

tau-protein kinase activity

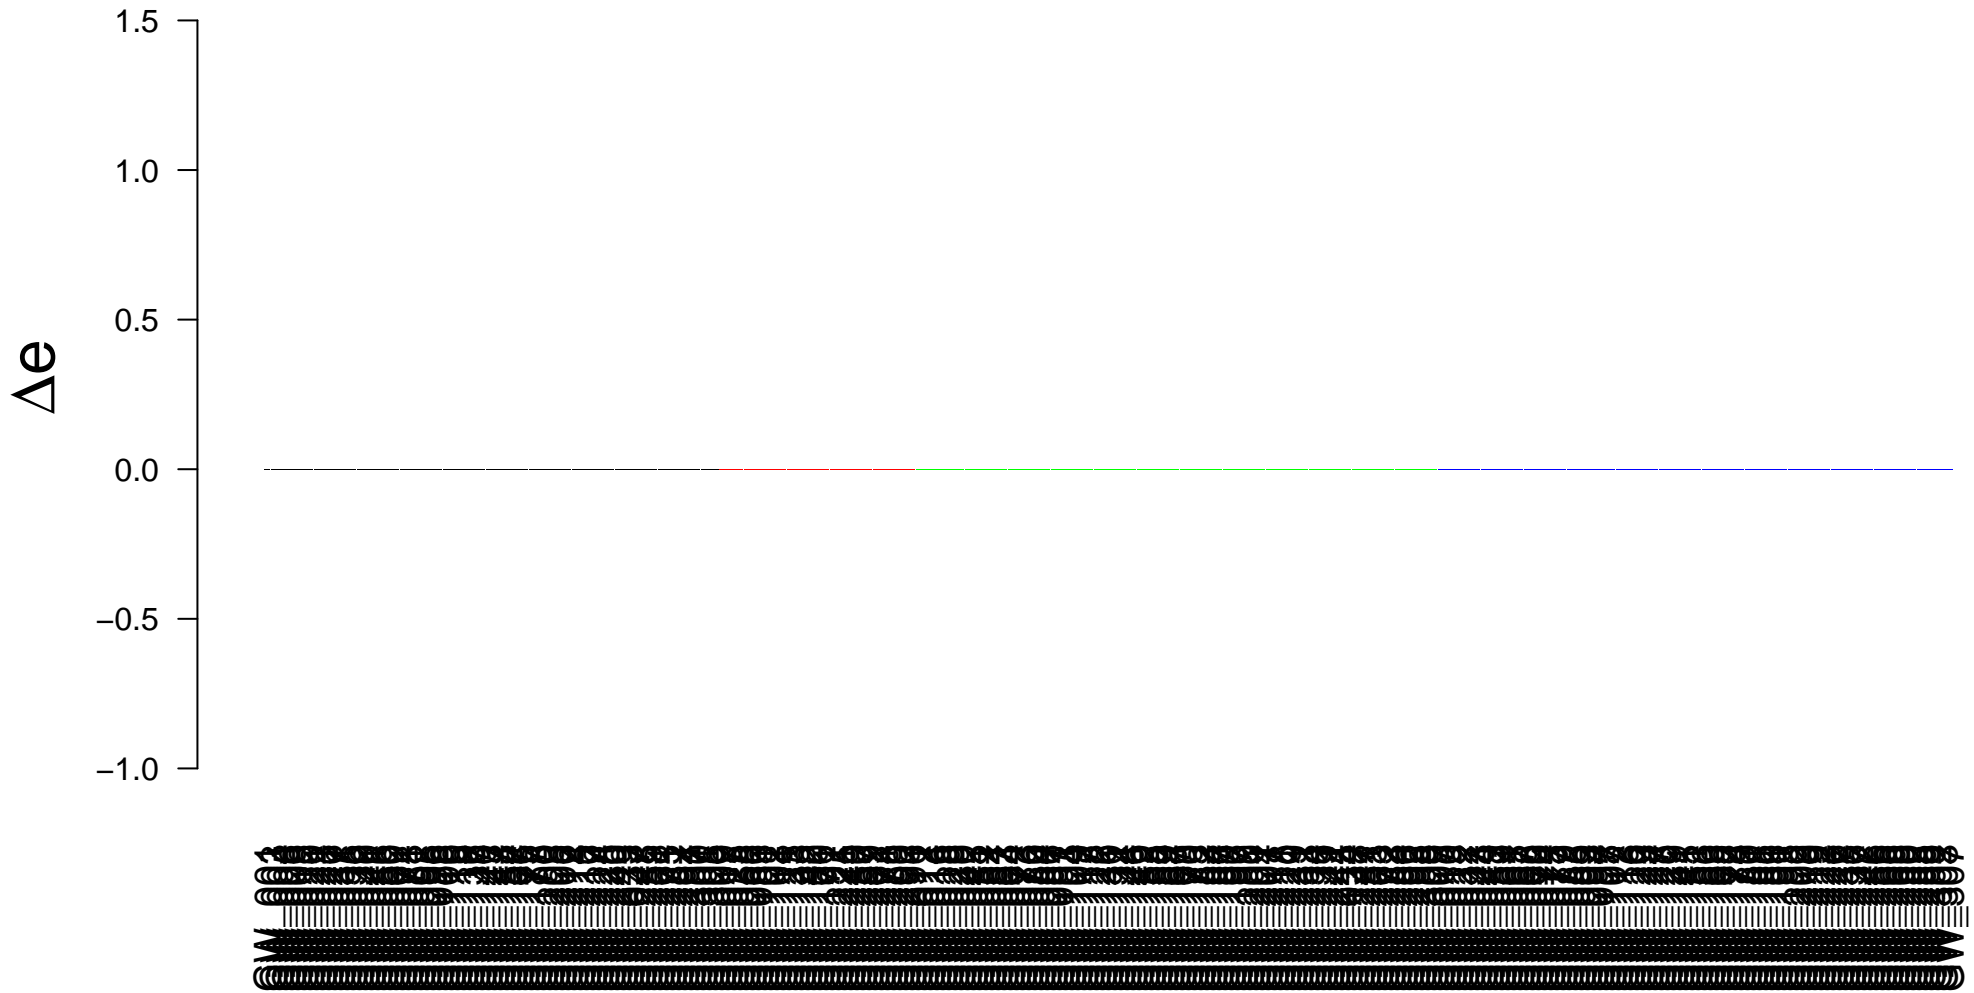

tau-protein kinase activity

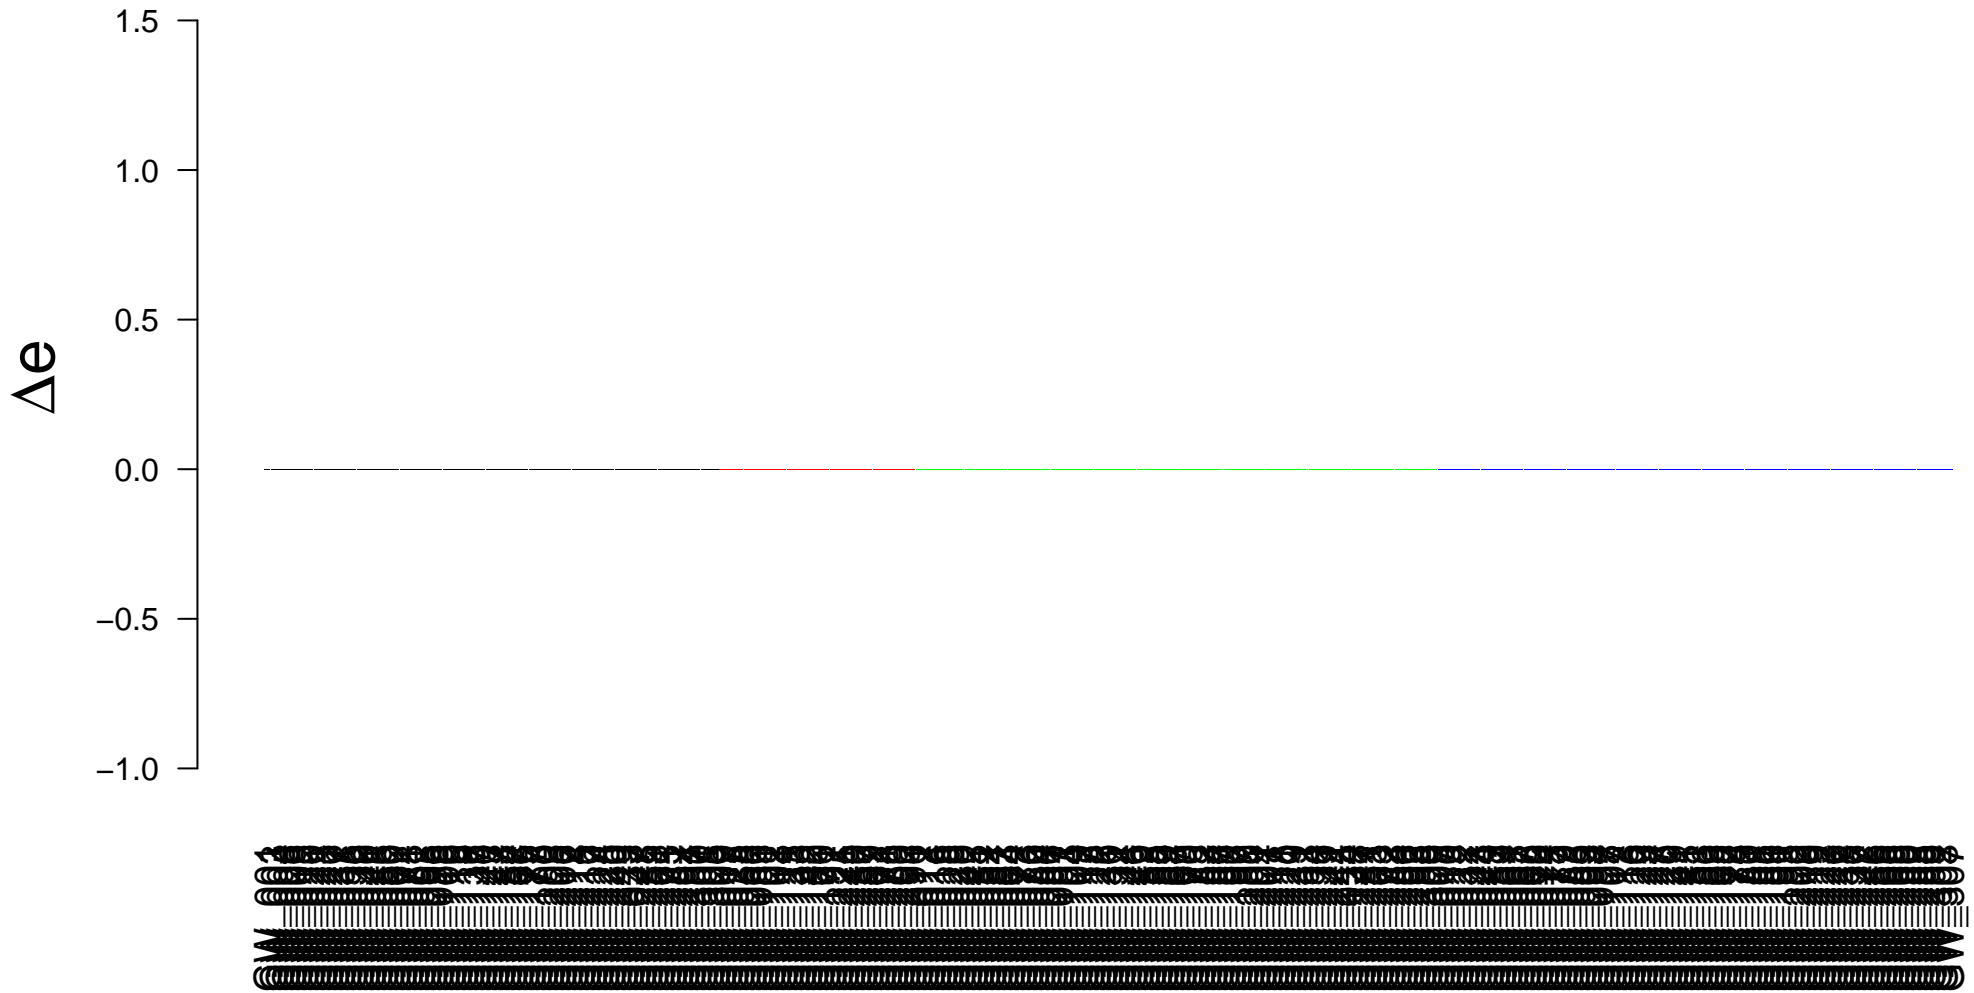

# Enrichment in spots: tau-protein kinase activity

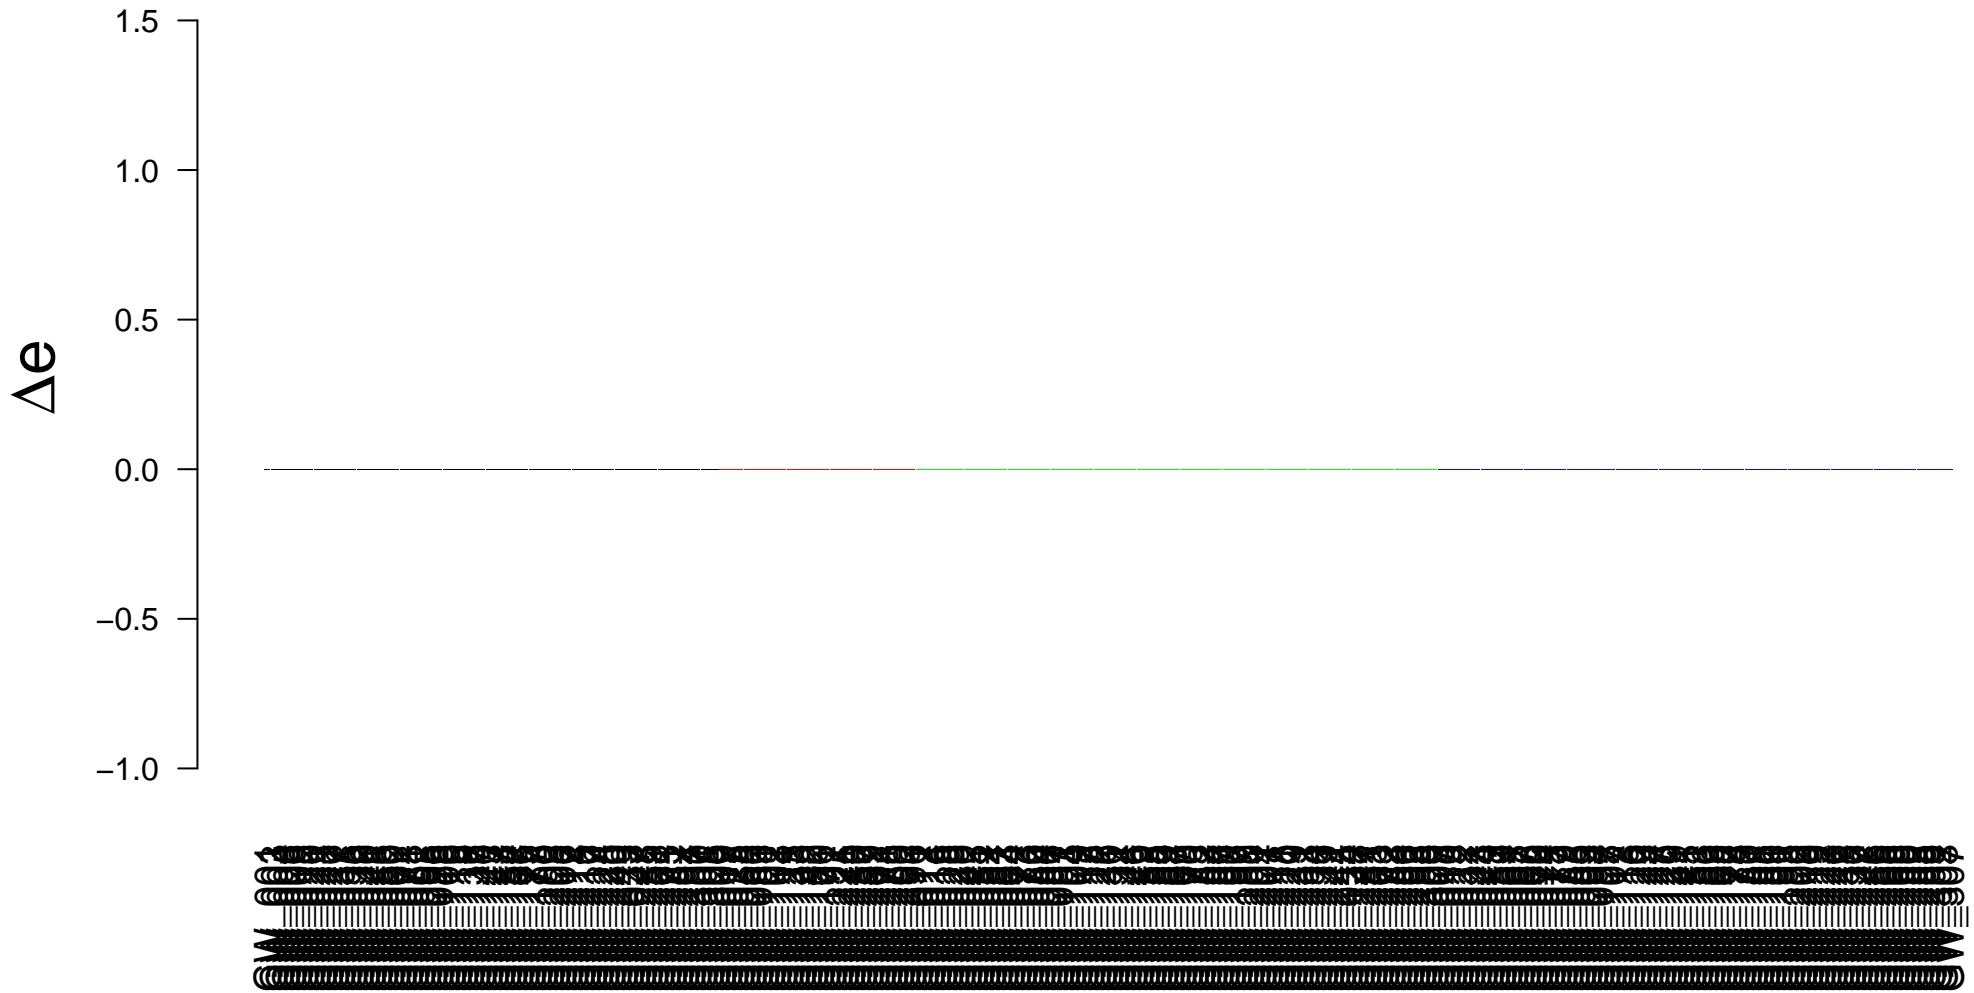

# Expression of tau-protein kinase activity in Spot A

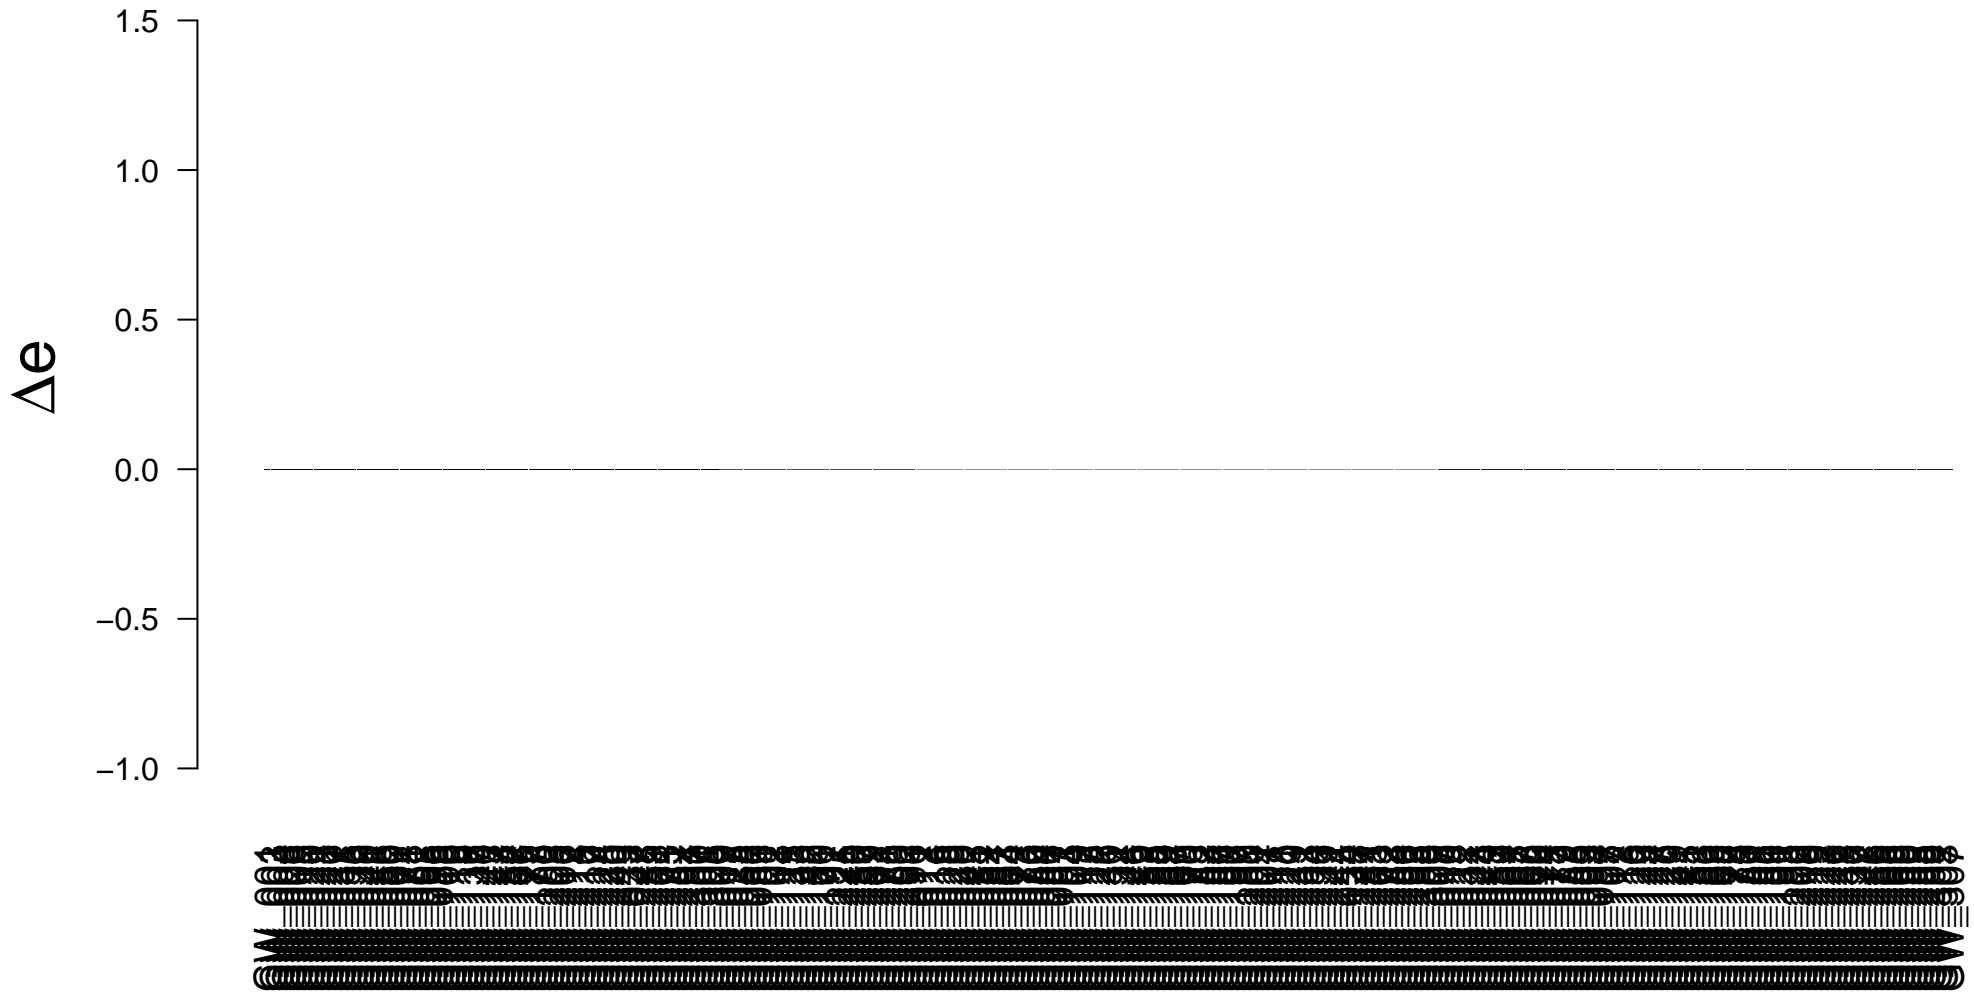

# Expression of tau-protein kinase activity in Spot B

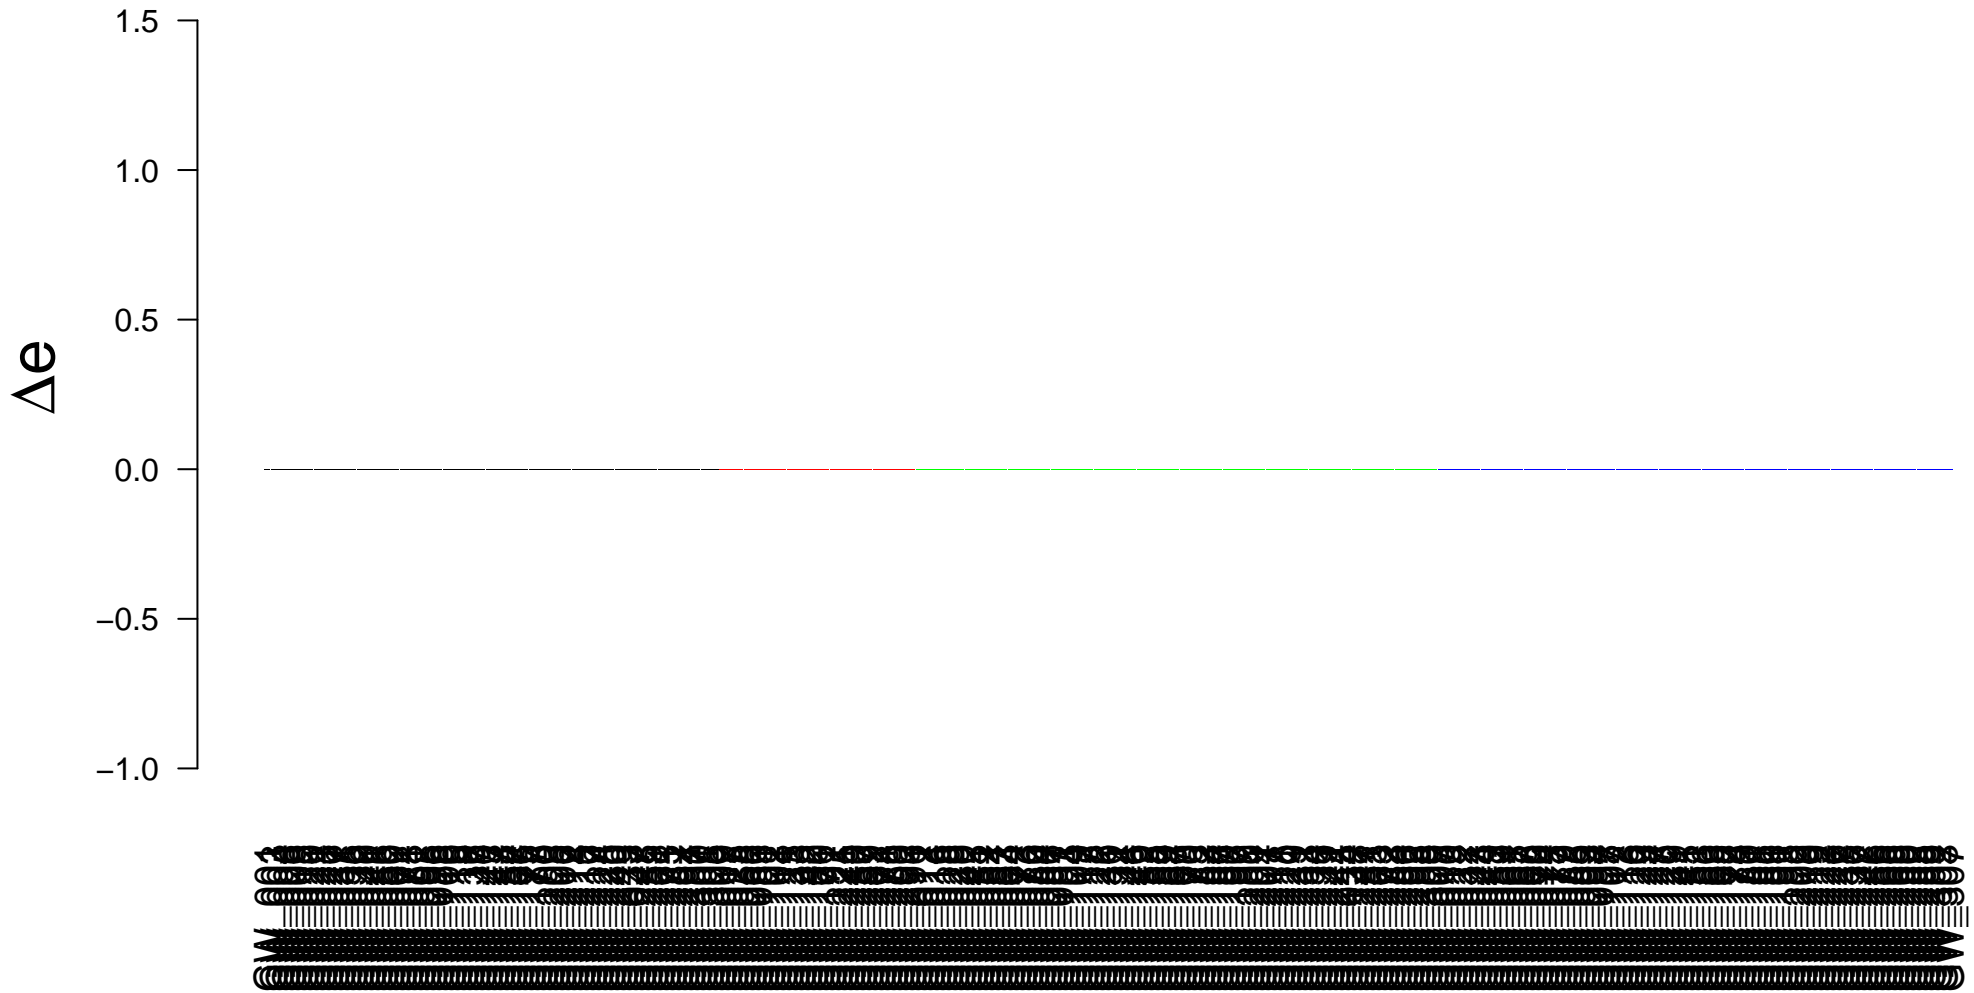

# Expression of tau-protein kinase activity in Spot C

# Expression of tau-protein kinase activity in Spot D

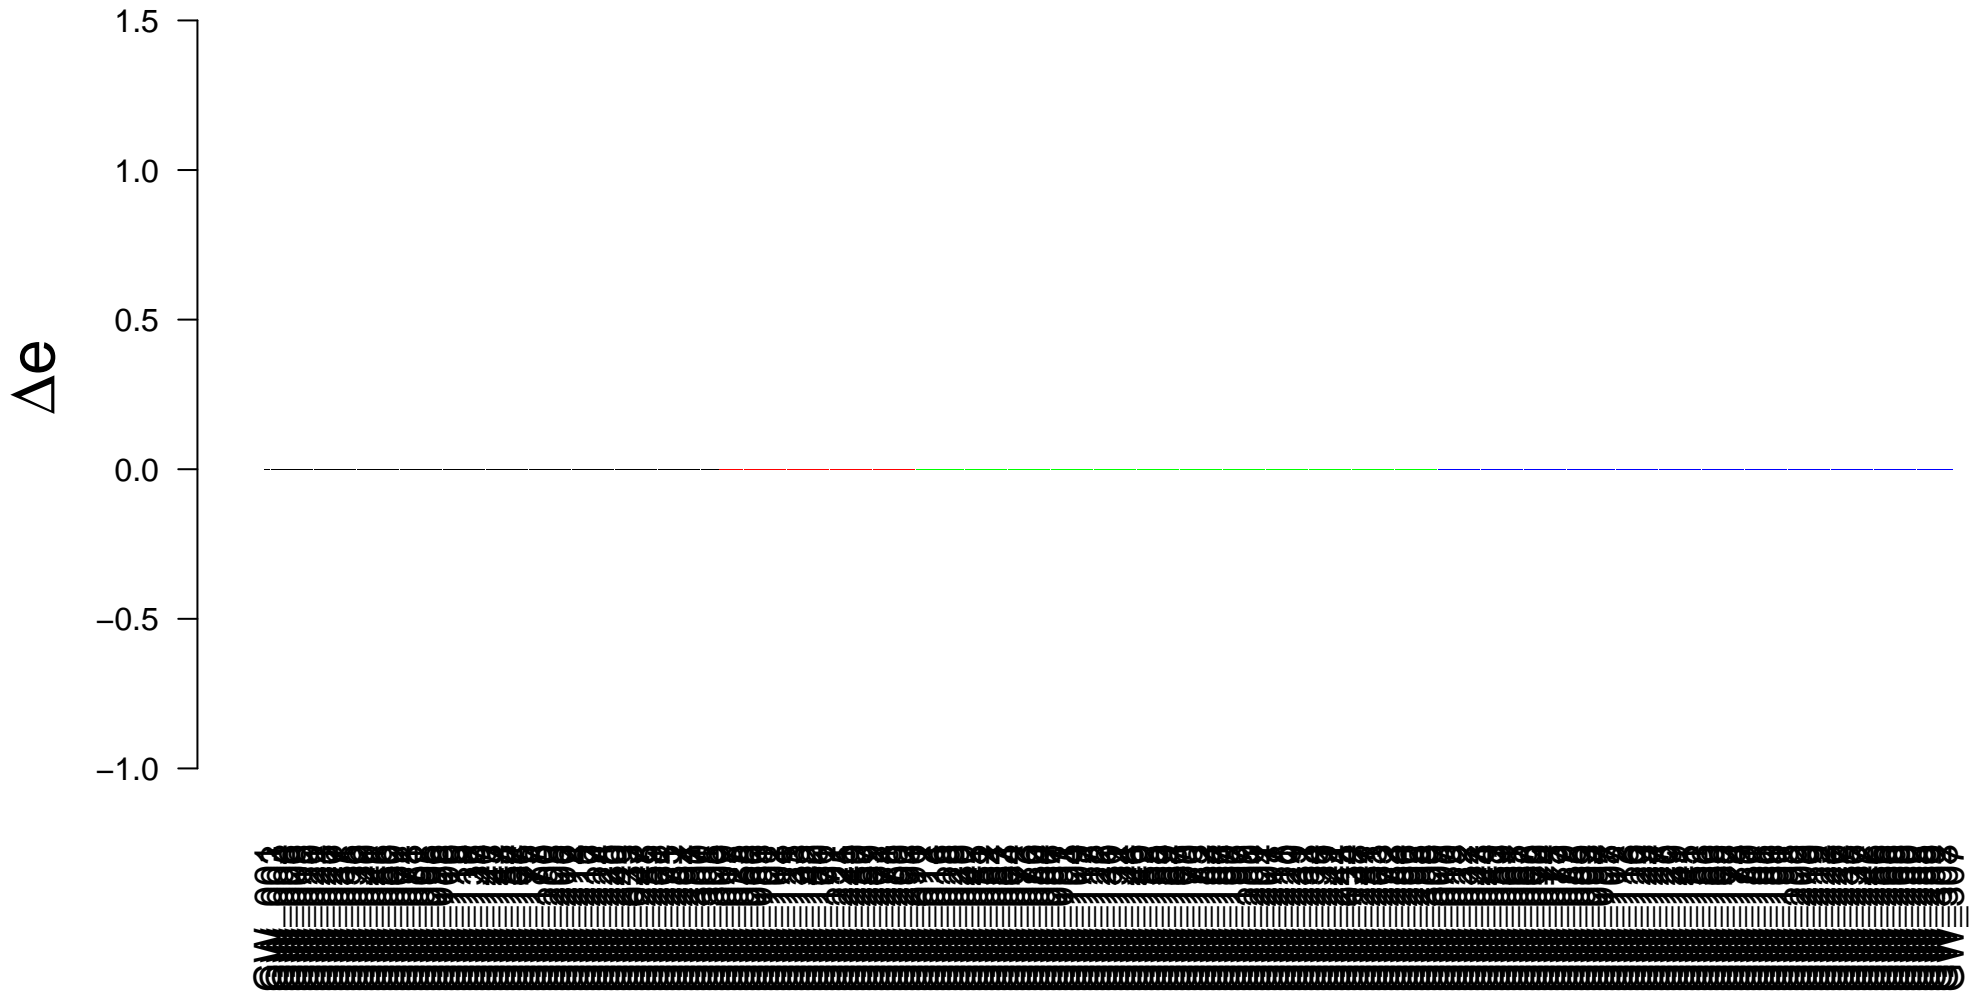

# Expression of tau-protein kinase activity in Spot E

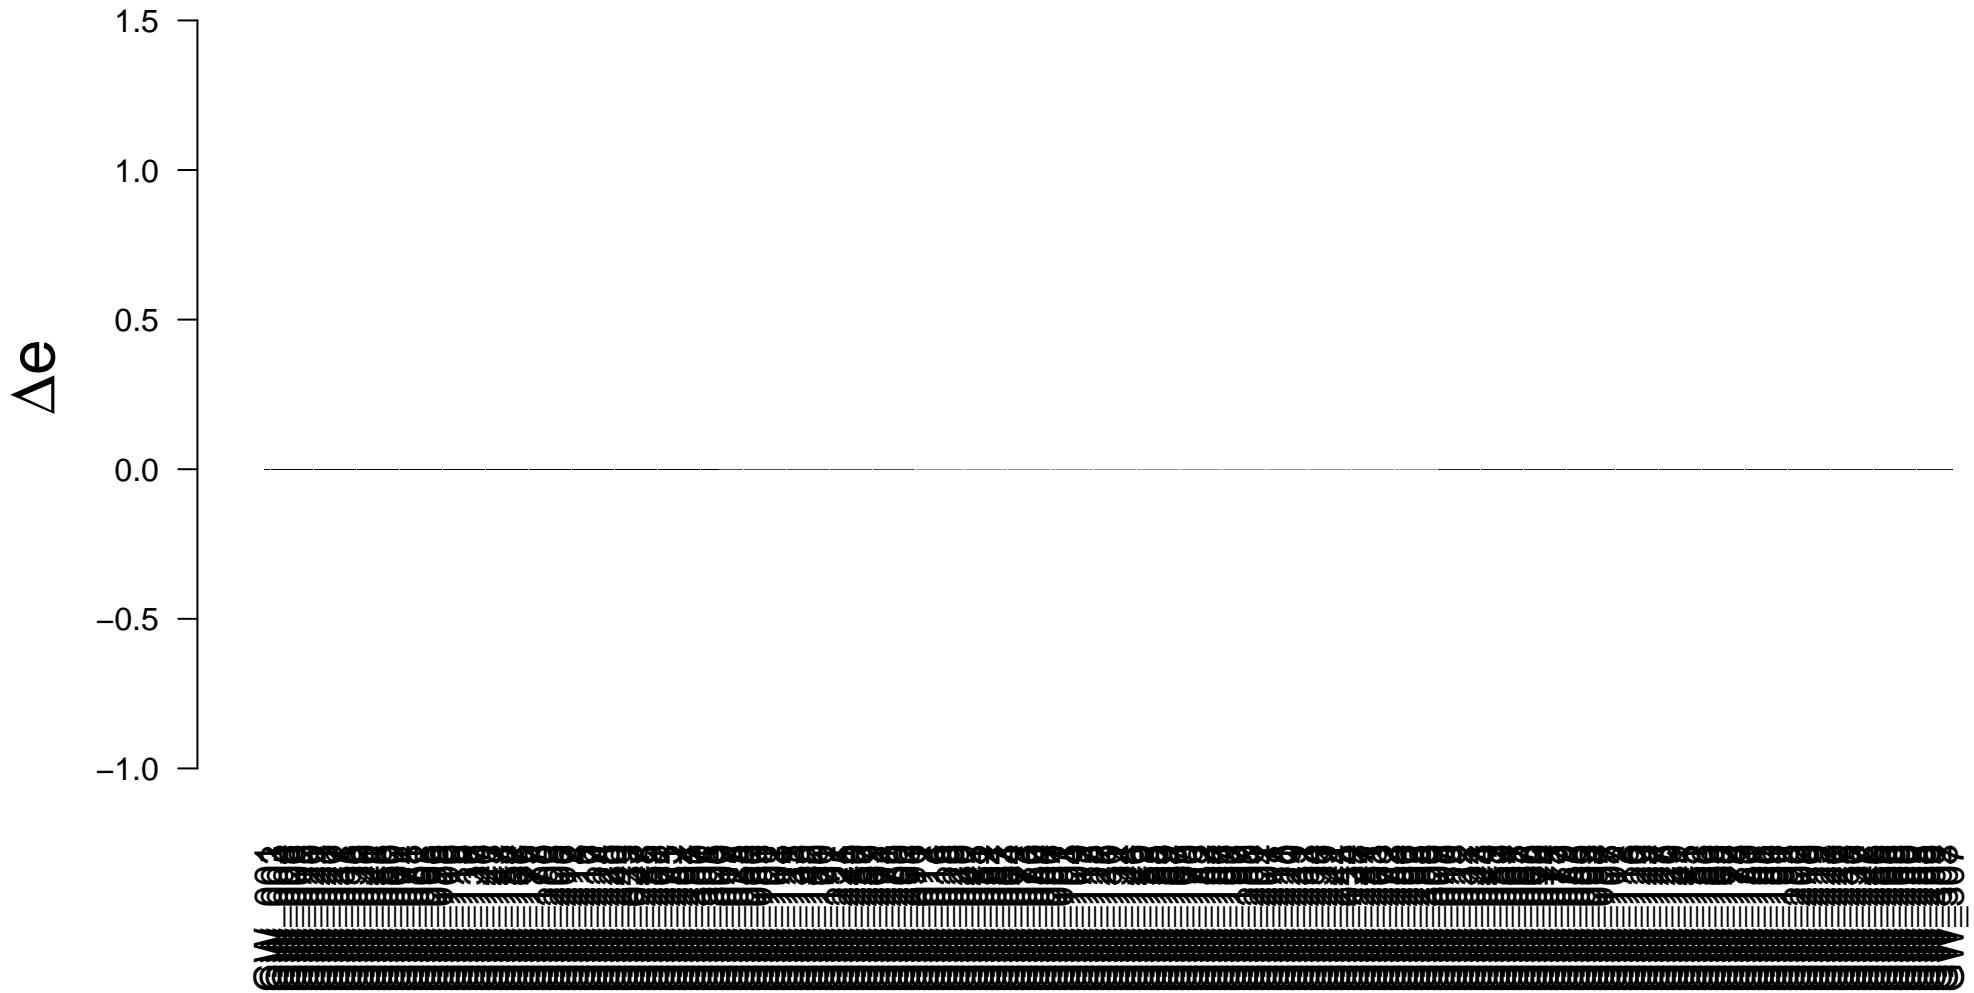

# Expression of tau-protein kinase activity in Spot F

# Expression of tau-protein kinase activity in Spot G

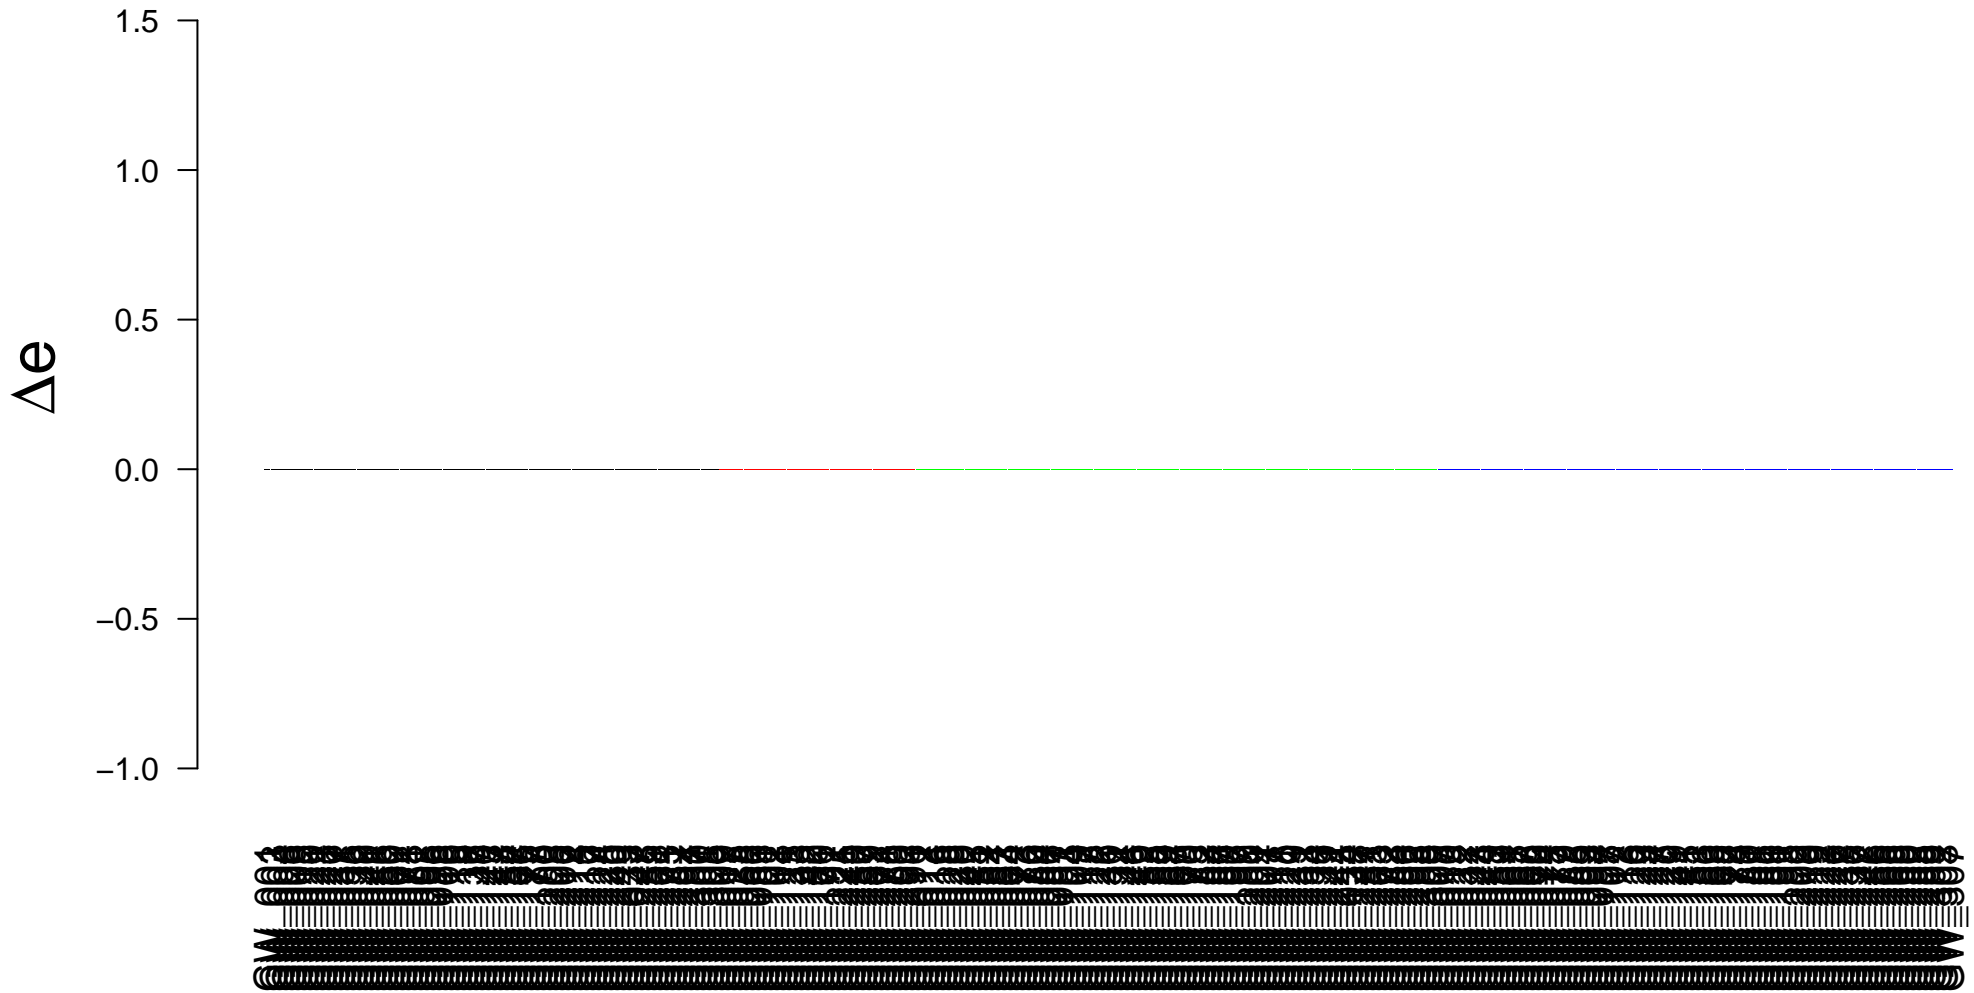

# Expression of tau-protein kinase activity in Spot H
