

virus receptor activity

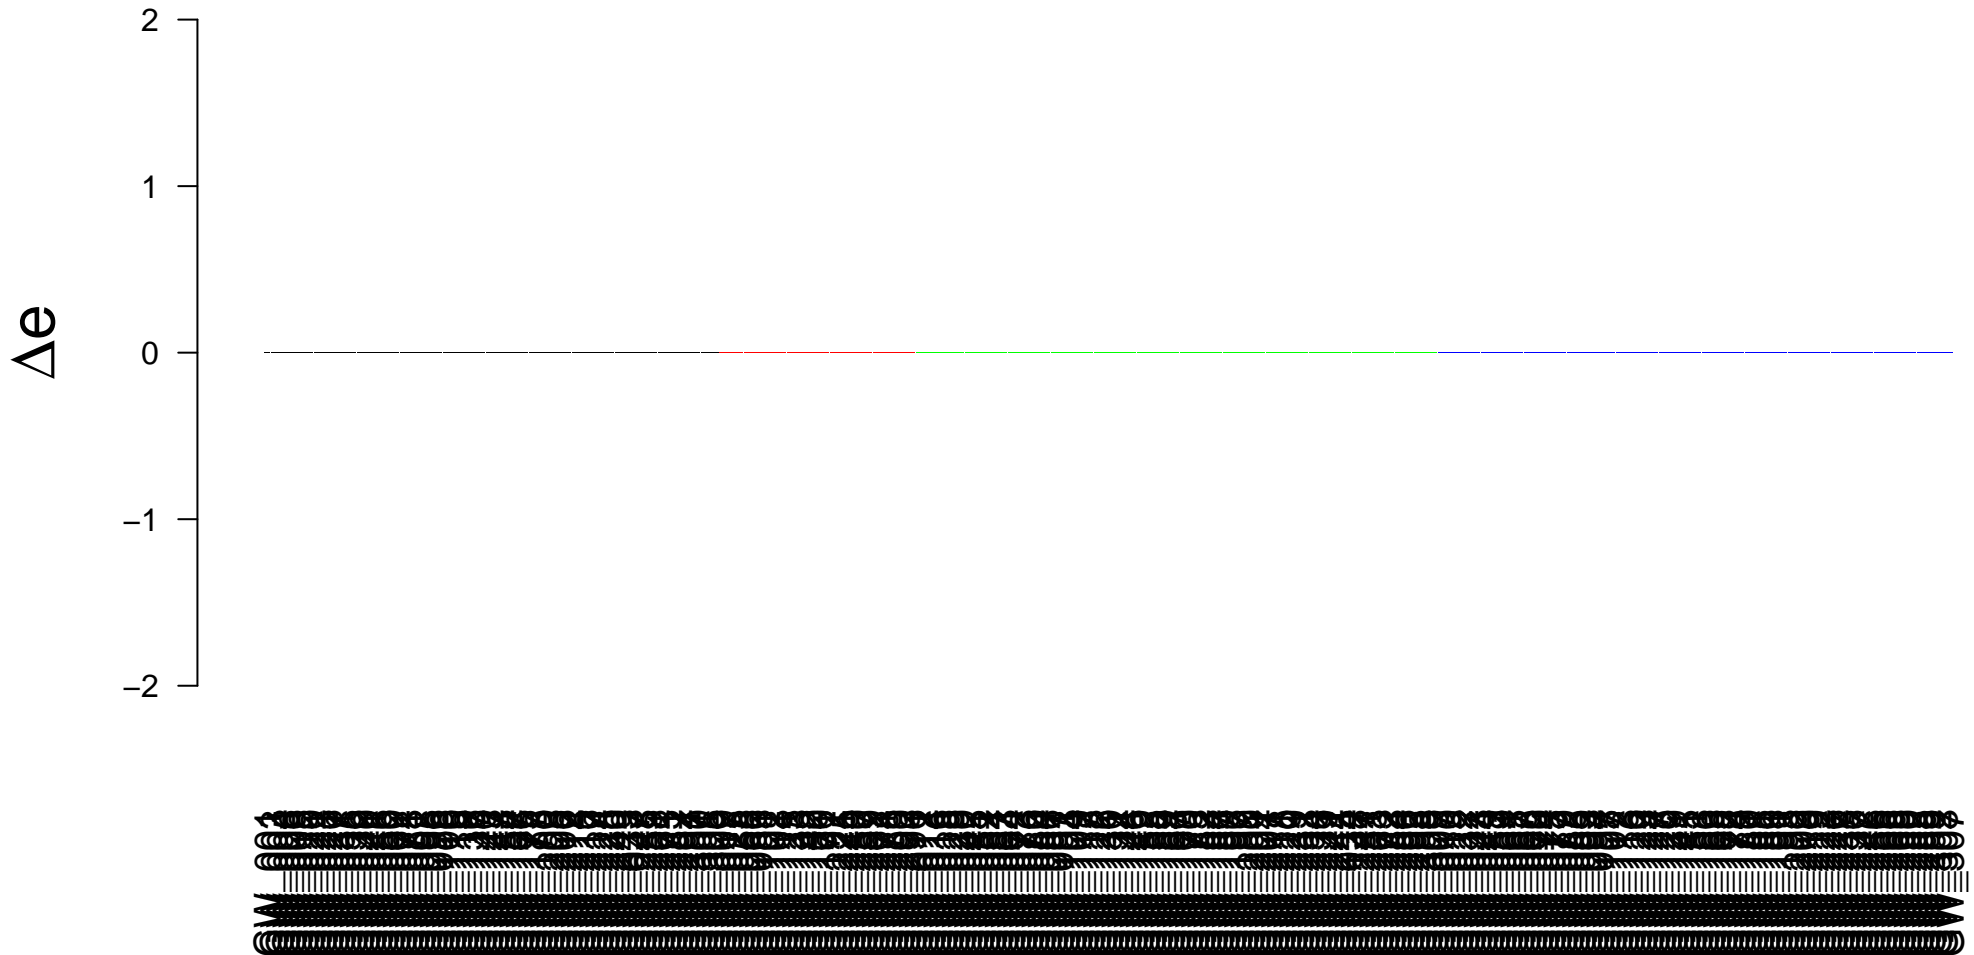

virus receptor activity

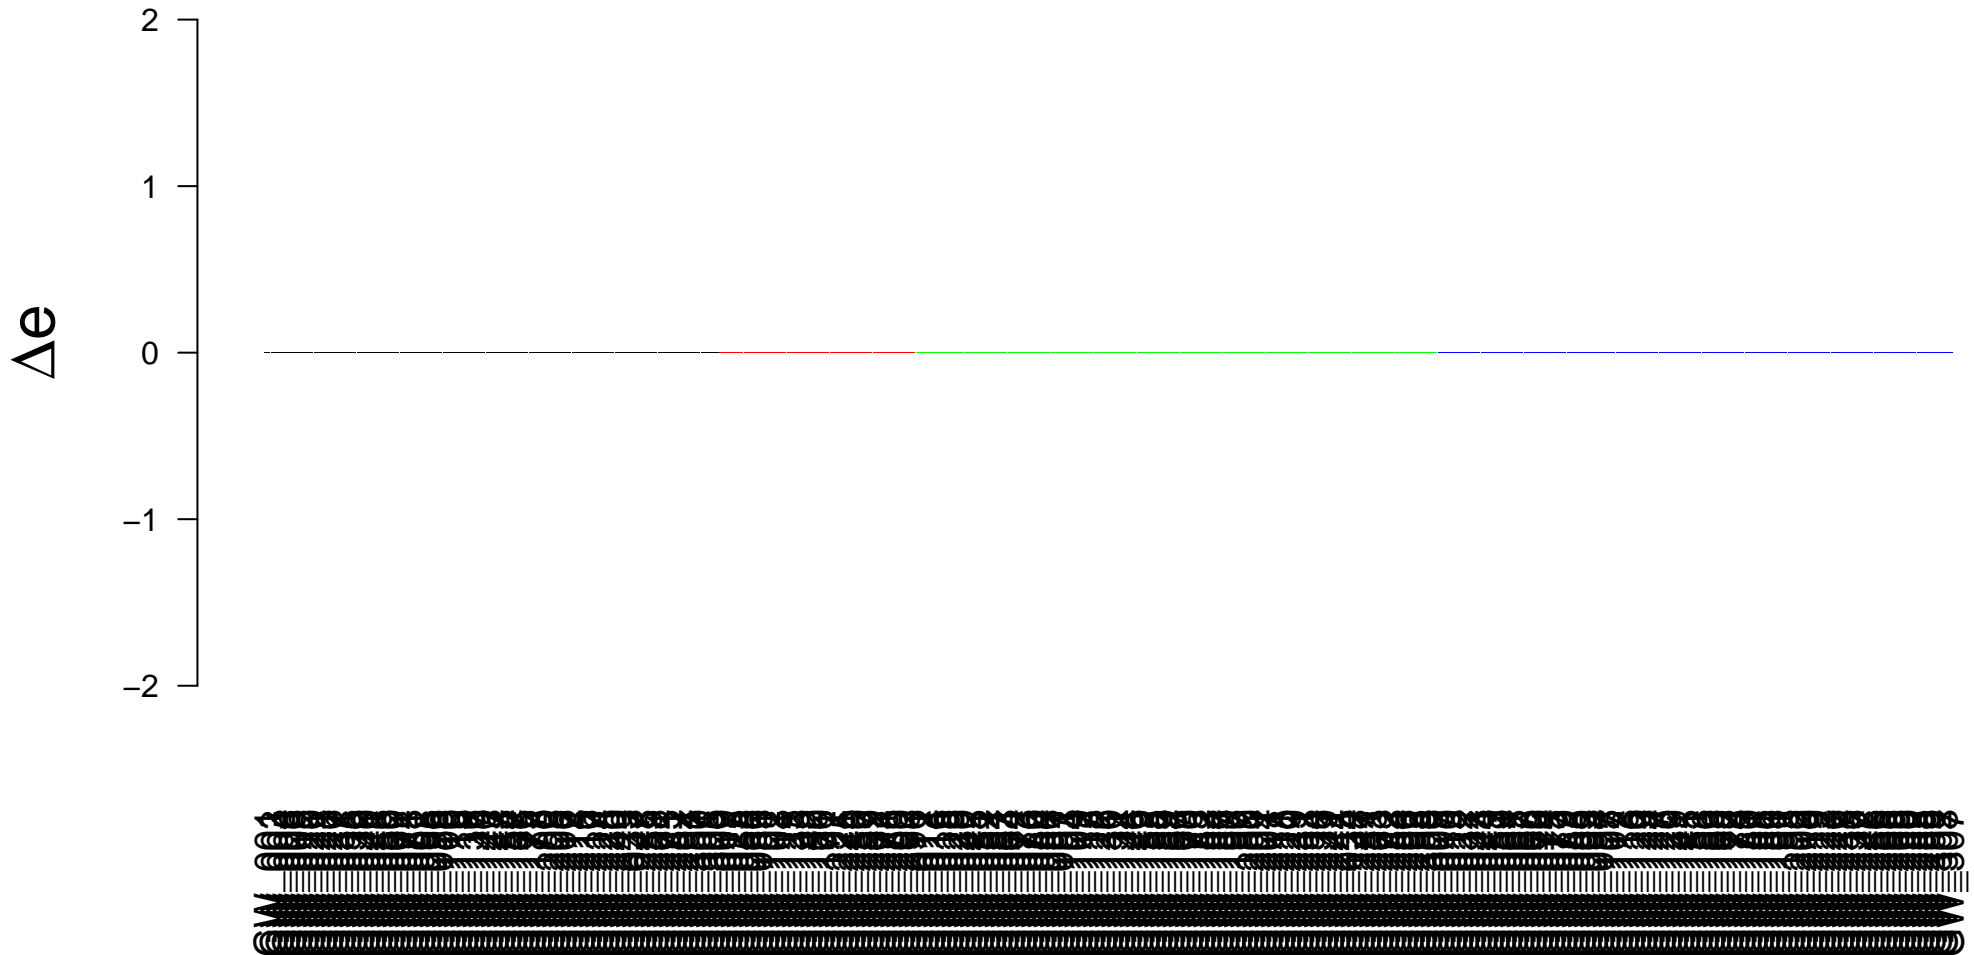

Enrichment in spots: virus receptor activity

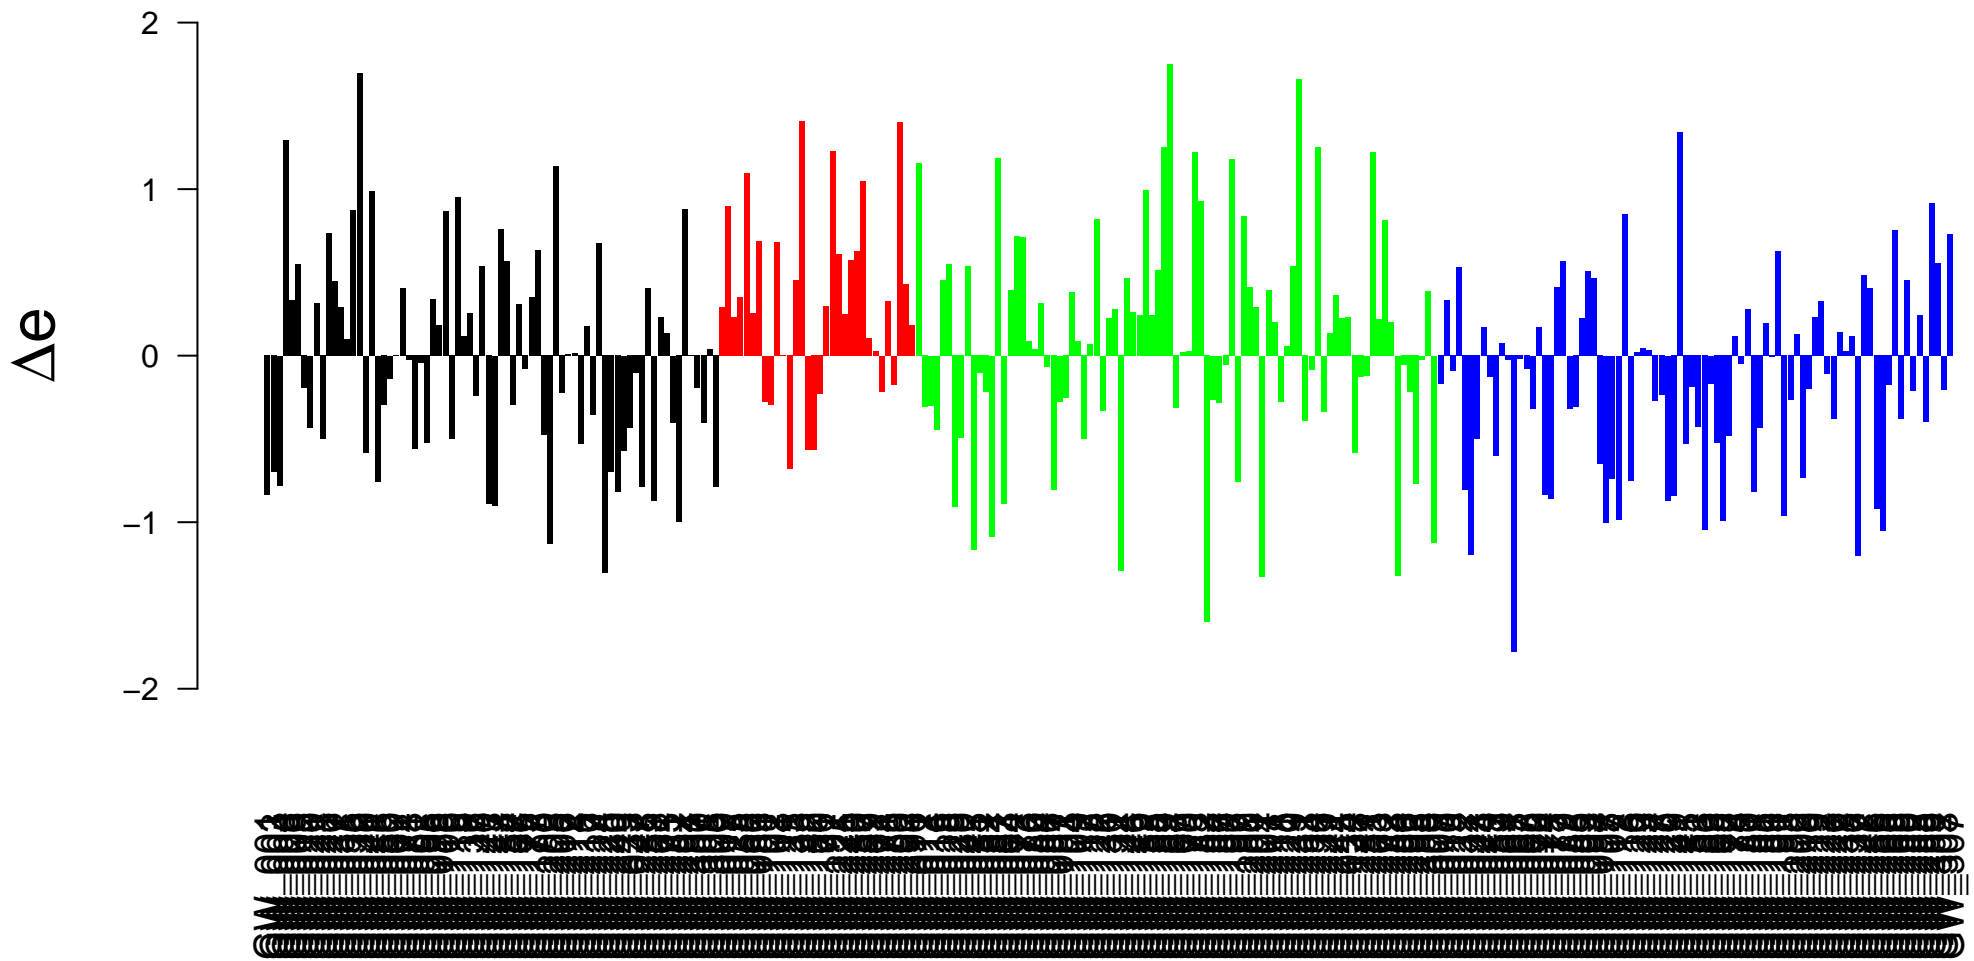

Expression of virus receptor activity in Spot A

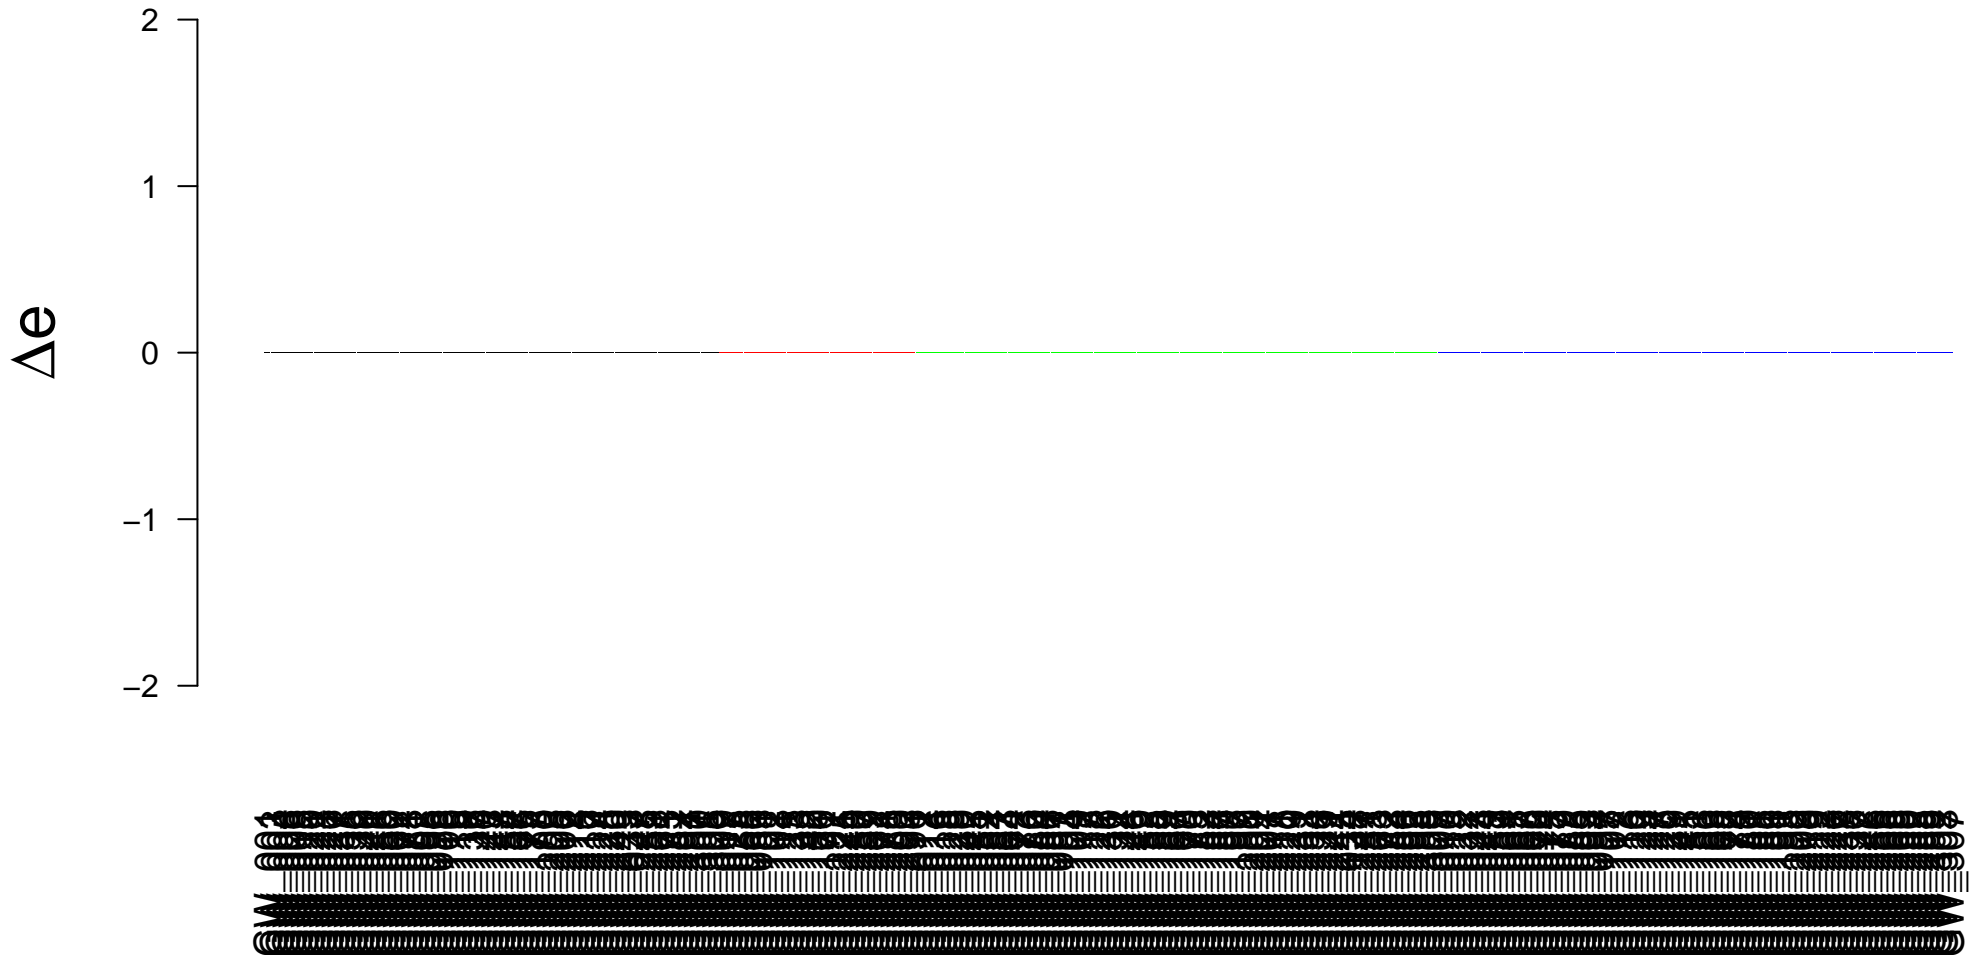

Expression of virus receptor activity in Spot B

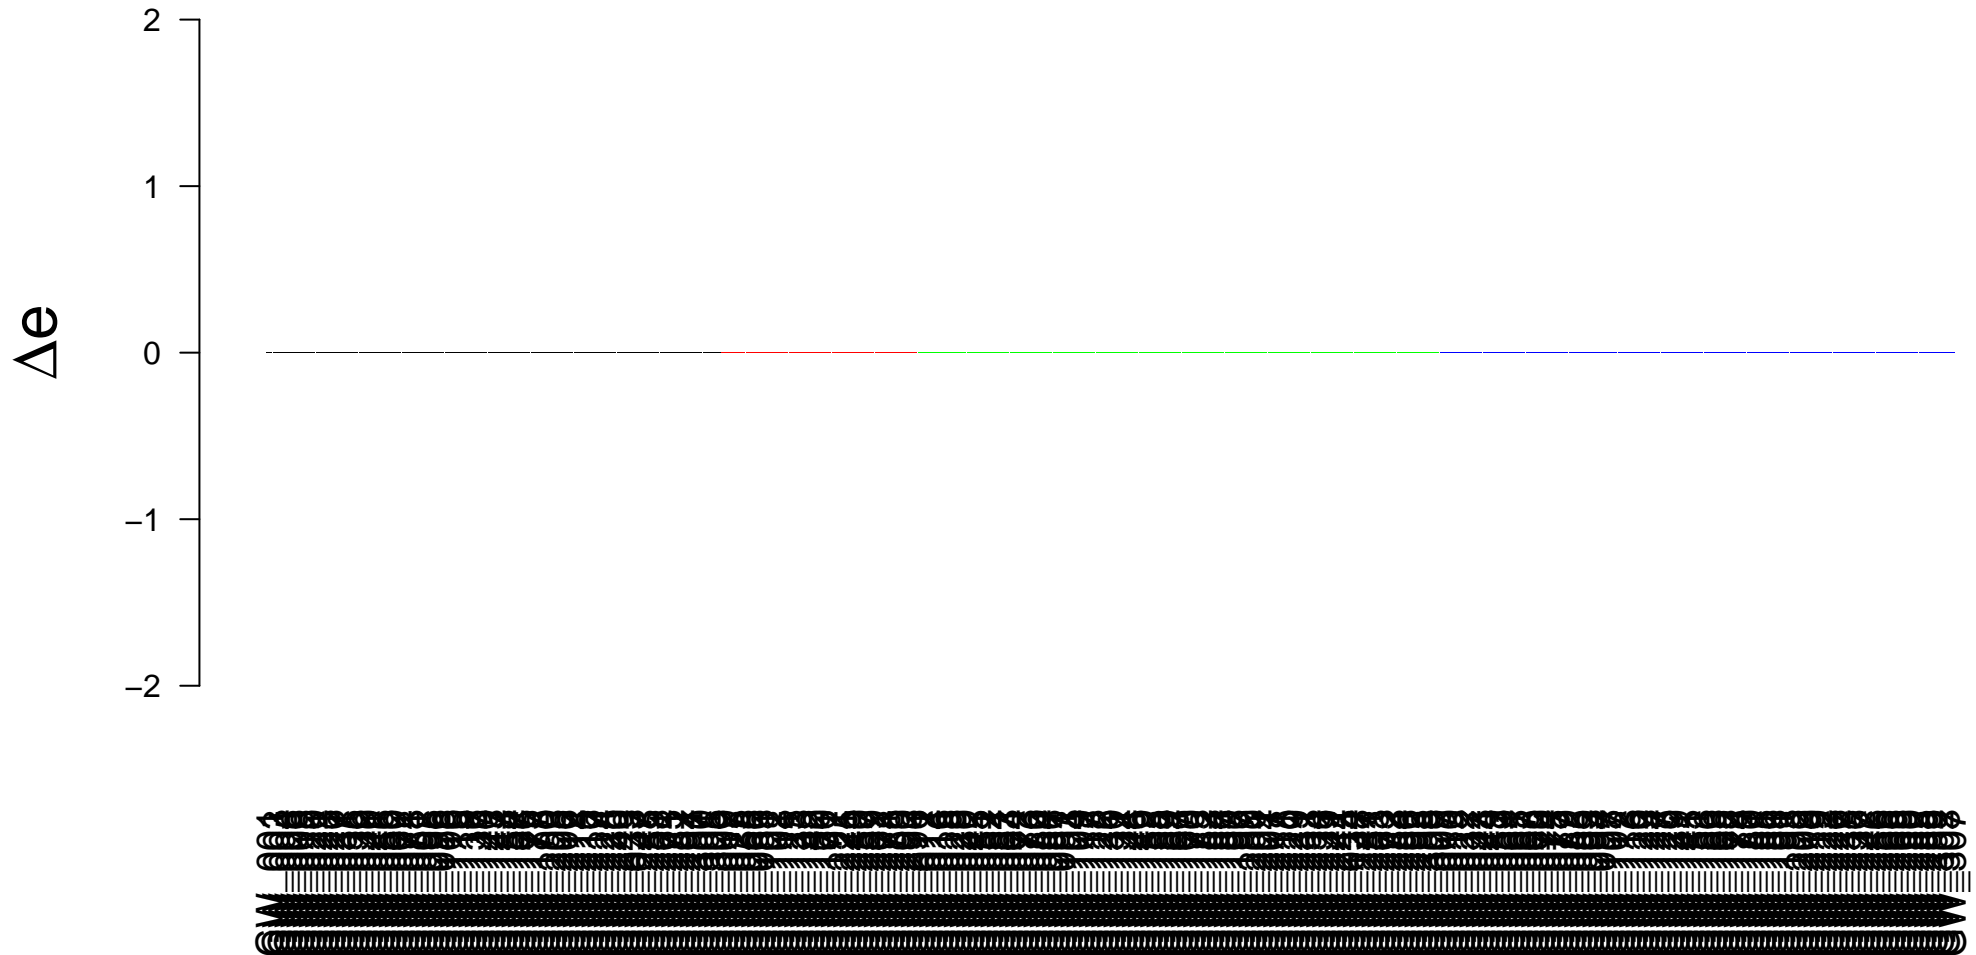

Expression of virus receptor activity in Spot C

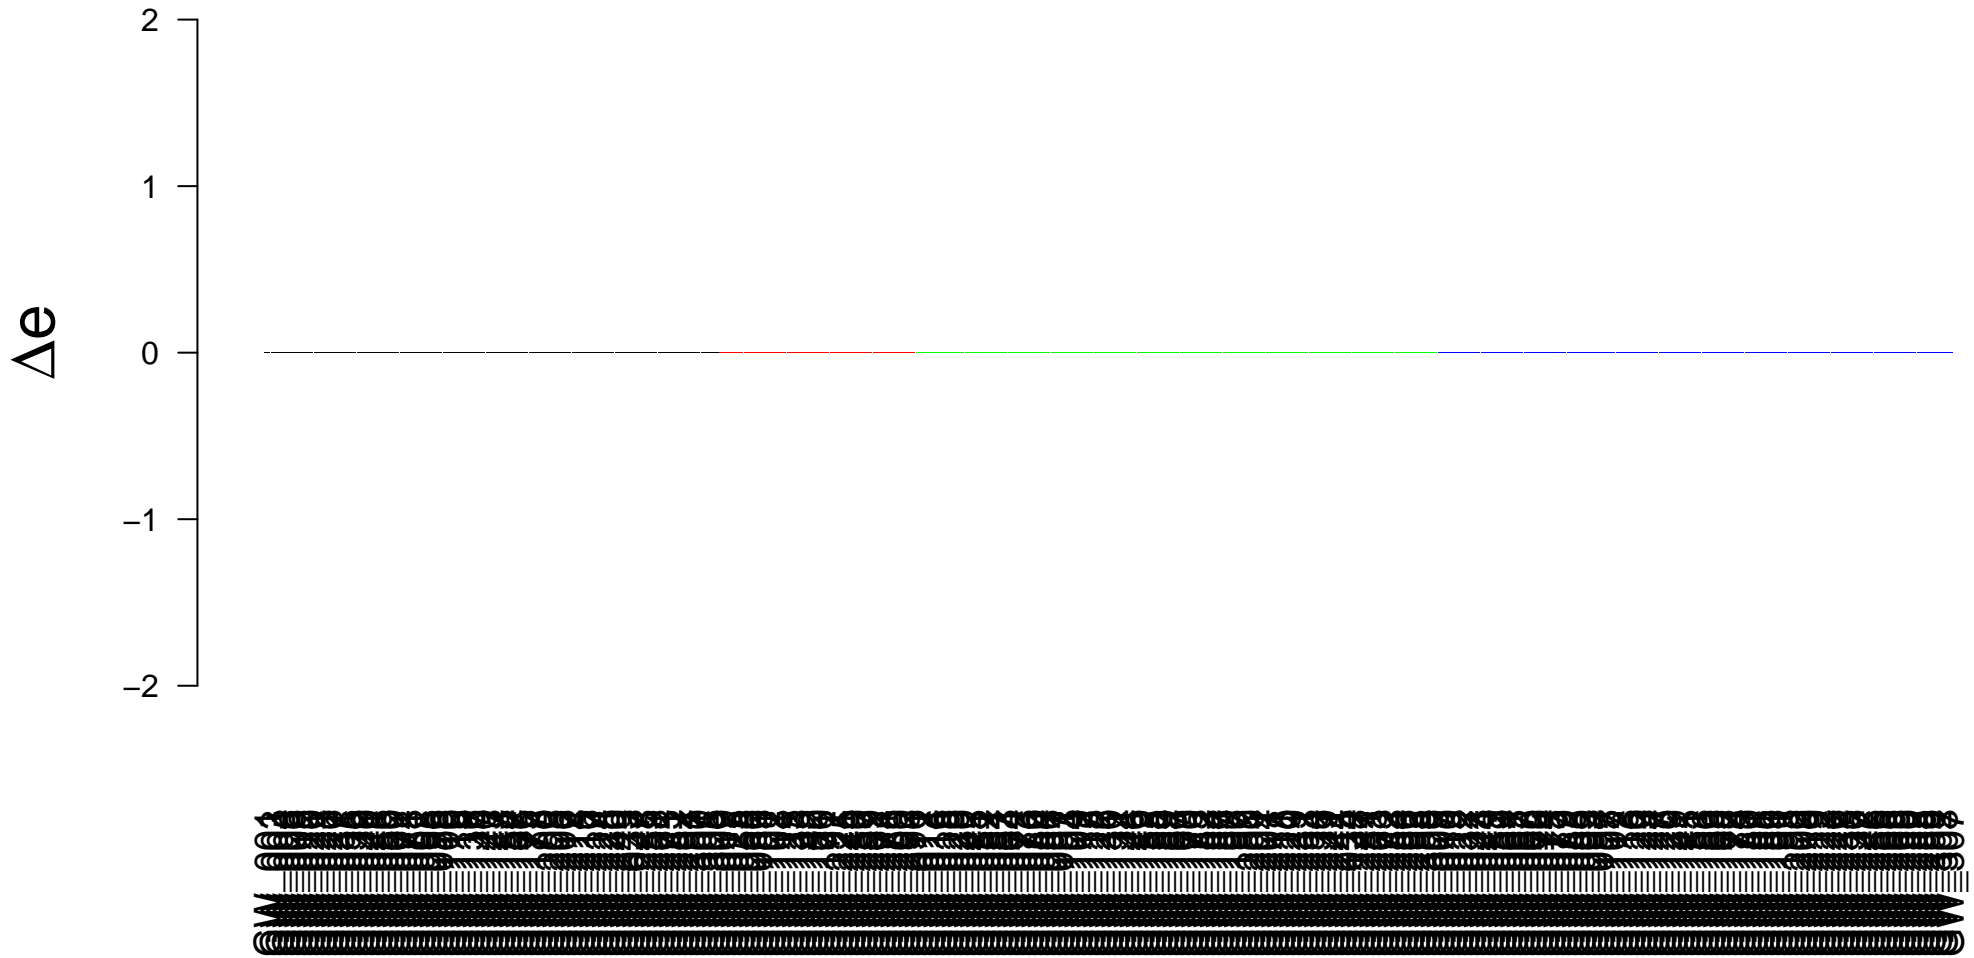

Expression of virus receptor activity in Spot D

Expression of virus receptor activity in Spot E

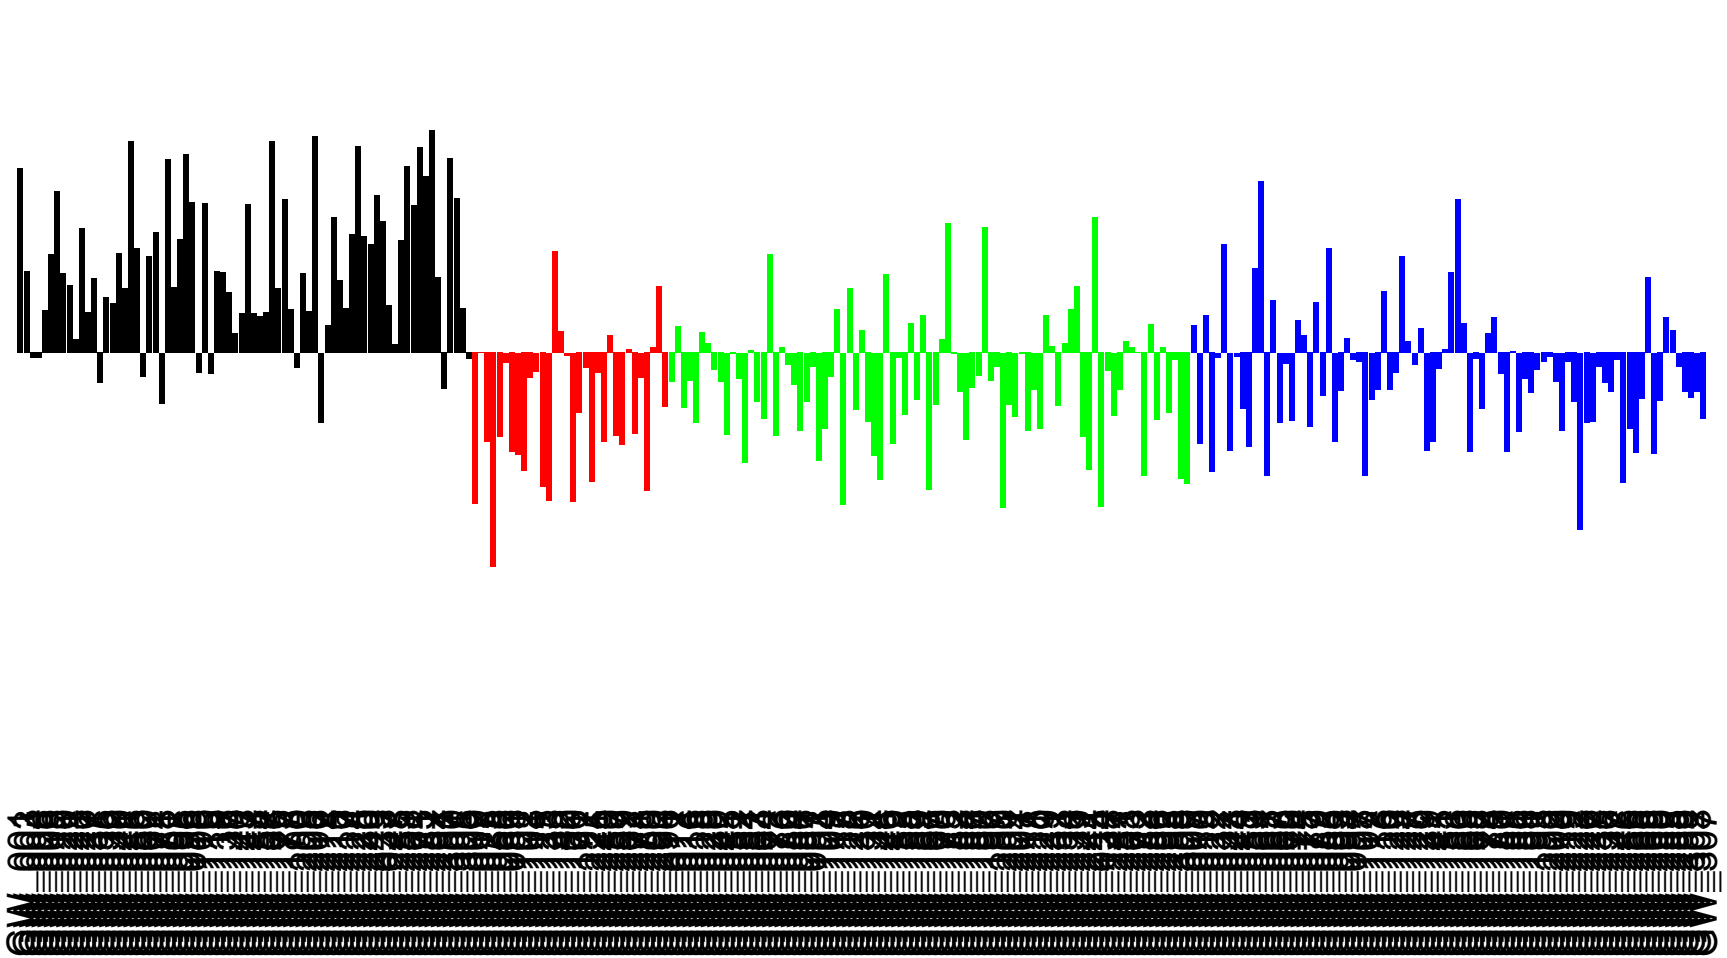

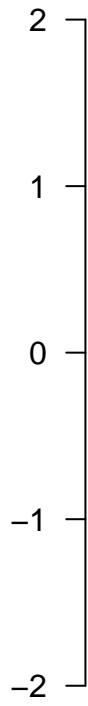

Expression of virus receptor activity in Spot F

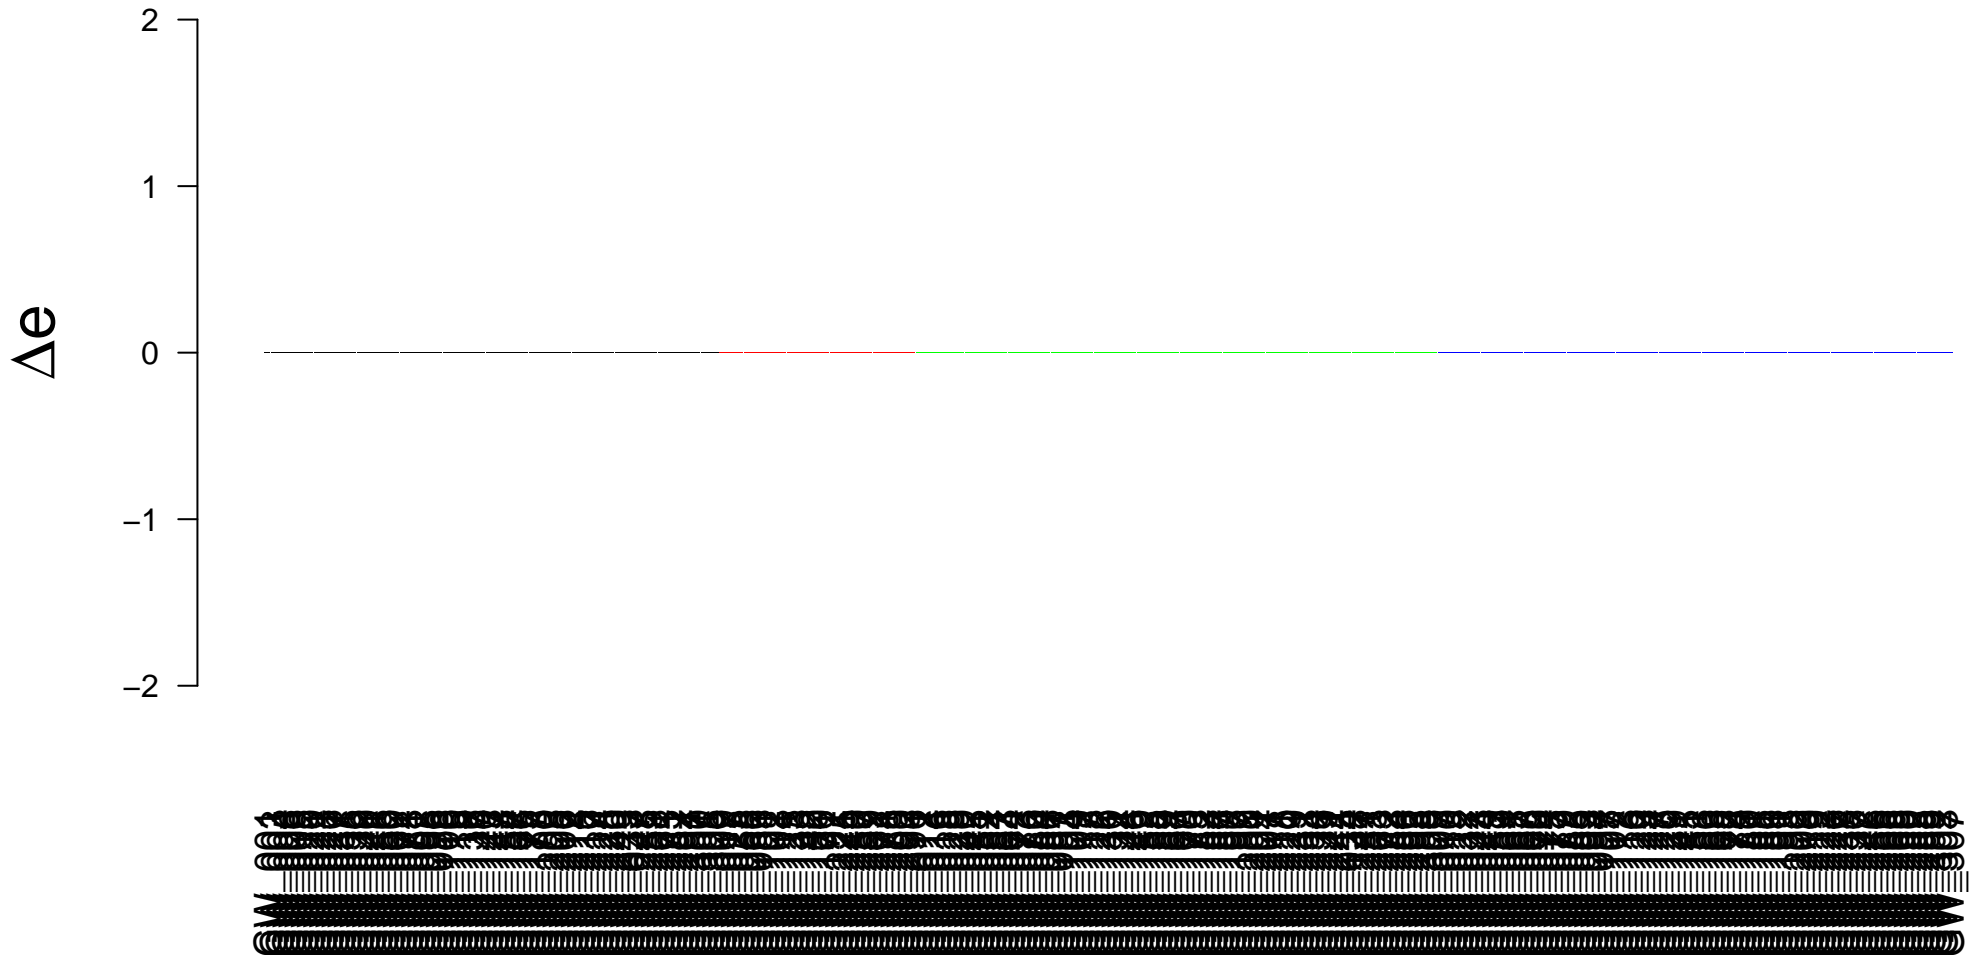

Expression of virus receptor activity in Spot G

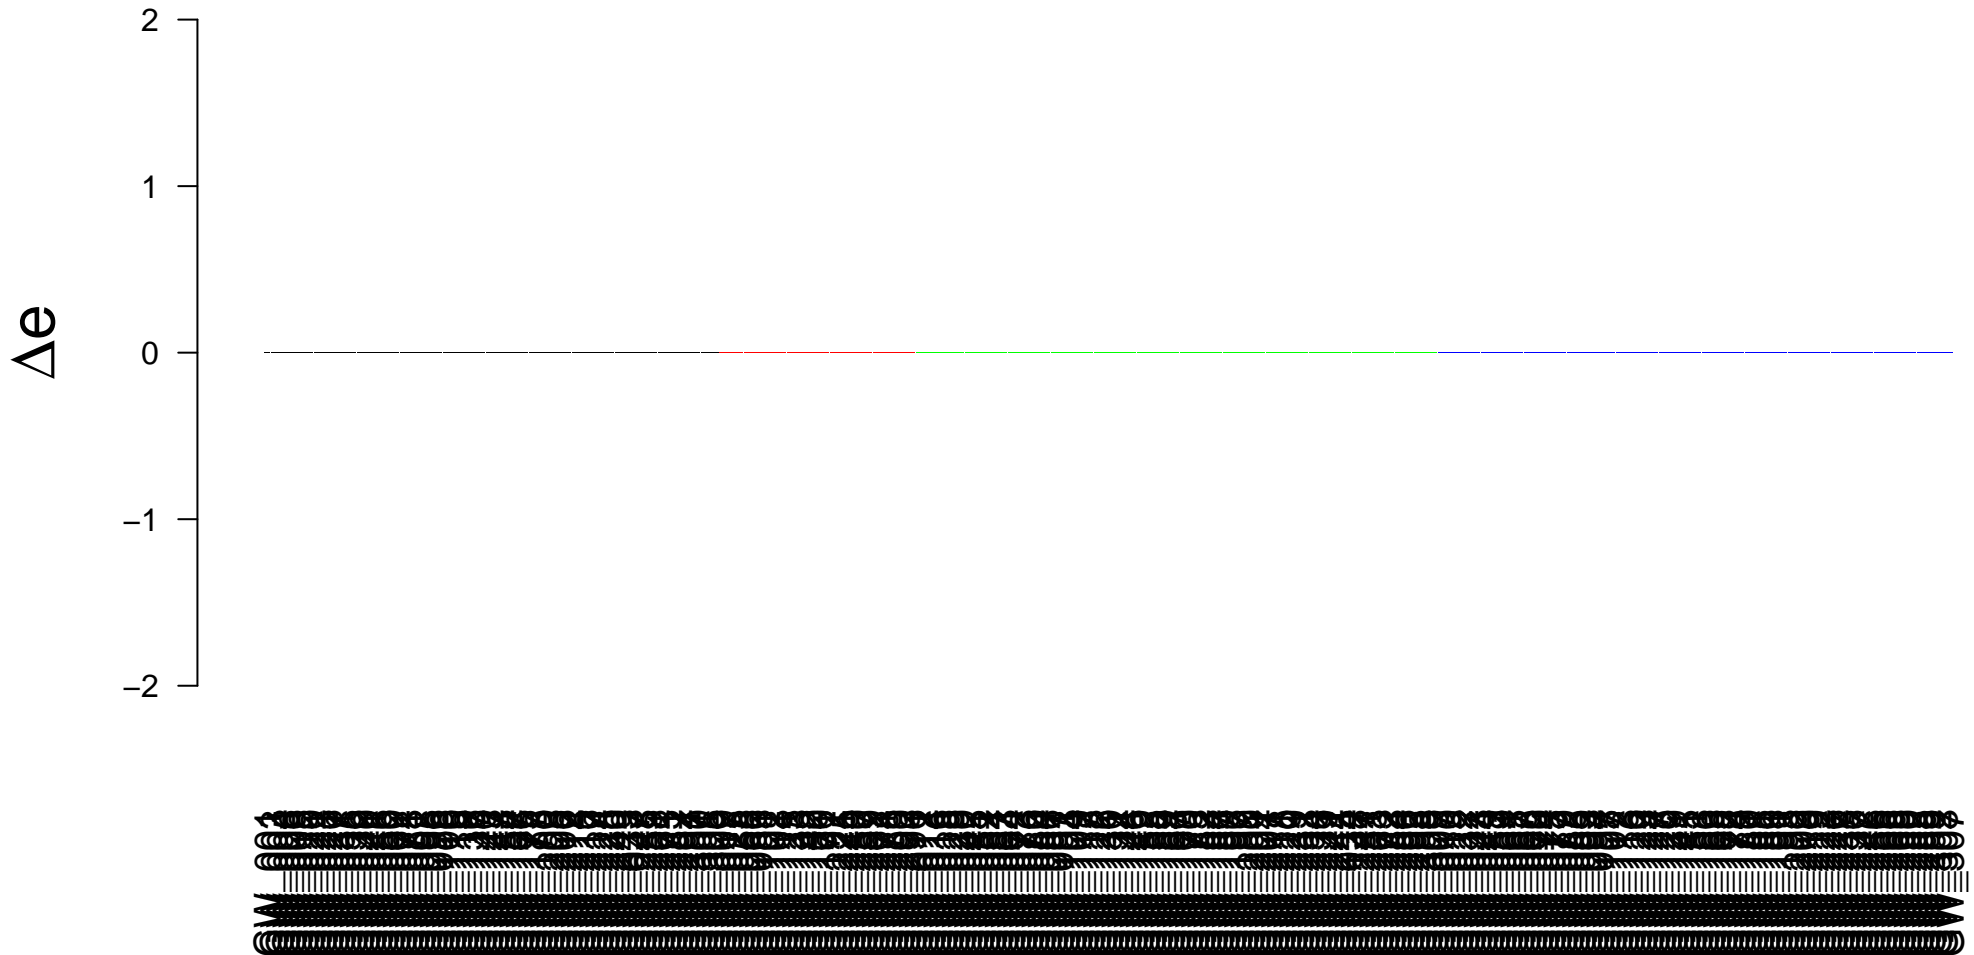

Δe

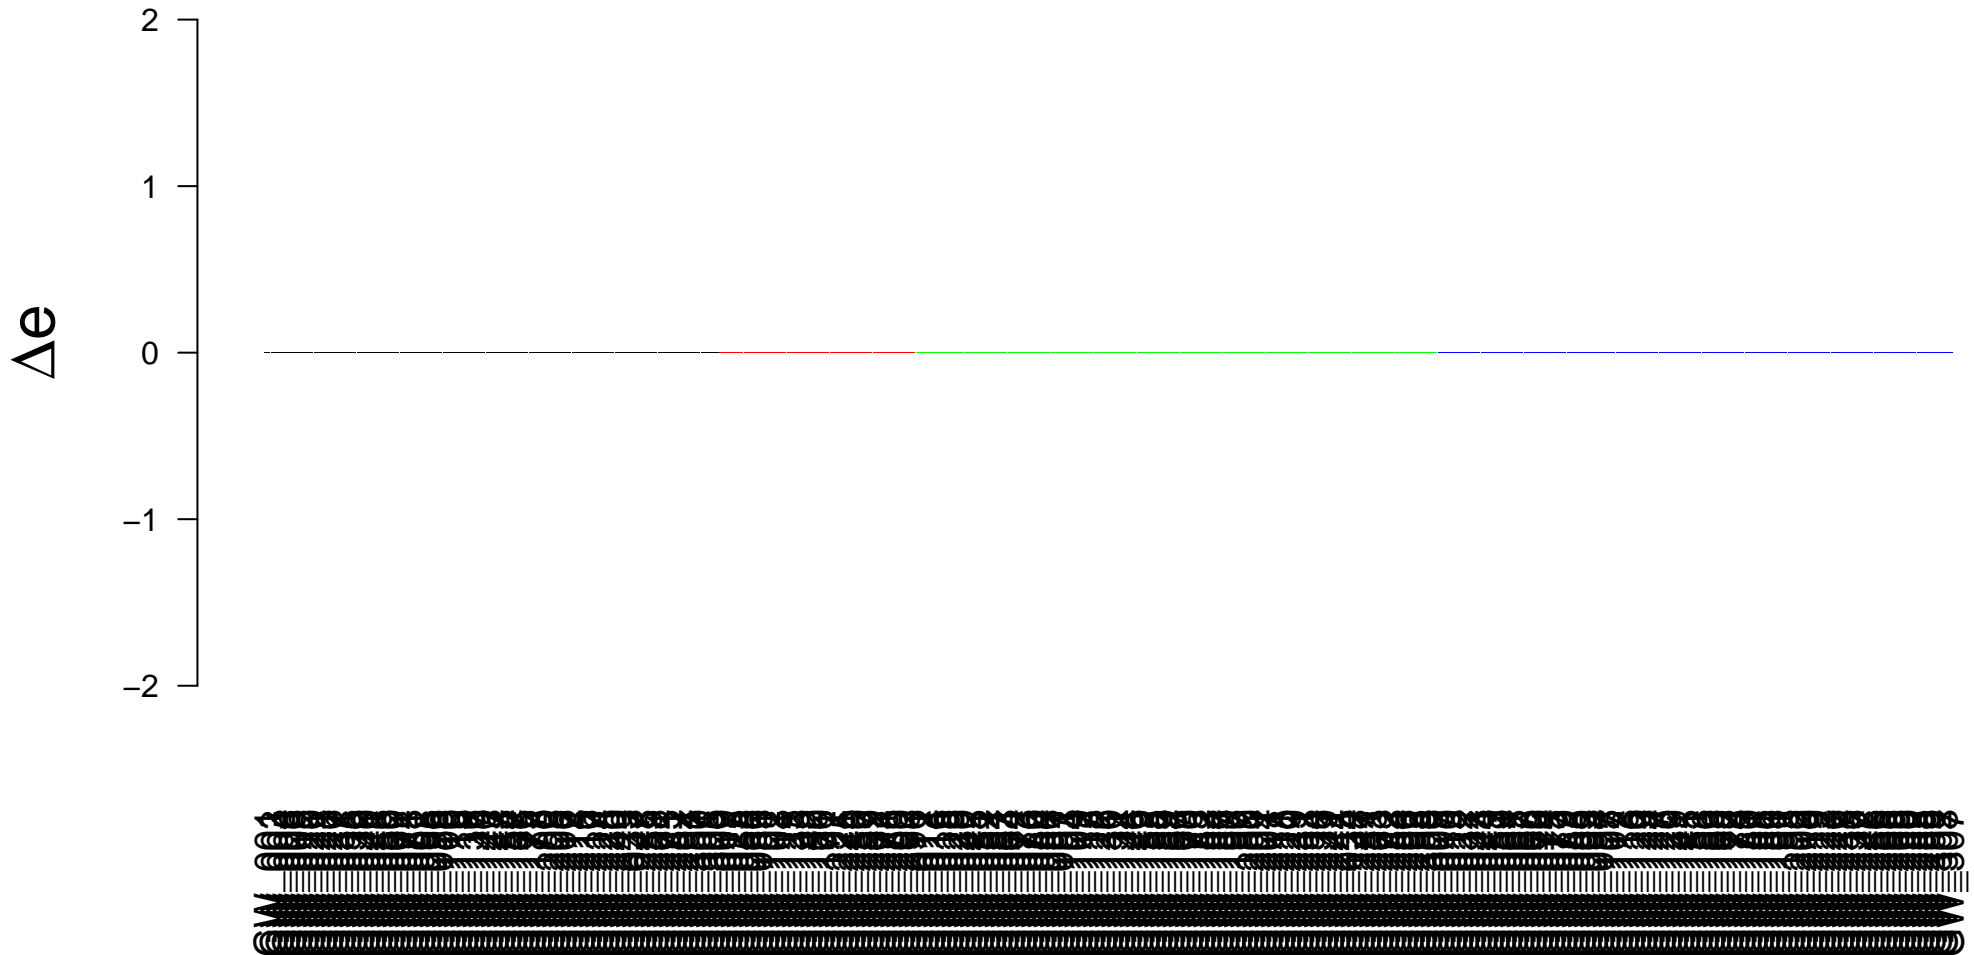

Expression of virus receptor activity in Spot H

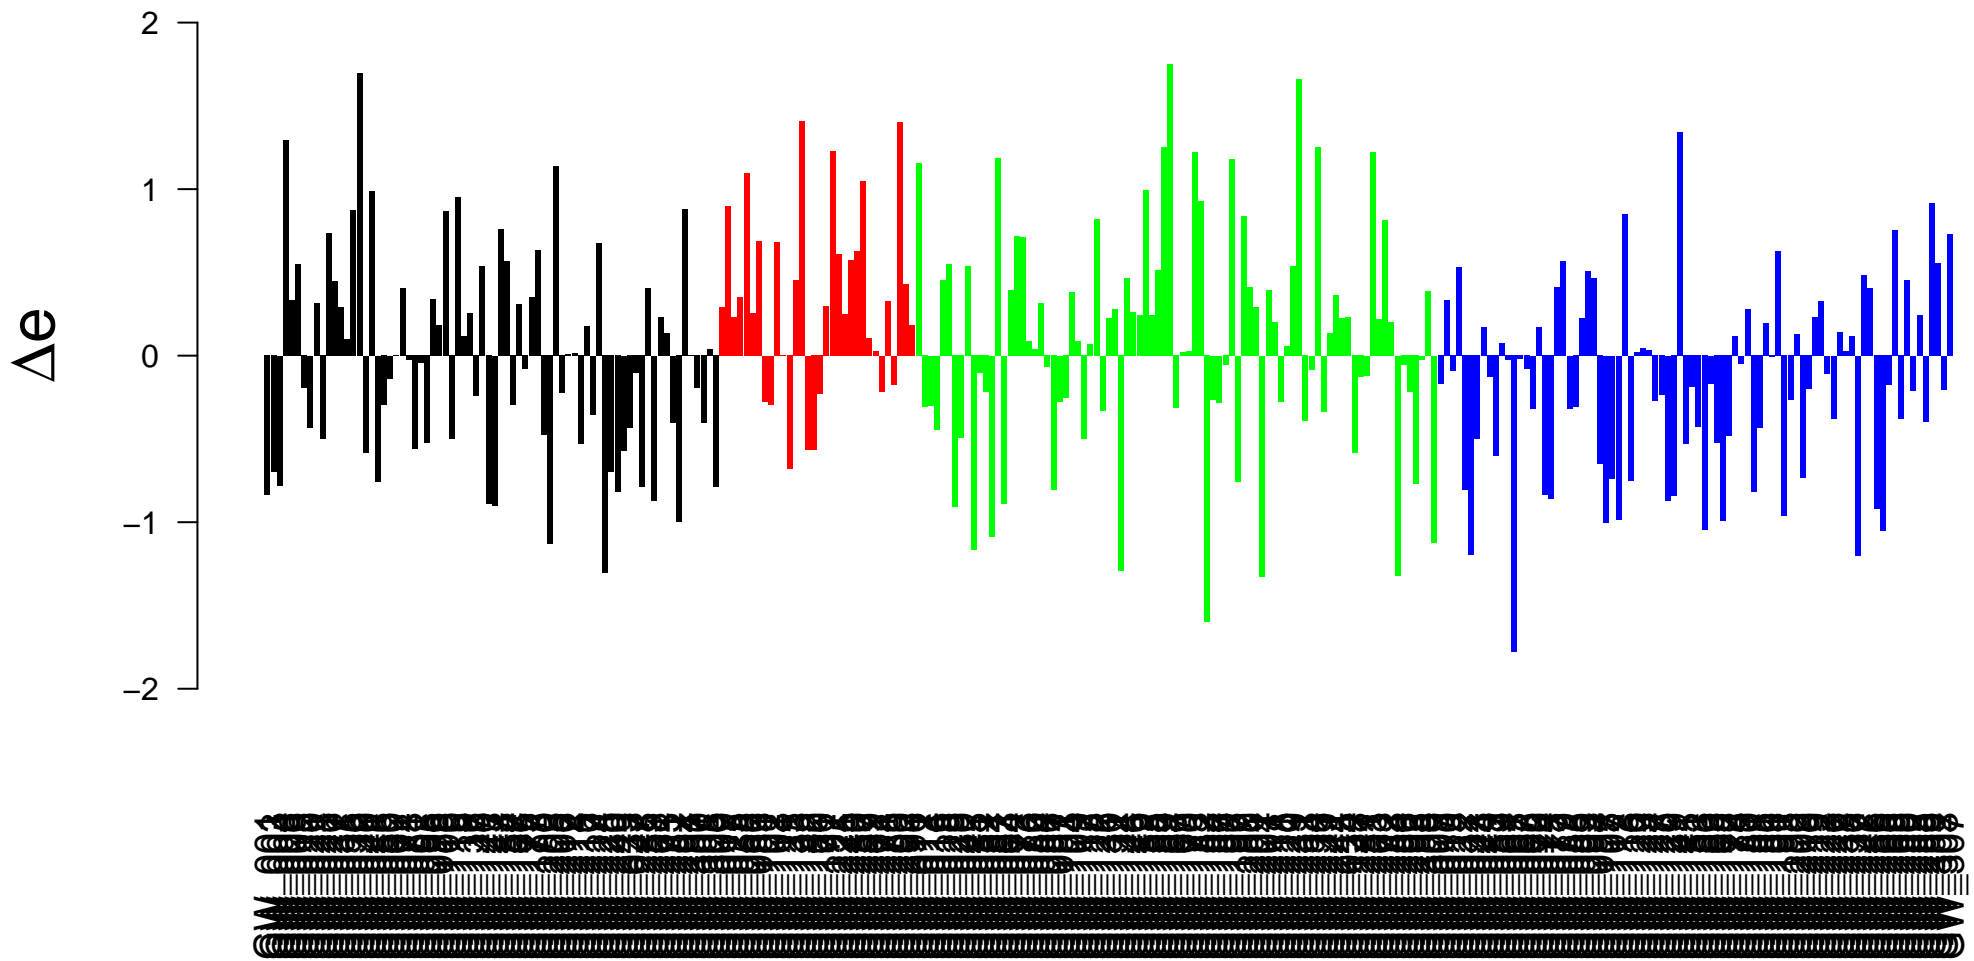

Expression of virus receptor activity in Spot I

Expression of virus receptor activity in Spot J

Expression of virus receptor activity in Spot K

Expression of virus receptor activity in Spot L
