

voltage-gated potassium channel activity

voltage-gated potassium channel activity

Enrichment in spots: voltage-gated potassium channel activity

Expression of voltage-gated potassium channel activity in Spot A

Expression of voltage-gated potassium channel activity in Spot B

Expression of voltage-gated potassium channel activity in Spot C

Expression of voltage-gated potassium channel activity in Spot D

Expression of voltage-gated potassium channel activity in Spot E

Expression of voltage-gated potassium channel activity in Spot F

Expression of voltage-gated potassium channel activity in Spot G

Expression of voltage-gated potassium channel activity in Spot H

Expression of voltage-gated potassium channel activity in Spot I

Expression of voltage-gated potassium channel activity in Spot J

Δe

Expression of voltage-gated potassium channel activity in Spot K

Expression of voltage-gated potassium channel activity in Spot L
