vesicle docking involved in exocytosis

Enrichment in spots: vesicle docking involved in exocytosis

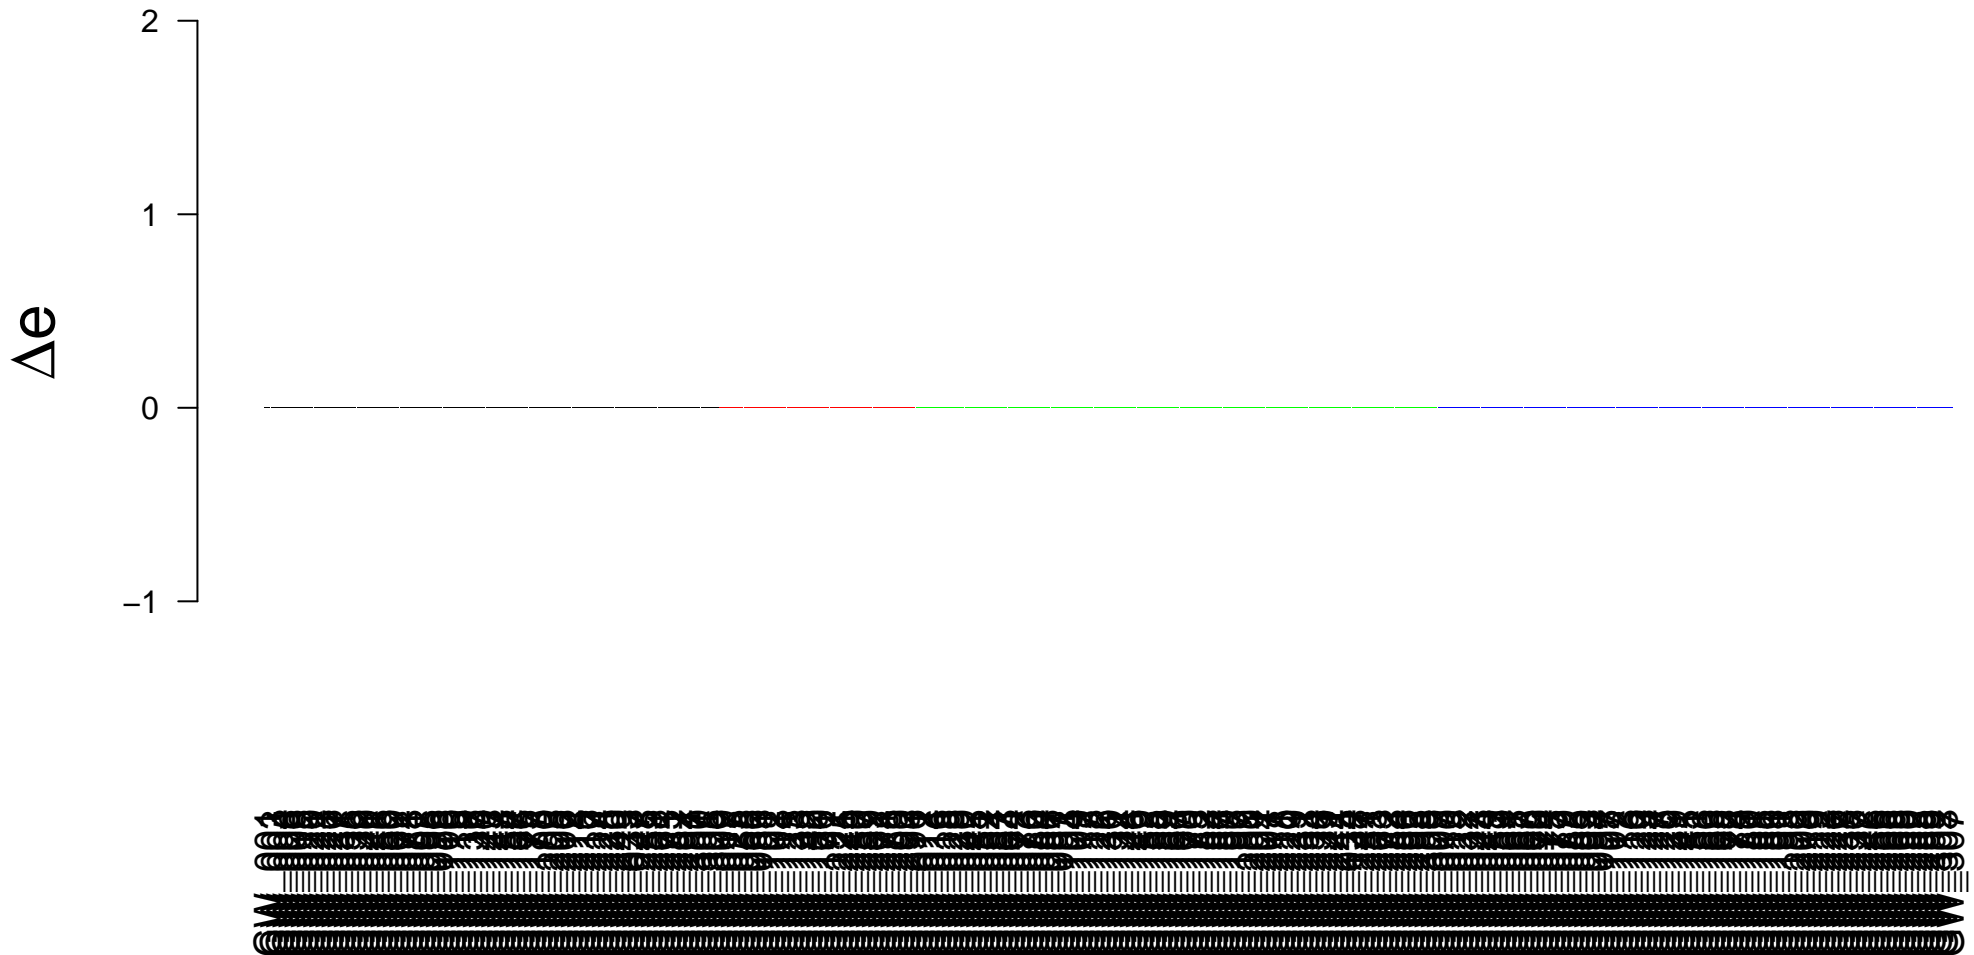

Expression of vesicle docking involved in exocytosis in Spot A

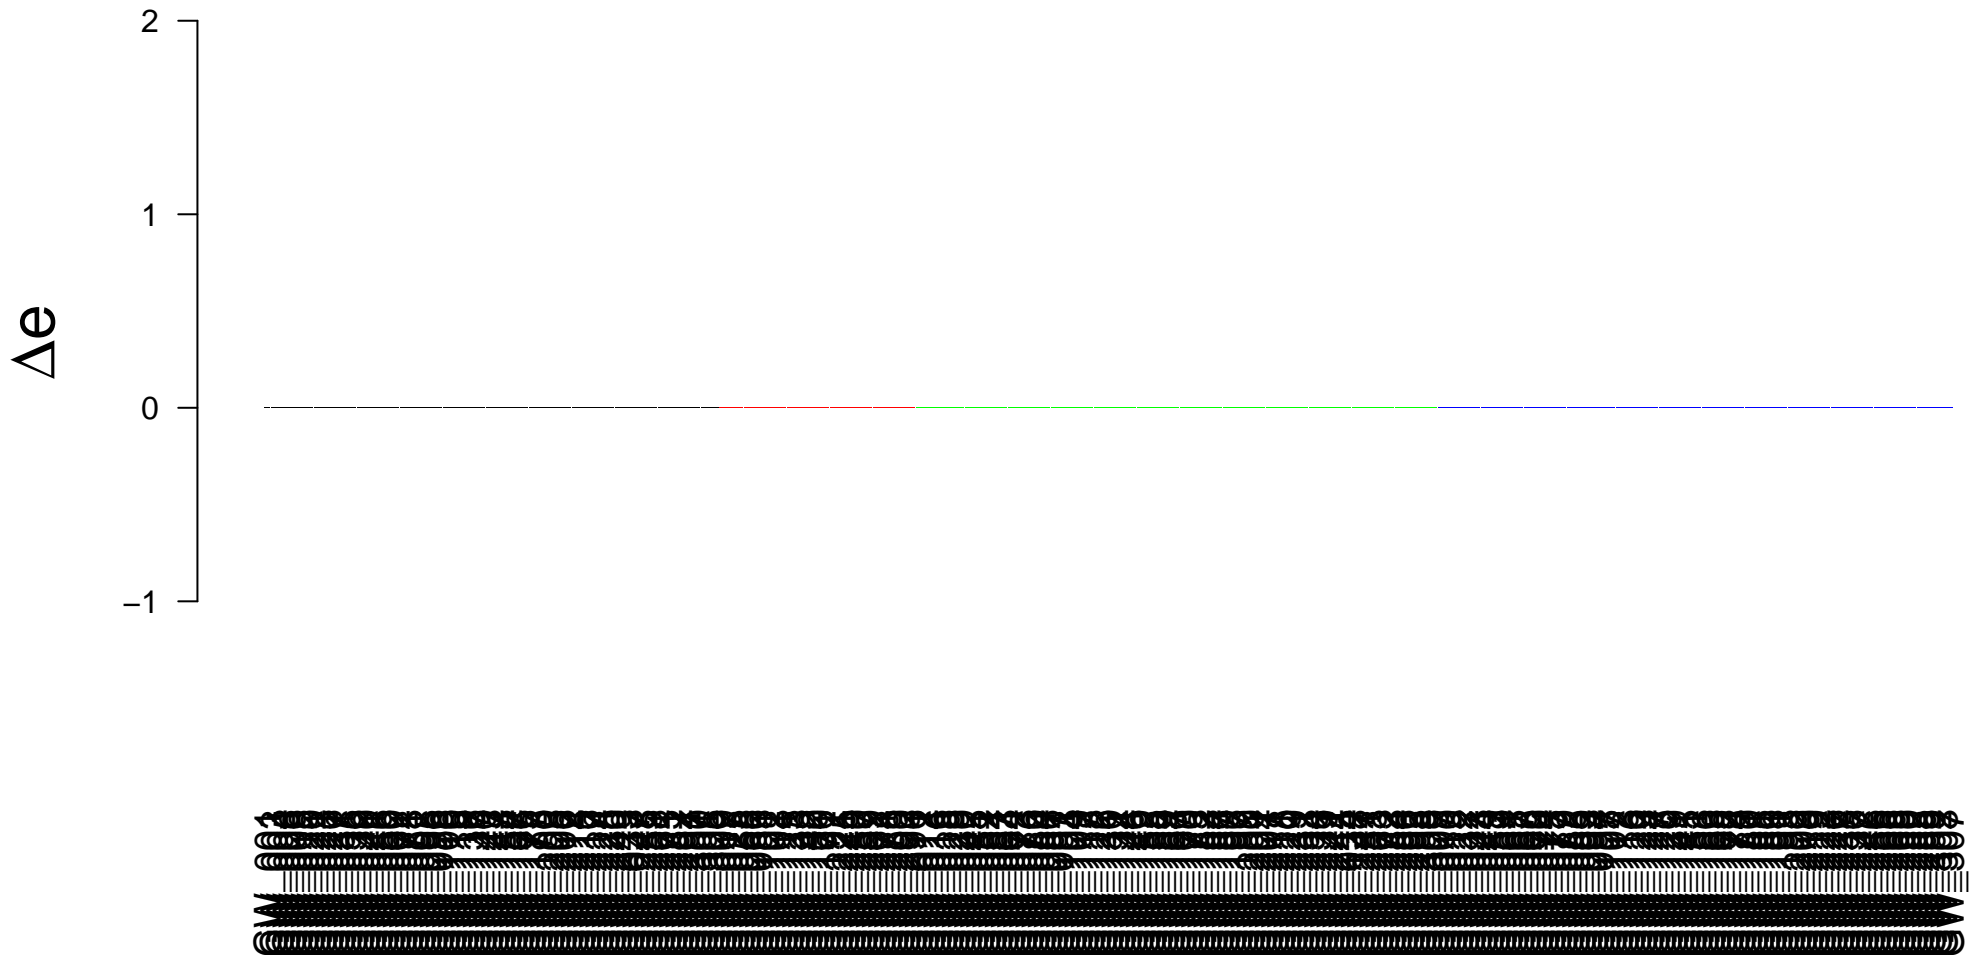

Expression of vesicle docking involved in exocytosis in Spot B

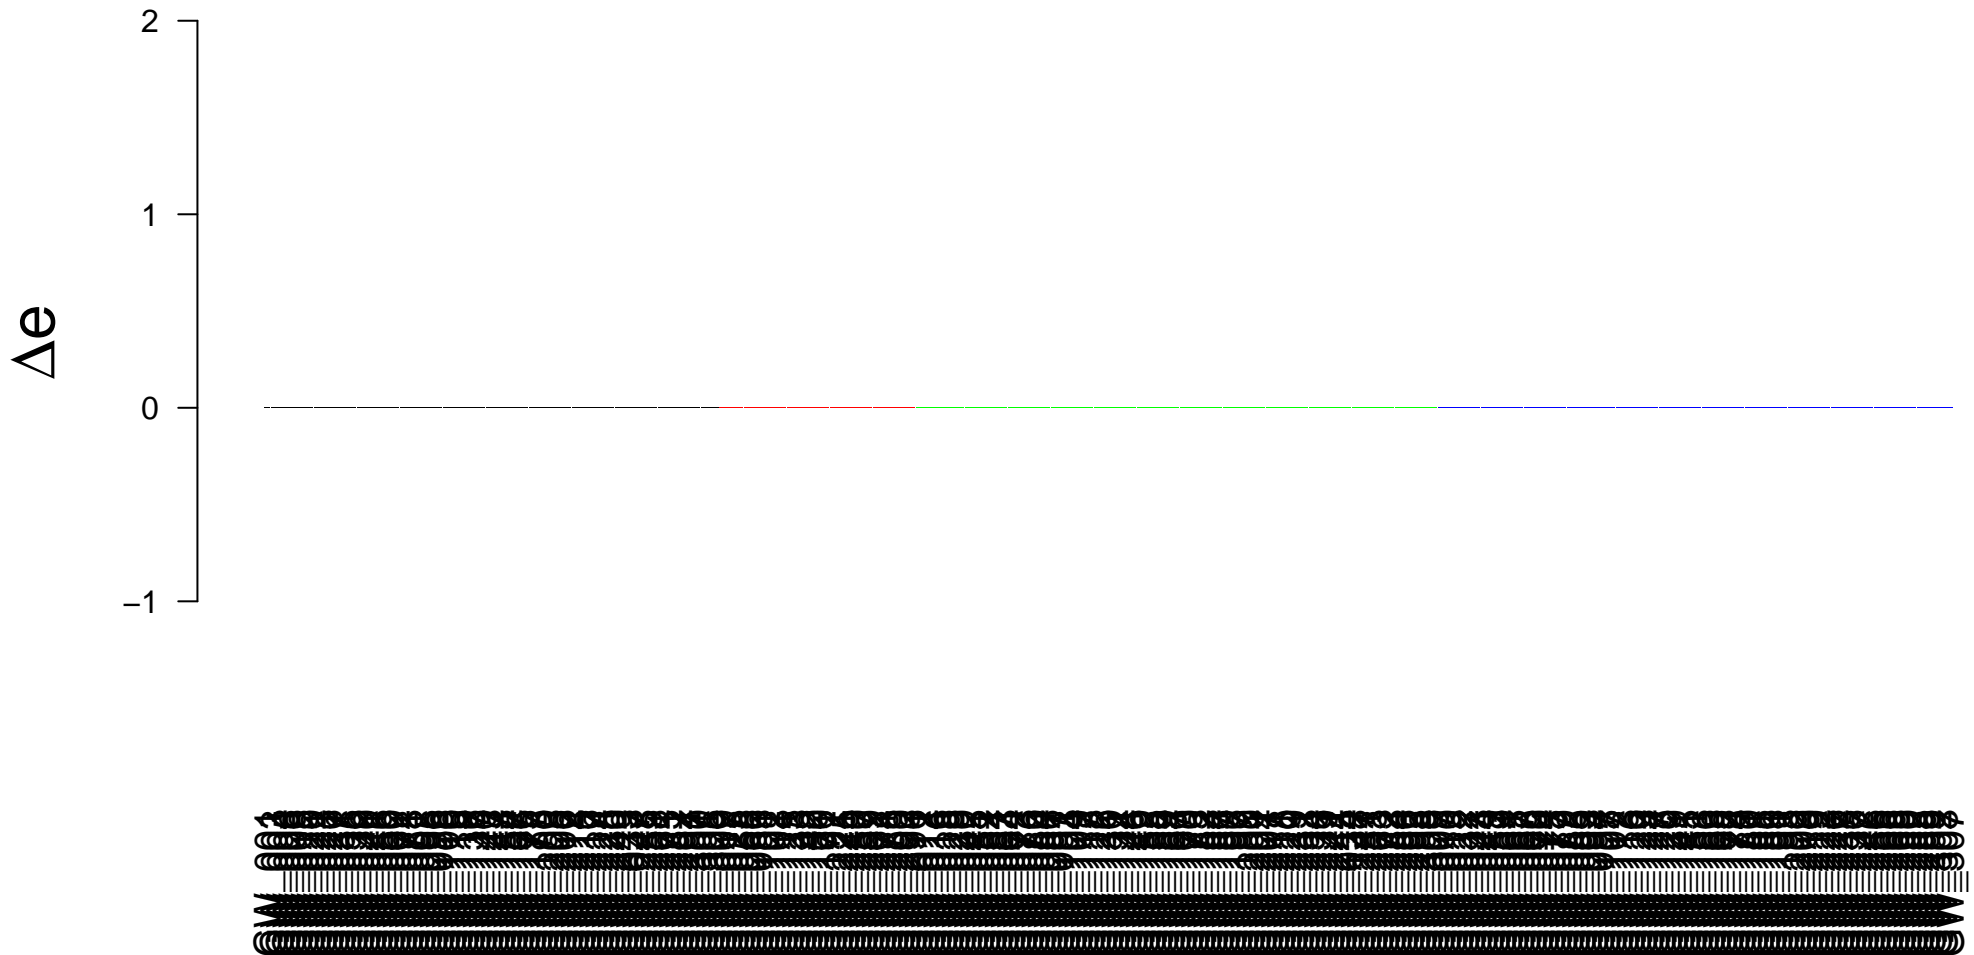

Expression of vesicle docking involved in exocytosis in Spot C

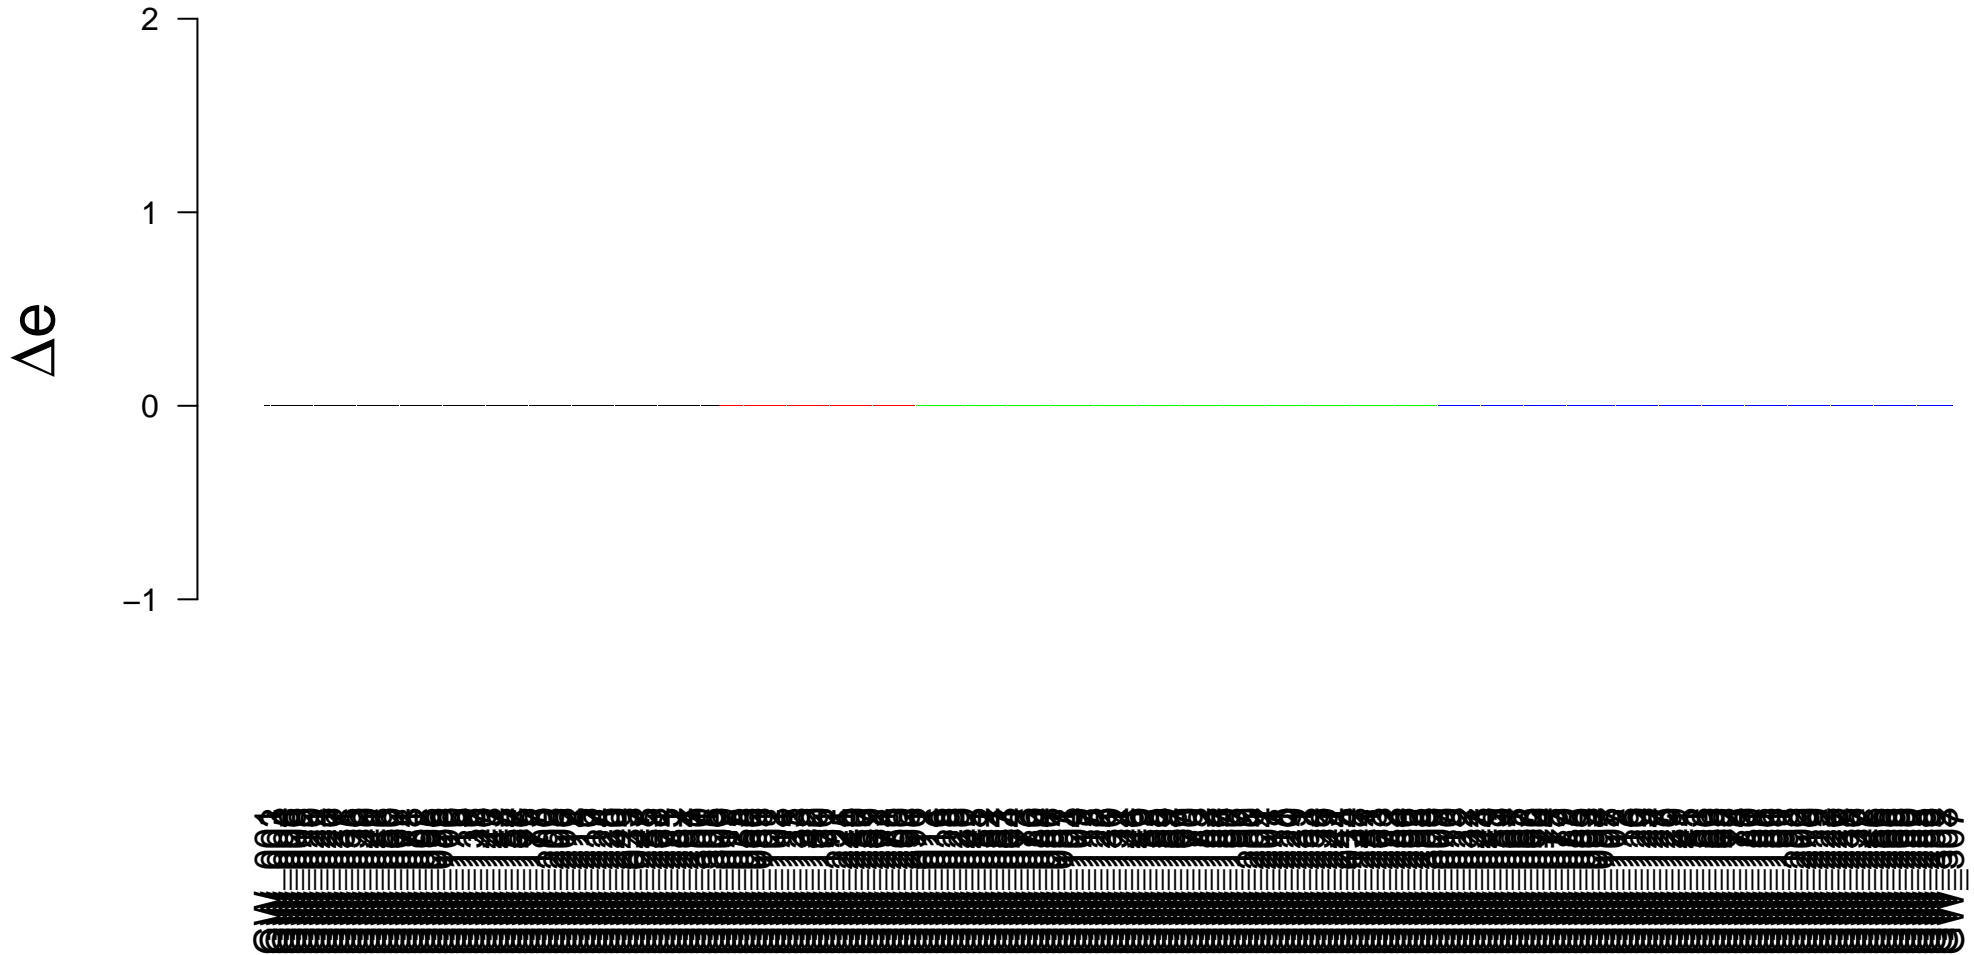

Expression of vesicle docking involved in exocytosis in Spot D

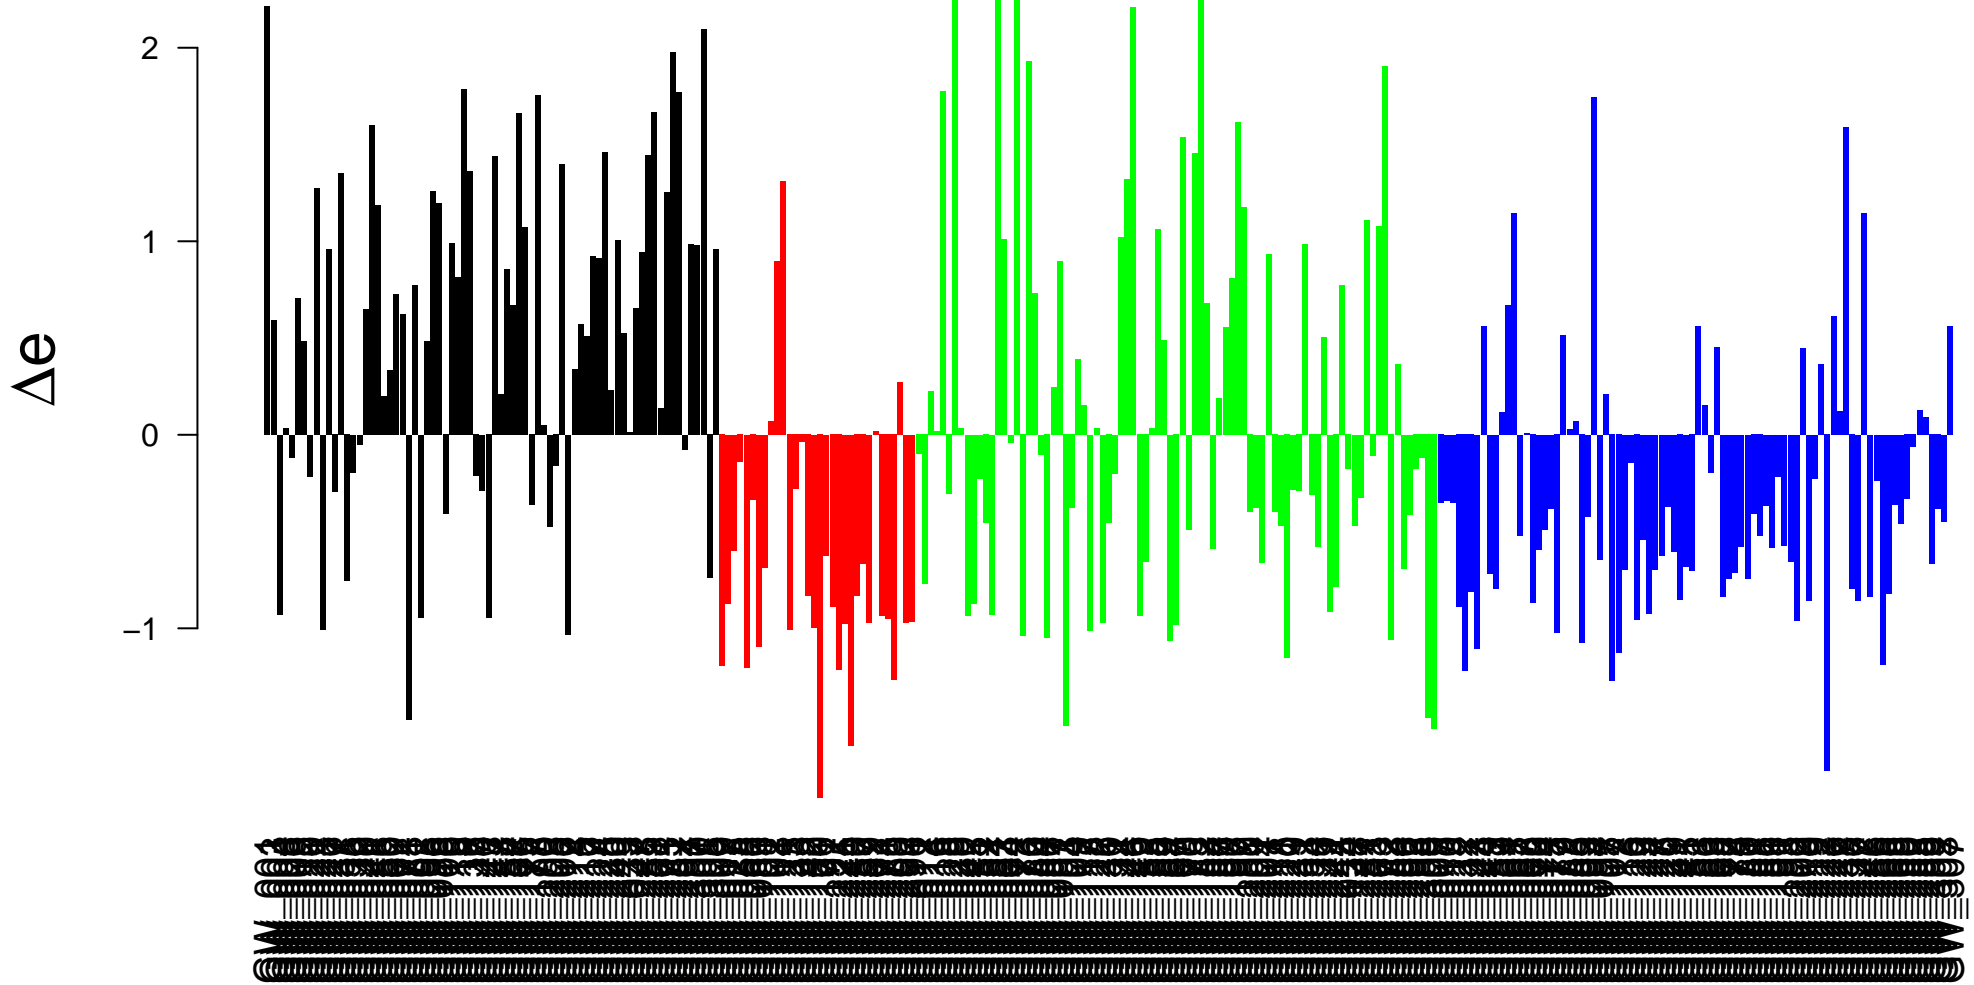

Expression of vesicle docking involved in exocytosis in Spot E

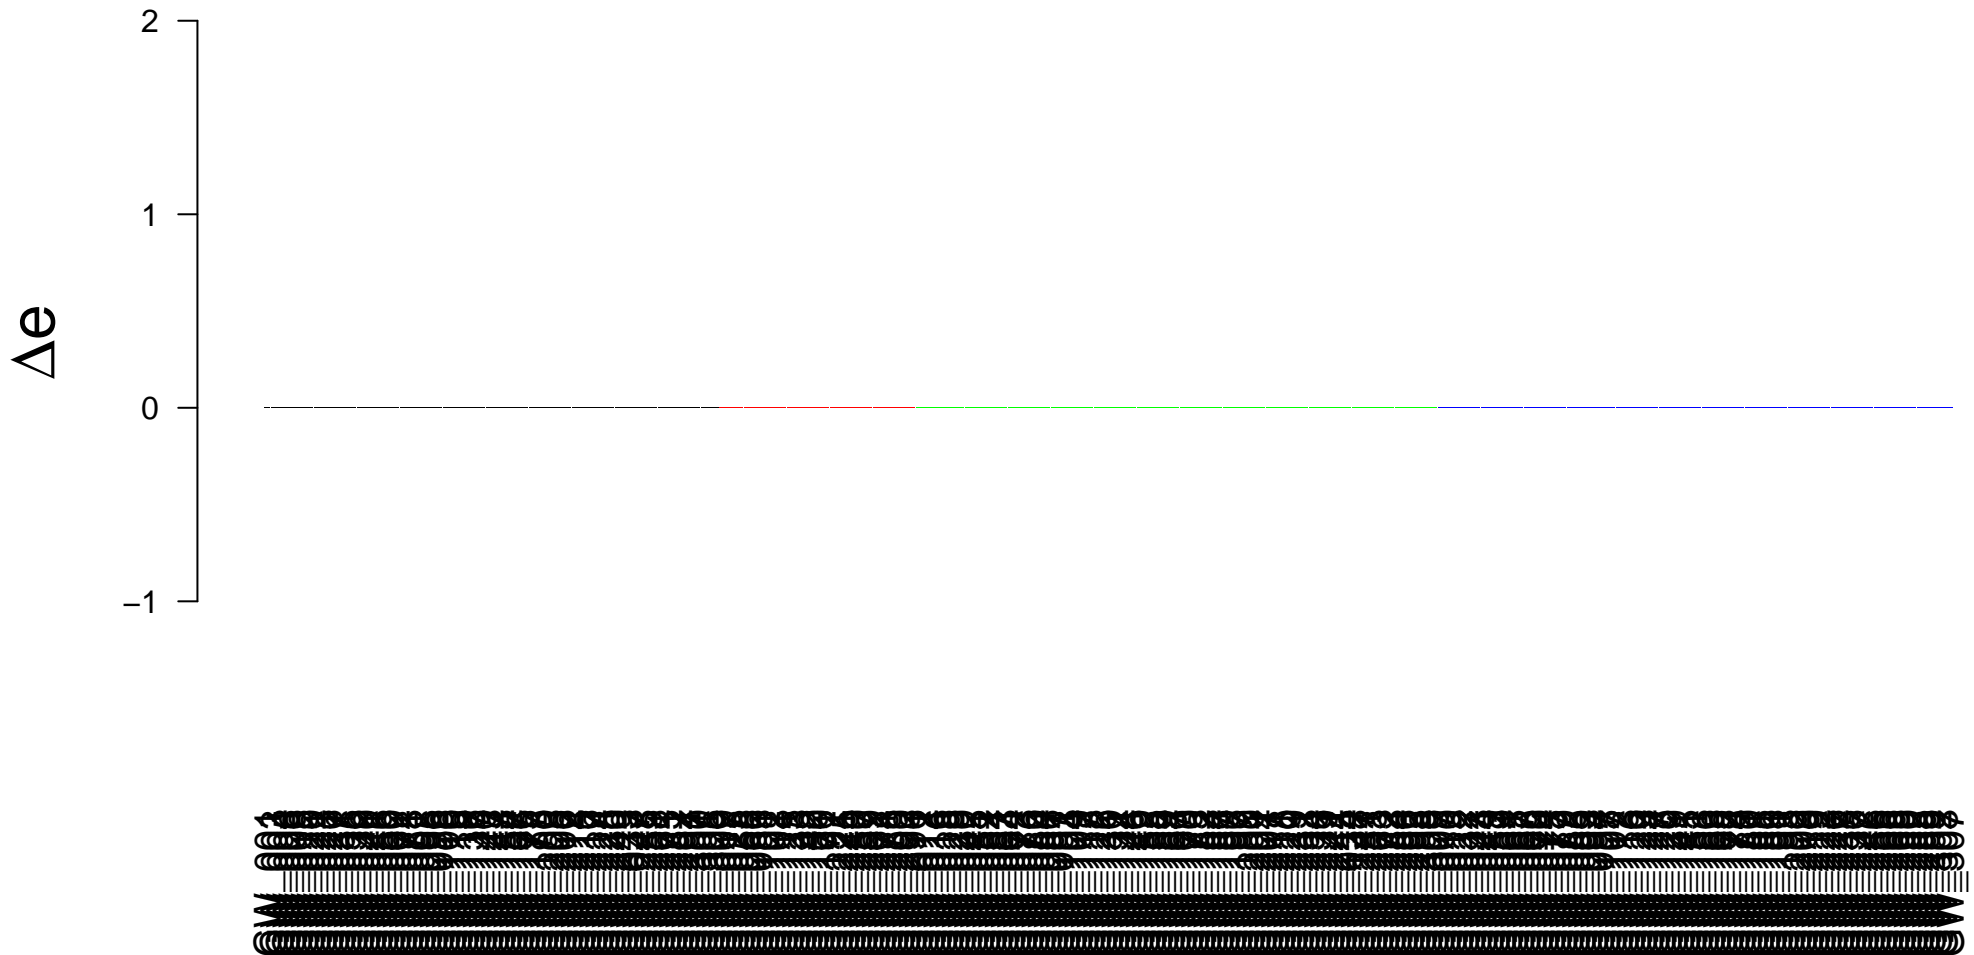

Expression of vesicle docking involved in exocytosis in Spot F

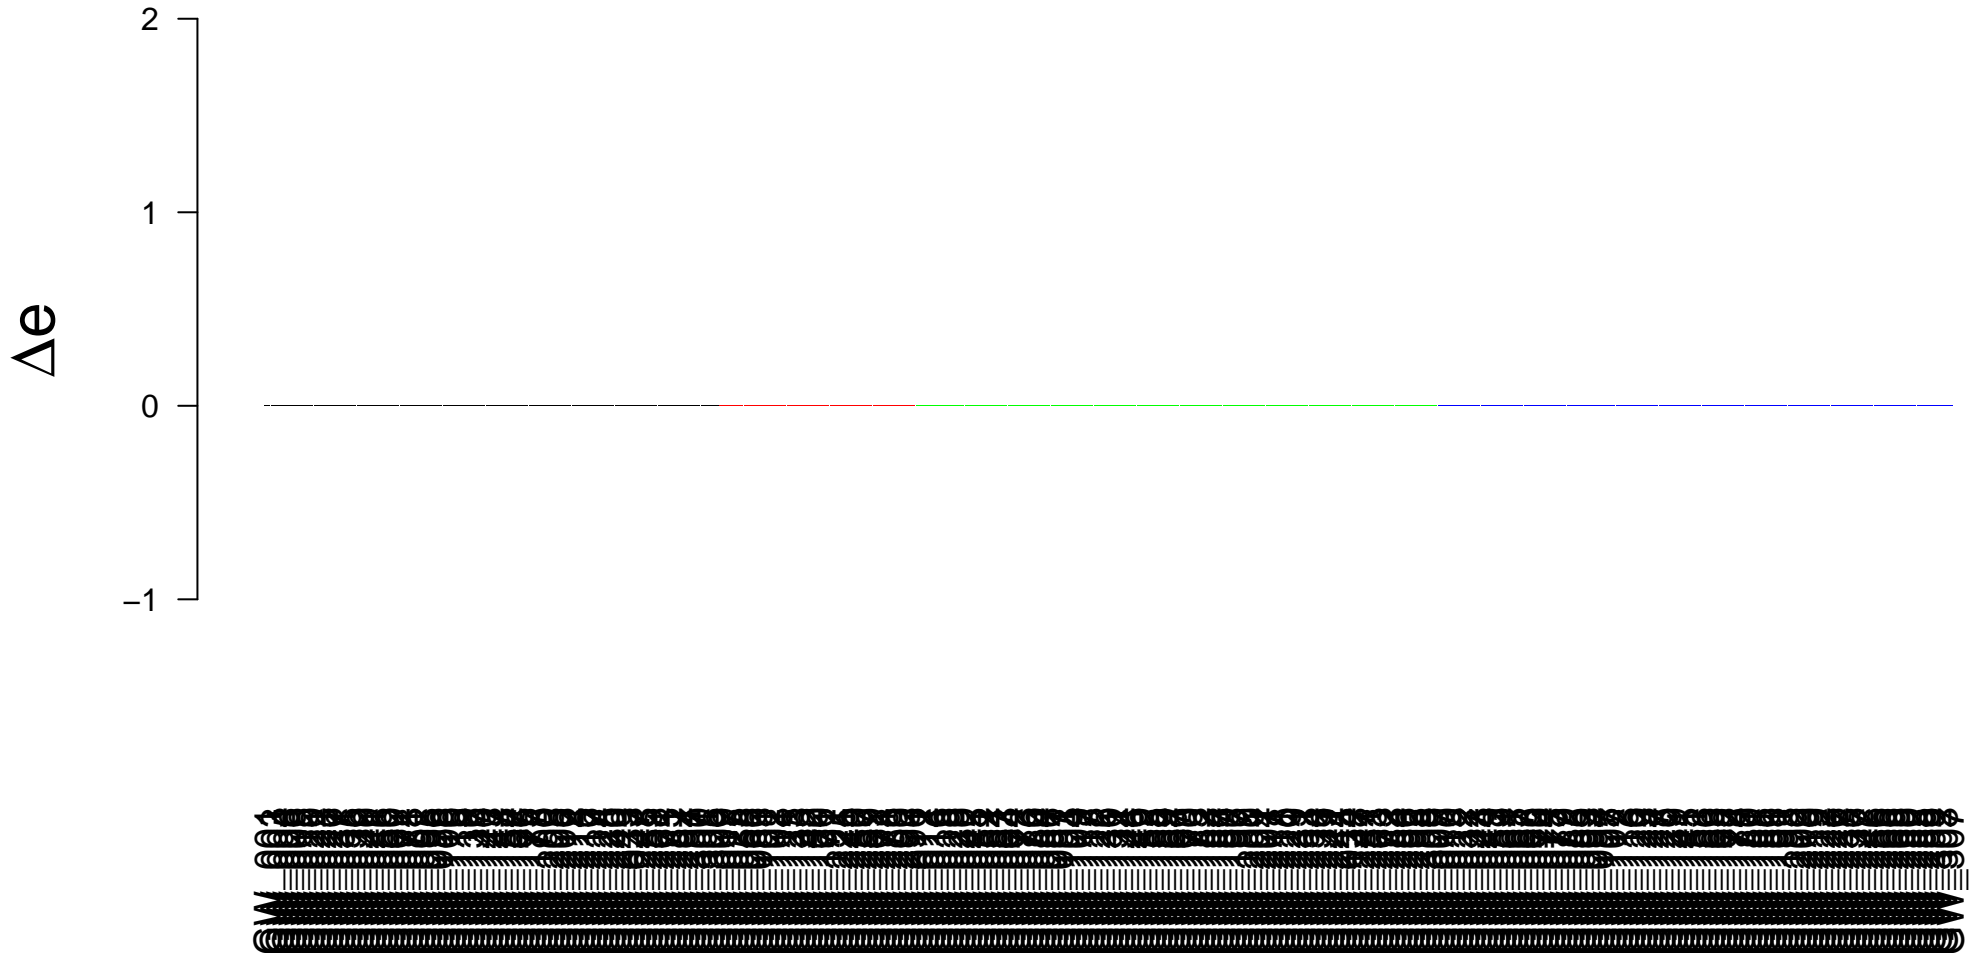

Expression of vesicle docking involved in exocytosis in Spot G

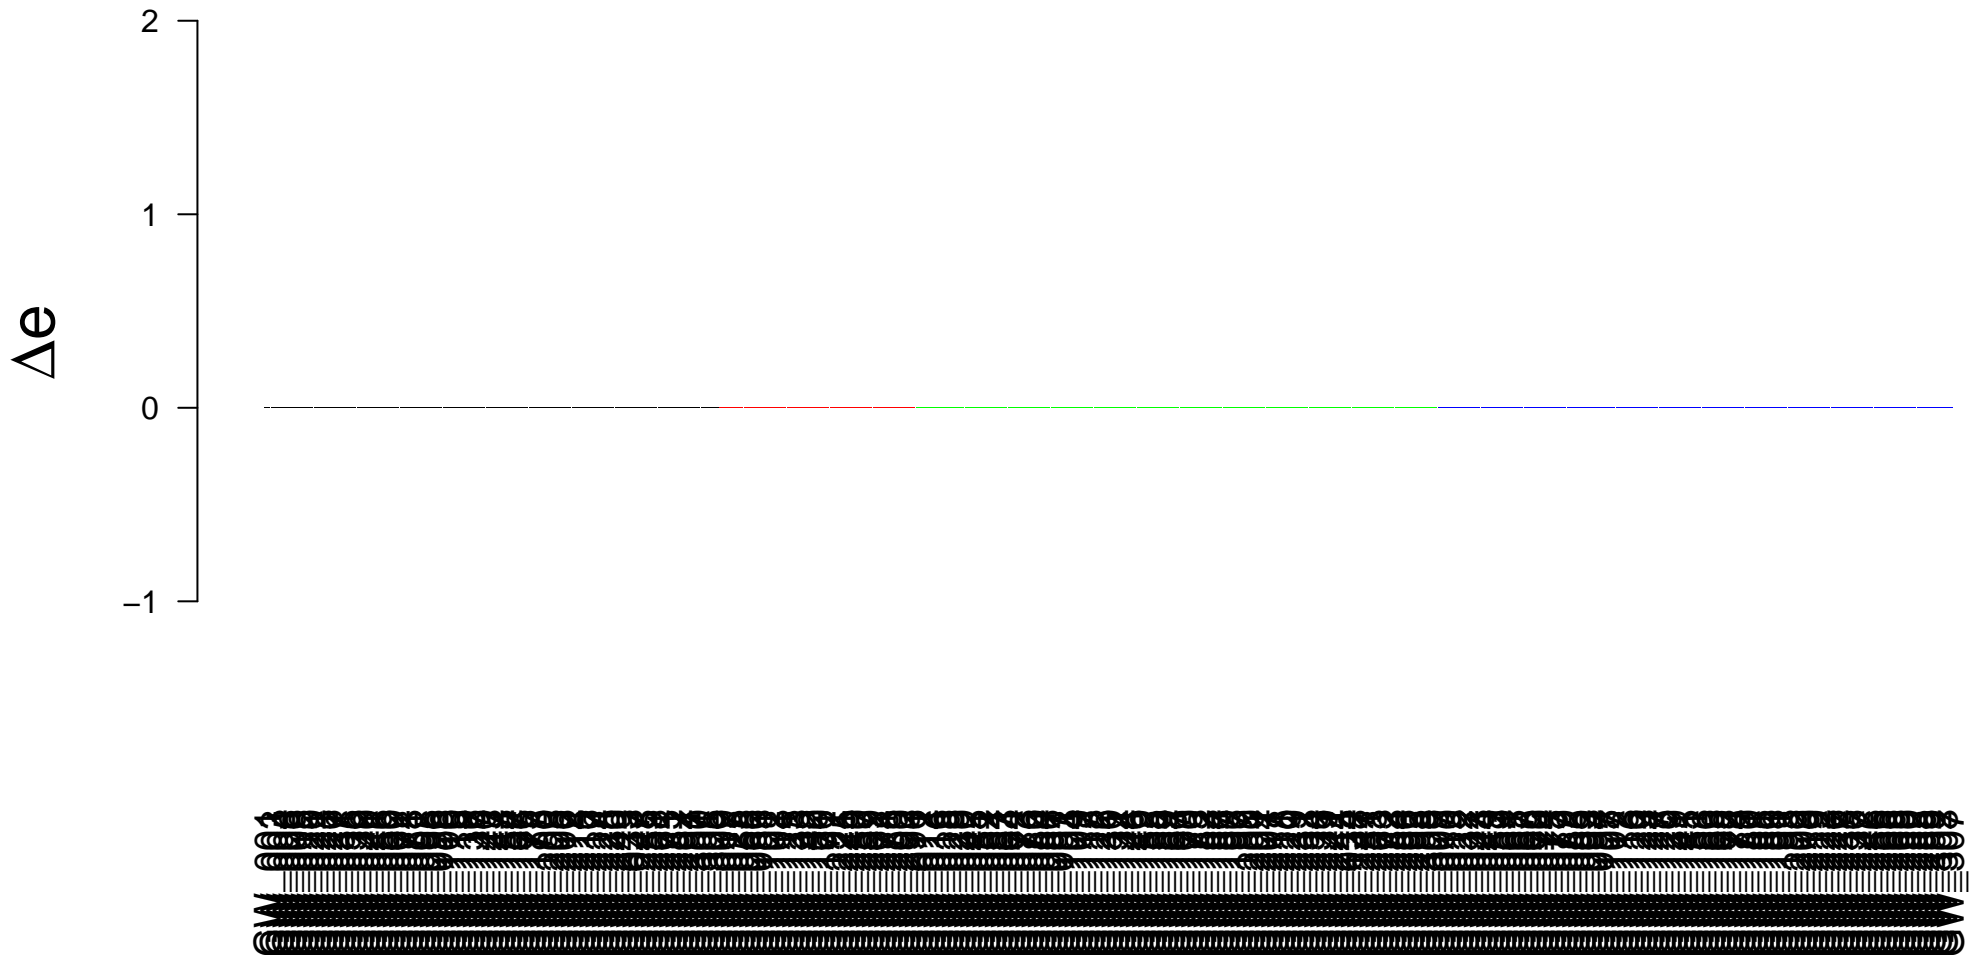

Expression of vesicle docking involved in exocytosis in Spot H

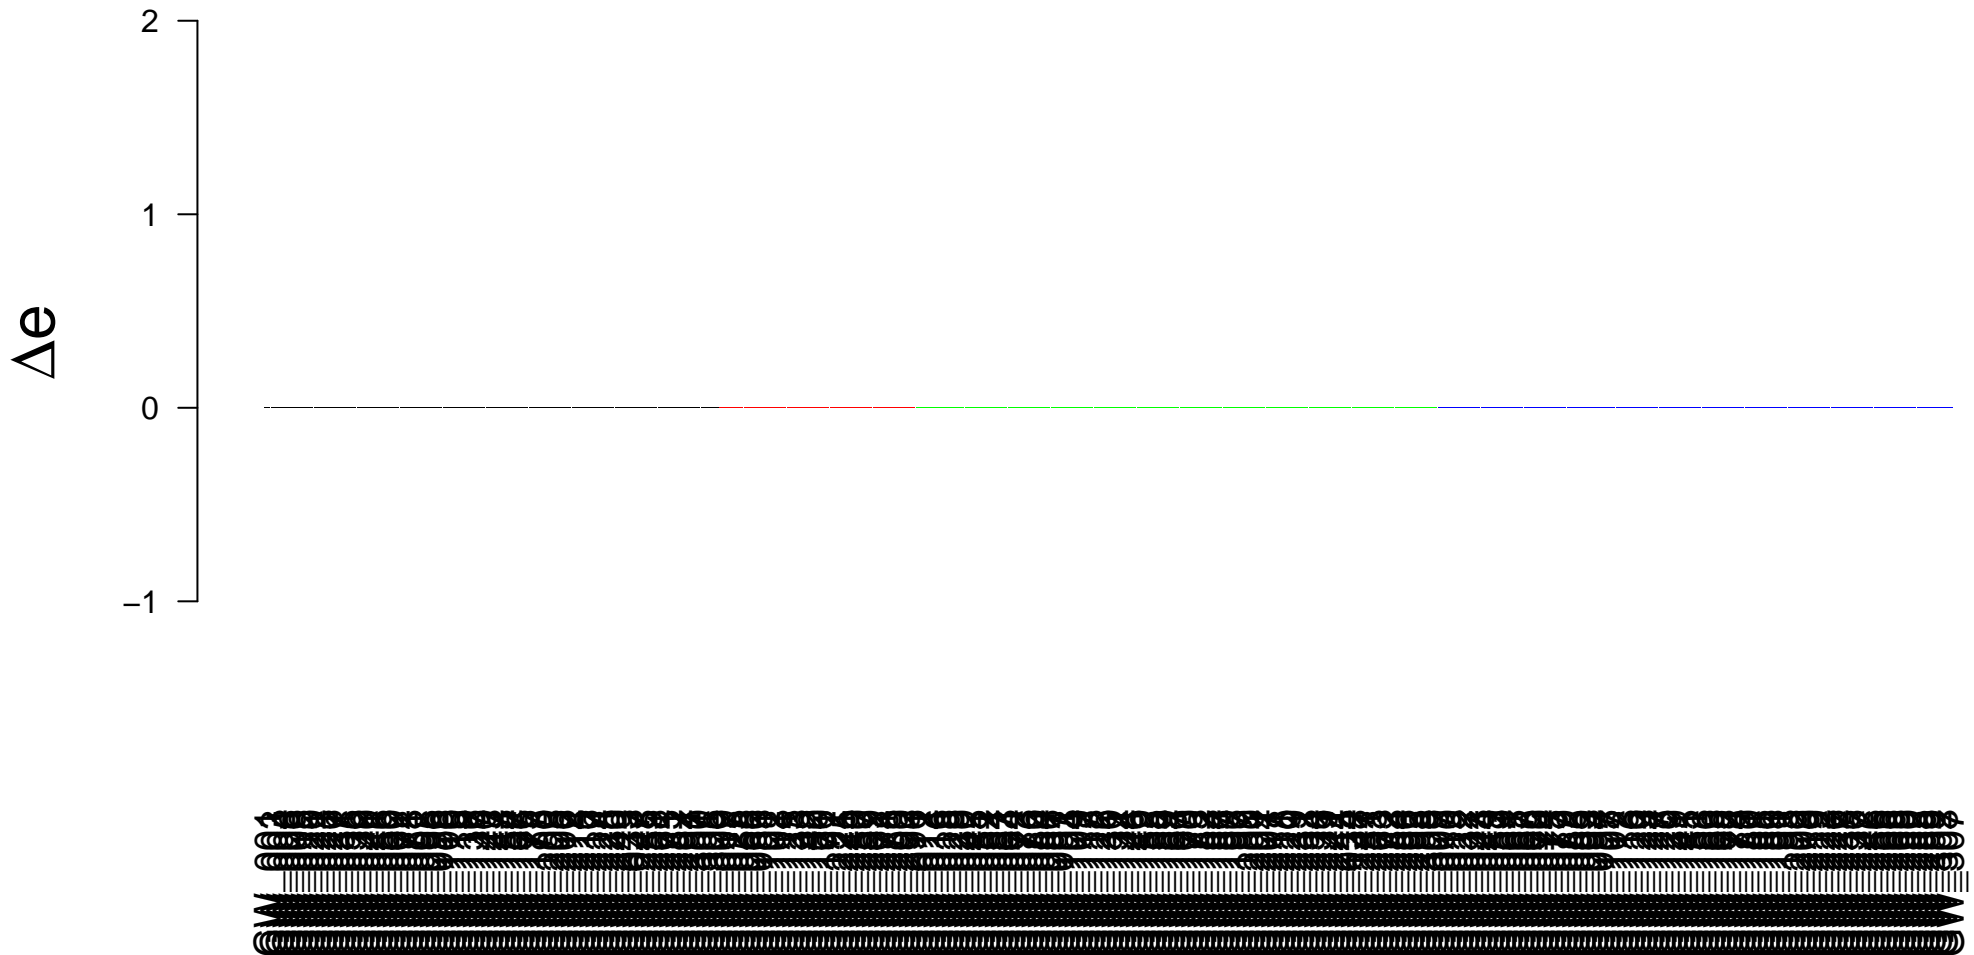

Expression of vesicle docking involved in exocytosis in Spot I

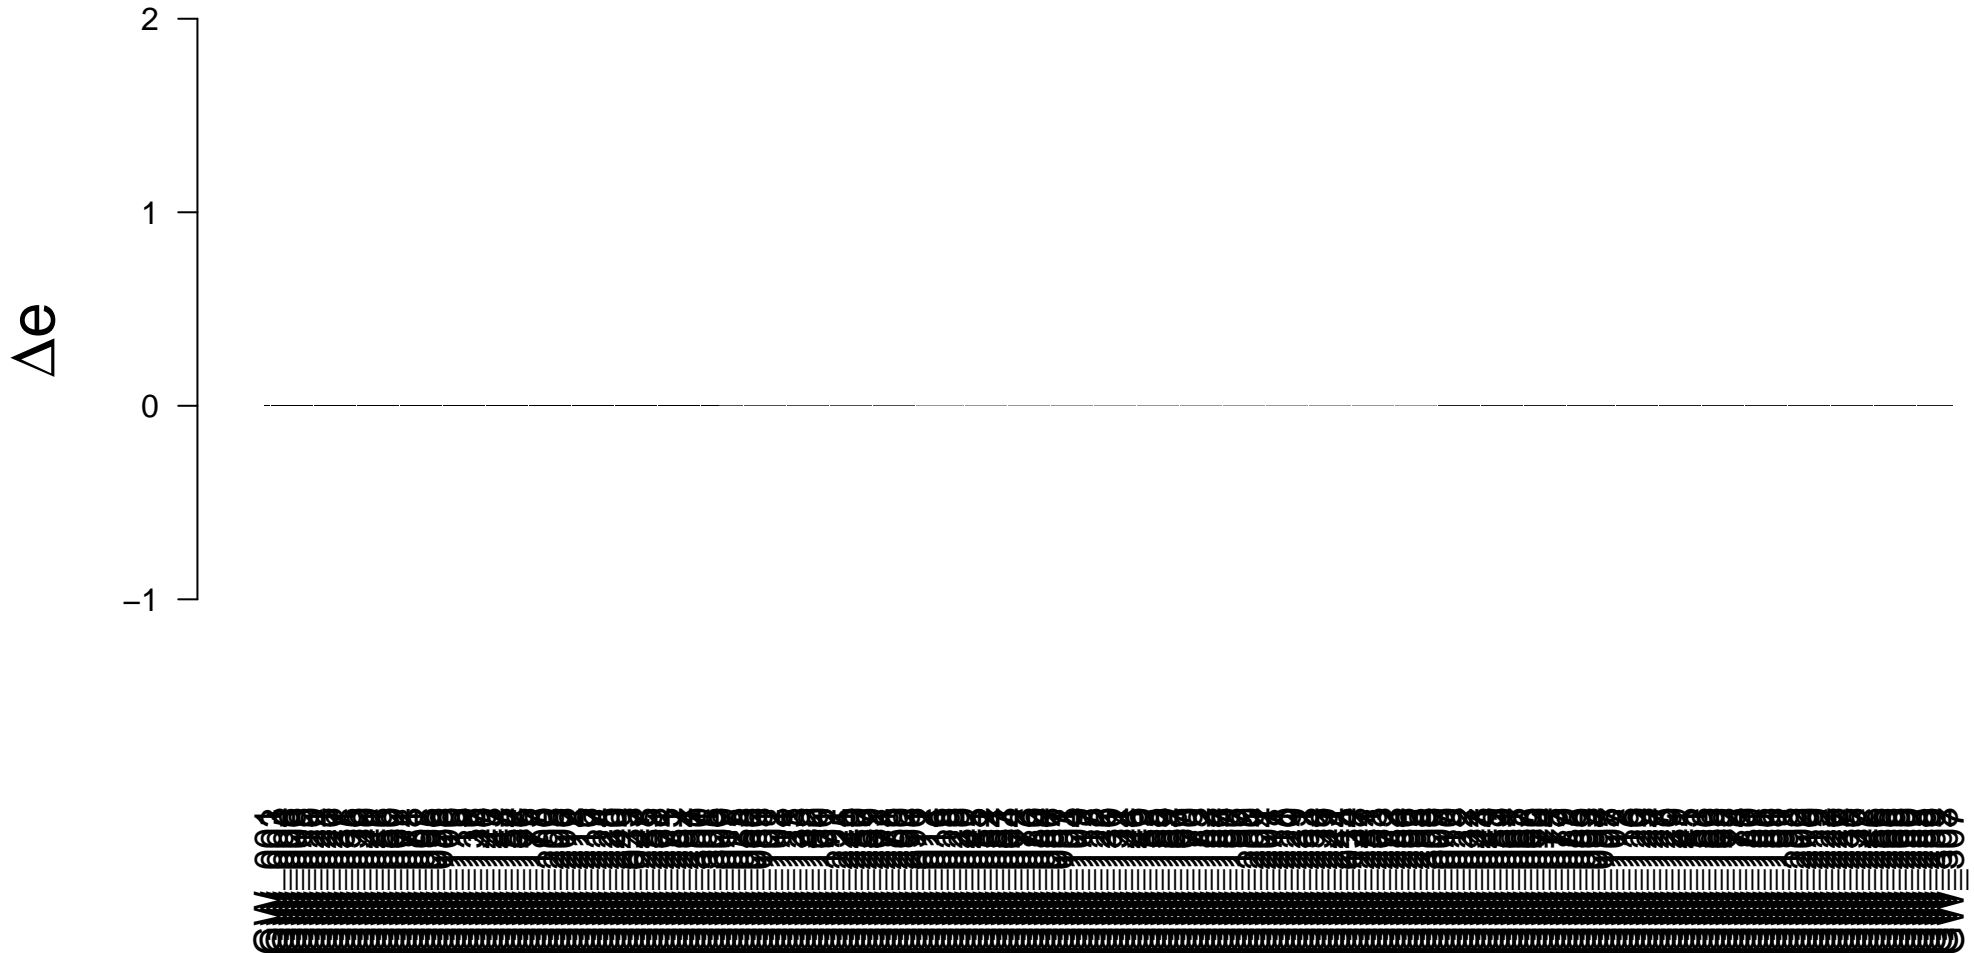

Expression of vesicle docking involved in exocytosis in Spot J

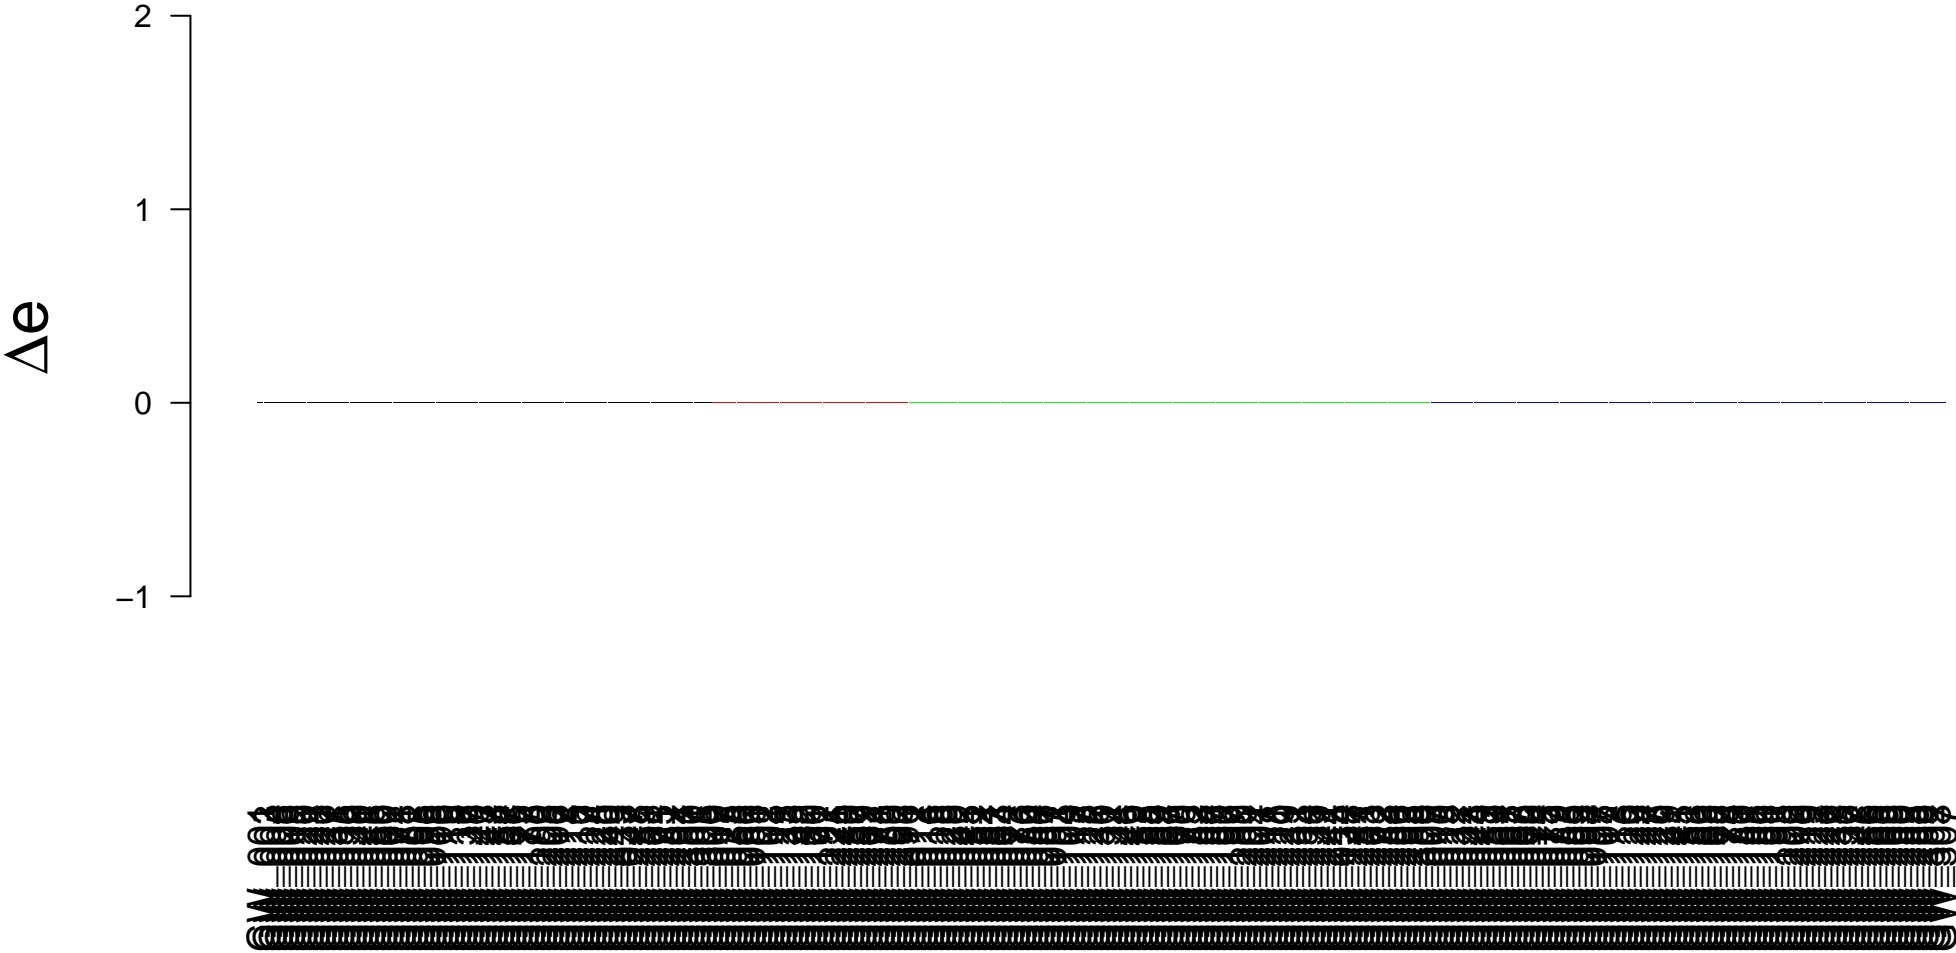

Expression of vesicle docking involved in exocytosis in Spot K

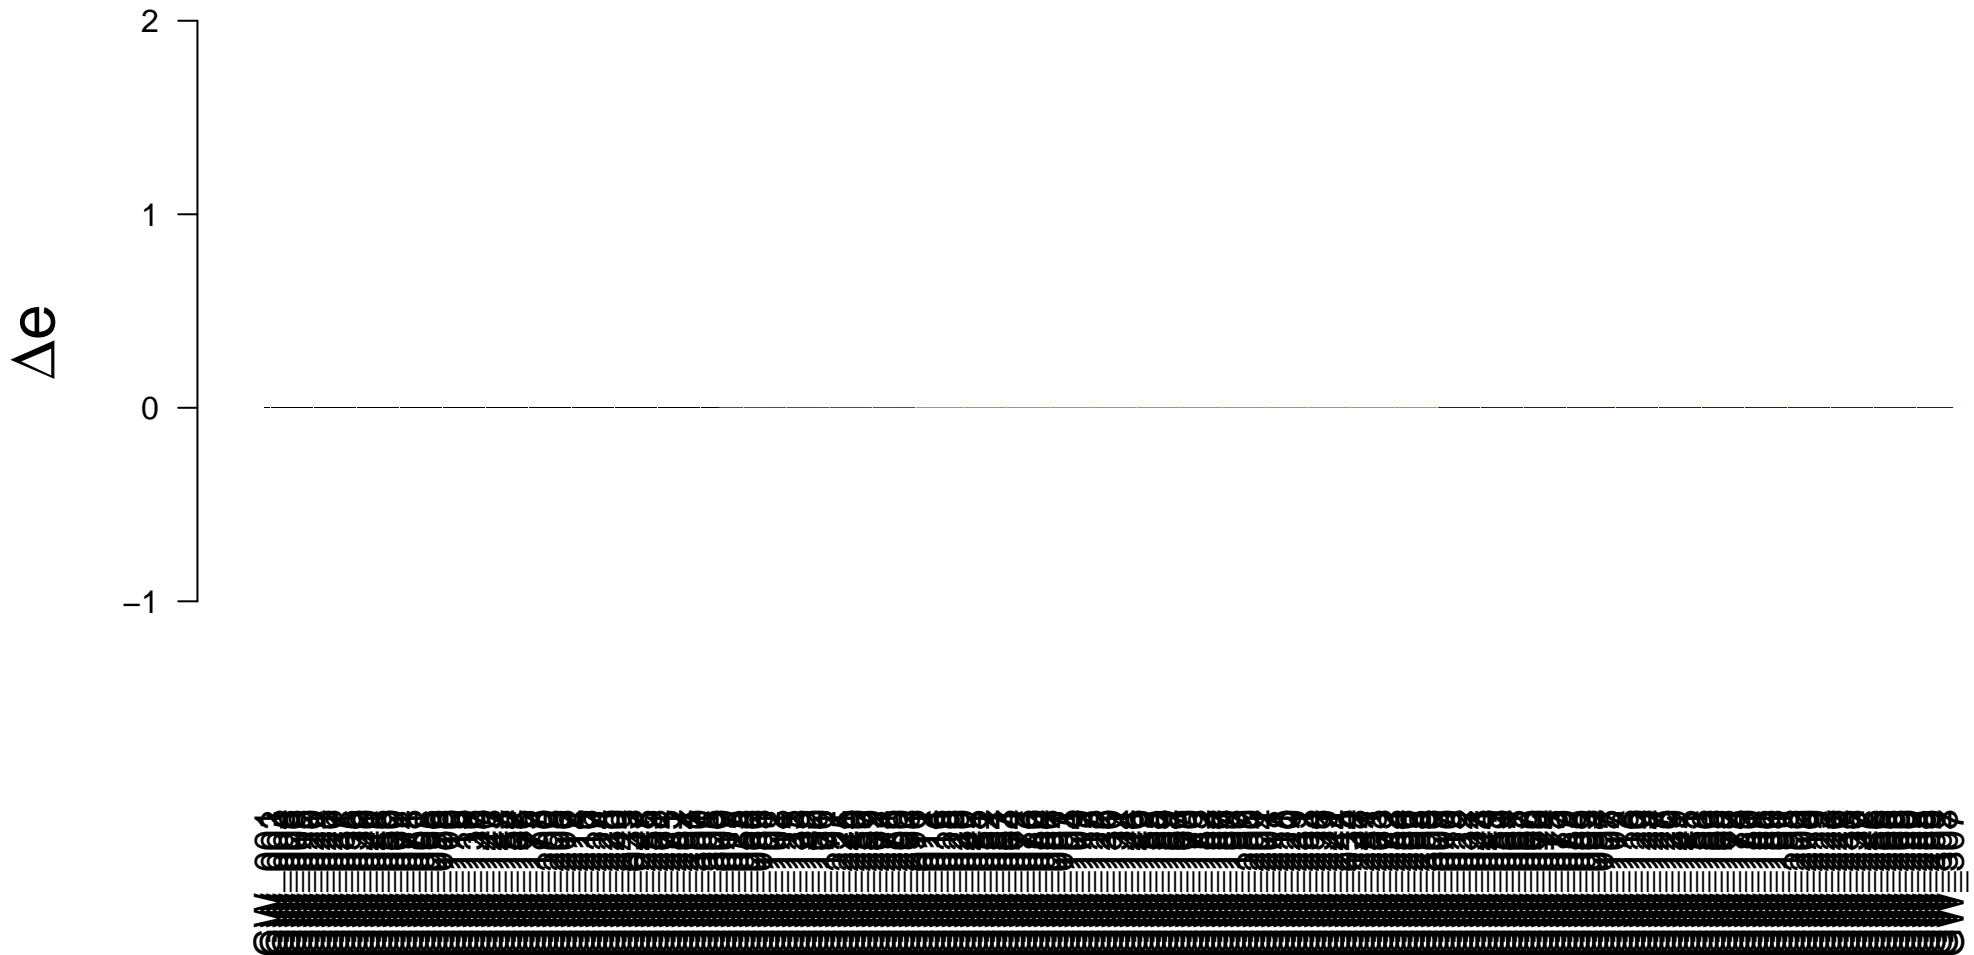

Expression of vesicle docking involved in exocytosis in Spot L

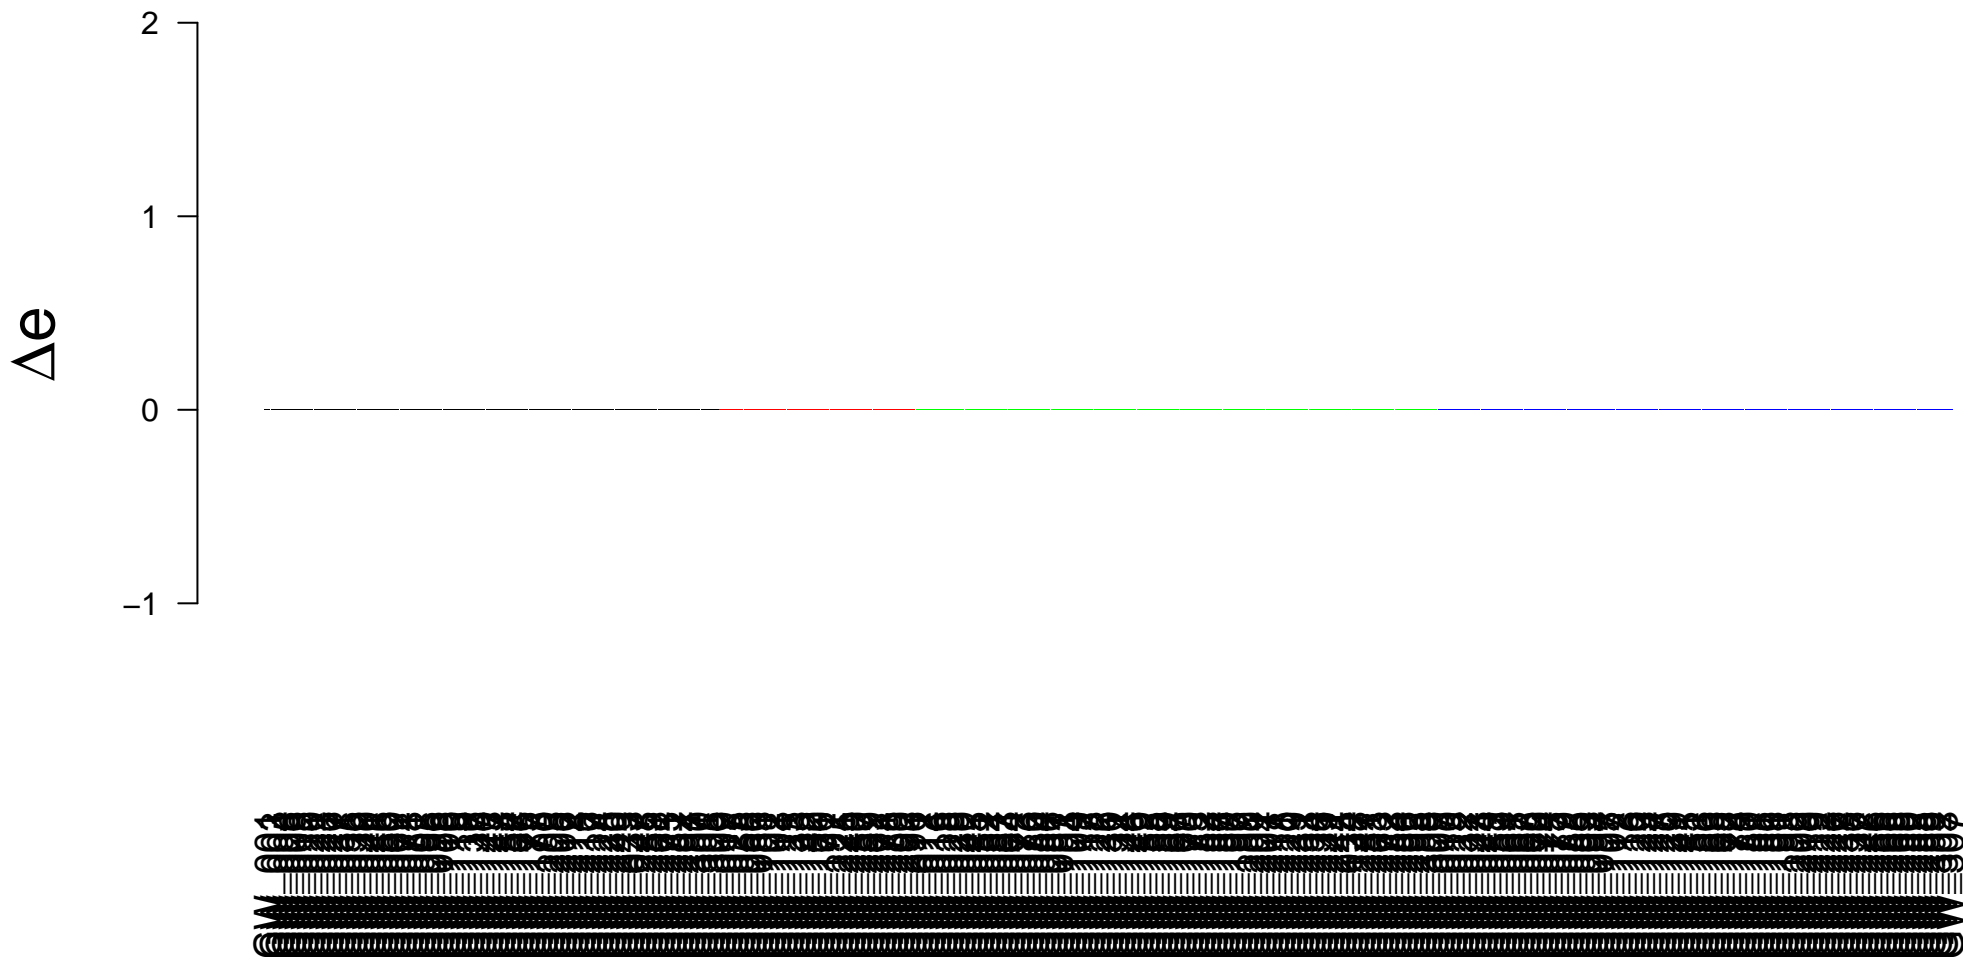

Expression of vesicle docking involved in exocytosis in Spot M

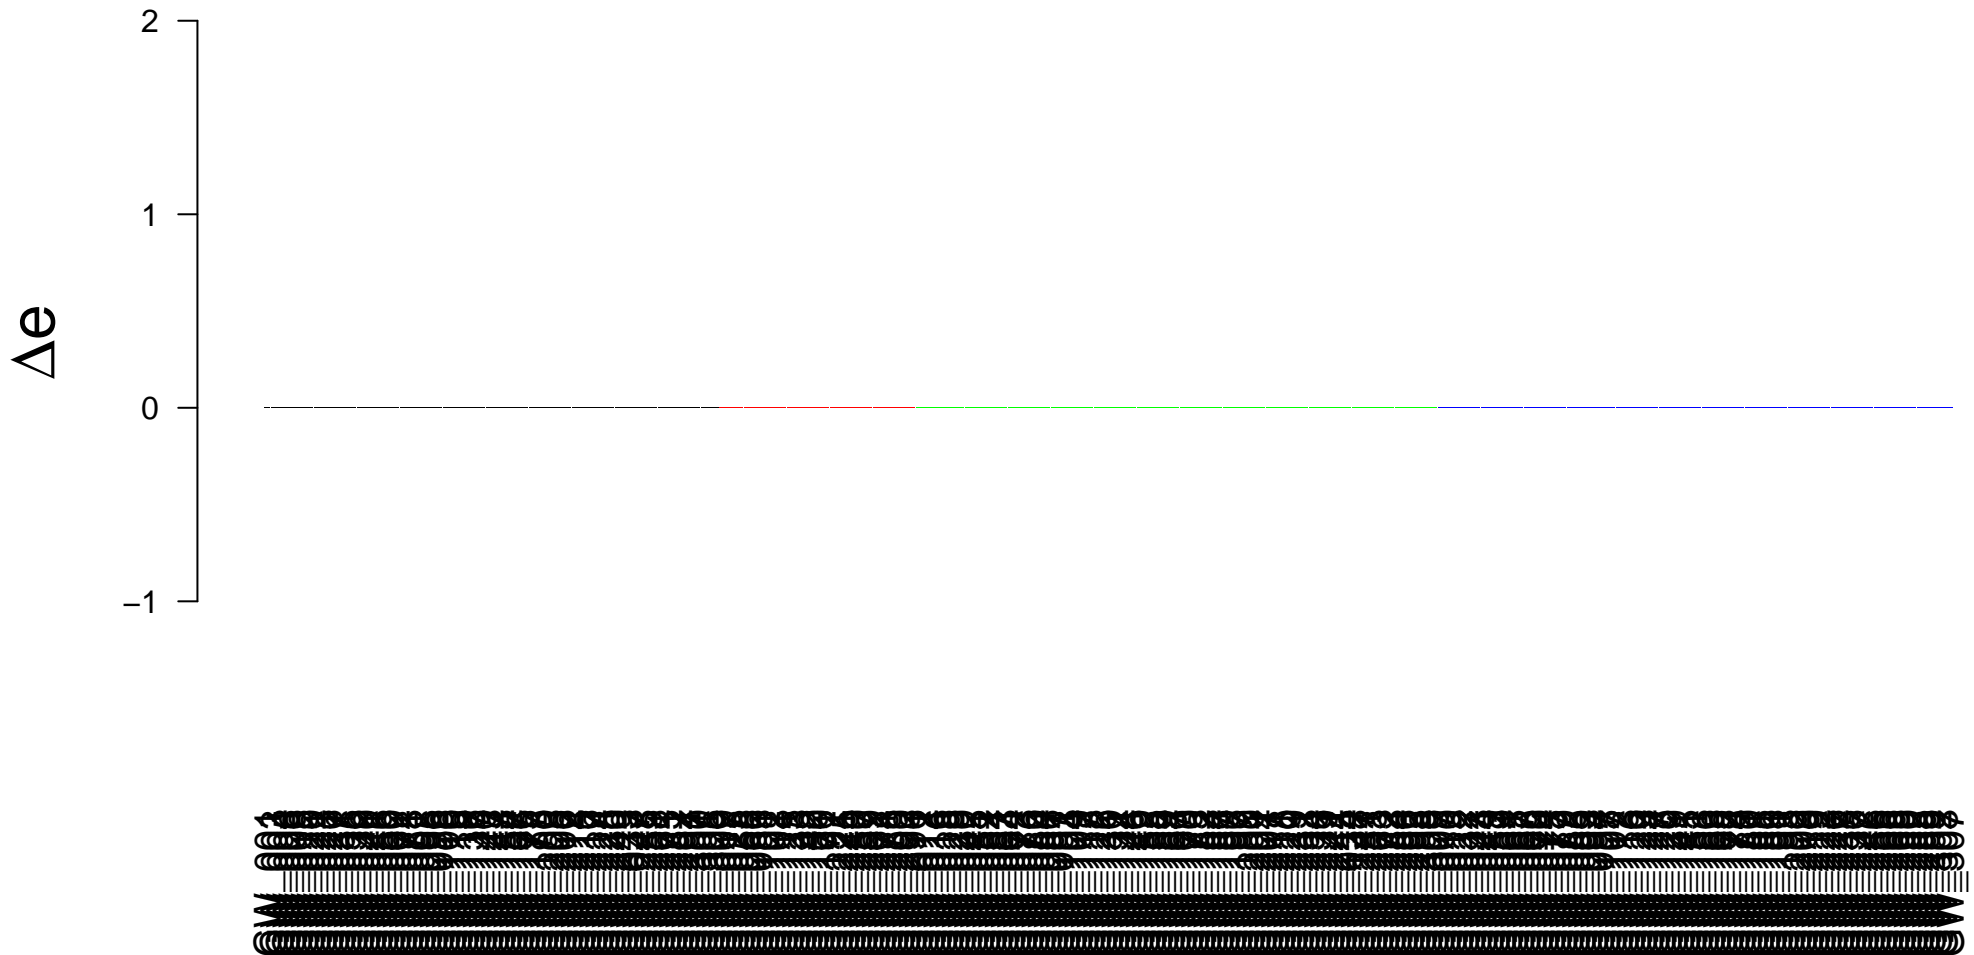

Expression of vesicle docking involved in exocytosis in Spot N

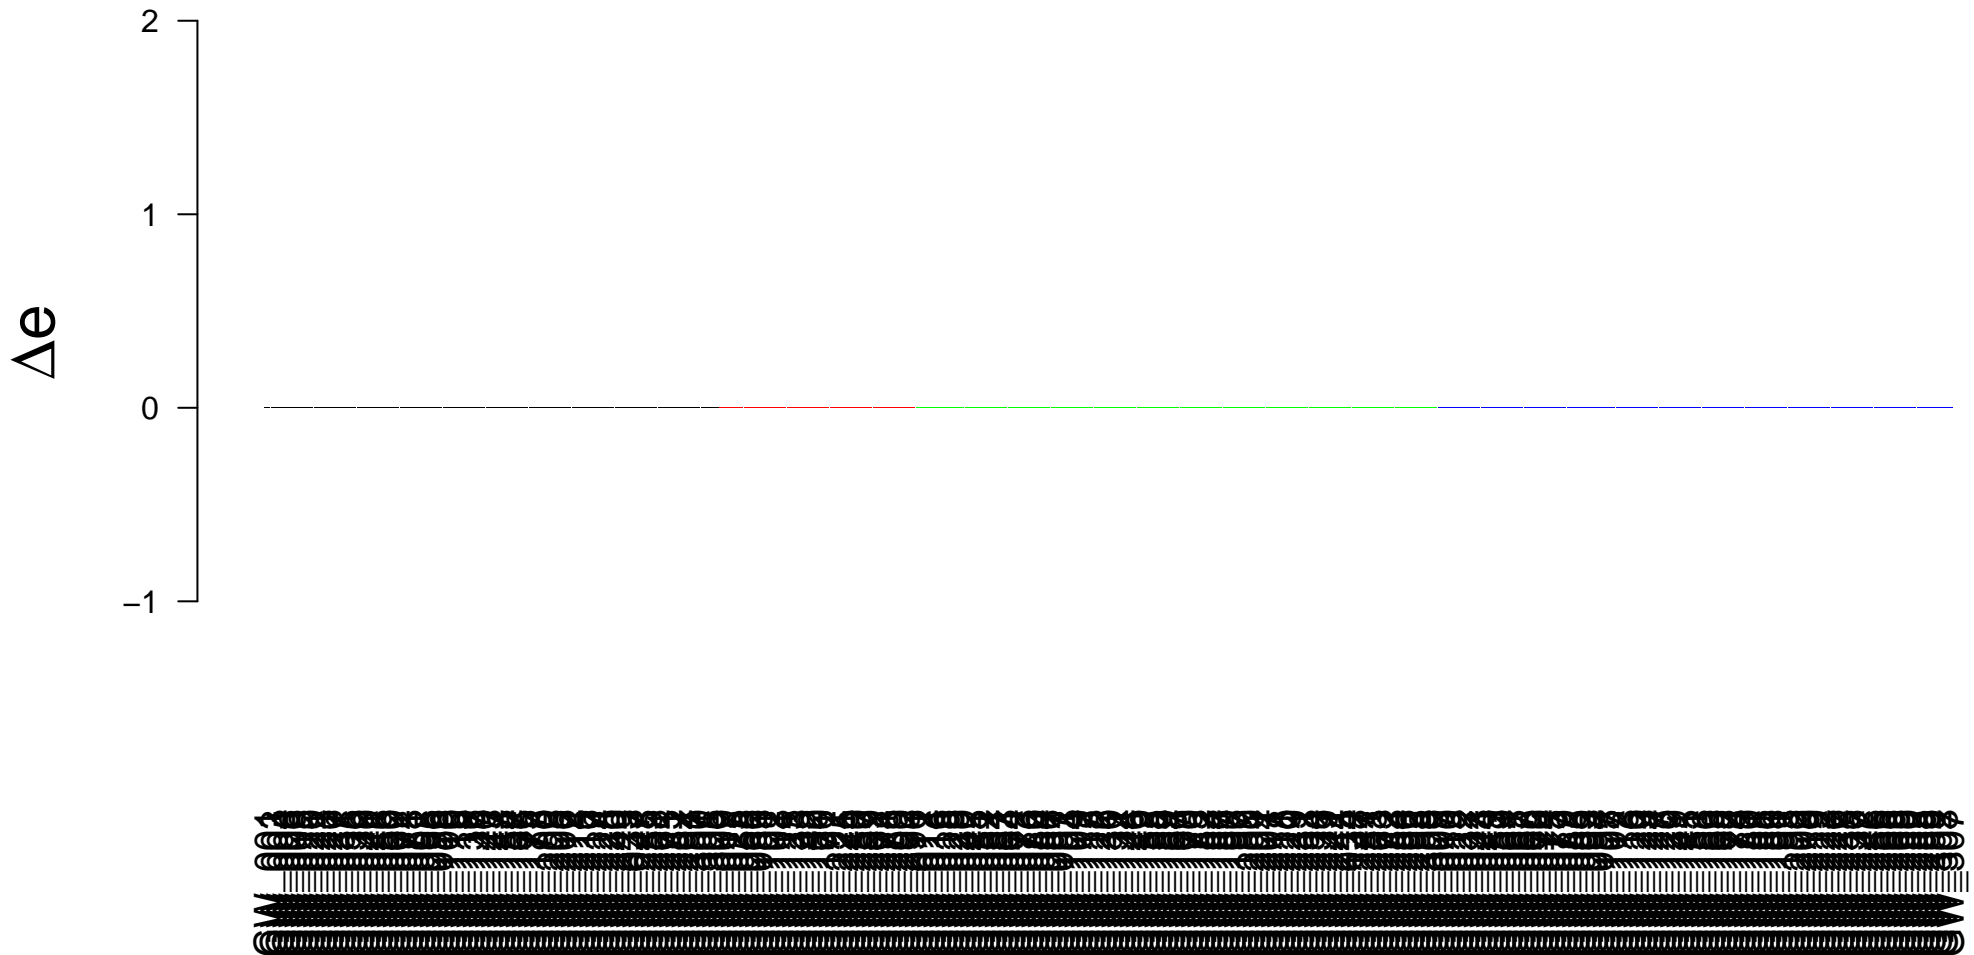

Expression of vesicle docking involved in exocytosis in Spot O

Expression of vesicle docking involved in exocytosis in Spot P

Expression of vesicle docking involved in exocytosis in Spot Q

Expression of vesicle docking involved in exocytosis in Spot R
