

translational elongation

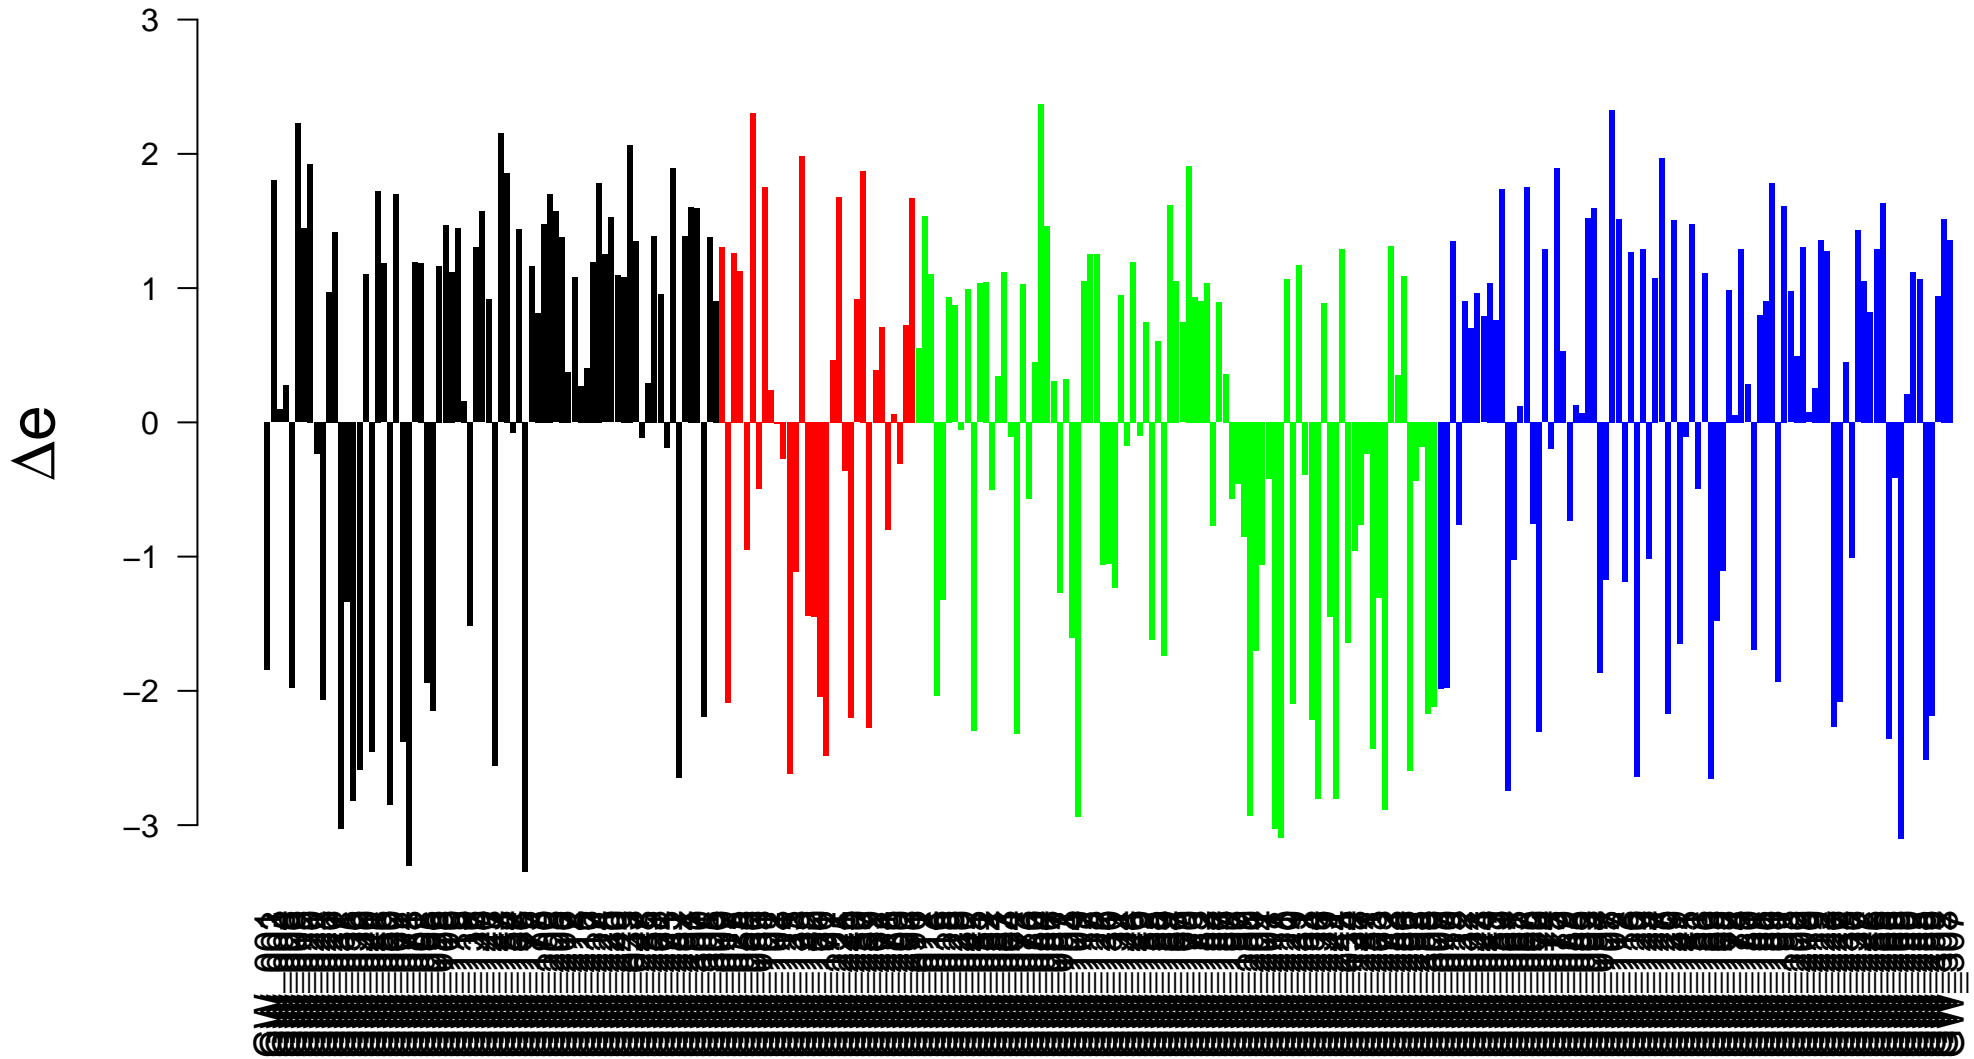

translational elongation

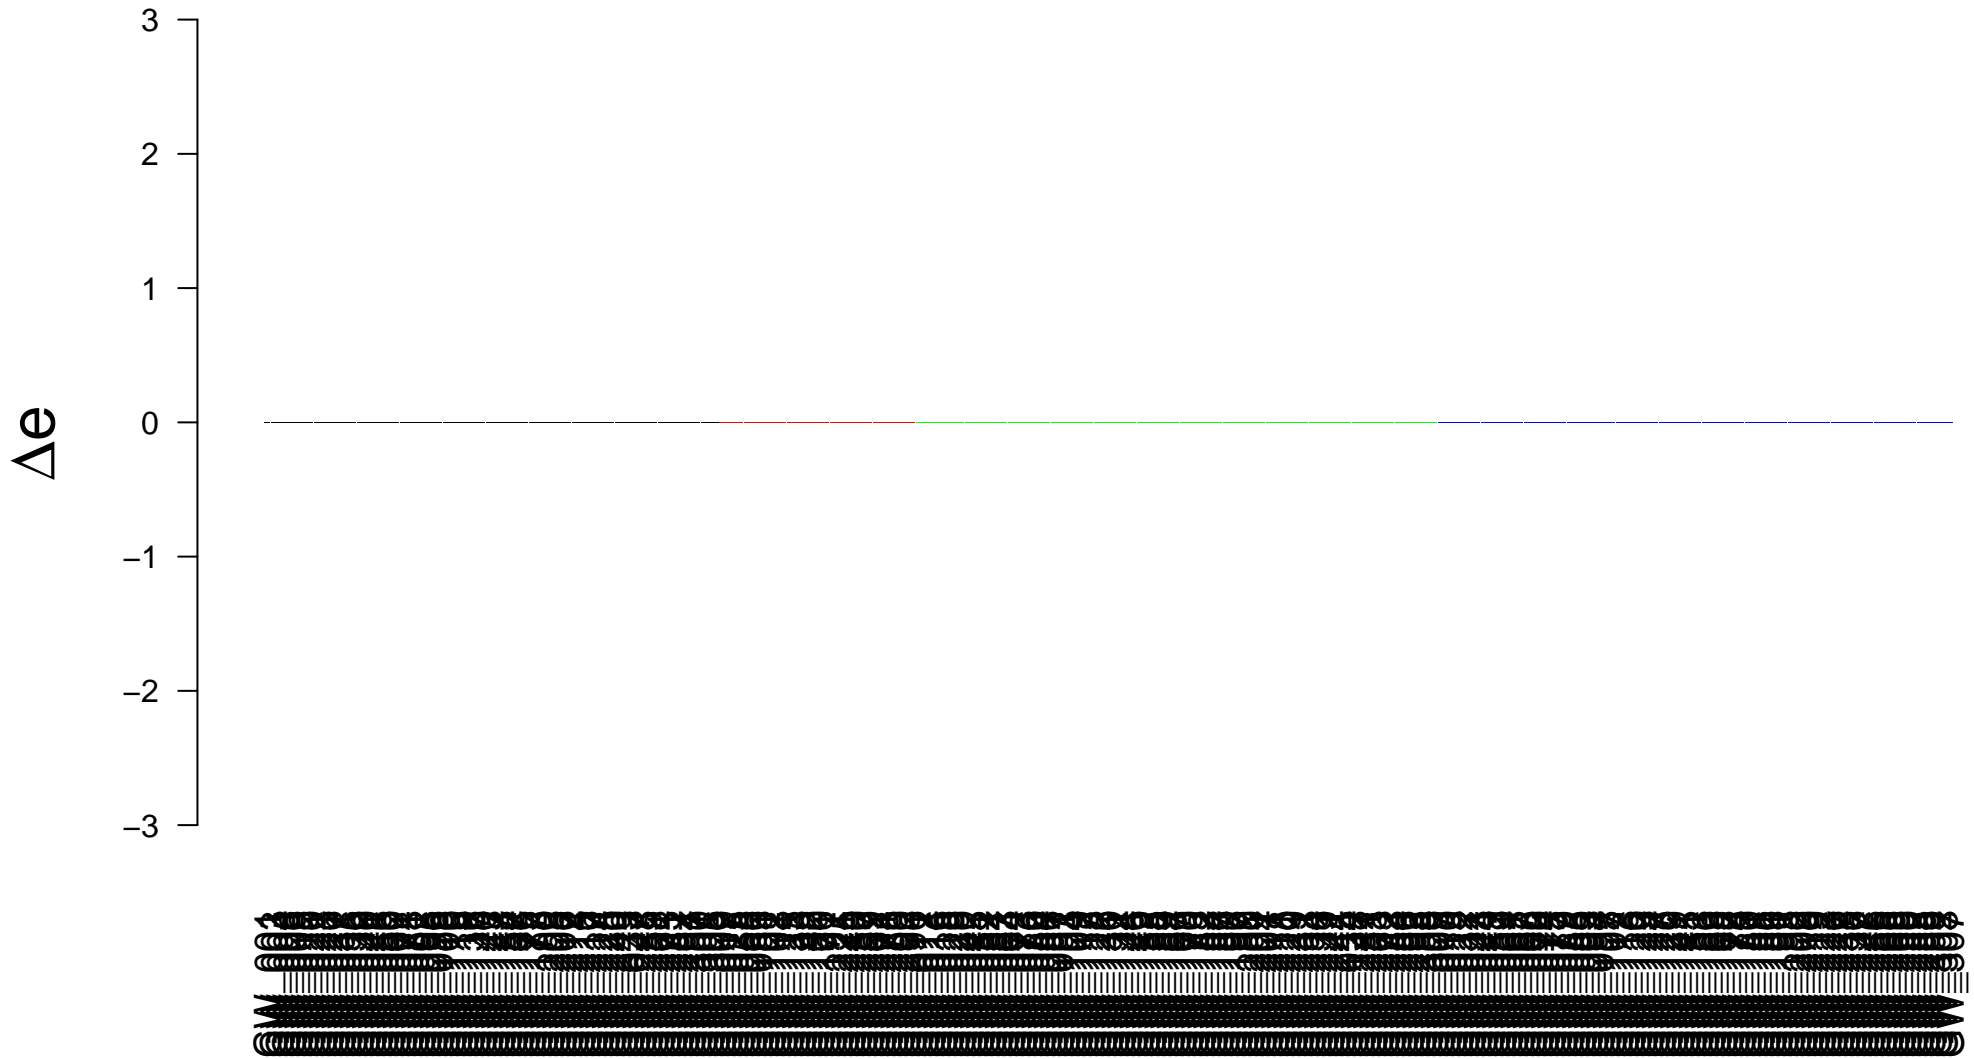

Enrichment in spots: translational elongation

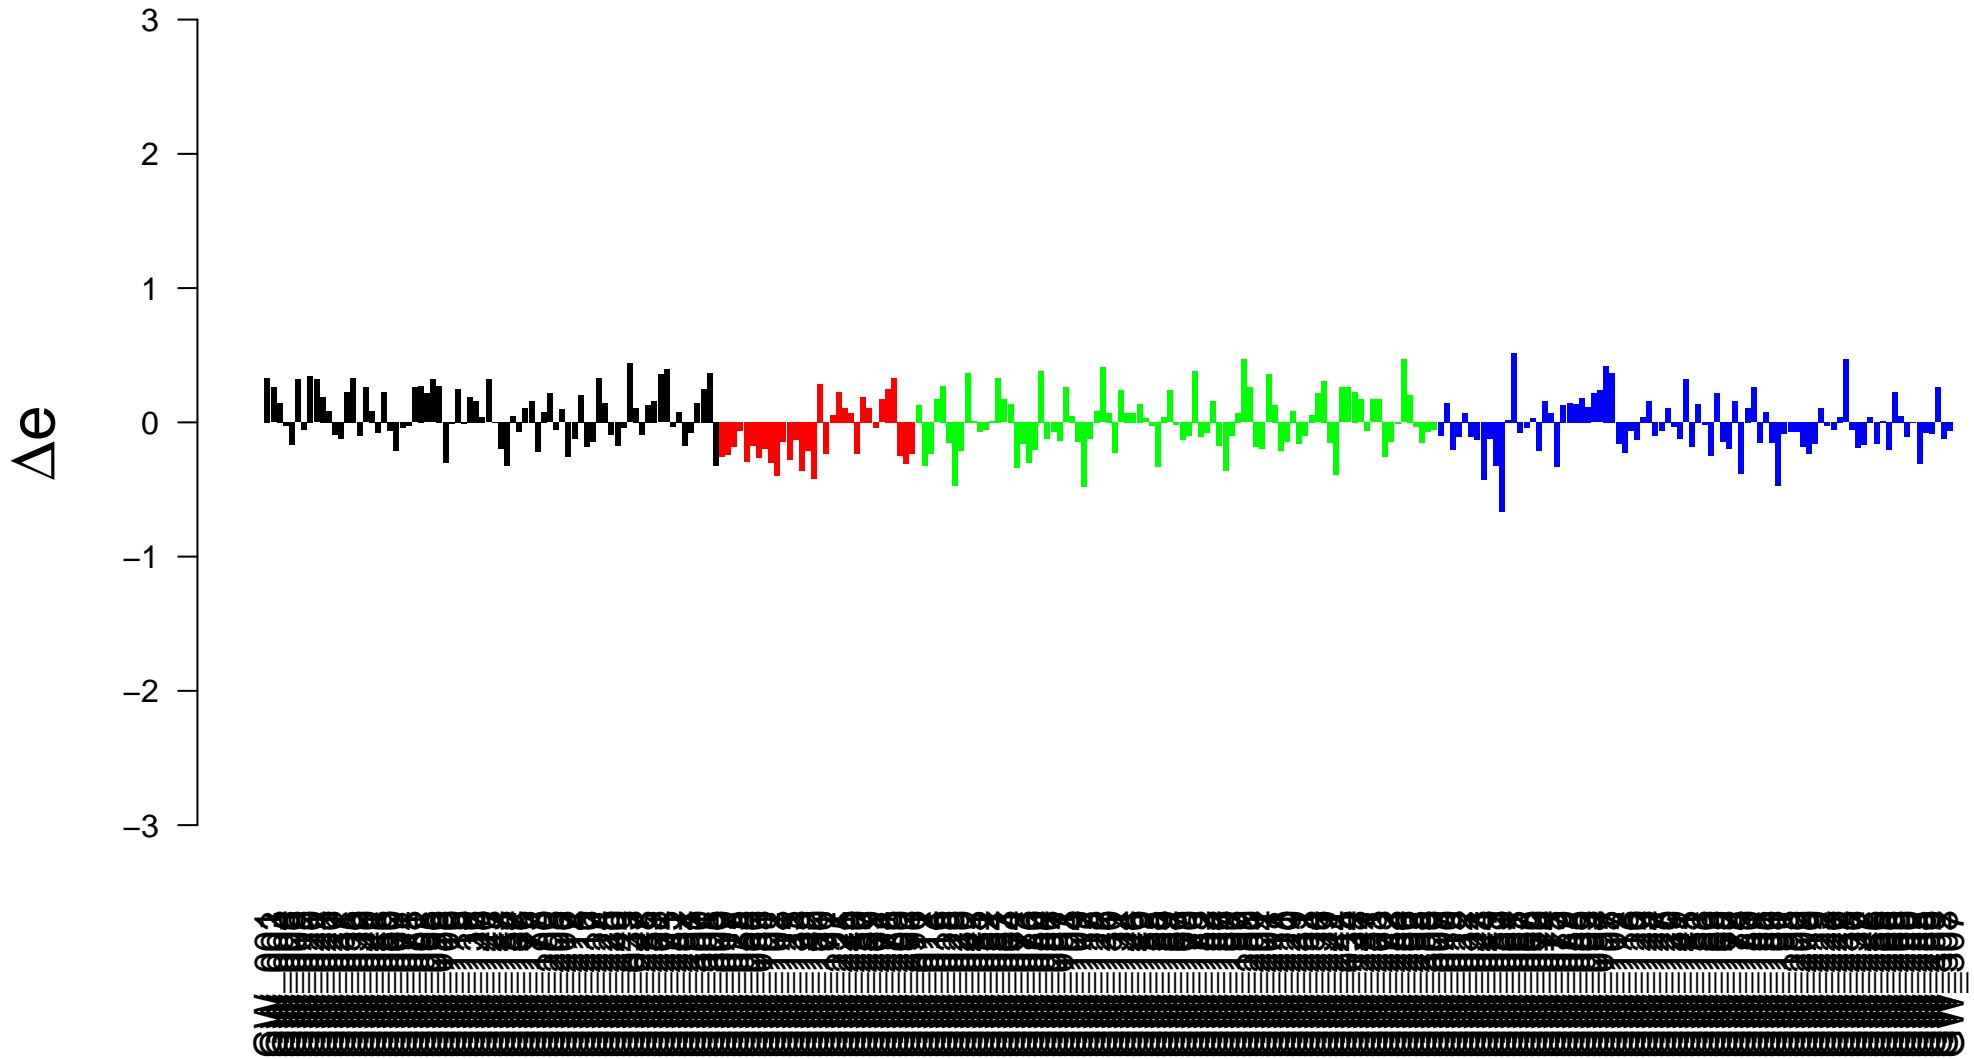

Expression of translational elongation in Spot A

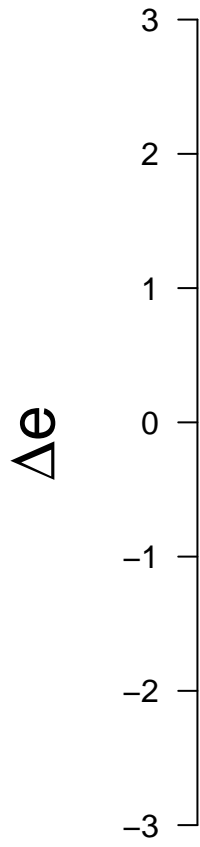

Expression of translational elongation in Spot B

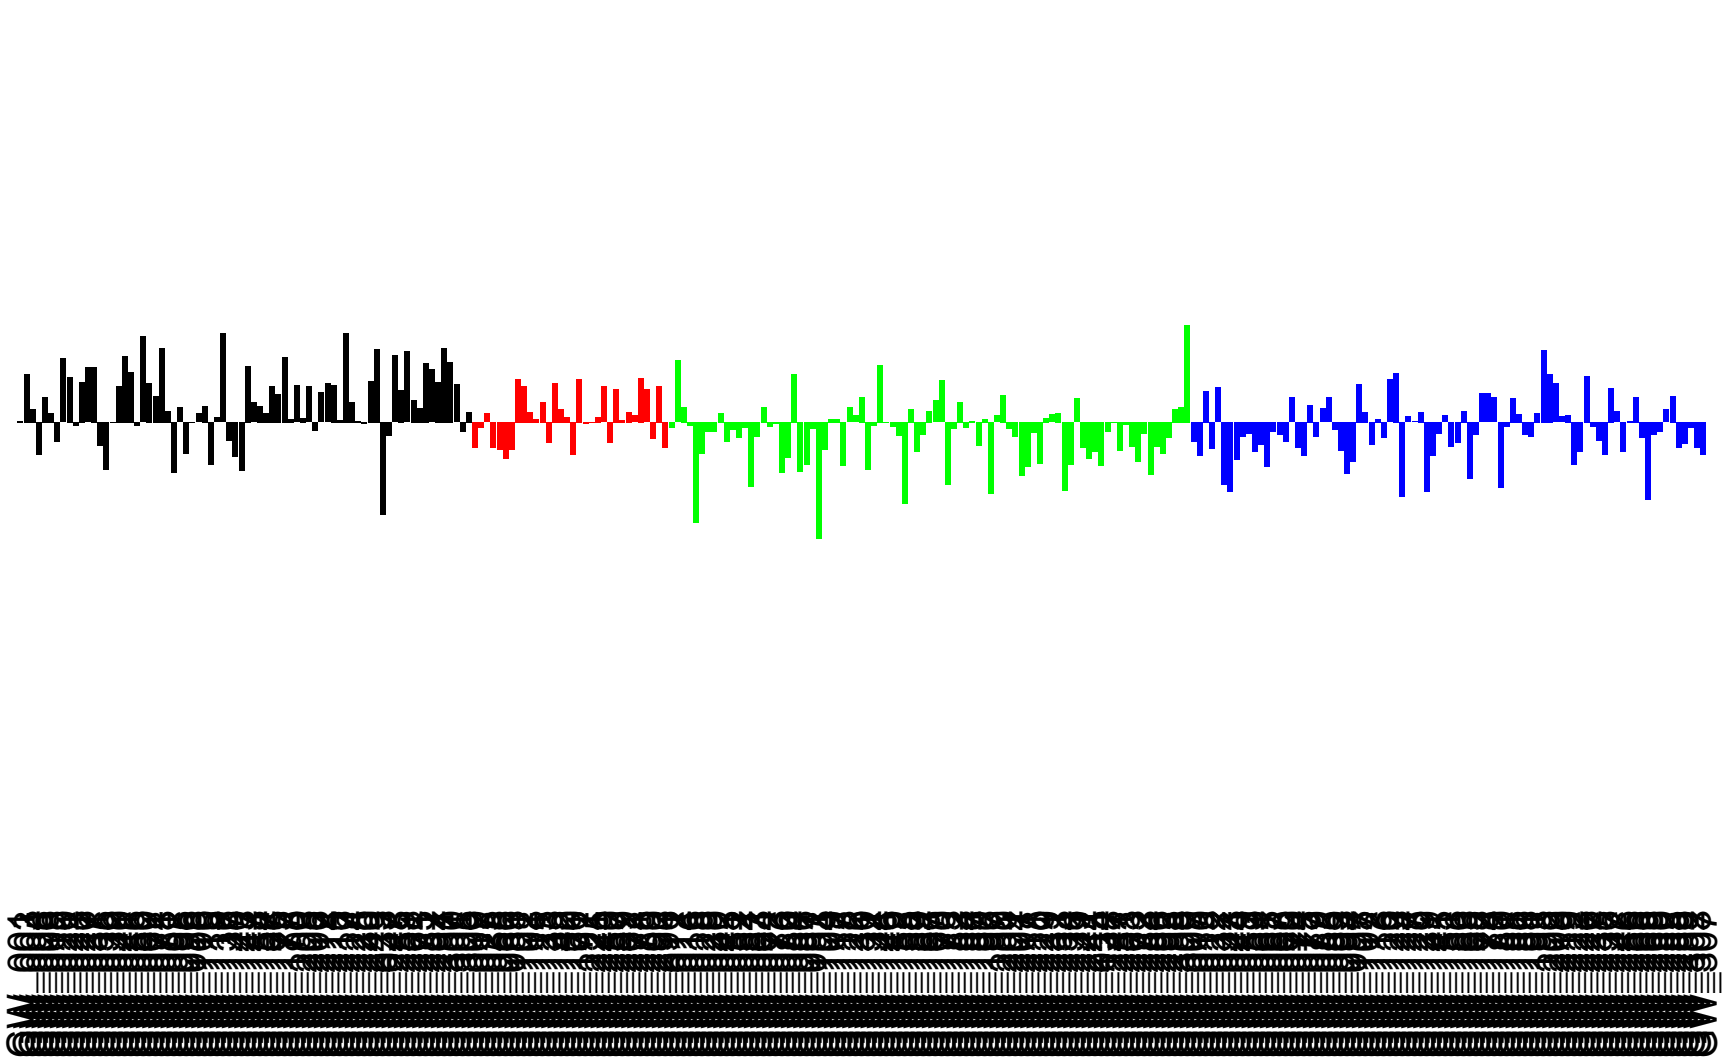

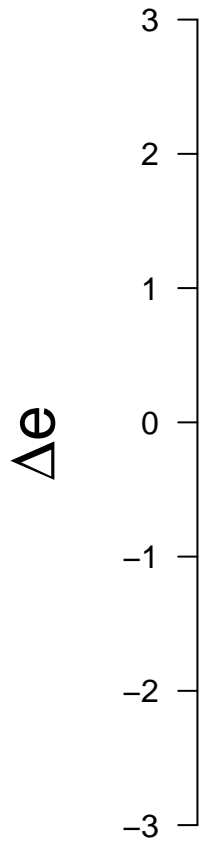

Expression of translational elongation in Spot C

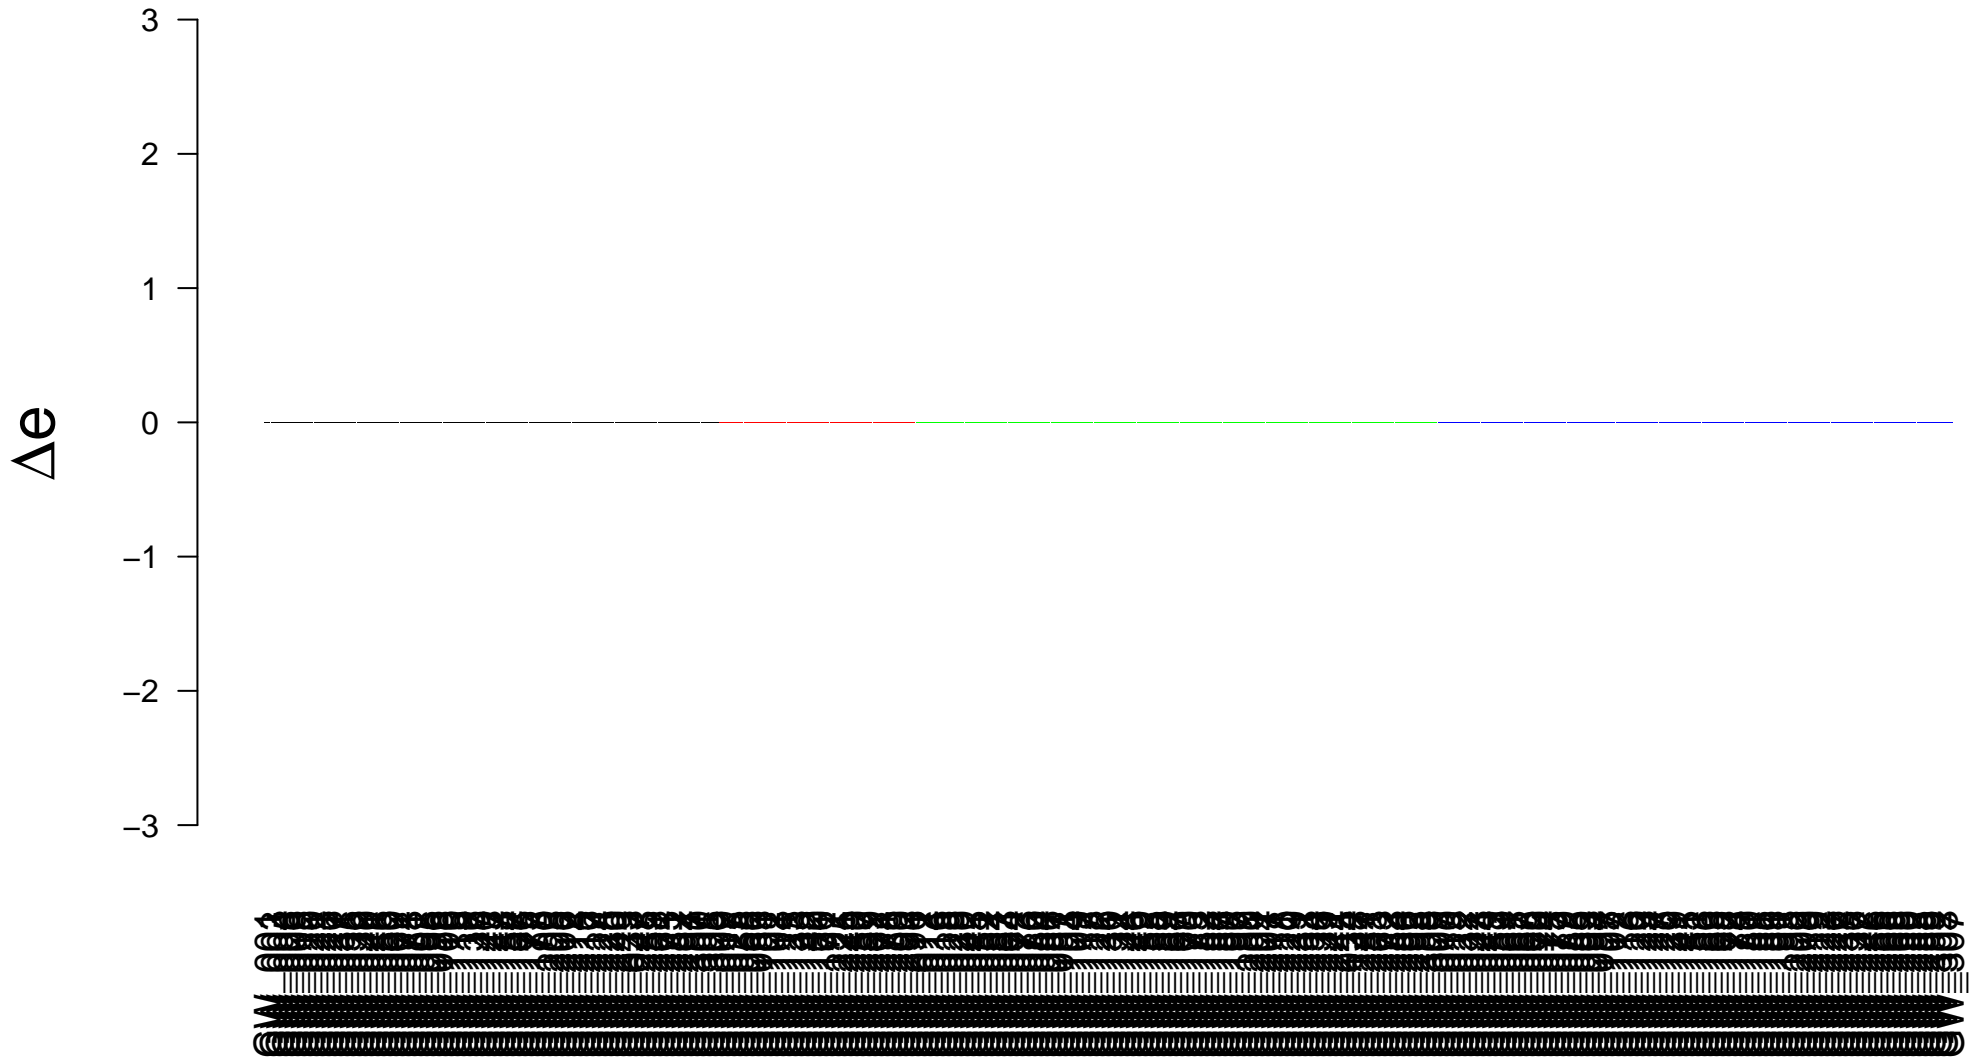

Expression of translational elongation in Spot D

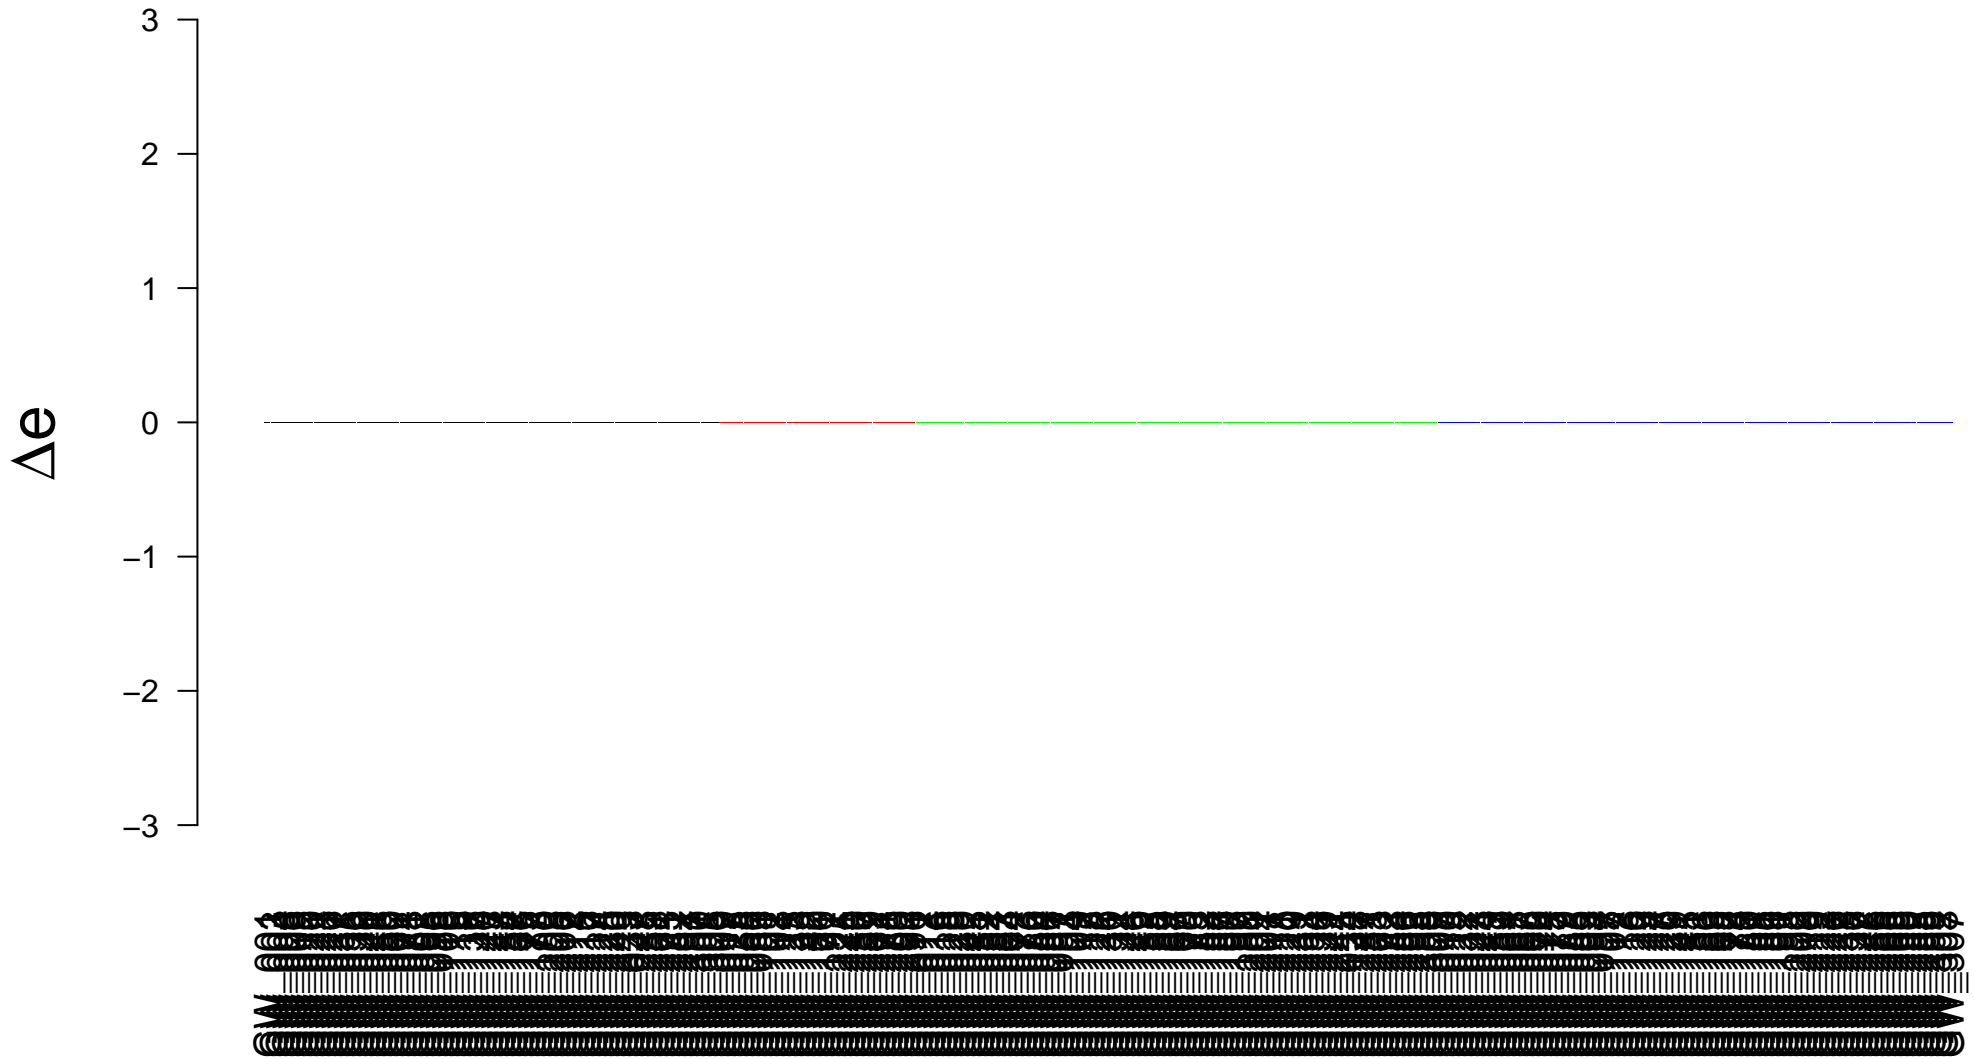

Expression of translational elongation in Spot E

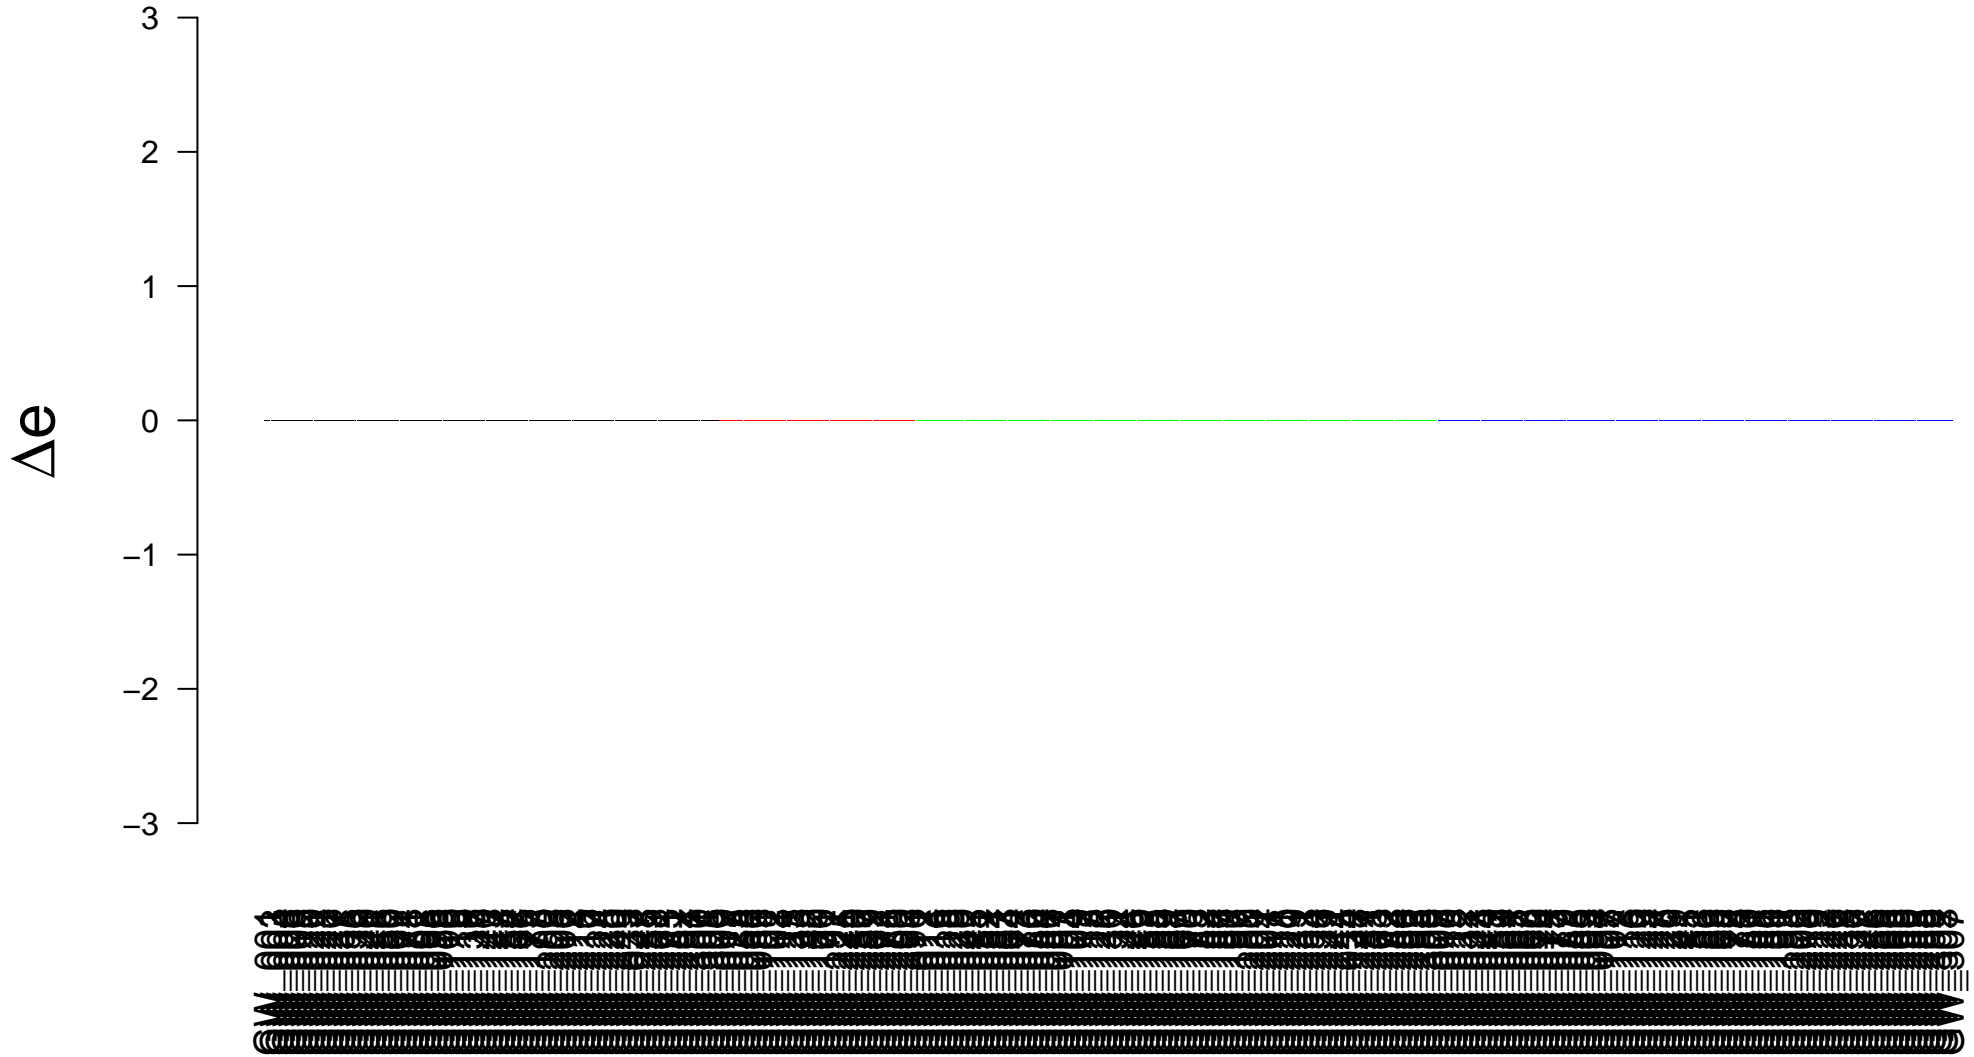

Expression of translational elongation in Spot F

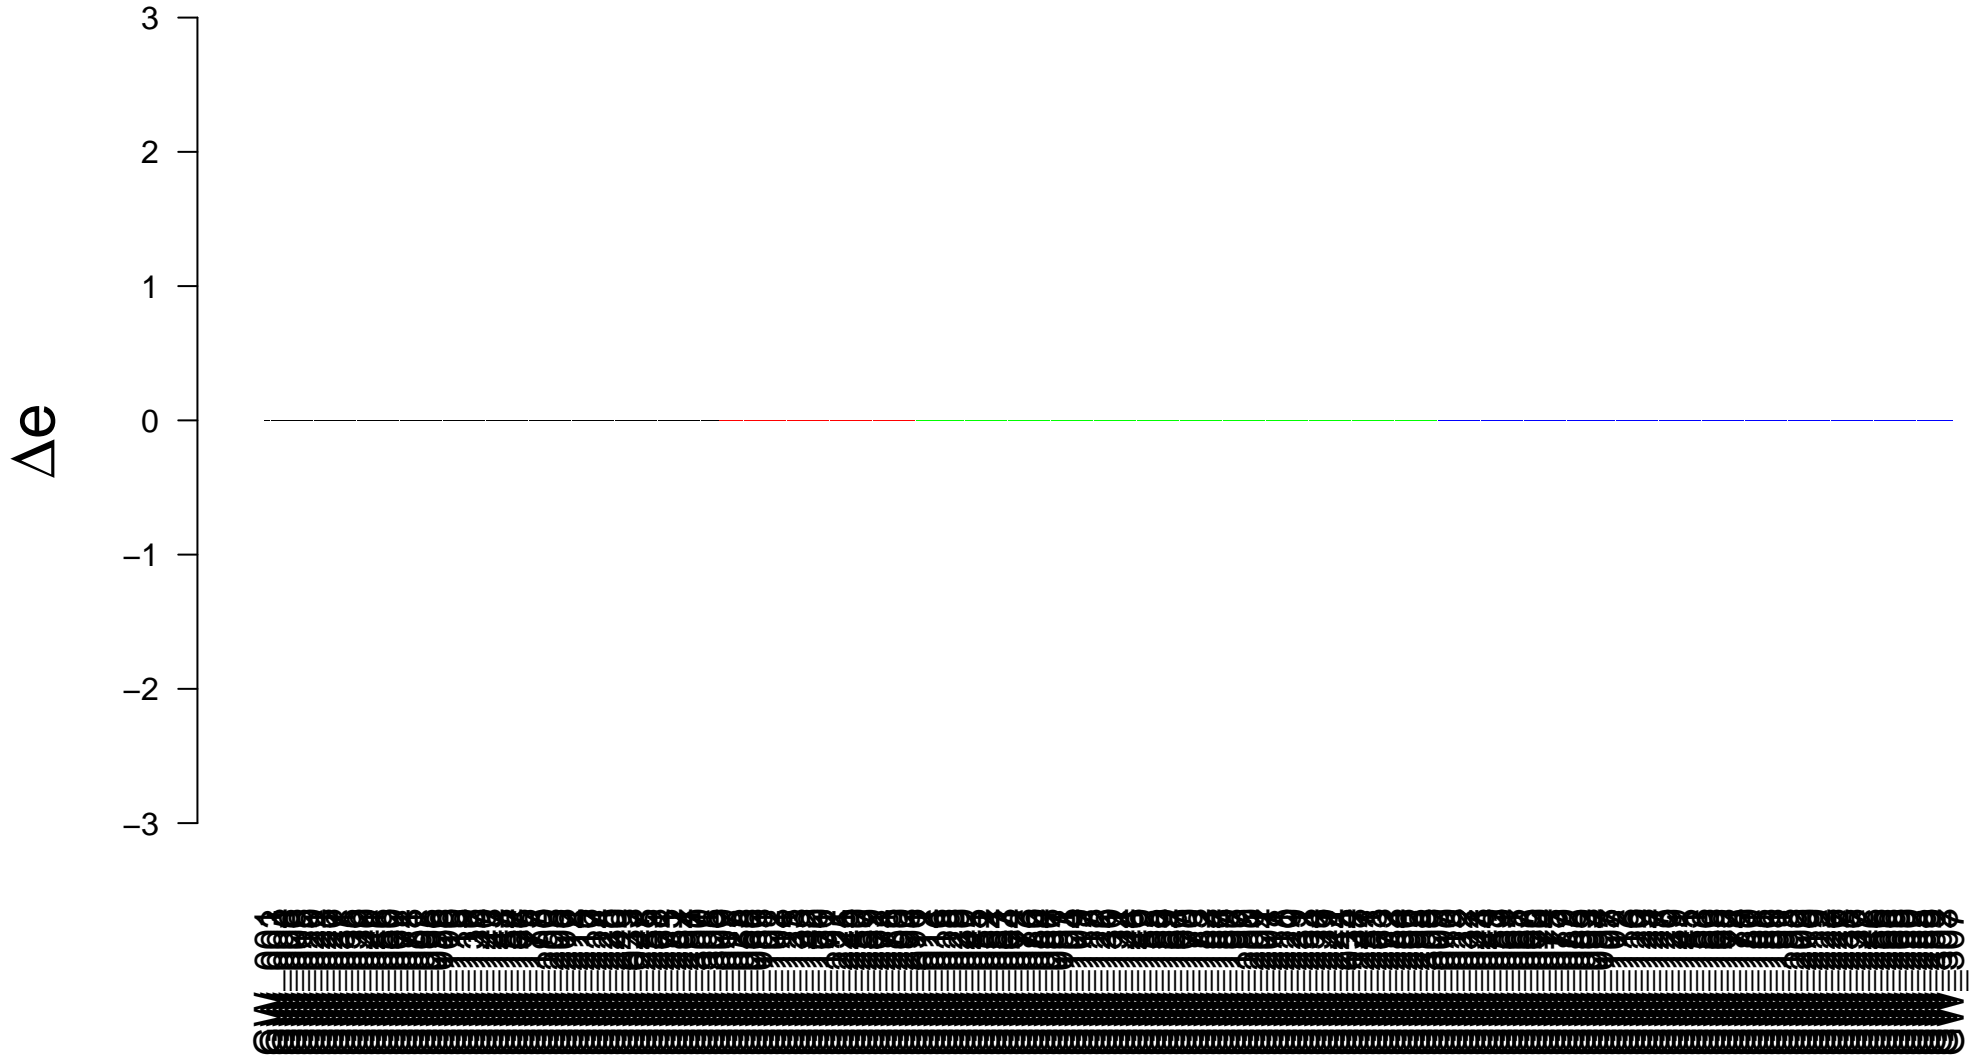

Expression of translational elongation in Spot G

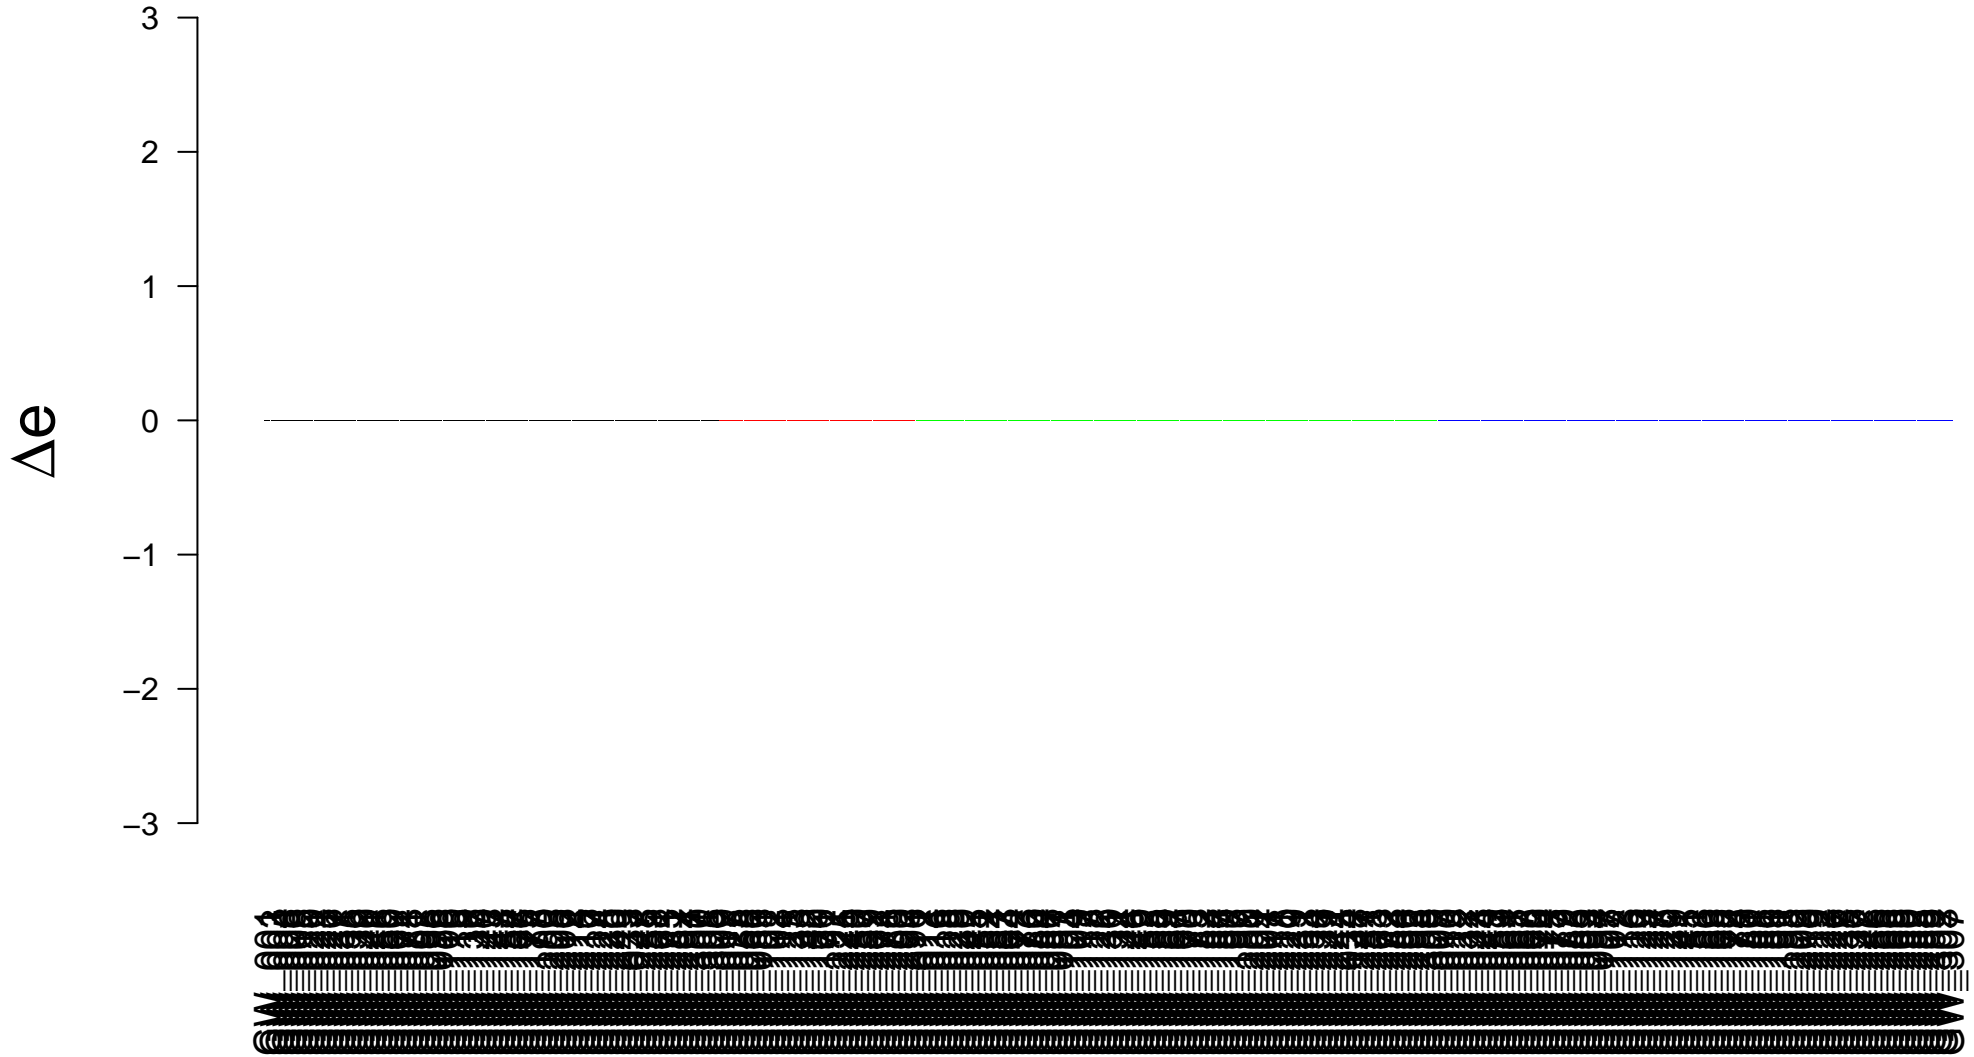

Expression of translational elongation in Spot H

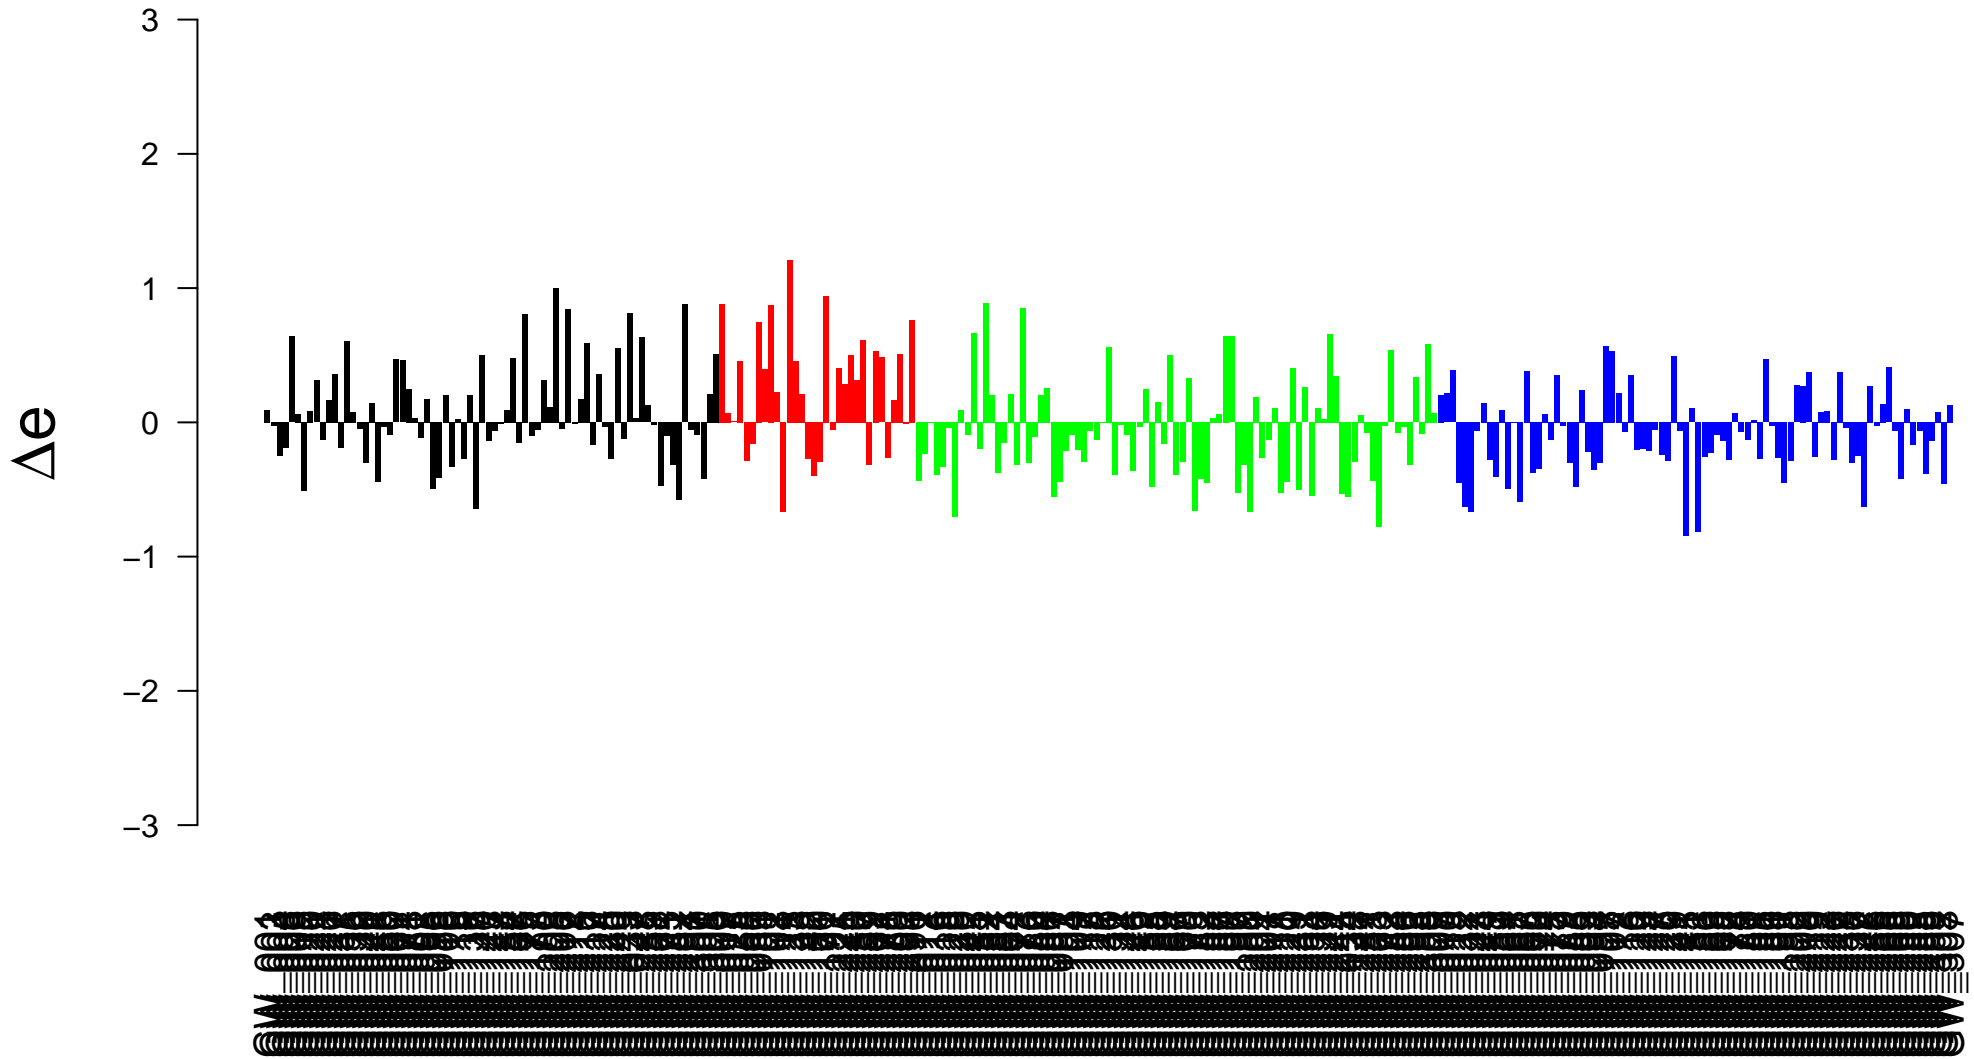

Expression of translational elongation in Spot I

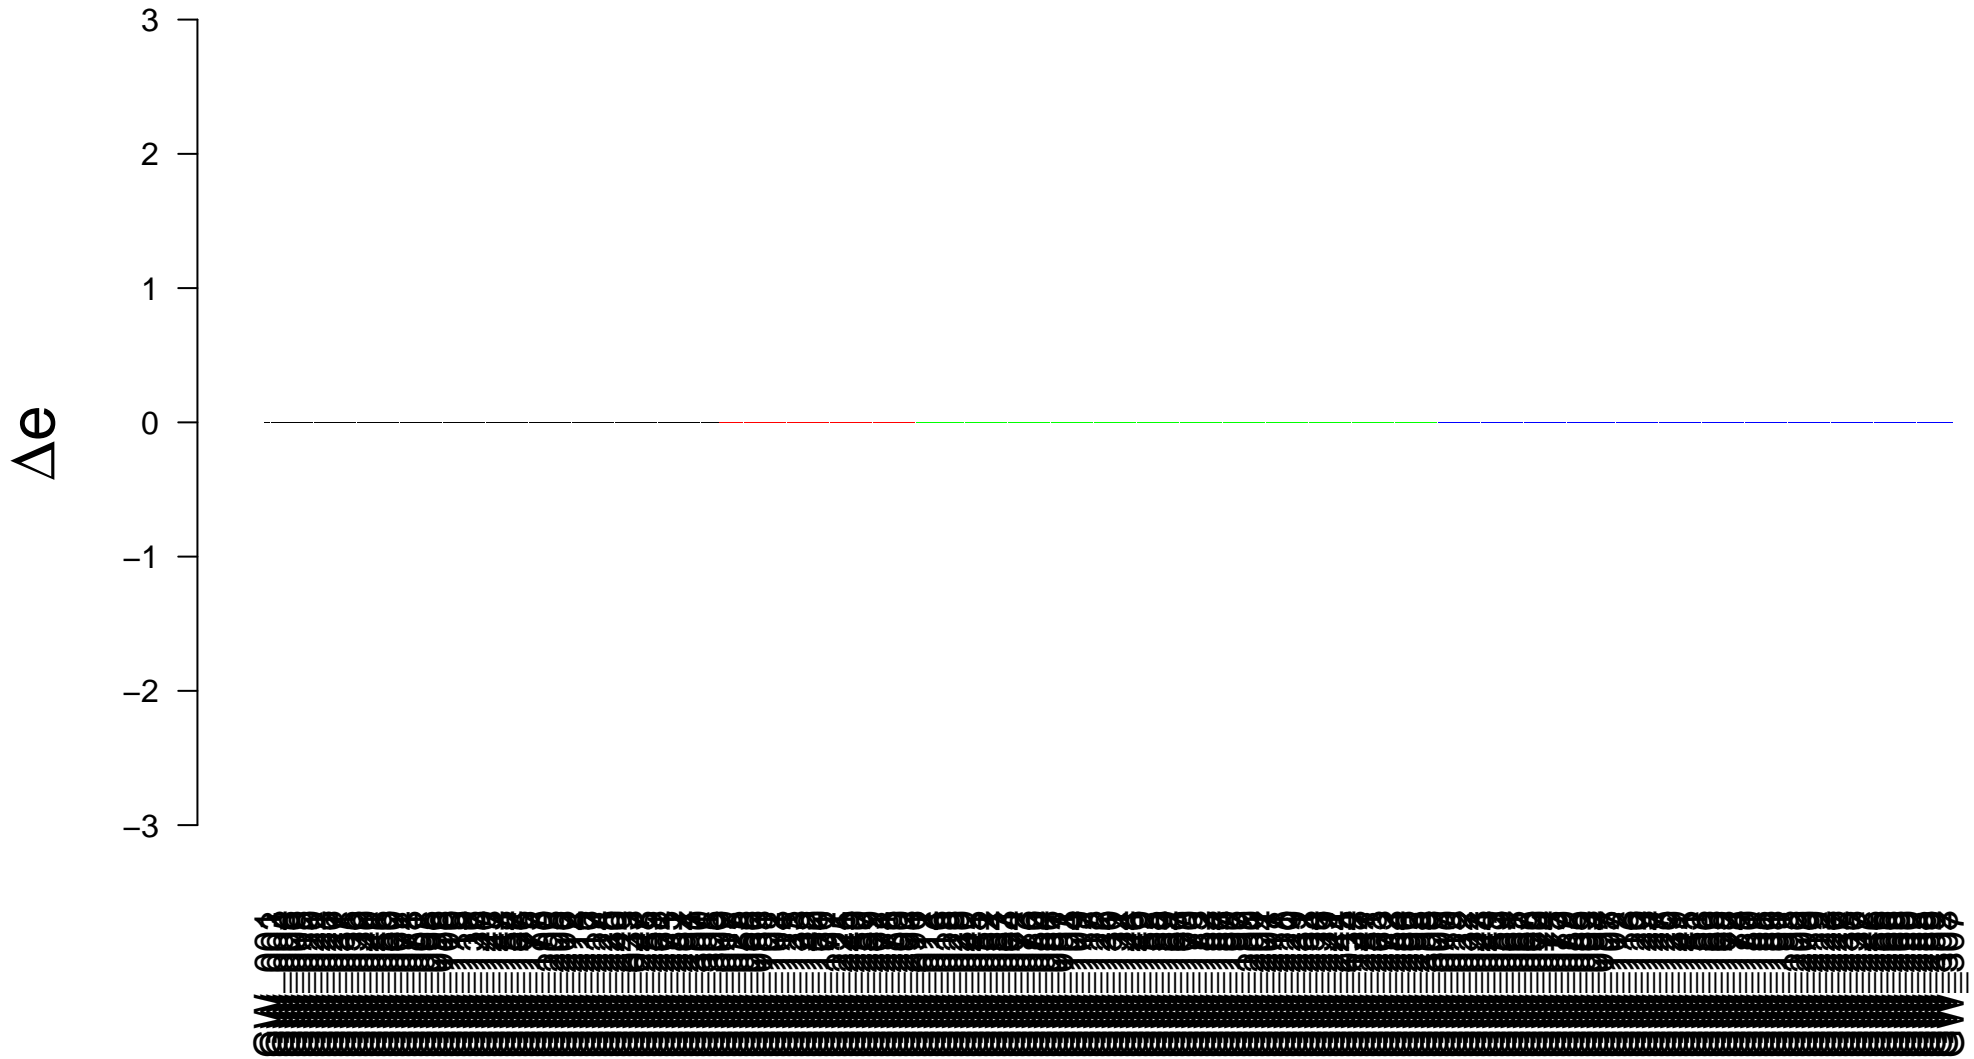

Expression of translational elongation in Spot J

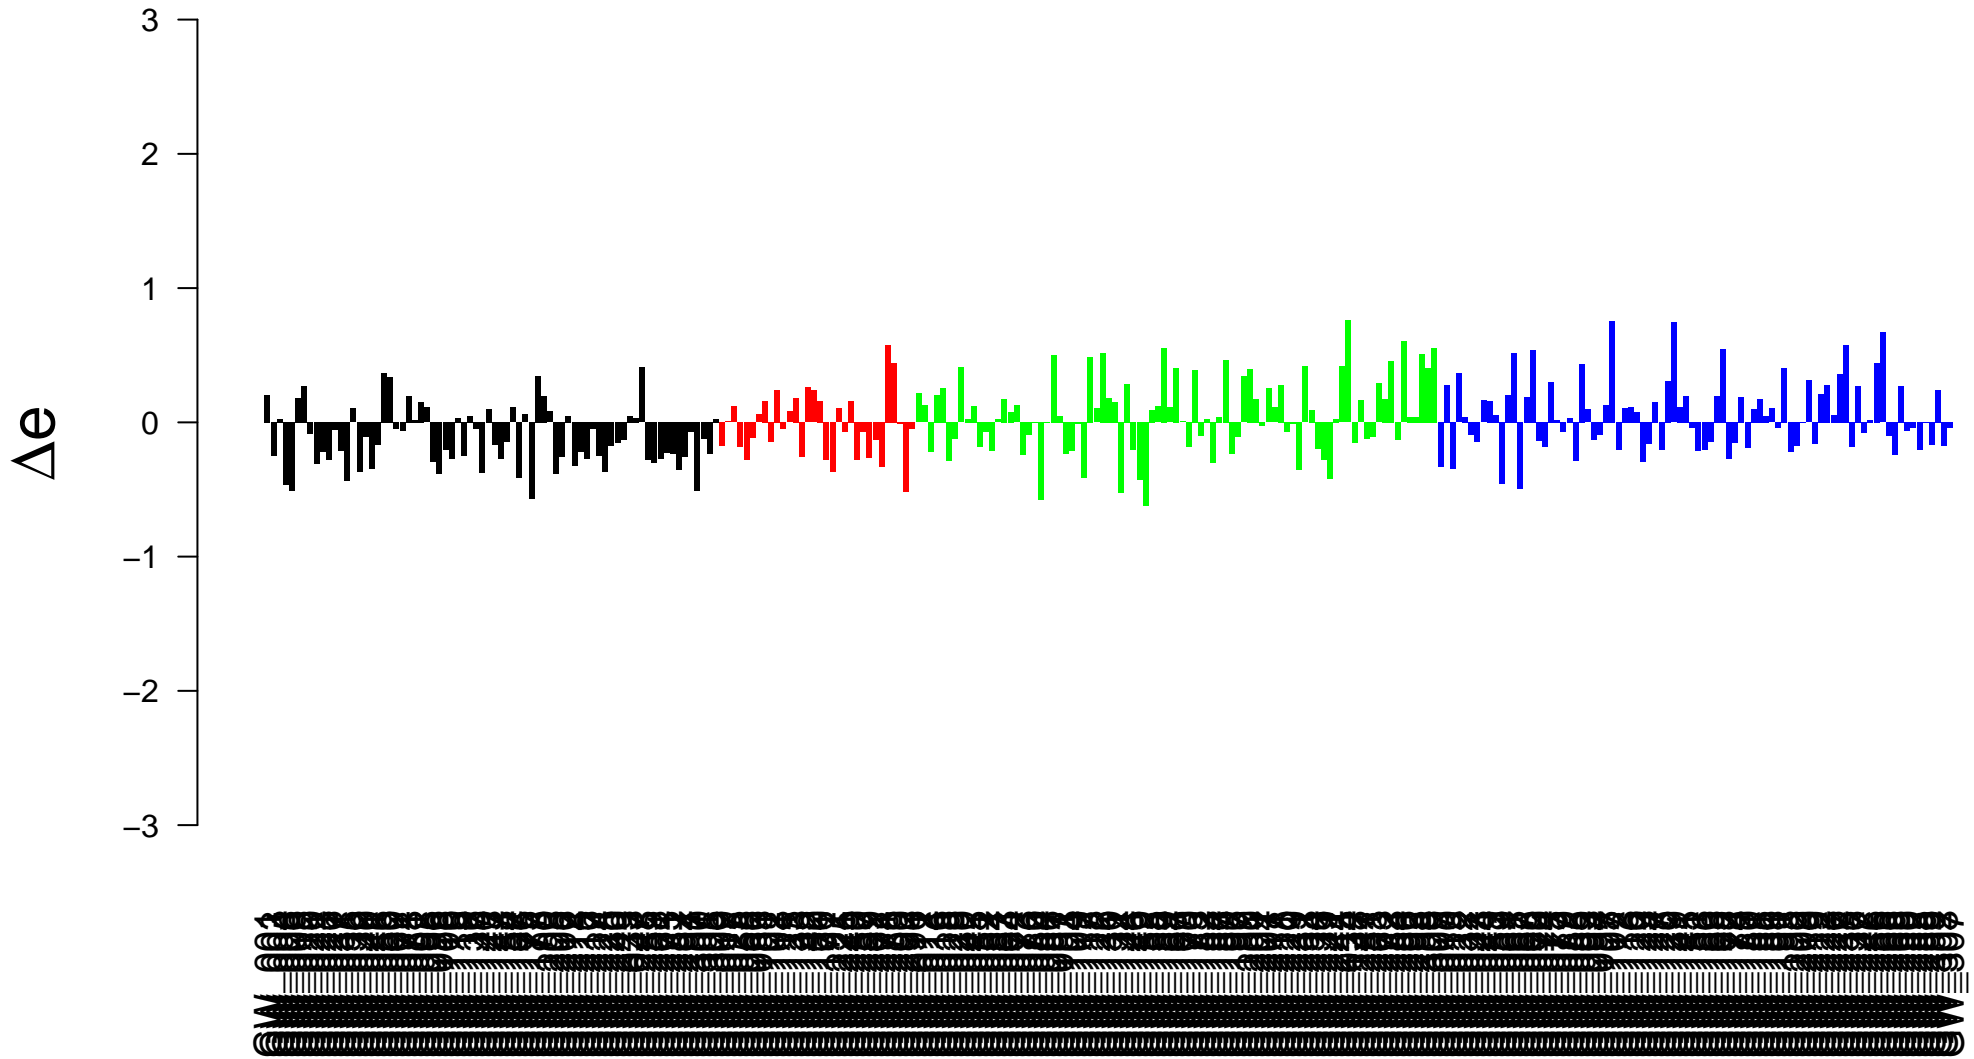

Expression of translational elongation in Spot K

Expression of translational elongation in Spot L

Expression of translational elongation in Spot M

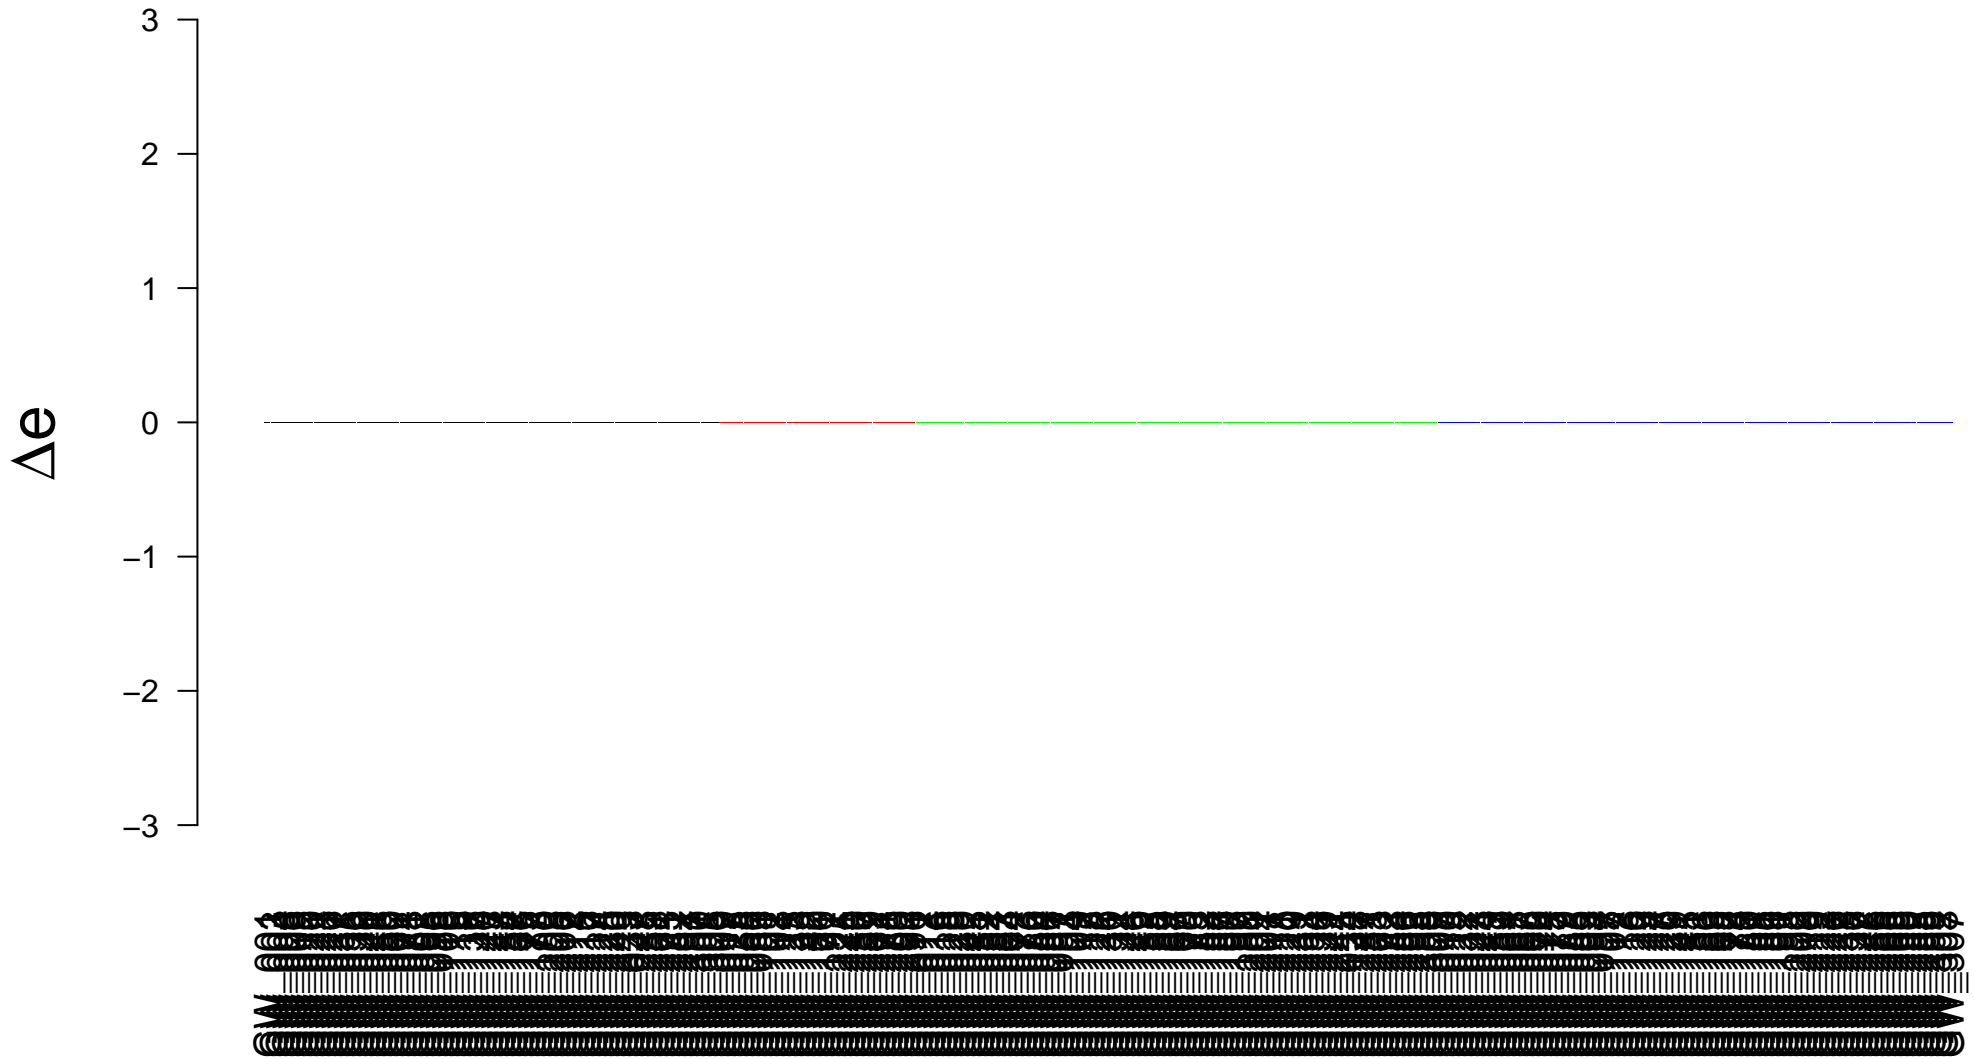

Expression of translational elongation in Spot N
