

termination of RNA polymerase III transcription

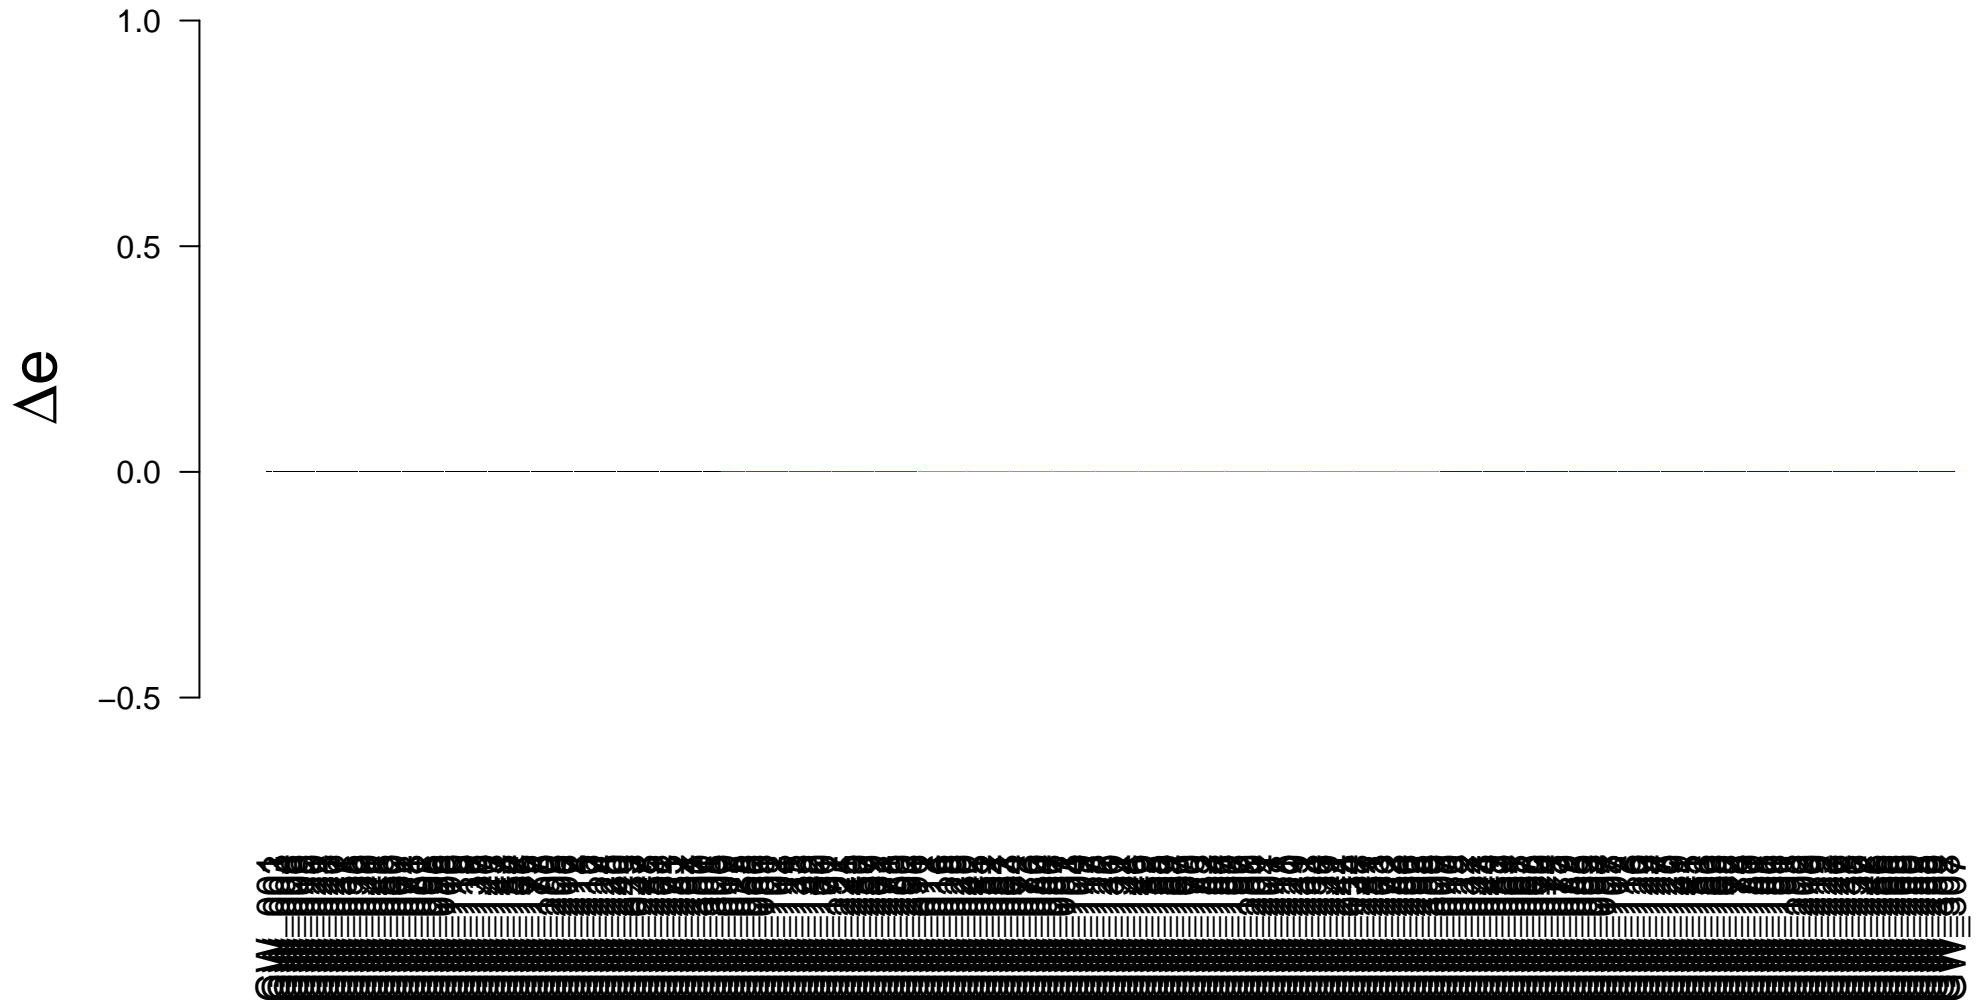

termination of RNA polymerase III transcription

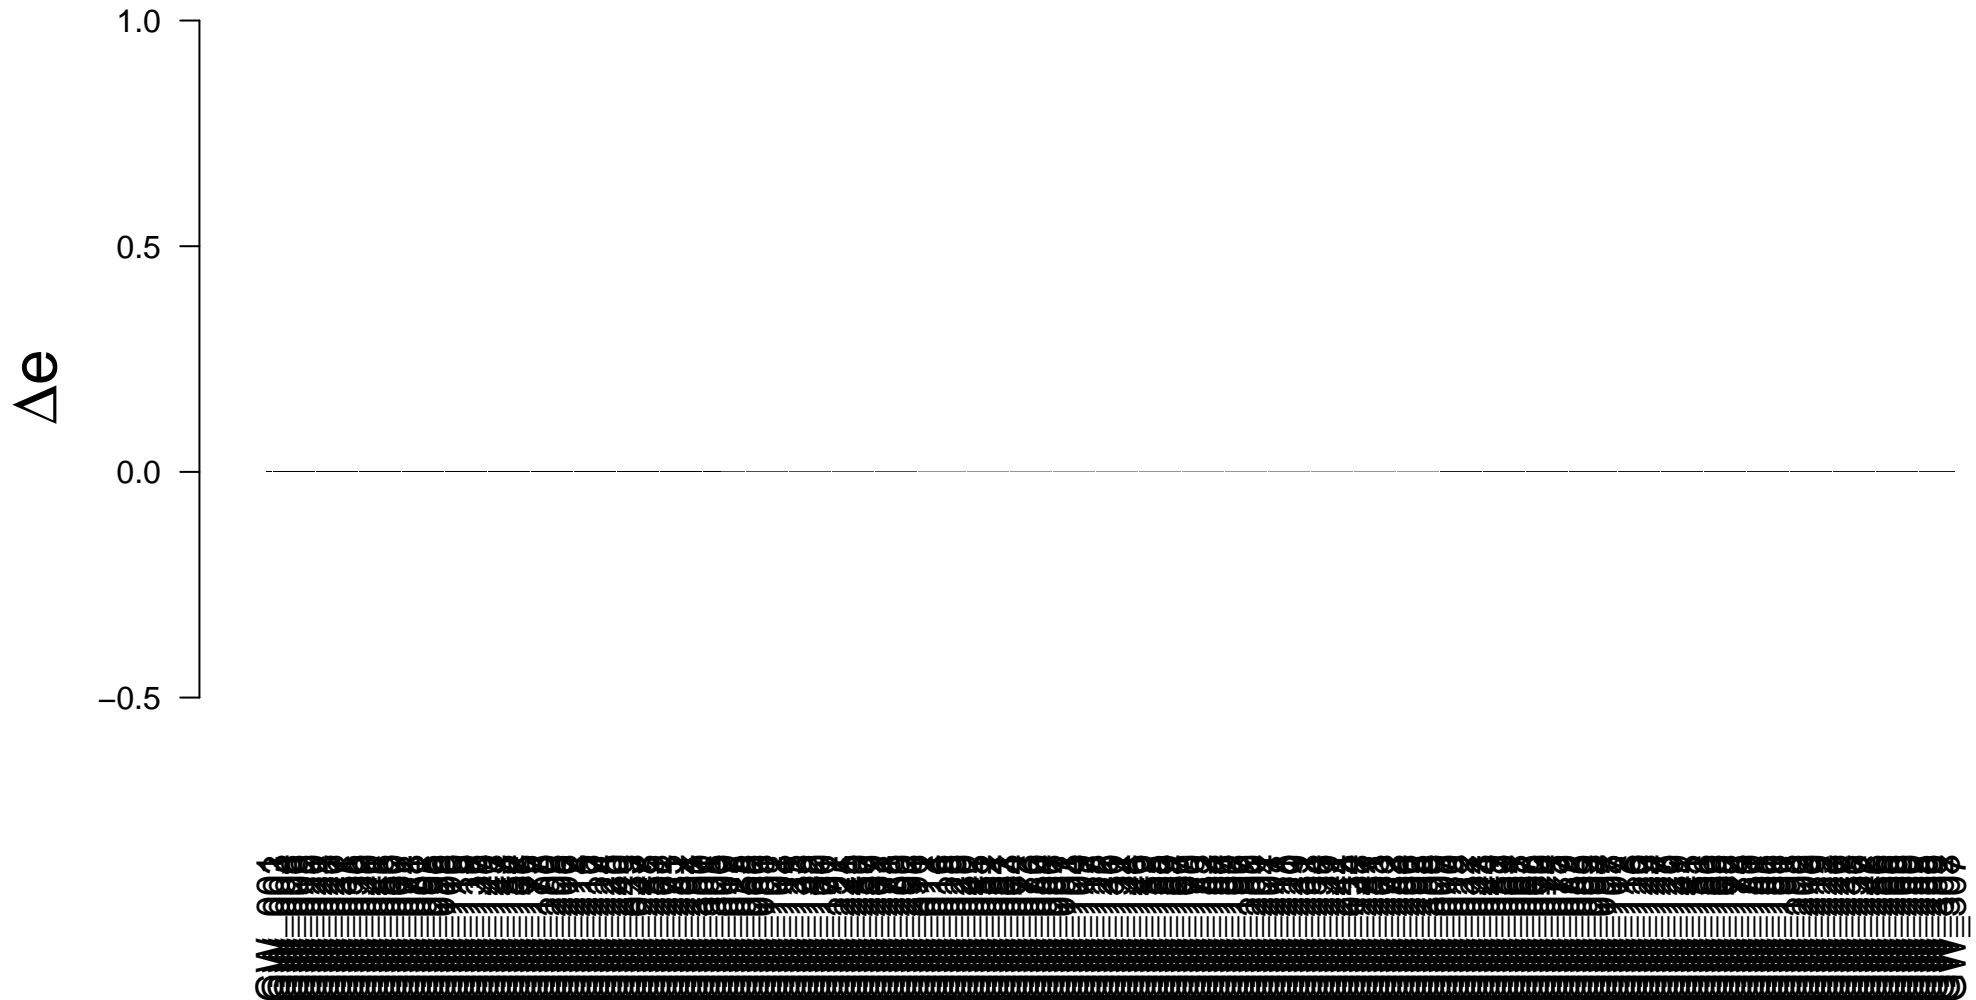

Enrichment in spots: termination of RNA polymerase III transcription

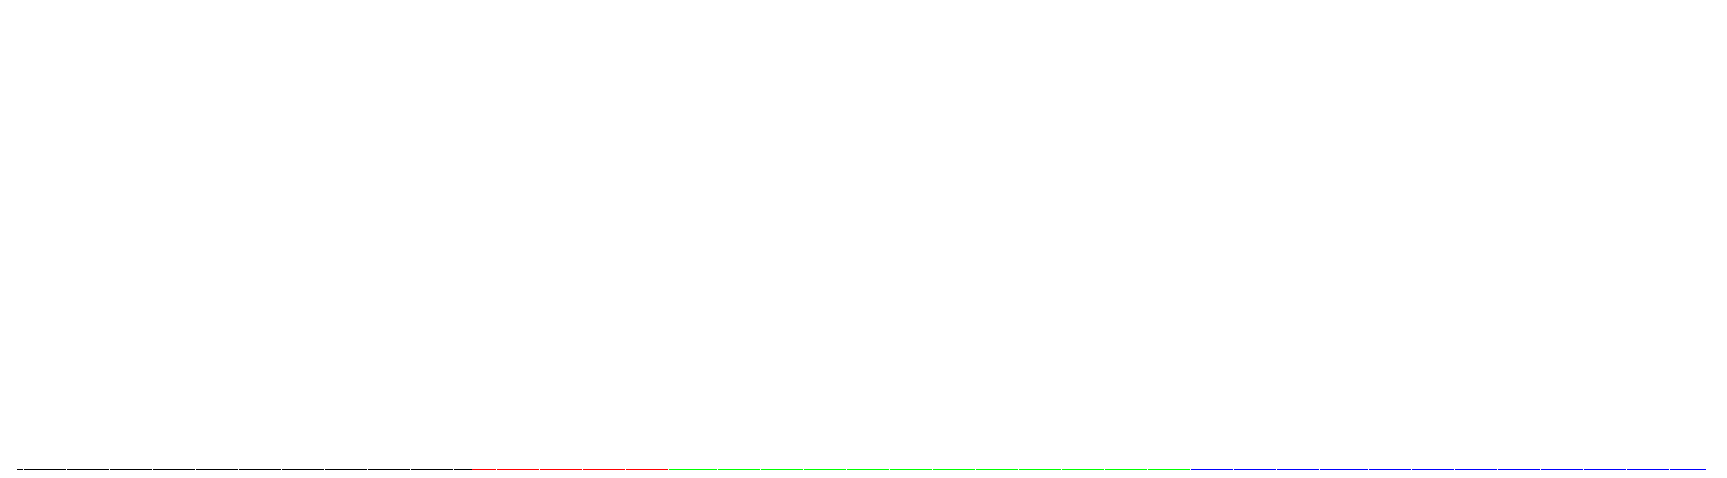

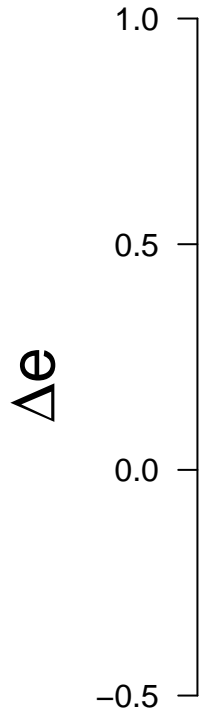

Expression of termination of RNA polymerase III transcription in Spot A

Expression of termination of RNA polymerase III transcription in Spot B

Expression of termination of RNA polymerase III transcription in Spot C

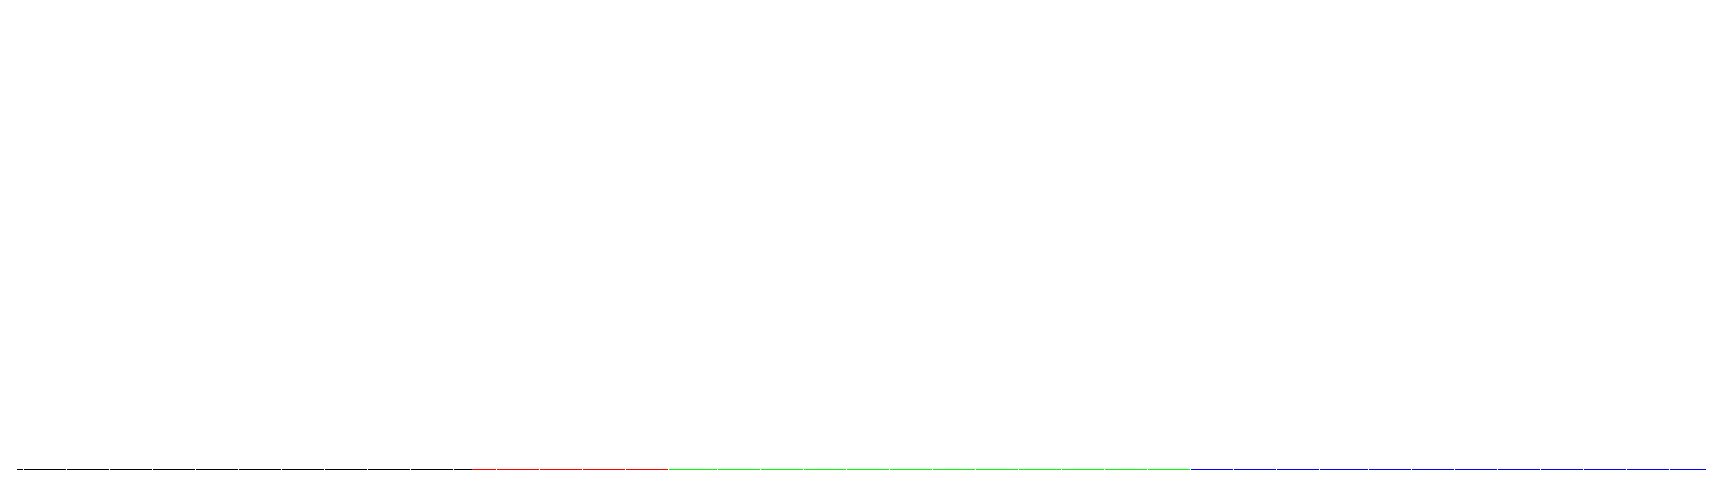

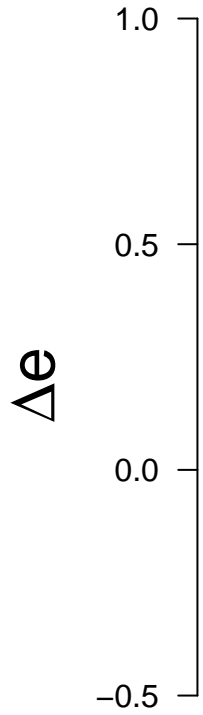

Expression of termination of RNA polymerase III transcription in Spot D

Expression of termination of RNA polymerase III transcription in Spot I

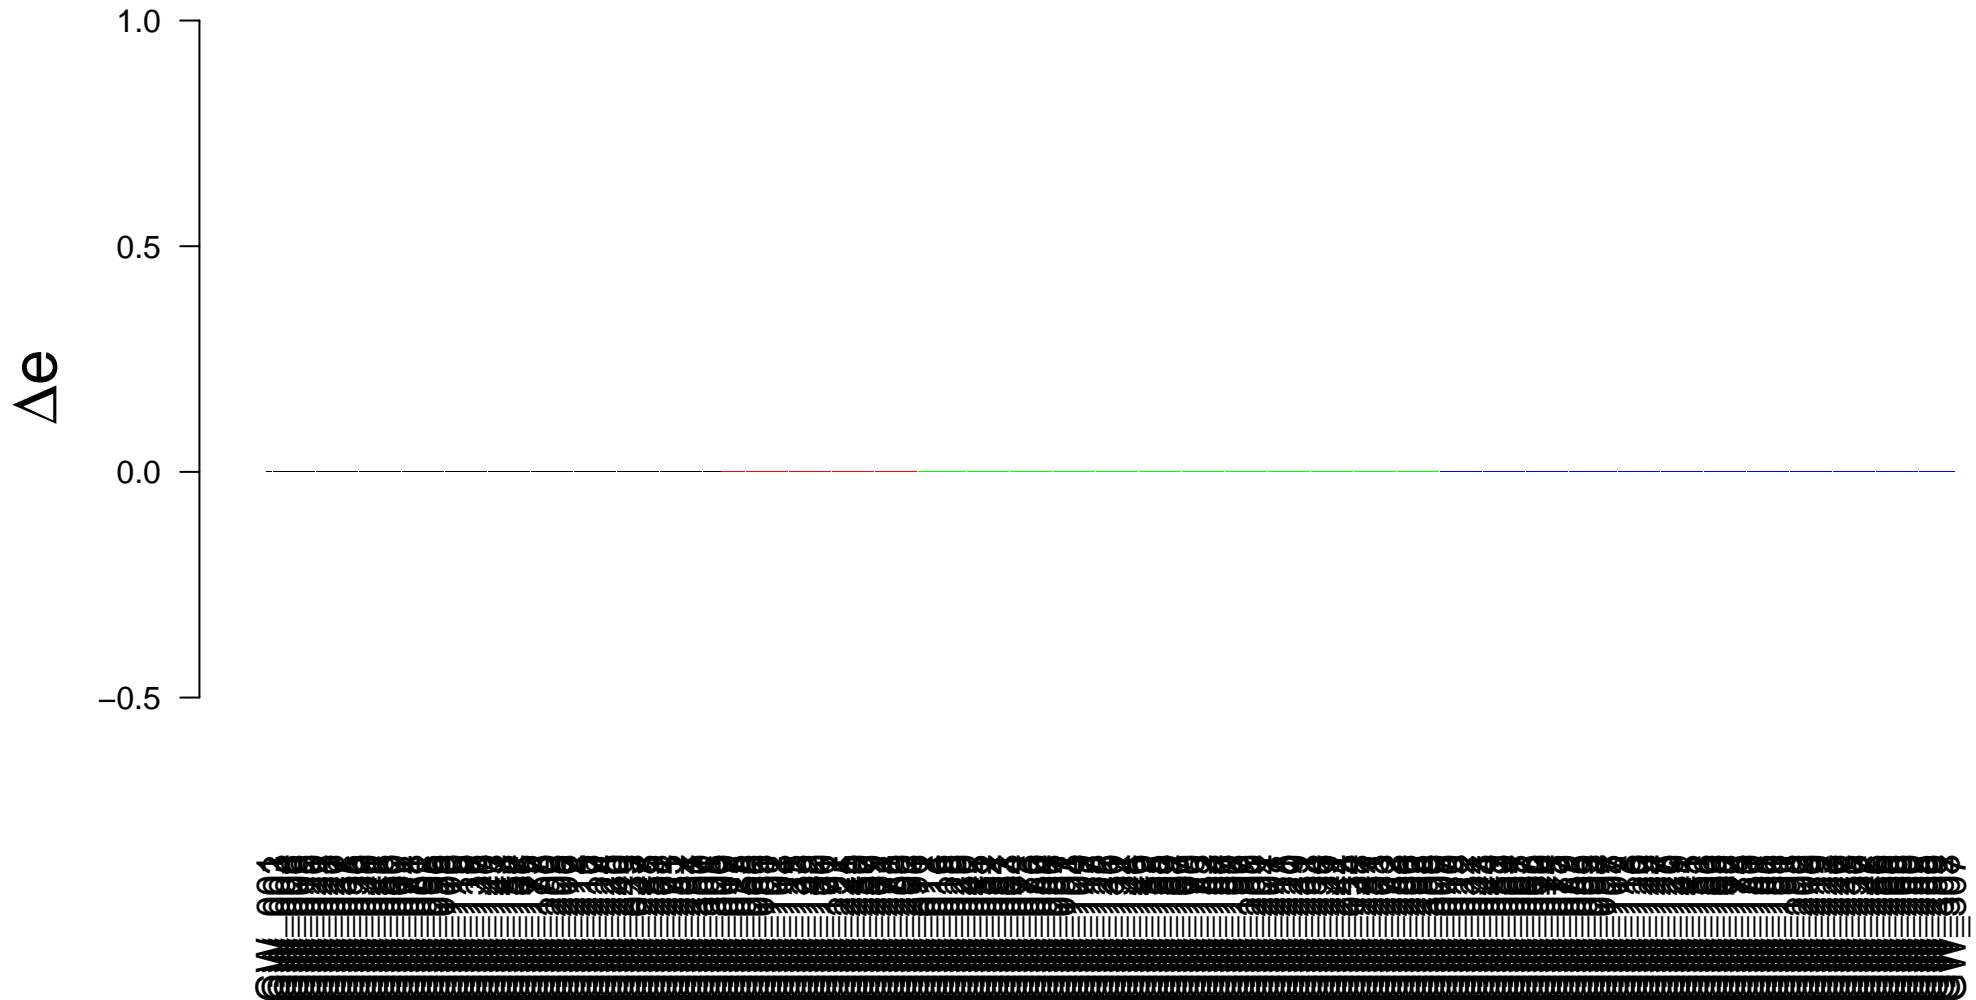

Expression of termination of RNA polymerase III transcription in Spot J

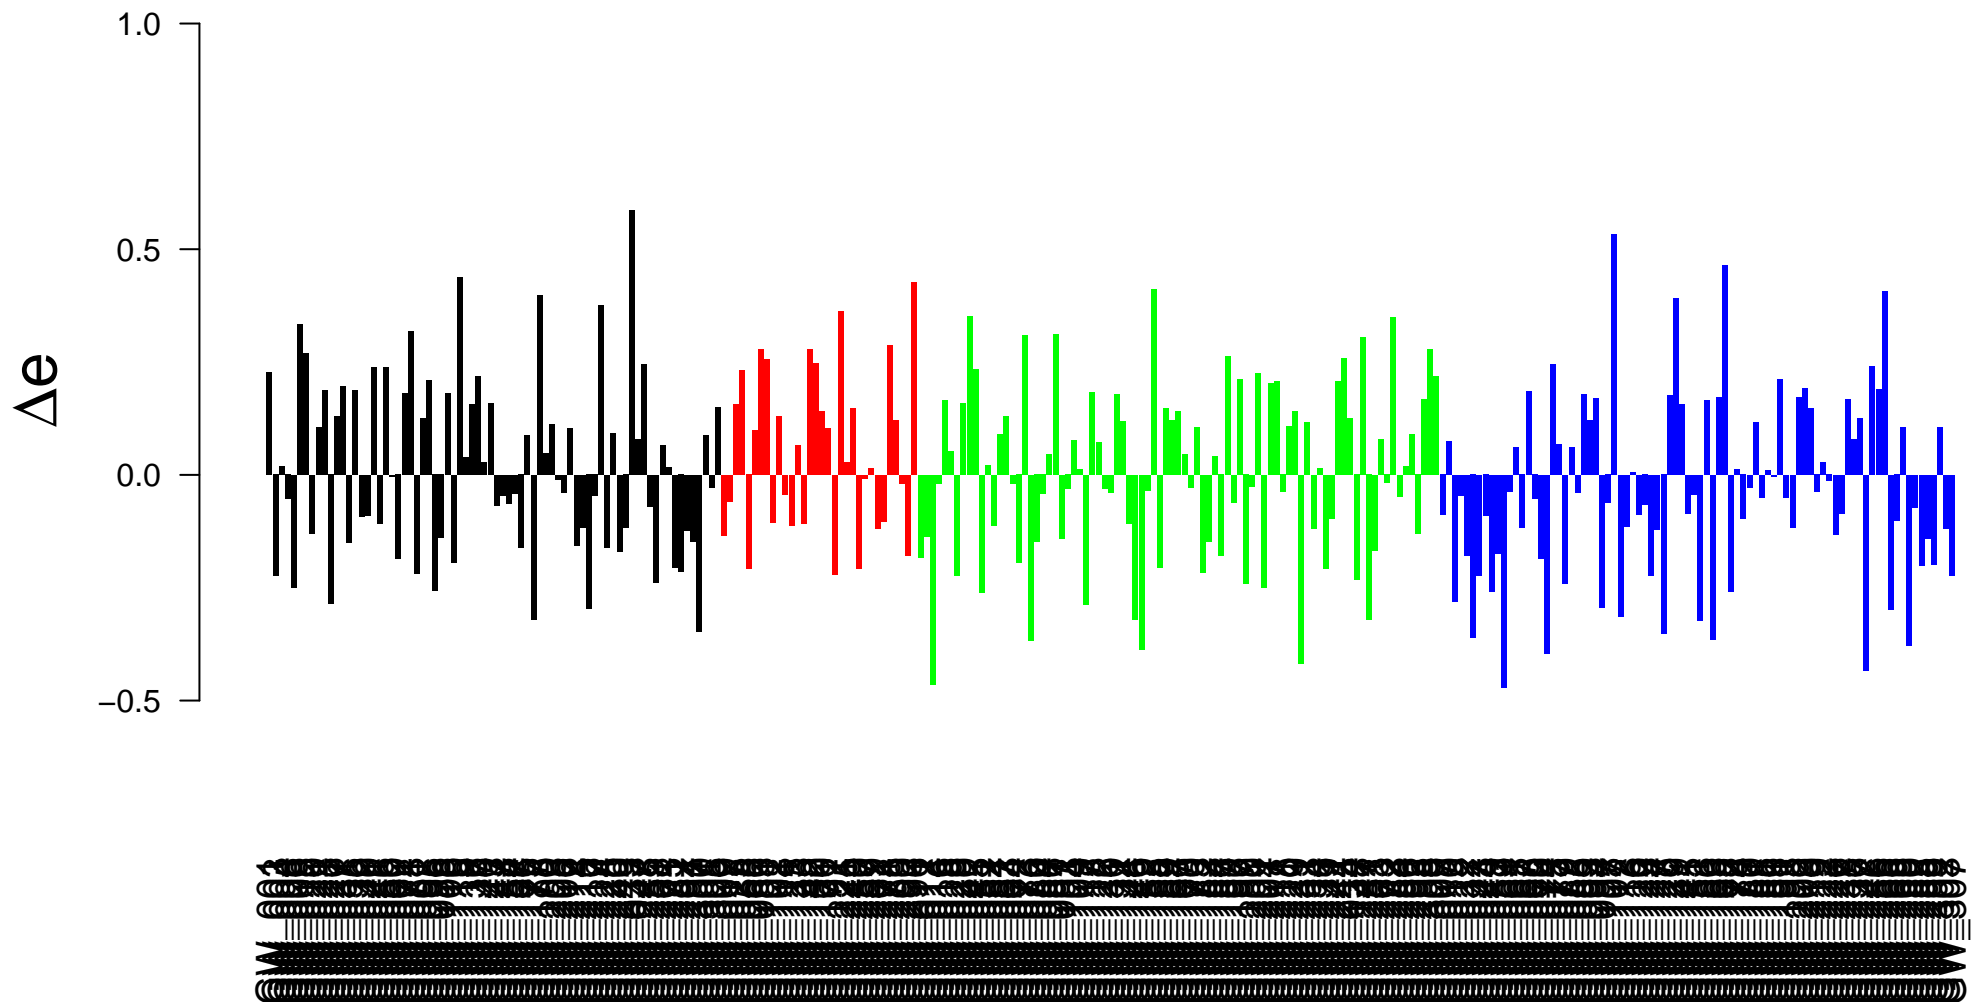

Expression of termination of RNA polymerase III transcription in Spot K

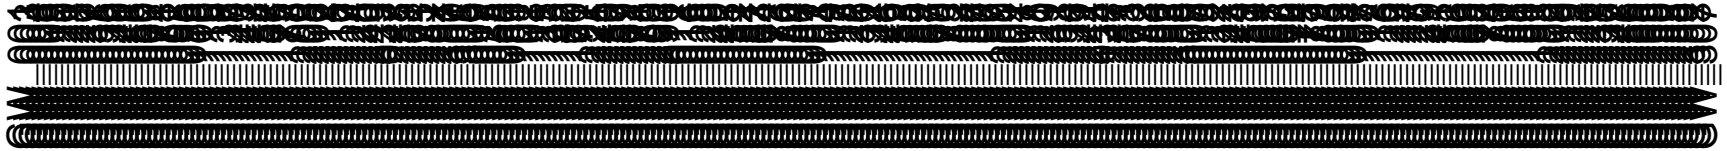

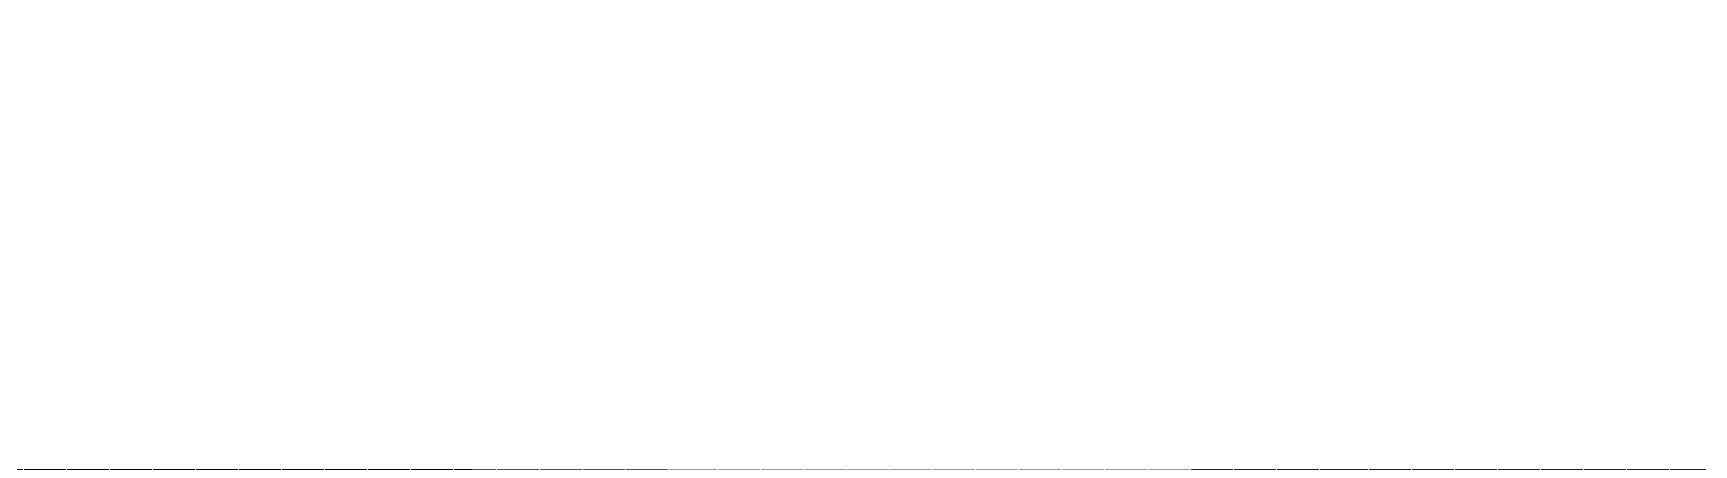

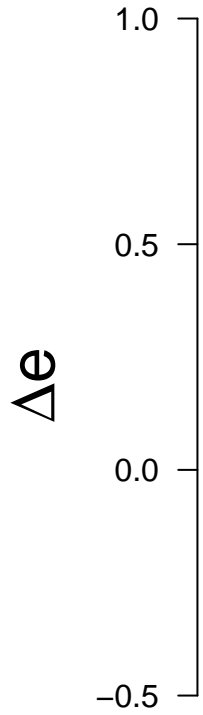

Expression of termination of RNA polymerase III transcription in Spot L

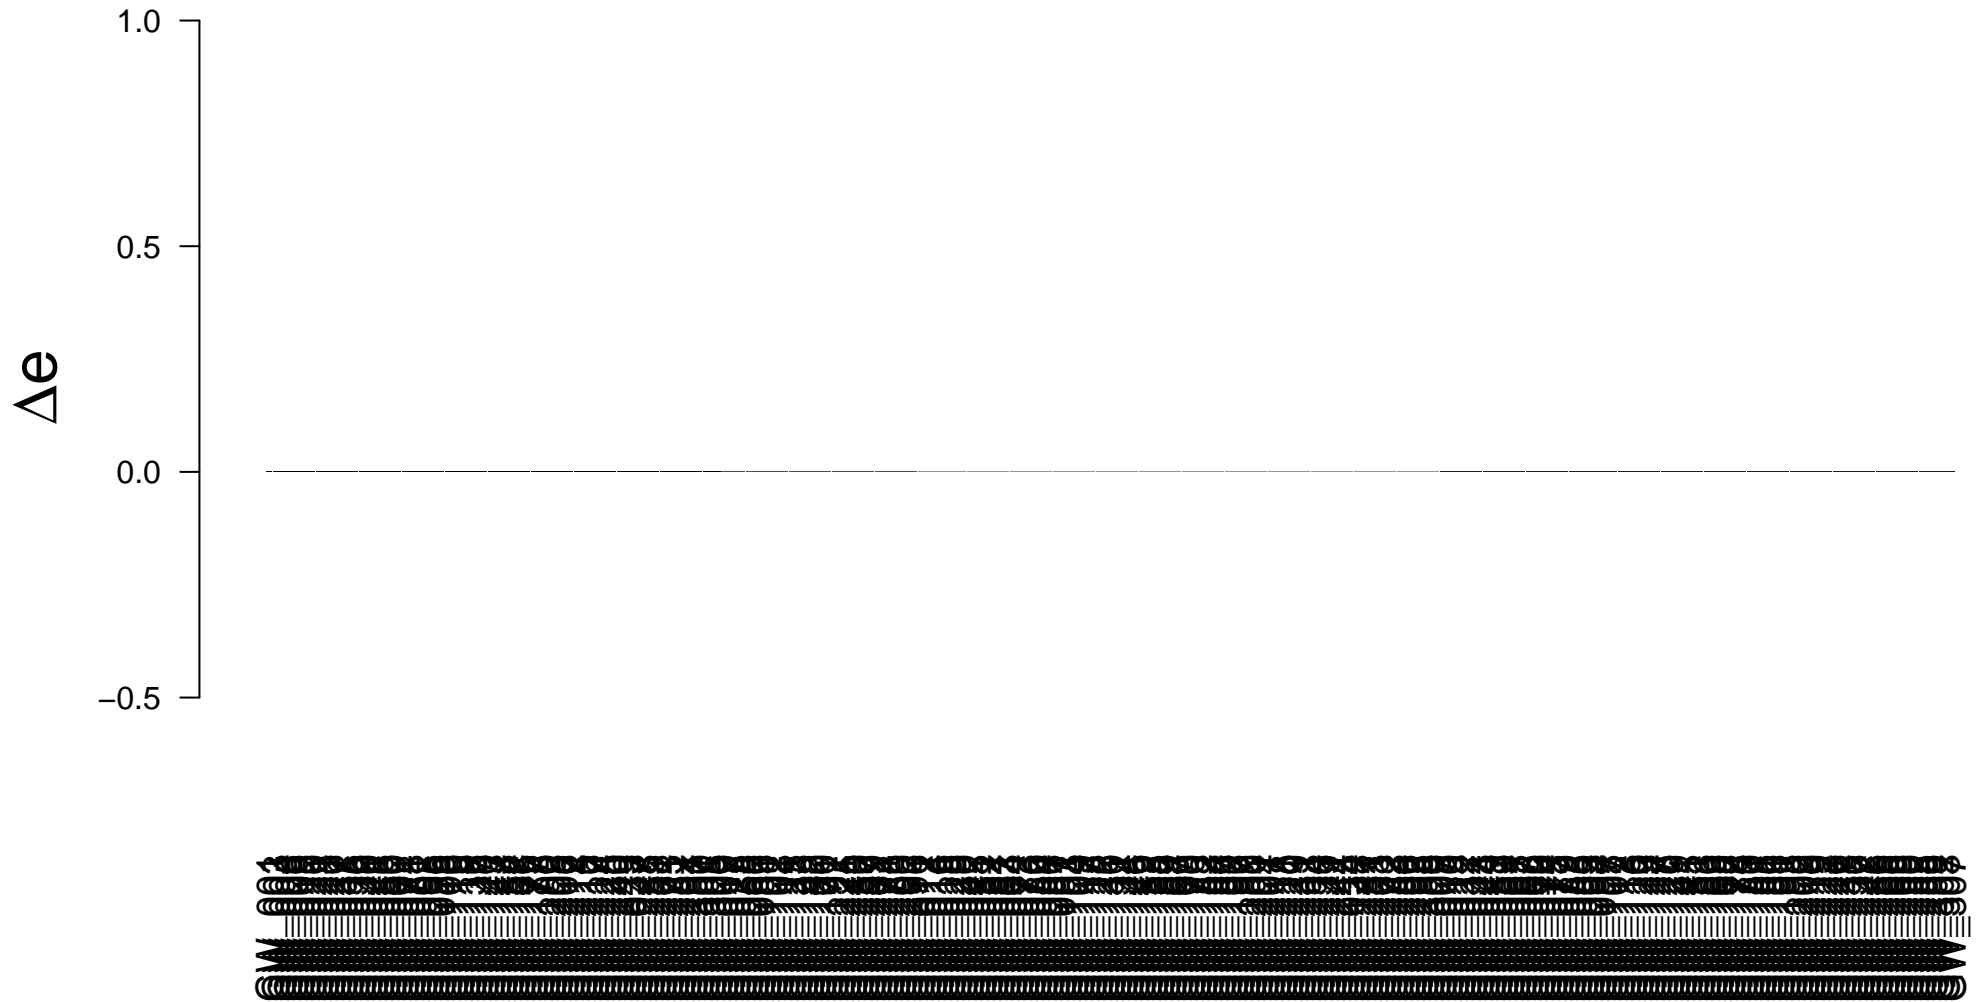

Expression of termination of RNA polymerase III transcription in Spot M

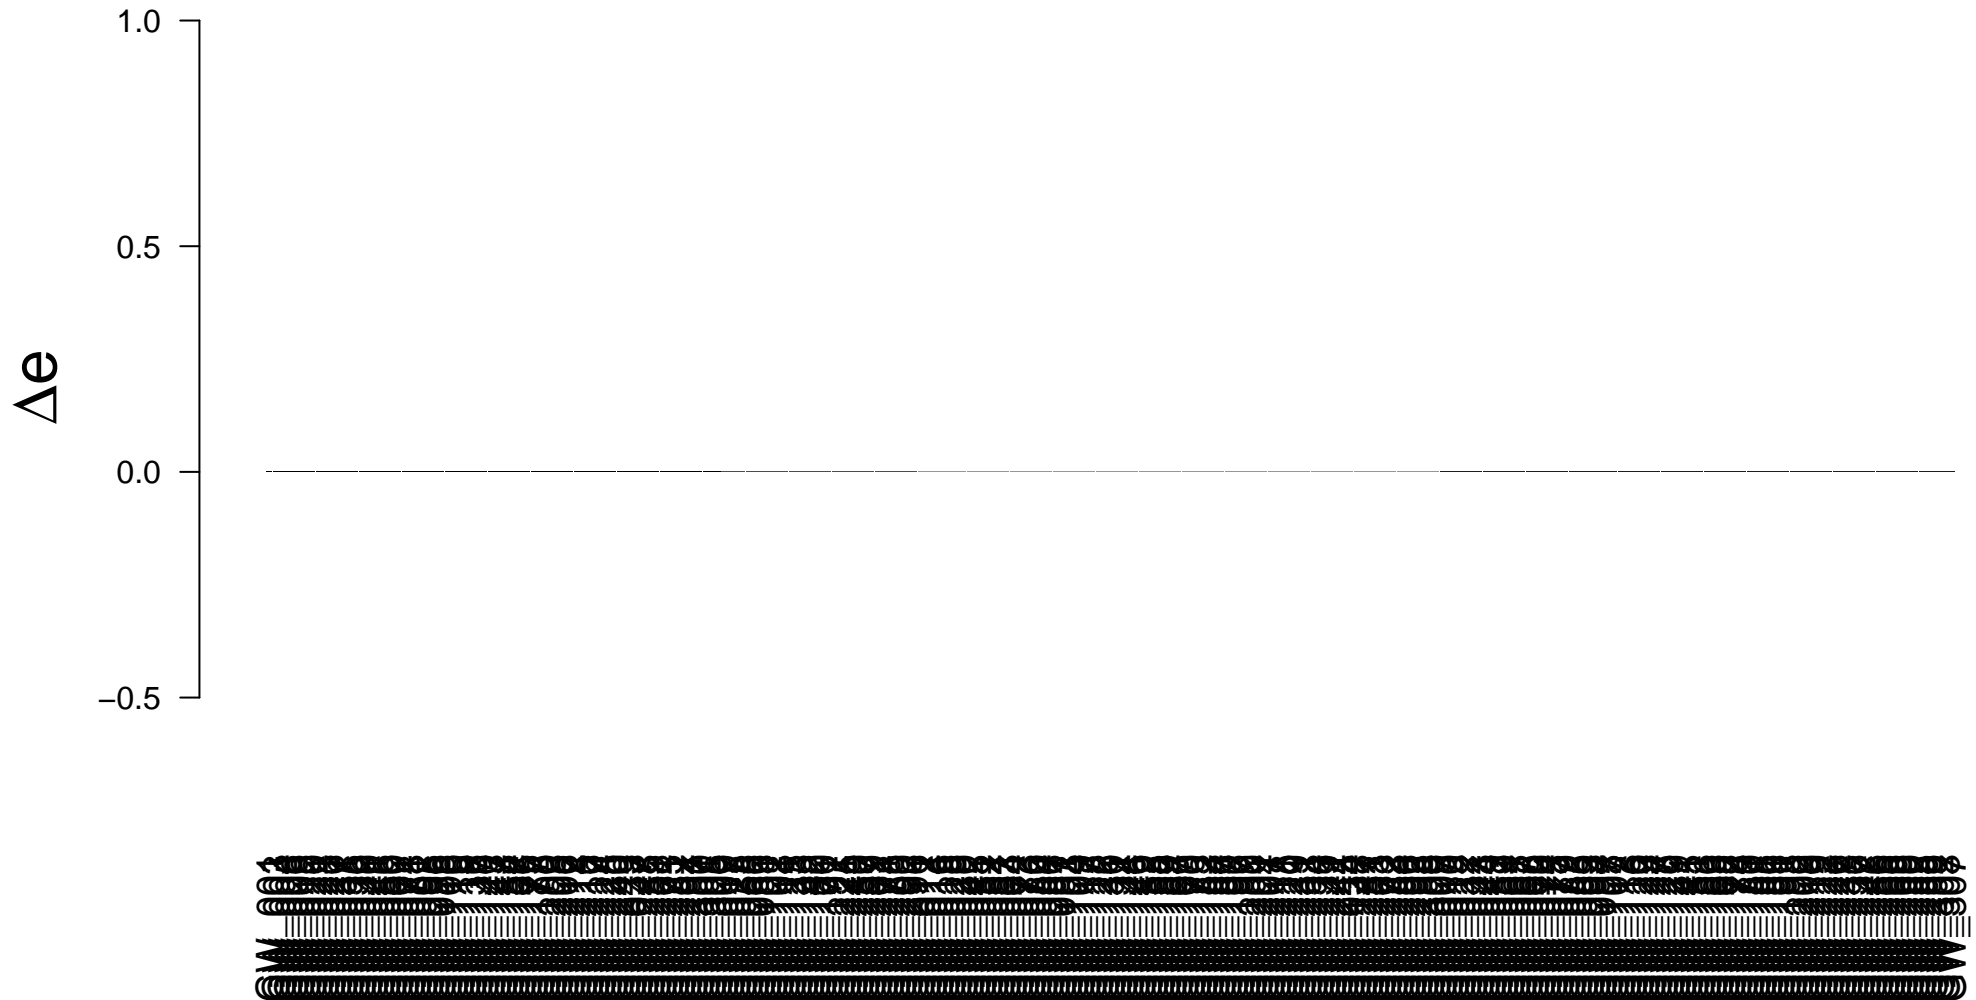

Expression of termination of RNA polymerase III transcription in Spot N

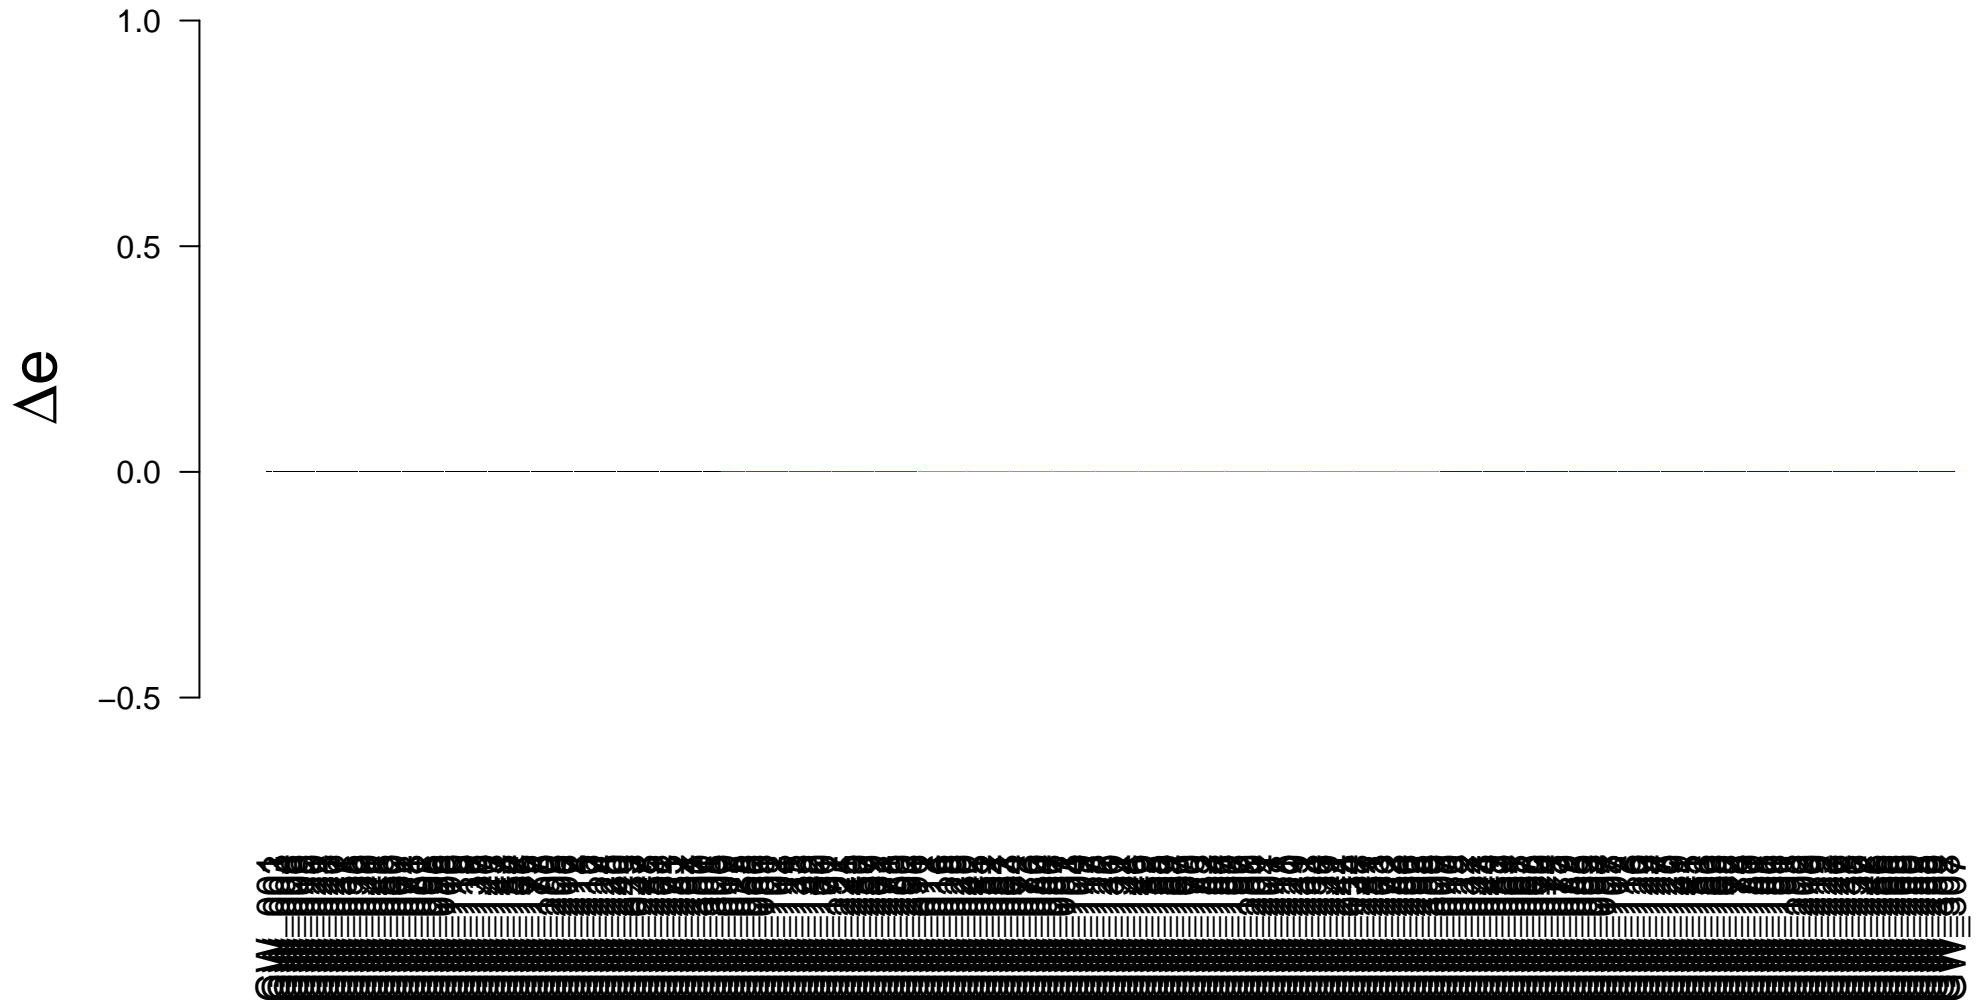

Expression of termination of RNA polymerase III transcription in Spot O

Expression of termination of RNA polymerase III transcription in Spot P

Expression of termination of RNA polymerase III transcription in Spot Q

Expression of termination of RNA polymerase III transcription in Spot R
