

triglyceride catabolic process

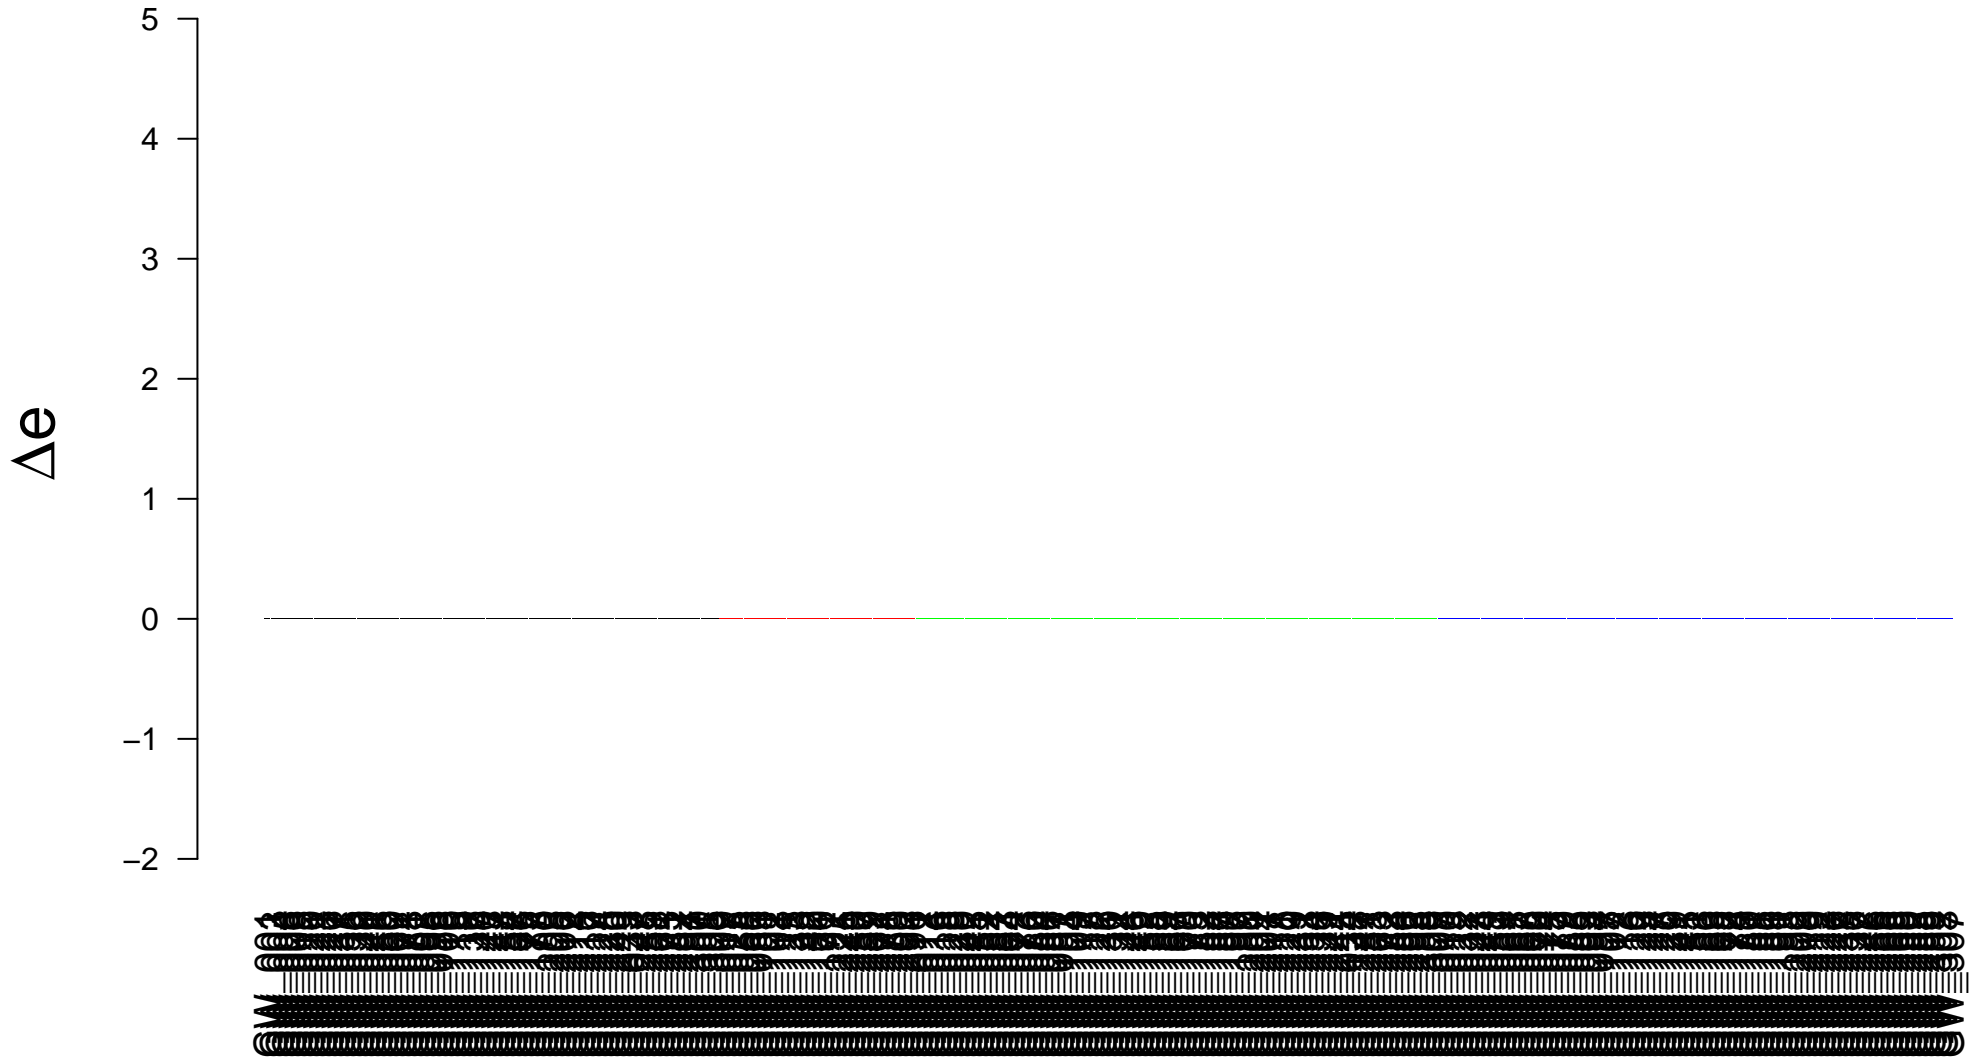

triglyceride catabolic process

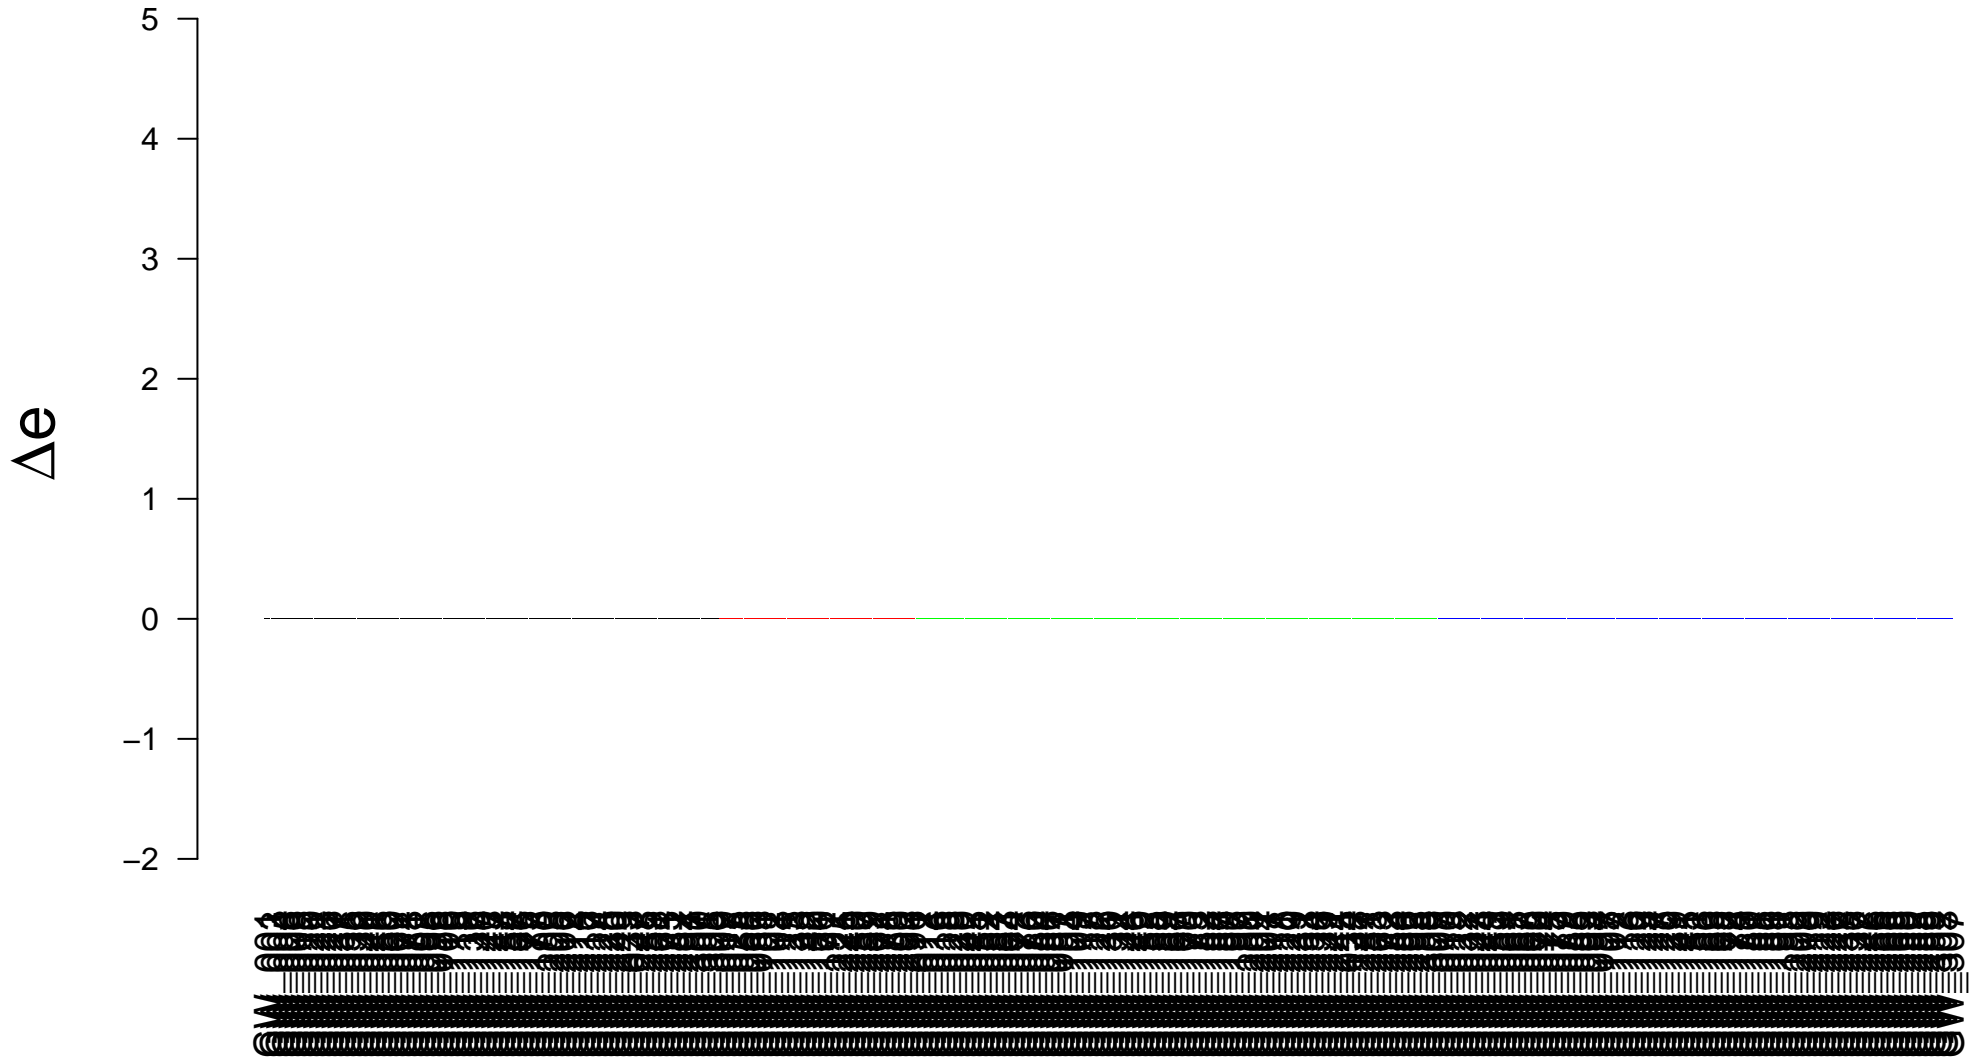

Enrichment in spots: triglyceride catabolic process

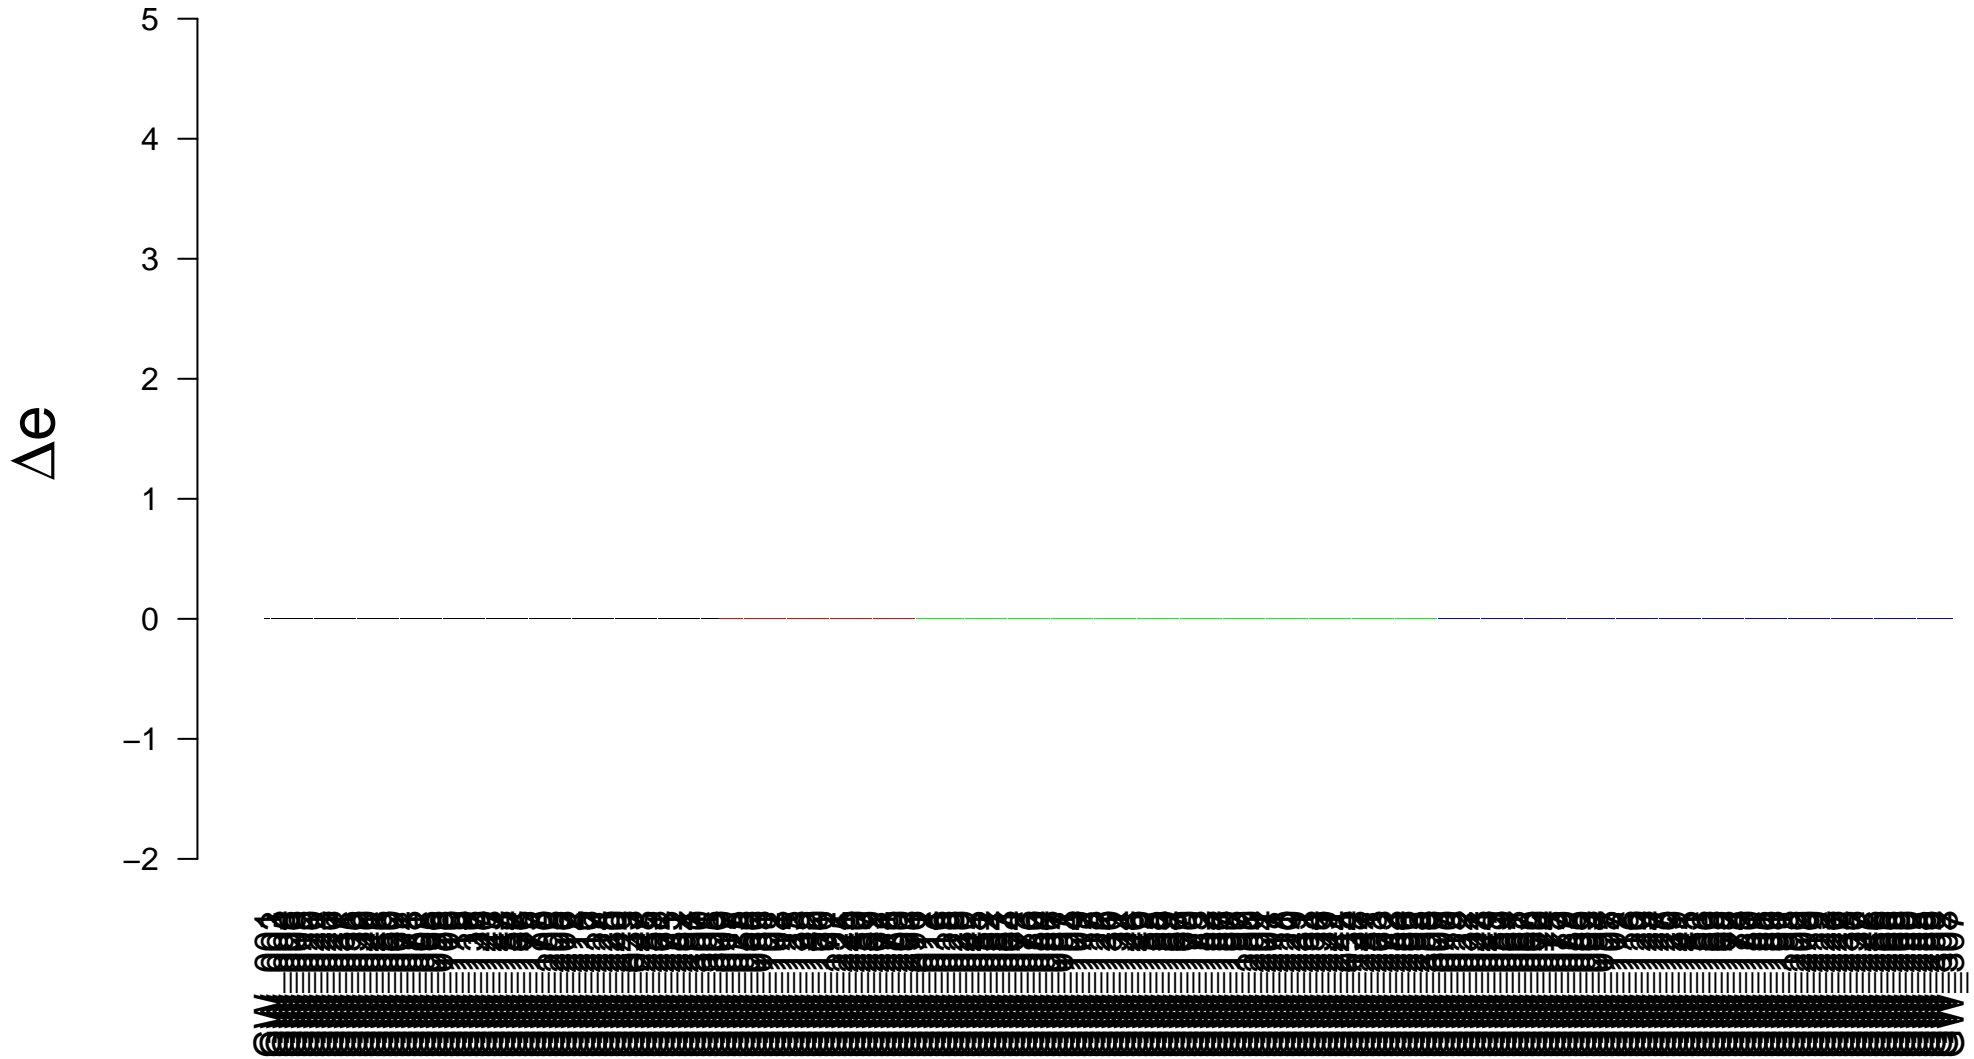

Expression of triglyceride catabolic process in Spot A

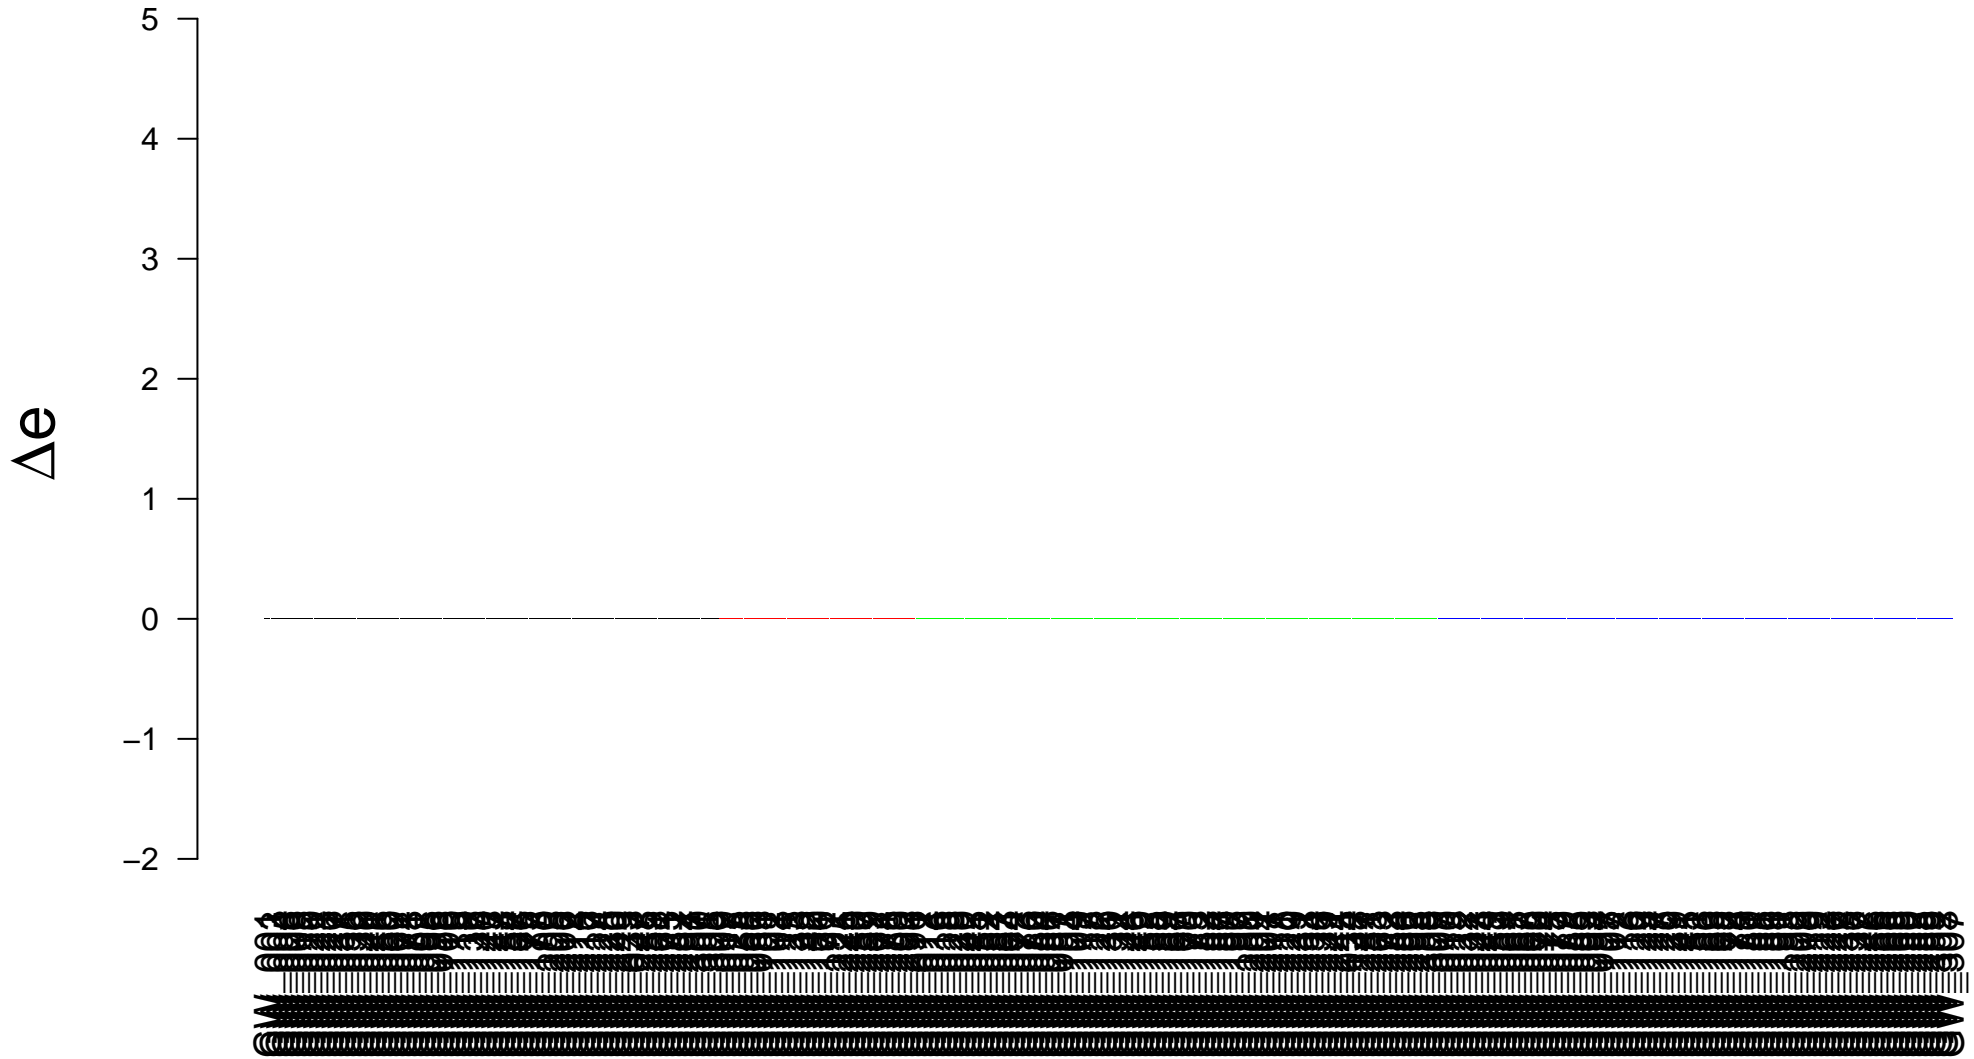

Expression of triglyceride catabolic process in Spot B

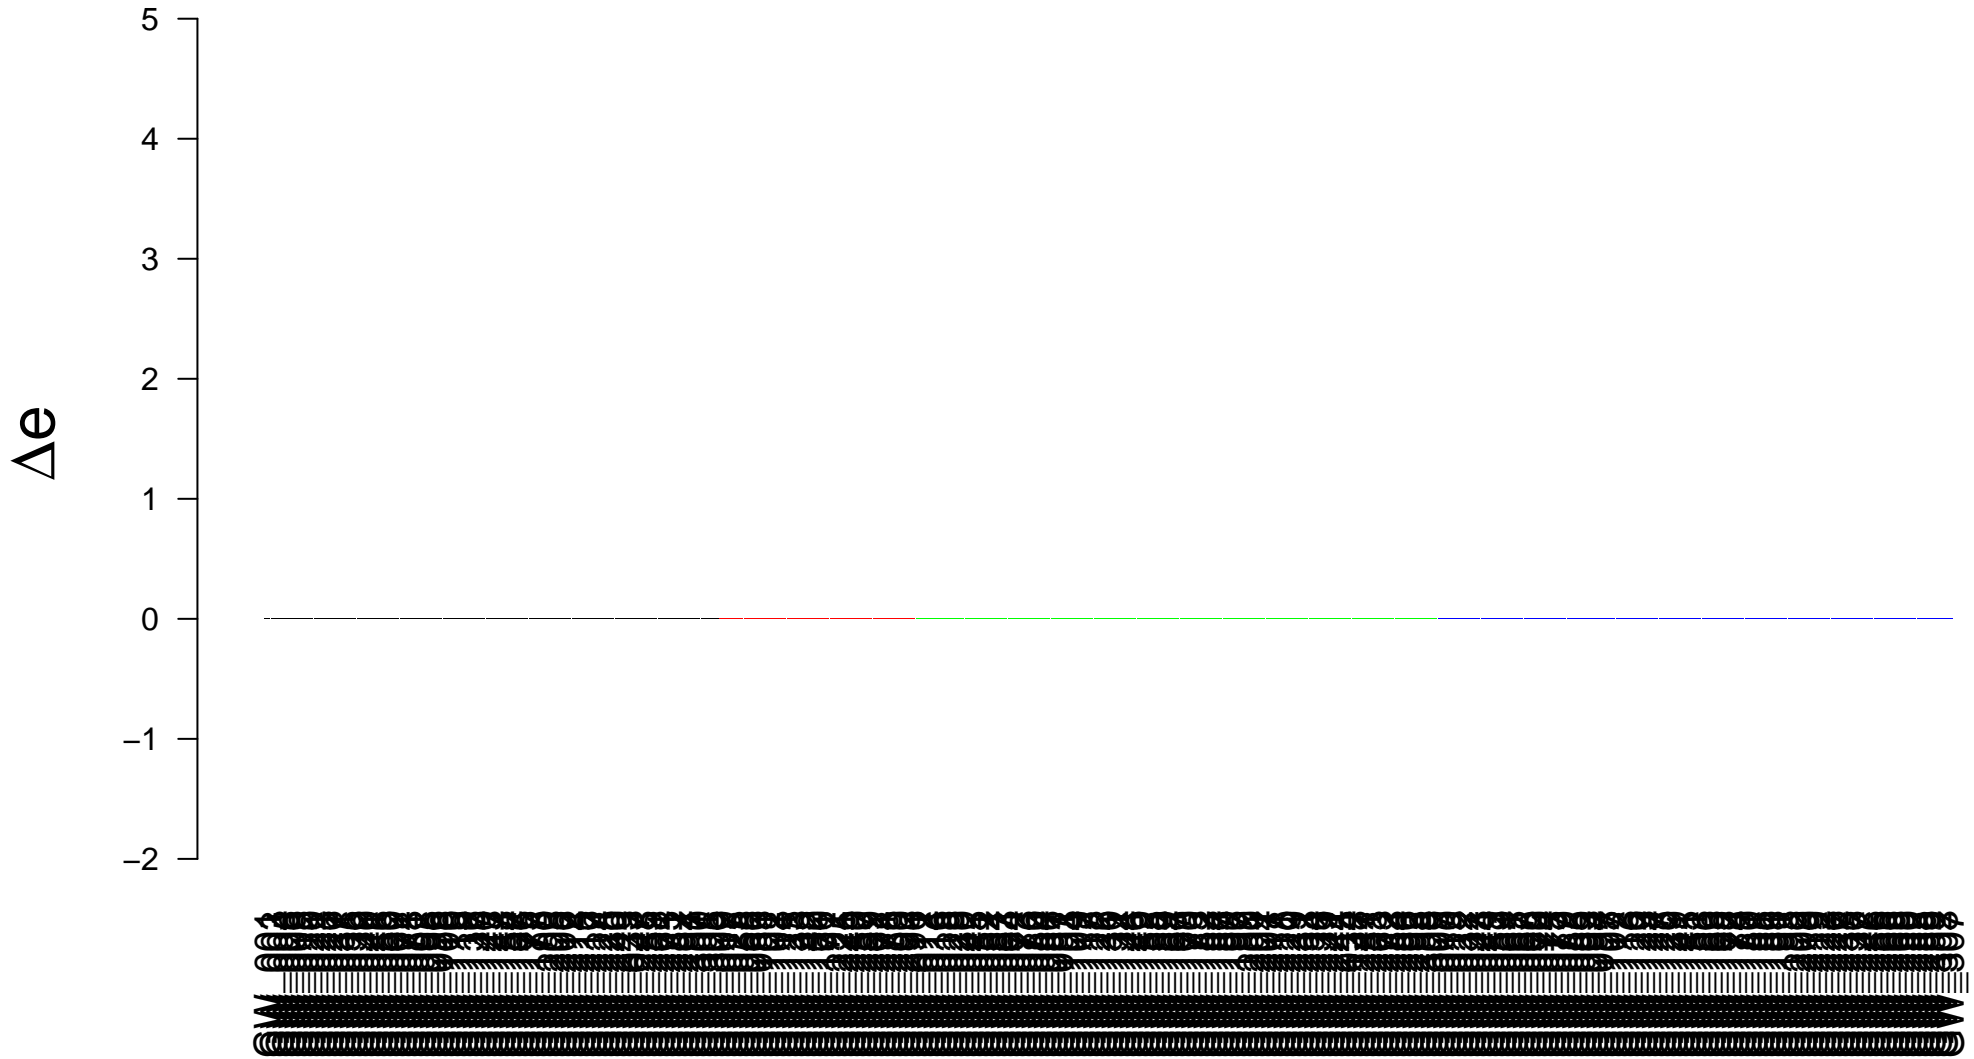

Expression of triglyceride catabolic process in Spot C

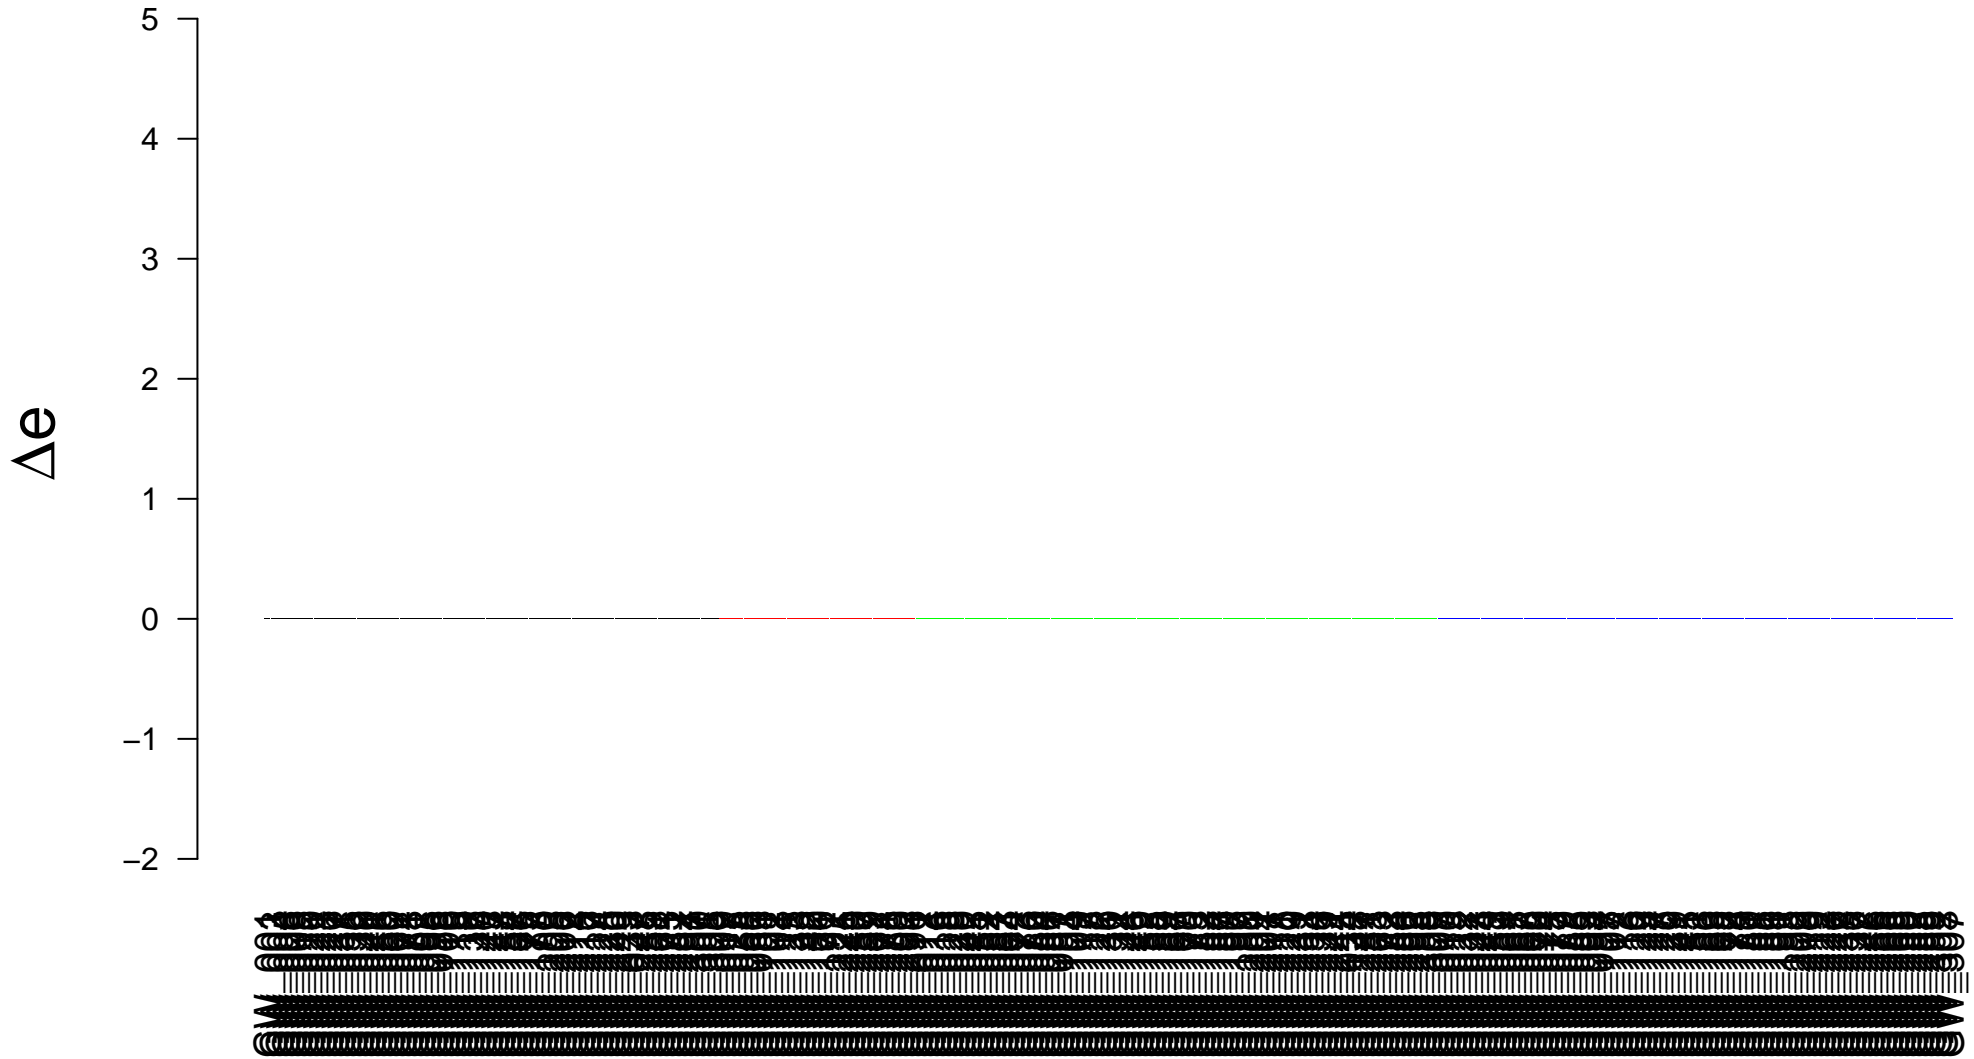

Expression of triglyceride catabolic process in Spot D

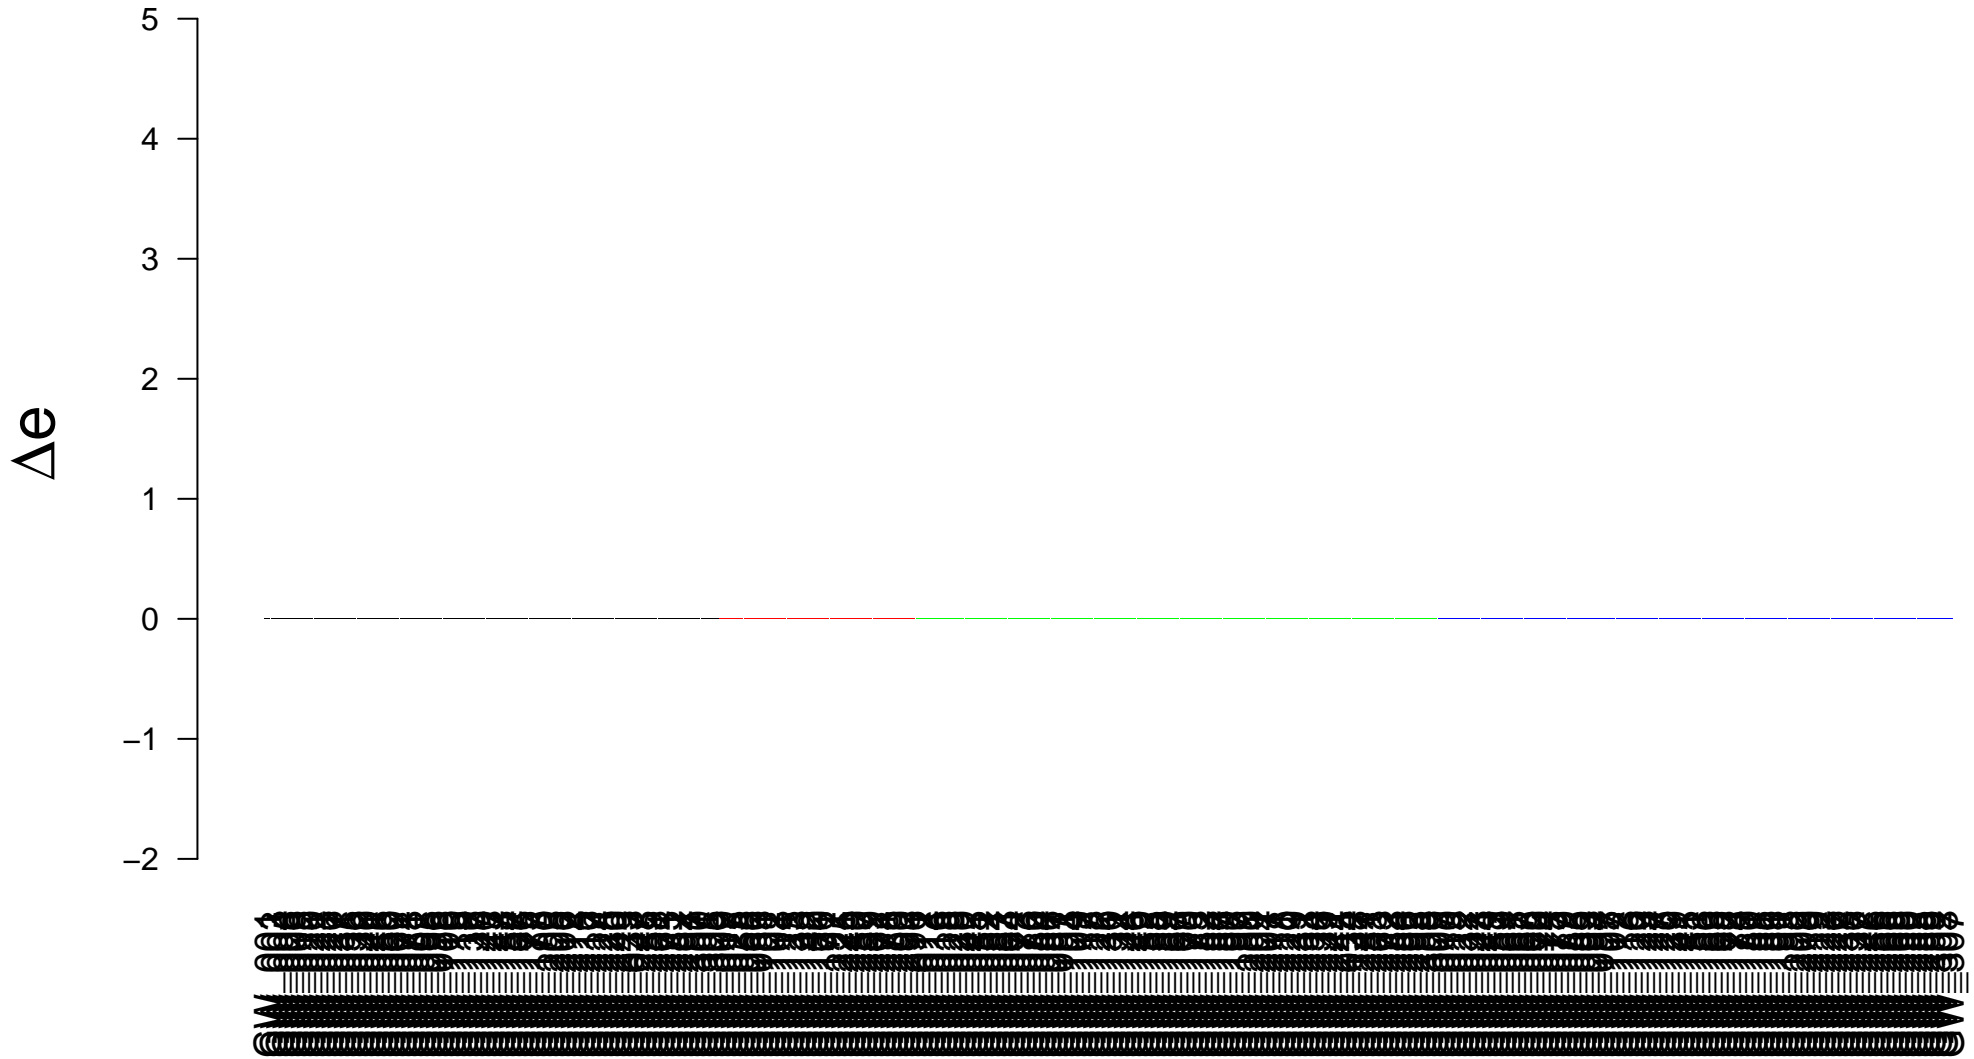

Expression of triglyceride catabolic process in Spot E

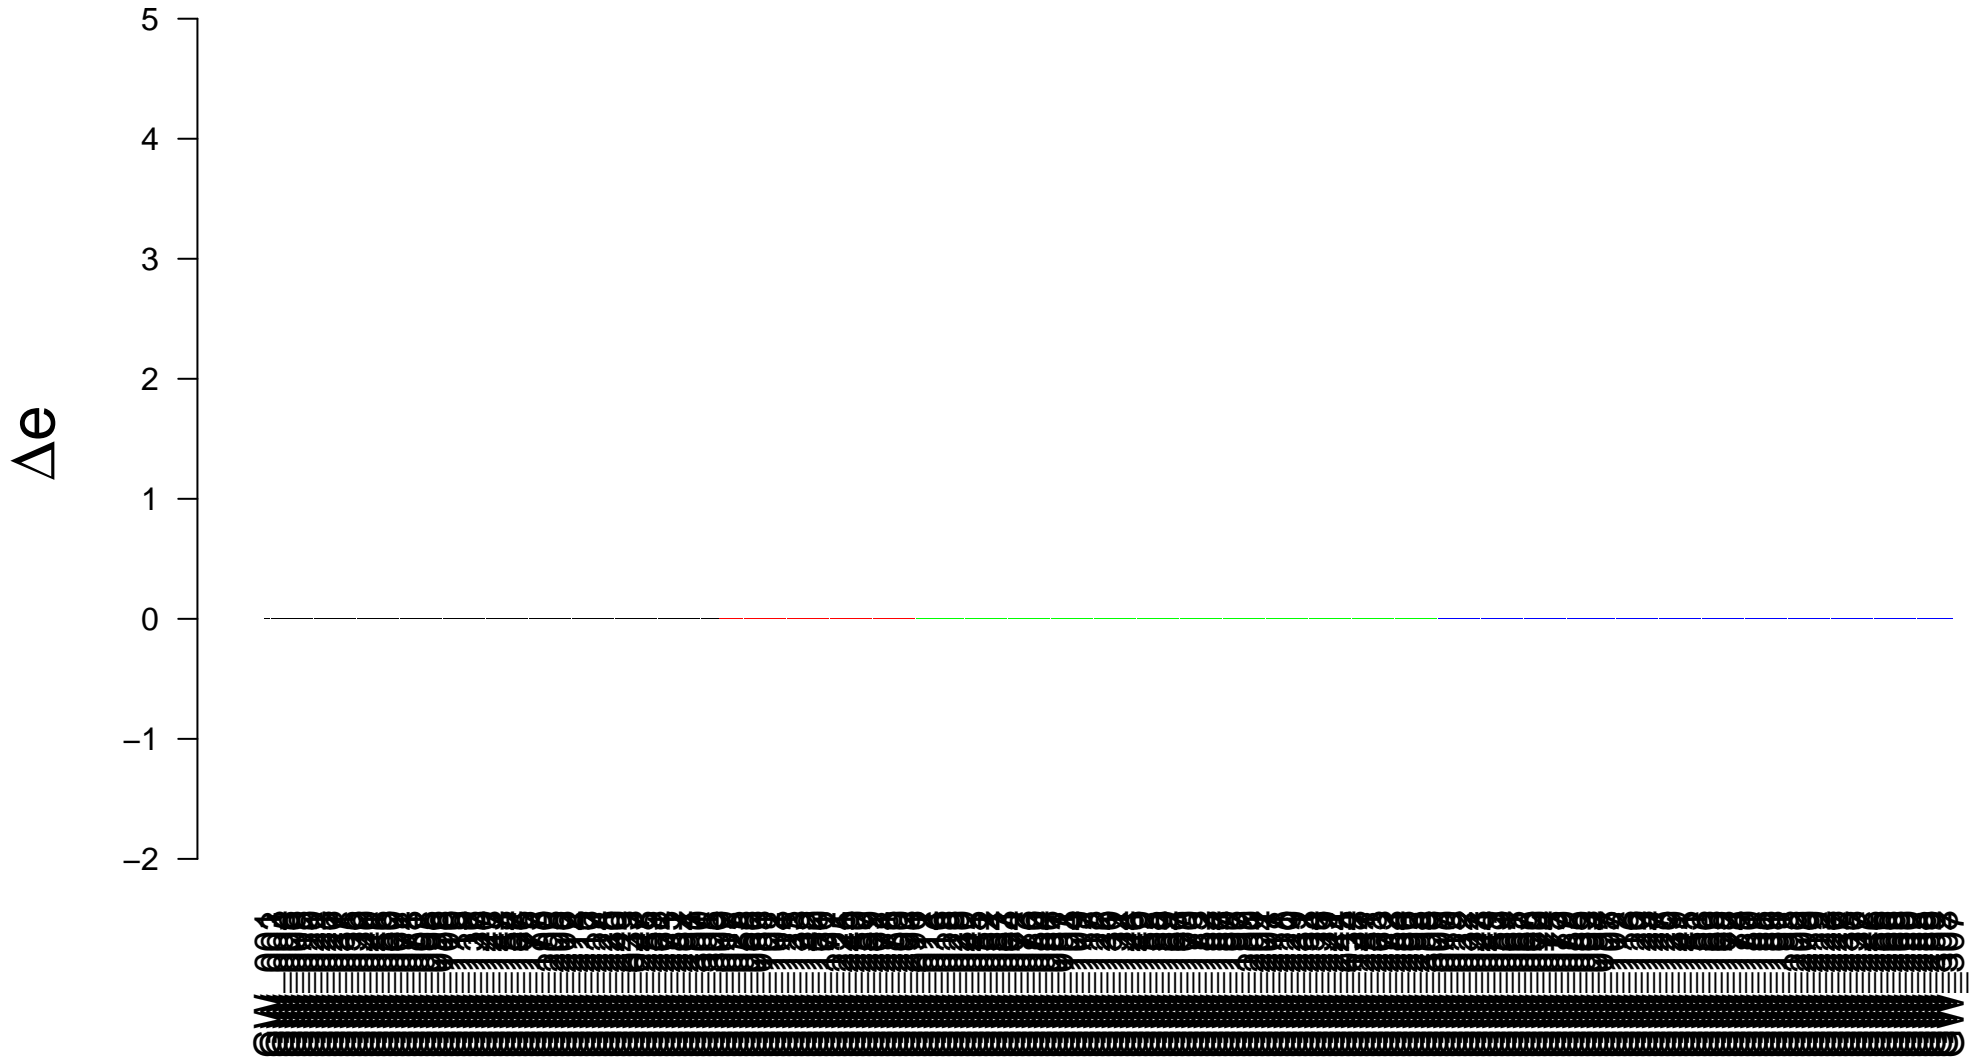

Expression of triglyceride catabolic process in Spot F

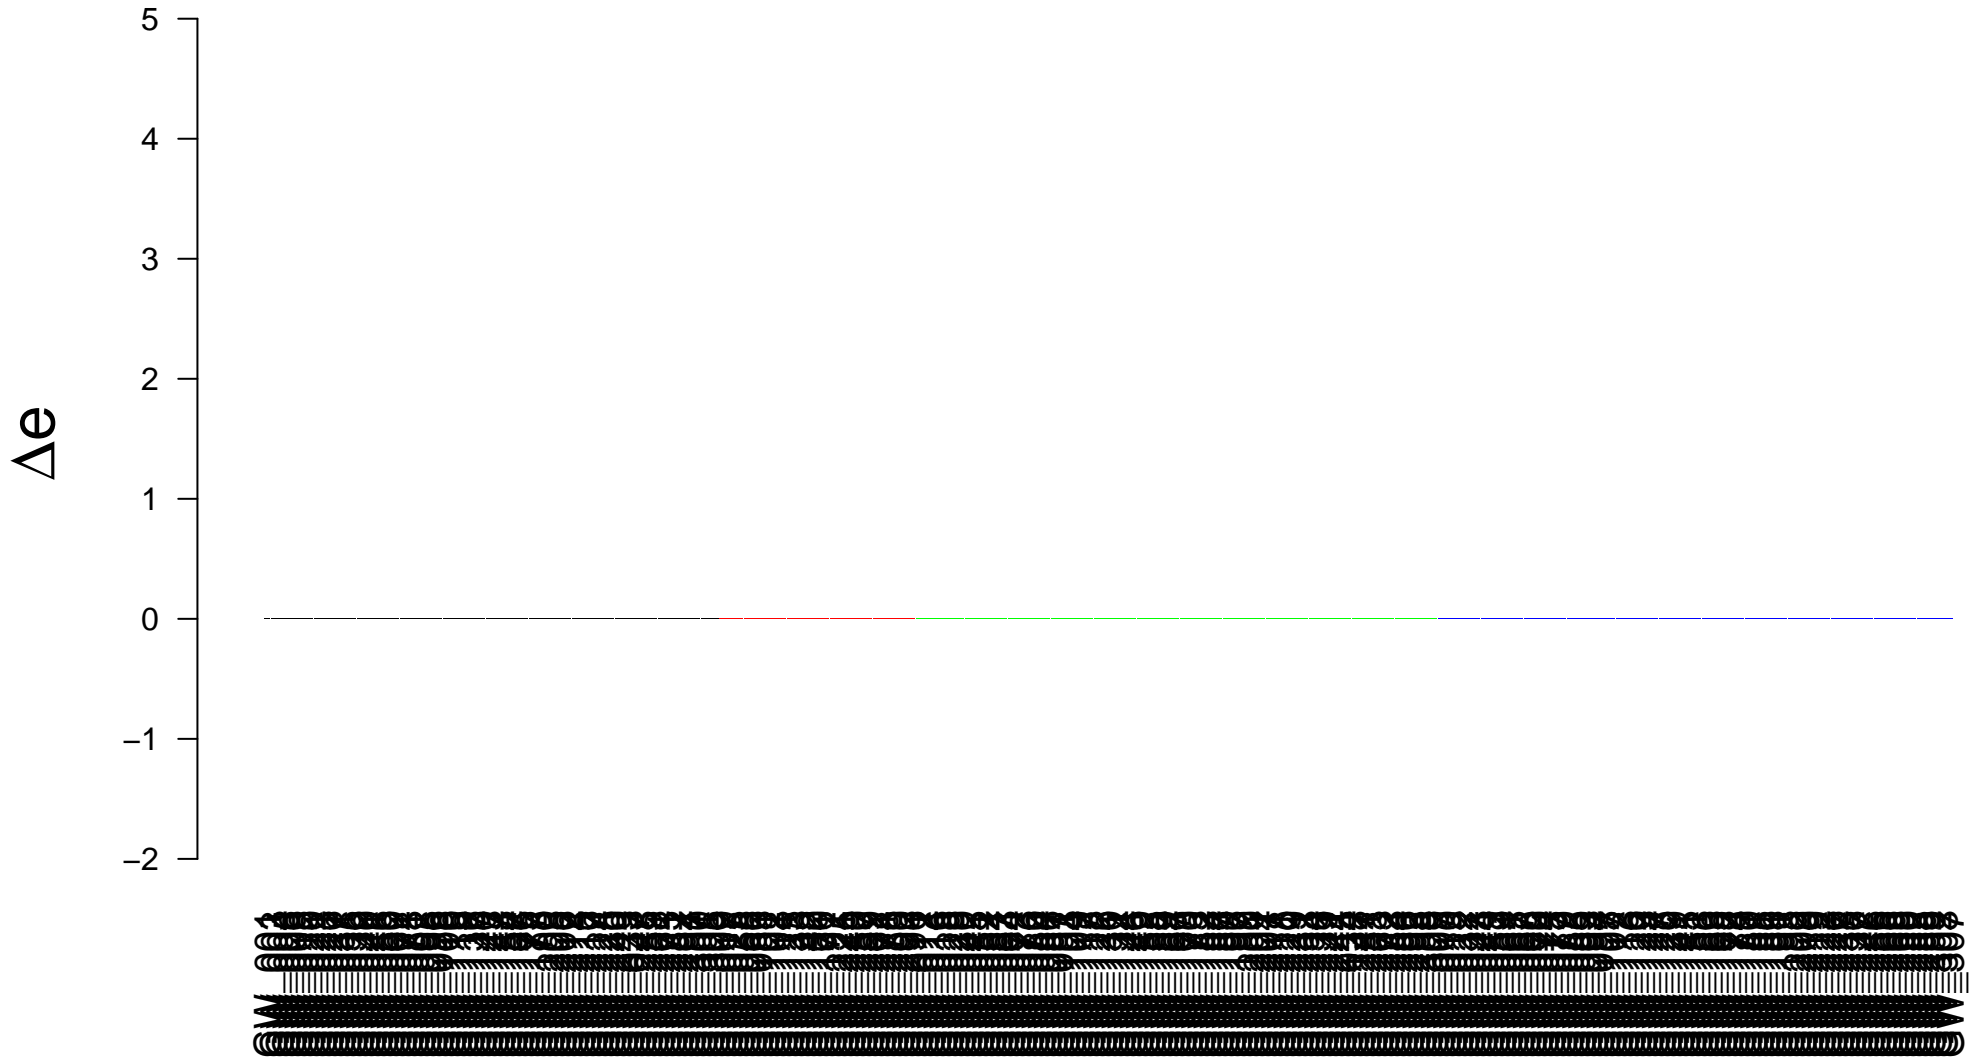

Expression of triglyceride catabolic process in Spot G

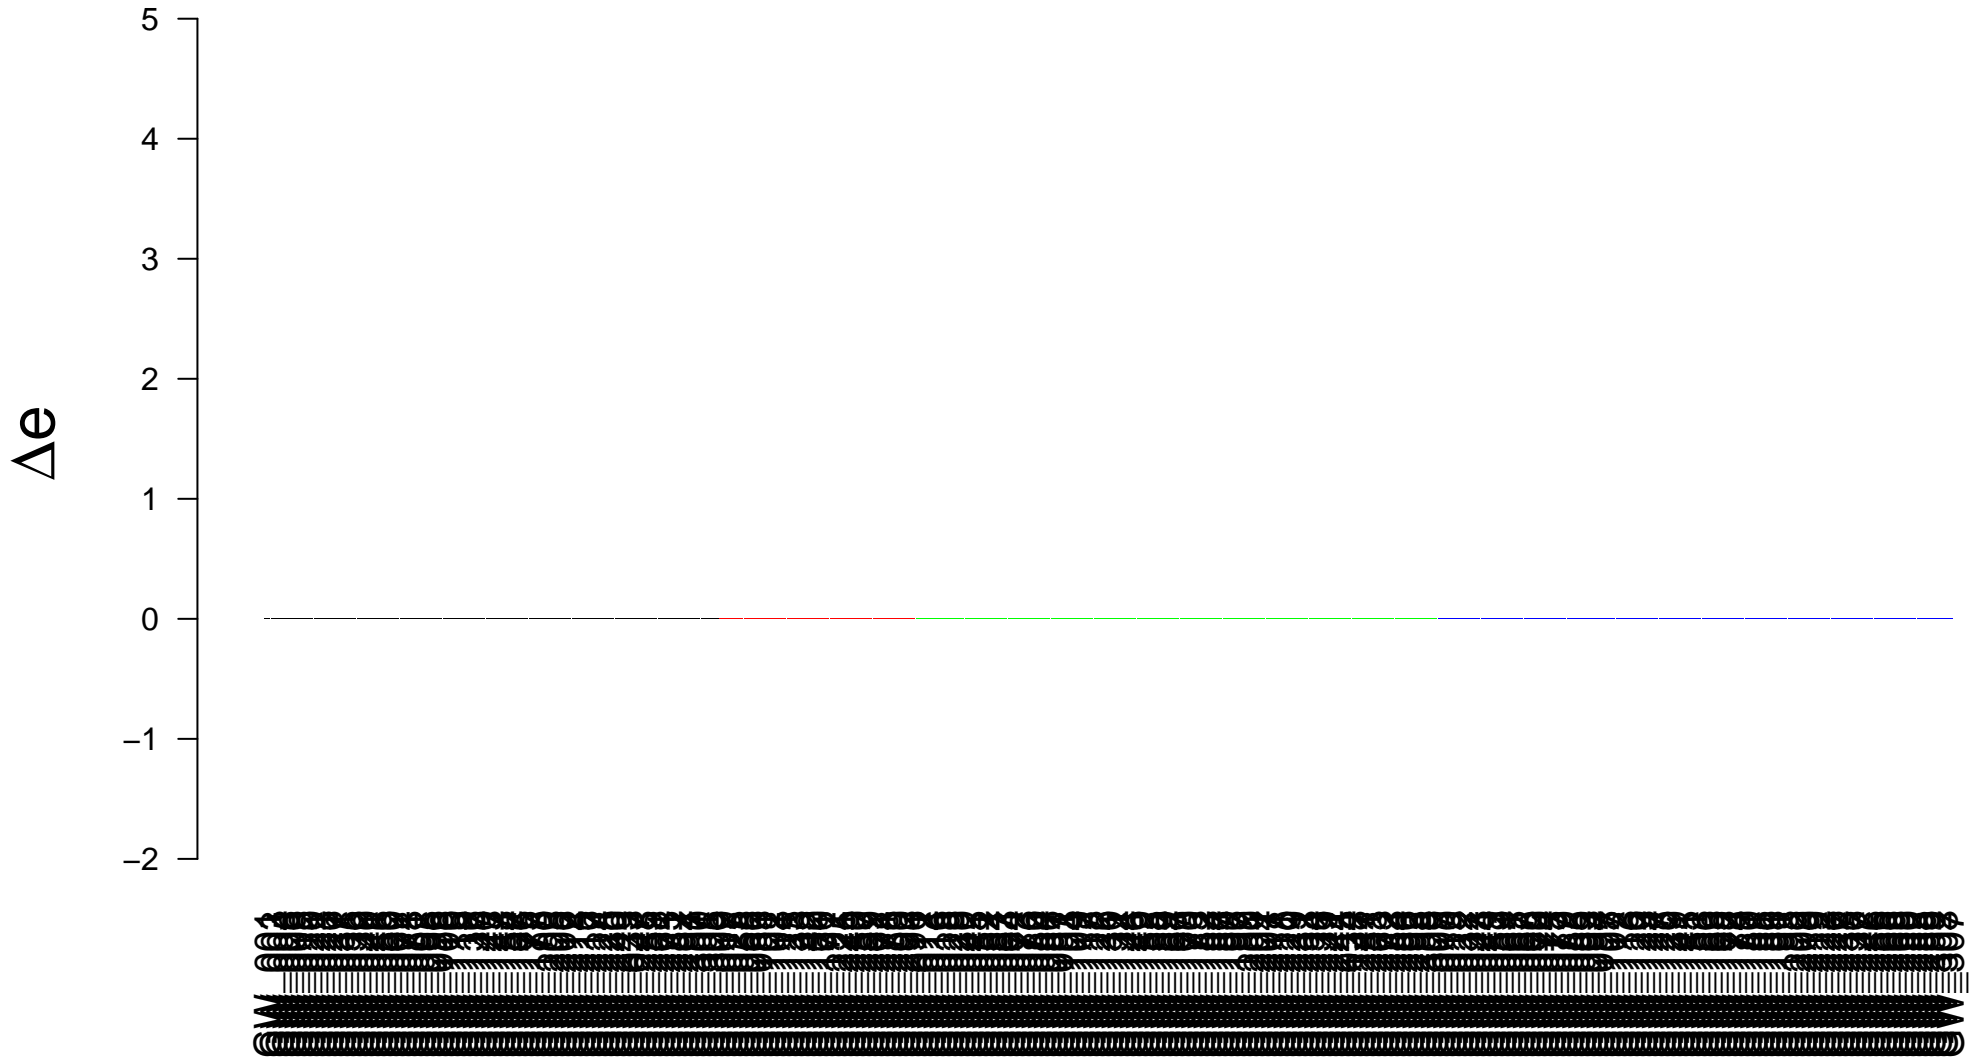

Expression of triglyceride catabolic process in Spot H

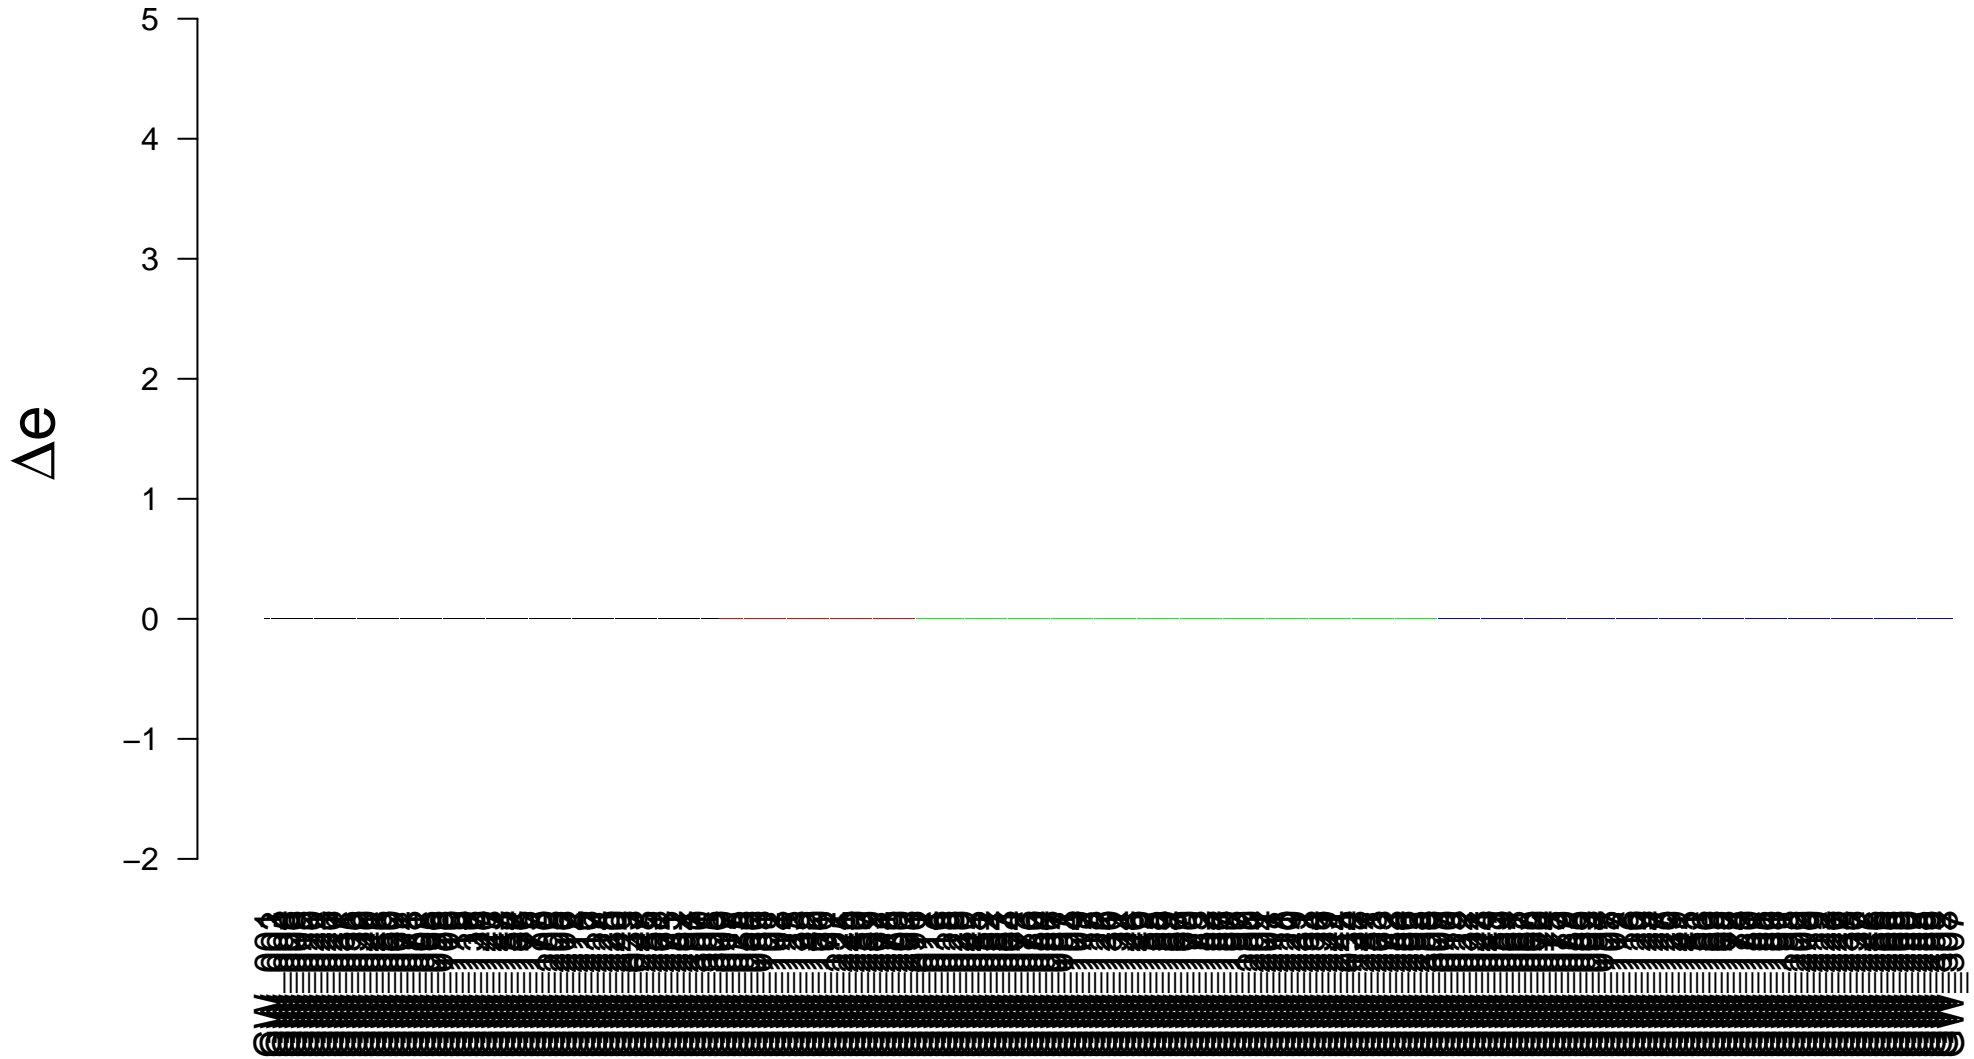

Expression of triglyceride catabolic process in Spot I

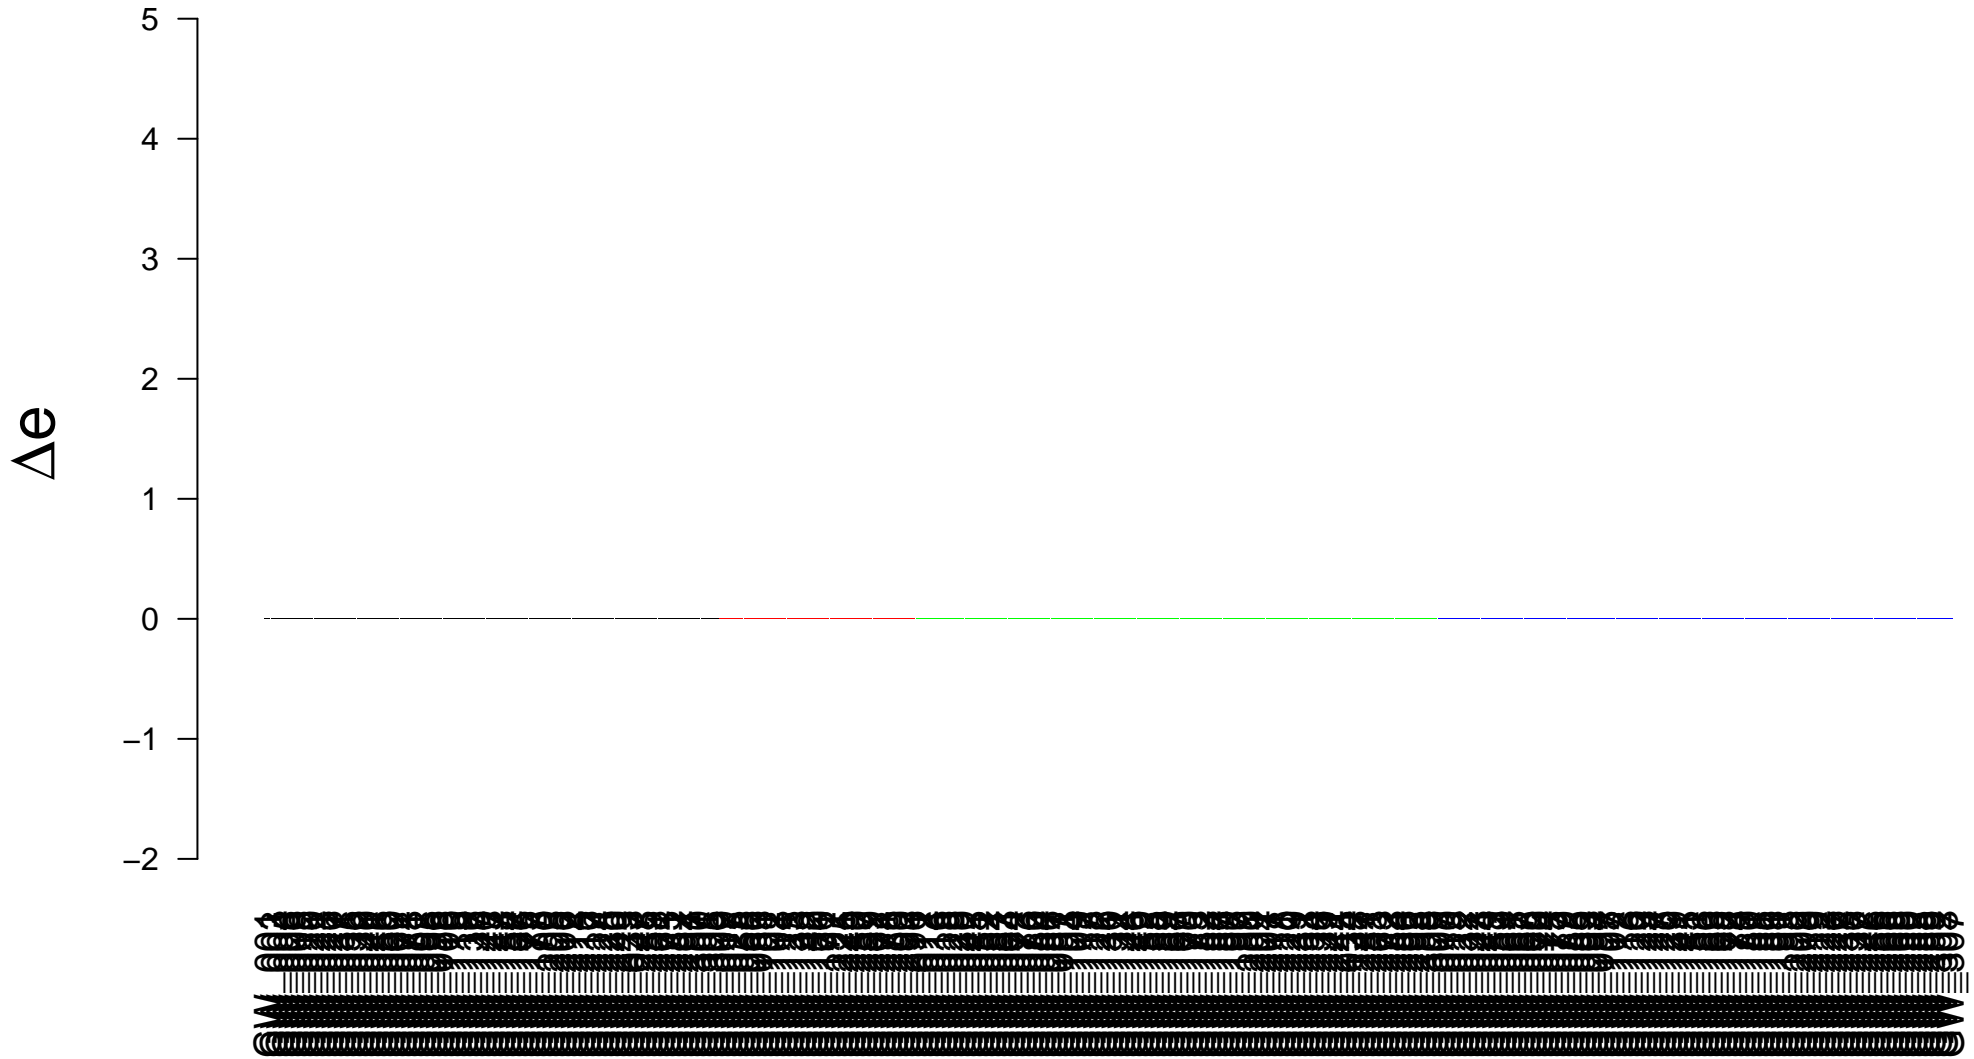

Expression of triglyceride catabolic process in Spot J

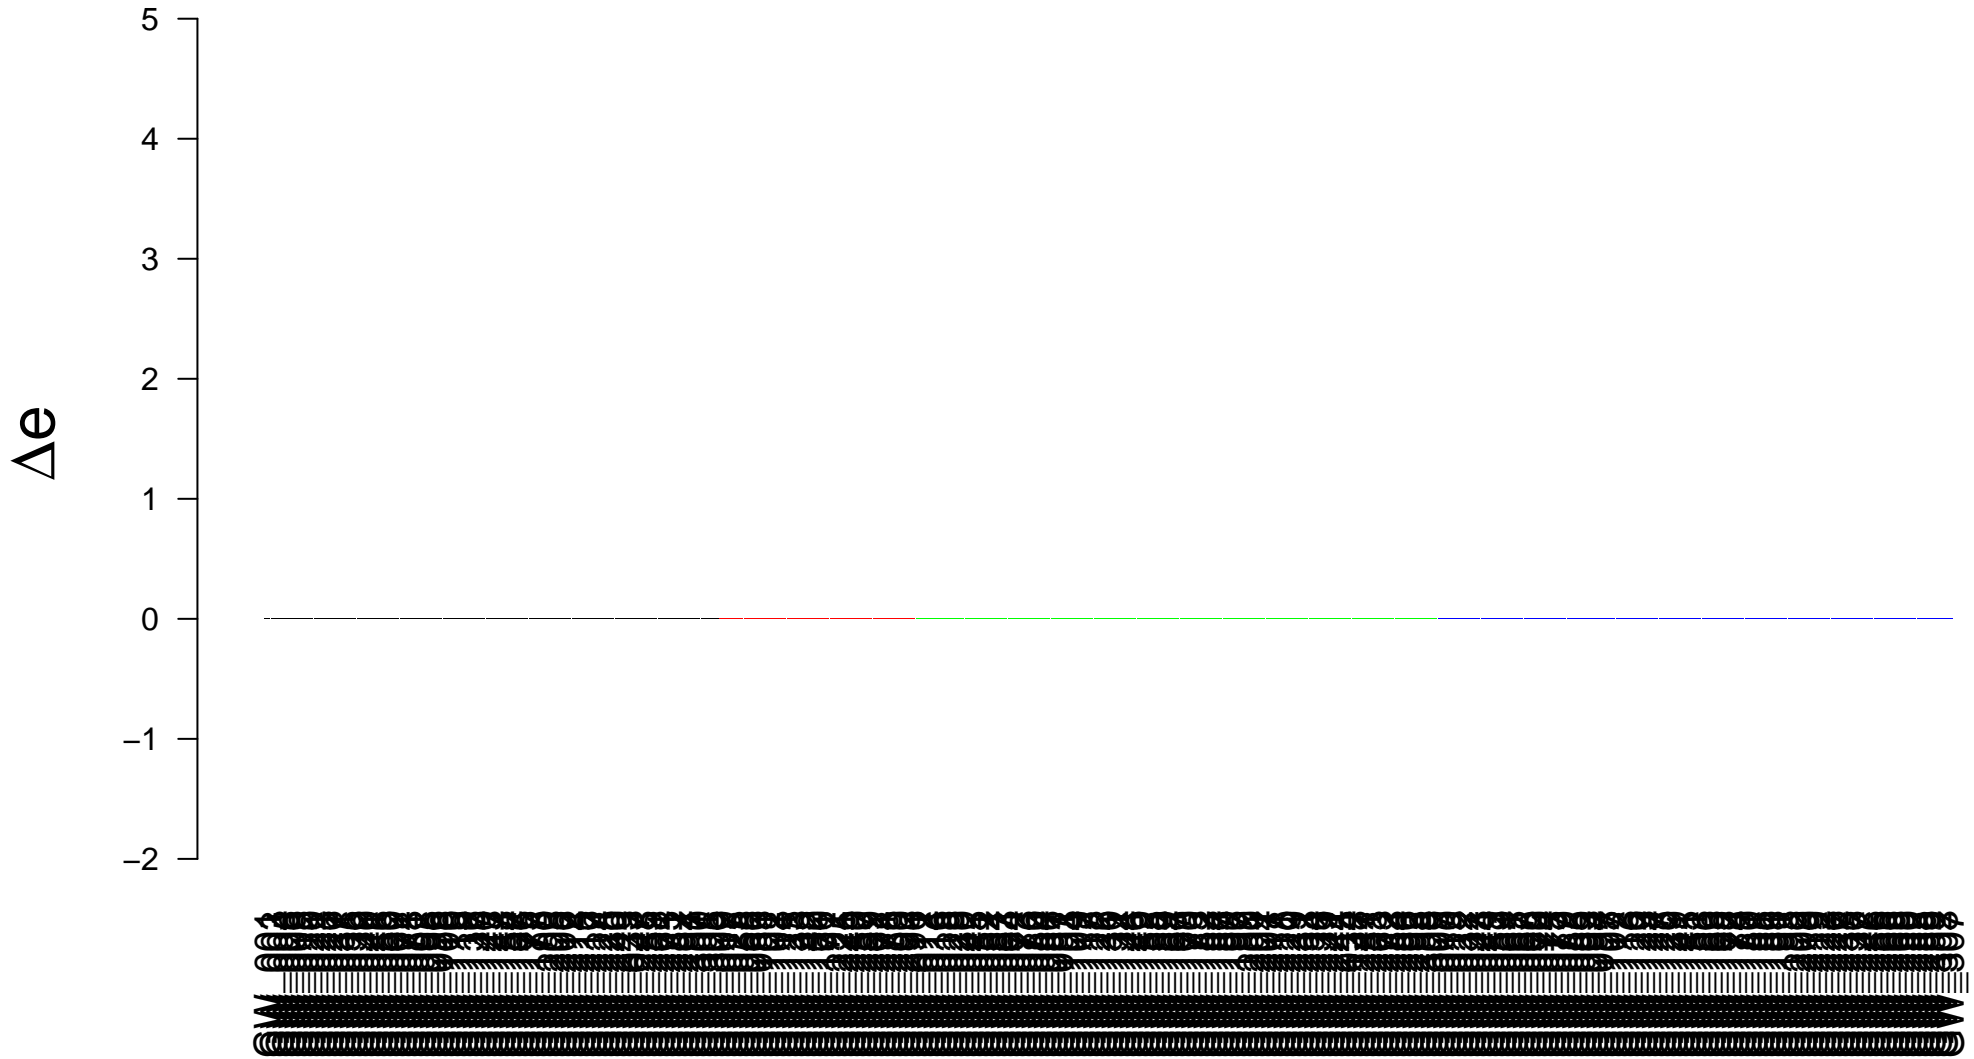

Expression of triglyceride catabolic process in Spot K

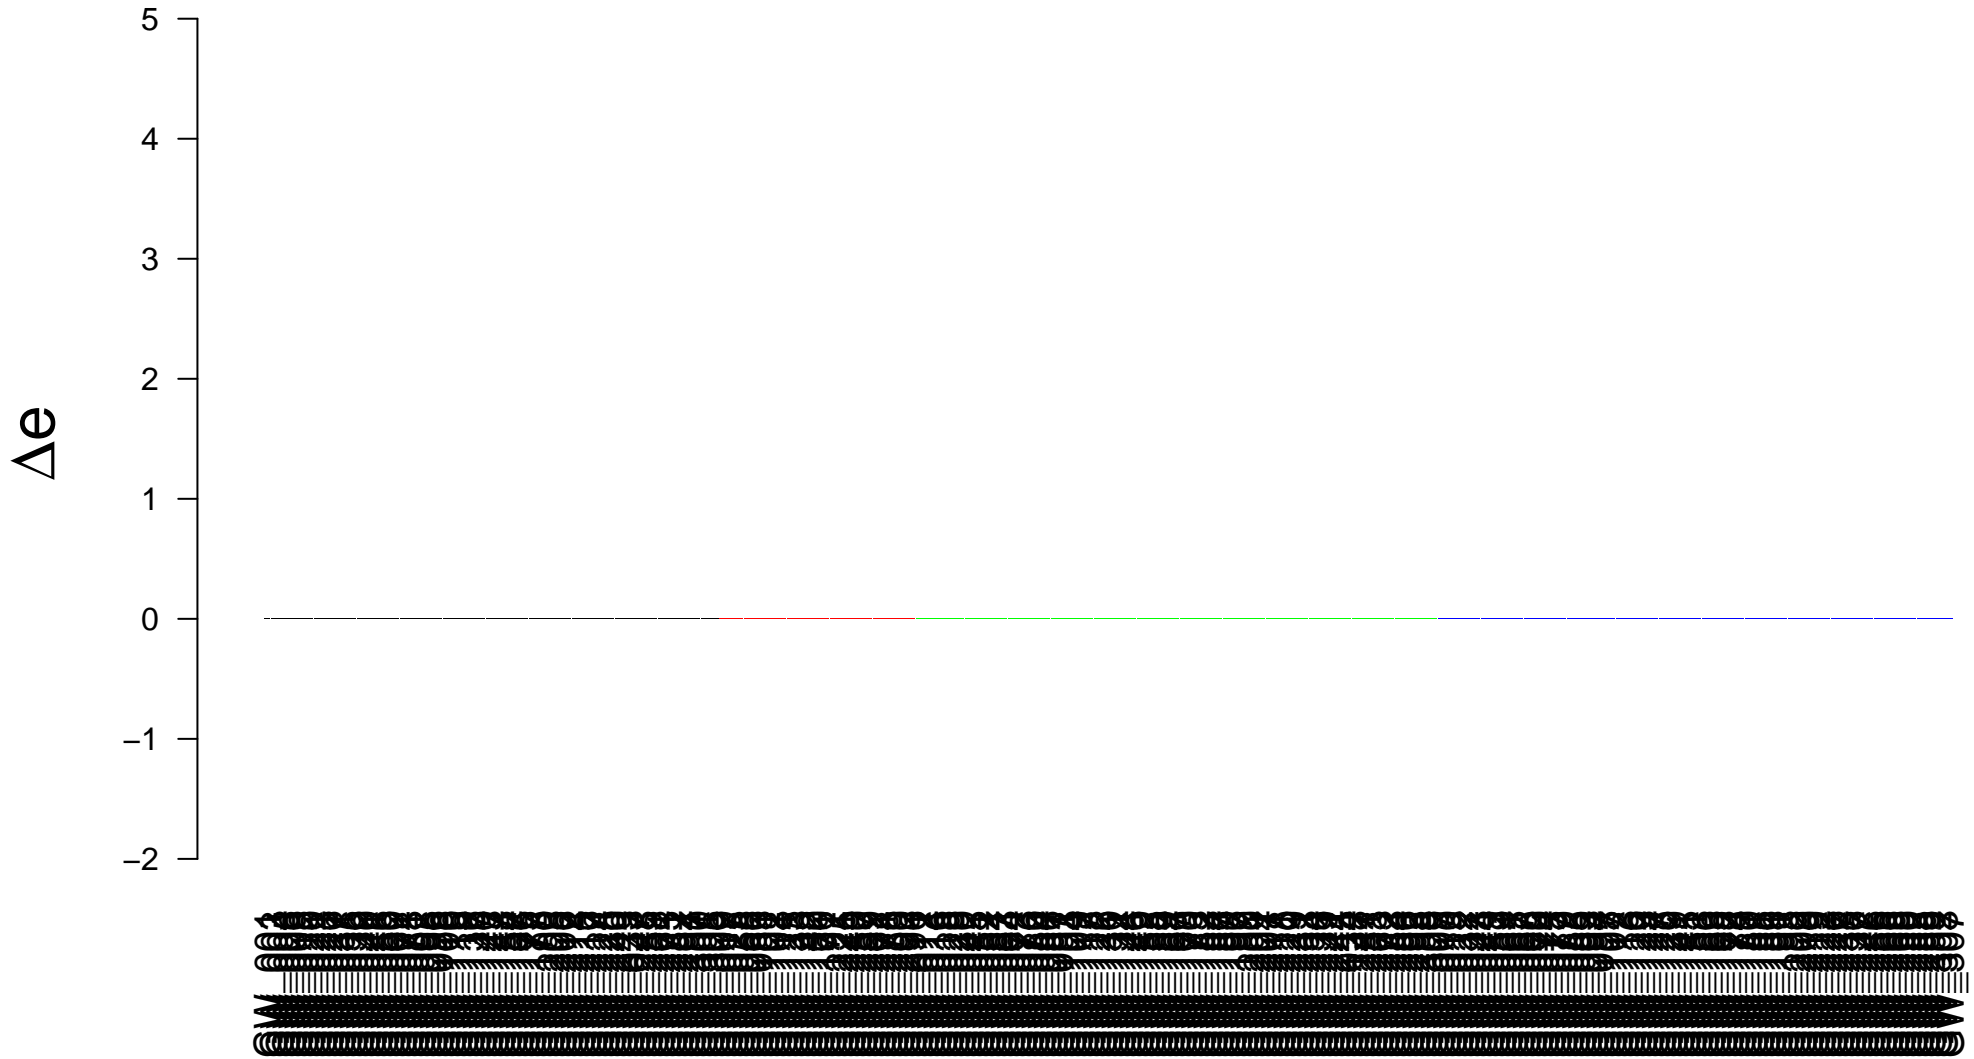

Expression of triglyceride catabolic process in Spot L

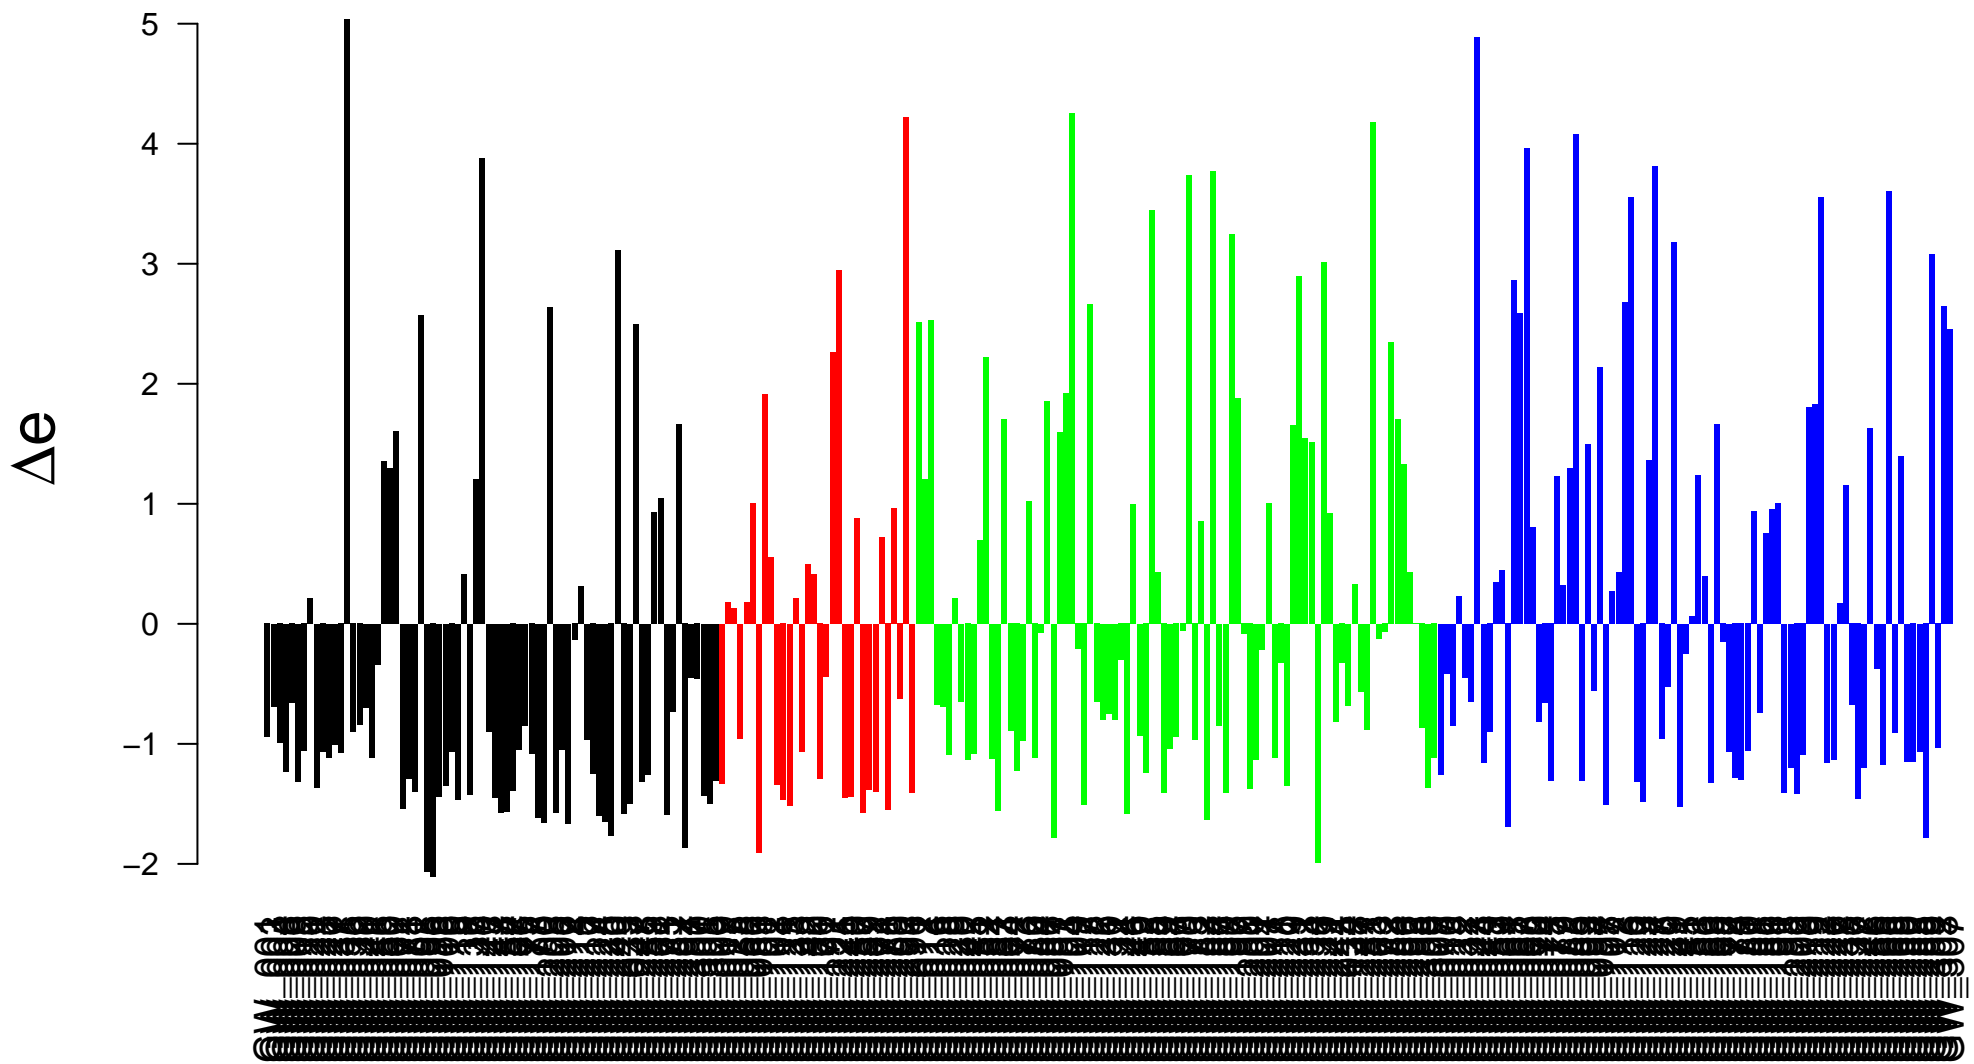

Expression of triglyceride catabolic process in Spot M

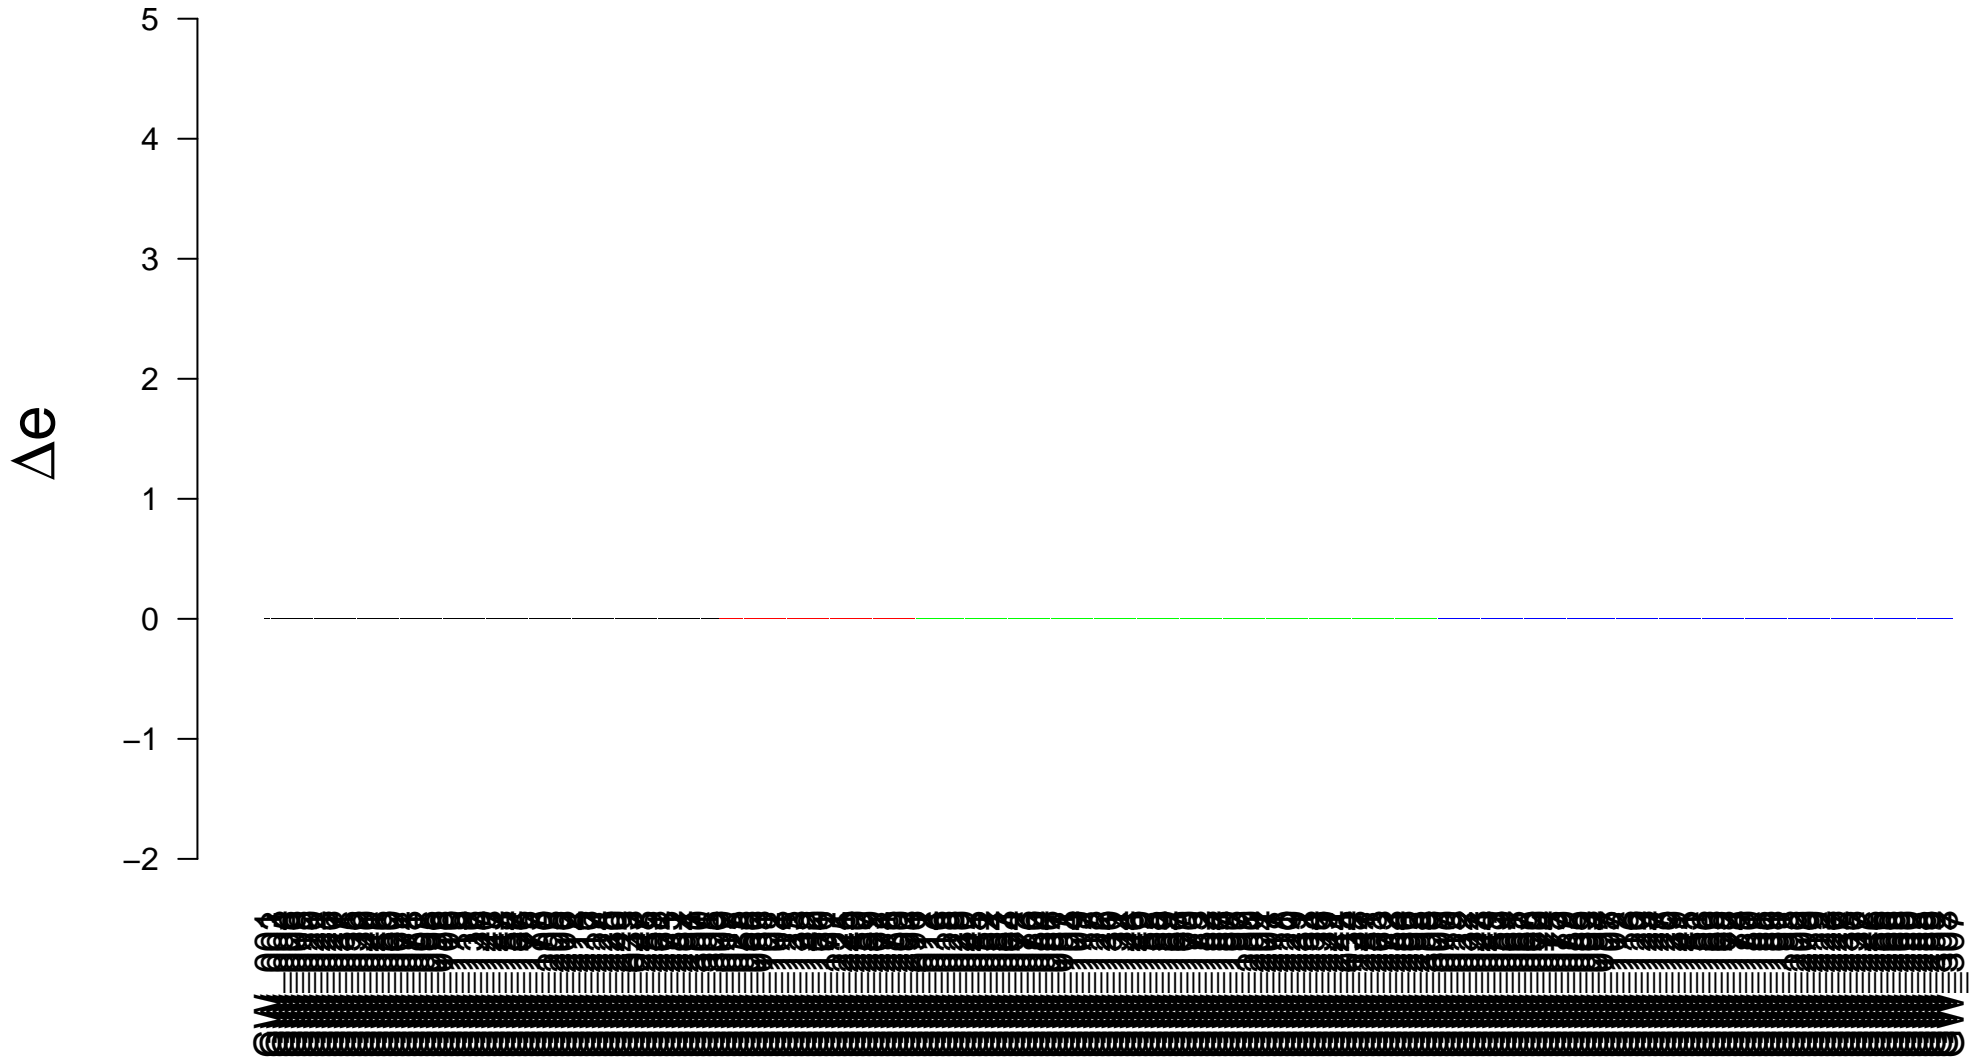

Expression of triglyceride catabolic process in Spot N

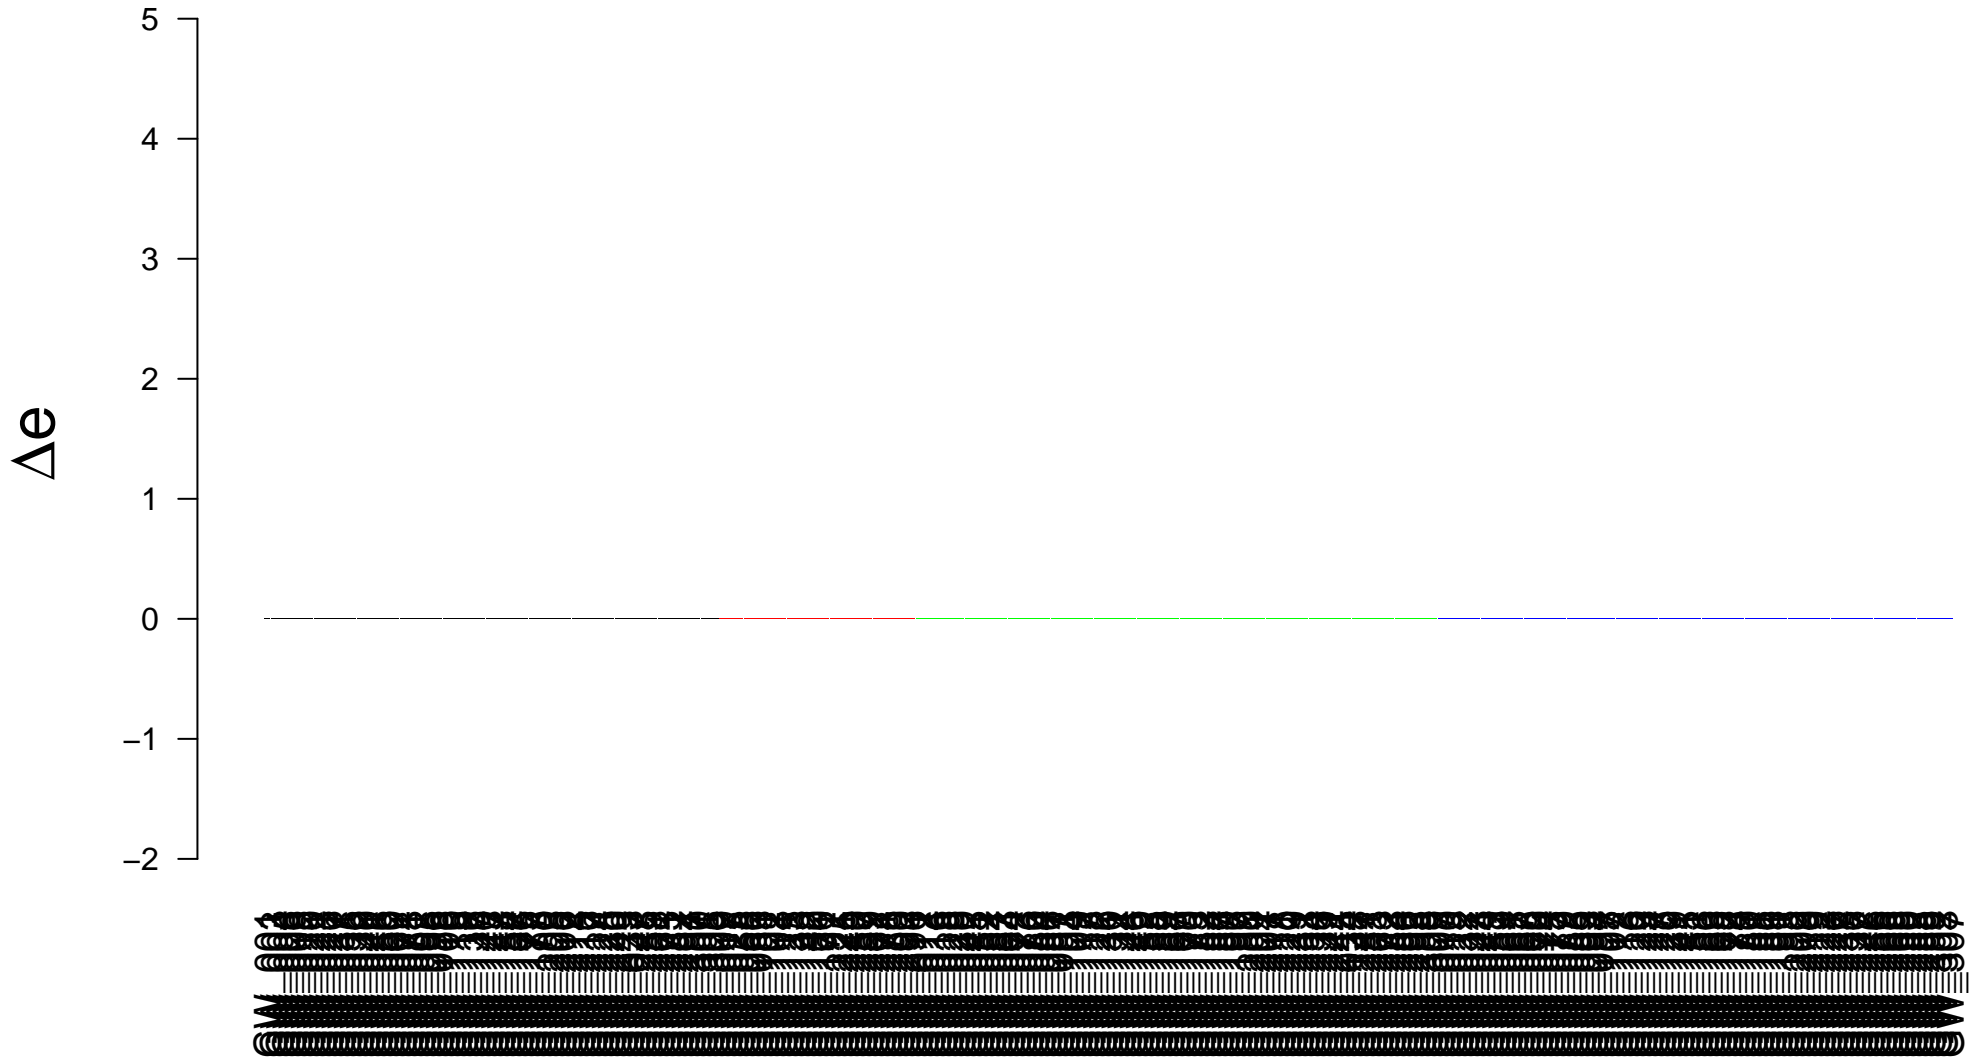

Expression of triglyceride catabolic process in Spot O

Expression of triglyceride catabolic process in Spot P

Expression of triglyceride catabolic process in Spot Q

Expression of triglyceride catabolic process in Spot R
