

telencephalon development

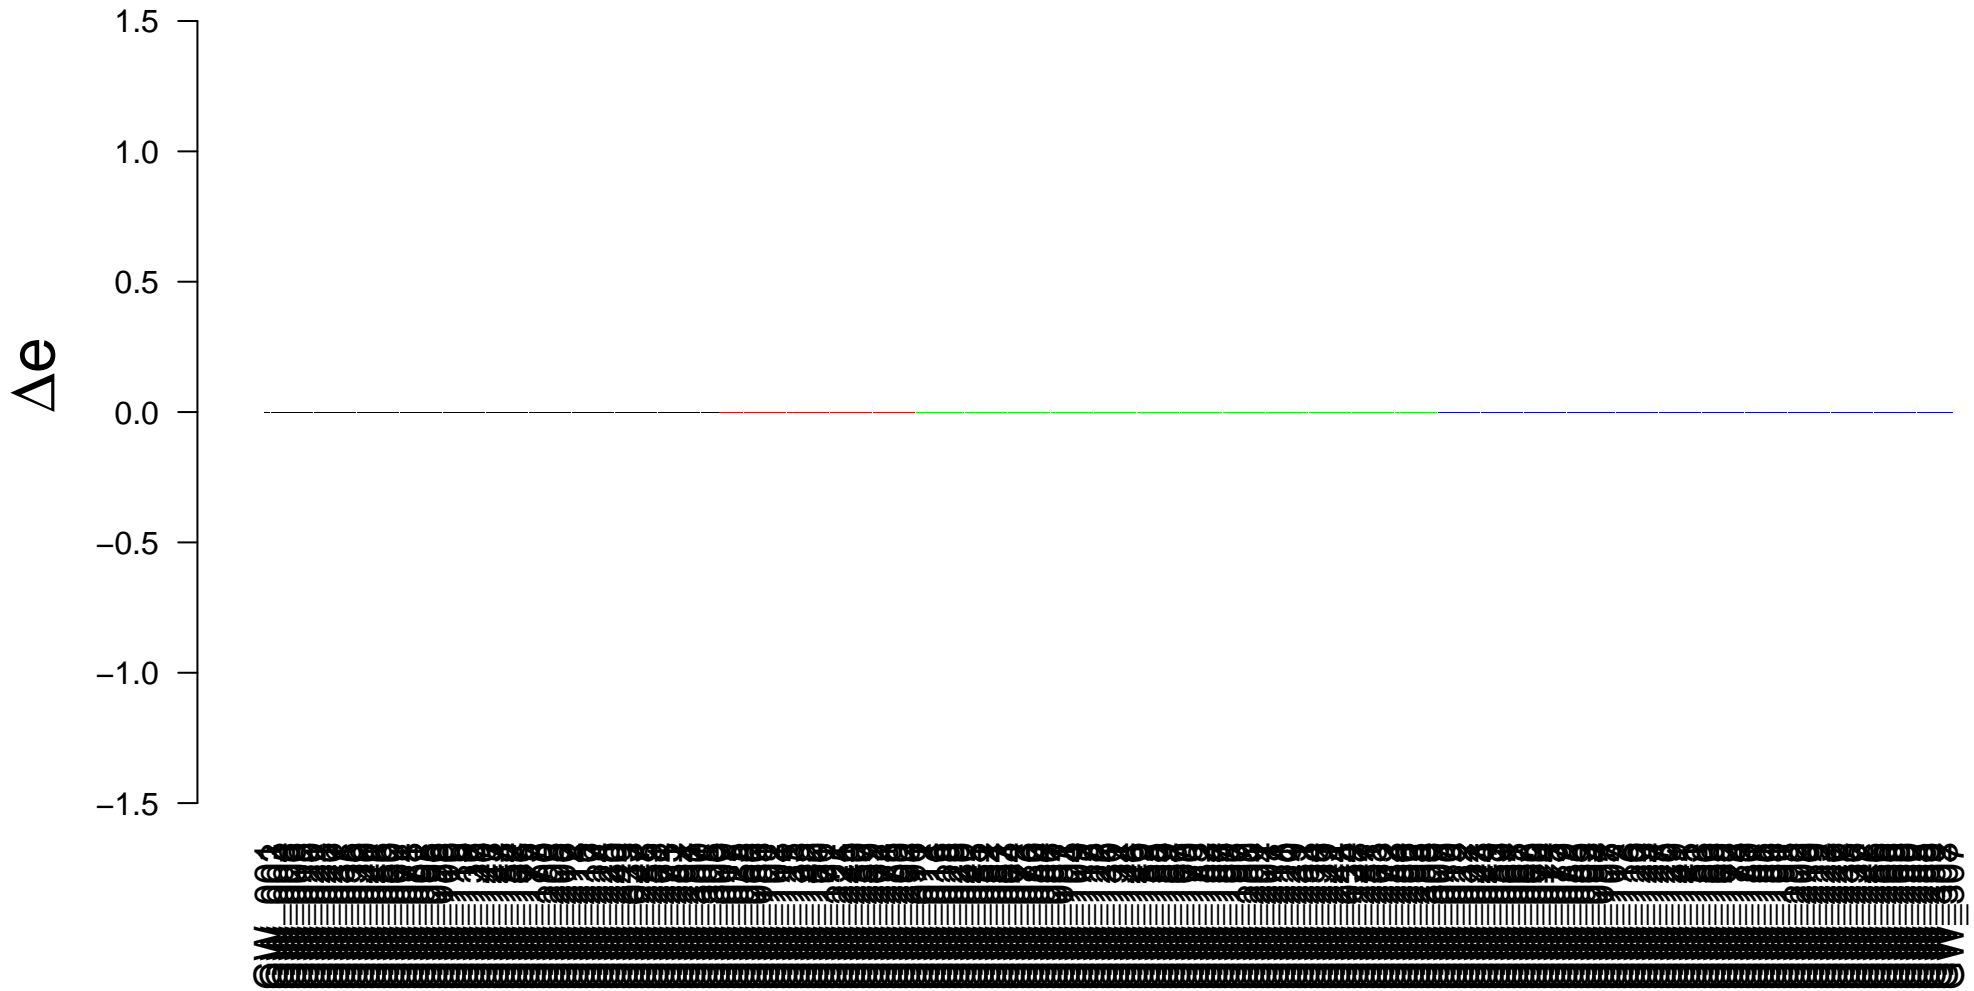

telencephalon development

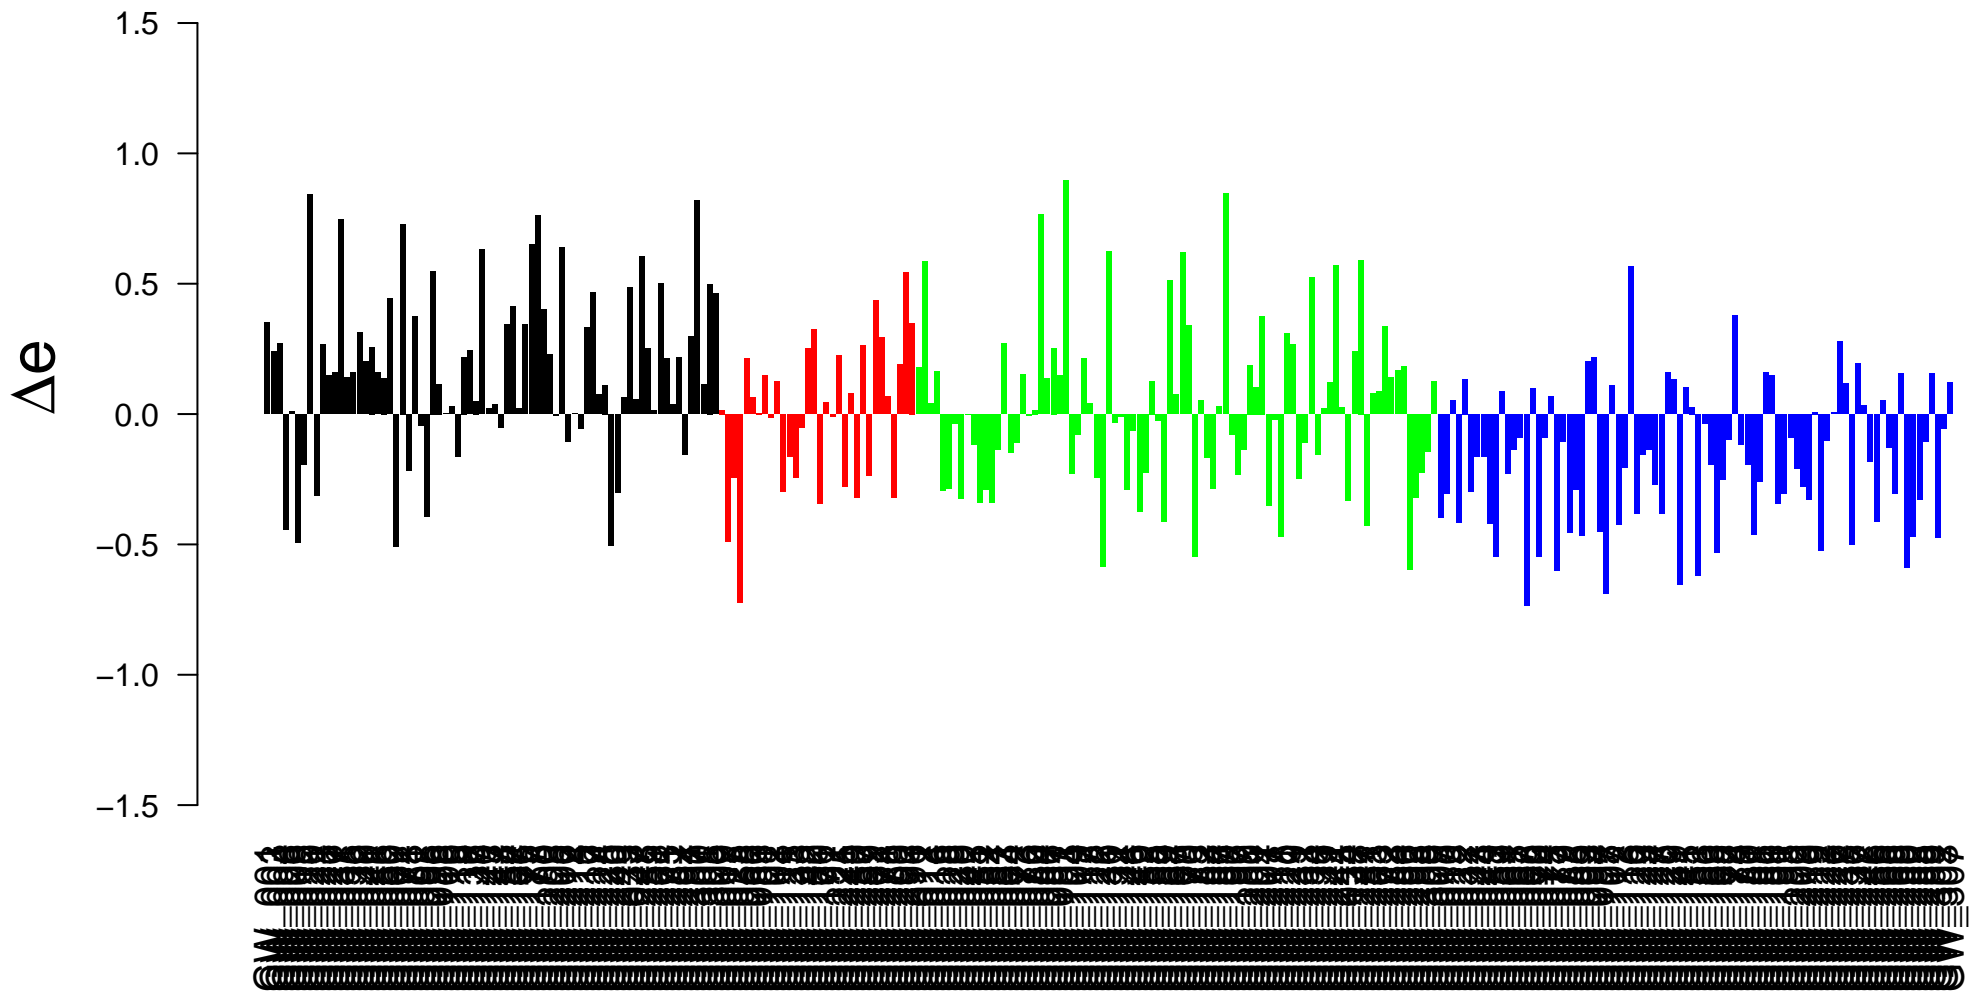

Enrichment in spots: telencephalon development

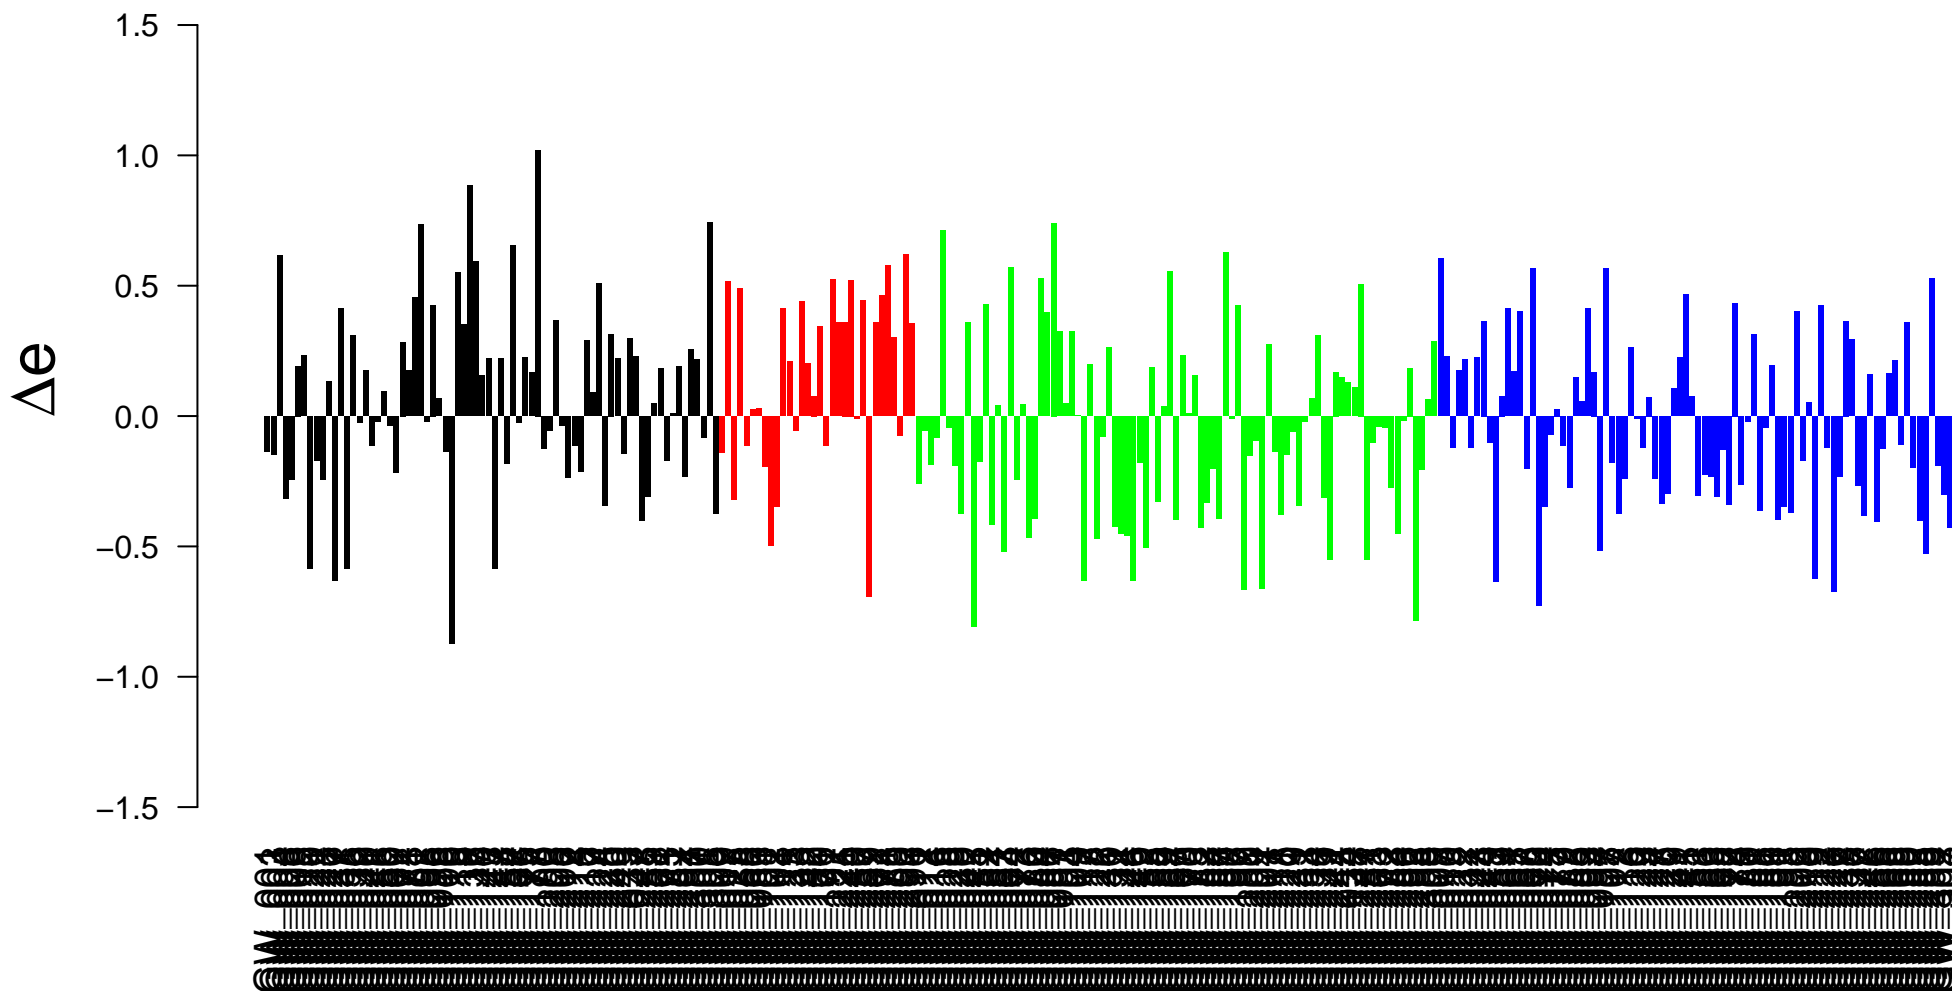

Expression of telencephalon development in Spot A

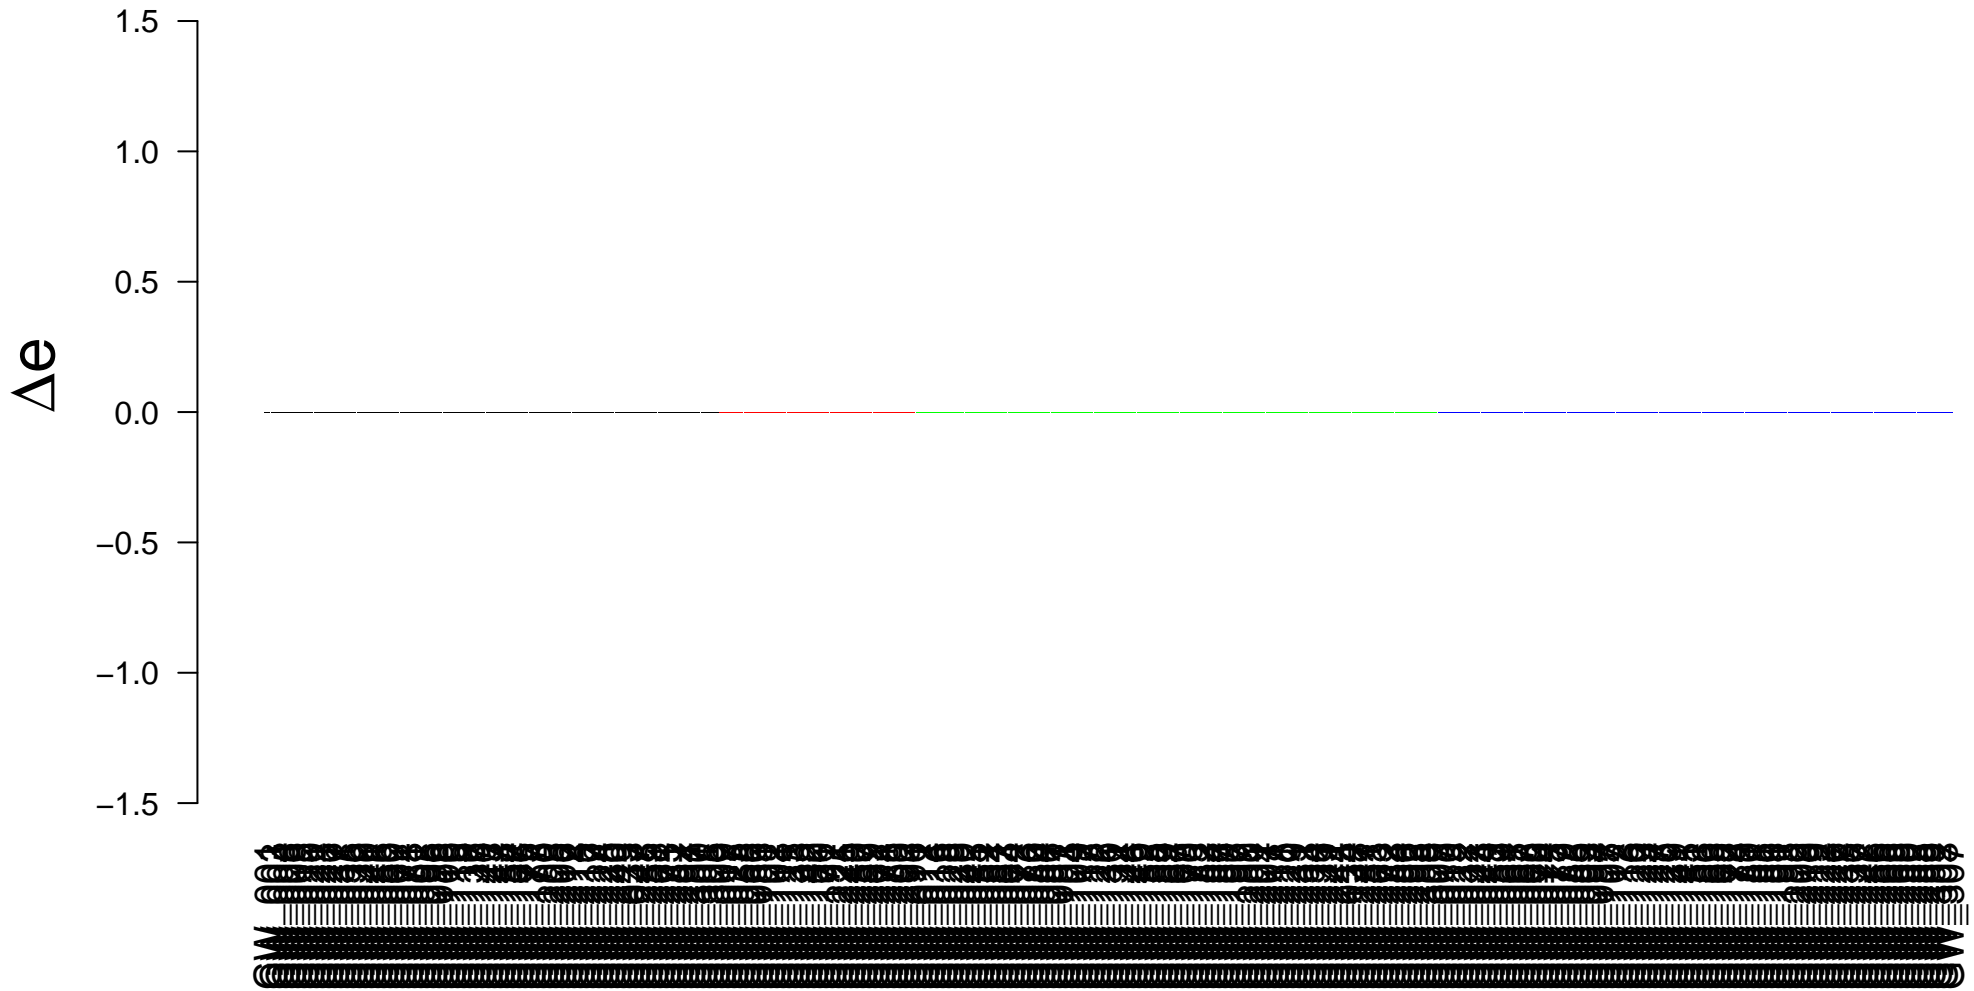

Expression of telencephalon development in Spot B

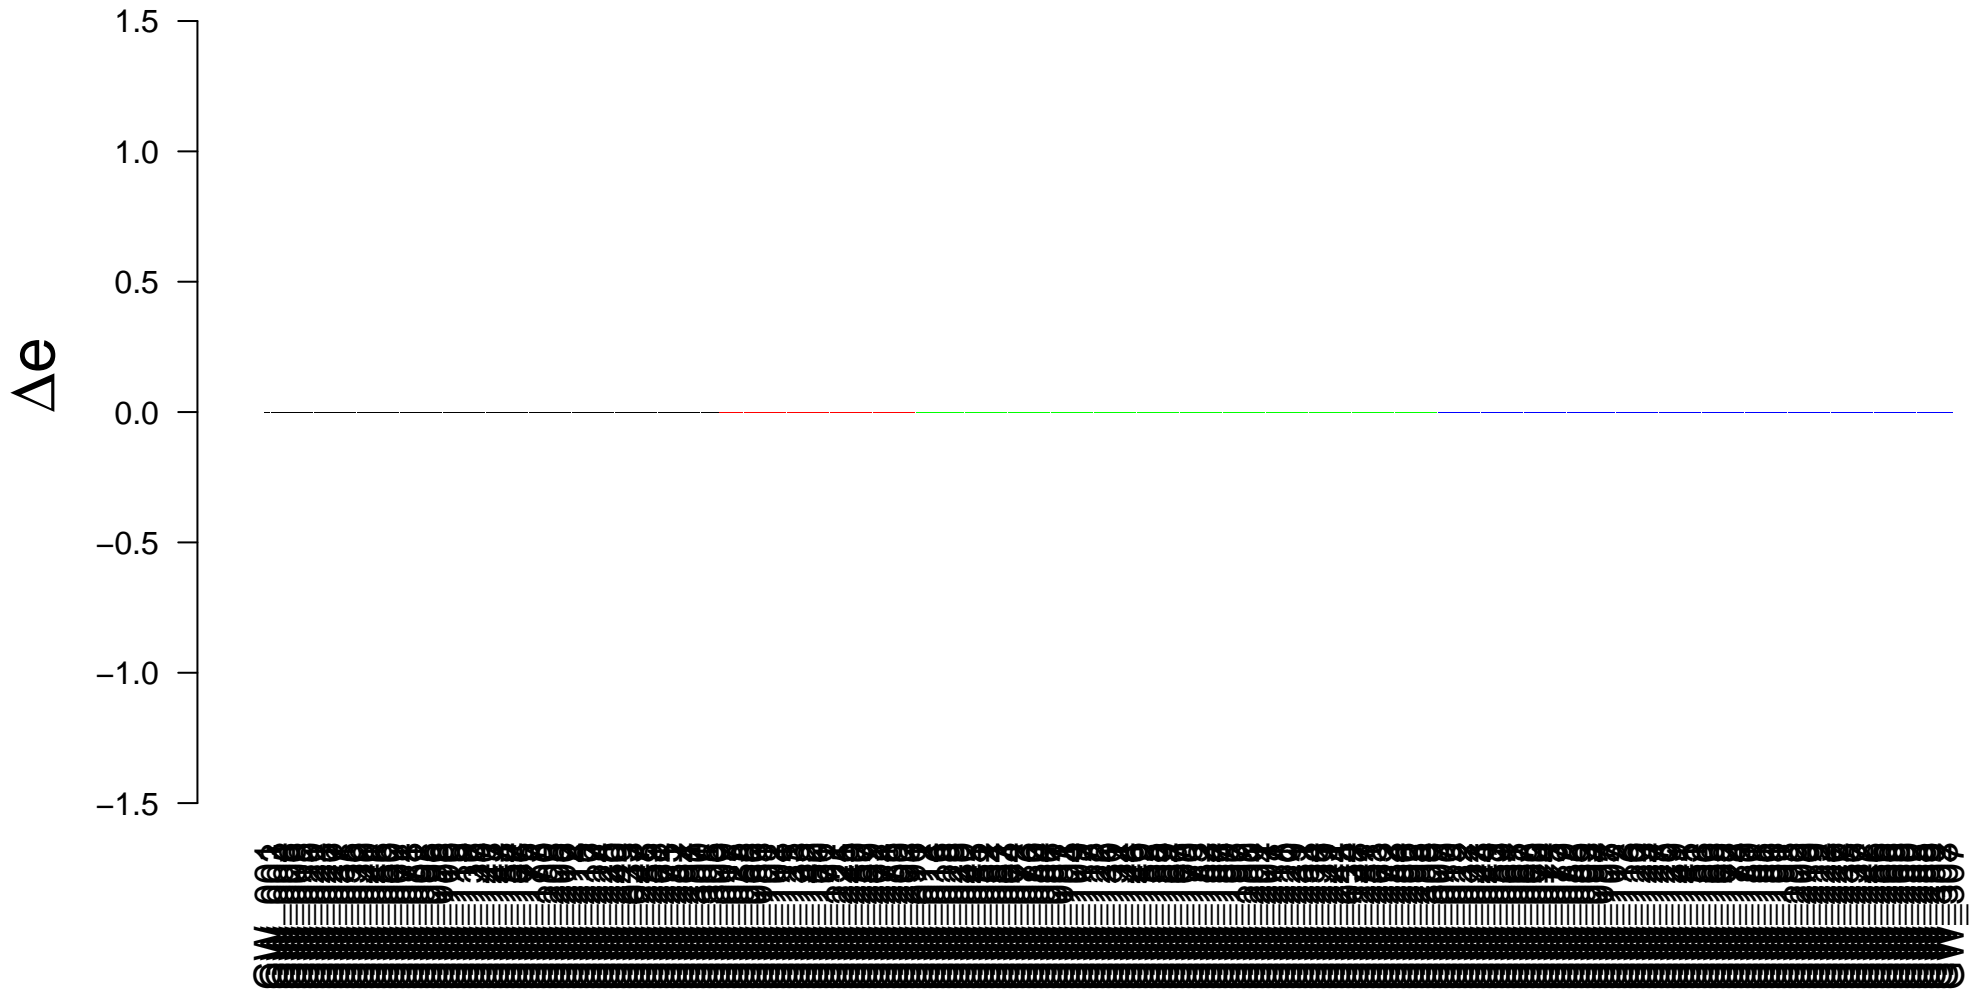

Expression of telencephalon development in Spot C

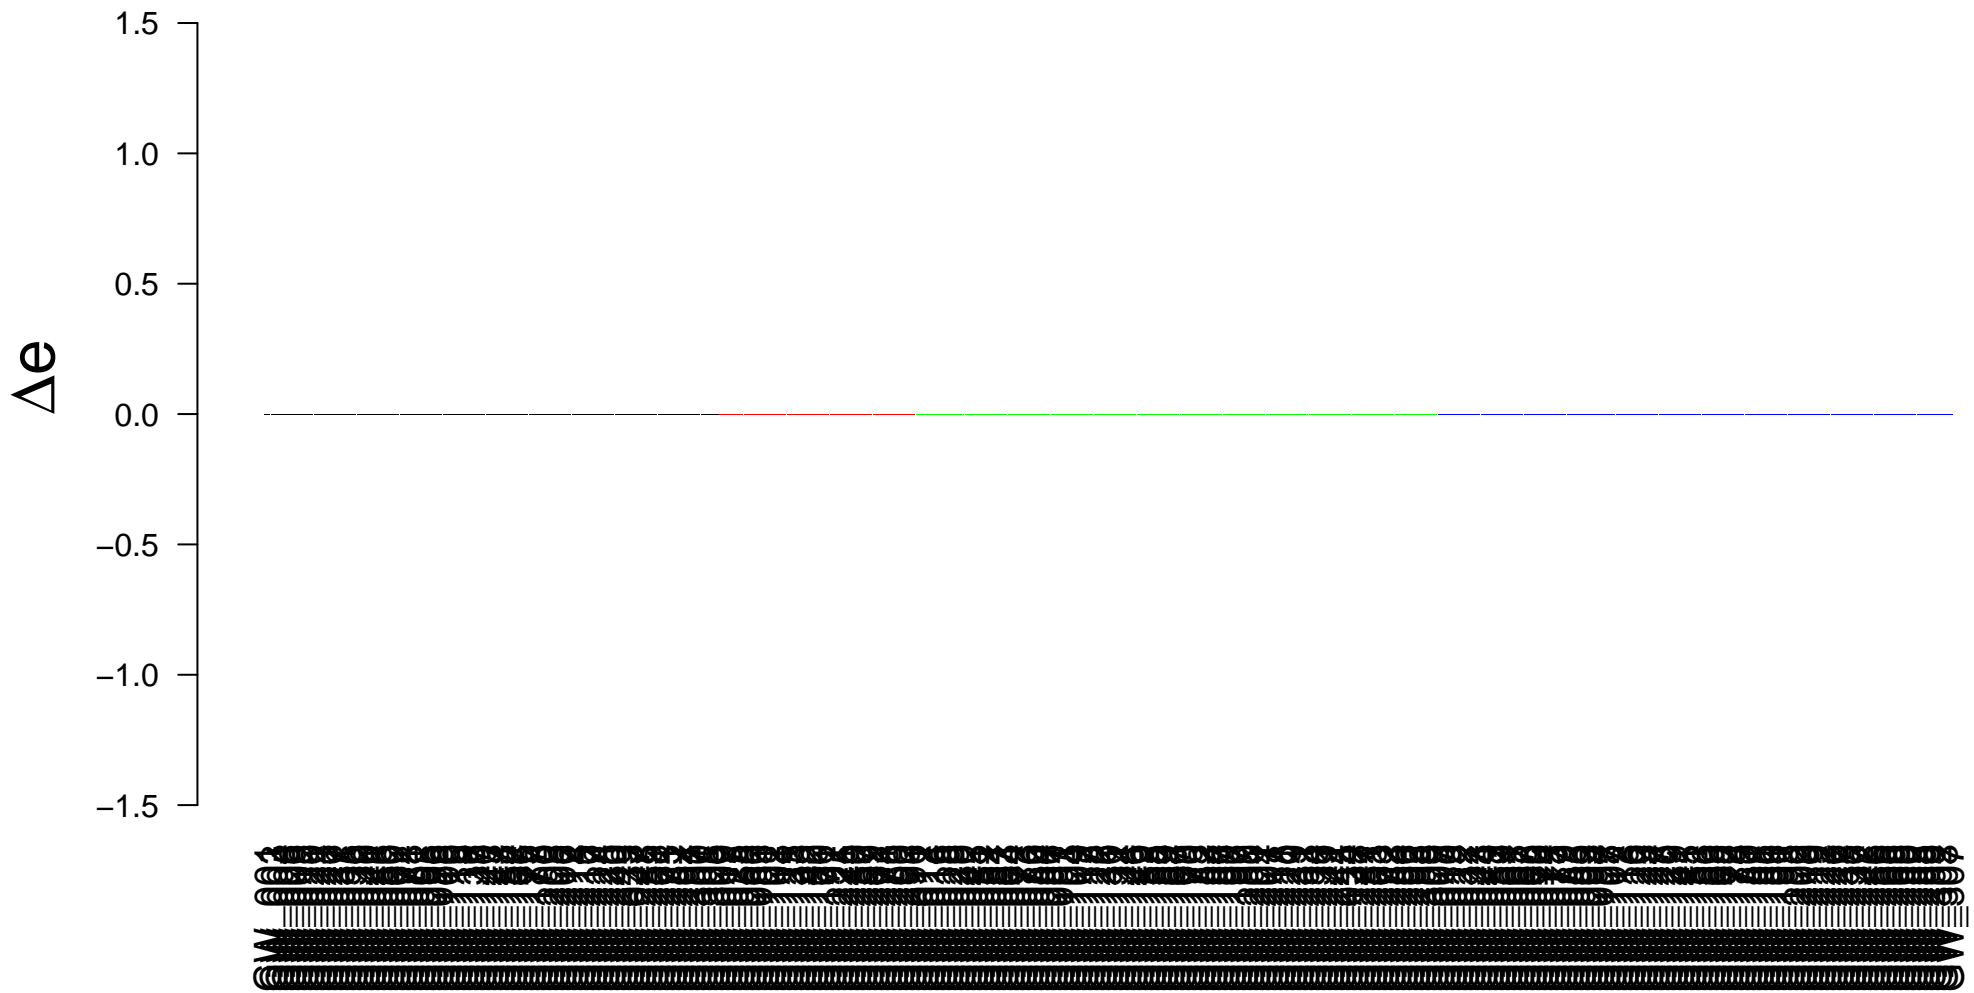

Expression of telencephalon development in Spot D

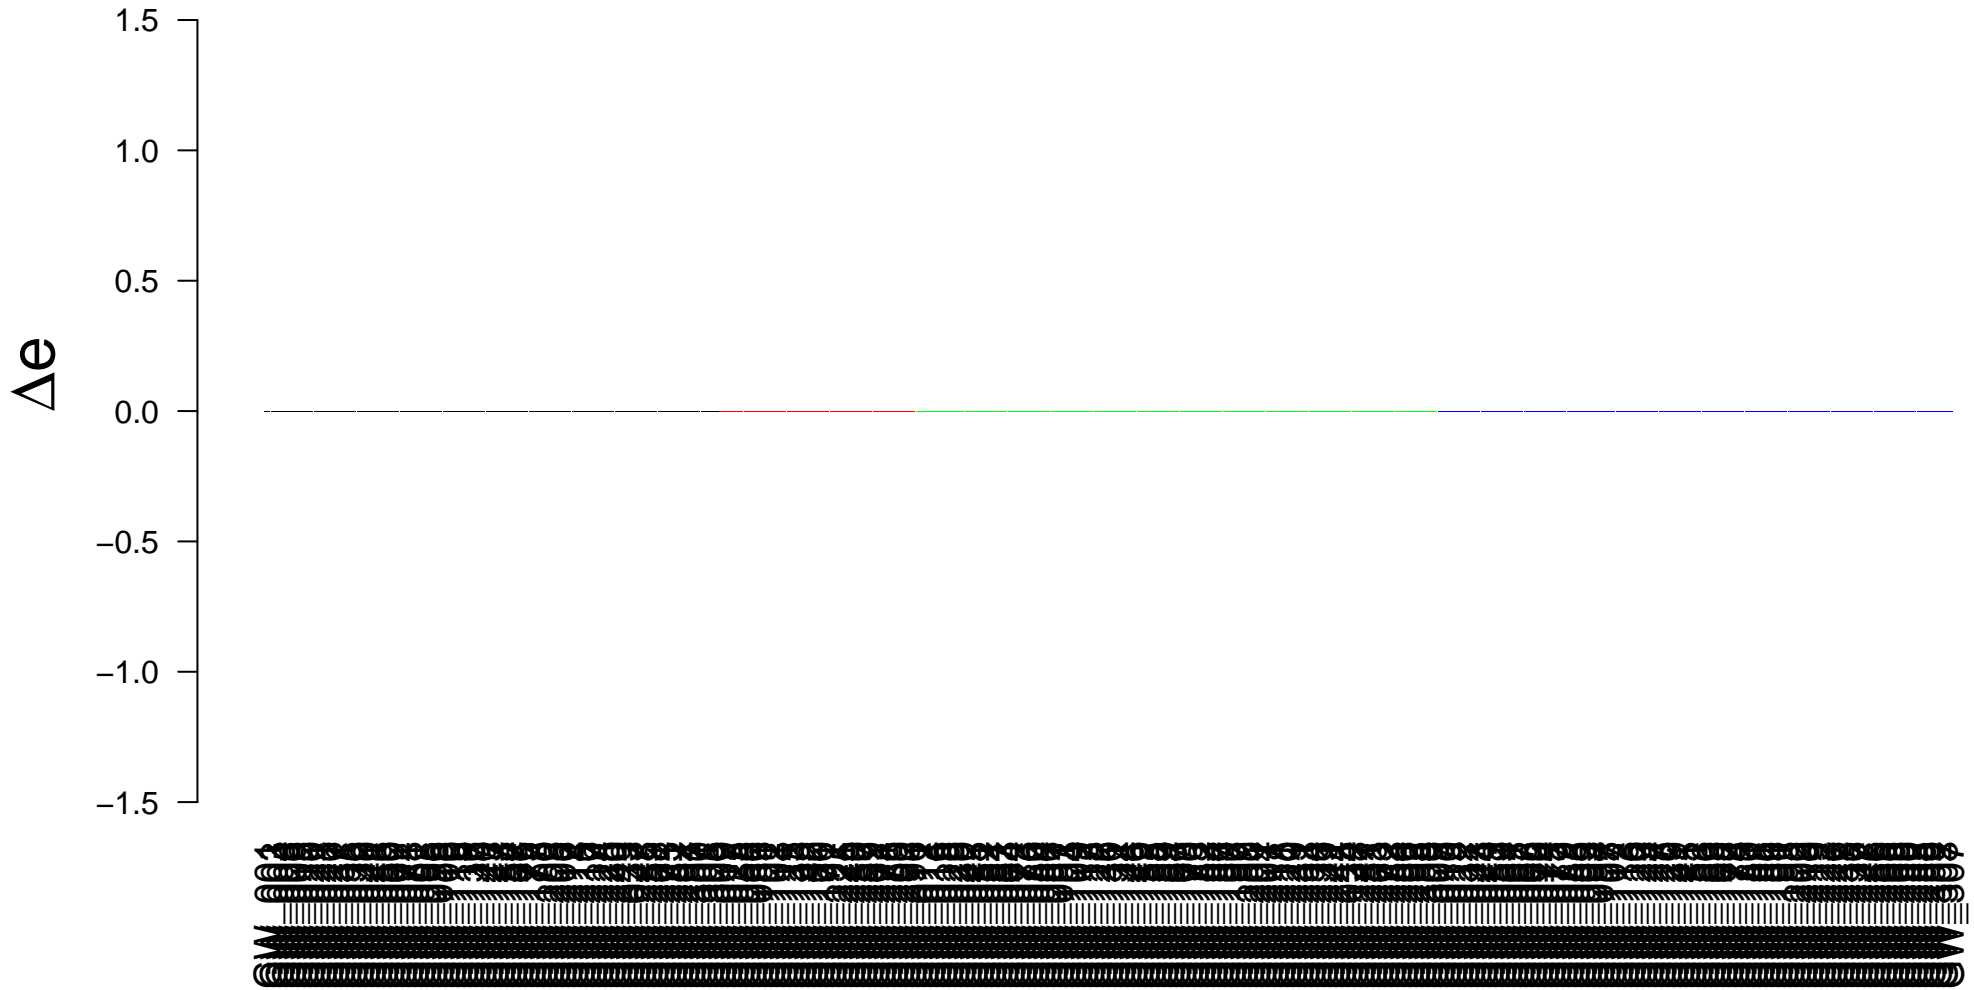

Expression of telencephalon development in Spot E

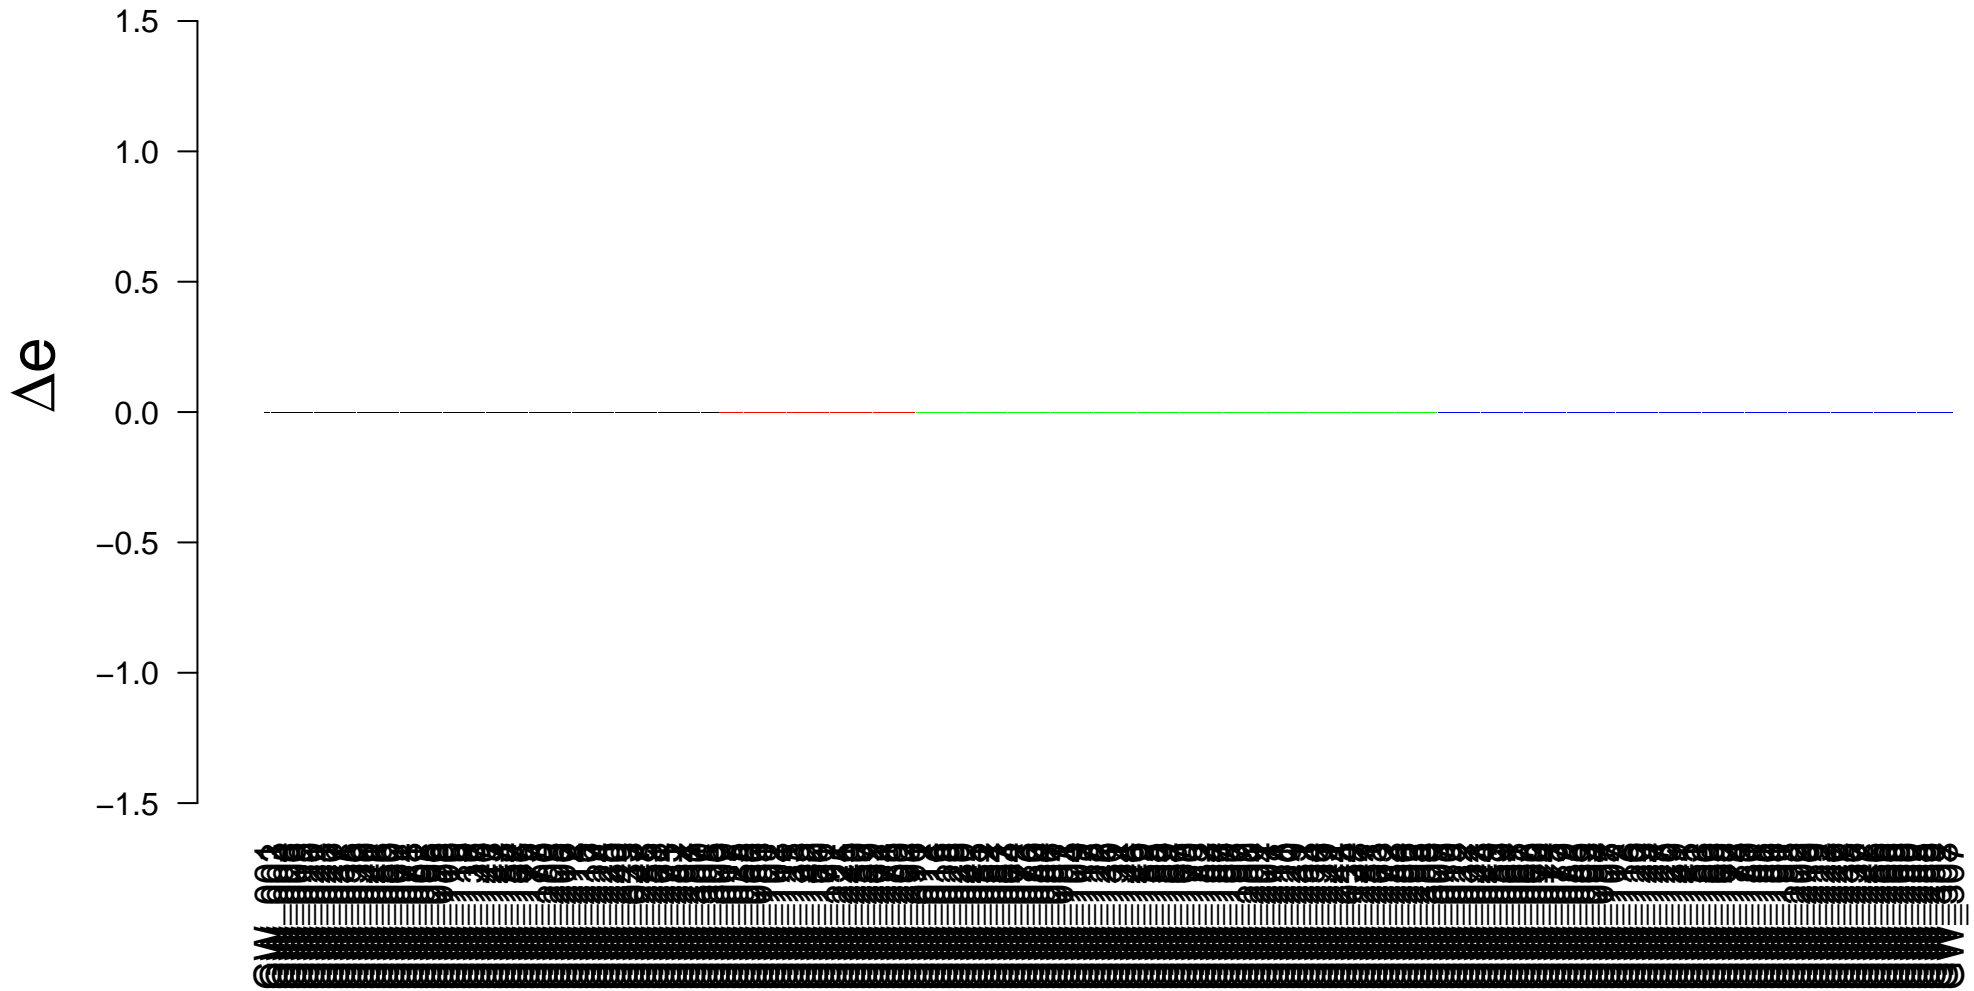

Expression of telencephalon development in Spot F

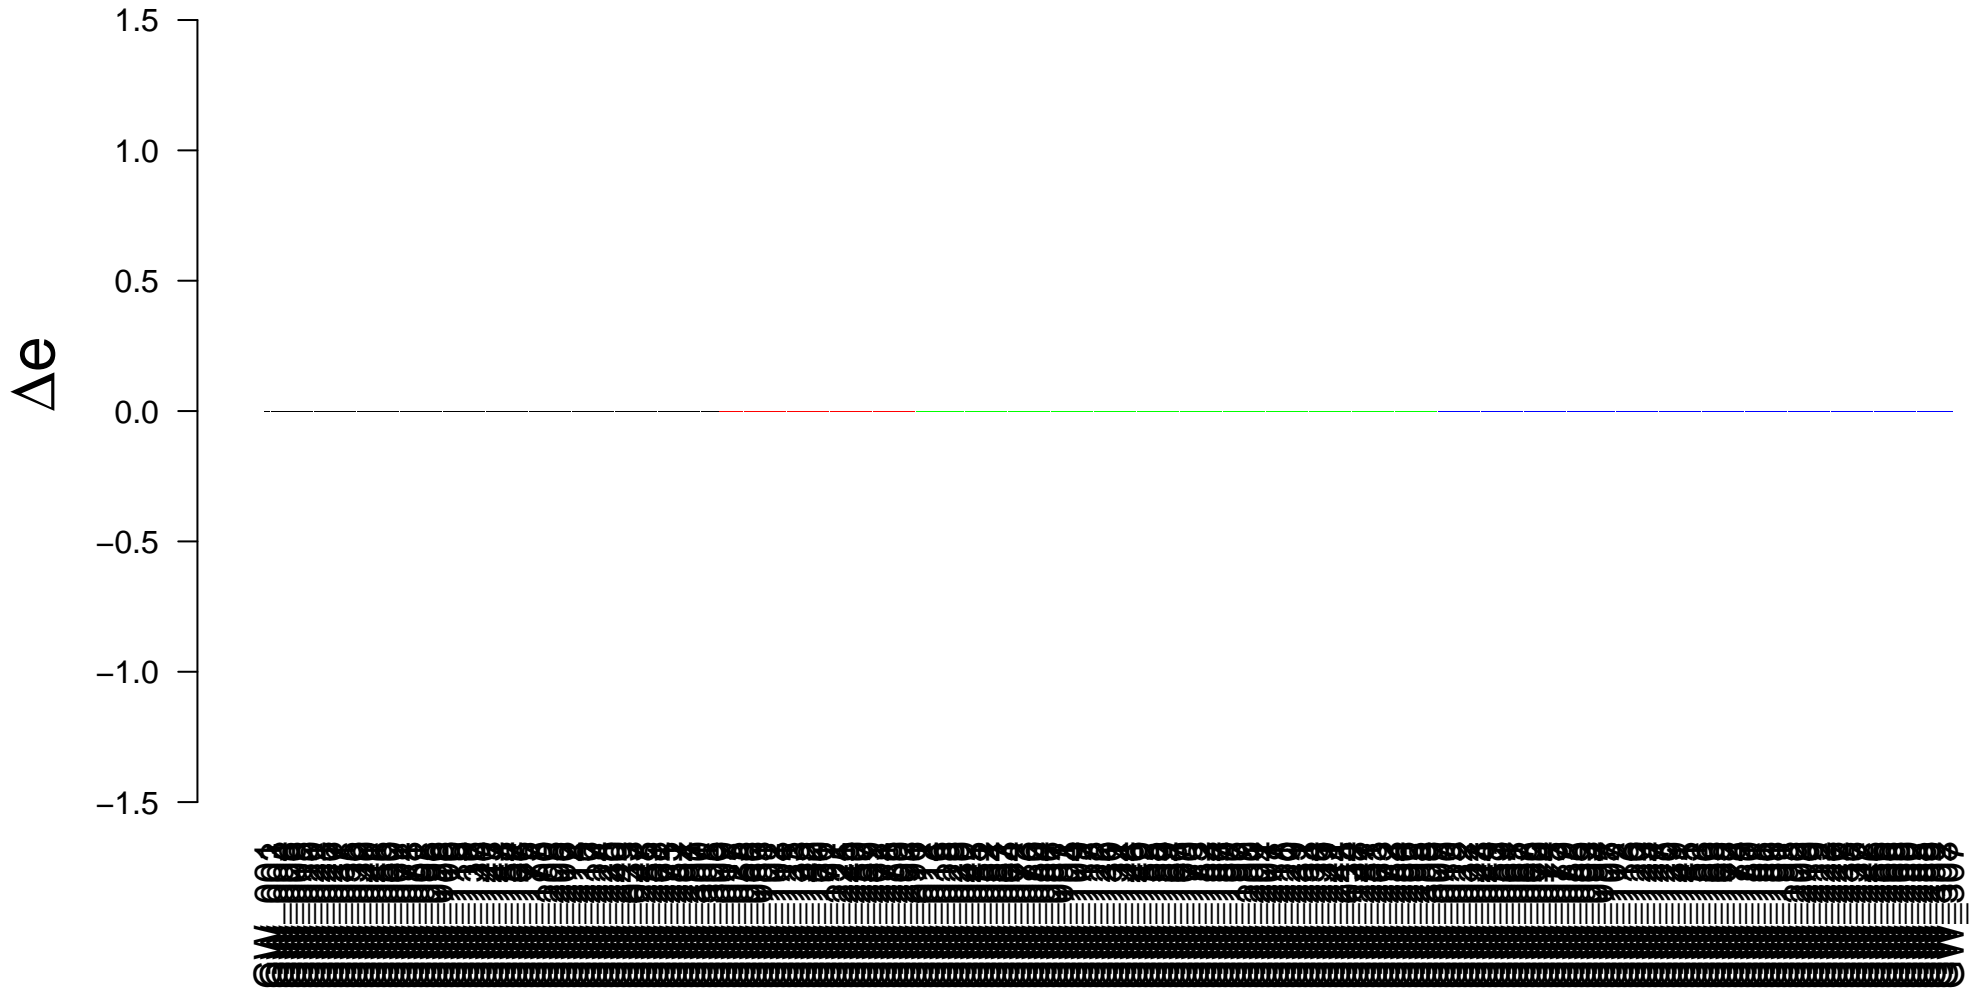

Expression of telencephalon development in Spot G

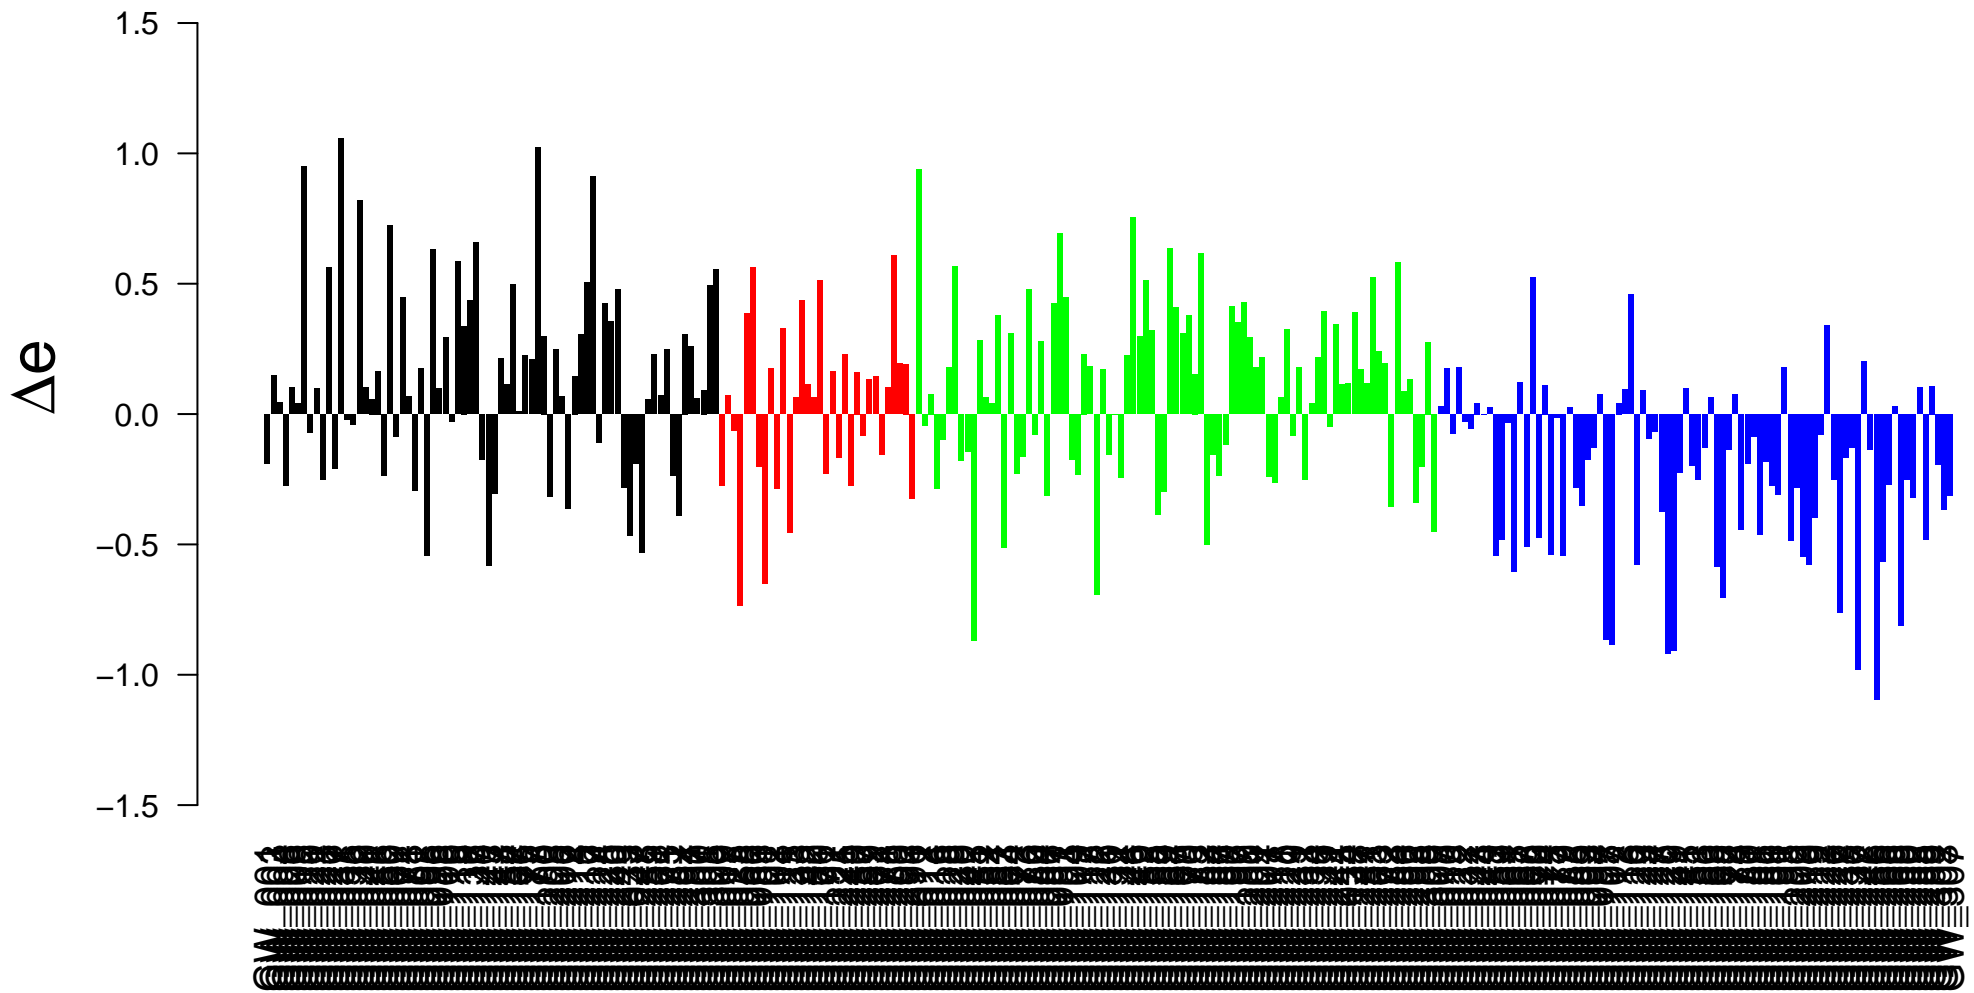

Expression of telencephalon development in Spot H

Expression of telencephalon development in Spot I

Expression of telencephalon development in Spot J

Expression of telencephalon development in Spot K
