

trophoblast giant cell differentiation

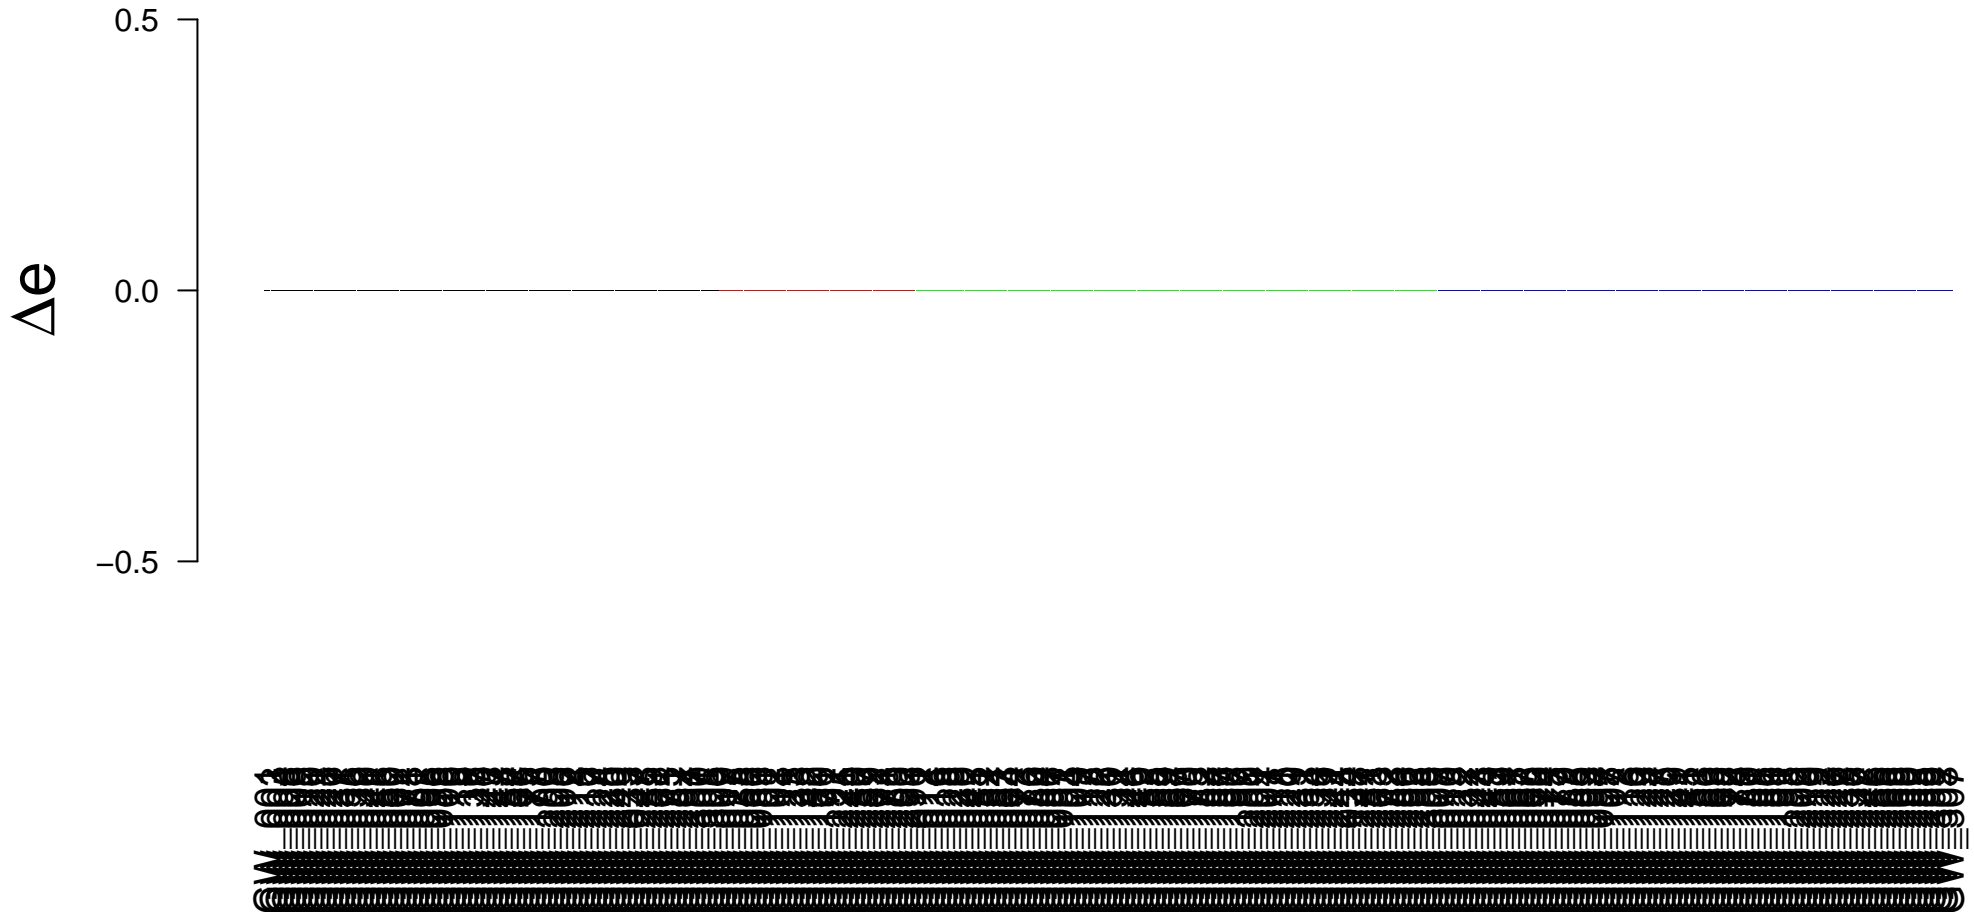

trophoblast giant cell differentiation

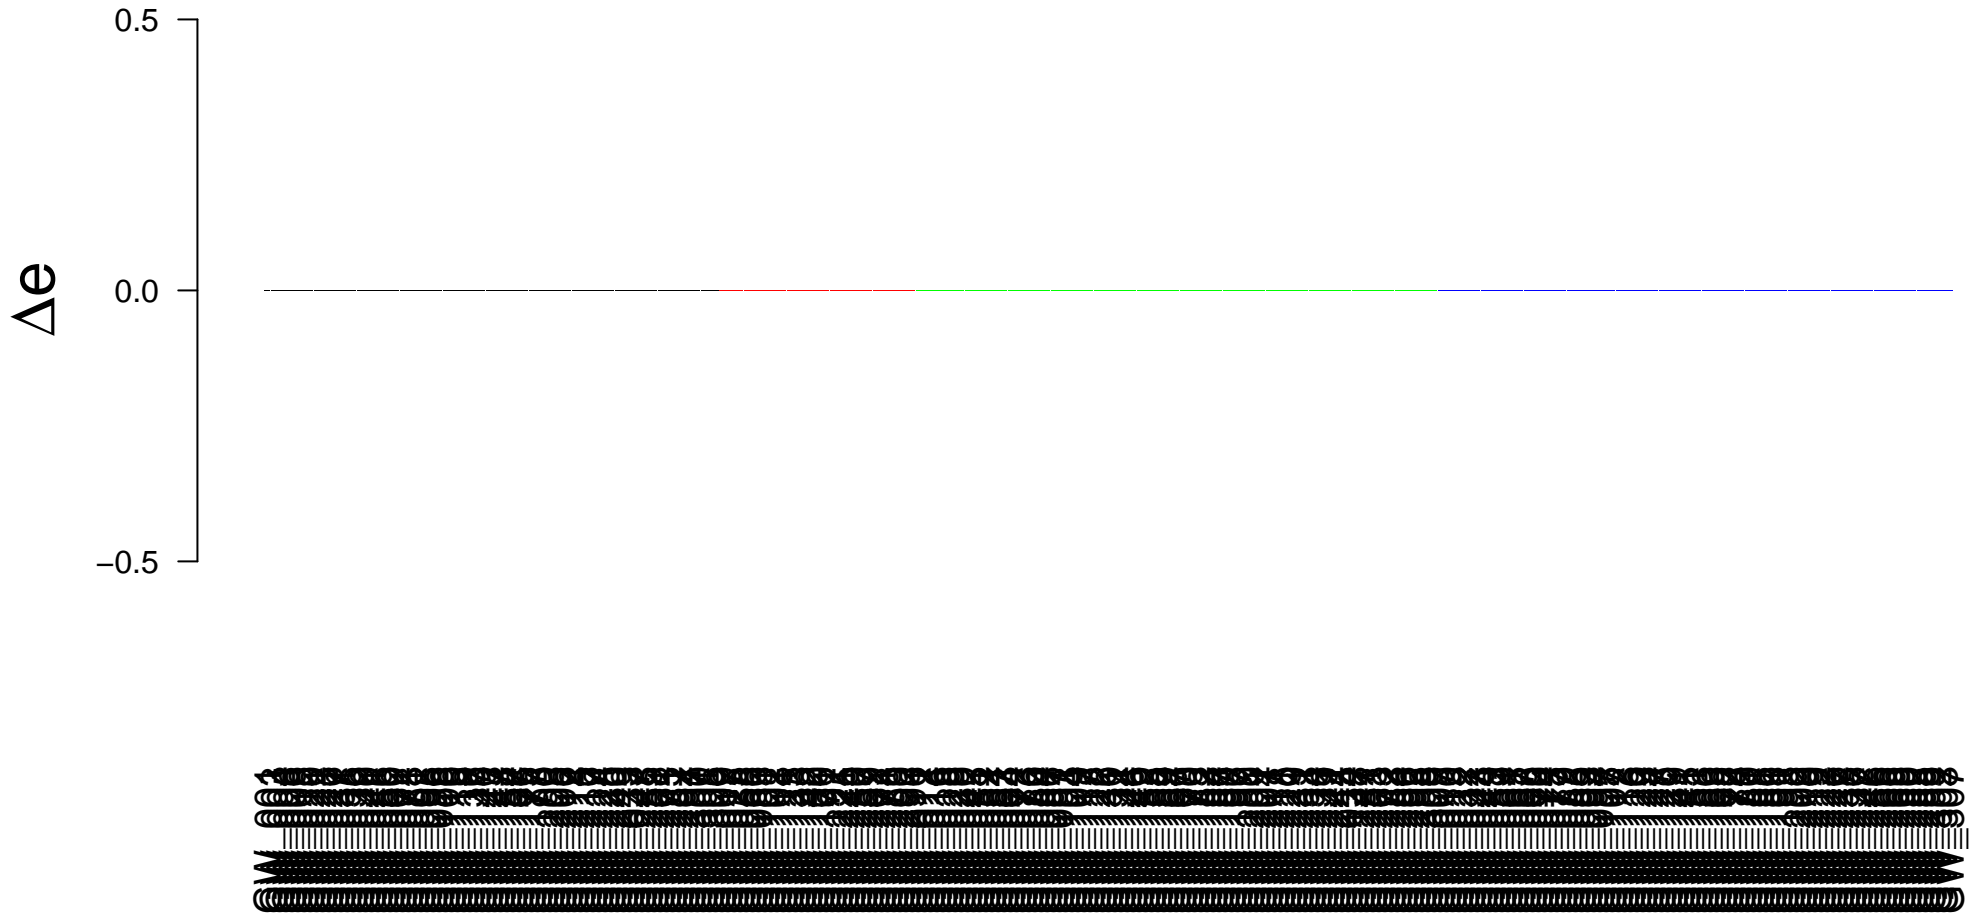

Enrichment in spots: trophoblast giant cell differentiation

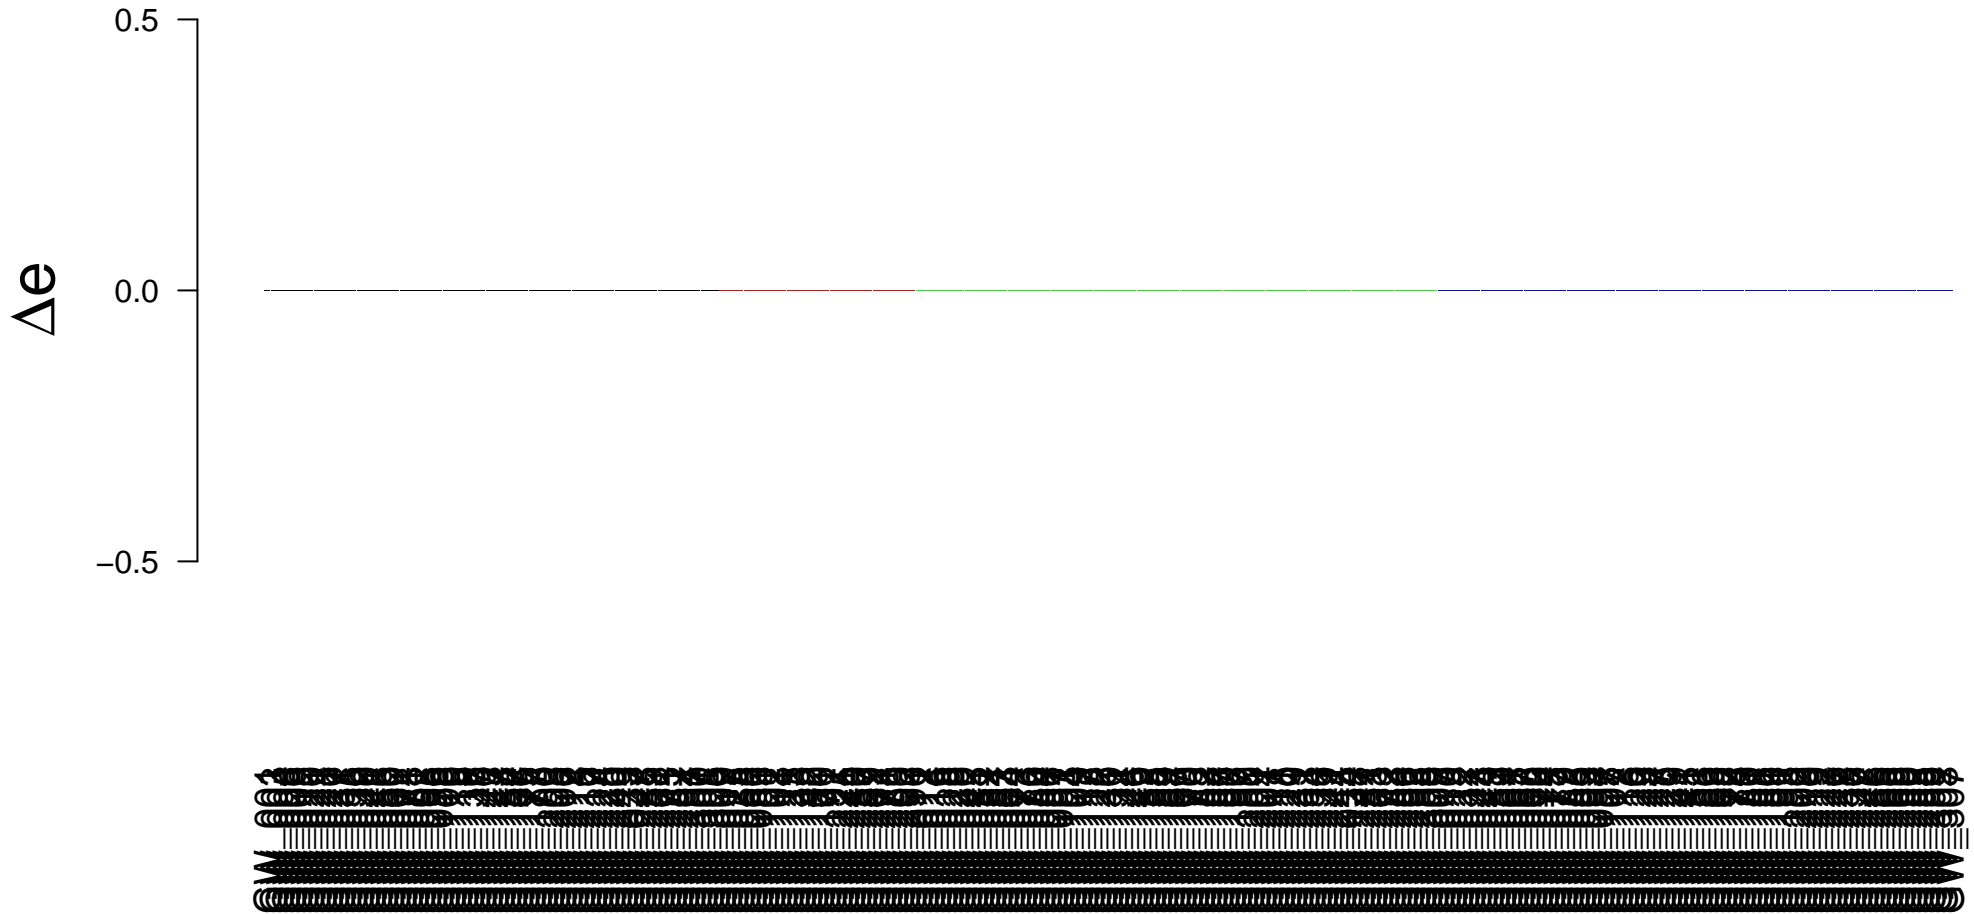

Expression of trophoblast giant cell differentiation in Spot A

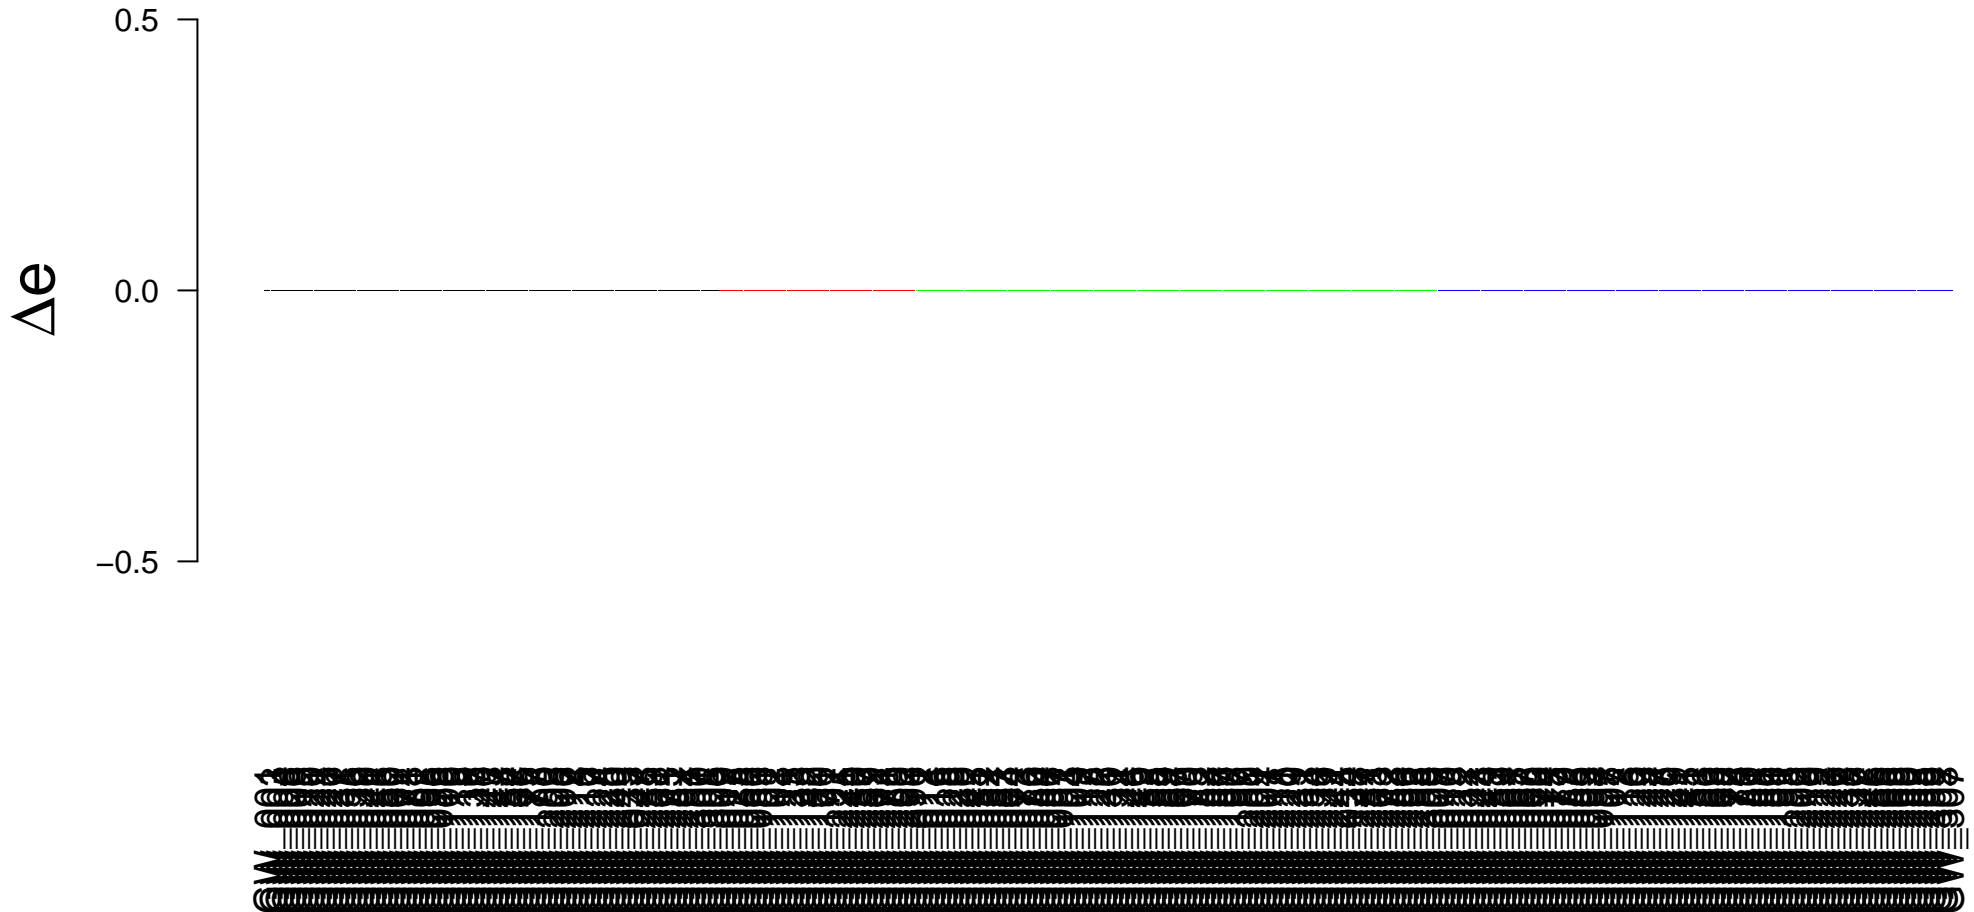

Expression of trophoblast giant cell differentiation in Spot B

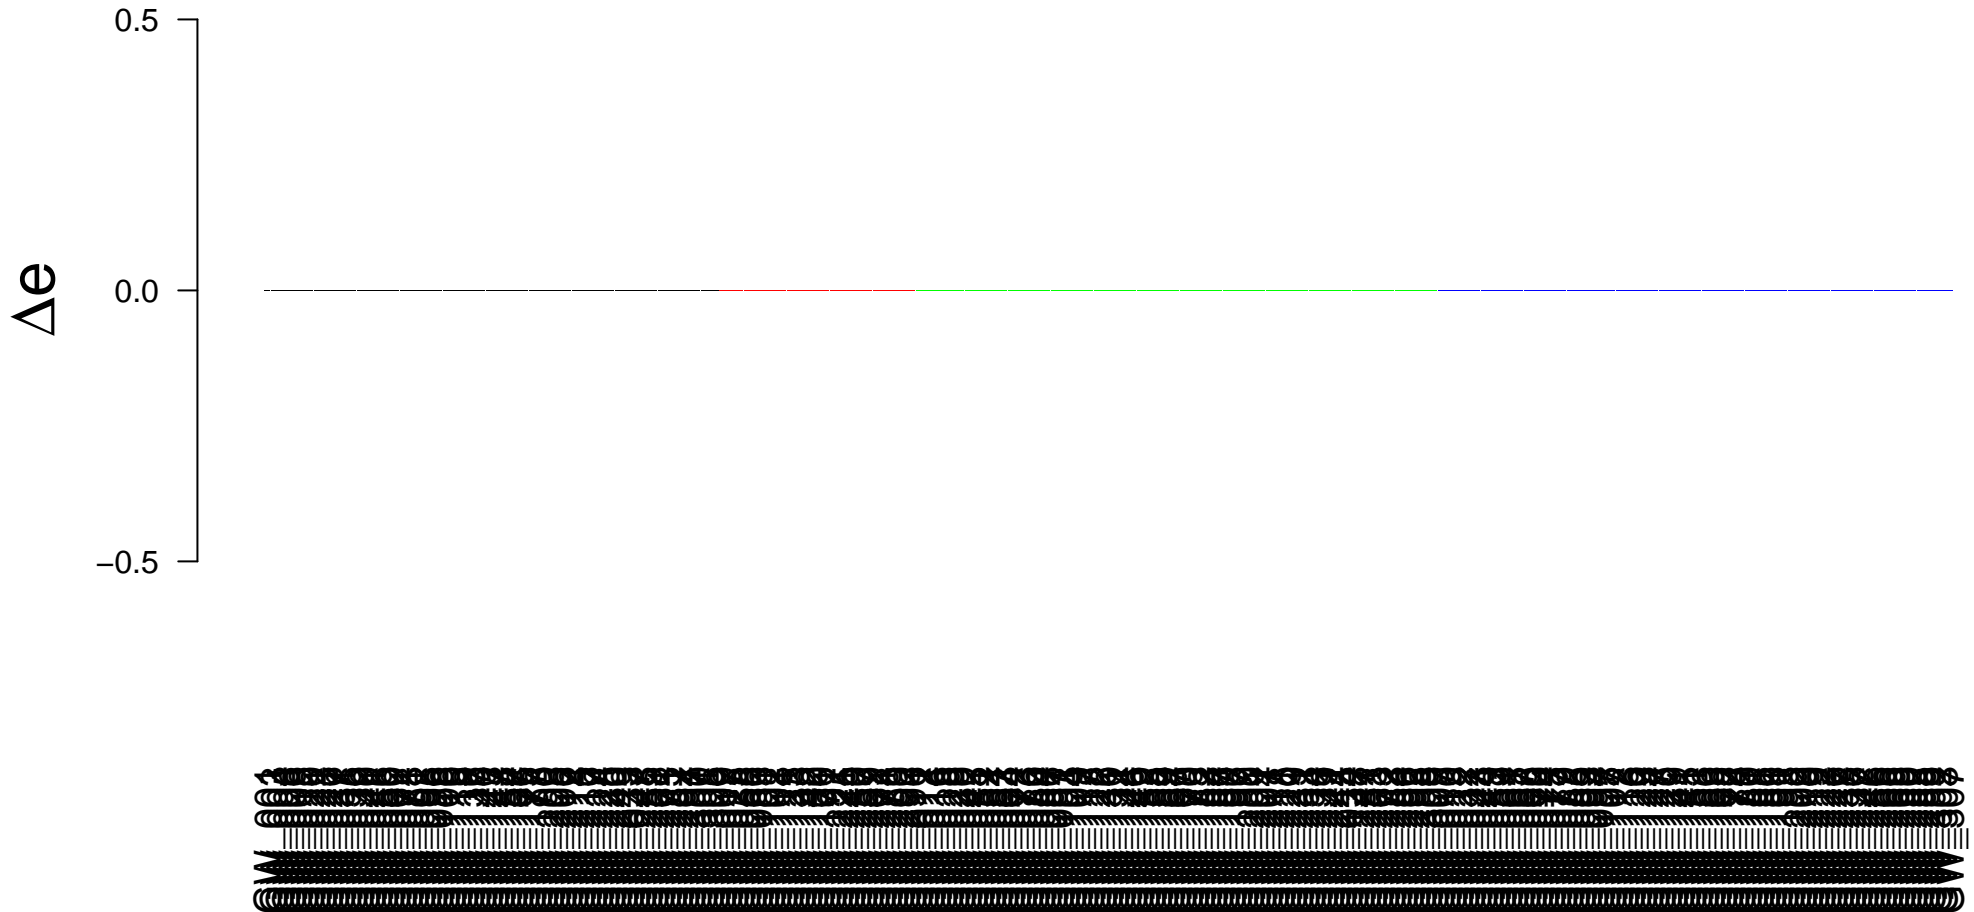

Expression of trophoblast giant cell differentiation in Spot C

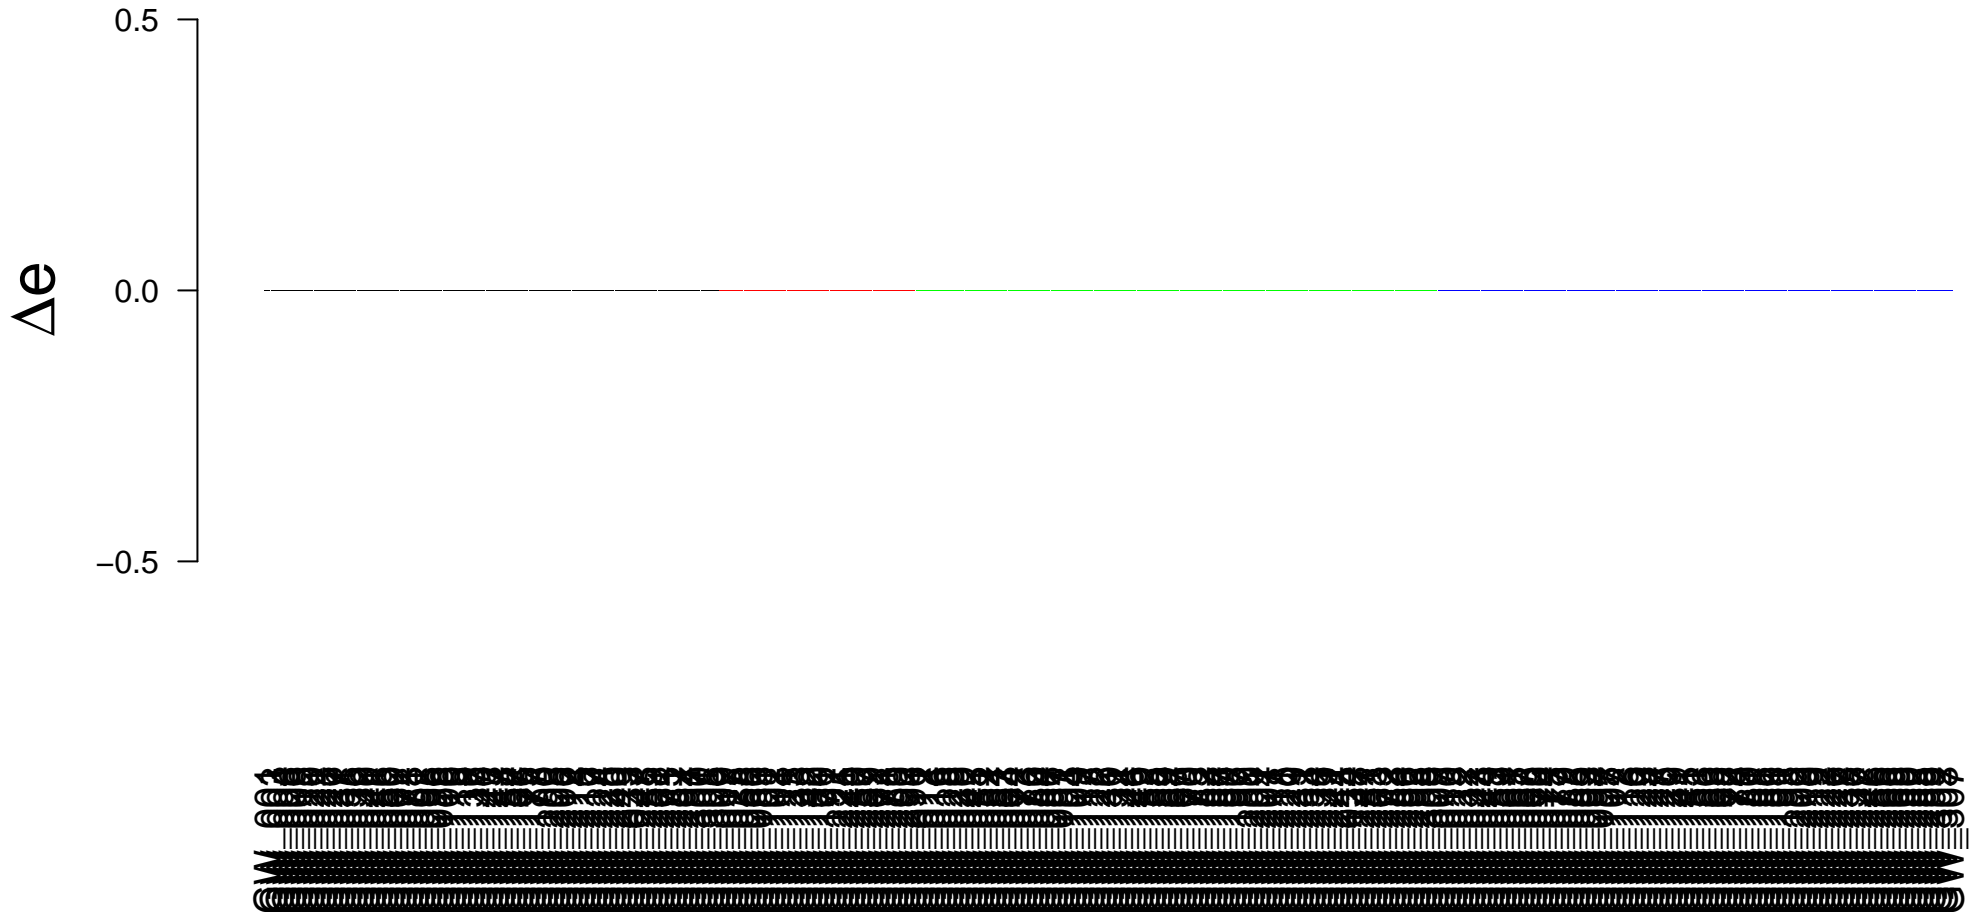

Expression of trophoblast giant cell differentiation in Spot D

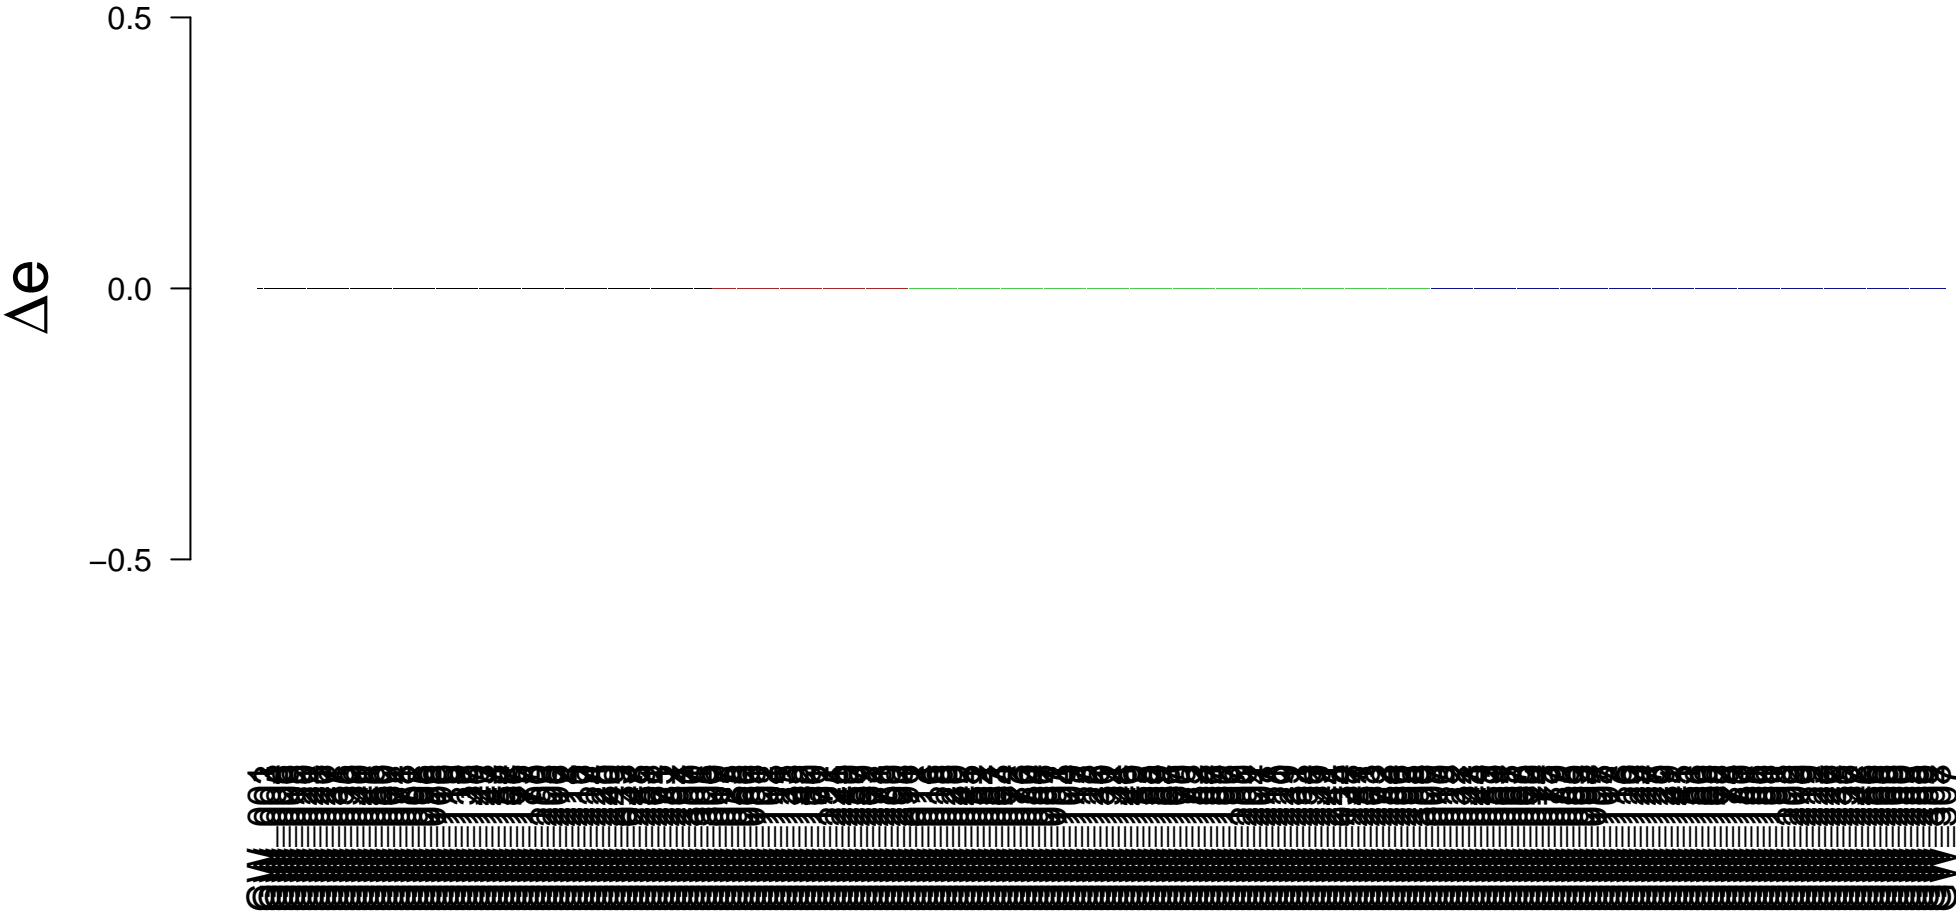

Expression of trophoblast giant cell differentiation in Spot E

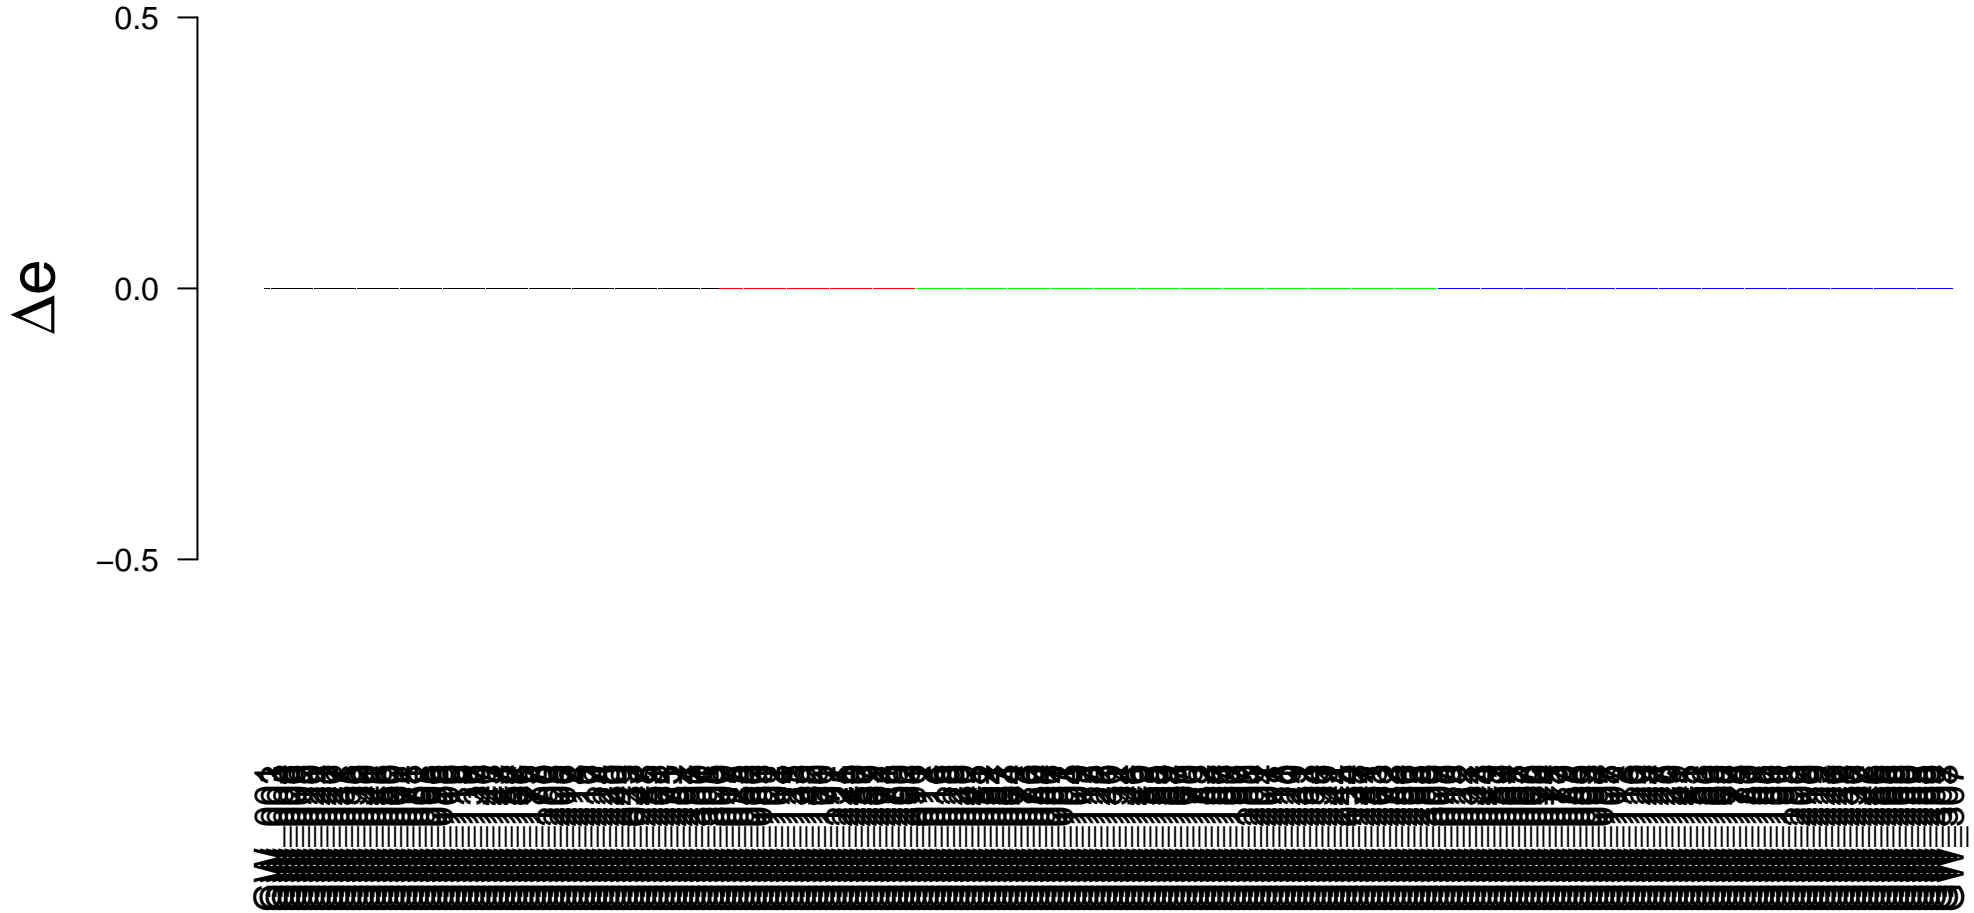

Expression of trophoblast giant cell differentiation in Spot F

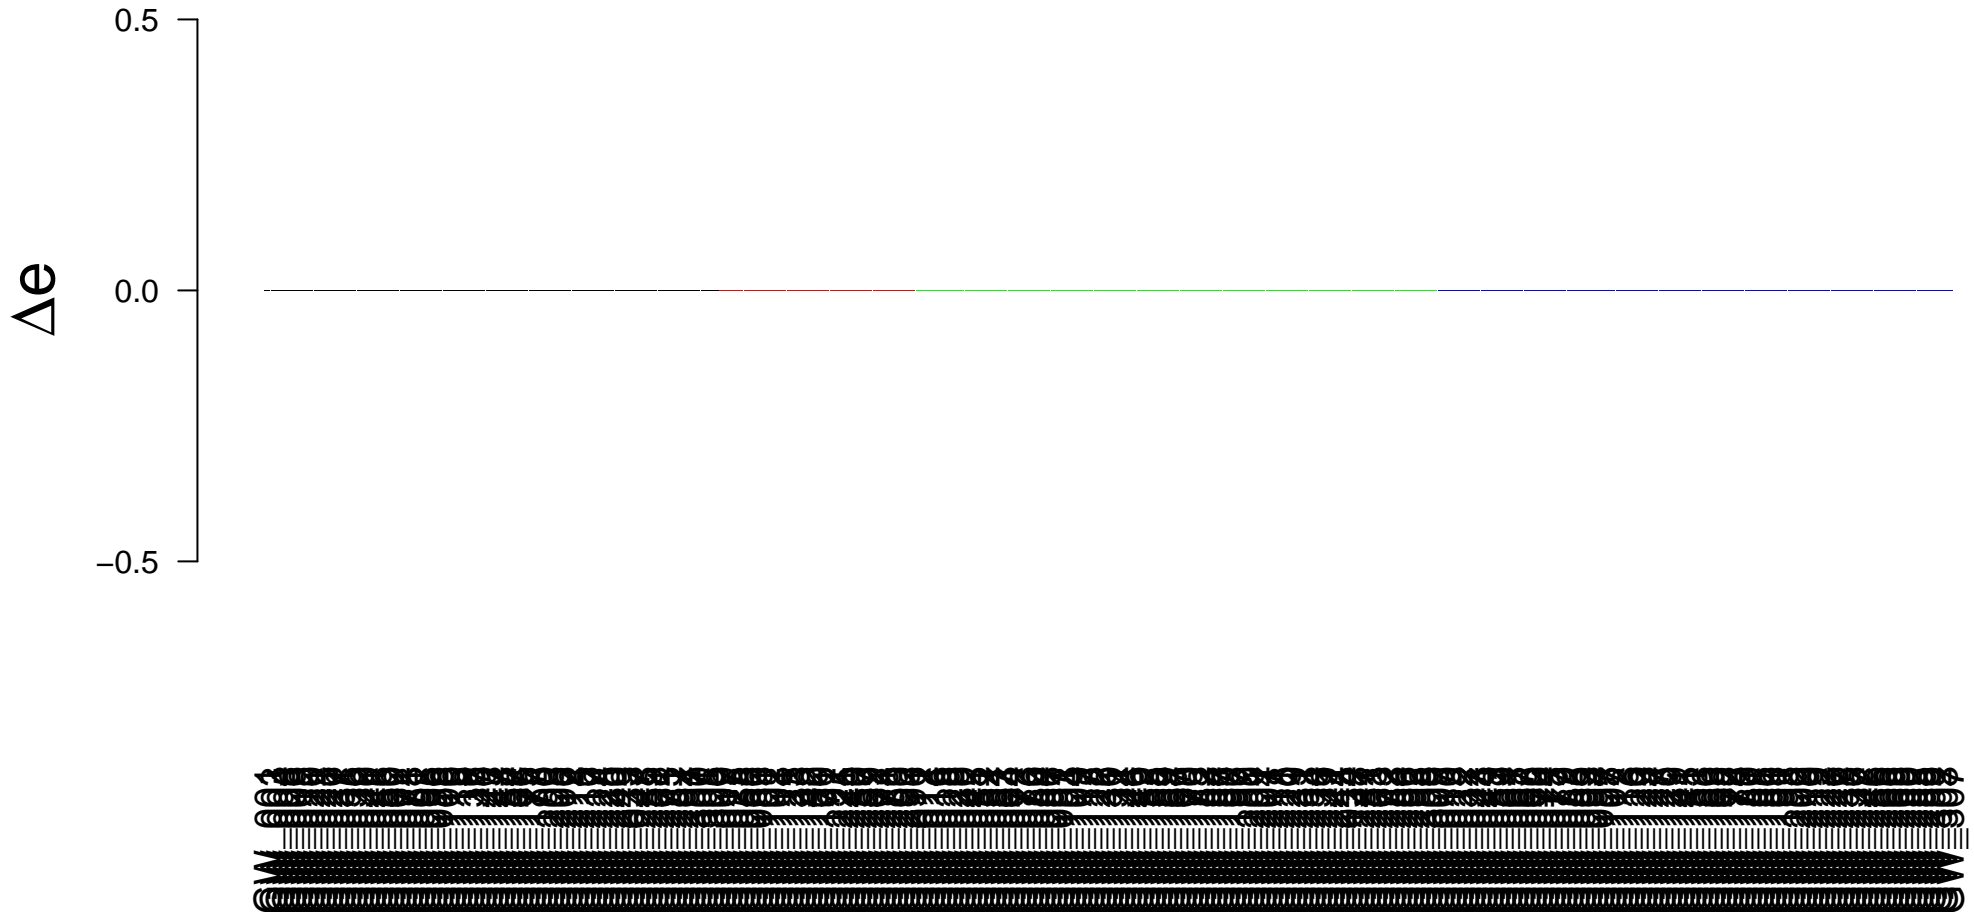

Expression of trophoblast giant cell differentiation in Spot G

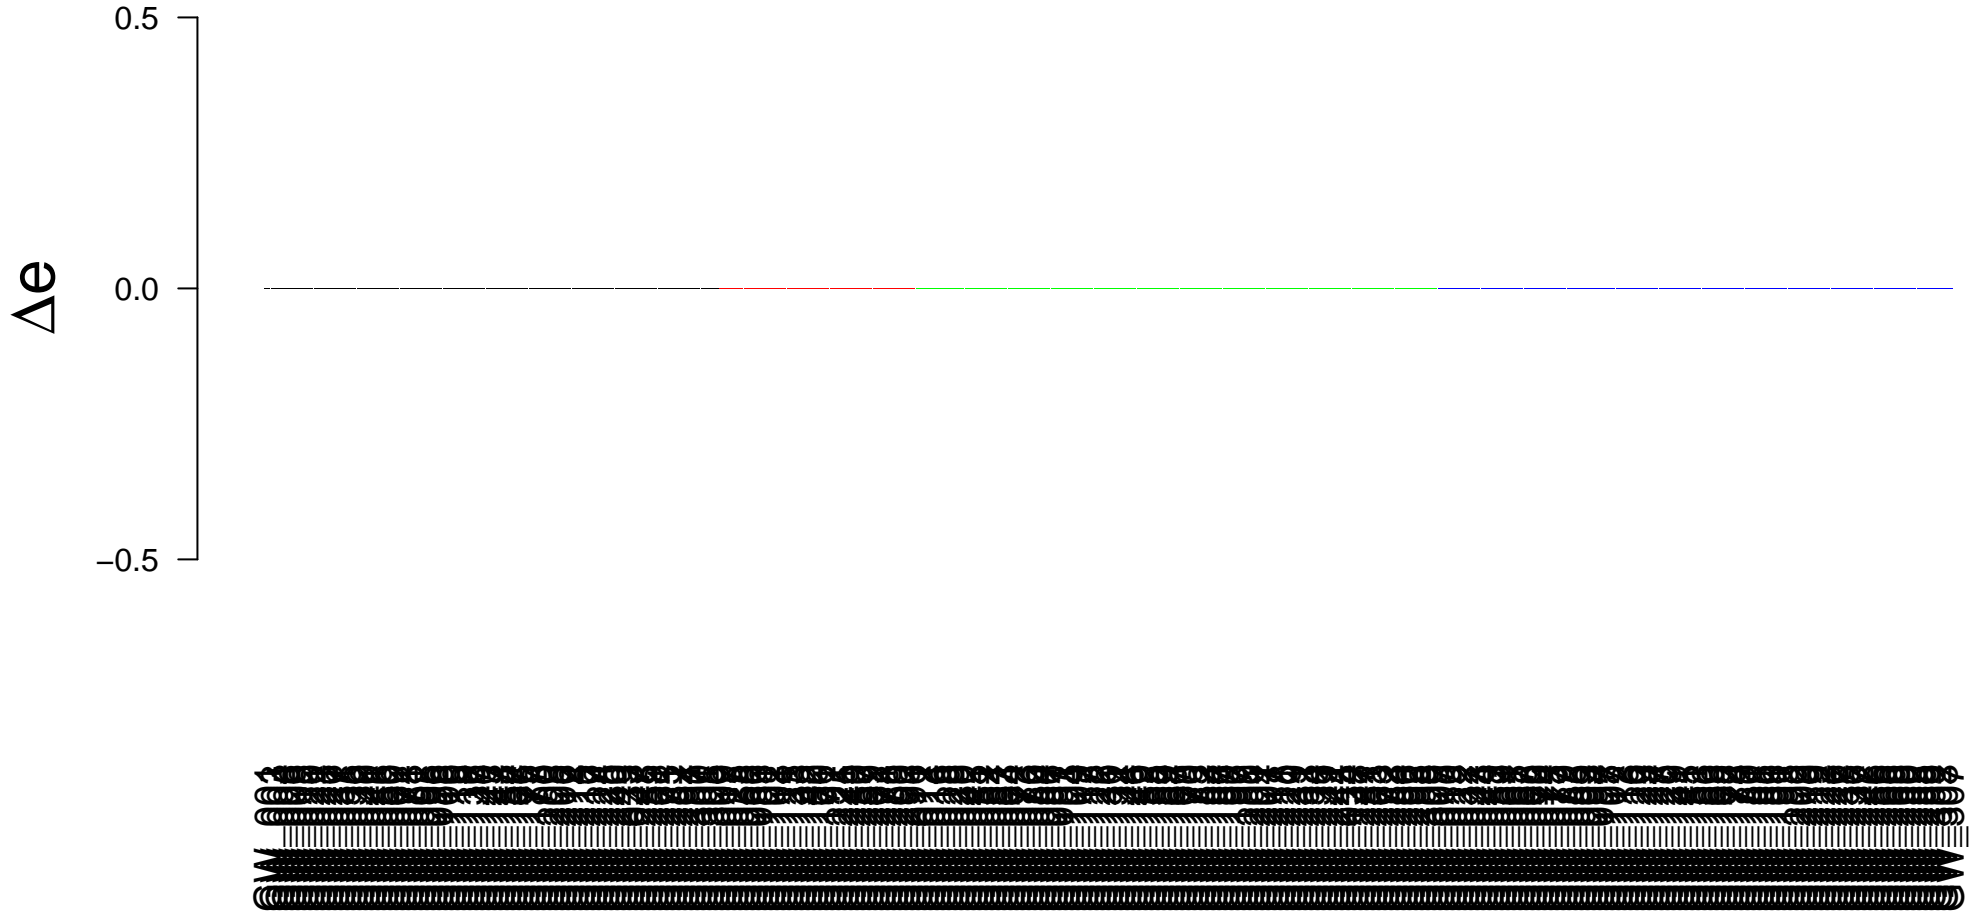

Expression of trophoblast giant cell differentiation in Spot H

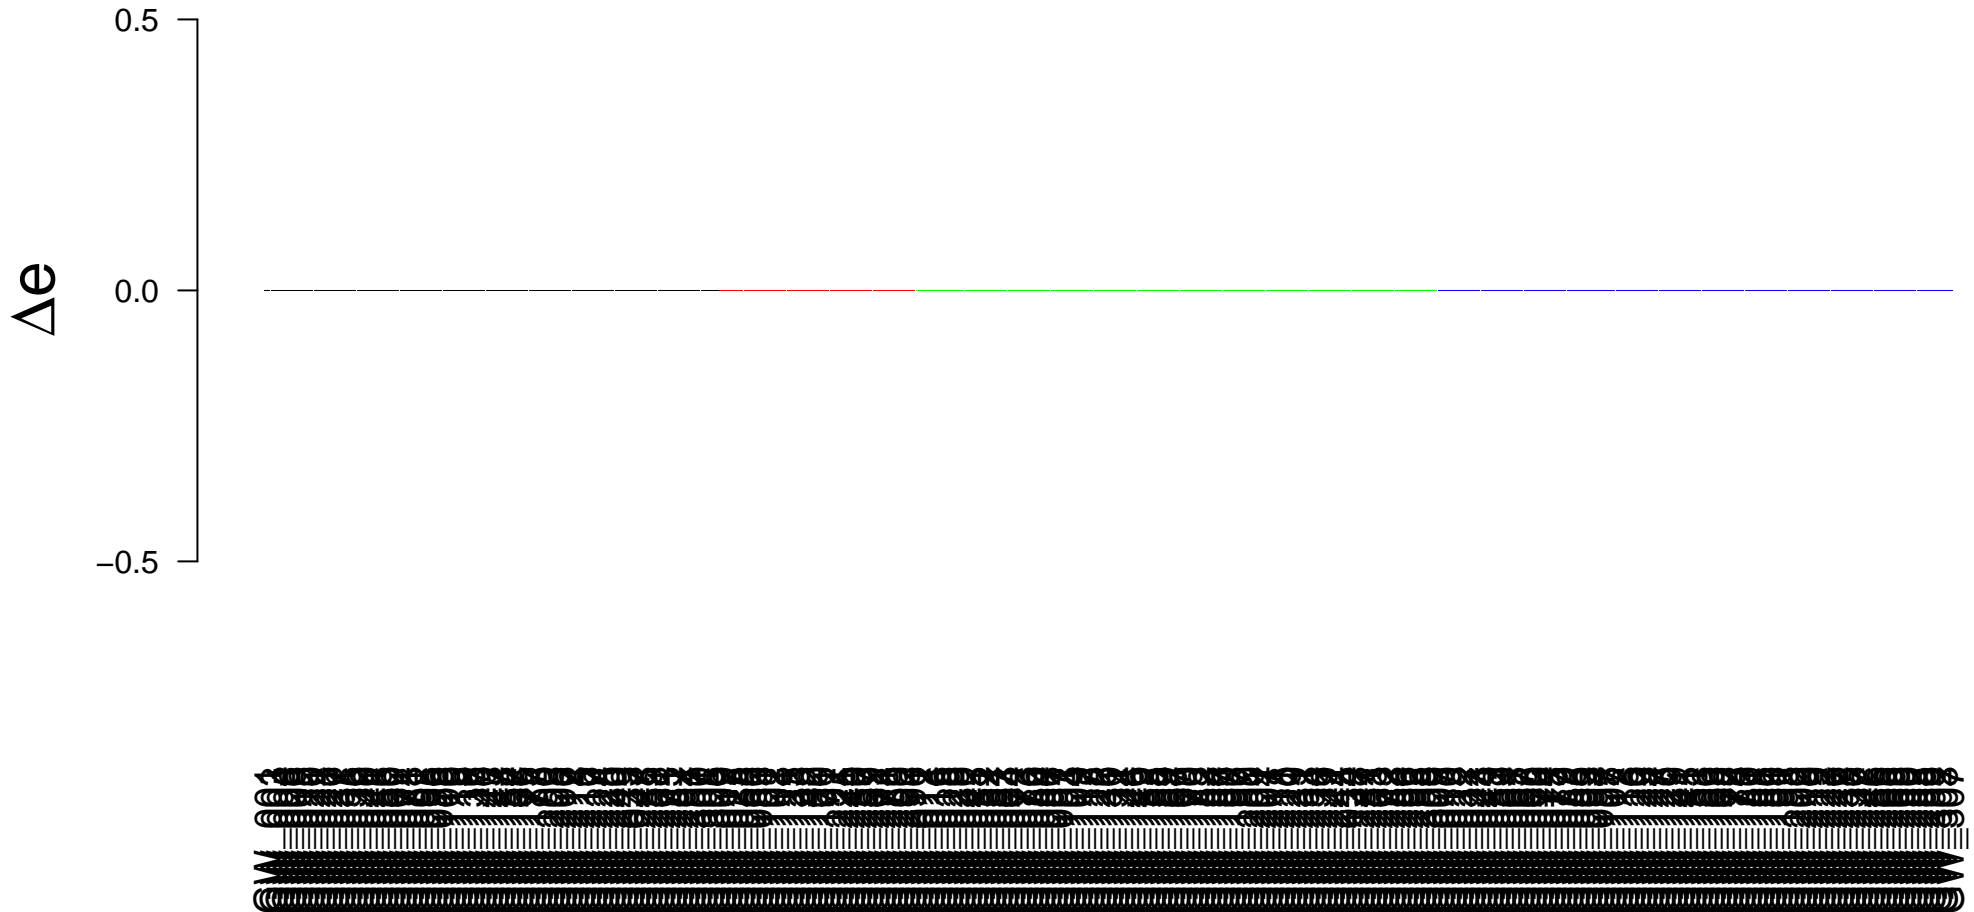

Expression of trophoblast giant cell differentiation in Spot I

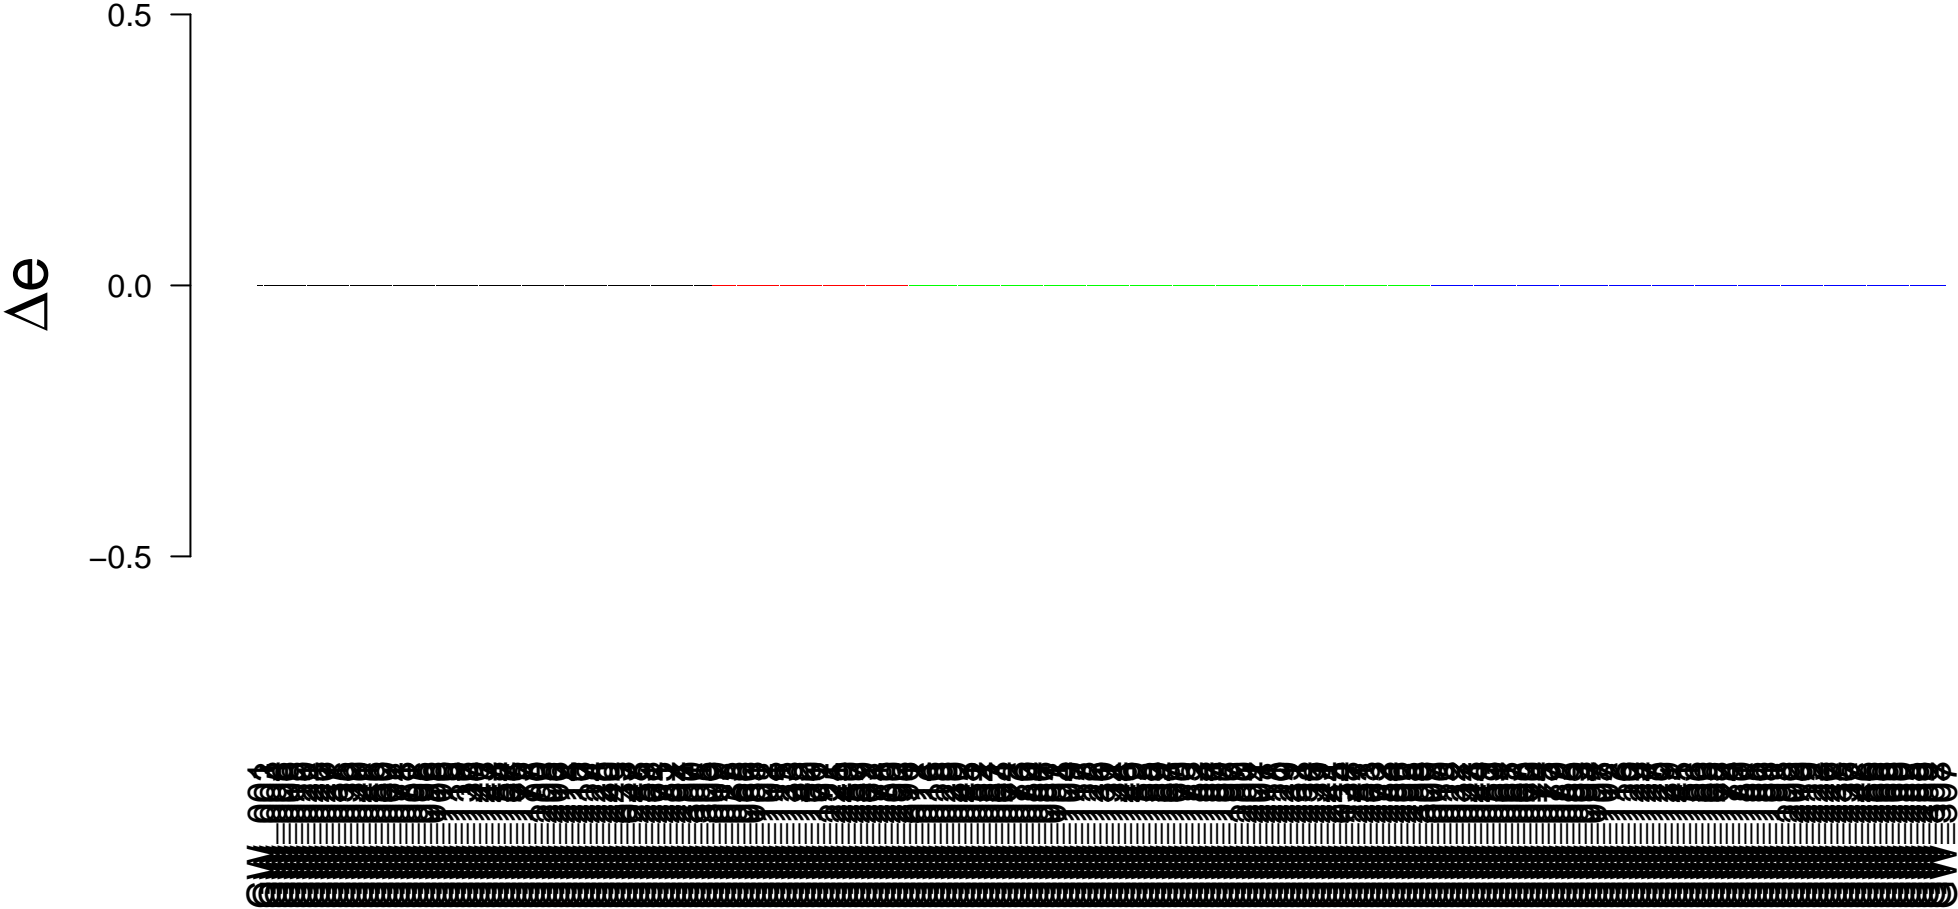

Expression of trophoblast giant cell differentiation in Spot J

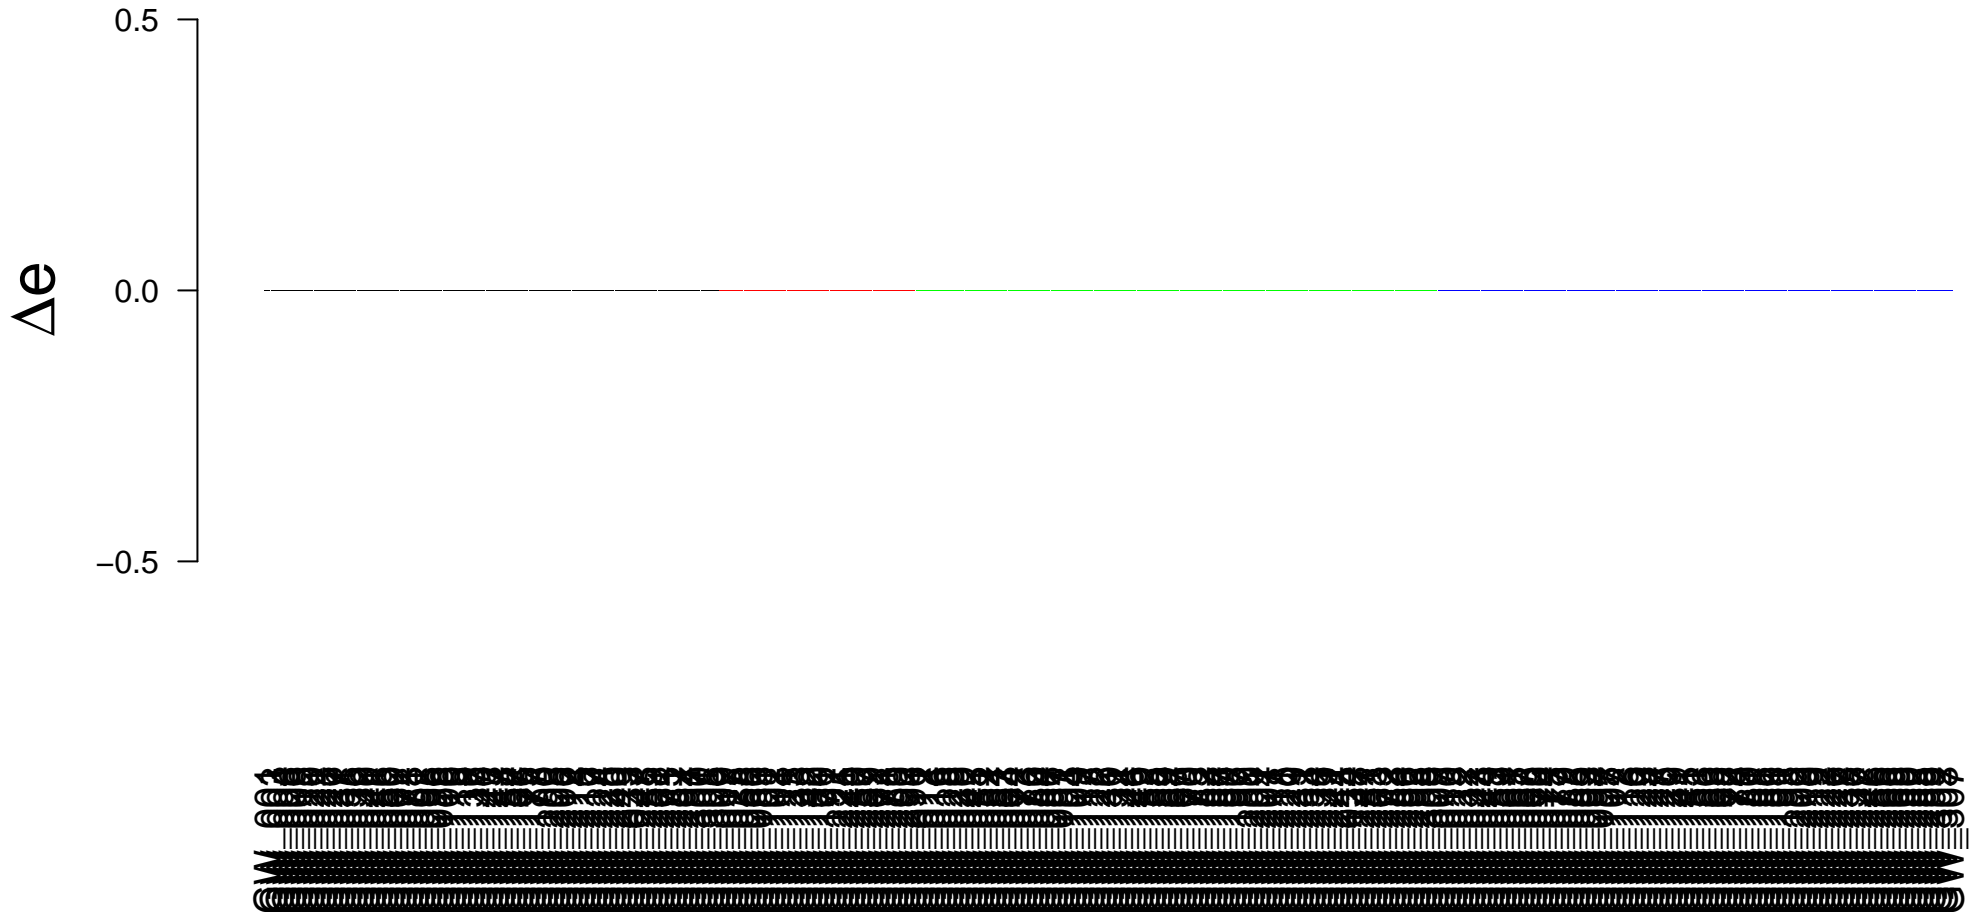

Expression of trophoblast giant cell differentiation in Spot L

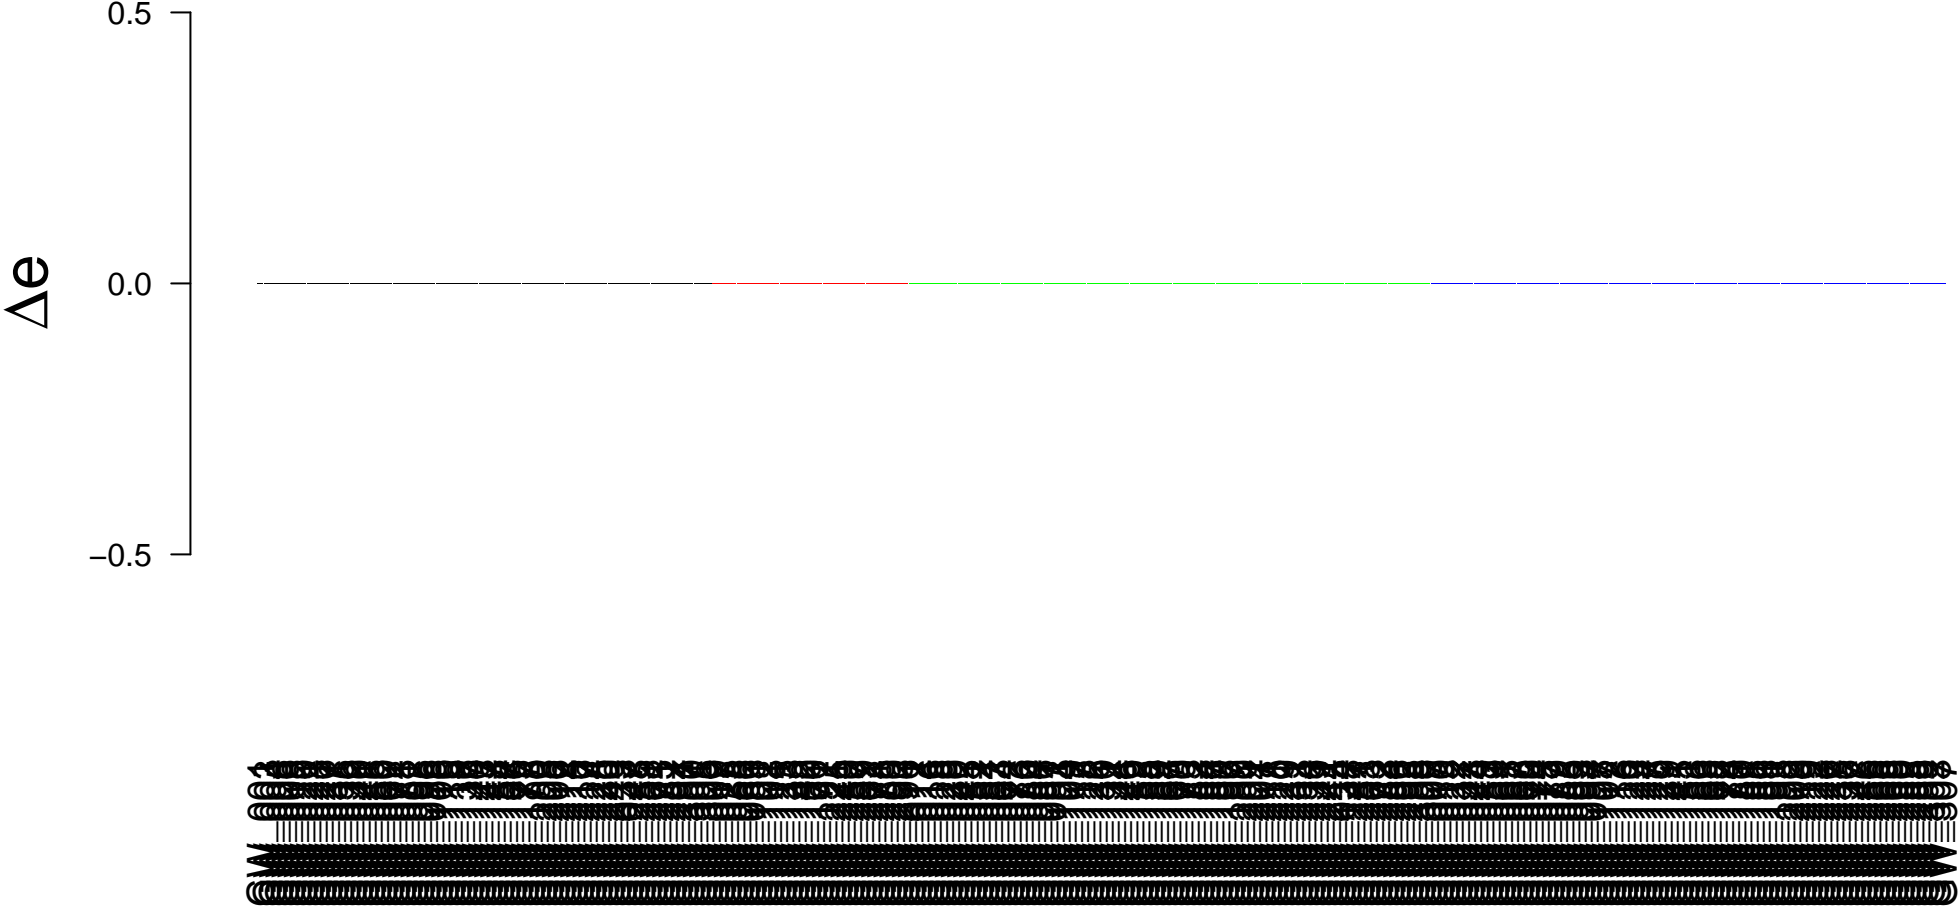

Expression of trophoblast giant cell differentiation in Spot M

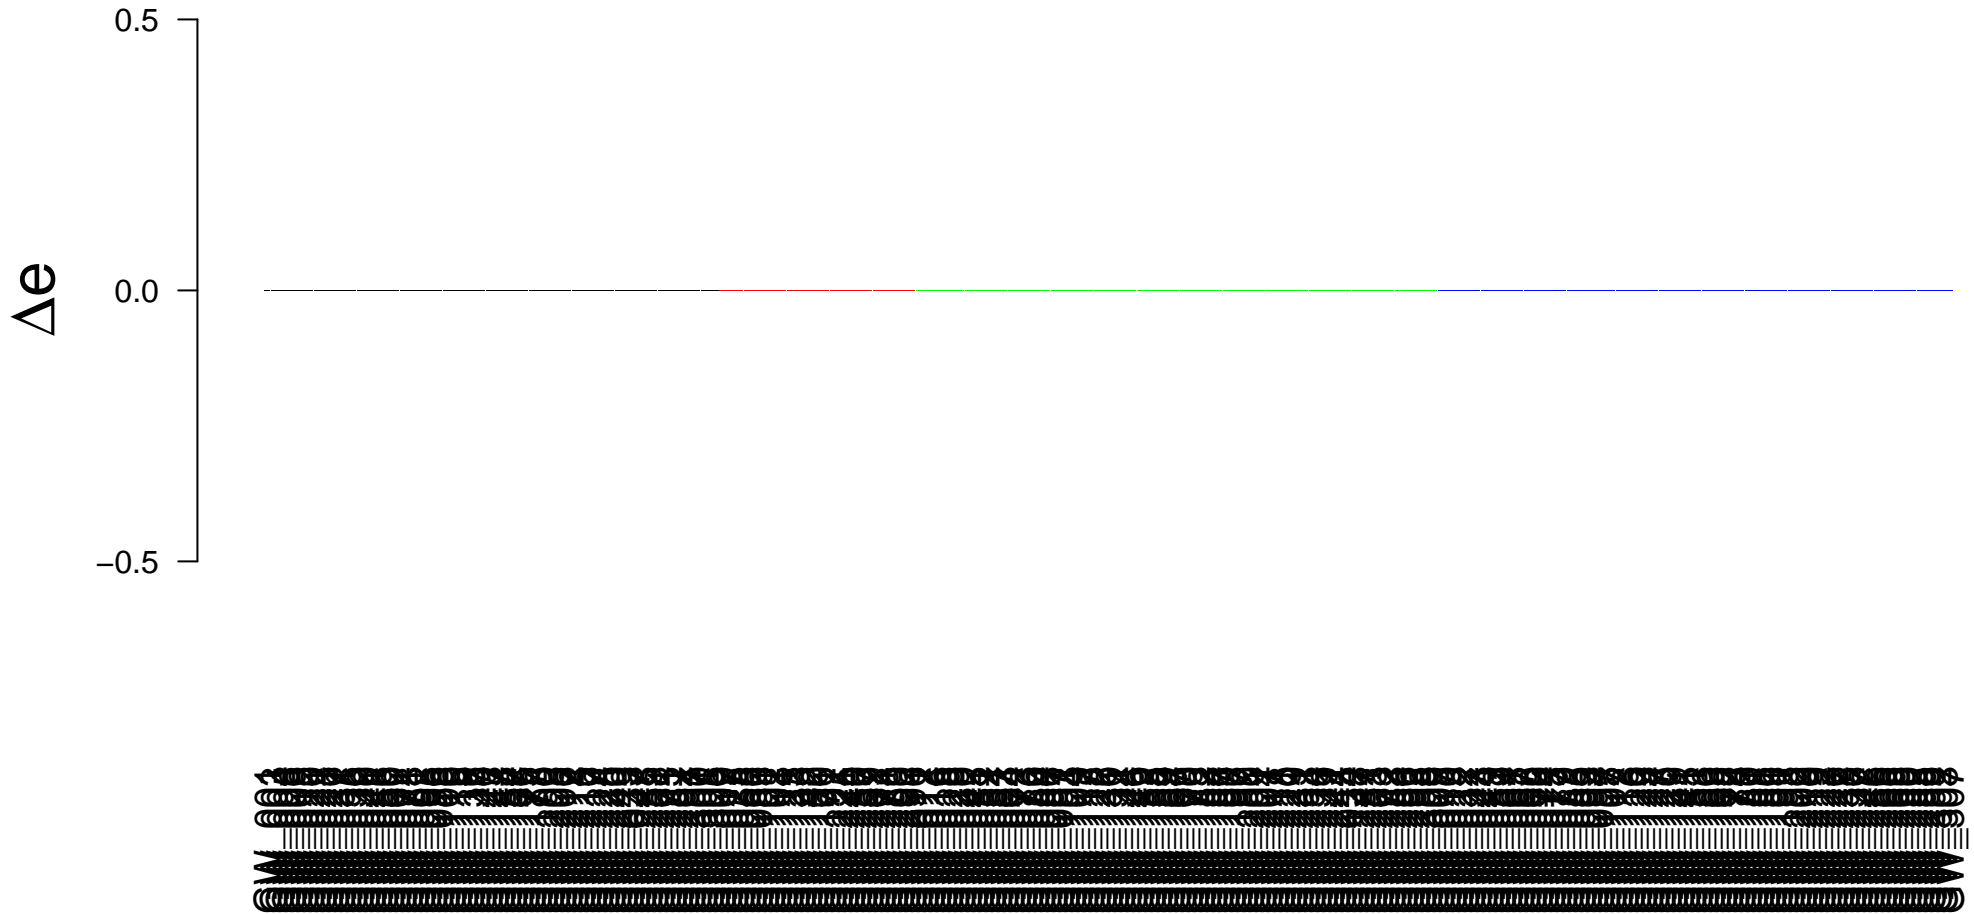

Expression of trophoblast giant cell differentiation in Spot N

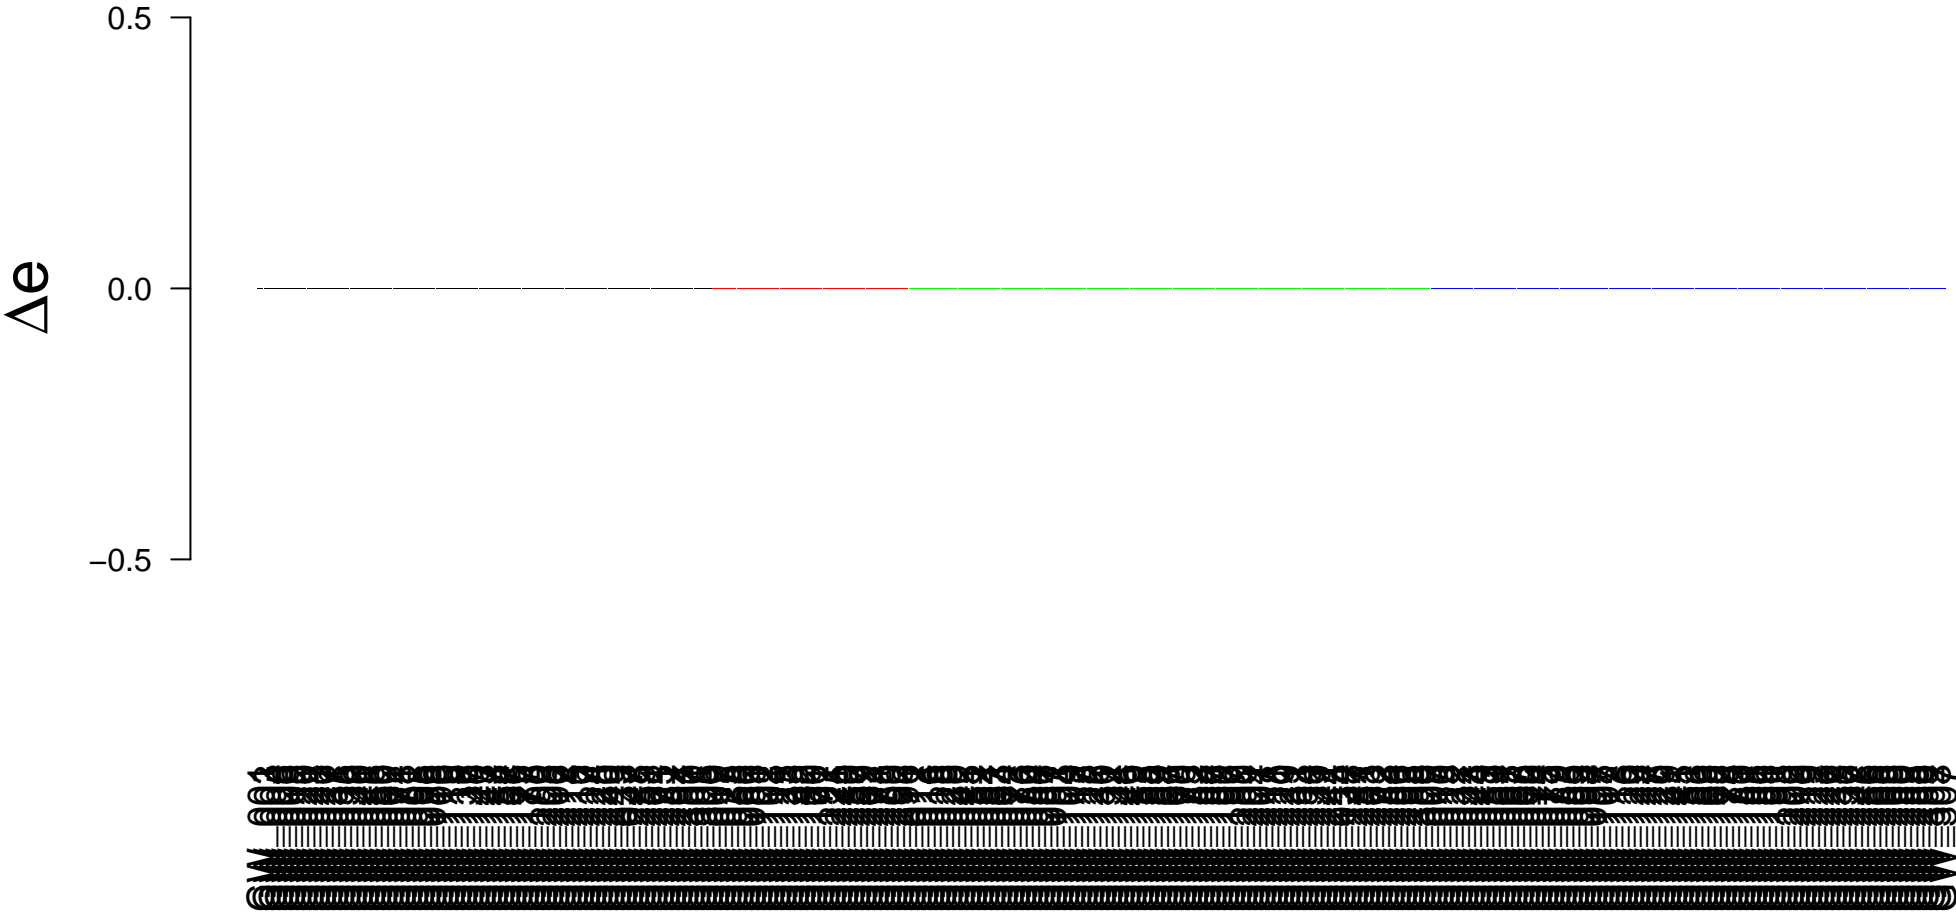

Expression of trophoblast giant cell differentiation in Spot O

Expression of trophoblast giant cell differentiation in Spot P

Expression of trophoblast giant cell differentiation in Spot Q

Expression of trophoblast giant cell differentiation in Spot R
