

transforming growth factor beta-activated receptor activity

transforming growth factor beta-activated receptor activity

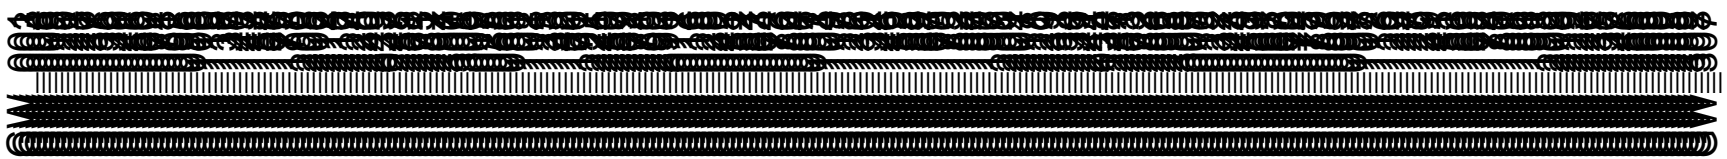

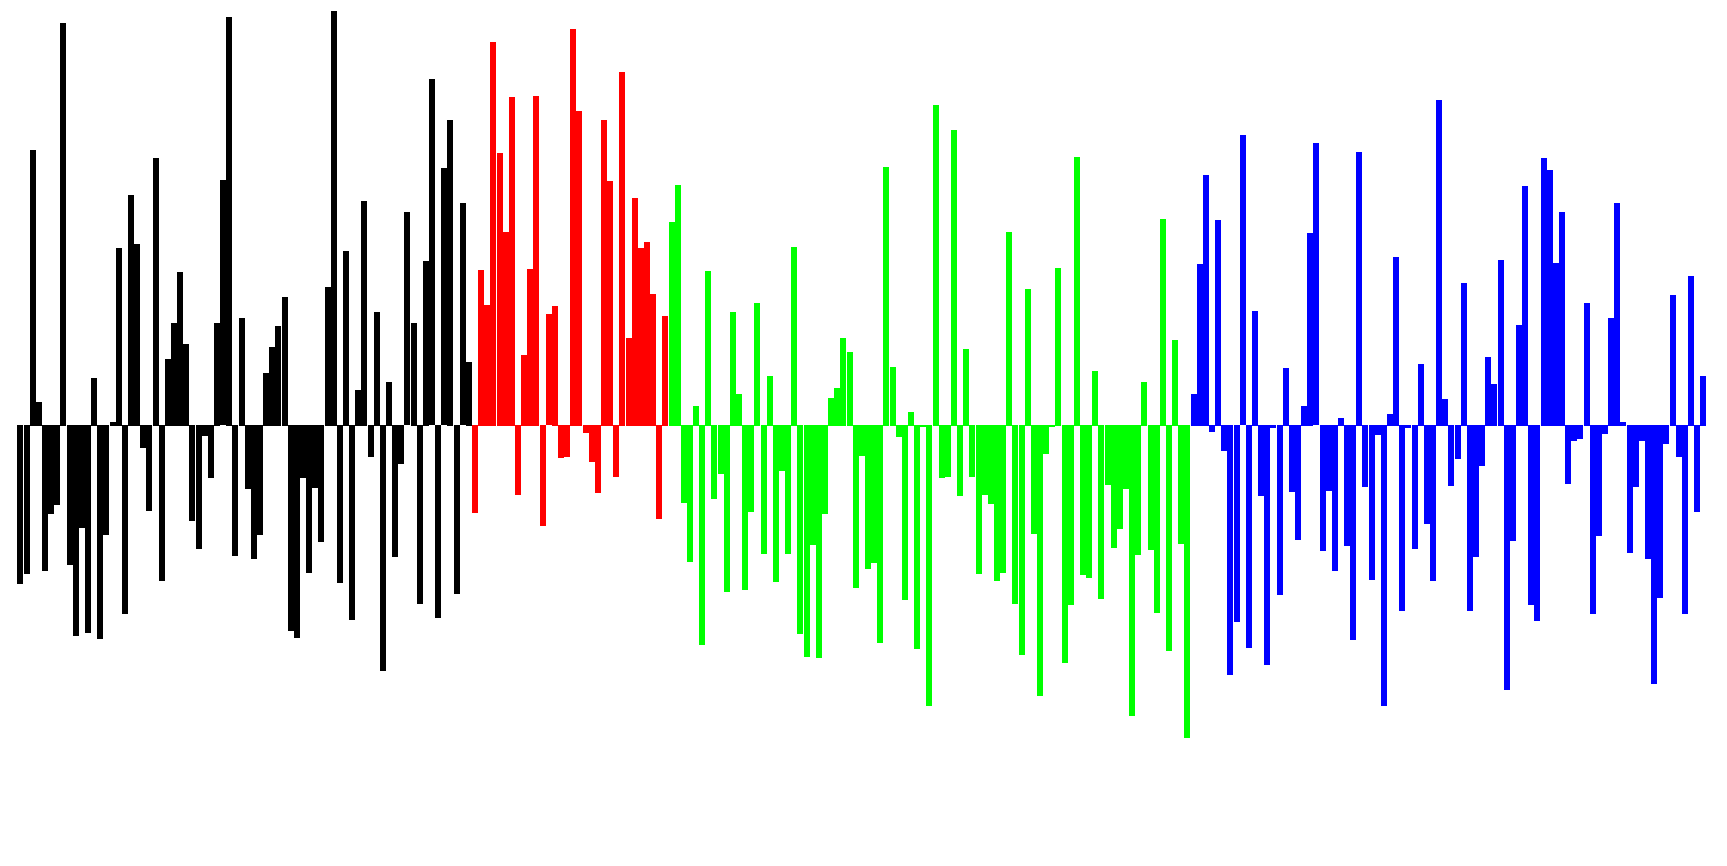

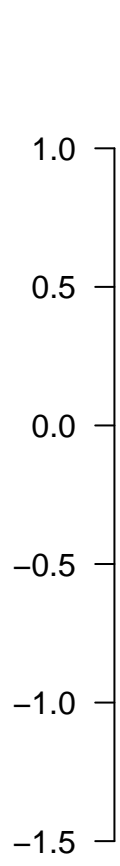

Enrichment in spots: transforming growth factor beta-activated receptor activity

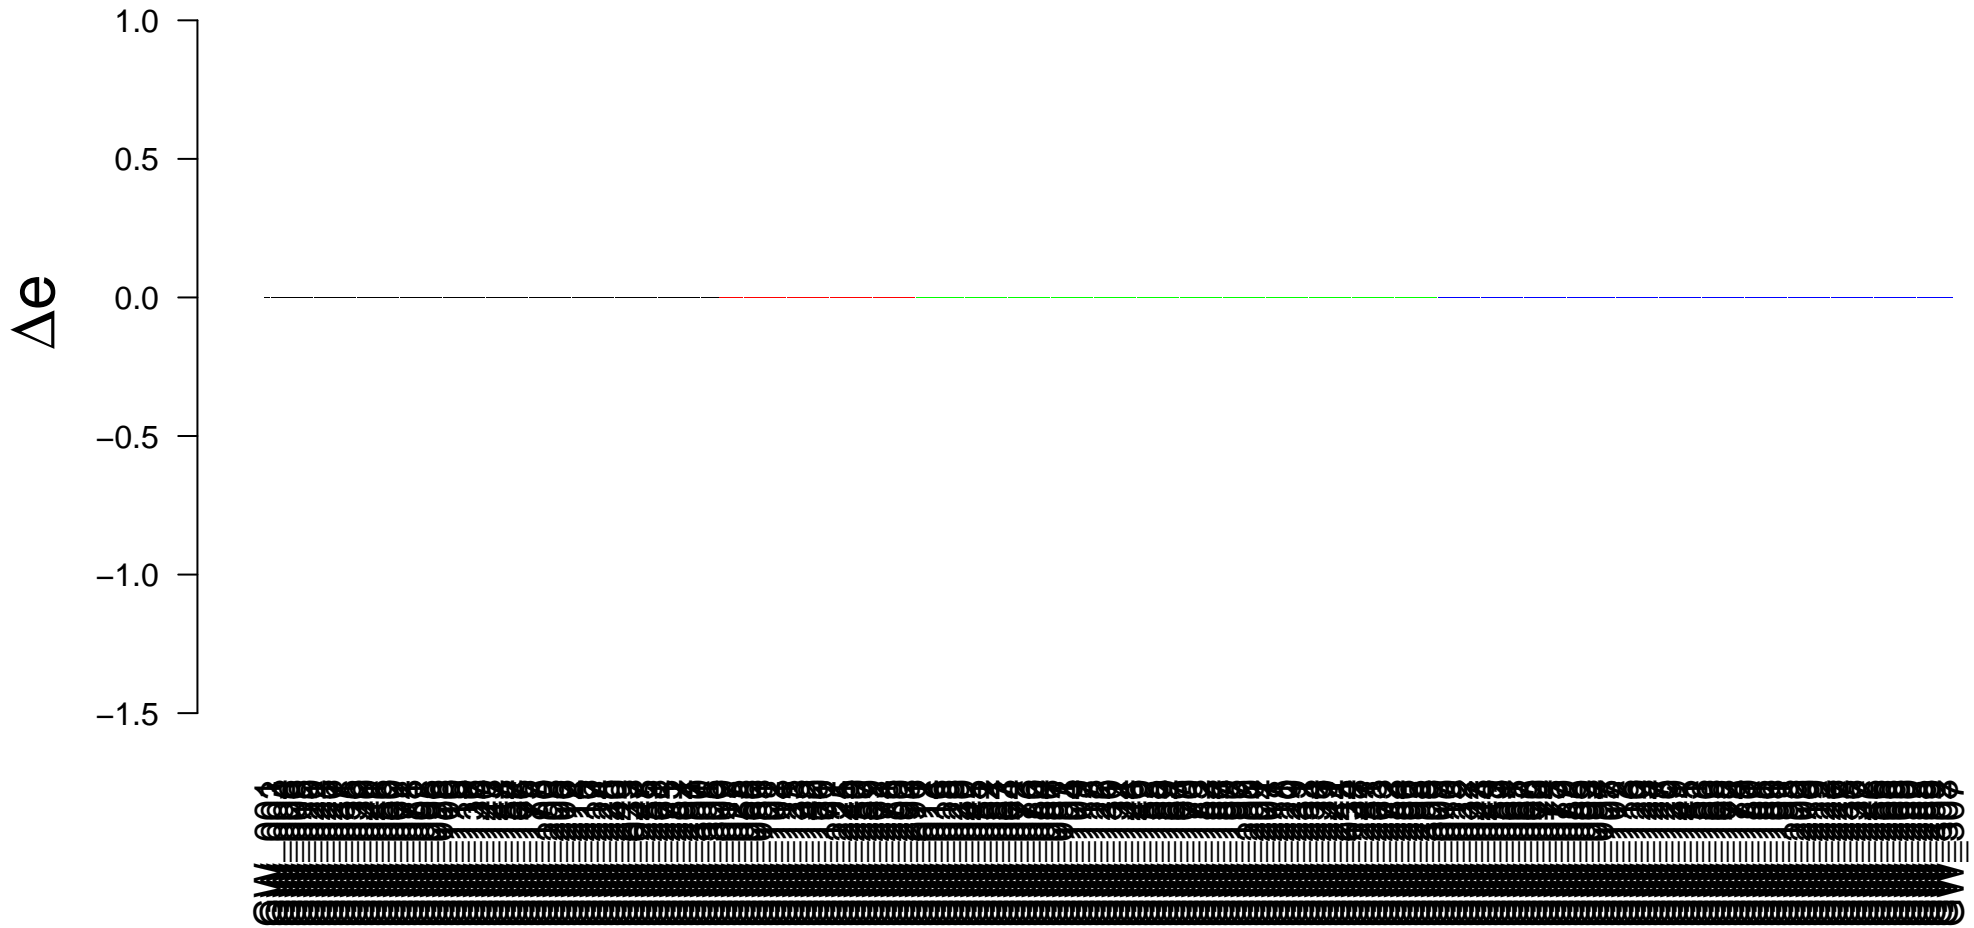

Expression of transforming growth factor beta-activated receptor activity in Spot A

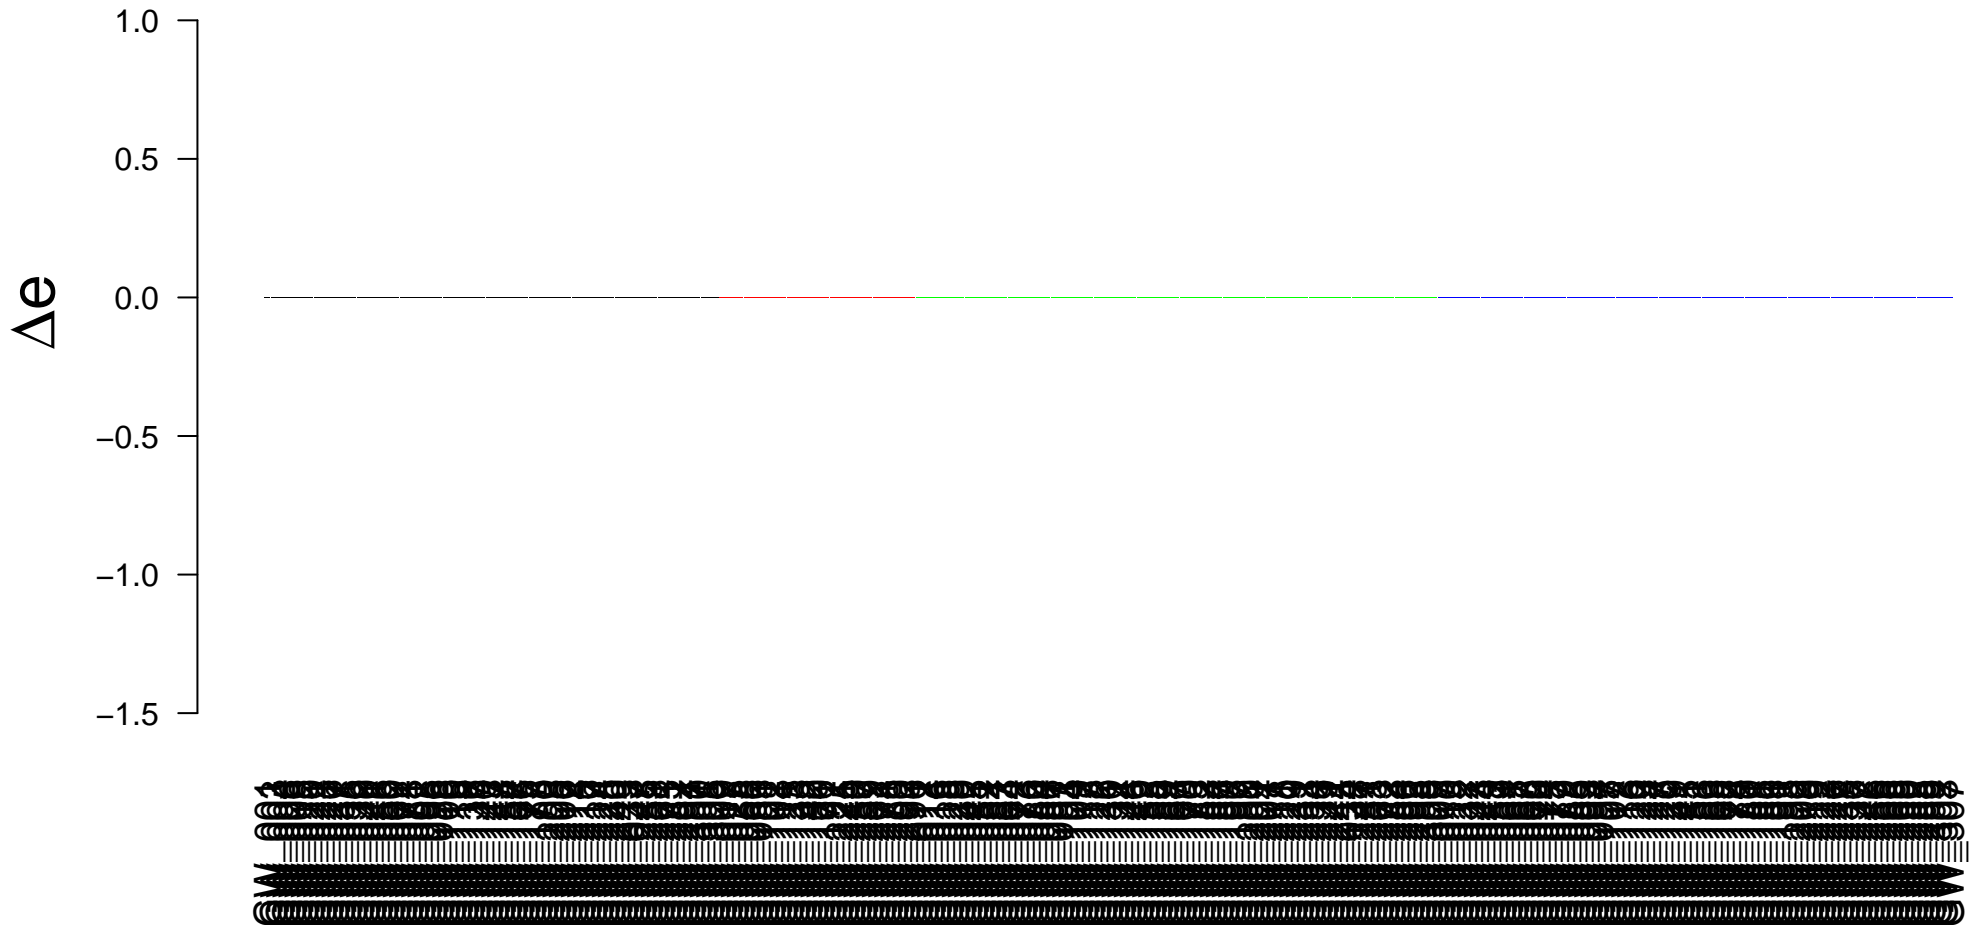

Δe

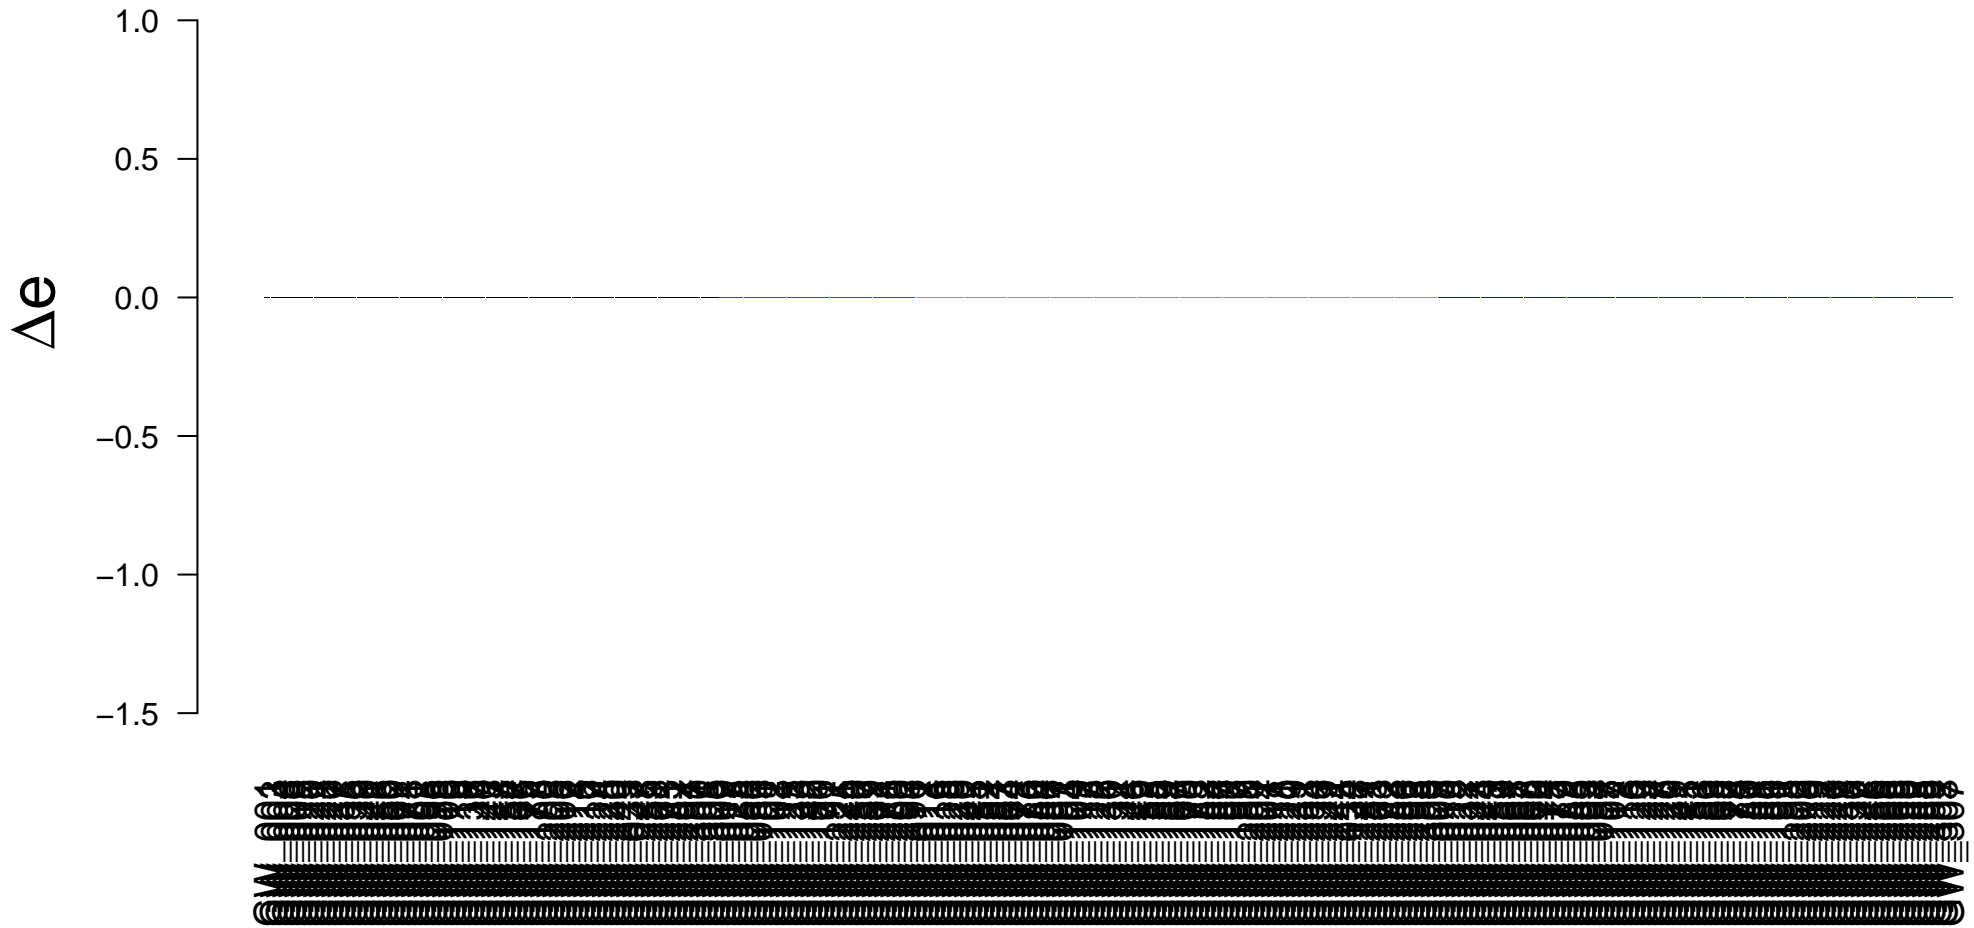

Expression of transforming growth factor beta-activated receptor activity in Spot B

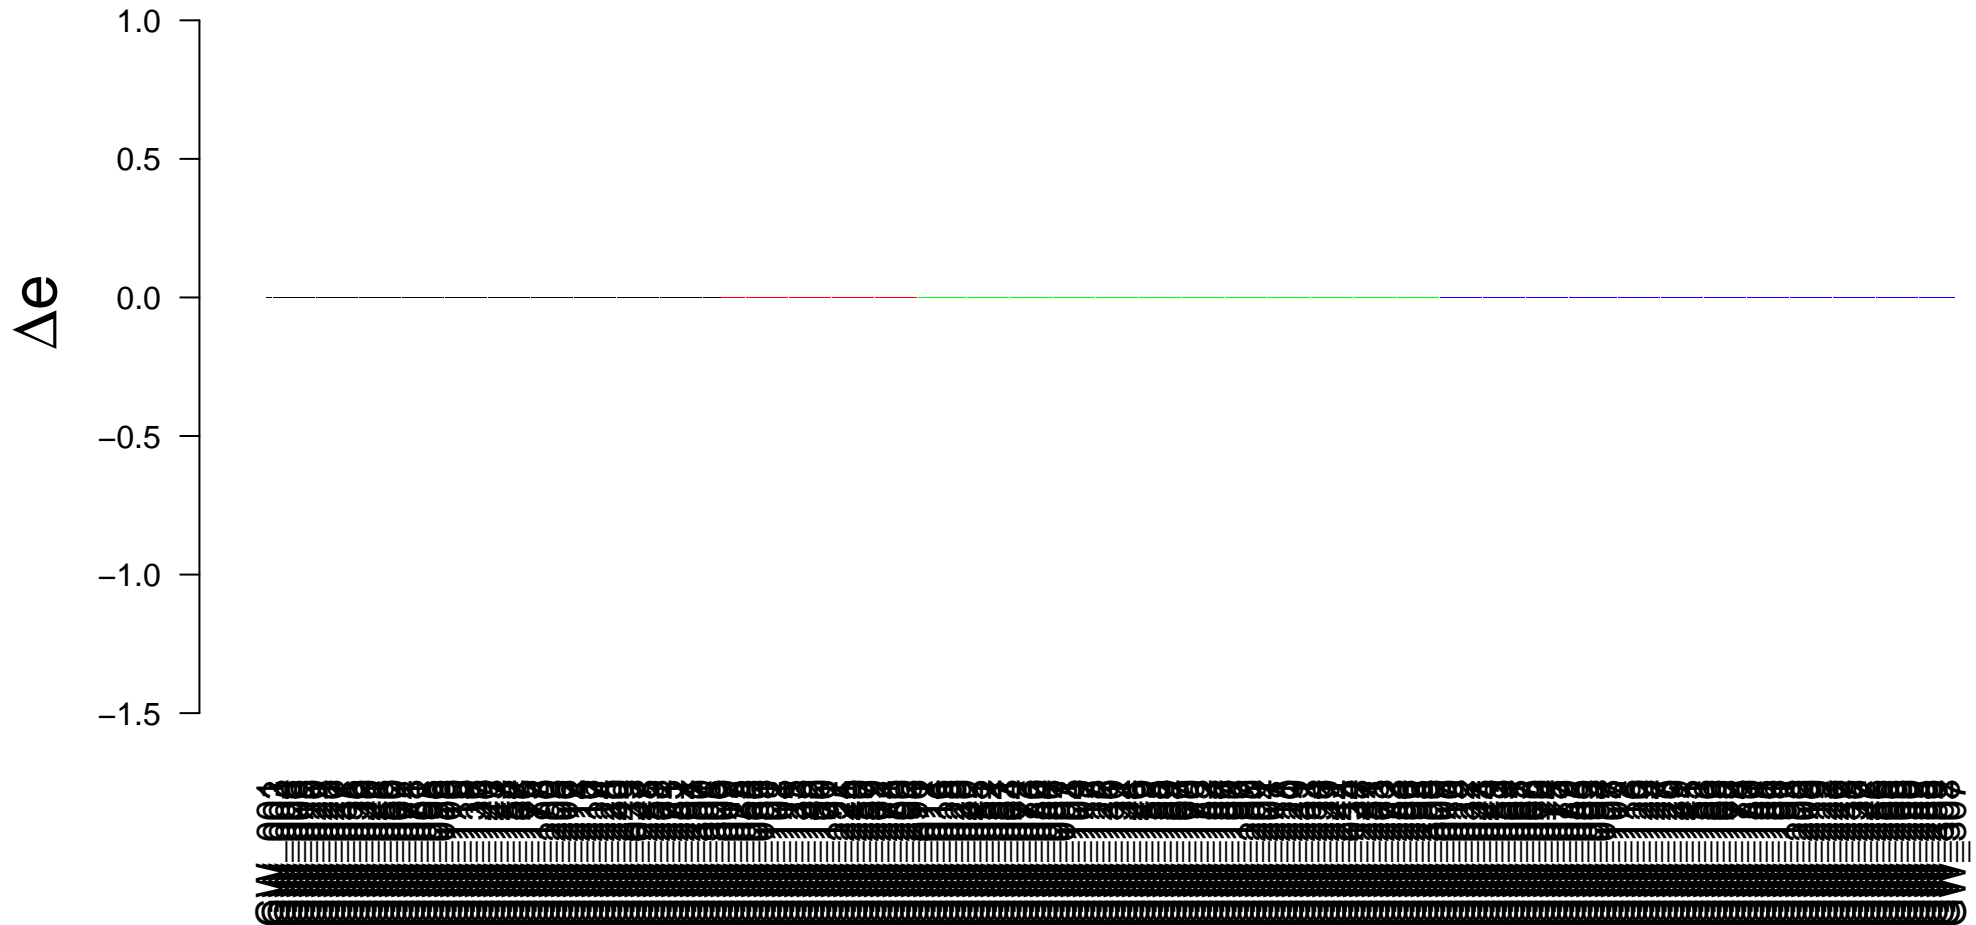

Expression of transforming growth factor beta-activated receptor activity in Spot C

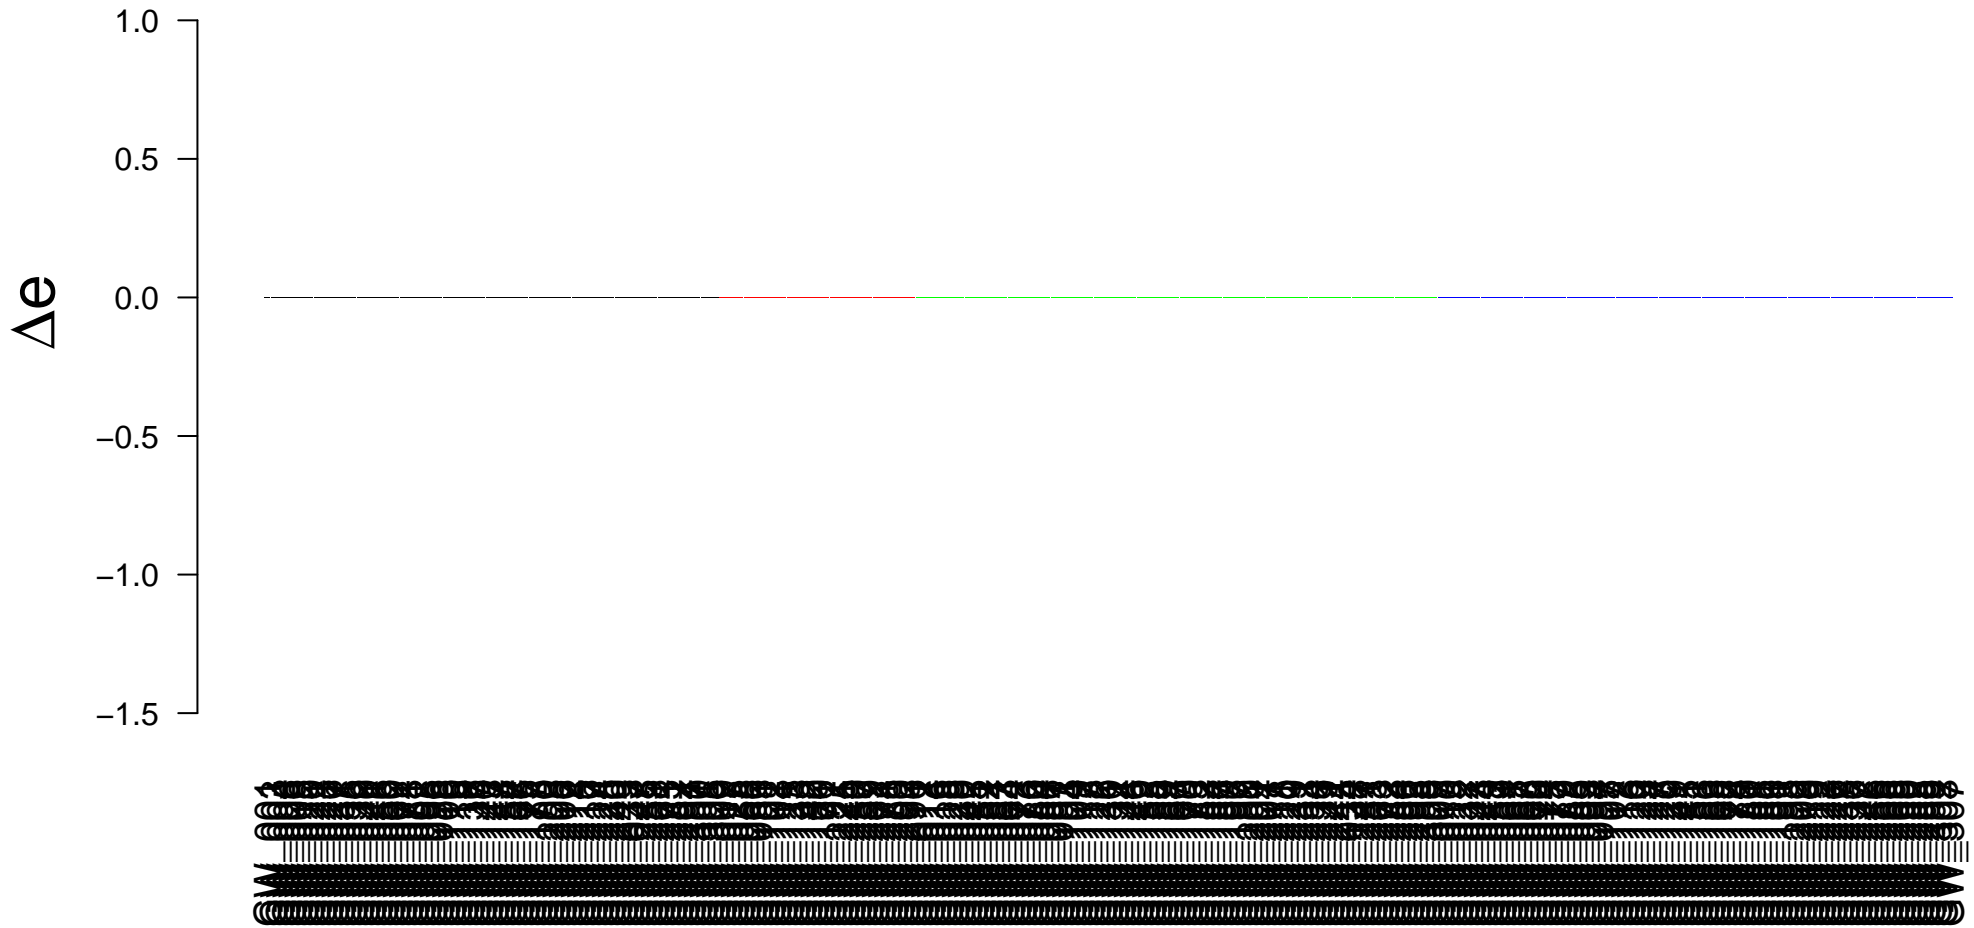

Expression of transforming growth factor beta-activated receptor activity in Spot D

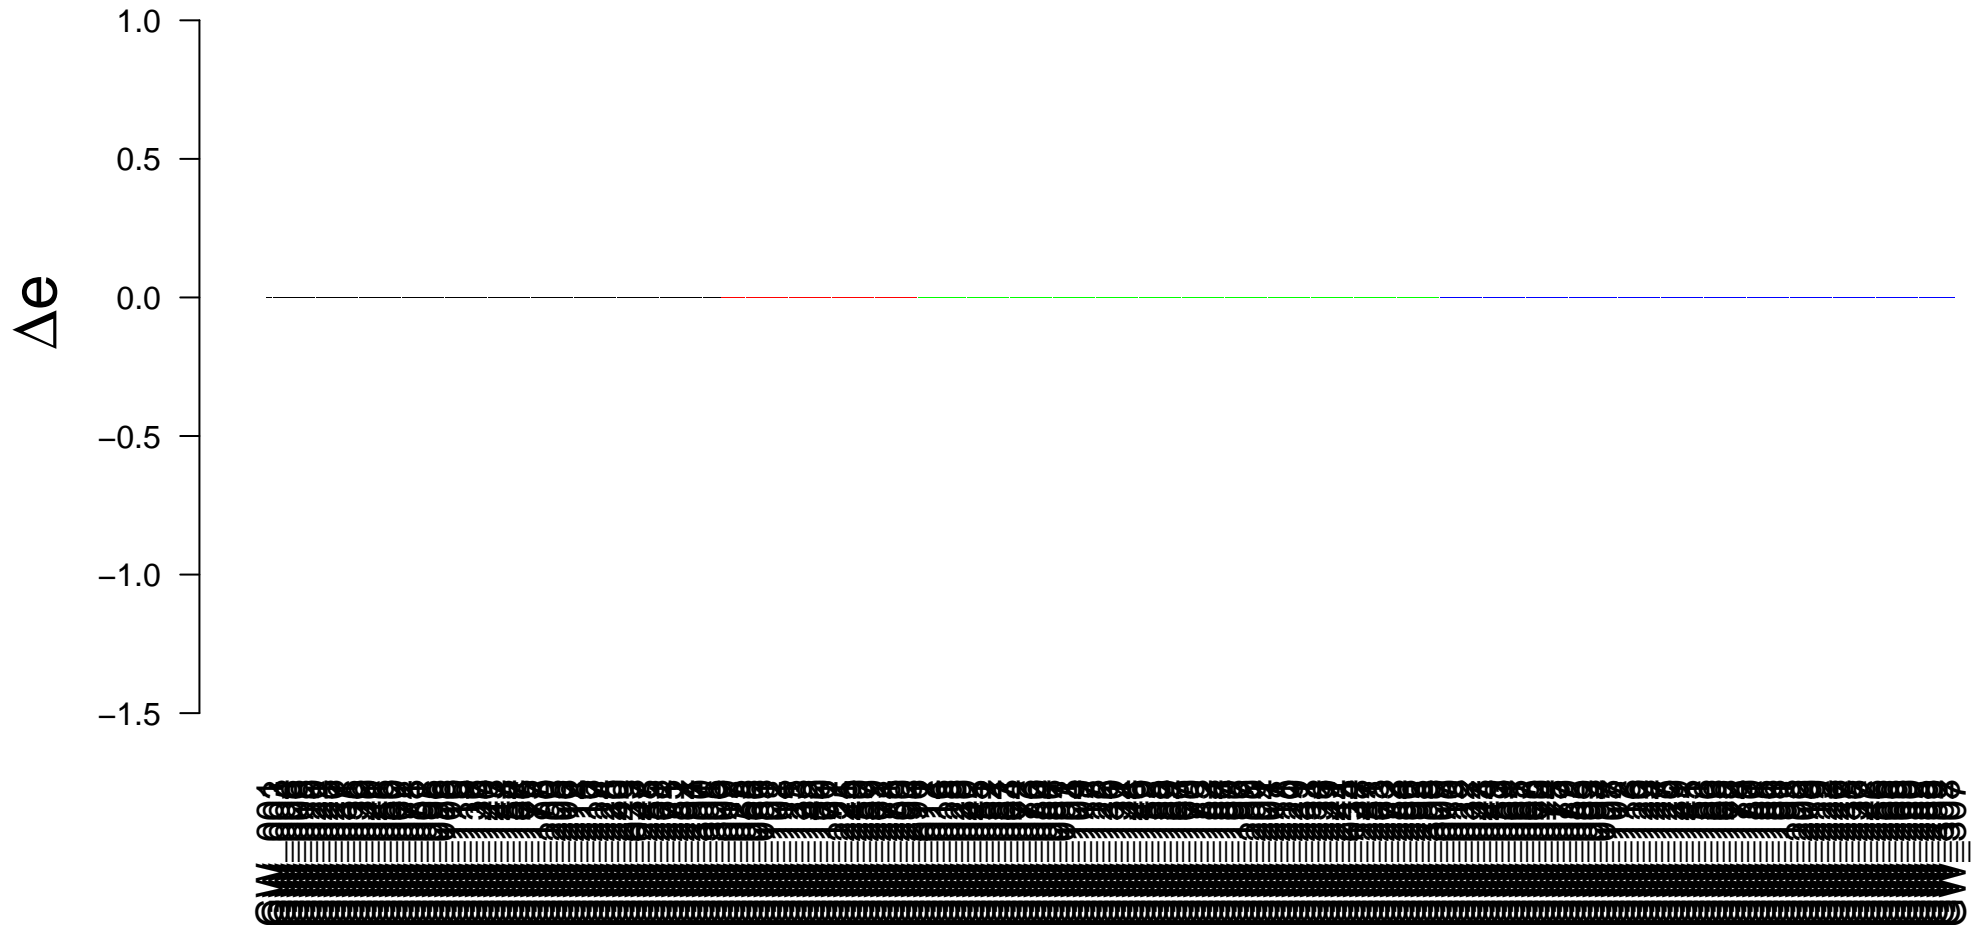

Expression of transforming growth factor beta-activated receptor activity in Spot E

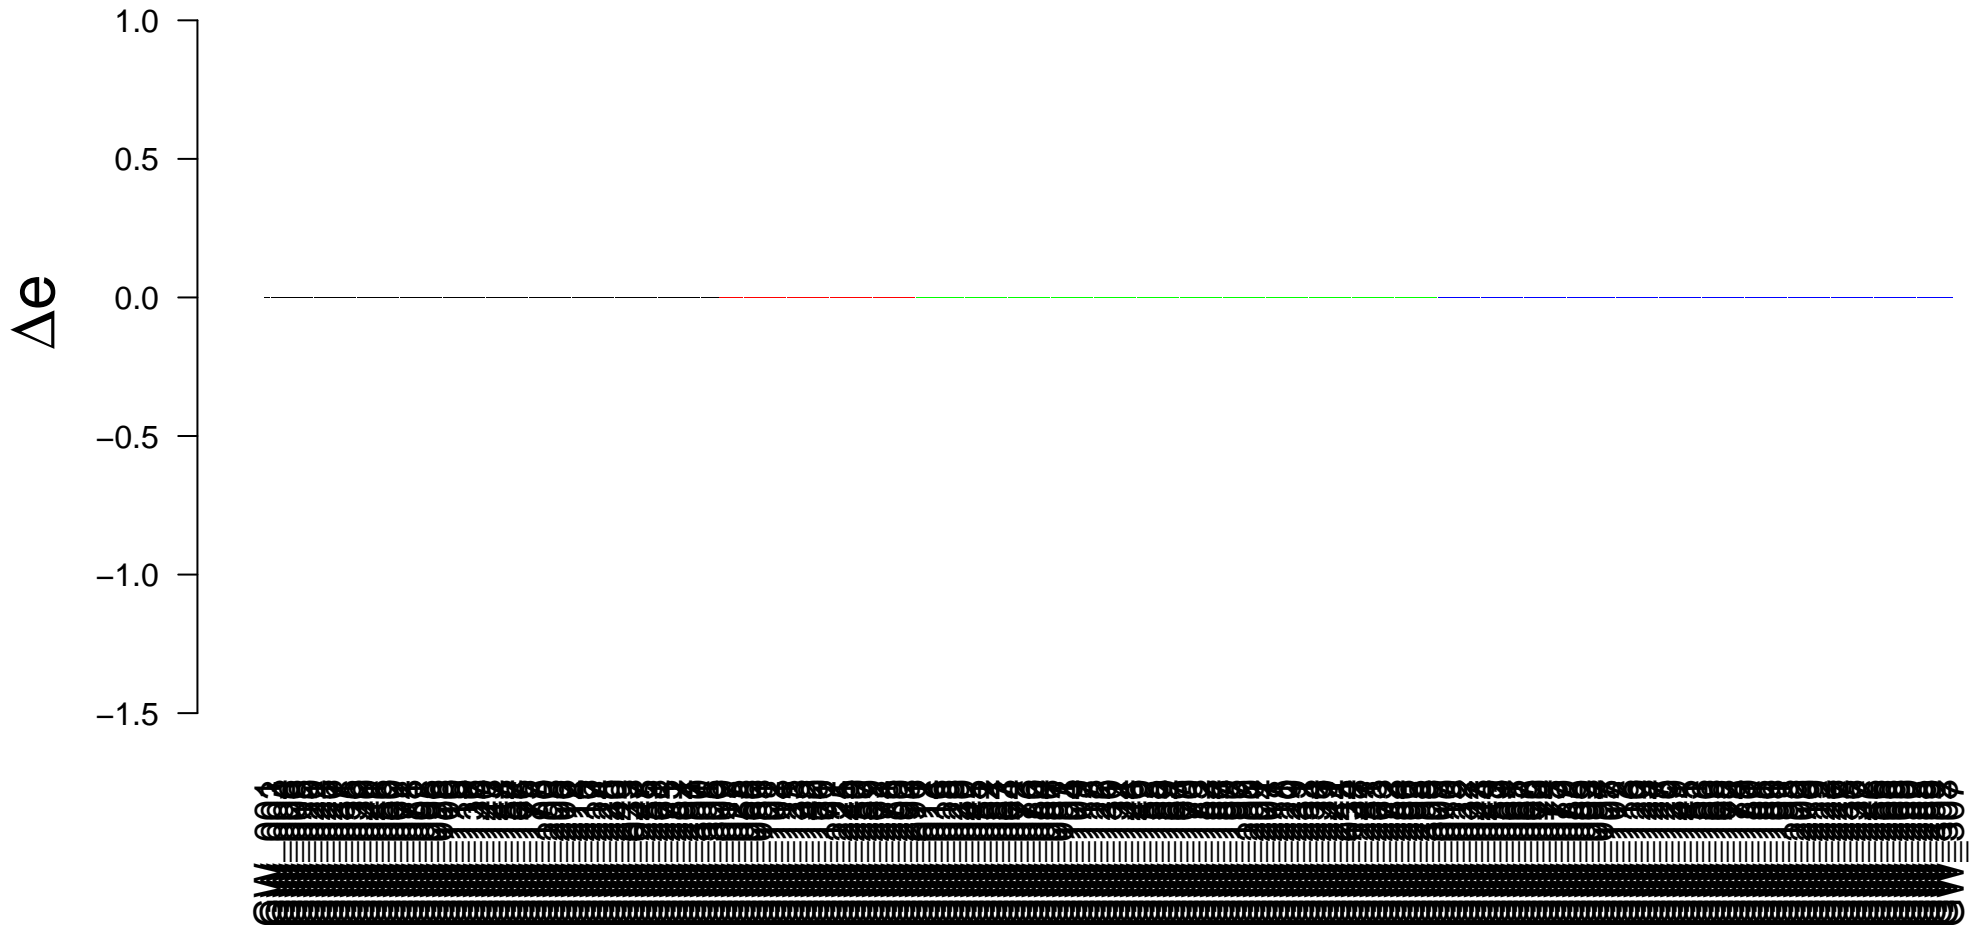

Expression of transforming growth factor beta-activated receptor activity in Spot F

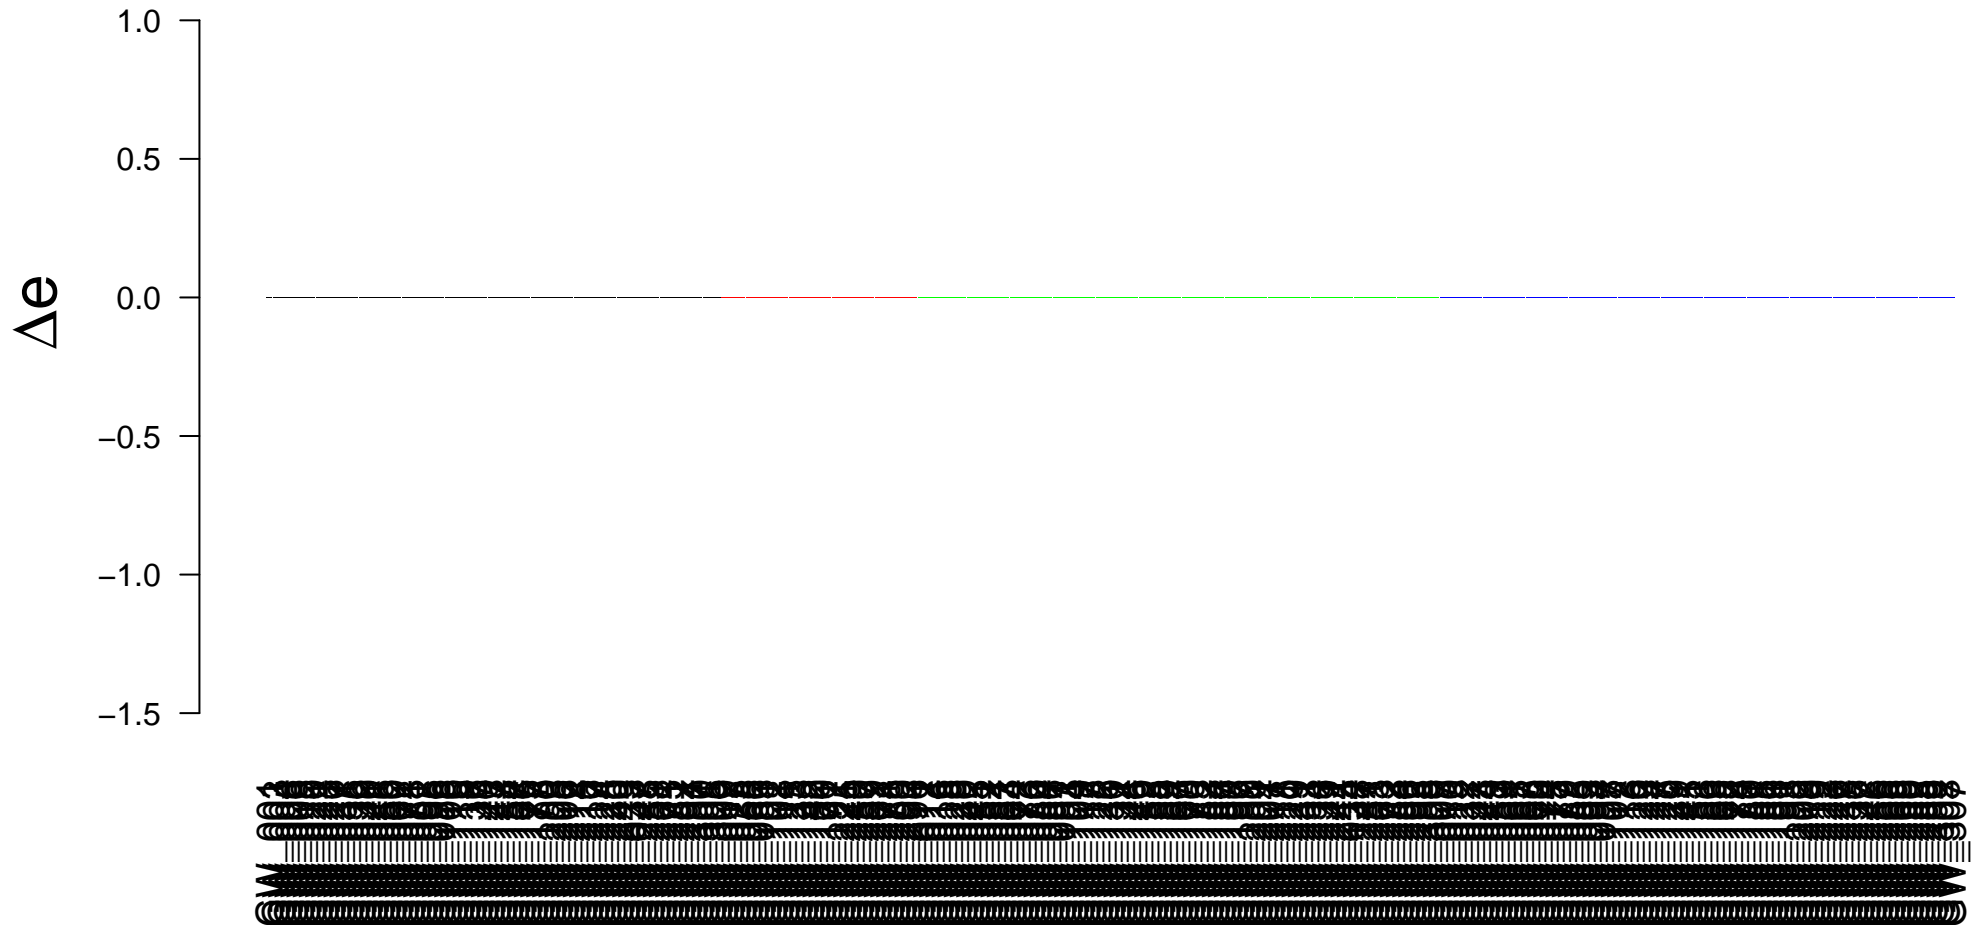

Expression of transforming growth factor beta-activated receptor activity in Spot G

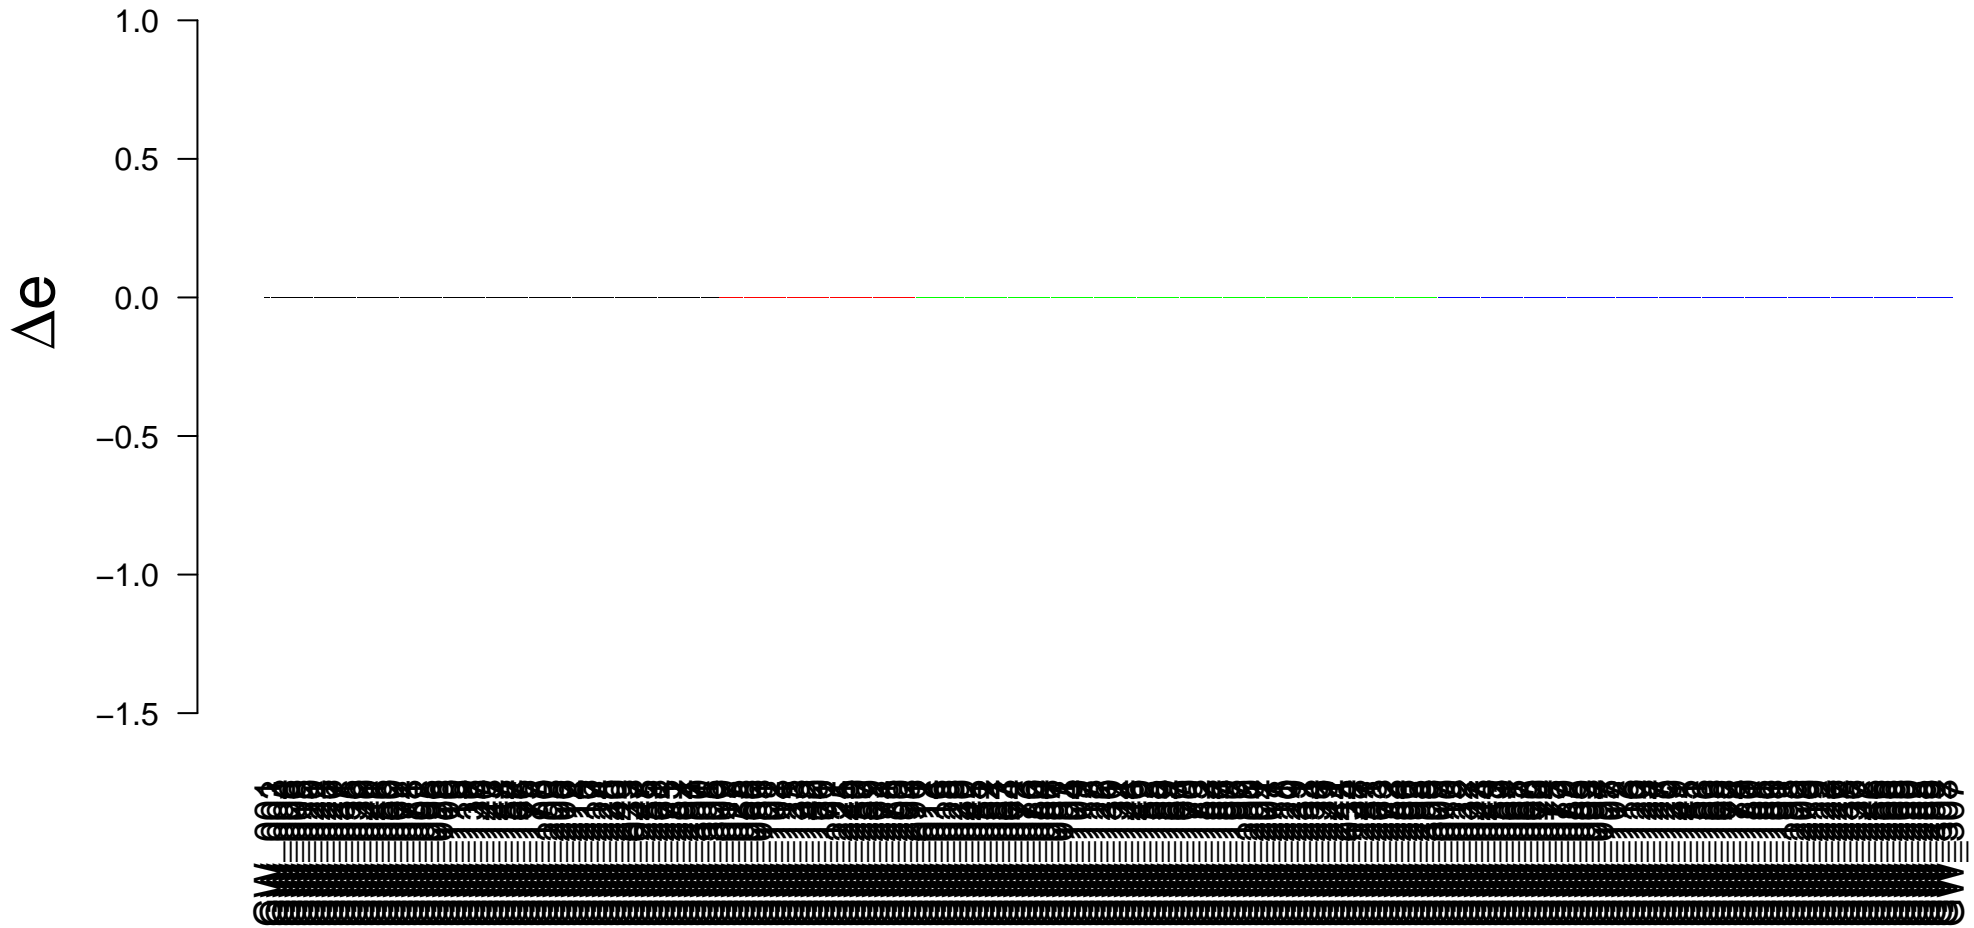

Expression of transforming growth factor beta-activated receptor activity in Spot H

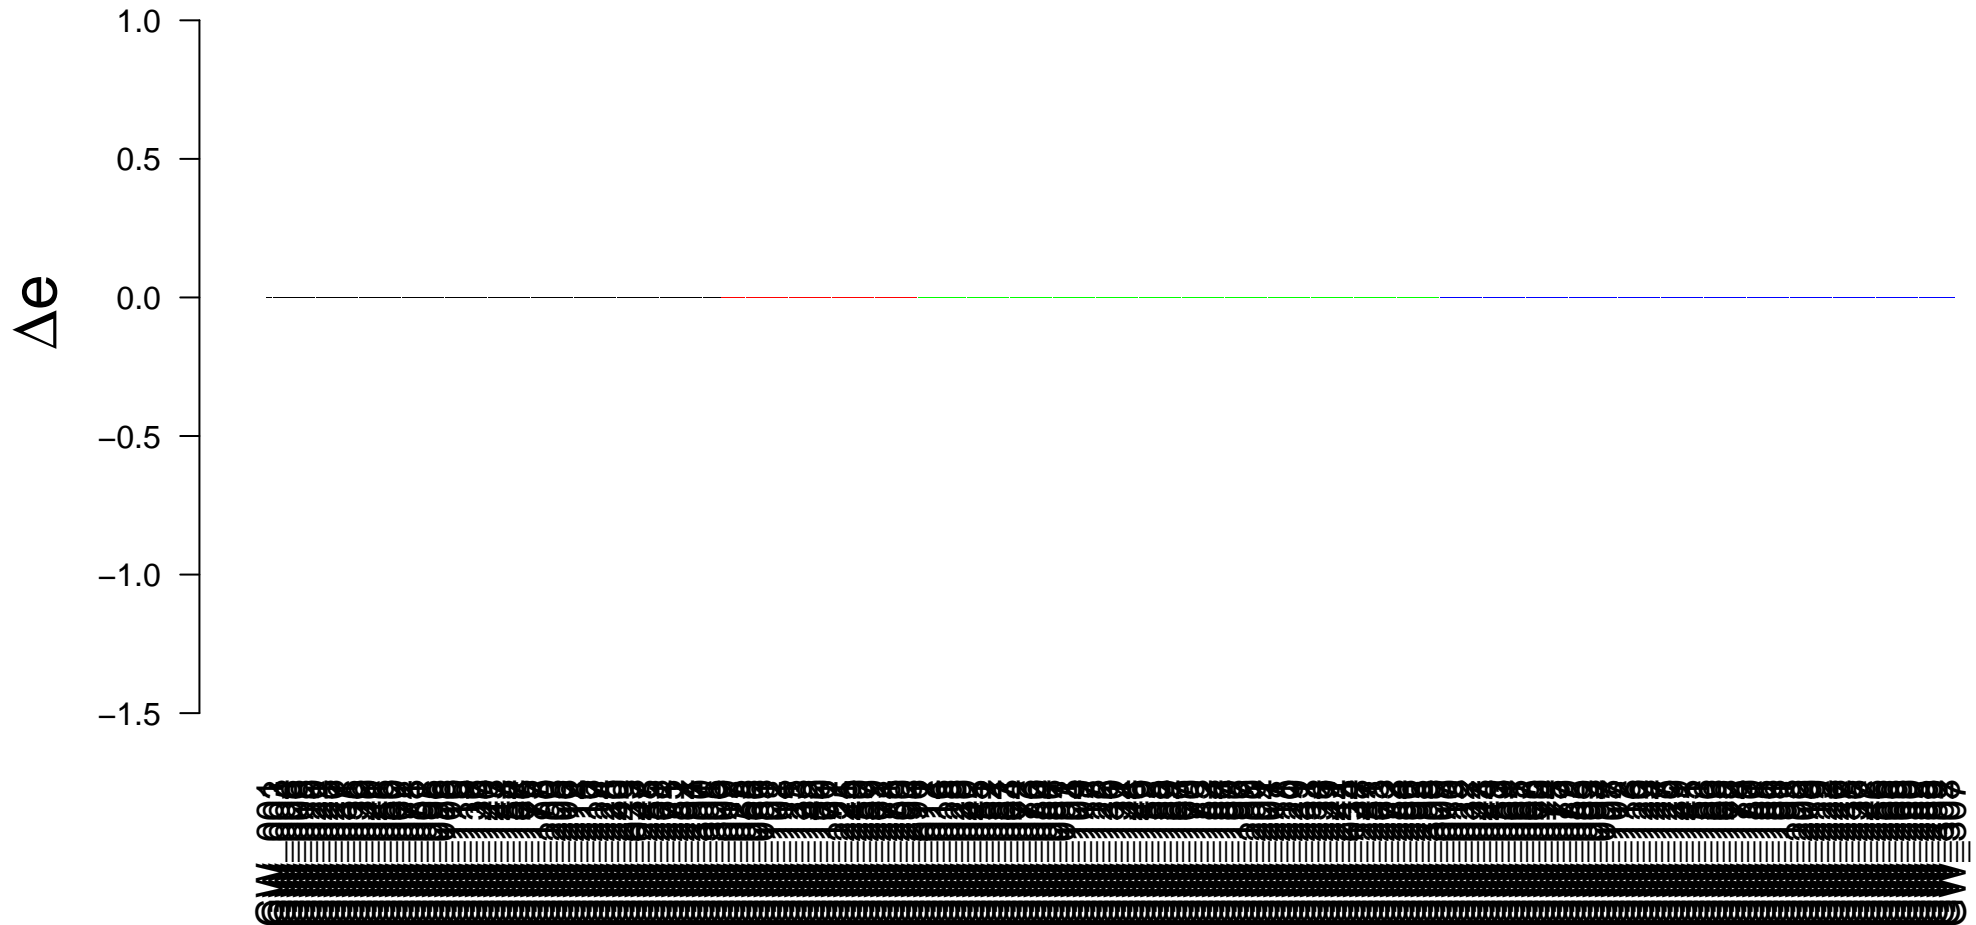

Expression of transforming growth factor beta-activated receptor activity in Spot I

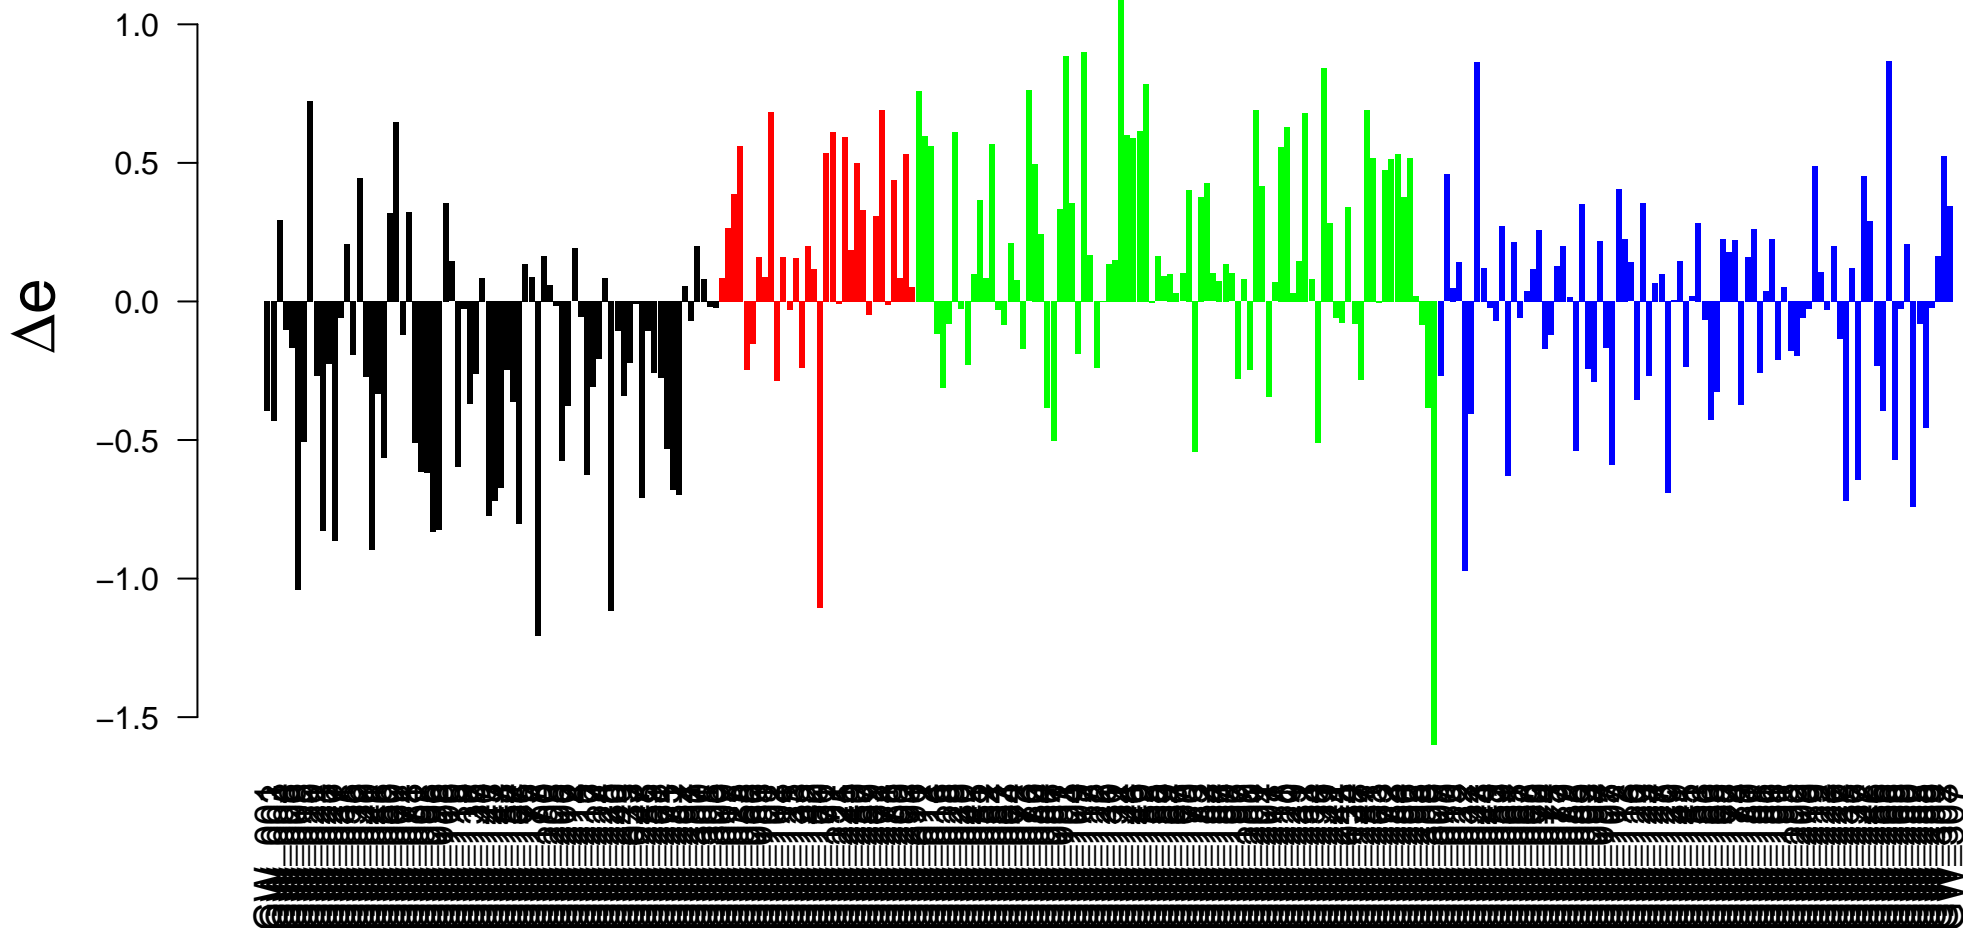

Expression of transforming growth factor beta-activated receptor activity in Spot J

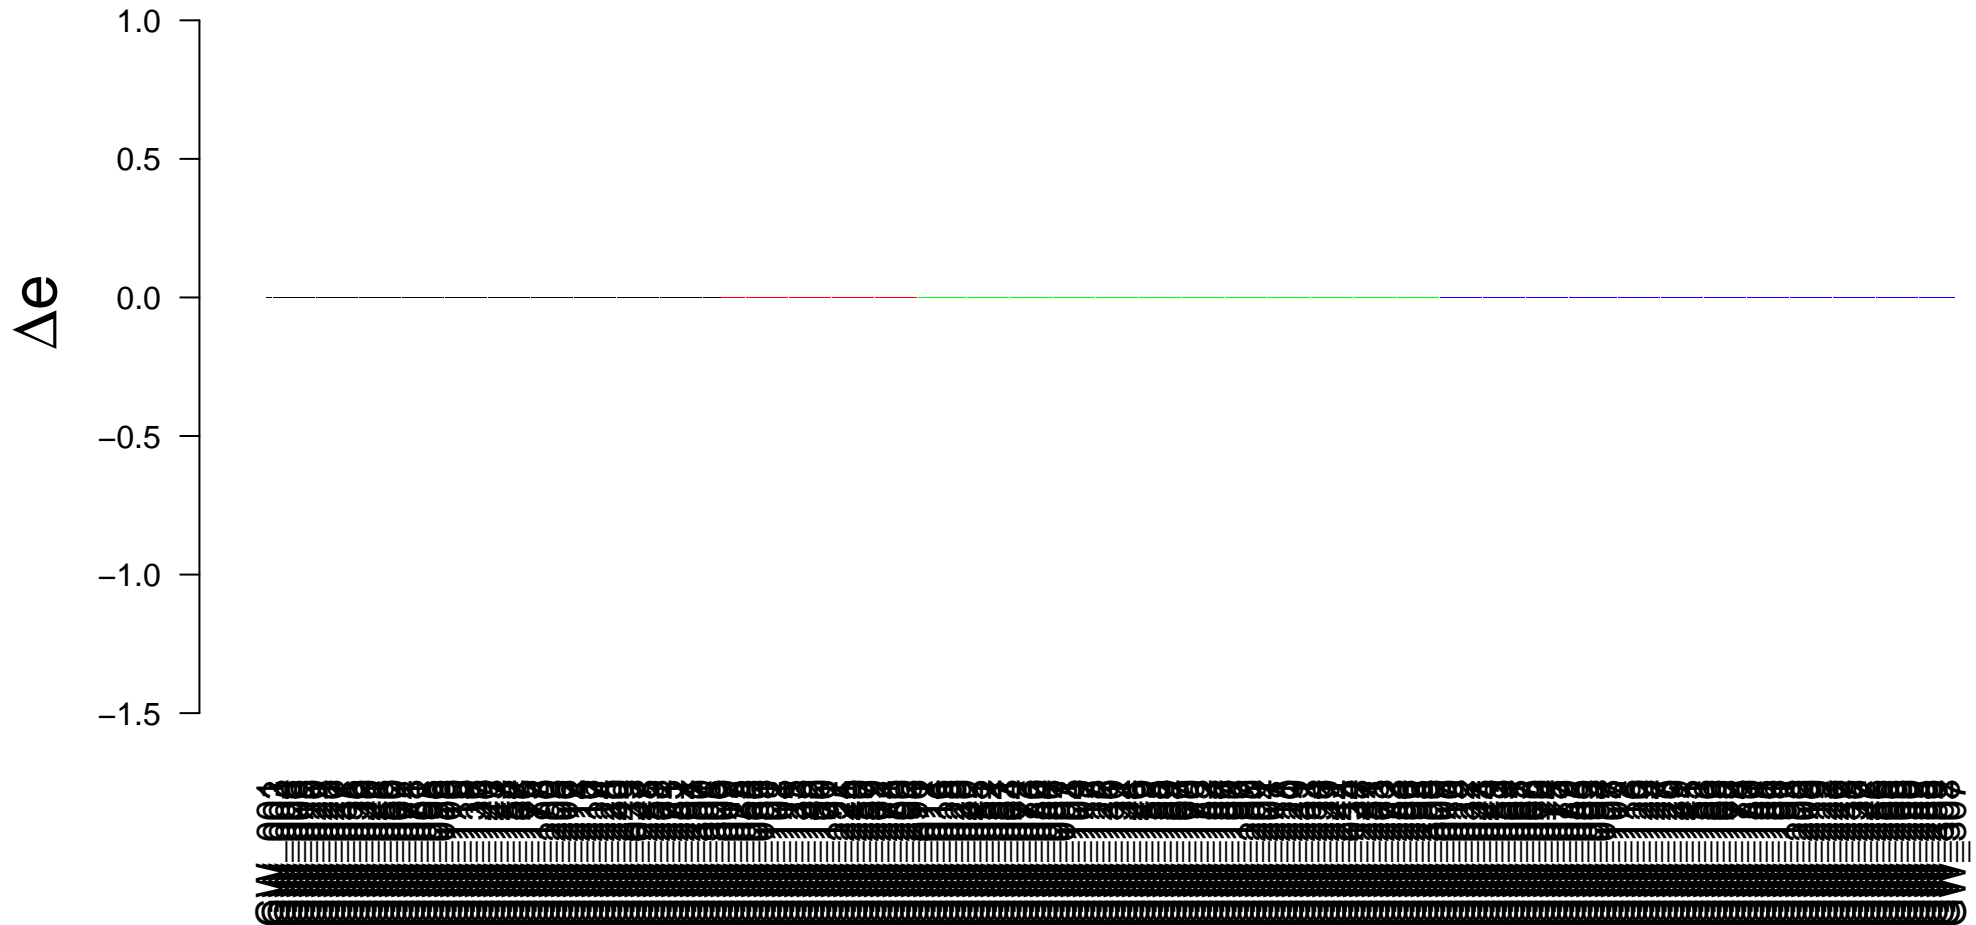

Expression of transforming growth factor beta-activated receptor activity in Spot K

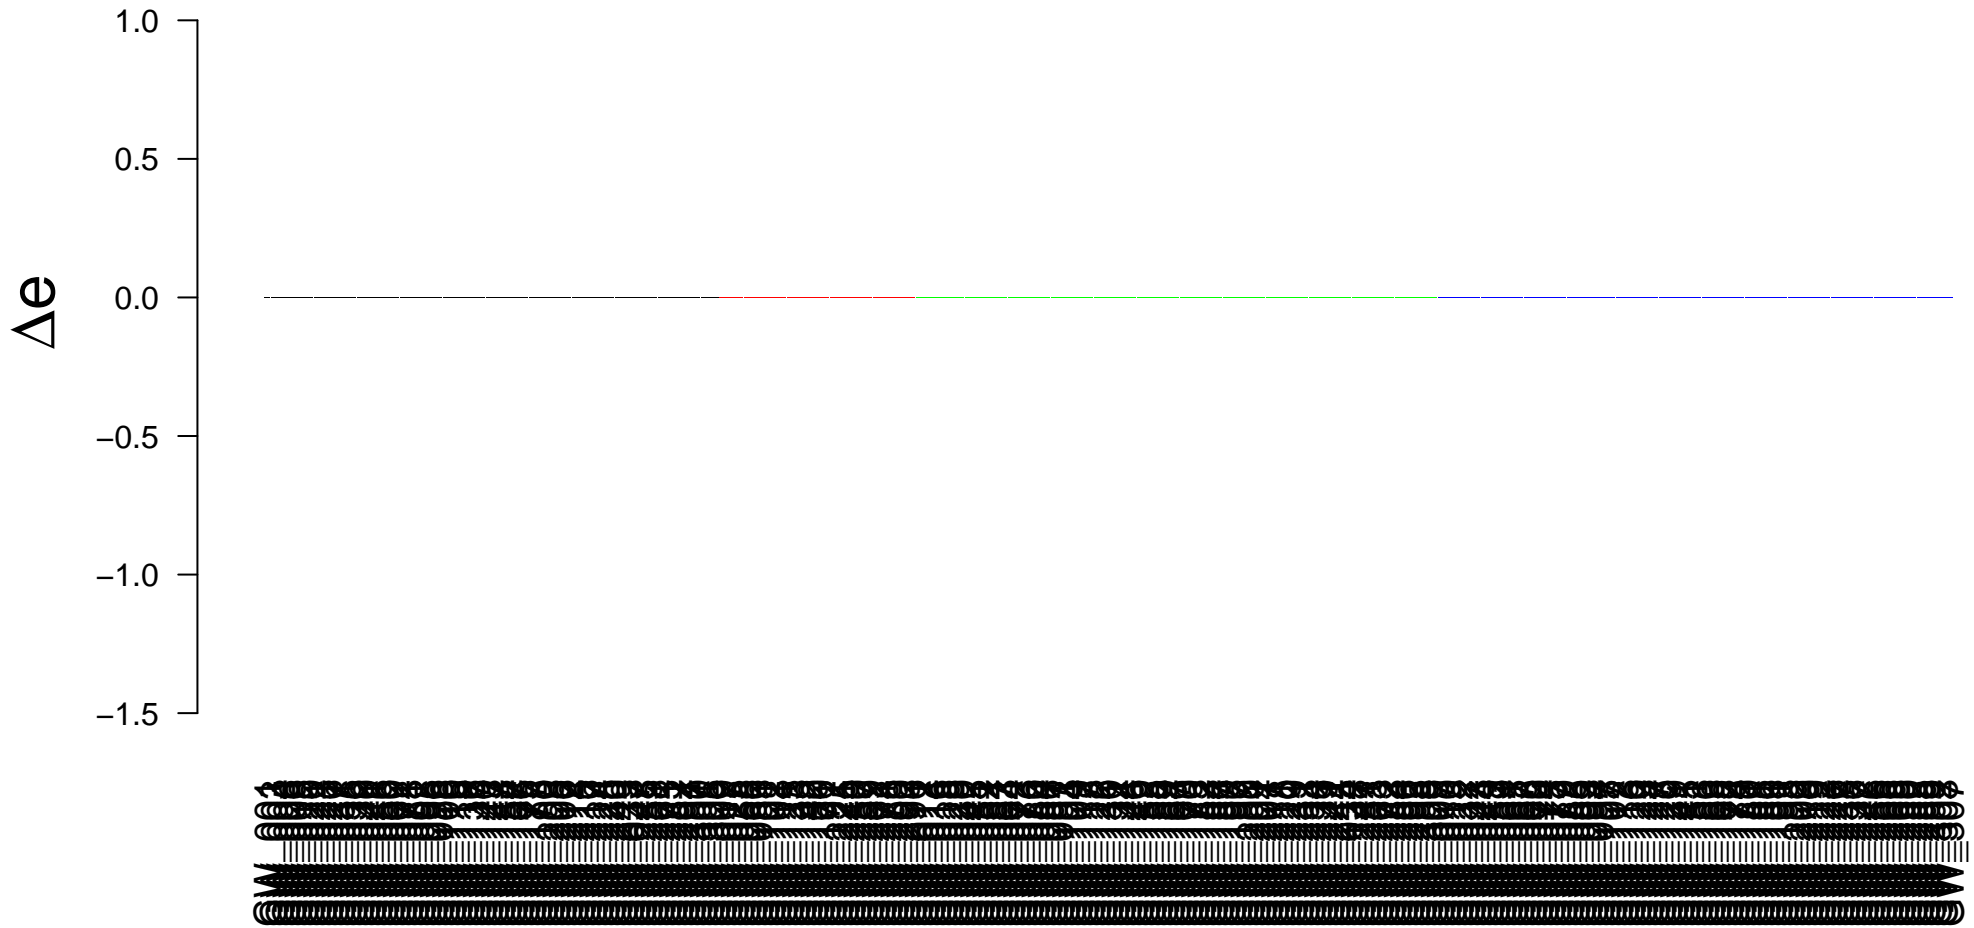

Expression of transforming growth factor beta-activated receptor activity in Spot L

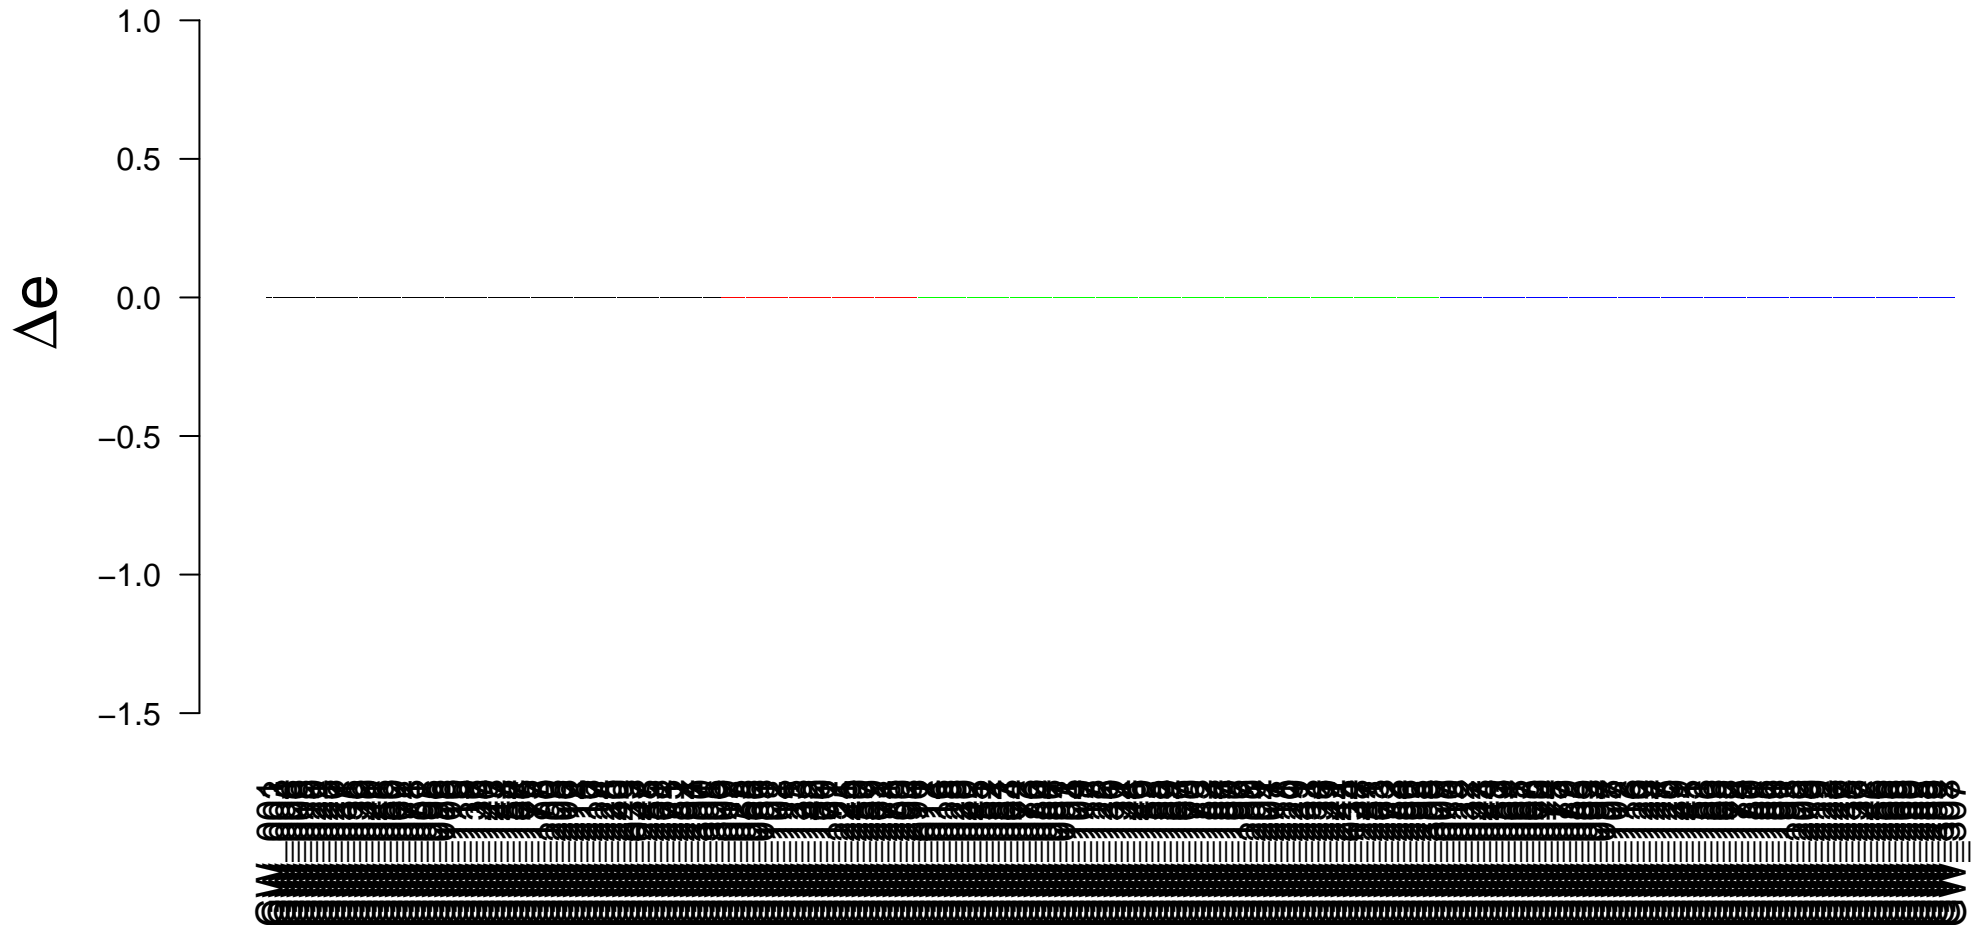

Expression of transforming growth factor beta-activated receptor activity in Spot M

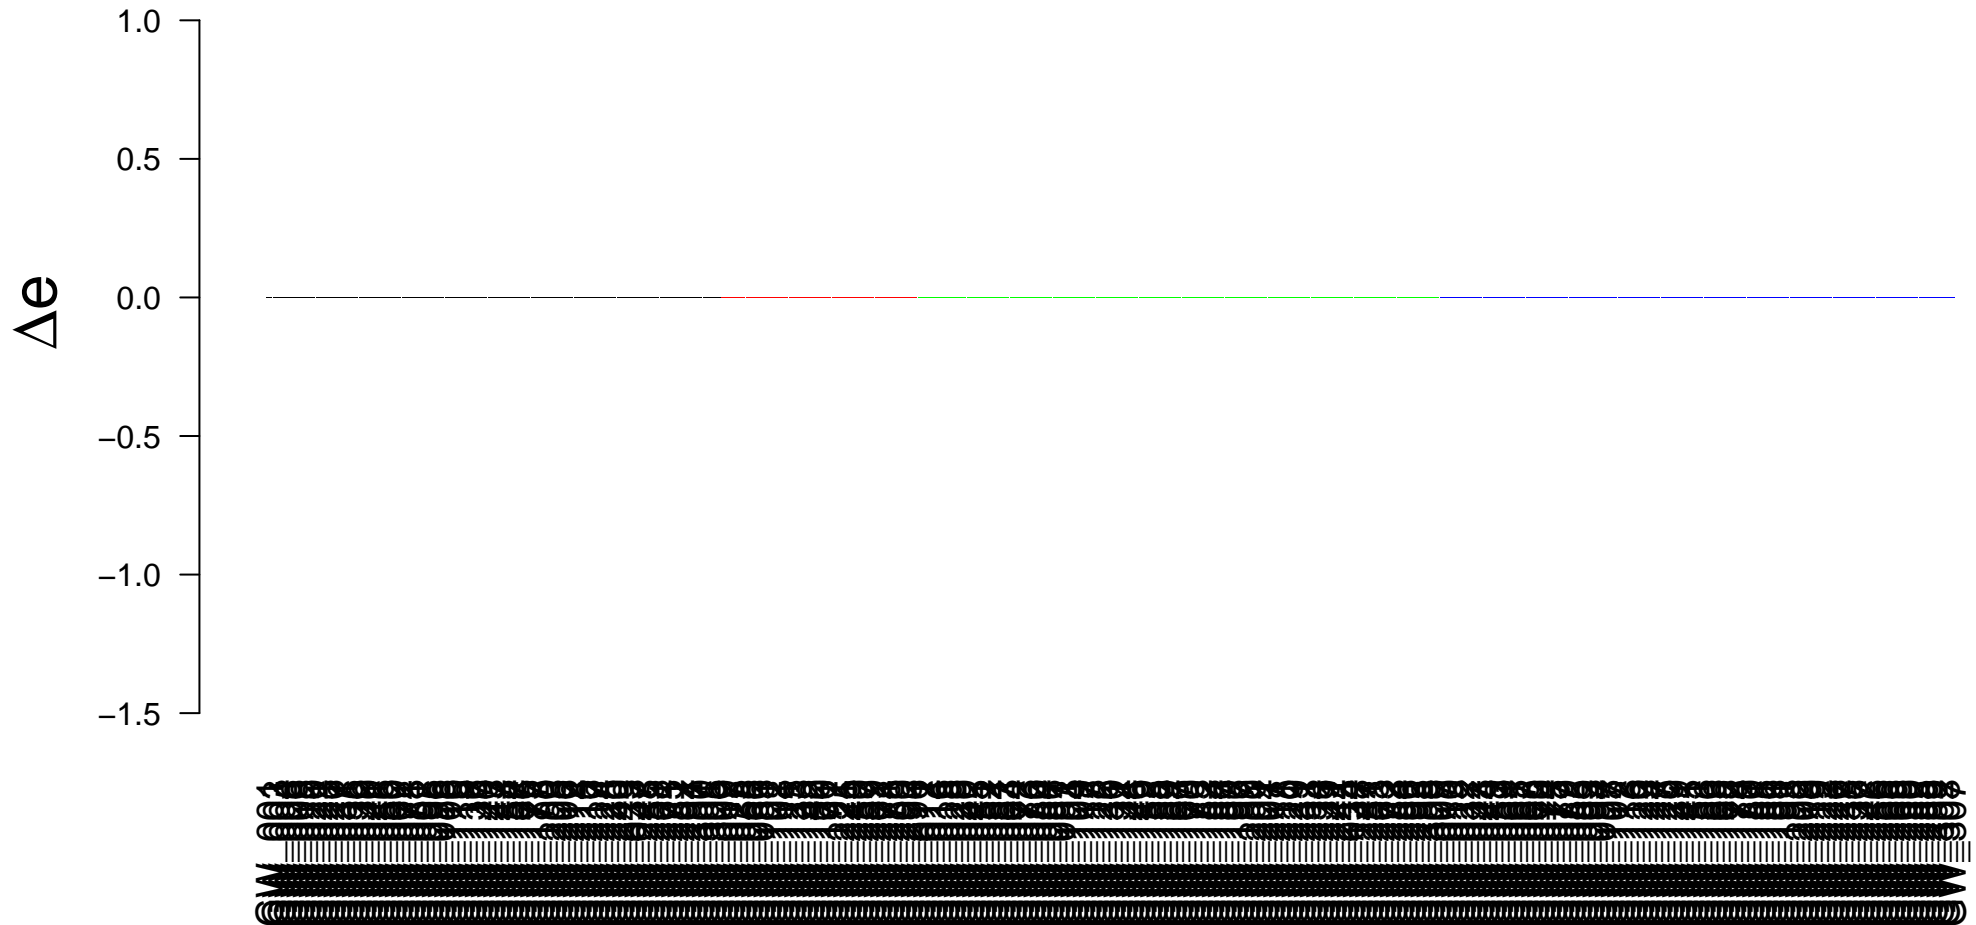

Expression of transforming growth factor beta-activated receptor activity in Spot N

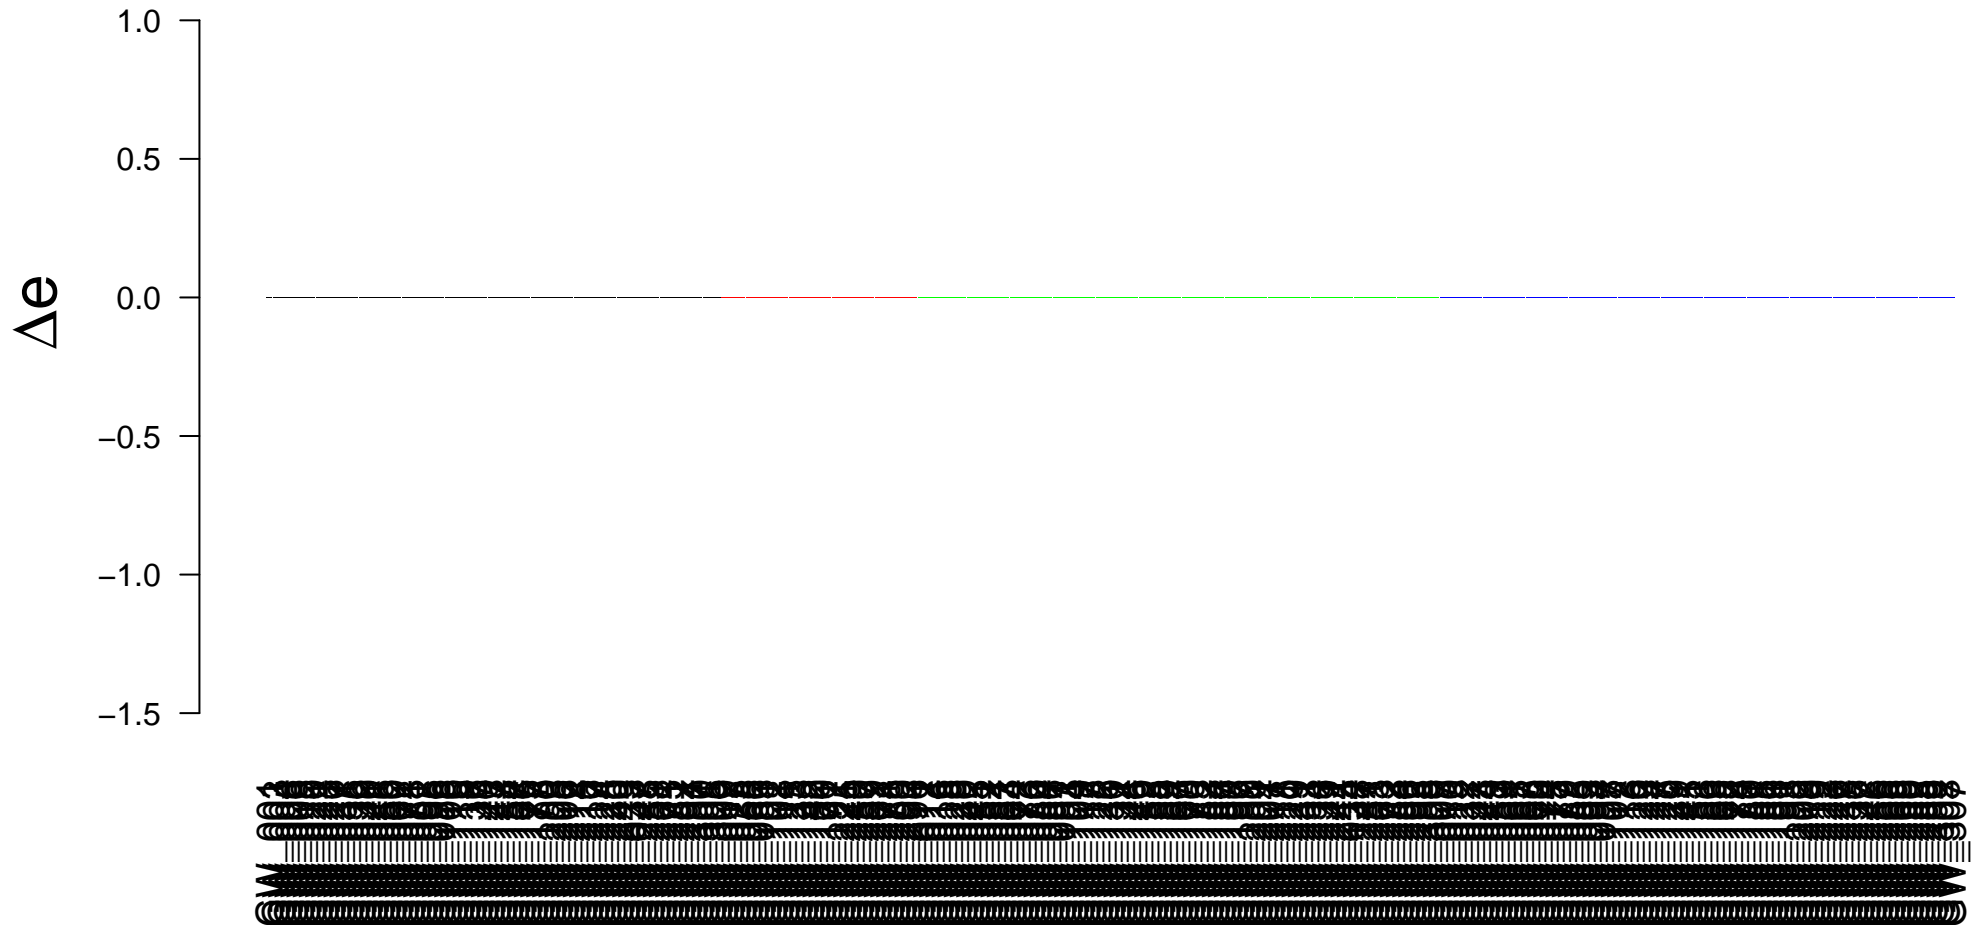

Expression of transforming growth factor beta-activated receptor activity in Spot O

Expression of transforming growth factor beta-activated receptor activity in Spot P

Expression of transforming growth factor beta-activated receptor activity in Spot Q

Expression of transforming growth factor beta-activated receptor activity in Spot R
