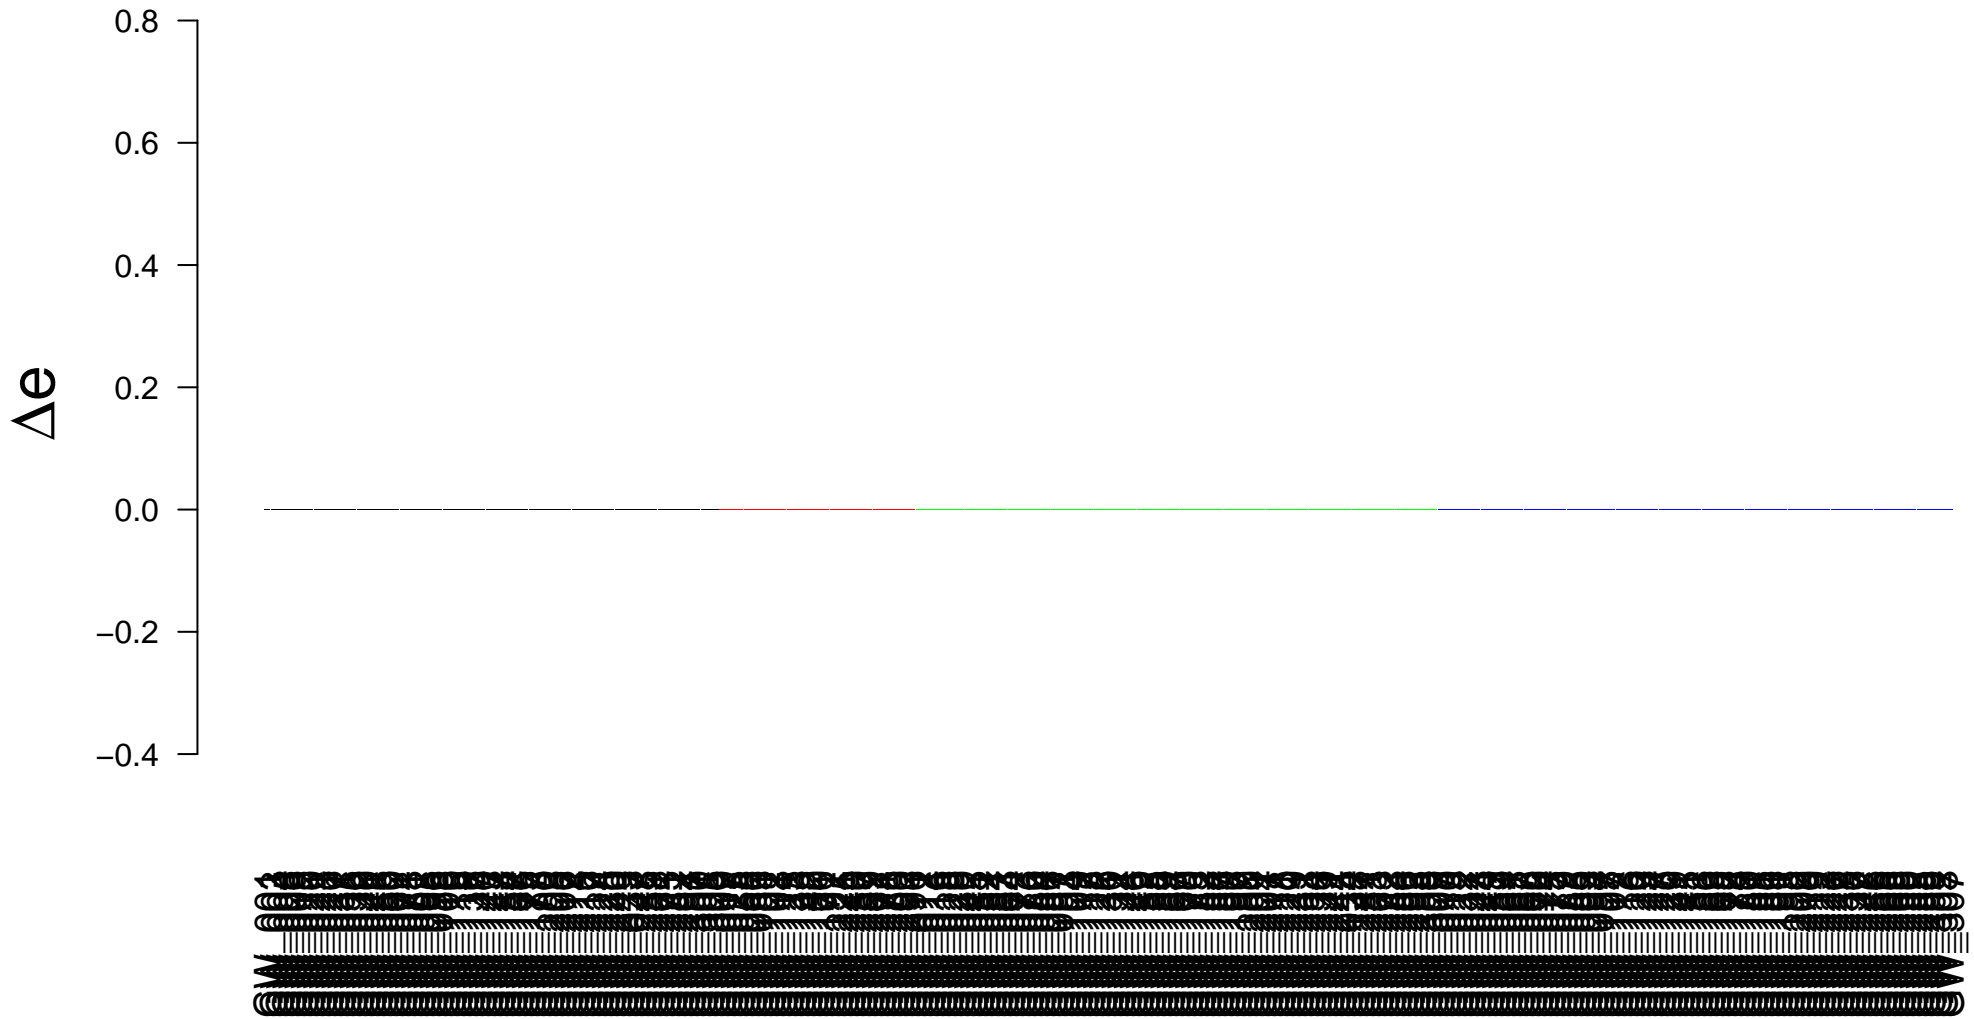

Expression of tRNA modification in Spot H

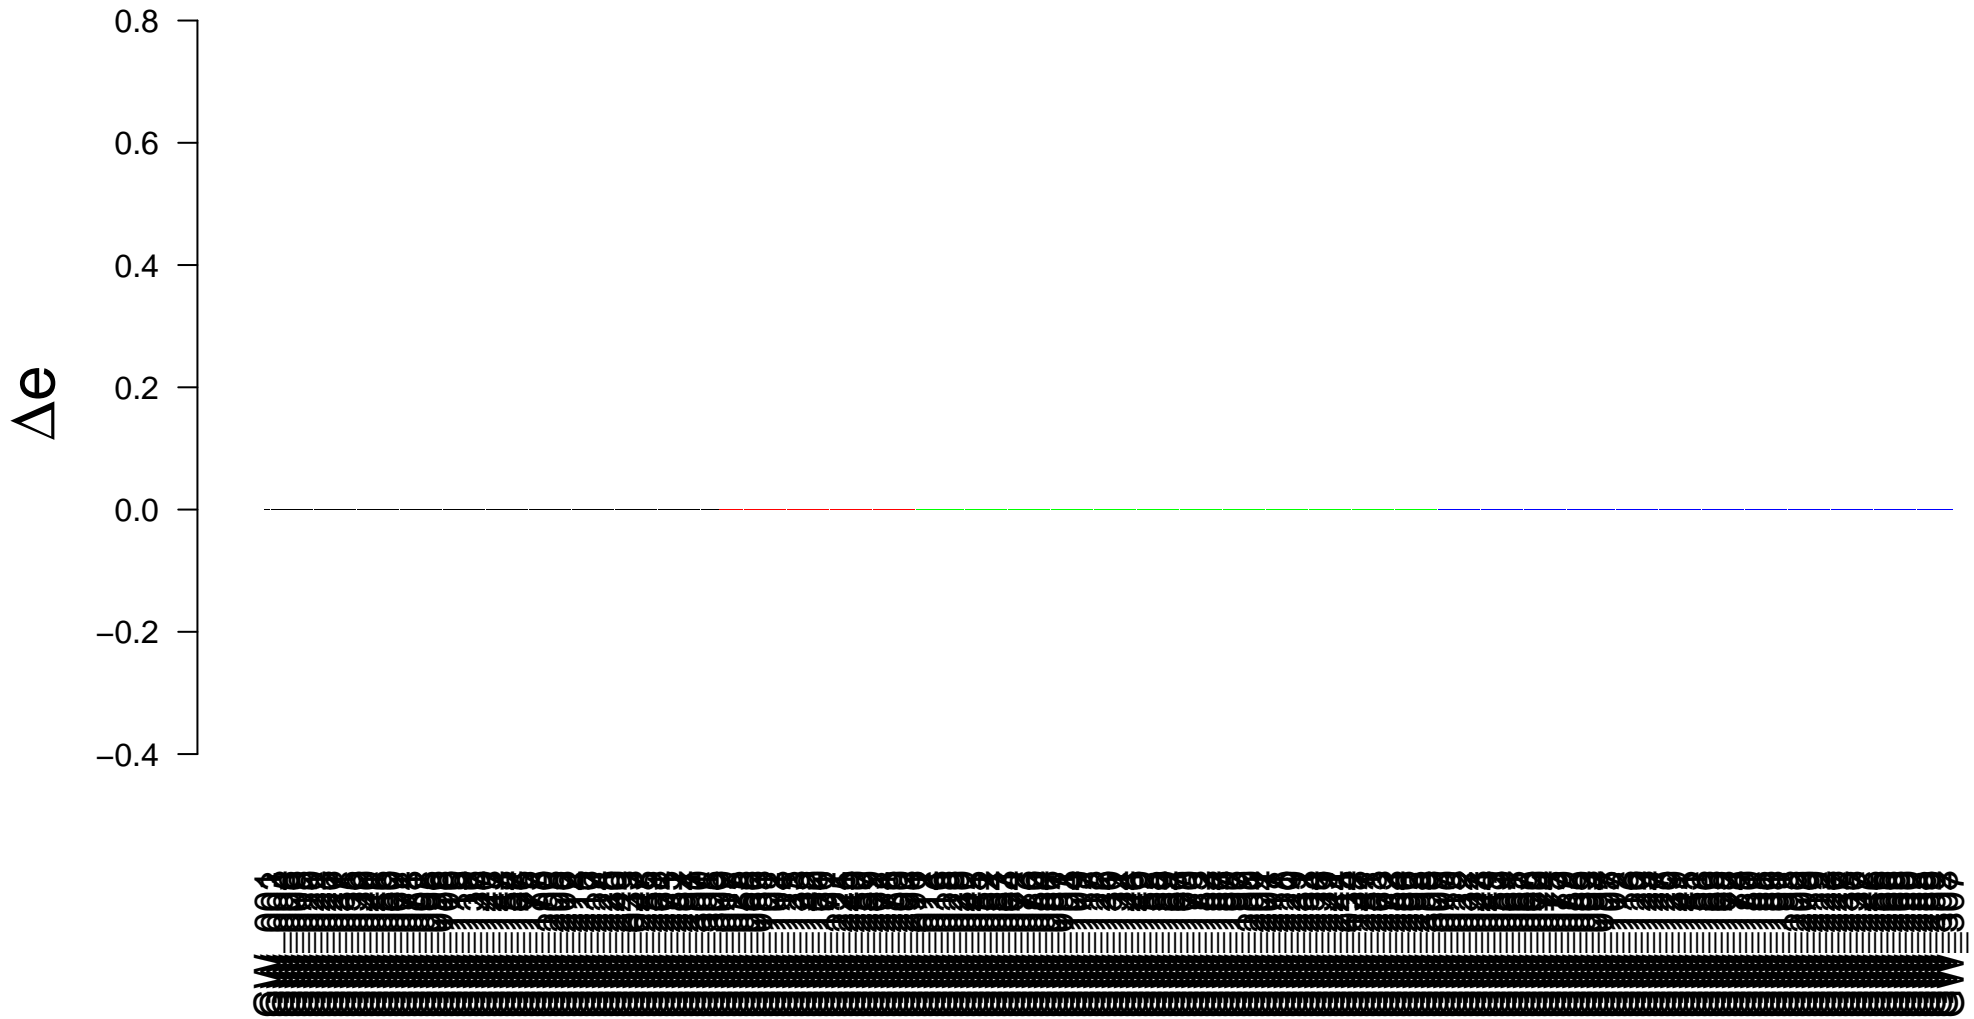

Expression of tRNA modification in Spot I

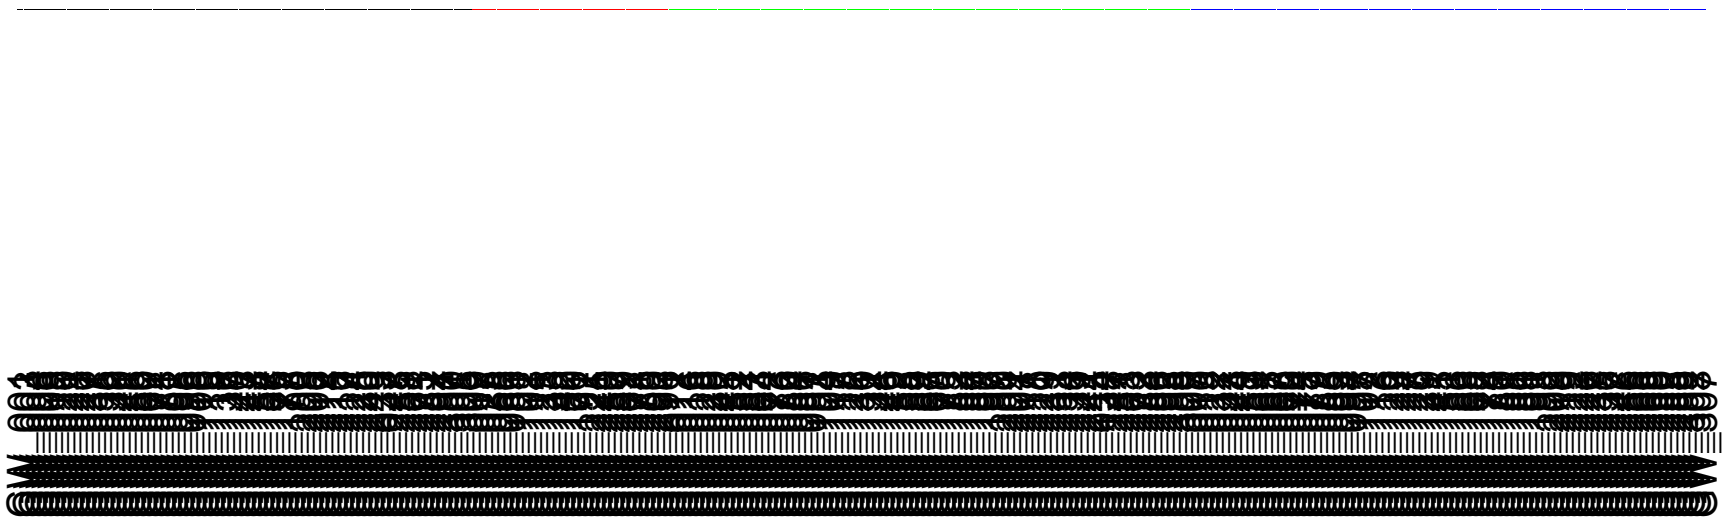

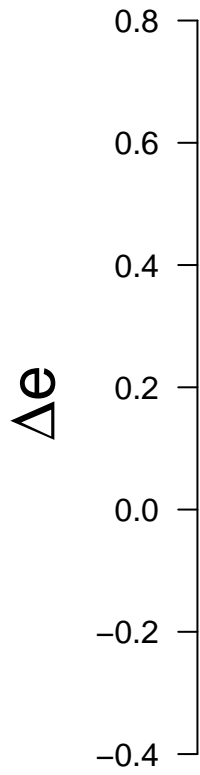

Expression of tRNA modification in Spot J

Expression of tRNA modification in Spot K

Expression of tRNA modification in Spot L

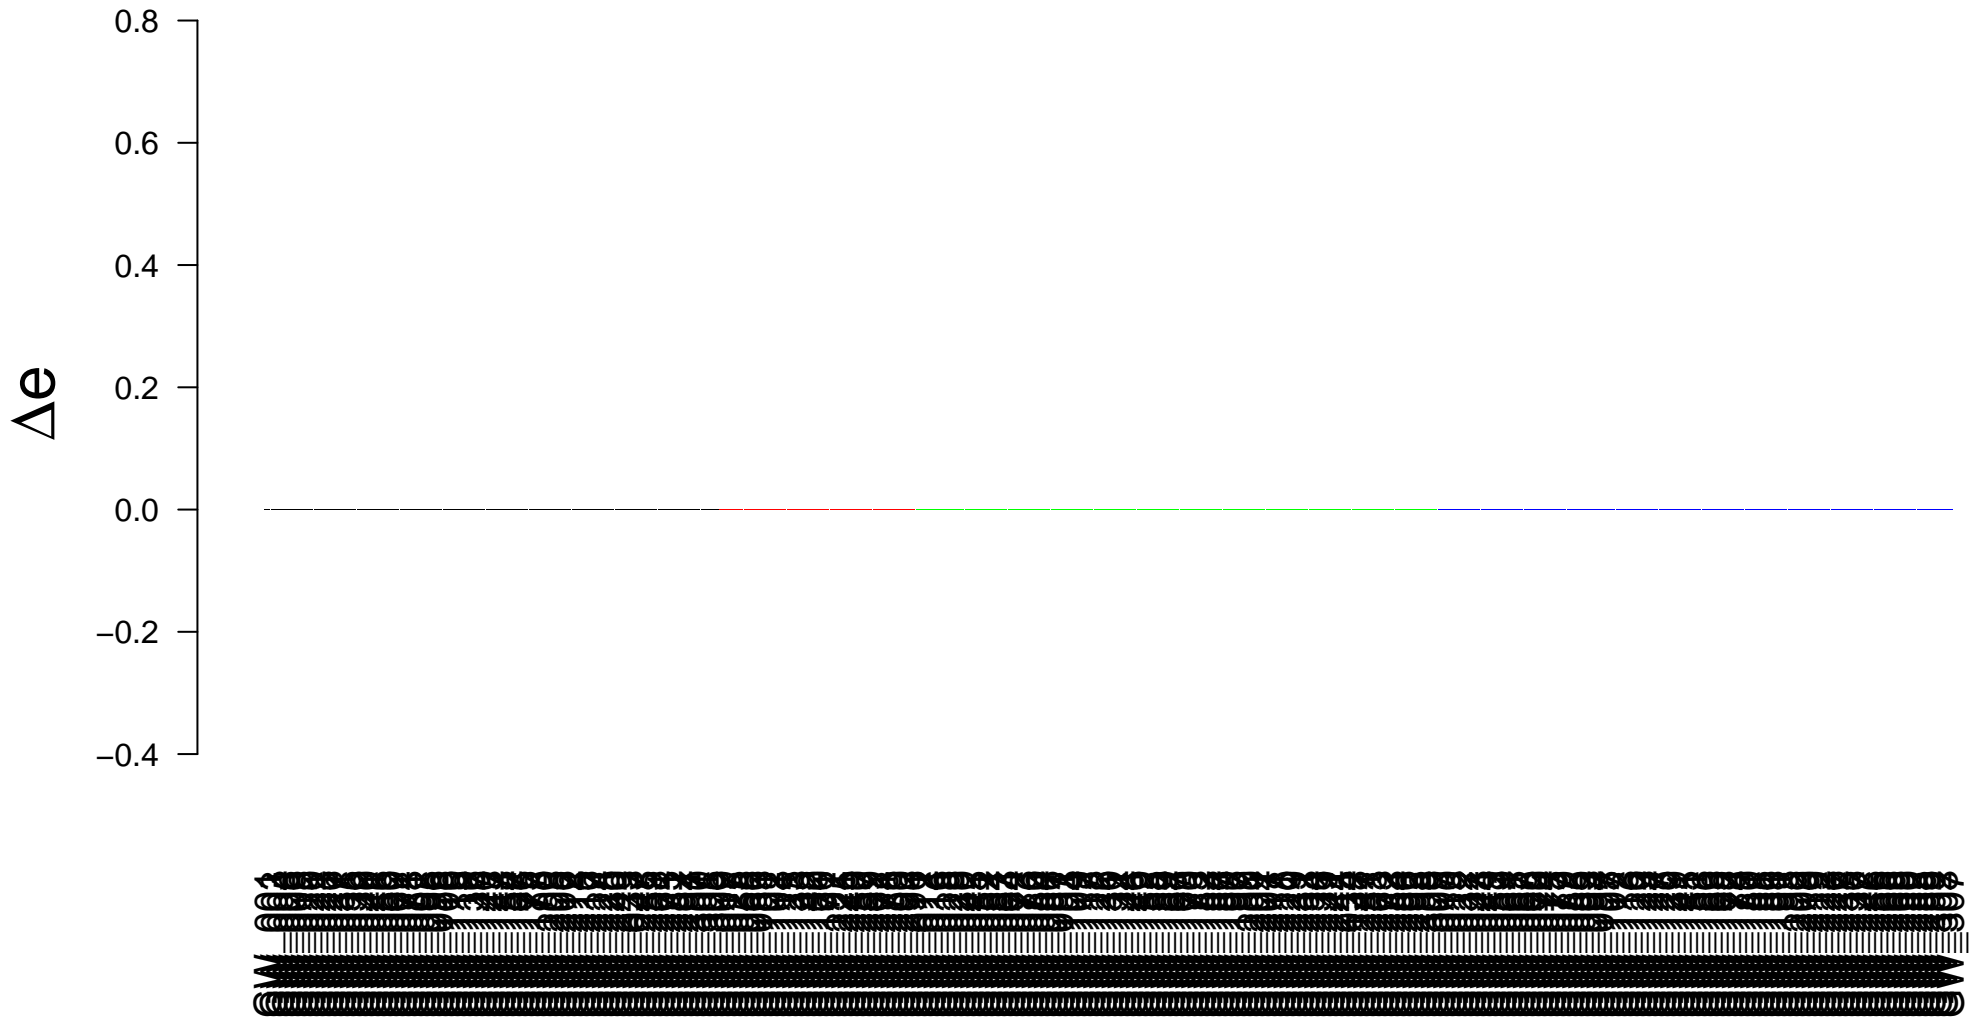

Expression of tRNA modification in Spot M
