

ventricular cardiac muscle tissue morphogenesis

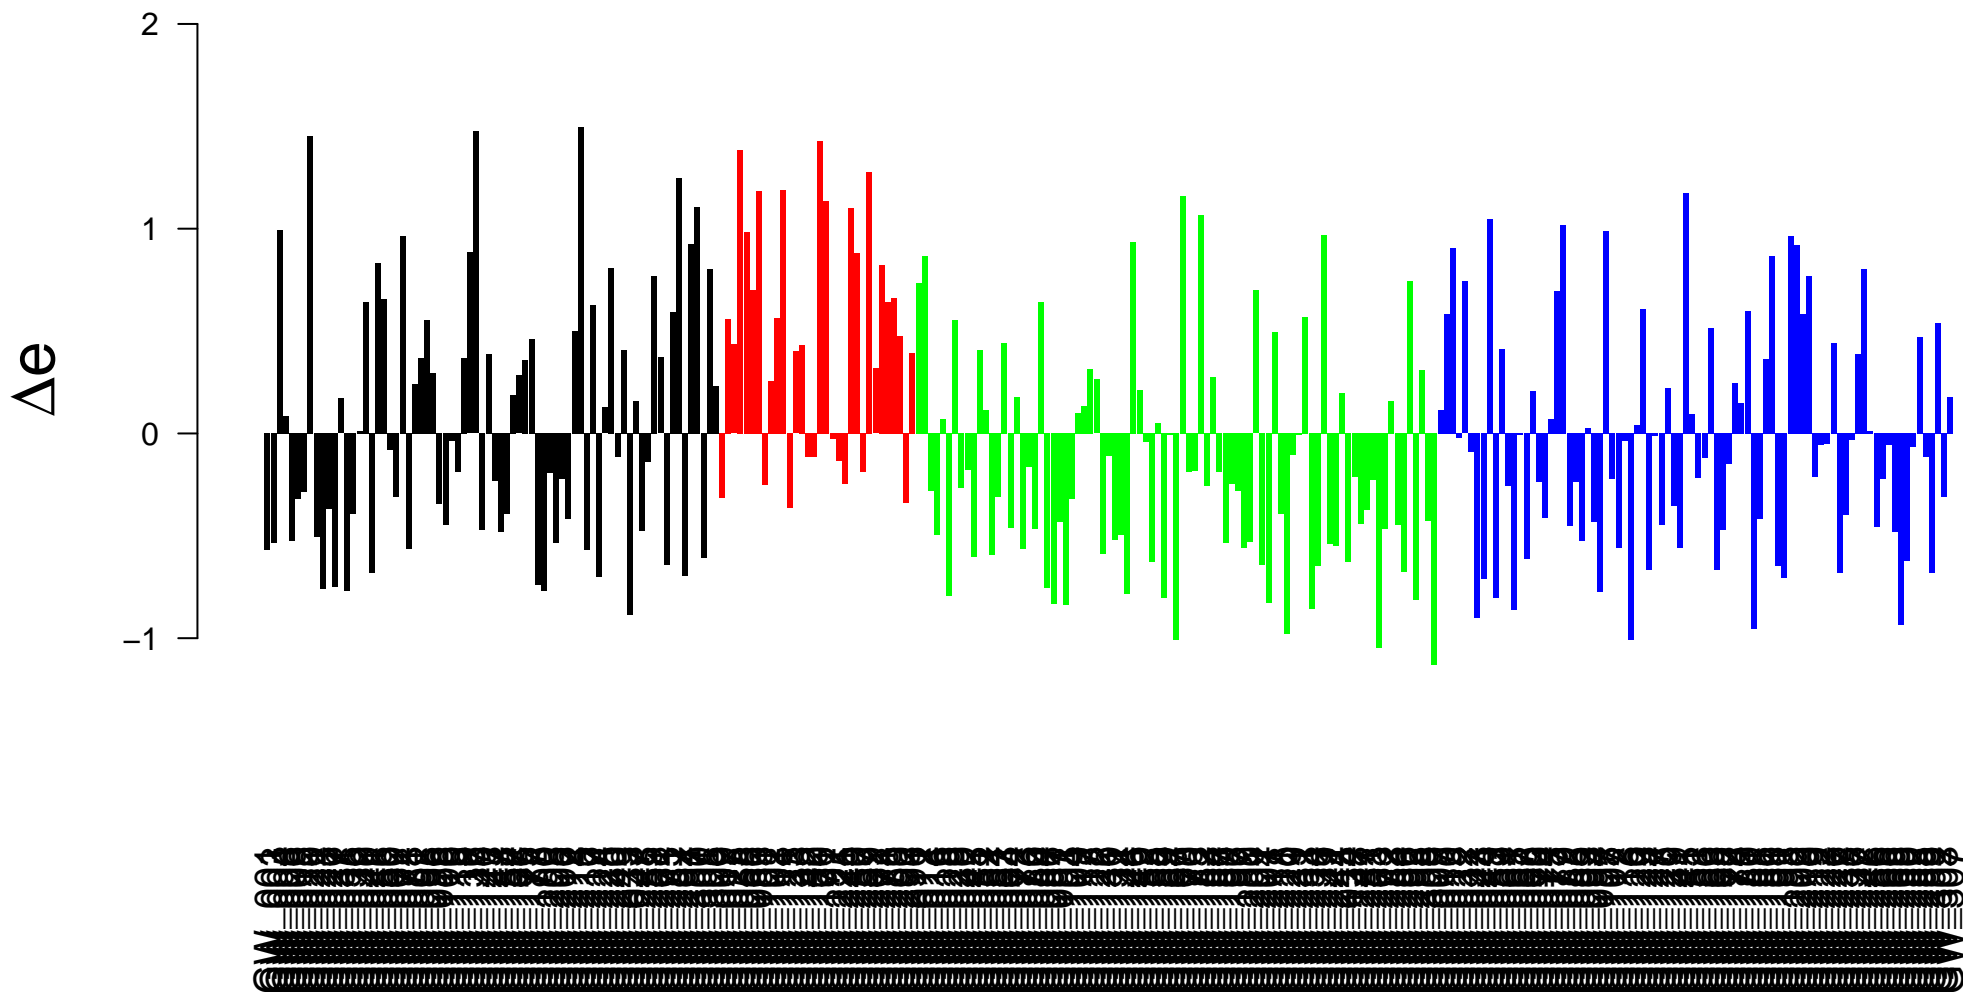

ventricular cardiac muscle tissue morphogenesis

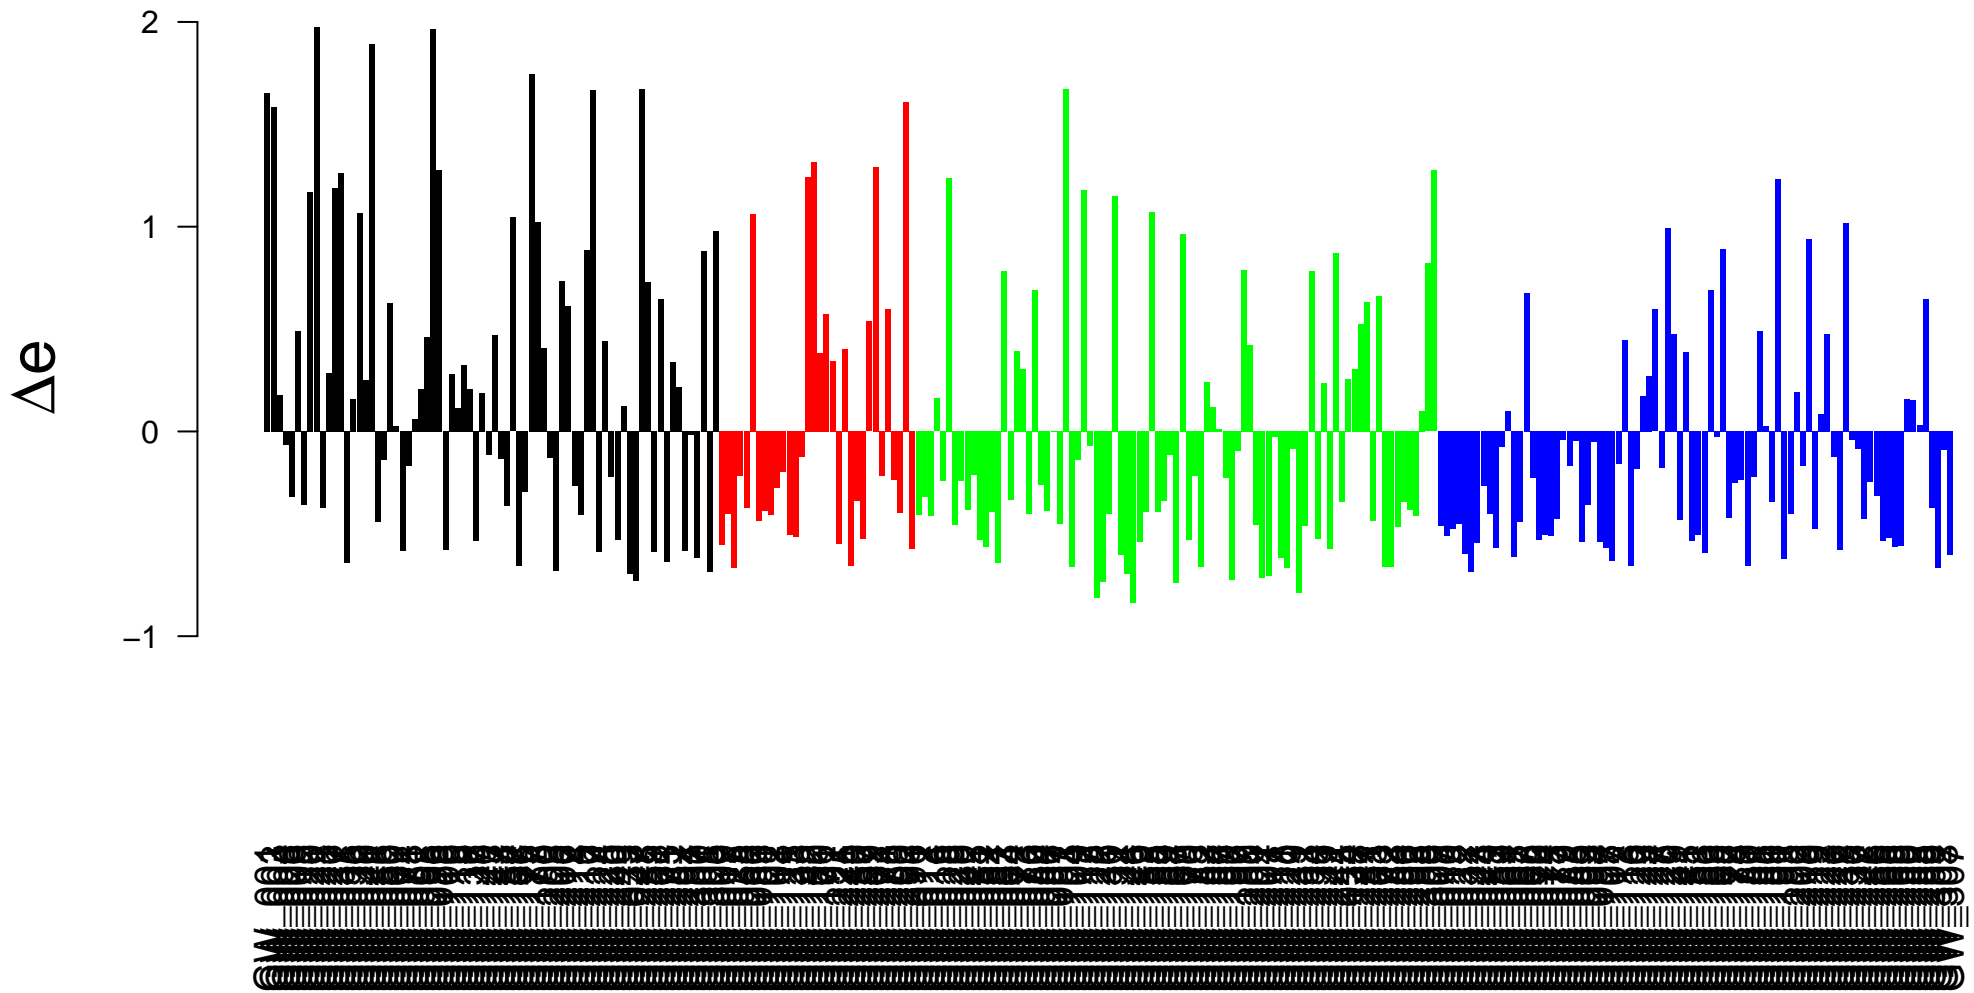

Enrichment in spots: ventricular cardiac muscle tissue morphogenesis

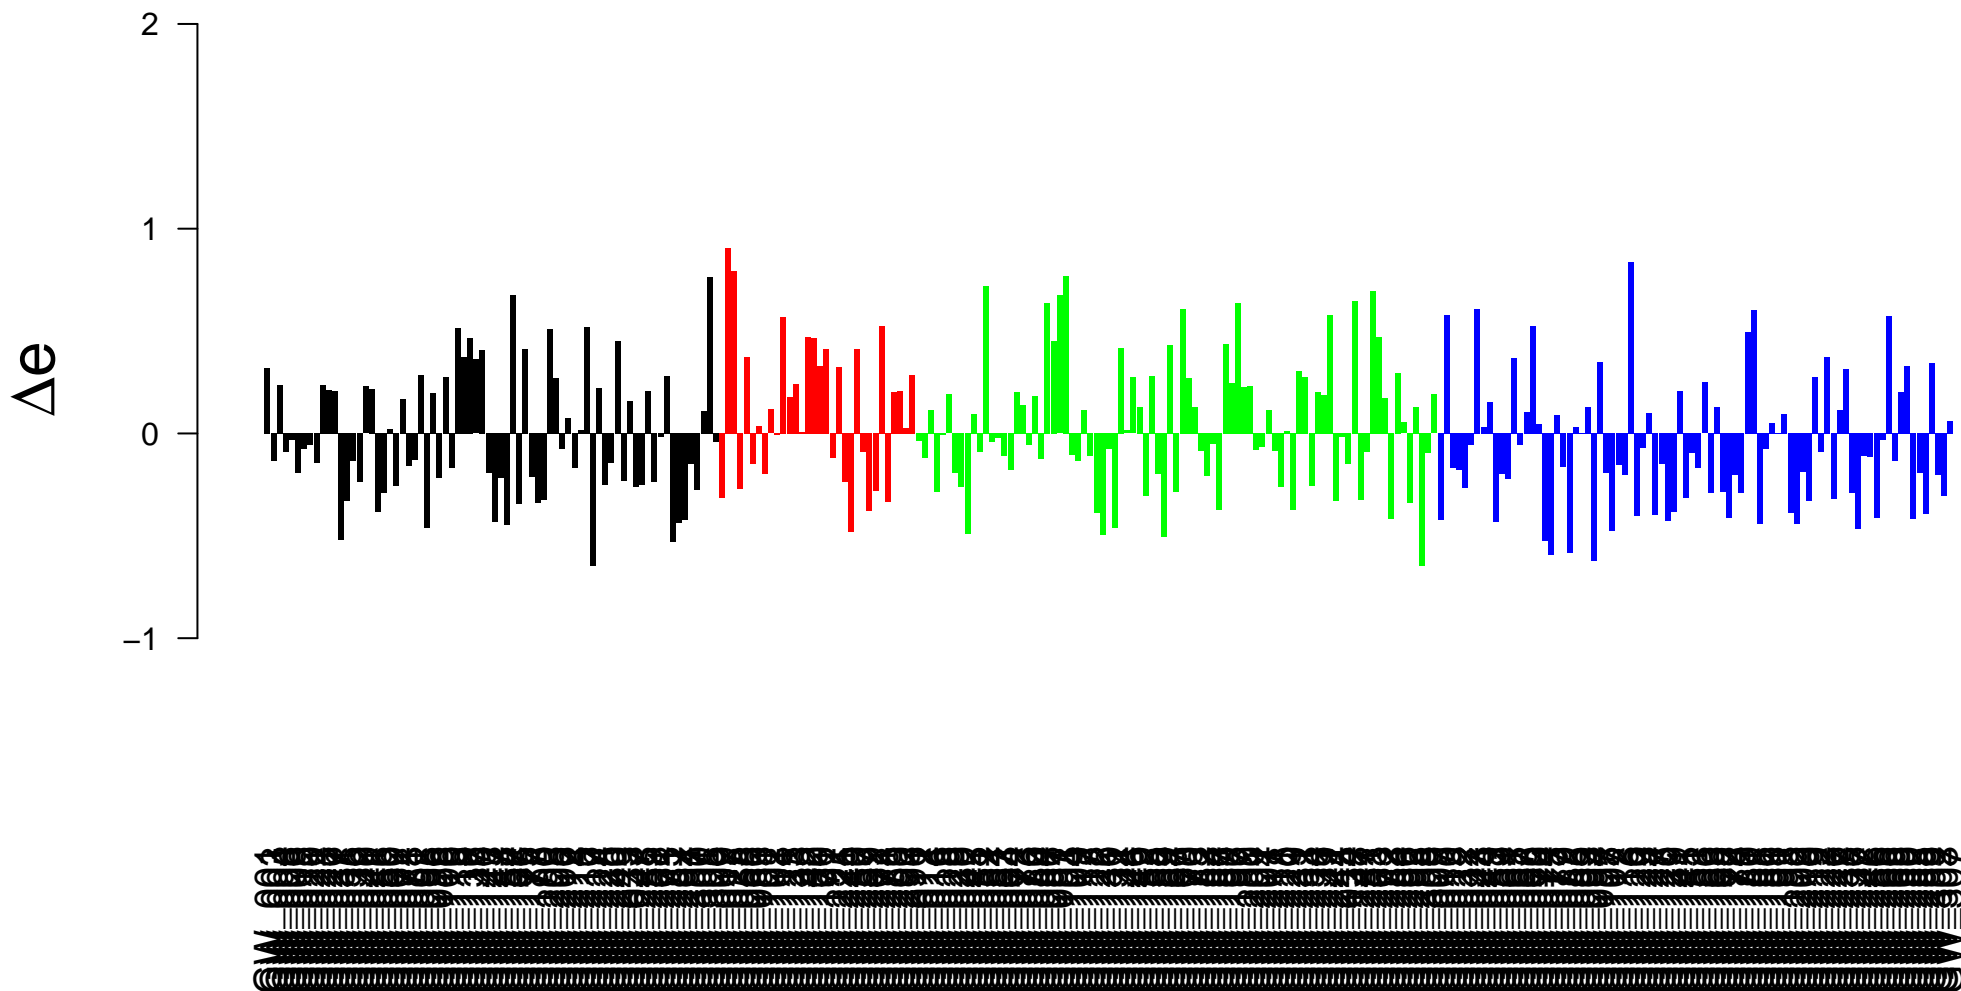

Expression of ventricular cardiac muscle tissue morphogenesis in Spot A

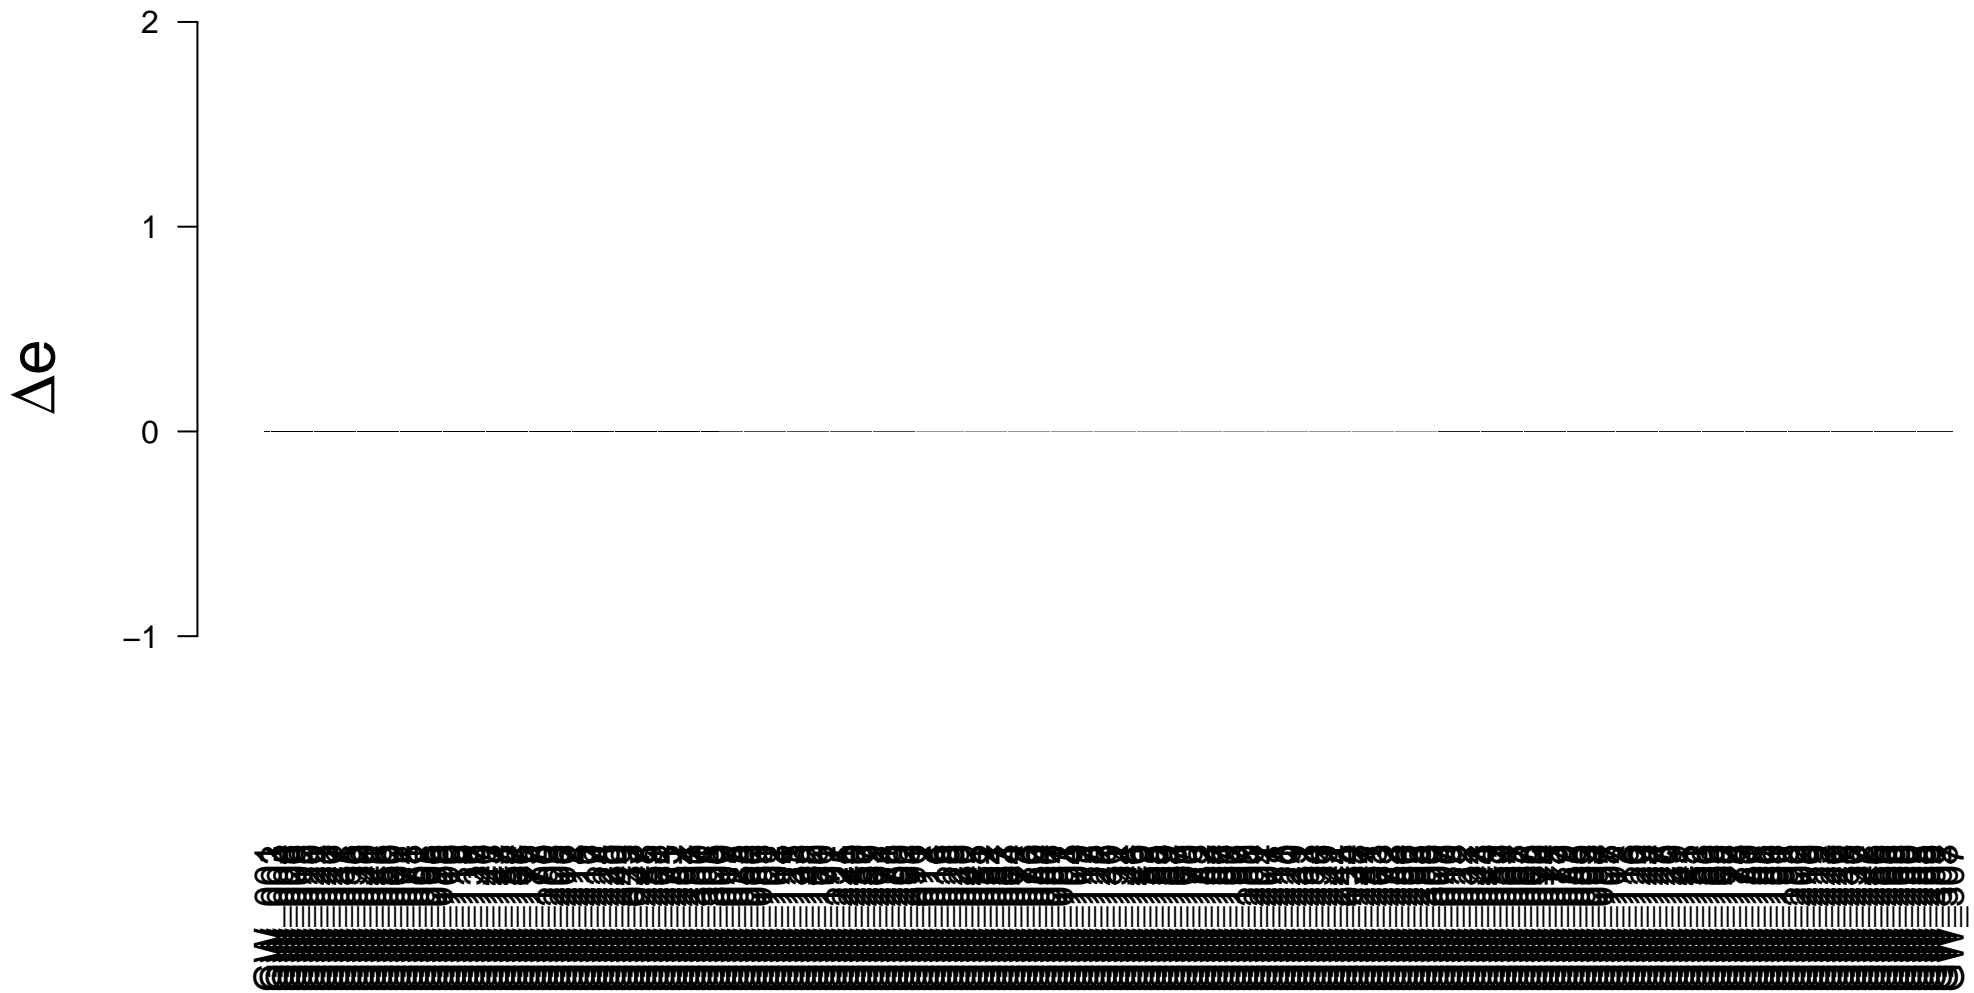

Expression of ventricular cardiac muscle tissue morphogenesis in Spot B

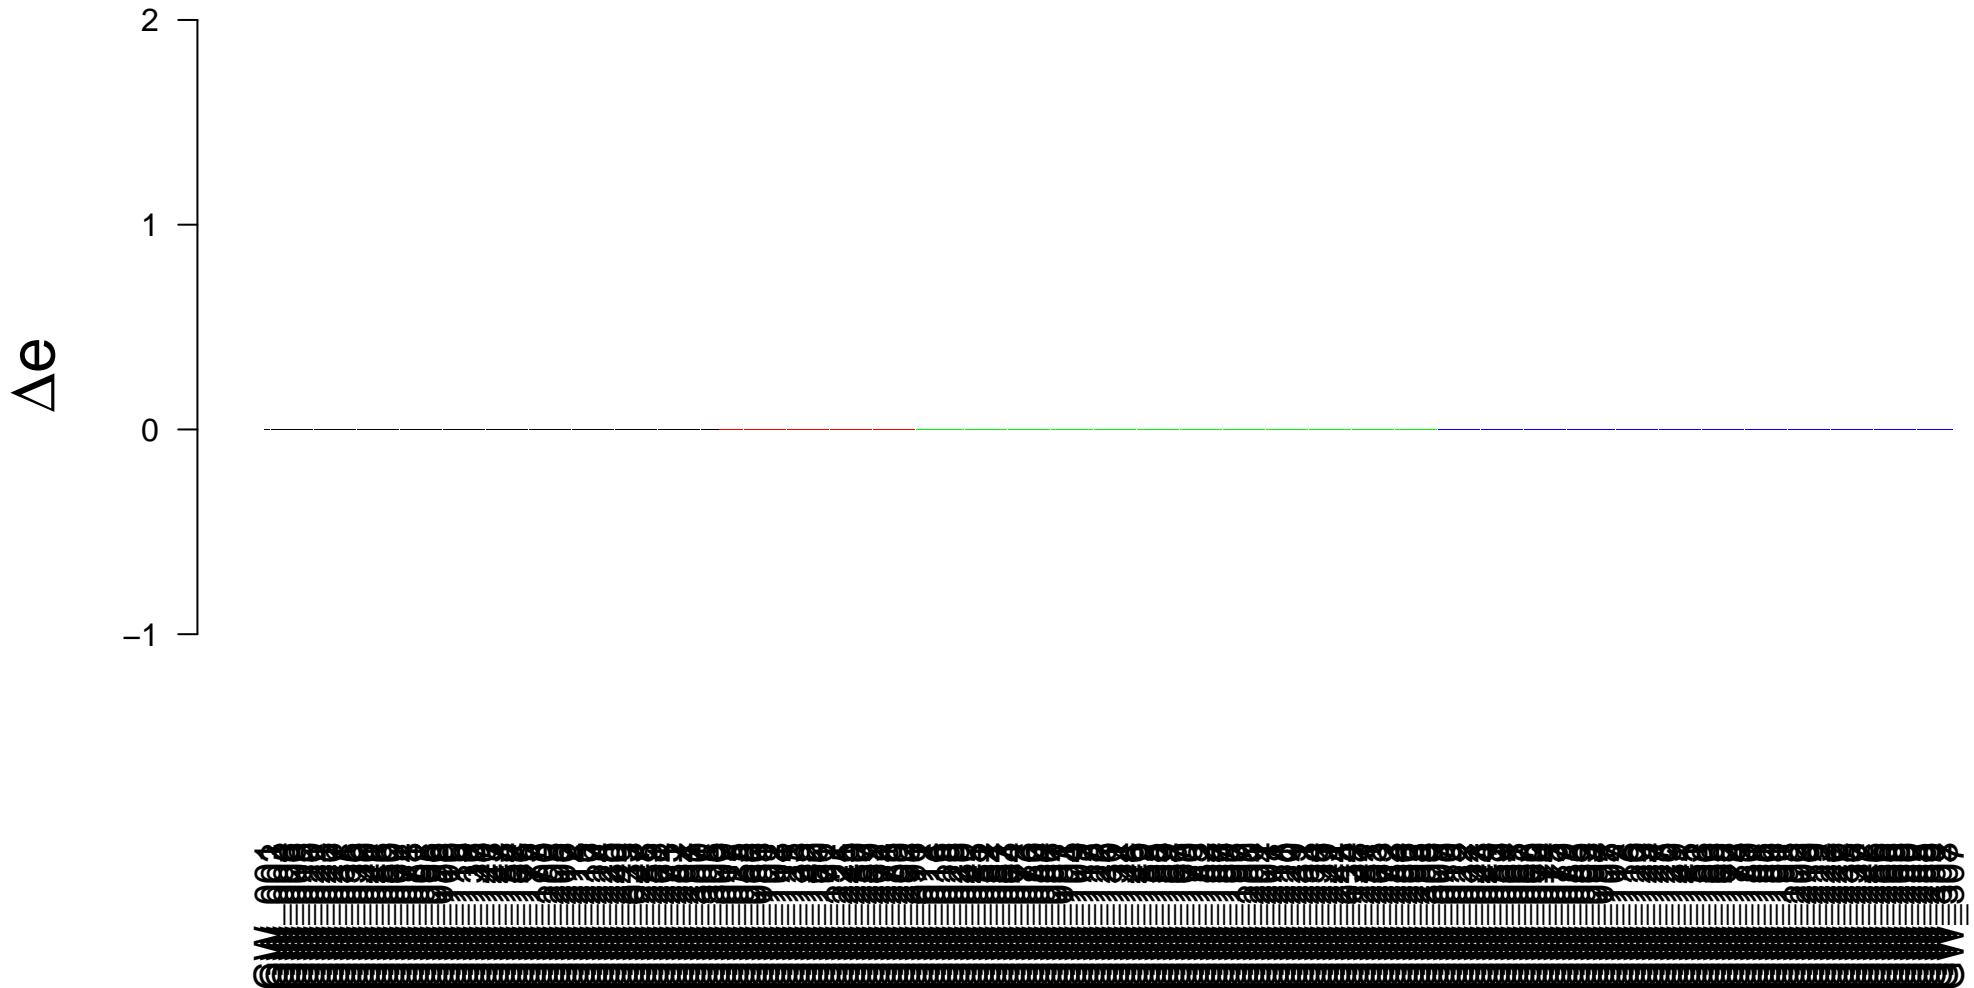

Expression of ventricular cardiac muscle tissue morphogenesis in Spot C

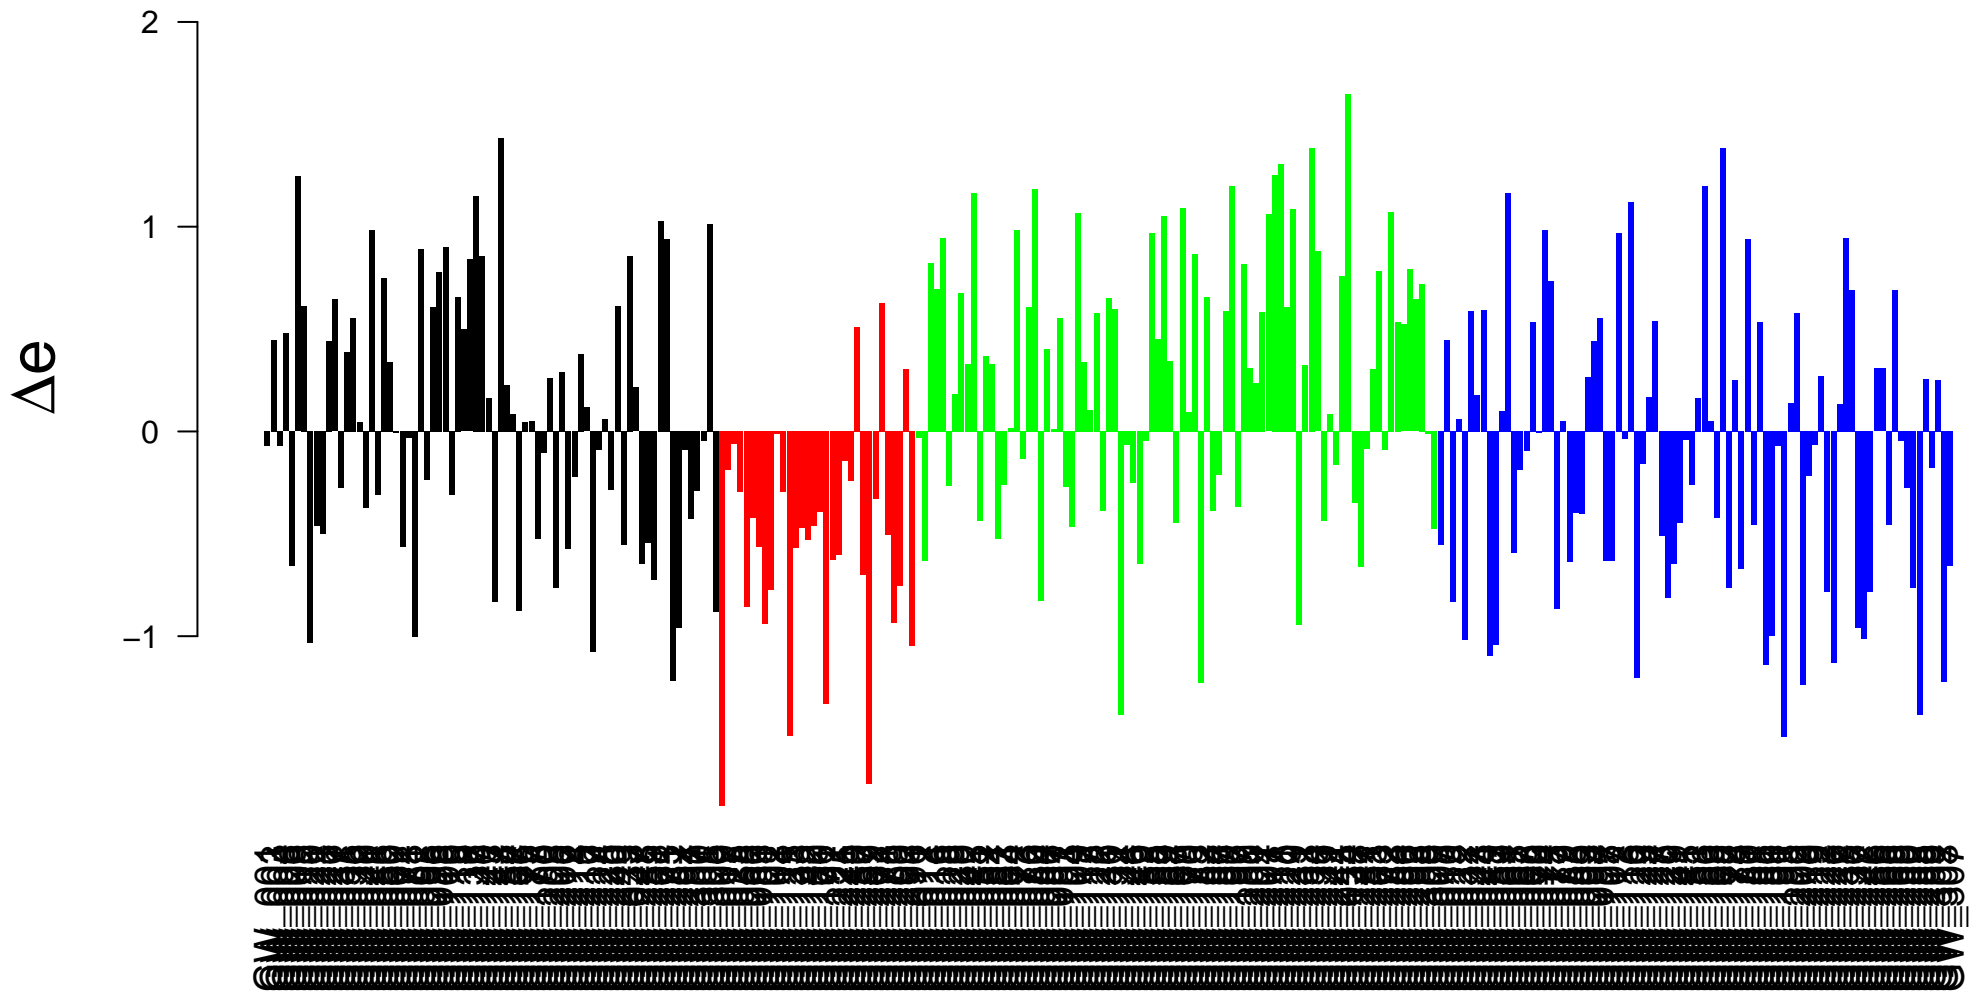

Expression of ventricular cardiac muscle tissue morphogenesis in Spot D

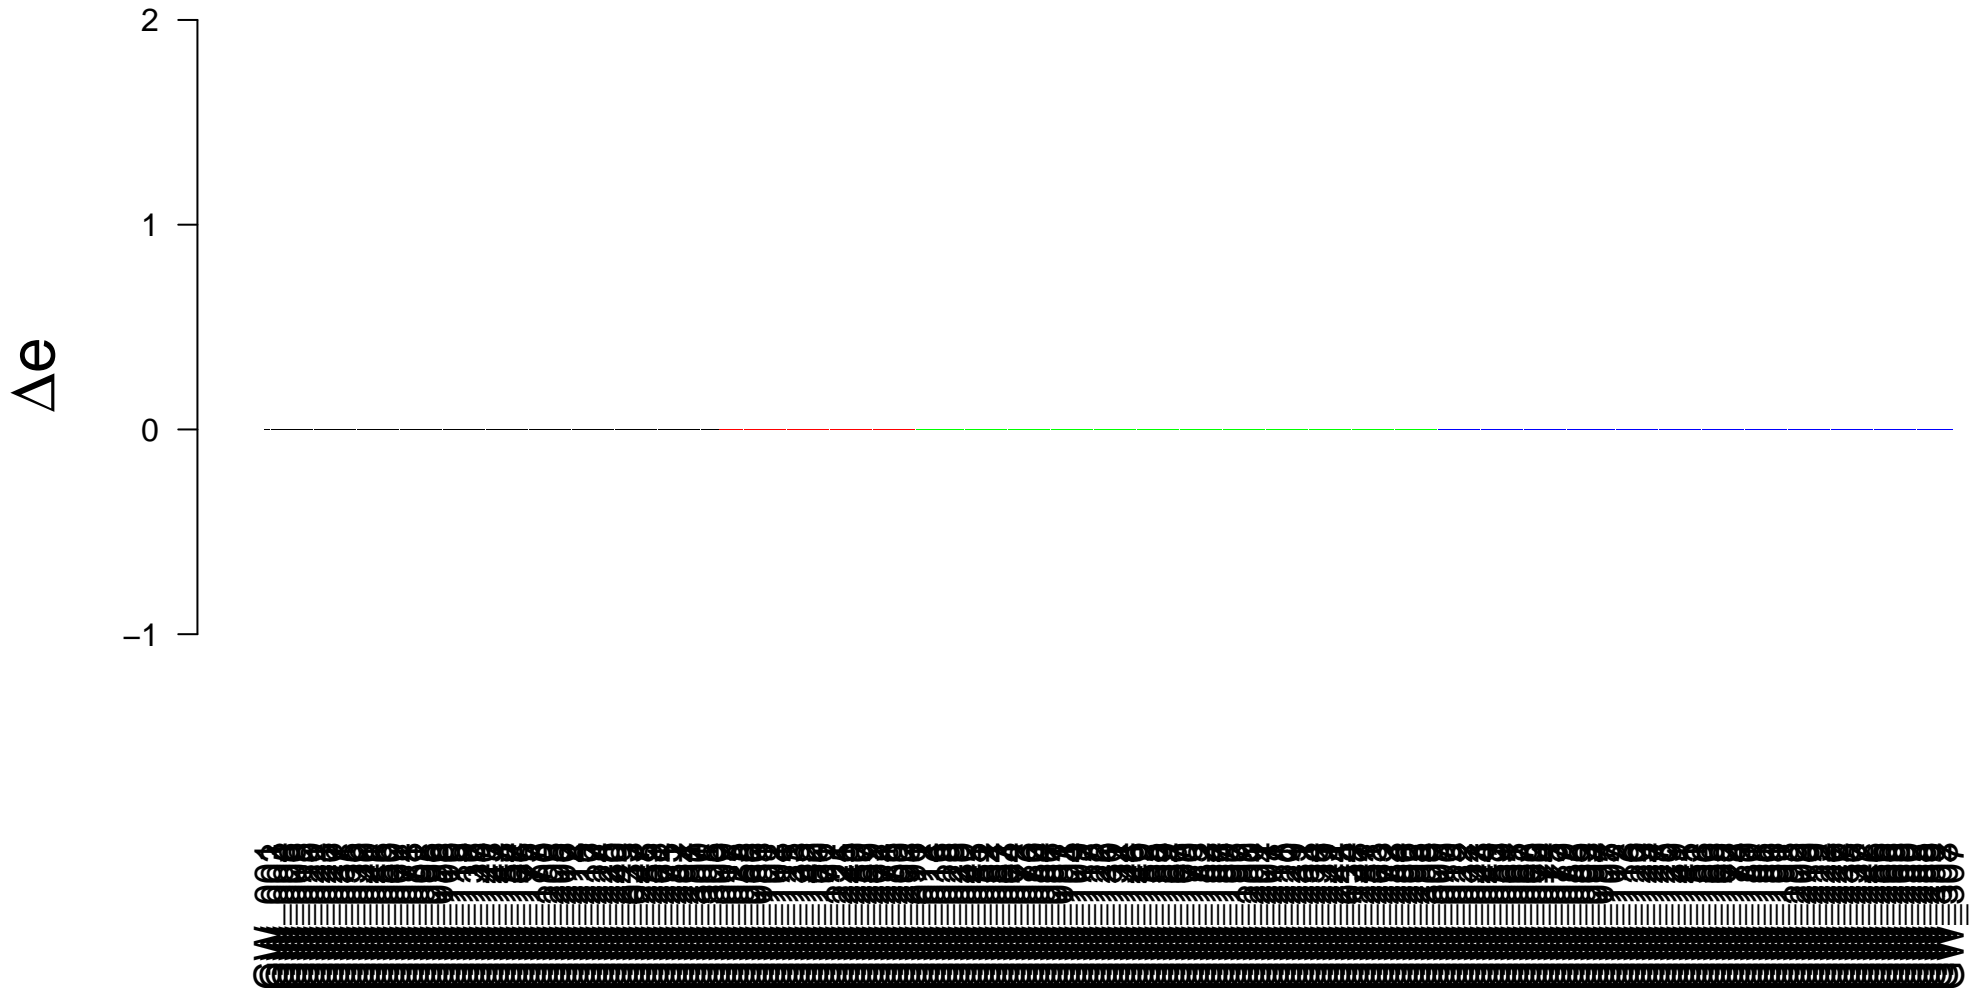

Expression of ventricular cardiac muscle tissue morphogenesis in Spot E

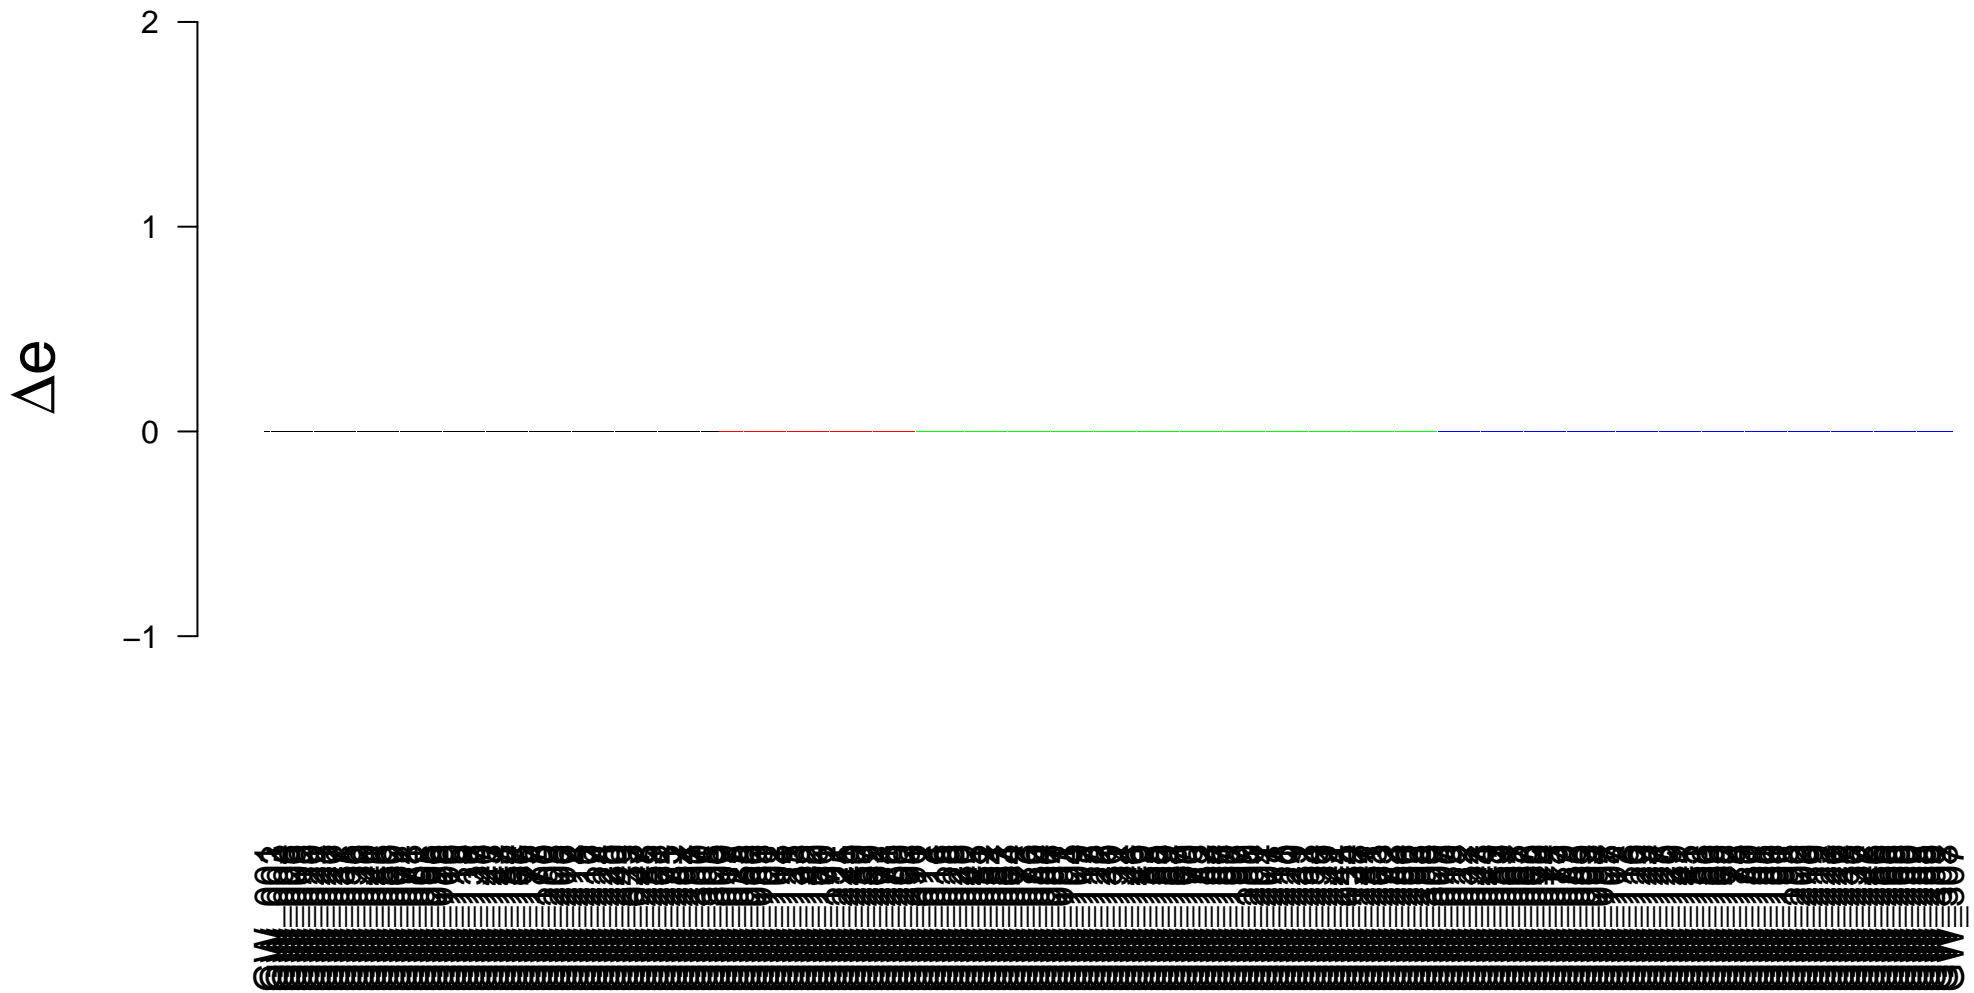

Expression of ventricular cardiac muscle tissue morphogenesis in Spot F

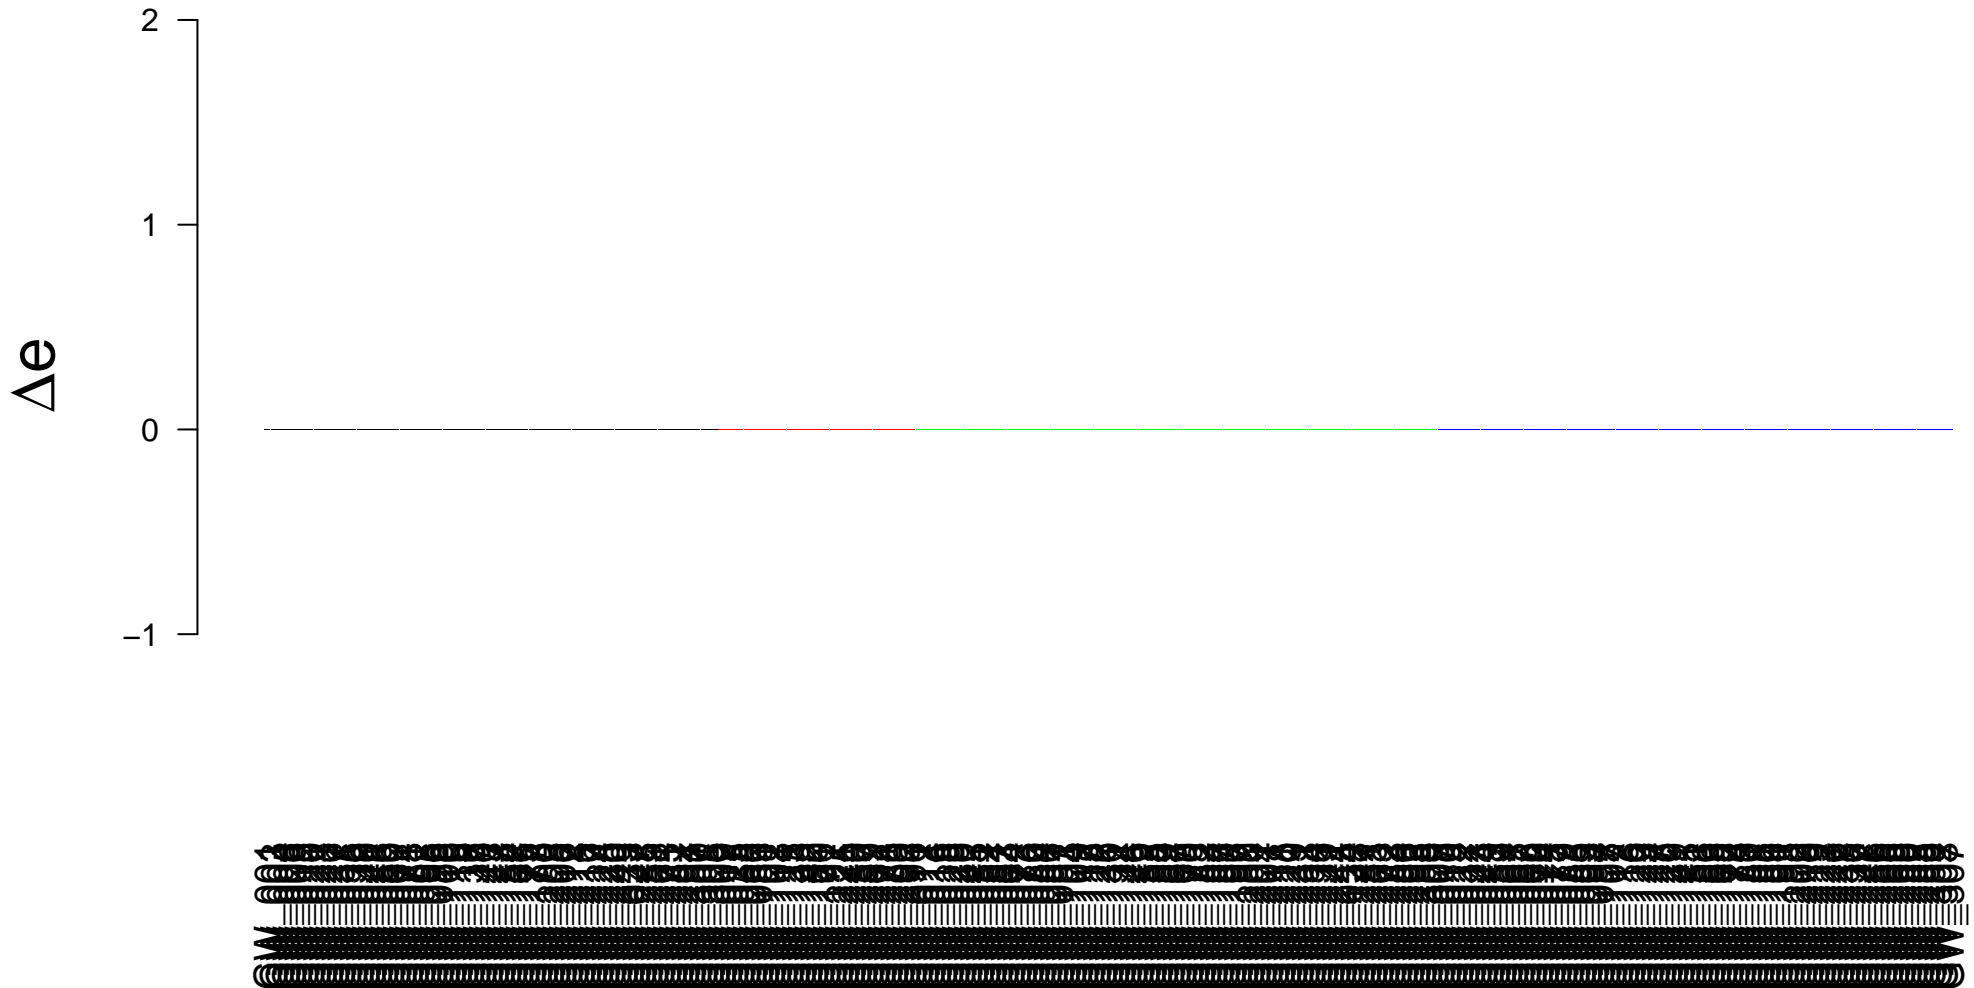

Expression of ventricular cardiac muscle tissue morphogenesis in Spot G

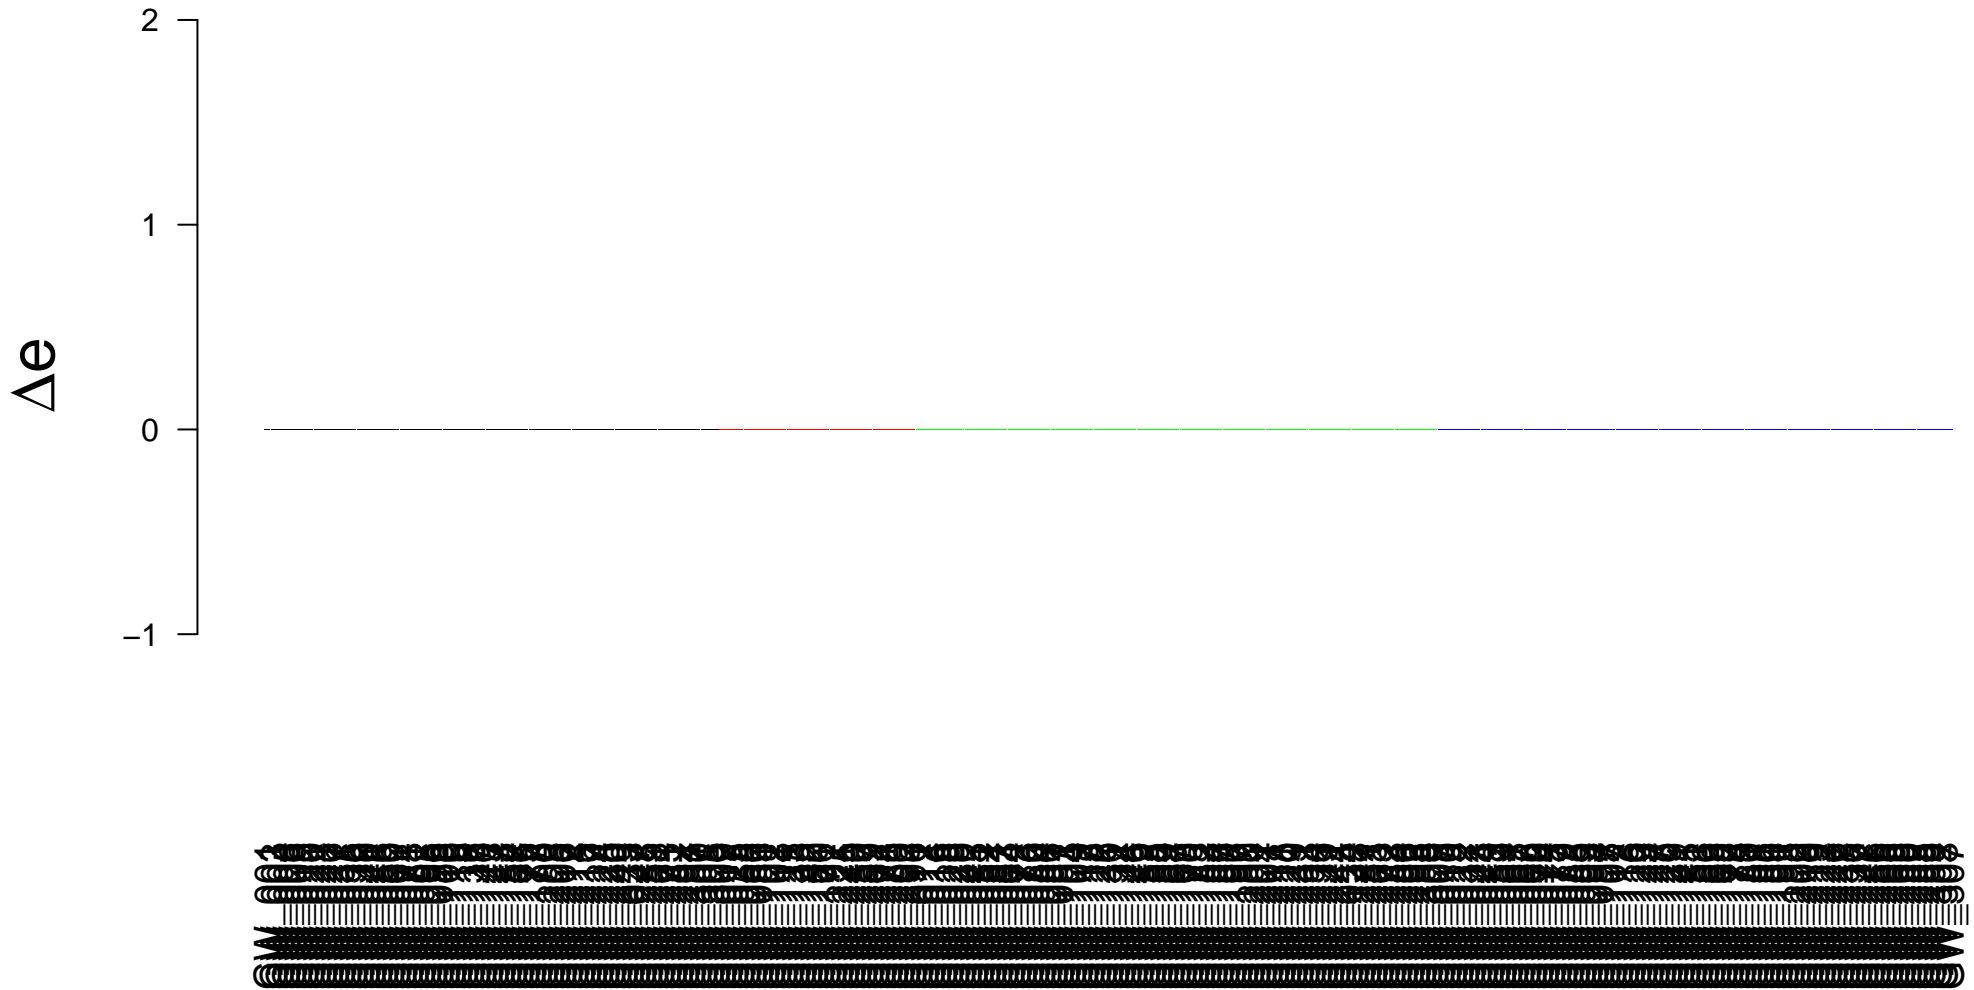

Expression of ventricular cardiac muscle tissue morphogenesis in Spot H

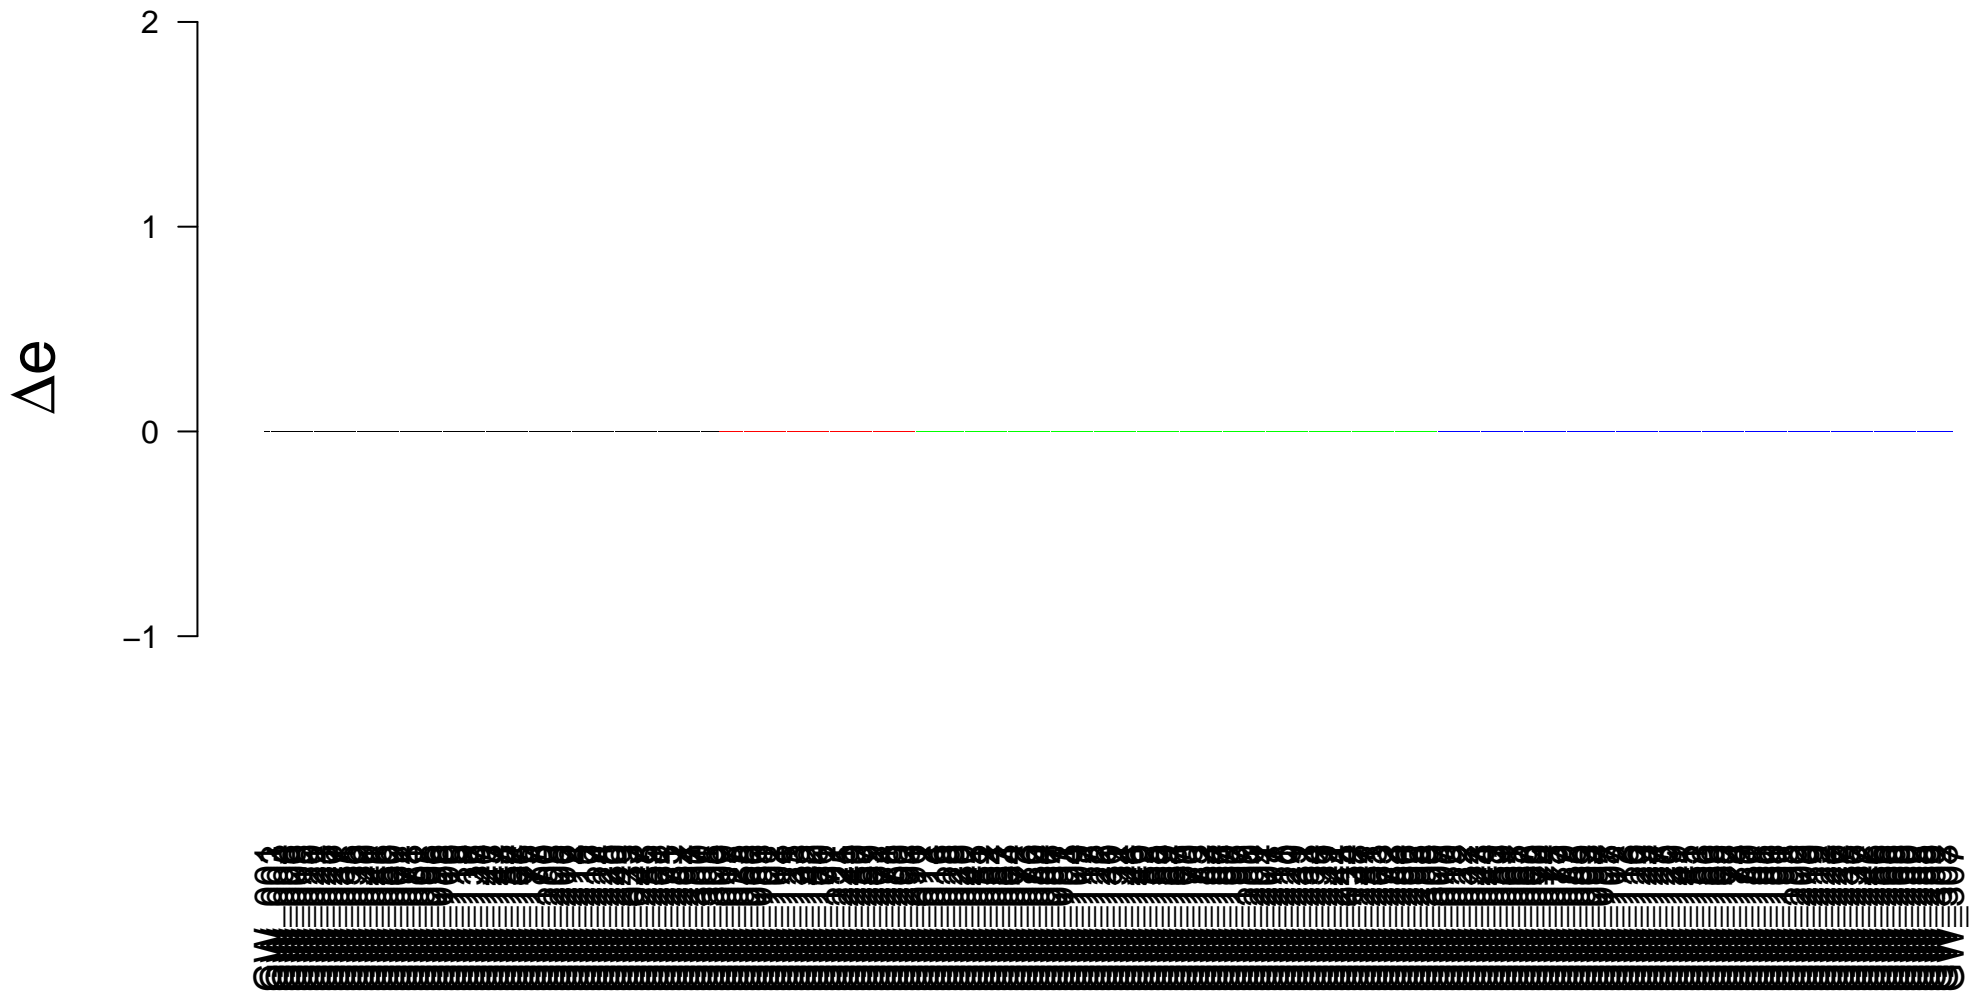

Expression of ventricular cardiac muscle tissue morphogenesis in Spot I

Expression of ventricular cardiac muscle tissue morphogenesis in Spot J

Expression of ventricular cardiac muscle tissue morphogenesis in Spot K

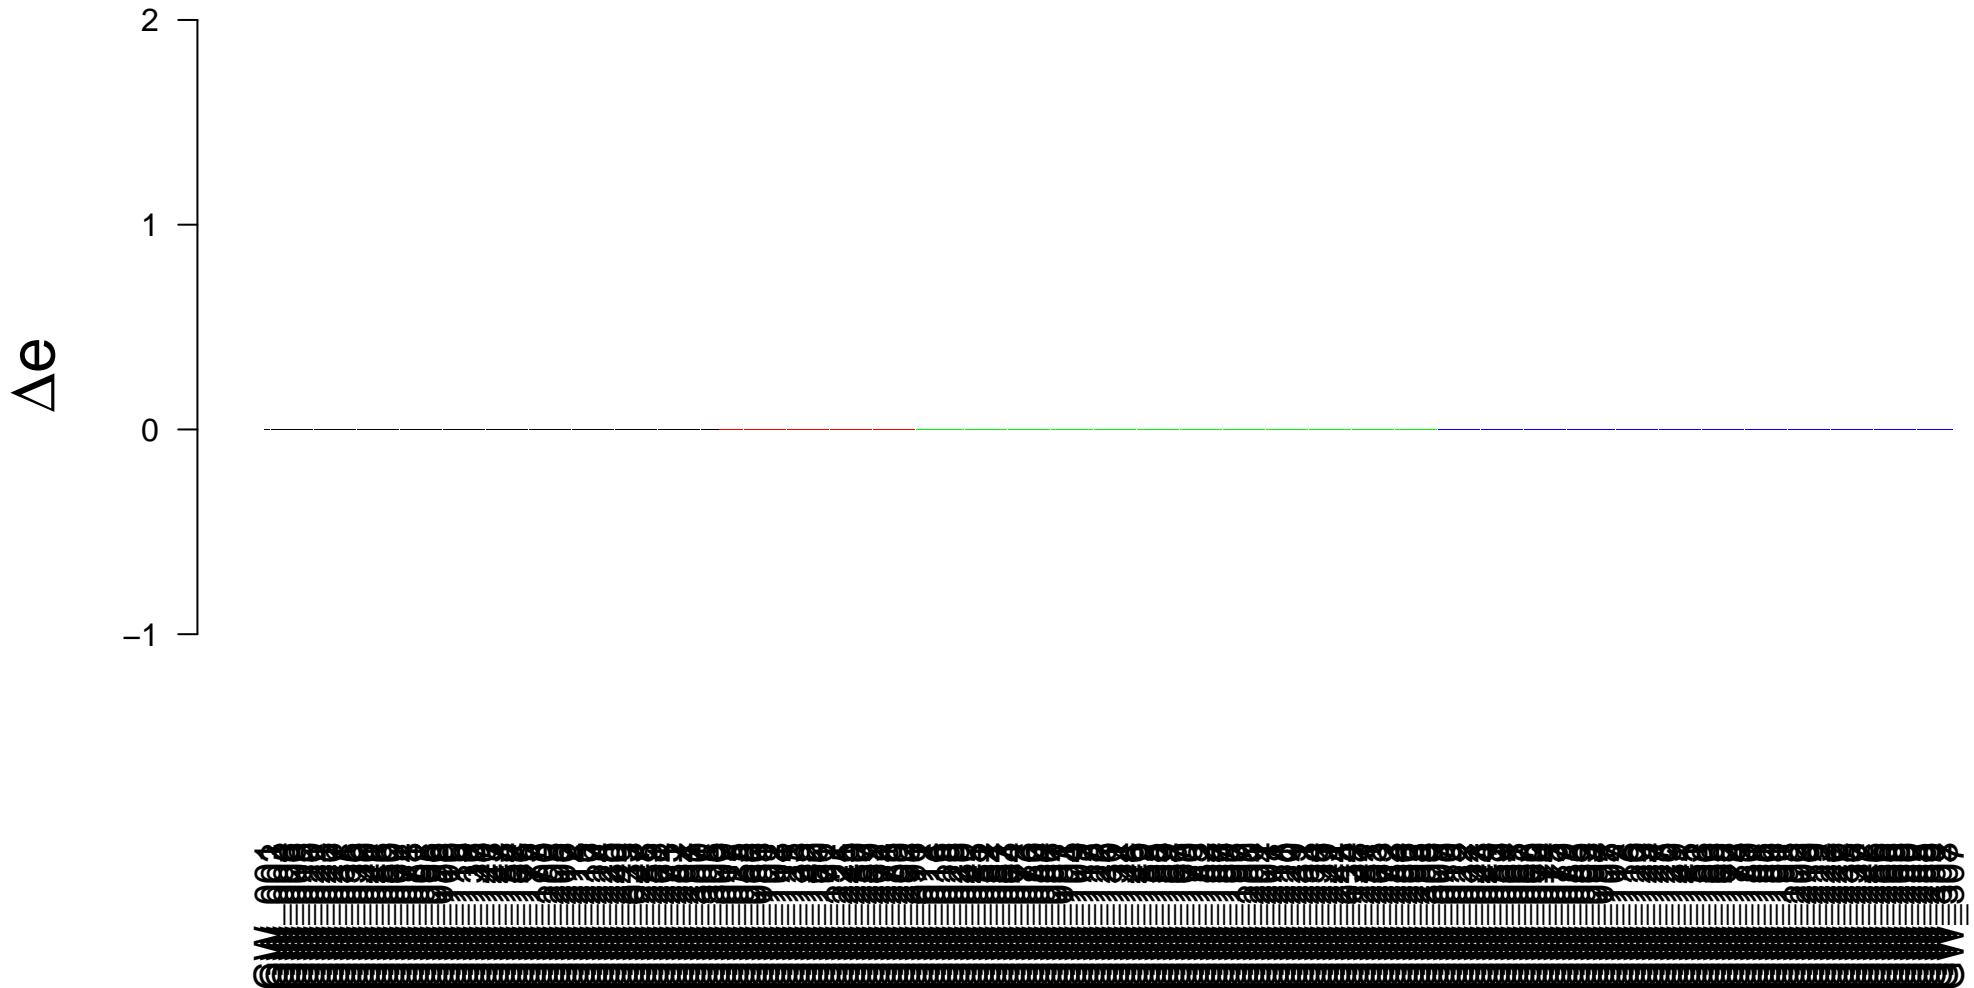

Expression of ventricular cardiac muscle tissue morphogenesis in Spot L

Δe

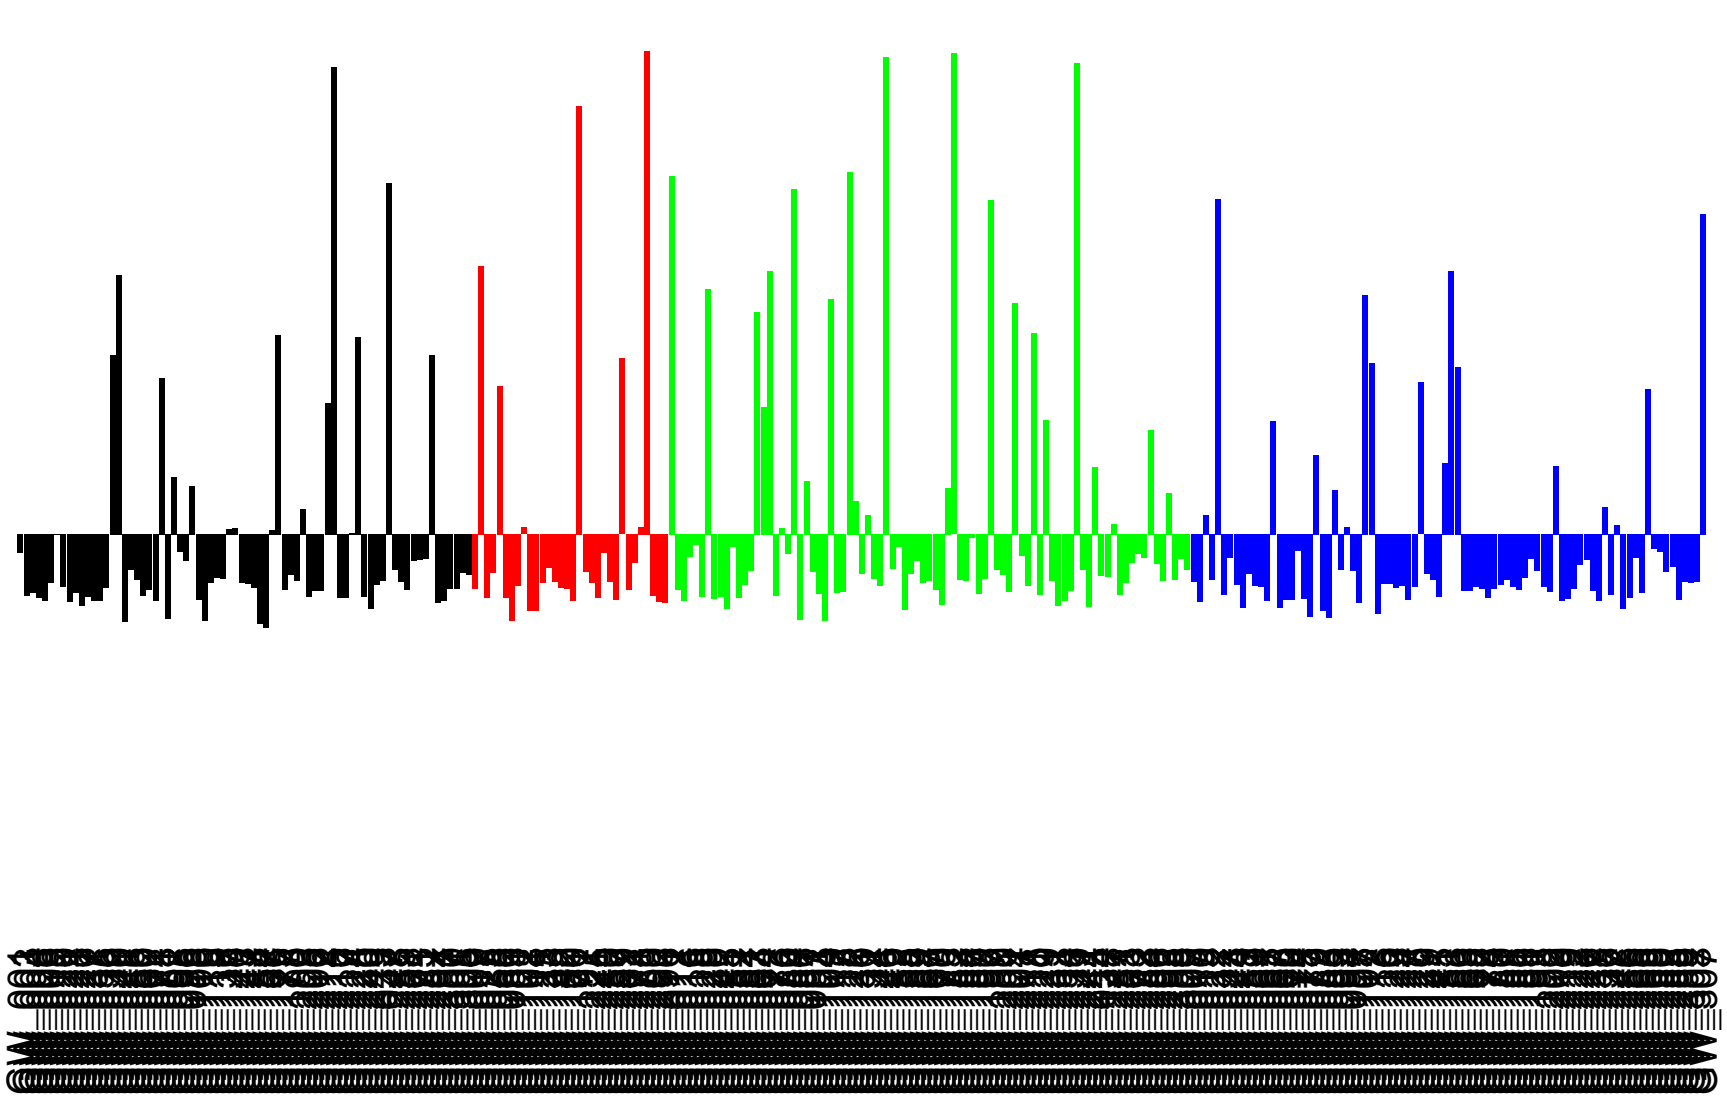

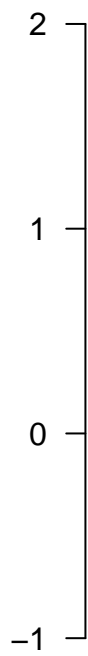

Expression of ventricular cardiac muscle tissue morphogenesis in Spot M

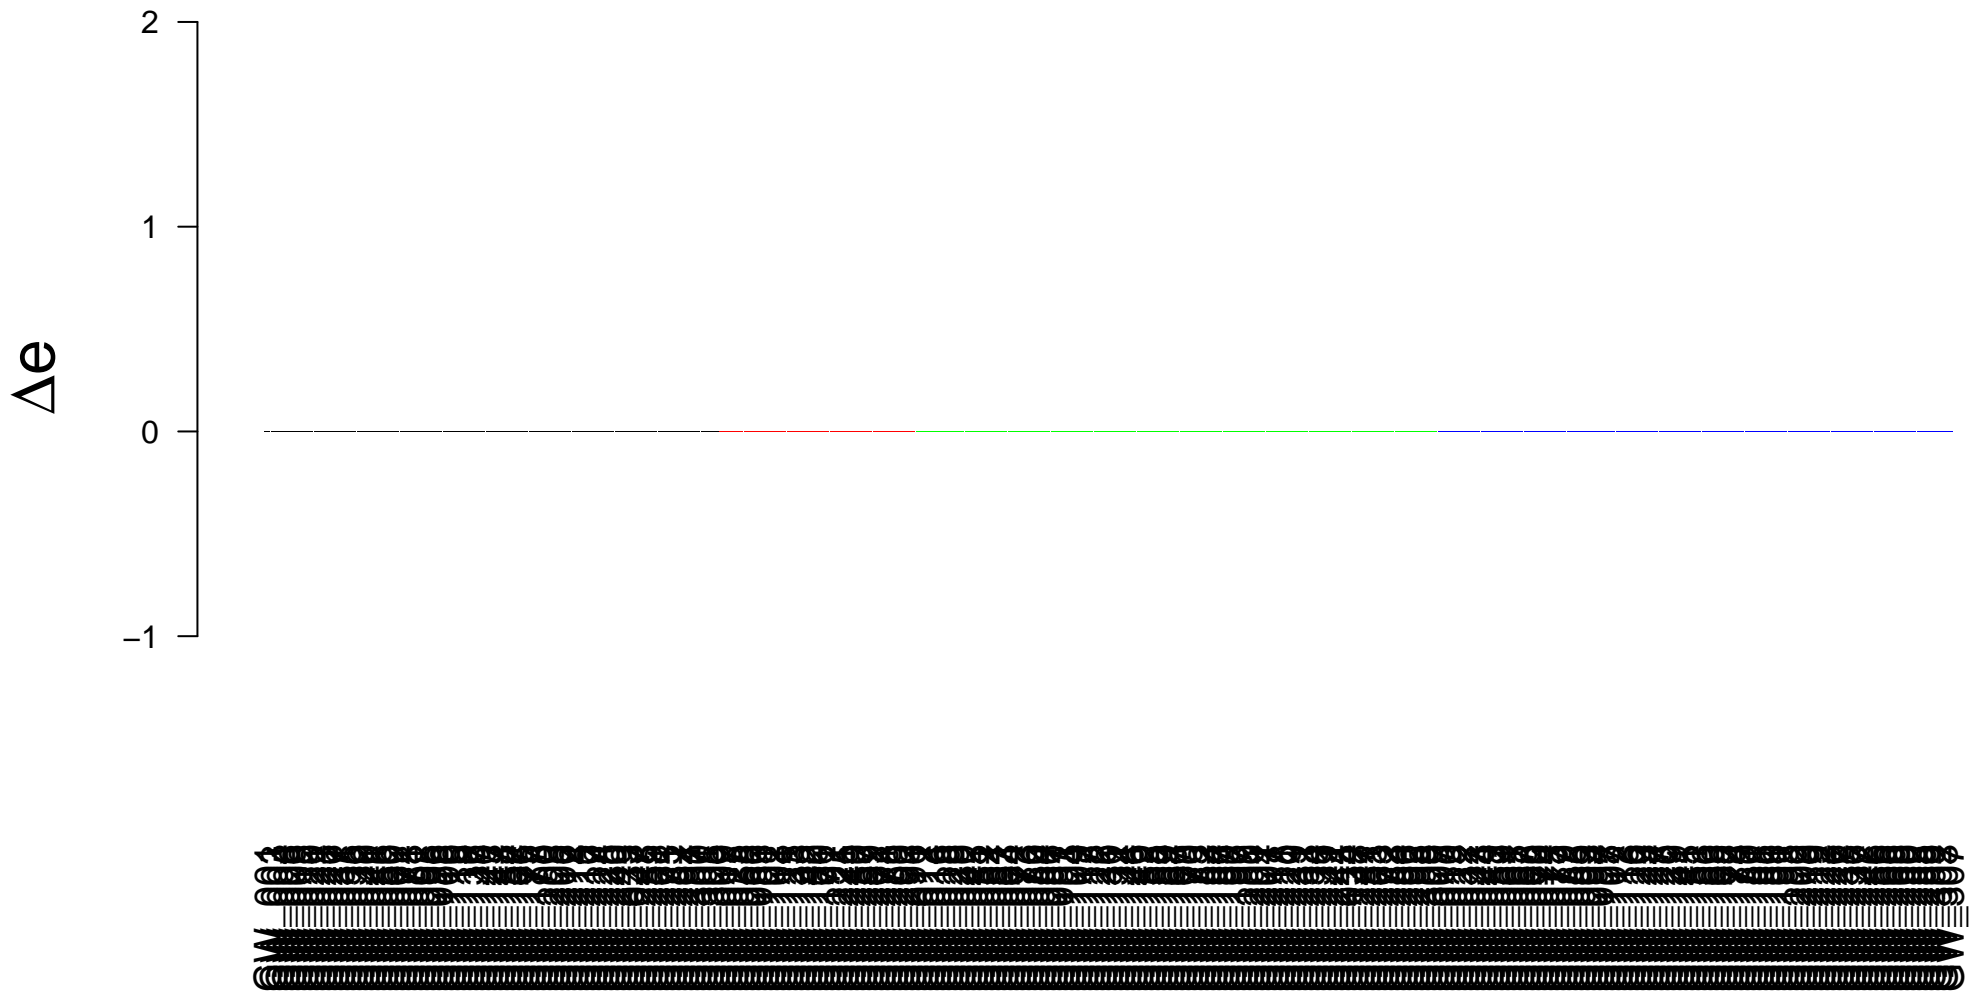

Expression of ventricular cardiac muscle tissue morphogenesis in Spot N

Δe

Expression of ventricular cardiac muscle tissue morphogenesis in Spot O

Expression of ventricular cardiac muscle tissue morphogenesis in Spot P
