

# unfolded protein binding

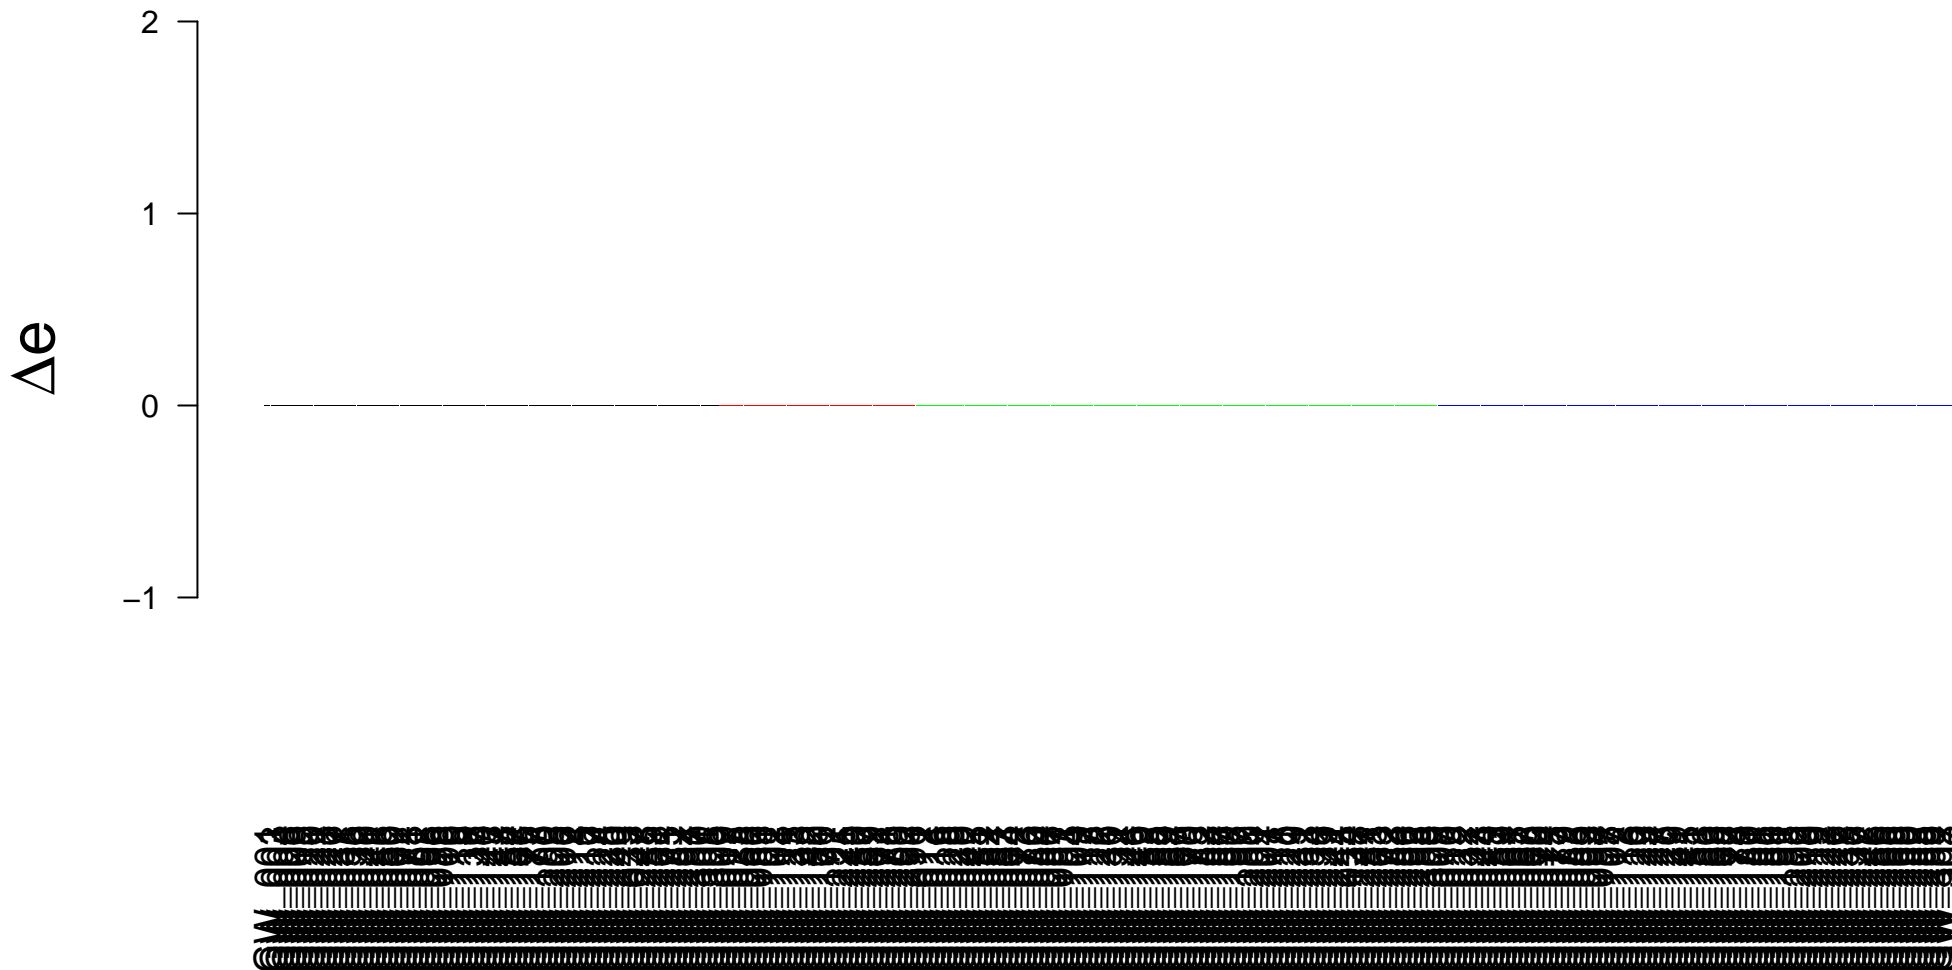

# unfolded protein binding

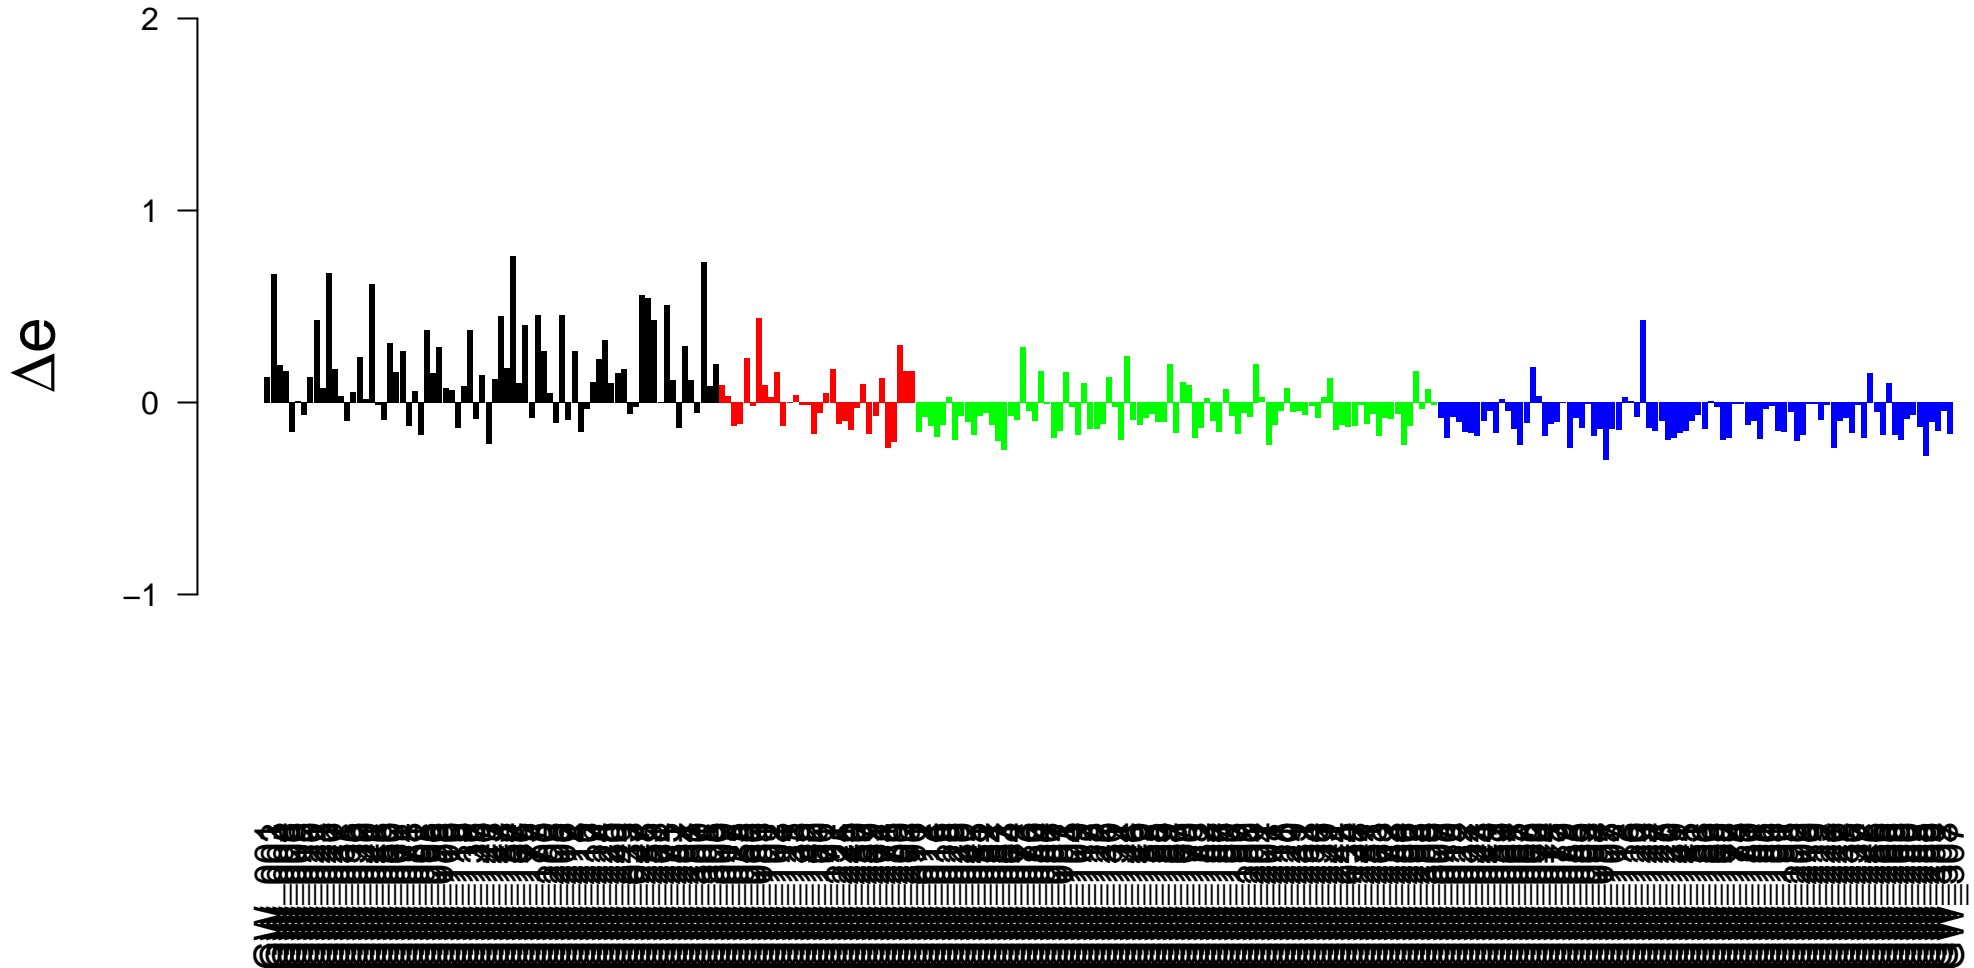

# Enrichment in spots: unfolded protein binding

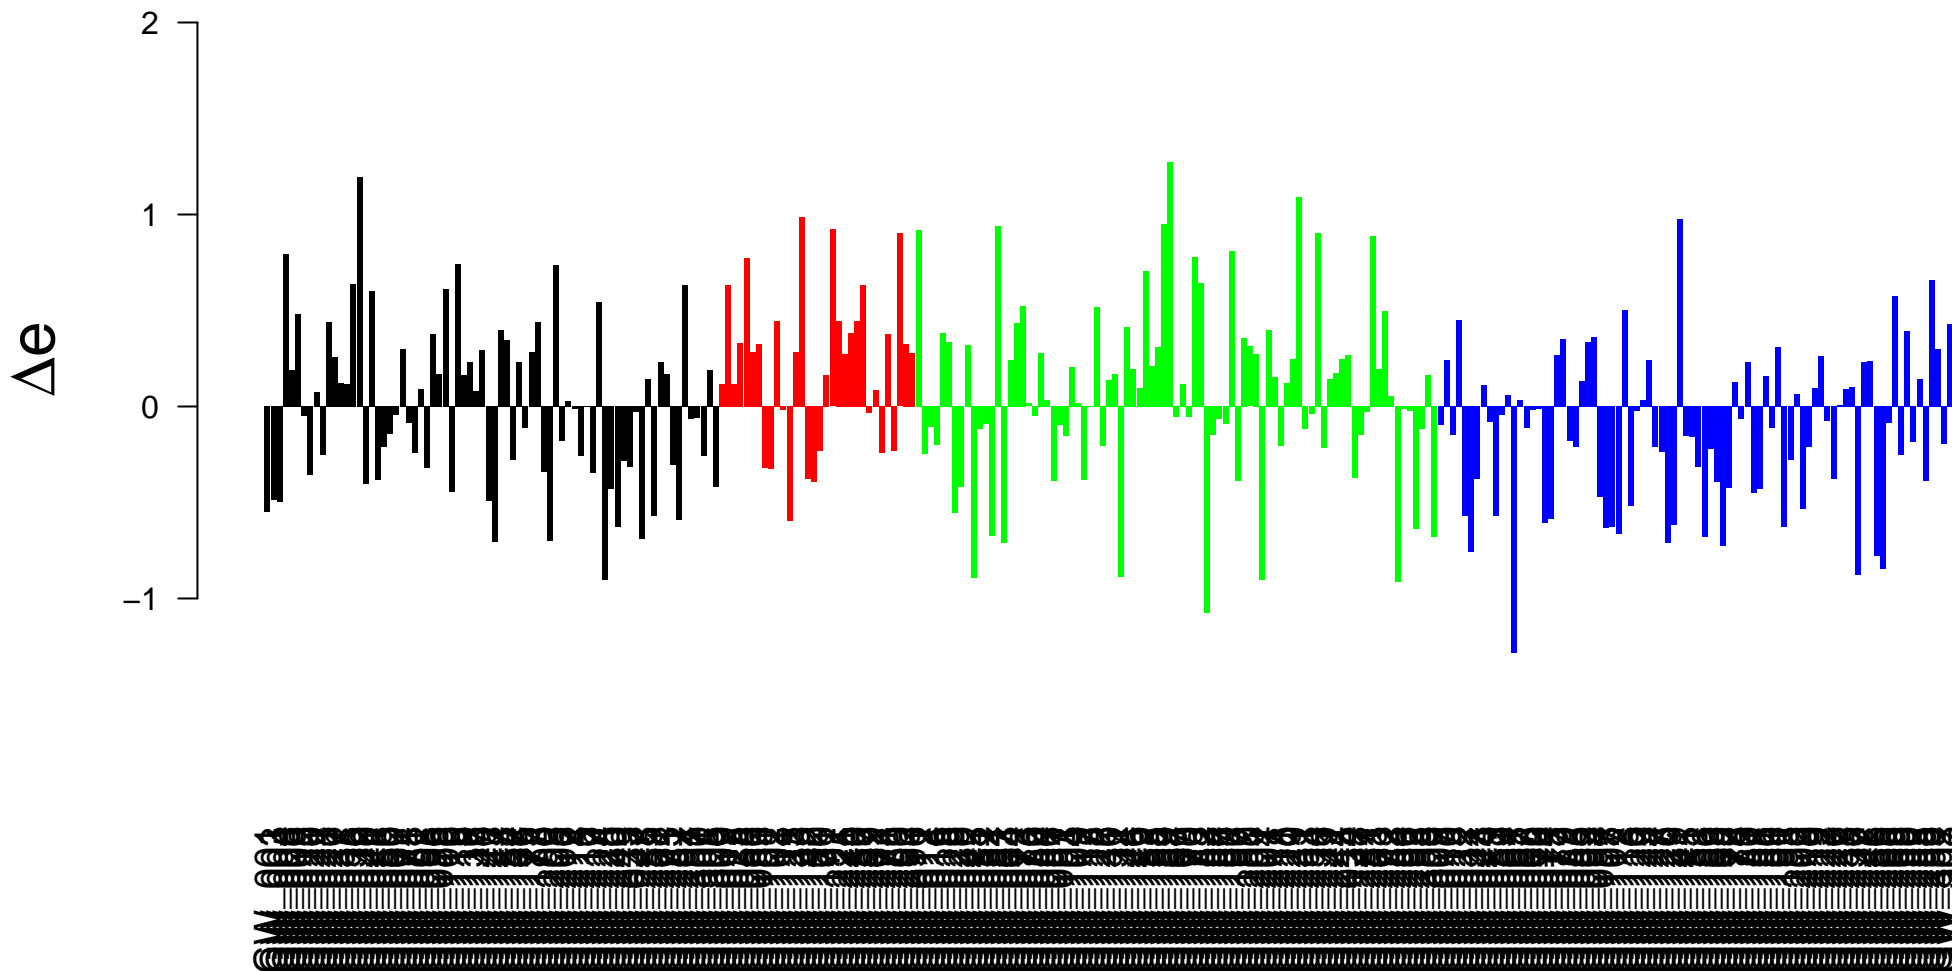

# Expression of unfolded protein binding in Spot A

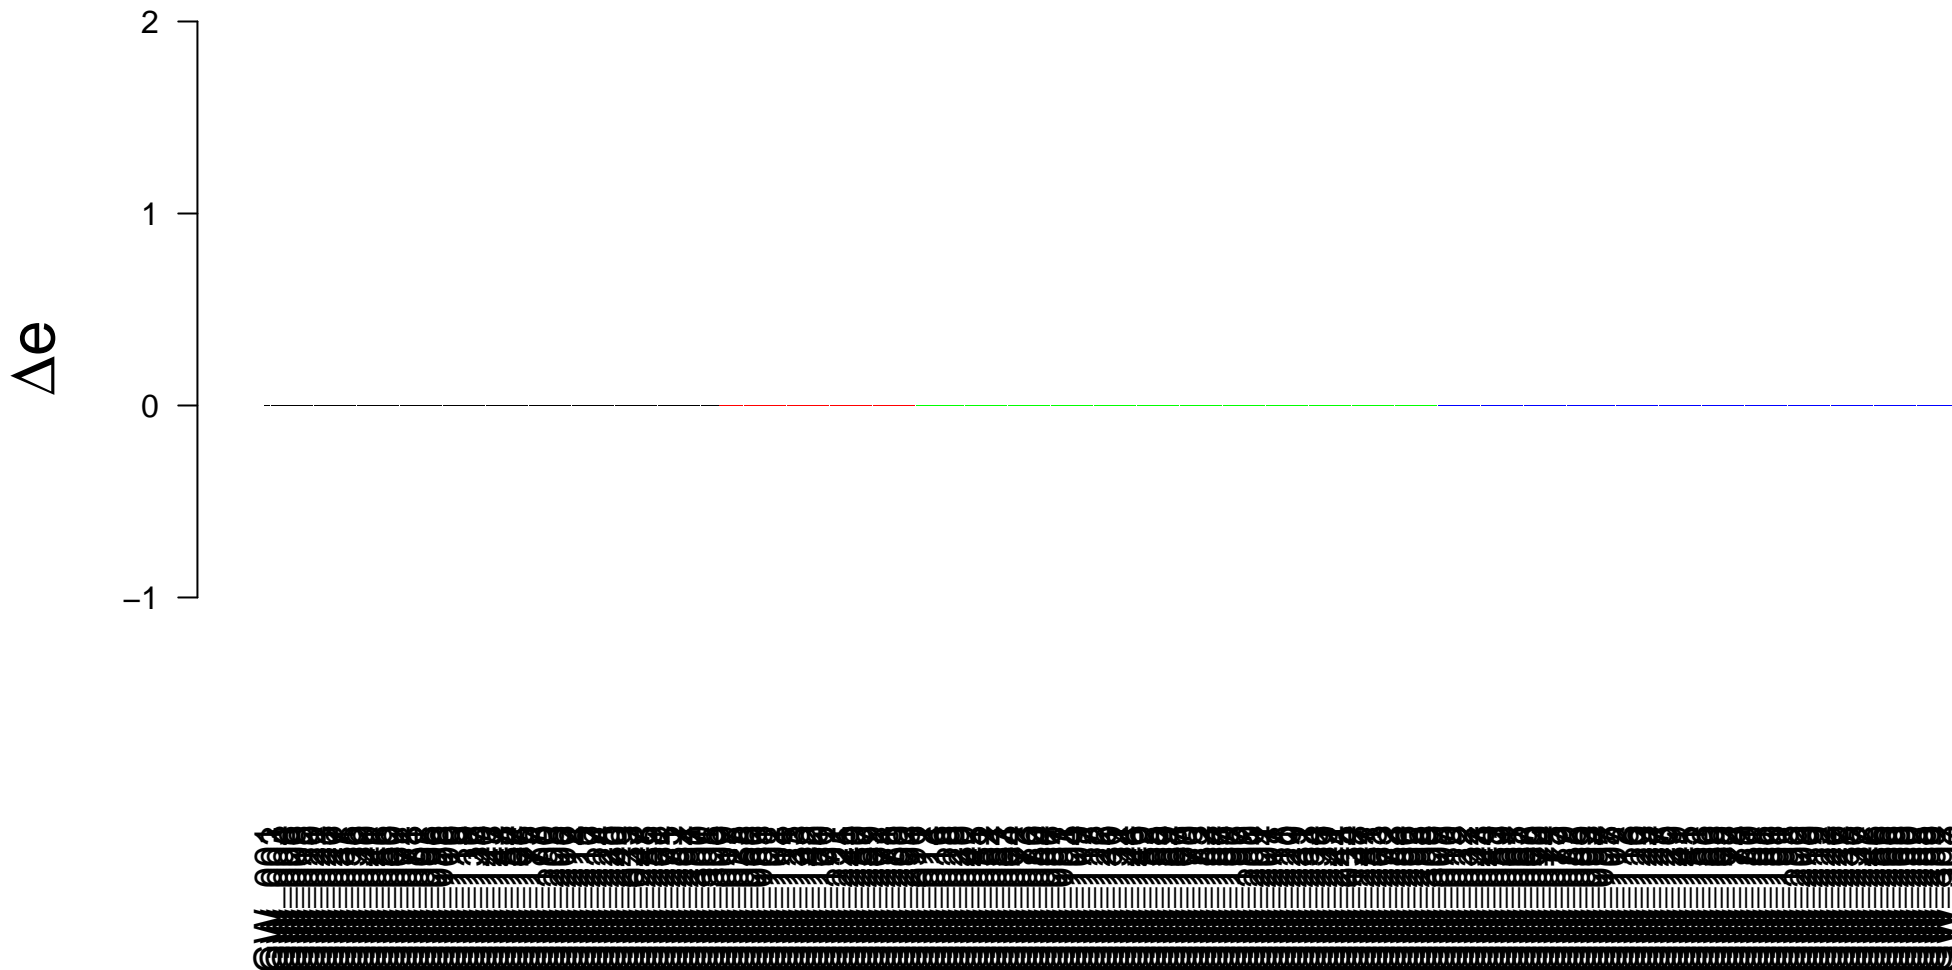

# Expression of unfolded protein binding in Spot B

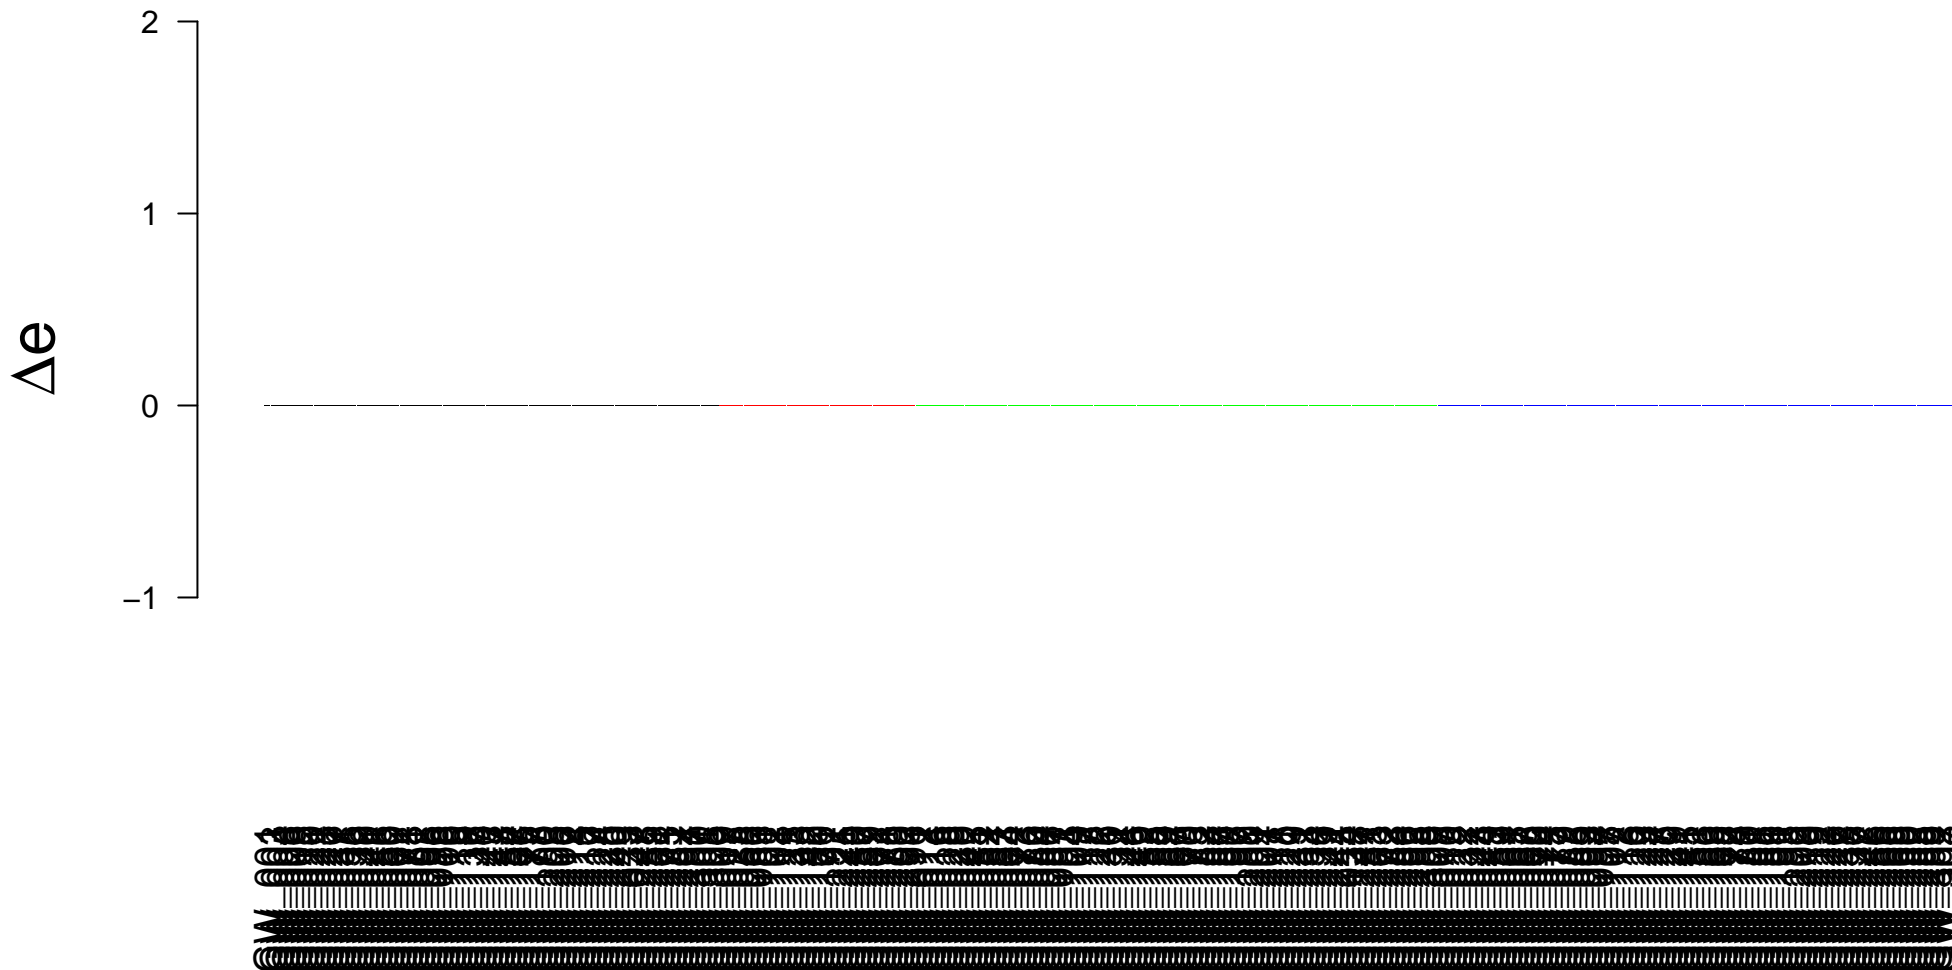

# Expression of unfolded protein binding in Spot C

# Expression of unfolded protein binding in Spot D

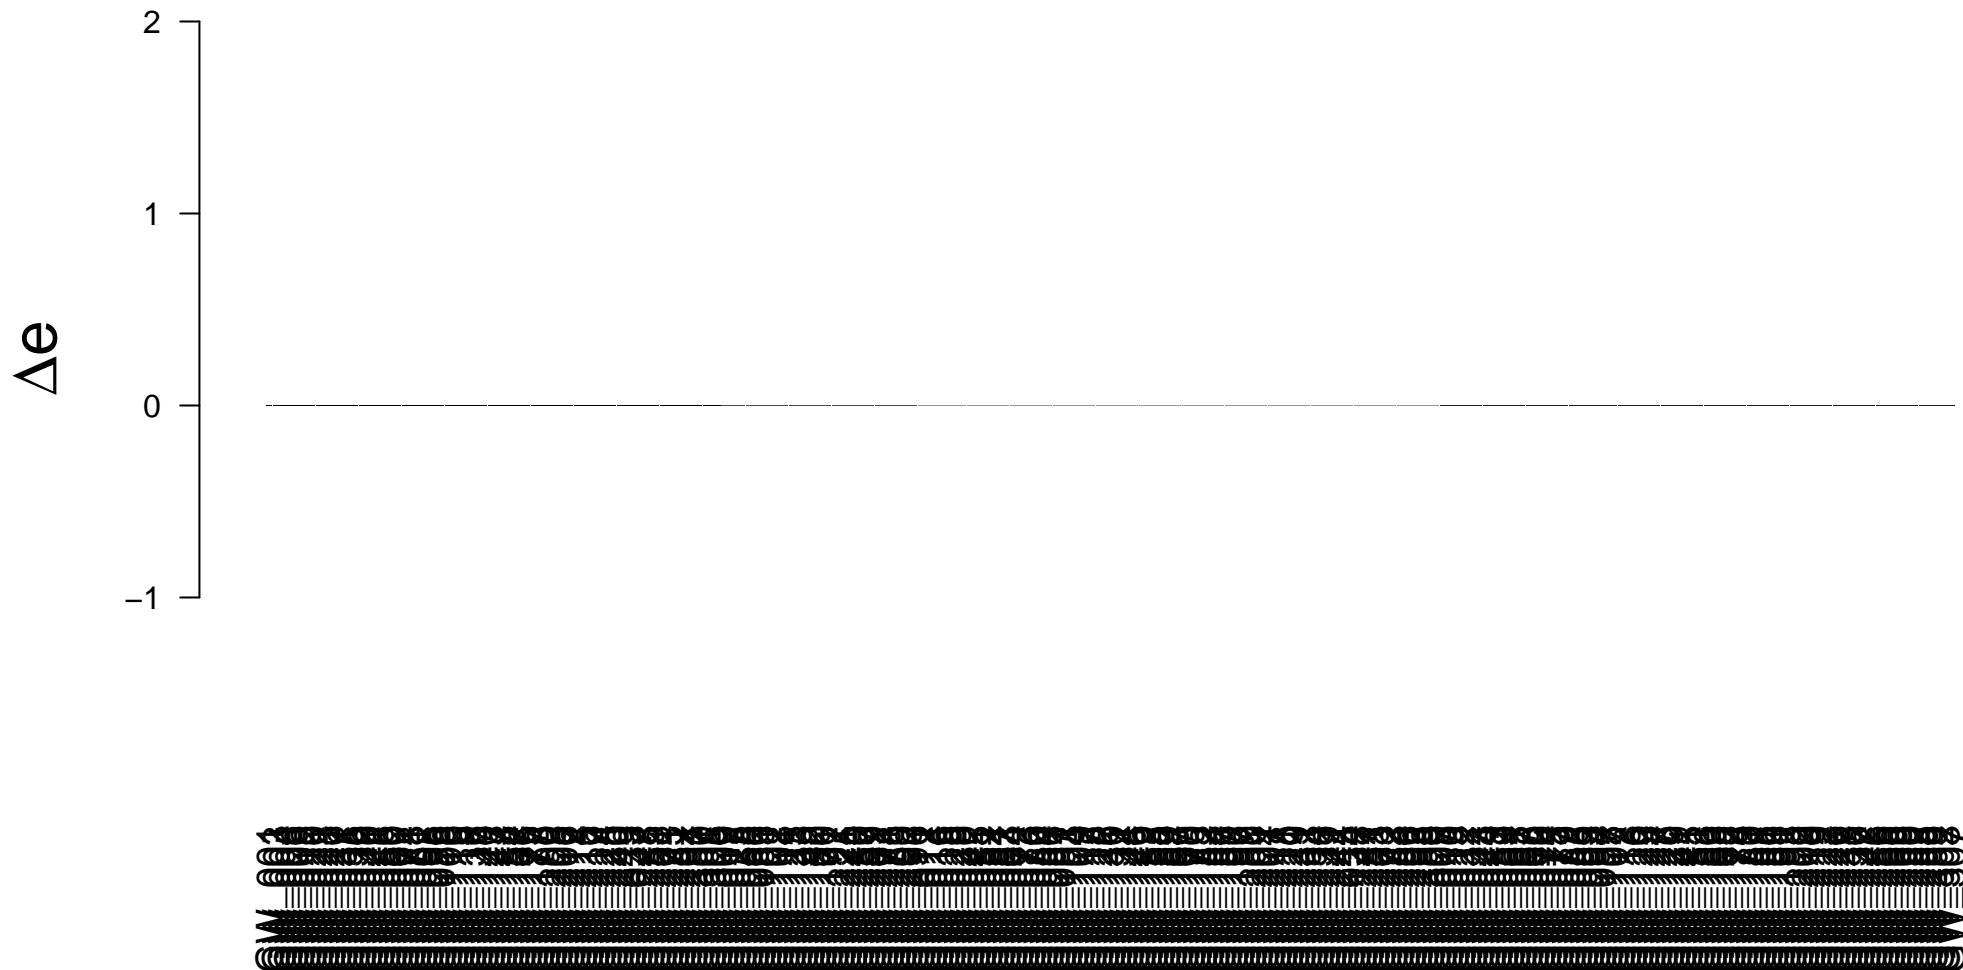

# Expression of unfolded protein binding in Spot E

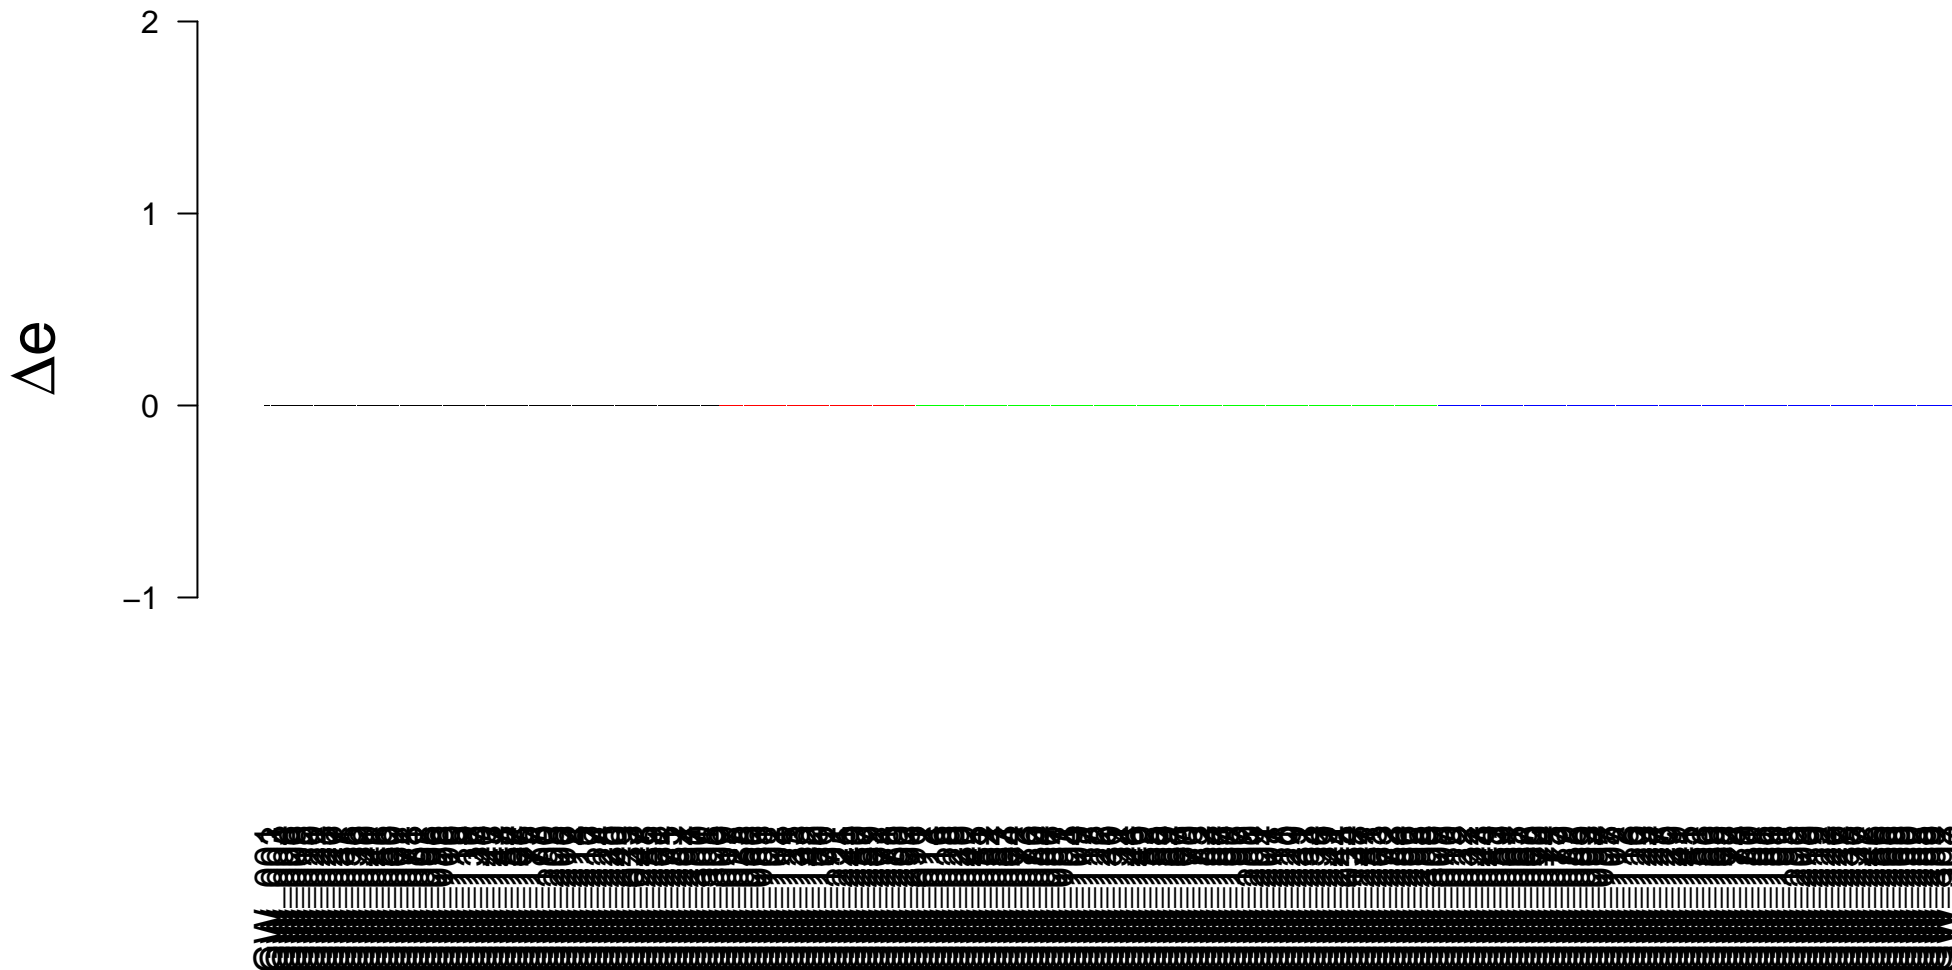

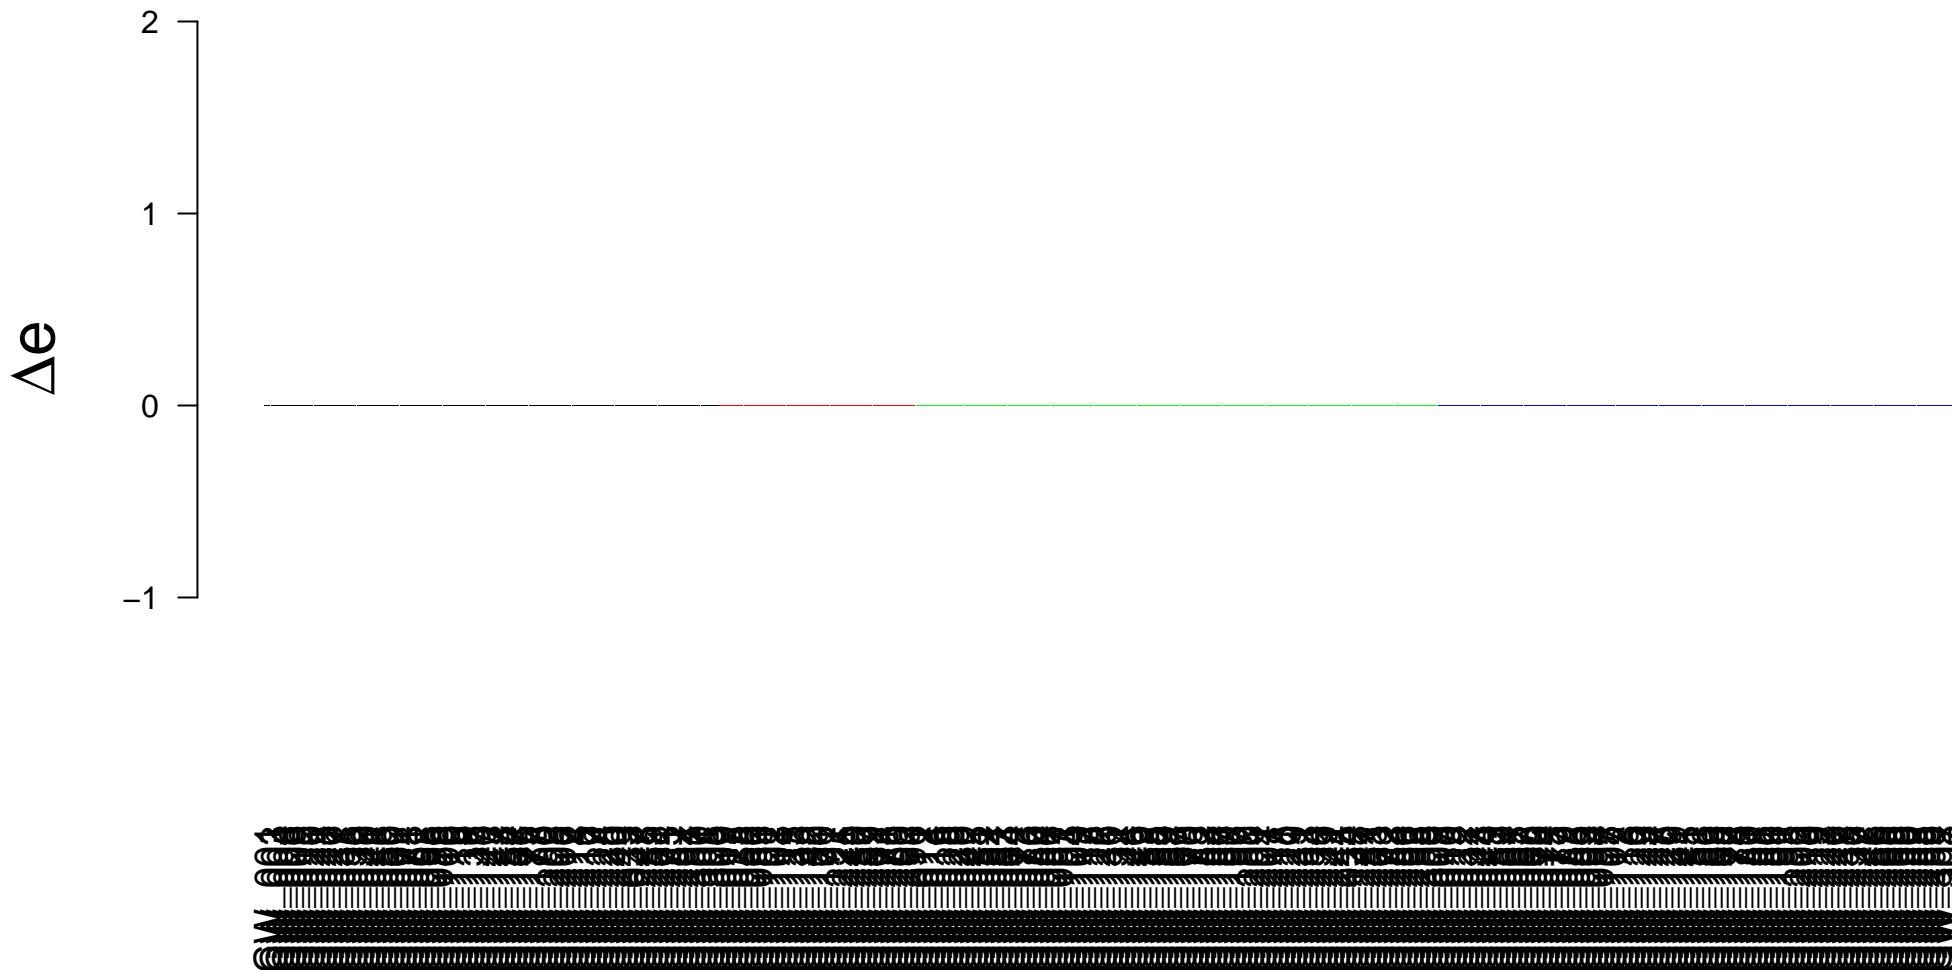

# Expression of unfolded protein binding in Spot F

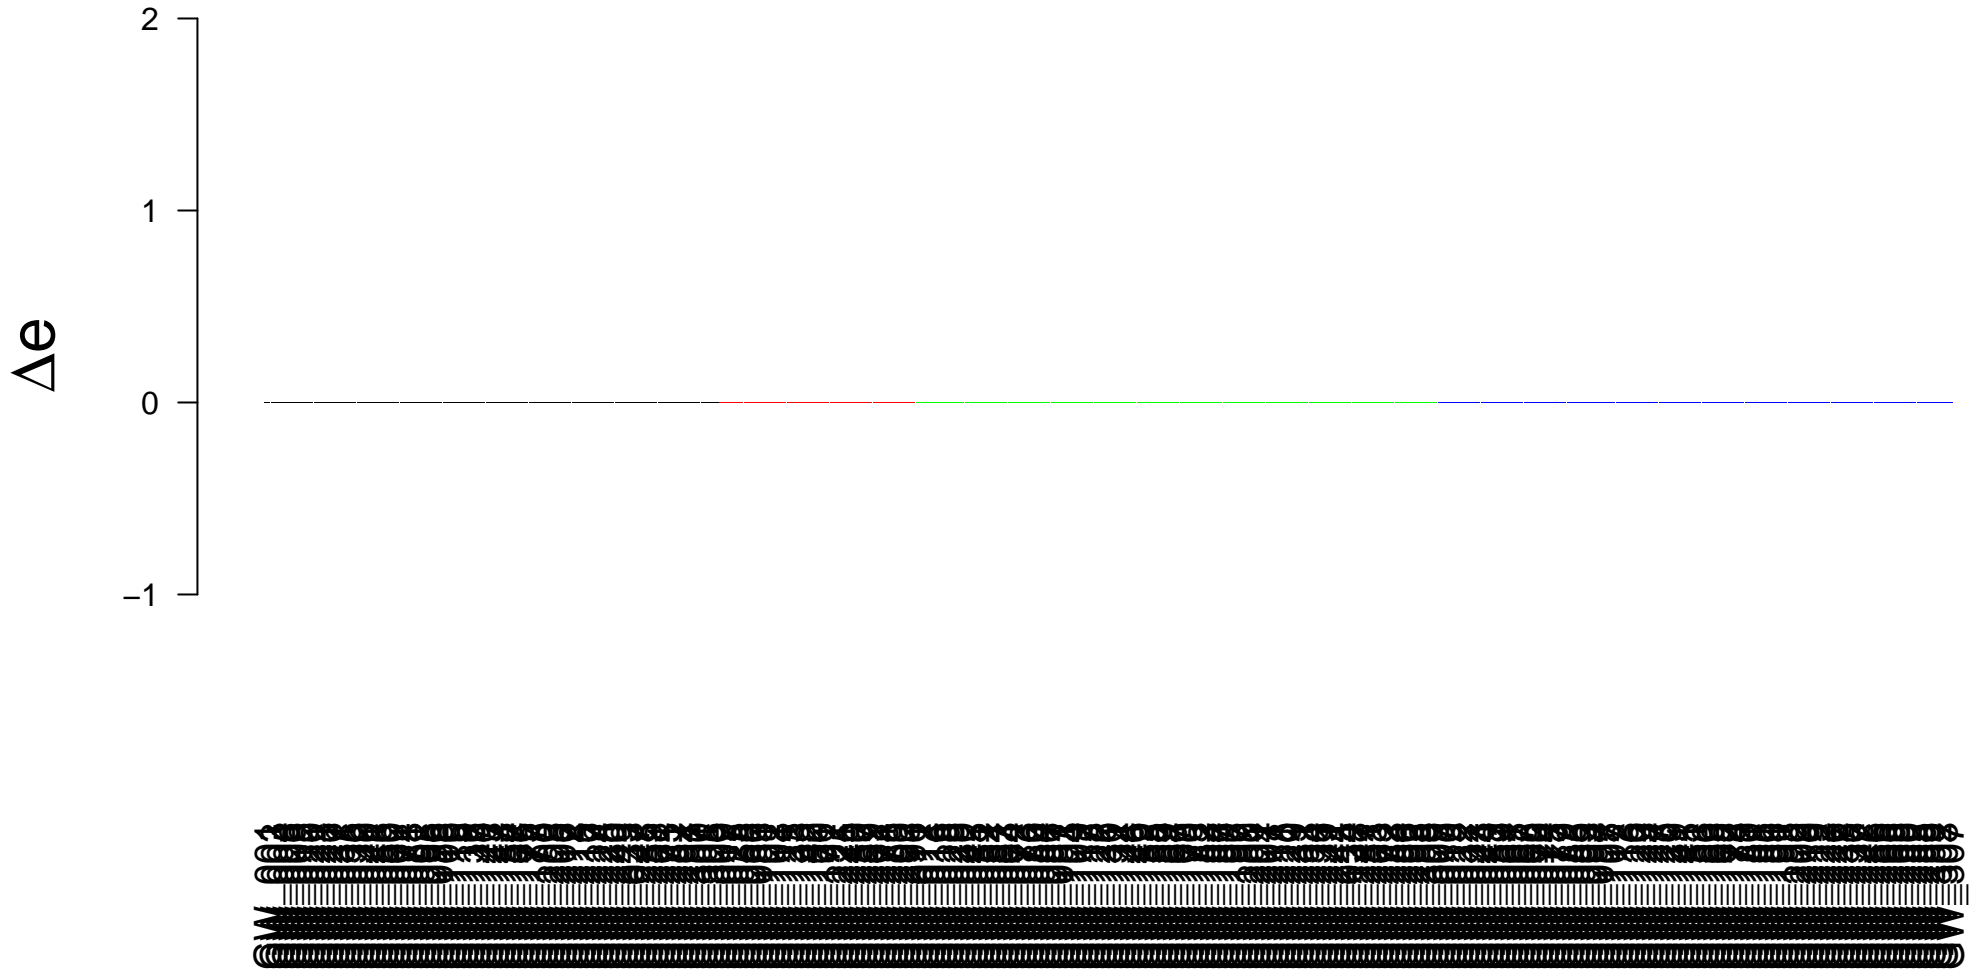

# Expression of unfolded protein binding in Spot G

# Expression of unfolded protein binding in Spot H

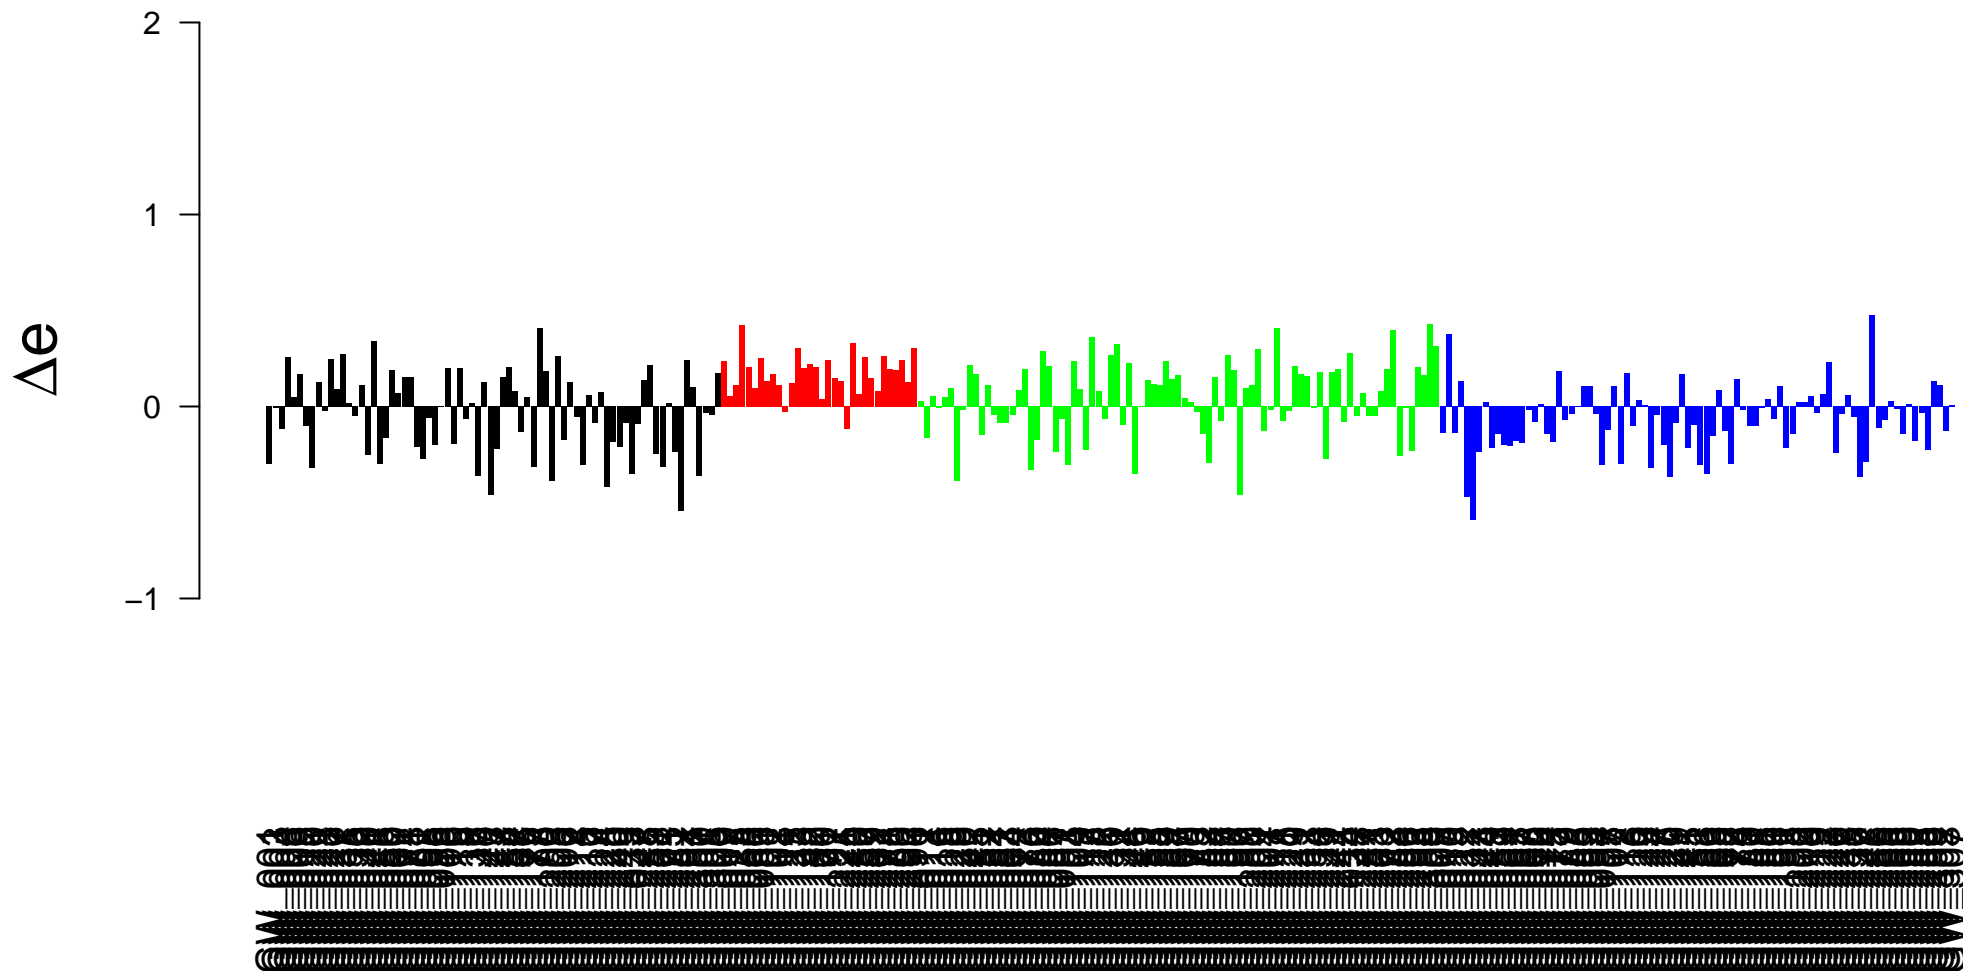

# Expression of unfolded protein binding in Spot I

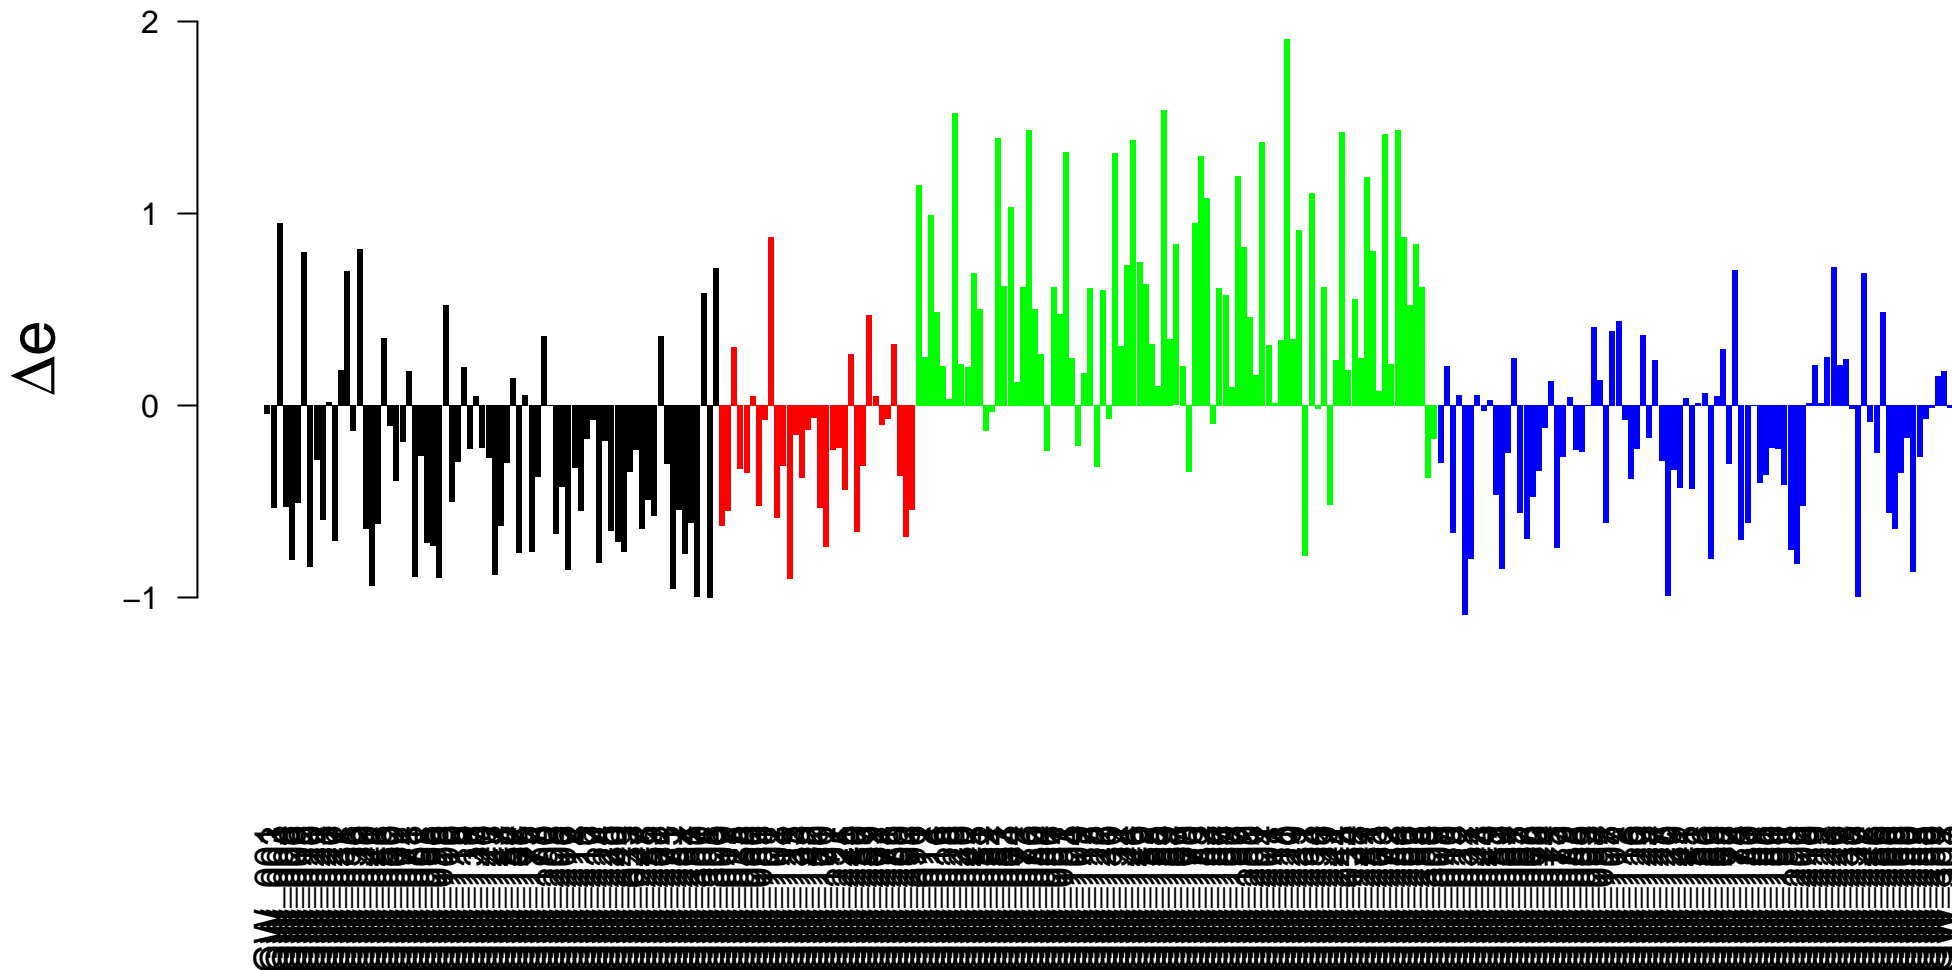

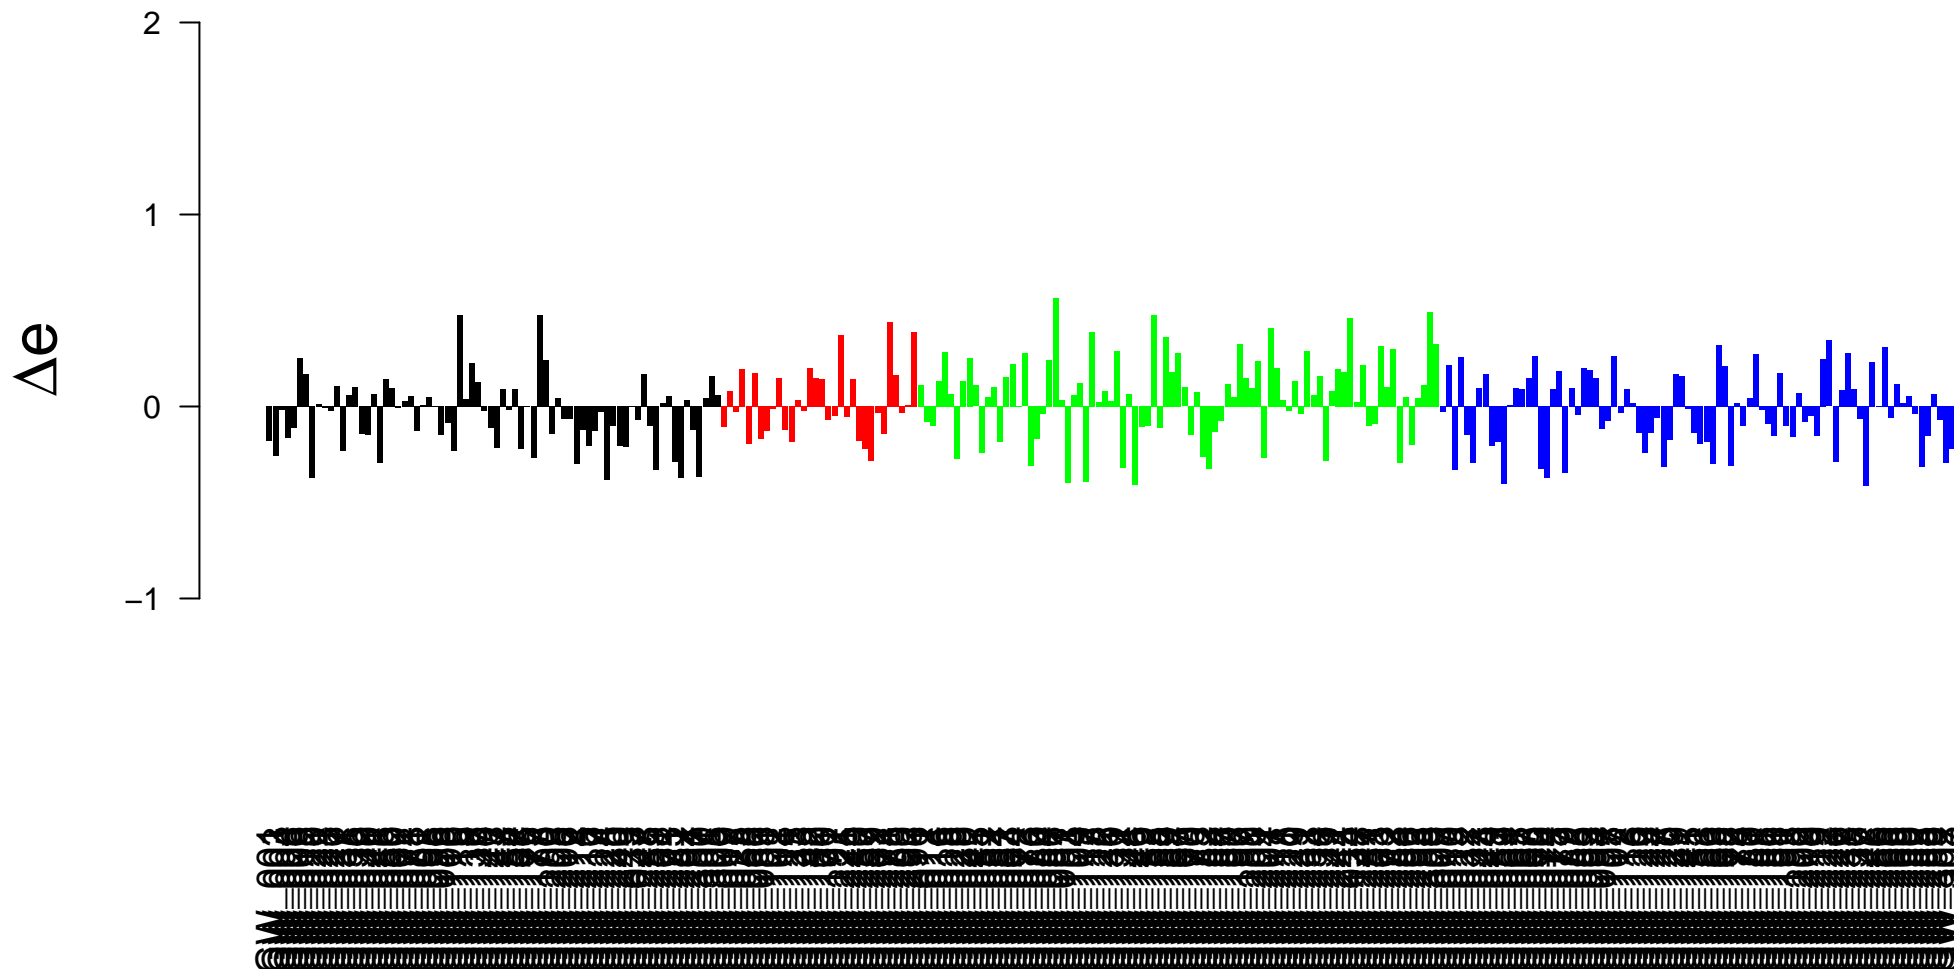

# Expression of unfolded protein binding in Spot K

# Expression of unfolded protein binding in Spot L

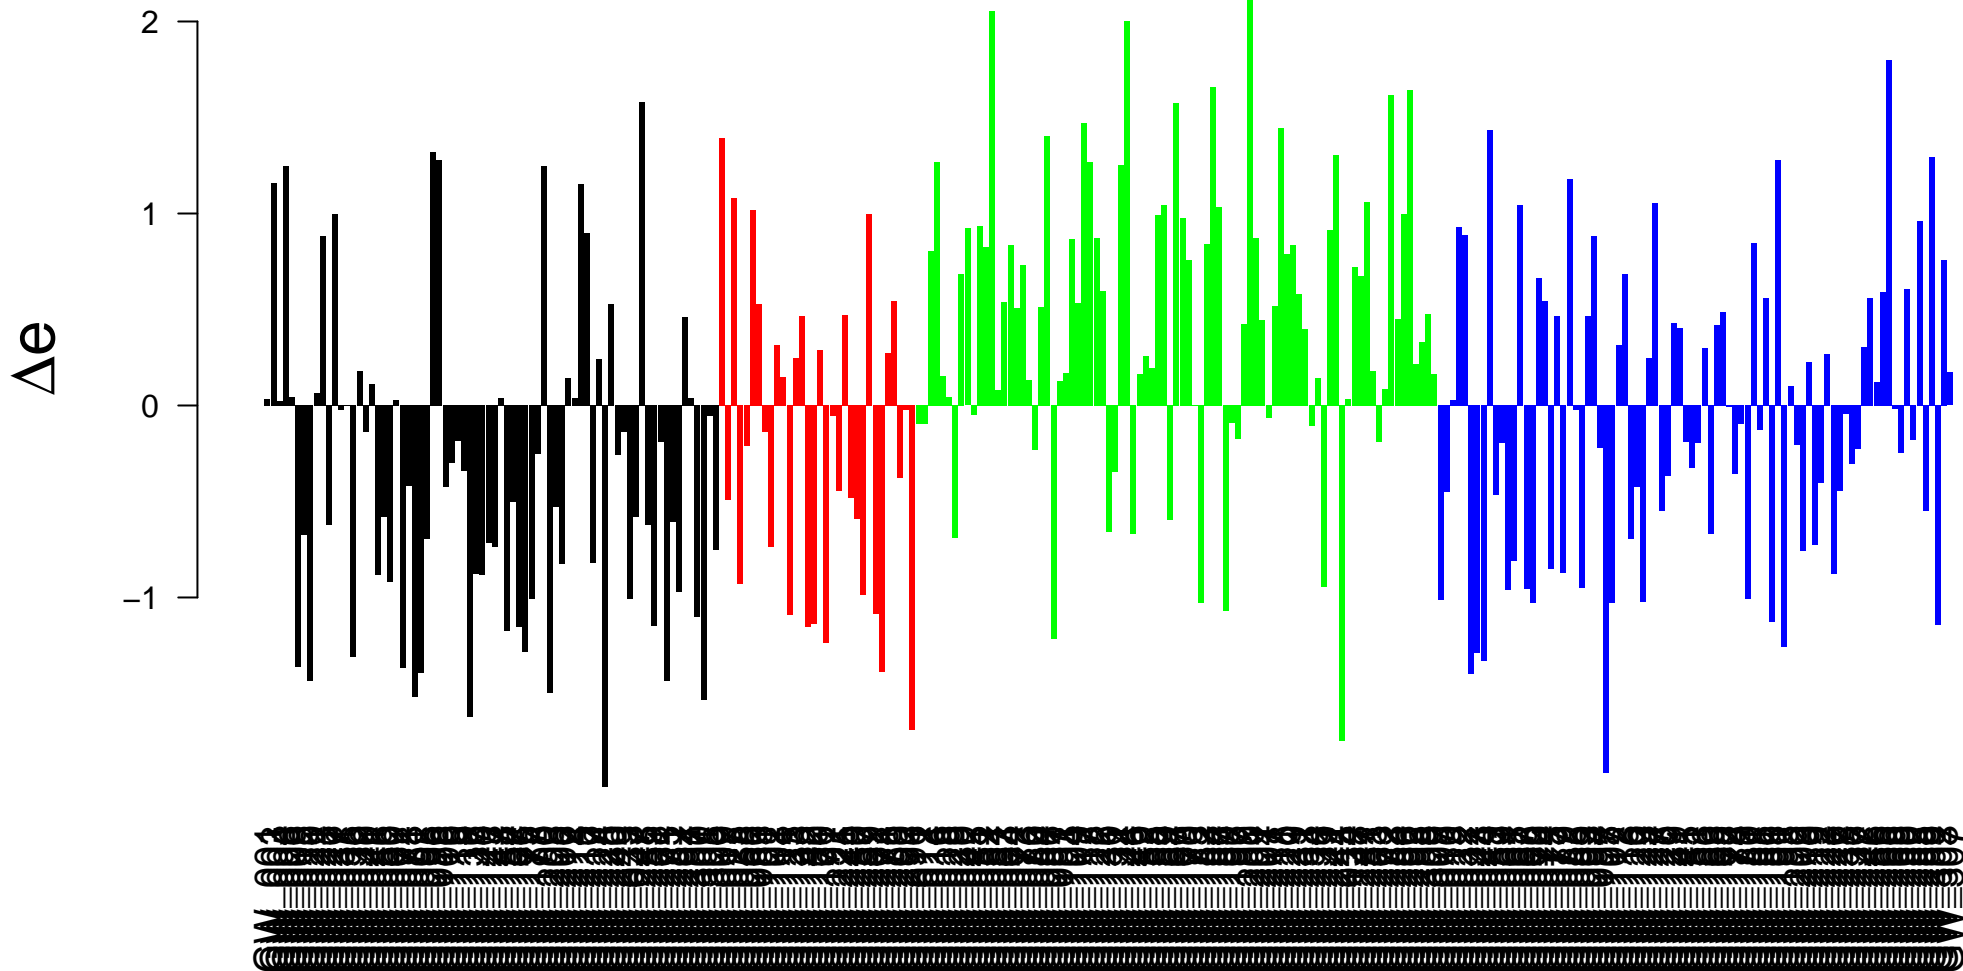

# Expression of unfolded protein binding in Spot M

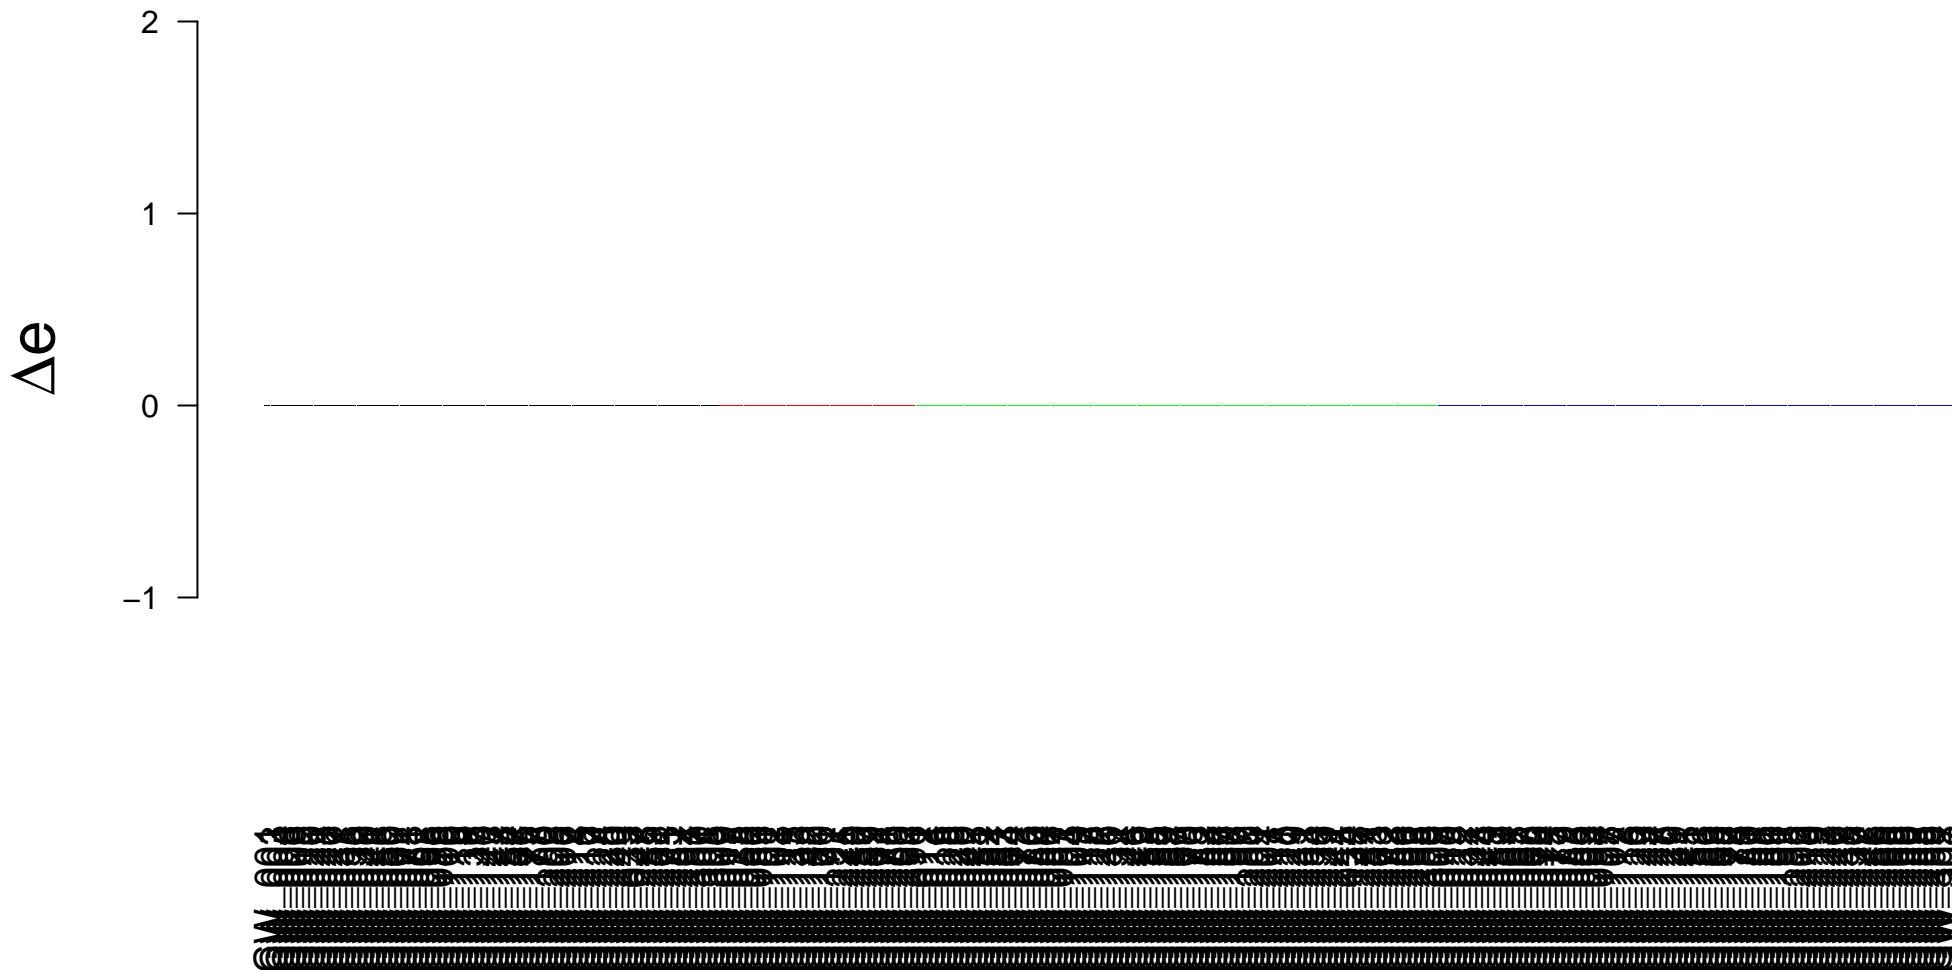

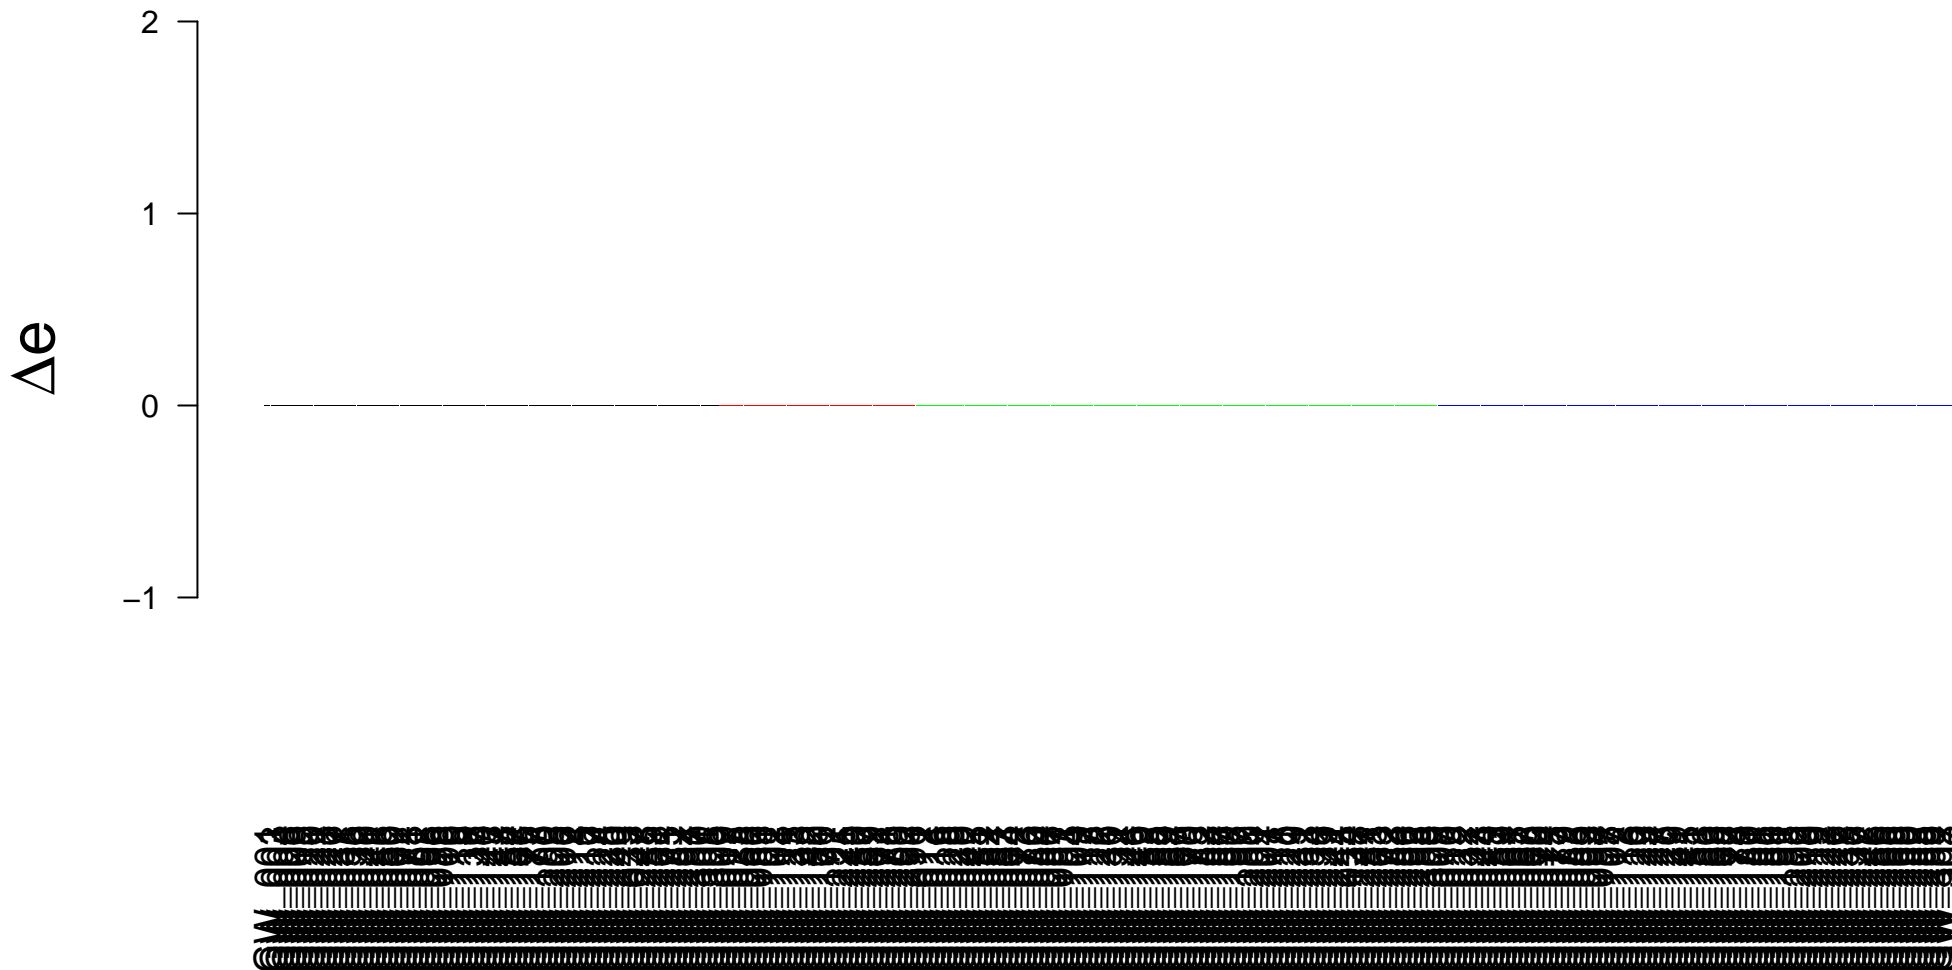

# Expression of unfolded protein binding in Spot O

# Expression of unfolded protein binding in Spot P

# Expression of unfolded protein binding in Spot Q

# Expression of unfolded protein binding in Spot R
