

triglyceride lipase activity

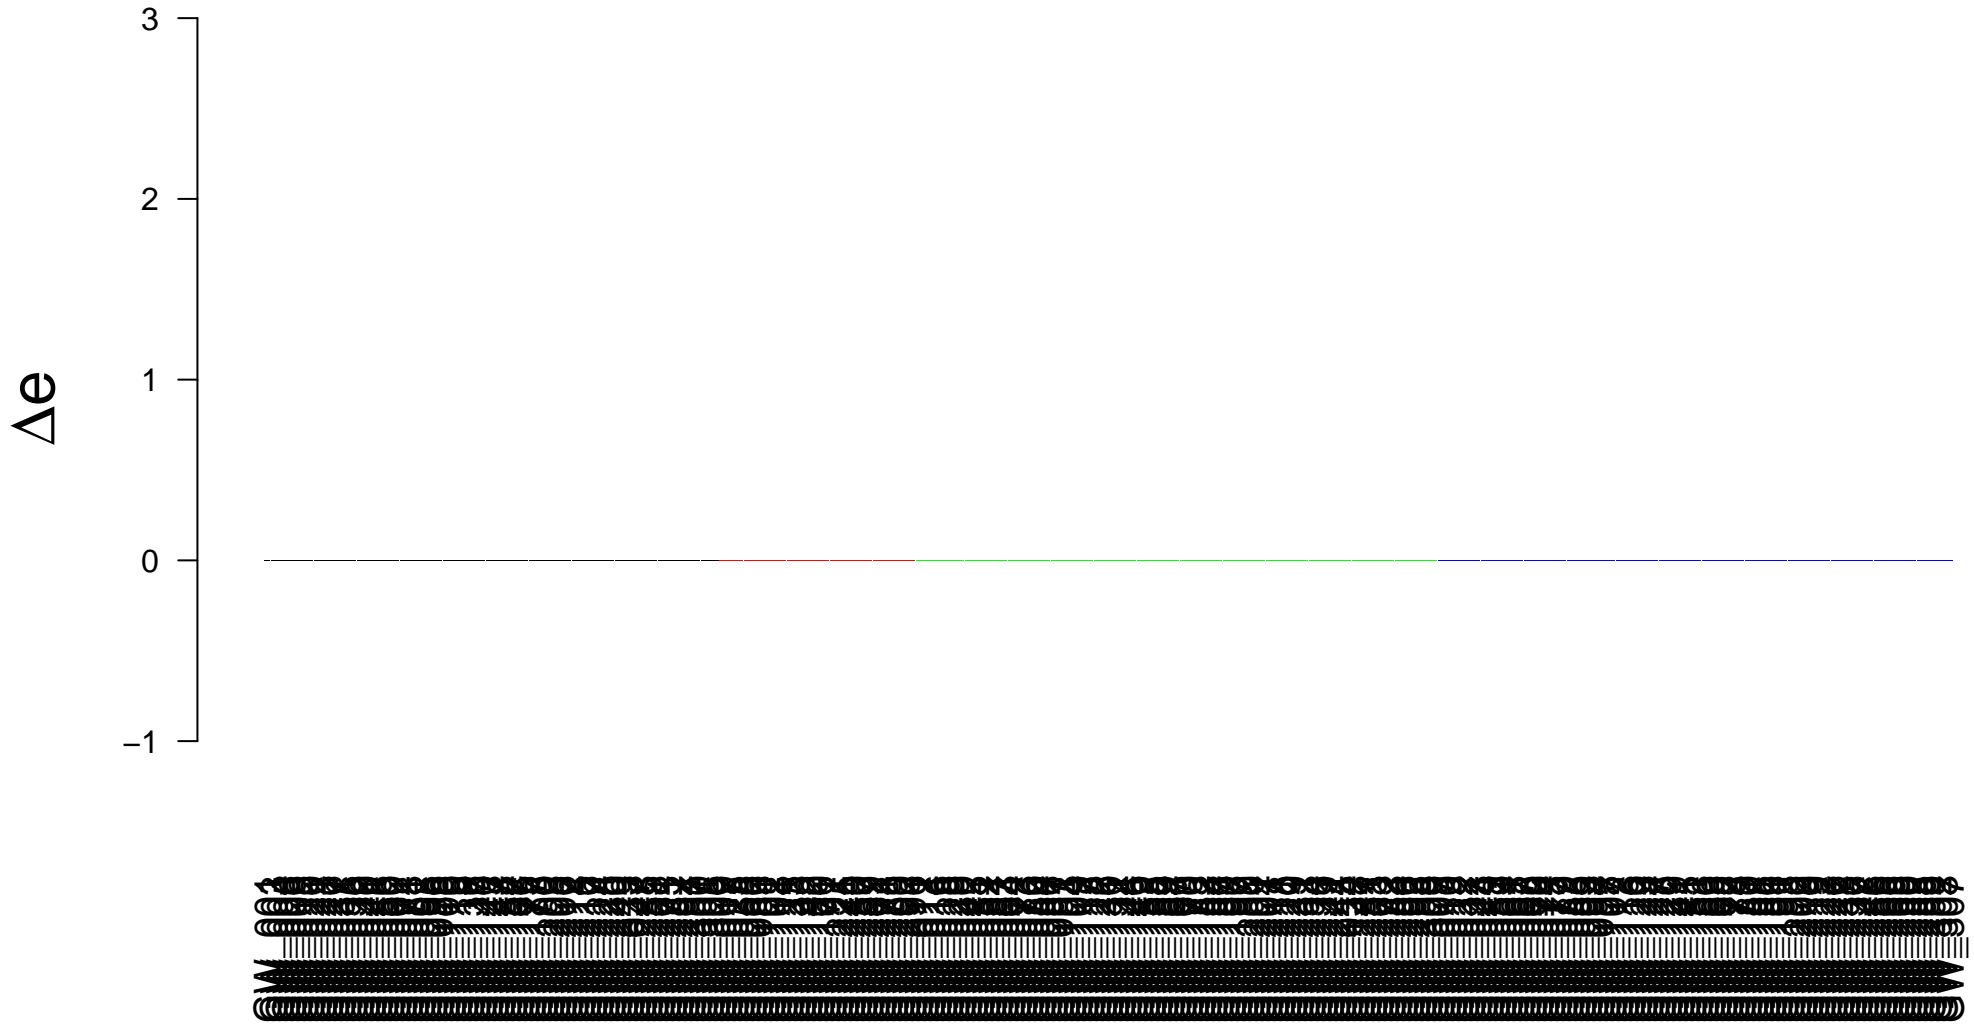

# triglyceride lipase activity

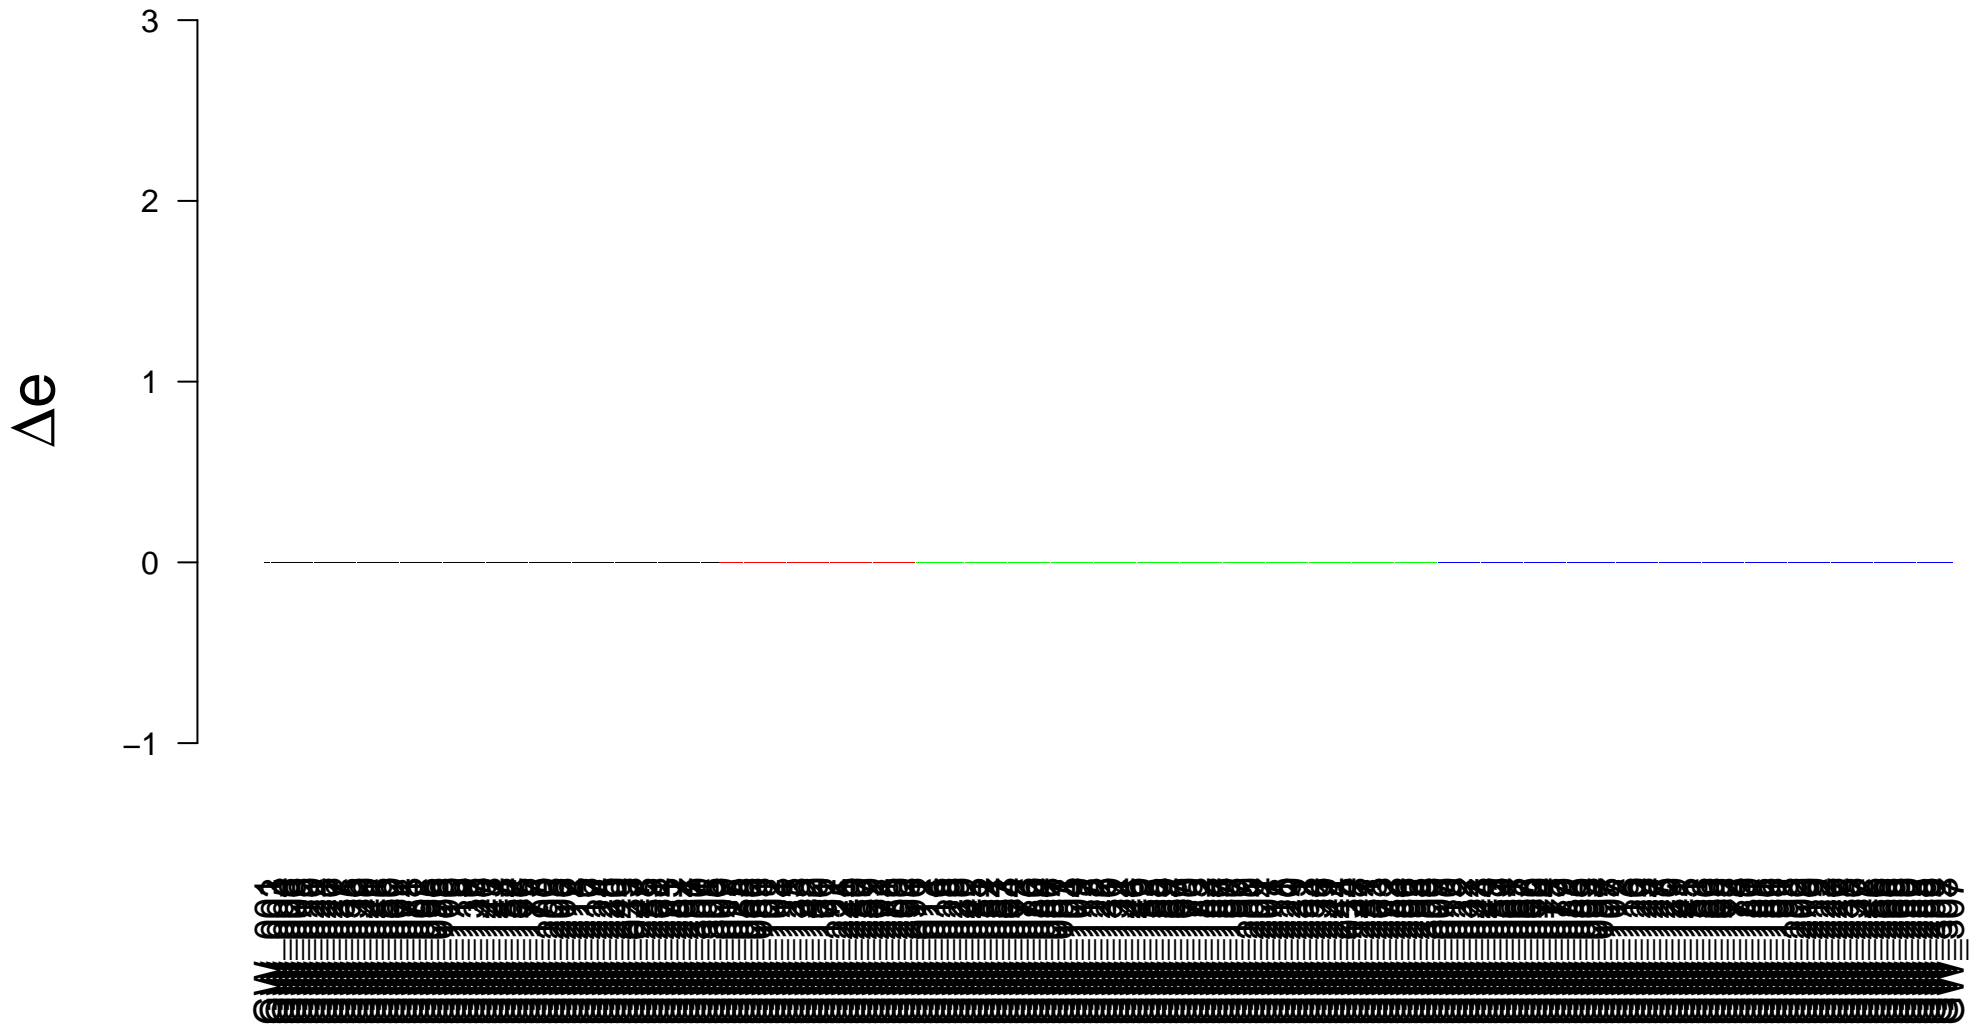

# Enrichment in spots: triglyceride lipase activity

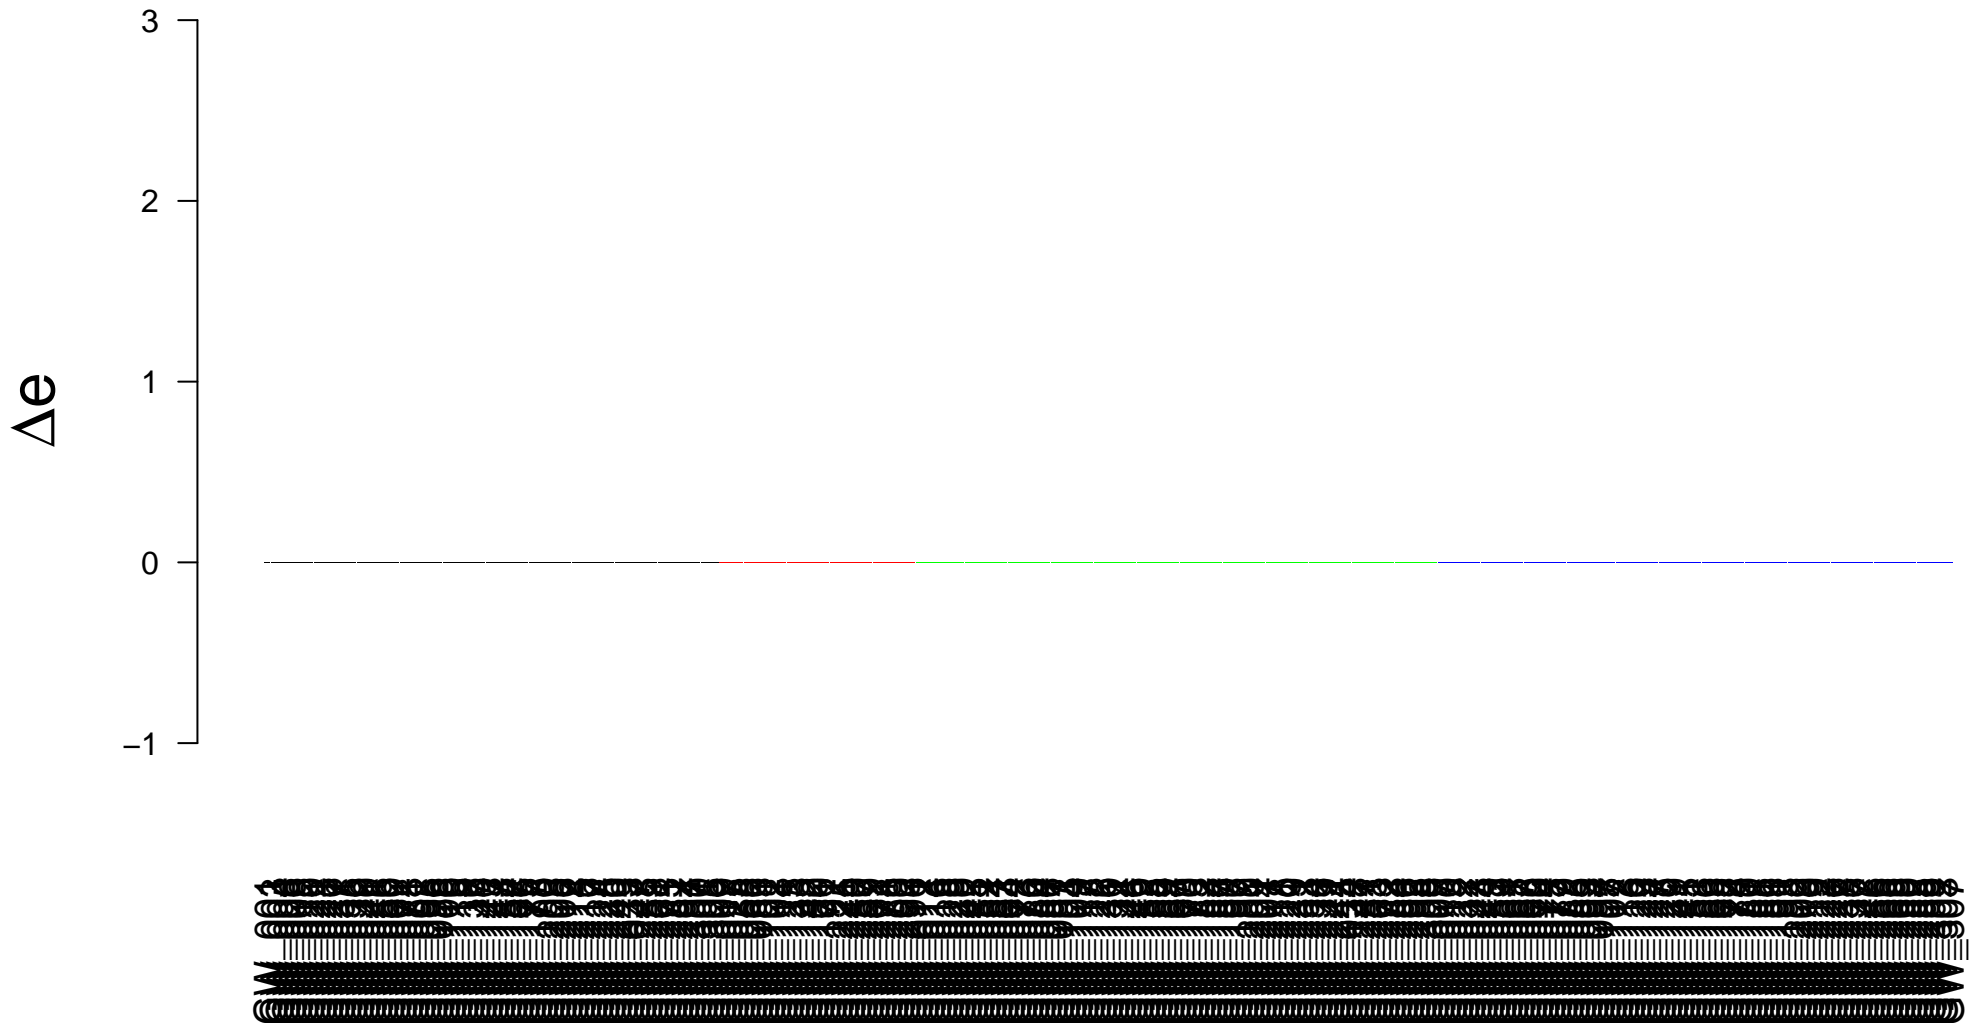

# Expression of triglyceride lipase activity in Spot A

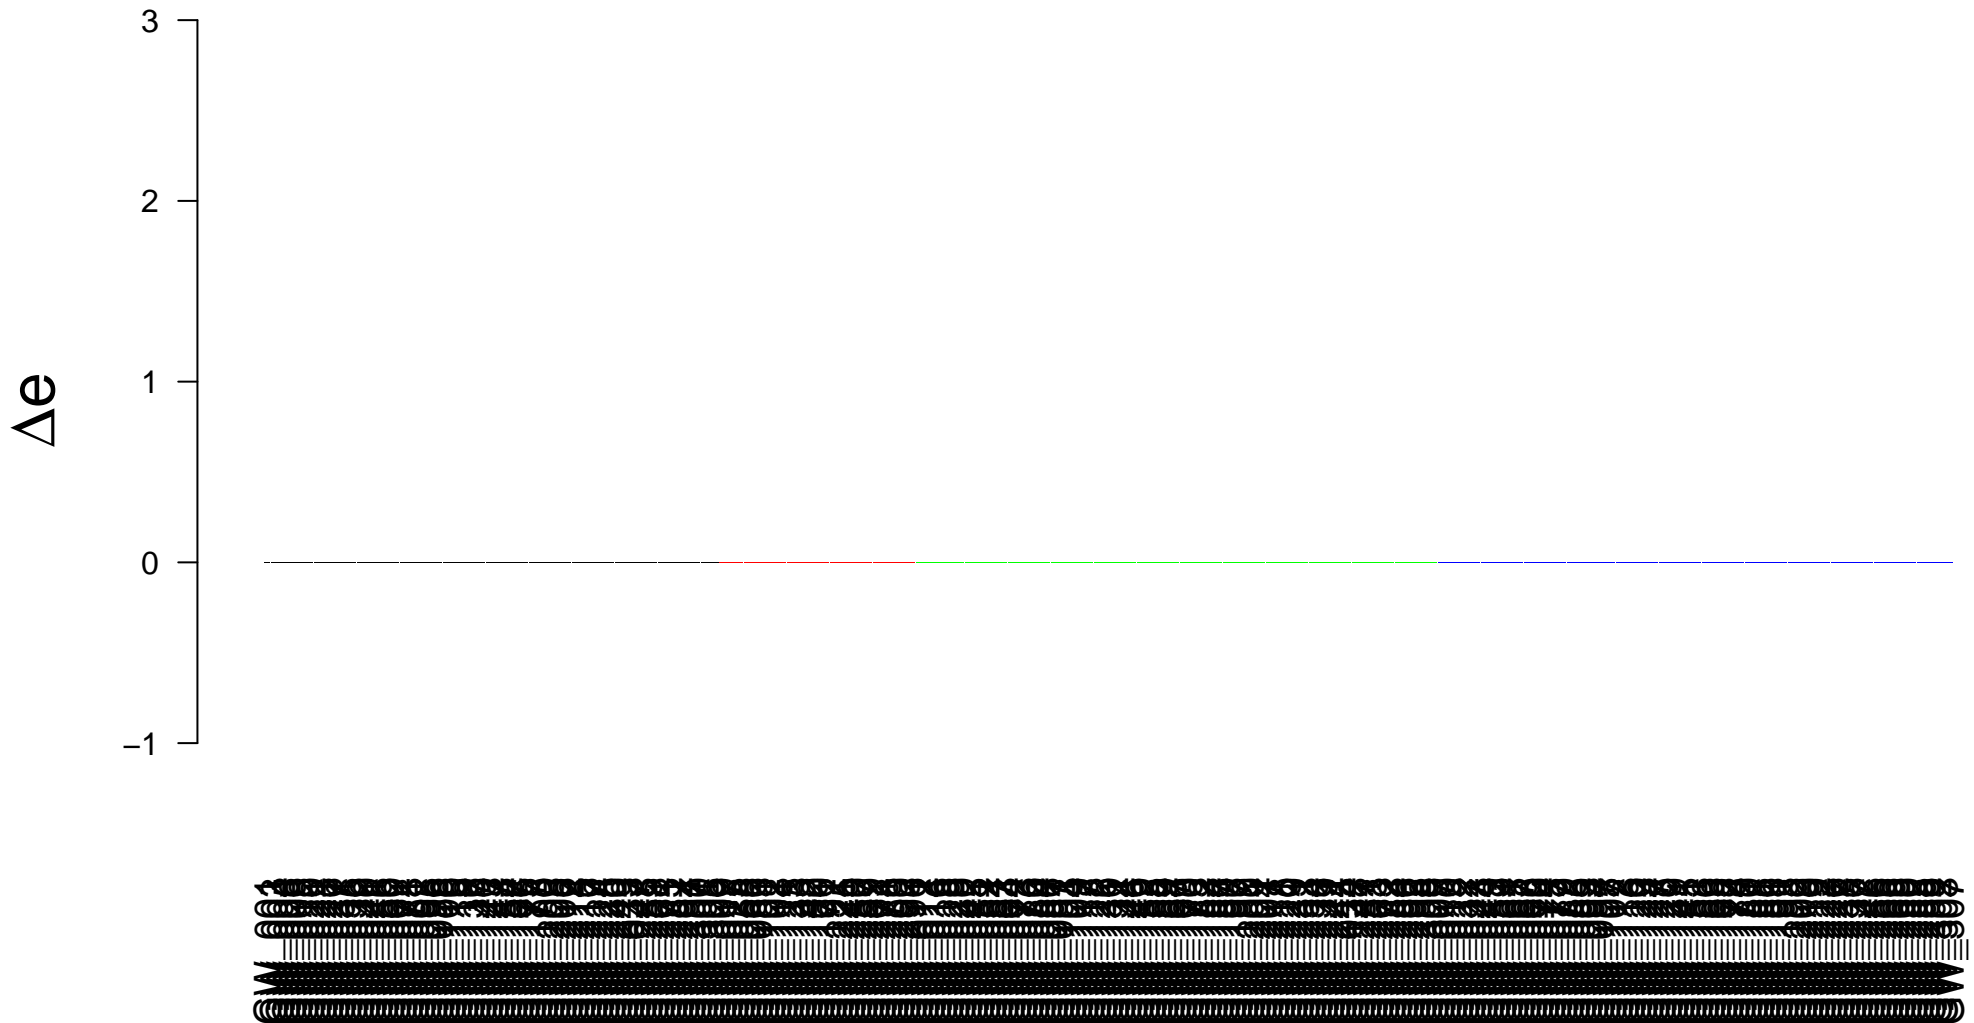

# Expression of triglyceride lipase activity in Spot B

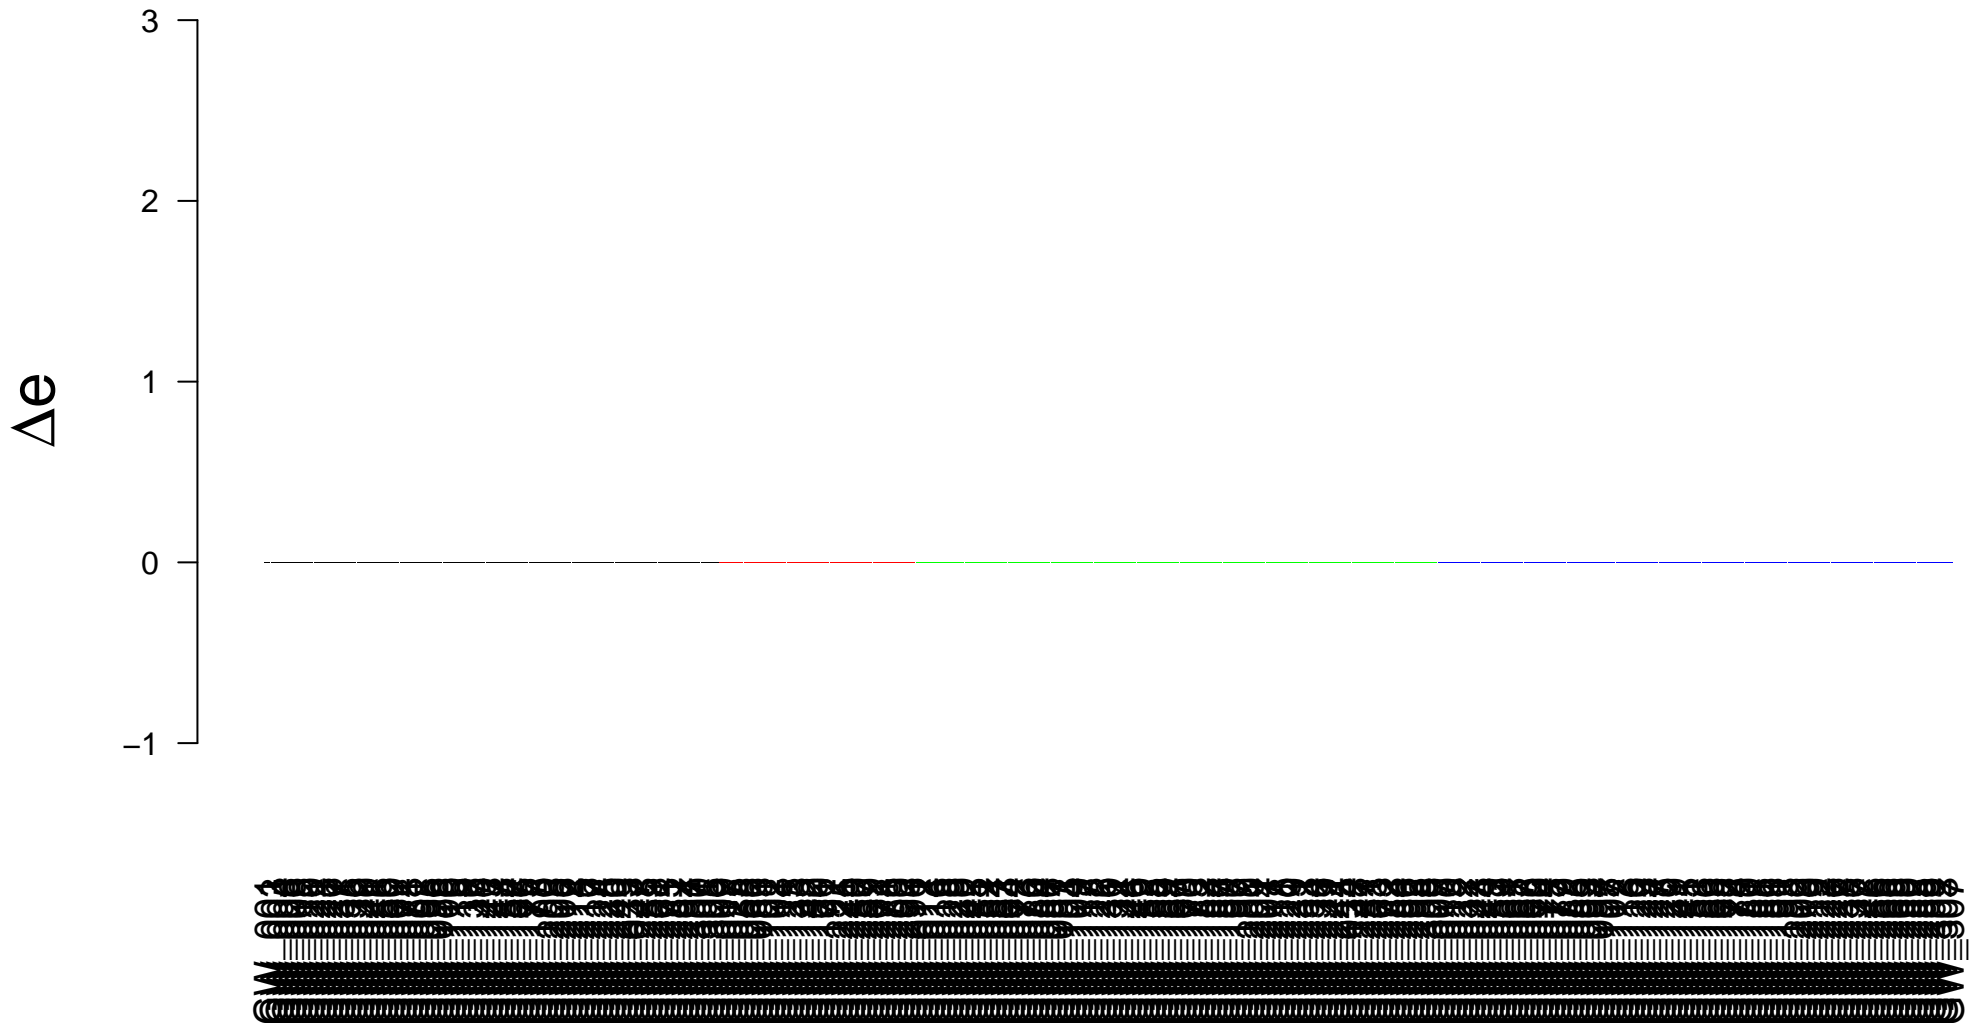

# Expression of triglyceride lipase activity in Spot C

# Expression of triglyceride lipase activity in Spot D

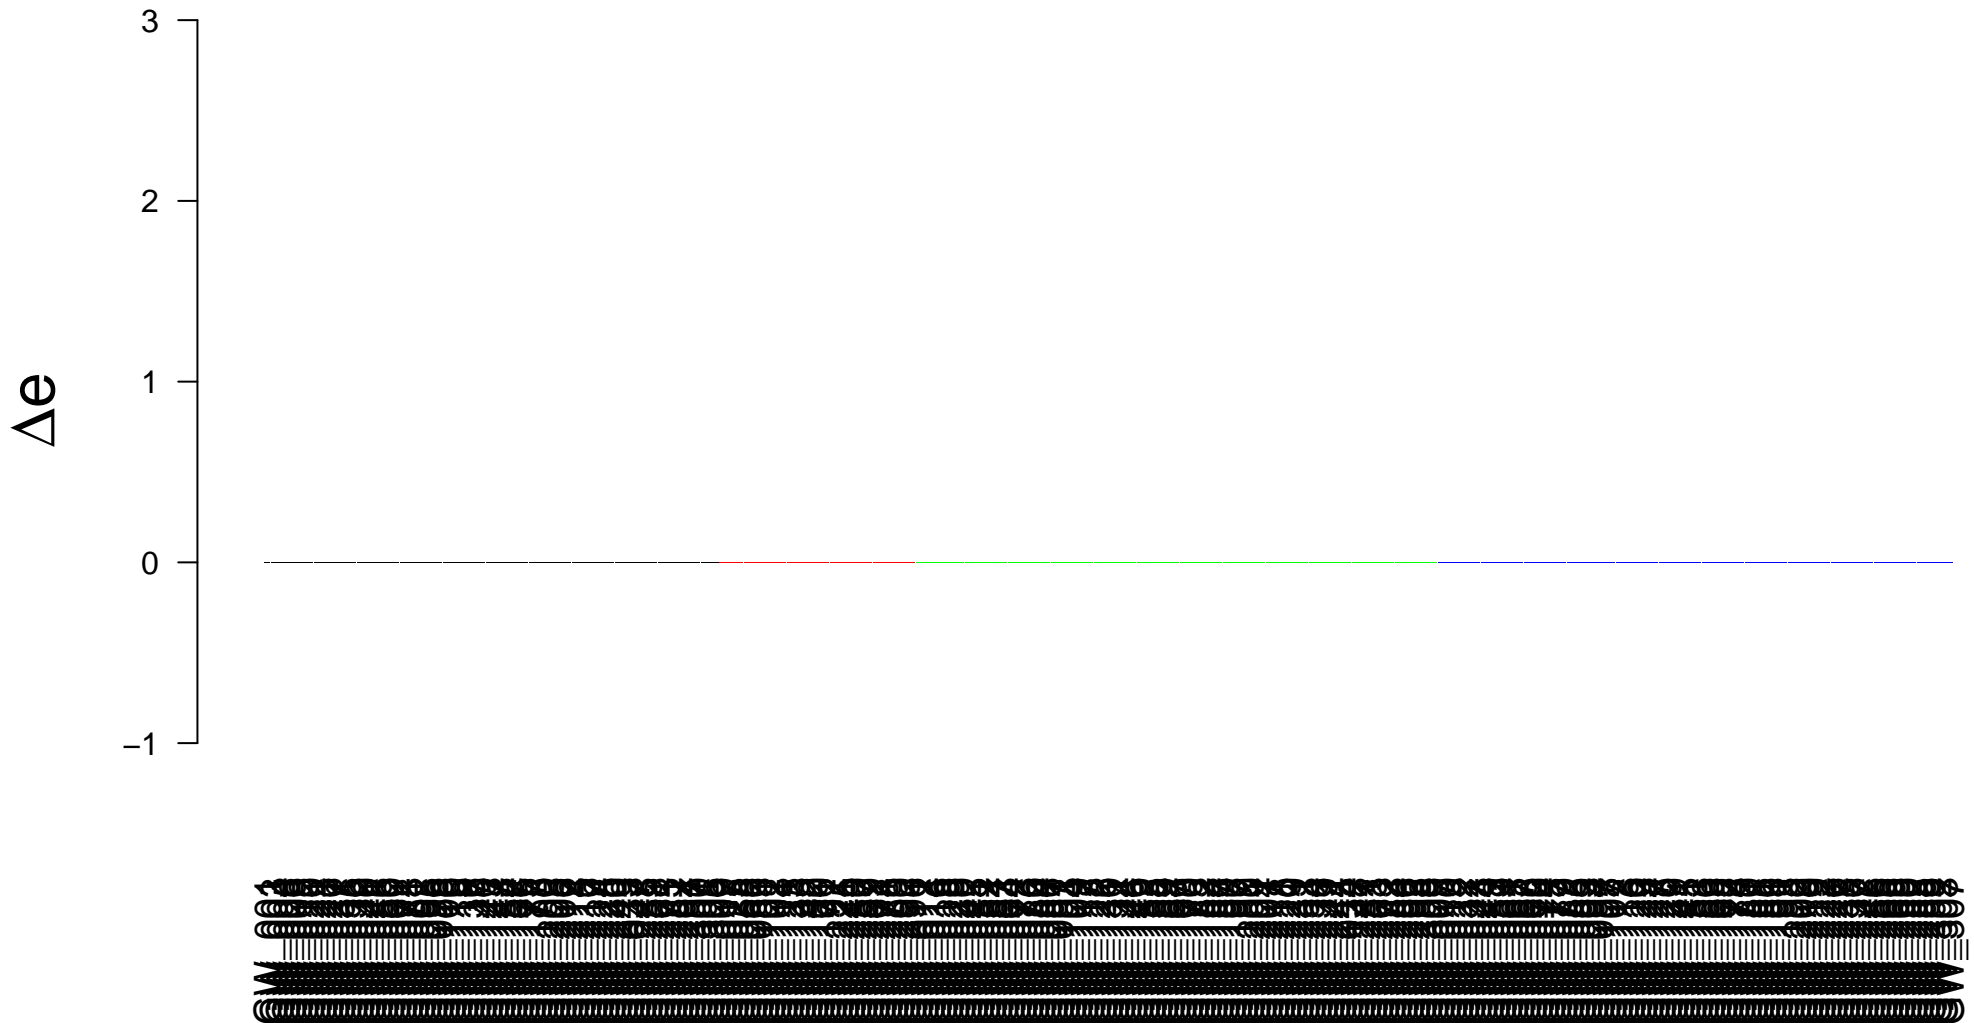

# Expression of triglyceride lipase activity in Spot E

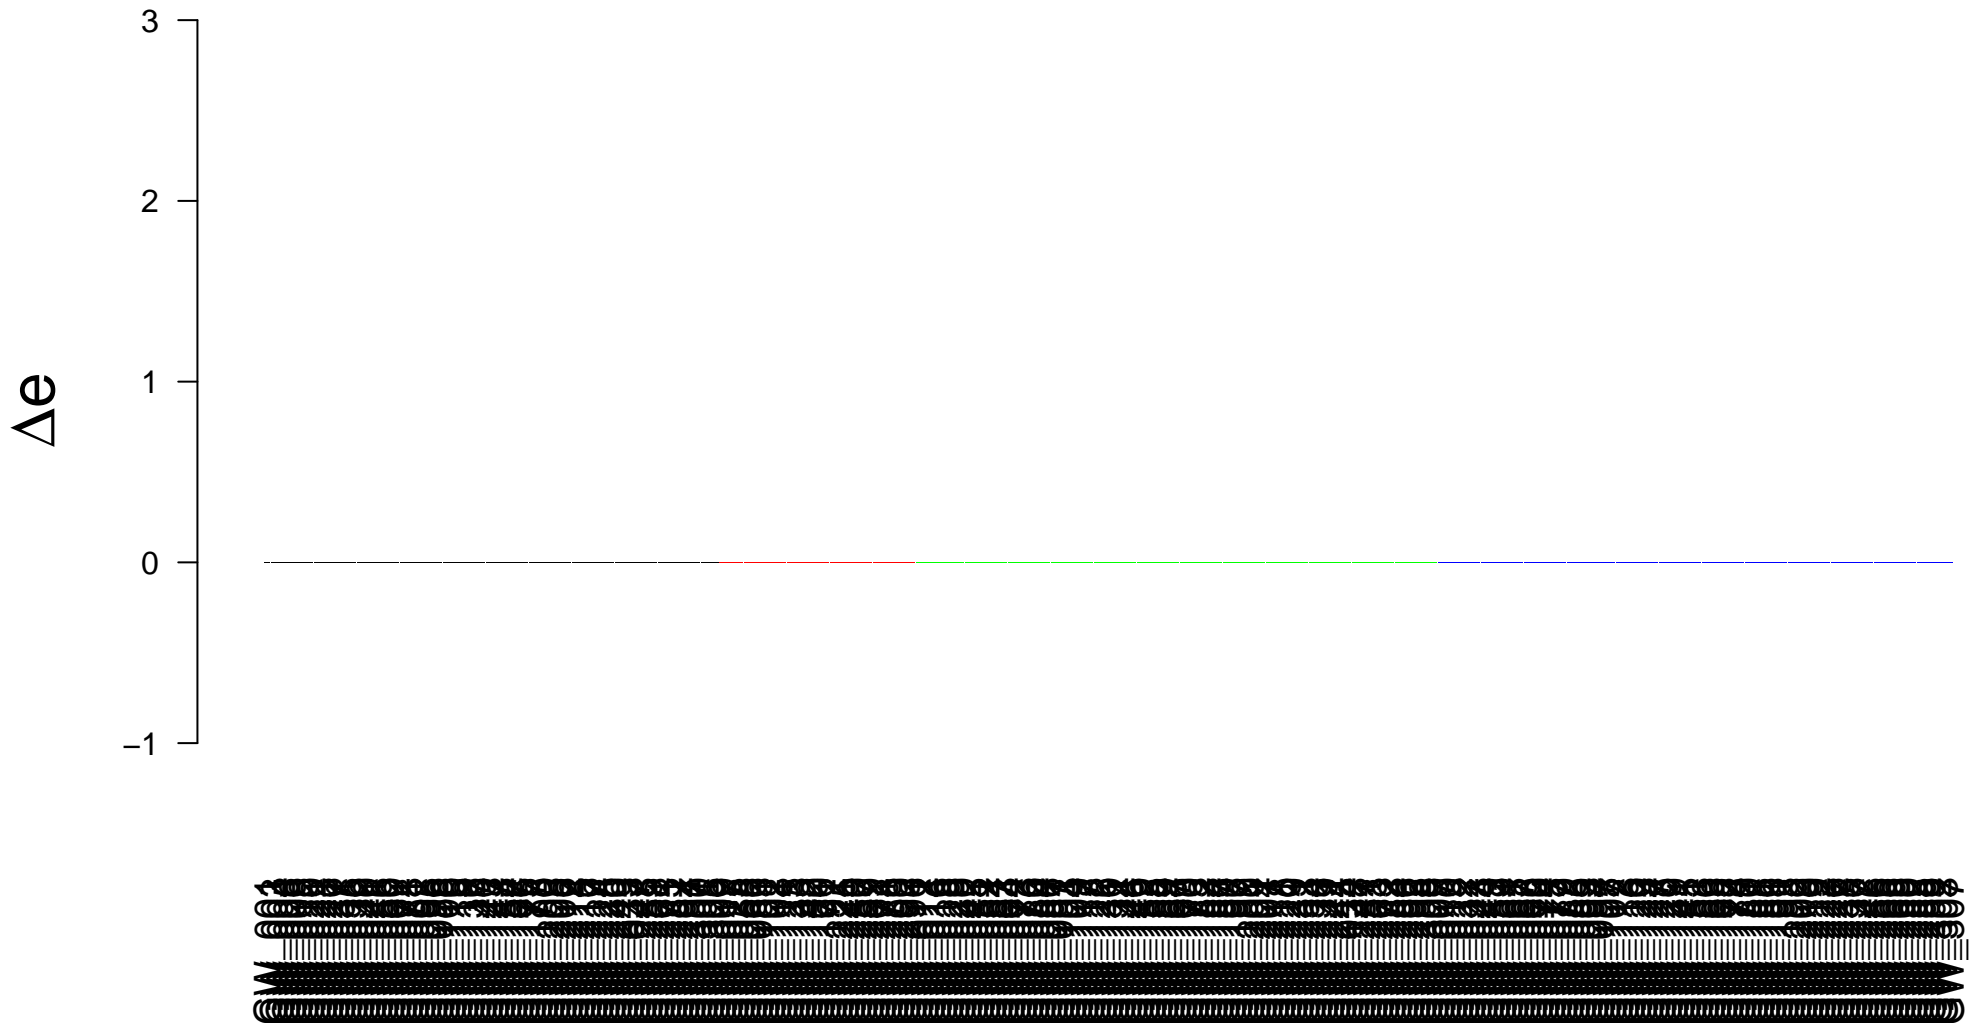

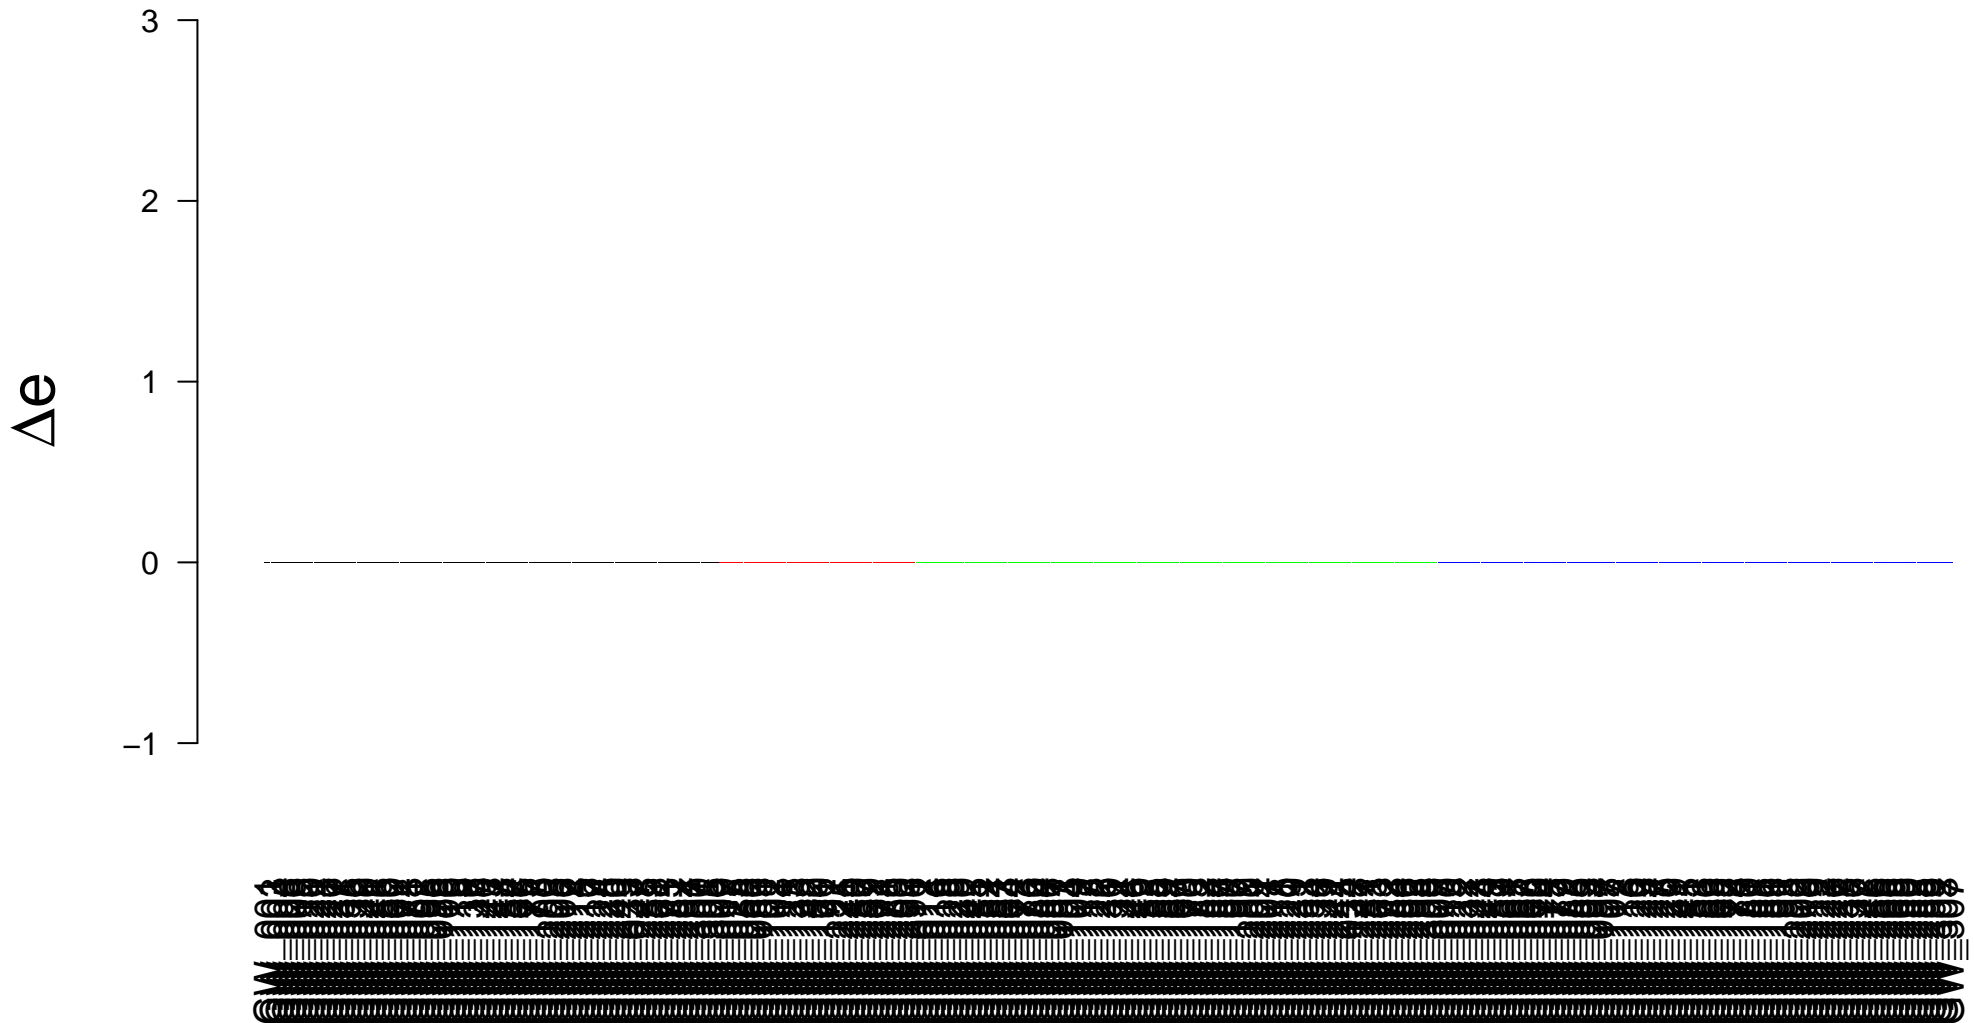

# Expression of triglyceride lipase activity in Spot F

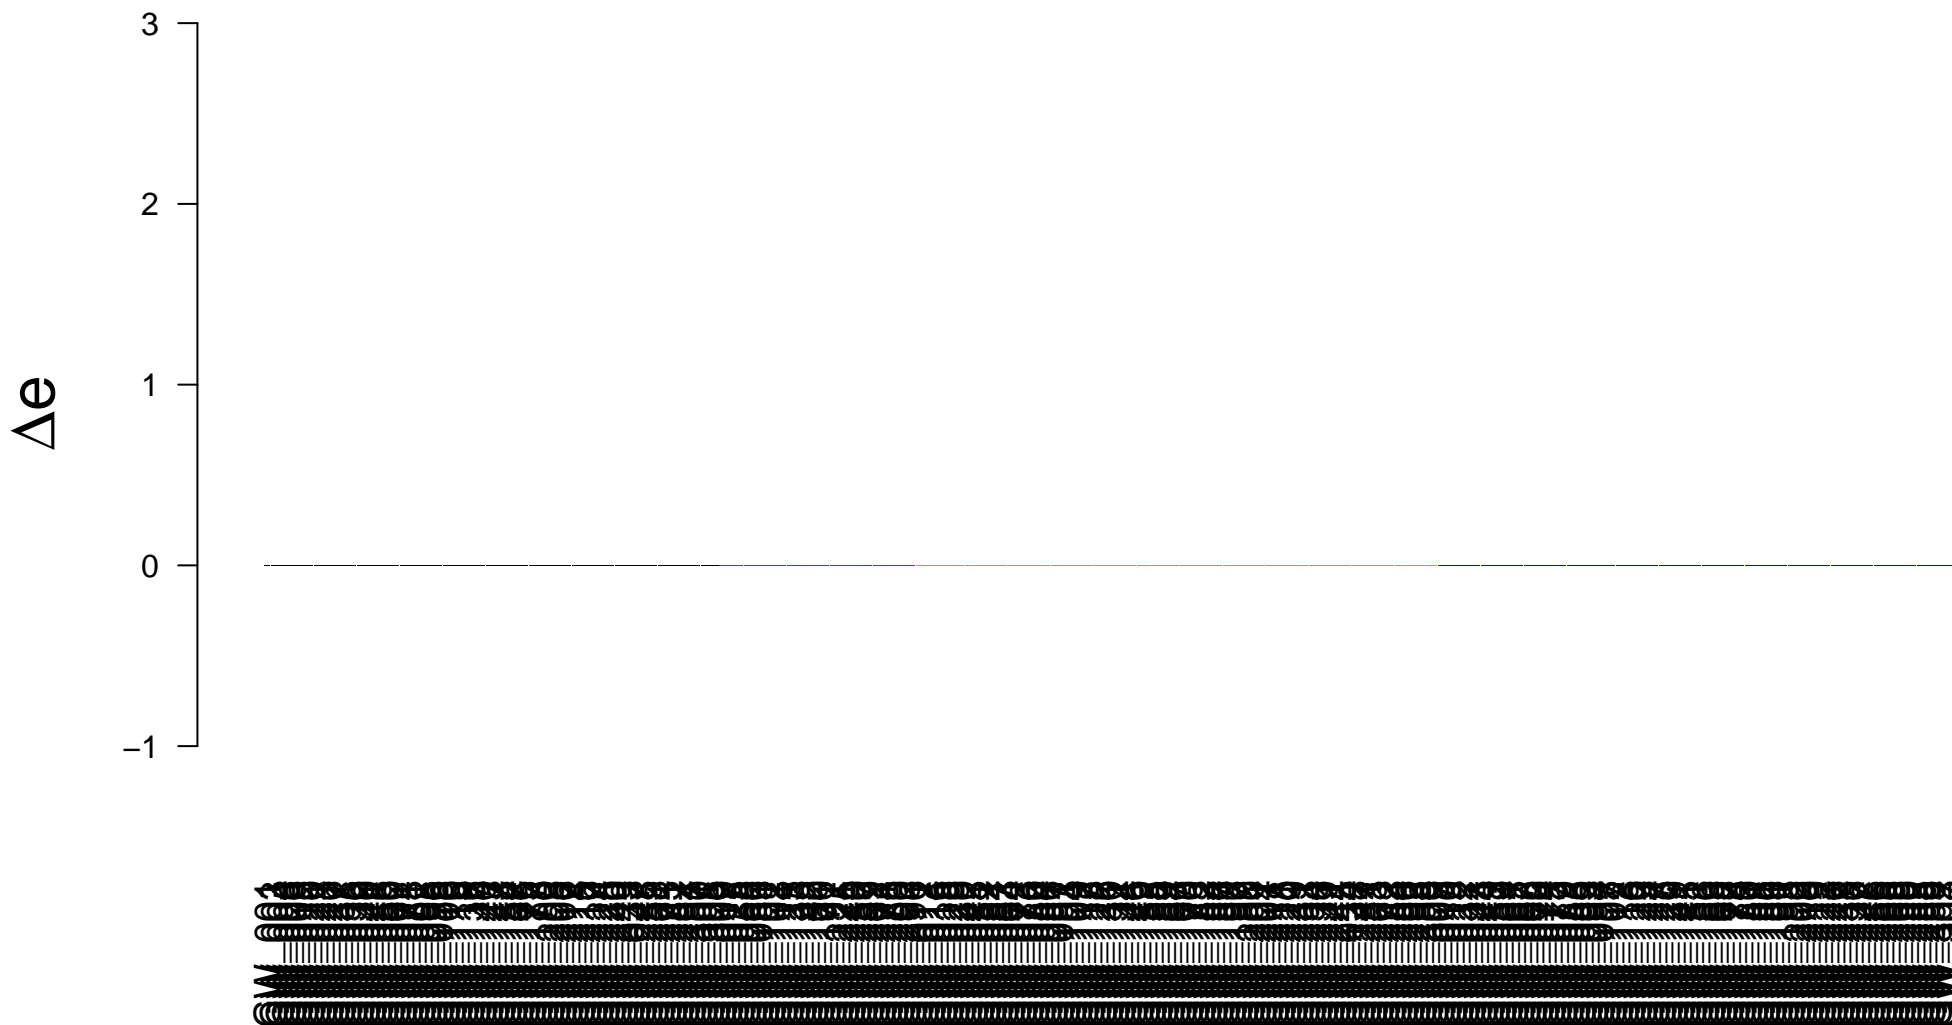

# Expression of triglyceride lipase activity in Spot G

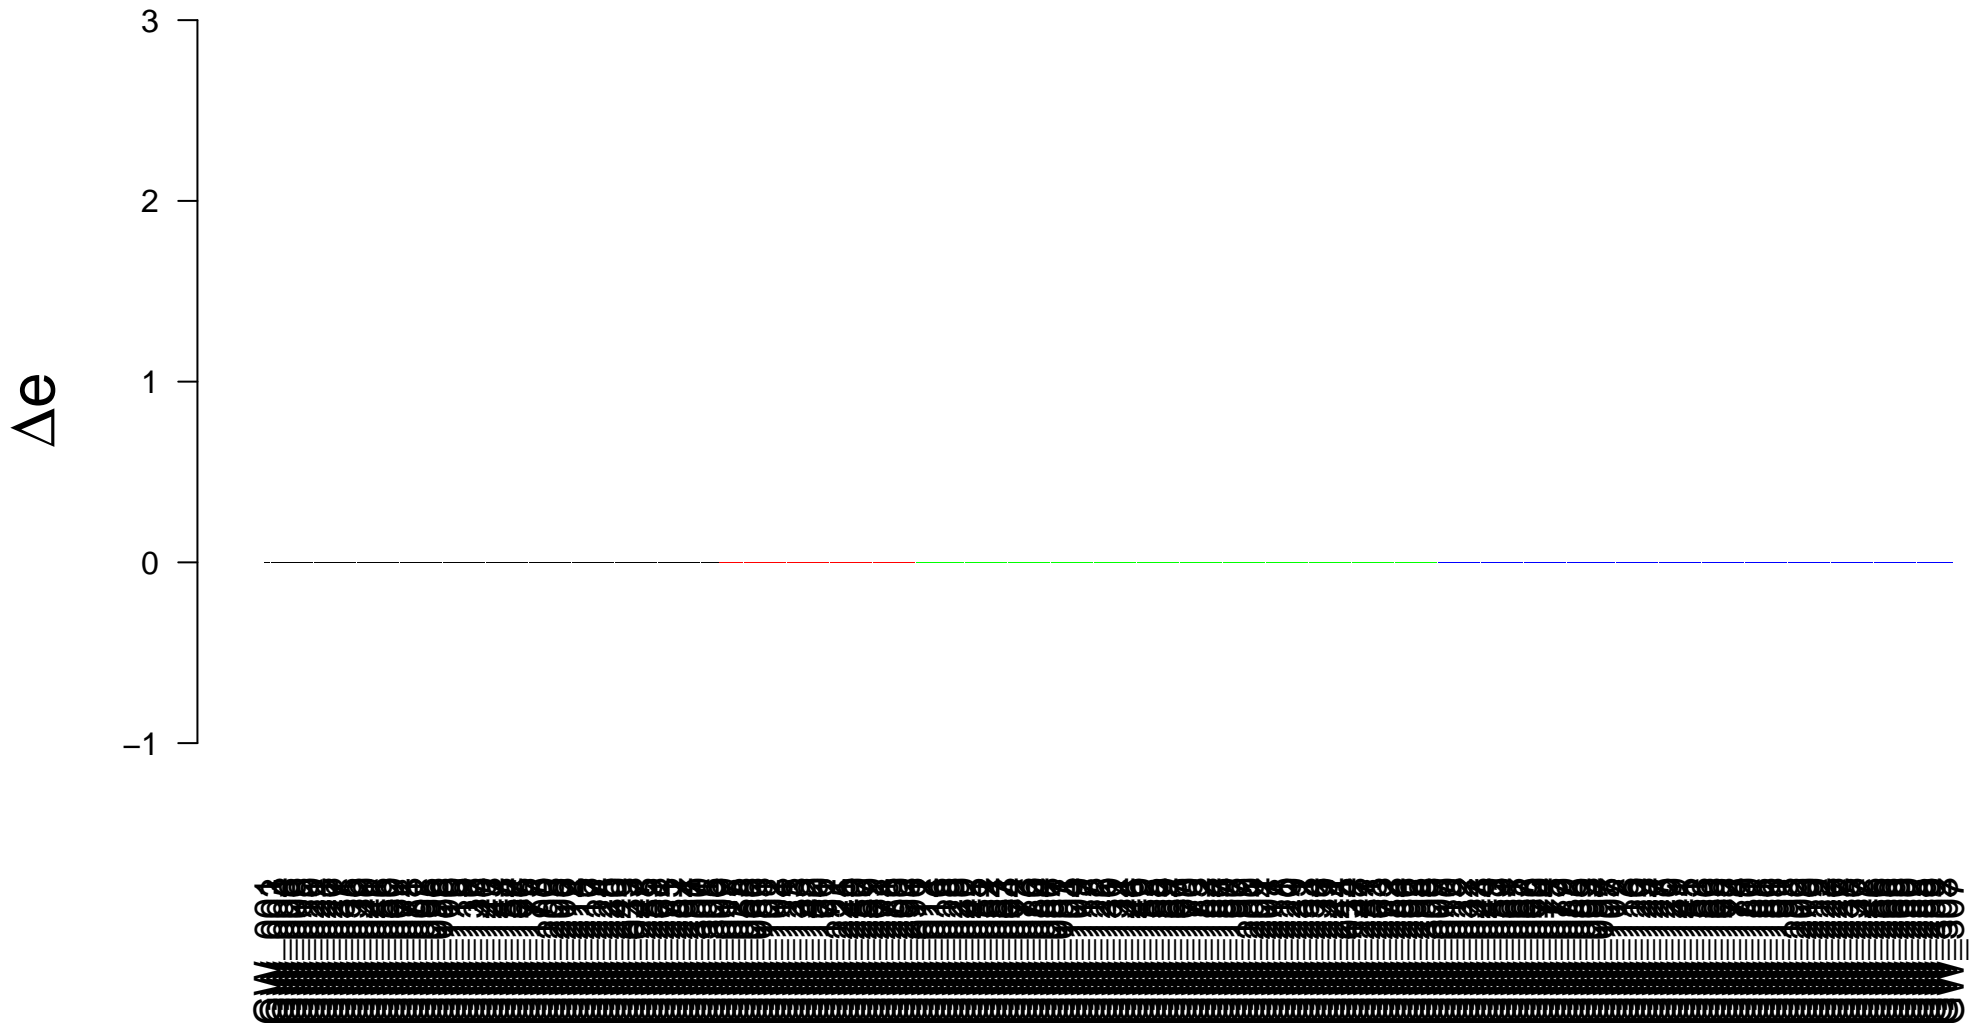

# Expression of triglyceride lipase activity in Spot H

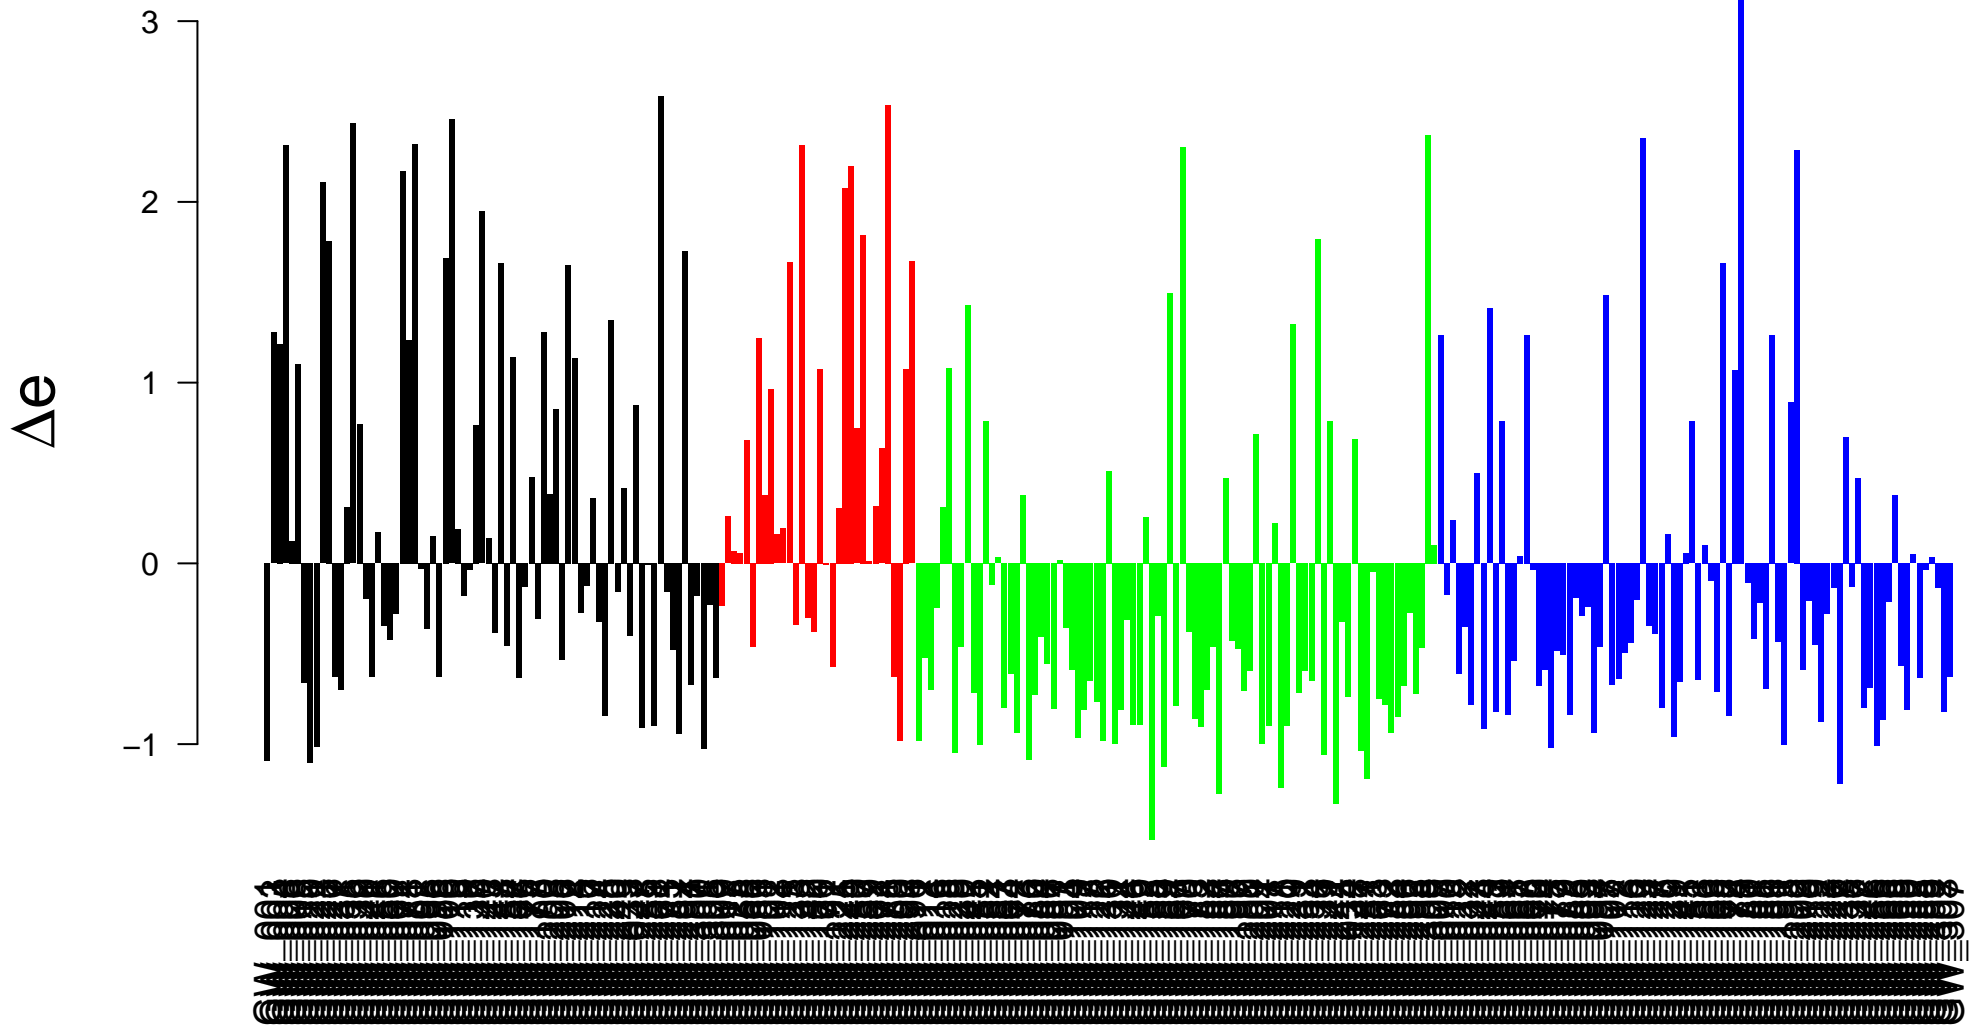

# Expression of triglyceride lipase activity in Spot I

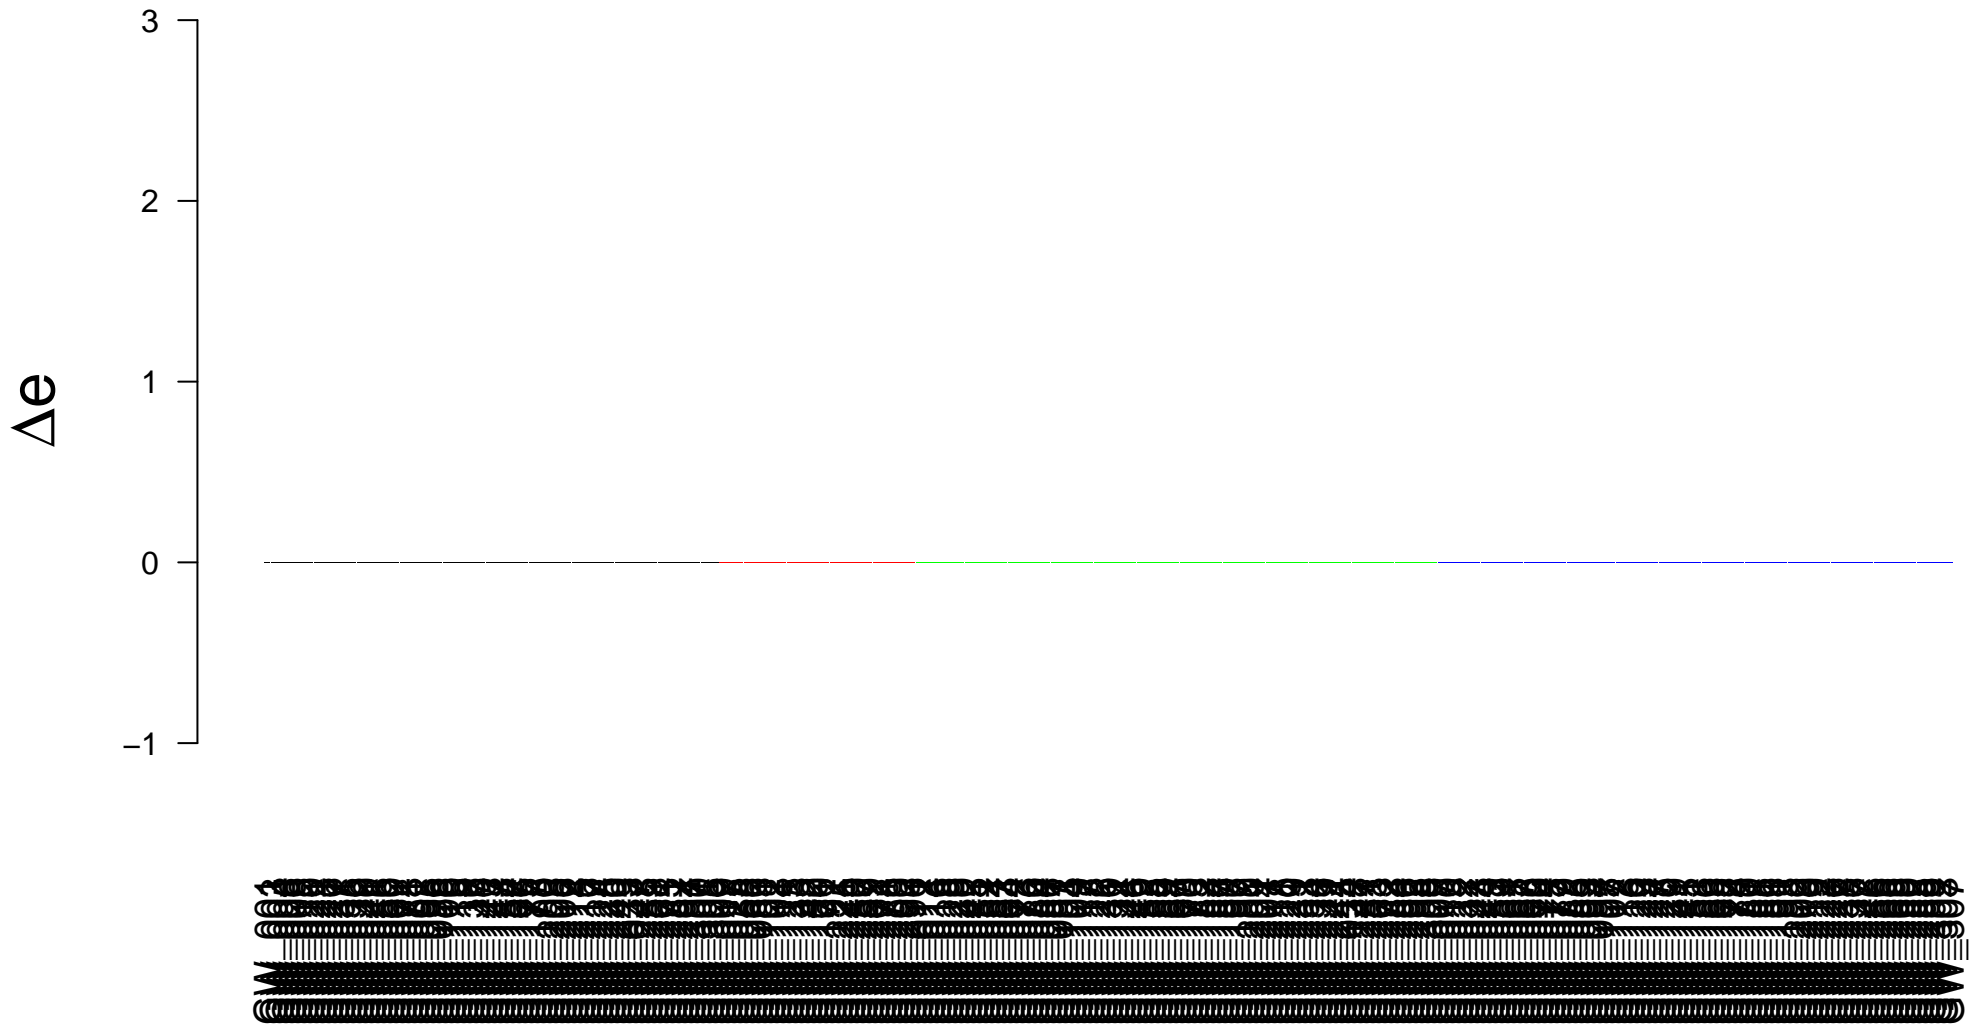

# Expression of triglyceride lipase activity in Spot J

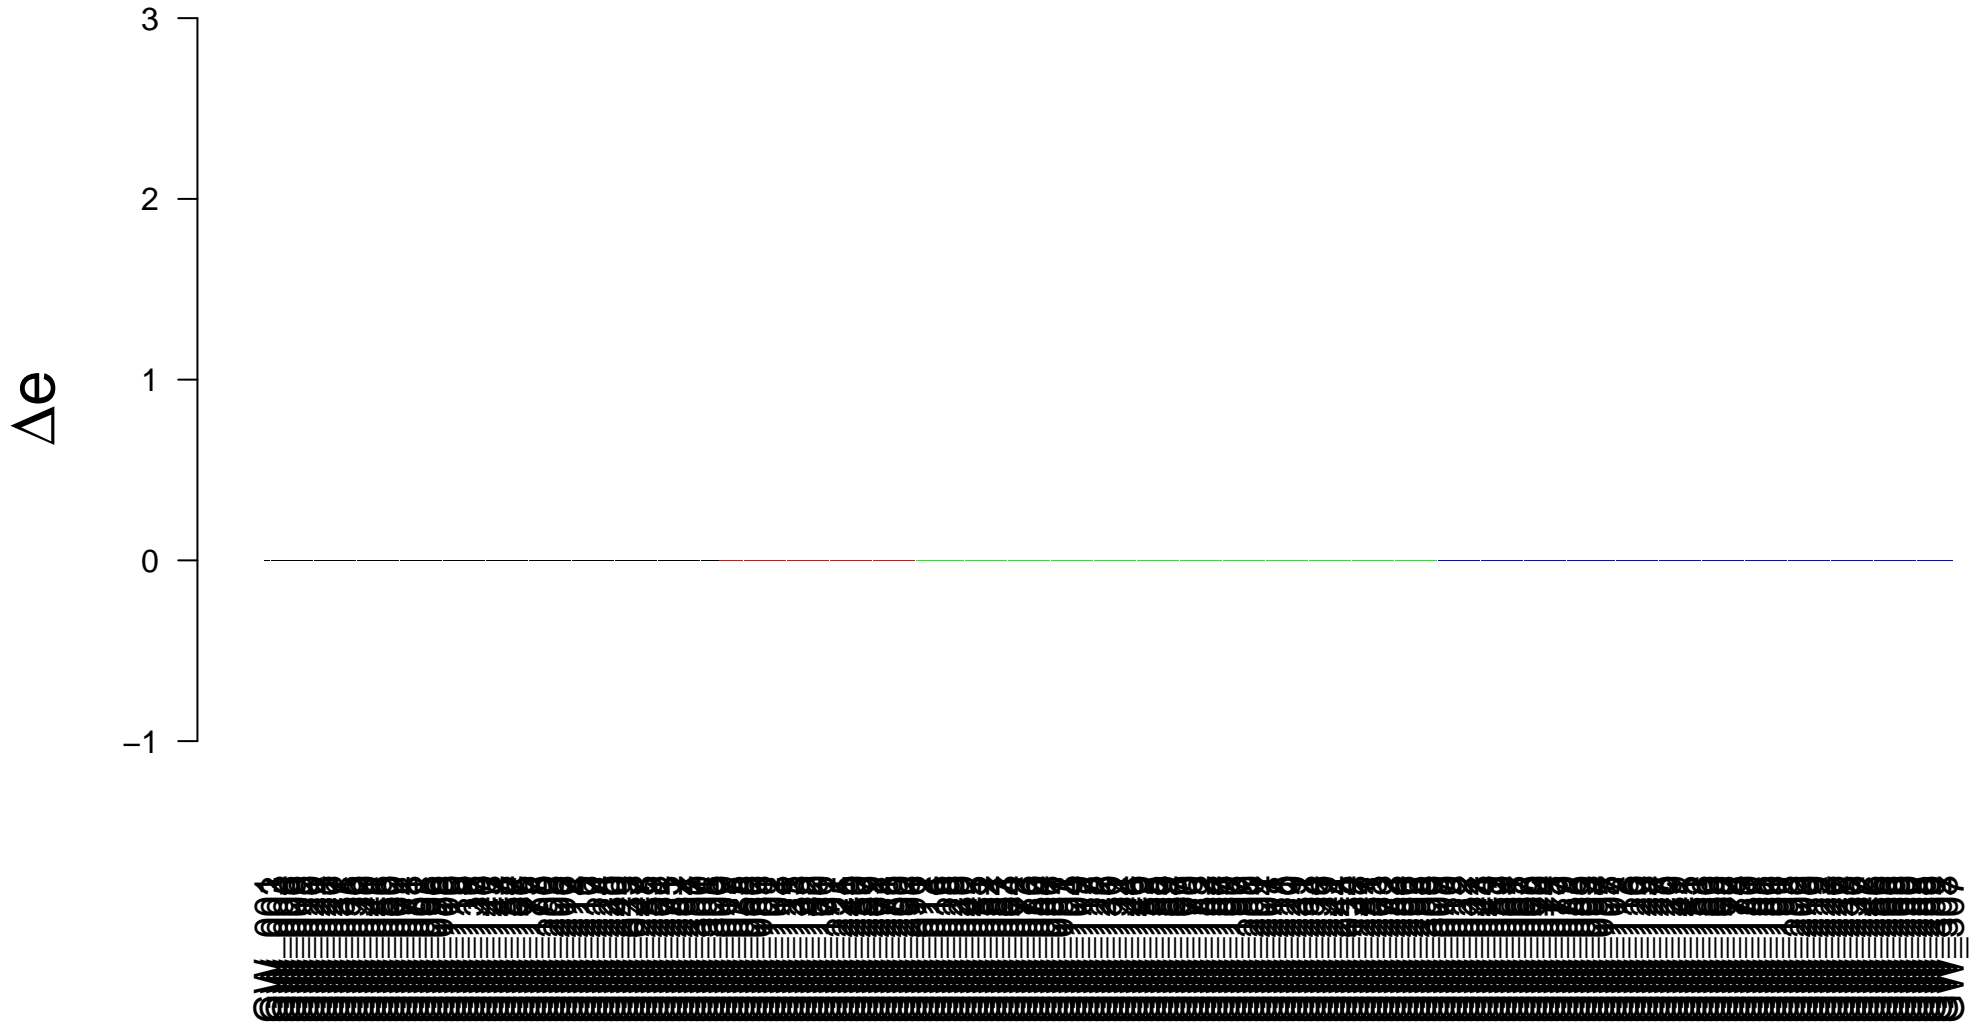

# Expression of triglyceride lipase activity in Spot K

# Expression of triglyceride lipase activity in Spot L

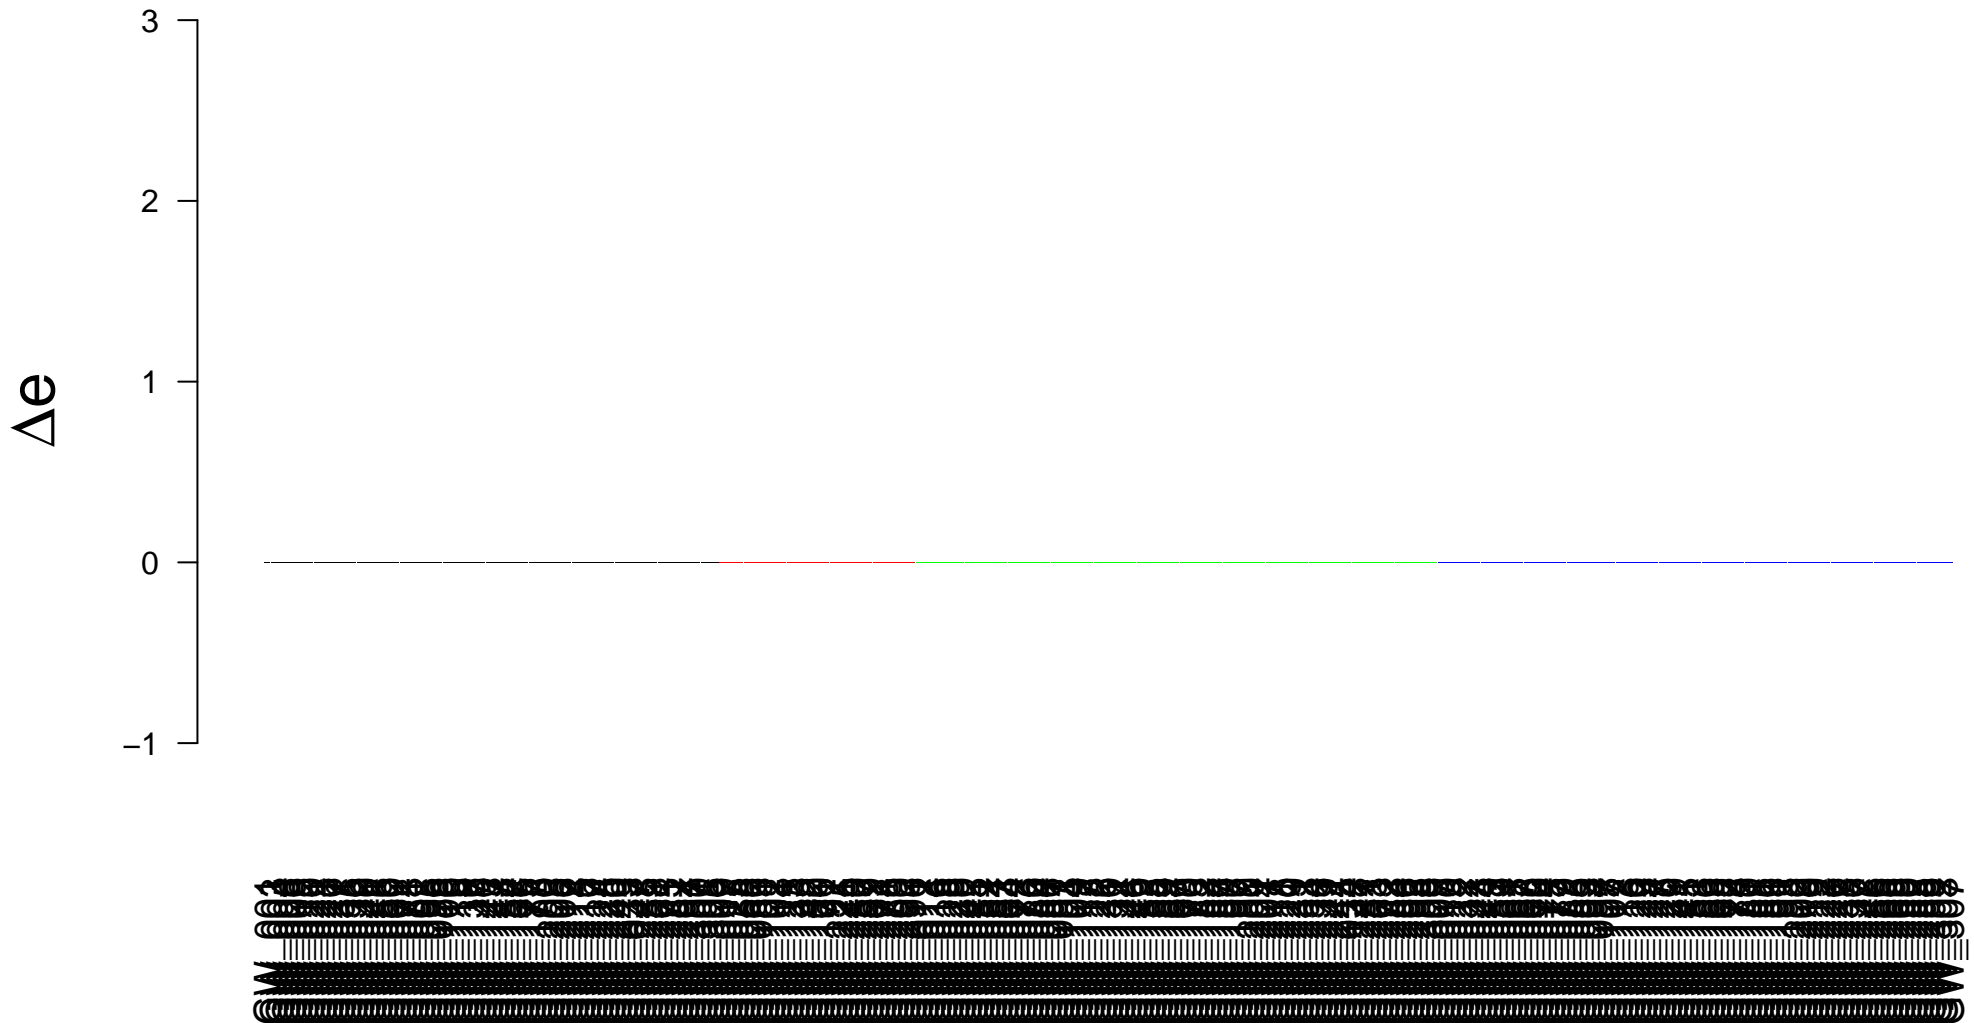

# Expression of triglyceride lipase activity in Spot M

# Expression of triglyceride lipase activity in Spot N

# Expression of triglyceride lipase activity in Spot O
